## West Ottawa Debates State Aid

Wrestling with the current and 1976-77 fiscal budgets throughout the evening Monday, members of the West Ottawa Board of Education concluded that the new state aid formula was ill-conceived and to inform local legislators of the hardship it would place on the district.

Meeting in the Middle School, board members decided that the "intent" of the formula would not be implemented with its use, thus lowering state aid to districts which raised millage. Members concurred that the intent would most reasonably have been to raise state aid to districts which raised millage.

In projecting the budget for the next fiscal year, Supt. Brad Henson explained that if state aid formula remains the same, staff and student numbers remain the same as well as millage and the number of programs offered and with only a moderate increase for other personnel, the district will need an additional \$500,000 more income to hold the current pattern.

Henson explained that teacher contracts had been signed for 1976-77 so 70 per cent of the budget could accurately be projected.

Asst. Supt. Peter Roon reported on transportation and noted that an average of 4,441 students ride the bus everyday with buses covering an average of 2,000 miles each day.

Business manager Gordon Scheerhorn reported on damage to the high school gym floor from a ruptured 4-inch water line underneath. Scheerhorn noted that the floor was being dried out, that it would not be back to its original state and that insurance adjusters would survey the damage soon.

In other action the board approved a mandatory retirement age policy effective June 30, 1977 for persons who reach the age of 65 and also policies regarding non-discrimination in hiring practices and well as equal opportunities for students in activities.

Henson also requested that the board request a date for a millage election at the next meeting.

The board approved an operating loan of \$247,410 at 4.10 per cent from First Michigan Bank and Trust Co. against anticipated state aid.

Middle School principal Ed Roberts and his staff presented a demonstration to board members and visitors on the new ideas and investigations in the science program now being used in the school. Tom Scully, science coordinator, directed the demonstration which included an exercise in coordination and practice.

Carl Schaftenaar presided in the absence of Board president Ed Haltenhoff.

The next meeting will be held Feb. 16, in the administrative offices.

## Drug Loss \$716 In Pharmacy Entry

Loss in Thursday's break-in at Paul's Pharmacy, 803 Lincoln Ave., was placed at \$716 and police said it appeared the thieves were unfamiliar with the drugs taken.

Police Det. Lt. Marty Hardenberg said there was no pattern to the items taken and few items were of use in seeking mind influencing drugs.

Intruders punched a hole through a cement block wall of the building to gain entry to the main retail area of the store. The missing items were taken from the pharmacy at the east end of the store.

Included among the missing items were salt tablets, aspirin, 100 vials of insulin but few barbiturates and amphetamines.

Officers said the break-in was believed to have occurred between Wednesday night and Thursday morning when it was reported at 8:31 a.m. The drugs were the only items reported missing.

## Lake Macatawa Covered With Ice

Holland Harbor is frozen with ice and Lake Macatawa was 100 per cent ice covered, according to the Holland Coast Guard.

But Coast Guard officials said they were unable to determine thickness of ice at various locations on Lake Macatawa other than the 14 inches at their docks.

Ice conditions extend about 2 1/2 miles into Lake Michigan off the harbor entrance.

Coast Guard Chief Ronald Perry said the Coast Guard does not issue condition reports for the lake because of legal implications.

## Ottawa Area Pay Scale Set For Teachers

GRAND HAVEN — A teachers' contract calling for a beginning B. A. salary of \$9,500 to a maximum M.A. salary of \$15,825 for 1975-76 was approved by the Ottawa Area Intermediate School District Board of Education Thursday night. The settlement followed negotiations with the Ottawa Area Center Teachers' Association, dating back to April.

In the second year of the two-year contract, the B.A. beginning salary will be based on the average beginning salary of the 11 local districts which comprise the Ottawa Area district.

The board also will pay retirement for teachers commencing with the 1975-76 school year.

The board reviewed the time schedule for construction of the Area Vocational Center. By phase bidding it is contemplated that the building will be ready for occupancy in whole or in part by the fall of 1977.

A 1976-77 general fund budget was tentatively approved with income totaling \$305,158 and expenditures at \$309,283. The \$4,125 deficit would be taken from the anticipated fund equity.

The board appointed Roger Bradley, a member of the Coopersville Board of Education, to the 1976 Tax Allocation Board.

A leave of absence was granted Mrs. Randy Berg of Ottawa Area Center commencing April 26 and ending Jan. 3, 1977.

The superintendent was instructed to contact the Kent Intermediate Board of Education to set a date for a property transfer hearing involving Grandville and Hudsonville school districts.

## Holland Women Direct Projects Under State Plan

Two Holland women have been sworn in by Lt. Gov. James J. Damman as part of a peace corps-type volunteer program of 61 Bicentennial projects in Michigan.

The program was initiated by the Michigan Bicentennial Commission which selected the 61 projects from 150 applications and is funded with a \$267,414 federal grant.

Volunteers Mrs. Edith Brickhouse and Mrs. Morrie Tubergen were administered the oath of office by Lt. Gov. Damman during Lansing ceremonies Jan. 9.

Holland received three project grants. The Holland Literacy Council plans to emphasize the training of tutors in the "each one teach one" Laubach method and produce illustrated stories done in booklet form using a 300 word vocabulary.

Mrs. Brickhouse is heading a nutrition program which covers a plan to develop a hot noon meal and fellowship for all handicapped people and persons of low income.

A program for senior citizens Latinos which Mrs. Estaven Gonzalez will head hopes to reach out and assist Latino senior citizens.

The three grants were received by the Good Samaritan Center in Holland.

## Car-Truck Crash Injures Motorist

ZEELAND — Jason E. Kraak, 55, of 118 North Centennial St., Zeeland, was injured when the car he was driving and an Ottawa County Road Commission truck collided Friday at 3:10 p.m. at 120th Ave. and Polk St. in Olive township.

Kraak was admitted to Zeeland Community hospital with rib fractures and his condition today in the intensive care unit was listed as stable.

Ottawa County deputies said the car was southbound on 120th while the truck, driven by Gerrit Ten Broeke, 58, of 9552 Mary Lou St., was traveling on Polk and the two collided at the intersection. Ten Broeke was treated in the hospital and released.

## Holland Man, 47, Injured in Fall

MUSKEGON — Dale Timmer, 47, of 638 North Shore Dr., Holland, was injured in a fall Friday while doing electrical work in a mail under construction in downtown Muskegon on Western Ave.

Timmer sustained fractures and head injuries and was listed in "critical" condition in Hackley Hospital.

Police said Timmer was employed by Michigan Electric and apparently fell from a 20-foot ladder. The mishap was reported at 10:44 a.m. Friday.

**BOTTOMS DOWN, SKI UP**—Mary Russell, 19, a sophomore at Kalamazoo College from Omaha, got off on the wrong ski Saturday while cross country skiing in the Swan Creek area of Allegan County with a group of Kalamazoo College students. Mary, who

has been skiing downhill for several years, tried the popular cross country style for the first time Saturday and found there were differences. Like many taking their first cross country trek, one of her skis went from under her and she took a rest. (Sentinel photo by Mark Copier)

## Allegan Eyes Use of Gas By Sheriff

ALLEGAN — The finance committee of the Allegan County Board of Commissioners is investigating an increase in gasoline consumption by the sheriff's department and budget changes in the District Court.

Committee member Anthony Wykstra told the board Tuesday that average gas use per month increased from 4,000 to 8,000 gallons without an increase in miles patrolled.

He said a leak may have developed in a new tank installed early in 1975 to provide storage for unleaded gas used by new patrol cars and indicated better security may be necessary in dispensing of gasoline.

Commissioners are to discuss a request from the sheriff to fill two vacancies created by the resignation of deputy Harry Johnson and his daughter, Dawn, as a deputy.

Commissioners denied seven requests from District Court Judge Gary Stewart including salary increases for the judge, court administrator and bailiff, promotions for two clerks, establishment of the position of "assignment clerk," reclassification of one probation officer and a request for full county funding for the position of court reporter.

Judge Stewart said salary limits imposed by the CETA program under which the court reporter currently is funded made it difficult to obtain a qualified reporter. There is a \$10,000 a year limit on CETA salaries.

Commissioners approved a \$20,000 transfer to the Department of Social Services for a revolving fund to make up for the slack caused by slow state repayment.

The transfer also called for an end to regular monthly transfers of 6,000 until April 1 and provided that the \$20,000 would come from the department's \$72,000 budget for 1976.

## Soft Drink Wholesale Prices Down

Brooks Products Inc., 7-Up bottler for western and northern Michigan, has reduced by 6 to 10 per cent the wholesale price of its products containing sugar. Other soft drinks affected by the reduction are Dr. Pepper, Vernors, Hires and Crush.

