Knights Grab 4th Straight MIAA Victory

GRAND RAPIDS — Exhibiting fine shooting and superior rebounding, Calvin College's basketball team whipped Hope, 98-79, here Wednesday night before 5,000 fans in the Civic Auditorium to take over undisputed first place in the MIAA.

The victory was Calvin's fourth straight in league play and the eighth straight this season. The setback was Hope's first in league play and tied the Flying Dutchmen with Adrian for second place. Both clubs have 3-1 marks. Hope is now 7-3 overall.

The 98-point spread was the most ever scored by a Calvin team in a Hope game. The record made by either team is 100 and was made by Hope in the 1952-53 game. Calvin scored 90 in that contest.

Bill Wolterstorff, 6'7", senior from Raymond, Minn., turned in the best game of his career in leading the Knights to victory. The 200-pound all-MIAA senior scored 14 baskets and seven of eight free throws for 35 points.

He was underneath throughout the game and guards Carl De Kuiper and Len Rhoda and forwards Warren Otte and Ralph Honderd fed the ball to Wolterstorff who would leap up and tally. It was the most points he's ever scored in one game.

Wolterstorff, Honderd, Otte and Hank De Mols worked both boards throughout and the tall Knights picked off 56 rebounds in the game. On the offensive boards, Calvin controlled the rebounds and could get more than one crack at the hoop. Hope snagged only 28 rebounds and was frequently forced to shoot from out as the Knights clogged the lane.

The Knights were hitting and 40 of their 83 shots made the mark for 48 per cent. Calvin made 21 of 43 for 48 per cent in the first half. Hope took 73 shots and made 31 for 42 per cent, including 16 of 35 in the first half for 46 per cent.

At the free throw line, Hope made 17 of 28 while Calvin hit on 18 of 24. The Knights didn't commit until 7:37 remained in the first half. Calvin led at half, 47-36.

Wolterstorff led the early second half drive with 10 points as the Knights took a 60-46 lead with five minutes gone. The "Goose" scored six baskets in the first 10 minutes of the second half and Calvin tied 70-60 at the midway mark.

The margin stayed nine and 12 points for the next four minutes and with 5:51 left Wolterstorff, Honderd, Otte and Rhoda hit baskets in a row and the spread jumped to 91-72 with 4:16 remaining.

The Knights climbed to the 96-point mark with 1:10 remaining but fouls by the Calvin reserves prevented the Knights from getting the last basket until the last 15 seconds.

Jim Vander Hill was again the Hope scoring leader. He scored 12 baskets, seven in the second half and made six straight free shots for 30 points. Vander Hill has now scored 78 points in three MIAA games for a 23.2 mark and 175 in eight games for a 20.7 average. Wolterstorff has 88 points in four MIAA games for a 22-point average.

Vander Hill hit most of his shots on jumps from the sides. He made four baskets in the first 10 minutes as Hope trailed, 21-18. He scored four baskets early in the second half as Hope pulled within seven points, 62-55, with 11:49 left for its closest point in the second half.

Don Boyink scored the first Hope basket and Wolterstorff tied the score and Calvin never again trailed. Bob Reid was the floorman for the Dutch with several intercepted passes while De Kuiper and Rhoda worked the Knights. Coach Barney Steen shuffled his

Junior League Presents Gift to Herrick Library

A total of \$736.39 for the children's room of the Herrick Public Library, the proceeds of the Candy Cane Ball, has been presented by the Junior Welfare League, it was announced Tuesday at the weekly meeting of the League.

The group voted to again stage the Candy Cane Ball during the holidays. The third party for the special education students at Jefferson School will be held following the Holland High basketball game on Friday, Jan. 27.

Mrs. Myron Van Ark and Mrs. John Du Mez are chairmen of the event assisted by Mrs. Randall Vande Water, Mrs. Daniel Paul,

Mrs. Roger Prins, Mrs. Tom Carey, Mrs. Lester Klaasen, Jr., and Miss Betty Watson. The League will hold "Men's Night" on Tuesday, Jan. 31 at the American Legion Memorial Park clubhouse. A "surprise program" and pictures of the 1960 Follies will be shown.

On Feb. 14, the new members of the Junior League will have charge of a "Hearts and Flowers" card party while the annual "Kidie Carnival" will be held on March 11 in the Armory from 10:30 a.m. to 3:30 p.m.

Mrs. Ted Boeve presided at the meeting and Mrs. Kenneth Kleis gave the treasurer's report.

National Bank Has Election

Directors were named at the annual meeting of stockholders of the First National Bank Tuesday evening at the home of the Rev. and Mrs. Paul E. Hinkamp.

The secretary reported receipts of gifts since the last regular meeting totaling \$4,003.18. The treasurer's report for December showed a balance of \$1,891.07 in the current fund and \$93,338.73 in the building fund.

The secretary reported on an article in the Chicago Tribune of Dec. 11 regarding Homes for the Aged, which included a paragraph about Resthaven. Reports were made on visits to Homes for the Aged in Kalamazoo and Grand Rapids, with suggestions for features to be incorporated in the new west wing.

Chapman Is Candidate

Petitions were being circulated today for Rexford E. Chapman, 699 State St., as candidate for 5th ward councilman in the Feb. 20 primaries. Other candidates in the ward are Henry Vander Plow and Walter De Vries. Chapman is a retired school teacher.

Feb. 4 at noon is the deadline for filing petitions for city positions which this year list mayor, one councilman-at-large and councilmen for first, third and fifth wards.

Petitions already have been filed for incumbent Ernest Phillips, first ward councilman and William J. Van Ark as councilman-at-large. Persons seeking councilman posts in the three wards must have between 20 and 40 signatures on petitions. Persons who are candidates for councilman-at-large are not limited on signatures other than there must be a minimum of 10 signatures from each ward.

Bob Hope, 56, Ordered To Take Rest by Doctor

PALM SPRINGS, Calif. (UPI)—Bob Hope, 56, is resting up under doctor's orders.

The energetic comedian "pooped out" of a pro-celebrity match last week in Los Angeles after playing five holes, but he was able to keep business appointments later in the day.

"I'll stay in Palm Springs for three or four days' rest, then I'm heading east for some benefits and other appearances," Hope said Tuesday. "I feel pretty good, but the doctor has given me some medicine for my blood pressure."

"It's just a matter of slowing down the pace, and that's exactly what I'm doing now."

Volkema Is Candidate

A lively election is anticipated in the city this spring with opposition in all councilman posts.

Latest to file is Harold Volkema of 197 West 22nd St. as candidate for councilman in the new third ward. In this post he will oppose John Van Eerden, present fifth ward councilman now in the third ward in the newly defined city wards and precincts. Volkema, a local teacher, was a fourth ward candidate two years ago and lost by 7 votes.

So far, Mayor Robert Visscher is the only person not opposed. Noon Feb. 4 is the deadline for filing petitions.

Candidates for councilman-at-large are incumbent William Heeringa, William Van Ark and Nelson Bosman, present third ward councilman now in the new first ward.

First ward candidates are incumbent Ernest Phillips and Charles Shidler. Third ward candidates are John Van Eerden and Harold Volkema. Fifth ward candidates are Henry Vander Plow and Walter De Vries. Councilman posts are for four years. The mayor's term runs two years.

Progress Reported on New School

Package Type Food Service Okayed for Noon-Hour Lunches

A progress report on construction of the new high school was given at a monthly meeting of the Board of Education Monday night in the library of E. E. Fell Junior High School.

Building Consultant Arthur Read presented the master progress schedule in which all contracts are geared to the completion date of January, 1962. According to mutual agreements, contracts may be cancelled if not in accordance with schedules.

To date, mechanical and electrical rough-ins are in progress in the library, field house and classroom units. Block partition walls are in progress in the field house and the block laying in the library is completed to grade. Poured concrete basement walls in classroom unit "D" is completed. Back-filling around the field house and classroom unit "E" is partially completed. Alterations in the Bohn Aluminum building which will be used for a heating plant are in progress.

Read said reasonably good weather has been a factor in accomplishments on the site to date.

The board approved a buildings and grounds committee recommendation for alterations to the Bohn plant costing \$7,458 which does not include electrical, painting, ceiling or partitions for incinerator or gas meter housing since it was deemed wiser to locate these items at a later date.

The board also approved a combination gas and fuel oil burner at an extra cost of approximately \$1,500. This decision was made after many meetings and conferences in which the subject was thoroughly explored.

For school lunches, the new school will have a lunch program similar to the present one in Bosman's store, known as a limited packaged type food service. Such a service involves equipment and operation at no cost to the school district or at a bare minimum.

NATURE PAINTS CHILL PICTURE — Heavy frost early today added a new beauty to the city, capping trees and shrubs with a coat of dazzling white. The city's parks were havens for early-morning camera fans out to capture the shimmering spectacle of an icy sunrise.

Supervisors Change Mind; Approve Funds

GRAND HAVEN — The Ottawa County Board of Supervisors Wednesday afternoon reversed its action of the previous day on appropriating \$2,000 for a revolving fund for a new county water and sewage program.

In the new vote, the appropriation was approved 27 to 2 with dissenting votes cast by Lawrence Wade and Herb Holt of Holland. William Koop of Holland said he was opposed to the ordinance as it was set up but did not want to stand in the way.

On Monday, the board passed a resolution 18 to 13 designating the Ottawa County Road Commission as the agency to set up a water and sewer program on a county basis. On Tuesday, the board voted 19 to 12 to adopt the lengthy enabling ordinance, but lacked the necessary two-thirds majority on the next vote to transfer \$2,000 from the contingency fund to the new revolving fund. This vote was 20 to 10, but the prosecutor ruled 22 votes were necessary.

On Wednesday, Howard W. Fant of Grand Haven reopened the subject asking for a new vote. In his remarks Fant said he had many reservations on the program but felt since it was favored by the majority of the board that opportunity should be given to see if the program were workable. He said he hoped the board would not embark on a county-wide system which the ordinance suggests.

Fant said it is hard to know what a body of men will do, reminding the board that more than a year ago the county was interested in hiring a comptroller and a special committee expended much time and effort in interviewing 40 applicants. Finally when one was agreed upon, the board turned it down.

Wednesday's action also provided for a governing body for the new program. Appointed to the committee are Gerrit Bottema of Spring Lake, James G. Brower of Holland township, John Tigelaar of Jamestown township, James E. Townsend of Holland and Richard L. Cook of Grand Haven.

The board also voted not to go along with the merit system for two employees in the office of Civil Defense.

It was the last meeting of the January session and the board adjourned subject to the call of the chair.

In other business, the board by a vote of 18 to 13 appointed Don Oosterbaan, 39, Holland, as county safety director succeeding Avery D. Bakker of Holland who informed the board by letter that the only way he could accept reappointment is that he could obtain fulltime employment elsewhere.

Oosterbaan, who served nine years with the Holland police department, is employed part time with the Holland school system and also teaches courses in traffic school for Holland Municipal Court.

