Mothers Plan For Annual Dimes March

The Ottawa County March of Dimes 1973 Mothers March on Birth Defects was kicked off Tuesday with a meeting in Civic Center attended by about 100 women representing captains, lieutenants and marching mothers.

The Mothers March in the Holland area began Thursday and continues through Jan. 25.

The mothers saw the National Mothers March film for 1973 which featured a segment on the Mothers March in Ottawa County. Opera singer Beverly Sills is National honorary Mothers March chairman.

A film crew visited Holland last year during the Mothers March to record the mothers on the March.

One of the volunteers from Ottawa County who attended the Fourth National Volunteer Leadership Conference in New York in December addressed the mothers.

Mothers Marchers in Ottawa County last year raised \$23,396.36 of the total campaign receipts of \$43,541.26.

Crash Kills Relative Of Local Officer

ALLEGAN — Karen Wood, 32, of Kalamazoo, a sister-in-law of a Holland police officer, was killed in a two-car collision Saturday along M-89 east of Allegan. She was pronounced dead on arrival at Allegan General Hospital.

Mrs. Wood was a passenger in the car driven by her husband, William L. Wood, 34, which was westbound on M-89. He was admitted to Allegan General Hospital with chest injuries and his condition today was listed as "good."

Also injured was Craig Eugene Hardin, 9, another passenger in the Wood car. He was treated in the hospital and released.

Mrs. Wood was the sister of the wife of Holland police corporal Robert Ryzanca of Holland. The Woods reportedly were enroute to Holland to visit with the Ryzancas.

Allegan county deputies said the Wood car and one driven by Dennis Bond Godrich, 19, of route 1, Allegan, collided near the shoulder of the eastbound traffic lane at 6:50 p.m. Saturday.

Deputies said Goodrich was eastbound and came over a knoll in the road while the Wood car was westbound and apparently passing another westbound vehicle.

Officers said a third westbound vehicle may have been involved in passing moments before the fatal crash and failed to stop.

Deputies said the Wood car traveled 130 feet following the crash and came to rest against the Whitney Monument Co. building.

Tax Exemptions For the Blind Are Increased

GRAND-HAVEN — County Treasurer Riemer Van Til today called attention to increased tax exemptions for the blind.

The first \$3,500 of state equalized valuations is now exempt instead of the \$2,000 in previous years. This exemption applies regardless of total value. Formerly it applied only to those under \$10,000.

Affidavits for tax exemption must be applied for before March 1, 1973, at offices of local assessors and supervisors.

Outdoor Swim Pool Plans Set

Plans for a new outdoor swimming pool at Smallegang Park were outlined briefly by Councilman Morris Peerbolt at a meeting of City Council Wednesday night.

Bids will be taken Feb. 5 and the committee was hopeful that the pool would be operable by June or shortly thereafter.

The pool will be financed by a \$65,000 gift from an anonymous donor and \$100,000 in federal funds dispensed through the state of Michigan.

The pool will be 75 feet long, of recommended width and will have a 12 by 12 foot diving tank. It will meet requirements for AAU competition.

Councilman Hazen Van Kampen informed Council that the architectural firm of Kammeraad, Stroop and vander Leek has been selected to draw plans for a proposed Park Department warehouse costing \$300,000 to \$400,000. He said the present warehouse near Kollen Park is far from adequate and the new building will be designed for adequate space for vehicles, voting machines and plant materials including tulip bulb storage. Architect's fee will be 4 1/2 per cent. Construction hopefully will start after July 1.

On motion of Councilman Lou Hallacy, the clerk was instructed to send a letter of appreciation to the Holland Ministerial Association for its work in planning the Mayor's Prayer Breakfast and expressing the hope it would become an annual event.

On motion of Councilman Peerbolt, Council referred to the Planning Commission a study of a "commercial Hedcor" establishing plans and guidelines for commercial development in the city much like the program that led to the city's south side industrial park. Peerbolt specified that the city manager and the executive secretary of Hedcor serve with the planning group.

Council approved a winter street cut policy from Nov. 1 to April 1, with replacement street surface costing \$7.50 per square yard, an increase of \$2.50 above current rate. This covers only the city's cost. Street cuts, usually for utility hookup, have been discouraged during the winter because of weather problems.

Council accepted for first reading two ordinance amendments, one implementing the area plan proposal for that area of the city north of 32nd St. and east of the US-31 bypass, and the other amending the license fee schedule consistent with county fees. The latter changes food establishment license fees from \$15 to \$30 in the four categories to \$25 to \$35 in three categories. Vending machine license fees have been changed to \$5 for 1 through 5 machines and \$1 thereafter. Previously, the fee was \$1 each.

The first ordinance amendment spells out neighborhood commercial, highway commercial, regional commercial, industrial, residential and agricultural zoning in the area in the eastern part of the city.

Roger MacLeod was appointed to a three-year term on the Board of Review succeeding John Keuning who asked not to be reappointed. City Attorney Gordon Cunningham and City Treasurer Jack Leenhouts were appointed officer members for one year.

The board will meet for four days starting March 6 from 9 a.m. to noon and 1 to 4 p.m., plus an evening meeting March 7 from 7 to 9 p.m. Pay will be \$30 a day with the exception of the city attorney who will be on a retainer basis not to exceed \$100 a day.

January Thaw Hits Holland; Walks Clear

It was truly a January thaw. Two days of temperatures in the 40s accompanied by high winds put a pronounced end to icy walks, roads and most any other hard surfaced area. But today, ice that was a hazard to pedestrians had all but disappeared and only old snow-piles remained, each one draining to the nearest lowest level.

Some streets and walks were dry, but many of them had puddles in low spots and at curbs. A day of almost uninterrupted sunshine Tuesday was followed by a night of clear skies with an almost full moon. Skies were overcast today but temperatures remained in the upper 40s.

High Tuesday was 48. The 11 a.m. reading Wednesday was 47.

Two Injured As Car, Trucks Crash

Two persons were injured in a three-vehicle collision Tuesday at 10:07 a.m. at Maple Ave. and 17th St.

Treated in Holland Hospital and released were Maria Ramos, 41, of Saugatuck, a passenger in the car driven by Patricia A. Higgs, 25, also of Saugatuck, and Donald R. White, 28, of Grand Rapids, driver of a truck.

Police said the Higgs car, northbound on Maple, apparently pulled into the path of the White truck which was westbound on 17th St. The impact sent the Higgs auto into a milk-truck driven by Lester G. Scholten, 54, of 175 East 35th St., which was stopped southbound on Maple for the 17th St. intersection.

Controversial Paving Before Council Again

A city manager's report on paving South Shore Dr. this year reopened a controversial subject at a regular meeting of City Council Wednesday night.

City Manager William L. Bopf submitted plans for a 32-foot road with intersections widened to 36 feet, plus an alternate bid for two types of bicycle paths for one side of the street, paths which undoubtedly will be plowed and maintained.

But a motion by Councilman Morris Peerbolt called for plans to be redrawn to a 24 or 26-foot width. Peerbolt felt that a narrower street would be much more acceptable to residents concerned with esthetics. This had been the consensus after several hearings and special meetings some four years ago. His motion carried 7 to 2.

According to current paving policy, costs will be \$10 per front foot, regardless of width. Bopf's time table calls for plans and specifications to be submitted to Council Feb. 5, public hearing Feb. 21, hearing on special assessment roll March 21, and construction (provided Council will pre-finance the project) to begin in April, with projected completion late in November. This time table is subject to change.

Mrs. James C. Tharin, 1082 South Shore Dr., expressed opposition to any improvement, stating residents are satisfied the way the road is at present, and pointing to the possibility of court action and injunctions in case Council orders the improvements.

Mayor L. W. Lamb Jr. and Peerbolt pointed to Council's responsibility to provide roads and maintenance for the entire city, and the fact that most other residents had paid their share of improvements for streets used by the public as well as themselves.

City Manager Bopf was not in Holland at the time of two previous public hearings more than four years ago which ended with South Shore Dr. improvements stalemated.

In presenting the alternate plan, Peerbolt pointed to possibilities of a rolled curb and partial shoulder. Councilman Elmer Wissink favored a street that would satisfy both residents and meet the city's requirements for traffic movement and safety. He was of the opinion that a 32-foot street would better serve the needs of all, particularly for service vehicles, etc. No parking would be allowed on the 32-foot road.

Whatever the width of the street, plans call for the design of the bicycle paths to avoid removing trees and keeping the paths with the contour of the bends and curves of the street.

Fox Jewelry Is Moving To New Store

The Fox Jewelry Co., which has operated a store at 12 West Eighth St., in downtown Holland for 26 years, announced plans to move into larger quarters at a new location in the downtown business district.

Thomas S. Fox, executive vice president of the first, said the Holland store will relocate at 2 West Eighth St., on the southwest corner of Central Ave. and Eighth St.

