COUNCIL ALLOWS BILL FOR DE- TECTIVE WORK WANTS \$1600 FOR LAND ON COLUMBIA AVENUE

The largest crowd that has attend-
ed a meeting of the Common Council
for some time was present at the
meeting last night thinking that the
question of a new chief of Police and
the liquor question would bring about
a hot discussion but except for the
disagreement of the aldermen on a
few minor questions the meeting was
very quiet and soon over with. A
special meeting was arranged for to
discuss a matter concerning the open-
ing of Columbia Ave. that the alder-
men were not yet ready to decide on.

A request was made by the Demo-
crats to hold their regular party con-
vention in the court room of the city
hall on April 1.

A discussion then arose whether
or not to let city caucuses as well as
conventions be held in the court
room. Some thought that if caucuses
could be held there disputes
would be sure to arise between the
different parties as to which nights
they would get but others were of
the different opinion that this could
be arranged amicably and so that
request as well as a request made by
the Progressive City Committee for
the use of the Court Room March 31
was referred to the Committee on
public buildings and property for
them to report on at the next regu-
lar meeting.

An appropriation of a sum not to
exceed one hundred and fifty dollars
was made for the auditing of the city
books.

Alderman Harrington as chairman
of the committee on Streets and
Crossings requested that the commit-
tee be given the power to purchase
a new Grader to be used on the gravel
streets; the sum to be expended for
this to be about two hundred and
twenty five dollars. The request was
granted.

The principal discussion of the
evening arose when Alderman Har-
rington proposed that Columbia Ave.,
be opened straight through to the city
limits. He stated that Columbia Ave.,
near State street was in very poor
condition and that the street at that
end should be improved. This right
of way is at present owned by A.
Visscher who has consented for the
sum of sixteen hundred dollars to
give it to the city and to remove a
house that at present stands in the
way. In that district there is a
triangular piece of ground that Mr.
Visscher has offered to donate to the
city and this Alderman Harrington
claims would make an admirable lit-
tle park or resting place as this street
is used a great deal during the sum-
mer as a promenade. It was also
claimed that by opening this street
it would help the East End mer-
chants by swinging some of the
farmer trade that way.

The proposed opening of this
street was objected to by some on the
grounds that Columbia Ave., would
never be a thoroughfare because it is
shut off Twenty Fourth street and
then branches in two directions.
Then it is claimed that it will cost
the city over three thousand dollars
for improvements over the purchase
price. Then it was argued, would the
people in that section be willing to
extend the improvements after the
city had expended so much on it.
The people have said they could not
afford to pave, consequently what good
would it do for this patch of country
to be in such excellent shape if the
land surrounding it was in poor con-
dition. It was proposed that a
special meeting be held next week
Monday evening for the purpose of
discussing this proposition and the
motion was carried.

Alderman Drinkwater made a mo-
tion that street lights be installed on
First Ave., and Twenty Sixth Street
as there are no lights there at pres-
ent. The motion was carried.

The special committee appointed at
the last council meeting to investi-
gate conditions at the No. 1 Fire De-
partment reported that the matter
has been settled very satisfactorily.
The report was accepted.

An amusing as well as interesting
dispute arose when Alderman Dyke
proposed that the bills of the Board
of Police and Fire Commissioners be
read. Other aldermen protested
against this saying that the city has
a very competent Police Board and
that all on it are absolutely trust-
worthy and that if any money was
expended that was not fully under-
stood by all it was justifiable. It
was demanded that the use of one
hundred and seventy six dollars used
by the Police Board be made public
but the only statement made public
was that it had been used for special
police work. It was moved that the
council members retire to the com-
mittee room to make it plain among
the aldermen just what this money
was used for but as the other mem-
bers filed out Alderman King, Drink-
water, Hansen and Dyke kept their
seats and said they wanted the thing
made public. When the aldermen re-
turned to their seats King made a
motion that the bill be referred back
to the Board and that they send in a
full explanation as to what the money
used accomplished. The motion was
voted down six to four, only the mem-
bers who remained in the room being
in favor of it. A motion that the bill
be allowed was carried by the same
vote. It is rumored that this money

was used to investigate the Police de-
partment.

An appropriation of eight hundred
and fifty dollars was made to put
sheet piling in the new well on First
Avenue.

A bill amounting to five hundred
and thirty seven dollars and eighty
cents to the American Rubber Co.,
was allowed to be paid by the City
Engineer. This money was for
asphalt used in paving and was not
paid sooner on account of certain
losses the city claimed in the ship-
ment.

City Engineer Naberhuis made the
following report on gas tests: Out of
36 tests made 23 were below 600B. T.
U. The lowest test record being 576
and the highest 609. The average was
592.5. This is better than it has been
for some time.

City Att. A. Van Duren announced
to the Council that he received a let-
ter yesterday saying that the gas
company had asked for a rehearing
of the case of the Gas Co. Vs the City
in the United States court before
Judge Sessions. He said he did not
know what there was to it now but
that he did not think it would be as
serious as the first trial. He also
told the Council that Alderman Har-
rington and himself had been in
Lansing and that the amendments to
the home rule that Holland citizens are
interested in were spoken very favor-
ably of by the Senate Committee and
that he thought they would go
through alright. If the necessary
amendments are passed they will
probably take effect sometime in
July or August. He was also given
the authority by the Council to clear
off a debt on some of the city land
that comes under the state tax.

Alderman King very unexpectedly
submitted a resolution that the City
Attorney draft an ordinance regulat-
ing the sale and retail of liquor; and
present to the people at the April
election. This came as a great sur-
prise as the liquor question had not
been discussed and it was not sup-
posed that it would come up until
later. The resolution was voted on
but lost, three voting against it, four
in favor of it while Sterenberg,
Brouwer and Dyke said they were
not prepared to vote on the question.
It is thought that an effort will be
made to bring it before the Council
again in the near future.

Alderman King then proposed as
other dealers had been made to re-
move their scales from the street a
resolution should be made that all
the weighing machines be removed
from the street. But it was argued
that scales were only removed when
streets were paved and that they were
a great help to farmers and other
people to weigh heavy loads. The
resolution was not carried.

Alderman Harrington got in the
last resolution of the evening when
he proposed that the baseball fence
and grand stand be given to the Fair
Association for improving their
grounds. Alderman King objected
and stated himself in favor of rebuild-
ing the fence away from the street.
It was moved and carried that the
discussion to be postponed until the
next regular meeting, and the Council
adjourned.

OTTAWA CLUBS TO CLOSE BARS

Prosecutor Issues a Sweeping Order
To All

MANY AFFECTED BY EDICT

Prosecuting Attorney Louis Oster-
house of Grand Haven issued a sweep-
ing order Monday to all the societies
and clubs in Ottawa county operating
bars in connection with their club
rooms to close them at once.

The Eagles made haste to obey the
order and the Elks and other socie-
ties have notified the prosecuting
attorney that their bars would be closed
before the end of the week.

The order affects ten clubs in the
county, among which are the Elks,
Arbeter Verein, Eagles, Moose, a
club on Seventh street Grand Haven
and the Century club in Grand
Haven.

The Moose, which has a large mem-
bership in and about Coopersville,
will also come under the order, and
the Eagles' lodge and Marquette club
of this city one of the largest of its
kind in Western Michigan will no
longer be permitted to sell liquor;
without the payment of the state and
city license.

"It is altogether unlawful and un-
just," said the prosecutor this morn-
ing, "to charge a saloonkeeper seek-
ing a livelihood \$500 for a state li-
cense and \$250 for a city license, and
hold them down to the strict letter
of the law, when these institutions
are allowed to stay open Sundays.

"Some time ago a local saloonkeep-
er was arrested for violating the
liquor law by selling liquor on Sun-
days. This man paid \$775 in govern-
ment, state and city licenses. While
I am in favor of his prosecution to
the full extent of the law, I do not
consider it fair to prosecute him and
leave the clubs alone."

It is understood that none of the
societies or clubs can afford the pay-
ment of the regular saloon license to
operate. The Arbeter will be hit the
hardest, because it is a beneficiary
organization, depending almost en-
tirely on the profits reaped at the bar
for payment of its sick and death
benefits.

The other societies, with the excep-

tion of the Elks, are also beneficiary,
but their dues are sufficient to enable
them to exist.

Prosecutor Osterhouse is a member
of the Elks of Grand Haven and the
Marquette club of this city. He ex-
pects a storm of protests from all
over the county, but believes he is
doing right and will rigidly adhere
to the order as given out.

CLUB BARS ARE CLOSED TODAY

Marquette Club Has Locker System

All the societies and clubs in Grand
Haven and Holland operating bars in
connection with their club rooms
have obeyed the order of Prosecuting
Attorney Osterhouse, and everything
is quiet as far the thirst dispensaries
are concerned.

Sentiment in the county seems to
be divided on the question. There are
a number of men who patronized
them freely while they were in ex-
istence, who declare it a good thing
for everyone concerned. Others are
of the opinion that Prosecutor Oster-
house bit off more than he can chew,
and that he will have his hands full
in making all of them adhere to the
order.

"They can do one of these things,"
said the prosecuting attorney, "close
their bars entirely, pay the license of
\$775, or establish a locker system,
whereby every member buys his
liquor individually and keeps it in a
separate locker. Such a provision
has proven successful in dry counties
but I do not think the societies of Ot-
tawa county can afford to go to the
installation and expense entailed in
the installation of such an arrange-
ment."