The other nominee who received 13 votes was George Swart of Grand Haven, former member of the Board of Supervisors. The new appointment is effective Feb. 15.

Considerable discussion was held on Civil Defense funds for Ottawa county which can be supplemented under Federal bill 606 involving a merit system. The program was explained by Henry Fink of Michigan CD who was accompanied by Hans Suzenaar, Civil Defense director of the county, Suzenaar's secretary, and Louis De Kraker, communications operator.

Holland Child, 3, Hurt In Collision Saturday

Three-year-old Michael A. Rotman of 1902 Van's Blvd. was treated at Holland Hospital for injuries suffered in a two-car collision at the intersection of 14th St. and Lincoln Ave. at 3:40 p.m. Saturday.

Holland police said the child was riding in a car driven by 22-year-old Mary Alyce Rotman. Police identified the driver of the second car involved in the mishap as Alyda Bruinsman, 40, of 31 East 26th St.

Lunch was served by Mrs. Arthur Vanden Brand and Mrs. Clarence Vanden Brand.

Maroons Stop St. Joe Rally In 58-56 Win

Holland Christian's Maroons staved off a desperate St. Joseph last-quarter rally on the Civic Center court Tuesday night to edge the Bears, 58-56. A crowd of 2,000 fans, the smallest home crowd of the season, turned out to see the locals take their sixth win in eight starts.

Christian's victory was doubly sweet in that the Hollanders have now defeated the potent Bears twice this season, their only losses against four wins. Earlier this season, Coach Art Tuls' quintet stopped the invaders 59-54 at St. Joe.

The game was a story of two opposite halves of play, with the locals outclassing the losers in the opening two quarters and the Bears stealing the honors in the final half. Coach Art Tuls was pleased with the fact that even though the Bears narrowed the count to 54-53 with 2:56 left, his ball club came through under pressure to notch the big win.

Holland played some of their best ball of the season in the first half as they completely dominated the play. Board work on the part of big Frank Visser, Clare Van Wieren and Ken Disselkoen was superb. Holland's defense was sharp as it intercepted numerous Bear passes and turned them into easy baskets. The Maroons performed well as a unit and it paid off with an 11 point halftime bulge.

Visser turned in perhaps his best game of the season and was just too much for Coach Ray Haack's Bears. He pumped in 30 points on some good drives as well as connecting from out over the defense. Christian's win was registered despite the fact that the losers had the best of the shooting percentages. In the first half, the winners connected on 13-39 for 33 per cent and overall hit 21-62 for 34 per cent. St. Joe, meanwhile collected 10 of 27 in the first half for 38 per cent and in the whole game had 24 out of 57 tries for 42 per cent.

A surprise starter, Dave Lange, was the big gun for the Bears with some fine outcourt shooting for 20 points. The Fette twins, Bill and Tom, each collected 10 points and were tough on the boards in the second half.

St. Joseph led at the outset when Lange collected on a tip play for a 2-0 margin. Then the Maroons started to move on some fine shooting by Visser and Tom Bouman to take an 8-2 lead. Lange continued to hit from out to boost the Bears to an 11-10 count — their last lead of the game. By the end of the period, Christian raced to a 20-15 lead.

The second quarter was fast and furious as the Maroons pulled away in a hurry on some fine set breaks to hold eight and nine point leads throughout. The Bears managed only eight markers in the period, while the Maroons collected 14 to take a 34-23 halftime bulge.

Christian suffered a letdown in the opening minutes of the second half while the Bears looked like a different ball club. They rebounded well and some fine shooting narrowed the gap to eight points before Visser again took over. Several fine feeds set the big pivotman up for some easy layups to boost the Hollanders to a 49-34 lead, their biggest in the game. Then came the Bear drive which narrowed the gap to 49-40 going into the last period.

Using an all court in the last eight minutes the Bears traded fouls for baskets. Still trailing 54-43 with 5:35 left, they got hot and scored 10 straight points with Lange and Bill Fette leading the way. They cut the margin to one, but Christian regrouped their forces and looked sharp in the remaining two minutes with good conservative basketball.

At the foul lane the locals hit on 16 out of 24 tries and the losers collected eight out of 15 tries.

Christian now rests during the exam layoff until Jan. 20 when they entertain the Zeeland Chix.

Grand Haven Has 4-3 Mark

GRAND HAVEN — Grand Haven's basketball team won three games last season and already this season the Bucs have scored four wins and will be after him No. 5 Friday night at 8 p.m. in the Holland Civic Center.

Traverse City, Coopersville, Fremont and Zeeland have been Grand Haven's victims. Benton Harbor, Muskegon and Muskegon Heights defeated the Bucs.

Grand Haven stayed with Muskegon Heights until the final four minutes last Friday night. The Bucs were trailing, 61-60 when Doug Vander Wall fouled out and Grand Haven slipped the rest of the game and lost, 72-62.

John Sluka, son of Athletic Director Steve Sluka and well-known all-around athlete, is the top scorer on the team. He hit 23 against the Tigers, most of them from outcourt and his 11 baskets is Sluka's high mark of the season. He is averaging 15 points a game.

Vander Wall and Sluka are the Grand Haven guards. Vander Wall scored 10 against the Heights and also hits from outcourt. Rog Weavers, 6'5" sophomore, is the center.

The forwards are Dave Hettinga and Donn Van Schelven. Junior Terry Carlson turned in an aggressive game against the Tigers and is expected to grab Hettinga's starting berth. He made 16 points and more than 50 per cent of his shots.

Grand Haven used a zone against Muskegon Heights and will probably try a zone against the Dutch. Holland has been using a zone most of the time this season.

Hudsonville Wins 3rd Tilt

GRAND RAPIDS — Hudsonville High's basketball team pulled out a 67-66 win over Grand Rapids South Christian here Tuesday night to even its season's record at 3-3.

Good free throw shooting in the fourth quarter including six straight charity tosses by Bob Holleman gave the Eagles the victory. South Christian led 17-15 at the quarter and 39-33 at half.

The third period score was 51-50 with Hudsonville in front. The Eagles had a three-point lead in the closing seconds when South Christian hit a basket to narrow the final margin to one point.

Holleman led Hudsonville with 22 points while Jim Walma had 16 and Terry Gaele canned 13. Handlogten had 21 for South Christian while Bouma had 11 and Winkle, 10.

Hudsonville returns to OK League action Friday night against Forest Hills in Hudsonville.

Hope Art Teacher Has 1-Man Show

A "one man show" of the paintings and drawings of James K. Loveless, instructor of Art at Hope College, opened Monday night, in the Herrick Library Auditorium, with a special preview showing to invited guests.

On Tuesday the show was opened to the public during regular library hours and will run through Feb. 20. Loveless will display over fifty paintings and drawings at the show.

A figurative painter, Loveless prefers to experiment with the use of various media and combinations of media for his work.

Loveless did his undergraduate work at De Pauw University where he majored in Art. After receiving his B.A. degree he studied medical illustration for one year at the University of Illinois Medical School. He then went to Indiana University where he received his M.F.A. in 1960.

Last fall he and his wife both joined the staff at Hope College. He is presently teaching Art history, painting, sculpture, and design. His wife teaches in the Mathematics department.

Panthers Nip Gobles Team In Tight Tilt

GOBLES—West Ottawa, giving its team effort of the season, moved to a close 48-44 win over Gobles here Tuesday night for its sixth win in seven starts.

The lead see-sawed 10 times throughout the game and the score was tied six times, including 39-39 with five minutes left in the game. George Donze hit two free throws, Leroy Vedder, 6'6" center, hit his only field goal of the night, and Glenn Bareman made two free throws to build a six-point lead 45-39 with only two minutes remaining.

Two quick buckets by Mater and Areaux reduced the edge to 45-43 with a little less than two minutes to go. The Panthers, displaying good stalling tactics, managed to draw foul shots in the last minute and George Donze sank three to give them their victory.

The winners were still fighting the cold spells that have given them trouble the last three games. Just when it looked like one team would build up a good lead, the other team would come fighting back and grab the lead.

West Ottawa hit on 16 of 50 shots for 32 per cent, which is better than the two previous games.

Both teams were hurt in the game by key personnel having too many fouls. For West Ottawa, Norm Koop picked up three fouls in the first quarter and saw only limited service before fouling out with six minutes remaining in the game. Vedder, the big center of the Panthers, had four fouls midway in the second quarter and this limited his play.

For the Gobles Tigers, Hawes and Kloosterman, their tallest players, both fouled out in the crucial fourth quarter.

Duane Overbeek, regaining some of his shooting accuracy that made him the team's most valuable player last year, led the Panthers in the first half as he scored 12 of his 14 points. With Overbeek and Marinus Donze hitting from outside, the winners were having no trouble with the opponent's zone defense.

George Donze led the Panthers through the tense second half as he scored 11 of his 14 points, including seven points when they were needed most in the fourth quarter.

West Ottawa hit 16 of 31 foul shots for 52 per cent, while Gobles had 14 of 32 for 44 per cent. Overbeek and George Donze shared the scoring honors for the winners with 14 points. Herb Cooley, a fine play-maker, played a good game and was the high scorer for both teams with 17 points.

West Ottawa has a fine season record of 6-1, while Gobles is now 4-3.

West Ottawa hosts Zeeland Friday night at the Holland Armory and Coach Herb Maatman feels that his team is up for this game. The reserve game will begin at 6:30.

GE Supplemental Agreement Signed

The supplemental agreement to the regular union contract for the Holland General Electric plant, approved by union membership at a meeting Saturday afternoon, was signed by representatives of management and union Tuesday afternoon.

The agreement goes into effect Monday and runs until the end of September, 1963. Negotiations on the agreement have been under study since the three-week strike in October. Differences largely involved layoff and rehiring procedures.

Representing the union were Charles Klungie, Don Boerman, Douglas Thorpe, John Dziedzic, Jennie Wassink and Harold De Pree. Present from management were Harold E. Denig, Robert L. Sessions, Howard G. Reinking and William H. Grotz.

Mrs. Wetter Addresses Special Education Children

Mrs. Harry Wetter of the Holland Garden Club was at Jefferson school Monday to give a talk to the children of the special education department.

She showed pictures and told stories of her experiences with birds in the vicinity of her home. She also showed pictures of raccoons, opossums, flying squirrels and a pet monkey.

Mrs. Wetter and her husband have been successful in taming many of the raccoons.

When the children meet again in several weeks with Mrs. Wetter and the Garden Club Therapy Committee, they will have the opportunity to continue this subject.

The perch weighs one pound and two ounces. The youngster was fishing with his grandfather, Fred Olthoff of 111 East 20th St. (Sentinel photo)

Guild Officers Are Installed at Sixth Reformed

Installation of officers for the 1961 year and a demonstration of a circle meeting featured the regular meeting of the Guild for Christian Service Tuesday evening in Sixth Reformed Church.

