Men Reach, Identify Plane Debris

WAILUKU MAUI, Hawaii — Three months of speculation and anxiety ended Monday when a 9-man Civil Air Patrol rescue team positively identified and confirmed wreckage of a small plane in an almost inaccessible valley here as that of a Piper Cherokee missing since September.

Aboard the plane were four Michigan residents, Jo-Anne Elsinga, 25, Holland; Betsy Van Dyke, 20, Grand Rapids; Betty Boer, 22, and Marlys Vis, 21, both of Wyoming; the pilot, Air Force Lt. Robert Van Vossen, 24, Cicero, Ill., and Everett Hoeks, 24, Westchester, Ill.

Members of the search party said most of the wreckage had been burned and it appeared all six passengers had met a fiery death when the plane crashed into a steep mountain-side on the island of Maui.

The plane had been on a one-day outing from Hawaii Sept. 23, when it is believed it was suddenly caught in a severe downdraft and pulled into the canyon.

The wreckage is on a 70 to 80-degree slope in the Iau canyon and is about 1,200 feet above sea level and about 1,600 feet below the top of the ridge.

The wreckage was spotted recently and it took rescue workers four attempts to hike into the remote area on foot.

The rescue team spent more than 19 hours in the mountains. The ground crew had to scale a 40-foot sheer cliff blocking a valley and then climb another 900-foot slope to reach the debris.

The team brought out the bones of what appeared to be four bodies, a propeller, a woman's purse and a serial number which matched that of the plane.

Other bones were scattered around the charred site of the wreckage, they said.

An Air Force officer said that from the wreckage, it looked like the engine was intact and the propeller was not turning when the plane crashed. The purse found at the crash site contained identification belonging to Marlys Vis.

A county medical examiner on Maui said he had identified the bones of four persons, at least one of them a woman. He did not know how long it would be before positive identification could be made, if ever.

Second Class Mail Rates Increased

Postal rates for newspapers and magazines at second class rates were increased Jan. 1, 1969, Postmaster Louis A. Haight has reminded second class mailers.

The increase results from the postage rates law enacted in December 1967, which raised second class rates in three annual steps. The hike next week is the second phase. The first took place Jan. 7, 1968, and a third will go into effect Jan. 1, 1970.

The second class rate increase affects general interest, nonprofit and classroom publications.

Except for home-county mailings, postal rates for newspapers and magazines mailed at second class rates are based on the weight of the publication, the amount of advertising it contains and the distance it is mailed.

Effective Jan. 1, rates for editorial and non-advertising matter in commercial publications were increased from 3 to 3.2 cents per pound. Rates for advertising content depend on the distance the publication is mailed. Those rates now range from 4.6 to 15 cents per pound of advertising. The new advertising zone rate range will be 4.9 to 16 cents per pound.

There are special lower second class rates for classroom publications and publications of nonprofit organizations. These rates were also increased Jan. 1.

Postmaster Haight said that second class mailers who need more detailed information on new rates should contact the post office where their publications are mailed.

Tennessee Firm Acquires De Pree's

W. A. Diekema

Willis A. Diekema, president of the De Pree Company of Holland, has revealed that an agreement has been reached with Chatterm Drug and Chemical Company, Chattanooga, Tenn., for the acquisition of the local company.

De Pree will continue to operate under its present identity as a wholly-owned autonomous subsidiary, with no changes in personnel or policies. Diekema will continue as president.

Chatterm Drug and Chemical Co. started in business in 1879 as the Chattanooga Medicine Co., and has been very successful in the making and marketing of proprietary drugs. It has been a leader in aluminum chemistry, with its patented developments being the principal buffering and antacid ingredients of several nationally advertised products. It is a privately owned company, with Alex Guerry Jr., its president.

The De Pree Co. has been a manufacturing landmark in Holland since 1906, being formed by Con De Pree and local associates. It produces an exten-

sive line of non-prescription drugs which are sold by selected drug stores on a franchise basis under the De Pree brand name. It was a pioneer in the vitamin field, and has held its position as one of the leaders in this area. Of late years it has enjoyed a rapid growth in all of its product sales.

In commenting on the merger, Diekema said, "We are most happy with the terms and conditions under which the De Pree Company will be taken over by Chatterm, and look forward to an accelerated growth under this joining of forces. They are our kind of people, and we regard the acquisition as a progressive step. No changes of personnel or procedures are contemplated."

