HOLLAND WILL HAVE NEW PHONE RATES

NEW TOLL RATES EFFECTIVE JANUARY 21

Government Demands These Changes; Does Not Effect Rentals

Holland will start with a new toll rate on Monday January 21, and while the new rate does not effect the price of a direct phone call to Grand Rapids there are some complications that may be talked to is not available.

There is also some doubt as to whether the government is going to continue to allow free service from Holland to Zeeland and vicinity.

Another inconvenience that is liable to occur is the order under messenger calls. The order states that no messenger call is accepted where the station to station rate is less than fifteen cents. This will create considerable inconvenience especially where a nickel or a dime rate is in vogue as is often the case where a party not having a phone and using some one else's phone, to call up another party, will find that this call will be turned down.

According to government orders they will have to refuse such calls in the future.

The complete order as sent out from Washington follows:

New Telephone Toll Rates

A new method of computing charges on telephone toll calls (to points outside the local service area) under which all toll rates throughout the United States are placed on a standard basis, becomes effective 12:01 a. m. January 21, 1919.

A brief description of this new method and of its application to the several classes of service offered is given in this circular.

"STATION TO STATION" RATE

When a person makes a toll call without specifying that the conversation is desired with a particular person and the connection is established and conversation held, the "station to station" rate applies.

This rate is determined by the air line distance between toll points and is computed on the basis of 5 cents for each six miles, up to 24 miles, and 6 cents for each 8 miles beyond that distance.

"Station to station" call should be made by number wherever Telephone Directory information is available. Where this information is not available at the calling telephone, such calls may be made by giving toll operator the name and address of the subscriber at the telephone called.

"PERSON TO PERSON" RATE

When a person makes a toll call, specifying that conversation is desired with a particular person and the connection is established and conversation held with that person, the "person to person" rate applies.

As this service requires a greater amount of operating effort, the rate for such calls is about one-fourth greater than the "station to station" rate.

When a "person to person" call is made on the day rate between the points involved, whether the call is made during the day or during the night, and the minimum charge is 20 cents.

No "person to person" call is accepted where the "station to station" rate is less than 15 cents.

"REPORT CHARGE"

When a "person to person" call is made and the particular person desired is not in or will not talk or when an exact telephone address of the particular person desired has not been given and he cannot be reached at a telephone within one hour, a "report charge" applies.

This charge is to cover compensation for party is absent when the connection is completed within one hour, or if he refused to talk.

The charge is to cover compensation for the operating work performed and is about one-fourth of the "station to station" rate.

In any case where a "report charge" applies, the minimum charge is ten cents and the maximum \$2.

"APPOINTMENT" RATE

When the calling party in placing his call appoints a definite time at which he will talk on a "person to person" basis and the conversation is held at the specified time, the "appointment" rate applies.

The "appointment rate" is about one-half greater than the "station to station" rate.

The "appointment rate" is computed on the day rate between the points involved, whether the call is made during the day or during the night, and the minimum charge is 25 cents.

No appointment call is accepted where the "station to station" rate is less than 15 cents.

"Report charges" apply under the same general conditions as specified for "person to person" calls.

"MESSENGER" CALLS

When a call is made on a "person to person" basis and a messenger is required to secure attendance of the designated person at a public reception at the distant point, the "messenger call" rate applies.

This rate is the same as the "appointment rate" for the same distance, plus any charge for messenger service.

The messenger call rate is computed on the day rate between the points involved, whether the call is made during the day or during the night, and the minimum charge is 25 cents.

Messenger charges incurred are to be paid even if desired conversation is not held.

No "messenger call" is accepted where the "station to station" rate is less than 15 cents.

"Report charges" apply under the same general conditions as specified for "person to person" calls.

STANDARD TOLL NIGHT RATES

The following reduced rates for night service on a "station to station" basis only are effective 12:01 a. m. January 21, 1919:

8:30 p. m. to 12 midnight—about one-half of the "station to station" day rate
12:00 midnight to 4:30 a. m.—about one-quarter of the "station to station" day rate
For the purpose of applying night rates, the time of day at the point at which a "station to station" message originates, is used.

MEETING OF COUNCIL IS UNEVENTFUL

ALL KEYS TO CITY HALL MUST NOW BE ACCOUNTED FOR

It Said That About \$800.00 In Supplies Have Been Stolen From Red Cross Room

The Common Council meeting last evening was rather a listless affair. The meeting was not called to order much before 8 o'clock and then the mayor asked Alderman Dobben to take the gavel for the evening. There was no question of great importance slated to come up and what there was the city fathers attended to leisurely.

The ways and means committee who had charge of investigating the police department because of certain charges made by Mr. Vander Veen, who had implicated the police while in a heated argument over the rejected application of a pool room license for Davis and Panos, who had rent the Vander Veen building on Eighth St., stated thru its chairman, Mr. Prins, that there was nothing to the charges made as they had given the matter a thorough investigation and could find no ground to even censor the officers for neglect of duty. The investigation was dropped and the department given a clean bill.

A small surprise was sprung however when Ald. De Vries made a motion that all persons having keys to the City hall be ordered to turn them in. This brought out some discussion and the motion was in a fair way of being passed when the city clerk and the city attorney pointed out that this would cause a hardship upon those holding offices in the building. It was the intention of appointing only two men as custodians of keys to the big building and all having business in the hall it was first suggested, should look to these men in order to gain access. On the other hand these men would also be held responsible for the interior of the hall and its contents.

A better way was then suggested by City Attorney McBride and approved by Mayor Bosch. This was to have each department give a record of all the keys now in its possession. Alderman Smeenge suggested a still better method, namely, the placing of new locks on the doors, and after this was done to then reissue new keys to the heads of each department with the special instruction that these keys do not leave their personal possession and that positively no duplicates be made.

It is said that there are at least 50 City Hall keys around town, many in the hands of persons who have no business with them. After a few days these old keys will be of no use to the possessors as they will not fit the locks that will be installed.

This key business has long been a troublesome matter to the building committee of the Common Council and by this new method these difficulties will soon be obviated.

One thing that brought about such drastic action was the fact that \$800 worth of supplies had been stolen recently from the Red Cross Rooms and the city fathers are bound that such hoodlums will not again have chance to do their dastardly work in Holland's public building.

KEEP YOUR BED.

ROOM CURTAINS DOWN

MAN UP A TREE IS PEEPING IN

We've hear of "Jack the Ripper," "Peeping Tom" and many degenerates but we have never heard of these being up a tree, and that's where the police would like to find one individual at least. Several complaints have come in to the police headquarters stating that when the ladies occupying the front room got ready to disrobe for bed, and had occasion to glance out of the window, they saw a "peeping Tom," setting in the crotch of one of the shade trees in front of their home, with his eyes glued upon the window or rather upon the objects within the room.

The discovery generally brought a cry of surprise, a quick downward jerk of the shade, which acted as a signal for the peeper to make his slide downward before the men folks could get at him, and allowing him time to reach the ground in safety.

The police are asking citizens to watch out for "peeping Tom" and apprehend him if possible.

If caught the degenerate will be severely dealt with.

