Visscher-Brooks Agency**Zeeland Men to Serve On Grand Jury March 2nd**

Several Zeeland men have been appointed on the Federal Grand Jury to convene in Grand Rapids, March 2nd. Among them are, Martin Ver Hage, former mayor, and Johannes De Pree. Holland is not represented this time, although last term two Holland men served. Grand Haven is represented by A. Rutter, Len Hardie, a formerly Holland man now living at Rockford, has also been elected a juror.

Gon De Pree of the De Pree company left yesterday for Des Moines, Iowa where he has been asked to speak to 800 delegates attending the Iowa State Druggists convention. The banquet is to be held at the Savoy Hotel. Thursday afternoon Mr. De Pree will appear before the convention and also speak on business matters to the men gathered there.

Plan Meets for Dairy Men of Zeeland Region

The Mead-Johnson Co. of Zeeland are holding a series of group meetings for the benefit of the milk producers. Problems of the farmer are being discussed under the direction of a field man.

There are 360 producers supplying the plant with milk. These have been divided into small groups. Each group comprises those producing about the same amount of milk. M. Van Zoeren has been engaged as field agent for the Zeeland district.

The Western Allegan Co. Telephone Co. has elected officers for the ensuing year as follows: President, Geo. Teland; Vice pres., Fred Wade; Treas., Leon Shepard; Secy-Mgr., C. W. Bowles. Directors were elected as follows: George Teland, Fred Wade, M. C. Hutchinson, Leon Shepard, and C. W. Bowles.

OTTAWA COUNTY AUTO ACCIDENT PROVE FATAL**CORONER VANDER WATER DID NOT THINK INQUEST NECESSARY**

Glenn Kennedy, 18, son of Mr. and Mrs. William E. Kennedy, of 1348 Scribner ave., NW, Grand Rapids, died at St. Mary's hospital Wednesday afternoon from injuries received when he was thrown from an automobile when the car, in which four members of the Grand Rapids battalion, Michigan National guard were returning from Grand Haven, overturned on M-16 near Coopersville early Tuesday morning.

The youth's skull was fractured and he did not regain consciousness. Coroner Gilbert Vander Water of Holland was called to investigate the accident but felt that an inquest was unnecessary, the elements being to blame for the mishap. The crash occurred in Ottawa county.

The accident which claimed Kennedy's life occurred while he and three companions were returning from a basketball game played in Grand Haven with a team representing Company F, 126th Infantry.

The crash occurred at a curve on M-16 when the car skidded and swerved into a ditch brought about because of wet pavement. Kennedy was thrown through the top of the car when the impact came.

FELL AND LUBBERS TO REFEREE DIVORCE DEBATE

Central Normal of Mt Pleasant and Western State Normal of Kalamazoo will have their first forensic meeting of the season at Kalamazoo Friday afternoon when the women's teams of the two colleges debate uniform marriage and divorce. This is a Lindblom of the Western Normal girls.

FORMER LOCAL MAN GIVEN RESPONSIBLE POSITION**REV. C. B. MUSTE MEMBER OF THE RADIO RELIGIOUS BROADCASTING COMMITTEE**

Rev. C. B. Muste, formerly of Holland, has been appointed a member of the Radio Religious Broadcasting committee of the Greater New York Federation of Churches. This brings him in contact with some of the greatest men in the country. Rabbi Wise, Major Boat of the Capitol Theater, in New York, "Boxy" and a great many others. This committee virtually determines the character and policy of all religious radio broadcasting for the whole country. This is considered a great honor and there is only one Reformed church minister on the committee and only two on the entire committee from Brooklyn.

Mr. Muste is pastor of the "Church on the Heights" located at Brooklyn, and is financial secretary for Hope college in the east. He is now touring the east with the girls glee club of Hope college, arranging all the advance dates and introducing the club to the audiences in the different churches in New York State and New Jersey, all of which cannot help but aid the local institution.

Mr. Muste is the son-in-law of Mr. J. B. Mulder of De Grandt.

TWELVE OUT OF TWENTY-EIGHT INFIRMARY INMATES WANT TOBACCO

When the state welfare commission meets in Grand Rapids Feb. 25 it will consider a report by Secy. E. C. Nicholson of Lansing, on the no smoking rule in Ottawa infirmity. Mr. Nicholson has reported that of 28 men in the infirmity only 12 have expressed a desire to smoke, and five of these are bedridden.

There have been four instances of fires started by inmates smoking in their beds and a ban has long been in force against smoking. It would appear that the entire matter would be easily ironed out if the authorities would set aside a smoking room in the building for the men and allow smokers to smoke there only. It is stated that Mr. Peck is a very able superintendent at the county farm and that the only hitch seems to be in the matter of smoking.

GARAGES FOR CITY OWNED CARS PLANNED**TOTAL COST ABOUT \$2,000; PLANS TO BE DRAWN UP**

It is very likely that the city of Holland will soon have its own garages so that all the city owned cars can be stored in city owned garages. At present the garage room is so limited that place has to be rented for some cars and in one case there is no provision whatever for a city owned car; it has to spend the night like a tramp on the street.

The committee on public buildings, through Ald. McLean, reported to the common council Wednesday night that it would cost approximately \$2,000 to build suitable city garage stalls that would fill the bill. The committee was given permission by the council to have plans and specifications made and to receive bids. These will be presented to the council at a future meeting for the approval of the aldermen.

The ways and means committee recommended to the common council Wednesday night that fifteen cents per square foot be assessed for the sidewalk covering the culvert on Michigan avenue. This report was approved by the council.

PAVING PETITIONS COME FLOODING INTO COUNCIL**TWO MORE RECEIVED; NUMBER EXCEPTIONALLY LARGE THIS YEAR**

And unusually large number of petitions are being received this year by the common council for paving streets. So large is the number that some of the aldermen Wednesday night facetiously remarked that if all those who petition for paving vote for rescinding the \$50,000 bond issue limit for street improvements it will pass by a large majority. And unless all the paving petitions will automatically be denied as there will be no street paving this year.

Wednesday night a petition was received for paving West 20th street west of Michigan avenue. It was referred to the street committee in regular course. Another petition was received to pave a block on 15th street between River and Pine. The council was not in favor of paving a single block but gave the street committee power to take under consideration the paving of the whole of 15th street from Cleveland to Lincoln. The committee will report on this at the next meeting.

WOMEN'S SOCIETIES TO MEET MARCH 9 IN HOLLAND

The annual meeting of the Federation of Women's Societies, 12 in all, will be held Wednesday, March 9, in the Central Avenue Christian Reformed church, Holland.

Dr. J. C. Willits of the Methodist church has been secured as the main speaker of the afternoon. Mrs. C. V. B. Gilmore, president of the organization, will preside. The collection, which usually runs into hundreds of dollars, this year will be devoted to leper work in Africa.

THE CITY LIMITS VOTE TO COME IN EARLY APRIL

QUESTION WILL BE DECIDED AT THE REGULAR SPRING ELECTION

Ald. S. R. McLean asked the mayor for information Wednesday night in regard to the vote to be taken on extending the city limits. Mayor Kahnmerad explained that a vote on this subject will be taken at the regular spring election early in April. This election is ordered by the board of supervisors.

In addition to the people of the city, the people of the territory in the townships affected by it will vote on the question, not the whole township, as is assumed by some.

Holland Man Engaged To a Milwaukee Girl

The Milwaukee Journal of Sunday announces the engagement of a former Holland man. In the social column the Journal says as follows: "Mr. and Mrs. August Schupinsky, First St., announce the engagement of their daughter, Edna Eleanor, to Bernard Houting, son of Gerrit Houting, Holland, Mich."

The picture of the young lady also appeared in the Milwaukee paper which would indicate that Miss Schupinsky is a beautiful girl.

STRANGE BIRD IN WINDOW IS CHAP- PARAL COCK**IT IS A NATIVE OF DESERT AND AN ENEMY OF RATTLE-SNAKES**

A bird exhibited in the window of Ollie's Sport Goods store, from Con De Pree's bird collection, referred to in Monday's Sentinel, is a Chap-paral Cock, also called Ground Cuckoo, Road Runner; Cock of the Desert.

Mr. De Pree states that it is a native of the desert country, and lives among the cactus in the desert regions of Arizona, New Mexico, Texas and lower California. It feeds principally on lizards and rattlesnakes. As a rattlesnake destroyer it has no equal.

The name Road Runner is derived from a peculiar habit the bird has of coming out from the brush along the road, taking its place in the road ahead of a horse or buggy, or an automobile, and leading it a merry race down the road. The bird seems to derive real enjoyment from this. Probably it is its method of play and recreation. It will run down the road ahead of a horse for miles, and has the reputation of being able to trot faster than a horse can trot. With an automobile it is not quite so successful, though it will run down the road ahead of a car at ordinary speed.

When the speed gets too great for it it will dodge into the brush and go on about its business.

All together it is one of the most interesting birds in America, and one not very well known because it is never seen outside of the desert country.

Thomas Smeenge Starts a Parcel Delivery

Thomas Smeenge, 364 West 21st St., has started a parcel delivery in Holland having purchased a small delivery truck for that purpose.

Mr. Smeenge will conduct this delivery business in connection with advertising matter, such as hand bills, circulars and so on.

He has done this work of distribution thoroughly for some time, but felt that it took the parcel delivery together with the distribution of advertising to keep him busy constantly. His phone number is 2770.

HOLLAND MAN ARRESTED FOR DUMPING RUBBISH**PROSECUTOR AND ROAD COMMISSION WILL PUT A STOP TO THIS WORK**

Harry Freeman, living on 24th st., Holland was arrested by Henry Plaggenmeyer, deputy sheriff of Holland township, when he was caught dumping rubbish and waste material along the trunk lines in the township.