An extensive remodeling program, already under way, will be completed by this spring. The new facilities will add 40 per cent more floor space for Fox.

Bill Hopps is manager of the local store which has five employees.

Fox expressed his faith in the future of downtown Holland and said the new store would provide more room and more front identification.

The Fox Jewelry Co. operates 20 stores in Michigan and Indiana and maintains diamond buying offices in Antwerp, Amsterdam and Tel Aviv.

Fox said the building housing the new Holland store was purchased from Mrs. Andrew Volink.

Eight, has begun with completion scheduled by spring. The new store will give Fox more front identification and provide 40 per cent more floor space. The front view of the new store is shown at left while the Central Ave. side is shown at right.

First National Bank Merger Is Approved

Henry S. Maentz, president of First National Bank of Holland, announced Tuesday that the Board of Governors of the Federal Reserve System has unanimously approved the affiliation of the Holland Bank with the Kalamazoo - based First National Financial Corporation.

In December, shareholders of First National Bank approved the affiliation at a special shareholders meeting which was subject to Federal Reserve approval. Final consummation of the affiliation will take place late in February.

School Group Discusses Tax Relief

The Holland Christian School Board will send representatives to the regional CREDIT (Citizens Relief for Education by Income Tax) seminar in Chicago Feb. 12, it was announced at the monthly meeting Monday night, President Jerry Hertel presiding.

Purpose of the regional seminars is the review and assess progress and nationwide efforts to achieve educational tax credit for nonpublic school parents, and to acquaint nonpublic school leaders of the need for continued efforts for such legislation.

It was announced that all schools are planning special programs and projects of student involvement in the annual "Foundation Day" Feb. 16.

Also presented was the National Union of Christian Schools speaker roster, and a new "yellow pages" for the National Group for Environmental Education. The latter centers on the potential of the city as a place of learning and helps teachers, pupils and parents to use the city as a valuable learning resource.

Also reviewed were the ninth grade Revelation - Response Bible Curriculum books prepared for Christian schools throughout the North American continent. Material for lower grades already has been issued.

Attention was called to a special art display of Dennis Mathies in the high school. Mathies is a prominent Michigan artist and art teacher.

The investigation also cleared up two shootings, one in Ottawa County and one in Norton Shores. One of the shootings involved John Andreasen, 17, of Grand Haven, who was walking along a street in Grand Haven Dec. 31 when he was struck in the foot by a slug fired from someone in a passing car.

Detectives said warrants for other persons are pending.

Plans \$270 Million Generating Unit at Port Sheldon

Consumers Power Company plans to build a new 800,000-kilowatt coal-fired electric generating unit at its James H. Campbell plant at Port Sheldon on Lake Michigan.

The new unit will burn low-sulphur coal and is scheduled for initial operation in late 1977. Estimated cost of the project is \$270 million.

It will increase the generating capacity of the Campbell plant to 1,450,000 kilowatts, making it the second largest facility on the company's system. Consumer's Power's Dan E. Karn plant, near Essexville, will have a capacity of 1,860,000 kilowatts when an expansion program is completed there in 1975.

Construction of the new Campbell unit will begin in 1974. Townsend and Botum, Inc., of Ann Arbor will be awarded a full responsibility contract for design and construction of the plant addition. Design engineering, procurement and expediting services will be performed by Commonwealth Associates, Inc., Jackson, under a subcontract with Townsend and Botum.

The new unit will burn coal with less than one per cent sulphur content and will be equipped with electrostatic precipitators to remove ash particles from its smokestack gases.

Supervising the design and construction of the new generating unit will be Max P. Shrontz,

Home Show Scheduled March 6-10

The 1973 Home Show will be staged in Civic Center March 6-10, sponsored by the Holland Exchange Club, show sponsor now for a dozen or more years.

Club President John B. Otting said Joe Moran will serve as chairman and Ed Lindgren as show manager, the latter for the second year. Ed Vander Kooy will be secretary - treasurer. Other committee members are Herbert Kammeraad, Thomas Longstreet, Nelis Bade, Richard Martin and John Mulder.

Proceeds from the 1973 show will be used to equip a third "tot lot" on a site yet to be selected.

Over the years, the club has raised more than \$60,000 for such projects as two "tot lots," a mural in Herrick Public Library, freedom shrines at junior and senior high schools, milk for needy children, hot lunches, a public address system for Civic Center, and tonsillectomies.

There also have been contributions to Crime Prevention Week, Community Ambassador programs, Wolverine Boys' State, recognition of youth leaders, expansion help to Resthaven, college scholarships, football scoreboard, youth baseball, supplies for school dental clinics and a contribution for the therapeutic bath for the special education department at Thomas Jefferson School.

A total of \$2,800 in awards will be given away at 7:30, 8:30 and 9:30 p.m. each evening. A new 1973 automobile will be awarded at 9:30 p.m. Saturday.

Advance tickets may be obtained from any Exchange Club member for 50 cents. Admission at the door will be \$1 for adults and 25 cents for children.

Two Cars Collide

Cars driven by Johanna B. Woordhuis, 57, of 27 West 40th St., and Laurie Ann Van Slooten, 18, of 1357 East 16th St., collided Tuesday at 2:20 19th St. Police said the Woordhuis auto was southbound on Michigan while the Van Slooten auto was heading east on 19th St.

Many Items Processed By Council

Many routine items were processed by City Council Wednesday at a meeting which lasted over two hours.

Tabled from last meeting were recommendations eliminating parking in four locations: both sides of the 23rd St. boulevard between College and Prospect Aves.; north side of 12th St. from College Ave. east for 645 feet, south side 16th St., Maple to Columbia; south side 26th St. for distance of 50 feet east of Michigan Ave.

All were approved and will be effective soon except the 12th St. change which will become effective Sept. 1. The 12th St. recommendation originally called for eliminating parking for the entire block from College to Columbia.

Another recommendation to prohibit parking for 50 feet on both sides of the driveway to the Ottawa County Mental Health Service Residential Treatment on Ottawa Ave. was tabled for clarification.

Another tabled item that Council approved was expending not more than \$4,000 to provide two sewer stubs near the Klassen-Daverman project on West 32nd St., known as Brook Village. These stubs will serve future development in the area.

A communication from the Michigan Liquor Control Commission on renewal of taven and hotel licenses was referred to the city manager for study and report. The communication indicated licenses would be renewed unless objection are received prior to 30 days before the date of expiration on the license.

The Hamilton Band Boosters were granted permission to solicit funds on local streets Jan. 26 and 27 to raise funds for the band which has been invited to participate in the National Cherry Blossom Festival in Washington, D.C., in April.

March of Dimes also was granted permission to stage a Mothers March Jan. 25.

A revised sanitary sewer special assessment roll for a sewer in 40th St. from the C and O right of way to 1,302 feet east of Waverly Rd. was approved unanimously.

The following gifts were acknowledged with thanks for the police department: \$225.61 representing proceeds from the Hope College - police department benefit basketball game; \$10 from the RCYF of Grace Reformed Church; \$200 from the Fraternal Order of Police.

Council confirmed certifications from Mayor Lamb, Lamb Inc., police cemetery and park departments, \$139.72; Councilman Peerbolts Inc., Windmill Island and Park department, \$35.65.

Claims against the city from Fern E. Dixon, 195 West 16th St.; Fred Van Naarden, 196 East 34th St.; Joseph J. Veenstra, Jenison, and Don Bulson, 144 West 16th St., were referred to the insurance carrier and the city attorney.

In view of the city manager's absence from the city in February attending a three-day management conference in Ann Arbor, the next meeting of City Council will be held Feb. 5 instead of Feb. 7. City Engineer Gordon Start will serve as manager during his absence.

Council approved revised plans for a sewer in Waverly Rd. north of 32nd St., running 600 feet instead of the originally proposed 1,300 feet. The Muskegon Hardware Co. and Lake Welding Co. will be assessed full costs of their share. The city fire station already has been prepared.