Officials of the Arbeter society
state that it will not affect their pros-
perity in the least. They maintained
a branch here for 40 years without a
bar, and only installed one a year ago
to aid in paying for a large building
recently purchased. All the organiza-
tions are in a prosperous condition
and beyond the fact that it will lessen
the social features, hold little resent-
ment against the prosecutor.

The Marquette club of this city has
the locker system and one of the
members told the News that Pros.
Osterhouse visited the club yester-
day and pronounce it within the law.
However the Eagles and Pyramids
who's members are mostly laboring
men cannot afford to put in a locker
system and if they could their earn-
ings would not allow them to invest
in two cases of beer at one time, beer
being the only beverage served in
the last two lodges named.

The earnings of both Eagles and
Pyramids go towards defraying the
sick benefits and funeral expenses of
its members and their families; and
families in need. Much has been
done along this line in this city by
their two lodges.

CHICKEN THIEF DROPS \$10.00 IN COOP

Chicken thieves have been operat-
ing quite busily the past couple of
weeks in Zeeland. Within the last
few nights Wm. Deur and John A.
Kamps of north State street have
fallen victims, and from one fifteen
and from the other twenty birds hav-
ing been taken. Fortunately, how-
ever, at Kamps' hen house a strong
clue was left behind, the marauder
having dropped a purse contain-
ing \$40.00 which has been identified.
The parties mentioned have sufficient
evidence to bring suit, and a demand
has been made to replace the hens
that he had taken. In so doing the
affair will be "hustled up," otherwise
prosecution will follow. Others in
that neighborhood have recently lost
chickens by night prowlers.

OLD SETTLER CELEBRATE FIFTY EIGHTH ANNIVERSARY OF MARRIAGE

Made March To The Sea With
Sherman

Tomorrow, the 21st of February,
Mr. and Mrs. John Zwemer will cele-
brate the fifty eighth anniversary of
their marriage. They were married
in Grand Rapids by Reverend Klein
and Doctor Van Raalte. Mr. Zwemer
is one of the old settlers of '47. He
landed the 20th of July and has been
a citizen of this state ever since. He
fought in Company B, 19th Michigan
Infantry and made the world famous
march to the sea with Sherman.

Mr. Zwemer was eighty years old
the 18th of January last, and his wife
is but a year younger. They are both
in excellent health and have five sons
and one daughter, living.

GOV. FERRIS WILL SPEAK

The date of the Board of Trade's
banquet has been postponed to Feb-
ruary 28, as it is impossible for the
governor to be here on the 27th. He
is much in demand throughout the
state and he is the big attraction of
the banquet. His speeches carry and
lodge in the mind. Mr. Wayman of
Chicago, who is ill with nervous pro-
stration has been compelled to leave
Chicago for a rest, cancelling all his
speaking engagements and as a con-
sequence he will be unable to attend.
Speaker Currie of the Michigan House
of Representatives will be present,
and possibly Grand Fellows, Attorney
General of this state, Attorney G. E.
Kollen will act as toastmaster.

HOLLAND EX MAYOR SURE VARI- ETY IS SPICE OF LIFE

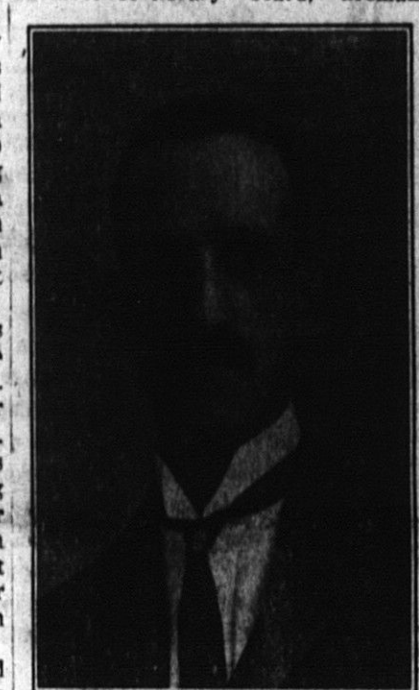

Henry Geerlings Has Held Variety of
Offices and Has Mixed up in Vari-
ous Trades

Detroit Free Press.—The old adage
"Variety is the spice of life," is prob-
ably more applicable to the career
of ex Mayor Henry Geerlings than
any other public man in the history
of the city of Holland. While in the
majority of cases the man seeks the
office, in Mr. Geerlings' case, the
office has sought the man.

Mr. Geerlings was born in Holland
nearly 45 years ago and to enumerate
all the offices he has held and the
trades with which he has been identi-
fied would more than equal the num-
ber of years he has lived. Unlike
most other men, Mr. Geerlings has
had fewer birthdays than his assoc-
iates. He was born on leap year and
to be exact he has had just ten birth-
day anniversaries.

He was graduated from Hope col-
lege in 1888 and after attending Mo-
cormick seminary, in Chicago, was or-
dained a Presbyterian minister in
1891. His first pastorate was in De-
catur, Mich. He resigned his pulpit
a few years later, however, to get
into the realm of finance, in which he
still labors as bank employe.

Some of the capacities in which he
has served are: Grocery clerk, miller,
Y. M. C. A. secretary, printer, news-
paper reporter, editor, Sunday school
teacher, deacon, alderman, mayor,
school trustee, political speaker, lec-
turer, minister, financial solicitor,
member of library board, fireman,

treasurer of board of trade, choir
leader, president of Hope college
alumni, insurance agent, notary
public, appraiser, newsboy, delivery
man, bakery clerk, and bank employe
and secretary of the board of educa-
tion.

At the present time he holds a
dozen positions of the most diverse
nature and keeps constantly on the
jump. Whenever money is needed
for some large gathering or public
improvement, Mr. Geerlings is usual-
ly singled out for the job and he al-
ways gets the coin. His successful
method is "Never coax, but place the
proposition before the people", and
the result is never in doubt.

One of Mr. Geerlings' mottoes is
"Get all the good you can out of
life help those who need assistance
and live for others." Although com-
paratively a poor man, he never
hesitates to help the needy and un-
fortunate.

About two years ago Mr. Geer-
lings organized a Men's Adult Bible
class in the Third Reformed church.
The class has a membership of
nearly 100 and has become, the
pride of his multitudinous vocations.

Mr. Geerlings occasionally preach-
es a sermon in a popular banquet
speaker, and fills almost any emerg-
ency from the most insignificant to
the one of greatest importance.

Mrs. Geerlings was born on the
Fourth of July.

ZEELAND

O. C. Cchaap left for the Dakotas the first of last week to purchase another carload of horses for Schaap Bros. Two carloads which arrived a couple of weeks ago have been sold.

Chicken thieves have been operating quite briskly the past couple of weeks in Zeeland, within the last few nights. Wm. Deur and John A. Kamps have fallen victims; from one 15 and from the other 20 birds were taken. Fortunately at Kamps' hen house a strong clue was left behind and steps will be taken to identify and prosecute the party. Others in that neighborhood have recently lost chickens by night prowlers.

Mrs. Meads of Grand Rapids was visiting friends in this city Friday.

The Rev. Frank Eckerson of the Amoy Mission in China addressed a joint meeting of the First and Second Reformed churches Thursday evening at the Second Reformed church.

James Postma has disposed of his milk route in this city to George Ter Haar of Beaverdam. Mr. Postma conducted this route for the past two years.

Robt. Leenhouts, our local real estate dealer, has purchased from G. Van Lopik a house and lot located in East Main street.

The Ladies Aid society of the Second Reformed church met at the home of Mrs. D. Van Sytzama Thursday afternoon.

John A. Hartgerink and Dick D. De Free left the first of the week for a pleasure trip to Florida. They expect to spend about a month's vacation there. In the meantime, Mr. Hartgerink's place with the Isaac Van Dyke Co., is being filled by M. Beekman of Holland.

While a team belonging to Vollink Brothers, the Borculo merchants, were left untied at the rear of Wm. De Pree Co. store in Zeeland Thursday. The horses became frightened and ran north on Elm street to Washington street where they turned east and wound up by running into a wooden wire fence near the pickle factory. There were no injuries and the damages were light.

This week Friday evening has been set aside by the Civic club of Zeeland for a social meeting for the members and their wives or friends. This meeting will be held in the club rooms. A couple of the best games of the pool tournament which is in process at the club have been reserved for this meeting. It is expected that practically every member, accompanied by his wife or friend will be present to enjoy a social time.

The Company F basket ball team ended another victory to its string last night at the armory by defeating the Zeeland Independents by the score of 28 to 19. The Zeelanders put up a good stiff defense against the onslaught of the soldiers until one of the visitors was forced to retire from the game because of injuries, when the local team pulled away. The soldier side played its class from the very beginning and kept the Zeelanders on the jump.

Miss Lora Gee spent Sunday in

alamazoo with friends.

Miss Lydia Brower of Forest Grove spent Sunday in the city with her friends.

Henry Mulder of Grand Rapids spent Sunday in the city with his parents.

Mr. and Mrs. John Van Den Bosch spent Sunday in Holland with their friends.

Herman Cook of Detroit is spending a few days in the city with his parents Mr. and Mrs. James Cook.

The services Sunday at the First Reformed church were conducted by the Rev. Mr. Fortuin of Hardewijk.

The evening services at the North Street Christian Reformed church were conducted by the Rev. J. Krohne of Borculo, Sunday.