Following devotions conducted by Mrs. Keith Hoskins, Mrs. Gordon Pippel presided at the installation service. Officers are Mrs. Boyd De Boer, president; Mrs. Richard Bouws, vice president; Mrs. Bernard Vander Meulen, treasurer; Mrs. John Mokma, secretary; Mrs. B. Mulder, assistant secretary-treasurer; Mrs. Henry A. Mouw, secretary of education; Mrs. Bouws, secretary of spiritual life; Mrs. Dale Moes, secretary of organization; Mrs. Willis Nuismer, secretary of service.

Mrs. Robert Oosterbaan was soloist.

Members of the Beechwood Guild for Christian Service demonstrated a typical circle meeting. Taking part were the Mesdames James H. Town, Lawrence Prins, Henry Wiersma, Leroy Brookhous, Dale Boes, Albert Wiegink, Gerald Van Lente, Gordon Kardux, Marvin Vanden Bosch and Elton Van Pernis.

Mrs. De Boer presided at the business meeting which followed. Hostesses were the Mesdames J. Kemper, R. Bouws, J. Hoeve and Robert Horn.

Husbands and friends are invited to the guest night meeting on Feb. 7 when the church's missionaries to India, Mr. and Mrs. Ben De Vries, will be present.

Panel to Speak At PTA Council Meet Thursday

The Holland PTA Area Council will meet on Thursday, at 7:30 at Lakeview School on Lugers Road.

Vital information which affects each PTA group will be presented by a panel on the subject "Long Range Financial and Growth Problems of the Elementary Schools."

Speakers on the panel will be Ed Donovan, Supt. Walter W. Scott and Jack Plewes from the school board. These men are in positions which enable them to know the facts about current financial problems, questions on pupil population, plans for future school construction, property acquired for future elementary use, and long range financial problems.

Discussion will center around these topics and if anyone wants particular information, questions may be asked from the floor. Mrs. J. K. Vander Broek will be the moderator.

PTA officers from all schools in the area are invited. PTA Council meetings are open to all interested persons. The public can be informed only if enough people are concerned about getting the facts from informed persons, finding out what is being planned and letting school administrators know their feelings and needs.

Lions Club Sets Future Programs

Ekdal Buys of Grand Rapids spoke to the Holland Lions Club Tuesday at their noonday meeting at the Warm Friend Hotel. Mr. Buys gave a talk on the subject of Investments and conducted a question and answer period. Don Thomas, chairman of the program committee, introduced Mr. Buys and told some humorous incidents of their student days at Hope College in 1937.

Frank Fleischer, Lion club president, announced the coming of the Mort Neff program sponsored by the Lions at the Holland Civic Center in April. He also said the Lions will be active in the coming March of Dimes drive.

Paul G. Conlin of the department of social welfare division of services for the blind will be featured at the Lions club meeting on Tuesday, Jan. 24.

President Fleischer honored Lion Russ Vander Poel who has been a member of the Holland Lions club for 34 years. He has had 20 years perfect attendance record and is a key member. He has held different positions in the Lions and has spent many years on Lions committees.

Lion Duff Wade introduced the following new members: Nelson Ryzenka, Perc Bailey, Dr. J. E. Cook and Henry Vander Ploeg. Sponsors for the new members were Art Quist, Peter Elzinga and Ernie Bear.

Dr. David Dolese was a visitor at the noon luncheon.

Fire Destroys Knoll Farm Home

A large frame farm house located about two miles southwest of Graafschap owned by Jake Knoll was leveled by fire Tuesday, resulting in loss of all contents. No estimate of damage was given.

Deputy Henry Bowman of Fillmore Township said the fire was believed to have started in the vicinity of a hot water oil heater in the basement. Mrs. Knoll and a young son were home at the time and went to neighbors for help. The other five children were in school.

The Graafschap fire department responded and kept the fire from spreading to the barn and other buildings.

Rose Park Guild Installs Officers

The Guild for Christian Service of Rose Park Reformed Church opened their first meeting of the year Tuesday evening with the hymn "Living for Jesus."

Mrs. Clarence Simonsen, chairman of the program committee, had charge of devotions, assisted by Mrs. Gerald Overway who read scripture and Mrs. Ted Renkema who offered prayer.

Mrs. John Piet showed colored slides of India where she and her husband, Dr. Piet, had been missionaries for 20 years.

Mrs. John Vanden Brand and Mrs. Don Bloemers sang "Nothing But Leaves" and "Have I Done My Best for Jesus?" They were accompanied by Mrs. Peter Van Kampen.

In a candlelight service conducted by Mrs. Charles Vander Beek, retiring president, the following officers were installed: President, Mrs. Charles Doornbos; vice president, Mrs. Nelis Bade; secretary, Mrs. Henry Jacobs; treasurer, Mrs. Don Huismann; secretary of spiritual life, Mrs. Abe Vanden Berg; secretary of education, Mrs. Hero Nienhuys; secretary of service, Mrs. Wayne Nyboer; secretary of organization, Mrs. Russel Newhouse.

The newly installed president, Mrs. Charles Doornbos, conducted the business meeting that followed.

The closing thought, given by Mrs. Clarence Simonsen, was a poem entitled "What Is Prayer?" Mrs. Doornbos offered the closing prayer.

Hostesses for the evening were the Mesdames Stanley Oudemolen, Julius De Haan, Dale Biely, Wilma De Graaf and Jacob Essenburg, Jr.

Catholic Group Has Regular Meet

The St. Francis de Sales Women's Club held the first meeting in the new year Monday with Mrs. Melvin Victor welcoming Mrs. Al Basdianse who arrived from Indonesia last summer.

A film, "Home Eternal" was shown with several pictures depicting the beauty and splendor of St. Peter's Basilica.

Msgr. A. Le Roux explained the objectives of Women's clubs in church work and Mrs. J. Lang informed members of the Deaneary Institute to be held Jan. 19 at the Spring Lake Country Club. Guest speakers will be the Rev. James Crisack of Reed City and Msgr. Fahiki of Grand Rapids. Members may make reservations for the luncheon by calling Mrs. M. Victor or Mrs. J. Lang.

Mrs. E. Wright, chairman of the Indian mission, spoke of the need of clothing, toys and essentials for the orphanage at Harbor Springs. Members voted to send a cash donation.

The women were reminded of the annual meeting of the Holland Catholic Credit Union on Jan. 29 at 8 p.m. This will be a social evening for the entire parish.

Hostesses were members of the St. Christophers Study Club. Mrs. R. Wymore arranged a Madonna, beauty berries and red roses between burning tapers for the refreshment table. Miss Billie Nelis poured.

Local Star of Bethlehem Chapter Holds Meeting

The regular meeting of the Star of Bethlehem Chapter No. 40, O. E. S., was held Thursday evening with Worthy Matron Ruth Anys presiding.

During the business meeting Bert Schultema was elected to the Temple Association. The rug fund secretary reported the sum of \$1,067.73 in the bank. It was announced by the Worthy Patron that a proficiency class would be started for those interested.

Following the business meeting the officers put on a telephone skit honoring the sidelines and presented each with a gift. Refreshments were served in the dining room by Mrs. Bert Schultema and her committee.

STUMP ROUTER EASES JOB — The arduous task of removing tree stumps can now be done in a matter of minutes by the city's Park Department with its new gasoline powered Vermeer stump router. The machine shaves stumps up to six feet in diameter to a level 10 inches below the ground. Removing a large stump during the winter formerly took

about a day and a half, according to Jacob De Graaf, department superintendent. Parks Department employee Dave Van Kampen (behind machine) and Floyd Vander Hulst Thursday used the machine at Centennial Park to get rid of the stump of one of the largest elm trees in the city. The condemned elm had been felled earlier this week. (Sentinel photo)

Ottawa County Farm News

By Richard Machiele

Ottawa County Extension Director With graduation time approaching many high school graduates will be facing the problem of selecting the college of their choice, and also their future field of work.

We would like to have boys interested in the field of agriculture take a good look at some of the opportunities in this field. Space won't permit us to elaborate on these fields but agriculture is a broad field with fascinating new opportunities. It needs trained persons to process and distribute, to give special services to people who actually produce the products and to do research and teaching that will make our agricultural production and distribution even more efficient. Agriculture needs scientists.

Boys with farm backgrounds have a running start, but more and more city boys are going into agriculture. Consider agriculture! If interested, write or call our office for a booklet entitled "I've Found My Future in Agriculture." If you would like to talk about these opportunities in agriculture, someone from our local staff will be available for consultation. There are also a number of scholarships available from Michigan State University in the Agri-Business field. These range in value from \$250 and up. We would be happy to talk with anyone that might be interested.

Sessions on orchards, small fruits, vegetables and flowers are planned by the Michigan State University department of horticulture as its program during Farmers' Week which runs Jan. 30 to Feb. 2, 1961 on the East Lansing campus. The sessions begin Tuesday morning, the second day of Farmers' Week. All will be held

in the Horticulture Building. Good orchard practices will be discussed in a session beginning at 10 a.m. Tuesday. George Kessler will discuss the best varieties of fruits for Michigan orchards, Robert Carlson will discuss the place of "dwarf" trees in commercial orchards and A. L. Kenworthy will discuss fertilizers. All are staff members of the Horticulture department.

E. J. Kios of the Dept. of Botany and Plant Pathology will discuss diseases to watch for in 1961 and A. L. Dowdy of the Dept. of Entomology will discuss orchard insects in prospect for 1961. Tuesday afternoon there will be a session on small fruit culture beginning at 1:30. Ervin Barnes, botany and plant pathology, will discuss the small fruit disease research program; James Moulton, horticulture, will discuss the best strawberry, raspberry and blueberry varieties for Michigan, and Harry K. Bell, horticulture, will discuss weed control.

A vegetable and flower plant growers' clinic will be held Tuesday beginning at 9:30. John Carew, horticulture, and Abram Barg of Leamington, Ont., will discuss soil blocks for plant growing. A panel moderated by Richard Stenson, horticulture, will discuss the bedding plant business. Panel members include Louis Holcomb, Lansing; Miss D. Tuinstra, Grand Rapids; Frank Smith, Carleton, and Paul Romance, Kalamazoo. Vic Bell of George J. Ball, Inc., West Chicago, Ill., will discuss root-cutting and profit-building.

Beginning at 1:30 p.m. the plant science greenhouse flower research will be toured and Barg will demonstrate an electrical soil block forming machine. The vegetable growers' program is to be Wednesday morning beginning at 9:30. John Downes, horticulture, will discuss growing better vegetable plants. Stanley K. Ries, horticulture, will report on mechanical harvesters. Gordon Guyer, entomology, will discuss control of cabbage worms, pepper borers and cucumber mosaic. Herbert Turner, a vegetable grower from Saginaw, will discuss production records. Marvin N. Shearer, Oregon State College, will speak on West Coast irrigation methods.

