Mayor Appoints 16 to Annexation Study Committee

Mayor Robert Vischer Tuesday appointed 16 men from Holland city and surrounding townships to serve on a 32-member citizens annexation advisory committee. The group will hold its first meeting Thursday at 7:30 p.m. in the band room in City Hall.

Named as co-chairmen by the mayor were Ernest C. Brooks of Holland city and Marvin C. Lindeman of Park township.

Other appointees are Peter Kromann, James F. Brooks, Russell A. Klaassen, Jacob Zuidema, John Van Dyke, Jr., A. J. Cook and George Good of Holland city; Walter A. Vander Haar and Fred Bocks of Holland township; Clarence Jalving of Park township; Henry Kleinhessel and John Siebellink of Fillmore township; Gordon Van Putten and Edwin Raphael of Laketown township.

Co-Chairmen Brooks and Lindeman later will appoint the other 16 members, eight from Holland city and two from each of the four townships involved.

Establishment of the advisory committee was approved by City Council last week in connection with a proposed program to annex sections to the city and to the school district.

The function of the committee will be to study all aspects of annexation and on the basis of full information recommend specific area boundaries.

City Council has recommended annexation to the municipality of "an area not less than the primary service area" previously determined by the Holland Planning Commission.

The Board of Education is promoting a school annexation program calling for the better part of 11 surrounding school districts to be annexed to the Holland district. The program includes a condition whereby the section lying within the primary service area must first be annexed to the city before it can be annexed to the school district.

Chester E. Parmelee Dies in Grand Haven

GRAND HAVEN (Special) — Chester E. Parmelee, 61, of 320 Elliott St., died Wednesday noon in his home. He was taken ill about three weeks ago, entered the hospital Dec. 17 and returned home only Tuesday.

He was born in Ludington and was married there in 1918. The family moved here in 1928 and he became a pharmacist at Ewald Drug Co. On Oct. 1, 1933, he was appointed clerk with the local post office and worked there until his illness. He was a member of First Presbyterian Church in Grand Haven and the Masonic lodge in Ludington.

Surviving are the wife; a daughter, Mrs. John Snyder of Grand Haven; a son, Marshall of Battle Creek; two sisters, Grace Parmelee of Lansing and Mrs. Guy Wheaton of Milwaukee, Wis., and four grandchildren.

Funeral services will be held at 1 p.m. Friday from Kinkema Funeral Home with Dr. Wallace Robertson officiating. Burial will be in Lake View cemetery in Ludington.

Post Office Entered

GRAND HAVEN (Special) — The Brunswick post office located on M-20 near Fremont was broken into during the night, Grand Haven state police were informed today.

Detective William Chandler of the Grand Haven post and the sheriff in White Cloud are investigating. It was reported that the safe was opened. In other post office break-ins recently, safes had not been opened.

Holland Has Good Chance To Stop Grand Haven Five

Holland High's basketball team stands its best chance of the season to win a basketball game here Friday night.

The Dutch take on Grand Haven at 8 p.m. in Civic Center and the Bucs, like Holland, have been bumped frequently this season.

Coach Fred Weiss has had some long Friday nights this season as the Dutch dropped five straight games, coming close in only two of them, and a win would do a lot to pick up spirits all around.

Grand Haven has a 24 record with victories being recorded over Coopersville (53-56) and Muskegon (54-50). The Bucs lost to Niles, St. Joseph, Benton Harbor and Muskegon Heights, all by big scores.

Coach Walt Lowell must feel like a railroad switchman the way he is shuffling his lineup around. Lowell hasn't started the same lineup twice this season.

Willie Gutierrez, 5'10" senior guard, is about the only Grand Haven player assured of starting. He is the Bucs' top scorer and racked up 20 points against Muskegon Heights the last time out.

Dale Waldo, 6'1" was used in the pivot against Muskegon Heights and may assume the center post against Holland. Brent Boyink, 6' junior, and Gutierrez are the guards.

MECHANIZATION — As Holland pushed away four and a half inches of snow from sidewalks and driveways today, more than one shoveler probably wished the city's snow loader was his for a little while. The storm, Michigan's worst in 10 years, hit the southern part of the state and most of the Midwest Wednesday night, tying up traffic almost everywhere. Here, Harvey Kronmeyer watches the machine clear snow from River Ave. as he leans on his shovel. This was the third day of work this winter for the snow loader, which saw service on Dec. 12 and 14.

Businesses Must Help Colleges, Wilson Says

Coopersville Will Test Chix Friday

ZEELAND (Special) — Zeeland High's basketball team returns to Keweenaw League action Friday night against Coopersville at Holland Armory.

The Chix, defeated for the second time Tuesday night by Holland Christian, are unbeaten in league play with 3-0 mark. Coopersville has a 2-1 league record and has stopped Sparta at Comstock Park while losing to Fremont.

Clarence De Pender, leading scorer in the Keweenaw League, is the Broncos big threat. He hit 26 points twice this season.

Norm Le Mieux, outstanding football player, is Coopersville's playmaker at guard. Terry Hastings and Tom Holmes are other two starters.

Coached by Angelo Vaselo, the Broncos lost to Grand Haven 58-56 in their biggest game of the season. Tuesday night, Coopersville stopped Whitehall, 65-42. Zeeland defeated Whitehall, 62-41 earlier.

Zeeland practiced moving the ball around and setting up screens in Wednesday's practice. The fast break, which the Chix couldn't get started against Christian, will come in for work tonight.

Coach Paul Van Dort will start his usual five. Max De Jonge and Ron Beyer will be the forwards with Ed Boeve at center. The guards are Dave Van Peursem and Wayne Tanis. Norm Rigerink will be a first-line replacement.

The reserve game, as all Keweenaw League contests, will start at 7 p.m. and the varsity game will follow at 8:30 p.m.

Army Pfc. Alvin J. Meyers, 22, son of Mr. and Mrs. A. Meyers of Zeeland, was a member of the post football team at Fort Leonard Wood, Mo., which recently played Camp Leroy Johnson in the annual Soldiers Bowl at the Louisiana State Fair. Meyers is a former student at Hope College.

The answer to the financial problem of the small independent college lies in the donations from businesses, Dr. Robert E. Wilson told 300 industrialists assembled at Hope College Tuesday.

Dr. Wilson, chairman of the board of Standard Oil of Indiana, said he was "confident that, as more and more businessmen become awakened to the problem and the need, they will supply the answer in material terms."

He pointed out that nearly half of the country's privately owned colleges are now operating in the red. Because of this, he said, many small schools are curtailing their teaching staffs or using their endowment capital to provide dormitories, laboratories and other facilities.

He implied it is the responsibility of business to aid these schools because business and education have a common root — freedom.

"Both are certainly based on the same premise," he said. "Through free competition in business we achieve material progress. Through the free competition of ideas we arrive at truth."

With colleges and universities having a primary duty to preserve the democratic system, Wilson said, "it follows that private enterprise has an equally great responsibility to foster and preserve the free educational system."

"Business wants in its ranks men with a broad general background," he said, and added that 88 per cent of present executives have college backgrounds and 71 per cent of these came from independent liberal arts schools.

But he added that "if present conditions continue, we face the very real danger that many of these fine independent colleges... will be forced to close their doors just before the unprecedented wave of prospective students reaches the colleges."

"It is obvious that those of us whose hearts and minds are committed to this cause must increase our support. Particularly, I am thinking of the businessman as donor. If for no other reason than that he has been a prime beneficiary of our private educational system."

The final hope of support for the college is the business institution itself," he said. He then outlined the change in the type of aid being given to colleges and universities. Where once corporations were largely restricted to giving grants for research projects, now sums are given to the many state associations of small college for use as the school deems fit.

He mentioned that business does not intend to control college through its gifts, and said "but the same cannot be said of the politicians, as some of our state institutions have learned to their sorrow."

The luncheon meeting in Durfee Hall was sponsored by Hope in recognition of the \$222,098 that it received in gifts from both local and national business concerns during the fiscal year 1955-56.

Still No Skating

There won't be any skating on the ponds at Fairbanks Park either today or tonight, Park Superintendent Dick Smallenberger said today. He said the ice "isn't right" after Wednesday night's heavy snowfall.

The Rev. H. Rozendal, pastor of Bethel Reformed Church, will conduct the prayer service at 7:30 to-night in Sixth Reformed Church, and the Rev. Henry A. Mouw will conduct the service at Bethel Church. Senior Choir rehearsal will follow the service at Sixth church.

Rev. E. Hilst Dies In Grand Haven

GRAND HAVEN (Special) — The Rev. Edward Blatz Hilst, 35, of 1015 Franklin St., pastor of St. John's Lutheran Church, died unexpectedly Wednesday at 4 p.m. of a cerebral hemorrhage shortly after admittance to Municipal Hospital.

He was born in Manitowish, Ill., Nov. 2, 1921, and came to Grand Haven from Chester, Neb., in August, 1955. He married Mildred Worner, Jan. 28, 1945, in Green Valley, Ill. He was a graduate of the Green Valley High School in 1939 and from Concordia Seminary in Springfield, Ill., in 1945. He was active in sports, including golf and bowling and was a member of the Spring Lake Country Club.

Besides the wife he is survived by four children, Jean, 9, Steven, 6, Ronald, 5, and Shari, 3; his parents, Mr. and Mrs. Edward Hilst of Manitowish and one brother, Dr. Arvin Hilst, professor at Purdue University at West Lafayette, Ind.

The body is at the Van Zantwick Funeral Home and will be taken to the church Friday morning to lie in state from 9 a.m. until time of services at 1 p.m. from St. John's Lutheran Church on Taylor Ave. The body will be brought to Green Valley where services will be held Monday with burial in St. John's Lutheran Cemetery in Green Valley. The Rev. M. Brauer, circuit visitor of the Immanuel Lutheran Church of Grand Rapids, will officiate at services in Grand Haven.

Graveside Services Held in Saugatuck

Graveside services were held at 10 a.m. today in Riverside Cemetery at Saugatuck for Steven Blane Hudyma, infant son of Mr. and Mrs. Edward W. Hudyma, route 1, East Saugatuck. The child was born in Holland Hospital Jan. 4 and died Wednesday.

Surviving are the parents; a brother, James Edward; the grandparents, Mr. and Mrs. John Hudyma of East Saugatuck and Lewis Benton of Chicago, Ill.

Rev. Fr. Hoogterp officiated. Arrangements were by Dykstra Funeral Home.

Two Men Bound Over Upon Examinations

GRAND HAVEN (Special) — Two cases were bound over to Circuit Court at separate examinations Wednesday. In each case, bond of \$2,000 was not furnished.

One case involved Marion Eugene Boatman, 26, Spring Lake township, charged with indecent liberties. The alleged offense involved a nine-year-old girl from Spring Lake Dec. 21 in Crocker township.

The other case involved Edward Fox, 50, Spring Lake township, on a charge of aggravated assault. Fox was arrested following a fight in the home of his sister, Mrs. Mary Sands, 54, in which he allegedly broke two of her ribs as well as inflicting other injuries.

His wife, Louise, 35, is in county jail unable to pay \$25 fine and \$6.10 costs on an assault and battery charge brought against her by her niece, Ruth Porter, during the same fracas.

Both men will appear in Circuit Court Jan. 11.

Kenneth Keuning, son of the Rev. and Mrs. John H. Keuning of North Holland, was a member of Central College's A Cappella Choir which this afternoon featured a half-hour television program over a Des Moines Station. Kenneth is a junior at Central College and his sister, Treva, is a freshman at the school.

Rep. Van Peursem Elected Speaker By a 34-26 Vote

LANSING — Republicans in the State House of Representatives Tuesday night picked Rep. George M. Van Peursem (R-Zeeland) as the new speaker of the House.

Van Peursem, who at 45 is the youngest speaker in Michigan in 22 years, defeated Rep. Rollo G. Conlin (R-Tipton) by a 34-26 vote in the Republican House caucus. Actually, his victory in the caucus only gave him the Republican nomination for the post. But the nomination is tantamount to election because Republicans hold a 61-49 majority in the lower chamber.

To serve along with Van Peursem, Republicans chose Rep. Allison Green (R-Kingston) as floor leader and Rep. Don R. Pears (R-Buchanan) as speaker pro tem. Van Peursem succeeds Wade Van Valkenburg of Kalamazoo who did not seek re-election to the Legislature this year. Green succeeds himself. Pears succeeds Rep. Andrew Bolt (R-Grand Rapids), who did not seek re-election to the post.

John Klingenberg, Hamilton, Allegan County, was favored for sergeant at arms over Cecil Hayward, his only opposition.

The last time the House had a speaker as young as Van Peursem was in 1935 when George Schroeder held the post. He was 43.

Van Peursem is beginning his fourth term in the Legislature and

Rep. George Van Peursem rose rapidly last year as chairman of the powerful Labor Committee. He also was a member of the Marine Affairs, Retirement and Liquor Control committees in the Legislature last year.

A native of Holland, Van Peursem was educated at Hope College and Kent College of Law in Chicago. He was graduated in 1939 and practiced law in Peru, Ill., for eight years before he bought out a law practice in Zeeland only four miles from his home town. He built up a large practice there and still maintains that practice while not in the Legislature.

The new speaker, who said he did not consider himself a conservative Republican although others did, said he would seek cooperation from all members of the House by giving them responsibility.

"Responsibility breeds cooperation," he said. "And I want cooperation."

He said he hoped to have the major committees of the House formed before a 10-day recess called Thursday. He said the committees he hoped to have completed included Taxation, Labor, Ways and Means, Judiciary, Conservation and some others. It will be a "week or more" before the other, less important committees are named, he said.

De Bruyn Won't Seek Re-election as Mayor

ZEELAND (Special) — Robert De Bruyn, Zeeland mayor for the past four years, will not seek re-election, it was announced today. The offices of mayor, two aldermen, assessor and supervisor come up in the Feb. 18 primary.

Both incumbent aldermen, George Van Eenennaam and Willard J. Claver, have announced they will not seek renomination. Petitions for alderman have been taken out by Harold Beckvoort and Donald Vanden Heuvel.

Richard Van Dorp, appointed assessor last year, has taken out petitions to fill out the unexpired year of the term. Supervisor John Stephenson is opposed by Nick Cook, a former supervisor.

Immunization Clinic Scheduled at Fennville

ALLEGAN (Special) — A clinic for immunization against diphtheria, tetanus, pertussis and smallpox will be held at the new Anna Michen School in Fennville, Jan. 15 from 9:30 to 11:30 a.m. and 1 to 2 p.m.

It is being planned by the Allegan County Health Department in cooperation with Fennville school. It is an entirely tax-supported program.

On the written request of a parent or guardian, school children will be protected against smallpox, diphtheria and tetanus; and pre-school children under three years of age will be protected against these diseases and whooping cough as well.

Ottawa Man Bound Over On Non-Support Counts

GRAND HAVEN (Special) — Edward Powers, 29, Spring Lake township, waived examination on two counts of non-support and desertion when arraigned before Justice Lawrence De Witt Tuesday and was bound over to Circuit Court to appear Thursday.

