## New Manager Asks For New Beer License

**WOMAN HAS NO COAL;  
ALDERMAN DRINKWATER  
SUPPLIES IT**

Although the meeting of the common council was of short duration and the audience was light because of the terrible weather, there were many matters of unusual import. A few weeks ago the mayor and aldermen demanded the revocation of the beer license of Hotel Asselton and in due time the license was revoked.

Now it is understood that the hotel is to go under a new management with Sam Miller, who conducted the depot restaurant at Holland for at least 30 years, in charge. He has made application for a beer and light wine license and it was also found that William Vandewater asked for a similar license for the same place. According to City Clerk Peterson, Vandewater withdrew his application this afternoon. The two applications were not discussed at great length. It was considered best to refer the matter to the license committee and have their findings brought back to the next meeting of the council. It is understood that if Mr. Miller succeeds in his undertaking the place will be called Miller's hotel. Sam has had a great deal of experience and under his management undoubtedly the hotel will be conducted in good shape.

Alderman Art Drinkwater was in great earnest last night. Big-hearted Art couldn't see a woman suffer. Said Art:

"There is a woman in the 2nd ward who had only two buckets of coal left and she was in dire need of more coal. I didn't wish to see that lady suffer with cold with high city coal piles right in sight of her home. I ordered some coal for the woman, and I'd like to have the city pay the bill. If the city doesn't, I will pay the bill myself. Thus far the lady has always paid her own way and she has had a difficult time of it. Her home is as neat as a pin, and the garden around it is just as neat. I don't see how she does it!"

This brought considerable discussion since it appears that Mr. Wiersema referred the coal matter to the county welfare department and City Inspector Henry Bosch verified Drinkwater's statement that coal was necessary.

Some of the aldermen asked that investigation be made to see who was at fault. Alderman Van Zee said "sure the woman must have coal, but this matter should go through the welfare where it belongs, where all such cases are investigated. If the common council handles this matter we will simply be working at cross-purposes and we won't know where we are at. The needy should be taken care of from one source, namely the welfare. Holland contributes its full share to this cause."

Alderman Steffens stated that there might be a hitch in the proceedings since the state and government demands that all those on the welfare re-register under the new setup. It was advised to take the coal bill to the welfare department for payment. Alderman Drinkwater exclaimed, "well if they don't pay it, I will!"

Mayor Bosch then calmed the aldermen of the Second ward down with "you or no other alderman will pay that coal bill. It will be paid, but by the proper source, and the lady will not suffer because of lack of fuel."

Relative to investigation of this matter, Mayor Bosch stated that he would appoint a committee later.

During the session a plumber's bill was received for work done at a private residence, and for which payment was asked from the city, which payment was to be charged back to the property taxes. Mayor Bosch quickly settled that matter when he said "The city of Holland is not in the collection business, for private individuals, and this is purely a private case." The bill was not ordered paid.

## WOMAN'S BIBLE CLASS HONORS TEACHER

A pleasant surprise was staged at the home of Mr. and Mrs. J. Sturing last Friday evening in honor of Mr. Sturing, when members of the Woman's Bible class of the Ninth Street Christian Reformed church met at the Sturing home in large number. Mr. Sturing has been teacher of the Woman's Bible class of that church for the past four years, during which time the class has grown considerably, and resigned as teacher of the class at the beginning of this year.

As a token of appreciation of the faithful service rendered to the class by Mr. Sturing, the members met at his home at 74 East Seventeenth street Friday evening, so that all together might enjoy a social hour. The members presented Mr. Sturing with a beautiful gift as a token of appreciation of the faithful service rendered. Mrs. H. Meunier was president of the class, making the presentation.

Mr. Sturing was quite overcome with feeling and could only respond with difficulty. He, however, in a few well chosen words, thanked the class for their loyalty, stating that he had enjoyed his work with the class for the past four years and hoped that much benefit had been derived from these weekly classes.

Following a varied program of music, readings, dialogues and games, refreshments brought by the guests were served. It goes without saying that all enjoyed the evening to the greatest extent, teacher as well as class members.

## BERNARD KEEFER BUYS EIGHTH STREET BUILDING

Bernard Keefe, local cafe owner for 23 years, has purchased the Van Ark building directly to the east of his present place of business, and carpenters and masons are already remodeling the interior into an up-to-date restaurant. The second floor will also be remodeled into living rooms where Mr. and Mrs. Keefe expect to reside.

Mr. Keefe came to Holland 23 years ago, buying out the restaurant business of Joe Pino, then occupying a wooden structure on the store of Mary Pieper's Jewelry store, which many years ago was also a post office.

The purchase was made from the Van Ark estate. It will be remembered that the store was occupied by the American Legion for their toy drive.

It is expected that they will occupy the new location within 30 days.

## FORMER HOLLAND WOMAN PASSES AWAY

Mrs. Anthony Wiersema passed away on Monday, January 14, at her home in Berwyn, Illinois. Mrs. Wiersema was formerly Miss Reka Verbeek of Holland. For several years she was one of the most efficient and best-loved teachers in the Holland schools. Many of her friends and former pupils who are still in Holland will mourn her loss and sympathize with her family.

Mrs. Wiersema leaves a husband; two sons, Harry of Knoxville, Tenn., and Theodore of Pontiac, and three daughters, Florence of Riverside, Illinois, Josephine of Brookfield, Illinois, and Dorothy of Walnut Park, California.

The Verbeek family lived for many years in the Schelven homestead on River avenue and Thirteenth street.

## COUNCIL NOTES

Alderman Huyser opened the meeting with prayer.

All aldermen were present with the exception of Albert Kleis and Albert Van Lente, who were unavoidably absent.

William Connelly, director of the Chamber of Commerce, sent in a letter commending the city and its street cleaning department for the excellent way in which Holland streets have been kept free from snow and ice to prevent accidents.

He was prompted in writing the letter since he received so many communications and personal comments praising this city for bringing summer conditions during wintry blasts. Some of the letters contained comments, "You ought to see some Michigan cities compared to Holland with the streets and highways practically untouched."

The street committee is going over the trunk line agreement whereby the state pays the city for keeping trunk lines clean from snow during the winter time and for repairs on these streets.

Attorney Elbert Parsons received a telegram from the Michigan public utilities commission stating that the rate in telephone rates had been denied, but that there would be another hearing in Lansing relative to reduction in rates rather than a raise, on January 22. The city fathers considered it best for the city attorney to attend these meetings. Mayor Bosch concurred in this action.

Alderman Drinkwater brought in a report that the sewer in the Knickerbocker club house on Twelfth street and Central avenue is clogged up, presumably with the roots from trees and that it would cost considerable money to relay this sewer, but it simply had to be done since the basement of the old hospital building was flooded and eventually would bring considerable damage to the building.

Then the matter of back rent amounting to \$400, was discussed, although the last year has been paid in full. It was considered that the students pay for the plumbing and take it out of the back rent, but before this was done Alderman Thompson, who is a plumber, will see whether the obstructions can be taken out without taking up the old sewer. If this is necessary it will mean a digging of at least 15 feet in some places. Alderman Thompson, Kalkman and Bultman were appointed as a committee to investigate the sewer matter.

The next council meeting will be a three-weekly unless Mayor Bosch calls a special before that time, which is doubtful. These three weeks come about four times a year.

Mayor Bosch advised the aldermen that he sent away a number of telegrams to congressmen and senators at Washington, D. C., demanding more acreage for the local sugar mill.

Holland folks will be privileged to listen to a musical program of unusual interest next Thursday evening when the Holland High school concert band will render a band concert in Holland High auditorium.

