## HOLLAND GETS SILVER BLACK FOX FARM

WILL BE LOCATED ON WEST  
MICHIGAN PIKE, DIRECTLY  
NORTH OF THE CITY

Firm Is Capitalized at \$20,000.00;  
Fox Pelts Sell at About  
\$2,500 Each

Holland is to have another diversified industry, in fact it is altogether different from anything that has ever been seen here before. It is what is called "A Silver Black Fox Farm," which when fully developed will no doubt prove to be a show place for Holland visitors.

Holland capital has been interested in the new project and a company has been formed under the name of The Holland Silver & Black Fox Company, capitalized at \$20,000.00. The officers of the company are David Blom, president; Lee De Feyter, vice-president; Arend Smith, treasurer; E. F. Albers, secretary; and James Kelly, formerly of Holland, now of Muskegon, general manager.

Already \$12,000 worth of stock has been sold in the city and \$8,000 worth is still to be sold, and calls for some of this stock is already being made.

James Kelly, a former Holland boy, also has a fox farm in Muskegon.

Three years ago, he and Mr. Albers organized what is called the Wolverine Silver-Black Fox Farm, and these young men have made a great deal of money from their new enterprise. Muskegon today is the largest fox farm center in the U. S. More than twenty different farms are located in the vicinity of the "Sawdust City."

Eight years ago a merchant by the name of Smith started off with three pair of Silver-Black fox, and in 1919 the man's books showed that he had sold a quarter of a million dollars' worth of hides in that time.

Smith's success started other fox farms going, every one proving successful.

Some idea may be gained from this breed of fox when it is shown that the lowest price paid for a single pelt has been \$400, while the highest price on record is \$2,627.96.

Mr. Kelly has been selling fox from his farm at Muskegon at prices ranging from \$1500 to \$2500 per pair, mostly for breeding purposes.

The Holland company has no objection on the farm of Lee De Feyter, located one and a half miles north of the city on the West Michigan Pike.

The company will start off with the building of 20 pens, 25x30 feet and nine feet high, with underground and overground houses, for the fox needs two, with underground screening to prevent them from digging out. Other buildings will also be constructed and before spring opens the construction of the farm with its pens and buildings will be well under way.

By September 1st the company will start off with eight pairs of fox as a nucleus to the future business. This according to fox farm experts is a very good beginning.

Fox have one litter a year ranging from six to seven young, if successful.

The breeding season is from March 1st to June 1st, and during that time the farm is closed to all visitors for reason that an excitable fox is liable to kill its young, fearing that some outside agency might destroy them.

The diet of a fox too, is very peculiar. Horse meat is the main article of food during certain seasons of the year, and Holland will soon have a market for all its old hobbins. Tripe and lungs of cattle are also a delicacy, while fish are fed twice a week. Fresh eggs also constitute the most delicious part of a fox's bill-of-fare, but a baby fox must have its milk and rice.

At Pantlind prices a fox "bill-of-fare" would run into money, but Mr. Kelly buys all these articles wholesale and dead horses never cost very much, and remember, too, that it takes something to grow a hide that is worth \$2,600.

We're for Holland's new fox farm.

Those conferring the degree work on candidates before the Eastern Star convention of the county held at Coopersville yesterday were the Mesdames, Minnie Oosting, Jennie Lacey, Jessie Galentine, Gertrude Deagen, Edna Bertsch, Meengs, Alice White, Cora Hoffman, Claudia Thompson, Lucy Goodykontz, Markham, Geria Yore, Miss Ruth Brown, Roy Heath and Frank Gostling. The work was given before an audience of over 300 Stars and Grand Lodge officers, who gave the Star of Bethlehem degree team high praise for the exceptionally fine manner in which they gave the work. Mr. and Mrs. P. R. Coster, Mrs. Emma Van Duren and Dr. J. A. Mabbs were also in attendance at this meeting.

Word has been received today of the death of Alice Louise Mattison, daughter of Mr. and Mrs. Frank Mattison of Fraser, Colorado. She was taken with spinal meningitis and died at the Denver City, Colorado hospital. Interment took place at Fraser. Mr. Frank Mattison is the son of Mr. and Mrs. A. H. Mattison of Virginia Park and Mrs. Mattison was formerly Miss Minnie DeFeyer of Holland.

## P. M. MUST BUILD LARGER FREIGHT HOUSE

MANUFACTURERS ARE NOT  
GETTING SERVICE THAT THIS  
TOWN DESERVES

Local Officials Doing Very Best They  
Can With Equipment on  
Hand

Better freight service on the Pere Marquette is the plaint of the manufacturers in this city, and their grievances reached the third floor of the Sentinel building when the Victory club held its semi-monthly dinner to discuss Holland's needs, its shortcomings, and how to remedy them.

It seems that the local shippers have been having a great deal of difficulty in getting goods shipped because of the congested condition found at the freight house and the lack of trackage in the vicinity of that shipping point, in fact that is one of the big difficulties in Holland. Add to that the recent coal strike and the accumulation of freight caused by embargoes, the situation from a shipper's standpoint has been mighty discouraging and impossible.

From the "go-in" we wish to say that the Victory Club members and shippers placed no blame upon Manager Rich and his staff, in fact only the highest praise was given these men because they accomplish so much under such tremendous handicaps, and under any other management it is doubtful if so much could be accomplished. But Mr. Rich having been here for years, knows the situation thoroughly, has seen the city develop, and has adjusted himself and his work to conditions that are, and not to conditions that should be.

Some relief is experienced since Muskegon and Zeeland freight does not enter Holland yards. This business was formerly routed to Holland and cleared at the Holland freight house. This has been done away with and while it has somewhat relieve the congested condition, a great deal of improvement is necessary to facilitate shipping, and it is this that the shippers of Holland thru the Victory Club wish to make possible.

Holland either needs a larger freight depot with more trackage, or it needs an additional smaller freight depot for the west end of town in the manufacturing district.

The latter project would no doubt be pleasing to Holland manufacturers as the depot would be in closer proximity to where the goods are manufactured.

In order to take this matter up with the railroad officials the following action was taken by the members of the Victory Club:

"On motion of E. P. Stephan, duly supported, the chairman was authorized to appoint a committee consisting of Arthur A. Visscher, T. F. Whelan and John J. Good, to confer with the officials of the Pere Marquette Railway, relative to better and additional freight service for the city of Holland, particularly with reference to new branch freight office and the change in the routing of freight from Muskegon and Zeeland, with the object of better freight service for Holland manufacturers."

## NEW CENSOR BOARD NAMED BY COUNCIL

EIGHTEEN MEN ARE APPOINTED TO PASS ON MOVIES IN HOLLAND

All the Resignations of the Former Board Members Were Accepted By the Aldermen

A new censor board was appointed by the common council at its meeting Wednesday evening. The resignations of the former board still stood when the council met, not a single member having withdrawn the refusal to continue to act, and even one name was added to the list of those who had resigned. Dr. J. A. Mabbs sent his resignation from Muskegon where he is spending the winter.

So someone made a motion to accept all the resignations and to proceed with a clean slate. Alderman Lawrence was ready with a new list of censors and these were substituted without a dissenting vote. They have of course not yet signified their willingness to serve, not a single man having been consulted beforehand, but they will officially receive their appointments soon.

Here is the list: Thomas Ollinger, chairman; Rev. P. P. Cheff, A. H. Landwehr, Walter Lane, Percy Read, E. P. Stephan, Henry Winter, Arthur Visscher, S. J. Henkle, J. J. Rutgers, Otto P. Kramer, Henry Geerlings, James De Young, August Heuer, B. Keppel, Simon Kleyn, W. J. Olive and John Kolla.

It was contended by the aldermen that this board of 18 men could amply take care of the situation, and that would give each of them only one day to serve in three weeks, which, it was believed, would prove no hardship. Mr. Ollinger, as chairman will be expected to organize the board and assign dates to the members.

