Birchwood Sewer Gets City Okay

In a meeting lasting less than an hour, City Council Wednesday night processed a considerable amount of business which mounted in the three weeks since the last regular meeting.

After a public hearing which lasted only 10 minutes on constructing a sanitary sewer in Birchwood Ave. in Holland Heights area, Council unanimously approved the project. Only three residents spoke briefly, generally approving the move. A city manager report presented a revision for a cost saving of at least \$10,000 by putting the sewer flow at Lynden Rd. with half the flow going north and the other half south.

Pending ordinances on sewer use and a parking meter revision were tabled for further study.

Received for first reading were two ordinances, one revising the bicycle licensing program to cover three years instead of two years and boosting the fee from 50 cents to \$1. The other would make it unlawful to change, switch, remove, deface, replace, alter or otherwise change price tags on store merchandise.

A Hospital Board report in answer to a letter from the Human Relations Commissions regarding hiring minority individuals stated that the hospital has made concerted efforts to hire qualified minority individuals, including efforts to recruit personnel from as far away as Dallas, Tex., and will continue efforts to hire as many qualified minority individuals as possible. A copy will be forwarded to the Human Relations Commission.

The Hospital Board reported the following gifts: a defibrillator monitor valued at about \$3,300 from the Children's Hospital Guild, \$300 from the Holland Evening Sentinel, and 27 Sentinel subscriptions from local merchants and dealers. All were accepted with thanks.

The Hospital Board reported receiving a book in memory of Alysia Yost, a late acknowledged with gratitude.

Council approved the Board of Public Works submitting a change order to the contract of Lakewood Construction Co. on the Fifth St. peaking unit No. 6 involving an additional \$6,237.

Proposed personnel plans of the Board of Public Works for 1974-75 were received for study.

Oaths of office were filed for John Geerling, Jack Leenhouts, John E. Marquis for the Board of Review; Albert J. Prins, Board of Canvassers, and Neal Berghoff, Human Relations Commission.

Mayor Lou Hallacy announced the appointment of A. Frank Schwarz to the Human Relations Commission succeeding Robert Freers.

Approval was given a resolution prepared by Dickinson, Wright, McKean and Cudlip in connection with the \$1.8 million general obligation bonds for improvements to the water system, as approved by city voters Jan. 22.

Council approved low bid of Steketee-Van Huis Inc. of \$3,388 for printing 100,000 Windmill Island brochures. An inquiry by Councilman John Bloemendaal later in the meeting on rights to the color plates was referred to the city manager.

Miller Co. 1/4, 1/4, 1/4, 1/4. An alternate bid of the W. F. Miller Co. on a demonstrator brush chipper for the Park Department in amount of \$4,090 was approved as the best bid for the city.

An application from Ottawa Savings and Loan Association to rezone property on the north side of 10th St. between Central and College Aves. from A-2 residential to commercial was referred to the Planning Commission. The city clerk also informed Council that the application of Charles Owens to rezone property at 565 Crescent Dr. to commercial was withdrawn at request of applicant.

A claim against the city from Lucille Dobben, 184 East 28th St., was referred to the insurance carrier and city attorney. Council acknowledged with thanks the gift of \$50 for the police department Community Services Unit from the Men's Brotherhood of Overisel Reformed Church.

A city manager's report advised that he had been attending meetings of the West Michigan Shoreline Regional Development Commission as alternate representative for Mayor Hallacy. At the mayor's request, the city manager was named official representative with the assistant city manager to function during his absence.

A city manager report recommending prohibiting parking on the north side of Fourth St. for 74 feet west of River Ave. was tabled for two weeks.

SPECIAL ASSIST — Holland's Dial-A-Ride system promises special assistance to passengers but the helping hand Rachel Christensen, of 439 Plasman Ave., receives from Mayor Louis Hallacy is more than typical. The Mayor took a short ride on the minibuses this morning and declared the

system "fantastic." By noon the system had transported 70 passengers compared with 45 that the Ann Arbor system had transported their entire first day. Mrs. Christensen who is employed at Sears called the minibuses for a ride to work.

Minibuses Transport 70 by Noon

DART: It's Off To a Great Start

By Ann Hungerford

The expected shaky start never came off. Things went smoothly, very smoothly.

The DART directors had been hopeful, yet cautious; the drivers trained, yet apprehensive; the passengers optimistic, yet skeptical.

Would the Dial-A-Ride minibuses really transport them from their own homes to their destinations?

It not only would, it did... over and over again. Customers reached their destinations, and on time. The system that had been so intricately planned was working.

And by noon the evidence was in. Holland residents wanted good public transportation, they got it and they obviously intended to use it.

In just the first half day of operation, the passenger total had exceeded Ann Arbor's entire first day total. DART was off to a better start than anyone had dared hope.

The senior citizens were by far the most enthusiastic. James Klomparsen of 621 West 24th St., left his car in the garage and took DART to Western Theological Seminary where he works in student housing.

"Cheaper than using my own car," Klomparsen explained. "It's a great deal, particularly for senior citizens. Just can't be beat," he added.

Mrs. William Jellema of 320 South Waverly was another senior citizen who left her car in the garage to take DART. "I don't like to drive in slippery weather," was the reason she offered. But she added that she intended to use the system often.

The most blasé group of passengers were Holland High School students, Loretta De Koster and Debby Van Dyke, who both speculated that they would use the mini-buses occasionally. Sam Lubben, a high school student who usually walks, was getting over a cold and just decided to call DART to get to school.

Eva Silva, who usually takes cabs or depends upon relatives for rides, called DART to get to Lincoln School where she is a teacher's aide. "The bus arrived very soon after I called," she said.

Despite minor radio problems

— RECENT — Accidents

A car and a truck collided along Fairbanks Ave. 350 feet north of 11th St. Wednesday at 4:04 p.m. The car, operated by Esther Mae Overway, 52, of 753 Ottawa Ave., was southbound on Fairbanks while the truck, driven by John David Lucy, 55, of 14145 Carol, was eastbound leaving a driveway at the city garage.

Cars driven by Carole Joan Graves, 22, of 95 East 21st St., and Steven Charles Siska, 21, of Fennville, collided Wednesday at 5:34 p.m. at Columbia Ave. and Ninth St. Police said the Graves auto was northbound on Columbia while the Siska car was westbound on Ninth attempting a left turn onto southbound Columbia.

A car driven by Ronald James Lambert, 30, of 1157 Harvard Dr., stopped westbound on Eighth at Paw Paw Dr. Wednesday at 6 p.m., was struck from behind by a car driven by Philip Miller of 210 Country Club Rd.

all four vans were in operation by 9 a.m. The DART drivers were courteous and helpful as they criss-crossed the city, picking up stares from drivers and pedestrians.

For the young high school girl who bounded off the bus with a friendly "thanks for the ride," it was as if an old friend had given her a lift to school.

And judging by today, Dial-A-Ride will undoubtedly become an old friend to many residents.

DART Passenger Total Is High

During the first day of operation Monday, Holland's Dial-A-Ride system transported 150 persons, far exceeding the number with which local directors and state consultants would have been happy.

Several of the passengers were "hail" riders, persons who waved down the bus usually in the downtown area rather than calling DART.

Chamber Facility Fund Drive Opens

A fund campaign for \$100,000 to finance a new Chamber of Commerce facility on the north-west corner of Seventh St. and Central Ave. was launched at a kickoff breakfast Monday in Warm Friend Motor Inn.

Initial pledges totaled \$19,785, approximately one-fifth of the goal. Among these gifts was \$500 from Wolters Shell at Eighth and the bypass, Terry Wolters operator, the first pledge made after plans for the new facility were first presented at Chamber leaders last fall.

Brief pep talks were given by Jack De Roo, Lew Beem, Jerry Haworth and Terry Wolters, with the main talk by general chairman Floyd Folkert, immediate past president of the Chamber. Ron Kobes is vice chairman and Chamber President Don Stoltz heads publicity.

Executive Vice President Roscoe Giles presided.

Team captains for the "Building for Progress" drive are Lew Beem, Judson Bradford, Jack De Roo, Robert Den Herder, Donald De Witt, Kenneth Elhart, William LaBarge, William Murdoch, Walter Roper, Donald Stoltz, Jack Vannette, Warren Willard, L. C. Dalman, Clare Klassen, Henry Maentz Sr., Don Haan, James Hallan and Terry Wolters.

Plans call for a one-story structure with masonry exterior and anodized aluminum fascia approximately 44 feet square with basement for expansion.

There will be offices, conference rooms with dividers, a work room, reference library and display facilities.

The fund campaign is expected to run two weeks.

King Winter Returns Here After Thaw

The three-week January thaw in Holland came to an abrupt end on the last day of January Thursday, and King Winter was again in control today.

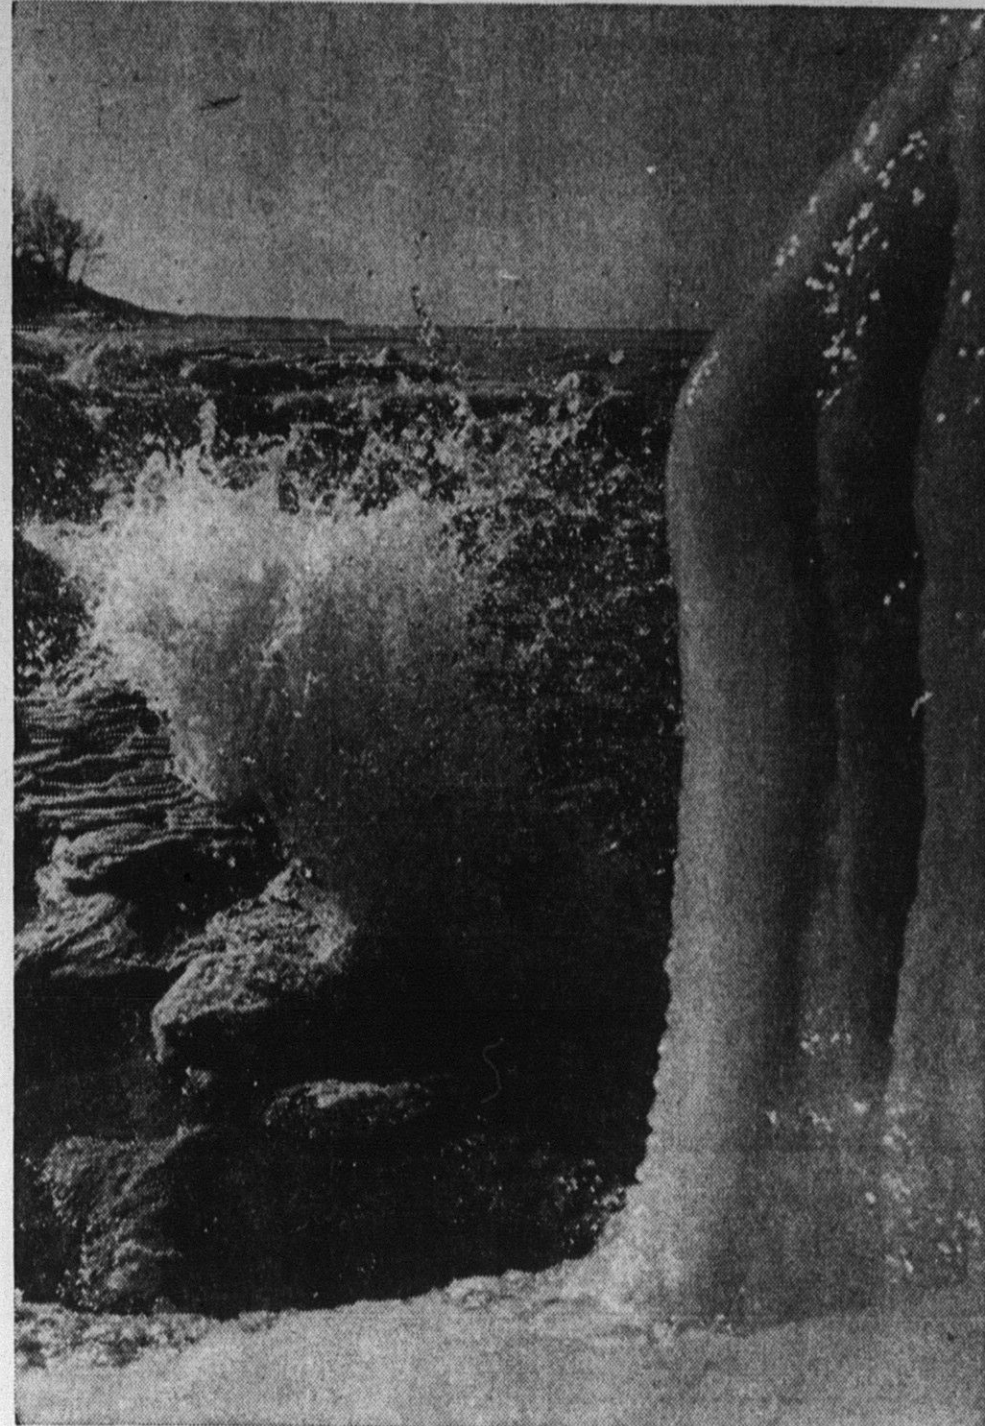

Temperatures which had risen to 50 on Wednesday skidded downward to 14 overnight and the mercury was at 16.