## "BEES" WILL BUZZ AT ZEELAND

Mr. J. C. Kremer from Michigan State college will address the beekeepers of Ottawa county at a meeting to be held in the city hall, Zeeland, at 1:30 p. m., January 22. The meeting is called for the purpose of discussing the proposed new license for beekeepers and also the grading and marketing laws.

L. R. Arnold, county agricultural agent, urges all beekeepers to be present as it is of vital importance that the beekeepers get together. A state-wide meeting is to be held in Lansing on January 30, and it is important that local meetings be held previous to the state meeting.

## LEGALIZED ARMISTICE DAY MAY ORIGINATE IN HOLLAND

Representative Carl E. Mapes of Grand Rapids Wednesday introduced in the house of representatives a bill to make November 11 Armistice day a national legal holiday.

The bill is the result of a proposal of Nicodemus Bosch, mayor of Holland, that the day be legally set aside to commemorate the occasion and to honor the veterans of the war.

In the issue of the News of December 7, 1933, Mayor Bosch issued a message of some length giving his reasons why Armistice Day should be made a legal holiday. This message stated in part as follows:

"We rightfully celebrate the Fourth of July, in memory of those brave heroes of American history who, with their blood, gave to this country its independence. On May 20 of each year we cover the graves of our 'boys in blue' and the soldier dead of other wars with garlands, and thus commemorate the memory of the flower of our country who died to save our great union. These days have been declared legal holidays.

It is entirely fitting to celebrate Armistice day. However, up to this time the day has not been recognized legally as such by our government. The day should be legalized the same as any other national patriotic day.

In this world strife every locality in this grand country of ours felt the scars of that war through the loss of loved ones, and I feel that it is entirely fitting that this step forward be made at this time, and Holland can go on record as being in full accord with the government of the United States to legalize Armistice day. Mayor Bosch message was concurred in at the time by unanimous vote of the common council through resolution sent to Congressman Carl Mapes and Senators Vanden Berg and Couzens.

The bill introduced was brought about through the efforts and cooperation of the mayor and common council. Should this bill be made a law, Holland can be pointed to as the one to suggest this meritorious measure.

Mayor Bosch received a telegram from Mr. Mapes advising him of the steps he had taken.

### FIFTY YEARS AGO TODAY

Married at the Third Reformed church parsonage by Rev. Derk Broek on Thursday, January 15, 1885, Mr. Alexander Van Balgooye of Grand Haven and Miss Jane Mantingh of Holland, Mich.

Skating on the ice on Black lake was very fine and a very large crowd dotted the bay. Skating is Holland's main recreation in the winter time.

Born to Mr. and Mrs. R. Veneklasen, Zeeland, a son. Born to Dr. and Mrs. Henry Kremers, January 30, a son. Note:—The old hospital on Twelfth and Central was the home of Dr. and Mrs. Kremers.

During the severe snow storm of the past week business in Holland has been practically suspended and will continue in that condition until the roads now blocked or in terrible shape are broken by the farmers' bobs. In the meantime farmers will not come to shop. Note:—What an argument for good roads!

Common Council Notes — Resolved, that the members of the fire department receive a salary of five dollars a year. Carried by a unanimous vote. Resolved that the engineer in charge of the water works, if found neglecting his duty or absent from his work, be discharged immediately. This motion was lost by almost a unanimous vote.

### TWENTY-FIVE YEARS AGO TODAY

Mrs. A. J. Wibalda, wife of the Sixteenth street merchant, died suddenly Monday. She lived three hours after receiving a heart attack. Gerry Van Ark, son of Mr. and Mrs. Herman Van Ark, West Twelfth street, died suddenly at the age of 26 years.

The new Second Christian Reformed church of Zeeland was dedicated. Rev. J. Smitters is the pastor. The building cost \$16,000 and the site \$3,000. A pipe organ will soon be installed. The church at the time had 108 families; and a ladies' society of 40 members and a young people's society of 36 members. At the dedication nearly all the pastors of that denomination were present in an all-day and evening program. The News at the time devoted a column to the event and pictured both church building and the pastor.

The Koolvoord Milling Company of Hamilton intends to convert one of their mills into a furniture factory.

Seth Nibelink, local livery man, returned from Missouri with a carload of mules. There were 24 animals in the lot. Last season Mr. Nibelink sold 58 mules. A good heavy team brings a good price — as high as \$700. The heaviest team in this lot weighs 3,400 pounds.

Cornelius Dornbos, deputy sheriff, has been appointed game warden for Ottawa, Allegan and Kent counties by Chief Warden Pierce. Note:—Later Dornbos became sheriff of Ottawa county in one of the most eventful terms for some time. Dornbos generally "got his man," but in this instance it nearly cost him his life—but that's another story.

The following was contributed to the columns of the News, written on the Henry Post, piano, and Prof. Francis Campbell's pupils' recital at Winant's chapel. The students' communication reads as follows: "Prof. Post treated the public to an invitation in having two of his beginners perform. Both showed good ability again demonstrating Prof. Post's remarkable teaching ability. Messrs. Warnshuis and Diekema, two pupils of Prof. Campbell, sang artistic solos. Mr. Warnshuis' voice is not strong but is very sympathetic, for one of his years. Mr. Diekema evidenced fine musicianship. Jennie Veneklasen sang two lullabies daintily, while Miss Pikart's rendering of Gounod's 'Redeemer' showed both breadth and feeling. The two violin duets by Herman

## HOLLAND CHRISTIAN HIGH AGAIN WINNER IN DEBATE

The local Christian High school debating team, composed of Roger Heytens, Louis Groenewald and Gordon Butler, were awarded the decision last Thursday evening at Wayland where the local team took the affirmative of the subject, "Resolved, that the federal government should adopt a policy of equalizing educational opportunity throughout the nation by means of annual grants to the several states for public elementary and secondary education."

Mr. B. J. Beukema, director of forensics at South High school in Grand Rapids, judge of the debate, awarded the decision to the local school, giving it four more points. This makes a total of 12 points won by the local school, since it was given a unanimous decision in two other debates, one with Comstock Park and the other at Paw Paw. The negative side of the question was upheld in the other two debates.

Mr. Clarence Pott, English instructor at the local school, coached the local team.

## Local Skater Won Prizes In Netherlands

**MAN OF 73 CAN STILL SKATE  
POWDER HORNS**

The attempt of some of the aldermen to revive skating in Holland brings to mind that this city has a skating fan who is now 73 years old and can still skate powder horns and fancy scrolls on the ice. His name is Popke Koe, who has been in America for 46 years, coming to Holland when he was 27 years old. Mr. Koe, during all these years, has never failed to go skating on Black lake and he says that it is folly to spend the money on skating ponds in the city when Black lake is so much better and close by.

Mr. Koe has a sister named Angel Koe, who is still in The Netherlands and is also an expert skater. Both brother and

Engel Koe were born in the province of Friesland and were considered the best skaters in their city. They have to their credit 69 prizes in either double or single fests, many of the prizes being donated by Queen Wilhelmina. They skated their best when Angel was 14 and Popke 17 years old. Both Miss Koe and Mr. Koe went from city to city where skating fests were held and entered in all contests during the meet. Popke Koe's first prize was won on salt water on a pond on the Zuider Zee. When Mr. Koe came to America he took with him a set of silver skates which he received from Queen Wilhelmina, and these skates he uses from year to year on the ice on Lake Macatawa. He stated that he could skate when he was three years old and never failed to enjoy at least two or three hours skating on the canals, found in every little town and hamlet along the sea coast. The ice on these canals is always fine since there is very little wind during freezing time to ripple it up.

