## Another Christmas Savings Club

### OPENS MONDAY JAN. 19th

#### And You Can Join Any Time After That. Call and Let Us Tell You About Our Plan

The purpose is to help you and others accumulate a fund for Christmas. An easy way to get it. A sure way to have it. Each member pays in a small sum each week for forty-six weeks. Two weeks before Christmas each member will receive the total amount paid in with four per cent. interest.

There are three classes, numbered respectively, One, Two and Five. Payments are different in each class. Also a class 50 cents a week regular.

IN CLASS ONE pay 1c the first week, 2c the second week, 3c the third week, 4c the fourth week and so on for 46 weeks and two weeks before Christmas we will mail you a check for \$10.81 and interest.

Or in CLASS TWO, pay 2c, the first week, 4c the second week, 6c the third week so on, and we will mail you a check two weeks before Christmas for \$21.62 and interest.

Or in CLASS FIVE, pay 5c the first week, 10c the second week, 15c the third week and so on, and we will mail you a check two weeks before Christmas for \$54.05 and interest.

You may reverse the order of payment if you wish to do so

The 50c a week reg. will amount to \$23.

For instance, in Class 1 A you may start with the largest payment 46c and pay one cent less each week, making your last payment 1c. In class 2 A you may start with 92c and pay 2c less each week, making your last payment 2c. In class 5 A you may start with \$2.30 and pay 5c less each week, making your last payment 5c. By reversing the order of payment this way your interest will be twice as much. Interest paid only to members who make their payments during the week they are due, or pay in advance.

All that is necessary is to go to the Savings Department of the First State Bank, ask to be enrolled as a member, and make the first week's payment or more.

Payments are to be made weekly or in advance as you desire, or monthly in advance. You will receive a card on which punch marks will show the amount paid. This is your receipt. The Bank holds a duplicate card which is the valid record. You can join any day, beginning Monday Jan. 19th. Join one or all of the classes.

### PEOPLE OF HOLLAND TO HAVE CHANCE TO HEAR GOVERNOR FERRIS TO NIGHT

Is Of Special Interest Because Of Recent Return From Copper War District

This evening the people of Holland will have the opportunity to hear Governor Woodbridge N. Ferris speak in the auditorium of the new high school. The appearance of Mr. Ferris in Holland at this time is of special interest because of the fact that he has but just returned from the copper country where he made an effort to end the industrial war that has raged there the past few months. While his lecture will not be on that subject, it is not at all unlikely that the governor will bring some of the things he has observed there.

The address will begin at eight o'clock, and there will be music by the High School Glee Club to give variety to the program.

### HOLLAND MAN IN ON FORD PROFIT SHARING PLAN

Now Gets Six Dollars Instead Of Four A Day

Ray Harrick formerly with the West Michigan Tool Works at three dollars per week working as an apprentice is now among the profit sharing employees at the Ford Auto Co., of Detroit.

When Harrick left Holland he went to Pontiac and secured a job in a machine shop there. He held this position for a year when Detroit "where life is worth living" looked good to him. He made a hurried trip to Holland took back a bride to Detroit, with him secured a position at the Ford Co.

Until two weeks ago he was making \$4.25 a day of nine hour now with the recent profit sharing plan he is "pulling down" \$6.00 per day of eight hours. Harrick believes in profit sharing.

### BUD WANTS A SCISSORS

Bakersfield California

Dear Ben: I sent you one dollar for the News a few weeks ago, do I get a scissors if so don't forget to send it post haste as I need one. When a man can get something for nothing they want it. It is a shame to ask you for them as the paper is more than worth the price you ask for it. I look longingly for it each week.

I remain Your Friend,  
Bud Smith.

Remember me to all my friends. Bud got a scissors and the News for one year way down in California for \$1.00.

New and old subscribers can get the same. We had 500 scissors two weeks ago we have left 250 they are going fast.

### EVERY BODY WANTS TO BE PROSECUTOR

Holland Zeeland and Grand Haven Have Candidates

Judge Fred T. Miles writes the News today that he is now in the race as a candidate for the offices of prosecuting attorney on the Republican ticket and we gladly announce this fact to our readers.

Among other candidates whose names are mentioned for the offices are the present incumbent Louis H. Osterhaus, J. W. Clark of Zeeland, Jud Kolyn, Dan Pagelson and Edward Soule of Grand Haven and Tom Robinson of this city.

Mr. Robinson we understand will make an announcement in a short time.

### TWO MEN SLAIN BY G. T. ENGINE

Michael Luloff And David Newell Of Ferryburg Are Victims

Michael Luloff, aged 60 years, and David Newell, aged 47 years, Pere Marquette section men, were instantly killed at 6:15 yesterday morning by a Grand Trunk switch engine at Grand Haven.

Both men live in Ferryburg and were crossing to Grand Haven when the accident occurred on the Grand Trunk right of way between the railroad bridge and trestle.

The switch engine was backing toward Grand Haven and neither Engineer Pearsall nor Fireman G. L. Wilson saw the men until too late.

The bodies were picked up 60 feet apart. They were brought to Grand Haven and a jury was drawn by Coroner John J. Boer.

Newell leaves a widow and seven children. Luloff is a widower with several grown children.

### SUPERVISORS KICK ON FEEDING HOBOES

Ottawa Supervisor Suggests Cutting Allowance Down To 17 1/2 Cents

The Ottawa Board of Supervisors is trying to find a solution to the hobo problem in this county. The discussion was brought about by the large number of bills offered for the care of "travelers" at the county jail since the last session of the board.

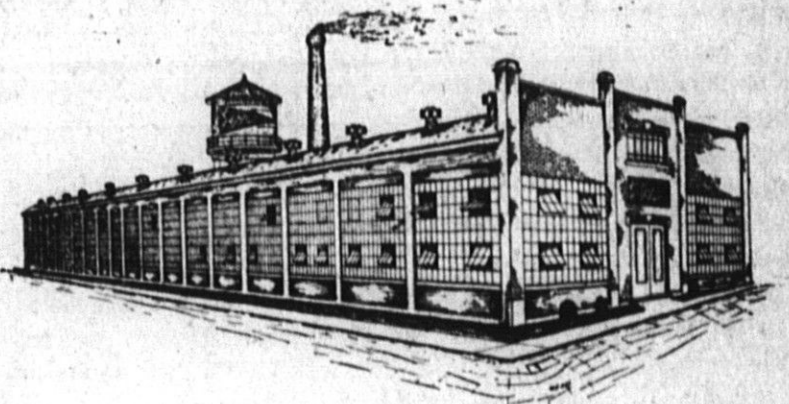

The sheriff is allowed 35 cents per day for the board of prisoners at the county jail besides the regular fee for the arrest.

During the month of December a large number of transients have occupied bunks at the jail and have been fed with jail board. This condition has always been a sore spot with the board of supervisors, and always when the bills have been presented by the sheriff and the justices of the peace, it has started something.

Supervisor Chittick of Chester declared that the price for board of prisoners should be cut in half, taking the stand that if the fare at the jail was not inviting the hobo would soon pass the word and strike Grand Haven from their itinerary. This suggestion met objection on the grounds that prisoners awaiting trial could not be forced to put up with the scant fare dished out to the hobo.

Governor Ferris also finds that the way of the peacemaker is hard.

### GOVERNMENT WILL TRY OUT MAIL TRAINS OF THEIR OWN

The house committee on post-offices and postroads has reported favorably upon a proposition to give the postmaster general \$100,000 with which to make a practical trial of the government ownership of rail way postal cars. With the money cars are to be purchased outright and cost minute records kept as to the expense of their operation. The committee will also favor the appropriation of a similar sum for experiments in carrying the mail by aeroplane, tests to be made under the supervision of the postoffice department.

Mr. John Steketee of W. 21st, was pleasantly surprised last Friday evening by about 30 of his friends and neighbors. The event being in honor of his 35th birthday.

He received many useful and beautiful gifts.

The evening was spent in games and music. Mr. Charles Weld and Mr. John Nyland carried away the winning prizes. Mrs. George Meyers and Mr. Ola Hoover won the booby prizes. A fine lunch was served, the party broke up at a late hour. Every one present confessed to having spent a most enjoyable evening.

#### Y. M. C. A. BENEFIT NEXT THURSDAY NIGHT TO BE BIG EVENT.

Committee Makes Its Final Plans Today and A Large Audience Is Looked For.

The committee in charge of the union concert to be given in Carnegie Hall by two church choruses next Thursday evening made final arrangements for the event this morning. It is believed that a larger audience will gather in Carnegie hall on that night than has ever been crowded into that building. There will be no admission charged, but in spite of that it is expected that a large sum will be collected for the Y. M. C. A. fund. A corps of deacons from the various churches in the city has been provided for to take up the collection and every one present will be given opportunity to contribute to the cause as much as he may see fit.

It is estimated that if the entertainment were to be put on under the usual conditions the cost of it would mount up to more than two hundred dollars. But because of the fact that the proceeds are to swell the Y. M. C. A. fund all those who take part are giving their services free of charge. The total expense will be only a few dollars, and practically all that will be collected can be turned into the Y. M. C. A. fund.

The program has been completed and is now in the hands of the printer. The concert proper will begin at 8 o'clock sharp, but from 7:30 to 8 the Trinity Church orchestra will furnish music. The invocation will be pronounced by the Rev. P. A. Hoekstra, pastor of the Fourteenth Street Christian Reformed church. This will be followed by the singing of "America" by the audience, after which Miss Ruth Keppel will furnish a violin solo. Miss Katharine Moore of the School of Expression of Hope college, will give a reading entitled "The Courage of the Commonplace," by Mary Raymond Andrews. After these preliminary numbers the union chorus of about a hundred and forty voices will render the sacred cantata, "The Angelic Choir."

The program will close with the singing of the doxology by the audience and the pronouncing of the benediction by the Rev. M. Elipse, pastor of the Third Reformed church. It is to be an entertainment that will be first class in every way and the indications are that even standing room will be at a premium on the night of the concert.

The lumber that is required to

build up the stage that will be needed for the large chorus is furnished free of charge by the Scott-Lugers Lumber company. The program are printed free of charge by the Holland City News. The Holland Printing Company is printing posters free of charge. All the newspapers are doing their share toward advertising the entertainment free of charge. Chairs for the stage and for the hall itself will be furnished by the dealers in the city who rent chairs for such occasions, only in this case there will be no charge.

The musicians and reader are doing their work purely for the sake of helping the cause along. The committee has met with enthusiastic willingness all along the line to aid the work and to make the concert a success.

### W. R. C. ELECTS OFFICERS

The following officers were elected by the Woman's Relief Corps last evening as follows:

Installing Officers (good)—Maude Holmes, Eaton Rapids.  
President—Mary Harmon.  
Sr. Vice—Ada Bedell.  
Jr. Vice—Ruth Nash.  
Sec.—Katie Van Raalte.  
Treas.—Mae Hiller.  
Chaplain—Mrs. Ella Thomson.  
Conductor—Kate Herrick.  
Guard—Cora Marsh.  
Ass't Conductor—Hattie Barnard.  
Ass't Guard—Mary Van Tak.  
Patriotic Quota—Martha Bell.  
Press Cor.—Florence Boot.

Trustees—Chas. Mulder, Adolph Ebert, George Mooney.

### SPOKEN IN JEST

#### The Exception

First married man—Is there ever an occasion when everything at your dinner table is stone-cold?  
Second married man—No, not everything. We always manage to have a heated argument.—Judge.

### INDIAN FILE

This is another name for single file. It had its origin in a custom among the American Indians of the north, who when on the warpath moved in single file—the one behind treading with great care directly in the footprints of the man preceding and the last man carefully obliterating the footprints of those who had gone before him. In this way the Indians succeeded in concealing their numbers from the enemy and very frequently in concealing their whereabouts also.

Jacob Mulder made a pleasure trip to Grand Rapids Tuesday.

Ben Van Loo and Gerrit Van Tongeren left for Chicago Tuesday on various business interests.

Peter Prins of East Holland was in town on business Tuesday.

John Jacobs of Beaverdam was in town on business Tuesday.

The Zeeland State bank received a new Addison Dictaphone Tuesday.

