**HOLLAND CITY STATE BANK**

### WILLIAMS GIVES A A RATTLING TALK TO EXCHANGE CLUB

SAYS THAT IF YOUNG MEN ARE  
TAUGHT RIGHT THERE WILL  
BE NO BANDITS

Dr. Elmer Lynn Williams, noted lecturer from Chicago was the principal speaker at the Exchange club banquet and if there is any man who can talk faster and at the same time give his listeners food for thought, we have failed to hear him.

One minute Mr. Williams had his audience rocking with laughter, and the next they sat with tense faces in rapt attention listening to the message.

Mr. Williams is around teaching the gospel of bringing up the youth right. He states that if the environments of the young were the proper kind, there soon would be no vamps, and no bandits who rob. He went at length into the terrible conditions of graft that existed in the city of Chicago.

He brought out the startling revelation that between labor union heads, material men, contractors and builders, more than thirty per cent of any one contract let for building went for graft, when it should go for added building. He stated that these fellows would not even leave churches alone, mentioning an incident where before one church could be completed, \$8,000 in graft was necessary.

He stated that \$100,000,000 in added construction was ready for the man with hammer and saw and the stone mason to start on, if these conditions could be eliminated.

The eloquent speaker gave Holland a pat on the back, stating that Holland was different than most college towns.

He stated that it would be difficult to find a city like this with such wholesome surroundings and Hope college could congratulate itself upon the fact that its students lived in these environments.

Dr. Williams spoke at the M. E. church to a crowded house last night and his discourse was well received.

### DUNN MFG. CO. WILL MAKE TILE THAT DON'T BURN

HEADQUARTERS OF THE NEW  
CONCRETE ARE TO BE IN  
HOLLAND

Several More Employees Are Added;  
Local Bank Shows the  
"Love Nest"

So many people have been attracted to the Holland City State Bank to see the Pompeian Love Nest on display in its lobby and so many questions have been asked concerning this attractive exhibit that this paper believes it should make it readers acquainted with the bank's reason for showing this neat little stucco house.

The officials of this bank believe that its bank is a town institution, supported by the people of this community. As such it aims to serve the general public in every possible way, and is always on the alert for any new innovation which will interest the majority of people and benefit the city at large.

The bank officials are always pleased to have people use the conveniences they have provided and it is but natural that they should display the Pompeian Love Nest now on exhibit in the lobby. The little house is the work of Mr. Oscar Frossell formerly of Williamport, Pa., but who has now taken up his residence in Holland.

Mr. Frossell is a cement chemist, and twenty years ago he was sent over from Sweden, his native land, by the cement industry of that country to learn what the United States was doing in the development of its cement industry. Upon acquainting himself with American methods he saw that this was the land of opportunity and decided to remain here.

About seven years ago when the possibilities of magnesite cement were first realized Mr. Frossell saw a great future for this cement and accordingly turned his efforts in that direction. Since then he has been devoting practically all of his attention to research work with magnesite cement.

It was a magnesite cement that was used in building the old city of Pompeii which was buried by an eruption of Vesuvius in 79 A. D. and which has partly been uncovered by modern excavations. That is why the products and materials made by this cement are called Pompeian.

On display at the local bank are samples of materials which are now successfully made with Pompeian cement. Perhaps the most attractive is the stucco composition which is said to be a wonderful composition used for building purposes. There is also a flooring composition which is attracting a great deal of favorable comment. It can be laid in any desired color over any floor and is wear resisting sound proof, water proof and fire proof.

Plans have practically been completed for having this Pompeian cement and its various products and compositions manufactured in several parts of the country. Through the influence of Mr. W. E. Dunn of the Dunn Manufacturing company, the headquarters of this new organization will be maintained in Holland. Announcement will be made later concerning the plans of this company.

The addition of this new line to the Dunn Co. output will give employment to scores of other employees.

### OFFICER BONTKOE RETURNS FROM CHICAGO WITHOUT MAN

Officer Bontkoe who was sent to Lansing, then to Springfield, and later to Chicago in order to extradite Seritsemier who was wanted on the charge of setting fire to the Harrington building came back from the "Windy City" without his man.

The hearing was held, but when the judge called the case, Governor Small of Illinois who promised to be there, was unable to come and it is stated that he'll be there next Tuesday, and all the officer could do was wait for His Honor until that dignitary was ready.

### THREE ARE SENTENCED IN OTTAWA COUNTY COURT

Three have been sentenced for violation of the liquor law in circuit court since Tuesday noon. Ed Bowman was sentenced to 10 days in jail with a fine of \$10 and \$4.55 costs. In default of the payment of the fine and costs, he will spend 90 days in jail. Herman Serrier and Joe Schuener of Holland were given the same sentences by Judge Cross. More sentences were scheduled for this afternoon.

### SPAN OF HORSES DROWNED AT JENISON PARK

The beautiful black team belonging to Simon Harkema the greenhouse man of Laketown went thru the ice at Jenison Park and Dick Tyink and Mr. J. Tymes who were on the sled narrowly escaped with their lives. The horses were driven accidentally over a place where ice had been cut a few days before and before the driver noted the danger and the horses went thru and were drowned and the two men were pulled into the hole in the ice but were rescued. The loss to Mr. Harkema will be well over \$500.

Prosecutor Fred T. Miles was in Grand Rapids on legal business Friday.

### HOLLAND MAN CON- DUCTS UNIQUE FARM

OSCAR GUMSER BORN IN GER-  
MANY, WHERE FATHER  
RAISED BASKET  
WILLOWS

Father and Son Conduct a Willow  
Farm on Rich Land Near Harlem,  
This County

In an article in the Grand Rapids Herald recently, Frank M. Sparks writes interestingly of the unique farm of an Ottawa county father and son. Mr. Sparks' story is as follows:

Born among the willows of Germany, a worker in a willowware like his father before him, it was war which forced Oscar Gumser to become the principal grower of basket willows in the United States and on the rich land near Harlem he is raising perhaps the best willows grown anywhere in the world.

Few realize, perhaps that Ottawa county possesses one of these rather unique types of farm and yet the name of Oscar Gumser is known the world over and more particularly the nation over as a grower of willows who supplies the principal willowware factories of the nation.

Oscar Gumser was born in Germany and his father was a grower of basket willows and a manufacturer of willow products. Over there they make greater use of willow than here because wood for furniture is so much scarcer. Therefore the growing and manufacture of willow products is a science studied as carefully as the growing of alfalfa over here.

It was 38 years ago that Oscar Gumser settled in Holland and began manufacturing willowware products. At first he imported his willows from the land of his nativity and it was not long before he was importing not for himself alone but for the manufacturers all over the country. Then he started to grow willows on a small scale and to buy from others who had small willow plantations in various parts of the country. It was the outbreak of the World War which eventually made him what he is today.

Importations of willows, like importations of other German products were halted by the establishment of the blockade and Oscar Gumser and his son of the same name soon found they could not operate their factory in Holland unless they could obtain a sufficient quantity of domestic willows. They bought from many places but the willows they produced were not at all satisfactory. Then they determined to grow their own and to apply to their plantation the knowledge the elder Gumser had acquired in his youth.

Today the Gumsters have 20 acres in willows and it is as beautiful a plantation as if it were corn or flowers or what not. The long straight rows of the little but perfectly straight willows make a beautiful sight as they undulate in the breeze. There are the purple willows and a great patch of golden willows in between which gives a touch of color most beautiful to see.

Those 20 acres produces 100 tons of willow and Gumser used to pay \$60 a ton to other growers, so it is manifest that these 20 acres would yield him a handsome living if he did nothing else in the way of farming. But the beauty of willow growing is that plenty of time is left for doing whatever else the Gumsters choose to do, and Oscar Gumser, Jr., chooses to raise poultry as a side line.

Most of the money received from the willows is clear profit for the expense of growing is little. The planting is made simply by thrusting a slip into the ground. It is almost certain to take root and grow and ready for a heavy yield on the second year. No cultivation is required after the first season and no fertilization need be carried on. The crop is a permanent one to all intents and purposes for Mr. Gumser has willows 22 years of age still yielding heavily.

The purple willows are cut in the fall and the golden willows in the spring. During the cutting season both the Gumsters work hard and fast and employ several men to assist. The cuttings are made only an inch or so above ground and the withes are tied into bundles at once. Each year the new crop springs up from the stumps left in the ground so that there is no reseeded, no rotation of crops, no cultivation and comparatively few other difficulties to be overcome. Meantime Mr. Gumser can engage in other branches of farming but being born a willow man, his chief interest lies in those slender withes of purple and gold.

### NEW SCHOOL WILL ACCOM- MODATE 800 PUPILS

Dr. A. Leenhouts as a member of the Board of Education was asked to give information on the building of the new high school.

He stated that the plans for the new school were under way and that it would accommodate at least 800 pupils and that the building committee would stay well within the appropriation, in fact it looked as if the new school would cost less than what they had figured on.

