Bay Casting Co. Closes March 2

Employees at Bay Casting Co., some with as much as 30 years experience with the firm and its predecessors, were told Friday the casting plant was closing permanently March 2.

The announcement was made following a meeting between officials of Gulf & Western, the parent firm, and officers of United Auto Workers (UAW) Local 406. Bay Casting is located at 338 West 12th St.

The firm cited a "general decline in the decorative zinc die casting business" for the closing.

Gulf & Western operates oth-

er plants in Michigan but officials did not mention the possibility of offering Bay Casting workers employment in other divisional plants.

The closing of the Holland plant would affect about 350 workers, personnel director Pat R. Nordhof said.

Nordhof said the plant had been operating recently on a four day week.

In making the announcement, company officials said the decorative zinc die casting business has declined in recent years for various reasons. One of the reasons was the "development of plastic as a substitute for die cast parts and the elimination of die cast parts in new model automobiles."

"We have been studying the matter for a number of weeks," said E. L. Rupersburg, general manager. "Unfortunately, there is no escaping the hard fact that the work for which this plant is equipped is on the permanent decline. We deeply regret that it has become necessary to take this step."

Fire Station Contract Is Awarded

Lamar Construction Company Inc. of Holland was awarded a contract to build the first new fire station in the city since the 1880s. Council Wednesday approved the Lamar bid of \$113,659, lowest of eight submitted, for construction of a modern facility at the northeast corner of 32nd St. and Waverly Rd. to house a truck and about a dozen firemen.

Completion is scheduled within 200 days.

Councilman Lamb, chairman of a Fire Station Committee, said the contract excluded land, furnishings and architects fees. The new station will service the Holland Heights area, the industrial park and the southern regions of the city.

Plans call for operations of the fire station on West Eighth Street to be transferred to the new facility.

The two existing fire stations on Eighth Street date back to the 1880s. Holland acquired a more recent fire station in Central Park through annexation.

Council granted variances from fire district requirements to Edward Neuman with respect to construction of an addition to a car wash at 975 Washington Ave. and to Reliable Dodge of Holland with respect to constructing an automobile dealership building at the southeast corner of Central Ave. and the US-31 bypass.

No objections were heard at a public hearing on the applications for the variances.

Council adopted a Hospital Board recommendation upgrading the pay range of the laundry supervisor.

The 76th annual report of the Board of Public Works for the fiscal year 1968-1969 was received by council and filed.

Council received with thanks books to Herrick Public Library in the memory of Mrs. Maud Westveer from the following: Mr. and Mrs. Ivan Bosman, Mr. and Mrs. Nelson Bosman, Mr. and Mrs. Elmer Bosman, Dr. and Mrs. Walter Peterson and Mrs. Susan Dykema. Also accepted was a book from the Tulip City Rock Club.

The following gifts to Holland Hospital were received with thanks: Resuscitator valued at \$228.50 and three wheel chairs valued at \$438 from the Martha Kollen Guild; a Christmas tree for the north lawn from the Park Department; \$300 from the Holland Evening Sentinel; 60 Sentinel subscriptions for patients from various businesses; 25 shares of Lear Siegler Inc. stock valued at \$497 from Clarence Becker; expense of landscaping a small courtyard from the Holland Garden Club.

Council also acknowledges with thanks the following gifts for Windmill Island:

A 250-year-old framed map of the City of Amsterdam from Louis Padnos foundation; an authentic Dutch sweepstool built and financed by Carter Brown; four Old Testament Bibles printed in 1762 from the Christine Van Raalte Quakers Group; an antique hand sewing machine 150 years old from Fenstermacher's Sewing Center; a hand wheat cutter 70 years old from the Netherlands donated by John Roeters; a mannequin used in the post-house to display a Dutch costume of the 1700s from Floyd Folkert, manager of the J. C. Penney Store.

The city clerk reported claims against the city from Moore Shoes, Eleven East Eighth St.; Jack Faber, 127 Euna Vista Ct.; Mrs. Joseph Capizzi, 1381 West 32nd St. and William A. Sikkil, 349 Wildwood Dr. All were referred to the city's insurance carrier.

Certifications presented by Councilman Alvin Dyk of Holland Litho for \$34.43 in purchases by the city manager and engineer and from Councilman Lamb of Lamb Inc., for \$334.64 in purchases by the Cemetery department and city engineer were submitted to and confirmed by council.

Arraign Holland Man In Grand Haven Court

GRAND HAVEN — Darrell Stremmer, 28, of 684 Bosma St., Holland, was arraigned in District Court here Tuesday on a drunk driving charge to which he pleaded guilty and paid \$75 fine and \$75 costs.

The charge was made following an accident on US-31 north of Beeline Rd. Saturday when his car, allegedly traveling at a high rate of speed, went out of control, left the road and rolled over, coming to rest on its top in a ditch containing four feet of water.

Rural Fennville Man Dies in One-Car Accident

ACCIDENT SCENE — A young father of two children was killed when pinned under the front seat of his car after it went out of control and rolled over on Lakeshore Rd. at Butternut Dr. at 6:51 p.m. Sunday. Thomas W. Cullen, 25, of route 2, Fennville, was pronounced dead on arrival at Holland

Hospital. The driver, Glenn Molter, 23, of Zeeland, who was not injured, is being charged with manslaughter, according to Ottawa county sheriff's deputies. Three others in the car received only bumps and bruises. This picture was taken after the car had been righted.

A young rural Fennville man was killed and three others injured when a car driven by Glenn Molter, 23, of 224 North Woodward Ave., Zeeland, went out of control at 6:51 p.m. Sunday on Lakeshore Rd. at Butternut Dr. in Port Sheldon township.

Thomas William Cullen, 25, of route 2, Fennville, was pronounced dead on arrival at Holland Hospital. According to medical examiner Dr. William Westra Jr. of Holland, death was due to suffocation from neck injuries.

The other three passengers, Jane Kruid, 22, and Nancy Sternberg, 20, both of 580 West 23rd St., and Bobby Cullen, 28, of 172 West 30th St., brother of the deceased, were taken to Holland Hospital and released after treatment for bumps and bruises.

Ottawa county sheriff's deputies said a warrant charging Molter with manslaughter was authorized by Assistant Prosecu-

Thomas William Cullen

tor Max Murphy Monday. Molter, who was not injured, was being lodged in the Ottawa County Jail.

YES, BELOW ZERO — At 7:30 a.m. Wednesday the temperature sign downtown stood at 3 degrees below zero as daylight broke in the city. Later in the morning it rose to 5 above but most residents agreed it was a good day to remain

indoors. Predictions call for slightly warmer and more snow. Another 4.7 inches fell Tuesday, putting ground deposits at seven inches.

More Snow Falls; Few Schools Close

Another 3.8 inches of snow fell in Holland Wednesday and, fanned by strong winds overnight, created a lot of road problems by morning.

But in the city, street department equipment curbed the snow and private jeep operators were busy again plowing out drives. Snow on the ground measured 10 inches.

Among schools closed today were Hamilton public schools, St. Peter's School of Douglas and Robinson School in the Grand Haven district.

Hazardous roads made travel difficult early today and Grand Haven state police counted 15 cars in the ditch along I-96 from the Kent county line to Nunica.

Bright sunshine at mid-morning helped clear city streets. The temperature at 11 a.m. was 23 degrees, a sharp contrast to Wednesday morning when a low of -6 was registered. Predictions called for cloudy skies and possible snow tonight and Friday, with not much change in temperature.

Season's snowfall in Holland through January totaled 102.5 inches, according to Weather Observer Lynn P. Wheaton. This listed 21 inches in November, 14.9 inches in December

and 66.6 inches for January. The January snowfall is considered a record for Holland. The only other record of such volume was 66 inches in December, 1963.

Snow covered the ground in Holland throughout February although the blanket reduced to four inches the last day. Heaviest snowfall in a 24-hour period was 9.5 inches Jan. 2.

City Collections For Fall Taxes At 57 Per Cent

The city treasurer's office to date has collected \$495,185 in fall taxes, or 57 per cent of the total levy of \$872,711.86.

City Treasurer Jack Leebouts said the deadline this year is Feb. 14. Thereafter a 3 per cent penalty is added through Feb. 28 when the books will be returned to the counties and an additional 1/2 per cent added each month.

Dog licenses also are available, listing \$1 for males and unsexed and \$2 for female dogs in the Ottawa county section of the city and \$2 per dog in the Allegan county section.

School District Millage Questions and Answers

Editor's note: Here is information prepared by the Board of Education concerning the special millage election Feb. 16 calling for 3.75 mills for operations for one year.

1. When is the election? Monday, Feb. 16.

2. When will the polls be open? Polls will be open from 7 a.m. to 8 p.m.

3. Where do I vote? Where you vote for regular elections.

Absentee voter ballots may be obtained from the office of the city clerk until 2 p.m. Saturday, Feb. 14.

4. What is the purpose of the millage election Feb. 16?

The purpose is to secure voter approval to increase the school tax rate by 3.75 mills for one year. This amount will be used for the operation of the schools.

5. How much extra voted operating millage is presently being levied?

In a 1968 election school district voters approved a 10 mill extra voted operating levy for five (5) years which expires in 1972.

