NEW PLANT SITE—Shown is the site of the new Consumers Power plant now under construction at Port Sheldon. Work is progressing on clearing the site, pumping water out of the soil and laying a railroad supply line prior to actual construction of the main plant. According to Consumers Power

Company officials, the main power plant will cover an area 270 feet square and be the equivalent of a ten-story building, with a stack rising 300 feet above ground. Officials said that excavating will begin as soon as the underground water level is low enough to permit continuous removal of dirt.

Council Forestalls Attempt To Stymie Parking Program

An attempt by John Arendshorst of Holland to forestall development of a city parking lot on Seventh St. between Central and River Aves. received no support from City Council at its regular meeting Wednesday night in City Hall.

Arendshorst had written Council demanding an official count of the number of property owners filing written objections to the parking development, claiming that the project required the approval of two-thirds of Council. Arendshorst was one of several property owners voicing objections to the proposed improvement at a special hearing on special assessments Jan. 20. Council had approved the special assessment 5 to 4.

City Attorney James E. Townsend explained that Council had voted 8 to 1 in favor of the parking project following a public hearing Dec. 16, implying that this vote was well over a two-thirds majority, should procedure be in question. It was recalled that several petitions had been submitted at various times, both for and against the parking project, and some names had appeared on both petitions.

Townsend was of the opinion that a vote on approving special assessment rolls required only a simple majority.

Council unanimously approved resolution rejecting Arendshorst's request in view of legal advice.

Later in the meeting Council approved a recommendation of the city attorney to retain the services of Dickinson, Wright, Davis, McKean and Cudlip of Detroit as bond attorneys on the parking lot special assessment bonds.

In other business, Council referred two petitions seeking vacating of streets to the Planning Commission for recommendation.

One was filed on behalf of First Reformed Church, Myron and Mae Van Ark, Sena Plaggenmeyer and William and Helena Winter, requesting vacating of 27th St. from State St. to College Ave. for church and related purposes.

A public hearing on an application of Vans Inc. for a nursery potting house on its property on Michigan Ave. was not held because the request had been withdrawn.

Council unanimously passed a resolution approving the Maple Creek subdivision in Apple Ave. area. The subject, previously tabled, brought forth a letter from the Planning Commission approving the plat and a letter from the city engineer advising that the cost of improving streets in the subdivision in accordance with Ottawa County Road Commission specifications is estimated at \$800.

City Attorney Townsend reported on a partial settlement agreement worked out between the city of Holland and Fillmore Township on the annexation settlement.

He said \$7,109.77 which is in question on sales tax returns has been placed in escrow with the clerk of Allegan Circuit Court pending court determination in the matter.

The Library Board reported receipt of a painting "Desert Peon" from the Carl Hoermann estate. Council accepted it with thanks.

The Planning Commission submitted a report on a request from Vogelzang Hardware Co. to rezone 205 College Ave. from B residential to commercial. The commission recommended no change in zoning of the area at this time. Townsend said some zoning change in the area is included in the new zoning ordinance currently under study, but that the company's suggested plan for open air display of equipment would not be permitted under the proposed changes.

A report from the city auditor

informed Council that the Municipal Finance Commission has approved the application for issuing \$33,000 in paving special assessment bonds. Council approved a recommendation setting March 2 as bond sale date.

City Clerk presented an affidavit from Councilman Nelson Bosman in connection with the purchase of two microphones for Civic Center at a cost of \$122.

City Manager Herb Holt reported on valuable papers insurance, recommending that special insurance covering a value of \$20,000 be taken to cover valuable papers in City Hall; at a cost not to exceed \$150 for a three-year period. He was instructed to arrange for protection of valuable papers in City Hall, meanwhile extending the study to the protection of valuable papers in other departments not kept in City Hall. Protection of valuable papers currently is under extended fire insurance coverage.

The manager's recommendation to increase the city treasurer's bond from \$30,000 to \$50,000, provide an equivalent bond for the auditor and increase the blanket position bond from \$4,000 to \$10,000, adding further coverage for faithful performance, was tabled for further study.

Holt announced he will be absent from the city Feb. 4 and 5 attending the annual Manager's Institute at the University of Michigan in Ann Arbor. Clerk Clarence Greengood will act as city manager during this period.

A suggestion from Councilman Richard Smith for a study of additional street lighting on the bypass at such intersections as 24th, 32nd, Lincoln Ave., etc., was referred to the city manager with power to act. Further action empowered him to make a complete study of highway lighting, particularly on the new interchange.

Mayor Robert Visscher presided at the meeting which adjourned at 9:10 p.m. Proceedings were not broadcast Wednesday night because of the Hope-Calvin basketball game. All Councilmen were present. Councilman Henry Stefens gave the invocation.

18 Graduate In CD Course

GRAND HAVEN (Special)—Certificates were awarded Wednesday night to 18 persons of Grand Haven and Crocker Townships who have completed a five-week course in radiology and practical experience taught by David Scobie, Holland teacher, in connection with Civil Defense.

The ceremony was held in Grand Haven township hall. William Kennedy, Allendale supervisor and chairman of the traffic safety and Civil Defense committees of the Ottawa County Board of Supervisors, awarded the certificates.

Grand Haven Township has three Geiger counters which can determine the extent of fallout in case of nuclear bombing.

Meetings were held weekly. Instead of the two-hour course, sessions usually lasted 3 to 3½ hours. The group was the first in the county to complete the course.

Pleads Guilty

GRAND HAVEN (Special)—Dennis Wayne Stegenga, 17, of 14 East Sixth St., Holland, who was arrested by Holland city police Tuesday night in the act of taking money from the Edwin Raphael firm, pleaded guilty in Circuit Court this morning to a charge of nighttime breaking and entering. He was released on his own recognizance and will return for sentence Feb. 18. The youth waived examination on arraignment in Grand Municipal Court Wednesday afternoon.

Vander Hills To See Sons Play

The Rev. and Mrs. Lavern Vander Hill of Queens Village, N. Y., will get to see their sons, Warren and Jim, play basketball for Hope College for the first time next week. The Vander Hills will be in Holland next week while the Rev. Vander Hill, the captain of the Hope basketball team in 1929, conducts the Hope chapel services.

They plan to attend the game in Kalamazoo on Wednesday, Feb. 10 and probably will see the Hope-Adrian game in Holland on Saturday, Feb. 13.

It will be the first trip during the basketball season for the Vander Hills. Warren, a senior, is completing his fourth year on the Hope varsity while freshman Jim is beginning his Hope career.

Rep. Griffin To Address Republicans

Arrangements are being completed for the annual Lincoln Day banquet of the Ottawa County Republicans to be held Thursday, Feb. 11, at Van Raalte's in Zeeland, according to Mrs. Gerald Van Wyke, general chairman.

U. S. Rep. Robert P. Griffin of Traverse City, representing the ninth congressional district, will be the speaker.

The Congressman, 36 years old, represents an 11-county district. He worked his way through Fordson High School in Dearborn and Central Michigan University at Mt. Pleasant as a salesman, factory worker and news reporter. After completing requirements to become a high school teacher, he went on to law school at the University of Michigan where he served as an editor of the Law Review and graduated with honors.

He practiced law for six years in Traverse City and was elected in 1956 as ninth district representative. In Congress he was named to the important House committee on Education and Labor.

He soon became active on the legislative front. Perhaps the highlight of his first term (85th Congress) was his sponsorship and effective leadership in establishing the Federal Student Loan Program as part of the National Defense Education Act of 1958.

Reelected in 1958, he was named to the House Government Operations Committee. He retained his membership on the Education and Labor Committee and became ranking minority member of the Joint Subcommittee on Labor-Management Reform Legislation. Highlight during the 86th Congress was his sponsorship of the Landrum-Griffin Act, a bi-partisan labor-management reform bill which

passed overwhelmingly in both Houses during the closing days of Congress and became the first major law enacted in more than 12 years dealing with labor-management relations.

For his work in Congress, Bob Griffin was selected by the U. S. Junior Chamber of Commerce as one of the Ten Outstanding Young Men in the Nation for 1959.

During World War II, he served as an enlisted man for three years, spending 14 months overseas in Europe. He is married and has three sons.

Serving on the local ticket committee are Mrs. Bruce M. Raymond, Mrs. Wendell A. Miles, Mrs. Van Wyke and other members of the Republican executive committee.

The daughter born Feb. 3 at Holland Hospital to Mr. and Mrs. Ralph Lowry, 491 Central Ave., has been named Julie Ellen.

Shopping Center Set For Holland

Final plans were approved this week for construction of a new shopping center to be built on a site located on River Ave., near Douglas Ave.

According to an announcement made today by the developers, Warner and Gerrit De Leeuw, the new shopping plaza will be called Northgate Plaza and will be built on a site now occupied by the De Leeuw Lumber Company.

According to the De Leeuws, the new Northgate Plaza development will contain 60,000 square feet of retail sales area and will accommodate twelve different tenants. Entrances to the plaza will be off both Douglas and River Aves., and the proposed parking area is being designed to accommodate approximately 500 automobiles.

The present De Leeuw lumber and warehousing facilities will be torn down to make room for the new construction. The lumber company's new facilities will be built as a separate unit at the east end of the plaza, and the People's State Bank will open a branch office in a unit to be constructed at the west end of the plaza.

Other Northgate tenants will include Meijers Supermarkets, Inc., leasing 12,000 square feet, which is designed for expansion to 20,000 square feet. This will be Meijer's first market in the Holland area.

Architects for the new shopping project are the J. & G. Davenport Company of Grand Rapids, who currently are also designing several multi-million dollar shopping centers in San Antonio, Texas; Omaha, Nebraska; Cincinnati, Ohio; and in Iowa.

According to the architects, construction is expected to begin on the Northgate project within the next few weeks.

The De Leeuw brothers have been in the local retail lumber business for the past 12 years. They were associated in the business with their father, the late Warner De Leeuw, Sr., who passed away last spring. In making the announcement concerning the new shopping center, the De Leeuws stated that "the new shopping plaza has been designed and located to keep pace with the rapid industrial and residential growth in the Holland and Park Township areas."

While the boys and girls of Ottawa county enjoy a day's vacation Friday, their teachers will be gathering in Grand Haven to study activities within the classroom that will help the world understanding.

A coffee hour at 9:30 a.m. will precede the morning assembly at which Dr. Leonard S. Kenworthy, professor of education at Brooklyn College in Brooklyn, N.Y., will deliver the keynote address. Dr. Kenworthy has traveled all over the world and has written several books and pamphlets. He is a member of the U.S. Committee for UNICEF and an adviser to the Asia Society and the American Association for Middle East Studies.