Bert Van Loo made a business trip to Wayland in the interests of the Holland-St. Louis Sugar Co., Tuesday.

H. Van Dyke of Vriesland was in town on business Tuesday.

Jacob Te Paskie of Indian Creek was in town on business Tuesday.

The Central school was closed yesterday because of the installation of new fuses.

Mr. and Mrs. A. Visscher spent yesterday in Grand Rapids.

Miss Mildred Claire Ozias who has been visiting Miss Grace Browning in this city left yesterday for her home in Minneapolis.

The funeral services of Frank Evers of Kalamazoo were held Friday from the home of Mr. and Mrs. Henry Evers, north of Zeeland. The Rev. P. P. Cheff officiated. Interment was in the Zeeland cemetery.

G. Moekje and Sons of Zeeland, will stop the machinery at their planing mill for two or three days in order to make repairs. They recently received an order for making 3000 cheese boxes a day for the Phenix Cheese Co. In order to do this, everything must be in perfect running order.

Friday in a tense and exciting game, Zeeland High school defeated the fast Lowell High quintet. The first part of the game was very closely contested, but when Zeeland High once had the lead, she never lost it again. The final score was 41 to 14. This is the seventh straight game for the locals. A fast preliminary was played between the Moguls and Pirates of the High school league. The Pirates came out at the long end of the deal with the score of 22 to 5.

The fourth annual banquet of the Zeeland Civic club was held Tuesday night in the Colonial Cafe. Ninety-four members partook of the festivities. After a sumptuous meal of seven courses, William Van Koverling, the toastmaster, arose and delivered one of his witty addresses. The company was kept in continual uproar by his witty and pointed jokes. The speakers that responded to toasts were Peter Smits, "Our Celebrities," John Moekje, "Pass It On," Rookus Cook, "Ways and Means," and the Rev. Paul Cheff, "Our Club." The banquet was closed with a few fitting remarks by the Rev. J. P. De Jong and a song, written especially for the occasion to the tune of "Bring Back My Bonnie to Me." The company then left the banquet hall and went to the club rooms upstairs. Here they were entertained with an exhibition game of pool between Frank De Bruyn William Leapple, the latter winning easily. Then followed piano and violin solos by Peter Smits and J. Holk of Grand Rapids. The last number was a witty impersonation by Mr. Husted. The company then dispersed to their respective homes, well satisfied with the evening's entertainment.

Chamberlain's Cough Remedy

This remedy has no superior for coughs and colds. It is pleasant to take. It contains no opium or other narcotic. It always cures. For sale by all Dealers.—Adv.

## SAUGATUCK

The County Church and Sunday school census taken recently shows Saugatuck township to have 489 families and 1476 people. As given by the census there are 407 persons under twenty-one years of age. There are 423 persons attending Sunday school. There are 424 persons members of some religious association. There are 611 that have a preference for some church and 101 that have no preference.

There are 25 religions as follows: Congregational, Methodist Episcopal, Presbyterian, Baptist, Episcopal, Catholic, German Lutheran, Protestant, Wesleyan Methodist, Christian Reformed, Church of God, Reform Episcopal, Evangelical, Disciple, Friend Adventist, Pentecostal, Jewish, Christian Science, Free Methodist, Evangelical Lutheran, United Brethren, Salvation Army, Salts and Ministers. Of these there are 114 members and 3.1 preference for the Congregational church, 123 members and 229 preference for the Methodist church, 15 members and 5 preference for the Episcopal church, 29 members and 14 preference for the Baptist church, 26 members and 4 preferences for the Catholic church, 25 members and 4 preferences for the German Lutheran church, 34 members of the Christian Reformed, 12 United Brethren, 8 members and 9 preference for the Advent church. The others have but a few members each.

Aristocrats of the chicken world to the number of over three hundred are now participating in the first annual Saugatuck poultry show which has already been proven to be a success although it is expected that today will be largest day in points of attendance. Birds as far as Muskegon and Grand Junction are on exhibit and it took a special freight car to bring the birds from Holland and Zeeland.

The Institute meetings which start Thursday proved to be very good and at the session today many good speakers were on the program.

## MACATAWA

Although the life saving station at Macatawa has been closed for some time four life savers are making their homes at the park this winter besides the captain, who is required to stay there. Three of these men are of the Macatawa crew and one of the Grand Haven crew. The Macatawa men who are spending the winter at the park are Van Oort, Van Regenmorter and Timmer. Archie Horning, formerly of the Holland crew, is the fourth. Van Regenmorter has been laid up with appendicitis, but is out again now.

Everything is peaceful and quiet at the park and there is no excitement of any kind. Should an emergency arise, however, the crew could render efficient service, even though they are not on duty.

Wireless for the local life-saving station and in fact all similar stations about the Great Lakes is believed possible in an order sent out by the department of the life saving stations to learn the Morse code of wig-wag signalling before they can go on duty with the opening of navigation in the spring.

Capt. Van Weelden of the Macatawa station has received such orders. Hence during the next 3 months the life savers will be "boning" on the system of dots and dashes that will enable them to receive and send messages.

The introduction of the Morse code into the service is a forerunner it is said, of the installation of wireless outfits on all Great Lake stations, whereby the "S. O. S." of the ships in distress may be caught and answered without delay.

Like other stations about the lakes, the local life saving station can't communicate with boats that are out of sight. With wireless equipment, however, any ship in distress would be able to communicate at once with the men on shore.

Members of the crew, Capt. Van Weelden states have for some time been drilled in a signalling code, but the new system is much more complicated and covers a wider range.

Men high in the service believe that within the next year or two all stations on the lakes will be equipped with wireless and one member of the crew in each station will be especially detailed as operator.

## JAMESTOWN

Mrs. Elizabeth Leonard, 85 years old, for more than 50 years a resident of Jamestown, Michigan, died there Sunday afternoon. She is survived by two sons, Wm. of this city and John P. of Los Angeles, Calif., and two daughters Mrs. Wallace Huff of Jamestown and Sister Mary Simon of Cincinnati, O. The body will be taken to Grand Rapids and funeral services were held at ten o'clock Tuesday morning at St. Andrew's cathedral. Interment was in St. Andrew's cemetery.

## GRAAFSCHAP

A deal was closed today between Dr. J. M. Vander Ven of Graafschap and G. J. Johnson Cigar Company of Grand Rapids, Michigan. Dr. Vander Ven was at one time a cigar manufacturer here in Holland, but took up the study of medicine in 1889 and entered the medical department of the University of Michigan. After two years of hospital training in New York City, he entered the practice of medicine in Wisconsin; but during all this time he could not forget his own trade of cigar making, working constantly on a scheme to eliminate the nicotine from tobacco. Today he imparted his scheme to Mr. Johnson, who thought so well of it, that he bought it outright with the provision that Dr. Vander Ven move to Grand Rapids, and there to perfect his hobby in the curing and sweating rooms of the G. J. Johnson Cigar Company factory. Mr. Johnson says if the Doctor's plans work out, it will revolutionize the cigar and tobacco industry of the world.

## EAST HOLLAND

Sabbas Zeerip, an old pioneer of Ottawa county, died Monday at his home in East Holland at the age of 74 years. Mr. Zeerip has lived on his farm in East Holland or many years and is well known throughout that community. He is the type of hardy settler who did much to make the farming land what it is.

He is survived by a widow and 10 children. James of Muskegon; Kempt, John, Charles and Mrs. J. Vander Muelen of Holland, Peter of Marian, Ind.; Ryn of Crisp, Mrs. B. Lemmon of Allendale, Cornelius of Zeeland; and Mrs. Van Dummel of Hamilton.

The funeral will be held this noon at 12:30 from the home and at 1:30 from the Ebenezer church.

## HUDSONVILLE

A mere matter of figures can give nothing like as good an idea of the immensity of the celery business at this place as to watch the influx of farm teams from the hours of 11 a. m. to 5 p. m. The crowd during these hours reminds one of a market place in a big city in the early morning. So great is the rush that it is often difficult to find cars in which to ship their produce. The cooler weather has improved the markets and the growers are netting about \$1.25 per box, which means a clear profit of nearly \$400 an acre. These figures explain why the celery land around this place is held at such enormous figures.

## ZEELAND TO BE SUPPLIED WITH GAS BY APRIL

Several Holland Township Residents Are Already Being Supplied.

That the people of Zeeland will be furnished with gas about the middle of April is the statement made by E. P. Davis, manager of the Holland gas plant. The people of the neighboring city are eager for the service that the company will give them and the gas cannot be given any too soon. Mr. Davis anticipates no delay of any kind and he has it figured out that in about three months the Zeeland citizens can cook with gas.

The mains have been laid for a short distance in Holland township near the town hall, and several Holland township residents are being supplied with gas now. Some of the people of the township expect to petition the town board for the privilege of having street gas lamps put up. In this way the people of that community will get most of the advantages of life in the city without actually living in one.

In a very short time work of laying the mains through Holland township to Zeeland will be resumed by hand labor. The pipes will soon arrive and will be distributed along the way. As soon as this work is completed the digging will begin. As soon as the frost is out of the ground a trenching machine, that has already been ordered, will be pressed into service. This machine does the work of digging the trenches for the pipes very rapidly, and it will take but a comparatively short time to lay the mains to Zeeland.

## ATTORNEY FOR WETS WOULD KNOW WHY PETITION WAS TURNED DOWN.

Allegan, Mich., Jan. 13.—Attorney Barnard of Paw Paw, has asked Judge Cross in the Circuit court for a mandamus to compel the supervisors to show cause why a vote on the local option question was refused. The wets filed their petition with the supervisors this year for the third time and no vote was ordered. At present the county is dry.

## EXODUS OF PEOPLE FOR WARMER CLIMATE HAS BEGUN

An exodus of people from this city to the South has begun. Recently Mr. and Mrs. P. H. McBride left for Petersburg, Fla. Mrs. J. Vander Veen and daughter Kathryn left for West Palm Beach. Mr. and Mrs. A. Self left for Petersburg, Fla., and Mr. and Mrs. F. W. Haddon left for Havana, Cuba, and West Palm Beach, Fla.

## M. H. NIXON IS MADE PRESIDENT OF B. P. AND M. I. U.

The annual meeting of the B. P. and M. I. U. No. 19 of this city was held and the following officers were elected to serve the union the coming year: Pres.—M. H. Nixon; Vice-Pres.—Ben Wanrooy; Treasurer—Dick Meengs; Rec. and Cor. Sec'y—A. A. Finch; Fin. Sec'y—Wm. Van Assel; Conductor—Albert Droost; Door Keeper—Harry Bliss; Deputy Frank Smith; Alternate doorkeeper—Peter Smith; trustees—P. Oosting, G. H. Wanrooy and B. Wanrooy. More contractors have signed up agreeing not to employ men who are not members of the union.

## MISS WILLA PETERS ASKS THAT \$2,000 BE PAID HER FOR BEING RUN DOWN BY RIG

John Vander Kolk, who was arrested last September charged with violating the vehicle ordinance in this city after running down and injuring Miss Willa Peters on the corner of Columbia avenue and Eighth street and who later was convicted of the charge before Justice Robinson, is now being sued by Miss Peters on a capias in the Allegan circuit court for \$2000 damages. He was arrested Wednesday by Deputy Sheriff Ferris of Allegan county and he furnished bail to the amount of \$500 fixed by a circuit court judge. The case will most probably be tried, at the February term of court. Att. M. A. Sooy has been engaged to handle the case for Miss Peters, while Attorneys Smedley, Lindsey and Lillie will represent the defendant.

VanderKolk has appealed the case tried in this city to the circuit court and that is on the calendar for the January term of court in Ottawa county.

## DRENTHE

Two masked men relieved John Roelofs, a farmer of Drenthe, of his bank role of \$105 at about 5:30 Saturday afternoon. While Roelofs was passing near the west side of the fair grounds on the corner of Fairbanks avenue and Sixteenth street, two masked men stepped out in front of the rig seized the horses and ordered Roelofs to hand over his money, both robbers keeping him covered with revolvers. Roelofs passed over his money but the robber kept a safe distance away when the exchange was made and Roelofs had no chance to fight. Instead of notifying the police immediately, Roelofs drove on to his farm in Drenthe and from there called up a relative, Ald. Sterrenburg in this city. Mr. Sterrenburg notified the police and every effort was made to get track of the holdup men, but they had made their getaway.