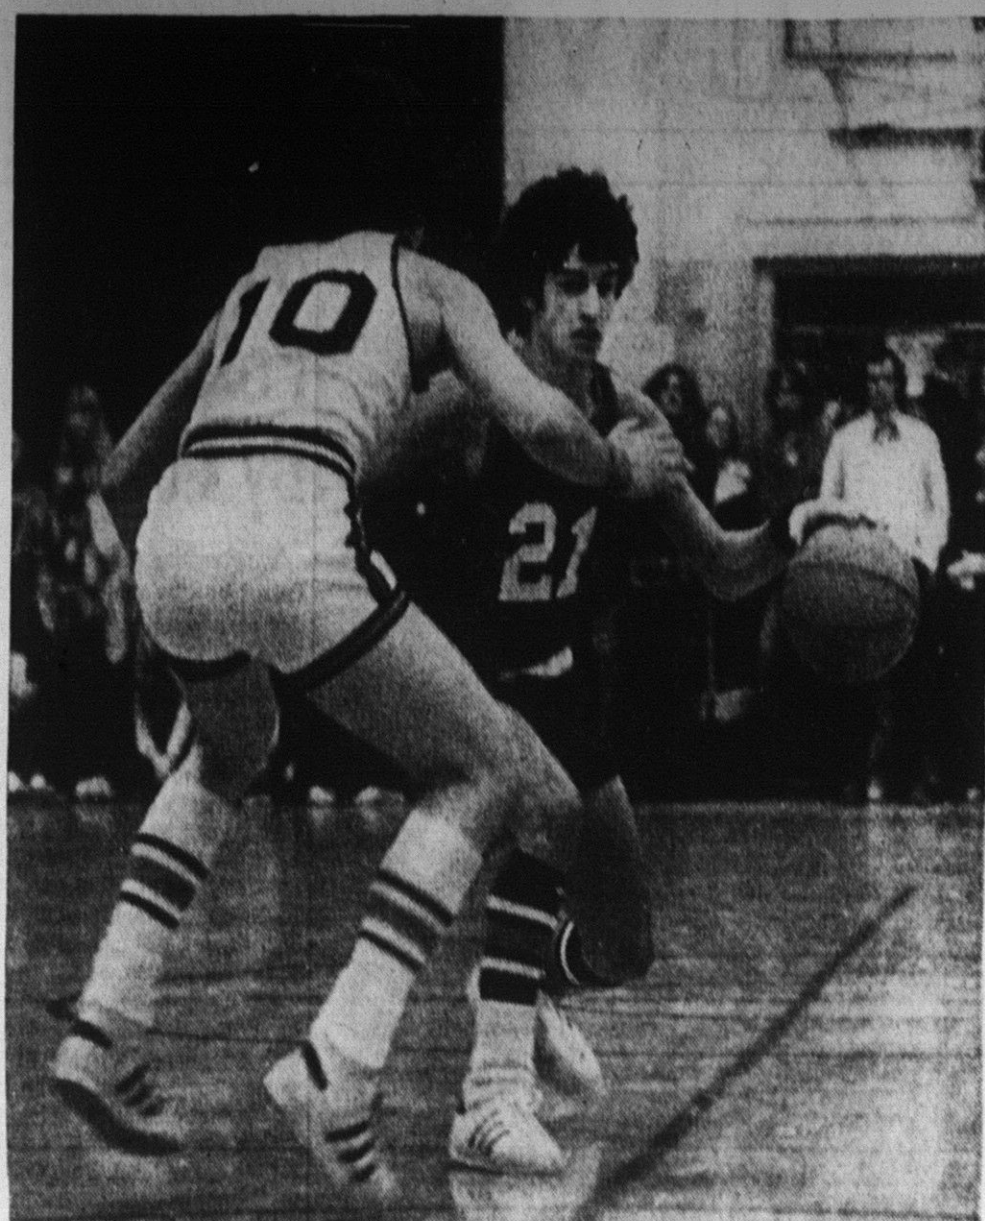

Another city manager report outlined plans for a sewer in Brooks Ave. to serve a proposed expansion of Slickcraft Division of AMF. It stated that the company has agreed to construct a holding pond and water retention device to restrict runoff.

The Department of Natural Resources has notified the city it will be happy to review requests for No Wake zones on Lake Macatawa at Central Park and Kollen Park launching areas on receipt of a formal resolution of the city.

Council approved a resolution prohibiting left turns on 32nd St. for northbound traffic on US-31 bypass. The State Highway Department has indicated willingness to spend \$9,000 to construct a left turn lane for southbound traffic.

Collide at Intersection

Cars driven by William D. Cox, 56, of Lowell, and Bryan Dale Bouws, 23, of 821 Lincoln Ave., collided Monday at 3:50 p.m. at Ottawa Ave. and 21st St. Police said Cox was eastbound on 21st while Bouws was northbound on Ottawa.

SAUGATUCK'S FINE GUARD—The Saugatuck Indians' fine guard Dave Mocini (21) was instrumental in Saugatuck's 90-65 basketball win over Fennville Friday evening in the Holland Armory. Here Mocini, who scored 14 points, drives on Fennville's Al Wightman.

Indians Tomahawk Fennville, 90-65

The Redskins are playing against Miami in the Super Bowl Sunday while the Saugatuck Indians are attempting to play them one at a time and Friday night in the Holland Armory their well-oiled basketball machine demolished arch rival Fennville to the tune of 90-65.

"The only team that I have seen that rates with them is Climax Scotts," said losing mentor Tom Pelon.

That is a pretty big compliment because Climax Scotts just happens to be the No. 1 rated Class D team in the state by UPI while the Indians are 16th but should be higher with a 8-1 season record.

Official Lou Van Dyke of Holland, who has seen many games this winter stated after the fast moving tilt that the Indians are "the fastest and best shooting team" he has seen all year.

Van Dyke and Karl Essenburg were doing their best in trying to keep up with the speedy Indians, who just had too much for Fennville to cope with Friday night before a standing room crowd. It was just a shame that so many people had to be turned away at the gate but that might not happen next year if the new Saugatuck school is completed.

Saugatuck's fine Coach Wayne Fries is trying to keep his players from looking too far ahead because he knows what could happen if they do commented, "Our defense was just outstanding in the first half. It had to be our best effort of the season."

Fries was also pleased with the balanced scoring which was led by high flying Denny Bale's 19 markers.

The 6'4" Saugatuck senior had plenty of help from 6'6" center Tom Hoffman, forward Dave Bekken and the Indians two clever guards Mike Baker and Dave Mocini.

H.G. Working, 61, Dies in Hospital

Howard G. Working, 61, of 641 Hazelbank Rd., died early Sunday in Holland Hospital where he had been a patient for three days.

Born in Kewanna, Ind., he came to Holland with his family in 1925. He attended Holland schools, graduating from Holland High in 1929. For 24 years he was employed in tool and die making at Bay Casting and currently was employed at Hart and Cooley Mfg. Co. He was a member of First United Methodist church and active in conservation groups, being a member of Tulip City Rod and Gun Club and the National Rifle Association.

Surviving are his wife, the former Elsie Morgan; his parents, Mr. and Mrs. Earle Working of Holland; two brothers, Frank E. of Holland and Belmont and Eugene of Holland; two sisters, Mrs. Martin (Marjorie) Bushouse of Vicksburg and Mrs. Lloyd (Evelyn) Miles of Holland; a sister-in-law, Mrs. Lockwood Working of Hastings and several nieces and nephews.

Crash at Intersection

Cars driven by Brian James Kole, 16, of 1255 Marlene Dr., and David Allen Molitor, 21, of Lakeview, Mich., collided Sunday at 12:38 p.m. at Pine Ave. and Eighth St. Police said the Kole car was southbound on Pine while the Molitor auto was heading west on Eighth. Holland firemen flushed away spilled gasoline.

Baker, the son of the well known stock car driver Ralph followed Bale in total points with 16 while Mocini, Bekken and Hoffman were right behind with 14, 13 and 12 in that order. Reserve Dennis Johnson even got into the act with eight points.

Paul Stears and Denny Bale's cousin at Fennville, Bart led the losers with 20 and 12 counters respectively.

"I thought that Stears played a fine game for us," added Pelon.

Saugatuck quickly broke open the game in the first period by firing in 24 points and holding Fennville to only eight.

The Indians matched their first quarter point total in the second stanza to lead at the half, 48-26.

Fennville never gave up as they tallied 19 and 20 points in the final two periods compared to Saugatuck's 20 and 22 totals.

The Blackhawks will host Covert next Friday while the Indians play Gaiien in the Holland Armory.

Saugatuck also won the reserve contest, 55-50 as Frank Biller and Rex Williams each tallied 18 points. John Pitts had 15 for the Hawks. Both teams are now 2-4 for the season.

Panthers Beat Rockford For 5th Victory, 72-63

West Ottawa's splendid Panthers made it look easy Friday night as they rolled over Rockford, 72-63.

This was the second basketball game this week that the Panthers were able to play the entire bench.

"I was very pleased with the hustle shown by the whole team," replied a happy Kissman, and hustle they did. The Rams were never really in the game as West Ottawa had comfortable leads in every period. This Panther team continues to improve each game, strongly evident in the fact that they were guilty of only seven turnovers and their ball handling was super. Defensively the Panthers had complete control with Tim Glupker and Steve Hartman doing an outstanding job on the boards.

No less than four Panther players were well in the double figures in scoring. For the third game in a row Con Zomermaand swished in over 20 points many of them coming on hard driving layups, and steady Tim

Coopersville Youth Killed in Mishap

COOPERSVILLE — William Kamps Jr., 18, of 14395 48th Ave., was fatally injured Saturday at 3 p.m. when he fell into an auger while digging post holes on the family farm.

