WHEN IT SNOWS — Helen Rose of 179 West 19th St. gets out of the car to inspect the high snowbanks along 56th St. between Holland and East Saugatuck. The road has just recently been cleared to one way traffic. This photo was taken from atop one of the 12 to 15 foot snowbanks. (Sentinel photo)

West Ottawa Plans Spring Vacation

Barring further interruptions because of bad weather conditions, West Ottawa public schools will have spring vacation as scheduled, the Board of Education decided Monday night.

Supt. Lloyd Van Raalte said nine days had been lost because of bad weather but the high school already has made up 4½ days by reorganizing its schedules. He said the North Central Association recommends a minimum of 175 days attendance during the year, and the West Ottawa calendar calls for 177 days. Further interruptions this year may reduce or eliminate spring vacation, he said.

The board spent considerable time on a request for bus transportation which would be at variance with the present transportation policy, Supt. Van Raalte pointed out certain extenuating circumstances and the problem was referred to the transportation committee for further study and instructions to report Feb. 18.

A lengthy report on estimated future elementary enrollment needs, prepared by Supt. Van Raalte and Donald P. Sumrill of the Binda Architectural firm, revealed that the present figure of 1,766 elementary students, kindergarten through sixth grade, will be up to 2,089 by 1967-68. The enrollment of this age group in 1957-58 was 1,406. Copies of the report will be made available to the Citizens Committee which will meet Feb. 13 to review and evaluate it. In short, the report shows clearly that existing elementary facilities are inadequate for the future influx of students.

The board indicated its willingness to welcome Zeeland public schools into the Holland Area Cooperative Training Program.

The board accepted a bid of \$1,977.84 from Raphael Draperies for fiberglass curtains for the north side of the high school.

Rerun Storm Pictures

Two full pages of storm pictures that appeared in last week's edition of the Holland City News are being rerun today because the heavy demand for copies of the paper exceeded the supply.

ALSO HAD IT IN 1918 — Whether the January snow storms in 1963 can compare with those back in 1918 is hard to tell, what with the improved devices used nowadays for removing snow, but one thing is sure, back in 1918, the deep snow also caused the "problems" — especially on the railroads. Martin Kunen of 107 East Sixth (shown holding the shovel) recalls that 10-foot snow drifts caused the snowplow on a Pere Marquette Railroad engine (now the C & O Railroad) to derail about a block south of the M-40 crossing, and that the track crew was called out to remove the snow and dig out the plow while the engine returned to New Richmond. Kunen who worked for the railroad company for 50 years retired six years ago.

Grand Haven Speeds Up School Vote to May 14

GRAND HAVEN — The Grand Haven Board of Education Tuesday voted to speed up its 3½-million building program and rescheduled the June 10 vote ahead to May 14, the earliest date under state law.

The speedup was prompted by the \$500,000 fire at Central School Jan. 28 which left 400 elementary children and part of the junior high student body without classrooms.

Architects also were instructed to speed up plans for the entire building program. The 900 students in junior high currently are attending school half days and the 400 elementary children are attending classes in nearby churches.

Local Court Busy Place This Week

Municipal Court was a busy place the last few days processing a variety of charges.

Lloyd A. Nyland, 35, of 1681 Wolverine, was found guilty of a reckless driving charge at a jury trial Tuesday. The jury deliberated 15 minutes before bringing in a conviction. Municipal Judge Cornelius vander Meulen assessed fine and costs of \$24.70.

A charge against Durward Courser, of 408 College Ave., on issuing checks with insufficient funds, was dismissed on payment of \$4.70 costs and making restitution of the five checks totaling \$75.

Hotel Warm Friend, Chester Walz manager, was assessed fine and costs of \$104.70 on a charge of failure to comply with an inspection notice dealing with insanitary conditions. Complaint was by the food and standards division of the Michigan Department of Agriculture.

Two Cars Collide

Cars driven by Annetta Huizenga, 45, of 176 East 27th St., and Edith E. Craft, 48, of 279 West 17th St., collided Tuesday night at Pine Ave. and 17th St. Mrs. Huizenga was issued a ticket by Holland police for failure to stop for a stop sign.

Holland Hospital births include a son, born Wednesday to Mr. and Mrs. Thomas Senters, 40 East 16th St.; a daughter, born Wednesday to Mr. and Mrs. Cari Nies, 14750 Venessa Ave.

Long Bond Ordinance Is Adopted

City Council Wednesday night passed a lengthy water revenue bond ordinance to provide for improving, enlarging and extending the water supply of Holland and to issue revenue bonds to defray the cost.

The lengthy document, which took some 45 minutes to read, was drafted by the Detroit firm of Dickinson, Wright, McKean and Cudlip, and calls for \$250,000 to finance a 500,000-gallon water reservoir on city-owned property east of 120th Ave. between 16th and 24th Sts. This storage tank will provide the necessary pressure and supply for water service in Holland Heights and other areas.

All reading of the lengthy document (only one portion of repetitious material was waived) was done by City Clerk D. W. Schipper whose voice at no time became hoarse. It was a contrast to some previous revenue bond readings before council when the city clerk, city attorney, city manager and at times a councilman would take turns.

All other business was accomplished in record time and the entire meeting lasted an hour and 20 minutes.

Because the April 3 meeting conflicts with the annual Chamber of Commerce membership dinner in Civic Center, Council rescheduled that meeting to Monday, April 8. However, because the charter calls for Council to canvass any city vote on the first Wednesday following the election, Council likely will meet at 5 p.m. April 3 to canvass the April 1 city vote.

The city clerk read a tribute prepared by Municipal Judge Cornelius vander Meulen honoring Dr. and Mrs. I. J. Lubbers who have left Holland after 18 years at Hope College. The tribute called attention to the growth of the college during Dr. Lubbers' years as president and the proportionate growth in the faculty. It also called attention to the fact that there never was "any rift between town and gown." The tribute will be published in its entirety in the council minutes and a copy also will be sent to Dr. and Mrs. Lubbers.

A resolution also recognized the effort of the local company of the Michigan National Guard during the severe snowstorms which have made this winter one of the most hazardous on record, a winter which left many persons snowbound at home and also left others stranded away from home.

The resolution called attention to the unselfish services of the Guards during this emergency and expressed particular gratitude for keeping the Armory open for stranded persons several nights.

Council approved the Doyen plat of six lots east of Pine Ave. between 32nd and 33rd Sts. and two lots on the south side of 33rd St. The plat had been approved by the Planning Commission Jan. 8.

Following a public hearing on tilting a portion of Wildwood Drain at which no opposition was expressed, Council adopted a resolution on the project which sets up a special assessment roll not to exceed \$1,656.

Oaths of office were filed for Ward Hansen, Planning Commission; John Menken, Board of Appeals, and Elmer J. Rowder, citizen member of the Board of Review.

A communication from the Michigan Municipal League thanked Council for its resolution in memory of League Director John Huss and announced the appointment of Robert E. (Bob) Fryer as Huss' successor. Fryer has been assistant director of the League since 1952. Council also was informed that region 5 of the League will hold its annual meeting in Grandville Thursday, March 7.

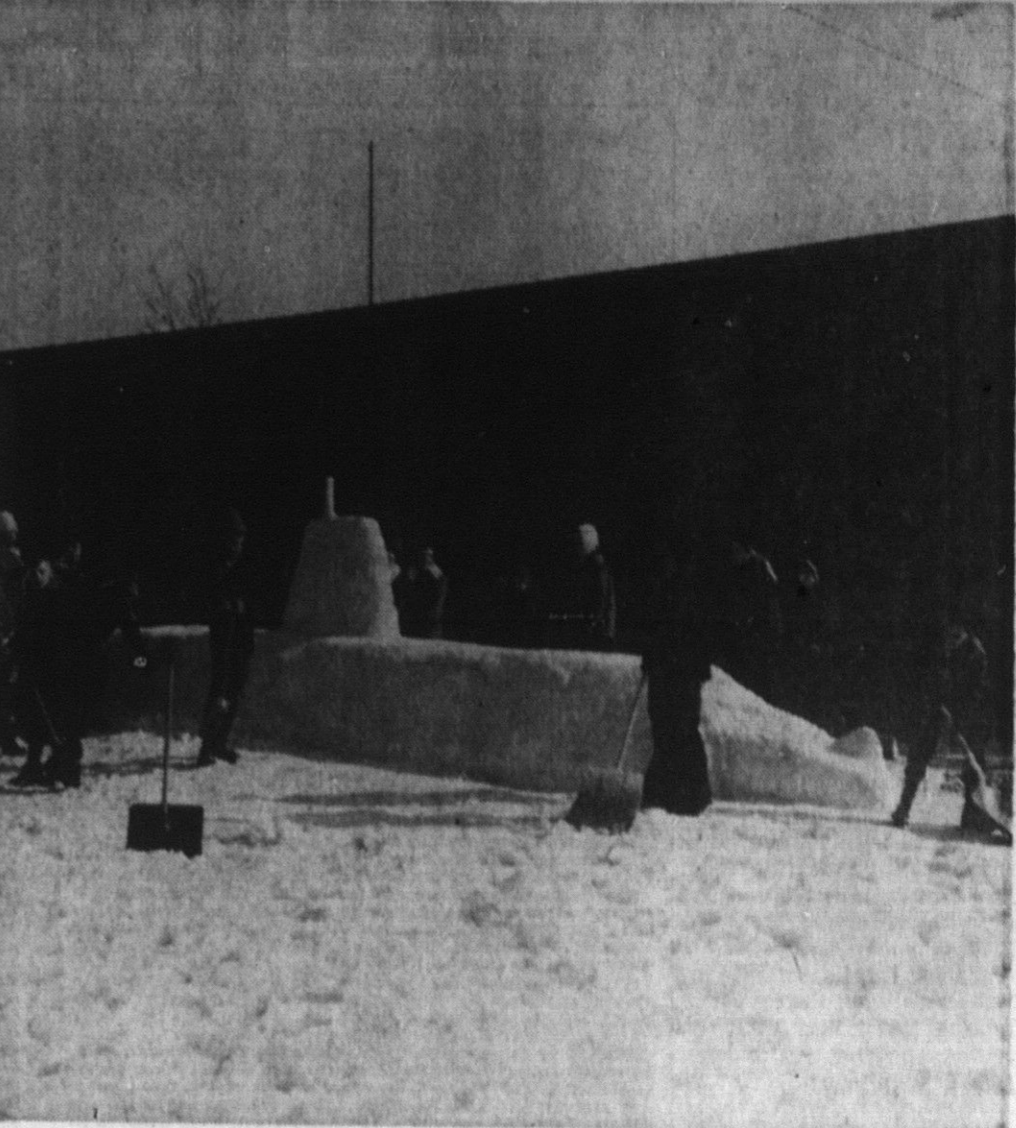

A letter from The Holland Evening Sentinel suggesting advertising in the Tulip Time edition of the Sentinel was referred to the city manager with power to act.

A petition requesting a sanitary sewer in 40th St. from Central Ave. to College Ave., and in College Ave. from 40th St. north to a point 450 feet north of 40th St. was referred to the city manager for study and report. Also referred to the city manager was a petition requesting water service in Central Ave. from 39th St. south to 40th St. in 40th St. east to College Ave., and in College Ave. for a distance of approximately 380 feet.

An application of Wolverine Heavy Movers to move a house from 491 West 32nd St. to 482 West 20th St. was tabled until next meeting.

The Library Board reported gifts of \$150 from The Holland Evening Sentinel through the Greater Holland Community Foundation for scientific and technical books, and \$5 from the Century Club for a memorial book for the late Dr. G. W. Van Verst. Gifts were accepted with thanks.

All Councilmen were present with the exception of Henry Stefens. Mayor Nelson Bosman presided. The invocation was given by Dr. Anthony Luidens, retired minister of the Reformed Church.

THE "NAUTILUS" — Sixth graders from the New Groningen school on Chicago Drive, near Zeeland used the "Nautilus" from Walt Disney's adaptation of Jules Verne's "Twenty Thousand Leagues Under the Sea," as a model for the submarine they built Wednesday. The theme of the school's third annual snow sculpture was transportation. Other sculptures included a train, rocket, airplane, toboggan, dog sled, automobile, boat and the most used of all, feet. Absentee Ballots Now Available

Absentee ballots for the Feb. 18 primary election, both city and school ballots, are now available in City Clerk D. W. Schipper's office on the second floor of City Hall.

The city ballots list choices for councilman-at-large in all wards and councilman nominating races in the second and fourth wards. The school ballot calls for 2.5 mills for special operating.

Saturday, Feb. 16, at 2 p.m. is the deadline for obtaining absentee ballots. Already about 20 applications have been received from citizens away from the city, mainly Florida.

Chicken Coop Roof Burns

Holland firemen put out a fire at 5:15 p.m. Monday which started by an overheated heater in a chicken coop owned by Hendrik Groeneveld, of 104 West 40th St. There was little damage except for the roof touching the chimney which caught fire.

Mr. and Mrs. James K. Cotter of 1307 Sunset Dr., announce the adoption of a two-month-old boy, Thomas Aaron.

Hope Alumni Scheduled To Hear President-Elect

Dr. Calvin Vander Werf, president-elect of Hope College will be in Holland later this month to speak at the annual Alumni Association dinner meetings in Phelps Hall.

A total of 1,500 invitations were sent out today and to accommodate the more than 2,000 expected it was decided to have two identical dinners, the first on Monday, Feb. 25, and the other on Tuesday, Feb. 26.

Dr. Vander Werf who will take up his new duties at Hope College on July 1, is coming to Holland especially for the Alumni Association event and will speak at both dinners. Also on the program will be selections by the Hope College band under the direction of Robert Cecil.

Plans for the 1963 Alumni Fund program will be outlined at the dinners. Chairman for the Holland area campaign, Dr. S. Walter Kuipers, has announced a goal of \$25,000 for the Holland association. A total of \$4,500 already is in from advance pledges. Overall goal for the 1963 Alumni campaign is \$100,000.