There was no discussion on the matter, the whole thing being disposed of in a very few minutes. Apparently the aldermen had had enough of movie censor discussion and were ready to let the matter rest as long as it is willing to keep quiet.

## PEOPLE SHOULD THINK BEFORE TAKING ACTION

MAYOR BOSCH IN INFORMAL  
TALK GIVES ADVICE ON  
MUNICIPAL GAS

Proposition Should Be Definite and  
Concrete Before Brought To  
a Vote

That neither the council nor the people of Holland should go into the municipal gas proposition blindfolded but that they should know definitely and concretely what they are about before going to the polls was advocated by Mayor Bosch in a talk to the common council Wednesday evening. The board of public works, largely because of the new development in which the gas company has started suit in the Ingham county court for an appeal from the commission's rate of \$1.45, asking that it be raised to \$1.70, was not ready to make their expected report. But meanwhile the aldermen talked the matter over informally.

"I am an ardent supporter of municipal gas," said Mayor Bosch, "but the council and the city should go at it intelligently. If we go in for it at all, we must not lose at the polls. And in order not to lose, the people must have something concrete to vote on, not mere generalities. And the city must have some definite promise that the people, after election, will support the project."

"The price of gas from a municipal plant, as from any other plant, will depend, during the first two or three years on the number of customers. It is almost certain that the first year there will be a deficit, with probably another the second year. A plant like that can be expected to pay the third year, and keep climbing after that, under normal conditions. What is needed is a list of subscribers who will stick by the city plant from the start, and before we go to the polls, we should have some such list some way in black and white, so that the board of public works can be assured of something definite to begin work on."

"If we have that, we can go to the polls confidently, assured that it will be a success. Although there is as yet no definite proposal before the council, it is not too early for the people to get thinking about this and discussing it."

"We do not want it understood that a municipal plant is a protest against the race set by the Utilities Commission. That commission has treated Holland fairly, but the fights of the gas company in the courts are continuing, and Holland will never be out trouble. We have fought several court battles and won them all, and they have brought us nothing. The time for legal battles is past now."

The Western Union announced to the council Wednesday night that they had raised the price of announcing the time to the city water works a number of times a day from a dollar a month to a dollar and a quarter. Even time seems to be worth more money these days than it once was.

## STATE IS READY TO PAVE THE CITY'S STREETS

RODGERS NO DOUBT WILL DIRECT FOLLOWING THE WEST MICHIGAN PIKE

State Pays 75 Per Cent and City Pays 25 Per Cent If Deal Goes Thru

A question came up at the Victory Club that caused considerable discussion in fact so much that a committee was appointed to take the matter up with the Ottawa County Road Commissioners. Members of the Victory Club were not opposed to the plan but rather wanted some information as to which would be the most suitable route to follow and other light upon the whole project.

It is doubtful if the city will have much to say as to the routing. The State guarantees to improve the West Michigan Pike, and while it may not be generally known, that roadway in reality extends from North River avenue to West Eighth street, through the manufacturing district to First avenue, south to 16th street and so on west to the new Saugatuck road on the Macatawa drive.

The supposition was that the Pike extended south on River avenue to Twelfth street but Pike users followed this way for the reason that Twelfth street and River avenue were paved and First avenue was not.

Commissioner Harrington stated that the city should get busy with the commission as soon as possible for the reason that the work is to be taken up in the spring and as soon as the snow is gone. It is the intention, subject to the approval of the city officials to make a boulevard of First avenue for the reason that it is the widest thoroughfare in the city and gives ample room for a parkway in the center of that avenue.

Holland would be foolish to reject any proposition the state might offer on the basis upon which the offer is made.

According to Mr. Harrington the city will be asked to pay only 25 per cent of the cost while the state assumes 75 per cent of the burdens.

In order to get a better knowledge of the whole affair relating to the expense and the route of the new city-state paying project, the Victory Club as Holland's business body, has appointed a committee to confer with the Ottawa County Road Commissioners, in order to ascertain just what is required, what route is to be followed and such other details as are necessary to know in order that the matter may be brought to a head successfully and to the mutual interests of the city and the tourists alike.

No doubt however the state will and should have considerable to say as to where it will have its roads built since Michigan pays 75 per cent of the costs. At that rate Holland cannot afford to turn down any project that comes within reason and the First avenue suggestion, including a boulevard system doesn't look half bad. No doubt the committee appointed will be able to give some new information at the next meeting of the Victory Club and the members in turn will co-operate with the Common Council in having the matter taken care of in time before spring opens.

The proceedings of the Victory Club show the following motion:

"On motion of W. H. Wing, duly supported by August Heuer, the chairman, Thos. N. Robinson, appointed Mr. E. P. Stephan and Mr. Henry Winter, a committee of two, to confer with the Ottawa County Road Commissioners, relative to the proposed change in the route of the West Michigan Pike, by which the said Pike is to be diverted from 16th street down First Avenue and thence from Eighth street to River Avenue, to obtain definite information and present it together with their recommendation at the next meeting of the club."

According to this motion it would seem that a change had been made in routing the Pike, but Chairman Austin Harrington stated to this paper that the Pike has always been routed as stated above.

## ALL INVITED TO MUNICIPAL SHOW

GRAND RAPIDS MAYOR INVITES CITY OFFICIALS AND PEOPLE OF HOLLAND

The city officials, and all the people of Holland, have been given a cordial invitation by Mayor Gallmeyer of Grand Rapids to visit the municipal exhibit that is being held in Grand Rapids this week. Mayor Gallmeyer's invitation, addressed to the mayor, reads as follows:

"Please accept a most cordial invitation to attend the Grand Rapids municipal free exhibit to be held in the Armory, Jan. 19th to 24th, inclusive. This show will be open from ten in the morning until ten at night, and is intended to demonstrate the activities of the various departments of city government."

"Please extend this invitation to your local authorities, including the school officials, and all the people of your vicinity. This is the first municipal show to be held in Grand Rapids, and you will find it well worth while to attend."

## HAMILTON NEWS

The S. S. teachers and officers of the 1st Reformed church presented G. J. Nevenzel with a bible for his twenty-two years of service in the Sunday School.

Ada Ter Haar is clerking in the Krone-meyer & Schutmaat store.

Grace Ilig is on the sick list.

The brick yard is shut down for awhile to make repairs.

Gerrit Lampen has purchased a new Ford. Jake Eding sells the Ford cars as quick as he receives them.

George Kaper bought a six passenger car. Celery growers are having hard work getting the celery out of the ground but they are still shipping every day.

## SLASHES SELF WITH A RAZOR: DEATH RESULTS

Discouraged because of several circumstances, Dick Byl, a farmer living about a half mile north of Zeeland brickyards, slashed his throat with a razor, and as a result of the wound inflicted upon himself he contracted pneumonia which caused his death Monday. The self-inflicted wound was made last Thursday, but it did not become generally known until Monday of this week when death resulted.

According to one of his sons, Mr. Byl had yielded to discouragement because of a number of reasons. He lost his grip and in a fit of despondency he seems to have decided to end his troubles. The act was not immediately successful however and strenuous efforts were made to save his life.

Mr. Byl was a widower and last fall he was to have been wedded again, but for some reason not known it was broken off. While a somewhat melodramatic story was denied that appeared in a Grand Rapids paper to the effect that the rash act was committed while the man was in despair because of having been rejected by a woman whose name has not been learned and only a few days before the proposed wedding, it was admitted that the affair may have had some bearing on the case. However, it was a matter several months old, and there were a number of other circumstances that are supposed to have contributed to the man's despondency.

Mr. Byl was 60 years old. He was born in Holland township and always lived there. He is survived by four children: Mrs. Francis Kuipers, Albert, William and George, all of Holland township.

The funeral was held on Thursday afternoon at 1 o'clock from the home. Rev. Henry Harmelink of the First Reformed church of Zeeland officiating.

Henry Van Ark of the Van Ark Furniture Co. attended the furniture exposition at Grand Rapids Tuesday.

