

The Head-liners At The Lincoln Banquet Saturday at Grand Rapids, Michigan

Gov. Frank D. Fitzgerald

Glenn Frank

Theodore Roosevelt, Jr.

Senator Arthur H. Vandenberg

Representative Carl E. Mapes

The stage is set for one of the greatest Lincoln Banquets held in Michigan for a long time. Representations from Republican ranks from practically every city in Michigan are expected.

The fact is that all table seats at the banquet have been sold, in Grand Rapids alone there were 600 who applied for tickets and could not be supplied. 60 tickets were sent to Holland and the number is not nearly enough. Grand Haven and Zeeland are also clamoring for tickets.

Despite the fact that the banquet is to be held in the large Civic Auditorium which has more seating capacity than was ever available for a Lincoln Banquet before, the ticket committee is at its wits end and finds it entirely impossible to supply those begging for tickets. All they can offer is the 2500 seats in the balcony and we understand that these are nearly all gone and will be at a premium long before 6:30 this week Saturday night when the banquet begins.

The Lincoln Banquet will be especially interesting since the big headline is to be Col. Theodore

Roosevelt, son of the late President Theodore (Teddy) Roosevelt. The speaker at the banquet is closely related to the present President and while their names are similar their thoughts and ideas on political questions are diametrically opposed.

The son of "Teddy" was cradled in the atmosphere of the Declaration of Independence, the Constitution of the United States, the coming of the Pilgrim Fathers and the period of continental days when the 13 colonies were made the beginning of a free country. His American principles are deeply imbedded in the very foundation of this nation which has brought progress such as the world has never seen.

Col. Roosevelt has been one of the leaders in the opposition to the present administration. As son of the famous "Teddy" he has long been one of the ranking figures in the Republican party.

Anyway, he is going to be the headline at Saturday night's banquet in the Civic Auditorium in Grand Rapids.

Another well-known speaker and a national figure will be Dr. Glenn Frank, president of the University of Wisconsin and an eminent Sociologist.

Frank is considered one of the leading figures of the day and also is considered one of the leading liberals, which means there probably will be a strong liberal strain in the Grand Rapids meeting.

Governor Frank D. Fitzgerald, naturally will be a prominent figure at the banquet. He undoubtedly will give a resume or rather an accounting of his stewardship as governor of the state. Mr. Fitzgerald has been more closely connected with state affairs covering a period of a quarter of a century than has any other governor before or since. Frank was really a "Noah" candidate for his political ark was the only one to survive in the Rooseveltian flood of votes in 1932,

but the flood has subsided, the ark is resting on Ararat and Republicans see a rainbow in the political sky.

Congressman Carl E. Mapes will also be one of the speakers and he has a record of twenty-four years of service—honestly and conscientiously served. Even Democratic opposition does not deny that.

Senator Arthur H. Vandenberg will prove to be an excellent toastmaster for he shines in parliamentary procedure and he bubbles over with wit and humor which is such a pleasing attribute, sandwiched in a strong speaking program.

Well, the banquet won't be all speeches since the largest orchestra in Grand Rapids will be found in the background, playing continuously while the spread is in progress. Male choruses will also be on hand, giving a repertoire of appropriate music.

The large Civic Auditorium will be beautifully decorated with a large picture of Abraham Lincoln, the great emancipator, occupying the spotlight during the entire evening.

The intense enthusiasm and the great demand for tickets surely mean something. All apathy, as is so often the case, has been dissipated and would indicate that thinking people have been thoroughly aroused and want to come back to the old sound principles upon which this nation was founded and get away from the unnatural, the uncertain, and the nearly uneasy pent up way of living of today. Thinking people, when they know that this nation is still the richest on earth—its resources have scarcely been tapped, that it has been blessed with the finest tool shop on this globe and with 20% of its tillable soil only under cultivation in a haphazard way and then producing an over abundance, wonder to find a land "flowing with milk and honey" and yet streaked with poverty.

Anyway, American citizens are thoroughly aroused if the interest in the Lincoln Banquet at Grand Rapids is any indication.

Those from Holland having tickets to go to Grand Rapids are the following:

Vandenberg, Mr. and Mrs. Chas. McBride, Mr. and Mrs. Jay Den Herder, M. J. Cook, Dale Cook, Wm. Lawrence, Mayor Nicodemus Bosch, Nelson Miles, Ben Mulder, Henry Prins, Andrew Klompars, Ted Baker, Bill Berg, E. P. Stephan, Judge Fred T. Miles, Mr. and Mrs. Wm. C. Vandenberg, Jr., Marshal Allen, Mr. and Mrs. Bernie Arendshorst, Mr. and Mrs. Wm. Arendshorst, Vernon Ten Cate, Mr. and Mrs. Elbert Parsons, Harry Plaggenmars, Dr. and Mrs. J. G. Huizinga, Mr. S. L. Henkle, A. C. Keppel, O. S. Cross, Wm. C. Blanchard, Mr. and Mrs. Ed Brower, Dan Ten Cate, John Arendshorst, Alex Van Zanten and John Galien.

Approve Cost For Letters On Tax Sales

Supervisors Also Pass Resolution That All Unemployed Be Eligible for WPA

The board of supervisors, meeting in special session approved the necessary amount to send registered letters, with descriptions of property to be sold at the May tax sales, to owners who are in arrears on taxes.

The matter was discussed in the morning session and turned over to the finance committee for investigation as to the probable cost. The committee recommended that the board follow the instructions of the state and immediately set up a working force wherein the descriptions may be copied and the letters sent. It is estimated that the postage will cost about \$2,000 as there are over 10,000 descriptions now up for sale.

A cut in the labor necessary for the job was seen in the fact that many of the properties would be cut from the rolls due to the 10-year payment plan on delinquencies on property for 1932 and prior years, which was instituted by the state last year. No estimate of the clerical cost was made.

A resolution was passed requesting that all unemployed persons in need of support, not listed on the FERA prior to Nov. 1, 1935, be eligible for WPA work, regardless of the time when it became necessary to seek WPA work. The resolution will be sent to the state administration of WPA.

It was pointed out that much of the clerical help necessary to sending out the tax notices might be paid for under the federal WPA and thus cut the cost to the county considerably.

Refunding Ottawa county Court bonds to the amount of \$233,500, recommended by the Ottawa County Road commission, was approved, and the refunding of \$129,000 in Courts, passed last June, was rescinded, as the amount included in the new set-up. By the refunding plan the county will save about \$10,000 in reduced interest charges.

The hospitalization committee, appointed some time ago, reported considerable saving made in the cost of adult indigents due to the cooperation of the physicians of the county, the probate court, superintendents of the poor and the supervisors. They reported the cost to the county in 1934 was \$4,905.93 and the cost in 1935 was \$3,553.10. Savings in December which is included in the new fiscal years were \$750 and \$500 in January.

A classified ledger has been added to the county clerk's office in which accounts of the afflicted adults are subdivided to cover expenditures of various items each month and a card index has been installed in the probate court whereby a more accurate account may be kept. The committee includes Maynard Mohr, Zeeland township; Peter Damstra, Holland and Richard L. Cook of this city.

A special committee, appointed recently, including Charles E. Misner, Albert Hyma and Henry Slaughter, to investigate the benefits which will accrue to the county through the Social Securities act, reported. It is expected that reduction in the costs of widows' pensions, hospitalizations and welfare will result. The committee requested it be continued to serve further. This was granted.

OLTMANS PLANS TO MARK GOLDEN JUBILEE IN 1936

Rev. Albert Oltmans, veteran missionary in the orient, this year will mark the fiftieth anniversary of his ordination as foreign missionary at a session of the Reformed Michigan to Japan, which took place in August, 1886, the year of his graduation from New Brunswick, N. J., Theological seminary.

Mr. Oltmans was born in The Netherlands and came to Grand Rapids before entering Hope college, graduating in 1883. He was honored with the doctor of divinity degree by his alma mater in 1902.

Mr. and Mrs. Oltmans sailed for Japan in the fall of 1886 and were connected with missionary work in that country until he retired at 70. Mrs. Oltmans died about five years ago.

Mr. Oltmans upon his retirement as missionary accepted the position as secretary for Japan of the American Mission to Lepers and at 81 still serves in that capacity after an almost uninterrupted residence in Japan for 50 years.

While in this country Mr. Oltmans occupied the position of acting secretary for the western district of the Reformed board of foreign missions from 1907 to 1910. He was vice president of general synod of the Reformed Church in America in 1903 and 1908 and was president of that body in 1922.

Five of six children went abroad. Harvey, the oldest son, died in Japan after a connection of several years with the United States diplomatic service. Two daughters, Evelyn and Janet, were commissioned missionaries to Japan in 1914. Evelyn was forced through illness to return to this country a few years ago and now is engaged in missionary work among the Japanese on the Pacific coast. A son, Theodore, was commissioned a medical missionary to China in 1930 and another son, Paul, enlisted as missionary under the Presbyterian board to Japan in 1931.

GRAND RAPIDS EMPLOYEES HONOR MANAGER

Executives and key men of the Grand Rapids branch of the Kroger Grocery and Baking company tendered a complimentary dinner and party to L. O. Griffin, branch manager, at the Pantlind hotel university lounge Monday evening.

It was Mr. Griffin's fifth anniversary as manager of the Grand Rapids branch. The first week of February also marks his 17th anniversary with the Kroger company.

Mr. Griffin is active in community affairs, being a member of the Rotary club, Association of Commerce, Peninsular club and Knights of the Round Table.

Mr. Griffin is a native of western Michigan, a native of Scottville. He is widely known in western Michigan because of his business associations in the past five years in this section.

Members of the party first attended a dinner, after which varied entertainment was presented. A prize contest, music and vaudeville comprised the program.—Grand Rapids Herald.

Cornelius Roosenraad, 79-year-old veteran of 22 years of supervisors' battles, is the oldest representative at the meeting of the State Association of Supervisors in Lansing this week. Roosenraad has been an Ottawa county delegate to the state meeting for three years. Last year, as chairman of the Ottawa delegation, he was complimented by the county board for spending such a small amount of money while attending the state gathering. He never has received pay for his time spent as a delegate, but his expenses have been paid, as they have been for the other delegates.

The veteran's 72 years of service is divided between Zeeland township and Zeeland city. The first two years as a supervisor were with Zeeland township, while Zeeland was still a village. When Zeeland was incorporated as a city in 1907, Roosenraad represented the municipality on the board until 1916 when a friend wished to run for the office and the incumbent turned his support to him. His friend won the office and held it until 1925 when illness forced him to retire and Roosenraad was appointed to fill the vacancy. In 1928 he was elected to the post and he continued in office since. He has held virtually all the positions possible on the various board committees. Roosenraad had to quit school at the age of 11 and went to work on a farm. At the age of 16 he started as apprentice in a local furniture shop. Later he developed his own business, which he conducted until 1913. After the close of the war he conducted various types of business along legal lines. He was given the opportunity to take the state bar examination but he declined the offer. In addition to his duties as supervisor he has been mayor and has held appointive positions on various city boards. He was a member of the school board and has been a member of the city cemetery board for 30 years.—G. R. Press.

