LOCAL FIRM BUYS FURNITURE STORE BUILDING

PAY \$18,000.00 FOR THE A. C. RINCK BLOCK ON EAST EIGHTH STREET

DeVries & Dornbos Have Done a Prosperous Business Since the Firm's Inception

Down right hard work and pluck have been two essential ingredients that have made the DeVries & Dornbos Furniture Co. a success.

In 1914 the firm was started and occupied the Steketee Block where the City Mission is now located. The rapidly advancing trade soon made these quarters too small, and the A. C. Rinck building at that time occupied by the John Oxner Furniture Co., was rented by this enterprising firm, and the stock of Mr. Oxner at that time was sold at a special sale to make room for the DeVries & Dornbos new stock.

The first two years the first and second stories were utilized for furniture and later pianos, phonographs and other things musical were added to the furniture line. These new departments together with the larger stock of furniture necessary made the two floors overcrowded and it was imperative that additional room be secured to accommodate the stock.

The Van Tongeren Cigar factory, located on the third floor vacated the building moving to the Slagh block, and this part of the building was put in shape to accommodate furniture salesrooms and for the purpose of storing extra supplies of furniture.

The firm having been thus thoroughly established, the members, Milo DeVries and Cornelius Dornbos felt that a permanent home should be secured, and no better one could be found than their present quarters. Negotiations were made with the owner, Mr. Rinck and the block was secured for a consideration of \$18,000. The dimensions of the building are 80x126 feet.

CITY BILLS WERE HIGH AT COUNCIL SESSION LAST NIGHT

The city had a large chunk of money to pay last evening. The new turbine at the light and water station has arrived which cost \$30,000 and with the regular bills of nearly \$6,000 and payment of city bonds and interest amounting to \$218,310.06, and \$44,465.68 for the turbine and other incidentals the grand total to go out of the city's strong box this week will be \$66,296.74.

"IT'S EITHER DOGS OR SHEEP," SAYS GIBSON

MICHIGAN'S AGRICULTURE FAR EXCEEDS ITS MANUFACTURING

Enough Pulp Wood Burned in Michigan to Supply All Michigan Papers with Paper

We came nearly forgetting John R. Gibson, who also spoke at the Victory club dinner Monday afternoon.

We all know this genial Scotchman, who has done more to develop farming and farm produce than any one man.

About two years ago Mr. Gibson was here to take up the matter of sheep-raising and to have a dog law passed isolating the dogs in such a way that the sheep would be protected.

The Victory Club lent its influence to have this law passed and now that it is passed Mr. Gibson says that efforts are being made in some quarters.

"They'll never succeed, of that I am sure," said Mr. Gibson, "but notwithstanding, it's either one thing or another, it's either sheep or dogs. It's either clothes on our backs, and meat on our tables, or a cur dog whining around the home. Take your choice, which is the most helpful and beneficial?"

"Michigan is one of the greatest states in the Union. There are more diversified industries here than in any other state."

"Our mining projects are unsurpassed. Our water power is second to none and our resorts and lakes are beginning to be the talk of the nation."

"We are within a few hours' riding distance of one-half of the population of this whole country. We are living in the heart of the nation, and just see what possibilities are in store for you people along the lakes."

But even greater than all this, is Michigan's agriculture.

"When Michigan was first surveyed and when it was still a territory the surveyors' report to Washington shows that the Wolverine state was nothing but a lot of land filled with swamps and morasses, inhabited by snakes and lizards and it was no good for anything, and sometimes I think that Washington has not got over this delusion yet, and Michigan is still suffering from that report."

"Just think, last year, \$50,000,000 in fruit was shipped from Western Michigan alone. Michigan stands clear at the top of the list when it comes to cereal growing. In sugar beets it stands third."

"Last year over 10,000,000 acres of ground were under cultivation, and just think of it, Michigan's proceeds from agriculture last year amounted to \$342,642,000 in agriculture."

"Then remember too our lumbering resources have not yet nearly been depleted. What we need for them is better fire protection."

"Last year nearly 300,000 acres of timber was burned over that could have been saved, and not alone was nearly half a million dollars' worth of timber, burned, but the humus in the soil, which it will take years to replace at great expense, has been burned out, which is by far the most damaging thing of all, and remember too that enough pulp wood could be made from this burned over territory to supply every small newspaper in Michigan, the backbone of their respective community, with paper at two cents a pound, while now these are all burdened with paper at ten cents a pound."

"It would help along this struggling unit that is doing much for the development of the country. Proper fire protection in our forests will mean the conservation of timber, humus in the soil, and our pulp wood, meaning more building material, more agriculture and more paper."

"I feel that this conservation is highly necessary."

ANOTHER FACTORY WILL BUILD A \$15,000 ADDITION

The American Cabinet Co. managed by Hyo Bos also proprietor of the Holland Lumber & Supply Co. have applied to the Common Council for a permit to build a two story 60x96 foot addition to their factory located on 16th street near Van Raalte avenue.

The wing will be build to the west of the present plant and the construction work will begin at once.

The firm makes phonograph cases and is rushed to over capacity making the additional floor space imperative.

The new addition will require considerable more machinery and will add a force of twenty men to the pay roll.

WHEN WILL THE GAS QUESTION BE VOTED ON?

SOME OF THE ALDERMEN WANT TO RUSH IT THROUGH FOR PRIMARIES

Time Is Too Short; Others Want the Matter to Come Up At the April Election

Although the report of Mr. Gifford, whom the city paid \$1,000.00 to figure on what a municipal gas plant would cost, has not yet been made public but is closely guarded in the vaults of the board of public works, this fact did not prevent the common council from discussing the gas question.

What started the ball a-rolling was a communication from Albion, Michigan, in which the mayor and common council of that city wanted to come to Holland to discuss gas franchises and gas rates generally. It seems that Albion is also troubled with gas on the stomach and the city fathers no doubt think that Holland having been troubled so long with this vexing question, may be able to point out some relief that may exactly fit their case.

Anyway, the city clerk has been instructed to invite the officials of Albion to Holland at their own convenience when these college town officials will be the guests of the city and the question that is uppermost in their minds will be discussed.

The communication again brought up the Holland situation and references made to the various petitions that are being signed freely.

Alderman Dykstra who is an ardent municipal ownershipite, states that he has a petition in his drug store containing nearly a hundred names and that two-thirds of these were present-day gas users.

He stated further that the other petitions being circulated contained approximately 1,000 names.

The alderman of the Fifth ward stated that the mayor has been trying to keep this question out of politics in order to have this project presented on its merits.

Mr. Dykstra believed that it should be presented at the March primaries when the majority of voters came out to vote.

Alderman Wiersema of the Sixth Ward however stated that there was no time to present the question properly at the March primaries and there was barely time enough to have it presented at the April election, if Holland voters were to be given a campaign of education.

Some of the aldermen thought that in April the voters were not so apt to come out and vote, as the primaries in March have heretofore settled most of the contests, and the election proper created very little enthusiasm.

Alderman Kammeraad pointed out that the presidential primaries, the city election and the gas question, all three could not help but bring out an overwhelming vote. (This seems to be the opinion of the majority of the aldermen.)

None of the city fathers seem to desire a special election, as was suggested by Mayor Bosch some time ago, claiming that \$200 could be saved by having the gas question come up at the April election.

There's no use going off half-cocked on this gas question. Judging from the petitions now being circulated it would seem that the signers are putting their signature to something of which they still know nothing about. It seems that the first thing that we should know is what is contained in Mr. Gifford's report, which has not yet been made public. We do not know whether a municipal gas plant will cost \$1.00 or one half a million dollars as far as information is concerned.

Furthermore several legal technicalities will have to be straightened out which may be bones of contention in further law suits.

For instance, according to the franchise, if that counts for anything, the company has been piping up to the stove of every consumer. Whom does this piping belong to? Nearly 1,500 of them.

Then our paved streets must be considered. Should we vote on a municipal plant we must find ways and means to prevent our already paved streets from being broken up. Furthermore, with a municipal gas plant of our own, unless we buy out the present gas plant, we must expect competition.