Chatterm President Guerry said a firm offer has been extended to De Pree shareholders whereby the latter would exchange their stock for cash or a combination of cash and subordinate debentures convertible into Chatterm stock. Final consummation of the acquisition is scheduled on or before March 1, 1969.

Guerry indicated that De Pree's sales for 1968 will exceed \$4,000,000 and that company sales and profits have increased substantially the past five years.

Not all forms had been delivered, and the three district judges were still studying a schedule for uniform traffic fines which first offenders may pay without formal arraignment. Offenses on the schedule do not include drunk driving, reckless driving, careless driving or driving while license is suspended.

The court forms were expected to be delivered by the end of the day. John Galien Jr. is district judge for Holland, Jacob Ponstein for Grand Haven and Gerald J. Van Wyke for Hudsonville. Van Wyke also is presiding judge.

Ottawa county, like areas all over America, is low on blood supplies at present. Persons who can donate blood are asked to call Red Cross headquarters for an appointment.

According to police, the Den Besten car slid across the median, hit the railroad tracks and went broadside in front of a tandem semi that was northbound on US-31.

The truck was driven by Jack Wyngarden, 45, of route 3, 64th Ave., Zeeland. Wyngarden was first taken to Holland Hospital and referred to Zeeland Community Hospital where he was released after x-rays.

Police said Mrs. Den Besten was pinned in the car. Both doors were jammed on impact and had to be pried open.

Trucking Firm Will Receive Magazine Award

The second consecutive year, "Fleet Owner" magazine will present a maintenance efficiency award to Holland Motor Express, Inc., with general offices in Holland, Mich. Robert Brackenridge, director of equipment for Holland Motor, received a telegram from the McGraw-Hill publication last week informing him of the award.

The maintenance efficiency award will be presented to the local common carrier at the National Fleet Owner Conference at the Drake in Chicago April 1 to 5, 1969.

The awards program requires fleets to take a close, continuing look at its overall maintenance program and the results it achieved. Each fleet entering the program has to meet specific standards and obtain certain goals. Fleets are only in competition with themselves.

Under the direction of Robert Brackenridge, Holland Motor maintains accurate records involving 609 pieces of equipment and approximately 15,000,000 vehicle miles per year. These records are audited by McGraw-Hill's "Fleet Owner" staff prior to judging by a "committee on awards." The committee is comprised of people who are authorities in all phases of the transportation industry.

Holland experienced another successful Tulip Time festival in 1968, one which had Lt. Gov. William Milliken coming in place of Gov. George Romney whose bandwagon for U.S. President was rolling at that time. Holland is looking forward to the 1969 festival when the 40th anniversary of Tulip Time will be observed.

Windmill Island also had a successful year with attendance remaining consistently high. But with the increase of cost of operation, Council has decided to boost the price of admission to \$1.50 for adults and 75 cents for children next year. A highly successful ox roast was staged on Windmill Island early in September, attended by some 4,000 persons, many of whom were visiting Windmill Island for the first time.

No great crises faced City Council this year, although this body faced a number of public hearings attracting large numbers. As yet unresolved is the matter of paving South Shore Dr. after a number of residents displayed considerable resistance over estimated costs.

City fathers also are studying a proposed government complex which would encompass city police and fire quarters. The development is envisioned as a plaza extending westward from City Hall and Herrick Public Library. The Holland Planning Commission currently is studying other possible sites.

Council passed a fair housing ordinance in 1968, following long and careful study by the Human Relations Commission.

Also under study is a Community College for Ottawa county and part of Allegan county which would serve as a vocational-technical school for students of high school age and older. A tentative election calling for 2 mills is slated Aug. 19, 1969.

On the political front, the Ottawa county Republican leadership was taken over by a conservative element led by Joel Verplank of Holland, following election of county delegates in the August primaries. The new leadership with Verplank as chairman will take over Jan. 1.

Dutch Top VCC Offense

It is no wonder that Holland High School's basketball team is all alone on top of the Valley Coast Conference.

Sporting a 3-0 league mark, Holland boasts the top one-two punch in the league with guard Dave De Witt heading the VCC scorers with a 22.0 point average per contest. Right behind De Witt is forward Dave Gosse- lar who has tallied 19.6 points per game.

Together De Witt and Gosse- lar are accounting for 41.6 points per VCC game. Add to this the 13.3 point average of junior forward Max Glupker and it's plain to see why the Dutch lead the VCC in scoring with an 80 point average. Mona Shores lags behind the Dutch with a 69.5 point per game average.

Coupled with a fine offense, the Dutch are also the league's top defensive squad, allowing only 56 points per game due mainly to a pressing defense by the guards and a tall front line which affords the opposition few chances for rebound shots.