BANK BUSINESS IS SOLID IN THIS CITY

HOLLAND BANK ELECTS NEW DIRECTORS FOR THE EN-SUING YEAR

Every Man on the Board Last Year Re-Elected to Again Serve This Year

The Holland Banks all held annual meetings some time during the week, elected directors and organized for a new year's work.

With the Liberty Loan drives the banks have also been driven to more than full capacity and considering that all this work has been done gratuitously the local banks have certainly shown a spirit of patriotism. But aside from all this, these local institutions show a solidity and prosperity that is found to be the lot of but few banking houses in cities the size of Holland.

When it can be said that the total volume of business for Holland's three banks at the close of business for 1918 was \$4,542,616.67; and the savings deposits totaled \$2,254,344.43, this record is hard to beat in a city of \$12,000.

The men who have charge and are the custodians of these colossal funds are all tried and true men who have the interest of their patrons and Holland at heart. Here they are:

Holland City State Bank—W. H. Beach, Pres., A. H. Landwehr, vice-pres., Otto P. Kramer, cashier, C. Van Dyke, asst.-cashier; James A. Brouwer, John Kollen, John P. Kolla, P. H. McBride, Frank Dyke, D. S. Boter, directors.

Peoples State Bank—Arend Vischer, B. W. Koppel, Geo. P. Hummer, D. B. Yntema, C. M. McLean, Wm. O. Van Dyke, C. J. Lokker, Daniel Ten Cate, John G. Rutgers, directors.

First State Bank—President G. J. Diekema, vice-president, E. D. Dimont; I. Marsilje, J. W. Bosman, G. E. Kollen, W. J. Garrod, Henry Pelgrim, Henry J. Luidens, Con De Pree, directors.

THREE TONS OF CANDY MADE EACH WEEK

TWO TONS AND A HALF OF COUGH DROP SARE MANUFACTURED

Few Holland people realize that three tons of sweets are being manufactured in Holland every week.

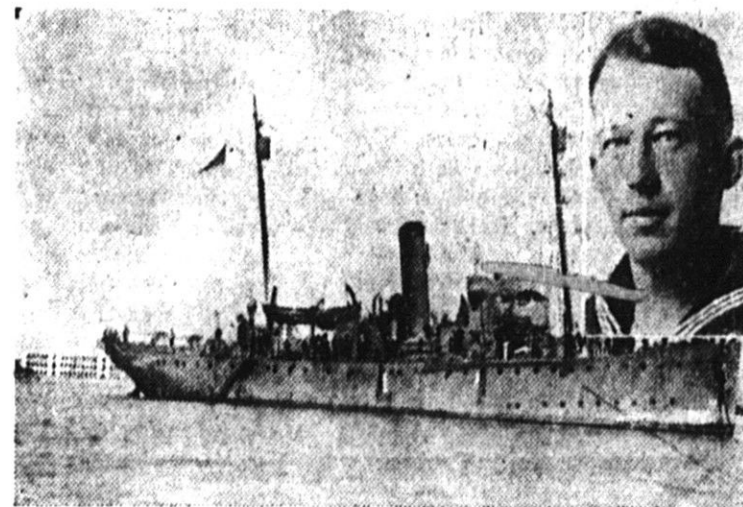

The new candy shop of Fire Chief Blom, located on West 8th street is turning out for the De Pree Chemical Co. two and a half tons of cough drops each week, and considering that there are 180 drops in each pound, or 900,000 drops in all, Holland is well fortified against coughs and colds.

Besides the two and one-half tons of cough drops, Mr. Blom also dips and ships a half ton of chocolate bonbons to different customers.

The Standard Grocery Co. also has a line of hard candies made which are manufactured by Chief Blom and his son Neil.

Holland Boy Came Near Being Victim of a Lurking Submarine

How would you like to have been in a convoy of ships steaming from Gibraltar to England with a German submarine so successfully following that one of the vessels was picked off and sunk every night for three nights in succession. That was the experience of Harry Orr, son of Mr. and Mrs. W. H. Orr, had. And the vessel in which Harry Orr was came near being the fourth ship picked off by the foxy German U-boat. This ship, the U. S. S. "Ossipee" was damaged by a

HARRY ORR AND THE U. S. S. "OSSYPEE"

torpedo from the submarine, but it was not sunk.

Mr. Orr is now on his way home and is due in Charleston harbor, South Carolina, some time in February. His vessel left Gibraltar in company with a fleet of 22 other vessels on December 21. This fleet is making for the home port by way of Azores, from which point Mr. and Mrs. Orr received the last letter from their son.

From early boyhood Harry Orr took to the water like a duck. When only 17 or 18 he took a job under old Captain Boswell of the Graham & Morton line on the lake steamer Puritan which has since also gone into the U. S. service. Later he enlisted in the U. S. navy in which he remained a year, serving in quartermaster's department.

HOLLAND SCOUTS TO HONOR MEMORY OF ROOSEVELT

THEY WILL ARRANGE MEMORIAL MEETING AND PLANT TREES FOR HIM

Is Part of a Nationwide Movement To Honor This Hero of All Scoutdom

The Holland boy scouts are going to keep green the memory of Theodore Roosevelt among the local membership of the organization and among the people of the community in so far as this is necessary and possible. Roosevelt, the out-door man, the lover of nature, the hiker through the wilds, is the idol of the average scout and the ideal of scoutdom. Hence the scouts believe it is peculiarly appropriate that something shall be done to pay honor to this great American, who was more-over vice-president and chief scout citizen of the organization in America. Through the vigorous expression of the same ideal that scoutdom stands for Mr. Roosevelt has materially aided in developing the scout movement to its present strength of 440,000 men and boys.

The local organization is making plans for a special memorial meeting in honor of Mr. Roosevelt. In order also to give permanent expression in Holland to all Mr. Roosevelt stood for to the boys, they will arrange to plant one or more sturdy trees in this city with suitable inscription and ceremonial in memory of the great leader they all honored and loved.

In doing this the Holland scouts will take part in a nationwide movement among the scouts of America. Similar action will be taken by thousands of scout organizations throughout the country.

Holland Scoutdom is in the process of taking on new life after the period of more or less lapse of interest on the part of the public during the strenuous months of the war. The citizens of Holland are being asked to give renewed attention to this matter and their attention is being called to what the scouts have done during the war and what they can do in times of peace.

In no better way it is believed could the local scouts show what ideals they stand for than by honoring the great ex-president and the lover of the out-of-doors. No matter how he may have disagreed with Mr. Roosevelt on the things purely political, the average American admired him for his sturdy manhood and virility, and the same factors that made Mr. Roosevelt what he was go to the building of the manhood for which scoutdom stands.

The Excelsior Sunday School class of the First Reformed church will meet Friday evening at the home of George Mooi, 312 West 12th St. at 7:30. A good attendance is expected to be present.

After that he came home and was engaged in the garage business in Holland.

But when the war broke out the call of the service, and incidentally the call of the sea, was too much for young Orr. He promptly enlisted in the navy and left this country on April 29, 1917, only a few weeks after war was declared. The vessel he served on, the "Ossipee," was stationed in what was known as "Base No. 9," and it was its business, and the business of the other vessels in the group, to destroy subs and to patrol the waters from the English channel to Gibraltar. The letting down of depth

bombs was of common occurrence. The group of ships in which the "Ossipee" was, has the distinction of having taken both the first and the last convoy from Gibraltar to England. The vessel arrived in England one day after the German fleet was turned over to the Allies.