A great many of these technicalities may be provided for in the old franchise, and the consumer may, according to that old franchise, own the piping to the stove, obviating the digging through his lawn to make a new connection, but upon this question the voter is not informed. However, there are enough things that we do not know about the gas question that should be made plain to

NEW COMPANY LOOKING FOR SITE HERE

ASK COMMON COUNCIL TO DIRECT THEM TO A LOCATION IN HOLLAND

The Gummed Products Co. of Troy Wants 60,000 Square Feet of Floor Space

City Clerk Overweg received a communication from the Gummed Products Co. of Troy, Ohio, asking to be directed to a suitable site in Holland. The letters was also directed to the Chamber of Commerce and between the industrial committee of the Victory Club and the committee appointed by Mayor Pro-tem Lawrence, no doubt something may materialize. The council committee appointed by Mr. Lawrence, were Mayor Bosch, chairman, and aldermen Kammeraad, Dykstra, Wiersema, Brieve and Prins.

The communication is self-explanatory and follows below: Chamber of Commerce or Mayor. Gentlemen:--

We are seeking a location for a manufacturing plant. Please advise us if there is a plant in your city or vicinity for sale or lease.

We would want approximately 60,000 square feet, but a smaller plant to which we could add an addition might answer the purpose.

The plant must be located on a main line switch and we prefer one with boiler and engine installed.

If you have anything to offer please give us a description of the property and if interested, we will send an agent at once.

Yours very truly,
The Gummed Products Company.
G. L. Lertch, Gen. Mgr.

ANOTHER \$5,000 BUILDING TO BE ERECTED

BOONE ESTATE WILL BUILD ONE FOR WILLARD BATTERY SHOP

The H. Boone Estate applied for a license to build a pressed brick 1-story building 40x68 feet at the Northeast corner of Central Avenue and Ninth street. The building will be a beauty of its kind and will be occupied by the Willard Battery Service station owned by Ben Lieveense. The erection of the building will begin at once and it is expected that the structure will be up and ready for use when the auto season opens this spring.

It will be one of the most up-to-date minute battery stations in Western Michigan and will replace an old wooden shack that has been an eyesore for a long time. The building had been used for years by a local undertaker and was called the coffin house because caskets were in evidence when passersby glanced thru the windows.

HOPE QUINTET BEATEN BY KAZOO COLLEGE IN ROUGH CONTEST

Playing without the services of Captain T. Prins and his brother the Hope college basketball team went down to defeat before the attack of Coach Ralph Young's Kalamazoo college quintet in Carnegie gymnasium last night 21 to 19.

It was a rough but fast game. The Kazoo players took the lead early in the first half but failed to retain it. Hope came back strong in the second half, and at one time was in the lead. A field goal in the last minute of play by Strome spelled defeat for the locals.

McKay of the visitors was the star caging four field goals and nine out of twelve free throws. Van Putten and Jappinga secured three field goals each for Hope. W. C. Groening of Grand Rapids refereed.

the voter in order that he may go to the polls and vote intelligently.

While the question of gas is of vital importance to the city a few weeks more or less are not going to make any material difference, and by getting the desired information such as Mr. Gifford's report and other matters incident to the present gas situation, the voter can then vote intelligently when he goes to the ballot box.

A suggestion was made by one of the aldermen that the city attorney who is the best posted man on this subject write a series of articles setting forth the entire situation legally and otherwise we are sure that his knowledge would throw a great deal of light on the subject as Mr. McBride has studied the case from all angles.

As was said before, there is no use going off half-cocked on a question that concerns us so vitally.

HAMILTON NEWS

Dick Hunderman from Grand Rapids and Nick Hunderman from Drenthe visited friends in Hamilton.

Wm. Ten Brink was in Holland on business Monday.

The meeting was well attended when Dick Tanis from Vriesland spoke here about the Kentucky Mountaineers.

Jake Eding and Bert Veneklassen went to Detroit after autos but did not get any further than Kalamazoo. The snow was too deep to go farther.

There are twelve cases of measles in town.

STEAM YACHT NAMED AFTER CLEVELAND'S OLDEST DAUGHTER

Steaming out of Muskegon channel every day, except when the weather will not permit, the Ruth, once the pride of the late President Grover Cleveland and his private yacht on the Great Lakes, is doing its last work as a fishing craft on the waters of Lake Michigan.

The Ruth has had a diversified career. First as the pleasure yacht of the president of the United States, then a river steamer, then a ferry and pleasure boat again, and finally a fishing tug.

The boat was named after the only daughter of the late president, and was built in a Philadelphia shipyard in 1882. She then measured 82 feet over all and carried two masts. Powerful marine engines made her capable of doing 22 to 25 miles an hour which was almost unheard of speed at that time.

The Ruth made the trip along the Atlantic coast at one time with the president aboard from Maine to Florida, and despite storms held up without a single mishap or stop.

Following the death of President Cleveland the Ruth was sold to a navigation company, which placed her on the Niagara river as a sight-seeing boat. She was then run over to Chicago and for a number of years was the flagship at the yacht clubs. Leon G. Smith, a Muskegon contractor then purchased her and after refitting her sold her to another transportation company of White Lake, where she was used as a ferry. In 1907 she was taken to Sheboygan as a pleasure craft from which place she was finally returned to Muskegon, where local fishermen purchased her for their business.

DIES SUDDENLY AS RESULT OF HEART FAILURE

Mrs. George H. Cathcart, aged 63 years, died suddenly Thursday evening at about 7:30 o'clock as a result of a sudden attack of heart failure. Mrs. Cathcart had suffered a broken wrist as the result of a fall a week or two before Christmas and she was still carrying her arm in a sling. She had not been very well but her death was a sudden shock to her family.

Mrs. Cathcart was born in Holland and lived in this city most of her life. Her maiden name was Lydia Haverate.

The deceased is survived by the following children: Mrs. E. R. Kruijsenga, Port Jervis, N. Y.; Mrs. W. A. Clark, Flint, Mich.; Edward Cathcart of Ann Arbor; Misses Blanche and Emma of Holland.

The funeral was held Monday afternoon at 2 o'clock from the home, 182 West 13th street, Rev. P. P. Cheff of Hope church officiating.

FORMER HOLLAND WOMAN DIES

After an illness of about six weeks Marinus VanDuine died at Kalamazoo on Wednesday, January 28, at the age of 81 years, 10 months and 15 days.

Mr. Van Duine was born in Harwogen, province of Zeeland, Netherlands, and came to this vicinity in 1855. The first ten years he resided in Holland and afterwards he lived in Zeeland for 20 years and for the past 34 years he resided in Kalamazoo.

The deceased is survived by eight children; 22 grandchildren and 25 great grandchildren. Mrs. Van Duine died some eight years ago.

Funeral services were held on Saturday afternoon at 1:30 at the home of G. Van Tongeren in Zeeland. Interment was made in the Zeeland cemetery.

PIONEER PASSES AWAY IN THIS CITY

A pioneer resident of this section passed away Wednesday evening at about ten o'clock when death came to Mrs. M. Baron, at the home of her daughter, Mrs. Gerrit Helder, 441 College Avenue. The deceased was nearly 69 years old. She was born in the Netherlands and came to this country as a girl. For many years she lived on a farm in Zeeland township and about eight years ago she became a resident of Holland.

She is survived by her husband and six children: S. Baron of Beaverdam, Egbert, John and Henry, Mrs. Albert Boer of Zeeland, and Mrs. Gerrit Helder of this city.

The funeral was held Saturday forenoon at one o'clock from the home of Mr. Gerrit Helder, 441 College Avenue. Rev. Jas. Ghysels, pastor of the Ninth Street Christian Reformed church officiated.

Fishing for carp near Saugatuck has been tried during the past two weeks but has been found unsuccessful and the fishermen have given up the job.

Our January thaw seems to come in February.

SOLD STOLEN MUSKRAT FURS TO OWNER

Adopting the methods of the small boys of years ago, in the early days of the bounty system of selling sparrow heads to the county clerk, then picking them up again when the clerk threw them in the garbage can and selling them to him once more, four Holland young men tried to operate a profitable game in stealing muskrat hides and selling them back to the man they stole them from.

The four young men are Clarence O'Connor, Bernard Achterhof, Clarence Olin and Henry Alderink. Three of them were arraigned in Justice Robinson's court late Thursday afternoon on a charge of grand larceny. They waived examination and were bound over to circuit court being taken to the county jail in default of \$500 bail. The fourth, Henry Alderink, could not be arraigned because he is ill at his home with the flu, but his father promised he would have the youth appear in court as soon as it is possible to do so.

The three young men arraigned Thursday admitted their part in the crime to Chief of Police VanRy. The quartet are charged with stealing \$225.50 worth of muskrat hides.