Hold-ups have become very frequent occurrences in this city coming every Saturday night for the past three weeks, although it is not thought that there are many men "working" the city. It is generally believed that the same two men or possibly three compose a gang operating in Holland who are doing all the jobs. The same tactics for relieving a man of his money have been used in all cases. This is the first good haul the highway men have made, and whether it will serve as an impetus to more crime or as a check is a question that confronts the police.

## EMMA STODDARD LOOSES PIANO CASE

There was much ado about the ownership of a piano in the local courts the past six months or more, but the case has finally come to an end by the entering of a stipulation dismissing the appeal to the circuit court. Twice in justice court in Holland, Emma Stoddard made a fight for the piano against Daisy Stegeman. The first time it was for the possession of the piano and the second time for the value of the instrument. In each case the decision was against Mrs. Stoddard. She however appealed to the circuit court. But the dismissal of the appeal on agreement of the attorneys in the case ends the matter definitely. Visscher and Robinson appeared for Mrs. Stoddard in all the trials and Att. D. Ten Cate for Mrs. Stegeman.

## BALANCE THIS YEAR MUCH SMALLER THAN IT WAS LAST YEAR.

County Treasurer Pelgrim is almost ready with his annual report to the Board of Supervisors. This report reveals that the balance on hand in the treasury January 1, '14, was \$18,865, while on January 1, 1913, the balance on hand was \$74,593.55. The receipts during the year were \$329,618.42, while the disbursements were \$385,346.77.

## TWO DAY FARMERS' INSTITUTE TO BE HELD IN HOLLAND FEBRUARY.

Although Holland is not to have a one day farmer's institute this year, this city will have the honor of having the two-day round-up for Ottawa county. G. J. Deur received word from Prof. Taft of Lansing that Holland had been chosen for this round-up. It will be held the first week in February, the exact dates to be determined later. At this meeting there will be two state speakers from Lansing and also several local speakers. The farmers from all over the county are invited to attend all the sessions.

## COLDS AFFECT THE KIDNEYS — MANY HOLLAND PEOPLE HAVE FOUND THIS TO BE TRUE.

Are you wretched in bad weather? Does every cold settle on your kidneys? Does your back ache and become weak? Are urinary passages irregular and distressing? These symptoms are caused to suspect kidney weakness. Weakened kidneys need quick help.

Doan's Kidney Pills are especially prepared for weakened kidneys. Holland people recommend them. William Van Dort, 95 W. Tenth St. Holland, Mich., says: "I suffered from kidney trouble and backache for over ten years. The kidney secretions were irregular and painful in passage and contained sediment. My back was so weak and lame that I could hardly stoop or lift. If I caught cold, it always settled in my kidneys, causing me to suffer more acutely. I doctored a great deal, but never succeeded in finding relief until I procured a box of Doan's Kidney Pills at Doesburg's Drug store. I was benefitted in a short time and for sale by all dealers. Price 50c. before long I was cured."

Foster-Milburn Co., Buffalo, N. Y., sole agents for the United States, Remember the name—Doan's—and take no other.

# COMMERCIAL FISHERMEN AT GRAND HAVEN ARE ANGRY

## Fish Cases Brought Of Justice Robinson Of Holland

Grand Haven Tribune.—Considerable comment of an unfavorable nature has been made upon the action of the State Game and Fish Warden Department in rearresting two of Grand Haven's prominent commercial fishermen after the department had nolle prossed the very same case against these parties in a justice court in Grand Haven.

It appeared from the mode of procedure when the case was in court here, that the deputy warden was determined to be the interpreter of the law and even now it is rumored, that the complaint was made this time before a Justice in Holland, because the interpretation placed upon the disputed sections of the law here were at variance with those of some of the Department's.

Be this as it may, this mode of procedure is certainly an imposition upon the commercial fishermen of Grand Haven.

If in doubt as to the construction that should be placed upon certain sections of the law, why not consult those who were the makers of the law as to their intent for the law is of recent make, and the chairman of both the Senate and House Committees, who had the framing of this law, could be readily communicated with as to the intent.

Herewith is a communication from a commercial fisherman who as a matter of course has studied this question.

"What, may we ask, is the reason of the enmity apparently existing between the State Game and Fish Warden Department and the fishermen?"

Is it because the commercial fishermen willfully violate the fish laws, or can the cause be traced to some other source? Perhaps the cause lies some what with our law makers for making laws relative to commercial fishermen is no easy matter. Not many people understand how the nets are set and how the fish become enmeshed in the nets, nor are many aware that these nets are set on the bottom of the lake, in from 300 to 400 feet of water.

Last winter's legislature, the department and fishermen thought, made one of the best laws regulating the transportation, sale and possession of fish that was ever passed. This bill was known as the Clark fish bill, and much credit is due Mr. Clark for his untiring efforts to bring unity between fishermen and the department.

But perfection was not attained in every feature of this bill and the result is that harmony does not prevail. The fishermen admit that never has a bill been passed, which suited both the department and the fishermen and which could be said was also good for all the people, but why these arrests of fishermen under the present law? Perhaps it is because the law is ambiguous and not plain. Sec. 3, P. A. 1913, permits fishermen to set gill nets of 2 3-4 mesh for the taking of chubs and other rough fish providing they will not take more than 15 per cent of immature white fish or trout, such percentage to be determined by the state game and fish warden department for a period of six days in succession. In case more than 15 per cent is taken, the authority is given the department to order the nets removed, and this is a very important part in the Clark fish bill.

Under the previous fish bill known as the Minz bill, 2 3-4 inch mesh were allowed to be used wherever and whenever they did not take immature white fish or trout.

According to the Minz bill the fishermen were violators of the law, every time they lifted their nets, but under the present law this condition has been alleviated for under the present law they are allowed 15 per cent of those fish, which formerly it was unlawful to catch.

But now what may be done with these fish which are lawful fish in the possession of the fishermen, Sect 8, relative to the marketing of fish states; provided further that it shall not be unlawful for fishermen to have in possession, not to exceed in quantity the percentage allowed in Sect 3 of this act, lake trout of a less weight than established by this section, which are caught in a 2 3-4 inch mesh gill net, and the same may be shipped by the fishermen under the direction of the State game and fish warden.

Now these last emphasized words is the bone of contention, for the warden construes these words to mean that he has the authority to deprive the fishermen of these fish and order the fishermen to ship them all to charitable institutions, without any remuneration for the cleaning, packing ice, work etc., attached. Now this is to say the least, wholly unjust.

The fishermen's interpretation is that where the law allows 15 per cent of such fish in their possession when lawfully caught under the provision of Sect. 3, and the law does not mention anything about any charitable institution.

Now if our law makers had intended any such thing as what the warden contends they did, they certainly could have said so in two or three words, but not so and the fishermen still say that the intent of the law was and is that the word direction means nothing more than that the department can say, how the same may be shipped, as for instance deer killed in season may be shipped etc.

That this section, relative to the 15 per cent is not clearly understood was brought out on November 13, when a warrant was sworn out by a deputy game warden charging fishermen with violating the law be-

cause they marketed more than 15 per cent of immature trout, this case was later nolle prossed, because it could be proven that the fishermen had on that day only 2 to 5 per cent of immature trout.

This clearly shows the difference of opinion and where the fishermen as well as the department believe it a question of law and the intent of the law makers should be ascertained, and the reply of the chairman of both the senate and house committee on fish and fisheries stated in explicit terms that the 15 per cent legally caught might be sold. Now we ask, why this arrest? Why compel these men this expense and taking them before a justice in Holland?

Henry Teusink, owner of the Virginia Park Dairy has sold his milk route to Henry Schrottenboer of this city. He will sell his cows at an auction sale in the near future.

Among those in attendance at the court were Barend Arendshorst and William Arendshorst, father and son of Holland gusq fame. Father Arendshorst came to Grand Haven to become an American citizen.—G. H. Tribune.

The Rev. John Van Zomeran, of Cleveland, Ohio, son-in-law of Mr. and Mrs. Geo. Dalman of this city, has accepted a call extended to him by the Trinity Reformed church of Grand Rapids.

An appeal was filed with the clerk of the Circuit court Monday in the cause of Sadie Rademaker vs. Estate of Annie Morrissey, in which a claim for \$395.25 was disallowed by the commissioners on claims, Luke Lugers and Gerrit Kooyers which was filed in the probate court.

Lee Cummings has purchased a new electric cash register and is making many improvements in his pool and billiard room. The furniture and show cases have been moved about giving the room a much better appearance.

Word has been received here of the death in Butte, Montana, of Mrs. L. C. Paxon, sister of Mrs. W. A. Lemma of this city. Mrs. Paxon, sister of Mrs. W. A. Lemma of this city. Mrs. Paxon was formerly Miss Jennie Brazelton. She was the wife of a prominent druggist of Butte.

Mr. and Mrs. W. A. Lemma have left to attend the funeral. Word has been received here of the death of the Rev. J. E. Winter, formerly of this place. Death came to Mr. Winter in Denver, Colorado, last Saturday, after a lingering illness. The funeral was held yesterday at Maurice, Iowa, where Mr. Winter's last charge was. He lived in Holland at one time, and he held charges at Monrow, S. D., Sioux Falls and Maurice, Iowa.

Peter Gebbard, a former Hope College student, who has been working in a mining camp in Wyoming for the past two years, is visiting his brother John Gebbard of New York, who is attending Hope. Peter has changed considerably since he attended Hope college about five years ago and few of his friends recognize him because of his mustache and broad brimmed western hat.

The Missaukee county board of supervisors at Lake City last week authorized the division of Clamunton township, the east half to be called Holland township. This name is given because there is a large colony of Holland resident there. It is something of a co-incidence that while this action is being taken in the northern county a similar action may be taken in the case of Holland township in this county, the coming week.

Taking advantage of the three years' protection afforded whitetail deer, the authorities of the game department of the state of Pennsylvania are stocking the preserves with 100 fawns imported from Michigan. The first consignment of the animals was planted several days ago and others will be added as soon as possible. The animals are being planted in Westmoreland and Fairview counties and will be protected by an organization of nimrods who were largely responsible for their importation.

During the months of October, November and December 1914 volumes were added to the Hope College library. The new books include the works in drama, oratory, history, criticisms, temperance and fiction. Some of the more important sets are "Photographic History of the Civil War," in ten volumes; "Macaulay's Miscellaneous" in ten volumes; "Pollard's English Games" in twelve volumes; "Longfellow's Works" in ten volumes; "Werner Classics" in five volumes; and "Wolley Civic Sermons" in eight volumes.

The Carleton Woman's club of Fennville held its twentieth successive annual banquet here in Odd Fellows' hall Friday evening. The presentation of "The Golden Goblet" by twelve of the members featured.

A very delightful party was given Monday afternoon at the home of Dr. and Mrs. N. K. Prince for their daughter Enez, it being her 8th birthday anniversary, eight little girls being present. Games were indulged in after which refreshments were served.

In connection with the Red Cross Christmas Seal Campaign, an event of unusual interest occurred on Jan. 6, at Miss Dehn's room of the Maple Avenue School, where Superintendent Fell, in behalf of Mrs. G. J. Van Duren, presented to this school the prize for having sold the largest number of seals per capita, of any school in the city. This was a beautiful Copley Print of Sir. Galahad, and was the personal gift of Mrs. Van Duren.

The Spanish War Veterans of Holland Camp 38 availed themselves of an invitation to visit the Guy V. Henry Camp in Grand Rapids. The local delegation left on the 5:35 car. In addition to the men from this city delegates from Lansing, Muskegon, Jackson, Kalamazoo and other camps were present. Those from here who expect to go are: Martin Vander Ble, John Homfeld, Herman Waltman, T. Vander Water, Tony Self, Ben Hamlin, Roy Calkins, Tony Westraate, George Moomey, Frank Rybarczyk, Adolph Ebert, Hans Dykhuis.

