Millage Vote Slated Here March 26

An operating millage election will be held in Holland Tuesday, March 26, the Board of Education decided at its monthly meeting Monday night in the Holland High School library.

The amount of millage was not determined Monday night. Further study is scheduled and determination is expected in a week or so. School Board Atty. Jack Marquis presented the necessary resolutions setting up the election. City Clerk D. W. Schipper will be asked to conduct the election. Marquis said the date has been cleared with the election scheduling committee of Ottawa county. Feb. 25 will be the last day for registering.

The board approved the appointment of Cheryl Eastman, a 1971 Grand Valley State College graduate with no experience, as replacement this semester for third grade of Lakeview School. Employment of two teacher aides also was approved or Mrs. Georgiana Timmer's special education room in Jefferson School and Mrs. Mary Baron's first grade in Maplewood School.

The board approved a two-year lease with the Ottawa Area Intermediate District for two of the four rooms in the old Maplewood School on 48th St. for use as a Regional Education Media Center to serve both Ottawa and Allegan counties.

A substitute teacher policy was adopted whereby only certified teachers will serve as substitutes for teacher absences of a day or longer. Teacher aides and practice teachers may be used for less than a day if approved by the principal.

Plans for the Career Education Institute next summer for six weeks were updated. Counselor Tom Carey is meeting with Chamber of Commerce representatives for further plans.

Board member Mrs. G. S. McKenzie was designated as delegate of the local board to the general fund budget hearing of the Ottawa Area Intermediate District Feb. 28 at 8 p.m. in the Arer Center on 96th Ave. near Allendale.

Supt. Donald L. Ihrman reported having received a response from Gov. Milliken on local desires to exempt Michigan from Daylight Saving Time. The Governor's letter, dated Jan. 1, listed many aspects which had figured in his decision, emphasizing that Washington feels children going to school in the darkness is not a valid reason for changing the time inasmuch as local school districts can make adjustments.

Ihrman also spoke of the two-day recess last week because of high absenteeism caused by colds and flu among students. He said K-12 absences last week reached over 30 per cent with 1,350 to 1,400 absent on Wednesday. On Monday, absenteeism was down to 18 1/2 per cent with 957 absent in the entire district. He said schools with high absenteeism last Wednesday had much better attendance record this week, but some with low absences last week had a higher degree this week.

Board Vice President Robert Gosselar presided in the absence of James O. Lamb. All other members were present. Mrs. McKenzie gave the invocation. The meeting lasted 35 minutes.

Budget Surplus Haunts Board

GRAND HAVEN — The question of what happened to a reported \$500,000 surplus in the 1973 budget continued to haunt Ottawa County Commissioners Monday.

Commissioner Raymond Vander Laan of Hudsonville asked finance chairman James K. Dressel of Holland what happened to the surplus and whether it could be used to hire additional personnel for the health department.

Vander Laan's question was raised as Dressel was making a finance committee report to amend the 1974 budget to allow for an additional \$97,000 in salaries for county employees based on a cost of living clause in their contracts.

Vander Laan claimed there was about \$300,000 surplus carried into the 1974 budget and labeled as a "grabby move," actions to declare a surplus and then put \$150,000 into a building fund which cannot be touched for other purposes "while we deny funds to the human services."

Several sets of figures were presented by various commissioners to explain where the reported surplus can be found in the 1974 budget. Dressel said after figuring the \$150,000 building fund, \$97,000 in salary increases and certain other expenditures approved by commissioners, the "surplus" amounted to \$200,000 which was placed in the contingent fund.

The finance committee report recommended the \$97,000 salary hike for county employees but made no mention of hiring additional personnel in the health department or reinstating \$23,000 in cuts in the mental health department. The report was adopted by the commissioners.

Commissioner William L. Kennedy of Allendale, a member of the finance committee, defended the large contingent account fearing a decline in taxes and revenues because of a recession and said commissioners already earmarked \$20,000 and were studying several thousands of dollars of expenditures from the account.