HOPE BEATS MT. PLEASANT BY A SINGLE SCORE

Hope College Thursday evening turned the tables on Mt. Pleasant by defeating that team on their own floor by about the same score that Mt. Pleasant defeated Hope at Carnegie gymnasium some time ago.

The game at Mt. Pleasant Thursday night resulted in a score of 15 to 14 in favor of Hope. When Mt. Pleasant played in Holland the game resulted in a score of 16 to 15 in favor of Mt. Pleasant. The honors for the two teams are therefore about even, each team having one point to the good in each game.

FIRM GIVES MEN FIVE PER CENT BONUS

The Scott-Lugers Lumber Co. decided Thursday that in view of the fact that the company had had a prosperous year and the employees had shown their loyalty and goodwill and had made the interests of the firm their own, they were entitled to a share in the year's returns. Consequently the management handed out to the employees checks amounting to five per cent of the amount of their wages during the past year.

The employees then delegated one of the number to visit the News office with a request that the hearty appreciation of the men for the bonus and the spirit that prompted its award be conveyed publicly through the columns of this paper to the management.

DIES AFTER A LINGERING ILLNESS

Mrs. Hannah J. Zwemer died Sunday morning at her home at 119 W. Tenth street at the age of 55 years. The funeral was held on Wednesday afternoon at 2 o'clock from the home. Elder W. P. Elliott officiated.

Mrs. Zwemer had been ill for a long time. She is survived by the following children: Clarence J., Eliza B., Ruth H., John D., Edward W., Walter S. and Mrs. H. Maatman.

Mrs. E. J. Blekkink left Monday morning for Milwaukee to attend the funeral of her sister, Mrs. Henry Rensink, who died Saturday.

OTTAWA BOARD ADOPTS THE STANDARD SLEIGH

Ottawa County Road Commissioner Wm. M. Connelly sends the following: "The Ottawa county road commission, having grown discouraged over the state legislature's refusal to pass a standard gauge sleigh track bill has decided at a meeting that in order to prove the practicability of the 57-inch tread to require all the teamsters operating from its gravel pits to use this new gauge or tread of sleighrunner. This decision was made after several weeks of experimenting with three equipments operating from one of the county pits. This experiment proved quite satisfactory and it is expected it will result in several more counties adopting the plan.

"The state highway department will be asked to recommend to the road commission of other counties to adopt a similar ruling. It is hoped that by the next session of legislature this movement will result in some legislation which will force the adoption of the wide gauge sleighs throughout the state. The object is to eliminate the double ruts formed in the snow by driving automobiles and sleighs over the same road. The automobiles ruin the roads for sleigh traffic and the sleighs ruin the roads for motor traffic."

The Holland Y basket ball team put it all over the Hart team Friday evening when they played at Hart, defeating that quintet by the score of 18 to 8.

The old Airdome at Saugatuck is being moved to Newaygo where it will be used next summer for an open-air moving picture show.

BIG ADDITION TO BE MADE TO TANNERY

A large addition to the North Side tannery is announced by that concern, and the plans have advanced so far that the contract has already been let and work on the new building will start almost immediately. In sixty days it is expected to complete the big job, when the new building will be ready for occupancy.

The new building will be a large one, the dimensions being given in the contract as 83 feet by 161 feet. The new building will be of concrete and brick construction. The work will be started at once under the management of the Blome Senek Construction company, which firm has the contract as a whole.

The Blome Senek Company is a large contracting firm of Chicago. They make a specialty of erecting large buildings and plants throughout the country, and they have put up many of the Armour Co's buildings in various parts of the United States.

Following the policy of Armour & Co., the Blome Senek Company will recognize local contractors. They have already contracted with Boone & Meyers for the excavating, the Holland Lumber & Supply Co. for the cement and with Klaas Buurms for sand and gravel.

The local lumber and mill concerns will no doubt receive a large part of the work, and local mechanics and laborers will be employed as much as possible.

The Cappon & Bertsch Leather Company, as an Armour Company institution, has enjoyed rapid expansion during the past few years, and the present new building to be erected in the immediate future, is in line with the company's policy of steady growth.

LOCAL CHURCH IN CHALLENGE TO THE STATE

The First Reformed church of this city claims to have the largest Christian Service flag in the state of Michigan. So confident are the officers of the church that no other church in Michigan can beat the record of the local congregation that what amounts to a challenge will be placed in the "Sunday School Advance." If any other church can show a larger Christian Service flag, the local church wants to be shown.

A Christian Service Flag is a banner composed of stars representing ministers or missionaries going out from that church who have made confession of faith there. The First Reformed church has 39 of those, 33 being silver stars and six gold stars, the latter representing those who have died. Tuesday evening the military Service Flag of the First Reformed church was demobilized, and the Christian Service Flag was dedicated. The Military Service Flag of this church was also a large one, a total of 98 young men having served Uncle Sam in the war. This flag has two gold stars, representing Cornelius Barkema, who died in France, and Marine Bishop, who died on his way back from France to his home here.

The following program was given Tuesday night: Devotionals, Rev. S. Vander Werf; address of welcome, Rev. Jas. Wayer; Response, Bernie Mulder; solo, Cora Vander Werf; message from former pastor, Rev. H. J. Veldman of Newkirk, Ia.; to be read by Anthony Nienhuis; demobilization of the Service Flag, roll call, and tribute to the departed, Dick Boter; dedication of the Christian Service Flag, Rev. M. Stegeman of Overisel; Prayer, Rev. S. Vander Werf; "America," audience; benediction, Rev. S. Wayer.

The public is cordially invited to attend these exercises.

HOPE STUDENT FALLS VICTIM TO PNEUMONIA

Anthony P. Meengs, a Hope college senior, died Sunday afternoon after about a week's illness. Mr. Meengs was 24 years old. He was the son of Mr. and Mrs. Henry Meengs, 132 East 12th street. The young man would have graduated from Hope College in June if he had lived. He is survived by his parents and one sister Anna.

The funeral was held from the home at 1:30 o'clock Wednesday afternoon. It was private. Rev. C. P. Dame of Trinity Reformed church and Rev. G. Tyse officiated.

NUNICA MAN ON NEWBERRY JURY HAS AN OPINION

Martin Easterly of Nunica called on the jury in the Newberry cases in federal court Thursday stated that he was personally acquainted with Senator Wm. Connelly, one of the respondents. The Ottawa man said he had a decided opinion which would require evidence to remove. George Christman of Spring Lake, a member of the jury was excused from attendance at the trial because of illness.

DU MEZ BROTHERS

"What We Say We Do, We Do Do."

31-33 East Eighth Street

HOLLAND, MICHIGAN

LOCALS

Born to Mr. and Mrs. C. J. De Koster of Zeeland, a ten pound girl, Erna Althea.

Dr. Samuel M. Zwemer of Holland was the only honor guest at a dinner given by the students of the Calvin college in the Hotel Pandlind Saturday.

John Oudman sold his farm on the Fairview road to Henry Brummel for a consideration of \$5000. Mr. Oudman will reside in Holland and has purchased a house and lot here.

Wm. Geertman moved his family and household goods from Centennial street, Zeeland to Holland. The house vacated in Zeeland is now occupied by Henry Blauwkamp and family.

Mrs. Letitia Wells, wife of the P. M. station agent at Zeeland, fell on the icy walk along the VanBree drug store in that city and suffered a double fracture of her left leg just above the knee.

A petition asking a 25 per cent increase in salary has been signed by all teachers in the Grandville schools and submitted to the board of education. The teachers have been advised that the raise cannot be granted but that a bonus will be paid them at the end of the school year.

The ingenious machines used by the government census bureau to count, sort and tabulate the information gathered by the census enumerators are the product of the bureau's own laboratory. The sorting machines will take care of 300 cards per minute, the counting machine can do 500 a minute and the tabulating machine is capable of handling 400 cards each minute.

The last of the Hudsonville soldier boys has returned. John Oulddier, who has been stationed at Ft. Whipple returned this week. He has been one of the 200 soldiers at Ft. Whipple to care for the 500 men who are there in the tuberculosis hospital.

Beaverdam Creamery Co. has closed a prosperous year. At the meeting of the stockholders a 20 per cent dividend was paid. C. Huyser was elected manager and C. Van Farrow secretary.

Dr. Samuel M. Zwemer, reputed to be the greatest authority in the world on Mohammedanism and Mohammedan countries, will deliver a series of lectures at Ann Arbor this week. Dr. Zwemer is a native of Michigan.—G. R. News.