Powers, who is charged with non-support and desertion of his wife, Roberta, and their two children, was picked up in Muskegon by Muskegon police Monday and was brought to Grand Haven late in the day by sheriff's officers. Bond of \$1,000 was not furnished.

Kiwanis Officers Installed at Meet

New officers and board members were installed by the Holland Kiwanis Club at its weekly meeting Monday in the Warm Friend Tavern.

They include: Irvin DeWeerd, president; Lester Walker, first vice president; Harold Tregloan, second vice president; Verne Kuppelan, secretary, and Wilbur Cobb, treasurer.

The board of directors includes the new officers and Andy Dalman, Daniel Vander Werf, William Meengs, Robert G. Hall, John Weller, Ray Roth and James Crozier.

DeWeerd, the new president, has been active in the club for six years. He has been a standards engineer employed by Hart and Cooley for 22 years.

Walker has been a Kiwanian for more than three years and during the last year has served as second vice president. He is employed as safety director at Holland Motor Express Co.

Tregloan, second vice president, has been a club member for three years and is a teacher at Holland Junior High School.

Kuppelan has completed two years of active membership in the club and was sent to the annual convention at San Francisco last summer as a representative of the local club. He is a social studies teacher at Holland High.

Cobb has completed 10 years as a Kiwanis member. He has served every office in the club including the presidency. He also has served on many local fund-raising drives and has headed the polo drive in the south half of the county. He is manager of the H. J. Heinz Co. plant here.

Zuverink, Koop Call Game As Officials Ditch Car

The heavy snow which fell on most of the state Wednesday night indirectly gave a couple of local basketball officials an extra workout and a chance to referee a part of one of the biggest games of the season.

Del Koop and George Zuverink were called upon to get the Hope-Calvin game started shortly after 8 p.m., when the hired officials had not yet arrived. Koop and Zuverink had just finished dressing after calling the junior varsity game and quickly changed back into their striped shirts.

The game had been underway about five minutes when James Prinkaski and Les Hjortas, the regular foul-callers, showed up. Both from Battle Creek, they had been delayed when their car went off the road and slid into a ditch between Battle Creek and Richland near Gull Lake. No one was hurt and there was no damage, although they narrowly missed a passing car when they started to slide.

Charged in Auto Death

GRAND HAVEN (Special) — Prosecuting Attorney James Busard late Wednesday authorized a warrant charging Lawrence Spaulding, 49, Muskegon, with negligent homicide in the death of Mrs. Carrie Willette, 70, Spring Lake, who was fatally injured Jan. 3 in Spring Lake Township.

Spaulding demanded examination for Jan. 23 at 1:30 p.m. A \$250 cash bond was furnished.

North Holland Church To Install New Pastor

A new minister will be installed at ceremonies in North Holland Reformed Church Friday at 7:45 p.m. He is the Rev. J. H. Keuning who comes to this area from Forreston, Ill., where he was pastor of the Forreston Reformed Church. He is a graduate of Central College in Pella, Ia., and Western Theological Seminary in Holland.

The Rev. Gradus Aalberts of South Blendon, president of Zeeland classis, will preside at the installation service. The Rev. Francis Dykstra of Harlem will read scripture and the Rev. Jean Vis, minister emeritus, will give the pastoral prayer.

Delivering the sermon will be the Rev. Harold Englund, pastor of Second Reformed Church of Zeeland. Rev. Aalberts will preside at the installation ceremonies. The Rev. John Den Ouden of Zeeland will give the charge to the minister and the Rev. Herman Maassen, minister emeritus, will give the charge to the congregation.

Music will be provided by a ladies quartet, Miss Ruth Slotman will be at the organ.

Both Rev. and Mrs. Keuning

NAVY ENS. WILLIAM C. BOURKE, son of Mr. and Mrs. Anthony Bourke, 541 State St., made his first solo flight on Nov. 21, according to a news release from the Fleet Home Town News Center, Great Lakes, Ill. He also is receiving training in communications, navigation, engineering, athletics, aerology and civil air regulations at Sauley Field Naval Auxiliary Air Station, Pensacola, Fla.

Curriculum Study Group Meets Here

Representatives of the Curriculum Council of Holland High School met here Wednesday at the Centennial Room of the Warm Friend Tavern with an expert on the subject, Dr. G. Robert Koopman of Lansing, associate superintendent of the Department of Public Instruction.

Dr. Koopman is nationally and internationally known for his work in curriculum research. He set up curriculum procedures for Germany and Pakistan after the last war.

J. J. Riemersma of Holland High School is director of curriculum study. Robert Slocum of the faculty is chairman and Gladys Wiskamp is secretary.

Others attending the meeting included Superintendent Walter Scott, Dale Shearer, Joe Moran, Clifford Marcus, Vern Schipper, Bernice Bishop, Earl Borlace and Mrs. Joan Brieve.

Calvin JVs Win On Big 2nd Half

Hope College's JV basketball team, after holding a 42-33 first half lead, completely fell apart in the second half and lost to the Calvin College JV's 76-60 in the preliminary game Wednesday night in Civic Center.

The Knights picked up the deficit immediately at the start of the second half and kept Hope from a field goal for more than 11 minutes. Hope's first basket of the second half was scored by Daryl Wiersma with 8:52 to play and Lloyd Tinhoft followed up a few seconds later with another two-point.

Don Van't Hof led Hope with 16 points, 14 in the first half and Carl Wissink and Jim Kaat each popped 12. Other Hope scorers included: Wiersma, 5; Kleinhekel, 7; Robbert, 3; Vander Kolk, 3; Hoogendoorn, 2 and Tinhoft, 2.

Rog Hamstra made 14 for the winners and Dave Bos had 13 and Warren Boer, 10. Dave Vander Hill picked up five in the contest. The latter three men are former Holland Christian basketball players.

Leas Edge Rangers

NEW YORK (UP)—The Toronto Maple Leafs defeated the New York Rangers, 4-3 Thursday night in Madison Square Garden. The victory enabled the Maple Leafs to take a two-point lead over the Rangers and was of key importance because Toronto played one more game than New York.

Grand Haven Area Plans Survey to Expand Potential

Inauguration of a program designed to make the Grand Haven area a better place in which to live and work and to provide for a consistent and orderly growth of the area was announced today by the Committee for Economic Development (CED).

J. B. Hutton, Jr., CED president, said the first step of the program will be a study of the Grand Haven, Spring Lake and Ferrysburg communities to determine the area's potentialities.

The study will be directed to finding out what the area can do to capitalize on its assets and to establish a pattern of greater growth and general stability, Hutton said.

The opinions of various segments of the population will be sought, to determine what the public feels can be done to make the area more progressive and assure its continued growth.

Hutton said the firm of Mayer and O'Brien, Inc., public relations counsel, Chicago, had been retained to develop the program. The firm will be assisted by Social Research, Inc., also of Chicago, one of the outstanding social study groups in the nation.

This is the first time in the history of the Grand Haven area that such a survey had been undertaken to seek the opinions and recommendations of the public for improving the entire community, he pointed out.

He said that while the CED had had the idea for the program under consideration for some time, one of the main factors that gave impetus to its being done now was the falling off of the area payrolls by a half-million dollars last year.

Another factor was that the Grand Haven area lost two of its major manufacturing concerns last year.

"In comparing our area to other communities," he said, "it was obvious that Grand Haven has not capitalized on its assets to the degree others have. In comparable communities the rate of population growth, total payroll, and overall facilities have all been increasing while in our area there has been more or less of a decrease. We want to stop this downward trend and start on an upward swing."

He said it was to the advantage of all residents to cooperate in the survey to determine what can be done to improve the community. The survey, which will start in a week or 10 days, and will take about six weeks, will deal in such general areas as these:

1. What can be done to make the Grand Haven area a better place in which to live?
2. What can be done to make it a better place in which to work?
3. How can we attract new industry?
4. How can we improve our vacation and resort attractions to obtain more summertime trade?
5. What cultural improvements can we make?
6. What civic improvements can we make?

The answers to these, and other similar questions, will lead to the formulation of a program of positive action to bring the community more in line with its potential and with other areas having comparable assets. About four or five hundred persons will be interviewed covering a broad cross section of the population, Hutton said.

The survey, which will start in a week or 10 days, and will take about six weeks, will deal in such general areas as these:

Calvin Nips Hope In Final Minute

Knights Force Dutch to Chase Them in 2nd Half

Calvin College's basketball team made Hope come to them Wednesday night at Civic Center and the Dutch came, but not far enough, as the Knights won, 64-61, before 2,300 screaming fans.

In the last six minutes of the first half Calvin jumped out into a six-point lead and Hope chased the Knights from then on in.

The Dutch actually caught up three different times in the waning minutes of the game as the lead changed eight times in the last seven minutes of the MIAA contest between the arch-rivals.

A hook shot with 44 seconds remaining by all - conference center Tom Newhof, Calvin's 62nd point, clinched the game for the defending champions.

Two free throws by guard John Vanden Berg provided an anticlimax and served to wrap up the game that much tighter.

Hope's slow and inaccurate passing gave the Knights several interceptions at key points. And to make it worse, Newhof and Dave Vander Hill, former Holland Christian star, clamped the lid on the shorter Hope guards as they attempted to drive in.

Dave Woodcock, portly Hope sub, for a while looked as though he might pull the game out as he kept the Dutch in the thick of it with seven out of nine free tosses as he drew five different fouls from the close-guarding Knights.

Calvin's Vander Hill, who also played in the JV game, was the Knights' spark in the first 10 minutes of play with four baskets and one of them gave Calvin a 19-17 lead midway in the first half.

Warren Vander Hill, the game's high-point man with 18, notched two quick baskets a couple of minutes later to give Hope a 25-21 margin. Then 10 straight points by Calvin put the winners ahead with 2:49 to go. The margin was increased to 35-28 at halftime.

The Knights kept between five and eight points ahead for the first 10 minutes of the second half. At about the 12-minute mark, Calvin began somewhat of a stall, controlling the ball and waiting for one of the big men (Newhof, Vander Hill or Don Koopman) to break across the pivot area or under the basket.

Trailing 50-45 at the 10 minute mark, Hope tied the score at 52-52 and then went ahead by a point on two Woodcock free throws with seven minutes to go. This was followed by the see-saw scoring in the time remaining.

Paul Benes, Hope's 6'10" center, and the 6'9" Newhof "carried on the expected duel. The ex-Grand Rapids Christian teammates were on each other throughout and while Benes took the honors in the man-to-man competition, getting the jumps and blocking several shots, Newhof came through with baskets as crucial moments and was more valuable to his team. Benes had a dozen points and Newhof had 14. Each man had six baskets.

Dwayne Teusink picked up his highest point total of the season with 11, while Ed Start of Calvin joined Vander Hill with 12.

Calvin had 25 baskets, one more than Hope in nine less shots to take percentage honors from the floor. The Knights shot 68 times for 37 percent while the Dutch converted 77 shots into 24 field goals for 21 percent.

Hope hit 13 out of 23 free shots and Calvin had 14 out of 25. The win pushed Calvin back up to 500 with a 3-3 record while Hope now has a 2-3 mark. The Knights have a 4-5 overall record and Hope has 6-4.

Reports of the Christmas Bazaar held last month, proceeds of which will go toward a slide projector for the school's use, were presented at a regular meeting of the Lakeview Mothers' Club Tuesday evening. Mrs. Betty Kempker, president, presided at the meeting.

Suggestions and discussions of future meetings were presented by the group after which games were played with white elephants as prizes.

Mrs. Florence De Graaf and Mrs. Grace Williams, co-hostesses, were assisted by Mrs. Vivian Cook and Mrs. June Jordan.

Money Taken in Break-In at Robinson Church

GRAND HAVEN (Special) — Another break-in in a series of several in the northern part of the county during the weekend was reported to state police Tuesday.

Latest break-in occurred at the Lutheran Church on 120th Ave. in Robinson township where \$12 to \$15 in change was taken from a coffee can in the basement. Carl Lutz made the discovery. The church had been entered between Sunday noon and Monday morning.

Three break-ins previously were reported in Nunica during the weekend. It was learned today that about \$7.50 was taken from the post office which was entered through a rear window. Attempts to open the safe proved unsuccessful.

At Brown Elevator, about 50 cents in pennies was taken. The safe was found outside the rear door but it had not been opened. No report was available about loss at Brown Hardware.

Detective William Chandler of the Grand Haven state police post is investigating.

Sen. Geerlings Appointed Head of Tax Committee

LANSING — State Sen. Frank D. Beadle (R-St. Clair), newly elected Republican caucus chairman in the Senate, Wednesday told the formation of new committees in the upper chamber.

Ottawa County Farm News

Richard Machiele County Agricultural Agent

Enrollment time in the annual Farm-to-Produce contest is here again. Entry blanks are available at the extension office or at the office of John Chisholm at the Muskegon Chronicle. This past year winners in the Ottawa County contest were: first place — Spring Lake PTA; second place — Ferrysburg PTA; third place — Olive Center Mothers Club. We feel enrollment in this contest is a worth-while project for all organized groups in the county because it points the way to community service. The 14 groups enrolled in the county this past year all performed service in their community with excellent results. We hope we can have an enrollment of 20 or more groups this next year. We would be willing to help a group get started with suggestions as to what they might be able to do in the line of activities and also some suggestions as to how the report may be prepared. Let's hear from all community groups.

We are sure that many Ottawa County farmers will be attending the Annual Farmers Week at Michigan State University from Jan. 28 to Feb. 1. The program this year is based on the theme "Blueprint for Tomorrow's Agriculture" and there will be activities in all fields of agriculture that will be of interest to the farmer. Programs are available at our office in Grand Haven. Write for your copy.

Two of our farmers will be exhibiting steers in the steer show at Farmers Week on Tuesday, Jan. 29. Mrs. Clarice Timmerman of Nunica and the Langeland farm of Lamont. Both of these steers will be weighed within the next week or two to see whether they made the desired rate of gain for this show. Both of these folks have done an excellent job in their feeding program this year.

Ed Van Dam of Hudsonville has had excellent results in feeding oats in the silo. He reports that he had excellent results in feeding this silage to his feeder cattle. In a study made by C. R. Hoglund, farm economist at Michigan State University he reports it can increase the feed producing capacity of a farm by as much as 8 to 10 percent. Oats harvested for silage yields twice as many feed nutrients per acre as when it is harvested for grain. This change in harvesting could mean an increase of as much as 4 dairy cows and \$900 in net income on a 180-acre farm. It would be well to consider these possibilities in planting your 1957 program.

Received an interesting leaflet this past week from the U. S. Department of Agriculture regarding the prices of milk. Here are some of the facts: Farmers in 1955 got only 40 cents out of every dollar spent by the consumers for milk compared to 55 cents in 1947. This was almost entirely due to increase in marketing costs which is why the consumer pays more. A breakdown on the cost of a quart of milk is as follows: the farmer gets 10 to 12 cents, the marketing system gets 12.3 cents. The marketing system is broken down into the following categories: assembling milk 1.1 cents, processing 4.0 cents, home delivery 5.2 cents, other expenses .9 cents profits, 1.1 cents.