Delinquent Tax Revolving Fund Okayed by County

GRAND HAVEN — Adopting four resolutions in quick succession, Ottawa County Commissioners Monday created a delinquent tax revolving fund to assure school districts and municipalities their full property tax payments for each year without waiting for delinquent taxes to be paid.

Creation of such a fund using short term bonds had been under study more than a year and has been in operation in other Michigan counties.

Commissioners established the revolving fund for delinquent taxes of 1971 and 1972 and authorized the county to borrow \$530,000 to cover the unpaid taxes for 1972.

Under the program the county treasurer would pay the school districts and municipalities their allocated share of the delinquent taxes through the sale of short term bonds.

The county treasurer would collect the delinquent taxes plus interest and collection fees which would be used to repay the bonds. It was anticipated the revolving fund would become self supporting in about 12 years.

The delinquent taxes in 1971 amounted to \$249,034 while the delinquent 1972 taxes were \$530,465. The delinquent 1971 taxes would be paid from the General Fund while the bond issue, subject to Michigan Municipal League approval, would pay for the 1972 taxes.

First Arrest In Truckers' Strike

Holland police Friday made their first arrest in the nearly two-week old strike by independent truck drivers.

Officers said a Zeeland man whose name was not released was arrested on a warrant charging him with hindering and obstructing a police officer in performance of his duty.

Police said the arrest was in connection with an incident Thursday at the M-21 Truck Stop along Chicago Dr. where about 100 persons blocked five trucks from leaving the truck stop.

Holland police, with aid from State Police and the Ottawa County sheriff's department, were at the truck stop about 90 minutes clearing paths for the trucks to leave.

Officers continued to escort truck convoys through the city Friday but said there were fewer trucks on the road because of the weekend. Picketing was reported again at Holland

Influenza Monitored By County

GRAND HAVEN — The Ottawa County Health Department is operating a monitoring surveillance system on an acute respiratory infection resembling influenza in this county. Outbreaks also have been reported in such states as Georgia, Illinois, Iowa, Minnesota, Oklahoma and Wisconsin.

The system basically involves utilization of absenteeism data from selected industries, high schools and elementary schools, local colleges and hospital outpatient and admission data. The department is aware that while absenteeism relates to other causes than illness, it nonetheless provides a reasonably valid index of the prevalence of disease in an area.

In Michigan this outbreak, according to County Medical Director Paul J. Christenson, this outbreak was first reported in the upper peninsula, and isolates from suspected cases have been identified as a variant form of influenza B.

In Ottawa county, first reports of excessive absenteeism came from the southern part of the county, a situation which existed and developed in early 1972.

The department's selectivity sampling of absenteeism incorporates some 15 schools, two hospitals and one college in the southern part of the county, the geographic line being M-45 excluding Allendale. Four major industries in Holland area are included.

The northern part of the county including Allendale involves surveillance of 14 schools, five major industries, Grand Valley State Colleges and one hospital. Absenteeism was much greater in schools in southern Ottawa than in the northern part of the county last week, and most schools closed two days because of illnesses.

Dr. Christenson said Influenza B, in general, has an incubation period of one to three days and a communicable period of about three days from the onset of clinical symptoms. He suggests that any child with signs of acute illness (flu in particular) be kept at home, watched, and that the family doctor be contacted as necessary. He also recommends that adults with similar symptoms remain at home and consult the family doctor if necessary.

Modders Has Another Fine Outing

By Leo Martonosi

Holland's fast moving basketball team handed Hudsonville Unity its worst defeat in many moons Friday night in the Fieldhouse, 86-54.

The hot shooting Dutch of Coach Don Piersma swished 76 per cent of their shots from the field (13 of 17) in the fourth period in rolling to their ninth triumph of the season compared to seven losses. Dave Bos' Crusaders are now 7-8.

Just last year with Mark Veenstra and Company on hand, Unity won 27 of 28 decisions with their only defeat coming in the state Class B championship game to Dearborn Divine Child.