De Witt, since scoring eight points in the season opener against Ottawa Hills, has reeled off four straight 20 point games scoring 25 against Muskegon Heights, 21 against Grand Haven, and 20 against East Grand Rapids and Kentwood.

Changes in Government Seen in Allegan in 1969

ALLEGAN — For Allegan county the year now drawing to a close was the "mixture as before," a blend of problems and progress, triumphs and tragedies.

Along with the rest of the state, Allegan county looked forward to 1969 as a year of change, especially for county government.

Allegan's 40-man board of supervisors convened for the last time in December. In January, the new 21-member board will be seated.

Township justices of the peace also were preparing to close their dockets as the year ended. After Jan. 1, their job will be done by newly elected District Court Judge Elizabeth Ramsey, aided by three magistrates and a traffic bureau.

Until May 15 when the county will take title to the Lawyers' Building, just east of the County Building, the new district court will be located wherever Judge Ramsey hangs her hat or purse. The county board voted in November to purchase the Lawyers' Building from Attorney Leo W. Hoffman for \$65,000.

The year began and ended with ambulance service problems.

A new service began operations in the Otsego-Plainwell area in January with hopes for a subsidy from local governmental units in that section of the county. These hopes failed to materialize for this firm, but an Allegan-based service was more successful. After the Allegan Ambulance Service announced plans to discontinue operations on Nov. 15, nine cities and townships agreed to come up with a subsidy payment and service continued in those areas. As the year ended all sections of the county were assured of ambulance service—but there were rumors and rumblings that some of the firms might yet discontinue operations.

The Federal-State Food Stamp program, after two false starts, finally went into operation in the county Dec. 1. Twice before the Department of Social Services had "tooled up" to offer the program to low-income and public assistance families, only to have their plans reversed because of lack of federal funds.

As the year ended, however, the plan was actually in operation. All in all, it was a confusing year for the recently integrated Department of Social Services. As the year began the department turned back to the county's general fund more than half of its 1967 budget—\$110,000 out of \$200,000. But as the year ended, Director Oliver White was voicing qualms about the adequacy of his new 1969 budget.

Along with all other Michigan counties, Allegan was ordered in April to come up with equal-population districts for its board of supervisor members. At the time, board members thought they had the jump on the rest of the state, because a plan calling for a 21-man board already had been drafted. In June, however, members of the Plainwell-Otsego Jaycees filed objections to the plan in the State Court of Appeals. They charged there was too great a discrepancy between districts as far as population was concerned.

In October the court ruled that the county could go ahead and elect new supervisors under the plan, but that board members' votes would be "weighted" in proportion to the population of the districts they represent. This system probably will stand until the 1972 elections when 1970 census figures will be available to equalize the districts. In the meantime, County Clerk Esther Warner Hettinger will be kept busy with an adding machine to determine how the board votes on various questions.

The county finally got rid of one long-standing problem in 1968. Almost 20 years to the day after the old Williams Bridge in Trowbridge township collapsed under the weight of a highway brine tanker, the bridge was rebuilt and back in service in early spring. It was the first county bridge to be replaced with funds from a special one-mill tax levy. Two other, smaller bridges also were replaced during the year.

Throughout the year at the county level there was a definite feeling of progress. In February, supervisors gave final approval to plans to construct a new county medical care facility on the county farm property on Dumont Lake. The office of the register of deeds finally obtained a long-awaited microfilm system in April. In June the Health Department got a permanent director in the person of Dr. C. A. Dickinson, a Wayland physician for 33 years. The post had been filled on a "temporary" basis for several months by former Allegan Supervisor John Pahl.

Supervisors Sept. 3 reversed a previous decision and approved Sunday liquor sales. The proposal had failed on a tie vote in August, but was finally approved, 20-19.

At their October budget meeting, the board approved the first \$2 million budget in the county's history but with a substantial general fund surplus on hand was able to hold the line with a 5-mill tax rate.

The feeling of county progress was bound to carry over into the new year. In late November the County Planning Commission received a long-awaited Federal grant to help them prepare a comprehensive water and sewer plan on a county-wide plan.

Educators in the northern half of the county also were looking ahead to the new year. At an election tentatively set for August, voters in the affected area will have their say on a plan calling for an Ottawa-Allegan vocational and technical college. The present plan calls for making college facilities available to high school students seeking vocational and technical training.

Murder and marijuana made crime news headlines in the county during the year.