A reminder from George Parsons, extension dairy specialist at M.S.U., suggests that all Ottawa County dairymen be sure to have ear tags on all calves that have been vaccinated for brucellosis. Keep a record of the numbers on the original ear tags Parsons suggests. And then write down the numbers of new tags that are put in a calf's ear to replace lost or torn out tags. Such a record will help keep things straight later on when the herd is blood tested. Also be sure to tell the veterinarian when he blood tests the herd about the original numbers so that he can make proper changes in official records. A vaccinated animal carrying a non-recorded ear tag might be called a suspect if there is an increase in its blood titer (caused by the vaccination). Parsons says that this problem of replaced ear tags will only be solved when all vaccinated animals carry a tattoo in the right ear.

Sakiko Kanamori Shows Japanese Arrangements

A delighted audience of Garden Club members and guests applauded Miss Sakiko Kanamori Thursday afternoon following her program, "Japan to You Through Flowers."

Dressed in a brilliant native costume of red, black and gold and kneeling before a low round Japanese tea table, she gave a thoroughly charming demonstration of flower arrangement as she had been taught in the Ikenobo school in Japan.

Miss Kanamori covered three styles of flower arrangement known as Shoka, Nageire and Moribana. In all three she stressed the beauty of unbalance, depth of plane, and use of uneven numbers. Shoka and Moribana require the traditional Ten-Chi-Jin, triangular placement, but the Nageire, which literally means to "throw in," evoked a great deal of humor. Miss Kanamori's "throwing flowers" in the tall slender type vase was done with much artistry. While doing this, she explained bits of technique such as branch bending and pruning.

The flowers used in her program are also native to our country. She explained that the Japanese use much pine in their work because it is a symbol of the everlasting and especially popular at the New Year. Several of her arrangements will be on display in the Herrick Public Library this week.

Mrs. Charles Cooper, chairman of the day, introduced Miss Kanamori, who is a music student at Hope College. Mrs. William Schrier and Mrs. Robert Cooper were door hostesses.

Mrs. Robert De Nooyer welcomed members and guests and introduced several state officers.

THE NATURAL AND ARTIFICIAL TREE

Now that Christmas is over for another year, we are trying to find out just where the new year will lead us. Much information is featured in forecasts by many people in the newspapers and magazines. The fragrant needle laden trees that hold their needles through the year when it comes to the Christmas tree market have come in for some stiff competition from both the steel and aluminum. Reports from the Wall Street Journal indicate that the aluminum tree has made a telling penetration with 2½ million trees up from one million last year. Production was reported at only 50,000 in 1958.

Overall, some 43 million trees were marketed in this country, including evergreens imported from Canada and all types of artificial trees. Aluminum and evergreens were reported down in price but the metal trees were generally more costly when comparing height and fullness.

The increase in metal trees was largely due to advertising by the three large manufacturers of the metal.

Daniel Den Uyl, a past president of the National Christmas Tree Growers Association, Inc., stated that 30 per cent of all U.S. evergreens marketed were plantation grown. Five years ago only about 4 to 5 per cent of the Christmas tree harvest was planted. The rest grew wild. With the aluminum tree makers trying for a larger share of the tree market the natural tree people who market and grow Christmas trees will be forced to look to their tree growing and modern ways of handling their product as well as control the waste by oversupply of the retail markets in many cases. Clifford Gearhart, president of the Michigan Christmas Tree Growers, puts it this way: "I don't recognize them as competition."

This may be all right but in our area with thousands of acres devoted to Christmas tree farming we think that it would be well for the growers to start thinking about some kind of an advertising campaign for the coming season. If the industries that manufacture the metal for artificial trees have found that advertising has increased their volume then perhaps the people who have started from scratch and have developed tree growing to a good business should start making their plans now.

Chamber Lists Top Speakers

Two top men will speak at a luncheon Tuesday, Jan. 17, in the Hotel Warm Friend sponsored by the joint committees of the industrial and city and state affairs of the Chamber of Commerce.

Colin L. Smith of Detroit, manager of the Michigan Employers' Unemployment Compensation Bureau, will speak on "Problems Ahead for Employers in Financing Unemployment Compensation Benefits."

John Denman, manager of the state and local government relations in the civic and government affairs office of the Ford Motor Co., in Detroit, will discuss "Legislative Facts for 1961."

Smith has been affiliated with the unemployment compensation benefits since its inception and has served as a state senator when the unemployment benefits were first considered.

Special interest on unemployment and changes advocated will be discussed. Chamber officials pointed out that persons employing one or more persons should attend because the changes will be a burden on employers.

Facts on legislation will be discussed along with some of the old bills and new bills expected to be submitted to state legislators.

Why Christ Came
John 3:1-21

By C. P. Dame
When Jesus was upon the earth He met and talked with all kinds of people from different walks of life. This lesson tells us about the conversation Jesus had with a religious leader named Nicodemus whose coming to Jesus showed much interest. This visit took place in Jerusalem where Jesus had gone in order to celebrate the Passover. This lesson teaches us the necessity of the new birth, called regeneration in theological books.

I. Jesus taught the necessity of the new birth. Only the gospel of John mentions Nicodemus and it does so three times—in chapter 3, in chapter 7:50 and in 19:39-42. Nicodemus was a Pharisee. Jesus said some very sharp things about the Pharisees. It is not right to condemn a person because of the class or color or race. John says that Nicodemus was a ruler of the Jews which means that he belonged to the Sanhedrin, the Jewish Council composed of 70 members, over which the high priest presided. At that time the Sadducees, the liberals, were in control, but the Pharisees who were conservative, were influential.

Nicodemus came to Jesus by night. Perhaps he was too timid to come during the day, perhaps he came because it was easier to contact Jesus then. Stress the fact that he came.

Nicodemus showed regard for Jesus in coming and by calling Him "Rabbi" and by admitting that he and others believed that Jesus was a teacher from God. It is worth noting that Jesus spoke to this intellectual gentleman and religious leader about the new birth. "Verily, verily, I say unto thee, Except a man be born again, he cannot see the kingdom of God."

Nicodemus did not grasp this teaching. He believed in salvation by good works and descent from Abraham. Jesus said that it was necessary for a person to be made spiritually alive — and only God can do this, for by nature we are spiritually dead. The how and when of the new birth remains a mystery. The reborn can witness to the fact of it. Nicodemus knew of the baptism of John which implied repentance and this is followed by regeneration. Jesus suggested to Nicodemus that he seek John's baptism and then join his company and experience the new birth. The Lord said that as we do not know from whence the wind comes and where it goes but we see its effects, so likewise we can't explain the new birth but we can see its results in a life of love and humility.

II. Jesus came to give life. It was possible for Jesus to speak about heavenly things because He had firsthand information. One of the things Jesus said to Nicodemus was that the Son of Man must be lifted up. He referred to an event which happened in the days of Moses—it is recorded in Numbers 21:8, 9. The Israelites had sinned and as a punishment the Lord sent fiery serpents which bit many people.

When the people confessed, Moses by God's order made a bronze serpent and set it on a pole and told the bitten people to look at the bronze serpent and live. Jesus—thus foretold His crucifixion and how all who put their faith in Him would live. Those who believe in Jesus have eternal life now. How mistaken people are when they think that Jesus narrows life!

III. God loves and gave His Son. John 3:16, speaks of a great love, a great gift, and a great salvation. What must man do? He must believe—and that means to forsake all and take Jesus. We must trust a Person, namely the Lord Jesus. They who believe in Him will not perish but have everlasting life.

IV. Jesus came to give life. It was possible for Jesus to speak about heavenly things because He had firsthand information. One of the things Jesus said to Nicodemus was that the Son of Man must be lifted up. He referred to an event which happened in the days of Moses—it is recorded in Numbers 21:8, 9. The Israelites had sinned and as a punishment the Lord sent fiery serpents which bit many people.

Miss Yeomans Married To Frederick N. Krull

The marriage of Miss Joyce Anne Yeomans of Royal Oak, daughter of Mr. and Mrs. Edward C. Yeomans, 206 East 29th St., Holland, and Frederick Norman Krull of Clawson, Mich., son of Mr. and Mrs. Fred T. Krull, 2431 North 60th Ave., Wauwatosa, Wis., was solemnized Saturday afternoon in the First Presbyterian Church of Royal Oak.

The double ring ceremony was performed at 3:30 p.m. by the Rev. Thomas Kirkman in the presence of approximately 75 guests. The bride, given in marriage by her father, wore a gown of peau de soie featuring a bodice of exquisite hand-clipped Alencon lace. The softly scalloped sabrina neckline highlighted the gown which had three quarter length sleeves of Alencon lace. The princess styled peau de soie skirt of the gown was offset in the back by two large cabbage roses and a soft butterfly bow. The skirt blended into a train of chapel length. An Alencon lace Swedish tie crown trimmed with tiny seed pearls was attached to a butterfly designed veil of illusion.

Miss Mary A. Kern of Garden City, Mich., as honor attendant, wore an olive green dress with wavy neckline bodice cut with a square

neckline. The satin bell shaped skirt was accented by a front cabbage rose and the matching headpiece was of net and velvet. The flower girls were Debra Gerrish, daughter of Mr. and Mrs. Charles Gerrish, of Warren, Mich., and Debra Morris, daughter of Mr. and Mrs. Walter Morris, Birmingham, Mich. They wore matching gold velvet dresses with three quarter length sleeves and self bows in the back. Their white fur headpieces complemented the matching white fur muffs.

Charles Gerrish of Warren attended as best man and Henry Yeomans, brother of the bride of Holland, and David Havelock of Warren, seated the guests. For the occasion the bride's mother chose a beige sheath of brocade complemented by a matching flower hat and beige accessories. The mother of the groom selected a rose beige sheath of lace with jewel neckline. Her flower hat of beige had olive contrast and her accessories matched the dress.

Following a reception in the church the couple left on a wedding trip to the Laurentian Mountains. They will make their home at 3129 Elmhurst Ave., Royal Oak, Mich.

YOUNGSTERS LEARN WRESTLING—Physical education students in Holland junior and senior high school have been learning the fundamentals of wrestling as another physical education unit. The unit is designed to teach some of the wrestling holds, create interest in the sport and provide a well-rounded physical

education program. A written exam on the sport concludes the unit. James Jebb (left), Holland High physical education instructor, here is instructing Larry Speet (top) and Don Tummel in the down position while members of the class observe.

Physical Education Classes Add Wrestling

A wrestling unit has been added to the Holland junior and senior high school physical education program and youngsters from the seventh through 11th grade are learning the fundamentals of wrestling.

The wrestling unit helps to give Holland gym students a well-rounded program. Other units include basketball, physical fitness, volleyball, track and a tumbling unit is slated next.

Don Piersma and James Jebb of the high school physical education staff give the wrestling instruction and they are assisted by Con Eckstrom and Bob Weber of the elementary physical education staff.

The wrestling unit, presented

for the first time in Holland, has been popular with the boys, Jebb said, "and the response was as good as any other unit."

A written test on wrestling rules and names of the holds and other wrestling information was given the boys as a climax to the unit.

The boys were also given the major wrestling positions. These include the standing position, the down position with one contestant on his hands and knees with one hand across the other wrestlers back and the reverse down with the other boy assuming the hands and knees position. Foes are matched as to weight.