Brooks President James A. Hallan said it was the second consecutive rollback in prices. In 1974 refined sugar prices skyrocketed from 14 cents to 74 cents a pound on the U.S. market. Today's refined prices are back in the 20-cent range.

Hallan expects retail prices will decline in the near future after grocers' present inventories are depleted.

## Holland Guard In Winter Training

Members of Holland's National Guard were at Camp Grayline last weekend for winter training. Buses left Holland Friday afternoon with 105 enlisted men and officers for the two-day training exercise.

Saturday the men were to learn the uses of cross country skis and methods of maneuvering with full winter gear but no weapons. Sunday the men were to begin a 10-mile trek.

Sgt. Roger Naber said this was the first year the Holland guard has used Grayling for winter training. In the past two years such exercises have been held in the Holland area.

The guard stayed in Barracks at Grayling and accompanied by medics and instructors from other areas. The Holland guard returned home Sunday afternoon.

## Charge Reduced In Local Assault

GRAND HAVEN — A charge of unarmed robbery against John D. Gonzales, 18, of Toledo, arrested Jan. 2 by Holland police in connection with an assault against a Holland man, was reduced in Ottawa Circuit Court Monday.

The charge was reduced to attempted unarmed robbery and Gonzales pleaded guilty to the charge. Reduction of \$5,000 bond was denied and Gonzales was held in the county jail to await sentence Feb. 2.

Police said Gonzales was arrested in connection with an assault by a group of youths against John Den Herder, 24, of 138 East 13th St. Jan. 1 along Columbia Ave. A billfold with \$70 owned by Den Herder was recovered.

Lane Tharp, 22, of O-6910 112th Ave., Holland, charged with making false pretenses, waived examination and a plea of innocent was entered. Also waiving examination was Sally Jo Bussema, 19, of Hudsonville, charged with receiving and concealing property over \$100. A plea of innocent was entered for her.

## Circuit Court Revokes Probation

GRAND HAVEN — Alvin Booth, 22, of 5000 108th Ave., Holland, had his probation revoked during an appearance in Ottawa Circuit Court Monday by Judge Calvin L. Bosman.

The probation was revoked for violation of probation terms and Booth was given a six-months jail term to be received in 90 days.

Douglas Sluiter, 17, of 62 East Central, Zeeland, charged with larceny of over \$100, was placed on delayed sentence for not more than a year and must pay \$200 costs.

Patrick T. Archer, 21, of 40 Campbell Dr., Holland, arrested for attempted larceny from a building, was placed on probation for two years and must pay \$150 in costs.

## Insurance Costs Spur Mid-Year Increase

## Hospital Rates Are Boosted \$3

Holland City Hospital rates will increase \$3 a day beginning Feb. 1, according to action taken by the Hospital Board Tuesday afternoon.

Rates for the delivery room will increase from \$99 to \$125 and emergency room fees from a \$16.25 minimum to \$20.

Room rate increases are the result of the increased cost of liability insurance in which the basic policy of \$125,000 last year rose this year to \$344,000, and umbrella policy from \$7,000 to \$175,000. It was recommended later in the meeting that the umbrella coverage be cancelled as of Feb. 6. Many other hospitals faced with the same problem are dropping umbrella policies.

The rate increase does not cover the entire insurance increase but is based on the coming five months of the current fiscal year. It is anticipated that there will be no further increases in delivery and emergency room fees July 1, the usual date for adjusting rates.

In other business, it was announced that Dr. Eli Coats is the new secretary of the medical staff. Dr. William Baum is chief of staff, Dr. Warren Westrate, chief-elect, and Dr. Owen Gesink, executive board member.

The hospital staff is working on a new agreement with Grand Valley State Colleges for affiliation on the professional nurse training program.

The following gifts were announced: mamography equipment valued at \$1,912.32 from Radiology Consultants; Radiant warmer at \$1,710, video tapes of \$300 and heat lamps at \$248.70 from the Margaret Hummer Guild; oxygen analyzer at \$288 and Wright Respirometer at \$299.98 from Abraham Leenhouts Guild; \$1,000 from Mrs. J. Labotz, \$5,000 from Brooks Products, \$300 from Holland Evening Sentinel, and \$200 from Mrs. Clarence J. Becker.

## Zeeland Sets Bid Plans For Station

ZEELAND — City Council Monday authorized taking of bids for a new fire station on city property on East Roosevelt Ave. after receiving preliminary architectural sketches.

Estimated cost of the fire station is \$138,306 and bids are to be awarded by March 19 with construction to start May 15. The station is to be occupied Aug. 20 in time for a new aerial nozzle fire truck which is on order.

Council approved the concept of an alternative plan for extension of a sanitary sewer into the south-east heights area of the city. The plan calls for oversized mains in Fairview Rd. to assist with future industrial growth and to have sewer flow from the heights area down East Lincoln Ave. toward the wastewater treatment plant.

The alternative plan will eliminate a trunkline sewer along M-21 and reduce the city's share of cost by \$200,000.

Council approved an eight cent an hour wage increase for part time city employees effective July 1 and authorized a pay classification adjustment for a cashier-clerk typist and a merit increase for the city clerk-treasurer.

Mayor Dick Timmer appointed a committee to study the city's role in regional planning activities. Members will include the mayor and councilmen Carl Danielson, Ray Schaap and Gerald Huizenga.

Chester Nykerk was appointed to the Zoning and Construction Boards of Appeal and Herwin De Roo to the Local Officers' Compensation Commission.

Council approved an agreement for the Board of Public Works to join other utility systems in a program of controlling excavations near underground utility facilities. Council also approved an agreement placing the electrical utility into a power pool with other municipal and private utilities to exchange electrical generation.

Reported missing were stereo equipment including receivers, turntables, tape players and speakers.

Deputies probing cottage entries

Ottawa County deputies are investigating a series of break-ins at cottages in the Port Sheldon area. At least 14 break-ins have been reported by cottage owners and deputies said most of the entries occurred during the past week.

Reported missing were stereo equipment including receivers, turntables, tape players and speakers.

## Many Items Processed By Council

City Council moved a lot of business at a 40-minute session in City Hall Wednesday night.

An agreement was approved with the State Highway Department to update traffic signals on River Ave. at 10th, River Ave. at 17th and a new school crossing signal on Michigan at 30th St. Cost of the improvements and timing devices is estimated at \$1,100 with \$325 to be paid by the city.

Several purchases were approved: a Compressed Respiratory Air Processing Unit for the Fire Department, low bid of Bob McCaleb Fire Equipment Co. at \$4,771; a new Vibratory Roller for the Street Department, low bid meeting specifications, Miller Equipment Co. at \$5,662.44; furnace in Little Netherlands building and furnace and air conditioning unit in Posthouse on Windmill Island, low bid of Cal Hamstra Heating and Cooling for \$3,060; carpet in Tulip Time office in Civic Center, low bid of Westshore Tile & Carpet at \$770; snow blower for Park Department, Arins Co., \$394. All votes were unanimous except two in which Bea Westrate dissented.

Council set a public hearing March 3 on vacating two triangular pieces of property in connection with the new Robinwood subdivision on 37th St. at the cul de sac between Pine and Washington Aves. The move was recommended by the Planning Commission.

A current contract with Lorraine Industrial Services Inc. for vehicle cleaning and storage of Dial-a-Ride vehicles was renewed, retaining basic features with two changes.

City Manager Terry Hofmeyer submitted a proposed 1976 resurfacing program, emphasizing that considerable study is indicated before Council makes final decision. The report was accepted for study.

On recommendation of the city manager, Council denied (at this time) a request of Ted Baumann seeking permission to connect to a recently installed sanitary sewer and water mains in Lincoln Ave. south of 48th St. It was pointed out that the property is located outside of the special assessment districts, and proper servicing of that area involves rights-of-way as well as a residential lift station. It was recognized that a single application could be served, but Council questioned further applications as not in the interests of good planning.

Transfer of \$3,026.33 to the ox road fund were approved, following a financial report of the 10th annual ox road Sept. 20, 1975.

Accepted for first reading was a parking system ordinance in two parts: one providing enforcement of two-hour parking in downtown offstreet parking lots, and the other in city purchase of the parking lots of Lokker-Rutgers and Teerman at a price twice the assessed value. Funds are available from the contingency fund of the parking system.

Attention was called to Community Development hearings on Holland's application to HUD for a revolving housing rehabilitation fund and a spot demolition fund. A public meeting was being held this afternoon on general information. Two public hearings will be held later.

A license was granted the March of Dimes for residential solicitation Jan. 22-29, and permission was granted a local committee promoting the WGVC-TV auctions April 5-11 to have a banner over a local street, specific location and design to be approved by the city manager.