## UNITED DOCTORS

HOLLAND, MICHIGAN

Holland Hotel,

Friday, February 6th

FOR ONE DAY ONLY

Hours 9 A. M. to 6 P. M.

Thousands of Cases of Various Diseases Free of Charge. The United Doctors is an organization of reputable, licensed physicians. They are all specialists in the treatment of certain diseases. They treat without surgical operations diseases of all internal organs, stomach, intestines, constipation, piles, liver, spleen, heart, nerves, skin, rheumatism, sciatica, goitre, tape-worm, leg ulcers and all long standing, deep-seated diseases. Many years experience. The complete record of thousands of cases successfully treated proved that their methods are right. They were among the first to earn the name.

## "BLOODLESS SURGEONS"

Each member of the staff has at his command the knowledge and resources of the organization. Many people suffer from diseases that can be alleviated just because they cannot afford to go to high priced Specialists and Hospitals at a long distance from their home. No community has a sufficient number suffering from these diseases to support special hospitals for their treatment and cure. The United Doctors have solved the problem. Their highly trained Specialists go to each community and will advise a proper course of treatment for the sufferers and instruct them how to take care of themselves at home. No matter what you have been told or the experience you had with other physicians, consult him on this visit. It costs you nothing. If your case is incurable he will give you advice as may stay and relieve the disease. Married ladies must come with their husbands and minors with their parents or guardians.

## JAMAICA GINGER GETS MAN GLOUBIOUSLY DRUNK

The nation went totally dry Friday night at midnight, but that did not mean that all drunkenness had passed. At 12 o'clock the United States and Holland started on a Sahara schedule but at 12:30 the Holland Interurban car brought with it a man by the name of C. Welsh who was filled to the eye-brows with Jamaica ginger and at 10 o'clock on Saturday morning the stuff was still working and Welsh was unable to appear in court.

At 2 o'clock a call came from Hotel Holland stating that a man who was nearly dead drunk had hove in to the tavern and Officers Staketeer and Stam were detailed to investigate.

They found their man helpless and the night clerk attempting to put him to bed. He was quickly hustled to the city lock-up by the minions of the law.

Saturday morning the man stated that he intended to go fishing here Saturday and took a little bait with him, but said Welsh "The bait got me instead of the fish."

This is the first drunk charge after the nation went totally dry.

## HOLLAND TO HAVE A SKATING RINK

Zeeland has come to Holland to give this city a skating rink and dance hall. James Hartselle of Zeeland, proprietor of the Zeeland Hotel, has leased the Lyceum Rink on W. 7th street and will start a skating rink there. The rink was opened to the public on Saturday of last week.

The place will be open every Saturday afternoon to the school children. It will be open every Tuesday night for public dances and every other night in the week for roller skating purposes. The building has been thoroughly redecorated and put into shape for a first class rink.

## GAAFSCHAP PIONEER 85 YEARS OLD DIES

Harm Arens, 85, pioneer of the village of Graafschap, died suddenly from heart disease after he had been assisted in a chair by his children who saw him staggering as he tried to open the door leading into the house. The Arens family located in Graafschap in 1856 and for more than 60 years had lived on the same farm.

Arens was one of four children who are well advanced in years. The three survivors are John H. of this city 90 years old, and two sisters, Mrs. A. Wolbert and Mrs. H. Jacobs who are respectively 80 and 76 years old.

## MILITARY HONOR PAID TO DEAD ARMY CHAPLAIN

Funeral services in honor of Major James Ossewaarde were held on Wednesday afternoon at Zeeland. The remains arrived from California Monday accompanied by Mrs. Ossewaarde and C. J. Den Herder, escorted by Major P. G. Lasche of San Francisco, as a courtesy from the government, representative of the military forces which the deceased served as chaplain for the past 18 years.

Military honors were paid to the dead and a squad of the Gilbert D. Karsten Post of the American Legion under command of Sergeant H. Holstege led the procession from the home of a brother Wm. Ossewaarde, where short services were held, to the church and to the cemetery. At the Second Reformed church the services were conducted by the pastor, Rev. B. Hoffman, and assisted by the Rev. Harmelink and Dr. J. M. Van der Meulen of Oak Park, Illinois. At the cemetery the ring square, color bearer and bugler paid their military honors respectively, taps were sounded and shots fired as the remains of the late Major James Ossewaarde were laid to rest.

## DETROIT MAN TALKS ON SAFETY FIRST

Mr. Charles H. W. Merrill of Detroit, Inspector and Safety Service Representative of the Michigan Mutual Liability Company of Detroit, arrived in Holland Tuesday to give a series of lectures and motion picture exhibitions in the manufacturing plants of Holland in the interest of the Safety First movement.

Mr. Merrill will be in Holland four or five days and during that time he expects to give exhibits in all the plants in the city. The lecture is about a half hour in length and is designed to post the workmen on the matter of safety first, showing how accidents may be prevented.

Private Wm. Overweg who recently enlisted for Camp Custer was home on a furlough over Sunday.

## HOLLAND PIONEER PASSES AWAY AT AGE OF EIGHTY-ONE

One of Holland's pioneer residents passed away in Zeeland when death came to Mrs. Gerrit T. Huizenga. Mrs. Huizenga, until a few weeks ago made her home at the corner of 12th street and River avenue, which had been the family residence for many years. A short time ago she was taken to the home of her son, Dr. T. G. Huizenga in Zeeland where she died.

Mrs. Huizenga was born in the Netherlands eighty-one years ago. She was one of the early settlers, coming to this country in the early days when this section of the state was settled. Her husband died about a year and a half ago. She is survived by three sons: Dr. T. G. Huizenga of Zeeland; Dr. Albert Huizenga of Miami, Fla.; and Dr. John Huizenga of Grand Rapids.

The funeral will be held Wednesday afternoon at 1:30 from the First Reformed church of this city, of which church Mrs. Huizenga has been a member for many years.

About the closest game of the basketball season was played Monday evening between the Community club team of Holland, and the Grandville high. At the finish the score stood 14 to 13 and ten minutes had to be tacked on to the latter half of the game for the reason that when time was called the two teams were 13 to 13. The fans would not stand for that figure and in the ten minutes extra the Grandville High won the winning score.

## FARMERS HOLD BIG MEETING IN HOLLAND

The Farmers' Co-Operative Association that was organized a few weeks ago took a big spurt ahead Thursday afternoon when in just one hour 48 new members were added. Each of these members paid \$10 membership fee for one year, and the total membership of the association is now 175. All the indications are that in the very near future this number will be greatly increased, and the association believes that before long several hundred farmers in this part of Ottawa and Allegan counties will become affiliated with the association.

The increase in membership was made Thursday at a meeting held in the city hall, where about 150 farmers gathered to get acquainted with the new organization and to exchange ideas as to how to get the most benefit out of it and to exchange ideas as to how to help make it grow and prosper for the mutual benefit of all.

By reason of the large increase in membership of Thursday it is likely that a separate membership drive will not be necessary, as it is likely that the impetus thus given to the organization will carry it along and will help it to grow by its natural momentum.

The meeting of Thursday in the city hall was a most successful one. The farmers were told how they can be benefitted by the association. They can buy from it everything a farmer needs, except groceries, and they can sell through its agency everything that is produced on the farm. George Henevelt is the manager of the Association.

Tentative plans will materialize for the rection of a warehouse and storage rooms and it is considered probable that in the future a feed and flour mill and a large elevator will be built. Farmers are both enthusiastic and optimistic over the success of the new venture.

## CONVENTION IS LANDED FOR HOLLAND

County School Commissioner N. R. Stanton has landed for Holland the first convention in 1920.

It is the school officers' institute for Ottawa county and the date set is Tuesday, February 3, and the meeting place will be Winants Chapel.

There will be a morning and an afternoon session the morning session beginning at 9:30 and the afternoon session at 1:30.

George M. Otwell one of the foremost educators in the state and assistant superintendent of public instruction of Michigan will have charge of the program.

