Vande Bunte Is Named School Commissioner

REPUBLICANS CAST THREE
BALLOTS TO ELECT THEIR
CHOICE

Regular Old Time Convention
of Yesteryear

If there ever was an enthusiastic Republican convention, it was held yesterday at the courthouse at Grand Haven. It was an unusual convention. Since primaries were abolished in the nomination of a candidate, the state legislature a few years ago passed a law whereby school commissioners should be elected via the convention system, a method that has been abolished for at least 30 years. Be that as it may, it is quite an interesting procedure to the older delegates who remember those conventions of

yesteryear, where orators swayed an entire convention, where steering committees were appointed for different candidates, and where delegates were not adverse to trading votes for any candidate of their choice. This convention, however, was free of all that, and the candidates for office and their sponsors and the nominating orators "came clean," the nomination speeches being limited to two minutes and seconding speeches to one minute.

There were seven candidates for school commissioner, and it was about the cleanest campaign ever conducted in Ottawa County. As Judge Miles put it, "Everyone of them have come to see me, and not one of them criticized or ran down the accomplishments of the others. Rather they spoke in praise." That gives some idea as to the caliber of the men and one lady in the race for this office.

Nomination speeches for Carl Feenstra of Blendon Township were made by William Haverdink, Glen Fyne Weaver of Marne received the endorsement of Grant Treloar. Miss Jennie Kaufmann of Spring Lake, the only lady candidate, was endorsed by Hunter Hering of Crocker Township. William Norlin of Federal School in Holland township, a Holland man, was highly spoken of by Paul Schilleman of Holland township. John H. Nienhuis of Zeeland township, head of the Van Raalte school, southeast of Holland, was endorsed by Maynard Mohr, supervisor of Zeeland township. Atty. Jarrett Clark expounded the good qualities of Louis Roberts, one of the faculty members of the Zeeland high school. D. H. Vande Bunte of Hudsonville, the winner of the third ballot, was endorsed by William Vander Laan.

Three ballots were taken. On the first two ballots 191 votes were cast, and on the third ballot, 186. Some of the delegates had gone home because of the lateness of the hour. The vote for Vande Bunte stood as follows during the three cast: 51-75-101, which gave him a majority.

The next high man was Louis Roberts of Zeeland, whose votes stood as follows: 36-46-53. John Nienhuis had the following vote: 16-2-1.

Carroll Norlin received 27 votes in the first ballot, 11 on the second, and 3 on the third. Jennie Kaufmann, the only lady candidate, received 36-34-21. Glen Fyne Weaver received 20-16-17.

Carl Feenstra received one on the first ballot, and none on the second and third.

Seconding speeches were made by Gerrit W. Kooyers for Nienhuis, and Wynard de Groot for Vande Bunte, and likewise. Seconding speeches for Norlin were made by Bernard De Free and Atty. Arthur Van Duren.

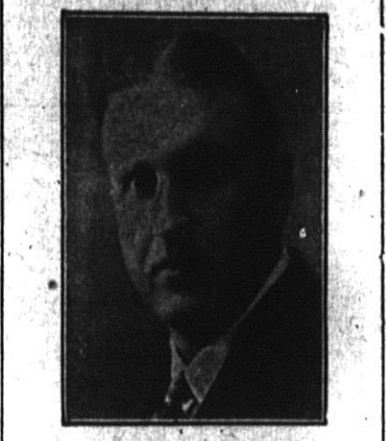

When election was assured for Vande Bunte, the members of Zeeland magnanimously moved that Mr. Vande Bunte's nomination be made unanimous. Mr. Vande Bunte in a short speech, thanked the delegates and stated that he had striven for twelve years to land this office. He took a keen interest in the work, and wanted the rural children to receive the same advantages received by their neighbors in the city schools.

The convention was opened by Jack Sweeney of Spring Lake, chairman of the Republican county committee, who stated that he wished to thank the Republicans for their kind cooperation, and that the victory was not a single-man's job, but the untiring work of all and a continuation of such cooperation would mean continued success.

County Clerk, William Wilds, who is also secretary of the convention, read the call, after which Dr. Wynand Wichers, president of Hope college, was asked to offer prayer. His prayer was a supplication for the welfare of the community.

John R. Dethmers, member of the Republican State Central Committee, and retiring prosecuting attorney, talked at some length on the victory Republicans had just gained, and said that because we have a victory we must not feel that without doing anything and resting on our oars the Republican party will be perpetuated. He stated that the opposition immediately after defeat started to work for

WINS WITHOUT AN ELECTION

D. H. VANDE BUNTE
Next School Commissioner

D. H. Vande Bunte, superintendent of the Hudsonville schools, is apparently elected. He won at the Republican County convention on the third ballot by 101 votes and it was understood that the Democrats will place no candidate in the field and none was nominated at the convention held Monday. The Democratic county committee could select a man and place him on the ballot if they so chose, but this is not likely.

He dwelt at some length on the shortcomings of the Democratic administration and the New Deal, and mentioned specific incidents of national affairs, but especially in state affairs. He pointed out that during the Fitzgerald administration just started hundreds of unnecessary employees were discharged, who had gained position through Democratic patronage. Mr. Dethmers pointed out that the election, as the vote turned out, was not only a victory for the Republican party, but it was a mandate, and that was to do everything that was promised, and the first of the watchwords were "economy," "Peace," and "industry," a civil service law that really amounted to something. He stated that efforts have already been made and meetings have been held by state representatives and the governor going into labor matters, and the views of all sides, as this relates to industry, are being brought together—they are collaborating, and it is hoped that a labor bill that is really constructive will be the outcome.

Mr. Dethmers dwelt for some time of the Public Utilities commission and its substitution of the public service commission, where the members will be judicial and not crusaders. He spoke highly of the fine start made by Gov. Fitzgerald, and the cooperation he was getting, and also talked in glowing terms of Senator Vandenberg.

Mr. Dethmers then proceeded to name two sergeants-at-arms. One was Hunter Hering, and the other was the venerable old Republican, William Lawrence, for a long time alderman of the fourth ward. The tellers appointed were also composed of two Holland folk, Ald. Ed Brouwer, and Mrs. Andrew Hyma. Others were Miss Anna Van Horen, deputy county clerk, and Claude Voss.

The chairman then proceeded to nominate the different committees, and these are as follows:
Committee on Permanent Organization and Order of Business—A. J. Van Kooyers, Mrs. Elsie Keller, John Galien, Vernon Ter Cate, Ben A. Mulder, Walter Vander Haar, Bruce Raymond, John Gemmen, Gerrit Bottema, Charles Bartels, William Boldt, Rudolph Wiltburg, John Van Lente.

Resolution Committee—Howard W. Fant, Lela Vanden Berg, Elbert Parsons, Rev. F. J. Van Dyke, William Vander Laan, Henry Slaughter, Art Drinkwater, Clarence Reenders, John Lubben, Richard L. Cook, John Ellender, Henry Wierenga, Gerrit Yntema.

Credentials Committee—Howard W. Erwin, James Kinkema, Henry Prins, Mrs. Andrew Hyma, James De Kraker, Louis Volink, John Hurst, Mrs. C. Vander Meulen, Jake Tigelaar, Dore Garter, Maynard Mohr, Richard Ossewaarde, Nicholas Cook.

During the intermission and while committees were at work, chairman Dethmers called on a few speakers, among them being Judge Fred T. Miles, who has always been an enemy of the convention system. He stated that he had always done everything he could to destroy the old system of conventions, where a whole county was run by one or two men, and he stated that he did not relish a convention system, even for county school commissioner, and he said, "Though three out of the seven candidates were satisfied, I will be satisfied that they have been satisfactorily nominated this time; however, this system should be abolished next time." He pointed out that in yesteryear county conventions were dominated over by a few, and that was when the "ring" controlled; however, in 1911 the primary system was inaugurated for all candidates, even school commissioners, and he cited that Nelson R. Stanton and Gerrit G. Groenewoud, both Holland men, were named through the primary system, and this method should be continued rather than go back to the old antiquated convention days. He said that the primary system wasn't perfect, but far better than the old county conventions of three decades ago. He mentioned the names of several old-timers whom he said would remember those days.

President Wynand Wichers, who was named on the State Board of Education in 1935 and holds office of Michigan particularly.

John R. Dethmers, member of the Republican State Central Committee, and retiring prosecuting attorney, talked at some length on the victory Republicans had just gained, and said that because we have a victory we must not feel that without doing anything and resting on our oars the Republican party will be perpetuated. A Thrilling Rescue By Our Coast Guards

ONE MAN FALLS IN WATER
BUT IS PULLED OUT IN
TIME

Holland Coast Guardsmen rescued three men from the fishing tug-Eliza L. off Saugatuck harbor Wednesday, and assisted in releasing the boat from where it was jammed in the ice Thursday. Wednesday morning the Eliza L. owned and skippered by Ray Peel of Saugatuck, left Saugatuck harbor to raise fishing nets in Lake Michigan. While the tug was out, the wind shifted to the west, jamming floating ice and slush in the harbor entrance. When the Eliza L. returned, shortly after noon, she got stuck in the ice about 1,000 feet off shore.

Reuben Sewer, another Saugatuck fisherman, called the Holland Coast Guard station. With the local station's surfboat out of the water on the north side and under "Stand By" orders for duty in the Ohio valley, and with Holland harbor entrance so choked with ice it was impossible for a boat to leave here, Capt. E. J. Clemens ordered the 16-foot skiff taken around to Saugatuck by truck.

With a crew from the South Haven station, the guardsmen traversed the floating ice and open water to reach the tug. The men used the skiff when crossing the open places, and dragged it on planks which they carried with them in crossing the floe ice.

The men from the Eliza L. were brought to shore at 5:30 p. m., just as darkness fell. Weather forecasts at the time of the rescue were for much colder and strong northwest winds.

The men who made the trip to the boat were Capt. Clemens, commanding officer; Carl W. Walters, E. O. Fedick and Roy N. Wood of the Holland station; and Kenneth Cortwright and Byron Dannon of the South Haven station. Other guardsmen who assisted in the rescue were Capt. William Fisher of South Haven and Stanley L. Loyer and Emmett Foster of Holland.

Cortwright fell through the ice during the rescue, Capt. Clemens said, but was pulled back to safety by his companions. Those on the Eliza L. besides Skipper Peel, were Everett John Cartwright and Franklin Bryan. Capt. Clemens, Walters, and Skipper Peel were successful in starting the boat's engine early Thursday morning, freeing her, and bringing her into Saugatuck harbor. A shift in wind had cleared the harbor entrance to some extent.

The Coast Guard patrol boat Antietam of Milwaukee, Wis., ordered to Saugatuck to help in the rescue, stood by Thursday morning, but was not needed as the trio brought the Eliza L. safely in.

The board of directors of the Chamber of Commerce will meet at 6 p. m. Tuesday in the Warm Friend Tavern.

The Holland Fish and Game club's haul in Big bayou, Lake Macatawa, Wednesday amounted to six tons of carp.

Two Hope college students eloped in story-book style, including the exit of the coed from a Voorhes dormitory window early Wednesday morning and were married in South Bend, Ind. They are Miss Leona Breese, junior from New Brunswick, N. J., and Durwood Wiltink, sophomore, of route 5, Holland. Bride and groom have severed their connections with the college and are living at the home of Mr. Wiltink's parents.

Funeral services for Frank Harkema, 70, of Jenison Park, will be held at 1 p. m. Saturday at his home, with rites in charge of the Rev. F. J. Van Dyke of Central Park Reformed church. Mr. Harkema died Wednesday night. He is survived by the widow; a brother, Simon; and a sister, Mrs. John Van Regenmortel, all of Jenison Park. Burial will be in Grafschap cemetery.

Phillip Nieuwenhuis, 65, of route 5, Holland, died in Holland hospital Thursday morning. Funeral services will be held at 2 p. m. Saturday at the Nibbelink-Nottier chapel. He is survived by his father, a sister, and three brothers, all in the Netherlands. Burial will be in Pilgrim Home cemetery.

Funeral services for Cornelius Scheele, 70, of Beaverdam, will be held at the Baron Funeral Home, Zeeland, at 3 p. m. Friday. Burial will be in Beaverdam cemetery. Mr. Scheele died in Ottawa county infirmary, Eastmanville, Wednesday. Several nieces and nephews survive.

A charge of window peeping against Gerrit Terpema, 20, of 448 College Ave., was dismissed upon the motion of Prosecutor Elbert N. Parsons because of lack of evidence, Justice Raymond L. Smith reported Thursday. A complaint had charged Terpema with peeping in the home of Atty. Louis Stempfle of 26th St. and Central Ave. on Jan. 29.

A box social will be held tonight, Friday, at 7:30 p. m. by the Montello Park Parent-Teachers association.