Received a leaflet this past week on "Become a Teacher of Agriculture" in this leaflet it gives the opportunities for service, personal satisfaction and qualifications for effective work. I am sure there are many boys in this county who would meet these qualifications for such a position. Will be glad to forward this folder to you if you are interested in this particular field of work. It seems the opportunities are many in this field. Probably the greatest requirement for such a position is that the teacher have a farm background and be interested in youth.

Want to make it easier to produce clean, high quality milk in your dairy barn this winter? Then clip the flanks and udders of all your milk cows.

Here are five steps to follow in clipping a dairy cow:

1. Clip the tail, and bob the switch so that it clears the ground at least four inches. Clip the tail head and areas around the switch of the tail.

2. Clip the entire surface of the udder.

3. Clip the belly and hocks. Then make a mark line from the navel to the thurl on both sides. Hold the clippers on edge with the bottom blade toward the cow's head to make this mark.

4. Clip the flanks and thighs by running the clippers up from the hock to the mark line.

5. Clip up the backbone to help control lice.

Cows clipped in January will only need to be clipped once again during the winter.

Circuit Court Grants Three Divorce Decrees

GRAND HAVEN (Special) — Three divorces were granted in Circuit Court Monday.

Betty Diendorf of Coopersville received a decree from Robert Diendorf of Spring Lake. Custody of the two minor children was awarded to the mother.

Edith P. Newman, route 2, Spring Lake, received a divorce from Meredith Newman of Muskegon. There are no children.

Margaret Dubrovin received a decree from Paul Dubrovin, both of Grand Haven. There are no children.

Officers Named By Legion Band

Carl J. Carlson was re-elected president of the Holland American Legion Band at the annual dinner and business meeting Tuesday night at Dutch Mill Restaurant. Martin Langius was named first vice president; Victor Kleinhessel, second vice president; Raymond Knooihuizen, secretary and treasurer; Bert Jacobs, librarian, and Don Cramer, assistant librarian. Forty members were present.

Attendance awards were presented to band members. Bert Jacobs, Clarence Kieft, Raymond Knooihuizen and Lyle Vander Meulen received gold lyres for perfect attendance in 1956; Don Cramer, William Kleinhessel and Leslie Wolman received silver lyres for one absence; K. Hoogerhyde, Carl Carlson, H. Boudreau, A. C. Hills and Roger Zoet bronze lyres for two absences.

President Carlson addressed the group and brief talks were given by Conductor Arthur Hills and Assistant Conductor Ray Roth.

Roll call, communications and annual reports were read by the secretary, Raymond Knooihuizen. Rehearsals for 1957 will begin at 8 p.m. Tuesday. Anyone desiring to try out for the band is welcome. It was noted that both Knooihuizen and Jacobs have served the band for 37 years and Langius for 35 years.

Gifts were presented, and favors for the guests were drawn from a decorated box. A picture was taken of the group.

Refreshments included cake, ice cream, hot chocolate and mint cups.

Those attending included Sandra Lynn Holmes, Tony Brown, Linda Noyd, Cathy Hinga, Rusten and Monica Eckstrom. Several could not attend. Also at the party was Connie's brother, Harlan Wade Lovitt.

Plans Formulated For Alumni Choir

At a meeting held in Junior High School Monday evening, plans for the Holland High School Alumni A Capella Choir were discussed.

About 25 alumni from the classes of 1951 through 1956 were present. Trudie Van Lente and Barbara Bosman are in charge of arrangements. All alumni of A Capella Choir are invited to attend the meetings which will be held every Monday at 8 p.m. Next week's meeting will be held in room 8 of Junior High School.

Willard S. Fast is director of the group.

Two Cars Damaged

A two-car accident on East Main St. near Sanford Ave., near Zeeland Wednesday afternoon resulted in \$300 damage to cars driven by LaVern Van Kley, 39 route 2, Zeeland, and William Meuwissen, 67, route 2, Zeeland. Ottawa County deputies said neither driver was injured.

Maroons Build Up Big Lead to Hand Chix Second Loss

Holland Christian's Maroons staged a polished performance on the Civic Center court Tuesday night to down the Zeeland cagers, 52-37 before more than 2,400 fans. It was the largest basketball crowd of the season on the local court and marked the second straight game that the Dutch have played before near capacity crowds.

The win was the second of the season for the Dutch over the Chix, with both of Zeeland's losses this season coming at the hands of the Maroons. The Dutch now have a 5-4 mark, while Coach Paul Van Dort's club is 5-2.

Christian put on a terrific ball handling and shooting display in the first quarter to jump out to a big 17-3 lead at the first quarter. Zeeland never did recover from this, although they did manage to come within seven points momentarily in the third period. It wasn't all offense for the Dutch in the period however. A tight defense kept the Chix from getting good shots close in. Zeeland tallied its first point in the game at the 2:42 mark of the period, by which time the Dutch had piled up 11.

Once again team depth paid off for Coach Art Tuls and his outfit. The Dutch mentor rotated nine men throughout the tilt, with several of the subs playing more than the starters. Ned Joldersma, Ron Weener and Jim Meurer, all in reserve roles, turned in fine games.

Zeeland, which has had considerable difficulty in hitting on the Civic court had another bad night from the floor. The Chix took 65 shots and managed to hit 13 for a poor 20 per cent average. Despite the point spread, the Dutch weren't faring much better from the field. They managed to get off 77 shots, hitting 19 for an average slightly under 25 per cent.

Another big factor in the Dutch victory was their ability to completely snuff out any Zeeland fast break scoring. The Chix didn't get a single goal off the fast break, which has stood them in good stead in their wins so far this year. Some of the unsung heroes on both squads were the boys who did the rebounding. This includes Ed Boeve, Norm Rigerink and Ron Beyer for the Chix, along with Jim Kool, Cal Klaasen, Dave Klaver and Joldersma for the Dutch.

After the Dutch had moved out to an 11-0 margin on straight set basketball, Boeve hit from under for the Chix, their first marker. Dave Klaver was the big gun for the Maroons in that first quarter with 10 points, while Klaasen had five.

Tuls began to shuffle his lineup early in the second quarter, while the Chix began to gain some confidence. The Hollanders moved out in front 24-7, their biggest lead of the first half. Clever Max De Jonge, of Zeeland, began to find the range with his jump shot to pull the count to 26-12 at halftime.

Zeeland meant business to open the third quarter and started to hit from outcourt off a screen. De Jonge and Ron Beyer led the attack to close the gap to 31-24 with 2½ minutes left. Christian met the challenge, however, to once again spurt and lead 37-26 going into the final quarter.

Christian, paced by Joldersma, continued to pierce the Zeeland zone defense in the fourth quarter to pull out to an insurmountable 48-31 margin. Both coaches cleared their benches to finish the contest. Christian's biggest lead was 51-33 before Zeeland reserves hit on two from outcourt to narrow the count.

At the foul lane, the Dutch connected on 14 out of 29, while the losers hit on 11 out of 18. Klaver led the Dutch with 14 followed by Klaasen with 13. De Jonge led the Chix with 10, followed by Rigerink, who turned in a fine game, with eight.

Christian now rests until Jan. 18 when they entertain Dowagiac in the annual homecoming tilt. Zeeland plays Coopersville Friday night in a Kenewa league game at the Holland Armory.

Three Break-Ins

GRAND HAVEN (Special) — State police are investigating three reported break-ins which occurred at Nunica during the night. The Post Office, Brown's Elevator and Brown's Hardware were broken into. Postmaster Beryl Ernst discovered the post office job and Sam Brown the other two. No report was available on what may have been taken.

McCarthy-Bouwman Vows Spoken

Mr. and Mrs. Thomas Leslie McCarthy

Miss Donna Faye Bouwman, daughter of Mr. and Mrs. Henry Bouwman, 55 East 26th St., became the bride of Thomas Leslie McCarthy on Dec. 21 in a double ring ceremony performed in Trinity Church Lounge by the Rev. John M. Hains. The groom is the son of Mr. and Mrs. Leslie T. McCarthy, 481 College Ave.

The bride's oldest sister, Mrs. June Doorneweerd, attended as matron of honor and Jack E. Bultman served as best man. Ushers were James E. Doorneweerd, brother-in-law of the bride, and Franklin Mc Carthy, the groom's brother.

A traditional gown of skinner satin was worn by the bride. Style features were the long tapered sleeves with inserts of chantilly lace at the wrists, an Elizabethan collar and a full sweeping train. She wore a head band of seed pearls and matching lace and carried a white Bible, gold edged baby orchids, lily of the valley and streamers.

Her attendant wore a floor length gown of gold velvet, a crystal jacket and velvet headpiece. Her colonial bouquet included bronze and gold mums.

Vows were spoken before a setting of bronze and gold mums and

A daughter was born to Mr. and Mrs. Alvin Huizenga on Wednesday morning Jan. 2.

Mrs. Jessie Garvelink is in Zeeland Hospital preparing for major surgery to be performed soon. Nursery attendants next Sunday will be Marion De Boer and Mrs. F. Westveld.

No Quorum in Douglas

DOUGLAS (Special) — For the first time in more than 14 years, the regular meeting of the Douglas board of trustees had to be postponed Monday night because a quorum was not present. Trustees present were Sam Mancuso, Robert Wicks and Douglas Bryan. Three others and the president L. E. Quade, were not there. Clerk Howard Schultz set next Monday as the date for the January meeting.

21 Schools Will Be Represented At Annual College Night at HHS

The annual College Night is being planned at Holland High School for Thursday, Jan. 31. All juniors, seniors and parents of the seniors are invited to College Night which will be held in the high school gym.

College Night is designed not only for those boys and girls who are going to college but also for students who are planning on a business or industrial school. Students are given an opportunity to list three choices of schools to be represented. These choices were tabulated and the top 21 were invited.

Representatives from colleges, universities, business, nursing and technical schools will speak informally with students and parents to acquaint them with their school. Faculty Advisors of the College Night Board are Miss Gladys Wiskamp, Miss Linnea Nelson, and Dale Shearer. Student members are Judy Wilbur, Sidney Tiesinga, Tom Blackburn, and Sandy Kroze. Jo Lee Huribut is chairman of the board. Members of the FFA have been asked to serve coffee. The following schools will be re-

Area Annexation Discussed at Meet

Members of the Holland Exchange Club were brought up to date on the work done toward the consolidation of the Holland area at their Monday luncheon. A panel of men who are working on the problem explained what had been done thus far and what they hope could be accomplished soon.

Vernon Ten Cate acted as moderator. He called on Clarence Jalving to speak for non-residents of the area. Jalving called attention to the fact that the population is now living largely in city rather than rural environment. These areas immediately adjacent to the city limits have need for city services such as water supply, sewer system, fire and police protection and zoning laws.

Supt. of Schools Walter Scott gave figures to show how expanded educational facilities are needed. The secondary school enrollment already has twice the number of pupils for which the present buildings were constructed and by 1956 the enrollment will be almost three times that number. Scott said it is the thinking of the people of Holland that children of surrounding areas be given facilities as heretofore, if these areas pay their fair share toward the building and maintenance of such facilities.

Mayor Robert Visscher explained the work of the committee now being formed to work out annexation problems. This committee will be equally divided between city and rural areas. He declared that while annexation will cost money the outlying areas will have to spend more if they are not annexed.

City Manager Herb Holt talked on the study made of other areas where similar problems are being solved. The city of Midland has just annexed considerable territory immediately adjacent. With-out annexation, costs are compounded when each separate area has to build and maintain necessary facilities separately, he said.

Vice President Melvin Van Tatenhove announced the date of the annual Ladies Night meeting to be Jan. 28 in Zion Lutheran Church parlors. Dr. Ansbach, president of Central Michigan Teachers College, will be the speaker.

Calvin Alumni Chapter Plans Annual Banquet

Holland - Zeeland chapter of the Calvin College Alumni Association will hold its annual banquet Thursday evening in Maple Avenue Christian Reformed Church. Dinner will be served at 6:30 p.m. followed by a program.

Toastmaster for the event will be the Rev. John C. Rickers of Noordeloos. Mrs. Gerald Van Wyck will present a book review. Devotions and opening remarks will be made by John De Vries and community singing will be under the direction of Marvin Baas. Selections will be sung by the Melodians, composed of Alfred Hietbrink, George Knoll, Vernon Roberts and Kenneth Vander Zwag.

The Rev. Peter Dahm will conduct the closing devotions.

John De Vries is president of the local chapter; Alfred Hietbrink, secretary; Marvin Baas, treasurer, and Miss Dorothy De Vries, assistant secretary - treasurer. Decorating committee members for the banquet are Miss Jacoba Bos, chairman, Mrs. Jack Arens, Mrs. Peter Beckman, Miss Suzanne Jacobusse, Mrs. Floyd Kaper, Miss Hattie Resenbrink, Miss Sylvia Stielstra and Mrs. Edward Vander Velde.

Two Break-Ins

GRAND HAVEN (Special) — Two break-ins in the northern part of the county during the weekend were reported to sheriff's headquarters Monday. On Sunday morning a strong box containing \$42 was taken from the church parish house at Marne. The box contained two \$20 bills and \$2 in change. The other break-in occurred at a tavern known as the Embassy on M-40 in Robinson township. It was not known immediately whether anything was taken.

Engaged

Miss Marsha Lou Borr

Mr. and Mrs. Richard B. Borr of 122 East 20th St., announce the engagement of their daughter, Marsha Lou, to Paul E. Northuis, son of Mr. and Mrs. Elmer Northuis, 112 East 19th St. Both are graduates of Holland High School. Miss Borr is employed at the Michigan Bell Telephone Co. Mr. Northuis is a student at Hope College where he is affiliated with Phi Kappa Alpha fraternity.

Hope's Warren VanderHill Follows Dad's Cage Path

What was gravy for pop over 19 games is just about the same for son over a five-game span.

Pop is the Rev. Laverne Vander Hill, regular forward for Hope College in the late 20's and in his best season he racked up 116 points. Meanwhile his son, Warren, has hit 117 in the last five games.

That pretty much tells the story of basketball and its changes from center-jump after every basket and control play to the present faster games and high scoring.

The elder Vander Hill was a member of Coach Jack Schouten's Hope teams in 1927-28-29, and captured the 116-point total as a junior. A bone infection in his leg prevented him from playing much in his senior year.

Besides being a fine basketball player, Schouten said Vander Hill was an "excellent baseball outfielder." Some of his basketball teammates included: Al Vanderbush, Al "Boo" Cook, Carl Van Lente, Clarence Becker and Lee Kleis all of Holland; Paul Nettinga of Chicago, Bernard De Pree of Seattle, Washington and Harold Japinga of Grandville.

Warren, 19, graduated from St. Paul's High School in Garden City, N. Y., and while a prepster hung up some impressive basketball marks. He resides in Queens Village, Long Island, N. Y.

The 6'1" guard set a school scoring record of 425 points in his senior year and averaged 31 points a game getting most of his baskets on the two-hand set shot and jump shot, already well-known to Hope fans.

Vander Hill received an all-city selection, was named most valuable player and was awarded a basketball scholarship to the University of Maryland. He didn't like the southern school and transferred to Hope last February.

