Ladies Night With Exchange Club At Tavern

ROSTERS ARE DISTRIBUTED;
FIFTEEN SPEAKERS

About 160 Exchange club members and their wives and guests gathered in the Warm Friend Tavern last evening for the annual ladies' night supper of the club. A total of 114 enjoyed the excellent meal served and the fine fellowship and social time. This is an annual event anticipated by the Exchangeites in which they can share in the usual splendid spirit delivered and in the fine spirit prevailing among the members.

The secretary, Prof. A. E. Lampen, distributed the new rosters, showing a present active membership of 57. President Andrew Klomparsen presided and introduced the ex-presidents who were in attendance and also the recent additions to the club. The latter and their wives were asked to rise upon introduction to the club. They were Mr. and Mrs. W. Campbell, Mr. and Mrs. Charles Miller, Mr. and Mrs. W. Pemberton, Mr. and Mrs. E. Prill, Mr. and Mrs. C. Van Tongeren, Gen. Heeter as chorister and Clarence Jaising as accompanist led in group singing. President Klomparsen gave a resume of the club's activities for the past year and welcomed the fair guests. The club built a log cabin on the Keppel forestry farm, offered four \$50 scholarships to needy students at Hope college and tried to do its share in promoting civic interests.

As the speaker of the evening the president introduced Rev. J. W. Fifield, pastor of the East Congregational church of Grand Rapids. He spoke on the question, "Whither is the World Going?" He said that last year he had the privilege of meeting Mahatma Gandhi in India and entertained President Hutchins of the University of Chicago at his home. Both predicted that the world would undergo critical and revolutionary changes in these next few years and these changes are rapidly taking place. As evidences of these, he referred to Germany's war, the rise of young people in groups up to as high as 125,000 drilling for future war service to the rampant spread of socialism all over the world, even and in an alarming way in America, and to the specter of communism now so real in many nations.

For a proper, sane philosophy to keep ourselves calm and assured in such critical times, he contended we need a proper differentiation between the subjective and objective worlds, between causes and effects, and a historical perspective. True and noble loving needs three-dimensional life. There must be the inward look to place the proper value on personality as Jesus did, the outward look leading to altruism, and the upward look to God as the constant guide and ruler of man's life and destiny. He urged that, especially at the time all people should cultivate this loving, sympathetic feeling and consideration of others, keep a positive healthy faith in God, and an active part in the work to be done for the world. The talk was very helpful and enlightening.

BANKS KEEP GETTING MORE NEW DEPOSITS

The three local banks report a steady influx of money during the week in both savings and commercial deposits. Insurance deposits, which make them absolutely safe, seems to have that effort all over the nation.

All state press papers, small community papers and trade magazines reaching the Holland City News desk report just that condition. Confidence is returning and it proves what the Holland City News said 25 years ago, that at that time we should have inaugurated guarantee of deposits.

With the United States government backing a deposit makes it as good as United States money or United States bonds and those are the best in the world.

Local bankers notice all together a more confidential and happier attitude than for months back.

Don Matheson, president of the First State bank, states that from January 1 to and including January 15, more savings deposits were placed in the bank than from August 18, on reopening of the bank to December 31. These kind of reports are coming from different parts of Michigan, said to be the hardest hit state in the entire nation.

SEVEN CANDIDATES ENTER TREASURER'S RACE

Thus far seven candidates have entered the race for the office of city treasurer. The candidates are Ernest Hartman, Henry J. Becker, Bert Vander Lunde, George W. Deur, Harry B. Weaver, J. F. Van Dyke and John H. Meyer.

Nicholas Sprieta will retire as treasurer, having had four one-year terms in the city hall. About seven weeks remain before the first primaries.

RABBITS ARE A PEST AND A BLESSING, SAYS FARMER

"The little cotton-tailed rabbit of Southern Michigan is both a blessing and a pest," writes a farmer from Lapeer county. "I like to have plenty around to hunt and at the same time wish there were none at all when they start eating the bark on the small fruit trees I have planted, but I realize that I can't have my cake and eat it, too."

The tree-girdling and bark-eating tendencies of the rabbit usually show up when the ground is snow-covered and the animals have a difficult time to find any ground forage. But this can be controlled on fruit trees if the owner will use any one of the ordinary rabbit repellents. A home made resin oil mixture will do the trick. Five parts of resin and one part of linseed oil mixed together and applied to the trunk of the tree will keep the rabbits away. It is non-toxic to all trees except peaches and sweet cherries. Rabbits will not chew any bark spread with this.

Deplores Going of Getz Zoo

Under the caption, "Wanted — A Zoo," the Grand Rapids Press has the following editorial:

"Removal of the Getz Zoo from Lakewood Farms, near Holland, last year was a distinct loss to western Michigan. Probably no other single attraction was a greater magnet for tourists than this unusual private collection of animals, reptiles and birds. Its worth to Michigan was inestimable from an advertising standpoint alone."

"The fact Mr. Getz decided to donate his collection to the city of Chicago should in no way decrease the sense of gratitude Michigan owes him. His willingness to open his grounds to the public was a valuable asset to the west state resort center. Although loss of the zoo may be regretted it is, of course, Mr. Getz's right to do as he wishes with his property."

"Removal of the zoo nevertheless opens the field for some enterprising community to establish a similar attraction. Having witnessed the drawing power of the Lakewood Farms menagerie, it seems reasonable to suppose that a similar venture would have almost equal attraction."

"Traverse City has maintained its own zoo for several years and has found it to be a major point of interest for visitors. Grand Rapids' zoo, although allowed to deteriorate in recent years, still furnishes entertainment and amusement for thousands. But this section of the state lacks an exhibit that could even begin to compare with the collection Mr. Getz has taken from its borders. It leaves a vacancy that perhaps never will be wholly filled. But it also leaves an opportunity that may be grasped by any community with the vision to see its possibilities."

Mayor Bosch Is Optimistic In Message

ALDERMEN GIVEN A REVIEW
OF TRIALS IN THE PAST
AND SUNSHINE IN THE FUTURE.

Mayor Nicodemus Bosch was in an optimistic frame of mind at the council meeting last evening and this spirit was further augmented through a message that gave a review of the past stressful period and a vision of more hopeful times ahead in 1934.

The message below is self-explanatory:

TO THE HONORABLE,
The Common Council of the
City of Holland.
Gentlemen:

We have just passed through a hard year—a tremendously hard year on all of our good citizens. After having courageously fought through three previous disappointing years in the economic depression, they were forced to fight again for a fourth year. And with the true courage of the American citizen and the strong heritage handed down to them by their Dutch ancestors, Holland's citizens have fought the depression with every ounce of power in them.

We have entered into the new year of 1934 and for the first time in four years we can look forward with conviction that it will be much better than the one just ended. I know that you as the council of our city will continue to bend every effort possible in the direction that leads to the ultimate happiness of our people.

Our president, Franklin D. Roosevelt, is doing everything within his power to end the economic hardships of our country and again make glad the home of our American people. He has declared war on the depression and it is the duty of every American citizen to support him in his program. I want to commend you as the representatives of our city for your splendid work during the past year. The city projects which you passed upon, such as the grading of roads, the addition of sewerage, systems, and many others too innumerable to mention, not only provided labor for our citizens, but added materially to the wealth and beautification of our city. Your co-operation with our Chamber of Commerce has made possible a great many successful enterprises. The city working as a unit with our Chamber of Commerce has opened a number of our large factories, which had been idle for years. The fact that these factories are all growing institutions not only provides labor for our people, but adds to the future permanent growth of our city. More money is flowing into the channels of Holland, making for greater prosperity for its citizenry.

The three proposed CWA projects, the fire engine house, the police station and the municipal dock which you passed upon, and which was intended to provide many months of labor for hundreds of our men, has been tabled by the state CWA commission. We must continue, however, to do everything in our power to secure sanction of these projects. Mr. Louis W. Nims of Lansing, assistant CWA administrator of the state, advised in a letter that the projects were tabled simply because the CWA schedule extended only to February 15, and that the projects could not be completed by that date. At the same time he told us to again submit the propositions to them in case the CWA program is extended beyond February 15, inasmuch as they are splendid projects, and when completed would doubtless prove to be real assets to the city of Holland.

As an aside I also wish to inject in this message that the guarantee of bank deposits is beginning to make itself felt not only nationwide but right here in Holland. I have been assured that substantial

Glass Sales Of Liquor In City Approved

CLASS SALES OF LIQUOR ARE
SANCTIONED BY GRAND
HAVEN ALDERMEN

Sale of spirituous liquor by the glass in Grand Haven was authorized by the city council Monday evening by a vote of 3 to 2. Mayor Lionel Heap, Aldermen N. F. Yonkman and Harold Westerhof favored the action while Aldermen Martin Boon and Henry Hingelberg were opposed to it.

An ordinance regulating the sale as to number of licenses issued, hours, etc., will be passed later. No action was taken on two applications received from Mrs. Ada East, proprietor of the Haven restaurant, and Stephen Nemeth, proprietor of the Hotel William M. Ferry.

Alderman Boon wanted the question decided by a vote of the people. Alderman Westerhof contended that the people in Michigan, in Ottawa county and in Grand Haven had gone on record twice in favor of the return of liquor, one by a vote for light wines and beer and again by repeal of the eighteenth amendment.

"If the council does not take action on this matter it will simply mean the encouragement of the bootleggers or send business outside the community and I believe we should profit by the revenue the same as other communities in the state," he declared.

Alderman Ringelberg stood with Alderman Boon, saying "I don't believe that hard liquor should be sold any place outside of drug stores and then for medicinal purposes only. People got beer and light wines, that ought to be enough. I believe that the people of this city should say whether they want liquor sold by the glass."

Mayor Heap agreed with Alderman Westerhof, declaring the people had voted for the return of liquor and the city council was bound in taking action. "I believe that a man has the same right to buy a glass of liquor as he has a bottle of liquor," Mayor Heap replied.

City Attorney Charles E. Misner pointed out that, according to the state law it would be necessary to call for a special election and that the question could not be put on the ballots at the primary or spring election.

A large group was present at the meeting and Mr. Boon called upon some expression from the audience. Not a person responded, even J. C. Lehman, who has long been an advocate of prohibition. When called upon personally he said "I am here entirely in the guise of a spectator."

Action was necessary last night as the limit of the sixty days in which city councils can act following the passage of the state law was near. Had no action been taken it would have been necessary to petition the council for a special election with 20 per cent of the voters for the secretary of state at the last election signing it.

DR. J. W. BOSMAN OF KALA- MAZOO TAKEN BY DEATH

Dr. J. W. Bosman, 72, for 48 years a practicing physician in Kalamazoo, died Tuesday at a ten-day illness. Less than a month ago he was honored by the men of his profession in southwestern Michigan by being made an honorary life member of the Academy of Medicine.

Dr. Bosman was a member of the Elks lodge of which he was former exalted ruler; of St. Luke's church; Academy of Medicine, and American Medical association.

He is survived by two brothers, A. B. Bosman, and John Bosman, both of Holland, and four sisters, Mrs. Henry Hyma, and Mrs. Henry D. Werkman, both of Holland; Mrs. Theodore Bosman, Grand Rapids, and Mrs. John Brockmeyer, Pasadena, California.

He was the son of the late Mr. and Mrs. J. W. Bosman who lived on East Ninth street until the day of their death. Mr. Bosman was a pioneer clothier and the first merchant to establish a made-to-order clothing establishment together with his ready-made emporium.