The musical feature will be taken care of by talent from Hope college and thus the guests will be able to witness what advantages our local college affords.

The convention is really a gathering of all the school boards of every school in Ottawa county, coming under the jurisdiction of the county school commissioner. This naturally means every rural school in Ottawa. This event is made possible because county.

## FARMERS

—Common Sense is Needed—

Isn't it time for the agriculturists of the nation to get together and take care of their own business affairs in a business-like way and have something to say about the prices that are to be paid for the produce of their farm?

With labor fighting capital and capital fighting labor, imperiling our national life, doesn't the country need an expression of the "horse sense" of the farm to force these classes to terms and restore economic peace in this country?

But Organization is Necessary if the farmers of this state and of the nation expect to make their demands for a "Square Deal" heard. And now, to do the farmers' business in an efficient, business-like way, is a big, powerful, respected federation—

## The Michigan State Farm Bureau

It is ready to go to work for you. It is ready to solve your problems, commercially, legislatively and educationally. You owe it your sincere support—morally as well as financially. It can't succeed in doing the important thing it intends to do to make farming more profitable and attractive if it lacks the hearty, spirited backing of the majority of the farmers of the state. It can be no bigger than its individual members make it. Get in line and help make it the biggest, strongest and most efficient farm organization that the state, the nation and the world have ever known.

## FARMERS ALL OVER MICHIGAN

are recognizing the power that is theirs in unity and so are joining the MICHIGAN STATE FARM BUREAU as fast as the state membership drive strikes their country. The state campaign, now reaching into Genesee county is young—scarcely six weeks old—but already it has won the support of 2,000 Oakland county farmers; 1,300 Barry farmers; 1,500 Allegan farmers and many others in Van Buren, Montcalm, Gladwin, Lapeer and Genesee counties, who have realized the vital importance of the farm bureau movement to the future of farming and have signed up on a basis of \$10 a year—of which \$5 remains in the county for farm improvement work and \$5 goes into the state and nation organization's treasurers.

cause of the passing of a new law demanding that every member of a school board attend these meetings, the state bearing the expense.

The old law requested that one or two members of a school board attend these meetings, and that these members be paid a salary besides expenses.

Under the new law only expenses are paid, but the entire board of a school is expected to go.

The law is a good one for the reason that this gives the average board member a better insight into school work, while in the old way practically the same board members went each year, and the knowledge thus gained was one-sided.

School officers' meeting will hereafter be held only one in each two years.

In order that these meetings accomplish the object for which they are held it is necessary that all the school officers be present. All the phases of school law, the administrative work of school officers, and topics of general interest to school officers, teachers and patrons will be discussed. This meeting will afford the one opportunity in two years for all school officers, county commissioners, and representative of the state department of education to meet and discuss personally those things that have to do with the work of the schools.

Altho city schools do not come under that jurisdiction Mr. Stanton has seen to it the officers of the Holland, Grand Haven, Zeeland, Coopersville, and other schools have received an invitation to take part in these deliberations.

There are over 500 school board members in Ottawa county and no doubt Holland will be the host of these educators on Tuesday, February 3 and an appropriate welcome will no doubt be extended to them.

## MAY ORGANIZE IN COUNTY FOR SANATORIUM

The friends of public health in Ottawa are just beginning to get their bearings in the coming contest at the polls for a county tuberculosis sanatorium, and soon it is hoped to get plans into shape for the education of the people of the county on the subject. The board of supervisors has done its share and has put the matter squarely up to the people for decision. The next step will be for the people to get posted on the matter so that they can cast a vote on the subject intelligently when they go to the polls in April.

The suggestion has been made by some of the friends of the proposition to form a temporary organization in both of the south of Ottawa county and in the northern half of the county for the purpose of looking out for the interests of the proposition and helping to get information to the people of Ottawa county on the need of such an institution. If this plan is worked out, it is likely that the county will be divided as it was in the war drives, each section to be taken care of by a separate committee.

It is fully appreciated by those who wish the project to carry that hard work will have to be done to get the people interested. Ottawa county each year loses between 30 and 40 citizens through tuberculosis. The mere loss in dollars and cents represented by doctor bills, loss of wages, loss of money that might have been earned by these victims of the white plague during their normal expectancy of life is, on a conservative estimate by tuberculosis experts, placed at not less than \$200,000. This is Ottawa's annual tuberculosis tax for those who die of the disease, not taking into consideration those who are ill with it but who do not die. The number of the latter is near the three hundred mark.

It is to prevent a great part of this annual loss that the people are asked to appropriate \$80,000 at the April election.

## CITY TO HAVE NEW ELECTRICAL SHOP

A new electrical shop opened in Holland last Wednesday, Jan. 21. The new concern is located in the Kraker building near the corner of Ninth street and River ave. The new firm is the White Brothers, who will do electrical wiring not only but motor repairing and motor winding.

## ANOTHER SAYS HOLLAND TOWNSHIP WAS SLANDERED

Another person who was considerably riled up about the Roosevelt fund report called up from school district No. 3 of Holland township, which is the New Groningen school. He declared that that district had contributed the sum of \$6.60 to the fund and that he believed a grave injustice had been done to Holland township. He declared he believed that if an investigation were made it would be found that many more school districts in the township had come across with various amounts.

Whether this is so or not the News is unable to say. The attention of county headquarters will be called the matter, and Holland township will doubtless receive the credit that is due it.

## HOLLAND CANNING COMPANY HAS SUCCESSFUL YEAR

That the Holland Canning Company is a growing concern and that it has taken a strong place in the business life of Holland not only but of this section of Michigan was brot out Monday afternoon when the annual stockholders' meetings was held and when the reports were made by the secretary and manager, Wm. VanderVen. The Holland Canning Co. has come to mean a great deal to the farmers of this section. It has provided a very good market for the products of the farm and has meant thousands of dollars to them. With a better equipment than ever before, the company will be in shape in 1920 to mean a still better market for farmers from a wide radius around Holland and in the fruit belt of Western Michigan.

The past year has been a successful one and the company has made good progress. At the meeting on Monday all the old directors were re-elected: Luke Lagers, C. J. Lokker, Daniel TenCate, Benj. Brower, Henry Geerlings, W. E. Van Dyke and Wm. VanderVen. The following officers were named: Luke Lagers, president; C. J. Lokker, Vice-president; Wm. VanderVen secretary and manager; and Benj. Brower, Treasurer.

City Clerk Richard Overweg was in Battle Creek Monday on business.

## ANOTHER RESTAURANT OPENS IN HOLLAND

Saturday saw the addition of another restaurant to those already in operation in Holland. Peter Legas, an experienced restaurant man, opened his place of business at 5 West Eighth street. Mr. Legas has had many years of experience in this line in Indiana and he expects to work up a good trade in Holland, believing that there is an opening here for another eating place. The name of his place of business is the "American Restaurant." The building has been completely redecorated and put into first class sanitary condition.

## GREAT BOOK IS REVIEWED BEFORE CENTURY CLUB

A book that for nearly a year and a half has held its place at the top of the list as the best selling non-fiction book in America and one that by many is considered the greatest book written in a generation, while one newspaper characterized it as the book of the century was reviewed by Prof. Wynand Wichers before the Century Club Monday evening when that club met at the home of Mr. and Mrs. Arthur Visscher. The book was "The Education of Henry Adams," the autobiography of Henry Brooks Adams, son of Charles Francis Adams, and grandson of the former president John Quincy Adams.

Henry Adams was a young man at the time of the Civil War and he served as secretary to his father Charles Francis Adams when the latter served as United States Minister at the Court of St. James. Later Henry Adams was a member of the faculty of Harvard, editor of the North American Review, writer of several books, friend of presidents, senators, writers and scientists. He died a year or two ago.

His life was extraordinarily rich in impressions and it coincided with one of the most interesting periods of America's history. Possessed of an original mind, he had an unusually untrammelled outlook upon life, and this constitutes much of the charm of a book which all critics have agreed is one of the few books that are really great.

