Tulip Time Guest Homes Sought Here

The Tulip Time housing bureau for the forthcoming 40th anniversary festival May 14-17 has begun work on housing in the Tulip Time office in Civic Center under the direction of Mrs. Henry Buursema and Mrs. Gary Kruthof.

Registration materials are being sent to all persons who entertained Tulip Time guests in their homes last year through the housing bureau. Others interested in hosting paying guests this year may call the Tulip Time housing office for information and registration materials will be mailed to them.

Inquiries are early this year and the office already has received requests for housing, many of them from senior citizens groups. Hotels and motels are often used for bus groups but there has been a growing tendency of senior citizens to request quarters in private homes, preferably within walking distance of the downtown area.

Tulip Time has operated a housing bureau for well over 30 years. Many associations of visitors and hosts have led to close friendships and in many incidents, visitors return to the same homes here year after year to view Holland's prized crop of tulips and join in the festivities.

Another development in recent years has been the family project in which children yield their rooms to visitors and sleep on cots or in sleeping bags in the recreation room and the room rental goes into the children's college fund or the vacation fund.

Local Band Leaves Nice Reminders

By Esther Van Wagoner Tuft
WASHINGTON — The Holland Christian Band, representing Michigan in the inaugural parade, left behind some reminders of their home town where the Tulip Festival is held each Spring.

For the new President, Richard Nixon, they brought the fanciest pair of wooden shoes and this gift will be presented soon at the White House by their congressman Guy Vander Jagt. He will be accompanied by House leader, Gerald Ford, who used to represent Ottawa county before congressional redistricting.

Every member of the congressman's staff now has a pair of wooden shoes with their names on them. The 140 band members also appeared with other gifts including Dutch cheese for the luncheon in the congressman's office on inaugural day.

The Michigan band made a fine showing when they played the University of Michigan's fighting "Victor" march as they paraded in front of the White House Presidential reviewing stand.

The young people got a lot of compliments and not just for their musical ability.

The bus driver who drove the crowd to Annapolis for church services the Sunday before the inauguration, said he had "never seen healthier, cleaner boys and girls." Certainly there were no Yippie costumes, long hair, or raucous behavior, the 22 chaperones report.

The chef at the Virginia motel where they were housed was so impressed with their good conduct he got up early to make them hot sweet rolls for breakfast!

Juvenile Authorities Nab 2 Holland Boys

GRAND HAVEN — Two Holland area juveniles, both boys aged 13 and 15 years old, were referred to Ottawa County Juvenile Court for turning in a false report of a possible shooting.

The two were apprehended within a half hour after the call was made to the sheriff's department. The dispatcher at the department here received the call at 3:15 p.m. Friday.

The two were detained in the Ottawa county youth home over the weekend.

Man Charged With Possessing Obscene Films

GRAND HAVEN — Jon P. Bonter, 33, of 102 North Centennial St., Zeeland, waived examination when arraigned today in Grand Haven district court on a charge of possessing obscene films.

State police confiscated a projector and 15 films from Bonter's service station on US-31 at M-45 in Grand Haven township.

Bonter was released on his own recognizance to appear in Ottawa Circuit Court Feb. 10 at 10 a.m.

State police investigated after receiving a complaint that obscene movies were being shown. Trooper John Harder said a reel entitled "Dream Girl" was on the projector when he checked out the complaint.

Bonter was to have appeared in district court Wednesday but requested a day's delay to consult legal counsel. He appeared this morning without counsel.

Sign of Spring... Tulip Shoots Seen

Temperatures in the mid-30's coupled with rain have led to signs of spring in Holland.

Tulip shoots at the Sentinel building on the north side of the press room wing are an inch tall, an early start for Tulip Time's 40th anniversary festival May 14-17.

Residents are asked to watch their step near tulip plantings as the weather improves and more tulip shoots will be appearing. Plantings on tulip lanes are usually the most vulnerable.

Rain which fell almost continuously Wednesday measured .24 inch and helped reduce some dirty snowbanks along streets and walks. It was 35 degrees at 11 a.m. today, down two from the 6 a.m. reading of 37.

Predictions tonight call for cloudy and colder with a chance of snow, continuing partly cloudy and colder Friday.

Freezing rain hit the upper peninsula today and state police reported all roads slippery with snow or ice. A foot of new snow fell at Calumet. Light rain fell on ice - slick roads in the upper third of the lower peninsula.

Rain, drizzle and fog continued today over much of the southern area. Up to four inches of new snow was forecast for the upper peninsula near Lake Superior tonight, with a like amount due to fall along the Lake Michigan shoreline in lower Michigan.

At Detroit, the temperature soared to a record 53 degrees for this date. The previous high of 52 was set in 1880.

Driver Gets Summons
Martin J. Cleypool, 51, of 97 East 22nd St. received a summons from Holland police for passing a stop sign after a two-car collision at Central Ave. and 12th St. at 3:39 p.m. Wednesday. The Cleypool car collided with an auto operated by Joella H. Jipping, 51, of 1223 Lincoln Ave.

Mothers Picket Fell Junior High

A group of mothers in Harrington school district picketed River Ave. at the east end of the E.E. Fell junior high school Monday protesting lack of bus transportation for their children attending secondary schools.

About five pickets showed up shortly after 8 a.m. carrying home made signs. But 10:45 a.m. the number had increased to 16 and by 11:15 a.m. 11 persons were on the picket line.

The protest is an outgrowth of what amounted to a hearing on transportation at the Jan. 13 meeting of the Board of Education. At that time some 40 parents of Harrington and Federal districts protested the lack of transportation in the presence of two representatives of the State Department of Education, one of whom was Harold Wagner who heads the department of school transportation.

At that meeting, the board was informed that a citizens group is appealing to the State Department of Education to have the state department order the Holland board to provide transportation for its secondary students.

About 30 Junior high students were absent today as a result of the picketing, according to Supt. Donald L. Ihrman who added that about 20 per cent also were absent at Harrington School. Two pickets were at Harrington for a short time early today. Twenty per cent of an enrollment of 293 amounts to about 58 students.