The installation exercises of the Erutha Rebecca lodge No. 27 I. O. O. F. were held last evening. The following officers were installed: District Deputy, Sara Van Lente; N. G., Kate Herrick; V. G., Eda Bedell; Recording Secretary, Amelia Brightwell; Financial Secretary, Martha Bell; Treasurer, Effie De Feyter; R. S. N. G., Rose Clarke; I. S. N. G., Viola Lewis; R. S. V. G., Margaret Irving; L. S. V. G., George Yore; Conductor, Ida Habing; Warden, Cora Hoffman; I. G., Belle Wilson; O. G., Laura Risto; Chaplain, Ella Thompson.

Sunday afternoon at 4 o'clock the infant daughter of Mr. and Mrs. Edwin Heeringa died at the home, 119 East Eighteenth street. The funeral was held Tuesday afternoon at two o'clock from the home, the Rev. Mr. Hoekstra, pastor of the Fourteenth street Christian Reformed church officiating.

Philip Schnorback, the Muskegon contractor who has the job of constructing the breakwater at Macatawa channel some years ago, is at present engaged in installing a water system at the North Side Leather Co. A well is being dug and a large tank will be set up. The job is estimated at \$3,000.00.

The buffalo nickel with the depressed letters around the edge is perfectly good. This is the second issue of the coin. The first issue had raised letters, which lessened the time the coin could be used, as the letters would soon wear off. Hence in the second issue the letters were made smaller and depressed. While street car conductors in Chicago don't recognize the new coin the local car men are up to snuff and take the new coins without question. Many persons, however have been fooled by the new pieces and in many instances they have been turned back over the counter.

The Holland High school basketball team have hit upon something new in shape of a score-book. This little booklet has just come off the presses. It is very neatly printed and bound. It contains the basketball schedule of the boys' team as well as of the girls' team. A complete set of rules for scoring a basketball game is also printed. The larger part of the booklet is devoted to score cards, with blank spaces where the owner of the book can score the games he attends. In this way, at the end of the season, a fan will have a full record of the plays made during the season. The score book is on sale and will doubtless be popular with the fans.

The Industrial board of Arbitration of the state has affirmed the decision in the Straatman case arrived at some months ago by a committee of arbitration before which the case was argued in the city hall. John Straatman met death as a result of a fall while he was employed in the construction of the new high school. The local board of arbitration rendered a judgment of approximately \$2,000 to be paid in weekly installments during three hundred weeks. It was appealed to the State Industrial Accident Board, and Thursday this body affirmed the decision of the local committee. The money is to be paid to Miss Anna Straatman, to her guardian, John Van Till.

# GREEK WOMAN IN OTTAWA COUNTY INFIRMARY WANTS HUSBAND WHO SHOT HER

A pathetic epistle was received by Miss Fannie Dickinson of Grand Haven from Rena Kulos, who is an inmate of the County Infirmary, thanking Miss Dickinson for little favors received during the holidays and wishing her a happy new year.

Rena, the 22-year-old wife of William Kulos, who was shot about four years ago by her husband, the bullet lodging near the spine, has been a cripple ever since and today, though paralyzed in her lower limbs, she is able to attend to herself, by aid of a wheel chair bought for her by the authorities.

Notwithstanding her crippled condition she appears to be contented with her lot in life, only that she pines over her husband who is serving a twenty year sentence and who is the cause of her crippled condition. She is always endeavoring to institute proceedings for his reprieve.

While unable to do ordinary work, housework or the like by reason of her crippled, she has learned to make lace by hand, and is said to be an expert and adept at making fine lace work.

The letter evinces that Mrs. Kulos has greatly improved in her education, for while she could not speak English at all when she became a charge of the county, she now reads and writes fluently in our language.

# LOCAL POSTOFFICE OFFICIALS DENY FLATLY CORRECTNESS OF DISPATCH FROM LANSING ON INCORRECT SCALES

With reference to the alleged incorrectness of the scales in use at the Holland postoffice, as reported yesterday in the Grand Rapids and Detroit papers, and also in the city papers, we have been requested by the local postal authorities to inform the patrons of the Holland post office that—

1. There has been no inspection of the scales in use at this office whatsoever;
2. No state food or buttermilk inspector, or any other kind of an outside inspector visited the office to make any such inspection; nor could he expect to be recognized for any such purpose.
3. If at any time the Post office department deems it essential or desires to test the accuracy of the scales in its use, they are not apt to report to the agency or the methods alleged in the press reports;
4. The parcel post scales in use at the Holland office are absolutely correct; and
5. Some one apparently has been doped.

The ranks of the Civil War veterans in this city were thinned again when James Clone died yesterday at the age of 73 at his home 116 W. Ninth street. Mr. Clone was born in New York and when the Civil War broke out he enlisted in the Union army and became a sergeant in Co. K, 3rd regiment of New York Light Artillery. He served until the end of the war and since then he has lived in many different places. For the past six years he has lived in this city. He is survived by a widow and two children, Eugene and Mrs. Wm. Thomson.

The funeral will be held Friday at 2 o'clock from the home under the auspices of the G. A. R.

# WOMAN MISSIONARY TO SPEAK IN M. E. CHURCH

Miss Harriet Aling of Chicago will give an address in the M. E. church next Sunday afternoon at 3 o'clock. Miss Aling has for 20 years been employed as missionary in an import and girls school of Tokio, Japan. She speaks in the interest of Foreign Missions. This address is especially interesting to ladies but all are welcome.

# "THE FIGHT" BY BAYARD VEILLER, AT POWERS' WEDNESDAY AND THURSDAY

Jan. 21 and 22. A play teeming with surprises, bubbling over with laughter, yet thrilling to the very depths of ones soul with the terrific power and tremendous theme of the play Bayard Veller "The Fight" comes to Powers' Theatre, Wednesday and Thursday, January 21st and 22nd.

The story of "The Fight" tells with all the frankness and the elimination of superfluous words of the best police reporter New York ever knew of the frightful combination of capital and crime, which have done and are doing so much to ruin the young girls of the growing generations, and who have made it possible for white slavery, gunmen and criminals of all kinds and degrees to commit depredations against the individual and the community with impunity.

"The Fight" tells how women of a certain class ply their trade, how vile men make it profitable and the connivance of the police and the big politician make it possible.

## Personal Items

Prof. Ame Vennema returned Monday morning from an extended western trip.

Miss Grace Harmsen and Miss Jennie De Jonge spent Monday in Zeeland.

Attorneys R. Visscher and T. N. Robinson were in Grand Haven Monday.

Mr. and Mrs. Ben Herrick have returned from a visit with their son Ray in Detroit.

Miss Adriana VanZanten is spending a few weeks with relatives and friends in Muskegon.

Miss Bertha Howard of Ann Arbor is spending the week end with friends in this city.

George Damson returned to Chicago today after spending Saturday and Sunday at his home in this city.

Mrs. C. P. Roest, of this city, is spending a few weeks with her son Arthur Roest of Traverse City, Mich.

Mrs. Leon Boylan has returned to her home in Kalamazoo, after a few days visit here with relatives and friends.

Simon Bos returned home Friday evening from Decatur, Ind., where he spent several months working in the sugar factory.

Cornelius Nyland who has been visiting Mortimer Gleason in this city returned Monday to his home in Grand Haven.

Mrs. Fred Kamferbeek, Mrs. G. Schaafenaar, and Mrs. H. Schaafenaar have been visiting friends in Grand Rapids for a few days.

Mr. and Mrs. R. N. De Merrell left last evening for St. Petersburg, Fla., where they will spend several months.

Mrs. Edward Phernambucq who has been visiting Mr. and Mrs. L. F. Rhynndress in Chicago was called home on account of the serious illness of her mother.

A new mirror screen curtain has been put up at the Royal theater to show pictures on. This kind of curtain is the latest thing on the market for bringing out details of the pictures.

Claude Dunneing of Grand Rapids and Miss Josephine Tubbergen of Muskegon were married Tuesday by Justice T. N. Robinson in this city. The couple will make their home in this city.

Mrs. C. H. Schols celebrated her 89th birthday Sunday at the home of her granddaughter, Mrs. A. Karsten, 84 West 16th street, where she has been since the death of her husband nearly five years ago.

### ARE GRATEFUL

In concluding the work of the Red Cross Christmas Seal Campaign the Civic Health Committee of the Woman's Literary club desires to make grateful acknowledgement of the hearty co-operation of the citizens of Holland, the Superintendent, teachers, and pupils of our Public Schools, the superintendent of the School for Christian Instruction, the Y. W. C. A. of Hope College and the various church organizations and Sunday schools that have assisted in this work.

The Committee wishes also to publicly recognize the helpful influence exerted by the Press of our city, both in giving publicity to educational matter relating to anti-tuberculosis work and the loyal support of local efforts to promote the sale of Red Cross Seals.

The Theaters of Holland have also most heartily endorsed and advertised the sale by their generous use of the seal slides in connection with their regular exhibition.

The committee feels that the entire campaign has been one of concerted action and that only in this way could its encouraging results have been achieved.

Committee of Civic Health,  
Mrs. Katherin Van Duren,  
Chairman.

Luida H. Bahr,  
Mrs. A. Leenhouts,  
Mrs. E. J. Blekkink,  
Mrs. A. F. Bruske.

It would be difficult to define any one number of Tuesday's program of the Woman's Literary club as the best; each was excellent in a different way.

Two kinds of American humor were admirably shown in Mrs. Lacey's reading of John G. Saxe's "How Cyrus Laid the Cable," and "The Rhyme of the Rail," and in Mrs. Pifer's recitation of Mark Twain's "The Minister's Blunder."

Mrs. Van Duren read her report of the sale of the Red Cross seals. The ladies tendered a rising vote of thanks to the committee for its valuable work. Mrs. Bruke added a testimonial on behalf of the committee to the personal work of Mrs. Van Duren.

Miss Bahr read a capital paper on that fascinating subject "The Evolution of Transportation." It is largely to the railroads that we owe the fact that not only different sections of one country but different countries of the world are getting to understand one another.

In 1830 we learn that there were twenty-three miles of railway. When in 1848 and 1849 the great riches of the west were found it did not take the people long to see the necessity of some quick means of transporting them. So in May '69 the Union Pacific was finished. The Northern Pacific opening the great northwest was completed in 1883; and later the Atchison, Topeka and Santa Fe. Tea which formerly had to be shipped round Cape Horn, now is in New York one month after leaving China.

Miss Jennie Brouwer favored the ladies with the singing of Ira B. Wilson's "Love's Flowers Shall Bloom" and Froebel E. Lee's "Blossom and Bee."

Miss Dehn told interestingly of "Plantation Melodies." The Negro has given the United States almost the only folk songs that it has. His literalness in religious matters and his weird ideas give his music a unique character. This is far different from that of the "Coon song."

"Tis the old-time Religion," and "Massa's in the Cold, Cold Ground," were excellently rendered on the Victrola.

The Elizabeth Schuyler Hamilton Chapter of the Daughters of the American Revolution, met at the home of Mrs. Post, Thursday afternoon. Mrs. Hall, the regent presided.

A very interesting paper "The Courtship of Martha and George Washington," was read by Mrs. Ogel.

A Colonial Note book relating many unique and amusing old customs, was read by Miss Cotton.

Miss Martin read several poems by Paul Dunbar. These were charmingly rendered in the negro dialect.

Miss Little sang in her sweet way "A Perfect Day" by Carrie Jacobs Bond and "Play Make Believe."

A very interesting feature of the afternoon was an exhibit of relics which have been in the respective families of the Daughters since the Colonial days. Some of these were remarkable for their antiquity, some for their intrinsic value, and some for their histories.

Many out of town guests were present and the meeting was interesting and very pleasant from beginning to end.

INSPECTION OF NEW CHURCH IN GRAND HAVEN BRINGS FAVORABLE REPORT

Upon the solicitation and request of Grand Haven city authorities, City Building Inspector Davidson of Grand Haven on Wednesday made a thorough inspection of the First Reformed church edifice of this city now in process of erection.

Mr. Davidson was conducted over the building by Piere Lindhout, the architect and while as yet no written report has been filed with the city authorities, it is learned from a reliable source that the inspection while thorough, failed to reveal any flaw or faulty construction whatsoever, but to the contrary the inspector is said to have expressed himself very emphatically as to the solidity of the building and the material used in the same.