### PROSECUTOR MILES MAKES REPORT FOR LAST SIX MONTHS

FEWER PROSECUTIONS FOR  
DRUNKENNESS, MORE ON AC-  
COUNT OF DOG LAW

Automobile Also Provides Much  
Work for the Prosecuting  
Attorney

Prosecuting Attorney Fred T. Miles report to the attorney general for the last half of the year 1921, shows that the total number prosecuted in Ottawa county during those six months were 290. 35 of these were nolle prossed; 3 discontinued on payment of costs; 5 discharged on examination; 1 settlement made, and 2 acquittals (on trial in the circuit court.)

The number prosecuted for adultery 3; assault 5; assault and battery 16; assault with intent to kill, 1 (the John Tink case, wherein the jury brought in a verdict of not guilty); bastardy 2; burglary 3; contributing to delinquency 2; defrauding hotel keeper 1; disorderly 48; dog law violations 105 (14 of these were nolle prossed because it was found that the owners had paid their dog tax); embezzlement 1; endangering property 1; gambling 1; game law violations 27; indecent exposure 1; indecent language 5; injury to personal property 2; issuing bad checks 3 (all of these were nolle prossed) larceny 9; malicious destruction of property 4; violation of motor vehicle law 28; obtaining goods under false pretenses 3; profanity 1; prohibition law violations 12 (1 of these was found not guilty, and five of them were nolle prossed, owing to the decisions of our Supreme Court relative to search warrants, and one was discharged on examination); school law violation 1; receiving stolen property 1; unlawful possession of guns by aliens 2.

The report shows that drunkenness which formerly held the leading place among the petty crimes has almost wholly vanished under the prohibition law. The prohibition law itself is becoming very effective and violation of that law is on the decrease.

The dog law produced during the last six months the most trouble, but the people are quite well educated to the fact now that their dog tax must be paid in the first part of the year instead of the last part.

The automobile has added considerable difficulty to the enforcement of law generally, but the sheriff's department has handled very efficiently the criminal work of this county during the past year, and is to be commended.

### JENISON HOLSTEIN IS A FINE BUTTER MAKER

HER RECORD IS OFFICIALLY  
LISTED IN NATIONAL  
BULLETIN

One of the pure bred registered Holstein-Friesian cows, owned by E. S. Hanchett of Jenison, Mich., recently made 21.5 lbs. of butter in seven days, according to the latest bulletin of "Reported Tests of Holstein-Friesian cows" published bi-monthly by Malcolm H. Gardner, Delavan, Wis. Superintendent of Advanced Registry of the Holstein-Friesian Association of America.

This cow, Blissveldt Johanna Segis De Ko.1 at the age of three years and eight months, produced 523.5 lbs. of milk and 17,258 lbs. of butter fat, in seven days, equivalent to the above amount of butter.

The State Championship in the Senior three year old class is credited to Crest Farm Johan Pauline, whose seven day record is 512.9 lbs. of milk and 27,886 lbs. of butter fat equivalent to 34.8 lbs. of butter. This record was made at the W. T. Hill Farm, Davison, Michigan.

### HOLLAND FURNACE COMPANY GIRLS PUT ON KID PARTY

Tuesday evening in the Warm Friends Gymnasium, the Holland Furnace Company office girls gave themselves a big "Baby-Doll" party. Even though no men were present, they report a good time. Guess they must have imagination—plenty of it. Not so much because they had a good time without men, but because of the things they did and the way they were dressed. Must have been quite a little exercise of imagination in the matter of clothing, the description we've received is so pretty. Oh, well, the rest of us have a little imagination ourselves.

At any rate, we must content ourselves with the fact that the girls belong to a live organization which they've named the Warm Friend Athletic Club and that the girls fully enjoyed being little kids again. Nobody, we're told, choked on a lolly pop, and of course, we have laundries to wash ginger bread out of little white dresses.

Attention, Housewives! Do Not Fail to Attend the

## FREE Demonstration Of the THOR Automatic Ironing Machine ALL THIS WEEK!

MISS CINA, special THOR representative and demonstrator, will be with us every day of THIS WEEK.

We invite you to bring your difficult pieces and become familiar with the ONLY Ironing Machine that is absolutely automatic. No levers—no foot pedals—no strength is required to operate the THOR.

THE THOR IRONS SHIRTS, DRESSES -- EVERYTHING.

Holland, Mich.

### HOPE COLLEGE ORCHESTRA RE- CITAL, MARCH 22

The Hope College Orchestra is to render the great musical treat of the college calendar at the Carnegie Gymnasium, Wednesday evening, March 22. The College Orchestra, under the able direction of Dr. Bruno Meinecke, has devoted much time to render an accomplished recital. Dr. Meinecke has secured a list of classical selections for the event. Among other numbers, the orchestra will be assisted by a well-known soprano from Chicago.

### DR. NYKERK DISSECTING LIFE BY SCORES

Dr. Nykerk says that a man shortens his life:—

- 20% by eating mustard,
- 20% by smoking,
- 20% by using aspirin,
- 20% by eating chili sauce,
- 20% by eating pepper with your peas.

Now figure it out. There must be some men around this school who have been dead ever since they were born.—Hope College Anchor.

### MAN WHO LIVED IN OTTAWA HALF A CENTURY, DIES

Gustave Dense, for fifty years a resident of Grand Haven township died at an early hour Tuesday morning at his home 303 Columbia Ave. Mr. Dense was born in Germany on April 24, 1851 and was 71 years of age. He came to America 50 years ago and settled in Grand Haven township in which locality he had been a respected resident all that time. Two years ago the family moved to Grand Haven and located in the fifth ward.

Mr. Dense is survived by his wife and four children; also two sisters and five surviving grandchildren.

## BOARD BILL JUMPER PAYS TWO JUSTICES

Max Gruber sought by the Holland police for alleged failure to pay a hotel bill was taken into custody by Grand Rapids detectives.

Chief Van Ry sent Officer Cramer to get the man and he was brought to Holland first on the charge of jumping a board bill at Keefer's restaurant, second for doing the same thing at Hotel Holland and third for leaving room rent unpaid at Henry Brink's.

He was taken before Justice Wm. Brusse on the Keefer charge and before Justice Den Herder on the Hotel Holland charge.

The man pleaded guilty to both charges, settled the fines, and part of the board bills and gave security for the balance unpaid.

Gruber has been selling extracts about the city for the past few weeks, and he stated the proceeds of his sales went for the benefit of an asylum for crippled children located in Pittsburgh.

## ONLY WOMAN IN CONGRESS TO BE AT LINCOLN CLUB BANQUET

For years it has been customary to have a Lincoln Banquet at Grand Rapids for men only with the ladies sitting in the galleries watching the men eat and smoke.

Since women have had a hand in voting and taking part in government, state and city affairs this has all been changed and the ladies take seats alongside of their spouses or go with their best gentleman friend and the men forgo the smokes at least for that evening. With this changed condition women are also elected occasionally to high government positions and one of these so honored is Cong. Alice M. Robertson of Muskogee, Okla., the only woman member of congress.

Anyway the Lincoln banquet committee has announced thru President Colon P. Campbell that Cong. Oari Mapes wires that he has induced his colleague, Miss Alice S. Robertson, to make a speech at the banquet to be held at the Coliseum at Grand Rapids on the evening of February 11. No doubt many ladies from Holland will make arrangements to attend the banquet on that evening.

Confidence that Dr. Ke Alfred Sze, Chinese minister to the U. S., will make formal acceptance of an invitation within a few days was expressed by Mr. Campbell. Dr. Sze is delaying acceptance only because he feels he cannot make any plans while the disarmament conference is in progress, he said.

Washington dispatches indicate the conference expects to conclude its negotiations well inside the time limit set for the feast.

With Cong. Richard Yates, of Ill., and Cong. Robertson definitely listed Mr. Campbell feels that a start has been made on a program which will be hard to beat. He still has hopes that Mrs. Raymond Robins of Chicago, vice-chairman of the woman's division of the national Republican committee will accept an invitation.

## FARMERS PLAN GREAT WEEK AT EAST LANSING

Plans for the annual Farmers' week at Michigan Agricultural College, Jan. 30-Feb. 3, have been completed. The college is preparing to receive the thousands of visitors and to offer them exhibits, demonstrations and lectures which will surpass those of any previous year.

With railroads co-operating by offering reduced fares and the program for the week more attractive than ever before a registration considerably higher than that of last year is anticipated. Railroads have announced that during the week reduced rates to Lansing will be sold at one and one-half times the usual one-way fare.

The principal address on the opening day will be delivered by R. S. Shaw dean of agriculture and acting president of M. A. C. His subject will be "The Michigan Agricultural college." G. G. Greenland former president of Ontario Agricultural college will speak Tuesday afternoon on "The Farm Movement in Canada." He will be preceded by H. H. Halladay, state commissioner of agriculture.