The snowfall was part of a pattern which fell over most of the northern portion of the nation. The northeast had the added problem of winds that were clocked at up to 80 miles per hour.

Barrel Stove In Garage Overheats

COOPERSVILLE — A home-made wood stove in a garage apparently overheated, setting the garage on fire at the Leo Hintz residence on 84th Ave., a quarter mile south of Leonard Rd. Wednesday evening according to Coopersville fire chief Bert Barret.

The fire caused an estimated \$4,000 damage to the garage and its contents which included two motorcycles, a snowmobile, tools, art supplies and stereo equipment.

SUNNY WEATHER RETURNS — Wednesday's vicious storm which left 12 1/2 inches of snow on the ground was almost forgotten today as bright sunshine prevailed under clear skies, but elements of winter remained on the Lake Michigan shoreline at Macatawa Park where waves

still pounded relentlessly on eroded beaches. The buildup of ice at right is on an exposed jetty about 200 feet south of the channel. Clear skies contributed to a dramatic drop in temperatures and the overnight low in Holland was -2 degrees. Depth of snow remained at 12 inches.

Flu Incidence Spurs 2-Day Recess

Holland, Zeeland Schools Are Closed

No schools were in session in Holland and Zeeland today, following a joint decision of superintendents Wednesday afternoon to call a two-day recess because of the increasing absentee rate among students.

Supt. Donald L. Ihrman said absenteeism in the schools Tuesday and Wednesday amounted to 30 per cent or more, most of it due to the flu which threatened epidemic proportions.

Wednesday's joint decision affects all public schools in Holland, West Ottawa and Zeeland districts, also Holland and Zeeland Christian Schools, St. Francis de Sales School, and the Ottawa Area Trainable Center.

The action was triggered partly because of growing numbers of students becoming sick while in school. There are little or no facilities for ill children in the interim while parents call to take them home.

School authorities recommended that all students protect themselves in the four-day interim by getting plenty of rest and the minimum of exposure so that they will be able to return to classes Monday, Feb. 11.

An alarming development Wednesday was the increasing number of children taken ill, Ihrman said. The trend of absenteeism was increasing instead of stabilizing or decreasing. In Holland public schools, 925 were absent Tuesday and over 1,300 Wednesday.

In such cases as a threatened flu epidemic, state health authorities recommend a three-

Appeal Board Has Hearings

One application was tabled for further study, another denied and a third approved at public hearings before the Board of Appeals Thursday night in City Hall.

Tabled for further study was the petition of Polynesian Pools Inc., 1145 Washington Ave., seeking to expand within the existing structure for using a recently constructed spray booth for a fiberglass operation.

Denied was the application of Fourth Reformed Church to use a dwelling at 378 Washington Blvd. for church meetings.

Approved was a petition by Leon Slikkers to use a building at 13-15 West Seventh St. for the manufacture of prototypes for tooling, primarily of wood.

Equipment, Tools And Cash Missing

Tools and equipment valued at \$520 and an undetermined amount of cash were reported missing in break-ins during the weekend at Apollo Die Casting Co. 136 East Sixth St., and Superior Auto Sales 1100 South Washington Ave.

Strikers Increase Local Picket Lines

Picketing by independent truck drivers striking over fuel prices increased at terminals and truck stops in Holland Wednesday night as police continued to provide escorts to trucks still operating.

An inoperative and unloaded revolver was confiscated from a Fennville truck driver Wednesday after he was confronted by striking independent drivers at a truck stop and ordered to unhitch his trailer. Holland police said there were no arrests.

Police Chief Charles Lindstrom said an estimated 60 persons milled about the driveway at Rooks Transfer Lines, Inc., 650 East 16th St., Wednesday night where a truck convoy was forming with a police escort.

Lindstrom described the picket activity at Rooks as "intense" and added that some of the pickets were reluctant to move when it was time for

Woman Killed In Car Crash Near Marne

MARNE — Paulene Meyerling, 83, of Grand Rapids, was dead on arrival at St. Mary's Hospital in Grand Rapids following a three-car collision at 6:32 a.m. today along M-45 at 14th Ave. in Tallmadge township.

Ottawa County deputies said it was the first traffic fatality in the county in 1974. Three other persons suffered minor injuries.

Deputies said the Meyerling woman was driving south along 14th Ave. and pulled into the path of a car westbound on M-45 and driven by Jane Ramson, 39, also of Grand Rapids. The Ramson car struck the Meyerling auto broadside and spun out of the way. A car following the Ramson auto and driven by Kaye Carter, 19, of Grosse Ile, Mich., then hit the Meyerling car broadside.

The Carter woman and a passenger, Marilyn Dykhous, 24, of Grand Rapids, and the Ramson woman suffered minor injuries and were treated in Grand Rapids Hospitals and released.

Deputies said they were continuing their investigation.

Takes First Solo Flight

Don F. Moore, 12894 North Bellwood, lost his shirt last week in the tradition of executing his first solo flight. The aviator's custom dictates the pilot has his shirt tail cut off, autographed and hung on the airport bulletin board after completing his first solo flight. Moore flew his solo flight at Burgess Aviation, Park township airport. His instructor was Frederic C. Beatie Jr.

Seek County Cooperation In Utilities

City Council Wednesday night authorized the city manager to work with the Ottawa County Road Commission toward a sanitary sewer project through the use of county bonding at M-21 and Waverly Rd., site of a proposed shopping center.

Some Councilmen expressed concern over lack of "concrete plans" for design of the center, but the go-ahead vote was unanimous when assurance was given that a formal request for county cooperation in a joint venture posed little or no financial commitment at this time.

It was indicated that the city's bond counsel would prepare the appropriate resolutions to be submitted to Council for formal action. In addition, permission was requested for initial contacts with the Ottawa County Drain Commission to precipitate the creation of a drain project to achieve proper storm water control. Waverly Rd. in that area is a townline road, with city on the east side and township on the west side. A cooperative venture would benefit both areas.

With the information that the State Highway Department has okayed reactivation of the traffic signal at Eighth St. and Pine Ave. Feb. 11, Council accordingly revised the traffic schedule. The state took this action mainly because of a substantial number of right angle accidents at the location. Timing will favor Pine Ave. traffic, but a traffic change will allow movement of five cars westbound on Eighth St. The change will have a trial period of perhaps a year.

Council approved a contract with the engineering firm of Moore and Bruggink to prepare final bid documents and field work on installing sanitary sewers for the 1974 construction season, the fee not to exceed 10 per cent of final construction cost as in the past.

Council granted permission to the owner of property at 893 Central Ave. for extension of water service to that address, although the property is outside the special assessment district. The property owner has agreed to pay the special assessment when the water main is extended in his area.

Approval was given transfer of \$2,689.53 from the Community Promotion Fund to the Ox Roast fund for the highly successful 1973 Ox Roast sponsored by the City of Holland and Hope College. Total receipts were \$6,403.50 with disbursements of \$9,093.03.

Mayor Lou Hallacy presided at the meeting which lasted 53 minutes. All Councilmen were present with the exception of Elmer Wissink. City Manager William L. Bopf was attending a meeting in Ann Arbor. The invocation was given by the Rev. Percy Kinkema, retired Reformed Church minister.

Dr. P. Mulder Dies at 77

Dr. Peter J. Mulder, 77, of Holland and Florida, died early today in Holland Hospital after an extended illness.

For the past two years he had lived with his sister, Mrs. Madge Wolterink of Holland. Born in Holland, he had attended Hope Preparatory School and was a graduate of Hope College in the Class of 1921. He received his master's degree from the University of Michigan and his Ph. D. from the University of Pennsylvania. He was a research physicist and a professor at Swarthmore College and the University of Pennsylvania, later teaching at Schippenberg College and retiring in 1961. After retirement he taught at Albion College and Northern Illinois University. In 1967 he moved to Florida and in 1969 returned to Holland to live.

Surviving in addition to Mrs. Wolterink are two daughters, Mrs. Peter (Marjorie) Kohler of Bryn Mawr, Pa. and Mrs. William (Shirley) Kresge of Oldwick, N. J.; six grandchildren; another sister, Mrs. Gertrude Damstra of Walnut Creek, Calif.; two brothers-in-law, the Rev. George De Witt of Florida and the Rev. Gerrit Timmer of California; two sisters-in-law, Mrs. J. R. Mulder and Mrs. Henry Venhuizen, both of Holland and two nieces, Mrs. Philip Baron and Mrs. Eugene Scholten, both also of Holland.

**John Prince Succumbs
At 68 in Holland Hospital**

John Prince, 68, of 48 West 19th St., died early today in Holland Hospital following an apparent heart attack.

Funeral arrangements are being completed by Dykstra Funeral Home pending arrival of family members.

DRIVER INJURED — Larry Dale Van Spyker, 18, of 4455 Adams St., escaped serious injuries when the car he was driving east along Adams St. west of Drenthe went out of control at 11:10 p.m. Thursday and landed in a ditch. Van Spyker was taken to Zeeland Community Hospital where he was

admitted with head and body lacerations. His condition Friday was "good." Ottawa County deputies said the car went off the left side of the road, slid into a 12-foot ditch, hit a bridge abutment and landed beneath the bridge.

Calvin Tips Hope In Barn Burner

Hoogewind's Bucket At Horn Does It

By Leo Martonosi

Death and taxes and Calvin College.

The Hope College Flying Dutchmen and their veteran Coach Russ DeVette should be pretty well convinced today that they're all alike. You just can't beat 'em.

The Dutchmen had high hopes of knocking off the No. 1 team in the MIAA in the Civic Center Wednesday night before a partisan Hope crowd but ended up losing a heartbreaker if their ever was one, 66-64 at the buzzer.

Calvin's win over the Dutchmen was their 10th in a row and it was their seventh consecutive league victory of the season. Coach Ralph Honderd's Knights are 15-2 overall while Hope is 2-5 in the loop and 8-8 for the winter.

The Knights who did the most to pull out the barn burner were 6'10" center Mark Veenstra and 5'11" guard Marc Hoogewind.

Veenstra, the MIAA's No. 1 scorer with a 21.2 per game average led both teams in scoring with 19 points but it was his little teammate's 18th point that won the thrilling tilt.

With eight seconds to play and the game tied at 64-64, Hope's Mike Riksen took a 12-foot jump shot from the corner and missed with the Knights grabbing the rebound in hopes of getting off a last second shot.

Somewhat, the Knights got the ball underneath to Hoogewind, who laid in the winning bucket with no time showing on the clock. The official said the basket went in before the buzzer and Honderd led a wild bunch of Calvin celebrators.

The Hope players just couldn't believe they had lost, as they put their heads down on the hard Civic floor.

Hope didn't have anything to be ashamed of in losing, as they put up a gallant fight.

When Jim Hovinga put Hope in front, 64-62 with 3:51 left in the tilt, it was the first time Hope had led since the opening minutes when the score was 12-10.

Jack Klunder, who had sparked a second half Hope comeback with his fine outside shooting tied the count at 62-62 moments earlier.

But Veenstra, who many fans believe could be playing in the Big Ten tossed in a short jumper to deadlock the count at 64-64.