Supt. Ihrman said he did not expect a special meeting of the board would be called in connection with today's march.

Mrs. Herbert Wiersma, whose husband heads the citizens committee protesting lack of transportation, said the mothers would picket in front of the school "as long as necessary," adding that shifts of pickets have been assigned to keep the demonstration going.

She told reporters the group is protesting treatment received at the Jan. 13 board meeting when the board failed to give satisfactory answers on questions involving state reimbursement, and added that the group also is opposed to "taxation without representation." This refers to tax rates in effect when Holland took over operations of Harrington district, pointing out Harrington did not vote on Holland's operating millage issues.

Supt. Ihrman said the board feels it cannot put a transportation millage issue on the ballot until the question of legality of school reorganization involving Harrington and Federal districts is resolved. On advice of legal counsel, the board removed its proposed

Increase Is Seen in Scouting

New records in service to area boys were chalked up in the Chippewa District in 1968, according to Dr. Raymond Christy, district chairman. Details of the 1968 increase in boy memberships were announced at the monthly district committee meeting. A total of 1,702 cubs and boy scouts participated in the scouting program in the Chippewa district in 1968.

According to the 1969 application to the Boy Scouts of America for the annual charter to provide scouting in Holland and the surrounding area, the district serves 47 scout units, sponsored by local religious, school, and community organizations in Holland, Zeeland, Macatawa, Hamilton, Douglas, Saugatuck and Ganges.

The successes noted in the annual report were partially the result of an increase in the volunteer adult leaders over 1967, who have given dedicated leadership to area boys from 8 to 18. Robert Bickel, Scout executive said, "With the 1968 report as a foundation, we expect to expand our scouting membership in the district in 1969 and increase our program quality as a part of 'Boypower '76', the 8-year long-range plan of the Boy Scouts of America, which is now being launched."

During the past two years, the Boy Scouts of America has carried out a program with the theme, "Scouting Rounds a Guy Out," and the new 8-year plan begins this year with the theme, "America's Manpower Begins with Boypower."

A complete review of the 1968 year an progress report will be given to all area scouts at the annual appreciation dinner planned for April of this year.

Police received the report at 7:30 a.m. today.

Grand Haven police made the arrest after John Waskin, 54, of Grand Haven, was killed in a traffic accident Oct. 5 at Waverly Avenue and Griffin street.

Supervisor Recount Set

GRAND HAVEN — Tuesday, Feb. 4, was set today by Ottawa County Clerk Harris Niemusma for a recount of the votes for supervisor of district 4, which includes part of Crockery township and part of Spring Lake township.

A recount was requested by the unsuccessful Democratic candidate, Thomas Garzelloni of Nunica, who was defeated for the position by Karl D. Ball of Spring Lake. The recount was asked soon after the Nov. 5 election by Garzelloni but the canvassing board must wait until the machines are released from the other statewide recount on the daylight savings time question. Ball and all other Republican candidates were elected at the November election.

Garzelloni claims irregularities in setting up the machine in District 4 and he also claims that after it was discovered the wrong machine was placed in the town hall voting place for district 4 the strips were changed.

The canvassing board will conduct the recount at the town hall. The unofficial vote in the Nov. 5 election gave 719 votes to Garzelloni, Democratic candidate, and 1,077 votes to Karl D. Ball, Republican.

Deputies were notified Saturday of the death of Gerald L. Cooke, 27, of 161 1/2 Madison St., Coopersville. He died in a Grand Rapids hospital of injuries received in a car-truck accident on Jan. 6 at 68th Ave. and Randall St., Coopersville.

