Roads South Of Holland Are Closed

Holland faced new emergencies today as snow banks mounted, frigid weather continued and the outlook for tonight again listed continuing blizzard conditions with no letup in blowing and drifting which swept snowdrifts 10 to 12 feet high in open country.

US-31 and M-40 south of Holland remained closed today.

Slight moderation in temperatures put the 11 a.m. reading at 11 degrees, compared with a zero reading at the same time Wednesday. The low this morning was -2, the same as Wednesday morning.

Three inches of new snow put ground deposits of 35 inches in the city, bringing new complications for snow removal crews fatigued by 12 to 14-hour days since Saturday. All local schools with the exception of Holland and Holland Christian high schools were closed. High schools were concluding exam schedules.

Longtime weather observers are comparing this winter to the winter of 1933-36 when snow depths reached new records. Although the total snowfall that season was 97 inches, the depth on the ground ran 4 to 5 feet, and local residents recall a one-way lane on old US-31 to Grand Haven most of the winter.

Yet, Police Chief Jacob Van Hoff believes conditions today are worse, because of low temperatures and continuous drifting. The mounting of cars and the fact that more people live in outlying areas contribute to these complications.

North-south roads were hard hit in Wednesday's continuing storm and nearly all north-south roads remained closed today. The Ottawa County Road commission concentrated on highways and primary roads today and if winds subsided hoped to open some secondary roads late this afternoon. Meanwhile, County Engineer Henrik Stafseth recommended that people in rural areas put in food supplies.

The situation in Allegan county was worse. US-31 between Holland and Saugatuck and M-40 between Holland and Allegan was shut down Wednesday night. State police, sheriff's officers and city police maintained barricades at Holland, Saugatuck and Allegan to halt traffic. This measure was taken not so much because the two roads were clogged but because visibility was zero a good share of the time.

Car accidents on US-31 south of Holland Wednesday night soon halted traffic for miles in each direction. Barricades were put up at that time and remained in effect today.

Holland's snow loader was back in service at 10 a.m. today after it conked out late Wednesday afternoon. Work continued on installing the new snow blower and City Engineer Laverne Serne hoped it would be ready for use Friday.

As in Allegan and Ottawa counties, outlying north-south roads in Holland city were hit hard Wednesday night. Graafschap Rd. and 59th St. which runs parallel to Graafschap Rd. were clogged. Ottawa Ave was hard hit as was 120th Ave. Some roads in the Central Park area were closed. Pine Ave. from Eighth St. to River Ave. was closed Wednesday night but was reopened this morning. Columbia Ave. along side River-view Park was almost drifted shut.

City Manager Herb Holt summed up the local situation by saying the street department no longer can cater to personal convenience such as plowing alleys and certain sidewalks. Under normal conditions, such complaints are corrected through radio dispatches, resulting in almost personalized service.

Sidewalk plow operators have experienced considerable trouble the last few days. The banks are at such a depth that plows no longer can lift the new snow high enough, and it falls back onto the plows.

Allegan county has registered an official snowfall of 107.4 inches so far this season. Holland city's total is 89 inches.

All schools were closed in Allegan county except Allegan city schools. No bus runs were made for the high school or junior high. Employees of the Allegan Road Commission attempted to plow primary roads today, displacing another 4 to 5 inches which fell during the night.

They described the situation as bad everywhere but worse on the west side of the county. People who are snowbound have been most understanding and cooperative, office personnel said, a distinct contrast to less serious situations a month ago. A good many people quite some time ago stocked food supplies, it was said.

The State Highway Commission garage at Allegan said highways were open but were being barricaded because of poor visibility which led to several accidents. Travel was extremely hazardous due to blowing snow, and US-31 was described as being in worse condition than M-40, US-131 and M-118.

The state highway garage at Allegan is one of three maintained in Allegan county. Others are located at Ganges and Moline. Their function is to clear state highways. In Ottawa county, high-

TRAFFIC STOPPED ON US-31 — Beginning with a chain reaction series of accidents Wednesday afternoon, Holland patrolmen were dispatched in the raging weather to halt traffic going south from the city on US-31 and M-40. The roads were blocked off within the hour and a few of the 15-20 vehicles reported piled up south of the city limits on US-31 were being cleared off. Patrolmen did regular eight hour

stints in the numbing cold, setting out flares and getting as much light for identification as possible in the zero visibility conditions. Shown here early this morning at the intersection of US-31 and US-31 bypass are National Guard Sgt. Ray Naber (left) and Holland patrolmen Robert Schra, and Len Ver Schure.

RESCUE STRANDED TRUCK — Three National Guardsmen (right) begin pulling cable from the winch of their 34 ton truck this morning shortly after they were dispatched from the Holland armory to pull an oil truck (far right) out of wind swept drifts near 60th Ave. and Graafschap Rd. The oil truck had been attempting to get in over the

virtually obliterated road to service a home which had run out of fuel oil for heating. Fierce gusts of wind blew fine particles of ice and snow in sheets, obscuring vision and lashing any skin exposed to it. The oil truck was pulled out in a matter of minutes and the guardsmen were on their way to effect another rescue.

Hope Leads On Offense In MIAA Race

Hope College's basketball team leads the MIAA with 489 points in six games for an 81.6 average while the Flying Dutchmen are fifth defensively with 426 points allowed for a 71-point average, official MIAA statistics showed today.

Jim Vander Hill, bidding for his third straight individual scoring title, is second in scoring with 126 points in a 21-point average.

But Acton of Alma is first with 134 points for a 22.3 average while teammate Ray Moore is third with 115 for a 19.2 average. John Johnson of Adrian is fourth with 108 for an 18-point average and Tom Vander Woude of Calvin follows with 103 for a 17.2 mark.

Glenn Van Wieren of Hope is sixth with 96 points and a 16-point average. Gary Nideveld of Hope and Bob Morgan of Kalamazoo are tied for eighth with 89 points and a 14.8 average.

Clare Van Wieren of Hope is 19th with 65 points and a 10.5 average while Ron Venhuizen of Hope and Jim Papenfus of Albion are tied for 24th with 54 points and a nine-point average.

Hope led the MIAA last year with a team average of 82.1 while defensive leader Kalamazoo, with a 63.5 average and 381 points permitted, was the defensive leader last year with a 55.3 average.

Adrian is second on offense with a 450 points and a 75-point average followed by Alma, 444; Calvin, 418; Kalamazoo, 412; Albion, 391 and Olivet, 332.

Alma is second on defense with 397 points and a 66.2 average followed by Albion, 400; Calvin, 424; Adrian, 444 and Olivet, 464.

Vander Hill's 39 points against Calvin was the best single game output while Acton's top game was 32, also against Calvin.

Rebekah Lodge Plans Installation Friday

Open installation of officers will be held at the Erutha Rebekah Lodge, directly following a short business meeting at 8 p.m. Friday in the lodge hall.

Participating officers are requested to wear artificial corsages. A potluck lunch will be served following the ceremonies.

Holland Man, 45, Struck by Auto

Adrian Riksen, 45, of 579 Butter-nut Dr. was taken to Holland Hospital Wednesday at 7:15 a.m. after being struck by a car on the road-way in front of his house. Riksen suffered injuries to his right hip, lacerations of the right hand, face and head injuries. He was admitted to the hospital and is reported in good condition.

Driver of the car was identified by Ottawa County Sheriff's deputies as Ronald J. Schaddelee, 25, of 708 Butter-nut Dr. Deputies said that only moments after accident involving the pedestrian, Schaddelee's car was in turn struck by another auto driven by Merle Ringwald, 35, route 1. No other injuries were reported by the deputies.

Deputies said that Riksen was struck as he was crossing the street in front of his house.

Graveside Services Thursday for Child

GRAND HAVEN — Graveside services for Edward Steven Boyer, five-month-old son of Mr. and Mrs. James Boyer, 136th Ave. and State Rd., Crockery township, who was dead on arrival at Grand Haven Municipal Hospital Tuesday, were held at 10 a.m. Thursday in Spring Lake Cemetery.

An autopsy Tuesday revealed cause of death was pneumonia. The body was taken to Barbier Funeral Home in Spring Lake.

Mr. and Mrs. Estil Perrigan, 172 East 16th St.; a boy, Jeffery Dale, to Mr. and Mrs. Donald Ridder, 165 Howard Ave. A boy, Jeffery Scott, was born today to Mr. and Mrs. Robert Bos, 1820 Ottawa Beach Rd.

Some Holland Guards Called To State Duty

Part of Holland's Michigan National Guard company was placed on state duty today after working all week as volunteers.

Capt. George Smeenge was notified this morning that 24 men of Co. D have been called to duty.

In addition the men have the use of five trucks and a 5-ton wrecker from the Holland Rapids.

The emergency duty call was put into effect for at least a three-day period.

During the week up to 30 men have been working without pay as volunteers at the Armory and going out on all types of emergency calls ranging from hauling cars out of snowbanks to delivering coal to a snowbound resident in Allegan County.

Police Capt. LeRoy Hunt today ordered eight state troopers into the city. The men will operate from the Holland police station. A portable state police radio will be set up on the second floor of the police station.

Sixty-five persons spent Wednesday night at the armory after US-31 and M-40 were closed to all traffic.

Guardsmen were prepared to house snowbound motorists again tonight if blizzard conditions remained.

Mrs. George Johnson Of Grand Haven Dies

GRAND HAVEN — Mrs. George B. Johnson Sr., 73, of 1035 Pen-noyer Ave., died early today in Grand Haven Municipal Hospital where she was taken Monday. She was formerly Dena Musk. Her husband died June 2, 1953. She attended Gospel Hall.

Surviving are two sons, George Jr. of Grand Haven and Charles of Spring Lake; four daughters, Mrs. George Koster of Spring Lake, Mrs. Walter Mord of Arizona, Mrs. Elmer Darnell of Flint and Mrs. Ruth Foutz of Grand Haven who is employed in the Holland office of the Michigan Bell Telephone Co.; 15 grandchildren and nine great grandchildren.

Funeral services will be held at 2:30 p.m. Saturday from Kinkema-Bartels Funeral Home. Burial will be in Lake Forest Cemetery.

Huge Drifts Piled Up By Winds

Another blustery winter storm hit the Holland area over the weekend, closing schools, clogging roads and reducing visibility to zero a good share of the time Sunday.

Six inches of snow fell in Holland over the weekend and Monday, putting ground deposits officially at 20 inches but whipping up drifts in open country 5 to 10 feet high.

Near zero temperatures prevailed. Low readings listed zero on Saturday, 2 degrees Sunday and a low of 3 above Monday. By 11 a.m. it had risen to 7. A year ago yesterday, the low reading was -3.

All schools in the area were closed Monday with the exception of Holland public schools. Keeping schools open was a decision of the Board of Education following a series of telephone calls Sunday night in which Supt. Walter W. Scott talked with each board member.

With exams starting in both high school and junior high, attendance was "very good" Monday. Since students reported at both 8 a.m. and 10 a.m., exact attendance figures were not available at the high school Monday, but junior high reported only 25 absent out of a student body of 1,050. Attendance in elementary schools averaged 77 per cent.

Scott explained the reasoning behind the board's decision to keep the schools open. The board feels that when the city spends vast amounts of money in clearing walks and streets, and does an excellent job in doing so, that schools should take advantage of these services. Furthermore, it costs about \$6,000 in salaries and operating expenses to operate city schools, costs that continue if schools are closed.

The board recognized that the city's situation is different from other systems in that no bus service aside from a single bus for orthopedic students is operated by the school.

Board members noted that other cities where streets and walks are not plowed as well as Holland's do not close down schools. Consequently, the city schools hope to adhere to the regular schedule as much as possible without curtailing spring vacation or extending the regular season.

Schools closed Monday included Holland Christian schools, West Ottawa schools, Zealand public and Christian schools, all Hamilton schools, Hudsonville public and Christian schools, Maplewood school, Bursley School, Harrington school, New Groningen school, Federal school, St. Francis de Sales school, Fennville schools, St. Peter's of Douglas, Maple Grove, Huyser, Drenthe, West Drenthe, Saugatuck, Pershing School Borelio public and Christian schools, Sherbourne, East Holland, Vriesland, Hawthorne, South Olive Christian, Van Raalte, Ferrysburg, Peach Plains and Bignell.

The new storm seemed to be an extension of storms which have plagued Michigan since the second week of December. Some experienced weather observers felt it was worse from the visibility viewpoint.

City plows were out at 2 a.m. Sunday and again at 2 a.m. Monday and were able to keep streets in the core city open. However, streets in outlying areas particularly in Central Park and the southern part of Maplewood area were in bad condition. A big city plow was stuck in Central Park this morning and a truck with a winch was dispatched to dislodge it. The city kept two plows going around the clock during the weekend.

Ottawa and Allegan Road Com-missions both said roads were in bad condition, particularly from the visibility angle. Because there were many abandoned cars along the way, the Allegan commission pulled its equipment off the roads Sunday afternoon and concentrated on emergencies. All equipment was back on the roads at 6 a.m. today.

The State Highway Department garage at Allegan said US-31 and M-40 south of Holland were open and passable by noon Monday, but said there were many slippery spots as well as bare pavement. Crews Sunday battled drifts 8 to 10 feet high. Visibility was a problem again Monday and grew worse as wind velocity increased near noon.

