**Local Spring  
Primary Just  
In The Offing****CANDIDATES FILING  
SLOWLY. CHANGE IN  
CHARTER WILL BE ON  
SEPARATE BALLOT**Last day for registration is Sat-  
urday of this week.The last day for filing petitions  
next Monday. Election March 2

Pre-election activities are now beginning. City Clerk Oscar Peterson has announced that the last day upon which to register for the spring election primaries is this week Saturday, Feb. 15 until 8 o'clock p.m. Those who have moved from one ward to another or from one precinct to another must register before voting. Those who have moved into the city and have lived here the required period of time must also register as must those who have gained their majority, in other words, have become 21 years old since the last election. This applies to men and women alike.

One very important matter that will be on a separate ballot will be the amendment to the charter having to do with the Board of Public Works and their expenditure of moneys. Now, the Board scarcely has any authority to use any of the money made by them for us and likewise, the hands of the Mayor and Aldermen are also tied. Money has been expended when necessity came but not strictly in accordance with the charter, but always honestly used.

The charter amendments are from the "home and budget" days and now we have a plan running into seven figures and the charter should be altered accordingly. Even City Attorney Parsons who has studied the charter feels that it should be amended. The fact is, it should have been amended years ago. Should a break occur in the mechanism of the power plant or the water department, it would be desirable should we first have to go to the people to have a vote taken in order to get money to employ mechanics or repair break-downs. The way the charter now is, the Board of Public Works is limited to \$500 expenditure which in a plant of that size, isn't even pin money.

The members of the Board of Public Works are giving their time unselfishly but freely and they and their staff have made the money that has helped over many an emergency. With a change in the charter, they can be depended upon to spend it judiciously and economically.

The ballot, as it will be voted will be found complete on page 3 of this section.

Petitions are already being filed by candidates whose names will appear upon the primary ballot to be voted on Monday, March 2. The polls will be open from 7 till 6 o'clock at each voting place and precinct, either designated before. The only chance of location is the polling place that formerly was on the flat iron on State St. It is now on College Ave across from the 19th water station and baseball park. The other fifth ward precinct is in Looefell school. The other polling places in their have always been. Notices relative to the location of the polling places will also be found elsewhere in this issue.

The last date for filing petitions for office is next week Monday at 4 o'clock. The petitions thus far filed are as follows:

Mayor—Nicomides Bosch,  
City Treasurer—John Steggerda,  
Supervisor—

Member of the Board of Police  
and Fire Commissioners—Ed Brouwer.

Board of Public Works—C. James

Prins.

Wolferding.

Kalkman.

H. Damsen.

Alderman, fifth ward—Jacob  
Bultman.

Constable, fifth ward—Lee Koop-  
man.

Alderman, sixth ward—

Constable, sixth ward—Nick Kol-  
ean.

The omission of names from  
several offices mentioned above, in-  
dicates that no candidates have filed  
petitions at this time.

US-31 from Holland to Grand  
Haven was closed to traffic this af-  
ternoon. It was announced at 2 p.  
m. by the Ottawa county road com-  
mission. Drifts have piled up in  
the lane between the high banks.

The road is barricaded at both  
Holland and Grand Haven. It is  
expected to be opened tomorrow.

A meeting of the Holland music  
club was held Wednesday after-  
noon at the home of Mrs. F. E.  
De Weese and Miss Nella Meyer  
had charge of the program con-  
cerning "The advent of modernism  
in music." Miss Meyer gave an in-  
teresting talk on the relationship  
between music, art and literature  
through the phases of romanticism,  
impressionism, symbolism and real-  
ism. A musical program was pre-  
sented.

The Beechwood hostesses held  
a Valentine party Wednesday night  
in the school gymnasium. Volley-  
ball was played. Captains for the  
teams playing Wednesday were  
Miss Frances Riemersma, Mrs.  
Hester Riemersma, Mrs. Anne  
Borrenson and Mrs. Mildred  
Thorpe. Mrs. Hester Riemersma's  
team won five games.

Surgeon Passes**

DR. WILLIAM G. WINTER

**OPEN STOCK AND BOND  
BROKERAGE OFFICE HERE**

Two well known local men,  
namely William Arendshorst and  
his son Bernard Arendshorst, have  
opened offices in Holland at 61 E.  
8th St., telephone 4621.

They have gone into a new de-  
partment aside from risk making  
opening a branch office allied with  
the J. H. Petter & Co., Investment  
Bankers and Brokers of Grand  
Rapids, Michigan.

Mr. William Arendshorst in  
speaking of this connection stated  
that through this avenue he and  
his son would negotiate invest-  
ments of high type, investments  
such as he would purchase him-  
self and no other kind.

The J. H. Petter & Co. have been  
in business in Grand Rapids for  
number of years. They are ex-  
tending their operations and be-  
lieve that a branch office, handled  
by these two reliable, well known  
Holland men, will be a connection  
worthwhile for the investor and  
the enterprise as well.

**Snow Drifts  
Isolate Five  
At West Olive****ZAAGMAN RELATES  
STORY OF FIVE MA-  
Rooned AT FARMHOUSE**

Gerrit Zaagman, superintendent  
of the poor of Ottawa county and  
four patients that he was taking to  
the University hospital, Ann Ar-  
bor, were marooned for four days  
at a farm house near Olive Center,  
following the worst blizzard that  
swept this section. The party got  
away last Saturday and had they  
waited an hour longer, Mr. Zaag-  
man said, they would probably be  
there yet.

The farmer, Harm Kuite, when  
the coal supply ran low, chopped  
up and burned boards laid over  
rafters in the barn. There was  
little food in the house and it had  
to be carefully rationed in order  
that the family of five and the four  
visitors could be fed.

The nine people huddled around  
the kitchen stove all during the day  
and then sought improvised beds  
in the house where it was so cold  
the ice formed on the walls.

The patients included Mrs. Bar-  
thel and Mrs. Ryan of Grand Haven  
and Mrs. Johnson and Mrs. Thor-  
man both from the rural sections  
at West Olive. Mrs. Thorman was  
able to get back to her home but  
Mrs. Johnson was brought to  
Grand Haven and is now living at  
Sheriff Rosema's home until the  
roads are opened near Olive. None  
of the patients was seriously ill  
so that there was no suffering on  
their part.

Mr. Zaagman said the party had  
started out when they ran into  
heavy drifts and finally could go no  
farther. Mrs. Thorman saw the  
house and said she thought she  
knew who lived there. The party  
plowed through the snow and  
were thankful to reach shelter.

Although the family had little  
more than enough to carry them  
through, they cheerfully took in  
the group and did everything they  
could to make them comfortable,  
stated Mr. Zaagman.

"At the time it seemed quite a  
hardship to be stuck so long, but in  
the light of the intense danger and  
suffering following the second bliz-  
zard, I consider that we were well  
off."

"Living without butter, meat or  
eggs and on only reduced rations  
reminded one of many years ago  
when pioneers in this land were  
forced to do without many food  
items during enforced housing on  
account of storms," said Mr. Zaag-  
man.

"Despite the hardships, which this  
family endured, they were a  
happy lot. The neighbors came in  
at night and home-made games  
were played and all joined in. The  
children ate what was given to  
them and there were no complaints  
even if appetites were not entirely  
satisfied," he said.

Mrs. Kuite got out on Saturday  
afternoon for food and coal, and  
Mr. Zaagman is wondering now if  
she was able to return to the fam-  
ily, so isolated and so lacking in  
the necessities.

The family had a telephone  
which brought news of Mr. Zaag-  
man's enforced stay so that there  
was no anxiety as to his where-  
abouts.

**Leading Local  
Surgeon Dies  
Of Pneumonia****WAS ACTIVE AND HELPED  
OTHERS UNTIL HE WAS COM-  
PELLED TO TAKE TO HIS BED**

The City of Holland and vicinity  
were shocked Sunday to hear of  
the death of Dr. William G. Winter,  
leading physician and surgeon who  
passed away Sunday night at his  
home, 94 W. 11th St., at the age  
of 62 years.

Dr. Winter was a skilled physi-  
cian and surgeon and great demands  
were made upon his time. In fact,  
he remained in the harness, taking  
care of urgent cases in surgery un-  
til he had to take to his bed when  
physical endurance failed him. He  
was stricken with pneumonia and  
in his weakened condition life slowly  
ebbed and he passed away with-  
in a week.

Dr. Winter was born in this city  
on the 30th day of March 1883.  
He attended both Holland High  
School and Hope College. He took  
a great interest in medicine and  
studied at the University of Mich-  
igan and also took a post graduate  
course at the New York City Post  
Graduate School. In order to broad-  
en his knowledge on both medicine  
and surgery, he went to Europe  
and took special courses at London,  
Leeds, Berlin and Vienna, augment-  
ing these courses with special work  
at Mayo Hospital, Rochester, Minn.  
He also attended many clinic ses-  
sions in Chicago and other large  
medical centers.