Otto Yntema of Western Michigan University will be moderator at a panel discussion on "Looking at World Understanding." On the panel will be Metta J. Ross, professor of history at Hope College, assisted by foreign students from Italy, Iraq, the Netherlands, Thailand and Ecuador.

Students from other lands who will be present throughout the day are Chote Bejananda of Thailand, Western Michigan University; Italo Bertoni of Italy, at present of North Muskegon; Jon Wilhelmus Blom of the Netherlands Union High School in Grand Rapids; Julia A. Fernandez, exchange teacher from Chile teaching in Holland High; Gustavo Fierro of Ecuador Western Michigan University; Saad Nadir of Iraq, Western Michigan University; Prayag Rangisuta of Thailand, Western Michigan; Pong Suwanahada of Thailand, Western Michigan.

Warren Vander Hill's 33 points gave him 399 points in 14 games for a 28.7 average, the best in Michigan. Vander Hill also leads the MIAA with 226 points in eight games for a 28.2 average.

Ray Ritsema, held to 11 points, has now scored 307 points this season for a 21.3 average. He has scored 171 points in the league for a 21.3 mark.

Hope was credited with 49 rebounds and Calvin claimed 48. Bob Reid's parents saw their son play for the first time in Holland. They drove to Holland from Kenmore, N. Y., a Buffalo suburb.

Al Krachunas and Les Hjortas, both of Battle Creek and veteran MIAA officials, also officiated the Hope-Calvin game in Grand Rapids in December. They were busy as tempers flared at a couple of occasions.

Warren Otte knocked over Bill Vander Bilt for his fifth foul with 12 seconds remaining and the players were ready to go at it. But the officials quickly separated the pair.

Otte turned in another fine game and has a good future with the Knights. His rebounding and hook shots, well known to Holland Christian fans, were tops. Vander Bilt continued to impress the Hope fans with his rebounding. Although smaller than the Calvin rebounding trio, Vander Bilt did get his share and his 14 points were his best this season.

Al Vanderbush, Hope College athletic director was named today to the NCAA Midwest committee to select 23 all-star teams for the 1960 College Division Basketball tournament of the NCAA.

Vanderbush is one of seven serving in the Midwest. Harvey Chrouser of Wheaton College is the chairman.

The appointments were made by NCAA Executive Director Walter Byers in Kansas City, Mo. The eight NCAA regional tournaments will be held throughout the country March 3-5. The nine other teams to make up a 32-team field will be composed of nine conference champions.

Hope Nips Calvin For Second Time

HOPES HEROES—Senior Warren Vander Hill (left) and his freshman brother Jim (right) were the heroes of Hope's 84-80 win over Calvin College Wednesday night in the Civic Center. Warren scored 33 points including two baskets in the last minute while his brother Jim hit four baskets and led Hope's full court press with some fine ball stealing in the final drive. The younger Vander Hill, nicknamed Spider, was carried from the floor on the shoulders of many Hope fans who streamed on the floor following the win. Here the pair are talking to Hope Coach Russ De Vette.

De Vette Feels Hope Didn't Play Its Best Against Calvin

Coach Russ De Vette, who jumped three feet off the floor when the final buzzer sounded, felt that Hope's performance against Calvin Wednesday night in the Civic Center was its third straight spotty performance.

"We were fortunate to win against Alma and Calvin but we haven't played good ball in our last three games," De Vette said. "But," he added "in spite of Warren (Vander Hill) and Ray (Ritsema) being off we were able to come back and then when we really needed them they both came through." De Vette also praised the work of Jim Vander Hill on stealing the ball, Bob Reid and Bill Vander Bilt, in the late game drive.

Vander Hill made three baskets in the last three minutes, including two in the last 31 seconds after missing 16 times in the second half. Ritsema secured important rebounds and intercepted three passes in the last couple minutes.

The pressing Dutch again caused Calvin to foul in the late minutes. Hope made 10 of 12 free shots in the final 10 minutes, including three straight by Warren Vander Hill, four by Bill Vander Bilt and two by Ritsema. Bob Reid, the hero of the first game with his free shots, hit one of three.

Hope made 28 of 32 free shots in the game. Ritsema missed two the first half for the only misses. Calvin hit 26 free shots in 31 tries, including 17 of 19 in the second half.

Hope hit 28 baskets in 77 shots for 36 per cent, its poorest shooting in MIAA play this season while the Knights had 27 of 69 for 39 per cent. In the first half, aided by the lightning-fast start, Hope connected on 16 of 34 for 47 per cent and Calvin hit 13 of 41 for 37 per cent.

Warren Vander Hill's 33 points gave him 399 points in 14 games for a 28.7 average, the best in Michigan. Vander Hill also leads the MIAA with 226 points in eight games for a 28.2 average.

Dutch Win 84-80; Eighth MIAA Victory

Tearing a page from the script of the first game this season, Hope College's basketball team put on an amazing comeback in the final four minutes Wednesday night to stop Calvin College, 84-80 before 2,600-plus fans jammed into the Civic Center.

It was on Dec. 9 in the Grand Rapids Civic Auditorium, that Hope, behind by five points with four minutes to go, put on a drive which carried them to an 80-71 victory. The latest win gives Hope an 8-0 MIAA mark and leaves Calvin in second with 6-2.

The Dutch, who had seen an early game 14-point lead vanish, were trailing 78-68 with four minutes left. Then it happened and the Hope fans went wild. The Vander Hill brothers led the way.

Jim Vander Hill stole the ball and drove in for a layup. Warren followed with a basket and then Bob Reid stole the ball and moved in for two points.

Freshman Vander Hill again intercepted the ball and dribbled three-quarters of the court for another layup with 1:55 left and Hope trailed by two points.

Bill Vander Bilt was fouled and he sank two shots to tie the score with 1:42 left. Warren Vander Hill then fouled Len Rhoda, who became eligible to play this week, and Rhoda sank two free shots and the Knights were again ahead by two with 56 seconds left.

Warren Vander Hill, who had trouble hitting in the second half, sank a jump shot to tie the game 80-all with 31 seconds left.

Hope again got the ball and Vander Hill again bombed and the Dutch were two points up. Vander Bilt was fouled by Otte with 12 seconds left and the Oostburg, Wis., junior sank both shots for the four-point win.

During the rally Calvin never got the ball completely down the floor. Otte's basket that gave the Knights 78 points with 4:18 left was the last time the Knights were able to work the ball in for a shot. Hope's defense really worked then.

But in the second half, the Dutch defense fell apart as the Knights, trailing 47-35 at halftime, completely dominated the boards and the shooting and cut the lead and then with 15:25 left in the second half, Hank De Mols put Calvin ahead for the first time, 52-50.

They enjoyed leads of from three to 10 points until Vander Bilt tied the score. De Mols, who hit seven baskets in the second half, cleared 17 rebounds in the game. Otte had 10 rebounds and Bill Wotterstorf, who fouled out with 7:07 left, cleared 12 rebounds to control the boards.

This trio was working on Hope's Ray Ritsema and held Ritsema to three baskets, his lowest total in his four-year career. He was able to add five free shots for 11 points. Ritsema made three shots in 15 tries. He had 20 rebounds.

But while the De Mols and Otte defenders were busy with Ritsema in the closing minutes this allowed Jim Vander Hill to break away and get the ball.

Warren Vander Hill recorded 77 points in the game, his highest total at home this season. He hit 11 straight free shots and sank 11 of 34 shots from the floor.

He hit four baskets in the first ten minutes and was the big gun in Hope's early 17-3 lead which shrunk to 24-16 at the 10-minute mark. Hope scored the first 12 points of the game.

Vander Hill made three baskets in the last 33 seconds of the first half and had seven freethrows to lead Hope to its 12-point halftime bulge. He had seven of 14 from the floor in the first half.

But he went cold along with

Swimming Pool Report Received

School Board Gets Plan From Group

A report on the proposed \$230,000 swimming pool was received by the Holland Board of Education Tuesday night from the swimming pool sub-committee at the citizens committee meeting in the Holland High auditorium.

The board will now give further study and consideration on the plan presented by the group. H. Cobb Klaasen, chairman of the swimming pool sub-committee made the report.

The swimming pool will be included on the Feb. 23 bond issue which includes a new high school and improvements in the elementary schools.

Klaasen reported that the sub-committee made seven basic recommendations. They include:

1. (Standard size) — A pool 75 feet long by 36 feet wide is advised. This size fulfills requirements for maximum use and swimming pool regulations.
2. (Tiled pool) — If feasible from a cost standpoint, a tiled pool is recommended. However, the pre-cast, pre-stressed concrete pool has proven to be satisfactory.
3. (Spectator Area) — It is suggested that there be incorporated in the plans for the swimming pool collapsible bleachers accommodations for a minimum of 600 persons.
4. (Shower facilities) — Because of the mixed use of the pool showers by varying age groups as in family night, etc., it is recommended that the girls and women's showers for pool usage be individual or "modesty" type showers.
5. (Locker facilities) — The committee feels that we should have separate lockers for the pool and gymnasium so that we can best utilize the facilities of the pool for the entire community.
6. (Primary function) — The primary function of the swimming pool will be instruction. Therefore the pool will be made available first to the public and parochial schools of the city.
7. (Secondary function) — The secondary function of the pool will be recreation, therefore the pool will be available to the people of Holland whenever it is not used for instruction. To make maximum use of the pool it should be open evenings, Saturdays and vacations.

Subcommittees Report on New High School

At a two-hour board meeting which followed a two-hour citizens meeting, the Board of Education Tuesday night considered reports from subcommittees and made some changes in plans for a new high school on which property owners in Holland school district will vote Feb. 23.

In general, the program remains much the same as before with cost estimates of the new high school at \$24 million. A quarter-million dollar swimming pool will be a separate issue on the ballot. The overall program calls for bonds totaling \$3,638,000 which covers the new high school, swimming pool, renovation of the present junior high and high schools into a junior high unit, some needed improvements to elementary schools and site acquisition, and refunding \$138,000 in bonds for the Apple Ave. and Montello Park schools.

The board is adhering to its primary purpose of economy and flexibility in the proposed program. Only preliminary plans have been drawn to date. No finished drawings will be made until after financing is assured.

Brochures will be out early next week with factual information on the proposed school program. These will be distributed to homes by PTA workers and through other methods. PTAs also will work on a get-out-the-vote program on election day.

