School Office Nominee To Be Named By GOP

HOLLAND MAN NOT IN COMMISSIONERS RACE; CONVENTION NOV. 8

In Reminder of Historical Data When Conventions for County Officers were still in Vogue

An unusual procedure will be followed in Michigan with the nomination of school commissioners. In Ottawa County, the office held by Gerrit Groenewoud of Holland, who has served 16 years, has been announced to his friends that he will not ask for the nomination, and consequently seven candidates are already in the field for the office.

Mr. Groenewoud has made an able and a painstaking commissioner and has made a thorough study of school law, and that is very important in conducting the office of commissioner of schools, since the whole school system seems to be hedged in by state laws, funds, and regulations that are intricate.

Mr. Groenewoud's term of office expires July 1. Nomination of a county school commissioner in this and other counties applies to both Republicans and Democrats and will be done at convention for the first time under public act 233, passed by the state legislature in 1935, whereby school commissioners are nominated instead of elected at a primary. Change in the law does away with the primary.

Prominent among the candidates for the office are Carroll Norlin of the Federal School on East Eighth street; John Nyenhuis of Van Raalte school, Holland township; Dick H. Vande Bunte, Hudsonville schools; Glen Fyneweaver, Marne high school; Louis Roberts, Zeeland high school; Jennie Kaufmann, Spring Lake township; Carl Feenstra, Blenden township. Of the seven, it will be noticed there is one lady, Miss Kaufmann.

Should she be elected, she would be the second lady school commissioner Holland had ever had. The first was Miss Cora Goodwin, who served many years ago. She came from north Ottawa County.

The going back to convention will remind Holland Republicans of three decades ago, when all the county officers from sheriff down were named through the convention system. It was then that the oratorical ability of many men from this county came to light; in fact, a greater part of the time was devoted to oratory. Conventions would begin at 9 o'clock and continue on, with a short recess at dinner, until 5 o'clock.

Old time Republicans will never forget the orators of those days. Possibly G. J. Diekema, who was often the chairman, leading. And there was the one-armed veteran of the Civil War, D. B. K. Van Raalte, who was a power on the floor. No one will ever forget the venerable "war horse," Hon. Case Van Loo of Zeeland, who never failed to bring in the "bloody shirt" and the "copperheads" of the Civil War. Then there was George Farr and Walter I. Lilly of Grand Haven, big men of the party; Joe Keltz, also of that city; Doc Brown of Spring Lake; Suel Sheldon of around Berlin, now Marne; Gus Chelien of around West Olive; Gerrit Van Schelven, Holland's historian.

We might go on indefinitely naming other luminaries, who swayed delegates through their gift of speech during these conventions, and then the primaries came and changed all this. The old gatherings that brought tremendous enthusiasm in the party were a thing of the past. Undoubtedly, with seven school commissioner candidates in the field, there will be some nominating speeches heard, but the orators will have to go some to beat the "stump speakers" of yesterday. Not one of the men mentioned above is living today, and in any event the coming convention will be an interesting one.

Coming back to the office of school commissioner, we might say that the position carries a salary of \$2,000 per year with \$300 for clerk hire and traveling expenses. The term is for four years. Election will be held April 3, when two delegates for the university; commissioner of agriculture and other state officers will be selected.

The county convention will also select delegates to the state convention which will be held in Flint on Feb. 23. The call for the convention was issued by Jack Sweeney, chairman of the Republican county committee.

The following Republican delegates will represent Holland at the

Snakes Crawling Around in January

Ralph Smith, Lakewood Blvd., Park township, brought to the News a small garter snake as lively as a cricket, which he picked up on the banks of a creek in mid-winter, January 6.

The snake was crawling along lively, and Smith was surely surprised to find it at this time of the year. He says he saw several frogs in the water of the creek and not in the mud, where they generally go to hibernate.

This summery winter has surely changed things about.

LOCAL MILITARY ORGANIZATION AGAIN ENTERS ESSAY CONTEST

The Holland high school and the Holland Christian high students are entering another 1500-word essay contest sponsored by the Veterans of Foreign Wars Auxiliary of the nation. There are to be local, state, and national prizes, and the subject will be: "True Americanism—How Best to Achieve It?"

This essay contest was put on last year, and local students won in these contests, at least up to a certain extent. There will be thousands entering these contests, and it will be a matter of elimination from local to state to nation. Mrs. Lillian Borchers, who is in charge, states that the age limit is from 14 to 18, and all essays must be in by February 11.

The local prizes are \$10, \$5 and \$2.50. The state award is a bronze medal. The national prize is considered higher, but Mrs. Borchers does not know the amount. Judges are to be two attorneys, namely, Vernon Ten Cate and Cornelius Vender Meulen. Last year, the first prize of \$10 went to Miss Marian Nienhuis, senior at Christian high; second prize, \$5, to Fritz Jonkman and third prize, \$2.50 to Miss Esther Laman, the latter two being from Holland high school.

FEW CAN TALK HOLLAND LANGUAGE HERE

Five Netherlands came to Holland and were much surprised to find how few residents of Holland, Mich., can speak the Netherlands language, after what their friends had told them in the old country. They are Mrs. Sophie Smenges, her daughter, Mrs. Frieda Warendorf; two children, Fieka and Loakie; and Mrs. Smenges' bookkeeper, Harry Davidson.

The party is on its way to San Francisco to establish a Dutch restaurant at the exposition there. Mrs. Smenges talked to Jelle and Edgar Hekman of the Dutch Tea Rusk Co. about supplying tea rusk for the restaurant.

The Royal Neighbors practiced Thursday evening for the Jan. 28 installation.

above named convention: First ward, 11 delegates: Dr. Wynand Wichers, chairman; Simon Klein, secretary; Mrs. Lela Van Raalte, A. C. Kappel, M. J. Cook, Andrew Klomparsen, Mrs. Alea Zwemer, Bernard Arendshorst, Henry Prins, A. P. Kleis and Simeon Henkle.

Second ward, 3 delegates: James A. Drinkwater, chairman; George Moomey, secretary and John Woltem.

Third ward, 10 delegates: Arthur Van Duren, chairman; Ben Mulder, secretary; William Brusse, Mrs. Andrew Hyma, Mrs. Charles H. McBride, Mayor Henry Geerlings, Edward Brouwer, Orien S. Cross, J. Thomas Mahan and Mrs. John Koolker.

Fourth ward, 11 delegates: Mrs. Cornelius Vander Meulen, chairman; Ben Steffens, secretary; Ben Brower, Mrs. William J. Olive, Edward Westveer, Vernon Ten Cate, Marvin Den Herder, Gerrit Groenewoud, William Lawrence, Henry Pelgrim and Randall Bosch.

Fifth ward, 14 delegates: Nelson A. Miles, chairman; Bruce Raymond, secretary; Raymond L. Smith, Gerrit W. Kooyers, Russell Klaassen, Judge Fred T. Miles, Jacob Bultman, Henry Bosch, Archie Vander Wal, Russel Burton, John Hulst, Peter Huyser, Mrs. John Winter, and Alex Van Zanten.

Sixth ward, 11 delegates: John Galien, chairman; Henry Cook, secretary; Preston Manting, Gilbert Vande Water, Elbert Parsons, Leonard Voegtzang, James Marcus, Peter Lugten, Mrs. R. Parks, Mrs. Harry Orr and Albert Van Lente.

Sheriff Van Etta Destroys \$6,250 Slot Machines

PROSPECT TO RE-ESTABLISH "ONE ARMED" BANDITS' IS REMOTE IN OTTAWA COUNTY

Prospects for the reestablishment of taw county are distinctly bad regardless of what happens in the rest of the state. Sheriff Frank Van Etta in his annual report says \$6,250 worth of "one armed bandits" were confiscated during 1938 while Sgt. Earl E. Seerist of the Grand Haven state police detachment reports his force has disposed of 38 of the machines. Chief Lawrence De Witt of the Grand Haven city police says his department found none the past year.

Mr. De Merrell for many years owned what is now the Holland Monument Works on 7th st. The couple who had no children always went to a warm climate in the winter. It was while in California one winter that Mr. De Merrell died and his remains were cremated and the ashes, at his request, was scattered over the Pacific Ocean at San Francisco.

HOLLAND CITY MISSION PURCHASES PROPERTY

The Harrington block has become the property of the City Rescue mission. The mission will occupy the building the first Sunday in March.

Officers of the mission are: President, George Schulling; vice president, Dick Meengs; secretary, Nelson A. Miles; treasurer, Walter Kruitfof.

The building was purchased from the Union Bank of Michigan on Ottawa St., Grand Rapids. The deal was made through the Isaac Kouw Agency, Holland.

A sidewalk from Macatawa park to Holland along the Park road is being considered. Under the proposed plan, Park township would pay for the section from Macatawa to the Graafschap road, and Holland township would finance the work from the Graafschap road to the city's walks.

The new Alpena restaurant, located in the C. Blom building, newly built addition on River st., will open in a few days with Henry Vander Haal as caterer. NOTE: The item does not state that the name Alpena was chosen. The sign from over the wheelhouse of the ill-fated steamer Alpena which was picked up on Alpena Beach with other wreckage, was the sign of the restaurant. The sign was later given to the late George Gets by Mr. Blom and in turn Mr. Gets, two years ago, gave it to the Netherlands Museum now in the Masonic Temple where it is today with other Gets relics. The steamer Alpena wrecked largely came ashore on the beach later called Alpena beach and the road to it was also named Alpena. Later Mr. Gets, who purchased all this Lake Michigan front, called it Lakewood beach and the road Lakewood Boulevard instead of Alpena road.

NOTED SPEAKER TELLS WHY FURNITURE BUSINESS IS BOUND TO BOOM

The accompanying picture was taken at Grand Rapids at a furniture men's dinner, in which William M. Connelly, former secretary-manager of the Holland Chamber of Commerce, is shown in action, he recently being appointed director of public relations of the Grand Rapids Furniture Exposition Association. The president of that association is also a Holland man, Mr. Charles R. Sligh, Jr., also shown in this picture, printed through the courtesy of the Grand Rapids Herald.

there was sickness and a great deal of it, other than "flu." The doctors in Holland were hard pressed, working almost night and day. However, the conditions here were no different than elsewhere. Soldier camps were filled with sick and many died. Dr. Godfrey who was a hard boiled health regulator of the old school was publicly condemned by anxious people but after it was all over and as is usually the case, he was publicly and loudly praised for having done a thorough job. Modestly he shared the praise with the other doctors. When he said: "The physicians of Holland I feel have and are doing their duty well. They are reporting all cases of 'flu' and are working untiringly."

With the enforcement of the Volstead law a "noble experiment" Police Headquarters was turned into a veritable saloon with Chief Van Ry as the bartender with nothing to do for there were no customers. The liquor confiscated within a few weeks were as follows: 2 gallons sherry, 2 quarts kimmel, 15 gallons white wine, 70 quarts of whiskey (bottled in bond) 10 gallons of Port wine, and also some barrels of stale beer. Plenty of liquor to put skates on city officials all winter, but it's forbidden goods—touch not, taste not, handle not. The alcohol will be distilled and will find its way in state hospitals. The rest will be destroyed and consigned to the sewer.

"Flu" has even gotten into the circuit court of Allegan County and so all the strategy of the attorney, the decision of the jury, nor the decision of the austere judge can do anything about it. Judge Cross would like to hold "Mr. Flu" in contempt of court and send him to jail but that would contaminate the "lockup." It appears that the "Spanish Flu" is so bad in Allegan County that even Judge Cross fears to cross this old devil and for that reason he has adjourned court until the wise doctors, the only master "Mr. Flu" fears, can chase him from the community. Sheriff Hillman was instructed to inform the jurors, some of them ill with "flu," not to come until further notice. NOTE: Flu was so bad in Michigan that thousands died in Soldier Camps and elsewhere. In both Ottawa and Allegan counties and especially in Holland a long death list can be shown of that war-day period.