The free shorthand course which is being offered at the local high school for the second semester seems to be quite an attraction to students. The course is open to juniors and seniors who have had instruction in typewriting with passing marks and it is also open to post-graduates. To date, 10 high school students and six post-graduates have enrolled. The class will meet each school day Monday through Friday, five days each week, from 11:15 to 12 o'clock till the close of school next June. Miss Leola Jablonski, the commercial teacher, will teach the subject.

In his message of thanks to the nation for its co-operation and support in the fight to combat the menace of infantile paralysis, President Roosevelt last night personally expressed his appreciation for the work being done by Paul De Kruif, secretary of the commission for infantile paralysis research. Attorney J. N. Clark of Zeeland, Frank Scholten of Spring Lake and John Wichers of Zeeland, recently attended a conference of Rural Rehabilitation and Farm Debt Adjustment committees at Grand Rapids. Representatives from the regional office of the Re- settlement administration discussed conditions under which a farmer, burdened with excessive debt and unable to borrow money elsewhere, may obtain a loan from the Rural Rehabilitation division. The manner in which farm debt adjustment should benefit the farmer was emphasized. The Federal Land bank sent C. L. Rose to discuss its policies and position as an independent lending agency. The men named above constitute the Farm Debt Adjustment committee for Ottawa county. They give their time to aid worthy farmers whose debt load is excessive. The cost to the farmers is nothing. Those wishing further information should see any of the above committee members or the County Rural Rehabilitation supervisor, Roy H. Lowing at Grand Haven.

Cornelius De Jongh, age 53, living one mile south and a quarter mile west of Zeeland, was found by

neighbors Sunday morning lying in his yard with a snow shovel in his hand. Folks next door saw no smoke coming from the chimney of the home, which is unusual, and became alarmed and investigated. His body when found was frozen stiff. Death is believed to have occurred Saturday night from a heart attack or a stroke. He lived alone, operating a chicken farm. Surviving are five brothers and two sisters, Dick of Grand Rapids; Peter of Zeeland; Chris and John of Kalamazoo; Leonard of Beaverdam; Mrs. Henry Ponstein and Mrs. Charles Vander Veen of Hudsonville. Funeral services were held Wednesday at 2 p.m. at the Langeland funeral home in Zeeland, with the Rev. Richard J. Vandenberg, pastor of Second Reformed church, and the Rev. C. Tarvestad of the Bible Witness hall, officiating. Burial was in Zeeland cemetery. Coroner Gilbert Vandewater of Holland determined that De Jongh had died of a heart attack about 16 hours before the frozen body was found and considered an inquest unnecessary.

The business transacted by the Zeeland postoffice for 1935 is more than 30 per cent in excess of that of the year previous. The gain in money value was \$6,741.37. Postmaster William Wentzel reports. Indications for a bigger year in postal receipts are very good, as the hatchery and baby chick orders are greater this year than for the last three years. In the last year one clerk has been added to the local force and two rural routes have been consolidated, leaving three out of Zeeland.

The Zeeland Farmers' Union are holding their meeting this Thursday in the Zeeland town hall at Vriesland, David Leep, a member of the Farmers' Union advisory board, is discussing cooperative buying of fertilizers by club members. An instruction period followed the discussion. The meeting started at 1:30 p.m. this afternoon and most of the time was devoted to things of interest to farmers.

John Knoll, 45, died at the Zeeland hospital Saturday after a short illness. Knoll operated a large bull farm a half mile south of the city, where he also made his home. He was a member of the Karsten post of American Legion and the post will attend the service in a body. Surviving are the widow, a daughter, Harriet; his mother, Mrs. Emma Knoll of Holland; a sister, Mrs. Charles Brouwer of Holland; six brothers, Walter of Muskegon, Peter of West Olive, Dick, Andrew and Charles Knoll of Holland and William Wagoner of Holland. Funeral services were held at 1:30 Tuesday at the home and at 2 p.m. at First Christian Reformed church. Rev. John Van Peursem officiating. Burial took place in the Zeeland cemetery.

The contract for the construction of Zeeland's light and power distribution system will be February 15, according to instructions received by City Superintendent Gerit P. Rooks from the PWA department in Detroit. The bids have to be in the Detroit office by Feb. 12. The city council at a special meeting Saturday appointed a board of public works. This new board will be in control of the municipally owned water, electric light and sewer systems. The members of the board have been selected on a staggered term basis, the first new member to be elected in May of 1937. The persons chosen are Mayor David Vereke, Ald. Peter Brill, City Clerk James VanVolkenberg, John Ozinga and A. Van Koeveering.

Hilmer Dickman, president of the Zeeland Teachers' club, and Louis Roberts, district president of the Michigan Educational association, were in Muskegon Saturday to attend a meeting for the purpose of discussing problems of interest to teachers' clubs and M. E. A. members. They report a very instructive gathering.

Traveling Around America

READY FOR A TURN AROUND DECK

THIS strangely assorted trio are all ready for a turn around deck. Miss Ann Serafin, waitress on the Santa Lucia, is shown perched precariously on a turtle with a three-month-old wildcat in her hands—two passengers who became her particular friends on the voyage up from South America.

The turtle, one of the ugliest, most hard-boiled-looking animals in the world, belongs to a family living on the Galapagos Islands which can trace its ancestry back to deluvian times—land turtles which achieve a weight of 500 pounds and live to a ripe old age of 300 years. This particularly tough-looking native son came north to go civilized in the Bronx Zoo, New York.

The ocelot is a tropical edition of the wildcat, or tiger cat and when full grown is only 3 feet long. He is an agile tree climber and preys mainly on birds. Although much more beautiful and more innocent in look upon than the monster turtle, the ocelot is at heart, and often in action, a little savage. He may be tamed and pampered to the point where he is seemingly quite civilized yet one sniff of a fowl, his favorite food, is always a signal for a chicken-house raid.

LOCAL NEWS

Mrs. Lydia Ann Lynde, child care and training specialist from MSC, will speak on "Happiness in the Home" at an open meeting Monday evening in Griswold auditorium, Allegan.

Mrs. Mary Thompson, clothing specialist from MSC, will conduct a training school for leaders of the Allegan county clothing project on Feb. 13 and 14 in Griswold auditorium, Allegan.

Seventy-five physicians of Van Buren, Allegan and Ottawa counties will be guests of Allegan county health department for dinner and program Feb. 13 in Griswold auditorium. Dr. R. S. Dixon of Detroit will speak.

Many meetings were postponed in Holland and vicinity, schools were partially closed, both in the Christian High and the public schools but with better weather returning, lessons have been resumed.

HARSH WEATHER IS DRIVING SEAGULLS INLAND, IS REPORT

Seagulls, which usually haunt the shores of Lake Michigan and follow in the wake of steamers for food to be thrown out, have been forced inland through the past few weeks of continuous storms that have closed the natural food supply to them by the formation of the extensive ice fields.

When the birds come in shore very far it is a sure thing that ice conditions are bad in the lake. Some of them are noticed in the yards here picking up whatever food there is.

A beautiful male cardinal and a female were reported to have been seen yesterday. These birds remain north all winter as well as the blue jays. Their brilliant plumage in the sunlight of yesterday made an effective sight against the white snowbanks.

Bird lovers urge that food be thrown out during the winter as there is little that the birds can get in severe winters of this kind and many will die unless protected. Here is another reminder to "feed the birds." The call is nation-wide, every club is fostering this, the newspapers are filled with kind requests and the radio is broadcasting the great need to preserve bird life. "Feed the Birds."

The dates of funerals were also postponed. The funeral of Mrs. Arend J. Ter Keurst, mother of Rev. Henry J. Ter Keurst of Holland, has been changed from Thursday to Saturday at Overisel.

Funeral services for Harm J. Slag Harlem which were scheduled for tomorrow afternoon have been postponed until Monday at 1:30 p. m. at the home of Mrs. S. Eiland, sister of the deceased. The Rev. H. Maassen, pastor of the North Holland Reformed church will officiate and burial will be in North Holland cemetery. The delay is caused by blocked roads.

C. J. McLean a veteran of seven and a half years experience as a member of the board of public works filed his petition for reelection with the city clerk Oscar Pet-

erson. Prospective office holders have until Feb. 17 to file with the clerk in anticipation of the March 2 primary election. Charles Dulay, constable incumbent, is the only other to have filed. At a council meeting held Wednesday night, it was voted to retain the same poll houses as in previous years. Peter De Feyter, 58 died Thursday noon at the home of Mr. and Mrs. E. F. Barnes, 49 W. 10th St. Surviving are three sisters, Mrs. Myrtle Witt, Mrs. Jake Harris and Mrs. C. F. Barnes, all of Holland, and three brothers, Jacob of Holland, Gilbert and George, of Muskegon. Funeral services will be held Monday at 2 p. m. at the Dykstra Funeral home. The Rev. J. VanDebeek will officiate and burial will be in Pilgrim Home cemetery.

Storm Brings About Strange Incidents Here

on the highways. Even a tractor was brought into play. The capable road men are well acquainted with highways and are able to handle difficult situations.

A meeting of the Ottawa county committee in charge of the National Rural Health conservation contest at the Warm Friend Tavern in Holland was to be called off because of the weather. Dr. Ralph Ten Have, county health doctor, said. A number of demonstrations for farmers, arranged by the Ottawa county agricultural agent, have been postponed.

Weight of snow on the mill room roof at the Peter Van Zylens lumber yard, Grand Haven, caused the roof to cave. A greenhouse roof caved in under weight of snow last week and owners of other greenhouses have been kept busy removing snow.

The lowest barometer reading in some time, 28.45 was reported by the lookout at the coast guard station at Grand Haven Tuesday. The road to the station was blocked with snow and roads in outlying parts of the city had filled in by noon. Snow plowing in Grand Haven was handicapped by damage to one of the plows.

The Rev. G. Snell, 33, pastor of the Presbyterian church in Allegan, was killed in a four-car smash up 10 miles south of Grand Rapids Tuesday at 2 p. m. in which at least six persons were injured. The pile-up of cars is said to have occurred when one of the drivers stopped because of poor visibility.

Sheriff Ben Rozema and staff were keeping the road closed to traffic. M-21 to Grand Rapids was reported impassable by local police who are being deluged with calls concerning the condition of roads.