6. Why is the millage increase being voted for one (1) year only?

Gov. Milliken has proposed a broad reform in K-12 education. A significant part of his proposal is concerned with financing and with fiscal reform relative to the cost of education. A one-year period was set for the millage proposal because, hopefully, tax reform that is now in the Legislature will become effective by 1971.

7. Why is a tax increase necessary at this time?

Revenues from state and local sources have not increased as fast as the expenses required to operate the schools. While there has been a tight control on school expenditures, costs of instructional materials, supplies and services are constantly increasing. Additional income is also needed to improve the instructional program for boys and girls.

8. What improvements will be made with the additional millage?

A. All elementary book rental fees in grades K-6 will be eliminated.

B. Additional elementary staff will be provided in some of the special service areas. (This could include teachers of library, art, music, or physical education.)

C. The junior high staff will be enlarged, thus giving students greater individual attention.

D. An expanded junior high school science program will be offered. At present no 8th grade science course is available.

E. Staff and equipment will be added to enable high school students to have a power mechanics course.

"These items were recommended by the 'U. of M.' Survey Team.

9. Are there additional income requirements?

Yes, to meet the following needs:

A. The increased cost of instructional supplies, school equipment, and services.

B. The increased costs of operating and maintaining 23 school buildings, which house 5,475 students.

In addition to the regular school-day use, many of these facilities are used evenings and during the summer months for adult education, community recreation, and summer school programs.

C. The quality of education depends upon the quality of the teaching staff more than on anything else. In order to attract and maintain a high calibre teaching staff, it is important that our salary scale continue to be competitive with those of

other districts in our area.

In addition to the professional staff, some 35 employees maintain school district buildings and grounds that are safe, clean, and conducive to learning for boys and girls. Some 15 full and part time clerical employees perform all accounting, clerical, and secretarial services for the district. Again, competitive wages are necessary to attract and retain employees who perform these auxiliary services.

10. How does the school tax rate in Holland compare with rates in other Ottawa County (Kindergarten thru 12th grade) School Districts for the 1968-70 school year?

Holland has the second lowest grand total school millage of all nine K-12 districts in Ottawa County.

11. How much will the increase cost me?

The increase costs \$3.75 for each \$1,000 assessed valuation. Property assessed at \$4,000 will cost \$15; at \$10,000 \$37.50.

12. When will the additional 3.75 mill levy for one (1) year be collected?

For Holland City residents — summer 1970.

For Township residents — winter of 1970-71.

As a result of the University of Michigan School survey, the Holland Board of Education has during the past year become acutely aware of the needs of the school district. The proposed millage meets only a few of the needs brought to the board's attention. The board continues to be dedicated to the concept of providing a well balanced educational program, within a balanced budget, devoid of frills.

Two Cars, Train Crash at Crossing

No injuries were reported in a collision Tuesday at 9:44 p.m. involving a C&O Railway train and two cars.

Holland police said the train was northbound on the Allegan tracks at 32nd St. when a car operated by Ruth E. Rabbers, 27, of 4655 52nd St., crossed the tracks eastbound on 32nd St. and was hit by the engine. Her car then collided with one operated by Michael Boeve, 25, of 6443 Spruce Ln., heading west on 32nd St., police said.

Holland police cited Mrs. Rabbers for failure to yield the right of way. Police said the train engineer, Eugene Wierma, of 1125 Legion Ct., told them he sounded his horn and attempted an emergency stop but could not avoid the collision with the auto.

Board Of Review Gets Night Hours

A change in the hours of the Board of Review was approved by city council Wednesday to allow an evening session for citizens.

The evening session is planned March 5 from 7 p.m. until 9 p.m. The change in hours was coordinated with the chairman of the Board of Review who expressed a need for evening hours, city manager William Bopf said.

Council also adopted a resolution concerning the announced closing of Bay Casting Co., a firm that has operated in Holland for more than 30 years. The resolution pledged the "cooperation and encouragement" of the city if and when the firm plans to reopen the facility.

A communication from the Ottawa County Committee for Keep Michigan Beautiful Inc., suggesting the city purchase Fight Litter decals was referred to the city manager.

Council adopted a city manager's report on a communication from the Liquor Control Commission with respect to a request from May Kooyers to drop Raymond F. Warren estate. May Kooyers administrator, and add May Kooyers, guardian for Sandra Warren, minor, and Ann Warren on the 1969 SDD-SDM licensed business at 405 Columbia Ave.

The city manager's report on renewing existing liquor licenses was adopted. Reports from the city sanitarian, chief of police and treasurer indicated no objections.

The city clerk reported receipt of the following for the police department as a result of speakers programs on narcotics: \$15 from Hope Church Guild for Christian Service; \$10 from Beechwood Guild for Christian Service; \$10 from Trinity Reformed Church Couples Club; \$10 from Kings Daughters of Pine Creek Christian Reformed Church.

An application from the Holland Co-op for a permit to install two gasoline storage tanks and a pump island with two pumps at 88 East Seventh St. was referred to the city manager for study and report.

A notice from the Michigan Public Service Commission advising that a hearing was scheduled Feb. 23 in Lansing on a petition of the C & O Railway to discontinue trains 19 and 20 between Detroit and Grand Rapids was received and filed.

Mayor Nelson Bosman presided at the council meeting which lasted about 70 minutes. All councilmen were present with the exception of councilman Jacob W. Smith whose absence was excused. The Rev. John J. Kenbeek, retired, delivered the opening prayer.

Demands Exam On Assault Charge

GRAND HAVEN — Roger C. Knutson, 21, of Spring Lake, demanded examination Tuesday on a charge of felonious assault at his appearance in District Court before Judge Gerald J. Van Wyk of Holland, sitting for Judge Jacob Ponstein who was ill.

Knutson was remanded to the Ottawa County jail in lieu of \$2,500 bond.

Grand Haven city police arrested Knutson in connection with an alleged offense involving a Grand Haven High School senior girl Jan. 29.

Police said the girl was entering her car after a meeting at the school and a subject grabbed her and held a jackknife to her head, forcing her to drive to a factory parking lot nearby.

Police say the girl was able to jump out of the car and flee.

GE Strike Ends: Workers to Return

Holland General Electric third shift employees will report workers returned to work at 11:36 p.m.

Striking union employees at the Holland General Electric plant voted Tuesday to return to work, accepting a national contract offer by an overwhelming 93 per cent margin and a local contract by a 60-40 per cent margin.

The announcement was made by Donald Boerman, president of Local 931, International Union of Electrical Workers which claims 1,100 members at the Holland Hermelic Motor Department.

Of the acceptance of both national and local contracts, Boerman said he was "surprised."

"I think we are going to have some problems but if management lives up to its word that the company will negotiate the local issues I think it will work out okay," Boerman added.

College Organizes Ecology Institute

Hope College announced Tuesday formation of an Institute for Environmental Quality to attack pollution problems in Lake Michigan and Western Michigan by encouraging scientific research and providing a forum for public information and discussion.

Initial efforts will stress the study of chemical, physical and biological pollution of the environment. The Institute will also consider the economics of pollution and the morality of man's relationship to his surroundings.

The institute will offer a unique system for study because of the College's close proximity to Lake Michigan. Many of the activities of the institute will originate from Marigold Lodge, the new research and conference center located on Lake Macatawa which was recently presented to the College by Miss Mary Jayne Gold.

The study will begin with a detailed investigation of the Black River watershed, Lake Macatawa and adjacent Lake Michigan.

The project will utilize the 35-foot research vessel "Infinity Hope" which was donated to the college by Holland businessman Edwin Raphael for educational and research purposes. It is equipped for geological, chemical and biological sampling.

With initial funds from the Holland Garden Club and Thermotron Corporation of Holland a public conference in environmental pollution is planned for early May. The conference will feature scientists, government officials and representatives from business and industry according to Dr. Donald Williams, a member of the Hope chemistry faculty who is coordinating efforts of the new institute.

"While it is too early to assess the total impact that the institute will ultimately have on Western Michigan, it is hoped that this effort will act as a catalyst in stimulating public and private officials to take a greater interest in combating environmental pollution," said Dr. Williams. "It is also the hope of the scientists to determine new ways to combat and alleviate the problem."

Not only is Hope qualified for this effort by its location, but several of its faculty have research experience in this area. Dr. David Klein, professor of chemistry, has just returned from the Scripps Institute of Oceanography in California; Dr. Eldon Greij of the biology department is an ecologist who is particularly interested in the way pollutants become involved in food chains and their ultimate effects on man; and Dr. William French, assistant professor of geology, was formerly associated with the U.S. Naval Oceanographic office.

The Red Roses of Holland Heights Blue Birds met at the home of Mrs. Hann on Jan. 26. We learned some new songs. Mrs. G. Cook Receives European Summer Award

A trip to Europe is on the agenda this summer for a Zeeland High School teacher from Holland who has received a scholarship award from the Herman Miller Co., Zeeland, to spend a portion of the summer in Europe for study and travel.

Mrs. Gerard Cook, 973 Bluebell Ct., who has taught English literature and French in grades nine through 12 in Zeeland for the past 13 years, will leave in June to visit France and England. She will return in August.

Mrs. Cook will spend the greatest amount of time in France in an attempt to gain a more intimate knowledge of the country, its people and the language to bring back to her language classes. She will also visit areas in England which have served as background or as inspiration for the literature she teaches.