With only one returning starter from that team, guard Tom Vander Lugt back the Crusaders were no match for Holland.

Chuck Modders came through with his second straight brilliant tilt by hitting on 10 of 14 shots from the field and two of two free throws for a game high 22 markers. Modders started at center in place of Dennis Lawson, who had the flu. Lawson has to be worried about getting his job back, as Modders continues to sparkle.

Jud Hesselink added 19 counters to Holland's attack while Paul Van Oostenburg played one of his better games of late with 18 points. Vander Lugt and Mick Hondered led Unity with 14 and 13 totals.

Modders and Van Oostenburg each collected three fielders and Tim Van Tongeren added two, as the Dutch were on top at the well played first period buzzer, 20-16.

Hesselink went to work in the second stanza, as he tallied 11 points, as the Dutch increased their lead to 10 points at the half, 39-29. Van Oostenburg also netted three field goals during that span.

With Modders and sub forward Ron Noyd each putting on nice moves for baskets in the fourth period, the Dutch moved out to a 79-50 margin.

Crowd pleaser Doug Barzan came off the bench to lay in three buckets for six points in the dying minutes.

The Dutch reserves were playing without three starters, Todd De Young, Dave Van Wylen and Loren Schrottenboer, who were sick with the flu but didn't make any difference, as coach Don Johnson's cagers stopped the Little Crusaders, 86-54.

Five players scored in double figures. Leading the way was Tom Borgman with 13 markers, Dave Nuismer, Ross Nykamp and Mike Dekker with 12 apiece and Jay Peters with 11. The win matches the varsity mark at 9-7.

Hamilton Will Present 'Spoon River Anthology'

The Hamilton High School Drama Department will present Edgar Lee Masters' "Spoon River Anthology" as its spring theatrical production the evenings of March 21, 22, and 23.

When "Spoon River Anthology" first appeared in 1915, it was a collection of monologues, revelations, and confessions in blank verse — epitaphs of 244 residents of the imaginary town of Spoon River, Ill.

Set on "The Hill," the ghosts of former citizens seem compelled to leave some bit of truth and of themselves to those who would follow them. Masters' popular success was candid, liberal and controversial as he spoke freely of women's rights, broken homes and hypocrisy.

In 1963, Charles Aidman brought an adaptation of "Spoon River" to the stage, selecting characters most representative of "tragedy, comedy, valor, and truth, courage, constancy, heroism, failure" and shows several interrelated stories.

Aidman and Maomi Caryl Hirshhorn then placed a number of folk songs, both traditional and original between the monologues. The result is an experience that is touching, warm and simple, and, at the same time, a satirical and highly moral exposure of hypocrisy.

The Hamilton production will involve a blend of the Aidman version with some additional important characters both from the original "Spoon River Anthology," and from a 1924 sequel by Masters, entitled "The New Spoon River." The spring play will be directed by Al Ver Schure, with assistance from director Mary Voorhorst.

Taking the roles of some 75 citizens of Spoon River are seniors Dawn Slotman, Kathi Wolters, Brian Bartels, Chris Phillips, Phyllis Stehower, Kathy Lemmen, Ron Lynema, and Rick Barrett. Juniors in the cast are Kathy Appledorn, Mary Voorhorst, Tom Rigerink, Lu Van Liere, John Voorhorst, Ed Newman, Paul Knoll, and Wayne Webb. Completing the cast are sophomores Lori Eding and Bob Johnson.

THE CRISES CAN'T WAIT

If the public is still wondering about the possibility that Congress will take hold of the energy problem and do something, it might as well know that the chances are slim, very slim.

With problems mounting, cars lined up at filling stations in most large cities, with an urgent appeal that something basic must be done, what did Congress do? Congress has gone on a week's vacation, celebrating Lincoln's birthday, and won't be back until Feb. 19.