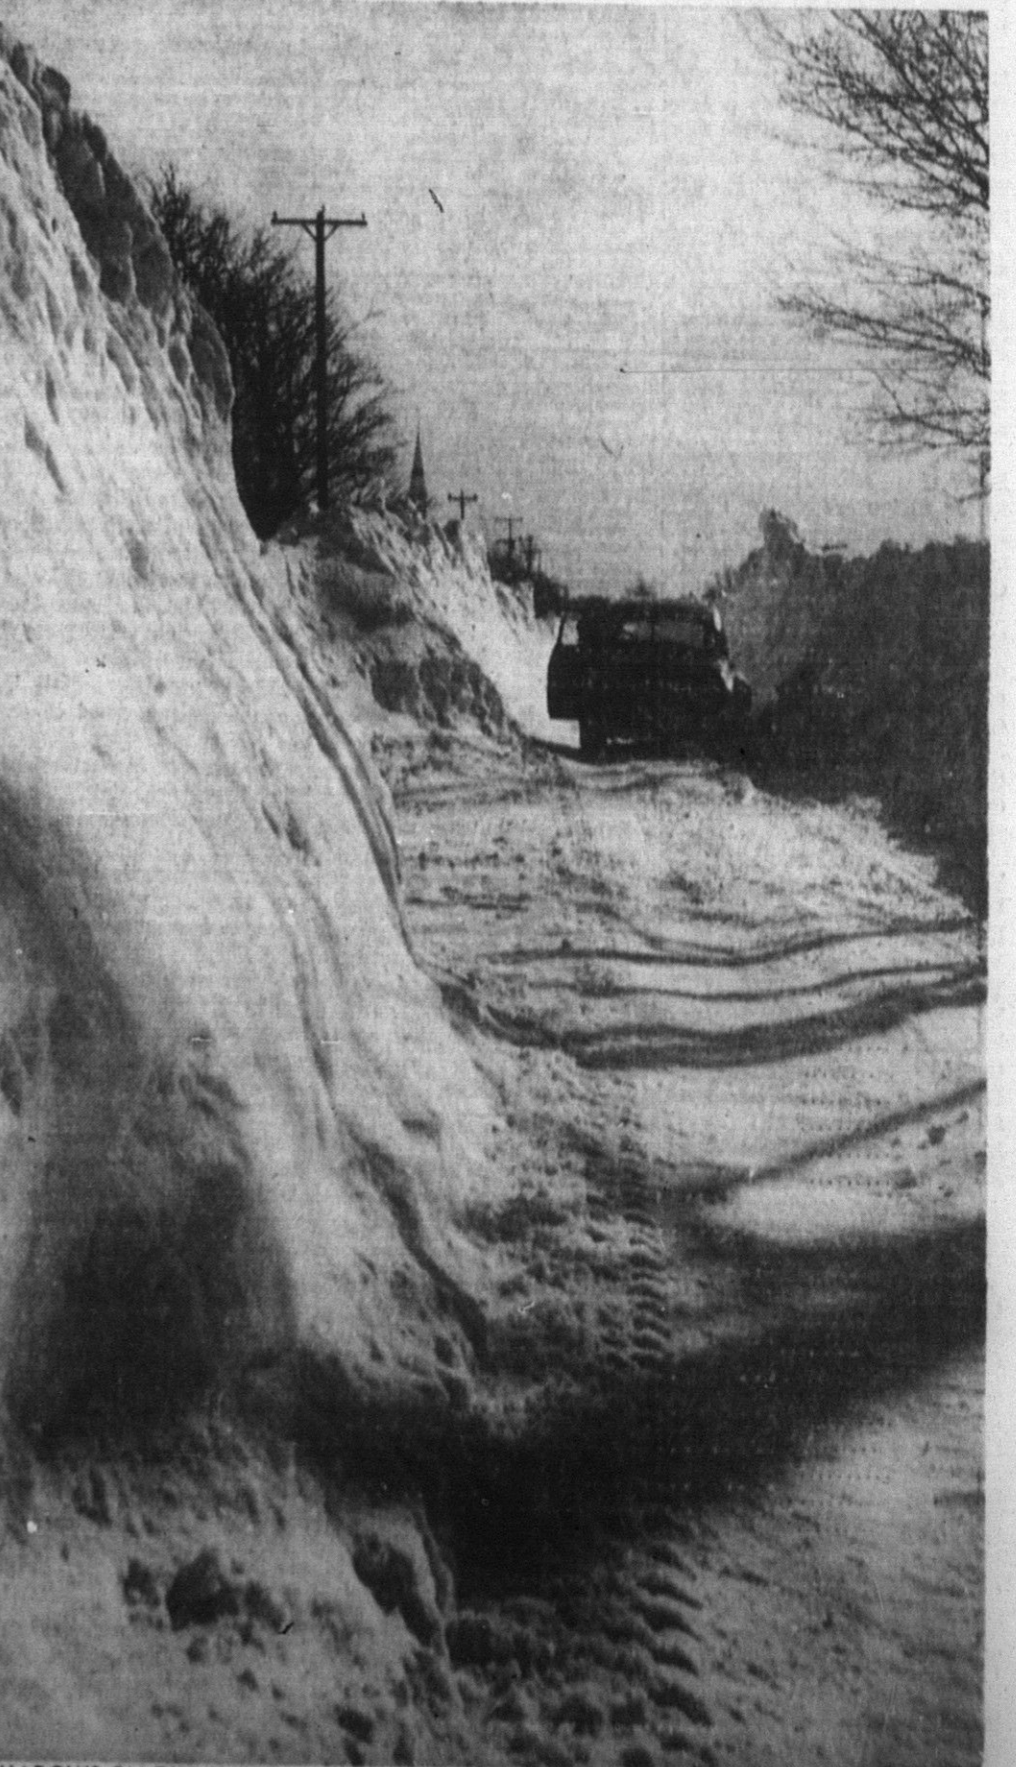

"It is our hope that we will

have a 100 per cent response from our alumni, both in attendance at the dinner and in financial support of the 1963 campaign," Dr. Kuipers said. This is the first time the Hope College Alumni Association is using personal solicitation to contact its members. Since 1947, when the association was started, a direct mail program of alumni solicitation was used.

In 1959 the Alumni Fund was merged with the "Looking Ahead With Hope" \$3 million development campaign for a three year period. In response to this campaign Holland alumni, businesses and friends of Hope College contributed more than \$300,000.

Leaders of Home Economics groups for the southern half of the county will meet in Zeeland City Hall on Thursday, Feb. 14, to study the lesson "Making the Best Use of Your Sewing Machine."

Mrs. Grace Vander Koik, county extension agent in Home Economics, will be in charge of the meeting which begins at 9 a.m. A meeting for leaders in the northern half of the county will be held Wednesday, Feb. 13, in the Allendale Town Hall.

SHADOWS ON THE SNOW — A bright sun casting shadows across 56th St. between Holland and East Saugatuck is quite a change from the swirling snows which left the road full of drifts last month. And although the temperature was 32 degrees Tuesday, it will take quite a long time for the snowbanks to melt. The East Saugatuck Christian Reformed Church steeple is in the background. Hope Chalks Up 7th MIAA Victory

Dutch Take 94-66 Win Over Albion

Scoring more than 90 points for the third straight time against an MIAA foe, Hope College's basketball team crushed Albion, 94-66 Saturday night in the Civic Center before 1,700 fans.

It was Hope's seventh straight league victory as the Flying Dutchmen remained unbeaten in MIAA play. Hope is 9-6 over all.

Hope's offense moved into high gear midway in the first half and the Dutchmen pushed to a 45-27 halftime lead. The Britons made a game of it for the first 12 minutes.

Albion led 11-10 with 12 minutes remaining in the first half when Clare Van Wieren tallied a basket and Hope never again trailed. Freshman Van Wieren also started a four-basket flurry that broke the game open a few minutes later.

With 8:43 left, Hope was leading 17-15 when Van Kieren pushed home a basket. Ron Venhuizen,

Jim Vander Hill and Glenn Van Wieren, then followed suit as they contributed quick baskets after each time beating the Albion defense down the floor.

It was 25-15 with 8:05 left and the Hope basket took a beating the rest of the half. The Dutchmen hit 19 baskets in 41 tries for 46 per cent. Albion salvaged 12 of 40 for 30 per cent.

Hope quickly doubled the score as they opened the second half with nine straight, four by Vander Hill, three by Glenn Van Wieren and two by Clare.

Soon the difference was 30 points, 71-41 and Coach Russ De Vette retired the regulars. Gary Nedeveld and Ron Venhuizen left with 11:36 to play while Glenn Van Wieren sat down at 9:22. Vander Hill, 8:59 and Clare Van Wieren, 7:58. When Clare left Hope was leading, 78-46.

Ron Te Beest, who also saw brief action in the first half, and Gailerd Korver led the reserves with seven points each. Hope made 14 of 43 shots in the second half for 33 per cent.

The Flying Dutchmen ended with 33 of 84 for 40 per cent while Albion had 27 of 73, including 15 of 33 in the second half. Hope hit 28 of 45 free shots, including five straight by Vander Hill, and the Britons had 12 of 19.

Coach Russ De Vette thought his club played its "best defense" of the season, holding Albion to 43 points in the first 30 minutes of the game.

Clare Van Wieren, uncanny in his ability to be at the right place at the right time to snag a pass or convert a basket, led Hope with 21 points, 12 in the first half of which nine were in the first eight minutes.

His brother Glenn had 18, also scoring seven baskets, four in a four-minute period late in the first half. Vander Hill followed with 16. Hope outscored Albion, 69-45 as Nedeveld grabbed 11 off both boards and Clare Van Wieren had nine defensive rebounds.

Hope, leading the MIAA in offense, now has scored 573 points for an 81.6 average. The Flying Dutchmen entertain Olivet Wednesday in an MIAA game in the Civic Center at 8 p.m.

Albion, now 5-10 for the season, is 2-5 in the league. Bruce Vandrain, 6'5" junior who will be eligible in the second semester couldn't play against Hope because Albion's second semester doesn't start until Wednesday. Larry Colburn led Albion with 12.

Fennville Opens School

FENNVILLE — Fennville High School students completed their first week of school in the new \$650,000 school last week with the completion of a 22-room high school addition.

With the new rooms added to the five-year-old 15-room elementary wing, 925 students in kindergarten to fifth grade and ninth through 12th are going to school under one roof. A gymnasium was also built in 1957.

Completed Jan. 22 after construction on the 40-acre site was started last April, actual moving into the school was delayed because of the heavy snow.

The cost, which includes new equipment as well as construction, is being paid by a \$700,000 bond issue approved by taxpayers in 1961.

Supt. Wayne Woodby said a library is included in the school with a capacity for 5,300 volumes and a seating capacity of 40. Fennville residents have contributed \$3,000 to stock the library with books and \$800 worth of new volumes have been purchased.

A wood and metals shop, each measuring 55 feet by 40 feet, is completely furnished with \$16,000 worth of equipment.

A kitchen and cafeteria serves 300 students at one time. Two home economic workshops, one for clothing and one for foods with adjacent living area, is in the new school and will be furnished by the students.

Classrooms are separated by folding doors and stage accommodations for "team teaching" and a conference room adjoins each classroom. The windows are plastic-ply and the floors in the corridors and cafeteria are terrazzo.

North Blendon

Relatives here were informed of the death of Mr. Adrian Hirdes of Grand Rapids who died at the home of his children at Hudsonville last week. He is survived by two brothers from this vicinity, John and Cornelius Hirdes and several nephews and nieces. Funeral services were held on Saturday at the Beverly Christian Reformed Church.

Miss Virginia Molenkamp of Taylor St. met with an accident on 28th Ave. and Port Sheldon Rd. last Thursday and is confined to St. Mary's Hospital. Walter Molenkamp, also was treated at St. Mary's Hospital for severe lacerations. The accident was due to the blizzard conditions existing that day.

Mrs. J. Le Febre was a guest at the home of her children, Mr. and Mrs. G. Petroelje at South Blendon last Sunday.

Mr. and Mrs. Henry Klinger, Mr. and Mrs. Harold Klinger and Mr. and Mrs. Edward Overweg attended funeral services for their brother and uncle, Lucas Groenhof last week Tuesday. Another brother, Joe Klinger of Muskegon, died on Tuesday. Due to the severe weather conditions they were unable to attend the funeral.

Sharon Meeuwse of South Blendon was a Sunday guest of her grandparents, Mr. and Mrs. H. H. Vander Molen.

Local students attending school in all the surrounding areas re-

mained at home due to the severe weather conditions last week. All midweek meetings at the Churches were also cancelled. Small crowds attended the Sunday morning service and no evening service was held at either church on the 20th.

On Sunday evening the Junior CE group under the direction of Mrs. Gordon Timmer sang the selection, "There Were Ninety and Nine."

Mr. and Mrs. Stanley Elzinga and children of Grandville were Sunday visitors at the home of their mother, Mrs. Nick Elzinga.

On Saturday afternoon Mr. and Mrs. Marvin Elzinga of South Blendon and Mrs. Olet Garvelink and sons of New Groningen visited Mrs. Elzinga.

Mrs. J. Le Febre spent a few days of last week with her children, Mr. and Mrs. Floyd Brower and family at Jensen.

Mr. and Mrs. Yeck and family of Jensen are the new residents of the former Ben Groenhof farm on 80th Ave.

Many local residents were forced to walk some distance to their cars which were parked along roads which remained open in this area last week. All side roads were filled with snow. A number of folks were forced to stay with friends or relatives not being able to reach their homes.

Mrs. C. Meeuwse and children of South Blendon called on their parents and grandparents, Mr. and Mrs. H. H. Vander Molen one day last week.

Mrs. J. Hommerson and Mrs. H. H. Vander Molen attended the meeting of the delegates of the Women's Federation of Women's Societies of the Holland area at the Presbyterian Church at Holland on Monday afternoon.

On Friday evening of last week Rev. and Mrs. J. Hommerson visited their children, the Jay Kool family at Grandville.

The Rev. and Mrs. Matt J. Duven of Zeeland called on friends here Monday afternoon.

On Saturday the Rev. and Mrs. Hommerson called on Miss Mary's Hospital at St. Mary's Hospital.

Mr. and Mrs. H. H. Vander Molen were informed of the injuries received by their sister-in-law Mrs. Delia Poskey in a fall at the home of her daughter, Mrs. Marian Vrugink, at South Blendon last week. Mrs. Poskey suffering from a hip fracture is a patient at the Woodhaven Rest Home in Zeeland.

Last week Thursday the Rev. and Mrs. J. Hommerson visited at the Harold Brower home in Holland.