Council granted a budget filing extension to the Board of Public Works from Feb. 15 to March 13.

Approval was given an agreement with Federal district on providing city water, listing an adjustment on fire hydrant maintenance.

Council approved a consent waiver to the W. J. Bradford Paper Co. in connection with an industrial facility exemption certificate from Holland township in relocating its business there.

Council confirmed a certification from Councilman Vande Poel for Recreation Department purchases from Superior Sport Store of \$243.97.

The Board of Review will meet March 2, 3, 4 and 5, and pay of citizen members was increased from \$30 to \$35 a day. The city attorney serves on a retainer basis and officer members receive no remuneration.

# Al Dark Will Talk in Holland On February 14

Al Dark, former manager of the Oakland Athletics, will be in Holland Saturday, Feb. 14, at 8 p.m. in Phelps Hall for a Community baseball dinner and will accompany the Wooden Shoe baseball team to the Netherlands in June.

During his Holland appearance, Dark will finalize plans for accompanying the team. Plans call for Dark to assist in the coaching of the Wooden Shoe team and he will also have instructional seminars in the Netherlands.

Dark will teach the Dutch baseball players in each city in the Netherlands prior to the game between the U. S. and Dutch teams during the three week tour.

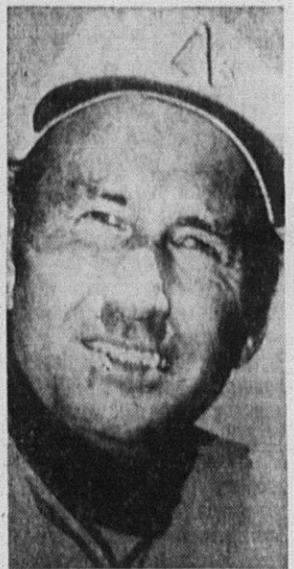

Ticket chairmen Harvey Buter and James Hallan said the dinner is open to the public with a special invitation for women and children. Proceeds will be used for the team's trip. Willard C. Wichers and George Wise are the arrangement committee and the program committee is Dan Van Ommen and Wm. H. Vande Water.

Presently living in Miami, Dark, 54, has spoken at many events and is a leading speaker for the Fellowship of Christian Athletes. He is a member of the New Testament Baptist Church.

A major league manager for 12 years, Dark managed Oakland to the World Championship in 1974 and this past season his A's won the American League West and lost to Boston in the playoffs.

He began his managerial career in 1961 with San Francisco and won the pennant the following year as the Giants defeated Los Angeles in a playoff. He headed the Giants through '64; Kansas City in '66-'67 and Cleveland from '68-'71. He coached the Chicago Cubs in 1965.

Born in Comanche, Okla.

Al Dark

... accompanies Wooden Shoes. Dark broke into the majors in 1946. He turned in 13 complete seasons with Boston, New York (NL), St. Louis, Chicago (NL), Philadelphia and Milwaukee (NL). He had a lifetime batting average of .269 and 2069 hits.

He was captain of the Giants for six years, National League rookie of the year, all-star shortstop three years, tied the World Series record for most singles in a series and in 1957 led the league in put-outs.

Dark batted over 300 four times, hit 322 as a rookie, and batted .323 in three World Series.

At Louisiana State University, Dark was a football All-American and basketball, baseball and track star.

While a manager Dark had a model for the job. "The past few years I've tried to think how Jesus Christ would handle ballplayers. When his players criticized him behind his back, Dark's reaction was 'great peace have they which love thy law, and nothing shall offend him.'"

## Blood Clinic In Zeeland Yields 135 Units Given

ZEELAND — The Red Cross blood clinic held Dec. 30 at the Municipal building in Zeeland resulted in 135 units of blood with 149 people coming in to donate, according to Mrs. John Gras and Mrs. Robert Drew. They, along with other members of the Zeeland Hospital Auxiliary sponsor the five blood clinics which are held each year in Zeeland.

Arend Sterken was presented with his seven-gallon donor card and pin with Gordon Van Tamelen receiving his card and pin for donating six gallons.

Herman Hoeve is a four-gallon donor, Edward Haveman and Eugene Spoelman three gallons; Herbert Doezman, two gallons and the following donating one gallon each: Hazel Janssen, Ann Stephenson, Barbara Rynbrandt, Keith De Witt and David Haveman.

Zeeland was fortunate to have 15 first-time donors with many employees coming from John Thomas Batts to help replace the blood used by one of their fellow employees. They included Ruth Gorter, Douglas Yahne, Larry Brink, Lavonne Van Koeveing, Roy Navis, Thomas Dickman, Bonnie Mc Cue, Linda Van Koeveing, Merle Lynema, Robert Monetta, Gene Wells, Edward Alderink, Kathy Kiner, Charles Veldheer and Robert King.

The next clinic for Zeeland will be held Feb. 25 at the Municipal building. This clinic will be a memorial to Mrs. Joan Danhof, who spent more than 50 years working for Ottawa County Red Cross and served 22 years as chairman of the blood bank in Zeeland.

## Hope Drops Another Close One, This Time to Scots

By Leo Martonosi

Like all of us, Russ DeVette, basketball coach at Hope College isn't getting any younger.

In fact, DeVette has probably aged a couple of years in the past few days after watching his Flying Dutchmen lose another heartbreaker, this time to Alma College, 72-68 Saturday evening in Civic Center.

Just last Wednesday, the defending MIAA champion Calvin Knights had to rally in the second half to nudge the Dutchmen. The same thing happened to Hope against the Scots. The defeat gives the Dutchmen an 0-2 league mark compared to Alma's 1-1 slate. For the season, Hope is 5-5 and the Scot's 4-6.

"It was a great win for us, especially on this floor," said Alma Coach Bill Klenk. "When Dwayne Boyce was out there, that put them down to our size and that was the big difference."

"Bill Romsek also did a fine job in shutting off Jim Holwerda, Hope's No. 1 scorer."

Holwerda carried a 14.6 per game mark into the tilt but hit for only four points Saturday.

Senior Dan "Dream" Van

Pernis came off the bench to pour in a game high 24 markers. Van Pernis played the entire second half in place of Mike Rixsen, who had the flu. Rixsen did play in the first half, scoring five points and holding the talented Willie Dawkins to six points.

Chris Peterson added 19 markers for Hope while quick Tim Mohre led Alma with 22 counters. Dawkins finished with 19.

Hope enjoyed a 23-13 lead which was cut to three points at the half, 35-32. Boyce sat out the final 12:06 of the half because of three fouls. However, sophomore Wes Vande Streek did a strong job in his absence.

Alma took their first lead since they led 8-3 with 2:36 left in the game, 58-57 on a fielder by Mohre. Mohre completed the three-point play and Dawkins and Romsek added baskets to put the Scots out front, 63-57.

The Dutchmen did cut the deficit to three, 67-64 but that was as close as they could get.

Boyce was charged with his fifth personal at the 4:26 mark of the second half and Alma leading, 63-59. Holwerda left because of fouls with 20 seconds to play and the Scots out front,

70-66. Romsek was the lone Scot to leave early because of fouls.

In the well played game, there were only 22 turnovers for both clubs. Hope had 12 and Alma 10.

Said the dejected DeVette after the contest, "If we're going to be a factor in the MIAA race, we have to win these home games. We just can't afford not to beat teams like Alma."

"Yes, you can say that Boyce's foul trouble might have been the difference."

The Ball State University gymnastics team did an outstanding job of performing at the intermission. Jim Paul of Holland, son of Dr. and Mrs. Dan Paul, was a member of the team. Dr. Paul is a member of the Hope faculty.

Hope 68) — Holwerda, 2-0-4; Rixsen, 1-3-3; Boyce, 2-0-4; Peterson, 6-3-19; Ryan, 0-0-0; Van Pernis, 9-6-24; Vande Streek, 1-2-4; Van Dyke, 2-0-4; Clark, 2-0-4. Totals 27-14-68. (72) — Ten Hoer, 2-4-8; Dawkins, 6-7-19; Romsek, 3-2-8; Herrington, 1-0-2; Froelich, 1-1-3; Mohre, 9-4-22; Stolz, 4-0-8; Cwayna, 1-0-2. Totals 27-18-72.

The gallery is open to the public free of charge Mondays through Fridays, 9 a.m. to 5 p.m.

## Japanese Art on Exhibit At Hope College Gallery

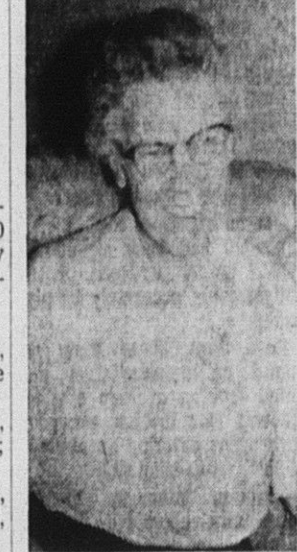

An exhibition of Ukiyo-e art by 16 Japanese artists is being displayed at the DeWitt Cultural Center art gallery on the campus of Hope College through Saturday, Feb. 14.