George Ter Haar, 195 E. 17th St. suffered a leg injury when his truck carrying mail from this city to Grand Haven, collided head-on with a truck driven by Dean Giglio of Terre Haute, Ind., at noon Tuesday on US-31, four miles north of the city. A greyhound bus, the driver's vision apparently obscured by the blinding blizzard rammed into the two vehicles. None was injured in the bus.

Road conditions have made it impossible to deliver coal to rural residents and complaints received here by Miss Deborah Veneklaasen, county ERA administratrix, indicate that the situation is becoming acute. There is sufficient coal, but impassable roads have prevented delivery. Rural mail deliveries were suspended Wednesday. Postmaster Louis Vanderburg, reported.

Rural schools throughout the county in general, affecting nearly 5,000 students, are closed. G. G. Groenewoud, county school commissioner, reported. The Ventura school in Park township and Jeske school in Port Sheldon have been closed for two weeks.

Edward Sager, 26, Bradley, died in Crispe Memorial hospital in Allegan Tuesday of injuries received when he was struck by an automobile driven by Henry C. Barnes of Jackson. Sager, a milk truck driver, was struck as he attempted to warn about snow-drifts.

Cars driven by Ben Balduis, 212 W. Ninth St. and Harold Mokma, Montello Park, were involved in a minor accident.

Two lads, nine and ten years old, were hurt in two traffic accidents in Holland last evening. The boys, Tom Lindsay, 10, E. Tenth St. and Stanley Gleis, 9, E. 17th St., both suffered fractured leg and bruises almost similar and in different sections of the city. Young Lindsay was struck by a car driven by Ralph Speck, 620 Michigan Ave., when he sprang from a pile of snow along Central Ave. between Ninth and Tenth Sts. The Kleis boy also received fractures when he darted from a snow pile along W. 17th St. near his home into the path of the car driven by Maurice Vander Haar, of this city.

Rural carriers ventured out to make deliveries today, Postmaster Louis J. Vanderburg stated.

TRY COUNTING TO A BILLION

That the New Deal has so accustomed us to talk in terms of billions we have lost proper conception of the vastness of such sums, is the opinion of a writer to the Boston Transcript.

In order to bring us down to earth, it is urged we consider the task of counting up to a billion. Suppose, he says, a young man is set to work on his twenty-first birthday, counting and stacking silver dollars. If he counts at the rate of 90 per minute, works 10 hours per day, 300 days per year (laying off Sundays and holidays), he will be almost 83 years old when he finishes his first billion.

Sounds preposterous, but here is the way it works out: \$80 x 60 equals \$5,400 per hour; \$5,400 x 10 equals \$54,000 per day; \$54,000 x 300 equals \$16,200,000 per year; 1 billion dollars divided by \$16,200,000 equals 61.72; 21 years plus 61.72 equals 82.72 years.

And now comes the Townsend Plan, based on transactions calculated at 1 trillion, 200 million dollars.

Verily, "who can count the dust of Jacob?"

FINED FOR ASSAULT
Leo Robar, 42, Martin township, Allegan county, pleaded guilty Wednesday to assault and battery upon Elmer Cuthbert, Hooper beer garden proprietor. Robar must serve 30 days in jail and pay \$10 fine, \$10.25 costs or serve 30 additional days.

AMERICAN LEGION

Here's hoping we have more convenient weather on our meeting night, next Wednesday the 12th. Cook and Riemersma are the entertainment team.

FLASH—Division No. 3 of the Auxiliary was scheduled to convene at the home of Mrs. Wm. Brouwer on next Tuesday evening. This meeting has been changed to meet in the afternoon of the same day, Feb. 11th.

A grave error of omission has been called to our attention, namely, that no official authority has been given to don the long red woollies. However, you may now do so, and if you have frozen to death, it's too late anyway.

As a reminder to the few—Are we to anticipate a report from the House Committee at the next meeting?

A movement is on foot to organize a group of the boys who are against the habit of knitting by the ladies. The blur of the clicking needles is annoying to say nothing of the monotony of looking at the same piece of goods being dragged out every time you sit down.

Editors note: A very good idea. Sensing a peculiar tickle we looked to see and found our own sweater being unraveled from our frame and going into a shawl.

Un-necessary advice:—Make application for your Adjusted Compensation early.

We'll be seeing you on the 12th.

American Legion Auxiliary Division No. 3 meets at the home of Mrs. Wm. Brouwer, 52 E. 14th St., Tuesday afternoon, February 11th. This meeting was previously scheduled for Tuesday evening.

Division No. 3 consists of the following: Mrs. A. Aussicker, J. Barkema, T. Bos, G. D. Bos, Wm. Brouwer, E. Bedell, V. Brailley, W. Cook, O. De Lin, A. Dogger, Wm. Hoek, B. James, B. Jacobs, H. J. Karsten, Joe Kramer, G. Kelly, John Mills, F. Meppink, H. Pellgrin, H. Poppen, E. Post, A. E. Ramsland, J. Riemersma, A. Rutgers, E. Stouter, Sr., E. Spaulding, G. Stalka, L. Strowenians, C. Tiesenga, B. Ter Haar, M. J. Van Kalken, A. E. Van Lente, F. Van Ry, Wm. Wagner.

PEACHES DEAD OR ALIVE?

It is doubtful if the Michigan peach trees have suffered vital injury in this long bad spell of weather unless it be in the northern part of this peninsula; but while sympathetic with peach-growers in Illinois and adjoining regions it is to our advantage to know that their crop is conceded to be ruined. How Georgia may have fared is not yet stated.—All-egon Gazette.

MAPES CHAIRMAN AT LINCOLN RECEPTION

A reception will be held in the Pantlind hotel ballroom, Grand Rapids, from 4 to 6 o'clock Saturday afternoon, preceding the annual Lincoln banquet, Mrs. Roy M. Watkins, president of the Women's Lincoln Republican club, announced Tuesday.

Cong. Carl E. Mapes will be chairman, assisted by the presidents and members of the Republican clubs of Kent county. Col. Theodore Roosevelt, Jr., and Gov. Frank D. Fitzgerald, speakers on the banquet program, will be present.

ROUSE FERRY HOTEL GUESTS DURING FIRE

Guests at the Ferry hotel, were roused from their beds early Wednesday morning when fire threatened the building. The blaze, which started in the Haven restaurant next door, was confined to that building, however, after firemen had battled five hours in sub-zero temperatures. Damage to the restaurant was estimated at \$1,500.

HOME FURNACE CO. BOASTS GOOD YEAR

An increase of 61 per cent in sales for 1935 as compared with 1934 was reported at the annual meeting of the Home Furnace Co., held in the company offices here Monday night.

Reports on operations made by C. E. Becker, general manager, also showed that despite expenses incidental to the firm's expansion program, the company operated at a profit. Daniel Ten Cate was elected president and other officers were named as follows: Vice president, John W. DeVries; secretary-treasurer, James DeYoung; other members of the board of directors, J. H. Huizenga, E. P. Stephan, M. J. Westrate, William Arendshorst, Henry Luidens, Otto Kramer and Becker.

As a result of last Monday's play the Knicks and Fraters are tied for the lead with three victories and one defeat apiece.

In the first game the Frosh "B" team had little difficulty in tripping the Emersonians 35-8. Rusticus for the Frosh and Faber for the Emersonians were high men with 7 and 4 points respectively.

The Fraters and Independents engaged in a rough and tumble affair with the Fraters on the long end of a 26-17 count. Pagegay and Douma were outstanding for their teams.

In the final game the Knicks trampled the Addisons 38-10 with Van Ark leading the way with 14 counters. "Iron Man" Rusticus led the Addisons with six points.

POSTPONE CONCERT

Because of the inclement weather, the Snow Memorial concert, scheduled for tomorrow evening, has been postponed. No new date has been announced.

HAMILTON

Mrs. A. J. Ter Keurst, who resides one mile north of town, passed away at the home of her children, Mr. and Mrs. Chas. Velthuis of Coopersville Sunday night after an illness of several weeks. Funeral services will be held this week Saturday afternoon at 1:30 o'clock at her home north of town and at 2 o'clock at the Overisel Reformed church. Rev. H. W. Pyle will officiate.

Mr. and Mrs. John Vander Hill, Mr. and Mrs. Jack Markus of Holland visited Mrs. Eva Zalsma Sunday.

Mr. and Mrs. Marvin Bush of East Saugatuck moved in the Schutmaat apartments last week Wednesday.

Student Snuttjer of the Seminary preached at the American Reformed church Sunday.

The Hamilton Republicans, who have received severe whalloppings at the last several elections, are showing definite signs of new strength and are encouraged by the dissatisfaction and dissension among the Democrats. Organizations have been affected and a large delegation, headed by George Schutmaat is planning to attend the Republican Banquet at Allegan next week Tuesday evening. Everybody seems to be convinced that we need another new deal. An election year has always been none of best years for the common folks. This is the one year when the politicians are anxious to hear about their needs and give them assurance that they are going to be taken care of. Well we only wish that the other years were more like this one. Anyway whoever wins out and whatever is said and done, it is going to be mighty interesting to listen in.

Several farmers of this vicinity are planning to attend Farmers week at East Lansing this week. Andrew Lohman, manager of the local Farm Bureau, will speak on "The Use of Tractors" on Wednesday morning. The local organization is one of the largest and most successful of its kind in the states.

Mr. and Mrs. George Schutmaat visited relatives at Coopersville Sunday.

Florence Volhers of East Saugatuck spent several days at the home of Geneva Etterbeck.

Mr. and Mrs. Harry Lampen were in Grand Rapids on business last week Thursday.

The annual business meeting of the First Reformed church was held Monday evening. After it had been twice postponed on account of weather and road conditions. Although another storm was coming on a good many folks were present. The treasurers George Brower and Justin Schievink gave the financial report, showing that total contributions amounted to \$352.00 of which \$336.31 were for congregational and \$159.00 for benevolent purposes. Louis Pol was elected deacon to fill the vacancy caused by the resignation of G. F. Fokkert. It was also decided to purchase new hymn books for the regular services. The committee appointed consists of Henry Vrenhuis, John Elzena, Ben Ranshou, Mrs. John Brink, Jr., and Mrs. Earle Tellman.

Local college and high school students enjoyed two days of vacation between semesters, returning to work Monday.

Mrs. Arthur Wiersma of Zeeland, Mrs. Gerrit Van Dyk and children of Holland, Marie Van Hatenvoer of Lowell, Marie Wiersma Kate Hulst of Graafschap, Josephine Kemperks were entertained at the home of Mrs. Wm. Ten Brink last week Wednesday.

Rev. and Mrs. J. A. Roggen attended the meeting of the ministers social circle at the Trinity Reformed church of Holland Monday afternoon.