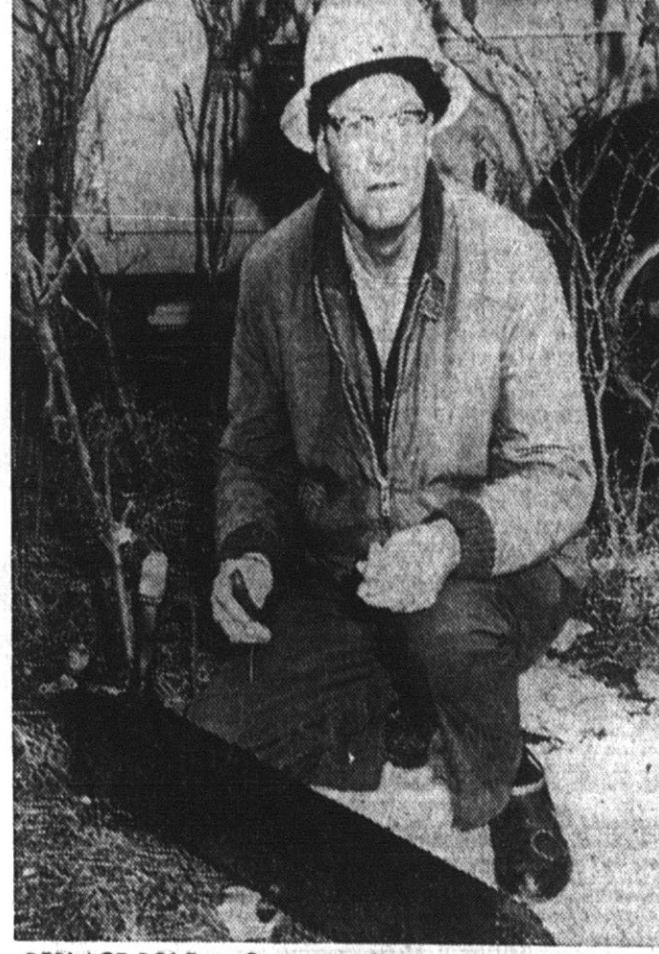

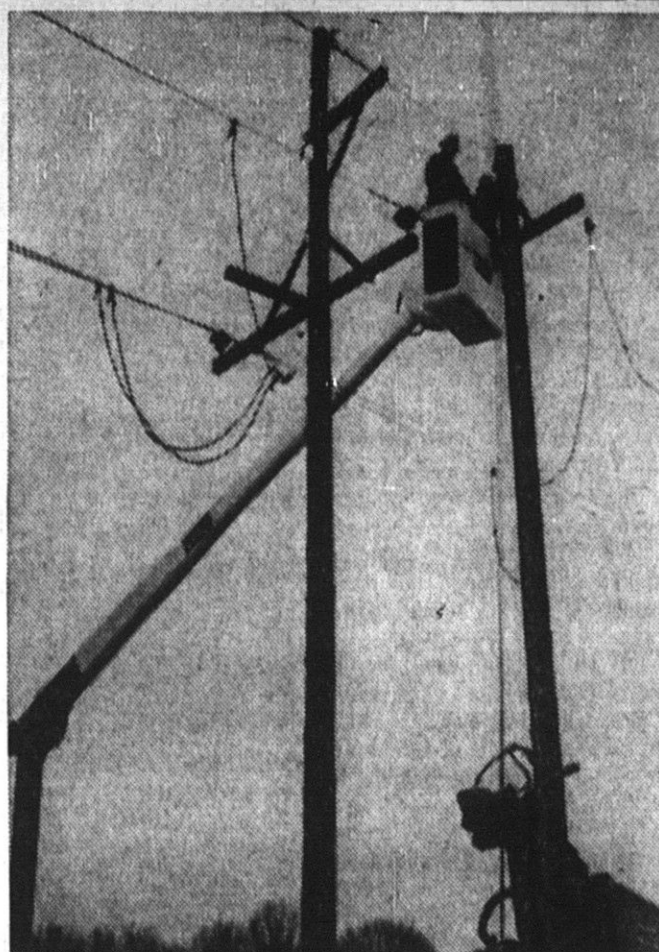

It was reported Cooke's car ran underneath the trailer of a semi.

Warren Vander Ploeg, 45, of 82 East 30th St., was cited by Holland police for failure to yield the right of way after the car he was driving from a parking lot onto Michigan Ave. 30 feet north of 30th St. struck the right side of a taxi cab driven by John Willis Koopman, 58, of 37 East 17th St. at 9:38 a.m. Monday.

Ten Broeke told Ottawa sheriff's deputies three deer jumped in front of his car, and he was unable to stop in time to keep from hitting two of them.

REPLACE POLE — Consumers Power crewmen (top) install a new utility pole (left) to replace the one which burned causing a power failure to 3,000 customers north of Holland Wednesday afternoon. The pole is located on West Lakewood Blvd. near 144th Ave. Freeman Green, foreman of the repair crew, (bottom) holds shotgun shells which were apparently fired at insulators on the pole and caused the fire. At his feet is the charred cross arm of the pole which burned. (Sentinel photos)

Utility Pole Fire Knocks Out Power

A fire on a utility pole cut off electrical power to 3,000 Consumers Power customers north of Holland late Wednesday afternoon.

The blackout, which began about 5:40 p.m., lasted only ten minutes for most of the residents, but about 900 customers were without electrical service for more than one hour.

G. L. Carson, Grand Rapids division manager of Consumers Power, said the fire was probably a result of vandalism. He said insulators on the 46,000-volt line on the utility pole on West Lakewood Blvd. near 144th Ave. were apparently hit by shotgun shells. Several shells were found around the base of the pole.

Consumers Power crewmen extinguished the fire. They then rerouted power around the damaged pole Wednesday afternoon, and were repairing the pole today.

Daylight Time Gains One Vote In Ottawa County

GRAND HAVEN — The recount of votes in 50 of the precincts in Ottawa county on the Daylight Savings Time proposal, defeated by a slim margin in Michigan Nov. 5, was completed Thursday at the county building and the recheck gave one more vote in favor of daylight time.

The margin in Ottawa county, which voted against the proposal Nov. 5, was cut from 4,217, the official count after the election, to 4,216, the margin arrived at in the recount.

County Clerk Harris Niemusma reported that for various reasons the votes in some of the precincts were not countable. Out of six absentee county board tallies four were not countable because ballot boxes or envelopes were not properly sealed.

Five less "no" votes were found in Robinson township but this margin was almost eliminated because of other corrections found in other precincts.

Several teams of workers were in the county this week and the recount took four days.

Fewer Pickets Show Up Tuesday

A limited number of pickets showed up at East Junior High School protesting lack of bus transportation to Harrington district.

Three Harrington mothers reported early in the morning and at 11 a.m. two were marching the icy block.

About 25 Harrington students were absent in junior high today, and 68 absent in Harrington. Monday's figure of 58 on Harrington absences was incorrect since one section was not included. In total, fewer were absent today than Monday, school officials said.

GVSC Sues Prosecutor And Sheriff

GRAND RAPIDS (UPI) — Grand Valley State College Wednesday filed suit in Federal Court here against Ottawa County officials, charging freedom of speech was violated involving actions against the student-controlled publication, the Lanthorn.

The college, located at Allendale, wants to collect legal fees resulting from the dispute and a "declaratory judgment" to protect freedom of the press.

Circuit Court Judge Raymond L. Smith Monday dismissed a temporary injunction which halted publication of the Lanthorn in December. The newspaper resumed publication this week.

James Wasserman, 21, of Muskegon, editor of the paper, is awaiting trial in Ottawa County Circuit Court on charges he distributed an obscene newspaper.

The Grand Valley State College Board of Control and Vice President George Potter, Wednesday filed the Federal Court suit naming Ottawa County Prosecutor James Bussard, and Sheriff Bernard Gysen as defendants.

The suspension of the paper and charges against Wasserman stemmed from alleged obscene references in the Lanthorn.

The college, in its suit, claims the school was deprived of its right to free speech under the First Amendment of the Constitution.

Gysen and Bussard have 20 days to answer the suit or take other action as permitted by law.

Explosion Burns Two At Suco-Color

Two employees were burned when color pigments in a mixer exploded at the Holland Suco-Color Company plant, 491 Howard Ave. about 12:30 p.m. today.