He was a member of the Ottawa  
County Medical Association as well  
as of the Michigan State Medical  
Society, also being affiliated with  
the American College of Surgeons  
and the American Medical Society.  
He has been a very able member  
of the Holland Hospital staff, al-  
ways deeply interested since its  
organization which really had its  
inception first, in the late Dr. Kres-  
ler's home on 12th St. and Central  
Ave., part of which is still being  
used as headquarters for chest clin-  
ics.

Holland Hospital, on the hill, al-  
though not the largest is almost  
complete and built so that new  
units can be added. Many sug-  
gestions during the building of that  
hospital came from Dr. Winter.

Rather a sad sidelight is the fact  
that young John Winter, who had  
just graduated, also as a physician  
and surgeon, had become associated  
with his father and undoubtedly  
his knowledge gained at college  
would have been augmented great-  
ly under the guidance of his able  
father. No doubt, like his sire, the  
young man will make good.

Dr. Winter was a member of  
Hope Reformed Church and also  
the Holland Exchange Club.

The funeral services were held  
on Wednesday at the home with  
Dr. Thomas W. Davidson, pastor  
of Hope Church, officiating. In-  
terment took place in the family  
plot in Pilgrim Home Cemetery.

Friends were given the privilege  
of paying their respects Wednes-  
day morning from 10 to 12 o'clock.

Palbearers were John Bosman,  
Arthur Visser, Prin. John Riemers-  
ma, John Vappell, Theodore  
Chambers and Niel Vander Meulen.

Holland physicians and those  
from Zeeland and immediate vicin-  
ity were there in a body as hono-  
rary palbearers.

Surviving are his wife, the former  
Alice W. Kools, and two sons,  
Dr. John K. Winter of Holland,  
and Dr. William G. Winter Jr., of  
the Presbyterian hospital of Chicago.

The following brothers and  
sisters also survive, Henry Winter,  
and Prof. Egbert Winter of Hol-  
land; Mrs. William Meidema of  
Huneme, California; Prof. John G.  
Winter of Ann Arbor; Harry Win-  
ter of Lafayette, Indiana; and Mrs.  
David Leenhouts of White Cloud.

This is the first death among the  
children in the Winter family.

Rather a coincidence is the fact  
that the only two children of Dr.  
and Mrs. Winter are twins, and  
both are today graduate physicians.

The floral tributes so thoughtfully  
sent by friends from home and  
abroad, were many and beautiful,  
indicative of the respect and es-  
teem in which Dr. Winter was held.

Fellow physicians held him in  
high regard, feeling that he was  
an extraordinary surgeon, and called  
on him often in collaborating  
over cases.

Relatives and friends from out-  
of-town to attend the services  
were Prof. and Mrs. John Winter  
of Ann Arbor, Mr. and Mrs. David  
Leenhouts of White Cloud, Harry  
Winter of Lafayette, Ind., Arthur  
Somers of Jackson, Dr. John Olwin  
and Dr. Egbert Fell of Chicago,  
and Dr. John Stryker of Grand  
Rapids.

The Ottawa County Medical as-  
sociation has cancelled its monthly  
luncheon meeting at the Hotel  
Perry because of the death  
of Dr. W. G. Winter and because  
of unfavorable weather conditions.

**HOLLAND HAS NO  
JURORS SELECTED**

United States Marshal Edwin D.  
Bolger of Grand Rapids released  
the lists of names of persons drawn  
for service of the grand and travel-  
ing juries for the March term of  
district court which opens March  
3 in Grand Rapids. For the first  
time in years, no juror from Hol-  
land was chosen on either of the  
juries.

H. J. Neitring local man of  
Grand Haven and Hunter Her-  
zing, supervisor of Coopersville;  
Louis A. Johnson of Fennville were  
chosen last term John Riemersma  
and Leon Moolenaar of the Public  
Schools and Wm. Arendshorst were  
chosen from Holland.

The Michigan Association of  
Chiefs of Police Thursday notified  
Chief of Police Frank Van Ry that  
he is to have subordinate officers  
immediately "design or withdraw"  
from any association pertaining to  
police activities of which they are  
a member. The order was unneces-  
sary for the local department as  
none of the subordinate officers is  
a member of any of the question-  
able organizations.

Those from Holland who are in  
Chicago attending the third annual  
Women's Congress, are Mrs. Sears  
E. McLean, former president of  
the Michigan State Federation of  
Women's club, and Mrs. J. J. Brow-  
er, co-chairman with Mrs. J. E.  
Telling, of the International Affairs  
department of the Woman's Liter-  
ary club. Many prominent women  
will speak and a formal dinner  
with international affairs for its  
theme will bring the congress to a  
close Friday.

**A TUNNEL OF SNOW  
TO GRAAFSCHAP**

The little village on the hill about  
three miles south of Holland,  
whose church bells we can easily  
hear when the wind is favorable,  
has been isolated from the outside  
world since the storms.

Since the last storm a large crew  
of men from the township in Al-  
legan County have been busy dig-  
ging out the highway so the vil-  
lagers could come to Holland to  
transact business and so some of  
the students could come to the Hol-  
land schools.

The snow was so high that the  
road was practically obliterated  
and in some instances tunnels had  
been made through the snow heaps  
which is rather an unusual way  
to open traffic. Anyway, Graaf-  
schap is connected up with Holland  
again. Unless some more blizzards  
come folk can come and go as of  
yore.

**THE FIFTY YEAR AGO COL-  
UMN HAD TO BE OMITTED**

The fifty year ago column which  
proves so interesting to a great  
many people, we are sorry to say  
must be held over till next week.  
Late and pressing news had to be  
placed but the column is sure to  
appear again in the next issue.  
Watch for it as usual. It really was  
a very interesting column this  
week but these items, "like old  
wine," grow better with age.

**LABORERS ARE LARGELY  
WORKING IN HOLLAND**

The Pere Marquette it is under-  
stood, hired 150 men yesterday and  
three train crews to open the Hol-  
land Allegan line which will take  
some time. At least 200 men, many  
from Zeeland and Holland and the  
surrounding townships have been  
put into service by the county on  
the main highways and on some of  
the side roads.

The city has been keeping at  
least 60 men going out city streets  
and there were a great many others  
hired by private enterprises, schools  
and home owners until the num-  
ber of men from Holland handling  
snow is not far from the four  
hundred mark.

City Engineer Jake Zuidema  
states that practically every man  
among that class of laborers is  
employed and some men from the  
shops and factories who have off  
days are also wielding the pick  
and shovel. It is conservatively es-  
timated that the blizzards which  
virtually cover the entire county  
have put more than a million men  
to work and that among the class  
of laborers where there is the most  
unemployment.

Projects that need this class of  
labor on underground work and  
on drains in this county and in  
other counties, were halted by the  
snow, but the snow on the other  
hand, brought not only work to  
them but thousands more. These  
projects will be an excellent start  
for labor with the opening of spring  
and after the snow disappears,  
which surely will be welcome. But  
from all appearances this won't  
happen for some weeks yet.

**WHY DO JEWELERS'  
SIGNS READ 8:17?**

Lincoln's birthday was duly cele-  
brated yesterday throughout the  
nation, in fact in every part of the  
world where Americans may be  
found.

Thousands of banquets were given  
in honor of the great emancipator.

Millions of school children were  
reminded that such a great man  
as Lincoln lived.

One of the Chicago newspapers  
publishes a column each day head-  
ed, "Why?"

Among the different "whys"  
mentioned from day to day was,  
"Why do the Jewelers' signs, gen-  
erally speaking, have the hands on  
their wooden or metal time-  
pieces pointing to 8:17?"

The reason given was that that  
was the time that Abraham Lin-  
coln was shot shortly after he had  
taken his seat in one of the boxes  
at the Ford Theatre in Washing-  
ton.

The National Jewelers' Associa-  
tion shortly afterward adopted the  
plan to have all the jewelers' signs  
in the future made in such a way  
that the hands of the watch or  
clock would point out the time at  
8:17 in memory of the sad event.

Some of the jewelers of modern  
time have adopted different signs  
indicative of their business, but a  
large percentage of the jewelers of  
the country are still hanging on to  
the watch or clock with the hands  
pointing to the fatal hour when one  
of our noble presidents was laid  
low by the assassin's hand.

**THE PERE MARQUETTE  
IMPROVES AND HASTENS  
ITS FREIGHT CONNECTIONS**

E. B. Rich, Agent for the Pere  
Marquette Railway, states that, ef-  
fective April 1st, 1936, the Pere  
Marquette Railway Company will  
inaugurate a complete collection  
and delivery service on all less car-  
load shipments at no additional  
cost to the senders or receivers of  
less carload freight. The arrange-  
ment which the Pere Marquette Ry.  
will put into effect, will be much  
broader in its application and will  
provide for collection and delivery  
service on virtually all less than  
carload freight on the basis of the  
regular freight charges without  
any additional expense for this ser-  
vice. This arrangement not only  
will apply on shipments originating  
and delivered on the Pere Marquette  
Ry., but also will apply on less than  
carload freight coming from or des-  
tined to any point in the United  
States or Canada.