The collection of prints is made available for exhibition by Kalamazoo College.

The Ukiyo-e woodcut prints are synonymous with the past-times and events in the life of the average Japanese from the late Momoyama period into Meiji times.

They cover a multitude of subject matter from the sophisticated, sensuous beauties of the entertainment quarters, to the powerful portraits of Kubuki actors to exquisite landscapes. Many depict scenes of daily life and are instructive of the living conditions of that era.

The Kalamazoo collection is representative of the great vitality and variety of prints that were produced and of the artists that produced them.

## Nan Howard Participates In MSU Dance

EAST LANSING — The freedom and discipline that modern dance offers is being discovered by more and more students when they take "Advanced Modern Dance" at Michigan State University.

Nancy Ann Howard, daughter of Mr. and Mrs. L. E. Howard, 41 East 28th St., is participating in "Advanced Modern Dance." A 1972 graduate of Holland High School, she is a senior majoring

Nancy Ann Howard

in physical education.

Miss Howard said that she takes modern dance for her own personal enjoyment, expression and creativity and finds it an excellent recreation.

In describing what modern dance is all about, Mary Lou Duschl, instructor of modern dance at MSU, referred to her own experience in discovering the art.

"Modern dance," she said, "is something very personal. I fell into it as a cure for my teenage awkwardness."

"It can be undisciplined, but it can also have some structure. An undisciplined structure can allow for freedom of expression."

"Dance allows for freedom of the upper torso which goes far beyond the scope of normal movement," said the vibrant, lithe Mrs. Duschl.

In the more advanced classes, technique is stressed so that students learn to use their bodies as instruments. They learn to perform, and to put something of themselves into the dance.

## William Mead, 6, Traffic Victim

## Dutch Baseball Officials Meet With Local Group

Two officials of the Royal Dutch Baseball Federation were in Holland Wednesday meeting with members of the representative of the Netherlands Bicentennial trip committee of the Wooden Shoe Baseball team that has been invited to take part in the Bicentennial celebration in The Hague, Netherlands the week of July 4.

Gerard Voogd, Vice President of the Royal Dutch Baseball and Softball Federation and Jules F. De Pierre, member of the Board of the Royal Dutch Baseball and Softball Federation met with Willard C. Wichers, Dan Van Ommen and William H. Vande Water on factors relative to the trip, scheduling of games before the Bicentennial playoff, housing and other factors in relation to baseball series in the Netherlands.

Under the direction of Vice President Voogd, who was assisted by De Pierre, schedule dates were arranged with the Holland members. The exact number of games has not been determined nor has the number of cities or areas where the games will be played. The designated days of playing were agreed upon by the group. One game is scheduled to be played in Antwerp, Belgium. This has been cleared by Voogd, without setting a date.

The housing for the Holland group was discussed with Voogd and De Pierre, as well as the flight both to the Netherlands and return to Holland. Several special arrangements dealing with the American Consul in the Netherlands will be carried out by Vice President Voogd as he is acquainted with the members of the Embassy in the Netherlands.

The Holland team and other members of the group will leave Chicago, O'Hare International Airport on June 17 arriving in Amsterdam the following day. The group will be met at the Schiphol Airport by Voogd and other representatives of the Royal Dutch Baseball Federation.

Voogd is the chairman of the Haarlem International Baseball week which will be staged at Haarlem the last week of June. Teams from various nations will compete in this tourney. The following week will be the Bicentennial celebration at The Hague.

As the meeting closed Voogd stated that he was more than pleased that a team was coming from the Holland area to play in the Netherlands. This has been his hope since he brought a team to play in Holland two years ago, when the Dutch All Stars were pitted against the Mickey Mantle team of the Wooden Shoes. This year the play will be repeated in the Netherlands.

Voogd also said "that he appreciated the fact that the Wooden Shoe Team was to play in the Netherlands, as it would give the youngsters of the Netherlands, a sample of the type of ball played by teenage players in the United States and thus give a new impetus to all types of baseball to be played in the Netherlands."

that the public be informed of all development proposals.

Members are reminded of the Jan. 20 meeting for the local study item. It was announced that the location of the Jan. 27 unit meeting has been changed to the home of Mrs. Frank Vaclavik.

## Federal, County Agencies Prepare Conservation Plan

GRAND HAVEN — Federal and local conservation agencies in Ottawa County have established plans for conservation cost-sharing to assist farmers in carrying out their conservation programs.

Among the practices selected for cost sharing were establishment of vegetable cover, tree planting; tree pruning and thinning, sod waterways, diversions, tiling; wildlife habitat and animal waste storage and lagoons.

Cost-sharing may be obtained by applying at the Agricultural Stabilization & Conservation Service, Room 170, Federal Building in Grand Haven.

The ASCS committee will approve conservation practices on a priority need basis and the share could range from 50 to 75 per cent.

Taking part in a meeting Wednesday in Grand Haven were Le Roy Hetler, district director for the Agricultural Stabilization & Conservation Service; Victor Nienhuis, Farmers Home Administration Supervisor for Ottawa County, and Deb Gorton, assistant supervisor.

## Consistory Fetes Retiring Members

## Choir of Praise Encore...

In commemoration of the coming of Dr. A. C. Van Raalte to settle Holland 129 years ago in February, the Holland Bicentennial Commission is sponsoring a performance by the Metropolitan Choir of Praise of Grand Rapids in a repeat performance of their outstanding patriotic and spiritual program in Civic Center on the evening of Sunday, Feb. 8.

The program "Voice of Freedom," will be changed to depict scenes from the days of the early founding of Holland, as a history of the "kolonie" is unfolded through music, word and action. The singing of Dutch Psalms will also be a part of the commemoration of the founding of Holland; as will a scene of Dr. Van Raalte relating colonial facts.

The two-hour program is under direction of Peter J. Vanden Bosch of Holland, formerly of Grand Rapids where he organized the Metropolitan Choir more than 12 years ago.

The choir is composed of 142 men and women from all walks of life. They sing the patriotic and religious songs for the enjoyment of singing.

Many of the old time favorites in patriotic music as well as several new selections will be sung by the choir, assisted by special musical instruments to accentuate the climactic highlights of the music as it is presented by voice and instrument.

The familiar strains of the "Battle Hymn of the Republic" will be sung in such a manner that it is not forgotten whenever the song is sung.

"This is My Country" and "America the Beautiful" will be delightfully brought into retrospect, with a great deal of pageantry. The scenes on which the music is based are breathtaking, as the photodrama depicts scenic America, projected on dual screens and setting the background for the beautiful patriotic words that tell of America and Our Heritage.

One of the new inspiring compositions the choir sings most beautifully is a new series of songs "What Price Freedom."

Scenes with effective stage settings will portray President Lincoln presenting the Gettysburg Address, followed by the

142-voice choir singing "The Battle Hymn of the Republic."

Other dramatic moments feature the choir, all standing at attention as a military honor guard in full dress uniforms, presenting arms in a re-enactment of the placing of the Stars and Stripes on Iwo Jima.

Aided by unusual stage lighting is the massive reproduction of the Statue of Liberty against a background of a 50 star American flag, setting the stage for singing of "Give Me Your Tired, Your Poor."

Following additional patriotic numbers the program will conclude with the audience joining in singing "God Bless America."

The veteran organ master Alvin Ritsma of Grand Rapids, who has been accompanist to the choir for more than nine years, will appear with the choir. He has served several Grand Rapids area churches as organist and is a Calvin College alumnus.

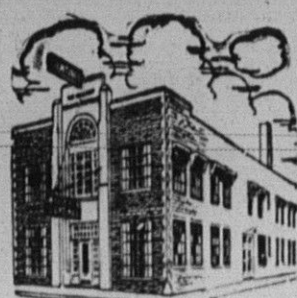

Tickets for the production, both reserved and general admission, are on sale Saturday at Baker Book House. No tickets will be sold at the Civic Center office.

**MARCH OF DIMES** — The annual Mothers March meeting was held in the Civic Center on Thursday (Jan. 15) for the march to be held from Jan. 22 to 29. Mrs. Robert Ryzanica, Mothers March chairperson conducted the meeting and Mrs. Irvin De Weerd showed a film, "Now That April's Here." There will be 600 marchers canvassing the Holland area during MOD Week. Above are some of the local captains for the event, (left to right, seated) Mrs. Richard Overkamp, Mrs. Larry Barret, Mrs. Ryzanica and Mrs. Carlton Brower. Standing (left to right) are Mrs. James Chamness, Bea Pauze, Cal Prince, general MOD chairman and Mrs. Harvey Nyhof.