Jacob Bol, 53, of 496 Essenburg Dr., suffered extensive burns, and after initial treatment at Holland Hospital was transferred to Grand Rapids Butterworth Hospital. He was reported in satisfactory condition.

The other man, Robert Hickman, 22, of 95 West 27th St. was released from Holland Hospital after treatment for burns on the hands.

A fire resulting from the explosion was doused by the company's fire brigade, according to John Schutten, plant manager. There was no fire damage. The cause of the explosion in the combustible pigment has not been determined, Schutten said. The pigments are mixed as part of the finishing process at the plant.

Ottawa About Average On Supervisor Salary

Faced with the bitter-sweet task of setting their own salaries, the newly organized Boards of Supervisors in Michigan's 83 counties are coming up with several variations on just how much they think the jobs are worth.

Like many counties, Ottawa county favors a combination of a flat rate salary plus a per diem for meetings and committee meetings.

On Jan. 13, the new 21-member Ottawa county Board of Supervisors voted a 2,500 salary per year plus \$20 per diem for meetings or committee meetings (a top of \$30 in case meetings and committee meetings are held the same day) plus 10c a mile for travel. The board favored an additional \$1,000 a year for the chairman. William L. Kennedy of Allendale is chairman this year. The board has scheduled a meeting every month.

Kent county has voted an annual salary of \$5,000 a year for its 21-member board, plus \$20 for attending committee meetings of a half day or less. If meetings last more than a half day, the pay is \$35. This does not cover regular meetings or committee-of-the-whole meetings, scheduling one of each every month. The statutory mileage rate is paid.

Allegan county's 21-member board has voted \$2,500 a year \$15 for half-day sessions and \$25 for full-day meetings, plus travel allowance of 10 cents a mile.

Not on a county level, Holland city, currently is considering a revised pay scale for mayor and councilman, setting up two propositions on the forthcoming April 7 spring election. One proposition call for \$1,500 for the mayor and the other calls for \$750 per year for councilmen. There will be no pay for attending meetings. The current schedule allows \$5 per meeting with a maximum of \$180 per year. The mayor is paid an additional \$100. The pay scale of mayor and council is set in the charter and a public vote is needed to change the scale.

Elsewhere in the state, Genesee county so far is leading the field with a pay of \$7,500 a year, plus \$20 a meeting and 10 cents a mile. Total remuneration is expected to be in excess of \$10,000.

Muskegon county has not set salaries as yet. The 15-member board is waiting until after a state board meeting in Detroit and will meet Feb. 10 to decide. Only three members served on the old board.

The Wayne County Board of Supervisors is considering annual salaries for fulltime work of \$12,000 to \$20,000.

Jackson county has set a schedule of \$3,600 plus \$40 a day for committee meetings.

Ingham county — \$2,400 a year plus \$40 a meeting.

Kalamazoo county — \$4,000 a year and \$35 a meeting.

Livingston county — \$1,500 a year and \$25 a meeting.

Shiawassee county — \$1,500 a year plus \$35 for regular and special meetings, and \$20 for committee meetings.

Monroe county — \$5,000 a year plus \$25 for special committee work.

Indiana Man Cited For Causing Accident

Ottawa county sheriff's deputies cited Haroldene Vires, 22, of Argos, Ind., for driving the wrong way on a divided highway causing an accident between two other cars on M-21 and 72nd Ave. at 3:38 p.m. Saturday.

Deputies said Vires drove his car from a motel, turned north off eastbound M-21, an tried to get over the railroad tracks on 72nd Ave., however, couldn't because it was slippery.

According to deputies, Vires backed the car down on 72nd St., and into westbound M-21, causing cars driven by Peter Petrovich, 22 of route 2, Zeeland, and Helen L. Spencer, 67, of Chicago, Ill., to collide.

Volleyballs

Diogenes, you may blow out your lamp.

An honest man has been found, or in this case an honest woman.

This happened a couple of weeks ago when the snow was deep. A woman put a coin in a downtown parking meter and the indicator was slow to move. She gave the meter a crack, and all the coins spilled out.

This honest soul went into a store for a sack and painstakingly picked up the coins . . . amounting to about \$5 in pennies and nickels. Then she took them to the police station.

Diogenes, the Greek philosopher who lived about 300 years before Christ, was the chap who lighted his lamp and went searching for an honest man.

It wasn't a good week for air travel and airlines schedules. That's what Dr. and Mrs. Norman Vincent Peale of New York City experienced in coming to Holland a few days ago.

They were grounded in Detroit and came to Holland by taxi, courtesy of the airline. The taxi took I-94 arriving here from Allegan instead of I-96 through Grand Rapids, and the Peales missed the full impact of their welcome at Holiday Inn where their names appeared on the marquee from the north but not from the south. The southern exposure had a plug for pizza.

The next morning, no planes were leaving Grand Rapids so the Peales arranged for a rental car and drove to Chicago to catch a plane for Phoenix, Ariz., where Dr. Peale was to speak that night. After Phoenix, they planned to fly to Hawaii.

Dr. Peale at his appearance in Civic Center last Tuesday night championing the cause of merger between the Reformed Church and the Southern Presbyterianians had a good word for President Nixon.

"Dick Nixon has been a regular attendant at Marble Collegiate Church in New York off and on for 20 years, ever since he came to New York as a Navy lieutenant during World War II," Dr. Peale said. "He is one of the most earnest, dedicated, devoted Christian men I know."

The Peales had been in Washington Monday for the inauguration and Dr. Peale was an active participant in the Prayer Breakfast that morning preceding the inaugural ceremonies.

The Christian High School Band returned from the inaugural in Washington and what a time those youngsters had! For most, it was their first trip to the historic east and the stories and memories are being relived.

A great convenience on the Washington trip was the installation of radio equipment by the Tulip City CBers. The range was good up to 10 miles, and buses easily kept in touch in the foggy stretches along the Pennsylvania Turnpike.

CB equipment also was invaluable in Washington where the Holland buses were swallowed in a sea of other buses. It was convenient on tours of the capital, calling attention to points of interest, and during the inaugural parade when adults separated into two groups while the band marched the parade route.