The findings of the inspector were highly gratifying to Contractor Dietters as well as the building committee, the congregation and even the friends of the congregation rejoice for all admire the new edifice as far as erected.—G. H. Tribune.

FRIENDS OF MISS HENDRINE HOSPERS FEAR SHE FIGURED VOLCANO DISASTER

Friends and relatives of Miss Hendrine Hospers are concerned about her safety in Japan, fearing that she may have been caught in the volcano disaster at Kagooshima. She was located at that place, having gone there last year when she began mission work in Japan. Miss Hospers is a recent graduate of Hope College and has many friends here who are anxiously awaiting for news in regard to her safety.

J. Alberts Falls From Second Floor of Zeeland Livery Barn

J. Alberts of North Dakota fell from the top floor of the Zeeland livery barn to the cement floor below. Mr. Alberts was completely stunned. Dr. Rigerink was hastily summoned, who pronounced the case quite serious.

Get a scissors free by paying one year in advance for \$1.00. See photo of scissors elsewhere in this issue.

## HOLLAND FAIR DIRECTORS HOLD MEETING TO ERECT ANOTHER BARN ON THE GROUNDS AND POSSIBLY AN ART HALL.

Plan to Make Thirtieth Anniversary of Association's Organization Significant.

An enthusiastic meeting of the Holland fair directors was held in the city hall Tuesday afternoon for the purpose of beginning the campaign for next year's fair. The success of the past year's exhibit has filled the directors with vim for the coming year, and the fair will feel the effect of it next fall.

For one thing it was decided to build another barn, just as large as the one that was erected last summer. The one of last summer was for horses, while the new barn will be for cattle. The committee on buildings has been asked to secure bids and to report at the next regular meeting of the directors.

Another new building may be erected as an art hall, although no definite decision has been made on this point. Wm. Orr presented the plans for this building Tuesday.

According to these plans the building will be 96 x 204 feet. The directors were enthusiastic about it, and it is likely that the plans will be accepted. First, however, further investigations will be made, and a committee of five was appointed to look into the matter and report at the next meeting when definite steps composed of Dick Boter, Wm. Orr, Edw. Van Lopic, Herman Van Tongeren and E. P. Stephan.

Because of the fact that Mr. Stephan was appointed secretary of the fair, a vacancy occurred in the board of directors and G. T. Haan was elected to fill the place.

A finance committee was appointed, consisting of Seth Nibbelink, G. J. Duer and M. Van Zoeren.

The date of next year's fair was discussed but no definite action will be taken till next meeting when a committee will report on it. Wm. Orr was appointed as delegate to the convention of the Michigan association of fairs to be held in Bay City tomorrow.

The admission to the fair next year it was decided will be the same as this year.

Since next fall the thirtieth annual fair will be held efforts will be made to make it a banner exhibit. It will be an anniversary year and according to the plans that have been launched the fair will be the best that has been held so far in its history. Many new ideas have been presented by the directors, and it is expected that Holland's fair will stand out among the county fairs of the state.

The following superintendents were appointed Tuesday: Cattle—H. E. Van Kampen and A. K. Prins; Horses and Mules—M. Van Zoeren and O. C. Schaap; Poultry—D. Wyngharden; Sheep and Swine—H. Bouws; Agriculture—K. Koster; Pomological—G. J. Deur; Farm Implements—H. Groenewoud, James Kole and H. G. DeVries; Floral Department—Mrs. J. W. Vandenberg and George Farnsworth; Woman's Department—Miss Rose Clarke and Miss Minnie Kramer; Children's Department—Miss Lucy Brouwer and Miss Jeanette Schaap; Miscellaneous Department—D. Boter and W. H. Orr; Household Department—Mrs. G. J. Deur and Mrs. T. A. Boot.

The following committees were appointed: Speed—John Schouten, A. De Kruij, Hub Boone, Seth Nibbelink; Building and Grounds—H. Van Kampen, D. Boter and H. Van Tongeren; Grand Stand—H. Van Tongeren, H. Koolker and J. Immlink; concessions—W. H. Orr, E. P. Stephan and O. C. Schaap.

BOARD OF EDUCATION FINDS IT NECESSARY TO ADD NEW NEW TEACHER.

At the February promotion time 38 new students will be added to the high school enrollment. This large number of new students has necessitated the engaging of an additional teacher. Miss Elenor Hefelrick, a graduate of Northwestern University has been engaged by the Board of Education. She will be in charge of classes in English and History.

Miss Harriet Steketee, who has been engaged as teacher in the Jonesville, (Mich.) school has been engaged by the board to teach the first grade in the Central building. Miss Steketee takes the grade formerly taught by Miss Vinkemulder who has been compelled to give up the work because of illness.

The special room for backward pupils has been discontinued temporarily, and Miss Clark the teacher, has been transferred to the seventh grade.

## MILLER DIES HAD REACHED THE RIPE OLD AGE OF NINETY-FOUR

John Pauels, a member of Holland's first board of aldermen, serving with three others when Holland was incorporated a sixty, died yesterday morning in Grand Rapids at the home of his daughter, Mrs. John Cook, at the age of 94 years. Mr. Pauels for many years lived in Holland and he was for a long time a lake captain, sailing vessels on Lake Michigan. He also had business interests here during the pioneer days.

Of the four aldermen who composed the first city board in 1866 two now survive, namely, George Steketee of Grand Rapids and E. Vander Veer of this city.

For several years he was the sexton of the Ninth Street Christian Reformed church and tolled the funeral bell for death occurring in the congregation and also rang the seven, twelve and six o'clock bells, before the mocking bird was used for this purpose.

With Mr. Plugger he was also a pioneer in the flour milling business being the miller at the old Plugger Mills, which was located on the site of the West Michigan Furniture Factory.

Mr. Pauels was born in Zuid Byerland, the Netherlands. In 1848 he came to America and he was closely identified with the early history of this city.

He is survived by the following children, Otto J. Pauels of this city, A. J. Pauels and Mrs. John Cook, of Grand Rapids; and the following stepchildren: Mrs. Wm. Moerstepke of this city, the Rev. J. Meulenbergh of Wolcott, N. Y. and A. J. Kres of Milwaukee, Wis.

Mr. Pauels was of sound mind to the very end of his life. He was still in good spirits the day before his death, although he has been failing in health since celebrating his birth day anniversary on December 18.

The funeral will be held in Grand Rapids at 10 o'clock in the forenoon of Friday and the body will be taken to Holland for interment in the Pilgrim Home cemetery.

Short services will be held at Nibbelinks undertaking rooms.

EAGLES PREPARE FOR CONVENTION COMMITTEES ARE APPOINTED AND PLANS FOR ENTERTAINMENT MADE.

Convention in June Expected to Bring Thousands of People to Holland.

Active preparations are being made for the big state convention of Eagles to be held in Holland on June 16, 17, and 18. Preliminary steps looking toward the proper entertainment of thousands who will come to Holland at that time have been taken by the Holland Aerie of Eagles.

A committee of the state aerie has been in consultation with the committee of the local aerie. Special committees have been appointed to handle the different features of the celebration. There are nine subcommittees.

The chairman of the various committees will meet with a committee of citizens on next Wednesday evening after the council meeting in the council rooms. While it is to be a convention of the Eagles practically all the citizens of Holland feel a deep interest in the convention, since it will mean a great deal to this city. For that reason a committee of citizens will co-operate with the Eagles to make everything as pleasant as possible for the visitors and to provide for appropriate entertainment.

This is the first time that Holland will entertain a large convention of any fraternal lodge, and all efforts will be made to make the most of it and to show the visitors that they are very welcome here. It is expected that there will be some three or four thousand visitors in the city during the three days of the convention, and it will probably be the biggest event of its kind that has taken place here since the Michigan encampment in 1910.

RIKSEN IMPLEMENT DEALERS WILL GO OUT OF BUSINESS IN MARCH.

Ryke Riksen, 12 West Seventh St. proprietor of the Riksen Co., implement dealers, has exchanged his store building, his home and a lot on Eighth street for a section of land in Missaukee county, Michigan. He will move to that place with his family about the middle of March. The exchange was made with Thomas White of Marian, Mich., who will come to this city in the middle of March and make his home here. It is not expected that he will keep up Mr. Riksen's implement business but will rent the building. The stock in the store was not included in the trade and Mr. Riksen will try to sell all the farm implements and other things on hand before he leaves here.

## FORMER SHERIFF WILL NOT STAND IN WAY OF HIS FRIENDS FOR STATE SENATOR

Former Sheriff Cornelius Andre was in Grand Haven in attendance upon a meeting of the county road commission. In speaking of the boom which his friends have started for him, looking toward his candidacy for State Senator of the Muskegon-Ottawa district, Mr. Andre said:

"I appreciate the kindness of my friends in this matter and am proud to know that they consider me capable of filling this important position. But—and I want this fact distinctly understood, before consenting to become a candidate, I am going to see my two good friends, Joseph W. O'Brien and Dr. Edward Hofma. These men have been candidates for this position and if either one of them desires to become a candidate at this time I am ready to take off my coat and help either one of them. If neither of these men are to be candidates then I will consider the matter."

CITY ATTORNEY VAN DUREN TELLS BUSINESS MEN HOW NEW CHARTER ELECTION LAW WORKS

Friday night City Attorney Van Duren was called upon by the members of the Board of Trade at their meeting to explain the system of election that will be in vogue in Holland under the provisions of the new charter.

Very few voters in Holland have any clear conceptions of how the new system will work and unless all pay particular attention this year many will probably make blunders that may rob them of the votes. Mr. Van Duren told the members of the board of Trade the following facts:

The registration takes place the last Saturday in this month. This registration is only for those who are not registered by reason of having moved in, having changed their ward or being a first time voter. Those who are now registered need not register again. This registration is held early because only those who are properly registered can sign the nominating petitions. This will be the only registration before the April election.

There are two ways for candidates to get their names on the primary ballot. First, by filing a petition signed by ten voters, in case of a ward office; and by 25 registered voters in case of a city office; second, by making a declaration before the city clerk and paying a fee of \$1. In either case the documents must be filed with the city clerk before four o'clock in the afternoon of the third day of March. This is fourteen days before the primary, March 17.

In the primary election the vote is a direct one, with no reference to party affiliations. The names of the candidates are rotated, so that there will be no advantage of position on the ballot. If any candidate receives the majority of all the votes cast for the office for which he is running, he is thereby declared elected without going through the regular election. It is this fact that makes the primary very important. It is possible that the election might take place at the primary and that the people would not get a chance to vote at the regular April election. For instance, if the 1200 votes are cast for city treasurer or any other office, and a candidate receives 601 in the primary, he is elected. He does not have to go up before the people in the regular election. It is only the majority of the votes cast for that particular office. A man might be elected for treasurer in the primary on 601 votes out of 1200 for that office, even though the total vote for mayor and other offices might be 2000.

The regular election will be held on April 6 this year. On the ballot, with no party labels, will appear the names of the two highest who received the highest number of votes in the primary, unless there are three candidates or more, the third and fourth of whom have received 25 per cent or more of the total number of votes cast for that office. In that case there will be three or more names on the ballot. This is however almost an impossibility. As a rule there will be but two names on the ballot for each office.

ASKS CARL MAPES TO PRESENT RESOLUTION TO HAVE COPPER COUNTRY STRIKE SITUATION INVESTIGATED

Resolution by local socialists have been sent to Congressman Carl Mapes which calls upon congress, and President Wilson to investigate the Upper Peninsula strike situation.

Two sets of resolutions have been sent one to the president and one to Mr. Mapes. Arie Van Doesburg and Edward T. Van Dyke signed the documents.

## FIFTH DISTRICT CONGRESSMAN WILL VOTE IN FAVOR OF IT

In regard to the Alaska railroad bill that is now up before Congress Congressman Carl E. Mapes of the Fifth District today gave the Sentinel the following interview:

"The purpose of the bill authorizing the construction of a railroad in Alaska by the Government, briefly stated, is to provide for the development of the territory and to make available its vast deposits of coal and other resources by building a railroad from the southern coast to the interior coal-fields and agricultural sections.