Ottawa County deputies said Kamps was using a power auger on a tractor and apparently attempted to clean the auger when he lost his footing and fell into the device. He was pronounced dead at the scene by Dr. John Lown of Coopersville.

The body was taken to the Throop Funeral Home.

Strikes Parked Car

Orah Jane Holtrist, 33, of 1606 Jerome St., suffered minor injuries when the car she was driving north along Maple Ave. Saturday struck a parked car 100 feet north of 17th St. She was to seek her own treatment. The parked car was owned by Rosemary Meurer of 20 Country Club Dr.

Hawks Beat Middleville But Not Before Scare

MIDDLEVILLE — Middleville, the basketball doormat for so many years in the O-K Blue Division gave rated Hamilton all they wanted before losing to the powerful Hawkeys, 65-52 Friday evening.

The Trojans shocked Coach Wayne Tannis club by tallying 17 markers in the first eight minutes and holding Hamilton to the same total and leading at the intermission, 32-31.

Middleville also led 46-44 going into the final period and Hamilton didn't take complete control until the Trojans 65' center Finkinger fouled out with six minutes left and his team on top.

Hamilton did eventually get its offense moving with 21 final period points compared to six for the losers to win going away but not before a scare.

"They have a good club this year," said Tannis. Tom Brodright, Warren Berrens, Brad Brink and Earl Slotman played fine games for us."

Berrens was high scorer for both squads with 22 counters while Slotman and Brink followed with 15 and 13. Van Aman

was top Trojan scorer with 20 markers. Hamilton also won the reserve game, 51-40 and the freshmen tilt, 44-36.

Mark Naber of the reserves and Matt Folkert of the freshmen team had 17 points apiece for Hamilton.

The Hawkeys will host Kelloggsville next Friday.

Hope Jolts Kalamazoo, 79-61, in MIAA Opener

Brian Vriesman of Hope College hit the first basket Saturday night and the Flying Dutchmen were never headed, as they rolled over Kalamazoo College, 79-61 in the Civic Center in the MIAA basketball opener for both clubs.

Center Tom Wokers went to work by scoring eight of Hope's 12 points, as the Dutchmen pulled out to a 12-4 lead.

It was guard Dave Harmelink's turn to get into the act, as he fired in 14 of Hope's next 16 points to increase his team's margin to 28-14. All of Harmelink's buckets came from way out.

Vriesman made his presence felt, as he registered 10 of Hope's next 14 points to give the Dutchmen an unreal 38-22 advantage in what everyone thought would be a close game. The Dutchmen ended the first half by leading by 10 markers, 42-32.

After 'K' cut Hope's lead to 48-44 with 14:05 to play in the game, the Dutchmen recorded 10 points while Kalamazoo was only able to get two to break open the contest.

From then on it was all downhill for the Hornets of Coach Ray Steffens, who carried a fine 7-2 mark into the contest compared to Hope's 3-5 slate.

Lee Brandsma ended the night as Hope's top scorer with 22 points and most of these came in the second half. Also reaching double figures were Harmelink, Vriesman and Wokers with 18, 17 and 16 totals respectively.

Center Jim Van Sweden topped the Hornets with 23 counters while freshman Duane Garner of Niles had 10.

Hope connected on 34 of 68 attempts from the field for an even 50 per cent clip while Kalamazoo was good on only 24 of 71 for a frigid 34 per cent.

The Dutchmen also outrebounded the Hornets, 49-40, as Vriesman and Wokers led the way with 14 and 12. Van Sweden had nine for 'K'.

"It was our best game since Wabash," said a pleased Coach Russ DeVette after the game. "It sure is good to see all that balanced scoring. I just hope we can keep it up."

Greg Slenk replaced Mike Riksen in Hope's starting lineup and came through with four points and nine rebounds. Riksen has a sprained ankle and will probably miss Hope's next game Wednesday at home against Aquinas but may be ready Saturday against Adrian.

Miss Sonja Lohman Is Wed to Duane Garvelink

Mrs. Duane Garvelink

Wedding vows of Miss Sonja Lohman and Duane Garvelink were solemnized Friday evening in Hamilton Reformed Church before the Rev. John Nieuwma. Providing music were Miss Jean Bouwman, organist, and Mrs. Wayne Boeve, soloist.

Parents of the couple are Mr. and Mrs. Vernon Lohman, route 2, Hamilton, and Mr. and Mrs. Charles Garvelink, 9955 Riley St., Zeeland.

Attending the couple were Miss Rose Garvelink as maid of honor, Miss Bonnie Lohman and Miss Debra Folkert as bridesmaids, Norman Garvelink as best man, Terry Garvelink and Laryn Lohman as groomsmen, Marshall Lohman and Keith Lohman as ushers and Vern Lohman and Kevin Van Gelderin as program attendants.

The bride designed and made her gown of ivory miramist with ivory lace sleeves. The empire waist was accented by a pink ribbon and the skirt by an apron. A self-ruffle formed a bib effect on the bodice and also accented the neckline, apron and hem of the skirt. Lace trimmed with pink ribbon was featured at the bodice and

apron. The floor-length veil of bridal illusion was secured by a camelot cap trimmed with matching lace and ribbon. She carried her mother's Bible topped with pink sensation roses and a showering of staphanotis accented with an ivory velvet ribbon.

The attendants wore floor-length plum colored dresses with empire waists. The bodices were accented with lace bibs and the skirts with flocking. Each carried a nosegay of plum carnations and white pompons.

Presiding as master and mistress of ceremonies at the reception in the church parlor were Mr. and Mrs. Harold Lankeet. Miss Barbara Kooiker and Miss Karen Hoffman were at the punch bowl and Miss Ronna Lohman and Miss Paula Lohman were at the guest book.

Following a southern wedding trip, the couple will reside at 115 West 32nd St.

The bride is employed by Excellco Corp., and the groom by Chris Craft Corp.

The groom's parents hosted a rehearsal dinner at Van Raalte's Restaurant.

Childs Tells Smoking Evils at Rotary Meet

Ralph Childs, Executive Director of the West Michigan Tuberculosis, Health and Emphysema Society spoke to Rotary members on the cigarette smoking, in his talk, "Don't Let Emphysema Steal Your Breath Away."

Childs said that Emphysema has become more prominent and prevalent within the last hundred years and particularly since about 1914 when cigarette smoking began to be popular. Emphysema, Childs said is basically a man's disease and will strike one out of every 10 men. And in that group also, seven out of 10 people will be men, three will be women.

Basically, Emphysema is usually associated with cigarette smoking but air pollution contributes somewhat to the disease. Almost every individual over the age of 12 in our large urban areas has emphysema in some of its early stages caused by pollution. The disease is becoming one of our major illnesses and is second only to heart disease.

The problem of cigarette smoking is becoming greater in the 12 to 18 - year - old group and last year, even though 29,000,000 smokers quit the habit, more and more people are smoking now than ever before. Childs said that men will quit the smoking habit much quicker than women. It is difficult, he said, to quit smoking.

Childs said that an individual doesn't know that he has emphysema until the deadly disease strikes and is too far gone to do anything about it. The lungs gradually lose their elasticity and eventually collapse and as each air sack collapses, it becomes more difficult to breathe normally. At the first signs of difficult breathing the individual should see his Doctor for a respiratory test.

Childs concluded his talk by showing a series of six posters showing the dangers of smoking. The posters were created by school children in schools in Ottawa County and re-designed by a Grand Rapids advertising agency.

The West Michigan Tuberculosis, Health and Emphysema Society, which comprises Ottawa and Kent Counties is the organization which distributes the Christmas

Seals depicting a white peace dove perched on a green holly wreath.

The West Michigan Society provides Tuberculin Testing and X-Ray - with its mobile unit when it visits Ottawa County Communities. All proceeds from the sale of the Dove - Wreath Christmas seals go towards providing the X-Ray - Tuberculin testing service.

'A BIT OF KAMP' — Long-range planning was evident in this picture of the Junior Welfare League committees in charge of the 1973 edition of the Follies which is set for Feb. 23 and 24 in the Holland High Performing Arts Center. Shown here with their Indian props are, left to right, Mrs. Landis

Zylman and Mrs. Ronald Boeve, talent co-chairmen; Mrs. Jack DeRoo, publicity; Mrs. Jack Dozeman, patron tickets; Mrs. Michael Calahan and Mrs. James Nelson, advertising. Mrs. David Paulson, ticket chairman, was not present when the picture was taken. (Sentinel photo)

Follies Plans Set

With less than two months to the target dates of Feb. 23 and 24, the Junior Welfare League Follies committee has set the theme for this year's revue on the stage of the Holland High School Performing Arts Center for two consecutive nights.

Proceeds with a goal of \$5,000 will go towards the modernizing of the present kitchen facilities and the winterizing of the sanitary facilities at Camp Kiwanis.

Co-chairmen Mrs. Don Miller and Mrs. James Von Ins and the committee selected the title, "A Bit of Kamp," for the show that is produced with local

talent and staged and directed by the professional company of Jerome H. Cargill Co. of New York.