Through package cars outbound  
and inbound will be augmented and  
expedited up, and this arrangement  
should greatly facilitate the hand-  
ling of this class of traffic.

This is the communication re-  
ceived by Mr. Rich from Mr. George  
Hunt, division manager of the line.  
Mr. Hunt, by the way, was taught  
his railroading more than 50 years  
ago. He started when a youngster  
as ticket agent in Holland for the  
Chicago and West Michigan, now  
the Pere Marquette.

**Prominent  
Woman Lost  
In Snow Storm****COURTHOUSE LADIES,  
INCLUDING JUDGE VAN DE  
WATER HAVE TERRIBLE TIME**

Holland Lincoln Banqueters, at  
least most of them, stayed in Grand  
Rapids until after the storm. Not  
so with a large number from Grand  
Haven. The women employed in  
the Ottawa county Courthouse  
bunched together and went to the  
banquet, but unfortunately one who  
attempted to help shove the car  
through a snow heap strayed away  
and there was consternation in the  
whole group. The party included  
Probate Judge Cora Vande Water,  
County Nurse Madge Bressnahan,  
Miss Wilhelmina Young and Miss  
Anna Van Horsen, Deputy County  
Clerk.

The party had a bad time get-  
ting out of Grand Rapids after the  
banquet and the storm continued to  
increase as they rolled on their way  
home. They got as far as Ma-  
rquette. On their way to Coopers-  
ville they were hedged in by snow-  
banks. They attempted to get  
through to Coopersville but saw that  
this was impossible.

Two men in a car drove into sight  
and helped the ladies turn their  
machine about in order to get to  
Marquette again. They were well on  
their way when they noticed that  
one of the party was missing,  
namely Miss Young. Miss Young  
was one of the party who had help-  
ed to push the car through a snow-  
bank but when the check-up came,  
it appeared she was left behind.

The two men went back for her  
but nothing was heard of them the  
balance of the night and one can  
imagine the state of mind the other  
ladies were in, who thought she  
had climbed in the car driven by the  
two men who were also going to  
Marquette on a short ways off. The ladies  
agreed when called by Ben  
Rosema who in turn called all the  
deputies in that section of Ottawa  
County and the Kent County Sher-  
iff's Department also sent out a  
searching party.

Late the next day friends re-  
ceived word that Miss Young had  
straggled through the snow heaps  
towards a light in a farmhouse  
where she was immediately taken  
care of and where the two men  
found her late in the night. It was  
found that she suffered considerably  
from exposure.

Miss Young was brought to her  
friends in Marquette. There was a  
happy reunion and the party at last  
limped into Grand Haven on Mon-  
day night, two days after the Re-  
publican Banquet. They scarcely  
got over their experience and vow-  
ed to stay home the rest of the  
winter.

The anxiety of the rest of the  
courthouse staff can well be im-  
agined when they found that one  
of their party was missing and  
would undoubtedly be frozen.

The editor of the News knows  
Miss Young well. She is a fine and  
most beloved woman in Grand  
Haven.

During the storm all Grand Hav-  
en traffic over U.S. 31 to Holland  
which was blocked until yesterday,  
was sent over U.S. 16, then to  
Grand Rapids and then to Holland  
over M. 21. The traffic to Muskegon  
was blocked largely because of  
scores of heavy trucks which dam-  
aged up the entire highway. Each  
had to be dug out which took many  
men and much time.

Mr. Rich of the Pere Marquette  
states that the road around Holland  
is using nearly 60 men who are  
shoveling snow. All Greyhound  
schedules were cancelled but buses  
are now running on schedule a-  
gain.

Bobsleds, out of the running for  
the past 20 years, have been quite  
common in Holland lately, as the  
only means of conveyance to the  
city on the unopened sidewalks.

Storms have cancelled many  
meetings, plays and social func-  
tions. "Cappy Ricks," an unusual  
comedy, has been postponed until  
a later date. It was to be given at  
the Virginia Park Community Hall.

Holland public schools have been  
closed the early part of the week  
as well as have the Christian  
Schools. All rural schools are still  
closed as are many schools in sur-  
rounding towns, including Hamil-  
ton. Hope College was closed for  
two days this week.

The large snow heaps, scalped  
by the city engineer force, have  
grown new scalps since the storm.  
The Holland Indians will have to  
get busy again.

It matters not whether the  
groundhog saw his or her shadow  
for it will take more than "six  
weeks" to clean up this mess. Well,  
this is thirty on the weather.

**LATEST ON GRAND HAVEN'S  
"ORPHANS OF THE STORM"**

(Grand Haven Tribune)

Miss Ann Van Horsen, deputy  
county clerk, and Miss Madge  
Bressnahan, member of the Ottawa  
County Health Unit staff, are con-  
fined to their homes today suffering  
from frost bite and exposure from  
their experience Saturday night  
when they attempted to drive from  
Grand Rapids to this city.

Probate Judge Cora Vande Water  
was at her post this morning  
but by noon she was feeling the  
reaction to such an extent that she  
announced she would not return  
this afternoon. Miss Wilhelmina  
Young for whom concern was felt  
for many hours, was at her desk at  
the office of the Michigan Title  
company, apparently suffering less  
than the others.

Miss Van Horsen and Miss  
Bressnahan suffered frozen feet,  
legs and hands and nervous ex-  
haustion. Their condition is not  
serious but due to severe frost bite  
the women are suffering consid-  
erably.

Mrs. Ralph Ambler is reported  
to be improving after severe frost  
bite the same night, suffered on the  
Muskegon road.

Miss Wilhelmina Young told  
friends here that she had called to  
members of the party struggling  
along the road that night that she

**LINCOLN BANQUETERS  
SPEND SUNDAY IN  
GRAND RAPIDS**

A large number of the 60 from  
Holland who attended the Lincoln  
Banquet Saturday night, were mar-  
ooned in Grand Rapids and only a  
few who started home early got  
through the wintry blasts. Your  
editor, who with Henry Prins,  
Vaudie Vandenberg, and Theodore  
Baker, attended the banquet and  
saw what was in store, left im-  
mediately after the Roosevelt  
speech, tuned on WOOD via the  
automobile radio and heard the  
rest of the program. It took an  
hour and a half to get to Holland  
but only the cautious driving of  
Alderman Prins prevented the car  
from being stalled. The driver  
could see scarcely ten feet ahead  
and the Holland party counted at  
least 12 cars stalled on the way  
to Holland.

Most of the Holland folk stayed  
at Grand Rapids Hotels until late  
Monday afternoon. Among them  
were Mr. and Mrs. Charles Mc-  
Bride, Mr. and Mrs. Jay Den Her-  
der and former Judge Orion S. Cross.  
Judge Cross took the P.M. home,  
knowing that he was sure to make  
it.

**CHEST CLINIC NEXT TUESDAY**

Because of a bucked highway  
Dr. Bartlett of Muskegon was un-  
able to be in Holland this week  
Tuesday. So the chest clinic will  
be held next week Tuesday from 1  
o'clock until 4 o'clock in the after-  
noon, Miss Koertge, city nurse,  
states. It will be held at the same  
place in the Hospital Annex on  
Central and 13th Street on the old  
Hospital ground.

**HOLLAND MEN MEET ADAM  
AND EVE IN TEXAS**

Charlie Van Zylens of the Holland  
Vulcanizing Co. and Bert Gebben  
who mines coal from his bin, avoid-  
ed a great many of these heaps of  
snow by going to Texas.

We have often spoken of the five  
acre orange and grapefruit farms  
of each of the men in the Rio  
Grande Valley, which from all re-  
ports will bring a bumper crop this  
year. There are still more chances  
for profits from these citrus fruit  
farms for today, right in that val-  
ley, there are a score or more can-  
ning factories which can grapefruit  
juice from the less saleable part of  
the fruit but are absolutely as good  
for the juices they bring and found  
throughout the country.

ALLEGAN COUNTY NEWS

Allegan county ERA office is again experiencing further difficulty as there is no county money for it, according to John Stockdale, county treasurer. When the board of supervisors agreed to appropriate \$6,000 in return for local management, it failed to get the setup asked for. On the other hand, the county will fail to turn over any money to the ERA as the supervisors made their appropriation after it had set the tax scale, too late to include the amount on the rolls of the county.

HAMILTON

The worst blizzard for many years raged in this vicinity last Saturday night and all day Sunday. The snow driven by high winds and accompanied by an intense cold piled huge drifts across streets and side walks and completely blocked all roads. Most of the churches were compelled to give up all services. At the First Reformed church short services were held, but were attended by town folks and believe it or not, almost entirely of men.

