Water Rates Modified in Grand Haven

GRAND HAVEN — City Council has approved a modified form of the present rate structure making little difference in over-all collections but some customers will not slight increases or decreases in their bills, effective March 1.

The new system is more "automatic" than the system adopted last September which was based on meter equivalents. This system was unwieldy and difficult to process. The new system calls for a fixed charge on meter size, entitling the user to a certain amount of "free" water. A five-eighths inch meter will carry a minimum charge of \$4.30. Other meter sizes will carry higher minimum charges but they include more water.

The modified system will raise enough revenue to finance improvement and expansion work to the water system which already is under way. This work calls for an \$800,000 revenue bond issue to finance the first phase of the two-stage project. Another revenue bond issue is proposed for 1966 or 1967.

Potato Fines Paid In Lower Courts

GRAND HAVEN — Spring Lake Produce, Inc., of Spring Lake, pleaded guilty in Grand Haven Municipal Court Tuesday to violation of the Michigan potato marketing law and paid \$25 fine and \$5.50 costs.

The offense involved packaged potatoes which were not branded or stenciled with the name and address of persons responsible for grading and packing as required by law.

Peterson's IGA Market at Conklin paid \$25 fine and \$4.30 costs before Justice James Charles at Coopersville Monday on a charge of offering and exposing for sale packages of potatoes less than the quantity represented.

Complaints were signed by Lee Rice, state food and standards inspector for the Department of Agriculture.

WATCHES STACK COME DOWN — John (Yocum) Woldring of 394 Chicago Dr. was one of the first spectators on hand as workmen of the Casemier and Dolman Co. Wednesday began tearing down the old city light plant stack on Fifth St. Woldring has a special interest in the stack since he helped to drive pilings for the foundation back in 1928. Woldring said 120 pilings were driven for the foundation of the 200-foot stack. At the time the photo was taken Wednesday afternoon, workmen had taken 20 feet off the top of the stack. The demolition is proceeding brick by brick by men working from a scaffold inside the stack. (Sentinel photo)

IN SERVICE — Charles A. Klungle, Seaman Apprentice, is now at the U.S. Naval Receiving Station, at Norfolk, Va., commanded by Captain W.A. Hunt, Jr. Klungle will be transferred to the USS Springfield. He is the son of Mr. and Mrs. Charles Klungle Jr., 46 West 27th St.

Hospital Lists 140 Patients

Patient census at Holland Hospital reached a new high Tuesday as the number climbed to 140, according to Hospital Director Frederick S. Burd.

Since the number of patients in various departments seldom equal beds available, today's census finds 10 empty beds in the maternity wing and every other department full up.

Officially, Holland Hospital has 134 beds. Other beds are in the halls, in the three treatment rooms, in the playroom of the pediatrics ward and in the second floor lounge.

There is a predominance of pneumonia cases in the children's ward. Adult patients fall into general categories.

As for emergencies, the hospital staff hopes there won't be any.

City Ponders Purchases

Holland city officials said today they were studying recent purchases made from several electrical equipment manufacturers convicted of price fixing.

City Manager Herb Holt said city attorney James Townsend was looking into contracts totaling in excess of \$1,250,000 for equipment for the addition to the city power plant.

City officials in New York, Chicago, Los Angeles and San Francisco said they would file damage suits with the amount involved still to be determined.

A United Press International survey indicated the following cities are studying possible legal action: Kansas City, Mo.; Kansas City, Kan.; Pittsburgh; Denver; Portland, Ore.; Milwaukee, Wis.; Salt Lake City; Madison, Wis.; and Birmingham, Ala.

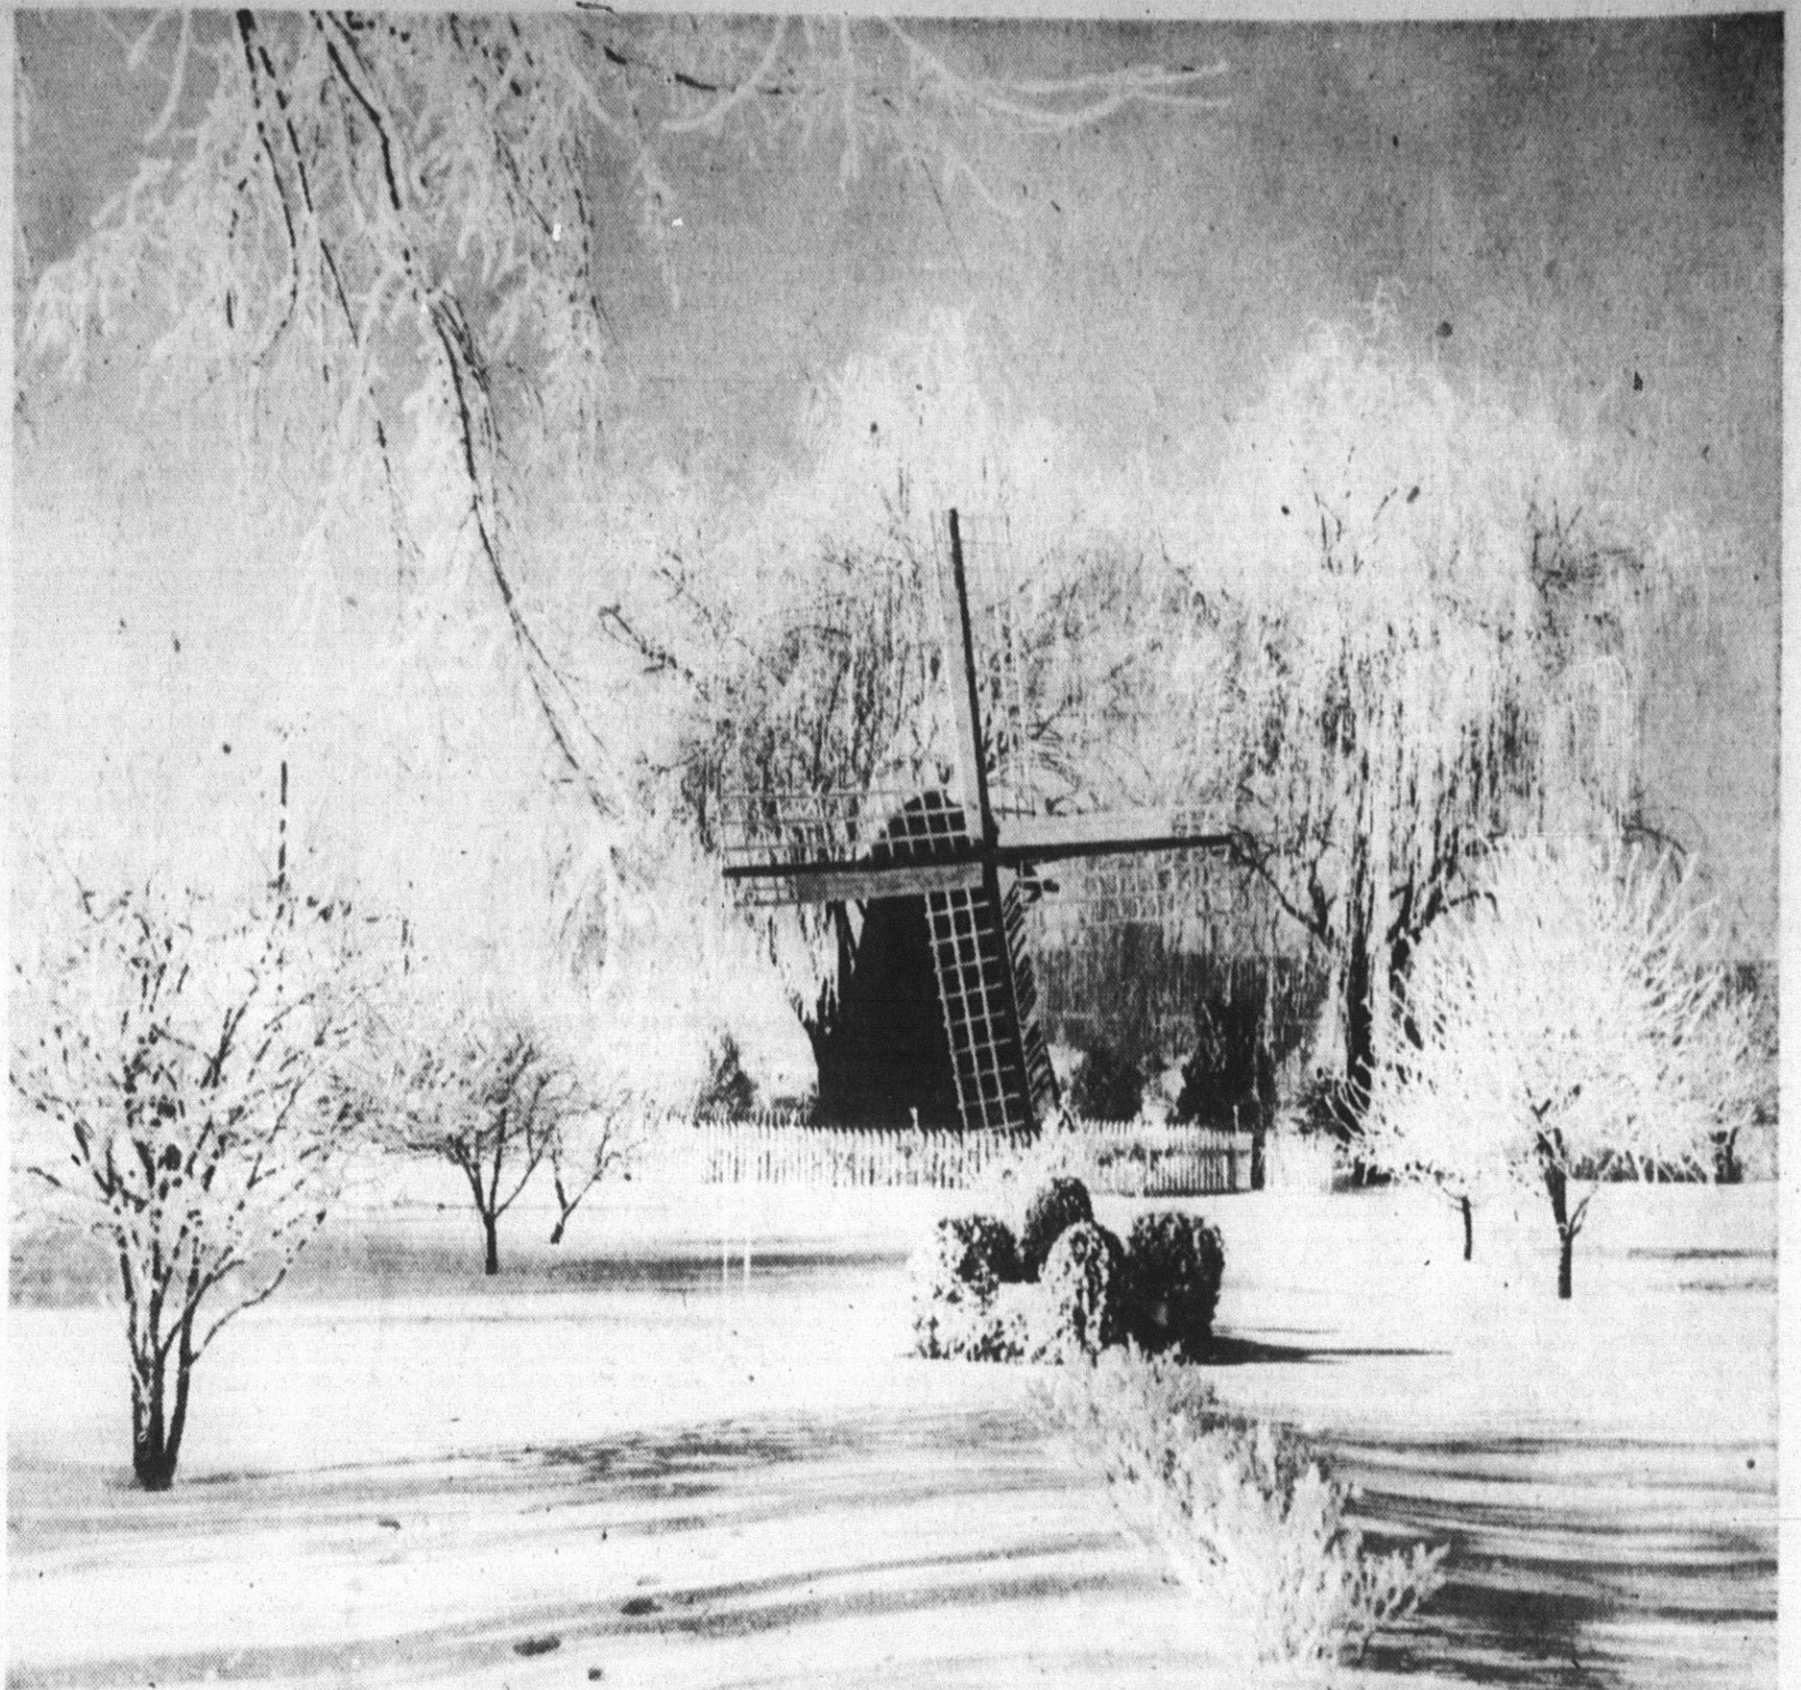

Federal Judge J. Cullen Ganey in Philadelphia Monday levied fines totaling nearly \$2 million against 44 individuals and 29 firms for violating anti-trust laws by price fixings and submitting rigged bids over a 25-year period. He also sentenced seven executives to 30-day jail terms and yesterday rejected a plea to suspend their sentences.