Funeral services will be held today (Friday morning) at 10 o'clock at St. Luke's church.

NEW HOLLAND CONCERNS PROVE ASSETS TO CITY

(Grand Rapids Press)
The Baker Furniture company, brought here from Allegan, and the Charles R. Sligh company, new furniture manufacturing concern, already have become big assets to Holland's industries.

With moving process completed, the Baker company is housed in one of the most modern furniture plants in Michigan. About 150 men are employed and the force may reach the 200 mark within the next two weeks.

Employees at the Sligh plant are working in shifts, with more than 80 men listed on the pay roll this week.

Mrs. Anthony Spychoven, Mrs. J. Hoefakker and Herman Hoefakker of Grand Rapids spent Tuesday in Holland.

Gains are being made here every day and my trades papers, where financial statistics are absolutely reliable, also chronicle that this bank insurance is having tremendous results in the way of additional deposits and this is augmented by a spirit of confidence that has not been so noticeable at any time during these four years.

Our road is clearly laid out before us, Gentlemen, and I know that every man on this council will work for the ultimate successful acceptance of these projects.

Holland's council will continue to work for the prosperity and happiness of its citizens, and Holland will never stop until every man who wants a job can have a job. Respectfully submitted,
NICODEMUS BOSCH,
Mayor.

School Days, School Days, Forty Years Ago

The above picture has been taken from one of those old albums with which in yesteryear the evening's company at the house was entertained. The old picture book generally occupied a place of honor in a parlor on a center table with a marble top.

Those were the days when the "front room" was closed six days a week, and was naturally the main room for weddings and funerals.

This preview has little to do with the above picture outside of the fact that it is an album picture. The above is a photograph of a group of youngsters in the second grade 42 years ago, taken in front of the fourth ward school on Maple avenue and Eleventh streets. The teacher is Miss Mary Damsen, considered the prettiest young school marm in Holland in those days. She is Mrs. John Banning and for many years has been in the mission field in India.

There are also some captains of industry—merchant princes in this picture. For instance, in the fourth row from the top the grinning little face, third from the left is Cornelius Dornbos of DeVries & Dornbos who presides over the tallest building in town. To Neal's left is C. De Koster, whose wife formerly Miss Maggie Bontekoe, is also in the picture.

The little fellow all "dolled up" the bottom right corner is Sears McLean of sugar fame, now president of the Tax Payers League. Harry Raffanau, the bicycle merchant on River avenue, is the first face from the left in the third row. The little girl on the right, in the fourth row up, is Mrs. Burke Taylor, formerly Miss Emma Damsen.

Your editor's brother, Marius Mulder, the round-faced curly head in the second row from the top in the center, might be mistaken for a girl, but his Marius just the same.

Other folks appearing in the picture are Miss Bysma, local school teacher, Anna Van Ark, now

Mrs. B. Naberhuis; Al Alderink of West Nineteenth street; Kate Dykema of Grand Rapids; Susie Plagemars, Holland; Henry Van Anrooy, Grand Haven; John Serier, George Knutson, Eliza Zwemer, now Mrs. Harry Kramer; Lena Esenbuer, now Mrs. Tim Marcus; Blanche Scott, all of Holland; Ray Hadden, Hilda Hummer, oldest daughter of the school superintendent of that time, and Nicholas Dosker, now residing elsewhere.

Others are George, Al and John Ver Hoef; Paul and Fred Meyer; Alice Van Ark, Grace Streuer, Dena Blok, George Stroyars, Lena Harkema, Gertrude Rozeboom, Peter Rietsma, John Heider, two girls of Dykstra family, William Ten Hayer and a girl and boy of the Fris family.

Of course, many of the girls are now married and living outside of the city. Some of the boys have moved to other parts. Although many of the folks are still living in Holland, several of those in the picture have passed on.

Other folks appearing in the picture are Miss Bysma, local school teacher, Anna Van Ark, now

FIFTY YEARS AGO TODAY

All those who have never seen the play of "Uncle Tom's Cabin" will again get the opportunity at Lyceum Opera House. There is to be a parade with the blood hounds, donkeys and the colored aggregation. This will be an excellent troupe for it comes here from Redmond's Grand Opera House, Canal St., Grand Rapids, where they played two nights. Note: In the early days all play houses were called Opera House instead of theaters. Theaters were shunned by the so-called "good folks" as the devil's play house — just as "devil's cards" were namely Ace, King, Queen, Jack, and the rest of the hearts, diamonds, spades and clubs.

There was plenty of excitement at New Richmond, south of Holland in the saw mill district, when a young "lumber jack" waylaid a pretty young miller's daughter in the woods and stifled her cries with his big red handkerchief in spite of her vigorous resistance. The crime might have been committed but for a little girl who saw what was going on and her cries for help brought the "lumber gang." But the man fled in the woods and was captured in Detroit later. The mill men had a rope ready to hang the young scoundrel. Note: We withhold the names but relate the incident for there were many such in lumber days in the dense forest.

Born to Mr. and Mrs. Peter De Goede, 94 West 17th street, a son.

Ben Lemmen, living east of Holland, had a peculiar accident. He was butchering a cow when the animal fell on him, breaking his right leg in two places. Dr. W. G. Winter reduced the fracture.

Mrs. Louise Mokema, daughter of Mr. and Mrs. Gern W. Mokema, was quietly married Thursday evening to Benj. Velman at the home of the bride's parents on West 12th Street. Rev. R. L. Haan of Central Ave. Church officiated.

Ernest Kremers, Bernard De Vries, George Van Duren, Sears McLean, Raymond Vischer and John Sligh, all of Holland, have returned to Ann Arbor to resume their studies after the holidays.

E. P. Stephan and Frank Congleton had a hard time rounding up worth while speakers for the big McKinley Club banquet. They succeeded, however, to secure U. S. Senator Wm. "Billy" Mason of Chicago, Judge Frank Sandler of Illinois and Attorney Phil Congrove of Michigan. The speakers made all kinds of excuses for they had important Republican campaigns of their own but Mr. Stephan after much hard work succeeded in getting their consent to come.

The cornerstone of the Sixth Reformed Church will be laid by Rev. G. De Jonge of Zeeland and address will be given by Henry Geerling of the First State Bank and Rev. Seth Vander Werf of Holland. The building will cost \$4,300 and the building committee is C. Ter Louw, R. Ryzena, Peter Moos, Henry Vande Water and Wm. Douma and Fred Van Vorst.

Holland had money in these days and we are called "Bleated Bond Holders" in the News. During the recent war, citizens absorbed \$1,500,000 in U. S. Government bonds and now they are buying still more bonds issued by the city of Holland for special improvements on a ten year basis.

Harm Plaggenmarm dies in Holland township at the ripe old age of 90 years and 9 months. He was a member of the original Holland colony, coming with Dr. Van Raalte.

The terrible inroads of the Spanish flu followed by pneumonia is evident from a Hudsonville item where there were three deaths in one family on three consecutive days. Fred Jonker, the father, died suddenly, and the next day, while the funeral cortege was wending its way to the church yard, Ira, a son of 16, died and another son, Harold, is dangerously ill with the flu.

Norman A. Cobb, former Holland High School athlete, writes his mother, Mrs. Willard A. Cobb, from France that even though he has figured in many terrible battles on the western front, he practically got through without a scar. Cobb was slightly wounded in one skirmish and was taken to a temporary hospital but returned after a few days to the "firing line." He took part in the "big drive" on Verdun and Chateau-Thierry and the regiment he was with were cited a dozen times by the French officials for bravery and Cobb himself has won many medals. Note: Mr. Cobb for several years was manager of the Holland Merchants' Service Bureau although the Armistice had been signed for 6 weeks letters are still coming in from soldiers in France and Russia.

Charcoal Burners in Every State Park

Shortage of available stove wood in many of Michigan's state parks has forced the Parks Division of the Department of Conservation to install charcoal burning stoves for the use of campers. While in many of the parks, fire wood from dead and down timber and from undesirable species of trees cut by caretakers, is available for the free use of campers; in other areas no wood is available unless it is purchased from outside the park. For this reason charcoal burners have been installed. It is probably that eventually it will be necessary to equip all of the state parks with charcoal stoves, it is said.

FRIDAY TO BECOME CONSERVATION DAY

During 1934, every Friday will be "Conservation Day" on the radio. Through its "Farm and Home" hour, the NBC is setting aside 12:30 to 1:30 every Friday for the discussion of conservation subjects, says Maurice Kuite, conservation officer of Holland.

Early programs include Dr. Preston Bradley on Jan. 19, who will speak on "Conservation, the Soul of America." On Jan. 26, Dr. Rexford Twigg will speak on "Planned Conservation" and Dr. R. A. Pearson on "A Sane Conservation Policy." On Feb. 2, E. A. Silcox will speak on "Conservation Fundamentals," and Paul Redington on "Biological Conservation Requirements."

ROY HEATH NAMED POST- MASTER AT MACATAWA

Roy Heath of Macatawa Park has been named postmaster of the Macatawa post office by President Franklin D. Roosevelt in an official notice received from Washington.

Mr. Heath will succeed Leonard Van Regenmortel of Macatawa Park, whose commission expired recently. Mr. Van Regenmortel has held the position of postmaster in the resort section for 24 years.

FOUR ALLEGAN COUNTY POST- MASTERS TO BE SELECTED SOON

Examinations, open and competitive, are to be held in the city of Allegan to fill vacancies in the positions of postmaster in three Allegan communities, Hopkins, Pullman and Watervliet, according to an announcement received this week from the United States Civil Service commission.

The commission also announced that a fourth examination, to fill the vacancy in the Allegan post office, where Edmund Cook is now acting postmaster, will be held. A supply of application blanks is now on hand at the Allegan office and may be obtained there by any person interested in taking the test.

This latter examination is an unannounced one, and competitors will not be required to report for examination at any place. The other examinations are assembled ones and the rulings for the assembled examinations will not affect the quiz for the Allegan postmaster.

Qualifications listed for the three county post offices are demanded of those who compete for the Allegan position.

Salaries, as listed, are to include \$1500 for Hopkins; \$1300 at Pullman and \$1200 at Watervliet. To be eligible for the examination an applicant must be a citizen, must reside within the delivery of the post office for which the examination is held, must have resided for at least one year next preceding the date set for close of receipt of applications. The competition is open to both men and women.

COUNCIL NOTES

Dr. William Van Kersen, head of the Reformed Church mission board, opened the council meeting with prayer.

Alderman Huyser brought up a matter relative to box-elder trees, stating that beetles from that tree are harmful to other trees. The council recommended the park board that all box-elders be removed from city property and advised them to ask the citizens of Holland to co-operate with the board in removing the trees on private property. Park Commissioner Van Bragt will give an inventory of where those trees are located.

Thank you! Thank you! The American Legion, in a letter to the common council, extended thanks to that honorable body for their kind co-operation in the barrel drive for the needy during the holiday season. The mayor and common council were rather surprised and voted that all the thanks should go to the legion, who through their untiring efforts during a bad year made the drive a success.

The common council approved of two board of public works projects, namely the large warehouse and the new addition to the street department warehouse, constructed through the CWA. The latter is to be 30x50 feet larger, also to be located by the city water works.

Added fire protection in the second ward has been asked and two new hydrants will be placed.

