A systematic way of fishing out the carp in Black Lake has now been started by Dave Blom and Harry Nies, and these men began the work Monday off Pine Creek Bay.

Holes have been cut through the ice at intervals of several feet, and a systematic and the proper way of fishing is now resorted to under the supervision of the state game department. Former Sheriff Dornbos, who was appointed as special deputy is watching the fishing and the men who were given the contract by the state are cooperating in every way, thus aiding the game authorities in preserving the game fish.

With proper precautions there is no doubt but that a great many of the cannibal fish so-called, can be fished out, while at the same time the game fish may be spared.

Monday three ton of carp were taken up in the nets and it can be readily seen that even in this one haul there were enough cannibal fish to destroy thousands upon thousands of game fish.

A Washington's birthday banquet was held Tuesday evening at the home of Rev. and Mrs. J. H. Bruggers of Sixth Reformed church when Normal Sunday school class was entertained. The rooms were beautifully decorated with flags and bunting, giving a patriotic effect. Thirty-four were present. A short program was given and several games made the evening highly enjoyable. The banquet had four courses and the entire affair was a most delightful one. The place-cards were decorated with wand work, and there were many little touches to the banquet that made it a pleasant gathering.

Rev. D. R. Drukker of Zeeland, will give a lecture in the 16th St. Chr. Ref'd church at Holland on "Why Mission Work Must Be Successful," on Thursday evening, Feb. 23rd.

WHAT ABOUT DAY-LIGHT SAVING? ALREADY SOME TALK AS TO THE ADVISABILITY OF IT

Within a few weeks no doubt the question of daylight saving will come up as it has annually during and since the war. Some elements, especially from the rural districts oppose it. Then again the man who puts in a full day at the shop enjoys this hour earlier, for it gives him an hour longer with his family evenings or it can be spent in the garden, in fishing, or in bathing.

In Holland the busy men's clubs have been using this hour to good advantage, having their weekly outings at Tennessee Beach, at Jenison Park or at some other convenient spot where a combination of baseball or bathing is available.

During the summer months hundreds of motorists fill their cars full with bathers dressed for the beaches and these start out at 6:30 when it is really 5:30 and nearly every evening, weather permitting, enjoy from two to three hours on the sands and in the waters of Lake Michigan.

Up to this time nothing definite has been done. No one seems to be taking an active part in the matter and there really has been a tendency everywhere to forget it. The city of Allegan is to vote on the matter while Grand Rapids is bound by an ordinance.

The Common Council in Holland generally passes its annual resolution regulating the city time for another summer.

No doubt Holland will be guided largely by what its neighbors do, for after all, we have much in common during these days of rapid transit.

Some business houses and manufacturers are opposed to the change, for it is stated that when the hands of the clock are shoved an hour ahead the big morning mail cannot be taken care of until in the afternoon, and the afternoon mail generally has to wait until the next morning before it can receive proper attention.

However if a change is going to be made, it seems that the period of time should not be made for so long.

Instead of starting April 15 and continue until the middle of September, why not begin the change say on June 15, and change back on the day that school opens?

There is no doubt but that beginning too early brings a hardship on many of the mothers who must prepare their children for school and April 15 children will have to start to school while it is yet dark.

On the other hand, most of the recreation, bathing, fishing, gardening and baseball do not begin much before June and two months and a half of this sort of vacation is quite a nice stretch to look forward to.

The Holland Interurban also puts its summer rate of 20c a round trip to Macatawa and return beginning on June 15 and discontinues it on September 1st. This reduction might prove an added inducement if we are to have a change of time. In other words start the change on June 15 when school closes, and change back to the standard time, say on Labor day which is the day before school opens.

FORD AND TRUCK COLLIDE ON COLLEGE AVE.

WOMAN RECEIVED BRUISES; AUTOS DAMAGED

The Ford car of A. Bouwman of Laketown collided with the Donnelly & Kelly Glass company yesterday on College avenue and 14th street.

The fender of the big truck was severely bent while one side of the Ford was jammed in.

A lady who was a passenger in the Ford was bruised about the head altho she was not considered as seriously injured for she rode away in the damaged car, after the excitement had subsided.

It was stated that the Donnelly & Kelly truck had the right of way.

TRUSTY FROM OTTAWA MAKES HIS GET-AWAY

FRED OSTRANDER TAKES A FRENCH LEAVE FROM IONIA FARM

Michigan reformatory officials at Ionia have reported the escape of Fred Ostrander, 23, serving from 2 to 5 years for larceny. He was sentenced from Ottawa Jan. 30 of this year and had been employed in the reed factory, but being subject to epileptic fits was given an outside job recently. He was at work on the outer walls of the prison when he disappeared.

Ostrander was an inmate of the State Industrial school at Lansing for two years and served a year at Leavenworth penitentiary. He is 5 feet, 5 inches tall, weighs 141 lbs., has dark chestnut hair, brown eyes and moles on his lips and left cheek.

Ostrander was sentenced to Ionia by Judge Cross at the January term of the Ottawa circuit court. He was taken to Ionia to begin his sentence on January 30. His home is at Orchard Grove, Muskegon Heights, and he was called into the Ottawa court to answer to the charge of stealing an automobile at Holland.

HOLLAND ROTARIAN CLUB HOLDS BIRTHDAY PARTY TONIGHT

BIRTHDAY PARTIES ARE BEING HELD IN MORE THAN 1,000 OTHER CLUBS

The Rotary Club of this city together with 946 Rotary clubs in the United States are holding an anniversary banquet tonight at the Woman's Literary club rooms.

A list of speakers and a program has been arranged for, and the fostering of future prosperity for the country will be under discussion.

Every club in every city is putting out bill board and newspaper advertising for which the clubs in the respective towns are paying.

This advertising is being widely circulated throughout the United States, embracing a circulation of millions upon millions of copies.

This matter through the newspapers will go into nearly every home, stimulating confidence, and honest business dealings, whether that be the dealing of big business or small business, labor or capital. The idea is to work for one common cause for the benefit of all, and truly the motto from the Scripture, which after all is the best golden rule, is also the motto to the Rotary Club, namely "Whatsoever ye would that men should do unto you, do ye even so unto to them."

Wireless congratulations from New York, Chicago, Pittsburgh, and the main centers of the World's trade have been flying forth and back through the air since midnight, and in this city Alfred Sirrine who has a radio system at the high school has been receiving these messages and will read them at the party tonight.

In all there are 76,000 Rotarians in the United States. There are 50 clubs in Canada and 50 in England. There are 24 countries in which clubs have been organized and this vast force for good is simply bubbling over today on the 17th anniversary of the club instilling the idea of a square deal all around for everybody, the little and big alike.

Through personal work these 76,000 Rotarians will preach Golden Rule methods from now on and this work will be augmented by the publicity that is now going on through the national press.

KILLS BURGLAR IN NIGHT BATTLE AT BATTLE CREEK

Benjamin D. Kolvoord, caretaker of the country home of Henry Bechman, general manager of the Duplex Printing Press Co. of Battle Creek, and a son of Mr. and Mrs. John Kolvoord, well known former Gr. Haven residents last Friday night shot and killed Willard Greenfield, aged 24, one of the alleged burglars who had entered the Bechman home. News of the shooting came in a copy of the Battle Creek News, sent to Mr. and Mrs. John J. Boer, uncle and aunt of Kolvoord.

Mr. Kolvoord, who resides in a cottage in the rear of the Bechman home says that he and his wife were getting ready to retire about 11:30 last Friday night when the buzzer of the burglar alarm in the main house sounded. Young Kolvoord grabbed a shotgun and went outside and saw two men coming out of the rear door of the Bechman home. He yelled at the men to stop but one of them pulled a gun and fired. Kolvoord followed them and was shot at again. A little later the man who proved to be Greenfield came into full view and leveled a gun at Kolvoord. Kolvoord gave him a full charge of shot. The other man fell and Greenfield started to crawl toward the house. Officers were notified and the wounded man was taken to the hospital in Battle Creek where it was found that he was terribly injured in the leg and groin. He told who his companion was at the Bechman house. Later he died at the hospital.

On Saturday morning Greenfield's companion, a young man named Farrell was arrested.

SALE STARTS AGAIN WHEN "MOCKING-BIRD" WHISTLE BLOWS

On Saturday at 1 o'clock the Van Ark Furniture Co. will again put on one of its popular aluminum sales.

When the "Mocking-Bird" whistle blows at 1 o'clock Saturday afternoon then the sale begins.

Some two months ago this same firm put on a similar sale and more than a thousand tried to enter the store and police protection had to be asked for.

Next Saturday however better arrangements have been made to accommodate the crowd and the stock of aluminum ware that is going at such popular prices after the "Mocking-Bird" whistle blows has been more than tripled on this occasion.

A representative of a large aluminum firm will be present on that day to help conduct the sale.

The big show window of the Van Ark Co. is stacked to the ceiling with aluminum ware of every description.

The slogan at the Van Ark Furniture Co. is, "Be ready when the 'Mocking-Bird' whistle blows Saturday afternoon."

MAURICE VISSCHER IS WINNER IN THE BUST CONTEST

IS GIVEN FIRST PLACE BY THE JUDGES ON WEDNESDAY EVENING

The sixth triennial Washington Bust oratorical contest, held in Winants chapel Wednesday evening, was won by Mr. Maurice Visscher, of Holland, son of Mr. and Mrs. J. W. Visscher. The prize of the contest was a bronze bust of George Washington after Houdon, offered by J. Ackerman Coles for the best oration delivered by a Hope College man student on some patriotic subject.

When Mr. Coles established the prize the bust cost \$250, but this year it is estimated that the value of the prize will be at least \$400. The prize was founded in 1906 and the five contests held before this one were in 1907, 1913, 1916 and 1919.