Freeman appeared before Justice Charles Van Duren and was fined \$5.00 and \$3.70 costs which he promptly paid. He claimed that he did not know it was against the law, that he did this same thing in Allegan county where nobody objected. He was told that this was Ottawa county by the justice, where roads want to be kept in a clean condition and not unsightly because of filth.

Trees and grass are being planted for that reason and both the road commissioners and Prosecutor Lokker have shown that they will put a stop to turning the country roadside into a city dump.

Mr. Freeman stated that in the future he would dispose of his rubbish where it would not annoy others.

Remains of Mrs. Scott Taken to Fennville

The remains of Mrs. Albert L. Scott, age 48, who died at Grand Haven, were taken to Fennville for burial Tuesday.

Mrs. Scott came to Grand Haven from Fennville last October and her husband was employed as crossing man for the Pere Marquette railroad. Surviving are the widow and the following: Frank Mosher, of Glenn, Mich., Mrs. Henry Lockman and Alice Misher of Fennville, Mrs. George Paul of Coloma and a little six year old daughter, Ruth of Grand Haven.

DIES WEDNESDAY AT ANN ARBOR

Louis Schaap, aged 27 years, and living on the Five Corners South of Holland, died Wednesday at 6:25 at the University hospital at Ann Arbor.

Mr. Schaap was taken to Ann Arbor last week Thursday in a serious condition. He was paralyzed on one side and an operation was necessary. The physicians at Ann Arbor hospital found water on his brain.

The relatives who accompanied Mr. Schaap after he seemed to be feeling quite well and the operation seemed to be successful, and physicians thought him out of danger. Shortly after they returned a telegram was received stating there was a sudden change in Mr. Schaap's condition and he was dangerously ill, and this was followed shortly by one stating he had passed away.

Mr. Schaap is survived by Mrs. Schaap and two small children, Willis, 3 years, and Lester Lee, a few months old, and his father and mother, Mr. and Mrs. Otto Schaap, and three sisters, Mrs. John Geerlings, Mrs. Gerrit Michmerhuizen and Mrs. R. Ryzenga and four brothers, Arthur, William, Henry, Jake and John.

FAIR GROUNDS PROPOSAL PUT OFF FOR YEAR

Ald. Laepple, of the ways and means committee, reported to the common council Wednesday night that the proposal to enter the negotiations for the purchase of the fair grounds for cemetery purposes has been postponed for one year.

Laepple, in making the report, made no explanation of why this conclusion had been reached but he said that the report was made after a meeting with the board of parks and cemeteries.

SEWAGE DISPOSAL PLANT STARTS ITS CAREER SATURDAY**WILL FORMALLY BE PLACED IN OPERATION ON THAT DAY****Council Votes To Place It Under The Jurisdiction of the Board of Public Works**

Holland's \$195,000 sewage disposal plant will formally go into operation on Saturday of this week. This fact was communicated to the common council Wednesday night by the sewage disposal commission. Ald. Laepple, member of the commission making the announcement to his fellow aldermen.

The plant, which has been under construction for more than a year, will not go into full operation on Saturday but it will be pressed into service for about half of the normal load. The system is so far completed that water is already being run thru it for testing purposes. But on Saturday sewage will be run into the system and from then on it will be in operation.

On motion of Alderman Laepple the common council, by a unanimous vote, placed the sewage disposal system under the jurisdiction of the Board of Public Works. The work of constructing the sewer has been handled by a special commission, provided for by council action in a previous session. When E. P. Laepple was still mayor of Holland, this commission has had charge of the expenditure of the \$195,000 raised by bond issue and the sewer system has been built under its direction.

The commission will hand over the completed system to the permanent custodian, the board of public works, and that body will be in charge of its operation.

The commission reported a change in the plans, calling for a relocation of the sewer to avoid a city drain and asked for the council's approval, which was given. Because of this relocation the city saves about \$4,300 because of the fact that the excavation along the new route was shallower than along the old one. The city will relay the walks taken on account of the laying of the new route.

STEEL POLES DONATED TO HOLLAND CITY**INTERURBAN TROLLEY POLES BE- COMES PROPERTY OF THE CITY**

The firm that purchased the Holland interurban company has made the city of Holland a present of all the steel poles along River and Elsie streets on which the trolley was strung. These poles are of value to the city because they are being used for the city signal system, alarm box supports, and in some cases they are used in the street lighting system. Also, when the city is decorated with flags for gala occasions, the steel poles are extremely handy.

City Attorney McBride secured the gift from the company for the city and so announced to the council Wednesday night. It was accepted with thanks. Mr. McBride also announced that he had obtained \$1,250 in paying tax from the company.

Freight from Kalamazoo Comes to Holland

Goodrich Transit Co. will operate direct freight service between Kalamazoo and Holland, having leased the freight warehouse on West Main street, formerly occupied by the Kalamazoo, Lake Shore and Chicago railroad. A fleet of trucks will be operated from Kalamazoo to Benton Harbor and Holland, connecting at the city of Holland with the Goodrich Transit Co. trucks for Chicago. The company will offer free door delivery in Kalamazoo and similar service anywhere in Chicago, at an additional charge of 10 cents a hundred pounds.

YOUNG LADIES ARE HOSTS TO YOUNG MEN**YOUNG WOMEN'S CLASS HOLDS ANNUAL BANQUET AT CENTRAL PARK**

The "Booster" class of young women of the Central Park church held its annual banquet in the church parlors Monday evening. The Young Men's Bible class were the guests and there was a very large attendance and a very pleasant evening was enjoyed by all. After the feast of good things to eat, the president of the "Boosters", Mrs. Elmer Teusink, made a charge of program. A trombone and accordion duet number by Messrs. Harold and H. C. Cook was encored twice. Mrs. E. V. Spaulding gave a musical reading. Mrs. E. Teusink gave an address of welcome and thanks to the responsive Mr. G. M. Nyboer, president of the Young Men's class. Their teacher, Mr. H. H. Cook, gave a short address which was followed by an alto solo sung by Mrs. James Cook. An address by Mr. P. J. Osting, teacher of the Booster class marked the close of the formal part of the program. The remainder of the evening was spent in playing of games.

Mr. C. Kuipers, whose home originally was Orange City and who taught this last semester in the Holland Christian high school, left for Zunil, New Mexico, to teach the higher grades in the mission school there.

Classis Holland of the Christian Ref. Church will convene, on Thursday, February 24, 1927, at 9 a. m. in the Central Avenue church at Holland. Many matters of importance are to be brought up.

Hessel Yntema, son of Nick Yntema of Holland, submitted to an operation for the removal of his tonsils at the Emergency Ward on Tuesday. --Zeeland Record.

INFIRMARY IS A HAVEN NOT REFORMATORY**WELL KNOWN GRAND HAVEN TEACHER URGES COMFORTS FOR UNFORTUNATE INMATES****Educator Has No Defense To Offer For Tobacco But Reformation**

The Grand Haven Tribune of Wednesday dwells at some length on the smoking problem that now besets the Ottawa county infirmity authorities and condemns the ban placed on smoking there. The Tribune also publishes a letter from a well known educator in Grand Haven public schools that is indeed interesting reading. The letter is from Miss Julia Soule a Junior High school teacher who is widely known in educational circles. It follows in full.

"The Editor, THE TRIBUNE:--

"Together with hundreds of your other readers, I am interested in the tobacco ban agitation. I believe that our good and conscientious supervisors of the poor wish to prevent the people who they represent from the use of tobacco. I believe that they may the more truly serve them. For this is a service of a high type, looking after the welfare of our unfortunate neighbors, and we are grateful.

"However, I believe that the nature of our county infirmity is benevolent rather than reformatory. Old age and poverty are inexpressible sad conditions and when they unite human life is indeed isolate. If there is any comfort that will alleviate the blights of age and poverty, shall not a merciful people grant it?

"I have no defense to offer for tobacco. I believe that it is an evil to be classed with liquor and narcotics, and I advocate prevention of habit smoking and reform in cases where the habit has unfortunately been formed. But let us not begin an enforced reformation with the old and the infirm and the unfortunate. What do they care for better health and longer life if their deprivations increase?

"I rejoice that such men as Mr. Bolt, Mr. Luben and Mr. Peck are models in the abstinence of tobacco as they are in other ways. It is evident that our neighbors in the infirmity have lacked the opportunity to be like them in these other ways, and why should they be forced to fit their mold in the matter of tobacco?

"Shall we wait for benevolent people outside of Ottawa county to teach us our duty in mercy?

"I am convinced that to be reassured of the reality of human kindness will do more for the health and the morals of our country than any enforced reformation that can be put upon them.

"Very truly yours,
"JULIA SOULE"

FLINT AGGREGATION SHOWS LITTLE MERCY AS LOCALS HAVE BAD EVENING

Holland's professional quintet met Flint Wednesday night in the Holland armory.

The visitors were in fine shape and scored a white Holland win when all out of shape and scored only one ball in the loop could not help staying in the loop.

To say the least, the crowd of fans saw an all-conference five, play in machine like fashion, with a change of pace and style that had the Hollanders guessing.

The score last night was 56-29 in favor of the visitors.

HOLLANDERS CONFIDENT ON EVE OF BATTLE**LOCALS MUST MAKE A VALIANT STAND AGAINST GRAND HAVEN ON FRIDAY NIGHT**

The Holland high court team is far from being scared of their big opponents for Friday night. Holland has a fine club, but the Hines quintet is not so slow and will give a fine account of itself unless all the dope falls. In the tussle at Grand Haven, Holland got off to a bad start in the first half, but in the second period, they played the Haverdets at more than even. The third quarter, Holland outscored Grand Haven, 12-7, while the fourth period again saw Holland lead by a small margin, 4-3. Grand Haven had enough points to win, but it is unlikely that such a run-away field take place here on the armory floor. Holland will miss the services of Red Spencer, who turned on his ankle Wednesday evening. Red was held in reserve but was a capable man. The Cohr's team will be without Vyn, their big guard, who was lost in the February term. A good stiff defense like Holland can set, if players are in form, which will do a lot to decide who is going to win. There will be a lot to guard, as Sluka Den Herder and Krause are fast, as is P. K. Ke. Determination is written on the faces of the local players and if they fight like Dutchmen, they will make a fine impression. They have little to fear, little to lose, and a lot to win, and the fans are in for a red hot game. Here are the possible starting line-ups:

Grand Haven	Holland
Sluka	F
Den Herder	F
Dirkse	C
Elliot	C
Nesken	C
Referee: Hymanes.	
	De Weerd

The manual training school for boys at Fennville is a very busy place. The youngsters are now working the following things: necktie racks, dish towel racks, book racks, sewing rack, a small portable model boat and middle lap joints. The boys have finished building lockers in the girls' shower room this week. Already the girls have started to decorate them some.