Dr. Melvin Frieswyk of Zeeland who has a daughter in the Christian High Band accompanied the band on its Washington trip and was kept fairly busy prescribing aids for upsets. One member, Gary Schutten, contracted the flu early on the trip and was flown home from Washington Saturday noon.

Other cases requiring the doctor's attention were mostly digestive upsets. School personnel had pretty good control over main meals, but the rest stops brought abundant opportunity for extra snacks. Some band members had sore feet . . . and the doctor knew what to do for that too.

New Fire Truck Replacing Old 1947 Vehicle

Park Township last week accepted delivery of a new fire truck from the American Fire Apparatus Co. of Kalamazoo.

The new truck will replace a 1947 model "John Bean" which was purchased for \$7,500, but no decision has been made as yet to which station it will be assigned.

The township also has a 1951 "John Bean" pumper which cost \$14,000 and two tankers. These will also be replaced as rapidly as possible in order to assure all township residents the best possible fire protection, supervisor Herman Windemuller said. The completion of a water system, scheduled for 1971-72 will provide fire hydrants which in turn will improve the fire-fighting capabilities still further.

Six of the township firemen traveled to Kalamazoo to receive instructions on the operation of the new truck.

Payment of the \$28,000 apparatus will be made from the 10 year, one-half mill tax levy approved by Park Township electors at the August primary election in 1968.

Dunk Rams, 77-28, Nail Nine Firsts

The West Ottawa swimming team posted its tenth win of the season, dunking the South Haven Rams 77-28 Monday night in the West Ottawa Natatorium.

The Panthers, paced by junior Chris Raphael qualifying for state competition in another event, snatched nine of the eleven first places and yielded only one second spot.

Opening the meet in first place, the Panther medley relay team composed of Dan Meyers, Steve Hopkins, Mike Zavadil, and Jon Helder swam in with a clocking of 1:54.5.

Yielding first place to the Rams in the 200 yard freestyle, the local tankers tallied second and third places with Chris Raphael and John Boes swimming. Raphael's second place time of 2:06.6 qualified him for the Class B state meet.

Returning with a powerful pace were Panther sprinters Rick Hamstra and Ken Wiley in first and second places respectively in the 50 yard freestyle.

In a nip-and-tuck race, Panthers Jim Streur and Rick Zavadil were pushed into second and third spot in the individual medley by South Haven's Dick Topp.

Coming off the boards in first and second place for West Ottawa, Dana Rigerink and Dan Troost again made the biggest battle in the diving competition an intrasquad fight for first. Rigerink rallied to oust his teammate with 175.30 points.

Butterflyers Terry Rithamel and Mike Zavadil registered first and second places respectively in their specialty, finishing 30 seconds up on their Ram opponents.

Wiley and Hamstra recorded top points in the 100 yard freestyle, with Wiley on top in the longer sprint Hamstra having ousted him in the 50 yard swim.

Easing his time down in preparation for the state finals, captain Dan Meyers recorded a first place 1:00.7 in the backstroke competition, with teammate Greg Plomp adding the depth necessary for second spot in that event.

Distance man Chuck Nienhuis again exhibited his prowess in paddling hard, without much help to pace him, through the 400 yard freestyle, as he turned in a 4:21.2 clocking.

Breaststrokers Jim Timmer and Pete Plomp walked off with first and second places in their competition, but as yet none of the Panthers have been able to make the mark to travel to the state meet in the breaststroke event.

Finishing with a flourish, the West Ottawa freestyle relay team composed of Chuck Nienhuis, Jeff Helder, Rick Zavadil, and Jon Helder walked off the blocks in first spot, along with the rest of the team with an 81.24 victory.

Coach Henry Reest, working to take the whole team to the state meet, was happy with Raphael's position, and with the team's performance as a unit.

The Panthers are now 9-1 in dual meet competition and will host the South Haven Rams Monday, Jan. 27 at 7 p.m. in the West Ottawa Natatorium.

Results in order of finish: 200-yard medley relay: West Ottawa, (Meyers, Timmer, M. Zavadil, Jon Helder), Holland (Kobes, Hakken, Bertsch, Brown), Time 1:53.6.

West Ottawa Wins 9th, 8th Holland Loss

West Ottawa's swimming team registered its ninth victory of the season, swamping Holland, 81-24 Saturday evening in the West Ottawa Natatorium.

The Panthers snatched ten of the 11 first place spots, yielding only to Mike Landis in the 100 yard freestyle, and giving up three second places to Holland.

Opening the meet in first place, the Panther medley relay team composed of Dan Meyers, Jim Timmers, Mike Zavadil, and Jon Helder stroked in with a 1:53.6 clocking, ten seconds up on their Dutch opponents Jerry Kobes, Bill Hakken, Fred Bertsch, and Jeff Brown.

The meet continued to go the Panther way in the 200 yard freestyle with Jeff Helder and Jim Streur tallying first and second place, followed by Holland's Jim Bradford in third. Helder, aiming for a state meet qualifying time, missed it by .1 second with his 2:09.1 time.

In the sprint competition it was a neck-and-neck race to the finish with Panthers Rick Hamstra and Ken Wiley taking the top two positions, leaving powerful Landis from Holland in third.

Panther co-captain Chuck Nienhuis was aiming for some records, but didn't quite find them, as his individual medley first place time of 2:16.0 was 1.1 seconds off the Panther varsity record. Teammate and co-captain Dan Meyers snatched second spot, while Mark Keen was awarded third place for the Dutch.

In an intrasquad battle that has been waging for several meets, senior diver Dana Rigerink from West Ottawa was given the nod in points over sophomore teammate Dan Troost in second place. The divers were separated by only five points.

Putting on a good showing for third place in the diving competition, Holland's Dave De Ridder had the best night of his career, chalking up 154.25 points.

Butterflying brothers Mike and Rick Zavadil from West Ottawa inched away from Holland's Jim Bradford in their specialty competition, to take first and second places respectively. Brother Rick recorded a time of 1:05.2 to qualify for the state Class B competition, along with brother Mike who made the mark early in the season.