The contest Wednesday night was held, as usual under the auspices of the Hope College Oratorical League, and there were five contestants. All the orations were of a patriotic nature and the contest was very much in keeping with the spirit of Washington's birthday.

The judges were C. Vander Meulen, Rev. M. L. Tate and Henry Geerlings. They awarded first place to Mr. Visscher upon the content, style and delivery of his oration, entitled, "The Reasonableness of Hope. Honorable mention was given to two other orations, "The Fallacy of Force," delivered by Harvey De Weerd of Holland, and "The Father of His Country," delivered by Miente Schuurmans, of Manhattan, Mont. The other two of the five speakers taking part in the contest were Marinus Arnoys, whose subject was "Carry On," and Gerrit Schut, who spoke on the subject, "Peace-time Patriotism."

There is much interest at Hope College in the coming Raven oratorical contest to be held later in the spring and at which Hope's representatives to the state contest will be chosen.

"THE EASTERN LIGHT" IS NEW BOOK PUBLISHED HERE

ART VOLUME DESCRIBES SIXTH REFORMED CHURCH AND ITS WORK

The Banner Class of the Sixth Reformed church will place on sale in a day or two a new book, published by that class and entitled "The Eastern Light." The book contains 72 pages and is bound in heavy art paper while the book itself is printed on heavy enamelled paper. It is dedicated to the pastor of the church, Rev. J. H. Bruggers, and contains a great deal of interesting information about the Sixth Reformed church. A full page picture of pastor forms the frontispiece, and there are a large number of group cuts, showing various societies and classes of the church and the auxiliary organizations. It also contains a full page cut of the church.

Besides the explanatory notes that accompany the cuts in the book, a history of the church is contributed by the Rev. G. DeJonge of Zeeland, and the inaugural sermon, pronounced by Rev. Mr. Bruggers two years ago, when he came to this church as pastor is also printed in the volume.

The book is copyrighted by John B. Vander Ploeg, editor-in-chief and business manager, and the other members of the staff are: Bernice Vander Ploeg, associate editor; Edward Scheiborn, assistant business manager; Adrian Ter Louw, circulation manager; Willard Vande Water, assistant circulation manager; Evelyn Vander Ploeg, book keeper; Evelyn Verburg, directory compiler; Hilda Johnson, snapshot editor; John Van Voorst, assistant snapshot editor; Rev. John H. Bruggers, advisor.

The purpose of the book is given in the foreword as follows: "To draw a true picture of the life of the Sixth Reformed church; to honor the good fellowship that exists within this organization; to serve as mementos of the pleasure relative to organizing this church in the eastern part of Holland; this has been our purpose in presenting this book."

The book is from the presses of the Steketee-Van Huis Printing House.

LOCAL LAUNDRY PUTS IN LARGE MACHINE COST IS SAID TO BE OVER \$2,000.00

The most of us remember how mother formerly made "dad" put a large barrel under the spout of the coveystrough in order to catch the first spring rain which is supposed to be nice and soft for washing and have curative powers besides, when the hair is give a liberal dose of it.

Apparently soft water is very essential in a laundry and the Model on the East End is now installing what is called a water softener that is going to cost the company well over \$2000.

The machine consists of large tanks that filter the water in such a way that all the alkali and hardness in the water is taken out before it is used for laundry purposes.

R. N. Van Scooter of New York city representing the Permutit Co., is here installing the big machine and states that it will be in operation the first part of next week.

He states that the water is three times again as soft as rain water, that it takes considerable less soap and soda, that a guarantee is given that all clothing cleaned in this water will last more than again as long for the reason that the dirt is easier to combat with, and consequently the clothing does not suffer the wear.

While Holland water is wonderful to drink, the house wife will tell you that it is difficult to wash with it and the waste of soap is quite an item. Apparently the proprietors of the laundry figure this same way and consequently the machine.

Incidentally Mr. VanScooter states that this water is wonderful to wash the hair with, and says that any lady who brings a container can get some of this softened water for the asking.

SPANISH WAR VETERANS ADOPTED BY THE W. R. C.

YOUNGER MEN WILL CARRY ON THE WORK OF THE G. A. R.

In the same way in which the soldiers who died "in Flanders Field" where the poppies blow, threw the torch of civilization to their living comrades to carry forward, according to McCrea's famous poem, so the veterans of the A. C. Van Raalte Post, are now throwing the torch of their service to the country to their younger brothers and are bidding the Spanish War veterans to carry on the traditions of service of country that the G. A. R. has stood for.

At a meeting Wednesday evening in the G. A. Hall the Women's Relief Corps "adopted" the Spanish War Veterans and laid upon the younger men the charge of preserving the flags of the Civil War, taking up the work that the Civil War veterans have been doing, and keeping the memory of that conflict green in Holland now the older men are getting feeble and also of continuing this work after the last Civil War veteran shall have passed away. The Spanish War Veterans assumed the burden gratefully and expressed themselves today as highly pleased to have been given this opportunity to serve.

A fine program was given at the meeting Wednesday night. After the flag salute, G. Van Schelven offered prayer. Two songs were sung by 14 of the Maple Avenue school children, accompanied by Miss Leenhouts. Miss Dorothy Hofsteen gave a delightful reading. Rev. G. B. leming delivered an inspiring address on "Washington and Lincoln", and Mrs. Wise read a paper on the life of Lincoln. Mr. Van Schelven gave some pleasing remarks, and Rev. Fleming sang a solo. The program ended with the singing of "America. Refreshments were then served.

ILLINOIS AUTHORITIES DO NOT GRANT EXTRADITION

MEN CHARGE WITH INCENDIARY REMAIN IN CHICAGO

On January 12 A. J. Scritsmier and F. J. Smith were charged by the state fire marshal with the burning of a stock of phonographs in the E. J. Harrington building.

The matter has been in police court for the past six weeks and both the state and city authorities have been endeavoring to extradite the two men charged with the crime.

Local officers have been in Illinois endeavoring to bring their extradition about, but apparently this has failed as was made known this morning.

The whole matter is now in the hands of the state fire marshal and if any further proceedings will be started it will be up to the state department, this department being in full charge of the case.

YOUNG MEN ESCAPE DEATH BY NARROW MARGIN FRIDAY

Two Holland young men had an exceedingly close escape from instant death Friday forenoon at about 9:30 when the castings holding the stakes on a flat car of telephone poles broke and the poles came down in a cascade on both sides of the car.

The two young men, Harry Orr and Ray Soderberg, were on top of the carload of heavy poles, cutting the binding wires preparatory to unloading the poles. After the wires are cut there is nothing to hold the poles but stakes on the sides of the car, but in all the hundreds of cars of poles that have been unloaded by the local telephone company these stakes have always held. And in this case the stakes themselves also held, but the castiron pockets in which they were set broke.

Soderberg was thrown about forty feet by the sudden deluge, landing on his head between the rails of the track. His wrist was seriously injured. He also received other minor injuries. Young Orr went down with the poles on one side of the car and was buried under them. When rescuers collected on the spot, only his head was visible and it was for a moment believed that he was dead. In fact, those who rescued him declared they could not understand how he had escaped.

Mr. Orr was bruised about the body in several places where the poles had run over him and it is not known whether he received internal injuries or not.

Both young men were taken to their home and given immediate medical attention. A crowd quickly collected about the pile of poles and there were many hands to help remove the pile of poles that freed Mr. Orr from his perilous position.

HERMAN VAN TONGEREN ALSO A CANDIDATE FOR THE MAYORALTY

Candidate for mayor No. 3 entered the race Saturday when Herman Van Tongeren announced that he would make the race also. This will make it a three cornered contest, unless still others come in to increase the number.

Unlike Mr. Stephan and Mr. Bosch, who have both announced that they would take no personally active part in the campaign, Mr. Van Tongeren said Saturday that he would make a contest. He declared that he considered it a logical thing to make an effort to win the nomination and hence he will be personally active. However, he endorsed heartily the principle that there is no place for personalities in a contest for the office of mayor.

Mr. Van Tongeren is not new to city government affairs. A few years ago he was very active in public service, but during the past few years he has not been an office holder of any kind. He served for six years as a member of the city council as alderman from the first ward. After that period he refused a re-election although the people of the ward had gotten into the habit of electing him as a matter of course.

Mr. Van Tongeren also served Ottawa county for a time as a member of the board of supervisors, and he had the unique experience of legislating himself out of office. While a member of that board he was also chosen as a member of the charter commission that drew up the revised charter under which the city is now operating. The question came up of reducing the number of supervisors for the city, and although Mr. Van Tongeren knew that that would very likely deprive him of that office he helped to pass that provision.

Aside from his political activities, Mr. Van Tongeren is one of the best known business men in the city. His friends have enthusiastically begun to circulate his petitions and the signatures are coming thick and fast.

The choir members of Trinity church were delightfully entertained at the home of Mr. and Mrs. J. Hamelink last night. A hearty repast was provided for the guests after which a unique program was rendered, in which all the members of the choir participated. An exchange of humor, combined with musical treats, took up a greater part of the evening. Instead of the regular choir practice, the members all joined in making the evening a choral reception for the host and hostess.

SOME ECHOES OF THE LINCOLN BANQUET

Quite a joke was unwittingly played on Aloys Bilz of Spring Lake, one of the foremost republicans in Ottawa county who never fails to attend a Lincoln banquet.

Mr. Bilz is 81 years of age and his ears do not function as well as formerly, and for that reason he applied early for a seat close to the speakers' tables. Secretary Munshaw mailed him a seat at the head of table two, which according to the diagram was smug up to a place near the speaker's table. The old gentleman was kidding his republican friends who were to be grouped around table ten, the worst table in the entire hall.