The weather bureau of Allegan reports that during this winter four feet of snow on the level, has fallen. Those of us who have been forced to keep our driveways clear, however, are convinced that the weather man is reporting short by several feet and have the snow banks to back us up. We have shoveled out a foot of snow practically every morning for the last month and feel that thirty feet is nearer right. At this moment we are not so much concerned about this report as about the groundhog's warning that this is to continue for six more weeks.

Harry Lampen and a force of men and boys are busy feeding pheasants, quail and birds. They are being helped by the Holland organization.

Well, we picked the weekly letter out of the "snow heap."

EAST SAUGATUCK

Mr. and Mrs. John Tucker, Jr., and family of Pennville visited the Steffen's family Sunday afternoon. The Rev. Sidney P. Meirisma of East Saugatuck will preach next Sunday in Harderwijk church and a student will take the place of Rev. Sidney P. Meirisma of East Saugatuck.

Miss Grace Datema visited the East Saugatuck Catechism last week Wednesday evening.

The Congregational meeting will be held Thursday evening at fifteen to eight.

Mr. and Mrs. Henry Roelofs visited Mr. and Mrs. Herman Volkers Sunday night.

The Riterink brothers of Overisel have accommodated the young people's Society with music with a saxophone and a piano key accompaniment.

Mr. and Mrs. George Klingenberg visited their parents, Mr. and Mrs. Gerrit Klingenberg at their home in Overisel Sunday night.

A group of young people gathered at the home of Mr. George Bosch in East Saugatuck Wednesday evening. Games were played and a two-course lunch was served. Those present were: Miss Lynn Noor, Miss Hilde Bakker, Miss Hazel Volkers, Miss Gertrude Bosch, Miss Katherina Bosch, Miss Henrietta Bosch, Miss Edith Bosch, Wallace Lubbers, Gordon Timmerman, Donald Vanden Ploeg, Julius Tucker, be held Thursday evening at fifteen to eight.

Postmaster Louis J. Vanderburg Monday announced the appointment of Harold Van Dyke, 327 W. 18th st., who for the past seven years was a substitute clerk at the local post office, to the position of regular clerk. The appointment became effective Saturday.

Mr. and Mrs. Nelson Morris and Miss Nella Zerrin left Sunday for Miami, Florida, where they will spend three weeks.

DEER ARE OFTEN SEEN IN ALLEGAN COUNTY

A number of persons have seen so many as two or three deer at a time in the woods west of the city of Allegan, or when they strayed outside, but sight of seventeen at a time is startling. That's the number a man near Fennville saw this week feeding on old corn shocks. Those are by no means the whole number now ranging there. Probably there are several times as many. Ex-Sheriff Teed's contribution of the beginning of the herd has proved a great success. They will not be hunted until their numbers make them a nuisance or threaten their sufficient food supply. As to the latter, the deer appear to be in fine flesh and health.

PUPILS EXAMINED TO PREVENT MUMPS

Daily inspections of students at Ferry school, Grand Haven, are being conducted by Miss Florence Dykhuus, city nurse there, as part of an effort to prevent a threatened epidemic of mumps there. About 15 students are ill at present, Miss Dykhuus reports. Cases are being isolated in the homes. Miss Dykhuus was a former Holland resident.

C. E. Rallies Are Held

The Intermediate and Junior C. E. societies of Holland held separate rallies Sunday afternoon. Miss Beth Marcus, president of Intermediate union, presided at the Intermediate rally in Trinity Reformed church. A program was presented and after the devotional period the group split into four sections for conference groups. Miss Luella Nykerk was in charge of the prayer meeting group; Miss Mildred Herman, missionary; Miss Beatrice Boot, look out, and Miss Muriel De Wit, recreational. Following the conferences the group listened to James Nettinga, who spoke on the subject "Youth's Place in the Church." The Fourth society was awarded the attendance banner for having the largest percentage of active members present.

CONSTRUCT CAMPS IN ALLEGAN COUNTY

Bids for the construction of a camp, which will house 250 men and be the headquarters for the crew that will work through the area near Swan creek, Allegan county, have been called for. Plans and specifications for the camp are in federal land resettlement offices. This camp will have 14 buildings and although the location has not been definitely decided to date it probably will be placed on the creek near M89. The estimated cost of the camp is not known, but it has been reported that a sum of \$30,000 will be spent for camp construction in the 35,000 acres of land under option to the government for retirement.

BIDS FOR ZEELAND CHICKEN POSTOFFICE

Postmaster William Wentzel of Zeeland has made announcement that bids will be received for the construction of the "chick" shipping annex of the Zeeland postoffice. These bids must be in the hands of the postmaster not later than Saturday, Feb. 15. Plans are partially made about the construction of this addition which will be located at the northwest corner of the post-office building. It will be separate from the main building. It was forgotten in the first plans but undoubtedly will be remembered when the "peeps" begin to "peep."

PLUMBERS MUST GET LICENSES BY MARCH 1 OR TAKE EXAMS LATER

E. J. Dowsett, director of the state plumbing board, warned master and journeyman plumbers today to obtain their 1936 licenses before March 1. Dowsett said all plumbers who have not obtained their licenses by March 1 will be required to take a new examination when applying for licenses later. In previous years, he explained, the board has set no definite deadline for obtaining licenses.

SUNDAY DINNER Suggestions

By ANN PAGE

THE weather situation throughout the country has not been such as to encourage either the production or shipping of food. This means higher prices for almost everything in the perishable line. Beef and pork are a little cheaper and lamb slightly so. Veal continues scarce and high. Broccoli, peas and tomatoes are the best vegetable values available with the exception of such staples as parsnips, turnips, potatoes and kale. Meats and pork and beans are good standbys on cold days when appetites are ravenous. They are easy to prepare and inexpensive to serve. Here are three menus at different budget levels for Sunday dinners.

Low Cost Dinner
Braised Beef Heart with Potatoes
Buttered Spinach
Bread and Butter
Cherry Jelly
Tea or Coffee

Medium Cost Dinner
Roast Pork
Sweet Potatoes
Bread and Butter
Tea or Coffee

Very Special Dinner
Stuffed Celery
Roast Beef
Green Beans
Bread and Butter
Spanish Cream with Strawberries
Coffee

Windmills And Wooden Shoes Popular Buys

DUTCH NOVELTY BUSINESS HAS HAD A WONDERFUL GROWTH

Chester Van Tongeren, better known to his many friends as "Chester," has for the past eight years devoted himself to the making of dutch novelties. Undoubtedly this novel departure had its inception beginning with the tulip festival in this city.

Folk generally, who contact in Holland during these festivals which have now grown to tremendous proportions are eager to purchase these dutch novelties, and strange to say, these are very appealing to the American people as a whole.

The Dutch Novelty Co. has gradually been broadening its scope until the sale of its product has become nationwide and just now there is a great demand in the southern and western resort regions, while in the summer time the northern resorters are heavy purchasers of wooden shoes, dutch dolls, windmills, spinning wheels, ornaments for desks and a great many things that remind one of the Netherlands and especially the provinces where these reproductions in dress and industry are an everyday scene in everyday life along the dikes and canals in the countryside.

Anyways, the Dutch Novelty Co. has taken over the old Holland Kraft Shops, 85 River Ave., which will give the concern at least 50,000 feet of floor space.

Mr. Van Tongeren is already remodeling the plant throughout and a transfer is to be made shortly for soon the peak of mass and variety of these novelty articles will be here. As high as 125 employees have received gainful employment at one time and undoubtedly this number will be augmented when better facilities for manufacturing are available.

Besides making novelties, large consignments of wooden shoes for practical purposes are also made. There is a great demand for wooden shoes on the farm in muck lands, around the barns and in some manufacturing establishments where the nature of the work makes sloppy floors. Your editor remembers when many of the vat-house men at the Cappon Bertsch Leather Co. years ago, wore wooden shoes because of the damp nature of the work. When they left for home the shoes remained behind and they would don their regular shoes. It was not only a saving but a convenience.

The new plant is on U.S.-31, River Ave. and 6th St. and we are glad to say that it has become one of Holland's substantial, diversified industries. Holland has really been blessed with manufacturing of different types. It has made industrial conditions far better than had the shops and factories been largely of one type. Mr. Connelly of the local Chamber aided materially in the transfer.

Anyway, here's hoping that the Dutch Novelty may make "houten klompen" and "windmolenen" in ever increasing numbers.

HOLLAND GOSPEL MESSENGERS PUT IN BIG DAY AT MUSKEGON

Muskegon Chronicle

Services Sunday in the Reformed churches of Muskegon were devoted to sermons and talks conducted by missionaries, many of whom have spent the greater part of their lives in far countries, carrying the gospel, literally to the four corners of the earth.

Dr. Edward D. Dimment, former president of Hope college, now professor of economics there and a member of the board of foreign missions of the Reformed church, spoke at the Covenant Reformed church at both the morning and evening services.

Dr. Albertus Pieters, Bible professor at Western Theological seminary and formerly a missionary to Japan for 30 years, accepted the pulpit in the Eastland church at 10 a.m. and at the Fellowship Reformed church at 7 p.m. Miss Nellie Zwemer, of Holland, a missionary in China for 40 years, spoke at the Forest Home church at 9:45 a.m., with Mrs. Derk Dykstra, a missionary in Arabia speaking at the Moorland Reformed church at 9:30 and at the Fellowship Reformed Sunday school at 11:15. Rev. Derk Dykstra, who with Mrs. Dykstra has spent 28 years in Arabia, delivered an address at the Fifth Reformed church at 9 a.m., in the Unity Reformed church at 10 a.m., and at the First Reformed church at Muskegon at 7 p.m.

The news can add that all of these gospel messengers are from Holland or originally came from this city.

END OF A DRAIN CASE

An opinion filed by Judge Miles in the case of the township of Overisel vs. Township Treasurer Henry Lampen, Drain Commissioner Moyer, and the county of Allegan, ordered a decree in favor of the plaintiff. Moyer, without notice of intended assessment, had the Tams and Boerman drains in Overisel cleaned and repaired and assessed property owners in the same ratio as the assessment for the original cost of the drains. The opinion found that the assessment was beyond the jurisdiction of the commissioners and stated that it should be put aside and a reassessment of benefits made based upon change in boundaries and ownership of the properties affected by statute. When papers were filed in the case an injunction was granted preventing the township treasurer from collecting the taxes assessed until after a hearing could be held. The hearing of the case took place January 13.

The Holland Rifle club defeated Company I second team of Grand Rapids for the second time within two months. Totals for the two five-men teams in the second match were Holland, 1,347; Company I, 1,170.

TO HOLD MEMORIAL SERVICES FOR THE LATE PETER F. KOOPMAN

A memorial service in honor of the late Peter F. Koopman will be held at Labor hall on Sunday afternoon, February 9, at 3 o'clock. A representative of each of the various organizations of which Mr. Koopman was a member will speak briefly. All relatives and friends of the deceased are invited to attend the services.