Mrs. Thomas Ambrose and Mrs. John Gronberg have been planning the Follies program which will feature original drawings by Mrs. Gronberg.

Mrs. Roger Olsen and Mrs. Richard Ordon are completing plans for a contest to pick, by popular vote, Holland's "Kampiest Kritter." Mrs. Kenneth Michmerhuizen and Mrs. David Wehrmeyer are in charge of staging and scenery; while Mrs. James Siegers is taking care of props.

In charge of finances is Mrs. William Hopkins; Mrs. Thomas Marsilje, ushers; Mrs. David Kempker, make-up; Mrs. Richard Ryenga, babysitting; and Mrs. William King and Mrs. Barry Werkman, costumes.

The proceeds of the first and second Follies, which the Junior League presented more than 10 years ago, went towards the furnishing and decorating of the children's section of the Herrick Public Library.

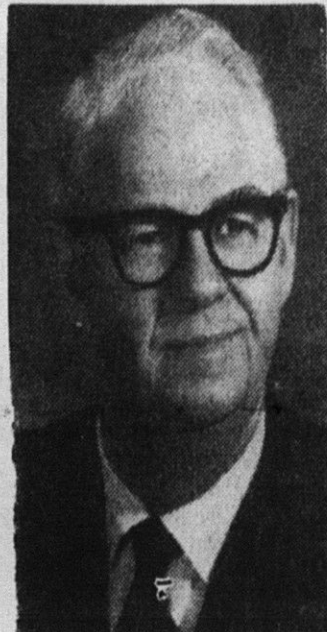

The 1970 Follies supported the Higher Horizons of Holland, which received three years sustained support amounting to a total of \$9,000.

EDUCATION AND JOBS

The rise in industrial production will be a bit of good news to this year's college graduate, for it means a better opportunity for a job. But there is a catch. The jobs will be found in those areas close to the business expansion. Graduates trained to move into various areas of the world of business will find much better opportunities. However those trained to enter the academic world of teaching will find problems and the operating costs is the large one.

The student who is entering college, or who still has some opportunity to decide on his major work, would do well to have a good look at what the job market holds. Recent statistics tell us that at the lower levels the number of students entering our schools has dropped. Translated into the future, this means fewer teachers in the years ahead. There is of course the possibility that with increased prosperity taxpayers may be willing to pay more taxes and allow administrators to cut the size of classes or to increase the offerings in the curriculum. Both lead to an increase in the teaching staff.

We ought not to think that the student hasn't been watching this himself. There has already been a shift to those areas that give promise of a job at the end of the college career. And colleges are beginning to ask themselves whether they are in line with a changing world. And they should.

Recent statistics tell us that at the lower levels the number of students entering our schools has dropped. Translated into the future, this means fewer teachers in the years ahead. There is of course the possibility that with increased prosperity taxpayers may be willing to pay more taxes and allow administrators to cut the size of classes or to increase the offerings in the curriculum. Both lead to an increase in the teaching staff.

We ought not to think that the student hasn't been watching this himself. There has already been a shift to those areas that give promise of a job at the end of the college career. And colleges are beginning to ask themselves whether they are in line with a changing world. And they should.

The student who is entering college, or who still has some opportunity to decide on his major work, would do well to have a good look at what the job market holds. God's Concern for His People
Ezekiel 34:1-2, 7-15
By C. P. Dame

Most people believe that God exists but not all believe that God is concerned about you and me and people in general. This lesson teaches what the Bible stresses that God is concerned about people and also about individuals.

I. God knows about our doings and about our shirking. This is another lesson about Ezekiel. God gave him a special message for "the shepherds of Israel." We associate the word "shepherd" with spiritual leaders but the Bible applies the word to the nation's rulers — to David (Psalm 78:70-72); to Cyrus, the Mede, (Isaiah 44:28), and to Moses (Isaiah 63:11). Although the word refers to political rulers, it is not amiss to apply it to spiritual leaders.

"Ho, shepherds of Israel who have been feeding yourselves!" They looked out for themselves and forgot the flock and its needs. "Should not shepherds feed the sheep?" Of course they should. But the sheep were "scattered upon all the face of the earth" — some, the Northern Kingdom, had been exiled by the Assyrians and the Southern Kingdom had been brought to Babylon. Both the people and their leaders were to blame, but the leaders particularly because they misused their power. In His ministry Jesus was moved with compassion because the people were "scattered abroad as sheep having no shepherd" (Matt. 9:36, Mark 6:34).

II. God has a message for leaders. "Therefore, you shepherds, hear the word of the Lord God." These men had not been hearing. If they did, they paid no attention and did not act. God said to these neglecting workers, "Behold, I am against the shepherds, and I will require my sheep at their hand." God is personally concerned. The flock belongs to Him and therefore He holds the shepherds responsible. When leaders lose their sense of responsibility to God, evil follows. Today the sense of responsibility is weak.

III. The Lord is the true shepherd. The prophets, including Ezekiel, stressed the note of hope. The two words, "my sheep" appear several times in the text. God said He was determined to search, seek, rescue and gather the sheep. In God's own time, Jesus came and He called Himself the Good Shepherd, contrasting Himself with the hireling shepherds of His day who thought only of their own safety. Notice that in Luke 15:3-7, John 10:1-18, Hebrews 13:20, I Peter 2:25 and in Revelation 7:17, Jesus is portrayed as shepherd. Is He yours?

Ottawa County 4-H News

By Willis S. Boss,
Ottawa County Extension
4-H Youth Agent

Two 3-day clothing workshops will be held at the Allendale Townhall, with the first one starting on Wednesday, Jan. 24. The following 4-H leaders have signed up: Mrs. Lynn Campbell, Lorraine Yskes, Mrs. Shirley Stroven, Mrs. Adrianna Langeland, Jennie Zoerman, Mrs. Howard Wolters, Mrs. Marvin Vanden Brand, Mrs. Maxine Hop, Mrs. Mae Spoolstra, Mrs. Mart Groenhof, Mrs. Martin Yonekr, Mrs. Preston Jeurink, Georgene Vande Pol, Mrs. Pearl Lamer, Mrs. Gay Young, Mrs. Thomas De Haan, Mrs. Claire Vander Weide, Mrs. Wayne Nienhuis and Mrs. Keith Nieboer. The second session will start on Thursday, Jan. 25 and the following 4-H leaders are signed up to attend: Joanna Aldrich, Mrs. Ronald Eding, Mrs. Helen Wedeven, Mrs. Laverne Kooker, Norma Holleman, Esther Bos, Mrs. Trace Prins, Mrs. Joanne Tyler, Mrs. Marian Vonk, Louise Terpstra, Marcia Van Duyn, Mrs. Grace Lankheet, Mrs. Henry Voelberg, Faith Kraai, Ruth Hertz, Phyllis Zwagerman, Mrs. Edward Ponstein, June De Wind, Mrs. Ray Umlor, Mrs. Herman Rasch, Mrs. Leo Rasch, Mrs. Lawrence Veldheer, Mrs. C. Karsten and Mrs. Ralph Visser. Mrs. Diana Seybert, Extension

Home Economist, will instruct these Tailoring Workshops. They will be working with double knits also. Each leader will make a garment during the 3-day workshop.

Ottawa County 4-H clothing leaders will also be invited to attend an afternoon session on Wednesday, Jan. 31 from 2 to 4 at the Allendale Township Hall. Mrs. Seybert will conduct a class in pattern alterations and also answer questions leaders may have concerning the 4-H clothing project or sewing problems. This class is scheduled to be repeated in the evening from 7 to 9 at the town hall.

The Jan. 20 4-H Horse Judging Clinic will be held at the Victor farm in Nunica and will start at 1 p.m. This judging clinic is for the best 4-H members in the horse judging project who are 14 and over and those who are interested in competing for the State 4-H Team. They will be judging two classes of horses, a class of Arabians at halter and a class of mix breed under saddle. We invite younger members to this event, those between 12 and 14, to participate and get acquainted with the judging program. The Victor farm is located just south of I-96 expressway, off 88th Ave. 88th Ave. runs north and south. Just south of the expressway is a street called Fitzgerald. Turn west on Fitzgerald and the Victor farm is located the first place on the left. They have a large green and white striped arena 70' x 120' where we will have adequate space to have our judging contest. Chet Raak assistant 4-H horse project leader will be in charge. Other dates in connection with the horse judging team which should be reserved are Feb. 3 and 24.

On Friday and Saturday, Jan. 26 and 27 the dairy and beef 4-H leaders from all over the state will meet at Camp Kett, which is a leader training facility near Cadillac. The beef workshop will feature Dick Dunn, extension specialist in animal husbandry at Michigan State University and will cover such things as "How We Do It In Our Club," selection of animals in connection with carcass characteristics, production feeding and management, looking at the meat side of livestock, and events, activities and programs scheduled. Ottawa County may send one carload of beef leaders.