"The experience of the last few years has demonstrated that there is no other way to develop these resources and open up the country, and at the same time safeguard the rights and adequately protect the interests of the people of Alaska and the United States. Private capital has refused to do so unless given the coal-fields and permitted to exploit the other resources of the country for its own private end. No railroad of consequence has been built since the withdrawal of the coal lands from entry, and the development of the country has been practically at a standstill since that time.

"The railroad situation is controlled at present by the so-called Alaskan syndicate, consisting of the Guggenheim and Morgan interests. For a number of years these interests have themselves not only refused to build, but have used their influence, and at times armed force, to prevent others from building any new railroad that would open up the country. The testimony before the committees of Congress shows that a representative of that syndicate has said:

"We could not allow a railroad to be built through the Sustin Valley into the Tanana. There will be no more railroad building in Alaska until the coal-fields are opened.

"True to this boast, this syndicate has seen to it that none has been built, using their great financial influence against the raising of any independent capital, and resorting to armed force when necessary, to drive off the laborers and employees of any independent enterprise that had the audacity to attempt to build an independent road, destroying the property and making it impossible to continue the work.

"Conservationists have insisted that the undeveloped resources should be preserved and saved for the interests of the people. They have refused to allow the vast coal deposits there to be sacrificed to and absorbed by the Guggenheim and Morgan syndicates. It is estimated that there are enough coal deposits in the territory to supply the United States Navy, the people of the West and other parts of the country for years to come, at prices greatly reduced from those now exacted. To have the people get this benefit however, it is absolutely necessary under existing conditions that the Government should control the railroads leading into these coal-fields. The history of the territory for the last few years is ample evidence of this fact.

"It has been well said that the question involved is whether Alaska shall belong to the people of the United States, its resources developed for the benefit of the people of the United States, and for the people who actually live in Alaska, or whether Alaska shall belong to the Guggenheim-Morgan syndicate to be developed by and for them. The failure of the bill to pass would mean either the continued locking up of Alaska or turning it over to a few men to be exploited for their own special benefit and enrichment. Its passage will mean the beginning of the real development of Alaska.

"I am in favor of the passage of the bill and shall vote for it."

### THE KNICKERBOCKER

The Civil War Veterans of the city will have an opportunity of seeing the Battle of Gettysburg with all the details Saturday afternoon at the Knickerbocker theater. Of course it is not a regular battle but the motion pictures of this famous battle of the Civil War is so sensational, spectacular and thrilling that it cannot fail to bring back to the minds of the old soldiers the days when they stood under fire. Through the courtesy of Manager Himebaugh all the soldiers can see the pictures at the matinee performance Saturday afternoon at 3 o'clock free of charge.

The picture will be shown in five reels and is the greatest war picture ever produced and cost a fortune. This great battle on July 1, 2 and 3, 1863, is aptly portrayed in the picture.

## WHAT YOU SAW IN THIS PAPER

## THIRTY FIVE YEARS AGO

The hired man of Mr. G. J. Hesselink had his shoulder dislocated while breaking in a pair of steers. The doctors Ledeboer were summoned, who reduced the dislocation.

Wm. H. Parks, Esq., has arrived from the north and has opened a law office in this city. Mr. Parks has fitted up a handsome suite of rooms on the second floor of Vander Veen's new brick block, on the corner of Eighth and River streets and brought with him a very complete law library, which constitutes quite an acquisition to the legal resources of this city.

We learn from one of our Grand Rapids exchanges that Messrs. J. De Boe and E. D. Blair have formed a law co-partnership in the city of Grand Haven.

Rev. D. Van Pelt, who was expected to be here on Sunday last, got blockaded by the snow storm at Rochester, N. Y., and could not reach his destination. He arrived safely however and will fill his pulpit next Sunday.

## THIRTY YEARS AGO

Miss Tilly Van Schelven, the little daughter of Mr. and Mrs. G. Van Schelven, was the recipient of a handsome piano as a New Years gift from her uncle Thomas Bencus of Cadillac.

Mr. J. O. Doesburg, one of our druggists, says that it will be twenty years next Monday since he first engaged in the drug business in this city. He ought to know the trade by this time.

Last Thursday Mr. Fellows, of Olive Center, was transacting some business at the Standard Roller Mill. He took off his coat and laid it down and proceeded to load up some feed he had purchased. He picked up his coat when he had his load and tossed it on to the wagon. When he was ready to go he examined the garment and claimed that a pocket book containing \$40, was missing. After a good deal of searching after the lost property he started for home, and it is not known whether some one took the money or that he lost it.

## TWENTY FIVE YEARS AGO

Sheriff Woltman and family are in the city and will make Holland their future home.

Mr. Bos, of Wildervank, Groningen, Netherlands, father of Rev. E. Bos, of this city died last Saturday, aged 73 years.

Mr. B. Riksen, of Holland township, secured the contract for furnishing the Public schools with next year's wood. "Barney" is one of our wide awake farmers, and he will deliver his wood if it does not snow again for two years.

Mr. L. Van Putten, of the Workman Manufacturing Co., left for the east in the interest of the company last week. He will visit Buffalo, N. Y., Paterson, N. J. and New York City.

Alderman De Merell and wife returned from Georgia. He says the red clay mud was ten feet deep in the Sunny South. Michigan is good enough for Richard and he has no desire to leave Holland.

## TWENTY YEARS AGO

Ralph Schepers has presented the Y. M. C. A. rooms with a beautiful oil painting, handsomely framed, as a Christmas gift. Both picture and frame are the products of his own skill and labor.

An old lady named Weaver, 80 years of age, died last week at Byron Center, and it took eight men to bear her coffin to the grave. The old lady in life weighed 350 pounds.

Mr. and Mrs. John A. Kooyers of the Fifth Ward, celebrated their crystal wedding Wednesday evening, amid extended circle of relatives neighbors and friends. The social hours were enlivened by the presence of the Apollo Orchestra and the Van Lente Choir.

## FIFTEEN YEARS AGO

P. H. Mc Bride called upon County clerk Hoyt Saturday leaving with that gentleman a formal declaration that during the ensuing two years he would faithfully support the constitution. On the following Monday he assumed the duties of the office of prosecuting attorney.

The 13th Mich. Infy. will meet this year at Kalamazoo, on the 17th and 18th inst. Some of the veterans here served in this regiment. Its first commander was Col. M. Shoemaker of Jackson.

Among the papers the delegation from the city to Washington carried with them are a dozen photographic views of the harbor, showing the piers in their present condition and also a leaflet giving a condensed sketch of the city and harbor and illustrations of some of the leading business places, such as the Holland First State Banks, C. L. King & Co., Bay View and Ottawa Furniture factories, Walsh-De Roo Mills, Graves Library, West Michigan and Holland furniture factories, the Cappon & Bertsch tanneries and others.

The Y. M. C. A. meeting held Sunday afternoon will be led by Rev. H. G. Birchby.

## TEN YEARS AGO

Rev. A. Keizer pastor of the Ninth street Christian Reformed church, was happily surprised by the young people of his congregation at the paragon on East Tenth street, about 125 being present. The pastor was presented with a handsome leather rocker and a combination bookcase and desk.

Dr. and Mrs. G. J. Dubbink entertained the College boys from out west who live to far away from home to spend their Christmas vacation there. Those present were Messrs. G. J. Pennings, G. Bosch, A. Veenker, J. Roetman, D. Dykstra, J. Roggen and F. Wynia.

The city library has added 400 new volumes to its collection. In all there are over 4000 books on the shelves. Let the good work continue.

The museum in Van Raalte memorial hall has been presented by Dr. Vanden Berg of New Holland with articles connected with the early history of Holland which are on exhibition as follows:—three spinning wheels, one of the large type and the other two are small ones brought over by Holland's first settlers' an old lantern made in '47 by Jacob Van Dyke of North Holland and an ox yoke.

## THAT TOWNSHIP IS ENTHUSIASTIC IN BUILDING NEW HIGHWAYS

Review of What Has Already Been Done and What Is Being Planned.

Just to show what the Good Roads agitation has done for Olive township it is safe to say that never before have the people shown the interest in building good roads that is shown now. On the road north from Zeeland from fifty to seventy-five teams might be seen grading and hauling gravel, the grading done gratis and the hauling at about half of ordinary wages.

Near Rusk some twenty teams have been at work, some farmers having put in as high as two weeks steady work with their teams. On the Noordeloos road, which is not under the county system, in one-half day fifty-five days' work hauling gravel was solicited and most of this work has already been done.

On the North Holland road under the county system many farmers are willing and anxious to go to work gratis and several have promised a week's team work and more if necessary to grade the road if the commissioners will gravel it and there is no question but that the four miles from North Holland to Olive Center could be graded free of any charge.

On the Brouwer road, which is not a county road, in one day and a half practically 100 days' work was solicited to haul gravel to improve that road. On the range line, which comes under the Western Michigan Pike, twenty-five teams are willing and anxious to go to work grading that road.

The officers of the township are bending every effort to help the good cause along and the people are giving them splendid support. In the last eight or ten years practically all the large bridges have been rebuilt and new ones put in, built of concrete and steel and will not need repairs for years to come, only an occasional coat of paint being necessary to keep them in good condition. Now in the first few years to come the funds can be mainly used to gravel and improve the roads.

The people of Zeeland city are doing all in their power to push the good cause and are mainly responsible for the work that has been done on the road from Zeeland to Borculo.

The people of Holland are very much interested in the roads that lead to this city, and there is much evidence of a spirit of co-operation to help along the cause that both city and country has at heart.

## Game Warden Asks Them Not to Make Holes in Ice Large

Deputy Game and Fish Warden Beekman Tuesday issued warning to fishermen who make a practice of fishing through the ice not to make holes any larger than necessary. Or if a large hole is made the fisherman should fill it with brush or in some way show it. The larger holes are a constant menace to skaters and to persons crossing the lake on the ice. The holes fill with snow and persons crossing might fall through.

## ORGANIZATION OF 16TH STREET CHURCH HOLDS FIRST ANNUAL MEETING.

The Singing society of the Sixteenth Street Christian Reformed church celebrated the first anniversary of its organization Tuesday night with a program. A year ago Tuesday night the club was organized and since then the membership has grown to forty.

The program Tuesday consisted of a recitation by A. Van Dyke; dialogue by Minor Vander Beek; Sipp Houtman, J. Prins and Henry Grissen; Recitation by Minor Van der Beek.

The election of officers resulted in the choosing of J. Prins as president; M. J. Ten Hoor, vice president; Miss Jennie Bouwman, secretary; and A. Van Dyke, treasurer.

Refreshments were served and two flashlight pictures of the group were taken by Edw. Saggars. The program closed with remarks by the president and the vice president. M. J. Ten Hoor has been the leader of the school the past year and he has again been chosen to take charge of the work.

## FIRST WORD OF MAN IN

## 32 YEARS TELLS OF HIS

## DEATH IN AUSTRALIA

Hudsonville, Mich., Jan. 13.—Thirty-two years ago last December Jacob Feltner left the place where he was working in Salem, Allegan county, very suddenly on account of a love affair, and his friends have never heard from him until last Saturday when a letter was received from Feltner's nephew in England which stated that his Uncle Jacob had died a few weeks ago in Australia. The letter stated that Feltner went from here to Canada, where he fell in with a party going to the Antipodes and joined them. He engaged in the business of sheep ranching, and when he died he left an estate worth upwards of 500,000 pounds sterling. His estates are located in Australia and New Zealand. Many of the old-time citizens remember Feltner as the man with a crooked knee.

## ANTI-TUBERCULOSIS CAMPAIGN IN OTTAWA COUNTY REMARKABLY SUCCESSFUL

School Children Do Very Good Work 20 Having Sold 200 Seals Or More Each

At Tuesday's meeting of the Woman's Literary club, Mrs. G. J. Van Duren, chairman of the Civic Health committee of that organization, made a report of the work done by the committee the past few weeks in selling Red Cross seals in the anti-tuberculosis campaign.