The police department made a request for two new cars to be used in the service and was left to the ways and means committee with power to act.

The city hall is to have two new vaults to be built through the CWA. The present vaults were entirely inadequate to take care of the city records. This matter was brought up before two years ago, but was postponed until a more auspicious occasion which seems to be right now.

A communication of the board of public works asking for permission to buy \$15,000 worth of Ottawa county bonds with a cash surplus now on hand was denied on motion of Alderman Prins. Mr. Prins stated that Holland had some bonds due in February with principle and interest and these should be taken care of first. We should not be compelled to refund these bonds when there is money on hand.

The matter of a liquor store to sell hard liquors under the state law came up for discussion at the common council. City Attorney explained the various phases of the law as he had been requested by both wets and dries. He stated that the liquor act provides that liquor sales by the glass may be authorized by the governing body of a city within 60 days of the passage of the act. After that time expires 20 per cent of the vote cast for secretary of state at a previous election is the number of names necessary on a petition to submit the matter at a special election. He stated that he believed the bill recently passed rescinds the former clause in our city charter whereby the city can control and license the sale of liquor. He says that the 3.2 merchants are now privileged to sell a higher content alcohol in beer but under the supervision of the state liquor control commission, and that a state inspector had been appointed in this city to supervise and regulate the sale of beer to comply with the law recently passed.

The aldermen voted to remove street lights on North River avenue at the railroad tracks and on Fifth street west of River avenue. One of these lights will be moved to the Lincoln avenue and Fourteenth street intersection, it was agreed.

New fire hydrants on Sixth and Seventh streets between River and Central avenues and near the Baker Furniture and Holland Furnace companies were approved by the common council last night.

Mayor Bosch took issue with Mr. Lokker with respect to monies obtained from the salvage of the Ottawa furniture factory buildings. Bosch insisted these funds should be turned into the city treasury and Lokker favored they be left in the hands of the city industrial commission so as not to hamper it in its work. He said the commission can be fully trusted with the money and they should not be embarrassed with any handicaps. The council at a previous session ordered the salvaged monies be deposited in the city treasury. The council deferred action until its next meeting, by motion of Alderman Steffens. Alderman Van Lente asked to rescind a former action on this question.

The council Wednesday evening instructed City Clerk Oscar Peterson to confer with the proper state authorities relative to the condition of the ice houses near the west limits. The buildings, it is said, are infested with white ants and the council decided these should be exterminated. This matter came up about six months ago but the ants, it is said, are still there.

Council voted to remove street lights on North River avenue at the railroad tracks and on Fifth street west of River avenue. One of these lights will be moved to the Lincoln avenue and Fourteenth street intersection, it was agreed.

The mayor and Alderman Prins would have their tilt on sidewalk repairing. Prins is waiting for warmer weather and the mayor injected "yes, when the sun shines on both sides of the fence." Prins said: "Maybe, watch me."

The addition to the city clerk's vault will cost \$850, and the material \$100, according to Alderman

City Assessor Makes Demand For Back Pay

THROUGH HIS ATTORNEY,
THOMAS N. ROBINSON,
DEMANDS ARE MADE CLEAR
IN LETTER.

At a meeting of the common council last evening one matter that came up was a letter from Thomas N. Robinson of Benton Harbor, attorney for City Assessor Peter Van Ark, in which the contention is held that Mr. Van Ark under the salary ordinance, is entitled to \$1,998.19, claimed for back salary covering a period of years.

The letter from Mr. Robinson, upon a motion by Alderman Prins, supported by Alderman Jonkman, was filed, and is self-explanatory, following below:

"January 10, 1934.
"Mayor and Common Council
of the City of Holland,
Holland, Michigan.

"Gentlemen:
"Mr. Peter H. Van Ark, city assessor, has referred to me a claim for salary extending back to 1929, at which time Mr. Van Ark's salary was reduced after he had entered upon his term of office.

"It is my opinion, and I have so advised Mr. Van Ark, that he is entitled to recover from the City of Holland the difference between the amount of salary actually received and the amounts authorized by the salary or ordinance in effect at the time he assumed office, inasmuch as the salary of a municipal officer cannot be raised or lowered during his term of office. On this basis Mr. Van Ark is entitled to \$468.27 for the term covering the years 1929-1930; \$455.92 for the year 1930-1931; \$500 for the year 1932-1933, and he is entitled to \$740 additional at the expiration of his term on March 31, 1934, a total of \$1,998.19, exclusive of interest.

"I am authorized on behalf of Mr. Van Ark to advise you that if Mr. Van Ark receives this additional \$740 for the year 1933-1934 and is paid at the rate of \$2,500 for the year 1934-1935, instead of \$1,760 as fixed by the ordinance passed after his present term of office commenced, that he will waive the amounts due him for salary in the previous years. In other words, if Mr. Van Ark is paid for his present term at the rate of \$2,500, instead of \$1,760 as provided in the ordinance passed on May 1, 1933, he will waive all other claims against the city for amounts due him under the salary ordinance for the years in question.

"Kindly give this matter your attention as promptly as possible and advise me whether or not the settlement proposed can be worked out.

"Very truly yours,
"THOS. N. ROBINSON."

FARM PRICE OF HOGS AND FAIR EXCHANGE VALUE

In the pre-war period (1910-14) the farm price of \$7.24 per hundred-weight and the fair exchange value were one and the same. When prices at the farm are again high enough to give live hogs the same purchasing power they had in the pre-war period, then they will be equal to the fair exchange value of hogs. Fair exchange value at any given time is the amount (represented in the cartoon by black pigs) which represents

what hogs have to bring in order to give them the pre-war purchasing power with respect to prices of commodities farmers buy. Largely because of a lack of balance between supply and demand, hog prices since the World War have averaged the fair exchange value only in one year (1926) when it happened that the size of the hog crop was considerably decreased. In 1932 the farm price of hogs averaged only \$3.47 per hundredweight, but

as the prices of commodities farmers buy averaged a little higher than their pre-war level, the fair exchange value in 1932 was proportionately higher, or \$7.75 per hundredweight. The disparity, therefore, was \$4.28 per hundredweight. Adjustment of hog production under the Agricultural Adjustment Act in 1934 will help wipe out this disparity and again restore hog prices to the fair exchange value.

ZEELAND

The car of Mrs. Maud D. Atherton of Ottawa Beach was badly damaged Saturday in an accident involving three cars on M-21, three miles east of Zeeland. Mrs. Atherton's car was pulled into the path of an Ohio transit truck by the car of a third motorist whose name was not learned. The truck, which carried a seven-ton load, was also damaged. Mrs. Atherton received only slight bruises and body injuries.

Bastian Schermer, 72, died of a heart attack Monday evening at his home, two miles east of Zeeland, just after he entered the house after finishing his evening chores. He was the father of Cornelius Schermer, world war veteran, who died about two weeks ago. Mr. Schermer is survived by his widow; one son, Andrew of Zeeland; five daughters, Mrs. Ben Vande Weide, Mrs. Dick Zwagerman and Mrs. John Languis of Zeeland, Mrs. George Van Zoeren of Vriesland and Miss Antoinette Schermer at home; 12 grandchildren and 4 brothers, Cornelius and Dick of Vriesland and Anthony J. and Frederick of Holland. Funeral services will be held this Friday afternoon at 1:15 o'clock at the home with Rev. M. Van Vessel of Cutlerville officiating and at 2 o'clock at First Christian Reformed church of Zeeland with Rev. William Kok officiating. Burial will take place in Zeeland cemetery.

Allegan County News

Mr. and Mrs. Wm. Hayes, and Ben Van Huis of East Saugatuck, were quietly married at Allegan Dec. 27, by Rev. Muller. The bride is a graduate of the Fennville High school and also attended the Davenport-McLaughlin Institute at Grand Rapids. The groom is a graduate of Michigan State College, and has a position with the Lortin Creamery. They will be at home to their many friends in the Sheffer house on First St., Fennville.

According to a report for the past six months, submitted by Prosecuting Attorney Welborn S. Luna, there have been 127 criminal cases prosecuted, 97 convictions, 5 acquittals, including 2 convicts discharged by the supreme court on a 1932 case; 9 cases dismissed upon payment of costs, 14 nolle prossed and 2 discharged upon examination. The report was submitted to the attorney general.

There has been some confusion in Allegan county of individuals with the same name in regard to the unemployment relief work at Allegan. The man in charge of the registration of unemployed is A. Brink Tucker. The probate judge, Irving J. Tucker, has nothing to do with the unemployment work and therefore any reference to him in that regard is uncalled for. We hope this little explanation will help those seeking employment to find the right Tucker. The judge of probate, who formerly lived near East Saugatuck, has no authority in the unemployment field—his is a different office dealing with "will matters" and folks who have passed on, not live ones.

The pupils of the Grange hall school (formerly known as the Lewis school) will hold their winter

Mrs. Fred King on Saturday, Jan. 27. Bert Nevenel, 24, Hamilton, arrested by Conservation Officer Harry G. Plots on the charge of illegal possession of coon skins, pleaded guilty when arraigned before Justice Herman H. Cook. He paid fine and costs of \$35.25.

Mrs. Hattie Chase of Ganges celebrated her eighty-fourth birthday anniversary Monday. Her daughter, Mrs. M. E. Parrish of Otsego, her son, Serene Chase, and family and sister, Mrs. James Phillips of Saugatuck, were with her to help celebrate the occasion.

Finances of the Farmers' Mutual Fire Insurance company of Allegan county are in excellent condition, according to reports submitted at the annual meeting of the organization. Officers elected were John C. Wiltberger, Conklin, president and treasurer; Gale Dugan, Otsego, vice president; Charles Ellis, Moline, secretary; and Everett Collier and John C. Wiltberger of Conklin, O. J. Atwater, Wayland, David Laraway of Martin, Elmer Gable of South Haven and E. D. Vandenberg of East Saugatuck, directors. During the year there were 60 losses. Membership totals 3,000.

Drivers of automobiles having faulty lighting systems were warned this week by Sheriff Fred Miller of Allegan county that unless their lights are placed in working order they will be subject to arrest and fine if convicted of violation of the laws. Sheriff Miller issued his warning after a check of automobiles being used at night, when he found a large number of them traveling with bad lights and only one headlight. The law requires both headlight and tail light to be showing and it will be necessary to have all lights in working order and, in use if drivers are to escape arrest.

Mr. and Mrs. Peter De Weerd entertained Mr. and Mrs. Leonard Van Ess at their home Sunday evening.

FILLMORE

Rev. J. F. Schortinghuis, pastor of Ebenezer church, received word Sunday of the death of his mother, Mrs. W. P. Schortinghuis, in Miami, Florida, on Saturday evening. Death resulted from apoplexy. Funeral services were held Tuesday in Miami. Rev. Schortinghuis was unable to attend the funeral because of circumstances and the distance. Surviving besides Rev. Schortinghuis are her husband and three other sons, Nicholas, William and Christian, all of Miami, and three daughters, Mrs. R. F. Decker of Baltimore, Maryland, and Mrs. Margaret Heisma and Mrs. N. Aardema of Sioux Center.