The high school program as generally approved by the Board of Education Tuesday calls for a unit plan arrangement in which additional units can be added later without expensive renovation. Plans call for two academic units for a total of 55 to 60 classrooms, geared to 1,200 students, an auditorium to seat not more than 750,

machine shop facilities, a gymnasium to serve the needs of ultimately 1,800 students, library, home economics and art units, service facilities for heating, kitchen and the like. The program also includes an item for developing the 42-acre high school site. The latter figure does not include development of an athletic field.

The flexibility factor in the general plan is such that many changes may be made as plans are developed, yet adhering to the main aims of maintaining a functional plant which can meet the needs of the future.

Board President C. C. Andraesen presided at the meeting of the citizens school committee with 74 persons present in the high school auditorium. As subcommittees submitted reports, he said all reports would be given consideration but that the final plan could not please everybody in every detail.

Clarence Jalving reported for the finance committee, briefly explaining the bond setup. Norman Wanger reported for the PTA committee, explaining that all PTAs are helping to finance the promotional campaign and work on getting out the vote.

Mrs. Bryan Athey, reporting for the auditorium committee, said in the best interests of the community and the school that a 2,000 seat auditorium be built with full stage facilities. The report added that if the financial setup does not allow such an auditorium, that one with 1,000 seats be considered. The board later approved a 750-seat auditorium, boosting the capacity previously considered at 600.

Jud Bradford, reporting for the site committee, said the group had toured school sites, particularly the 42-acre site on Van Raalte Ave.

running from 24th to 27th Sts. The committee felt this site did not meet full requirements of a long range program into the future, but approved the site, pointing out that in years to come a second high school development would have to be considered.

Russ Hornbaker reported for a school TV program, emphasizing that TV would never replace the classroom teacher but that the general school program could be aided and enriched by the use of TV techniques. Mrs. Robert Visscher explained present difficulties of carrying on an art program in limited space, and recommended a 1,700 square foot area for classrooms and work space for an expanding art program.

Dr. Clark Weersing reported for vocational programs and adult programs, recommending that both be continued and developed. Mrs. John K. Winter, speaking on summer schools, said the committee was favorably impressed by the 1959 summer program and the plans for the 1960 program. The report recommended a continued enlarged program, both on remedial subjects and for exceptionally talented students.

Harold Klaasen reported for the swimming pool committee, recommending a pool 75 by 36 feet with spectator area for 600. His report listed a general program for instruction which would be made available to the public and parochial schools, and for public recreation.

For publicity, Clare Walker reported for Chairman Harold Denig. He said brochures with factual information would be available early next week, financ-

ed by PTA funds. He said nine talks already had been given to PTAs and other organizations, and that a question and answer column on school questions would appear in The Holland Sentinel with answers provided through the publicity committee.

Answering a question by Norman Wanger, Walker said the committee was told by The Sentinel that their policy of a deadline on all public opinion letters will continue to remain in force.

This interchange followed criticism on public opinion letters and unanswered charges in connection with the Jan. 19 special sewer election which was defeated. Walker also aired several criticisms on progress to date in the school election and the administration's inability to answer certain questions. Supt. Walter W. Scott explained that at this stage, the school board is seeking to provide for the educational needs of the school district, and that all details have not been determined since recommendations from subcommittees were only being submitted at this meeting. But he said the board has every intention of answering all questions.

He said at the outset, the board carefully considered total needs of the district but concluded that a program of economy and flexibility would be the best answer. Accordingly, the school program was cut down to \$3½ million with millage not to exceed 4.75 mills on state equalized values in force since 1953 to provide Thomas Jefferson school. Following an open millage plan, the rate per year is expected to be even less. He added that school needs must continue to be evaluated in coming years.

Musical Dramatist Charms Birthday Tea Audience

A Broadway musical and a tea celebrating the birthday of the Club House was the double treat for members of the Woman's Literary Club Tuesday afternoon.

High spots in the hit musical "Flower Drum Song" were interpreted delightfully by Sullie Harand, musical dramatist, Chicago, who carried the audience with her to San Francisco and the love story of the Chinese contract bride.

Miss Harand succeeded in taking all the parts of the cast and adjusting her voice and actions to each role in making them come alive. She was accompanied at the piano by Dick Phillips.

Following the program, tea was served in the tea room which was attractively decorated with arrangements of pink and white carnations and tapers.

Mrs. Sidney Johnson and Mrs. David Hanson, chairmen of division 4 were in charge of the

tea. Assisting them were Mrs. Jud Bolhuis, Mrs. Charles Wajahn, Mrs. Harold Denig, Mrs. Edwin Mulder, Mrs. Lester Pool and Mrs. Henry Voogd.

Pouring were Mrs. Frank Lieve, Mrs. Otto van der Velde, Mrs. G. E. Bell and Mrs. Albert Van Lopik.

Mrs. Paul Felker, chairman of the Valentine dessert meeting next Tuesday, Feb. 9 at 1:30 p.m. reported on her completed plans. Tables of bridge, canasta and other cards will be played. The Valentine party is open to the public.

Mrs. Carl Harrington, club president, appointed as the nominating committee Mrs. Carl T. Ashby, chairman, Mrs. Harold De Fouw, Mrs. Frank Fleischer, Mrs. W. C. Kools, Miss Clara McClellan and Mrs. Robert Sessions. They will present the slate at the Feb. 16 meeting.

Girl Slightly Hurt As Car Strikes Pole

Mary Ann Essenberg, 16, of 412 West 20th St., was slightly injured when the car she was driving left the road at 1:30 a.m. today at the intersection of 64th St. and Ottawa Ave. and struck a utility pole, according to Ottawa County deputies.

Miss Essenberg was headed north on 64th St., deputies said, and failed to negotiate a curve when the crash occurred. Deputies charged her with excessive speed and failure to have her car under control. Damage to the 1959 model car was estimated at \$800, deputies said.

Allegan Man Sentenced On Tippy Driving Count

ALLEGAN (Special) — Frank M. Morse, age 47, route 3, Allegan, was arraigned before Allegan municipal judge Dwight Cheever Wednesday on charges of drunk driving.

Waives Examination On Bad Check Charge

ALLEGAN (Special) — A 41-year-old Caledonia man was arraigned in Municipal Court Wednesday on charges of passing a bad check to the Grange Store in Plainwell on January 23.

Laverne G. Sanford waived examination and Municipal Judge Dwight Cheever bound him over to circuit court on \$1,000 bond. Bond was not furnished.

Freezer Plan Case Ends in Guilty Verdict

GRAND HAVEN (Special) — After deliberating more than an hour, a Circuit Court jury Wednesday afternoon found the National Family Co-op of Grand Rapids of which Russell Ochsenknecht and Charles Thomas are co-partners guilty of substituting an inferior grade of meat in connection with a freezer plan contract.

Thomas, present owner of the company whose name reportedly has been changed to the National Family Discount Corp., now located in Jackson, will appear Feb. 18 at 10 a.m. for disposition.

The case involved a contract issued to Mr. and Mrs. Theodore Kragt of 408 East Lakewood Blvd., Holland. The Kragts said that the contract they signed, both original and carbon copy, did not show the words "USDA Standard" although the original contract contained the notation. This dates back to May, 1958.

As the trial got under way at 9:15 a.m. Wednesday, Thomas notified his attorney's office that his car had broken down on a country road and it would be impossible for him to attend the trial. Ochsenknecht was in court at the time.

No bond was required for Thomas' appearance.

Complaint against the company was made by Robert Blackburn of the State Agricultural Department.

3 Persons Get Probation

GRAND HAVEN (Special) — Four persons appeared in Circuit Court Tuesday for disposition of cases.

Chester Douglas Bronson, 30, of 420 West 16th St., Holland, who pleaded guilty Jan. 11 to drunk driving, third offense, was put on probation for three years with a six-month jail sentence suspended. He must pay \$5 a month over-sight fees in lieu of all costs and fines. His operator's license was suspended.

Bronson also must make restitution for damage to two cars in an accident on North River Ave. near Lakewood Blvd. which led to his arrest as a third offender. Drivers of the cars were Carl T. Stoel, of 112 Vander Veen Ave., and Lawrence L. Day, 19, of 545 Butternut Dr. Bronson also must keep employed.

James Van Eyk, 17, of 257 Mae-roose Ave., Holland, who pleaded guilty Jan. 11 to two counts, one nighttime breaking and entering and the other for aiding and abetting, was put on probation for two years. He must pay \$100 costs from his earnings and make restitution of approximately \$25. He also must refrain from drinking intoxicants and must observe an 11 p.m. curfew. Three juveniles involved in the same case were turned over to Probate Court. The offenses occurred Jan. 1 involving breaking into the Al Johnson home in Park Township and a cabin in Park Township.

Garland Ross Ryan, 21, Marne who pleaded guilty Jan. 11 to larceny from a dwelling, was put on probation for two years and must pay \$100 costs. He also must refrain from drinking and make restitution of \$75. The court asked that he obtain medical examination and have psychiatric treatment if needed. Ryan allegedly took \$75 in cash from the William Van Etten home in Wright Township Jan. 4.

The case of Lowell Thomas Hines, 24, Grand Rapids, formerly from Owensboro, Ky., who pleaded guilty Jan. 11 to nighttime breaking and entering, was adjourned for a week since Hines is wanted in Kentucky. Hines has waived extradition and local authorities will surrender him if Kentucky officers come to pick him up.

Geese Were Expensive In 'High Banks' Area

ALLEGAN (Special) — Wild geese shot at the "high banks" of the Swan Creek Wildlife station last fall cost hunters \$1.34 a pound in shells, while the total spent for ammunition was \$4,800.

The geese had 104,210 shots fired at them as they passed through the area on their way south.

There was a total of 1,658 geese shot at the station last season. Charles Priely, biologist of the station, stated that one goose cost hunters an average of \$11.39 in shells and took an average of 23.3 hours to kill.

Play Reviewed At Century Club

Century Club members and guests reviewed the famous 1925 Scopes "Monkey" trial of Hiss-boro, Tenn. Monday night in the Woman's Literary Club.

Mrs. Jerome Counihan gave a dramatic review of the play, "Inherit the Wind" which uses the noted trial for its setting and story. With sensitive contrasts, Mrs. Counihan depicted the two main characters, Matthew Brady (William Jennings Bryan) and Henry Drummond (Clarence Darrow) with theatrical finesse. The message of the play, spelled out in a proverb of Solomon, "He that troubleth his own house shall inherit the wind," was carefully pointed out in the review.