The last game on the home floor in Zeeland Friday between the Zeeland High school and the Fremont high resulted in a brilliant victory for Zeeland. The score was 25 to 16. About three weeks ago Zeeland defeated Fremont by the close score of 19 to 18 and the game last night was well attended. Den Herder made six baskets, and the next highest number was only two. Drukker and Heasley starred for Zeeland while Schoolmaster and Holt starred for Fremont. The game was one of the best of the season.

I. A. Kroft has severed his connections with the Wolverine Furniture Co., of Zeeland and has accepted a position in Allegan where the family will move in the near future. His place has been filled by Frank J. Jerome of Ludington. Mr. Kroft came to Zeeland several years ago as an agent for the Pere Marquette railway company and later accepted a good position with the Wolverine Furniture company.

Martin Bouwens spent Sunday in Grand Rapids with relatives.

A meeting of the Old Settlers Association of Zeeland and vicinity will be held at the chapel of the First Reformed church on Wednesday Feb. 26, 1913, at 1:30 p. m., for the purpose of electing an officer to succeed one recently deceased; also such other business as may be brought before the meeting.

Monday night at about 7 o'clock Charles Schulmeyer had the misfortune of having a gasoline lamp explode at his home in Zeeland. Fire immediately broke out and the alarm was sent in. But before the Fire Department arrived on the scene the fire had been put out with the aid of a Chemical fire extinguisher. Mr. Schulmeyer's hand was badly burned and the furniture was also damaged.

The consistory of the Second Reformed church of Zeeland called a congregational meeting which was held last Monday evening at the church. At this meeting plans and other matters in connection with the proposed new parsonage was considered and a building committee appointed. The meeting was called at 7:30.

J. Eelenbaas and G. Nederveldt made a business trip to Grand Rapids Tuesday.

R. Cammins of Allegan was in the city on business Tuesday.

It was stated at the Merchants' meeting Tuesday that the association has 74 members for the coming year, many of them being new ones.

BORCULO

Albert Blauwkamp of Borculo announces the marriage of his daughter Hattie, to Henry Geurink, Jr., which event will take place this afternoon, at their future home at Borculo.

VENTURA

Two well appearing men came into Ventura, a few miles from Holland, a few days ago, and are said to have reaped a rich harvest from credulous farmers.

They were promoting, so they said a new automobile factory to manufacture automobiles for less than one-half the price now paid for standard machines of the same pattern. To each farmer who purchased 50 shares at \$1 a share, they proposed to give a fine sample machine. The machine was to be as good in every way as machines costing \$1,000.

They are said to have charged each purchaser to not divulge the fact that he was getting a machine for nothing. They assured their alleged dupes that the factory would keep one man on the road to repair, free of charge, the gift machines.

The wives of some of the purchasers of the stock could not overcome their desire to brag of their forthcoming prosperity, and thus the secret dropped out and the husbands began to compare notes. They found that each man was promised a new automobile, but they failed to find the promoters. In a few instances the promoters accepted notes for stock, it is said.

Dr. John Wesley Dal, aged 58, died Friday morning at his home in Port Sheldon. Mr. Dal was a farmer and owned about five hundred acres of land there. He is survived by a widow and one daughter. The remains were shipped to Chicago where funeral services and burial took place.

NEW HOLLAND

M. P. Stegenga, one of the oldest pioneers, celebrated his 81st birthday anniversary Jan. 31st.

Cornelius Dykema, another old pioneer, celebrated his 79th birthday anniversary Feb. 2nd.

Isaac Houting connected his residence with the main sewer.

Master Henry E. J. Nienhuis, who has been on the sick list for some time has resumed his work at school.

J. P. Smits, who has had an attack of rheumatic fever, has recovered.

Mrs. Harm Ten Have, one of the old settlers, is confined to her home on account of illness.

Art Timmer is confined to his home on account of an accidental burn of one of his feet.

Miss Christine Brower of Holland visited with relatives and friends in this vicinity.

John Meeuwssen and Henry Harrington have been appointed by the Harlem council to visit the Panama canal zone.

The famous dog, Jack Johnson, died a few days ago of paralysis. Jack went through many a bout and never was counted out.

Master Antonie Meengs, a son of Mr. and Mrs. Henry Meengs, and a student at Hope College, has been confined to his home for a week on account of illness. He has resumed his studies Monday.

The new furniture for our school which was ordered last summer has not been shipped and we are still using the old seats. Why such a delay is a question yet to be solved.

Miss Gracie Houting, who has been visiting with relatives and friends in Douglas and Holland for several weeks, is expected home in a few days.

The progressives of Noordeloos expect to put a progressive ticket in the field this spring from mayor to marshal and expect to elect every one. Noordeloos is the stronghold of progressives of Holland township.

Mrs. B. Vinkemulder, who has been confined to her home for some time on account of sickness, will soon be out again.

Quite a number of New Holland Crisp, Harlem and Noordeloos politicians will be present at the inaugural of present elect Wilson at Washington March 4th. An extra car has been spoken for. We are all looking for a great time.

DRENTHE

The North Side Christian Reformed congregation of Passaic, N. J., has extended a call to Rev. T. Van den Ark, pastor of a similar church in Drenthe, Mich.

GAAFSCHAP

Monday morning at 4 o'clock at his home in Graafschap the Rev. J. H. Vos died at the age of 86 years. Mr. Vos was a retired pastor and for the past thirteen years he has been making his home in Graafschap. For 19 years previous to his retirement he was pastor of the old Spring street Christian Reformed church of Grand Rapids. Deceased is survived by four children, Prof. G. Vos, Ph. D., of Princeton Seminary, Prof. B. J. Vos of the Indiana State University, Mrs. M. Van Vessum, Graafschap, and Miss Gertrude Vos of Graafschap. The aged pastor's wife died three years ago.

The funeral will be a private one. It will be held from the home in Graafschap this afternoon at 1 o'clock.

SAUGATUCK

A large number of shippers and business men of Allegan county attended the meeting of the Lake Shore Commercial club in Douglas to meet Mr. Kitzinger and other officials of the Pere Marquette line of steamers, besides Mr. Kitzinger, Mr. Barnes, secretary of the line, Capt Smith and Capt. Van Dyke represented the company.

Mr. Kitzinger said that he had brought the Tennessee intending to use her in another place but he was willing to leave her at Saugatuck if he could form a stock company and sell about \$8000 worth of stock. Some present spoke on the subject some favored taking stock and some did not but of course nothing definite could be done at this time and Mr. Kitzinger left on the 4:15 car with the promise of looking up the question of docking in Chicago and meeting the Allegan county men again in two weeks.

Dr. Anglemire reported on an interview which he had with a Pere Marquette official who had promised to consider changing the main line of the Pere Marquette to strike Saugatuck and Douglas or building a spur from probably East Saugatuck.

THAT IS PLAN OF FAIR ASSOCIATION DECIDED ON YESTERDAY

Will Make It Combination Fair Grounds And Athletic Park; To Solve Two Questions.

It is very likely that when the next fair will be given by the South Otta wa West Allegan fair association the exhibition will not be at the old place but on the new site that is to be chosen by the association. Plans for this were made Friday afternoon at the home of Secretary A. B. Bosman. There was a large attendance of the directors present and the sentiment in favor of changing from the old grounds to a new site was practically unanimous.

One good reason for the change is that the buildings on the present grounds have outlived their usefulness and new ones will have to be built soon. Since that is the case it is figured that a more desirable location might as well be found. Objections have often been made to the present site because it adjoins the cemetery and because it is very inaccessible. The plan is to find a site which the people can reach by car.

It is understood that the committee has about six available sites under consideration.

One advantage in the change lies in the fact that the grounds can be made a combination base ball park and fair grounds. This plan has been agitated many a time and the prospects now are bright for the fulfillment of plans that some people have entertained for some time. No matter what the decision of the jury might have been yesterday, it was understood that the base ball grounds could not remain on the present site indefinitely and a new spot would have to be found in time. The place could also be used for foot ball matches, track work and could be the city's athletic park.

It is planned to sell the present fair grounds to the city of Holland. It is argued that the city will need the ground some day for cemetery purposes and that it should be a good investment for Holland.

The dates of the fair this year will be September 16, 17, 18 and 19. It is planned to hold the fair on the new grounds if possible.

Two committees were appointed, one to look after the sale of the present fair grounds. This committee is composed of E. P. Stephan, Chas. A. Floyd and Jacob Lokker. The committee in charge of buying a new site is composed of A. B. Bosman, H. E. Van Kampen and J. H. Boone. The executive committee is composed of President, O. Schaap, secretary, A. B. Bosman, treasurer, Ben Brower, H. E. Van Kampen, William Van Koeren and E. P. Stephan.

IMPRESSIVE EXERCISES ARE HELD IN HOPE CHURCH

New President Outlines His Policy in

Scholarly Address—Is Welcomed

In a Number of Congratulatory

Speeches

Hope church was crowded yesterday afternoon when the oration of the Rev. Ame Vennema, D. D., as president of Hope college began. The exercises opened with the Processional by the Hope church choir under the direction of Prof. J. B. Nykerk. This Processional was written by the Rev. J. A. De Spelder of the class of 1870, now pastor of a church in Tecumseh, Mich. This Procession was first published in the Sentinel during commencement week last June. Prof. Nykerk has since had it set to music.