## Sunday School Lesson

"The Call to Mission"  
Text, Matthew 9:35  
through 10:1, 16-20 and 40-41  
By C. P. Dame

Jesus had a deep sense of mission. He was sent by the Father. He was a sent person. He tried to impress upon his disciples that as the Father had sent Him, so He was sending them. This lesson portrays Jesus ministering and training.

I. Jesus had a threefold ministry. "And Jesus went about all the cities and villages" — note the word "all." Jesus taught his hearers about his Father. His teachers had failed them. And Jesus preached about the kingdom of God — the kingdom in which God's rule prevails and his will is done. Jesus was both teacher and preacher. Both are important. Jesus used the synagogues and at times preached in the open air. In addition, Jesus healed "every disease and every infirmity." Jesus ministered to the whole person.

Note the motive. "But when he saw" — what did the eyes of Jesus see? The heart moves the eye. Jesus saw people, a multitude of them but he also saw individuals. What Jesus saw moved him to compassion. He saw the masses and they made him think of wandering, uncared for sheep, shepherdless, without some one to lead them. No leaders were around.

II. Jesus called and trained workers. "Then he said to his disciples." Jesus shared his feelings. His compassion made him talk. Jesus saw a fact — the harvest is plentiful and another fact, "the laborers are few." The Lord told the disciples to pray that the Lord may send out workers.

After the Lord had chosen twelve apostles he called them and "gave them power." The Father had given all power to the Son, now the Son gave power to the apostles to cast out unclean spirits and heal "every disease and every infirmity." Has the church lost this power? Discussion is in order.

The realistic Jesus told them about future opposition. He was sending them as sheep among wolves — on a dangerous mission and hence they were to be "wise as serpents and innocent as doves." Jesus warned the disciples of the future persecutions. And they came. First the Jews troubled them and then the Gentiles. Note the assurance Jesus gave them. The Holy Spirit would give them the right words to say.

III. Jesus' messengers represent him. "He who receives you, receives me and he who receives me receives him who sent me." Consider the honor Jesus gives to his representatives. To reject his representatives is tragic. Take note of the close relationship between Jesus and his messengers. Jesus mentions the prophets first and then a righteous man — all are what they are due to their relationship with Jesus. Commitment to him counts.

Attending were Nelvia Vander Veer, Billie Dye, Beulah Siegers, Irene Johnson, Frieda Schroeder, Helena Van Bragt, Gertrude Schipper, Segs and Myra Beltman, Blanche Chadwick and Katherine Catlett.

## Kandu Prospects Good As Prime Manufacturer

Reiterating the theme that 1975 had been a difficult year for Kandu Industries Inc., as well as the country, speakers at the annual dinner meeting of the Holland and Grand Haven sheltered workshops addressed themselves to the bright prospects for 1976.

Approximately 130 parents of Kandu clients, board members, staff and special guests met at Zeeland Christian Schools to review the year and elect new board members.

Elected to serve three year terms were John Bodine, Jet La Barge, Marion Sherwood, Bob Stevenson, Dick Swaney and Dale Wyngarden.

Board President John Van Eenennaam recognized the contributions of board members whose terms expire including Ruth Van Duren, Don Irlman, Milt Beelen, Lee Barker, Cliff Crocetti, Carl Noe and Leonard Zick.

Dave Steenbergen, director of client services, explained that Kandu still had not fully recovered from the March layoffs. Steenbergen stated that competitive employment is Kandu's goal for all clients and expected 1976 to be a good year in that direction.

Director of contract procurement, Roy Sullivan, ex-

plained that 1976 will be a major breakthrough for Kandu who had worked on the project. "We expect to manufacture several redwood products including window boxes, planters and, in the future, bird feeders and bird houses. We have talked with several people and it's encouraging. Many people in Western Michigan are watching."

"Our quality is excellent. We made windmills to sell on Windmill Island last year and this year we have requests from other places and are now making ten times as many," Sullivan continued.

Finance Director Jim Beall noted that due to the recession and layoffs in 1975 Kandu lost \$7,000 and thanked local manufacturers for their sub-contracts as well as donations.

Board treasurer Arch Miller said Kandu expected to pay off the mortgage on their Grand Haven facility in 1976.

Van Eenennaam reviewed the growth of Kandu from a \$400,000 budget in 1975 to a projected budget of \$500,000 in 1976 and from assets at the beginning of \$96,000 to \$225,000. Kandu has a total staff of 35 and serves approximately 150 clients.

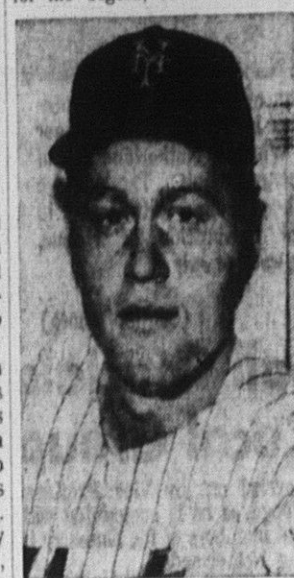

## NOSE Tips

By Leo Martonosi

**Tigers Will Surprise**  
In January the Detroit Tigers are world beaters. But for the past two seasons they have been doormats and should change that image in 1976.

At the 17th annual Tiger Press Day Tuesday at the Holiday Inn East in Grand Rapids, you couldn't help but come away fired up. Lots of times, at these things you feel just the opposite but not this year.

The rebuilding days are over for the Tigers, at least in the

Rusty Staub  
... new Tiger outfielder

opinion of manager Ralph Houk and Jim Campbell, general manager.

Players on hand Tuesday were newly acquired Rusty Staub, Milt May and Dave Roberts. The 1975 Tiger Rookie of the Year Vern Riffe was present as were minor league hopefuls Dave Rozema and Fred Swanson.

"We feel that Tiger Stadium was made for Rusty Staub and in getting May, we added another good bat and left-hand-er at that," said the always pleasant Houk.

"I'm still picking Boston as the team to beat and who knows, we could surprise, just by having two players come through like Jim Rice and Fred Lynn did for Boston, and we could be right up there too," continued Houk.

On Alex Johnson, who had his problems elsewhere, Houk feels fortunate in getting his mean bat in the Tiger lineup. "I can tell you this, when I managed against him, I always hoped he wouldn't be in the lineup," insisted Houk. "He's either going to play left field, be our designated hitter on occasion or pinch hit."

Houk plans on not only using the American League's top designated hitter Willie Horton in that spot again this year but will also play Horton some in left field.

Danny Meyer will get another crack at first base and Mickey Stanley is again in the picture as the centerfielder or as an utility player.

"Mickey will definitely see a lot of action for us this year," Houk replied. "He understood his position with us last year—playing the kids but this year, we're going to have some fun and win some games."

May may be the regular catcher but Houk still plans on using Bill Freehan behind the plate, at first base if necessary and as the designated hitter.

When ace reliever John Hiller was stricken with an arm injury, the Tigers went downhill. Houk expects Hiller to regain his all-star pitching form in 1976.

"If we were fighting to get out of the basement last year, I could have used him in September but what was the use of taking a chance at that time?" Houk said. "During that time he was throwing as well as ever and I don't foresee any problems."

You almost have to have a law degree to be a general manager in professional sports now, as baseball is involved in the courts over the reserve clause and there has been some talk of a possible strike.

"Naturally we hope to start spring training on time and both sides — management and the players will have to give a little if we do."

"The game belongs on the field, not in the courts," quipped Campbell.

Both Campbell and Houk indicated that they didn't think that their No. 1 draft choice Steve Kemp from USC, would make the big club this season.

"When he signed, some people thought that we signed him to a major league contract but that just wasn't the case," explained Campbell.

Campbell wouldn't review how many Tigers have inked to date, just saying that they don't announce those things anymore. If this means anything, not one of the players on hand have signed.

All of the players admitted that they along with management would have to give a little, if spring training was to start on time.

"Listen, baseball is our life and that's what I want to do, play ball, no way, do I want to see us strike," stated the friendly Staub.

Staub, who makes his home in New Orleans, admitted that being dealt to the Tigers from

the Mets was a big blow to him but you just have to make the best of it.

"I was disappointed when Montreal traded me to New York and felt the same way about the Detroit deal but you have to adjust and that's what I plan on doing," he commented.

Make no bones about it, Staub doesn't figure on the Bengals finishing last this year. "Hey, we aren't a last place ball club. We only traded one starter—Lolich and in return got a starting catcher, starting outfielder and starting pitcher and if that's not improving yourself, I don't know what is," sighed Rusty.