Mrs. Robert Wallinga, soprano, sang two numbers: "Du Bist Die Ruh" by Schubert, and "Animal Crackers" by Hageman. She was accompanied by Miss Mildred Schuppert.

Willard Wichers, club president, announced that the next meeting will be held on March 7 at the home of Dr. and Mrs. Irwin J. Lubbers on the Hope College campus. The program will focus on the political scene in "This Presidential Year." Dr. Willis Dunbar of Kalamazoo will moderate the program.

Noted Pianist Will Appear In Concert Here Monday

The dynamic young pianist, Walter Hautzig, who will play in Holland Civic Center on Monday, Feb. 8 at 8 p.m., under the auspices of the Holland Civic Music Association, is well known and loved, not only in the United States but also in Europe, the Far East and Japan, where he has played in his extensive tours.

Mr. Hautzig enjoyed a carefree, happy childhood with his parents in his native Vienna. Neither of his parents were musicians, but after his first piano lessons, young Hautzig decided he was going to become a pianist.

He studied at the Vienna State Academy of Music famed for names like Emile von Sauer and Gustav Mahler and later at the Curtis Institute of Music in Philadelphia. He won the Town Hall Endowment award for the most distinguished performance by an artist under 30.

Hautzig's world tours average more than 30,000 miles a year. He played 20 concerts in 15 days in Japan in what was described as "an artistic marathon" by the New York Times.

The pianist has a special love for Norway where, through a chance late departure for the States, he met his future wife. He had been made an honorary officer in the Norwegian army and was received in private audience by King Haakon.

The Hautzigs make their home in New York in a house previously occupied by Sergei Rachmaninoff. Every room is filled with treasures from all over the world. The Hautzigs have a young daughter, Mrs. Hautzig is an author.

Hope Senior, Graduate Married in New York

Mr. and Mrs. Richard John Kelly are making their home at 81 East Ninth St. following their marriage in Second Reformed Church of Schenectady, N.Y. on Jan. 2.

The bride is the former Edna Mae Wagner, daughter of Mrs. Alfred P. Wagner, of Waldwick, N.J., and the late Mr. Wagner. The groom, who is a boy's probation officer at Muskegon County Juvenile Court, Muskegon, is the son of Mr. and S. J. Kelly of Schenectady, N.Y.

The new Mrs. Kelly is a senior at Hope College and the groom is a graduate of the college.

Pumfery-Nies Vows Spoken

Mr. and Mrs. Robert L. Pumfery (Bulford photo)

Miss Carole J. Nies became the bride of Robert L. Pumfery Jan. 23 in a double ring ceremony performed by the Rev. John O. Hagans in the First Methodist Church.

Ferns and bouquets of white mums and gladioli served as a background for the ceremony which began at 3 p.m. Mrs. Claude Lamoreaux was in charge of the flowers and church decorations.

Miss Nies is the daughter of Mr. and Mrs. Clarence Nies of 20 East 23rd St. and the groom's parents are Mr. and Mrs. Lester Pumfery of 629 Church St., Coloma.

The father of the bride escorted his daughter to the altar. She wore a floor-length gown of chintilly lace featuring a moderately scooped neckline circled with a band of pearls and sequins. Satin bands slipped from the front waistline to the chapel train and chintilly lace was repeated in her crown which sparkled with sequins and pearls. The veil of imported illusion fell to her fingertips and she carried a cascading bouquet of white carnations contrasted with deep red roses. Her strand of pearls was a gift from the groom.

Mrs. Regnold Banger, a sister of the bride, was the matron of honor and wore peacock blue taffeta gown that was cut into a sweetheart neckline. Her headpiece repeated the blue and a bouquet of white carnations accented the ensemble.

The bridesmaids Mrs. George Enwald, sister of the groom, and Miss Phyllis Smith also wore gowns of peacock blue. All of the bride's attendants made their own gowns.

Miss Sandra Jo Nies, niece of the bride, was the flower girl and wore a blue dress matching the adult attendants'. James Allen Banger, nephew of the bride, was

the ring bearer. The groom chose Gordon Kroening to be his best man and Lawrence Eckoff and Regnold Banger, brother-in-law of the bride, served as groomsmen.

Judge Raymond Smith sang "Because" and "The Lord's Prayer" as he was accompanied on the organ by Miss Mildred Schuppert.

Approximately 175 guests gathered in the church dining room for the reception. Mr. and Mrs. Earle Nies were the master and mistress of ceremonies and Mrs. E. T. Holmen was in charge of the dining room.

Miss Janice Smith assisted Mrs. Cornelius Van Liere as she cut the cake and punch was served by the Misses Kathleen Keane and Maryanne Haan. Mrs. Clifford Marcus and Mrs. John Kruid poured.

The bride's mother selected a powder blue dress of crepe and lace and the mother of the groom wore a Kelly-green crepe dress. Each wore a pink rose corsage.

After the reception the new Mrs. Pumfery changed into a blue and black walking suit highlighted by black accessories. She wore a corsage of baby pink roses.

The bride was graduated from Butterworth Hospital School of Nursing and is a registered nurse. Her husband was graduated from the University of Michigan and did post-graduate work at Indiana University. He is an astronomer with the Smithsonian Institute's Astrophysical Observatory in Cambridge, Mass.

The bride was honored at four showers before her marriage given by Mrs. Regnold Banger assisted by Mrs. Wallace Nies and Mrs. Earle Nies; Mrs. Clifford Marcus, assisted by Mrs. E. T. Holmen; Mrs. Lester Pumfery and her daughter; and Mrs. Anson Boersma assisted by Mrs. Cornelius Van Liere.

THE TAX DOLLAR

April 15 is not very far away and this is the time when everyone is tax conscious. Taxes are always with us but when the time comes to "get it up" they are upmost in our minds.

When President Eisenhower presented the national budget to Congress, some budget realist in the Bureau of the Budget printed pictures of the round dollar. One picture illustrated where the dollar comes from, the other where it goes.

For example, 52 cents of the government dollar comes from individuals income taxes paid by the millions of American citizens throughout the land; 28 cents of the dollar comes from corporations taxes; 11 cents from excise taxes and 9 cents from other receipts.

The tax dollar is spent for the following: 54 cents for major national security; 11 cents for interest on the national debt (which amounts to over 9 billion dollars); 7 cents for agriculture; 7 cents for war veterans; 16 cents for miscellaneous; and 5 cents for debt retirement.

Most of the nation's income goes for military functions, military assistance, atomic energy and stockpiling. The proportion spent on education, culture and other constructive means is relatively very small. There should be some more economical way of defense than having to spend such a large amount of the tax dollar on the military.

Mrs. Olson Hosts Local Chapter

The Eta Gamma Chapter of Beta Sigma Phi held its business and cultural meeting at the home of Mrs. Kenneth Olson Monday evening, with President Mrs. William Kurth presiding over the short business meeting. Perseverance in Christian Work
Acts 18:1-11; 1 Corinthians 2:1-5
By C. P. Dame

No one is better fitted to teach us perseverance than Paul. The faith and courage of that man still inspires discouraged workers today. Every worker for Christ needs something of his indomitable spirit.

I. Winning devoted friends is an art. From Athens Paul went to Corinth, another Greek city. There was a vast difference between these two cities. Athens was intellectual, Corinth was commercial. It was located on a strategic isthmus with a seaport to the east and the west and with facilities to transport commerce across the isthmus. Corinth was wealthy, wicked, cosmopolitan. The city was sometimes called, "The City of Two Seas" and "The Bridge of Greece" and one Greek called it "The Lounge of Greece" where all manner of people met.

The Isthmian games held in Corinth added to the city's fame. The city was also known for its wickedness; drunkenness and immorality thrived. Attached to the Temple of Aphrodite, the goddess of love, were a thousand priestesses who were sacred prostitutes who plied their immoral trade for the profit of the temple. Corinth was a needy field but difficult for the gospel.

In this sinful city Paul found a devoted couple, Aquila and Priscilla, who were tentmakers. This couple had been driven out of Rome when the emperor ordered all Jews to leave. Since Paul also was a tentmaker he worked with Aquila and Priscilla and thus earned his living. All Jewish boys in those days learned a trade. We do not know whether this couple were Christians when Paul first met them or whether he led them to Jesus Christ. This couple was a blessing to Paul and Paul was a blessing to them.

II. Preaching the gospel is highly important. In Athens Paul was mocked, in Corinth Paul was opposed by the Jews. Paul first preached in the synagogue "and persuaded the Jews and the Greeks." The coming of Silas and Timothy increased the fervor of Paul which intensified the opposition of the Jews. Paul warned the Jews on account of their rejection of the gospel, saying to them, "Your blood be upon your own heads; I am clean" and then turned to the Gentiles and began preaching in the house of a man named Justus who lived next door to the synagogue. Paul's preaching got results, Crispus, the chief ruler of the synagogue and his family were converted and many Corinthians believed and were baptized. Some of the worst kind of people were led to the Lord in Corinth.

The work was hard and opposed. God encouraged Paul by speaking to him in a vision by night, saying to him: "Be not afraid, but speak, and hold not thy peace. For I am with thee, and no man shall set on thee to hurt thee: for I have much people in this city." God gave him two reasons why he should not be afraid; one was that he was on his side and the other was that he had many people in that wicked city. Paul remained in that wicked city for a year and one half, teaching the word of God amongst them faithfully. In time a church was founded there.

Paul's experience in Corinth proves that the gospel can win in a city and its success there is a great encouragement to the devoted workers in the inner-city ministry of our large cities. Neighborhoods which were once occupied by the wealthy are now different. In many of these neighborhoods there are fine church buildings which once housed flourishing congregations but which now are almost empty or wholly so. The buildings are surrounded by foreigners who need the gospel but the workers to work in these communities are few.

III. In preaching Christ the crucified must always be central. When Paul came to Corinth he was determined to preach only Christ and Him crucified. Paul kept the redeeming Christ central in all his preaching and that accounted for his success in Corinth. Although Paul was conscious of his own weakness he had confidence in the gospel. And that is what the church needs today.

Holland Eighth Graders Lose to Allegan, 41-28

ALLEGAN (Special) — Holland's eighth grade basketball team lost its second game in five starts here Tuesday as the Allegan eighth graders took a 41-28 decision.

Allegan led all the way and enjoyed a 10-5 first quarter margin. The halftime score was 20-11 and the third period score was 34-13. Irwin paced the winners with 18 points.

Ken Harbin and Steve Bronson each had six for Holland while Carl Van Vuren added five. Ken Thompson and Bob Schrottenboer each had three while Jim De Neff and Vern Plagenhoef made two and Jim Thomas had one.