The Rev. W. P. Bruce, D. D., president of the General Synod, who spoke in Holland last June when the Synod met, presided over the meeting this afternoon. After the Hope church choir had rendered Mozart's Gloria (Twelfth Mass), the invocation was pronounced by Prof. J. W. Beardslee, D. D., of the Western Theological Seminary. The Scripture reading was by Dr. Bruce and Dr. Bruce also delivered a stirring address on behalf of the General Synod, the church governing body that originally founded Hope College and that directs its policies in a broad way. The installation formality was conducted by the Rev. Albert Vanden Berg, of Grand Rapids, president of the Council. The Rev. William Moerdyk, D. D., of the Class of 1866, the first class that graduated from Hope college, offered the installation prayer. After the singing of the anthem, "Great Jehovah" (Schubert), by the Hope College Glee club, Dr. G. J. Kollen gave the charge to his successor.

Dr. Kollen's address was short but impressive. He declared that the whole Reformed church today is praying for the new president of the church's educational institution and that in that fact lay a great deal of comfort for a man who is assuming the heavy burdens connected with the position. He declared Dr. Vennema would be successful in his work in so far as he cooperated with God in helping to make the college an instrument for good in the community and in the world. Hope College, said the speaker, was founded more than fifty years ago by the sturdy pioneers who had built it on a sure foundation of sacrifice and service. In a similar way the successors of those sainted pioneers must continue to build. They must keep in mind the mission of the college and what it means to society the world over. Dr. Kollen addressed his successor as his former beloved pupil, who had shown even in his student days the promise of the position he was to attain. He reminded the new president that there are more important things in a college than endowments and buildings. While equipment and money are very desirable, nevertheless it is the spirit of the institution that counts and the ideals for which the college stands. There is a distinct place for a college like Hope and it must do a distinct and definite work. It must be the ideal place for training young men and young women for leadership. And in this work there are also many difficulties among the students not only but of ten the members of the faculty also are inclined to look upon their own particular subject as the one subject that is of greatest importance. The president must be the engineer of the whole complicated machine. He must have the broad outlook and he must help the faculty and the students to do the best possible work under the best possible conditions.

At the conclusion of this address Dr. Vennema spoke in part as follows: The specific service which the denominational college was designed to render is not performed by any other institutions. It has a mission and field peculiarly its own. Think of the debt of the nation to it. Three-fourths of the presidents and two-thirds of the Justices of the Supreme Court are graduates of denominational colleges, and over one half of the entire body of American students attend them today.

Hope College has fully earned its right to live. During the past decade the number of its students has increased one hundred per cent. It points with pardonable pride to the graduates that have become diplomats in the service of the King of Kings in pagan lands, to those who occupy prominent pulpits in our own country, to those who have gained distinction in the healing art or in the practice of law, to those who fill important chairs in academies, colleges, theological seminaries and state universities, and no less to the rank and file who perform unostentatiously, but faithfully and effectively the ordinary duties belonging

to professional, commercial and industrial occupations.

With my induction into the office of President it is pertinent to ask, what of the future of Hope College? Will it hold to the old beaten paths or venture into new fields of educational activity? To those who may desire or fear some radical change of policy, we may say in brief, that we promise nothing very revolutionary. While we at Hope need to conserve our strength to push forward along lines that are tried and approved, we are not indifferent to the results that attend such institutions as are experimenting with novelties. We shall endeavor to keep an open eye and ear for new suggestions and install in our educational equipment such things only as have proven their real and lasting worth.

As a Christian College, we would not be true to the lofty ideals of the church that gave us birth, if we failed to contribute our generous share toward the uplift and betterment of mankind, or to send forth our graduates with a holy ambition to serve well their day and generation.

We will use our best efforts to find and suitably equip worthy young men for the gospel ministry. The church very properly looks to the denominational college for trained leaders. Other institutions do not supply them in sufficient number.

Nor shall we turn a deaf ear to the demand for leaders in the advance work of the Kingdom of God in heathen countries. It needs men of the type of David Livingston—men of consecration and courage, men of initiative and resource. It is because they are so well furnished for their important work that the men who have gone out from us are making history that will always be memorable in the annals of world evangelization.

Another expressed purpose of the founders will be strictly adhered to and that is to educate teachers for our public schools. Our pedagogical department has done effective work and promises to do better. The objection sometimes urged against the public school system that it is unchristian, largely falls away when we can have teachers who will carry into the school room the grace and force of Christian personality. We aim to send out for the training of our children and youth such as bear the image of Christ as well as the stamp of the college.

We shall deem it a matter of painstaking effort also to train men and women to stand true to God and duty in every rank of life and in every pursuit in law and medicine on farm and in factory, in business and political life. What the world needs always, but especially now is men, manly men; and women, womanly women; men and women who are truthful and conscience led, to whom right is supreme and duty paramount—who will not sell their birthright of honor for the pottage of material gain or worldly glory. What society needs is men and women, educated and Christians, who will lead the forces of good and of God in the great battle against selfishness and greed against oppression and injustice against political chicanery and wickedness in high places.

This college will endeavor also to make itself ever more valuable to the community in which it is located and to all the region round about.

(Continued on Last Page)

It challenges recognition as being easily the very best asset that Holland possesses. It appeals to your civic pride by contributing with its campus and buildings to the material beauty of the town; it gives tone and character to the city by establishing its reputation as an educational center. It does for your sons and daughters what your manufacturing plants do with the crude material brought to them—makes them over into something more finished and valuable. It will continue to knock at the door of the humble toiler in city and country and suggest the unthoughtful of and seemingly absurd and impossible idea that his son or daughter too may and should receive a higher education. It will open the way for the poor young man and woman to join the ranks of the privileged ones who are preparing for larger spheres of activity. Hope college has always been and, God willing, always will be in increasing measure the stairway by which the lowly and obscure rise to prominence and recognition. Scores are ready to say that, except for its solicitations and inducements, a college education would never have been theirs. It was Hope college or no college at all to most of its graduates. It is our ambition by still larger and better service, to command attention and interest, and to lay all to whom we may be expected to minister under such obligation that they

JUDGE CROSS DECIDES CONTEST GUMSER WILL CONDUCT PHOTO

ABOUT POSSESSION OF THE PARK SITE. Also Issues Decree in Another Land Case and in a Suit for Divorce.

Judge Cross filed the findings in three civil cases which were tried at the last term of the circuit court. In the case of Eric Frodin and Antoinette Frodin against E. J. Harrington the court gave a decree in favor of the plaintiff. The suit arose over a dispute as to the determination of boundaries in land situated on Black Lake at Holland. Twenty-nine years ago Mr. Harrington platted what is known as Macatawa Park grove, and upon a portion of it erected the Beach hotel. In 1905 the hotel and a portion of the land was purchased by the plaintiffs, who were given a right of ingress and egress to a dock on the Black Lake front where steamers landed guests for the hotel. Until 1911 this dock and a promenade from the hotel was used by the plaintiffs and their guests, when the dispute arose and the plaintiffs were notified to discontinue using of the disputed land. The case was carried to court, and the judge decided that the property would be seriously affected as to its value were the egress and ingress cut off.

In the case of Carrie Koehler vs. Trientje Strowenjan of Holland, the court gave a decree in favor of the plaintiff. This was also a case of disputed land which had been used for fifteen years.

At the session of the court, the court heard the testimony in the divorce case of Anna Hieftje against John Hieftje. The case was defaulted by the plaintiff and so contest was made. The parties are Zeeland people, and both are 44 years of age. They have five children two of whom are minors. The defendant is a string butcher and it is said that he and his wife have not been living happily together for some time. After hearing the testimony the court granted a woman a decree giving her five acres of land containing a house and barn in Zeeland and allowing her four dollars a week for support of the two minor children until they shall have reached the age of fourteen.

RICHARD H. POST IS AUTHOR OF INTERESTING TALE "THE GREEN ENVELOPE"

Richard H. Post, formerly of Holland, whose stories have been appearing at intervals in the Blue Book Magazine has a novelette in the current issue of the Top Notch magazine. The story is an interesting mystery tale entitled "The Green Envelope." In the novelette amateur and professional detectives attempt to unravel a mysterious murder and the theft of a green envelope containing bonds. The solution comes as a surprise to the police at the conclusion of the story.

Former Holland Man is Victim of Typhoid.

Word was received in Holland Monday that Leonard J. Shiffa for merly of this city died yesterday in Portsmouth, Ohio. Mr. Shiffa was employed in the Holland Shoe Co. here until about a month ago when he moved to Ohio on account of his wife's health. While there he contracted typhoid and died, soon after. His body will be taken to Battle Creek for burial.

At his home at 154 Fourteenth St. Thursday John P. Oggel died at the age of 85 years. Mr. Oggel has lived in Holland for nearly half a century. He is survived by two daughters, Miss Mary Oggel and Mrs. R. Mulder, and one son, who lives in Detroit. The funeral was held Monday afternoon at 1:45 o'clock from 133 E. 15th St.

SEVERES ARTERY IN FOOT WHILE SKATING AND MAY LOSE USE OF MEMBER.

Ed Halligan, star skater and all around athlete of South Haven, who lived in Holland till about two years ago, met with a peculiar accident on the river at South Haven, when he stumbled over a small boy, skating against time over a course laid out by the judges from the High School Athletic association and was "spiked" in the foot by the skate of the boy. An artery on the upper side of the foot was severed completely and Halligan lost two quarts of blood before he could be helped to the office of a physician. The artery was tied, but the surgeon fears the young man will never have the full use of the foot again, because of the skate entering and destroying nerve centers.

