The funeral of Jacob Heeringa will be held Friday afternoon at 1:30 at the home, 359 Central avenue, and at 2 o'clock at the Ninth St. Christian Reformed church, of which church Mr. Heeringa has been an elder for

about twenty years. The services will be conducted by Rev. James Ghyssels, present pastor of the church, and Rev. Mr. Tuuk, now of Chicago, but for many years pastor of the local church and a friend of the deceased.

LOCAL MISSIONARY TO JAPAN TELLS INTERESTING STORY

GETTING AUTO LICENSE IN STATES IS NOTHING TO EXPERIENCES OF MISSIONARY IN LAND OF MIKADO

Holland, Feb. 19.—Procuring an automobile driver's license in Japan is no easy matter. At least such was the experience of Rev. Aleck Van Bronkhorst, who returned last fall to his field of labor at Oita, after spending his first furlough of 15 months in Holland and vicinity.

Here's the way Van Bronkhorst characterizes the oriental exactions: "I had to go to the police station to have my examination for a driver's license. About two weeks before I had gone to make application for this examination and also to make request to have my car examined for registration. These documents contained information as to my name and sex, date and place of birth date of graduation from primary and high school, college and seminary, my business, date of coming to Japan, length of stay in each place, date of return to America and again of return to Japan."

"Then in regard to the auto they wanted to know the name, date and place of manufacture, the date and place where bought, the name of the firm from which it was bought, whether new and the price paid. In addition they wanted to know the piston displacement, horsepower, number of passengers, length, width, height and weight of car, number of lights, whether there was a spare tire, the kind of fuel, etc., whether I drank or ever had been in prison."

"Then I took three policemen for a ride and I was required to go through numerous stunts. They assured me my license would be given me in two days, but when I went to get my license I was told it was not ready. At the end of two more days I tried it again, but was given the same answer."

"Then I went to the prefectural office, where I was told that it had not yet come from the five men above. When finally the application had come down I decided to wait while the license was written out. An hour later I had to take my license and registration blanks to the police station for the police seal. There I was told to get my license plates made, according to specifications, and after that with my car properly tagged 'Oita 378' I was able to take my car out; just three weeks after I had filed my original application."

Van Bronkhorst was presented with his machine before he left for the orient—the gift of friends.

Mr. Diekema pointed out how Mr. Burton in the prime of life had delivered a speech at the National Republican Convention at Cleveland that had attracted the attention of the nations of the world. Mr. Diekema who was a delegate at that convention states that he will never forget that speech as long as he lives. He stated that sometimes one would imagine that great men are shining marks for the grim reaper. He pointed out such great men and martyrs as Lincoln, Garfield, McKinley, Harding, and now Burton, president of one of the greatest colleges in the nation.

He felt that the passing of this wonderful man, this powerful educator would be a perpetual loss not alone to Michigan, but to the entire nation.

He also paid tribute to President Coolidge stating that no man or set of men could camouflage political issues on President Coolidge, and his honesty of purpose was lauded, not alone by his friends but by his enemies as well.

Mr. Diekema stated that he believed in loyalty to party, and those who were not loyal to the party flag should not be in the party councils. Mr. Diekema felt that one must be a republican at heart and not be disguised as a republican and then crawl under the republican tent flaps, turning out to be a socialist ready to stab the party in the back and endeavor to pull down its banners.

The convention then named the committee on credentials, those being James Danhof of Grand Haven, C. Van Loo of Zeeland, and Nick Kammeraad of Holland.

The committee on permanent organization and order of business was Dan Pagelsen of Grand Haven, Harry Averill of Coopersville, and Frank Brieve of Holland.

The committee appointed to select delegates to the state convention were Luke Lugers of Park, Orrie J. Sluiter of Grand Haven, and Ben Mulder of Holland.

The committee on resolutions were Mrs. G. J. Diekema of Holland, Charles McBride of Holland, Arthur Van Duren of Holland, William Connelly of Spring Lake and Jerrit Clark of Zeeland.

The delegates to the Detroit convention selected by the committee and endorsed by the Ottawa county Republican convention follow below:

G. J. Diekema, Charles Dykstra, Tom N. Robinson, Mrs. G. J. Diekema, Ben Mulder, Geo. Peigrim, Chas. Van Duren, John Vander Ploegh, Henry Bosch, Frank Brieve, Arthur Van Duren, G. J. Deur, J. B. Mulder, of Holland; Fred McEacheron and Zeth Coburn of Hudsonville; H. H. Hillman, W. Stansburg, Charles Shupe, James J. Danhof, C. F. Vander Veen, Peter J. Rycenga, F. C. Bolt, Orrie Sluiter, and Ed. Moter of Grand Haven; Jerry N. Clark of Zeeland; Wm. Bilz of Spring Lake, Luke Lugers and Dick Miles of Park; Albert H. Bosch of Jamestown.

Holland is entitled to 62 delegates at the county convention and these were chosen as follows by ward:

First Ward—Simon Kleyn, chairman; Wm. Vander Water, secretary; Al Kleis, J. B. Mulder, Anna Van Drezer, Mrs. M. J. Cook, Katherine Bosman, Cornelius Dalman, Ed Streur, Bert Vande Ploeg, John Vande Ploeg, Clarence Lokker.

Second Ward—Frank Brieve, chairman; J. A. Drinkwater, secretary; G. Vander Hull, John Waltman.

Third Ward—C. H. McBride, chairman; Charles Van Duren, secretary; Richard Overweg, Nick Kammeraad, Arthur Van Duren, E. P. Stephan, B. A. Mulder, Wm. C. Vandenberg, H. Geerlings, Gerrit Van Schelven, G. M. Laepple.

Fourth Ward—Gerrit G. Groenewoud, chairman; Geo. Peigrim, secretary; G. J. Diekema, Wm. Lawrence, Oscar Peterson, Albert Brinkman, Chris Nibbelink, Henry Winter, Chester Beach, C. VanderMeulen, Jay DenHerd, Con De Pree, James De Young.

Fifth Ward—Henry Bosch, chairman; Thos. N. Robinson, secretary; Charles Dykstra, Fred T. Miles, Henry Vander Werf, Charles Elton, Gil Vande Water, Dick Boter, Alex Van Zanten, G. W. Kooyers, Walter Lane, Miss Anna Vischer, Henry G. De Weerd, Ray Vischer.

Sixth Ward—Elbern Parsons, chairman; Ben Wiersma, secretary; Arle Vander Hill, Mabel VandenBerg, Herman Stegders, Dena Muller, Wm. Vander Ven, Henry Tuis.

The chairmen and secretaries of the respective wards, named in the above list are also chosen as delegates to the county convention.

DIEKEMA MADE CHAIRMAN OF THE CONVENTION

PAYS TRIBUTE TO PRESIDENT BURTON WHO PASSED AWAY SUDDENLY

Many Holland Delegates Are Named to the Detroit Republican Convention

The Republican county convention held at Grand Haven yesterday was well attended and the business that came before it was taken care of in a comparatively short time.

Honorable G. J. Diekema of Holland was made chairman of the convention, while Orrie J. Sluiter, county clerk acted as secretary.

Mr. Diekema in his speech thanked the delegates for having honored him so repeatedly, and stated that he finds that as one grows older one cares less for business advancement and political honors, and thinks more of the confidence and esteem bestowed upon him by friends at home.

He stated that the late election was an unqualified victory for republican men as national leaders, and republican principles as well.

Mr. Diekema dwelled at some length on the fact that the vote of the people is an emphatic repudiation of demagogue rule and that the citizens of this country believe in an independent executive, an independent congress, and an independent judiciary to settle our legal questions fairly and honestly, and a supreme court not dominated by political control.

Mr. Diekema had just been informed before the convention opened that Marion Leroy Burton, president of the University of Michigan had passed away and this announcement by Mr. Diekema brought sadness to the entire delegation.

Mr. Diekema pointed out how Mr. Burton in the prime of life had delivered a speech at the National Republican Convention at Cleveland that had attracted the attention of the nations of the world. Mr. Diekema who was a delegate at that convention states that he will never forget that speech as long as he lives. ADDITION TO BAKERY CAUSE OF A FIGHT

ALDERMEN GET INTO BRIEF WORD BATTLE; PETITION IS REJECTED

By a vote of 8 to 4 the common council Wednesday night rejected the petition for the Holland Baking Company for the right to build an addition to the front of its place of business at 225 West 11th street. There were petitions both for and against the proposed addition before the council. The special committee composed of Van Zanten, Drinkwater and Kleis brought in a majority report approving the petition of the baking company, and chairman Kleis reported that this report also had the unanimous approval of the zoning commission. The report stipulated that the front of the addition must remain in line with the other houses.

Alderman Drinkwater however brought in a minority report and he made a fight for his report, declaring that the addition would hurt the adjoining property. He moved a substitute report rejecting the petition of the baking company and the vote on this was as follows: Yes—Slaghs, Brieve, Drinkwater, Laepple, Spritsma, Brinkman, Dykstra, and Vander Hill; No—Kleis, Van Zanten, Peterson, and Visser.

The proposed bonds are to bear 8 per cent interest, payable semi-annually. In fixing the dates at which the bonds are to mature from year to year, the committee took into consideration the amounts of city bonds maturing in the various years. In the heavy bond paying years the amounts of sewer bonds to be paid off have been made light and vice versa. The amounts therefore will fluctuate until the year 1934. That year, Ald. Laepple announced, all the city's other outstanding bond issues will be paid off and after that year the sewer bonds will be the same amount each year.

The total amount, as was announced two weeks ago, is \$195,000. The formal resolution stipulates that the amount is "not to exceed \$195,000," which is held to mean that it is estimated that the cost of the plant will be in that neighborhood.

There has not been a dissenting voice on the part of the aldermen in regard to the proposed bond issue. The commission that investigated this matter was appointed on authority of the aldermen and it is therefore indirectly a piece of work of the council. Moreover, the aldermen seem to be convinced that not only is a sewer disposal plant a pressing necessity in Holland but that it is cheaper to secure it under the present favorable conditions than to wait until the state of Michigan's department of health forces it.

The petition was referred to a special committee to be appointed by Mayor Kammeraad. This committee will take the petition under advisement and report for action at the next meeting of the council.

DR. BOUMA TELLS OF COMMON GRACE

Dennis Avenue Christian Reformed church was packed to the doors last night when Dr. Clarence Bouma of Calvin Theological seminary preached on the three points issue on the interpretation of common grace which is at present the object of a widening dissent in the Christian Reformed denomination.

Dr. Bouma made an earnest plea for the kindly and charitable consideration of the ministers and their followers who are taking an opposite side to those who are in strict accord with synod.

Before taking up the three points of synod the speaker gave extensive quotations from the standard Reformed writers from Calvin down in which was clearly shown in their own words that the Reformed authorities maintained common grace. He then proceeded to elucidate the decision of synod defending them from the false charge that they were vague and inconsistent. He stressed the fact that synod was clear and unequivocal.

The Real Issue

"The real issue at stake is, is there any common grace or not." "Is there besides the gracious attitude of God toward the elect only, also a gracious attitude towards mankind in general," he asked.

In answer he brought forth any number of arguments to prove that the Reformed doctrine was sound on all its teaching of common grace for all. Its teaching of common grace was not altogether fundamentally outside of the teachings of the church they are erring from the Reformed position on the common grace issue.

PUBLIC AUCTION

On Thursday, February 26, at 9 o'clock A. M. on the farm of William Overbeek, located across from the church at Criss.

Rev. C. P. Dams, pastor of Trinity church will continue his series on the subject "The Want Ad Column of the Bible" next Sunday evening. His sermon subject will be, "Wanted—A Bargain."

FORMAL VOTE TAKEN ON THE SEWAGE PLAN

THE ALDERMEN UNANIMOUSLY ADOPT RESOLUTION PROVIDING FOR BOND ISSUE

Think the Sewage Plant Necessary; Cheaper to Get It Now Than If Forced to Build It

The sewage disposal plant came a step nearer to realization Wednesday evening when the common council, by a unanimous vote, adopted the formal resolution placing the question on the ballot at the spring election. The decision to do this was reached informally two weeks ago. In the meantime the ways and means committee has been preparing the formal resolution setting forth the conditions under which the proposed bonds are to be sold, when they are to mature, the rate of interest they are to bear, the amounts that are to be taken care of each year, etc. It was a very long document and was read by Ald. Laepple, chairman of the committee.

The proposed bonds are to bear 8 per cent interest, payable semi-annually. In fixing the dates at which the bonds are to mature from year to year, the committee took into consideration the amounts of city bonds maturing in the various years. GIVES RULES FOR HEALTH OF PUPILS

Miss Nelle R. Lemmer, Ottawa County's visiting nurse, not only gives talks in the rural schools of the county in which she tells the pupils what the requirements are for maintaining good health, but in each school she leaves a chart which is posted on the wall so that it will constantly be before the eyes of the pupils. It is a nutrition and growth chart that contains sixteen points and it tells the pupils: "These we should do in order that we may grow up strong and happy, ready to play, work, and serve."

- The sixteen health rules on the chart are:
1. Sleep at least ten hours each night with windows open.
 2. Spend at least two hours in the fresh air every day.
 3. Take three to four cups full of milk in some form, each day.
 4. Eat three good meals a day; always eat a good breakfast before going to school in the morning. Eat slowly and chew the food thoroughly.
 5. Do not drink tea or coffee.
 6. Do not eat candy or sweets between meals.
 7. Eat two vegetables besides potatoes each day. Be sure to include, (a)—A good serving of some green or leafy vegetable, (b)—A raw vegetable (or a raw fruit).
 8. Eat some fruit every day: raw, canned or dried.
 9. Eat some whole grains in bread or in cereal each day.
 10. Drink four to six glasses of water every day.
 11. Have a natural bowel movement every day (without a laxative).
 12. Keep the whole body as clean as possible every day. Take a bath at least twice a week. Wash the hands before eating and always on leaving the toilet.
 13. Brush the teeth thoroughly after each meal.
 14. Sit, stand, and walk erect. Breathe deeply.
 15. Protect the eyes from strain or injury. Read with light over left shoulder; do not read lying down in bed or in a poor light. Protect the eyes from a bright or glaring light.
 16. Wear proper clothing to prevent exposure in winter or in bad weather.