Miss Angel Koe was married some years ago to an instructor in one of the institutions of learning in The Netherlands, who passed away some years ago, and the daughters of that union are now employed by the Hollandish queen at the palace in De Hague. Mr. Koe has never been back to the "old country," but is in constant touch by letter with his sister. A few years ago John De Bly was the "father" of a proposed plan for winter sports. The program the first year was pulled off very auspiciously. It was a real worthwhile undertaking and we believe, with the surrounding hills at the resorts, and the ice-covered mecca of western Michigan, for skating, coasting, tobogganing, skating and ice boating. Ice boating already is a popular sport and is growing. Fishing through the ice has been established for years. We believe with very little expense and little energy, combined with the proper publicity, a winter resort could soon be established. While it may be too late this winter, at least it is worth thinking about.

## FIFTEEN YEARS AGO TODAY

The News devotes a column and prints a picture of old Veteran John Zwemer, who was buried with military honors in Pilgrim Home cemetery. He died at 87 years. Mr. Zwemer was first employed as a lad in the saw mills of Singapore near Saugatuck well known in history as the burial city now covered with sand. He was instrumental in securing the first H. J. Heinz pickle salting house for this city and this building is still one of the group of several large and more pretentious structure of the second largest Heinz plants in this country. He was the first of 12 men in Allegan county to volunteer when Lincoln called for men and was in 17 standing battles and "marched with Sherman to the sea."

The flag on the city hall was placed at half mast by order of Mayor Nicodemus Bosch in honor of the late James Koe, a former alderman of the Second ward and local manufacturer. Note:—Mr. Koe built the large building now occupied by the Dutch Novelty Shop and was one of Holland's pioneer wagon makers.

On and after January 10 the Zeeland, as well as the Holland banks, will make a crusade against Canadian coin. All persons bringing in 50c or more must expect a discount of 10 per cent. Smaller denominations will be accepted at par value. Michigan has been flooded with Canadian money and banks in this state are following that policy as well as other border states. Note:—Not much trouble with Canadian money these days, or the other kind either.

Celery growers around Hudsonville are elated over the prices they are receiving for their product—from \$3.75 to \$5.50 per crate.

## HOLLAND CITY NEWS SENDS SUGAR TELEGRAMS

Together with several other citizens, the Holland City News sent telegrams to the AAA, Congressman Carl Mapes, Senator Arthur VandenBerg, and Congressman Clare Hoffman of Allegan, asking that the Lake Shore Sugar company plan be allotted 6,400 acres of beets instead of 4,607. Mr. Hoffman of Allegan county returned the following telegram: "Ben Mulder: 'With Congressman Mapes will present sugar matter to department tomorrow morning.'"

"CLARE E. HOFFMAN," Senator Arthur VandenBerg in a special delivery letter tells the News that they are doing their best and among other things says: "I have submitted an emphatic argument upon this sugar proposition to the sugar section of the agricultural adjustment administration."

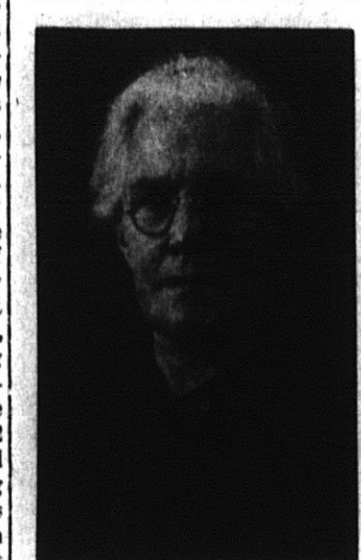

Mr. VandenBerg says a great deal more but this is the crux of his letter. Many other citizens have received similar letters and telegrams, including Mayor Bosch, who also kept the wires "hot."

Coming back to Popke Koe, we remember that at our first skating fest, fostered by John De Bly, Koe "pulled down" some of the prizes, was the attraction on the skating pond, and will be the most enthusiastic fan if Holland makes another endeavor along this line. Anyway, nature has given us the "wherewith" for a winter resort, with all its colorful activities, provided, of course, King Winter stays long enough to make the use of ice and snow worth while.

The Holland City News has devoted a great deal of space to the play put on by the Willard G. Leenhouts post, American Legion, called "Crazy Politics." It is a rare comedy of politics in a small town. You should see it. The opening date is this Thursday night and it will be repeated Friday night at the Masonic temple.

## Board Is For Unemployment Officer Here

**COUNTY SUPERVISORS WILL  
HELP SUPPORT COUNTY  
MAN, IS REPORT**

Support of a federal officer in charge of unemployment in Ottawa county to the extent of \$20 per month was given by the board of supervisors in its January meeting Tuesday afternoon in the court house, following a plea made for it by Charles E. Misner. He pointed to the projects in the county under federal funds such as the addition to the Grand Haven post office, and the need for an officer who would endeavor to get the unemployed men of this county on the jobs.

The support will continue until the next meeting of the board in February when reports will be heard to determine whether the unemployed of this county are being benefited.

Treatment of termites, which have been found in the court house building, was again brought to the attention of the board by N. J. Westra of Holland, and Miss Daniels of Michigan State college, who told of the habit of the insects and the methods to be used to prevent destruction of wood. Miss Daniels said the insects were indigenous to this soil and are being forced into buildings through the lack of natural feeding places. She stated that a court house in Hillsdale was found to be badly infested and the nest was found in an old stump eight feet under the building. The treatment of the building is the only method to rid an old building, she stated. Special construction of new buildings is being urged in the fight against the insects.

Bonds for the following county officers were approved: County clerk, William Wilds; drain commissioner, Fred Van Wieren, Park, and circuit court commissioner, Gerrit Clark, Zeeland. The others will be submitted later in the session.

The presentation of the annual report of the county treasurer gave rise to a discussion of an annual general expense budget which the budget committee is preparing in an effort to keep the expenditures within the limits of the budget set last October.

John DePree, Zeeland, stated that estimates for the expenses of the various departments of the county had been made on expenses covering the past three years. Providing the budget covers the expense, and no deficit occurs as has been the rule in past years, the collection of delinquent taxes can be paid on past delinquencies, he stated.

The bonds for the members of the road commission were fixed at \$2,000 apiece.

Miss Anna Bottje, deputy register of deeds, appealed to the board for an increase in salary due to the large amount of work which is being brought to that office through the home owners' loan and land bank transactions.

An attempt was made in the board of supervisors to change the township system of caring for tuberculosis patients to a county system, the expense of the charges to be borne by the county at large instead of by the townships and cities. The resolution was introduced by Hunter Hering, Crocker township, and passed 14 to 13.

Peter Damstra, Holland, moved to reconsider the motion on the grounds that this could not be done without changing the special act of the legislature in 1905 which says that all communicable diseases shall be the responsibility of the townships and cities, and that the board had no power to confine the change to tuberculosis only. This motion carried, 16 to 11. John DePree then moved the prosecuting attorney draw up suitable resolutions asking that the act be rescinded, which passed 16 to 10. The resolutions must be ready by the next meeting of the board Feb. 11. Mr. Misner pointed out that Ottawa was one of two counties in the state functioning on the township system.

Resolutions were passed by a narrow majority of one, protesting to the state and federal welfare commissions that Ottawa county is without a commission and the two men were removed without hearing and without charge. The resolutions urge an immediate appointment of a welfare commissioner for this county.