With 2:13 left in the game, DeVette called for a time out and told his cagers to go for one last shot. The play backfired as Calvin stole the ball but when Honderd tried the same thing, it also turned out to be a mistake, as the Dutchmen came up with the basket-ball.

The stage was set for Hoogewind and the Knight sparkplug made the bucket that broke Hope's heart.

It was a up-hill battle for Hope, as they trailed at the half, 37-30 and were down 54-50 with their big center Dwayne Boyce on the bench with four fouls.

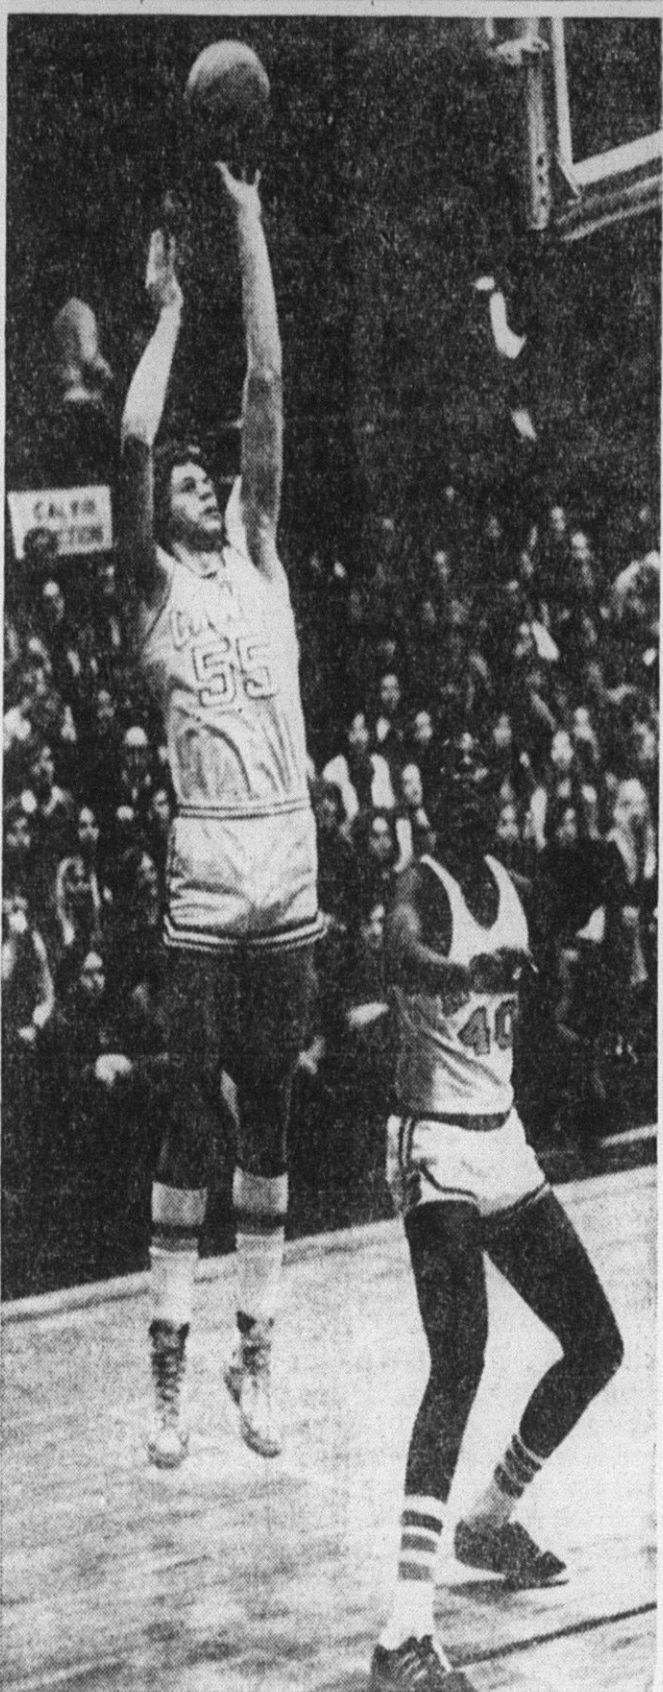

Klunder tied the contest 60-60 for the first time since it was 14-14 with a two-pointer with 5:39 to play. Boyce later fouled out with the score still the same and 4:38 left.

Hope turned in one of their top performances of the season in a losing effort, as it looked like the Knights have the same kind of hex as Minnesota has on the Detroit Lions.

Greg Broene, who fired in some long jumpers followed Veenstra and Hoogewind in scoring with 15 markers. Boyce did a good defensive job on big Mark and also collected a team high 16 counters. Hovinga threw in 12 while Klunder and Brian Vriesman had 10.

The Knights did a good job in containing Vriesman, the league's No. 3 scorer with a 17.8 mark.

Actually Calvin won the tilt at the free throw lane, as they had one less field goal, 31-30 but netted six of seven free

CALVIN STAR — Big Mark Veenstra (55) of Calvin College lead the MIAA in scoring and he shows why here Wednesday night in the Civic Center, as he drops in two of his game high 19 points in the Knights thrilling 66-64 basketball win over Hope College. throws compared to two of three for the Dutchmen.

Both teams turned the ball over 17 times in the well played game.

The crowd seemed to love it when Honderd joined his Knights in hopes of finding Greg Broene's lost contact with 17:58 to play in the second half.

Hope will host Alma Saturday while Calvin entertains Aquinas.

Miss Dykema Assisting With MSU Publication

Beverly Dykema, a Michigan State University freshman, is assisting in the publication of "Happiness Holding Tank," an anthology of writings which includes poetry, essays and public information while experimenting with printing methods.

The production of the magazine is part on an English poetry class emphasizing poetry appreciation and magazine production. Albert Drake, who is the instructor of the class, is also the publisher of the magazine which is distributed to various libraries and to the general public in the United States, Canada and England. This is the first time that Drake has allowed his students to actively participate in the publication of the magazine. The 23 students will be publishing the 12th edition.

Miss Dykema, daughter of Mr. and Mrs. Bernard Dykema, 259 West 18th St., is a 1973 graduate of Holland Christian High School. She is majoring in English.

Shell Grants \$1,500 to Hope

The Shell Companies Foundation of Houston, Tex. has awarded Hope College a \$1,500 grant under its higher education assistance program according to President Gordon J. Van Wylen.

One-third of the grant is an unrestricted gift, another one-third is to be used for general faculty development and the final one-third is for professional development in the departments of chemistry, mathematics and physics.

Couple Returns From Northern Wedding Trip

Following a northern honeymoon, Mr. and Mrs. Kim Douglas Musgrave are making their home at 287 West 40th St. The couple was married Jan. 26 in the United Methodist Church of the Dunes, Grand Haven, with David Miles officiating. Miss Jean Gardner was organist and Miss Robin Brower, soloist, for the 5:30 p.m. ceremony.

The bride is the former Beth Anne Garbrecht, daughter of Mr. and Mrs. Ronald L. Jones, 6444 160th Ave., West Olive. The groom is the son of Mr. and Mrs. Richard Musgrave of McMillan.

The bride, escorted to the altar by her father, was attired in a floor-length white velvet gown featuring a scooped neck with white fur accenting the empire waistline and sleeve edges. A camelot headpiece of white velvet and pearls held a two-layer tulle veil which formed the train. She carried a white fur muff with one purple orchid.

Mrs. Linda Collins as matron of honor wore a scooped neck deep purple dress having a wide collar and full-length gathered sleeves. Miss Sue Slager, Mrs. Bunny Bakker and Miss Rhonda Jones, sister of the bride, were bridesmaids and wore similar gowns in royal blue, light purple and aqua blue respectively. Their matching velvet camelot headpieces were accented with white pearls and they carried matching velvet muffs with carnations and streamers to accent their gowns.

Miss Judy Collins as flower girl wore a royal blue floor-length dress with white collar and cuffs. She had a ring of flowers in her hair and carried a basket of blue tinted carnations.

The mother of the bride fashioned the bride's gown as well as her attendants' gowns. Mrs. Rose Crawford was the bride's personal attendant.

Attending the groom were Gary C. Schneider as best man and Dave Knell, Kim Bakker and Frank Donckers III as groomsmen. Ringbearer was Ned Henion and ushers were Tom Van Voorst and David Crawford.

Mr. and Mrs. Ted Walker were master and mistress of ceremonies at the reception in the Eagles Hall of Grand Haven. Miss Ginger Lemel attended the punch bowl while Miss Wanda Van Slooten and Don Payne attended the guest book. Elaine Dyke assisted the bride and groom in opening their gifts.

The bride attended Kendall School of Design and the groom, a graduate of Northern University, is employed by Holland Hitch.

Planting Packets Are Available

FENNVILLE — Packets of trees and shrubs suitable for wildlife habitat improvement, windbreaks and beautification are being made available by the Alle-Van Soil and Water Conservation District.

Rankin Lyman, district chairman, announced that the packet will contain 125 plants and will sell for \$15. Each packet will contain approximately 12 species including Blue Spruce, Autumn Olive, Black Walnut, Flowering Dogwood, White Birch, Tulip trees and others.

Packets and individual species in quantities of 50 or more may be ordered from the district office, 212 East Main St., Fennville, 49408.

Those interested are encouraged to contact the office for additional information on planting layout, spacing arrangements, soil suitability, etc. The plantings can be made on suburban lots as well as on farms and in addition to providing ground cover for erosion control they provide both food and cover attractive to birds.

Mrs. L. Pierce Sings for Guild

The program at the Tuesday evening meeting of the Maplewood Guild for Christian Service was presented by Mrs. Lynelle Pierce who sang several songs, interspersed with her testimony and daily experiences.

New Extension Unit Welcomes County Agent

Hospital Notes

Admitted to Holland Hospital Wednesday were Dany Reimink, Dor: Florence Gordon, South Haven; Anna Knoll, Zeeland; David Kliffman, 187 West 16th St.; William Logan, 4112 Blue Star Highway; George Krogel, Bangor; Clarence Windemuller, 1587 South Shore Dr.; Martin Bareman, 115 Lakewood Dr.; Kelly Nash, 361 Garfield; Martin Ten Brink, 705 Saunders Ave.; Dean De Jonge, Hamilton, and Inge Kole, 585 West 29th St.

Discharged Wednesday were Julie Sharda, 540 West 32nd St.; Trevor Atwood, Hamilton; Kathryn Klompars, 193 East 27th St.; Jane Kauffman and baby, 599 Pineview Dr.; Louis Wiegelmink, 6331 144th Ave.; Sheryl Myaard and baby, 366 East 26th St.; Robert Vischer, 67 East 28th St.; Susan Timmer, 2150 Marlaboca Dr.; Grace Schipper, 236 East 11th St.; Douglas De Jonge, Hamilton; Ruth Bird, 3928 65th St.; Diane Caldwell, 351 Roosevelt; Frederick Mc Cormick, Hamilton; Timothy Larsen, Fennville; Benjamin Kleeves, 210 B 40th West Apartments; and Ethel Van Zanten, 650 West 27th St.

Neighbors gathered at the home of Mrs. David (Marcia) VandeVusse, 8313 120th St., Jan. 27 for a coffee to welcome Miss Susan Schram, the new Home Economist from the Ottawa County Home Extension Service.

Mrs. VandeVusse held another coffee Tuesday, with Willis Boss, 4-H Youth Agent as special guest. Both meetings were held to organize a new unit of Home Extension, and to introduce Miss Schram to members of the community.

Among Miss Schram's duties will be the organization and planning of programs fitting the needs of the residents of Ottawa County. For the newly formed Pigeon Creek Unit, this means assistance in sewing, cake decorating, and bread making, among other interests.

Miss Schram holds a B.S. and an M.S. in Home Economics from Michigan State University. She has worked as a Title I teacher in Northville, and as a research assistant at Michigan State and the University of Michigan. Although originally from Grand Rapids, Miss Schram has lived in East Lansing and Ann Arbor for the last seven or eight years.

Supporting the idea of Home Extension, Miss Schram hopes that "it will become both a social and educational club."

Mrs. VandeVusse and others feel that there is a need for a unit in the areas bordered by M-45 on the north, M-31 to the west, 96th St. to the east, and Polk St. to the south. The families in this area are not served by the West Olive unit of Home Extension, and it was thought best to organize their own. As a result of the coffees, the unit has named itself the Pigeon Creek Unit.