Driver Fined on Two Counts After Crash

GRAND HAVEN — Reuben Schilling, 44, Grand Haven, was assessed two fines in Justice Lawrence De Witt's court Monday night in connection with a property damage accident on Lincoln St. in Robinson Township earlier in the evening.

Charged by state police with driving while his license was revoked, he was sentenced to pay \$50 fine, \$4.90 costs and serve 10 days in jail. For failure to yield the right of way, he was assessed \$10 fine and \$3.10 costs.

The two-car crash Monday night involved Schilling's car and one driven by Ray Whipple of Grand Haven Township. Both cars were considerably damaged.

WINTER MORE BEAUTIFUL THAN SPRING? — Old Man Winter who left plenty of grim scenes in many sections of the country during the weekend had a change of heart in Holland Tuesday and sprayed frosted beauty on Windmill Park, the

symbol of Holland's world-famous Tulip Time festivals. This picture, taken by a Sentinel photographer Tuesday morning, Wednesday was transmitted on the United Press facsimile machine which sends pictures to many newspapers and television stations all over the country. It was 3 degrees in Holland early Wednesday, the same low as recorded Tuesday morning, but the shimmering frosty outlines were missing, and by 11 a.m. the mercury had risen to 31 degrees. Planet Venus Creates Stir

Several persons in the Holland area reporting seeing a bright object in the sky Tuesday night probably were viewing the planet Venus, according to officials at the Grand Rapids Weather Bureau.

Holland police reported that they had received several inquiries from persons sighting the object between about 9 and 10:30 p.m. The Ottawa County Sheriff's office in Grand Haven also reported receiving about a dozen calls from persons wondering what the bright object was.

Officials said all calls reported that the object was sighted about due west.

According to the Weather Bureau, Venus, the brightest object in the sky outside the sun and moon, would be sighted to the west between 9 and 10:30 p.m. at an elevation of 15 to 20 degrees.

Weather Bureau officials discounted that theory that the object may have been a weather balloon. They said a balloon would not be visible at night and could only be seen with a powerful glass at any other time.

Officials said that the Weather Bureau has received several calls since Monday reporting the bright object. Venus, the evening star, is visible in the west for only a short time each year.

Ticket Driver in Crash

Holland police cited Phyllis P. Cornell, 31, of Howell, Mich., for improper backing after her car struck the side of a car driven by Gordon R. Jones, 31, of 2238 South Shore Dr., at 9:32 a.m. today on Washington Ave. near 28th St.

Boy, 12, Admits Stabbing Student

Holland detectives said Wednesday a 12-year-old Junior High School boy admitted stabbing David Steenwyk, 12, of 347 Washington Ave. Monday afternoon as Steenwyk and three other boys walked home from school.

Detectives praised school authorities who had talked to the boy and convinced him to talk to police if he had anything to do with the stabbing. The boy turned himself in to police a short while later.

The boy told police he had shoplifted the sheath knife from a downtown store earlier in the day. He said that several boys had tossed snow at him and that he became angered and stabbed Steenwyk.

Authorities said the boy will be turned over to Probate Court. Steenwyk received three stitches in his right side to close the wound caused by the stabbing at College Ave. near 17th St.

Annexation Issue Passed by Voters

HUDSONVILLE — Voters here Tuesday approved the annexation of the Jamestown Village School District to the Hudsonville School District by a margin of 10-1.

The other proposals on the ballot were also passed. These concerned the acceptance of the Jamestown Village school debt and the increase of millage one mill to cover the debt. A total of 305 votes were cast.

A proposal to consolidate 13 school districts northwest of Grand Rapids, including two in Ottawa County, was defeated at the polls Tuesday in a special election.

Shopping Area Plan Changed

The Holland Planning Commission at a regular meeting Tuesday night reviewed plans for a neighborhood shopping center for Holland Heights Area and decided to place the area at Eighth St. and Paw Paw Dr. instead of at Eighth St. and Brook Lane which is in the vicinity of 112th Ave.

The commission also reviewed professional offices at 22nd St. and Michigan Ave. but made no decision.

The commission approved vacating First and Second Sts. and Central Ave. in the site for the new sewage disposal plant.

Received for study was a petition from owners in the vicinity of 40th St. and Central Ave. protesting commercial areas west of Central Ave. and north of 40th Ave.

Deferred for further study was a discussion on the use of buffer parks in the zoning ordinance.

Four members of the Allegan City Planning Commission attended Tuesday's meeting as guests. Present were Ernest Phillips, Lawrence Wade, Mayor Robert Visscher, Clarence Klaas, W. A. Butler, Willard C. Wichers, Laverne Serne, Guy E. Bell, Herb Holt, Gordon Strepp, James E. Townsend, Consultant Scott Bagby, Ronald Dalman, Joe Roerink and Arie LeFeber, the latter a Dutch bulb salesman.

Miss Nell Leenhouts and Mrs. Ray Lieffers of Holland have returned from Chicago where they attended the Spring Gift Show in the Palmer House, LaSalle Hotel, and the Merchandise Mart.

Pair of Accidents Keeps Deputy Busy

HAMILTON — Allegan County deputy Roy Ashley of Hamilton, investigating an accident on M-40, three miles north of Hamilton, Tuesday didn't have to move when he had to investigate a second mishap. Both accidents occurred under identical circumstances, and one of the drivers involved also was named Ashley.

Ashley said a car driven by Joseph L. Ashley, 49, of Allegan, headed north on M-40, slowed down when the exhaust from a car ahead of him obstructed his vision. Ashley's auto was hit in the rear by a car driven by William Funkes, 24, of Hamilton. The mishap occurred at 8 a.m.

Funkes' wife drove to the scene to pick up her husband. The exhaust from her car blocked the vision of Albert De Haan, 42, of Grand Haven, headed south on M-40, so he slowed down and was struck from behind by a car driven by Arnold Mokma, 20, of rural Holland.

Ashley (the deputy) said no one was injured in the mishaps.

A meeting of the Ottawa County District Nurses Association will be held Monday at 8 p.m. at the Grand Haven Hospital. Dr. Ralph Ten Have will speak about the Holt program and show slides of Korea. All nurses of Ottawa County are invited.

St. Martha's Study Guild, the newly-formed guild at Grace Church, will meet on Thursday, Feb. 16 at the home of Mrs. Eskill Corneliusen. The name of the new guild was incorrectly listed as St. Margaret's Guild.

Holland Is 114 Years Old Today

Holland is 114 years old today. It was on Feb. 9, 1847, that Dominie A. C. Van Raalte and a small scouting party arrived here to found the Holland settlement. The rest of the original settlers had remained in Allegan while Van Raalte and the small group went to Holland.

The settlement started on what is now Pilgrim Home Cemetery and gradually extended north and westward. The area was quite swampy at the time, keeping the original settlements on high ground. There was one Indian settlement on a site now occupied by H. J. Heinz Co.

A marker in Pilgrim Home Cemetery near the main entrance north of 16th St. shows the original site of the first log church. The Van Raalte family burial plot lies slightly to the north. Tombstones for Dr. and Mrs. Van Raalte were restored for Founders Day celebration in 1957.

The Holland settlement grew quite rapidly, welcoming many groups from The Netherlands immigrating to the New World.

During the fall of 1847, the village of Holland was platted. Administration and sales of village lots were placed in charge of a board of trustees with Dr. Van Raalte at the head. Price of lots was first fixed at \$10 and \$15, but was soon raised to \$40 and \$45. This was found necessary in order to obtain funds for building a church and school, opening road, support the poor, salaries for the dominie, doctor and teachers, and divers other purposes.

Late that year, the colony was swept with sickness and many died, making the first year a severe test of courage. The mortality rate that season left colonists with many orphans who were promptly taken in by other families. Constant increase in numbers led to building an orphanage begun in May, 1848, and completed the following year. But it was never occupied for the purpose it was built and later was used as a parochial school, town house, Holland Academy, De Hope printing office and currently is in use as a girls' dormitory on Hope College Campus on Columbia Ave. at the foot of 11th St.

The first post office was established in 1848 under the name of Black River. The first mail came on a private route from Manlius, the nearest post office, and arrived once a week. Soon routes were established to Allegan, Grand Rapids and Grand Haven. The first school was a small log house on the southwest corner of the Vander Haar farm. The school soon moved to the log church on the cemetery site. In 1857, Holland Academy was organized and in 1886 Hope College was founded.

Tonight is the last night of the book exhibition of Longfellow's School. The exhibit is from 7 to 8:30 p.m.

STICKERS FROM MACHINE — This vending machine has been set up at the entrance of Holland State Park for visitors to purchase daily park stickers. Persons must insert 50 cents into the machine for the sticker. The

machine will take in combinations of silver coins totaling 50 cents. Park manager Lou Haney says the process takes four seconds. Annual park stickers may also be purchased at the park for \$2. (Sentinel photo)

Vending Machine for Stickers Used at Holland State Park

More than 950 park stickers, including 800 annual stickers and 150 daily stickers, have been purchased since Jan. 1 at Holland State Park at Ottawa Beach, Lou Haney, Park Manager said today. Last weekend a total of 228 annual stickers were purchased and 101 daily stickers, Haney reported. About 250 persons arrived at the park and turned around and didn't purchase stickers.

Haney didn't have a report on the number of persons who have decided to wait until later to purchase stickers but said "very few refused" to buy stickers.

Most persons said they would purchase stickers later this year, probably prior to the summer season. Some persons said they were changing cars and would purchase stickers later since the decal can't be transferred to another vehicle.

The stickers may be purchased on Saturday and Sundays at the drive contact station at the park entrance. Stickers will be sold during the winter months Monday through Friday from 8 a.m. to 5 p.m. in the park office.

Officials of the parks and recreation division of the State Conservation Department reported that no figure is available on the number of stickers sold at the 35 parks in Michigan during January.

C. D. Harris of the department said that since the program was just started and the park managers were unfamiliar with the procedure, only about half of the reports were submitted and they were incomplete. He said Haney and Clare Broad, Grand Haven state park manager, had made reports.

He expected that it would be about March 1 before a report could be given on early sales of stickers. The sticker, when purchased at the state park, is \$2 and the daily sticker is 50 cents. Annual stickers obtained from business establishments where hunting and fishing licenses are sold are allowed to charge 15 cents for handling on an annual sticker.

The annual permit is a decal which contains its own adhesive and is applied simply by removing the backing paper and pressing it against the windshield. The daily permit is a ticket type and has a strip of adhesive at the top edge and is applied in the same manner as the annual permit.

The permit must be applied in the lower right corner of the windshield of the vehicle. In the case of motorcycles or motor scooters, the permit may be attached to a visible portion of the vehicle on the right side.

All of the money from the sale of the stickers will be used for recreational facilities, Haney said.

The state manager said Holland State Park is basically set to a master plan that when completed will increase the usability of the entire area and bring into balance the many varied uses for the park.

"I am sure that we will see many improvements sprouting before 1961 is over but many of the larger projects will be delayed until next fall to permit full use of the parks during the summer," Haney said.

Information on the motor vehicle permit law is contained in a brochure available to motorists. Haney said the Holland park staff has built temporary directional signs, set up roadside contact stations and provided turning space, manpower and funds along with the regular maintenance work.

Violators of the new law will receive a special violation notice, placed under the windshield wiper. It will direct persons to the park office at a specified time to purchase a permit. If a person fails to appear within five days with an annual permit, a warrant will be issued.

Holland is one of five state parks using a vending machine for the daily

permits. The machine is on the left as persons drive into the park and the notice on the machine says "purchase daily permits here."

As they drive alongside the machine instructions indicate a coin slot with the notation "insert 50 cents." This amount of money may be deposited in any combination of silver coins to total 50 cents.

Because of the metallic content of foreign or Canadian coins, those coins are not accepted. The machine also has a plunger on the left that is to be used for return of money deposited only if a permit is not issued through the slot marked "permit."

We urge everyone who may be planning on visiting the park to go prepared with sufficient change to operate these vending machines and to be careful in the use of the machine to place the money in the correct slot and to be patient for four seconds until the permit is vended before attempting to retrieve their coins. Actually, the entire process only takes four seconds if done properly," Haney said.

Haney pointed out the intent of the law is to provide funds for the expansion and improvement of the present state parks and to provide suitable land for additional state

Tight Defense Aids Maroons In 61-53 Win

Holland Christian's winning formula of a tight defense and rugged backboard control paid off again on the Civic Center court Tuesday night as the Maroons downed arch rival Grand Rapids Christian, 61-53.