A committee of three supervisors was appointed by the chairman, George Heneveld, to make an investigation of administrative costs and report at the next meeting February 11. The members are Peter Damstra, Holland; Charles Loving, Georgetown, and Hunter Hering, Crocker township.

Miss Veneklasen stated that she welcomed an investigation, that she had nothing to hide and her actions at all times had been under the direction of the state commission. Letters sent to her by the state men had supported her actions and they had compli-

## City's First Florist Dies In The West

**WIFE WAS FIRST TEACHER  
IN PIANO IN HOLLAND**

Word has been received that Charles S. Dutton for many years a resident of Holland died at the age of 77 years, at Orinda, California, on January 5, 1935, during the evening of that day.

Mr. Dutton can be considered Holland's first florist and for a time he conducted a small greenhouse on the H. D. Post estate on Eleventh and Twelfth streets.

Later he acquired the property now owned by Ray Nies across from Holland hospital and built a larger greenhouse there. He conducted his downtown store on West Eighth street in a wooden structure, now the site of Mary Pieper's jewelry store.

This Thursday and Friday evenings the junior class of Zeeland High school are giving their annual play, "Her Stephusband." The cast includes Gayle Boone, Ruth Leenhouts, Joyce DeJonge, Viola Lanning, Margaret Caldie, Randall Claver, Allison Vanden Berg, Marvin Vande Meulen and Jerome Veldhuis. Miss Mary E. Gaw and Miss Marian Katte are directors. Remember the play will be repeated tonight and it is well worth seeing.

Funeral services were held Wednesday afternoon at 1:30 o'clock from the First Christian Reformed church. Interment took place in Zeeland cemetery for William Kok, 62, who died Sunday at his home northeast of Zeeland. Survivors of Mr. Kok are a daughter, Johanna of Drenth; his mother, Mrs. Gerrit Kok of Beaver Dam, and a sister, Mrs. Maggie Brandt of Bauer.

The Week of Prayer was observed by Reformed churches here last week and much benefit was derived by the many who attended the meetings. On Thursday evening a meet of exceptional interest was held in Second Reformed church at which time the missionary committee of the church was in charge. After a short song service conducted by P. T. Moerdyk, Scripture was read by Isaac Van Dyke, who also made preliminary remarks. Anthony Elenbaas, the first speaker on the program, gave several reasons why the Reformed church carries on mission work.

"The principal reason, he said, was in obedience to Christ's command when He ascended to heaven." He spoke of the advance of atheism, which he said was a warning to the Christian church. He showed that a missionary church is an alert progressive church. Miss Anna Elenbaas, a former teacher in the Winnebago Indian school, very interestingly told of domestic missions. She emphasized the need of helping alien people in their struggle to become Americans in the melting pot of the United States.

An interesting letter from Dr. William Moerdyk, the church's missionary in Arabia, was read by Junior Van Dyke. Dr. Moerdyk told about his work in general but emphasized the work in the leper colony of about 50 patients, which was organized in Amara some time ago. Mrs. R. J. Vanden Berg read a letter of Mrs. Henry De Pree, missionary in China. Mrs. De Pree wrote in glowing terms of the revival in Amoy and the surrounding territory.

The meeting was interspersed by singing old-time missionary songs and several participated in testimony and prayer. Miss Sena Boelens accompanied at the piano.

Norman Loew of Byron Center, who was taken to Huizenga Memorial hospital following serious injuries received in an automobile accident in which Mrs. Walter Shuck of Burnips Corners was killed, has been discharged. He is reported on the road to recovery.

All the persons taken to Huizenga Memorial hospital following the paint explosion east of Zeeland last week, have been discharged with the exception of two, one, John Adent of St. Joseph and the other Julius C. Szokasy of Gary, Indiana. Both are showing gradual improvement.

Why BANKS

must Charge for Certain Services

There are many valuable free services which every bank is glad to render. But there are other services for which a moderate charge is entirely right and proper.

Like any other business, a bank must be operated profitably. Unless it does earn money it cannot be a safe place for its depositors' money, or continue to give the service that is expected of it.

Banks, generally, make very few direct charges, and only where they feel such charges are necessary to the proper conduct of their business. These charges are usually small in comparison with those made for similar services in other lines of business.

Every bank patron should appreciate the value of these services and cooperate with the bank in its efforts to benefit the community and every individual.

WARDS BROADCAST SECOND FO OLD TESTAMENT STORIES

Chicago, January 18—"Exodus from Egypt," selected as the second of a series of episodes from the Old Testament, which are being dramatized to music on the "Immortal Dramas" program of Montgomery Ward, will be presented Sunday, January 20, on a coast-to-coast NBC-WEAF network at 2 p. m., eastern standard time.

This universally known story of the deliverance of the sons of Israel from their bondage under Pharaoh, king of the Egyptians, is expected to be even more effective in drama and climax than the story of "David and Goliath," which was produced as the first of the series last Sunday.

Symphonic music and vocal effects by an A Cappella choir will be timed to increase the excitement of the narrative.

One of the most dramatic scenes in the life of the Angel of Death, seeking the first born of the Egyptian families, while the Israelites are spared because of the mark of the lamb's blood on their doors. The climax reaches emotional heights seldom equalled on the radio when Moses, having led the Israelites to the banks of the Red sea, is informed that Pharaoh has broken his pledge and is charging down upon them in war chariots. Upon the command of Moses the waters of the Red sea open a path for the Israelites and then close upon the Egyptian hordes.

## Sunday School Lesson

JANUARY 20, 1935

Peter's Lesson in Humble Service (John 13: 1-17; 1 Peter 5: 5)

HENRY GEERLINGS

We are told in some of the other gospels that the disciples as they gathered in the upper room, had renewed their old discussions as to which of them should be the greatest in the expected kingdom. On a similar occasion, Jesus had told them that humility, like that of a little child, was a prime necessity for entrance into the kingdom. On this occasion He taught them the same truth by a matchless object lesson. The washing of the feet of guests was a lowly service performed by slaves. Possibly the disciples took turns in doing it as they journeyed about with Jesus. On this occasion none of them offered to serve. With matchless humility the Great Teacher took upon himself the task.

It was like Uter to protest this act. He declared that Jesus should never wash His feet. When Jesus said, however, that unless He was thus washed He could have no part with His Lord, it was again like him to say in boundless enthusiasm "Not My feet only, but also My hands and My head."

The Great Teacher was a master in the use of objects in education. By it He manifested the true nobility of service, no matter how lowly, in a way more forceful than mere words could have expressed it.

Jesus was evidently anxious that each of His disciples should catch the significance of what He had done. He asked them whether they understood it. He pointed out to them that they called Him Master and Lord and that He was entitled to these names. He told them that if He had washed their feet they ought to wash one another's feet. He gently reminded them that they, as His followers and servants, were not greater than their Master and Lord. He was about to send them out on the great mission of establishing God's kingdom in the world. They were to recall that those who are sent are not greater than the one who sends them. He told them plainly that He had given them an example and that they should do as He had done.

Jesus knew that mere information was not enough. He had made the truth very plain by His object lesson. He had further emphasized it by word of mouth. Nevertheless there must be something more than the mere intellectual

grasping of the truth, something more than an enthusiastic acceptance of it such as Peter had shown. The disciples must express the truth in action.

At least one Christian denomination has taken these teachings literally. They wash one another's feet as a part of public worship, Jesus, in all probability, however, was not setting up a religious ritual for His church. What He meant was that His followers should be ready to serve in the lowliest and humblest of places. The principle of conduct which He was teaching, is illustrated by washing the feet of those in need of service, but it has a vastly wider application than can be confined within any mere ritualistic observance. It means that we should be ready to serve our fellow men who are in need.