TEN YEARS AGO TODAY
Miss Salome Ungersma, a beautiful young woman, is to appear at Wind's concert in concert, assisted by Mrs. Edward DeFree of Holland. She received her vocal training in Munich, Germany. She has been singing on the Pacific coast and is to depart for Europe immediately after this concert to meet her fiancé Phacian Zehn, a member of Grecian parliament, who she met while studying in Munich, where he also was a student. He comes from a prominent and wealthy family in Athens, Greece. She is said to have relatives in Holland, at Hope college, which prompted her coming here for the concert.

When President-elect Herbert Hoover defeated Al Smith of New York, George F. Getz, life-time friend of Smith, said: "Tell Al that he can always come to me and get his old job back which he held in New York in 1921, when I was an official in the United States Trucking Co." Note: Of course, Al Smith, once governor of New York, did not need a job as badly as then. It was during this campaign for the presidency that Al Smith, the man with the "brown derby" was a guest at Lakewood farm 10 years ago and being here on Sunday he also went to worship at St. Francis DeSales church, where Father Fred Ryan said mass. Mr. Smith met many Holland people in all walks of life then who found him to be a cordial and pleasant man to meet. The "Happy Warrior" made a good governor of New York.

Fred Green, governor-elect of Michigan, should move to Holland. Ionia gave him only a 5 to 1 vote while Holland came through with a 9 to 1 vote. Those Hollanders sure are a Green lot. Note: Gov. Green was credited with the largest majority ever given a governor of Michigan up to that time.

BUSINESS CLINICS THROUGH CHAMBER OF COMMERCE NOW IN PROGRESS

A series of nine business clinics, at which Holland professional and business men gather to discuss ideas on the relation of the chamber of commerce to business, are being held this week Wednesday, Thursday and Friday in the Warm Friend tavern under the sponsorship of the Holland chamber of commerce.

Chester Van Tongeren, general chairman of the "thought surveys," announced three questions around which discussions were built. They are as follows:

"1. How can the chamber of commerce be of service to your business?"

"2. What chamber of commerce activity (new or improved) would be of special benefit to the general type of business in which you are engaged?"

"3. What, in your opinion, should the chamber of commerce undertake that would result in the greatest benefit to the community at large?"

O. T. Anderson, Chicago economist, speaks briefly at each session. On Wednesday, clinics under the chairmanship of former mayor Ernest C. Brooks, Clarence J. Javlin and Henry S. Maents, met in the tavern.

Today, Thursday, the groups led by James A. Hoover and Joe Geerds were scheduled to meet. On Friday clinics are to be held as follows: 10 a. m., J. Frank Duffy; 2 p. m., Willis A. Diekema; 4 p. m., Mayor Henry Geerlings; 7:30 p. m., junior chamber of commerce, Ray Kronmeyer.

Mr. Van Tongeren said the following relative to these clinics: "Business conditions demand that new ideas and new aggressiveness be introduced if we are to hold what we have and better the conditions of our community. This 'thought survey' will, we believe, be of great value in appraising our present condition and give us a united program of activity to face and solve our problems."

President of the chamber of commerce, Charles R. Sligh, stated: "We stand today at the parting of the ways. Out of the depression years, certain cities will push forward and in the near future will show the results of vision and cooperation while others may have a sad story of lost opportunity, empty buildings and idle industries, all because of their lack of cooperation and a failure to grasp the important and new type of community development necessary for progress."

We feel that these clinics, so-called, will draw merchants, professional men, and officials and members of the chamber of commerce closer together. The merchants, undoubtedly, have a great many problems that need solving and sometimes it takes an outsider or not a merchant to point the way. Undoubtedly, professional men have those same problems, and these plain common-sense discussions, or "across-the-table" talks are real helping. These clinics surely will bring about a more close-knit community, and the benefits from these clinics, helping one or a group, will help the whole community for a general well-being must mean a mutual well-being.

MISS STIELSTRA LEAVES FOR AFRICA AGAIN
Miss Jennie Stielstra, daughter of Mr. and Mrs. Nicholas Stielstra, Lakewood Blvd., left Tuesday for her work in Africa. En route she will speak at several Missionary Union meetings in the East. She will leave New York on Jan. 27, sailing on the steamship Samaria.

She is to stay in England prior to sailing for Africa, where she will again resume her work at Lupwe, where she is stationed with Mr. and Mrs. Edgar H. Smith and Mrs. Tena Huizenga.

For those who wish to write her while she is sailing, her steamship address is: "S. S. Samaria Tourist Class B 103, Concord White Star Line, New York, sailing January 27."

FELL AND VAN LENTE DELEGATES TO CLEVELAND, OHIO
The board of education held its monthly meeting Tuesday night in Holland high school. A. E. Van Lente, member of the board, and E. E. Fell, superintendent of public schools, were appointed as delegates to the annual convention of the National Association of School Administration at Cleveland, Feb. 24 to March 2.

A list of public school teachers with ages, education, and years of service was requested by Trustee William Arendshorst, who said that the list would be useful in answering criticism.

Retirement and teachers pensions were discussed.

A citizens' conference on school finances will be held in Lansing Feb. 8, Sept. Fell said. He suggested that members of the board attend the meeting.

The board approved claims totaling \$350.25. Those present were: Fell, Arendshorst, president; C. J. De Koster, A. E. Van Lente, Mayor Henry Geerlings, John Olert, William Arendshorst and A. E. Lampen.

Wednesday Albert P. Kleis of 225 Lincoln Ave. applied to the city clerk for permission to remodel the interior of his kitchen at a cost of \$100.

Mr. Frank Dyke Local Builder Passes Away

IS WELL KNOWN AS BUILDER OF PUBLIC BUILDINGS

Many Structures in Holland State as Monuments to His Ability

The city of Holland is saddened today because of the death of Frank Dyke, whose funeral are being held this Thursday morning.

Mr. Dyke has been a contractor and builder for the last four decades, and his fame for building beautiful public structures beyond our limits, and many buildings in other cities can be credited to the local contractor's skill. The buildings which will stand as monuments to Mr. Dyke, the contractor are Hope Memorial chapel, a part of architecture, Warm Friend Tavern, Holland Furnace Company beautiful offices, Washington school, Holland high school, and many other buildings that are outstanding cause of beauty and solidity.

Some thirty years ago, Mr. Dyke gained fame as a school builder after Holland high school was completed. Delegates came from distant cities to see Holland's school, which was then the word in school construction of the type. Shortly afterward, he received contracts to build schools at Petoskey, Jackson, Dowagiac, other cities, and during the construction of these buildings

moved temporarily to both Petoskey and Jackson, where the building programs covered a year or two. With the exception of the interludes, Mr. Dyke has always lived in Holland, and was born in this city, the son of Mr. and Mrs. Jacobus Dyke.

Mr. Dyke also built the beautiful Griswold Memorial auditorium, Dowagiac, the new movie theatre, Grandville, Mr. Dyke started building careers as an architect with his father, who was a tractor during the early period of Holland's development, when construction was mainly the work of contractors here. Contract Frank Dyke could have pointed many a home in this city, in which he worked, first as a carpenter's helper, later as a carpenter, and then as a contractor.

Some years ago he built a tenthouse home for himself on 15th Street, and later planned built the state residence on St. Street, where the family has been residing for the past 12 years, where Mr. Dyke passed away quietly while asleep. He had been ill the past few years and his health developed into a heart ailment, which finally brought his death. For the past two years his estimable wife, Mrs. Dyke, was constantly at his side, ministering to need.

Mr. Dyke was born September 10, 1870, in this city. Due to health he was forced to relinquish most of his contracting work, especially as this relates to large undertakings. Last summer he did oversee some small additions at H. J. Heinz Co. building.

Mr. Dyke was affiliated with Trinity Reformed church, and a former member of both the change club and the Masonic lodge, and up to his death was member of the B.P.O.E. Elks, a time he was also alderman of third ward.

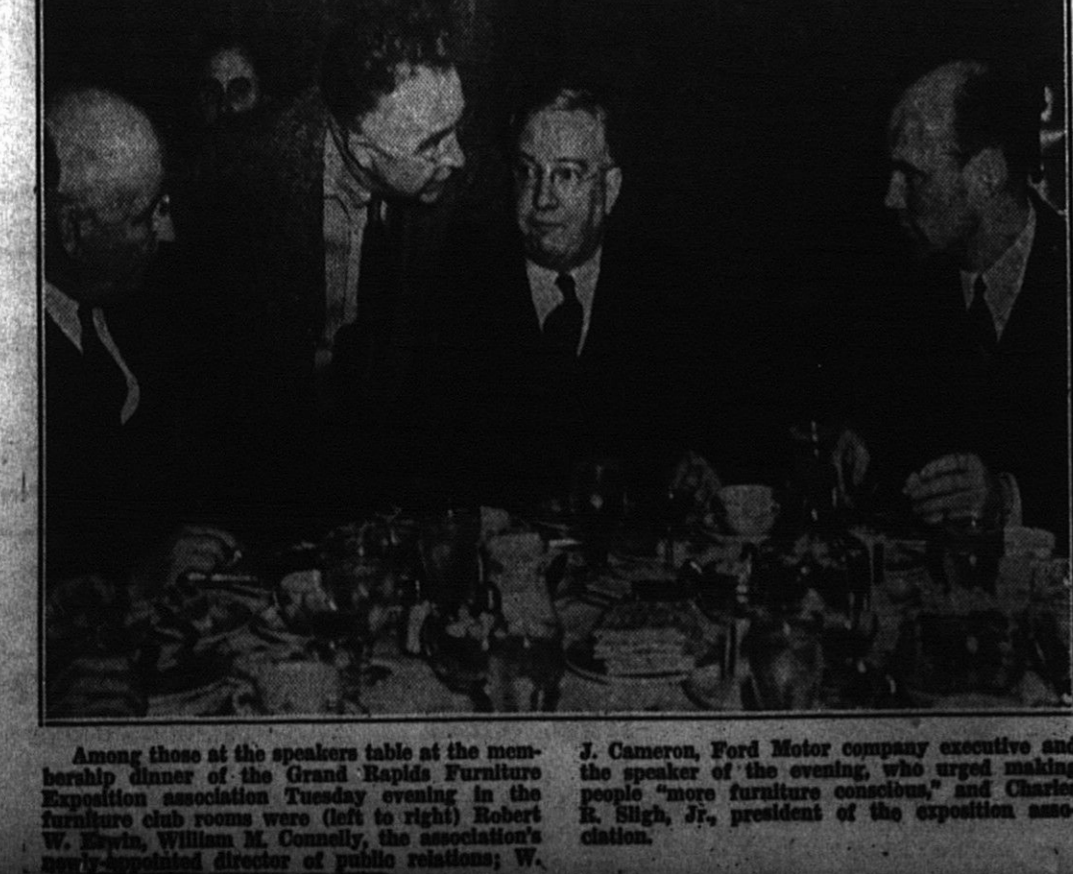

Funeral rites are being held Thursday afternoon at 2 o'clock from the home and 2:30 from Trinity Reformed church. Rev. H. D. Ter Kuurst, the pastor, officiating. Interment is taking place in the old family plot in Pigeon Home cemetery, and the son is buried where the father and mother were laid to rest some years ago. Floral tributes to home and abroad are many beautiful, indicative of the esteem in which this representative was held.

Surviving are the widow, Mrs. Dyke, Charles S. Dyke, of Muncie, Ind., Mrs. Carl Nelson of Salt Lake City, U. S. A., James A. Dyke of Lansing, George H. Hill of Grand Haven and Herbert F. Dyke of Holland two brothers, Fred Dyke of Holland and Martin Dyke of Holland; and four sisters, Mrs. Spoelstra of Holland, Mrs. Hoozemans of Moline, Ill., Emmick of Holland and Mrs. Stronks of Keeweenaw, Ill., and grandchildren.

The pall bearers are Carl Dyke, Arthur Van Brink, Dr. Boers, Arthur Schaap, Dr. H. Boers, and J. Jipping. The funeral was in charge of the belink - Noter - mortuary. Friends were privileged to pay respects at the home until noon day.

Mrs. Manley Beyer returned her home in Zeeland from a land hospital.

ALMANAC

"Necessity is a strong nurse but she raises strong children."

JANUARY

15-Elizabeth, daughter of Henry VIII crowned Queen of England, 1559.

16-Fuelless Mondays began as economy measure of War, 1918.

17-National prohibition went into effect, 1933.