A sellout crowd of over 2,500 fans looked on as the Maroons closed out the home portion of their schedule. Coach Art Tuls' quintet has now posted 10 wins against three defeats, while the class A Grand Rapids Eagles are now 9-4. Earlier this season the Furniture City crew defeated the locals 61-56.

The contest was close throughout although the Hollanders held the upper hand most of the time after a nip and tuck first quarter. Grand Rapids did make a desperate comeback late in the third period to hold a momentary one point margin.

There were several bright features in the game for the Maroons in addition to taking the big victory. One was that the locals actually beat the Eagles at their strong point—rebounding. Holland's forward wall which includes four players, Frank Visser, Ken Diselkoen, Clare Van Wieren and Paul Steigenga did a tremendous rebounding job against an Eagle front line that averages at times over 6'3". The big key to Grand Rapids' nine wins has been their ability to control the boards. Their front line performers are Tom Vander Woude, Rick Duisternars and Gary Spoelhof.

Another bright spot in the Maroon victory was the strong bench which came through with stellar play when the pressure was greatest. For most of the last half and all of the pressure packed third period, Tuls used three juniors, guards Paul Tuls and Jim Fredricks and starter Steigenga along with Visser and "reserve" Diselkoen. All played a smart game against a variety of defensive maneuvers thrown up by Coach Wes Vryhof's invaders.

Grand Rapids took the edge in the shooting department with 21 fielders in 60 tries for 35 per cent. The Maroons were not far behind with 24 baskets in 71 attempts for about 33 per cent. Both clubs hit 45 per cent in the second half.

The losers used a stop and go defense in an effort to stop the Maroon forward wall. Both clubs forced numerous ball handling errors with effective defensive tactics.

Grand Rapids moved out quickly to a 5-0 margin, before Van Wieren connected for the winners. The Eagles led throughout until the Maroons closed fast with six straight points to force a 9-9 tie at the quarter.

Holland added 10 more points without permitting the invaders to score to take a 19-9 bulge midway in the period. Big Steigenga was the difference with three rebound shots. Grand Rapids caught fire to marrow the deficit to 19-15 before the clubs played on even terms for the last two minutes, giving the locals a 25-20 halftime lead.

The pace was fast and furious during the third quarter as the Eagles made their bid to overtake the Maroons. Paced by center Vander Woude with three baskets, the losers overtook the winners and managed a 40-39 bulge at the 1:29 mark on a fielder by Duisternars. Diselkoen came right back for Christian to give the Maroons a 41-40 margin going into the last quarter.

Then came some heady offensive play on the part of the Maroons as they shot to a 47-40 lead on some fine shooting by Visser, Vander Woude and Jim Verburg hit two to narrow the gap to 47-44 at the 5:00 mark. Visser again took over to up the Maroon total to 52-44 with 3:49 left. Pressing tactics on the part of the Eagles were of no avail as they never got closer than seven points again.

Visser led the locals with 22 points, while Vander Woude had 11 for the losers. At the charity stripe, Holland hit on 13 out of 27 while the Eagles collected 11 out of 17.

Christian now prepares for another tough one when they take on potent Allegan on Friday at Allegan. The Tigers with a veteran club have dropped just three games and the Maroons were hard pressed to take a 9-47 win early in the season.

Recover Stolen Car
Holland police Tuesday night recovered a stolen car about a half hour after its owner reported the vehicle missing. Wallace Boeve of route 4, Holland, reported his 1956 model car missing from the Civic Center parking lot at 9:40 p.m. Police recovered the vehicle on West 14th St. at 10:15 p.m.

Engaged

Miss Jean Scholten, Mrs. Douwina Scholten of Steen, Minn., announces the engagement of her daughter, Jean, to Edward T. Bosman, son of Mr. and Mrs. Edward Bosman of Holland.

Miss Scholten is a senior at Hope College and Mr. Bosman is stationed at Bunker Hill Air Force Base in Indiana.

A June wedding is planned.

Horse Owners Receive Top State Awards

Holland area horse owners, who have shown at the various shows in Holland each summer, copied some of the awards at the annual Michigan Horse Show Association award dinner Sunday in Lansing's Civic Center.

Gerald Helder of Holland, a member of the board of directors, was master of ceremonies for the event and presented the 1960 championship awards.

Mr. and Mrs. Gerrit J. Butth of Coopersville with Pretty Caprice won the amateur three-gaited award and the open five-gaited award with Golden Symbol. The other championship by the Butths was gained with Country Cousin in the Amateur five-gaited class.

The three Butth champions are in training with Mike Walker of Merabode Farm in Holland.

Mrs. Gerald Helder of Holland and Abbeville won the reserve championship in the Green Working Hunters. Several other winners of state awards took honors at the Holland Horse Show and Castle Park Show in 1960.

Butth was re-elected president of the organization and David Bedell of Flint was re-elected vice president and secretary-treasurer is Mrs. J. M. Neath, Jr., of Lowell.

Bedell, William Brittain of Williams, Butth, Wendell Locke of Hickory Corners and Mrs. Neath were re-elected directors. Joseph Sinkule of Ann Arbor was elected a director and the terms of directors run three years.

P. T. Cheff of Holland is also a director. A total of 350 persons attended the event.

ALL BOYS WRESTLE — These two Holland High wrestlers prove that there is a spot in interscholastic wrestling for all weights. Ned Gonzales (left), is the top 120-pound wrestler at Holland and is team co-captain while Steve Penna is the team's smallest wrestler at 103 pounds. Both have competed in all of Dutch meets this season. The wrestlers, coached by Bob Weber, practice in Jefferson School. (Sentinel photo)

All Sizes Benefit From Wrestling Program
Professional "rassling" has left the impression that only the "big guys" can take part in the sport. The "grunt and groan" crowd are strictly entertainers and they are following the old adage of "the bigger they come the harder they fall."

But interscholastic wrestling has nothing in common with "rassling." These boys are trained in all of the moves and holds of legitimate wrestling and interscholastic wrestling is set up with divisions for all sizes.

Holland High has had a wrestling team for the second time this year. The program was started last year under Coach Bob Weber.

With the many weight brackets, the sport has appealed to many boys. Weber has 26 boys on the squad this year and several of them are in the small and medium-sized weights.

The Dutch held an exhibition match with Muskegon Catholic and most of the boys participated. The next regularly scheduled match is at Belvidere on Thursday.

Steve Penna, Holland's smallest wrestler at 103 pounds, exemplified in the exhibition against Muskegon Catholic of the sport for the

Dutch Drop 70-67 Game For 6th Loss

LAKE FOREST, Ill. — Four free shots in the final 30 seconds here Tuesday night gave the Lake Forest College basketball team a 70-67 decision over Hope for the sixth setback in 17 starts for the Dutch this season.

Hope was leading 67-66 with 30 seconds remaining when center Tom Lewis was fouled while going after a rebound following Bob Zigler's missed free throw. Lewis sank two shots to push the Foresters ahead, 68-67 with 27 seconds left.

The Dutch took the ball down the floor and set up a play with Jim Vander Hill the trigger man. Vander Hill fired a jump shot and the ball bounced up on the rim, bounced again and then slid off.

In trying to recover the ball, Hope fouled John Sime and the Lake Forest guard sank two shots with two seconds remaining to give the Foresters a three-point victory.

Hope saw an eight-point lead vanish in the final 3½ minutes. The Dutch were leading, 65-57 with four minutes to play but scored only two points the rest of the game.

The contest was close all the way and during the first half the biggest margin between the teams was five points.

Lake Forest took a three-point, 38-35 halftime lead. Hope caught the Foresters early in the second half and the teams were tied, 44-44. Hope then jumped ahead and moved toward its eight-point margin.

Vander Hill topped the Hope scorers with 27 points. He pushed his season's scoring total to 365 points in 16 games for a 22.13 average. Vander Hill made 11 baskets in 23 tries and added five free tosses. Norm Schut trailed with 12 points.

Tom Lewis, 6'3" all-around Lake Forest athlete, made 30 points for the winners. He canned 10 baskets and added 10 free throws. Phil Sokody added 17 for the Foresters.

Coach Russ De Vette felt Lake Forest had a slight edge on the overall rebounding but thought Hope had the edge on the defensive boards.

He complimented the work of Capt. Bill Vanderbilt and Ek Buys on working the defensive boards while Vander Hill's shooting was praised by the Hope coach.

Hope scored 28 baskets while the Foresters had one less from the floor. Lake Forest picked up 16 free shots while the Dutch made 11.

The Dutch return to MIAA action Saturday night in Adrian. The Bulldogs are 5-2 in league action and host Kalamazoo tonight. Hope is 6-2 in MIAA action and the Dutch defeated Adrian, 87-76.

Hudsonville Stops Byron

BYRON CENTER — Hudsonville High's basketball team won its seventh straight game here Tuesday night as they scored a 55-47 win over Byron Center for its sixth OK League win in seven starts.

The Eagles are tied with Kelloggsville for the OK League lead. After dropping their first three games, Hudsonville has now won seven in a row.

Byron Center tied the game, 47-47 with 2½ minutes of play remaining but couldn't hit one-and-one free throw situations the rest of the game while Hudsonville cashed in on six free throws and a basket to take the eight-point win.

Hudsonville led 13-10 at the quarter and 28-22 at the half. The third period score favored the Eagles, 42-38.

Jim Walma and Bob Holleman each had 14 for Hudsonville while Terry Gale picked up nine and Larry Boldt and Phil Hoezee each had six and Bob Allen completed the scoring with two.

The Eagles will host Grand Rapids Lee in an OK League game Friday night.

CLUBHOUSE BIRTHDAY CELEBRATED — Members of the Woman's Literary Club are shown entering the Clubhouse for the 47th anniversary of the Club Tuesday afternoon. The Clubhouse was dedicated on Feb. 7, 1914. A dance program by Renate Harmon and a tea party in the recently redecorated tearoom of the club were features of the anniversary event. (Sentinel photo)

Dance Program Featured At Club Anniversary Fete

A double celebration delighted members of the Woman's Literary Club Tuesday afternoon when they celebrated the 47th anniversary of the dedication of the Clubhouse. A charming dance recital by Renate Harmon and a tea party in the club tearoom chased away midwinter doldrums.

Starting off her interpretations, Mrs. Harmon selected the slow-moving Debussy "Danse Sacree." Quickly changing costumes, she also changed moods to dance the "Slavonic Dance No. 8," by Anton Dvorak, a wild Bohemian type dance.

Two Peer Gynt selections, "Sol-veig's Song," and "Ase's Death" by Edvard Grieg were hauntingly interpreted by the Viennese dancer. Changing again in mood and gaily costumed, Mrs. Harmon stepped up the tempo with a polka by Strauss, "The Sweet Old Fashioned Girl." Then she continued with "Hungarian Dance No. 6," by

Johannes Brahms; Poor Scarecrow," a pizzicato polka by Strauss and concluded with a flowing majestic Viennese waltz, "Blue Danube," by Strauss. Her lovely costume drew applause from the audience.

The tearoom was spring-like with flowers and tapers. Members of the education committee of the club poured. Arrangements for the tea were made by Divisions II and IV with Mrs. Lucien Raven and Mrs. Richard Oudersloys, Mrs. Sidney Johnson and Mrs. Harold Boles and their committees.

During the business meeting, Mrs. Carl Harrington, president, asked for the report of the nominating committee with Mrs. Julius Karsten presenting the slate.

Announcement was made of the special event to be held on Feb. 21 when a membership participation meeting will be "Our Heritage in Treasures," in a public display of antiques in the Clubhouse.

During the next few weeks as the Michigan prep teams move toward the end of their basketball scheduled, the main thought will be on the state tournament.

"March Madness" has been used to describe the annual prep tourney and for three weeks in March many preppers will experience happiness and heartbreak.

The Michigan High School Athletic Association Bulletin reports that the district tournament will be held March 7-11 while the regionals are slated March 14-18 and the quarter finals will be March 22. The semi-finals are March 24 and the finals March 25.

Holland Christian, with Raymond Holwerda as tourney manager, will host a Class B district. Christian, Hudsonville Unity Christian, West Ottawa, Hudsonville, Allegan and Zeeland will play.

State officials reported that the district draw can not be held prior to Tuesday, Feb. 28.

The winner of the Holland B district will play in the regional in Western Michigan University Fieldhouse in Kalamazoo. Other district winners in the Western regional include: St. Joseph, Portage, Grand Rapids Godwin Heights and Grand Rapids Rogers.

Holland will play a Class A district in Battle Creek in the Percy Jones Hospital gym against Battle Creek and Battle Creek Lakeview.

The winner of the Battle Creek district will also advance to Kalamazoo for the A regional in the Western Fieldhouse.

The winners the A districts at Benton Harbor, Portage and Lansing Everett.

The winner of the Kalamazoo regional will play the winner of the Ypsilanti regional in Class A and the Kalamazoo B regional winner will play the Battle Creek regional winner.

Holland was again listed as a possible site for a quarter-final game on March 22 but a check with Civic Center manager Earl Price showed that the annual Sports Show will be in the building that week.