GRAPH DEPARTMENT WHILE TROMPE HAS THE PICTURE FRAMING.

Arthur Gumsier has bought out Nell Hoffman's Studio on River street and expects to be ready for business about Saturday. At present he is putting new fixtures in the building and getting everything in good condition. Mr. Gumsier is an old hand at the photography business having conducted the Photo Gallery at Jensen park for the past three summers and he is very well known in the city. He will carry about the same line of stock as Mr. Hoffman did.

Reuben Trompe bought out the framing department of Mr. Hoffman's store and will commence business there later on in the week. Mr. Trompe has had a good deal of experience in picture framing having worked for Mr. Hoffman many years and also worked for his father who was engaged in this business.

St. Joseph High Beats Holland High At St. Joseph 20 to 9.

The Holland High school girls' basketball team was defeated Friday by the St. Joseph High school Girls 20 to 9 at St. Joseph. The Holland girls fought hard but claim the St. Joseph team played too rough a game, which broke up their team work considerably. Although Holland was defeated they came back smiling and not thinking ill of St. Joseph as after the game they were royally entertained by the St. Joe girls with a fine spread.

John Dry Lands Good Job Immediately After Graduation.

John Dry, who recently graduated from the engineering department of the University of Michigan left Monday for Grand Rapids where he has accepted a position with the Bailey Electrical company. This company is a new organization and was organized by Prof. Bailey of the U. of M. for purpose of manufacturing an automobile starter he has invented. Mr. Dry took a class under Prof. Bailey and while still at school he worked with the professor on the invention. Prof. Bailey has a great deal of faith in Mr. Dry's ability to put the thing through as he cannot give it much of his own time, and if it is a success it will mean success for the Holland boy.

PROPOSED IMPROVEMENT OF EAST THIRTEENTH STREET SPECIAL STREET ASSESSMENT DISTRICT.

Clerk's Office, Holland, Mich., January 5, 1911.

Notice is hereby given, that the Common Council of the City of Holland has caused to be made and deposited with the City Clerk for examination, the profile, diagram specifications and estimate of cost of the proposed grading of East Thirteenth street, from the east line of Fairbanks Avenue to the west line of Fairbanks Avenue in the City of Holland,

pursuant to grade and profile to be adopted in connection with the proposed improvement.

That the whole of the cost and expense of said work and improvement be defrayed by special assessment upon the lots and lands or parts of lots and lands abutting upon said part of said East Thirteenth street.

That the lots, lands and premises upon which said special assessment shall be levied shall include all the lots, land and premises abutting upon said part of said street, all of which said lots, lands and premises as here in set forth, to be designated and declared to constitute a special street assessment district for the purpose of special assessment to defray the cost and expense of grading said part of said street in the manner hereinbefore set forth, said district to be known and designated as the "East Thirteenth street special street assessment district" in the City of Holland.

That on Thursday the 8th day of March, 1913, at 7:30 o'clock, p. m., the Common Council will meet at their rooms to consider any objections or suggestions that may be made to said assessment district, and to the improvement, estimates, plans and profile.

By order of the Common Council.
RICHARD OVERWEG, City Clerk.

THE PROPER THING TO DO

Reports from the various Michigan sugar factories are to the effect that farmers are coming promptly forward and signing up acreage contracts for next season and all indications are that all the acreage the factories can handle will be offered.

This is the right thing to do. It enables the factory people to arrange for handling the crop, and the farmers who sign up first are insured against ultimately being turned down.

POLITICAL CHANGES

Allegan Gazette.—The bill providing a new apportionment of congress districts in Michigan leaves this, the fourth, district the same as at present except to leave out Barry county and add Ottawa, a change not very objectionable from any point of view, though Barry has been a welcome and congenial political neighbor.

The new apportionment of legislative districts will leave Allegan county with but one representative. We have had two the past forty years or so. As the membership of the house is limited to one hundred, as population increase the districts have to be made larger as to numbers of voters included. Allegan is the only county, of those who have had two members the past many years, to lose one. Our increase in population has not been so great as that of the others.

There is likely to be no change in the state senatorial district.

Chicago business men are having their noonday lunches delivered by parcel post. This goes to show the possibilities of a long deferred public service.

At any rate the parcels post zone system is likely to start quite a boom in the study of geography.

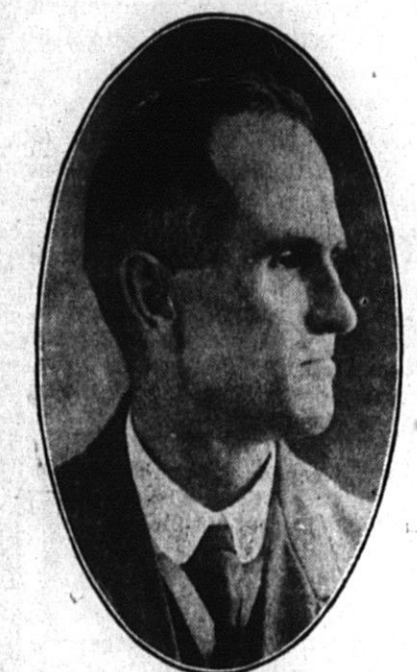

One of the Mexican rebel shells landed in a kitchen and knocked over the cook stove. For once those rebel gunners got the range.

AUSTIN HARRINGTON ROAD COMMISSIONER

March 5th is the date designated for the Primaries to select road commissioners for Ottawa County. It is very important that good men be selected for this position. Holland has a candidate in Austin Harrington, who has taken exceptional interest in road building, being one of the first of the citizens who advocated good roads when the agitation was started. The fact that our city pays one-third of

the Good Roads tax, should recommend itself that a Holland man should be represented on the Road Commission. The News feels that this town should turn out strongly for the only candidate, named from this city. Austin Harrington is running for the four year term. Remember that Primary Day is Wednesday, March 5th.

DANCE OF THE EASTERN STAR ORDER WAS BRILLIANT EVENT

One of the most brilliant social events of the season was the dance given last Thursday night, by the order of the Eastern Star. Thirty five couples were present on invitation, and the dance lasted until "the wee, sma' hours" of the morning. The second best orchestra in the state, Raymond's of Fennville, furnished the music. The Misses Marian Van Drezer and Hazel Allen presided at the punch bowl, while Jandorf of Grand Rapids had been engaged to prepare the punch.

The Grand March was led by Miss Edna Allen and Mr. George Butterfield and it was pronounced by many as the finest feature of this kind ever seen in Holland. The hall was beautifully decorated, red being the prevailing color.

DEER ROAM AT LARGE IN BERRIEN COUNTY AND LAW GUARDS THEM

Eau Claire, Mich., February 20.—There are at large in Berrien county today several deer—not the wild kind found in the north woods after the hunter pays out his savings for a license, a railroad ticket a hunting outfit, etc., but they're sure enough deer from the farm of Charles De Haven, a Bangor man, who makes a business of raising them.

Recently some of Mr. DeHaven's pets escaped from their inclosure and the old wild blood they inherited seems to have gained the upper hand and they have failed to return. A large buck, a doe and two fawns are missing and they have been seen in Berrien county and various cases of damage are laid at their door.

Game Warden Condon is taking a hand in locating the animals and expects to soon organize a posse to corral them.

It is unlawful to kill any deer, wild or domesticated, in this part of the state. It is also a state wide law that no inclosed or domesticated deer shall be killed. Hence the only way to capture the DeHaven runaways is to run them down.

A CHANGE OF VENUE

Daniel Ten Cate of Diekema, Kollen & Ten Cate was in town Saturday in the interests of his client, Wm. Kiles, who is charged with the murder of Ted Geering. He believes that there is so much strong sentiment against his client here that he will not be able to get a fair trial in this county and an attempt will be made to have the trial held in another county.—Saugatuck Commercial.

WILL COST \$1000

It will cost Ottawa county about \$1,000 to elect a board of county road commissioners. The office pays \$300 a year but there are a number of candidates in the field and the commissioners will have to be nominated on their respective tickets at the primaries March 5 and then elected at the April election. In Berrien county it is figured that the cost will be much the same as in Ottawa. The first commissioner for Ottawa county were appointed by the board of supervisors but this year the board of three members will have to be elected according to the existing laws by the people of the county. In the first place the commissioners were nominated by convention. It was this method, which the prospective candidates expected to be followed this spring but the attorney general has ruled that candidates must be nominated by primary election hereafter. A special primary will be held March 5. All party primary nominees have been posted in the office of County Clerk Gierum in accordance with the primary law.

VOTE AGAINST PAVING UNANIMOUS

There were many spirited discussions Friday night, when the residents of College Avenue met with the Common Council in the City Hall. Mayor Bosch finally put the question to the house and the proposition of paving College Avenue was unanimously voted down. Alderman Harrington said that it would cost a great deal if the Avenue were patched up, as it is in a frightful condition, and he maintained that it would be cheaper to pave. City Engineer Naberhuis was asked for the approximate cost and he said that it would be \$250 a foot.

Dr. H. Kremers expressed what was apparently the predominating sentiment when he said the city was making too many improvements and that the taxes were already much too high. More than 90 per cent of the property owners of Graves' Place were against paving.

Alderman King tried to explain something of the condition of the Avenue and why the paving was so necessary, but he was jeered at by the people who seemed to think that the Council was endeavoring to hoodwink them into agreeing to the proposed improvement.