Roberts and May, who came from Houston, are both Fellowship of Christian athletes.

In fact, Roberts gave his testimony to Roger Kuiken, West Ottawa correspondent.

Said Roberts, "Jesus Christ means everything to me and it was the Lord's will that I would be in Detroit and I plan on making the best of it."

May, a spitfire image of Pittsburgh Steeler quarterback Terry Bradshaw figures he will have to beat out Freehan to be the No. 1 Tiger backstop.

"It's always been that way and I don't think it will be any different in Detroit," said May. The newest Tiger scout, former pinch — hitting great Gates Brown is looking forward to his post with the club but admits he's going to miss not playing.

"I won't be the same — not playing but it's a great opportunity for me and I hope to make the best of it," Brown stated.

The 1975 Tigers were shutout 22 times, a league high and scored the fewest runs in baseball but with the addition of Rusty Staub, Milt May, Dave Roberts and others, the Bengals will rebound in 1976.

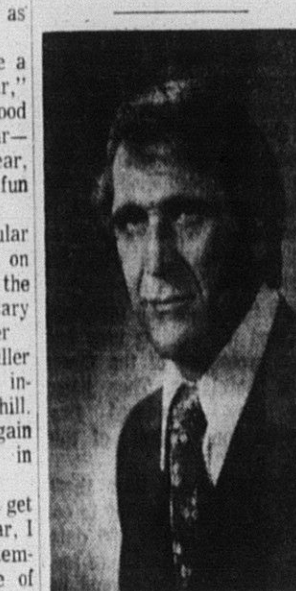

## Birthright Has Volunteer Meet

Birthright of Holland held its first volunteers meeting of 1976 at Holiday Inn Tuesday noon. Tara Romano, president, led the informal business discussion.

Among topics discussed were fund raising, new means of advertising, and public showing of the Birthright film, "Pregnant, Need Help?"

Also discussed was the necessity of finding new office space since present space in the Community Action House will soon be needed by the Community Action group.

Nominations for new board of director members were discussed. The spring Volunteer and Board of Directors meeting will be held Tuesday, March 23, at Harderwyk Christian Reformed Church.

## Local Students To Spend Week In Washington

Three Holland Christian High School students have been accepted as participants in the Presidential Classroom for Young Americans 1976 Senior High School program.

Laurel J. Steenwyk, Sharon J. Rozeboom and D. Steven Gunnink each will spend a week in Washington, D.C., joining high school students from all parts of the country in seminars and discussion groups led by key Washington officials. Past speakers have included senators and congressmen, Supreme Court justices, cabinet secretaries, White House staff, ambassadors, members of the news media and representatives of many Federal agencies.

Equally important, according to past participants, is the opportunity to exchange ideas and points of view with their peers from other areas.

Since its inception in 1968, the nonprofit, nonpartisan Presidential Classroom has hosted more than 11,000 students in the capital. The program is designed to promote greater understanding of the federal government through personal contact with its institutions and leaders.

Gunnink, son of the Rev. and Mrs. Jerrien Gunnink, 409 West 35th St., will be attending Class 5, Feb. 14-21. Miss Rozeboom, attending Class 4 from Feb. 7-14, is the daughter of Mr. and Mrs. Calvin G. Rozeboom, Miss Steenwyk, who lives with her brother and family at 409 West Lakewood Blvd., will attend class 3 from Jan. 31 to Feb. 7. She is the daughter of the late Mr. and Mrs. Henry Steenwyk.

## Russell R. Frehe Succumbs at 83

## Ottawa County 4-H News

By Willis S. Boss  
Ottawa County Extension 4-H Youth Agent

Many of the achievement dates have been set. The Coopersville District style judging will be on March 11, with Achievement Days March 19 and 20. The Holland area judging will be March 16 and Achievement Days March 22 and 23 at the Holland Civic Center. The Zeeland area judging will be March 25 and Achievement Days March 26 and 27. The Grand Haven area style judging will be March 24 at the County Building and Achievement Days, March 29 and 30 at the Grand Haven Community Center. Both the Jenison and Hudsonville Achievement Days will be held on April 9 and 10. We have not confirmed the dates for style judging in those two areas. Two of three Charm School dates have also been set, the first one Feb. 24 at the Zeeland High School gym and the second Feb. 26 at the Coopersville Junior High School gym.

Distribution of 4-H calendars for '76 will be within the next week. This year the amount of calendars was cut in that only three businesses sponsored the program. The Grand Valley Redi-Mix Co. has supplied calendars for the Grand Valley area; Baas' Menswear for the Grand Haven area, and the Peoples Bank and Trust Co. of Holland for the Holland area.

The 5th grade class of Herb Vander Ploeg at Beechwood School in Holland completed their forestry projects recently as part of the 4-H school conservation program. This past week we evaluated their projects and the following students received county honors: Dan Nicely, Russ Richardson and William Rackow.

Following are the official horse judging clinic dates: Jan. 24, the Gerrit Berens farm, Barry St., Hudsonville; Feb. 7, Bart Gooding's Rockin' G Ranch, Fennville; Feb. 21 at Rena Hills farm, Nunica. The date of Jan. 26 originally scheduled for the horse bowl, demonstration and public speaking clinic has been cancelled and another date will be set for February. The change in date is due to the Horse Jamboree being postponed to the third week in April at Michigan State University.

The Ottawa County 4-H Council and the Foundation will be coming out with a plat book around Feb. 1 which will be a centennial edition featuring the plat maps of 1876 along with the plat maps brought up to date for 1976. The 4-H Council sold the advertising in the books to offset the cost of printing and publishing; the profits will be the money-making program for the next three years. The Council hopes to make enough to put approximately \$1,500 to \$2,000 into the program each year for the next three years. Anyone who would like a copy of the new plat book can write to the 4-H Office, County Building, Room 101, Grand Haven, Mi. 49417.

Several local donors will be honored during the month of January for contributions to the Michigan 4-H Foundation. A plaque was presented to Bill Bass, the 4-H Youth Agent, to Mrs. John A. Williams of Jenison on Monday. Mrs. Williams received the plaque on behalf of the Veterinary Women's Auxiliary which gave a donation to 4-H to further the 4-H Leader Dog Program.

The continued expansion of local 4-H programs ties into the Michigan 4-H Foundation and the entire 4-H program participation through the contributions.

The Michigan 4-H Foundation owns and operates Kettunen Center, the 4-H leader training facility near Cadillac. It also serves by conducting many of the 4-H activities and events and programs on a state level.

The Ottawa County 4-H Foundation which is formed and has a board of directors and the necessary papers to be incorporated has also been established and during the past month Archie H. Easton presented a check in the amount of \$1,000 to the County Foundation, in memory of Mr. and Mrs. William B. Easton and Edwin S. Harder who were owners and operators of the Maplewood Farm in Ottawa County for approximately 40 years in the early 1900's. This money is designated to be invested and the income from the principal to be used to promote the 4-H dairy program in Ottawa County. Mr. and Mrs. Easton will receive recognition for their contribution at a later date. The Ottawa County 4-H Foundation campaign and drive for membership as well as to solicit funds will be done later in 1976.

Plans were discussed for an open house for benefactors of the Museum, donors of artifacts and members of the Society. Invitations will be sent.

Among articles already received are a parlor stove, donated by Mr. and Mrs. Arie Lemmon, and a Zeeland-made Star sideboard from the Ben Kollens. A descendant of Anthony Baert, Miss Madeline Holmes contributed his rare red and gold plush Victorian love seat. Six dining chairs will be received from the Chick-Owa Sports Club, and the 1900 bedroom suite by Wolverine will be moved from Mrs. Masselink's home shortly.

Three consultants have been added to the museum project. Mrs. Cynthia Kollen will oversee furniture selection and room decoration, based on her wide experience in the antiques field. Ray Wilkes, senior designer for Herman Miller, oversees the entire project and makes final decisions on restoration questions. He has experience in London, and in a family project in Rhode Island.

Don Marek of Grand Rapids has been added as a museum specialist. He is a student of folklore, and authored a recent Grand Rapids Press article on the Veneklasen brick homes. He has museum experience at Indiana University, and will assist in assembling shows. He is also working to complete his studies of the Veneklasen houses, which are only found in the Zeeland-Holland area, and east toward Grand Rapids.

## Six Entrants for 1976 Nurse of Hope Event

What makes a nurse special? It's qualities like concern, intelligence and service. On Feb. 6 these qualities will be in sharp focus as six graduate and student nurses seeking the title of Nurse of Hope for the Ottawa County Unit, American Cancer Society, participate in the unit finals of this year's program.