Two Class A semi-final games will be played in the Jensen Fieldhouse on the Michigan State Campus in Lansing at 7 and 8:30 p.m. Friday while one Class B game will be played at 7 p.m. in the Lansing Sexton gym.

Two Class C games are slated at 7 and 8:30 p.m. in the Lansing Civic Center and two Class D games will be played in the Intramural Sports Building at Michigan State at 7 and 8:30 p.m. Friday night.

The Black Hills is a group of mountains in southwestern South Dakota and northeastern Colorado.

Chairman Philip Van Hartesveldt said contestants may practice until the first time run at noon and each entrant will have two timed runs. Registration is open until the second runs begin.

In this type of event the cars compete one at a time. Four trophies will be awarded, with a special trophy for the woman driver achieving the best score.

All contestants will receive dash plaques. Assisting Van Hartesveldt are Bill Buis and Ed Easter. The event will be run in an area east of the Red Cross swimming site, Van Hartesveldt said, where the absence of streams, springs and river currents and assures a uniform ice thickness.

The committee has laid out the course so that 75 per cent of it is over water with a depth of three feet or less and the remainder of it being no more than six feet of water or less, Van Hartesveldt said.

Young People to Sponsor Program at Local Church
Young people from Maple Avenue Christian Reformed Church will sponsor a program to be presented Thursday at 7:30 p.m. in the church by Robert Brower.

Fennville Hands Lawton 1st Loss

FENNVILLE — Fennville High's basketball team toppled previously unbeaten Lawton, 56-50 here Friday night in one of the biggest upsets in Michigan.

Lawton was ranked fifth in Class D and sported a 12-0 record, including a 66-50 victory over Fennville earlier this season.

Fennville was trailing 46-44 going into the fourth quarter but floor general Ted Strnad took over and engineered passes to teammates Adrian Van Lonkhuizen, John Damanskas and Donnie Jim Dickinson.

The trio responded with four points each as the Blackhaws scored 12 points in the last eight minutes. A tight 3-2 zone defense, employed throughout the game by Fennville, was the most effective in the final quarter and Lawton only made four points.

Lawton used a man to man press in the fourth quarter and Strnad fought off the press to fire the ball into one of the others under the basket.

Fennville had four players in double figures with John Damanskas leading the way with 18 points. Dickinson followed with 13 while Ron Chase added 11 and Van Lonkhuizen had 10. Strnad made four.

Dave Stephayn made 17 for the losers who dropped their first Al-Van League game. Lawton now has a 9-1 Al-Van mark. Fennville is 6-6 overall and 4-4 in the league. Lawton led 13-8 at the end of the first quarter and continued in the lead, 27-25 at halftime. Ray Feher is the Fennville coach.

Each team made 22 baskets with Fennville taking only 33 shots for 41 per cent while Lawton had 66 shots for 33 per cent. Fennville added 12 of 18 free shots and Lawton had six for 15.

The Fennville reserves defeated the Lawton seconds, 50-40. Freshman Bill Tuleja had 21 points for Fennville, 19 in the second half. Fennville hosts Martin in an Al-Van League game Tuesday and plays at Lawrence in another league contest Friday.

Sewer Fees Establish Fund To Aid New Disposal System

What is happening to funds local residents pay for sewer service charges?

By now, this is a well established fund which in time will finance approximately two-thirds of the cost of Holland's proposed \$1,600,000 sewage disposal system, according to the Board of Public Works.

Sewer service charges were instituted about in July, 1959, for the purpose of starting a fund which would in time help solve the sewer problems of an expanding city. To be as fair as possible, the BPW and City Council felt that persons and firms using the service should pay the greater share and that taxes should finance the lesser share, when and if a new sewage disposal system would be installed.

Last June 13, city residents voted a \$1,600,000 bond issue for a new system. The program was set up so that the sewer service charge would pay approximately two-thirds of the cost and taxes the remainder. Annual costs on principal and interest are estimated at \$100,000. Annual cost to taxpayers amounted to about a half mill on equalized valuation.

According to the 66th annual report of the Board of Public Works, total receipts from sewer service charges for the year ending June 30, 1960, were \$145,188.46. Operating expenses for the year were \$52,893.76, leaving \$92,294.70. Of the latter figure \$50,296.87 was invested and set aside.

As of Jan. 1, 1961, total invested

is \$88,324.40. There is \$15,577.55 cash on hand. The sum of \$16,045 is on deposit for the first interest payment due in the next few months.

Before the sewer service charge was instituted, the city budgeted about \$40,000 annually to operate the present sewer system which has been operating under capacity loads or greater for several years.

Sewer service bills are sent out the same time as water bills and are rotated on a three-month basis.

The \$250,000 federal grant toward cost of the disposal plant will be paid as work is completed. Disposition of any residue in the sewer fund, once the new system is completed, will be determined later. The BPW feels that the people at that time should determine whether bonds should be paid up more quickly or whether further expansion is indicated.

The 32-page annual report, distributed this week, reveals a net operating revenue of \$539,553.45 for the electric department for the year ending June 30, 1960, compared with \$473,113.95 the previous year. Net operating income for the water department amounted to \$131,838.96, compared with \$91,799.34 the previous year.

Total investment of the water department amounts to \$4,323,910.34 and total investment of the electric department is \$6,939,277.03. The Board of Public Works currently is constructing a \$5½ million addition to the light plant.

SALVATION ARMY HONORED — Mayor Robert Visscher (center) presents an official proclamation honoring the Holland corps of the Salvation Army on the 25th anniversary of its founding to Rev. John Hagans, Salvation

Army Advisory Board Chairman, as Capt. David Badgley looks on. The mayor's proclamation expressed the sincere gratitude of the city to the local corps for its devotion and service during its 25 years in Holland. (Sentinel photo)

OLD BUILDING COMES DOWN — Only a faint reminder of the tower on the Woolworth Building at Eighth St. and Central Ave. remains as workmen last week began tearing down the old downtown Holland landmark. Built in 1889, the building is being razed and will be replaced by a modern one-story

structure. Workmen of the Don Brink Excavating Co. are expected to have the building torn down in three to four weeks. Most of the demolition work now going on is being done inside the building. Demolition crews have blocked off Central Ave., between Eighth and Ninth Sts., each day during working hours. (Sentinel photo)

Midwinter Luncheon Held By Holland Garden Club

Midwinter spirits were lifted Thursday afternoon for members of the Holland Garden Club at an informal flower show and luncheon at the Wooden Shoe Restaurant which 75 attended.

Table groups of four with a chairman of a committee aired gripes and gave constructive ideas to the leader before rotating to another table to meet with other members and chairmen. At the conclusion of the luncheon, chairmen gave brief reports. Questions will be submitted to Garden Club members on a questionnaire to be passed on to the board.

Mrs. Carl Cook, program chairman, introduced other chairmen, several of whom showed slides, which were provided by Alvin Potter of the Camera Club.

Study group leaders announced dates of forthcoming events and invited members to participate as a fulfillment of their membership.

Winners of the prizes for table arrangements were Mrs. Frank Fleischer and Mrs. Leonard Dick, Springtime; Mrs. C. C. Candee and Mrs. Stuart Padnos, February Fair, and Mrs. Stuart Schaffenaar and Mrs. Padnos, Winter Wonderland.

Judges for the arrangements were Mrs. William G. Winter Jr., Mrs. William Schrier and Mrs. Titus Van Haltsma.

The March meeting of the Garden Club will be a joint meeting with the Woman's Literary Club on Tuesday, March 7, at 2 p.m. at the Woman's Literary Clubhouse. Mrs. John Knight of Cuyahoga Falls, Ohio, will be the guest lecturer. She will use as her subjects, "Fashions in Flowers" and "Color in Design."

Members were reminded to bring their Garden Club books with them to the April meeting.

GRAND RAPIDS — Calvin College's JV basketball team defeated Hope College JVs, 93-72 here Friday night in the preliminary to the Calvin-Hilldale game.

Ron Te Beest led Hope with 21 while Vern Sterk picked up 15. Bill Lenters had 24 for the winners and Dave Vander Hart added 18.

Hope now has a 4-7 record and will play Calvin in Holland on Wednesday, Feb. 13. Coach Daryl Siedentop is planning to get another game prior to the Calvin contest.

Car Misses River Plunge

GRAND HAVEN — Five young people escaped serious injury at 9:40 p.m. Friday when a car went out of control on the lift bridge on US-31.

The car, owned by Al Schuler of Grand Haven, was driven by Daniel Richard Klempel, 17, also of Grand Haven. Klempel apparently hit an icy spot causing the car to spin around, strike a northbound car driven by Darien Clerk Cummins, 22, Grand Haven, then hit the bridge rail which saved the car from plunging into Grand River.

City police said the car traveled 130 feet from the point of impact with the Cummins car, and charged Klempel with violation of the basic speed law.

Riding with Klempel were Jill Schuler, 17, Jeff Schuler, 14, Dale Foster, 16, and Beverly Foster, 14. All were treated in Municipal Hospital for bruises and abrasions. The Schuler car was considerably damaged.

Surviving are one sister, Mrs. Johannes Bakker of Holland; two brothers-in-law, James Dyke of Grand Rapids and John Van Der Popp of Zeeland; several nieces and nephews.

Oilers Win 12th; Beat Terre Haute

Cook's Texaco Oilers, led by Herbie Lee and Henry Hughes, defeated the Terre Haute All-Stars, 115-103, Saturday night before 1,800 fans in the Zeeland High gym.

The Oilers, now undefeated in 12 starts, buried the Hoosiers with an adding-machine offense which saw six players score in double figures.

Cook's took a 31-24 first quarter lead and never trailed. The Zeeland five received outstanding first quarter scoring from Lee and Hughes as they combined for a total of 18 markers. Willie Hampton, 6'1" Terre Haute guard, amazed the crowd with his long jump shots and made eight points. Hampton and John Gibson formerly played at Indianapolis Crispus Attucks with the famed Oscar Robertson.

The second quarter saw the Oilers outscore their opponents by 10 points and leave the court with a commanding 63-46 halftime margin. Herb Lee, continuing his torrid pace, netted 10 points and Ray Ritsema chipped in eight.

Ritsema, playing his best game this season as an Oiler, was strong on the boards and grabbed several rebounds with reckless abandon. Ritsema and Hughes led the Oiler rebounding with 13 apiece and Paul Benes followed with nine. Hampton netted seven points during the second quarter for Terre Haute.

The third period proved to be nip and tuck as the Oilers scored 29 points and the All-Stars made 28. Hughes meshed eight markers for the "Gas Men" and Gibson canned 11 for Terre Haute and the Oilers gained a 92-74 third quarter advantage.

With an 18-point lead entering the final quarter, the Oilers began their crowd-pleasing antics and paced by Gary Lee and George Duncan put on a ball handling and dribbling exhibition, much to the satisfaction of the partisan crowd.

Gary Lee dribbled, handled and stole the ball with his usual finesse and "Dunk" again put on his dribbling show. Lee "put the icing on the cake" when he hooked a foul shot in the closing minutes.

Bob Kendrick, ex-Wayne State player and Oiler newcomer, gave the fans a preview of his cage prowess with seven points during the fourth period. Arley Andrews, Terre Haute season scoring leader, had nine in the final frame.

Andrews, who had been scoring a 35-point clip and had two 49-point games this season, was held to 18 points by the Oiler defense. Gibson had 25 for the losers and Hampton added 24. Capt. Jim Ellsbury meshed 15 while Chuck Miller had 12. Ron Felling added seven and Dick Lawson made two.

The Oilers, hitting the century mark for the fifth time this season, were led by Herbie Lee with 24 while Hughes had 21. Kendrick added 17 and Benes canned 13. Ritsema followed with 12 and Duncan had 10.

Gary Lee and Bill Fox each had six while Tarp London and Ron Nykamp had five and one point respectively. London and Jim Westbrook, dropped from the club last week, were returned to the team Saturday.

The Oilers will host a Chicago team Saturday night in the Zeeland gym at 8:30 p.m. and will play a return game with Cleveland Carney's in the Holland Civic Center, Friday, Feb. 17.

In the prelude, Zeeland Lumber and Supply led to H. E. Morse, 55-39. John Heyboer had 13 for Morse and Wayne Schout led Zeeland with 11.

Little Maroons Win 10th Tilt

Pulling away in the last quarter, Holland Christian's Little Maroons posted their 10th win of the season Saturday afternoon on the Civic Center court by tripping Kalamazoo University High's reserve squad, 57-39. The Hollanders have dropped two games.

Although the locals towered over the much smaller Cubs they had trouble gaining a safe margin until the final stages. The locals managed a 15-13 count over the scrappy Cubs at the quarter and then increased the bulge to 29-24 at the half.

Coach Elmer Ribbens' crew held the upper hand throughout the third quarter and moved out to nine point leads repeatedly. By the end of the stanza they still held a 42-33 margin. It was all Christian in the final stanza as the Cubs tired badly and proved no match.