Ottawa county crews at Grand Haven concentrated on highways and primary roads today with some trucks making runs on secondary roads. Many side roads were drifted shut. There were only a few emergency calls. Equipment was ordered in because of poor visibility Sunday afternoon, but the condition improved after a time, causing only a half-hour halt in service.

Rural mail carriers left Holland post office today on their regular runs. Postmaster Louis Haight asked local patrons to clear steps near mail boxes as a safety factor. He said a path to the box would be greatly appreciated too.

Meanwhile, parking remained restricted to one side of the street. With mounting deposits at curbs, more motorists were putting flags on their car aerials.

Dog Attacks Child Near Her Home

ALLEDALE — Sherolyn Teets, 5½-year-old daughter of Mr. and Mrs. Ronald Teets, of 10210 68th Ave., Alledale, is in Butterworth Hospital in Grand Rapids with serious bites all over her body received Wednesday at 5 p.m. when she was attacked by a husky dog in her yard.

The dog, a registered husky, is owned by John Stadler who lives nearby.

Three passing motorists, Gerald Wysma, Ted Day and Ted Wall-wood, rescued the child. She received worst bites on the right arm and left leg.

The dog is under observation, according to sheriff's officers.

Child Neglect Cases Lead List in 1962

ALLEGAN — Child neglect cases totaling 418, again dominated the caseload for Allegan County Juvenile Court workers in 1962, according to statistics released by Judge Harold F. Weston in an annual report.

Next in importance were the 227 delinquent children cases serviced by the court. Adoptions, crippled and afflicted, and traffic cases brought the final figure to 900, included were unofficial cases as well as those for which the court was petitioned.

Judge Weston commented that the year had been one of unusual activity—"filled with mixed emotions of encouragement and frustration." A fourth case worker was added to enable the court to give quicker service; and a Youth Home became nearer a reality after the county voted in November for increased millage to provide funds for such a facility.

Most of the department's frustration arose from the lack of state provision for seriously disturbed children, and by the hopelessness of coping with homes that "breed shiftlessness, immorality, and contempt for the law," said Weston. He added that to remove children from such homes is economically impossible.

For the first time, the Allegan Juvenile Court fully participated in the Child Care program, receiving state funds of \$7,623.07 for 1962. A total of \$53,901.87 was paid out by the court last year. The county appropriation came to \$44,600; and the balance from other sources.

Figures released for detention cases pointed up the need for a detention home in the area. Sixty youths and children were detained in the county jail and other detention homes for a total of 764 days. Boarding care costing \$23,089.85 was the top amount spent by the department for a single item. Next most important figure was \$20,677 paid out to state institutions.

Burglars Take Safe From Haan Motors

Burglars broke into Haan Motor Sales Inc., 25 West Ninth St. sometime during the night and in an apparently amateurish job, carted off the company safe which contained approximately \$300 in cash, according to police.

Detectives said the break in was discovered this morning at 7:45 a.m. by the son of the owner Willard Haan. Policeman on their beats last night battled to check goors and windows around the city until the severe storms forced their transfer to other areas of traffic control, police explained.

Detectives said entry was gained to the building by breaking a small hole in a window at the rear of the Studebaker garage. The window looks out on a back alley.

The burglars attempted to burn the door hinges of the 500 pound upright safe with an acetylene torch they found in the shop out after burning one hinge off they apparently became low on fuel and discouraged, detectives said.

The safe was finally dragged out the front door, detectives said. Owner Haan told detectives that the contents of the safe were insured, but contained no valuable records, etc.

Haan said that the thieves passed by many more valuable things in order to get the safe. Expensive tools, auto parts, and a large number of postage stamps were untouched. Detectives seemed puzzled that the thieves would choose a night to take the safe in which weather conditions were so severe and with all roads leading south from the city, blocked off.

Detectives noted that the garage was entered through the same window that was used in a break-in seven months ago at Haan's.

GOP Dinner Meeting Will Be Held Tonight

Approximately 160 persons have made reservations for the Holland-Zealand Republican dinner to be held tonight at 7 p.m. in the North Shore Community Hall.

Speaker will be George Van Peursem.

Grand Haven Boosts Fees For Library

GRAND HAVEN — Change in library rules and fee schedules, patterned after a system at Holland's library, were approved by the City Council Monday night, after a recommendation from the Library Board.

Changes will become effective with the new fiscal year, July 1, and the fee increases will bring in about \$2,000 additional revenue. The new system will not change the operating cost of the library. Fee increases are aimed chiefly at raising non-resident participation in the annual debt.

Student fees will be \$2 for all nonresidents, unless the family has a family card, whether or not he is attending a city school. The fee now is \$1 if the student is attending school outside the city limits and there is no fee for students attending school in the city.

Single adult fees will rise from \$2.50 to \$4, family cards will go up from \$5 to \$8 and residents and college students here only during the summer must now pay \$2, instead of 50 cents for individuals, or \$4 instead of \$1.50 for a family card.

Fines will rise from 2 cents to 5 cents per day per book and postage will be charged for state library requests. Ten cents will be charged for reserving a book and there will be a \$1 registration fee for nonresident children attending the story hours and whose parents do not have a family card.

The rental fee for the meeting rooms may also be increased. The new schedule will boost total revenue received by the library each year to about \$3,900. The current operating budget is \$32,000 and a survey shows that 25 per cent of the circulation of books, magazines, pamphlets and records is to nonresidents.

A more acceptable and fair solution to the problem would be a contract arrangement with the township boards in the area, Council was told. Chairman Eugene Harbeck, Jr., of the library board said this decision is up to the various township boards.

7 Cars Crash In Blinding Storm on US-31

A chain reaction collision Wednesday which began on US-31 just south of the city limits at 5:10 p.m. within minutes had involved seven vehicles, police said today.

Cars began piling up as early as 2 p.m., police said, as they received calls indicating two other collisions in the same area at 2:10 p.m.

Cars driven by Willard L. Amos, 47, Grand Rapids, and Norman Glen Hoekstra, 35, of route 5, collided head-on in the blinding snow at 2:10 p.m. at the south city limits on US-31, according to police. No one was injured in the accident.

At 5:10 p.m. police investigating a collision of cars driven by Georgia Mae Jimmerson, 24, Fennville, and Conny Topischack, 24, of Regina, Saskatoon. Both cars were headed south on US-31 when the accident occurred. No one was injured, police said.

Minutes later five other cars piled up behind the first two. Drivers involved in the series of collisions included John Lewis Klumge, 39, Allegan, Edna May Hepp, Box 417 Holland, Bernard Lemmen, 38, route 5, and Alex Jefferson Boyle, 48, of Fennville.

Police said all the vehicles were proceeding south when the series of rear-end pileups began. Rodney Lee Ray Wooley, 19, of route 6, Fennville was identified as the driver of another car involved in the chain reaction.

Police Sgt. Ike De Kraker was at the desk when calls concerning the accidents and road conditions began pouring in. De Kraker immediately dispatched two available patrol cars to the south city limits to block off the road and begin clearing the tangled cars.

Calls for aid also went to the Holland, Zeeland trucks which dispatched a 2½-ton truck and six men. State police at Paw Paw were also alerted and asked to send assistance.

Theta Alpha Chapter Has Lesson on Nature

A study on nature was the subject at the meeting of the Theta Alpha Chapter of Beta Sigma Phi held Monday evening at the home of Mrs. Herbert Johnson.

Mrs. Gordon Cunningham selected as her topic "Gardening and Landscaping" while Mrs. Roy Arterburn spoke on skiing resorts and fishing sites in Michigan.

Mrs. Arterburn presided at a short business meeting and refreshments were served by the hostess.

Attending were the Mesdames Arterburn, Cunningham, Richard Brown, Fred Davis, Ed Falberg, John Husted, Johnson, Robert Long and Paul Dierker.

Benton Harbor Hands Dutch 77-53 Defeat

Pulling away in the third quarter with a blistering scoring attack and then coasting the rest of the way, Benton Harbor's basketball team whipped Holland, 77-53 before 1,900 fans Friday night in the fieldhouse.

It was the eight straight win for the No. 1 ranked Tigers and their fifth straight in LMAC play. Hol-

land now has a 3-3 league mark and is 4-5 overall.

This pattern of a close first half, then opening up in the third quarter and cruising comfortably along in the final eight minutes has been used frequently this season by the Tigers.

Holland was within six points at half, 26-20, but then using speed and superior shooting, along with a pressing defense specializing in ballstealing, the Tigers opened up.

The Tigers outscored the Dutch, 13-1 in the first 3½ minutes of the third quarter and pushed the score to 39-21. Soon it was 44-27 and then the winners scored 11 straight points in two minutes to make it 55-27 at the quarter.

The big three for the Tigers, Alex Mc Nutt, Al Andrews and Ladell Mc Bride, as usual, led the drive. Each scored three baskets with Andrews hitting from out and the other two from underneath. Mc Nutt and McBride are 6' but knocked down many rebounds and the winners often got more than one crack at the basket. In the third period, the Tigers hit 11 of 22 while Holland made two of 13.

With the damage done, the Tigers settled back to ring up another 22 points in the fourth period and enjoyed 30-point leads in the first two minutes.

But Holland, with Ken Thompson hitting five straight from the side, had its best period and scored 26 points including 12 baskets in 21 tries.

Sophomore L. C. Bowen, called up to the varsity Thursday as a replacement for Mike Pollard, showed the Tigers have a bright basketball future. He scored four straight baskets in the fourth period as the winners made 10 of 22.

Pollard dislocated his finger against Muskegon and Bowen was called up. Pollard started and Bowen subbed in the second half. He made 14 points.

Holland scored the first baskets but the Higers went ahead, 7-2 and led 14-10 at the quarter. The Dutch hit four of 13 in the first quarter and the winners, six of 14.

The Dutch hit only three of 14 in the second quarter but the winners did even worse, getting only two of 17. The Tigers made eight of nine free throws in the second period.

Benton Harbor ended with 29 of 74 from the floor for 39 per cent while Holland had 21 of 61 for 34 per cent. The Dutch hit 11 of 18 free throws and the Tigers made 19 of 28.

Andrews, who had eight of 17 from the floor, led the winners with 19 while McBride, who hit seven of 12 had 18. McNutt sank five of 19 and contributed 14 points. Bowen had five of eight and four straight free throws.

Darrel Schuurman, Thompson and Jim De Neff each had 12 for Holland with Thompson banging six of 14; Schuurman, four of 13 and De Neff, five of 10.

Holland plays Muskegon here Feb. 1 in the fieldhouse in an LMCA game.

WAC Veteran Dies In Ann Arbor at 51

FENNVILLE — Mrs. Maria Walker, 51, Ganges township, died in Veterans Hospital in Ann Arbor Friday afternoon after a long illness. She had been in the Ann Arbor Hospital since Nov. 1.

Surviving are the husband, Lawrence, and a son, Richard at home.

Mrs. Walker was a World War II veteran, serving with the WAC's. She was born Nov. 10, 1911, in Maui, Hawaii, and lived in the Fennville-Ganges area 17 years. She was active in civic affairs and served as a nurses aide in Douglas Community Hospital for several years.

THOMPSON TRIES SHOT — Ken Thompson (34), Holland High basketball player, tries a layup against Benton Harbor Friday night in the Holland fieldhouse. Thompson hit five straight shots in the fourth quarter against the Tigers, who scored their eighth straight win, 77-53. Nels Siegert (55) and Al Andrews (13) are the other Holland players and Darrel Schuurman (44) is the other Benton Harbor player. (Jim De Pree photo)

Hugh Rowell of Holland Receives Silver Beaver

GRAND RAPIDS—Hugh Rowell of Holland was one of six Grand Valley Council Scouters to receive the Silver Beaver Award as the highest of the 50th Anniversary Golden Jubilee dinner Thursday night in the Civic Auditorium attended by 2,000 persons.

The Silver Beaver is the highest award a volunteer Scouter can receive on a local Council basis. Rowell is a member of the Chippewa District which includes Holland and Zeeland and surrounding area.

Rowell, who was a Boy Scout in Wisconsin, has been troop committee chairman, Cubmaster, assistant district commissioner in charge of Cub roundtables and district commissioner.

He holds the Scouters Key and the Commissioner Arrowhead award and has been a merit badge counselor since 1946. Rowell set up a Den Mother's craftshop, has reorganized the district roundtable staff and wrote and directed the district Scout circus.

A member of the First Methodist Church, Rowell is a member of the Methodist Church Commission on Education. He is a stamp collector, member of several Philatelic societies and is member 110 of the scouts on stamps society international. He is custodian of the First Methodist Church.

Other Holland men who hold the Silver Beaver are Elmore Van Lente, William H. Vande Water, Albert E. Van Lente, Peter Kromann, Benjamin Mulder, Jesse Kool, Albert A. Walters, Dr. M. E. Osterhaven, Ivan De Neff and Alfred Kane plus Charles Gilman of Saugatuck and Miner Meindertma of Zeeland.

Joseph N. Roth made the Silver Beaver awards. Sasha Siemel, big game hunter, showed films and narrated hunting in South America.

A total of 218,000 boys have been registered in the Grand Valley Council over the past 50 years, 42,000 have received merit badges and 2,000 are Eagle Scouts. A total of 4,500 volunteers have assisted in the 50 years.

During 1961, 3,000 boys attended camp and 125 boys received the God and Country award. Congratulatory telegrams were received from President Kennedy, National Boy Scout president Elsworth Augustus and Chief Scout Executive Joseph Brunton.