Lester Wallace, 78, of suburban South Haven, just inside the Allegan county line, was smothered to death with a pillow in his apartment Jan. 12. Within four days, 28-year-old Charles E. Bain, paroled from Marquette Prison only a month before, had confessed to the crime and admitted taking \$300 from his elderly victim. In early June a jury found Bain guilty of first degree murder and July 15 he was sentenced to life imprisonment. The case was new Assistant Prosecutor James Ainsworth's first major trial.

The year saw a record number of arrests for possession or use of marijuana. One raid netted 25-year-old Paul Johnson, formerly of rural Holland, one of underground movie producer Andy Warhol's "superstars." Johnson had been starring in a new picture "Ciao! Manhattan" prior to his arrest. The producers rewrote the script and some of the final scenes were shot while Johnson was still a prisoner. The old Allegan jail—now a historical museum—was used as the set for several scenes.

It was also a year of progress for the city of Allegan. Work was completed on a new central parking lot for the downtown area. Another lot, on Water St., was graded and ready for surfacing at year's end and demolition work was in progress for construction of yet another parking area, fronting on Cutler and Chestnut Sts.

One of the highlights of the city's year came on May 21 when Consumers Power Company handed over a check for \$1,786,226, payment for the city electric system.

Future municipal and area progress was assured by two elections. On June 10, Allegan school district voters approved a huge \$3.9 million building program. On Aug. 6, city voters okayed a \$700,000 bond issue for a new water treatment plant and other water system improvements.

A campaign launched in April by the Allegan Chamber of Commerce—later joined by the Jaycees—resulted in a favorable two-to-one vote for the sale of liquor by the glass at the November election. As the year came to a close, city council members were wrestling with the problem of determining which of the city's six tavern licenses might get the three liquor licenses which the city is entitled to under state law.

Industrial news in the city was dominated by North American-Rockwell's \$2.5 million expansion program which got underway in March. The 37,000 square foot addition will eventually increase plant capacity by more than a third. The Allegan plant manufactures universal joints.

The city also had one of its largest fire losses in recent years on Labor Day morning. Damage was estimated at \$104,000 when flames completely destroyed the Mighty Midget Supermarket on Lynn St.

Rotary Club Hears Talk by Mrs. Donovan

A future of increased leisure and significant challenge for today's young people was forecast Thursday by Lucille Donovan in an address before Holland Rotary Club at Point West.

Mrs. Donovan, for 39 years a speech teacher and librarian at Holland High School until her retirement a few years ago, directed her remarks at the high school and college age children of Rotarians who were special guests.

"I've never envied anyone anything before," Mrs. Donovan said, "but right now I envy you young people who will live in the fabulous 21st Century with its unlimited opportunities and unbelievable changes."

She spoke of petroleum powered cells that will generate light and heat in the home; individual-heating and cooling systems for chairs and sofas; banks of replacement parts for the human body; underwater farming and mining; and a substantially shortened work day and work week.

Mrs. Donovan said that while only a small percentage of today's young people deserve the label of excessive sensuality that many oldersters are ready to hang on them, all young people today will face severe tests in the 21st Century living.

In this world of the near future, today's young people will have to learn to discipline themselves to live purposefully, she said. "They must do something with their lives besides pursuing pleasure."

The development of arts and culture would be one worthwhile application of their energies, Mrs. Donovan said. She cited the John F. Kennedy Center for Performing Arts now under development in the nation's capital, the first federal subsidy of the arts, as an encouraging sign pointing in this direction.

There will also be a greatly increased need of schools, especially trade and vocational schools to train the people who will be required for service in the technological future.

As a pattern of personal effort, Mrs. Donovan suggested that young people follow the "feminine" ascribed to Claire Booth Luce—"Pray as if everything depended on God, work as if everything depended on you."

Many Rotarians in her audience were former pupils of Mrs. Donovan. She was introduced by Fred Bertsch. Herbert J. Thomas presided.

Best autumn color occurs when September rains freshen leaves after a dry summer. Bright, crisp days and moderately cold nights heighten the effect, but heavy frost dulls colors.

Hope Winners Behind Snoap

Marty Snoap must think he's still playing high school ball.

The Hope freshman, who was all-league at Godwin last year, led Hope College to the Holiday Tournament championship here Saturday night as the Flying Dutchmen defeated Wabash College, 100-85.

Snoap scored 30 points and led a late Hope surge which put the game out of the Little Giants reach after they had narrowed the margin to 75-69 midway in the second half.

With Wabash leading 21-18

Ted Zwart, 11.