Dave Tuls led the locals with 18 markers, followed by Ron Lubbers with 14. Don Kronemeyer with 11, Cal Boer, eight, John Vander Veen, three, Tom Tykema, two and Randy Nykamp, one. Rhodes led the losers with nine.

Christian School Teacher Succumbs

Miss Everdean Koolma, 42, of Willow Park Trailer Court on Lincoln Ave., died unexpectedly at her home Monday. She was a teacher at Holland Christian High School.

Surviving are four sisters, Mrs. Dick Eppings, Mrs. Ed Ver Burg, Mrs. Ted Baartman and Mrs. William Schies, three brothers, Simon, Peter and Clarence, all of Rock Valley, Iowa.

The Holland Christian student body and faculty attended the funeral.

Fine Defense Aids Maroons To 63-39 Win

Holland Christian's cage squad used a superb defense and backboard control on the Civic Center court Saturday afternoon to romp to an easy 63-39 win over Kalamazoo University High.

A homecoming crowd of 2,000 fans saw the Maroons rack up their ninth win in 12 starts compared to U High's 7-4 record.

Aside from the opening minutes of the contest, the invaders never threatened as the Maroons had command all the way. The game was played well in spurts as frequent fouling turned much of the tilt into a foul shooting match. A total of 49 fouls were called, 22 against Christian and 27 on the losers. Each squad lost two players via the foul route and caused frequent substituting by both coaches.

While the Maroon offense clicked in spurts, the defense was great as it limited the invading Cubs to just 41 shots in the game. In fact Coach Barney Chance's quintet managed only 17 attempts in the first half and 25 in the first three quarters. The mark is outstanding inasmuch as the Cubs are a fast break, free shooting club. The losers collected only 12 baskets in the 41 tries for 29 per cent.

The Maroons did not have a hot night on the hoop but they collected 20 more shots than the Cubs to hit on 19 out of 61 for a 31 per cent mark.

Coach Art Tuls got some great rebounding from the starting front line of Frank Visser, Clare Van Wieren and Paul Steigenga, a junior starting his first game. Visser had his best game on the boards while Steigenga was a tower of strength in the front line on defense as well as the boards.

Tuls used all 12 boys on the squad with 11 breaking into the scoring column. The Kazoo mentor substituted in platoons in an effort to wear the locals down with speed and aggressiveness. At one stage in the second period, all regulars from both squads were on the bench.

U High was fired up at the start of the game and collected the first two baskets to hold a 4-0 lead. Van Wieren pumped in two for the Maroons to knot the count at 4-4. Kazoo added three more to take a 7-4 lead, their last of the game. Doug Windemuller notched four for the locals to start the Maroons on a spurt to lead them to a 15-10 first quarter bulge.

Christian pulled away in a hurry at the start of the second quarter with eight straight points while holding the losers scoreless. Most of the scoring was done at the charity stripe as each club managed only two fielders apiece in the stanza. By the end of the first half, the locals had upped their margin to 28-19.

The third quarter was a low scoring affair with the Hollanders outscoring the Cubs, 11-5. Steigenga led five other local scorers in the period with two baskets. Both Windemuller and Van Wieren sat out much of the third period and a good share of the fourth, with four fouls. U High again managed only two fielders in the stanza.

Both clubs started to find the range in the fourth quarter as the scoring tempo picked up considerably. The locals pulled out to a 48-25 count with 5:51 remaining in the tilt and then Tuls reinstituted his regulars to match the U-High platooning tactics. Visser was the big gun in the final stanza as he collected seven markers to lead the Hollanders. Kazoo's fine forward Dave Stafford, the leading scorer in the Kalamazoo area, finally found the range from the corner to hit 10 points in the last eight minutes. Christian's final margin of 24 points was the largest lead of the tilt.

Visser led all scorers with 15 points, while Stafford paced the losers with 14 markers. At the free throw lane the winners hit on 25 out of 39 tries while the invaders connected on 15 out of 29.

Longtellow School Will Exhibit Children's Books

A collection of 600 new children's books of 1960 will be on exhibit in Longtellow School gymnasium Tuesday, Wednesday and Thursday, sponsored by the Longtellow PTA.

Local educators and parents are invited to visit the display which will be open from 2 to 4 p.m. and 7 to 8:30 p.m. on the three days. The collection covers some 30 categories from kindergarten through grade 9. Both fiction and non-fiction are represented.

Grouped by grade levels with numbered books and numbered catalogue, the exhibit is organized to produce quickly and easily the books in which one is interested.

The exhibit comes to Holland through "Books on Exhibit," a co-operative promotional enterprise of 25 participating publishers and is a service designed primarily to make it possible for schools, libraries and parents to do an informed job of book selection.

Mrs. Thomas O. De Pree

Miss Black Speaks Vows With Thomas O. De Pree

Hope Reformed Church was the scene of a wedding at 4 p.m. Saturday uniting in marriage Miss Deanna Black, daughter of Mr. and Mrs. Herbert Black, of 164 Lake Shore Dr., and Thomas O. De Pree, son of Mrs. Kenneth De Pree of Holland.

The Rev. William Hillegonds performed the ceremony. Anthony Kooiker presided at the organ and Henry De Jong sang "O Perfect Love" and "The Lord's Prayer." The bride wore a white organza floor length gown with neckline and hemline hand embroidered with Swiss silk. Her veil of English illusion was held in place with a band of crystal and pearl. Her bouquet was of white chrysanthemums and ivy centered with a white orchid.

As maid of honor, Miss Judith Lynn Dowler of Detroit, cousin of the bride, wore geranium red faille with an organza overskirt and matching head band. Her bouquet of white carnations was centered with red.

The bridesmaids, Miss Carol Boer of Grand Haven and Miss Karen Kaiser and Miss Glendora Vander Meer of Grand Rapids, wore dresses similar to the maid of honor's and carried white car-

nations. Kenneth R. De Pree of Cassopolis attended his brother as best man. Ushers were Paul Tellers of Boston, Mass., and Richard Verduin of Greenville, former roommates of the bridegroom, and James De Pree, brother of the groom. Master and mistress of ceremonies were Mr. and Mrs. Frank Lyerla of Fenton.

A reception followed at American Legion Club. Assisting were Mr. and Mrs. William Dowler of Detroit and Miss Suzanne De Pree, sister of the groom, who had charge of the guest book.

After a wedding trip to Quebec, Mr. and Mrs. De Pree will live in Syracuse, N.Y., where Mr. De Pree is working towards a master's degree in public administration at Syracuse University.

The bride was a reporter for the Grand Rapids Press.

Ottawa County Farm News

By Richard Machiele
County Extension Director

What should a farm youth, faced with the fact of fewer jobs on farms today, plan for his future? He might well plan for a non-farm agricultural job, young persons attending Michigan State University's 46th annual Farmers' Week were told. While it's true that there are less farm jobs, there is a future, a great future in agriculture. Added together there are 25 million jobs in modern agriculture. This number is rising and more than offsets the drop in farm jobs.

Robert Kramer, who heads the university's agricultural marketing and utilization center, explained that more than one third of all jobs in the country are in some way related to agriculture. He estimated that there are 7 million jobs alone in the area of the manufacture and distribution of farm supplies.

Another 7 million are employed in the processing and distribution of farm and forest products. As farming continues to specialize there will be more and more jobs available off the farm. There are, and always will be, good jobs in ag-business for young men and women who will work, are neat and friendly and who do not expect to start at the top.

A dairy cow can be easily upset, a Michigan State University dairy professor told a Tuesday Farmers' Week audience at Michigan State.

W. W. Snyder reported that the dairy cow is a highly-specialized, habit-forming creature who needs an expert to understand her likes and dislikes. She thrives on regularity and dislikes helter-skelter operations.

Skills needed to operate a milking machine properly are easy to get, Snyder pointed out. The real problem is to establish a regular routine that includes, in a set order, all the steps needed for good milking.

Some dairymen try to handle more machines than they can keep up with. Each cow doesn't get the individual attention she needs for best milking. A good rule of thumb might be to milk ten cows per machine per hour.

Fred Raffenda, 202 Maple Ave., aluminum siding, \$945; Holland Ready Roofing, contractor.

Fire Damages Farm Home

ZEELAND — Zeeland and Drenthe firemen made two trips to the Gerry Schermer home on 72nd Ave., three miles east of Zeeland, Sunday as fire caused an estimated \$3,500 damage to the two-story frame house.

The fire started in the attic of the home about 3:30 p.m. Sunday and then flared up again about 8:30 p.m.

According to Zeeland Fire Chief John Van Eden, the blaze was believed caused by a defective chimney. Firemen limited the blaze to the attic and second floor of the house, but water and smoke caused considerable damage to the rest of the building, officials said.

The blaze was discovered by Schermer's son Harry, who was home alone. Schermer and his wife, enroute home from a trip down south, were expected to arrive in Zeeland tonight.

Van Eden said that some embers began smoldering again at about 8:30 p.m. and firemen were again called to the scene.

Neighbors helped firemen remove furniture from the home and others kept the fire departments supplied with water by hauling milk cans full of water in pickup trucks.

Firemen were at the scene of the blaze for about 90 minutes Sunday afternoon and stayed 40 minutes on the second call.

Officials said the house and contents were covered by insurance.

Home Show Dates Set

Plans are moving ahead for the 12th annual Holland Home Show scheduled Feb. 21-25 in the Holland Civic Center and sponsored by the Goodfellows Foundation of the Holland Exchange Club with proceeds going for Holland's underprivileged children.

The show opens Tuesday, Feb. 21 at 5 p.m. and will run until 10 p.m. Show hours Wednesday through Friday will be 5 to 10 p.m. and Saturday's show hours will be from 2 to 10 p.m.

Dwight Ferris is manager of the show. Edgar N. Lindgren is general chairman and committee members are: J. Russell Bouws, Nelson Bosman, Rex Chapman, Charles Shidler, G. K. Hewitt, Henry J. Hekman, Harold C. Klaasen and John Van Dyke, Jr. The Goodfellows spent a total of \$2,890.11 in 1960 for Holland children including \$813.94 for milk to needy families and \$355.19 for the school milk program.

Many Holland firms have secured space at the Home Show and the Civic Center will be jammed with the latest in home furnishings ideas.

7 From Here Get Degrees at Hope

Seven Holland area students were among 16 first semester graduates who received their A.B. degree from Hope College Monday.

They are Thomas Neal De Bruyn, 954 West 18th St. who received a major in business administration and economics; Robert L. Holt, 124 West Eighth St., degree in physics; Mrs. Myra Frances Karachy, 80 East 12th St. who majored in English and was an honor student in her senior year.

Others are Thomas A. Klompars, 114 East Eighth St. who received his degree in history; Miss Louise A. Marsile, 1803 South Shore Dr. who was graduated with a major in German and French; Arthur E. Schmidt, Jr. of 136 West 18th St. received his degree in business administration and Charles Allan Smith of 414 East 14th St. was graduated with a major in mathematics.

450 Attend Annual Rally Of Junior Endeavorers

Four Junior Christian Endeavor Societies of the Holland area will share the attendance banner throughout the coming year as a result of having 100 per cent attendance at the annual Junior Christian Endeavor Rally held Sunday afternoon. They are Rose Park, First, Ebenezer and Trinity Reformed Church Junior societies.

The rally held in Rose Park Reformed Church as a climax to Christian Endeavor Week attracted about 450 persons, close to 380 of whom are enrolled as regular members of Junior C.E. Societies.

Speaker for the afternoon was Mrs. Henry Jager, wife of the pastor of Ebenezer Reformed Church. By use of puppets she held the attention of the youngsters as she brought out the story of Daniel.

The Rev. Charles Vander Beek of the host church, accompanied by his son, Ronald, led the organ, conducted the song service and gave the opening prayer. Wanda Simonson presided at the meeting and

devotions were in charge of Fourth Reformed group. They presented an object lesson and concluded with singing and prayer. Taking part were Shirley Knap, Mike Fraam, Beverly Geertman, Tommy Moes, Janice Tummel, Janice Doezema, Ronnie Knap, Karen Koeman, Judy Schutt, Susan De Weerd and Mary De Weerd.

The Girls' Choir of Christ Memorial Reformed Church under the direction of Mrs. Earle Vanden Bosch, sang several numbers and the Oonk sisters, Nancy, Shelly and Linda, of Calvary Reformed, also sang. They were accompanied by their mother, Mrs. Bill Oonk.

Bill Oudemolen presented the offertory prayer and the Rev. Henry A. Mouw of Sixth Reformed Church gave the closing prayer.

The Rev. William Swets of Maplewood church presented the banner.

The Junior Christian Endeavor Council with Mrs. Richard Staat as president, made plans for the annual event.

No Surprises As Candidate File Petitions

No last-minute surprises were forthcoming Saturday as the deadline approached for filing petitions for city offices at noon.

City Clerk Clarence Grevenogd said there were no requests for petitions for new candidates today.

The ticket for the Feb. 20 primaries shapes up as follows:

Mayor — Incumbent Robert Vischer, Nelson Bosman, Cornelius Huijenga.