President Marion L. Burton, of the University of Michigan, will be the principal speaker Tuesday evening with an address on "Educational Problems." He will be preceded by R. J. Baldwin, of M. A. C. on "The Service the Agricultural College Offers the Farmer."

The Hamilton Farm Bureau Association held their annual business meeting, and the financial report of the organization was found to be satisfactory and the general status of the association is most encouraging.

The building which was subscribed for last summer, is almost completed and will be ready for occupancy in about a week. Practically all of the work has been donated by the 140 members. Three new officers were elected for the coming year, Mr. Brower resigned as president, and Bert Telman was elected to fill the vacancy.

A hearty co-operation is shown on the part of the farmers in pushing this new project, which it is expected will grow materially during the coming year. Eighty-three members were present at the meeting.

## PRUIM MUSIC HOUSE WILL PUT IN UP-TO-DATE STORE

The building of the three new blocks to be erected by W. C. Walsh of this city will bring some other progressive changes across the street. For the present the building of the Coster Supply Co. is occupied by the Holland Photo Co. Mr. Du Saar, who has purchased the Coster Supply Co., will remain in the building until his new store is completed but after that time arrangements have been made whereby the E. J. Pruim Music House is to have the entire store which for the past year has been occupied jointly by them and the Coster Photo Co.

Under the management of Herman C. Cook, the business has expanded very rapidly and the present quarters have been found to be far too small. In the future the store will be remodeled and room will be made for a large and complete stock of pianos and players, in addition to their present line of Edison and Brunswick phonographs and White sewing machines. Beautiful phonograph booths will be installed so that the public can play records at their leisure undisturbed.

## NEW OFFICERS ELECTED BY BEECHWOOD BOOSTERS

The Beechwood Boosters held their annual election of officers on Friday night. The following were elected: president, Charles Emmink vice president, Al Borgman, 2nd vice president, Ed Scott, treasurer, Richard Van Dyke, secretary, James Schuiling, corresponding secretary, Oliver Hansen.

After the election it was decided to hold a potluck social February 2. The business meeting was followed by a social hour.

## ARRANGE GAMES FOR HOLLAND BUSY MEN

Henry W. Smith, secretary of the county "Y", Jacob Fris and Wm. Vanden Berg who are taking a prominent part in "Y" work in Holland are staging a Volley Ball tournament.

The 5 o'clock "busv Mens" class will have four teams in the lineup, captained by George Pelgrim, Wm. Vanden Berg, Ray Knoohuizen and Ed Stegman.

The 7:15 p. m. class will have six teams captained by Vaud, Vanden Berg, J. H. Oosting, Marinus Van Ark, Jake Lievense, Peter Lievense, and Theo. Kuiper.

These classes are increasing in membership each week it being a wonderful avenue for the busy man to get recreation and the proper amount of physical exercise.

## MEN'S ADULT BIBLE CLASS ELECTS OFFICERS

The Men's Adult Bible Class of the 14th Street Christian Reformed church held its annual business meeting Thursday evening, and the following officers were elected for the coming year: President, Herman G. Garvelink; vice-president, T. Warner; secretary, Benjamin Lampen; assistant secretary, Morris Kuite; treasurer, George Beeuwkes; teacher J. W. Vander Kieft; assistant teacher, Peter De Goede.

The Mission box was opened on Thursday evening and the proceeds were divided among the various mission posts. After the election of officers a paper was read on prohibition enforcement and a lively discussion followed. Refreshments were served and a social hour was enjoyed.

## SUNDAY AFTERNOON MEETINGS GROWING

The Sunday afternoon Y meetings at the Woman's Literary club rooms are growing rapidly. Despite the snow storm and severe cold there were 123 present. This is the largest attendance since these meetings were started. As usual John Vandersluijs opened the meeting with community singing from "Joy to the World" a hymn book that has done duty since the veteran musician has led choruses and directed large gathering of singers, which is a good many years. Dick Boter presided over the meeting very ably and introduced G. J. Diekema who spoke on character building. It was a wonderful talk that Mr. Diekema gave his audience taking them from the time of the ancients when brute strength counted until the present day when strength of body was secondary when it comes to strength of character. Mr. Diekema spoke for nearly an hour on this subject and so plain and understandable did he make his discourse that it must have been impossible for anyone present to mistake the lessons it brought to light and to bear upon the present generation.

A vocal solo was very pleasingly rendered by Miss Helene Vander Linde ably accompanied by Miss Hamelink.

Rev. Paul P. Cheff opened the meeting with prayer and the exercises were closed with Mr. Dick Boter pronouncing the blessing.

## ZEELAND'S OLDEST CITIZEN PASSES

Zeeland's oldest resident passed away Friday morning when death came to Mrs. J. Huizinga after an illness of brief duration. Mrs. Huizinga had been in critical condition for several days past and her death was not a surprise to the family.

Mrs. Huizinga for some time past has held the distinction of being the oldest resident of Zeeland, having reached the age of 86 years. She was born in Bonsel, Province of Zeeland, the Netherlands, and she came to America as a child of 12 with her parents. Ever since that time she has been a resident of Zeeland. She also for some time past had the distinction of being the last surviving member of the Vander Luyster party that came to this country in 1847.

In 1855 she was married to J. Huizinga, and her husband died in 1903. She is survived by five children, Cornelius of Grand Rapids; Albert J. of Holland; Mrs. Martin Schram of Washington, D. C.; Mary and Anna at home. Mrs. Huizinga was a member of the First Reformed church of Zeeland ever since that church was organized.

The funeral was held Monday afternoon at 2 o'clock from the home in Zeeland.

Dr. Martin E. Elzinga, veterinary and surgeon, died suddenly at his residence 347 Lagrave Av. at Grand Rapids at 4:30 Saturday afternoon.

Dr. Elzinga was born in Zeeland, 47 years ago, where he received his early education and for a time was a student at Hope College. He studied veterinary surgery at the Detroit college and was graduated in 1896. Practiced in Zeeland for three and a half years, the family moved to Grand Rapids. When the veterinary college was in operation he was engaged as a teacher and was Friday re-elected president of the West Michigan Veterinary association.

## DOUGLAS PLANT BECOMES A PART OF LARGE CORPORATION

Plans have just matured which will mean much toward insuring the permanency of the largest manufacturing plant at Saugatuck or Douglas. The Douglas Basket Co., a corporation capitalized at \$175,000, has taken over the factory and other property of E. E. Weed & Co. This is a preliminary step in the merger of at least 18 of the largest fruit package factories scattered all over the U. S. The stock in the new company is owned by same persons composing the old firm. The merger makes a giant organization which will cut veneer and other stock where it can be most advantageously done, shipping in bulk to less favorably located branches, where the material will be cut up and assembled. This advantage, with the elimination of much of the present overhead expense of the independent concerns, promises to effect a great economy in both production and distribution of fruit packages. The combined organization is to be known as the U. S. Package Corporation.

The deed transferring the property contains \$85 in revenue stamps.

## PERSONALS

Contractor Fritz Jonkman was in Grand Rapids on business Saturday.

Mr. and Mrs. Frank Hadden have left to spend the balance of the winter in Mississippi.

Advertised letters for the week ending Jan. 20, at the Holland post-office are: Mrs. M. E. Mitchell, Albert Tanis.

W. J. Olive was in Grand Rapids today on business.

## Stretching Life--

LENGTH of days is not given to everyone. A useful life can be extended however, by the fruition of plans. Tentative plans can be tried out by putting property belonging to you under Trust agreement. Upon proving these plans, your Will can provide for their continuance.

You can plan benefices, and your Trustee can administer them, entirely through the lives of your dear ones. After they are through with it, the property can be passed on for the benefit of still others.

Let us sit down with you and talk it over.

Call at our office for our new Booklet.

"What you should know about Wills and the Conservation of Estates."

## Fine Farm for Sale

I have an unusually fine farm for sale comprising 80 acres, located 1 mile north of Phoenix cheese factory, Zeeland, Mich. Take the first turn to the north of the factory. Farm consists of sand and clay alone; wonderful soil; makes good dairy and poultry farm, with unusually good buildings. Have very good reasons for selling. Make all inquiries of owner of property.

John Vande Luyster

R. R. No. 2, Zeeland, Mich.

## Does Sciatica Make You a Cripple

Health Talk No. 32

By JOHN DE JONGE, D. C.

Does sciatica make you a cripple, unable to get out of bed? Or is your case a mild one that merely makes moving around a misery and pain a constant companion? In either event you are unable to work or think, and you are making others suffer with you, for that is the law of life.

Sciatica is a form of neuritis or neuralgia of the sciatic nerve. It may be present without either liver or kidneys being inactive. In this respect it differs from rheumatism, which is always accompanied by costiveness and kidney trouble. Sciatica is caused by pressure on the sheath of the sciatic nerve and this pressure causes an inflammation and swelling of the sheath, which compresses the nerve and causes the constant pain which is the characteristic of this disease.