Apples grown on the E. H. House farm near Saugatuck, carried off some of the prizes at the apple show held at the Michigan State college during farm week held at East Lansing. Niels Harris had charge of the display of apples.

SALESMAN WHEN AUTO RUNS INTO CYCLES IN DARK

Leon M. Badger, who lives on East 15th street and who is an agent for a firm selling trees, shrubs and flowers, was struck down by an auto Tuesday night on River avenue, near the Holland Furniture factory.

Badger had been selling his wares in the north end of the city and was going south on River avenue, and he was riding a bicycle, and was thrown to the pavement and was picked up in an unconscious condition.

The unfortunate man was rushed to Holland hospital where it was found that his skull was badly fractured and that he also had a fracture of his right arm. He was taken to his recovery. Mr. Badger died at 11 o'clock Tuesday night.

The Holland police were on the scene immediately. Patrolman Bonte was in charge of the situation. Chief Van Ry called in Davis and his wife, who was riding with him, and coroner Vande Water was also called into the conference. Davis said he was going south on River avenue at about 10:15, and he did not see Badger and his bicycle until the impact came.

He said the bicycle had no lights, at least not in the rear, and Mr. Van Ry stated this was not required under the ordinance, although for protection of bicycle riders such a provision should be made.

It appears that only two men were on the scene directly after the accident, but none but the driver and actually saw it. Mrs. Davis corroborates the story of Mr. Davis.

Mr. Badger is survived by his wife and one daughter, Miss Ada Badger. She is 48 years old.

Coroner Vande Water questioned the man closely and this morning he impaneled a jury composed of A. B. Bosman, Ed. Vaupe, H. Van Tongeren, Peter Selma, John Sturing, and Esbert Barmann. The jury met and adjourned until next Tuesday morning at nine o'clock when it will meet at the Dykstra Funeral Home. Prosecutor Lokker will appear for the people and Coroner Vande Water will be in charge.

SALESMAN HAS NARROW ESCAPE AT GRAND HAVEN

Charles Bolthouse, salesman for the Beers Motor Co. of Grand Haven, had a narrow escape when his car skidded on the tracks at the crossing at Seventh street near the Challenge Refrigerator Co., in that city on Monday about 5:00 p. m. and precipitated his car to some extent.

Bolthouse was coming north on Seventh street and E. H. Nixon was driving south. Another car attempted to cut in, so to avoid a head on collision, Bolthouse ran off into the ditch. The car, striking the telegraph pole with great force, was broken and running gear and other minor damages resulted but the car was able to proceed under its own power. Bolthouse was uninjured.

Motorists Cannot Rush By Street Intersections

Herman Seankamp was arrested by officer Dornbos for speeding thirty miles on Central Avenue. Justice Charles E. Van Duren fined him \$13.70 and promised a heavier fine if such reckless driving is repeated.

It appears that Seankamp had been passing cars at street intersections. There is nothing more dangerous than rushing by streets without regard for the safety of others. Pedestrians, cars coming from all directions, and cars about to turn are placed in jeopardy by such driving, and Justice Van Duren intends to make an example of such offenders in the future when they appear before him.

REPORTS SHOW GOOD YEAR FOR DENOMINATION

The Christian Reformed Church in America has closed a prosperous year according to report sent out from Holland. Statistics taken from the annual year-book show that the denomination with 21,681 families, 48,777 members, 103,920 souls, 201 pastors, and 255 congregations. Gains over the previous year show: Families, 461; members, 1,165; souls, 1,840. The number of ministers, including those engaged in educational and missionary work, and the 28 emeriti, is 266.

The denomination is represented by 15 classes, five of which are in Michigan. The total number of souls connected with the Michigan churches is 51,510, representing almost 60 per cent of the entire strength of the denomination.

Rev. Nordweier, 87, of Grand Rapids, is listed as the dean of ministers. His ordination as a minister took place in 1869, and he has been a minister for 57 years. He became emeritus in 1912.

JOSEPH KARDUX PASSES AWAY ON TUESDAY

Joseph Kardux Sr., aged 68, died Tuesday evening at his home on the north side after a lingering illness. The deceased is survived by his wife, four children, four brothers, three sisters, and six grandchildren. The children are: William, of Holland, Earl of Topeka, Kansas, and Norma E. at home.

The funeral will be held on Friday afternoon at 1:30 at the North Side home. An opportunity will be given to see the remains on Thursday afternoon from two to four in the afternoon and from seven to nine in the evening at the home on the north side. Rev. J. M. Martin will officiate at the funeral and interment will be in the Pilgrim Home cemetery.

Mrs. Frank Roda was a Grand Rapids visitor Tuesday.

Auto Damage Suit Comes Up In Court

Ottawa County Circuit Court has resumed its session and the judge and jury are listening to the case of Fred Pantland, of Grand Rapids vs. Ellman & De Witt, Grand Haven automobile dealer. The case is a suit with relation to alleged over charges which Pantland claims on repairs to his car last May. The bill amounts to \$235 which Ellman & De Witt claim is just. They are represented by Louis H. Osterhouse. Pantland is represented by Leo C. Lillie.

ADDRESS CAUSES SPIRITED DEBATE AT S. P. C. MEET

The Social Progress club had a very interesting meeting Tuesday evening at the home of Mrs. C. VanderMeulen, when Mr. VanderMeulen, as the speaker of the evening, started a more than ordinarily spirited discussion. Mr. VanderMeulen gave an address that he also delivered a few weeks ago before the Century club, on the subject of "Arterio Sclerosis," drawing an analogy from the well known disease and applying it to social conditions.

The reaction of the members was highly interesting and each in turn added his mite to the debate, drawing out many comments that gave the address added significance. The result was a collection of the best of the year. Recently four new members have been added to the organization and three of these were present at the meeting. The four are Prof. Irwin Lubbers, Walter Ritter, S. R. McLean, and Ernest Brooks.

ANNUAL MEETING OF FEDERATION IS ANNOUNCED

The annual meeting of the federation of women's societies of the churches of Holland is scheduled to be held on Wednesday, March 9th, in the Central Avenue Christian Reformed church. Dr. J. C. Willits, pastor of the Methodist church, will be the speaker.

Each year a collection is taken at the annual meeting, the amount of ten running into hundreds of dollars. This year the collection will be devoted to the leper work in Africa, a cause in which the federation has sponsored for some time.

Mrs. C. V. R. Gilmore is the president of the federation and she will be the presiding officer at the meeting. The federation consists of the women's societies of twelve of the churches of Holland.

TELLS OF PURPOSE OF EDUCATION IN P-T ADDRESS

Mr. Fred T. Miles was the speaker at the February meeting of the Longfellow Parent-Teachers club, held in the auditorium of the Longfellow school Tuesday evening. The subject of Mr. Miles' address was "The Purpose of Education." The discussion was a historical nature beginning with the time when boys were taught to read the Scriptures and following period of American history when the purpose of education was to enable one to keep up with the news of the day. This ideal of education soon changed, however, giving way to the idea of education for personal profit.

Mr. Miles then demonstrated the false educational tendency in the case of Leopold and Loeb and finally arrived at the real purpose—to enable one to live a higher and a better life.

HOME VOLUNTEER BAND ELECTS

The Hope college home volunteer band, which is a group composed of young men who plan to enter the Christian ministry, held their mid-year elections last Friday night. The officers elected are as follows:

President, Marinus Moget, Holland; vice president, Lester Bossard, Holland; N. J. Janitor, Donald Hicks, Altona.

This club holds its meetings every Friday afternoon from five to six o'clock and either one of the members leads the meeting or some outside speaker is asked to lead. After the talk by the leader group discussions are held.

RESORT RESIDENT PASSES AWAY IN MISSOURI HOME

Florence Hannah Knox, who for many years has lived with her sister, Frances A. Knox, at Brezzyer's cottage, Macatawa, and has spent many winters in Holland, passed away suddenly at Excelsior Springs, Missouri, where she and her sister were spending the winter. A period of health lasting three years was terminated by pneumonia on January 25th.

Her early life was spent in Pennsylvania, she coming to Minnesota in the pioneer days. She spent much time in teaching and in the care of her invalid mother and other relatives, and was always busy helping others. She was a member of Hope church and of the Elizabeth Schuyler Hamilton chapter, D. A. R., and W. C. T. U.

Appropriate funeral service was held at Excelsior Springs, the sermon being preached by the pastor of the Presbyterian church. Her body will rest in a casket at the Excelsior Springs cemetery until spring when it will be taken to the family burial grounds, a few miles from Rochester, Minnesota, for final interment.

Judge O. E. Cross, of Allegan, is in Grand Haven resuming the January term of circuit court. An opportunity will be given to see the remains on Thursday afternoon from two to four in the afternoon and from seven to nine in the evening at the home on the north side. Rev. J. M. Martin will officiate at the funeral and interment will be in the Pilgrim Home cemetery.

Mrs. Frank Roda was a Grand Rapids visitor Tuesday.

FIRST RABBIT ARE RELEASED AT GRAND HAVEN

Robinson township's animal population is expected to increase rapidly as two young wild jack rabbits from Kansas were turned loose there this morning.