Councilman-at-large — Incumbent William Heeringa, William J. Van Ark, Donald Oosterbaan.

Councilman, first ward — Incumbent Ernest Phillips, Charles Shidler, Bertal Slag and Edward Gamby.

Councilman, third ward — Incumbent John Van Eerden and Harold Volkmans.

Councilman, fifth ward — Henry Vander Plow, Rex Chapman and Morris Peerbolt.

District Meet For Livestock Growers Set

ALLEGAN — The annual district meeting of the Michigan Livestock Exchange has been set for Monday, Feb. 27, starting at 10:30 a.m. at the Griswold Auditorium in Allegan, according to A. K. Brown, Allegan County Extension Agent, Agriculture.

Livestock feeding from the standpoint of dollars and cents in the producers pockets will be emphasized in this year's program.

"Let's Produce More Meat" will be the topic of Don Stark, MSU Agricultural Economist. Stark will discuss the opportunity of producer to utilize more feeds grown locally for livestock. Most of the meats consumed in Michigan are brought in from outside.

Also up for discussion will be feed production and utilization. Many Michigan farms produce and use \$10,000 to \$30,000 worth of home grown feeds.

A panel moderated by Brown will discuss what Allegan County people think of present Michigan Livestock Exchange services, and how they can be improved.

A free luncheon sponsored by the Michigan Livestock Exchange and prepared by the Creshire Home Extension Ladies will be provided.

Catholic Church Is Given Organ

GRAND HAVEN — St. Patrick's Catholic Church parishioners were informed Sunday of the donation of an organ for the recently constructed church. The organ is a gift of Misses Carolyn and Ida Uter as a tribute to a family which has long been associated with St. Patrick's Church.

Carolyn Uter is a retired school teacher who formerly served as supervisor in Chicago schools. Ida Uter is a retired registered nurse who formerly was superintendent of the Cook County Hospital and Presbyterian Hospital in Chicago. The sisters moved to Grand Haven following their retirement and now reside at 206 South Second St.

An order for the new organ has been placed with the Moeller Organ Co. in Maryland and installation is expected to be completed in time for midnight mass next Christmas.

Appeal Denied In Speed Case

GRAND HAVEN — Circuit Judge Raymond L. Smith Friday afternoon denied a writ of certiorari in an appeal brought by Charles B. Eggen, 39, Birmingham, to Ottawa Circuit Court from the justice court of Eva O. Workman of Spring Lake.

Eggen was found guilty of speeding 35 miles an hour in a 25-mile zone at a jury trial June 29 and was sentenced to pay \$15 fine and \$10.60 costs. Defense counsel immediately asked for a stay of execution, claiming there had been a passenger in the Eggen car who was not called to testify in the lower court.

Harvey L. Scholten, who serves as village attorney for Spring Lake, tried the case at the time. He said he was not aware that there had been a passenger and that defense counsel had made no request she be called.

Rev. Ralph Ten Clay Installed at Hamilton

HAMILTON — The Rev. Ralph Ten Clay was installed as pastor of the Hamilton Reformed Church Thursday evening at an impressive service.

The Rev. Edward Tanis, president of the Zeeland Classis of the Reformed Church in America, presided at the meeting and two brothers of the new pastor, the Rev. Ellsworth Ten Clay and the Rev. Henry Ten Clay, took part in the service.

Rev. Henry Ten Clay who is pastor of First Reformed Church in Grandville, read scripture and offered prayer and the other brother who is pastor of First Reformed Church of Muskegon, delivered the sermon.

The church choir sang "Living for Jesus." The Rev. Spencer De Jong, pastor of Haven Reformed Church of Hamilton, gave the charge to the minister and the charge to the congregation was given by the Rev. Ed Vining of Dunningville Reformed Church. The new pastor gave the benediction which was followed by a reception in the basement.

The Ten Clays came to Hamilton from the Christian Park Reformed Church of Indianapolis, Ind.

George Geerling, 67, of Spring Lake, died Friday in Howard-Nursing home in Grand Haven where he had been a patient for two weeks. He had been in ill health for a year.

A life-long resident of Spring Lake, he retired from work at Gardner-Deaver in 1954. His wife died in 1954. He was a member of Spring Lake Reformed Church, the Spring Lake Ex-Servicemen's Club, the Metropolitan Club. He was a veteran of World War I, had served as a volunteer fireman in Spring Lake and served on the village council.

Surviving are a daughter, Mrs. Olive Van Leeuwen of Phoenix, Ariz.; three sisters, Mrs. Adrian Bolthouse and Miss Ann Geerling of Spring Lake and Mrs. Joe Wieringa of Grand Haven; a brother, J. George Geerling, and six grandchildren.

Fire Destroys Wooden Shoe Service Station

Fire early Friday gutted the Wooden Shoe Texaco Service Station on the US-31 bypass at 16th St., causing an estimated \$10,000 damage.

The blaze apparently started in the furnace room of the station, according to Holland firemen, but the immediate cause of the blaze was not known.

The fire was first spotted by a night watchman at the General Electric plant, across the divided highway from the station, at 4:55 a.m. Friday. Firemen said the blaze already had a good start before it was discovered.

Firemen had to overcome tremendous odds in fighting the blaze, but they managed to save half of the building. The weather was near zero, and brisk winds fanned the flames.

Firemen and trucks were halted in their race to the scene of the blaze by a slow C&O freight train at 16th St. crossing near Columbia Ave. By the time firemen arrived at the scene of the fire, flames were shooting through the roof of the building.

Flames gutted the north half of the station, and firemen concentrated their efforts on saving the service department, located in the south half of the building.

Two semi tractors in the service department were not damaged as fast work by the firemen kept flames from reaching the service section of the building.

According to John De Graaf, operator of the service station, the contents were partially covered by insurance.

The building is owned by Chester Van Tongeren and was being leased to De Graaf, who operated the station. Van Tongeren, who is vacationing in Florida, was notified of the fire this morning.

Women of the Moose Hold Regular Meeting

Reports on the midwinter conference opened the regular meeting of the Women of the Moose Wednesday at the Moose Home. Mrs. Harold Cramer presided in the absence of Mrs. Russell Dwyer, senior regent.

A contribution was sent to the National Polio Fund. It was announced that Mrs. Betty Van Heck, grand deputy regent, will be present for the enrollment ceremony March 1.

Lunch was served by the hospital committee including the Mesdames Jack Shoemaker, chairman, Gladys Gordon, George Den Uyl and Leon Nead.

Annual Clinic Dinner Set by Child Guidance

A noted educator in psychology will be the speaker at the 18th annual dinner meeting of the Muskegon Area Child Guidance Clinic Tuesday at 7 p.m. at Durfee Hall on the Hope College campus.

Dr. William Morse, professor of educational psychology and director of the University of Michigan Fresh Air Camp for Children, will speak on "The Education of the Emotionally Disturbed Child."

Wilbur Husted, chairman of the Clinic board, will conduct the business meeting to hear reports and elect new board members. Reservations have been made for the dinner.

Mr. and Mrs. Gordon Wesley Kossen

Elsie Spykerman Wed To Gordon W. Kossen

In a candlelight ceremony performed Thursday in Bethel Reformed Church, Miss Elsie Joan Spykerman became the bride of Gordon Wesley Kossen.

The bride is the daughter of Nick Spykerman, 502 West 48th St., and the late Mrs. Spykerman and the groom is the son of Mrs. Jean Kossen and the late Joe Kossen.

The Rev. John Van Harn performed the double ring ceremony before a setting of white mums and red sweetheart roses, palms, ferns and candelabra. Pews were decorated with red bows in valentine baskets.

Mrs. Roy Griffis, sister of the bride, played traditional wedding music and accompanied Tom Weller who sang "Because," "I Love You Truly" and "Wedding Prayer" during the ceremony.

The bride approached the altar on the arm of her father. She wore a dress of satin brocade with a square neckline and long sleeves. The bell skirt featured a poof bustle falling into a chapel length train. She carried a bouquet of white mums with red sweetheart roses.

Miss Beatrice Arends, maid of honor, wore a red crystal dress and red velvet jacket with boat neckline dipping to a V in the back. The jacket had shirred elbow length sleeves. A red taffeta headpiece released a red circular veil and she carried red and white carnations, on a white muff.

Mrs. Richard Nyenhuis, sister of the bride, and Miss Lillian Kossen, sister of the groom, were bridesmaids. They wore matching dresses and carried matching flowers.

The couple will make their home at 502 West 48th St.

Pre-nuptial showers were given at the homes of Mrs. Wilbur Spykerman, Mrs. Clarence Bower, Mrs. Gerrit Lubbers, Mrs. Neal Ammeraal and by J. C. Penney employees.

Farrell Speaks To Exchangites

William J. Farrell, Industrial Commissioner of the Grand Rapids Chamber of Commerce addressed the Holland Exchange Club Monday at its regular noon luncheon.

His topic was, Promotion of Industrial Development. Mr. Farrell preceded his talk with the showing of the film, "Blueprint for Progress."

The film dealt with the problem of keeping industrial plants from becoming a source of annoyance to residential areas. The key to the problem was in wise and careful planning resulting in zoning laws fair to both residential and industrial sites. There is now no excuse for an industry to spoil any area with noise, smoke, odors, fire hazards or unsightly storage of material. Many cities have succeeded in keeping their town desirable by the creation of industrial parks close to arterial highways and railroads with the plants beautifully designed and landscaped. They also provide adequate parking spaces for the workers and visitors, the speaker said.

Zoning laws should be as simple as possible and when established should never be changed just to fit special cases. That is a sure way to make the zoning ineffectual, he said.

President Dwight Ferris announced the Home Show which is set for Feb. 21 through Feb. 25.

Let Water Run to Avoid Frozen Pipes

A rash of water troubles broke out in Holland Sunday as warming temperatures pushed frost farther into the ground on such exposed places as nice clean streets.

This led to a recurrence of frozen pipe troubles of 1956-57 when water pipes under the streets froze, posing serious troubles for large numbers of householders who get their water supply from the main across the street.

Guy E. Bell, superintendent of the Board of Public Works, today advised persons to let a trickle of water run in their kitchens. The cost of letting the water run is only a fraction of what it would cost to defrost the pipes which can be done only by experienced welders doing an electric current process.

Holland Loses 84-67 Game; Sixth Setback

A speedy, alert and pressing Muskegon basketball team whipped improved Holland, 84-67, here Friday night before 1,900 fans in the Civic Center in the final home appearance for the Dutch this season.

The victory was the ninth in 11 starts for the 10th ranked Big Reds while the setback was Holland's sixth in 11 tries and the sixth in the last seven games.

Tremendous speed made the difference in the contest as the Big Reds riddled the Holland zone defense. Muskegon, strong on the boards, would grab rebounds and frequently tear down the floor before Holland could get its defense set.

When Holland was in the zone, the Big Reds would go into a weave and spring a man clear for the shot. Many of the shots were taken from the sides and out near the foul line and the Big Reds were hot.

Holland matched Muskegon in shooting from the floor as each team hit 46 per cent. But the Big Reds fired 82 times while the Dutch could muster only 54 shots. Muskegon made 38 baskets and Holland sank 25.

Coach Ed Hager, who thought his club ran the best it has in three weeks (the last time was against Benton Harbor), decided to apply pressure early in the contest and the move paid off as the Big Reds were able to intercept several Dutch passes.

Holland took a 6-0 lead on a basket by Jim De Vries and two by sophomore Carl Walters. Muskegon caught the Dutch with 4:10 left in the first quarter and sailed ahead 9-8 and didn't again trail although three straight baskets late in the first quarter pulled Holland within two points, 19-17. De Vries sank two buckets and Art Dirkse made one.

In the second quarter Holland pulled up four points shy, 31-27, with 3:42 to go but another Big Red spurt pushed the winners to a 41-32 halftime bulge. The Dutch had one point more at half than they had in the entire Muskegon Heights game.

Jumping junior Sam Moore made nine baskets in the first half, including five in the second quarter to lead the Muskegon drive. He was aided in the second quarter by senior Mike Pedler and junior Ben Strong with two baskets each.

The second half belonged to Muskegon as the closest the Dutch came was eight points, 47-39, with 4:36 to go on a basket by Gary Alderink. Muskegon gunned four straight and in a minute had a 55-39 lead. The third quarter score was 65-51.

Moore ended with 28 points on 14 baskets, four more in the third quarter. He fired 25 times and had quarters of 4-8, 5-7, 4-5 and 1-3. Pedler, clever guard, followed with 20 on nine baskets and a pair of free shots. Ben Strong, who didn't start because of illness came in with the game three minutes old, and added 17 points.

De Vries scored six baskets in the first half but couldn't get another but did add four free shots to lead Holland with 16. Walters, who turned in his best game for the Dutch, added 14 and was effective on defense while Ben Farabee had 12.

From the floor Holland had quarters of 7-14, 6-13, 6-10 and 6-17. Muskegon had 9-23, 10-19, 12-18 and 7-22. At the free throw line, Muskegon made eight of 16 while Holland cashed in on 17 of 30.