DEATH PENALTY UP 7 TIMES

Seven times since capital punishment was abolished in Michigan on March 4, 1847, bills have been introduced in the Legislature to restore the death penalty for the first degree homicide. Michigan was the first state to abolish capital punishment. The first bill to restore the death penalty came before the Legislature in 1865. It failed to pass either house. In 1881 a capital punishment bill passed the House, 55 to 34, but was lost in the Senate, 8 to 18. Four years later the same bill again passed House and once more the Senate rejected it. Introduced in 1893 for the fourth time, it did not come to a vote in either house. At both the 1921 and 1923 regular sessions the bill was warmly debated in the House but did not pass that body either time. Being a House bill at both these sessions, and rejected by that body, the Senate did not have a chance to vote on it. The last bill is now in the legislature and was introduced by Rep. Fred McEachron of Ottawa county.

WILL SPEAK ON "THE BOY PROBLEM"

The quarterly meeting of the federation of men's Bible classes will be held next Monday evening, Feb. 23. The gathering will be in Trinity Reformed church at 7:30 o'clock and the speaker of the evening will be Prof. Egbert Winter of Hope College, whose subject will be "The Boy Problem."

Last fall when the quarterly meetings were arranged for it was decided by the executive committee to abandon the old system of having each church engage a speaker at random but to provide for a program of constructive work during the year. Three subjects were announced: "The Boy Problem," "Leadership," and "Christian Citizenship." The first of these three is to be given next Monday night and the second and third in the spring and autumn quarters.

OLD RESIDENT PASSES AWAY ON SATURDAY

Mrs. William Damsen, aged 76 years, died Saturday evening at her home at 356 Pine Avenue. Mrs. Damsen was one of the old residents of Holland, having lived in this city for fifty years, and she had a large circle of friends.

She is survived by nine children: Herman, Mrs. John Dyke, Mrs. J. J. Banninga of India, Pauline, Mrs. C. E. Ripley, Mrs. John Boone, Mrs. Burke Taylor, George Damsen of Gunnison, Colorado, and Mrs. Louis Lawrence.

The funeral will be held Tuesday afternoon at two o'clock at the home, Rev. W. Schumacher, pastor of the Lutheran Evangelical church, officiating.

A baby girl was born to Alice Roosevelt Longworth at a Chicago hospital. The baby weighs 6 1/2 pounds and both mother and daughter are doing well. Mrs. Longworth is the oldest daughter of the former President Roosevelt. This is the first child born to the Longworths, who were married 19 years ago.

Another large electric sign has been added to Holland's electric sign population. The new Hotel Kraker now looms out in the night in 14 inch letters with 40-50 watt lamps inside the sign to send out the message. The words "Hotel Kraker" read down from the roof to the top of the first floor, a length of 22 feet. The sign was sold by the City Sign Co., local agents for Opalume Electric Signs.

GIVES REASON FOR CENTRAL SCHOOL HOUSE

The rural districts of Park, Laketown and Holland townships were well represented Friday night at Lagers school to listen to superintendent Lowell J. McCarthy of the Covert Consolidated schools who was not only given an enthusiastic reception but was attentively listened to by those present. Mr. McCarthy spoke of the advantages that a central school would give, testifying to the added facilities, the social improvements and the community welfare that schools of that class bring about.

He stated that a central school is a broadminded public improvement, as the conveniences and added improvements facilitate the handling of more pupils, and in a better way. He recommended to the people of the district in question a school of that kind, since the conditions are such that it would fit into the scheme of things, at least as he saw it. He urged upon the voters the adoption of a central school plan, contending that it afforded more for what the taxpayer paid, comparatively, than any other plan would.

He cautioned the voters against adopting any makeshift temporary arrangement which would mean extravagance in the end, since the rapid growth apparent in these districts, it seemed to him, demands substantial and well laid plans for the future rather than plans that will need revision soon, involving extra expense.

The audience accorded Mr. McCarthy a vote of thanks for coming and giving his views on the school question as this relates to a school serving the three townships.

PARK TOWNSHIP HOLDS CAUCUS

A regular spring caucus was held by the republicans of Park township Saturday afternoon. All township officers were named and delegates to the Republican county convention were elected. The township officers to be voted for in April are: supervisor, Geo. E. Henneveld; clerk, A. M. Witteveen; treasurer, Ben Van Lente; highway commissioner, Fred Van Wieren; justice of the peace, 4 years, Robt. Christophel; board of review, P. T. Oosting; constables, Clyde Taylor, Albert Kuipers, Ralph Smith, Peter Beelen.

Delegates to the county convention: George E. Henneveld, Luke Lagers, Bram Witteveen, Leonard Van Regenmortel.

Township Republican committee: George W. Straight, R. C. Jackson, Bram Witteveen, Wm. Helmink.

HIMEBAUGHS RETURN FROM STAY IN FLORIDA

Mr. and Mrs. J. W. Himebaugh have returned to Holland after spending several months at Miami, Fla. They were called to Buffalo on account of the serious illness of Mrs. Himebaugh's sister, Lottie Hoffman. After Mrs. Hoffman's condition improved, the Himebaughs decided not to go back to Florida but to return to Holland where they are at present located at Hotel Kraker. They report that it has been extremely hot in Miami the past winter.

HOLD VALENTINE MASQUERADE PARTY

A valentine masquerade party was given at the home of Wilhelmina Knoll Saturday evening. The Fairbanks orchestra entertained with popular music and the evening was spent in playing games and dancing. A delightful two course luncheon was served. Those present were: the Misses Cornelia Otting, Marguerite Van Alsburg, Hilda Hansen, Aldagonda Knoll, Olive Woldring, Mable Crowell, Hazel Veldheer, Helen Eberhardt, Laura Abbot, Wilhelmina Knoll, and Messrs. Louis Kole, Raymond Japlinga, Henry aVn Wezel, Ralph Dekker, Carol Hansen, Lawrence Hyma, Royal Meeker, Andrew Knoll, Raymond Knoll, Arthur Upton, and Richard Ter Wee and Perle Bos from Grand Rapids.

PLAN TO RAISE GUN LICENSES

Director of Conservation Baird is sponsor for a bill that will increase our present gun license from \$1 to \$1.25. The object is to secure sufficient funds from the increase to allow the state to pay its full share of all county and township taxes that may be levied where game reserves are maintained. It is the contention of Mr. Baird that when a reserve is established and taken from the tax roll as state property it often works a hardship with the community to lose this tax, and the sportsmen should be willing to make this contribution. It is estimated that this increase will bring in over \$60,000.

COOPERSVILLE SAFE IS ROBBED OF \$50

Coopersville high school's safe combination was chiseled and the safe robbed of approximately \$50 sometime Saturday night or early Sunday morning, according to Supt. W. A. Conrad, who discovered the loss at 10 o'clock Sunday morning. No clues have been uncovered and no evidence as to the method of entering the building has been brot to light. Ottawa county authorities are investigating.

BEGGARS ARE GIVEN AN HOUR TO LEAVE CITY

A woman in rags and a man in fine dress were stopping at a local hotel. The woman had been begging about the city posing as being deaf and dumb. She approached one traveling man in the lobby of the hotel and in sympathy the man of the "grip" handed the unfortunate lady a dollar bill. The next day the traveling man again saw the lady pass thru the hotel and commented to the hotel keeper relative to her misfortune. "Can't talk?" said the landlady, "you should have heard her bawl out her husband last night. I'll say she can talk." The traveling man called up the local police. Officer Steketee was detailed on the case and found that the couple had just started on their begging raid and had secured nearly \$10.00. Chief Van Ry gave them an hour to get out of town. They got out.

BROKE INTO GARAGE AND ARE ARRESTED

John Bosman, who lives on East 9th street near Fairbanks ave., was turned over to Juvenile Judge Danhof Saturday on the charge of breaking into the garage of Harry Plaggenmarrs, East 8th street. John Oonk, East 13th street, who was arraigned before Justice Den Herder on the same charge, was assessed a fine of \$20 and costs of \$3.85. The two were arrested last week by Deputy Sheriff Egbert Beekman who had been on the watch for the culprits for some time. Five gallons of gas were stolen from the garage. Because other similar "jobs" had been pulled off recently the deputy sheriff was looking for the guilty ones and he caught Bosman and Oonk.

In addition to being assessed a fine Oonk was given a jail sentence of 60 days. This however was suspended by Justice Den Herder and Oonk was placed on one year's probation. During that time he will be required to report regularly. He will also be required to be at home every evening at eight o'clock and may not smoke cigars. In case he violates these rules the jail sentence will automatically take effect. Bosman, who is a minor, has served time in the state school for boys and he was turned over to the juvenile judge for that reason.

MAKES COVER DESIGN FOR MAGAZINE

The January number of "The Commonwealth," a magazine for workers published by the A. P. Johnson Company, Grand Rapids, contains a full page cover design by John De Pree of this city. It is a woodcut in colors and shows an old Dutch woman wearing one of the well known old fashioned Dutch caps and knitting busily. It is a beautiful piece of work and for the information of those who are interested, a copy of the magazine may be found in the rack in the reading room of the Holland city library.

The title of the picture is "The Knitter," and with it appears the explanation: "From an original handmade wood block color print by John De Pree, Holland, Mich."

There is a moderate-size calendar for the February term of the Allegan court which opened Monday, a good share of the cases being hold-overs from the December term. The only criminal cases are James Hildebrand for violation of the prohibition law, Chas. Weny and Frank Hills for mixing venegars, Loren Sutton for bastardy, and R. L. Hare and William Dunphy for selling stock without a license, Bernard Salzman and Grover Pierce will appear for sentence. It is possible other cases may be added.

There are 29 civil jury cases, mostly from previous terms. Some are in process of settlement and others are carried from term to term for other reasons.

Of the 26 contested chancery cases, 19 are for divorce suits, 3 for accountings, 2 to set aside deeds, 1 to correct title and 1 not specified. The same question involved in the civil suit brot by DeRose against J. Phillips, et al is covered by Albert Brand vs. Fred I. Chichester et al., namely, the title to a small part of land covered by the store occupied by Phillips Bros.

Of the 15 non-contested chancery cases, 11 are for divorce and 1 for annulment of marriage. So well has the calendar been kept cleaned that there are only 3 cases in which no progress has been made within one year.

LOCAL CHURCH CALLS GRAND RAPIDS PASTOR

By an overwhelming majority Rev. L. Velkamp, pastor of the Coldbrook Avenue Christian Reformed church of Grand Rapids, was elected pastor of the Central Avenue Christian Reformed church of Holland to succeed Rev. B. H. Elmlink who recently left for Ellsworth. The congregational meeting was held Monday evening and was attended by a very large percentage of the membership of the church. The meeting was peaceful and there was not the slightest echo of the recent stormy history of this congregation in the vote by which a call was extended to the Grand Rapids pastor.

Mr. Lucas Smith, on behalf of the congregation, today went to Grand Rapids to deliver the formal call of the congregation in person to Rev. Mr. Velkamp. Other pastors on the trip were: Rev. P. A. Hoekstra of Grand Rapids and Rev. W. P. Van Wyck of Orange City, Ia.

In addition to the calling of a pastor, the congregation was called upon on Monday night to elect four elders,

three of them taking the place of men whose terms of office had expired in regular course and one to fill a vacancy caused by resignation because the holder of the office had moved away to go into business in Zeeland. The four men named are: L. Vos, Gerrit Kraght, J. De Vries, and Mr. Kamphuis.

The congregational meeting of Monday night was of unusual interest because of the recent storms through which this church has passed. The Central Avenue Christian Reformed church has been the center of attention among the Christian Reformed churches of Holland for many months, and there have been factions in the congregation in favor of each one of the parties in the dispute.

It was expected that the old troubles might be reflected in the calling of a new pastor but the meeting was quiet and peaceful during all the time that a pastor was chosen and elders were named. The only reference to the recent church war was in the form of a letter from Rev. Mr. Elmlink in regard to a business matter that had to be brought to the attention of the congregation by the consistory.

Edward Tanis of the local seminary has declined a call to the Reformed church at Ebenezer. The church has extended a call to Richard Roseboom of Sioux Center, Ia., also a senior at the seminary.

Mrs. Clara Tuttle has left for So. Bend, Ind., to visit her daughter Mrs. Louis Smith.

Confidence in Ford Performance

The owner of a Ford is never in doubt as to what he can expect in service. He knows what his car will do and how sturdily it will do it.