The news of the signing of the armistice reached the "Ossipee" while at sea, and Mr. Orr writes that it was with a keen pleasure to be able to turn on the light and to be freed of fear of lurking submarines.

Mr. Orr does not know when he will arrive in Holland. He may have to stay with his ship for some time for review, but he hopes to be here in a month or two.

CRISP SOLDIER
FIRST OF BAND
TO COME HOME

Corp. Henry Boes, son of Mr. and Mrs. Joes Boes of Crisp, is home from France. He arrived in New York from overseas on December 16 and spent three days in New York when he came on to Columbus, Ohio.

Corp. Boes of Company M, 126th Infantry arrived in his home town a few days ago. A large crowd of relatives, friends and acquaintances and the Otawa band of which he was a member had gathered at the station to extend to him a hearty welcome home.

Henry Boes is the first to return home of the Volunteer Band of eleven of whom one was killed in battle and another died at Camp Custer of the influenza. He enlisted with these comrades shortly after war was declared in April, 1917, and camped at Grayling and later at Waco, Texas arriving overseas the first of February, 1918. Soon after his arrival he was promoted to corporal.

As is generally known the boys of the 126th were rushed to the front to drive back the advancing Huns at Chateau Thierry early in the summer and pursued them on that memorable charge through Fismes from the Ourcq to the Vesle rivers. It was in this drive that Corp. Boes went down. An enemy bomb exploded about 15 feet away which shock threw him down and the gas mask fell from his face. The presence of mind of his comrades, who stopped in the midst of the fight to replace the gas mask, saved his life. But the poisonous fumes had already overcome him and for several months Corp. Boes suffered pangs at a French hospital and later at an American hospital. He is now as well as he can be. It was at this same time that his fellow townsman, Corp. Gilbert Karsten, fell near him. They had fought the enemy from behind the same tree in the Fismes Woods.

A family reunion was held at the parental home in Crisp in honor of the soldier son and brother.

HORSE IN RUNAWAY HAS
A VERY CLOSE ESCAPE

An exciting runaway occurred near Waverly when the horse driven by Peter Mulder, a local milk dealer, became frightened from a passing interurban snow plow. After smashing the sled the horse ran across two railroad bridges with the thills bumping at his heels. It seems a miracle that the animal did not get his legs caught in the trestle work in its mad run, over the bridges. Aside from a few minor bruises the horse was uninjured.

FOUR HOLLAND
MEN ARE CHARGED
WITH GAMBLING

Thos. P. McCarthy, Dave Blom, Andrew Ver Schure and John Vander Heide have been arrested upon a warrant sworn to by Chief Van By before Justice Van Schelven, charging them with playing cards and betting upon cards in Dave Blom's place, No. 5 West Eighth street.

Officers Bontekoe and Wagner, and Chief Van By allege that they caught the above named men gaming Sunday night at 8:45.

A player piano it is claimed, obscured the party from the front windows, and for that reason the three officers alleged they watched the game from the rear windows.

The men involved deny the charge about the gambling and pleaded not guilty. Justice G. Van Schelven setting their trials for Saturday, January 18.

JOY BECAUSE
OF SON'S RETURN
KILLS MOTHER

So overjoyed was Mrs. Edward Nyland of Graafschap that her son, Private Richard Nyland had come home safe from France that the excitement of the homecoming was too much for her and she died of joy, it is supposed. Private Richard Nyland came home on Saturday night, and Sunday morning his mother was found dead in bed. She had died during the night, having suffered a stroke of apoplexy, brought on it is supposed by the excitement.

Mrs. Nyland was 55 years old and she had been in good health. She had gone through considerable anxiety during the time that her boy was in France fighting for America. On October nine he was wounded in both hands on the Verdun front. Although he made light of the wounds, his mother thought for a time that the wounds might be more serious than the boy pretended. Ever since the armistice was signed, the mother had been looking forward to her son's return. He was returned to the demobilization camp at Camp Custer a few days ago and on Saturday night he finally walked in on his family after his long absence and as the windup of his fighting career.

The scene of the homecoming was a most happy one and the family reunion after the months of danger for the boy and anxiety for his family had all the characteristics that are marking thousands of similar reunions all over the country these days.

But the next morning the joy was turned into sorrow and the reunion, which a few hours ago had seemed to be pure joy, was turned into tragedy by the sudden death of the mother of the family.

The deceased is survived by her husband and the following children: Dick, John, Richard, Benjamin, Lawrence and Miss Georgiana. The funeral was held Thursday afternoon at one o'clock from the home and at two o'clock from the Graafschap church. Rev. M. Van Vessem of Zeeland officiating.

HARLEM FARMERS
CLUB ENDS A
PROSPEROUS YEAR

At the annual meeting of the Harlem Farmers' club held at the residence of Henry W. Harrington the following officers were elected: Pres. H. W. Harrington; Vice President, Martin Anys; Sec'y, Ben Van Lenten; treas., Gilbert Van Wynen; cor-se'y., Jas. Harrington.

The club held tea meetings during the year, at six of which meetings the county agent or his assistant spoke on the following topics: "Farm Projects," "Deleware Corn and Standardization of Farm Crops," "Lime and Liming," "Handling the Hay Crop and Frosted Corn," "Rural Russet Seed Potatoes and Pointers for our Proposed Fair Exhibit," and a Poultry Talk with a culling demonstration. These talks were timely, interesting and instructive.

Miss Grace Hitchcock, County Demonstration agent, attended meetings quite frequently and gave many valuable talks on the "Conservation of Food and Clothing During the War Period."

At the meeting held October the 18th, Mr. Borek, president of the Grand River Farm Loan Association, addressed the club on "The working of the Federal Farm Loan System."

In September the club gave an exhibition of farm produce at the Holland fair, winning the second prize of ten dollars in cash.

The Harlem Farmers' Club is a booster for the County farm agent system. Before the primary election in August the club sent a petition to the county supervisors asking them to retain the present county agent system. Requests were sent to other clubs asking them to petition likewise.

COLLEGE SOCIETY
HOLDS BANQUET

The annual fall stag and banquet of the Knickerbocker society of Hope College was held Saturday evening in the society's club rooms on the College campus. The rooms were beautifully decorated with streamers of ruby and black, the colors of the club, and over

it all floated streamers of red, white and blue. Branches of fir and pine added to the beauty of the rooms.

After the banquet and the initiation of the Baby Knicks, President and Toastmaster Chris De Young called on the various members for short toasts, among which was a talk by Knick Van Dyke on "The Baby

Knicks," and a response by Baby Knick Van Welt. Communications from Knickerbockers still in the service both in the states and France were a feature. These were read by Harmon Voskuil. Bernie Mulder spoke on the principle of Knickerbockerism, and Fred Voss spoke briefly of his experiences while in the service.

Good News
For the Housewife

Wartime Flour is a relic of the past!