Holland plays at Benton Harbor next Friday night in a Lake Michigan Athletic Conference game and the first of four road contests. Benton Harbor defeated Muskegon Heights 56-44 Friday night.

Zeeland Reserves Nip Sparta in Last Seconds

ZEELAND — Zeeland High's reserve basketball team came from behind in the fourth quarter here Friday to nip Sparta, 58-56.

Larry Boeve made two field goals and Phil Maatman added a free shot in the closing seconds. Zeeland trailed 16-13 at the quarter and 33-27 at half. Sparta led 46-45 at the end of the third quarter.

Bill Van Eden led Zeeland with 13 while Maatman had 10. Doug Fairchild made 14 for Sparta. The Zeeland seconds now have a 1-4 record.

GRANDSTANDING . . Sports Splinters

By Randy Vande Water
Cleaning off the desk we found a greeting from Ned Stuitts, the personable ex-Holland High baseball coach and football assistant coach who is now a salesman in Grand Rapids.

Stuitts slipped into the January edition of the Michigan High School Athletic Association Bulletin with a review of his case concerning two football contracts to officiate two Grand Rapids football games.

The state athletic executive committee ruled that the Grand Rapids public schools must pay Stuitts a \$17.50 stipulation per game provided he doesn't work any other football games during the specified hours for which he was contracted in these two instances.

The controversy started, according to the Bulletin, when the Grand Rapids athletic office requested Stuitts return his contracts and consider them cancelled because it had been discovered that he had not attended meetings of the Western Michigan Officials Association in accordance with a Grand Rapids City League requirement.

Stuitts felt the contracts, calling for games on Sept. 22 and Nov. 4, 1961, at 7:45 p.m., in Grand Rapids, should be honored. He declined to consider the contracts cancelled and sent one copy of each of the contracts back within the dates specified to the Grand Rapids Athletic Office.

Wendell Emery, director of the Grand Rapids prep athletic program, and his aide Charles Davidson and Stuitts attended the state meeting. Malcolm Mackay, another former Holland football and basketball coach and principal at St. Joseph, is a member of the executive committee.

Emery and Davidson said the Grand Rapids League had the understanding and notified that men working games in Grand Rapids, who lived in the Grand Rapids area, would be expected to attend at least half of the weekly meetings of the officials group. Stuitts' contracts didn't carry this specific provision. The executive group ruled the contracts valid as they had been issued by the proper authorities and signed by Stuitts and returned within the specified date.

The executive committee felt the policy was good of having men working City League games attend some officials meetings for a better understanding, greater uniformity and more complete knowledge of the rules.

However, the group didn't see how an implied regulation of this type could be considered a part of the contract itself unless it appeared on the contract.

If Stuitts does work another game on the date of each of the contracts there will not be the requirement that the provisions of the contracts be met by the City League.

Reportedly, Grand Rapids Officials have said that if Stuitts wants to receive his pay for the two 1961 games he must appear at the games.

It has been reported that Stuitts must show up at the games, in officials uniform a half-hour before the games and sit in the stands in uniform during the games.

Dell W. Koop, veteran Holland official, has prided himself in not being late for any game he has officiated in 15 years.

But he was late for his first game this week. And to hurt his pride even more—the game was in Holland.

Koop was to officiate the West Ottawa-Saugatuck varsity and reserve basketball game Tuesday night in the Armory. Officials at West Ottawa games work both the reserve and varsity contests, a practice used by many smaller schools.

The reserve game started at 6:30 p.m. but Koop thought the game began at 7 p.m. So when he walked into the Armory the game was about five minutes old and Myles Runk, another veteran Holland official, was officiating the game alone.

Officiating since 1946, Koop has worked tournament games for several years. This year he has been assigned to three games in two districts.

He will work one game on March 8 in a Class A district tournament in the L. C. Walker Arena in Muskegon and he will officiate March 9-10 in a Class C-D district in the Western Michigan University Fieldhouse in Kalamazoo.

Holland Christian's 73-44 victory over Ludington last Saturday was the worst loss handed a Ludington team in 17 years. Going into the game, Coach Joe Kowatch's Orioles had posted 32 victories, in their last 33 games and had been unbeaten in 10 games this season. Ludington's lone loss last season was to Grand Rapids Godwin Heights, 74-73, in an overtime in the semi-finals of the state Class B tourney.

The entire issue of the January Hillsdale College Almanac has been devoted to the story of Hillsdale's withdrawing from the MIAA.

Fred S. Burd, Holland Hospital director and Hillsdale alumnus, received a copy and passed it along to this desk.

The text of the withdrawal, information leading up to Hillsdale's suspension by the MIAA, comments by sports writers and comments from Hillsdale students on the situation are contained in the magazine.

Hillsdale withdrew from the MIAA on Dec. 13, 1960, after they were placed on a two-year suspension Dec. 1 for participation in

the Mineral Bowl at Excelsior Springs, Mo.

Wheaton College was trailing 75-74 against Valparaiso University last Saturday and in possession of the basketball with 17 seconds left.

They had gained the ball following a missed Valparaiso free throw attempt. Wheaton tried a field goal attempt at the 12-second mark but missed.

In the frantic scramble for the loose ball, a Wheaton player accidentally kicked the ball the length of the court as time ran out and Valparaiso scored its fourth win in 10 starts this season.

About the only laugh that came out of Holland's dismal basketball performance against Muskegon Heights last Friday night in the Civic Center was Ben Farabee's bout with the door.

Farabee was going at full speed in attempting to block a Muskegon Heights shot attempt. Running like a "wild bull" he stormed past the basket, crashed through the closed double door and kept right on going into the lobby.

Holland retrieved the ball and play returned to the opposite end of the floor without Farabee. Most of the fans watched the door while Holland moved into its forecourt. After what seemed a long time, probably about 10 seconds, Farabee came running back through the now open door and back on to the court and into the Holland play pattern.

Unity Drops League Game

GRAND RAPIDS—After dumping Holland Christian Tuesday night, Hudsonville Unity Christian ran into trouble here Friday night and Grand Rapids South Christian defeated the Crusaders, 55-46 in a 4-C League game.

The loss was Unity's fourth in 14 games and gave the Crusaders a 3-2 league mark. They play at Muskegon Christian next Friday night.

South Christian outscored Unity, 15-6 in the final quarter after the game was tied 40-40 at the end of the third period. Ron Handigton made five in the final frame and Tom Bouma added four for the winners.

Handigton paced the winners with 16 points while Bouma followed with 15. John Kooker added 15. Cal Aukeman made 22 for the losers.

South Christian led 19-10 at the quarter and 27-25 at half. The victory climaxed a successful Homecoming for South Christian.

Zeeland Whips Sparta, 79-54 For Seventh Basketball Win

ZEELAND — Zeeland High's basketball team rolled to its seventh victory in 13 starts here Friday with a 79-54 win over Sparta in the Zeeland High gym.

Although Zeeland led all the way, Sparta pulled within six points at the end of the third quarter, 51-45. But the Chix tallied 28 points in the final period while holding the Spartans to nine.

Coach Paul Van Dort played his entire team and none of the players saw more than about a half-game of action. Van Dort was pleased with the work of his reserves, especially sub center Ken Baron who grabbed eight rebounds and scored four points.

Zeeland led 24-10 at the quarter and 36-25 at half. Subs played most of the second quarter and filtered the lineup throughout the second half.

Dan Zuverink had 15 for the winners while John Roe and Jim Klinger each added 13. Dave Siebold made 16 for Sparta.

The Chix made 33 of 91 from the floor for 36 per cent while Sparta had 21 of 57 for 36 per cent. The 91 shots was the most the Chix have made in one game this season.

Zeeland struck on 13 of 20 charity tosses and the losers made 12 of 28. The Chix will host West Ottawa next Friday night.

Hamilton Frosh Stop West Ottawa

ZEELAND — Hamilton's ninth grade basketball team defeated West Ottawa freshmen, 35-19 in the old Zeeland gym Friday night.

The winners led 12-5 at the quarter and 22-9 at half. The third period score was 31-12. Mark Johnson paced the winners with 10 while Vern Rankens had eight. Jerry Grissen and Dale Folkert each had seven.

Romine made four for West Ottawa while Cramer and Wehrmeyer each had three. The Hamilton faculty defeated the West Ottawa faculty in an exhibition game, 51-41.

The Hamilton frosh will play the Kentwood varsity at Grand Rapids Kentwood next Friday night at 7 p.m.

Little Dutch Win Squeaker

Holland High's reserve basketball team snapped a five-game losing streak, had some fine shooting and staved off a late-game Muskegon rally to cop a 63-62 victory Friday night in the Civic Center for its third win in 10 starts.

Holland made eight of 20 from the floor in the first half and 13 of 30 in the second half for 43 per cent.

But Holland missed six straight free shots, all one-and-one situations, in the final couple minutes and almost blew the game. The Dutch were leading 63-53 with 3:30 to play but the Big Reds scored nine points while Holland didn't score again.

Muskegon made 10 of 39 in the first half for 26 per cent while the Big Reds made 13 of 37 in the second half for 34 per cent.

Holland spotted Muskegon nine points at the start of the game and trailed 18-14 at the quarter. Coach Don Piersma then sent his team into a box zone in the second period and Holland caught up and led at half, 37-33.

The Dutch continued in the lead, 51-46, at the close of the third period.

Mike De Vries had his finest night of the season as he canned 25 points to lead Holland. Darrell Dykstra followed with 10 while Tom Essenburg and Bob De Vries, making his first start, chipped in eight. Tom De Puydt and Bill Lawson each had four.

Towers led Muskegon with 24 while Crawford had nine and Tomazyk had six.

Ottawa Ups TB Gifts

Ottawa County has exceeded its quota in the 1960 Christmas Seal campaign and is recording one of its highest TB funds in history, according to the Michigan Tuberculosis Association.

As of Jan. 30, Ottawa County has collected \$9,095, compared with a 1959 total of \$8,075.11. The county figure a year ago on Jan. 30 was \$7,716.

Ottawa is among 54 counties in Michigan's 83 counties to top the 1960 figures. While TB is still a knotty problem in the state, the Christmas Seal organization is trying to increase its activities in the field of respiratory diseases. Influenza, asthma, emphysema, chronic bronchitis and other chest and lung diseases will gain more attention as monies are made available TB officials said.

To date, \$846,625 has been collected, compared with \$906,581.81 for the 1959 campaign.

Child Beating Plea Changed

Christ Church Cops A Crown

Christ Memorial Church crushed Jack and Earl's Texaco, 60-46, Monday night in the Civic Center to cop the A League Recreation basketball title while the B and C League champions were both bumped in their final games.

Local 2391, the B League king, fell before Christ Memorial No. 2, 42-38, while Quality Motors, the C League winner, was nipped by Menken Plumbing, 33-31.

The win for Christ Church No. 1 was its seventh in 10 starts and the churchmen had to come from behind to win. With about three minutes to go, Christ Memorial was trailing, 44-40, and switched from a zone defense to a man-for-man.

Don (Zeke) Piersma broke through with two quick baskets to tie the score and then the winners went on a scoring parade and completely dominated play the rest of the game. Hal Molenaar was high point man with 18 while Dave Kempker pushed in 14 and Ken (Fuzz) Bauman had 12. Ken Scholten had 12 for the losers.

H. E. Morse took second place with a 44-39 win over Suburban Furniture. Bob Klingenberg had 12 and Herm Tuls 10 for the winners while Sherry Shaffer and Jack Van Dort each had 12 for Suburban.

Dirk Bloemendaal scored 16 to lead Christ Memorial No. 2 to its win over Local 2391. Bob (Shorty) Van Dyke had 13 for the losers. Bob's Sports Shop bumped off Borean Church, 42-29, in another B game as Dick Vander Yacht made 13 for the winners and Ed Ericson had six for Borean.

Botsis Beverage, edged Parke-Davis, 38-33, in the other B game. Dell Koop paced the winners with 13 while Chuck Gouloze had nine for Parke-Davis.

Dale Den Bleyker led Menken Plumbing with eight points while Bob Stool had 14 for Quality in the top C League game. Mass Furniture tied Menken for second in the standings with a 35-25 win over Steffens Market. Con Eckstrom had 13 for Steffens and Mark Mulder had 12 and Overbeek 10 for Mass.

Overkamp's Washer Parts won over Trinity Church, 30-22. Bill Keen had 11 for the winners and Con Nienhuis had 11 for Trinity.

Rehearsals Continuing For 'Dial M'

Peter De Moya, director of Holland Community Theater Group's next production, said today cast rehearsals and stage crew work are progressing nicely and he anticipates a polished performance of "Dial M for Murder" which will be presented in the Woman's Literary Club Feb. 23, 24 and 25 at 8:15 p.m.

The play, a mystery in three acts by Frederick Knott, is a fast moving suspense story concerning Tony Wendice's attempts to murder his wife, Margot. His schemes include blackmail, a hired assassin, tan silk scarf, and finally framing the wealthy Mrs. Wendice during a murder investigation.