## Two Years of Suffering Ends.

"For more than two years prior to consulting a chiropractor, I had been suffering with sciatic rheumatism. In August 1919 I was suffering intense pain and it was so bad that I was unable to work and in fact was unable to move about at all. The first chiropractic spinal adjustment brought relief but I continued through December when I was discharged. I have been shoeing horses ever since without return of the trouble."—John Schauss, Chiropractic Research Bureau. Sworn Statement No. 1233R.

## AFTER THE PRICE, THEN WHAT?

Insurance service doesn't mean just writing the policy and collecting the premium.

It is something more than the personal element, or a matter of patronage.

It means at least three things to you.

First, an insurance contract to meet your requirements. The lowest possible rate for this contract. The absolute assurance that any losses you may have will be paid promptly.

For fifty years the McBRIDE INSURANCE AGENCY has been building up the largest, strongest insurance agency here on this kind of service.

Ask your neighbor.

**McBride Insurance Agency.**

## BECOMES MEMBER OF TOLEDO BOND HOUSE

The following about John Diekema a son of Hon. G. J. Diekema, appeared in a Toledo paper:

"Prudden & Co., one of the oldest and most reliable investment houses in the country announce the admission to partnership as of Jan. 1st 1922 of A. C. Mittendorf, H. A. Emig, H. D. Kelly, G. J. Diekema Jr. "All are experienced men in the business with the exception of Mr. John Diekema, who came to this city in the spring from the University of Michigan. During his brief residence in Toledo, Mr. Diekema has established an enviable reputation, both among the older and younger generation. John Diekema is a son of former Congressman G. J. Diekema of Holland, Michigan, prominent attorney and banker, also one of the ablest orators in the west. The announcement was not only a big surprise to Mr. Diekema's many friends but to the investment world. John Diekema is just 22 years of age and the youngest partner in a big recognized bond house in the country. It is another story of faith in youth and their ever increasing rise in the business world."

## RURAL MAIL CARRIER HAS A SERIOUS RUNAWAY

Rural mail carrier Henry Dekker of the Holland postoffice had a narrow escape from serious injury and possibly death when his horse ran away. A touch of a whip when passing another rig started "Dobbin's" going "halter skelter." The animal jerked the lines from the mail carrier's hands and went pell mell down the country highway. The horse jumped a bridge or two and finally the wheels of the vehicle became tangled with a tree. Mr. Dekker managed to open the door of the closed mail wagon but was nearly kicked in the head by the fractious animal. Dekker was thoroughly showered with flying glass but was not seriously injured. The wagon was badly damaged and the rural carrier was forced to return to the Holland postoffice, rent an auto, and finish his route, which he did within the usual time.

Walter Sutton was in Grand Rapids on business Friday.

## VANDEN BERG BROS. PUT IN A NEW BUSINESS SYSTEM

Mr. Irving F. Rogers, Ass't Manager of the Grand Rapids Credit Men's Association, has just completed the installation of a complete new system of accounting for Vanden Berg Bros. Friday evening the employees of Vanden Berg Bros., and Mr. Rogers were given a dinner and entertained at the home of Wm. C. Vanden Berg, West 13th street.

Mr. Rogers is an expert accountant and by the way, he is also an accomplished musician, playing the cornet, slide trombone, snare drum and traps. Several years ago while spending his days conquering masses of figures in the accounting department of the Pere Marquette R'y Co. and his nights playing in theater and ball room orchestras, he became a convert of Mel Trotter, of the City Rescue Mission at Grand Rapids.

His life story is like a fairy tale. During the last couple of years of business depression his accounting business has been more than he could handle—just now his days are fully occupied in his profession, his nights are spent directing the orchestra at the City Rescue Mission and his Sundays are given over entirely to Mission Work, and at the same time he says his greatest problem is to decide whether or not he should give up his profession and go into Mission work.

The Welcome Corner Class of the M. E. Sunday school was entertained at the home of Mr. and Mrs. Neil Sandy Friday, 143 Central avenue. Those present were Mr. and Mrs. M. Bowmaster, Mrs. Fred Bocks, Mrs. Austin Bocks, Mrs. George Bocks, Mrs. J. Vander Woude, Mrs. P. Crook, Mrs. Fred Jones, Mr. and Miles, teacher of the class.

Several business matters were Mrs. W. Haight and Mr. Fred T. first attended to, most important of which was the election of officers, as follows: president, Mr. Sandy; Vice-president, Mr. Haight; sec'y, Mrs. Haight; assistant sec'y, Mrs. B. Brink; treasurer, Mr. Bowmaster; historian, Mrs. Bowmaster.

Some very interesting games were played and several prizes given to the winners. Dainty refreshments were served by the hostess, Mrs. Sandy.

## TWO MORE LARGE STORE BUILDINGS ARE TO BE BUILT

Instead of one store that is to be built for Herman Van Tongeren's retail and wholesale tobacco business on E. 8th Street Walter C. Walsh will now build three stores side by side.

Mr. Walsh has purchased the John Pessink property now occupied by the DuSaar Photo Shop, for \$15,000 and this building is soon to be razed and two modern store buildings will be placed on this property.

The VanTongeren store will be 20 x 48 ft., two stories and the building to be erected directly to the west will be 34 x 84 feet, two stories high.

This new addition will contain two places of business. The west store has been leased to the Du Saar Photo Shop for a term of years, and Mr. Du Saar states that he will occupy both the first and second floors.

The second store in the new building has not yet been leased but it is stated that there are several prospective tenants who are anxious to get that location.

Mr. D. J. Du Saar, proprietor of the Du Saar Photo Shop stated that he had purchased the Coster Photo Supply Co., 19 East 8th Street and will move his own shop to that location in the Kanters' building until such a time as the new building will be ready for occupancy, which will be in about four months.

Mr. Coster is not out of the photo business altogether. He has been connected for some time with the Baker-Coster Photo Co. of Grand Rapids where he has spent considerable of his time. He will now be able to devote all his time to his interests there.

Of Mr. Coster it may be said that he is the pioneer photo supply man in this city, and for at least twenty years he has conducted a lucrative business both at Holland and Macatawa Park.

His recent venture in Grand Rapids has also turned out exceedingly well, and consequently will demand his entire attention.

The Du Saar Photo Co. has built up an unusually fine clientele both in local and mail order business, in fact the Du Saar art work has been shipped practically all over the state.

The contract for the Van Tongeren building has been let to Contractor Postma, but the contract for the two other stores has not yet been let.

It is said that the entire piece of ground upon which the three buildings will be built will cost the new owner nearly \$25,000.00.

## USE SPY SYSTEM TO SEEK MINISTER

The correspondent from Forest Grove sends in a unique article in which he states as follows:

"When, one Sunday afternoon a few weeks ago, there were several strangers at the service who listened attentively, a number of our local people referred to them as 'spies' from some 'pastorless' flock. That this supposition was correct was brought to light during last week when the Rev. G. Vander Linden received a call from Bethel Reformed church of Grand Rapids. This naturally called for a congregational meeting at Forest Grove to persuade the pastor to remain, and this meeting was held on Monday evening of last week in the church building. The auditorium was filled, nearly every family being represented."

Spies as a rule are shot or hung quickly, but these are good spies who are aching to secure a good pastor, and the Forest Grove congregation may congratulate themselves if the dominie announces from the pulpit Sunday that he had declined the call! Grand Rapids.

Anyway judging from the representation made from the Forest Grove church the members of the congregation surely have not been found asleep on the job and it cannot help but be rather gratifying to Rev. Vander Linden to hear that he is in such great demand.

## GIFTS ARE SHOWERED ON E. SAUGATUCK MINISTER

Rev. and Mrs. J. H. Geerlings of East Saugatuck came in for some surprises last week. On Wednesday the consistory members, and their wives met at the parsonage and left a handsome purse as an appreciation of the work of the pastor and his wife; and Friday evening the young people came and presented Rev. Mr. Geerlings and family with a beautiful electric floor lamp.

The congregation had previously put in an electric plant on the church property at a cost of \$1700. The evening was pleasantly spent with readings, songs and games.

## SPRING PRIMARIES TO BE HELD ON MARCH 14 THIS YEAR

The spring primaries for the nomination of candidates for mayor and aldermen and other city officers will this year be held on March 14, which is the third Tuesday before the first Monday in April, that being the day specified by the charter on which the primaries are to be held. The time for filing petitions for the various candidates will come to a close this year on the last day of February, that being the 14th day before the primaries, which is the day specified by the charter as the time limit for filing petitions. The petitions must be in at 4 o'clock in the afternoon of that day.

As yet the candidacies are only in the talk stage. There will be more interest in the primaries and election this spring because of the fact that a mayor is to be elected, which occurs but once in two years. There is of course some talk of candidacies but it is all understood to be strictly on the quiet and no one has so far come out definitely as being a candidate.