Prof. Hinkamp of the Western Theological seminary conducted the services at the 2nd Ref. church of Zeeland last Sunday. Rev. B. Hoffman pastor was ill. Judging by his condition at this time he will not be able to preach next Sunday and Dr. Henry Dosker will fill the pulpit.

The basketball game between the Zeeland High School team and Saugatuck High team in score reminds the writer of the first game of base ball played between the Holland "Black Diamonds" and a Zeeland team some thirty years ago. The morning game resulted in a score of 101 to 1 in favor of the Holland team. Then the Zeelanders became angry and quickly organized an old team for a game in the afternoon. The score stood 58 to 0 in favor of Holland's Black Diamonds. Ever since those two drubbings Zeeland has been having teams that were right up to the minute. The score of the basket ball game of Friday stood Zeeland 71, Saugatuck 2.

Mrs. Anna B. Masten left for Albion, Mich., to care for her son Will C. Masten who is ill with the influenza.

Mrs. Henry Holstege passed away in Zeeland after having been ill for many months. She was 60 years of age and leaves a husband and four children. Funeral services were held Saturday afternoon.

Hamilton, Allegan county is at present suffering from an epidemic of measles. The cases are mostly among the school children. The attendance at the school has been lessened by about one-half.

"Professor" Gustave Meyer of Hoboken, noted astrologer, finds by looking at the stars that beer and light wines are coming back to the United States soon. Another up-lift movement among the "bar-fies" as it were. These will now look heavenward for guidance after having gazed the other way since the world began. However, if the liquid refreshments must come from Mars, far-beer rather than near-beer would seem the most appropriate name.

Mr. D. S. Snyder from Holland, was a visitor on January 27th at the big exhibit of Southern California products maintained free to the public in the Los Angeles Chamber of Commerce. He also attended the lectures and moving pictures that are a part of the daily program. The exhibit is the largest of any in the country maintained by a commercial organization. Before returning home Mr. Snyder expects to visit several of the many other places of interest in the Southland.

The Grand Haven Tribune management has again raised the price of the paper. Says the Tribune: "This rate is made absolutely necessary by the steadily mounting price of print paper. Paper which used to cost this office less than three cents a pound in ton lots now costs over 9 cents." The Zeeland Record recently raised the rates of that paper one-third more and boosted advertising rates to 20 cents an inch.

At a meeting of the new Zeeland Canning Co., the following directors were chosen: Charles L. Corey, Isaac Van Dyke, N. Hoffman, J. N. Clark, and Martin Bareman. The directors elected the following officers: President and Manager, C. L. Corey; vice president, N. Hoffman; secretary and treasurer, J. N. Clark.

At the January meeting of the P. T. Council it was unanimously decided to convert all the P-T meetings for February into a single union meeting to be held in the high school auditorium on the evening of February 18. A special program is being prepared. Further announcement of the details of the meeting will be made later.

There was a good attendance at the meeting of the Federation of the Women's Adult Bible Classes in the 14th street Christian Reformed church Friday evening. An address on "Why We Believe the Bible to be the Word of God" was delivered by Rev. H. Beets of Grand Rapids. A trio, Mrs. Niel De Jong, Mrs. Prins, and Mrs. J. Vaupell, sang "Daddy." Refreshments were served and a social hour was enjoyed.

Mrs. Albert Van Dyke of W. 20th street underwent an operation in the Blodgett Hospital. The operation was very successful.

The first strike of teachers who are asking for higher pay, was pulled off in Sand Lake, Michigan. No wonder it was successful for it takes sand on the part of these young women to start a thing like that and get away with it especially with the average town board.

Thirty recruits were enlisted from Zeeland into the National Guards by Capt. C. Westra of Grand Rapids. We have heard of no enlistments from Holland. Grand Haven already has a company F allotment filled.

Ten couples, members of Father Wyckoff's Community Club, went on a resorting trip to Macatawa at the Te Roller cottage Saturday night with Mrs. Sullivan as chaperon. A pleasant evening of games, winding up with refreshments were features.

The dates of the play "Officer 666" have been changed from Feb. 3 and 4 to Feb. 5 and 6. The management was forced to do this on account of the game between Hope and Kalamazoo Normals Wednesday night.

Little Gertrude De Witt, the 2-year-old daughter of Mrs. Gerrit De Witt, died at the home of her mother, 53 West 2nd street. The funeral was held Monday afternoon at 2 o'clock.

"The Doughboy" presented at the Knickerbocker theater Holland, last week by Willard G. Leenhouts Post of the American Legion, may be seen at Saugatuck soon if satisfactory arrangements can be made.—Saugatuck Commercial.

Saugatuck is experiencing a coal shortage and a number of instances of extreme suffering have been reported during the zero weather of the past ten days.

Miss Helene Dyke, who is studying at Albion College, is home indefinitely, owing to the fact that this institution has been closed because of the flu epidemic.

Talk about a carp, Frank Pickett speared the largest one ever taken in the Kalamazoo river in Allegan county. The game fish later weighed thirty pounds.

John Hulaman of Overisel, sold to Henry Hoek's his forty acre farm in Overisel for \$4000 according to the list of Allegan county real estate transfers.

The groundhog saw his shadow often Monday but who gives a whoop if six weeks more of winter is all that is in store for us.

Capt. and Mrs. George Nauta expect this week to commemorate the 57th anniversary of their marriage. Mr. Nauta is an old sea captain having sailed the old three-masted Wal-len and Kanters in the days of the "windjammers."

Born to Mr. and Mrs. Paul Frederickson—a son.

Born to Mr. and Mrs. John Pieper 528 Central avenue, Saturday, a girl—Kathryn Ruth.

Death for the third time within a few months invaded the home of Mrs. J. Elferdink. The mother died last fall and two daughters died within a week. The first was buried last Thursday and the third death was that of Mrs. Hannah J. Zwemer.

The Victory Club will hold its dinners every week instead of every two weeks for the next eight weeks. There is considerable doing in the way of the housing proposition, new factory projects, etc., that will need considerable discussion from time to time and it is thought that a meeting more often would be more beneficial in the development of these projects.

If no old newspapers are available just use negotiable bonds to start your fire with. At least that is what Harry Woodman, of East Burlington, N. J., is said to have done. He came in the other day and started a fire in the stove. A few minutes afterward when the room was getting nice and warm, he missed \$4,500 in negotiable bonds. After searching the house for them, Mr. Woodman came to the conclusion that he must have picked them up with some waste paper and kindled the fire with them.

Mr. Dan Stern completed the details in the purchase of the Dryden block Tuesday. There were numerous heirs and a guardian had to be appointed for one of them and all this took time. Mr. and Mrs. John F. Dryden of Holland were in the city and the papers were signed at that time completing the sale. The block is located at the corner of Locust and Trowbridge streets and is occupied by the Allegan Hardware company on the first floor.—Allegan News.

Licenses are needed these days for everything. Recently the auctioneers found that they had to pay \$50 a year to be allowed to ply their trade, and now the real estate dealers have been added to the list. Or rather, they were added some time ago, but just now the real estate dealers of Holland are being called upon to pay their fees to the state. Some of them have already done so, and in return they have received a neatly made out form showing that they are duly accredited, the document looking something like a barber's license, only not quite as imposing as the credentials of the tonsorial artists.

BIG FIRE AT THE SUPERIOR IRON FOUNDRY

At 8:30 o'clock Monday evening an alarm was turned in for box 16 which is the Pere Marquette Passenger depot. The alarm did not create any great concern among the citizens of Holland, and many jokingly remarked that the city would now have the much needed new depot so oft-times promised before.

But the city was destined to be unfortunate rather than fortunate for the reason that the fire was not in the depot, but in the Superior Foundry, one of our flourishing institutions managed by Dr. Knooihuizen.

Fire started in the core building directly south of the main building, said to have been started by a defective core oven. The building was pretty well gutted and the contents were destroyed.

It will take all of thirty days to put the plant back in commission and in the meantime some forty odd employees will be thrown out of work temporarily.

The fire had gained a good start before the alarm was turned in, but prompt action on the part of the fire departments no doubt saved the main building from destruction.

Manager Knooihuizen was not ready to give details, in fact could not give information as to the fire loss to the company.

Plans are already under way to repair the damages done Monday night.

MANUFACTURERS BACK UP THE RESORT ADVERTISING

Mr. Gray, for thirty years with the C. & W. M. and the Pere Marquette railroad, now with the Michigan Resort and Tourists association, was in the city Monday and spoke before the Victory Club in regard to the good work that this association is doing.