Wrestling is held for 15 seconds in each position and a point is awarded for each position. Both

wrestlers try for the single point and the wrestler that wins the 15-second position wins the point.

The boys are placed in wrestling positions where they have to start wrestling. Setting of the positions and the 15-second ruling is done because of the large classes.

The introduction of wrestling in the physical education classes is another step in changing the program. It is hoped that many of the youngsters will enjoy the program enough to compete for the Holland varsity wrestling team.

Wrestling was started on a varsity level last season and the team is in its second year. A mat has been purchased and practice is held at Jefferson School. Weber is coach.

She is survived by three daughters, Mrs. Gerrit Boldt of Hudsonville, Mrs. John Bosh of Belding and Mrs. Gerrit Van Vel of Jenison; four sons, Nick of Grand Rapids, John of Holland, Bernard and Carl, both of Hudsonville; 35 grandchildren; 13 great grandchildren; two sisters, Mrs. Anna Kleeves of Muskegon and Mrs. Walter Vander Wall of Hudsonville.

Local State Farm Insurance Man Moves Office

"Just want my friends to know I'm moving," he said today. A familiar figure in this community, he will continue to handle family insurance needs . . . including Auto, Life and Fire insurance . . . in his new location. Expanding business and need for extra office space were given as reasons for this move. It seems that more people are buying State Farm insurance every day here.

Dutch Wrestlers Lose to Portage

Gary Smith
... spectacular

Ned Gonzales, Jim Van Fleet and Gary Smith turned in victories as the Holland wrestling team dropped a 39-11 decision to Portage here Thursday before 75 fans in the Jefferson School gym.

It was Holland's second straight loss and the Dutch are scheduled to meet Godwin Heights in the Jefferson gym on Friday, Jan. 20. Smith turned in the most spectacular showing in the meet. Making his first appearance of the season, Smith pinned Robert Kimmeren of Portage in less than a minute in the 180-pound competition.

A letterman, Smith took off after his opponent at the starting whistle. He caught him, picked him up about four-and-a-half feet off the mat and then had Kimmeren in a pinning position in less than 10 seconds.

In lifting his foe, Smith spun his opponent and the defeated youth remarked after the bout that "he thought he was on a Ferris wheel." Smith's victory was the lone pin for Holland in the meet.

Gonzales defeated Gary Stoner in the 120-pound class and Van Fleet defeated William Micheau in the 145-pound division.

Holland coach Bob Weber pointed out that "experience made the difference in the match." The three Holland winners were members of the Dutch wrestling team last year, the first season Holland had the sport. Portage has had wrestling for the past five years.

The Dutch were forced to forfeit in the 95-pound and 112-pound classes because they didn't have contestants in these weights. Vic Valentine of Portage won the 95-pound class and Charles Hyet of Portage won the 112-pound class.

Steve Penna of Holland was pinned in the second period by Marc Savage of Portage in the 103-pound division while Bill Gray of Portage won a decision over Dick Collins of Holland in the 127-pound class.

Art Stoner of Portage pinned Tom Elenbaas in the 133-pound division while Ken Hannegeier of Portage pinned Jim Rozema in the 138-pound class.

Jim Powers of Portage defeated Tom Coleman of Holland in the 145-pound class while Phil Frenthway of Portage pinned John Van Dam of Holland in the 165-pound competition.

Ken Hunt of Portage defeated Terry Husted of Holland in the heavyweight division.

Portage arrived more than an hour late for the 4 p.m. match and while the Dutch team was waiting, Dick Merrill, Wally Grigsby, Bill Arendshorst and Max Wiersma, put on a demonstration of wrestling while Weber narrated the various holds and techniques. Rex Roseman, Grandville wrestling coach, was referee and Jim Jebb of the Holland High physical education staff, was in charge of the officials table.

Hudsonville Unity Wins Over Rogers

HUDSONVILLE — Hudsonville Unity Christian whipped Grand Rapids Rogers, 63-41 here Friday night for its seventh basketball victory in nine starts.

The Crusaders led 20-14 at the end of the first quarter and 37-18 at half. The third period margin was 32-29.

Ron Schuitema led Hudsonville with 20 points while Cal Aukerman and Gary Meinema each had 10. Dennis O'Connor made 11 for Rogers.

The Unity seconds walloped Rogers, 71-50. Unity will play at Kalamazoo University High next Friday night.

Apple Avenue Defeats Montello Park, 10-2

Doug Van Hekken made eight points and his brother Dave made two as Apple Avenue School sixth graders defeated Montello Park, 10-2 in a basketball game during the half of the Holland-Benton Harbor reserve team game Friday night in the Civic Center.

Other players on the Apple Avenue team were Cal Schaap, Bruce Klaasen, Bob Meiste, Bob Miller, Jack Klaasen, Curtis Schaap, Jim Cook and Bill Van Eck.

Dennis Sprick scored two points for Montello Park. Other team members were: David Barkman, Robert Van Lier, Phil Overway, Jim Ten Brink, Heide Holcomb, John Looman, Dave Yonker, Larry Dryer and Steve Hoek.

Big 4th Period Gives Tigers 74-67 Victory

A fired-up Holland High basketball team ran into a 30-point fourth period Benton Harbor basket barrage here Friday night and saw a 12-point early fourth quarter lead wiped out as the Tigers took a 74-67 win before 2,000 fans in the Civic Center.

Holland, playing its best game of the season and determined to make a good showing after a dismal performance last week, completely controlled the game for three quarters.

But the unbeaten Tigers, trailing 57-45 with seven minutes left in the game, perked up and took command of the play and banged home 12 straight points in the next three minutes to take a 59-57 lead with 4:16 remaining.

It was hectic the rest of the way. The pressure got to Holland Coach Bill Noyd who fainted with about four minutes left but quickly recovered and continued to coach.

Holland picked up three points to go back out in front, 60-59 with 3:35 left. But again the Tigers struck and hit four baskets to leap to a 67-60 lead with 51 seconds left. Gary Alderink of Holland and Al Andrews of Benton Harbor exchanged pairs of free shots in the next 20 seconds and the Tigers appeared out of reach 69-62.

But Jim De Vries drove around his man for a layup and Alderink added a basket and a free shot and with 19 seconds remaining the Dutch trailed, 69-67.

With 15 seconds left John Hall drove in for a Benton Harbor basket and Andrews added a quick two-point. Hall made the final free shot as the game ended.

The Dutch were working their zone effectively during the first three quarters and were beating the Tigers down the floor on the fast break to make the vaunted Tiger press ineffective.

Holland also had complete control of the rebounding, especially in the offensive department and were getting more than one crack at the hoop. Ben Farabee and Jim De Vries were strongest on both boards.

Charles Pargo, a 6'4", 210-pounder didn't do much on the boards early in the game but after taking a whiff of smelling salts in the fourth quarter he worked like a broom as he swept both boards. Holland lost Farabee with 4:45 to go. Terry Nyland filled in admirably on the boards.

Benton Harbor, in chalking up its sixth straight win, hit 28 of 64 shots for 44 per cent. This included 11 of 17 in the last period. Holland made 27 of 73 from the floor for 37 per cent including five for 15 in the final eight minutes. The Dutch were banging the basket in the first half and had 18 of 40 for 45 per cent while the Tigers had 11 of 31 for 35 per cent.

The Dutch drove to a 20-12 first quarter lead as Holland made eight of 20 from the floor and the Tigers five of 17. Holland hit 50 per cent in the second quarter with 10 buckets in 20 tries to take a 41-28 halftime lead. The Tigers had six of 14.

In the third quarter, Holland made four of 18 and Benton Harbor, six of 16 and the Dutch led 53-44 at the close. Holland hit 13 of 28 free shots while the Tigers made 18 of 32 including eight of 11 in the fourth quarter. The Dutch scored four of 10 in the last frame.

Andrews, hitting sidecourt jump shots, slammed in 10 baskets and six free shots for 26 points. He made eight points in the last quarter. Pargo also added eight in the last period and ended with 16.

Farabee led Holland with 16 while De Vries followed with 13. Rog Buurma, who drove through the Tigers on the break, made 10 along with Gary Alderink who was dropped to a substitute role. Noyd missed the services of Chuck Klomparsen and Russ Kleinkessel, out with illness. He moved sophomore Carl Walters up to a starting guard and Dick Hilbink slipped into a starting forward berth.

The Dutch 4-3 will host Grand Haven next Friday night. Grand Haven, also 4-3, lost to Muskegon Heights 72-62 Friday night.

Fire Call Is False Alarm

Holland firemen answered what turned out to be a false alarm at 8:45 p.m. Thursday. According to firemen, a call came in by phone reporting a fire in the basement of a house at Ninth St. and Central Ave. When firemen arrived at the scene they found no fire. Firemen said the caller hung up the phone when asked which house at the corner was burning.

Fish Shanty Looted

Ottawa County deputies Thursday night received a report of a break-in at a fish shanty on Pine Creek Bay. Owner Dale Boeve of 234 Home Ave. reported to deputies at 10:30 p.m. that thieves had taken a gas lantern and gas can. Deputies said the thieves broke a window in the shanty and reached inside to get the stolen articles. Boeve said the theft occurred sometime between Tuesday and Thursday.

1922-23 HOPE BASKETBALL TEAM — This Hope College team was coached by Jack Schouten and compiled a 10-11 record. They scored 453 points and the foes 452. One of the victories was 32-15 over Calvin College. The team took a Christmas vacation trip through Wisconsin and played Neenah, Sheboygan, Two Rivers and Manitowish. The "Ys" of Grand Rapids, Indianapolis and Michigan City, Wayne Institute, Kalamazoo Normals, Mt. Pleasant Normals, Kalamazoo College and the 1918 Alumni were other foes. Holland Seconds Lose to Tigers

Benton Harbor's zone defense in the second half bothered the Holland High reserve basketball team here Friday night in the Civic Center and the Dutch dropped a 59-54 decision for their fourth loss in six starts.

Holland led 23-13 at the end of the quarter and 33-26 at half. The Tigers cut the Holland lead to 44-41 at the end of the third period and grabbed the lead with about four minutes left in the game.

Mike De Vries led Holland with 15 points while Darrell Dykstra had 14. Tom Essenberg made nine and Chuck De Witt added eight while Harvey Stremmer and Jerry Bauman each had four.

Cliff Bassett made 16 for the Tigers and filtered through the Holland defense to break the game open in the second half. Ladell McBride had 14 and Elvis Anderson had 13 for the Tigers.

Saugatuck Drops Game to Gobles

GOBLES — Saugatuck's basketball team lost to Gobles, 67-43, and played the final minute-and-a-half with only three players as five Indians fouled out in an Al-Van League game here Friday night.

A total of 65 fouls were called, 34 on Gobles and 31 on Saugatuck. Three Gobles players also fouled out. The Indians made 21 of 51 free shots and Gobles cashed in an 25 of 32.