It is of interest to recall that in each of the preceding lessons in this series on the life and writings of Peter, we have found the incident presented in the main passage of Scripture under consideration reflected in the writings of Peter. His conversion is reflected in His words concerning being born again by the word of God. His great confession and the words of His Lord to Him are reflected in His statements concerning living stones and the chief corner stone. In like manner we find in the epistles of Peter a reference to the resurrection of Jesus. He speaks of the resurrection as a means whereby God begot him and the other followers unto a lively hope. In another passage He clearly recalls the transfiguration. In the present lesson this narrative concerning how Jesus girded Himself and washed the disciples' feet is reflected in His words to his fellow Christians.

These reflections of the teachings and acts of Jesus in the writings of Peter show how these lessons of the great teacher found a permanent place in the life and consciousness of His pupil. Like some other pupils, Peter seemed slow of comprehension. He had to be taught the lesson of humble service many times and in many different ways, but the teachings took hold upon his innermost consciousness at last. He not only grasped the truth concerning the nobility of service, but he actually served. He fulfilled in His life and experience the Master's admonition, "If ye know these things happy are ye if ye do them." Thus must we all learn the lessons taught by Jesus. We must meditate upon them, accept them with enthusiasm and put them into practice more than the mere intellectual

A pretty home wedding took place Saturday afternoon at the home of Mr. and Mrs. Simon Harkema of Castle Park when their daughter, Miss Ruth, was wed to Marvin Smith, son of Mr. and Mrs. John Smith of Zeeland, the Rev. F. J. Van Dyke, pastor of Central Park Reformed church officiating. The vows were spoken beneath a beautiful arch of white placed before a background of evergreen.

Funeral services for Mrs. Riep Batema who passed away after an illness of long duration at her home, 263 Lincoln avenue, were held on Wednesday afternoon at 1:30 o'clock at the Sixth Reformed church, the Rev. J. Vander Beek officiating. Interment took place in Fairlawn cemetery.

Mrs. Batema was born at Napanee, Canada, on February 7, 1859, coming to this vicinity with her parents, Mr. and Mrs. Isaac Howard, when but six weeks old. She has lived in Holland and vicinity ever since. At the time of her passing, Mrs. Batema was 75 years old.

resentative government be perma-  
nently adopted by the United  
States" was the subject of the  
debate. Sally Sterken and Alma Ny-  
land took the affirmative against  
Western and Vera Damstra and  
Lois Vandermeulen the negative.

Another debate against Calvin  
January 14 was postponed because  
of examinations.

1,893 COUNTIES ARE RID  
OF BOVINE TB

More than 60 per cent of the  
counties in the United States are  
now practically free of bovine tu-  
berculosis, according to the United  
States department of agriculture.

Eradication work, begun in 1917  
in co-operation with the various  
states, has reduced the infection to  
a minimum in 1,893 counties, or  
61.6 per cent of the total in the  
United States.

Seventeen states have been offi-  
cially designated as modified ac-  
credited areas, signifying that tu-  
berculosis among cattle has been  
reduced to 0.5 per cent or less of  
the cattle population. Michigan was  
the third state to become "accredited".

Several young friends of Joyce  
Elaine Boeve, daughter of Mr. and  
Mrs. Edward Boeve were invited to  
the Boeve home Saturday after-  
noon to participate in a birthday  
party given in Joyce Elaine's hon-  
or, the occasion being her sixth  
birthday. Refreshments were  
served at a table prettily decorated,  
a large birthday cake topped with  
candles being the center attrac-  
tion. Guests included Mildred  
Van Den Belt, Lavina Gro-  
tenhuis, Etta Mae Van Den Brink,  
Lorraine Van Den Brink, Angelina  
Van Dyke, Joyce and Audrey  
Boeve. Mrs. J. Boeve assisted Mrs.  
Edward Boeve.

Changes Made  
By Members Of  
Game Club HereHOLLAND FISH AND GAME  
CLUB ELECTS OFFICERS;  
BANQUET IN SPRING

More than 150 fish fans gathered  
in the big dining room of Warm  
Friend Tavern for the purpose of  
electing new officers and planning  
for the coming year. Prizes were  
also awarded as is the custom for  
those members catching the largest  
fish during the season.

Prizes for the largest fish were  
awarded as follows: Rainbow  
trout, 10 1/4 lbs. and muskellunge,  
12 1/2 lbs., Sipp H. Houtman. He  
received a fine casting rod. Black  
bass, 4 1/2 lbs., Henry Poppen. He  
received a fishing reel. Perch, 11 1/2  
inches, Elmer VanLente. He pulled  
down a tackle box and bait.

A suggestion was submitted by  
"Bill" Eaton, through President  
Frank M. Lievense, that future  
consideration be given to install a  
zoo of Michigan animals on Con-  
servation park, making it possible  
to construct the necessary cages  
for animals and birds. The zoo  
could start modestly and grow as  
time went on.

The club voted to continue the  
sale of membership tickets, in-  
cluding the annual banquet for 75  
cents, and to send an honorary  
membership ticket to P. J. Hoff-  
master, director of conservation.

Andrew Klomparsen reported  
that the 5,000 trees planted on  
Conservation park had withered,  
but he also had the promise of  
another consignment of 5,000 trees  
for planting this spring. Drought  
last season was the cause.

Reports for the past year showed  
a profit on carp fishing of \$900,  
planting of 100,000 bluegill and  
10,000 black bass fingerlings in  
local and neighboring streams, and  
a successful year in raising fish.  
The News already reported the  
planting of 1,000,000 bluegills and  
50,000 black bass fingerlings since  
the fish ponds were started.

Other points of interest favored  
included a more active interest in  
conservation, raising of quail and  
wild turkey in the state for hunt-  
ers, turning waste land into public  
shooting grounds, re-election of  
William H. Loutit and Harold E.  
Titus as members of the state con-  
servation department, and contin-  
uation of its fight against private  
monopoly. A legislative commit-  
tee was authorized appointed by  
the president for receiving sugges-  
tions in constructive legislation to  
be forwarded in legal form to the  
state department.

In the discussion of law changes,  
it was proposed that the duck sea-  
son be extended over a thirty-day  
period from October 15 to Decem-  
ber 1. Henry Rowan, one of the  
ardent advocates of the change, as-  
serted that generally the birds do  
not get in the vicinity until the  
season is nearly over.

Reports of board members and  
committee chairman attested to the  
activity of the club in the past  
year. John Eaton told of the pro-  
gress of a program to dig a new  
pond at the club. Cornelius Klaa-  
sen, pond committee chairman,  
stated that 75,000 bluegills and 10,  
000 black bass were planted in  
Lake Macatawa alone during the  
year.

Gerard Cook of the park com-  
mittee gave an account of the  
landscaping project carried out  
during the past year. He said  
more than 200 pounds of grass seed  
has been planted. Sam Althuis  
told of trap shooting activities,  
and possibilities of skeet shooting  
were discussed.

In his message, President Lie-  
vense pointed out that by-laws of  
the club should be amended in the  
1935 program. He urged addition-  
al response by club members on  
work days at Conservation park.  
Condemning hunting for meat  
alone, he declared that he believes  
the time has come for the sports-  
man to enjoy the great out-of-doors  
and spend less time for wholesale  
"butchering" of game.

Mr. Joe Rhea, in reporting on  
activities of corresponding secre-  
tary, asserted that never in the  
club's history have relations be-  
tween the state office and the  
club been so harmonious. He  
commended the Lansing office for  
its co-operation during 1934.