EAST SAUGATUCK

Henry Kramer of East Saugatuck, who was charged with operating a car without a driver's license, was found not guilty in court of Justice John Gallen. Kramer was arrested by local police Saturday and pleaded not guilty when arraigned before Justice Gallen. Four witnesses at the examination stated that Mr. Kramer was not driving a car. A verdict of mistaken identity was reached and Kramer was released. Mr. Kramer was the driver of the truck which struck and killed Mrs. Alice Poppe on Lincoln avenue on March 29, 1933. Part of his sentence in his conviction of negligence by a circuit court jury was the revoking of his operators' license until June 2, 1934.

CHEESE ABOUT THE CHEAPEST EXISTING MENU

Cheese is one of the low cost menu's best friends, according to home economics nutrition extension specialists at Michigan State College. Few articles of food will so appetizingly adapt themselves to combinations with other materials, while at the same time provide the necessary elements for good health. One pound of cheese represents the chief food elements of a gallon of milk and is one form in which a surplus of milk may be stored satisfactorily. Both American and cottage cheese are protein foods and may be used as meat substitutes. They are also high in calcium and phosphorus and in Vitamin A, which means that much nutritive value is concentrated into a small amount. An average serving of cheese contains about eighteen times as much calcium as an average serving of lean meat and nine times as much as one egg.

A Pastor Who Knew Indians

Rev. Norman B. Wood, age 76, a former pastor of the Ganges Baptist church in Allegan County, and widely known as an authority on the life and history of the American Indian, being author of several Indian books, died suddenly Christmas afternoon at Aurora, Ill., according to a letter received here by friends. Because of his writings, especially on Indian tribes and Indian lore generally, he had the honor of having his name in "Who's Who," and that is surely an honor.

Rev. Mr. Wood was born Aug. 18, 1857, in Fayette county, Ky., and was a graduate of Louisville Theological Seminary. He had held pastorates in Illinois, Kansas and Michigan, and took an active part in all Christian work.

The Beacon-News of Aurora, commenting editorially said: "He was one of those men who go miles out of their way to do a favor, or to repair a wrong of someone else's doing. Promotion of the general happiness and placing of the misunderstood man in the right light were almost obsessions. He thought history and tradition unkind to the Indian, so made exhaustive inquiry into the Red Man's antecedents and faith and works and penned an estimate of him that made the first American friends and excited new interest in them. He was also concerned with people everywhere not getting their due. No doubt Mr. Wood got joy out of the unselfish service he rendered."

Nothing could be more wholesome or nutritious or purer than bread, cookies and doughnuts made of I-H flour. When children come in tired from play give them these delicious, body-building foods.

Pros. Dethmers Shows A Good Court Record

NINETY-SEVEN OUT OF 103 CASES RESULT IN CONVICTION, REPORT SAYS

The semiannual report of the prosecuting attorney John E. Dethmers, to the attorney general for the period ending December 30, shows that out of a total number of 103 prosecutions brought for Ottawa county there were 97 convictions, a high average for any court. There was but one acquittal, no discharges or dismissals for want of evidence and but two were let off with the payment of costs and three following examinations. The greatest number of prosecutions concerned the motor vehicle law. Every one of the 21 cases were convicted. Simple larceny ranked second in number with 18 prosecutions and 16 convictions. Two murder cases were prosecuted and convicted; 3 for breaking and entering; 16 disorderly persons and local offenses including carrying concealed weapons, drawing checks without funds, false pretenses, highway law, indecency and immorality, destruction of property, nonsupport, rape, robbery armed, tapping electric wires, threat, false report to state broadcasting stations.

There were but two prosecutions for prohibition law violation and two convictions. This crime has dropped almost out of the category of the local courts, when at one time it led in number of prosecutions.

The following shows the charges to gether with the number of prosecutions and the number convicted appearing in parenthesis:

Assaults, 7 (6); barbers' law, 5 (5); breaking and entering, 4 (3); check without sufficient funds, 1 (1); children-failure to send to school, 1 (1); concealed weapons, 1 (0); conservation law, 4 (4); disorderly persons, 16 (16); false pretenses and representations, 1 (1); highway law, 3 (3); indecency and immorality, 2 (1); larceny-simple, 18 (16); malicious and willful mischief and destruction of property, 2 (2); motor vehicles, 21 (21); murder, 2 (2); nonsupport, 1 (1); prohibition law, 2 (2); public officers and officers, 1 (1); rape, 1 (1); robbery armed, 1 (1); stolen property-receiving, 1 (1); tapping electric wires, 1 (1); threats, 1 (1); utilities law, 5 (5); false report to state broadcasting stations, 1 (1).

One of the 7 assault cases was acquitted. Breaking and entering discharged after examination. One case of concealed weapons was also discharged; one case of indecency not prosecuted. Two for simple larceny were dismissed on payment of costs.

POST OFFICE SITE IS CLEARED OF BUILDINGS

(Zeeland Record)
During the past week the new post office site was cleared of its last building when the De Bruyn company moved the old Central Market building to a new location on Washington street adjoining the Vande Pels & Madderom garage on the west, where it again will be devoted to business.

The post office site has also been leveled out and cleared of nearly all debris, so that work on the construction of the new post office building may begin any time at the convenience of the post office department.

No indications have been forthcoming of late concerning the prospects for the new federal building, but hopes are entertained that the architects will get instructions to put the plans, already approved, into execution.

There has been considerable modification of plans by which the investment is to be considerably reduced, by the elimination of ornamentation, but without diminishing its service ability.

JOHN RUTGERS RUNNING FOR TREASURER

The genial John Rutgers, who for many years was associated with his late father, John Rutgers, Sr., in the clothing business, has entered the race for city treasurer with a large field of other candidates.

John is an able accountant through his association in the mercantile business for many years. He also received considerable knowledge of property values while his father was supervisor of Holland and register of deeds of Ottawa county. At different times he has been secretary and treasurer of the Holland Merchants association and filled many other places of trust in which accounting played an important part. John is well and favorably known throughout the city.

EXCUSE OUR FRENCH

Mr. W. R. Pemberton and his staff of Chevroleters showed plenty of "knee action" and mouth action, too, Saturday when two new cars were given a "show off" at their sales rooms on West Ninth St. The place was filled from morn till night, causing much favorable "mind and heart action." Well, she is a beauty that would cause most any kind of action. Will ze buy ze Chevrolet—yes!

FIVE HURT AS AUTO GOES IN DITCH NEAR ZEELAND

Five persons were badly cut and bruised Monday when the car in which they were riding left the highway and crashed into the roadside ditch about seven miles east of Zeeland on M-21.

The car was driven by Mr. W. B. Scott of Grand Rapids and he was accompanied by Mrs. Scott, Mrs. R. Prince, Mrs. J. Meyers, and two Scott daughters, Misses Virginia and Annabell Scott, all of Grand Rapids.

The car skidded when it struck an icy spot on the pavement and turned completely over.

Mrs. Scott was cut on the nose, requiring four stitches, and she received body bruises. Mr. Meyers was badly bruised on the right side and right arm. Mrs. Scott was cut on the head and bruised on the legs while the Scott girls both suffered from bruises on the legs.

They returned to Grand Rapids under the motive power of their own car.

Zeeland Common Council Offers Charter Change

WOULD COMBINE TREASURER AND CLERK OFFICES TO DO FULL-TIME SERVICE

There will be submitted to the electors at the spring election in Zeeland city a proposed charter amendment that, if adopted, will combine the offices of city clerk and city treasurer in one person and to make the combined offices appointive instead of elective.

The matter has been under discussion for some time because it was thought advisable to have a full-time public officer at the new city hall and in that way give better public service.

There are several good reasons why a full-time city clerk is desirable and many are so obvious there is no reason for reciting them, but it is very probable that by giving close attention to giving public service at reasonable charges would result in sufficient revenue to make the position self-sustaining.

In order to bring this change about it will be necessary for a three-fifths majority popular vote to adopt the charter amendment. If adopted it will probably require two years to become effective, because both the clerk and the treasurer will have their present elective term to serve. However, that would only postpone its effectiveness two years.

The however, can be circumvented by making the next spring official election provisional upon the charter amendment result, which course is to be followed will be determined before the election is held.

In Holland such an amendment would be impractical and impossible. Both the clerk and treasurer are overloaded with work now and their duties are added to from year to year.

Our able city clerk, Oscar Peterson, and his assistant, Miss Helen Klomparsen, are on the job early and late and then they come time short. Zeeland is not nearly as large as Holland. There are no light and power bills to collect which is a tremendous task alone for the treasurer. Holland collects taxes twice a year and the volume compared is much greater. Zeeland collects taxes but once a year.

COLORED PLAYERS TO BE AT ZEELAND

Coach W. H. Vande Water of the Stalkamp basketball team of Zeeland received word this week from Dr. Robert Redd, manager and coach of the Wolverine Big Five, colored quintet, from Grand Rapids, that the Wolverines are ready to fulfill a previously defaulted engagement on next week, Thursday night, January 25.

CENTRAL PARK

William Helmink, 67, died Friday at his home in Central Park. Mr. Helmink, who was born September 4, 1866, in Overisel, was a prominent fruitgrower and lived in Park township 60 years. He was a member of Central Park Reformed church.

Surviving are the widow; three sons and one daughter, Henry, Harold and Willis of Central Park, and Mrs. Luke Vredveld of Grand Rapids; one brother, John of Central Park; one sister, Miss Minnie Helmink of Overisel, and four foster sisters.

Funeral services were held Monday afternoon at 1:30 o'clock at the home and at 2 o'clock at Central Park church. Rev. F. J. Van Dyk officiating. Burial took place in Graafschap cemetery.

The annual meeting of the local congregation was held Tuesday evening for the purpose of electing elders and deacons and receiving financial reports of the treasurers. It was voted to increase the number in the consistory from ten to twelve so that three elders and four deacons were to be chosen at this time. Those whose terms of office expired are: Elders Dick Miles and Thomas De Vries, and Deacons B. J. Rosendahl, Floyd Boerema and William Appeldorn. Those elected to office are: Elders Dick Miles, Edward Kiemel and Harry Van Huis, and Deacons Jacob H. De Pree, George De Vries, James Cook and William Appeldorn.

It was pointed out in the treasurer's report that due to a substantial reduction in the pastor's salary the church has been able to get along without aid from the Board of Domestic Missions.

The treasurer's reports all showed a balance in the treasury, bills paid and money impounded in the various banks in the city. Refreshments were served by the wives of the consistory members, and a social hour enjoyed by all present.

The annual meeting of the Senior Christian Endeavor society was held Monday evening at the church. The following were elected to office: President, Rudolph Frundt; vice president, Leon Van Dyk; secretary, Ann Jane Van Dyk. Mr. Atkinson also said that with the Century of Progress opening again this summer the attendance at the market will undoubtedly approach and possibly surpass the record of last summer.—Chicago American.

North Ottawa Man Shot and Killed Self

WIFE IS BLIND AND QUARREL OVER DAUGHTER'S LOVE MATCH ENTERS IN

Conrad Rauber, age 64, living two miles northwest of Conklin, north Ottawa County, shot and killed himself at his home with a 16-gauge shotgun. The wife, an invalid who is blind and deaf, and a neighbor who was attending her were the only ones in the house at the time.

Coroner Govert Van Zantwick and Sheriff Ben Rosema were called and investigated. Coroner Van Zantwick pronounced the death a suicide and no investigation was thought necessary. According to the officers the man had had family difficulties over a daughter, Edith, who was keeping company with a man the father did not like and did not approve. He had also had similar difficulties over another daughter, who is not living at home, and his death is believed to be due to despondency over these several matters as well as the stressful times we are passing through.

