## THE PREPARATORY SCHOOL

### Requirements for Admission

Graduates of the Eighth Grade of any standard Public School will be admitted without examination upon presentation of an Eighth Grade diploma. For entrance into one of the higher classes the applicant must present evidence of having completed the required work.

Sixteen units of academic work are required for graduation from the Preparatory School. A unit is one recitation a day during the school year. The following are the required subjects for the four years in the three groups offered:

D Class, Latin, Algebra, History, English, Bible.

C Class, Algebra, Bible, Science, English, Latin, History.

B Class, Greek or French, History, English, Latin, Bible, Geometry.

A Class, English, Greek or French, Physics, Bible, Latin, Education.

Every High School graduate who expects to continue his education will give careful consideration to the school they wish to attend. Since the type of school attended will prove a strong factor in future development, no question is of greater importance than, "What School in September?" Have you studied carefully the opportunities Hope College offers? As one of the strongest of the smaller Christian Colleges, Hope College offers the best of courses under competent instructors in History, Classical and Modern Languages, Literature, Sciences, Ethics, Religion, and Music. Hope College stands for purposeful Christianity, a strong loyal Americanism, and a vigorous personality. Hope College has trained and is now training world workers as ministers, teachers, physicians, lawyers, and business men. Hope College is accredited by "The Association of American Colleges and Universities," "The North Central Association of Colleges and Secondary Schools," and also, "The State and Private Universities of the Middle Western States." Tuition is fifty dollars a year. Board and room can be secured at reasonable rates, and the cultural atmosphere of the city is most wholesome.

Your correspondence is invited.

EDWARD D. DIMMENT, President.