SIXTY YEARS AGO TODAY

Cutting holes in the ice and fishing in deep water is becoming the fashion nowadays on Black Lake. Thursday at least 15 persons were seen at Point Superior. Speckled bass is the variety caught and they are fat and delicious and harder at this season of the year. Note: This is the first item thus far of fishing through the ice as early as 1879. There is no mention of fish shanties however. Peter Smith veteran fisherman claims to be the first fish shanty owner in these parts. He states that 50 years ago, when a lad he purchased from Andries Steketee pioneer merchant father of Steketee Sons—a large dry goods box which he converted into the first fish house on Black Lake. The price for the box was a mess of fish his first catch.

On Saturday morning last the barn of Mr. C. Blom, hotel keeper at Zeeland, Mich., gave way under the heavy load of snow that had fallen. We notice that soon after all citizens began shoveling snow from roofs. Note: The C. Blom mentioned was the grandfather of Chief of Fire Department C. Blom whose father's name also was C. Blom who lived on River ave. where Mrs. Lucy Bertsch and Wm. Blom members of the family still reside.

Messrs. Kas Van Ersen and Ryberg of Drenthe drove all the way to Holland through the heavy snow to fish through the ice on Black Lake. Immense strings of fish are being caught and are eagerly bought by citizens.

FIFTY YEARS AGO TODAY

Through a letter received by President of Hope college, Dr. Charles Scott, it appears that the institution will receive a legacy of \$5,000 from the late Peter Clement of Pittsburgh, Mich. The amount will have to be realized from a farm of 160 acres near Hillsdale. Aaron Clement, father, who died some years earlier, also remembered the Holland college with a gift of \$1,000 in cash.

A new plate glass front is being put in the Zeeland postoffice and well greatly add to the beauty of the building and will put our village postoffice ahead of the one in Holland city with its small windows. So says our Zeeland correspondent. Note: During small town days there was plenty of petty jealousy between Zeeland and Holland—the tone of said item shows that. Street fights between young bloods of both towns during "market days," so-called, were common occurrences. Today, with the motor car, communities are so close knit that this feeling has been largely dissipated and there is by far a better spirit of co-operation. Today both towns have substantial postoffices built by Uncle Sam in which little or big windows play no important part.

Born to Mr. and Mrs. C. P. Becker, January 28, a daughter. The local miller naturally feels happy about the new arrival.

Walter C. Walsh, son of Mr. and Mrs. Heber Walsh, Holland, was married to Mrs. Jennie Latta, daughter of Prof. and Mrs. P. A. Latta of Allegan at high noon. It was a social event in our neighborhood town. Rev. W. R. Lau of the Episcopal church, where the bride is a communicant, was in charge of the ceremonies. The floral decorations were abundant, roses of rare varieties and richest hues predominating. The ceremonies were performed under a large wedding bell of flowers and festoons of smilax. Many beautiful presents were shown, among these, a great amount of gold and silver plate, and rare paintings and books. The music was exceptionally fine and rendered by an orchestra. The happy couple left during the afternoon for New Orleans and from there will spend the rest of the winter in Los Angeles, Cal. Holland folks will be glad to welcome the newly married couple when they return from the west. Note: Mr. and Mrs. Walsh are due to celebrate their golden wedding. They are, however, in sunny Florida and Miami together with Mr. and Mrs. Earnest Brooks, daughter and son-in-law. The Walshs can say that they visited Los Angeles before there was a "movie" and "movie star" or a Hollywood.

TEN YEARS AGO TODAY

John Van Vyven, noted band and orchestra leader and a talented musician, passed away. Mr. Van Vyven died while returning from piano tuning job in Allegan county. He was seen passing through Hamilton and was found in Fillmore township. He was 51 years of age. The Holland City News at the time devoted more than a column to his life and printed a picture of "Dugan" as his friends called him—in his band directors uniform. He directed many Holland bands and was director of the American Legion band at the time of his death. He also aided in directing our first high school bands. He was also a comedian and was generally the pivotal figure in comic home talents. He at one time belonged to a team called "Dugan and Smith," which featured at many entertainments in and around Holland. "Blackface" was their best stunt with guitar and banjo accompaniment. Mr. Smith is Alderman Smith of the 6th ward and while the passing of Mr. Van Vyven was a shock to his family and the city as a whole, Mr. Smith, his pal, also felt the loss deeply. Mr. Van Vyven was the official song leader of most of the civic clubs in the city. Mr. Van Vyven is survived by the widow and two daughters, Margaret and Gertrude.

Dr. Henry J. Poppen, who has offices in his home, Sixteenth st., and River ave., died Sunday morning at Ann Arbor hospital at the age of 62 years. He practiced in this city 21 years, coming here from Forest Grove where he practiced 16 years. He is survived by the widow and six children.

The Rev. and Mrs. C. A. Stoppeles deacons of Bethel Reformed church and their wives Tuesday evening. The group enjoyed several reels of moving pictures, shown by Francis Wolbrink of Allendale. Among those present were Mr. and Mrs. George Ellender, Mr. and Mrs. Gerrit Nibbeor, Mr. and Mrs. Henry Driesenga, Mr. and Mrs. Herman Blok, Mr. and Mrs. Jake Van Dyke, Mr. and Mrs. Jake Welling, Mr. and Mrs. A. Van Harn, Mr. and Mrs. Wolbrink, Mr. and Mrs. Joe Vander Wege were unable to be present.

The total city electric light rents for December added up to \$953.78.

Monday afternoon the sound of the new bell of Third Reformed church was heard for the first time. The bell arrived last week and was hoisted into the belfry Saturday. It came from Buckeye foundry, Cincinnati, and weighs over 2,000 pounds and costs about \$350 in exchange for the old bell, which was cracked on a frosty morning. The key is E and the sound is clear and penetrating. Note: The

Says Forceful Speaker at
Scout Dinner

Approximately 275 Scoutmasters, Cubmasters, Sea Scout Skippers and other volunteer leaders of districts, trivets and the council and their wives gathered in the B. C. Wood school Saturday night for the 13th annual dinner, business meeting and presentation of honors of the Ottawa-Allegan council, Boy Scouts of America.

Dr. Ray O. Wyland, assistant national director of program and national director of education and relationships of the Scouts, spoke on "Our Crusade for Democracy," pointing out the need for training in Scouting today for the boys who will be leaders tomorrow.

David M. Cline of Spring Lake was presented the Silver Beaver award, an honor which is given only once each year in the council. Jacob Braak, past president of the council, made the presentation.

Fred S. Bertsch, Jr., of troop 49, Holland, and Robert Sage of troop 99, Otsego, received their Eagle awards, representing the highest rank in Scout work. Bud Norris of Troop 23, Grand Haven, was announced as having been awarded his Eagle, but was unable to attend the banquet for the presentation. Sea Scout Commissioner Chester La Shway of Holland was given the rank of First Quartermaster. The Rev. John Bruggers, chairman of the advancement committee, presented the awards.

SEVERAL REPUBLICAN DELEGATES FROM HOLLAND AND VICINITY CHOSEN FOR STATE CONVENTION

At least 200 delegates, 40 of them from Holland, gathered at the courthouse in Grand Haven yesterday, and one of the matters of business before the delegates was to choose delegates to the state convention to be held at Flint to nominate candidates for the state ticket. Several candidates from Holland and vicinity were elected, and the delegates and alternate delegates as chosen are the following:

Holland City—1, Wynand Wichers, delegate; Simon Kleyn, alternate.
Holland City, 5 and 2, Dr. Bruce Raymond, delegate; Archie Vander Hall, delegate; Alex Van Zanten and Russell A. Klaassen, alternate.
Holland City—3rd ward, Emily L. McBride, delegate; Henry Winter, alternate.

Holland City—4th ward, Vernon Ten Cate, delegate; C. Vander Meulen, alternate.

Holland City—6, Henry Cook, delegate; Preston Manting, alternate.

Wright and Chester Townships, Wm. E. Uecker, delegate; Lyman Brown, alternate.

Georgetown and Jamestown—Louis DeKleine, delegate; William Vander Laan, alternate.

Holland Township—Paul Schilleman, delegate; L. Van Appledorn, alternate.

Polkton Township—Howard Erwin, delegate; James Scott, alternate.

Spring Lake Township—Jack Sweeney, delegate; John Wagner, alternate.

Oliver, Crocker and Robinson—Albert Stegenga, delegate; Hunter Hering, alternate.

Park, Port Sheldon and Grand Haven Township—John R. Dethmers, delegate; George C. Borck, alternate.

Zeeland City and Zeeland Township—J. N. Clark and Isaac Van Dyke, delegate; Nick Cook and John Ozinga, alternates.

Grand Haven City and 1, 2, 4 and 5 wards—Fred C. Ehrman, Hon. Cora Vande Water, John Van Beukering, delegates; Baltus Pellegrom, Mrs. Elsie Keller, James Kinkema, alternates.

Talmadge, Blendon and Allendale—John Gemmen, delegate; Wm. Havedink, alternate.

A petition as candidate for the aldermanship of the fourth ward was filed with the city clerk Wednesday by Charles Vander Van of 271 College Ave. A Nick Kolean filed his application Monday for constable of the sixth ward.

The J. Burt Bowman, pastor of College Baptist church, Hillsdale, and a former Grafschap resident and student at Holland high, will take office March 1 as executive secretary of the Michigan Council of Churches and Christian Education. Local residents who are connected with the state council are George Schuiling, Mrs. Edith Walvoord and Prof. Clarence Kleis.

ED SCOTT TELLS WEATHER STORY

Despite the summery winter and the groundhog stories, Ed Scott of the Northside relates one from his weather diary. He stated that on Feb. 10, 1889, at 8 a. m., it was 8 below zero, and at noon of that day, in the sunshine it was 5 above. At midnight of Feb. 11 it was 28 below, and at 2 a. m. 30 below, and at 5 a. m. 32 below, and at 7 a. m. 34 below. He stated that his thermometer at 8 a. m. had registered its limit, and when 36 below was reached the thermometer burst and he had to get a new one. That shows that Holland has had other winters much colder than in 1889, where the thermometer was not even anywhere near the zero mark, and we are not even afraid of the groundhog, who this year saw his shadow.

BAD ACCIDENT WITH AN ICE BOAT

Late Thursday afternoon an iceboat on Lake Macatawa ran amuck of a small dock protruding from the beach and spilled the occupants of the iceboat, which was going at 50 miles an hour. The impact scattered the passengers in all directions.

Jack Parker of West 16th St., a little fellow they picked up on the ice, sustained a fractured leg; Kenneth Kehrer, of West 17th St., and Nelson Carter, of West 19th Street, received scalp wounds and were discharged from the hospital after they had been given first aid. Young Parker, however, will remain in the hospital until his leg is better. Jack Hieminga was at the tiller of the iceboat, and Gerald Beyer, also a passenger, was unhurt.

It is a miracle that the iceboat didn't bring more damage to life and limb.

Friday evening the Men's Brotherhood of Bethel church and the Men's Brotherhood of Fourth church will hold a joint meeting, with the Rev. C. J. Stoppeles and the Rev. Henry Van Oyk scheduled to present a debate on the Methodist system.

On Monday evening a group of friends held a surprise house warming party on Mr. and Mrs. Kenneth Folkertama at their new home on Lincoln St., Zeeland. The guests present were Mr. and Mrs. John Post, Mr. and Mrs. Ed Post, Dr. and Mrs. D. C. Bloemendaal, and Mrs. C. Van Koevering of Zeeland, and Mr. and Mrs. Ray Fris of Holland.

Peter Moes' 84th birthday anniversary was observed Wednesday evening as children and grandchildren gathered at the home of Mr. and Mrs. Moes on East 12th St.

BAND DIRECTORS HAVE TULIP FESTIVAL BAND REVIEW PROGRAM ALMOST COMPLETED

Eugene F. Heeter, Holland's very capable band director, announced today that plans for the band review event of Tulip Time are virtually complete.

The Band Review, considered by many the most stirring and colorful part of our festival, has been come so widely recognized as setting a high standard, that the applications for a part in it are far beyond the number of bands that can be placed. Thus, Mr. Heeter is in a position where he must choose and as a result only the very best musical organizations are to participate.

The problem of finding a high light in a program that already included the best bands of the midwest was solved when Mr. Heeter was able to arrange a contract with the "Zouaves," crack American Legion drill team. Attractive, uniformed, working in perfect unison and at a tempo almost unbelievable, this group of twenty men should prove the sensation of the Band Review of 1939. Several local residents watched them in action in Los Angeles at the National Legion Convention and recommended them above everything they saw there.

As has been his practice in past years, Mr. Heeter has chosen from the highest authorities in the field for his review judges: Mr. William D. Revell, band leader at the University of Michigan who has served several years previously and has taken a personal interest in Holland's Tulip Festival, Mr. Leonard A. Falcone of Michigan State College and Mr. Charles B. Richter of the University of Iowa.