Mrs. Nykamp Gives Talk On Interior Decorating

The next regular meeting of the Jane Stetee Quarters Club will be held Wednesday, Feb. 27, at the home of Mrs. Gus Ritterby, 501 Central Ave.

A talk on interior decorating was presented by Mrs. Esther Nykamp at the meeting held last week Wednesday at the home of Mrs. William Hillegonds, 99 West 11th St.

On Jan. 29, the Happy Blue Birds of Lakeview school met at the home of our leader, Mrs. Verekee. We made a valentine for our fathers, then we sang songs and played an "animal" game. Gail Van Dyke treated with candy bars. Kathy Barrett, Scribe.

On the Jan. 29 meeting of the Fun Time Blue Birds at Lakeview school we visited Holland Hospital. Susie Covington treated with Mallo Cups. We got suggestions from the hospital for toys for the Pediatrics Ward that we can make at our meetings. Karen Van Langevelde, Scribe.

Hope Music Department Gets Gift From Mrs. Snow

One of the last official duties for retiring Hope College President Dr. Irvin J. Lubbers was to accept a gift of the Music Library of Mrs. W. Curtis Snow, assistant professor of German at Hope and the late Prof. Snow.

The gift, which consists of oratorios, anthems, vocal, piano and organ music volumes, was given to the college's music department at a presentation held last Wednesday in the Presidents Room of Graves Hall.

Mr. Snow was professor of music at Hope from 1929 until 1935. He taught organ, music classes and organized and directed the chapel choir. He directed the Holland Civic Chorus and conducted the first performance of Handel's "Messiah" given on the Hope campus.

Mrs. Snow was a member of the Hope Music Faculty from 1938 to 1953. She also taught organ, piano and music classes and directed the Women's Glee Club. She presently is a member of the German department and has assisted in the Vienna Summer School Program for several years.

Grand Haven Is Also Listed for Student Teaching

With the increasing number of student teachers at Hope College, practice teaching assignments have included, for the first time, the Grand Haven school system, according to John J. Ver Beek of the Hope College education department.

A coffee, sponsored by the education department, was held Thursday at 4 p.m. in Phelps Hall to initiate the second semester's teaching program.

Invited to the occasion were 84 student teachers and supervisory teachers as well as college and school administrators and college faculty involved with teacher education.

Other school systems in which Hope students are doing student teaching this semester include Holland elementary and high schools, Holland Christian Junior High, West Ottawa elementary and high schools and Zeeland High.

Fire at Grand Haven Destroys Empty House

GRAND HAVEN — Fire Saturday morning destroyed a home at the end of North Seventh St., near the Memorial Bridge. Fire Chief Henry Hobeke said the fire started in an oil burner.

The home was owned by the Dykhouse brothers of Dykhouse Brothers Construction Co., Hobeke said. He called the home a total loss at an estimated \$2,500 damage. The home was unoccupied, and the only contents were a refrigerator, stove, and several mattresses. New tenants were to move in today.

Unusual 'Cottage' Now Available; Excellent View

By Bob Jaehning
It's not a real "castle in the sky," but it's the nearest thing you're apt to find.

It brings back memories of the boyhood tree house, but it's bigger and it doesn't sway as much in the wind.

The view is great; a near-ocean on one side, endless beaches on two others, and a welcoming channel, sheltered harbor, neat cottages and rolling sand dunes on the fourth side.

Ships and boats of all descriptions go by within a stone's throw in the warmer months, and spectacular icebergs in the winter.

It's the picnicker's dream; all the sun and frolic on the beach, with protection from the rain and away from the ants.

And the beauty of it is, it's available right now.

It's a steel skeleton lookout tower, with an eight-foot square wood frame building on top, formerly used by the Coast Guard. It's on the Lake Michigan beach, at the south side of the mouth of the Lake Macatawa channel.

The United States government, the landlord, is looking for a tenant.

Included in the package is a 40-foot parcel of land extending from the tower to the shore of Lake Michigan, and "rights of egress and ingress over Government property," so you can get to the place.

Uncle Sam would prefer a five-year lease. Terms are that the "rental begins with the occupancy of the premises by the tenant, and shall remain in effect for five years thereafter, unless sooner cancelled." Pay the rent monthly, in advance.

The rent? You'll have something to say about that. The Government is taking sealed bids, submitted in duplicate.

There are some other stipulations. For instance, the landlord insists that the premises be used for "recreational purposes." And, of course, it is expected that the renter will maintain the place "in a presentable condition."

The property can't be sublet or otherwise assigned without written consent of the 9th District Coast Guard Commander in Cleveland, Ohio. His permission must also accompany any alterations or additional structures.

Since the Coast Guard may occasionally need the place, the Government reserves the right to enter the premises at all times, and "no use may be made of the premises which is deemed objectionable to the Government."

And, of course, Uncle Sam can revoke the license at any time, upon a 30-day written notice.

There are some other natural drawbacks. Substantial as it is,

FOR RENT — The U.S. Government is taking sealed bids for rental of the old Coast Guard lookout tower on the south side of the channel, at the entrance to Holland Harbor on Lake Michigan. Included in the offer is a 40-foot parcel of land from the tower west to Lake Michigan, and rights to use Coast Guard property for access to the tower. The tower is shown here against the background of ice-filled Lake Michigan and the channel lighthouse. (Sentinel photo)

the tower really is not suited for comfortable, all-weather use. There's no heat, and the wood frame shack is likely to get a bit drafty, exposed to the stiff lake shore winds.

Access in the summer is closed to any kind of a motor vehicle, since most of the way is over narrow wood piers and boardwalks. Snow shoes are necessary in winter; drifts are several feet deep in many places, and continually blowing and shifting around.

Running water just isn't there, and some of the other creature comforts could be a headache.

The building offers room for extremely limited sleeping accommodations, and the place is bare of furniture.

The foghorn from the nearby lighthouse may keep you awake nights. Or possibly that flashing red light will make you nervous.

Except for the summer months, it's a lonely place, if you can't commune with seagulls and geese. But it does have snob appeal; it's a historical landmark of sorts. Tornado watchers used to scan the horizon for perilous black funnels, in the memorable stormy April of 1956, and several times since then.

So, if the package appeals to you, submit your sealed bids, in duplicate, to the Ninth Coast Guard District, Main Post Office Building, Cleveland 13, Ohio, before 10 a.m. Feb. 26.

If you want to inspect the property, contact the Group Commander, U. S. Coast Guard, Ludington, Mich., or telephone him in Ludington at 843-9232. Bid forms are available either from the Cleveland or Ludington offices.

Set up an appointment. Then bring your snowshoes.

Mrs. E. Van Tak Succumbs at 80

Mrs. Sophie Van Tak, 80, of 229 East Ninth St., died at Hooftman Nursing Home in Zeeland early Friday after having been a patient there since Sunday. She was the widow of Edward Van Tak who died in 1939.

She was born in Allegan and came to Holland 60 years ago after her marriage. She was a member of Sixth Reformed Church and was a past matron of the Star of Bethlehem Chapter No. 40, OES.

Surviving are a son, Lawrence Van Tak of Holland; two daughters, Mrs. B. D. (Esther) Hietbrink of Corsica, S. D., and Mrs. Maurice (Dorothy) Yelton of Holland; five grandchildren; 13 great grandchildren.

Funeral services will be held Monday at 2 p.m. at Nibbelink-Noter Funeral Chapel with the Rev. Henry A. Mouw officiating. Burial will be in Pilgrim Home Cemetery.

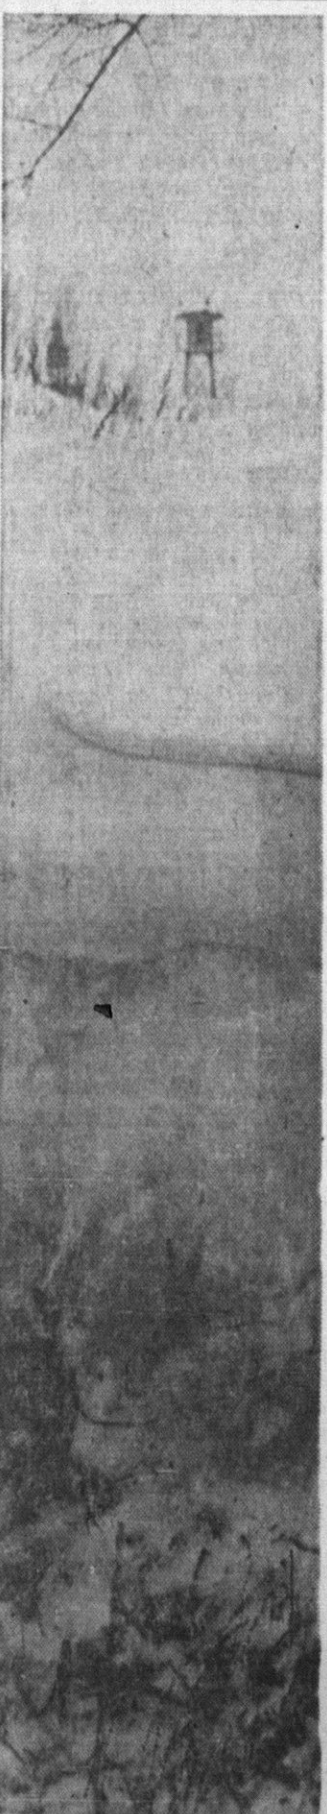

Friends may meet the family at the funeral chapel Sunday from 2 to 5 p.m.

West Ottawa Teachers Club Has Meeting

The regular meeting of the West Ottawa Teachers Club was held Monday afternoon at the high school with the president, Harold Kleis, presiding.

Devotions were conducted by Paul Hooker. Nominating speeches for positions on the MEA Board, of directors were given by Mrs. Nina Berger, Miss Barbara Byrd and Cornelius Hoeze.

Refreshments were served by Miss Beatrice Smith and Mrs. Loretta Tucker from Glerum School.

BRING SNOWSHOES — Prospective tenants for the Holland channel lookout tower the Government has put up for rent, are invited to inspect the premises, by appointment with the Coast Guard Group Commander in Ludington. Snowshoes are the best way of getting to the tower these days. (Sentinel photo)

Greek Scholar and Poet To Lecture at Two Meets

"From Cleopatra to Mrs. Jiggs" is the intriguing title of the talk Andre Michalopoulos will give to the members of the Woman's Literary Club at their birthday tea party in the Clubhouse on Tuesday, Feb. 5 at 2 p.m.

In the extensive biographical sketch sent from the Greek Embassy in Washington, where he is a special advisor, Dr. Michalopoulos has done just about everything and has been all over. He is in London Who's Who with references to his pre-war cultural interests, his broadcasting activities and his teaching and lecturing activities.

According to those who know him, the Greek poet and lecturer is a spellbinder. His lecture topics range from the humorous one at the Literary Club to political, social and economic problems here and abroad. He represented the Greek government at the annual conference on American Policy at Colgate University. He has lectured on international politics and cultural subjects in every state of the United States and has broadcast from stations in this country, in Athens, London, Washington, New York, Boston and Capetown, South Africa.

Following the program, a birthday tea will be held in the club tearoom. The actual birthday of the clubhouse is on Feb. 7. It was in 1914 that it was dedicated. Door hostesses will be Mrs. G. W. Haworth and Mrs. Harold Klassen.

The tea is in charge of Division V with Mrs. William Sikkil and Mrs. J. Franklin Van Alsburg. A big birthday cake will be the featured decoration at the tea table.

Andre Michalopoulos, Fellow of the Royal Society of Arts and Special Adviser on American Affairs to Royal Greek Embassy in Washington since 1950, will address members of Century Club and guests on Monday evening in Nykerk Hall of Music on the Hope College campus, starting at 8:15.

A Greek scholar, Dr. Michalopoulos will address the Club on the subject, "The Place of Humanities in American Education." Educated at St. Paul's School in London, and Oxford, he has lectured on international politics and culture.

brochures describing Zeeland and the city's social and economic advantages have been printed recently. The brochure will be used as a mailer for prospective visitors to Zeeland.

The Chamber also plans to publish a directory listing the officers of local service clubs, and the names of the ministers and consistory clerks of all local churches.

The Rebels, a famous American Gospel and folksong quartet, will sing in Zeeland Monday night. The Rebels will appear at the Zeeland High school gymnasium at 8 p.m., Feb. 4, in a program sponsored by the Junior Chamber of Commerce.

Proceeds from the event will be

Dr. R. Ten Have Among Planners Of Conference

LANSING—Dr. Ralph Ten Have, Ottawa County Health Director, will play an important role when public health officers representing virtually every Michigan county convene in Lansing starting Wednesday for the 13th Annual State Health Commissioner's Conference.

Dr. Ten Have was among three public health physicians who planned the conference agenda.

The three-day affair will close on Friday, when the health officers will submit recommendations on the basis of the conference to Dr. Albert E. Heustis, State Health Commissioner.

Dr. Heustis will open the discussion on federal funds, discussing the current formula and the types of grants, the philosophy governing the use of these funds, and trends for the future.

The other principal topic of the conference is on tuberculosis and the control of this disease on the local levels. Several speakers have been lined up to discuss both topics.

As a co-highlight of the parley, a talk about medical conditions in the Soviet Union will be made by Dr. V. K. Volk, of Saginaw, one of three immunologists who toured Russia last fall. Dr. Volk will speak at the conference banquet.

The Fennville Woman's Club met at the Club House Wednesday afternoon. The program "Persian Customs" to be presented by Mrs. Alex Moorad, was cancelled. The afternoon was spent in sewing for the Douglas Community Hospital. Refreshments were served by Mesdames J. Pattison, A. Paine and Stanley Alexander.

The Fennville Rubinstein Club meets Thursday afternoon in the home of Mrs. Richard Barron. Assistant hostesses are Mrs. J. Pattison and Mrs. William Broadway.

Miss Sharon Bale, a senior in the Fennville High School, is "Homemaker of Tomorrow" for Fennville Public Schools. The Betty Crocker award was presented to her at a high school assembly, Wednesday, by Mr. Samuel Moorehead, principal of the school. This award makes Sharon eligible for the title of "State Homemaker of Tomorrow," along with winners in other schools of the state. Besides being an excellent student, Miss Bale has been very active in many other extra curricular activities. She is the daughter of Mr. and Mrs. Ned Bale, and plans to attend Michigan State University next year.