Gobles led 19-12 at the quarter and 33-24 at half. The third period score was 50-30. Jim Gardner led Saugatuck with 11 points while Kloosterman had 23 for Gobles.

The Indians now have a 1-6 overall record and are 0-5 in the league. The Saugatuck reserves lost 50-33 and Tom Sowers had 16 for the Indians and Wells and Winnie each had 11 for Gobles.

Holland Frosh Stop Muskegon Catholic

MUSKEGON — Holland High's freshman basketball team stopped the Muskegon Catholic frosh, 36-31 here Friday afternoon for its third straight win.

The Dutch led 9-2 at the quarter but Catholic grabbed a 15-13 halftime lead. Muskegon held a one-point, 25-24 third period edge. Jim De Neff and Jim Thomas each had eight for Holland and Darrell Schurman added six. Springstead made 11 for Catholic. The Dutch will host Grand Haven next Friday.

Zeeland Youth Hurt in Crash

ZEELAND — Chester Martin Maka, 18, of 1073 88th Ave., route 1, Zeeland, was listed in good condition at Zeeland Hospital with injuries received in a truck-car mishap at 7:12 a.m. Friday on M-50 at 98th Ave. in Robinson Township.

Officials said Maka suffered lacerations of the leg and mouth in the crash.

According to Ottawa County deputies, the car driven by Maka struck the trailer of a semi truck belonging to Richard Ten Brink, 30, of 9634 Lake Michigan Dr., Grand Haven.

Deputies said Ten Brink's truck became stuck while backing out of a driveway and the trailer protruded into the eastbound lane of M-50. Deputies said the car driven by Maka was extensively damaged.

Mr. and Mrs. H. B. Crane leave this week for a three week's vacation in Florida.

Mr. and Mrs. Lynn Johnson had as dinner guests Monday, Mr. and Mrs. David Huntley and three children, Gary, Nanette and Jill of Allegan.

Circuit Court Grants 3 Divorce Decrees

GRAND HAVEN — A divorce decree was granted in Ottawa Circuit Court Thursday afternoon to Alice L. Start from Gerald W. Start, both of Spring Lake Township. There are no children.

A decree was granted to Barbara Montgomery of Holland from Floyd Montgomery. Custody of two children was awarded to the mother.

Edna J. Rozeboom was granted a divorce decree from Henry Rozeboom, both of Holland. Custody of the minor child was granted to the mother.

Zeeland Nipped By Coopersville

COOPERSVILLE — A free throw after time had run out by Coopersville's Ron Draft gave the Broncos a 50-49 win over Zeeland here Friday night and provided an exciting opening game in Coopersville's new gym before 1,100 fans.

The score was tied at 49-49 when Dan Zuverink of Zeeland fouled Draft just as the final buzzer sounded. Draft sank the shot.

Zeeland had led all the way until the final minute when Coopersville tied the score at 47-47. Dave Gates made the tying basket and Draft followed suit and hit a two-point shot to put the Broncos ahead for the first time in the game.

John Roe of Zeeland notched a basket and Zeeland tied the score with 20 seconds remaining. Then came the foul.

Zeeland led 14-6 at the end of the first quarter and 29-23 at half. The Chix were ahead 41-35 at the end of the third period.

Zeeland made 22 of 61 from the floor for 34 per cent and five of eight free shots. Coopersville made 17 of 51 for 32 per cent and cashed in on 16 of 26 free shots. The Broncos committed only one foul in the first half.

Junior Terry Butler started at guard for Zeeland and turned in a fine game. He scored nine points. Coach Paul Van Dort also moved forward Larry Zolman to guard.

The move was necessitated when the starting Zeeland guards, Chuck Hansen and Ron Visser were sidelined most of the week with illness. They both saw limited service.

Zolman led Zeeland with 11 while John Johnson made 21 for Coopersville.

Zeeland is now 5-4 and Coopersville is 3-3. The Chix play West Ottawa next Friday night in the Holland Armory.

Wooden Shoe Building Sold

Harvey Phillips of Phillips Furniture factory of 279-281 East Eighth St. announced today that he has purchased the Dutch Novelty factory building on River Ave. at Fourth St. from Chester Van Tongeren and will be moving his operations soon.

The Phillips firm has been in operation 16 years at the Eighth St. plant making home furniture for other firms and producing a small line of its own. Phillips, founder and sole owner, employs about 15 persons and plans eventually to expand operations in the new building where little is needed in the way of remodeling since it is set up for woodworking.

The Van Tongeren firm has nearly finished building a new factory, office, and warehouse next to their present Wooden Shoe factory and restaurant on the US-31 bypass near 16th St.

SEVEN DIFFERENT COUNTRIES—Gathered around a globe are these delegates representing seven countries at the 4th National Youth Assembly at Central College in Pella, Ia., Dec. 28 through Jan. 2. Seated, left to right, are Connie Jacobson of Denmark, Dorothy Johnson

of England, Doris Caulker of West Africa, Jodee Yazza of Mesalero, N.M. In second row are Peter Geene of Ontario, Canada, Leander Wang of Hong Kong (student at Hope College), Joyce Anderson of Brewton, Ala., Craig Nielsen of Oradell, N.J., and Gandhi Reuben of South India.

Holland Well Represented At Youth Assembly in Iowa

Holland was represented at the 4th National Youth Assembly, a five-day event over the New Year weekend at Central College in Pella, Ia., sponsored by the youth department of the Reformed Church in America.

A delegation of six young men from Third Reformed Church in Holland was the second largest church delegation at the assembly which attracted 290 from all over the United States and several foreign countries. Fifth Reformed Church of Muskegon had the largest delegation with eight present.

The young people of Holland and Muskegon were among 78 representatives from the Michigan synod sent to Pella, Ia., in two buses.

Among those attending were Douglas Boven, Arthur Oosting, Delwyn Dekker, William Verhulst, Leander Wang of Hong Kong who is a senior at Hope College and Stanley Lin of China who is a second-year student at Western Theological Seminary.

The latter two were representative of a large number of exchange students at the assembly representing seven foreign countries.

Theme of the assembly was "The Church, Her Life and Me." The Rev. Delbert Vander Haar and the Rev. Harold P. De Roo, both formerly of Holland, are co-directors of the department of young people's work for the denomination and figured prominently in the assembly. The Rev. Armand Renskers, pastor of Bethany Reformed Church of Kalamazoo, served as director, and the Rev. Allen Staver of Pompton Plains, N.J., was registrar. Dr. Harold Englund, president of Western Theological Seminary of Holland, was 'Bible leader.

The new name and symbol of the organization was introduced toward the end of the assembly. Selecting the name of Reformed Church Youth Fellowship (RCYF) was the Rev. Alfred Fiske of Sonoma, Calif. Winner of the design for the new symbol was Miss Gail Veenendaal of Milwaukee, Wis. Winners will receive a free trip to the new Inter-Church Center in New York City or to a Reformed Church college.

Among speakers at the assembly was Dr. Howard Hageman of Newark, N.J., past president of the general synod of the Reformed Church in America. He said the Reformed Church tradition calls for a listening church ready to obey the word of God, must be a confessing church making Jesus its Lord in every area of life, and must be an expectant and waiting church confident of the future that lies in God's hand.

One of the significant statements during the assembly came from Wesley Teo, 23, of Malaya, a junior at Northwestern College in Orange City. He said, "In Asian countries, young people play a tremendous role in the church. The Communists in these countries employ youth from universities and colleges to stage demonstrations. They realize there is vitality and strength in these young people."

"The Christian Church, too, knows that the strength of the church depends on the spirit of the young people. In the United States the challenge for Christian young people is not as great as in Asia. In our countries we talk about real issues at our youth conferences, not academic subjects from a book."

Kennedy Aide Lived Here

James M. Landis, who has accepted a post as special assistant to President-elect John F. Kennedy, attended Holland High School in 1913, a check of Holland High records shows.

Landis attended Holland High for the first semester of his sophomore year in 1913 and the records show that he lived at the home of the Oltmans of 144 East 16th St., missionaries home on furlough.

His grade record was tops. Students were awarded "E" for "excellent" and the Landis record shows E and a numerical score of 96 in English; E and 97 in Latin; E and 95 in geometry and E and 94 in history.

Miss Maibelle Geiger was Landis' Latin teacher and she recalled he was a "brilliant" student.

The word "left" was noted on the portion for the grades of the second semester. Landis will be

Kennedy's special assistant in planning the reform of federal regulatory agencies.

Landis, former dean of the Harvard Law School and a veteran of government service, was author of a recent report to Kennedy advocating sweeping changes in such agencies as the Federal Communications Commission and the Civil Aeronautics Board.

Hope Students No Longer Have to Use Forks

The case of the missing forks has been solved.

Hope College dining hall officials reported Friday that the culprits revealed the hiding place—a cookie carton—about five minutes before dinner Thursday evening. The 850 forks had been missing since Thursday morning.

Evidently prankish students who are employed in the dining hall emptied the cookies out of the carton and stashed the forks in it. The hiding place was overlooked in Thursday morning's search for the forks.

Many Appear In Court

George W. Van Der Berg, 19, of 341 West 18th St., was found guilty of a charge of careless driving at a non-jury trial in Municipal Court Friday afternoon. Judge Cornelius vander Meulen assessed \$15 fine and \$8 costs.

Judge vander Meulen also put Laslo Birkas, 25, of 146 East Seventh St., on probation for six months Friday after Birkas was convicted previously of a liquor to minor case. In addition to regular probationary conditions, Birkas was ordered not to associate with any known criminals.

Price Support Deadline on Grains Jan. 31

Farmers have until Jan. 31, 1961, to cover their grains and a number of other 1960 crops under the price-support program, Harvey M. Batson, chairman, Ottawa County Agricultural Stabilization and Conservation Committee, said today. For wheat, compliance with the individual farm allotment is required in order to be eligible for price support on the crop.

The 1960 crops for which Jan. 31 is the deadline for obtaining loans or purchase agreements include wheat, barley, oats, grain sorghums, rye, soybeans and dry edible beans. Jan. 31 is the deadline for completing loans, which indicates that applications for loans should be made no later than Jan. 16 which gives time to have the commodity sampled and graded and the required paper work completed in time to make the Jan. 31 deadline. Purchase agreements, however, can be signed right up to and including Tuesday, Jan. 31, 1961, as no sampling or grading is required when a purchase agreement is signed.

Mr. Batson reminded growers that good storage, which must be approved by the County ASC Committee is a requisite for obtaining a price-support loan on any farm-stored crop. While the farmer himself is responsible for storing a crop covered by a purchase agreement, the condition and quality of the crop will be a determining factor in the amount of the support he receives should he decide to deliver his crop under the support program at the end of the season.

Hope Receives 2 DuPont Grants

The DuPont Company of Wilmington, Delaware, has awarded two grants totaling \$7,200 to the Hope College Science Department, according to Dr. Gerrit Van Zyl, chairman of the Hope chemistry department.

The grants were made as a part of the DuPont Company's annual program of aid to education.