When the octogenarian arrived at the banquet hall he was assigned to the last seat on the last table and the farthest away from where the speakers were busy. On the other hand his friends from Spring Lake were sitting tight at a convenient table right under the noses of the speakers.

Naturally Mr. Bilz was very much taken aback for he had gotten the schedule wrong end to.

Friends however took pity on the old gentleman and one of their number exchanged seats with him and Mr. Aloys soon was as happy as a clam taking the joke on himself very good naturedly.

The Ottawa county politician of more than four score has attended these banquets as long as anyone can remember.

The experience of the gentleman from Spring Lake was very much the experience of the delegation from Holland. It appeared as if the Lincoln banquet authorities had placed the Holland folks as far away from the scenes of activity as it was possible to place them. The seats of the Holland bunch reminds one of the man who that it was smart to be tough stating that he was the toughest man in the city, lived on the toughest street, and the farther down the street you went the tougher it was and he lived in the last house.

FORMER MAYOR BOSCH TO TAKE NO PART IN HIS OWN CAMPAIGN

Former Mayor Nicodemus Bosch stated definitely Friday that if a nomination and election for mayor comes to him he will accept the office. Friends of Mr. Bosch have been circulating petitions to place his name on the ballot the past day or two and these petitions are being liberally signed.

"I promised my family months ago," said the former mayor, "that if my name should come up for nomination and election I would take no active part in the campaign, and I should like to make that a public statement now. I appreciate it of course that friends want me to take the office again, showing that they have confidence in me, but I cannot and will not take an active part personally in the pre-nomination or pre-election campaign. If the public wants my services, I shall be ready to serve, but beyond the mere statement that I shall not refuse the office, I shall have to leave the matter in the hands of those friends who wish to push my candidacy.

"The office of mayor of Holland is a position of honor and service, not one that is sought for financial reasons. That being so, I hope and in fact confidently expect that those who have interested themselves in my campaign will conduct the campaign on a high plane and that no campaign personalities will be indulged in. As far as I am myself concerned, I should like to have the decision made by the people among whatever candidates may enter the race, under the rules of true sportsmanship. I have been mayor a number of times and the public is fairly well acquainted with my way of doing things. It would therefore be futile to make high sounding promises. I think the average person who has been following political affairs the past few years knows about how I would be likely to conduct the office. If the people wish to vote for me, in accordance with that knowledge, I shall appreciate the confidence; if not, I shall of course cheerfully abide by their decision. In other words, my record, good or bad, is open to all.

"I am interested in city affairs and I am ready to do my share of public service if the people call on me. But I must repeat that I cannot take an active part in the campaign, and I must also repeat the hope that the race will be a contest in keeping with the dignity of the office."

The Pere Marquette railroad will expend \$700,000 for the construction and equipment of shops in the Wyoming yards during 1922 and a like sum during 1923, President F. H. Alfred announced Thursday at Detroit. About \$400,000 will be spent for road ballasting, some of it between Ludington and Baldwin, it is stated. The expenditures represent part of the road's general construction program for the next two years in the state which will cost \$5,235,000.

BOULEVARD LIGHT-ING SYSTEM A REGULAR NINE PIN GAME

The boulevard light standards might be likened unto a set of nine pins, for if motorists are not more careful in their bowling tactics, Supt. Champion of the Board of Public Works may be compelled to chalk down a "spare" on the municipal score board.

Thus far for one cause or another four boulevard light standards have been bowled over. The last one can be chalked up to the city father, Peter Prins, and Peter will have to dig down deep into that old sock of his and deposit with the board of public works a hundred or more "big iron men" for a new light standard near the model laundry.

Here is how it happened: Peter's delivery truck was left running in front of the store awaiting another load of crackers and cheese and groceries of all kinds. The car began to "shimmy" and it is stated that the vibration was the cause of shifting the gears and Miss Lizzie Buzzwagon, well filled with denatured alcohol, started a zigzag down the street like a drunken sailor, and of course being without an escort.

Without Peter at the helm, naturally something had to go wrong. The busy Lizzie finally landed up against one of our beautiful boulevard light standards, shouldered it and proceeded farther down the street carting along what was left of the glim.

Peter soon noticed that his car had left the store unaccompanied and gave chase, yelling "he, girl! ho, girl!" as he trundled down the avenue. With the assistance of Mr. De Groot, the wayward "shimmying" car was put under control and now stands hitched to a big block of cement in front of the grocery emporium on East 8th street.

Is it a wonder that Father Prins favors an ordinance regulating dancing, having such a wayward "Lizzie" in his own family?

LOCAL MAN FALLS VICTIM TO SLEEPING SICKNESS

Merle Brightall, aged 29 years, died Thursday afternoon at his home at 274 West 18th street, after an illness with sleeping sickness. Mr. Brightall was an employee of the Holland Shoe Co. He is survived by his wife and two children, Leona Frances and George Oscar, by his parents, Mr. and Mrs. O. Brightall, and one brother Clifford.

The funeral was held on Monday afternoon at 1:30 from the home and at two o'clock from the Maple Avenue Christian Reformed church.

Married at Spring Lake

Cecil Babcock of Ferrysburg and Miss Minnie Lindberg of Fruitport were united in marriage yesterday by Rev. Tiewissen, at the Presbyterian manse at Spring Lake. The ceremony was witnessed by Mr. and Mrs. W. A. Bilz of Spring Lake.

Born to Mr. and Mrs. Rob Borkhoe an 11 pound boy, Feb. 11.

Dr. John E. Kuizenga was in Grand Rapids on business Thursday.

FAMOUS MEN TO SPEAK IN LOCAL CHURCHES

The Student Volunteer deputation committee is busily engaged making arrangements whereby the respective churches in the city may be provided with speakers on Sunday, February 26.

Mr. Sherwood Eddy, prominent layman and church worker will speak at Hope church to the congregation and Student Volunteer delegates only. Dr. Wilcox will be at the Trinity church, Rr. Ralph Ward, at the First church at 9:30, and probably at the M. E. church at 10:30. Dr. Louis R. Scudder, the famous medical missionary will speak at the Third Reformed church and next Friday will speak to the seminary students at the Western Theological Seminary.

The Student Volunteer Conference brings many famous men to the city and Holland may consider itself fortunate in having such a splendid opportunity to hear them.

A VALENTINE AND BIRTH- DAY PARTY GIVEN

A pleasant Valentine and Birthday party was held at the home of Mr. and Mrs. Henry Vander Werf, the occasion being Mrs. Vander Werf's 39th birthday. After an enjoyable supper, the host in a most eloquent speech presented each of the guests with a valentine and gave a long, interesting talk on patent medicines guaranteed to give results immediately or money refunded. A good time was enjoyed by all and a motion was made and carried by the party that at the next carnival Hank would be selling medicines with very good results.

HOPE ORATORS TO SPEAK AT ALMA ON MARCH 3

The annual Michigan Oratorical contest, under the auspices of the Michigan Oratorical League is to be held at Alma, March 3. The League consists of eight colleges in the state, from which the winning oration is selected to represent Michigan in the inter-state contest that is to be held later on. The inter-state contests are divided into the eastern and western sections from which the two competing orations are matched to decide the winner of the national oratorical contest.

Hope is to be represented by some strong speakers this year, in a contest that will prove as interesting as any previous one has been. The same rules will be followed that have governed the contest for the last few years. The various heads of the departments of literature and public speaking are to judge the orations from a literary standpoint, excluding the oration of their own representative.

Winfield Burggraaf, of Decatur, and Miss Maixen Mc Bride, of this city, are Hope's representatives. Both of the speakers are well acquainted with the platform and have always been dexterous with the pen. The orations that will be given by Hope's representatives are "The Nation's Heritage" and "Backgrounders." Dr. Nykerk has begun to coach Hope's speakers and he is optimistic as to Hope's chances, altho the contest promises to be a hard one.

Does Sciatica Make You a Cripple

Health Talk No. 32

By JOHN DE JONGE, D. C.

Does sciatica make you a cripple, unable to get out of bed? Or is your case a mild one that merely makes moving around a misery and pain a constant companion? In either event you are unable to work or think, and you are making others suffer with you, for that is the law of life.

Sciatica is a form of neuritis or neuralgia of the sciatic nerve. It may be present without either liver or kidneys being inactive. In this respect it differs from rheumatism, which is always accompanied by costiveness and kidney trouble. Sciatica is caused by pressure on the sheath of the sciatic nerve and this pressure causes an inflammation and swelling of the sheath, which compresses the nerve and causes the constant pain which is the characteristic of this disease.

Two Years of Suffering Ends.

"For more than two years prior to consulting a chiropractor, I had been suffering with sciatic rheumatism. In August 1919 I was suffering intense pain and it was so bad that I was unable to work and in fact was unable to move about at all. The first chiropractic spinal adjustment brought relief but I continued through December when I was discharged. I have been shoeing horses ever since without return of the trouble."—John Schauss, Chiropractic Research Bureau. Sworn Statement No. 1283R.

OLD REFORMED CHURCH PREACHER HAS 50 YEARS OF SERVICE

To complete 50 years of service to his church as an active pastor, was the motto and hope of Rev. John Broek, when he was first ordained. He is now pastor of the Third Reformed church of Muskegon and his wish no doubt has been fulfilled.

This week Rev. Broek, 80 years old, completed his 50th year as an active head of a church.

The 50th anniversary of the ordination of Rev. Broek, was celebrated by his entire congregation, with services held in the church auditorium, which was packed to the doors. Visiting ministers from several Michigan cities were present and spoke.

Rev. Broek was born, July 28, 1841, and was ordained in 1871, when he took up his first pastorate at Beaverdam. The church he went to was a log cabin, and Rev. Broek once chased a bear from his front yard.