Highlights of the half-century were presented in a stage presentation "Our Fabulous Fifty." It was written and directed by Derek W. Wilcock and narrated by the Rev. Gene S. Carter.

Panthers Win Fourth League Game

After a rocky first quarter, West Ottawa's basketball team moved steadily ahead to easily defeat Zeeland, 58-37, in the West Ottawa gym before a capacity crowd of 1,600 fans, for its fourth straight Grand Valley League victory.

The game was off to a slow start as each team used a man-to-man defense and seemed cautious. West Ottawa committed seven fouls in the first 4½ minutes, but the Chix were missing them, so the score stood 3-3.

At that point, Norm Koop's glasses were smashed and he had to be removed from the game to the hospital for treatment of a cut over his eye. He escaped serious injury and later returned to the game.

This incident motivated the Panthers and it was a different ball

game from then on. The play speeded up and became quite rough at points.

Zeeland held an 8-7 lead at the end of the first quarter. West Ottawa made three of 11 shots in the quarter and the losers two of six.

With Bill Phelps igniting an offensive spark and George Donze leading the defense, the winners outscored Zeeland, 17-11, in the second quarter to take a 24-19 half-time lead they never relinquished. West Ottawa outscored Zeeland, 12-2, at one point early in the second quarter. The Panthers were able to steal the ball occasionally and made 7 of 14 shots while Zeeland made three of seven.

Duane Overbeck supplied the third quarter offensive spark for the winners as he made eight points. The Panthers outscored Zeeland in this quarter, 16-10, to build up an 11 point, 40-29, lead at the end of the third stanza.

Zeeland's play was hampered in the last one-third of the game when both Stan Venstra and Larry Boeve picked up four fouls. Both fouled out in the last quarter to hurt Zeeland's rebounding.

The Panthers played fine basketball in the last quarter as they were stealing the ball, rebounding well, fast breaking and outscored Zeeland 18-8. Le Roy Vedder, who rebounded well all evening and tied up the ball eight different times for a jump ball, finally did some scoring in this quarter as he made six of his nine points. Zeeland's defense had held him to only three points up to this time.

West Ottawa, whose shooting has been down somewhat for a few games, found the range Friday night as they made 24 of 38 for 42 per cent. Zeeland only took 31 shots in the game and made 11 for 35 per cent.

West Ottawa made 10 of 21 free throws and Zeeland 15 of 28.

Overbeck and George Donze led West Ottawa with 15 and 11 points respectively. Overbeck made 6 of 8 shots and Donze 5 of 7. Gary Boeve and Lloyd Schout made 12 and 10 points respectively for the losers. Gary Boeve did a good defensive job on Vedder.

West Ottawa is now 7-1 for the season and leads the Grand Valley conference after one round with a perfect 4-0 record. Zeeland is 1-3 in conference play.

West Ottawa entertains Godwin next Friday in a game that could decide the conference championship. Godwin is in second place with a 3-1 record.

Blood donors are still needed to fill the Zeeland quota in the current Red Cross blood collection campaign of the Muskegon Regional blood bank.

The bloodmobile will be set up Wednesday, Jan. 23, from 12 noon to 6 p.m., in the all purpose room at Roosevelt school. Donors may make advance appointments by calling Mrs. Lloyd Plewes or Mrs. Robert Verplank.

Any Ottawa County hospital may draw on the regional blood bank for any amount of blood at any time, and get it in a matter of minutes, usually delivered by volunteer workers on call to make deliveries.

Any blood needed by any Ottawa County resident is always available, without charge for the blood, from the regional blood bank at Muskegon.

Lubbers Family Honored at Hope

Hundreds of Hope College students streamed through the residence of President and Mrs. Irwin J. Lubbers Saturday as the retiring college president and Mrs. Lubbers held a breakfast for the entire student body.

Beginning at 7:15 a.m., the students came in relays to have breakfast and a last friendly chat with the college's beloved "first family."

Dr. Lubbers retires after 18 years as Hope president at the end of the present semester. On Feb. 2, Dr. and Mrs. Lubbers will leave for their new home in Des Moines, Ia.

"Retirement" for Dr. Lubbers will be active. In addition to continuing as President of the North Central Association of Colleges and Secondary Schools, he will take up a new post as President of the Association of Non-Tax Supported Colleges and Universities of Iowa. Dr. Calvin Vander Werf, president-elect of Hope College, takes up his new position here in July. In the meantime, Dr. John Hollenbach, Vice-President, will head the college's administration.

Dr. and Mrs. Lubbers were honored Friday morning at the college chapel services in a surprise ceremony of tribute. Dr. Paul Fried, chairman of the Department of History and a Hope senior at the time Dr. Lubbers became Hope president in 1945, delivered the faculty tribute.

Rick Brandsma, President of the Student Council, led the tribute from the students, and conferred titles of Honorary Graduates of the Class of 1963.

Dr. and Mrs. Lubbers were also feted Friday morning at a coffee held in their honor.

tant" was the topic of the Rev. Floyd Bartlette, pastor of the Free Methodist Church. Evangelistic services were held in the evening.

A rotating loan scholarship to aid students interested in any branch of the medical field was set up by the Zeeland Hospital Service League at a meeting of its governing board and guild representatives Monday night.

Details have not yet been worked out but the League plans to establish a non-interest loan fund for students of medicine, nursing, medical laboratory technology and allied professions.

Money for the fund is expected to come partly from the service guilds that comprise the league, and partly from memorial donations by private parties. Money will be loaned to students on the basis of financial need and academic qualifications. No interest will be charged, but the money is to be paid back to the fund after graduation.

The guilds also turned over \$500 to the Hospital Monday. Toward payment for an auxiliary electrical power plant. That leaves \$1,500 to be paid of an original league pledge of \$4,000.

Plans were also made for the annual spring meeting which will be a dessert coffee at Van Raalte's restaurant at 1:30 p.m., March 18. Reservations for guild members must be made by March 11 with the guild's representative to the league's governing board.

36 Spend Night At Local Armory

Thirty-six people stayed at the Holland Armory Sunday night where 15 National Guardsmen were on duty to assist deputies and police bring stranded motorists into Holland and pull cars out of snow drifts.

Another 20 persons, C & O passengers headed for Muskegon, were stranded at the train depot Sunday from about 9 p.m. to 3 a.m. today, when their train from Muskegon had engine trouble. An engine from Grand Rapids arrived about 3 a.m. to take them to Muskegon.

Some of the families who slept overnight on cots at the armory left early Monday, for homes in Chicago, Indiana and the Benton Harbor-St. Joseph area. Others remained, having coffee and rolls donated by a local bakery, for signs of clearer weather.

Many, including families with children, were brought to the armory by Ottawa County deputies and Holland police from stranded cars along US-31. The cars were towed into Holland.

National guardsmen who were called out to assist Ottawa sheriff deputies at 11 a.m. Sunday spent the afternoon and night pulling out cars and trucks stuck in snowbanks on US-31 and M-21 and assisting in taking people to their homes in Holland.

One National guard truck drove four hours to and from the Christian Reformed Chapel two miles south of Fennville to bring eight Sunday school teachers back to Holland.

People began arriving at the Armory about 3 p.m. Sunday and continued coming to stay overnight until 1:30 a.m. Monday. More cots were obtained from the Civic Center for people to sleep on.

Families, many with young children, staying overnight, were grouped into rooms as much as possible. The armory was active Monday with some people leaving and others staying behind until later.

A boy played basketball on the Armory court. Mothers and families drank coffee and ate rolls. Others slept in. A couple, just returning from their honeymoon, were the last to leave, after their car was repaired.

Allendale

All evening services of the local Churches were cancelled due to unusual stormy conditions.

Mrs. Evertsborg from Africa will speak at the Reformed Church Women's Prayer Group Jan. 24. Friends here learned of the death of Mrs. Grace Berens Gebben of Zeeland. The deceased was a former resident of Allendale.

A Mission Emphasis meeting will be held at Second Christian Reformed Church Friday evening at 7:45 p.m. The Rev. Carlos Cortina will be the speaker, probably on Cuba.

The Dorcas Ladies Aid met last Thursday with 18 members present. Many were unable to be present due to impassable roads or driveways. The Rev. F. Huizenga showed slides of the Indian Mission Field while on his business trip there recently.

Herman Lankheet, 74, was found dead in his home Sunday. He was a bachelor and lived alone. He is survived by one brother, John De Groot of Grand Rapids. Funeral services were to be held this afternoon at the Langeland Funeral home. He was a member of First Christian Reformed Church.

Mrs. Gerret Bouwer fractured a rib in a fall recently.

Mrs. E. Lubbers Guest Speaker At Third Guild

Mrs. Elaine Lubbers, a member of the faculty of the Western Theological Seminary, was guest speaker at the monthly meeting of the Women's Guild of Third Reformed Church on Monday evening.

After a brief business meeting, which was conducted by the Guild president, Mrs. A. A. Dykstra, Mrs. Lubbers was introduced to the group by Mrs. Jerry Veldman. The Guild's theme for the year is centered around "My Commitment to Christ." Mrs. Lubbers challenged her audience to consider what it really means to be a disciple of Jesus Christ. She emphasized the fact that being a disciple of Christ involves a mission field both near and far, with a life of worship together.

Mrs. Ben Plasman was in charge of devotions and spoke on the theme "No Hands But Ours." A period of social fellowship followed the formal meeting. Mrs. Dykstra presided at the decorated table.

The meeting was in charge of the Executive Board of the Women's Guild.

The meeting will start at noon with a free chicken barbecue dinner provided by the local service organizations. Personnel of the Soil Conservation Service and Mrs. Davis, manager of the Hopkins High School Hot Lunch program will prepare and serve the meal.

Highlighting the afternoon program will be pictures and a talk by Fred Collier of Hopkins. He will discuss his recent tour of Russia and other European countries. Collier shows pictures of Russian dairy cattle, where production averages around 3,000 pounds of milk per cow. This compares with Colliers average production of about 14,000 pounds of milk per cow. Collier will also show pictures of some of the Russian "Rube Goldberg" equipment and discuss their methods of harvesting corn and other grains.

The nominating committee has placed Louis Ter Avest, route 4, Allegan, Hollis Vander Kolk, route 1, Dor; Harry Hughes, route 1, Allegan and Lauren Babbitt, route 2, Gobles on the ballot. Any owner or operator of three or more acres of land in the District will have a chance to nominate others and to vote in the election.

Allegan Still Has Deficit

ALLEGAN — A \$13,617 budget surplus—first in several years — helped to reduce Allegan county's general fund deficit from \$72,420 to \$29,451 during 1962, according to reports filed this week by James Boyce, county treasurer, and Esther Warner Hettinger, county clerk.

Increases in departmental revenue and the county's new policy of investing general fund money in short-term U. S. Treasury bills until need also contributed to the reduction of the deficit. Boyce's report indicated that the short-term investment policy produced \$3,754 in interest.

In presenting his annual report, Boyce noted that the volume of funds handled by the treasurer's office had more than tripled in the past twenty years. In 1942, he said, the office handled \$1,727,000 in receipts for 33 county accounts. Last year, receipts for 41 county accounts, plus numerous subsidiary accounts, totaled \$6,982,000. He pointed out that the increase was handled with no additions to the treasurer's staff.

The continuing general fund deficit has not made it necessary for the county to borrow money, Boyce pointed out, because it has been possible to use advance tax collections to meet current year's needs.

Members of the board of supervisors' finance committee agreed informally that it would be "a good idea" to carry the general fund deficit as a regular budget item in preparing the 1964 budget. However, there is every indication that the deficit will be eliminated this year.

Seventeen of the 39 general fund accounts exceeded the budget in 1962, according to the clerk's report. Hospitalization of tubercular patients showed the largest unexpected increase. This account was overdrawn by \$10,629 more than the \$6,950 budget, but was partially offset by increased state aid.

Allegan Board Cites Reasons

ALLEGAN—In a statement released here Monday, the Allegan School Board explained reasons for keeping city schools open during recent—and current—snowstorms.

Figures released by the board show that only 28 per cent of Allegan students in the entire system come from rural areas; and only 22 per cent ride school buses. At the high school, 44.2 per cent come to school by bus.

Since each of the elementary schools in Allegan is located by the separate neighborhood plan, most students in these grades are within easy walking distance from their homes.

Board policy on when to operate school buses is determined on the basis of information furnished by the county highway department to the superintendent of schools. If buses are not to be operated, area radio stations are contacted and requested to broadcast the announcement.

The three species of camellias in general cultivation in the United States are camellia japonica, camellia sasanqua, and camellia reticulata.

TRIBULATIONS IN THE WORLD OF ART

Some amusing and unsettling events in the world of art have recently been reported in the public press.

The official public ceremonies relative to the hanging of Mona Lisa at the National Art Gallery were bedeviled by embarrassing difficulties. Microphones failed to function, protective glass over the masterpiece caused a glare that obscured the picture. The gathered dignitaries comported themselves with anything but dignity.

At the sixty-sixth Annual American Painting and Sculpture Exhibition at the Chicago Art Institute, Ad Reinhardt was awarded a prize of \$1,000 and a silver medal for a rectangular canvas painted black with straight vertical strokes. It was authoritatively described as a work of great "subtlety."

In Tokyo a would-be-poet, Gen-saku Yamashita, won Emperor Hirohito's poetry contest with a contribution fabricated from two other poems, not his own.