Harrington P.T.A. Meets

At a meeting of the Harrington school P.T.A. held Friday evening in the school in Virginia Park, Fred T. Miles, Jr., spoke on the life of Lincoln. Mr. Miles said: "Few people realize the importance of the period of Abraham Lincoln's life spent in New Salem, Ill. It was here that the Great Emancipator had his first business experience, fell in love and successfully campaigned for the Illinois legislature—all of which occurred while he was still in his twenties," the speaker said. Mr. Miles was introduced by C. Onthank, who presided at the meeting.

GREAT WORK, JUDGE (Allegan Gazette)

Irving J. Tucker, on his way home Tuesday evening from Adrian, assumed a new role and became a one-man fire department—just another chapter in his record of versatility. It was 7:45 and he was near the village of Tipton. He saw a flame on the roof of a farm house. He did not stop to knock on the front door, rather he shouted the orders a la Henry Maentz. He

told the father to get a ladder, the mother to fill all her water pails, and the oldest child called for help. It was a party line and the neighbors began to arrive while the judge boosted the father upon the roof. Judge says he never knew anyone to gather so fast. Each had a pail. They had the fire out in no time and then began the rejoicing and gratitude. It took the family and those neighbors an hour to thank the judge for his part in the matter.

JOHN B. PRUIM OF SPRING LAKE DIES

John B. Pruim, well known former Spring Lake business man, died in Hatton hospital at Grand Haven where he had been removed after a stroke Wednesday. Mr. Pruim was 65 years old, born Dec. 12, 1870, in Spring Lake and lived there all his life. For many years he was a hardware dealer and funeral director, selling his business a number of years ago to G. A. Ringold. Mr. Pruim was a son of the late Eano J. Pruim, justice of the peace and a veteran of the civil war. Mrs. Pruim died May 18, 1935.

TRAPS ILLEGAL AFTER JAN. 31 SAYS NEW LAW

Michigan's legal trapping season comes to a close on Jan. 31, winding up with opossum, skunk and badger. The mink, beaver and muskrat season closed in early winter. Mink cannot be hunted either after the last day of January. The state reports the heaviest take of fur-bearing animals since before 1929.

HOLLAND FURNACE CO. TO PAY DIVIDEND

Dividends on the seven per cent preferred stock of the Holland Furnace Co. have been declared, according to announcement Friday by William A. Tahaney, secretary. The dividends become payable on or before April 1, 1936 and are for the period from Jan. 1, 1933 to March 31, 1936. The total payment per share is \$22.75. At a special meeting of stockholders held Thursday, refinancing plans, in which a new \$50,000 convertible preferred stock without par value totaling 32,000 shares will be issued were approved.

THEY WERE FINE APPLES

This is not the time of year when gifts of fine fruits come to the editor. So he was much surprised last week when Congressman Hoffman sent him a bushel of Northern Spy apples that were perfect in every respect, of large size, high color and as hard as rocks. They came from the Hoffman farm near Constantine. Mr. Hoffman has somebody there who well knows how to grow fine apples in the large orchard. We have seen many bushels of them and they were the finest of apples in all ways.—Allegan Gazette.

HOLLAND PASTOR HOLDS REVIVAL

Rev. Charles F. Fields, pastor of the Open Bible Baptist church of Holland, will be the speaker at special meetings in Second Baptist church in Grand Rapids February 3 to 16.

GOOD WORK — SAVE THE TREES — PLANT MORE

Michigan led the nation in planting forest trees last year. From third place in 1934 to the state jumped to the top in 1935 with a planting of 112,000,000 pine seedlings and the remainder in state forests and on private lands.

Miss Ruth Mulder was honored at a miscellaneous shower Friday evening given by Mrs. John Lampen and Miss Dorothy Lampen. Prizes were won by Miss Alma Kuylers, Miss Angie Postma, Miss Bertha Vander Bie, Miss Julia Overbeek and Miss Francis Wydra. Those present were Francis Wydra, Louise and Tracy Mokka, Lois and Helen Deur, Angie Postma, Alma Kuylers, Julia Overbeek, Dorothy Mulder, Bertha Vander Bie, Lillian Lampen, Mrs. D. Dalman and Mrs. D. Faber of Zeeland, Mrs. A. Cauwe, Mrs. G. Vander Bie, Mrs. J. Deur, Mrs. P. Brown, Mrs. H. Mulder, Mrs. R. Ten Have, Mrs. M. Vander Vliet, Misses Joan Zoerhof, Mae Lampen and the honored guest.

The Fourth Reformed church Intermediate C. E. society held a meeting Sunday night and Miss Dorothy Hamm led on the topic, "Youth's Place in the Church." The Rev. Henry Van Dyke led the meeting of the senior society Sunday evening on the subject, "Basic Principles of Our Church."

Mrs. Lyle Loux, 31, of R. R. 4 Northshore drive, died Saturday in the University hospital in Ann Arbor. Surviving are the husband, a son, Lyle, Jr., her mother, Mrs. Lena Williams of Owosso; father, Jay Williams of Howard City; four sisters, Mrs. Daisy Burton of Owosso, Mrs. Zeona Griffin of Rockford, Mrs. Agnes Lent of Howard City and Mrs. Maybell Wilcox of Howard City, and three brothers, Richard Williams of Owosso, Ralph Williams of Muskegon and Charles Williams of Owosso. Funeral services were held Tuesday at 2 p. m. at the Dykstra funeral home. Dr. F. S. Goodrich, supply pastor for First Methodist church, officiated and burial was in Pilgrim Home cemetery.

Secretary of State Orville E. Atwood announced Friday that the Jan. 31 deadline for automobile license plates will extend through the month of February. Alex Van Zanten, manager of the office here reported Thursday night that of 10,000 licenses to be distributed through the office here only 55 per cent or 5,500 plates had been sold.

WHY SO FEW RABBITS?

Complaint comes from all the state that what we call rabbits (they really are hares) were in scant supply during the open hunting season but it's little more than a guess why this was so. The supply has been decreasing the past few years probably because hunting of them as well as other game has greatly increased. No epidemic disease has been found among them. It is so in fishing also that the state is spending lots of money, and wisely, to keep up the fish supply. As to rabbits, there have come into eastern Michigan a lot of Canadian hares, doubtless driven across rivers on ice, and they are greatly multiplying. Doubtless they will soon cover the state. Beside them our "rabbits" are rather tiny things. The hares weigh from eight to eleven pounds each.

ARREST FOR GAME VIOLATIONS INCREASE

More arrests and convictions were obtained by Conservation Officers in Michigan during 1935 than in any year since 1930, according to a report recently completed by Conservation authorities in Lansing. The number of firearms confiscated as a result of violations of the conservation laws was the highest since 1928.

The report shows that conservation law violators paid a total of \$29,490 in fines and a total of \$21,841.52 in costs and received an aggregate of 11,203 days in jail sentences. Principal confiscations during the year consisted of: Shotguns, 399; rifles, 299; traps, 1,340; automobiles, 10; illegal fish, 17,360 pounds; gillnets, 53; trap-nets, 12; muskrat pelts illegally taken, 400; beaver pelts, 30; raccoon pelts, 28.

A record of arrests and convictions since 1929 follows:

Year	Arrests	Convictions
1935	4,045	3,990
1934	3,624	3,561
1933	2,936	2,870
1932	2,821	2,763
1931	3,422	3,384
1930	4,326	4,260
1929	3,714	3,672

CHILD CARE AND TRAINING MEETING

There will be another Child Care and Training Meeting because of the poor attendance at the last meeting, due to the bad weather. Mrs. Lydia Ann Lynde, Specialist from Michigan State College will conduct this meeting, Monday, February 10 at 8:00 p. m. in the Griswold Auditorium, Allegan.

The subject for discussion at this last meeting is "Happiness in the Home." This topic should be of interest to everyone. Mothers and fathers should be particularly benefited by this meeting in providing their children with a happy home. Their attitude of life will at some time or other reflect back to their home. Was it a happy one? Please do not forget the date, February 10, at 8:00 p. m. at the Griswold Auditorium. I assure you that it will be well worth your time in hearing Mrs. Lynde at her last meeting. This is an open meeting so come and bring your friends.

MOTHER OF LOCAL DIVINE PASSES, FUNERAL SAT.

Mrs. Arend J. Terkeurst, 70 of Overisel, mother of Rev. H. D. Terkeurst of Holland died Sunday night in Coopersville at the home of Charles D. Velthuis, superintendent of the Coopersville high school. Surviving are her children the Rev. H. D. Terkeurst, pastor of Trinity Reformed church here, Mrs. C. D. Velthuis of Coopersville and Arthur J. Terkeurst, professor of psychology in Chicago Christian college. She is also survived by a brother, Levi Koopscott of Fremont, and two sisters, Mrs. William Schutmaat of Hamilton and Mrs. John Lubbers of Overisel. There are four grandsons. Funeral services will be held Saturday at 1:30 p. m. in the home in Overisel and at 2 p. m. in the Overisel Reformed church. Burial was in Overisel cemetery.

The rites were postponed from Thursday to Saturday because of severe snow storms.

At Least 767 Steel Traps Are Taken By State

TOTAL JAIL SENTENCE PERIOD FOR GAME VIOLATORS 955 DAYS; THIRTY-SIX GUNS CONFISCATED

Arrests for violations of the state conservation laws totaled 294 during the month of December, approximately 200. Most of the arrests were for infractions of the hunting and trapping laws. Arrests for violations of fishing laws were far in the minority.

Fines assessed in justice court during the month totaled \$3,890 and total costs, \$1,894.95. Fines were suspended, however, in 60 cases. The total of jail sentences imposed came to 955 days. Eleven respondents were paroled and placed on probation, charges were dismissed or sentences suspended in seven cases, four cases were lost during prosecution and one case was transferred to circuit court.

One arrest was made during December for burning without a permit. The total number of arrests made during the year is 4,045. Convictions were obtained in 3,990.

Born in Ox Wagon He Lives to Be 100

Alvin B. Schell of Hillsdale, who was born in an ox-drawn wagon, mired in the mud within half a mile of the log cabin that was to be the family's new home in Allegan County, Ind., observed his 100th birthday Saturday.

His father was Phillip J. Schell who had homesteaded six sections of timberland in Indiana.

Schell attributes his long life to good health to abstemious habits, a philosophical temperament and religion. He uses neither tobacco nor alcoholic beverages.

He planted and maintained his own garden last summer. His hearing is good and, although he wears spectacles, he can see without them.

During his active life, he was miller, and plied his trade in states. He tells of participating in the gold rush in the Dakota Black Hills, and of witnessing a massacre in Iowa.