Some of the services available through Home Extension include agents working with 4-H, Agriculture, Marketing, Horticulture, and Home Ec.

There are also publications, bulletins, and various tips on all aspects of rural life available through the office. Because of the coffees, more of the new residents near Pigeon Creek have become aware of the opportunities available in Ottawa County and have grown to know their neighbors better, Mrs. VandeVusse felt.

Attending the coffee Tuesday, with special guest Boss, were Marcia Diemer, Marj Kloosterman, Barb Rozema, Avis Jongkryg, Wanita Wheeler, Joan Boonsma, Julie ten Brink, Geneva Essenburg, and Marilyn Hamstra.

Those at the Jan. 27 gathering included, along with Miss Schram, were Beverly Curtis, Geneva Essenburg, Wilanora Hassevoort, Lillian Hassevoort, Marilyn Hamstra and Julie Ten Brink.

Bethel Guild Holds Meeting

Bethel Reformed Church Guild for Christian Service met Tuesday evening in the Missionary Room.

Mrs. E. Ten Clay, president, presided at the business meeting. Mrs. G. Reinink gave a report on stamps for literature. Members were urged to continue saving cancelled postage stamps.

Program chairmen were Mrs. E. Andringa and Mrs. R. Vander Wal. Mrs. Andringa was devotional leader and Mrs. R. De Feyter sang two solos accompanied by Mrs. M. Beckvoort.

Mrs. D. Hartgerink gave a book review entitled "A New Joy" by Colleen Townsend Evans. This book is based on the Beatitudes which is the Gospel of Love and it coincides with the group's Bible study book. Mrs. Evans writes that one must live the Beatitudes openly and by serving the Lord one's life becomes a daily witness unto Him.

Hostesses were Mrs. J. Kruihof, Mrs. G. Verecke and Mrs. H. Dyke.

Dutch, Maroons To Play Friday West Ottawa Is?

Holland High's home basketball game with Hudsonville University and Holland Christian's with Kalamazoo Christian Friday night will go on as scheduled despite the closing of the schools because of the flu.

Ken Bauman, Holland athletic director said, "We would have liked to postpone the contest but the schedules for both schools just wouldn't allow us to. When we had only one game a week, they had two and vice versa."

Doug Murdoch of West Ottawa said at this time that the Panthers would probably postpone their contest at home with Northview.

'Diary of Anne Frank' Is Holland's Winter Play

The Holland High School Theatre Department is now in rehearsal for "The Diary of Anne Frank," which will be presented Wednesday through Saturday, Feb. 20-23, in the Performing Arts Center Auditorium.

In the cast of this Pulitzer Prize-winning drama are Kathy Wettack in the title role of Anne Frank, Phil Panos and Fern Shoemaker as Mr. and Mrs. Frank, and Lisa Hacker as her sister, Margot. Others in the supporting cast include Mike VandeMark and Bob Vohlken as Mr. and Mrs. Van Daan, Jeff Muskovic as Peter Van Daan, John Chamness as Mr. Dussel, Kathy Drooger as Miep, and Dave Bruins as Mr. Kraler.

Set in Amsterdam during the years of World War II, the play relates the real events in the lives of eight people who managed to escape the Nazis by hiding in an attic for some two years. Finally they were caught and sent to the concentration camps. In ransacking the hiding place, the Nazis somehow managed to overlook an extraordinary document — Anne's personal diary.

Anne's diary soon found publication and immediately became a bestseller. The play based on the diary was greeted with great acclaim and won the all the major dramatic awards, including the Pulitzer Prize. It has been called the most celebrated document of a single human being's ordeal during World War II.

Curtain time for the Holland High production of "The Diary of Anne Frank" will be 8 p.m. nightly. Tickets will be available at the door.

Hudsonville Downs Vikes

WYOMING — The combination of a 43 per cent shooting average from the field and a strong basketball game from Clint Vander Kolk gave Hudsonville a 73-60 win Friday over Wyoming Park.

Except for the final quarter the game was within six points, as the Eagles led at the end of the first quarter 22-16 and were behind at half, 34-33. Third quarter action showed Hudsonville coming out on top by four points, 53-49.

The fourth quarter was the difference in the game as Hudsonville kept going strong while capitalizing on the Vikings mistakes as they were slowing down in the late goings, as the Eagles came up with 20 counters, while holding Wyoming to only 11 points in the period.

Joe Perrin led the Eagle attack with 21 points while Dave Schut was close behind with 20 and Craig Reister and Vander Kolk each with 10 counters. Jim Zawachi had 15 points for Wyoming Park, followed by Larry McNeal and Brian Grunewald each with 13 markers.

Hudsonville will host Forest Hills Central Tuesday as they will try to even their present 4-5 league mark.

Van Dyke Scores 1,000th Point In Falcon Loss

ALLEDALE — The basketball game between the Alleendale Falcons and Hopkins was full of excitement for the fans as Wayne Van Dyke tossed in his 1,000th point in varsity competition and later Allen Ryencga tossed in two buckets to put the game in overtime. And finally the Falcons came out on the losing end of a well played 80-77 game with the loss ending their 10 game winning streak.

Van Dyke came up with 33 points for Alleendale while Dave Sall and Dan Young added 12 and 10 points respectively. Mike Smith had 21 markers for Hopkins while Rick Smith had 19 and John McEwen had 16 counters.

The score was close all the way as the score by quarters were 20-12, 39-37, 60-54, and 74-74 at the end of regulation time with Hopkins leading at the end of all the quarters.

Alleendale will travel to Covert Tuesday as they will try to bounce back and improve on their 11-3 record.

Seek Damages In Hudsonville Crash

GRAND HAVEN — Valerie Freeman and her daughter, Linda, of Holland, filed a \$75,000 damage suit in Ottawa Circuit Court in connection with a traffic accident May 4, 1973 at Hudsonville.

Mrs. Freeman claims she was the driver of a station wagon eastbound on M-21 in Hudsonville. Named defendant was Kenneth L. Stonehouse of Grand Rapids, who allegedly was northbound on School St. and failed to yield the right of way to the Freeman auto.

Dinner Honors Safety Patrol At Washington

An appreciation dinner for the Washington Elementary School Safety Patrol was held Tuesday evening at Washington School.

The faculty prepared and served dinner to 50 boys and girls who have faithfully served on the Safety Patrol since September. All members of the patrol are volunteers from the fifth and sixth grades.

Numerous games were directed by Jack Lowe, principal.

Officer John Dillbeck, community relations officer for the Holland Police Department, showed a movie entitled "Rock and Roll With the Safety Patrol" and congratulated the patrol on its safety record.

The entire evening was planned by sponsor of the patrol, Marvin Younger, a fifth grade teacher.

Zoning Appeal Slated in May

City Hall has been notified that three days have been scheduled in May for the Vogelzang zoning appeal. Scheduled trial dates are May 6, 7, and 8.

The appeal in Ottawa Circuit Court was filed after the Board of Appeals denied a zone change from apartment residential to highway commercial on a 22-acre plot north of 16th St. between Waverly and Hope Aves. Plans had called for a warehouse operation.

The case will be heard before a visiting judge.

Group Foster Home Planned For Girls Here

Greater Holland Youth for Christ is planning a Group Foster Home in Holland, according to Gary Ferdig, executive director.

The home is expected to be in operation by May 1, and will accommodate up to ten teenage girls who are wards of the Ottawa County Probate Court.

The Youth for Christ Foster Home, located at 221 West 12th St., will be designed to provide a complete home — life atmosphere for the girls and give them an opportunity to participate in school, home, Youth for Christ and church activities.

Rick Englert, co-ordinator of the Foster Home project, is youth guidance director of Youth for Christ.

Churches and women's groups and societies are helping to furnish the home with furniture, bedding, linens, and other essentials, through special projects.

Students Receive Books Through RIF Program

During the month of February, 350 second graders in area schools will receive a book as part of the Reading Is Fundamental program. The RIF project is being undertaken at Harrington, Montello Park, St. Francis, Washington, Jefferson, Lincoln, Glerum, Lakewood and North Holland schools under the sponsorship of AAUW. Limited funds prohibit launching the project in all second grades at this time.

Mrs. Charles Bradford and Mrs. Ronald Buehner, chairmen of distribution, have been working with their committee to prepare them for introducing the RIF program to the children. This week each committee member visited a classroom to read a story to the children. The RIF representatives used posters and puppets to introduce themselves and RIF to each class. The children were told of the forthcoming book party when they will each receive a paperback book of their choice to keep.

AAUW members helping with storytime are Mrs. Donald Rolick, Mrs. Eugene Emerson, Mrs. Steven Van Grouw, Mrs. James Chamness, Mrs. Thomas Carey, Mrs. Donald Judd, Miss Hazel Garter, Mrs. Jacob Eberly and Mrs. Nyla Heerema.

The aim of RIF is to create the desire to read among all children at an early age by showing them that reading is fun, not a chore.

National RIF is funded by the Ford Foundation and sponsored by the Smithsonian Institution. It provides assistance and technical information and serves as

SOME GOOD SENSE

It was six years ago that former Michigan Governor George Romney made the famous statement that he had been "brainwashed" by U. S. military and diplomatic officials in Vietnam. His statement knocked him out of the presidential race. But looking back, and with all the information that has come to our attention since that time, we conclude that Romney at least had the fortitude to speak the truth. He was right.

Speaking of this incident recently, Romney made the point that a man running for President cannot speak about issues in a forthright manner, for his doing so would make it impossible for him to get elected. This can be a tragedy in American political life. Politicians run around trying to create an image, and that image becomes all that the voter knows about the candidate.

But we have the same problem with sitting office holders, especially members of Congress. There is a great difference between the way congressmen speak and the way they vote. The speech gets into the news, the vote very seldom. And so there is a constant credibility gap that keeps growing. Probably Romney could have made his point with greater clarity. What he was saying is that in politics we lack integrity. And that calls into question our own integrity.

Library Patrons Show Midwinter Interest in Crafts

Books being checked out of the Herrick Public Library this winter season show unusual patron interest in woodworking, weaving, model-making and painting, according to Library Director Roger Walcott. There is also a steady demand for books on knitting, leatherwork, jewelry making, ceramics, macramé and other crafts.

"Interest in hobby books on do-it-yourself subjects is always especially high at this time of year," the librarian said. Most of the requests for material on woodworking, Walcott explained, pertain to the refinishing or construction of furniture and to projects for the home workshop. Weaving data is not confined just to rug making, but also includes the more intricate weaving of scarves, cushion covers and tablecloths.

Those interested in painting, one of the most popular subject areas at the moment, are studying not only the use of watercolors and oils, but the trick of tinting and painting with enamels. In the field of painting, library patrons are trying their hand at everything from landscapes to folk art designs on cupboard doors.

Homemakers particularly are displaying interest in books pertaining to the care and training of pets, the growing of houseplants, the making of jewelry, and the collecting of all sorts of things from dolls, old lamps, buttons and silverware to antique furniture. Teen-agers these days often borrow books to assist in bringing coin and stamp collections up-to-date. They also are interested in information pertaining to record and cassette collecting.

8 Inches of Snow Covers Holland

Bright sunshine Monday put winter at its best in Holland, although temperatures remained much lower than the extended three-week January thaw last month.

An additional two inches of snow Sunday put ground deposits today at 8 inches. Lowest reading for the weekend was 9 degrees.

Victorious in Defeat
John 18:33-38; 19:7-11
By C. P. Dame

This lesson tells about the most famous trial of all history which led to the best known death of all time. God used the evil motives and deeds of men to achieve His purpose and provide salvation to us all.

I. Jesus' kingdom is eternal. This lesson portrays Jesus before Pilate. Judas had agreed to betray Jesus and led a band of Roman soldiers and temple police who arrested Jesus and brought Him to Annas, who once had been the high priest—his five sons and his son-in-law, Caiaphas who was in office then followed Him. From Annas Jesus was led, bound, to Caiaphas.