Herman Miller Co. makes the \$2,000 award every two years to a selected teacher in the Zeeland Public School System with the intent of enabling the individual to bring back to the classroom and community an insight into a foreign land and its people, of allowing an individual to represent his community and the country to further world understanding, and of encouraging travel.

Recipients of the award are encouraged to plan their own itineraries, rather than take guided tours, in an attempt to get the feel of the country as it is rather than as it is described on planned tours. It is hoped that in this way the teacher will become acquainted with the people and how they relate to and see their homeland.

In order to be considered for the award, which has been awarded for eight years, the teacher must file an application

stating where he would like to go and what he would like to accomplish. Following a personal interview, the award recipient is selected by a committee composed of two members of the Hope College faculty, one school board member and one representative of Herman Miller.

The amount of the award is such that the recipient may take along a traveling companion and Mrs. Cook has chosen to take her mother, Mrs. Vern Bush, 796 Howard Ave. Mrs. Bush, a native of Besancon, France, came to America as a war bride after World War

Cherry Lane PTA Hears Talk on Speech

Norm Collins addressed the Cherry Lane Co-operative Nursery School PTA on the prevention of speech disorders on Monday evening. Slides and a movie accompanied his talk.

Collins is from the Developmental Language and Speech Center of the Kent Intermediate School District. He emphasized the importance of the parents' teaching role in the child's pre-school years. He pointed out that many children begin school with poor speech, that language and speech abilities are learned during pre-school years.

Workshops are being held for adults to learn more about speech and language development. Interested persons are invited.

Coffee and cookies were served after which a business meeting was held.

Applications are being taken for the fall term. The child must be three years old by Sept. 1 in order to be accepted.

Fails to Yield Way

Hazel Janssen, 46, of 3537 96th Ave., Zeeland, was ticketed by Ottawa county sheriff's deputies for failure to yield the right of way after the car she was driving collided with a truck driven by Henry Hoffman, 43, of route 2, 80th Ave., Zeeland, at 11:43 a.m. Saturday on 96th Ave. north of Riley St. Neither driver was injured, deputies reported.

Ottawa county sheriff's deputies cited Starrett for careless driving.

Motivational Film Shown Early Birds

Chamber of Commerce Early Birds were given the one-two salesman pitch in a 30-minute film "Second Chance" by Vince Lombardi at breakfast Tuesday in Hotel Warm Friend.

Strictly a motivational film, not a football documentary, Lombardi who holds a law degree and a chemistry major as well as his football coaching triumphs applied the same concepts to the business world as to football.

Outlining his philosophies for a fumbling salesman, Lombardi drove home such points as good physical conditioning and good mental attitudes, adding that success is 75 per cent mental.

"In business as in sports, we must play every game to win. And when we lose we have post game reports and if every player played the best he could, I can't fault him. We study the competition, follow a man-to-man analysis and know all there is to know. Then we put it into a computer."

The phenomenal record of the Green Bay Packers winning five world championships in eight years, three of them consecutively, was cited in the film against a background of football action.

Lombardi said it was pride and confidence which won the crowns, plus Spartan sacrifice and self denial and 100 per cent effort at all times.

"Football is a game of inches and it's inches that make the champions," he said. "It's religion, family and the job you have that are the most important things in the world."

A player added that Lombardi demands more of himself than any man on the team.

Chester Kuiper presided and William Sikkil introduced the film.

ANY SUNSHINE THERE? — The Sentinel's groundhog burrows into the Old Farmer's Almanac to see whether he will see his shadow on Groundhog Day. But the book points only to a windy gale the first four days of February, plus cold stormy weather the next three days. Consequently there was no chance of sunshine Monday, even though Sunday was sunny all day.

4th Reformed Church To Install New Pastor

The Rev. and Mrs. William Van Malsen and Daniel

On Thursday at 7:30 p.m. the Classis of Holland will hold installation services for the Rev. William P. VanMalsen, the new pastor of the Fourth Reformed Church.

The Rev. and Mrs. VanMalsen came to Holland from the Grant Reformed Church where they served since December, 1963.

As the son of a minister, Rev. VanMalsen spent his boyhood and youth in Muskegon, Grand Rapids, and Detroit, Mich., as well as Lansing, Ill., while his father, Rev. Bert Van Malsen served churches in these areas.

The Rev. William Van Malsen attended Hope College for two years and was graduated from Calvin College with an A.B. degree in 1958. In 1961 he received his B. D. degree from Western Theological Seminary. While in seminary, he was awarded first prize for sermon delivery and second prize for his theological study paper on the Sacraments. He also served on the publications commit-

tee of "The Reformed Review." From the fall of 1961 until the end of 1963, he studied at the Free University in Amsterdam. He received his "Doctorandus" degree there in March, 1969 through a leave of absence awarded by the Grant Church. He is now a candidate for his doctorate in dogmatic theology under Professor G. C. Berkouwer.

The Rev. Van Malsen is married to the former Ruth Ann Bennett of Grand Rapids. The VanMalsens have a six-year old son, Daniel Robert, who was born in Amsterdam.

Participating in the Thursday night service will be Lamont Dirkse, president of the Classis, Dr. Henry Voogd, who will preach the sermon, Dr. Henry Van Dyke, the Rev. Stuart Blauw, the Rev. Edward Tanis and the Rev. Bert VanMalsen. The public is invited to the meeting and the reception which will follow in the Fellowship Hall.

Police Chief Gives Traffic Safety Program

Chief of Police Les Van Beveren, a member of Holland Exchange Club presented the Crime Prevention Week program at this week's regular noon luncheon meeting of the club.

After giving a report on how the police report system helps determine where the areas of most frequent accidents are in the city, thus enabling the police to concentrate on enforcement in them and lowering the accident rate in the city, he showed a research film on the effect of alcohol on drivers.

This film was made in Canada with race drivers from Canada and the United States taking part in tests. After a "dry run" the drivers are given measured amounts of alcohol and then repeated driving tests. The conclusion reached was that a blood-alcohol level of .07 results in slowed reaction time and that all driving ability is impaired.

A report on the projected March Home Show, sponsored by the Exchange Club, indicates that it will be another successful one, as all space has been sold.

Miss Sue Rop Is Wed To David L. Wyngarden

Providence Christian Reformed Church was the setting for the Saturday afternoon wedding of Miss Sue Ann Rop to David Lee Wyngarden. The Rev. J. Herbert Brink solemnized the nuptial vows and traditional music was by Charles Canaan, organist, and Randy Vogelzang, trumpeter.

Parents of the couple are Mr. and Mrs. Herman Rop of Grand Rapids and Dr. and Mrs. Milton Wyngarden, 801 Central Ave. Given in marriage by her father, the bride wore her mother's wedding gown of ivory satin styled with high waist, tucked bodice, bridal point sleeves, high collar and chapel train. A face-framing headpiece of ivory snowflakes held her double-tiered, floor-length veil and she carried a bouquet of white orchids, lemon leaves and Stephanotis.

Miss Deborah Wyngarden, maid of honor, was attired in a gown designed with brown crepe skirt and ivory crepe bodice with high collar and long, puffed sleeves. A bow headpiece and colonial bouquet of yellow and gold mums completed her ensemble. The bridesmaids, Marilyn Nykamp, Diane James and Betsy Scott, were similarly attired. James De Haan attended the groom as best man and the guests were seated by Richard Rop, Robert Haven, Rick Van Til, David Wassink and Curt Glupker. The couple greeted guests in the church fellowship room where Mr. and Mrs. Glenn Wyngarden presided as master and mistress of ceremonies. Bob Sikkel and Connie Van Wieren poured punch and the gifts were arranged by Mr. and Mrs. Dana Tousey.

The newlyweds will make their home at 3820 Camelot Dr., SE, Apt. 2B, Grand Rapids.

The bride is a junior at Calvin College and the groom is a senior.

Hamilton Musicale and Tea Mark Clubhouse Anniversary

A delightful program by the Vocalaires of West Ottawa High School under the direction of Harley Brown proved to be an excellent way to celebrate a clubhouse birthday of the Woman's Literary Club Tuesday afternoon.

The 24 singers, plus accompanist and two guitarists, opened with a group of madrigals, followed by folk songs and then the best of current popular music.

The madrigals, highlighted by the beautiful "All Ye Who Music Love," by Donato, demonstrated fine technique and harmony, but some of the folk songs and the popular numbers expressed more joy, particularly the lilting "This Land Is Your Land" an the beat of the

extremely popular "Aquarius," the latter reinforced by an electric guitar.

A birthday tea followed in the club's tea room with Mrs. George Pelgrim and Mrs. Dora Russcher pouring.

Mrs. Robert De Nooyer, club president, called attention to club activities during Tulip Time May 13-16 with plans for serving the traditional Dutch Lunch downstairs and arranging an antique show upstairs for some 10 exhibitors. The antique show will operate from 11 a.m. to 10 p.m.

Mrs. De Nooyer also called attention to the welcoming dinner for the new city manager, William L. Bopf, Monday, Feb. 9, at 7 p.m. in Phelps Hall on Hope College campus, sponsored by the Provisional League of Women Voters.

Mrs. G. S. Mackenzie who introduced the program called attention to the club's rotation program in which the three high schools in the area provide programs on alternate years.

The club amended its by-laws to add an assistant treasurer to the officers.