Because there has been a decided popular demand to see some of our local band boys in action at the review, Mr. Heeter is going to allow the high school band to join the maneuvers. They will not, however, enter into competition. At the conclusion of the field maneuvers, Mr. Heeter plans a mass band program of three numbers including Sousa's Semper Fidelis directed by Charles B. Richter, Bach's Choral directed by William D. Revell, the Tulip Festival March written by Carl Senob of Zeeland. This latter number composed in honor of Holland's festival, is to be directed by Leonard A. Falcone. As the list of bands includes many expert drum majors, Mr. Heeter plans a baton twirling exhibition if the crowded program allows time for it.

The band review is held at River-view Park. It is scheduled to begin at 1:00 p. m. and continue until the time for the grand march of the bands down the parade route. This parade is listed for 4:00 p. m. At its conclusion the bands will gather at Centennial Park where the Governor is to award trophies for the best performance.

The Committee in charge of buildings and grounds for the band review is headed by Andrew Klomparsen. Tickets will be taken care of by Peter Boter and his committee while Lemuel Harris and M. P. Russell are to direct the Holland Boy Scouts in their work of seating the public in the grand stand.

Statue of Christ In Marble Is An Impressive Sight

Some of Russian Structure So
Richly Embellished Seems
Extravagance. Land of
"Big Bear" Mysterious

RUSSIA
(By Dr. A. J. Brouwer)

Last week we told you about Finland, and this week we enter Russia, with altogether different environments and peoples. We enter the land of the "big bear" at Leningrad, at one time St. Petersburg, situated at the east end of the Gulf of Finland, on the delta of the river Neva. The complex of this river is much like at Alexandria in Egypt, on the river Nile. These two cities resemble one another a great deal, Alexandria being the main entrance to Egypt, while Leningrad serves the same purpose to Russia, the only difference being that the former is tropical and the latter is nearer the Arctic.

Leningrad, in a way, is the youngest great city in Europe. It is only 23 years old, and during that time it has undergone many changes as this relates to name. The first name chosen under the old Romanoffs was Sankt Peterburg, next Sankt Petersburg, Petrograd, and finally Leningrad. St. Petersburg was formerly the old capital of Russia before the Revolution. It has a population of 2,839,000. In 1918 the city was renamed from St. Petersburg to Petrograd. This after the death of Lenin, the communist, the real organizer of the revolution to which the working class adheres.

Practically all historical happenings, such as the palaces and government buildings of the Tsars, wars, strife, and revolutions, and overthrow of power, centers around the old capital. The most outstanding of these to which we wish to allude is the Renaissance cathedral of St. Isaac, erected between 1817 and 1868. It always has been a church, but since the Revolution it has been converted into a museum, where historical lore of religion is kept. Writing about it falls to describe its extreme beauty. In this edifice there are no more religious services, only demonstrations of science and nature since this building is so centrally located and is available to a great many people, according to the authorities. Its mammoth walls are decorated and finished in what is known as beautiful blue Malchli Marble like only Russia has. This marble represents untold wealth, since only Russia has that beautiful type of stone, said to be the finest in the world. It surely seems an extravagance to see so much wealth displayed in that fashion.

The most impressive object which I found in that Cathedral, despite the fact that no religious services are held, is a statue of Christ. The figure is at least 50 feet high and is all carved out of this Malchli marble. The artistry is marvelous, and the entire figure radiates a soft green-blue color, the characteristic of the stone from which it has been carved. This figure of Christ is left here as an exhibit denoting one of the beautiful things in this church. While our people were reverently surveying this figure of the Savior, a Russian woman, who seemed to be one of the staff, turned on a subdued light, which brought a diffused ray like a halo over the entire figure. The impressiveness of it all was felt by everyone there. There was a sermon in that statue, and it is a vision that I will never forget.

I climbed to the extreme top of the dome of this Cathedral, 1000 steps in all, so they say, and it took about an hour, a very difficult and dizzy undertaking, but the effort was worth it all, for we had a wonderful view over the Atlantic. In the dome, a large pendulum hung, about 300 feet. The pendulum is swinging constantly, and here the youth of Russia are taught many things having to do with scientific discovery such as gravity, physics, perpetual motion, and history of religion in particular.

Many of the Russian palaces are museums now, chief among the museums is the Hermitage, one of the richest treasure houses of art in the world. Its spacious halls and galleries cover a total distance of more than two miles, and contain a remarkable collection of pictures, drawings, and paintings of such old masters as Raphael, Rembrandt, and Van Dyke. The Russians seem to be very proud of the Dutch and Dutch art. This art is not alone in pictures but in pottery and many other lines as well. In many instances I have noticed that the Holland have been given the most prominent spaces in many of their show places. This reminds me of when I was at the Peace Palace at the Hague, Netherlands, some ten years ago. There I found on exhibition some of this Russian marble spoken of. The Russians had given the Dutch such precious and valuable gifts, outdoing any other nation who donated toward these exhibits. Much of it was this Malchli marble, and I have never seen anything more beautiful in any other country. It is said that the cost of this beautiful tinted marble is \$200 a square foot, almost in a category with precious stones. (More of Russia next week.)

Quake Victims, and Others

The stark drama of the Chilean earthquake which has claimed perhaps 15,000 lives has stirred and captivated the sympathy of the world. Catastrophe such as this draws nations together in a co-operative spirit for the relief of human suffering.

Yet there are forces moving in the world which threaten the lives of many times the number who have died in this quake. Wars, existing and in the making, have as their victims not tens of thousands but hundreds of thousands and even millions of innocent victims. Political persecutions are even more cruel in many instances.

In America, too, there are 30,000 lives snuffed out yearly by traffic on the highways—not by the uncontrollable forces of nature, but by human machines which spread destruction.

Chile is one of the quake regions of the earth. It is said there are several tremors daily, although most of them are of a minor nature. The volcanic lands on which most of the country is situated are in frequent motion. The people are in constant danger. Only occasionally, however, are there major disasters.

The strangest part of these phenomena, perhaps, is that they cause more concern than the man-made instruments of destruction which stalk the world. And while it is right and proper that every resource should be turned toward the alleviation of those in distress the humanitarian cannot help wondering why there is not similar co-operative action everywhere to relieve the victims of human avarice, human carelessness and human passion.

Would It Work?

(Detroit Free Press)

The latest proposal for pulling the railroad out of the red is to "postalize" their passenger rates, with the object of increasing passenger business and passenger revenues.

The proposal is very interesting. At present passenger rates are fixed at so many cents a mile, whatever the distance traveled. A passenger traveling 1,000 miles pays ten times as much as he would pay to travel 100 miles.

Advocates of postalization of rates would abolish this system in favor of rates based on zones, as rates for parcel post packages are fixed.

Commutation tickets would be done away with, and the suburban fare postalized at 15 cents one way and 25 cents for a round trip, anywhere in a suburban area.

Outside of suburban areas the country would be divided into nine zones, and within each zone the same fare would be charged between any two points.

At the same time passenger fares would be divided into five types ranging from coach at \$1 flat, to de luxe, at \$15 per zone.

As Boston, for example, would be five zones from Seattle, anyone wishing to travel across the continent in a day coach, would be able to make the trip for \$5, but if he wished to make it with all the comforts of home, a ticket would cost him \$75, or five times the de luxe fare, per zone.

The postalization idea is certainly ingenious. Whether it has a practical side is a very different matter.

Funeral services for Mrs. Minnie Jane Kuempel, 67, who had lived with her daughter, Mrs. John George of 260 West 19th St., were held Thursday in the Nibbelink-Votter funeral home, with the Rev. William Van't Hof officiating. Burial was in Freeport. Mrs. Kuempel died Monday at her daughter's home. Surviving besides Mrs. George, are five sons, Charles H. of Comblin, Oscar S. of Hastings, John H. of Kalamazoo, Percy of Holland and Clyde of Hastings; ten grandchildren; three sisters, Mrs. Gertrude Armstrong of Hensler, Mrs. William Rovel and Mrs. George Jones of Buffalo, N. Y.; and an aunt, Mrs. William Miller of Comblin.

certificate to W. P. Bilz, field commissioner from Spring Lake, and a 15-year veteran's certificate to Scoutmaster J. E. Spangler, Jr. of troop 1, Grand Haven. Sixteen 10-year certificates and 66 five-year certificates were also awarded.

"We must believe not only in the improvement of humankind, but also in the accelerated improvement of humankind," Dr. Wyland said in his address on "Our Crusade for Democracy." He described a 60-foot monument, Cleopatra's Needle, in New York city, and asked his listeners to imagine a dime placed thereon. If the monument represents the hundreds of thousands of years since the time indicated by the earliest traces of the cave men, Dr. Wyland said, the dime represents the era since God put the breath of the human spirit in His creature.

Now imagine a thin coat of varnish on the dime," he continued. "That represents the time since Christ walked the earth." Dr. Wyland made the point that the human race has made much more progress during the time represented by the varnish than during the time represented by the shaft, "and more progress during the past 300 years than during the previous 1700," he said.

"The very things that the dictators are doing today have been the common lot of humankind, back through the ages," Dr. Wyland stated, pointing out that democracy has spread only during the past 150 years, the period during which the example of the United States has been before the world.

Three characteristics of a democracy were described by the speaker: "A government of law, not a government of men"—an example of the law which upholds our democracy being the Bill of Rights in the Constitution; "A government administered by representatives of the people, elected by a majority of the people, and, once elected, representing not that majority, but the whole people"—leaving no place for a spoils system; and "the right of the minority to criticize the policies and acts of the majority, and to focus the spotlight of criticism on those policies, thus making new majorities, which will crystallize, break up, and be formed again—an essential process in a democracy."

Dr. Wyland then turned to the contrasting picture provided by the dictators. "There is no right which we cherish that a dictator would not deny—and all in the name of the glorified state, as if the state were the ultimate objective," he said. "We must preserve our values of personality, our spiritual values."

"Maybe the democracies are slower to move, but we will arrive at a greater freedom, and a finer national personality than will the goose-stepping dictators, where every man is but a cog in a wheel," Dr. Wyland predicted.

In contrast, the speaker described a republic, "where every citizen is a sovereign, but none cares to wear a crown."

"How far has our civilization sunk since the days of the Declaration of Independence?" he asked; "since we became a federalized nation?—since the Treaty of Versailles, and the Kellogg pact? How far has humankind sunk, that democracies must look on while men and women are massacred in Ethiopia, in Spain, in China, and in Czechoslovakia?"

"Men wiser than we in the days gone by have told us that 'eternal vigilance is the price of liberty,'" Dr. Wyland quoted. He called on every member of every civic body in America to teach the youth of the nation the principles of the "Fatherhood of God and the brotherhood of man." He added, "This nation owes its very existence to that concept."

"If the Scouts in America were to join hands in one giant line, they would stretch around the earth at the equator seven and one-half times," Dr. Wyland said. "You can't deceive a nation which has had eight million Scout-trained men and boys in 28 years." He described the Boy Scout brotherhood of 16,000,000 Scouts throughout the world, in 72 lands and under 43 flags. A million and a half Scouts are now enrolled in the United States, where every fourth boy is a Scout, the speaker stated.

He described the work of Scouts in great emergencies.

Speaking of the Scouts as a selected group, Dr. Wyland said that half of the boys in the high schools of the nation, and 55 per cent in the colleges, are Boy Scouts and former Scouts. At West Point and Annapolis the percentage is 68 and 70; and among Rhodes scholars, 72 per cent. Among various college football captains, 68 per cent are Scouts, the speaker said.

"The majority of troops are sponsored by churches," he said, "and 99 and a fraction per cent of Scout leaders are God-fearing men—the rest are liars."