Landis eked out a first place win in the 100 yard freestyle, coming in with a .58.3 clocking ahead of Panther Dave Ketchum with a time of .58.5. In third spot for the Dutch was a George Dalman.

Backstrokers Greg Plomp and Gary Van Kampen swept their specialty competition for West Ottawa, followed by Holland's De Ridder in third.

The Panthers snatched first and second spot in the distance competition with Chris Raphael and John Boes paddling for West Ottawa, while Bill Hakken for the Dutch took home third place points.

In the breaststroke, Jeff Boone carried away first place for West Ottawa, followed by Holland's Mark Keen in an uphill battle for second place, with Steve Hopkins bringing in third place for the Panthers.

Aiming for a pool and varsity mark in the freestyle relay, the Panthers fell five seconds short, but tallied first spot with Chuck Nienhuis, Rick Hamstra, Ken Wiley, and John Helder swimming in with a 3:39.7 time. Second spot for the Dutch was earned by Randy Knapp, Tom Van Huis, Fred Bertsch, and a Jeff Brown.

Panther Coach Henry Reest, looking again for state meet qualifiers, was pleased in that department, while Coach Bob Andree from Holland commented "Our biggest battle is with the clock, and we're fighting that one well."

The Panthers are now 9-1 in dual meet competition and will host the South Haven Rams Monday, Jan. 27 at 7 p.m. in the West Ottawa Natatorium.

CHANNEL LINK—Warmer channel waters, swept clean by a swift current, link the ice masses of inland Lake Macatawa and her superior, Lake Michigan, as seen in this aerial photo of Holland harbor. Holland Coast Guard officials said ice on Lake Macatawa is between 8 and 10 inches thick; however, the recent warmer temperatures have caused thawing and

there is some water on top of the ice layer. The broken and piled ice chunks on Lake Michigan are stacked about 100 yards from shore and in some spots vary in thickness from between 8 to 10 feet. Coast Guardsmen cautioned residents that in spite of the safe appearance of the ice, it is dangerous and hazardous. (Sentinel photo)

MICHIGAN PEOPLE AND TAXES

We have received a short news release from the Michigan State Chamber of Commerce concerning the amount of money we Michigan taxpayers will be required to pay.

The figure is approximately \$9,374,400,000 in Federal taxes as our share of the cost of the Federal spending budget of \$195.3 billion proposed by Past President Johnson for the Federal fiscal year beginning January 1, 1969.

Harry Hall, president of the Michigan State Chamber of Commerce, said, "This estimate is based on the State Chamber's calculations that Michigan taxpayers bear 4.80 per cent of all Federal taxes. This figure in turn is determined by a formula developed by the Tax Foundation, the Chamber of Commerce of the United States and the Council of State Chambers of Commerce that includes all Federal taxes paid."

This \$9,374,400,000 share that will be assumed by Michigan taxpayers, if Congress approves the proposed budget, is over five times the amount of State taxes collected last year to finance state operations. According to the Michigan Department of Administration, Michigan taxes collected amounted to \$1,841,948,191, excluding license fees for autos, hunting, fishing, etc.

This \$195.3 billion spending estimate represents \$11.6 billion over the current estimate of \$83.7 billion for fiscal 1969. Despite substantial increases in Vietnam costs and certain uncontrollable outlays, the revised 1969 estimate is less than the original 1969 budget estimate of \$186.1 billion because of spending restraints imposed by Congress last year.

Hall said, "The money paid by Michigan citizens in Federal taxes and the 4.80 per cent share of the national Federal budget is a good illustration of why State and local governments have great difficulty in meeting expanding costs of services."

The great question in the minds of many people is where are we going to call a halt. The Great Society, we think, is going to need to take another look at the growing costs of operating our government affairs on all levels.

Teaching about the Kingdom
Mark 4:21-32
By C. P. Dame

Jesus was a great teacher. He put His teaching in words that most every one could understand. A friend of mine said once to me, "Our preacher likes to use big words and that is the reason I do not know what he is trying to tell us." In simple words this lesson teaches the truth that God's kingdom grows gradually through divine power and human effort.

I. Truth must become known. Jesus taught by parables. "Without a parable spoke He not unto them" (Mark 4:34). A parable is an earthly story with a heavenly meaning. Those who heard parables, and wanted to learn were rewarded while those who came to criticize heard the story but missed the point. A lamp on a stand is in the right place, but when it is put under a bushel or a bed it is misplaced. The gospel is like light, it is meant to shine. And when it shines, it scatters darkness, exposes evil and gives moral and spiritual direction. God's truth is meant to become known.

"If any man have ears to hear, let him hear." Good hearing is valuable. We live in a noisy world. There is much and there are many voices asking a hearing. "Take heed what ye hear." After having heard, thought should follow and then obedience, expressed in action.

Getting depends upon giving. Note the words, "with what measure ye mete it shall be measured to you." People who go to church with the idea of giving will receive much more than those who go to get. When a person has no desire for the truth of the gospel he will understand less and less. Today many people spend too much time listening to radio and television.

II. Growth in truth is gradual. "And He said, So is the kingdom of God, as if a man should cast seed in the ground." The kingdom of God is God's reign. The kingdom is like the farmer who sows seed in the ground and then waits knowing it will grow. The growth will be slow, spontaneous, gradual but sure. Jesus teaches us that the seed must be sown in order to get a harvest. The gospel must be scattered far and wide and if we do our part, God will bless the seed and a harvest will come.

III. Small seed may produce marked results. Jesus says that the kingdom of God is like a mustard seed which is small but becomes "greater than all the herbs." The Christian movement had humble beginnings but today the Christian faith is found all over the world and millions believe. The parable of the mustard seed has been fulfilled. We should never despise the day of small beginnings. A small church may become large, a weak church may grow strong. And let us not become trapped by the idea that bigness and numbers always mean spiritual power and greatness.

Proposed Mall Plans Studied

Aims of the newly organized Downtown Development Corporation of Holland (DDC) were explained at a meeting of downtown merchants and associates Thursday night in Hotel Warm Friend.