18-Scott Expedition reached the South Pole, 1912.

19-Edgar Allan Poe, author of "The Raven", born, 1809.

20-The American Revolution ended, 1783.

21-The planet Pluto was discovered, 1930.

One Resolution You Should Keep

By this time, most of your New Year's resolutions have probably been broken. That's only human. But there's one resolution every one of us should make and keep for the twelve months ahead. Here it is: "I resolve to do my part, as a motorist and pedestrian, to help reduce America's ghastly death and accident toll."

During a large part of 1938, the accident rate declined. But we haven't yet earned the right to compliment ourselves and sit back and enjoy our laurels. Tens of thousands of people died unnecessarily last year—the victims of recklessness and ignorance. Tens of thousands more will die unnecessarily this year—unless all of us do something about it.

There are three basic approaches to the accident problem. "First, comes education. And that doesn't mean just teaching the rudiments of safety to school children. It also means reaching the adult—continually and pointedly—with those simple instructions and suggestions that, if followed, will reduce the number of motorist deaths and injuries. Second, comes law enforcement. Competent police—wholesome, efficient, and without a hint of favoritism—these are among the best friends the Grim Reaper has. A large number of American cities have materially reduced their accident rates by retraining their traffic codes, training their traffic police, and doing away with fixing.

Third, comes better street and highway design, to eliminate "accident-prone" locations. Many an intersection which was a virtual trap has been made safe through competent engineering. Every community should start on a long-time program that will gradually do away with this cause of deaths and injuries.

We can have safety—if we want it and are willing to earn it. This is a universal problem, and its solution depends on the cooperation of all. We made progress toward it last year—let's do a great deal more this year.

Time For Recovery

We have a full head of steam in the country's machinery, and the springs must be kept lubricated. Congress will do well to scrutinize carefully all proposals for tax changes with this consideration at times in the forefront. . . . We have had six years of "reform" and for the purpose of this discussion let it be granted that "reforms" were in themselves good. But we have had, also, six years in which "recovery" has been intermittent, and at the end clearly unsatisfactory. . . . There is a time for all things and this is time now for recovery.

A Forward-Looking Proposal

Competent fliers and airplane mechanics cannot be trained in a hurry. Consequently, if the United States is to hold its place in civil aviation, there is need in the proposal to provide courses for pilots and mechanics in American colleges, with a view to training a constant stream of young men for aviation, well grounded in the fundamentals of their business before they leave the campus. Such courses should not be obligatory. Optional courses in aviation ought to draw large numbers of ambitious young men to them if they are made popular and are properly publicized. . . . A student ought not to be urged to create in the United States what has been elsewhere. American colleges can do their part in this flying age by providing it with a reserve of pilots and mechanics for civil aviation, who, if we ever become a world power, will also be available, with some additional training, for military service.

WIFE OF LATE MINISTER PASSES AWAY

Funeral services for Mrs. Anna K. Zwemer, 73, wife of the late Rev. Frederick J. Zwemer, were to be held today, Thursday, from the home at 76 West 17th St. with Dr. John R. Mulder of Western Theological Seminary and the Rev. William Van't Hof, pastor of Third Reformed church, officiating.

Mrs. Zwemer died Tuesday morning in Holland hospital. She had previously lived in Sheboygan Falls, Wis., and Graafschap before coming here, where she resided for 35 years.

She was a member of Third Reformed church, where she belonged to the Missionary society and the Ladies Adult Bible class.

Surviving are three daughters, Evelyn A. Zwemer of the Michigan State college in East Lansing, Winifred M. of Franklin, Tenn., and Amanda R. of Lansing; a son, Adrian F. of Lowell; a daughter-in-law, Mrs. W. Zwemer of Chittor, India; three grandchildren; two sisters, Miss Minnie Klumper of Holland and Mrs. William Kamperman of Zeeland, and a sister-in-law, Mrs. Frederick Klumper of Zeeland.

MRS. BERT DOK BURIED IN HOLLAND CEMETERY

Mrs. Bert Dok, of Grand Haven, prominent in the Rebekek lodge and the Pythian Sisters and an officer in both for many years, died at 1:05 a. m. in Hattin hospital where she was admitted. Mrs. Dok was 66 years old, had been in failing health about a year and was stricken seriously ill Sunday. She was born in Saybrook, O., Jan. 5, 1872, resided in Grand Haven 23 years, Holland 24 years, and Grand Rapids one year, since coming to Western Michigan.

Mrs. Dok was a past noble grand of the Rebekek lodge and for many years was keeper of records and seals for the Pythian Sisters. She was a member of the Presbyterian church. Mrs. Dok whose maiden name was Agnes Cherry, was married in Holland in 1898 to the late Anthony Vanderhill, prominent baseball player in his day. She was married to Mr. Dok, formerly from Holland, 26 years ago. Beside her husband, she is survived by two sons, George Vanderhill of Holland and Wilson Vanderhill of Grand Haven, a half sister in Saginaw, and three grandchildren.

Funeral services were held Monday at 2 p. m. from the Van Zantwick Funeral Home and burial was in Pilgrim Home cemetery at Holland. Rev. Everett A. Moore, state chaplain of the Odd Fellows, conducted the services.

LAKE MICHIGAN IS FOOT HIGHER THAN YEAR AGO

Lake Michigan was one foot higher at the end of December last year than on Dec. 31, 1937, and 3 of a foot above the average stage for December over the past 10 years, according to the monthly report of the U. S. Lake Survey.

However, Lake Superior was less than three inches higher last month than at the end of December, 1937, but Lake Erie was approximately six inches higher for the month. Lake Ontario was some three inches lower last month than in December of last year.

Lake levels last month in relation to mean tide at New York were: Superior, 602.49 feet; Michigan-Huron, 578.81 feet; Erie, 571 feet; and Ontario, 244.42 feet.

VYN TRUCKING MAN NEARLY GASSED TO DEATH

Kenneth Vyn, member of a leading Grand Haven family, is recovering from asphyxiation in a Louisville, Ky. hospital. Mr. Vyn and a driver for Interstate Truck Lines with whom Mr. Vyn, a checker for the company, were riding from Chicago to Louisville, were both gassed Thursday as they were entering Louisville. Exhaust gas was believed to have entered the cab through a faulty exhaust pipe and both were overcome before they realized it, according to word received by Mr. Vyn's brother, John Vyn, president of The Vyn company. The driver was not in serious condition but Mr. Vyn was reported in critical condition when admitted to the hospital. Two blood transfusions were given, resulting in much improvement.

CIVIL SERVICE EXAMINATIONS ANNOUNCED

The United States Civil Service Commission has announced open competitive examinations for the positions of Supervising Inspector, \$3,800 a year; Senior Inspector, \$3,200 a year; and Inspector, \$2,600 a year, in the Wage and Hour Division, Department of Labor.

Applications must be on file with the U. S. Civil Service Commission at Washington, D. C., not later than February 7, 1939, if received from States east of Colorado, and not later than February 10, 1939, if received from Colorado and States westward.

Full information may be obtained from Mr. Klein, Secretary of the U. S. Civil Service Board of Examiners, at the post office in Holland.

Mrs. C. W. Nibbelink and her daughter, Miss Ruth Nibbelink, gave a bridge luncheon Monday noon in their home on West 12th St. in honor of Mrs. Gunnar Heimburger of Stockholm, Sweden, who is visiting here with her parents, Mr. and Mrs. Nicodemus Bosch. Mrs. Heimburger and Mrs. G. J. Bosch won prizes at bridge. Guests included the Mesdames N. Bosch, E. J. Yeomans, G. J. Bosch, Randall Bosch, Robert Parkes, R. W. Everett, E. C. Brooks, C. J. Hand, N. D. Chard, M. C. Lindeman, Otto Kramer, Kenneth De Pree, W. L. Eaton, N. Dykhuizen and Thomas Marilje.

"Thank you" letters and cards from soldiers at Schofield barracks, Honolulu, Hawaii, received recently by Mrs. Mabel Vanden Berg, executive secretary of the Ottawa County American Red Cross chapter, make it apparent that the 100 Christmas bags from Holland and Grand Haven were sent to that post.

Cecil Van Slooten, 17, of rural route 4, Holland, paid a fine and costs of \$10 Monday when arraigned before Justice of Peace John Galien on a speeding charge. He was arrested Friday night.

CHRISTMAS TREE BUMPED DOWN BY AUTO

Our community Christmas tree has been hauled away to the dump. Its lights shone bright until last Sunday night. When somebody gave it a bump with their car, breaking the wires and branches and putting out the lights. But the tree had served its purpose, adding materially to the brightness of the recent festive season.

NATIONALLY KNOWN ARTISTS HERE JAN. 18

Harry Farberman, violinist, who will appear in Hope Memorial chapel Wednesday, Jan. 18 under auspices of the Holland Choral Union, has been recognized as one of America's greatest violinists. He was born in Cincinnati thirty-three years ago, the son of a one-time tenor in the Imperial Opera house of Odessa, Russia. After he had received instruction from the best of native teachers, it was planned to send him abroad to study under Leopold Auer, instructor of Elman, Heifetz and Zimbalist, but the revolution in Russia brought Auer to America and young Farberman became one of his most brilliant pupils.

He won the old master's Chicago scholarship in 1923, and immediately began his concert career at eighteen years of age. South America was curiously enough his first field, and the press and public acclaimed him as the wonder-boy.

His American debut was made in 1924 and since that year he has achieved success with symphony orchestras, and in recital all over the country. His many return engagements in schools and colleges indicate a hearty welcome in this field. Mr. Farberman made a successful appearance here several years ago.

HOLLAND, ZEELAND C. E.'S MEET IN SECOND REFORMED

A union meeting of the Golden Chain and the Holland union of Christian Endeavor was held in Second Reformed church, Zeeland, Thursday night. The Rev. A. Laverne Spafford of St. Johns spoke. Motion pictures of the state convention were shown by Ernest S. Marks, secretary of the Michigan Christian Endeavor union.

BIG JUDICIAL CIRCUIT Judge Fred T. Miles pointed out last week that the twentieth judicial circuit, consisting of Ottawa and Allegan counties, which he serves, has the second largest population of any circuit served by only one judge in Michigan. The population of 93,832 ranks the highest of any in the lower peninsula.

OUTDOOR CLUB "SUPS" IN DOORS; HOLLAND MAN SPEAKS

About 125 conservationists from all sections of Ottawa county attended the oyster and salmon supper given by the Crockery Wild Life Conservation Club Friday evening in the IOOF hall at Nunica. The program included moving pictures shown by Dr. Brooks of the state conservation department, talks by the new Ottawa county conservation officer, Forrest Levey; Carl T. Bowen, president of the North Ottawa Rod and Gun Club; Frank Trull, West Ottawa conservation district director and Lewis C. Ruch, its conservation expert.

Mr. Levey, appointed to Ottawa county recently in a transfer from Allegan, is making his headquarters in Holland. He succeeds L. R. Antles who became chief of police in Holland Jan. 1. Mr. Levey and other guest speakers were introduced to the meeting by Hunter Hering, president of the club.

DAUGHTER OF FORMER SHERIFF IN SALE OF LICENSES

Miss Ann Van Horssen, recently appointed manager of the automobile license bureau at Grand Haven, has employed Miss Anne Rosema to assist in the sale of the plates at the county clerk's office where Miss Van Horssen is deputy county clerk. Miss Rosema is a daughter of former sheriff Ben Rosema. She is a high school graduate and had worked in the county treasurer's office during tax sales. At present she is employed at Addison-Baltz Co.

Should Twenty-Seven Million Eggs Cramble — No Fish

Twenty-seven million eggs and not one for scrambling. At least it is hoped that none will get scrambled before hatching because these eggs, the 1938 supply for state fish hatcheries, are part of the future stock for good fishing in Michigan.

All of the 27,000,000 eggs are from the four species of trout found in Michigan—13 million from lake trout, seven million from brook trout, five million from brown and two million from rainbow.

The eggs of the browns were harvested at the Paris hatchery, the only hatchery in the state where this species is kept. Twelve and a half million of the lake trout eggs were obtained from fish taken in Michigan waters and some in a trade with the United States bureau of fisheries of Iowa in which Michigan's exchange also was brown trout eggs.