A son, Charles, 36 years old, was home at the time. He had been told to go to the barn by his father, who later went into the bedroom and shot himself. The son notified the officers at Grand Haven and they hurried to the scene.

The officers were told by the family that the father had made threats that he would kill the young man in question unless he quit keeping company with his daughter. The couple are said to think much of each other but the father had a notion to oppose the match and had kept the shotgun loaded in his bedroom. He had been drinking heavily for several days, they said, and early in the morning had gone to the basement and taken several drinks.

Surviving is the widow, Elizabeth, and the following children: Charles, 36; James, 37, who left home in 1923 and has not been heard from since; Susie, 28, living away from home and Edith, 23, at home.

Officers returned to the Rauber home to make an investigation of family conditions.

HOLLAND ARCHITECT PLANS MANISTEE COURTHOUSE

Don Laskie, Grand Rapids architect, who has offices in Holland, has signed an agreement with the building committee of the Manistee county board of supervisors to draw up plans for construction of a courthouse at Manistee under the CWA.

The board of supervisors will meet Jan. 22 for final approval of the plans. The building would be of brick and stone, costing \$150,000, according to Mr. Laskie. Two stories and a basement are planned, the courthouse to be erected on the site of the present county building at Manistee.

Mr. Laskie also appeared before the Holland Common Council recently to suggest plans for a new fire station in the Fifth Ward.

ANOTHER HOLLAND CHURCH DROPS ITS SERVICE IN DUTCH

Prospect Park Christian Reformed church has marked complete transition from Dutch to English by eliminating the Sunday afternoon service in the Holland language. Four local churches in the denomination now hold all their services in the English language. Central Avenue church still conducts four Sunday services, two in Dutch and two in English and Sixteenth Street church has one Dutch service.

Prospect Park church was organized as a Dutch speaking congregation in 1907 in the old Fifth ward schoolhouse. A modern church was dedicated in 1922.

Funeral services for Mrs. John Van Dyke, 69, who died Sunday evening at her home in Holland township on the extension of West Sixteenth street, were held Wednesday afternoon at 2 o'clock at the home. Burial took place in Pilgrim Home cemetery.

Mrs. Van Dyke, who was born in The Netherlands, was a resident of Holland for 27 years. Mrs. Van Dyke is survived by her husband; three sons, Albert of St. Marys, Ohio; Arthur J. and John William of Holland; and two daughters, Mrs. John Schutte and Mrs. Cornelia Santora of Holland. Fourteen grandchildren, 3 brothers and 1 sister in The Netherlands also survive.

FINAL RITES HELD FOR JOEKE WIERMA

Joeke Wierma, 73, of 146 Fairbanks avenue died early Monday morning following an illness of four months. He was born October 26, 1860, in The Netherlands and came to this country 62 years ago. He was a member of Central Avenue Christian Reformed church.

Mr. Wierma is survived by his wife and seven sons, Sam of Holland, Jacob of Grand Rapids, Dick and Janes of Milwaukee, Wis., George of Laketown and Martin and Nicholas of Holland; four stepsons and daughters, Isaac, Abraham and Martin De Boe and Mrs. Claude Meersma of Grand Rapids; 28 grandchildren; one great-grandchild; two sisters, Mrs. Nick Plagenhof of Holland and Mrs. A. Kniff of Grand Rapids; also one brother, Martin, of The Netherlands, survives.

Funeral services were held at 2 o'clock Wednesday afternoon at the home. Burial took place in Holland township cemetery.

Miss Clara Lucas entertained a group of friends at the home of her parents Monday evening in honor of her eighteenth birthday. Games were played and refreshments were served. Eleven guests were present.

HAVE A HEART, LEGION ASKS A BANDIT

The American Legion of Chicago sends out an appeal to two holdup men who robbed a disabled ex-service man of his army discharge, supporting affidavits for a compensation claim and 50 cents in cash. The victim was held up at Bloomingdale road and Winchester Ave. at 9 o'clock Tuesday night. L. R. Benston, department service officer, in sending out the appeal, says the veteran borrowed money in order to obtain the affidavits of former comrades to present at a hearing yesterday. The papers are of no benefit to anybody but their rightful owner.

Mr. Benston asks their return to the legion office at Hines, Ill.

DR. BENSON NAMED ON BODY AS OSTEOPATHIC COUNTY REPRESENTATIVE

(Grand Haven Tribune)

Dr. Robert E. Benson, local osteopathic physician, has been appointed to serve as the osteopathic representative on the county medical advisory committee of the federal emergency relief administration in Ottawa county. He received the appointment from Dr. E. E. Congdon, chairman of the state advisory committee of the Michigan Osteopathic Association. Instructions have been sent to the county administrators authorizing them to recognize services of this profession for those lines of activities which are now carried on in the community and to permit welfare families in need of medical attention to choose such service if they desire.

Dr. Benson has recently established offices in this city.

HOPE TO MEET ALMA QUINTET FRIDAY NIGHT

The Hope college basketball team will meet Alma college in the outstanding game attraction this week on Thursday evening. Holland Flying Dutchmen will meet the Peter Pan Harriers of Kalamazoo in the other half of the double header on the armory court.

The undefeated Holland Christian high quintet will meet St. Augustine of Kalamazoo in another feature attraction on Friday evening. The game will be played in the armory. The Christian tusslers go to Saugatuck Wednesday for a return game. The local five won the opener here, 28 to 10.

Holland high school plays Muskegon Heights in an out-of-town game Friday evening, the fourth Southwestern conference contest for both teams. Both schools have lost three league games this season. On the same evening the Flying Dutchmen will go to Kalamazoo for the second game in two days with the Peter Pan Harriers.

GAS FUMES FROM COAL STOVE NEARLY CAUSES DEATH FOR TWO

Mr. and Mrs. J. H. Gebben, Sr., of Borculo, north of Zeeland, have recovered from an experience which might have proved fatal had not their summons for aid been answered by a quick response of their son, John, who came to the rescue just in the nick of time. Mr. Gebben awoke with a distressed feeling and told his wife that he felt as if he would soon pass away. She told him to summon help by means of their telephone. However, this he was unable to do so and lapsed into unconsciousness. Mrs. Gebben noticed this and frantically tried to reach the phone. She succeeded in calling her son whose telephone is connected on the same party line, and as luck would have it, he was awake at the moment the alarm was given. He hurried over to find both father and mother overcome by the gas fumes from a coal stove. By raising windows and opening doors, causing a circulation of fresh air, the aged couple soon revived but the rescue came none too soon. The Gebbens have now nearly recovered.

ONE OF HOLLAND'S TWO VETERANS TO CELEBRATE

John R. Douma, sole survivor of the 24th Michigan infantry and one of two surviving veterans of the Civil war living in Holland, next Saturday will mark the eighty-seventh anniversary of his birth. He came here from The Netherlands in 1857.

Douma was one of five boys who voluntarily substituted for five married men drafted for service. He stood vigil over the body of President Lincoln at the tomb.

Douma returned to Holland in 1865 and went back to the farm. The home and other buildings were destroyed in the fire of 1871, which swept Holland and vicinity. He built a new home, married in 1872, became father of ten children and finally located in Holland, retiring after a service of 18 years as caretaker of First State bank.

Miss Ellison, a sophomore, was also voted the first prize of \$3 in her class.

Senior and junior class winners at Holland high school were Charles Bertsch and William De Groot, respectively. Second prize of 10 pounds of sugar each will be presented to the following: Peter Veltman, Betty Chapman and Virginia Allen.

60 ATTEND WESTERN SOCIAL CONFERENCE

The Western Social Conference which convened in Fourth Reformed church Tuesday was attended by sixty representatives of the four Michigan classes of the Reformed church.

Rev. Henry Van Dyke, pastor of Fourth Reformed church and president of the conference, presided at the meetings. At the morning session Rev. Henry Schepers of Grand Haven gave an address on "As to Being a Christian." Luncheon was served at 12:15 o'clock by the members of the Fourth Reformed church Ladies Aid.

In the afternoon Rev. Lawrence Borst of South Blendon read a paper on "Worldliness in the Church—Its Cause and Cure." A discussion followed.

Mrs. William Kruithof of Graafschap was honored Sunday afternoon when relatives and friends gathered in celebration of her eighty-seventh birthday.

The Welcome Corner class of First Methodist Episcopal church will meet this Friday evening at the home of Mrs. Mabel Pippel, 62 West Twelfth street.

ATTENTION! FOR HEALTH'S SAKE

January 15, 1934.

There is scarlet fever, pneumonia and influenza (mild cases of flu) in neighboring cities. Can we avoid these contagious and infectious diseases by exercising due care? People are advised to give heed to the following simple rules of health:

- 1.—Keep fit. Sleep ten hours a day, if possible.
- 2.—Do not over-eat and drink plenty of water.
- 3.—Avoid crowds and crowded places.
- 4.—Take care of so-called colds.
- 5.—Parents: Do not needlessly expose other children. If your child sneezes or coughs, isolate him for a few days.

Hospital at Zeeland Serve Fewer Patients

BOTH INCOME AND EXPENDITURE DECREASE IN FISCAL YEAR BUT COST INCREASES

(Zeeland Record)

Although the Zeeland hospital, the Dr. Thomas G. Huizinga Memorial Hospital, was not self-sustaining and again closed its year with a financial loss in its operating account, its continued success as a local institution is assured because of its continued patronage and the good will of the community in which it is situated. In past years the deficiency in its revenue has been liberally subscribed voluntarily and there is good promise that those able and loyal citizens of the past will again step into the breach when the need arises.

As in all other lines of endeavor there has been some decrease in totals in every department except that of unit cost, in which there was an increase. A few comparative figures for the past four years may be of interest to the general public. Giving the figures for the last four years will show the condition of the institution in definite terms:

Patients using rooms and wards in 1930 were 203; 1931, 184; 1932, 214; 1933, 149. Patients not using rooms or wards—1930, 41; 1931, 36; 1932, 51; 1933, 54. Total number of patients treated: 1930, 244; 1931, 220; 1932, 265; 1933, 203.

Total days service in wards, rooms, and nursery: 1930, 2394; 1931, 1937; 1932, 1935; 1933, 1220 1/2.

Average number of days per patient: 1930, 12; 1931, 10 1/2; 1932, 9; 1933, 8.

Average number of patients each day: 1930, 6.5; 1931, 5.25; 1932, 5.25; 1933, 3.4.

Average daily earnings from each patient, not including operation room, X-ray machine, medicine, etc.: 1930, \$3.89; 1931, \$3.21; 1932, \$3.295; 1933, \$3.51.

Average cost per day for all patients: 1930, \$5.89; 1931, \$5.62; 1932, \$4.84; 1933, \$5.61.

The total revenue from all the sources except voluntary contributions for the four years was: 1930, \$11,930.65; 1931, \$5,167.46; 1932, \$9,016.43; 1933, \$5,778.14. The total expenditures were: 1930, \$14,117.17; 1931, \$10,889.78; 1932, \$9,364.33; 1933, \$6,844.71, leaving the following deficiencies: 1930, \$2,186.52; 1931, \$2,721.32; 1932, \$347.90; 1933, \$1,066.57.

Salaries and labor have dropped in greater proportion than other expenditures, as follows: 1930, \$8,019.28; 1931, \$6,557.21; 1932, \$5,507.16; 1933, \$3,868.54.