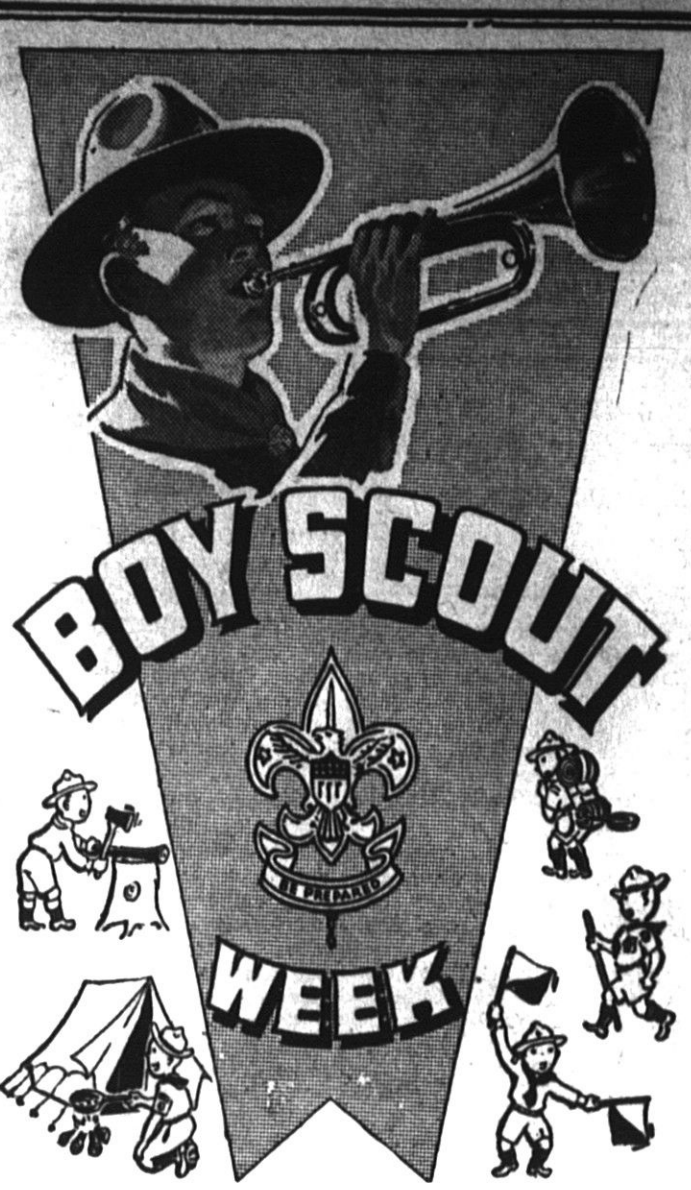

Dr. Wyland predicted that as long as Scouting continues at its present high level in the United States, 85 per cent of the nation's outstanding leaders will come from among former Scouts. He spoke of Scouting as training complementary to the home, the church, the school and the community, not as a substitute for any of these.

"These lads will inherit the earth some day—they'll come on the field of action as we've carried off," the speaker concluded. "No power from outside will ever defeat this nation. But if this nation rots from within because of communism, Nazism, and other influences, then, God help us! Let us preserve the strength of our young manhood, and no power on earth will ever crush this nation, nor betray us into the hands of our enemies."

The President Floyd E. Holland Achievement award was awarded to troop 97 of Wyland, of which Justin MacCallin is Scoutmaster. Scoutmaster Elmore Van Lente received an honorable mention on behalf of Troop 6 as runner-up in the contest.

Achievement ribbons in the Holland contest were awarded to troops 1, 14, 23, 31, 6, 7, 9, 10, 26, 90, 92, 96, 98, 99 and 105.

C. C. Wood acted as master of ceremonies. The meeting opened with the entire group singing one

verse of "America the Beautiful." The Rev. Father J. Ethan Allen pronounced the invocation. During the latter part of the meal, which was served by ladies of Troop 22, Beechwood, the Grand Haven octet, composed of Scouts, sang "Gypsy Trail," "The Song of the Deep Blue Sea," and "Scout-Hearted Men," a paraphrase of Hammerstein's song. The octet was accompanied by Mrs. Ray Fisher, and was in charge of Assistant Scoutmaster Gerald Van Worken of Troop 23. The audience joined in singing two choruses of the latter number.

President Holland gave a welcoming talk, commending M. P. Russell, council executive for his work. He asked Mr. Russell to rise and be recognized.

Prof. Egbert Winter had the Scout and Cubmasters and Sea Scout Skippers, then their assistants and mates, and then the wives of all of these, rise in their places. The audience applauded.

After a short intermission, Mr. Russell asked Miss Helen Miles, secretary at the Scout office in the city hall, to rise.

In presenting the achievement ribbons and cups, President Holland said to the leaders present, "Mussolini, Hitler, or Stalin would put you in a concentration camp for this. Scouts, we honor you as epitomizing the hope of democracy today."

Mr. Braak, chairman of the nominating committee, whose other members were J. E. Burch and G. Mooi, submitted a slate of nominees for council and district offices. The slate was unanimously accepted, resulting in the election of the following: Mr. Holland of Allegan, president of the council; Gerald Kramer of Holland, treasurer; L. J. Harris of Holland, commissioner; A. E. Van Lente of Holland, F. C. Burchfield of Plainwell and Barton Elliott of Grand Haven, vice presidents.

Members of the Area Executive board: North district: Mr. Elliott, Charles Parish, Stephen Mead, John McCracken, Mr. Cline, Frank Mason, Lee Lillie, Paul Johnson and the Rev. Bruggers; Central district: Mr. Van Lente, De A. Leenhouts, Prof. Clarence Kleis, John De Wilde, Prof. Winter, George Pelgrim, Dr. J. E. Cook, Roy Alder, Albert Van Zoeren; South district: Mr. Burchfield, H. Stafford, Dr. R. E. Allen, Howard Clack, Mr. Burch, Hal Vincent, Erie Stone, Frank Wicks, A. Kaechele, and members-at-large, Mr. Braak, Joe Crouse, O. T. Schuber, George Mooi, Phillips Brooks, and Carey Bird.

The group approved the annual report and voted to apply for its annual council charter.

Next regular meeting Thursday evening, February 23, 7:45 P. M. in the V.F.W. Hall. Lunch after the meeting. Ladies Auxiliary meets same night and same time in the G.A.R. room in the city hall.

Now that our winter vacation members are back we are looking forward to some real meetings. We would like to suggest that at least one of them volunteer to give us a talk on their trip.

Just as we expected—"another party." Don't forget the Valentine party Tuesday evening, 7:30 p. m. February 14th. Fish supper followed by a real honest to goodness program. V.F.W. Post and Auxiliary, former members and eligibles are invited. Of all the parties this winter, this is to be the best. Don't be among the missing Tuesday evening, February 14.

Still looking for Tony Westrate to visit us some meeting. We at least expect him for our Valentine Party.

Sorry to hear "Adolph has a sore foot. We understand while mixing concrete he held a shovel full so long it dried out and fell on his foot."

Thought Leo Meyers was snowed in at his new location on the Ottawa Beach road, but we found him doing fine. Better turn out to meetings.

The deadline for auto license plates is almost at hand, so don't forget the use of the Vt plates, but don't forget your booster plate with the organization's initials and post number. Get these from your quartermaster.

Holland Men Bearers at Pagelsen Rites

The reception room at the Elks Temple was filled to capacity when funeral services for Daniel F. Pagelsen, former circuit court commissioner and prosecuting attorney, were held under the auspices of the Elks lodge.

Officers, including Mayor Richard L. Cook, Bernard Cook, Max Metzler, Aubrey Ernst, Peter A. Keefer, George Johnson and William Howe conducted the beautiful and impressive Elks' burial ritual at the temple and at the grave.

Judges, justices, and attorneys over the county attended the service in a body and the Elks gathered in another group. In honor of the deceased, the offices at the court house and the attorneys' offices were closed during the funeral service.

The pallbearers were Judge Fred T. Miles, former judge of Holland; Orien S. Cross, Jarrett N. Clark, Zeeland; Howard W. Fant, Louis H. Osterhaus and Charles E. Misner of Grand Haven, and burial was in Lake Forest cemetery. Dr. Otto Pagelsen of Iowa City, Ia., and Edward Pagelsen, Panama City, Fla., were two brothers who attended.

COUNTY BUILDING, LOAN ASS'N REPORTS FOR 1938

A total of \$87,398.36 in loans were handled during 1938 by the Ottawa County Building and Loan association, according to E. V. Hartman, secretary-treasurer. The loans were for new houses and for refinancing. Assets increased \$21,564,850 during the year to a 1938 total of \$47,488,620. The 411 loans made here averaged about \$2,000 each last year, the report said. A statewide report disclosed that 38 insured savings and loan associations in Michigan made 2,740 home loans in 1938. Members listed as savers totaled 43,145. Total home loans during December in Michigan were \$1,013,000.

FORCE RIDE AT POINT OF GUN; THEN VANISH

Sheriff's officers, state police and Policeman Oscar Lemon spent a hectic Tuesday night here searching for two men who used guns to hitchhike their way into Allegan.

Neither man was found. Henry Vlek, employee of a retail store, told the officers that when he stopped at the intersection of M-40 and M-43 south of Gobles two armed men boarded his car and forced him at the point of a gun to drive them to Allegan. He was returning here from Decatur, which is his family home.

When they arrived in Allegan, he drove them to the corner of Hubbard and Water sts., where they got out without robbing him or disturbing him except for the excitement. They disappeared in the night before he could notify the police.

The home of Mrs. E. P. Hiler was the scene Monday of a meeting of the Post Presidents' club of the Women's Relief corps.

Funeral services for Mrs. Anthony Van Duine, the former Nellie Westrate of Holland, were held Tuesday in the Van't Hof funeral home, Grand Rapids. She died suddenly Saturday morning at her home in Grand Rapids. Surviving are the husband; two daughters, Marjory and Carol; her father, M. J. Westrate of Grand Rapids, and two brothers, Richard of Grand Rapids and James of Holland.

The Rev. J. F. Schortinghuis, pastor of Ebenezer Reformed church, was assisted at the morning service Sunday by members of the Christian Endeavor society. The scripture lesson was read by Harold Mulder. A mixed quartet consisting of Marvin Onk, Cornelia Van Leeuwen, Evelyn Mulder and Mel Cloud sang. The Senior Intermediate society attended the service in a body.

Mrs. George Schreur, Mrs. Harold Hulsman, Mrs. Dena Wolters and Mrs. G. Wolters gave a surprise party at the latter's home last week in honor of Miss Janet Kleinheksel, daughter of Mr. and Mrs. James Kleinheksel of Overisel, who is to be married to Gus Holleman. The hostesses served refreshments. The group spent the evening in playing games.

C. W. Dornbos caught a 49-pound sailfish, seven feet long, while fishing last week off Florida coast, a letter received by Mr. and Mrs. Henry Venhuizen states. The party includes Mr. and Mrs. Dornbos, Miss Frances Dornbos, and Miss Charlotte Langeland.

DR. CRANE OF DETROIT SPEAKS TO CENTURY CLUB MEMBERS

Dr. Henry Hitt Crane, pastor of Central Methodist church, Detroit, spoke to members of the Century club Monday evening on "The Time to Laugh" at a meeting in the home of Mr. and Mrs. George A. Polgrim of West 11th St. Giving his listeners plenty of chances to practice what he preached on his interspersing bits of humor, Dr. Crane spoke on the part of laughter in a life philosophy.

He spoke of life as "mountain-climbing," giving satisfaction for peaks attained. "The sustaining recognition that once we achieved a height keeps us sane," he said. "Laugh when you are perplexed," he said, "and when you are pained, proud, or peeved. He spoke of a view of his regard to pacifism which is half way between 'Stand up and fight' and 'Lie down and be walked on.' Dr. Crane urged his listeners to avoid unfair means of defense, but to resist aggression by moral means even to the point of death.

The Holland high girls' sextet, composed of Mary Jane Raffenaud, Phyllis Pelgrim, Marjorie Brouwer, Claribel Dunnewin, Mildred Herman and Vera Vanderbeek, sang, "I Love a Little Cottage," "Rose Marie," "Philosophy," and "Play Gypsies, Dance Gypsies." The group is in charge of Miss Tricie Moore, and is accompanied by Marjorie Steketee.

Prof. and Mrs. Paul McLean, Mr. and Mrs. Kenneth De Free, Mrs. S. C. Nettinga and Dr. E. D. Dimment were in charge of the social hour Mayor Henry Geerlings presided.

Common Council

Holland, Mich., February 1, 1939

The Common Council met in regular session and was called to order by the Mayor, Henry Geerlings.

Present: Mayor Geerlings, Alds. Kleis, Drinkwater, Kalkman, Oudemool, Brouwer, Steffens, Ketel, Menken, Smith and the Clerk.

Devotions led by Mayor Geerlings.

Minutes read and approved.

Petitions and Accounts

Clerk, Oscar Peterson, presented several applications for building permits.

Granted. Clerk presented application signed by Tiede Hibma and Herman Kiekintveld for permission to come under the C.S.O. and have their premises at 249 E. 11th st. connected with the sanitary sewer.

Granted. Clerk presented application of Chas. Cunningham for a transfer of his pool room license from 74 E. 8th to 76 E. 8th st.

Granted. Clerk presented communication from John Hulst requesting the rezoning of the corner property on the S. W. corner of Michigan ave. and 19th st., from "Residential" to "Commercial."

Referred to Appeal Board. Clerk presented communication from Willard C. Wichers, Secy. of The Netherlands Pioneer and Historical Foundation extending an invitation to the members of the Council and their families to attend a meeting in the Holland High School Auditorium, Thursday, Feb. 9, at 8:15 p. m. to observe the 92nd Anniversary of the settlement of Holland. Tickets in a reserve section will be provided.

Accepted. Reports of Standing Committees

Street committee reported recommending that storm sewers be placed in the following districts:

At the west end of 12th st., where the sewer empties into the lake.

Maple ave. between 17th and 19th streets.

College ave. between 12th and 14th streets.