Dale Fris presided and Kenneth Zuverink explained downtown mall programs elsewhere and revealed results of a customer shopping survey conducted in Holland last summer by a department of Michigan State University.

No decisions were made on adopting the mall program at this point since Thursday's gathering was one in a series of many such meetings aimed at improving the downtown shopping district. The basic plans call for developing a mall on Eighth St. between River and College Aves. By that time, one-way traffic will be in effect on Seventh and Ninth Sts. The basic question of "can we afford it?" is generally off by the companion question, "can we afford not to?"

The MSU survey belied popular beliefs on some fronts. For instance, 76 per cent rated downtown parking as good or very good, and 65 per cent felt time allowed on parking meters was sufficient, even though they felt free parking was important too. Walking downtown was no real issue, but a need was expressed for more public rest rooms. Some 57 per cent felt mall landscaping would be more pleasant and only 20 per cent were interested in play areas for children on such a mall.

The survey was conducted

Holland Wins Seventh VCC Game, 93-59

The Muskegon Heights Tigers were as meek as kittens here Friday night as Holland romped to its seventh consecutive VCC victory, 93-59.

Holland coach Don Piersma credited a tough Dutch defense with the victory, but felt his team didn't play consistently good ball.

Despite this the Dutch were never in jeopardy.

Leading 18-15 late in the opening quarter Holland snapped off 13 straight points to initiate the donnybrook.

Dave Goselaar lead the early Dutch surge, netting 10 points in the opening quarter while Paul Overbeek added five points.

The Dutch stretched the lead to 45-26 at the half on the strength of the board work of Goselaar and Rick Zwiering and the effective man to man defense.

Zwiering did some fine board work in the second quarter and scored seven points to total 10 for the half, right behind Goselaar's 14.

The Heights made every conceivable move to get back into the game but all to no avail.

Holland increased its margin to 71-42 at the close of the third period, outscoring the Tigers in the quarter, 26-16.

There was no letup in the fourth quarter as the Dutch continued to pour it on enabling every player physically fit to see action.

Holland outrebounded the Heights in the game, 53-37, with Goselaar pulling down 18 rebounds and Zwiering, 14.

Goselaar also paced the Dutch in scoring with 26 points all on field goals. He was followed by Dave De Witt with 19 points, Zwiering, 12 and Overbeek 10.

This was the first time in nine games that De Witt has not scored 20 or more points. The streak, which began against the Heights the second game of the year, saw De Witt net 187 points.

Holland shot a fine 54 per cent on 37 field goals in 69 attempts. The Dutch hit 19 of 30 from the free throw line.

The Tigers shot a cool 31 per cent on 24 of 78 shots, including a frigid 10 of 41 in the first half.

The Heights staged a two man offense in the game with Jim Gordon scoring 17 points and Bart Bartels hitting 14.

Holland, now 8-2 for the year, travels to Grand Haven for a VCC contest Friday night.

Hamilton Drops Fifth Contest to Wayland

HAMILTON — The Hamilton basketball team hit a cold streak Friday night as they were downed by Wayland, 38-34.

The Hawkeyes inability to hit at the charity stripe cost them the game. Hamilton hit on two more field goals but hit on only six of 28 free throws while Wayland connected for 14 free shots. For the entire game, Hamilton shot 21 per cent and Wayland did little better, hitting only 25 per cent.

The Hawkeyes held the rebounding edge 56-43, as they were led by Cal Schrottenboer's 16 rebounds. Gord Poll added 15 and paced Hamilton in scoring with 11 points.

Wayland was led by center Don Kline's 13 points and 24 rebounds. Hamilton fell behind at the end of the first quarter, 14-8. In the second quarter the Hawkeyes came back to pull ahead 21-19 at halftime. However, in the third quarter,

Central Gains Second Win Over Maroons

Holland Christian's basketball team suffered a tough 65-64 setback Friday night at the hands of Grand Rapids Central Christian. The game was played before a packed house in the Civic Center, and was the Eagles' second win over the Maroons this season, winning 62-57 in the Knollcrest Fieldhouse Dec. 27.

The Maroons started out as if they would blow the game wide open. Leading 5-3, Christian got three straight baskets from Steve Baker for an 11-3 margin, and again led 15-7, before two foul shots by Randy Zylstra made the quarter score 15-9.

Don Ter Horst and Dennis Bos traded baskets before the Eagles connected for seven points, and their first lead of the game, 18-17, with 2:14 left in the half. Dan Brower's three baskets helped the Maroons regain the lead, 26-22 with 48 seconds left.

Central Christian hit twice from the charity stripe, and with three seconds left, regained the ball, through a long pass to Zylstra who scored as the buzzer sounded, and was also fouled. Zylstra completed the three-point play and the Eagles led 27-26 at halftime.

Christian's best shooting quarter was the first when they hit on seven of 17 shots for 41 per cent, while making five of 13 in the second period for 38 per cent. The Eagles had an ice cold 18 per cent in the first period on three of 16, but made five of eight for 52 per cent in the second quarter.

The Maroons, on two charity tosses by Bob Haven and one by Bruce Klaasen took a 29-23 lead before Don Ten Horst, who scored 11 of his 17 points in the

Hamilton managed only six points and Wayland went back into the lead 29-27 and was never again headed.

third quarter, connected, and the Eagles led the rest of the game. Central Christian went to a 34-29 advantage before Klaasen connected for three points. However, from then on, every time the Maroons came within two or three points the Eagles countered with a bucket or by their deadly accuracy from the free throw line, and held a 49-45 lead going into the final period.

The Eagles hit on eight of nine from the free throw line in the third quarter, to go along with 11 of 13 in the first half. Christian, meanwhile, hit their only two attempts in the first half, and five of six in the third quarter.

After playing evenly for six minutes of the final quarter, the Eagles went up by seven, 63-56 with 1:55 remaining. Refusing to quit, the Maroons fought back on a free throw by Baker, a three-point play by Dick Frens and a two-pointer by Klaasen, bringing them within one, 63-62, with 40 seconds left to play. Rick Bysma canned a pair of free throws with 31 seconds remaining, followed by Brower's bucket at 15 seconds. The Eagles were able to maintain control of the ball during the remaining seconds to take the win.