Monday morning the folks were digging themselves out. Business men were seen climbing huge drifts or struggling through the deep snow to their places of business. However, there was nothing doing throughout the day. The train failed to arrive. Mail men had no mail to be delivered; a few farmers walked into town. The milkman reached town from his home one mile north of town in the late afternoon, having fought his way through the drifts with the aid of his neighbors. Local schools were closed and Hope college and Holland High students were informed by Dr. Wichers and Prof. J. J. Riemersma that College and High school would not have sessions Monday. The snow plow reached town from Allegan late Monday evening, but was unable to plow through the drifts north of town.

On Tuesday morning four groups of men with shovels opened-up the four roads leading into town so that farmers were able to come to town with sleighs. Snow plows were of no avail in the big drifts of hard packed snow. And on Wednesday morning all roads were still blocked to traffic with no definite hope of immediate relief.

Emory Mosier returned to his home from Bay City where he had submitted to a major operation three weeks ago.

As a result of the blinding bliz-

zard, a head on collision took place on the Overisel road about a mile north of town. The cars were driven by Beltman and Dounenberg. No one was injured but the cars were wrecked.

Della Vander Kolk and Nelson Kuite of Muskegon and Josephine Kuite of Paw Paw, who came home to spend the week-end with their parents left again immediately because of the storm arriving at their destination after considerable trouble.

A surprise birthday party was given in honor of Harry Lampen, Hamilton's Hardware man, last week Friday evening. Those present were: Mrs. J. H. Lampen, Mr. and Mrs. Ray Maatman and children. Mr. and Mrs. John Kaper and son Ronnie, Mr. and Mrs. Garret

Lampen and family, Mr. and Mrs. George Lampen, Mr. and Mrs. Joe Lampen, Mr. and Mrs. Ed. Lampen, Sylvia Vander Kamp, Wilma Mae and Joyce Nyenhuis.

GRAAFSCHAP

Barn on the farm of Albert Woulbert located three miles south and one and a half miles west of Graafschap were completely destroyed by flames Friday morning,

February 7, at 7:00 a.m. All that was saved was one horse and the rest was lost in the blaze.

Mr. Henry Geurink was to Holland with Mr. Charley Newcomb with the big sleigh Friday, Feb. 7. Mr. and Mrs. Oliver Schrotenboer are staying over by Mr. and Mrs. Gordon Weighmink in Holland on East 14th Street on account of the storm we were having lately.

A Patriotic Party for February

By JOSEPHINE GIBSON Director, Home Food Institute

FEBRUARY is a favorite month with hostesses and guests alike. It offers so many opportunities for entertaining, we are uncertain just which holiday to celebrate. Perhaps we had better compromise on a patriotic party suitable for both a festive dinner party or an attractive family supper. But whichever we choose, let's set a pretty table and serve a special menu. Instead of the usual white tablecloth, we can use individual place doilies for a colorful note. To make these, cut out oblongs of white crepe paper, then cut cross-grain strips of blue crepe paper two inches deep and cross-grain strips of red crepe paper one inch deep. Gather these strips with the ruffling attachment on your sewing machine and sew them around the edge of the white doilies. In the center of the table arrange a low bowl of red, white, and blue flowers, and place three-branched candelabra holding red, white and blue tapers on either side. You will want very special food to go with this gay table, so we suggest the following patriotic menu:

Patriotic Dinner

- Consommé (ready-to-serve) Toasted Whole Wheat Wafers
- Mixed Sweet Pickles Stuffed Spanish Olives
- Sliced Barbecued Fresh Ham\* Scalloped Sweet Potatoes and Apples
- Buttered Whole Kernel Corn
- Fresh Vegetables in Tomato Aspic\*
- Hot Rolls Butter
- Washington Cream Pie\* or Cherry Pie
- Coffee Red and Blue Mints

(\* Indicates recipes given below

Barbecued Fresh Ham—Remove skin from 1 small fresh ham and sprinkle ham with salt and pepper. Make a sauce by combining ¼ cup Pure Cider Vinegar, 2 tablespoons Prepared Brown or Yellow Mustard, 1 small bottle Tomato Ketchup and ¼ cup brown sugar. Mix thoroughly and pour over ham. Bake in a moderate oven (375° F.) for 3 or 4 hours, depending upon size of ham, basting frequently with the sauce. Remove pork from pan, drain off the excess fat from sauce and thicken sauce slightly. This hot sauce is also good served over the cold, sliced pork.

Fresh Vegetables in Tomato Aspic—Soak 1½ tablespoons granulated gelatin in ¼ cup cold water. Combine and mix thoroughly 2 cups Tomato Juice, 1 medium onion, sliced, 1 stalk of celery, 3 sprigs of parsley, 2 tablespoons Pure Cider Vinegar, 4 cloves, ½ teaspoon salt and ¼ teaspoon Pepper Sauce. Simmer 15 minutes, then strain. Add hot liquid to gelatin and stir until dissolved. Partially congeal, then add 2 cups chopped fresh vegetables (celery, green pepper, cabbage). Pour into individual molds and continue chilling. Serve

on crisp lettuce and garnish with Mayonnaise.

Washington Cream Pie—Cream ½ cup butter, add 1 cup sugar gradually and continue creaming. Add 2 well beaten eggs and beat until light and fluffy. Sift 1½ cups all-purpose flour (sifted once before measuring) with 2 teaspoons baking powder and ½ teaspoon salt and add to butter mixture alternately with ½ cup milk. Pour into round layer cake pans (8 inches in diameter) and bake in a moderate oven (375° F.) for 20 to 25 minutes or until cake springs back when touched lightly with finger. Cool, then place a custard filling between layers. Beat ½ glass Currant Jelly with a Dover egg beater until smooth and spread evenly over the top of the cake.

Custard Filling—Scald 2 cups milk. Combine ¼ cup sugar, ½ cup flour and add to scalded milk. Cook over hot water, stirring constantly, until thick. Add several tablespoons of this mixture to 2 slightly beaten egg yolks, mix well, then pour back slowly to custard. Cook for several minutes longer. Remove from fire, then add 1 tablespoon butter and 1 teaspoon vanilla.

WHEN SPINACH SOUP BECOMES A NATIONAL FAVORITE *It Must Be Good!*

WHEN our soup chef put aside his ladle and said, "Here is a masterpiece," we expected something spectacular. But even our sunniest optimist didn't dream that this savory blend of rich cream and crisp young spinach would actually become a national favorite in the span of a few months. Naturally, for a soup to reach such dazzling heights of popularity so quickly, it must be good!

Heinz Cream of Spinach is an old-fashioned kind of soup—made to a treasured recipe and cooked the old-time home way. We take crisp, garden-green, fresh spinach and wash it thoroughly. We chop it fine, and add it, in generous quantities,

to an open kettle of "thicker than whipping" cream.

We stir it, watch over it, and season it expertly with rare spices. When each small batch reaches its flavor peak, we seal it in spotless tins. The "home flavor" stays right there in the soup until you're ready to eat!

All of the 20 Heinz Home-style Soups are made this same slow, painstaking way. They're all ready to heat and serve. No mixing, no fussing. Our cooks do all the work—yours is the fun of eating! Get a few tins of Heinz Cream of Spinach Soup today—and expect loud "ohs" and "ahs" from your delighted family at dinner tonight!

When nations apply "sanctions"—that is, cut off trade with another nation—there may be economic hardship on all sides.  
The same may be true of communities and individuals. How few of us stop to think when we trade unnecessarily away from home, that we are in a small way applying "sanctions" against our own merchants and neighbors!  
It is a good thing to trade at home whenever possible. It helps to keep local wealth circulating for local good. Let us keep this in mind and do our proper part as citizens of this community. We shall all benefit as a result.

## Zeeland News

The youth Fellowship banquet of the Holland class of Reformed churches which was planned for Monday evening, has been postponed indefinitely because of the absence of the speaker, Dr. Raymond Drukker of New York, secretary of the Youth Fellowship movement who has been called to New York due to the serious illness of Mrs. Drukker.

Miss Gladys Zuverink is visiting relatives in Holland.

The garage of Henry Vollink, corner main and State streets in Zeeland caught fire Tuesday noon and four employees escaped injury when the roof, which was completely destroyed by fire, collapsed. The blaze was said to have started following an explosion in an automobile on which Ray Bosch and George Vollink were working. Damage was estimated at \$5,000. A meat market and confectionery store adjacent to the garage were damaged by smoke and water, but were not threatened.

The Youth Fellowship will sponsor a banquet Monday night, February 17 at 6:30 o'clock in the First Reformed church of Zeeland.

Dr. Raymond Drukker of New York formerly of Grand Rapids and secretary of the National Youth Fellowship movement will speak on the subject "Whose Youth?" Many other special features have been planned.