Delicious, Nutritious, Wholesome White Bread is again on the menu.

How good it tastes!

And how easy it is to make good bread from good flour compared with the effort required to produce just ordinary bread from War Flour.

Of course, we were all perfectly willing to use war flour as a wartime necessity. It helped our boys over there gain the Glorious Victory.

But everybody is delighted to have it all over and mighty proud of the amazing record our own precious America has made.

It is also good news to the particular housewife to know she may again obtain the good old-fashioned, high quality

Lily White

"The flour the best cooks use"

for no better flour has ever been made or sold than LILY WHITE

No flour has ever given the housewife better satisfaction for either bread or pastry baking than LILY WHITE.

There have been mighty few flours that even equalled it.

We are making LILY WHITE in the same old way, exercising just as much care in the selection of grain, being just as particular to see that exactly the right blend of the different varieties of wheat is secured to produce the best flour it is possible to mill.

Your Dealer will cheerfully refund the purchase price if you do not like LILY WHITE FLOUR as well OR BETTER than any flour you have ever used for either bread or pastry baking; in other words, if LILY WHITE does not completely satisfy you for every requirement of home use.

Be certain to specify you do not want war flour, but the real old time high quality LILY WHITE FLOUR now on sale.

LOCALS

Perch fishing in Black Lake is going to be better this winter than it was last winter. At least the indications are, according to some who are perch-wise, that this will be the case. Captain Van Weelden of the Macatawa Coast Guard station today hazarded a prediction that a great many more fish would be caught by the local anglers during the next month or two than were caught last year in January, February and March.

The following friends of Mr. and Mrs. E. P. Sherwood took dinner and spent the evening with them at their home on Sheldon road, Grand Haven, on Saturday: Mr. and Mrs. Nathaniel Robbins, Mayor and Mrs. W. E. Loutit, Mr. and Mrs. Louis J. Koster, Mrs. D. O. Watson, Mrs. James P. Amstutz, Mr. and Mrs. Joseph O'Brien, Mr. and Mrs. D. W. Andrews, William Hatton and Mr. and Mrs. W. J. Garrod, of Holland, who were their guests.—G. H. The funeral of Bert Borgman, the peddler who was killed, took place at Hamilton Saturday. The firm of Kronmeyer & Schutmaat asks this paper to state that Bert Borgman was killed and not burned to death when the Kronmeyer & Schutmaat peddling wagon overturned near Hamilton. His body afterward was partly burned. Rev. J. W. Douma who committed suicide in Iowa, was an uncle of Borgman's wife, not her brother. What brought the attention of the proprietors to the idea that something had happened to their employee was the fact that the mules had kicked themselves loose from the sleigh and had run home.

A crowd that packed the Literary Club rooms to the doors greeted Morris Moody, one of the first Holland boys to volunteer and one of the first boys to come back home. Morris Moody, formerly of the Sentinel, was wounded in action. The meeting was held under the auspices of the local Y. M. C. A. and was opened with prayer by the Rev. J. P. Battema. A short song service was held under the direction of John Vandersluis assisted by Mr. Harris Meyer who presided at the piano. Miss Ruth Keppel captivated her audience by her able performance on the violin. She also assisted in the community singing. Henry Geerlings gave a "two minute" talk on loyalty to the boys. The next number on the program was Rev. J. P. Battema, who gave a short spirited talk on patriotism.

Allagan has a dog worth having and one that even Pete Verwey would not exterminate. This dog picked up a pocketbook on the street a few days ago, brought it to the Allegan Gazette office where it was advertised and where the owner promptly claimed it. The purse contained better than fifty dollars and belonged to a lady. The item does not state if the dog came from blooded stock or was only a cur. It does not say whether the lady gave "Fido" a pound of meat or a dog collar as a reward.

The schools of the future should be built without walls according to Dr. H. M. Rich of the Detroit society for the Study and Prevention of Tuberculosis. DEATH ENDS
A SAD AND
EVENTFUL LIFE

John Ver Schure collector, at the Holland City State Bank, passed away Tuesday evening at the age of 72 years. He came to this country from the Netherlands when a boy.

While naturally of a jovial disposition, it is doubtful if there is another man in Holland who drank so bitter a cup brimming over with sadness. An unusual number of shocking events occurred to Mr. Ver Schure and his wife, who is still living. The expression "events that try a man's soul" would surely apply here.

Some fifty years ago Mr. Ver Schure was employed as a baggage man on the first railroad that came into Holland, and for twenty-five years he had been identified with the Holland railroads through the many changes that have been taking place.

For some time he was baggage master on the old C. & W. M. when the trains on the Muskegon division still pulled into Holland over the big long bridge across Black river.

It was while connected with the C. & W. M. that his first trial came to him. While coupling trains his body was squeezed between two lumber cars, and his head crushed in such a way that for many weeks his life was despaired of.

The next event to bring sorrow in the family circle was the drowning of the oldest son, "Andy" while playing in a rowboat on the shores of Black lake.

Shortly afterwards a diphtheria epidemic came to Holland and two of the children were taken. Later two others died of other causes.

Possibly the most tragic event of all was the death of his son Peter. Peter was log-stacker at C. L. King's Basket factory, and while stacking an unusually high consignment of logs the pile broke loose and rolled over the young man, crushing him.

Following this terrible death two daughters were also taken, one dying of strangulation, and the other of consumption. These were the last two surviving children of a family of eight. John Ver Schure was one of five brothers, well known in this city. His brother Peter was the first soldier killed in action of Company I in the Civil war. He was shot on July 3, 1863 and the news was flashed to Holland on July 4th, that in a battle with John Morgan's men at Tepp's Bend a local man had laid down his life for a united nation. Peter Ver Schure is buried at Louisville, K.

The late Cornelius Verschure, for years head of the Holland City State Bank, was also a brother.

Edward Verschure died some years ago while Dingenis is the other brother and Mrs. John Block of Grand Rapids is the only sister living.

Mr. VerSchure is survived by a wife, and one granddaughter. The funeral services will be held on Saturday afternoon at 2 o'clock from the home on West 9th street, Rev. E. J. Tuuk of Holland and Rev. A. Kelzer, Overisel, officiating. Interment will take place in Pilgrim Home cemetery where the father will be laid by the side of his eight children who went before him.

Friends may view the remains at the home from 10:30 to 12:30 Saturday. It is requested that flowers be omitted.

then the present values is what we are selling these Ranges at. In other words if we had to buy, today we would be obliged to charge you \$20.00 more. We advise you to call soon as we have only a few left.

The Universal Combination Range has won fame for operating at lowest fuel expense and for baking the finest of biscuits, pies and cakes. And the roasts are so juicy and tender. It does its work where others fail.

That's because this range burns gas and coal or wood—or both, at the same time—whichever is best suited to the food you are preparing.

But, unlike other combination ranges, it's simple—easy to operate. Every modern refinement—yet low in price.

all you do is to turn the key at the right of oven door. Turn it one way for gas—turn it back for coal. There are no parts to change—no danger of making mistakes like in ordinary combination ranges. All you have to do is to turn the key—that's all.