It was the recommendation of the committee that the City Engineer be instructed to apply for a W.P.A. Project in laying these sewers. In this connection, the City Engineer reported that the total estimated cost of the 3 sewers would run approximately \$3,500.00 for materials and of this amount, he estimated, the W.P.A. would stand an expense of approximately \$1,000.00, leaving a net total to the City of about \$2,500.00. The Engineer further reported that if these jobs were ordered, he could apply for a project from the W.P.A. which usually takes about 2 months before it is approved and an item could then be placed in next year's appropriation bill to cover this expense.

Adopted. Claims and Accounts Committee reported claims in the amount of \$4,276.60, and recommended payment thereof.

Allowed. Alderman Smith reported on behalf of the Building Committee that the estimated cost for putting in new and wider steps at Longfellow School would be approximately \$75.00 providing they did not build a vestibule in connection with the entrance. It was reported that if this were done, the cost would run between two and three hundred dollars. After a brief discussion, it was moved by Smith, 2nd by Drinkwater,

That the Committee go ahead and have the steps built without the vestibule at an estimated cost of \$75.00.

Adopted. Alderman Smith further reported on behalf of the Building Committee that he had received an inquiry relative to the City of Holland either selling or leasing the lot which the City owns on the N. W. corner of Lincoln ave. and 8th st.

Referred to Ways and Means Committee.

Civic Improvement Committee reported that quite sometime ago the Council had requested them to secure information relative to the cost of purchasing the Masonic Temple together with an estimated cost of remodeling this building so that it could be used for a library and perhaps for other civic purposes.

Committee reported that they now have an option on this building and also an estimate of the cost of remodeling it. Committee further reported that they were also informed that members of the Library Board who would be most deeply interested in using this for a library, are not in favor of purchasing this building and for this reason the Committee hesitated to make any definite recommendation to the Council.

Aldermen Kalkman, Drinkwater and Oudemool spoke on the matter and were not in favor of the City purchasing this building. Mayor Geerlings also spoke against it, also Mr. Albert Hoeksema, member of the Library Board. Mr. Hoeksema stated that together with the Librarian, they had given this matter very careful consideration and felt that this is not a suitable building to be converted into a library.

Alderman Brouwer then stated that since this is the sentiment of several of the Aldermen and members of the Library Board, he advised that God be in His infinite wisdom had taken away the venerable John R. Douma of Holland at the age of 92 years. Mr. Douma, a Christian gentleman always, was the only survivor of the scores upon scores of Civil War veterans from this vicinity who heeded the call of Lincoln to bring about the emancipation of the slave. Mr. Douma was one of the young men who marched to battle for this nation which, during this civil strife, was divided. Time has conclusively shown that Abraham Lincoln was right that this nation could not exist "half slave and half free."

Slavery has been abolished throughout the civilized world; and, Douma, the only survivor of the "boys in blue," fought for that just cause. Time has healed the bitterness and the wounds of ante bellum days between the North and the South, and we are again a nation united.

Be is resolved, that we have held and do hold our patriotic citizen,

Adopted. Reports of Special Committees

Alderman Kalkman reported on behalf of the special committee appointed at the last Council meeting to confer with the representatives from the two local labor unions, viz. the A. F. L. and the C. L. A. Mr. Kalkman stated that the meeting had been held on the previous Saturday P. M. in an effort to iron out these difficulties. However, at that time, they did not arrive at a solution. Mr. Kalkman stated that he had referred the mat-

ter to the City Attorney, Clarence Lokker, so that he might study the rules and regulations and report to the City Council. In this connection, the City Clerk presented a letter from the C. L. A. setting forth their views in the matter. This communication states that first of all it must be understood that the C. L. A. is a recognized union. It was stated that they have been recognized by the N. L. R. B. for a number of years, as well as by the U. S. and State Departments of Labor. The letter further states that the way the situation is working out on the Power Plant Project, the members of their union would not be given the same consideration as men who belong to the A. F. L., and it is this situation that they would like to have remedied.

It was stated that the State Employment Agency acts as a listing agency for the A. F. L., and on account of this system, it works a hardship upon the members of the C. L. A. The communication further requests that the rules of the P.W.A. be lived up to relative to the contractor applying to the union for their men instead of to the Employment office so that if these men cannot be furnished upon 48 hours notice as required, members of the C. L. A. or others can then be employed.

After reading this communication from the C. L. A., City Attorney Lokker reported on his findings as follows:

He stated that the rules and regulations as set forth are uniform throughout the entire country and provide that no discrimination shall be shown. They do set forth, however, certain requirements which the contractor is obliged to follow. There is a preference given to certain labor, the first preference being to those who are enrolled in the E.R.A. The second preference is to those who have enrolled with the Employment Office or they can secure their men from local labor unions. Mr. Lokker then went into considerable detail in explaining just how this works out locally. He stated that he had conferred with Mr. Barendse, local manager of the Employment Office and he was assured by Mr. Barendse that no discrimination will be shown. He further stated that it was true that the A. F. L. had listed their men with the Employment Office but that Mr. Barendse was also perfectly willing to list the members of the C. L. A. as well.

Mr. Rhine Vander Meulen spoke on behalf of the C. L. A. stating that the local contractor has requested only men who are members of the A. F. L. Mr. Vander Meulen further stated that the contractor did not want to employ anyone unless they were members of the A. F. L. and naturally this works a hardship upon the men in their organization. What Mr. Vander Meulen desired should be done was that the contractor go directly to the union for their men instead of to the Employment Office and then if the A. F. L. could not furnish the desired help within 48 hours as required by the rules, he could go elsewhere to fill his requirements.

The City Attorney informed Mr. Vander Meulen that he would do everything he could to help out the local situation so that everyone was given a square deal so far as it was within his power to see that this is done. Ald. Frank Smith also spoke on the matter stating that so far as the Brick Layers Union was concerned, they experienced no difficulty and it was his opinion as well as the City Attorney's, that there would be nothing seriously develop locally on this project.

The Mayor and several Aldermen expressed their appreciation to the City Attorney for his enlightening remarks on this subject.

Communications from Boards and City Officers

The claims approved by the Hospital Board in the amount of \$3608.41; Library Board, \$243.08; Park and Cemetery Board, \$967.76; Police and Fire Board, \$3556.24; Board of Public Works, \$25,516.29, were ordered certified to the Council for payment. (Said claims on file in Clerk's office for public inspection.)

Allowed. Board of Public Works reported the collection of \$19,121.86; City Treasurer, \$2,887.53 for miscellaneous items, and \$299.95 for fall tax collections.

Accepted. Clerk reported Bonds and Interest coupons due and presented for payment in the sum of \$16,205.68.

Ordered paid. Clerk presented report from City Inspector Wiersema giving a resume of his activities during January.

Accepted and filed.

Clerk presented communication from the Board of Public Works, submitting an estimate of expenditures required during the next fiscal year for the Fire Alarm and Main Sewer Funds. The amount estimated is \$1,000.00 for the F. A. and \$19,160.93 for the M. S.

Referred to the Ways and Means Committee.

Clerk presented communication from Ira Antles, Chief of Police, recommending to the Council the passing of a resolution to establish West 17th st. as a "through street."

Adopted.

Motions and Resolutions

Alderman Edward Brouwer presented a resolution on the recent death of John E. Douma last local Civil War Veteran.

RESOLUTION

We, the mayor and common council of the city of Holland, do advise that God be in His infinite wisdom had taken away the venerable John R. Douma of Holland at the age of 92 years. Mr. Douma, a Christian gentleman always, was the only survivor of the scores upon scores of Civil War veterans from this vicinity who heeded the call of Lincoln to bring about the emancipation of the slave. Mr. Douma was one of the young men who marched to battle for this nation which, during this civil strife, was divided. Time has conclusively shown that Abraham Lincoln was right that this nation could not exist "half slave and half free."

John R. Douma, who has just passed away, in the highest respect, not alone as a veteran of the Civil War, who helped preserve the nation, but as a peace-loving, constructive citizen after this strife was over. For many years, he typified what really constitutes a fine American citizen, and what is more, he has been a man who has always upheld the good things in a community and abhorred anything of a sordid nature. He was known by all of us as a devout, religious man, and in his modest way expounded Biblical truths; and while God has spared him to his family, to his friends, and to the community for many years, this honorable

body resolves that we extend sympathy to his loved ones and wish to express that Holland has benefited because of the fact that Mr. John Douma has lived among us for so long a period of time.

Resolved further: that a copy of this resolution be spread on the minutes of this council meeting, that a copy be sent to the relatives and that it be officially printed in the local newspapers.

Respectfully submitted,
Edward Brouwer.

Vande Bunte Is Named School Commissioner

(Continued from Page 1)

until 1941, spoke in glowing terms of Mr. Eugene B. Elliott, supt. of public instruction. He stated that the public has confidence in our school system, they have confidence in Mr. Elliott. Under his regime citizens have become conversant with our school system. He has brought and is bringing education to the people. He is telling of the problems that the educational system entails, and not the least of this is finance during these trying periods. He also spoke eloquently of Dr. Frank Cody, and concluded in thanking the voters of Ottawa County in supporting him for a position in which he was deeply interested and where he found a place where he could do a great deal of good, from which he, himself, could gain valuable knowledge, especially since he, too, had as his vocation the subject of education.

Atty. Vernon Ten Cate then asked the chair for recognition and asked the convention delegates to pledge their vote to Mr. Elliott, since Mr. Elliott stood for what the citizens of Ottawa County stood for in the way of education. His motion was then put by the chair and it carried unanimously, and Holland delegates to Flint will be pledged to the educator now holding the office of superintendent of public instruction.

Leonard Vogelzang of Holland was introduced to convention delegates as an outstanding young Republican and active party worker. The resolutions compiled by the resolutions committee, of which Atty. Howard Fant of Grand Haven was chairman, are at least two columns long. It sets forth the presidential possibilities of senior senator of Michigan, Hon. Arthur H. Vandenberg, as the Republican standard bearer for the presidency.

Hon. Carl E. Mapes has also been mentioned in the resolutions as an outstanding representative, the sterling character and experience, and statesmanship. Hon. Frank D. Fitzgerald was lauded for his excellent executive ability as head of the state, whose watchword is "economy" and "a balanced budget."

Hon. John Vander Werp, senator of Ottawa and Muskegon counties, received honorable mention. Nelson A. Miles, representative from Ottawa county, was recognized for his legislative ability in the past. Relative to Mr. Miles the resolution says: "Having experienced and survived the hectic period of hasty and ill advised law making under the Murphy New Deal Democratic state administration his experience will be of inestimable value in restoring a safe and sane legislative policy in this state."

With reference to Justices of Supreme Court, Wiest, and Butzel, the resolution states, "have at all times served faithfully and justly the best interest of the state of Michigan and have fully, faithfully, and justly performed the duties of their office, and it is deemed to be for the best interest of the people to retain their services in said office, and recommend that the delegates vote for their re-nomination."

The resolution recognizes the importance of young Republicans under the age of 35 to the Republican party and to the state and feel that they have played an important part in the victory of last fall. The committee on resolutions and the convention will continue to foster the support of young Republicans and recommend that the delegates vote for their re-nomination."

The convention went on record as favoring the continuation of the Dies Committee for investigation in Communism, Nazi, and Fascist activities in the United States. This committee should be continued and kept alive until such time as it has made a full report on all un-American activities to the American people.

The foreign policy of the president is not condoned by the resolutions committee, and it dwells on this subject at some length.

The resolutions signed by the committee gives its allegiance to the Republican party and to its principles of sound constructive government and they do hereby issue the call to all loyal Republicans, asking them to believe in the American system of government, to band together, to make use of their privilege of the ballot, to banish the New Deal, and to restore a true Democracy through the Republican party for the American people.

A dance will be sponsored by the Teenette Sub-Deb club in the Woman's Literary club tonight, Friday, after the Holland-Grand Haven game in the armory, it was decided at a meeting of the club at the home of Emily Kardux Wednesday afternoon.

Members of the Ladies Aid society of Trinity Reformed church heard Mrs. F. Jonkman talk on the Pan-American conference at Lima, Peru, Wednesday afternoon at a meeting in the church parlors. Mrs. A. Bos led devotions.

AMERICAN LEGION NEWS

The Holland Polar Bears held their regular meeting at the American Legion club rooms, and it was found that correspondence had been received of Mrs. Cox of Battle Creek. A letter also was received from the secretary of the Polar Bears of Detroit extending Holland greetings.

It appears that the Polar Bears are thinking of getting new caps, so they got one for the secretary to see whether it would fit, and if the rest of the Polar Bears did not like it, maybe the secretary could be sold on the idea of paying for the cap and putting it in his archives.

Comrade De Boer was reported ill, and according to Comrades Zwemer and Cook, who phoned the doctors, his condition was rather serious, although at last report, De Boer was considerably better. President De Zwaan and Comrade Leeuw visited the home and brought flowers in behalf of the Polar Bears.