It is always interesting to hear members of Congress talk in solemn tones about the role of the situation with deep concern, or vowing to get on with the job. You can put all this down to good rhetoric or propaganda, but you had better take a look at the action to get some notion about how members of Congress actually feel.

And to put that down on paper, it is that they aren't much concerned, and besides, the Tuesday to Thursday week is quite strenuous, so why not take a vacation. Suppose we all took a week to celebrate Lincoln's birthday? The taxpayer is a long-suffering fellow. So if he has energy problems, he had better not call Washington, he might better try Miami Beach.

Panel Program Is Presented To First Guild

"As They See It" was the theme of the informative panel program presented to the First Reformed Church Guild for Christian Service Thursday evening. On display was an open Bible from which red ribbons extended to various missionary stations on a globe.

Devotions were read by Mrs. Dick Van Dyke of the Piet Circle after which panelists were introduced by Mrs. Vernon Hoffs, Guild president. They were the Rev. George Karunakaran from the Church of South India, the Rev. Franklin Maymiele from South Africa, the Rev. John Zwylguzen, a missionary on furlough from Japan, and Miss Jeanne Walwood, former director of nursing at McKay Hospital in Taiwan.

The Rev. Vernon Hoffs served as moderator as each panelist was asked to summarize a typical day in his work and present his views on missions today and their challenge. A question and answer period followed.

For the special music, Rev. Karunakaran sang a hymn in his native tongue, Tamil, and Rev. Zwylguzen sang a hymn in Japanese.

Lunch was served from a buffet table decorated in a patriotic theme of red, white and blue and featuring tiny flags in a flower and candle arrangement. Hostesses were members of the Walwood-De Roo Circle with Charlotte Mulder, chairman.

Victorious in Death
John 19:17-22, 28-30
By C. P. Dame

The world of the days of Jesus considered Him a defeated man but the Bible portrays Him as a victor. And He is a victorious Ruler today in control of all the forces opposing Him. On the cross Jesus overcame the power of sin and made salvation possible for mankind.

I. Jesus died with and for sinners. This lesson tells about the death of Jesus and next week's lesson, the last one on John, will conclude the series telling about the resurrection. Pilate knew Jesus was innocent and that the Jews wanted Jesus out of the way. Fear made Pilate yield to their demand that He be crucified. All through His life Jesus had associated with sinners, in His dying hours He had a sinner on each side of Him—he was in the middle. The temple leaders wanted Jesus to die; Roman soldiers drove the nails; the crowd approved; hence Jew and Gentile took part in the death of an innocent man. He died for guilty sinners.

II. Jesus is the true King. God guided the hand of Pilate when he wrote the title "Jesus of Nazareth, the King of the Jews," which was nailed above the Lord's head. All the gospels record the title: Matthew 27:37; Mark 15:26; Luke 23:38, give it. The title was written in three languages, in Greek, which stands for culture and beauty and form, Latin which stands for law and order, and government; and Hebrew, possibly Aramaic, which stands for religion. Everyone was able to read it. Today these words are read in many languages and believed by millions.

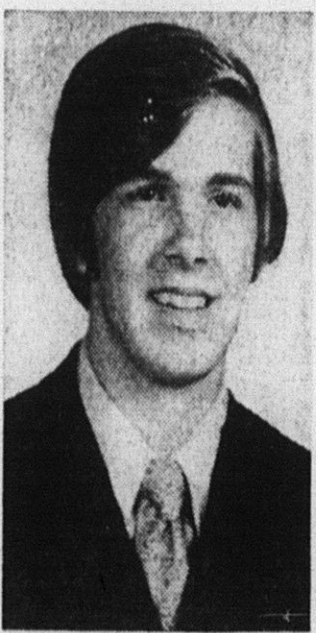

The Jewish leaders objected to the words of the title but Pilate would make no change. He may have written it to spite the Jews. Today some like Pilate of old are stubborn about little things but pliable about the important—weak when firmness should count. The words "What I have written I have written," can be applied to us all. Jesus is King, some recognize His authority, some do not.