Some of the eggs have already hatched, including about one-third of the brooks, others are now hatching, and still others, chiefly the lake trout, will hatch during February and March.

Mr. and Mrs. Peter De Vries of rural route No. 6 announce the engagement of their daughter, Winifred to William Bowerman, son of Mr. and Mrs. Jerome Bowerman of rural route No. 1. No date has been set for the wedding.

In 1938 stolen goods valued at \$3,775.00 was recovered. Confiscated slot machines, valued at \$6,250.00 were destroyed. Large quantities of marihuana was destroyed growing in patches. 388 night calls were answered in 1938. 26,385 miles of road was patrolled. 385 drivers' licenses issued during 1938. Revenue \$1,025.25 at 15c.

RESCUED AT SEA — GIVE THANKS WITH KISSES — Mrs. Bernhard Larsen, wife of Captain Larsen, and his daughter, Swamildie (right), bestow kisses and hugs on Captain Clifford Smith as the freighter Schodack arrives at New York. The women and 18 men were taken off a sinking Norwegian freighter in raging winter seas by the Schodack crew.

TAALKING OVER CONGRESSIONAL MATTERS — Vice President John N. Garner (left) and Speaker of the House William B. Ransdell at the Capitol as they talk over the new session of Congress.

JUICE KID: Lorry and Mike Mullin, sons of Louisiana Loyola University's football coach "Moon" Mullin, were the youngest "delegates" to the mid-winter session of the baseball minor leagues in New Orleans. Chancing into the convention hall, they were plied with free Florida orange juice by admiring baseball magnates.

DANCE FROCK: Assisted by Alan Bruce, Anne Shirley is shown in a youthful dancing frock of dotted swiss, with small dots of rose flecking white. The divided ruffle terminating the gored skirt is of ecru, and whips of chiffon accent the décolletage. As a wrap, Miss Shirley wears a rose-colored cape of heavy ribbed silk.

CANNING EARNS A LIVING FROM SEVEN-ACRE FARM

Mrs. A. F. Schultz and her daughter, Eleanor, have a formula for making more than a comfortable living from their seven-acre farm near Stevensville, near Grand Rapids. They can produce in their farm kitchen and sell most of the output to tourists and resorters. Some of the produce is sent to several Chicago families.

Incidentally, they submitted 47 varieties of fruit and vegetables at the Michigan Farm Festival here — more varieties than there were classes at the festival. Between them, Mother and Daughter Schultz carried off 13 of the 20 first prizes.

The Way Grand Haven Paper Sees County Seaters Win Over Holland

In a bitterly fought court battle, the kind for which the Grand Haven-Holland rivalry is noted, the blue and gold Cochrans High school tossers Friday night administered a 22 to 17 victory here over the Dutch from the Tully City, mainly through the fine offensive work of DeWitt, Baldus, Rysenga and Van Stratt and the peerless defensive work of Baldus and Wierenga.

Holland got off to a fast start at the end of the first period and led as the second stanza opened, 8 to 4. Baltz led a second period attack with two goals and Grand Haven had cut down the margin at half time, 13 to 11, in favor of the visitors.

Van Stratt replaced Baltz in the third period and he sparked the local attack to the extent that Grand Haven led, 18 to 16, as the game entered the fourth period. Twice late in the period Van Stratt intercepted Holland passes and after long dribbles had two dogs, one of which he made to put the Blue and Gold in the front, 18-16.

Van Dort Goalless

Capt. Chuck Rysenga caught his guard napping and sneaked under the rims for a short one to put his team on top, 20 to 16, with the last period not yet a minute old. Dalman of Holland fouled the local captain, who missed two from the free throw line and time was called for the new 4-minute rest period.

Van Dort of Holland brought up the Dutch total to 17 and Van Stratt fouled Dalman, who missed a free shot. After Ray Serier, Dutch right guard, was taken from the game by Empire Hooker for fouling, Rysenga missed a free shot and Van Stratt sneaked in another bucket to wind up the scoring. Van Dort, the Holland ace, was held goalless and Dalman led the Hollanders with six points. DeWitt and Baltz led the local scoring with six each; Baltz only played about half the game due to a sore leg.

Both sides were off form free shooting. Grand Haven making four and Holland five. Each side had 11 shots.

In a fast prelim, Grand Haven's Reserves also slipped back into the win column, beating a poor Holland team, 18 to 12. The locals' passing attack was much improved. The work of Bartholomew and Rothi stood out for the locals. Rothi scored eight points to lead both teams.

VICTORY IS FIRST FOR HOPE IN LOOP

A basketball scoring record for teams in the Michigan Intercollegiate Athletic Association was established by Hope college Monday night in a 91-20 victory over Adrian.

In overwhelming the Bulldogs for their first MIAA victory of the season, Hope broke a 76 point record established by Albion in a 76-4 victory over Adrian earlier this year.

Coach Bud Hinga was out for anything but a record in Monday's game, for the Dutch will have to have a barrel of shots to defeat Kalamazoo at Kalamazoo Friday. The Hornets nosed out Alma, 36-31 at Alma last Monday.

Two complete teams competed in the Adrian game for Hope. The starting five barely outscored the second quintet after wholesale substitution in the game. The starters scored 48 points, and the second team scored 43 points.

Paul Boyink, Ken Honholt, Lee Brannock, Bob Marcus and Ade Slikkers started the game, and ran the opening score to 17-2. The second quint of Bob Vander Berg, Bill De Groot, George Nordhouse, Ray Lokers, and Howard Beckfort finished the half in a runaway, 44-6.

The second five continued at the start of the second half and left the game with the score, 60-7. The regulars returned to play in the final 10 minutes of the game, closing the fray in a spurt of speed.

With 15 points, Beckfort took high scoring honors. Lokers and Honholt got 14 points each, and Marcus and Brannock scored 12 points each. Munger, with five points, led the visitors.

In a preliminary game, the Hope freshmen opened their conference season with a 63-31 victory over the Adrian frosh.

Coach Schouten's team took successive quarter margins of 14-3, 27-17, 40-23 and 63-31.

Robinson Man Found On Floor Dead

Anton Duda, age 65 years old, was found dead in his home at Robinson township by a neighbor and close friend, Joseph Rezny, coroner W. B. Bloemendal of Grand Haven was called and determined that death resulted from a heart attack probably Tuesday morning. Duda was found on the floor of his bedroom fully dressed. His lunch pail was packed and apparently he was preparing to go to work at the Grand Haven municipal hospital, where he had been employed as a bricklayer, when he was stricken. He had lived alone since the death of his wife Oct. 17. He had been in good health and as he was well known to the rural residents, his death was a great shock. His friend, Joseph Rezny, became apprehensive when he did not see any life around his neighbor's home for several days and he determined to investigate. Born at Petstawa, Czechoslovakia, Jan. 10, 1873, he moved into Robinson township from Chicago 21 years ago. He was a member of St. Anthony's church.

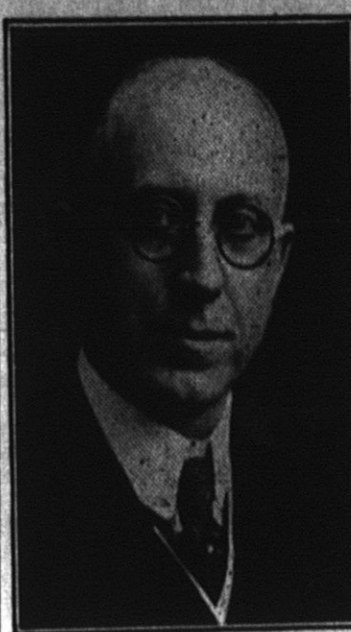

Attorney Daniel F. Pagelsen of Grand Haven, and circuit court commissioner, underwent medical treatment at the University of Iowa hospital in Iowa City, Ia., and is expected to return within a few weeks.

Nykerk Contest Set For Monday In Carnegie Gym

New Talent Offered As Frosh and Sophs Seek Honors

All has been quiet on the Freshman-Sophomore front for some time, but the fireworks are expected to start again when the coed underclassmen meet for the Nykerk Cup Contest next week. On Monday evening, January 16, the girls of both classes will have their chance to determine who excels along dramatic, musical and oratorical lines. This contest is for the girls what the pull is to the fellows. They each select the best talent they have. An opening to those with varied talents is given by the three parts of the contest—music, drama and oratory. On the evening of the contest, three judges are appointed, and they rate the performances according to their merit.

Jean Wislmeier and Marjorie Mulder, committee chairmen, have their teams almost ready for the event. The Christmas vacation gave everyone a chance to perfect their own part in the program. Eloise Boynton, Mary Bolema, Dorothy Zimmerman, Roberta Rawson, Marthene Van Dyke, Edith Rameau, Phyllis Newcastle, Bertha Vis, Ruth Stryker, Laura Roosenraad, Thelma Van Dyke, Nelvie Vanderbilt, Mari-

THE LATE DR. NYKERK

an Tyase, Margaret Bilkert, Ruby Carpenter, and Mary Ruth Jacobs will represent the sophomores in the dramatic and musical numbers. Even the male sex will be on hand. James Gray, Bob Dykstra and John Den Herder are the stage and property managers.

Ruth De Young was elected as the sophomore orator. The subject of her oration is "A Collegiate New Year." The freshmen have Nola Nies as their orator.

Other freshmen appearing on the program are: Mary Frelick, Ruth VanderMay, Dorothy Bonga, Thelma Vander Schaaf, and Junella Vander Linden. Their play is directed by Beth Marcus, and Jeanne Price is the property manager. Rosabel De

Haan and Dorothy Curtis, members of the original freshman committee, were assisted in the selection of their numbers by their junior advisor, Virginia Ellison.

Teninga Bonthius Win Oratorical Contests

Rose Teninga and Robert Bonthius were all-school winners in the Adelaide and A.A. Raven oratorical contests held here December 14. Second and third places went to Virginia Ellison and Nina Fopma respectively, in the women's contest, while John Hains and Wilbur Jacobs received second and third ratings respectively in the men's meet.

The winning orators will receive awards of \$30.00, and the second place winner of the men's contest will receive an award of \$20.00. Rose will receive \$25.00 and Bob \$30.00. In addition, the first place winners will represent Hope at the Michigan Intercollegiate Contest in March.

Mr. Bonthius' oration was entitled "Galileos of 1938." Miss Teninga spoke on "The Power of War Propaganda."

VEILED FALLS OF PILMAQUEN

WATERFALLS have always fascinated man. Some, like Niagara Falls, take your breath away with their sheer majesty, others capture your heart by the delicacy of their beauty. In this latter group are found Pilmaquen Falls, located in the southern lake region of Chile. Like these two enraptured young ladies above, many American tourists visiting Chile's famed lake region have found these falls one of the most exquisite sights along the route.

Velado de Pilmaquen—"the veiled Falls of Pilmaquen." The falls are about twenty-five miles from the quaint Chilean town of Osorno, which nestles in the shadow of the volcano Osorno. They owe their nickname to the richness of the vegetation growing along the shores of the Pilmaquen River.

The foliage is so luxuriant that the river is completely lost from sight, and the falls seem to be tumbling right out of the dense, vividly green foliage and to disappear again into equally virgin vegetation leaving behind a white misty veil.

HOLLAND MAN SENTENCED BY JUDGE MILES

Harold Van Alsburg, 28, of route 4, Holland, was sentenced to from seven to 21 years in Jackson prison Thursday by Judge Fred T. Miles in circuit court at Grand Haven after he pleaded guilty to forgery.

He was charged with signing the name of C. Van Alsburg, his father, to a bank check which he presented at Peck's Drug store. He admitted forging five other checks whose value totaled \$60.

Judge Miles said that the sentence might be lightened if Van Alsburg "shows that he is determined to do what is right."

Van Alsburg previously served a term for forgery at Ionia reformatory.