Ottawa county's latest citizens arrived by express from Severy, Kas., and they are far from tame. They refused to touch carrots or cabbage, the tempting delicacies which Michigan bunnies love.

Traveling in individual compartments, a dozen to a crate, the rabbits arrived in good condition. Their first hops were rather dinky ones, as they were still from the long train ride, but they soon disappeared in the woods where their presence is expected to greatly stimulate sport for hunters.

A gross of Western breed will be received at Grand Haven this winter, an area that will be distributed by the local Walton League chapter.

Tuesday was the last day that snowshoe rabbits can be hunted in Michigan. The cottontails earned a legal take, guns into the woods. The muskrat and mink season opened Feb. 1 and skunks are fair game to March 31.

Mother of Grand Rapids Resident Dies in Grand Haven

GRAND HAVEN, Feb. 16.—Mrs. Grietje Haan, 74, one of the Holland residents of the city, passed away at the home of her son-in-law, Herman Van Oypnen, She was born in The Netherlands and is survived by the following children: Edw. Haan, 56, of Grand Haven, Mrs. H. B. Baitjes of Grand Rapids, Jerry Bolhuis of this city, and Mrs. A. Kuiper of The Netherlands.

JERSEYS WIN IN CONTEST

There were 212 cows tested in the West Allegan cow testing association for the month ending Jan. 31, 1927. Out of the total number 82 produced 100 lbs. or more of milk, 40 over 50 lbs. and 15 over 60 lbs. The average for the month is 700 lbs. of milk and 34.2 lbs. of butterfat.

The herd of grade Jerseys owned by J. K. & F. M. Barden are high with an average of 971.5 lbs. of milk and 55.06 lbs. of butterfat. Other herds averaging over 40 lbs. of milk are: G. N. Carman, 40.66, Henry Johnson, 42.35, J. D. Wedge & Sons, 40.02, H. N. Dykhuus, 40.01.

SCHOOL CAFETERIA IS VERY POPULAR

Every noon at school is dismissed a large group of hungry children. They can be seen forming a line at the cafeteria door at junior high school. It is difficult to keep order at such a time as many pleasant remarks are heard from the children.

Under the successful management of Miss Lavina Cappon, the local school lunch service has become a vital necessity to both pupils and teachers. It is a common everyday matter for Miss Cappon and her advanced home economics classes to feed from sixty to eighty children and teachers, besides the children who take their own lunches and order only warm drinks. A forerunner of the fine home-cooked food, had for 45c. The usual order cost only 20c and for this reason the cafeteria is well patronized. Profits from service have been paid for furnishing the lunch room and kitchen.

On one day the record of serving 185 lunches was established. On this occasion a special dish washing crew was kept busy supplying the demand for more plates and cups. Mrs. Moody in the regular course of her duties, the Standard Grocer Co., being patronized. Miss Cappon also takes charge of supplying fifty pupils with milk during the morning. This habit was acquired by the pupils in the grade schools where it proved very beneficial.

AKELELY HOME AS HOSPITAL IS PROPOSED

Grand Haven Tribune—There will be a meeting of the directors of Akeley Institute in Grand Rapids on Wednesday. It is likely that a final decision will be made in regard to the disposition of the property.

There is a wide-spread sentiment in favor of the city taking the property over. Located as it is, right opposite the park, it would be a pity to have the property given up for commercial purposes, because in the years to come as the town grows a site well suited for a hospital. The Holland Intercity will be needed for municipal purposes. William Hatton, one of the local trustees, has a scheme in mind to convert the brick building on Columbus street into a hospital, making it a community affair and operating in the same manner as the present institution. As is well known, he is absolutely opposed to a municipally managed hospital. Politics are apt to creep into the management and he feels that the annual drives that he is making year to year to make up the operating deficit have an educational feature that brings out the best that is in the community.

SAUGATUCK WAS LOOKING FOR A RAILROAD IN 1880

An old file copy would indicate that Saugatuck and Douglas have been having a hard time to establish a railroad. The Holland Intercity was the nearest the cities ever came to rail connection and those hopes have gone glimmering.

The old file copy of January 16, 1880, shows that a road was nearly secured but some little file trouble prevented it. "The Douglas folks have subscribed \$10,000 toward the building of a plug road from Pennville to Douglas. The railroad agrees to build it to that point if \$12,000 be subscribed. It is now Saugatuck's but in. We want a railroad here too."

All ladies of the Star of Bethlehem, O. E. S., No. 40, are invited to the card party to be held in the temple Thursday afternoon.

George P. Hummer Estate Appraised at \$187,390

In the report filed Tuesday in Kent county probate court in the estate of George P. Hummer, former furniture manufacturer, Harry D. Jewell and Herbert W. Curtis, appraisers, fixed the value of the property at \$187,390. Of this amount \$172,150 is represented by personal property.

George P. Hummer was former owner of the West Michigan Furniture Co., Holland and was killed in an auto accident some five years ago while going from Holland to Grand Rapids.

FENNIVILLE MAN NO LONGER HEAD OF STATE CANNERS

Dan S. Gerber of Fremont was elected president of the Michigan Canning Association at the opening session Tuesday in the Hotel Hamilton, Grand Rapids, succeeding M. C. Hutchinson of Fennville, William P. Hartman of Grand Rapids, former secretary, was elected vice president, and Chester P. Ray of New Era, secretary.

Three new members of the executive committee are Mr. Hutchinson, E. P. G. Gill of Central Lake and L. L. Sears of Grand Rapids.

The association at present has the largest membership since its organization over 29 years ago. Prospects for the year pack were reported very encouraging.

The Michigan department of agriculture will devote its entire attention to law enforcement and will leave educational work to the Michigan State college. Herbert E. Powell, Michigan department of agriculture, asserted in his first public address since taking office.

"I am not prepared as yet to go into details regarding the policy of my department," said Mr. Powell. "Perhaps it is appropriate that I should make my first address as commissioner of agriculture before the canners, as we seem to have something of a 'canning' problem in my department in Lansing."

"In enforcing the food laws we shall be doing a great service to the public. We wish to do everything possible for the grower. My impression is that the Michigan canning industry as a whole is doing everything possible to carry out the law's requirements."

Some of the problems of the United States bureau of chemistry were described by Dr. George W. Hoover of Washington, chief of the central district.

Sixty per cent of the foods we eat are too greatly refined to give the body the proper elements. S. F. Korman, assistant to the director of the research laboratory, H. D. Hooper, assistant to the director of the research laboratory, Washington told the canners. Commercial canning for the most part retains vitamins and mineral salts and constant improvements in packing methods permit canned foods to compete with fresh produce.

The picture deals with a box of money to be used for the purpose of building a dam, is entrusted to the sheriff, but is stolen by actors in a medicine show.

The story is a long one, in which the simple son is always discredited and never allowed to take a part in family affairs, however, in the end, "Simple Simon" proves himself head and shoulders above the rest of the family. He captures the thieves, brings back the money, saves his father from disgrace and the way he brings this about creates so many laughable incidents that the audience is scarcely over one laugh when another is bound to follow.

A town bully enters into it and almost a beautiful girl. Harold naturally goes to the girl from some trying situations and in the conclusion of the picture it cannot help but be understood that a wedding is bound to take place.

Harold Lloyd is still at the Colonial and will be to and including Thursday night.

NEW SCHOOL IS CONDEMNED BY THE STATE BOARD

The board of education of school district No. 1 of Fennville township has received official notice from the state department of education a Lansing that the school house in this district has been condemned and steps will have to be taken to build a new school.

This school house was the center of a hot controversy in the district a year ago when attention was called to the defective condition of the building. At the time a part of the district was in favor of building a new school and a part was against it, the district being so evenly divided at the meeting of the citizen school board that a new school was not built.

The subject gave rise to a stormy discussion that lasted not only for the period of the meeting itself but that was carried on for some time later.

A meeting of the district has been called for Monday evening, Feb. 21 at 8:30 o'clock at the school house for the purpose of taking the condemnation order under consideration. The district will then have to decide whether it wishes to build a new school. The condemnation order carries with it the fact that unless the district builds the school, the state will do so and assess the cost against the property. This is the usual procedure when a school has been condemned and when the district does not act.

Another matter to be considered is whether there is to be a bond issue or whether cost is to be taken care of by liquid notes. The district has until August first to act on the state's condemnation order. It is expected that a building costing about \$8,000 will take care of the situation there.

"THE KID BROTHER" SURELY A SCREAM AT THE COLONIAL

The constant roar of the audience at the Colonial theater Tuesday night would convince anyone not in the theater, but standing on the outside, that a good show was in progress within.

For the first four days this week, Harold Lloyd, the funniest man on the screen appears in "The Kid Brother."

The kid brother is Harold, of course, the simp, with no account with his father, Sheriff Hickory of Hickoryville. Then two robust strapping comers from the hills are introduced to the fact that 4000 hills were before the legislature of Michigan and although it has been in session for six weeks, nothing has been passed.

Mrs. C. K. Van Duren then read a very interesting paper on the legislative committee for the educational fund had been increased by \$182.80 as a result of the offering received a few weeks ago.

Mrs. C. K. Post reported for the legislative committee that the educational fund had been increased by \$182.80 as a result of the offering received a few weeks ago.

ALLEGAN CO. BODY HAS HIGHEST TEST IN UNITED STATES

The annual meeting of the West Allegan cow testing association was held Feb. 7th. Henry Johnson was reelected president and Mack Atwater was chosen secretary. This association occupies a very enviable position, as it has the highest average record per herd of any cow testing organization in the United States for the past two years.

It is needless to add that this is sure to prove a great advertisement for the dairy interests of the county. Nearly all of the men that belong to this organization are fruit growers, and many of them consider their cows as a spur to the regular dairymen of the county who are not as yet connected with cow testing work.