It occurs to us that there is something wholesome about being reminded now and then that even the high seriousness of art and art is subject to human foibles.

Why Jesus Taught in Parables
Mark 4:10-20; 33-34
By C. P. Dame

Jesus was a great teacher. He used the parabolic method in his teaching, knowing that telling a story usually produces good listening. A parable is an earthly story with a heavenly meaning.

In this lesson we study the Parable of the Sower, which some think ought to be called, "The Parable of the Soils." In this parable Jesus teaches the responsibility of hearing—let us say of listening.

I. Jesus taught in parables. Crowds followed Jesus.

One day He was in a boat which was off shore a short distance and sat in it and taught the crowd sitting on the shore. In His discourse He told the parable about the different kinds of soil.

After the meeting was over the disciples came to Jesus and asked Him to explain the meaning of the parable. Jesus also explained to them why He used the parabolic method.

Hostility to Jesus was increasing. The leaders of Judaism were showing their hostility more openly.

In view of this growing hostility Jesus used the parabolic way of teaching so that those who really wanted to hear and understand could by asking Him, and those who wanted to criticize would not be able to find reasons for doing so.

II. The gospel is being sown today.

In the parable, Jesus is the sower, the seed is the gospel, and the various kinds of soil represent different kinds of hearers.

The seed was good, the sower too, but not every kind of soil was receptive. The sower, the seed and the soil belong together. Today the gospel is sown by many sowers. The seed needs the soil, in order to give expression to its life.

The sower is important because he brings the seed in contact with the soil. Seed by itself does not do any good. Although the seed is sown plentifully a harvest is not always forthcoming. Jesus told us why.

III. There are various kinds of hearers.

Some seed fell on a hard path. There are people who hear the gospel but Satan comes and takes away "the word that was sown in their hearts." They are the hard-hearted people who never respond to the gospel.

Some of the seed fell on stony ground. Underneath the thin layer of soil was rock. The seed fell in this soil, it shot up, but it had no root and so it died. Some people hear the gospel, accept it immediately, but when trials and troubles come they backslide. They have no depth and no staying power. Some of the seed fell among thorns and got choked.

Today, some people hear the gospel but "the cares of this world, and the deceitfulness of riches, and the lusts of other things entering in, choke the word." These are the hearers who are so busy getting and buying and keeping things and putting up a big front that the gospel gets crowded out of life.

Three kinds of hearers got no benefit from the gospel—the fourth kind did. Some of the seed fell on good ground and yielded a harvest.

Not all who heard Jesus preach accepted His message. Not all who hear the gospel today listen earnestly and practice it daily. It makes a difference what we do with the gospel after hearing it. Those who sow the seed—the gospel—ought not to expect that they will get a one hundred per cent response.

Olive Center

The Home Extension club meeting which was scheduled to be held at the home of Mrs. Bill Brady next Tuesday evening, has been postponed until April.

Jack Wyrick went to Detroit last week for a physical exam, prior to his induction into the armed forces.

Mr. and Mrs. Henry Mulder from Holland were recent visitors at the home of Mrs. Carry Rosema.

Mr. and Mrs. James Slaght attended funeral services Tuesday afternoon, for the latter's brother, Corrie Westrate who died Saturday in Florida. Burial rites were held in Holland.

The newly purchased township hall (the former Olive Center school) is proving very popular for holding various meetings. Carl Boes, township treasurer was the one to initiate its use, as a tax collectors office one day a week. It has ample parking space and is centrally located on Polk St.

Overisel

The Men's Brotherhood of the Reformed Church met last week Thursday evening. The president, Chester Machiela, presided at the business meeting. Wallace Folkert was in charge of opening devotions. A young men's quartet consisting of Norman Mol, Kenneth Mol, Kenneth Nienhuis and Earl Smit sang. They were accompanied by Barbara Kollen.

Rev. A. A. Dykstra and Dr. Henry Ten Pas of Holland were the guest speakers and their subject was "Building for Hope College in their Second Century." Rev. Neal J. Mol offered the closing prayer.

Refreshments were served by Mr. and Mrs. George Koopman, Mr. and Mrs. Harvey Kollen and Mr. and Mrs. Raymond Slotman during the social hour.

Mr. and Mrs. Jay Hop became the parents of a son, Mark Steven, born January 5.

Both of the churches had their own service on Sunday morning but because of the weather and road condition a combined service was held in the evening which was held in the Reformed Church. The congregational prayer was offered by Rev. Bult, and the message was by Rev. Neal J. Mol.

Rev. John L. Bult and Elder Stanley Lampen were the delegates from the Christian Reformed Church to attend the meeting of the Zealand Classis in the First Christian Reformed Church of Allendale last week Wednesday.

The marriage of Miss Elnora Akkerhuis of Grand Rapids and Shelley Burton Jr. of Overisel took place on Saturday, Jan. 12, in the chapel of Fifth Reformed Church of Grand Rapids. The Rev. Arthur Cunningham officiated. Mr. and Mrs. Henry Akkerhuis of Edith Ave., Grand Rapids, are the parents of the bride. Mr. Burton is the son of Mr. and Mrs. Shelley Burton of Clare.

The bride's silk organza gown was styled full length with embroidered shirt waist bodice, petal collar and bell-shaped sleeves. A narrow taffeta band encircled the waistline and the full skirt swept into a chapel train. A beaded pillbox held her veil and she carried a cascade arrangement of Amazon lilies, white feathered chrysanthemums and ivy.

Mrs. Edward Dekker Jr., sister of the bride, was maid of honor; Miss Nancy Burton of Clare, the bridegroom's sister, and Miss Esther Byl attended as bridesmaids, and Miss Susan Burton was junior bridesmaid. Their pink peau de sois gowns were topped with lace jackets. Matching bow headbands and colonial arrangements of pink sweetheart roses and white carnations completed their ensembles. Barbara Sue Dekker was her aunt's flower girl.

Calvin Burton was best man and Edward Dekker Jr., Dick Hemstreet of Hanover ushered. Presiding at the reception in Plymouth Christian School were Mr. and Mrs. Robert Van Arsen. The couple left for Florida and after Jan. 25 will reside in Overisel.

Blinding Snow Blamed for High Accident Rate

A Holland police patrolman, going off duty Monday, made this brief entry on his duty report: "Helped many motorists. We discussed the weather."

Probably a record for understatement. Sunday was a day police won't forget for a long time. Both US-31 and M-40 near the south city limits, were the scenes of nightmarish traffic snarls, as cars collided and piled up faster than they could be cleared.

Cars and trucks all over the city were stuck in drifts and snowbanks, requiring assistance to clear the way for traffic and snow removal vehicles.

Many stranded truck drivers and motorists who could travel no further were brought by police to the Holland Armory, where National Guard Co. D had set up emergency "motel" accommodations, to put them up for the night.

A Holland police car, parked along M-40 with lights flashing while a patrolman investigated the series of crashes there, was itself struck by a car whose driver was blinded by the blowing snow.

Almost miraculously, the rash of storm-caused accidents brought only one injury. Betty Ayres, 56, of Muskegon, was treated at Holland Hospital for minor injuries, and released, after one of the crashes on US-31 south of the bypass intersection, just inside the city limits.

Police said there was no time to complete paperwork for many of Sunday's incidents, but files that have been compiled tell a story that runs like this:

At 11:15 a.m. Sunday, cars driven by Ronald L. Garlock, 21 of Allegan, and Maurice Verne Beavers, 31, of Centerville, Ind., hit in a rear-end collision on snowy M-40, just south of the second curve.

A Holland patrolman was dispatched to the scene, to investigate and help get the roadway cleared. While there, several other minor collisions occurred nearby, and kept the officer busy for nearly two hours.

At about 1 p.m., a car driven by John Peter Houk, 32, of Grand Rapids struck the police cruiser,

parked with headlights, parking lights and red beacon all flashing. Damage to the cruiser was only to sheet metal, and it stayed on patrol.

Meanwhile, over on US-31, south of the bypass intersection, cars driven by Herbert Eugene Rough, 40, of Niles and Heber Raymond Casselman, 58, of Muskegon, piled up in a rear-end crash when both drivers were blinded by snow, at 12:23 p.m.

The injured woman, Betty Ayres, was a passenger in the Casselman car.

Before the Casselman car could be removed from the road, a car driven by Kenneth E. Vos, 20, of 139 West 20th St., came on the scene and hit the rear of the stopped vehicle.

Shortly after the road was cleared, another crash occurred at practically the same spot. At 2:30 p.m., Johnnie Wells, 24, of 100 East Eighth St., was blinded by the storm, and went off the road into the bank on the left side. His car was struck by a northbound

Haken Jr. Mrs. Hudzik announced the January meeting of the board of directors will be held at the Camp Fire office Monday afternoon, at 4 p.m. with a reception for new board members.

Winter Barbershop Show Scheduled for Feb. 2

West Ottawa High School Auditorium will be the scene of a gala winter barbershop show on Saturday, Feb. 2, when outstanding quartets and choruses will appear in a program there.

The show scheduled to begin at 8 p.m. is sponsored by the West Ottawa High School Choir directed by Mrs. Sally Rucker.

Headlining the show will be the local Chord Counts, past district champions and international semi-finalists. The quartet includes Marty Hardenberg, tenor; Mike Lucas, lead; Chet Onk, baritone; Jack Onk, bass.

Also on the program are the Extension Chords of Grand Rapids, past district champions and international semi-finalists; the Holland Windmill Chorus, under the

direction of Lucas, and Holland's newest quartet, the Kord-E-Nators composed of Shirl Weibert, tenor; Bob Elzinga, lead; Dale Bekker, baritone; Bob Von Ins, bass.

Others appearing will be the Innomnics, present third place district winners, from South Haven. A new quartet, the Gay Blades, will make their first appearance in this area. They are particularly known for their zany and mad-cap humor.

Tickets which were sold for the December Prestatie Huis benefit show will be honored at the door on the Feb. 2 show. The December barbershop show was cancelled due to weather conditions. Tickets may be obtained from any member of the Windmill Chapter or from members of the West Ottawa Choir.

Watershed Projects May Aid Recreational Developments

Secretary of Agriculture Orville L. Freeman said today the U.S. Department of Agriculture was "ready to go ahead" with public recreation developments in watershed projects as authorized by the Food and Agriculture Act of 1962.

USDA was authorized to help create, enlarge, or improve bodies of water within watershed projects to provide for a full range of water-based sports, and to assist in developing recreational areas bordering the water.

"These developments will help meet the growing demand for new outdoor recreational facilities, and at the same time broaden the scope and local benefits of watershed projects," Secretary Freeman said.

The recreational facilities would lure outsiders to the area, and would provide the type recreation that industrialists seek for their employees in searching for new plant sites. Soil Conservation Service officials explained. On nearby land, private landowners could develop supporting recreational facilities, such as weekend or summer guest cottages, hunting preserves, and ski slopes.

The development would bring town and county interest closer together, and thereby promote soil and water conservation activities which protect and improve farm and ranch lands, according to SCS. This, in turn, would contribute to an improved agricultural economy.

The Department is ready to help local watershed sponsors develop these recreational areas," Secretary Freeman pointed out.

Funds are available under USDA's regular \$60.6 million watershed appropriation for fiscal year 1963. Construction could begin on the first of these projects early in 1963.

Hope Crushes Adrian, 95-77; Ludington Defeats Christian

Dutch Take 6th Straight MIAA Victory

Hitting 61 per cent of its shots in the first half, Hope College's basketball team rolled up 61 points and then coasted to a 95-77 win over Adrian here Saturday night in the Civic Center before 1,200 fans.

It was Hope's sixth straight MIAA victory and eighth win in 12 starts this season. The Bulldogs are now 3-3 in the league and 4-7 overall.

Led by freshman 6'3" Clare Van Wieren's nine baskets in 10 tries, Hope hit an amazing 26 of 41 from the floor in the first half and led, 61-33 at half.

Van Wieren, returning to the starting lineup for the first time in several games, hit his baskets on jump shots from the sides. He scored three baskets in the first 10 minutes and then six straight before half, including two baskets in Hope's nine-straight point spurt as the half closed.

Jim Vander Hill hit four of his five baskets in the opening 10 minutes and pushed Hope to a 28-19 lead at the 10-minute mark. Glenn Van Wieren and Ron Venhuizen each popped three baskets in the second 10 minutes.

Besides Clare Van Wieren's performance, Jim Vander Hill made five of seven; Gary Nederveld, eight of eight; Glenn Van Wieren, five of seven and Ron Venhuizen, four of nine.

Adrian opened with a box zone and chaser on Vander Hill and Hope rattled the defense with shots from all angles. Vander Hill was bumped in the calf of his leg and the muscle knotted. Vander Hill was hurt with 6:26 left in the first half and retired a minute later.

Glenn Van Wieren opened the second half with a fast break basket and the 63-33 bulge was the biggest spread of the game. Adrian cut the margin to 15, 66-51 in the first six minutes of the second half but another Hope spurt pushed the score to 78-53 at the 10-minute mark.

Coach Russ De Vette played subs the rest of the game and a late-game Adrian push put the Bulldogs within 18 at the final buzzer.

Hope shot 12 of 33 in the second half for 36 per cent and concluded with 38 of 74 for 51 per cent.

The Bulldogs made 15 of 42 in the first half for 36 per cent and 18 of 38 in the second half and ended with 33 of 81 for 41 per cent. At the free throw line, Hope hit 19 of 33 and Adrian had 11 of 18.