Mrs. T. E. Van Dussen attended the State Board meeting of the Michigan Federation of Music Clubs, held in the Union Building of Michigan State University campus. She also visited her mother, a patient in a Pontiac Hospital.

The Fennville P.T.A. held its first meeting of the new year, at the Anna Michen School, Monday evening. Mrs. Edward Donivan, school librarian of Holland, was the speaker of the evening. Her topic was "The Role of the School Library in the Educational Program." Later the group visited the new library, where special exhibits were displayed.

A daughter was born Jan. 29 at the Holland Hospital to Dr. and Mrs. James Clark. She has been named Rebecca Joanne. She will

Steigenga-Bakker Vows Exchanged

Mr. and Mrs. Jack Wesley Steigenga

Attired in a floor-length gown of nylon sheer with schiffli embroidery featuring a moderately scooped neckline, bracelet-length sleeves and fitted basque bodice, Miss Hazel Betty Bakker became the bride of Jack Wesley Steigenga. The bouffant skirt had an embroidered border on the box pleat forming the chapel train. Her finger-tip veil of imported illusion fell from a crown of pearls and sequins. She carried a bouquet of white carnations with small clusters of gold grapes and accented with talismen roses and streamers of white and gold velvet.

The Rev. Garrett Stoutmeyer performed the double ring ceremony on Jan. 24 for the daughter of Mr. and Mrs. Rudolph Bakker, 276 North River Ave., and the son of Mr. and Mrs. Jack Steigenga, 97 Lakewood Blvd.

Bouquets of large white mums, palms and lemon foliage, spiral candlebra and white satin pew bows with huckleberry foliage decorated the Calvin Christian Reformed Church for the 8 o'clock ceremony.

The bride was given in marriage by her father.

Miss Ruth Teerman, organist, accompanied Warren Plagemars while he sang "Because," "Each for the Other" and "Wedding Prayer."

Miss Shirley Bakker was maid of honor while Miss Rosalyn Bouwer was bridesmaid. The attendants wore beau de soie ballera-length gowns of persimmon featuring bell-shaped skirts and back sashes. Their headpieces were matching beau de soie victorian roses. Both carried bouquets of white talismen carnations with velvet streamers in contrasting shades of ribbon.

Attending the groom were Paul Steigenga as best man and Cal

Bonzelaar as groomsmen. Seating the guests were Hugh Slenk and Del Van Dyke.

A beige knit dress with dark brown accessories was chosen by the bride's mother. The groom's mother selected a brown brocade dress with brown accessories. Each had a corsage of yellow sweetheart roses.

After the ceremony, there was a reception for 140 guests in the church parlors. Attendants were Mr. and Mrs. Jerome Den Bleyker, master and mistress of ceremonies; Mr. and Mrs. Paul Van Dyke, punch bowl; Mr. and Mrs. Ken Lemmen and Mr. and Mrs. Leon Wassink, gift room.

Kelly Bakker, pianist, provided special music.

Waitresses were Mrs. Robert Dykstra and the Misses Wanda Van Den Oever, Sandy Bareman, Mary Lubbers, Judy Baker and Lois Slenk.

The bride changed to a beige wool knit dress with leopard accessories for a wedding trip to New Orleans. Her corsage consisted of white carnations and talismen roses.

A rehearsal luncheon was given by the groom's parents in the church basement.

The bride was honored at showers given by Miss Rosalyn Bouwer; Mrs. Bert Slenk, Mrs. Bernard Kuipers and Mrs. Jerome Den Bleyker; Miss Shirley Bakker; Mrs. Jack Steigenga, Mrs. Frank Assink and Mrs. Ed Knoll; Mrs. Jack De Vries and Mrs. Annetta Garten.

The bride is a graduate of Holland Christian High School. The groom was graduated from Holland Christian High School and attended Ferris Institute.

The couple resides at the Grand Trailer Park, 137 Center Brook Dr., Grand Rapids.

Laketown

Mr. and Mrs. James Boyce III took Mr. and Mrs. James Boyce to Kalamazoo to witness the ceremony at Western Michigan University when Mr. and Mrs. Ed. Wilkenson and Mrs. Ed. Wilkenson received their B. A. and B. S. degrees respectively. Mrs. Waugh teaches in Saugatuck and Mrs. Wilkenson in Ganges School.

Although Laketown is entitled to 11 delegates to the county Republican convention only one attended the Wednesday evening convention. Delegates to the state convention were elected. From Laketown James Boyce is delegate with John H. Scholten as alternate. From Fillmore John Tien was chosen with Ben E. Lohman, alternate. John Klingenberg is the Overisel delegate to the state convention which will be held Feb. 15 in Grand Rapids.

The gas company franchise election in Laketown polled 86 votes—all in favor of granting the franchise.

The school bus driven by James Nykamp broke down on 142nd St. and parents and friends took the children to school. There seems to have been no bad results of the mishap in spite of the zero temperature.

Fred Schaafsma, the rural carrier for route 1 submitted to surgery in Holland Hospital. His patrons may wish to send greetings.

Democrats Pick Allegan Delegates

ALLEGAN — Allegan county Democrats, unable to muster a quorum because of bad weather last Wednesday, met in the upper lounge of the Griswold Memorial Building Thursday night to name ten delegates to the state convention.

There was no keynote speaker and only routine business was on the agenda.

Delegates named to the Democratic state convention at Grand Rapids this weekend include: Dr. E. L. Wheat, Walter Moore and Leonard Svyant, Allegan; Donald Hughes, Hopkins; Edward Burns, Saugatuck; Charles Stoddard, Wayland; Peggy Blok, Moline; Leroy Alfieri, Holland; Howard Hunt, Plainwell; and Otto Roller, Otsego.

The honey bee is classified as a domestic insect and is the only one known.

"WINTER WONDERLAND"

Every Michigan car carries on its license plates the descriptive words "Water Wonderland." Of course this is an attempt to advertise the State of Michigan as a playground for tourists and resorters. Every year thousands of people do come to Michigan to enjoy its natural beauty. But we have more than the summer attraction.

Few Michigan people realize that there are at present in the neighborhood of 83 winter sports centers in the state. Many of these have come into existence in the last decade. Six or more new ones have come into operation this year. Many have expanded their facilities.

Some of these centers have facilities that may be compared with the finest ski resorts in the country. During the winter months some of the world's great skiers visit our state. Michigan is rapidly moving forward as a home of winter sports.

Thousands of people have taken to winter sports, and winter vacations and weekends at the ski lodges is becoming more and more common. With the changing vacation patterns and the extension of vacation time, we can expect the winter resorts to become an important factor in Michigan's reputation as a vacation center. Maybe we ought to give some thought to advertising this on our plates. Next year we might try "Winter Wonderland."

Former Resident Wed in Shepherd

Miss Frances Vander Veen, daughter of Mr. and Mrs. George Vander Veen, of Alma, and Charles Van Lente, son of the Rev. and Mrs. Lloyd Van Lente, of Shepherd, formerly of Holland, were united in marriage on Jan. 19 at the Shepherd Methodist Church.

The afternoon ceremony was performed by the groom's father, Rev. Van Lente, before a setting of palms and mums. A processional hymn was sung by the guests and the bride's father escorted her to the altar during the wedding march. The service ended with the guests singing the Doxology.

The bride wore a white satin floor-length gown with a chapel train. Her ballerina veil fell from a pearl and lace crown. She carried a cascade of miniature peach roses and baby mums.

The reception followed the ceremony in the church parlors at which the couple greeted 200 guests.

The couple spent their wedding trip at Cadabrae at Cadillac.

The newlyweds will make their home in New Jersey where the groom will be stationed at the McGuire Air Force Base. He has returned from Libya, North Africa, where he was a radio and radar technician.

Coins in Pop Machine Taken in Break-in

A few dollars in change was taken from a pop machine following a break-in Saturday night at Mike's Highway Service Station at the US-31 bypass and US-31 intersection, according to Holland detectives. The person who broke in, detectives said, apparently was looking for money only, as no merchandise was taken.

Entrance was gained by someone breaking and unlatching a window on the south side of the building. A pop machine outside the station was also broken into but contained no money.

Break-In Attempted

A handle of an overhead door was twisted around in an attempted break-in Sunday at Pelon's Super Service, 44 River Ave., Holland police reported today.

Shoplifter Pays for Shirt

A shoplifter paid a fine of \$25 and the price of one shirt, \$1.87, which he had taken from Thrifty Acres in the northside shopping plaza Saturday night. Gerald R. Johnson, 18, of 135 N. Main St., Douglas, paid the fine and \$4.30 costs after pleading guilty before Justice of the Peace Wilbur Koww.

Helpers in Jesus' Ministry
Mark 6:7-13, 34-42

By C. P. Dame

Christ needs workers in his Church.

There is need for full-time Christian workers, ministers and missionaries, set apart for definite services, and there is also a great need for lay workers who will witness and serve whenever opportunities face them.

1. Every believer has a mission. Jesus called the twelve apostles "and began to send them forth by two and two." These men knew Jesus. It was Jesus who gave them power.

Any one who today does a successful work for the Lord knows him and he has been empowered by him.

Jesus calls and commissions workers.

Note too that the Lord gave orders to the teams he sent out on a special venture. These orders are worth looking at for they are meaningful even now.

The disciples were told not to take much equipment along, to travel light, and to accept the hospitality that was offered and not be fussy or demanding.

They would have unwelcome receptions and Jesus prepared them for these, telling them to depart and "shake off the dust under their feet, for a testimony against them."

Sometimes church work is made cumbersome by a lot of details, red tape, machinery and organizations and what not. These consume too much time and effort which could be devoted in a better manner.

Do the mission simply and speedily and get the gospel across!

II. Crowds moved Jesus to compassion.

When the missionaries returned Jesus took them to a quiet, lonely spot for rest. The group landed on the northeast shore of the Sea of Galilee.

When they got there a great crowd of people was on hand to greet the Lord. The needs of the people moved Jesus to compassion.

Crowds irritate and annoy some people. Jesus expressed his compassion by doing something — he taught the people many things.

The Church should be compassionate as Jesus, and get busy serving and teaching the masses.

III. Jesus showed concern for material needs as well as the spiritual.

When evening came, the disciples suggested that the crowd be sent home. Jesus told the disciples to give the people something to eat but they pleaded poverty, saying they did not have enough money to feed the crowd.

The miracle of the feeding of the five thousand is recorded in all the four gospels but only John tells the story of the boy with the five loaves and two fishes whom Andrew brought to Jesus.

With that boy's lunch, Jesus fed the whole multitude. A little, dedicated to the Lord, often becomes much.

Too often disciples say, "This is not possible"—forgetting completely the power of Jesus to do the impossible.

The Church is here to do the impossible. We talk much in these days about problems. In this story a problem was turned into a blessing—the hungry crowd was fed—the problem created an opportunity to minister.

It is the work of the Christian Church to minister to the needy and hungry people.

Today many have a hidden hunger—not for food that ministers to the body but for the bread that nourishes the soul for man cannot live by material bread alone.

Miscellaneous Shower Honors Miss Beth Lokers

Miss Beth Lokers was honored guest at a miscellaneous shower given at the home of Mrs. Walter Smith of Grandville on Friday evening.

A pink and white color scheme predominated the luncheon and decorations.

Invited guests included the Mesdames Harry Lokers, Bud Westerhof, Anne Dalman, Hazel Batema, Ben Shoemaker, Marlin Lambers, James Lambers, Gerrit Veenboer, Berlin Bosman, Howard Kooiker, Anthony Westerhof, Ben Westerhof, Randall Piers and William Randall.

Also invited were the Misses Merry Kay Westerhof, Sharon Westerhof, Vicki Lokers, Mary Jo Shoemaker and Carole Veenboer.

Unable to be present were the Mesdames Jud Essenburg, Jerry Essenburg and Robert Zynda from Angola, Ind.

Miss Lokers will become the bride of David Westerhof on March 1 in a ceremony to be performed in the First Christian Reformed Church of Zeeland.

County Juvenile Officer Accepts New Position

GRAND HAVEN—Arthur L. Olson, 30, Chief Ottawa County Juvenile officer for four years, has resigned, effective Feb. 8, he announced today. He has accepted a similar position in the Barry County Juvenile office in Hastings.

Mr. Olson and his wife and two children reside in Spring Lake. He is a graduate of Hope College where he majored in psychology and was a member of the varsity baseball and football teams. He is a native of Grand Rapids and has been active in the Second Reformed Church of Grand Haven.

Miss Lois Marsilje

Miss Marsilje Returning to Mission Field

Miss Lois Marsilje, missionary to India, who has been spending a furlough in this country, left today on her return to the mission station in India. She will depart from Idlewild Airport in New York City on Friday and following stopovers in Amsterdam, Cairo, Egypt, and Bombay, expects to arrive in Madras, India, on Feb. 13.

Miss Marsilje, daughter of Mrs. Minnie Marsilje of 147 West 14th St., was born in Athens, Ill., and later moved to Holland. She was graduated from Holland High School and Hope College and in 1934 took special classes in Bible at Western Theological Seminary. Her purses' training was received in Presbyterian Hospital School of Nursing in Chicago.

It was through a nurse in America, unconnected with the Reformed Church and who provided the funds for a short term, that Miss Marsilje was able to get her start as a nurse in India. She was appointed Dec. 8, 1938 and sailed the following month. As a short term nurse she was not required to learn the language, but in 1942 she was appointed as a full time missionary with assignment to the Arcot Mission. Her language study had to be fitted in as best it could.

In 1944 she returned to America for furlough and again in March of 1950. During her second furlough she worked for and secured her Master's degree at the University of Chicago. Her thesis was written on "The Preparation of Indian Nurses for the Teaching of Health to Patients."

Miss Marsilje's work has been mainly teaching the nursing students and supervising their work in the ward at Scudder Memorial Hospital.

Missionary zeal comes naturally to Miss Marsilje. Her grandfather was the Rev. Herman Vander Ploeg, one of the early Hope College graduates. Her mother is among the group of the first eight women graduates of Hope and her father, the Rev. Peter J. Marsilje, was a minister of the Reformed Church, later called into the Presbyterian Church. After graduating from Western Theological Seminary he worked with Walter Roe in Oklahoma, among the American Indians. He died when his daughter was still a young girl.