You suit the fuel to conditions. This helps the Government conserve coal. Saves money on fuel bills. Keeps the kitchen warm in winter; cool in summer—keeps your maid contented—or enables you to save labor, time and expense if you cannot get good help.

TWO FIRES OCCUR IN ONE NIGHT

The Holland firemen were exceedingly busy Tuesday night because of two alarms that were turned in. At 8 o'clock in the evening the department was called to a fire in an empty house belonging to the Holland City Gas Co. near the works on 12th St. The house was empty but for a couch, and it is said that "kids" in the neighborhood had set fire to this piece of furniture. The firemen pulled out the couch and extinguished the blaze with a pail of water. There were no damages.

Both departments were also called out at 12:15 Tuesday night to what proved to be the bakery of Alderman Frank Brieve at 20 West 1st street.

The fire was discovered in a unique way. The night shift at the water works, a mile away, saw the flames across the open swamp, and blew the alarm of box 25, which proved to be the exact location should a fire alarm be turned in from that district.

The fire in the Brieve bakery started near the ovens, and the roof of that part of the building is burned off entirely. The rest of the bakery is pretty well smoked up and water also did some damage.

Some baked goods that were ready to ship were also made worthless because of smoke and water.

The total loss to Mr. Brieve will be between \$800 and \$1000.

The residents in the neighborhood were all soundly asleep, and were not aware that a dangerous blaze was burning in their vicinity until they heard the commotion caused by the rushing fire trucks and of the firemen playing streams upon the fire within a few seconds after their arrival.

The department held the fire confined in the oven house which is only partially damaged.

At the annual meeting of Grace church held Tuesday evening the reports for the past year were read and it appeared that the church had had an unusually prosperous year in every respect. All the departments of the church endeavor showed that splendid progress had been made. After the report of the St. Agnes Guild was read the congregation engaged in silent prayer in memory of Mrs. De Mauriac who was intimately affiliated with the Guild and whose work had done much to make the year a success.

The following officers were re-elected: L. B. Hicks, Senior Warden; Otto J. Kramer, Junior Warden; W. R. Stevenson, W. A. Van Sickle, Oscar B. Nyström, John De Vey and Frank Kuitte, vestrymen.

WHAT YOU SAW IN THIS PAPER
THIRTY-FIVE YEARS AGO

Some people have no music in their "soles." But this is no reason why those that have should be so invariably late to church and squeak their way into their pew unless they have a new hat or bonnet, or a new suit in the very latest style, which of course demands immediate attention.

An awful calamity has fallen upon Milwaukee. The Newhall house, one of the best hotels in that city was discovered on fire at 5 o'clock last Wednesday morning and the flames had attained such headway as to be beyond control of the engines. Such information as we have been able to obtain, indicate that one hundred people perished in the flames.

PERCY RAY SITS
AND SMILES AT HIS
HUMOPHONES

"Hum it on your Humophone." It's a hummer."

Percy Ray, salesmanager of the West Michigan Furniture company, sits happily and contentedly admiring the half dozen new phonographs he has on display. They are the first samples of the new line of Humophones his company has just begun turning out and they are some samples to hum about.

Four of them are four sizes of the Victor type of machine, while another is Queene Anne and another is Louis XVI and they are finished in oak and mahogany and mahogany and walnut.

The new Humophone is indeed a most attractive machine. The cabinet work is of the highest quality, while the finish is most excellent. Ray is humming just a little more vociferously today than he was, because George F. Clingman, who is some judge of what will go and what will not, came into the space, looked at the machines and promptly declared: "There's something I can use. That looks good to me." Now when a veteran like George Clingman puts his O. K. on a machine it is enough to make anybody, Ray, included, hum a bit. So Ray is humming and telling others all about the wonders of the new Humophone, the latest talking machine on the market.—G. B. Herald.

GRAND HAVEN WILL PAVE
TO GIVE SOLDIERS WORK
AT GRAND HAVEN

A resolution was passed by the city council to provide work for returning soldiers who fought abroad. Mayor Louit has been trying to work out the best plan. It was finally decided to do more paving so when the soldiers return they will find work. There are many streets in the city badly in need of paving and there will be many home soldiers returning who will be in need of work.

MICHIGAN TOWNSHIP
VOTES TO HUNT
WITH FERRITS

Newberg township, Cass county, Michigan, is just now the center of comment in state circles. Exactly where Newberg township is, what sort of land or people it is composed of, nobody cares. But Newberg township has risen up in its might and to a certain extent defied the laws of the great and grand commonwealth of Michigan. And thereby hangs a rodent story; not a rat story.

Michigan's game laws specify particularly that no person shall hunt rabbits with the aid of ferrits.

In Newberg township, however, they even have too many rabbits, or else the high cost of living has made the use of rabbit as food a necessity. Fifty last month they decided by a referendum of the electors of the township that rabbits could be caught with ferrits. Thus the people of the township go exactly contravene to the game laws of the state.

Game Commissioner Baird's men in the township naturally find a lot of hunting with ferrits since the referendum passed. But they did not know whether to arrest the hunters and confiscate the ferrits, as they do in other places or not. So they kept their hands off. He is still trying to get the attorney general's department to tell him whether ferrits go in Newberg township or not. What Baird is afraid of is that the movement may become infectious and that a lot of townships will adopt the same sort of a local law. Then there will be trouble for the rabbits.

SOLDIER TAKES JOB WITH
THE HEINZ COMPANY

Lieut. Edward H. Koster and Mrs. Koster, formerly Miss Marie Meyer of Grand Rapids, both graduates of Hope College of the Class of 1918, were in the city Monday looking up old college acquaintances. Heinz Co. in the manufacturing department.

COURT TERM IS
OPENED WITH
BIG CALENDAR

Seven men pleaded guilty and two not guilty Monday afternoon in Ottawa County Circuit Court, most of them to violation of the state prohibition law. Those who pleaded guilty and the fines assessed were as follows:

John Hurbanc, violation of prohibition law, \$54.50; Jacob Kuite, violation of the prohibition law, remanded; William Wiersma, burglary, remanded; Arthur Kieft, burglary, remanded; John Kleinan, violation prohibition law, \$54.50; Leonard Duicker, violation prohibition law remanded; Sam Bruinsema pleaded not guilty to a statutory charge and Tony Van der Zalin pleaded not guilty to violating the prohibition law. Both were remanded.

The Ottawa Court officers, attorneys, etc., have a pretty busy time ahead of them for several weeks if all the matters on the docket for this session are disposed of. The term is unusually large at this time, because of the fact that the November session was practically abandoned because of the prevalence of the flu throughout the county. It was not thought advisable to bring many people together in court. As a result many of the cases scheduled for the November term had to be shunted along to the January session. No jury cases at all were tried, and many of the civil matters also went over by consent. It is planned to dispose of them at the present term however.

The trial of the cases listed did not start Monday, however, and the jury will not report for business until next week Monday, when the criminal calendar will get a going. There are a number of criminal matters to be tried altho none of them are expected to develop any particularly sensational turns.

The calling of the calendar and the arrangement of the cases for trial took up the greater portion of the afternoon session. Judge Cross and a number of attorneys from Holland, Zeeland and Grand Rapids were present at the opening session.