Guard Tom Dykstra, quarterback of the team, contributed nine points to the Hope attack which saw 10 men enter the scoring column.

Hope, now 6-2 on the year, has scored 747 points for a 93.5 point per game average. The Flying Dutchmen have reached the 100 point mark four times.

Hope held a wide rebounding margin in the game, 60-41, led by the front line of Van Huis with 19, Hendrix, eight, and Snoap, nine.

Hope hit 40 of 81 shots in the game for 49 per cent while Wabash sank 34 of 80 for 43 per cent.

Snoap hit a phenomenal 14 of 15 shots, including his last 11. For the year his shooting accuracy is 66 per cent on 51 of 77 attempts.

Moore, who entered the tournaments with a 25 point per game average, scored 32 points to lead Wabash. He was followed by Jordan's 18.

Hope will take a short break from basketball action until meeting league opponent Adrian, Jan. 8 in the Civic.

Panthers Second In Swim Relays

GRANDVILLE — The West Ottawa swimming team posted second place in the Sixth Annual Southwestern Invitational Swimming Relays, with 61 points last evening in the competition in the Grandville High School Natatorium.

The Panthers were edged out by Battle Creek Lakeview, last year's state Class A runners-up who tallied 68 points. Also scoring were Kalamazoo Loy Norrix with 58 points, Wyoming Godwin 36, Grandville 35, Grand Haven 33, South Haven 18, St. Joseph 16 and Rockford 1.

Competing, but failing to score were Holland, Orchard View, Grand Rapids Union and Grand Rapids West Catholic.

Coach Henry Reest's Panthers were led by the diving relay team of Dana Rigtink and Dan Troost who captured first place with 201.20 points, posting a new meet record in the board competition.

Chalking up a second meet record for the local tankers was the backstroke relay team composed of Dan Meyers, Greg Plomp, Mike Battaglia and Gary Van Kampen. Their 1:53.9 record time was a smashing three seconds faster than their nearest competitors.

The powerful Panther pack was the only team that scored in every event, though more power and less depth might have aided their cause.

The breaststroke relay team of John Timmer, Jeff Boone, Chris Raphael and Dan Rigtink registered fifth place points with a clocking of 2:15.3.

In the 500-yard progressive relay Jon Helder, Rick Hamstra, Ken Wiley and Chuck Nienhuis sliced three seconds off their preliminary time, but the 4:51.4 clocking was only good for third place.

Butterflies Terry Rithamel, Rick Zavadi, Dan Meyers and Mike Zavadi from fourth place in the preliminaries to second in the finals as Coach Reest called ailing Mike Zavadi from home to compete in place of his alternate Dan Troost in the

finals. The 1:50.6 final time was six seconds better than the seeded times from the afternoon competition.

With the next event, the record-breaking Panthers climbed into first place momentarily leading Lakeview and Loy Norrix 43-40-40.

It was still an uphill battle in the 400-yard freestyle relay with Jon Helder, Rick Hamstra, Ken Wiley and Chuck Nienhuis slashing 16 seconds off their preliminary time, moving up from third to second position with a 3:38.4 time, only to be inched out by their nearest foes, Lakeview in the finish.

In the medley relay the Panthers captured sixth place, with Greg Plomp, Jeff Boone, Terry Rithamel and Mike Zavadi paddling. Zavadi added extra strength to the team, but one event was more than he could do justice to having been out of practice for a week. They turned in times of 1:57.3.

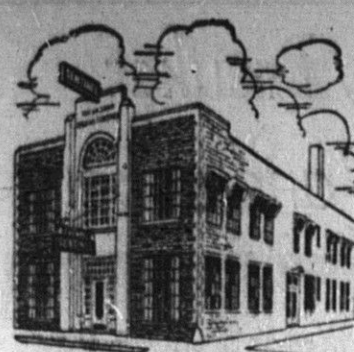

The final event of the meet, and the closest in the competition left West Ottawa in fourth place with Rick Zavadi, Chris Raphael, Dave Ketchum and Jeff Helder swimming in 1:43.9.

Coach Reest was pleased with the fight put up by his Panthers, especially under the pressure of the big Lakeview Spartans from Battle Creek.

In the junior high competition, West Ottawa snatched first place in the freestyle relay with Rick Wiley, Bruce Visser, Mark Smith, Brent De Vries and Fred Nelis swimming in 1:58.3. The medley relay team of Scott Kamps, Greg Pierson, Dave Sova, Dan Van Dort and Bill Rauch was disqualified on an improper breaststroke turn.