Max Halliday, an author of American TV mystery dramas (and who is Margot's lover and the reason for all Tony's scheming) concocts a mystery story in an effort to remove the guilt from Mrs. Wendice, and with the help of Scotland Yard, the true circumstances are revealed.

Mary Bosch and Jay C. Petter play the roles of Mr. and Mrs. Wendice. Gil Bussies plays Max Halliday, with Charles Anderson appearing as Capt. Leggate and Gerald Kruyf as Inspector Hubbard.

Scouts Plan Annual Fete

Scouts and leaders of Troop 6 of the First Reformed Church will receive their 37th charter Tuesday, Feb. 14, at the annual Mom, Dad and Me banquet in the First Reformed Church.

Troop 6 is the oldest active troop in the Chippewa District and received its first charter in 1924 when Don Zwemer was Scoutmaster.

Several of the leaders have combined 200 years of service. These men include: Andrew Steketee, Fred Zeep, Ben Mulder, Lawrence Zwemer, Ben Poll, Chester Raak, Elmer Nuihuis, Marinus Rozeboom, Albert Bielefeld and Scoutmaster Elmore Van Lente, who has 31 years of service.

The troop has a membership of 32 Scouts. The Explorer Post has a membership of 15 and Russell Yonkers is Explorer Post Advisor. District commissioner Hugh Rowell will present the charter to Bielefeld, Board of Review chairman, at the banquet. A court of honor will be staged following the banquet.

Highlight of the event will be an Eagle Scout ceremony. Dave De Visser, Richard Cook and Bill Boersma will receive the highest scouting award.

Entertainment will include a high school trumpet trio and a pageant of scouting. Warren Van Egmond will be Dr. Boice and Bruce Kragt will be the unknown scout.

The Beaver patrol will demonstrate camping and the Flying Eagle patrol will demonstrate first aid and knot tying while the Wolverine patrol will show signalist. The Wolf patrol will present a stunt.

Dr. Raymond Van Heukelom will speak to the group and O. S. Cook will be master of ceremonies.

New School Opens Friday

ALLEGAN—Three and four generations of Dawson School "alumni" will be asked to participate in a campaign for funds to help stock the library in the new Dawson. Moving day for some 240 students in the present 36-year-old building will be Friday, according to Jack Hamilton, director of elementary education who said the move from Monroe St. to the new 14-room school located off DeLano St., will be accomplished without missing a day of school.

Mrs. Chester Reimink, Mrs. Henry Polityka and Miss Rhoda Crowell have been named to a PTA-sponsored committee which will seek money for books for the library room in the new school.

Other Allegan elementary schools have had their own libraries for some time. Miss Crowell pointed out, but the "old Dawson" had no such facilities and the move into the new plant caught the school board without sufficient funds for books.

The committee will attempt to contact as many former Dawson students as possible, although they admit that it will be quite a task since four generations of Allegan youngsters have passed through its dreary halls.

Hamilton said classes would meet in the new school for the first time on Monday morning. Nine of the 14 available classrooms will be put into use this term while the remainder will be filled next fall after school assignments are re-shuffled.

School superintendent L. E. White said the Board of Education plans to seek bids soon for razing both the Dawson and the old North Ward School on North St.

**Opti-Mrs. Club Members
Assist at License Bureau**

Mrs. Robert Van Dyke was hostess to the members of the Holland Opti-Mrs. Club Monday evening at her home. Mrs. Everett Hart, president, conducted the business meeting.

Decisions were made on several projects which will make use of the License Bureau fund for needy children. This money is earned by members of the group donating their time to type applications for license plates. Mrs. Donald Reek is serving as license bureau chairman this year.

The group will provide cookies for the Veterans Hospital in Battle Creek during the months of March, April and May.

Refreshments were served by Mrs. Van Dyke and Mrs. Hart following the meeting.

**Firemen Extinguish Two
Small Fires Within Hour**

Holland firemen answered two calls within an hour late Monday afternoon.

At 5:50 p.m. firemen were called to the Clyde Sandy home at 657 West 22nd St. after a small fire started burning in an automobile seat. Firemen said damage to the auto was minor.

Earlier firemen were called to put out a fire in a chair at the home of Gerald Bird of 454 West 22nd St. Firemen said damage to the chair was extensive, but nothing else in the house was damaged.

Objects were exported from the home early in the morning.

Tolerance Is Prescribed In Solving Race Problem

"Tolerance - tolerance of races, religions and cultures" is the prescription for the troubles of the white race given by Rolf Italiaander, authority on Africa and Africans, speaking before Century Club members and guests Monday night in the Vernon D. Ten Cate home.

Mr. Italiaander, a native of the Netherlands and a resident of Hamburg, Germany, painted a realistic picture of the dangers imminent to white peoples of the earth who are outnumbered by colored races by a ratio of two-fifths to three-fifths. The speaker underlined his statement that the race question is the most important question for the future and that "we must find a solution."

"All over Europe and in the United States conversation, speculation and effort is more and more directed to the 'Man in the Moon,' but I say our problem is the man on earth," the speaker said.

The lecturer, also an historian, traced the relationship between the black and white races from its beginning 400 years ago when the Dutch and Portuguese and British went to South Africa and found a very friendly people who looked upon the white man as "angels from heaven."

Through slave trade and Apartheid, in the Union of South Africa, we have developed an antagonism that has brought about race discrimination against the white race. Black men are uniting around the world, including the 30 million in the United States, taking pride in their black skin, until one day they will revolutionize, unless we mend our ways through tolerance and by sending more teachers, more doctors to help them, and by inviting many to our country to witness our way of life.

Formerly, Mr. Italiaander said, he has reported that there were 44 million Christians in Africa out of a population of 240 million. Figures released by the World Council of Churches recently give the

count as 38 million, the loss due to the French and Belgians and other Europeans leaving the country since independence.

Continuing the information on the religious issue, the speaker said that 40 per cent of the African population still hold to the old religions of superstition, animism, and such. As education increases and 10 people give up the old religions, three become Christians and seven, Muslims. Why? In Africa today Christianity is synonymous with colonialism and imperialism; Islam with social and political independence, he said.

Concerning the social situation in Africa, Mr. Italiaander re-emphasized how the European and American people have exploited Africans. To illustrate he quoted from a Belgian publication at the time the Congo got its independence last June 13: "white clerks received a salary of \$400 a month, black clerks \$25; white engineers, \$500 a month, black \$25; average black pay was \$3 a week for black workers, \$125 for white."

The needs are great in Africa, according to Prof. Italiaander who has spent his life since age 19 studying the Africans and helping them through writing of their condition in many languages. "In Africa 80 per cent of the people are illiterate - 94 per cent in Algeria, 75 per cent in South Africa - in the Congo there is one doctor for 20,000 people, in Nigeria, one to 57,000. Though white men like Dr. Albert Schweitzer in Gabon, Charles de Foucauld in Morocco and Carl Cline Becker in the Congo have accomplished great things, our contributions have been too few.

The speaker closed with a President Kennedy quotation: "There is no reason for panic, but the situation is very dangerous, especially in Africa."

Miss Janet Wichers, a student of Mrs. Harold Karsten, provided music for the evening with her piano numbers "Rondo Capriccioso" by Mendelssohn, and "Valse in E Minor," Chopin.

On Jan. 18 the Towanka Camp Fire group met at the home of their leader, Mary Ann Fabiano. The following officers were elected: President, Sandy Meengs; vice president, Pam Slayter; treasurer, Jackie McBride; secretary, Gayle Tretey; telephone chairman, Susan Meyer and Louise Whightman. They also planned the valentine party, the father-daughter square dance and their home cooked dinner. Refreshments were served by the leader. On Jan. 30 the group met at the home of Sandy Van Kampen and had their second home-cooked dinner and worked on their requirements.

Three-Car Crash Injures Trio

Three persons were taken to Holland Hospital for treatment of injuries suffered when the taxi they were riding in was involved in a three-car crash at 3:38 p.m. Monday on River Ave. near 15th St.

Hospital officials said Dick Boter, 80, of 753 South Shore Dr., Mrs. Rachael McVea, 96, of Douglas, and Mrs. McVea's daughter, Helen McVea, also of Douglas, were released after examination and treatment.

Holland police identified the driver of the taxi as Charles L. Atwood Jr., 28, of route 4, Holland. Police said Atwood's cab struck the rear of a car driven by Ronald J. Yonker, 19, of 47 West 22nd St., forcing Yonker's car into the rear of a car driven by Marinus Rozeboom, 52, of 739 West 26th St.

Police charged Atwood with failure to maintain an assured clear distance.

Teacher Waives On Drug Charge

GRAND HAVEN—Mrs. Esther Smith, 57, of 575 College Ave., Holland, teacher in Pine Creek School, waived examination at noon Tuesday before Justice Lawrence De Witt on a charge of possessing and transporting narcotic drugs, namely nembutal.

The alleged offense, according to state police, occurred Monday when Mrs. Smith was said to have 255 capsules in her possession. She furnished \$1,000 bond for her appearance in Circuit Court Feb. 17.

West Ottawa Superintendent of Schools Lloyd Van Raalte Tuesday said that he has suspended Mrs. Smith pending official notification of the outcome of the matter.

Concertgebouw Orchestra Coming to Grand Rapids

William Boer and Frank D. Kleinhessel are serving as co-chairmen of a local committee obtaining patron subscribers for the appearance of the Amsterdam Concertgebouw Orchestra which will appear in Grand Rapids Civic Auditorium April 28, sponsored by the Grand Rapids Music Society.

Letters are being sent to a selected list of local persons containing special invitations to the April 28 concert.

Others on the committee are Mrs. Bernard Donnelly, Mrs. Edward J. De Pree, Robert W. Cavanaugh, Arthur C. Hills, Henry Vander Linde, Peter Prins, Dick Zwip, Russel Fredericks and Wilard C. Wichers. The Netherlands Information Service is assisting in promoting the 1961 tour which schedules 42 concerts in the United States from New York City to San Francisco.

The Concertgebouw Orchestra, which is scheduling four appearances in Michigan, previously appeared in Grand Rapids in the spring of 1955 when it presented 45 concerts in the United States and Canada. At that time, orchestra members paid a visit to Holland, Mich. The 1955 appearance in Grand Rapids also was sponsored by the Grand Rapids Music Society.

300 Persons Help Salute Salvation Army Occasion

Approximately 300 persons filled the auditorium of the Salvation Army building Monday evening for the program presented by the Kalamazoo Corps band.

The program, marking the 25th anniversary of the Salvation Army in Holland, also included vocal duets by Capt. and Mrs. E. Miller, accompanied by Anthony Kooliker of Hope College.

Bandmaster Andrew Stewart lead the 40-piece band in a spirited and inspirational program. The Miller's voices blended beautifully as they sang, "How Sweet the Name of Jesus," and "The Lord Is My Shepherd."

Mayor Robert Visscher thanked the Salvation Army for their 25 years of fine work in Holland and presented a copy of the proclamation he had made in honor of the anniversary.

Clarence Jalving, retiring board member, was honored for many years of service on the Advisory Board, and the Rev. John Hagans,

retiring board chairman, was also honored. Brigadier G. A. Foubister, president as chairman of the meeting and installed the new Advisory Board members and the new officers.

Donald Cochran is the new chairman of the board; Sandy Meek, vice chairman; Larry Beukema, treasurer and Mrs. W. F. Young, secretary. New board members are Mrs. P. H. Scouts Hold 2nd Annual Klondike

A total of 403 Chippewa District Scouts and leaders took part in the second annual Klondike Derby Saturday on the Pratt Farm near Eastmanville.

The Chippewa district scouts were joined by scouts and leaders from the Ottawa district (Grand Haven area) and 633 persons took part in the event.

The Bat patrol of Troop 21 in Zeeland won 32 "nuggets" to take first place in the Derby while the Cobra patrol of Troop 11, sponsored by the Hope Reformed Church in Holland, was tied for second with the Wolves patrol of Troop 21 of Zeeland with 31 "nuggets." "Nuggets" were awarded for skill in participation in the various Scout activities.

The three patrols will participate in the Grand Valley Council Klondike Derby on Saturday, Feb. 18 in Townsend Park near Grand Rapids.

The Ant patrol of Troop 33 of Hamilton won the Klondike sled timing race in a time of two hours and 31 minutes while the Panthers of Troop 43, sponsored by the North Shore Community Club, took second in 2:36 while the Buffalo patrol of Troop 22, sponsored by the Beechwood Reformed Church was third in 2:45.

The winners won a "bearbone, musk ox skull and Arctic deer skull. The Scouts had soup (caribou elixer) at the climax of the event.

The Alpha Phi Omega, a group of Hope College students who are former Scouts, assisted with the judging. Other judging was done by Explorer Scouts.

Post 2006 of First Reformed Church judged the first aid while Post 2022 of Beechwood judged the cliff rescue. The Morse code was judged by Post 2045 of Ganges and Post 2044 of Maplewood Reformed Church checked the fire building. Tent pitching was checked by Post 2033 of the Hamilton Reformed Church. Ed Steele was general chairman of the event for the Chippewa District.