### NOORDELOOS

Mrs. Henry Gerrits and Mr. Henry Kooyers were notified that their

sister Mrs. Harry Vinekemulder of Crisp underwent an operation at the Zeeland Hospital. At this writing she is as well as can be expected.

Mr. and Mrs. George Veltheer are receiving congratulations on the birth of a daughter Sunday, February 2. They have named her Esther. Also Mr. and Mrs. Floyd Kraai of North Holland on the birth of a son January 29.

Mr. Elmer Lievensse a teacher in the local school is at present while the roads are so bad staying at the home of Rev. Fopma and Miss Jackson another teacher is at the home of Mr. John Diepenhorst.

A farmer from here was lost in the severe storm Saturday evening for an hour and a half only ¼ of a mile from his home. His team wandered around in a large circle in a neighbors field when finally he saw a distant light. He unhitched his team and inquired at the farm home where he was. When he was told he realized which direction he was in. He reached his own home at 9 o'clock.

Farmers are finding it hard to get to town the drifts are so big in the roads they go over the fields where they can and cut the fences as little as they go in order to make it a little easier for the horses. The fuel in many homes is nearly gone.

Mr. Harry Vinekemulder spent Thursday night with Henry Kooyers.

Mr. Clarence Raak is hauling the milk of Mr. Speet's route to town since he is unable to make the route with his truck. Still other haulers say they can not get through and farmers must see about it how they can best get their milk to town.

AMERICAN LEGION NEWS

A meeting of the American Legion Auxiliary division No. 3 was held Tuesday afternoon at the home of Mrs. William Brouwer. Plans were made to hold a card party March 6 at the home of Miss Helene Pelgrim. The group will meet again on March 3, at the home of Mrs. Fred Meppelink on West 16th street.

At a meeting of the Willard G. Leenhouts post American Legion, held Wednesday evening, plans for the purchase of a home for legion headquarters were discussed.

At a father and son banquet of Boy Scout Troop 26 held in the G.A.R. room of the city hall Tuesday evening, Dick Boter gave an address in the subject, "Be Prepared." Other speakers were Dr. G. Bos, commander of the Willard G. Leenhouts post of American Legion, which sponsors the troop, and George Mooi. Guests included M. P. Russell, Ottawa county Scout executive; Lemuel Harris, district commissioner; and F. J. Benjamin, cub commissioner. Dr. William Westrate, Harry Kramer and John Althuis compose the Legion committee in charge of the troop.

The next meeting is the Big Party, February 26 at the Masonic Temple, 8:00 p.m. The neighboring Posts will be our guests and a good program has been arranged. Carol Sweet will be the main speaker of the evening.

Ernie Bedell and his committee have a substantial lunch all fixed up. Just what the charge will be to defray expenses is not definitely known.

If you have paid your 1936 dues, or when you do pay them, ask for the new tab to be worn with your regular button. It will identify you as a paid up member.

Heinie Cook and Jack Riemersma did have a good program at the meeting on the 12th. Messrs. Driesenga and Siegers gave us a few numbers on the mandolin and guitar and harmonica and Wm. Arendshorst gave us quite a talk on the Dutch and their influences on Europe from the time of the Ceasers thru the Middle Ages and their effects on our own Colonial ancestors.

The House Committee has been given thirty days in which to amend, correct or recommend their report. These boys have a thankless job and we must not bear down too hard on them but thirty days is plenty of time to get ready for anything, even marriage.

The Post will be taking steps soon to have Armistice Day treated as a legal holiday, with suitable program for the day. The day is legal holiday by Legislature but no one has gone about it properly to celebrate it as such around here.

Special cards are available, without charge, to those members who have been paid up for 5, 10 and 15 years consecutively. See Jack Barendse about them.

Mrs. John Hoffman, 64, died Thursday at her home a half mile west of Oakland. Surviving are the husband, two daughters, Mrs. William Dalman of Zeeland and Mrs. Richard Borr of Holland; three grandchildren; three brothers, Walter Van Dam and Henry Van Dam of Forest Grove and Thomas Van Dam of Oakland, and two sisters, Mrs. Herman Behrens and Mrs. John Sneller of Oakland. Funeral services will be held Saturday at 1:30 p.m. at the home and at 2 p.m. at the Oakland Christian Reformed church. The Rev. John Kolkman will officiate and burial will be in Bentheim cemetery. Friends are asked to omit flowers.

DR. SAMUEL M. ZWEMER, WRITES FOR SALVATION ARMY WAR CRY

The Salvation Army weekly periodical, "The War Cry" which will be sold this week in Holland, has a full page written by Samuel M. Zwemer, D. D., Professor of Missions for forty years to the Moslems, formerly at Holland.

The theme of his discussions is a problem which has developed to major proportions during the past years, and will be of interest to all, especially to the friends and neighbors who knew him for years in this city. Do not miss this copy of the War Cry.

The City Rescue Mission case which has occupied the attention of the courts for the last six months has been decided favorably to the local bank by Judge Brown of Grand Rapids.

Because Judge Fred T. Miles was not in a position to try the case since he had been closely identified with the City Rescue Mission, the case was tried before Judge William Brown of Grand Rapids and he Monday, after deliberating on the matter for two weeks after the trial, upheld the mortgage foreclosure rights of the First State Bank of Holland on the property owned by the City Rescue Mission, the officials having brought suit against the bank and the Salvation Army who had purchased the Mission building.

The complete decision on the Mission case by Judge Brown of Grand Rapids is found below.

### OPINION

The bill of complaint was filed in this case to set aside a mortgage and to set aside a Circuit Court Commissioner's deed given on the foreclosure of the mortgage and also to impress a trust upon the property described therein.

There is no controverted question of fact in the case. The questions involved are questions of law.

The original Rescue Mission, of Holland, Mich., was entirely intangible, so to speak, so far as any pretended or attempted legal or-

## SNOW CONCERT TO BE GIVEN FEBRUARY 25

The W. Curtis Snow memorial concert, which was postponed, will be presented on Tuesday, February 25 in the Hope Memorial Chapel. Dr. Earle Moore, conductor, Mr. Hackett, tenor, Joseph Brinkman, eminent pianist and Palmer Christian, university organist, all of Ann Arbor, and friends of the late Mr. Snow will take part in the concert. Other numbers will be by the Holland Symphony orchestra, and the Choral Union chorus. E. F. Heeter, director of instrumental music in Holland public schools, will direct the orchestra numbers, and the combined chorus and orchestra selections will be conducted by Dr. Moore. Tickets already purchased for the concert will be honored on the new date and additional tickets may be secured from the Hope college office, from Prof. Clarence Kleis, or any member of the committee in charge.

Organization was concerned. It never had any written rules, regulations, by-laws, or declaration of principles or purposes. Prior to 1926, Miss Nellie Churchford, a resident of Holland, Mich., being religious, unselfish, and desirous of being helpful in making life happier and more useful for others who might attend, opened and conducted what she called the Rescue Mission. This Mission had no roster of membership, no charge for attendance, no officers. It was opened and managed by Miss Churchford; she called it a Rescue Mission and, like Topsy, it "just grew up."

Because of the purpose and the patronage of the Mission, and with the hope of extending the usefulness of the work of the Mission, public spirited persons of the community procured a fund by subscription and donation with which to buy a lot and to erect on such lot a building suitable for the needs of the Mission. Such a fund was collected and deposited in the defendant The First State Bank. The lot was bought and paid for out of money prepared and adopted by the authority having that matter in hand, such authority being assumed by what may be said to be voluntary and self-constituted committees, each of such committees taking charge of certain parts of the work connected with the planning, the erection and the equipment of the building to be placed upon the said lot for the purpose of the Mission.

When the lot was purchased there was no organization or person legally constituted or authorized to take title to it. The Mission was intangible. It was agreeable to the community where the money was raised and to the individuals who were the motivating power behind the enterprise that the title to the lot be taken and held in the names of three trustees, and accordingly and without further ceremony and without any attempt at establishing legal authority for such holding of property, on May 20, 1926, the deed was taken to said lot in the names of Con DePree, August H. Landwehr and Nellie Churchford, Trustees and as Trustees for the Holland Rescue Mission. The said deed to the Trustees contained the following recital: "The premises to be perpetually used by such mission for rescue mission purposes."

After the title to the land was so taken in the names of such Trustees and the deed was duly recorded, the erection of the building was undertaken. When the building was well under way to completion it was learned by the Trustees that there were bills of expense, invoices for material, and labor claims unpaid chargeable against said building which must be paid promptly, and that the completion of the building required further and more money than was on hand; after due consideration, said Trustees negotiated a loan from The First State Bank, one of the defendants herein, for and obtained the sum of \$10,000, which sum the bank placed in said bank to the credit of said Trustees and those having the erection of said building in hand, and which sum of \$10,000 so borrowed from said bank was all used and expended in the payment of necessary charges for the completion of said building and fitting it for use for mission purposes. To secure the repayment of said sum of \$10,000 to said bank, said Trustees on July 9, 1927, executed and delivered to said bank the mortgage in question here.