The Panthers swam the medley relay in the 9th grade events, capturing first place with Jim Streur, Phil Boeve, Charley Vanden Berg, Ron Leeuw and Randy Hamstra swimming in 2:10.6.

Holland qualified only one team for the final competition as Randy Knapp, Dave De Ridder, Fred Bertsch and George

STATE COMMISSION ON AGING-TAXES

We have just received a bulletin letter from Lansing concerning eligible senior citizens applying for their property tax reduction under Michigan's Homestead Tax Exemption law. The release reads: "All eligible Michigan homeowners who are 65 years of age and over will need to file an affidavit at their local assessor's office for a tax reduction for their 1969 taxes. Those who applied last year must file again.

"Applicants may file between Jan. 2 and sometime in March, a date set by each local assessor's office. There are no lien provisions attached to the Homestead Tax Exemption Act, and there will be no attempt by state or local governments to collect from the heirs or otherwise attach the property.

"Michigan residents of more than five years, aged 65 or over, are eligible for the exemption if their homestead and real property tax value does not exceed \$20,000 and their gross income does not top \$5,000.

Each applicant must supply a deed, land contract, or mortgage; a birth certificate or other legal proof of age; a recent tax bill or bills for all real property owned; and his social security number.

"He should be prepared to give the true cash value of property owned out of the state of Michigan, and a statement of income."

So if you are interested in filing, the street number is 1101 S. Washington Avenue, Lansing, Michigan 48913. Your local assessor's office no doubt has information that may help.

The Beginning of Good News
(The Gospel of Mark)
Mark 1:1-13
By C. P. Dame

May the New Year bring us many blessings and offer us a variety of opportunities to serve God better than ever and may Sunday Schools grow in numbers and spiritually. During the first quarter we will study the gospel of Mark.

I. Let us note a few facts about Mark the writer and the gospel he wrote. The writer's Jewish name was John, Mark was his Latin surname. His mother was wealthy, lived in Jerusalem, and her house was a center of Christian fellowship. Mark was a spiritual son of Peter, a cousin of Barnabas, with whom he and Paul travelled from Jerusalem to Antioch. He went with Paul and Barnabas on the first missionary journey but at Perga he left and went home to Jerusalem which displeased Paul. Later on he became useful to Paul. He was with Peter in Babylon.

His gospel is the oldest and the shortest of the four, it portrays Jesus as a Servant, and it was written primarily for the Roman world. Mark got much information from Peter. He wrote concisely, the word "straightway" appears often. Mark says that the beginning of the gospel — of the good news — was the preaching of John the Baptist, it was then that the Law and the Prophets came to an end (John 1:17). Note that Mark introduces his gospel with a quotation from the Old Testament, vs. 2 from Malachi 3:1 and vs. 3 from Isaiah 40:3. The Old Testament foretold the gospel.

II. John the forerunner preached and baptized. The subject of his preaching was repentance, which means changing the mind. After the people repented John baptized the people which symbolized forgiveness of sin. After being forgiven and baptized newness of life should follow and that is why John made certain demands.

People responded to John's preaching. A revival broke out. This is what we need today. John told the people about the coming of the Messiah who would do a greater work than he for He would baptize not with water but with the Holy Spirit.

John magnified Jesus Christ, the Lamb of God who would take away the world's sin. Jesus came from Nazareth and John baptized Him and thus accepted his responsibility and identified himself with the revival movement. At His baptism the Spirit descended upon Jesus like a dove and God spoke from heaven. Note the dedication of Jesus, the consecration of the Holy Spirit and the ratification by God.

III. Jesus was tempted in the wilderness by Satan. It is old-fashioned to believe in a personal devil but some of us still do so for we are shocked by his doings. One of the devil's tricks is to make people believe he does not live. In the wilderness Jesus was with the wild beasts but they were not wild with Him for they recognized Him as their Master and the angels are there to serve Him.

the groom and bridesmaid, wore A-line gowns with stand-away necklines, avocado empire bodices and lime green skirts. Their avocado veils were held by bow headpieces and they carried poinsettias and holly.

Larry Zettel attended the groom as best man while Jack Kalmink was groomsman. David Bonnama and John Van Haitsma seated the guests.

Following a dinner reception at the Decatur Club, the newlyweds left for a wedding trip to Bermuda. Upon their return they will make their home in East Lansing.