Another Vander Hill, Jim, Warren's younger brother has been burning up one of the Long Island leagues this season and Warren has high praises for his brother's ability.

While Warren was home on Christmas vacation, brother Jim swished 26 points.

The apartment consists of a living room, dining room, kitchen, bedroom and a tiny utility room. The refugees will probably use the living room for a bedroom and the dining room for their living room.

Although information on the family is incomplete, De Bruyn said the father is supposed to be an automobile mechanic and the mother also has some kind of trade.

Initial arrangements for bringing the family to Zeeland were made through a local minister, who contacted a Reformed church minister at Camp Kilmer.

The family fled Hungary in November after the revolution against Communist rule. They are reported to have lived in a city, although just where has not been learned.

Furniture for the apartment has largely come from Zeeland residents who have supplied a refrigerator, rugs, a davenport, draperies, a bed, some kitchen utensils and draperies. The De Bruyns will purchase whatever else the family needs to begin their life in the United States.

Ottawa County 4-H News

Leader training meetings will be held this month to answer questions, discuss finishing articles, and to lay plans for achievement days. The meetings will be held in the districts as follows: Holland area, Thursday, Jan. 17, 8 p.m. at Waverly School; Coopersville area, Monday, Jan. 21, 8 p.m. at Coopersville High School; Hudsonville area, Tuesday, Jan. 22, 8 p.m. at Hudsonville High School. We are hoping that all leaders will plan to attend so we may relay this information to them.

Mrs. Russell Lowing of Conklin and Neil Zuidema of Holland, Ottawa County 4-H Council representatives to the district council, are attending a meeting today at Bostwick Lake. Discussion concerns district and state events.

Farmer's Week is scheduled Jan. 28 through Feb. 1. 4-H members who have been in poultry production may exhibit one dozen eggs for premiums. Judging will be done on uniformity, size, and color. White eggs should be exhibited in class 11, brown in class 12. They should be sent to L. E. Dawson, 210 C. Anthony Hall, Michigan State University, East Lansing, Mich. Included with the exhibit should be the member's name, address, county, class, and variety.

Members who wish to exhibit crops should plan to exhibit corn in class 4 which consists of 10 ears or class 5 which consists of 1 peck of shelled corn. Small grains are exhibited in class 9. Judging will be on uniformity, size, shape, color, and true type. The exhibits should be sent to D. L. Clanaum, 317 Agricultural Hall, Michigan State University, East Lansing, Mich. Included with the exhibit should be the member's name, address, county, class, and variety. We are hoping that many members will take advantage of this opportunity to exhibit their projects.

The Chicken-of-Tomorrow contest is again being sponsored by the poultry department of Michigan State University this year. For Western Michigan, the contest will start on Feb. 11 and run for a 10-week period. Judging day will be April 27. Members who are interested should send for information to the extension office, Courthouse, Grand Haven by Jan. 15. It is necessary that we know the number enrolled as we must let the people at MSU know.

The new year of 1957 has arrived and we are looking forward to much 4-H activity in Ottawa County. We wish to take this opportunity to express to all 4-H leaders, members, and parents, a sincere "thank you" for the success we enjoyed in 1956. We in extension hope that 1957 will be as profitable and encouraging in our youth program.

Hospital Drive Over \$196,000

A total of \$196,414.79 has been pledged to date in the "second mile" drive for the new addition to Holland Hospital, the campaign executive committee announced Tuesday. This is some \$14,000 more than was announced at the close of the campaign last Dec. 21. The original goal had been \$150,000.

The committee also announced the names of volunteer workers on the public drive who were responsible for obtaining pledges totaling \$300 or more.

These workers were Mrs. A. W. Tahaney, Mrs. John Geerlings, Sam Bosch, Don Van Huis, J. R. Collins, R. E. Sessions, M. Wilhelmine Haberland, Shirley Ind, Mrs. Al Kleis, Jr., Mrs. Bernard Donnelly, James Strikwerda, E. N. Lindgren, William Lalley, Ben Bowmaster, Chandler Oakes, Jo Peerbolte, Shirley Nivison, Ella Boer.

James LeJeune, Mrs. G. K. Zagers, Corinne Pool, Esther Barenman, Rosemary Callan, Mrs. R. Schaftenaar, Marvin Jalving, Melvin Sharda, George Steininger, Bernard Donnelly, Chester Pierma, Mrs. W. Wichers, Mrs. Clarence Jalving, Mrs. Vernon Ten Cate, Henry Vanden Berg, L. J. Klaasen, Jr., Harvey Buter and William A. Hinkle.

Little Maroons Win 7th Contest

Holland Christian's reserve squad maintained the upper hand all the way to defeat the Zeeland Little Chix, 48-40 on the Civic Center Court Tuesday night. The win was Christian's seventh in nine starts.

Zeeland, with the aid of some alert defensive and rebounding play, stayed in the contest all through the first half, tying the count on several occasions. Christian led 11-8 at the end of the first quarter and moved out to a 23-18 margin at halftime.

Christian's Little Maroons began to find themselves in the third period to gradually pull away from the Chix. At the end of the third period the Dutch led 39-29. The Hollanders opened up a 48-31 bulge on the Chix before some more reserves went in to finish the tilt.

Jim Hulst led the Christian scoring with 17 points, followed by Vern Wedeven with 15, Arlyn Lanting with eight, Jack Bouman with five, Ron Windemuller with two and Paul Rillema with one. Feenstra led Zeeland with 14, followed by Schout with seven.

New Officers Installed By Rose Park Women

Installation of officers highlighted the meeting of the Sunshine Circle of Rose Park Reformed Church held Tuesday evening in the Beechwood Reformed Church society room.

Mrs. Gerrit De Ruiter was installed as president in the candlelight service; Mrs. Lloyd Riemersma, vice president; Mrs. William Tummel, secretary; Mrs. Al Riemersma, treasurer; Mrs. Henry Jacobs, assistant secretary and treasurer. Installing the officers was Mrs. Wesley Kiel.

Piano prelude was played by Mrs. Peter Van Kampen. Mrs. De Ruiter led group singing and Mrs. Clarence Simonsen was in charge of devotions.

Spiritual life thought was presented by Mrs. Peter Van Kampen and special music was given by Mrs. Alvin Boeve. Following the business meeting, Mrs. Peter Vanden Oever closed with prayer.

Refreshments were served to 30 members by the Mesdames Richard Bell, Fidel Bell, Russell Newhouse and Evelyn Streur.

Former Resident Dies

Mrs. V. R. Hungerford, 78, former resident, died Tuesday at her home in Coldwater. Surviving are the husband and son, Harlan, of Kent, Ohio and two grandchildren. Funeral services are scheduled for Friday in Coldwater. Mr. Hungerford was in charge of the Abstract office here and was an officer at the former Bush and Lane Piano Co.

New Tiger Manager Jack Tighe Will Join Zuverink at Local Function

Jack Tighe, manager of the Detroit Tigers, will make his initial Holland appearance in his new capacity, Thursday night at the monthly meeting of the Holy Name Society of St. Francis Sales Church.

Tighe and George Zuverink of Holland, veteran rightlander for the Baltimore Orioles, will be special guests at the meeting at 8 p.m. in St. Francis school.

Holy Name members and their sons will hurl questions at the baseball figures. Plans for the 1957 Tigers probably will be the most popular query.

The new Tiger manager is a Spring Lake resident and was named to the post following the World Series last October. Since that time he has made numerous appearances and speeches.

Recently Tighe has been tagged the "Birdie Tebbetts of the American League." Both were at one time catchers. Both can hit and talk baseball all day or night and both are students of the game and good story tellers.

Zuverink, who began this week to limber up in the Holland Armory, has been a busy insurance

THE RIGHT TO KNOW —

WHERE?

This community has come into contact with the doctrine of the "right to know" because one of its former citizens has entered Red China in defiance of the travel regulations of the state department that issued his passport. There is no reason to suppose that Phillip Harrington and his two associates took this step with any improper motives. There is in fact every reason to suppose that they did so with honorable intentions, perhaps even believing that they were serving the best interests of their country.

Very many newsmen, including the nation's most important editors and reporters, have repeatedly expressed their belief that the government is wrong in limiting travel in Red China. They declare, some of them passionately, that the state department has no legal right to take this line. They hold that the famous "right to know" extends to American reporters having the right to learn what is going on in other countries.

But looking at the question from the angle of the government, the issue takes on another face. In issuing a passport the government promises to protect the safety of the travelers. By implication and tradition at least, if no actual words, it promises that the full power of the government will be brought to bear if such a traveler is abused or deprived of his rights as an American citizen while he travels.

The government long since came to the conclusion that it could not make such promises to Americans traveling in Red China; hence it refused to issue a visa for traveling in that country. This is not unusual; during World War II no one would have expected the government to give him the right to travel in, say, Germany or Japan.

Those who enter Red China in defiance of passport restrictions doubtless believe honestly and even patriotically that they are entitled to use their own judgment in the matter, and very many influential American publicists agree with them. But suppose they should be imprisoned by Red China or even given the harsher treatment of being tortured, would not they and the American publicists expect the government to protect them? And suppose that protection should mean sending our soldiers to implement that protection. Could the government ask American boys to die for the travelers who had not been commissioned to travel in Red China?

The right to know is a sacred right, but that right does not extend to foreign sovereignty at the present. There are no doubt many different opinions.

CONGRESS AND HUNGARY

The coming congressional vote on admitting Hungarian refugees is as sure a thing as any congressional vote has ever been. When the vote is taken in the new congress the refugees will already be here, thousands of them. The administration knows that no American congress could refuse to legalize that mammoth immigration and expect to stay in power after the next election.

The admission of Hungarian refugees is perhaps the most completely major non-partisan issue that has faced the lawmakers in Washington in many years. About the only objection that can be expected from either Democrats or Republicans in congress will be that the administration didn't throw the doors of America wide to the refugees than it did.

The administration began rather modestly with 5,500. When that figure was fixed upon it was not known of course how many Hungarians would desert home and kindred to free themselves from intolerable oppression. Since that first figure the total of refugees has nearly tripled, and there is yet no sign of an end.

Washington soon realized that the admission of only 5,500 was ridiculously inadequate, and so the figure was upped to more than 20,000. But the number of refugees increased faster than Washington could raise its sights. By this time the American people had decided for themselves that the government would have to do more. And when Vice President Nixon made his visit to the

Hungarian frontier he could hardly help knowing that the American people would be back of almost any recommendation he might make, that the only danger was that he would not aim high enough.

What the final figure will be that congress decides upon only the future will show. But it is certain that it will be so much larger than the original figure, that there will be only a vague connection between the two.

This will be one question over which it will be impossible to raise a partisan quarrel. The refugee issue represents the clearest instance of the power of public opinion that has been witnessed in American public life for a long time.

We wonder just how our immigration quotas will work out?

Hamilton

Local college students resumed their studies this week, after the holiday recess. Judy Nykamp and Blanche Edwig at Western Michigan College in Kalamazoo, Terry Kaper at Ferris Institute in Big Rapids, Bruce and Phyllis Brink and Jerome Wassink at Hope College and John Billet at Michigan State University. Mr. and Mrs. Ronald Kaper and children, Pamela and Thomas Mark, have returned to Houghton in Upper Michigan, where Mr. Kaper will continue his studies at Houghton College.

The Women's Missionary Society of the Reformed church met at the church last Thursday afternoon with Mrs. N. Van Heukelom presiding. Assisting her in devotions was Mrs. James Lohman, and helping with program arrangements were Mrs. James Busscher, Mrs. Louis Pohl, Mrs. James Koops and Mrs. Bert Tien. Guest speaker was Mr. Brower, student at Western Theological Seminary, who told of his work at the Migrant Center near South Haven during the summer months, illustrating with colored slides. Mrs. J. Veldhuis gave a "Stewardship" thought. Social hostesses were Mrs. George Brower, Mrs. Henry Brower, Mrs. Henry Wedeven and Mrs. William Ten Brink.

Norlan Kaper, Ellen Jane Lugten and David Pohl were at Holland Hospital recently for minor surgery and Mrs. Lester Sale was there for observation. A group of about 30 Hamilton "Brownies" with their leaders, Mrs. Kenneth Lohman, Mrs. B. R. Martin, Mrs. Donna Northrup, Mrs. Elmer Boutain, Mrs. Don Stehmer and Mrs. Leonard Kreuger visited a television program in Grand Rapids last Saturday. Assisting with transportation as a driver for the group was Leonard Kreuger.

The Rev. H. J. Brink of Holland 16th Street Christian Reformed church and the Rev. J. Beebe of Nieuwerkerk church were recent guest ministers in the local Christian Reformed church while the pastor, the Rev. Paul Veenstra, filled preaching appointments at the Holland Heights and Nordeloos churches.

A number of local relatives and friends attended the wedding of Theodore Essink and Ann Wabeke at the First Christian Reformed Chapel in Zeeland where the rites were performed by the Rev. A. Rozendal. After a short wedding trip the newlyweds are living in their new home on route 1, Hamilton.

The Woman's Study club was to resume activities this week Tuesday evening, meeting in the home of Mrs. Henry Funkes, after a brief holiday recess. Mr. and Mrs. Joe Hageleikamp received word Sunday of the death of the latter's brother, Fred Mason, 88, who died at the Reed City Hospital. Mr. Mason and the late Mrs. Mason were Hamilton residents for about 13 years and later lived in Allegan for several years. Funeral arrangements had not been completed, but it is expected burial will take place in Allegan cemetery.

At the Sunday evening service of the Hamilton Reformed Church, the Rev. N. Van Heukelom opened the observance of the Week of Prayer by using as his sermon topic, "We Beheld His Glory" which is the theme of the annual Week of Prayer to be held this week for four evenings at the Hamilton, Bentheim, Overisel and Dunningville churches with the four pastors, Rev. Van Heukelom, the Rev. C. Denekas, the Rev. C. Greving and the Rev. E. Veining alternating as speakers at the various churches. The local church's Christian Endeavor service of the Senior High group featured a question box last Sunday with Mr. and Mrs. Glenn Brower and Rev. Van Heukelom in charge. The Young People's C.E. service was conducted by Carol Lugten as song leader, Marilyn Bultman as devotional leader and Jerome Wassink in charge of the discussion period.

Mr. and Mrs. Donald Huist of Holland were visitors in the home of the latter's parents, Mr. and Mrs. Edward Lampen and Nancy. Mrs. J. H. Johnson Dies in Blodgett Hospital

Mrs. Julia E. Johnson of 658 Cambridge, SE, East Grand Rapids and summer resident of Holland at 1755 South Shore Dr. died Sunday afternoon in Blodgett Hospital after a long illness. She was 84. She was active in social circles in Grand Rapids.

Mrs. Johnson was the widow of J. Hjalmar Johnson, who with his brother Carl and the late Axel Johnson founded the Johnson Furniture Co. in 1903. Surviving are the granddaughter, Mrs. Emily Broderick and great granddaughter, Janet, who made their home with Mrs. Johnson; a sister, Mrs. Charles T. Johnson and several nieces and nephews.