One grant of \$4,000 is designated for the support of teaching in scientific and related fields at college and high school levels. The grant consists of \$2,500 for chemistry teaching, and \$1,500 for other courses.

The other grant of \$3,200 was made to continue its program of encouraging able young people to undertake careers in teaching science and mathematics in high school. The plan provides nine scholarships for science majors to take summer courses which will prepare them to teach in high schools the fall after graduation.

New Attorney Is Admitted to Bar

GRAND HAVEN — John C. Frakes, Jr., 28, Spring Lake, was admitted to the bar in Ottawa Circuit Court Thursday afternoon as a practicing attorney permitted to practice law in all courts of the state. Motion for admission was made by Howard W. Fant before Judge Raymond L. Smith who administered the oath.

Frakes, who was graduated from the University of Michigan Law school last August, is associated with the law firm of Scholten and Fant in Grand Haven. He and his wife, Sarah, and their five-month-old daughter, Sally Sue, live in Spring Lake. A native of Cleveland Heights, Ohio, Frakes served as a navigator in the U. S. Air Force for three years.

After the war he worked as an administrative clerk until the late 1920's when he lost his position in the depression. He then started a small shop in which he did all types of handiwork including wood carving. Later he manufactured frames for paintings and etchings and gradually established a small art gallery.

In 1936 economic necessity forced him to take a position with a tobacco firm manufacturing cigars, cigarettes and tobaccos. In 1940 the firm closed because of the war and Prenen was without steady employment.

In 1948, the Prenens' only daughter immigrated to Wisconsin and arranged that Hon. Victor C. Walin of the Wisconsin Legislature sponsor the immigration of her parents to the United States. After waiting three years, the Prenens came to the United States May 1, 1954, settling in Holland, Mich., where their daughter, Mrs. Dick Tervoorst, lived. The Tervoorst family lives at 270 West 21st St.

Prenen obtained employment in a local boat building industry and worked until 1959, retiring at 69. He still works at his hobbies and is grateful for the opportunity of living in this country.

Dutch Painting Presented To Netherlands Museum

As a token of gratitude for having been an American citizen for a year, Peter B. Prenen, a native of The Netherlands now living at 435 West 21st St., has presented to Netherlands Museum a painting from his personal collection. The painting is titled "Sunflowers" and is by the contemporary Dutch artist Doeder.

Mr. and Mrs. Prenen immigrated to the United States in 1954 and they obtained their American citizenship Nov. 5, 1959. Prenen was born in Haarlem in 1890. He attended elementary school in that city and was apprenticed at the age of 11 in the boat building industry. He served in the Dutch Army from 1910 to 1912 and during World War I was a clerk in a military office.

Exemption Blanks To Be Mailed Soon

The city assessor's office soon will be mailing Veterans Homestead exemption blanks to veterans and widows of veterans who were eligible in previous years.

Assessor William Koop said this year proof must be shown of eligibility when blanks are filed. This can be done by showing the last compensation check.

Veterans filing for the first time this year may apply at the assessor's office and show proof they are receiving compensation.

According to law, a \$2,000 exemption is allowed on assessed valuation.

MICHIGAN IS EVERYTHING FOR INDUSTRY

The people of Michigan are proud of their state's industrial accomplishments. Its manufacturing plants produce everything from automobiles to xylophones. One reason is that Michigan has so much of what industry needs.

Michigan has abundant sources of both raw and semi-finished materials. Michigan possesses unmatched production know-how in both management and labor. Michigan has great market advantages. Michigan has livability! Water? Michigan is rightly named the Water Wonderland.

This is the first in a series of advertisements to be printed as a public service by this newspaper, each advertisement to describe one of Michigan's advantages for industry. The series will show the attractions our state offers, what it personifies for industry; in reality, what MICHIGAN IS.

Help carry Michigan's message to the nation. Clip these ads and mail them to people in other states with your own comment. Let's talk up Michigan and its advantages for industry. Together, we can assure a greater future for all of us.

This ad is one of a series published as a public service by this newspaper in cooperation with the Michigan Press Association and the Michigan Economic Development Department.

Vander Hill Hits 36 Points In 87-76 Win

Hope College's basketball team stopped Adrian, 87-76 here Saturday night for its third straight MIAA victory.

More than 2,200 fans saw the Dutch put on another exhibition of fine shooting and top floor play to defeat the stubborn Bulldogs in the Civic Center.

The Flying Dutchmen slammed 47 per cent of their shots through the hoop with 32 baskets in 68 attempts. It was the second straight game Hope has hit more than 45 per cent of its shots.

Leading the basket barrage was 6'2" sophomore Jim Vander Hill who scored 36 points, the highest number of tallies in his two-year Hope career. He made 14 baskets in 26 attempts and added eight of 11 free shots.

Vander Hill tallied 21 of his points in the first half including six baskets in his last seven shots. The "Spider" has now scored 145 points in eight games for an 18.1 average and has made 89 points in his last three games.

Adrian presented its best club in five years and the Bulldogs made 43 per cent of their shots with 32 baskets in 74 chances. Adrian fired 14 of 37 in the first half and 18 of 37 in the second half. Hope had halves of 16-32 and 16-34.

The Bulldogs did a good job on the boards and led in the rebounding department. Vince Giles, the team's top scorer, moved underneath in the second half and picked up six baskets and six straight free shots. His teammate, Ron Schult sank seven baskets and three straight free shots in the final 20 minutes.

Giles, sank nine of 15 from the floor and had seven straight free throws for 25 points while Schult hit on 11 of 21 from the floor and each had 25 points. Jim Neff led Adrian with 11 rebounds while Schult had 10 and Giles, nine.

They led a late-game Adrian drive that put the Bulldogs within four points, 78-74 with 3:28 to go. Vander Hill scored on the fast break and then clever Giles laid one up with 1:02 left to again narrow the count to four points, 80-76.

But Capt. Bill Vanderbilt shined in the closing minute with a basket and three straight free shots and Bob Reid carried a long shot from a few feet inside the center line as the buzzer sounded to give Hope seven straight points and the 11-point win.

The game was tied four times in the first 10 minutes of play before Hope took a 20-16 lead at the 10-minute mark. Vander Hill's bombing highlighted the rest of the first half as he hit on jump shots with either hand and pushed Hope to a 39-31 halftime margin.

Hope displayed much more speed in its attack than in the Valparaiso game and the fast break worked smoothly several times. Also playing sharp, alert defense the Dutch gave Adrian only two free shots in the first 10 minutes of the second half and Hope moved to a 63-51 advantage.

The Dutchmen kept the spread for the next five minutes until the Bulldogs made their final stab for victory. Hope was fouled frequently as Adrian moved for the ball and the Dutch made eight of 10 free shots in the final 10 minutes.

Hope hit on 23 of 30 free throws in the game, including 16 of 21 in the second half. The Bulldogs cashed in on 12 of 16 free shots, including seven of eight in the final 10 minutes.

Reid, who hit five of 14 from the floor, followed Vander Hill with 14 while Glenn Van Wieren, who had three of nine, and Vanderbilt, who made four of seven, each followed with 11. Van Wieren led the rebounders with eight.

Jim Hulst sparkled in a reserve role with three second jump shots in four tries. Don Boyink had two baskets in five tries and his replacement Gary Nederveld hit one of four.

He formerly was employed at Donnelly Kelly Glass Co. until three years ago when he retired because of illness. He was a member of St. Francis de Sales Church. Surviving are his wife, Maria; four sons, Arturo of St. Augustine, Fla.; Rainero of Chicago; Ricardo and Reynaldo at home; three daughters, Mrs. Rebecca Rivera, Mrs. Raquel Guerrero and Miss Rose Marie all of Holland; five grandchildren; one brother, Andres Arenas of Rodeo, Calif.

VANDER HILL SCORES TWO — Jim Vander Hill (15), Hope College basketball player, jumps for two points in Hope's 87-76 win over Adrian College Saturday night in the Civic Center. Vander Hill made 14 baskets and eight free throws for 36 points. Don Boyink of Hope and Marty Andrews of Adrian are poised for a rebound. (Milt Hale photo)

Ray Ritsema ... returns to court

Ray Ritsema Joins Oilers

Ray Ritsema, two-time selection as the most valuable basketball player in the MIAA, has joined Cook's Texaco Oilers and will play for the Oilers Saturday against Cleveland Carney's at 8:30 p.m. in the Zeeland gym.

Ritsema, 6'6", four-year Hope star, scored a total of 490 points for Hope last season and had a career total of 1,510 points. He was an all-MIAA pick every season and won the Randall C. Bosch of Holland MIAA award as a sophomore and senior.

Hope Coach Russ De Vette called Ritsema the "greatest all-around player he ever coached." Ritsema is presently living in Fort Wayne, Ind., and works for the New York Truck Tape Corp., as a salesman.

Following his graduation last June, Ritsema played basketball in the Far East last summer and then took the post with the New York firm. He was first employed in the New York office and then transferred to Indiana.

Ritsema has agreed with Oiler officials to play with the club for the rest of the season.

3 Gifts for Grand Haven

GRAND HAVEN — Announcement of three donations to Grand Haven city was made at a meeting of City Council Monday night.

The sum of \$500 came from the estate of the late Dr. and Mrs. Edward Hofma for new books for the city library.

F. C. Bolt, president of Peoples Savings and Trust Co., donated 165 feet of riverfront property which the city has been trying to acquire for several years on the so-called island where the light plant is being constructed. Only a small piece of property between the Bolt property and city-owned property remains yet to be acquired.

The Security First Bank and Trust Co. donated \$500 to the new ski bowl being provided for skiers in Grand Haven.

Camera Club Plans Next Meet

The next meeting of the Holland Color Camera Club will be held Jan. 31. The assignment is scheduled to be "Fall Colors."

Election of officers for 1961 took place at last Tuesday's meeting. Al Potter was elected president and Richard Por, vice president; Romeo Alfieri, secretary - treasurer; Gary De Weerd, assistant secretary.

Outgoing president is Jay Vander Meulen; vice president, Forest Flaughter; secretary - treasurer, Paul Vroom.

Winning slides in the month's assignment, "An Abandoned Object," belonged to Jay Vander Meulen, first place; Gary De Weerd, second place, and Fred Kleinheksel, third place.

In the open category first place went to Richard Por, second place, Jay Vander Meulen, and third place, Fred Kleinheksel.

At the business meeting plans were discussed for a husband and wife banquet to be held last Tuesday of March.

A panel of judges was selected to judge the slides in the open contest before the next meeting.

All club members are requested to mail in their color slides to the Holland Color Camera Club, 124 East Ninth St., if they are unable to be present at meetings.

Credit points will be given for all slides shown regardless of whether they are a winner or not.

Visitors are always welcome and may participate in the voting. Visitors at the last meeting were Russell Raak, William A. Sikkel, Ray Wenke, John P. Smith and James Smith. Raak and Sikkel showed slides of their summer vacation trip.

An effort is being made to arrange demonstrations of photography techniques for beginning and advanced photographers.