All of which was brought out in the scholarly and interesting paper read by Prof. Wichers. It was a clear-cut review of a book that deserves several readings from those who care for what is worth while in American letters.

The musical program was in charge of Mrs. A. Diekema. Mrs. Robbins played a piano solo; Miss Evelyn Keppel gave a vocal solo, accompanied by Mrs. Robbins; Mrs. Harris Meyer sang a solo, accompanied by Mr. Meyer.

## OFFICERS ARE ELECTED BY BIBLE CLASS

The annual meeting of the Men's Adult Bible Class of the First Reformed church was held Monday evening at the home of John Van Tatenhove, 15th street. The following officers were elected: Pres., H. Van Tongeren; V. P., Bert VanderPoel; secretary, J. C. Knoll; assistant sec., C. Hoeland; Treasurer, Wm. Mokma; Assistant Treasurer, Anthony Ratering.

Prof. J. B. Nykerk of Hope College gave a talk on the League of Nations. Solos were sung by Gerrit Ter Beek, and John Ter Vree, Miss Etta Brink acting as accompanist. Refreshments were served.

The address by Prof. Nykerk on the League of Nations was very informing. The speaker had a comprehensive idea of the various issues involved and succeeded in making the subject of more than ordinary interest for his audience.

## GRAND HAVEN MAN TELLS OF FIRST NEWS- PAPER IN KENT CO.

Kent county journalism will be just 83 years old this spring, altho George W. Pattison, pioneer publisher there made efforts to start a paper 84 years ago.

The story as told by A. S. White, of Grand Haven, a veteran printer, is as follows:

"In the fall of 1836, Pattison left Grand Rapids and went to Buffalo, where he purchased a printing outfit of the Niagara Falls Journal and shipped it by boat around the lakes. By the time the boat reached Grand Haven, winter has set in and the river was frozen solid. Pattison arranged to have the press hauled on the ice to Grand Rapids up the river. The sled bearing the press broke through the thin ice and the outfit went to the bottom of the Grand River. Pattison sat quietly by until spring when he engaged men to raise the press and drag it ashore.

Born to Mr. and Mrs. C. Spykhoven—a daughter, Jane.

## CALIFORNIA AGREES WITH GRAND RAPIDS PASTOR

Rev. Johannes Groen, who recently retired as pastor of the Eastern Avenue Christian Reformed church of Grand Rapids, and who is now in California to regain his health, will probably be able to resume his ministerial duties in the near future. In a letter to Dr. Henry Beets of the Burton Heights, Grand Rapids Chr. Rfd. church, Rev. Groen writes: "If I continue to improve, I will soon be ready for business."

It is believed that if Mr. Groen completely recovers he will become pastor of a congregation of moderate size. His former charge, the Eastern avenue church, is the largest church of the Christian Reformed denomination. At the time the congregation gave Rev. Groen his

emeritus it was that that he would never be able to take charge of the church again, since he had not been able to preach for more than a year.

## INSURANCE IN ALLEGAN TO GO LOWER—IF

Allegan Gazette—R. C. Loughead, chief engineer of the Michigan inspection bureau was in the city last Friday in the interests of the underwriters of the state. He commended the improvements which have been made at the waterworks during the past year but said it would be necessary for the city to do much more if the people were to benefit from lower insurance. He thought a motor-driven fire engine would do much toward reducing the rating from the fourth to the third class, and this would save the property owners about \$15,000 each year on

insurance premiums. At the present time the rates were very high. For instance, it costs the city \$6,375 per hundred for three-year insurance on the city hall, and all other downtown property is about the same. This rate should not be over \$2.50. He also thought a standpipe would be advisable. A complete report with recommendations will be made to the council.

## HOLLAND TEACHERS' CLUB HOLDS BANQUET

Wednesday evening at the Trinity Reformed church occurred the midwinter banquet of the Holland Teachers' club. Guests of honor at the banquet were Dr. and Mrs. J. E. Kuizenga; also the members of the Board of Education and their wives, the presidents of the various P-T clubs and the teachers of the Holland public schools.

A sumptuous three course dinner was served by the Ladies' Aid society of the Trinity church. Lacey's orchestra furnished music during the dinner hour.

Miss Hanna Hoekje, the president of the club, proved herself a very clever toastmistress. She introduced the speaker of the evening, Dr. John E. Kuizenga, who gave a most stirring address on "Teaching—as a Profession, as a Vocation, as a Ministry."

Others who gave brief remarks were Mrs. C. H. McBride, Mr. C. M. McLean, representing the Board, and Mr. John Woldering representing the P-T clubs and Supt. E. E. Fell. A trio consisting the Misses Evelyn Keppel, Jeanette Mulder and Evelyn De Vries rendered delightful vocal music, as did the Lincoln School Quartet composed of Misses McClellan, Sprietma and Keppel.

## The NEW EDISON

No Needles to Change  
Even records of all other makes  
sound more human when  
played on The New Edison

Mr. Edison's wonderful phonograph with the diamond reproducer is indeed the king of home entertainers. It brings cheer to the home for every hour and every mood. There is no end of the variety—from comic dialogues to sacred hymns, from vaudeville to grand opera, brass bands, waltzes, two steps, organ, quartets, concerts, etc. No home need be without the New Edison now that we make this special offer by which you scarcely feel the expense.

Thomas A. Edison says The New Edison is his favorite invention. For years he toiled, night and day, taking little time for sleep, until he was ready to pronounce his phonograph "perfect." But when, at last, he did give The New Edison to the world, its music was true to life—just as if the living singer or player sang from the cabinet! Now, on our liberal offer, you need not be satisfied with anything less than Mr. Edison's genuine instrument.

## Great Opera Star Makes Surprising Test

The illustration above shows Ciccolini, the well known star of the Chicago Opera Company, singing in direct comparison with the Re-Creation of his voice on the New Edison. Before him are Carolina Lazzari and Virgilio Lazzari, both leading members of the same company. When Ciccolini started singing with the New Edison, Virgilio exclaimed, "A duet! And they're alike as two peas, I wonder if I can tell them apart." Closing his eyes he listened attentively. Gradually Ciccolini sang more softly. Finally he ceased. "Why don't you stop?" inquired Lazzari a moment later. "So that I can tell the difference?" Ciccolini and Signorina Lazzari burst into laughter. Lazzari, the noted basso; even he had been utterly baffled. He could not distinguish artist from instrument.

The annual report of the prosecuting attorney of Allegan county, was submitted to the attorney general and shows there was a total of 138 persons arrested for various offenses of whom 131 were convicted, three were acquitted, three cases were nolle prossed, and one person was discharged after examination. Of those who were convicted ten were sent to Ionia, three to the Detroit House of correction and one to Jackson. Others paid fines amounting to \$1,063.

Two persons were convicted of abandoning a child, 6 of assault and battery, 1 of bastardy, 1 breaking jail, 3 burglary, 6 contributing to delinquency of minor child, 2 carrying concealed weapons, 1 cruelty to child, 2 desertions, 6 for being drunk, 2 entering closed roads, 30 violating game and fish laws, 15 larceny, 4 lewd and lascivious cohabitation, 38 motor vehicle laws, 4 using profane language, 1 breaking the quarantine, 2 rape, 1 setting fires, and 4 of vagrancy.

## 'FEDERAL BAKERY' OPENS IN HOLLAND

Another "chain bakery" opened in Holland Saturday. The name of the new concern is the "Federal Bakery" and it is one of a large system of such institutions in all parts of the United States. There are more than 3,000 "Federal" bakeries in operation in this country now.

The new bakery opened in the E. J. Harrington building at 72 E. 8th street. This building has been put into fine shape for a bakery, the whole interior being painted a pure white, suggestive of purity and cleanliness. The "Federal" is a "window bakery," the patrons being able to see the goods baked, which is an insurance of absolute cleanliness. The first batch of dough was turned into bread and other articles Saturday and the place was opened for business.