Last year \$16000 was subscribed by the Manufacturers and Business men of Michigan to boom Michigan resorts in general.

This association placed ads in 93 large daily papers, outside of Michigan, having a combined circulation of 4,723,000 subscribers. Thousands of letters of inquiry were received to this Michigan resort association coming both to the Chicago and Grand Rapids offices.

This association does not mention any Michigan resorts specifically, but advertises Michigan as the most wonderful resort district to be found anywhere in the United States.

Maps are sent to the inquirers and detailed literature and pictures of all Michigan resorts are also sent. In case that an inquiry comes for a special locality, these letters are then sent to the subscribers of that locality who take the matter up further with the prospective tourists.

This paper has made inquiry from local resort hotel men and they are enthusiastic about the work done by this association, and altho this method has only been started a little over a year, it has made a wonderful difference even in the Holland resort business.

This city cannot afford to neglect its resorts. It is one of the best assets that this city has in the summer time, and a great deal of money is left here because of the tourists.

Mr. Gray pointed out that St. Joe subscribed \$700, Benton Harbor \$500 and Gr. Rapids \$6,000, while the northern resorts such as Petoskey, Bay View, Frankfort, White Lake and others paid their proportion towards this publicity scheme. and Holland's appropriation of \$600 wasn't considered far out of the way and was quickly subscribed by manufacturers and business men who were at the Victory Club dinner.

The buyer that wants a good Dodge Touring car should get in touch with the Holleman-Deweerd Auto Co.

MAYOR'S DAUGHTER UNDERGOES OPERATION

Miss Colombe Bosch, daughter of Mayor and Mrs. N. Bosch underwent a serious operation at Holland hospital. The operation was performed by Dr. Ferris Smith of Grand Rapids, assisted by Dr. Mauritz. Miss Bosch's condition is reported as satisfactory.

The operation was a critical one, and although Miss Bosch passed a good night, she is not yet considered out of danger. That troubles usually do not come singly is illustrated in this case, since two other members of the family were ill when the operation was found to be imperative. Mayor Bosch and son Gerald are confined to their home.

FARMERS

—Common Sense is Needed—

Isn't it time for the agriculturists of the nation to get together and take care of their own business affairs in a business-like way and have something to say about the prices that are to be paid for the produce of their farm?

With labor fighting capital and capital fighting labor, imperiling our national life, doesn't the country need an expression of the "horse sense" of the farmers to force these classes to terms and restore economic peace in this country?

But Organization is Necessary if the farmers of this state and of the nation expect to make their demands for a "Square Deal" heard. And now, to do the farmers' business in an efficient, business-like way, is a big, powerful, respected fact—

The Michigan State Farm Bureau

It is ready to go to work for you. It is ready to solve your problems, commercially, legislatively and educationally. You owe it your sincere support—morally as well as financially. It can't succeed in doing the important thing it intends so do to make farming more profitable and attractive if it lacks the hearty, spirited backing of the majority of the farmers of the state. It can be no bigger than its individual members make it. Get in line and help make it the biggest, strongest and most efficient farm organization that the state, the nation and the world have ever known.

FARMERS ALL OVER MICHIGAN

—are recognizing the power that is theirs in unity and so are joining the MICHIGAN STATE FARM BUREAU as fast as the state membership drive strikes their country. The state campaign, now reaching into Genesee county is young scarcely six weeks old—but already it has won the support of 2,000 Oakland county farmers; 1,300 Barry farmers; 1,500 Allegan farmers and many others in Van Buren, Montcalm, Gladwin, Lapeer and Genesee counties, who have realized the vital importance of the farm bureau movement to the future of farming and have signed up on a basis of \$10 a year—of which \$5 remains in the county for farm improvement work and \$5 goes into the state and nation organization's treasurers.

Farmers of Ottawa County—"Let's Go"

with the rest of the progressive farmers of Michigan and help build the Michigan State Farm Bureau into a bulwark for the farming industry of the state.

"Le Judgment Dernier"

From Colorado comes the news that another one of Holland's boys is making good. A very interesting sketch by Almon Heath appeared in a recent issue of the "Pueblo Chieftain," with which paper he is now associated as cartoonist.

Mr. Heath was born in Holland in 1895 and attended school here until his parents moved west to Colorado. Finishing the high school at La Junta he soon afterwards started out as a "Chalk Talk" entertainer, at which he was very successful. Mr. Heath is a brother of Roy Heath of Macatawa Park.

When Uncle Sam's boys defeated the invaders at the Argonne woods he was one to feel the horrible vengeance of the Boche. He was carried off the field where many of his comrades had paid the supreme sacrifice. As soon as he could get around again he went on the A. E. F. Circuit as an entertainer, but the gas had injured his throat and lungs so much that he was forced to give it up. While at the hospital he was not idle, however. He made many interesting sketches and wrote several articles, among them being the one which we reproduce in the Sentinel.

This sketch was exhibited in the Colorado State Fair and was awarded first prize.

We wish him success and feel proud to know that another one of our boys is forging to the front.

LE JUDGMENT DERNIER.

A number of people have shown a great interest in the copy of the painting called "Le Judgment Dernier," or, in English, "The Last Judgment." I am submitting the following from notes which I made during my visit to the Hotel Dieu while I was a patient in Base Hospitals Nos. 61 and 96 at Beaune, France.

One Sunday several of my buddies and I started out to find the museum of the Hotel Dieu. We had heard a great deal about the place, and especially the painting called "The Last Judgment." After rambling around

the narrow, crooked streets of Beaune for several hours we finally found the entrance to the building near the Market Place.

One of the boys by the name of Edward Daigle (from Muskegon, Michigan), spoke French, so we had no trouble getting into the place. Only eight persons were allowed to enter at one time. We arranged to enter first because there always was a great crowd waiting to get in as soon as the doors were opened. We gave the custodian a few pieces of money as we entered and he bowed and smiled only as a Frenchman can. I looked around the place rather hurriedly. There were a number of interesting objects, such as the body of a carriage in which Louis XIV rode. There was an old book that contained the signatures of the kings of France. Some remarkable paintings hung on the walls. There were several pieces of tapestry hanging here and there. Cut glass and pieces of dishes of ancient make were in cases along the walls.

The room adjoining this was of the most interest to me. I had heard of the wonderful painting called "The Last Judgment." I had read about the remarkable paintings of the great masters—how real and life-like they appeared—and now I wanted to see for myself.

I had expected to see something wonderful, but nothing quite so remarkable as the sight that I witnessed. If living human beings had been placed in exactly the same position as the figures on the canvas they would not have looked more real. The custodian handed me a magnifying glass and pointed to the eyes of the figures. I held the glass up to it. To my astonishment the very smallest, blood-shot veins on the eyes loomed up until I felt that I was looking at the person himself. I held the glass over the hair and it seemed that every hair had been painted separately. The closer one examined it the more one could see.

The painting occupied the entire side of the room. It was painted by Roger Van Der Wayden, also known by his French name as Roger de la

Pasture. He was born at Tournay in Flanders in 1399. Little is known regarding the life and works of this wonderful man. When the Hotel Dieu was founded in 1443 by Nicolas Rolin and his wife for the Duke of Burgundy, Van Der Wayden was employed to paint this altar piece for the chapel. It required about seven years to complete the work. A few years later, in 1464, he died at Brussels.

The Morgan and Carnegie art collectors have offered millions of dollars for this painting. It was painted especially for the Hotel Dieu and they will not part with it at any price. In order to get this copy it required considerable time and patience. I made a great many visits to the museum. The custodian did not like even the idea of anyone's getting a copy and cameras were forbidden. I made a great many notes on small pieces of paper. Mr. Daigle engaged the custodian in conversation while I studied the different expressions and made note of them.

The last visit that I made to the museum I made a sketch of Roger Van Der Wayden from a small picture that was kept in a case below the painting. I had finished the face and was making some notes about the eyes when the custodian said, "No, no, monsieur!" I put the note book away.

Although this painting was made about five hundred years ago, while France was still a feudal state, the religious thought is little changed from that Middle Age conception of the Last Judgment.

Probably the artist's idea was built around the words of Christ as set down in John, 28 and 29.

28. Marvel not at this, for the hour is coming in the which all that are in the graves shall hear His voice.

29. And shall come forth; they that have done good unto the resurrection of life, and they that have done evil unto the resurrection of damnation.

The figure at the top of the center panel is the Master with the earth as his footstool. Just below Him is the Angel Michael holding the scales to

weigh the good and the bad. On each side of Michael are the angels blowing their trumpets calling the dead from their graves.