The Hope College Faculty Dames held their January meeting Thursday evening in Durfee Hall. After refreshments Mrs. Bastian Kruithof reviewed the book, "Mrs. Harris Goes to Paris" by Paul Gallico. The book portrays an English charwoman who, having the ability to appreciate beauty, seeks adventure in order to make her dream become a reality.

Admit Assets At Hearing

GRAND HAVEN (Special) — A hearing was held in Circuit Court Tuesday on "discovery and aid of execution" in a case brought by Raymond Diepenhorst, administrator of the estate of Charley Diepenhorst, seeking to collect a judgment from the Bussis Brothers Implement Co.

On June 26, 1927, Diepenhorst was granted judgment of \$4,514 plus \$31.50 costs which was not paid. He claimed defendants were secreting assets and a court order dated Jan. 20, 1950, ordered defendants to bring all deeds, land contracts, check books, and the like to make a determination.

At Tuesday's hearing, defendants disclosed they have a garage in Boreculo, some equipment and some accounts receivable. On court order, the sheriff by levy against these assets.

Two other judgments were granted in Circuit Court Tuesday, one for \$2,000 and the other for \$436 plus \$33 costs in favor of Ernest F. Mellinger of San Diego, Calif., against Robert and Gertrude Giles of Jenison. The amounts represent balance due on two promissory notes dated in 1958.

Unity Whips Rogers, 61-35

GRAND RAPIDS (Special) — Hudsonville Unity Christian's basketball team whipped Grand Rapids Rogers, 61-35 Tuesday for its eighth win in 12 starts.

Unity led 15-9 at the close of the first quarter and pushed the margin to 30-14 at half. The third period score was 49-25.

Rog Bergman again was the high point man for the winners with 16. He is leading the Unity club with 183 points while Ron Schuitema is second high with 178 for the season. Schuitema made 13 points against Rogers. Harry Jenkins made nine for the losers. The Unity reserves defeated the Rogers seconds in the preliminary.

On Friday, Unity will play Grand Rapids South Christian in Byron Center in a 4-C League game. Unity is presently tied with Kalamazoo Christian for the 4-C League with a 3-1 record.

Miss Wilma Kats Speaks to Guild

Ottawa County Farm News

By Richard Machiele,
Ottawa County Extension Director

This is the season of the year in which cattle lice and mites are showing up on many of our animals. The recommended control for cattle lice on dairy cattle is to use 1 or 1½ percent rotenone dust. We suggest you brush this material in, especially concentrating along the back of the animal. For beef animals, spraying is the most effective, but do not spray during the cold winter months. Instead, use dusts of 5 percent methoxychlor, or 1 percent rotenone.

We have had word from Lloyd Cogswell, district forester, that this would be a very good time to detect trees infected with Dutch Elm disease. We should be able to recognize it and know what to do to minimize or salvage our loss. Better than after the disease, a harvest ahead of it could be successful and financially sound.

Now is the time to detect infected trees that can be destroyed before next spring and in this way slow the spread of the disease. Trees with the elm bark beetle larva in them are being hit now by woodpeckers. These trees should be cut and burned to destroy the larvae. If these trees contain logs they can be sawed on the farm and the bark-free lumber moved to market.

If a check of your woodlot shows some dead elm trees or trees that need to be destroyed it would possibly be advisable to make an immediate harvest of the healthy trees. The reason for this is the character of these bark beetles that carry the disease from tree to tree. Next spring, when the weather warms up these little insects come out of the dead trees where they have spent the winter, to eat. Carrying the elm disease with them they fly to living, healthy trees and feed at the tips of the branches. With the bugs feeding on healthy trees these trees become infected with the disease. To date no cure is known for a tree once the disease is introduced into it by the bugs.

Here are some bulletins you might like to order from the Extension Offices. We have a brand new one, No. 370 - "Small Fruit Diseases in Michigan." Christian Defeats Unity; Hope Loses to Wheaton

Maroons Break Zone Defense For 60-57 Win

Holland Christian's Maroons blasted Hudsonville Unity Christian's zone defense Saturday afternoon on the Civic Center court to edge the Crusaders, 60-57. The win was an important one for the Maroons as it enabled the locals to even their season mark at 6-6.

A Unity "home" crowd of 2,100 fans, the largest ever to see a Unity home game saw the Maroons take their second win of the year over the Hudsonville club. Unity now has a 7-4 record.

The contest was nip and tuck throughout until the locals broke the game open in the last period to move to a nine point bulge, the biggest of the game. Unity opened the game in a zone defense and stayed in it until the locals had opened the sizeable margin midway in the last period.

Christian did an excellent job in operating against the zone defense. The locals moved the ball well for good shots from out and the corners in the first half, and then in the second half really broke it wide open with some easy lay-ups. Once again some fine out-court shooting by the Maroons was a big factor in the victory.

Christian had a tough defensive job on their hands throughout the game as they tried to contain Unity's fine senior center, Roger Bergman. Bergman is a smooth performer and can hit from out as well as in. Although he led his team with 22 points, he was matched by the fine shooting of Christian's junior center, Frank Visser, also with 22. In addition, Visser turned in his best offensive rebounding game of the season.

In the shooting department the Maroons collected on 23 out of 66 shots from the field for a 35 per cent average. Unity meanwhile collected 24 out of 56 for 43 per cent. Poor foul shooting proved costly to the Crusaders as they were able to hit on nine out of 21 tries. The Maroons scored on 14 out of 23 at the charity line.

Unity started with a rush as they scored the first five points before the locals could score. The Hollanders then scored nine straight points on some great corner shooting by V. n. Wedeven. He was forced to leave the game shortly afterwards with three personals. After the count was knotted at 15-15, the locals managed a 17-15 mark at the quarter.

The second quarter was a slow moving affair with neither club able to find the range consistently. The Maroons held the upper hand throughout the period until Unity took a 23-21 lead just before the half. Two quick fielders gave the Maroons a 25-23 halftime advantage.

Three "gift" baskets to open the second half gave the Crusaders a four point lead as Christian committed several costly defensive mistakes. Once the Maroons got straightened around, however, they went to work in earnest and went ahead 38-37 with two minutes left. By the end of the period, the locals led 44-41.

Coach Art Tuls' club pulled away from a 48-45 lead in the opening stages of the last period to force the Unity outfit out of its zone by scoring six straight points. The Maroons led 56-47 with three minutes left before Unity's pressing defense started to bother. Holland held the upper hand in the remaining minutes but the determined invaders caused some anxious moments before the Dutch could claim the win.

Visser's 22 points led the Maroons but he was followed by Wedeven with 12. Following Bergman for Coach Andy Ten Harmse's club was Cal Aukeman with 11.

Christian next entertains a rugged Portage outfit on Friday night on the Civic Center court.

New Assistant Pastor Coming to Grand Haven

GRAND HAVEN (Special) — First Presbyterian Church was notified this week that the Rev. David Black, presently serving the Evangelical and United Brethren Church at Sodus near Benton Harbor, has accepted the call to become assistant pastor of the local church. He will assume his new duties the first part of April.

Rev. Black, 31, father of five children, was received into the Western Michigan Presbytery last Tuesday in Grand Rapids. The Grand Haven church has been without an assistant since last May when the Rev. Frank Williams accepted a call to a Presbyterian Church in Milwaukee.

Oilers Defeat Steelers, 84-74

ZEELAND (Special) — Cook's Texaco Oilers of Zeeland won its ninth game in 13 starts here Saturday night with an 84-74 decision over the U.S. Steelers of Gary, Ind., before 500 fans in the Zeeland gym.

Close all the way, the Oilers put on a fourth quarter spurt led by Paul Benes and chalked up the 10-point win, after trailing at the close of the third quarter, 59-56. Benes made 12 points in the fourth period, including three baskets while Bill Fox came in for six points and Tiger Teusink five points.

The Steelers were charged with several fouls in the final period and the Oilers had 22 cracks from the charity line and sank 16. In the game, Zeeland made 26 out of 35 while the Steelers made 20 of 25.

A total of 44 fouls were called in the game. Three Gary players and Teusink were lost on fouls.

Bill Fox, who made nine baskets and 12 of 13 free shots, paced the winners with 30 points. Benes followed with 24 points, including nine baskets and six free shots.

Little Maroons Take Victory

Holland Christian's Little Maroons outclassed Hudsonville Unity Christian's second team, 71-23 on the Civic Center court Saturday afternoon. It was the second win for the Maroons over Unity and the 11th victory in 12 starts for the Hollanders.

Coach Clare Pott used reserves nearly half the ball game with 15 boys playing and 11 breaking into the scoring column. Regular forward Dan Joldersma did not play due to a sprained wrist.

The Hollanders started fast and led 14-1 after five minutes and then upped the count to 23-8 at the quarter horn. Christian led 37-8 before the visitors could score again to trail 37-11 at the half. Holland continued to roll in the third period with reserves doing a good share of the scoring to lead 54-19 going into the final period. It was the same story in the last period with the Maroons pulling away to their biggest margin of the tilt.

Paul Tuls led the Maroon attack with 17 points, followed by Paul Steigenga with 12. Don Klaasen with 11, Clare Van Wieren with eight, Jim Fredricks with seven, Jim Langeland and Cal Dever with four each, Ron Lubbers with three, Gerard Vander Wall and Mel Disselkoen with two each, and Cal Boer with one. Van Boven and Vredevoogd each had six for the losers.

Two Injured as Cars Hit Trees

GRAND HAVEN (Special) — Two drivers were hospitalized as the result of separate accidents during the weekend. Both cars had hit trees.

Garry Slater, 22, route 2, Grand Haven, was trapped in his car for 40 minutes as sheriff's officers worked to free him. He had lost control of his 1950 car as it rounded a curve on Fruitport Rd. in Spring Lake Township at 9 p.m. Saturday and hit a tree 10 feet from the edge of the road.

The car was a total wreck and had to be carried rather than towed away. Slater was charged with reckless driving.

Thomas Schroeder, 32, route 1, Grand Haven, lost control of his 1952 car at 2:15 a.m. Sunday on Green St. in Robinson Township. His car also struck a tree. Schroeder received deep lacerations on his left hand, a skinned left leg and body bruises.

He told state police his car struck an icy path, but officers were unable to find such a patch. They charged him with violation of the basic speed law — driving too fast for conditions.

Lynn Van Langevelde Honored on Birthday

Lynn Van Langevelde was honored on her 10th birthday anniversary Saturday afternoon with a party held at the home of her parents, Mr. and Mrs. Vern Van Langevelde of 2020 Lakewood Blvd.