## MRS. F. DE VRIES IS SURPRISED BY FELLOW MEMBERS WEDNESDAY

The Ladies Aid society of the 9th Street Christian Reformed church staged a surprise for Mrs. F. De Vries, 20 East 14th street Wednesday afternoon when the members called on her at her home and presented her with a ten dollar gold piece. The surprise was in recognition of the fact that Mrs. DeVries has served the society for 20 years as president. She refused a reelection at a recent business meeting and Wednesday her fellow members honored her with a surprise visit.

The presentation speech was made by Rev. James Ghyssels, pastor of the church. There were 38 present. Refreshments were served and a short program was carried out. ONE CITIZEN SHOWS TOWNSHIP DID CONTRIBUTE TO THE ROOSEVELT DRIVE

According to one Holland Township citizen, that township has been slandered in the report made by the county Roosevelt drive committee. That report, which was given publicly Wednesday, declared that Holland township had not contributed a single red cent to the memorial for the former president.

At least one citizen of the township was quick to resent this statement. He did not presume to speak for the whole township because he had no information on what other parts of the county had done. But did know what had been done in the school district in which he lived because he had made the canvass himself and had forwarded the money to the local committee in charge.

This was school district No. one in the community immediately east of Holland. The quota for that district was fixed at ten dollars and the sum of \$6.50 was collected. While this was not the full amount it was about as high a proportion as was collected in many parts of the county, and the citizens of that community who had contributed became rather warm under the collar when it was reported by the county organization that Holland township had failed to contribute a penny.

## MARRIAGE A SURPRISE TO THEIR FRIENDS

Lawrence (better known as "Bill") Hansen, and Miss Gladys Tromp, surprised their many friends here Thursday by quietly going to Grand Haven and being married there.

Mr. and Mrs. Hansen are spending their honeymoon in Chicago. Mr. Hansen has for many years been an employee at the Holland Sugar factory, while Mrs. Hansen has for a number of years been employed at the Depree Chemical Co. They will be at home to their many friends Jan. 30 at 52 East 8th St.

## ZEELAND IS BEATEN BY OLYMPIC QUINTET IN CLOSE BATTLE, 32 TO 31

Zeeland, Jan. 17.—The Grand Rapids Olympics defeated the Zeeland quintet Friday night 32 to 31, in a close and hard fought game. The score at the end of the first half was 22 to 11 in favor of the visitors, but the Zeeland team came back strong in the second period and fought the Grand Rapids squad to a standstill.

Hooker starred for the Olympics, scoring seven goals from the field. He also netted four out of six free throws. Lucassee ran him a close second with six field baskets. Sytzama featured for Zeeland with seven field goals and four out of nine free throws.

## INCREASES IN TEACHERS' PAY ARE ANNOUNCED

Announcement has just been made that the board of education has decided to increase the salaries of some of the teachers in Holland schools both for the balance of this year as a temporary emergency measure and also next year as a permanent policy.

The salaries of those teachers who were receiving less than \$1,000 a year have been increased so that for the balance of the present school year, beginning with January and ending in June they will receive \$100 per month. No increases were made in the salaries of those who were receiving \$1000 or more per year. But in the case of those under that figure the temporary increases were granted to meet the greatly increased cost of living that, in the opinion of the teachers and the Board, had made the salaries inadequate.

The Board at the same meeting adopted a new schedule of salaries for the school year that is to begin in September, 1920. Beginning at that time the minimum salary of the teachers in the grades will be \$1000 and the minimum salary of members of the faculty in the high school will be \$1200. Some will receive more than those figures, depending partly on length of service and partly on their record and efficiency as teachers.

In making the increases in the salaries of the teachers of the local schools the board of education has followed the same policy that our been followed during the past few months by many boards in Michigan. A dozen or more cities have announced increases recently for the teachers in the public schools.

## DANDER IS UP; OFFICIAL TO FIGHT IT OUT

Barend Kammeraad, Ottawa Co. drain commissioner, serving his second term in the office, will not comply with a resolution passed at the recent session of the board of supervisors and tender his resignation. Instead, the drain commissioner declares that his fighting blood is up and that he will go to the mat with the county board for a finish fight, if that is what they want.

Mr. Kammeraad states that some mistakes have been made, but that he is willing to stand responsible for them. Mistakes are not crimes, and will continue to happen as long as time lasts, he says. His office is a very busy place, with a number of big drain matters going on all the time, and it is not surprising that errors creep in, he declares. He has been short of help in his office much of the time, and the board has not seen fit to co-operate by providing help for his office. At that any errors which have been made can be rectified, and he has told them that he is willing to do that.

Not long ago citizens assessed for a certain drain in Ottawa county brought a protest into court and the court ordered a re-assessment, under the showing of double assessments in certain cases. The work is now progressing. This seems to be one of the points of grievance, in the action of the board.

Mr. Kammeraad, however, hints that political enemies of his are really behind the move against him. He asserts that they want to get him out of office in order that a former commissioner may be appointed in his place. But he will refuse to yield he declares.

Mr. Kammeraad declares that the same fighting blood which inspired his son to join the U. S. Marines and which kept him going when captured by the Germans during the Chateau Thierry fight is also present in large quantities in the "old man" and there will be no backing up now.

He declares that the voters of Ottawa county saw fit to elect him twice to the same office and he will stick. He may even be a candidate for re-election at the next election.

The action of the board of supervisors cannot of course be final in this case, as the board has not the power to remove from office an officer elected by the people.

The members of the Zeeland Poultry and Pet Stock association elected the following officers: president, C. J. De Koster; vice-president, Harry Vande Pels; secretary, J. A. Hartgerink; treasurer, M. Looker; executive committee, George Caball, John Korstanje, J. J. Bouwens and Henry VanHoven. The association is making the necessary arrangements to stage a poultry institute in Zeeland in the near future. Leading poultrymen of the State representing the M. A. C. are being booked as speakers for the occasion.

## CAN'T DECIDE IF MAN WAS INSANE

Three days of last week were devoted by Probate Judge Stratton of Allegan county in hearing a case against Myron Slentz, alleged to be insane. It is understood the man has been under the impression that a brother and his father sought to take his life, and a petition was presented the court to have him committed to the state asylum where he had previously been cared for. Mr. Slentz was brought to Allegan from Lee township a few weeks ago and he demanded that his case be heard by a jury. The hearing was postponed from time to time and while waiting developments Slentz stayed at the jail nights and worked during the day at the Overton Creamery building. He was on the stand about three hours and conducted himself so well that the jury was not able to agree on a verdict, standing 7 for committal and five for giving him his freedom. The case may not be heard again.

## LUGERS RE-ELECTED PRESIDENT FARMERS' MUTUAL INS. CO.

The annual meeting of the Farmers' Mutual Fire Insurance Co., of Allegan and Ottawa Counties was held in Allegan and a Holland man was elected president. The meeting was not very largely attended due very largely to the bad condition of the roads.

Mr. Luke Lugers of Holland was again elected president and Mr. David Stockdale of Wayland was re-elected vice-president. The affairs of the company are in fine condition and the year 1919 was the banner year in its history with over \$900,000 in new business having been written.

The company had 74 losses in 1919, aggregating \$21,261.87, and all are paid but \$146.

The total assets of the company Dec. 31, 1919, were \$2,177.06. The total liabilities were \$5,081.25.

Luke Lugers of Holland is now serving his seventh year as president of the organization and has been a director for the past thirty years.

Allegan County Gas Co. was up against a most peculiar situation until a stop was put it. Consumers are furnished prepay gas meters.

Put a quarter in the slot and you get 25c worth of gas and when the gas does not work you know that the amount had been used. An American quarter and a Canadian quarter are the same size and the Gas Co. found that its meters were rather overloaded with Canadian quarters, worth only 18 cents. Today the gas company published the following notice: "On account of banks not accepting Canadian quarters, we cannot accept the same in prepay gas meters and ask that consumers be prepared to redeem same at time of reading meter."