TRUNKS FROM A
P. M. TRAIN
SPRING A LEAK

John Vander Heide and Fred Doyle, former proprietors of the Berghoff, of this city, when saloons were still the style in Holland, were arrested as booze runners by Chief Van Ry.

Sunday morning two trunks came in on the P. M. train from Chicago. One of them sprang a leak while being unloaded, and Officer Jack Wagner, who has been keeping his eye peeled for sometime for trunks of this kind, "smelled a rat," or rather whiskey, and immediately started an investigation.

Chief Van Ry, Officers Wagner and O'Connor were on the job all of Sunday morning tracing duplicate baggage check to the place where the trunks were to be delivered and allege that they were intended for the two men mentioned in the complaint.

The police claim to have other strong evidence that they say will come up in the trial, if one is held.

The trunks contained 46 quarts of Old Taylor whiskey, and six quarts of Old Hunter Rye. These have been added to the City Hall bar room.

Mr. Doyle and Mr. Vander Wege appeared before Justice Van Schelven Monday afternoon and were bound over to circuit court.

COLLEGE CLASS HAS
A GOOD TIME

The Freshman class of Hope College held their first class party Saturday evening at the Ladies' Literary club rooms. The party was a general get-together, all members feeling the need of such because of the isolation of the male members in the S. A. T. C. during the first term of the college year. The social committee served a very sumptuous lap supper.

Age Vander Wagen and his twin sister, Mrs. John Bronsema of Ferrysburg celebrated their 70th birthday anniversary recently. Both are hale and hearty for their advanced age. Mr. Vander Wagen has lived on his farm north of Ferrysburg for nearly 45 years. He is one of the most prosperous farmers in that section of Spring Lake township and pays the biggest tax in school district No. 6. Mr. Vander Wagen is public spirited and has held the office of school treasurer for many years. Several years ago he visited the land of his birth, the Netherlands, but says that he loves his adopted country and is glad that he lives here.

FENVILLE HAS A
\$2000.00 FIRE

The Fenville school was badly damaged by fire, supposedly from a defective chimney. The janitor fired up as usual and stepped out to attend to an other school and on his return at about 8 o'clock saw smoke issuing from the ventilator. On entering the building he found the ceiling on the upper floor near the chimney in flames. An alarm was turned in and the fire finally extinguished, but not before the greater part of the south side of the building and roof were destroyed. The ceilings and much of the furniture were badly damaged by smoke and water. The loss is estimated at about \$2,000.

BIBLE CLASS HOLDS
ANNUAL ELECTION

The Mens' Bible Class of the Trinity Reformed church held its annual business meeting Monday night in the basement of the church at which the secretary's and and treasurer's reports were read. Mr. N. J. Jonker was re-elected as president of the class; J. Slighter as vice-president, H. Vander Warf as secretary, and Al Bouwman as treasurer. Rev. C. P. Dame and Prof. Raap were elected as teachers. After transacting other business, refreshments were served. A debate "Should an officer hold office more than one term?" between A. Van Ry and J. Erickson brot on a lively discussion in which many members of the class took part.

DISCUSS EFFECT
OF WAR'S END

The Forward Movement club met Friday evening at the home of Mr. and Mrs. N. J. Jonker, 479 Central avenue. The paper of the evening was by Mr. Jonker and it was an unusually timely one on the subject that is being much discussed just at present by capital and labor both. The subject was, "Will Commodities and Labor Come Down, and What Effect Will the Sudden End of the War Have on Labor?"

There was considerable difference of opinion on these questions in the lively discussion which the paper elicited. Refreshments were served.

Dr. H. C. Wills, the local osteopath was in Grand Rapids on business Friday.

SAD DEATH
IN FAMILY OF
WALTER LANE

Mrs. Elsie Lane De Mauriac, only child of Mr. and Mrs. Walter Lane, died at the Lane residence on State street at 10 o'clock Friday night.

Mrs. De Mauriac contracted a slight cold some ten days ago which developed into influenza, and later into a severe case of pneumonia which resulted in her death.

Monday and Tuesday of this week the physicians, Dr. Nichols of this city and Dr. Collins Johnson, an able physician of Grand Rapids, stated that the condition of Mrs. De Mauriac had improved considerably after a hard fight had been made for her life. High hopes were held out for ultimate recovery until Friday evening when the heart could not withstand the pressure and the much beloved Holland girl passed away quietly at ten o'clock.

Mrs. De Mauriac was a social favorite in the city among the young folks and her large circle of friends are shocked at the news of her sudden demise.

Mrs. De Mauriac was a prominent church worker having been president of the St. Agnes Guild for several years. Largely through her efforts the securing of the large and beautiful pipe organ in Grace Episcopal church was made possible. Each year Mrs. De Mauriac featured in a benevolent day called "earnest day" in which she and her aides collected funds for church purposes through the sale of these appropriate flowers.

In lodge circles she was also very popular, being worthy matron of Holland Chapter, O. E. S. No. 429 in this city and has also been doing a great deal of diligent work for the Red Cross during the war.

Mrs. De Mauriac was born in Aurora, Ill., on Feb. 2, 1894. From Aurora the family moved to Chicago and eleven years ago she came to Holland to live, when her father took charge of the Bush & Lane Piano company.

Mrs. De Mauriac's education was received in the Loren schools of Chicago and in the Webb Academy of Grand Rapids.

She married Mr. Jeane Paul O. De Mauriac of Chicago in August, 1916. The couple figured in a romance that was unique from the fact that both were playmates from childhood and had practically been brought up together.

The funeral of Mrs. Elsie Lane de Mauriac was held Tuesday afternoon at 2:30 o'clock from the Lane home, South State street. Friends were given the opportunity to view the remains between the hours of ten and twelve Tuesday. In view of the conditions however, it was asked that friends do not come in groups but singly as much as possible, so as to avoid any crowding.

The funeral was at the residence only. Father Wyckoff, rector of Grace church officiated. Interment took place at the Pilgrim Home cemetery. The following were here from out of the city to attend the funeral: Mrs. O. W. de Mauriac, Chicago; Mr. Fred Kurtz, Chicago; Mr. Andrew McIlwath, Chicago; Mr. and Mrs. Alfred Lane, Brunswick, Mich.; Mr. G. Seidelman, Mrs. Wurtz, Miss Lula Lohn, Miss Ethel Lohn, Mrs. Emily Lohn, Dr. Harry Stewart, Chicago; Mr. and Mrs. Howard Lane, Muskegon; Miss Peachy Seidelman, Chicago; Mr. Henry Seidelman, Aurora, Ill.

OTTAWA SUPERVISORS
WANT MORE PAY

Ottawa county's suggestion that immediate steps be taken to have the schedule of supervisors' pay increased by special act or amendment at the 1919 session of the legislature, did not fall upon entirely deaf ears when the resolution was read before the Kent board Monday afternoon. In fact among the rural members it found plenty of comfort. On the city side the supervisors were not so keen for it.