Games were played with prizes awarded. Lunch was served by Mrs. Van Langevelde assisted by Miss Judith Van Dyke.

Guests were Lynn's schoolmates including Mary Van Dyke, Elaine Klunge, Faye and Kaye Hall, Wendy and Pamela Bradley, Laureale Hayward, Anita Ter Horst, Jean Hoving, Nancy Groenewelt and Kelly Van Dyke.

Lynn's grandparents, Mr. and Mrs. Peter Van Langevelde, and Mr. and Mrs. Dale Van Langevelde and family and Mr. and Mrs. Ken Mast and family were entertained at a buffet supper on Sunday afternoon in honor of Lynn's birthday.

Peterson Scores 37 For Winners

WHEATON (Special) — Averaging an earlier season's loss, Wheaton College's basketball team put on a strong second half here Saturday night to defeat Hope, 95-80 before 3,400 fans in the Centennial Gym for Hope's third setback this season in 13 starts.

The improved Crusaders won their fourth straight game after snapping out of a slump in which they lost six straight contests, including the 87-85 loss to Hope in Holland on Jan. 2. Wheaton now has a 10-6 mark.

It was again the tremendous work of Mel Peterson that led Wheaton to its victory. The 6'4" sensation scored 14 baskets in 28 tries, including nine baskets in the second half and added nine of 12 free shots for 37 points.

He was also strong on the boards and along with center John Dobbert did the Wheaton rebounding. With the Crusaders leading 43-37 at half, Peterson opened the second half with a layup and Dobbert picked up a free shot. Peterson then hit on another basket and Dobbert struck for two points to put the Crusaders 13 points out with the half not three minutes gone.

Wheaton kept a 10-plus spread for about seven minutes and then another spurt led by class 5'11" sophomore Red Johnson of Kan-kake, Ill., pushed the Crusaders in front 70-51 at the 10-minute mark. Two minutes later Wheaton had pushed the mark to 76-53, a 23-point bulge, the biggest spread in the game.

Ray Ritsema fired five of his nine baskets in the final eight minutes and Warren Vander Hill hit three baskets to help chop the Wheaton spread to 15 points at the final buzzer.

Ritsema, who again was Hope's top rebounder, made nine of 24 shots and sank six of nine free shots for 24 points to lead the Dutch. He was joined in the rebounding department by Bill Vander Bilt and freshman John Oosterbaan.

Vander Hill, Hope's leading scorer and the top pointmaker in Michigan, fired eight baskets in 23 tries and added four free shots in six attempts for 20 points. Vander Hill now has 362 points in 13 games for a 27-11 average while Ritsema has 296 for a 22.10 average.

Oosterbaan, who hit four of eight shots, turned in a fine performance. He added three of five free shots for 11 points.

Another freshman, Jim Vander Hill, who scored Hope's first four points on two quick baskets, made two more baskets in the second half and added two free shots. He hit four of 13 from the floor. The other scorers were Bill Vander Bilt who had three of four from the floor and Daryl Siedentop who had three for five.

Hope made 31 shots in 82 tries for 38 per cent while Wheaton hit in 33 baskets in 84 tries for 39 per cent. But at the free throw line, Hope made 18 of 28 while the Crusaders received 39 chances and cashed in 29 times.

Johnson made 11 straight free throws and added six baskets in 15 tries for 23 points for second honors while Dobbert had six of 20 from the floor and five of eight free shots for 17 points.

Hope was charged with 26 fouls, its biggest total of the season while Wheaton was called 19 times. No players were banished from the game but four Hope players had four fouls.

The score was tied 18-18 at the end of the first 18 minutes and the game had been tied, four times. The game was tied a fifth time, 19-19 with 9:47 left. A Ritsema free shot tied the game and the second shot put Hope ahead 20-19, the last lead Hope had in the game. Johnson scored a basket on a jump shot a minute later to make at 21-20 and Wheaton never again trailed.

The 15-point defeat of Hope College's basketball team was its worst setback in three seasons. The Dutchmen lost by 11 points to Wheaton, 104-93 in the finals of the NCAA regional tournament in 1958. Last season Hope's worst setback was 11 points to Central State of Ohio, 83-72.

Local Appeal Board Meets

The Board of Appeals considered four applications at a regular meeting Monday night in City Hall.

A request from Mrs. Phyllis Tucker for takeout sales of coffee, pop and potato chips at a pizza palace at 208 Columbia Ave was denied.

An application from Mrs. Luke Kuna to operate a beauty parlor in her home at 106 West Ninth St. was approved subject to limiting the service to one operator and that no advertising be visible from the street.

The board approved 4 to 2 a request from Bernard Becker to erect a 24 by 24 foot garage at his home at 86 East 31st St. Plans also call for a 5 by 14 foot extension to the garage. Otherwise the size of a two-story garage is limited to 24 by 22 feet.

The board scheduled a public hearing Feb. 15 on an application of Harry Prins to establish a washery in a store building at 120 West 16th St. This is a non-conforming use in a residential zone.

Grand Haven Woman Dies

GRAND HAVEN (Special) — Mrs. Clara Peter, 74, of Grand Haven, widow of Bruno Peter who was formerly Grand Haven mayor and an Eagle-Ottawa executive, died Monday afternoon in Blessing Hospital in Quincy, Ill. She had gone to Quincy to be near her only child, Mrs. Robert Williams, and her family.

Mrs. Peter was a member of First Presbyterian Church and was active in the choir for many years. She was an honorary member of the Woman's Club, OES and the Tuesday Musicals.

Surviving are the daughter and two grandchildren. Her husband died in 1950.

Short Power Loss Hits City Monday

A short circuit in power distribution lines to the north and east sections of Holland necessitating a switch to Consumer's power, caused an intermittent loss of power Monday between 4:14 and 4:20 p.m.

Henry Vander Hill, chief engineer at the city light plant, said that a switch was made to Consumer's power after the short circuit in city lines caused the north and east side circuit breakers to go out.

The switch was made, Vander Hill said, so that city residents would not have to be without electricity. After the trouble was corrected, the areas were switched back to city power.

Connell Votes To Annex to Grand Haven

Residents of Connell school district in Port Sheldon township voted 40 to 25 in a special election Monday to annex the district to the Grand Haven district. In school annexations of this kind, the annexation is effective immediately.

West Ottawa district which borders Connell district on two sides had interceded in an effort to have Connell consider annexing to the West Ottawa district, and the election had become a hot issue the past week.

Supt. Lloyd Van Raalte of the West Ottawa district said today: "The people of Connell have made a decision in a manner open only to citizens of a free democracy. I hope the residents of the community will all acknowledge the decision of the majority and strive to provide fine education for their children through whole hearted cooperation with the people of Grand Haven."

He pointed to a split in the community which can be reunited only through the efforts of all parties concerned.

The split Van Raalte referred to was some differences of opinion in Port Sheldon Township. Connell school district lies in the northwest corner of the township which through the years has had considerable financial troubles because of sparse population and low tax base.

With the development of a new multi-million dollar generating plant of Consumers Power at Port Sheldon, assessments will jump an estimated \$25,000,000. Township leaders outside of the Connell district had hoped to keep the township united. The former Robert and West Olive districts which border Connell are a part of the West Ottawa district.

The board approved 4 to 2 a request from Bernard Becker to erect a 24 by 24 foot garage at his home at 86 East 31st St. Plans also call for a 5 by 14 foot extension to the garage. Otherwise the size of a two-story garage is limited to 24 by 22 feet.

The board scheduled a public hearing Feb. 15 on an application of Harry Prins to establish a washery in a store building at 120 West 16th St. This is a non-conforming use in a residential zone.

Grand Haven Woman Dies

GRAND HAVEN (Special) — Mrs. Clara Peter, 74, of Grand Haven, widow of Bruno Peter who was formerly Grand Haven mayor and an Eagle-Ottawa executive, died Monday afternoon in Blessing Hospital in Quincy, Ill. She had gone to Quincy to be near her only child, Mrs. Robert Williams, and her family.

Mrs. Peter was a member of First Presbyterian Church and was active in the choir for many years. She was an honorary member of the Woman's Club, OES and the Tuesday Musicals.

Surviving are the daughter and two grandchildren. Her husband died in 1950.

Short Power Loss Hits City Monday

A short circuit in power distribution lines to the north and east sections of Holland necessitating a switch to Consumer's power, caused an intermittent loss of power Monday between 4:14 and 4:20 p.m.

Henry Vander Hill, chief engineer at the city light plant, said that a switch was made to Consumer's power after the short circuit in city lines caused the north and east side circuit breakers to go out.

The switch was made, Vander Hill said, so that city residents would not have to be without electricity. After the trouble was corrected, the areas were switched back to city power.

Connell Votes To Annex to Grand Haven

Residents of Connell school district in Port Sheldon township voted 40 to 25 in a special election Monday to annex the district to the Grand Haven district. In school annexations of this kind, the annexation is effective immediately.

West Ottawa district which borders Connell district on two sides had interceded in an effort to have Connell consider annexing to the West Ottawa district, and the election had become a hot issue the past week.

Supt. Lloyd Van Raalte of the West Ottawa district said today: "The people of Connell have made a decision in a manner open only to citizens of a free democracy. I hope the residents of the community will all acknowledge the decision of the majority and strive to provide fine education for their children through whole hearted cooperation with the people of Grand Haven."

He pointed to a split in the community which can be reunited only through the efforts of all parties concerned.

The split Van Raalte referred to was some differences of opinion in Port Sheldon Township. Connell school district lies in the northwest corner of the township which through the years has had considerable financial troubles because of sparse population and low tax base.

With the development of a new multi-million dollar generating plant of Consumers Power at Port Sheldon, assessments will jump an estimated \$25,000,000. Township leaders outside of the Connell district had hoped to keep the township united. The former Robert and West Olive districts which border Connell are a part of the West Ottawa district.

Tigers Remain Unbeaten in 60-58 Victory

MUSKEGON HEIGHTS (Special)

—It was a fighting Holland High basketball team that went down to defeat, 60-58 before Muskegon Heights here Friday night in a replay of the first game between the two clubs before 1,700 jam-packed fans in the Bolt Memorial Gym.

The Tigers, ranked No. 1 in Michigan, won their ninth straight game while Holland now has an 8-3 mark. The other loss to the Heights was 67-66.

In a two-point defeat, to put the finger on a turning point or a possible advantage or disadvantage is practically impossible.