Jesus Baptized and Tempted
Matthew 3:16-17
by C. F. Dame

(Based on copyrighted outlines produced by the Division of Christian Education, National Council of the Churches of Christ in the U. S. A. and used by permission.) The two events recorded in our lesson, the baptism and the temptation of Jesus, will be better understood by us all if we remember that they were meant to prepare Jesus for his ministry. He came here to seek and to save lost sinners.

I. Jesus was baptized with sinners. The preaching of John the Baptist attracted much attention from all kinds of people in Palestine. The religious leaders of Judaism were formalistic, ritualistic and lifeless. John in his preaching stressed repentance and a turning away from sin. People went to the Jordan river and listened to John and repented and were baptized. Jesus left his home in Nazareth and went to John the Baptist and asked for baptism. John only baptized those who confessed their sins—but Jesus had none to confess and therefore he refused to baptize Jesus. However, Jesus insisted, saying, "Suffer it to be so now; for thus it becometh us to fulfill all righteousness." John baptized Jesus who thus identified himself with all sinners. Here Jesus began his atoning ministry which he finished on the cross.

Two important events followed the baptism of Jesus. The Spirit of God came upon him and God spoke and approved him as his Son. God's Spirit descended upon Jesus "like a dove" and a voice from heaven said, "This is my beloved Son, in whom I am well pleased." Here Jesus was dedicated to his ministry of reconciliation. The three synoptic gospels, Matthew, Mark and Luke tell the story of this event.

II. Jesus was tempted. Right after hearing the voice of God, Jesus was led into the wilderness where he heard the voice of Satan. There are two voices that constantly speak to us. All people are tempted, the bad and the good. People are tempted in all kinds of places. Adam was tempted in a garden, Jesus in the wilderness. We cannot escape from all temptations. Some temptations come suddenly, they swoop down upon us, while others come quietly. A temptation is an inducement to do evil. Jesus the Holy One, was tempted.

The gospels record three temptations. The Devil asked Jesus who was hungry to turn stones into bread and thus show that he was the Son of God. Jesus refused saying that man does not live by bread alone. This was an appeal to his physical nature. It was a temptation to enjoy. We too are tempted to enjoy.

The second temptation was an appeal to the spiritual nature of Jesus. The Devil asked Jesus to cast himself down from the pinnacle of the temple and thus show that he was the Son of God, and reveal his trust in God. This was not a wise trust and hence Jesus refused to do this rash deed. This was the temptation to do—a common temptation in our time.

The third temptation was the suggestion that Jesus fall down and worship him—if he would do that the Devil would give him all the kingdoms of the earth. He lied when he promised to do this for they did not belong to him. He offered Jesus a shortcut to victory—by avoiding the cross. This was an appeal to the Lord's vocational purpose and the temptation to get Jesus overcame all temptations by appealing to the Bible. First Jesus quoted Deut. 8:3: "Man shall not live by bread alone, but by every word that proceedeth out of the mouth of God." The second temptation Jesus overcame by saying, "Thou shalt not tempt the Lord thy God" (Deut. 6:16). And the last temptation Jesus quoted Deut. 6:13: "Thou shalt worship the Lord thy God, and him only shalt thou serve." The Bible is our best weapon in conquering temptations.

Burnips
The special services conducted by the Rev. Warren Rogers and family of Detroit ended Sunday evening with Burnips Pilgrim Holiness Church filled to capacity, according to the Rev. A. C. Doehring. The Women's Society for Christian Service of the Market Street Methodist Church held its January meeting last week Wednesday afternoon at the home of Mrs. Marvin Folkert. A dessert luncheon was followed by a meeting at which Mrs. Henrietta Buge, president, presided. A mission program was given.

The Burnips School Parent-Teacher Association meeting will be held at 8 p.m. tonight at the school. George Geib, president, will preside. Mrs. Justin Sale of Hamilton and her accordion band will present a musical program. A social hour will follow.

Learn How to Work with God
Matthew 20:25-27
Acts 2:1-3 Psalm 16:8
By Darrell Franken

To The Leader: God is man's foreman. If one is to work with God he must understand this quite clearly. When man works he is guided and directed by his foreman. Matthew 20:28 is a powerful example of how we work with God. But sometimes we fail to get the real meaning of scripture by just reading it. If you have courage and initiative you might dramatize this passage of scripture, using the following script. Notice that this is scripture with the interpretation written into it.

Dramatizing
Matthew 20:20-28

Narrator: Jesus and His disciples have just left Jericho. In about a week he will be crucified. The following incident takes place just a few hours before the Triumphal Entry into Jerusalem. Mother of James and John: (coming up to Jesus) Hello, Jesus. It's so good to see you again. How are my two sons doing. They're such fine men. You know, Jesus, I've been wanting to ask you something for quite a long time. Jesus: What is it you'd like to ask. You know that I'd be glad to give it if it's right to give.

Mother: Well, it's like this. My two sons have been so interested in your teachings this past couple of years. They have worked so hard and I thought that when you set up your kingdom these two really ought to have recognition. I would be so proud and happy if these boys of mine could rule with you in that new kingdom you have been talking about... you know... one on your right side and one on your left side. Can you do that for me?

Jesus: Lady... I like your sons. They are fine men. But you don't know what you are asking. (Turning to James and John) Are you able to suffer and die as I will be doing. Will you be able to drink the bitter cup of rejection and sorrow that I will drink?

James (and John): Sure we can. Do you think we're weaklings? I hate to brag, but I think we can stand just about as much as you can, especially if we will get a little reward for our efforts.

Jesus: (speaking indignantly) James and John, maybe you don't realize it but you will eventually suffer more than you think you will. I can't promise you anything like you asked. That's up to my Father. He's preparing the rewards for all of us now.

Narrator: About this time, the other 10 disciples become pretty disgusted with these two "smarties" who want special favors. Jesus noticed this. And being the sensitive and understanding man that he was, he took this incident and made from it a real-life lesson.

Jesus: (speaking to the ten... those of the audience) As you noticed, James and John wanted to become leaders and rulers. But look... the rulers of the Gentiles are leaders. You wouldn't want to be like one of them would you? They exercise authority just to show off power. That's not the way it will be in my kingdom. No sir. If you men want to be "great" in my kingdom, you have to become a servant. Let me say it in another way. If you want to be on the top of my list, you must work as if you were a slave to me and to all people. That means helping people, rather than knocking them down. And that means doing good for others, rather than for yourselves. Remember, in my kingdom, "The first shall be last and the last shall be first."

Do you now understand how we can work with God? We are to work with him by being his servant. List on a blackboard the things we can do as servants of God, in the home, in church, with friends, with relatives, with neighbors, in government, in the community, in the state, and in innumerable other places. What can you do for God in each of these areas?

Harbor Hearing Planned At Muskegon Jan. 22

MUSKEGON (Special) — A public hearing, to discuss the deepening of harbors along the Michigan coast of Lake Michigan, will be held Tuesday, Jan. 22 in the Convention room of the Occidental Hotel, at 9 a.m., it was announced today by Col. Peter C. Hyzer, district engineer, Detroit district, of the army corps of engineers. Local interests along the Great Lakes will be given an opportunity to express their interests and views on the character and extent of improvements desired at the various harbors.

Additional public hearings will be held during the next few months to consider other harbors, either individually or in groups with reference to deepening the harbors to the 27-foot depth being provided in the Great Lakes connecting channels and in the St. Lawrence Seaway.

Movie on Salk Vaccine Features PTA Meeting

Mike Van Oort showed a movie entitled "Unconditional Surrender" at the regular meeting of the Waukazoo Parent Teachers Club Thursday. The film dealt with Salk vaccine. He was introduced by Robert Hall.

At the business meeting in charge of Burt Van Oort it was decided to join the Parent-Teacher Association. James Bieby led devotions and lunch was served by the Mesdames Kenneth Leggett, Robert Fitzgerald, Harold Ramsey and Henry Jalving.

Petitions Ready For City Primary

Holland Couple Credited With Saving 10 Lives

Incident Occurs In Kalamazoo; Includes Children

A Holland couple was credited today with saving the lives of 10 persons, including seven children, in a fire at a two-family apartment in northwest Kalamazoo Sunday night.

Mr. and Mrs. Leon Schaddelee, 215 East 14th St., said they were returning to Holland after visiting a relative, John Vande Wege, when they spotted a young girl trying to get two small children from the front door of the house. Smoke was pouring from a downstairs window, Schaddelee said.

The couple brought the two children outside and Schaddelee went inside to get a three-month old baby in its crib. Mrs. Schaddelee took the infant to her car while her husband checked with the young mother, Mrs. June Day, who was caring for the three children. The baby was Mrs. Day's and the others belonged to her brother and sister, Schaddelee said.

Mrs. Day told him there was another family upstairs, but that he couldn't get at them from the front door. With another passing motorist who had stopped, Schaddelee broke a window at the rear of the house and brought out three children through the window. By then firemen had arrived and pried open the back door. They went inside to rescue the parents, Mr. and Mrs. John Morris and an older girl.

Firemen said a child in the downstairs apartment had apparently been playing with matches before going to bed. The matches ignited clothing near the bed, but the flames didn't break out until after the child was asleep.

Blue Crutch Drive Nets \$232 Here

A dozen Junior Leaguers collected \$232 on their Blue Crutch sale in a 2½-hour period Friday night in the downtown section, it was announced today by local police leaders.

The Blue Crutch sale was the opening gun in the month-long campaign for polio funds in Holland area which will be climaxed by a Mothers March late in the month.

All lieutenants working on the Mothers March will gather in Washington school at 8 p.m. Wednesday to get their supplies. This will be the only meeting in which lieutenants will meet with chairs of the polio drive. Lieutenants in turn will see that stickers for canisters and fruit jars are distributed to all workers. Literature on polio vaccine also will be distributed and block workers in turn will leave literature at each house called upon.

This year's Mothers March again is sponsored by the Kiwanis Queens and the Junior Chamber of Commerce Auxiliary. The Queens have as their chairman Mrs. Andrew Dalman assisted by Mrs. Robert G. Hall. Mrs. Tom Vander Kuy is Jaycee Auxiliary chairman with Mrs. Don Gilcrest assisting. The Ottawa county goal is \$57,679. Holland area quota is \$21,800.

Defensive Play Featured Instead Of Usual Offense

Hope College's basketball team won its sixth game in nine starts at Civic Center Saturday before 1,609 fans with a 69-54 victory over Manchester College in a contest which featured defense most of the time with only spurts of offense.

The Dutch, looking ahead to the MIAA battle with Calvin here Wednesday night, were ahead all of the way and never were seriously threatened. Manchester now has dropped eight straight games.

Emphasizing defense right off, Hope put on a clamping man-to-man and didn't give the visitors much of an opportunity to shoot in the first half.

Manchester got off only 25 shots in the first 20 minutes and most of these were out from behind the key. They hit on only six.

Hope, using the same pattern which has given them four straight wins, built up an early lead. Warren Vander Hill hit six baskets, all from outcourt or from the side and led the Dutch to a 22-11 lead at the 10-minute mark.

But then the scoring bogged down. Hope hit four more baskets in the first half, three by second stringers and Manchester hit three.

Bob Ritsma put in Hope's 15th basket of the first half and the 30th point with 4:33 left. The Dutch didn't score again in the half. Hope got four free shot attempts in the first half and missed each one.

Behind 30-15 following Ritsma's basket, Manchester scored seven points in the time remaining and left at halftime on the short end of a 30-22 score.

Manchester began closer man-to-man guarding in the first few minutes of the second half. The pattern prevented Hope from getting shots from the floor but it brought fouls and Hope picked up nine straight points at the charity line.

Hope didn't hit a field goal until Vander Hill swished one at 14:24 which meant the Dutch went 10-09 without making a field goal but they still maintained the nine - point lead.

Two baskets and four free shots for Hope plus holding Manchester to one field goal in the next four minutes gave the Dutch a 49-32 10-minute mark advantage.

Hope's offense picked up in the fourth period and the winners made 10 baskets, including four by center Paul Benes.

Manchester, after making only three baskets the first 10 minutes of the second half, had its best effort in the final 10 minutes and made seven baskets and eight straight free throws.

A rally starting at the four-minute mark pushed Manchester from a 17-point 59-42 deficit to within seven points, 59-52 with 2:20 minutes to go. But then Benes came to life.

Vander Hill, who hit nine out of 18 shots from the floor added six free shots all in the third quarter, and led Hope with 24 points. Benes followed with 18.

Ron Stork, who hit on eight straight free shots including four in the final 10 minutes, led Manchester with 14 points and Dan Anglin had 13.

Both teams were a little shaky in their showing from the floor. Hope made 15 out of 49 in the first half and 13 out of 36 in the second half and ended with 33 per cent.

Manchester made six out of 25 in the first half and 10 out of 33 in the final 20 minutes for 27.6 per cent.

Hope made 17 out of 29 free shots and Manchester tallied 22 out of 29.

Zeeland Police Had Busier Year

ZEELAND (Special) — The year-end report of Zeeland police activity showed an increase both in accidents and arrests today.

According to the report, there were 63 accidents in the city in 1956, compared with 59 in 1955. Seven of the accidents resulted in personal injury to 27 persons. Property damage amounted to \$19,615, an increase of almost \$4,000 over the preceding year.

A total of 883 persons were arrested in Zeeland in 1956, 81 more than in 1955. Almost half of these, 425, were charged with speeding. In 1955, there were 802 arrests, the report stated. Second highest among the 1956 driving infractions was red lights, with 78 arrests for this. Another 72 persons were charged with careless driving and there were 34 cases of reckless driving.

There was a big jump in the issuance of drivers' licenses, with 3,375 applications being turned in to the Secretary of State.

Two breaking and entering cases remain outstanding, the theft of three watermelons from a grocery, and the taking of \$11 from the Junior High School. Two larceny cases, one involving pigeons and the other a set of wheels, were not solved.

Speaker Lauds Ethics Of Modern Business

A most encouraging message was given to members of the Century Club in a brilliant address on "Ethics and Principles of Modern Business" by Dr. Robert E. Wilson at a dinner meeting of that organization on Monday evening.

Dr. Wilson, chairman of the Board of Standard Oil of Indiana, stated that truly today's ethical standards in business are at an all time high and that no business today can survive if it is thrown into a sea of corruption. He stated that today's novels and dramas seem to enjoy portraying the big business man as a villain, and since art should mirror life as it truly is, he feels that this is definitely out of order. Dr. Wilson said that someone has humorously said that England "knights" its business men and the United States "indicts" them. Most top officials today hold that position because they are more capable than their fellow workers and because they are more willing to work hard.

Dr. Wilson said that people today ask two questions: Are we hardened to crime in this country? Are we in a low moral era? His answer was that the American public does not condone either private or public immorality. He called attention to the fact that church membership is at an all time high and that Bible sales have never equalled today's figures.

"The first prerequisite of modern business is a sensitive and reliable conscience," said the speaker. "Never in the history of mankind has so much been done in our big plants in the area of human relations" he continued. Dr. Wilson wished everyone could listen in on the Board Meetings of the National Manufacturers Association, and then everyone would understand that the manufacturers realize, accept and are constantly responding to the ever-growing social responsibilities of this age.