## VETERAN ON THE P. M. LINE PASSES AWAY

One of the oldest engineers on the Pere Marquette line passed away Saturday evening when death came to Edward Allen Saturday night at ten o'clock. Mr. Allen had been ill for some three or four months and he was taken to St. Mary's hospital in Grand Rapids where he passed away.

Mr. Allen had been an engineer with the Pere Marquette road as long as the present company was in existence and long before that when the road was in the hands of several other corporations. Through all the changes he remained with the road, and he travelled on most of its divisions at one time or another. Once for a while he was engineer on the resort line between Holland and Ottawa Beach. He was with the road for over forty years.

The deceased was 65 years old. He was born in New York state and came to Michigan many years ago, living in other towns than Holland for a number of years. Twenty-five years ago he became a resident of this city. He had many friends and was one of the best loved engineers on the whole P. M.

He is survived by his wife and three daughters, Mrs. Alfred Huntley, Edna Allen and Hazel Allen.

Mr. Allen was a Mason, a member of the Greenville Lodge, and he was also a charter member of the Holland Chapter, O. E. S. No. 429.

The funeral was held on Tuesday afternoon at two o'clock from the residence of Fred Boone, 12 East Ninth street. The Masonic Order was in charge of the funeral. Rev. P. P. Cheff of Hope church officiating.

## ZEELAND LEGION NAMES ITS OFFICERS FOR COMING YEAR

The American Legion, Gilbert D. Karsten Post at Zeeland held a meeting when the following officers were elected: Commander, David Van Ommen; vice-commander, Harry Derks; adjutant, Jay H. Den Herder; sergeant at arms, Nelson Veneklassen; director (three-year term), Gilbert J. Van Hoven.

## GAME STAGED AT THE HIGH SCHOOL GYMNASIUM

Saturday evening, January 24, the strong Kazoo Y five will play the Holland Y at the High school Gym. This will most likely be the best game by far this season as Kazoo boasts of one of the strongest fives in the State. Mc Gregor and Taylor, for four years with the Kazoo College Basketball team and for three years All State forward will appear in the Kazoo Y lineup. Also Ver Muelen, last year with the Kazoo Central five, will play with the visitors. Holland Y, handicapped in practice are giving the Holland fans a fine brood of Basketball this winter. Saturday evening, the locals went down to defeat 27 to 22 to the Grand Rapids Y at Grand Rapids. The locals outclassed the Grand Rapids team in all stages of the game, but the luck was against them and with the Grand Rapids team, most of their baskets being scored from the center of the basket.

## WON AGAINST BOTH TEAM AND REFEREE

Last Friday evening Holland High won its 3rd game of the season by defeating Muskegon High at Haskley Gymnasium by the score of 24 to 23. Not only was the Holland team called upon to defeat the Muskegon team but the referee as well. During the first half no complaint could be offered as the officiating was done in a fair way. However, the second half was a different story and from all indications it seemed as though a change of policy was decided upon between halves.

Lineup and summary:

## Competition for Capital

The money for plant extensions of the Telephone Company must be obtained through issuance of stocks, bonds or notes.

Reconstruction projects and new or expanding industrial undertakings are in the market for new capital.

Foreign governments are seeking loans for the rehabilitation of their devastated domains.

The competition for capital was never so keen and borrowers must show, beyond question, their ability to earn and pay interest and dividends.

The rate schedule is the index to the borrowing power of the Telephone Company. It should be liberal enough to demonstrate conclusively that the company will promptly carry out its obligations to stockholders and bondholders.

### NOTICE OF HEARING OBJECTIONS TO PROPOSED IMPROVEMENT UNDER ACT 59, PUBLIC ACTS OF 1915, AS AMENDED, OF ASSESSMENT DISTRICT ROAD NO. 6

To All Persons Interested in Said Proposed Improvements in the Townships of Park and Olive, Ottawa County, Michigan, and to Park Township, Olive Township and the County of Ottawa.

WHEREAS, A petition has been filed with us as the County Road Commissioners of Ottawa County, Michigan, praying for the improvement of the highway traversing said townships of Park and Olive, described as follows:

"Beginning at a point on the intersection of the quarter lines of Section 21, Township 5 North, Range 16 West, in the Township of Park at what is known as the Lakewood Farm, thence North six and one-half miles along the road parallel to Lake Michigan and a short distance therefrom following its meanderings as near as may be, to the boundary line between Sections 16 and 21 in Olive Township, thence Northerly Northwesterly, and Westerly, along the street known and designated as Lake Avenue, on the recorded plat of Port Sheldon Beach to Lake Michigan."

and, WHEREAS, We as such commissioners, are of the opinion that the proposed improvement is necessary for the benefit of the public and would be for the convenience and benefit of the public welfare, and,

WHEREAS, We have made our first order of determination stating that the proposed improvement is necessary as aforesaid, and have caused a survey and specifications and estimates of the cost thereof to be made and filed with us as such commissioners, together with a plat showing the land included, and

WHEREAS, The specifications made by us are not yet final and will not be made final until after the hearing of objections to the same by all persons interested therein, and

WHEREAS, We have determined the boundaries of the proposed assessment district for improving said highway, and

WHEREAS, It is proposed to improve said road or highway, by constructing thereon a road, 16 (sixteen) feet in width, of material to be determined by Ottawa County Road Commissioners together with the proper culverts, bridges, drainage and grading under the provisions of an Act entitled "An Act to Provide for the Construction, Improvement and Maintenance of Highways," for the levying, spreading and collecting of taxes and of special assessments therefor; to authorize the borrowing of money and the issuance of bonds under certain restrictions and regulations and limitations; to prescribe the powers and duties of certain officers with reference thereto; and to validate certain proceedings heretofore taken." (Act 59, Public Acts of 1915, as amended.)

Therefore all persons affected thereby and the Townships of Park and Olive, Ottawa County, and the County of Ottawa, and all persons owning or interested in any real estate in said townships or county are hereby notified that we will be present at the south end of the proposed improvement, within the proposed special assessment district in the Township of Park, Ottawa County, Michigan, at two o'clock in the afternoon, on the 10th day of February, 1920, for the purpose of finally determining the limits of said assessment district.

The proposed assessment district is described as follows:

"All the lands lying between the said road and to the West thereof and Lake Michigan, all the lands within one-half mile to the East of said road and all the lands within one-half mile to the South end of said road between Lake Michigan and one mile to the East of said road; Also all the lots in the said plat of Port Sheldon Beach."

All being in the townships of Park and Olive, and all persons interested are hereby notified that it is the intention of the Ottawa County Road Commissioners to assess all lands within the limits of said assessment district as finally determined at said hearing on account of the improvement of said highway, according to the plans and specifications on file with the said Road Commissioners at the County Clerk's Office at Grand Haven, Michigan.

Given under our hands at Grand Haven, Michigan, this 15th day of January, 1920.

## LOCALS

Joe Koelker was in Grand Rapids Wednesday on business.

Ald. Paul Vanderlist of the 6th ward served as mayor at Wednesday night's meeting of the common council, presiding over the deliberations of the aldermen.

Ald. Frank Brieve, chairman of the committee on poor, announced to the council last night that the sum of \$67 had been expended for temporary aid the past two weeks.

Mr. and Mrs. Walter I. Lillie of Grand Haven expect to leave about February first for California where they will spend the remainder of the winter.

Tuesday night according to the thermometer at the water and light station was the coldest night thus far this winter, the indicator registered 4 below zero. Last night the thermometer showed 2 below at the lowest point during the night.

A number of relatives and friends gathered at the home of Mr. and Mrs. John Slyter to help Caroline and Josephine celebrate their first birthday anniversary. They were the recipients of many useful gifts. Refreshments were served and a social time was spent.

While working on a dory for Vyn Bros at the Robbins dock at Grand Haven, Frank Du Shane of this city had the misfortune to break his right arm.