Schell and his second wife, who he married 49 years ago in Sarnaw, live with his son at Hillsdale.

Dick Slaght, 298 W. 22nd st., received facial cuts when his car collided with a truck driven by Nate Wagoner of Grand Rapids, the intersection of Central ave. and Eighth at early Sunday morning. A boulevard light pole on which a traffic signal was attached was struck and crashed through the window of the F. W. Woolworth store. Peter Smith of Holland was riding with Slaght but he was not injured. The traffic light will have to be replaced.

A Valentine Luncheon Party

ST. VALENTINE'S DAY is 'one answer to the hostess' prayer for an excuse to give a party. Such a gay colorful day lends itself well to almost any kind of entertaining. But it is particularly effective in a luncheon or dinner party where we can set a pretty table and serve attractive holiday dishes. For the dining room we suggest festooning white paper lace from the four corners of the room to the central chandelier above the table. It will be easy to cut the lace borders off white shelf paper to use for this purpose. Then from the point of joining, hang a shower of little red paper hearts strung on fine thread. Directly below this in the center of the table, place a low cake plate with a gathered frill of the same lace paper arranged around the edge. In the center of this, carefully set a delicate angel food cake iced with a fluffy white frosting and sprinkled with tiny red cinnamon hearts. With this table as a beginning, you will want to serve specially festive food, so we suggest these recipes to insure success:

Valentine Luncheon Party

Cream of Mushroom Soup (ready-to-serve) Heart Shaped Toast
Spanish Cheese Olives Celery Hearts Ripe Mission Olives
Molded Tomato and Chicken Salad* (in heart-shaped individual molds)
Shoe String Potatoes

Hot Biscuits Apple Butter
Angel Food Cake or Valentine Custards*
Coffee Valentine Mints
(* Indicates recipes given below)

Molded Tomato and Chicken Salad—Soak 1½ tablespoons gelatin in ¼ cup Tomato Juice 5 minutes. Heat 1 cup of Tomato Juice with 1 slice onion to boiling point, then remove onion and pour hot Juice over gelatin mixture. Add 1 teaspoon Pure Cider Vinegar, ½ teaspoon salt, 2 teaspoons sugar, 1 teaspoon Worcestershire Sauce and stir until dissolved, then add ¼ cup more Tomato Juice. Pour into individual molds, which have been dipped in cold water, to ¼ inch in thickness, and chill until firm. Place a thick layer of Chicken Salad in mold, then fill with the remaining tomato mixture which has been partially congealed but no so that it is firm. Chill and serve in cups of crisp lettuce. Garnish with Mayonnaise.

Chicken Salad—Soak 1 tablespoon gelatin in ¼ cup cold water 5 minutes, then add ½ cup boiling water and stir until dissolved. Cool. Combine 1 cup finely chopped cold cooked chicken, ½ cup finely chopped celery, ¼ cup finely chopped Preserved Sweet Pickle or 2 tablespoons India Relish, ¼ teaspoon salt and a dash of pepper. Pour the cooled gelatin over this mixture. Add 3 tablespoons Mayonnaise and mix thoroughly. Since the amount of liquid is so small, it is not necessary to congeal before placing over layer of Tomato Jelly, though it may be partially congealed, if desired.

Valentine Custards (makes 8)—Chilled Custard—Scald 2 cups milk. Combine ¼ cup sugar, ¼ cup flour and add to scalded milk. Cook over hot water, stirring constantly, until thick. Add several tablespoons of this mixture to 2 slightly beaten egg yolks, mix well, then pour back slowly to custard and cook for several minutes longer. Remove from fire, then add 1 tablespoon butter and 1 teaspoon vanilla. Chill.

Pastry—Sift together once 2 cups pastry flour (sifted once before measuring) with 1 teaspoon salt and 2 tablespoons sugar. Cut ½ cup lard into flour until the

For the first time, provisions of two other related laws are included in the compilation of motor vehicle legislation. The other laws included are the Financial Responsibility act, and the Public Carriers' act.

GRAND HAVEN OPPOSED TO NEW DEAL IN DIGEST POLL

Of the 162 Grand Haven citizens who voted in the recent Literary Digest poll, 107, or 66%, did not approve of the New Deal policies and 55, or 34%, favored them according to statistics received here today.

In a similar poll held a year ago, Grand Haven citizens voted 59 to 36 in favor of the administration policies. The percentage of 38% opposing at that time indicates a gain of 28% of those opposed.

The vote in Grand Rapids this year was 1099 favoring and 2741 opposing compared with 1572 approving and 1103 disapproving a year ago. In the 1935-36 poll, Muskegon opposed the New Deal policies by a vote of 499 to 258 in contrast to a vote of 393 to 194 approving in 1934. In Detroit the vote this year was Yes, 8235, and No, 14,587. The previous poll recorded 9,517, yes, and 4,396, no. —Grand Haven Tribune

Jesus Insists On Righteousness Luke 6:39-49

Henry Geerlings

I do not know that the Bible anywhere gives us a definition of righteousness. And yet in another sense it is giving us on almost every page some conception of what righteousness is. Perfect righteousness was never found in a man until Jesus came, and it has not been found in its fullness in any person since his day. It can be said therefore that if we wish to see it in concrete form we must look at him. The lives of others have been marked by blemishes and faults and sins, but not his. If we take the lesson we study today and think it through we shall get a very good conception of what righteousness is. The dictionary says it is uprightness, rectitude, the quality of being righteous. It is more than justice and duty and obedience. It is wholesome, soundness, harmony with God.

But why insist on righteousness? Many persons do not. They are as far away from its principles as they can get. They boast of happiness and prosperity in unrighteousness. They claim that uprightness is slavery, while freedom lies in doing as one pleases. We cannot think of Jesus taking that attitude. He pleaded for righteousness with great moral earnestness. He could not do otherwise. His nature is righteousness. We believe that the only true way to live is to be found in seeking harmony with his will. He stakes his name and power and the honor of God on making the world righteous. It is either that or doom eternal.

One of most common faults is that of criticizing others. We see the least mistake in others, while we overlook the most serious fault in our own lives. In that we are neither honest or consistent. We hang our own blunders, which are as large as beams, on our backs, while we carry the slightest mistake of our neighbors on our breasts. How dare we do it? How can we be hypocritical enough to approach others and suggest that they permit us to take the mote out of their eyes, while we conceal the plank that we carry about in our own eye? The only thing we do is to make ourselves ridiculous in the mind of all right thinking people. Our apparent zeal for the uprightness of our brother is pompous insincerity. The fact is that the person who pursues such a course is trying to conceal his own shortcomings under the guise of superior holiness, but he does not deceive any one. The honest person will sweep before his own door, before he attempts to show others their faults.

The parable of the trees carries its own point. It is one of the most familiar laws of nature. Only a sound and healthy tree will yield good fruit. One of the first evidences that a tree is corrupt and decayed is to be seen in the quality of fruit it produces.

Lives are like trees, and that is why they are not so very deceiving. Actions speak louder than words. Professions and teachings are to be tested by the life. Sometimes wicked persons are very proficient in religious platitudes. A tree is true to its nature, and so will the individual be in the long run. A wicked person may do some things that are good, and a good person will do some things that are wicked, but each in ninety five cases out of a hundred will show of what stuff he is made, and the real difference between the two men will soon manifest itself. Soundness and health of soul will show themselves, and so will unsoundness and decay. The general principle of purity and sincerity of life as a necessary qualification to leading others into the right life is illustrated by the tree and its fruit. Our Lord was challenging his disciples to see the principle underlying the running through the kingdom. He came to find. If they missed that there was nothing of importance left.

In the last analysis there are but two classes of people, the evil and the good—not totally evil nor perfectly good, but each class distinguished by its prevailing moral principles and conduct. The seat of character is within. Holy thoughts and purposes and pure emotions, cherished in the heart, are priceless treasures, stored-up energies, which control the utterances of the lips and the actions of the life. Impure desires and evil passions of the heart send forth bitter streams of iniquity. The heart tells the tale. Out of the good man come good words and deeds, because he carries a treasury of goodness within him. The very opposite is true of the evil man. They must give forth what they possess—nothing more, nothing less.

The last part of the lesson presents a picture of a house built upon the sloping bank of one of the ravines which abound in that country, on which there was considerable depth of surface soil and sand, resting upon a bed of native rock. The wise man digs through the soil, and starts his foundation on a solid rock bed. In this manner Jesus drew the distinction between a man who hears the message of the gospel and builds his life upon it, and the man who hears it but tosses it to the wind, and builds upon the shifting sands of human wisdom.

DON'T APPLY

"Sanctions"

AGAINST YOUR OWN NEIGHBORS

When nations apply "sanctions"—that is, cut off trade with another nation—there may be economic hardship on all sides.

The same may be true of communities and individuals. How few of us stop to think when we trade unnecessarily away from home, that we are in a small way applying "sanctions" against our own merchants and neighbors!

It is a good thing to trade at home whenever possible. It helps to keep local wealth circulating for local good. Let us keep this in mind and do our proper part as citizens of this community.

We shall all benefit as a result.

THIS ROBIN NOT HARBINGER
OF SPRING

Gus Butler, one of our reputable citizens of Zeeland, reports that as he was driving along the highway near Wayland, Monday, he saw the first robin for 1936 in this section of Michigan. It was unable to migrate last fall, for it is hardly the season for the return of the earliest birds. It often occurs that robins remain in dense woods nearby and with pleasant weather come out for food. This one apparently is not a harbinger of spring for the ground, "hasn't done his stuff" yet.

LID CLOSES ON TRAPPERS
SOON

The last of the open trapping seasons in Michigan comes to a close Friday, Jan. 31, when legal trapping for opossum, skunk and badger end for this winter.

Legal hunting of mink also comes to an end on this date throughout the state. Mink trapping is permitted only during muskrat trapping seasons in the respective areas which are now closed.

Enemy Parasites
Lick Peach Pest?

Enemy parasites appear to be getting the best of one horticultural pest—the oriental peach moth. Stanley Johnson, superintendent of the South Haven experiment station and Michigan's leading authority on peach culture, reported today that survey of the fruit belt showed fewer oriental peach moths in the state this year than in any season in the last three years.

He said plant breeders at the New Jersey experiment station, where the moths have been troublesome in recent years, attribute the decrease in moth population to the activity of enemy parasites. Johnson, however, believes part of the decrease can be attributed to short peach crops in 1933 and 1934 and the absence of fruit to feed the larvae of the insect.

"Cracking down on an insect after nature has reduced its numbers is good strategy," federal entomologists from Washington, D. C., asserted today.