Dr. Wilson said he is often amazed at the tremendous sums of money that are involved with only a temporary verbal agreement due to one man's faith in the integrity of another man. These are followed by legal papers, but often the proceeding is well under way before the papers are drawn.

Dr. Wilson said that today's high code of ethics is not accidental. It is due to seven influential factors. First, the depression exposed those who were corrupt in their dealings. Second, today's public demands that those who handle the money of others be completely reliable. Third, there is a realization that fair dealing and complete trust promote better, bigger, and more prompt business. Fourth, the competition and sifting process of today assures that we will have business leaders with high standards of conduct. Fifth, today's business managers are trained professionals and not just owners as in former years. Sixth, there is the great influence of education and the church to guide us through the troubles of a material world. He said the Golden Rule was still the best rule for business conduct. Seventh, business leaders realize that they have a responsibility to support good legislation and to openly denounce indiscreet legislation.

"Only when all the people have the courage to speak out for what is right will we win the battle and hold the line for permanent high ethical standards. By way of the church and the college we must hold what we have gained and promote a steady improvement in the general moral climate of this country," concluded Dr. Wilson.

Dr. Irwin Lubbers introduced the speaker and Mrs. Edward Donovan, president of the club, presided. The social committee arranged the floral centerpieces. Members of the social committee were Mr. and Mrs. Marvin Lindeman, Dr. and Mrs. John R. Mulder, Mr. and Mrs. W. J. Olive, Mr. and Mrs. George Peigim, Mr. and Mrs. Kenneth Peirce, Miss Katherine Post, Mrs. J. A. Stryker, Mrs. W. M. Tappan, Mr. and Mrs. C. Vander Meulen, and Dr. and Mrs. O. Vander Velde.

Three Trials Set In Circuit Court

GRAND HAVEN (Special) — Three trials have been scheduled for Ottawa Circuit Court, all involving criminal matters.

On Jan. 17, an appeal case of Roy Runstrom, 30, Grand Rapids, on a charge of reckless use of a motorboat, is scheduled. Runstrom was found guilty by a jury in Justice Eva Workman's court Nov. 23, and was sentenced to pay \$65 fine and \$29.80. Immediately following the verdict he filed an appeal to the higher court.

On Jan. 18, the trial of Mrs. Evelyn Heath, 19, of 41 West 23rd St., Holland, is scheduled. Mrs. Heath has two charges against her involving her two minor children ages 2½ and 1½. One charge involves criminal neglect and the other failure to provide for them while receiving aid.

On Jan. 24, the trial of Wayne Eckert, 19, Muskegon Heights, is scheduled to be heard. Eckert is charged with grand larceny, which involves the alleged theft of an 18½ foot open utility speed boat, valued at \$3,800.

Two Cars Damaged

Two cars were damaged Friday afternoon when they collided on Rose Ave. near Gordon St. Ottawa County deputies said the vehicles were driven by Ernest Vandenberg, 45, of route 2, and Herman Rustions, 31, of 24½ East Third St. Damage to the vehicles was estimated at \$250.

On Dec. 17, the Sunshine Blue Birds of Montello Park School went to Centennial Park with white gifts and sang carols. Then we went to our Christmas party at Karen Kruid's house. First we played games and the prizes were won by Nancy Alderink and Linda May Meyer. We had lunch by candlelight and then opened our gifts. Each girl was presented a gift from our leaders. Then our leaders, Maxine Riksen and Karen Kruid, were surprised with a gift from the group. Reported by scribe, Jane Kruid.

The Hi Flying Blue Birds of Washington School had their first Christmas party on Dec. 27, at Diane De Waard's home. Her mother served ice cream and cake. Each place had a snow man favor made of an apple body, marshmallow head, gum drop arms, and a chocolate hat. We exchanged gifts and played a game. We all enjoyed ourselves. Reported by scribe, Marcia Winter.

The Golden Blue Birds of Maplewood School had a Christmas party at the home of Mrs. Lee Rubingh. Gifts were exchanged and games were played. Prizes were won by Barbara Rysenga, Linda Bouman and Kathy Buurma. Reported by Karen Pelon, scribe.

On Tuesday, Dec. 18, the Gay Blue Birds of Waukazoo entertained their Mothers with a tea. The tables were decorated with candle holders and candles the girls had made for their Mothers. Gifts were presented to the leaders, Mrs. George Menken and Mrs. Don Vander Baan. Each girl received a Blue Bird pin. Christmas cookies, cupcakes, tea, coffee, and hot chocolate was served. Reported by Linda Vander Baan, scribe.

The Longfellow Lucky "13" Blue Birds and their Mothers were guests at a Christmas tea Monday, Dec. 17. The tea was held at the home of Mrs. H. E. Morse. Mrs. Morse poured and was assisted by Mrs. Swartz and Mrs. Oosterhof. The centerpiece was made by the girls. We also decorated the cookies that were served. We gave hand made gifts to our mothers. Debbie Ridenour's dog "Heidi," a St. Bernard, also came to the party and made us laugh. Reported by scribe, Linda Van Duren.

The 14 Little Blue Birds of Longfellow enjoyed a Christmas party at the home of Donna Riemersma. Games were played and gifts were exchanged. Our leaders, Mrs. Ben Cuperus and Mrs. Lester Riemersma served supper, after which we all went to the Nativity Scene at Centennial Park to present our white gifts and join in the caroling. Gifts were presented to the leaders. Reported by Donna Riemersma.

On Dec. 17 the fourth grade Blue Birds of Lakewood School met at Patty Hoving's home. We all stood in a line and held a candle and Mrs. Hoving took our picture that way. Then we put our candles in boxes. The rest of the evening was spent making Christmas cards and singing carols. We also played a game. Mrs. Hoving gave us all a Christmas corsage, a candy cane and a popcorn ball. Lunch was served by Linda Nickels. Reported by the secretary, Mary Jeanne Groeneveld.

Engaged

Miss Gloria Jean De Jong, former residents of Holland, Mr. and Mrs. Arthur De Jong, now of Grand Rapids, announce the engagement of their daughter, Gloria Jean to Larry L. Herweyer, son of Mr. and Mrs. John Herweyer, Byron Center.

The future bridegroom is with the United States Navy aboard the USS Tidewater. A June wedding is being planned.

Weimarner Owners Appeal Court Verdict

GRAND HAVEN (Special) — Al Diephouse and his wife, Marjorie, filed an appeal bond in Grand Haven Municipal Court Monday afternoon appealing to Circuit Court a decision of Municipal Judge Jacob Ponstein ordering that the Diephouse Weimarner dog be killed.

The case was tried before the court without a jury Dec. 20 and on Jan. 4 the court announced its verdict.

The dog, said to possess great intelligence, was considered to be a vicious animal and had allegedly bit Daniel and Gordon Lowell last October. The dog has reportedly bitten other children who pass.

No Probation In Larceny Case

GRAND HAVEN (Special) — Shirley Kouw, 33, and Jean Kouw, 33, both of route 1, Holland, who pleaded guilty in Circuit Court Dec. 14 to charges of larceny from a store, appeared Monday for disposition.

The court told the two women that all information the court had received on the case was to their good and therefore the court felt the two women had received about as much punishment as they deserved. The judge added that the probation department felt there should be no supervision.

Shirley Kouw was instructed to pay \$50 costs and make restitution of \$10, \$5 to De Vries and Dornbos and \$5 to Kresge's. Jean Kouw was instructed to pay \$50 costs. The two women appeared in court about 12:30 p.m. today.

Waldon Levera Tyler, 32, Spring Lake, who pleaded guilty Dec. 14 to charges of receiving stolen property, was placed on probation for two years and ordered to make restitution of \$72 for turkeys which had been turned over to him. He also must pay \$50 costs, pay \$3 a month oversight fees, refrain from drinking and cannot leave the state without permission of the court.

Tyler allegedly had received 12 turkeys which some minors had stolen from the Edward Remolt Turkey Farm in Muskegon on or about Sept. 20. He allegedly had promised the boys \$5 for every turkey, but before he had a chance to pay the boys they were taken into custody and turned over to Muskegon probate court.

Clarence Timmerick, 31, Grand Haven, pleaded not guilty to a bastardy charge. Trial will not be held during the current term. The alleged offense involves a Nunica woman who gave birth to a child in 1953.

Douglas Area Resident Succumbs At Hospital

FENNVILLE (Special) — Mrs. Lizzie Feige, 62, of route 2, Fennville, died at Douglas Community Hospital Monday morning following a lingering illness.

Surviving are several nieces and nephews. Mrs. Feige had lived in the Douglas area 40 years.

Zeeland M-21 Bypass To Receive New Lights

ZEELAND (Special) — The State Highway Department Monday night informed city council it will draw up plans for lighting several intersections on the new M-21 bypass.

The lighting will be designed for the intersections of 112th and 104th Aves., Maple St., Byron Rd., and Fairview Rd.

These plans will then be submitted to council for discussions on what portions the city, township and county will pay.

Allegan Has First Clinic of 1957

ALLEGAN (Special) — One hundred and fifty pints of blood were sought here Monday in the year's first blood donors' clinic held in the Eagles Hall under Red Cross supervision.

The clinic marked the beginning of the 20th month of the Allegan county whole blood program which, according to Red Cross officials, has met the needs for whole blood and blood derivatives in Allegan county hospitals.

Requested by the Allegan County Medical Society, the program has provided 1,774 pints of blood, 1,510 of which were received for local use with the balance being processed by the Michigan Health Department into products to prevent measles, combat shock, stop hemorrhages, treat anemia and hemophilia which were returned here for use by county physicians.

Allegan clinics have accounted for 384 pints, Otsego 293 and Plainwell 364 with the balance coming from other county communities.

This year the Red Cross will also seek 100 pints of blood for the Civil Defense Administration as the county's share of the 400,000 pints being sought to provide an adequate reserve for any type of disaster.

For Monday's clinic Mrs. Maxine Kaylor served as general chairman while Mrs. Crystal Frost was in charge of nurses, aides and other volunteer workers.

Ford Will Speak At Scout Event

United States Rep. Gerald R. Ford Jr., will be speaker at the first Grand Valley Council Eagle Scout Dinner, in Grand Rapids on Monday, Feb. 25.

Ford, an Eagle Scout and Camp Staff member for many years, will address a group of approximately 100 Eagle Scouts, which will include all Boy Scouts and Explorers who have been awarded the Eagle Badge between Jan. 1, 1956, and Feb. 25, 1957.

Each Eagle Scout will attend the banquet as a special guest of a selected person successful in a field of work in which the boy is interested. Parents of the Scouts will be invited to attend the program after the dinner.

It is expected that approximately 26 Eagle Scouts and sponsors will attend from the local Chippewa District. Advancement Chairman Amos Beeson is in charge of local arrangements.

GUARDSMAN COMMISSIONED — Capt. Russell Kemper (left), commanding officer of Holland National Guard Co. D, pins the gold bars of a second lieutenant on Clair Zwip who first joined the National Guards as a private, June 24, 1948. In the next eight and a half years Zwip held every rate from private to master sergeant. Zwip received his commission Dec. 17, 1956, but Monday night was the first time he assumed his new duties as leader of the anti-tank platoon. He has won a number of medals for his shooting with a rifle and in 1953 was part of the 46th Division state rifle team that went to Camp Perry for national matches. Zwip follows in the footsteps of his father who is a former member of the guards. Zwip is a graduate of Michigan State University. He will soon be leaving for Fort Benning, Ga., and additional training. (Sentinel photo)

Retired Allegan Man Seeks State GOP Chairmanship

Vern J. Reynolds

ALLEGAN (Special) — Vern J. Reynolds, 53, retired Allegan auto dealer, currently stumping the state seeking support for his candidacy for the job of Republican State Chairman, admits he is "not a reluctant candidate" and says he would not be "a reluctant chairman, either."

Reynolds, who retired from a highly successful car dealership because of a crippling attack of arthritis in 1951, is now as active as he ever was, "thanks to the new drugs for the treatment of arthritis."

Republican leaders throughout the state are learning just how active Reynolds can be. The former country school teacher is ringing doorbells all over Michigan and many party leaders on the county level have expressed "surprise and pleasure" when Reynolds comes to call. For a majority of the party faithful in out-state areas, it is the first time a candidate for the state chairmanship has ever made an outright and personal bid for their support.

The Allegan Republican knows how local party workers feel because, for more than 25 years he has been one of them. Born in Allegan, he graduated from the local high school in 1923, attended Western Michigan College, taught in a Monterey township country school for a year, then did graduate work in government and political science at the University of Michigan prior to seven years as a civics and government teacher in the Mt. Pleasant high school.

Always interested in politics, he attended his first county convention in Isabella county in the spring of 1928. He has been a delegate to state conventions from Allegan county for more than 25 years and was Allegan city's GOP chairman before the city changed to its present non-partisan system.

In 1934, in the midst of the depression, he left teaching to take over an Allegan car dealership. In addition to his political activities, Reynolds is a Mason, Rotarian and member of the Allegan Elks Lodge.

Three Cars Damaged

One car sustained damage estimated at \$500 and two others were slightly damaged in a collision Friday at 136th Ave. and Elm Lane. Ottawa County deputies said Milvin Witteveen, 20, of 188 Elm Lane, was on the left side of 136th Ave., making a left turn, when he was struck in the rear by a car driven by John Nykamp, 67, of route 1 West Olive. The Witteveen car was pushed into a parked car by Robert Weikema of 788 136th Ave., deputies said. Total damage to the Witteveen and Weikema vehicles was estimated at \$30. No tickets were issued.

Hospital Notes

Admitted to Holland Hospital Monday were Judith Stejskal, 180 East 24th St. (discharged same day); Mrs. Peter M. Meengs, route 4; Gayle Bobeldyk, 239 East Ninth St.; Diane Sova, 2000½ South Shore Dr.; Danny Van Huis, 629 Midway; Larry Higgins, route 1, Fennville; Fred Scheerhorn, 175 College Ave.; Rickey Collins, 867 West 32nd St.

Discharged Monday were Margie Bain, 72 West Seventh St.; Mrs. Ivan Meussen and baby, 39 East 16th St.; Ruth Van Howe, 254 West 16th St.; Jack Van Kampen, 133 East 22nd St.

A daughter, Jilane Gwen, was born in Holland Hospital Monday to Mr. and Mrs. Carl Kemme, route 1, Hamilton.

Parochial Students In Driver Classes

Holland High School will begin to instruct students from Holland Christian High School in driver education with the opening of the second semester, Robert Slocum, co-ordinator of the program, said today.

State law, which says that all persons under 18 must have passed an approved course in order to obtain a driver's license after Feb. 1, also states that the course must be made available to all students in all schools, and whether or not the student is enrolled in school.

Since the Christian High program is not sponsored by the state, and is administered on a tuition basis, the students are taking advantage of the free program offered by the public school. Slocum said a maximum of 35 students, including two from the Seventh Day Adventist school, will be enrolled in the course. The class will meet from 3:45 to 5:30 p.m. daily and groups of five will practice driving for two hours each Saturday morning throughout the nine-week course.