The same thing is true of the positions for aldermen. Some of those whose terms of office expire this spring are unofficially said to be rather backward about making the race again, but it is expected that at least a number of them will go in for it again. Their friends in the wards are laying their lines with this in mind.

As yet everything is lovely on the political horizon in Holland, but there are at least indications that there will be contests for some of the offices. While the completion of affairs may change several times before the primaries, the political dopesters are beginning to shuffle their cards, and within a short time now the preliminary gossip may be looked for.

At a recent banquet given by Mayor Stephan to the city officials he stated that if his wishes were followed his fellow colleagues and his friends would not consider him for another term as mayor, but rather that they find another good man to take the honor. Apparently there are many who feel differently about the matter and hold that the man who has steered the Holland ship so safely and well and with good business judgment, is a fine mayor to give a second term.

Mr. A. Maal of the Abens and Elding Co., went south for a two weeks' trip.

If this winter fails to produce a record breaking cold snap it will be freely forgiven for its dereliction.

## BIG SCORE IN MATCH GAME

The match game of pool played on Friday night at Will Blom's pool rooms was witnessed by a large audience. The game was a very interesting one. Each player was exerting his extreme efforts to win. The game started off with each player tying the other, but the success came towards the end when Blom won with very little difficulty. The score was 150 to 73, Blom making five scratches and Sullivan ten. Sullivan played in poor form and missed several good shots, while Blom played his usual game.

Blom would like to arrange a match with Purchase, the winner of the Palace Pool room tournament for next Thursday evening; or with any one of the players that played in the Post or Palace tournaments.

Prosecutor Fred T. Miles was in Grand Rapids on legal business Friday.

## THE FINISHED PRODUCT

is the result of the finished workman's efforts plus the efforts of modern machine shop methods. This is the explanation for the superior production achieved in this shop. We are equipped to accomplish high grade work at comparatively low prices.

I. X. L. MACHINE SHOP,  
22 W. 7th St.

# THE HEART OF THE HOME.

If Home is to have that gripping influence that holds us secure in life's most treacherous storm, it must be cozy. Some folks live in homes—others in houses. And it is not difficult to tell to which class a person do belong, is it?

The person whose life is strengthened by a happy, cozy home is one that we all admire. He is one who can smile in the face of any struggle. He is a person who fills the rest of us with confidence. That is the kind of character that we want to have. So let's strengthen our home influence all we can. Let's start with the Heart of the Home. Why not have a heating system that is guaranteed by the largest installers of furnaces in the world?

Why, of course—just the thing—because

"Holland Furnaces  
Make Warm Friends."

HOLLAND FURNACE CO.,

General Offices -- Holland, Mich.

225 Branches in Central States.

LARGEST INSTALLERS OF FURNACES IN THE WORLD.

# REGISTRATION NOTICE!

NOTICE IS HEREBY GIVEN, that the Board of Registration of the City of Holland will meet at the places hereinafter designated on

**Saturday, January 28, 1922**

Between the hours of 8 o'clock a. m. and 8 o'clock p. m. for the purpose of completing the lists of the qualified voters of the several wards of said city.

FIRST WARD—Second story of Engine House No. 2, 106 E. 8th Street

SECOND WARD—No. 145 River Ave.

—City Clerk's Office, City Hall, Cor. River Ave. and 11th Street

THIRD WARD—Polling Place, 301 First Avenue

FOURTH WARD—Polling Place, Cor. Central Avenue and State Street

FIFTH WARD—Basement Floor, Van Raalte Avenue School House, on Van Raalte Avenue between 19th and 20th Sts.

By order of the Board of Registration,

RICHARD OVERWEG, City Clerk

Dated Holland, Mich., January 14, 1922.

## RESIDENCE PROPERTY FOR SALE.

- \$5500 Two story colonial style house, located near Central Ave. and 21st St. Can be arranged for one or two families, complete with all convenience excepting gas. Also hen house and shade trees.
- \$4500 Good two story house with 7 rooms and basement, complete with all conveniences excepting gas. Also garage and shade trees. Located on 24th Street, between College and Central Avenues.
- \$3200 Good 7 room house on West 17th Street, complete with all conveniences excepting gas. Also good garage. Will consider exchange for property nearer in.
- \$6300 Good 2 story house with 9 rooms and basement located on 10th Street, complete with all conveniences. Large lot and large shade trees. Terms: About \$2000 cash, balance monthly payments.
- \$4000 For 6 room house, barn and garage with 4 acres of ground. Located just East of City on concrete road. Quality of this soil is a black loam, making excellent garden soil. Electric light and gas can be had if desired. Terms: About one-half cash.
- \$1750 Takes good small house and barn with 2 acres of good soil. Located a short distance East of city on concrete road. Terms can be arranged.
- \$3300 For 9 room house on 23rd Street, near College Avenue. Lot 157x100. House has electric lights, city water, sewer connections, fruit and shade trees.
- \$4000 For 9 room house on 9th Street, near Central Ave. Complete with all conveniences, excepting furnace. This would make a good rooming house. Terms can be arranged.
- \$5250 Good 7 room house complete with all conveniences, including hot water. Garage and cement drive. Located on West 16th Street. Terms: About \$2000 cash, balance as agreed on.

## SKATING POND

TALK MAKES OLD  
TIMERS SMILE

The friendly quibbling now going on over a skating pond since the ice in Black Lake has been found good for skating purposes is no doubt well meant.

The city administration has several of these random darts flying its way because of their seeming lack of interest in fostering a skating pond project. Such a project is not new with the mayor and common council of this city.

It may not be remembered by many that during the past few years the city administrations have been unusually enthusiastic for a place of recreation on the ice, in order that Holland folks may have their winter diversion.

For the past four or five years the city fathers had devised ways and means to bring about a place for skating, but no sooner had their plans been well developed when a thaw came, and undid the work that had been done. In fact some four years ago it seems that an item was published stating that some poles and are lights were being erected on a skating pond near the Graham & Morton dock. It is stated that these are lights because of the sudden thaw can be found at the bottom of the bay. Anyway, for the last four years the weather has been so uncertain and the council has met with so many failures in the past few years, which contained two iceless seasons altogether, that the city "dads" no doubt first had to be shown that there was going to be a real winter.

Anyway, the making of plans for a skating pond became a standing joke in the council chambers from the fact that no sooner was such a matter brought up and plans well under way, than a big thaw came, naturally stopping all activities.

While holding no brief for the action of the common council, it really makes the writer smile when harking back to the days of 35 years ago when there were no automobiles to hitch plows to, no boy scouts to help, no electric lights that could be erected and no common council whom one thought of appealing to.

We recollect the "kids" of the 4th ward, some 25 or 30 of them, shouldering shovels and marching single file to the large swamp to the head of Black Lake, and these chaps within a short time had a spot clean for skating that often accommodated 2,000 people.

Large heaps of snow were placed in the center of the pond. These heaps were then flattened down hard, and the gathering of wood and boxes for the evening's skatefest was begun, and at night by the light of a large bonfire Holland folks had a high old time.

In those days the old "wind-jammers" were anchored in the bay. The large schooner, "R. Kanters," captained by Baas Van Ry, for years occupied its accustomed place directly west of Harrington's dock, while a mile farther down the bay, opposite the old Gelatin plant, where Van Dyke's old saw mill formerly stood, the three masted schooner Wolin, with John Borman as the skipper, swung at anchor, until it was frozen in. The skating pond was generally made between these two ships and there two genial captains who visited their crafts daily, saw to it that a warm fire was burning in the cabins, and many a cold pair of feet were privileged to soak up a little heat after a long skate between boats.

Often when the snow was very deep the late Isaac Cappon, at that time proprietor of the Cappon-Bertsch Leather company, sent his large tannery snow plow, drawn by powerful horses, onto the ice, and soon a skating course was made reaching from ship to ship.

Us "kids" also had a method whereby rough places in the course could be made smooth. At such spots a small hole was cut into the ice big enough to accommodate a hand pump. After the skaters had all gone the lads mostly interested in skating would get busy for an hour or more flooding these spots.

The following evening these rough places were as smooth as glass and added remarkably to the pleasures derived from the only outdoor sport that Holland could boast of.

This article will no doubt refresh the memories of "our kids" of 35 years ago.

Alderman Arlo Vander Hill was one of them, as was his brother, Gerrit now of the Board of Education. Tony, the ball player of prominence, and Jimmy and Henry Vander Hill were all in the skating crowd. The Borman boys, three of them, Charlie Bailey, Herman Damson, Frank and Fred Charter, the De Weerds, Visser, Dooyes and Charles H. McBride, VanDoesburgs, the Cappons, Peter Seif, the Elferdinks, Ver Schure's, Kuites and Bertsches, and also a batch of Mulder "kids." We might add to this

list indefinitely, but space forbids.