When the Ottawa resolution was presented at the Kent board, Supervisor William Oltman raised the question as to the rural members getting sufficient pay at \$3.00 a day when they levied taxes upon township property. It was generally agreed that they did not. Representative Haas urged that the board's legislative committee take the petition and refer it to the Kent legislators. Mayor Galmeyer unequivocally opposed any consideration of the matter. "If the supervisors do not like the pay," he said, "they should leave the job alone." Haas's motion prevailed.

Oh, you center! Here's your chance! An ideal one-half section, three and one half miles of Raymond Ranchyohi county, Minn. Big Holland church at Prinsburg, two and one-half miles. Is gently rolling and well tiled black soil, no gravel. Good big barn 66x56, good six room house and all necessary buildings; all in good condition; 200 acres in cultivation, 150 acres well plowed, bal. pasture and hay. All goes for only \$84 per acre with \$4,000 first payment with own time and terms. Interest 5 1/2%; possession March 1st, 1919 if necessary. Owner, Look box 63, Dept. N, Ireton, Ia. F. F. Faringer.

PLANT DOUBLES
IT CAPITAL; TO
BRANCH OUT

The Holland Canning Co. is making plans to double its capital stock not only but to build an addition to their factory that will approximately double their capacity. The capitalization will be raised from \$30,000 to \$60,000, and an addition will be built of 70x110 feet, two stories and basement, while the present plant is 70x150, two stories and basement.

The local canning company is planning to go into a new line in addition to the lines that they have been following very successfully during the past few years. The company has been canning fruits and some vegetables on an extensive scale, but during the next season it is expecting to add the pea packing line.

This new venture promises to be of unusual interest to the farmers of this section of Ottawa county. The soil in the territory east and northeast of Holland, including the communities known as Crisp and North Holland, is said to be especially adapted to the cultivation of peas. There is considerable money in this crop for the farmer and the new venture of the local factory is welcomed by many thru that section. Many promises for contracts have already been secured from the farmers and no trouble is anticipated by the management in signing up all the territory they can handle for the coming season.

Work on building the new addition will begin as soon as the weather permits so that the new plant will be ready for next summer's pea crop.

The Holland Canning company has had a successful year in spite of untoward conditions caused by frost and other unforeseen circumstances. During the season the company paid out \$70,000 to farmers and \$30,000 for labor.

The officers of the concern are: Pres., L. Lagars; vice president, C. J. Lokker; secretary and general manager, Wm. Vander Ven; treas., G. E. Kollen. The board of directors is composed of the following: L. Lagars, G. E. Kollen, C. J. Lokker, D. Ten Cate, Benj. Brower, Henry Geerlings, W. E. Van Dyke and Wm. Vander Ven.

THE SHAME OF
THE CITIES TOLD IN
BOOK REVIEW

At the meeting of the Century Club Monday evening Dr. J. E. Kuizenga told the grim tale of two cities, of their haunts of poverty and destitution, of thousands upon thousands of people living on incomes which are insufficient for the maintenance of life, health and strength, of child labor and women labor resulting from such starvation wages, of the inroads of vice and the organized liquor traffic upon the lives of the people, of exploitation of one class by another, of the resulting tragedy of disease and filth.

Dr. Kuizenga's paper was in many ways a terrible arraignment of the present day conditions in sections of practically all the larger cities of America. The paper was a review of two books just published, one on St. Louis by Mangold and one on Pittsburgh by Marsh. These booklets are the result of social surveys conducted by experts to discover actual conditions in a number of America's larger cities. Pittsburgh and St. Louis are not exceptional but are typical examples of the American city.

Dr. Kuizenga prefaced his paper by pointing out the fact that the old adage, "God made the country and man made the town," is not strictly true. Man did not make the cities; they have just happened, and responsibility for the bad conditions cannot be laid at the door of any one in particular.

The hopeful part of the situation is, he declared, that there is today a new determination to attack the problem intelligently and to wipe out the disgrace of our cities. And one of the important steps in this attack is an unbiased survey of conditions, made by experts. Another element is the co-ordination of the efforts of all the agencies that have hitherto been working separately and sometimes antagonistically, so that the full force of the social conscience may be brought to bear on the problem.

The meeting was held at the home of Dr. and Mrs. B. J. DeVries. Other numbers on the program were: vocal solo, "The Rosy Morn," (Ronald), Miss Heloise VanRaalte; piano solo, "Polonaise," (Chopin), Miss Nella Meyer; vocal solo, "Mother, My Dear," (Trehanne), Miss Van Raalte.

HIGH SCHOOL PLAYS NET ABOUT \$100

The plays, "The Kleptomaniac" and "Gone, But Not Forgotten," were given Wednesday night in the high school auditorium. There was a large audience. The balcony and assembly room were packed and people sat two in a seat. The actors in both plays did splendid work. William DeJongh in the role of grandfather Merryweather furnished a great deal of laughter for the audience. The make-up of the characters was especially realistic. The actors and actresses took their parts in a manner highly creditable to Miss Kohn and Miss Anthony, who spent hours in drilling them. Although all reports are not in, it is estimated that about \$100 was realized from the plays.

STARTS FIRE AND LOOKS SELF IN ROOM

A 3-year-old son of Mrs. Edwin Bush of Allegan narrowly escaped being burned to death when he entered the bed room, locked the door and set fire to the bed. Three other children noticed the boy had something in his hand and entreated him to open the door. When finally he yielded and the door was opened the bed was aflame. The fire was soon extinguished.

FRUIT PRESERVED IN 1860 FOUND IN GOOD CONDITION

Fruit preserved 58 years ago and brought to Detroit from Cape Disappointment, Washington, by Robert C. Miller, 737 Cavalry avenue, Detroit was found to be in excellent condition a few days ago. The fruit was sealed with wax and, according to Mr. Miller, it is as good as fruit put up with in a few months. The jar contains grapes, cherries, currants and plums, which were boiled before being sealed.

When Mr. Miller moved to Detroit from the west six years ago, he brought the fruit with him. It was preserved by his mother in 1860, at which time a tin was placed over the top and sealed with the wax. Other fruit preserved only but a few weeks ago has spoiled and it is considered remarkable that this jar has kept in good condition.

Cape Disappointment is the most westerly point in the mainland of the United States and, according to Mr. Miller, the weather there is never cold. He believes that the climate might have been responsible for the good condition of the fruit.

INFORMAL RECEPTION HELD FOR SAILOR

The Junior Class of Hope College held an informal reception Wednesday evening at the Ladies Literary Club rooms in honor of Seaman Elmer Lubbers who has just returned from service in England and is spending a short furlough visiting friends in Holland. Lubbers is stationed on the big transport Leviathan, and was in the harbor of Brest, France, when the "George Washington," with President Wilson on board, steamed into that port.

A grand march followed the get-together and then a dainty luncheon was served by the class social committee. Seaman Lubbers entertained with an account of his experiences.

WIFE OF OTTAWA CO. SHERIFF HAS SERIOUS OPERATION

Mrs. Cornelius Dornbos, wife of Sheriff Dornbos, was operated upon Wednesday at the sheriff's residence, by Dr. Leslie DeWitt of Kalamazoo, assisted by Dr. H. J. Cherry of that city. The operation was a serious one but she was reported to be resting comfortably Friday.