"Any let-up in control measures when adverse weather or natural enemies have cut down a crop pest means future trouble for growers. An ebb in insect life is likely to be followed by an upturn."

ARE EUROPEAN HARES, LIKE
ENGLISH SPARROWS, GET-
TING FOOTHOLD HERE?

Proof that the European hare is now present in southeastern Michigan has been received by State Conservation authorities from Ted Goulet, conservation officer in St. Clair county. Goulet sent to Lansing a specimen shot in his county that weighed 11 pounds and one ounce.

This is the first European hare received by the Department of Conservation which has been shot within the boundaries of the state. It is believed that the hare may have crossed over from Canada on the ice this winter. It is possible, however, that it might be the descendant of others of the species which previously had entered the state either by crossing the ice or by secret introduction by persons interested in the species.

Normally, the European hare is much larger than either the cottontail rabbit or varying hare of Michigan and is a prolific breeder. In parts of Canada and the eastern United States it has become so numerous as to become a nuisance and a menace to shrubs and horticultural crops.

For the past several years nurserymen and farmers have feared that the European hare might enter Michigan and become established with possible serious consequence to orchards and shrubbery.

Once it becomes well established in any part of the state, its spread to favorable areas will be only a matter of time, game men believe.

ALUMNI OF HOPE
NEAR 2,000 MARK

Two members of the Hope college class of 1886 this year will mark the fiftieth anniversary of their graduation. They are: Dr. Peter Holleman of Chicago and Rev. B. W. Lammers of James-town, who recently retired from an active service of more than 40 years in the Reformed ministry.

Tabulation of alumni shows that fewer than 24 of the 120 graduates of the 20 classes from 1866 to 1886 are living, and that 76 of these graduates chose the ministry for their profession. The first seven classes, numbering 36 graduates, are extinct. Rev. Josias Meulendyke, 86, of Rochester, N. Y., former pastor of the Reformed church at East Holland and member of the class of 1873, who this year will mark the sixtieth anniversary of his ordination into the ministry, is the oldest living alumnus.

Hope's total number of graduates is nearing the 2,000 mark. The 70 classes from 1866 to 1936 range in size from one single member in 1872 to 101 in 1934, the largest on record.

Hope has sent nearly 500 ministers into home fields and 100 missionaries into foreign lands.

The class of 1870 numbered the first foreign students in Kumaje Kimura and Motohiro Oghimi of Japan. Both entered the ministry. The first two women graduates were enrolled in the class of 1882. Arend Visser was the lone member of the class of 1872, the smallest on record.

Four graduates served their alma mater as president: Dr. Gerrit J. Kollen, Dr. A. M. Vennema, Dr. Edward D. Dinnett and Dr. Wynand Wichers, incumbent.

OPOSSUMS ARE INCREASING
IN MICHIGAN

The continued abundance of opossums in the vicinity of Dowagiac is indicated by the reports of trappers. Richard Ibbotson, a farmer living near there, has taken more than 100 opossums so far this season. In one night Ibbotson made a catch of thirteen opossums and other trappers are reporting similar good catches.

Opossums are most plentiful in the southwestern part of the state but their range extends as far north as Muskegon and Saginaw. According to state game authorities a preliminary study of the food habits of this nocturnal wanderer revealed that the animal is not so harmful as is generally believed. Although opossums are supposed to prey heavily upon pheasants and quail, both of these species were abundant in opossum territory this fall, a fact which further tends to bear out the findings of the state game men. The open trapping season on opossums, which are on the protected list, closes January 31.

Good News About
Saugatuck Airport

The following was received by this paper from the Michigan Works Progress Administration January 22:

After waiting three years the village of Saugatuck in Allegan county will have an airport.

The new landing field is made possible by a WPA allotment of \$12,301, which will finance all grading and the construction of two runways. The work will be supervised by the State Department of Aeronautics as part of a state-wide program fostered by the department in conjunction with the WPA. The project will provide employment for 50 men and is expected to get under way by the end of the month.

The growing importance of the Lake Michigan shore as a resort center makes the Saugatuck airport of importance to the entire country. The village commission acquired land for an airport three years ago but was unable to secure funds for necessary improvements.

Vacationists using planes will find the field ready for use this summer.

1935 FIRE LOSS IN COOPERSVILLE IS \$2,281.50

According to statistics compiled by Edward Bussia, Coopersville fire chief, the total loss in the village of Coopersville during the year 1935 was \$2,281.50. Six local runs were made by the department during the year but the greater part of the loss was sustained in the fire which damaged the Boss Carving Works last fall.

Figuring on a basis of a population of 1,000, the loss for the year is \$2.28 per capita. Only a few years ago the loss for the entire village was less than the per capita loss in 1935.

Only one run has been made thus far in 1936 and no loss resulted. The fact that no alarms have been turned in during the two severe cold snaps, is a tribute to the property owners and residents of the village who are practicing "Safety First" methods in stoking their furnaces and stoves. A large number of people also have their chimneys and homes inspected periodically. All of these habits prevent a growing fire loss in the community—Coopersville Observer.

PRESIDENT WRONG IN TWO
SPELLINGS

President Roosevelt misspelled two words in the bonus veto message he personally wrote to Congress. A close examination of the message, written in the President's own hand, today revealed the President spelled cancellation with one "L" and left the "E" off of "therefore" used as an adverb. The Standard dictionary spells cancellation with two "L's" but notes that it sometimes is spelled with one.

ALLEGAN COUNTY NEWS

The state highway department and the Allegan county road commission are working steadily at Fennville to keep highways open. Many roads are open and all of the main lines in all directions.

Women's club of Fennville will hold a winter party this year for members and husbands or friends. The next meeting will be held Feb. 12 with a Lincoln program. The chief speaker will be Prof. Egbert Winter of Hope college.

Two plate glass windows valued at a little less than \$100 were broken when the brakes on a car driven by Donald Bersley of Allegan locked and the car hit the mullion of the show window to the left of the east entrance of the D. E. Burgess store. Bersley reported the accident to Sheriff Miller of Allegan county and repairs were made Tuesday. The car was not damaged.

People generally have remarked about our good fortune during the six days' storm of last week when we were so much more fortunate than were the people just across Lake Michigan. Our thermometers scarcely touched zero, while in Chicago and along the western coast 14 or more degrees below were marked and the storm was much rougher. One of the pleasures of life in this corner of Michigan is that this sort of thing often happens—Allegan Gazette.

How many farmers put out seeds of any sort for the wild birds? We have heard of but few of them. A large number should do so. The deep snow imperils their lives. Pheasants and quail are wholly seed-eaters, so the deep snow prevents them from finding enough food. These birds do not perish from cold but only from starvation. The grouse will take care of themselves under such circumstances by eating buds of shrubs and trees but they too live chiefly on seeds. All the other birds that stay through the winters live also mainly on food they find on the ground. Many city people put out crumbs and scraps which the birds find quickly

and devour avidly, and it is pleasant to see them about their feedables. These wild birds do not harm crops. It would seem that farmers should like to see them about their premises. We are not arguing for the sportsman. We appeal only to self-interest of others and the pleasure and humanity of all.—Allegan Gazette.

ANNUAL TAX SALE

STATE OF MICHIGAN,
County of Ottawa,
ss.

The Circuit Court for the County of Ottawa in Chancery.

In the matter of the petition of John J. O'Hara, Auditor General of the State of Michigan, for and in behalf of said State, for the sale of certain lands for taxes assessed thereon.

On reading and filing the petition of the Auditor General of the State of Michigan praying for a decree in favor of the State of Michigan, against each parcel of land therein described, for the amounts therein specified, claimed to be due for taxes, interest and charges on each such parcel of land, and that such lands be sold for the amounts so claimed by the State of Michigan.

It is ordered that said petition will be brought on for hearing and decree at the February term of this Court, to be held at City of Grand Haven in the County of Ottawa, State of Michigan, on the 17th day of February, A. D. 1936, at the opening of the Court on that day, and that all persons interested in such lands or any part thereof, desiring to contest the lien claimed thereon by the State of Michigan, for such taxes, interest and charges, or any part thereof, shall appear in said Court, and file with the clerk thereof their objections thereto on or before the first day of the term of this Court above mentioned, and that in default thereof the same will be taken as confessed and a decree will be taken and entered as prayed for in said petition. And it is further ordered that in pursuance of said decree the lands described in said petition for which a decree of sale shall be made, will be sold for the several taxes, interest and charges thereon as determined by such decree, on the first Tuesday in May thereafter, beginning at 10 o'clock a. m. on said day, or on the day or days subsequent thereto as may be necessary to complete the sale of said lands and of each and every parcel thereof, at the office of the County Treasurer, or at such convenient place as shall be selected by him at the county seat of the County of Ottawa, State of Michigan; and that the sale then and there made will be a public sale, and each parcel described in the decree shall be separately exposed for sale for the total taxes, interest and charges, and the sale shall be made to the person paying the full amount charged against such parcel, and accepting a conveyance of the smallest undivided fee simple interest therein; or, if no person will pay the taxes and charges and take a conveyance of less than the entire thereof, then the whole parcel shall be offered and sold. If any parcel of land cannot be sold for taxes, interest and charges, such parcel shall be passed over for the time being, and shall, on the succeeding day, or before the close of the sale, be reoffered, and if, on such second offer, or during such sale, the same cannot be sold for the amount aforesaid, the County Treasurer shall bid off the same in the name of the State.

Witness the Hon. Fred T. Miles, Circuit Judge, and the seal of said Circuit Court of Ottawa County this 4th day of January, A. D. 1936.

Countersigned, Fred T. Miles, Anna Van Horsen, Deputy Clerk. Circuit Judge. (Seal)

STATE OF MICHIGAN

To the Circuit Court for the County of Ottawa in Chancery:

The petition of John J. O'Hara, Auditor General of the State of Michigan, for and in behalf of said

State, respectfully shows that the list of lands hereinafter set forth and marked "Schedule A," contains a description of all lands in said County of Ottawa upon which taxes were assessed for the years mentioned therein, and which were returned as delinquent for non-payment of taxes, and which taxes have not been paid; together with the total amount of such taxes, with interest computed thereon to the time fixed for sale, and collection fee and expenses, as provided by law, extended against each of said parcels of land.

Your petitioner further shows that the Court that said lands were returned to the Auditor General under the provisions of Act 206 of the Public Acts of 1893, as delinquent for non-payment of said taxes for said years respectively, and that said taxes remain unpaid; except that lands included in said "Schedule A" for taxes of 1890 or prior years were returned to the Auditor General as delinquent for said taxes under the provisions of the general tax laws in force prior to the passage of Act 200 of the Public Acts of 1891, and which taxes remain unpaid.