The writer can however assure the readers of this paper, that no common council was ever asked for aid, or was it ever given. Such a thing wasn't thought of in those days; in fact, the kids of 35 years ago were having too much fun making their own pond, and wouldn't have thanked any "city dad" who would havehipped in to spoil their fun.

## HOLLAND LADY DIES

## AT NINETY-ONE YEARS

Mrs. Alice Veenma Hyma, widow of the late Andrew Hyma, and who was born in Holum, Vriesland, the Netherlands, on March 2, 1831, died at noon on January 23, 1922, at her home on College avenue and 14th street. Mr. and Mrs. Hyma came to this country 41 years ago. They lived in Grand Rapids for one year and for 40 years they made their home in this city. Mrs. Hyma would have been 91 years old in March. She is survived by three daughters, Jennie, Jeannette Hyma of Grand Rapids and May Hyma, who lived with her mother at Holland. Two sons also survive, namely former alderman Henry Hyma and Geo. Hyma. The funeral was held at 2 o'clock this afternoon from the home 336 College avenue.

## HOPE FAVORED BY DOPE

## TO DEFEAT NORMALITES

Hope College with the finest record of any college five in the state, will battle Western State Normal Saturday at Kalamazoo. The Dutchmen are favored to win by the dope.

Hope defeated Kalamazoo college on the latter's own floor and the Celery City collegians defeated the De Paul university, while the Normalists had to fight to win over the same quint.

Hope had a walkaway with the DePaul team last Friday winning by a large margin.

ALLEGAN COUNTY  
PROSECUTOR CONVICTS  
124 DOG TAX DODGERS

The report of Ira C. Montague, Allegan county prosecutor, shows that during the past year 423 persons were prosecuted. Of the 423 prosecuted, 410 were convicted, two were acquitted, two cases were nolle prossed, four were discharged on examination, four cases were settled.

There were 23 assault and battery cases in which 22 were convicted. Five were arraigned on bastardy charges. Three were convicted of having contributed to delinquency, two desertions cases were tried; two were tried for destruction of property; two were convicted for disorderly conduct; twenty-seven drunks were convicted; 95 ran afoul of the fish and game laws, 14 the highway laws, One hundred and twenty-four were convicted for not having paid their dog tax. Two were convicted of jumping board bills.

Of the 38 tried for larceny, 37 were convicted. Fourteen of 15 defendants were convicted for violation of the motor laws; five for using profane language; three for the breaking of school laws; four for vagrancy.

LOCAL ARTISTS GIVE  
FINE PROGRAM BEFORE  
CENTURY CLUB

A charming program was given before the Century Club Monday evening by local artists when the club met at the home of Dr. and Mrs. B. J. De Vries, East 12th street. The program opened with a vocal solo by Mrs. Arthur Heuer, Mrs. Martha Robbins acting as accompanist. Mrs. Heuer was compelled to respond to an encore.

The larger part of the program was taken up by readings by Miss

Ethelyn Metz. There was a wide range of variety in Miss Metz's efforts, from poetry by Christiana Georgina Rossetti to a serio-comic skit on jealousy by Thomas Bailey Aldrich. Miss Metz, who responded to encores more than once, demonstrated again that her talent is far superior to most of the out-of-town readers that come to Holland from time to time.

Prof. Bruno Meinecke delighted the audience with two beautifully rendered violin selections, with Mr. Harris Meyer acting as his accompanist, and Mrs. Heuer appeared for a second time with two more delightful vocal solos.

## GIVES TALK BEFORE

## P-T CLUB ON THRIFT

There was a large attendance at the January meeting of the Van Rant's Parent-Teachers' club. The speaker of the evening was Rev. J. M. Martin who gave a splendid talk on "Thrift." The music was furnished by Miss Helene Van Kersen and Mrs. C. De Koster, president of the club. Miss Van Kersen skillfully rendered two piano solos and Mr. De Koster favored the audience with vocal selections. Mr. Vander Hart, the ever popular reader, caused many a hearty laugh and much applause. The February meeting will be in charge of the women.

The funeral of Mrs. Cornelius Klassen was held at the home on Tuesday afternoon at 1:30 o'clock. The home is about one mile east of the city.

Mr. and Mrs. Fred Wilson and Mr. and Mrs. Tom Wilson and Clarence Wilson of Grandville have come to Holland for two or three weeks. The men are going to work putting up ice in the large ice houses on Black Lake.—Grandville Star.

PECULIAR CASE TRIED  
IN CIRCUIT COURT

Monday an interesting case was tried in circuit court in which Harm Nienhuis sued Ray Koetsier for driving his car into a horse that Mr. Nienhuis was driving along the road.

The result was that one of the horse's legs was broken and the animal had to be shot.

Koetsier at the same time brings suit against Nienhuis for the reason that the impact of the car against the horse damaged the machine to such an extent that he felt that he also had damages due him.

Anyway after the evidence had been brought in, the jury held that Nienhuis was entitled to \$175.00 damages for the horse that was killed and naturally Koetsier will receive no damages for his car.

G. J. Dekema and Daniel Ten Cate appeared for Nienhuis and Robinson & Den Herder for Koetsier.

UNCLE SAM ANNOUNCES LAST  
DAY OF HUNTING SEASON

January 31 is the last day on which wild ducks and geese, coots, gallinules and Wilson snipe or jack snipe may be hunted anywhere in the United States under the Federal law which prescribes seasons on migratory game birds. This law, which is administered by the Bureau of Biological Survey of the U. S. Dept. of Agriculture, provides, however, that the carcasses of birds killed during an open season may be possessed for an additional period of ten days following the end of the season if State or local laws do not prohibit it. The possession of the carcasses of wild ducks, geese and other migratory game birds in cold storage plants after February 10 renders the owners subject to prosecution in the Federal courts.

HOLLAND Y WINNER IN  
SENSATIONAL GAME

The Holland Y basket ball team nosed out a 29 to 28 victory Friday evening over the Michigan City Y in the high school gym in one of the most sensational games ever played in Holland. So excited were the spectators that many of them were on their toes most of the time, and those who failed to go to this game missed the contest of their lives.

Michigan City outplayed Holland the first half, but in the second half the local boys came back strong. So close was the contest that during the last fifteen minutes there was never more than one point between the scores; one minute one team was ahead, the next minute the other, and Irving, the referee, had a hard time but he handled the situation admirably.

Sietsma and Coxy Smith were the stars for Holland, and Loomis starred for Michigan City. Smith made two beautiful baskets from the middle of the floor. He also showed that he has lost none of his speed. Sietsma made four baskets.

With the withdrawal of W. N. Ferris, former governor, as acting head of the Ferris institute which he established, Gerrit Masselink, an instructor at the institute for 25 years and vice-president under Mr. Ferris, becomes the active head of the institute. Mr. Masselink is well known in educational circles in the state. He has taught political economy at the school for years. In addition to his other duties Mr. Masselink has organized one of the of the largest Bible classes in the country which he teaches. About 350 students, representing nearly all denominations, are enrolled in the class.

Mr. Masselink was born in Drenthe, near here, and spent his boyhood there.

## THERE WILL BE NO ICE FAMINE IN HOLLAND NEXT YEAR

Holland will not have an ice famine next summer, of that there is a certainty.

The lake is filled with nine inches of the finest kind of ice and if this weather continues for a few days longer the ice will be at least a foot thick.

The Crystal Creamery is harvesting its ice at the springs of the Waverly Stone Quarry and it is said to be of an unusually high grade.

The milk men for miles around have every available team and truck going and will soon be supplied with all the ice necessary.

"Bill" Murphy at Ottawa Beach has been busy for more than a week taking care of all the ice for that resort.

The ice houses at Macatawa, Jensen Park, Saugatuck and Central Park have been filled to the roofs with ice of fine quality.

The Superior Ice Co., has 40 men working near Montello Park and within a few days the two large ice houses at the foot of the hill at the West Limits of the city of Holland will be filled with all the ice they can possibly hold.

This same company is replacing its sixty horse power boiler with one of 100 horse power capacity which will increase the output of the plant nearly five ton more daily.

The Superior is now pumping its own water from wells and has put in some added machinery which will facilitate ice making business.

Mr. Naberhuis of the company states that there is no possible chance of an ice famine next summer.

Last year the local company had no natural ice and it was necessary for the makers of artificial ice to supply all the resorts, creameries, milk men and ice cream stands with the manufactured ice.

Of course this year most of these customers will be eliminated for the reason that there is plenty of natural ice to be harvested and in order not to be caught these users put up enough and to spare for the season of 1922. So it can be readily seen that there is no chance of an ice famine the coming year.

Mr. Naberhuis of the local company was asked what effect the large ice crop would have upon the ice prices next summer, and he stated that at this time it was hard to tell but he thought that the ice to the butchers, ice cream men and those customers who took large quantities might be somewhat cheaper.

He could not say whether artificial ice for domestic use would be lower or not.