William Brusse announced that he had signed as against the paving, but that if the people were in favor of it, he too, would vote in the affirmative. If College Avenue were paved many of the people, unable to pay the high taxes, would have to sell their homes and move out.

Dr. A. Vennema represented Hope College at the meeting and he said that the College could hardly stand the expense of paving at present. The College has a frontage of about 600 feet on the Avenue.

ORRIS BUCHANAN, GETTYSBURG VETERAN

Efforts have been made to discover all those who had taken part in the famous battle of Gettysburg and as a result another veteran was found in Ottawa County. This was Orris Buchanan of Holland Rural Route Number 6. He went to the war when he was not yet 18 years old, and he was only 19 when the Battle of Gettysburg was fought. He enlisted as a member of the Fifth Michigan Cavalry, Company 1 and he fought under Gen. Custer and Col. Alger.

IMPRESSIVE EXERCISES ARE HELD IN HOPE CHURCH

Words of greeting were spoken by the following: Prof. J. E. Kulzenga, for the Faculty, Hon. G. J. Diekema, for the council, Dr. M. Kolyan for the Western Theological Seminary, President W. H. S. Demarest, D. D., for Rutgers College and Dr. Campbell Bonner for the University of Michigan.

Mr. Diekema for the Council, spoke as follows:

"Early in my college course, I had the rare fortune to win the personal friendship of an older student who seemed to me to be the embodiment of so many of my ideals that I was irresistibly drawn to him. He was courageous, popular, a fluent easy speaker, a giant in debate, conscientious in the performance of all of his duties, brilliant in conversation, modest and manly. He had a deep religious nature but not of the premature ministerial kind. There was nothing about his manner, speech, or dress which indicated that he had been placed in the cradle with the word 'dominee' before his name. He was a boy among boys, as he has since become a man among men. He had a wonderful personality which made it impossible to think evil thoughts, to say bad things or to do wrong acts in his presence. His personality lifted his friends to his level, gave them poise and character, self-respect and confidence. He attracted all and repelled none."

"When he was about to graduate, I asked him to take up the study of law and held up before him visions of triumph at the bar through his forerunner, visions of great audiences listening to an orator who could move them to tears or shouts at will, visions of high political honors and of lasting service to his state and country. I did not forget to mention the gold and silver which would flow into his coffers and render his life comfortable and happy. With a Sophomore's characteristic modesty, I offered him an equal partnership in the future firm of Vennema & Diekema."

"I can never forget the serious look which came over his face when he answered: 'I have dedicated my life to my Saviour, and I must serve Him in the Christian Ministry.' He followed his bent, and graduated from the New Brunswick Seminary. Willing and joyous sacrifice became the keynote of his life. He accepted calls both east and west, duty always determining his destiny, and opportunity for service being his guiding star."

"Do you wonder that when Dr. Kollen, so unexpectedly and in the full power of his manly strength, resigned his position, my mind was immediately made up as to the most fitting choice of a successor?"

"Do you wonder that a Council representing every section of the Reformed church in America by a unanimous vote, on the first ballot, elected Dr. Vennema as President of his Alma Mater, and placed him in the most responsible position of the church?"

"With all the rich promise of these early years ripened into full fruition, with a mind equally fond of books and business, with a confidence of a United church behind him and with the inspiration of more than four hundred of the best and brightest young men and women before him, do you wonder that he accepted the call?"

"Remembering our heroic ancestry and their struggles for light and liberty; remembering that what Leyden was to the Hollander beyond the sea, Hope College is to the Hollander in America; remembering our far flung battle lines in Africa, China, Arabia, India and Japan; remembering that in the pending struggle between Christ and Islam, the cross and the crescent, it is a son of Hope who as commander in chief, leads the world's forces of light; remembering the blood of our heroes and martyrs shed in distant climes and under strange skies, and that within the walls of Hope there are now young men and women upon whose physical strength moral fibre and mental equipment the destiny of nations and races of men may depend, we see for our new President golden gates of opportunity wide open and burdens of responsibility which only the strongest shoulders can bear."

"By the memory of the fathers who laid the foundations of Hope mid prayer, song and sacrifice and the inspiration of their motto: 'Spero in Deo'; by the memory of his predecessors, of the saintly scholarly and polished Phelps, of the devoted, eloquent and loving Scott, and last but not least, by the living example of the unselfish, efficient and lionhearted Kollen; by the matchless triumph of our past and the unparalleled opportunities of our present, we appeal

to our new president with full faith and confidence for his most strenuous efforts, and for the fullest exercise of those rare qualities of mind and heart with which God and nature have so richly endowed him."

"With a happy heart and in behalf of the Council of Hope College, I now present you, President Vennema, with the key to our most sacred possession, the Key of Hope."

After the singing of the Doxology, the prayer and benediction was pronounced by the Rev. A. F. Bruske of Hope church.

At 5:30 P. M. the official representatives of educational institutions were entertained at dinner at Voorhees hall. From 7 to 8 the President's reception for students was held and at 8:30 a reception for the general public was given at the President's home in the College campus.

CHARGE CHURCH HAS TOO MUCH RED TAPE

Reformed Ministers' Meeting Monday Start a Movement For Reform

Forty ministers of Reformed churches in Grand Rapids and vicinity, meeting Monday in the quarterly session of the Western Social conference at Second Reformed church, celebrated the twenty fifth anniversary of the conference by starting a national movement for the unification of the missionary and other boards of the Reformed Church of America. As the last annual session of the national synod of the Reformed church met in Grand Rapids, it is believed that the proposal will receive wide attention.

Rev. William Moerdyke of Grandville, who has been a member of the conference since its organization, presented the matter, which was discussed with approval by city pastors one week ago. Declaring that the members should be progressives, not standpatters, he said the present complicated methods of the national boards were confusing and financially wasteful.

"A dozen boards, with nearly fifty secretaries and assistants, require too much red tape," he said. "Unification and simplification of business and administration are the demand of today. Useless machinery should be abolished, with unnecessary expenses. We find it hard to get facts. Reports by the time they are published have become ancient history. People don't know where to send money and responsibility is divided."

Other speakers referred to forward movements in the Presbyterian, Baptist and Congregational denominations all in line with modern insistence on efficiency and economy. It was said that no church in America has so much useless machinery as the Reformed church.

In order to give ample time for consideration and decisive action, it was voted to have the subject presented by two speakers at the quarterly meeting at Holland in May. Later it is believed, overtures to the general synod will be made.

Commemorating the twenty fifth anniversary a report was adopted in which historical facts were recited, with special reference to deceased members. The conference was organized Jan. 25, 188, held in the Eagle hotel. It has had a total of 142 members. Of the eleven charter members six have died. Mr. Moerdyke offered a special prayer of commemoration. Cornelius Dosker entertained the members at dinner at the Livingston hotel this noon.

All officers were re-elected. Rev. J. W. Beardslee of Hope college has served as president twenty two years. The secretary treasurer, Rev. J. H. Carstens, yesterday celebrated his eightieth birthday; he is retired but an active force in the conference. Rev. M. Kolyan of Hope college and seminary is vice president.

NOTES OF SPORT

Holland High school Friday night avenged itself on St. Joe for a previous defeat, by slipping a 30 to 17 score on the visitors. Brouwer of Holland, together with the guards, G. Smith and McClellan, starred, while Kneibis did stellar work for the visitors. The teams played nearly even the first half, Holland leading in a 11 to 6 score. Holland jumped into the lead at the start, and was never in danger of losing it. In the second half Holland ran up 19 points to St. Joe's 11.

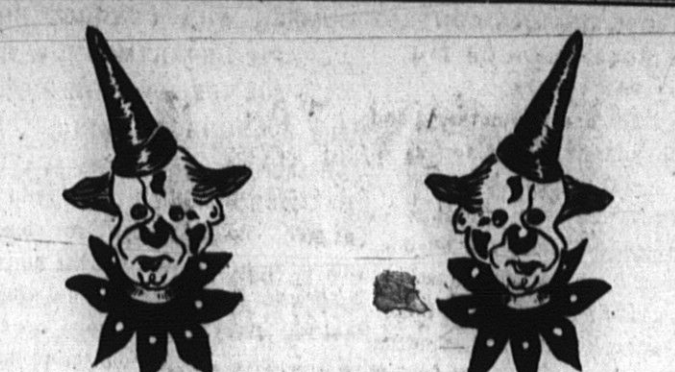

Hope college defeated the University of Chicago freshmen quintet here Friday night, 28 to 21. The game was a seesaw affair until with in the last 10 minutes of play. Hope secured a 10 point lead and clinched the contest. Stegenska led in the points for Hope and Reidel for Chicago.

LAST GAME OF THE SEASON FRIDAY NIGHT

Next Friday night Hope College will close the basketball season with a final game against the Aggies at Lansing. The season's schedule comprised thirteen games, eight of which were played at home and five abroad. Hope defeated Mount Pleasant, Manistee, Abilene, Detroit Royals, North western and University of Chicago Freshmen, scoring a total of 450 points, against opponent's 223.

Frank Kleinhelski, Martin Verburg, Alex Van Bronkhorst, and Bert Hekhuis, members of this year's team will drop out upon graduation from Hope in June. Capt. Hegenka, Clarence Lokker and Peter Verhoef will remain.

An address will be delivered at Verbeek's Hall on Friday evening March first, by Capt. Martin De Boe of this city. Subject: "Intemperance." Admission, ten cents; Children, five. All friends of the Captain are especially invited to attend.