Eino J. Pruim of Spring Lake, one of the best known and most popular residents of the town across the river from Grand Haven, is celebrating his 77th birthday today. The event is being celebrated in a quiet manner by members of the family. Mr. Pruim has been a resident of Spring Lake a great many years and they have been real useful years. He was a union soldier in the civil war and has held many positions of trust and honor in his town and township.

Mr. Joe Robinson, sales agent for the Toledo Scale Co., with headquarters in Grand Rapids, has placed another Toledo scale in the market of J. P. Huyser & Son on River avenue. Service is Mr. Robinson's hobby. Mr. Huyser's scale arrived Wednesday morning and Mr. Robinson was on the job at noon placing the scale in working order. The "Toledo" is one of the very best scales manufactured and the Huyser market is very well pleased with the new acquisition to their already up-to-date market.

Patrolman Steketee visited West 15th street last evening being called there by a representative of this paper. A horse had been standing in an snow bank hitched, from 7 o'clock until after 11 o'clock at night, with the thermometer at 2 below zero. A few nights before this same thing occurred. The patrolman found a young man sparking his best girl for hours while the horse was suffering in the cold. The whinny of the horse from time to time attracted the attention of the neighbors.

Mrs. L. Shontell celebrated her 91st birthday a few days ago at the home of her daughter, Mrs. Jennie Johnson, 713 Jackson street, Grand Haven. Mrs. Shontell had the misfortune to suffer a fall about a year ago breaking her limb in two places. She is now able to walk about the house thanks to the good care given her by Dr. Presley. Mrs. Shontell comes from a long lived race, her mother having reached 102 years of age.

## OLD RESIDENT—WAS BROUGHT TO GRAND HAVEN FOR BURIAL

Mrs. Peter Du Shane, for many years a resident of Pigeon Creek near Port Sheldon, passed away on Saturday at the home of a daughter in Grand Haven. The remains were brought to Grand Haven and funeral services were held Tuesday morning in St. Patrick's church, Rev. Fr. D. J. Hyland in charge. Burial was in the Lake Forest. Mrs. DuShane was 77 years of age, and since the death of her husband, who was one of the best known of the old settlers of this community, she had made her home in Grand Rapids. She is survived by several sons and daughters.

## FARM BUREAU DRIVE IN FULL SWING HERE

## PARK AND HOLLAND TOWNSHIPS ARE BEING CANVASSED TODAY

Eighty Per Cent of the Farmers Approached Are Joining the Organization

County Farm Agent Hagerman and his corps of solicitors are swinging into Holland township today.

Olive township was covered yesterday and part of Park.

The hustling recruiters are finishing up Park, are going through Holland township and expect to start in Zeeland township tomorrow.

Monday and Tuesday the solicitors were in Allen, Zeeland, Georgetown and Blendon and a membership of 300 was secured for a term of three years at \$10 a year. This is 80 per cent of the farmers approached and is an unusually good showing.

The solicitors are meeting with a cheerful response, and Mr. Hagerman states that little explanation is necessary because of the thorough publicity given it in this vicinity by the Holland press.

Friday a roundup will be held in Grand Haven and Robinson townships and it is expected that within a week the entire county of Ottawa will have been covered and when this has been done a follow-up crew will again go over the ground in order to gather in the straggling farmers who were not found at home or who wished a little more light upon the subject.

The party is having some difficulty in covering the territory thoroughly on account of the wintry road conditions. Some of the roads were so badly drifted and blocked that to cover them was an impossibility and those living in those weather-isolated sections had to be passed up and will be left to the second squad to look after.

The mark set by Ottawa county for its farm bureau is 1,000 members.

At the rate the farmers are taking hold this number will be exceeded.

A great deal of educational work has been going on through the county press and assurances have been received of good support from the townships in both the north and the south ends of the county.

Men who are covering this part of the county are Simon Harkema, of Park, Maurice Luidens of Olive, Geo. Schutmaat of Hamilton, Wm. Burges of Jenison, Chas. Lowing of Georgetown, and J. Lillie of Kent county.

Of course D. L. Hagerman, county farm agent is supervising the drive generally and is making a thorough job of it.

## FOURTH ANNUAL BANQUET OF SHOE CUTTERS TAKES PLACE

## REMEMBER THE SOLDIERS GO-DON'T FORGET THE BACK

The shoe cutters of the Holland Shoe company surely are a patriotic bunch.

Several of their number fell in line when the command came and faithfully served their nation's flag on French soil. When these young men departed to do their duty by the nation a banquet was given in their honor by the remaining employees who "kept the home fires burning." Each "doughboy" or "gobb" was given a wrist watch together with the well wishes of their fellows.

Since their return, and the smoke of battle has disappeared, and the war clouds have been replaced with the sunshine of Victory the event of their going has been commemorated from year to year.

Last evening the fourth annual banquet took place at Odd Fellows hall when the men with their wives, friends and fellow-workers in the cutting department of the Holland Shoe Company sat down to a sumptuous repast which was in charge of Ladies' Guild of Grace church, the following program was rendered: Toastmaster.....Peter C. Dalman Invocation.....Peter C. Dalman Cutting Room Quartet Hand Cutters Baritone Solo.....John Ter Beek Reading.....John De Witt Violin Solo.....Al Van Dyke Duet.....Ter Beek Bros. Reading.....Peter Unema Quartet.....Service Men Reading.....Al Van Dyke Tenor Solo.....Peter Dalman Quartet.....Machine Cutters Tenor Solo.....Gerrit Ter Beek Reading.....John Beltman Budget.....Leonard De Vries

## DIES WEDNESDAY AT AGE OF FIFTY-ONE

Mrs. John Van Dort, aged 51 years, died Wednesday morning at 2:20 o'clock at her home on East 24th street. The deceased has lived in Holland a long time. The funeral will be held Saturday afternoon at 1 o'clock from the home and at 2 o'clock from the 9th Street Christian Reformed church, Rev. James Ghysels, pastor of the church officiating. The deceased is survived by her husband, two daughters, Mrs. David McFall and Miss Susan Van Dort, and one son, Anthony Van Dort.

Lightning caused 43 out of 71 fires on property insured in the Farmers' Mutual Insurance Co. of Ottawa and Allegan counties during 1919, according to the annual report of Secretary A. H. Bosch. Six horses and 15 head of cattle were killed by lightning. Five fires were due to explosions and one resulted from firecrackers. The total amount paid in losses was \$20,601.

## CITY STORE IS AUTHORIZED BY COUNCIL

## HOLLAND BUYS GOODS FROM WAR DEPARTMENT FOR LOCAL PUBLIC

Will Sell Them at Low Prices; Goods To Be Here Very Soon

The city of Holland gave the War Department an order for \$5,983.28 Wednesday evening for canned goods, blankets, rubber boots and a variety of other articles. And it was understood that this order was only the first of a series of similar orders in case the people of Holland are willing to buy these goods at the reduction of from one-third to one-half of the usual price for similar brands of goods. The city will become a retailer for a short time and run a municipal store. This store will probably be located in the city hall, altho the committee in charge has not definitely decided on this.

The goods will be shipped out of Detroit today via the D. U. R. and interurban and they are expected to arrive in about a week when they will immediately be placed on sale. The city will hire a man to be in charge to serve as municipal merchant.

A representative of the War Department appeared before the council last night and gave the aldermen a talk. He declared he was not anxious to sell them as cities like Detroit, Ann Arbor, Kalamazoo and others were anxious to get Holland's share of the goods. Michigan has an allotment of four million dollars' worth of goods and the war department is attempting to give all the towns in the state a chance at it. He advised the city not to buy more than about five thousand dollars' worth at this time. In this way they can try it out and see how the people take to it, and in case it goes well they can reorder two or three times or as long as those in charge think Holland is entitled to more.

Ann Arbor, about the size of Holland, has up to date received \$30,000 worth of the goods, and Ypsilanti, half Holland's size, \$16,000 worth.

The city will be allowed 30 days in which to remit. Meanwhile it is expected the goods will have been turned into cash. The city will be allowed ten per cent for overhead and other expenses. The project was passed by a unanimous vote of the council.