HOLLAND MAN MAKES FUN FOR ZEELAND LIONS

The Zealand Lions Club held a meeting early this week in the city hall of that city and were privileged to hear Dr. Roland Shackson, professor of speech at Hope college. Mr. Shackson was the representative of the Holland Lions Club, and put on a very interesting program. The feature was very much like a spelling bee, only different. Each member was delegated to read an article until he made an error, when he was followed by another member. The article used was replete with the most difficult words Webster has to offer. Another feature was the recording of the voice of each member on a record, and the recording also of several songs generally sung by Lions, and offerings of the best voices. Later these were played back to the Lions, which brought a "roar" of laughter and merriment.

The Lions Club has a good attendance, 96 percent being present. The Holland man told the members it was an inspiration to see such an interest. The next Lions meeting is to be held on January 23 at the Zealand city hall at 6:15. Henry Baron is the acting chairman.

Wednesday afternoon an intriguing talk on "The Arabia of 50 Years Ago and the Arabia of Today" was given to members of the Fourth Reformed Ladies' Missionary society by Mrs. S. Thoms, missionary in Arabia. The scheduled talk by Miss Beradine Vinke-mulder, missionary among the Indians, was cancelled because of the illness of the speaker. Mrs. H. Van Dyke and Mrs. John Overbeek led devotions. Mrs. Stephen Oudemolen sang "He Hideth My Soul." The closing prayer was in charge of Mrs. G. G. Groenewoud. Mrs. John Kobes served refreshments.

Beechwood P.T.A. will meet at 7:45 p. m. Friday at the school.

The final meeting in a series of business clinics which have been held this week will be in the form of a junior chamber of commerce session at 7:30 p. m. Friday in the Warm Friend tavern. O. T. Anderson, Chicago business analyst, will speak. Ray Kronmeyer, first vice president, will preside.

"Bill" Connelly on New Job

A letter from William M. Connelly, former secretary-manager of the Holland Chamber of Commerce, shows that he is on the job. He writes as follows:

"Well I spent my first week in making a sort of a reconnaissance. The aesthetic side of the furniture industry has no end of appeal for me. A much favored decorative feature of carved furniture is the Greek conventional acanthus leaf dating back to about 1000 B. C. I am beginning to wonder if it isn't about time for another renaissance during which the Irish get a break by substituting the shamrock for the acanthus.

"Laying aside the facitious chatter let me say that the cold blooded sordid business side of my new vocation has me feeling about as meek as Ferdinand the flower-loving bull.

"I am just beginning to realize how much I shall miss the fine comradeship you fellows in Holland accorded me, however I have received a welcome here that is unstinted in cordiality.

"Bill."

PREPARING LAND FOR CORN PLANTING

This has been a very unusual winter to date, permitting farmers to do much farm work that usually is delayed until spring because of snow and frost. This situation was taken advantage of by E. G. Buhrer of West Olive, this week when he plowed five acres of corn land preparatory to next spring's planting.

Arraigned Wednesday before Justice John Galien on a charge of operating a motor vehicle without an operator's license, Harvey Van Der Laan, 22, of Hudsonville, pleaded not guilty. He was released on \$100 bond, and trial was set for 10 a. m. Wednesday. Deputy Sheriff John Boes swore out the complaint.

Tabernacle Designed by Young
Designed by Brigham Young, the Mormon tabernacle was begun in 1863 and completed in 1867. Henry Grow was the engineer and William Folsom the architect. It is 150 feet wide, 250 feet long and approximately 70 feet to the ceiling and 80 feet to the roof. Resting on 44 stone buttresses, it has a seating capacity of 8,000. The roof consists of over 1,000,000 feet of lumber held together by wooden pins. There are 27 exits, all opening outward.

Early Method of Baking Bread
The earliest known method of baking bread was to lay the mass of dough on hot stones and to cover it with glowing ashes.

Great Speaker To Meet Our Boy On February 4

BOY SCOUT EXECUTIVE FROM NEW YORK WILL SPEAK AT BEECHWOOD BANQUET

Dr. Ray O. Wyland, Ph.D., assistant national director, division of program and director of education and relationships, national council, Boy Scouts of America, New York city, will address the annual council meeting and scouters' appreciation dinner, to be held at Beechwood school, Holland, on Saturday, February 4, at 6:30 p. m. Tickets will be in the hands of all troop committee chairmen within a few days. Those who wish to attend will have to get their tickets early, as it is expected that the crowd will exceed the capacity of the building, which is 400 people.

Dr. Wyland's ability as a speaker is so well known to so many scouters who have heard him at regional meetings, that there will no doubt be a heavy demand for reservations.

Dr. Wyland will also address a meeting of ministers of the area at a breakfast to be held on Saturday.

day morning, and another meeting of council scouters on Saturday noon.

This will be a fitting climax to the outstanding record of scouters of the Ottawa-Allegan council in making the huge net gain in scouts and units as sent to you in previous information.

Dr. Wyland was born in Jewell county, Kansas, April 15, 1890. He lived at Ringwood, Okla., from April, 1902 to September, 1907. He attended school at Greenville, Tex., 1907-08, and at Danville, Ill., 1910-11. Four years later he received the A. B. degree with honors in psychology from the University of Illinois. He did post-graduate work at the University of Chicago and Garrettsville in 1918; M. A. Columbia university, New York city, 1929; and Ph. D., 1934.

Dr. Wyland served as managing director of United Americans, Chicago, Ill., 1919-22, and directed the training and naturalization of 20,000 aliens; also contributed to the Americanization of several hundred thousand foreign born.

Dr. Wyland came to the national council, Boy Scouts of America, Aug., 1922, as assistant director of education. He was appointed director of education in 1924, and assistant national director of the division of program in 1937.

As director of relationships, Dr. Wyland supervises the cooperative contacts of the Boy Scout movement with all Protestant, Catholic, Jewish and other religious bodies and all scouting relationships with educational institutions, civic groups, service clubs, fraternal bodies and other parent institutions which sponsor Boy Scout Troops.

As director of education, Dr. Wyland supervises all leadership training for volunteer and professional scouters. More than four hundred colleges, universities and theological seminaries are offering courses on scouting methods of education in cooperation with the national educational service under Dr. Wyland's leadership. Each year upwards of 75,000 volunteer scout leaders and professional scout leaders register for training in formal courses under the supervision of the national educational service of the boy scouts of America.

Dr. Wyland travels 30 to 440 thousand miles each year and has visited each state of the union many times. He has spoken to audiences aggregating approximately two million persons, including high school and college gatherings; national, state and local conventions of superintendents, principals and teachers; meetings with the clergy; social workers; civic bodies; service clubs and fraternal groups of all nationalities, races and religions.

Dr. Wyland is a former member of the Chicago Rotary club and an active member of the rotary club of New York city. He is chairman of the coordinating council on nature activities, member of the national education association, the religious, education association, Phi Delta Kappa and the Executive Board of Alpha Phi Omega.

Dr. Wyland is editor of "Principles of Scoutmastership" and author of "Scouting in the Schools" and a contributor to religious, educational and social science publications.

Bill Connelly Is on the Job as Picture Shows

(Continued from Page 1)

noted speaker was rather optimistic, declaring he was very much convinced, from observation, that a new springtime of energy is blowing over our people.

"Our only doubt," he continued, "is doubt about ourselves as business men. I know that if we wait long enough, things will come back. But if we only wait it will be a little longer in coming to us. We are at a crucial time at which the turn will depend upon our investment of personal energy, with no regard for an immediate return.

Personal Energy Needed
"We have organizations that we rely on, but that come between us and our jobs. Our means of getting things done have in recent years been hindrances to the men at the top. Forget you are the head of a business or the head of a staff and go back to the principles you had at the beginning; that must precede matters of money or markets.

"There never were markets until we made them. There never are markets waiting for anybody. Personal energy makes the markets and the markets make the money. People who started things couldn't borrow; but they had their overalls and their hands.

If people wait for business to come back and pick us up, instead of making it," he said, they are "in for a long wait."

Speaking particularly of furniture, from the possession of the strong to the possession of all, he asserted that "the privilege of today becomes the common right of tomorrow."

"I would say not 'down with privilege' but 'up with privilege.' The strong are the gate openers. The weak see what the strong have and want it, and get it."

The speaker saw a great market for furniture in the "ceaseless establishment of homes."

"Marriage and homes," he said, "are surer than death and taxes. Normally there are as many homes built as there are marriages; in bad times, building may slow down, but the number of marriages stays up—1,400,000 a year—1,400,000 prospects a year. With the conditions now in sight, and with the number of young couples who have postponed buying furniture in the past seven years, we are going to have a big meeting of the demands."

Praises New Designs
He stressed the "social service" of the furniture industry in making homes, and its ministry to the refinements of life. He praised new designs, declaring that "the more fit a tool is to do what it is meant to do, the better it looks; utility and beauty go together."

At the close of his talk, he demanded to know: "Why haven't you made us more furniture conscious?"

"Perhaps," he said, "you cannot 'peddle' furniture. But it may be necessary for the dealer to go into the home, not to sell perhaps, but to show the homeowner how she can lay out her home, plan it to the best advantage."

Charles R. Sligh, Jr. of Holland, president of the exposition association, presided.

Want Archers to Kill Deer

By Albert Stoff, Jr.

Allegan county, in Western Michigan, has deer troubles. A number of years ago a few were leaved from the north into this agricultural county to serve as a tourist lure. They prospered to such an extent that over the past two years they have become a nuisance around farms, particularly celery. The State Conservation Commission refused to grant an open hunting season on deer there, being fearful that it would result in a number of fatalities among hunters and residents if rifles were permitted to be used. But something must be done to reduce or eliminate the deer from this agricultural county so the farmers have proposed that archers be allowed to kill the deer in the same manner as was done in Isosco and Nuyago counties this year. The range of the arrow is short and there would be no danger of accidents. The legislature would have to approve of this and it should for it offers at least a partial solution of Allegan's deer troubles.

Moat About Fortress
A moat reminiscent of the ones surrounding medieval castles in Europe surrounds Fortress Monroe, oldest enclosed military reservation in the United States. The moat was constructed in 1812 as a defense measure, when the fortress was being completed under the direction of Brevet Gen. Simon Bernard, one of Napoleon's officers.

Sirius and Our Sun
Compared with Sirius, our sun is a mere infant beside a giant. If the two were to exchange places the sun would be barely discernible without the aid of a telescope, whereas Sirius would consume the earth as quickly and completely as a blast furnace would a goat, for it would take 400 suns to make Sirius.

Claim Invention of Necktie
Mongolians claim their great conqueror, Genghis Khan, was the inventor of the necktie. They say he made the people he defeated wear it as a mark of subjugation. However, encyclopedias say the necktie is a direct descendant of the cravat. And this, originally, was the fancy frill Croatia's soldiers wore around their necks. French soldiers picked it up, called it "cravate."

Parasol Ants Carry Leaves
Parasol ants are so called because they habitually carry small leaves and flowers in their jaws, umbrella fashion. Parasol ants do not carry small leaves and flower petals to obtain shade from the sun, but take the leaves into their nest and make them into a cake, which serves as food for the colony.

TWO HOLLAND BANKS IN GOOD CONDITION

Local banks are in good financial condition, according to their annual reports.

The Peoples bank shows assets totaling \$2,516,098.75 with liabilities of \$2,349,940.74. Deposits total \$2,342,375.73.

The Holland State bank shows total assets of \$3,276,342.86, while liabilities total \$2,813,001.45. Deposits total \$2,802,876.90.

BASS

There will be no fishing for black bass in Michigan for almost six months. The season on both large and small mouths closed on Dec. 31, and these fish cannot be taken again until June 25. It is this sort of protection of a game fish species that helps to keep our lakes and streams stocked for all allows natural reproduction which no doubt produces methods combined. Longer closed seasons on several other game and more fish than all artificial cultural food species wouldn't hurt a bit and fishermen should forgo curtailment of their sport if it means more fish which is the result of protection.

AMERICAN LEGION NEWS

The next regular meeting of the Post will be held on Wednesday evening, January 25th.

The committee in charge for that meeting consists of Comrades E. C. Brooks, L. Dalman, J. Jellema, G. Manting, E. Spaulding and G. Veurink.

There will be a joint Fifth District meeting held at the Rowe Hotel in Grand Rapids on next Wednesday, the 18th. Dinner at 6:30, \$1.25 per plate with dancing after the meeting. Reservations must be in by the 16th. Call our commander and tell him how many to plan on.