The committee handled 35,000 seals. They sold 27,475. Of these 2,381 were sold in Zeeland, 100 in Hudsonville, 6,037 in Grand Haven, and 19,957 in Holland. The public schools in Holland sold 5,812, the School for Christian Instruction 490, Grace Episcopal Sunday school 1132, First M. E. Sunday school 1,361, Grand Haven schools, 6,037, Zeeland schools, 1,181, Hope College Y. W. C. A. 577. This makes a total sold by the school children of Ottawa county of 10,879. By far the largest number per capita was sold by the Grace church Sunday school. This school on December 1, 1913, had an enrollment of only 60 children, and yet they sold 1,132 seals, or nearly 19 seals for each child.

The committee now has on hand \$274.75. One third of this goes to the Anti-tuberculosis society, which is \$91.60. The state organization is required to give ten per cent of its share to the National Anti-Tuberculosis association for the seas and for the advertising matter. The balance the state society keeps for itself for state anti-tuberculosis work.

All the expenses of the campaign in Ottawa county comes out of the county's share of the money. The committee has spent \$3.25 for postage, 84 cents for trip to Grand Haven, 50 cents for two trips to Zeeland, and 50 cents for telephone tolls, making a total of \$5.09. Deducting expense money a balance is left of \$178.07 for actual anti-tuberculosis work in Ottawa county. Holland will receive the largest proportion of this money, because of the large number of seals sold here; Grand Haven will be next in order; Zeeland third, and Hudsonville will be fourth.

It has not been decided as yet what county will get the prize of the visiting nurse, as the final accounting has not yet been made. All the committees throughout the state are now sending in their final returns and the decision will be made as soon as all the figures have been received and tabulated.

Twenty school children will receive honor pins for selling two hundred seals or more, each.

The committee in charge of the work was composed of the following: Mrs. G. J. Van Duren, chairman, in charge of Columbia avenue and Maple grove schools and having general supervision of the work throughout the county; Mrs. E. J. Blekkink, in charge of Maple avenue and Van Raalte Avenue Schools and Third Reformed church; Mrs. A. F. Brusko, in charge of Hope College girls and Hope church and rural schools; Miss Bear, charge of Central School; Mrs. R. N. De Merrell, charge of School for Christian Instruction, M. E. Sunday school and Grace church Sunday school; Mrs. A. Leenhouts in charge of Zeeland.

Outside of the membership Mrs. J. Van Putten took charge of the 14th Street Christian Reformed church; Mrs. H. J. Veldman of the First Reformed church; and Dr. Poppen of the Trinity Reformed church.

## MARRIAGE LICENSES

Earl Satterlee of Hopkins and Cecil Wynne of Allegan; Roy Middleton of Martin and Lillian Wicks of Hopkins; Charles Daugherty of Moline and Frances Miller of Plainwell; Henry Elferdink of Hopkins and Jennie Van Dunn of Salem; Benjamin Kuite of Hamilton and Elizabeth Wertzer of Hamilton.

## MISS RUTH KEPPEL TO BE ON PROGRAM

She Is Secured By Committee to Give Violin Solo at Y. M. C. A. Benefit

The funeral will be held Thursday at 12:30 from the home and the committee in charge of the concert to be given on January 22 in Carnegie hall as a Y. M. C. A. benefit have secured Miss Ruth Keppel to render a violin solo. Miss Keppel is much in demand as a violin player, and her number will help to give variety to the program that is being prepared. Besides the cantata to be rendered by the two church choruses, the program will include music by the orchestra of the Trinity Reformed church, reading by Miss Katherine Moore, and violin solo by Miss Keppel. The choruses will be accompanied by Damson's orchestra.

## CONCERT FOR BENEFIT OF Y. M. C. A. TO BE HELD AT CARNEGIE HALL

It has been decided by the committee in charge of the arrangements to hold the union concert of the choruses of the Third Reformed church and the Fourteenth street Christian Reformed church in Carnegie hall. At one time it was planned to hold it in the new high school, but Carnegie hall is deemed a more suitable place. The college authorities are donating the use of the hall.

There will be no admission charged. Everyone is welcome to come and hear the cantata free of charge. Since however the proceeds will go toward swelling the Y. M. C. A. fund a silver collection will be taken, and it is expected that all who attend will contribute more liberally than if they had been asked to pay admission at the door.

In addition to the concert and to the reading by Miss Katherine Moore of Hope College, the committee will arrange for one more musical number. Also the orchestra of the Trinity church has been engaged to play before the concert proper opens.

## FOX HUNTING INDULGED IN ALLEGAN COUNTY

Allegan, Jan. 10.—These have been great days with the fox hunters and the deep-voiced hounds have filled the western woods with music day and night. The mild weather has kept the foxes out of their dens and moving and there has been just enough snow to show their tracks plainly. John Morris of Valley was the one of a party of hunters who got in a lucky shot one day last week and he got a fine big fox. One day the first of this week Fred Wicks of this city killed another. In each case there were too many hunters for the foxy one to dodge as he came traveling along on one of his circles. Messrs. Hudson and Stuck put one in a hole near the Close school house one day recently and they might have dug him out but the fox had given the hounds a long and cunning chase and the hunters decided he deserved the rest and protection of the den and came away satisfied. Incidentally their humanness was whetted by their own exhaustion.

## JOHN OXNER IS GIVEN THE CONTRACT TO MAKE IMPROVEMENT IN PUBLIC READING ROOM

On Wednesday and Thursday of this week the library and reading room will be closed to the public, while the floors will be covered with battleship linoleum. It has been impossible to secure complete silence in the reading room because of the unavoidable noise made by walking over the bare floor. To overcome this difficulty the library board decided to follow the example of other libraries throughout the country by covering the floors with something that would deaden the sound. Battleship linoleum was decided upon as the most satisfactory material.

The contract for the job was let to John Oxner. Mr. Oxner submitted the lowest bid and he will start work Wednesday morning. It is rather a big job and will take two days to complete.

## DE YOUNG SOON TO LEAVE

## OWOSSO POWER CO.

James De Young, for three years manager of the Consumers' Power company of Owosso, has tendered his resignation to take effect February 1. Ward Cobb of Charlotte will succeed him. De Young went to Owosso from Holland, where he was in charge of the municipal power and lighting plant.

## CASTORIA For Infants and Children.

The Kind You Have Always Bought

Bears the Signature of *Chas. H. Fletcher*

## DUEL CASE DISPOSED OF FRIDAY

ARCHIE IS HIRED OUT TO A FARMER AND JOHN IS SENT TO INDUSTRIAL SCHOOL.

No more will the Duel boys, Archie and John, go west to shoot Indians or to Fennville to borrow horses. Friday, Cornelius Roosenraad, of Zeeland, county agent, called for the boys and took them away. Archie, the oldest was hired out to work on a farm for a Mr. Ackley near Allendale and John was taken to the Industrial school at Lansing.

These boys, in company with Eugene Lyons, who escaped the fate of the other boys through action on the part of his parents, have won much notoriety of late for their frequent escapades. They have become well known in Fennville where their trips generally wound up. They have given the officers of that town no little trouble.

## HOCKEY CLUB ORGANIZE IN HOPE

FIRST TIME THAT SUCH ORGANIZATION HAS BEEN TRIED OUT HERE.

Something new, but something novel! Hope College is just about to launch what we may call a hockey team. Up to the present time no team of this kind has ever been organized in local circles, which is rather strange, for the facilities here at Holland are very favorable to the sport.

A few days ago a meeting was called in order to discuss the proposition of organizing the club, and about twenty men were present.

Greenfield '14, was elected manager, and Van Der Broek, '17, was elected temporary captain. The permanent captaincy will be considered as soon as the club is further underway, and the players have been picked. About fifteen men reported for the first practice yesterday. It has been suggested to the High school that they organize a club, and in all probability a practice game will be staged between the two teams some time next week. Manager Greenfield is very enthusiastic over the sport, and is anxious to get into communication with outside clubs.

Prof. Faries to whom is attributed this hockey awakening, showed himself very enthusiastic in track work last fall, and is very anxious to establish the ice game at Hope. The team will be under his direction.

## Chronic Constipation Cured

"Five years ago I had the worst case of chronic constipation I ever knew of, and Chamberlain's Tablets cured me," writes S. F. Fish, Brooklyn, Mich. For sale by all Dealers.—Adv. come to Zeeland.

## Minutes Mean Dollars IN TREATING ANIMALS

"Without you know the danger of delayed treatment of colic and other diseases. You also realize that wrongly applied remedies are often worse than no treatment at all. In other words, not to diagnose disease accurately may prove fatal. Every owner could be able to recognize an ailment and give correct treatment at the first symptoms. Prompt action is the great secret of treating horses."

Minutes mean dollars. Of course proper treatment is always necessary. That is just how Humphreys' 500 page Veterinary Manual will prove so valuable to you. It is by F. Humphreys, M.D., V.S., and teaches how to diagnose and give proper treatment.

This book will save you hundreds of dollars and costs you nothing. It will be sent absolutely free on request to any farmer in order to introduce Humphreys' Veterinary Remedies. Remember, it is absolutely free. You do not have to order any remedies to secure the book. Address, Humphreys' Homeopathic Medicine Company, 125 William Street, New York City. This is a splendid opportunity to obtain a veterinary treatise that you should have a your library. As a reference work you will find it invaluable. To have it in the time of need will be worth many dollars, whereas it will cost you but a few cents by writing for it now.

## One Lever Operates 50 Swing Stanchions

ONE easy lever motion opens from two to fifty West Bend Stanchions and sets all the cow stops. A reverse motion closes the stanchions, removing the cow stops. Stanchions can also be operated by hand singly.

Route 8 Holland, Mich.

## PUNISHMENT FOR JAIL BREAK NOT MORE THAN ONE YEAR

The four would-be escapes from the Ottawa county jail were up before Justice Wachs for arraignment. Three of them Olin, Eckert and Lynch waived examination, while A. Kyster, his attorneys not being present, did not desire to plead.

All, however, seem to apprehend that there is no escape from being found guilty on the charge of attempt to break jail, the punishment of which is discretionary with the court, but cannot be made more than one year in the county jail, or if the party who attempted breaking jail is simply one who was bound over to the circuit court, then he can be sentenced to jail one year or less.

Many readers of the News each week send the copies of the News to friends and relatives away from the city, who are interested still in the happenings of the old town. By subscribing to the Holland City News the papers would be mailed each and every week to them direct saving the bother of wrapping and mailing and the expense of postage. Subscribe now at the News office and have the paper sent to your friends who now live away from the old home town, but who are still interested in the City.

## H's Stomach Troubles Over

Mr. Dyspeptic, would you not like to feel that your stomach troubles were over, that you could eat any kind of food you desired without in jury? That may seem so unlikely to you that you do not even hope for an ending of your trouble, but permit us to assure you that it is not altogether impossible. If others can be cured permanently, and thousands have been, why not you? John R. Barker, of Battle Creek, Mich., is one of them. He says, "I was troubled with heart burn, indigestion, and liver complaint until I used Chamberlain's Tablets, then my troubles was over." Sold by all Dealers.—Advertisement.

## ORGANIZATION OF THE TRINITY POOR.

## CHURCH HOLDS ANNUAL MEETING.

The regular annual business meeting of Men's Adult Bible class of Trinity church was held Tuesday eve. in the parlors of the church. The following officers were elected:

President—A. Hoeksema.  
Vice-President—G. Neerken.  
Secretary—B. Dalman.  
Treasurer—E. Barkel.

Prof. A. Raap was re-elected as teacher by the unanimous vote of the class. The reports from different committees were very gratifying. The membership committee reported a total enrollment of 31 new members for the year. The class now has a membership totaling 79 members. Refreshments were served after the business was disposed of followed by a social hour.

## JOHN VANDER KOLK NOW FACES

## A DAMAGE SUIT IN ALLEGAN CIRCUIT COURT.

John Vander Kolk of Harlem who was convicted some time ago before Justice Robinson in this city charged with violation of the vehicle ordinance, pleaded guilty to the charge in circuit court yesterday and a paid a fine of \$5.00 and costs. Vander Kolk was charged with running down Miss Willa Peters on the corner of College Avenue and 8th St. during the fair week and seriously injuring her. When found guilty of the charge in Justice court he immediately appealed to the circuit court. He now faces a damage suit in the Allegan county circuit court brought against him by Miss Peters.