He stated that coal prices and labor were still high, and that rock salt, ammonia, calcium chloride, were still held up at unreasonable prices, nearly as high as during the war times. He stated that if there would be a material drop in those things that have to do with making of artificial ice, this would soon be reflected in the retail price of ice used for domestic purposes.

It can be readily seen that the man with the ice box will have to wait for a spell in order to ascertain what next season's ice price will be.

Mr. Naberhuis stated further that the price would positively be no higher but whatever rate would be made, Holland citizens could depend upon a square deal in the matter.

## COLONIAL ORCHESTRA ENJOYS BANQUET

The members of the Colonial orchestra and their wives or friends, together with their leader John Van Vyven and family, making a company of 24, enjoyed a delightful banquet in Odd Fellow hall. The feast was an elaborate one and was prepared by Duke's Cafe. One item of special interest on the menu was chicken prepared in southern style.

The program consisted of the following: prayer by J. H. Rowan; welcome, by Edward Brouwer; "Well Start," everybody; "Football," Harold Vander Bie; "An Instructor's Reward," John Van Vyven; "Bad Habits of Members," Andrew Verschure; "Well Continue," Everybody; "Dice," "Cats," "Hoo-gan's Rent," John Van Vyven; "Good Habits of Members in Accordance with Parliamentary Law," L. De Pree; "We'll Finish," Everybody; Budget, Harold Vander Bie.

The members of the orchestra are Lee De Pree, Andrew Rutgers, Henry Kasten, Joseph Rowan, Andrew Verschure, Edward Brouwer, Harold Vander Bie, Nicholas Brower, er, Leonard De Pree, Henry Maas. The orchestra plays once a year for each of the P-T clubs, and it appears on many other occasions, being organized for the good of the community.

Official announcement was made by Treasurer J. C. Shank of the Brunswick-Collender company at Muskegon that phonograph records will be produced in Muskegon at the rate of 50,000 daily within the next few months. Mr. Shank stated also that the Brunswick plants were 20,000 orders behind in phonographs and that an effort would be made immediately to catch up in production. He said that about 300 men would be employed in the record work and between 500 and 800 more in the talking machine plant.

The Brunswick is sold by the J. A. Brouwer Co. in this city.

## POULTRY ASS'N LOOKS FOR BIGGEST YEAR IN ITS HISTORY

The Holland Poultry association is looking forward to its biggest year.

At a special meeting of the association it was decided that the show dates would again be Christmas week. J. E. Weaver was selected as the Standard judge, and E. C. Foreman, professor of poultry and husbandry at M. A. C. as utility judge.

The association is growing rapidly in membership and before the end of the year it is expected that from 225 to 250 poultry men will be affiliated with the organization. A big banquet has been planned, which will be held on March 17.

The association has been especially active the past year in culling birds. Nearly 100,000 birds were culled under the direction of the culling committee in Ottawa and Allegan counties. This work will be continued the present year and it is expected that thousands of flocks will be culled before the end of the year. This section of the state is getting to be the greatest poultry section in the world and the exhibit at the Holland fair the coming fall will be an exceptionally large one if sufficient room can be found.

The officers of the association this year are: president Arent Siemsa; vice president, Herman Bekker; secretary, Jacob Sprang; treasurer, J. De Koster; local editor Edward Brouwer.

The culling of poultry is giving Ottawa and Allegan counties the finest poultry in the state. Until now the farmers have been feeding many birds each year that did not produce and in this way the profits from their flocks have been materially cut down. But most farmers are beginning to see the value of culling their flocks and getting substantial returns from every bird that they feed.

The officers of the association this year are: president Arent Siemsa; vice president, Herman Bekker; secretary, Jacob Sprang; treasurer, J. De Koster; local editor Edward Brouwer.

The culling of poultry is giving Ottawa and Allegan counties the finest poultry in the state. But most farmers are beginning to see the value of culling their flocks and getting substantial returns from every bird that they feed.

## NEW PUBLICATION IS WINNING PUBLIC FAVOR

"The Sunday School Guide," a new publication that was launched in Holland a few weeks ago, is rapidly making its way into public favor according to Edward Brouwer, the publisher, and subscriptions have been secured from as far away as New York. The publication is issued weekly. It contains the authorized version and the American version of the week's lesson, a Senior department edited by Rev. C. P. Dame of Trinity church, an Intermediate department edited by Rev. S. Vander Werf, secretary of the board of domestic missions, and a Junior department, edited by Henry Geerlings, also a department called "Sabbath Reading."

## COMMON COUNCIL

Holland, Mich., Jan. 18, 1922. The common council met in regular session and was called to order by the Mayor.

Present: Mayor Stephan, Alds. Blue, Prins, Vanden Brink, Brieve, Lawrence, Damstra, Dykstra, Wiersma, and Vander Hill and the clerk.

The minutes of the last meeting were read and approved.

Petitions and Accounts. George and Charles Fitzpatrick petitioned for license to engage in the business of dealers in second-hand goods at 120 East 8th street and presented bond as required with Jack Blue and Andrew Klomprens as sureties.

Referred to the Committee on Licenses.

The clerk presented communication from Mrs. E. E. Annis stating that the \$15 per month allowance according to contract is not sufficient for her support, and submitted the matter to the council for their consideration.

Referred to the Committee on Poor and the City Attorney.

Reports of Standing Committees. The committee on claims and accounts reported having examined the following claims and recommended payment thereof:

Allowed and warrants ordered issued.

The Board of Public Works reported that a meeting held January 6, 1922, it was the decision of the Board to purchase from S. J. Vanden Ploeg approximately six acres of land adjacent to the East 8th St. Water Station at not more than \$250 an acre subject to the approval of the Common Council.

Approved.

The Board of Public Work further reported that a meeting held January 6, 1922 the Board, subject to the approval of the council, awarded a contract for the construction of a 24" concrete well to the Kelly Well Co. of Grand Island, Nebraska for \$5,760.00.

Approved.

The County Treasurer reported having paid to the City Treasurer \$800.21 delinquent taxes for the quarter ending December 31, 1921, and presented Treasurer's Receipt for the amount.

Accepted and the treasurer ordered charged with the amount.

The chief of police reported the collection of \$67 Criminal fees from the county and presented treasurer's receipt for the amount.

Accepted and the Treasurer ordered charged with the amount.

Supt. Van Scheven reported the collection of \$65.45 from the sale of cemetery lots and presented the treasurer's receipt for the amount.

Accepted and the treasurer ordered charged with the amount.

The City Treasurer reported the collection of \$1249.42 from Holland Hospital, \$1416.25 from the Board of Public Works, \$1000 of same to be placed to the credit of the Sinking fund, and \$416.25 interest on water bonds due February 21, 1922, \$70.00 from Holland township for Street lamps and \$60 for the Fire Department from the sale of hose.

Accepted and the treasurer ordered charged with the amount.

The clerk reported the collection of \$345.10 licenses, C. S. C., etc., and \$99.52 for 17th St. Sewer and water connections and presented the Treasurer's receipt for the amount.

Accepted and the treasurer ordered charged with the amount.

The clerk recommended that St. Improvement Bond Series "K" No. 24 recently purchased from the Peoples State Bank, together with the interest coupons attached to same be ordered cancelled.

Adopted.

The city attorney presented a communication from Prosecuting Attorney Fred T. Miles relative to financing the State's share of the improvement of River avenue from 13th to 17th streets, and 17th St. from River avenue west to city limits, until such time as state funds are available.

Referred to the committee on Ways and Means, Streets, and Crosswalks, and City Attorney with power to act.

Adjourned.

Richard Overweg, City Clerk.

The germ that causes swell head usually lodges in one that has an empty parking space.

Russel Van Ry who has been the guest of his parents Chief and Mrs. Frank Van Ry for the past week and a half, has returned to his home in Sioux City, Ia.

The officials of the Holland City State bank gave the employees of that institution an elaborate banquet at the Woman's Literary club with 18 sitting about the festive board. The table simply groaned with the good things and nothing was left undone that would detract from the banquet. Besides the officials and the employees, the directors of the bank were all present, and no one sat at the table who did not have something to say. President W. H. Beach gave an interesting history of the local banking organization from its inception until the present time. It was a regular get-together meeting to advance the interests of the local bank, besides giving those interested a good time.

It was so cold between Tuesday night and Wednesday morning that the axle of a Lizzie crystallized, the wheel flew off, and the load was deposited in the street; some cold we say!

Mr. Jaaldering is getting ready to build a new barn.

Mrs. Lucas Knoll and Mr. Cornelius Cross are in Chicago to attend the wedding of Miss Cora Cross and Peter Dykstra.

Thomas Bowerman has again resumed his studies at the Holland Business College.

Both Gerrit Ver Schure and Hiram Spyker are confined to their homes with la grippe.

Rev. Clarence P. Dame's second topic, under the head of his series of seven sermons given at Trinity on Sunday evenings will be "The person with a good reputation."

A Grand Haven church, now has a Marathon women's bible class, which show that the ladies are very much in the running.