Interest was paid upon said mortgage from its date to July 9, 1932. In 1934 foreclosure proceedings of said mortgage were instituted. Two new Trustees had been appointed to fill vacancies which had occurred and service of process was had upon the Trustees existing at the time the foreclosure proceedings were begun. After the foreclosure proceedings were commenced and in 1934 the Mission was incorporated under the name of City Rescue Mission and later the property so purchased was conveyed by deed by said Trustees to the corporation. Said deed contained the following clause: "Subject to real estate mortgage of \$10,000 payable to The First State Bank, Holland, Michigan."

All proper parties to the suit were made parties and due service was had of summons upon each and all of said parties, which service included service of summons upon the Trustees. Due service was had upon the said corporation, which took title to the property after the bill of foreclosure was filed. No appearance was entered in the foreclosure suit by or for any of the defendants and no defense was made in the suit by or for any of the defendants.

The decree of foreclosure was entered in the cause February 4, 1935, foreclosing the mortgage and ordering sale of the said mortgaged premises. Sale was made by the Circuit Court Commissioner and the premises were bid in for the full amount due by Paul E. Chol-

## FETE PROSPECTIVE BORCULO BRIDE OFTEN

Last Friday evening, Miss Florence Stremler was guest of honor at a combined linen shower and farewell party, given at the home of Mr. and Mrs. John Ammeraal in Borculo. In spite of weather conditions forty guests were present. A fine program was enjoyed, including farewell numbers, as the young couple intend to leave for Lynden, Washington, in a few weeks where they will make their home.

Misses Lucy and Rena Steenwyk, Alice Oost, and Bessie Holsteg of Beaverdam and Miss Edith Stremler of Borculo spent Friday afternoon as guests of Miss Florence Stremler, a bride-to-be, at the home of Mr. and Mrs. Harm Stremler at Borculo. Delicious refreshments were served by Miss Stremler, and a very pleasant afternoon was enjoyed by all. The young ladies presented Miss Stremler with a fine gift.

## POST OFFICES TO HELP BIRDS

(Allegan Gazette)

Postmaster Cook received word from Washington last week which authorized him to announce to patrons of the Allegan postoffice that food of any sort, brought to that office, will be taken out by the rural mail carries for distribution for that use among the people of the rural routes. All such donations will be gladly received. This humanitarian movement to help our Michigan birds from dying of hunger through this extremely cold and snowy spell is very active and state-wide in its scope. Even though you yourself area not much interested in birds for their beauty and song, you should bear in mind the fact of the great assistance they are in ridding all vegetation of the many pests that constantly attack it, and do your bit toward supplying them food.

## YOUNG DEMOCRATS PLAN CONVENTION NEXT MONDAY

## HITCHES OLD "DOBBIN" TO THE SLEIGH

(Zeeland Record)

The multiplicity of snow has licked the all-embracing truck so that much hauling has been delayed as well as entirely suspended. On the main road to Grand Rapids many cars were stalled in the snow banks that blocked the roads on Wednesday, and yards at homes in the city are so jammed with snow that it is surprising automobiles are moving at all. This piling of snow has completed its third week and much drifting by strong winds is evident everywhere, especially the last week.

But Harry Derks of Derks & Butler, fuel merchants, refuses to be licked. He has dug up the old sleighs with which he used to deliver coal in the winter and is now delivering coal by sleigh just as he did in former years. Harry says he has the coal and the means of getting it to where it is wanted, so no one is going to freeze in Zeeland—not yet.

For a number of years Miss Bast has been connected with the health department of the Detroit schools, and several social events in her honor have been given by Detroit friends. A number have also been given by friends in Fennville. Mrs. Clara Schultz entertained for her Saturday evening.

Many beautiful gifts were presented to Miss Bast as tokens of the esteem in which she is held by her associates.

It was announced Tuesday that the production of "Cappy Ricks" by the Virginia Park community players to have been presented Wednesday, Thursday and Friday nights of this week has been postponed due to inclement weather.

## Ground Flooded When Big Truck Breaks Hydrant

A HUNDRED THOUSAND GALLONS GUSH FORTH BEFORE CREW CAN REPAIR BREAK

Superintendent Gerrit P. Rooks of Zeeland and his men had a tough time of it on Monday night while the city water supply suffered a loss of upwards of one hundred thousand gallons that had been held in reserve in case of fire. That didn't drain the Zeeland supply, but the city would have been in a sad plight had a fire occurred during the three precious hours the superintendent and his crew spent in meeting the emergency.

The trouble was caused when a large Citizens Transfer truck made too short a turn at the intersection of M21 and North Maple st. striking a fire hydrant and breaking it off squarely at the ground level. The truck was driven by J. W. Schansma, 111 Canton st., Grand Rapids, who was on his way to the warehouse and shipping room of the Dutch Woodcraft factory here.

At once the water gushed forth from the hydrant opening, and rapidly spread in every direction, instantly turning into a mass of ice. The Zeeland city emergency crew was called out to stop the leak, and it was fortunate that Mr. Rooks had a definite record of all stop boxes and valves, but it required three hours of working in the dark before the trouble could be remedied.

After closing the valve, the indicator at the reservoir showed that upwards of one hundred thousand gallons of water had gushed out of the broken hydrant. This, with the difficulty of keeping the traffic lanes open throughout the city during the stormy night of Monday, made it a very interesting night for the superintendent and his men.

## EXERTION FATAL TO TALLMADGE FARMER

John Smith, 70, Tallmadge township, died of a heart attack Sunday morning. It is thought the attack was brought on by the exertion from shoveling a path from his farm home to the chicken coop, as he died shortly after returning to the house while he was resting. Mrs. Smith and four sons were in the home when he passed away. Deputy Sheriff Roelof Bronkema, residing near the Smith home notified Sheriff Ben Rosema and an unsuccessful attempt was made by the Kent and Ottawa County road commissions to plow open a road to the home to enable a Grand Rapids undertaker to reach the body. Sheriff Rosema indicated an attempt would be made by team and sleigh today.

## HOLLAND PROFESSOR HEARD BY PASTORS

(Muskegon Chronicle)

Thirty members of the Greater Muskegon pastor's conference met Monday at the Y.M.C.A. and were addressed by Prof. C. Nettinga of Western Theological seminary, Holland.

Prof. Nettinga used as his topic "Christ or Caesar?" tracing the evolution of our present day religion from the days of its beginning in the amphitheatres of Rome, when the Christians were persecuted for their beliefs. Prof. Nettinga said the conflict between Christianity and paganism, beginning in those ancient times, was still in progress. He deplored the fact that some people are turning away from the doctrines of Christ, and expressed the hope that through the efforts of the church they may be brought back into the Christian belief. He especially stressed the importance of not only preaching the full gospel but the application of its principles to the lives of individuals, and the spreading of its teachings to make a better world.

She also paid tribute to Mrs. C. Doeburg, the first president, and Mrs. H. Boone, the first treasurer, who served for ten years. Mrs. D. B. Van Baale presented a vocal solo accompanied by Mrs. Curtis Snow.

## There Is No Other Way

In supplying telephone service to Michigan, this Company's first concern is with the present. Above all else, the service must be good today. But to serve the present, we must be constantly preparing for the future.

To illustrate: In Detroit stands Michigan's largest long distance switchboard. It represents invested money, skilled labor and thorough engineering study. The need for this switchboard did not exist at the time plans were made for it. But a careful survey of the future had plainly indicated that such a need was coming. And when it came, this Company was perfectly equipped to handle the heavy traffic of long distance calls that flowed in and out of Michigan's great industrial areas.

The intricate mechanism behind your telephone cannot be assembled overnight, nor thrown together to meet a sudden need. It must be "built ahead." To do this intelligently—and economically—requires an intensive engineering survey of such factors as shifts in population, industrial developments and trends in real estate. The neglect of these preparations could be as wasteful as building a bridge accommodating a single lane of traffic, only to find later that additional lanes are imperative.

It is not a mere academic theory that this policy of building for the future is the only way to provide high-grade telephone service. Experience has repeatedly demonstrated that there is no other way.

Credit for the novel idea of the invitational high school debate meeting goes to Dr. Shackson, director of men's debate, who conceived the idea, and to Pi Kappa Delta organization for working out the details. Committees in charge were, program, Richard Smith and Miss K. Donahue; correspondence, Vera Damstra and Ekald Buys; arrangements, Alma Nyland and Lois Vander Meulen.

## ZEELAND

At the morning services at Second Reformed Church recently, an interesting letter was read from Mrs. Henry P. De Pree of Kulangsu, Amoy, China. Mrs. De Pree is a charter member of Second Ref. Church and with her husband, Dr. De Pree, also formerly of Zeeland, has spent many years in China. Mrs. De Pree wrote about recent revival experiences in that country and the wonderful transformation in the lives of many Chinese. Native Christians endure hardships and severe persecutions with wonderful fortitude and often reveal outstanding sincerity, she wrote.