According to Esther Versendaal, R.N., chairman of the unit program and public education chairman for the unit's board of directors, the final selection will be made at a special program in the unit's new office at 211 Lincoln Ave., at 8 p.m. The entrants include:

Dianne Vannette, 19, daughter of Mr. and Mrs. Paul Vannette of 490 Central Ave., a student at Blodgett Memorial Medical Center and a 1974 graduate of Holland Christian High.

Debra De Vree, 18, daughter of Mr. and Mrs. Erwin De Vree of 1473 Ottawa Beach Rd., student at Butterworth Hospital School of Nursing and a 1975 graduate of West Ottawa High School.

Pat Ensing, 19, daughter of Mr. and Mrs. Elmer Ensing of 249 Woodlawn Ct., Zeeland, a student at Bronson Methodist Hospital School of Nursing, Kalamazoo and a 1974 graduate of Zeeland High School.

Kristina Wilson Barber, R.N., director of nursing at Glenwood Christian Nursing Home in Lamont, a 1970 graduate of Butterworth Hospital School of Nursing, who was named Michigan Student Nurse of the Year in 1968.

Jan Kieft Vander Kolk, of Jenison, a student in the Grand Rapids Junior College associate degree in nursing program and a 1959 graduate of Grand Haven Senior High.

Marjorie Balder Potts, LPN of Coopersville, employed at Glenwood Christian Nursing Home in Lamont, a 1967 graduate of the Pine Rest School of Nursing and a 1947 graduate of Coopersville High School.

In noting that three of the entrants are mature women, including a career nurse and two who have entered or are entering the profession after devoting time to home and children, Miss Versendaal, stated that a two minute talk on cancer, plus personal interviews by the judges are included in the requirements for selecting the county unit's Nurse of Hope.

Miss Versendaal also has announced the judges for the contest which includes the following: Dr. Derick Lenters of Holland, representing the professional members of the unit's board of directors; Marilyn Gustafson, the current Nurse of Hope; Bill Gargano, manager of Holland's radio station WHTC, representing the news media; Phil Sturdevant, speech and drama teacher at West Ottawa Senior High; Mary Dwyer, N., Theodore Vander Veen, M.D., board member from Grand Haven and Richard Roberts, R.N., professor of surgical nursing at Grand Valley State College.

The Nurse of Hope program is an activity of the American Cancer Society to spotlight the hopeful aspects of the war on cancer. Winners of Unit Nurse of Hope programs will enter a statewide program to select Michigan's Nurse of Hope. Scholarship awards of \$200 for the winner and \$100 for the runner-up are made by the Ottawa County Unit. The state award is \$400, and is to be used for the nurse's education, either undergraduate or postgraduate.

## Seek Federal Permit For Dock in River

DETROIT — H. Kirke White Jr., route 1, Hamilton, has applied for a federal permit to construct a pier and piles in the Kalamazoo River offshore property at 860 Newnham St. 400 feet northeast of the intersection of Newnham and Lucy Sts. at Saugatuck.

The proposed wood pile and timber pier would extend about 30 feet into the river for dockage of private boats. Persons objecting must file written protest no later than 4:30 p.m. Feb. 8 with Detroit Corps of Engineers, Box 1027, Detroit, 48231.

## Okay Office Moves At High School

The Holland Board of Education at a two-hour meeting Monday night approved some shifts at the east unit of Holland High School to provide more counseling space since the original space was reduced for offices for the athletic director and director of Community Education.

The director of vocational education, co-op coordinators and special need coordinator offices will be moved from the library and administration building to a vacant room in Montello Park elementary school.

The director of Community Education will move from the east unit office suite to space in the high school boiler room building which will be converted to office use.

Within the high school operation, the director of physical education and athletics will move from the east unit office suite to the office area in the library and administration unit. All moves can be accomplished with a minimum of expense. An amount not to exceed \$2,000 was allocated for remodeling in the boiler building.

The board spent considerable time discussing a new policy time discussing a new policy manual for school district purchasing and accepted the report for study. Among the requirements are competitive bids or quotations on all items or groups of items costing \$2,500 or more, and sealed competitive bids on all items or groups of items costing \$10,000 or more.

Approval was given a grievance procedure as drafted under title IX involving sex discrimination in hiring.

The board will return to one meeting a month instead of two meetings which have been held since July. The regularly scheduled meeting will be on the third Monday of each month. The third week was selected because of convenience to access of financial reports.

Attention was called to a public hearing on vocational education and its statutory responsibilities Thursday at 7:30 p.m. in the Kalamazoo Valley Community College.

The board was informed by the Ottawa Area Intermediate District that as the result of a special hearing Jan. 8, the application of Mr. and Mrs. Carl Langejans to transfer to Hamilton district was denied.

A workshop for school board members and administrators will be held Feb. 7 in the Harry Hill High School in Lansing. Career Education Materials for the public schools were reviewed by Pamela Wiltse, Cheryl Meyer and Martha Wolman, with emphasis on self awareness, job awareness and self development. Some of the materials also are geared to the forthcoming vocational school on the high school level. Dr. Richard Rust, assistant superintendent-curriculum, said it is the aim to "infuse" career awareness throughout the general program, not to teach it as a separate subject.

A recommendation for a contract with Elzinga and Volkens for Construction Management in connection with a new junior high school was tabled until such time as formal action is taken on architects' contracts.

President Charles Bradford presided and Carroll Norlin gave the invocation. All members were present.

## 237 Donors At Holiday Blood Clinic

A successful holidays blood clinic was sponsored by the Holland Jaycees at the Civic Center on Dec. 29. The group was in charge of publicity for the clinic and assisted in unloading and reloading the Red Cross Bloodmobile from Lansing.

A total of 237 units of blood were donated at the clinic with 269 volunteers, 32 of whom were rejected for various reasons.

According to Janet Cuperus, Ottawa County Red Cross Blood Director, their promotion resulted in 26 first-time donors. New donors are always needed to replace people no longer able to give, due to age limit, surgery, medication or other reasons.

The following gave blood for the first time:

Walter Bosma, Jr., William Bradford, Toni Brink, Karen Brown, Jon De Haan, Kathleen Dunning, Deborah Hyma, Ronald Immormino, Darrell Koopman, Calvin Kuipers, Frank Lieveense III, Earl Long, and Barbara Masselink.

Other first time donors are Dianne Overway, Barbara Paul, Garry Polinsky, John Reck, Nancy Shilander, David Silva, Mark Smith, William Stumpf, Jeffery Ten Hagen, Michael Ter Vree, Robert Voss, Carole Walters and Keith Zuber.

A seven-gallon donor pin and card will be presented to Benjamin Zuverink. Five-gallon donors are Florence Hall and Peter Ron; four-gallon donors, Marjorie Cooper, Ethel Wise, Ramon Schutt and Paul Van Loo and three-gallon donors Oriel Bowie, Charlene Van Dyke, James Brake, Robert De Weerd, William Doust, John Lappinga and Stanley Sprick.

Two-gallon donors include Hilda Kievit, Florence Veen, Edward Vanden Bil, John Van Kley Jr., and Gerben Walters, and one-gallon donors are Brian Bakker, Martin Cleypool, Brian Kleijns and William Powers.

According to Mrs. Cuperus, all future clinics in Holland will be held for two days, which she hopes will curtail long waiting periods for donors. The next clinic here will be in the Civic Center on March 1 from 1 to 7 p.m. and March 2 from 12 to 6 p.m.

## Bangor Tops Saugatuck

SAUGATUCK — Bangor defeated Saugatuck in a non-league basketball game Thursday night, 66-56.

The Indians were ice cold from the field, as they made only 22 per cent of their shots. Bangor hit on 36 per cent.

Skyler Morgan gunned in 22 markers for the winners while Doug Forrester and Larry Smith were high for Saugatuck with 14 and 10 points.

Smith pulled down 18 rebounds and Mike Jones 14 as the Indians outrebounded Bangor, 47-45.

Bangor had quarter leads of 19-14, 34-26 and 47-40.

## Victory Puts Holland In First Place

By Leo Martonosi

Instant pandemonium. You'd have thought it was New Year's Eve at State and Madison in Chicago, the way the Holland High pep band cut loose, after the Dutch took over sole possession of first place in the Big Seven by trimming previously undefeated St. Joseph, 70-61 here Friday night.

Director Carl Dephouse's band rocked the roof and the biggest home crowd of the season danced in glee as the Dutch are now one-half game ahead of the Bears in the conference.

Holland is 5-1 in the loop and St. Joseph 4-1. Coach Don Piersma's five has now won its last seven tilts and is 8-1 for the winter. Coach George Gaund's Bears are 8-3 overall.

It was the biggest game in years for the Dutch and even though this is Holland's first year in the Big Seven, Gaund said that his team knew this was a very important contest and his Bears were ready.