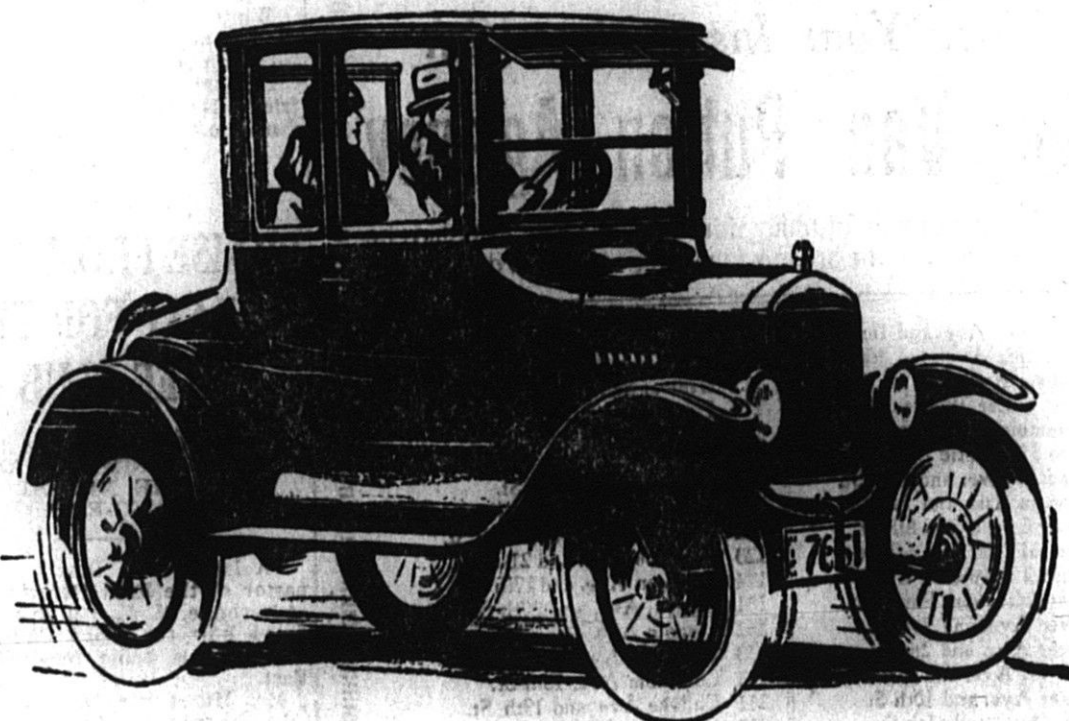

When bad weather and roads put other cars out of commission, the Ford car will stay on the job. It will carry through slush and snow, over frozen ruts, newly constructed roads—anywhere.

Yet Ford benefits can be yours for the lowest prices ever offered. This is made possible by the efficiency of Ford manufacture, the volume of output and practically limitless resources.

CIVIL WAR VETERAN AND PIONEER DIES

Jacob Heeringa, 359 Central Avenue, veteran of the Civil War and retired Holland business man, died at ten o'clock Tuesday forenoon after an illness of comparatively short duration. Mr. Heeringa had for some time been suffering with heart trouble and that and old age are given as the cause of death. He would have been 85 years old on June 11 this year.

Mr. Heeringa was born in Leeuwarden, The Netherlands, and came to this country with his parents when he was five years old. The family first settled in Albany, N. Y., for two or three years, and then moved to Saugatuck, later going to East Saugatuck. Mr. Heeringa was postmaster and justice of the peace at East Saugatuck for many years.

In 1904 he came to Holland to live and the next year he helped to organize the Michigan Tea Rusk Co. in which he had an interest although he did not directly take part in its man-

LEGION SPORT PROGRAM IN SHAPE NOW

Boxing fans are eagerly awaiting the athletic program that is to be staged Monday night at the Holland theatre, given under the auspices and for the benefit of the American Legion, Post No. 6, Holland. The program is already printed and the card contains five events, not including a good preliminary.

Emerson W. Dickson, sport writer for the Grand Rapids Herald under the head of "Dick's Dope", will be referee. "Dick" stands without a peer in the squared ring, having been the third man in many heavyweight champion contests not alone but he has repeatedly been called upon to referee boxing contests in other classes.

That the Holland theatre will be jammed to the doors Monday night is the contention of the committee who have this contest in charge. Calls for tickets are already coming from Grand Rapids, Grand Haven and Muskegon, and not a few from Zeeland and Saugatuck and Holland naturally will have the largest representation, as six of its athletes are entered in the events.

The program: Eddie Connors of Grand Rapids, featherweight champion of Michigan, and Don Bouchard of Detroit, 123 A. A. U. champion—10 rounds at 125 pounds.

Al Massey of Muskegon and Joe Putt of Grand Rapids—8 rounds at 135 pounds.

Jack Ver Hey of Holland and Peter Kolan of Holland, better known as "the fighting school boy"—6 rounds at 140 pounds.

Clarence Shashagay of Holland and Johnnie Kola of Holland—4 rounds at 120 pounds.

Herman Weyschede of Holland and Harvey Sullivan of Holland—4 rounds at 140 pounds; also one other good preliminary will be staged, the contestants to be made known later.

TO HOLD SERVICE FOR MISSIONARY ALLEGAN

A memorial service is being arranged for Rev. Theodore F. Zwemer, 30, who died suddenly from typhoid fever at Palmaner, India, where he was serving his second year as missionary for the Reformed church of America. The services will be held on Thursday evening Third Reformed church, of which he had been a member for several years.

No definite details concerning Mr. Zwemer's death will be available for four weeks, the time it takes a letter to reach the family here from India.

SEMINARY STUDENTS OCCUPY PULPITS

Western Theological Seminary students preached at the following places Sunday:

H. Harsevoort, Lafayette, Ind.; P. Trompen, Sixth, Holland; G. DeJong, Second, Grand Haven; Dr. De Haan, Fifth, Muskegon; A. Rynbrandt, Van Raalte, Holland; A. Meengs, Martin, Mich.; B. DAUGHTER-IN-LAW OF WM. ALDEN SMITH WEDS

Mrs. William Alden Smith, Jr., a daughter of Col. Milton McRae of Detroit and Richmond Temple, of London, operator of an English hotel syndicate, were married at high noon Saturday at the winter home of Col. McRae, in San Diego, Calif. Rev. Roy Campbell, pastor of the First Congregational church of San Diego, officiated in the presence of the immediate family and a few intimate friends. Mr. and Mrs. Temple are expected to visit the latter's former home in Detroit during March while en route to England, where they will reside. Mrs. Smith was the daughter-in-law of former U. S. Senator Wm. Alden Smith. Wm. Alden Smith, Jr., died five years ago this summer at the Biogdget hospital.

WILL STOCK MORE KENT STREAMS THIS YEAR

The West Michigan Game and Fish Protective Association has added six streams to the number stocked with trout each year. The streams are Spring Creek, Forrest Creek and White Creek in Solon township, Osborn, Kinney and Spring Brook creeks in Lowell township. With these streams added to the streams stocked in former years the association will annually stock all suitable streams in Kent county.

GIRL IS VICTIM OF PNEUMONIA

Elizabeth Kow, aged 19 years, died Thursday afternoon after a brief illness with pneumonia. She is survived by her parents, Mr. and Mrs. Levi Kow, three brothers and five sisters: Cornelius, John, Margaret, Esther, Dorothy, Ruth, Earl and Gladys. The funeral was held on Monday Services at the home, 17 West 26th street was held at one-thirty. These services were for relatives and immediate friends only. At two o'clock there were services at Trinity Reformed church, Rev. C. P. Dame officiating but the body was not taken into the church, the law forbidding that in case of death from pneumonia.

SAUGATUCK COMPANY ON 24-HOUR WORKING BASIS

The American Twisting Co. of Saugatuck has gone on a 24-hour operating basis as the result of heavy orders. The company, which is composed of Grand Rapids men, has the following officers: President, Archie Vis; vice-president, A. Radke; secretary and treasurer, Edwin Forseberg. Among recent orders was one for a carload of her cord.

STATE IS OUT TRAPPING QUAIL FOR PROPAGATION PURPOSES

The greatest quail trapping drive in the history of Michigan is being launched in southern Michigan counties by members of the State Conservation department. All quail captured in this drive—which is under immediate supervision of game wardens—are to be sent to the state game farm at Mason, Ingham county. The state plans quail propagation on a scale larger than ever attempted by any other commonwealth in the interests of increasing the quail population.

GIVES ADDRESS ON ORIGIN OF MAN AND WOMAN

A fair-sized audience gathered in the First Reformed church Friday evening to listen to an address by Dr. Leander S. Keyser, professor in Ham-ha Divinity School at Springfield, Ohio. This was one of the Western Theological Seminary lecture course series. The Seminary has during the past season brought some very famous men to Holland as speakers and Dr. Keyser is also an authority in his department.

He spoke on the subject, "The Origin of Man and of Woman," and he devoted much attention to the original Hebrew of the Book of Genesis in which the story of man's origin is told. He proved a highly interesting speaker and helped to give distinction to the Seminary lecture course.

Dr. Keyser also spoke at the Seminary during the day. The subjects of his lectures at the seminary were: "The Present Controversy—What Is It All About?", and "The Deity and Humanity of Jesus Christ."

The main content and intent of Dr. Keyser's lectures was a distinct setting forth of fundamentalist doctrine to the disproving of so-called liberalism or modernism. Representing as he does the Lutheran evangelical faith, Dr. Keyser spoke very emphatically.

In the morning lecture the speaker outlined the stands of each of the fundamentalist and liberal views. That Christ was human as well as divine and divine surely, was brot out by the afternoon address.

The evening address was a masterly presentation of apologetic for the inspired creation story. On purely scriptural grounds the speaker disproved the materialistic evolutionary hypothesis. In the course of the discussion the speaker brot out his knowledge of the Hebrew language. Even as grammar today is used to convey may different shades of meaning, by the use of different verbs, tenses, etc., so the ancient writer was inspired to write what proves today to be a very correct scientific account of the origin of the human race, he said.

QUILT IS GIVEN AWAY AT MEETING

The Ladies Auxiliary of the Spanish War Veterans, Camp No. 22, held a party Thursday in honor of Lincoln's birthday and also to raise money for some flags. A large crowd was present. Refreshments were served at the close of the program. The program consisted of the following: "America," by the audience; violin solo by Leslie Hofsteen, accompanied by Majorie Selby; a musical reading by Miss Dorothy Hofsteen, accompanied by Miss Majorie Selby; piano solo by Louise Van Slooten; and a very inspiring talk on Abraham Lincoln by Mrs. G. Smith; a reading by Maynard Van Lente. The main feature of the evening was giving away a quilt, Miss G. Homfeld being the winner.

GROWERS WIN APPLE PRIZES

Allegan county again this year received its share of ribbons at the apple show held at M. A. C. during the Farmers' Week the competition being rather keen. This county was represented by Taylor & Jager of Douglas and L. A. Spencer of Kibbie. As usual a 110 variety exhibit was shown by the Douglas growers, which was awarded first prize both as individual and county exhibits, this being the third consecutive year Taylor & Jager received first honors. The last two years they were presented with two beautiful silver trophies awarded by the Grand Rapids Press.

Other prizes were as follows: First prize on ten plates N. W. Greenings; first for best plate apples sprayed with spray gun; first for Maiden Blush; second for best six plates of apples, two varieties each; second for single plate Grimes Golden. L. A. Spencer received sweepstake on a plate of McIntosh, being the best plate in the show.

The prize winning fruit, and also the silver trophies, will be on display at J. T. Norton's drug store in Douglas.

CABINET MINISTER TO BE STAGED FEB. 25TH-26TH

The Hope Drama Class, formerly known as the Hope Dramatic class, will present "The Cabinet Minister," one of Arthur W. Pinero's masterpieces. For the past several years the club has staged large productions successfully and the play this year is one of the best yet attempted. "The Cabinet Minister" is an English play, full of comic situations. The cabinet minister's wife, by her extravagance, gets herself into many difficulties. Mr. Joseph Lebanon, a Jew, finally lends her money and then makes Lady Twombly not only introduce her into society but also forces her to get him an invitation to a castle in Scotland where many notables are visiting. This situation gives rise to great outbursts of laughter because Mr. Lebanon is far from being a society man and his mistakes are always getting him in wrong with the notables.

GRAND HAVEN'S SCHOOL PRINCIPAL IS TO LEAVE

Edward A. Courmyer, for the past five years principal at Grand Haven high school, will leave the city schools there at the end of the present term in June. Mr. Courmyer recently made this announcement but at the same time could say nothing of his future plans. He intends to locate in another community however, and will take his master of arts degree from the university in August.

Mr. Courmyer formerly lived in Ferrysburg and graduated from Grand Haven High in 1910. While in high school he was a star on the high school football team and won wide recognition in this branch of athletics as a backfield man.

Mr. Courmyer is well known in Holland because of his activities in school athletics. In fact, it was he who made the Grand Haven schools a factor in all athletic events.

The general subject for discussion at the W. C. T. U. meeting of this week at the home of Mrs. I. Cappon, was "The Evils of the Tobacco Habit." Mrs. Frank Dayke told of its origin by the Indians of America, its introduction into Europe, its rapid spread and attempts at repression. Mrs. Welton pointed out its evil effects, made on youth, limiting physical and mental development. Mrs. J. Vischer enlarged on the subject, mentioning the heads of industries refusing to employ boys who used cigarettes.

Mrs. W. Wichers favored the Union with two vocal numbers, "Harmony" by Theresa Del Blego, and "The Wind Song" by J. H. Rogers. Mrs. S. Habing led the devotions while Mrs. H. W. Smith and committee served tea and cakes.

DEAF AND DUMB BUT KNEW USE OF HIS HANDS

Though deaf and dumb, Carl Haan of Agnew proved that he could use his hands to good advantage in spite of his affliction. He was picked up by Officer Steketee in Holland, much battered up, and when asked for an explanation of his condition he charged in sign language and in writing that his parents had given him the beating.

Deputy Sheriff Egbert Beekman went to investigate and discovered that instead of having been beaten up by his parents he had in fact beaten them up. Both his father and his mother showed black eyes, which, they said, he had given them, and a young brother showed a hole in his hand which, he charged, had been inflicted by Carl Haan with the sharp end of a file.