The dairy phase of the program will be open to one carload of leaders from Ottawa County also and will feature such things as production, mastitis disease control and various things that leaders can teach to members in their clubs. They will also have an opportunity to share ideas, be informed of various activities and events and work with the breed associations. The dairy program will feature Bernie Heisner from the Michigan State University Dairy Department.

The dairy and beef workshops will run concurrently. 4-H leaders are invited to attend and should notify the 4-H Office, County Building, Room 101, Grand Haven, MI 49417 by Jan. 17 if they wish to attend.

Poster promotion may not be a new thing, but the nation's five million 4-H members it may mean a new theme. 4-H members around the country are annually called upon to design posters describing 4-H "the way it is." Called the 4-H Poster - Art Program, the contest gives 4-H members the opportunity to use their creative talents in promoting 4-H and developing their own theme. Selected ones will then be sent to the State 4-H Office at M.S.U. where they will be judged by the State 4-H creative arts developmental committee. Last year several of Michigan's poster creations were reproduced for use in slide-tape presentations.

Photographs of the Lake Michigan shoreline by summer resident Simon Den Uyl are displayed on the walls along with an oil by Saugatuck artist Clifford Duncan; a stained glass wall scene by Zeeland's John Vanderburgh; handcrafted mugs, bowls and pitchers by Potter Jeta Dick of Fennville and a mural depicting a sailboat race at the Holland Harbor entrance by Rein Vanderhill.

Menus are for luncheons and dinners and feature a build-your-own salad, do-it-yourself steak, crab, lobster, oysters, stuffed chicken and steaks as well as selected sandwiches.

Guests arriving at The Hatch by boat in season may use one of the five slips provided. As warm days return an outside entrance and service window will open off the lounge where a torch-lighted patio with a sunken fire pit will be available for guests to enjoy summer evenings before dinner.

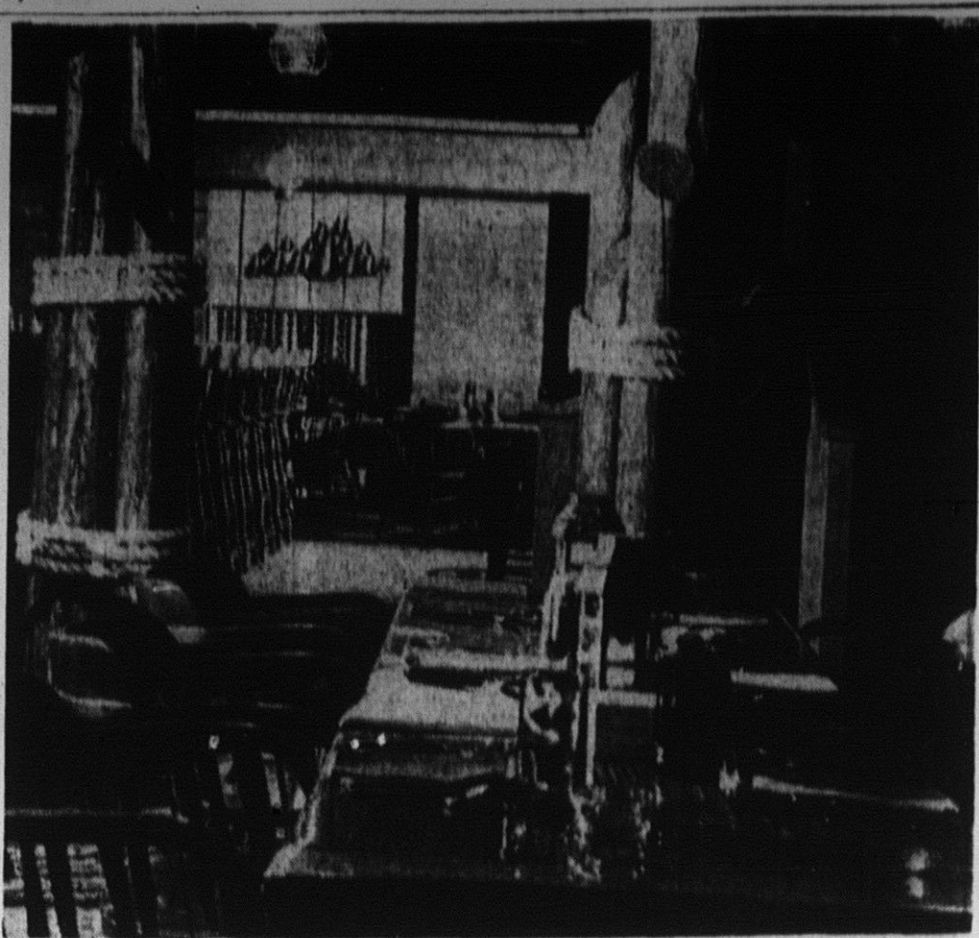

Eric Robinson is manager of The Hatch while his assistant is Steve Jacobusse and the chef is Terry Smith. All have had prior restaurant experience.

Coats and Clark, Inc. sponsor of the National 4-H Poster - Art Program, awards cameras for the 10 best entries along with one for the poster with the best international 4-H theme.

The Ottawa County 4-H Council will be putting out a new Ottawa County Plat Book in June 1973. In order to offset some of the expenses of the plat book, the 4-H Council will be soliciting by phone for ads from business places to be put in the plat book. The plat book gives all the locations of any 5-acre parcels of land or larger on a map of each of the townships. It will be brought up to date as of the tax roll end of 1972. The present plat book is three years old and there have been many changes since this time. The Ottawa County 4-H Council will sell the plat books for \$4 each and use this money for promotion of the 4-H program, awards and expenses carrying out a program for young people.

DINING AREA — Nautical decor is obvious in the interior view of The Hatch, 1870 Ottawa Beach Rd., the Holland area's newest restaurant. The view looks from the dining area into the lounge. The restaurant features small dining areas and a menu of seafoods as well as steaks and build-it-yourself salads and desserts.

The Hatch Is Holland's New Restaurant

The Holland area's newest restaurant, The Hatch, with nautical decor and a menu of beef and seafoods, is open at 1870 Ottawa Beach Rd. near Bay Haven Marina.

The exterior of warm, sand-colored stucco finished walls is dramatized by strategically placed rugged vertical pilings. The mansard roof's metal fascia is painted russet orange.

Guests enter the massive front "hatch" over a natural boardwalk which is lined with heavy hawsers as hand rails.

Inside The Hatch has an essentially open plan. It is divided into six rather intimate areas along outer walls. See-through raised hearth fireplaces of rough-textured masonry separate several dining spaces while floor to ceiling wine racks are also used with dramatic effect.

Inside walls are paneled with cedar slightly darkened by flameproofing to a pleasing rich brown. Guests enter a raised reception area overlooking both the 50-seat cocktail lounge and the dining area which accommodates 125 persons.

Photographs of the Lake Michigan shoreline by summer resident Simon Den Uyl are displayed on the walls along with an oil by Saugatuck artist Clifford Duncan; a stained glass wall scene by Zeeland's John Vanderburgh; handcrafted mugs, bowls and pitchers by Potter Jeta Dick of Fennville and a mural depicting a sailboat race at the Holland Harbor entrance by Rein Vanderhill.

Maroons Top Bucs, 63-60 To Snap Four-Game Skid

GRAND HAVEN — Holland Christian's basketball team survived a scare in the last 45 seconds, during which time Grand Haven scored nine points, to come up with a 63-60 win in the Bucs' gym. The triumph snapped a four-game losing streak for the Maroons, and also a four-game winning mark for Grand Haven, which entered the game with a 4-5 won-lost record, after losing their first five games. Christian also had a 4-5 record going into the game.

Coach Elmer Ribbens decided something had to be done to get the Maroons back on the winning trail, and came up with a vastly revised lineup. Chuck Visser remained at center, while Sid Bruinsma was switched from guard to forward and Jim Terpstra from forward to guard. At the other two spots Ribbens inserted a pair of sophomores, Keith Frens at forward and Del Petroelje at guard.

The results had to be pleasing to the coach as this five, along with Rick Klompmaker and Keith Branden, pretty much kept the contest well in control. The switch in position didn't hurt Bruinsma's scoring any, as he led both teams with 26 points, all on field goals, while Frens topped the rebounders with 17. Visser also chalked up 20 points, as Christian was able to work the ball into the big center.

Terpstra, along with his nine

Chuck Visser
... Christian's big center

counters, did a good job at his new position, and Petroelje, while not scoring, handled the role of playmaker in a more than capable manner, especially considering that Grand Haven used a full court press nearly the whole game.

After falling behind 8-4, the Maroons took charge and moved out to a narrow 12-11 first quarter margin, as Bruinsma netted four baskets in the period. Jim Kalsbeek canned a pair of free throws to open the second quarter, giving the

Bucs the lead for the last time, 13-12. Christian then reeled off 10 consecutive points for a 22-13 margin with 3:42 to go in the half. Visser netted six of the points. Grand Haven managed to narrow the margin to 26-21 at the intermission.