We had two surprises at our last meeting—the Park Board made its annual report of operations at the Oval, and Chuck Van Duren came up to the meeting. Chuck hasn't been seen at a meeting since the year of the big wind.

Salons Meet In The New Year Session

MISS VENKELSEN INVITES
WELFARE BOARD OF VIR-
GINIA PARK MEET SAT-
URDAY

Six Named to Attend State Con-
vention; Clarence Lokker Takes
Seat of Elbert Parsons

Clarence Lokker, former county prosecutor, and now city attorney of Holland, was officially seated on the board of supervisors this week at the first session of the January term which is usually a short one.

He was welcomed by Charles Lowing, chairman, and was given the same committee appointments as his predecessor, Attorney Elbert Parsons, who, Jan. 1, took over the duties as county prosecutor.

Six members of the board were selected to attend the state convention of the supervisors which will meet at Lansing Jan. 24-26. They are Peter Van Ark, Holland; Henry C. Slaughter, Tallmadge; Maynard Mohr, Zeeland township; Hunter Hering, Crookery; Edward Soule of Grand Haven, and Charles Lowing, chairman of the Board.

Following a request made by Miss Deborah Veneklasen, Holland, welfare administrator of Ottawa county, J. Van Valkenberg, of Zeeland, auditor for the county emergency relief administration, was authorized to issue checks without being countersigned by the county treasurer. Miss Veneklasen explained the change would greatly accommodate the REA office.

Reports Read

The annual reports of the county treasurer and the county clerk were read. The treasurer's report shows \$1,960,878.42 in disbursements and receipts. A list of credits received from all sources and amounts paid out were included. Tax collections totaled \$176,397.96; emergency relief, \$23,740; primary school fund, \$482,132.11 delinquent tax fund, \$171,597; county road sinking fund, \$87,816; county road fund, \$408,007; inheritance taxes, \$19,718, and many other items.

Receipts from the county offices were: county clerk, \$2,572; register of deeds, \$9,166; health department, \$1,572; sheriff's office, \$2,278; justice costs, \$2,589; judge of probate, \$3,469 and county treasurer, \$20,337.69 or a total of \$42,202, which is placed in the general county fund.

The clerk's report included tabulations showing disbursement of all monies in the operation of the county. Salaries for the county officers include \$41,478; cost of elections, \$4,830; upkeep of courthouse grounds, repairs and supplies, \$3,453; cost of supervisors for sessions and committee meetings, \$7,389; appropriations to fairs, clubs and other agencies, \$2,450.

The county at the end of the fiscal year Dec. 31, was in the black with a balance of \$45,000 which is the first time in over 25 years. The finance committee was lauded by the board for its efficient management of funds and the officers of the county were cited for economical management.

The board of supervisors adjourned Tuesday at noon after a day and a half session, to meet again on call of the chairman, Charles Lowing.

On recommendation of the finance committee the board approved payment of \$1,000 during January to the support of the Aid to Dependent Children's fund, largely supported by the state. The board last year contributed \$1,000 per month to this department of welfare. Due to changes in the present legislature, the committee recommended action for only one month.

Fred Den Herder was authorized to employ added help in the treasurer's office during the tax sale rush. Mr. Den Herder has one less in the office than usual and the board approved that he hire either two or three more when the demand came, at \$17.50 per week.

An invitation extended by Miss Deborah Veneklasen, county welfare administrator, to meet next Saturday at Virginia Park next community house was accepted. Representatives from WPA are expected to be present to outline what is being done in the south end of the county under this government administration.

Fred Van Wieren, county drain commissioner, and William Havendin, chairman of the committee on roads, drains and ferries, were authorized to attend the state meeting at Lansing next week with expenses paid by the county.

About 18 supervisors will attend the state meeting of supervisors at Lansing next week, six of the number to go as official representatives of the board.

The public is invited to attend two lectures by the Rev. J. J. Sessler, Ph.D., pastor of the Reformed church at College Point, N. Y., at Western Theological seminary. Dr. Sessler will speak on "The Pastor in His Parish" at 4 p. m. Friday and on "The Preacher in His Pulpit" at 4 p. m. Monday.

Police Chief Ira A. Antles announced Wednesday that 11 people have been fined for traffic violations during the past two weeks. They are Ed Heneveld and Alfred Morris, failing to stop for stop street, \$5 each; Nelson Klompars, running over fire hose \$5; Donald Mokma, Ralph Adams, Richard Williamson and Freeman M. Green, speeding, \$5 each; Lorenza Schuitens and Gerrit Knasboek, no operator's license, \$5 each; Louis Vander Veen, refusing to give name and accident, \$10; Donald Veldhof, parking too near fire hydrant, \$3.

Charles Wojahn, son of Mr. and Mrs. Paul Wojahn of Holland, who is acting as assistant to Walter Van Hattena, Zeeland lecturer, on a tour of Minnesota, has written that the lecture tour will take them south to Nebraska, Colorado and California.

Holland Folks Hear A Blind Orchestra

Local Spanish War Veterans Join Two Other
Camps

Installation of officers drew Holland Camp No. 38, United Spanish War Veterans and its auxiliary to Grand Haven Friday night, where the Holland group joined the John R. Bennett camp and auxiliary of Muskegon and the Sherman S. Dickinson camp and auxiliary of Grand Haven.

Dick S. Ford, commander of the Department of Michigan, and Kathryn Dykema acted as installing officers. Master of ceremonies was Capt. John Stronak of Battle Creek. Grand Haven camp provided the entertainment. Harvey Swanson, Edward Logan, Russell Harrison, Joe Blending and T. A. McMahon provided music. Visitors included Mae M. Nicholas, department president; Grace Birckett, department secretary; Gertrude Ford of Battle Creek and Albert H. Brinkman of Holland.

Auxiliary officers installed included Edith Mooney, president; Gertrude De Boer, senior vice; Anna Hamm, junior vice; Luvia Slaghuys, chaplain; Jennie Ver Schure, patriotic instructor; Hester Reimersma, historian; Blanche Harbin, conductor; Elizabeth Van Lente, assistant conductor; Edna Van Lente, guard; Bertha Vande Water, assistant guard and reporter; Mabel Kraai, musician; Doris Allen, treasurer, and Florence Dokter, secretary.

Installed as officers of Holland camp were John Hanley, commander; John Teninga, senior vice; Harry Nies, junior vice; John Homfeld, trustee; Fred Kolmar, officer of guard; Herman De Boer, officer of guard; John A. Slaghuys, adjutant; Gerrit Klaassen, chaplain; Benjamin Hamm, historian; J. H. Van Lente and Martin Vander Bie, color guards; George Mooney, musician.

Holland's new officers were not the only ones installed, but in the large convocation of 500 who attended, including those from this city, the officers of the Muskegon camp, as well as the Grand Haven camp, were installed. Installation took place at the large Recreational building in Grand Haven.

One of the outstanding features in the way of entertainment was a musical organization from Grand Haven, T. A. McMahon being the leader. He is the Ottawa County weather observer, and has become interested in the welfare of several blind musicians. Altogether, there were six in the orchestra, five of whom are blind, but at that they are excellent musicians, and Mr. McMahon arranges appointments for them at different functions where they can carry on.

To Take Leads in Eunice Aid Society Play

Miss Margaret Van Andel, and Clarence Achterhoff, both of Muskegon, will take the leading roles in "The Closed Door," a three-act play to be presented in the Holland high school auditorium, Jan. 20 at 8:15 p. m. The program is sponsored by the Eunice Aid Societies of the Holland Christian Reformed churches, and is to benefit Holland Christian school.

WILL HEAR APPLICANTS FOR CITIZENSHIP JAN. 19

Examiner S. Freed of the Immigration and Naturalization services, will be in the county clerk's office, Grand Haven, on Jan. 19, to examine applicants for citizenship and their witnesses from 9 to 11 a. m. The examiner will be pleased to answer any inquiries relative to naturalization and will be available in the office of the county clerk that day to all persons interested in information pertaining to citizenship.

"The Closed Door" Coming To Holland

GIVEN AT MUSKEGON WHERE
1,000 SEE PRODUCTION

Holland will be interested in a production "The Closed Door," by Muskegon talent to be presented at Holland high school auditorium the evening of January 20, at 8:15. The talent from our neighboring city has made a great success of this interesting production. The Muskegon Chronicle has the following on "The Closed Door":

More than 1,100 friends of the Muskegon Christian school will gather Thanksgiving evening at Central Campus auditorium to witness a cast of eleven graduates present Wilbur Brown's "The Closed Door," a three-act play, under the direction of Miss Evelyn Heeres, also a Hartford school alumna. Sponsored by the Senior Priscilla society of the school, the program will include, in addition to the play, several octet numbers directed by H. J. Kuiper, principal of the Hartford Christian school, and a trumpet solo by John Stegink.

The play, which portrays the estrangement of a family and events leading to a reunion, takes place in the eastern United States in the present and has been characterized by critics as "humorous, interesting and highly amusing." Leading roles will be taken by Margaret Van Andel and Louis Achterhoff who play the parts of Portia Grey, a young woman lawyer and Roger Winslow, an aviator.

The octet, which will present "Praise the Lord O Jerusalem" by J. H. Maunier and "Sing to the Lord a Joyful Song" by William R. Spence, is composed of Gertrude Boema, Mrs. John Holwerda, Mrs. Abel Bolhuis, Mrs. A. H. Herman, John Heethuis, Sidney Diephuis, John Broersma and Louis Hasper, with Miss Mary Boema, accompanist. Accompanying Mr. Stegink, trumpet, will be Clara Stegink.

This gives some idea as to what Muskegon is to bring to Holland Jan. 20. The play will be given under the auspices of Eunice Aid societies of the Christian Reformed churches of Holland, and the proceeds will be for the benefit of the Holland Christian school. The committees in charge are the following:

General chairman—Miss Charles Vos.

Program committee—Mrs. Geo. Tinkhof, Mrs. Cornelius Dornbos, Mrs. Louis Steketee, Mrs. Andrew Ver Schure.

Ticket committee—Mrs. J. A. Swets, Mrs. De Vries, Mrs. P. Marcuse.

Advertising committee—Mrs. Charles R. Brouwer, Mrs. T. Boot. Properties—Mr. Fred Ver Hoef.

The federation board of the Federation of Women's Adult Bible classes of Holland met Tuesday afternoon in Third Reformed church. Mrs. Arthur Vanderbeek sang, accompanied by Mrs. Sam Plagenhoef. Devotions were conducted by Mrs. A. Oosterhof. Mrs. Margaret Markham presided. The board planned a meeting of the federation Jan. 27 in Ninth Street Christian Reformed church.

James Slager was honored Tuesday night at a surprise party given by Mrs. Henry Slager and a group of friends in honor of his 19th birthday anniversary. Miss Ruby Vande Water, Miss Frances Van Voort, Bud Steggerda and Fred Van Voort won prizes at bunco. Mrs. William Strong and Mrs. Slager served refreshments.

A group of friends gathered at the Ten Cate home Tuesday evening, where Miss Linda Weaver acted as hostess. Equipment Used at Poles
in Norway's Museums

By Dr. A. J. Brower

Sons of Norway, whose names have become internationally known, are many, such as Grieg, the composer, Ibsen, the playwright, and Amundsen, the Arctic explorer, came to mind readily. Rold Amundsen became interested in both North Pole and South Pole expeditions. He was the first to raise the Norway flag at the South Pole in 1911, accomplishing one of the greatest feats in exploration in the world's history. His equipment is housed here in a museum, even his ship. From here he started his South Pole expedition.

Again there is one not long dead, whose fame may not yet have reached the height it may well sometime attain. Fridtjof Nansen, companion of above Amundsen, scholar, diplomat, explorer and humanitarian, is the man, and his life is one of the most remarkable ever recorded. During his youth a daring explorer, and finally one of the world's outstanding diplomats, Nansen made a name for himself at Geneva, when he devised what has since become known as the "Nansen Pass-port" for political refugees. Today, when political refugees are many, the pass-port guaranteeing the holder freedom of frontiers, is a boon, the advantages of which even Nansen could hardly have foreseen. Here is a great Norwegian, a great man.