His mother told of how her son, who is subject to fits, had been in the act of taking medicine which he liked so well that he demanded more and when she denied him he had thrown the glass at her face. When picked up in Holland he said he was on his way to Chicago to get two pals who could help him beat up his parents. Haan is about 35 years old. Deputy Egbert Geekman took him to Grand Haven and turned him over to Sheriff Kamferbeek.

SAFETY SIGNALS ARE INSTALLED

The Pere Marquette Railroad Co. is installing flashlight danger signals at the intersection of several streets on the main line. The flashlight "dummies" have been constructed in the center of the streets on both sides of the track, as a warning to drivers of vehicles for approaching

trains. The apparatus is set on large circular concrete bases and the red lights flash as soon as a train approaches from a distance of a quarter-mile.

John J. Smolenski, of Grand Rapids, offers \$100 reward to anyone giving information leading to the conviction of the thief who took a Packard automobile last Saturday night at Grand Rapids and wrecked it at Vriesland on the detour where it was found.

SAFETY SIGNALS ARE INSTALLED

The Pere Marquette Railroad Co. is installing flashlight danger signals at the intersection of several streets on the main line. The flashlight "dummies" have been constructed in the center of the streets on both sides of the track, as a warning to drivers of vehicles for approaching

trains. The apparatus is set on large circular concrete bases and the red lights flash as soon as a train approaches from a distance of a quarter-mile.

Van Dyk, Central Park; sections by the boys' glee club and quartet of the high school; address, "The Teacher's Task," George Mooi; address, "Co-Operation of Teacher and Parent," Rev. F. J. Van Dyk; address by G. Vander Hill; business session. Refreshments were served by Mrs. J. De Feyter and committee.

The general admission tickets for the athletic program that is to be put on at the Holland Theater next Monday night by the members of the Willard G. Leenhouts Post, American Legion, are on sale at a number of places in Holland—at drug stores, sporting goods shops, restaurants, etc. But the reserved seat tickets must necessarily be sold at one central place where the chart of the theater is kept. These tickets are on sale at Ollie's and may be secured there. The ticket sale so far has been extremely good. About forty ringside seats had been ordered before the sale opened and since it opened a large number have been sold. The committee is composed of the following: B. H. Williams, Chris Korose, Mike Schoon, E. C. Brooks, Benjamin Lieveense and Charles Van Lent.

A joint meeting of the board of county road commissioners and the good roads committee of the board of supervisors was held and it was decided to advertise for bids for the widening of two and one-fourth miles of 8 foot concrete which comprises the east end of the Alpena road, north of Holland. The original plan when the appropriation was made was to widen both sides of the east mile. After considerable deliberation it was decided that it would inconvenience the public less and render better service for the time being to widen one side of the whole distance of the 2 1/4 miles and then seek an appropriation next year for the widening of the other side. This plan will provide for a 12 foot road for the ensuing season and a 16 ft. road for the next season. A concrete curb will be placed on either side of the mile of macadam on the Alpena Beach road and ultimately an asphaltic top will be provided for the entire width of the road. The appropriation for this work is \$10,500.

The Progressive caucus held here Monday nominated the following ticket for the coming city election next month: Mayor, Ernie Crane, clerk, Wm. Al Hoxie; treasurer, Mrs. Lillian Bale; assessor, Jay E. Burch; trustee, (two year term) Edwin F. Payne, George B. Mechem, Duncan Weaver.

The Citizens ticket named the following: Mayor, M. C. Hutchinson; clerk, Lionel E. Beecher; assessor, C. N. Gidley; trustees (two year term), Warrent Duell, Roy M. Billings, Andrew Johnson.

Miss Anna Kamphuis, aged 25 years, died early this morning at her home in Holland township north of the city. She is survived by her parents, Mr. and Mrs. Gerrit Kamphuis, one brother and three sisters: Jacob Kamphuis, Mrs. Charles Timmer, Lucille, and Henryetta.

The funeral will be held Saturday afternoon at 12 o'clock at the home in Holland township and at one o'clock at the North Holland Reformed church.

The following telegram was sent this paper by Dwight Yntema, one of the Hope contestants in the debate: "Hope negative losses to Normal 2-1; close debate. John Hoekje, Hope graduate, was the chairman."

This report was supplemented by one from this morning's G. R. Herald: "Western State Normal won from Hope college by a two to one decision Monday night in the second debate of the first round of the Michigan Inter-collegiate debating league. Western upheld the affirmative side of the question of empowering congress to override by a two-thirds vote any action of the supreme court declaring an act of congress unconstitutional. Judges were Prof. Grant Weaver, M. A. C. President Arthur Andrews of Grand Rapids Junior College and M. J. Weiss of Kalamazoo."

Mrs. Henry De Maat, aged 45 years, died Monday at her home at 234 W. 11th street. She is survived by her husband and the following children: Mrs. J. Viergiver of Florida; J. M. De Maat, Mrs. Eli Dryer, Mrs. J. Grant, and Edw. De Maat of Grand Rapids, H. De Maat of Holland, Mrs. Grace Voutin of Detroit, and Mrs. Fred Wagner of Saugatuck.

The funeral will be held Thursday afternoon at one o'clock at the home, Rev. J. M. Martin and Miss Nellie Churchford officiating. Interment will take place at the Fairlains cemetery in Grand Rapids.

George F. Lange, a resident of Port Sheldon township for the past 17 years, passed away at his home on the townline road Monday at the age of 87 years. He is survived by his wife, two sons, George and Herman of Port Sheldon township, one daughter, Mrs. Clara Bruins of Ferrysburg, and one grandson, Walter, also of Ferrysburg. The funeral will be held Wednesday afternoon at 2 o'clock at the home under the auspices of the I. O. O. F. Interment will take place in the Park township cemetery.

"Railroad Jack" has been visiting Holland last week. We remember that having seen "Railroad Jack" near the federal building in Detroit many years ago. He was quite an old man then. He must be well along in years now. We met him many times later. We found that he enjoyed life. We wonder if he is still carrying that same black box with his name painted on it? We presume he is, as he gave every indication of having carried it a good many years the first time we saw him. He still had it with him in the last night we saw him.—C. D. M. in the Muskegon Chronicle.

"Railroad Jack" is 60 years old, according to his own statement made in Holland last week. He still carries a tin box in which he keeps chunks of stale rye bread, but he's had the box painted red since McNamee saw him in Detroit.

NEIGHBORHOOD

IS VICTIMIZED BY THIEVES

The attention of Chief Van Ry was called to the fact that sometime during Monday night three places were entered and considerable cash stolen. The entries were made within the radius of a block on west 16th street.

The first place to be entered was Smith's Drug store on the corner of Central Avenue and 16th street, formerly owned by alderman Dykstra. At this place \$5.00 in money and a quantity of cigars were taken.

The next place was that of Arthur De Young where \$17.00 was taken from the till. Then the bicycle repair shop of George Piers on 16th street was entered where \$6.00 was taken. In every case the burglars entered by the front door by jimmying the way through and springing the lock.

No one heard any unusual commotion during the night, altho a strange automobile was seen parked on 16th street near Central Avenue, but this was not unusual and created no suspicion. The police think however that a gang of automobile burglars is about going from town to town to clean up, making a hasty exit.

A few days ago a raid was made at Coopersville and also at Nunica, and the police believe that the gang that visited Holland was one and the same and will possibly next be heard from at Fennville, Allegan or some other town in the neighborhood.

The merchants whose places of business were entered did not notify the police until late this morning and by that time the robbers might have been miles away.

SPORT NOTES

COACH DE GRUI'S men over at Christian High seem to have a mania for playing and winning overtime games. Friday night they battled in their fourth overtime tilt of the season, and in order to win 29-27, traveled three overtime periods with the Grace Church Juniors.

Holland's offense was good at times, while the Juniors exhibited the best defense of the melee.

Lineup and summary: Holland (29) Grace (27) Bouman R. F. Morrill Jellema L. F. Pratt Timmer C. G. Morrill Bontekoe R. G. Palmer Koster L. G. Hepfinger Field goals: Jellema, 7; Pratt, 6; C. Morrill, 5; Bouman, 3; Timmer, 2; Bontekoe, J. Morrill. Free throws: C. Morrill, 3; Koster, 2; Bouman, 1.

Playing a good steady game for the most part of the tilt, Schouten's five easily won over Kalamazoo college 43-18 last night. Hope led 19-8 at half time, and pried up an even bigger lead in the last half.

In a prelim the Reserves beat up the Sparta Independents 24-11. Damstra and Schipper showed up well for the Reserves, with Lubbers and Johnson showing best for the Spartans.

The Holland fans who traveled to Grand Rapids Saturday to witness the game between the local high quint and Grand Rapids Union high, came home with a 24 to 16 defeat.

The preliminary game between the reserves of the two schools was a thriller and went five minutes overtime before Knutson's crew clinched the verdict, 19 to 17. Young Ray Rasmussen was the big noise in this battle and was mainly responsible for the Union's win. Earl Martineau and Paul Bennet officiated.

The Holland Shoe indoor baseball team cleaned up on the Federal team Saturday night over in the high school gym. by a big margin. The final score 31-15, would indicate that the teams enjoyed a slugfest, but this was not the case, as the pitchers hurled fast ball and secured many strike-outs; but the receiving in both cases was very weak. Steffens for the Shoes was in good form although he was hit freely at times.

Johnson and McCarthy did a fair job of hurling for the Federals but their support was only fair.

Next week Saturday night the Shoes will meet the team representing Ick Boter's Sunday School class at First Reformed church.

The Hope Reserve squad went to Sparta Saturday and handed the Independents there a 22-18 beating. In the first period Essenbagers and Lubbers rolled up 14 between each other, the latter tossing in five field goals and a free throw.

"Dick" in his "dope" in the Grand Rapids Herald gives the following on Johnny Laven:

"Johnny Laven, a Grand Rapids boy who played in the majors for years, graduated from the Michigan State league and played with University of Michigan teams for two years. He started the 1924 season in the majors and finished as manager of the Kansas City team of the American association. Ill health perhaps ended his major league career a year or two earlier than it otherwise would. He was between life and death for some time two winters ago while in Japan with a picked team of well known league players from the United States."

"Dick" omitted the fact that Laven got his first base ball experience on a Hope College team and showed such promise that he was hired by the Holland state league team, this city being in the circuit for one season. It was while playing with the local team that his work was noticed by scouts sent out from the big leagues and the next season he was playing in "big company." Laven, like Neal Ball, was really a Holland baseball product.

The Kalamazoo Normal High team which has been playing such brilliant basketball appears to have lost its chances for championship honors. The team lost Wooden at the start of the new semester and Den Blyker has been taken down with diphtheria and will be out for the remainder of the season. With these two stars out Hyame's team is seriously handicapped and unless some unknown performers rise to great heights the Normals will be out of the running.

Among those from Holland who were in Grand Rapids Monday were: Mrs. John Riemersma, Mr. and Mrs. James A. Brouwer, Mrs. Charles H. Mc Bride, Mrs. Cecil Huntley, Mrs. Charles Kirchen, Mrs. M. P. Hummer, Miss Florence Kruisenga, Miss Hazel Donicky, W. H. Beach, Henry Winter, former alderman Peter Prins, Dr. and Mrs. M. S. Bell of Chicago are guests of Mr. and Mrs. Louis Padnos this week.

Thrifty and Spendthrift

YOU CAN'T LIVE ON SPENT MONEY

MANY a man has reached his 60th birthday faced with that very problemsimply because his life lacked a definite plan or a concerted effort to get ahead.

Q Spent money is like water that has passed over the mill-wheel; it is shorn of power; it does not return.

Q Idle money too like idle men, does no good to anyone. Your funds no matter how small, should be invested where they will grow and be safe.

Q Conserving a part of your earnings is only one step toward the protection of your future.

CRISP SCHOOL BURNED DOWN TO THE GROUND

The West Crisp school house, district No. 9, located exactly one mile west of the village of Crisp, was burned to the ground at about 10:30 Wednesday forenoon when fire broke out near the chimney. Before it was possible to attempt to put out the flames they had gained so much headway that they were beyond control and in about half an hour's time the two-room school was in ashes. Practically nothing was left standing of the building. There being no fire-fighting equipment, the volunteers who came to the scene of the fire were helpless and could do nothing to save the building.

The pupils left the burning building in good order when the fire was discovered and there was no panic. No one was injured. The pupils marched out of the school in orderly fashion with their wraps and other belongings, and volunteers succeeded in adding to remove most of the furnishings from the building, such as books, and other equipment, except of course the seats that were screwed to the floor.

The amount of the loss could not be ascertained from the members of the board who have not yet had an opportunity to look up the records but the building was insured and it is believed that the insurance was adequate to cover the loss. The school was built about ten years ago. The teachers were Jacob Bloomers and Maggie Johnson. The members of the board are Jacob Hop, Peter Brandon and J. J. Slaght.

No decision has as yet been reached about rebuilding, but members of the board said Wednesday noon, while the fire was still smoldering in the ruins, that unquestionably the school would be rebuilt as soon as possible. What will be done for the rest of the school term has not been decided.

The Emersonian society of Hope College gathered in their society hall on the college campus for the sixth annual stag. After partaking of a bountiful repast, Toastmaster Elmer Van Lare, as the chauffeur of the Emersonian car, introduced the following toasts: The Generator—Wm. VerHage; The Exhaust—Don Scilleman; The Tail and Headlights—Bernard Luben; The Rattle—A quartette, Alonzo Wierenga, Peter Van Ees, Martin Hoeksema, and Harold Berlink; The Speedometer—Garret Heemstra; The Horn, The Emersonian orchestra; The Accelerator—Edward Tanis.