Adult Golf Class Starts Thursday

The first session of adult golf classes for 1961 will start on Thursday night, Jan. 12, through March 2, classes will be held in the E. E. Fell Junior High gym.

The enrollments have been coming in throughout the past few weeks. There is a limit of 16 per class.

There are 10 enrolled in the beginners class which begins at 6:30 p.m.; 13 in the intermediate class at 7:30, and two in the advanced class at 8:30.

If any one class becomes filled, either one of the remaining classes can become a mixed class to accommodate the enrollments.

Persons may enroll by calling the office of Adult Education, EX 2-3175.

Driver Cited After Crash

Holland police charged Richard W. Smith Jr., 37, of 232 East 24th St. with failure to yield the right of way to through traffic, after the car he was driving collided with a car driven by Roger E. Kleinheksel, 22, of route 3, Holland, at 9:13 a.m. Sunday at the intersection of 24th St. and Columbia Ave.

CD Director In Allegan Resigns Post

ALLEGAN — David Weston, son of Probate Judge Harold Weston, wound up four years of service as Allegan county's civil defense director Monday by submitting his resignation to the board of supervisors.

Now operating his own business, Weston said he would be unable to devote sufficient time to civil defense work and asked that his resignation be effective immediately.

Before submitting his resignation, Weston told the board that nearly 60 civil defense volunteers in the county "have the feeling they are neither needed nor wanted."

He said the various units are "ready to go again, if they get the green light from the board of supervisors."

Admitting that mistakes and misunderstanding had caused civil defense problems in the county, Weston pointed out that the county was getting the use of more than \$900,000 worth of surplus property, at a cost to governmental units of less than \$5,000.

He pointed out that many units had benefited from the civil defense matching fund program, but added that funds due the county and other units are being held up until the county pays a long overdue account for surplus property, totaling about \$1,100.

Weston said that matching funds had been available to help toward building and furnishing the new county building, but indicated the county "missed the boat" by failing to apply for them. He pointed out, however, that similar funds might be obtained for use in building the new jail or juvenile detention home, "if the board was interested."

Two new supervisors were seated Monday as the board convened for its January session. Carl Arenhovel became Plainwell's third representative on the board, as a result of the city's new official population of 3,125 persons. Cities are entitled to one supervisor for each 1,000 residents. Arenhovel was appointed by the Plainwell city commission last June, but the board refused to seat him when members questioned the legality of preliminary census reports.

The Holland city council appointed City Auditor John Fonger to succeed Russell Boeve as one of its two supervisors.

Among communications received by the board at its opening session was a request from the county park commission for its 1960 appropriation of \$5,000, with the explanation that the funds had not been sought, due to "oversight."

The county road commission requested transfer of \$40,000 against its 1961 appropriation.

Deer Hunters Plead Guilty

GRAND HAVEN — Three West Olive men received jail sentences and fines when they pleaded guilty Monday night before Justice Eva Workman on charges of possessing and transporting a high powered rifle, specifically used for shooting deer.

Harold Arens, Sr., 43, and Arthur Jones, 44, were each sentenced to pay \$75 fine, \$8.40 costs and serve five days in jail, or an additional 25 days if fines are not paid. Arens' son, Harold Jr., 19, was sentenced to pay \$25 fine, \$8.40 costs and serve five days or an additional 10 days if fine is not paid.

The three were arrested by Conservation Officer Harold Bowditch who received a call at 1:30 a.m. Saturday that someone was hunting deer in the vicinity of M-50 and 136th Ave. State police on patrol found a parked car and a gun in a case, and later Bowditch found a spent shell on the floor of the car indicating a shot had been fired from the car.

The state police and Bowditch questioned the hunters in their home. Jones was the owner of the car, Arens, Sr., was the driver and Arens, Jr., was the owner of the gun.

First Aid Topic to Be Discussed at Meetings

The topic "First-Aid in the Home" will be discussed at two meetings in the county next week.

On Tuesday, Jan. 17, Mrs. Geraldine Klyennberg, county health nurse, will discuss the topic at a meeting to be held at the St. Paul's United Church of Christ in Grand Haven at the corner of Fulton and Seventh St.

On Wednesday, Jan. 18, she will speak in the Zeeland City Hall on the subject. Both meetings begin at 1:30 p.m. All women are invited. Mrs. Grace Vander Kolk, county Home Economics agent, has arranged the meetings.

Burglar Steals Checks, Cash at Salvation Army

A thief Monday robbed the Salvation Army office on Central Ave. of \$15 in cash and two checks while the building was vacant about noon.

Officials reported to police at 2:18 p.m. Monday that the money and checks had been taken from a cash box which was kept in a desk drawer at the office. They told detectives the building was empty from 11 a.m. to about 1:30 p.m.

According to detectives, the thief or thieves apparently tripped a night lock on an inside door to get into the office.

Existentialist Course Set

Dr. D. Ivan Dykstra

An informal course in existentialist philosophy will be offered in Holland beginning Jan. 24 by the Michigan State University.

Conducting the course will be Dr. D. Ivan Dykstra, head of the Hope College department of philosophy. Dr. Dykstra has attended Northwestern Classical Academy, Northwestern Junior College, Hope College, Western Theological Seminary and Yale University.

Some of the courses he has taught while Professor of Philosophy, Contemporary Philosophy, Philosophy of Science, Philosophy of Religion, Modern Philosophy and Ancient Philosophy.

The existentialist philosophy course consists of 10 sessions of two hours each from 7:30 to 9:30 p.m. on Tuesdays at Van Raalte Hall, Hope College.

Registrations also will be accepted at the first class session.

Hairdressers Unit Has Regular Meet

A regular meeting of Holland Hairdressers Unit No. 45 was held Monday evening at Harriet Boersma's Beauty Salon. After the business meeting the group enjoyed a "comb-out" by Agnes Nieboer and tips on hair coloring by Ruth Boersma.

Refreshments were served by the hostess. The next meeting will be an all-day clinic on Feb. 13.

Van Raalte Bond Election Set March 6

The Board of Education of the Van Raalte school district Monday night adopted a resolution calling for a special election Monday, March 6, to bond the district for \$280,000 for an addition to the Holland Heights School.

This would increase the school from its present four class rooms to 13 class rooms and provide a library, kitchen, administration space and a multi-purpose room which not only would provide recreational and education facilities for the children but would also give the community a place for social and recreational purposes.

The board also voted to become a registration school district, a requirement now needed in order to conduct a bond election. School district registration books will be compiled from registration books now existing in clerks' offices of both Holland City and Holland township.

Dr. Voogd Gives Talk at Meeting

Dr. Henry Voogd of Hope College related several of his last summer's experiences Monday noon as he addressed members of the Holland Exchange Club at their weekly meeting in the Hotel Warm Friend.

Dr. Voogd who was introduced by Jim Brown, a member of the program committee, told of his travels in Lebanon, Greece and Italy and of his experiences at the Hebrew University in Israel.

Dr. Voogd said that some of the recent archaeological discoveries have come by accident, citing the discovery of the Dead Sea scrolls.

Most of the pictures shown by the speaker were of excavations of ruins dating back to the Bronze Age, 3000 to 1200 B.C. The two regions receiving the most attention were from Hazor, 5 to 10 miles north of the Sea of Galilee and of Megiddo, between Haifa and Tel Aviv in the valley of Jezreel.

Most of the places now being excavated are on high hills called tells, he said. In many cases archaeologists have found evidence that one city was built on the site of another and the different strata of soil and rock portray the civilizations of ancient times.

ON WINNING TEAM — Gary Diepenhorst, 20, son of Mrs. Del Van Leeuwen of route 1, Holland, and serving in the U.S. Navy in San Diego, Calif., was a member of the championship softball team in a recent tournament. Playing right field, Diepenhorst hit three home runs in the final game witnessed by his mother, a fireman apprentice and frogman. Diepenhorst is serving on the submarine, U.S.S. Catfish. He entered the Navy on July 12, 1959. He is a past winner of the Fennville Rod and Gun club skeet championship.

Mrs. Sennett in New York For National Church Meet

Mrs. Lincoln H. Sennett, 1818 South Shore Dr., left Monday for Warwick Estates, Warwick, N. Y., where she will represent the Holland Classis Reformed churches at the Board of Managers' meeting, National Department of Women's Work, Reformed Church in America. She will travel with Mrs. Henry Kuit of Zeeland, representatives for the Zeeland Classis.

Other Western Michigan women attending the annual meeting are Mrs. Richard Jager of Grand Haven, representing the Muskegon Classis, and Mrs. Ekdal Buys of Grand Rapids, who also serves as president of the Michigan Synodical Council.

Recover Stolen Car

Holland police Monday night recovered a car reported stolen at 7:40 p.m. from a restaurant parking lot on South Michigan Ave. by owner Sylvia Craycraft of 273 Rose Ave. The 1953 model car was recovered at 8:45 p.m. in the vicinity of Zion Lutheran Church.

Detachment Election Set Here April 3

Voters in Holland area will ballot April 3 on a reverse of the current trend toward annexation. The election which coincides with the regular spring election will be detachment proceedings of a section of Maplewood in the Allegan County section of the city.

The election was certified in Lansing Monday by Elections Supervisor James O. Chapman.

The issue will be similar to detachment proceedings about a year ago when the move was defeated. In general, it involves that area south of 40th St.

It will be a three-way election involving voters in the detached area and those in Holland city and in Fillmore Township. To carry, voters in the area to be detached must approve the move. The sum of votes cast both in the city and in Fillmore Township also must be affirmative.

Newlyweds Honored At Grocery Shower

Mr. and Mrs. Ken Rabbers who recently returned from their southern wedding trip were honored at a grocery shower Saturday evening at the home of Mr. and Mrs. Glenn Geerts of route 3. Mrs. George Kleinheksel was hostess, assisted by Mrs. William Kleinheksel and Mrs. Fred Kleinheksel.

Games were played and a two course lunch was served.

Guests invited were Mr. and Mrs. James Rabbers Sr., Mr. and Mrs. William Kleinheksel, Mr. and Mrs. James Rabbers Jr., Mr. and Mrs. Fred Kleinheksel, Mr. and Mrs. Don Brink, Mr. and Mrs. Ted Kleinheksel and Mr. and Mrs. Geerts.

Also attending were the Misses Luanne, Marlene, Lois and Sharon Kleinheksel, Richard Kleinheksel, the guests of honor and Mr. and Mrs. George Kleinheksel.

Appeal Scheduled

GRAND HAVEN—The first jury case of the Ottawa Circuit Court is scheduled Jan. 16, at 9 a.m. This is the case of Bernard Duthler, 46, Grand Rapids, which is an appeal from a drunk driving conviction. Duthler was arrested by State Police August 25, 1960 in Allendale Township and pleaded not guilty the same day. Upon his jury conviction in the Grand Haven Municipal Court Oct. 7, he immediately filed an appeal to the higher court, after being assessed \$100 fine and \$28.85 costs.