The accounts receivable show a total of \$1,753.23, and the accounts payable are placed at \$1,522.20, in each case a considerable increase over the previous year. The fiscal year closes on November 30th.

FORTY PER CENT MORE CIRCLING THE GLOBE

A big "round-the-world" cruise left New York last week to return four months hence.

The passenger list was forty per cent greater than it was for the same cruise last year.

Mark that up as one sign-post pointing toward prosperity. It may be a small sign, but at least it is not pointing the wrong way.

3RD MAN WOULD BE HOLLAND TREASURER

A third candidate for city treasurer is in the race. He is Henry J. Beckfort, who has lived here since 1914 and has been in charge of the cost, time and purchasing departments at the Ottawa Furniture company.

Others who have filed petitions for the office are J. F. Van Dyke and John H. Meyer. Nicholas Spruiet, serving his fourth consecutive term, is ineligible under the charter for re-election.

MEETS WITH SUCCESS IN WORK AMONG INDIANS

J. C. Ottipoby, who recently left Holland, Mich., for Medicine Park, Okla., to engage in missionary work, is meeting with unusual success in his efforts to advance the cause of Christianity among the Indians. A new church is being built to meet the needs of the community. During his career at Hope College, Ottipoby majored in athletics. Mrs. Ottipoby is a Holland girl.

Grand Haven Tribune Tells of Holland Games

GRAND HAVEN TAKES OVER THIRD PLACE IN S. W. LEAGUE CAGE RACE

(Grand Haven Tribune)

Returning to the form that won a game from Muskegon Heights several weeks back, Grand Haven High school's basketball tusslers entered the lair of the Holland Dutchmen Friday night and came home with a convincing 26 to 11 victory. The local Reserves also won, 22 to 18.

It was the first meeting between the two teams and the first home game for the Hollanders. Grand Haven took over third place in the Southwest conference standings behind Kalamazoo Central and Muskegon, who won their games last night and remain in a tie for first place. Muskegon and Kalamazoo meet next week while Grand Haven goes to Benton Harbor and Holland visits Muskegon Heights.

Dirksee, Runk and Kueken counted on pot shots from the charity area in the first 2 1/2 minutes of the game last night to give the locals a 6-0 lead. In the remaining 5 1/2 minutes of the first quarter Holland failed to score and Grand Haven had a 7 to 0 lead. This was increased to 10 to 3 in the second quarter.

Holland, with only one boy, Ben Bos, left over from last year's team, has a decidedly green outfit this year. Last night the Jerry Breen charges missed many shots and had great difficulty in locating the basket. Bos, who is one of the high scorers in the conference, was held without a field goal. De Groot, a forward, was the only Hollander who connected from the floor; he made three baskets.

Chuck Dirks was left alone several times under the basket and made four goals, all close in. He was aided by Kueken, acting captain last night, who made two goals and three free throws. Runk played a good floor game and Hanson, who replaced Runk, came into the game in the final period and made four points.

Grand Haven's basketball Reserves marked up their sixth successive victory this season last night by beating a green Holland second team in a prelin on the Holland Armory floor, 22 to 18.

The local reserve team will play Fruitport next Friday night. Bosworth's veteran second team had tough sledding through most of the game last night. The Havenites took a 11-7 advantage at the intermission but Holland took the lead at 14 to 11 early in the third period.

Several substitutions were made by Bosworth in the last quarter and this seemed to pep up the play. Jolderma's defensive play stood out as did Van Stratt's while Maddox, a freshman, showed real promise at forward. Sluka led the local scorers. Whitefeet was high for the tusslers.

OTTAWA FORMER SHERIFF GOES THROUGH ICE, SAVED

Grand Rapids Press—Cornelius J. Dornbos, former sheriff of Ottawa county, Saturday shiveringly acknowledged his debt to John Fleiman and eight unidentified fellow fishers who rescued him Friday afternoon from the icy waters of Black Lake.

Dornbos was fishing through a hole in the ice about 200 feet off shore, when the sheet broke beneath his weight. He clung to the crumbling edge until Fleiman, fishing nearby, could push a sled with in reach. Then Fleiman and the other fishers formed a human chain and pulled Dornbos to safety.

Dornbos lost all his equipment and a mess of fish he had caught.

The Women's Christian Temperance Union met Friday afternoon in the Woman's Literary club. Mrs. W. E. Van Dyke, president of the organization, presided.

Mrs. E. A. Whitman was in charge of devotions which opened the meeting. Two piano solos were ably offered by Miss Ruth Van Oss.

"Alcoholic Education" was the subject of Miss Henrietta Zwemer's address. Mrs. Fred T. Miles followed by a talk on "Citizens Responsibility—Christian Citizens Responsibility." Then Mrs. C. Van Duren read "Challenge to Youth," by Helena Burns, after which Mrs. Van Dyke gave a talk. At the close of the program Mrs. Albertus Pieters spoke briefly on the Frances Willard home in Evanston, Illinois, the national home of W. C. T. U.

Following the program tea was served by a committee consisting of Mrs. G. Tyse, chairman; Mrs. H. Johnson and Mrs. George Elferdink.

New officers were installed at the recent meeting of the Women's Relief Corps in the G. A. R. room of the city hall following a 1 o'clock luncheon. The following officers were installed by Mrs. Clara Dekker: Mrs. Winnie Watrous, president; Mrs. Margaret Lindberg, senior vice president; Mrs. Blanche Harbin, junior vice president; Mrs. Mae Hiler, treasurer; Mrs. Clara Elferdink, secretary; Mrs. Jennie Damson, guard; Mrs. Edith Mooney, assistant guard; Mrs. Clara Dekker, conductor; Mrs. Minnie Van Bemelen, assistant conductor; Mrs. Clara West, musician; Mrs. Mary Tariff, patriotic instructor; Mrs. Mae Bernard, press correspondent; and Mrs. Bertie Dekker, Mrs. Retta Orr, Mrs. Mary Was and Mrs. Harriet Hadden, color bearers. Mrs. Margaret Markham, retiring president, was presented with a gift by the group. Mrs. Markham then presented bouquets of flowers to Mrs. Dekker, Mrs. West and Mrs. Van Bemelen. Twenty-eight members were present.

Mr. and Mrs. J. Klingenberg entertained the boys of Mr. Klingenberg's Sunday school class of Maple Avenue Christian Reformed church with a chicken supper at their home last week, Wednesday evening. Place cards consisted of pairs of wooden shoes, the name of a member being engraved on each. Games were played. Eleven members were present.

Mrs. Anna Van Drezer of East Tenth street entertained the Past Presidents' club of Holland chapter No. 429, Order of the Eastern Star, at her home last week, Thursday afternoon. Following a short business meeting a social hour was enjoyed and refreshments were served. Ten members were present.

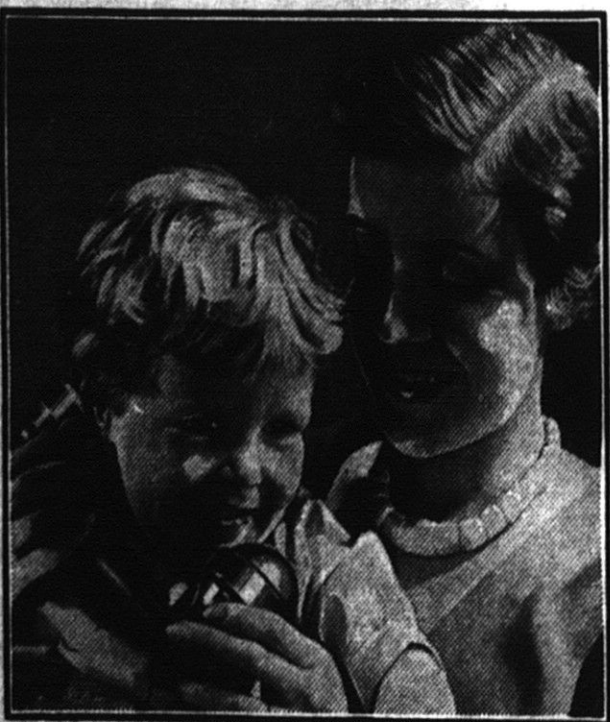

Mrs. Glen Mooney entertained with a miscellaneous shower at her home recently in honor of her daughter, Miss Frances Mooney, who will be a January bride. Games were played and prizes were awarded to Mrs. Hazel Rutgers and Miss Ada Dykstra. Dainty refreshments were served. Twelve guests were present.

Mrs. Ernest H. Post entertained with a shower at her home recently in honor of Miss Elinor Weststrate, who will become the bride of Ray Phillips of Dowagiac.

FOREST GROVE

Theodore Pikaard, 60, died Saturday morning at his home in Forest Grove, where he has resided for many years. He is survived by his wife, three sons, John and Edward of Grand Rapids; Morris of Forest Grove; two daughters, Mrs. H. L. Collins of Grand Rapids and Miss Lois at home; two brothers, Leonard of Forest Grove and Cornelius of Beverly, also survive. Funeral services were held Tuesday afternoon at 1 o'clock at the home and at 1:30 o'clock at Forest Grove church, Rev. J. Wolterink officiating. Burial took place in Forest Grove cemetery.

Debaters Plan Contests With Many Colleges

The men's debate squad, under the management of Chris Walvoord, is planning a busy season. Before February 16, the debaters will participate in twelve inter-collegiate contests, including several important league debates.

On Thursday, January 18, the local affirmative team will meet the negative team of Michigan State college before the County Grange at Allegan. This contest will be the first decision debate of the year, and the audience will be given the opportunity to name the winning team.

On Friday, January 19, the same affirmative team will oppose Kalamazoo College in a debate at Martin.

Prof. D. Ritter, debate coach, announces that Ralph Danhof and Joe Esther will be the local squad members to represent Hope in these debates. The topic for discussion will be the regular league question: "Resolved, that the powers of the president of the United States be substantially increased as a settled policy."

The following week, on Tuesday, January 23, the negative team will debate Calvin College in a decision affair to be held at Hope. The debate will be held in the chapel on Tuesday afternoon. On Friday, January 26, the affirmative team will travel to Calvin for a return engagement.

Following these debates with Hope's ancient rival, the squad has scheduled contests with Western State Teachers' College, Olivet College, Michigan State College, Battle Creek College, the College of the City of Detroit, and the Detroit Institute of Technology. The season will be climaxed by a state debate tournament to be held on the campus of the College of the City of Detroit on the week-end of February 16. The manager has arranged debates with five different colleges for the squad at this tournament.

In preparation for league debates, Prof. Ritter has divided the squad into two affirmative and two negative teams. Henry Kuizenga and David De Witt work together on one negative team, and Chris Walvoord and Ekdal Buys pair together on the other team. On the affirmative Joe Esther and Ralph Danhof make up one team, and Richard Smith and James Beek work together on the second team.

Dr. Kleinheksel Visits National Science Meeting

While in Boston during the Christmas holidays, Dr. J. Harvey Kleinheksel attended several meetings of the Chemistry Section of the American Association for the Advancement of Science, which held its annual meeting at Harvard University this year. Governor Ely of Massachusetts and President Karl Taylor Compton of Massachusetts Institute of Technology welcomed the guests in behalf of

Drama Class Selects "Ladies of the Jury" for 1934 Production

The drama class has chosen for its annual production a play by Fred Ballard, Ladies of the Jury. The play will be given in the early part of March under the direction of Mrs. W. H. Durfee, professor of dramatics at Hope.