A meeting of the Central Allegan cow testing association will be held at 2 P. M. Feb. 23 at the Mercon church.

The pruning demonstrations of the week were very successful in all respects. Fully 75 different fruit growers attended during the three days. Mr. Cardinell is conducting a pruning experiment in the Nichols orchard. A portion was pruned two years ago, another portion last year, and still another this year. As a check, a certain number of trees are left unpruned. The orchard should bear a crop of fruit this season. If it does it will be a good opportunity to draw some quite definite conclusions in regard to managing the old apple orchards.

About fifty farmers attended the extension meeting at Dorris last Friday. The interest was very good and many dairymen caught a new vision of their opportunities. It was a great encouragement to hear one man say that the meeting was worth five dollars to him. A certain number of trees are left unpruned. The orchard should bear a crop of fruit this season. If it does it will be a good opportunity to draw some quite definite conclusions in regard to managing the old apple orchards.

The annual meeting and banquet of the Fennville fruit exchange was held Saturday. Two hundred were present to partake of the excellent dinner. Prof. Charles E. Van Duren of Michigan State college gave a splendid address. Figures he presented indicate that there is much opportunity for fruit growers to increase the quality of the apples being produced in the county. Forty per cent of the apples handled by the exchange failed to grade A, because of lack of size. This suggests that there is much need for more pruning and thinning.

An all-day peach meeting is to be held by the Fennville canning factory Sat. Feb. 19. This is for the benefit of peach growers and all interested parties are invited.

Grand Haven Woman Dies On Same Date As Her Husband Died

Mrs. Grietje Haan died Tuesday morning at the home of her son-in-law, Herman Van Oypnen, Grand Haven, at the age of 74 years. She was the wife of the late Sikke Haan who died just seven years ago to the day. They were both well known Holland residents of that city and had lived here most of their lives.

STATE PUBLIC UTILITIES HARD ON INTERURBAN

The Michigan public utilities commission has issued an order granting the Grand Rapids Trust company, as receiver for the Muskegon Interurban, the right to run buses as far as Grand Haven. The receiver petitioned for the right to run buses over the entire route to Muskegon on the theory that this would permit, through the correlated operation of interurban cars and motor buses, more frequent service at less cost, thus benefiting both the public and the company.

The utilities commission order, however, does not cover the Muskegon run. The receiver points out that the partial permit granted by the commission is worse than useless, because it would not permit correlated reorganization of service over the entire line. It merely would permit of supplemental service to Grand Haven. Therefore the receiver is again petitioning for the complete through permit.

"Unless something of this character can be done, officers of the Grand Rapids Trust company sold yesterday, it is likely that the Muskegon Interurban soon will be going the way of the old Holland Interurban."

ASKS PUBLIC TO HELP PROTECT ALL CITY FLOWER BEDS

Park Superintendent Van Bragt made a plea today to the people of Holland to help him save for the public the flowers that have been planted in the park. An unusual situation has arisen because of the late season. The flower beds, which are exposed at a time of year when usually they are covered with snow and ice, are already beginning to appear above ground.

Van Bragt is appealing to every citizen who sees a child climbing over the fences in the park to report the matter to him. He is also appealing to every citizen who sees a child climbing over the fences in the park to report the matter to him. He is also appealing to every citizen who sees a child climbing over the fences in the park to report the matter to him.

But Mr. Van Bragt declares that it is not the public who are the trouble. It is the money that is lost by this practice. If every citizen would help and remind the children, the city would be saved a great deal of money.

Mr. Van Bragt also made his appeal to the teachers and parents to ask the pupils to stay on the paths at this time of year when such damage can be done in a very short time.

The park superintendent said he realizes that the children do not damage the flower beds intentionally. They walk on them thoughtlessly. But the damage is the same as if it had been intentional. Many bulbs are destroyed and much of the work put into the beds goes for nothing.

Grownups, said Mr. Van Bragt, are also doing much damage to grass at the edges of the walks in wet weather. He asked them to use the sidewalks at such times and thus save the lawns in the park.

Miss Bernice Putnam and Miss Edna Putnam made a raid on Douglas, Saugatuck, Pennville and Pullman, in Allegan county, Tuesday and Wednesday, to help in the American Legion popularity contest.

Miss Bernice Putnam, who is high up on the list of contestants, hails from Allegan county and judging from appearances the Legion contest is going far beyond the borders of the state.

Dr. Albert Hyma, assistant professor of history in the University of Michigan, expounded a number of original theories in relation to Calvin college, Grand Rapids, on "The Relation of the Brethren of Common Life to Calvinism."

Departing from the usual trend of thought in Calvinism today, Dr. Hyma said that Calvin was not original in his thinking; that he gave no new doctrines to the faith, but that he took the old doctrines and explained them in a new way. It was his interpretation which gave the appearance of new thoughts, he said.

Dr. Hyma began his lecture with the explanation of the historic background of Calvinism, beginning with the Protestant Reformation.

Although Dr. Hyma claimed that Calvin was not an original thinker, he credited the founder of Calvinism as being the greatest thinker in all Protestantism and as being responsible for the introduction of law and order in the educational system. He granted that Calvin was not the only great man who was not an original thinker, but that Luther got his ideas from a preceding age.

Wm. Connelly, of the Ottawa county road commission, left for Ann Arbor to attend the annual meeting of the Michigan State Highway Commission.

The Holland City State bank will also give free service to those who have difficulty with their income tax returns. They have employed Mr. Wheeler of Lawrence Scudder & Co., expert income tax man who will be at the bank four days, February 21st to 25th. All Holland banks are to have expert accountants here to help with income tax returns. These services are free of charge.

THE STAR SPANGLED BANNER By Mrs. Louise V. Brand (February) Scott Key, American lawyer and poet, was a prisoner on board a British Man-of-War in position to watch the attack of the British upon the City of Baltimore in 1814. The British on the vessel watched intently the flag floating over Fort Mifflin every moment hoping to see the British Emblem take the place of the American flag, but as Old Glory continued to float over the Port, Mr. Key wrote the words of "The Star Spangled Banner."

When this National Hymn is sung or played, all present should rise and stand at attention, facing toward the music. It should not be played as a part of a Medley or as an exit March. Please have your Chapter sing on verse of "The Star Spangled Banner" at this time.

Oh, say, can you see, by the dawn's early light, What so proudly we haled at twilight's last gleaming: Whose broad stripes and bright stars, through the perilous fight, O'er the ramparts so watchful, were so gallantly streaming:

And the rocket's red glare, the bombs bursting in air, our flag was still there.

Ray Fox, maintenance officer of the Ottawa County Road Commission, left Tuesday for Ann Arbor where he will attend the Highway Engineering Conference.

HOPE ORATORICAL MEET IS SCHEDULED IN APRIL

Hope coeds are planning to enter the local oratorical contest the last week of April. The prize is \$25 for the winner, who also will be Hope's representative in the Michigan Oratorical league contest in 1928. The sophomores and freshmen are entitled to two and the juniors to three representatives in the final contest.

Miss Sandrine Schutt will represent Hope in the annual Michigan Oratorical league contest next month.

WEST MICHIGAN TO ASK WORLD TO A LONG SWIM

Winter sports and courtesy to visitors featured the discussions in Muskegon Monday of the monthly meeting of the Western Michigan Development association. President John G. Emery of Grand Rapids presided over the meeting and banquet at the Century club, attended by 35 members of the association.

A plea for co-operation in the proposed winter sports program was voiced by President Emery in his address, and also by Chas. Palmer, president of the sports committee. Plans for a mammoth winter carnival, tentatively set for the last week of February next year at Muskegon, and for a year around sports program in every community along the shore line were widely discussed, and the committee instructed to present a recommendation for a concrete program at the next meeting to be held March 28 at Ludington.

The proposed long distance swim to be staged next summer also came in for a share of the discussion, but was left for more definite consideration and report later. It is proposed to start the swim either at Grand Haven or at Muskegon, finishing at the other city, with a prize of sufficient size to attract the leading swimmers of the world.

The necessity of courteous treatment to the "stranger within the gates" was stressed by President Emery, Mayor Dratz, who gave the address of welcome, and City Manager J. A. Ellison, all of whom were instrumental in continuing the state as a resort center.

President Lawrence W. Smith of the Grand Rapids Association of Commerce in his address stressed the importance of the development of knowledge of Indian lore and re-creating of the hundreds of lakes and streams in the state by the euphonious expressions given them by the natives, might pay big dividends in tourist trade.

Up to January 1, the movement for the two seasons was nearly the same both in Michigan and the United States as a whole, but on February 1, 1927, the total shipments reported for Michigan this year were 9,816 cars as compared with 8,807 cars reported at the same date last year.

For the country as a whole, 119,521 cars were shipped to February 5 against 116,187 to the same date last year. These figures indicate that the movement to date is in keeping with the larger crop produced and bears about the same ratio to the total production.

The total carlot shipments from Michigan in connection with the 1926 crop were 14,202. With an excess of 1,000 cars to February 5 this year over a corresponding date last year and a relatively larger quantity yet to be removed, the indications point to a total movement of between 16,000 and 17,000 cars for Michigan from the 1926 crop.

Prices are much lower than one year ago and this will tend to lessen the proportion of the crop moved. There are also indications of an increased acreage to be planted, which will require a larger quantity of seed.

SPUDS ARE STILL PLENTIFUL IN MICHIGAN BINS

The merchantable stocks of potatoes on hand in Michigan on January 1, 1927, are estimated at 2,000,000 bushels as compared with 7,300,000 one year ago. The stocks in the 19 surplus potato states are 72,244,000 bushels against 63,198,000 one year ago, and in the deficit states 10,145,000 against 6,810,000 one year ago. While the total stocks were 2,821,000 bushels greater than on January 1, 1926, the movement since January 1 of this year has been heavier than for the corresponding period in 1926.