But for Holland there were a few things that hurt in key spots. The Dutch missed five straight free shots in the fourth quarter including three one-and-one situations by Ben Farabee while the Tigers made seven of nine at the charity line when it counted in the last period. But each team made 14 free shots in the game. Holland had 30 tries and the Tigers 28.

There were some missed layups for the Dutch just when they needed them. A couple times in the closing minutes with Holland down by four points, the Dutch would get the two points to draw within a basket but then couldn't get the tying bucket.

Muskegon Heights jumped six points ahead with 3:59 left in the game for its biggest lead in the fourth quarter. But quick baskets by Burton (Red) Wiersma and Ed Loncki put Holland within two points with 2:33 to go after the Tigers had been unsuccessful in setting up a stall.

Then a Holland foul gave Ron Viehl two free throws which he sank with 1:03 left. Wiersma then drove in for a layup to make it 58-56, and was fouled. He then missed the free shot.

Holland again fouled and little Tom Robinson stepped to the line to make a pair of shots and again the Tigers were four points up with 35 seconds to go.

Farabee then hit on a basket with 25 seconds left and the crowd went wild as Holland again was within two points, for the third time in three minutes.

Another Holland foul sent Paul Adams to the line with 10 seconds to go. Adams missed and Holland grabbed the ball and called time-out. Seven seconds remained when the Dutch put the out of bounds play in from the middle of the court. Ron Maat got the ball and dribbled toward the basket but lost control of the ball as time ran out.

The lead changed hands 14 times in the game, including eight times in the third quarter. The game was tied three times, twice in the third canto. The Tigers led 49-48 at the third period's close.

Muskegon Heights jumped to a 17-10 lead in the first quarter as the Dutch had trouble finding the hoop at first but Holland narrowed the count to one-point, 19-18 at the buzzer. Holland made eight free shots in 13 tries in the first quarter.

A fine in-bounds play with Wiersma scoring gave Holland a 22-21 lead early in the second quarter for its first lead in the game. The clubs matched baskets the rest of the half and the Tigers led 31-29 at halftime. Holland only hit one of five free shots in the second quarter.

Then followed the hectic third quarter when the Tigers again moved out by seven points, 37-30, as Harold (Teeter Babe) McPherson hit on jump shots from out. Glenn Van Wieren led the uphill climb and hit a free shot to put Holland ahead for the first time in the period, 42-41 with 2:24 left. Holland hit on five of seven free shots in the third quarter.

Van Wieren stood out for Holland with his rebounding and he hit seven baskets in 14 tries. He added seven of 15 free shots for 21 points. Wiersma followed with 13 points, including six baskets in 11 tries.

Maat, Holland's leading scorer, couldn't buy a basket. He fired 12 times and hit just twice for four points, his low point this season. Jack Naber, who also rebounded strong, had three of six from the floor and Loncki and Farabee each had two for four.

McPherson hit 10 baskets in 26 tries for the winners and added three free shots for 23 points. The Tigers were aided in the rebounding by John Callaway, who had 12 points and Paul Adams.

Holland made 42 per cent of its

shots with 22 baskets in 52 tries while the Tigers made 23 of 63 for 33 per cent. The Dutch had quarters of 5-14; 5-14; 7-13 and 5-11 while the Tigers were 8-27; 5-14; 8-18 and 2-4.

A total of 41 fouls were called and Holland lost Loncki with 1:03 left and the Tigers had Callaway and McPherson foul out in the last minute.

Holland plays at Muskegon next Friday night.

Zeeland Clinches Share of Crown

ZEELAND (Special)

—Zeeland's basketball team grabbed a share of its third Keweenaw League championship in the last four years here Friday night with a 54-45 decision over Coopersville.

The Broncos were the Keweenaw kings last year while the Chix finished second. Coach Paul Van Dort, who has been coaching Zeeland for four years, can have his club clinch the title outright with a win at Comstock Park next Friday night. Zeeland has a 10-2 overall mark.

Coopersville jumped out to a 14-12 first quarter lead but the Chix caught them early in the second quarter and went out in front at half, 27-20. They led the rest of the game.

Two long set shots by Bruce Van Haver and two close in jump shots by John Johnson paced the Coopersville first quarter drive while Zeeland's Bob Brower hit three baskets as the Chix outscored the Broncos 15-6 in the second period.

Coopersville was held to three baskets in the second quarter as big John Roe continued to knock down attempted shots. He knocked four of Johnson's out of the air and recovered the ball to start plays for Zeeland.

The Chix boosted the lead to 13 points midway in the third period and led at the end of the quarter, 42-31. The Chix enjoyed a 13-point lead again in the fourth quarter and Van Dort sent in the reserves with two and a half minutes to go in the game.

Zeeland ended with 25 baskets in 77 shots for 33 per cent after having a cold first half of 12 baskets in 48 tries. Coopersville made 18 of 68 in the game for 27 per cent. At the free throw line, Zeeland made four of 11 and Coopersville, nine of 15.

Brower and Roe each had 15 for Zeeland. Brower has now scored 200 points for a 16.7 average. Van Haver had 20 for the losers and Johnson, the team's high scorer, was held to 10.

In winning the game earlier this season at Coopersville, Zeeland had won at the free throw line. In Friday's contest, the Broncos concentrated on not fouling and were charged only nine times. Zeeland made 12 fouls.

—MARNE (Special)

—West Ottawa's basketball team avenged an earlier season's loss and chalked up its second straight victory here Friday night with a 51-34 win over Marne.

Earlier in the season Marne had recorded a 44-40 win in the Holland Armory.

West Ottawa, coached by Herb Maatman, led from the opening basket with Marne threatening only in the third quarter. A tight zone defense prevented Marne from getting good shots and the losers were able to get only one shot at the basket before the alert Panthers grabbed the rebound and started their 2-1-2 offense in motion.

The Panthers led 10-7 at the end of the first quarter and 17-12 at half. Marne came back and scored four straight points to narrow the count to one point, 17-16 early in the third period.

But this caused West Ottawa to turn on the gas and the winners made 15 straight points to push the game out of reach. The period ended 34-19.

Duane Overbeek hit eight points in the rally while Norm Koop added six and Leroy Vedder made a free shot.

West Ottawa hit 36 per cent of its shots with 18 baskets in 50 attempts. The Panthers hit 12 of 26 in the second half after connecting on six of 24 in the first two periods. At the free throw line, West Ottawa had 15 of 29.

Koop led the winners with 15 while Overbeek followed with 14 and George Donze had 10. Weatherbee led the losers with nine.

West Ottawa will play at Parchment next Friday night. Parchment edged the Panthers, 42-41 in Holland in the first game.

West Ottawa has a 2-3 record.

GRAND HAVEN (Special)

—Donald Mull, 17, Muskegon, pleaded guilty in Circuit Court Friday to a forgery charge involving a \$40 check and will return for sentencing Feb. 18.

Nicholas Terry Boujan, 17, Grand Rapids, pleaded guilty to a charge of nighttime breaking and entering and will return for sentencing Feb. 18. The alleged offense involved theft of \$12 from the Carl De Vree home in Georgetown Township Jan. 16. To appear in Grand Haven, Boujan had been released on \$2,000 bond from Kent County jail where he was held on a rape charge.

When he appeared in court Friday morning his forehead and left cheek were completely bandaged. He told the court he had been very nervous and was inclined to scratch his face when it itched. To keep from scratching he taped his face, he said.

Cub Scout Pack 3057 Holds January Meeting

The monthly pack meeting of the West Olive Cub Scout Pack 3057 was held Tuesday evening at the school.

Cubmaster John Hemmeke opened the meeting by leading the Pledge of Allegiance. Den 1 gave a skit entitled "Voyage into Space" in connection with the January theme of "Science."

Den 2 was in charge of a trick and Den 3 explained how to play the evening's game. A welcome was given to Den 4 which has recently been organized under the leadership of Mrs. Paul Raggl.

Displays of a rocket base, space helmets and coal gardens were shown and Mr. Hemmeke was presented with a gift from the Cubs.

A committee meeting was held after the pack meeting to make plans for the Blue and Gold banquet to be held in February.

Surviving are the wife; a son, Llewellyn at home; four brothers, Emmons of Spring Lake, Manly of Robinson Township, George and Dewey of West Crockeroy, and a sister, Mrs. Walter Vink of Spring Lake.

Funeral services will be held at 2 p.m. Friday at the Spring Lake Baptist Church. Burial will be in the Spring Lake cemetery.

GRAND HAVEN (Special)

—After deliberating about an hour, a Circuit Court jury Friday afternoon rendered a verdict of no cause for action in a civil suit on cross bills resulting from a two-car crash a year ago.

Ben Lemmen, driver of one car, had sought \$2,000 from Herman and James De Visser of Holland, and defendants in cross declaration sought \$270.54 plus costs.

The accident occurred Jan. 17, 1959, at Aniline and Douglas Aves. near Holland. Plaintiff contended icy streets prevented him from starting properly after stopping for a stop street. Defendant claims plaintiff drove into the intersection when defendant's car was so close that a collision could not be avoided.

Hope College Library Among 77 to Get Grant

Hope College is one of 77 colleges to receive a grant to strengthen its library resources by the Association of College and Research Libraries, a division of the American Library Association.

Phillip Van Eyl of the Hope Psychology Department and John May, College Librarian, made application for the grant last summer. The grant will be used for the purchase of books and related materials in psychology. Money for this particular grant was given by the U.S. Steel Foundation and awarded through the library association.

Out of 320 colleges applying for the grants, only 77 received them. Hope has received this grant three out of five years the program has existed. Other Michigan colleges receiving similar grants were Albion and Calvin Colleges.

'Life With Father' Skit Highlights Horizon Fete

"Life With Father" was the entertainment presented at the Dad-Daughter Horizon potluck supper and square dance; Thursday night in the Civic Center. About 425 attended.

The Roaring 20s Horizon group put on the entertainment. The skit was written and directed by Mrs. Chester Oonk and produced by Mrs. Paul Klomparsen, leader, and music director, Mrs. Larrie Clark.

A glimpse into the past, present and future were featured on the Hi Parade. A large record was used as a backdrop with smaller records suspended from the ceiling. A juke box set the stage for the top tunes of the evening. Customers in the record shop were Mary Ellen Clark, Mardie Johnson, Marilyn Peterson, Sharon Cramer and Kathy Potter.