Miss Marsilje, who is still a member of First Reformed Church, and her mother were honored at a farewell service in First Church last Wednesday evening when about 200 members and friends attended. She showed slides of her work in the Scudder Memorial Hospital, her home base in Rani-pet, after which the group gathered in the Fellowship Hall for a social evening and refreshments. A gift was presented to Miss Marsilje.

Farewell messages may be addressed to Miss Lois Marsilje, Board of World Missions, Reformed Church in America, 475 Riverside Dr., New York, 27, New York.

Bucket Brigade?

Holland firemen went to fight a fire Tuesday — with a couple buckets of water. The seat of a car parked across from the fire station on East Eighth St. had caught on fire. Damage was estimated at \$10.

3 Juveniles Apprehended In Breakins

GRAND HAVEN — Sheriff's officers apprehended three 15-year-olds on breaking and entering charges during the weekend.

Two of the youths were charged with entering three cottages on Lakeshore Dr. north of Riley in the Holland area about two weeks ago. These cottages were owned by Clarence Calkins, Margaret Lievens and Robert Bennett. One cottage was completely ransacked but all missing articles have been recovered. The boys are from the Holland area, deputies said.

The third youth was apprehended Sunday after an alert neighbor took down the license number of a car at the E. N. Lindgren cottage in Port Sheldon Township which was broken into in the late afternoon. Lindgren's home address is 750 Columbia Ave., Holland.

County Extension Agent, 4-H

The Holland Style Revue Training meeting will be held on Feb. 5 from 4 to 6 p.m. at the Holland Civic Center. This meeting is designed to acquaint leaders and 4-H Club members with good grooming, posture, modeling, and to give them a chance to practice before the achievement days to be held in March.

Achievement days will be held in the different areas as follows: Holland District, March 20 and 21; Coopersville District, March 22 and 23; Hudsonville District, March 29 and 30. Further details on these district achievement days will be announced at the leaders' training meetings the later part of February.

We have just received a 4-H bulletin allowing clubs to participate in the safety activities, if they would care to participate. Safety activities are: fire prevention, prevention of falls, and accident reporting. Request forms for accident reporting kits are available by contacting our office. Leaders will be given copies of the safety activity bulletin at the next leaders' meeting, but if any clubs would like to work on it before that time, be sure to contact the 4-H Dept., Courthouse, Grand Haven.

The 1963 Hoard's Dairyman 33rd annual cow contest entry forms are available. Members will have five classes of cows to judge from pictures, giving a front, side and rear view of the animals. Members would place the animals in the classes according to order and write their reasons for placing them this way. This is open to 4-H Club members and 4-H individual members. For entry blanks, contact the Extension Office, Courthouse, Grand Haven, Mich.

Women Delighted by Talk About Other Women

"The Greeks had a word for it," and one special Greek, Prof. Andre Michalopoulos, had some excellent words about women "From Cleopatra to Mrs. Jiggs," at the birthday tea and program at the Woman's Literary Club Tuesday afternoon.

Previously Dr. Michalopoulos had spoken to the Century Club on Monday evening and to the Hope College students at an assembly program Tuesday morning, with definite success at both events. He was the only male at the Club Tuesday afternoon and as he said, he meant to be "entertaining rather than instructive." Naturally, when talking to women about women, he had an attentive audience, who in spite of some of the intonations, thoroughly enjoyed the talk.

Actually, Dr. Michalopoulos said, he was beginning much before Cleopatra. He said even on Mt. Olympus, Zeus had trouble with Hera. Then with Eve, she too, brought disaster to man.

The Greeks believed in the goodness of women. Hera or Juno was the goddess of the sanctity of marriage and the home. Athena was the goddess of wisdom and compassion. Even in ancient times of stress, man turned toward woman for comfort and understanding.

Women were an important part of life in ancient Greece, the lecturer said. The men were always ready for war and had no time for private affairs, so the women were the business managers of the home and were in charge of all the home affairs. They were without a vote, but "the murmurings of the bed-chamber" carried weight in the affairs of state.

Even the Olympian gods were playboys — the wife of Zeus ran her husband and so nagging was introduced to civilization. Cleopatra always raises the image of passion and love, Dr. Michalopoulos said, but actually she was a capable, calculating queen with

brother, Garrett Leisure in Los Angeles, Calif. since she returned here last week. Mr. Leisure was a former resident of the community of Leisure in Allegan County before he moved to California.

The Stuck family who occupied the home of the late Dr. E. T. Brunson, have moved to Water-vliet.

Terry Walters returned to his studies at Western Michigan University in Kalamazoo Monday.

The J. W. G. Club will meet with Mrs. Alex Foreman on Friday Feb. 8.

Mr. and Mrs. Orrin Ensfield, son Larry and mother Mrs. Bessie Ensfield spent Saturday in Kalamazoo with relatives.

Hour of Prayer and Study will meet Thursday at 7:30 p.m. at the home of Mr. and Mrs. H. Kirk Burd. The group will study the book of Roman's chapter 5.

Miss Ruthanna Alexander has returned to her studies at University of Michigan in Ann Arbor the weekend after spending a few days vacation with her parents, Rev. and Mrs. Henry Alexander.

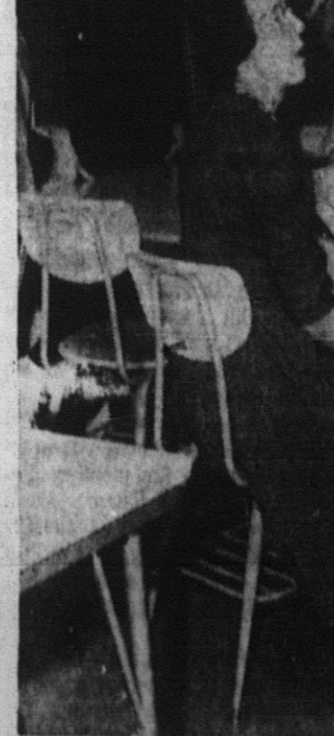

Miss Karen Margat returned to Western Michigan University in Kalamazoo after spending the mid-term vacation with her parents, Mr. and Mrs. Howard Margat.

Mr. and Mrs. Donald Brunzell and children of Holland were Sunday guests of her father John Stehle.

A vegetable-beef soup supper will be served on Wednesday Feb. 13 beginning at 5:30 p.m. in the Methodist church dining room by the W.S.C.S. women of the church. The public is invited. A free will offering will be taken.

Mr. and Mrs. R. Z. Bolles have returned from Tucson, Arizona where they spent several weeks with relatives.

Mrs. William Mosier who had spent several months in California, returned home last week with her son Harold of South Haven who had been in California visiting her and other relatives.

Talk by Officer, Film Featured at Optimist Meeting

Al Lucas, program chairman, introduced Jerry Lubbers of the local Police Department, as the speaker at the Holland Noon Optimist Club on Monday at their luncheon at Cumerford's Restaurant.

Lubbers said that in 1961 there were seven fatal traffic accidents in the Holland area, and in 1962 there were 1,193 accidents, 265 persons injured, with three fatalities, 75 per cent of these accidents occurring within a radius of 25 miles from home.

A film, "Broken Glass," was shown, concerning the use of seat belts as a means of safety precaution. He cited many accidents with major bodily injuries in this area within the last few years, many of which could have been avoided or alleviated had seat belts been used.

The Michigan Jaycees have adopted a "Seat Belt Program" as one of their major projects, information for which may be obtained from any of their members.

Robert Minnema was a guest of John Henry Jansen at the luncheon.

Program Given At West Ottawa By SPEBSQSA

A program ranging from gaily to "pathos" delighted more than 300 barbershop music lovers Saturday when they gathered in West Ottawa School Cafeteria for a concert sponsored by the Holland Windmill Chapter of SPEBSQSA and the West Ottawa School Choir. Tickets for a postponed December concert scheduled by the Windmill Chorus were honored at this program and part of the proceeds of the show will go to Prestatie Huis.

Roger Essenburg, president of the local chapter, served as emcee and introduced the program beginning with several numbers by the chorus.

The quartet portion of the program opened with Holland's newest barbershop quartet, the Kord-E. Natons, singing in true barbershop fashion, followed by a guest quartet from South Haven, the Insomniacs, who impressed the audience with their fine blend of music.

The audience applauded loudly when Holland's favorites, the Chord Counts, made their appearance after about a year of semi-retirement and presented their usual fine program, and the Extension Chords from Grand Rapids added to the enjoyment with their self-styled numbers.

Delighting the group were the numbers of the Tulip Towners, Sweet Adelines, under the direction of Phyllis Haringsma.

A quartet of "aged persons" known as the Gay Blades was a special treat as they appeared in tux and high hats and in slow and squeaky voice sang a "new version" of several popular numbers. The group included three members of the Chord Counts, Mike and Don Lucas and Jack Oonk, and a member of the Extension Chords, Sid Helder.

Bart Tillet of Grand Rapids, a member of the Windmill Chorus, entertained with a reading in Swedish dialect.

The program closed with the Windmill Chorus presenting a tremendous version of "The Trolley Song," and for encore the chorus, the Sweet Adelines and the visiting quartets presented the traditional barbershop song "Keep America Singing."

Members of the Extension Chords are Helder, Cal Verduin, Don Lucas and Don Hall. Marty Hardenberg, Mike Lucas, Chord Oonk and Jack Oonk compose the Chord Counts while the Gord-E. Natons are Ted Elzinga, Shirl Webster, Dale Bekker and Bob Von Ins.

Camp Fire Heads Change Program

Mrs. James Brooks and Mrs. Frank Gaisowski, co-chairmen of the program committee of the Holland Camp Fire Council, were hostesses to the committee at a dessert Monday at the home of Mrs. Brooks.

The committee as a whole evaluated the entire Camp Fire program from Blue Birds through Horizon. They decided that the Camp Fire program was top heavy with city-wide events and voted to eliminate several in favor of getting back to smaller group activities.

Members of the program committee will communicate this decision to the various segments of Camp Fire to follow through on the ideas in each group.

Attending the meeting were Mrs. John Caauwe, Mrs. Andries Steketee, Mrs. William Venhuizen, Mrs. W. R. Hornbaker, Mrs. Paul Klomparsens, Mrs. James Darrow, Mrs. Ed Schutt, Mrs. Robert Underhill, Mrs. William Hakken, Mrs. Albert Nutlie, Mrs. John Hudzik and the hostesses.

Maplewood School Vote Explained

Two propositions facing Maplewood area residents at a special election Feb. 18 were explained at a public meeting Thursday night in Maplewood School. From 35 to 40 attended.

Dale Mossburg, president of the Maplewood Board of Education, explained the situation confronting Maplewood school district residents who will vote on proposals calling for a \$228,000 bond issue to finance a new elementary school in the vicinity of 37th St. and Central Ave. and to vote six mills special operating for one year. The school bonds list 30 years but could be retired as early as 10.

The school election will be held in Maplewood School on the same day city primaries are held. The city election will be held in the regular polling places of the fifth ward in which Maplewood lies—Maplewood Christian School and Maplewood Reformed Church. The school election is held in the school because the school district boundaries are different from city boundaries. Because all city voting machines will be in use, paper ballots will be used in the school election.

Architect Howard Kammeraad explained plans for the new elementary school which he said is ideally located for the population in the district. It is not to be erected on the present Maplewood playground which lies to the east. The school development is planned on a 4½-acre site which the school board acquired some four years ago. The new site would eliminate bus transportation whereas the present site required 100 bus transportation since all or nearly all children must cross the busy highway.

School plans call for six classrooms, a library, gymnasium, offices and kitchen, placed in such a way that future expansion could easily be accomplished.

Mossburg explained that all these plans are part of a program working toward annexation to the Holland school district. He indicated it would be unfair to dump the district's problems and debts on the city district, and in proposing the two issues Feb. 18, Maplewood is following a pattern set by other school districts that have annexed to Holland district.

Gene Vande Vusse, local realtor, said that a new school centrally located aids materially to property values. He said many families hesitate to purchase homes in areas far away from schools.

Mossburg explained that the need for 6 mills operating for one year is needed to balance debts caused by sharp decreases in state aid for tuition students. Maplewood pays some \$64,000 a year for this service and state aid decreases will leave a \$24,000 deficit this year. This, he said, should be financed before the district seeks merger with Holland. The district currently levies 3 mills for operations. This would be eliminated. In time, Maplewood's tuition costs would amount to 10.6 mills.

Millage on the building will amount to 2.6 per year. All school millage is figured on state equalized values. In the case of Maplewood, 6 mills would amount to \$10.98 per \$1,000 assessed valuation and 2.6 mills would amount to \$4.76 per \$1,000 assessed valuation. John Weber and Gary Beckman, school board members, assisted Mossburg in the presentation. They pointed out that if the issues pass, the total school millage is still below debt and operations of most districts in the area.

Washington Cub Scouts Have Freedom Festival

The Freedom Festival theme, purpose of which is to help boys learn how their Cub Scout Promise will help to make them better citizens, was brought out at the Washington School pack meeting Tuesday night. As parents entered they observed a display of wooden wall plaques with the Cub Promise spelled out in alphabet scout letters.

The plaques were made by members of Den 5 including Ricky Kimber, Stewart Dinger, Jim Vass, Doug Brower, Douglas Smith and Ross Lamb. They also were in charge of games. A member of this den, Douglas Smith, received his Bob Cat award.

A skit depicting the lives of four famous men was presented by Steve Nies, Jeffrey Slag, Russel Dykstra and Kim Oudman who played George Washington, Abraham Lincoln, U. S. Grant and Andrew Jackson, respectively. The four, all from Den 1, made their own hats.

Den 2 was in charge of the opening and closing.

Cubmaster Robert Kole announced the Blue and Gold banquet to be held Monday, Feb. 23, in the Washington School gymnasium at 6:30 p.m.

Mrs. Warren Duell, 81, Dies in Douglas Hospital

FENNVILLE — Mrs. Warren (Clois) Duell, 81, of Fennville, died at the Douglas Community Hospital Friday afternoon after a long illness. She had lived in the Fennville area all her life.

She was a member of the Women's Society for Christian Service of the Methodist Church, the DAR, and the Radiant Rebekah Lodge. Surviving are the husband, Warren, and several cousins.

Holland Schools Discuss Unity

Hope College is taking a new step toward the advancement or relations between public and private or church related schools in the community.