Herbert E. Powell, Commissioner of Agriculture and Commerce, H. C. United States Agricultural Statistician for Michigan.

WANT OPEN SEASON ON DEER NOV. 10 TO 25

The West Michigan Game and Fish Protective association declared itself in favor of an open season on deer from Nov. 10 to 25, at its regular monthly meeting Thursday. It was stated inadvertently yesterday that the dates favored are Nov. 10 to 15. The association refused to endorse the proposal from the Michigan Conservation congress to limit the season to the last ten days of November.

OLIVET COLLEGE TO ROUND OUT 83 YEARS OF SERVICE ON FEB. 22

Olivet college will celebrate the 83rd anniversary of its founding on Feb. 24.

Founders' day services will be held in the Congregational church Thursday morning. There will be an academic procession from the chapel to the church with the college choir singing the processionals. The principal address will be given by Hubert Lyman Clark, Ph. D., curator of paleontology in Harvard museum, who was for six years professor of biology at Olivet.

HOPE GLEE CLUB MEETS WITH SUCCESS IN EAST

The Hope college girls' Glee Club, being enthusiastically greeted by large audiences on its concert tour through the east, according to letters from its members.

At one place in New York more than 500 attended the concert and the collection netted \$155.50 for the girls' traveling expenses.

House Set Afire By Lightning Flash

The home of Mrs. Ella Ward, East 9th street, was struck by lightning last night. The exact amount of the damage could not be estimated today. Quite a little plaster was knocked down and other damage was done. The house caught fire but the blaze was soon put out.

OVAL AT OTTAWA BEACHES WILL HOLD A THOUSAND CARS

Carl Bowen, Ottawa county engineer, and J. H. Hoffmaster, state superintendent of parks, were at Ottawa last week conferring on the new parking space to be constructed during the coming season, linking up the parkway with the extensions of the present Alpena Beach road, the new road running south from the Waukago intersection to Waukago and west along Macatawa bay to Ottawa Beach.

The plans for the new park are not yet completed and must wait on the getting of the \$10,000 appropriated by the state, for this amount will make a good start on the parkway which is planned to hold 1,000 cars and be fully as large as the one at Highland Park at Grand Haven.

That park occupies about fifteen acres and has a splendid beach that can accommodate almost any number. It is expected the space will be added to as the demand grows.

The present bathing houses, about 90 in number, are to be put in good condition which together with the cement construction will be the only improvements during the present season.

The new cement road of four miles extending from the present limits of the Alpena Beach road will wind and skirt Black Lake, a thickly populated resort section, and lead directly to this new parking space.

The new parkway will greatly relieve the congestion at the Oval at Highland Park, Grand Haven, which on holidays and Sundays is taxed beyond its limits.

MINT GROWERS FORM ASSOCIATION

At a recent meeting in South Bend of the St. Joseph Valley Mint-growers association, growers are proposing to make South Bend headquarters for handling the entire mint oil crop of the country, for nearly all the oil is produced in that vicinity and in the western Michigan. Oil is now sent to New York and is manufactured under control of speculators who hope still to maintain control and who will, of course, oppose the South Bend scheme. It is intended to use the oil for the manufacture of the oil and supply the complete products to the consuming markets of the world. This necessitates a large capital but it is contended that this is obtainable. Growers of mint have not received a fair share of the total manufactured product they claim.

The doom of the farm wagon car is a moral which no business man in any line of industry can afford to ignore. In the opinion of E. W. McCullough, manager of the department of manufacture of the United States, the moral is that no particular line of business is certain to last forever. The business man who does not count his costs—the moving finger that writes his destiny—does not know what the future holds for him.

"It seems but yesterday," Mr. McCullough said, "that I entered the business of making farm wagons. It was an indispensable necessity twenty-five years ago. The sixty or seventy manufacturers were turning out 500,000 farm wagons annually. The buggy and carriage makers produced fully 1,500,000 horse-drawn vehicles. In addition there were the horse accessories—whips, harness, blankets, horseshoes."

"Today these lines have practically passed out to make room for the rapid-moving automobile and truck and even the wicker smithy is replaced by a garage."

"I could enumerate a hundred lines of business this evolution has wiped out and lines without number have changed in materials, construction and form. Progress has always produced changes and never having moved at so rapid a rate as now."

"The ideal of manufacturing is the conversion of natural resources into the greatest number of commodities at the lowest cost. The manufacturer who does not know his costs is like one who sails a hazardous course with a rudderless ship."

ALLEGAN COUNTY STARTS OIL BOOM

S. S. Thomas Co. of Canton, O., shortly will begin work on putting down a test well on the Mrs. H. F. Thomas farm on the southwestern part of Allegan. A test well was sunk on this farm about 14 years ago and Mrs. Thomas states plenty of oil was found, but for some reason the well was plugged. Several other companies have obtained leases on farms in that vicinity and it is understood they will sink wells very soon. Some farmers have not yet signed leases, holding out for a better price than one-third of the output in case oil is found in paynig quantities.

About thirty-five years ago there was a big oil boom in Allegan and a great deal of money was sunk in well driving. Some of it came from Holland. Eight years ago another attempt was made, but after working six months the wells were abandoned. Oil was found in both instances, but not in paying quantities.

COOPERSVILLE WOMAN WILL SPEAK HERE

The program for the W. C. T. U. meeting on Friday afternoon will be in address by Mrs. Olla K. Marshall of Coopersville, president of the fifth district association. She was the speaker at last year's banquet. Miss Alice Van Hatten will furnish music and Mrs. Wayer will read the devotions.

Sport Notes

Two big games in the armory tonight. The Bethany seniors of Grand Rapids and the Stokette-Van Huis five met at 7:30. While an hour later, the Flint aggregation will bump up against the Holland Furnace workers.

Hinga has many new men who are capable of substituting. Paulus seems to have laid a fine claim to the center position, with Smith in reserve. Elenbas and Tanis are even for one forward job and Korstange is making the guards jump. Friday may see some changes.

Avoid the jam at the armory on Friday and purchase your pasteboards early. It will be another turn away, that is sure.

Grand Rapids Press—The schedule calling for two games each week and for the Grand Haven high basketball team will end this week and on Feb. 28 the final contest of the season with Flint high will be played in Grand Haven.

Friday the Havenites will go to Holland for a meeting with the Holland basketballers. Holland lost to the Grand Havenites there, and Cohrs' boys are still undefeated. Saturday night the Blue and Gold plays Benton Harbor on the home court.

One member of the 126th infantry, Michigan National Guard of Grand Haven was possibly fatally hurt early Tuesday morning when an automobile in which he was riding was struck by a basketball game at Grand Haven skidded and overturned at a curve on M-16 near Coopersville.

The Holland high court team is busy every day preparing for the great game to be played here on Friday against the Grand Haven aggregation. Holland truly fears the county seat lads, as they have whipped some of the best clubs in the state and stand a fine chance in the tournament. Holland started out the season against the Big Red team from Muskegon and since that time the Muskies have never been halted. Grand Haven has a long string of victories and it seems like it is up to the Hollanders to put the skids under this famous quip. Just how the great will be applied or tried to be applied is the question. Sluka and his teammates are foxy enough to know what to do under most circumstances and may be that only an off night for the Havenites will give Hinga's team a chance for victory. However, the local mentor and his cohorts are hard at work and they will give all they have to stop the county seat team. The scoring power of the Havenites has been their greatest asset and they have not found a defense that was good enough to halt them all through an entire game. Holland is not doing badly in the scoring and guarding and this may prove a hardship on the visitors. But the men under Captain Breen will have to score some points to expect to win a victory. In the last game on the armory floor, between the Hollanders and Cohrs' aggregation the local men were having a fine evening and scored a 36-11 victory. This was a well earned victory. Holland has a lot to expect with this club and the boys are setting their teeth for vengeance.

At the tussle in the Grand Haven gym on January 14th, the Hinga tossers were thrown aside as if they were little opposition. The home club had a 26-4 lead at the half way mark. The local quintet blamed the bad defeat a good deal to conditions in the county seat gym, so the Hollanders will have to back up their claim in the armory. Friday evening and get off a nice close game. There is no side-stepping the fact that Cohrs has a splendid team and a victory over them will mean much. Holland can do it and the Hinga tossers should be in the best condition after their run of consecutive wins. The Chapman reserves are also laying in wait and Grand Haven has the best reserve team it has ever had and expects to hang up another win here.

Anniversary Week Successful Although there were few Council or district activities during Anniversary Week, the programs as carried out by the various troops were well in keeping with the occasion. Group church attendance, parents nights, hikes, window exhibits, school exercises, scouts in uniform everywhere, and scout features of the week. The newspapers with their daily scout articles contributed a great deal to the spirit of the occasion.

Nearly three thousand more Ottawa county boys between the ages of 12 and 18 are waiting for opportunities to become scouts. Boys who do not need and want scouting are hard to find, providing scouting is presented in its intended form.

Every scout and Scoutleader should accept this as a personal challenge and should strive to open the way for scouting to reach these nearly 3,000 other boys. The first thing that they can do is to build up their own troops to an efficient state. By so doing they will be not only helping their own troop, but they will be paving the way for the organization of new ones. What better good turn could a scout do than to make scouting available to other boys. So build up your own troop, scout, and you will be helping the other fellow as much as yourself.

The Inter-Troop Contest will start the first of next month. Last week the rules and information were published; today you are given the straight points to be awarded at the end of each month to troops that qualify. To these will be added the points per scout which will be published next week. Cut this article out and keep it.

Straight Points

1. Each new Scout registered (Transfer do not count except in Sen. courts, 1 Point.

2. Scout news report twice during month, 1 Point.

3. Each report delivered not later than three days after meeting, 1 Point.

4. Troop has no tenderfoot registered over six months, 1 Point.

5. Each four hours on troop hikes or other outdoor activities (Not patrol activities), 1 Point.

6. Each leader has a definite responsibility and performs it, 1 Point.

7. Programs are prepared in advance for all meetings, 1 Point.

8. Programs prepared with snap and order, 1 Point.

9. Instruction programs are producing results and are interesting, 1 Point.

10. Portion of each meeting is given over to strictly patrol activities which are orderly conducted and with results, 1 Point.