Ottawa County 4-H News

By Willis S. Boss

Extension 4-H Youth Agent

Once a year we tabulate the 4-H statistics of Ottawa County to find out such items as where most of the work has been done, what projects have been carried out more than others, the number of boys and girls enrolled, etc. The following is a report of these facts. This past year Ottawa County had 307 4-H Clubs. The club members exhibited their work at Achievement Days on a district level in Coopersville, Hudsonville, Holland and Zeeland. The best of the districts then went to the County Achievement Days held in April.

The winners at the County Achievement Days had their projects exhibited in a group at the county fairs. The winter enrollment was again the largest. The clothing and knitting projects were carried by 1,625 girls and a few boys which was the largest enrollment for one project. There was a total of 439 volunteer leaders in 1968. These volunteer leaders came from all parts of the county.

There were clubs in each of the 17 townships and members enrolled from most of the communities in each township. The school conservation program had a total of 760 members enrolled. The participating schools were Alward of Hudsonville, Beechwood of Holland, Bursley of Jenison, Jeffers of Spring Lake, Sandy Hill of Jenison, Alendale Public School and the Jenison Jr. High.

There were 2,866 different boys and girls doing 4-H Club work during the year and they were enrolled in a total of 3,794 projects.

Our 4-H camping program was run for six weeks during the summer and well over 480 members attended, which was a little down from 1967. However, the camp was used for schools and other groups during the course of the year. A complete staff was hired to run the 4-H camping program under the direction of Mr. and Mrs. Bob Rotman.

Summer 4-H projects included crops, vegetables, flowers, foods and nutrition, livestock, dairy, beef, swine, horses and they were exhibited at the Marne Fair, Hudsonville Fair and the Ottawa County Fair in Holland. The 4-H members received well over \$8,000 in premium money from the three fairs.

The horse project is the fastest growing project in Ottawa County and this year had 305 members compared to 260 in 1967. The dairy program has dropped a little but still numbers around 130 children involved.

All in all, Ottawa County had a very successful 4-H program in 1968 and we want to thank the many businesses who sponsored award trips, and volunteer leaders who donated their time and service, and parents for their cooperation, and to the members for being motivated and encouraged to belong to the 4-H program.

As we embark on the new year of 1969, we are encouraged and hope that we will continue to serve the youth of Ottawa County with a 4-H Club program.

GRANDSTANDING... 1968: Local Review

By Vern Plagenhoef
Highlight of the 1968 sport scene in Holland was the Class B state runner-up basketball season of Holland Christian's tall and versatile quintet.

The Maroons, led by All-State second team selections, guard Bob Van Langevelde and forward Steve Bushouse, completed their first undefeated basketball season since 1934-35 by whalloping Allegan, 76-42 for their 18th win.

The Maroons then swept through state tournaments by winning seven straight games, only to lose in the state finals at Jensen Fieldhouse in East Lansing, 77-65 at the hands of Willow Run.

The Maroons earned second spot in the UPI Class B rankings while Dan Brower and Jim Vogelzang earned state honorable mention for their play.

Christian excelled in other sports also.

The Maroons won the regional tennis crown and moved on to finish third in the state meet held in Kalamazoo.

The golf squad compiled a 12-3 season mark, winning its 11th regional title and finishing seventh in a field of 23 schools at the state meet in Mt. Pleasant.

Christian's baseball team was runner-up to Hudsonville Unity Christian in the finals of the East Christian High School Invitational baseball tournament.

After inaugurating its new soccer field on the 40th St. campus, the Maroons posted an 8-1-1 season mark which crowned them champions of the Christian School Soccer League.

Hope College won its 17th MIAA basketball title, finishing the MIAA season with a 10-2 record to cop the crown by three games.

The Flying Dutchmen, 17-6 for the year, were led by Little All-American honorable mention winner Floyd Brady who set a Hope scoring mark of 44 points in one game, became the highest scorer in Hope history, in MIAA history, and ended his career with 2,004 points, only the fifth Michigan collegiate player to reach the 2,000 point mark.

He finished 11th among the nation's small college scorers with a 31 point average and was named to the All-MIAA first team as well as being the recipient of the Randall C. Bosch award as the league's most valuable player.

Bruce Van Huis and Gary Rympa were named to the MIAA second team.

Another individual made his

presence known in Hope sports. Rick Bruggers helped lead Hope to a co-championship for the MIAA track crown, Hope's third successive title.

Bruggers broke the school's record for the mile, 4:12.9, the two-mile, 9:32.2 and the half-mile, 1:56.1.