Mental Health Center Topic Of Discussion

Community leaders from throughout the county gathered in the Heritage Room of Holland Hospital last Thursday to confer with Kenneth Watanabe of Chicago who is with the Federal Department of Health, Education and Welfare, and Dr. Philip Smith of the State Department of Mental Health.

Topic of the conference was the funding for a comprehensive mental health center.

Dr. Floyd Westendorp, psychiatric director of Ottawa County's mental health services, led the meeting and explained the need for psychiatric beds for short term care and partial hospitalization. Establishment of these beds would round out a comprehensive care program for Ottawa County, he said.

This rapidly expanding program has more than tripled in patient interviews during the last six months of 1969 as compared to the same period of time in 1968, it was brought out during the meeting. New patients continue to apply for service at the rate of 100 case per month. Sixty-one patients released from State Hospitals are receiving regularly scheduled care. In addition, approximately 30 consultations a month are held with other agencies or professional persons.

The meeting was sponsored by the Holland Community Mental Health Service.

ACROPOLIS LIGHTNING RODS

Antiquity and modern technology have met in Athens—and at the Acropolis, no less. Equipment has been installed to prevent further damage from lightning to the remains of some of man's most glorious edifices.

The danger was recognized last year when lightning hit one of the 22 limestone columns at the Temple of Aphaia, which dates back to the fifth century before Christ. The incident prompted Greek archaeologists to look for ways of preventing such occurrences. Investigation showed that other important sites also had suffered damage of this kind. Research has led to the use of lightning rods that detract but little from the appearance of the buildings.

This step has led to further investigation by the United Nations Educational, Scientific and Cultural Organization (UNESCO). Special techniques are being employed to measure the rate of decay of the monuments and also to learn more about environmental causes of damage, such as vibrations from jet aircraft. The hope is that this research will provide ways of maintaining these and other notable ancient structures for generations to come.

Sunday School Lesson

Sunday, February 8, 1970
Luk 7:36-50

Every person needs the forgiveness of sin. Some realize their need but many do not. Blessed indeed is the person who senses his need and seeks forgiveness.

I. Guilt still troubles some people. This lesson directs our minds to a story about three persons—Jesus, a nameless sinful woman and Simon the Pharisee. The Pharisee invited Jesus to a dinner. Why we do not know—perhaps because Jesus was popular. While dinner was enjoyed a nameless sinful woman with a bad reputation, knowing that Jesus was there, walked in and stood behind Jesus and wept. The woman wiped the Lord's feet and kissed his feet, and anointed them with the ointment.

Why did the woman do all of this? She knew she had sinned and she felt guilty. Through her contact with Jesus she had become aware of her sin and hence showed a penitent spirit. She was a guilty sinner. All sinners do not feel guilty.

II. Some sinners do not know themselves. Simon was shocked to see a sinful woman come into his house. He thought that if Jesus was a prophet of God he would not have any dealings with this woman. His idea of God's prophet revealed that he did not know God who desires mercy and calls sinners. Jesus was in the presence of two sinners, one knew she was a sinner, the other one did not know his status.

Jesus told a story about two debtors—one owed him five hundred dollars and the other one fifty and the creditor forgave both. Jesus asked, "Tell me therefore which of them will love the most?" The Lord compared the behaviour of the sinful woman with that of Simon who had been a poor host. The woman was penitent, the man had no sense of sin—both needed forgiveness, but one got it. Repentance makes forgiveness possible.

III. Forgiveness begets love. Simon recognized that the person who has been forgiven the most will love the most. The Lord told the woman that she had been forgiven. Her sins were not forgiven because she loved much but she loved because she had been forgiven. Those who are forgiven love and express their love in service.

Jesus said, "Thy faith hath saved thee, go in peace"—and she did. The restless woman had found peace through Jesus the giver of peace. The same Jesus still gives peace to restless hearts.

Rehearsals Are Started For League Follies Show

A standing room only crowd of Holland Junior League members and associate members and guests greeted the New York director on his arrival to Holland Tuesday night at the Holiday Inn.

The introduction of Chris Goodyear, a director and producer from the Jerome H. Carigill Co. of New York marks the beginning of long and steady rehearsals for the Follies show "Shades of the Seventies" to be presented in the Civic Center Feb. 21.

The "meet the director" party at the Inn was also the "try out" time for local talent to present their acts during the audition period that made up the evening's program.

Opening the evening's show with a musical introduction set to the music of "There's No Business Like Show Business" was Mrs. Don Hillebrands who continued on as mistress of ceremonies. She introduced Suzanne Guthrie, a jazz flutist, and the "Snow Auditorium Jazz Quartet," a group of students from Hope College who performed "Comin' Home" and "Death Train" Marty Harden-

berg, Holland's singing policeman, followed with the "Clown Song" from Pagliacci. Linda Dethmers, also a Hope student, sang a medley of Robert Frost poems set to music she composed and played on her guitar. Del Langejans, an electric accordionist, performed several numbers.

Mrs. Ron Appledorn, talent co-chairman for the Follies and local dance instructor presented an original jazz ballet set to the music of "The In People." Final act of the auditioning was Wendell Watts, a professional singer from Grand Rapids who sang "By the Time I Get to Phoenix." Mr. Watts was accompanied by Norm Lam of Holland who is the Follies' musical director. A surprise act was a brief "chorus line" made up of League members who have rehearsed together briefly preceding league meetings for the past month.

Following the show, Mrs. Hillebrands introduced Mr. Goodyear who announced the rehearsal schedule which began Wednesday in the Literary Club and gave a brief talk on what

the Follies will be all about.

League husbands are always the hit of the show when they "get into the act" and during the sign up session that followed the show and now that rehearsals have begun, many of Holland's amateurs may "find themselves right up there with the professionals in good old show biz" . . . at least for the one night of Feb. 21.

Grand Rapids Driver Cited After 3-Car Crash

Charles H. Brudi, 67, of 53 Holly St., SW, Grand Rapids, was cited by Ottawa county sheriff's deputies for speeding too fast for conditions following a three-car accident on Eighth St. east of Fairbanks Ave. at 12:03 p.m. Tuesday.

According to deputies, Brudi was west on Eighth St., when the car started to slide around the curve and struck a car driven by Kenneth Wayne Butler, 29, of 37½ Mc Kinley St., Zeeland, headon. Butler was driving east on Eighth St.

The third car involved was driven east on Eighth St. by Roger Bolhouse, 20, of 315 East 16th St. Bolhouse told deputies he saw the Brudi car slide and tried to avoid the accident; however, his car was struck in the left rear.

FROSTY FOLLIES—The cold weather with its mountains of snow and icy surfaces brought moans from older people who had to shovel the snow and drive on the ice but members of the younger generation couldn't be happier with the frosty,

nose-freezing, cheek-reddening conditions. These youngsters took advantage of the situation recently to stage their own frosty follies on the rink at Smallenburg Park.

Christian Pulls Big Upset Over No. 1 River Rouge

Biggest Win Yet For Elmer Ribbens

Coach Elmer Ribbens' Holland Christian basketball team, making great improvement in the past two weeks, recorded what is by far their biggest win of the season Saturday afternoon at the Civic Center, defeating River Rouge, 55-51.

Rouge came to Holland as defending state Class B champions, and again rated the top team in that class this season. However, the Maroons, not awed by the great record of coach Lofton Greene's Panthers, played a determined ball game to chalk up their 10th win in 12 games. Christian now holds three consecutive victories over River Rouge something few if any teams can boast of in recent years.

The Maroons led for three quarters of the game, the largest lead being 24-16 with three minutes left in the half. Rouge stayed with Christian the entire game, and it was not until five seconds remained in the final quarter, when Phil De Jonge calmly made both free throws in a one-and-one situation, that the game was finally won.

As it turned out the scoring difference came at the foul line, as the Panthers made four more

to guard against a letdown when the Maroons host Grand Rapids East Christian at the Civic Center Friday.

Coach Don Vander Ark's reserve team ran its record to 9-2, as they humiliated the varsity team of Covenant Christian, from Walker, 73-26.

The Maroons were ahead 18-4 at the quarter, 37-10 at halftime and 63-20 at the three quarter mark.

Dan Plasman was high with 13 points, with Tom Klaasen collecting 11 and Ray Schrotenboer 10. Jim Schimmel garnered 10 for Covenant Christian.

Johnson didn't hamper Scholten on this shot, as Ron canned two of his game high 17 points. (Russ Hopkins photo)

Scholten led Christian in scoring with 17 points, with Frens right behind at 16. Johnson, the only River Rouge player in double figures also had 16.

Panthers Record Lucky Number 13 Triumph

The rafters in the West Ottawa Natatorium reverberated as the Panthers swimming team posted their "lucky number 13th" victory, 53-52 over the Battle Creek Lakeview Spartans Saturday evening before a capacity crowd.

With the lead see-sawing throughout the competition, the Panthers once again entered the final relay event with the entire meet resting upon the results of that event.

Rick Zavadi, Chris Raphael, Ken Wiley, and Rick Hamstra swam like there was no tomorrow to set pool and varsity records in the 400 yard freestyle relay with their 3:29.0 clocking. In addition to the records set, that time is also the third best time in the entire state of Michigan for that event.

Establishing a good lead after two legs of the relay, Coach Henry Reest held his third and fourth men on the block an extra fraction of a second to guarantee there would be no disqualifications.