Secretary Brouwer of the Holland Poultry association announces that preparations have been made for a big meeting of the Holland Poultry association and all those interested for Thursday evening of this week.

The organization is interesting others besides the members, and the heads of the different civic organizations have promised to speak at the city hall Thursday evening. Those to be present are: Wm. C. Vandenberg, president of the chamber of commerce; John Vandersluis, president of the Merchants' Ass'n; E. P. Stephan, president of the Exchange club; and Charles Kirchen, president of the Rotary club.

Mr. and Mrs. Thos. Olinger of W. 11th street, entertained the Welcome Corner Class of the M. E. Sunday School, Tuesday evening, thirty members and four guests being present. After the regular business meeting an excellent program was enjoyed. Mr. Severns and Mrs. Carrier furnishing the music. Mr. Ben Harris, the readings and Mr. Fred T. Miles, teacher of class, a short talk and a few stories. Refreshments were served by Margaret Bocks and her committee. A pot luck supper at the church has been planned for the March meeting.

That Europe is as yet by no means a Sunday school class of peace and goodwill but is as yet full of potentialities for trouble was the conclusion reached in an extremely informative address given Tuesday evening by Prof. Wyand Wichers before the Social Progress club. The meeting was held at the home of Supt. and Mrs. E. E. Fell.

Prof. Wichers' subject was "Political Tendencies in Europe Today," and while he did not presume to predict trouble he pointed out that a dispassionate analysis of the various political situations shows that Europe is not fundamentally pacified but that at least the material for political explosions are still present.

Mr. Wichers gave both the hopeful and the less hopeful elements in the situation. He gave a description of the evidence of a renewed entente between England and France, a hopeful sign; of the Dawes plan, which bids fair to replace economic chaos with order; of the protectorate situation in north Africa; of the world court negotiations at the fifth assembly of the League of Nations with its emphasis placed on security through alliances as a prerequisite to disarmament, instead of the other way round; of the third phase into which Bolshevism has entered in Russia, the three phases being revolution and communism, followed by a return to modified capitalism, and now showing signs of a return to communism; of the opposition to Mussolini that seems to be developing in Italy; and of the nervous situation in the Balkans that is full of potentialities for trouble.

The analyses of all these complicated situations in present-day Europe were of highly informative nature. They brought order out of the chaotic state of information that the average person has in regard to peoples and governments but imperfectly understands and he showed that there is both reason for hope and apprehension as to the future of Europe.

Sunday was the 27th anniversary of the mysterious sinking in Havana Harbor, Cuba, of the battleship Maine, the event which precipitated the Spanish-American war and sent local volunteers to Cuba with other troops from all parts of the U. S.

The explosion, the cause of which was never definitely determined, came on the night of Feb. 15, 1898, and killed two officers and 250 men outright. Only 16 members of the crew wholly escaped injury.

The bus owner at Grand Haven has been forced to increase fares to ten cents cash and eight tickets for 50c because of the increased price of gasoline and the new weight tax. Both items have added considerable to the operating expenses of bus lines.

Mr. Sears M. Doan of Chicago is the guest of friends in Holland over the week end.

GRAND HAVEN MAN NEARLY LOSES LIFE ON SHAFT

Caught in the belting and drawn toward a huge pulley at the Challenge Machinery company plant, Grand Haven, Tuesday noon, John Cleveringa, millwright at the shop, had a harrowing experience. The millwright came out of the ordeal most fortunately, although he suffered some severe lacerations and bruises about the face and shoulders.

At about five minutes after twelve Mr. Cleveringa was waiting up among some overhead shafting to do some work as soon as the plant closed for the noon hour. Just as the machinery was stopping for the lunch recess, the millwright apparently reached out to throw off one of the big belts. He was caught by the belt, still moving quite swiftly and carried toward the big pulley. Just as he was being carried around the pulley, Mr. Cleveringa reached out and grasped a pipe to which he clung until he could drop safely to the floor below.

He was sent directly to Elizabeth Hatton Memorial hospital Grand Haven where his injuries were cared for.

The Longfellow P-T club enjoyed a community sing under the leadership of Miss Stein. Aided by Russell Welch, Edward Donovan, Leon Moody, and Howard Teusink, the teachers of the Longfellow school presented a clever burlesque, "The Deestrik Skule of Blueberry Coroners." The quaint costumes added greatly to the hilarity of an enthusiastic audience.

The next number was an old fashioned spell-bound by the parents, with Dick Botes as teacher. Mrs. Dick Van Kollen was victorious in this event. Valerines were given to all present. The crowd stayed until a late hour enjoying a social time with a box social. Miss Gertrude Mahaffey's room won the silver cup for the largest percentage of parents present.

Charges preferred against Mrs. Mary Ulen by her husband, Ivan Ulen a Grand Haven real estate man, were quashed Tuesday by Justice H. E. Lillie when she appeared in court. Mrs. Ulen was charged jointly in the warrant with Ray Whitenack, Grand Haven Tool Co. employee. Mrs. Ulen was arrested in Grand Rapids and Whitenack was taken into custody at his home in Grand Haven. Holding that there was not sufficient evidence to hold the pair to circuit court, the justice also quashed charges against Whitenack, who is married.

The Hope College Athletic Association is very grateful to many of the business men of Holland who donated fine coats to Hope's athletic squad, which are not only expensive, but very attractive as well.

The coats are worn only on trips and serve as an advertisement to the school. On the backs of the coats the word "Hope" in large letters appears, and a triangular monogram is found on the left sleeve.

The idea of giving these coats to Hope students originated with Mr. E. E. Fell, superintendent of Holland's high school and brought hearty cooperation from the business men of the city.

Coach Schouten and the student body were so much pleased with the spontaneous response that they invited all the donors, together with their wives or sweethearts to Tuesday night's Kalamazoo-Hope game, where 100 of the best seats were set aside for the thoughtful guests and many of the business men availed themselves of the invitation.

Miss Frieda Boone has been elected editor-in-chief of the Holland high school Boomerang, a volume of about 150 pages annually published by a staff of 15 pupils with Metta Ross, faculty advisor. Wayne Hamlin has been named business manager.

Material for the volume already is being compiled. The staff is elected by the student council. The book will be bound in heavy imitation leather cover and will contain individual cuts of the senior class, group pictures of classes, societies, faculty, orchestra, athletic organizations, boards, student council, buildings, Maroon and Orange staff. It will cover every department of school activities.

A world famous authority on missions is to come to Holland for two lectures this week, one on Thursday afternoon and one on Friday afternoon. The speaker is Prof. Julius Richter, Ph. D., of Berlin University, Berlin, Germany, and he was secured for Holland under the auspices of the Western Theological Seminary Lecture course.

Dr. Richter will speak at 3:30 o'clock Thursday afternoon at the seminary chapel on the subject, "World Views and World Missions," and on Friday afternoon at 4 o'clock at the same place on "Lessons From the Home Church on Foreign Missions." The public is cordially invited to attend both lectures.

Dr. Clarence Bouma, of the Grand Rapids Theological Seminary, is to give a lecture, illustrated with slides, on "Rome, the Eternal City" next Tuesday evening at 7:15 o'clock at the Christian High school. This lecture has been given on the young men's league lecture course in Grand Rapids and was considered to be one of their most interesting numbers. It is with great pleasure that the High school entertainment committee announces this interesting as well as educational lecture. Those who have heard Dr. Bouma lecture before will be glad to have another opportunity to hear this eloquent orator.

Dr. Bouma has already become a leading figure in Christian Reformed circles and has gained great renown as a popular lecturer thru his Ku Klux Klan lecture given here and elsewhere.

When Dr. Bouma was completing his education in Europe he had the opportunity to spend considerable time on a study of Rome. He took a large number of excellent photographs of the ruins of Rome and also of the wonders of the Vatican. These pictures have been mounted on slides and will be projected in large to illustrate the lecture. Dr. Bouma has several little interesting stories in regard to some of the statues and other masterpieces that are portrayed in his pictures.

The lecture should prove of special benefit to students who have made a study of Roman history and who are particularly interested in the building and ruins of Rome. Others will be interested in making a trip thru Rome in pictures to see the beauties of that famous city.

Tickets will be on sale at the local book stores and at the door. The season tickets sold last year will serve for admittance.

COLLINS BODY REMAINS IN CAVE PRISON

On the hill above Sand Cave Tuesday afternoon his family and friends held funeral services for Floyd Collins. There was no casket, no corpse, no grave and no marker.

Sixty feet under ground, in the trap which closed upon him 18 days ago, lay the body of Collins, discovered a few days too late by rescuers. Rather than risk the lives of any of the tireless volunteers, his family chose to leave him in the cave for his last sleep.

Physicians, his friends, and officials of the rescue party crept down into his narrow tomb today to gather the legal evidence that Floyd was buried, but the thought that Collins was buried, chosen such a spot, among his beloved caves, comforted them.

Mr. and Mrs. Lee Collins were there, silent in the last earthly rites for their son. The aged couple sat side by side in small chairs near the edge of the same limestone ledge under which Sand Cave disappears.

Behind them, standing on the large boulders overlooking the valley below, were a dozen members of a choir gathered from among residents of Cave City. Mr. and Mrs. Collins listened with bowed heads while chords of "Nearer My God, to Thee" drifted over the hill as the service opened.

The aged father gazed often toward the mouth of the cave, 125 feet away, as the words "tho' like the wanderer, the sun gone down," floated away in the distance. Sand Cave, naked in the absence of its sheltering canopy, yawned as he gazed. Rev. Roy H. Biser of Glasgow, a neighboring community, climbed to a stump to open the scriptural service. At the outer fringe of the group stood a sentinel with his rifle. Haul rails were the benches of the outdoor chapel.

Men who had spent days in the struggle, unshaved and muddy bared their heads in the chilling breeze. The prayer was offered. The little gathering of 150 men and women heard the Rev. Biser tell them "they were standing on this precipice in the midst of death."

Mental comfort for the Collins family was besought, and then Mrs. Ira D. Weathers of Cave City sang a solo.

MASHERS PAY FINES IN LOCAL COURT

Ted Piersma and John Altenaar, two young Holland chaps, were arrested by the local police Saturday night for accosting young ladies on the street. The would-be mashers were taken before Justice Van Schelven where they were fined \$13.75 each and were given a lecture on good behavior.

Miss Mildred Fisher has gone to Chicago to be the guest of Mr. and Mrs. Hugo Ohrwall, formerly of this city.

CHURCH RULES ARE NOT MADE "CAST IRON"

The Hoeksema suit was resumed after an adjournment late Wednesday afternoon until Friday because of Lincoln's birthday Thursday, which is a legal holiday in court.

According to testimony leaders of the synod of 1924 of the Christian Reformed church feared a split in that body should Rev. Herman Hoeksema, of Eastern Avenue church, Grand Rapids, and Rev. H. Danhof, of the First church, Kalamazoo, be "seriously admonished" and required to adhere to the synod's statement of the three points, was made Friday afternoon in Judge M. L. Dunham's circuit court by Rev. L. Van Dellen, of Denver, Colo., president of the synod of 1924 and the man who wrote the resolution which was finally adopted by synod relative to Revs. Hoeksema and Danhof.

"Feeling was very strong in the synod, and I felt that this was not a psychological moment to bring the matter to an issue," he said. "We thought it better to simply state the position of synod in regard to the three points and leave the brethren to be convinced. It is their duty as members of the Reformed body to adhere to all decisions of synod on doctrinal points."

"We acted in a manner which we deemed would be most profitable to the church as a whole, and so drew the resolution in a manner which would permit the brethren to remain in the church."

"Then you were willing that they should hold their deviating views and still remain in the church?" demanded Atty Harris E. Galpin, for the defense.

"No, not with their deviating views," Rev. Mr. Van Dellen declared. "We thought they might be convinced they were wrong, especially when the whole body of the church was against them."

Dr. Henry Beets was called to the stand immediately after court convened in the morning to continue his cross-examination from Wednesday, and continued until nearly 3 o'clock in the afternoon. Theological hairsplitting, in which Atty. Galpin, while trying to get Dr. Beets to admit that because the synod did not order a committee to see that Revs. Danhof and Hoeksema adhere to its findings they were at liberty to continue to preach against the three points and to continue in charge of their respective churches, featured most of Dr. Beets' time on the stand.

He adhered, however, to the statement that the synod was not obliged to enforce its findings by appointing a committee; that the very fact the synod made a ruling made it binding on all Christian Reformed members, and that the duty of disciplining Revs. Hoeksema and Danhof devolved on their consistory, since it is the duty of the consistory to see that its minister adheres to all findings of the synod. Discipline begins in the lower body, Dr. Beets declared.

"The decision of the synod of 1924 regarding how to deal with Revs. Hoeksema and Danhof was vague and indefinite, and I deplore that it was not more outspoken," Dr. Beets testified in cross-examination. "Had it been this trouble might have been avoided. It was not vague on the matter of the three points, however. In that it was so plain that he who runs may read, and it was the duty of the brethren to acquiesce."

Not only Rev. Hoeksema and his consistory are subject to discipline, but the entire 800 communicants who have stuck to their minister may be called to account, Dr. Beets declared.

"No one esteems these people more highly than I," he declared, "but if they continue to receive the word and the sacrament from a deposed minister they lay themselves liable to be put out of the church. It is a plain case of rebellion against the authority of the church."

Both Dr. Beets and Rev. Van Dellen, the latter the author of a book on the church order, insisted that Rev. Hoeksema by refusing to abide by the decision of classis and by continuing to preach against the three points on which the synod has ruled has lost his right to appeal.