At a banquet held last week in Phelps Hall, 14 educators representing four private schools met to consider the possibility of effecting an organization of all the schools in Holland—both public and private—whose purpose will be to solve common problems and work together for the good of all and the betterment of the community.

Schools represented at the invitational banquet were St. Francis de Sales Catholic School, the Seventh Day Adventist School, the Christian Schools and Hope College.

Although no formal action was taken, educators expressed much confidence that each school would benefit from this organization. A second meeting, to which representatives from the Holland Public Schools will be invited, has been set to establish a permanent organization.

Attending the first meeting were Alvin Brouwer, J. Robert Collins, Dr. Robert De Haan, William De Mott, Russel Fredricks, John Keuning, Msgr. J. A. Moleki, Mrs. Marcelline Moon, Dr. I. J. Lubbers, Miss Emma Reverts, Frank Schwarz, Mark Vander Ark, Gerrit Vander Borgh and J. J. Ver Beek.

Salvation Army Elects Officers At Board Meeting

New members and officers of the Salvation Army Holland-Zeeland Advisory Board were elected at the annual meeting Wednesday noon in the Hotel Warm Friend. Sandy Meek, vice chairman, conducted the meeting.

Walter J. Roper, chairman of the property committee, reported on the progress of the purchase of the old First Reformed Church for new Salvation Army headquarters. All necessary legal papers have been prepared and the transaction will be effected within the next few days.

Donald G. Cochran was re-elected for a three year term. New three-year members are Clarence Boeve of Zeeland, Ernest Post and Robert DeNooyer of Holland. William Sikkel, chairman of the nominating committee presented the names of new members and proposed officers.

Cochran was elected chairman; Hil Burma, vice chairman; Mrs. P. H. Frans, secretary and L. C. Dalman, treasurer.

New members and officers will take up their duties at the next regular meeting, Feb. 13, 1963. Sandy Meek, Mary Emma Young and Don Williams retired from the board and were commended for their generous help during the past years.

Little Maroons Win 10th Tilt

ALLEGAN — Holland Christian's reserve basketball team avenged an earlier defeat here Friday night by walling off the Allegan reserve squad, 59-31 to take their 10th victory in 14 starts.

Christian took a 7-0 lead at the outset and were never headed. The losers were bothered plenty by the Maroons pressing zone defense and never got an offense started. At the end of the first half, Christian led 14-7. The locals continued to pour it on to take a 37-14 halftime bulge.

It was pretty much the same story in the third stanza with Coach Elmer Ribbens club taking a 53-22 lead into the last period. He cleared the bench in the last period.

Tom Deur led the local attack with 15 points followed by Ed Zylstra, 10, Harold Alferink, nine, Paul Stegderga and Jack Kalmink, six each. Vic Sharda, five, Tom Weeden, four and Larry Klaasen and Del Langejans, two each. Tom Swope led Allegan with eight.

Daniel S. Conroy Dies in Allegan

ALLEGAN — Daniel S. Conroy, 64, former city councilman and department store manager, died Friday at Allegan Health Center.

Mr. Conroy had resigned as a city council member last fall due to illness.

A native of Ebsen, Kan., he came to Allegan in 1927 to open the J. C. Penney company store and served as its manager until his retirement in 1953. He was associated with the Penney company for 32 years.

Conroy was a member of the Blessed Sacrament church committee, St. Vincent De Paul Society, Holy Name Society, Knights of Columbus, Allegan Rotary, Elks Lodge, and for many years, was active in the Allegan County chapter of the American Cancer Society.

Survivors include his wife, Agnes, a daughter, Mrs. Blaine Dargemond of Ann Arbor; a son, Patrick, Pittsburgh; four grandchildren; a brother, Thomas of Beloit, Kan., and two sisters, Mrs. Lawrence Marley, Lincolnwood, Ill., and Mrs. Raymond Holzbach of Salem, Ohio.

The architectural term grotesque means a fanciful exaggeration of human or animal form used as a decorative device.

Panthers Receive First League Loss

EAST GRAND RAPIDS — West Ottawa's varsity basketball team was defeated Friday night 67-44 by a fired up East Grand Rapids squad.

East grabbed a fast lead early in the first quarter and never let up as they outplayed the Panthers in all departments.

East was hitting well in the first quarter and outthrust the Panthers to take a 17-10 lead. East's zone was very effective and the only thing that kept the Panthers in the game was the fine outcourt shooting of Tom Vitzthum and Duane Overbeek.

East's superiority on the boards was shown by the fact that they out rebounded West Ottawa in the first quarter 15-9. The Panthers were getting one shot and that was usually from outcourt.

The second quarter was pretty much a repetition of the first as the Panthers outscored, outrebounded and outshot the losers.

The Panthers were outscored 16 to nine and fell far behind at halftime, 33-19.

West Ottawa played fine ball in the third quarter as they took the

initiative and controlled the boards and got more shots than East. The Panthers came to within 10 points, but East was not to be denied as they increased their lead to 15 points at the end of the third quarter, 49-34. West Ottawa made 6-17 shots and East made 6-11.

The Panthers were able to come within 13 points in the fourth quarter but at the end it was all East as they moved steadily ahead with some excellent shooting. East made 9 of 15 in the last quarter to only 3 of 10 for the losers.

East, who came into the game with a 3-6 record, couldn't do anything wrong. It was a team effort all the way as can be seen from the balanced scoring. Dave De Fouw scored 16, Mick McCarthy 15, and Chuck Abbott and Hoefler each 13. East made 27 of 57 shots in the game for 47 per cent. East made 13 of 25 charity tosses.

West Ottawa was led by Tom Vitzthum who put on a tremendous display of outcourt shooting. Vitzthum made seven long shots from outcourt for his 14 points. The Panthers made 16-52 shots in the game for 30 per cent along with 12 of 25 free throws.

Roger Borgman led West Ottawa in rebounds with nine. The Panthers were not able to cope with East's overall height as 6'5" LeRoy Vedder didn't play because of the death of his father.

West Ottawa is now 8-2 for the season and still leads the Grand Valley with a 5-1 record. East is now 4-6 and 2-3 in league play.

The Panthers' 44 points was their poorest point output of the season after last week setting the school scoring record of 83 points against Godwin.

Big 2nd Half Gives Maroons 67-46 Victory

ALLEGAN — Holland Christian's basketball team came through with a 44-point second half here Friday night to take an impressive 67-46 victory over the Allegan Tigers before a capacity crowd of 1,400 fans.

Christian's win was one of the most decisive registered over Coach George Van Wagoner's team in many years. The Maroons now have an 8-6 mark while Allegan is 6-4, with two of the losses administered by the Maroons.

Coach Art Tuls' team came alive in the second half after a so-so first two periods and never let any doubt regarding the outcome once they made their move. Allegan with some heads up play and rebounding held the Maroons to a 23-23 first half standoff.

Christian came through with a 45 per cent shooting mark for the game with four of the five starters hitting double figures. Overall the Maroons connected on 25 shots out of 55 attempts, many coming from out. Allegan meanwhile took 74 shots but connected on just 18 of 24 per cent.

Allegan which had trouble with a Christian zone defense in the first game had more trouble with it Friday night. The active Maroon zone forced the Tigers into taking low percentage shots as well as intercepting numerous passes. The Tigers used a man to man for the most part but switched to a zone in the third period. They pulled out of it in a hurry as the locals tore it to pieces with some fine outcourt shooting by guard Tom Dykema, and forwards John Vander Veen and Ron Lubbers.

Vander Veen again led the Maroons rebounding corps as he repeatedly outfought bigger Allegan defenders for the ball. He was ably assisted by Lubbers and center Dave Tuls. The Tigers who more than held their own on the boards in the first half were paced by Mike Jones and Ray Mennega.

After a nip and tuck first few minutes of the game, the Hollanders led 10-8 at the 2:47 mark. Then with guard Don Kronmeyer and Lubbers leading the way, Christian moved out to a 17-10 first quarter margin. Guard John Irwin paced the Tigers with seven markers.

Christian's play became spotty and loose in the second period with the losers gaining the upper hand. Led by forward Allen Veenkant, the Tigers fought back to tie the count at 20-20 with 2:10 remaining in the half. But scored three more points to finish the half. Allegan attempted 24 shots in the period while the Maroons took only nine.

It was a Holland Christian team that meant business which opened the second half. After the count was knotted at 27-27, the Maroons made their bid and were never headed again. Four players scored

ed four points or more during the period as the Hollanders outscored the Tigers, 22-14 in the stanza. Christian led 32-27 midway in the period and boosted it to 45-37 going into the last period.

Christian kept the pressure on in the last minutes as they iced the win in a hurry. After four minutes, the Maroons led 57-41 and were looking stronger all the time. The Maroons capitalized at the charity stripe as the eager Tigers fouled in their efforts to get the ball. Christian hit 10 out of 12 in the last period from the free throw lane. With the count 63-46 and 1:23 left, Tuls inserted an entire new unit.

At the charity stripe, the locals hit a good 17 out of 22 tries while Allegan hit on 10 out of 22. Lubbers led the local scoring with 17 followed by Kronmeyer with 16. Veenkant paced the losers with 15 markers.

Christian entertains St. Joseph next Friday in the annual homecoming game in the Civic Center.

Dutch Drop 63-56 Game To Muskegon

Muskegon's basketball team took over second place in the LMCA here Friday as the Big Reds recorded a 63 - 56 decision over Holland before 1,700 fans in the fieldhouse.

Holland slipped to a three-way tie for third and the Dutch will have a battle on their hands next Friday at Grand Haven. The Dutch, Bucs and Muskegon Heights have 3-4 league marks. Grand Haven defeated Muskegon Heights, 59-52 Friday night.

Using the same tactics the Big Reds have displayed in winning five of seven league games, Muskegon again used a pressing defense, rough rebounding and good shooting.

Holland did manage to hold a lead for a few seconds, 47-46 with 1:38 left in the third period. But the Big Reds returned up the floor with the go-ahead basket and continued in front. The third period score was 48-46.

Muskegon pushed to an 11-point lead, 61-50 with 1:45 left in the game. It was highlighter by an

Weatherman Sees Two Months of Heavy Snow

Lake Michigan Is Blamed For Problem

GRAND RAPIDS (UPI) — Why not blame Lake Michigan for the snow miseries along its eastern shore. She's pretty vulnerable.

That's what Fred Baughman, meteorologist at the U.S. Weather Bureau here, is doing.

Baughman, however, is much more polite about it, he speaks in terms of the lake's "influence."

It seems certain that folks living along the lake from New Buffalo to Petoskey might view it differently, with a little more harshness in their voices.

Baughman's statistics are frightening and his crystal ball tells us to expect at least two months more of heavy snow in the west state area.

Muskegon, for example, already has accumulated 127.4 inches of snow this winter, shy of its all time record of 146.8 inches which fell in the winter of 1961-62. But remember Baughman's words—two months more.

Grand Rapids, although inland from the lake, unmistakably is feeling this winter's snowfall. The Furniture City's accumulated total this winter is 69.6 inches or two-tenths of a foot more than the average of past winters.

What explains this snow-drenching in West Michigan when, across the lake, Milwaukee, Wis., has suffered a total snowfall of only 15.4 inches this winter? Baughman's explanation: "This is the good influence of Lake Michigan. We have had a predominantly west or northwesterly flow this winter and during the past 15 days the daily average minimum in Milwaukee has been 14 below. In Grand Rapids, for the same period, it has been one above."

"The mechanism causing this excessive snowfall in West Michigan is the temperature on Lake Michigan which has averaged 33 above. With extremely cold air coming across the lake, this sets up a very strong convective."

County Road Commissioners see only red ink when looking at cost figures for snow removal.

The three hardest hit counties—Van Buren, Allegan and Ottawa—feel the financial pinch. They have already exceeded their budgets for snow removal and face the dreary prospects of "two months more."

The city of Holland was forced to buy a new snow-blower to keep city streets cleaned.

National Guard units in the west state area were activated to assist stranded motorists and provide shelter for them in guard armories along U.S. 31.

Get That Flag On Your Aerial Without Delay

Another day of little or no snow was a welcome relief to local residents long plagued by troubles associated with heavy snowfalls.

But the letup did little or nothing to alleviate the growing concern over intersection accidents brought about by lack of visibility because of high snowbanks on nearly all local streets.

Safety organizations again emphasize the need of flags, pennants (or something) on car aerials to give some signal of approaching traffic, as well as the necessity to slow down on through streets. In these days of critical visibility, there is little consolation to the accident victim to know he had the right of way. In short, travel on a through street these days does not give the motorist the right to clip along at normal speeds.

Owners of cars without aerials have shown remarkable resourcefulness in erecting standards or

even a branch of a tree with a pennant on top.

Remember to keep pennants high on the aerial. Those low down are no aid.

DEPARTURE ENDS ERA — Dr. and Mrs. Irwin J. Lubbers left Holland Saturday for DeMoines, Iowa, as Dr. Lubbers begins his retirement from the post of President of Hope College. "Retirement" for Hope's president of 18 years means another position with new responsibilities. He

Lubbers Family Leaves Hope College and Holland

The "Lubbers Era" at Hope College ended Saturday.

Dr. and Mrs. Irwin J. Lubbers left Holland for Des Moines, Iowa, There Dr. Lubbers will assume his new duties as President of the Association of Independent, Non-Tax Supported Colleges and Universities of Iowa.

It has been 18 years of progress for Hope College. During those years, enrollment went from 401 to 1,534. Three new dormitories and two new academic units were built, the gymnasium was completely rebuilt, and several other building renovations made. Another women's dormitory and a quadrangle men's dorm are nearing completion. And continuous curriculum study, additions and changes, have brought Hope to a place of recognition as one of the ten outstanding coeducational liberal arts colleges.

Born in 1895 in Cedar Grove, Wis., Dr. Lubbers received his early education at Wisconsin Memorial Academy, where he graduated in 1913. His first contact with Hope College was as a student; he graduated with the class of 1917.

Following graduation from Hope, he attended Western Theological Seminary and Columbia University, receiving his master of arts degree from Columbia in 1927. His Ph.D. from Northwestern University was conferred on him in 1931.

After serving in the U. S. Army Air Force in 1918, he was a lecturer in English at Voorhees College, Vellore, India, from 1919 to 1922. He returned to Hope as an instructor in English from 1923 to 1929.