Numbers on the Hi Parade included No. 10, "Pretty Baby" by Mary Jane Boumann and D. Clark; No. 9, "Daddy's Little Girl" with Larrie Clark as soloist and Carol Klomparsen as his little girl; No. 8, "Yes Sir, That's My Baby" by Gretchen De Weerd, Stevie Goodes and Nancy Rynga with their proud fathers, Irvin De Weerd, Herbert Goodes and Don Rynga.

Connie Speet and her father, Elmer Speet, appeared in No. 7, a duet, "Little Child." "Young Love," the No. 6 hit featured Gail Butler and her father, W. A. Butler, and Calvin Vander Woude, No. 5 tune, "Seventeen," all the guests in the record shop danced; "Pomp and Circumstance," Hit No. 4, the entire group rehearsed for commencement.

No. 3 hit was the Wedding March with Lois Larson and Larrie Clark and No. 2 was the ballad "May You Always" sung by Mr. Clark to the bride.

The No. 1 hit song was sung by all the girls to their fathers and the guests to the tune "I'm For The Many Things," with the words changed to spell "Father."

Nancy Klopstein was narrator for the program.

Mrs. Clifford Onthank's group was in charge of the supper and Mrs. Ron Boeve's group the programs. Wilbur Cobb called the square dancing and Mrs. Lloyd Schurman was in charge of the mothers who served.

Candee Barber was toastmistress and Betsy Becker gave the toast to the Dads with her father, Clarence Becker, responding for the daughters.

Bond Issue Explained To Washington PTA

Jack Plewes, member of the Board of Education, and Robert Slocum, in charge of vocational education, explained the new high school program and its proposed bond issue at the January meeting of the Washington PTA Tuesday night in the school gymnasium.

Norman Wangen presided and the Rev. John Nieuwma gave the invocation. A question and answer period followed the bond issue presentation. Property owners will vote Feb. 23 on the bond issue.

Three selections were played by an eighth grade string ensemble consisting of Mary Slag, Susan Bosman, John Elliott, Anne Williams and Marilyn Swank.

The PTA voted \$125 toward financial support for publicizing the proposed bond issue.

Serving on the social committee were Mrs. Glen Silver, Mrs. Calvin Nordhoff, Mrs. Arnold Punt and Mrs. Robert Windemuller.

Report of Community Service Presented

Mrs. Peter Borchers, community service chairman of the VFW Auxiliary, gave a report of special services done during the past several weeks by members, at the regular meeting of the Auxiliary Thursday evening. She said that 7 1/2 hours had been spent in Red Cross canteen work; 8 hours in the cancer project; 12 1/2 hours on polio; 36 hours at the Hospitality Shop at Holland Hospital and 9 hours for Cub Scouts.

Plans were made for a Valentine party to be held at the next meeting Feb. 11 at which time secret pals will be revealed. Charter members who are still active will receive their 25-year pins.

Mrs. John Sas and her committee served refreshments following the business meeting.

Drs. Fleming To Speak at Local Church

Dr. Robert Fleming and his wife, Dr. Bethel Fleming, will speak and show slides of their work in Nepal at a meeting to be held in the sanctuary of First Methodist Church Tuesday at 7:30 p.m. They are working with the United Medical Mission, a cooperative project of several Protestant denominations, providing medical and educational service at Kathmandu, the capital of Nepal.

Dr. Bob Fleming was the first American ever to see the Bajhang State in far west Nepal and he found an area of 84,000 people without a single medical person to minister to the appalling physical need. The country is potentially rich in forests, water power and good topsoil but present methods of cultivation are such that the people are not far from the starvation level. They begged the United Medical Mission to open a Community Service Program and when the government permits, Bob and Bethel would like to bring aid to those who live in this extremely remote region of Nepal. This is a short furlough for them but they have a story to tell and pictures to show.

Dr. Robert Fleming attended school in Holland while his father, the Rev. Guy B. Fleming, was the minister at First Methodist Church from 1919 to 1923. His work in Nepal is of an educational nature, but he is an ornithologist and biologist and has supplied Field Museum, Chicago, with thousands of specimens of plant and animal life from the mountainous regions of India and Nepal.

Dr. Bethel Fleming is a medical doctor and was one of those featured in the TV film, "M. D. International."

Another former Holland resident and teacher, at present working in Katmandu, is Miss Mildred Drescher. She is studying Nepalese.

The general public is invited to see and hear the Doctors Fleming next Tuesday evening.

Hope Won't Play In Tournament

Hope College's basketball team won't participate in any post season tournaments this year, it was announced today by the Hope athletic policy committee.

The athletic policy committee met Monday with Dr. John Hollenbach, vice president of the college, and were informed that the MIAA presidents have voted against any schools participating in a post season tournament.

Dr. Hollenbach attended a meeting in Albion last week when the matter of post season games was discussed and the ruling made. He was representing Hope College.

Also at the league meeting, the presidents discussed several other points pertaining to MIAA athletics.

The group discussed the matter of transfer students being ineligible for one year for intercollegiate sports, with the exception of Junior College transfers. Under current rules they are ineligible for one semester after transfer.

They also talked about an eight-game football schedule and were studying the possibility of putting a ceiling on other sports.

The refraining of coaches from visiting high schools for recruiting was also a matter for discussion along with the banning of spring trips.

The group also was studying the possibility of having all aids, whatever the nature, be listed in the presidents' offices.

In banning post season games, this means that Kalamazoo College's tennis team couldn't participate in the small college NCAA meet. Bill Japenga of Holland, the MIAA's top netter and NCAA contestant, won't be able to compete. In past years, Kalamazoo has hosted one section of the NCAA small college tournament.

Hope has competed in the NCAA regional basketball tournament for the past two seasons. They won the regional last year and advanced to the quarter-finals in the national tournament in Evansville, Ind.

Last week the NCAA announced a new rule that freshman could not compete in the NCAA tourney unless the school has less than 750 male students. Hope has 786 male students and three freshman on the basketball team.

CO-CHAIRMAN OF PRODUCTION — Mrs. James Mooi, (left) and Mrs. Donald Winter sit on the edge of the swimming pool at the Winter home while making plans for the "Frisco Follies" on March 26 at the Civic Center. This is

the second musical to be sponsored by the League for the benefit of Holland children. Proceeds will be used in the Children's Room at Herrick Public Library. (Sentinel photo)

'Frisco Follies' Benefit Planned by Junior League

"Frisco Follies" is the name of the Junior League musical staged and directed. Anyone interested in volunteering talents or services may call any of the chairmen.

One of the most ambitious projects of the League, the Follies is among the many experiments tried by the group that have been well-received by Holland citizens. Proceeds from these affairs have benefited the children of Holland.

This year, the proceeds from the Follies will be used in the Children's Room at Herrick Public Library. The Follies of 1958 realized a profit of \$5,000 which was given mainly to the Herrick Library.

Co-chairmen of "Frisco Follies" are Mrs. Donald Winter and Mrs. James Mooi. The affair is strictly a community enterprise with the

best in local talent, professionally staged and directed. Anyone interested in volunteering talents or services may call any of the chairmen.

Production chairmen include Mrs. Delwyn Van Tongeren and Mrs. J. C. Petter, talent; Mrs. Lester Klaasen, Mrs. William Venhuizen, Mrs. Julius Karsten and Mrs. Alfred Bransdorfer, publicity; Mrs. Tom Vander Kuy, program; Mrs. Warren Weststrate and Mrs. Ed Nyland, patrons; Mrs. Donald Cochran and Mrs. James Lamb, properties; Mrs. Ken Kleis, curtains and lighting; Mrs. G. S. MacKenzie and Mrs. Robert Hall, costumes; Mrs. William Baker, Mrs. Donald Gilcrest, Mrs. Ed Van Harn and Mrs. James Scott, scenery; Mrs. William Hinga, makeup; Mrs. Vern Schipper and Mrs.

Ted Elhart, tickets; Mrs. Myron Van Ark and Mrs. Donna Gier, advertising; Mrs. Derk Van Raalte and Mrs. William Weststrate, "Fastest Gun" contest.

Other past community events staged by the League include the Kiddle Carnival, Candy Cane Ball and Silver Skates Carnival.

March of Dimes Drive Nets \$537 in Allegan

ALLEGAN (Special) — The Allegan Business and Professional Women's Club turned over \$537 as the net from the Porchlight Parade held last week for the Allegan county March of Dimes Chapter.

The club was assisted by workers from the Beta Sigma Phi Sorority and members of the Future Nurses Group.

Mrs. Francis Clair, Chairman of the drive, said that every street in Allegan was covered in less than two hours.

Spring Lake Home Damaged by Fire

GRAND HAVEN (Special) — Fire caused damage estimated at \$3,000 to the Gerald Whiting home at 15830 Winter St. in Spring Lake and \$1,000 damage to contents Monday afternoon.

Fire is believed to have started from some hot ashes which had been placed in two paper cartons last Friday in the garage awaiting pickup today by the garbage man. At 2:15 p.m. Monday the housekeeper doing laundry in the basement heard the dog barking. When she investigated she saw smoke coming out of the garage. Flames spread to the interior of the house which adjoins the garage. The Spring Lake fire department remained on the scene an hour and a half.

The housekeeper rescued the dog and a bird from the house. Damage to contents of the house was mostly caused by smoke and water. One bathroom was badly scorched, and firemen had to chop a large hole in the roof.

The three Whiting children were at school and Mr. Whiting was at work in Muskegon when fire broke out.

Mrs. Louwenaar Feted At Birthday Party

Mrs. Susie Louwenaar was guest of honor at a birthday party Saturday night at the home of her son-in-law and daughter, Mr. and Mrs. Cornelius Zuidema, 394 North 120th Ave. Mrs. Louwenaar was 75 years old on Sunday.

Guests included Mrs. Louwenaar of Grandville, Mrs. Jacob Louwenaar of Grandville, Mr. and Mrs. Richard Isenga of Forest Grove, Mr. and Mrs. Henry Louwenaar of Grand Rapids, Mr. and Mrs. Ronald De Ruiter of Jenison, Gloria and Charlene Zuidema.

Unable to attend were the Rev. and Mrs. David Louwenaar of East Orange, N. J., Jacob Louwenaar and Mr. and Mrs. Leo Heinzelman of Grandville.

Lunch was served and Mrs. Louwenaar was presented with a gift.

Examination Set

GRAND HAVEN (Special) — Robert Michels, 24, Grand Haven, demanded examination on a non-support charge when arraigned Monday afternoon in Grand Haven Municipal Court. Bond of \$250 was not furnished. Examination was set Feb. 11 at 1:30 p.m. Michele allegedly failed to support his wife, Elaine, and their daughter, Diane, as of Jan. 10. City police made the arrest.