"The same body which installs ministers must depose them," Rev. Van Dellen held. "This is classis acting with synodical delegates, and it was such a body which deposed Rev. Hoeksema. Synod has already acted on his case through these synodical delegates."

Hyper-Calvinism, free will, reprobation, anti-Christ, common grace and other doctrinal points came in for a thrashing out. Common grace, Dr. Beets declared, has been so long a doctrine of the church that he had never before heard it denied.

"It is a marvelous thing, unprecedented," he said. "I assumed that Rev. Hoeksema held the same view of the rest of us do because it is expected of our preachers."

Church rules of order, like scriptures, may be interpreted to suit the occasion, but, unlike scripture, they may be set aside in times of peril when there is danger in delay.

This seemed to be the main point brought out in a lengthy cross-examination of Rev. Henry L. Van Dellen, of Denver, Colo., by Atty. Harris E. Galpin Saturday morning in Judge M. L. Dunham's circuit court, Grand Rapids, now going on in Judge M. L. Dunham's circuit court and in which suit Rev. Hoeksema formerly of Holland is involved.

Rev. Van Dellen is the author of a book on church order written in 1915, which is followed largely in the various churches of the denomination, and was president of the 1924 synod. Atty. Galpin sought to prove from Rev. Van Dellen's own book that classis Grand Rapids East exceeded its authority when it suspended and later deposed Rev. Herman Hoeksema from the position of minister of that church without first referring the matter to his consistory.

Admitting before the recess that classis has no right to suspend a minister until the consistory has first asked to suspend him, and that if classis failed to apply to the consistory its suspension would be void under the church law, Rev. Van Dellen declared after the recess that in times of peril where there is danger in delay classis might suspend a minister without first consulting his consistory.

"My mind was not clear when I made the former statement that classis must in all cases consult the consistory or its action becomes illegal," he declared after recess. "There are cases where classis could suspend without asking the consistory."

"Do you know of any cases in the Christian Reformed church of America where it has ever been done?" demanded Atty. Galpin.

"No," admitted the witness. "The regular rule is to apply to consistory for suspension or deposition, but this is the rule only when conditions are normal. It is the rule where there is a lawful consistory, but it need not always be applied."

It is the contention of the plaintiffs that the consistory, with which Rev. Herman Hoeksema is now holding his services is not the legal consistory, as it is not the one recognized by classis. Defense claims that this is the legal consistory, that it should have been applied to before classis suspended Rev. Hoeksema, that suspension must always precede deposition, and that because consistory was not requested to suspend Rev. Hoeksema he was not legally suspended, and therefore classis had no right later to depose him.

Rev. Van Dellen testified that he did not believe that ministers must be first suspended but that classis might depose without this first suspension. His own book, however, which Atty. Galpin handed him to translate a passage bearing on the point read:

"Ministers of the word must be suspended in all cases first."

The plea that there was peril in the Hoeksema situation and that the theory of "danger in delay" justified classis in setting aside the regular rules of the church was advanced by Rev. Van Dellen as sufficient reason for classis to disregard church rules and suspend and depose a minister.

"Do you mean anybody in your church can set aside an order of the church on the plea of emergency?" Atty. Galpin demanded.

"No, I did not say that. I said church rules might be suspended in cases of real peril," Mr. Rev. Van Dellen replied.

"I suppose the reason you changed your testimony is that during the recess you determined this is time of peril," Atty. Galpin said.

"It was up to classis to judge that," Rev. Van Dellen answered.

"If the plea of danger in delay may be used to set aside church rules, why did not the congregation of Eastern Avenue Reformed Christian church have the right to call a meeting to advise the consistory about submitting to action of classis? The congregation undoubtedly considered this a time of grave peril?" asked Atty. Galpin.

"They could call the meeting, but classis can set aside their action," Rev. Van Dellen said.

All attempts of Atty. Galpin after recess to make Rev. Van Dellen admit classis has no right to set aside the rule ordering that classis must first ask consistory to suspend a minister before it can act, failed.

"Our church rules are not cast iron laws," he declared, "they may be set aside in parts, if those things set aside are not matters of Scripture."

INQUEST HELD IN SO. HAVEN MURDER CASE

Coroner Verne Calvin of South Haven Monday morning was conducting an inquest into the death of M. O. Cleveland, 60, a department store clerk, who was found in a crumpled heap at South Haven early Friday evening and died shortly after from deep gashes in the head and wide throat slashes. At the same time Joseph Ames, 50, is being confined in the county jail at Paw Paw awaiting the coroner's verdict and the outcome of the investigation being carried on by Sheriff Glenn Weaver and Chief of Police Fred Lietz of South Haven.

Sheriff Weaver Monday morning stated that it was likely that Ames would be arraigned sometime during

the day or Tuesday and given an opportunity to either admit or deny the formal charges of murder. The sheriff expressed himself as confident of having sufficient evidence against Ames to have him bound over to circuit court in Paw Paw for an early trial.

Paw Paw, Feb. 17.—Joseph A. Ames, who So. Haven folks regarded until a few days ago as a genial and "harmless" poolroom manager and a "good mixer," Monday night occupied a cell in Van Buren county jail at South Haven, charged with murder.

The formal charge of first degree murder was lodged against Ames Monday afternoon after a coroner's jury, impaneled at the order of Coroner F. E. Calvin to investigate the death last Friday of Myron O. Cleveland, dry goods store clerk, found the aged man had been "beaten to death by a person or persons unknown."

On complaint of Sheriff Glen Weaver, Justice W. W. Holmes of South Haven issued a warrant for Ames' arrest and the latter, who had been taken to South Haven pending the outcome of the inquest, was arraigned in Justice Holmes' court there.

Ames, who was not represented by counsel, waived examination and was bound over to circuit court for trial in the March term. Bail is not permitted first degree murder suspects under the Michigan statutes so the man was committed to jail there to await his trial.

Prosecutor James Chandler Monday night admitted that, on four occasions since the suspect's arrest shortly after Cleveland's body was found on the street at South Haven, Ames had conversed with county of prosecutor declined, however to divulge the nature of Ames' statements.

"We've not a case against this man, an A-1 case," the prosecutor told the correspondent. "We don't feel, however, that it is right now to disclose what we have learned from interviews with him. If I couldn't obtain another bit of evidence between now and the trial—and I am sure I will secure more evidence before then—I'd consider it an easy job to convict him."

SOLONS TO END WORK AS SOON AS USUAL

Rep. G. W. Kooyers, home Friday, after a session in the state legislature at Lansing, gave it as his opinion that the present session will not last longer than the average session of the state solons. Much has been said lately to the effect that the legislature is far behind with its work, but Mr. Kooyers declares that that is more apparent than real.

He pointed out that the two big highway measures, the gas tax and the weight tax, are out of the way, and the general highway bill is so far advanced that it too is practically disposed of with the exception of mere formalities.

Moreover, the appropriation bills are advanced so much that very little time need be taken with them. The committees are working on them and are about as far advanced as usual with them. When they are once reported out it takes only a few minutes as a rule to pass them.

And those four items make up the bulk of the work of the legislature this session. There are many individual bills which will go the way that such bills go, that is, they will starve to death in committee. One or two of them may take up some of the time of the legislature, like the capital punishment bill, for instance. But most of them will not take much time, and it is fairly certain, thinks Mr. Kooyers, that the session will end about as early as the average session. He tentatively places the date of adjournment about the middle of April or the first of May.

GASOLINE GOES UP

TWO CENTS MORE
Gasoline in Holland went up two cents Friday at all stations. Standard as well as all competing companies, including the Vanderberg Bros. Oil Co., announced that gas would be 22¢ at all service stations. This is the first rise in gasoline since the "gas" tax law went into effect, but gas men state that the lack of crude oil and not any other reason is responsible for the increase. Kerosene has also taken a jump of one cent. This is the first increase since last June.

Gasoline has gone up for the third time within the past six weeks.

LEGION'S GIFT ENABLES ALLEGAN TO GET NURSE

At a meeting of the Parent-Teacher association Thursday night, announcement was made that Mrs. Eric Scherman had been employed as city school nurse and would begin her duties Monday. Employment of the nurse was made possible through a contribution by the American Legion post of 23,000 turned over to the organization by the City Patriotic league, which functioned during the World war.

Last November, at the intersection of 19th-st. and 1st ave., a collision took place between the Ford car owned by Albert Schuitema, but driven by his brother Henry, and the new Buick sedan owned and driven by Benjamin Speet, resulting in much damage to both cars. Schuitema claimed that he had the right of way and that Speet ran into his car in a negligent manner. He started suit before Justice Jay Den Herder for \$64, that being the amount it cost him to repair his Ford.

Speet claimed that Schuitema's car did not have lights and that there were 4 occupants the one seat in the Ford which was built for 2, and that the two boys, Henry Schuitema, the driver, and Raymond Kolk, his chum, were paying more attention to the Strabbling sisters who were with them than to the traffic on the highway. He charged that Schuitema was driving in a careless manner and asked that Schuitema pay him damages of \$100.00.

A jury consisting of Fred Beuwkes, Maurice Kulte, Bert Slag, Marinus De Fouw, Wm Van Regenmorter, and Ed Barkel heard this case at the city hall Thursday. After listening to the evidence, the law and the arguments of counsel and after deliberating 10 minutes the jury returned a verdict in favor of Speet for \$100.00 besides costs against Schuitema. Atty Dan. Ten Cate represented Speet.

LAWRENCE DOULT, MUSKOGON COMMITS SUICIDE THERE

Because Miss Hazel Lanore, 27 Superior ave., Muskogon, did not return his love, Lawrence Dault, 21, shot and killed himself at Muskogon Thursday at the girl's home.

Dault, pleading illness, remained at Miss Lanore's home Wednesday night. Thursday morning the girl's father left for work and soon afterward Dault entered the girl's room and pleaded with her to allow his attentions. When the girl refused, he drew a revolver from his pocket and shot himself through the heart. A second shot went wild and struck a lounge as the girl ran from the room.

Dault's parents are dead. He has lived with a sister and two brothers at a Houston ave. home.

Real estate inherited by relatives would be restored to its former exemption from the state inheritance tax under a bill proposed by Rep. Charles Cluiter, Detroit, before the legislature Wednesday.

In a statement accompanying introduction of the bill, Cluiter said the provision of include real estate in the tax had been inserted in 1923 with other amendments and has escaped attention of many members.

"The amendment was incorporated in a bill which made extensive changes in the law," the statement said. "Had the intent of the amendment been observed it would have produced bitter protests."

Real estate inherited by other than relatives would continue to be subject to the tax. It is understood the bill is backed by the Michigan Real Estate Dealers' association.

Rep. Archie M. Reid, Detroit, asked that the state antinarcotic act be made to conform with the national law. Under amendments he proposes, possession of drugs is made evidence of violation of the law and the penalty for violation, now 2 to 5 years, is increased to 5 to 10 years.

A bill introduced in the lower house by Rep. David H. Brake, Fremont, exempts persons inviting others to ride in their automobiles from liability for injuries due to accidents. If passengers are carried for profit the carrier remains liable. Willful negligence also subjects the driver to liability.

Mr. and Mrs. John Van Landegard are the guests of Mr. and Mrs. B. A. Mulder and family, 79 West 15th St. for over the week end.

SEMINARY MEN ACCEPT CALLS OF CHURCHES

Many of the students of the local theological seminary have already accepted calls to various churches. Mr. Edward Tanis of Hamilton, Mich., has accepted the promise of a call to the Van Raalte Reformed Church of Holland. Dr. De Haan has decided to go to Grand Rapids to become pastor of the Bethany Reformed church there. Mr. Abe Ryndbrandt of Jamestown will go to Johnston, New York. Justin Hoffmann of Overland has accepted the promise of a call to the church of Danforth, Ill. Mr. John Meengs of Holland is considering a promise from Martin, Mich. Winfield Buggraaf, also of the senior class, plans to go to Europe to spend some time in postgraduate work at the University of Amsterdam in the Netherlands.

Since it is still so early in the year, it is expected that all of the available students will be taken and that some churches will be minus their hopes as far as obtaining a student is concerned.

JUBILEE FUND CLIMBS TO \$124,955

Mrs. James Wayer, in charge of the Jubilee fund drive in the synod of Chicago of the Reformed church, received a message from Miss Katherine Van Nest of New York, secretary of the board, announcing that the fund has climbed considerably since the Jubilee celebration was held in New York which was attended by Mrs. Wayer. At that time Mrs. Wayer reported the fund as \$116,178 but since then it has climbed to \$124,955, which is nearly 25 per cent over the quota of \$100,000.

Mrs. Wayer will go to Kalamazoo Friday to speak at a union praise service of the Jubilee fund to be held in the Second Reformed church. She will give an address telling about the Jubilee celebration in New York.

A famous violin over two hundred years old has come to Holland and will be at home here from now on. Miss Ruth Keppel, noted Holland violinist, is the proud owner of the instrument that dates back so far that it is likely to make all other violinists green with envy. It is not much to look at and the average person might never pick it as a very valuable instrument, but it is well known that violins are like wine in that they get better and more valuable the older they get.

Miss Keppel last week came into possession of a genuine Tefort. That means that it was made by the famous Italian Tefort, who lived at Milan, Italy, and who made violins between the years 1710 and 1750. Miss Keppel's violin was made in that period, which was the period made famous by violin making, and Tefort was the most famous maker of these instruments in his day. As there are only a few genuine Tefort violins in existence they are extremely valuable, second only in value to a Stradivarius, of the latter of which there are only twenty in existence. Miss Keppel has been negotiating for the instrument for months and it came into her possession last week. She played it for the first time in public Monday night at the meeting of the Century Club.