11. Each patrol has a project, 1 Point.

12. Adequate troop and patrol records kept completely up to date, 1 Point.

13. A Patrol Leaders' meeting is held after each troop meeting, 1 Point.

14. Troop gives evidence of actually being "a part" of its parent institution, 1 Point.

15. Scouts of troops are courteous as is evidenced by saluting, etc., 1 Point.

16. All Committeemen present at least once during the month, 1 Point.

Almost Camping Time All good outdoor scouts are already beginning to cast anxious thoughts toward the approaching camping season.

The county camp committee will meet next week for the purpose of laying preliminary plans for what they hope to be, even twice as big and good as last year. The most encouraging thing about the prospects is that nearly all those who were in camp last year are planning to be back again.

The scout executive has offered a bit of warning as well as a suggestion: "Don't wait until the last minute to make preparations, fellows. Many were disappointed last year because they did just that thing."

Use your camp saving cards and start saving and making other preparations now. Half the joy of camping is in getting ready for it. If you believe you are qualified as a patrol leader and would like to remain in camp during the entire season, you may make application for a staff appointment.

Test Reviews Coopersville: Tuesday afternoon, Feb. 22nd at 3:45.

Holland: Tuesday evening, Feb. 22nd; second class at 7:30, first class at 7:30; merit badges at 8:00; sea scouts at 8:30.

Holland: Friday evening, Feb. 25th, at same hours as scheduled for Grand Haven.

Reviews in all other communities will be arranged by appointment. Don't forget test cards, articles of handicraft, written articles, etc.

This And That The Seventh Reformed church in Holland is contemplating organizing a new troop soon. It will be the county's nineteenth troop and will likely be designated as Troop 19.

Troop 14 of Spring Lake will complete its patrol leaders training course this week and will at once register and start expanding.

Troop 2 of Port Sheldon township is growing rapidly and will soon be ready to register. The patrol at Roshart school is doing especially good work. They took a hike to Port Sheldon last Saturday in charge of Asst. Scoutmaster Silas Wiersma.

Scout Executive F. J. Geiger met with Scoutmaster James Harrington and Asst. Scoutmaster Wiersma Monday evening.

Grand Haven is now collecting their annual financial quota. Nearly

ly half has already been received in response to a letter appeal. Holland's annual quota is completely raised.

Scout Commissioner C. L. Beach and Scout Executive Geiger visited the meeting of the Holland Sea Scouts last week. Mr. Beach also visited the Troop 9 meeting, and Skipper Andrew Hyma of the Sea Scouts and Mr. Geiger the meeting of Troop 12 at the Trinity Reformed church.

LOCAL

The young men's class of the Third Reformed church taught by H. S. Brumbaugh held a meeting Wednesday night at the home of Mr. J. Van Ark, 215 West 12th street. After the business meeting the following highly enjoyable program was given: two piano selections, Clarence Wolfe, saxophone and banjo selections by Robert and Louis Fairbanks; readings by Walter Madison; solo, "Always," by Mrs. H. S. Brumbaugh; solo by H. C. Smith, with banjo accompaniment; readings and impersonations by Mrs. Brumbaugh; solo by Robert Fairbanks, with banjo accompaniment. Refreshments were served.

Henry Te Roller, now of the DeFree company, better known as "Spriggs" amongst the baseball fans, and the popular backstop on the Holland independent team, announces his candidacy for the office of clerk of Holland.

Mr. Te Roller, in an interview, states, "Friends of mine are circulating my petition for city clerk, an office to be voted for at the coming primaries, and the reports received seem to be very gratifying. I therefore wish to announce that I will be a candidate for that office and of course I naturally would like to win, and if the voters feel that I am capable of filling this position with credit, I will then ask for their support."

"I have been with the De Free company for many years and apparently, my work there has been satisfactory."

C. Stone of West Olive, the rural mail carrier who lost his pocket book containing over \$700 and other papers of value, had it returned to him by William Rork with everything in perfect order. Mr. Stone is indeed grateful and in a letter to Sheriff Kamferbeek says he knows there is one honest man in West Olive.

Joseph Pankiewicz, 20, of Marne, Ottawa county, taken into custody Friday by Deputy Sheriffs Bouna and Matthews, confessed to Sheriff Byron J. Patterson at the county jail last night that he had made two trips to a barn on the farm of Gerrit Cooper in Alpine township to loot the farmer's granary.

On Tuesday night, the youth is said to have admitted, he carried 12 bags of beans from the barn, carried them a distance away and later returned them to Marne with his automobile. He said that he told the sheriff for \$1 a hundred pounds at an elevator at Sparta. Thursday at midnight, he said he returned to the barn and took six bags of wheat which he sold at cut rates Friday.

Pankiewicz will probably be arraigned Monday.

Jack Post, who has operated the Post Billiard Academy for many years, closed a deal on Friday afternoon whereby he became the owner of the billiard hall operated on River Avenue the past six months by Peter Lekas. Post took possession of the place this morning. He will be in charge of the River Avenue place himself and he has placed G. Van Herwyk in charge of the place on East Eighth street. In this way both of the billiard parlors will be under Post's management.

Mr. and Mrs. Ben Olgers were completely surprised Friday evening when a large number of relatives and friends gathered at their home on West 16th street, the occasion being their 35th wedding anniversary. After a miscellaneous program, in which Rev. Mr. Wolvius, Mrs. K. Buurma, Mrs. R. Vischer, Mrs. Carl Buurma and Rev. J. F. Heemstra took part, a very beautiful and useful gift was presented to Mr. and Mrs. Olgers. A sumptuous lunch was served by Bertha and Helen Olgers and Mrs. A. De Roos. After a most delightful and pleasant evening, the guests left at a late hour, wishing Mr. and Mrs. Olgers many happy returns of the day.

Making a trip around the world four times by automobile is no small feat for any man, much less for a young man, but that is what virtually John W. Vande Beldt has done in the past few years while employed at the Holleman-De Weerd Auto company.

In accomplishing this feat, he has done it piecemeal, as one might say. Each time he started from the same point, and then made his allotted schedule of 350 miles, until the last trip was completed last week when he returned to Detroit with a Lincoln car that had been on display at the Holland automobile show, accompanied by Mrs. J. Vande Beldt and their sister, Miss Marie Miss Marie Zwagerman.

During all these miles of driving Mr. Vande Beldt has never suffered an accident, but always delivered his cars in perfect condition.

Dr. and Mrs. Bos were in town a few hours last Saturday. They are living in Holland at present, where the doctor is continuing his rest cure. His condition is improving as every medical examination shows, and he has added 20 lbs. to his avoirdupois. —Fennville Herald.

Mathias Alten, whose self-portrait is among the collection of the art exhibit at the Junior high school, is a German, but he has lived in Grand Rapids many years. He has been trained both in this country and abroad and has a large following. Among his pupils is Foster Jewell, whose paintings are very excellent for so young a man. Mr. Alten is a Scotchman, having been in this country for years, and is primarily a portrait painter but he does very lovely flower pictures.

Mr. Wm Horton has lived in France and Holland was very fortunate to get his two pictures, having secured them from the McBeth galleries who handle his work.

Gerrit Beneker is very often represented in all the large exhibitions. As one of the moderns, Rudolph Tandler ranks high. He is represented at the public library of Grand Rapids in a one man show exhibition at present. The judgment of the best and most varied exhibitions ever given there, according to reports.

Hamilton Light & Power Co. has closed its first year of business. Although the company has had several setbacks, among them the necessity of getting a new generator, it has been successful financially. There now are 56 customers, but prospects for more at present are not bright, since new lines would have to be constructed to greater distances. Officers of the company are: Pres. John Kolvoord, Jr.; vice president, George Schutmaat; secretary, Harvey Zeep; treasurer, Dr. G. H. Rietink.

A remittance from the Supreme court at Lansing was received by county clerk Wm Wilds Thursday. The judgment in the Ottawa county circuit court in the case of Joseph Maka of Robinson, sentenced in the November term of court for a violation of the liquor law.

Maka is at present serving a term of from one year to two years at Ionia, this being his second offense. The remittance says that after due inspection and study no error occurred and all things are affirmed.

Former prosecutor Fred T. Miles at that time appeared for the people and John J. Smolenick of Grand Rapids conducted the case for Maka and at the time of the last trial tried to stay sentence until the decision was reviewed by the Supreme court. This was denied by Judge O. S. Cross. Maka was also required to pay a fine of \$500 and costs of \$245.

Ed Oswald, of Spring Lake, and George Bender, of Holland, will be allowed to fish carp in the Lake Michigan, and that under certain restrictions. Members of the Holland Game & Fish Protective association were instrumental in putting a stop to the fishing, former mayor E. P. Stephan, Joe Rhea, Jake Leinhardt and others, bringing pressure to bear with the state authorities. Fishing was stopped immediately and the state conservation department asked Wm Loutit of Grand Haven, a newly appointed member of the commission, to make a thorough investigation of carp fishing here.

Mr. Loutit is a real sportsman and to him the position is only honorary. His judgment on these matters is worth following. Mr. Loutit met the officials of the Holland Game & Fish Protective association and called in Mr. Oswald and Mr. Bender. He had them tell their story and then went over the fishing grounds.

A meeting was again held and the two men were given a permit to fish for carp in the extreme end of Pine Creek bay, in a pocket where carp seem to be thick. The fishing will be done under the supervision of a deputy game warden and a committee selected by the local game club who will volunteer their services.

When the net is drawn the game club men will stand ready with scoop nets. They will take out the game fish and immediately transfer them from the nets through holes in the ice back into Black Lake without further handling them.