From 1929 to 1930, he was an instructor in education at Northwestern University, before taking a post as assistant to the president and instructor in psychology and education at Carroll College. He was named president of Central College in Pella, Iowa, Hope's "sister college" in the Reformed Church, in 1934, and returned for his third and longest association with Hope as president in 1945.

The "Lubbers Era" began at an exciting time: the return of G. I.'s after World War II swelled enrollments, and foretold a new burst of interest in collegiate education.

In addition to coping with the demands of expanding educational needs, Dr. Lubbers labored to make members of the college community and the supporting constituency aware of their growing responsibilities.

Operating on his favorite adage that "times of crisis are also times of opportunity," Dr. Lubbers tackled the problem of inadequate facilities and staff. For a time, teachers taught and had their offices in classrooms, before offices could finally be provided.

In the first two years, the teaching staff had to be doubled, and a whole new administration built. Many members of the staff and administration who joined the college in those years remain today.

The years 1950-55 were years of appraisal and planning at Hope. The G. I. enrollment had crested, and even dipped during the Korean War. Problems such as site development and potential future resources concerned trustees and the administration. A chief question was whether to shift the college to another site, or develop around the existing plant.

The decision to stay on the present location led to the erection of Durfee Hall for women and the central heating plant. These followed in later years by the renovation of Carnegie-Schouten gym, the erection of Kollen Hall for men, the Nykerk Hall of Music, Phelps Hall for women and Van Zoeren Library. Gilmore Hall for women and the new men's quadrangle are scheduled for completion in time for use in September of this year.

While this was going on, Dr. Lubbers was improving and solidifying college-alumni and college community relationships. An alumni secretary and director were added to the staff, and the Alumni Magazine begun. The Women's League emerged to make contributions of furnishings worth more than a quarter of a million dollars, and to bring the college to the at-

tention of the Reformed Church constituency.

Hope College took the lead in cultural contributions to Holland. The Civic Music Association, now the Community Concert Association brought interested townspeople and Hope College people together to provide entertainment of the highest sort.

In the course of his administrative duties, Dr. Lubbers never forgot the students themselves. He became known to the student body as an inspiring counselor, and friend. The president's residence was the scene of many student gatherings, with Mrs. Lubbers as the gracious hostess.

Dr. Lubbers' frequent appearance before the student body at the morning Chapel exercises were always anticipated with pleasure. His habit of abruptly dismissing classes on the morning before Christmas vacation to permit students to get earlier starts to their homes was a wump that endeared him to the entire student body.

In addition to honorary degrees from Central College, Hope and Rutgers University, Dr. Lubbers has received many other honors through the years. Among them are Officer in the Order of Orange Nassau, from the Netherlands Government in 1947, Freedom Foundation Award in 1953, Vice President of the National Council of Churches 1960-63 and President of the North Central Association of Colleges and Secondary Schools, to which he was elected in 1962.

Mrs. Lubbers is the former Margaret Van Donselaar, a graduate of the Hope College class of 1922. Dr. and Mrs. Lubbers have two sons, Irwin J. Lubbers Jr., and Arend Don Lubbers, who now is president of Central College, where the Lubbers name is equally known and loved.

Dr. Calvin Vander Werf, President-elect, assumes his duties as Dr. Lubbers' successor in July. In the meantime, Dr. John Holtenbach, Vice-President of the college, is serving as acting president.

Slush Ice Again Blocks Harbor

GRAND HAVEN — A strong northwest wind shifting to southwest Monday has again plunged Grand Haven harbor with slush ice.

The Coast Guard said that the port is closed again to navigation. A visit by the tanker *Polaris* of South Chicago due in here Monday with a load of petroleum has been cancelled.

No vessel other than the Coast Guard Cutter *Mackinaw* has entered or left Grand Haven harbor since Jan. 18, the longest freezeup in 20 years. The Coast Guard Cutter *Woodbine* is at its dock at Escanaba Park here undergoing progressive maintenance work and will be back in operation Feb. 11.

The wind has also piled up ice at Ludington and for the first time in many years the powerful Pere Marquette car ferries are having trouble navigating Ludington harbor.

Theta Alpha Group Meets At Roy Arterburn Home

Members of the Theta Alpha Chapter of Beta Sigma Phi sorority were guests in the home of Mrs. Roy Arterburn at a business and cultural meeting Monday evening.

Mrs. Arterburn, president, conducted the meeting at which plans were made for a couples party to be held in March.

The program on literature was presented by Mrs. Arthur Flasek and Mrs. Paul Divida. Mrs. Flasek spoke on favorite stories and poems and asked each girl to tell what they enjoyed reading.

Mrs. Divida read a short story about Richard Wagner after which the group listened to recordings. Refreshments were served by the hostess.

Attending were the Mesdames Arterburn, Richard Brown, Gordon Cunningham, Divida, Edward Falberg, Flasek, Earl Hughes, Herbert Johnson, Robert Long, Stephen Sanger, Paul Disser and Fred Davis.

Seek Reports On Hunting At Swan Creek

FENNIVILLE — More than 500 overdue "seasonal" reports were sought today by Charles E. Friley, Jr., in charge of the Swan Creek Wildlife Experiment Station.

Friley explained that many hunters in southwestern and central Michigan get "seasonal" permits to hunt on the Swan Creek Wildlife Experiment Station each year.

"These are not the daily Highbanks hunting permits, but are for hunting on other parts of the station, along the Kalamazoo River, in the Ottawa Marsh and in the Kooptan Marsh for waterfowl, squirrels, partridge, rabbits and deer," Friley said.

The recipients of these permits are required to keep a record of their hunting activities on the experiment station and to report these activities after hunting is finished on a form they received for that purpose. Those who don't report as required will be denied permits next year, Friley reported.

More than a month after the reports are due at Swan Creek, Friley noted that one out of every four persons who secured permits has not filed reports. This totals more than 500 overdue reports.

"We will be glad to receive these required hunting reports within the next three weeks," Friley said. After that, all those who got permits and have not reported will be delinquent and will be denied season hunting permits in 1963," he said.

Reports should be sent to Friley, Swan Creek Wildlife Expt. Station, RFD No. 3, Allegan, Mich.

Garden Club Has Board Meeting

A meeting of the Holland Garden Club board was held Thursday morning at the home of Mrs. Edward Brolin, Columbia Ave. The board thanked Mrs. J. J. Brower and her committee, Mrs. Paul McIlwain and Mrs. William Winter for their work on the water and sewage ordinance which was passed by the Ottawa County Board of Supervisors.

Scholarships for Higgins Lake were discussed. Teachers in any school or any grade level who are interested in outdoors and natural resources are eligible. Dates for the course are July 14-20, July 28-Aug. 3, Aug. 11-17; Aug. 18-24.

This week of conservation study is not slanted toward nature study. Conservation department, university and college personnel, who work with the teachers attempt to give them a sound, thorough background for understanding the problems in the statewide conservation picture.

Mrs. Brolin was appointed to represent the Garden Club at the Community Ambassador annual meeting Thursday night in Herk Library.

Mrs. Leonard Dick of the Garden Therapy group announced a meeting will be held Monday at Jefferson School. Garden Club members are invited to participate.

Reservations for the Garden Club luncheon and meeting to be held next Thursday, Feb. 7 at the Woman's Literary Club at 1 p.m. must be made by Saturday.

Greek Professor Charms Century Club Audience

Century Club members and guests were taken on a long journey into the leisurely past of the classics of Homer and Virgil Monday evening and they enjoyed it. The Club met in Nykerk Hall on the Hope campus.

The speaker, Prof. Andre Michalopoulos, advisor to the Greek Embassy and professor of classical literature at Fairleigh-Dickinson College, told of his boyhood during a leisurely era when a person had time to get the education that suited his temperament, rather than, as today, rushing to get a degree and technical knowledge so he can get a job, rush through it, be forced into early retirement, supplanted by a younger man with more up-to-date technical know-how, relegated to a hard bench in St. Petersburg, Fla., with no background to enjoy anything but the perusal of the Miami Herald.

Prof. Michalopoulos, in looks and presence the very embodiment of the traditional Greek gentleman who spent his days discussing literature, politics, philosophy and religion, opened his talk with the admission that he was a romantic and the sensitive piano playing of Paul Lucas in the opening portion of the program had thrown him into a "cloud" and produced a climate for his thesis that the ancient classics are not dead — they are today as always the vitalizing force of our civilization — its standards and principles in society and politics.

To live in Greece is to live with tradition, he said. Athens is still a vigorous city; Mt. Olympus is still circled by clouds; the nature of the country, the contrast of line and color, the remains of Greek art in the temples such as the Parthenon make it very easy to believe the fantasies of the myths, as well as the lasting values, wisdoms and pleasures taught by them. This culture of Greece as described by Homer, marked by compassion, humanity, tenderness and the Joplatableness of war, made a perfect base for Christianity, and St. Paul and the other disciples used it, Michalopoulos said.

The speaker concluded that Civilization today is menaced from within by materialism and from without by ruthless barbarism. Fortunately there is a renaissance in the academic and business world in the revival of the teaching of the classics in very good translations in good liberal arts academies and colleges.

The selections played by Mr. Lucas were "Sonata in A Major" by Beethoven; "Intermezzo in E Flat Minor" by Brahms and Debussy's "Third Prelude." Mr. Lucas is from the class of Dr.

Fairly Lively Slate Shapes Up in City

A fairly lively slate shaped up for Holland city's spring elections as the deadline passed at noon Saturday.

Petitions have been filed for the following:

Mayor—Nelson Bosman, incumbent.

Councilman-at-large — Cornelius Huizenga, Ernest Phillips and John Van Eerden.

Councilman, 2nd ward — Henry Steffens, incumbent, Luke Kuna, Donald Stoltz, Bruce M. Raymond.

Councilman, 4th ward — Leslie Woltman, Henry Vander Plow, Eugene A. Vande Vusse.

Councilman, 6th ward — Richard W. Smith, incumbent, and Hazen Van Kampen.

Raymond filed his petitions this morning and Vande Vusse filed petitions Friday afternoon.

As the ticket shapes up, there will be contests in the Feb. 18 primary for councilman at-large in all wards. Only the second and fourth wards will have contests for ward councilmen since both have more than double the number to be elected.

Under the city charter, each

ward nominates its own councilmen but the entire city votes on the selections in the April 1 election. Councilmen are elected in the first, third and fifth wards one year, and in the second, fourth and sixth wards another year.

Holland voters also face a special school election Feb. 18. Those residing in the Holland school district will vote on a proposed millage increase of 2.5 mills for special operating. This issue is open to all qualified voters and is not limited to property owners.

Those living in Maplewood area will have their own school election, but this will be held separately in the school that day. All qualified voters in Maplewood area will vote on an additional 6 mills for operations for one year. Property owners will vote on a \$288,000 bond issue to finance a new elementary school.

Holland city voters will face choices for all city posts except that of mayor in the April 1 election.

Rogers Rolls Over Zeeland, 67-44 in Basketball Game

ZEELAND—Hitting 45 per cent of its shots, Grand Rapids Rogers basketball team stopped Zeeland, 67-44 here Saturday night for its 10th victory in 11 starts this season.

The setback was the ninth for Zeeland in 12 starts. The Chix return to Grand Valley League action Friday hosting Godwin in the Zeeland gym.

Rogers took a 17-13 first quarter lead and pushed the margin to 27-19 at half. The winners connected on 65 per cent of their shots in the third quarter and moved to a 47-32 advantage.

The third quarter was also Zeeland's best period as the Chix made 46 per cent of their shots. Zeeland hit 18 of 51 from the floor in the game for 35 per cent while Rogers had 28 of 62. At the free throw line, Zeeland had had eight of 17 and Rogers, 11 of 24.

Jack Kopenski led the winners with 20 while Phil Maatman had 13 for Zeeland. Gary Boeve and Stan Veenstra led Zeeland's rebounding.

The Zeeland reserves handed the Rogers seconds its third loss of the season, 51-43. Rick Van Kley and Ford Berghorst each had 12 for the winners.

Fiancee of Paul Harms Feted at Luncheon, Shower

Miss Ann Smith of Spring Lake, who will become the bride of Paul Harms on Thursday in St. John's Episcopal Church, Grand Haven, was feted at a luncheon and crystal shower Friday afternoon at the home of Mrs. Henry Maentz, 142 East 26th St.

Decorations throughout the rooms were carried out in pink in the flowers and candles.

Hostesses were Mrs. Maentz and Mrs. Peter Van Domelen of Holland and Mrs. William Tripp of Allegan. There were 24 guests present.