Other records set by the Flying Dutchmen were: Ray Cooper, 100 yard dash, 9.8; Cooper, 440 yard dash, 48.7; Ken Feit, pole vault, 14'9"; Dave Thomas, 440 yard intermediate hurdles, 1:54.2; mile relay, Walter Reed, Ralph Schroeder, Bruce Geelhoed and Cooper, 3:20.8.

Hope only experienced one dual meet loss in the MIAA, at the hands of Calvin. It was the Flying Dutchmen's first MIAA defeat in 19 outings.

Hope's trackmen concluded the season by finishing fifth in the NCAA Midwest Regional track meet in Delaware, O.

Bruggers went on to win every race he competed in, except one, during the cross country season.

He finished 18th at the NCAA college division cross-country meet in Wheaton, Ill., missing All-American honors by six seconds.

Throughout the year Rick broke records on numerous courses, including a 20:04 clocking for four miles on his home course, while leading the Flying Dutchmen to a fifth place finish.

Bruggers was named the league's most valuable runner.

Holland High School captured its first football championship in the school's history with a 13-6 VCC win over Grandville on Nov. 1.

The co-champion Dutch placed five players on the VCC first squad: Bob Ver Hoef, offensive tackle; Rick Nykamp, offensive guard; Rick Berens, defensive tackle; Gary Lound, offensive halfback; Dave Gosselaar, defensive end.

Gosselaar was awarded the Elks Trophy as the most valuable senior while Max Glupker received the R. E. Barber award as the most valuable junior.

Zeeland, which finished in a tie with Northview for the O-K League Blue Division crown placed three men on the all-league team. Dirk Schrotenboer was honored as quarterback, Rick Lampen, tackle and Doug Barense, offensive halfback.

West Ottawa, after kicking off its football season with a fan night, posted its best record in history, 6-3. The Panthers, suffering all their losses in the O-K Red Division, finished fifth in the league while placing halfback Greg Dalman on the league first team.

Ron Joostberns, all-Expressway first team halfback and the league's third leading rusher, led Hamilton to a 2-5-1 football mark in Larry Campbell's last season at the coaching helms of the Hawkeyes, Campbell announced his retirement after the season's close.

Hamilton won its second straight Expressway League basketball crown, posting an unblemished 8-0 league mark.

Hope College, under new coach William Vander Bilt, enjoyed its first winning soccer season by posting a 6-4 mark and finishing third in the MII conference. Manuel Cuba, Fred Schutmaat and Jim Hoekstra were first team selections.

Hope College's football squad finished third in the MIAA and posted a 4-5 season mark while breaking eight team records and tying another.

Groy Kaper, Hamilton sophomore, set marks for most yards passing (1203), most passes attempted (161), most passes completed (84) and tied the mark for most touchdown passes in one season (11). The team passing yardage of 1,449 yards

was also a record.

Nate Bowles rushed for 837 yards while Bill Bekkering set a pass receiving mark of 37. On the negative side Hope allowed a record 247 points and scored their most points in defeat in a 42-31 loss to Adrian.

All-MIAA selections were Ted Rycenga, offensive tackle, Bekkering, offensive end, and Gary Frens, defensive back.

Other area football team marks were: Fennville, 2-4-2, Hudsonville, 1-6-1, and Saugatuck, 1-6.

Holland's new Community Pool opened on April 1 and has been the sponsor of many programs since, including a noon hour fitness program.

Holland High School named Bob Andree swimming coach for the school's first year of varsity competition with the Community Pool as the Dutch home water.

West Ottawa's swimming team experienced another fine year finishing 15th in the state meet while 50 yard freestyler, Chuck Seidleman was named to the state's second team.

Holland High School, led by second team all-state class A selection Dan Shinabarger, won the VCC basketball crown and concluded the season with a 15-4 mark and a 12th place UPI ranking.

With the emergence of Carousel Mountain many Holland area skiers performed in Alpine junior races and Rick Van Tongeren, Chris Walker and Tim Van Tongeren qualified for the national team selection race.

Both the Van Tongerens attended the U.S. Ski Association Olympics summer training camp at Bend, Ore.

Tennis reigned supreme in Holland as the Holland Inter-City tennis squad won the Ralph E. Ellis cup for the ninth time in the last 10 years.

Many Holland area netters were ranked high in the state. The Rev. Garrett Dykman achieved a golfer's dream, a hole in one, not one but two—and in the space of a week. Both came at the West Shore Golf Course.

There were many more local sports highlights in 1968, too numerous to mention.

This fact in itself, supports our belief that Holland affords the sports minded numerous outlets to satisfy their athletic ambitions.