Slocum said this schedule would probably more than meet the state requirement of 30 hours of classroom instruction and six hours of behind - the - wheel experience.

No one under 15 may be enrolled for the course, according to the state law, and, under ordinary circumstances, drivers' licenses cannot be obtained until the applicant is 16 years old.

Classes in driver education for persons over high school age will continue to be given through the adult education program, Slocum said.

1,300 Boys Active In Scout Program

End of the year membership figures for 1956 for Cub Scout, Boy Scouts and Explorers in the Chippewa District, released today by District Chairman Robert S. DePruyn, showed a total of 1,300 active boys in the Scouting program, which was the exact goal set by the organization and extension committee two years ago.

DePruyn extended congratulations to the 455 adult Scouting leaders who have made possible the gain of 37 per cent in boy membership during the past two years. Organization Chairman James Townsend said that the fine record achieved this year gives the local scout committee confidence that the goal of 1,800 boys by Jan. 1, 1960, as set in the four year "Onward for God and My Country" program, can be reached.

Townsend also noted that the local district ranked high in the Grand Valley Council, winning second place honors for membership gain, among the 11 Districts of the Council. Last year the Chippewa District won the first place award.

Liquor-to-Minor Count Brings Fine, Sentence

GRAND HAVEN (Special) — Bohdom Wasilchenko, 26, Newaygo, pleaded guilty in Justice Lawrence De Witt's court Saturday afternoon to a charge of furnishing whisky to two minors and was sentenced to pay \$75 fine, \$6.10 costs and serve 10 days in the county jail. The Newaygo man was arrested by sheriff's officers. The alleged offense occurred in Nunica, Dec. 30.

Marion B o a t m a n, 26, Spring Lake township, demanded examination in De Witt's court Saturday afternoon on a charge of taking indecent liberties. Tentative date for examination was set Jan. 8 at 10 a.m. Bond of \$2,000 was not furnished and Boatman was committed to the county jail. The alleged offense involving a nine-year-old girl occurred Dec. 21 in Crookery township. Boatman was arrested by sheriff's officers.

Circuit Court Awards Judgment of \$9,500

GRAND HAVEN (Special) — A consent judgment of \$9,500, without costs, was awarded in Ottawa Circuit Court Monday afternoon to Leon Rhinehart of Holland against Gilbert Roelofs of Zeeland. The judgment was the result of an automobile accident Jan. 29, 1955, two miles east of Holland city limits. Rhinehart received serious injuries and still walks with the aid of crutches.

As the result of the same accident, Rhinehart's wife, Gene Alma, was awarded a \$4,800 judgment, by a Circuit Court jury May 9, 1956, for injuries she sustained.

SCHOLARSHIP FINALISTS in the National Merit Scholarship competition from Holland High School are Louise Marsijle, daughter of Mr. and Mrs. Herbert Marsijle, 1633 South Shore Dr., left, and Willard H. Connor, son of Mr. and Mrs. Willard Connor, Sr., 336 Wildwood Dr. Both students now face stiff College Board examinations on Jan. 12 plus intensive screening of their leadership and extra-curricular records by a selection board. The two HHS seniors' awards were announced by Principal Austin Buchanan. Other winners from Holland Christian High School have also been announced.

Birthday Party Given For Sandra De Haan

Sandra De Haan of route 2, West Olive, celebrated her seventh birthday anniversary Saturday at a party given by her mother, Mrs. Bert De Haan.

Games were played and prizes were awarded. Refreshments were served by Mrs. De Haan, assisted by Mrs. Bertha Geertman and Jo De Haan.

Those invited were Elaine Brower, Judy Brower, Linda Bunker, Lois Ellis, Bernice Geertman, Egbert Geertman, Lola Hirdes, Carolyn Kort, Susan Kort, Myra Kraker, Yvonne Kraker, Judy Molengrat and Joyce Pixley.

Twelfth-Night Observed Here

Twelfth - Night celebrated in Holland?

It certainly was by at least one family and their English guests from Gand Rapids, when Mr. and Mrs. Edward Brolin of Columbia Ave., with their children Bobby, Colleen and Betsy entertained Mr. and Mrs. Stephen B. Pryce, David and Mary, Sunday night.

In searching for authentic data on the menu for the festival Mrs. Brolin uncovered many interesting facts to be passed along. According to tradition, a hot drink, Lamb's wool, made by stirring apple foam and floating slices of apples on top of the spicy brew, is always served ... so the Brolins served it.

Next on the menu was the beef pie, either that or roast lamb is acceptable for the main course. And for dessert, a Twelfth - Day cake — made with a charm or a bean baked inside. Whoever received the charm or bean was allowed to name the king for the evening.

The French always eat an extra portion, called God's Share. The Greeks cut three extra pieces of cake — for Christ, Our Lady and St. Basil.

Sunday, Twelfth - Night, was also Epiphany or Feast of Lights.

Church Leaders Discuss Policies

Leading educators of the Reformed Church in America convened at Western Theological Seminary on Jan. 3. The meeting was called by Dr. George H. Menenga, president of General Synod, Reformed Church in America, to discuss problems and policies and plans for the future. Invited to the event were representatives of all institutions of higher education in the Reformed Church and the Board of Education, RCA. The Rev. Howard Schade, Nyack, N. Y., vice-president of Synod, presided. Dr. Stephen James, president of New Brunswick Theological Seminary was prevented from attending by travel complications.

Man Hurt, 2 Cars Wrecked In Collision on M-21

Two cars were judged total losses and a Holland man was treated for a cut eye at Zeeland Hospital Monday as a result of a collision on M-21 near Burton St.

Ottawa County deputies said a car driven by Glenn D. Johansen, 22, of Rodney, went out of control when its right wheels went off the road and skidded across the road, colliding on M-21 near Burton St. Marcello Callagao, 23, of 4 West Eighth St., who was coming from the opposite direction.

Callagao was the injured party and Johansen was ticketed for failure to have his car under control, according to deputies.

Many Taxpayers Can Avoid Fuss With Form 1040A

As a result of surveys and studies conducted by the Internal Revenue Service, several million taxpayers who last year filed their returns on Form 1040 are this year receiving in the mail the simplified punch - card Form 1040A, which makes possible easier preparation of a return and can be more readily processed by the Service.

The card form enables the taxpayer to provide all pertinent information on his income and exemption status, if his income was less than \$5,000 during 1956, consisting of salary or wages from which tax was withheld, and he had no more than \$100 total of other wages, dividends and interest, and if his deductible expenses were less than the standard 10 per cent calculated as part of the tax table for incomes up to that figure.

For those taxpayers with less than \$5,000 income but with allowable deductions exceeding 10 per cent, the regular form 1040 should be used to obtain a refund or reduce the balance of tax due.

Persons who qualify to use the card but who did not receive it may obtain a copy from the office of the district director. An instruction sheet accompanies the card form. It contains a reproduction of the card, to serve as a sample to fill out before preparing the form itself and to be retained by the taxpayer for his records.

A new feature of the card form this year is the addition of lines making it possible for the taxpayer to compute his own tax from the table provided on the instruction sheet. District Director A. M. Menninger urged taxpayers of the Detroit District to make this calculation, rather than have the revenue service do it, so that they may know at once whether they owe additional tax, are due a refund, or have exactly fulfilled their tax obligation by withholding tax payments.

Last year approximately 15 million taxpayers who could have used the card form actually used the longer Form 1040 in order to calculate their additional tax or refund before filing their returns. Provision of the Form 1040A, with this new feature will enable them to accomplish the same purpose with the simplified card form.

Chester Walker Makes 40 Points In 83-57 Victory

It was mostly Chester Walker in the Civic Center Friday night as the Benton Harbor Tigers crushed Holland High's basketball team, 83-57 before 1,300 fans.

Chester took 28 shots from the floor and sank 18 of them for 64 per cent accuracy mark.

Chester took six shots from the free throw line and made four. Chester took home the Civic Center record for a high school player with 40 points.

Chester took a page from Jim (Jellybean) Reynolds' record book and broke Reynolds' Benton Harbor school scoring record of 37 set last year.

It was Walker versus Holland in the first half and it was the Tigers against scoring records in the second half. As for the first half battle, Holland won out by one point 26-25. In the second half tussle, Benton Harbor led short of St. Joe's 97-point scoring output set last week.

The Tigers made 47 points in the first 16 minutes for the highest prep mark totaled in a half against Holland this year.

Oddly enough Holland led 7-6 with 3:35 left in the first quarter, picking up all of its points at the charity line. Les Overway hit six of the free throws. Tom Aye hit on a jump shot at 3:12 and that tally was followed by Rog Plagenhoef's two-pointer and the Dutch took an 11-8 lead with 2:45 to go. These were Holland's only field goals in the first quarter.

But Walker came in for four baskets to lead a 14-point barrage which gave the winners a 22-11 first quarter margin.

Walker swished six baskets in the second quarter, using primarily the delayed layup, and quickly the game became no contest. The Tigers made 11 out of 17 and left the floor with 47 points while Holland sank six out of 17 and 26 points at halftime.

Holland's defense was the shabbiest in the second quarter. Where the Dutch were slow to get back on defense during the first period, in the second it was even worse as the winners netted their biggest period total of the game, 25 points.

Then to complicate matters even further, Holland's offense fell completely apart in the third quarter. Where the Dutch were chilly in the first half, they were ice cold in the third period, making one field goal out of 22 attempts. Two free shots were added and Holland ended the third quarter with 30 points while the Tigers sank another 18 and ended with 65.

Benton Harbor substitutes, who began to filter into the lineup already in the second quarter, took over in the fourth period. The Tigers, who kept Walker in the lineup to set the record, ran the score to 83-46 at the three-minute mark, the biggest bulge of the game. The Dutch scored the last 11 points in the game. Holland had 18 of 70 shots in the game for 25 per cent.

Holland made 21 out of 30 free shots and the Tigers sank 13 out of 28.

Sam Watson, rugged pivotman who aided Walker in grabbing most of the rebounds, ended second in the scoring with 12. Mickey Yarbrough, sophomore forward, was next with 11. He sank four of his baskets in the third quarter.

Rog Plagenhoef led Holland with 11 and Les Overway followed with 10. Dave Hilbink, who sank 10 straight free shots, made four out of five Friday.

Holland will play Grand Haven in Civic Center next Friday night seeking its first win in six starts. Grand Haven lost to Muskegon Heights Friday night, 80-46.

Holland Frosh Lose to Tigers

Holland High's ninth grade basketball team dropped a 39-37 overtime decision to the Benton Harbor freshmen Friday afternoon in Holland High gym. It was Holland's second straight loss.

The regulation game was tied at 33-all. Holland made the first basket of the overtime but the Tigers came back and tied the score with a field goal. Two free shots in the last two seconds gave Benton Harbor the win.

Holland led at the end of the first period, 15-6 and 20-10 at halftime. The Tigers came up in the third quarter and took a slim 26-25 lead at the quarter's close.

Jerry Rice led Holland with 13 and Ralph Lawson followed with nine. Burton Wiersma has seven; Steve Groters, six and Harley Hill, two to complete the Holland scoring. Brenner led the winners with 14.

Coach Bill Noyd reported the Dutch freshmen are improving and hopes they can break into the win column next Friday afternoon against Grand Haven at Holland High gym. Game time will be 4 p.m.

Two Tankers in Crash North of Ferrysburg

GRAND HAVEN (Special)—Two oil tankers were involved in an accident on the curve on US-31 north of Ferrysburg at 1:25 p.m. Friday. Drivers of the vehicles were Donald Melvin Wells, 39, route 2, New Buffalo, going south, and John L. Black, Jr., 29, Battle Creek, traveling north on the highway.

According to state police, the trailer of the vehicle Wells was driving slipped over the centerline and struck the oncoming tanker causing it to go off the side of the road and tip over. Although both tankers were empty, the Spring Lake Fire Department responded to avoid any possibility of fire. Black was only slightly injured. Damage to the overturned tanker was considerable.

Wells, who was ticketed for driving over the centerline, was driving for the Sprout & Davis Co. of Whiting, Ind. Black's vehicle was owned by the Home Fuel Co. of Battle Creek.

Zeeland Romps to Easy Victory Over Whitehall

ZEELAND (Special)—Zeeland High's basketball team waltzed to its fourth straight win Friday night and fifth in six tries with a 62-41 victory over Whitehall in a non-league game at Holland Armory.

The lone Chix loss was to Holland Christian 44-33 Dec. 4 and the two teams will square off again next Tuesday in Civic Center. The game will be a Christian "home" game. Zeeland leads the Keweenaw League with a 3-0 mark. Coach Paul Van Dort alternated his units pretty much Friday night after his first stringers jumped to an early commanding lead. Three minutes after the start with the game tied at 4-4 all, Zeeland let loose with 15 straight points and soon ran the score to 21-4 before Van Dort inserted his second unit. The first quarter count favored Zeeland, 11-4.

The second group played the final two minutes of the first half and Whitehall scored six points to Zeeland's four to make the half-time score, 25-10.

Zeeland's first string returned in the third quarter and each one of the starting five hit four points and put the game out of reach. The second string came in again for the final minutes of third quarter and enjoyed the biggest lead of the contest, 30 points, as the third quarter ended 48-18.

But Benner, Whitehall forward, hit on six out of seven free shots and sank three baskets to lead a fourth quarter Whitehall drive aided too, by a full-court press.

The Northlander were able to trim the lead to 17 points in the first six minutes of the final quarter and the Zeeland regulars returned for the last two minutes.

Zeeland used a 2-1-2 zone effectively and held Whitehall to six field goals in the first three quarters, five in the first half. The Chix hit on 38 per cent of their shots and Whitehall 25 per cent.

Ron Beyer led Zeeland with 15 and made nine out of 10 free throws, seven in the first half. Nine of the 11 Chix scored. Benner led Whitehall with 14.

Eighth Graders Win Cage Opener

Holland's eighth grade team won a thrilling 34-33 opening game from Wayland's eighth grade in E. E. Fell Junior High gym Friday afternoon.

See-saw all the way, Holland held an 18-14 halftime lead, but fell behind in the third quarter as the Wayland lads went ahead 23-22 at the period's close.

Bob Klaver led Holland with 14 and Jim De Vries followed with 13. Hines had 15 for Wayland. Holland made five out of 10 foul shots and Wayland eight out of 18.

This was Wayland's third game. They featured a fast type of ball and press most of the time.

Holland played a scrimmage with the Saugatuck second team Monday and looked good in winning, 66-45. Coach Don Oosterbaan reported.

This game was the first of eight slated for the eighth graders. Next Friday they will entertain Grand Haven at 4 p.m. in Fell Junior High gym.

The rest of the schedule: Jan. 18, Zeeland Christian, here; Feb. 1, Muskegon Reeths-Puffer, there; Feb. 15, Grand Haven, there; Feb. 22, Wayland, there; Feb. 26, Muskegon Reeths-Puffer, here; Feb. 29, Zeeland Christian, there.