SOUTH BEACON — This photo of the south beacon on the farthest tip of the breakwaters of Holland Harbor was taken from the north signal tower, the edge of which is seen at right. To get these pictures of the ice-

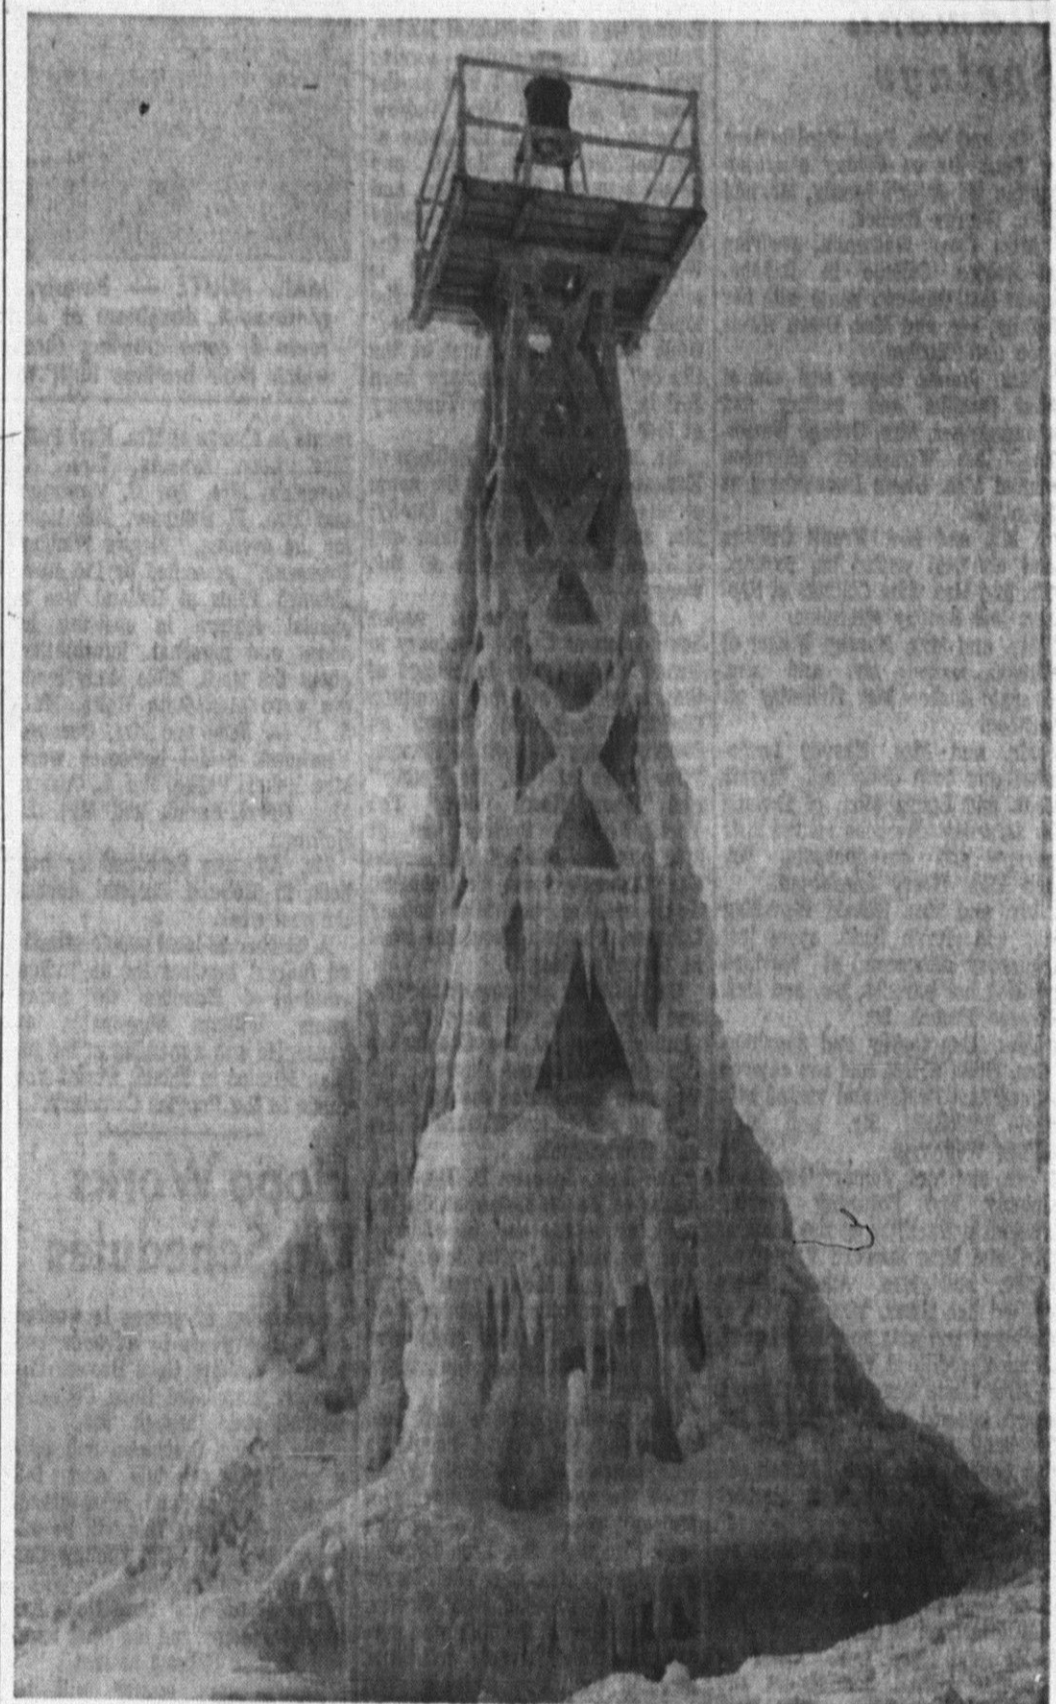

locked harbor entrance, a Sentinel photographer made his precarious way down the north pier from Holland State Park. There was no open water in the breakwater area the day these pictures were taken. (Sentinel photo)

YES, STRAIGHT UP! — Here is a worm's eye view of the ice-coated north signal tower on the Ottawa Beach side of Holland Harbor. Weeks of bitter cold weather coupled with winter storms resulted in coating all the steel girders of the harbor towers at the tip of the outer piers well into Lake Michigan.

The square is the platform for the beacon at the top. The sun was attempting to break through an overcast sky when this photo was taken, causing some bits of reflection on the ice.

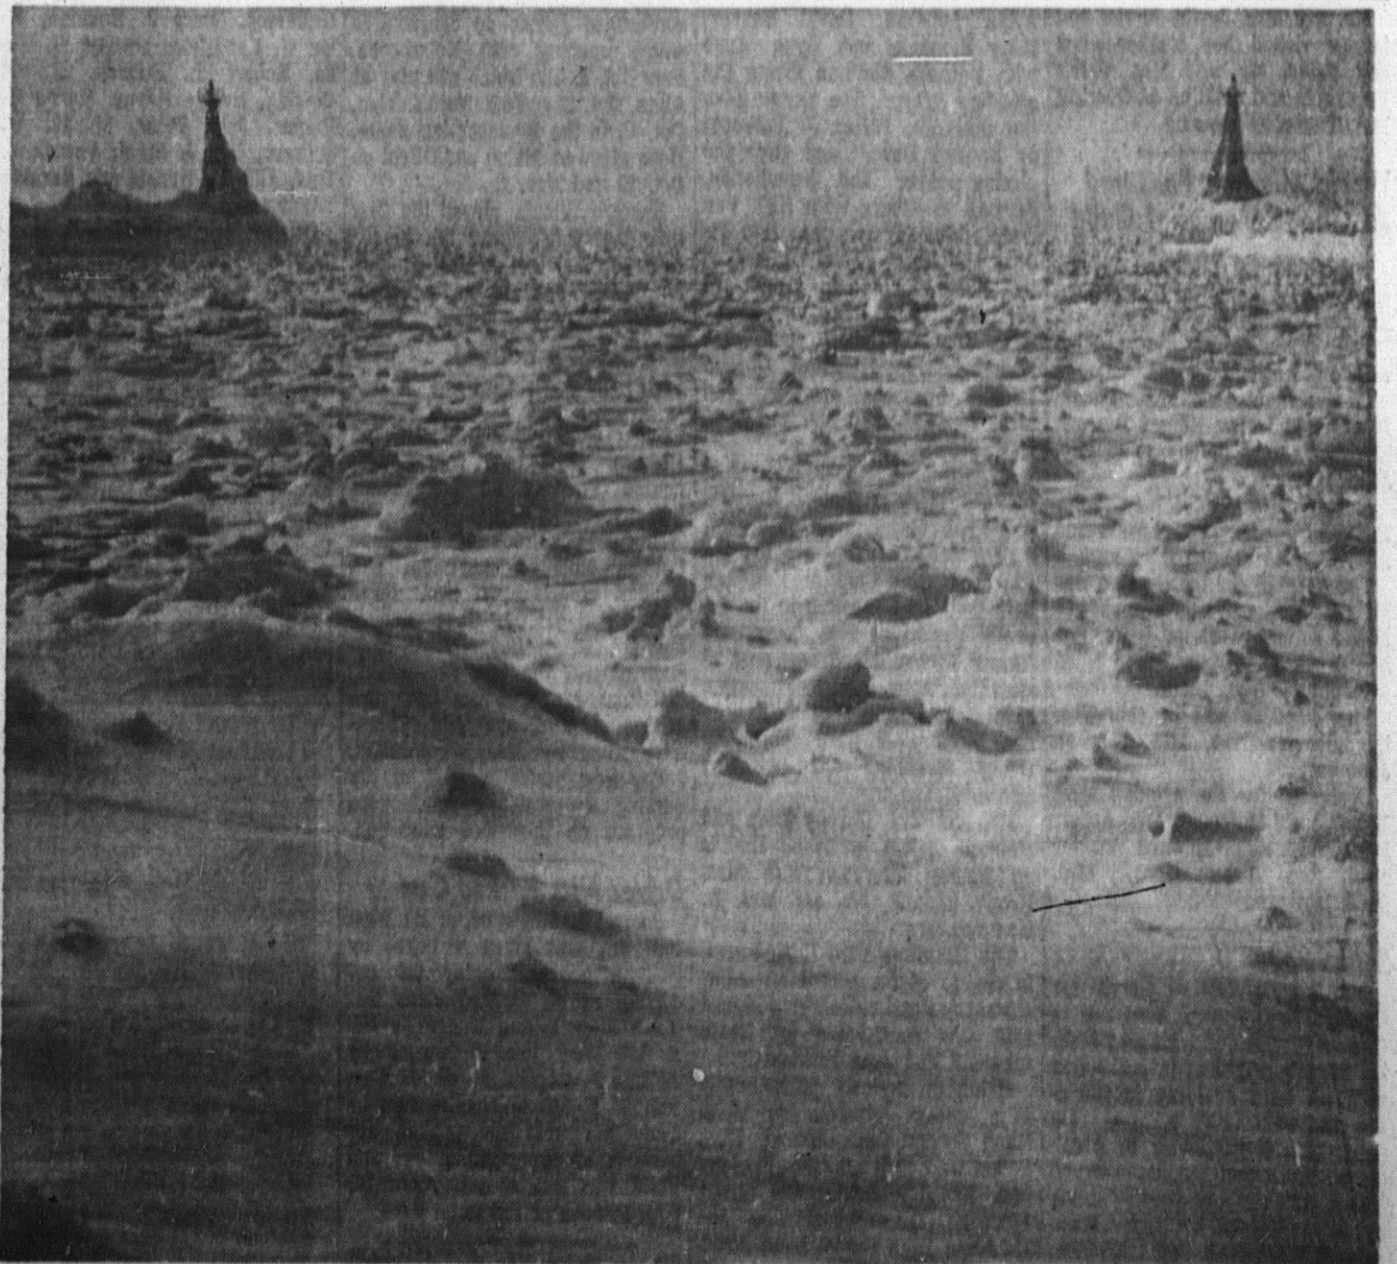

(Sentinel photo)

FAITHFUL SENTINEL — Despite icy gales and sub-zero temperatures, this beacon at the end of the north breakwater of Holland Harbor maintains its lonely vigil in an ice-

locked world, its steel girders coated with ice formed when churning seas hit high above normal levels. This tower in miniature might be executed with a pastry tube.

(Sentinel photo)

ALL ICE AND SNOW — Here is a view of the ice-locked Holland Harbor as seen from the inner channel piers looking west to harbor entrance. Ice deposits on outer piers are several feet high and the beacon towers are coated with ice, framing

a rugged picture of ice riigree. This picture was taken from the north side at Holland State Park. Because of precarious ice formations, adventurous persons are discouraged from venturing from shore.

Van Til Asks New Roads To State Parks

LANSING — State Rep. Riemer Van Til (R-Holland) Tuesday introduced legislation in the Michigan House of Representatives designed to establish nearly 15 miles of new state trunkline highway in Ottawa County.

The bill is one of the recommendations of the special House Committee on State Parks and Public Lands of which Rep. Van Til was chairman during the 1962 interim.

Rep. Van Til asks in the bill for an extension of highway M-104 from its western terminus at Spring Lake to the entrance of the Grand Haven State Park.

The bill also seeks an extension of highway M-21 from its western terminus at Holland to the entrance of the Holland State Park.

Rep. Van Til said that studies of his committee showed that more than one million persons annually are using the Grand Haven park and just under one million persons are using the Holland park each year.

While the sections of the present roads into these parks are maintained now by the county road commission, the traffic on the roads is primarily inter and intra-state traffic.

The bill sponsored by Rep. Van Til would put the roadways under the supervision and maintenance of the State Highway Department.

COLLEGE GETS GRANTS — Dr. John Hollenbach, acting president of Hope College (left) accepts a \$1,500 check from James Davidge, representing the Shell Companies Foundation.

Two Ballots In Maplewood School Vote

The school vote for Maplewood residents Feb. 18 will have two ballots, one to approve a \$288,000 bond issue for a new elementary building and the other to vote six mills special operating for one year.

The Maplewood School board feels approval of these two millage votes may be cheaper than not approving them. Maplewood district does not have its own high school and therefore must pay tuition to someone else to teach their high school students. In the past the state has reimbursed school districts for a part of such tuition expense, but this year the state has sharply reduced this figure (\$23,000 less) and it is anticipated it will be reduced further later in 1963.

Board members say if Maplewood continues to be outside a high school district, it will have to pay the tuition by itself from increased taxes, and it would require 10.6 mills to pay this year's tuition expense of \$64,670 based on the district's present valuation. The state is reimbursing Maplewood approximately \$6,240 this year, or the equivalent of 1 mill.

To join a high school district, Maplewood should have its operating debts paid. Because of the drop in tuition reimbursement, the Maplewood board anticipates a deficit of \$24,000, which is what the 6 mills would be used for.

Approving the bond issue Feb. 18 means Maplewood can have a new elementary school in operation in 1964 in the geographical center of Maplewood district at a cost of 2.6 mills a year.

If the vote is defeated, the board said Maplewood can still annex to the Holland school district but then would have to share in the high school debt which is 2.58 mills (1960 bond issue) and Maplewood would not have its new building, and not know when such a building would be built or where it would be built.

The school vote will be held Feb. 18 in Maplewood school. Paper ballots will be used since all voting machines will be in use in the primary election that day. School boundaries are different from city boundaries in that area.

Shell Grants Given to Hope

Three \$500 grants, designated as Shell Assists, have been received by Hope College from the Shell Companies Foundation, it was announced today by Dr. John Hollenbach, acting president.

The first \$500 grant is for unrestricted institutional use. The second and third \$500 grants are for encouraging additional professional development of the individual members of the faculty and will be used by the chemistry, physics and mathematics departments of the college as requested by the foundation.

The Grants were presented personally by James Davidge of the Shell Oil Co. district office in Grand Rapids last Friday.

In accepting the gift Dr. Hollenbach said "Your program of assistance to college is most imaginatively planned and gives to the college administrators and staff the psychological lift which is so often needed, as well as the financial needs to carry out some special programs."