In Rev. Broek's 50 years of service he has preached over 6,500 sermons, attended more than 500 funerals, married over 1,500 couples, and participated at 5,000 baptisms. He has built one church, three parsonages and one chapel.

All of Rev. Broek's pastorates have been in Ohio, Wisconsin and Michigan, he having served but four different churches in his time, the Muskegon church for over 16 years. He has received over 50 calls to other churches during his service, but believed in building up the pastorate he had, and hence stayed on at the present church, until completely satisfied that he could progress no more.

Rev. Broek has announced his intention of resigning his pastorate at Muskegon and retiring. He and Mrs. Broek have been married 49 years.

Mr. Broek is well known in Holland and has delivered sermon after sermon in this city some years ago.

GIVES SHOWER IN GRAND RAPIDS FOR MISS PELGRIM

Mrs. E. Rodenhouse of Grand Rapids, formerly Miss Ada Koning of this city, gave a delightful miscellaneous shower in honor of Miss Nelle Pelgrim of Holland. The guests, including the bride-elect, were: Misses Evelyn and Ruth Keppel, Miss Janet Mulder, Miss Ethyl Dykstra, Miss Margaret Meyer, Mrs. G. A. Pelgrim, Mrs. H. Dun, Miss M. Van Drezer, Miss Kathryn Pelgrim, Mrs. B. Wiersema, all of Holland, and Mrs. T. Elferdink of Grand Rapids. Favorable weather made motoring to Grand Rapids possible. The occasion featured Valentine decorations. Various interesting games were played, the prizes being awarded to Miss Keppel, Miss Mulder and Mrs. T. Elferdink. Miss Keppel sang a number of pretty songs. After a dainty table luncheon, the bride-elect was given a basket filled with a number of beautiful and useful gifts. The guests departed at a late hour after all had assured the hostess of having spent a very delightful evening.

The 1922 "Milestone", an annual of Hope College, edited and published by the Junior class is reaching completion. The new edition is to be larger and cheaper than last year's book, which was backed by the undivided support of the student body. It is expected that the 1922 "Milestone" will outnumber any previous edition.

The Junior class has dedicated its publication to Dr. Frank N. Patterson, Professor of Natural Science and Head of the Department of Biology, as a token of their appreciation of his friendship and work among the students and of his faithful service at the college.

Dr. Patterson came to Hope in 1909, succeeding Dr. MacLaren.

CLUB TO TRANSPORT AUDIENCE TO LAND OF THE MIKADO

Japan, the land of Cherry blossoms and multi-colored komonos, of quaint art and of the fragrance of spices and flowers, will be brought to Holland on the evenings of February 23 and 24 when the Holland Teachers Club will present a program under the title "An Evening in Japan". Every effort is being made by the club to create the illusion of a Japanese scene, and with the aid of a very little imagination the audience will easily be able to think they are in the land of the Mikado for the time being.

The program will be divided into three parts, the first of which will be a musical comedy in which will be given a real Japanese story "Kyu-Shu." There will be forty voices in the chorus and all the singers will be in Japanese costumes. There will also be solos, trios, and quartets. The soloists will be Evelyn Keppel, Ma-

bel Anthony, Mabelle Mulder, Ada Whitman, John Ter Vree and Gerrit Ter Beek. The chorus will be directed by Miss Mabel Cogdel.

The second part of the program will be a Japanese Fantasia. The lighting effects of this production will be especially noteworthy. Special pains have been taken to get effects that will create the necessary illusion. The costumes and decorations will also be very rich. The Fantasia is under the direction of Miss Edith Cannes.

The concluding part of the program will be the climax of the evening, consisting of a Japanese play, "O Joy San." It is a laugh from beginning to end. The plot centers around an American who has married a Japanese girl. The American's mother and his fiancée visit his home in Japan and they try to buy off O Joy San and persuade her to leave him. How well they succeed is a mystery which may not be revealed. The play is under the direction of Mrs. Nina Dougherty.

The assembly room and stage will be filled with cherry blossoms, wistaria, lanterns, etc. The high school orchestra will furnish the music.

HOLLAND MAN FIGHTS TO A DRAW

Cy Vande Luyster, pressman at the Holland City News, has become quite a drawing card as a wrestler.

Recently he won honors at Fennville, he'll be put on by the American Legion at Holland soon at another sport fest, and Thursday night he met in a wrestling match Dan Thomson of Grand Rapids, a big Greek who stands high as an able wrestler in his home city, and who weighs 160 pounds.

Vander Luyster who was billed in Hastings as "Grappler Cy of Zeeland", weighs only 145 and is only 18 years old.

Anyway at Hastings the large crowd of six hundred fans were all with Cy who fought his heavy opponent for an hour and twenty-five minutes without a fall taking place and the referee stopped the bout and called the match a draw.

After the bout Vander Luyster was given an ovation by the crowd while the Greek was not hailed very enthusiastically for the reason that he resorted to ear rubbing tactics

and other methods that are not supposed to be in sportsmanlike matches.

The young Holland-Zeeland was hailed by many as the winner and the Hastings fans are now collecting a purse of \$100 to be used as a wager that "Grappling Cyrus" can throw the Greek in a finish fight.

It is stated that "Young Cy" is right up to date on head locks, toe holds and break away holds.

In one of these instances Thursday night when some quick work had to be done the two wrestlers nearly rolled off the stage onto the heads of the audience, so it can be readily seen that the go was an unusual match.

There were other sporting contests, but these lasted for only ten minutes and the Zeeland-Grand Rapids men proved to be the big show.

The match took place at Reed's Opera House with as many ladies as men present.

They have already booked the Holland man for a return match.

HOLLAND HIGH DEFEATED IN THE LAST 30 SECONDS

For the second time in two years the Holland high basketball team has traveled to Grand Rapids Central and been defeated in the last few seconds of play by one point. The game was one of the most thrilling ever played in the Central Gym and when the winning basket was scored the crowd rushed out on the floor causing the referee to call a foul on the home team. The local squad after playing ragged ball in the first half, came back strong in the second half and took a commanding lead only to lose out in the last few seconds of play. Thornquist started the scoring for Central by making a point from the foul line, Klies soon evened the count also cashing in over the foul route. Thornquist then dropped in two baskets from mid floor, and Central by working the ball thru long passes to DeWitt, who camped alone under the basket was able to ring up two more counters. Holland could not get started and although they had plenty of shots they did not seem to be able to locate the basket and had to be content with scoring four points thru fouls. The half ended with Central on the heavy end of a 9-4 score.

This Town Needs a Hupmobile Dealer

This is a "Hupmobile town," and it needs, and will soon have, a Hupmobile dealer.

It is the kind of community that most appreciates this fine car.

The Hupmobile, while ranking with cars that cost much more, sells at the remarkably low price of \$1,250 f. o. b. factory.

This brings it within the reach of persons of ordinary means, and makes it a wonderful proposition for the dealer.

The man we are looking for to represent the Hupmobile here, is a hustler and a good business man.

To such a man, we can practically assure many prospects, sales and exceptional profits.

This is the first year we have been able to supply the great potential demand for Hupmobiles outside of the metropolitan centers.

Now the Hupmobile factory has greatly increased its production to supply this demand.

This creates a money-making opportunity. You may be the man we want.

Remember that we have no back-breaking requirements—nothing but what will enhance your bank standing. And our discount rate is much more liberal than is ordinarily offered.

It is unmistakably to your advantage to talk this over, absolutely without obligation. Let us hear from you. Write at once to

HOPE DEFEATS KAZOO NORMALS 21 TO 16

The Hope College quintet, true to their old form, handed the Kalamazoo Normal a 21-16 defeat on the Hope floor here Wednesday night. With the clashing of the Holland-Kazoo teams is also coupled perhaps the keenest basketball rivalry of any other cities in the state. Although both teams played excellent ball, and showed good team work, the game had its ups and downs, which were more or less evident in the Kalamazoo game.

Japinga started the scoring in both halves, putting in two successive field goals for a starter. Kazoo caged two fielders in the next few minutes of playing, and challenged the lead, when Dickie caged a third mid-fielder. Here Spaulding men attempted to check the Hope scoring end, when the orange and Blue defensive played the Kazoo proteges false. Riemersma, a local guard, caged the ball three times in succession, giving Hope a desirable lead. The frantic attempt of the invading team to recover, was followed by a lull in which Johnson called five successive fouls. Kazoo caged another basket, and tardy Dyke bolstered the Hope score by two more double-pointers, ending the half with a 16-7 score.

The second half opened with its usual sensational rally, but found the rival teams hard at shooting. Dickie's keen eye put Hope first on the scoring end. The desperate tactics used by the visitors, hampered the team work on both sides. The Hollanders kept control of the ball and were outplaying their opponents, when Irving crept through with the ball from the sidelines, which almost tripped the score against the Celery City men. Japinga topped Hope's score with a free throw, after which the normalites slowly nosed their way up with three field goals and three free throws, bringing up their end of the score considerably.

The Hope Reserves held the big end of a 23-19 score in an interesting preliminary with the Holland High school. Pitched up against some of their former High school stars, Martin's men did not display the usual form of basketball. Hill was the high scorer for the High school team, scoring three baskets.

HERE'S NEWS FOR YOU:

We have made a discovery that is very interesting. In a number of cities, including Fort Wayne, Indiana, and Hamilton, Ohio, when a real estate dealer has a Holland-heated house for sale, he advertises this way: "Cozy home, heated by a Holland Furnace." If the house has any other make of furnace in it, the dealer advertises everything but the furnace.

It might have been considered immodest to publish this item, were it not for the fact that dealers tell us that the entire house is invariably accepted as first class when the furnace is said to be the Holland.

After all, that is a natural deduction, isn't it? When a man uses care in buying a furnace, we believe we can safely assume that he uses the same care in selecting other equipment.