Hope outrebounded the losers, 60-44 with Glenn Van Wieren picking off 11, Nederveld, 10 and Clare Van Wieren, nine.

All five starters were in double figures as Clare Van Wieren led with 20 while junior brother Glenn followed with 16 and Nederveld added 14. Vander Hill made 12 and Venhuizen, 11.

Hope's reserve strength was noted and is expected to provide the Dutchmen with depth in the MIAA stretch drive. Curt Haksmale, senior, has hurt the team because of illness but may report next semester.

John Johnson led Adrian with 19 while Don Harned had 17 and Don Numbers, 15. Chuck Stille hit 11.

Hope hosts Concordia State Teachers College of River Forest, Ill., next Saturday night at 8 p.m. in the Civic Center.

Two Cars Collide

A collision of cars driven by Dorothy Jane Hosley, 38, of 136th Ave., and Jacob Bierema, 58, of 190 East Eighth St. occurred in the intersection of Central Ave. and Seventh St. Thursday, according to police. Mrs. Hosley complained of minor injuries. Police are continuing their investigation.

The Painted Desert, in north central Arizona, is nearly 200 miles long and from 15 to 30 miles wide.

DANCING BROTHERS—Glenn Van Wieren (44), Hope College junior, and his freshman brother, Clare (54), appear to be performing a dance routine in Hope College's basketball game against Adrian Saturday night in the Civic Center.

Center. Don Harned (5) and John Johnson of Adrian are behind the pair. Clare Van Wieren led Hope with 20 points while Glenn made 16 as Hope won its sixth straight MIAA game with a 95-77 win over Adrian. (Sentinel photo)

LUBBERS NEEDS HELP—Ron Lubbers (24), Holland Christian basketball player, looks for help in the Holland Christian-Ludington basketball game Saturday afternoon in the Civic Center. Gary Tyler is guarding Lubbers along with

Jim McClean (33) and Fred Burson. Christian players are Jack Langeland (34), Tom Dykema (32) and Don Kronmeyer (31). John Horowski (43) is the other Ludington player. Ludington defeated the Maroons, 60-49. (Sentinel photo)

Woman Badly Hurt in Crash

GRAND HAVEN—Mrs. Thomas C. Hardy, 58, route 1, Grand Haven, was seriously injured when she was thrown from a car in a two-car crash at 11:40 a.m. Saturday at Beacon Blvd. and Washington St.

She was a passenger in a car driven by her husband, 59, which crossed the boulevard and pulled in front of a car driven by George Vander Laan, 55, Muskegon. The impact threw Mrs. Harvey from the car to the pavement underneath the Vander Laan car which spun completely around, coming to rest at the driveway of a filling station. A group of men lifted a wheel off the ground to extricate Mrs. Harvey.

Mrs. Harvey was taken first to Grand Haven Municipal Hospital and later transferred to a Muskegon hospital.

Lori Joan Graham, 2, another passenger in the Harvey car, also was thrown from the car. She was released after treatment for minor injuries in Municipal Hospital.

City police investigated. They charged Harvey with failure to yield the right of way.

Laketown

Mr. and Mrs. James Boyce have returned from a trip to Oklahoma to visit their daughter and family. Mr. and Mrs. Jerry Underwood and children.

The Saugatuck School bus driven by Lennart Hemwall had to back up over a half mile when deep drifts blocked the road.

A special election on whether to grant a franchise to lay pipes for gas in Laketown township will be held Tuesday, January 29. This company would enter the township at the north east corner.

Because of blocked roads, the Learn and Do Club meeting scheduled for Wednesday, Jan. 16, has been indefinitely postponed. The meeting was to be held in the home of Mrs. Arje Cook.

Mrs. Maude Wuis Dies in Allegan

FENVILLE—Mrs. Maude Wuis, 78, died Saturday afternoon in Allegan County Hospital after a long illness.

Surviving are the husband, Simon; 15 children, Mrs. Joseph Underhill of Gardena, Calif., Carl Haenke of Marysville, Mich., Mrs. Charles Myers of Otsego, Mrs. Vern Hasty of Hart, Mrs. John DuBreuil of Fennville, Mrs. Raymond Rasmussen of Douglas, Mrs. Mildred Cousineau of Holland, Mrs. Ed Nickerson of Lowell, Mrs. Raymond Garbrecht of Muskegon, Mrs. Herbert Mittendorp and Mrs. Leona Warner of Grand Haven, Norman Wuis of Mauston, Wis., Mrs. Ruth Stedman and Fred Wuis of Grand Rapids and Thomas Wuis of Allegan; 30 grandchildren and 60 great grandchildren; a brother, Alger Kitchen of Muskegon, and a sister, Mrs. Anna Benson of Muskegon.

Mrs. D. Taylor Honored At Wedding Shower

Mrs. Dennis Taylor, the former Gene Koppelaar, was honored at a bridal shower last Friday at 209 East 11th St., given by Mrs. Marvin Klomparsen. Gifts were arranged under a decorated umbrella and a blue, pink, white and gold color scheme was carried out. Games were played with duplicate prizes awarded.

The highlight of the evening was when a "stranger" barged her way in insisting she was invited. She removed 45 items from her purse, looking for her invitation. Later, it was learned she had been invited and a game followed as to the items in her purse. She was Mrs. A. Overway.

Other guests invited were Mrs. Leo Hardy, Mrs. Ken Koppelaar, Mrs. Don Kimber, Mrs. George Brinks, Mrs. John Taylor, Jr., and Mrs. Wayne Kennedy both of Grand Rapids. Also Miss Kathy Klomparsen, Mrs. Leon Hardy, Mrs. Clarence Ward, Mrs. Terry Nienhuis and the Misses Diane Francombe, Nancy De Ridder, Pat Tynes, Sandy Thompson and Mary Jo Miller.

Little Maroons Notch Victory

Holland Christian's reserve basketball team got revenge for an earlier defeat Saturday afternoon on the Civic Center court by downing the Ludington reserves, 68-46. Christian is now 8-3 for the season while the Little Orioles are 7-2.

Paced by guard Tom Deur with 15 points in the opening period, the Maroons led 20-12 at the end of the stanza. The count was tied four times in the first quarter. Holland's zone defense throttled the Orioles in the second period as the Little Maroons took a 25-24 halftime bulge.

Coach Elmer Ribbens' quintet had no difficulty after the half as they built up a 53-33 lead going into the finale. Reserves played most of the last period for both squads.

Deur led both clubs with 23 markers, followed by Jack Kalkmink with 15, Ed Zylstra, eight, Vic Sharda, seven, Jack Hulst, three, Larry Klaasen, four and Paul Stegelder, Harold Allertink, two apiece. Ted Iteed led Ludington with eight.

Lee York Leads Archers In Chicago Round Shoot

Lee York paced the Holland archers Wednesday night in the Armory with a 788 in the Chicago round.

Other Chicago round shooters were Dave Doyle, 754; Max Max Bakker, 742; Dale Streur, 715; Jerry Kline, 645; Phil York, 616; Jim Van Duren, 603; Ethel Van Eck, 565 and Paul Koetsier, 399. Other shooters included Steve Kline, 770; Jim Van Dyke, 756; Howard Leeuw, 754; Jerry Bruursema, 698; Norm Bruursema, 691; Lee Hiddinga, 686; Carol Gras, 648; Mary Van Heuvelen, 633; Denny Wyngarden, 630; Jerry Laurantsema; 628; Reka Brown and Ron Vander Vliet, 589.

Maroons Drop 60-49 Game For 6th Loss

A fighting Ludington High basketball team wiped out an 11-point deficit in the last quarter in the Civic Center Saturday afternoon to sink Holland Christian's Maroons, 60-49 before 2,000 fans and take their second win over the Maroons this season.

Holland basketball fans will seldom see a more weird game than the one staged by the Maroons and Orioles. In fact the crowd seemed stunned when it was all over after seeing two clubs rise to the heights and sink to the depths in the space of 16 minutes.

To take the victory Coach Joe Kowatch's Orioles outscored the Maroons 20-0 in the last 5:37 of the game. In the entire period, the winners overran the Maroons, 26-4. This was the same Holland Christian quintet which trailed by 12 points at halftime and took only 3:48 of the third period to tie the count at 32-32. It was the same Maroon outfit which completely dominated play to outscore the visitors, 28-5 in the third stanza to build up a 45-34 lead moving into the last period.

A happy Kowatch and a disappointed Coach Art Tuls of the Maroons were both shaking their heads after the game and asking the same questions.

After Ludington had taken a 29-17 halftime lead on good offensive play with help by a careless Maroon defense, the fireworks really began. In the third period, a fired up Maroon team, bolstered by the return of center Dave Tuls into the lineup, literally swept the Orioles off their feet.

Using a zone defense and a wide open offense, Christian scored 11 straight points to knot the count with 4:12 left in the period. Tom Dykema, Don Kronmeyer and Ron Lubbers were the big guns as they fired accurately from out. Kronmeyer gave the locals their first lead, 34-32 with 3:17 left in the period.

Ludington became disorganized and threw bad passes in all directions which were stolen by the Maroons and turned into easy two pointers. By the period's end the locals were riding high and the Orioles could do nothing right.

Christian players gave no warning of their tailspin to come as they kept a 49-40 bulge at the outset. Then came the meltdown as great individual effort by several Oriole players whittled the lead in a hurry. Let by guard Owen Evans and playmaker, Mike Evans, the Ludington club turned it on. They regained the lead at 50-49 with three minutes left and were never headed after that. To add to their woes, the Maroons hit 1-20 in the last period for five per cent.

The Maroons were far from sharp in the first two periods as the Orioles led 12-5 at 2:58 and 16-8 at the quarter's end. Coach Tuls used everybody on the bench but the injured Dave Tuls is the second period in an effort to shake some spark into his ball club. Ludington, paced by Mike Evans, led by six points throughout much of the period and then scored six quick one at the end of the stanza to take the 12 point halftime lead.

Christian had a little better than 25 per cent in the game on 18 out of 70 attempts. In the first half they connected on just 6 out of 38 tries for 16 per cent. In the second it was 12 out of 34. Tuls who scored 27 points against the Orioles in the first meeting was severely handicapped by the ankle sprain and hit on just three foul shots in the second half.

Dykema led the Maroons with 13 points, mostly from out while Mike Evans paced the Orioles with 19. Center Fred Bernson had 14. At the free throw line, Christian hit on 13 out of 18 while Ludington collected six out of 10.

Christian is now 5-6 for the season while the Orioles are 8-2. The Maroons meet Muskegon Christian at Muskegon next Friday.

MOUTH-TO-MOUTH BREATHING — Cornell M. Tans of Grand Haven, first aid chairman for the Ottawa County Red Cross chapter, demonstrates mouth-to-mouth resuscitation on Resusi-Ann, a replica of a Norwegian girl, in the presence of a group of Calvinette Cadets of Pine Creek Christian Reformed Church of Holland. Left to right are Sheila Van Drunen, Diane Rosendahl, Sheryl Achterhof, Instructor Tans, Ruth Ann Zwiwer and Mary Bremer. (Penna-Sas photo)

LIFE-LIKE REPLICA — To show her life-like size, Resusi-Ann, a replica of a 14-year-old Norwegian girl, poses here with Sheryl Achterhof and Sheila Van Drunen of the Calvinette Cadets of Pine Creek Church. Red Cross First Aid Chairman Cornell Tans is at rear. (Penna-Sas photo)

Replica of Norwegian Girl Used in First Aid Classes

Resusi-Ann has been making many public appearances lately. The property of the Ottawa County Chapter of the American Red Cross, Resusi-Ann is used in teaching, demonstration and training people in mouth-to-mouth resuscitation and closed-chest heart massage.

She is the replica of a Norwegian girl, 14 years old, who lost her life by drowning. The Ottawa County sheriff's department also has a Resusi-Ann for demonstration.

Like the little Norwegian girl who lost her life in a drowning accident, an average of 7,000 people lose their lives annually by drowning. Most of these drownings occur between May 1 and Labor Day and the majority of the victims are children under 40 years of age. Many are within a few feet or inches of safety when laughter turns into screams for help.

Hundreds of near-drowning victims have had their breathing restored and lives saved by oral mouth-to-mouth resuscitation since the American Red Cross adopted this method of artificial respiration for small children and infants in 1957, and two years later for all persons who are victims of accidents causing cessation of breathing.

Because of its value as a life saving method and because of its simplicity, this method enables rescuers to proceed without formal training, although such training greatly improves techniques. Demonstrations, lectures and training may be scheduled by calling the Red Cross office in Holland at EX-6-6545, the Red Cross office in Grand Haven at 842-0530 or Red Cross First Aid Chairman Cornell M. Tans in Grand Haven at 842-4826.

Steps in mouth-to-mouth resuscitation follow:

1. Turn the victim on his side and apply a firm pat on the back with the palm of the hand to help dislodge foreign objects in the air passage way.
2. Turn the victim on his back, inserting a pillow, rolled blanket or jacket under the shoulders, permitting the head to tilt back.
3. Cleanse the mouth of foreign matter with your fingers or a clean cloth wrapped around your fingers.
4. Lift the head slightly from behind with one hand and with the other hand press the forehead down with the finger and thumb or the same hand pinch the nostrils close.
5. Remove the hand from behind the head and insert the thumb of hand into the victim's mouth and press the tongue to the floor of the mouth and with the fingers grasp the jaw and pull or lift into a jutting-out position.