The Eagles hit on seven of 14 third period shots, and five of 11 in the final quarter, ending with 20 baskets in 49 tries for 40 per cent. Meanwhile the Maroons were seven of 24 for 28 per cent in the third quarter and six for 20 for 30 per cent in the final eight minutes. For the game the Maroons made 25 baskets out of 74 shots for 33 per cent.

The game was won at the free throw line as the Eagles made 25 of 29 attempts. Christian, although hitting for five more baskets, had 12 less attempts from the charity stripe, hitting on 14 of 17 tries.

Ter Horst's 17 paced the winners in scoring, with Zylstra adding 15 and Greg Broene 14. Brower had the game high of 21 for the Maroons and Klaasen contributed 11. Brower also grabbed nine of the Maroons' 26 rebounds, and Zylstra 14 of Central Christian's 25.

Calvin College Given \$100,000 Loan Fund

\$100,000 to Calvin College, college officials announced Monday.

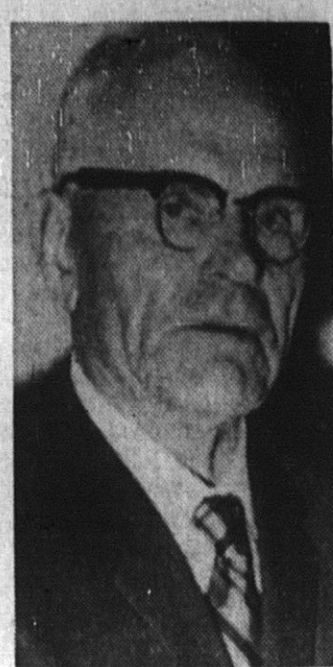

The gift will become a permanent loan fund for needy students with \$50,000 to be released now and \$50,000 at a later date not yet determined. The money will be invested in a mutual stock fund and the income from the fund will be available for student loans. Capital gains earned by the fund will also be treated as income.

When the fund is fully established it will earn about \$10,000 per year which will then be available as interest-free loans to needy students going into full-time Christian service. The loan may also be used for post graduate courses for deserving ministers desiring higher education.

An unusual stipulation of the gift is that when the students repay the amount they borrowed, it will not go back into the student loan fund but will go to the college to be used for whatever purpose college officials deem fit and at that point becomes an unrestricted gift.

The college will set up a special panel to administer the fund and one of the panel members will be the Rev. Tyman Hofman of Muskegon, a nephew of Mr. Postman. The other members of the panel are expected to be selected shortly. The panel will then set up rules for administering the fund and will make the selection of students who receive the loans.

Mr. Postman, who is 74, has been a farmer in Canada all his life. He immigrated to northern Alberta from the Netherlands in 1904 with his family where they homesteaded on

African scripts, Mr. Postman explained, were given to British soldiers when they returned from the Boer War and entitled them to land anywhere in Canada. Some who lived in England didn't want to pioneer in Canada so they advertised and sold their scripts.

Mr. Postman later bought 160 acres adjoining the family farm for \$10 and began farming on his own. He recently sold most of his land, which had come to total 800 acres, and plans to retire when he returns to Canada.

Mr. Postman, a bachelor and one of 18 children, is in Holland visiting his niece and her family, Dr. and Mrs. James Strikeland, 129 West 37th St.

Dr. King Sr. Makes Plea For More Love in World

An appeal for love in the world — so much love that there is no room for hate — was made by Dr. Martin Luther King Sr. at a public meeting Monday afternoon in the chapel of Western Theological Seminary.

Dr. King came to Holland from Muskegon where he spoke at an ecumenical service Sunday in Temple Methodist in Muskegon Heights and addressed the annual dinner meeting of the Muskegon County Council of Churches Monday night in Walker Arena.

Dr. King opened his message in Holland by asking all persons who plan to become ministers

He asked, "How can man grow up in a civilization that allows so much hate that men can bomb a church in Alabama on a Sunday morning killing four little innocent girls? And how can men kill in less than six years three of the finest men that ever lived? We must get a sense of love in this church business."

I'm not ashamed of the gospel and I won't stop preaching it; I will preach it with all the power, strength, preparation and thought I can muster. Nobody will make me hate and nobody will make me ashamed of the gospel," he said.

Dr. King who has been pastor of Ebenezer Baptist Church in Atlanta, Ga., for 37 years regrets the "segregation has not led to real intergroup among the races. 'I don't want a Negro church, nor a white church. We have white people in our church and in our choir. Don't ask if you are welcome at Ebenezer Baptist. Just come. We love you all.' He added that his surviving son, A. D. Williams King, is co-pastor.

During the question period he spoke movingly of his son, Dr. Martin Luther King Jr. who was assassinated less than a year ago. He said he and his family have never felt boastful — "we can talk about him all day and never boast — he was a wonderful person and now he's with Jesus. He never had one word of hate for anything. He was not here long but he did so much in that short time. He was the most committed person I've ever known."

Dr. King has little in common with the Black Militants. He much prefers to be called a Negro and has no desire to treat anybody the way he has been treated. He closed his message with singing "We Shall Overcome."

Dr. King was introduced by his Muskegon host, the Rev. Ervin G. Roorda, pastor of Central Reformed Church and president of the Muskegon County Council of Churches.

of the gospel to rise, and when some 60 or more stood, he said, "My advice to you is don't do it — that is don't enter the ministry unless you can't help it, I'd quit right now if I could help it, but I can't, and you won't because you can't quit. But when you do it, don't sob, don't play with God — and above all, preach! Preach sermons that people can see. Don't get all tangled up in all the sins, defend your thesis, prepare your message, then let God shoot through you like fire."

Dr. King said he was ashamed of some things going on today in the Christian Church and of many things that happen in America. He blamed preachers for a good share of the fault — "preachers like you and me who do such a poor job not teaching enough love."