The tug Twilight is under going extensive repairs at Anderson's ship yard. She will be equivalent to a new boat, and captain Brouwer has in view, better facilities for pleasure seekers and vessels. The schooner Wollin is also receiving repairs at Schools and Baas' shipyard. If this mild weather continues four weeks longer, our captains will be getting ready for navigation.

From the proceedings of the last session of the Common Council we glean the following as the most important and interesting to our readers. Mr. John Roast petitioned for the use of part of Lake street, for an indefinite period of time, to use while manufacturing brick, which petition was referred to the proper committee. A petition was presented to Mr. J. R. Kleyn for a restitution of taxes on \$200 personal property which petition was not granted after investigation by the committee to which it was referred. The committee on Order and Police again reported progress and prayed for an extension of time, which was granted. The Mayor presented a message to the Common Council advising necessary legislation in regard to prohibiting the construction of higher than two story frame buildings and advising the construction of better and more fire wells, by bringing before our people at the next annual election, also the formation and organization of a Fire Patrol and Fall Brigade, and closes, by laying before them, his action, observations and expenditures during the last fire of the Altna House, which was referred. The present Council Rooms have been rented at \$50 including light and fuel and the basement of R. Kanter for \$175 per year. The re insurance of the fire apparatus and the town house was also ordered and the firemen paid Columbia Engine No. 2, were ordered paid their salaries, which amounted to \$106.75 annually.

The choir of Hope Reformed Church did excellent work last Sunday. Their opening song in the evening was much admired. The organist being ill, Prof. E. P. Potter, the recently elected choir leader filled her place at the organ. His fine playing attracted much attention.

We take pleasure this week in announcing that Mr. B. Steketee, who has for a number of years been a clerk in the employ of Paul A. Steketee of this city, will engage in business for himself in the store lately vacated by Mr. John Dursema. Mr. Steketee is a young and energetic business man, and we wish him abundant success in his business.

Thomas Palmer of Detroit, was elected United States Senator on the 82nd ballot of the State Legislature, on last Thursday, at the evening session. The ballots to and including the 82nd were the same as taken during this week. On this ballot the vote stood: Palmer, 40; Stout, 42; Crosby 20 and the balance scattering. After the counting of the vote a stampede took place and members generally changed their vote with the following result: Palmer 75; Stout 43; Ferry 2. Necessary for a choice 61. The stampede was headed by representative Harkness, and was carried on, on the ground that Palmer had received a majority of the Republican votes in convention, hence was the regular nominee of the Republican caucus. The above facts we learn from a telegram received in this city on yesterday morning.

Last Wednesday, three tramps were detected in the act of stealing from the store of E. Vanden Veen. They were arrested by Officer Odell, and taken before Justice Post, who imposed the sentence of thirty days in the county jail on each of them. The fellows are now comfortably housed in Hotel De Wolman at Grand Haven.

KILLED IN THE WOODS

Thursday morning three sons of Mr. John Slenk, who resides a mile and one half south of Graafschap, went into the woods to cut wood. The two elder brothers were felling trees. They had just saved a large one through, and as it fell, they saw their youngest brother, Harry, who was fifteen years of age and who was some distance away, fall to the ground. They ran up to him and found him lying senseless near the large limb of a tree which had evidently just fallen. They tenderly cared for him and in a few minutes he regained consciousness, and they lifted him into their sleigh and drove home. The boy walked into the house complaining of feeling ill, went to bed and in a short time he lapsed into insensibility. Dr. O. E. Yates was called but his efforts to revive him were unavailing and at 9:00 in the evening, the boy died. The doctor says that apparently there were no wounds on the body, a small swelling was noticed on the head, such as might have been caused by a slight bruise. The doctor affirms that only a post mortem examination could reveal the true cause of his death, but gave as his opinion that death resulted from concussion of the brain, accompanied by a slight fracture of the skull. Mr. Slenk has twelve children and this is the first death that has occurred in the family.

CHARTER COMMISSION DOES GREAT WORK

The charter commission Monday night discussed at length the advisability of creating a sinking fund commission. It was recommended that this commission be composed of seven men, made up of the mayor, the city attorney, the city clerk, the chairman of the Ways and Means committee, and private citizens. This commission is to be appointed by the common council and is to serve much in the manner in which the various boards now do their work.

The question of making assessments for paving cover ten years instead of five as is now the case. This recommendation was proposed before but it was again approved Monday evening.

It was decided to make a slight change in the pay of the election inspectors. If the recommendation of the commission passes by the vote of the people, the inspectors at the special elections will receive five dollars a day and those at the general and

primary elections, six dollars a day.

In connection with the non-partisan primary election that is proposed in Holland, it was decided to hold the registration for the city on the last Saturday in January. That date coincides with the general enrollment for the state and in this way the city would save money, since the election officials could easily take care of the registration and the enrollment both. The same plan will be followed in regard to the primary itself. It will be held early in March on the same date on which the state and county primary is held, which this year would be March 5. This also will mean money saved for the city.

Finance and Taxation was the general subject discussed by the charter commission at its meeting. Six of the commissioner were present and a great many subjects were discussed under this general head. Since however the subject is a very broad one, no definite action was taken on the various recommendations. This was left till the next meeting when the same subject will be continued.

No attempt will be made to submit the various recommendations and changes in the charter to the people at the spring election. It was decided to give the people an opportunity to get thoroughly acquainted with the various measures. There is still much to be done, and if the commission should attempt to put the matter up to a vote to the people in April there would be little opportunity to study the various matters. It was therefore decided to hold a special election some time in July when all the measures proposed by the commission will be voted upon.

It is very likely that a clause will be inserted in the new charter that will require a voter to register from the place where he sleeps instead of from the place where he eats.

For the past year or two the question of a city depository has been more or less agitated, and the charter commission discussed the question at length. No formal vote was taken but the following amendment to the charter was proposed and it is likely that it will be passed by the commission at its next meeting:

City Depository

Sec.—During the month of April of each year the city clerk shall request bids from the several banks located in the city for the deposit of the city funds which shall be presented to the common council on the first Monday of May each year. Bids shall be made in two forms, viz.: One bid for the city funds, stating the amount of interest the bank will pay on daily balances, and also the said bank to furnish the bonds for itself as such depository, and also furnish the bonds for the City Treasurer; the other bid to be for the deposit of the moneys only, and the bonds for such banks as depository. The contract shall be awarded to the bank making the best offer, and such bank shall furnish bonds in an equal amount to the greatest amount that may come into its possession, as the Council may determine before such bids are asked for.

Sec.—Upon the designation of such Depository Bank, and its entering into a contract with the city therefore and upon its approval of the bonds furnished therefore, all funds shall be deposited in such bank. No moneys shall be drawn from such Depository except upon the order of the Common Council, which shall be authenticated by the signatures of the Mayor and City Clerk. When so drawn from the Depository, such funds shall be placed in a separate account for the payment of vouchers which are issued under the authority of the Common Council, and such vouchers shall be signed by the City Clerk. All orders shall be signed by the handwriting of the Mayor and City Clerk, and all vouchers shall be signed by the handwriting of the City Clerk.

Sec.—All interest received on daily balances from the Depository Bank shall be credited to the General Fund of the city, and shall be disbursed in the same manner as other moneys in the General Fund.

Sec.—Nothing herein contained with references to a city depository shall in any way apply to the funds of the Board of Education.

Annual Tax Sale

STATE OF MICHIGAN

County of Ottawa

The Circuit Court for the County of Ottawa in Chancery.

In the matter of the petition of Oramel B. Fuller, Auditor General of the State of Michigan, for and in behalf of said State for the sale of certain lands for taxes assessed thereon.

On reading and filing the petition of the Auditor General of the State of Michigan, praying for a decree in favor of the State of Michigan, against each parcel of land therein described, for the amounts therein specified, claimed to be due for taxes, interest and charges on each such parcel of land, and that such lands be sold for the amounts so claimed by the State of Michigan.

It is ordered that said petition will be brought on for hearing and decree at the March term of this Court, to be held at Grand Haven in the County of Ottawa State of Michigan, on the 17th day of March A. D. 1913, at the opening of the Court on that day, and that all persons interested in such lands or any part thereof, desiring to contest the lien claimed thereon by the State of Michigan, for such taxes, interest and charges, or any part thereof, shall appear in said Court, and file with the clerk thereof, acting as register in chancery, their objections thereto on or before the first day of the term of this Court above mentioned, and that in default thereof the same will be taken as confessed and a decree will be taken and entered as prayed for in said petition. And it is further ordered that in pursuance of said decree the lands described in said petition for which a decree of sale shall be made, will be sold for the several taxes, interest and charges thereon as determined by such decree, on the first Tuesday in May thereafter, beginning at 10 o'clock a. m. on said day, or on the day or days subsequent thereto as may be necessary to complete the sale of said lands and of each and every parcel thereof, at the office of the County Treasurer, or at such convenient place as shall be selected by him at the county seat of the County of Ottawa State of Michigan; and that the sale then and there made will be a public sale, and each parcel described in the decree shall be separately exposed for sale for the total taxes, interest and charges, and the sale shall be made to the person paying the full amount charged against such parcel, and accepting a conveyance of the smallest undivided fee simple interest therein; or, if no person will pay the taxes and charges and take a conveyance of less than the entire thereof, then the whole parcel shall be offered and sold. If any parcel of land cannot be sold for taxes, interest and charges, such parcel shall be passed over for the time being, and shall, on the succeeding day, or before the close of the sale, be re-offered, and if, on such second offer, or during such sale, the same cannot be sold for the amount aforesaid, the County Treasurer shall bid off the same in the name of the State.