If the game warden and the Holland Game & Fish Protective association members find that too many game fish are scooped into the nets when these are drawn and these fish would be injured, they have the authority given by the state to stop all further netting, and consequently the permit will be cancelled.

Thus for many tons of carp have been taken out of the lake and shipped and there were only very few game fish in the nets at the point where the carp fishers are doing their netting.

It is understood that Mr. Oswald or Mr. Bender cannot cast their nets near the fish village on the ice, and thus spoil all ice fishing for the rest of the season.

Both fishermen show an inclination to do the square thing and they have signed a contract, agreeing to abide by all the restrictions, and to cease fishing if it is found that game fish are hurt in any way.

The agreement entered into was not only satisfactory to the fishermen but to Mr. Loutit and the officials of the local game club as well.

Divorce applications have been filed by 11 women and four men in Allegan circuit court, which convenes Monday, Feb. 21. All but three cases will be contested.

Paul Plummer of Saugatuck will be tried on an illegitimacy count and Cecil Roggow, 18, on a charge of defacing and destroying monuments in Watson cemetery, Allegan county, wife, if any, Alexander, aged 37, law. Windfield S. Wallace and wife, if any, Healy C. Akeley, his wife, and Silar S. Keeler, Defendants.

Suit pending in said court at the City of Grand Haven in said county this 18th day of January, 1927.

Present, HON. OREN S. CROSS, Circuit Judge.

On Thursday afternoon at the home of Mrs. C. M. McLean the Elizabeth Schuler family of the D. A. R. and their guests listened to a scholarly address given by Dr. J. E. Kuizenga of the Western Theological seminary. His subject was "Nationalism vs. Internationalism." He opened by informing his hearers that it was a subject on which he felt at perfect liberty to speak, as it was one on which one intelligent person had as good a right to hold an opinion as another. Our civilization, he believes, will never be superseded; it has a place in the great scheme of things and a duty to help others and to stand only for what is right.

Such ideals held in common make for true nationalism. Isolation is no longer possible, nor predetermination an acceptable theory. To give and not to get—to make our contribution to other nations, and to view the whole of humanity from the viewpoint of the all-seeing Father, is the greatest internationalism.

The regent, Miss Katherine Post, presided at the meeting, which was opened with an eloquent prayer by Dr. T. Davidson, followed by the salute to the flag.

Reports of the various officers and committees were given, including the reading of a letter by Mrs. Martha Robbins from the Veterans' Bureau at Battle Creek in regard to the disabled soldier who was recently furnished with a complete outfit of clothing by the chapter. On recommendation of the executive board the following members were appointed to represent the chapter at the national convention in Washington, D. C., during Easter week: Mrs. D. B. Yntema and Mrs. C. M. McLean as delegates, and Mrs. Florian LaCaf and Miss Edith Harris as alternates.

It was announced that on Sunday, Feb. 20th, the Sons of the Revolution will hold a patriotic service in the Methodist church at 7:30 P. M. They invite the D. A. R. and their husbands to join with them in the service and a large attendance is hoped for. Dr. J. C. Willett will speak on "George Washington."

The music of the afternoon was in charge of Miss Laura Boyd. The following numbers were given: "Adieu," by Mrs. T. M. L. Miles; "The Mook," violin, George Le Mere, cello, and Arden Van Adenonck, piano; and "Mattina," by Leon Carlelo, a violin solo by Mr. Mook, accompanied by Miss Van Adenonck, were beautifully rendered. The meeting closed with the singing of "America," by all present, and the guests then enjoyed a social hour.

The next meeting will be a party for the members of the D. A. R. at the home of Mrs. J. M. Martin, on Saturday, March 12th.

A thousand pheasant eggs will be hatched by the West Michigan Game and Fish Protective association, according to plans adopted at the regular monthly meeting last evening.

Proposals to outlaw the spear in Michigan inland waters and to shorten the deer hunting season to the last ten days of November, submitted by the Michigan conservation congress, did not gain the endorsement of the association. The association will recommend that spearing be allowed on Michigan's inland lakes only for carp, suckers, pike and noxious fish during January and February, and that the deer season be changed to be open from Nov. 10 to 15.

The annual sportsmen's show was scheduled for the last part of April, and will be in charge of B. C. Saunders.

Allegan jurors drawn from this vicinity for the February term of court opening Monday, Feb. 21, at Allegan are: John H. Biele, Laketon; Frank Fairbanks, Fillmore; John N. Meyard, Overisel; Gerard Weber, Salem; and W. W. Wightman, Saugatuck.

Cost Muskegon county \$1425.74 to purchase "buy" where with to obtain search warrants for liquor last year, according to the report released recently. An additional expense of \$170 for making analysis of the liquor is noted.

NINE BEAUTY QUEENS IN RACE

Here is the result of the American Legion popularity contest now being put on in Holland by the Willard G. Leenhouts Post. The result shows the count up to 5 o'clock Wednesday night. No doubt some of the beauties are holding out. Anyway Miss Ada Edwards of the Holland Furnace Co. is "Queen High," closely followed by Bernice Putnam of Keefers Cafe.

Holland has been stirred up considerably the past week because of the popularity contest that is being staged by the Willard G. Leenhouts Post, American Legion. Nine Queens have been entered in the so-called popularity contest and friends of the young ladies have been going in the highways and byways in order to sell votes for their favorite candidates. The go is still fairly although the lines are tightly drawn.

Twenty-five thousand tickets have been printed and judging from the way that these have been selling there is very little doubt but that many more will have to be turned out by the printing press before the big indoor carnival at the Masonic temple is pulled off.

The dates for this big circus are Feb. 24, 25 and 26 and sometime during these dates one of these nine beautiful queens is to be crowned as the most popular young lady of Holland. A glance at this page will show that Holland has some real beauties, peaches in fact, and we don't mean "Peaches Browning" either.

Many of the queens are employed in manufacturing institutions in this city. Others come from the downtown district, but everyone, no matter where employed are intensely interested.

The latest count of votes was held late Wednesday afternoon and the result is found elsewhere on this page.

Son of Hugh Gray Is Given Responsible Railroad Position

H. H. Gray, formerly of Grand Rapids, has been appointed general passenger agent for virtually all the eastern territory of the Southern Pacific railroad, with offices in New York. The promotion came to Mr. Gray after two years in the passenger department of the road at New Orleans. He is the son of Hugh J. Gray, secretary of the Michigan Tourist and Resort association, well known in Holland and who has spoken before the civic clubs in the city, making Michigan the play ground of America. The father was also a railroad man years ago, being connected with the old C. and W. M. and later with the Pere Marquette.

OLIVET TAKES TROUNCING FROM HOPE

SCHOUTEN'S MEN ANNEX 33-13 VICTORY AS EVERY MAN STARS

Hope's court machine took an easy victory over Olivet Tuesday evening, winning by a 33-13 score. Soon after the game started it was very evident that Hope would land on top and when Kieis, Martin, Japenga, Van Lente and Cook had piled up a good lead, Schouten sent them to the showers. The local reserves kept adding to the count and Olivet had but one field goal in the first half. But three dunks were tossed in during the entire game by the Olivet squad. Hope is now ready and fresh for Albion on Friday night. This game is scheduled for 9 o'clock, and will be held until the Grand Haven-Holland fracas is over. The race in the M. I. A. A. is a tight one. A big hearing on the title will be worked off tonight at the Kalamazoo when the Baptists meet Albion. Both of these teams are set on victory. If Albion can win, the first place in the association race will fall to the Methodists. If they also can defeat Hope on Friday, Maybe Albion can defeat Kazoo but it looks like a toss up between them. With the celery city being upset and Hope can climb up also with a victory. Albion must play two hard games in three days and this should be in the Schouten team's favor. Hope looks powerful enough now to stop the Methodists.

The usual quiet of this village was suddenly disturbed last week Thursday when the fire alarm rang. Within a few minutes the whole village and even country was on the way to the home of John Dubbink. When the first ones arrived the fire al-

ready had a good start and the large part of roof was ablaze. A strong wind, blowing from the west, caused the flames to leap along the roof. However, a bucket brigade was formed and also with the help of fire extinguishers the blaze was soon under control. Considerable damage was the result, but few of those present expected that the house could be saved. Once more the question arises: "Is it wise for this village to go on without any adequate fire protection?"

The pastors and Juffroy's of the local church attended the social circle held at the home of Dr. and Mrs. W. Van Keiser in Holland last week Tuesday afternoon.

Dr. Willets of Holland gave an inspiring address at the monthly meeting of the Men's Adult Bible Class of the Second Reformed church Monday evening. His subject was "Books" and he brought out some very important thoughts regarding the books our children read. The meeting was of a special kind inasmuch as the men had invited the Ladies' Adult Class to join them. The men were of a very independent spirit and refused all outside aid. Well, no one can complain about the result--even the "stag lunch" was a No. 1. A large crowd was present.

The 9th and 10th grade pupils were given a Lincoln party by Mr. and Mrs. A. Keschel last Friday evening. The evening was pleasantly spent in the playing of games and at the close a delicious lunch was served by the capable hostess.

OUR 25th YEAR

J.C. PENNEY Co.

“where savings are greatest”

60-64 E. 8th St., Holland, Mich.

Our Buying Power

Through It We Sell for Less and You Buy for Less Here

No “Sales” In Our 25th Year

No, we do not hold “sales.” In our plan of modern store-keeping, so-called “sales” are impossible if the savings the public are to enjoy every day are real.

Instead of marking prices up and down now and then for “sales,” our plan calls for marking them down as low as is consistent with prevailing market conditions and then keeping them down.

We shall not depart from this plan during the observance of our 25th or silver anniversary which will be in effect this year.

Lowest possible prices every day instead of occasionally at so-called “sales,” has been a policy that has won millions of friends for the hundreds of Stores of this countrywide institution.