The officers of the Pere Marquette Railway have under consideration the equipping of 50 miles of railroad with a new system of wireless train control—the invention of a Detroit man. If this system is adopted, the Pere Marquette Railway will be a pioneer in the adoption of and installation of a system which has been given much thought by electrical experts. This work presupposed an immediate outlay of \$200,000.

Albert Ten Hoor did not break his leg as was reported, by falling from the roof of his home. The man who fell and broke his heel was Levi Kouw, a carpenter, who was repairing the roof of the home occupied by Mr. Ten Hoor, corner 7th street and Central avenue. Mr. Kouw who was repairing the house, in stepping from the ladder to the roof, slipped and fell a distance of seven feet to the ground below, and the result was the breaking of his heel. Mr. Kouw is now confined to his home on 26th St.

LOCALS

Anthony Steketee, formerly of Holland, now of Kalamazoo, has been visiting his daughter, Mrs. Paul Coster in this city. Mr. Steketee is now working in the state highway department, but was formerly employed here as janitor in Holland High school.

John K. Vanden Berg, living at the corner of the West Michigan Pike and the Alpena road, died on Tuesday morning at the age of 68. He is survived by his wife. The funeral will be held Friday afternoon at 1:30 at the home, Rev. Mr. Einink officiating.

A team belonging to Carl Hoffmaster of Allegan county ran away on Monday afternoon. He was thrown out on the frozen ground and suffered a compound fracture of the left hip.

Henry Wilson of the Model Drug store, saw the first robin Monday morning near his home on East 10th street. Henry says he wasn't "seeing things" either.

Tonight at Holland High school "He Stoops and She Conquers" will be presented with all its laughable situations. Cast of characters is composed of twenty people and the play is a laugh from beginning to end. It is given under the auspices of the American Legion.

Jacob Johnson living in the West End slipped on an icy pavement and seriously injured his nose. It took six stitches by a Holland physician to put it in proper shape again.

The students of Holland high and of the Junior High school will have an opportunity to compete for prizes in an essay contest on the subject of American citizenship. The movement was initiated by the Knights of Pythias and two prizes, one a silver medal and the other a bronze medal, will be awarded by that organization to the writers of the two best essays. The subject will be, "American Citizenship: Its Privileges, Duties, and Responsibilities," and the essays are not to be more than two thousand words in length.

The date when the essays must be in has not yet been announced and the judges have not yet been chosen.

Despite the heavy rain and thunderstorm that lasted until nearly show time, at least four hundred patrons ventured out in the storm to take in the "He Stoops and She Conquers".

The playlet lasted nearly two hours, was a parody on the blue laws, real or imaginary, as the case may be.

Anyway the play goes something like this: Judge Holloway (Judson Staplecamp) is a jurist of the old school, who is a thorough advocate of the blue laws, but occasionally he sneaks away unseen to smoke or lift an ice cream soda, unnoticed by his fellows, for its against the law. An ice cream soda has been on the prohibition list for some years now.

Anyway the old judge has a beautiful daughter named Audrey, who is really Willard Bloemendahl, and Keith Lindsay, who in real life is Robert Lennington, loves Audrey dearly. The old judge, however, is a "proud old rooster" who prefers to have his daughter marry a title and County Covington, who really is Henry Luidens (not the cashier), is more to the judge's liking.

Clandestinely Keith meets Audrey in the garden, but the judge stumbles onto the pair and there is a scene.

The young Romeo however defies the judge and makes a wager with the old gentleman that he will marry the daughter within 24 hours.

Judge Holloway gets his sporting blood up and wagers that the young "plebeian" can't do it.

In some way or other the lover disappears and a much sought for butler applies for a position. The butler and the judge bring on many laughable situations, however the man in uniform proves to be Keith Lindsay in disguise. He makes himself known to Audrey and the scheming to beat out the judge begins. A mock marriage is planned in which the butler and Audrey are the bride and groom. The guests at the party select old Judge Holloway to tie the knot. Their wishes are graciously complied with but to behold the butler discards his disguise and the judge is dumbfounded to learn that he's beaten out, and like a good sport he accepts the situation and the son-in-law.

The beaten count down his sorrow at the punch bowl, incidentally making love to the maid, Miss Belle. In fact that punch bowl was the center of attraction after the wedding. Someone had doctored the contents of the big glass urn having added a wee bit of old wine that had been stolen from a museum and its age dated back to the year 1922. They sure did hit that punch bowl.

That's about all. The Legion band gave an excellent concert before the play and during intermissions.

The cast of characters follows below:

Town Crier—Raymond Lull Zwemer; Smoke Inspector—Willard Joldersma; Audrey Holloway—Willard Bloemendahl; Keith Lindsay—Robert Lennington; Belle the Maid—Franklin Mahnk; Count of Covington—Henry Luidens; Judge Holloway—Judson Staplecamp.

Guests and Neighbors—Frank Boonstra; Tillie—Raymond Lull Zwemer; Mark—Kenneth De Pree; Jane—Raymond Whelan; Jack—Roscoe Valentine Davis; Kathryn—Theodore Luidens; Roscoe—Willard Joldersma.

Others who helped make the play a success were: Miss Gardel—Pianist and director; Miss Temple—Director; Miss Maxine Mc Bride, Custodian of Costumes and Director; Mr. Daniel De Graff, stage manager and assistants Mr. Rottschaffer, Mr. Zoerner and Arthur Mulder. Albert Joldersma took charge of affairs in behalf of the American Legion.

DON'T FORCE FOREIGNERS TO BECOME AMERICANS

The Americanization meeting of the W. C. T. U. at the home of Mrs. Huyser, 223 W. 9th street on Friday afternoon was featured by a debate by four Hope college girls, the Misses Marjorie Rank and Martha Gebhardt taking the affirmative side and Amy Ruth Zwemer and Frieda Gunneman, the negative. The judges were Mrs. E. J. Dlekink, Mrs. R. N. DeMerell, and Rev. Jas. A. Martin. The arguments on both sides showed thought and study and a good understanding of the problems which our country faces thru the immigrants who flock in to enjoy the greater freedom of America. The question debated, was "Resolved, that the Americanization of foreigners should be compulsory." Some of the arguments on the affirmative side were that compulsory Americanization classes should be held for those who come to make America their home; that to ignore the immigrants and their needs is contrary to American ideals. Americanization must be taught in the schools, as children are a great influence in the home. The negative side argued that forcing them to learn American ideals was contrary to the principles of democracy. To compel those who enter our country in order to better their condition to attend Americanization classes and take out citizenship papers would make for hypocrisy, as one cannot change another's thoughts or heart in that way. Foreigners who prefer to live in groups by themselves can only be changed into Americans if they are won over to wish to learn to be Americans. Hence the usefulness of the work in the public schools as the children lead the parents, and cause them to love the new land as they are taught to do. The victory was given to the negative side.

Rev. Jas. M. Martin then gave a most interesting address on Americanization. He named Abraham Lincoln as a type of what America stands for. Poverty and lowly origin are no handicap to rising to great heights in our country, or to holding positions of honor, which is so different from European countries where one is supposed to remain in the class in which he is born. He said that not only foreigners need Americanization but also many Americans—many who seem to have a total lack of the ideals for which our country stands, and think of it merely as a place to make money by profiteering and exploiting others weaker than themselves. Many foreigners, coming in contact with this type of citizen, get wrong impressions of our country and so do not care to become naturalized, as the victims of a "Ponzi" in Chicago. The Misses Cornelia Nettinga and Amanda Zwemer sang a duet with Miss Marjorie Rank as accompanist. The program was in charge of Mrs. Nettinga and the devotions were conducted by Mrs. H. W. Smith.

Tea was served by Mrs. P. H. Therman, Mrs. S. M. Zwemer, Mrs. J. Pessink and Mrs. Huyser.

On the evening of March 8 in the Holland High school the W. C. T. U. will give "Riley Readings With Living Pictures." Ten of Riley's best known poems will be read by Mrs. Nina Daugherty and after each reading the picture will be posed with colored light effects. They will be seen thru a large frame 6x7 feet, while the audience room is in darkness.

The great public loves James Whitcomb Riley with a tenderness only given to the nearest and dearest. "Riley Readings With Living Pictures" represents a variety of moods, including the humorous, pathetic, dramatic, poetic and patriotic. With the aid of modern facilities in electricity, wonderfully beautiful effects can be produced. Each picture is in charge of a sponsor, who arranges the characters, costumes, etc.

Mr. Alfred Sirrine will be in charge of the colored light effects. The sponsors for the pictures are as follows: Mrs. H. W. Smith, Mrs. Geo. Albers, Mrs. H. VanArk, Mrs. A. Sirrine, Mrs. W. E. Van Dyke, Mrs. G. H. Huizenga, Mrs. F. J. Congleton, Mrs. Etta Whitman, Mrs. C. Shaw, Mrs. P. H. Doan. In addition the Blue Triangle girls of the High school will give a preliminary playlet "Mrs. Will's Will," in charge of Miss H. Hoekje and staged by Miss Katherine Keppel.

The entertainment will be given for the purpose of raising money to be given as prizes in the schools in an essay contest which the W. C. T. U. will put on soon after the play.

The W. C. T. U. hopes to make both of these things an annual affair.

By a vote of more than four to one, Grand Haven taxpayers Monday expressed themselves in favor of the proposition to issue \$50,000 for the purpose of supplying equipment for the new high school building. A total vote of 526 was cast. Of this number 432 voted yes for the bonds, and 93 voted no. There was one blank. In this case the voter put a cross in both the yes and no squares, nullifying the ballot, of course.