"The race is going to be a dog fight now," claimed Gaund.

Over in the jubilant Dutch lockerroom, the fellows were

Schrotenboer led the way with 10 points. Lawson and De Young followed with eight and six respectively.

With Schrotenboer and Van Wylen going bananas in the third quarter, the Dutch hit on 67 per cent of their shots to grab a stunning 32-39 advantage.

Even Piersma was jumping up and down with glee, as his club couldn't play much better.

After leading by 18 points on two occasions, 58-40 and 68-50, St. Joseph made the final score much closer than it actually was in the final two minutes.

Holland's aggressive man-to-man defense did an excellent job in holding the Bears leading scorer — Dale Wright to only one field goal. The 6'5" Wright carried a 15.5 per game mark into the tilt.

In the battle of "picks," Holland ended up with a blistering 58 per cent clip from the field (27 of 46). St. Joseph took 18 more shots but hit on only (26 of 64) for 40 per cent.

The Dutch also used the free throw lane to their advantage, as they were 10 of 10 in the first half (Schrotenboer was six of six) and finished the night with 16 to 22 totals.

Schrotenboer grabbed 12-of-Holland's team high 30 rebounds. Van Wylen mustered 12. St. Joe had only 19 team caroms.

Four of Holland's starters reached double figures. Schro-

tenboer led the way with 20, Van Wylen had his varsity high with 15, De Young threw in 13 and Lawson added 12. Henry Follman was high for St. Joe with 17 counters.

Senior substitute forward Jay Peters missed his second game for Holland because of a knee injury.

Holland's fine reserve team failed to keep pace with the varsity as St. Joseph snapped Coach Don Johnson's four game winning streak, 74-53.

Kevin Beerthuis and Joe Stille led the Dutch with 15 and 12 points in that order. Holland is now 6-3 for the season.

Portage Northern, the only team to defeat the Dutch, will visit Holland next Friday.

Holland (70) — Lawson, 6-0-12; Van Wylen, 7-1-15; Schrotenboer, 6-8-20; T. Borgman, 2-0-4; De Young, 5-3-13; Molenaar, 1-2-4; Petersen, 0-2-2. Totals 77-57.

St. Joseph (61) — Benford, 8-0-16; Collier, 4-0-8; Wright, 1-0-8; Follman, 8-1-17; Ziebart, 2-1-5; Tinberg, 1-0-2; Ross, 0-1-1; Weber, 1-0-2 Klein, 1-0-2. Totals 26-9-81.

NO HEAD! — While it might appear that Dave Van Langevelde (33) of Holland Christian is messing with River Rouge's Ken Blackwell's (32) head, he is actually just going for the basketball. The tough Panthers defeated the Maroons, 66-55 in Civic Center Friday night.

## Mighty River Rouge Runs Past Maroons

By Rich Wolters

River Rouge got its express rolling Friday night in Civic Center, defeating Holland Christian's basketball team, 66-55.

In raising its season record to 8-3, Rouge appeared ready for its annual strong drive toward tournament time. According to reserve team coach D. Smith, this was one of the best games the Panthers have played this season.

Christian Coach Dave Vander Hill elected to go with a zone defense, which can be effective against teams which like to run, and anyone who has followed River Rouge through the years, knows this is one thing Lofton Greene's clubs love to do.

The ease in which the Panthers beat the zone was perhaps the most impressive part of their win. Rouge moved the ball with exceptional quickness, and would eventually break someone loose under or near the basket for close-in shots. Christian, on the other hand, spent much of the night firing from long range.

The teams traded baskets in the first quarter, which found the game tied at 2, 4, 6, 12, 14 and 16 before Lionel Reeves gave the Panthers an 18-16 quarter edge.

Rouge notched the first six points of the second period, and Christian never got closer than six points the rest of the game. If there was a turning point in the game, it had to be early in the second quarter when Dave Van Langevelde picked up his third personal foul, and had to sit out the final five minutes of the half.

At the time the Maroons were only down by a six point margin. Rouge stretched its lead to 34-24 before settling for a 36-27 halftime advantage.

Hopes for a Maroons comeback quickly disappeared when Rivers put in the first two

fensive steals for Allendale. Dean Kordorn was tops for the Grand Rapids team netting 22 points.

Tuesday, the Falcons will challenge Lee at the Allendale gymnasium.

Rogers defeated West Ottawa's varsity wrestling team Thursday, 39-17.

Coach Karl Nadolsky's Panthers are now 1-6 for the season.

The Panther reserves lost, 48-30.

The summary: 100 pounds — Randy Underwood (R) dec. Tim Field, 13-1. 107 pounds — Dave Kleis (WO) dec. Wayne Nichols, 8-0. 114 pounds — Bruce Hexel (R) dec. Sam Swartz, 9-1. 121 pounds — Dan Bour (R) dec. Ernie Mascorro, 14-1. 128 pounds — Dave Harper (WO) dec. Bruce Christianson, 10-0. 134 pounds — John Figueroa (R) dec. Bill Swartz, 5-1. 140 pounds — Frank Swartz (WO) pinned Jim Stewart. 147 pounds — Steve Barton (WO) dec. Tom Britton, 3-1. 157 pounds — Dan Carrol (R) dec. Wayne Walker, 12-2. 169 pounds — Frank Sherrad (R) pinned Rod Yonker. 187 pounds — Jeff Klomparsen (R) dec. Dave Barton, 4-1. Heavyweight — Jeff Talsma (R) won on forfeit.

At the end of the third quarter the Panthers were behind by a rather wide margin 17-6. Perhaps the only grain of hope, the Panthers had to go on was Jim White who had the most points for W.O. shooting 9-3-21, but would later foul out in the fourth quarter.

At the end of the second quarter the score was still in favor of Grandville by a much greater margin of 41-25.

The third quarter began and any hope the Panther fans could of had would soon diminish except for one bright spot that began to appear on the horizon as Marky Kleine and Jack Barrett began an attempt to regain lost points. The horrendous difference in the score

at the end of the third would tell the story as West Ottawa was trailing 62-35.

By the end of the ball game the Panthers were tamed down to even less than pussycats. Final score was 82-57.

The reserve team did not do so poorly as they only lost 74-56.

The Panthers will host the only team they have beaten, Rockford, next Friday.

West Ottawa (57) — Haltenhoff, 2-0-4; Klein, 2-3-7; Weststrate, 1-0-2; White, 9-3-21; Barrett, 4-4-12; Van Dyke, 0-2-2; Vander Ploeg, 2-3-7; Vandenberg, 1-0-2. Totals 21-15-57.

## Bazan Sparks Chix To Easy Win Over Vikings

ZEELAND — The uncanny accuracy of senior forward Gary Bazan was instrumental in Zeeland's 78-57 O-K White Division basketball win over Wyoming Park here Friday evening.

Bazan played a fine defensive game as he held Wyoming's high scorer Bob McNeal to just eight points. — Bazan also led all Chix scorers with 22 points.

Helping out on offense was Dave Janssen with 15 points and Hugh Bartels with 13. Janssen grabbed 12 rebounds and Bartels eight.

"It was the most gratifying game this year as the boys put it all together," said Coach Norm Schut.

Ten fellows figured in the scoring as the bench kept the momentum going. The Chix led from the opening tip off with quarter scores of 16-12, 37-21 and 57-43, pulling away in the final period.

The Chix hit 51 per cent from

the field to 33 for the losers. Rebounds were pretty even with Zeeland holding a slim 44-43 margin.

Wyoming reserves came roaring back from a three-point halftime deficit to score 15 unanswered points at the start of the third period on way to a 71-49 win.

The Chix, still tied with Forest Hills, Northern for the league lead at 6-1 play next Friday at Kelloggsville.

400 freestyle relay — West Ottawa (Beckman, P. Nelis, Murphy, Reest). Time 3:28.8.

River Rouge (66) — Blackwell, 5-1-11; Pierce, 3-0-6; Reeves, 10-2-22; Boatright, 3-3-9; Campbell, 8-0-16; artin, 0-2-2. Totals 29-8-66.

At the end of the third quarter the Panthers were behind by a rather wide margin 17-6. Perhaps the only grain of hope, the Panthers had to go on was Jim White who had the most points for W.O. shooting 9-3-21, but would later foul out in the fourth quarter.

At the end of the second quarter the score was still in favor of Grandville by a much greater margin of 41-25.

The third quarter began and any hope the Panther fans could of had would soon diminish except for one bright spot that began to appear on the horizon as Marky Kleine and Jack Barrett began an attempt to regain lost points. The horrendous difference in the score

at the end of the third would tell the story as West Ottawa was trailing 62-35.

By the end of the ball game the Panthers were t