On Drammens veien (veien means street in Norway, like strait in Iceland, gaten in Sweden, or straat in Netherlands) is located the Noble Institute, a noble monument to a great man, Alfred Noble, the Swedish inventor of dynamite. Noble left an estate of 30,000,000 kroner, or equivalent to \$3,000,000 dollars in American currency, to a fund known as the Noble foundation, the interest from which is distributed to those who in their life-time have been of greatest service to humanity. Prizes are awarded by five different organizations, namely in Physics, Chemistry, Medicine, Literature and Advancing Peace of World. Among Americans, the late Theodore Roosevelt received the prize in 1906. Elihu Root in 1912, and Woodrow Wilson in 1917. All were peace prizes. In 1923 Doctors Banting and Macleod of Canada received the prize in medicine for discovering insulin for diabetes. Thus Norway can truthfully boast of some very noble and great men.

During the summer-time in June and July there is no other country in all the world that is so hauntingly beautiful as the entire east coast of Norway with its numerous fjords and islands and mountains. The journey from Hamarfest, the most northern part of Norway, down the west coast, and now at the last stopping place, Oslo, the capital, has been one of unsurpassed scenic splendor and Norway will remain forever a high spot in all my travel experience.

Mrs. Louise Nykamp, Holland's lady taxi cab driver, was held up and robbed of about \$5 in cash Tuesday night, apparently by the same bandit who committed a similar crime in Grand Rapids about two hours later. The bandit used the phone at the home of Marvin Den Herder of 10th St. and Maple Ave. and called for a cab. After he had entered the taxi, the robber threatened to hit her over the head unless she handed over her money.

RABBIT COUNTRY

Hunters' census cards reveal that the best rabbit hunting in Michigan is found in southwestern counties while pheasants appear more plentiful in southeastern Michigan. The reason for this, according to game officials, is that pheasants like the intensely farmed and thinned out areas as are found in the southeast while rabbits prefer more brush and thicker cover.

Application for marriage licenses have been filed with the county clerk from Gerrit DeGraaf, 22, Holland, R. F. D. No. 2, and Marie C. Veldheer, 21, Holland; Bernard Windemulder, 20, Holland, and Jeanette Knoll, 17, Holland.

HERE are the ruins of a Palace which was the setting for one of the most fantastic courts the world has ever seen. It is the Palace of Sans Souci, not far from Cap Haitien in Haiti on the route of the weekly 16-day cruises to the Caribbean. It was built by Henri Christophe, a black slave, who rose to become "King" of Haiti.

In this Palace dwelt the "King," his Queen, an ex-slavery maid, the Prince Royal and the Princesses Amethyst and Athenais, surrounded by a court that outdid in pomp and regal ceremony the courts of Europe. There were black-skinned Dukes, Counts, Barons, Grand Marshals, Chamberlains, scores of Knights of this and that; Professors, Physicians, Apothecaries, a host of

Common Council

Holland, Mich., Jan. 4, 1939

The Common Council met in regular session and was called to order by the Mayor.

Present: Mayor Henry Geerlings, Aldermen Prins, Kleis, Drinkwater, Kalkman, Oudemool, Brouwer, Menken, Smith, and the Clerk.

Devotions led by Mayor Geerlings.

Minutes read and approved.

Petitions and Accounts

Clerk presented several applications for building permits.

Granted. Clerk presented Oath of Office of Clarence Lokker as City Attorney.

Accepted and filed. Reports of Standing Committees. Claims and Accounts Committee reported claims in the amount of \$5,518.32, and recommended payment thereof.

Allowed. Civic Improvement Committee to whom has been referred the proposition of securing information relative to the cost of the Masonic Temple, also what the cost might be to convert this building into a library or some other municipal building, reported having given the matter considerable study but were not yet in a position to make a definite report and therefore reported progress.

Reports of Special Committees

Mayor Geerlings recommended that a special committee be appointed to confer with the state authorities relative to an improvement in the services regarding old age assistance.

It was so ordered. Mayor appointed as such committee: Aids. Brouwer, Prins and Oudemool.

Communications from Boards and City Officers

Claims approved by the Hospital Board in the amount of \$2,887.50; Library Board, \$188.49; Park and Cemetery Board, \$396.78; Police and Fire Board, \$2,441.11; Board of Public Works, \$8,908.10; were ordered certified to the Council for payment. (Said claims on file in Clerk's office for public inspection.)

Allowed. Board of Public Works reported the collection of \$11,375.13; City Treasurer—\$6,181.30; Fall Tax collections—\$24,978.92.

Accepted. Clerk presented report from City Inspector Wiersma, giving a resume of his activities during Dec., 1938.

Accepted and filed. Clerk reported that pursuant to instructions he had given notice of the proposed vacating of the alley in Homestead Add., situated between 31st and 32nd sts., and running from Mich. to Maple aves., and of the time and place for hearing objections, if any, to said vacating. Clerk further reported that no objections have been filed, and presented affidavit of publication of said notice.

On motion of Aid. Menken, 2nd by Smith, RESOLVED, that said alley be and hereby is declared vacated.

Adopted, all voting aye. Clerk reported that pursuant to instructions he had given notice of the proposed improvement of W. 16th st. from Lake ave. to the west city limits, by grading, graveling and placing a tar retard 2 inches in thickness, and of the time and place for hearing objections to same. Clerk further reported that no objections have been filed, and presented affidavit of publication of said notice.

On motion of Aid. Oudemool, 2nd by Smith, RESOLVED, that said street be improved.

Adopted, all voting aye. Clerk reported that pursuant to instructions, he had given notice of the proposed improvement of 32nd st. from Lincoln to Ottawa aves. by grading, graveling and placing a tar retard 2 inches in thickness, and of the time and place for hearing objections to same. Clerk further presented affidavit of publication of said notice.

Mr. Herman De Neut appeared before the Council and stated that he was not necessarily objecting to the improvement but was there with other interested property owners to find out what the cost of the improvement would be and also why there should be a charge for

improving this street. The Mayor called upon City Eng. Zuidema who stated that according to the estimate of cost prepared by Carl Bowen who is to do the work, it would run approximately 47 1/2 cents per running foot. Mr. Zuidema, in commenting as to why there should be a charge, stated that under the City Charter all improvements of a permanent nature become special assessment districts, and inasmuch as this policy has been followed in improving all other streets throughout the city, this would be the only way that a permanent improvement could be put in.

Mr. De Neut then complained relative to the services that has been given on that street during the past 16 years. It was his contention that he was never able to get out just whose responsibility it was to maintain 32nd st. Mr. Zuidema, in explaining this matter, stated that from information he had received from Mr. Bowen, Ottawa County Engineer, there was an agreement between Ottawa and Allegan counties whereby they divided up the mileage and Ottawa county had agreed to maintain the district in question while Allegan county took over certain mileage farther east.

After some further discussion, it was moved by Aid. Prins, 2nd by Brouwer,

That the improvement be made. Adopted, all voting aye.

In discussing the matter of maintenance on this street, it was moved by Aid. Brouwer, 2nd by Drinkwater,

That it be referred to the Street Committee for investigation.

Motions and Resolutions

Ald. Brouwer called attention to the death of Mrs. Ben Steffens,

wife of Aid. Steffens, and suggested that the Mayor appoint a committee to represent the Council and extend to Mr. Ben Steffens and his family, their sympathy and also to draw a proper resolution to be presented to them.

Adopted. Mayor appointed as such committee: Aids. Smith, Brouwer and Menken.

Ald. Brouwer also called attention to the recent marriage of the Sentinel reporter, Mr. Lou Wood, and stated that he was assured all the members of the Council wished him well. Mr. Wood arose and told the Council members that he appreciated very much the sentiments they were expressing.

Ald. Brouwer also called attention to the fact that Mr. Frank Van Ry, who has been chief of police of the city of Holland for many years, had just left the service. Ald. Brouwer felt it only fitting and proper that the city should recognize the services Mr. Van Ry has given over a long period of time.

Adopted and Clerk requested to address a communication to Mr. Van Ry expressing to him the sentiments of the Council.

Mr. Clarence Lokker, newly appointed City Attorney, addressed the Council briefly, stating that it seemed like getting back home to again be sitting with the Council members in their regular meetings. Mr. Lokker stated that he appreciated very much not only his appointment, but the fact that this was a unanimous appointment, and he pledged himself to serve the City to the very best of his ability in maintaining for Holland, the enviable and unique position that it holds among the municipalities of the country.

Adjourned. Oscar Peterson, City Clerk. HKT

UNIFIED
TELEPHONE SERVICE
MEANS
CHEAPER SERVICE
FOR YOU

IF THERE WERE NO BELL SYSTEM, with its 25 regional telephone companies, your telephone service would probably cost more. Local service in some areas would lag behind that in others. Long distance calls would be greatly complicated. Duplication of manufacturing and research, with duplication of expense, would mean higher telephone rates.

Instead, these telephone companies centralize their manufacturing in the Western Electric Company, their research in the Bell Telephone Laboratories. Whenever one company develops an improvement, it is promptly shared with the others.

This makes for economy and, because of the Michigan Bell Telephone Company's membership in the unified Bell System, means better telephone service at a lower cost to you.

SOME ROADS NEAR HOLLAND
TREATED DURING YEAR.
ZEELAND TO THE OIL
FIELD ROAD READY

Uncertainties of Road Building
Pointed to in Engineer's
Year-End Report

Carl T. Bowen, engineer for the Ottawa county road commission, in reviewing the 1938 operations of the road commission and envisioning the work in 1939 says:

"Planning a road program for a year ahead in county highway work is very similar to that popular game of Chinese checkers. One may devise a perfect set-up only to have it completely upset by checkmate forces entirely out of control of the road commission."

"Practically all of the money for use on county highways comes from car license fees and the gasoline tax and to a large extent that is earmarked for expenditures."

"In planning a road program previous to a session of the state legislature, one may expect changes in earmarking funds from present sources or charges up or down in the amounts provided. The amendment to the Constitution, adopted at the last November election merely is a guarantee that the money obtained from car license fees and the gas tax must be used for highway purposes. This has always been followed in Michigan and the amendment in no way controls the amount of this revenue so obtained."

Nature Is Factor

"Another very important factor involved in formulating a road program is the element of nature. A severe winter with heavy snow or a springtime of heavy rains may change the whole schedule by as much as 20 per cent or eliminate some part of the program entirely."

"The only increase in highway funds in several years has been due to greater registration of cars and increased use of gas."

"Until a few years ago when a construction project was approved by the board of supervisors money was appropriated by that board for the project approved. The 15 mill tax eliminated this method of road financing. The usual maintenance work costs have increased from 70 per cent of all road expenditures in 1934 to 90 per cent in 1938. This condition has come about partly to increased use of the roads by heavier and faster vehicles and partly because of the character of work best adapted to use of the federal labor programs and partly to necessary repairs on large mileage of the former township roads taken in the county system."

"In reporting the operations of the Ottawa county road commission for 1938 and proposed work for 1939, we may say that a large percentage of the road work is repair and maintenance and that the most important work must be done first and continued until as much has been done as finances will permit."

"Early in 1938 heavy rains followed by quick run-off due to cleared drains and frost in the ground caused more damage to drainage structures in the heavy soil areas than in any previous year. Many of these structures were completely destroyed and others so damaged, it was necessary to completely rebuild them. In a large number of cases, footings and retaining walls were repaired to make them safe for traffic. Not all of these improvements will be completed this year. It is imperative that the work be completed as soon as possible for drainage structures are double that of an average year. There are many steel bridges of thirty to fifty foot span that are too narrow and too lightly designed for present traffic which will require continual repair until they are replaced."

To Build Blacktop

"In 1937 it was planned to construct fifteen or twenty miles of black top surface in 1938. Several conditions developed to prevent carrying out this plan. Five miles of the Zeeland-Byron road had been rebuilt in readiness for a black top surface but during the latter part of 1937 and up to the present time, the development of the oil fields in Allegan county created an extra heavy truck traffic that so damaged the surface of other black top roads in that vicinity, it was deemed best to delay that particular project."