The Sewers brothers of Sauga-  
tuck, who are conducting the carp  
fishing for the club, were intro-  
duced at the meeting and given a  
rising vote of thanks for their  
services.

The local game club decided to  
stage the annual club banquet next  
spring with club dues remaining  
at the same nominal level. Sale  
of memberships is now open and  
will continue up to the evening of  
the banquet, the date to be de-  
cided later. This is an event every  
one wishes to attend. It is a real  
democratic affair with folks of all  
walks of life participating.

The Holland game club's annual  
report was given by Treasurer  
Van Dyke and follows:  
Cash balance of \$1,124.54 and  
certificates of indebtedness of  
\$497.18. Receipts during the past  
year were \$3,417.31, and disburse-  
ments were \$2,819.77. He said  
\$900 net profit was reaped from  
carp fishing in Lake Macatawa  
last winter.

Officers are: President, Jacob  
N. Lievense, succeeding his brother,  
Frank, who held the office two  
years. Jake has been secretary  
for a number of years. Vice presi-  
dent, George Vrieling; secretary,  
John Eaton; treasurer, C. Van  
Dyke, who has held that office  
since the organization of the club  
twelve years ago; board members,  
Samuel Althuis, Cornelius De  
Waard and Cecil L. Seery.

Those retiring are Joe Rhea,  
corresponding secretary, and Cor-  
nelius Klaasen, vice president.

TEN-IN-ONE EAR OF CORN IS  
FOUND ON FOREST GROVE  
FARM

A ten-in-one ear of yellow dent  
corn has been placed on display in  
John Smalligan's store at Forest  
Grove. It was grown on the farm  
of H. A. VanderKolk, two and one-  
half miles southwest of Forest  
Grove.

Nine small ears are clustered  
about the stalk end of a normal  
ear of corn. Each ear contains a  
cob, and the kernels on the small  
ear are of about the same size as  
on the large one.

VanderKolk discovered the ear  
in October as he was husking his  
crop. His friend suggested he place  
it on exhibit in a Forest Grove  
store where the whole community  
might view one of the strangest  
ears of corn ever seen in this com-  
munity.

## PRACTICE RUSE ON OFFICERS

Muskegon, Mich.—Game law  
violators have been playing hide-  
seek with conservation officers  
since they started the plan of hal-  
ling all automobiles bearing hunt-  
ers. The conservation department  
announced the cars were being  
halted to ascertain the success of  
hunters, but the real purpose seems  
to have been to apprehend game  
law violators.

After the first Sunday, when 24  
were arrested in Muskegon county,  
the hunters devised a plan to de-  
feat the officers, despite the fact  
that the conservation officials move  
to unannounced highways. Now, it  
is said that when the hunter has  
illegal game in his car he sends  
someone ahead to learn the route  
to take to his home. If officers are  
making a check on the route, the  
hunter is warned, and he finds an-  
other way to enter the city.

Hunters of course, who have bag-  
ged no illegal game, do not have  
to take the precautions. The con-  
servation officers say a census of  
the game shows the hunters are ob-  
taining a small bag of rabbits this  
season.

Rev. J. Lanting, pastor of the  
Immanuel church, was heard over  
the Moody Bible Institute station

ternoon in a radio address. While  
in Chicago, Mr. Lanting also is  
speaking this week in the open  
door Mission church.

role of corresponding secretary, to-  
gether with his secretary's job. So  
John does double duty.

The club is in fine condition and  
although it is now more than a  
decade old interest has not lagged  
for a minute.

Committees for the coming year  
were named by Jacob N. Lievense,  
newly-elected president of the Hol-  
land Fish and Game club, at a  
board of directors meeting Tues-  
day night. Plans for the annual  
banquet were discussed, the date to  
be announced when a speaker is  
obtained.

The legislative committee, which  
is charged to carry out an ambi-  
tious program, adopted by the club  
at its annual business meeting, is  
composed of Henry Vander Schei,  
W. L. Eaton, Ted Wyma, Dr. O.  
Vander Velde and Andrew Klomparsen.

The banquet committee is com-  
prised of George Vrieling, new  
vice president, Henry Vanden  
Brink, Henry Vander Schei and  
Gerard Cook.

John Eaton and Neal Van Dyke  
are in charge of the banquet pro-  
gram.

Those in charge of trap shooting  
activities are Sam Althuis, Cecil  
Seery and C. De Waard.

Two committees appointed sev-  
eral months ago will carry over  
into the new administration. They  
are the carp committee, composed  
of Andrew Klomparsen, Frank M.  
Lievense and George Vrieling, and  
the pond committee of which Sam  
Althuis and Cornelius Klaasen are  
members.

Edward Eigenschenk, interna-  
tionally renowned organ virtuoso,  
will give a recital in Hope Memo-  
rial Chapel Monday evening, Janu-  
ary 28. His program has been post-  
poned two weeks because of illness.

The first three numbers will be  
"Come Autumn Time," by Sower-  
by, "In Silent Woods," by Rimsky  
Korsakoff, "Tu est Petras," by  
Mulet.

The second group is to be com-  
posed of three selections from  
Bach: "Prelude et Fugue B Minor."

Edward Eigenschenk

"Der Tag Der Ist so Freudreich,"  
and "Vivace" (Third Organ So-  
nata).

The third group will include five  
numbers: "Prelude et Fugue G

Sowerby, "Scherzo Sixth Sym-  
phony," by Vienne, "Sunrise," by

phony," by Vienne.

Dr. Eigenschenk's record is one  
of continuous achievements. At the  
age of 21 he had appeared as solo-  
ist with the Chicago Symphony  
orchestra.

He studied for a number of years  
at the American Conservatory of  
Music under Frank Van Dusen.  
Here he received his Master of Mu-  
sic degree. Later he studied in  
Paris with Joseph Bonnet and  
Louis Vienne.

High honors were bestowed upon  
Dr. Eigenschenk when he was se-  
lected by the composer to play the  
first performance of Delamorte's  
"Weaver of Tales" with orchestra  
in Chicago and at Wanamaker's in  
Philadelphia.

YOUNG GOP HOLD REGULAR  
MEETING

The Young Republican Club of  
Southeastern Ottawa County held  
their regular meeting at the city  
hall Friday evening, at which time  
the constitution and by-laws were  
adopted. The club adopted the con-  
stitution proposed by the Michigan  
Federation of Young Republican  
Clubs with changes suggested by  
the constitution committee com-  
posed of Louis Roberts, Otto Yin-  
tema, and David Van Ommen.

The next meeting of the club will  
be held March 22 at Zeeland in the  
hall. The club is open to and in-  
vites all young Republicans under  
the age of forty who live in Zeel-  
and city, Zeeland and Jamestown  
townships, and the eastern portion  
of Holland township.

The young Republicans are also  
interested in the coming Lincoln  
Day Banquet to be held in Grand  
Rapids and are making inquiries of  
the Grand Rapids committee. All  
Republicans from this vicinity who  
are interested in attending should  
communicate with Wm. H. Van  
Loo, or other officers of the club.

TAKE PICKEREL FROM ICE  
HOLE

Fishing through the ice on the  
bayous and along Grand River near  
Coopersville, seems to be good this  
winter judging from several stories  
which have come to our attention  
of late. Henry Liefers has the  
record so far with a 10-pound  
pickerel, while Nick Depender  
landed one which tipped the scales  
at an even 7 pounds. Others also  
report good catches.