NOONDAY SERVICES MAY BE HELD AT FACTORIES

About three hundred were present at the quarterly meeting of the Federation of the Men's Adult Bible Classes Monday evening in the 4th Reformed church, and a most enjoyable program was given. Officers were also elected for the coming year.

The program opened with a fifteen minute song service conducted by John Vandersluis. Rev. J. M. Martin was the speaker of the evening and he gave an interesting address about the sources of the Bible.

A committee was appointed to make an investigation as to whether or not it would be feasible to hold noon-day religious services at the various factories in the city. This committee will look into the matter to see whether enough men remain at the factories during the noon hour to make such services practicable, and a report will be made at a later meeting when some action will probably be taken on the plan.

A solo was sung by R. Visser, President-elect N. J. Jonker, presided over the meeting. Refreshments were served in the basement of the church and consisted of chocolate milk and a light lunch. One hundred gallons of milk were donated by Speet Bros., dealers in pasteurized milk and the chocolate was donated by the Reidsma Cash Market. Both Mr. Reidsma and the Speet Bros. are members of the entertaining class.

The officers elected were: N. J. Jonker, Trinity Church, president; Peter DeGoede, 14th St. Church, 1st vice president; H. R. Brink, 9th St. church, 2nd vice president; Dick Overweg, M. E. church, 3rd vice president; Wm. Prince, 6th Reformed church, 4th vice president; C. J. De Koster, Maple Avenue church, 5th vice president; Ralph A. Van Raalte, Hope Church, secretary; Rein Visser, 4th Reformed church, assistant secretary; A. H. Brinkman, 3rd Reformed church, treasurer; Bert Slaght, 1st Reformed church, assistant treasurer.

ANOTHER CANDIDATE FOR MAYOR ADDED TO THE LIST

Another candidate for mayor has appeared, making the total four in all. The newest addition to the list is Harry Bontekoe, employed at the Donnelly & Kelly Glass Co. Bontekoe's petition is being circulated and many signatures are being secured. A copy of the petition is also at the Superior Cigar store where it is being signed by such persons as wish to see Bontekoe's name placed on the ballot for the primary.

The Lecture Course management of Hope College is to put on a wonderful lecture to be given by Edward C. Raine, one of the best authorities on conditions in Alaska.

Mr. Raine has gone over Alaska about as far as any human being now living, who has traversed that land of the midnight sun.

Together with his lecture Mr. Raine also shows 200 beautiful colored views of one of the most wonderful and richest territories on this earth.

A real Aurora Borealis is shown on the canvas just as it appears in this frozen northland. The mining regions of the Klondike, the great White Horse River falls, the large glaciers, the birthplace of our ocean icebergs, the wonderful new railroad over Chicoutaw Pass, are all shown in the 200 colored slides that the lecturer brings with him.

Dr. Nykerk of Hope College very highly recommends this number that is to be given on Monday, February 27 at Winants Chapel.

It will be remembered by history students that Alaska was purchased by the United States from Russia for \$7,000,000.00.

The purchase brought quite a stir in this country when it was thought that this government had bought a "White Elephant" in this frozen waste in the Arctic seas.

Time has proven however, that Alaska is the best piece of real estate Uncle Sam has ever purchased, the Klondike and Nome alone having uncovered millions upon millions of riches far in excess of the purchase price.

The natural resources of Alaska have hardly been touched. Unlimited forests that can be turned into lumber, print paper and other staple essentials would last this country for ages. It is said that there is enough coal and oil in Uncle Sam's Northern possessions to keep the rest of the world warm. The gold deposits are there in millions, while the fur and whaling industries in the Alaskan region are the largest in the world.

All these interesting subjects will be a part of the discourse of the Edward C. Raine program, who will make his word picture more vivid by taking his audience right to the scene with his colored slides.

Wm. Stephan of the Holland Furniture Co. was in Grand Rapids on business Thursday.

ZEELAND MAN NAMED HOLLAND CANNING FACTORY MANAGER

Mr. C. L. Corey, formerly manager of the Zeeland Canning Co., has been appointed by the board of directors of the Holland Canning Co. as manager to take the place of Wm. Vander Ven. Mr. Corey has been connected with the canning business in various capacities for the past 25 years. For some years he was a salesman of canned goods and in that capacity he sold everything that has ever been put up in cans. Later he managed canning factories successfully, and during his work in Zeeland he piloted that company thru its first two years.

At the annual meeting of the stockholders of the Holland Canning Co. the following directors were elected: Luke Lugers, C. J. Lokker, Daniel Ten Cate, Henry Geerlings, C. L. Corey, Herman Derks, Hein Brinkman, Benj. Brower, and J. E. Kuizenga. The directors chose the following officers: Luke Lugers, president, C. L. Corey, vice-president and manager; Henry Geerlings treasurer and Benj. Brower, secretary.

The Holland Canning Co. will begin this week singing up farmers for the present season. The firm looks forward to a busy season and it is expected to handle a large acreage in the territory from which the goods to be canned have been secured before this.

Mr. Corey, the new manager, began work at the local plant a few days ago and is getting the factory in shape for a rush season as soon as the fruits and vegetables arrive during the spring.

BAD WEATHER CAUSES AUTO ACCIDENT

One of the Yellow Cabs, driven by George Frances Pardee, and a car driven by Albert Veebeek, 111 W. 14th street, collided on the corner of 12th and Pine Tuesday night during the heavy rain and sleet storm. It is stated that the mist on the windshield, and the dense foggy weather prevented either driver from seeing far ahead, and when the drivers were making the turns around the corner a head on collision took place.

While no one was injured, both cars were severely damaged and had to be dragged to the auto hospitals for much needed repairs.

HOLLAND MAN SERIOUSLY INJURED ON MICHIGAN RY

Henry Van Dommelen, who formerly resided on West 15th street, near Pine and who recently moved to Grand Rapids was seriously injured while he was unloading a freight car at Plainwell.

While so engaged his foot was crushed and he was taken to Butterworth hospital in Grand Rapids.

For several years Mr. Van Dommelen was motorman on the Holland Interurban, but was transferred to the Kalamazoo division of the Michigan R'y.

The Van Dommelens are now living at 135 Caulfield av.-SW. Grand Rapids.

BIG SALE WAS HELD AT VAN RAALTE SCHOOL MEET

At the February meeting of the Van Raalte P.T. club, an interesting program was given. The Misses Janiet Albers, Hazel Albers, Harriet Hennefeld, Jean Kuipers and Ruth Marcot favored the club with a number of Hawaiian songs which they accompanied with ukuleles. Mr. E. P. Davis then gave a couple of humorous readings, which were followed by a vocal solo by Mr. Kardux. Miss Francis Howlett gave a very interesting reading of a selection from Henry Dan Dyke. Miss Nichol talked about the success of the club in selling Gold Medal Flour.

The proceeds of the sale of baked goods, and the penny sale which followed the meeting, amounting to over

BAIRD THINKS FISH LAW SHOULD NOT APPLY HERE

Almost coincident with the arrest of four more fishermen on Black Lake on the charge of having perch under seven inches in length in their possession, a letter was received in Holland from State Game and Fish Warden John Baird practically stating that in his opinion Black Lake is tributary to Lake Michigan and hence not under the provisions of the fish law.

The four men were arrested by Deputy Game Warden Hoy of Saugatuck who made another descent upon Black Lake and took the fishermen in tow. One of the men claimed that his fish were only a quarter of an inch less than seven inches long. They were arraigned before Justice Van Schelven Monday. Two of them were fined \$5 and costs and two \$3 and costs.

Tuesday morning Representative G. W. Kooyers received a letter from Commissioner Baird in reply to a letter of protest sent by Mr. Kooyers in regard to the arrest of seven men a short time ago. Mr. Kooyers at

that time enclosed in his letter a clipping from the News describing the reaction of local people to the arrests made by Deputy Hoy and setting forth the prediction that there would be a big upheaval in Lansing next session on this issue. The answer received by Mr. Kooyers Tuesday reads as follows:

"Dear Sir:—In reply to your letter of February 16th would advise that I did not know that Mr. Hoy got busy on Black Lake and I am writing him for an explanation.

"You know that I construe the law to mean that Black Lake is tributary to the Great Lakes. However, it is hard to get around the seven inch, but I will try to do it as I do not think it ought to be in the law. I am sure your intentions and the intentions of your Grand Rapids friend was to strike it out." Signed, John Baird.

SUPT. FELL APPOINTED BY GOVERNOR TO ILLITERACY CONFERENCE

Superintendent E. E. Fell has been honored by Governor Groesbeck by being appointed Michigan representative to the Illiteracy Conference of the Middle West to be held in Chicago on February 24 and 25. Mr. Fell has received his commission from the governor giving him authority under the seal of the state of Michigan to represent this state at that gathering and to take part in all the deliberations on behalf of this state.

The states to be represented at the conference are Michigan, South Dakota, North Dakota, Nebraska, Iowa, Kansas, Minnesota, Wisconsin, Indiana, Oklahoma, West Virginia, Ohio and Illinois. In these thirteen states, according to the latest census report, there are 814,968 illiterates, and they constitute a great problem which means much to life and happiness in the middle west. The conference has been called to devise ways and means of reducing this illiteracy. Michigan is credited in the last census with 88,046 illiterates, and it is these thousands whose interests Mr. Fell will have in charge at the meeting in Chicago.

A large audience greeted Mrs. W. R. Alvord, the president of the State Federation of Women's clubs, at the meeting of the W. L. C. on Tuesday. Mrs. Dregman presided. After the reading and acceptance of the minutes of the last three meetings the proposed amendment that no person hold office longer than two consecutive terms, was read. This

amendment will be legally voted on at the meeting on March seventh. A nomination committee was appointed consisting of the following members—Mrs. G. E. Kollen, Mrs. W. A. Van Syckle, Mrs. Harry Harrington, Mrs. John Vandersluis, and Mrs. J. E. Telling. This committee will prepare a slate of candidates for office for the March election.