"Several streets in plats near Holland and Zeeland were treated with a prime and seal application of tar. The people living on those streets working through the Holland township board paid for the tar used. One mile of township road running West from Jenison was surfaced with mixed-in-place tar and gravel. Georgetown township paid one-half the cost of this project. One mile on the River Road East from Clark's Corners in Robinson township, two miles in Chesterton township connecting Conklin to Big Springs school and two miles East from the West side of Section 10 in Georgetown township on the Bader-Allendale road were also surfaced. This is a total of approximately six miles of mixed-in-place treatment and one and one-half miles of prime and seal treatment."

"The following is a summary of improvements completed in cooperation with the Works Progress Administration in 1938. This list does not include many of the smaller repair jobs:

- "14.4 miles of roadside pitching.
- "44.1 miles of grading, including small culverts.
- "40.5 miles of graveling.
- "6 culverts less than 10 foot span—new.
- "8 culverts, 10 feet or more in span—new.
- "2 bridges with span of 50 feet or more—new.
- "8 culverts repaired.
- "4 bridges repaired.
- "44 miles of roadside brushing.
- "1.3 miles cleaning county drains on highways."

EXPENSIVE BEAUTY

Almost \$14,000,000 worth of beauty shop equipment was manufactured in the U. S. in 1937, according to preliminary reports of the U. S. Census Bureau.

Animals and Birds Find

Plenty of Use for Tails

Certain species of mice have extraordinary long tails which are used as balancing organs while making long leaps. In another species of mice the tail seems to have no purpose at all as it is only a remnant. Among the larger mammals the bear and elephant have about the smallest tails in relation to their size, although the elephant had his compensated for by a proboscis on the other end. We may think the common cottontail was slighted in this respect, writes a correspondent in the Detroit News, but it has a tail nearly as long as a bear and furthermore it serves as a signal of danger much the same as the tail of the deer.

The Gila monster finds his tail an excellent place for food storage. The alligator uses its tail as a weapon and as a powerful lever in turning its body over and over after seizing its prey. In this way the alligator tears its food or victim as the case may be. The great order of insects show a wide diversity in structure and function of tails or tail-like appendages.

If one is expert enough to read the signals of the skunk's tail he can tell when to retreat to a safety zone. Some people claim they can pick up a skunk by the tail with perfect impunity, but some skunks are too clever for persons to take this advantage of them. Others claim they can pick up a porcupine by the tail without danger; however, unless you are an expert you will probably find it a very effective war club worthy of considerable respect. The beaver's tail is used to spank out on the water a warning of approaching danger.

Some tails serve chiefly as ornaments as in the peacock, the lyre bird and pheasant. The ruffed grouse is a famous dandy which, during the drumming period, struts about vainly displaying the coloration of his tail feathers. Of course, we all know that the horse's tail is not only an ornament but also a fly swatter. However, the question still remains of what use is a pig's tail?

Field Mouse Makes Home

In Network of Runways

The small mammal, known scientifically as *Microtus pennsylvanicus*, is a common species of field mouse. It makes its home usually in damp fields where there is an abundance of grass. It is a very active creature, both by day as well as by night, observes a writer in the Montreal Herald.

It lives in burrows, making a network of runways among the vegetation which are connected with their feeding grounds. The burrows may be in meadows or under logs, rocks, tussocks of grass or roots of trees, and lead to underground chambers filled with nests of dry grass which provide a home in winter and often in summer. Other nests are located in damp meadows or marshes in depressions on the surface or among clumps of grass.

The common meadow mouse is most prolific. Estimating the normal increase at six young, and assuming that there are no checks upon the increase, the results are appalling. A single pair and their progeny in five seasons would amount to nearly 1,000,000 individuals.

Field mice, also known as moles, have stout bodies, blunt rounded muzzles, small eyes and short ears—often completely concealed by fur. The tail is short and hairy; the soles of their feet are naked, or clothed with short hairs, and have five or six foot pads (plantar tubercles). The incisors are broad and not grooved.

Word 'Ginseng' From Chinese

Practically all of the American production of ginseng is exported to China, where it is in great demand for medicinal and domestic purposes. Branches resembling the human form are especially prized for their supposed occult virtues. The word "ginseng" is derived from Chinese words meaning "likeness of man." It is considered a cure for many diseases in China. The roots are marketable in about the fifth or sixth year from planting of seed. They are washed and cured in a well ventilated room with temperature not exceeding 90 degrees Fahrenheit. This takes about a month for the larger roots. They are then stored in a dry, airy place in sacks or boxes, ready for shipment.

Cow Breathes Bushels of Air

Every hour a thousand-pound cow breathes in and out about 2,800 bushels or 3,600 cubic feet of air. This air weighs about 270 pounds.

New York's Fair and Skyline, All in One Picture

NEW YORK—Proximity of the New York World's Fair 1939 to Manhattan is shown in this "location" photograph taken from the Bermuda Clipper "Cavalier" flying above the Government Zone of the exposition. The familiar skyscraper skyline of Manhattan is shown here nine miles away but within fifteen minutes ride by rail. Note the patterns of buildings, foundations, gardens, and thoroughfares emerging in the Central Exhibit Area and the fine finish of landscaping about the steelwork of the 700 foot Trylon and 200 foot Perisphere and along the broad Constitutional Mall.

Shown right, are the elevated tracks of the IRT-BMT subway systems and, nearer, the Long Island Railroad tracks crossing the lowered Grand Central Parkway Extension. The pontoon of the plane obscures view of the Triborough Bridge, one of the main approaches to the Fair. The buildings shown are among forty already under construction.

DEPARTMENT WARNS AGAINST CURRENCY IN THE MAILS

People who send currency in the mails to the Department of State do so at their own risk, Department of State officials have cautioned. Thousands of letters are received every day with loose dollar bills and even with loose silver coins in them; if currency is lost, the individuals sending it have no recourse. People are urged to send either a certified check or a money order payable to the Secretary of State, Lansing, Michigan.

Individuals are also urged to take advantage of the services offered to them by the branch offices of the Department of State, when dealing with the Department. The Branch offices were placed in operation by an act of the Legislature for the convenience of the public in transacting business with the Department. In each Branch Office there are trained people familiar with the functions of the Department of State and many small difficulties can be adjusted right at the Branch without the necessity of contacting the Lansing office.

If a person lives within a reasonable distance from a Branch Office, it is better for them to transact their business with the Branch Office in each county. In densely populated counties there are more. There are a total of 150 Branch Offices in the State.

'Misfortune,' 'Calamity'

During the period when Gladstone and Disraeli were opposing leaders in British politics, Disraeli and a number of his cronies were dining one night when the conversation turned to distinction between words of similar meaning. After the comparison of several pairs of words had gone round the table someone asked Disraeli the difference between "misfortune" and "calamity."

With but a second's thought Disraeli answered: "If Mr. Gladstone fell into the Thames river it would be a misfortune; but if someone pulled him out, a calamity."

Grave Has Many Visitors

The tomb of Abelard and Heloise, in the cemetery of Pere la Chaise in Paris, is, after 700 years, a place of sentimental pilgrimage. Since their tragic romance, notes a writer in Collier's Weekly, this grave is believed to have been more widely known, to have had more visitors and to have been the subject of more stories and songs than any other in Christendom, with the exception of that of the Savior.

Mr. and Mrs. John De Weerd spent the Christmas vacation with their parents, Rev. and Mrs. B. Essenburg, at Chicago.

Jake Roelofs was unexpectedly taken to the hospital for an operation.

Clara Vis, who is employed at Grand Rapids, spent a week of vacation with her sister Jean. Miss Clara is now confined to bed with illness.

Ban Netting Near Shores

A movement has been started to prohibit the use of commercial fishing nets at or near the mouths of any rivers and streams entering into the Great Lakes and its bays. It will take the form of a bill to be introduced in the 1939 Legislature and carry the backing of two important and state-wide sportsmen groups.

The proposal is sought so that the various species of game and food fish will be able to migrate up rivers and streams during their spawning season and be prevented from doing so by running into nets. It is stated that if these fish had free passage into the inland waters their spawn would go far in assisting in restocking our inland waters with game fish.

Peter Sees Christ's Glory
Matthew 17:1-9, 14-18

Henry Geertings

Peter belonged to the privileged three. He and James and John were permitted to see the transfiguration of their Lord. To be there on the mount to see and hear and feel was indeed a privilege beyond our power to describe. One wonders why the whole company of disciples was not assembled on that holy mount where the light of heaven kissed the darkness of earth. But it was not for reasons we might offer out of our speculative thinking.

Well, Peter was there and we are concerned chiefly with him. This interesting man was true to form on the mount. He reacted to this marvelous happening as he reacted to others. His tumultuous emotions had to find expression in words. He just had to say something. He spoke his mind and he did it very honestly. He was so impressed with and so stirred by the majesty and wonder of the transfiguration of his Lord that he felt an irresistible urge to express his appreciation of the same.

So far as we know the other two witnesses were silent in the midst of such splendor. But they were differently constituted. There are some natures that cannot speak in the presence of a great happening or under the pressure of a unique and radiant experience. They might want to speak, but they cannot find adequate expression for what they feel. One hears beautiful and rapturous music and he is mightily moved and moved so greatly that he would like to put into words what he feels in his soul, but he knows he cannot, for his words would be pitifully weak vehicles of his glorious emotions and so he is silent. But, on the other hand, there are those who cannot resist the terrific impulse to attempt to speak their emotions and they do try to make

In addition to being a lecturer, critic, and poet, Dr. Parr is the pastor of Congregational church, Ann Arbor. Dr. Parr warned his listeners that, as readers, it is necessary to choose carefully in deciding what to read. He said that between eight and ten thousand books are published annually in the United States. He recommended Webster's dictionary as educational, entertaining, but little-known reading. Mrs. Kenneth De Kree presided. She announced that the public affairs committee of the club will meet next Tuesday at 2 p. m.

Seven Colleges Meet Here For Debate Tourney

Invitational Tournament to Feature Society Performances

Thirty-eight debate teams from seven colleges in Michigan and Indiana are now on Hope's campus and today, Thursday to take part in the invitational tournament sponsored by the men's debate squad under the direction of Dr. Roland Shackson. Each of the teams is scheduled to debate twice and will judge or listen to a third round.

The three rounds of debate have been arranged for 3:00 p. m., 4:30 p. m., and 7:30 p. m. The evening debates are to be entertained by the college literary societies. Teams debating on the first floor of the chapel will be heard by women's societies. Others will be heard at the men's society houses. The afternoon debates are scheduled to take place in the chapel and Van Raalte Hall rooms placarded by numbers.

No Champion Chosen
Essential purposes of the tournament are to practice and exchange ideas preparatory for the state tournament, February 10. Decisions and criticisms will be given orally after each debate to aid teams in discovering weaknesses in their case and presentation. No champion will be declared. In first team debates, judging and criticizing is to be done by coaches. The others will be judged by members of the first teams.

The colleges were invited in December to register as many teams up to eight as they desired. Responses were as follows: Albion, eight teams; Alma, six; Michigan State, five; Central State, four; Huntington, two; Calvin, two. Hope will enter nine teams to even the number.

SUNDAY DINNER Suggestions

By CORA ANTHONY
Director of A&P Kitchen

THE promised reduction in egg prices following increased production is with us, and this important food is now in the very reasonable price bracket. The quality of all grades is very good. Meat and poultry prices have changed little since last week. Fish, both fresh and frozen, is plentiful, and therefore costs more. Butter remains very inexpensive.
Strawberries and pineapple are plentiful and cheap for the season. Many vegetables, but particularly green beans, are cheap to reasonable in price. Here are three dinner menus.

Low Cost Dinner
Braised Short Ribs of Beef
Potatoes Onions Turnips Celery Carls
Bread and Butter
Butterscotch Refrigerator Pudding
Tea or Coffee

Medium Cost Dinner
Roast Loin of Pork Boiled Rice Gravy
Stewed Apples Green Beans
Bread and Butter
Vanilla Ice Cream with Strawberries
Cookies
Tea and Coffee

Very Special Dinner
Cream of Mushroom Soup
Fried Chicken Cream Gravy
Candied Yams Green Peas
Tomato Salad
Balls and Butter
Pineapple and Strawberry Cup
Small Cakes
Coffee