ZEELAND LEGION GETS  
CITATION

The Zeeland post again received  
a special membership citation  
from national headquarters for its  
outstanding achievement in the  
membership drive and the mem-  
bership committee reported that a  
total of 100 members would be  
signed up before the winter sea-  
son closes.

FROM THE COUNTY  
PROSECUTOR'S OFFICE

The report of the official busi-  
ness of the prosecuting attorney  
for the county of Allegan for the  
six months ending Dec. 31, 1934,  
has been sent to the attorney gen-  
eral as of Jan. 7.

Prosecutor Luna states the re-  
port shows a total of 242 cases  
prosecuted, with 229 of these con-  
victions, one acquittal, one dis-  
charged on examination, and 11  
dismissed on motion of the prose-  
cutor.

It is interesting to note that dur-  
ing the period there were 70 per-  
sons charged with being disorderly—  
mostly drunks; 27 violations of the  
dog law; 25 persons arrested for  
larceny, 16 convictions for  
drunken driving; 17 persons who  
drove their cars with improper li-  
cense plates or no chauffeur's li-  
cense; 32 game law violations, 7  
violations of the regulations of the  
Michigan Public Utilities Commis-  
sion; and 9 convictions for break-  
ing and entering.

LITERARY CLUB HEARS  
MRS. WM. OLIVE GIVE  
DISCOURSE

(Zeeland Record)  
About fifty women had the priv-  
ilege of attending a remarkably  
fine Zeeland Literary Club meet-  
ing at the city hall Tuesday after-  
noon, January 8. A brief business  
session was conducted with Mrs.  
J. R. Dethmers as president and  
Mrs. R. Muller, secretary. Music  
was furnished by a quartet of  
Junior high girls in charge of Miss  
Lorraine Nykamp. They sang "Home  
Sweet Home" and "Now the Day  
is Over."

Mrs. W. J. Olive of Holland  
pleased the group of women as  
guest speaker. She spoke of sev-  
eral books giving a brief resume  
of some late publications.

She reviewed the life of Hans  
Christian Anderson, the Danish  
poet, who in spite of great adver-  
sities and a background of pov-  
erty, insanity and sickness, made  
a wonderful record and won re-  
nown as a writer so that his books  
appear in many languages. As a  
boy he often entertained children  
with nursery rhymes. Not only  
children but adults also appre-  
ciated his productions.

Mrs. Olive told of great help he  
received from travels in which he  
visited several countries. At the  
age of seventy years he returned  
to his own country after an ab-  
sence of 50 years, and he was  
especially feted because of his  
prominent poems. A statue was  
erected at Copenhagen in his  
honor.

Announcement was made that  
Mrs. W. Wichers, who with Dr.  
Wichers toured seven European  
countries last summer, will be  
guest speaker at the next club  
meeting to be held January 22.

Barend Kamps  
New Chairman  
of Road BodyZEELAND MAN NOW HEADS  
COMMISSION; E. COLLAR IS  
SEATED OFFICIALLY

Barend Kamps, Zeeland, senior  
member of the Ottawa County  
Road Commission, was elected  
chairman at the organization meet-  
ing of the commission held recently  
in the office of the road com-  
mission. Mr. Kamps has been a  
member of the board for 12 years,  
entering his 18th year of service.  
He is 81 years old.

Everett Collar, Wright township,  
elected last fall by the board of  
supervisors to the board succeed-  
ing Austin Harrington, who had  
served as chairman for 13 years,  
or since the inception of the board,  
was seated officially. The other  
member is William Van Duin of  
Grand Haven, who has held office  
since the resignation of William  
Connelly some two years ago.

Carl Bowen, county engineer, at-  
tends all of the meetings and ex-  
ecutes the orders of the commis-  
sion.

Mr. Collar stated when he was  
elected that he had no knowledge  
of road commission affairs and  
that he would be a listening mem-  
ber until he had acquainted him-  
self with the work. He stated that  
he had always been a resident of  
Wright township, had lived on a  
farm all of his life and was con-  
sequently interested in rural road  
matters. He appeared before the  
board of supervisors, when ap-  
pointed, to thank them for the  
honor and to state that he came  
in with no strings and that he  
would endeavor to give the best  
service he could.

Mr. Kamps, although advanced  
in age, has had long experience on  
the board. He has always been  
very punctual at board meetings  
and given years of service. His  
great interest has been to bring  
Ottawa to the front among coun-  
ties of the state in the perfection  
of its road system.

Routine matters were discussed  
today.

The new office building to which  
the board and officers will move  
this year, is progressing more  
slowly than was anticipated due  
to failure to get materials. The  
building will greatly facilitate the  
working department providing for  
large well-lighted drafting rooms,  
offices and commission room. The  
space in the court house will be  
abandoned, the suite will be turned  
over to the agricultural depart-  
ment, it is reported.

was a member of the Elks lodge

requests the presence of all mem-  
bers of the recently formed 4-H

Donald Albers of College avenue and Jay Bush of Detroit, students of Hope college, raced their ice boat in an air hole in the ice on Black lake at Central Park. Albers had little difficulty in getting out, but Bush went over his head in the ice cold water and it was with difficulty that he was extricated. A fresh bath was the uncomfortable part of their experience. Ice has been made safer since the freeze and shanty town is again appearing on the ice and fishing is going on as before.

## Holland High School News

Miss Anna Dehn, teacher of English in Junior High, probably had the most exciting and delightful Christmas vacation anyone could expect, since she traveled to Seattle, Washington, by airplane.

From Chicago, Miss Dehn, one of nine passengers and two pilots, started out at 5 o'clock in the morning for Seattle.

These beautiful ships have a high degree of speed, are very comfortable and reliable. The cabins are very spacious and sound-proofed to permit conversation in normal tones at all times. The cabins are very well ventilated, and during cold weather heat is supplied. Each seat has a separate reading light, and foot rest.

The plane attains the speed of 225 miles per hour. It is constructed entirely of metal. Meals are supplied for passengers at various airports along the way. The pilots are very cautious and if the weather is unfavorable they do not fly on until it has cleared. Such was the case with Miss Dehn, whereby she was delayed for many hours.

Miss Dehn enjoyed immensely the climbing of the mountains. "The Cascade mountains were glorious," she said. "The trip over the mountains was a little rough but beautiful. At times we were 5,000 feet high."

Reaching Seattle safely, she had a delightful Christmas with her family. Because of unfavorable weather this traveler took "The Empire Builder" transcontinental train back. Air conditioning of the observation car and the dining car is the newest feature on this train. Regardless of weather the train has always a healthful temperature. The train follows a route thrilling enough for any passenger to enjoy.

Miss Dehn says she is glad to have been able to take this trip. Her comment was "I wouldn't have missed it for anything!"

The recent student voting, though expected to indicate a thoroughly Republican high school, brought to light several interesting facts. In the first place, one Democratic candidate received more votes than his Republican opponent. In such a Republican stronghold as Holland, in such an entirely Republican state as Michigan, such a circumstance must be most disturbing to Republican party officials. Further, several other Democratic candidates received very slight minorities in the polling.

The vote, however, shows more thought on the part of the students. There was more voting by good judgment than voting by blind party loyalty. It shows that people are feeling their power to distinguish between their own ideas of right and wrong and their will-power to put their "right" idea into effect regardless of the party it favors. Students are even learning to disregard their un-American loyalty to the nationality of their extraction when choosing a candidate for whom to vote. Such signs certainly show greater and better use of individual intellects.

Fifty copies of plays that had

paper covers have been rebound for the library with money appropriated from the Senior Play fund, according to Miss Hazel De Meyer, librarian.