The Polar Bears have appointed a committee to carry out club activities. The president appointed Comrades Cook, Leeuw, Althuis, and De Pree.

The next meeting has been called for March 14. Shud Althuis and Len De Pree will look after the refreshments and the place of meeting.

Friday, March 3, a bridge party will be sponsored by division 1 of the American Legion auxiliary in the club rooms. Mrs. John Mills is the general chairman.

The American Legion auxiliary, Division No. 3, will hold a potluck supper at 6:30 Friday evening in the club rooms. Those attending are asked to bring their own meal and a dish for the table.

The next regular meeting will be held on Feb. 22. The program and refreshments are in charge of Bill Bos, Gus De Vries, John Machiele, Elmer Schepers, and Charles Van Duren.

Watch the papers for the announcement of a fun party some time in the near future.

At the last meeting the following Polar Bears were present: C. Wittengen, Jacob Meeuwse, H. Bock, Walter Bocks, Simon Meeuwse, Herman Gerritsen, Jacob Zwemer, Dick Hunderman, Ben Lieverse, Edward Whaley, Leonard De Pree, John H. Riemersma, John Leeuw, John Beyer, Shud Althuis, Harry Cook, and President De Zwaan. The meeting was a good one, and everyone stayed until 12 o'clock.

HAMILTON

Mrs. E. Lohman was guest of honor at a birthday party given last Thursday afternoon in her home. She was 73 years old. She was the recipient of a beautiful gift. A two-course luncheon was served. FREE BREAD—THAT'S SOMETHING

The Kroger Co. in a large announcement heads it "Free bread." Just what this means is well told in Kroger's Clock bread—twin or sandwich bread. Two loaves for 12 cents.

Just what this entails is thoroughly explained by turning to page 4, section 1, of this issue. "Free Bread" is rather an attractive heading and will undoubtedly attract the attention of many. The story is told in the Kroger announcement.

Kroger stores are found on West 8th St. near Central; on Central Avenue near 16th St.; at Washington Square; at the corner of 12th St. and Washington Blvd.

Pheasant Life And Icy Gales In Winter Time

Mild Winter Holds No Terror For
Ringnecks. Ice Covering Fatal
To All Bird Life

In the greater part of Michigan the winter of 1938-39 has been ideal for preserving bird life. Food, with this summery winter, has not been hard to get. However, we should remember that ice-covered ground is fatal to birds that seek food. It is then up to everyone to remember the birds with scraps and grain. There were winters when even the rural mail carriers took with them food for birds which they scattered at intervals along their respective routes. Holland postmen have done this repeatedly. An interesting story appears in the Detroit Free Press by Jack Van Covering, "great outdoors writer," telling about birds in the winter, but more particularly about pheasants. Here it is:

Michigan's ringneck pheasants are proud and cocky birds as long as the snow is not too deep and the wind blows no icy gale. They get along famously on weed seeds and waste grains and ask no help from anybody. But when the snow gets deep and the wind blows cold, the story becomes different. Then the poor pheasant battles for his existence. When the cold spell becomes prolonged, the fight is one against odds.

During January and early February, cocks and hens are not often found together. Hens gather in flocks and often are seen. Cocks are more wary and often travel alone. This habit makes observers think that there are no cock pheasants at all. By the latter part of February, if the weather is warm, the cocks will begin collecting their harems.

Starts by Taking Refuge
During the winter, the pheasant begins the day by taking refuge in the heaviest cover of the locality. This may be a swamp, sedge or a field of grass or sweet clover if the snow has not covered it. By high noon the bird is on the feeding grounds, in corn and stubble fields.

Winter foods consist largely of grains, with corn leading the list. When they are available, ragweed, burdock and the small black seeds of pigweed are welcome. Residue grains found in manure are an important source of winter food.

Pheasants need no "travel lanes" to get from roosting to feeding grounds; they have wings and they are not afraid to walk in the open. In good grain areas, shocked and standing corn makes natural feeding stations.

May Be Quiet for Full Day
It often is stated that birds must feed every day, but pheasants may be inactive for as much as a whole day following big storms or during real cold spells. There is little tendency for pheasants to venture out in the teeth of an icy gale just to get something to eat. It is such weather, however, which is most dangerous for the ringnecks.

In prolonged spells of subzero weather, the ringneck battles for life against odds. The low cover, such as weed patches, willow clumps and small swales becomes drifted full and makes them completely useless to the birds. Even when good protective cover is available, it becomes a hazard unless it is near to the food supply.

Studies of winter mortality of pheasants have shown that often death is not due to either food or lack of cover alone, but directly proportional to the distance of food from good protective cover. When birds do not have to range very far from suitable cover to find food, mortality remains at a minimum.

Patches Are Death Traps
When they must range some distance from good cover to feed, many pheasants succumb to the elements, either while coming from or going to shelter. Thus, food patches may become death traps when nearby protective cover is drifted full of snow.

In a study of winter pheasant losses made in Iowa, it was found that the greatest loss was from freezing and choking. Birds caught in the open nearly always turn up their tails to the wind. The body feathers ruffle up and in drift storms, driving snow blows under the feathers. This melts first and freezes afterwards, encasing the birds in ice and snow. Such encasement of ice and snow is responsible for the death of many pheasants in more severe winter weather. Birds found dead in the snow often have their eyes, nostrils and bills covered with ice.

Crows Do Not Prey
Crows often are reported harrasing pheasants during extreme cold weather, but investigators in Iowa found no evidence that crows attacked or killed pheasants. The black birds did feed on the bodies of frozen pheasants, and their presence aided in locating the carcasses of frozen birds.

WILL MOVE TO NEW LOCATION FEBRUARY 15

The Vogelzang Hardware Co., who three years ago purchased the Verburg Hardware, will move from their location just west of the Holland Theatre to a new location at the corner of 8th Street and College Avenue, Holland, formerly occupied by the A & P Food Store.

The enterprise deals in hardware and wall papers and other merchandise incident to an establishment of that kind. Leonard Vogelzang, Jay Schipper, and Nicholas Vogelzang are on the staff, conducting the store. The new location has been given an overhauling, and has been redecorated, and is ready for occupancy.

The Vogelzang Hardware Co. also conducts a similar enterprise at Washington Square.

Mrs. William Van Alsbury is now convalescing at the home of her son, Gary Stam of 170 West 27th St., after a period of confinement in Holland hospital.

BUILDING ACTIVITY IN HAMILTON INCREASES

This village of Hamilton with a population of 500 is enjoying a long needed building boom. Six new homes have been completed and five more are under construction, with others being planned. The village also boasts of a new grocery store, a new pickle station and the Hamilton Farm Bureau has added several additions to the co-operative.

CORNELIUS HOP DIES AT 61 YEARS

Funeral services for Cornelius Hop, 61, of 58 East 13th St., will be held at 1:30 p. m. Friday in his home and at 2 p. m. in First Reformed church, with the Rev. Seth Vander Werf officiating.

Mr. Hop, an elder in First Reformed church, was stricken with a heart attack Monday night while attending a consistory meeting. He was taken to Holland hospital, where he died Tuesday afternoon. He was a janitor at Holland Junior high school at the time of his death, and had been employed in the public school system for 22 years. He was a member of the Men's Adult Bible class at First Reformed.

He is survived by the widow, Mrs. Cornelia Hop; three sons, Herbert and Donald, both of Holland, and Chester of Grand Haven; one daughter, Miss Berdine Hop, at home; two brothers, Jacob of East Saugatuck and Albert of Hudsonville; three sisters, Mrs. Chris Bareman of Hudsonville, Mrs. Henry Leuw of Holland and Mrs. Albert Nyhuis of South Blendon; and two grandchildren. Burial will be in Pilgrim Home cemetery.

FORMER SHERIFF HURT

Ben H. Rosema, former sheriff of Ottawa county, is recovered from a recent injury suffered at his home in Spring Lake township where he accidentally ran the tines of a pitchfork into his left foot while at work in his barn.

HAS PURCHASED FARM

Keith Bushee has purchased the John Martin homestead on the New Richmond road north of Fennville. They plan to wire the house and make other improvements before occupying it.

CHANGE IN MANAGEMENT

The Downtown Service Station, 77 East 8th Street, opposite the Holland Theatre, is now under new management. This service station will continue to sell Gulf gas and oil products of that company, augmenting the sale of Goodrich tires, batteries and auto accessories.

The Downtown Service Station is now in charge of Al De Weerd who will be assisted by Clarence Westbroek who has been with that station in the service department for some time.

Millard De Weerd, son of Al De Weerd, will be the bookkeeper. The new management has already taken charge.

Next Monday at 2 p. m. examinations will be held for Russell Bouws, restaurant operator, and Ralph Gunn, gasoline station proprietor, of M-21, east of Holland, on charges of illegally possessing slot machines. The pair were arraigned Saturday before Justice of the Peace John Galien. Prosecutor Elbert Parsons demanded the examinations after Bouws and Gunn hesitated whether to ask examination. Three slot machines were confiscated in a raid last week by Deputy Sheriff William Van Etta.

Dr. Klaas Schilder, distinguished Dutch scholar of theology, spoke in Ninth Street Christian Reformed church Monday evening on "The Covenant of Works and the Covenant of Grace." The meeting was the second of a public nature while Dr. Schilder is the guest of the Rev. and Mrs. D. Zwier. Friday night a large crowd gathered in Central Avenue Christian Reformed church to hear Dr. Schilder lecture on common grace in the Netherlands language. Friday afternoon a group of Christian Reformed pastors gave a smoker for the distinguished scholar in the Warm Friend tavern, where theological problems were discussed. Sunday morning Dr. Schilder preached in Graafschap Christian Reformed church, and Sunday afternoon in Central Avenue Christian Reformed church.

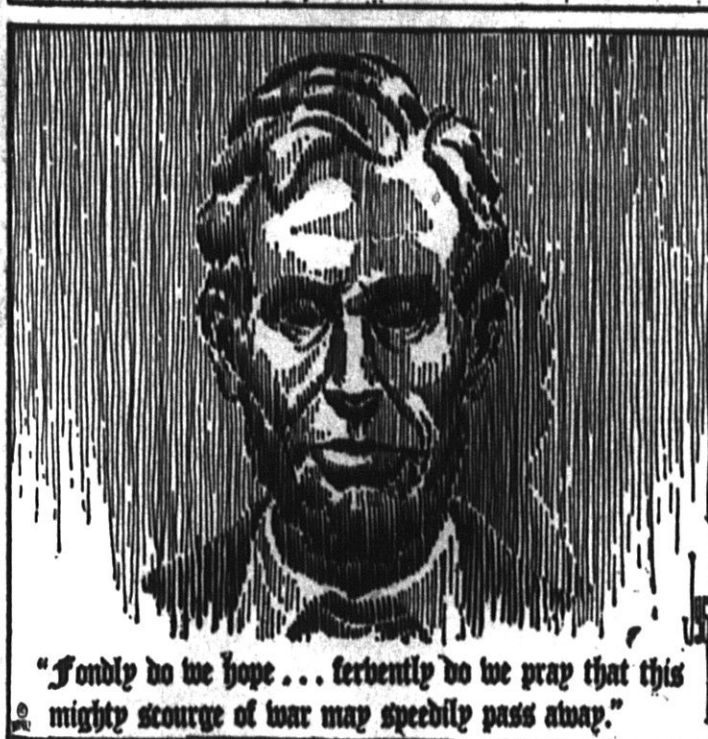

Holland Rotarians heard John D. Lippy, Jr., who has traveled more than 400,000 miles in the United States, talk on outstanding sights in this country at the regular meeting of the club in the Warm Friend tavern Thursday noon. The speaker verbally took his audience to Niagara Falls, Cooperstown, N. Y., where baseball was invented, Gettysburg, Washington, various Florida cities, and Hollywood, which Mr. Lippy called "the most overrated city in the nation." The speaker also described the Winchester House of Mystery in southern California, whose owner never allowed construction to cease in the belief that she would die at the moment that the sound of hammering died away. Mr. Lippy was introduced by President Peter Van Dornen, Jr.

Plans for building the sixth residence in Holland since the first of the year were revealed last week when Dr. E. Vander Berg filed an application with City Clerk Oscar Peterson for a permit to build a house at 67 West 14th st. at a cost estimated at \$4,200. He also plans to build a garage at \$300.

Robert Stille, 8, of Holland, found an envelope containing an undivided check for more than a hundred dollars last week and returned it to a local school teacher. First reports were that the sum was in cash.

Mr. and Mrs. Charles H. McBride of 280 College Ave. spent last week end in Detroit.

principles." The present administration under Gov. Fitzgerald just started was condemned. Efforts to abolish the present public utilities commission, destruction of civil service were stressed in the reports. The attempt to inject partisan politics in the school system was mentioned.