The Union meeting of the Women's Missionary society and Mubsheraat society which was to be held at Second Reformed church last Thursday afternoon, was postponed on account of the cold and stormy weather. Mrs. Dirk Dykstra, of Arabia, home on furlough will address the group at some future meeting. The Christian Endeavors potluck supper which was planned to be held last Wednesday evening in Second Ref. church in celebration of C. E. week was not held on account of the stormy weather and will be held at some future date.

Zeeland High school outshot the winning streak of Comstock Park High school in basketball, breaking the Parkers' record of nondefeat this season in the Zeeland gym here Friday night by a score of 19 to 15. The advantage of the Zeeland team in height was a contributing factor in the victory. Comstock lost some of its usual shooting skill and had no sensational scorer, Lach leading with 5 points. Brower led Zeeland with 8 while Lokkers made 7. It was the first defeat for Comstock in 10 games. Zeeland led all the way after the first quarter, which ended with the score knotted at 7 to 7.

Mr. and Mrs. Ben Kroeze of Holland, former residents of Zeeland, were visitors at the home of their children, Mr. and Mrs. Adrian De Pree, on Centennial st., last Thursday.

## STATE OF MICHIGAN

To the Circuit Court for the County of Ottawa in Chancery:

The petition of John J. O'Hara, Auditor General of the State of Michigan, for and in behalf of said

State, respectfully shows that the list of lands hereinafter set forth and marked "Schedule A," contains a description of all lands in said County of Ottawa upon which taxes were assessed for the years mentioned therein, and which were returned as delinquent for non-payment of taxes, and which taxes have not been paid; together with the total amount of such taxes, with interest computed thereon to the time fixed for sale, and collection fee and expenses, as provided by law, extended against each of said parcels of land.

Your petitioner further shows to the Court that said lands were returned to the Auditor General under the provisions of Act 206 of the Public Acts of 1893, as delinquent for non-payment of said taxes for said years respectively, and that said taxes remain unpaid; except that lands included in said "Schedule A" for taxes of 1890 or prior years were returned to the Auditor General as delinquent for said taxes under the provisions of the general tax laws in force prior to the passage of Act 200 of the Public Acts of 1891, and which taxes remain unpaid.

Your petitioner further shows that in all cases where lands are included in "Schedule A" as aforesaid, for the first instalment of taxes of 1932, or of any prior year, said lands have not been sold for said taxes or have been heretofore sold for said delinquent taxes and the sale or sales so made have been set aside by a court of competent jurisdiction, or have been cancelled as provided by law.

Your petitioner further shows and avers that the taxes, interest, collection fee and expenses as set forth in said "Schedule A," are a valid lien on the several parcels of lands described in said schedule.

Your petitioner further shows that the said taxes on the said described lands have remained unpaid for more than one year after they were returned as delinquent; and the said taxes not having been paid, and the same being now due and remaining unpaid as above set forth, your petitioner prays a decree in favor of the State of Michigan against each parcel of said lands, for the payment of the several amounts of taxes, interest, collection fee and expenses, as computed and extended in said schedule against the several parcels of land contained therein, and in default of payment of the said several sums computed and extended against said lands, that each of said parcels of land may be sold for the amounts due thereon, as provided by law, to pay the lien aforesaid.

And your petitioner will ever pray, etc.  
Dated January 6, 1936.

JOHN J. O'HARA,  
Auditor General of the State of Michigan,  
for and in behalf of said State.

A list of the lands referred to as included in "Schedule A" is on file in the office of the County Clerk and subject to public inspection.

The Returned Delinquent Rolls and the Supplemental Returned Delinquent Rolls, together with the delinquent taxes of 1933, are all filed in the County Treasurer's office and contain the descriptions which will be offered for sale. They are subject to public inspection.

## RURAL SCHOOLS GET HELP THRU CONSERVATION LANDS

Tax lists by which the Department of Conservation will remit nearly \$240,000 to counties, townships and school districts this year under the Green act, are now being prepared by the Lands Division of the department.

The Green act requires the payment by the state of 10 cents an acre in taxes on all state-owned lands except state parks up to 1,000 acres in area. Since there are now approximately 2,450,000 acres held by the state, the total payments by the state to local governmental units will amount to about \$240,000.

Part of this amount will be paid from the game protection fund, made up of the receipts from hunting, fishing and trapping licenses and fees. The other part will be paid from the state general fund.

Under the law taxes are paid from the general fund on swamp lands and tax homestead lands, the latter being that class of acreage which has reverted to the state through tax delinquency. For all other state-owned lands such as those acquired by purchase, gift and federal grant, the Department of Conservation is required to pay from the game protection fund.

## SAYS MAE WEST AIDED BEET SUGAR INDUSTRY

J. A. Dickey, senior extension economist at Michigan State college, told Michigan sugar beet growers Friday that "Mae West has been the most valuable aid to sugar consumption in the state since she sprang into motion picture popularity." Dickey said the buxom Mae has led many women away from dieting fads and encouraged them to eat sweets to put on weight.

## HOLLAND SUGAR MILL BEGINS CAMPAIGN

Employees of the Lake Shore Sugar Company are busy writing contracts for the farmers who wish to grow sugar beets this year. Most of this work is being done by the six fieldmen of the company who are battling the snow-covered roads in cars and on foot.

Fieldmen and their locations are as follows: Marine Leenhouts, Zeeland; T. W. Van Haisma, Vriesland; John Kemme, Borculo; Glen Densmore, Hastings; Warren Hagley, Gallen; Jacob B. Swieringa, Lansing, Illinois.

Contracts may be secured at the office of the Lake Shore Sugar Company in Holland or at the home of any of the fieldmen.

This is the fourth year farmers have grown beets under the partnership or 50-50 contract. Present indications are a large acreage will be grown this year. Outlook for the price of beets is good due to the quota system which limits the supply of sugar from foreign countries for domestic consumption.

## FENVILLE SCHOOL PROJECT IN WPA SCHEDULE GETS OFFICIAL SANCTION

The WPA project for school extensions and improvements in Fennville announced some time ago, have finally been given presidential approval. But just when the work will be started is uncertain. It has to be done by workmen selected from the relief rolls, and at present all such are employed on the sewer job in that village and no more are available.

The work contemplated in this project includes construction of two new rooms on the north side of the present building, redecorating all the rooms and halls, and laying a new floor in the auditorium.

The amount authorized for the work is about \$13,000, of which the sum of \$6,500 comes from federal funds, a like amount to be paid by the district.

A whole train-load of machinery for the Allegan municipal dam arrived over the Pere Marquette last Wednesday coming from General Electric company. It included many items. It must be first-class coming from that source. It will not be very long before the plant will be in full operation.

Norman Plenn was sentenced at Allegan by Judge Miles to \$500 fine and \$100 costs or serve from 3 to 5 years in prison. Plenn had been found guilty of the theft of jewelry from cars parked near the Allegan County Park on Lake Michigan shore.

## LIKE THE WEARY MAN HOPED "FIVE SUNDAYS CAME TOGETHER"

What is so rare as five pay days in February? A research statistician found that the occurrence (taking Saturday as pay day) so rare that it has happened but five times in the Nation's 160 years of independence. And it happens again this month. The last time February had five Saturdays was in 1908; before that in 1812, 1840, 1868, and 1896. After this year it won't occur again until 1964.

## DEAD TREES, DAMAGE RABBITS AND MICE DO TO THEM

Mr. T. A. Merrill of the Horticultural Department will be in Allegan County for Pruning Demonstrations on February 19 and 26. Please notice the dates and place of meeting.

Wednesday, February 19, 9:30 a. m.—Anderson & Cochran Orchard at Milgrove 3 1/2 miles north of Allegan on M. 40.

Wednesday, February 19, 2:30 p. m.—M. C. Loew farm, 1 mile west, 1 mile north of Burnips.

Wednesday, February 26, 9:30 a. m.—Crane's orchard, 2 miles west of Fennville on M. 89.

Wednesday, February 26, 2:30 p. m.—Floyd Barden orchard, 1 1/2 mile east of 131 on Pullman road. All kinds of fruit trees, vines and bushes will be pruned at these demonstrations. Remember there is probably lots of winter injury on some varieties of fruit.

Here are some things to be thinking about. It is not too late yet to remove dead wood, old trees, vines and bushes that do not pay. Rabbits and mice injure your trees. The snow should be dug away from the trunks to prevent mouse injury. If you need poison use the Government formula. Repair your spray rig before spring so you will be able to do a good job of spraying when you start.

Mr. J. H. Muncie and C. H. Mahoney from Michigan State College will hold a meeting for onion farmers on February 20, 10 a. m. at Hooper. Both cultural and disease practices to be discussed.