6. Open your mouth wide and place it tightly over the victim's mouth and breathe or blow hard into the victim's mouth until the chest rises full. (Breathe lightly with small child or infant.) Turn your head sideways and listen for air to return. This indicates air exchange.

Repeat this blowing or breathing effort 12 times per minute on an adult, and 20 times per minute on a small child or infant.

The Red Cross also approves of the Sylvester chest pressure-arm lift method, and the Holger-Nielsen back pressure-arm lift method as well as the mouth-to-mouth method or resuscitation. These methods are described in the supplement to the First Aid textbook.

Area Educators Plan Workshop

GRAND HAVEN — Several educators from the Holland-Zeeland area attended a meeting of school men at Win Schuler's in Grand Haven Thursday, where it was decided to sponsor a teachers community resources workshop at Grand Haven next June and July, with the cooperation of Michigan State University.

Harold Streeter, principal from Holland, explained the operation of the workshops held in Holland in the summers of 1961 and 1962. With him was Supt. Julius Schippers of Zeeland.

The West Ottawa schools near Holland will be included in the Grand Haven workshop, which also include North Ottawa schools and teachers from Muskegon and Oceana Counties. Other west Michigan teachers may enroll also.

University credit is awarded while the teachers are working to improve their local school program. Assistant Supt. Stephen Mead of Grand Haven, chairman of the project, announced.

The Mary A. White elementary school at Grand Haven will be the center for the project and a tentative budget was set up, estimating the enrollment at 40.

Man Found Dead

ALLEDALE — Herman Lankheet, 74, of 76th Ave., Alledale, was found dead in his home at 1:50 p.m. Sunday by a neighbor. Lankheet was known to have a heart condition. An Alledale physician was called as medical examiner. The body was taken to Langeland Funeral home. Sheriff's officers were called.

The Greeks and Romans used the bow during most of their history as a standard item of their military equipment.

Mrs. Niles, 81, Succumbs

ZEELAND — Mrs. George H. Niles, 81, the former Laura Downing, of Saugatuck, died Saturday morning in Woodhaven Rest Home in Zeeland where she had been a patient for the past 6½ years.

She was a member of the Saugatuck Congregational Church, the Eastern Star and the Woman's Club. Before retiring 11 years ago she worked as correlating house director for the West Quadrangle of the University of Michigan in Ann Arbor.

She was a member of the Elizabeth Schuyler Hamilton Chapter, DAR, of Holland.

Surviving are a son, Harold B. Niles of Holland; a daughter, Mrs. Henry B. Hopper of Saugatuck; three grandchildren; three great grandchildren.

Marilyn Ruth Le Poir Wed to Gary Jay Morren

Mrs. Gary Jay Morren. Vows were exchanged Friday evening by Miss Marilyn Ruth Le Poir and Gary Jay Morren in a double ring ceremony performed by the Rev. Harry G. Arnold in First Christian Reformed Church of Zeeland.

As the bride and her father approached the altar, wedding music was played by James Lowing. The soloist, Earl Weener, sang "I Love You Truly" and "Precious Lord Take Their Hand."

Parents of the couple are Mr. and Mrs. Henry Le Poir of 1962 South State St., Zeeland and Mr. and Mrs. Gerrit Morren of 1351 Thomas St., Grand Rapids. Church decorations included bouquets of white chrysanthemums and red carnations, ferns and candelabra. White bows with red centers marked the pews.

A gown of brocaded satin was selected by the bride. The bodice was designed with a high rounded neck and long set-in sleeves which tapered at the wrists. The pleated skirt cascaded into a chapel length train and her elbow-length veil was attached to a crown of rhinestones and pearls. A white orchid adorned the white Bible which she carried.

Mrs. Wilma Bowman and Mrs. Frances Schreier assisted as matron of honor and bridesmaid, respectively, and attending the groom

Junior Garden Club Hears Talk By J. De Graaf

Jake De Graaf, superintendent of City Parks and Cemeteries Department of Holland spoke on horticulture at a meeting of the Junior Garden Club held Monday afternoon in the Herick Public Library auditorium. The Junior Garden Club is open to all youth in the community.

The audience Monday was composed mainly of Camp Fire Girls of groups headed by Mrs. Chester Raak, Mrs. Dale Den Uyl, Mrs. James Darrow, Mrs. A. Seddon, Mrs. L. Heneveld, Mrs. Louis Vande Bunte and Mrs. Harold Thornhill.

Each girl was presented a plant by Mr. De Graaf and a contest was organized, a prize to be given to the girl "having the greenest thumb." The plants will be judged at the next meeting at the Library

to be held Feb. 25. Speaker at that time will be Walter Van Dien of the Michigan State Conservation Department in Lansing. He will talk on "Michigan Wild Flowers." Mrs. Joseph Lang, president of the Holland Garden Club, was a guest at the meeting. Mrs. William Venhuizen is Junior Garden Club chairman.

'Thieves' Carnival to Be Given at Hope Feb. 6 to 9

The Hope College Palette and Masque Society will present its third major production of the year, "Thieves' Carnival" by Jean Anouilh, Feb. 6-9 in the Little Theatre of the Science Hall on the Hope College campus.

Anouilh has often been named as one of the outstanding European playwrights of the 20th century and this will mark the second opportunity for Hope students and faculty members to view his work.

Theatre goers may perhaps recall Mr. Anouilh in connection with Palette and Masque production of "Antigone" in 1956, and from some of his more recent successes which include "The Waltz of the Toreadors," "Ring Around the Moon," and "The Lark."

"Thieves Carnival" is one of his earliest plays and was written in 1932 when the author was only 21 years old. On the surface the play is a merry, bubbling, nonsensical lark, but the underlying ideas give it a Pirandello-like aura which should serve to make it stimulating as well as entertaining.

The director for this production will be James De Young of the Hope College Speech Department. Technical director will be David P. Karsten, director of theatre.

Cast for the show includes Don Kardux of Holland playing the musical, and Mel Andringa, also of Holland, playing Gustave. Also in the cast are Bruce Gillies as Peterbone; Cal Fiala as Hector; Al Nicolai as Dufort Sr.; Jim Howell as Dufort Jr.; Paul Tanis as the towncrier.

Also in the cast are Tom Oosting and Bob Dutton as policemen; Sue Radliff as Lady Hurl; Marcia Voigt as Juliette, Kathy Lenel as Eva; Ruth DeBoer as the nursemaid.

The Prologue cast includes Larry Haverkamp, Sue Spring and Anita Schwallbach.

Two Cars Damaged

A car driven by George W. Moody, 34, of North Muskegon, was hit in the rear at 5:30 p.m. Sunday by Francis Paul Will, 48, of Otsego, when Moody's car struck a snow drift on US-31 between New Holland and Van Buren Aves. Moody's car was pulled into the snow drift where it stalled, according to Ottawa sheriff branch. Will told sheriff that he could not see Moody's car until it was too late and skidded into his car when he applied the brakes.

DANGEROUS CORNERS — Many of the city's intersections require that drivers pull their cars far out in the roadway in order to see beyond piled snow before proceeding. Continuous plowing has thrown the snow up into banks at the corners making it a good idea for cars to have a bright rag tied onto

the car aerial for clear identification. This photo, taken looking north on Pine Ave. at 12th St., shows how easily small children could be obscured by the snow banks and the extreme caution that individual drivers must exercise when approaching intersections where visibility is obstructed. Grand Valley President Speaks at AAUW Meeting

Dr. James Zumberge, new president of Grand Valley State College, was the guest speaker at the regular meeting of the Holland Branch of the American Association of University Women Thursday night at Durfee Hall on the Hope College Campus. His topic was "Liberal Education in Michigan."

Dr. Zumberge defined liberal education as one which not only prepares the student to earn a living but also teaches him how to live. He said that many business and technical colleges are now regretting that their students have not had a liberal education background.

Dr. Zumberge feels that "a liberal arts college should give the student an introduction to and an experience in as broad a range of subjects as possible before he starts down the road to specialization."

Grand Valley State College will be a liberal arts college and will endeavor to carry out these aims. In order to do this the freshman year will be mostly required subjects. This "Foundation Program" will be based on the social sciences, the humanities, and the physical, mathematical and biological sciences, and one third of the freshman year will be devoted to each of these divisions.

Since Grand Valley State College will use the "three-three," or quarter system, the student will be able to take 12 courses per year instead of eight, as is the case in the two-semester system. A lively question period followed.

Grand Valley State College plans to open on Sept. 26, 1963 with about 15 faculty members and approximately 250 students. Tuition will be \$90 per quarter or \$170 per year. Dr. Zumberge feels that even after the first few years it is likely that 50 per cent of the student body will be commuters, but plans are being worked out to make sure that the commuters will become a definite part of campus life. The sports at Grand Valley State College will be mainly a strong inter-mural program, using the natural facilities on and around the 750-acre campus.

Mrs. Preston Luidens, president, presided at the business meeting. She announced that the next meeting will be a dinner on Feb. 21, at which Henrik Stafseth, district delegate to the State Constitutional Convention, will be the guest speaker.

Legislative chairman, Mrs. Judson Bradford, urged all members to become familiar with the new proposed state constitution so that they will have many questions to ask Mr. Stafseth.

Education chairman, Mrs. Paul McIlwain, reminded all members to vote on the Feb. 18 school millage proposal, and urged everyone to attend some of the various meetings which will be held at PTA's and schools in order to acquaint the public with the needs and hopes of the Holland Public School System.

Mrs. Luidens announced that Mrs. George Buskirk will be the new chairman of the telephone committee.

A social hour followed the meeting.

Faculty Vrouwen Meet At Schipper Residence

A dinner was featured at the meeting of the Faculty Vrouwen Monday evening at the home of Mrs. Vern Schipper. The president, Mrs. Donald Rohlich, conducted a short business meeting and plans were made to attend the play "Harvey" in February.

The dinner was served by the co-chairmen, Mrs. Schipper and Mrs. Ted Boeve, and their committee, Mrs. Florence Eshelman, Mrs. Fred Winter and Mrs. Ed Donovan.

The next meeting will be in April.

Van Til Sees Windmill Plan As Step Forward for Holland

Michigan is in a position of recreation leadership, but it must strive to maintain this leadership, State Rep. Riemer Van Til said Tuesday night.

He spoke specifically of Project Windmill in his speech on "Economics of Recreation" before about 60 Jaycees and their employers at a Bosa's Night dinner.

"We haven't made the progress we should," he said. "We haven't equated recreation to business dollars."

"Holland has to use its God-given resources to attract tourists and one of those resources is its heritage. We can do a lot more to develop this image by obtaining a windmill from The Netherlands."

People love folklore—even when it is not their own, Van Til said. Only New Orleans with its Creole French and Chinatown in San Francisco can compete with Holland for heritage. Even though Holland is known for its tulips, and natives are asked "Does everyone really wear wooden shoes?" Holland can be improved to attract more tourists, he said.

The trouble with people in Holland, he said, is that they don't keep up with the times in recreation facilities. What was good 50 years ago is not good enough today. People go and stay longer where there are sights to see.

"Once tourists come to Michigan, they want to come back," Van Til said, "and we want to keep it that way. We must give them value—they are only fooled once."

Honor Four Allegan Men

ALLEGAN—Four Allegan County farmers will receive awards during Farmer's Week activities at Michigan State University, Jan. 28 through Feb. 1.

The most outstanding award, Farm Manager of the Year, will go to Donald Sebright of Martin — one of 20 farmers in the state to be so honored. Such awards are based on overall management and farm net earnings for the past three years. In the opinion of the farm management department, MSU, this honor places Sebright in the top one per cent of all Michigan farmers.

Receiving the "500 Club" DHIA awards to be presented by the dairy department during Farmer's Week, will be Allegan county men, Fred and Glen Kaechle, of Wayland.

Clare Loew, Burnips is slated to receive honors for cooperating in the farm account project for the past 25 years. Joseph Tollenaar, Caledonia, will be named as one of the top ten in the state as a result of the number of lambs he raised per one hundred ewes over the past three years.

Many Appear In Local Court

A cash bond of \$200 was forfeited in municipal court Tuesday when John T. McClure, 42, of Park Ridge, Ill., failed to reappear in court on a charge of driving under the influence of alcoholic beverage. McClure, who appeared in court Jan. 11, pleaded not guilty and was released on bond, pending trial Monday. He failed to return and the \$200 was forfeited.

Others who appeared before Municipal Judge Cornelius Vander Meulen this week included Robert Land, expired operator's license, D. Vander Zwaag of route 1, Zee-11; Lonnie J. Ten Broeke, of 303 West 20th St., speeding, \$25; Lewis Parks, of 411 Harrison, illegal parking, \$3.90.

Theron J. Wierenga, of 106 East 13th St., disobeying red light, \$11.10; Foster G. Kooyers, 378 East 32nd St., improper backing, \$12; Scott Wyman, of 76 East 29th St., failure to keep an assured clear distance, \$12.

George Vander Wall, of 19 West 37th St., failure to keep an assured distance, \$12; Mae Pierson, of 193 East 38th St., right of way, \$12; Willis Jay Bonelaar, of 891 Lincoln Ave., right of way, \$12; and Tony M. Calvert, of 330 Howard Ave., defaced operator's license, \$2.