## IS ELECTED PRESIDENT OF THAT ORGANIZATION FOR COMING YEAR.

At the annual election of officers of the Marquette club the following were elected:

President—Dick Boter.  
Vice-Pres.—A. H. Landwehr.  
Treasurer—T. N. Robinson.  
Secretary—Jake Van Putten, Jr.  
Executive Committee—  
Jack De Pree.  
Dr. A. Knoofhuizen.  
B. P. Donnelley.  
House Committee—  
Fred Till.  
Chris Becker.  
Adrian Van Putten.  
Auditing Committee—  
Mr. Heuer.  
Mr. Stebbins.  
Otto P. Kramer.

The treasurer reported that during the year a gain of \$303.96 was made over last year. The house committee has under consideration a plan to have the club rooms open one Thursday afternoon and evening a month for the ladies.

## PLAYERS RANGE IN AGE FROM 9 TO 19; ARE DOING GOOD WORK.

The Holland Concert band is one of the newer musical organizations in the city that bids fair to develop into a band of which the city will be proud some day. Few are familiar with the work of this band. It has played on a few occasions, but so far it is still for the most part in the practicing stage. However the band is working with vim and enthusiasm and it will be heard from according to present indications.

The Holland Concert band practices in a vacant store room near the corner of Central avenue and 16th street. It was organized last summer and has been progressing rapidly. There are eighteen pieces. One peculiarity about the band is the range in ages of its members. The youngest member is but nine years old and the oldest only nineteen. By a queer coincidence the oldest member and the youngest are both cornet players. The nine year-old lad is about three feet tall and the nineteen-year-old player is over six feet. When on the march these two will be required to keep step.

All couples getting their wedding stationery printed at the Holland free for one year with a kitchen set City News will be sent the "News".

## COMMON COUNCIL (Official)

Holland, Mich., Jan. 7, 1914.  
The Common Council met in regular session and was called to order by the Mayor.

Present: Mayor Bosch, Aids. Van Drezer, Prins, Drinkwater, King, Congleton, Hansen, Harrington, Sterenberg, Vander Hill, and the Clerk.

The minutes of the last two meetings were read and approved.

**Petitions and Accounts**  
The South Ottawa and West Allegan Agriculture Association petitioned for the use of the Board Room in the City Hall for meetings of the Board of Directors.

Granted.  
Mrs. J. Beintema and Mrs. Nellie Rosendahl petitioned for remission of taxes for the year 1913.

## HADDENS LIKE ALLEGAN AS HOME

Allegan Gazette.—Mr. Joseph B. Hadden and family passed a few days recently in Holland, their former home, and while there he announced that he had settled permanently in Allegan and would therefore not be a candidate for re-election to the state legislature. He was senator from the Ottawa district during the past two years, and represented his district to the satisfaction of all. Allegan people and the business men specially, will be glad to know of Mr. Hadden's determination to remain here. He and his family are pleasantly known by many Allegan people already. His ability as a furniture-maker should provide increased success for the Allegan Furniture company and make of it a highly profitable institution like the other furniture factories of the city.

## PAYING OFF SPARROWS BOUNTY IN ALLEGAN

Allegan Gazette.—The county treasurer is paying bounty on sparrows nowadays at the legal rate of two cents per head. Wayne Thomas was the first Allegan boy to collect, and he brought twenty-three heads to the city clerk, who gave him an order for forty-six cents on the county clerk, who issued an order on the county treasurer, who paid the boy the money. Red tape!

There seems to be a deliberate attempt on the part of some men to boost grape juice. Now a statesman says that it contains from 6 to 8 per cent alcohol.

## LIVE CARP FROM SANDUSKY, O.

It is estimated that from 500,000 to 1,000,000 pounds of live carp are being shipped out of Sandusky, O., annually, abroad specially constructed express cars, for the eastern markets, nearly all of the once despised "water-hogs" being retailed in New York City and Philadelphia. The live

carp trade has come to be one of the most important lines of the fish business in Sandusky. It has only been developed in the last two or three years.

Selling live, wiggling, fresh-water carp over the counters of the New York and Philadelphia fresh fish markets is an idea that had its beginning in Sandusky. To send the fish some 600 miles and keep them alive was a problem that gave the fishermen considerable trouble at first. The Adams Express Co. turned out the first car that was acceptable, but now two lines out of Sandusky have their cars, and out of 10,000 pounds in transit seldom more than 100 pounds are lost.

The fish are caught at the head of Sandusky Bay penned in ponds, then brought to the city in specially constructed boats or scows that are kept afloat by air tanks at each end, and are loaded into the water tanks in the express cars. The fish are kept alive in the tanks by circulating air through the water and keeping the water temperature right at all times. Fast express trains rush the cars across the country. The demand in the big cities for the live fish is so heavy that there is no chance of the carp dying on the dealer's hands.

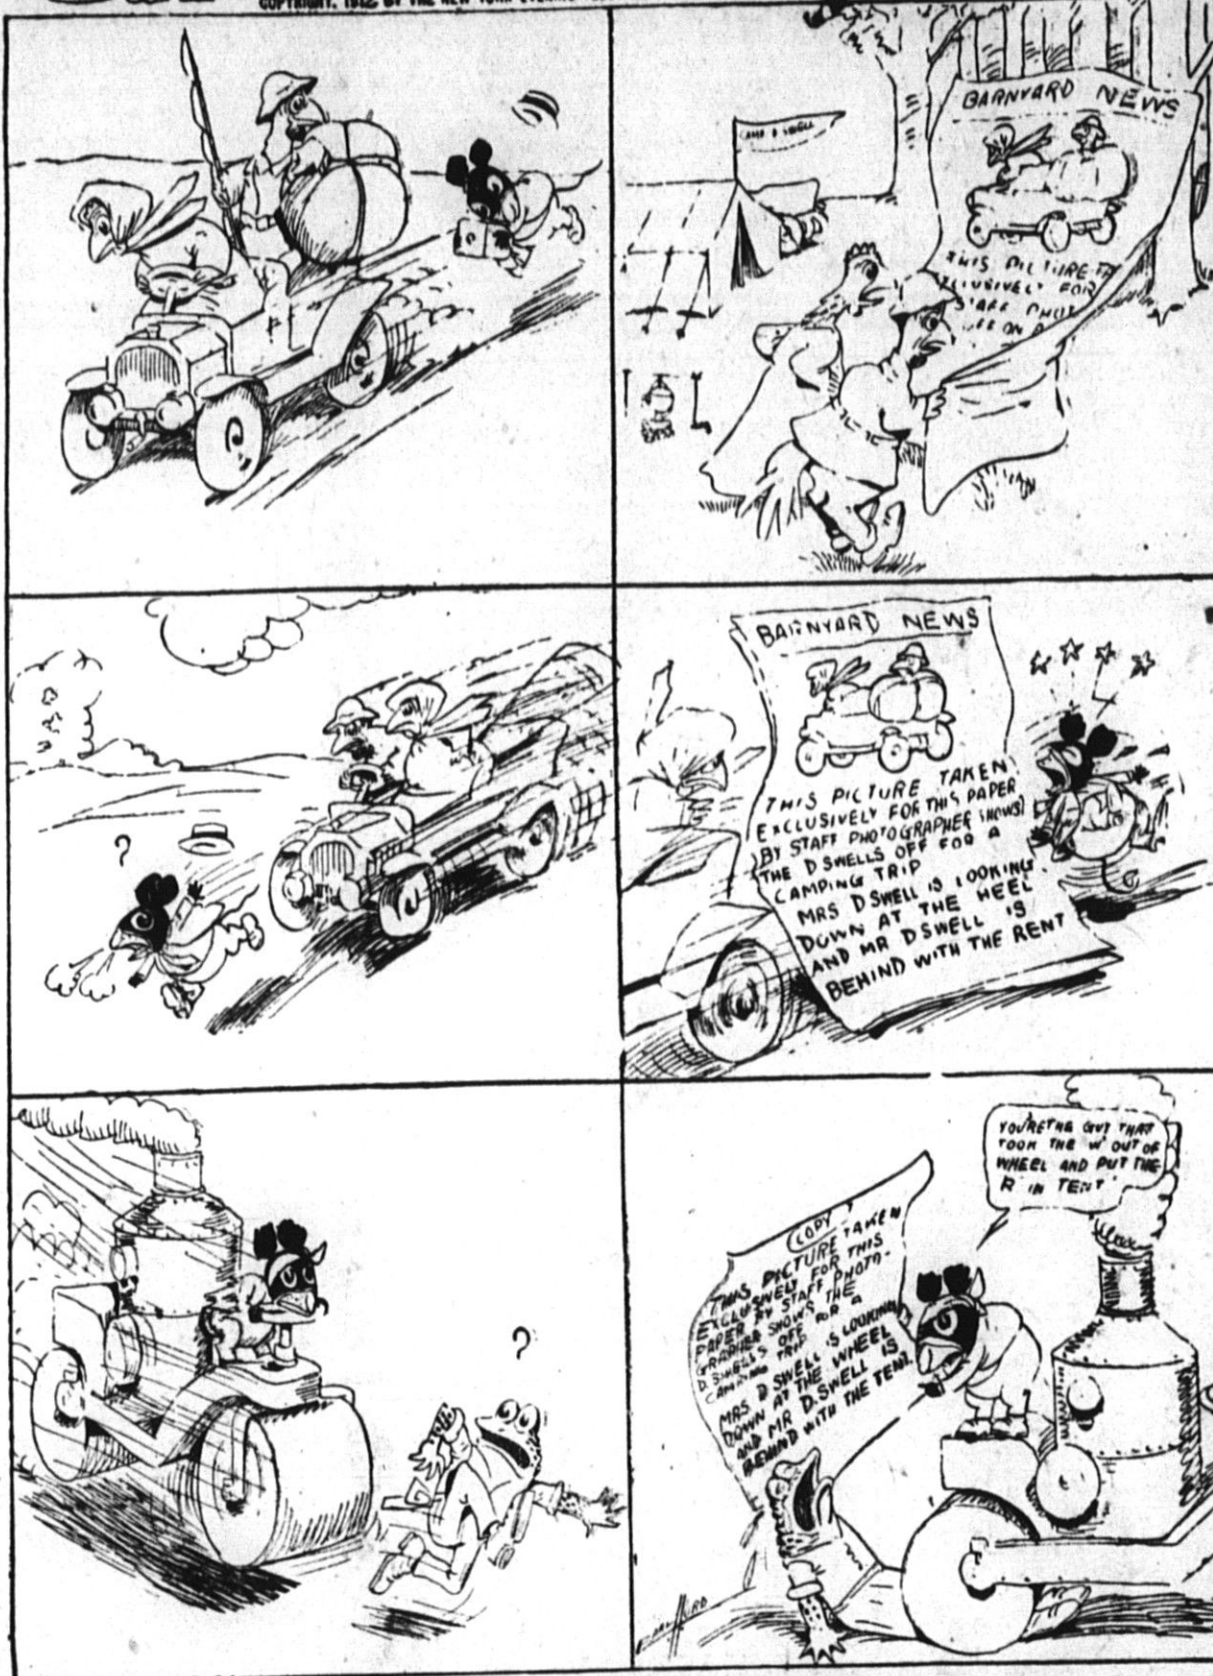

Carp sell at from 4 1/2 to 6c per pound in the cars in Sandusky and bring from 15 to 20c, retail in the east. Shipments are made all the year around except when the ice is of too great thickness to take the carp from the pens.

The first live carp were shipped out of Sandusky about three years ago. The first shipment consisted of about 6,000 pounds, and on that trip only about 100 pounds were alive when the car reached its destination. Sandusky fishermen have experimented a great deal in the matter of keeping the fish alive and have now succeeded so far that out of a shipment of 10,000 pounds seldom more than 100 pounds are lost.

The cars at the present time are equipped with batteries, which are used to run the fans. The Sanduskians are now planning to equip with in the next few months all cars with small gas engines and dynamos, which will provide them with current at all times. By installing dynamos the use of batteries would be done away with, as some of the men in charge of the cars state that if the batteries should give out while on the way east, with the car loaded with fish, the fans would stop revolving and all of the fish would die for want of air. It is also planned to equip another car for the shipping of the fish.