The third quarter has been nearly fatal to the Maroons in their four previous games, but not this time, as Christian broke the game open early in the period, racing to a 37-23 advantage at the 3:45 mark, with Visser again hitting a trio of buckets. The Maroons continued on to a 47-34 score going into the final eight minutes. Visser had eight points in the period, while Terpstra notched seven.

As the Bucs were pressing all over the floor trying to get back in the ball game, the Maroons kept getting the ball to Bruinsma, who canned six baskets in the final period to thwart any Grand Haven hope for a win. With 44 seconds to play and Christian enjoying a comfortable 63-51 lead, coach Ribbens took out all of his regulars.

This move didn't work out as well as the one he made in juggling up the starting lineup, as the subs weren't able to handle the Bucs' press and Grand Haven, with 18 seconds left, was within three, 63-60. At the first opportunity four of the starters came back in to preserve the win.

The Maroons held a 50-27 advantage in rebounds, as Visser and Bruinsma supported Frens with 11 and 14 respectively. Christian intimidated the Bucs on many of their shots, with the results they had period percentages of 26, 20 and 27 before getting 50 per cent in the fourth quarter, with several of these on layups in the final seconds.

The Maroons, on the other hand, after 33 per cent in the first quarter were 54, 50 and 57 per cent for the remaining periods.

Grand Haven's reserve team broke up a close game in the fourth quarter to win going away, 61-47. Christian led at the quarter 12-10, before the Bucs took leads of 27-26 at the half and 42-39 at the three quarter stop. Don Start with 20 and Steve McClain with 17 paced Grand Haven, while Bob Vander Hoon's nine points were top for the Maroons.

Christian now awaits its clash Friday with city rival Holland in the Civic Center.

They indicated that the Creative Living activity program based at the residence is presently serving 12 to 15 participants in four - hour - long segments. It is expected that the program will be less expensive than hospitalization, and will considerably lower the number of people having to be admitted to psychiatric hospitals.

Among those attending were Sen. Gary Byker, Reps. James Farnsworth and Melvin De Stigter, Chairman William Winstrom and several members of the County Board of Commissioners, and Mayor L. W. Lamb Jr. and representatives of the Holland City Council.

Some 75 people with a professional relationship to Mental Health programs attended a special open house on Jan. 10. Clergymen, physicians, representatives of several public agencies, and others toured the building and heard informal explanations of the purpose and goals of the programs from members who served as guides.

On Jan. 11, more than 250 Ottawa County persons received informal tours and explanations at the residence. The group included neighbors interested in the programs being offered at the facility in their neighborhood and people who have friends and relatives under psychiatric care. The majority came out of a general interest in this and other Mental Health programs.

The Residential Center is one of several programs in Ottawa County under the direction of the Mental Health Board.

DR. MULDER HONORED — Dr. Donald G. Mulder (left) professor of surgery at the School of Medicine, University of California Medical School, Los Angeles, receives NCAA award from Samuel E. Barnes (right), NCAA secretary-treasurer during NCAA Honors Luncheon at Chicago's Palmer House Friday. Dr. Mulder, a 1948 Hope College graduate, was one of five to receive the NCAA silver anniversary award which is presented to former student-athletes who

have achieved distinction in their careers. Dr. Mulder is recognized as a pioneer in the technique and practice of open-heart surgery. At Hope he played baseball and basketball. He played on the 1942-43 MIAA basketball champion "Blitz Kids" and after World War II service he returned to Hope and was the MIAA's most valuable basketball player in 1947-48. Randy Kuipers, the leading Holland batter last spring, has been invited for a tryout for Michigan State University's baseball team.

Kuipers, who played shortstop for the Dutch for Coach "Tiger" Teusink and Ray Backus has a "cannon" for an arm.

"He had the most powerful arm I have seen in my six years at Holland," said Backus. "And I would have to say he had one of the best attitudes of any kid I ever coached."

Said Teusink, "Randy is a steady performer, a good infielder with good hands. Probably his greatest asset is his hitting. He's what I call an aggressive hitter."

Kuipers, who led the Dutch in hitting, only walked once during the entire 1972 campaign.

The 5'9" Kuipers is not only full of compliments for his two high school coaches but credits John Anderson of Holland Post 6 for a lot of his success.

Randy commented, "Mr. Anderson spent a lot of individual time with me and I really appreciated it. The other guys would have even left practice and Coach Anderson would be hitting me grounders or giving me tips on hitting."

Anderson is responsible for switching Randy from shortstop to third base.

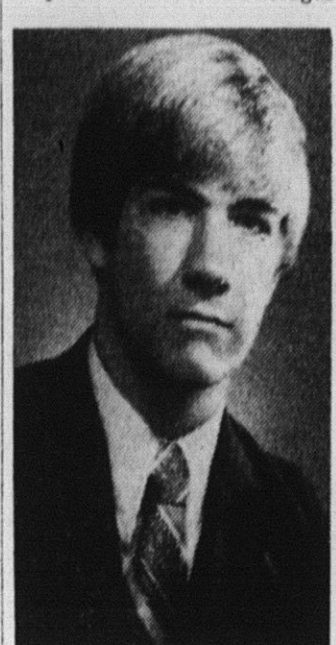

"Third base is his natural position," Anderson has replied. Kuipers had practiced in the fall with the MSU jayvees which is coached by Tom Smith.

"It was just a thrill to be given the chance to make Coach Danny Litweiler's varsity," Kuipers stated.

If Randy continues to improve like he has the past two years, he will make a great contribution to the MSU baseball team.

It looks like two former Holland Christian stars Art Tuls Jr. and Dick Frens will be asked to carry Calvin College's basketball team as far as they can in the MIAA this winter.

Tuls, who is averaging well over 20 points an outing, fired in 26 points in Calvin's league

opening 58-54 loss to defending champion Olivet College last Saturday.

The rugged Frens was the only other Knight to hit double figures with 10 and also led both teams in rebounds with 12.

Staying with basketball, sophomore Jim Helmink of Holland is presently the leading scorer for the undefeated Central Michigan University junior varsity squad.

The 6'3" Helmink has pumped in a 19.7 per game mark for the 6-0 Chips.

Remember quarterback Phil Powell of Franklin College?

Coach Ray Smith of Hope College will never forget him, as the then sophomore signal caller rattled the Flying Dutchmen for four touchdowns in Franklin's 60-6 bombing of the Dutchmen on Sept. 19, 1970.

It was Smith's first year as coach of the Dutchmen and the loss was one of Hope's worst ever. Only the 65-0 defeat to Western Michigan University in 1921 was more lopsided.

Powell, who completed 18 of 32 attempts against the Dutchmen on that day, threw for 59 touchdowns and totaled 6,571 career yards.

He completed 54 per cent of his passes and holds every passing mark in the school's history. Powell even had his number retired.

For his brilliant career, he was honored in this week's issue of Sports Illustrated.

Dan Saul, one-time photographer for The Sentinel, attended the 1973 Rose Bowl game in Pasadena, Calif.

"I was in the wrong end zone," said Saul. "They kept scoring on the other end."

Saul, like a lot of people doesn't think too highly of Ohio State's Coach Woody Hayes, especially after what happened at this year's classic when Woody pushed the lens of a camera in 55-year-old Art Rogers' eye.

"I can't see how he can keep getting away with the stuff he does," added Saul.

Neither can we Dan and we hope Wayne Duke, the Big Ten commissioner will do something about it.

Dutch Lose But Give Foe Battle

Holland's basketball team turned in one of its best performances of the season before falling apart with only four minutes to go and eventually losing to rated Muskegon Reeths-Puffer, 64-55 Saturday night in the Fieldhouse.

"We played real well for three and one-half quarters but just didn't do anything right in those final four minutes," said Coach Don Piersma of the Dutch.

The Dutch looked more like the visitors were supposed to look, as they only were down by two points, 55-53 when disaster struck.

Muskegon reeled off six straight points while holding Holland scoreless to take a 61-53 lead with 1:43 left in the game.

The Rockets' win was their ninth in 10 contests while the Dutch are 2-8 for the winter. Reeths-Puffer's only loss was to powerful Muskegon Heights, 63-60 earlier in the season.

Paul Van Oostenburg, who ran into early foul trouble for Holland, put in a basket and Tim Boeve added two free throws to give the Dutch a quick 4-0 margin.