That George Washington was a regular human being who loved a joke, in addition to being the greatest general of his age and one of the world's greatest statesmen, was brought out by Prof. Wynand Wichers in a paper entitled "Washington," and read before the Century Club Monday evening at the home of Mrs. G. E. Kollen. With painstaking and brilliant scholarship and in glowing rhetoric, Prof. Wichers painted a picture of the great leader, bringing out the man-sidedness of the man. He portrayed Washington in four-fold character—the man, the soldier, the statesman, and as a type of an American citizen.

Fennville nominated its city officials by caucus and will have two tickets in the 3rd, one a Citizens ticket and the other is the Progressive. Here they are—

Citizens Ticket—Mayor, George Leland; clerk, L. E. Bucher; treasurer, Turah Whitbeck; trustees, Frank Luplow, Elmer Schaeffer and James Michen; assessor, J. E. Burch.

Progressive ticket—Mayor E. C. Foster; clerk, Leonard Van Blois; treasurer, Mrs. Rose Scarlett; trustees, James K. Bale, Richard Tuiel and A. W. Jackson; assessor, William A. Hovie.

C. P. Milham, Ottawa County Farm Agent, is planning on the organization of poultry associations which will give those interested in poultry in Grand Haven and vicinity a chance to get together and benefit by one another's experience. The organization will also hold a poultry show at least once a year and will have the benefit of lectures by well known poultry experts both from the Michigan Agricultural college and others.

FIRE DOES MORE THAN \$7,000.00 WORTH OF DAMAGE

Quite a mix-up arose at 10 o'clock Friday morning when an alarm was turned in from Box 32 located on the corner of River avenue and 10th street which proved to be a false alarm. The call however was a forerunner it seems from one that was sent from box 47, at the Holland Shoe factory.

From the supposed fire, the trucks quickly turned to answer the call indicated by the second alarm and when arriving the firemen were told that the garage belonging to William Fredericks and Frank Centaur at Montello Park was ablaze.

The firemen proceeded further down 16th street and found that the building was doomed, but hose was quickly laid and the putting out of the fire was soon begun.

The employees of the Heinz Co. in the immediate neighborhood were already on the job stemming the flames with the company's apparatus and no doubt this timely aid saved the home directly to the east which aside from a scorching was undamaged.

How the fire started even Mr. Fredericks who was in the building, did not know. He was at work in the rear of the structure when a streak of flames shot out from amongst some automobiles in the front end. Mr. Fredericks attempted to fight the fire but found it was useless and he was compelled to make his exit quickly through the front door, otherwise his escape would have been cut off. He had barely gotten out of the building and onto the street before the entire interior was a mass of flames.

The fire had communicated itself to some gasoline and oil and the fumes seemed to set every part of the structure on fire instantly.

It can be readily seen how rapidly the flames spread for it was impossible for Mr. Fredericks to reach his desk upon which he had laid some \$70 in silver and bills that had just been paid by a customer and naturally this was consumed.

The building also contained five cars, and one motorcycle, and the firm had just unloaded a large consignment of tires. All these were destroyed besides all the tools and automobile accessories commonly found in garages.

It is estimated that the total loss to building and property will reach well over \$7,000 while the insurance amounts to only \$2,000.

The cars that were stored and burned were an Essex belonging to J. Van Dyke, a Reo of H. Hardenburg, practically a new Paige belonging to Fredericks & Centaur, a Chalmers belonging to Mr. Stram, a motorcycle the property of Al Van Dyke, and the body of a car belonging to the firm, which had been placed on the outside directly to the west of the building.

Naturally the loss on the stored cars will have to be borne by the owners or the insurance company, provided these are properly insured.

The Paige belonging to the garage owners, however was not insured and naturally this is a total loss to them.

The blaze cannot be called a Holland fire for the building is located just over the Holland limits by a few hundred feet.

The garage was built last spring and the young men were doing nicely, catering to tourists and resort trade. The unexpected fire has practically cleaned them out however.

CONVENTION WAS HELD AT ADVENTIST CHURCH

There were approximately fifty leaders and secretaries of thirty peoples societies meeting for a three days' convention in the Adventist church of this city. The societies represented were scattered through southwestern Michigan and have a total membership of nearly 1400.

With the slogan "Our Best not our Bit for the Master," it goes without saying that they are a lively group and accomplish much in and about their homes for the cause of Christ.

Prof. H. T. Elliott, a brother of the pastor, and secretary of the Young Peoples' Missionary Volunteer Department of Michigan, Indiana, Illinois and Wisconsin was present, as well as others who have given their lives to work for the youth.

FORMER ALDERMAN IS NOT A CANDIDATE

Former Alderman Paul Vander List is not a candidate for any city office, he announced Friday. Mr. Vander List was being pushed by his friends for the office of member of the board of police and fire commissioners and also for the office of alderman from his ward. Petitions for his nomination for these offices were being circulated, but Mr. Vander List requested the city clerk today to have his name withdrawn if these petitions are filed.

"I appreciate the kindness and good will of my friends," he said, "but it will not be possible for me to accept either one of those offices or any other city office and I wish to make this as clear as I know how so that the issue may be clear-cut."

The Freshmen Cosmopolitans of Hope held a party Thursday night entertaining several of their lady friends.

EXCHANGE CLUB HAS CHANGED PLACE OF MEETING

On Thursday February 23, a prominent engineer from Chicago will speak in this city having been invited as a guest of the Exchange club.

Holland has been having some trouble with the disposing of its sewage and a short time ago the common council had the firm of Pearse Greeley and Hansen of Chicago work out certain plans that would fit in with the conditions in this city.

The Exchange Club has taken a live interest in civic matters and the secretary Mr. Lokker together with the entertainment committee has secured Paul Hansen of the above named firm to come to Holland and lecture on this very important subject as this pertains to Holland, pointing out the city's needs along these lines and how best to remedy these defects.

The disposal of Holland's sewage is a mighty live question, in fact it has been taken up by the state board of health who have been watching Holland for a few years back and if the board finds that this city is not alive to its own health conditions, the state board of health will step in and order the dangerous conditions changed.

Anyway Paul Hansen, the engineer will be here and the members of the Exchange club felt that they wished to entertain the mayor and common council, the members of the Board of Public Works and those closely identified with it, besides the other city officials.

For that reason a spread is going to be given at the parlors of the M. E. church at 6:30 Thursday evening of this week, when the ladies of that church will make liberal provision for the guests present.

POULTRY SCHOOL ARRANGED FOR HOLLAND TERRITORY; POULTRYMEN WELCOME AT CITY HALL

The Holland and Zeeland Poultry Associations in co-operation with the agricultural agent have arranged an extension poultry school in the city hall in Holland all day Friday, March 3rd.

Mr. Ferguson, the extension specialist in poultry will be the headliner. As Mr. Ferguson succeeds Mr. Foreman, whom everyone knows, everyone should be interested in making his acquaintance and learning of him some of the angles of more profitable flocks. The poultry association members will be present en masse and all others interested in poultry are cordially invited. Those in attendance will have an opportunity of joining the organized poultry associations.

There is no charge for admission, this is an educational meeting. Truly everyone can profit by attending.

THIEVES BREAK INTO PERE MARQUETTE FREIGHT DEPOT

Thieves broke into the Pere Marquette freight depot Sunday night and tried their best to get away with such cash as might be found in the safe of the building. They destroyed the combination of the safe but they were unable to get the door open and nothing was taken.

The gained an entrance into the building by prying open a window at the back of the freight house.

Dear Family—

We ask you all to come To see our dear "Yum-Yum", In Holland High School room, And forget you ever felt glum.

Dear Father—

Just think! We'll transport you And the rest of the family, too, To the island of Kyu-shu— A dime and a quarter will do!

Dear Mother—

Come see Kimonas galore, Like models in a store, You can sleep in our lovely coiffure,

With pillow-blocks on the floor.

Dear Sister—

There are girls that look like dolls, With fans and parasols, And other fol-de-rols, Who talk like Pretty Polls.

Dear Brother—

There are men with slanting eyes, A "Yellow Peril" surprise, And singers—just common size, All teachers (in disguise).

Dear Neighbors—

Come see the flower show! Chrysanthemums aglow Our ushers will wear, I know. Come on, everybody, let's go!

HOLLAND MAN TO MANAGE ZEELAND CANNING COMPANY

Nick Hoffman of Holland has been named secretary and manager of the Zeeland Canning Co. Mr. Hoffman has been a member of the board of directors of that firm since it was organized and he was one of the organizers. When it was announced that Mr. C. L. Corey, who has been in charge of the firm the past two years, had resigned to take a position in Holland, the Holland man was named to take over the work in the Zeeland plant.

H. R. Brink of Holland was named president of the firm, Mr. Hoffman, secretary and manager, and John Fris of Zeeland treasurer. These together with the following constitute the board of directors: Ben Steffens of Holland, Jerry Wierenga of Grand Rapids, and Isaac Van Dyke of Zeeland. The annual report to the stockholders showed that the Zeeland concern has had a very satisfactory year and is looking forward to another prosperous season.

SAUGATUCK PAPER HAS ONE ON SECRETARY OF STATE

Secretary of State De Land should be taken in hand by the anti-saloon league people. In the current Michigan Manual, considered by many as an authoritative reference work, is printed the Constitution of the United States and the amendments, including the nineteenth—but the 18th amendment which is causing all the excitement, is not so much as mentioned.—Saugatuck Commercial-Record.