III. Jesus finished the mission for which He came. Only once did Jesus speak from the cross about anything personal; it was when He cried, "I thirst." One soldier ran and gave Him drink and then followed the words, "It is finished." What was finished? The Old Testament prophecies were fulfilled, the demand of the law was met, the redemptive mission for which the Lord had come was completed and salvation was won and this is now offered to all mankind. Some accept and some reject this costly and wonderful salvation.

Hornets Nip Hope In Overtime, 68-66

By Leo Martonosi

The law of averages caught up with Hope College's basketball team Wednesday night in the Civic Center, as Kalamazoo College ended its four-game losing streak to the Flying Dutchmen by winning a hair-raiser in overtime, 68-66.

With seven seconds left in the game Coach Russ DeVette called for a time out in hopes of sending the game into double overtime. The Dutchmen never even got off a good percentage shot, as Jack Klunder took the ball out of bounds underneath the Hornet basket and drove by the center jump before letting loose with a desperation heave which was no good, as the gun sounded.

Duane Gardner of Niles had a chance to seal the tilt for the Hornets with eight seconds left but missed a free throw to set the stage for Hope's fatal attempt.

Mark Jackson, who beat Alma with a last second shot, also tallied the winning points for Kalamazoo. Jackson netted a three point play with 29 seconds left to give the Hornets a 68-64 lead. Jerry Root scored Hope's final two-pointer with 16 seconds to play.

The Dutchmen were down by four points, 52-48 with 2:53 left on the regulation clock. However two charity throws by Brian Vriesman and a layup by Bob Klomprens deadlocked the count.

Hope had the ball with one second left but never got off a shot, as a freshman Kevin York knocked the ball out of bounds.

Kazoo tried to stall out the game when they were ahead by four points but the Dutchmen were hoping to end their three-game MIAA losing streak, as they were a determined bunch Wednesday evening.

Hope led by one point, 32-31 at the well played first half buzzer. The Dutchmen had only five turnovers during that time. The second half was a different story, as neither team could find the range from out court.

The Dutchmen were two of 19 with 10:24 left in the second court. The Dutchmen were 2 of half while Kazoo was 5 of 16.

Scotties Clean Up On Hamilton, 90-49

CALEDONIA — Powerful Caledonia just about locked up the O-K Blue Division basketball title here Friday night by humbling Hamilton, 90-49.

The win was sweet revenge for the Scotties, who earlier suffered their only loss to the same Hawkeyes, 52-36. Caledonia is now 10-1 in the O-K while Hamilton is 5-6.

Caledonia netted over 60 percent of its shots from the field in the first half, as they were on top by an unbelievable 51-12 margin. It was 22-8 at the close of the first quarter.

After trailing 75-26 after three periods, the Hawks came to life by pumping in 23 points to 15 for the Scotties in the final eight minutes.

"We just had one of those games," said Hamilton mentor Wayne Tanis. "Our subs did a pretty good job though."

No one reached double figures for Hamilton, although all 12 men on Tanis' roster scored. Tim Finkbeiner led the winners with 19 markers while Tom Garbow followed with 17 and Dan McKee and Mike Fairbrother each mustered 14.

The Hawks hope they have better luck Tuesday when they host rival Zeeland.

Alma Stays in MIAA Race By Smashing Hope, 80-59

By Leo Martonosi

Ed Douma's coaching debut in the Civic Center Saturday night was a happy occasion, as the Alma College Scots stayed in the thick of the MIAA basketball race by routing Hope College, 80-59.

The Scots broke open the game early in the second half by tallying 19 points to only six for the Flying Dutchmen. At the intermission, Hope was only down by five points, 35-30.

Alma raised its league record to 6-1 and 11-5 for the season while the Dutchmen slipped to 2-6 and 8-9 slates.

Brian Vriesman's first basket of the evening gave Hope a 14-12 lead but the Scots' Stu Ten Horst of Grand Rapids Central came off the bench to deadlock the count with 10:36 left in the half.