On February 26 at 10 a. m. at the Martin Methodist Church, Mr. C. H. Mahoney will hold a meeting with celery growers of Allegan County to discuss the possibilities of uniform packages. The idea was advanced by the State Vegetable Growers Association and growers should be present at the meeting to express their opinions.

Dr. Paul Harmer, Muck Specialist, will hold soils meetings for muck farmers on the following dates: February 27 at 10:00 a. m.—Hooper; February 28 at 10:00 a. m.—Hamilton Farm Bureau. Bring your soil samples to these two meetings.

ette, who later conveyed the property to defendant The First State Bank of Holland, Mich. Prior to the date upon which the Commissioner sold the premises upon foreclosure, plaintiff's attorney, who was a Trustee by succession under the deed to the Mission and who was an officer in the plaintiff corporation, conferred with an officer of the bank and with the attorney for the bank in the foreclosure proceedings upon the matter of bidding the full amount due upon the mortgage and foreclosure sale so that there would be no deficiency upon the sale reported by the Commissioner; and it was agreed thereon that the bid at the sale by the bank should be for the full amount due to the bank under the mortgage, and there would be no decree for deficiency against any of the defendants. April 25, 1935, the sale was confirmed by the order of the Court. No appeal has been taken by any of the defendants from the order of the foreclosure proceedings.

The Mission occupied the premises until the period of redemption had expired and then voluntarily moved out of the premises and delivered the key of the premises to the bank on December 12, 1935. Deed was given by Trustees Isaac Kouw, Nelson A. Miles, and Con DePree, who were the last Trustees by succession of the first Rescue Mission under the deed to City Rescue Mission, a corporation, June 5, 1934, which deed was recorded November 10, 1934.

The proofs in the case do not show what was done to place the property in possession and management of the corporation, or when the plaintiff corporation took charge of the premises as a corporation.

The bank had given plaintiff the first option to purchase the premises after the period of redemption expired and efforts were made by plaintiff to raise a sum of money agreed upon between plaintiff and the bank for a repurchase of the property from the bank by the plaintiff. After making such effort to raise money, plaintiff abandoned its effort to repurchase and then the bank entered into a contract to sell the property to The Salvation Army, defendant herein. The Salvation Army had arranged for a formal opening of its work upon and in this property when plaintiff filed its bill of complaint herein. Plaintiff claims that the Trustees had no legal right or authority to give the mortgage in question for the reason that the property must be used "perpetually" for rescue mission purposes, as stated in the deed. Plaintiff, a corporation, was not organized until after the foreclosure thereof was instituted. The plaintiff corporation had no right, title, or interest in said mortgaged premises prior to the filing of the bill of complaint for foreclosure. The only interests or property rights in or to the said mortgaged premises held by or asserted by plaintiff were obtained by plaintiff by deed from said Trustees. In the deed from the Trustees to plaintiff corporation the mortgage here involved is definitely referred to as a lien upon said premises and subject to which plaintiff took title from said Trustees. The plaintiff corporation now claims that the Trustees had no authority to mortgage the property to the bank to secure the repayment of the sum of \$10,000 which they received from the bank for the necessary use of the Mission, for the reason that said Trustees were barred from mortgaging said premises by reason of the provision in said deed that the use of the premises must be "perpetual" and at the same time plaintiff claims that it has received a legal deed of all the rights in the premises from the said Trustees, without so far as the record shows, having paid any consideration therefor.

At the close of the taking of testimony upon the trial, the Court announced that the only question of fact which might be raised in the case was as to whether the money received from the bank in the sum of \$10,000, the repayment of which was secured by the mortgage in question here, was obtained in good faith and all expended in the completion of the building and in making the building ready for its intended use for mission purposes. There was no testimony showing or tending to show that the mortgage was not procured in good faith on the part of the bank or given of necessity and in good faith by the Trustees. There was no testimony tending to show that all of the money received on the mortgage was not expended for the necessary purposes of building the building and its equipment for mission purposes; on the contrary, it appearing that it was necessary that said sum of money be procured by the Mission for the purpose of completing the building, equipping it for mission purposes. The court then and there determined and announced from the Bench that the mortgage was given by the Trustees in good faith to the bank and the mortgage was received in good faith by the bank as security for the repayment of \$10,000, which sum the bank loaned to said Mission as stated in said mortgage, and that the said sum of \$10,000 was necessary in order to complete and equip said building for mission purposes, that all of said sum of \$10,000 so borrowed and for which the mortgage was given was necessarily expended in completing and equipping said building for mission purposes and that said mortgage was a valid and legal mortgage in the hands of and owned by said The First State Bank upon the property described in said mortgage.

The Court finds that the deed to the Trustees conveyed a clear and unrestricted title to the property therein described. There was no reservation by the grantor, either express or implied, in the deed. There was no provision in the deed creating a condition or restriction. There was no reverter clause in the deed. The recital in the deed as to the use to which the property shall be put does not in any way limit the grant.

The Court finds that the Trustees under this deed had full power to act and had full power to mortgage said premises held by them so long as they acted honestly and not in collusion against or to the detriment of their trust. These Trustees acted honestly and in good faith and of necessity for the preservation of the property, in the giving of this mortgage. The full amount as secured by the mortgage was received by them and was all expended for the benefit of the trust. The mortgage was a legal obligation and entitled to foreclosure.

The Court finds that the First State Bank, of Holland, defendant, has a clear and unrestricted title in fee simple in the property described in said mortgage and in the Circuit Court Commissioner's deed in the foreclosure proceedings and the irregularities in the foreclosure proceedings do not affect the merits of the foreclosure proceeding and in no way prejudice the rights of the plaintiff. Plaintiff was duly served with process, had full knowledge of the foreclosure proceedings, made no objections to them, and entered into an arrangement and agreement prior to foreclosure sale as to the bid to be made by the bank at the sale by the Commissioner. The decree for the foreclosure was not prematurely made. The property was conveyed to the plaintiff corporation by the Trustees and their successors named in the original deed after the complaint was filed, and it was not necessary to wait six months after the date of the conveyance before a decree of foreclosure sale of the property could be made. This is particularly true when the sale is not made to a stranger, but is made to a corporation formed to represent the parties who actually owned the beneficial interest in the property. One of the Trustees who deeded the property right of the intangible Rescue Mission to the corporation Mission after the bill was filed herein had an active part in organizing the corporation and was made one of its first officers, was served with process in the foreclosure proceedings as a Trustee under the deed, and is an officer in the plaintiff company and is an attorney for plaintiff in this cause. While the sale was advertised by the Commissioner to be made at a shorter time than permitted by law, the sale was not actually made until after the full period of time had expired. The sale was confirmed by order of the Court. No appeal was taken therefrom. The parties to the foreclosure proceedings are bound by the decree. No fraud is alleged in any phase of this case. The Court had jurisdiction over the parties and the subject-matter in the foreclosure proceedings. The issues of law raised herein are all questions incident to the foreclosure proceedings growing out of the facts in connection therewith. If such questions were raised in the foreclosure proceedings, the law which allows amendments may be invoked and the rights of the parties protected.

The foreclosure proceedings, being a final adjudication of all the questions raised in this case by the plaintiff, the decision of the Court in the foreclosure proceedings is res adjudicata in all questions presented by the plaintiff here.

A decree may be prepared for signature in accordance with these findings, with costs to defendants WILLIAM B. BROWN, Circuit Judge Presiding Dated February 6, 1936.

The First State Bank, Paul Chollette and the Salvation Army were represented by the law firm of Diekema, Cross & Ten Cate and the City Rescue Mission, Ecclesiastical Corporation, plaintiff, was represented by Attorneys Nelson A. Miles, Raymond L. Smith and Arthur Van Duren.

Attorney Nelson A. Miles stated that the much publicized City Mission case, which was decided in favor of the First State Bank, has been appealed to the Supreme Court and that papers are thus filed.

While bringing in the hind-quarters of a freshly-killed fawn deer, Edward LaRose, 22, of Gould City, Mackinac county, walked right up to a conservation officer. The officer, Harold R. Peters, happened to be at the respondent's place because he had played a hunch. He relieved LaRose of his repeating rifle and arraigned him in justice court where he was fined \$50 with costs of \$6.85 with alternative of a 30-day jail term.

## SUNDAY DINNER Suggestions

By ANN PAGE

THE same weather conditions which made for a temporary shortage of fresh produce and slightly higher prices last week have continued and the higher prices with them, though there are many excellent values available in vegetables.

New cabbage, spinach, broccoli, peas, and bunch beets and carrots together with the typical winter vegetables are all inexpensive.

Beef and lamb offer the best meat values while pork is higher. Eggs, milk and butter production are somewhat reduced. Evaporated milk is an excellent and economical food which helps to make many good dishes better.

The citrus fruits are now at their best, sweet, juicy and full of flavor. Here are three menus at different budget levels for Sunday dinner.