GUESTS AT CIRCUS — Russell Frehe, Theron Stone, Lynn McCray, Harry Stark and Chester Waltz, members of the Holland Shriners, pose here with several youngsters before boarding a bus Monday for Grand Rapids where they were hosts to 82 local youngsters at the Shrine Circus (Penna-Sas photo)

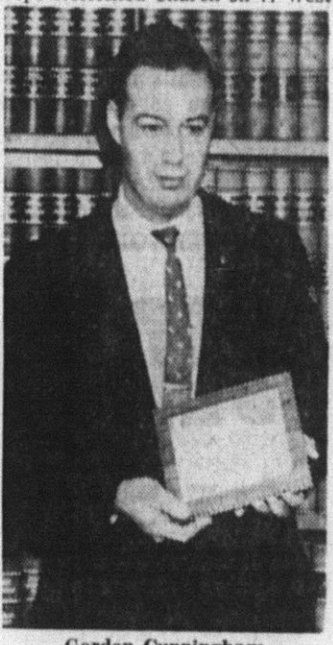

in the Civic Auditorium. The Holland City Bus Line and the Holland School system each donated the use of a bus for the trip. Ice cream, pop, popcorn, sandwiches and chocolate milk were also provided by the local Shriners before and after the circus.

Cunningham Wins Top Award

City Attorney Gordon Cunningham, 32, of 1327 Heather Dr., was named Outstanding Man of the Year and was awarded a distinguished service plaque by the Jaycees at a dinner honoring bosses Tuesday night.

Chandler Oakes, former president of the Jaycees, who made the presentation, cited Cunningham's many activities.

Cunningham has been active in the March of Dime drive, was chairman of the Bagwell Booster campaign in Ottawa County, was a Sunday school teacher in the Hope Reformed Church on 77 West

Gordon Cunningham

11th St., a member of the Mr. and Mrs. Club and an active participant in the Holland Community Theatre.

The distinguished service award is given to an outstanding man in the community between 21 and 35. Cunningham, who was selected this year by a committee of former Jaycees, became city attorney in July 1962. Originally from Grand Rapids, he is now with the Ten Cate, Townsend and Cunningham law firm on 196 River Ave. He was graduated from the University of Michigan with a LL.B. degree in law, and has practiced in Holland since 1954.

Burglar Enters House, Takes Food, Cigarettes

A breaking and entering was reported at the home of Ray Vander Mei, 737 Plasmann Ave. Tuesday, according to detectives. Detectives said the intruder entered by breaking a small window in a door in order to unlock it. A small pie had been eaten, along with a can of soup. The burglar drank some beer with the meal and took a pack of cigarettes.

Van Til, who is vice chairman of the state House Tourist and Industry Committee, made a study last summer on recreation facilities.

Tourism is big business in Michigan, he said, "but recreation development is only going to be a forward movement if we think in terms of cold and hard cash."

More research and development is needed. Improved recreation facilities, he said, would have fringe benefits for everyone. Tourists already consume 20 per cent of Michigan's agricultural products and about the same per cent of its automotive materials.

Total revenue last year from parks, camps and boating areas was \$74.8 million, he said. Holland State Park alone netted \$2,269,443 and Grand Haven Park, \$3,513,982.

People in the future will have more leisure time and more money, and more people will be traveling because it is the thing to do, Van Til said.

Van Til made several recommendations to improve recreation facilities after he made his study. More land could be turned in to private parks, he said. More land would be released for recreation if the liability laws were not so strict. And more conservation land could be used.

Research and development is necessary in recreation, Van Til emphasized. Florida is the only state where an effort is made in research and developing recreation than any other state, and is greater in providing

Hamilton

The Rev. Ralph Ten Clay of the Hamilton Reformed Church chose as the theme for his Sunday morning sermon message, "The True Circumcision." Special worship in song was contributed by the adult choir. All evening services of the church were cancelled because of the snowstorm. Announced for this week's activities were Junior Girl's League at the home of Delores Jipping on Monday evening; leadership training at Western Seminary, also on Monday evening and the King's Daughters meeting featuring the installation of officers service. On Tuesday the regular 9 a.m. Women's Prayer Service, Boy Scout meeting in the evening and also the Executive board meeting of the Guild for Christian Service, followed by their January program. Next Sunday National Youth Sunday will be observed, with the young people of the church in charge of the evening service.

Henry Van Doornik, Sr., who recently underwent surgery at Ferguson-Drost Hospital in Grand Rapids was taken to Holland Hospital last Saturday morning for further care and treatment, after spending a week at his home, following his return from Grand Rapids.

Mr. and Mrs. Howard Veldhoff and baby from East Lansing were visitors in their parental homes, The Arthur Veldhoff's and Harvin Lugten's, this past week.

Mrs. John Klein was in the Holland Hospital recently for observation and treatment.

At the Haven Reformed Church the past Sunday, Rev. Spencer C. De Jong used as theme for the morning sermon message, "Lead Not Into Temptation." Special worship in instrumental music was contributed by Dell Schipper, accompanied at the piano by Miss Lois Lugten. The evening service, as also the Youth Fellowship meeting and the Haven Duets — young married couples club meeting were all cancelled because of unfavorable weather and highway conditions.

The Rev. and Mrs. Donald Houseman of Holland were recent dinner guests of Mrs. George Lampen. The former is past of Park Christian Reformed Church of Holland.

SCHOOLS RECEIVE PLAQUES — Robert Augustine of Greenville (second from right), Rotary district governor, presented Four Way Test plaques to the principals of the three Holland high schools Thursday at the Rotary meeting in the Hotel Warm Friend. The plaques, given by the Holland Rotary Club, will be hung in the respective high schools. One high school boy from each of the high schools serves as Junior Rotarian for a month during the school year. Dr. Carl Cook, past Rotary president,

started the plaque project. Standing (left to right) are L. C. Dalman, Rotary president, Raymond Holwerda, Holland Christian principal; Jay Fornasma, Holland High principal, Duane Hooker, West Ottawa principal, Augustine and William Hakken, chairman of the Rotary Four Way Test committee. The Four Way Test asks the questions, "Is it the truth? Is it fair to all concerned? Will it build good will and better friendships? and will it be beneficial to all concerned?" (Penna-Sas photo)

Wiechman Ties For 24th

PEBBLE BEACH, Calif. (Special)—Phil Wiechman of Holland, pro at the American Legion Memorial Park golf course, tied for 24th place in the \$50,000 Bing Crosby pro-amateur golf tournament Sunday.

Wiechman reported he took an eight on the 18th hole. He finished with an 18-hole round of 77 and a 72-hole total of 294, nine strokes behind winner Billy Casper.

Several other golfers experienced trouble on No. 18. Bob Duden and Jack Nicklaus three-putted on No. 18.

Wiechman reported the finish assures him of a berth in the Bing Crosby tourney field next year and he won't have to qualify for the event.

The Holland pro also reported he picked up \$66 in the pro-am competition in the four-day tournament. Wiechman presently is in San Francisco attempting to qualify for the 72-hole \$50,000 Lucky International tourney starting Thursday.

Rearend Collision

ZEELAND — A car driven by Kenneth Deur, 20, of 76 West 32nd St., crashed into the rear of one driven by Jack Ver Meulen, 39, route 1, Holland at 3:38 p.m. Wednesday on M-21 just west of State St. in Zeeland Township. Sheriff's officers charged Deur with failure to stop in an assured clear distance ahead. The windshield of his car reportedly was covered with frost.

Eagle Auxiliary Aids Work at Fort Custer

ENTERTAIN AT CARNIVAL—Among activities assumed by the Holland Auxiliary of Eagles during the past year was participation in the annual carnival staged for patients at the Fort Custer State Home. Seated is the local chairman of the Fort Custer Home committee Mrs. Janet Raffenaud. Others (left to right) are Mrs. Harriet

Vander Bie, Miss Esther Vander Wiede, president of the local Eagle Auxiliary, Mrs. Margaret Austin, Mrs. Frances Sroka and Mrs. Emma Witt Noce. Standing behind the group is Al Sroka who was a visitor at the carnival. The local group donated special carnival costumes to the delight of the patients.

A total of more than \$205 in gifts and cash has been presented by the Holland Auxiliary of Eagles to patients of the Fort Custer State Home, according to a report last Friday at a meeting of the Holland Auxiliary of Eagles given by Mrs. Janet Raffenaud and Mrs. Geraldine Austin, chairmen of the Fort Custer Home Committee.

The report indicated that added support by friends and local merchants in donating cosmetics, toilet articles and jewelry as well as new clothing, were added boosts to the gifts of used clothing, occupational therapy materials and checks provided by the auxiliary. During the year the local unit filled 39 Christmas bags and furnished five dozen aprons, 55 dozen cookies, jewelry, ties and purses along with other articles for the annual carnival staged last fall for the benefit of the patients.

Activities by the Holland group now include the making of Easter baskets and Easter gifts to be delivered to the Home this spring with other boxes of material.

Board Okays Marine Funds In Allegan

ALLEGAN — Snow - clogged roads kept thirteen of Allegan county's 38 supervisors from answering roll-call Monday morning, final day of the January session, with late arrivals showing up throughout the day.

Items on the last day's agenda included approval of a resolution declaring the necessity for a marine law enforcement program administered by the sheriff's department and appropriation of \$1,852 for personnel and equipment. If the request is approved the state will contribute two-thirds of needed funds, or \$3,704, to make the total available \$5,556. Of this amount, \$3,306.00 will be available for a Saugatuck harbor patrol if Saugatuck provides \$1,102.

A rules committee report, recommending that no action be taken on the Allegan city council's ouster of city supervisor Joe Armstrong, was unanimously approved by the board. The committee recommended awaiting a ruling from the attorney general on the legality of the council's 3-2 vote to remove Armstrong. The board also voted that he be paid for serving during the session.

A proposal which would have placed a special quarter-mill tax for county parks improvements and expansion on the April 1 ballot was voted down by the board. Many members felt the plan had merit, but wanted to see "more details" on how the money would be used. Most were in agreement that a special study committee should be named in April to come up with a long-range parks program, together with financing proposals.

The board also voted to transfer \$50,000 of the county road commission's \$75,000 appropriation for 1963 as soon as possible. The commission will get \$25,000 immediately and \$25,000 more as soon as it is available. The money was transferred ahead of schedule to help meet the commission's cash crisis growing out of the heavy snowfall. The health department's annual report, showing a budget surplus of \$11,815, also was accepted by the board. Expenditures of the department totaled \$74,378 during 1962, compared to receipts of \$86,194.

Discharged Wednesday were Mrs. Melvin Van Dyke and baby, 294 Riley St.; Mrs. Merle Good and baby, 286 Calvin Ave.; Mrs. Thomas Broeker, 78½ East Eighth St.; John Timmer, 955 Crestwood Dr.; Mrs. Russell Arnett, route 2, Fennville.

Firemen Answer Call

City firemen answered a call to the city dump for a fire Tuesday at 7:30 p.m. Firemen said that an unpermitted fire had apparently been started to burn rubbish but was getting out of control.

Births at Zeeland Community Hospital Wednesday include a boy to Mr. and Mrs. Jerome Vander Slik, 1073 Gordon St., Zeeland, and a boy, Norman Dean, to Mr. and Mrs. Harold Brinks, 636 136th Ave., Holland.

All-Star Band to Present Concert Here Saturday

When 135 high school bandmen come to Holland Saturday from 29 schools in Western Michigan, they will be faced with a "crash program" to prepare the concert set that evening at 8 p.m. in the auditorium of Holland High School.

Guest conductor will be Harry Begian of Detroit, head of the music and performing arts department of Cass Technical High School. Dr. Begian is a graduate of Wayne State University and recently completed his doctoral training at the University of Michigan. He also has studied at Tanglewood, summer home of the Boston Symphony Orchestra.

Conducting bands, orchestras and opera groups at high school, college and professional levels has kept Dr. Begian in demand. His high school band at Cass Technical School in Detroit is nationally famous. He has been at Cass Tech since 1947.

Band students will spend Saturday in rehearsals both in sectionals and in full. Luncheon will be taken from food machines in the school. The Holland Band and Orchestra Club is arranging a special smorgasbord at a local restaurant in early evening followed by a "mixer" before the concert.

First group of selections at the concert will include "Jesu, Joy of Man's Desiring," Bach; ballet music from "William Tell," Rossini; "Brighton Beach," a concert march, Latham; "Second American Folk Rhapsody," Grundman.

The Hope College Faculty Woodwind Quintet will play "Allegro" from Quintet No. 2, Etlinger, and "Finale" from Wind Quintet, Reicha.

Other selections by the all-star band will be "Golden Eagle March," Walters; "Mississippi Suite," Grofe; "Relax," novelty, Yoder; "Fareast of the Fair March," Sousa; "Star Spangled Banner," Key-Fillmore.

Ottawa County 4-H News

By Willis S. Ross
County Extension Agent, 4-H
Because of the cancellation of several of our meetings last week due to weather conditions, we will probably have to mail the awards to leaders who have had five and ten years records in 4-H. We wish to congratulate and thank the following people who have served the 4-H program for five years:

Mrs. Arnold Berg, Spring Lake; Mrs. Edward Brandt, Mrs. Sierd Spoolstra and Clare Wagner of Hudsonville; Mrs. Louis Brouwer, Mrs. Louis De Jonge, Mrs. Helen Essex, of Allendale; Owen Franssens, Mrs. B. Gusler, of Grand Rapids; Mrs. Ed Schierbeek and Mrs. Arthur Wyma of Holland; Mrs. John Syswerda of Grandville; Henry Walma of Jenison.