Two free throws by the MIAA's second top scorer Willie Dawkins put the Scots on top, 16-14. Mike Riksen came off

the bench to can two long fielders to give Hope the lead 18-16 in the see-saw first half.

With 3:26 left in the half, Jim Hovinga fired in a bucket to give Hope its last advantage of the evening, 26-25.

Douma's decision to go to a full court press was wise, as the Scots caused the Dutchmen to turn the ball over three straight times which resulted in two pointers for Alma at the outset of the second half.

By the time Hope called time out, they were down by a 51-34 margin.

Alma's win was its second over the Dutchmen. Just this past Thursday the Scots had lost a close one to Kalamazoo College, 54-53.

Dutchmen fans were hoping for a win, as their favorites defeated the Hornets earlier by a 62-59 score. But that wasn't about to happen Saturday, as Hope turned the ball over 25 times compared to 15 for Alma.

Hope did do an excellent job in holding Dawkins to 14 points. Also hitting in double figures for the Scots were Jim Barnhart with 17 markers, Jim Parker with 13, Gary Bennett with 12 and "Hornet" Ten Horst with 11. Vriesman gunned in 20 counters for Hope.

Dutch Tune Up For Top Rated Rockets in Win

By Leo Martonosi

Shooting a phenomenal 84 per cent in the third quarter Tuesday night in the Fieldhouse, the Holland High Dutch basketball team tuned up for the top Class B unit in the state Muskegon Reeths-Puffer.

The Dutch bombed Portage Northern, 89-60 and will travel to Muskegon next Tuesday to meet the No. 1 ranked Rockets.

Holland hit on 11 of 13 shots from the court in the third period for its torrid shooting percentage in collecting its second win in a row. The Dutch finished the evening with a 49 per cent mark on (38 of 77) totals. The Huskies netted an icy 31 per cent on (24 of 76) norms.

Turnovers hurt both teams. Holland gave the ball away 25 times and Portage 24. The Dutch had 11 miscues in the final eight minutes.

For the third straight game center Chuck Modders paced the Dutch scoring parade. The 6'4½" junior canned 10 field goals and two free throws for 22 counters. Jud Hesselink also had a fine outing with 10 and one totals for 21 points while Tim Van Tongeren and Paul Van Oostenburg added 11 and 10 markers respectively. Ward Whitmore and Steve Docca led the Huskies with 13 points each while sub Brad Breitner tossed in 11.

The Dutch ran off eight straight points to take a commanding 17-8 lead early in the first period behind the scoring of Hesselink, who moved at will for easy baskets.

Hesselink ended the quarter with 11 of Holland's 23 points. The Huskies managed 15 against the tough Dutch defense.

Holland came within one point of matching the first stanza total in the second period, as they increased the margin to 12 points at the intermission, 45-33.

Modders tallied four fielders, Hesselink three and Tim Boeve and Tim Van Tongeren two each, as the Dutch were on top, 67-46 heading into the final quarter.

Ron Noyd came off the bench to toss in seven of Holland's 22 points. The No. 22 was the magic figure for the Dutch, as they tallied that total in the second, third and fourth stanzas. Hesselink had one of his finest passing games for the Dutch, as he consistently fed Modders and Co. for buckets.

The win was the 10th for the Dutch compared to seven defeats while Portage is 4-11.

Holland's jayvees also captured its 10th triumph, 57-51, as Mike Dekker and Loren Schrotenboer led the way with 16 and 12 points. Bob Fessler had 18 for the losers.

Elementary students from the Holland system competed in a one-and-one competition at the half.

"We have it set up like the NBA," insisted Bob Haveman.

Olive Landfill Continues To Operate

GRAND HAVEN — Branding the creation of the Olive township landfill a "mistake" and a "folly," Ottawa County Commissioner William L. Kennedy of Allendale charged it cost the county \$5 per compacted cubic yard or \$210 per Saturday to operate the landfill from September to December of 1973.