The entire plot of the play, Ladies of the Jury, is concerned with the trial of Mrs. Gordon for the murder of her husband. The entangled affairs of the six men and six women on the jury during the three days and two nights spent in the jury room are most interesting.

Announcements of the try-outs for the twenty-four characters of the play will be given by Mrs. Durfee some time this week.

the Boston institutions who acted as hosts. Among scores of papers read in all branches of science, some of the most interesting in chemistry dealt with the extent of the uses of nitrogen fixation processes in the preparation of nitrogen compounds and with the manufacture of plastics and synthetic resins such as Bakelite, Redmanol, and the more recent Beetleware. Dr. Robert Andrews Millikan, of the California Institute of Technology, exhibited stereopticon slides that made visible in three dimensions the paths of protons and electrons knocked out of the nucleus of the atoms by cosmic rays.

Dr. Kleinheksel also visited two Hope alumni—Dr. Fred Yonkman, '25, who is teaching and doing research work at Boston University, and Roger Voskuil, '32, who upon graduation, was awarded a graduate assistantship in chemistry at Harvard University. Dr. Yonkman is at present interested in the action of various drugs on the alimentary tract, particularly in their relation to peristalsis. Roger Voskuil is continuing his graduate work and research in a new and splendidly equipped science building at Radcliffe College, the women's division of Harvard University. Mr. Voskuil has indications that pure water from various sources may vary in density and is building an elaborate glass apparatus to investigate this problem more thoroughly.

Prizes Offered In Varied Fields Of Study

Every year Hope college offers several prizes for outstanding work in various phases of activity for which most of the college students are eligible. In previous years many students have taken advantage of these contests, some being so fortunate as to win two or three prizes in one year. Although some of the prizes offered before have been withdrawn this year, there are still many contests open to student participation.

The Bible department offers a prize for the best essay in each of

the Bible classes. The freshman and junior essays for this year were handed in on January 3. The sophomore essay on "Timothy, a Servant of Christ," and the senior essay on "How Archeology Has Confirmed the Reliability of the Bible," are due on May 1, 1934.

The George Birkhoff, Jr., literature prizes of \$25 each are offered for the best English literary essay and the best Dutch essay. The subjects assigned by the faculty for the English essay is "Tennyson, as Mid-Victorian," and for the Dutch essay, "Jacob Van Lennep, Leven en Werken."

For those interested in forensics there are two prizes, the Dr. J. Ackerman Coles debating prize of \$25, and the A. A. Raven prize in oratory of \$30 for first place and \$20 for second place. The latter are awarded to the winners of the Raven Oratorical Contest held each year in April. The winner of the first prize represents the college at the annual contest of the Michigan Oratorical League.

A foreign missions prize of \$25 is awarded to the student writing the best essay on foreign missions. Finally, the interest of the sum of \$500, donated to the college by Almon T. Godfrey, is awarded to the senior having the best record in chemistry.

In addition to these prizes, three medals are awarded each year at commencement. The Southland medal is awarded to the young woman who "has maintained the highest standard of all-around scholarship, character, and usefulness during the four years of her college courses." The Dr. Otto Vande Velde award goes to the young man with the highest attainment in scholarship and participation in college activities. The Adelaide Missions medal is given to the member of the senior class who goes directly from the college to the foreign field.

Arranges Party

The Sophomore class will hold its annual winter party this week Friday night at 7:15 P.M., January 19, at the Virginia Park skating rink. This party has been planned in response to the popular demand for this type of entertainment.

Ralph Danhof, chairman, Mina Becker, Betty Goehner, and Ivan Roggen are the members of the committee in charge of the arrangements. Vera Damstra will take charge of refreshments, John Henderson will take care of the publicity work, and James Weurding will arrange transportation for the outside students.

Party plans include a grand march, a hockey game, a balloon race, and several other contests. The committee has secured an orchestra for the evening. The party will begin at 7:15 P.M. and students who can provide or need transportation are to meet in front of the chapel at 7:15 P.M. Admission to the party will be 35 cents, which must be paid to David Laman or Ruth Fisher before the students will be admitted to the party.

The committee has decided to permit members of the class to invite friends, other than sophomores to accompany them to the party. Guests, however, are also required to pay the regular admission price. The committee has made arrangements for an attendance of sixty students.

Miss Shirley Payne and Miss

Agnes Tyse have agreed to serve as skating godmothers for the evening.

Hope Students Attend Banquet of Holland Nat'l Honor Society

Fourteen Hope College students who are graduates of Holland High school, last Wednesday night attended the annual banquet of the Holland chapter of the National Honor Society at the Methodist church. President Sherwood Price acted as toastmaster, and Calvin Vander Werf of the Hope freshman class was the principal speaker.

At the election of officers held immediately afterwards, the offices were filled by Hope students. Calvin Vander Werf replaced Sherwood Price as president, Frank Visacher replaced Marian Luidens as vice president, and Esther Harris succeeded Margaret Dregman as secretary and treasurer.

In keeping with the high caliber of the society's members, the central games of the evening, according to custom, were "Farmer in the Dell" and "Marching to Jerusalem."

Hope Musicians Sing In Concert at Grand Rapids

Combined into a mixed chorus of about 100 voices, the Hope College chapel choir and college glee clubs, under the direction of Mr. Curtis Snow, who has planned the concert with Mrs. W. J. Fenton, will assist the Grand Rapids Symphony Orchestra at its concert on March 15 in the Grand Rapids Civic Auditorium.

At present, all three organizations are also preparing for their own concerts. The two glee clubs will give their programs as usual in the spring and the chapel choir some time earlier.

Joseph Brinkman will be the guest soloist at the choir's concert. He is a graduate of the American Conservatory of Music, is assistant professor of piano at the University of Michigan, and has appeared with the Chicago Symphony Orchestra. Students will remember him as the solo pianist who played in Beethoven's "Triple Concerto" for the concert of the University of Michigan symphony orchestra which was given here in the Memorial chapel on December 11.

College Societies Elect Officers For Term

Seven of Hope's societies, the five men's and two of the women's, have elected officers to serve during the winter term of twelve weeks. In the other three societies, Sibliene, Dorian and Alethean, elections will take place later, since in these the term of office corresponds with the college semesters.

Under the leadership of Miss Metta Ross a club has been organized to revive interest in women's debate. The group held its first meeting Wednesday evening, January 10.

Plans were made for an informal debate to be given before the group at its next meeting, Wednesday, January 24. The debate topic will be: "Resolved, that the Women's Societies Should be Abolished at Hope College." Marian Wray will present the affirmative, and Catherine Haig will defend the negative side.

This club has been organized by a group of girls who are interested in debate, and who wish to have an opportunity to participate in practice debates. Hope is no longer represented in the women's debate division of the Michigan Speech League and this organization is designed to take its place. Miss Ross, coach and adviser, reports that a great deal of interest has been displayed in this project.

Common Council

Holland, Mich., Jan. 4, 1934.
The common council met in special session pursuant to adjournment.
Present—Mayor Bosch, Aldermen Prins, Kleis, Drinkwater, Wolman, Van Zoeren, De Cook, Steffens, Habing, Huyser, Jonkman, Thomson, Van Lente. In the absence of the clerk, Alderman Jonkman was appointed temporary clerk.

The mayor stated that the meeting had been called for the purpose of taking up the matter of remodeling No. 1 Engine House so that it can be used as a combined Engine House and Police Department headquarters. Mr. Henry Geerds, chairman of the police and fire board, presented to the council the proposed addition that their board felt would be desirable to make. A sketch and plans were presented by Mr. Geerds which called for an expenditure of approximately \$9,000. The proposal as outlined called for a material cost of 25 per cent of the total cost.

Carried.

After some discussion on the matter, and on motion of Alderman Jonkman.

Resolved, that the recommendation of Mr. Geerds on behalf of the police and fire board be approved, and

Resolved further, that an application be made to the local county commission for approval of these plans as a CWA project, and

Resolved further, that there be no further cost to the city on this project but that the material cost must stay within the 25 per cent of the total cost in order that it be approved by the county and state commissions.

Carried unanimously.

Motions and Resolutions.
On motion of Alderman Drinkwater, seconded by Van Lente.

It was ordered that all moneys received for salvage in the wrecking of the former Ottawa Furniture Factory plant be turned over to the city treasurer.

On motion of Alderman Prins, seconded by Jonkman.

The clerk was authorized to apply to the county commission for approval of the plans for the construction of a new engine house as a CWA project at a total estimated cost of approximately \$20,000 in accordance with the plans submitted by the board of police and fire commissioners.

Carried.

On motion of Alderman Jonkman, seconded by Habing.

Resolved, that the committee on public buildings and property be authorized to receive bids for furnishing the welfare rooms on the third floor of the city hall.

Carried.

OSCAR PETERSON,
City Clerk.

COMMON COUNCIL

Holland, Mich., January 3, 1934.
The common council met in regular session and was called to order by the mayor.

Present—Mayor Bosch, Aldermen Prins, Kleis, Drinkwater, Wolman, Van Zoeren, De Cook, Steffens, Habing, Huyser, Jonkman, Van Lente and Thomson.

In the absence of the city clerk, City Attorney Lokker acted as temporary clerk.

Devotions were led by Rev. D. Zwier.

Minutes of last regular and special meetings considered read and approved.

Petitions and Accounts.
The clerk presented operating report of the gas company for October, 1933. Referred to board of public works.

The clerk presented applications for building permits to be approved by the council.

Granted.

The clerk presented communication from Property Owners' League requesting information on progress that is being made in combining city and school elections. City attorney reported that elections cannot be combined under the present state law.

The clerk presented petition from the Holland Merchants' association requesting that the city and board of public works take over equipment in connection with the Christmas decorations; also have the city and board of public works pay for expense of light and maintenance in future.

January 3, 1934.
To the Honorable Mayor and
Common Council of the
City of Holland.

Gentlemen:

During the past few years the merchants along Eighth street and River avenue have been faithfully paying for light and maintenance of the Christmas decorations that have been an outstanding advertisement to the City of Holland as a whole. The equipment belongs to the merchants of Holland and has been practically paid for to the city.

Because of the stressful period, it has been difficult to secure an equal share from all merchants. This year has been exceptionally difficult. We would like to prevail upon your honorable body and upon the board of public works of this city, asking that the city continue this Christmas feature in the future, installing and maintaining these Christmas lights. The merchants in turn will give to the city all the equipment used in the past which has been practically paid for by the merchants as a body.

The display is something that benefits the entire city as an advertisement to the guests in our city during the holiday season, and is also a pleasing feature to the home folks. The Holland merchants are the target throughout the year for all manner of donations and contributions and we feel and hope that your honorable body and council will continue this Christmas decorations in the future.

Thanking you for all past consideration, we remain,
Mutually,
HOLLAND MERCHANTS' ASSN.
CHARLES VAN ZYLEN,
President.

THAD TAFT,
Secretary.

Referred to ways and means committee to be taken into consideration when budget is prepared.

The clerk presented petition signed by several citizens for an ice pond to be constructed on Van Ransle avenue between Fifteenth and Sixteenth streets; also off Washington avenue between Twen-

ty-second and Twenty-third streets.

Original motion provided that it be referred to playground commission with power to act. However, a substitute motion was adopted that the matter be dropped for the time being.