Pick Delegates
The delegates and alternates elected to the state convention are: Charles E. Misner, Gerrit Van Coevering, Grand Haven; Charles Kohloff, Spring Lake; William Duga, Crocker; Sally Nash, Bental Slag, Holland; Frank Van Bree, Zeeland and Louis Renaud, West Olive. Alternates, Frances Seifert, Harry A. Hale, Fred E. Hickey, Jr., Grand Haven; John Dykema, Helen McNaughton, Elizabeth Snyder, Holland; George Caball, Zeeland; and Anna Maple, West Olive. Resolutions on the death of David Uhl, prominent in Democratic circles during his long residence in Grand Rapids, were passed on recommendation from the floor.

Charles E. Misner, county chairman, was elected chairman of the

18-POUND PIKE TAKEN BY FENNVILLE LANCER

At the South Haven Rod and Gun club's annual rabbit dinner last Monday evening prizes were awarded for the largest fish caught last season in Van Buren, Berrien or Allegan counties. The largest pike was caught by Arnold Steinbacher at Saugatuck and weighed 15 pounds. The record was broken here Sunday when Cecil Schaeffer of Fennville caught one in the bayou of the Kalamazoo river at Camp Waunung, 5 miles northeast of here. This pike weighed 18 pounds, measured 40 inches in length and 18 in circumference.

Several members of the Holland High school band were in Sturgis last week-end for a band picnic and mass concert. They include Selma Swift, Ethel Brandt, Bob and Don Kuite, Howard Jalving and Bob Walters.

Mrs. D. B. K. Van Raalte and Mrs. A. H. Landwehr returned here last week after a trip to Phoenix, Ariz. Mrs. Landwehr has again returned to Phoenix.

August Tellinghuizen and Gradus S. Aalberts of the senior class at Western Theological seminary have received promises for calls upon graduation from Amherst, S. D., and Ireton, Ia., respectively.

The ERA office in the city hall is now open every morning after 9 a. m. except Saturday, instead of being open mornings only on Tuesday and Thursday, according to Miss Deborah Veneklasen, administrative of the Ottawa county office. The office will no longer be open during the afternoon, she said.

Mr. and Mrs. Frank Oosting and Mr. and Mrs. Roy Monroe and Charles Monroe are back from a trip to California, on which Roy Monroe saw his brother for the first time in 25 years.

convention which brought a large number of county Democrats together. The resolutions committee included Gerrit Van Coevering, Harry Kramer, and McClellan East, and their resolution at some length gave praise to ex-governor Murphy and other state officials, especially Van Wagoner when they say: "We commend the administration of Murray D. Van Wagoner, state highway commissioner, as being the outstanding commissioner in the United States."

"We pledge our full allegiance and hearty approval of the administration of President Roosevelt and will use every effort to sustain his great reform and humanitarian principles of government."

Gypsy Group Here Next Wednesday

The Continental Gypsy Ensemble has been secured for a concert in Memorial Chapel at 8:15 o'clock on Wednesday evening, February 15. The Ensemble has pleased discriminating audiences in many large cities and the program will be a worthwhile experience.

The Ensemble originates from the group known as Bohemian Gypsy. From this group arise those great creative artists that make the world sit up and take notice. They live and love the life of such places as Tin Pan Alley, Greenwich Village, Montmartre or many others. They impart to their audiences the romance they experience in life.

Allador Berger, violinist, is conductor of the group. He is one of the most versatile of modern artists

MOCKING BIRD WINTER GUEST AT SAUGATUCK

Mrs. Frank Comstock of Saugatuck was very much thrilled recently when she found a mocking bird in her yard. He has been here now about two weeks and feels very much at home with the Comstocks. During the recent storm Mrs. Comstock prepared his food and put it on a table on an enclosed porch. When she opened the window he flew in. Since then he has been having all his meals on the porch and flies out and in as he pleases.

SURPRISE RELATIVE ON HIS BIRTHDAY

John D. Ver Hage of Vriesland was pleasantly surprised recently, the occasion of his birthday.

Those present included Mr. and Mrs. D. C. Ver Hage, Cornel and Marie; Mr. and Mrs. C. Wittengen, James Hopp, Harvey, Jean, Doris, Carolyn, and Dickie Hopp of Beavertown; Mr. and Mrs. Herman Menema, Maurice and Dennis of Holland; and Mr. and Mrs. J. D. Ver Hage and Geneva of Vriesland.

HISTORICAL CELEBRATION (Grand Haven Tribune)

Frank Bottje, register of deeds, who is a director of The Netherlands Pioneer and Historical association at Holland will attend the Dutch settling in Holland which will be held in that city on Feb. 9. Mr. Bottje has tickets which anyone may secure, with no charge. He will entitle one to a seat in Holland high school auditorium where the ceremonies will be held. Mr. Bottje has been instrumental in securing the loan and gifts of relics from several local people which have been placed in the museum at Holland.

Hope Girl Chosen For Chinese Mission To Embark In Aug.

Geraldine Smies, former graduate of Hope college, will sail for Amoy China sometime in August to fill a missionary position there, and thus begin a long-yearned-for career.

Miss Smies spent last semester on Hope's campus preparing to become a teacher. However, when Dr. Wichers, Dr. Van Kersen, who has charge of the Church House; Mrs. Beardsly, only woman on the Board of Trustees, and several faculty members, including Miss Lichty, secured this opportunity, she was extremely glad to accept it. Miss Smies had generally favored Arabia as a mission field, but believes she will find China an interesting place wherein to work.

Students of Hope college should be exceptionally interested in this missionary appointment of one of their members due to the fact that the annual missionary drive is scheduled for the near future.

Miss Smies is now going to the School of Missions, for one semester, in Toronto, Canada. Those who are interested in writing to her, may address their letters to 79 George Street, Toronto, Canada.

Dr. Ralph Ten Have, director of the county health unit has gone to Detroit for one week to attend a post graduate course in venereal disease control under Dr. R. S. Dixon, a physician who gave a very interesting lecture before health units in Western Michigan in this city several weeks ago.

Monday Mr. and Mrs. Donald J. Crawford and family moved from 132 East 12th St. to their new residence at 415 West 25th St.

Seven Sea Scouts and a leader will be selected from the Ottawa-Allegan council to take a cruise on the U. S. Coast Guard cutter Escanaba next July when the vessel accompanies the yachts entered in the Chicago-Mackinac Island race, according to word received by M. P. Russell, council executive. A Sea Scout will be selected from each of the ships and patrols in the council, he said.

Clarence Lokker, city attorney, and Peter Van Ark, city assessor, were in Detroit on business Tuesday.

While spearing fish last week with Henry Drenton of Hamilton, Jack Vander Ploeg of 102 East 16th st., got a pickering weighing 10 pounds, and two smaller fish.

The young daughter of Mrs. Harold Kraai of 130 West 9th st., has been given a prize in a statewide photo contest.

Mr. and Mrs. Merrick W. Hanchett of Lawndale Court are spending a week in Lowes Camp, Florida.

Tuesday night Mrs. Anna Popen of 40 West 18th St. submitted to an operation for acute appendicitis at Holland hospital. Her condition is reported as favorable.

With the recent outbreak of rabies in Kent county it is to be expected that rabies will appear in Ottawa county. Dr. Ralph Ten Have, director of the Ottawa County Health Department has followed up every case of dog bite which has been reported in the county, but to date no case of rabies has been discovered. However, he states that every dog bite should be regarded with suspicion and that every dog, or other domestic animal which acts queerly should be confined for a two-week period. Dr. Ten Have requests that every case of dog bite be reported to the County Health Department in order that the dog may be placed under observation at once.

Dogs Go Out Hunting for Themselves

Experiment on Allegan County
Dog Problem

Predator control is a technical term which conjures thoughts of coyotes, wolves, bobcats and other meat eating animals of various kinds, but it also is something which, like charity, might well begin at home.

Not all predatory raids on game animals are made by blood hungry denizens of the wild. There is, for instance, the self-hunting dog—that is, the dog that is allowed to run loose in the woods the year around.

Hunting dogs on the loose are taking more than their share of rabbits, in the opinion of Arnold O. Haugen who is studying rabbit management at the Swan Creek Wildlife Allegan county experiment station, 12 miles from Holland. As Mr. Haugen points out, you can't blame a good rabbit dog for hunting rabbits when he gets a chance.

In the second growth oak woods of Allegan county, rabbits are hunted during the season almost exclusively with dogs, which is perfectly legal. But the dogs cannot be expected to know when the season has ended and if they are allowed to roam at will they naturally continue the pursuit for which their masters praise and train them, at other times.

Mr. Haugen reports that hounds are seen frequently in the woods carrying freshly-killed rabbits. He believes that free running dogs have accounted for more rabbits than any species of wild predator observed during his study.

The station where the management experiments are being carried on is located on the large area acquired by the U. S. department of agriculture and was established last year by the game division of the department of conservation as a field unit where intensive studies might be carried on for testing and developing methods for promoting the natural increase of Michigan fur and game animals. It is expected that the department will take over the entire 35,000-acre tract during 1939 on a long time lease. Most of the area will be used as a state forest and public hunting grounds.

ANNOUNCE BETROTHAL OF DAUGHTER

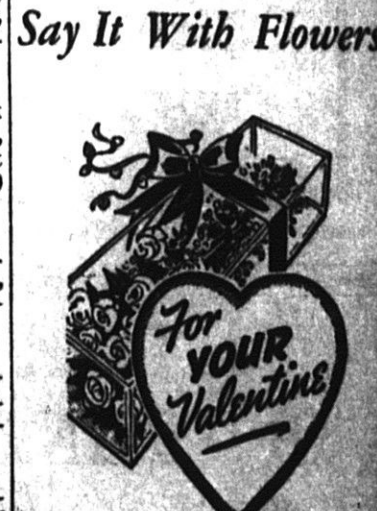

Mr. and Mrs. Louis Hendricks of Zeeland announce the engagement of their daughter Zelma to Mr. Charles C. Riemersma, Jr., son of Charles Riemersma of Holland. This was announced at a dinner party held at the Hendricks home on N. Centennial st. last Sunday. Members of the immediate family were present. Miss Hendricks is a graduate of Zeeland high school and of Grand Rapids Junior college. She is employed at the Cole Laundry in Grand Rapids.

ZEELAND MAN PASSES; REMAINS TAKEN EAST

Alonso Pough, 66, died here at the home of his daughter, Mrs. Louis Rupp, Friday morning. He is survived by two daughters, Mrs. Rupp and Mrs. Ruth Marco of New York city, and three sons, Gordon and George of New York and John of South Salem, N. Y. The body lay in state at the Langland funeral home until Saturday. Funeral took place in Poughkeepsie, N. Y., where the remains were taken.

The Montello Park Parent Teachers association will present Lillian Mortimer's comedy-drama, "George in a Jam," at the school next week Thursday and Friday. Members of the cast are Floyd Koopman, a young guardian; Mrs. Jack Essenburg, the guardian's ward; Leonard Fought as George; Mrs. Edwin A. John as a colored cook; Jack Essenburg, George's friend; Mrs. J. Bontekoe, a school teacher; Anne Harringsma, an heiress; Mrs. Richard Smeenge, her mother; Peter C. Dalman, her father; and Mel Cloud as a "country detective."

Two of the Clarke children were burned in fires which destroyed their family's homes. One was killed when a theater was gutted by flames. A fourth died when a tent in which it was sleeping was ignited by lightning, and the fifth was pinned beneath a overturned carriage which burned.

O. Henry was generally destitute. What money he had he spent on liquor.

ALL ALLEGAN COUNTY RURAL SCHOOLS GIVE ETIQUETTE RULES

The children of the 'Whitney' school were interested in proper conduct during the noon-day lunch and developed the following rules which they observe:

1. No one should be seated before the hostess.
2. The gentlemen should always help the ladies in being seated.
3. No ladies should begin to eat until everyone is served.
4. If a dish is passed, one should offer it to one's neighbor before one helps oneself.
5. No one should leave the table before the hostess. If it is absolutely necessary for one to do so, he should ask the hostess to excuse him.
6. No noise should be made in eating. Any smacking of the lips, loud chewing, sucking noise when drinking soup, or the like, is in very bad taste.
7. One should contribute to the general table conversation but should avoid all unpleasant or controversial subjects such, for example, as sickness, injured feelings, politics, or religion.
8. One should never reach across the table.
9. Only ill-mannered people throw water or food about, even in fun.
10. Well-mannered people do not interrupt others or talk loudly when others are talking.

NEW WELL ADDED TO GRAND HAVEN SYSTEM

A new well producing 233 gallons of water per minute or more than 190,000 daily, was hooked into Grand Haven's city water supply system yesterday, boosting the total available water to 2,800,000 gallons daily or half a million gallons in excess of the heaviest recorded daily demand.