ARE INVITED TO HOLLAND CANTEEN

All army and navy men and men of the air service who have returned to Holland and the immediate vicinity are cordially asked to make use of the Red Cross Canteen and Rest Room to be opened in the Hotel Block, one door east of the Hotel Cafe, Saturday evening, January 11. A short program was given at 8 o'clock and light refreshments were served. All enlisted and drafted men will be heartily welcomed. This invitation, those in charge of the movement are anxious to make clear, is extended to all who have been in the service either as active participants in battle abroad or who were in the camps in this country. It includes the members of the S. A. T. C. either in Holland or elsewhere. In short, the canteen is for all who honorably wore the uniform of Uncle Sam during the war. The Canteen will be open every afternoon and evening.

ZEELAND MEMBERSHIP LIST TAKES A JUMP

The Red Cross membership roll call for 1919 has gone clear over the quota in both Zeeland city and Zeeland township during the past two weeks. During the previous month and at the opening of the New Year flu conditions in the surrounding communities were of such a nature as to hinder the prompt enrollment of all members. Several homes were under a strict quarantine for weeks and therefore could not be reached.

The Junior membership enrollment school had been closed for several weeks and many of the children could not be reached.

The city enrollment has reached the top by 1229 whereas the quota was handicapped considerably since 1189. The township has done equally as well, their quota being 1121 while their Red Cross membership numbers 1137.

GRAND HAVEN PLAYS ZEELAND FRIDAY

The Co. F Vets basket ball team of Grand Haven will get back into action for the season Friday night at the armory, where the Zeeland "Y" team comes there for a battle. In stacking up against the Zeeland Five, Manager Burt Fant has selected no mean opponent for the opener. The youth county team has been going like wild fire this season and any aggregation which has put it over the Zeeland five is a real top notcher in the independent field.—Grand Haven Tribune.

MUST TELL AGE ONLY IN VERY EXTREME CASES

AND THEN IT IS NOTHING LESS THAN A COMPLIMENT TO THE WOMAN VOTER

City Clerk Once More Re-Assures The Women of Holland Who Wish To Register

Women may take courage. City Clerk Overweg has again announced that it is necessary only in doubtful cases to seek the age of the women who register. He believes that this statement possibly will bring many women to the city hall to register, who would otherwise hesitate.

Although it has been previously announced that women would not be embarrassed by being asked to give their ages, those who visit the city hall often ask with a smile, "Don't you want to know my age?"

The clerk smiles and says it is not necessary, that he believes them 21 years old. In not a single case, has the clerk found it necessary to ask the question to date. But it is probably considered a high honor to have the clerk ask the question under the circumstances. Wouldn't any young woman who has reached the age of 21 years feel pleased to have the city clerk suspect that possibly she was not yet of voting age?

Women should not feel slighted, however, if the clerk does not ask the question. He is an excellent judge of ages, and it is only in extreme cases that he will find it necessary to ask the question. If you are 21 years old, or expect to be of that age by the next election, and look it, you need have no fears.

The statement was made regarding the age question by the city clerk after reports had reached the city hall that women were hesitating because they feared their age might be asked. But as Mr. Overweg says, it will not be necessary to be embarrassed.

Even if it were so, the city clerk is good at keeping secrets.

Women of Holland should remember that no matter what they see in outside newspapers about the time limit allowed in which to register, the last day in this city is Saturday, January 25. In many cities in the state it is February 15, but Holland is governed by the city charter, and any date announced for the rest of the state does not apply here.

CHRISTIAN REFORMED WORKERS TO LAY PLANS FOR DRIVE THIS WEEK

Dr. Lee S. Huizenga and Rev. J. C. De Korne, field secretaries of the Christian Reformed church, will arrive in Michigan Friday and immediately will make arrangements for the \$50,000 foreign mission fund drive in Michigan. They are expected to remain in this state six months.

While in Michigan they will be assisted by a campaign committee of which Rev. E. J. Tannis of Grand Rapids is chairman.

HOLLAND MAY HAVE A NEW MASONIC TEMPLE

ONLY LIVING CHARTER MEMBER WISHES TO DONATE

A short time ago between 300 Masons and guests gathered together in Mason Hall there was considerable talk of building a temple in this city. Lodge members were enthusiastically for it, guests said they would gladly give aid, and now George C. Stekete of Grand Rapids, the wealthy patent medicine man, who is the only surviving charter member left out of twelve, that organized the lodge fifty years ago comes forward and says, he will write out a liberal check toward a temple fund if Holland Masons will consider the project favorably.

What the outcome will be is hard to conjecture. The city certainly will not look with disfavor upon another beautiful structure somewhere within its limits.

VETERAN SURGEON MOVES FROM CHIEF TO HOLLAND

Northern Michigan has lost one of its best known surgeons in the removal of Dr. and Mrs. C. A. Norconk from Chief, Mich., to Holland, where he will open an office. Dr. Norconk came to Bear Lake 35 years ago. He performed operations in towns from Mason to Benzie and Grand Traverse county. His son Dr. Ward Norconk is with the army in France.

GOOD TO MEET

THE OLD GANG SAYS E. P. STEPHAN

BUT ON TOP OF THE RENEWAL OF FRIENDSHIPS HOLLAND HAS DONE VERY WELL

"I'm mighty glad the market was held on schedule time and I'm glad we showed here. I would have been glad even, if we had not sold a nickel's worth of goods, for I firmly believe we would have made money by just being here to meet the trade and to let them know we are still on earth."

E. P. Stephan of the Holland Furniture company was the speaker. "It would have been a grave mistake, in my mind to have passed this season. I was not altogether prepared for a season when it was determined to have one, but I was glad to come. It is worth something to be here and to meet the boys from all over the land and swap yarns and swap views about business with them."

"I've been in the furniture game only about four years, but in that time I have made a lot of friendships which are worth a whole lot to me, and which I wouldn't want to have broken for anything. It does me good to come here and see the boys, and I get my money's worth out of that whether I sell any furniture or not. But on top of that we have had a mighty good season right here this January and I'm not complaining a bit about the amount of our sales. We have done well and are highly pleased and we are going to do a lot better as soon as we can get out a lot of our new stuff. When the July market comes on, the Holland will show you something worth while."—G. R. Herald.

STUDENTS SLEEP IN JAIL ON DARE

On a dare four Hope students slept on a bunk in the city jail. The dare was proposed after a society feed at a cafe and a policeman was approached with the request to lock them up. The officer accommodated them. Toward morning the boys became uneasy and a friend was importuned to awaken the sergeant and secure bail. Meanwhile the boys had fixed their faces with court plaster, told the sergeant they had been in a serious scrap and that they were hungry. After the sergeant has furnished them with a hearty breakfast he discovered he had been a victim of a joke. The boys were released at 6:30 a. m.

County Road Commissioner Rokus Cook handed in his resignation to the board and it was accepted. Mr. Cook's term of office would have expired on May 1st. He was defeated for re-election last November, the successful candidate at that time being Mr. Bekhuis of Blendon township. To give the new commissioner a good chance to familiarize himself with the work of the board before the actual road building season opens in the spring, Mr. Cook stepped aside at this time and Mr. Bekhuis will take his place as a member of the board before his actual term of office begins.