Your petitioner further shows that in all cases where lands are included in "Schedule A" as aforesaid, for the first instalment of taxes of 1932, or of any prior year, said lands have not been sold for said taxes or have been heretofore sold for said delinquent taxes and the sale or sales so made have been set aside by a court of competent jurisdiction, or have been cancelled as provided by law.

Your petitioner further shows that in all cases where lands are included in "Schedule A," as aforesaid, for the first instalment of taxes of 1932, or of any prior year, said lands have not been sold for said taxes or have been heretofore sold for said delinquent taxes and the sale or sales so made have been set aside by a court of competent jurisdiction by Legislative Action (See Act 126, P. A. of 1933, as amended by Act 11, Extra Session of 1934, as amended by Act 73, P. A. of 1935), or have been cancelled as provided by law.

Your petitioner further shows and avers that the taxes, interest, collection fee and expenses as set forth in said "Schedule A," are a valid lien on the several parcels of lands described in said schedule.

Your petitioner further shows that the said taxes on the said described lands have remained unpaid for more than one year after they were returned as delinquent; and the said taxes not having been paid, and the same being now due and remaining unpaid as above set forth, your petitioner prays a decree in favor of the State of Michigan against each parcel of said lands, for the payment of the several amounts of taxes, interest, collection fee and expenses, as computed and extended in said schedule against the several parcels of land contained therein, and in default of payment of the said several sums computed and extended against said lands, that each of said parcels of land may be sold for the amounts due thereon, as provided by law, to pay the lien aforesaid.

And your petitioner will ever pray, etc.

Dated January 6, 1936.

JOHN J. O'HARA, Auditor General of the State of Michigan, for and in behalf of said State.

A list of the lands referred to as included in "Schedule A" is on file in the office of the County Clerk and subject to public inspection.

The Returned Delinquent Rolls and the Supplemental Returned Delinquent Rolls, together with the delinquent taxes of 1933, are all filed in the County Treasurer's office and contain the descriptions which will be offered for sale. They are subject to public inspection.

Cora Bliss Taylor, our distinguished artist has just returned from Chicago where she attended the Banquet and Reception given in the Art Institute in honor of the exhibiting artists in the Fortieth Annual Exhibition of Chicago Artists. Her painting is a richly colored still-life and will be on view until March.

The regular chest clinic will be held next week Tuesday from 1-4 o'clock in the old hospital annex on E. 12th Street. Dr. J. H. Bartlett of Muskegon will be in charge.

The State department of health chemists who analyzed a sample of the home canned spinach which caused Botulism poisoning about three months ago to four people in Holland found that half a cubic centimeter of eight or drops of the liquid instantly killed a guinea pig. A number of guinea pigs were sacrificed in this one experiment. The spinach was sent in by Dr. Ralph Ten Have, Ottawa County Health commissioner, who became interested in the case when Mrs. Edward Cook and her two children, Barbara and Mary Lou of Holland, and a Grand Rapids man, a visitor in the home, became seriously ill after eating the vegetable. All have recovered.

Dr. W. Wichers has received word that Dr. Earl V. Moore and Arthur Hackett, who were to appear on the W. Curtis Snow memorial concert, are ill and the concert has been postponed. Those holding tickets are asked to keep them until the new date has been arranged.

At a meeting of the board of police and fire commissioners held Monday afternoon it was decided that three members of the local police department be made notary publics. Heretofore, automobile drivers seeking operator's licenses were required to have Chief of Police Frank Van Ry approve their applications and then have the documents notarized elsewhere. Action of the board provides that the Chief, Night Chief Frank Van Etta and Officer James Spruit be made notary publics, enabling them to add the necessary legal signatures to the applications for permits.

Automobile drivers are asked by the local police department to give pedestrians who legally have the right-of-way at intersections, the opportunity to cross heavily-traveled River Ave., and to reduce their speed, and in some instances, if necessary when a group has collected, to stop and allow them to pass.

Mrs. Maggie Schouten, W. 10th St. had as her guests Monday.

Mr. and Mrs. Earl Fountain and Mrs. Henry Fountain of Grand Rapids.

Donald and Cleon Ludwig, workers at a CCC camp in Newaygo spent the week-end with their parents, Mr. and Mrs. C. D. Ludwig, Washington Ave.

Any youngsters in the city who are caught breaking glass in the fire alarm boxes will be "severely arrested" by local police. Parents were urged by the board to warn their boys against the practice, as it involves not only in added expense of replacing the glass but may result in damages to the delicate mechanism inclosed behind the glass.

The board of police and fire commissioners are asking the cooperation of church-going motorists to discontinue the practice of parking their cars on both sides of the street during the winter months while attending services.

Miss Florence Strember was honored at a combined linen show and farewell party Friday evening at the home of Mr. and Mrs. John Ammeral in Borculo. Following her marriage, Mr. and Mrs. Ammeral will make their home in Linden, Wash. where Miss Strember's father is a resident.

Henry Eding, Sr., who celebrated his 70th birthday was surprised by members of his family on Saturday night at his home east of Hamilton. Those present were Mr. and Mrs. Henry Eding, Jr., Mr. and Mrs. Ben Eding, Mr. and Mrs. John Nyboer and Mr. and Mrs. Fred Eding and 11 grandchildren.

Cora Bliss Taylor, local artist, has just returned from Chicago, where she attended the banquet and reception given in the Art Institute in honor of the exhibiting artists in the fortieth annual exhibition of Chicago artists. Mrs. Taylor's accepted painting is richly colored still life, and will be on view until March. Mrs. Taylor came to Holland from the Sauratuck Art colony last fall and has opened a studio here.

When Columbia Ave. Was Fish Street And Led To Fish Market

OPENING OF COMMODIOUS OIL STATION BRINGS TO MIND OLD HOLLAND HISTORY

The Main Oil Company has just opened a very picturesque and unique, in fact very attractive service station on the northeast corner of 8th St. and Columbia Ave.

This oil station has an English smack as far as architecture goes. It bestrides a corner that more than fifty years ago was the site of a building that was quite typical of those days. It was one of Holland's first brick structures but time had left its mark and the addition of several little rookeries together with a junk yard made it rather an unsightly spectacle on this fine corner on the principal street.

This street and corner are rather historic. The brick building was really built by a sailor who was also a carpenter. The man's name was Frank Slioter and for many years he sailed on the schooner "R. Kanter" which was captained by "Baas" Van Ry, father of the Chief of Police, the latter being cabin boy at the time.

The white brick building was built in partnership with William H. Beach who as a young man came to Holland and dealt in wool, wheat, grain, feeds and all things cereal, in fact the store was devoted to an old fashioned feed and seed store and it was the headquarters for many farmers in the "horse and buggy days".

The street at that time was called Fish Street and was some twenty-five years ago renamed Columbia Ave. 8th St. was then called Main St. by Holland citizens, although on the plat it was called 8th St. However, it undoubtedly was the main thoroughfare in the town. Coming back to Fish Street, this was so called by Dr. Van Raalte the founder of this city. Mr. Van Raalte had set aside a large commons which extended to the riverbank where the baseball park and the creamery now stand and intended it for a fish market. Dr. Van Raalte figured that Holland had a nice lake and a big fresh water sea and he expected that like in the Netherlands, we would soon have fish "scuddies" here and would have a fishing colony who would come

from Lake Michigan and Black Lake, and sail up Black River to the fish market with their catch. Of course, that never materialized but it figured in the planning of Dr. Van Raalte's map and naturally Fish St. led to the fish market. The only fisherman that we remember selling fish on the Main St. was old man Hayskate.

If your editor is not mistaken there was also a broom factory in part of the building and conducted by Mr. Slioter and one of his sons. The building has contained grocery stores, wholesale groceries and other mercantile lines. It however, housed a prosperous business when W. H. Beach conducted his farm product exchange there. He was an expert in this line, becoming a wheat broker and having a thorough insight in markets and things that grow on the farm. He was mayor of the city of Holland three times and filled nearly every position of public trust in the early days. Associated with Mr. Beach was the late Mr. James Cook and Gerard Cook.

Well, this historic picture is a thing of the past and inventive genius brought the motor car and the accessories and products that go with it. The old landmark was razed to make room for a more progressive and utilitarian structure.

Four Boeve boys, brothers and cousins who are identified with the Main Oil Company, visioned that this corner would be ideal for a station that had individuality and what they created is better told in the picture on this page. The four Boeves are A. J. Boeve and Nelson Boeve, now in the Main Oil unit at Kalamazoo and Russell and John Boeve of Holland. Art and John are brothers and are the sons of John H. Boeve of Fillmore. Russell and Nelson are also brothers, the sons of H. H. Boeve of Ebenezer. The two pair of brothers are cousins to one another so they have quite a Boeve combination and that from Fillmore township where a white man had a trading post some years before Dr. Van Raalte came to Holland.

The station in question cost \$20,000 and is one of forty-eight units in the Holland-Kalamazoo district. It is the best of all these units.

The new structure attracts the motorist immediately as he rolls into the city over 8th St. and the slogan of the Boeve boys, situated in their \$20,000 station is "We Serve Cars From Bumper To Bumper."

The approach to the station is easy with plenty of room and to spare. The most modern pumps are used, the servicing part contains hydraulic lifters, electric oilers and all mechanism that makes for quick action. There are rest rooms for ladies and gentlemen, and a well-fitted office and serviceable stock rooms.

More than 12,000 square feet of concrete have been laid for the 85x33 building which is located on a lot measuring 102x132.

Russell Boeve, manager of the Holland district, announces that Glenn Mannes is in charge of the new station and has efficient assistants to aid him in rendering the best of service to the motorists of Holland. The latest automotive servicing equipment has been installed and will enable the attendants to give local motorists service par excellence. Those instrumental in erecting the structure were Essenburg Lum-

PUROFANE SERVICE RENEWS and SEALS THE FINISH ON YOUR CAR

6 Points of Superiority-

1. Purofane products used for automobile surface protection are made from materials belonging to the lacquer and cellophane family.
2. Each time Purofane is applied, it preserves the paint structure, instead of cutting away and removing it.
3. Protects lacquer, enamel, varnish, and all highly finished hard surfaces against spots, stains, dulling, oxidation, or chalking.
4. Does not permit formation of road haze on the lacquer, therefore no cutters or paint softeners are necessary when renewals are made.
5. If applied twice a year, or dry cleaned once a month with Purofane Dry Clean, it will preserve the paint job indefinitely.
6. The consistent use of Purofane service holds up the trade-in value of any car.

Super-Solventized, Purol-Pep Motor Fuel does what gasoline can't do—solves carbon problems. Try it for quicker starting, money-saving mileage, and smoother operation.

Cold-Proof Tielene Motor Oil is skillfully refined from 100% Super-Pennsylvania grade crude. Nature's best. It flows freely in the coldest weather—makes starting easier—insures motor protection.