The new magazines ordered for the coming year are "Leisure," "School and Society," "News Week," "Nature Magazine," "Survey Graphic," "Musical America," "Hobbies," "Travel," "Stage," "The Christian Herald" and "Popular Science Monthly."

At the opening assembly Monday morning, Supt. E. E. Fell led the chapel period in devotion, then gave a resume of the life of Horace Mann, the father of the secondary school movement in America. He announced that throughout the year 1935 high schools all over the nation would in some way participate in the celebration of the birth of high schools.

The modern American high school had its beginning three centuries ago when the Boston Latin school was founded. This also marks the beginning of the principle of free public education, without which democracy could not have grown.

The general plans for the celebration have been made by a committee appointed by the Department of Secondary School Principals of the National Education association. High schools will observe the celebration with special assemblies, parades, exhibits and other forms of activities. These activities should bear in mind the theme of the celebration: "To present to the public the aims and works of the high school; to emphasize the necessity of public high school education; to acquaint the public with advanced developments in high school instruction; to improve the chances for every boy and girl to benefit from the full potentialities in high school instruction."

Plans are being made by the postmaster general to have special commemorative U. S. postage stamps printed. There will also be a number of addresses, radio dramas, and concerts arranged for broadcasting in connection with the anniversary.

The class ring recently selected by members of the senior class is set with a black onyx background. On this black there is the school emblem and the word "Holland." At the side is the owner's initials and also the year of graduation.

Some seniors have already sent in their orders and the rest will do so in the near future.

The honor roll for the third quarter of the first semester contains the names of 108 students, 74 of whom are girls and 34 boys. The 12-A class has 11 representatives, 4 boys and 7 girls. The 12-B class leads with 34 names, 25 girls and 9 boys. The 11-A's have 7 girls and 3 boys; the 11-B's have 19 girls and 8 boys; the 10-A's have only 2 boys and 2 girls as honor students, while the lowest class has 14 girls and 8

## Dinners for Everyday Dining

NOW that the feasting and fun of the holiday season are over, we settle down to plain living again. So let's consider a good substantial family dinner, hearty enough to take the chill off a January evening. First there is soup. Steaming bowls of rich soup. And, by the way, if you can unearth grandmother's old soup tureen you will add a new smart touch to the table and increase the ease and simplicity of your service. Then crisp salad greens and relishes, a hot main dish and a seasonable fruit dessert. Top this off with good hot coffee and you'll have a meal any family would rely on a winter's evening. The following menus and recipes will lend zest to post holiday dining.

Creamed Macaroni and Steak—Cut 1 lb. thinly sliced round steak into one inch squares and cook in 2 tablespoons butter until tender. Sprinkle with 1 tablespoon unsifted bread flour, 1 teaspoon salt and 1/4 teaspoon pepper, and brown. Stir in 1/2 cup milk and cook until a thick, smooth gravy is formed. Line bottom and sides of a medium size casserole with 1 medium can Cooked Macaroni in Cream Sauce with Cheese. Place meat in center, pour in gravy and cover with very thin slices of onion. Onions will brown easily if spread with cream or melted butter. Bake in a moderate oven (375° F.) for 40 minutes.

Apple Butter Drop Cookies—Cream 1/2 cup butter, add 1 1/2 cups sugar, and mix together thoroughly. Add 1 unbeaten egg and beat until smooth. Stir 1 teaspoon soda into 1/2 cup Pure Apple Butter, and blend with the butter mixture. Add 1/2 cup broken nut meats, 12 marshmallows, chopped, and 1/2 box shredded coconut. Sift 2 1/2 cups all-purpose flour—sifted once before measuring—with 1 teaspoon baking powder and 1/2 teaspoon salt, and add to butter mixture alternately with 1/2 cup milk, a small amount at a time, beating thoroughly after each addition. Drop by spoonfuls on a greased cookie sheet and bake in a moderate oven—375 to 400° F. for about 8 minutes, or until delicately brown.

Mock Chicken Chops—Combine 2 cups finely diced cooked pork or veal, 1 1/2 cups cooked rice and 2 slightly beaten eggs, and season with salt and pepper to taste. Form into croquettes, pressing rice and meat firmly together. Dip in flour, coating completely, and fry in 2 tablespoons butter until golden brown on both sides. Remove chops to warm platter and garnish with watercress. Blend 1 1/2 tablespoons flour with the fat left in the skillet.

## Something About Ottawa County Mari Beds

L. R. Arnold, county agricultural agent, reports that at last the Rehabilitation committee can state that mari is being dug in Ottawa County under the project written up by the committee. Delays have occurred in opening up the mari beds. One bed was opened but high water caused cessation of work. Mari is now being thrown out by steam shovel in the Erie bed in Chester township. Hundreds of yards are now available and farmers have started hauling.

As soon as sufficient mari has been dug in this bed the machinery will be moved to the Stroven bed in Polkton township. The Hunter bed in Jamestown will then be worked by machine.

At a recent mari meeting in Robinson farmers signed up for over 600 yards from the Purdy bed. This will be operated through hand labor. The bed located on the Greenvale Farm in Allendale township is also a dry bed and hand labor will be employed at this place. Work will be resumed at the Hovingh bed in Allendale as soon as the machine is available.

The Rehabilitation committee was formed for the purpose of assisting farmers who are in difficult circumstances who by this aid will be kept off the welfare list or take them off the welfare list. Several families have been assisted during the past two months. In such cases a thorough investigation was made and if the committee decides that assistance will bring about desired results action is taken. A loan is issued to the farm but not in cash. The committee directs how the money shall be used. In some cases it means the purchase of stock and feed, others the repair of buildings in order to properly house the stock and protect feed.

Roy Lowing, Jenison, is supervisor and has charge of the work. He makes the investigation and reports to the committee. If assistance is rendered Mr. Lowing acts in a supervisory capacity. All loans must be approved at the State Office in Lansing.

Hunter Herring, Crocker township, is chairman of the committee with Miss D. Veneklassen of Holland, secretary, L. R. Arnold, county agricultural agent, is the fourth member of the committee. After the mari project is well along the committee may open up another work project.

## SUNDAY DINNER SUGGESTIONS

By ANN PAGE  
FOODS are somewhat cheaper due to a slightly increased production. Butter, too, is a bit less expensive as the recent high prices greatly curtailed buying. Meats continue to rise in price, particularly pork and hind-quarter cuts of beef and lamb. Veal is reasonable and forequarter cuts of beef and lamb also.

Poultry are attractively priced and fowl, roasting and frying chickens have changed little in cost. Grapefruit, naval oranges, and apples are the chief fresh fruits available and all are moderately priced. Potatoes, cabbage, kale, various greens and root vegetables are within the reach of modest budgets. Canned grown tomatoes are in the bargain class.

Here are three menus at different price levels made up from seasonable foods:

**Low Cost Dinner**  
Pot Roast of Beef  
Potatoes—Scalloped Tomatoes  
Bread and Butter  
Chocolate Pudding  
Tea or Coffee Milk

**Medium Cost Dinner**  
Roast Stuffed Shoulder of Veal  
Baked Potatoes Creamed Carrots  
Bread and Butter  
Cottage Pudding Lemon Sauce  
Tea or Coffee Milk

**Very Special Dinner**  
Cream of Celery Soup  
Roast Duckling  
Apple and Prune Stuffing  
Mashed Sweet Potatoes Spinach  
Tomato Salad  
Rolls and Butter  
Lemon Snow Custard Sauce  
Coffee Milk