Kennedy indicated the landfill should be closed and suggested the low volume of use could be handled by local haulers.

Commissioners last year extended the life of the landfill until March 1 while a committee studied alternate proposals. Monday commissioner Raymond Vander Laan of Hudsonville, chairman of the landfill committee, said the committee could not present a recommendation. Commissioners received his report and the landfill will continue until the March 11 commission meeting.

Vander Laan said his committee had met seven times in the past five months and established contacts with Muskegon County for landfill use and private collectors.

Vander Laan said results of a six-week test using a compactor at the landfill were not final but Road Commissioner Engineer - Manager Ronald Bakker submitted figures showing the landfill averaged 50 cubic yards of compacted refuse per week for five weeks.

Kennedy said operational costs for the landfill between Sept. 8 and Dec. 31, 1973, were \$4,207.54 or, according to his figures, \$250 per Saturday.

Kennedy added that the Park township landfill charges of 50 cents per cubic yard and makes a profit with high volume use.

—Authorized the county parks department to develop plans and specifications for a second building at the Hager hardwood park near Hudsonville under revised plans.

—Referred to the development committee a request from the Zeeland Young Calvinist Cadets to reserve use of North Beach park at Grand Haven for a national Calvinists convention in August.

—Approved the rental of eight voting machines by the Belding school district for \$50 each.

—Rented a blue print making machine for one month at \$30 with the option to purchase for \$1,425 and purchased files for blueprints at \$7.367 and paper at 11.7 cents a sheet.

—Inferred that it was not in favor of leasing county owned land for oil or gas drilling.

—Approved \$4,000 for the West Michigan Comprehensive Health Unit.

Membership Drive Set For Concert Association

Plans are being made for the annual membership drive March 18-23 for the Holland Concert Association which has merged with the Hope College Great Performance series.

Again, seven attractions will be offered at no change in membership fees: \$10 for adults, \$5 for fulltime students, and \$25 per family membership.

Three attractions already tentatively signed are the Ken Jewell Chorale of Detroit; Joy Blachett, black concert singer, and a well known symphony.

New members joining the association for the 1974-75 year will be guests at the final concert of the current season, the Indianapolis Symphony April 9 in Civic Center.

These plans were discussed at a meeting of the board of directors of the Holland Concert Association Monday afternoon in the northside branch of Peoples State Bank, Harley Brown presiding.

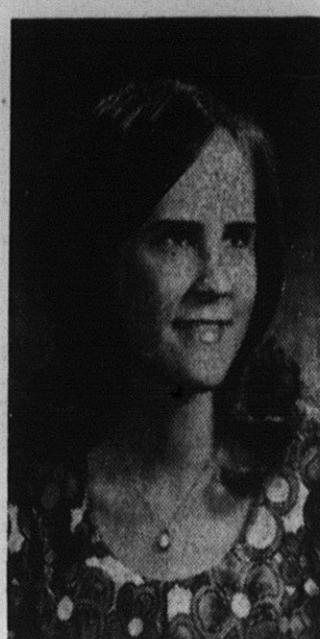

Mrs. Jerome Wassink will serve as campaign chairman this year. Mrs. Case Deventer and Mrs. Erwin Loop will arrange for a kickoff dinner March 18 in the Woman's Literary Club, given for volunteer workers. Spouses and guests are welcome at their own expense of \$3.75 per plate. Charles Canaan is arranging for a short program by the Madrigals of Zeeland High School.

Mrs. Dora Russcher will be chairman of campaign headquarters in the Green Room at Civic Center.

Since the enlarged series is designed for wide appeal covering all ages and tastes, President Brown suggested members could be more selective in attending concerts, eliminating one or two and still have a big bargain in entertainment. Criticism in recent years on selections has generally centered on jazz or rock music, modern dance and other contemporary entertainment.

Mrs. Harold Ketchum was introduced as the new executive secretary of the association, succeeding the late Alyce Yost who died last summer.