Reports of Standing Committees.
The street committee to whom was referred the petition for paving of East Twenty-fifth street from State to Columbia avenues, reported having investigated the matter and recommended that same be denied.

Adopted.

The claims and accounts committee reported having examined claims in the amount of \$12,898.58, and recommended payment thereof.

Allowed.

Reports of Select Committees.
The municipal dock committee, to whom was referred the matter of making a further study of the municipal dock project, presented a report and estimate of cost of such municipal dock to be constructed with CWA or other federal funds. Said committee reported recommending that the Ottawa furniture factory property be chosen as the grounds for the construction of such dock and since it is the most suitable and available site.

The report further provides for a 40-foot drive to be connected with a warehouse having 40,000 square feet of floor space. The total estimated cost of such project was \$212,950. Also that there will be no expenditure to the City of Holland for this project, same to be paid for by CWA funds.

On motion of Alderman Habing, seconded by Jonkman.

Resolved, that the report of the municipal dock committee be adopted, and that the city engineer be authorized to employ assistance at an expense of not to exceed \$300.

Carried unanimously.

Henry Geerds, chairman of the police and fire board, appeared before the council and recommended the remodeling of engine house No. 1 so that it can be used for a combined engine house and police headquarters.

Presented by Mr. Geerds, called for an expenditure of approximately \$8,000, such work to be done as a CWA project. It was the contention of Mr. Geerds that the material cost could be kept within the 25 per cent so that there will be no cost to the city on such a remodeling program. After some discussion, it was moved by Alderman Habing, and seconded by Alderman Jonkman.

That the matter be tabled until the following day when a special meeting should be held at 5 p.m.

Temporary clerk Lokker reported to the council that a tax bill had been received from the Holland township in the sum of \$115.79 for the 1933 taxes on the former airport property on East Sixteenth street. He further reported that he had received a ruling from the attorney general's office to the effect that this property could not be considered tax exempt.

Accordingly City Attorney Lokker felt that it would be necessary for the city to pay these taxes.

However, on motion of Alderman Van Zoeren, seconded by Alderman Thomson.

The matter was tabled for the time being for further investigation.

Communications from Boards and City Officers.

The claims approved by the library board in the sum of \$117.46; hospital board, \$2,809.48; park and cemetery board, \$2,045.51; police and fire board, \$745.86; board of public works, \$11,667.87, were ordered certified to the common council for payment. (Said claims on file in the clerk's office for public inspection.)

Allowed.

The board of public works reported the collection of \$48,542.19; city treasurer, \$49,439.48. Accepted.

The clerk presented a communication from the board of public works in which they offer the City of Holland \$1,500 for a piece of property on East Sixteenth street to be used as a site for the construction of a new warehouse as a CWA project.

Accepted.

Motions and Resolutions.
Alderman Drinkwater reported that the fence along the Tannery creek was being broken down and was dangerous to the public.

On motion of Alderman Prins, seconded by Wolman.

Referred to the alderman of the Second ward.

A substitute motion was made by Alderman Drinkwater, seconded by Alderman Wolman.

That the city attorney be instructed to notify the property owners of the dangerous condition and instruct them to repair same.

Adopted.

Adjoined.

OSCAR PETERSON,
City Clerk.

DELICT REPORTED OFF FRANKFORT BY CARFERRY

The 10th District U. S. Coast Guard office was notified through radio sent from Frankfort via the cutter Escanaba, that the coast guard crew from that port had sighted a derelict 20 miles off port which had been reported by the carferry Ann Arbor No. 6.

The message stated the crew got to the wreck and found it to be the stern of a large tug. The name was not reported as the crew was unable to tow it in. The derelict was left.

Efforts will probably be made to tow it out of the traffic lanes and beach it somewhere.

Miss Marjorie Last entertained a group of friends at the home of Mr. and Mrs. Ray Hoek on West Fourteenth street last Saturday evening in honor of Miss Mary Boer of Grand Haven, who was her house guest for the week-end. The evening was spent in playing cards for which prizes were awarded. The hostess presented Miss Boer with a guest prize. Dainty refreshments were served. Ten guests were present.

OVERISEL
Mrs. Henry Folkert was pleasantly surprised at her home in Overisel last Tuesday evening by her brothers and sisters. The occasion was the fiftieth birthday of Mrs. Folkert. Refreshments were served, which was followed by a short talk by Mr. G. J. Brower. Mrs. Folkert was given several beautiful presents.

Those present were her parents, Mr. and Mrs. G. J. Brower; Mr. Richard Brower, Mr. and Mrs. George Brower and family, Mr. and Mrs. John Bartels and family of Hamilton; Mr. and Mrs. George Boks and family of Dunsmuirville; Mr. and Mrs. John J. Van Melle and family of Allegan; and Mr. and Mrs. Henry Folkert and family of Overisel.

Society Notes

The house furnishing committee of the Woman's Literary club will give a benefit bridge party for club members and friends on Friday, January 26, at 2 o'clock in the club rooms. Tickets will be sold by all members of the committee. Mrs. A. W. Wrieden is chairman of the committee and Mrs. W. L. Wismeier is assistant chairman.

The Adult Bible class of Bethel Reformed church held their quarterly meeting in the church parlors Monday evening. Thirty-six members were present. Following devotions a business session was held with Henry Sprick, president, presiding. The following officers were elected for the ensuing year: William Van Alsburg was named president; Tom Smeenge, vice president; Mrs. John Wolters, secretary; Peter Roels, treasurer, and Mrs. Jake Huizenga, assistant secretary and treasurer. Following the business meeting a program was presented. Mrs. Smeenge gave a reading and a duet was sung by Rev. and Mrs. C. A. Stoppels. Gerit Veltman made a few remarks. Rev. Stoppels, teacher of the class, was presented with a gift of money and after his response the meeting was closed with prayer by John De Groot. Refreshments were served by Mrs. W. Van Alsburg, Mrs. Henry Sprick and Mrs. Huizenga.

The county association of Odd Fellows will meet at 7:30 o'clock Saturday evening in the Odd Fellow hall on River avenue. A short business meeting will be held after which entertainment will be furnished by M. Van Pray of Illinois and his group of players. All members of the Odd Fellow encampments and Rebekahs are invited to attend.

Holland chapter No. 429, Order of the Eastern Star, will sponsor a "Down in Dixie" dance in the Masonic temple tonight, Friday, at 8:30 o'clock. Music will be furnished by Peterson's orchestra.

The Monica Aid society will serve an Italian supper at the Christian High school gymnasium on Friday, January 26, from 5 to 7 o'clock. Tickets may be obtained from Mrs. James Brink at 116 Thirteenth street, Mrs. Leonard Schadelee at 124 West Sixteenth street, Mrs. Albert Gebben at 55 East Seventeenth street, Mrs. John Vos at 36 West Seventeenth street or Mrs. Basie Nyboer at 21 East Twentieth street.

The young people of Prospect Park Christian Reformed church organized a choral society Monday evening. Practices will be held every Saturday afternoon from 3:30 to 4:30 o'clock. The following officers were elected: A. H. Muyskens was elected president of the group with H. Hietbrink as vice president; Miss Gertrude Van Hemert, secretary and treasurer, and Miss Katherine Dykema, librarian. Mr. Muyskens will be the

director and Miss Johanna Boersma is accompanied.

Friday, February 16, has been set aside as the World's Day of Prayer for missions. Plans for the local observance of this day will be made at a meeting of all representatives from the various churches of Holland and vicinity this Friday afternoon at 2:30 o'clock in Maple Avenue Christian Reformed church.

Approximately 150 members attended the annual congregational meeting of Third Reformed church Monday evening. Rev. James Martin presided at the meeting. The new elders are Peter Notter, Prof. A. E. Lampen, Fred Beuwkes, Edward Cotts and Albert Fassen. Ben Dalman, Cornelius Van Dyke, Theodore Du Mez, Henry Stekete and George Bloemendaal were elected. The annual treasurer's report was read by Jay De Koning and accepted. It was decided to donate to the Pine Lodge conference.

EAST SAUGATUCK
Mrs. Herman Fredericks, 54, of East Saugatuck died Saturday morning at Douglas hospital. She is survived by her husband and four children. Funeral services were held Tuesday afternoon at 1:30 o'clock at the home in East Saugatuck and at 2 o'clock at East Saugatuck Christian Reformed church. Burial took place in East Saugatuck cemetery.

SUNDAY DINNER SUGGESTIONS

By ANN PAGE
The household marketer should find it easy to provide her family with a varied diet and yet keep within her budget these days.

Meats are relatively low in price. Especially low even compared to last year is fowl for fricassee. Fish are not so plentiful nor low priced when the weather is cold or stormy as it is in summer but supplies are adequate. Vegetables continue to be plentiful and moderate in price. Spinach and string beans offer outstanding values. New cabbage and potatoes are beginning to come into market. Tomatoes are more plentiful than in recent weeks.

Strawberries are here. Grapefruit, oranges and apples, however, dominate the fruit market.

The Quaker Maid offers these three dinner menus.

Low Cost Dinner
Lamb Fricassee with Dumplings
Boiled Rice
Buttered Onions
Bread and Butter
Baked Cereal Custard with Raisins
Tea or Coffee

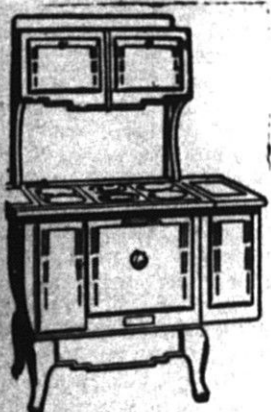

Medium Cost Dinner
Chicken Pot Pie
Sweet Potatoes
New Spinach
Currant Jelly
Bread and Butter
Chocolate Ice Cream
Coffee

Very Special Dinner
Bouillon
Roast Lamb with Mint Sauce
Green Peas
Browned Potatoes
Tomato Salad with Dressing
Rolls and Butter
Orange Spanish Cream
Coffee

CHEVROLET TESTS KNEE ACTION

One hears a great deal of knee action, supposedly started by the Chevrolet. There are even knee action dances now.

But the knee action in question is not one of flesh and blood but of steel, of springs, of plungers and other gadgets that have to do with automobiles.

Our old friend, W. R. Pemberton, who held open house at his Chevrolet Service on West Seventh street Saturday, showed your editor one of these knee action things on two new Chevrolets. The cars were beautiful and surprisingly reasonable. The knee action feature was not only practical but makes mighty smooth riding.

You've heard of a "boat within a boat" so to speak, that prevents seasickness because the interior boat keeps the passenger part on an even keel. This has not yet been universally adopted but by the same token the Chevrolet keeps the chassis of the new car on the even keel when rough roads are encountered as the above picture indicates.

The wheels on one side may be high when these strike an obstruction, but the car sails right along without a quiver or jerking or jumbling of the occupants. That's where the knee action comes in.

Attached to the frame is this device that buckles and gives through springs and knee action joints just enough to take up the slack and take out the bumps.

Pitch holes, rough roads or small obstacles in the road are not apparent to the occupant who is driving or riding in a knee action equipped automobile.

The new Chevrolet pictured in this issue gives some idea of the snappy lines, but to get a real favorable impression of this new General Motors product, it is well to call at the Chevrolet sales rooms on West Seventh street where the new cars are on exhibition. Undoubtedly these will also be at the auto show now in progress in the Civic Auditorium in Grand Rapids.