On the left hand of the Master is John, the Baptist. Behind John are six of the apostles and behind these are Madam Rolin, the Duchess of Burgundy and her daughter, Mary. The last panel shows the entrance to hell. The lower portion of the panels on this side represent those who have done evil and are condemned to damnation.

The panel on the right hand of Christ shows the first figure to be the Virgin Mary. Behind her are six more of the apostles and following these are Nicolas Rolin, the Duke of Burgundy, a son of Rolin and Pope Eugene the IV, the pope of that period. The last panel on this side shows the entrance to heaven. The figures on the lower half of the panels are those "that have done good, and are going forth unto the resurrection of life."

MAY INCREASE THE SEMINARY FUND

If a plan suggested by Dr. J. W. Beardslee, sr., of New Brunswick, N. J., materializes the endowment fund of the Western Theological Seminary will be increased before May by \$40,000. Dr. Beardslee has offered a donation of \$5,000 to this end, provided \$35,000 additional is raised before next May. The fund would be used for the endowment of the chair of New Testament language and exegesis, the branch formerly taught by Dr. J. W. Beardslee, jr.

Last June when Dr. Beardslee, sr., spoke at a seminary banquet, he made the statement that although he lived in New Brunswick, his home was still in Holland, and the offer of his latest donation, one of several during the past few years, shows he is thinking of the institution that he served most of his life.

IN OUR DAYS IT WAS THE BIG PADDLE

Because of a feeling of dissatisfaction, unrest and a growing alienation between pupils and faculty of the high school at Allegan, a mass-meeting was held Tuesday afternoon in the high school room, following the regular session, for the purpose of formulating plans for overcoming the difficulty. The sequence of the stacking of books, which occurred some time ago, and other disgraceful actions of unknown persons about the school had been the cause of this feeling. It was decided to elect by ballot one representative by all the classes, the latter to be the chairman of a body to be known as the High School Student Council.

With this organization it is hoped to promote all bona fide school interests and assist in the guarantee of justice in matters tending to create friction and misunderstanding between students and teachers, these ends to be achieved thru co-operation. The council is to consult with the faculty and superintendent on any situation which may be deemed pertinent to the best interests of the school, and any student may avail himself of the services of the council by personally presenting his grievance to the representative of his class who shall lay the matter before the council. If the question is then deemed of sufficient importance to warrant further action or consideration the council will take it to the superintendent. The meeting was conducted in a business like manner and could in no way be considered "boys' play."

This news item would seem strange to boys of the old school. In those days the conference was only at the request of the teacher and the argument consisted of a hickory stick effectually used on the seat of a pair of trousers.

Miss Vander West has returned home after spending six months with her brother and sister in Orange City, Iowa. She also visited Rev. and Mrs. H. J. Veldman of Newkirk, Iowa.

FIFTH WARD ALDERMAN ANNOUNCES HE WILL NOT ACCEPT RE-ELECTION

Ald. John Dobben announced Saturday that he would not be in the race in the spring primaries for the office of council member of the 5th ward. Mr. Dobben had been slated by a large section of his ward for re-election as a matter of course on the strength of his fine record in the council during the four years that he has been serving the city. But he vetoed the suggestion as soon as it was made.

Mr. Dobben had planned a short time ago to resign from the council before his term expired because of the fact that he has accepted a new position with the Home Furnace Co. which will take him out of the city so much that he will not be able to attend many of the council meetings. But since his term is almost out he was prevailed upon to stay until the end.

But the new position which came in the nature of a fine promotion for Mr. Dobben will prevent him from seeking re-election and he is announcing the fact as early as this so that other prospective candidates in the ward may know he is not running.

Mr. Dobben will remain a citizen of Holland but his territory for the Home Furnace Co. is the states of Michigan, Wisconsin, Illinois and Indiana, where he will have charge of the sales force. His former territory of Ottawa County has been assigned to David Verecke.

During his four years in the council, Mr. Dobben has given the city fine service. He served on the important Ways and Means committee, and was also chairman during one term of the Committee on Poor and during another term of the committees on Public Buildings and Property.

Father Wm. Wyckoff of Grace church was in Grand Haven Friday on business.

RETURNS FROM POULTRY SHOW IN NEW YORK

But Dr. Heasley Leaves Again for West Palm Beach, Fla.

Dr. L. E. Heasley has just returned from New York where he was in attendance at the National Poultry Show, held at Madison Square Garden yearly. This is the greatest show in this country, at which the Government makes a large exhibit, as well as carries on a course of instruction. At this place the very best in poultry is gathered together and judged according to its merit and prizes awarded. Dr. Heasley attended in the interests of Geo. Ferris. Last year he purchased the first prize cock bird at this show for \$500 and this year he purchased the bird winning the coveted prize, first S. C. White Leghorn cock bird, at an unnamed price.

Soon after his return Dr. Heasley left for West Palm Beach, Fla., where Mr. Ferris has a branch Leghorn farm. He has supervision over this plant as well as the branch at South Bend, Ind., and the main plant at Grand Rapids.

Mrs. Heasley accompanied him on this trip and they expect to be gone about three weeks.

The Star of Bethlehem, O. E. S., Friday night gave a pot-luck social and party to the members and invited friends. About 150 were present and the evening was spent in card playing and dancing. The party was given by Mrs. Frank Oosting, W. M. of the order. When Mrs. Oosting received the congratulations of all present for the enjoyable evening spent she was also reminded that it was the anniversary of her birthday.

BROTHER OF LOCAL BUSINESS MAN DIES

Dr. Richard Boonstra, 25, son of Frank Boonstra of Zeeland died Friday of pneumonia. Dr. Boonstra was a physician in Detroit. He was stricken with pneumonia a few days ago. Dr. Boonstra was a graduate of the U. of M. Medical School. During the war he served the United States. Dr. Boonstra was a brother of D. F. Boonstra of the Holland Milk Products Co. and secretary of the local draft board during the war.

WAS FINE GAME FULL OF EXCITEMENT

Friday evening Holland High's basketball team added another game to its string of victories by defeating Union High of Grand Rapids by the score of 32 to 16. The splendid team work of the speedy Holland quintet proved too much for the Unionites. The clever pass of Coach Horne's men dazzled the Grand Rapids team who were completely played off their feet during the first half. Capt. Irving and Boyd played a masterful defensive game which was the chief cause of the low score.

Lineup and Summary—

Beeuwkes	R. F.	Hill
VandenBrink	L. F.	Cherry
Steggerda	C	Tufts
Irving	R. G.	Hultman
Boyd	L. G.	Eckart

Field Baskets—Beeuwkes 5, Knutson 5, Steggerda 3, Irving 2, Hill 2, Cherry 3, Tufts 1. Goals from foul—Steggerda 1 out of 3, Irving 1 out of 3, Hill 4 out of 7. Substitutions—Knutson for Vanden Brink.

In the preliminary game Holland High Reserves defeated Union Reserves easily by the score of 26 to 10. The Reserves excelled in every department of the game. VanDuren was easily the star, scoring five field baskets in ten minutes of play.

LOCAL SPORTSMEN MAKE KICK ON

Local dissatisfaction with state laws governing the catching of perch and other fish in local waters may find expression Thursday evening, Feb. 5, when the annual meeting of the Michigan Sportsmen's association will be held at the Pantlind hotel in Grand Rapids. It is expected

that a delegation of Holland sportsmen will attend the meeting. Those who wish to go are requested to hand in their names immediately to H. Van Tongeren. Mr. Van Tongeren will have charge of the local arrangements for attending the meeting and reservations may be made through him.

It is intimated that a number of local people are dissatisfied with the law which compels outsiders to pay a license if they wish to fish, and many are also dissatisfied with the law that limits a fisherman to 25 fish in a single catch.

The license for outside fishermen has caused dissatisfaction because of the fact that it is looked upon as an unnecessary hardship on resorters. The local policy is to welcome resorters and to make things as pleasant for them as possible. Many believe that the law is having the opposite effect.

As to limiting the catch to 25, that law is not being taken very seriously, but it is being objected to by many who would like to feel that when they go out for a day's fishing they are not violating the laws of the state.

At any rate, it is expected that these matters will be brought up for discussion Thursday evening, as all sportsmen attending the convention will be given opportunity to express their opinion on such matters.

The principal speaker of the evening will be Hon. Chase S. Osborne, former governor of Michigan.