The old records falling included a pool record set in 1969 by Kevin McCully, Tim Rhodes, Steve Petrucci, and Ted Thomas of Kalamazoo Loy Norrix with a 3:34.1 clocking, and a West Ottawa varsity record of 3:33.0 set by Kirk Stekete, Alan Russell, Dave Winship, and Chuck Seidelman at the state swimming meet in 1966.

Opening the meet in first place for West Ottawa, the medley relay team composed of Dan Meyers, Jeff Boone, Mike Zavadi, and Jon Helder registered a 1:48.4 clocking.

The meet continued to go the Panthers' way in the 200-yard freestyle when co-captain Chris Raphael snatched first place honors with a 1:58.0 clocking, while teammate John Boes stroked in right behind him with a 2:00.5 clocking.

Going into the individual medley the Panthers held a 14-7 lead, only to see that diminish. Tallying third place points behind a powerful Spartan duo in the individual medley, Jim Streu recorded a 2:22.4 clocking.

With a 15-15 tie after three events, Panthers Ken Wiley and Jon Helder pulled the deep blue for second and third place points in the 50 yard freestyle behind Lakeview's ace sprinter Steve Morse.

Coming off the boards with first and third place points, Dan Troost and Dave De Feyter maneuvered under great strain to chalk up 181.15 points and 150.55 points respectively, giving the Panthers a 25 - 23 margin.

Once again the butterflying Zavadi brothers swept their competition with first and second place honors, Rick recording a :59.3 time and Mike tallied a :59.6 time.

Junior sprinter Rick Hamstra continued to chop his 100 yard freestyle time down, posting a second place :51.6 clocking behind Lakeview's Steve Morse at :50.3.

Registering his best time of the season to snatch first place honors in the backstroke, senior Dan Meyers turned in a :58.9 clocking, giving the Panthers a 41-34 edge with three events remaining.

Distance man John Boes pulled within inches of first place, but slipped into second spot with a 4:22.2 clocking in the 400 yard freestyle, putting the Panthers out front 44-40.

Stroking in for third place points in the breaststroke, junior Steve Hopkins tallied a 1:11.2 clocking in his specialty.

With a 45-48 deficit, the Panthers needed the last event to win the meet, but so did the Spartans. And the Panthers had four of their best sprinters

fresh for the last relay, while the Class A power didn't have the talent remaining to pull out from under the powerful Panthers.

Coach Henry Reest commented, "It takes a team working together to win a meet like that. No one man is a standout. Losing any third place could have lost the meet."

The Panthers are now 13-0 in dual meet competition and will travel to Hudsonville to face the Eagles Thursday evening at 7 p.m. Saturday afternoon the Panthers will host the Riverview Pirates, last year's State B runners - up in another encounter.

Results in order of finish: 200-yard medley relay: West Ottawa (Meyers, Boone, M. Zavadi, Jon Helder), Lakeview (Rickelson, Williams, Van order, West). Time 1:48.4.

200-yard freestyle: Raphael (WO), Selinger (L), Boes (WO). Time 1:58.0.

200-yard individual medley: Rich (L), Wilson (L), Streu (WO). Time 2:28.4.

50-yard freestyle: Morse (L), Wiley (WO), Jon Helder (WO). Time :22.8.

Diving: Troost (WO), Caluory (L), De Feyter (WO). Points 181.15.

100-yard butterfly: R. Zavadi (WO), M. Zavadi (WO), Van Order (L). Time :59.3.

100-yard freestyle: Morse (L), Hamstra (WO), Tower (L). Time :50.3.

100-yard backstroke: Meyers (WO), Rickelson (L), West (L). Time :58.9.

400-yard freestyle: Selinger (L), Boes (WO), Runels (L). Time 4:20.5.

100-yard breaststroke: Williams (L), Caluory (L), Hopkins (WO). Time 1:09.0.

400-yard freestyle relay: West Ottawa (R. Zavadi, Raphael, Wiley, Hamstra), Lakeview (Renger, Wilson, Pettes, Tower). Time 3:29.0. Pool and varsity records.

Holland High Swimmers Sink Hudsonville, 69-36

Holland High's swimming team tallied its ninth victory of the season, sinking the Hudsonville Eagles, 69-36 Tuesday evening in the Holland Community Pool.

Setting up some intentionally close races in the competition, Coach Bob Andree's tankers posted some good times while the Eagles broke five team records in the competition.

The Dutch opened the meet with a first place in the medley relay on a judges' decision with a 2:07.5 clocking. Identical to the Eagles' time. Swimming for the Dutch were Don Clark, Steve Bruggers, Jim Steininger and Terry Marlink.

In another crowd pleaser, co-captain Mike Landis inched out Hudsonville's Rick Byle in the 200 yard freestyle with his 2:07.4 first place clocking.

Brothers Mark and Bruce Keen tallied first and second places in the individual medley with clockings of 2:27.5 and 2:33.5 respectively.

Sprinter Dick Beedon avenged an earlier loss this season posting a :24.8 first place ahead of Hudsonville's Bob Raterink.

Coming off the boards in first and third places respectively were Henry Diaz and Craig Kleinheksel for the Dutch.

Co - captain Jim Bradford snatched first place honors in the butterfly competition.

Swimming the distances for the first time this season, Landis netted first place with a 4:39.5 time in the 400 yard freestyle.

Posting the best time of his career by knocking 2.5 seconds off his previously best time, breaststroker Ben Tanis chalked up first place with a 1:17.0 clocking in his specialty.

In the final event of the meet, the Dutch went all the way for first place with Mark Keen, Bruce Keen, Fred Bertsch and Jim Bradford turning in a 3:53.8 time.

Coach Bob Andree stated that in view of all the close races

Gov. Milliken To Scrub Streets At Tulip Time

On a cold, cold day it's always nice to think of spring.

And such a note of relief came Tuesday in a letter to Mayor Nelson Bosman from Gov. William Milliken who said he and Mrs. Milliken would be happy to join Holland burghers in scrubbing the streets on the opening day of Tulip Time May 13.

Since the late 1940s, Michigan governors have participated in street scrubbing ceremonies officially opening Tulip Time festivals in Holland.

The late Kim Sigler was the first governor to don a Dutch costume and wooden shoes. Since then Michigan's first citizen has been making the first day ceremonies of Tulip Time a "must."

Tulip Time dates this year are May 13-16.

Robins Just Don't Know It's Winter

It may be winter again in Holland Monday, but it was spring at the Cornelius Van Andel home at 3803 64th St.

Van Andel spotted no less than six robins eating apples from an old crop.

Then five cedar waxwings joined the robins.

Besides that, five red crossbills were at the bird feeder for sunflower seeds.

Name Ray Smith New Hope Coach

Former UCLA Star Picked By Dutchmen

Former UCLA standout Ray Smith has been appointed assistant professor of physical education and head football coach at Hope College according to an announcement Friday by Dean of Academic Affairs Dr. Morrette Ridz.

Smith, 31, will succeed Russ DeVette who last November announced that he was stepping down after 15 years as head football coach. His resignation was in accordance to a recommendation by the College Board of Trustees that as a basic policy objective no person should be the head coach for more than one sport.

Smith is presently head football and baseball coach at Antelope Valley College in Lan-

caster, Calif. Antelope is a two year college with an enrollment of 1,300 students.

At UCLA Smith played three years of varsity football at full-back. He was selected the team's best blocker and tackler as both a junior and senior and during his last season was selected by his teammates as the most outstanding senior and most valuable player.

An honorable mention all-American selection, he played in the East-West Shrine game and the Hula Bowl.

As a senior Smith captained the Bruins who captured the Pacific-8 championship. He was the stalwart of the team averaging 41 minutes of playing time per game while playing offensive fullback and defensive halfback.

While his strongest point was his blocking ability Smith gained 951 yards in 259 career carries and scored 11 touchdowns. He was thrown for losses totaling only 41 yards during his collegiate career and went through his junior season without being tossed for a loss.

He climaxed his collegiate career by being named UCLA's Athlete of the Year and was one of 20 graduating seniors to receive an Outstanding Graduating Senior award for academic accomplishment.

Smith played professional football with the Saskatchewan Roughriders in Canada for three years before being forced to retire by an injury.

He holds a B.S. degree with a major in physical education from UCLA; did graduate work at the University of Redlands and holds an M.A. degree in administration from Pasadena College.

Smith joined the faculty at Antelope Valley College in 1963 serving as head baseball coach and assistant football coach. He became head football coach in 1968. Last year his baseball team won the league championship and advanced to the California State Junior College semifinals.

Smith has worked closely with the Young Life Movement, a non-denominational youth program for high school students. He has devoted several summers to working in Youth Life camps.

The new head coach has been active in youth work in his community and has been awarded the state of California's highest honor through the Parent-Teacher Association for outstanding leadership and guidance to youth.

He and his wife Susan have two sons — Randall 7 and Jeffrey 3.

Raterink Sets Record in Loss

KENOWA HILLS — Friday night the Knights of Kenowa Hills put a damper to Zeeland's title hopes by scoring a 72-62 basketball victory over the Chix.

Zeeland, after a two week layoff, started off in fine fashion. The Chix grabbed a 17-16 lead at the end of the first quarter. Mark Raterink hitting on six of seven shots in the first quarter.