Miss Keppel's teacher, the famous Sametini of the Chicago Musical College, one of the most famous violin teachers in America today, found the instrument for her in Chicago and advised her to buy it. Before finally deciding she took it to Mr. Hornstner, in Chicago, the greatest authority in America on the genuineness of violins. He pronounced it a genuine Tefort. Miss Keppel's violin was made in 1719.

RETURN FROM TRIP TO FRANCE, ITALY, EGYPT

Mr. and Mrs. J. E. Telling returned to Holland Wednesday night after a two months' trip to France, Italy and Egypt. Leaving Holland when the severe weather began, they have been enjoying the delightful weather of southern Europe and northern Africa.

IS SURPRISED BY FRIENDS ON BIRTHDAY

A surprise party was given at the home of Mrs. J. Kleinhekel in honor of her birthday. She was presented with a beautiful gift. Dainty refreshments were served. Those present were Mrs. G. Dykstra; Mrs. P. Rezelman, Mrs. G. Michemshulzen, Mrs. A. Schaap, Mrs. E. Ryenga, Mrs. G. Lemmen, Mrs. J. Bakker, Mrs. G. Grothuis, Mrs. Jipping, Mrs. E. van H. Schaap, Mrs. Fairbanks, Mrs. D. van H. Schaap, Mrs. J. Schaap, Mrs. Ver Berg, Mrs. K. K. Schaap, Mrs. Ver Berg, Mrs. K. K. Schaap, Mrs. Ver Berg, Mrs. K. K. Schaap, Mrs. Ver Berg.

CENTRAL DIVISION EXCEEDED ITS QUOTA

Mrs. G. J. Van Duren, executive secretary of the Red Cross for south Ottawa, received word from Mrs. Boardman, chairman of production of the Central division, that the chapters in this division contributed 40 more layettes than their quota. These came in very handy because of the fact that some of the other divisions ran short of their quotas. These layettes are merely loaned and are passed around after they have been used.

D. A. R. BIRTHDAY IS OBSERVED

The Elizabeth Schuyler Hamilton Chapter, D. A. R., held its 14th birthday celebration Thursday at the home of Mrs. C. M. McLean. The program was opened with two piano solos by Miss Harriet Vandermos. Her selections were "Waltz Caprice," by Newland, and "Autumn," by McDowell.

Then Miss Ethelyn Metz recited "If I Were King" and gave a short Italian number as an encore. The closing numbers were songs by Mrs. D. B. K. Van Raalte, Jr. Her selections were, "Over the Steppes," by Gretchenmoff, "Tears," by Clarence Olmstead, and "For You Alone," by Geesh.

Refreshments suitable to a birthday party were served by the hostesses, Mrs. McLean and Mrs. Olive, and their assistants. The birthday cake held some small souvenirs, which prophesied the fate of their respective recipients.

Dr. M. R. De Haan of Holland, has accepted the call extended him from the Cavalry church, on East Fulton street, Grand Rapids.

ALL-WOMAN JURY SERVES IN HOLLAND

Holland for the first time Wednesday witnessed the spectacle of an all-woman jury in the local court room. Without any idea of manipulating for such a thing, it happened that the six persons from a group of 18 that were left after the attorneys had made their usual challenges were women and they occupied seats in the jury box all afternoon, later bringing in a verdict of not guilty at about seven o'clock after having deliberated for about an hour.

The jury was composed of the following: Mrs. D. B. K. Van Raalte, Jr., "foreman" of the jury, Mrs. E. E. Fell, Miss Gertrude Spruietema, Mrs. Anna Van Lente, Mrs. Gerrit Spruietema, and Mrs. David Damstra.

The defendant in the case was Richard Moomey of Grand Rapids, a salesman who was charged with assault and battery, the complaining witness being a 12 year old girl. The case was tried in the city hall court room before Justice Van Schevelen. Prosecutor Miles appeared for the people and Attorney D. Ten Cate for Mr. Moomey.

The defense produced a considerable number of character witnesses from Grand Rapids who testified to the character of Mr. Moomey and the prosecution produced witnesses tending to prove that Moomey had lured the little girl into his car and later had tried to detain her but that she had escaped. The defense showed that farmers came and helped get the car out of the ditch where, according to claim, it had accidentally run while passing a sleigh in the snow, and that the little girl could easily have asked for help from them. The defense denied she had been lured into the car or that she had been detained there. The jury of women evidently believed the story of the defense and brought in a verdict of not guilty.

TAKE MORE STEPS TO GET "JUICE"

R. K. Holland, an electrical engineer from Ann Arbor, was in Hamilton this week to look over the waterpower and to consult those interested in the proposition of constructing an electrical lighting and power plant at this point. He explained that the available horse-power is much greater than is being produced and that by the use of a more modern type of waterwheel the power now unused can easily be utilized. The next step to be taken is for Mr. Hubbard to submit plans and the approximate cost of a plant that will furnish the necessary power.

BIDS SOON TO BE TAKEN FOR NEW BRIDGE

It was announced Thursday by officials of the Ottawa county road commission that bids would be advertised for in the near future for the construction of a bridge at the Bridge street ferry. The new structure which will replace the ferry as a means for getting traffic across the Grand River at this point, is to cost in the neighborhood of \$150,000. Cost of construction to be borne equally by the state and county with the assessment district taking a large portion of the county's share. This will mean \$75,000 apiece from the state and the county.

The span is to be six hundred feet in length and will be twenty seven feet wide. The construction of the bridge will be of concrete and steel. The steel work will be on the outside of the structure while the inside and roadway is to be of concrete finish. A swing span is to be provided for and a pier will be constructed to stand this if there is ever need for a swing to accommodate river traffic. A two foot depth of the river at this point would seem prohibitive however. The lower reaches of the span will be many feet from the river's surface.

OFFERS SERVICES FOR HOLLAND BENEFIT PROGRAM

"Railroad Jack" is so pleased with his reception in Holland that he desires to do something for Holland in return. He made the offer today that if there is to be any benefit movement in Holland within the next month he will gladly come and put on an entertainment free of charge. Any organization that wishes to put on such a benefit, provided it is for some worthy public cause, should get in touch with "Railroad Jack" at the Y. M. C. A. in Grand Rapids.

He spoke at many organizations Wednesday and Friday and declared today they had proved the most strenuous days he has had for a long time. Last night he set up his cot in the coal yard of Austin Harrington and spent the night there.

REVENUE COLLECTOR TO COME TO HOLLAND

Income tax returns for the calendar year 1924 must be filed on or before March 15. In order that taxpayers in Holland and the adjacent towns may have an opportunity of having their returns filed out without any charge to them, a representative of the revenue department will be located at the post office building in Holland from March 3rd to March 8th, inclusive. On March 9, he will be located at the hotel in Zeeland.

DID NOT KNOW HOW TO BEHAVE

Peter Welch, aged thirty-three years and Lewis Ondias, aged thirty-seven, of Allegan, were old enough to know how to behave when they attended a family gathering. Unfortunately, some potent beverage appears to have been served, old quarrels were revived, and Peter and Lewis, with knife, bottle, and anything else handy, argued them out. Result, interference of a deputy sheriff, Peter and Lewis in the county jail, a doctor to patch them up, and promises of good behavior hereafter. They were released on payment of expenses as they confined their altercation indoors and neither would complain of the other.

CHICAGO PAPER PRAISE HOL- LAND PRODUCT

The Burke Engineering Co., newly located in Holland, furnished the stoker equipment in Chicago's magnificent Tribune Tower. A recent editorial in the Chicago Tribune expresses their satisfaction in the Burke stokers and also gives some good advice on smoke elimination beneficial to others.

The Burke product, it will be remembered, is now connected with the old Holland Engine Co., and these large stokers are now built in the foundry department of the local concern and put together in the larger building nearby, located on west 4th street.

The Chicago Tribune tells of the efficiency of the stokers built in this city by the Burke Engineering Co.:

"We Don't Smoke
"Our smoketack at the top of the highest building in Chicago is no accident. It is intentional. Some buildings camouflage their smoketacks. We didn't. We believe in smoke. Watch our smoke—there isn't any."

"We hope that Bob Morrison, our chief engineer, will note the above lines. We built that smokeless smoketack for a reason; and we installed smoke eating equipment in our fire rooms so we could tell other builders to look at us."

"Smoke costs too much money. It is mostly unburned fuel. We don't buy coal to spread it on the noses of our citizens. We prefer to burn it. It is easier to let them buy their own cosmetics."

"We have a smokeless smoketack and a smokeless battery of boilers and a smokeless engineer. We intend to have a smokeless Tribune perpetual."

HOLLAND WILL TEST ITS OWN MILK IN FUTURE

The board of health of the city of Holland will test with its own machine all milk coming into Holland. In the past the De Pree Co. laboratories and the laboratory at Hope College were used for that purpose.

In the future inspector Henry Bosch will do all the testing with the new eight bottle machine just purchased and will take samples from milk wagons on the street or from barns or farm creameries whenever he sees fit.

Mr. Bosch will test for butter-fats and milk solids the same as is done in Grand Rapids and larger cities in the state. The machine is called the Jalco, and is a standard outfit approved by the state board of health.

Having this machine handy inspector Bosch can take and test milk samples quickly and the milk man never knows when the inspector will test his product, his coming not being announced.

BEECHWOOD P-T CLUB

The Beechwood P-T club held a regular meeting Friday night when the following program was given:—"America," by the audience accompanied by the Sova orchestra; reading and acrobatic stunts, Miss Verhey; flag drill by the school girls; violin solo, Mr. Fairbanks; address by George Schulling; music by the orchestra; violin duet, Mr. Fairbanks and Mr. Borema.

The business meeting showed the club to be in good financial condition. In the early spring the club will put on a play, "Our Wives." Refreshments were served.

ANNUAL TAX SALE

State of Michigan, County of Ottawa—
The Circuit Court for the County of Ottawa,
In Chancery.

In the matter of the petition of Oramel B. Fuller, Auditor General of the State of Michigan, for and in behalf of said State, for the sale of certain lands for taxes assessed thereon.
On reading and filing the petition of the Auditor General of the State of Michigan, praying for a decree in favor of the State of Michigan, against each parcel of land therein described, for the amounts therein claimed to be due for taxes, interest and charges on each such parcel of land, and that such lands be sold for the amounts so claimed by the State of Michigan.

It is ordered that said petition will be brought on for hearing and heard at the March term of this Court, to be held at Grand Haven, in the County of Ottawa, State of Michigan, on the 16th day of March, A. D. 1925, at the opening of the Court on that day, and that all persons interested in such lands or any part thereof, desiring to contest the lien claimed thereon by the State of Michigan, for such taxes, interest and charges, or any part thereof, shall appear in said Court, and file with the clerk thereof their objections thereto on or before the first day of the term of this Court above specified, and that in default thereof the same will be taken as confessed and a decree will be taken and entered as prayed for in said petition. And it is further ordered that in pursuance of said decree the lands described in said petition for the sale of which shall be made, will be sold for the several taxes, interest and charges thereon as determined by said decree, on the first Tuesday in May thereafter, beginning at 10 o'clock a. m. on said day, or on the day or days subsequent thereto as may be necessary to complete the sale of said lands and of each and every parcel thereof, at the office of the County Treasurer, or at such convenient place as shall be selected by him at the county seat of the County of Ottawa, State of Michigan; and that the sale shall be made in such lands as a public sale, and each parcel described in the decree shall be separately exposed for sale for the total taxes, interest and charges, and the sale shall be made to the person paying the full amount charged against such parcel, and accepting a conveyance of the same, and if no person will pay the taxes and charges and take a conveyance of less than the entire thereof, then the whole parcel shall be offered and sold. If any parcel of land cannot be sold for taxes, interest and charges, such parcel shall be passed over for the time being, and shall, on the succeeding day, or before the close of the sale, be reoffered, and if, on such second offer, or during such sale, the same cannot be sold for the amount aforesaid, the County Treasurer shall bid off the same in the name of the State.

Witness the Hon. Ormel B. Fuller, Circuit Judge, and the seal of said Circuit Court of Ottawa County this 12th day of January, A. D. 1925.

ORIEL B. FULLER.

(SEAL) Circuit Judge.

Counterseigned,
ORRIE J. SLUITER, Clerk.

STATE OF MICHIGAN.

To the Circuit Court for the County of Ottawa,
In Chancery.
The petition of Oramel B. Fuller, Auditor General of the State of Michigan, for and in behalf of said State, respectively, for the sale of the list of lands hereinafter set forth and marked "Schedule A," contains a description of all lands in said County of Ottawa upon which taxes were assessed for the years mentioned therein, and which were returned as delinquent for non-payment of taxes, and which taxes have not been paid; together with the amount of such taxes, with interest computed thereon to the time fixed for sale, and collection fee and expenses, as provided by law, extended against each of said parcels of land.

Your petitioner further shows to the Court that said lands were returned to the Auditor General under the provisions of Act 206 of the Public Acts of 1893, as delinquent for non-payment of said taxes for said years respectively, and that said taxes remain unpaid; except that lands included in said "Schedule A," for taxes of 1895 or prior years were returned to the Auditor General as delinquent for said taxes under the provisions of the general tax laws in force prior to the passage of Act 200 of the Public Acts of 1891, and which taxes remain unpaid.

Your petitioner further shows that in all cases where lands are included in "Schedule A" as aforesaid for taxes of 1895 or of any prior year, said lands have not been sold for said taxes or have been sold for said taxes and delinquent taxes and the sale or sales made have been set aside by a court of competent jurisdiction, or have been cancelled as provided by law.

Your petitioner further shows and avers that the taxes, interest, collection fee and expenses as set forth in said "Schedule A," are a valid lien on the several parcels of lands described in said schedule.