Two courts tried Jesus. The first was ecclesiastical. This court charged Jesus with blasphemy for He had claimed to be divine. Two religious groups, the Pharisees and the Sadducees, opposed Jesus; the first group said Jesus was a heretic, the second said He was a radical agitator who had interfered with the profitable temple traffic. The religious leaders said Jesus was guilty and deserved death but they could not put Him to death and so they went to Pilate, the Roman governor, to have Him crucified.

Jesus faced Pilate, the representative of Roman might and authority. The civil trial began when Pilate asked Jesus, "Are you the king of the Jews?" Jesus asked him whether he was speaking his own mind or not. Jesus spoke to the governor about His eternal kingdom. Never before had Pilate seen a prisoner like Jesus or heard about this kingdom.

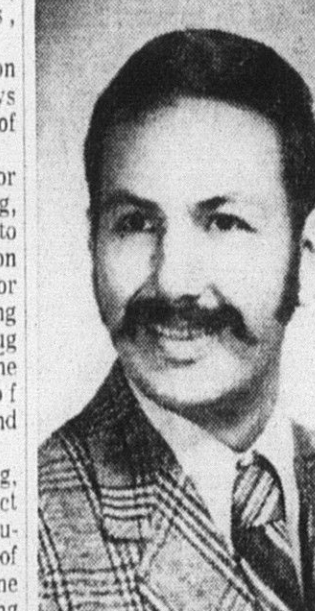

II. Jesus is the king of truth. After the Lord had spoken about his bearing witness to the truth Pilate asked the question, "What is truth?" Was Pilate flippant or serious when he asked this question? Today there are seekers of the truth. The true church proclaims Jesus as the truth and only they who find Him find the truth and the peace that follows.

III. Jesus speaks of responsibility. Pilate claimed the power to crucify Jesus or to free Him. The Jewish authorities said Jesus was guilty and hence should be put to death. Pilate knew Jesus was innocent but when he gave the crowd the opportunity to choose either Barabbas or Jesus for release the crowd disappointed Pilate and chose the wrongdoer. Jesus reminded Pilate that the power he talked about had been given him and added the words, "therefore he that delivered Me unto thee hath the greater sin," namely Caiaphas who had sinned against the spiritual. Both leaders sinned but the one sinned more than the other. Spiritual leadership is more important than political.

Dean Sommers Awarded Ph. D.

Dean Sommers, assistant professor of mathematics at Hope College, has been awarded his Ph. D. by Ohio State University.

Dr. Sommers has been a

Dr. Dean Sommers

member of the Hope faculty since 1969. He received his B. S. degree from Huntington (Ind.) College and the M. S. degree from Ohio State.

Dr. Sommers' dissertation evaluated the factors used in predicting the potential success of Hope College students taking a course in calculus.

One way in which the results of the study will be used is in the strengthening of the advising program for entering freshmen at Hope whose course of study includes calculus, according to Dr. Sommers.

Vocal Duo Give Inspired Performance for Club

By Cornelia Van Voorst
A thoroughly enjoyable afternoon was spent Tuesday when Kiella and Kelly, vocal duo, entertained the Women's Literary Club on the occasion of the 60th anniversary of the dedication of its clubhouse at 10th St. and Central Ave.

The two vocalists, Julianne Cooper Kelly, soprano, and Phyllis Kiella, mezzo soprano, appeared singly and together in well known concert and operatic selections, with accompaniment by Nan Tooman. The three artists, all professionally trained, have performed together for a number of years, and their musicale bore the high gloss of professional performance which compared favorably with numerous appearances in Holland by concert professionals.

Their closing group of operatic selections was enthusiastically received, their choices running to familiar arias from Mozart's "Marriage of Figaro," Rossini's "Venetian Song" and selections from Puccini's "Madam Butterfly" and Richard Strauss' "Rosenkavalier."

Appearing singly, Mrs. Kiella sang a group of Russian selections, three by Rachmaninoff and one by Tchaikovsky, and Mrs. Kelly sang two Rimsky-Korsakov numbers and a Bizet Spanish serenade.

In a solo appearance, Mrs. Tooman demonstrated excellent technique in a Mozart sonata.

Mrs. John Heyboer, club president, called attention to the passing of Dr. Francis Howell, a practicing physician in Holland from 1923 to 1956 who devoted one day a week to conducting a well baby clinic in Holland with the aid of the Civic Health Committee of the club.

Attention also was called to a bridge luncheon Thursday, Feb. 28, at 12:30 p.m. with Mrs. James Mooi and Mrs. Hil Buurma Jr. as co-chairmen. The cost is \$2.50. Guests are welcome and reservations may be made with Mrs. Mooi.

Plans have been completed for a bus trip to the Voight home on Heritage Hill in Grand Rapids Friday, March 15. Lunch will be served at the Women's City Club in Grand Rapids. Cost is \$10 and reservations may be made with Mrs. Jack Yeomans.

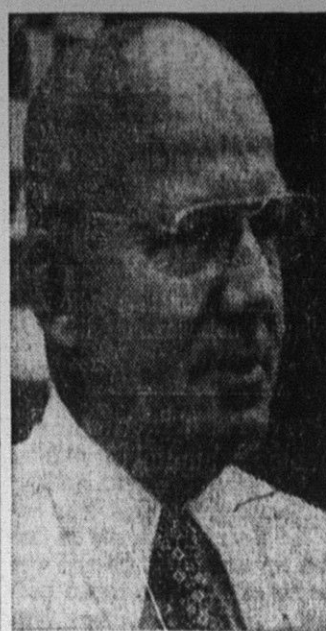

Kappa Nu Holds Regular Meeting

Valerie Cross gave a cultural program on "The Art of Thinking" and led a discussion at the Monday evening meeting of Kappa Nu Chapter of Beta Sigma Phi at her home.

The City Council report was given and plans were made for the joint cultural on April 8 in which Kappa Nu has charge. Members were reminded of the Valentine Party on Feb. 14 with the patients at Parkview Nursing Home. Plans were also made for a cocktail party March 2 at the home of Mr. and Mrs. Don Peffers.

Lunch was served by the hostess and co-hostess, Bettye Overton, and the hostess gift was presented to Barb Israels.

Members attending were Mesdames Eleanor Van Hecken, Linda Patterson, Israels, Overton, Cross, Peffers and Jean Cranmer.

Early Birds Hear Talks On Investments

A bright future for investment operations in cities of 10,000 to 50,000 population is seen by John Bachmann, general partner in the Edward D. Jones & Co. operating out of St. Louis, Mo., who addressed Chamber of Commerce Early Birds at breakfast in Warm Friend Motor Inn Tuesday.

Although his investment firm has been a member of the New York Stock Exchange for 103 years, Bachmann said the firm realized 15 to 20 years ago that vast segments of the country were not served sufficiently, and to date the firm has established branches in 109 smaller cities.

With most Wall Street brokers regarding anything west of the Hudson as the "sticks," Bachmann said his firm has found the people in smaller cities much more objective in their judgments and much more thoughtful in their decisions.

As officer in charge of operations, Bachmann is more concerned with recruiting conscientious young men for his firm, young men whom the parent firm is willing to invest some \$15,000 in developing them as brokers.

"We didn't choose to come to Holland," he said. "Our man, Dave Meier, chose to come here, and he chose it because he thought it was a good place to live and bring up a family. We have found that the Chamber of Commerce is usually the key to whether a community moves forward or backward. Civic pride is important too, and the quality of life certainly is more desirable in Holland, Mich., than in Detroit or New York City. Don't ever underestimate the assets of small communities."

As for the stock market, Bachmann felt that America is in the early stages of a recession, mainly because fewer people are working and unemployment usually is the key to recession. He said uncertainties on whether the President will be impeached, the energy crisis, and today's "peculiar" economy which has outmoded all textbooks on economy, all have their effect on the securities industry, yet in the long run he saw the nation surviving and forging ahead.

As to whether today's shortages are real or contrived, he felt there was an economic dislocation of current supplies and said "signals" are often mixed up. He said America had been warned for years of the energy crisis, yet needed a squeeze to turn to smaller cars. "With gasoline \$1.20 a gallon in Switzerland, perhaps prices in America have been lower than could be expected," he said.

Applications are being accepted for the position of Ottawa County Friend of the Court. A vacancy will occur when George Damsen, Friend of the Court for 19 years, retires Feb. 28.

Circuit Court Judges Wendell A. Miles and James E. Townsend will accept applications until Feb. 20. Gov. William G. Milliken will appoint a successor after receiving recommendations of the Circuit Judges.

Leisure Acres Is Setting For Beta Sigma Phi Event

The annual Beta Sigma Phi Valentine Dinner-Dance was held Saturday evening at Leisure Acres. The six local chapters gathered to honor their Valentine Queens with Xi Beta Tau hosting the event. Mrs. Paul Lambert served as general chairman.

Carrying out the theme of "Royalty," the decorations included red and white scrolls featuring pictures of Valentine Queens past and present, a white coach and white horses trimmed in red and silver and a castle mounted on the walls. Small crowns were suspended from the ceiling on silver ropes and white doves decorated the balcony. Silver and white centerpieces decorated each table.

Following dinner, the master of ceremonies, Paul Lambert, introduced each queen as she entered for the crowning ceremony on the arm of her husband. The ceremony was directed by Mrs. Ernest Wenzel.

Each 1974 queen descended the red and silver decorated staircase to meet her husband and proceeded to the center of the dance floor. There she was crowned, while kneeling under a suspended white crown, and presented with a bouquet of red roses.

Mrs. Albert Centolella of Preceptor Tau crowned her chapter's new queen, Mrs. Frank Bronson, while Mrs. David Lightfoot was presented with her chapter's crown by her predecessor Mrs. Philip Adams of Xi Beta Tau. Xi Delta Pi's first queen, Mrs. James Hatley, was crowned by her chapter's president Mrs. Richard Van

Haver. Mrs. Richard LeBlanc of Eta Gamma was crowned by Mrs. Carl Jaeger, and Mrs. Gary Bartlett of Theta Alpha received her crown from the previous year's queen Mrs. Charles Combs. Mrs. Brad Patterson was presented Kappa Nu's crown by Mrs. David Cross.

Music was provided by the Don Brown Band, and the first song, "Valentine Queen of Beta Sigma Phi" set to the music of "Winter Wonderland," was sung by the band and dedicated to the new queens. Dancing followed.

Each year the Michigan Jaycees give three awards to Jaycees chapters for the best overall local pageant. This year Zeeland was among 38 chapters holding local pageants.

The pageants are judged on program and presentation, qualification of judges, scholarships, publicity and promotion, Jaycee and Auxiliary involvement, sponsor involvement and program book.

The award was presented in Pontiac last Saturday at the state pageant where Laura Ross of Adrian was chosen as Michigan's Junior Miss. Zeeland's entry was Andrea Barry.

Cornie's Corner

Harold Vander Ploeg, former owner of Lakeshore Cabins on South Shore Dr., now living in California, recently found a certificate that was given to his father during World War I with a message signed by President Woodrow Wilson.

In it, the President thanked Vander Ploeg's father for his service to the Committee of Public Information as a four-minute man. Four-minute men made patriotic speeches to support the American war effort.

The certificate was found in Harold's sister's home. Their father was a minister who served many Reformed Churches in the Holland area before moving to California.

The late Judge Cornelius Vander Meulen of Holland also was a four-minute man in Chicago during World War I. He credited this experience for being able to make speeches in later life.

It proved to be a productive experience. The judge's talks were usually brief and to the point. He usually presided at Holland's most distinguished gatherings, such as when Her Majesty Queen Juliana of the Netherlands visited Holland.

Chicken Kiev, the Russian dish, is growing in popularity in the United States. It looks something like a deep fried croquette with sauce.

Here is a recipe from a gourmet club, courtesy Mary Ellen Blessing of Columbia, Mo., daughter of Mrs. Agatha M. of Holland:

6 chicken breasts (halves)
1/2 cup butter
salt
toothpicks
2 eggs beaten with salt
1/2 to 1 cup bread crumbs
2 or 3 cups fat oil
for frying.

Bone breasts (except first wing joint optional) leaving top section of wing meat attached to breast (a butcher can do this). Place butter in freezer at least one hour before using. Flatten breasts with meat mallet. Sprinkle lightly with salt. Divide frozen butter into 6 slender sticks and place one piece in the pocket of each breast. Tuck in ends and roll fillet so that butter is enclosed and secure with toothpicks. Dip breasts in eggs beaten with salt, then crumbs. Repeat in same order (meat browns better if process is repeated). Deep fry in fat about 5 minutes—only long enough to cook meat without butter coming out. Serve immediately with mushroom sauce.