In the second quarter, the game started to change as the Knights zone held Zeeland to two field goals and seven points with Raterink getting five out

of the seven. Meanwhile the Knights led by their center Chuk De Ryke, went on to score on nine out of 13 field goals with De Ryke hitting on five out of seven shots. The score at half time had the Knights in front 35-24.

The third quarter started off

where the second ended, with Raterink hitting for the Chix and Kenowa shooting a torrid 8 of 13 for 61 per cent. Raterink hit on five of seven from the field and he was two of three from the line. The scoreboard had the Knights in favor by a 52-43 score.

The fourth quarter was a continuation of the second two as the inability of the Zeeland guards to hit from outside continued and the ability of Raterink to hit from underneath. Mark had five more field goals in the 4th quarter as he hit on five of seven again. This gave him 41 points and a new school record.

The old record of 36 points was set in 1964-65 season by Lloyd Schout. In addition to his 41 points, Raterink also had 28 of Zeeland 40 rebounds. Kenowa Hills had 33 rebounds. De Ryke led the Knights with 30 points.

In the JV game the little Chix lost a heart-breaker 66-65. Bob Johnson led the Chix with 21. Bill Mull had 24 for the Knights.

Holland Swimmers Post 7th Victory

MUSKEGON — Holland's swimming team posted its seventh victory of the season, sneaking past Muskegon 54-51 Thursday evening in the Muskegon Natatorium.

Capturing first places in the meet, the Dutch presented a balanced attack, after opening the meet in a strong first place position.

The medley relay team, composed of Don Clark, Bruce Keen, Dick Beedon, and Fred Bertsch, opened the meet with a 1:58.6 first place clocking.

Following the winning pattern, Mike Landis gathered up first place points for the Dutch in the 200 yard freestyle with a 2:11.3 clocking.

Mark Keen and Mark Hopkins gave the Dutch a clean sweep in the individual medley, registering first and second place respectively.

The sprint competition was a different story, with Jim Steininger chalking up third place points in the 50 yard freestyle, while, later in the meet, Mike Landis tallied second spot in the 100 yard freestyle with a :55.9 clocking behind Muskegon's Mark Stewart recording a :55.8.

Hampered by a poor diving board, Henry Diaz couldn't turn in his usual diving performance and was backed into second spot behind Straley from Muskegon.

In the butterfly competition, Jim Bradford snatched first place honors with a :59.8 clocking, while teammate Fred Bertsch added third place points.

Backstroke Don Clark gave the Dutch their fifth first place in the meet when he posted his 1:05.9 first place time in his specialty.

The Dutch had another clean sweep in the 400 yard freestyle when Jim Bradford tallied first place with a 4:45.2 clocking and Tom Van Huis edged out Muskegon's Lundwall to take a 4:59.0 first place, knocking twenty seconds off his own previously best time.

Breaststroke Bruce Keen tied in second place points in his specialty event, giving the Dutch a 50-43 margin with one event remaining.

With instructions to, "Just take second. Go back and touch the wall if you miss it on a turn," the final relay team had to do just that twice in the final relay, so as not to take any chances of being disqualified, for disqualification at that point meant losing the meet.

Swimming for second place points in the relay, but giving the team victory were Dick Beedon, Terry Marlink, Kevin Kuipers, and Mark Keen in the freestyle relay.

Coach Bob Andree commented "It was a close meet compared to the first meet of the season when we ran away from them."

They've really improved."

Results in order of finish: 200-yard medley relay — Holland (Clark, B. Keen, Beedon, Bertsch), Muskegon (Grevel, Leafers, Luchen, Lundwall). Time 1:58.6.

400-yard freestyle relay — Muskegon (Mc Nabney, Forsythe, J. Stewart, Spoelman), Holland (Beedon, Marlink, Kuipers, M. Keen). Time 4:04.9.

Board of Appeals Grants Variances

Three requests for zoning changes were granted by the Board of Appeals Thursday night following public hearings, two of them approved conditionally.

The petition of Reliable Dodge of Holland seeking permission to maintain a gravelled parking lot at its new dealership building at Central Ave. and US-31 bypass was approved provided the lot is treated to control dust and is properly drained.

The request of Michigan Tile Co. for a new building at 13 West 16th St. to replace a burned out structure was approved provided there is a setback of at least eight feet on the rear property line.

Joe Roerink was granted permission to convert a one-family dwelling at 645 Michigan Ave. into a two-family dwelling.

Improper Backing
Holland police ticketed Cora Hoet, 72, of Grandville for improper backing after the car she was driving and a small truck operated by Bradley Scott, 18, of 36 West 30th St., collided Thursday at 4:20 p.m. in front of 36 West 22nd St. Police said the Hoet auto was backing from a driveway while Scott was southbound on 22nd St.

Olivet Tick Tocks Past Hope, 96-84

Tick tock! Tick tock! Tick tock!

Like a tick of a pendulum on a clock, the score changed hands here Thursday evening in the Civic Center until Olivet College broke open a close basketball game with Hope College to take a 96-84 decision.

The contest was nip and tuck all the way as the lead changed hands 16 times and was tied seven times.

Olivet broke open the game for good with 4:40 left in the contest by scoring 10 points and holding the Dutchmen to none as they moved out to a comfortable 84-74 margin.

The surge was led by center Mike Maciasz and guard Ben Benford who tallied eight of the 10 markers.

The Dutchmen cut the deficit to seven points, 87-80 with 1:26 left but it was all in vain for Coach Russ DeVette's club.

It seemed for a while that Hope would pull out the victory but the determined Comets, who played an outstanding floor game, held off the Dutchmen charge.

The victory moves Olivet ahead of the Dutchmen in the MIAA standings by one game. The Comets are 3-3 in the loop and 7-7 for the season while Hope is 2-4 in the MIAA and 6-8 overall.

Olivet dominated most of the first half action behind the team play of Maciasz and Benford to hold a four-point lead at the intermission, 40-36.

Maciasz, who played an outstanding game scoring and passing well, led all scorers at the half with 12 points. Benford added nine while Dana Snoap came off the bench to score nine points in the first 20 minutes of play for Hope.

Ric Scott, who replaced Ken Hendrix in the starting lineup for the second straight game, tallied eight counters Hendrix is still bothered with a virus. Hope did rebound the Comets in the first half 26 to 23 and for the game, 51 to 47 with Snoap and Maciasz each grabbing 10.

It was basketball at its best in the second half as the two teams matched bucket for bucket.

Hope just couldn't seem to be able to amount any substantial margin, as the largest advantage they could muster was aided on a three-point play by captain Tom Dykstra, that gave Hope a 53-50 lead.

It was an inspired game for both squads, but the Comets, who very seldom win in the Civic Center, were fired up against the Dutchmen.

It was a team victory all the way," said a jubilant Coach Gary Morrison of Olivet. "That Maciasz was just beautiful for us while Benford did another standout job." Morrison continued, "We knew we had to stop Dan Shinabarger and our defense did just that as we held Dan to only 11 points."

The Comets netted 48 per cent of their shots, 35 of 72 while the Dutchmen dropped in 32 baskets out of 75 attempts for a percentage of 42.

Maciasz topped all scorers with 28 markers while Benford, who shoots a deadly jump shot from long range, tallied 26 points. Freshmen Bill Newhouse and Max Lindsay added 12 each for the winners.

Dykstra tallied 18 points on

eight free throws and five buckets while Snoap pumped in 15 for Hope. Dave Gosselaar scored 12 of his 14 points in the second half while Shinabarger scored 11. Scott helped the Dutchmen cause by banging home 10 points. The Flying Dutchmen hope to get back on the winning trail Saturday night when they host Adrian in another MIAA clash.

1st Win Over Dutch Since 1962 Season

"It had to happen sooner or later to us." Coach Don Piersma of Holland High said after his basketball team was beaten by Grand Haven Friday night in the Fieldhouse, 77-71.

It was the first time the Bucs have beaten the Dutch in basketball since 1962 and Piersma added, "If we had to lose, it couldn't have been to a nicer coach than Al Scheaffer of Grand Haven."

With the first year Bucs coach directing his team from the bench, the inspired Grand Haven five held off a determined bid by the Dutch to pull out the victory.

Grand Haven's win over Holland was the first after 16 setbacks in a row with the Dutch and lifted the Bucs' Valley Coast Conference record to 2-6. For the season, the Bucs are 4-7.

The defeat drops the Dutch to a 4-4 mark in the VCC and 6-5 overall.

Grand Haven surprised the Dutch from the outset of the contest as they zoomed out to an 11-3 advantage before Holland finally scored its first field goal of the game on a basket by Jim Helmink with 3:19 left in the opening period, to cut the deficit to six points, 11-5.

The Dutch rallied to tie the game at 17-all at the conclusion of the first eight minutes on a basket by Max Glupker.

Grand Haven outscored the Dutch 17-12 in the second quarter as sophomore forward Jim Searer led the charge for the Bucs by scoring nine points in this span.

With the Bucs enjoying a five point cushion, 34-29 at the half, it appeared from the sidelines that it would be only a matter of time before the Dutch would wipe out the deficit and race to the victory.

But the Bucs had other ideas as they tallied 21 points in the third stanza to only 15 for Holland to hold a commanding 11 point lead, 55-44 at the third period stop.

Grand Haven ran into foul trouble early in the fourth quarter and eventually lost three players to the bench because of five fouls.