We also want to congratulate the following leaders who have served for 10 years: Gerrit Berens and Mrs. John E. Hirdes of Hudsonville; Abbie Busman and Martin Byke of Coopersville. Mrs. Marvin Geerlings of Holland, Mrs. Cornelius Grit of Jenison; and Y. Frank Parcheta of Grand Rapids.

that we had planned to give you in January.

We would urge our 4-H Club leaders and members to start preparing for the Share The Fun program, as we are tentatively planning on having an all-county festival the first part of March. We would then pick out the best Share The Fun Acts of the districts to take part in the County Achievement Day. This is a change from previous years when we used to have district eliminations and members participated on a district level. We will give more information on this as it becomes available to us.

Tentative dates for the style revue judging for each district have been set up as follows: Style judging for Holland District on March 14; for Coopersville District on March 18; for Hudsonville district on March 25. We would also like to take this opportunity to call to your attention that a clothing workshop is to be held on Feb. 19 and 20 at Camp Kett. We would like to get a carload of ladies from each district to attend this event.

Farmer's Week will be held this year from Jan. 28 through Feb. 1. Tuesday will be especially designated for youth programs. There will be several choices to make for young people attending on these days. Tuesday morning's program will be held in the University Auditorium when Dean Thelma Porter will present the talk on "Expanding Horizons for Young." At 11 a.m. there will be panel discussion featuring 17 career areas. At 1:30 p.m. there will be an orientation meeting on college entrances in the Kiva Educational Building. The "Accent on Youth" program will be featured in the Fairchild Theater Auditorium Building on Tuesday at 7:30 p.m. Wednesday's program will start in Room 31 of the Union Building with a report to educational leaders on "You and the World" at 10 a.m. Wednesday afternoon at 2:45 p.m. Russell G. Mawby, assistant director of extension, will speak on "Opportunities Unlimited." We would urge anyone who can possibly attend any of these meetings, and go to Farmer's Week.

Two Girls Receive Minor Bruises When Hit by Car

Two girls were treated and released from Holland Hospital Monday after being hit by a car at 16th St. and West of River Ave. Margaret Lynn DeKraaker, 15, of 234 West 29th St., received bruises on her right hand, both knees, and multiple abrasions on the legs. Patty Roels, 14, of 384 Washington Ave., received bruises on the right hand.

The two girls were hit Monday morning by a car driven by James A. Diekema, 16, of 182 Columbia Ave. Diekema, who was driving east on 16th St., told Holland police that he did not see the girls when they ran out from behind a bus parked on his left. No ticket was issued.

Two Cars Collide

Cars driven by John Katerberg, 37, of 460 Washington Ave., and Charles Troost, 61, North 142nd Ave., were involved in a collision at 7:45 a.m. today at the intersection of Pine Ave. and Fourth St., according to police. No one was injured in the accident which occurred when the car driven by Katerberg bounced against a snowbank causing the rear end to skid into the path of the second car, police said.

Millage Vote Endorsed by Two Groups

A proposal to vote a 2.5 millage increase for school operations at the Feb. 18 city primary election was endorsed by both the Committee on Educational Assistance and the Holland PTA Council Monday night in Washington School.

The CEA, a group of independent citizens interested in providing good education for the children of Holland, outlined detailed information on school needs and costs, based on a series of studies which started last summer.

The PTA Council will recommend that local PTA organizations assist the CEA in explaining needs of the school program as well as distributing a brochure prepared by the Board of Education.

Defeat of a special millage election last May resulted in cutbacks in school services, resulting in a forced reduction of about \$40 per pupil from the \$407 cost last year. The proposed 2.5 mills just barely restores the \$40 reduction, according to the finance committee headed by Arthur Seddon.

The finance committee also studied costs of the new high school of \$13.70 per square foot compared with a state average of \$13.64, or a cost per pupil of \$13.64 compared with a state average of \$18.51. During this discussion, a member of the Board of Education reported that operating costs of the new buildings were less than had been anticipated.

The finance committee also pointed out that 2.5 mills on state equalized valuation means \$4.57 per \$1,000 assessed valuation the next three years, an average of \$17 per home based on an average assessment of \$3,640.

The education committee headed by Mrs. Paul McIlwain reported on reinstating four elementary teaching principals to at least a part-time basis, providing qualified volunteers to supplement the elementary program in the financial emergency, reinstating the practice teaching program with Hope College and restoring the position of coordinator in elementary schools. Mrs. McIlwain said 122 volunteers have aided the elementary enrichment program and have agreed to continue the services to the end of the school year, provided the Feb. 18 millage election is successful.

Moose Lodge Stages Anniversary Party

The Holland Lodge of the Loyal Order of Moose held its 17th annual anniversary party Saturday evening in the form of a dinner dance.

Guest speaker was Clarence Hawthorne of Kalamazoo, past president of the Michigan Moose Association. Other guests were Mr. and Mrs. Woodrow Shockey of Muskegon; Supreme Governor Jerry Cutchall, and Mrs. Cutchall from Hastings and B. Grimes, governor of the Otsego Lodge.

William Grabowski, governor of the Holland lodge, was host and Stephen Wiersma, past governor of the local lodge, served as toastmaster.

The program included several tap dance acts by a group from the Phil Osterhouse studio and a member of the lodge giving an impersonation of Sophie Tucker. Bob Johnson's Down Beats furnished music for dancing.

Chimney Fire Snuffed

A chimney fire was extinguished Monday by firemen called to a house at 261 West 15th St. Firemen reported that the house was filled with smoke but there were no damages or injuries.

Firemen Answer Call

Firemen answered a call to 259 Ninth St., in the alley, at 4:30 p.m. Monday to check a burned out window frame in a home. No damages were reported by firemen.

NATIONAL GUARDSMEN ASSIST — Members of Co. D of the National Guards in Holland assisted many stuck motorists Sunday and Monday as the swirling, drifting snow caused many cars to be stuck. This convoy

truck is pulling a stuck car out of a snowbank on US-31 near the south city limits of Holland. The Guards used three convoy trucks to help distressed motorists on roads around the Holland area.

Four Allegan County Men To Be Honored

ALLEGAN — Allegan County will have four farmers receiving awards during Farmer's Week activities at Michigan State University, Jan. 28 through Feb. 1.

The most outstanding award, Farm Manager of the Year, goes to Donald Sebright of Martin. He is one of 20 farmers in the state that are so honored. This award is based on over all management and farm net earnings for the past three years. This in the opinion of the farm management department, Michigan State University, places Don in the top one per cent of all farmers in Michigan.

Fred and Glen Kaechele, of Wayland, are to receive "500 Club" DHIA awards presented by the dairy department.

Clare Loew, Burnips, is to receive an award for cooperating in the farm account project for the past 25 years. Joseph Tollenaar, Caledonia, is of the top ten in the state for the number of lambs raised per one hundred ewes over the past three years.

Eagle Auxiliary Plans For Future Activities

Plans for a family night potluck supper to be held Friday at 7 p.m. in Eagles Hall were discussed at the regular meeting of the Ladies Auxiliary of Eagles held Friday evening. The supper will be for all Eagle members and their wives and auxiliary members and their families. Mrs. Marie Huizenga is general chairman.

Mrs. Geraldine Austin gave a report on the district meeting held recently in Grand Rapids and Mrs. Anna Gast, state chairman for Fort Custer projects, commended the local auxiliary for their fine work at the Fort Custer Home. Mrs. Janet Raffenaud, chairman, and her committee are working on plans for an Easter project for the home.

Miss Esther Vander Wiede, president of the auxiliary, announced an officers meeting to be held Feb. 1 at 7:30 p.m. Mrs. Lucille Rolfs gave the semi-annual report.

Lunch was served by Mrs. Betty Ooms and Mrs. Jean Kuhlman.

12,125 Eligible to Vote

A total of 12,125 residents are eligible to vote in the Feb. 18 primary following the final day of registration Monday. City Clerk Don Schipper said 35 new registrations were received.

Chamber of Commerce Plans Banquet April 3

Plans for the annual Holland Chamber of Commerce membership dinner will be held Wednesday, April 3 in the Civic Center it was announced Monday by chairman W. C. Cobb at the regular monthly meeting of the Chamber directors.

The annual membership drive will be held one week in March and drive chairman Robert Wolbrink said team captains are being selected.

Lester Pool presented plans for the improvement of Park Township Airport in cooperation with Park Township and the state aeronautics board. Improvements requested by Park township after working with the Chamber airport committee including hardsurfing two runways, installing added radio equipment and construction of four T hangers at \$32,776.

The board approved a recommendation from Herman Windemuller, chairman of the county and state affairs committee, that a bi-partisan Con Con speakers bureau be arranged by the Chamber through cooperation with local interests.

Action was delayed by the board on three matters pertaining to conservation relative to the licensing of fishing in the Great Lakes for non-commercial fishermen, the non-resident fee for 15 days and the charge for the annual fishing license for women.

After discussion on the extension of M-21 or M-40 to the state park, Windemuller and City Manager Herb Holt were asked to make arrangements with the state highway department to have a representative meet with the respective committees to discuss state plans relative to the state constructed highway to the state park.

The board approved a letter to the Ottawa County supervisors recommending purchase of federal land in the area for recreational purposes.

Plans for a Made in Holland show at Tulip Time, under the direction of the industrial committee were explained by chairman William Sanford. Sanford's committee will also handle the publishing each month of the industrial statistics relative to employment.

Stanley Boven of the neighborhood merchants committee said questionnaires are being sent to neighborhood members seeking information of lighting and services in their areas.

A meeting was set Feb. 11 by the vocational committee and school officials to study the installation of a vocational trade shop in the Holland schools, Henry

Morse, committee chairman reported. The group held a meeting with school superintendents, board presidents and vocational directors of Holland, Holland Christian and West Ottawa High Schools.

The 1963 Aircade for Citizens in Action will be held in Battle Creek, Feb. 6. Harold Denig, congressional action chairman reported. Plans are being made for a busload of Holland persons to attend. Chamber president Stuart Padnos presided at the meeting.

A good share of the preliminary study by Hamilton Associates dealt with space utilization, balancing the number of patient beds with ancillary services to care for the patient load.

In expanding hospital services in the proposed 1967 addition, it is recommended that beds for medicine and surgery be increased from 99 to 121, add an intensive care unit of four beds, increase obstetrics from 23 to 25 and pediatrics from 15 to 20. Meanwhile the medical staff has been studying these recommendations and their feeling at present is for two or four more beds in an intensive care

1967 Hospital Expansion Plans Cost \$2 Million

A program of development for Holland City Hospital with proposed additions in 1967 and 1968 was reviewed by representatives of James A. Hamilton Associates, Hospital consultants retained for this study, at a meeting in Holland Hospital Monday night attended by the hospital board and representatives of City Council, the hospital staff and hospital administration.

At present construction prices, cost of the proposed 1967 development was estimated at \$2,083,300. This program lists adding two additional floors on the 1957 wing, a one floor addition west of the building, a "T" wing west of the one-floor addition, and a two-floor laundry and power plant expansion to the south.

The proposed "T" wing to the west would be one floor which would become a five-floor wing in the 1985 development. No estimates were listed for the 1985 development.

In proposing an addition for 1967 boosting present bed capacity of 137 beds to 170 beds, the representatives made it clear that any number of variations in design and plan could be made.

There were some discussion on financing the 1967 development. The local hospital likely would be eligible for Hill-Burton federal funds which could finance up to 40 per cent of new construction. Whether the project would be financed by fund raising, tax support or other methods will be studied thoroughly before decisions are made.

Leaves of alfalfa and most other legumes make up only half the total volume of the plant by weight, but contain up to 70 per cent of the protein and 90 per cent of the vitamins and minerals.

unit and an additional five beds for pediatrics.

By 1985, the Hamilton firm anticipates an expanding role for Holland Hospital in meeting the needs for acute mental care as well as for additional general acute care. By 1985, the recommendations calls for 285 beds, listing 260 general acute and 25 psychiatric. It is anticipated that 80 nursing home care beds also will be available by that time, increasing the total bed complement to 365.

The next step will be to retain an architect to work with Hamilton Associates.

Representing Hamilton Associates were Jerome T. Bieter and David V. Danberg who explained the 56-page report authorized several months ago by the hospital board and City Council.

Direct Relief Case Load Drops in Allegan County

ALLEGAN — Mrs. Beatrice Guscinski, director of the Allegan county department of social welfare, said the direct relief case load was lower by 37 cases than a year ago.

Her last quarter report for 1962 showed 215 direct relief cases as compared to 252 a year ago.

Expenditures for the department in October, November and December totaled \$131,750 with \$77,433 disbursed for hospitalization of county patients.

Mrs. Frank Fenrich Succumbs at Age 54

Mrs. Eileen A. Fenrich, 54, wife of Frank H. Fenrich of Laketon Township, died Sunday evening at Holland Hospital following an extended illness. Mrs. Fenrich was born in Chicago and had lived here for the past 17 years. She attended the Methodist Church in Saugatuck.

Surviving besides her husband are a daughter, Mrs. Thomas (Phyllis) Betz of Holland; a son, Lawrence Fenrich, with the U.S. Army in North Carolina; three grandchildren; a brother, Leo Alexander of Lynden, Iowa.