And for those who want to make their own mushroom sauce, here is another gourmet recipe:

8 ounce can mushrooms
1 large onion
3 tbs. butter
2 tbs. flour rounded
1 1/2 cup boiling bouillon (2 cubes)
salt
1/2 cup sour cream.
Saute onions in butter; add flour, consommé, salt and mushrooms. Bring to boil, then remove from heat. Add sour cream when cool. Reheat to serve. This recipe makes about 1 quart of sauce plus.

Got any old, old magazines? The TB, Health and Emphysema Society of Ottawa County is seeking old magazines prior to 1940 to help put together several educational exhibits dealing with smoke and health, for school and community use.

James Lankheet, 74, East 23rd St., has received a copy of an article titled "From Tragedy to Horizons Through the Word of God," from an Iowa publication on the Rev. Allan Dykstra, a graduate of Western Theological Seminary who is back in full, la., in a specially designed home.

A car accident in February of 1973 in Minnesota left the minister paralyzed from the shoulders down. He spent months in hospitals and in the Sister Kenney Rehabilitation Center in Minneapolis.

The new home, designed to meet his restricted movements in a wheelchair, has an elevator to carry him to his den and writing area, lever handles on all doors and cradle-type light switches.

He is currently writing a book on his experiences. An account of great faith, the main factor in his survival, was mentioned in an earlier column.

Rev. Dykstra served briefly as an assistant pastor of Maplewood Reformed Church in Holland.

The new service of stamps by mail service introduced last August has had good response in many parts of the country. In Detroit, a total of 11,517

orders for stamps by mail have been received since last August. Value of stamps ordered was over \$105,000.

Cleveland, Ohio, received some 9,000 orders during a four-week period and the average order was \$8. In Milwaukee, an estimated 200 orders are received daily.

The service was offered in a 13-state central region of the country. For each transaction, the Postal Service charges 40 cents for handling costs, including postage. Handy self-mailers are available. Customers check the quantities of stamps and stamped envelopes needed, enclose a check or money order, drop the envelope in the mail, and stamps are delivered in most cases the second business day.

Initially, the stamps by mail program was introduced to help shut-ins, working mothers and others who could not conveniently travel to the post office. But business people as well as families are finding stamps by mail can save time as well as gasoline.

Hope Stopped In Overtime, 82-75

By Anita Wallgren

Hope College, riding high on six consecutive basketball wins at home could taste victory only to have it snatched away by Albion in a tense overtime, 82-75, Saturday night in the Civic Center.

Hope coach Russ DeVette started Mike Rixsen at forward along with Willie Cunningham at center, and freshman guard Jeff Waterstone, and the three spurred Hope to an early lead, 16-8. Albion countered and took a one-point lead with 10 minutes to go.

Jerry Root of Hope sparked a flurry of scoring and both teams hit quick baskets alternately. Dwayne Boyce and Brian Vriesman brought Hope's lead to four points, but then Albion came alive, scoring 10 straight points in the last four minutes of the half, to lead 40-33. In that scoring drive, Albion substitute Bob Currier made five points and freshman Paul Cryderman tossed in the last basket, capping his 10 point performance in the first half.

The second half started slow and Albion connected on well-timed plays. Hope's offense dwindled as they made only eight points in the first nine minutes. Albion capitalized on fouls, with Scott Clement hitting three out of four in a row, and adding a bucket, bringing the Britons to a 12 point lead, which grew to 51-39 before the Dutchmen called time-out.

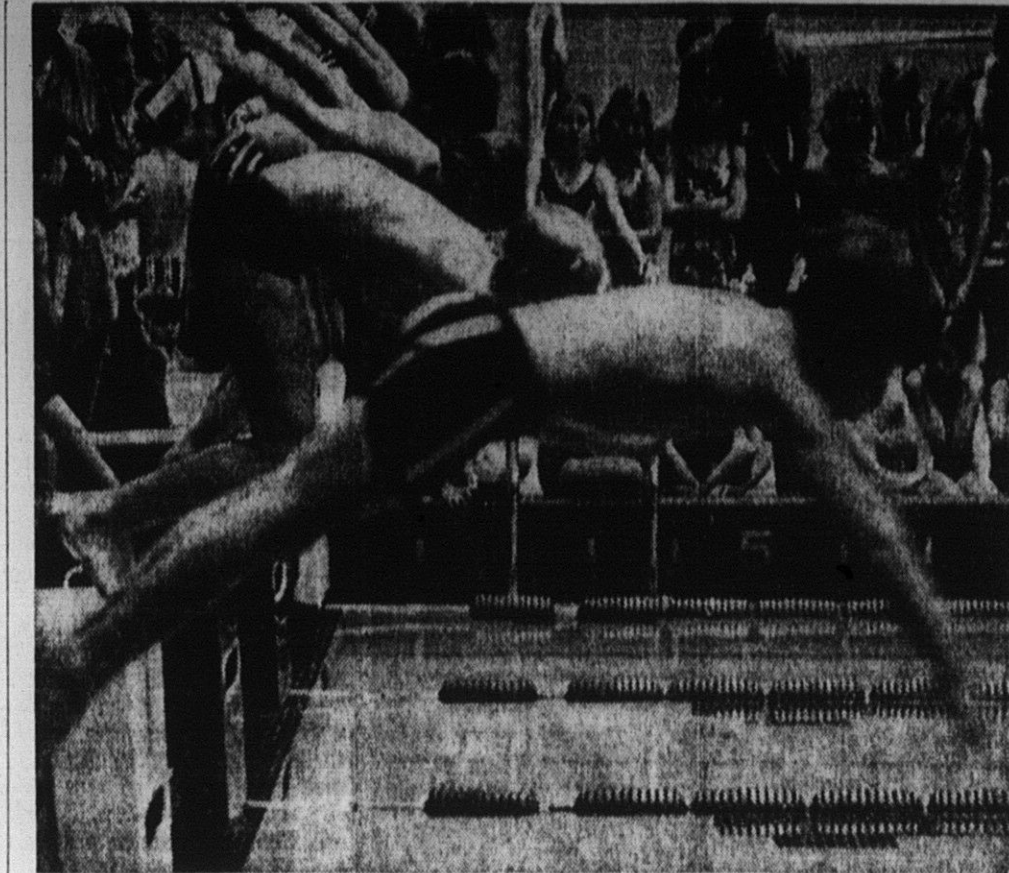

Hope's defense was strongly supported by Jack Klunder's aggressive play and Jim Hovinga's tough rebounding from his guard position. Picking their shots carefully and staying out of foul trouble, Hope came back to tie the score 62-62 after Boyce dropped in a pair of baskets. For the last three minutes it looked like the game would depend on the last basket, but Rixsen's jumper just missed, leaving the score tied 66-66 at the end of regular game time.

The Britons capitalized on fouls in overtime, and there were many. Five out of Hope's nine points came on free throws, and Albion picked up four critical three-point plays. For the Britons, guard Tom Sowles played a spectacular game, scoring 10 of 16 points in overtime.

With 2:20 to play officials called time out after Waterstone pulled a muscle. The large crowd of Hope fans saw Root, Vriesman and Hovinga leaving the game on fouls in the closing minutes of play.

This loss is the first for Hope at home against Albion since 1949, and brings their MIAA record to 2-4, while Albion's is even at 3-3. Albion had never won in the Civic Center.

In junior varsity play, the Britons won, 68-53, with Hope's Steve Vander Hyde and Steve Faas scoring 17 and 14 points

THEY'RE OFF — These are some of many youngsters that competed Saturday in the Western Michigan Novice Swimming League Championship meet in the local community pool. Holland nipped East Grand Rapids, 335-334 to win the title. The event pictured here is the 100-yard freestyle for boys 10 and under. (Sentinel photo)

Holland Takes Novice Swimming Loop Crown

Holland won the Western Michigan Novice swimming loop championship Saturday in the Holland Community Pool before a large crowd by overcoming rival East Grand Rapids, 335-334.

The score was announced to the public as a tie but Coach Barb Bos found out later that the Dutch had won by one point.

Jackson Park was third at 244 with Middleville fourth at 143, West Ottawa fifth at 111, Rockford 91, Northview 79 and Goshwin 22.

The Dutch had several triple winners. Jane Hofmeyer was first in the 200-yard freestyle, 100-yard freestyle and swam on the winning 200-yard freestyle relay in 10 and under and Mike Ver Plank won the 100-yard breaststroke and was also on the winning relay team.

In 12 and under, Anne Carey won the 50-yard backstroke, 50-

yard butterfly and competed in the winning medley relay. Ann Landis won the 200-yard freestyle, 100-yard freestyle and was also on the victorious medley relay.

Sue Bosch captured the 50-yard breaststroke, 100-yard individual medley and swam a leg on the winning medley relay.

Double winners for the Dutch were Gretchen Boeve and Jackie Westrate while winning one event were Larry Looman, Peg Hallacy, Caroline Vander Kuy, Tom Kapenga, Cam Paulson, Tom Bosch, Laurie Mulder, Mark Hofmeyer, Ken Cooper, Sally Bosch, Lindy Brondyke and Janine Palma.

Holland ended the dual meet season at 9-1 and will continue practicing for two more weeks before swimming in a non-league meet against Grand Haven Saturday, Feb. 16.

Saugatuck Comes Out 'Smokin'

Saugatuck's basketball team Friday night looked like Joe Frazier in his prime, as they came out "smokin" in upsetting one of the state's finest Class D teams, the Covert Bulldogs, 67-62.

"We just took it to them," stated Coach Wayne Fries. "It was our biggest win of the season."

The loss was Covert's first loss of the year after six wins. The Bulldogs were rated fifth in one poll and eighth in another going into the tilt. Saugatuck is now 11-5, as they hope to join Allendale in the D rankings.

Saugatuck netted 34 per cent of its shots from the field while Covert was good on 33 per cent. The Indians outscored the Bulldogs, 59-56, as senior Dave "Jill" Bekken had 20, Ralph Troutman 12 and Rich Klavink 11.

Troutman led a balanced Saugatuck scoring attack with 17 counters. Klavink followed with 15 while Bekken had 14. Richie Wilburn had 16 for Covert.

The quarter scores were 20-15 Saugatuck, 38-28 Saugatuck and 47-41 in favor of the Indians.

The Indians will journey to Hopkins for a key league tilt next Friday.

Beyer-De Jonge Wedding Rites Are Performed

United in marriage Saturday in Christ Memorial Reformed Church were Miss Cristi Ann De Jonge and Michael Lewis Beyer. They exchanged their vows before the Rev. Ronald Beyer, uncle of the groom, while Esther Molenaar was organist for the afternoon ceremony.

The bride is the daughter of Jerry De Jonge, 117 North 160th Ave., and the late Mrs. De Jonge. The groom is the son of Mr. and Mrs. Lewis Beyer, 1735 Main St.

The bride was attired in a floor-length gown of white satin featuring an empire waist and long sleeves. The skirt was trimmed with venise lace scallops and the bodice and chapel-length train were edged with matching lace. Her long veil was held by a camelot cap with blusher veil. She carried a cascade bouquet of miniature white carnations with an accent of blue starflowers, ivy foliage and white ribbon streamers.

Jane De Jonge was her sister's maid of honor while Linda Anys was bridesmaid. They wore floor-length gowns of blue satin crepe accented with white ribbon at the empire waists and white lace on the cuffs of the flared sleeves and stand-up collars. Their white hats were trimmed with matching blue ribbon and they each carried a single white rose with greens and blue ribbon streamers.

The groom's best man was Mark Bouwman while groomsmen and head usher were Tom Fouts and usher was Rick Velderman.

Presiding as master and mistress of ceremonies at the reception at the church were Mr. and Mrs. Howard Bouwman. Doug Elenbaas and Sharon Ditch attended the punch bowl while John De Jonge, brother of the bride, assisted with the guest book. Gift table attendant was Mary Kofe.

Following a northern wedding trip, the newlyweds will live at 443 Riley St.