When spark-plug guard Barry Brugger drew his fifth foul with 4:16 left in the game and the Bucs holding a commanding 65-53 margin, the game was there for Holland to win but the determined Bucs had other ideas.

The Dutch did cut the bulge to five points, 70-65 with 1:31 left but Grand Haven held off the gallant charge of Holland to pick up the victory.

Glupker led all scorers with 21 points for Holland with 12 of them coming in the final stanza. Reserve center Tom De Vries and Ken De Boer chipped in with 11 and 10 each for the Dutch.

Brugger and Searer tied for the scoring lead for the Bucs with 16 points apiece. Brian Vieing helped the Bucs' cause by pumping in 13 points.

Holland shot 37 per cent from the field, 23 of 61 while the Bucs hit on 43 per cent of their shots, 27 of 64.

Coach Ken Bauman's reserves dropped their sixth game of the season to the little Bucs, 51-49 after blowing a 34-22 lead at the half.

Ted Lintzer and Jeff Van Stratt led the winners with 14 points each while Steve Shinabarger and Hue Simpson scored 14 and 12 points respectively for the Dutch.

The Dutch will entertain East Grand Rapids next Friday.

Former Holland Resident

Succumbs in Manchester

MANCHESTER — Mrs. Glen (Nella) Lehr, 55, of Manchester, Mich., died Thursday afternoon in Manchester following a short illness. She was the former Nella Van Iwaarden and was born in Holland.

Surviving are the husband; two sons, Glen Carlton of Manchester and Wayne who is in the Air Force in Germany; three brothers, Paul Van Iwaarden of Grand Rapids and James and Peter Van Iwaarden, both of Holland; two sisters, Mrs. Ted (Flora) Kouw of Holland and Mrs. Arthur (Kay) Beekman of Holland; five grandchildren; one brother-in-law, Benjamin Mast and a sister-in-law, Mrs. John Van Iwaarden, both of Holland.

West Ottawa Nips Loy Norrix, 55-50

"Ladies and gentlemen, this event decides the entire meet. May we have it quiet for the start, please?"

That was the story, as the West Ottawa swimming team tallied its 12th consecutive victory of the season, splashing past the Loy Norrix Knights, 55-50 Thursday evening in the West Ottawa Natatorium.

In the meet that was a cliff-hanger from the opening gun to the final second of the final relay, the Panthers opened the meet in first place and stuck to their guns to maintain a slim margin throughout the competition.

Swimming for a 1:50.8 first place in the medley relay were Gary Van Kampen, Steve Hopkins, Mike Zavadil, and Jon

GE Officials Say Terms 'Fair to All'

Officials at Holland's General Electric plant Saturday called the tentative agreement reached in New York to end the 14-week national strike "fair to all" and expressed hope the agreement will be ratified promptly.

Ab Martin, general manager of the Hermetic Motor Department, said:

"We were certainly gratified to learn that this long and costly strike, which idled 1,100 Holland employees, will soon be over. The settlement, which includes the highest first year increase in General Electric history, is fair to all, and we hope it will be ratified promptly."

While calling terms of the settlement "inflationary", Martin said "the negotiators were able to avoid super-inflationary levels which could have affected the whole economy."

He added, "Our goal now is a speedy return to normal: good jobs for employees, good products for customers, and continued sound growth and steady progress."

'April Showers' To Be Theme Of Gold Key Ball

Plans are being made for the annual Gold Key Ball, sponsored by the Holland Jaycee Auxiliary.

Co-chairmen for this year's event, Mrs. John Bristol and Mrs. William Keizer, have announced the theme for the dance as "April Showers." The ball will be held on Saturday, April 25, at the Holland Civic Center from 9 p.m. to 1 a.m. The Galaxies will be the featured band.

Advance tickets may be purchased from any Auxiliary member. All proceeds from the Gold Key Ball are donated to the March of Dimes.

Although in the past the ball has been held in January in conjunction with the Mothers' March for the March of Dimes, the Auxiliary felt that this year a spring dance would be welcome.

Two Youths Burned In Garage Fire

Fire in a garage, possibly involving gasoline, burned two youths Friday night, sending one of the youths to a Grand Rapids hospital.

Policemen said they were called to the garage at 336 West 14th St. at 7:10 p.m. and found Donald Pfhistner, 13, of 100 East Eighth St., and his brother, Robert, 9, of 336 West 14th St., with burns of their legs, face and lower body parts.

Donald, suffering from first, second and third degree burns, was taken to Butterworth hospital in Grand Rapids where his condition Saturday was listed as good.

Robert was in satisfactory condition at Holland hospital with first and second degree burns.

Firemen said they were investigating the smell of what appeared gasoline on some of the clothing worn by the youths. Police said the children were in charge of an older brother, Le Roy, who turned 18 last week. The mother, Mrs. Mary Pfhistner was at work and police said the father lived at the Eighth Street address.

Brenda Pfhistner ran across the street to a neighbor who called police, officers said. Firemen said damage to the garage was not extensive.

Tulip City Rock Club Holds Meet

The newly-elected president of the Tulip City Rock Club, Robert Zigler, greeted approximately 100 members and guests at their monthly meeting held Wednesday evening at the Civic Center, and also conducted a short business meeting.

New members introduced were Mr. and Mrs. Howard Gabe and Mrs. Robert Welch. Guests included the seventh grade Jean-Teen group under the sponsorship of Mrs. Fred Lound and Mrs. Charles Rorick; Miss Kathy Strong; and Glenn Jurries and his son Randy.

Jurries, as president of the Indian Mounds Rock Club in Grand Rapids, extended an invitation to the local club to attend their silent auction on the third Tuesday of March at Rogers High School.

The following committee chairmen were announced: Hostess, Mrs. Clarence Nies; field trip chairmen, John Kingshott and Robert Weersing; and institutional representative, Joe Moran.

Preceding the program the annual "Find of the Year" contest was held with Bob Sherwood taking charge, assisted by Mr. and Mrs. Arthur Banks.

A large number of entries were displayed, and the following members were awarded prizes: Lapidary division, Mr. and Mrs. Fred De Witt; rock and mineral division, Mrs. Gradus Knoll; fossil division, Mrs. Bob Zigler; best Michigan find, Gradus Knoll, and best children's entry, Don Weersing.

Dr. J. Cotter Tharin, head of the geology department at Hope College, with Bob Houghton as his assistant, gave a demonstration and talk on "Gem and Mineral Identification." A few of the various methods he mentioned include specific gravity or hardness, cleavage, color streak, blowpipe analysis and a borax test. Simple methods of home testing were shown in addition to microscopes and more complicated methods.

Prizes were awarded to Miss Jeanine Harthorn, Mrs. Robert Weersing and Mrs. Paul De Kok. Hostesses for the evening were Mrs. Gordon Boone, Mrs. Clarence Nies and Mrs. Frank Perkins.

Mothers' March Nets Total of \$7,318.45

A total of \$7,318.45 was collected in Holland Thursday evening in the Mothers' March for the March of Dimes, according to Mrs. Robert Ryzanca, march chairman.

According to a report from Grand Haven, \$4,131.82 was raised in the Tri-Cities with Grand Haven collecting \$2,196.54, Spring Lake collecting \$1,274.53 and Ferrysburg, \$660.75.

Robert Ritsema, chairman of the department of music at Hope College and conductor of the college orchestra, has been awarded an honorary life membership in the Michigan School and Orchestra Association.

The award cited his "contributions to the program of instrumental music in the schools of Michigan."

The award was presented to Ritsema at the annual mid-winter meeting of the Association in Ann Arbor.

Ritsema, assistant professor of music, is currently in his third year of the Hope faculty.

Making his debut as soloist with the Olivet College (Ill.) Orchestra at the age of 14, Ritsema has since been actively involved in solo performances, chamber music, and as principal cellist of several orchestras. He also has been in demand as clinician, conductor, and adjudicator throughout Michigan and Wisconsin.

Ritsema holds a B. A. degree from Hope and a M. M. from the University of Michigan where he is currently a doctoral candidate.

ASWA Hears Miss C. Pool

Members of the Holland Chapter of the American Society of Women Accountants held their monthly meeting Tuesday evening in the Festival Room of the Hotel Warm Friend.

Speaker for the meeting was a chapter member, Miss Corrine Pool, vice president and cashier of First National Bank in Holland. She used a film from the Federal Reserve Bank entitled "Money on the Move" to illustrate the unique position of the government and banks in the economy of this country.

President of the chapter Hannah Jipping presided at the business meeting and announced that a study group session will be held Feb. 10 and 17 at People's State Bank. E. Matta, field representative of the Social Security Administration, will lead the study of "Social Security and Medicare."

Cecelia Ver Hage gave the invocation.

Michigan Power Award Goes To Robin Petroelje

Zeeland Records 8th Win, 76-44

BYRON CENTER — Zeeland kept its basketball title hopes alive by scoring a 76-44 victory over Byron Center, Tuesday night.

In the first quarter it appeared that Zeeland might take it on the chin again as they trailed 17-12. Both teams had six field goals but the Bulldogs made five out of six free throw attempts.

In the second quarter, the Chix took the lead for good as Chuck De Pree tipped in a missed free throw by Mark Raterink with 4:15 left in the period. Raterink, after being held to four points in the first quarter, exploded for 17 of his game high 27 in the second. He hit seven of nine shots and three out of four free throws. The Chix led at half 35 to 21 after holding the Bulldogs to four points in the second quarter.