Hope Awarded Grant of \$4,000

A grant of \$4,000, to be used in undergraduate teaching of chemistry and other courses, has been awarded to Hope College by the Du Pont Co., it was announced today.

The teaching grant is a part of a fund of more than \$1,000,000 which has been granted to 122 universities and colleges by the company.

Of Hope's share, \$2,500 will be used for chemistry instruction and the stimulation of interest in the subject. The rest of the money may be used in instruction or in providing books, equipment or lecturers to strengthen the teaching of other subjects that contribute to the education of scientists and engineers.

Michigan schools besides Hope which received a share of the funds are Calvin College, Kalamazoo College and the University of Michigan.

Last-Minute Rally Wins for Dutch; Have 2-2 Record

HILLSDALE (Special)—Staging a last-minute seven-point rally Hope College's basketball team evened up its MIAA mark at 2-2 with an 84-77 victory over Hillsdale College here Thursday night.

With slightly more than a minute left, the Dales held a 77-75 lead but Paul Benes, Hope's 6'10" center, tipped in a bucket at the minute mark to tie the score and set off the winning rally.

Three baskets, made on fast breaks, plus a foul shot, accounted for the final points. Dave Woodcock made the first one, Warren Vander Hill, who led both teams

Warren Vander Hill ... hits 27 points

in scoring with 27 points, came in for one and Benes tipped in a basket when Ray Ritsema missed his second free throw after sinking the first.

Hope punctured Hillsdale's early game zone and rang up an early 26-18 lead. Then the Dales went into a press and, with Tom Tate and Bob Duncan leading the way offensively, Hillsdale managed to stymie the Dutch and take a 38-33 lead with about three minutes left in the first half.

But Hope came back and, with Vander Hill hitting, moved the score to 45-38 with 1:20 to go in the first half.

Hillsdale picked up a basket and three free throws in the time remaining and came within one point at halftime, 45-44.

The second half was again see-saw. Hope took an early 49-45 lead, only to have the Dales stage their biggest offensive push of the game and move into a 71-64 lead with about seven minutes to play. Duncan and Tate each made three baskets in the drive and Lee Jones added seven free tosses.

Then Hope took over and soon whittled the score to three points. Vander Hill was fouled after making a driving lay-up and added the free toss to tie the score at 75-all.

Dwayne Teusink, inserted in each half as the Dutch began to slip, supplied the needed boost points and came in for four more assists. Coach Russ De Vette said he was especially pleased with Teusink's play.

Vander Hill made five of his baskets in the first half and seven in the second. His shooting, along with Ray Ritsema's, kept Hope in the game early in the second half. Benes made seven baskets in the first half and three in the second, all in the final 10 minutes. Benes ended with 25 points to be second high.

In an extremely rough game with a lot of body contact, Hillsdale had 26 fouls charged against them while Hope had 16. But at the charity line Hope could make only 16 out of 33. Often the Dutch missed the first shot and didn't get a chance at the bonus toss.

Tate led the Dales with 20 points and Jim (Jellybean) Reynolds, former Benton Harbor all-star, made 17 for second honors.

The loss gives Hillsdale an 0-3

US31, M21 Grade Separation Will Be at Present Site

LANSING — Current Michigan State Highway Department plans call for a grade separation between M-21 and US-31 to be constructed at the present intersection of the two highways east of Holland, according to George M. Foster, deputy state highway commissioner and GOP candidate for the office of highway commissioner.

He said plans call for a grade separation to carry US-31 over Eighth St., and not over 16th St. He went on to explain that eventually when the highway is fully developed, there will be no intersecting streets. In other words, Foster said, 16th St. will be either blocked off or put over or under US-31.

Foster said highway department officials are planning to meet with Holland and area officials in the near future to go over details of the intersection and make final determinations at that time. Exact date of the meeting will be announced later.

The interchange between the two highways will be full-directional — that is, a driver will get off by going in the direction he is traveling without going around a cloverleaf. However, there may be one cloverleaf, according to present plans.

"It's pretty much in line with what we talked about with local officials previously," Foster said. In regard to the US-31 route in the Saugatuck-Douglas area, Foster said currently there are several surveys under consideration and the route will be "very close" to the present highway. He said the present Kalamazoo River bridge between the two villages may even be used.

There have been rumors that the new route in that area would go along the lakeshore or way east of the present highway.

Funeral Rites Monday For Pedestrian Victim

GRAND HAVEN (Special) — Funeral services for Mrs. Carrie Willette, 70, Spring Lake, who was fatally injured when struck by a car on US-31 Thursday afternoon, were held at 2 p.m. Monday from Barbier Funeral Home in Spring Lake with the Rev. John Nyitrai of East Fruitport Reformed Church officiating. Burial was in Spring Lake Cemetery.

An autopsy Friday revealed that Mrs. Willette died of a skull fracture received when she was struck by a car driven by Lawrence Spaulding, 43, Muskegon, who was on his way to work at Bastian Blessing Co. in Grand Haven.

Meanwhile, Prosecutor James Bussard and state police are continuing the investigation and the prosecutor will decide later whether the driver will be charged.

Zeeland Woman Ticketed After Two-Car Collision

ZEELAND (Special) — Mrs. Metta Pyle, 51, of route 1, Zeeland, Saturday was issued a ticket for interfering with through traffic after her car collided with one driven by Chris W. Baerman, 73, of 3325 Port Sheldon Rd., Hudsonville at the intersection of Church and Washington Sts.

Zeeland police said Mrs. Pyle was driving north on Church St. and had stopped at the stop sign, but started onto the street without seeing the Baerman vehicle, which was going west on Washington. Damage to the two late model cars was estimated at \$500.

Mrs. Pyle received arm bruises, but did not require hospitalization.

Two Young People Hurt When Car Rolls Over

GRAND HAVEN (Special) — Two young Muskegon Heights people were injured early Saturday when the car which they were riding missed a curve on US-31 north of Ferrysburg and rolled over.

The driver, Joseph L. Gabris, 19, received head and back lacerations as well as chest injuries. His companion, Sally Sandberg, who was 20 years old Friday, received a fractured pelvis, serious internal injuries and severe shock. Both were taken to Municipal Hospital and then transferred to Hackley Hospital in Muskegon.

Gabris' car was a total wreck. State police are investigating.

Consider New Zone Ordinance

The Holland Planning Commission Thursday night continued its work on a new zoning ordinance for Holland which is becoming increasingly important.

Attorneys were asked to have all sections ready for the February meeting. The commission has held several hearings on various sections but has not as yet presented the ordinance formally to City Council for adoption. Council would call a public hearing on the ordinance before taking action. The Planning Commission has been working on the ordinance for three years or more.

The commission also reviewed the proposed annexation program for the community but decided to make no public statements until after reports are submitted by the 32-member committee which is being appointed to make a special study.

The commission received a communication from the Maplewood school board concerning an option it holds on property on the southeast corner of 40th St. and Central Ave. and requesting an opinion on whether it is a good location for a school site. The communication was taken under advisement.

Attending Thursday's meeting were Willard C. Wichers, W. A. Butler, Mayor Robert Visscher, City Engineer Laverne Serne, Larry Wade, Ward Hansen, Laverne Rudolph, Mrs. William G. Winter, City Manager Herb Holt, Planning Consultant Scott Bagby and Building Inspector William Layman.

Holland Reserves Take Fourth Win

Holland High's reserve basketball team put on a 39-point second half display to whip Benton Harbor's second team in Civic Center Friday night 58-51 for its fourth win in five starts.

The Dutch, using an aggressive pressing style of play right up to the final horn, were down 24-19 at halftime. In the third quarter the winners made 20 points while holding the Tigers to 10 and outscored Benton Harbor 19-17 in the fourth quarter. Benton Harbor led 11-10 at the end of the first quarter.

Holland's fast break was working well in the second half along with the rebounding. Four of the Dutch placed in double figures.

Ted Walters paced Holland with 14 points and was followed by Ron Dorgelo with 13. Jim Overbeek and Bob Chambers each popped 10.

Dave Wehrmeyer added nine and Jim Van Putten sank two to round out the Holland scoring.

Williams led the losers with 20 points and Wallace was next with eight.

Handicrafts and also supervised the mission elementary school in the town two miles from the mission training school. Her third term was spent in village work and last year she began work at Vellore. In 1943 Miss De Weerd received her master's degree from the University of Michigan following graduate work under the supervision of the University at Western Michigan College in Kalamazoo.

While in Holland Miss De Weerd made her home with her brother, Irvin De Weerd, 147 East Ninth St. She is the daughter of Mrs. Henry J. De Weerd of Kalamazoo and the late Mr. De Weerd, former Holland residents.

Library Adventures

By Arnold Mulder

In reading, one book leads to another; for a person really interested in his world, it is never necessary to consult a "best books" list. Whatever book anyone reads is likely to suggest other books in the same field or in further treatment of the same subject.

The same thing is true in writing books. A writer who has to be told by someone else what to discuss is not a writer in the true sense. Whatever subject a real writer is writing about is sure to suggest other subjects.

At the moment this fact is best illustrated by a new book that has not yet been published but that will soon appear on the stands — "The Lion and the Throne," by Catherine Drinker Bowen. Excerpts from it have been published in a national magazine, so that readers can form a clear idea of what the book will be like.

Fifteen years ago Catherine Drinker Bowen began work on the life and labors of Mr. Justice Oliver Wendell Holmes, the most famous member of the Supreme Court since John Marshall in the days of Washington. The book that resulted proved fascinating to many readers, but its effect on the writer was even more significant.

We are not told that Author Bowen had further studies in mind when she began on the life of Justice Holmes. But the chances are that she had no such plans. If the book had been a poor seller, no matter how good it might be as a literary product, the chances are that it would have been the end of the author's research in that direction. But it was a success.

And work on it had whetted the writer's appetite for further inquiry. Her researches had shown her that the ideas of Mr. Justice

Holmes had roots, they had not been born with Holmes. Those roots led inevitably to John Adams, a Father of the American Revolution.

So Mrs. Bowen dug down into the records that revealed the life and work of our second President. After an exhaustive research she came up with all sorts of fascinating facts that not only rehabilitated John Adams after he had been somewhat under a shadow, if not under a cloud, for a century and a half, but that threw new light on the foundations for our precious Bill of Rights.

Thus she had portrayed the twentieth century defender of the Bill of Rights, Mr. Justice Holmes, and the eighteenth century statesman who had much to do with the development of that near - sacred document, John Adams.

But her studies in the life and work of John Adams stirred the author's curiosity about the men and forces that formed the mind and heart of John Adams. In other words, just as Justice Holmes had roots in John Adams, so John Adams had roots in an earlier personality.

That personality, Mrs. Bowen found, was Sir Edward Coke, the man who served as head of the British department of justice in the reign of Queen Elizabeth. He was the man who defended the rights of the British common people in that reign and the reigns of the two Kings that followed. He lived an Anglo - Saxon Bill of Rights, just as John Adams helped to write it and Justice Holmes defended it in our own day.

That is the origin and such is the subject of Catherine Drinker Bowen's forthcoming book, "The Lion and the Throne."

Hopkins Crushes Saugatuck, 82-55

SAUGATUCK (Special) — Undeafed Hopkins boosted its average of better than 70 points a game here Friday night, walloping Saugatuck's basketball team, 82-55.

The game resulted in a scoring duel between Hopkins' giant Don Dorlag and Saugatuck's Harvey Slotman. Dorlag meshed 33 points while Slotman, in his best effort of the year, wound up with 29.

The Blue Devils scored first and Saugatuck never caught up, although staying close behind during the first quarter. At the end of the first eight minutes Hopkins led, 16-13. All of the Indians' points were made by Slotman, who carded six field goals and a free throw.

Dorlag, a blond 6'5" senior, began to connect in the second quarter and paced his team to a 41-25 lead at the half. Saugatuck had no one with the height to guard against his layups.

In the third quarter, with Hopkins continuing to break up the Indians' fast break with a shifting zone and man-to-man defense, the Blue Devils pulled away to a 62-37 margin.

Substitutes played most of the last period for both teams as Coach Don Little's team rolled to its sixth straight triumph.

Trailing the point leaders were Hopkins' Charley Miner with 17 and Saugatuck's Bob Brackenridge with 14.

The Hopkins junior varsity also had an easy night as it downed the Saugatuck reserves, 39-19, holding the Braves to six points in the second half. Freshman Bob Dorlag, a 6'4" brother of the varsity star, netted 19 points for Hopkins while Tony Hinson bagged seven for the losers.

Saugatuck returns to Al-Van league play next Friday night when they host Bloomingdale, winless in conference play.

Holland Riflemen Set League Record

Holland's Rifle Club fired 1,455 points, the highest score ever recorded in St. Joe Valley Association competition, to defeat Battle Creek Wednesday night.

Jarvis Ter Haar, long-time crack shot, led the Holland shooters with a 294 as the local team maintained its lead in league competition.

The 1,455 score is the highest shot in the four - position course. Battle Creek, handicapped by the absence of two top shooters, ended with a 1,423 total. Holland's score was unique as it was the first time a winning team has failed to post less than 500 in the prone position.

Clarence Baker followed Ter Haar with 291. Other Holland scorers were: Alma Clark, 287; Glenn Bonnette, 284; Vernon Avery, 284; John Weenum, 282; Howard Working, 281; Tom Smith, 278; John Clark, 275; Jake Meurer, 272; Louis Van Ingen, 269 and Fred Handberg, 259. Duncan Robertson and Duane Robertson with 283 and 281 respectively, led Battle Creek.

The top six in this group, as determined by the total pins for eight games, will then bowl three games against every other bowler. The three-game matches will be based on the Peterson point system where the bowler receives one point for each game won and one point for every 50 pins.

Rolling times will be 1 and 4 p.m. on the three other dates, Jan. 19, Jan. 26 and Feb. 2. Entries may be obtained at Holland Bowling Lanes and the deadline is Jan. 7.

Locals Qualify As Finalists

*Two Holland High and three Holland Christian High seniors along with one Allegan High senior have qualified as finalists in competition for 700 Merit Scholarships, according to word received today by the National Merit Scholarship Corp.

Those from Holland Christian are: Pearl L. Compaan, William D. De Wys and Ellen A. Masselink. From Holland High are Willard H. Connor and Louise A. Marsilje. Diana D. Armstrong is the finalist from Allegan High.

On Oct. 24, a total of 182,000 seniors from 12,500 high schools throughout the nation took a college aptitude test as first step in competition for the 700 plush scholarships. The field thereby was whittled down to 7,500 finalists. Total value of the 700 scholarships is \$3.5 million.

The finalists now face a stiff three-hour College Board examination on Jan. 12, plus intensive screening of their leadership and extra-curricular records by a selection board.

In the final phase of competition, the other accomplishments and the character of the competitors will be evaluated. About April 25, a fortunate 700 will become the Merit Scholars of 1957.

The value of each scholarship varies with the financial need of the student ranging upward from \$100 per year (minimum honorarium) to \$2,200 per year or more.

The program was established in 1955 through basic grants of \$20,000 from the Ford Foundation and the Carnegie Corporation of New York. The National Science Foundation and the Old Dominion Foundation have given funds for research.