FINED FOR MUTILATING BOOK IN THE CITY READING ROOM

Gerrit Weersing was arrested Saturday on the charge of mutilating a volume in the Holland City reading room and he was arraigned before Justice Van Schelven Saturday forenoon. When he pleaded guilty to the charge, he was fined \$50 and the costs which amounted to \$3.90, with the alternative of spending 50 days in the county jail. He paid the fine.

Weersing cut several pages out of a valuable bound file of a magazine in the reading room. The evidence against him was so strong that there was no doubt left, and he readily admitted his guilt to the justice.

The library board of the public library, by prosecuting this case, is giving notice in concrete form to all persons in the city who are in the habit of mutilating books and magazines in the library or reading room that all those who are caught at this will be given the same medicine that was handed out to Mr. Weersing. And what is more, after this warning the dose may be expected to be larger. Mr. Van Schelven did not impose the maximum sentence on Weersing, but if others are caught at the same practice the punishment may mean a jail sentence.

There are only a very few persons in Holland as there are in all cities, who indulge in practices of this kind. Occasionally some one cuts a picture or story out of a magazine or out of a valuable reference work, thus depriving all the rest of the population of such material which is the property of all. The library board announced in connection with this case that that practice is going to be stopped if it is necessary to send some one to jail for it.

NEW INTERURBAN RATES MUST BE APPROVED BY COMMISSION

A few days ago Mayor Stephan together with City Attorney C. H. Mc Bride and Alderman Ben Wiersma received a concession from the Holland Interurban giving a 25-cent rate to Macatawa and return during the summer months and a 25c rate during the fall and winter months. This was a reduction from 35 cents which was recently allowed by the State Public Utilities commission. The interurban however receded from their demands and made this very fair concession.

However notwithstanding the fact that these rates are lowered the consent must first be gained from the Public Utilities Commission the same as if that road asked the commission for an increase as they did in the first place.

The railroad must file tariffs with the commission and make their demands known just the same and besides a hearing must also be held.

This the Public Utilities Commission demands for the reason that it must keep some tab on the changing rates, regardless of whether these are higher or lower. After the commission has gone into the matter fully it will no doubt decide to grant the request.

Surely nothing else could hardly be expected for the rate if satisfactory to both parties concerned as it is between Holland and Holland Interurban, the commission surely can and will find no objection, and the hearing will be more as a matter of form.

HOLLAND MAN FINDS MANY HOMES FOR ORPHAN CHILDREN

Cornell Dornbos who recently adopted two little waifs from Allegan county has been so taken up with spreading happiness around and placing children in homes under the proper environments, that since the adoption of his two, he has placed two more little children in a good home.

Mr. and Mrs. Samuel Meeuwse, E. Sixth street, have taken one child by the name of Carol, aged 8, and another child named Ralph, aged 6. These are brothers to the twins adopted by Mr. and Mrs. Dornbos a few weeks ago.

Mrs. Meeuwse is a sister to Mrs. C. Dornbos, wife of the furniture man.

Since Mr. Dornbos has taken such a live interest in parentless children he has inquiries from Holland from three parents wanting a boy and from two parents each desiring a little girl.

If efforts were made along these lines everywhere our orphan homes would soon be childless and would serve only as a clearing house to place children in desirable homes under wholesome environment.

Cyrus Vander Luyster of the Holland City News went to Hastings on Thursday afternoon.

Wm. Stephan of the Holland Furniture Co. was in Grand Rapids on business Thursday.

WOMAN OF 80 TAKES CARE OF INVALID OF 87

Mrs. H. Koster, 369 River avenue, is celebrating her 80th birthday anniversary which took place Sunday and her children and grandchildren and great-grandchildren gathered on Saturday to commemorate the event.

Mrs. Koster is as spry as can be at this age, which is evident from the fact that she does all her own work besides taking care of an invalid, Mrs. John Klavenga, who is 87 years old.

The old lady in question was the wife of one of the street commissioners in the olden days when Holland did not have a paved street and when Eighth street had a clay bottom with a half a foot of mud during the rainy season.

Mrs. Koster besides her children has ten grandchildren and 12 great grandchildren.

Those who have visited the old lady are two sons, Klaas and Martin of Grand Rapids, Mrs. Peter Vander Hout of Grand Rapids, and Mrs. W. Dornbos of this city.

FISHERMEN WILL AGAIN START OUT FOR CARP

On Monday Dave Blom and Harry Nies again started to fish for carp in Pine Creek bay, a permit having been given them by the state with the proviso that the fishing be done under the supervision of a thoroughly competent game warden.

The department of Lansing has therefore appointed former sheriff C. Dornbos to supervise this work and of course he will be under the direction of Oscar Johnson, deputy sheriff and game warden for Southern Ottawa.

Some time ago sportsmen in Holland headed by ex-Mayor John Vanderluis put in a strenuous kick for the reason that it was said that large numbers of fish were found dead in the vicinity where the fishing took place. In fact the argument became so warm and so much publicity was given the matter, that Lansing men came to Holland to see the methods used.

Anyway after having been here they stopped the fishing and one of the game wardens in an interview with the local press told just what methods should be used in netting for carp and not kill the game fish.

It is understood that the methods printed are being followed now, of course under proper supervision.

It is stated that when Blom & Nies had secured the first contract from the state they had spent considerable money on fishing outfits and the canceling of the contract put them in bad financially.

However by consent of the game department of the state of Michigan these men started their netting again Monday.

LOCALS

Rev. C. P. Dame on Sunday evening will continue his series of sermons on the topic "Bible Types of the 20th Century People." His subject for Sunday evening will be "The man who wants to remain neutral."

Fritz Jonkman was a Grand Rapids visitor today.

The following postal card was received from John Arendshorst who with several friends is making a tour of Florida: "Dear Ben:—We arrived here this morning safe. Dick Boter, A. Smeenge, Bert Slagh, John Van Tattenhove, Henry Zwemer, Sam Miller and myself. It is a delightful trip with weather ideal. Have been touring all over Jacksonville and are now going to Orlando, called the Venice of Florida."

The March committee of the Woman's Literary club are going to hold their gigantic sale at the Club House on Central avenue on March 2-3-4. At this sale millinery, clothing and household articles will be disposed of. These articles have all been slightly used but are practically as good as new. Remember the sale takes place on March 2-3-4 at the Woman's Literary Club House on Central avenue. The sale conducted some time ago was a big success and requests have been coming in to have another one put on.

Fred Beeuwkes of the Fas. A. Brouwer Co. was in Grand Rapids on business Wednesday.

Henry Kraker of the Kraker Plg. and Htg. Co. was in Grand Rapids on business Wednesday.

Born to Prof. and Mrs. Robert E. Evans, a son—Theodore Manley.

HOPE COLLEGE GIRLS GIVE PROGRAM AT BEECHWOOD

The Delphi society program at Beechwood Wednesday evening was a splendid success. The first number on the program consisted of some Mother Goose Songs by Martha Barkema, dressed as Red Ridinghood. Miss Grace Spies gave several "kid" readings that were very much applauded. The play, "The Southern Cinderella" by Walter Ben Hur was a splendid success. The negro mammy especially took the audience.

Other numbers on the program were: songs by a "negro" ladies' quartette, "Neath De Coppah Moon" and "Let Mah People Go" being among them.

Quite a number of people attended considering the weather.

MOTHERS AND DAUGHTERS ENJOY A BANQUET

A mothers and Daughters banquet was given Tuesday evening by the Young Womans League for service in the basement of Trinity Reformed church. About 150 mothers and daughters were present and a highly enjoyable evening was spent.

Miss Betta Pas served as toastmistress and the program consisted of the following: violin duet by Ruth Marcot and Harriet Hennevelt, with Janet Albers accompanying on the piano; a toast to the mothers by Margaret VanDozelaar; a toast to the daughters by Mrs. C. P. Dame; two toasts to George Washington by Laverne Essenberg and Joan Wassenaar; recitation by Stanley VerHey; selection by ladies quartet; address by Mrs. S. M. Zwemer on the subject "Mothers and Daughters in Other Lands;" vocal solo, Gertrude Mulder.

The basement of the church was beautifully decorated with the national colors in honor of Washington's birthday—the banquet being a Washington birthday supper. The young men of the church served as waiters.

STRAND THEATRE

Today—Constance Talmadge in "Mamma's Affair". Eve in Eden first found the value of woman's nerves and Connie learns the trick too, and thereby finds a new way to win a husband. It's so funny that it makes every chuckle a roar. Added Attraction, "Miss Flora Craig, "The Daredevil Girl of the Movies" in person, gives a few of the sidelights on the making of Motion picture and life in the studios. Two comedies: Mutt and Jeff in "Getting Ahead," Special two reeler "When Spirits Move."

Friday Feb. 24—Lionel Barrymore in "The Devil's Garden". America's greatest actor in a vivid and powerful picture. One that grips and holds by its fascination of its charm, every spectator. It's the kind that interests not only during its performance, but one that one will remember for a long time afterwards. Star comedy, "Noiseless Valley." Also 4th episode of "Winners of the West" that thrilling red blooded story of American history.

Saturday Feb. 25—Naomi Childers in "Courage." Drama as you love to see it—lights of happiness—shadows of sacrifice—interwoven into a drama of a wife's courage in the fight of love, loyalty and love-loneliness. Snub Pollard Comedy, "On Location"; also International News Reel of Current Events.

Monday and Tuesday, Feb. 27-28—Pola Negri in "Passion." A mighty epic of the Screen. Thrilling beyond words. Beautiful beyond description. A harmony of all the emotions. A cast of 5000 people. Two years in the making. A ten reel super-special. No advance in price. Rollin comedy, "Trolley Troubles."

Wednesday, March 1—Tom Mix in "The Heart of Texas Ryan." That well known western star in another of his thrilling western Masterpieces. Mutt and Jeff comedy, "Boney Parts"