WANT TO PLAY A HOLLAND TEAM

The following challenge has been received for publication from the Horlick-Racine basketball team. Holland teams have a chance to get in on this. This team claims to be

Acid-Stomach Makes 9 Out of 10 People Suffer

Doctors declare that more than 70 non-organic diseases can be traced to Acid-Stomach. Starting with indigestion, heartburn, belching, food-repeating, bloating, sour, gassy stomach, the entire system eventually becomes affected, every vital organ suffering in some degree or other. You see these victims of Acid-Stomach everywhere—people who are subject to nervousness, headache, insomnia, biliousness—people who suffer from rheumatism, lumbago, sciatica and aches and pains all over the body. It is safe to say that about 9 people out of 10 suffer to some extent from Acid-Stomach.

If you suffer from stomach trouble or, even if you do not feel any stomach distress, yet are weak and ailing, feel tired and dragged out, lack "pep" and enthusiasm and know that something is wrong although you cannot locate the exact cause of your trouble—you naturally want to get back your grip on health as quickly as possible. Then take EATONIC, the wonderful modern remedy that brings quick relief from pains of indigestion, belching, gassy bloating, etc. Keep your stomach strong, clean and sweet. See how your general health improves—how quickly the old-time vim, vigor and vitality come back! Get a big box of EATONIC from your druggist today. It is guaranteed to please you if you are not satisfied your druggist will refund your money.

Earning Power

The return of the telephone properties to their owners, means that they must be financed, in the future as in the past, by private capital.

To make this possible the Telephone Company must be able to show an earning power that will produce revenue sufficient:

- To provide modern equipment;
- To maintain the property in perfect condition;
- To pay fair wages to experienced and skillful employees;
- To provide reserves to replace worn-out property;
- To pay the heavily increased taxes;
- To pay bond interest and a fair dividend to stockholders.

The earning power rests on the rate schedule. If costs increase, rates must correspondingly increase. If, later on, costs are lowered, the rates will be lowered also.

Have You Made a Will?

This means you—every person with property large or small; every person, whether young or old.

Death overtakes youth also, and the smaller the estate, the more important that every cent of it be conserved for the benefit of dependents.

Without a will, the law steps in, and appoints as administrator possibly a stranger, possibly a prejudiced acquaintance, possibly an inexperienced relative: Waste, mistakes, and ill-fellowing follow, instead of the continued comfort that you wish your family to enjoy.

"FLU!"

Four hundred thousand souls are said to have passed away last year as a result of the influenza epidemic. Another epidemic seems probable.

The time may soon come for you to choose between the different schools of healing. Statistical records show that in the matter of low death rate Chiropactic stands alone with the astonishingly low rate of one in every eight hundred eightysix cases.

Therefore it should not be hard for you to choose what method you will have. Complications seldom develop when Spinal Adjustments are taken; therefore this low death rate.

WORK OF PASTOR AND WIFE APPRECIATED

Former Local Man and Woman Honored by Muskegon Congregation.

The Second Reformed Church of Muskegon has expressed its appreciation of the services of Rev. and Mrs. A. Karreman in a very substantial way. At a meeting of the Ladies' Aid and Missionary Society the ladies presented Mrs. Karreman with a beautiful mahogany tea table, and to Rev. and Mrs. Karreman a check for \$200. The Men's Bible class surprised their teacher, the Rev. A. Karreman, with a stately electric table lamp. And finally at the congregational meeting it was voted unanimously to add \$600 a year to the pastor's salary.

Rev. and Mrs. Karreman are both formerly of Holland.

NOTICE OF HEARING OBJECTIONS TO PROPOSED IMPROVEMENT UNDER ACT 59, PUBLIC ACTS OF 1905, AS AMENDED, OF ASSESSMENT DISTRICT ROAD NO. 6

To All Persons Interested in Said Proposed Improvements in the Townships of Park and Olive, Ottawa County, Michigan, and to Park Township, Olive Township and the County of Ottawa.

WHEREAS, A petition has been filed with us as the County Road Commissioners of Ottawa County, Michigan, praying for the improvement of the highway traversing said townships of Park and Olive, described as follows:

"Beginning at a point on the intersection of the quarter lines of Section 21, Township 5 North, Range 16 West, in the Township of Park at what is known as the Lakewood Farm, thence North six and one-half miles along the road parallel to Lake Michigan and a short distance therefrom following its meanderings as near as may be, to the boundary line between Sections 16 and 21 in Olive Township, thence Northerly Northwesterly, and Westerly, along the street known and designated as Lake Avenue, on the recorded plat of Port Sheldon Beach to Lake Michigan."

WHEREAS, We as such commissioners, are of the opinion that the proposed improvement is necessary for the benefit of the public and would be for the convenience and benefit of the public welfare, and

WHEREAS, We have made our first order of determination stating that the proposed improvement is necessary as aforesaid, and have caused a survey and specifications and estimates of the cost thereof to be made and filed with us as such commissioners, together with a plat showing the land included, and

WHEREAS, The specifications made by us are not yet final and will not be made final until after the hearing of objections to the same by all persons interested therein, and

WHEREAS, We have determined the boundaries of the proposed assessment district for improving said highway, and

WHEREAS, It is proposed to improve said road or highway, by constructing thereon a road, 16 (sixteen) feet in width, of material to be determined by Ottawa County Road Commissioners together with the proper culverts, bridges, drainage and grading under the provisions of an Act entitled "An Act to Provide for the Construction, Improvement and Maintenance of Highways; for the levying, spreading and collecting of taxes and of special assessments therefor; to authorize the borrowing of money and the issuance of bonds under certain restriction and regulations and limitations; to prescribe the powers and duties of certain officers with reference thereto; and to validate certain proceedings heretofore taken." (Act 59, Public Acts of 1915, as amended.)

Therefore all persons affected thereby and the Townships of Park and Olive, Ottawa County, and the County of Ottawa, and all persons owning or interested in any real estate in said townships or county are hereby notified that we will be present at the south end of the proposed improvement, within the proposed special assessment district in the Township of Park, Ottawa County, Michigan, at two o'clock in the afternoon, on the 10th day of February, 1920, for the purpose of finally determining the limits of said assessment district.

The proposed assessment district is described as follows:

"All the lands lying between the said road and to the West thereof and Lake Michigan, all the lands within one-half mile to the East of said road and all the lands within one-half mile to the South end of said road between Lake Michigan and one mile to the East of said road: Also all the lots in the said plat of Port Sheldon Beach."

All being in the townships of Park and Olive, and all persons interested are hereby notified that it is the intention of the Ottawa County Road Commissioners to assess all lands within the limits of said assessment district as finally determined at said hearing on account of the improvement of said highway, according to the plans and specifications or file with the said Road Commissioners at the County Clerk's Office at Grand Haven, Michigan.

Given under our hands at Grand Haven, Michigan, this 15th day of January, 1920.

MORTGAGE SALE

WHEREAS, default has been made in the payment of the moneys secured by a mortgage dated the twenty-fourth day of February, A. D. 1916, executed by Johannes Grisen and Johanna H. Grisen, his wife and John Haringma and Jeanette Haringma, his wife, all of the Township of Robinson, Ottawa County, Michigan, to Andrew Van Haltsma of the Township of Zeland, Ottawa County, Michigan, which said mortgage was recorded in the Office of the Register of Deeds for Ottawa County, Michigan, in Liber 102 of the Book of Mortgages on page No. 295 on the twenty-fifth day of February A. D. 1916 at 5:40 o'clock a. m.

And whereas, the amount claimed to be due on said mortgage at the date of this notice is the sum of two thousand two hundred and twenty-four dollars and fifty cents (\$2224.50) principal and interest and the further sum of Thirty-five, (\$35) Dollars as an attorney fee as stipulated in said mortgage and provided for in the statute in such case made and provided, which is the whole amount claimed to be due in said mortgage

and no suit or proceedings having been instituted at law or in equity to recover the debt now remaining secured by said mortgage or any part thereof, whereby the power of sale contained in said mortgage has become operative.

Now therefore, notice is hereby given that by virtue of said power of sale and in pursuance of the statute in such case made and provided, the said mortgage will be foreclosed by a sale of the premises therein described, at public auction to the highest bidder at the North front door of the Court House in the City of Grand Haven in said Ottawa County, Michigan, on the 12th day of April, A. D. 1920, at ten o'clock in the forenoon of that day.