The well, installed the past three months by the Layne Northern company, is to cost about \$3,000, this being based on gallonage. Analysis has shown the water it produces to be softer than the average produced in this locality and fit for drinking without treatment. The well is located in Mulligan's hollow, a short distance southwest of the Leggett and Sherman street intersection in the city forest area.

Two calves, housed in a building at Zeeland for demonstration purposes were suffocated by the smoke and heat of a fire, and much damage was done to the stock of merchandise by fire, smoke and water. The building, which adjoins the Pere Marquette station property, on the west side of Elm St., is owned by Derks & Buter, and the front had been remodeled for the purpose of operating this business within the past two years.

MICHIGAN—for All Sorts of Winter Sports!

MICHIGAN'S natural facilities for winter sports, perhaps unexcelled anywhere in the country, are worthy of promotion. Thousands of visitors should be attracted here from outside the State, and Michigan residents can be shown that they need not leave their own State to enjoy the finest of winter sports.

All Michigan will profit from such promotion, in which the Michigan Bell Telephone Company wishes to do its part. This is the first of a series of three advertisements, appearing in 250 Michigan newspapers, to promote Michigan as an outstanding winter playground.

Dr. Ten Have Gives Some Ottawa County Health Information

Ottawa County has again entered the National Rural Health Conservation Contest for 1939. A large number of counties who have full time health service have entered the contest, which is conducted by the United States Chamber of Commerce in conjunction with the American Public Health Association. Ottawa County has received honorable mention for three consecutive years.

There has been considerable improvement in school and milk sanitation during the past few years. There is, however, a great deal which needs to be done in protecting children against diphtheria and smallpox. This work has been carried on to a large extent in the schools. Immunization of school children, although effective, has been abandoned because this should be done early in infancy. According to reports received from physicians, few parents are having their children protected. Since the treatment is now so widely accepted and the reaction to the treatment is not severe, there is considerable concern about the indifference of a large number of parents with respect to these protective treatments. There is less than five per cent of the preschool population protected against this disease. It is expected that unless more interest is shown in these protective measures, there will be a return of smallpox and diphtheria. Parents who are not in a position to have this work done by their family physician should inform the Health Department so that necessary arrangements can be made to have these treatments given.

Kelly Warns March First Auto Tag Deadline

With the deadline approaching when the 1938 license plates will no longer be legal, Harry P. Kelly, Secretary of State, points out that over 5,000 automobile titles, lost by their owners in the past, are being held by the Department until their owners realize their loss and inquire for them.

If the correct addresses were known, these titles would of course be sent to their owners, but the file of "lost titles" contains only those which postal authorities have returned after not being able to deliver because of faulty addresses given by applicants for titles.

Kelly points out that annually thousands of people are frustrated for a time at least by a frantic search for their car titles which they have present when they apply for plates.

With well over 1,200,000 motor vehicles still without their 1939 license plates and the deadline set by law at midnight, February 28, Kelly points to an inevitable jam at every Department of State Branch Office in the State at the end of this month. He stresses the fact that the 1937 legislature designated the last day of February as the final date for plate or permit purchase each year and neither the Secretary of State or any other official of the State or municipal officers has any discretionary power to extend the date permitting the use of 1938 plates. He suggests that those deferring their purchase of plates through necessity make certain at this time that they have their titles available.

Motorists are urged to purchase their plates as early as possible to avoid the discomfort of standing in line. Half-year plates are now on sale at all branch offices of the Department of State.

The Holland License Bureau, of Alex Van Zanten, is on the second floor of the Vander Veen building over Jonker's drug store.

Persons who were fined on traffic violations here last week were announced by Chief of Police Ira A. Antles as the following: Anthony and John Sloothaak, failing to stop for red light, \$3 each; Fred Nagelkerk, unnecessary blowing of horn, \$3; Joseph Jirgo, speeding, \$5; Frank O'Meara, allowing four to ride in front seat, \$4.15; and Charles Van De Water, speeding in school zone, \$3.

WINTER KILL FISH CAUSED BY SNOW

Danger of last week's blizzard causing conditions which might have led to winter-kill of fish were largely averted by the high wind that accompanied the snow. Although the amount of snow which fell was sufficient to create serious conditions if lasting for any prolonged period, the wind kept it from piling up on the lakes. Winter-kill occurs when snow covers the ice in sufficient quantity and for a long enough time to shut off the sunlight from oxygen producing vegetation in the water. This interruption, in the extreme, results in a depletion of the oxygen supply below the point needed to sustain fish life.

HOPPER LOSSES ARE ENORMOUS

There will be fewer grasshoppers in 1939 because of last year effective poison-bait, is the forecast. This was accomplished by killing possible parents in the egg stage. Repeated spreading of poison bait was necessitated by the slow, cool spring which caused last spring's hoppers to emerge in relays instead of en masse. The unwillingness of some farmers to distribute bait until they saw actual harm being done to their own crops and the refusal of some farmers in the northwest to attack grasshoppers on any land except their own aided the pests. For the past season losses due to these causes are estimated at \$87,000,000.

This year 206,242 tons of poison bait in the anti-grasshopper campaign will be distributed.

Zeeland Plans Many Projects For This Year

NEW STREETS AND ATHLETIC FIELD BEING CONSIDERED

The city of Zeeland is making preparations to take care of unemployment next spring, and the common council is applying to the WPA to have some of its unpaid streets taken care of during 1939. One of the projects is to have gutters and curbing laid in streets that are still unimproved, but where improvements will be made in the near future.

These include Centennial street from Main street north to the P.M. tracks, Garfield street from State street west to Michigan street, west Central Ave. from Pine street west to the west city limits, and Colonial street from Washington street north to McKinley street.

A big undertaking is the widening of Central Avenue and Church street. Just how much wider this will be made has not been determined. The widening will go on from Maple Ave., to State street, and the reduction of a jog that has been a traffic hindrance in Central Ave. at Maple St. That this street should be widened has been felt for a long time, especially in the winter time when the parking of cars is practically impossible, especially on Sunday, when there is a great deal of parking there.

New sewers have also been thought of in certain streets, but no definite action or plans have been made because of the uncertainty of public funds.

Zeeland also has a recreational park to the east of the city, comprising some nine acres. It is a nice tract of land for that purpose; however, the improvement plans are also tentative, and have received the approval of the government. It is expected that work will start on this ideal recreational park site with the opening of spring. The field can be improved through almost all day labor, which is naturally very desirable to the government, who through works relief wants just those kind of projects. The work will include the grading and draining of the ground and the park if and when completed will have a football gridiron, a baseball diamond, and a track for running and two softball diamonds. There will also be tennis courts, and there will be some landscape gardening, in which shrubbery and evergreens will play an important part placed where they will not interfere with the recreational facilities of the field.

The board of education of Zeeland has engaged the services of engineer Barkwell, who is to prepare plans and specifications for the work, and these will be submitted at the board meeting on Feb. 15.

The new light and power plant of Zeeland has also received some added equipment. A new electric generator has been installed, and is now in running order. Several trial tests were made, and up to this time these have been very satisfactory. The generator will continue to be tried out until Feb. 1, the day of acceptance.

More than 300,000 ballots were cast by communists in the November elections in only two states of the U. S., Major Lester C. Doerr, regimental chaplain of the 128th Infantry, Michigan National Guard, told members of the Exchange club at their regular luncheon meeting Monday. "There are 80 times as many Communists in the United States today as there were in Russia at the time of the communist revolution," Major Doerr said. Communist newspapers in the United States now total more than 900, the chaplain said. An additional \$21.45 for the Goodfellows' fund, in addition to that reported in December, was announced by the Rev. Paul E. Hinkamp. Robert Kuite played two bass clarinet numbers, accompanied by Gerard Hanchett. Dr. William Westrate and Chester Van Tongeren reported on the Mid-Winter Exchange conference. The invocation was pronounced by R. E. Chapman.

J. J. Riemersma, principal of Holland high school, spoke on "A Defense of College Athletics" at a meeting of the Social Progress club Tuesday evening at the home of Dr. and Mrs. W. M. Tappan. Guests included Albert Van Zoeren and Gerald Breen, coach at Holland high.

SUNDAY DINNER

Suggestions

By CORA ANTHONY
Director of A&P Kitchen

LAST week's bad weather slowed the output of hogs and calves at terminals so that slightly higher prices are being asked for veal and for pork loins. Beef prices are steady and lamb, with the exception of legs, is cheaper. Broiling and frying chickens and ducks are excellent values.

The public appreciation of eggs steadied the wholesale market so that no lower prices than last week are likely in the near future. Low prices and fine quality are expected to continue, however.

Vegetable prices are again lower. iceberg lettuce and avocados are especially good values. Lima beans, broccoli, cabbage, carrots and spinach are attractively priced. The staple fruits plus strawberries and pineapples are inexpensive.

THE SUNDAY SCHOOL LESSON

February 12, 1939.

Peter Heals a Lame Man—Acts 3:1-10; 4:8-12.

Henry Geerlings

Bringing several parts of the records together we learn that the disciples were disposed to return to their fishing nets after the resurrection of Jesus; at least seven of them were found spending a night in a boat on the sea of Galilee, when He appeared to them in His risen form. But we do not discover that they were ever disposed to return to their old occupation after Pentecost. In short it was only then that they really saw into the inner depths of the meaning of Christ's death and resurrection.

Pentecost had passed, and also its sound of a mighty wind, and its

tongues like as of fire. But the deep personal experience of that day had not left them, and never would. We are to suppose that some little time had elapsed between that event and the lesson for today. The book of the Acts contains only a few of the apostles in a stretch of something like thirty or thirty-two years. And therefore we are not to suppose that these events were crowded close together. Only a few of them are here and they are intended to be typical of the total activity of the early church.

Peter and John were friends and partners in the fishing business. Both of them had been disciples of John the Baptist, and were among the first disciples of Jesus. They are frequently associated together in the gospels and the Acts. They were the chief actors in the Pentecost and post-Pentecost experiences.

These two men were on their way to keep an appointment with their Lord. It was the ninth hour of the day. They had not yet broken away from the temple worship. If previously to their discipleship with Jesus they had gone to the temple in any formal manner that was not the case now. Worship meant something very real to them. It was an hour with an experience that they did not miss.

At the temple gate lay a man

who had never enjoyed sound health for a single day. He had been a cripple from his birth and he was now about forty years old. It is not probable that he suffered greatly though he was a helpless and hopeless cripple. These unfortunate classes fared very well at the hands of the Jews who were charitable disposed. It was not at all unnatural that his friends should carry him daily to the beautiful gate of the temple looking toward the east where most of the worshippers entered. He had been begging at that very spot so long that no one ever thought he would be cured. So twisted and powerless were his feet and ankle bones that he could not put his weight upon them.

All worshippers looked alike to him, so that he asked alms of Peter and John just as he did of others. He would notice by their appearance that they were not rich men, but he hoped to receive something from them. Peter's attention was particularly drawn to him at this time. He conceived the idea of using some of the power that was given him at Pentecost. Peter told the man to look upon him and John for the purpose of arousing in him faith to receive profitably the unusual blessing about to be bestowed upon him. Still the poor man's mind did not rise above the

coin he was expecting.

Peter told the man there was no money in sight, for he himself was a poor man. If he had any property it is likely he sold it and put the proceeds into the common fund. He was not willing, however, to let the man's faith go unrewarded. He announced he had something to give and it was worth more than money. The fact is he was richer than kings. He was careful to give credit for the cure to Jesus, by whose power and authority he was to perform the miracle. He left no doubt that Jesus was the real healer.

Peter had faith to believe that Christ would give him power to effect this cure and the cripple had the faith to believe the word of Peter, so he started getting up. Imagining the feeling of the person who takes his first step past the age of forty. Is it any wonder that he leaped and walked? These are normal uses of feet and limbs. The description of this cure is in exact technical terms, which is one of the reasons for believing that Luke, the physician, wrote the book. The cripple believed that the cure was from God; what more natural than that he should hasten into the temple and praise Him for it? He had been shut out because of his crippled condition, though he seems to have had a devout spirit and no doubt was a believer.

Every Woman with a Family to Feed Can Save this New, Easy Way

For years A&P has been cutting the cost of handling foods from producers to consumers. Expensive handling methods, in-between profits, indirect shipments—these and many other costs that add nothing to the value of your food were banned. And now, in the big A&P Super Markets, A&P takes an idea born of depression needs, improves upon it—and offers you the modern "food department store." In A&P Super Markets you can do all of your food buying under one roof—and make worthwhile savings on everything you buy. You serve yourself—and shop more quickly. You buy what you want—

no sales pressure. You know exactly what your food costs, for every item is totalled and you are given an itemized receipt when you leave. These features induce millions of bargain-wise shoppers to buy at A&P—and our tremendous sales mean we can take a smaller profit on each transaction. You profit by lower prices—prices that our customers tell us enable them to save \$1 to \$2 every week! Come in today. You'll find everything marked way down—just as you will every day in the week. A&P features continuous low prices—and you SAVE!