The bride is a receptionist for De Pree Chemical Co. and the groom is employed by the Craft Group in the Mill Assembly Department.

Modders Stars But Dutch Fall, 81-72

By Leo Martonosi

The Holland High Dutch got a great offensive performance from sub Chuck Modders but with star Jud Hesselink in early foul trouble, the Big Reds of Muskegon downed the Dutch cagers, 81-72 Saturday night in the Fieldhouse.

It was the second time this winter that Muskegon defeated Holland. The Dutch are now 8-7 for the season while the Big Reds are 10-5.

Hesselink, the area's top scorer was charged with his third foul with 3:30 left in the opening quarter.

The Dutch of Coach Don Piersma could have easily folded up at that time but with Modders and Tim Boeve picking up the slack, Holland gave the Big Reds a scare before losing.

Tim Van Tongeren's long jumper following the opening tip gave the Dutch a 2-0 lead. The period ended with Holland on top, 21-17.

One of the state's finest big men, Paul Peterman of Muskegon went to the hoop with authority in the second stanza, as he tallied 14 of his game high 36 counters.

Peterman not only did his job on offense but on the defensive boards as well, as Hesselink was on the bench with four personals early in the quarter.

However, the Dutch enjoyed a 43-37 bulge with Modders putting on some nice moves for baskets from his pivot post. The Big Reds bounced back to score six unanswered points to tie the count at 43-all at the intermission.

Paul Van Oostenburg and Modders each netted baskets to give Holland a 47-43 lead in the third period. But two buckets and a free throw by Peterman and a fielder by Hal Allen gave Muskegon the advantage for good, 50-47.

Holland did cut the margin to one point, 69-68 on Boeve's two-pointer with 2:54 left in the tilt.

Muskegon wasn't about to let the Dutch overtake their lead, as they were playing with reserve mentor Warren Ormiston in charge. Head Coach Mike Murphy missed the game because of the death of his mother.

Peterman not only poured in 36 markers but almost outbounded the entire Dutch five, as he had 23 of Muskegon's 48 total. Holland only had 25 team rebounds.

Boeve did an excellent job in holding high scoring Hal Allen to only 10 points. In Muskegon's earlier victory, Allen totaled 39 counters.

The 6'3" Boeve followed Modders in scoring with 17 markers. Van Tongeren chipped in with 10 points. Hesselink, who scored six points, fouled out in the third period with the Dutch

trailing, 54-51. Modders netted 13 straight free throws before missing.

"Modders had a fine offensive performance and Boeve did a good job but we really missed Hesselink on the backboards," stated Piersma.

Holland's jayvees also fell to a season 8-7 record by losing to the Little Reds, 66-63.

Greg Cole and Tony Pannell had 21 and 16 points respectively for the winners while Dave Van Wylen led Holland with 19 counters. Mike Dekker, Tom Borgman and Todd De Young threw in 12, 11 and 10 points in that order.

The Dutch will entertain Hudsonville Unity Friday.

Will Activate Traffic Signal At 8th & Pine

Effective Feb. 11, the traffic signal at Eighth and Pine Ave. will be activated.

City Manager William L. Bopf said the State Highway Department has agreed to the signal after a study of numerous traffic accidents the last year or two. The signal had previously been in operation, but was put on flasher when the one-way system became effective in October, 1971.

The signal will favor Pine Ave. traffic with a shorter period for Eighth St. sufficient for five cars. The timing is sufficient for pedestrian crossing.

The activated signal will be on an experimental basis, and study will continue for a year or so. Possible problems are foreseen in truck traffic turning off Seventh St. and then stopping for either Eighth St. or Ninth St. The city manager has conferred with trucking representatives on solutions.

The changeover will be made at 9 a.m. Feb. 11.

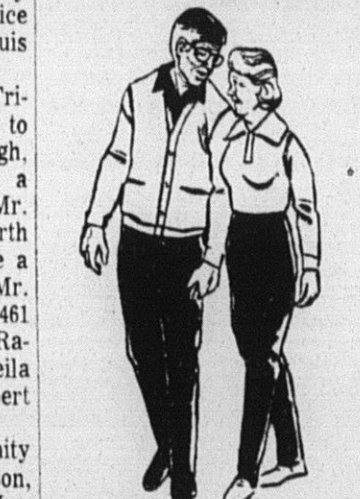

Police to Enforce State Helmet Law

Holland police said they would begin enforcing a state law requiring all persons riding motorcycles to wear helmets. Police said under the law, upheld in an opinion by Circuit Judge James E. Townsend, all persons whether driving or riding a motorcycle, are required to wear the helmets.

Failure to wear the helmets could result in arrest on a misdemeanor charge with a resulting fine or possible jail term.

Police also said the law requires approved eye protection when the motorcycles are operated at speeds in excess of 35 miles per hour.

East Grand Rapids Takes West Ottawa Apart, 72-54

By Roger Kuiken
GRAND RAPIDS — East Grand Rapids called off school Tuesday because of a flu epidemic, and so far as West Ottawa was concerned, they should have called the basketball game too, as the Panthers dumped the Panthers for the second time this season by a 72-54 score.

It was strongly evident that this was not of the Panthers better played games and the flu bug took a big part. West Ottawa's big center, Mark Visser sat out the second half as he did not feel well and Bruce Visser didn't even dress for the game due to an injury earlier in the week. Kelly Solis was under the weather as were several others and they just didn't play up to par.

East was not one of the better teams that West Ottawa has played and had the Panthers shown the kind of aggressiveness that they displayed against Jenison last Friday, they would have made a much better showing.

The Panthers had only three wins going into this game and were 3-10 overall.

The first period saw both teams having their problems as the score was tied at 8-8, but East settled down in the second period and took a commanding 33-20 lead by halftime.

West Ottawa shot only 29 per cent while the Panthers were sinking 42 per cent from the field, and the Panthers rebounding left something to be desired.

East led out by as much as 20 points in the third period and the Panthers never in reach after that. West Ottawa was pressed hard most of the game and though the Panthers were guilty of 22 turnovers, East also threw the ball away 22 times.

Coach Jerry Kismann commented "We did not play a very aggressive game and are capable of playing much better. Too many fouls hurt us and physically we were not up to par."

Overall the Panthers shot a 33 per cent clip compared to East's 37. However the Panthers made 30 fieldgoals to West Ottawa's 20. Both teams have identical 4-10 records for the season.

Norm Walker was high scorer for the Panthers with 13 points followed by Mark Bosma with 10 and Jim Cross with eight. Larry Wawee scored a season high of 28 points for East.

West Ottawa's reserves dropped their game 70-57. The Little Panthers had a 40-34 halftime lead but scored only six points in the third period. John Van Eenennaam led all scorers with 18 points followed by Rick Thompson with 14 and Jim White had 12.

The Panthers host Northwest Friday.

He was born in Holland and had lived in the area all of his life. He was a veteran of World War II, had been employed at Chris-Craft for the past 27 years and was a member of Beechwood Reformed Church.

Surviving are his wife, Geneva; two sons, Barry and Jack, both at home; his mother-in-law, Mrs. Clara Prins of Holland; a sister-in-law, Mrs. Jean Van Dyke of Hamilton; an uncle and two aunts, Mr. and Mrs. Gerald Sagers and Mrs. John Koning, all of Holland and several nieces and nephews.

Personal Property Tax Forms Due

All owners of commercial and industrial personal properties in Holland are reminded that their personal property forms for tax purposes are required to be filed with the city assessor not later than Feb. 11.

In order to receive credit for inventory against the 1974 Michigan Income Tax liability, a signed and notarized personal property statement will be required. Assessor Robert L. Nienhuis said it is the responsibility of the owner to file the information and that failure to receive a blank does not exclude the owner. To date, only about 25 per cent of the forms that were mailed Dec. 31 have been filed.

Rebels Trip Hamilton In O-K Contest, 67-62

HAMILTON — It wasn't by any means like Grant going through Richmond for Hamilton's basketball team here Tuesday night, as the Rebels from Lee tripped the Hawkeyes, 67-62.

The second period did the Hawks in, as the Rebels poured in 24 counters compared to only 14 for Hamilton.

Hamilton tallied 10 points in the first quarter, 18 in the third and 20 in the final stanza compared to Lee's seven, 18 and 18 figures.

Lee held the upper hand in team rebounds. Pacing the Hawkeye attack were Mike Kraker and Mark Naber with nine each.

Naber also led Hamilton in scoring with 26 points while Kraker added 11. Carlson was high for the winners with 25.

The loss was Hamilton's fifth in the O-K Blue Division compared to five wins. Coach Wayne Tennis' five is 6-8 for the season.

Hamilton's fine reserve team captured its 11th tilt in 14 starts, 52-49, Matt Folkert had 15 points for the Hawks.

Caledonia will host Hamilton Friday.

Zeeland Schools Award Contracts For Additions

ZEELAND — Contracts for a six-room addition to the new Groningen elementary school and a four-room addition to Roosevelt elementary school were awarded by the Zeeland Board of Education Tuesday night.

The contracts went to low bidder Pioneer Construction Co. of Grand Rapids on a total bid of \$434,700. Work is expected to begin as soon as possible with completion in time for occupancy in September.

Pioneer was one of seven bidders. The highest was \$459,795. Other bids were received from Highland Construction Co., Lakewood Construction and Lamar, all from Holland, and from De Meester, Oosterink and Pheasant Hills, all in Grand Rapids.

The board approved an athletic budget for 1974-1975 calling for greater appropriations in the area of girls' athletics.

The board approved a contract for Tim Wolters as elementary physical education teacher-conciliator for the second semester. Wolters is a 1973 graduate of Hope College. Resignations of three teachers were accepted. They are Marcia Stegenga, Roger Harrison and Glenn Riksen.

\$6,000 Du Pont Grants to Hope

Hope College has been presented two grants totaling \$6,000 by the E. I. Du Pont de Nemours and Company under its educational aid program.

The grants include a \$5,000 gift designated to the college's chemistry department and a \$1,000 unrestricted gift to be administered by President Gordon J. Van Wylen.

Du Pont has awarded grants totaling \$42 million since initiating its educational aid program in 1918.

The gifts to Hope are among nearly \$3 million in grants to 165 colleges and universities this year.

Awards Made; Officers Elected At Dairy Meet

A Jackson dairy farmer who built the first "lactorium" in the United States was guest speaker at the Ottawa County Dairy Herd Improvement Association's annual meeting Jan. 15 in Hudsonville Christian School.

According to Larry Stebbins, county extension director, the Jackson farmer milks a total of 550 cows, 14 at a time in eight minutes, in his milking parlor which originated in New Zealand.

Stebbins reviewed the annual report. Board members were elected, Robert Vande Bunte, president; Gerald Geurink, vice president and Jerry Fraaza, secretary-treasurer.

John, Jerry and Lyle Fraaza of Zeeland received four trophies for their outstanding herd of 125 Holstein cows. Robert Vande Bunte of Zeeland received a trophy for his high-producing small herd of 26 cows. Others receiving awards for cow and herd performance included John and Bob Pater of Hudsonville, John Mast of Jamestown and Gordon Schreur of Hudsonville.

Schreur was also the recipient of the MABC trophy for high five-year average production increase.

Panthers Defeat Jenison 2nd Time in Wild Contest

By Leo Martonosi

In a basketball game that resembled both football and hockey for action here Friday night, Coach Jerry Kissman's West Ottawa Panthers defeated Jenison for the second time this season, 76-67.

Throughout the rugged contest, players from both teams didn't like what was happening on the court, as near fights almost broke out. In fact, at the conclusion of the game a brief misunderstanding between fans could have resulted in a free-for-all.

"I hate to have something like that happen," said a disgruntled West Ottawa Athletic Director Roger Borr.

Both Kissman and Jenison mentor Larry Randle felt the officials let the game get out of hand.

"It was a great win for our guys," stated a beaming Kissman after the tilt. "We had good team effort and the guys on the bench came through for us too. We kept our cool out there when the going got rough and I was glad to see that."

There was no doubt among the Panthers' fans that the Wildcats seemed to be doing something out of the ordinary.

Randle was rampaging up and down the bench like Woody Hayes does at Ohio State and when one of the officials said a tip at the first half buzzer was no good, Randle shot out like a missile at Cape Canaveral at the ref and was charged with a technical.