In the third quarter, Zeeland stretched their lead to 57 to 36 with Rich Brinks picking up his six points after being held scoreless the first half.

In the fourth quarter, with substitutes playing for both sides, the Chix lengthened their lead to the final score of 76-44. So they managed to hold the Bulldogs to just eight points. The Chix again controlled the boards as Raterink had 14, Dan Flaherty 13 and De Pree 10, to give Zeeland a 52 to 28 advantage in rebounding.

Both teams were rather cold from the floor, the winners could hit on only 30 of 74 shots for 40 per cent, and the losers

just 16 out of 49 shots for 32 per cent.

The Zeeland JV broke a four game losing streak as they defeated Byron Center 59-42. Zeeland was led by Bob Johnson with 18, and Terry Hop who returned to action after six weeks with a broken wrist had 11. John Schilling had 14 for the losers.

The Chix are now 6-2 in the O-K Blue Division while Byron Center is 2-7. For all games, Zeeland has a fine 8-2 record. Zeeland will host Kelloggsville Friday.

Hope Rallies To Nip Adrian, 83-82

Hope College's basketball team rallied from eight points behind Saturday night in the Civic Center to nip Adrian, 83-82 in a MIAA thriller.

Holland's Dan Shinabarger and Dave Gosselar were the heroes for the Flying Dutchmen as Dan scored the basket that put Hope ahead, 81-80 on and steal Hope ahead, 81-80 on a steal and Gosselar then clinched the contest by swishing two clutch free throws. John Okenka's late free throw closed out the scoring at 83-82 in favor of Hope.

With only 4:06 left in the game, and the Dutchmen down by a 76-68 score, Shinabarger netted a charity toss and Marty Snoop canned a field goal to cut the deficit to five points. Gary Barcus, the Bulldogs outstanding freshman forward fired in a bucket which increased the losers margin to 78-71. As it turned out, it was the last basket scored by Barcus as he fouled out later with 2:34 left.

This was the turning point of the game for Hope, as Barcus who scored 30 points and grabbed 14 rebounds was now on the sidelines along with starters Kim Rank and Steve Balyo who had all fouled out earlier. It was only a matter of time before Hope would pull out the victory from the charity lane.

Three clutch free throws by Shinabarger and Dan's steal for the leading basket plus two decisive free throws by Gosselar gave Hope an 83-80 advantage with less than one minute to play.

John Okenka scored the Bulldogs final points with three seconds to go but it was all in vain for the underdog Adrian club as the damage was already done.

Adrian scored six more points from the field on 33 baskets to 30 for Hope but the decisive margin was in free throws where Hope made 23 compared to 16 for the Bulldogs. Adrian was charged with almost twice as many fouls, 29 to 17 for Hope, which turned out to be the deciding factor in the thrilling contest.

Hope took a quick 3-0 lead on a hook shot basket by captain Tom Dykstra and a free throw by Gosselar. But then, the Bulldogs went to work as they held the upper-hand the rest of the half by five points, 38-33. Barcus, who has to be rated one of the finest freshmen in the MIAA drilled in 16 counters for Adrian in the first half while Ric Scott came off the bench to notch 10 for Hope.

Adrian pulled away to a 10-point lead on two occasions in the second half and at one time led by 12 points, 60-48 before the Dutchmen of Coach Russ DeVette decided they had enough and went out by playing the type of ball they are capable of and they were also helped by fouls to key Adrian personnel, which actually was the difference in the outcome. The Dutchmen were again without the services of their starting forward Ken Hendrix and DeVette said, "this hurt our rebounding game tremendously but thanks to the fine work of Scott, Dykstra, Shinabarger and Gosselar, we pulled out the victory."

Adrian outscored Hope, 55-47 and out shot the Dutchmen, 47 to 42 per cent from the field. The Bulldogs were 33 of 70 while the Dutchmen were 30 of 70 from the floor.

Barcus topped all scorers with

30 points while center Doug Shuler dropped in 13 and Okenka chipped in with 12. Forward Gary Rank who is the leading scorer on the team came off the bench to add 10 points for the Bulldogs.

Scott, who played one of his finest games, led the Dutchmen with 19 counters. Shinabarger and Dykstra each tallied 18 to give Hope a fine balanced scoring attack. Gosselar rounded out Hope's top scorers with 12 points.

The victory lifts Hope to a 3-4 MIAA record and 7-8 overall. Adrian is 1-6 in the league and 3-9 for all games.

Hope will be seeking its second straight win Wednesday at Lake Forest and its second win of the season over the Foresters.

'Fine Team Effort' By West Ottawa

West Ottawa's Panthers had an easy time with league foe Forest Hills Tuesday night as they coasted to a 90-69 basketball victory.

The entire squad figured big in the scoring department with five men hitting double figures. "This victory was attributed to a fine team effort," remarked Coach Jack Bonham. He also pointed out that he was especially pleased with the performance of his juniors.

First quarter action began with the Rangers jumping off to a 9-5 lead. West Ottawa bounced right back to take the lead as Forest Hills went down hill from that point on. The Panthers held a comfortable 17-9 edge as first quarter play ended.

The second quarter was all West Ottawa as the Panthers racked up numerous tallies due to the ability to use the fast break effectively. Forest Hills, however, came on strong toward the end of the first half as both coaches substituted freely.

The Panthers came out of the first half smelling like a rose with a commanding 46-26 lead. West Ottawa continued its hot shooting ways, as in previous games, by connecting on 53 per cent of its shots in first half action. The Rangers, in contrast, managed to hit on only 30 per cent from the floor as they were unable to penetrate the tough Panther defense.

Lynn Loncki tallied 14 first half points to head the list of scorers. Warner hit 12 counters for the Rangers.

Play became ragged in the second half with both benches being cleared for experience purposes. Forest Hills managed to play even up with the Panthers in the second half without neither team improving upon that 20 point difference. At the end of the third quarter, the Panthers held a 71-47 lead as they outscored Forest Hills by two buckets.

The Rangers were no match for their taller opponents as West Ottawa dominated the boards throughout the entire ball game by pulling down 52 caroms in contrast to 33 rebounds for the Rangers.

Forest Hills' Jim Vander Baan led all scorers with 22 points, 15 in the final quarter. Loncki was close behind for West Ottawa with 20 counters and a seasons high of 19 rebounds.

The Panthers hit on 33 of 69 attempts for 48 per cent from the floor. Forest Hills improved on their first half statistics as they connected on 28 of 80 shots for a respectable 35 per cent for the game.

Coach Bonham will be looking ahead with anticipation when the Panthers travel to Wyoming to face a much improved Godwin team on Friday. West Ottawa is now 6-2 in league play and needs a victory to remain in contention in the O.K. Red Division loop.

The West Ottawa reserves got back in the winning track by squeezing by Forest Hills 81-79. The Little Panthers placed four men in double figures with Pat Allen leading the way with 25 points. Mike Gorman and Ron Holstine also scored big for West Ottawa as they tallied 22 and 17 points in that order.

The reserves are now 7-5 on the year and will try to make it eight victories when they meet Godwin Friday.

Car Strikes Pedestrian

Jonathan P. Bradfield, 7, of 140 Fairbanks Ave., was hit by a car Monday at 3:43 p.m. when he stepped into the path of the auto while crossing East Eighth St. along the C & O Railway tracks, Holland Police said.

The son of Mr. and Mrs. Arlie Bradfield, Jonathan was admitted to Holland Hospital with a broken right leg and a broken left arm and was reported in good condition today.

Police said the car, driven by Lawrence D. Herbert Jr., 17, of route 2, Richmond Rd., Hamilton, was westbound on Eighth St. and had slowed to make a right turn onto Lincoln Ave.

Officers said Herbert told them he saw a car stop in the center lane and got alongside the car when the boy appeared in front of his auto.

Police said the youth was crossing Eighth St. on the tracks from the south curb to the north curb.

Herbert was not held and police continued their investigation.

Tall Muskegon Christian Socks Hamilton, 87-56

MUSKEGON — The Chicago Bears are called the "Monsters of the Midway," and according to Coach Tom Bos of Hamilton, Muskegon Christian could be classified in the same boat.

Possessing a starting lineup that consisted of 6'6", 6'5", 6'4", 6'3" and 6'3" in height, the Warriors had too much height for the Hawkeyes to contain and in the process, Hamilton dropped its non-league basketball game to Muskegon Christian, 87-56 here Tuesday night.

"They were by far the best team we have played this season," cried Bos. Bos also stated, "We played pretty good in the first half and I am especially pleased with the performance of guard Dave Alderink who tallied 17 points."

The Warriors led at the end of the first period, 25-16 and at the half, 46-31. At the end of the third stanza, the score was 74-41 in favor of the Warriors.

Muskegon Christian outscored Hamilton, 50-33 and shot 45 per cent from the field compared to 30 per cent for the Hawkeyes. The Warriors hit on 31 of 69 while the Hawks were an icy 18 of 59.

Bos concluded "they even had a lad come off the bench that stood 6'8".

Hamilton's reserve team dropped its encounter, 95-59.

The Hawkeyes will attempt to get back on the winning track

Friday when they play at cni-son.