A surprise party was given in honor of Miss Minnie Kane at the home of Mrs. H. Beekman. A five course luncheon was served and dancing was enjoyed by all. Those present were Mr. Harry Bronkhorst, Miss Helen Hooker, Mr. Roy Young, Mr. and Mrs. John Cole, Miss Ruth Kole and Hick Hoover, Miss Laura Munson, Mr. Alfred McCarthy, Miss Joe Cline, Jimmie Mc Carthy.

Figures obtained from 18 of the leading cities of Michigan show that Muskegon set a record in 1921 tax reduction. Muskegon was the only city of the 18 to decrease its tax rate and also to show a decrease in the assessed valuation.

Mr. and Mrs. E. A. Frisman of Beverly Hills, Chicago, Ill., announce the engagement of their daughter Helene, to Mr. Harold J. Karsten of Holland, Michigan.

A young lad by the name of John A. Luideens, aged 4 years, was severely burned when he pulled a pan of boiling cocoa from a gas stove near which he was playing. The contents of the container spilled over his face and neck, which were badly burned. The boy's clothing prevented the liquid from burning the body, which may have saved his life. The boy had asked his mother for some of the cocoa, but was told to wait. The little fellow then proceeded to help himself.

Experiments have proved that Michigan muck soils are peculiarly well adapted to production of sugar beets. Those grown in such soils not only produce a much greater sugar weight of roots but the amount of sugar in them is considerably greater than those from ordinary soils.

The Grand Rapids Herald in its Rebus Contest in which prizes are given for the best solution of a city puzzle in which the prizes range from \$100 down to \$1 has announced the list of winners. In this long list are also found several Holland folks who are in on the winning. Among them are Miss Deane Beltman, of the Holland City News, Wells Thoms, 82 E. 13th street, Mrs. Burt D. Roelfs, R. D. 7. In all there were 5,129 contestants.

Grand Haven Tribune—The most extensive series of billiard tournaments arranged in many seasons will start at Seiferts billiard hall. The first of the tri-city tournaments will be played tonight when Muskegon will meet Grand Haven. Next week Holland billiardists will play here. Inter-city matches will be held every Tuesday during the next two months.

Prizes in the Tri-city tournaments will be a genuine leather traveling bag, inlaid pointed cue, thermos bottle in case and a safety razor. The city rotation tournament with fourteen entries begins Wednesday and the Three-cushion meet with eight entries also starts this week.

Dr. Nyberg says that a young lady cannot entertain her gentleman friend unless she can sing. We hadn't looked at it that way before but if that's the case, we suppose we suppose we ought to appreciate the chapel singing school as long as it teaches young ladies to entertain. Hope College Anchor.

The weather is getting warmer. While Wednesday morning the thermometer showed 9 degrees below zero this morning the indicator indicated only one-half degree below.

Interurban cars were held up for more than an hour last evening around 10 o'clock for the reason that a trolley wire between Holland and Macatawa Park had come down. The body of Nick Mohr who dropped dead while going to his work in Milwaukee will arrive in Holland today. The funeral will be held from the home of Mr. and Mrs. H. J. Van Eyck, 179 East 8th street. Rev. Tate of Grace church will officiate. Nick Mohr it will be remembered, was the son of the late Michael Mohr, who conducted a soap factory at the foot Central avenue. He formerly lived in the old Wheeler residence on Columbia avenue and 14th street and for years was an engineer on the Pere Marquette when because of an accident he lost an eye. Mr. Mohr is survived by a wife who is accompanying the body to this city.

### COUNTY GETS BACK ITS AUTO LICENSE MONEY

### OTTAWA COUNTY HAD MORE THAN FIVE HUNDRED CARS IN 1921

Of the \$6,751,924.00 collected during 1921, from auto owners more than \$3,000,000.00 will go back to the counties.

Counties in each case will receive back approximately one-half of what they paid to the state in the shape of fees. The remaining one-half goes to the state highway fund.

Ottawa county receives of this sum \$71,485.00; Allegan county \$69,096; Kent county \$821,314; Muskegon county, \$89,682.

During 1921 there were 5,682 licenses issued in Ottawa county, while Allegan county had 5,307; Kent, 24,229; Muskegon 5,683.

County Treasurer J. H. Den Herder reports that he has sold or issued 3837 automobile licenses this year. The total sum expended for these licenses in Ottawa county was \$47,500. Mr. Den Herder also issued one thousand certificates and titles of automobile ownership. Five hundred drivers' licenses have been issued and also 100 chauffeurs' licenses. Mr. Den Herder states that applications for certificates of title are again available at the county treasurer's office.

It is apparent from the above figures that there are still a great many who do not have their auto licenses up to this time.

### CENTRAL PARK CHURCH RENAMED IS PROSPERING

### SUNDAY SCHOOL HAS ATTENDANCE OF ONE HUNDRED; CHURCH ATTENDANCE 125

The Granschap church which was the cause of quite a legal battle some years ago between one wing of the congregation and another is now in a prosperous condition and the dove of peace has reigned ever since the matter was straightened out by the judge on the bench.

The contention of one faction was that the church would serve more communicants if moved to Central Park while the other faction contended that Granschap was the ideal location for the church. Anyway the church was moved and the result is very apparent.

At a recent meeting of the congregation it was decided to change the corporate name of this church from the Granschap Reformed church to The Central Park Reformed Church, and it was voted to retain the services of Rev. Paul E. Hinkmap of Hope College as the stated supply for another three months.

The Sunday School is in a flourishing condition and the attendance averages 100. Attendance at the morning service averages 125 and at the evening service 75. The Young Peoples society is also prospering. The midweek services and catechism classes are meeting with hearty response.

Those who partook of communion for the first time when the Lord's supper was administered included seven young ladies and five young men, as follows: Misses Matilda De Witt, Marion Harkema, Dorothy Stroop, Evelyn Sundstrom, Lottie Teusink, Bertha Zeedyk, Evelyn Velden; Messrs. Harold Helmink, Richard Harkema, Arthur Neerken, Fred Reus and Laverne Sandy. Those received by letter were Mr. and Mrs. Richard De Witt and children from Second Reformed church, Zeeland, and Mr. and Mrs. Henry Velden from Grace Reformed church, of Grand Rapids.

A collection was recently taken up amounting to 42.20 to go for the Near East Relief fund. The president and clerk of the consistory of this prosperous congregation are Luke Lugers and Gerrit Henneveld, respectively.

T. Keppel's Sons, coal dealers have purchased of the Hayden-Kardux Auto company, a new 2-ton International truck to be used in their business. This will add much service to their delivery system, enabling them to better take care of rush orders. The International trucks are getting quite common on the Holland streets, which shows they are giving complete satisfaction.

### Strand Theatre

Today and tomorrow, Constance Halmadge in "Dangerous Business." A sister at the altar and a whoop into wedlock with out a husband. It proved to be a dangerous business. The peppiest of Connie's pictures with a whirlwind of laughs. Lyons & Moran comedy. Roman Roman.

Friday: 14th and last episode of "Hurricane Hutch."

Saturday, Jan. 28th, A Robertson Cole Special: "If Women Only Knew." A story full of action, emotion and laughter. No matter how much a woman may, nor a man there is always another woman who really cares.

Unusual comedy: "Should a Husband Mind Babies?" Also International News Reel of Current Events.

Monday, Jan. 30th—Lionel Barrymore in "The Master Mind"—an electrifying revelation—a thunderbolt of tensions—a typhoon of emotions—a cyclone of terrific punches. Mr. Barrymore's portrayal of mental wizardry.

Two comedies: Two reel Century: "Sea Shore Shapes." A special comedy: "How She Lied."

Tuesday and Wednesday, Jan. 31 and Feb. 1—Rudolph Valentino and Madame Nazimova in "Camille." From that immortal story by Alexander Dumas.

In a Parisian gambling house, accompanied by a titled nobleman, Armand found Camille, who had been persuaded by his father to desert him. With happiness in her grasp, she remained true to her trust, refusing to yield to the dictates of her heart. What her choice brought about is grippingly portrayed by these two great favorites of the Silver screen. Rollin Comedy: "Sweet By and By."

Thursday and Friday—Tom Mix in "The Rough Diamond"—it's a rollicking comedy with unlimited fun in every foot of the film. See him first as a cowboy, then as a circus performer, and finally as a leader of a revolution in the Republic of Bargaucis. It's different from any Tom Mix picture you have ever seen.

Mutt and Jeff comedy: A Merry Xmas". Also first episode of our new serial, "Winners of the West."

Bosma, Russell Cramer, Hazel Lucille Ende, Raymond E. Garbrecht, Henry Groters, John H. Kempker, Robert P. Koning, Nellie Rozema, Garnet L. Urlick, Alida H. Wallbrink, Maude Smith, Marie Dykstra, Marion Kuizenga, Arthur Beekman, Leslie Slikker, Gerrit Israel, Hor-