West Ottawa's giant center Mark Visser sank the charity throw after both teams had left the court to deadlock the first half explosion at 39-all.

On the wild play, Jenison was allowed to shoot a one-and-one to start the second half, as a foul was called on the play before the technical occurred.

Tim Molenkamp netted both free throws but sophomore Mark Bosma and senior Norm Walker countered with two-pointers to give West Ottawa a 43-41 margin.

With West Ottawa trailing, 46-45, Visser went to the hoop for two more points, as the Panthers held the lead the rest of the way.

The third period ended with West Ottawa totaling 62 markers and Jenison 55 points, Jim Cross tallied the final points of the quarter for the Panthers by grabbing a hard pass from guard Kelley Solis, was starting his first tilt.

West Ottawa's fans were hoping their team wouldn't crack like they did against Holland Christian Tuesday. Even though at times it looked like the Panthers might give the game away again, they didn't and this just might be the win they need, as they attempt to close the season with a winning mark.

Some of the Panther fans cracked, "If we played like this in football, nobody would touch us."

Visser once again paced the West Ottawa attack with 25 markers while Walker came off the bench with 21 big ones. Bosma added 14. Dave Van Sursum and Jim Weemhoff led Jenison with 26 and 22 counters respectively.

This was the first time this season that Jenison had lost a

Zeeland Lumber Loses To Starlighters, 44-37

In action Wednesday in Holland Township Recreation basketball, Starlighters defeated Zeeland Lumber, 44-37. Holland Roofing downed Independents, 40-38 and Pine Creek stopped Kentucky Fried Chicken, 41-38 in overtime.

Dude's handed Jurries Construction its first loss in 10 games, 30-19. Hubbard Feed's smacked Pete's Place, 36-33 and General Electric stunned Overisel Merchants, 37-26 in play Thursday.

league game by over two points. In three previous defeats, Randle's Wildcats fell short by two markers. Jenison is now 5-4 in the league while West Ottawa is 3-5 in the O-K Red Division and 4-9 overall.

It was a happy bunch of West Ottawa reserves that notched its first triumph of the season, 54-52.

"It's great, just great," said a jubilant Coach Ted Hosner. "The guys coming off the bench did a good job."

The Little Panthers blew a 33-20 halftime lead, as the Wildcats tied the count at 39-39 at the end of the three periods, but Hosner's men had enough fire power to tame the baby cats.

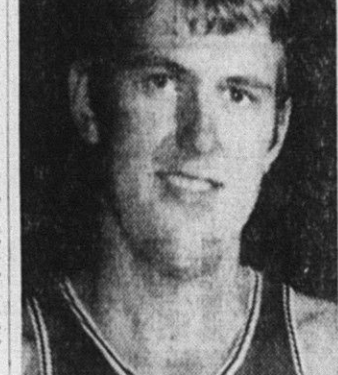

Jim White threw in 18 points for the Panthers while adding 15 apiece were John Van Eenaam and Rick Van Dyke.

Lakers Beat Aquinas For 15th Victory

ALLEDALE — Grand Valley State College basketball team chalked up its 15th win of the season and second over Aquinas College, 93-78 here Monday evening.

Aquinas jumped out to a 10-4 lead but after that it was all Grand Valley, as the Lakers moved out to a 47-38 halftime lead.

GVSC blew it open in the second half by grabbing a 17-point margin with 8:36 to play before the Tommies came back to cut the gap to nine points 85-76 with 3:06 left.

Jeff Lende and Don Myles hit for 29 and 24 points for Grand Valley while Tony Smith and Joe Franges added 14. Steve Krynock had 24 for Aquinas with Al Keener netting 18. Paul Gnepper chipped in with 16.

The Lakers took down 41 rebounds to 36 for the Tommies. Lende had 12 to pace Grand Valley. Sid Bruinsma, who started at forward in place of the injured Kimm Griffin hauled down eight caroms and scored eight points.

Aquinas hit on 40 per cent of its shots while Grand Valley netted a blistering 55 per cent.

Aquinas rugged freshmen team which routed the University of Michigan last week at Ann Arbor, 75-55, just got by the Lakers in the prelim contest, 72-67.

Grand Valley will travel to Northwood Wednesday.

Hope's Ron Posthuma Receives Another Honor

Hope College senior Ronald Posthuma of Grand Rapids has received another honor for outstanding academic and athletic accomplishment by being named to the 1973 College Division Academic All-American football team.

Posthuma was also recently named the recipient of a prestigious National Collegiate Athletic Association (NCAA) post-graduate scholarship.

The Academic All-America football team is selected by members of the College Sports Information Directors of America. Posthuma was nominated by Hope football coach Ray Smith and college relations director Tom Renner who is a member of the sports information directors association.

To qualify for nomination, players had to maintain a "B" average or better during the past year, or maintain a "B" cumulative average for their collegiate career. In addition, they had to be athletes who made significant contributions to their teams.

A political science and history major, Posthuma carries a

3.87 grade point average (on a 4.0 scale). He has been active both on the football field and on campus, presently serving as president of the student body.

He lettered four years on the Hope football teams at defensive tackle. He was named to the all-MIAA squad this past season as the Flying Dutchmen captured the championship with an unbeaten record.

Posthuma is one of just two Michigan collegians named an Academic All-American. The other is Michigan Tech senior center Bruce Trusock of Battle Creek who like Posthuma was an NCAA postgrad scholarship winner.

The Great Lakes Colleges Association is well represented. Joining Posthuma are DePauw running back Neil Oslos and Wooster linebacker Dave Foy.

Posthuma will be honored during halftime of the Alma at Hope basketball game Saturday, Feb. 9.

Century Club Is Entertained By HCT Players

The Century Club members met in Jefferson School Auditorium Monday evening and were entertained by a group of repertory players from the Holland Community Theatre.

Dr. William Arendshorst, president, welcomed members and guests and introduced Mrs. Phyllis Holt who in turn introduced the program "a famous comedy written by a famous playwright to be presented by not-quite-so-famous actors."

The characters were a bride, played by Kathy Haynes; a groom, played by Frank Wierenga; the bride's mother, played by Nona Penna, and the daddy, played by Dick Rasmussen.

The plot concerned a wedding that couldn't get started on time because the bride refused to appear in spite of the sometimes gentle and sometimes dramatic threats of the mother and father.

Mrs. Penna and Rasmussen were convincing in their roles of frustrated parents with whom the audience could identify in some instances.

Mrs. Penna was also the director of this group.

Dr. Arendshorst announced that the March meeting would be in the Festival Room of the Warm Friend Motor Inn.

Mary L. Zimmerman Is Wed to Donald Kooiman

The chapel of First United Methodist Church was the scene Saturday, Jan. 26, of a simple wedding ceremony uniting in marriage Mary L. Zimmerman of Holland and Donald A. Kooiman of Zeeland.

The wedding rites were performed by the Rev. Darwin R. Salisbury. The bride was attended by Mrs. Warren Townsend Jr. and the groom by Gradus Wedeven.

A reception was held after the ceremony at the home of Mr. and Mrs. Daniel Steele and a wedding dinner was served at Point West.

Couple Returns From Trip To Niagara Falls

Mrs. Donald J. Berens (Leavens photo)

Mr. and Mrs. Donald J. Berens are residing at route 2, Dorr, following their honeymoon at Niagara Falls. They were married Jan. 25 in Burdick Wesleyan Church in an evening ceremony performed by the Rev. William H. Osborne. Mrs. Florence Riksen was organist and Mrs. Patricia Heasley was soloist.

The bride is the former Peggy A. Miller, daughter of Mr. and Mrs. Lloyd E. Miller, route 1, Hopkins. The groom is the son of Mr. and Mrs. Phillip Berens, route 2, Dorr.

The bride was attired in a floor-length white gown of organza over nylon featuring two rows of lace down the front, an empire waist and matching train. A Dutch-style cap held her fingertip veil trimmed with matching lace. She carried a cascade of red roses and white carnations.

Miss Vicky Miller was her sister's maid of honor and wore a burgundy floor-length dress of crepe trimmed with white and burgundy lace. Wearing similar pink gowns were the bridesmaids, Miss Nancy Miller and Miss Kathy Miller, also the bride's sisters. Each carried one long-stemmed rose.

The flower girl, Miss Becky Miller, wore a floor-length pink crepe dress and carried a basket of rose and carnation petals.

Attending the groom were his brother, Jerry Berens, Dale Coffey and Thomas Miller. Blain Imminck was ringbearer and Ricky Berens, brother of the groom, and Leslie Scott Miller were ushers.

Snomothon '74 Will Benefit March of Dimes

The second annual Ottawa Sno-Dusters - March of Dimes "Snomothon" has been slated for Saturday, Feb. 9, with the event to take participants to Riverview Park on the Grand River for a total round trip of 42 miles.

Operating much like the March of Dimes walkathons, the snomothon relies on sponsors for each rider pledging a designated amount of money for each mile completed.

Last year's snomothon raised more than \$1,300 for the Ottawa County Chapter of the March of Dimes as 52 snowmobilers rode from Holland to Grand Haven and back.

Sponsor sheets and registration forms are available at Holland area snowmobile dealers and merchants or directly from the March of Dimes. All snowmobilers, whether members of the Sno-Dusters or not, may participate in the program.

Snowmobilers will meet between 9 and 10 a.m. at Lakewood School, 2134 Lakewood Blvd., for registration. Ottawa County deputies will provide an escort along the route. Coffee and doughnuts will be served at Riverview Park with the assistance of the Tulip City CBERS.

Trophies for first, second and third place in amount of money raised will be awarded.

Set Memorial Rites For Mrs. S. Briggs

Memorial services will be held at 2 p.m. Tuesday at Grace Reformed Church for Mrs. Sanford (Virginia) Briggs, 57, of 579 Woodland Dr., who died late Thursday in Methodist Hospital, Rochester, Minn.

Mrs. Briggs was a former resident of St. Joseph, coming to Holland three years ago. She was a member of Grace Reformed Church.

In addition to her husband, Sanford, she is survived by three daughters, Susan, in the Peace Corps in Jamaica, Mrs. Robert (Mary) Foley of Tucson, Ariz., and Patricia, a senior at West Ottawa High School; a granddaughter, Juliana Foley; her father, David Corneliell of Holland; a brother, David Corneliell Jr. of Stockton, Calif., and a sister, Mrs. Reuben La Forge of San Diego, Calif.

Singers at Point West Please Large Crowd

By Anita Wallgren

Playing to a sold out crowd at Point West Monday night, the Serendipity Singers presented a lively performance full of fun and good music.

Although the group was delayed because of traveling difficulties from Detroit, when they stepped on stage to open with a Neil Diamond song, "Thank the Lord for the Nighttime" the audience knew it had been worth the wait.

The singers kept up a fast pace, which included two of their original songs, "Sing Out Brothers and Sisters" and "Sunday Morning Song" (featuring kazoo and plenty of joking around on stage.) Another selection in line with the fun-filled spirit of the evening was Loggins and Messina's "Your Mama Don't Dance and Your Daddy Don't Rock and Roll," after which the audience responded to "I Believe in Music" with hand clapping and singing.

Perhaps the versatility of the group was best displayed in an encompassing selection of songs from "Fiddler on the Roof," and their own arrangement of a medley from the musical, "Godspell."

Two other favorites that were familiar to most of the audience were "Joy to the Word," (which you might know as "Jeremiah") and the song that made the Serendipity Singers famous, "Crooked Little Man."

For the final selection, the singers asked the audience to clap and sing along as they launched into an energetic combination of "Swing Low Sweet Chariot," "This Train," and topping it off, "When the Saints Go Marching In."

A member of the group, Ed Hollingsworth, was pleased with the Holland audience and felt that they were responsive to the group's show. He hoped that this would be the beginning of more live entertainment in the area, a hope which is shared by many residents.

Through the efforts of Richard Den Uyl at Point West, the Serendipity Singers were contracted for this engagement.

They had performed in Detroit at the Yacht Club and will be in Muskegon at the Sports Show tonight.

In welcoming the singers to Holland, two capacity audiences of young and old alike filled the 7:30 and 10:30 shows, and from the response it is hoped there will be more evenings like this.