Witness the Hon. Orlen S. Cross, Circuit Judge, and the seal of said Circuit Court of Ottawa County this 16th day of January A. D. 1913.

ORIEN S. CROSS, Circuit Judge.

(Countersigned,)

(SEAL) JACOB GLERUM, Register,

STATE OF MICHIGAN

To the Circuit Court for the County of Ottawa in Chancery:

The petition of Oramel B. Fuller, Auditor General of the State of Michigan, for and in behalf of said State respectfully shows that the list of lands hereinafter set forth and marked "Schedule A," contains a description of all the lands in said County of Ottawa upon which taxes were assessed for the years mentioned therein and which were returned as delinquent for non-payment of taxes and which taxes have not been paid; together with the total amount of such taxes, with interest computed there on to the time fixed for sale, and collection fee and expenses, as provided by law, extended against each of said parcels of land.

Your petitioner further shows to the Court that said lands were returned to the Auditor General under the provisions of Act 206 of the Public Acts of 1893, as delinquent for non payment of said taxes for said years respectively, and that said taxes remain unpaid, except that lands included in said "Schedule A" for taxes of 1890 or prior years were returned to the Auditor General as delinquent for said taxes under the provisions of the general tax laws in force prior to the passage of Act 200 of the Public Acts of 1891, and which taxes remain unpaid.

Your petitioner further shows that in all cases, where lands are included in "Schedule A" as aforesaid for taxes of 1890 or of any prior year, said lands have not been sold for said taxes or have been heretofore sold for said delinquent taxes and the sale or sales so made have been set aside by a court of competent jurisdiction, or have been cancelled as provided by law.

Your petitioner further shows and avers that the taxes, interest, collection fee and expenses, as set forth in said "Schedule A," are a valid lien on the several parcels of lands described in said schedule.

Your petitioner further shows that the said taxes on said described lands have remained unpaid for more than one year after they were returned as delinquent; and the said taxes not having been paid, and the same being now due and remaining unpaid as above set forth, your petitioner prays a decree in favor of the State of Michigan against each parcel of said lands, for the payment of the several amounts of taxes, interest, collection fee and expenses, as computed and extended in said schedule against the several parcels of land contained therein, and in default of payment of the said several sums computed and extended against said lands, that each of said parcels of land may be sold for the amounts due thereon, as provided by law, to pay the lien aforesaid.

And your petitioner will ever pray, etc. Dated January 8th, 1913.

ORAMEL B. FULLER,

Auditor General of the State of Michigan, for and in behalf of said State.

BOARD FIRES CHIEF OF HOLLAND POLICE

Deputy Sheriff Henry Dykhuis Takes The Position Left By Fred Kamferbeek.

Deputy Sheriff Henry J. Dykhuis, former Ottawa county sheriff, has been chosen to fill temporarily the vacancy left by Chief of Police Fred Kamferbeek Tuesday afternoon when the police commissioners asked for his resignation.

The charges placed against Kamferbeek were general inefficiency. The chief's resignation was given under protest, but within half an hour after the board exploded its bomb he appeared on the streets stripped of his badge and buttons.

Kamferbeek asked the board for specific reasons, but these were denied. He asked the board for an hour in which to clean up his desks, but this was also denied, and he promptly handed over his keys and revolver to his superiors. The members of the board are Wm. H. Orr, Prof. John E. Kuizenga and George H. Huizenga. Former Sheriff Henry J. Dykhuis was appointed temporary chief.

Following the resignation of Chief Kamferbeek all the patrolmen threatened to resign, but upon the advice of Mayor Bosch and some of the aldermen they remained on their beats.

Kamferbeek has been connected with police work since 1900, serving several years as city marshal and chief of police since 1907 when the police board was created. Although on numerous occasions his scalp was sought he held the position and the sudden determination to oust him came unexpectedly.

It is rumored that Ex-Chief Kamferbeek will be put up by the Democrats to run for mayor this spring.

Third Reformed Church Plans to Use That As a Parsonage.

At congregational meeting of the 3rd Reformed church held Monday evening it was decided to spend about \$6,500 on a new parsonage. Most of this money has already been subscribed for by the members of the church. One plan is to purchase the home of the late Prof. Boers and convert that into a parsonage. In case this plan carries the old parsonage will be moved off the lot and the ground between the church and the Boers home will be converted into a lawn.

ARE EVER AT WAR

There are two things everlasting in war, joy and piles. But Bucklen's Arnica Salve will banish piles in any form. It soon subdues the itching irritation, inflammation or swelling. It gives comfort, invites joy. Great healer of burns, boils, ulcers, cuts, bruises, eczema, scalds, pimples, skin eruptions. Only 25 cents at Walsh Drug Co., Geo. L. Lage and H. P. Doesburg—Adv.

JOHN VAN KOEVERING GETS INTO TROUBLE THERE.

Judge Hess again indicated the attitude of local officials toward the street mashers when he sentenced John Van Koevering a resident of Zeeland to pay a fine of \$15 and costs or be confined in the county jail for a period of 30 days. Van Koevering followed a young woman from the Union depot to Lyon street and Ionia avenue. Twice he accosted her and each time she repulsed him.

At the street corner the young lady was in tears when she met Patrolman Sam Slater, who had been watching the strange actions of the man for some time. He placed Van Koevering under arrest. The man said the woman was not the one he thought she was. Van Koevering in Police court pleaded guilty to a charge of being drunk and disorderly. He said he had lived all his life in Zeeland with the exception of a few years spent in Holland.

PUBLIC PULSE

Referring to the article which appeared in the Grand Rapids daily papers on Wednesday, and also in the Holland Daily Sentinel and Holland City News of today, of that day, will say that for the most part the same was incorrect. Coming from behind I passed a woman on Ottawa street. She glanced at me inquiringly and I greeted her, which compiment she returned, whereupon she asked me for the name of the street, which information I gave her. Meeting an officer at this interval, she made complaint for having accosted her, and I was placed under arrest. In police court I was fined \$15 and costs, anything further as given in said papers is erroneous, and any one in Zeeland can bear testimony as to my character and standing in the community as I have been a resident of this place practically all my life.

As to the drunk charge, will say that this was not in the complaint at all and as I never use liquor, all of it is absurd, I trust this brief explanation will be sufficient.

John Van Koevering.

FLYING MEN FALL

victims to stomach, liver and kidney troubles just like other people, with like results in loss of appetite, back ache, nervousness, headache, and tired, listless, run down feeling. But there's no need to feel like that as T. D. Peebles, Henry, Tenn., proved. "Six bottles of Electric Bitters" he writes, "did more to give me new strength and good appetite than all other stomach remedies I used." So they help everybody. It's folly to suffer when this great remedy will help you from the first dose. Try it. Only 50 cents at Walsh Drug Co., Geo. L. Lage and H. P. Doesburg—Adv.

THEIR LITTLE RED WAGON

Postmaster General Hitchcock has issued orders to all employees of the postoffice department to paint every thing red. Every parcel post and rural free delivery wagon must be red. All mail boxes throughout the United States must be red. Nobody seems to protest except the rural carriers, who say that in their red wagons they will be chased by all the bulls and turkey gobblers to say nothing of the dogs along their routes.

HEWED 7,000 MILES

A swallow, marked for identification and released on May 6, 1911, in Staffordshire, England, has just been caught at a farmhouse in South Africa. The distance flown was about 7,000 miles, something of a transcontinental record even for such a confirmed traveler as the swallow.

RELATIVE TO ENROLLMENT

The enrollment for this election was held Jan. 25, 1913, but any qualified elector in any election precinct in this State, who failed to have his name enrolled on enrollment day, by reason of sickness or unavoidable absence from the election precinct, and who is a qualified elector in said precinct on primary election day, or any person who may have become twenty-one years of age or a qualified elector after enrollment day, may have his name enrolled by the board of primary election inspectors on any primary election day upon making oath as provided in the general election law relative to the registration of electors on election days; or any person who was duly enrolled in the manner provided by law, but who has changed his residence to any election precinct, other than that in which he was enrolled, may be enrolled in the new election precinct and may vote therein: Provided, That he has resided in the election precinct in which he seeks to be enrolled for a period of twenty days and that he obtained from a member of the enrollment board of the election precinct in which he formerly resided, a certificate stating that he was duly enrolled in such precinct, and that he is entitled to enrollment in the new precinct. In the absence of such certificate, if he can satisfy the said enrollment board of primary election inspectors upon making oath to such facts, according to the provisions of the general election law relative to registration of electors on election day, he shall be entitled to enrollment and permitted to vote following such enrollment.

All qualified electors who enrolled by request and affidavit 60 days or more previous to this Primary Election will be entitled to vote at said election.

Section 28, Primary Law, provides that any enrolled voter may re-enroll on any primary election day as a member of a NEW POLITICAL PARTY, and all qualified electors not enrolled with any political party may be enrolled on any primary election day as a member of a NEW POLITICAL PARTY.

The Polls of said Election will be open at 7 o'clock a. m. and will remain open until 8 o'clock of said day of election.

Dated this 20th day of February A. D. 1913.

Richard Overweg, Clerk of said City