The said premises are described in said mortgage as follows: All that certain piece and parcel of land in the township of Robinson, County of Ottawa, State of Michigan, viz.: The Northwest quarter (N.W. 1/4) of the Southwest quarter (S.W. 1/4) of Section Thirty-six (36) and the Northeast quarter (N.E. 1/4) of the Southeast quarter (S.E. 1/4) of Section Thirty-five (35) all in Town Seven (7) North, Range Fifteen (R. 15) West.

IN CHANCERY

Big Day Realty Company,

vs.

Augustus Hurlbut, Lucius Holt, John R. Kellogg, Class Bredweg, together with their unknown heirs, devisees, legatees and assigns, Defendants.

Suit pending in the Circuit Court for the County of Ottawa, in Chancery, on the 24th day of December, A. D. 1919.

In this cause it appearing to the satisfaction of the Court, on affidavit of James Buys, plaintiff herein, that he has caused to be made inquiry as to the residence and whereabouts of the defendants in this cause among such persons as might be apt to know the same, and that he has been unable to obtain any information regarding them whatever, and that after making like search and inquiry it cannot be ascertained who the heirs, devisees, legatees and assigns of said defendants are, nor in what state or county the said defendants or their heirs, devisees, legatees and assigns reside, and that the said defendants and their unknown heirs, devisees, legatees and assigns are necessary parties to this suit.

On motion of M. Den Herder, plaintiff's attorney, it is ordered, that the appearance of the defendants, their unknown heirs, devisees, legatees and assigns be entered here in within three months after the date of this order, and in case of their appearance, that they answer to the Bill of Complaint to be filed and a copy thereof to be served on plaintiff's attorney within fifteen days after such service on them of a copy of said bill of notice of this order, and in default thereof that said bill be taken as confessed by said non-resident defendants, their unknown heirs, devisees, legatees and assigns, and it is further ordered that within fifteen days the plaintiff cause a copy of this order to be published in the Holland City News, a newspaper printed, published and circulated in said county, and the said publication be continued therein once in each week for six weeks in succession, or that he cause a copy of this order to be personally served on said non-resident defendants and their unknown heirs, devisees, legatees and assigns, at least fifteen days before the time above prescribed for their appearance.

20TH JUDICIAL CIRCUIT IN CHANCERY

LOCALS

Rev. James Wayer of the 1st Reformed church is confined to his home with illness.

Mr. David M. Andreen from Stockholm, Sweden, is visiting his sister, Mrs. Frank Badgrow at Virginia Park. After a two weeks' stay he will go to Boston where he will study the American language and business methods.

An unusual coincidence connected with February the shortest month of the year is the fact that five Sundays fall due during this month. February starts with a Sunday and winds up with a Sunday on the leap year day Feb. 29, while three Sundays intervene.

A. Peters of the local 5 and 10c store left on a buying trip to Chicago, Canton, O., Philadelphia, Boston and New York City. He will be Mayor Bosch was absent from the council meeting last evening because of illness. Mayor Pro Tem Lawrence handled the situation quickly and judiciously.

Herman Bekuis of Holland was hauled into court on a bench warrant from Judge Cross charging him with contempt. He failed to pay court costs in a certain case that he was in and Deputy Lawrence DeWitt of Grand Haven served him with a summons to appear. The matter was settled however and the costs and the extra costs caused by his failure to appear were paid through his attorney, Daniel Ten Cate.

Mr. and Mrs. James Vander Waal from Iowa, are on their honeymoon and are visiting Rev. and Mrs. Ter Louw at Hamilton.—The Hamilton schools closed Monday on account of the many cases of measles and the flu.—John Lohman has bought the farm of Jim Schipper for \$12,400 at Hamilton.

Alderman Vander List wanted to select a member to the Board of Public Works last evening stating that at the last meeting there was no quorum and the Board was handicapped because of a vacancy that had never been filled. He suggested the name of Thomas Ollinger, but as friends of Mr. Ollinger also have a petition filed presenting his name for that position at the coming primaries the aldermen did not wish it to appear as if they were giving Mr. Ollinger preferment when election day was only a few weeks off. The matter was then dropped.

CITY ATTORNEY McBRIDE IS ILL WITH PNEUMONIA

City Attorney C. H. McBride is quite seriously ill with pneumonia at his home on College avenue. Mr. McBride has been ill for several days.

Both the mayor and the city attorney were absent from the council meeting last evening, which seldom happens, both officials being confined to their homes with illness.

THREE CENSOR BOARD MEMBERS RESIGN AGAIN

THOMAS OLLINGER WANTED CITY TO GET SEPARATE PLACE TO CENSOR PICTURES IN

Henry Winter, Thomas Ollinger and S. L. Henkle newly appointed censor board members did not qualify and stated that they could not serve, giving various reasons why their decision was imperative.

For that matter the other members, 12 in number, have thus far not met and have not qualified up to this time.

Mr. Ollinger in his resignation had several suggestions to make, one was that the chairman should be paid a salary if he was compelled to spend a great deal of his time in this work. Another suggestion was that all pictures be gone over when these arrive daily in a separate building and if found alright then to hand them over to the management allowing them to be run.

He also suggested that a majority of three or more censors decide on whether a picture came under the ban and not let the opinion of one man prevail.

However if a majority of the censors said cut, cut it must remain. The common council only saw a hardship on the theater manager and a great expense to the city in these suggestions for if a separate building was used there would also have to be a special moving picture machine. They simply accepted the resignation of Mr. Ollinger and rejected the suggestions.

LITTLE BOY DIES AT MIAMI, FLORIDA

A telegram was received from Miami, Fla., today announcing the death of little Walter Brooks, the 3-years' old son of Mr. and Mrs. Earnest Brooks. The wire stated that the little boy died of typhoid-pneumonia. No particulars are given and nothing is said about the funeral.

Together with the Walter Walsh family, the Brooks went to Miami, Fla., a few weeks ago to spend the winter there. But their outing came to a tragic end. The little boy was the only son of Mr. and Mrs. Brooks.

H. O. H. TO HOLD A SOCIAL MEETING

THE IRISH AND THE DUTCH ARE TO MIX IT AT THAT GATHERING

The H. O. H. or the Holland Mutual Aid society will hold another social event Friday evening at Odd Fellows Hall. After a brief business session, the audience will be entertained with a well prepared program.

Att. T. N. Robinson will be the speaker of the evening. His theme will be "The Reds in America," and the speaker and the chairman of the program committee, a fullfledged Hollander, have challenged each other to exchange languages, the Irishman to make a stab at Dutch, and the Dutchman to sing an Irish song.

The committee in charge is composed of the following: J. Sprang, J. Jansen, R. Joldersma, H. De Weerd, G. Verhoef and P. Derks. The following program will be given: Remarks of welcome, Pres. F. Kamferbeek; invocation, K. Woldring; selection, Central Ave. Orchestra; solo, Miss Ottema, with orchestra accompaniment; recitation, J. Jansen; selection, Harmony Quartet; duet, Miss Ottema and Mrs. Meppelink; dialogue, J. Jansen and Mr. Top; selection, orchestra; selection, mixed quartet; address, Mr. T. N. Robinson.

STANDARD OIL CO. TO BUILD BEAUTIFUL SERVICE STATION

The Standard Oil Co. will build a beautiful service station across from the Postoffice on the Werkman property and has applied to the common council for a building permit.

The members of the common council did not grant this permit however as they must be guaranteed that the building to be put up will be in keeping with the surrounding property. They will not allow a cheap affair to be erected and before the Oil Co., will be permitted to put up their service station the common council wishes to see plans and specifications first.

It is understood that the new service station will be a beauty with two drivesways for cars leading to it. The building will also contain rest rooms and waiting rooms and the structure will be built of pressed brick. The building is to be built so that an auto driver can drive in from River avenue and drive out on Tenth street or vice versa. It is understood that the building will cost in the neighborhood of \$6000.

We now have over twenty five farmers in this territory who will be wanting these tractors. We are most certain it will be positively impossible to deliver the tractors we can sell this spring.

LET OUR FORD CAR SALES

Our allotment of Ford cars for this territory is 22 cars per month. Today we are holding more than sixty orders with deposits. There will be more than one hundred disappointed Ford car buyers in the spring.

BE YOUR GUIDE

More than twenty-five farmers in our territory will want Fordsons in the spring. The careful sensible buyer will be guided by the "handwriting on the wall."

IN CONCLUSION

We are able to deliver Tractors NOW. Nothing less than a MIRACLE will enable us to meet the demand next spring. Buy now, and accept delivery now.