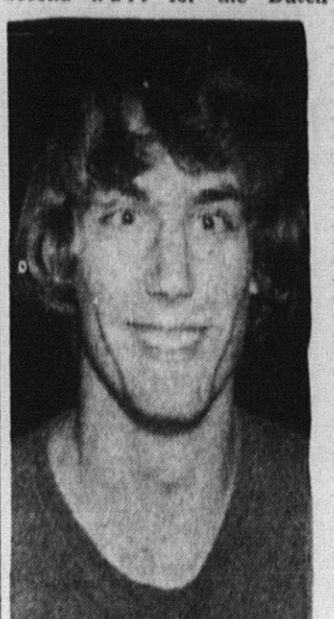

Tim Van Tongeren's long jumper with only three seconds left in the period gave the Dutch a 18-16 advantage over the 18th rated Class B school.

With center Ron Israels playing his best game of the season, the Dutch upped their lead to 32-29 at the half. Jed De Boer and Dick Wood also started

to find the range for Holland. Little 5'8" guard Darnell Flourney found a leak in Holland's defense in the third period, as he blitzed the nets for eight points on four long fielders and continued his deadly outside shooting with 10 more counters in the final stanza to pace the Rocket comeback.

Besides Flourney's 20 points, Leon Manning and Charles Alvin tallied 13 and 12 markers respectively for the winners.

De Boer swished 11 of his team high 19 counters in the second half for the Dutch

Ron Israels
... has strong contest

while Israels, who was popping them in from the key finished the night with 14 points.

Israels was the lone Dutch bright spot in rebounding, as he had 13 of his teams 28 total. Manning and Bryan Bobo had 12 and 11 of Muskegon's 51 total caroms.

Both teams netted 23 fielders but the Rockets had 26 free throw attempts and hit on 18 of them compared to Holland's nine of 18 tries to take the verdict.

Holland only had nine turnovers heading into the final period and ended the night with 16. Reeths-Puffer had the same total.

"Our kids did a good job, they don't know when to quit and it's a pleasure to work with them," stated Piersma, who isn't used to losing.

Holland also lost the reserve tilt to the Rockets, 52-36.

The Dutch will battle rival Holland Christian Friday night in the Civic Center.

Grand Haven Youth Makes False Report

GRAND HAVEN — Stanley Cook, 19, of Grand Haven, was arraigned in District Court Tuesday to a charge of making a false report to Ottawa County deputies in connection with an alleged robbery Dec. 20 at Loren's Spur Station, M-21 and US-31. He was sentenced to 60 days in the county jail.

Deputies said \$1,300 was reported taken in the alleged robbery. Deputies said warrants for the arrest of two other persons were authorized by the county prosecutors office.

Eagles Tip Chix On Free Throws

HUDSONVILLE — Hudsonville won the battle with Zeeland at the charity line here Friday night, as the Eagles swished three more foul shots to take a thrilling 71-80 basketball win.

Both teams netted 29 fielders but the Eagles had 13 free throws while Zeeland had only 10.

Hudsonville took a 19-16 first period lead but trailed at the intermission, 32-31. The Eagles held the upperhand at the end of the third quarter, 55-48 but were outscored in the final eight minutes, 20-16.

Zeeland connected on 39 per cent of its shots while Hudsonville was good on 42 per cent.

The Chix did outscore the Eagles, 45-34.

Both clubs are now 2-3 in the O-K White Division. Zeeland is 3-6 for the season while Hudsonville is one game better at 4-6.

Ken Westhuis led the winners in scoring with 17 counters while Craig Reister and Joe Perrin followed with 13 and 11 in that order. Kurt Bennett was high man for Zeeland with 21

counters on nine field goals and three free throws. Steve Bassett chipped in with 10.

Zeeland will host Godwin next Friday while Hudsonville will take on Grand Rapids South Christian at East Kentwood's gym.

A car operated by Jerald John Sternberg, 49, of route 1, Holland, westbound on Eighth St., moved from the left lane into the right lane colliding with a car in the right lane driven by Thomas Duane Graham, 19, of 246 West 33rd St., shoving the Graham car into a car parked along the curb and owned by Earl Barkel, 31 Holly Ct. The accident occurred Monday at 11:30 a.m. along Eighth St. 350 feet east of River Ave.

Newlyweds Return From California Honeymoon

Mrs. Robert George Veldman Jr.

Mr. and Mrs. Robert George Veldman Jr. have returned from a wedding trip to California and are residing at 312½ West 21st St.

The couple was married Dec. 27 in First Christian Reformed Church of Redlands Calif., with the Rev. Henry Radius officiating. Mrs. Geneva Mills was organist at the evening ceremony and Robert Auzkol was soloist.

The bride is the former Miss Karen Mae Van Grouw, daughter of Mr. and Mrs. Clarence Van Grouw of Redlands. The groom's parents are Mr. and Mrs. Robert Veldman Sr. of Grand Rapids.

Attending the couple were Cheryl De Young, sister of the bride, as matron of honor; Jan Veldman and Laurie Veldman, sisters of the groom, as bridesmaids; Ron Verwys as best man and Lee Van Grouw and Mike Heuvelhorst as ushers.

The bride and her mother designed and made the bridal gown and veil. The dress of white crepe with bridal satin lining was set off with bridal lace and pearls with sequins. A full-length train trimmed with

matching lace attached at the waist. A camelot headpiece trimmed with lace and pearls held an elbow length veil with layered tiers. She carried white mums, stephanotis and baby's breath centered with an orchid.

The attendants wore red crepe blouses and long multi-colored quilted satin finished skirts with royal blue sashes. Each carried a colonial bouquet of white mums and red carnations.

A reception for the couple was held in the social hall of the church.

The bride, a 1972 graduate of Calvin College, is a fourth grade teacher at Maplewood Christian School. The groom served two years in the Army, attended Grand Rapids Junior College for two years and is presently employed by Krogers in Grand Rapids.

Hear Talk On New Proposed Skill Center

The need for an area vocational center in the Ottawa Intermediate School District was explained at a regular meeting of the Tulip City CB Club Inc. which met Saturday evening in the North Side Peoples State Bank building.

Speakers were Lewis Beem, manager of training and team development for Donnelly Mirrors who is representing the West Ottawa School District on the Career Education Planning District committee and John Dyksterhouse who is the director of Adult Education in Holland High School. They spoke of the various courses which would be taught in the new vocational facility which would involve students from 11 public school districts in the area including Allendale, Coopersville, Grand Haven, Hamilton, Holland, Hudsonville, Jenison, Saugatuck, Spring Lake, West Ottawa and Zeeland and two non-public schools, Holland Christian and Hudsonville Unity Christian.

A short film was shown. March 8 is the date set for voting on millage for this proposed skill center.

The meeting was in charge of Oliver Yonker, president of the CB Club. Refreshments were served.

The next meeting on Feb. 10 will feature a short business meeting after which members of the CB Club will be given a tour of the new police and county buildings in Holland.

Regular CB meetings are now being held the second Saturday of every month.

Mrs. L.W. Lamb Jr. Speaks to WCTU

The January meeting of the Women's Christian Temperance Union was held Friday afternoon at Hope Reformed Church.

Unit to Coordinate Child Care Plans

An organization dealing with the care and education of Holland area children, the Holland Area 4-Cs committee, has been formed and its by-laws have been submitted to the state for recognition.

The concept for Community Coordinated Child Care, as the organization is known, originated in 1969 in the Office of Child Development of the Department of Health, Education and Welfare. 4-Cs is organized on the federal and state levels and in several counties in Michigan.

Representatives of the Holland Area 4-Cs are from public and

private agencies who are involved with the care and education of area children.

Included are Holland and West Ottawa public schools, Christian schools, all pre-school programs, cooperative nurseries, the Department of Social Services, Community Mental Health, Ottawa County Health Department, city manager's office, Community Action House, Juvenile Court, Ottawa Area Intermediate School district, Ottawa Area Center, United Migrant Opportunities, Hope College, League of Women Voters, American Association of University Women, Junior Welfare League and Child and Family Services.

One third of the 4-Cs membership is comprised of parents of children receiving the services of the agencies or organizations.

Chairman of 4-Cs is Ken Phelps, director of the Child and Family Services; vice chairman is Dorothy Cecil, director of the Holland Day Care Center; secretary is Patti Knoll, director of the Learning Center, and Ottawa County coordinator is Cora Visscher.

4-Cs is planning a public informational conference in April in support of quality day care programs for migrants in Ottawa County.

HONORS POW FAMILY — The sacrifices and sufferings of Michigan POWs and their families are recognized as Lyle and Maxine Tromp of Fennville recently accept a Michigan Senate Resolution of tribute from Sen. Gary Byker of Hudsonville. Looking on at left is Joan Ploch of South Haven, area chairman of the Prisoner of War Committee of Michigan. The resolution honors U.S. Navy Lt. Commander William L. Tromp,

a prisoner of war in Vietnam for over six years, as well as his wife, Regina and his parents. Sen. Byker said the Tromps' courageous conduct throughout their personal ordeal is an example of the courage shown by others in similar circumstances throughout Michigan. So his resolution is also intended as a symbolic tribute to all other Michigan POW's and the families who wait for them.