Your petitioner further shows that the said taxes on the said described lands have remained unpaid for more than one year after they were returned as delinquent; and the said taxes not having been paid, and the same being now due and remaining unpaid as above set forth, your petitioner prays a decree in favor of the State of Michigan against each parcel of said lands, for the taxes, interest, collection fee and expenses, as computed and extended in said schedule against the several parcels of land contained therein, and in default of payment of the said several sums computed and extended against said lands, that each of said parcels of land may be sold for the amounts due thereon, as provided by law, to pay the lien aforesaid.

And your petitioner will ever pray, etc.
Dated January 8th, 1925.

ORAMEL B. FULLER,
Auditor General of the State of Michigan,
for and in behalf of said State.

George Lake, the man who was run down more than a week ago two miles north of Holland by an unknown motorist, and who was taken to Holland hospital where it was found that he had a compound fracture of the skull, and was not expected to live, has apparently pulled through the ordeal in good shape. While he will be confined to the hospital for sometime, it is expected that he will ultimately recover from his terrible injuries.

Services at Wesleyan Methodist church Sunday morning will be conducted by the pastor, Rev. Visser who will have as his sermon subject "The Secret of Success in the Early Church." In the evening the pastor's subject will be, "A Divine Invitation and Promise." Special music by the Senior choir will be rendered at the morning services and by a choir of Junior boys and girls in the evening. Little Miss Irene Blue, daughter of Mr. and Mrs. Jack Blue was taken to Holland hospital yesterday where she underwent an operation for appendicitis. Her condition is rather critical.

The committee on claims and accounts reported \$2416.53 in claims against the city for the past two weeks at the council meeting Wednesday evening. The committee on poor reported \$167 for temporary aid.

The annual "Good Will" tour put on by the Milwaukee association of commerce has included Grand Haven in the list of cities to be visited. One of the large steamers will be used to take the "Cream City" business men across. The trip starts on June 5th and continues for three days.

Children in Public Schools Will Have No Lay Off Monday

Some years ago Washington's birthday was a legal holiday and even the schools were closed on that day. But since there has been a Lincoln's birthday and a McKinley's birthday, the birthday of the father of our country has not been so closely observed when it comes to closing public places officially.

Washington's birthday as a state school holiday was abolished by the state legislature some years ago. By special action however of different superintendents and boards of education about the state, in many instances half holidays have been declared.

Next Sunday Washington's birthday will fall due, and the event will be commemorated in Holland's public schools with a suitable program in which George and his little hatchet and the cherry tree will not be forgotten.

On Lincoln's birthday last week Thursday a Lincoln program in the public schools had also been arranged for. Superintendent Fell feels that a program of this kind reviewing the lives of these great men, is far more appropriate and makes better Americans of our young folks than a half holiday devoted to sports or pleasures would make.

SHORT SKIRTS DUE TO GET SHORTER, IS WORD FROM PARIS

Skirts shorter than ever, with trimmed fronts and fluffy effects, the back line as straight as last year and waists either very low or rather high are the main features of the spring fashions which were shown at the openings recently by such of the great Paris houses as Paquin, Poiret and Georgette.

From these general lines there may be some departures, but all are agreed that last year's slim body line will be kept. To it there has been added new gracefulness in the enlargement of the skirt in the way the apron enlarges it. These aprons can be a series of frills, a little short pleated affair beginning at about the knee or flowing panels like handkerchiefs hung by a corner, attached below the waist.

The following pupils of the High school received above 90 per cent in all their examinations this semester: Grace Bruleman, Marie Westrate, Henrietta Westrate, Mabel Brower, Ethel Mienhuis; 10th grade, Bertha Lievense.

Miss Nora Bosman is engaged in domestic work at the home of Mr. and Mrs. A. Johnson, Jr., south of Zeeland.

Peter Van Gelderen, oldest son of Mr. and Mrs. Gerrit Van Gelderen and Mr. and Mrs. Manne Jacobusse, were quietly married, February 3.

NEW HOLLAND INDUSTRY BUILT UNDER GREAT DIFFICULTIES

A new industry has just started up in Holland of which very little is known. Despite this fact the plant was built under great difficulties and when running full capacity will employ at least 20 men.

The plant is called Van's Chemical company, and the factory building recently erected is three stories high, and is located a mile north and east of the Grand Haven bridge, on the Holland-Muskegon division of the Pere Marquette railroad.

Van's Chemical company was organized by Vandenberg brothers of this city, three enterprising men who have made exceptional strides in the business world and have done much toward helping to build up some of Holland's industries.

The men interested are: William C. Vandenberg, Ben Vandenberg and "Vaudie" Vandenberg. They felt that a fertilizer industry would be a paying proposition and they have gone ahead and built a building 85x120 feet, 60 feet high.

The local men figured out that Ottawa county alone uses 7,000 tons of fertilizer annually upon its farms; that Muskegon, Allegan and Kent counties usually use as much if not more. The Holland men figured that with a fleet of trucks they can deliver their product at an exceedingly low cost direct to the dealer within a radius of 70 miles, and that their assumption is correct is evident from the long list of advance orders that have come in long before the factory had been built or was placed in operation.

The Van's Chemical company has enough spring orders ahead to run the plant at least two months and more orders are coming in daily, and what is especially gratifying is the fact that no solicitors have been busy and very little reading matter has been put out about it.

The fertilizer factory is of peculiar construction and is built largely along the lines of a flour mill, high in the air. There is a reason for this, as the law of gravity plays an important part in the making and mixing of the different ingredients that complete the fertilizer product. Shoots and elevators, chain carriers, sifters, grinders, dump carts, bagging machines and other facilities enter into the making and mixing of fertilizer are all installed, much of the heavy machinery being in the very top of the building, and operated much the same as flour mill machinery is operated.

Already \$16,000.00 worth of machinery has been installed and is now in operation. The building is surrounded with large bins containing tankage, potash, nitrate of soda, phosphate, and the building is so arranged that all incoming products by car can be easily unloaded at small expense.

The contract for building the plant was let to R. Bouwman, a local contractor, and it was up to him to get the plant ready by February 1st, and he succeeded to do this under the most trying conditions. The contract was let on November 1st and shortly afterwards material was put on the ground and excavation was begun.

The building is located upon a bleak barren sand lot where there is always a full sweep of the wind. All during the cold winter with its many days of zero weather twenty carpenters and masons were kept faithfully on the job, continuing to build without heat, but accomplishing things nevertheless as is evident from the completed structure.

At a recent meeting of the company Milo Fairbanks was named superintendent of the plant. Mr. Fairbanks has been connected with the H. J. Heinz Pickle company for many years and is well versed in the running of a factory. Peter Braamse, who for the last 22 years has been connected with fertilizer firms and knows the business from A to Z, has made manager.

Van's Chemical company was recently organized with a capital stock of \$100,000. "Vaudie" Vandenberg being made president, Ben Vandenberg, vice president, Wm. C. Vandenberg, secretary, and Herman Vandenberg, treasurer.

The plant has a capacity of 200 tons of fertilizer daily, and judging from the excellent beginning Van's Chemical company will be running to capacity most of the time.

The cut in this article shows the peculiar construction of the building which is made necessary because of the type of machinery that had to be installed, and the positions in which these machines had to be placed, in order that gravity might be utilized to the best advantage.

William C. Vandenberg stated that most fertilizer factories do not allow anyone to enter the factory while the plants are in operation. On the contrary, Van's Chemical company is to keep open house and the farmer and the dealer will be given an opportunity at any time to see what fertilizer is made of; how these different ingredients are put together; and a farmer will be told just exactly what he is to put on his farm to make his soil rich.

State chemists have been analyzing the local products and Van's Chemical company stands an unusually high test. The local company has certificates verifying this fact and the reasons why the tests are high are given.

The company is also to put in a small experiment farm to the west of the factory. A ten acre plot has been set aside, and these ten acres will be cultivated the Van's Chemical company way, the local product being exclusively used in order to turn a barren waste of sand, that can grow nothing but sand burrs, into a garden spot. This experiment will no doubt be rather interesting if things can be made to grow on this bleak barren sand stretch, which the officers of the company state will be possible this year.

Van's Chemical company started with wheels turning Monday, and soon will be running full capacity with twenty men, in order to take care of the spring influx of orders.

OTTAWA REPUBLICANS ENDORSE GOOD ROADS MAN

ALSO PASS RESOLUTION DEEPLY REGRETTING DEATH OF MR. BURTON

The Republicans of Ottawa county at yesterday's convention passed the following resolutions which are self explanatory:

We, the Republicans of Ottawa county in convention assembled, congratulate the people of the United States upon the splendid election of Calvin Coolidge as President of the United States. We feel that our great American nation through this choice, has demonstrated that its future policies shall be directed according to the dictates of conservative Americanism, as set forth in the Constitution of the United States and not along lines suggested by turbulent radicalism, which may lead we know not where. President Coolidge has already become a world figure symbolizing the security of our Republican form of Government.

Fully realizing the sterling integrity and rare legal ability of Honorable Orin S. Cross, Judge of the 20th Judicial Circuit, we heartily and earnestly endorse him for appointment to the additional judgeship of the District Court for the Western District of Michigan.

We believe in an independent judiciary, free from any influence other than the administration of justice. Any attempt to dominate our Supreme Court by any co-ordinate branch of the Government is condemned. The present members of the Supreme Court have rendered them to the support of the voters of this State, we therefore, recommend to the delegates of this Convention, the nomination of Justices McDonald and Clark whose high character, integrity and ability as well as their splendid record as distinguished members of our highest court, has earned for them a popular demand for re-nomination.

It is further resolved, that in recognition of the long and efficient services of Frank D. Rogers, as State Highway Commissioner of Michigan, we heartily endorse him for re-nomination and recommend that the Ottawa county delegates to the coming Republican State Convention support Frank F. Rogers for re-nomination for the office of State Highway Commissioner.

We have been deeply grieved to learn of the passing into the great beyond of Doctor Marion Leroy Burton, President of the Michigan University. Our hearts go out in mournful sympathy for his family, the University, this state and nation, realizing the loss to his family of a devoted husband and father; to the University of our great state, in the removal from his cherished field of activity as an educator, capable, and earnest exponent of higher education; and to the State and Nation in the passing of a splendid type of American citizenship. His life was devoted to the cause of a higher, better, more efficient, and broader education, but with it all, though most replete with arduous mental and physical labor, for the cause he held most dear, he made time for himself to continue a deep interest in a government of, for and by the people. His earthly toll has been brought to an early termination, but the influence of his life, his zeal, and his ideals must and will continue to endure and exert a powerful influence throughout the years to come.

WILLIAM M. CONNELLY, Chairman.

Charles H. Mc Bride,
Mrs. G. J. Diekema,
Arthur Van Duren,
J. N. Clark,
Committee on Resolutions.

John Brink is placing a water supply system in the new house which he recently built and which he is now occupying.

Dr. P. H. Fisher has his new radio set in use and it is getting for the doctor and his family and friends some of the very best productions that are being broadcasted.

Mrs. A. G. Mosier opened her bakery and lunch room. Customers are buying the fine lot of baked goods she has to sell and a large number tested her coffee, sandwiches and doughnuts at the counter. The opening could not have been more encouraging.

Donald Danglemond who was operated on for appendicitis in the Holland hospital has returned home.

Pupils in a party to be held in the schoolhouse in the near future.

Miss Dorothy Schipper was elected high school pianist for the second semester.

The members of the ladies' adult

Bible class of the American Reformed church held their February meeting Monday evening in the church parlors. The officers elected for the new year are: president, Mrs. P. H. Fisher; vice-president, Mrs. Lloyd Butler; secretary-treasurer, Mrs. H. Zeerip. The members of this class and the ladies of the missionary society of the church are planning to give a missionary play in about three weeks.

It is reported by a reliable witness that a farmer was seen ploughing one day the early part of the week. Very likely this farmer was so enthused over the wave of prosperity that he has decided to plant his Irish Cobblers in the mud on Valentine day to insure an early crop and a topnotch price. Another farmer was seen in town Tuesday with a cultivator in his wagon. The inference was that he was on his way to give his early peas their first over.

But a very few of the earliest of those sturdy pioneers who first began to clear away the forests and establish homes between Holland and Hamilton are left to relate the romantic and fascinating experiences of those early days. The few left are rapidly passing. The latest of these pioneers to go is Mrs. John Ilg, sr., who died in her son's home in Hamilton, Jan. 31. She was nearly 84 years old. During the two years of her residence in her son's home her strength gradually ebbed. No doubt one of her chief satisfactions was the fact that she did her full part in reclaiming one of the dense forests. Mrs. Ilg was born in Germany, Feb. 27, 1841, her maiden name being Mary Barbara Beshier. Coming alone to America while a young girl, she found employment in a private home in Ann Arbor. It was while she was yet in Ann Arbor that she met and married Mr. Ilg. In 1854, Mr. and Mrs. Ilg settled on the farm in Fillmore township and on which they resided almost half a century. The house in which they last lived on the farm was built in the late '70s by Slebe Baker. Two sons, Lewis and John were born to Mr. and Mrs. Ilg, the former dying in 1883. Her son John is the only surviving member of the family, the father having died August 17, 1917. A large number of old-time friends showed their kindly appreciation of "Grandma" Ilg by their attendance at her funeral. Relatives who attended from out of town were Mr. and Mrs. Vinson Rauner, and Mrs. Hannah Gillies of Hartford; Mr. and Mrs. Hugh Sheffield of Richmond; and George and Misses Winifred and Agnes Spaman of Grand Rapids. The funeral sermon was preached by Rev. H. Potgeter. A number of beautiful floral pieces were contributed by friends and relatives.
