Weatherman Promises More Unwelcome Cold

An unheralded—and unwelcome cold wave sneaked into town late yesterday. Praises for Mr. Weatherman ceased abruptly as all hopes for an early taste of spring vanished.

And if Our Man carries through his plans for more cold temperatures, we're tempted to disown him. Also, in spite of some beliefs that the world's supply of snow must certainly by this time be exhausted, the Weatherman has boldly promised more of it.

Thermometers are probably dizzy from the sudden plummeting of the mercury from balmy heights to an official minimum of zero here, but a sudden spurt upward would certainly please weather fans. In the meantime, for moral support, remember — 28 days until spring.

Sale of City Plot To Christian Group Put Up to Voters

Voters at the April 7 election will decide whether the city of Holland will sell to the Society for Christian Instruction a parcel of city property bounded by 21st and 22nd Sts. and Pine Ave., it was decided Wednesday night at a regular meeting of Common Council.

The Christian school society seeks to purchase the property for building purposes at a cost of \$9,480, based on a recent valuation of the property.

The request to submit the proposal to Holland voters came in a resolution from the society, signed by the Rev. Cornelius Witt, president, and C. J. Westbroek, secretary.

City Attorney Vernon D. Ten Cate explained the issue would have to be submitted to the voters since the property has been dedicated to public use. He said the vote is required in accordance with the "home rule" act.

The property sought for the erection of a new Christian school is about two-thirds of the block bounded by 21st and 22nd St. and Pine and Maple Aves. The resolution calls for a depth of 395 feet running west from Pine. This particular plot has been put to little or no use for playground purposes. The remaining property, practically a square plot, would be retained by the city. It contains public tennis courts and shuffle boards.

City Attorney Ten Cate said the measure would require a three-fifths vote to pass.

Council decided to submit the issue to the voters with the understanding that the Christian school society would give the city "first chance" to purchase Christian school property on 15th St. and Central Ave.

Ben Staal of the Christian school board, who with William Boer was called into the session, assured council that "the society will in good faith give council first opportunity to purchase the property on a fair and equitable basis if and when the society decides to dispose of it." He promised a written statement to the effect.

Ald. William J. Meengs and L. C. Dalman led the discussion on this point, stating that the council should protect its opportunities to acquire the 15th St. property, should the city ever decide to build a community center in connection with the high school, and property in locality would be needed for parking. The present Christian school property at 15th and Central is just a block east of the public high school block. Possibilities of eventually using the brick building facing 15th St. for a public school music department also were mentioned.

Motion to put the resolution on the ballot was made by Ald. Herman Mooi. All 11 aldermen voted "yes" in answer to the roll call.

The Rev. Herman Rosenberg was installed as pastor of Central Park Reformed church in impressive ceremonies Friday night. The church was filled for the event.

In his installation sermon, the Rev. John Benes of Beechwood Reformed church, using as his text Rev. 1, verses 5 and 6, challenged the members of Central Park church to be "heralds of Christ" and to praise God in all their works.

The Rev. C. A. Stoppels of Bethel Reformed church pronounced the invocation and read scripture. Dr. George Mennenga of Western Theological seminary offered prayer.

As president of Holland classic, Rev. Stoppels read the Office of Installation, and Dr. John R. Mulder, president of Western seminary, gave the charge to the pastor. The Rev. Henry Van Dyke of Fourth Reformed church, gave the charge to the congregation. Rev. Rosenberg pronounced the benediction.

The city's gifts a year ago included clothing and 200 copies of a special "Holland to Holland" Sentinel edition. The streamer headline was orange in keeping with national colors of the Dutch.

Today's package contained clothing for a family of four, a supply of Holland's wooden shoe booklets, Chamber of Commerce Who's Who booklets, and special Tulip Time and resort literature.

In addition, there was a letter from Willis A. Diekema to the president of the Chamber of Commerce in Amsterdam, as well as a letter of greeting from Mayor Ben Steffens to the burgomaster of Amsterdam.

It's papa who pays—even during Dutch Treat week at Hope college. Chet Droog, Hope college student, tells Larry Wade, pharmacist, that the "girl-pays"

Idea doesn't mean much to him as the dollar bill which Mrs. Droog pays out is originally from his pocket anyway. The Droogs' daughter, Jan Cheryl, seems to favor Mom.

Hope Celebrates Dutch Treat Week

It's definitely a woman's world. At least, so it seems at Hope college this week as coeds are taking over in the annual "Dutch Treat" week celebration. For the first year in several, there are enough boys to go around and the girls are taking advantage of the fact.

Of course, there are advantages for the boys, too. The "girl-pays-all" provision gives the wallet a rest and there are no long waits and endless attempts to get a call through on the ever-busy dorm wires.

Climax of the week will be an all-college party Saturday night in Carnegie gymnasium with square dancing featured. Other prospective dates have included "coke sessions" and Koffie Kietz meetings, movie dates and the basketball game Friday night.

To help shy coeds arrange dates the Women's Athletic association and the Varsity club are running a date bureau set up in Van Raalte hall. Girls pick their man, the bureau does the rest even to the time and meeting place. It's as simple as that.

The Rev. William C. Warner, chairman of the Ottawa county chapter of the American Red Cross, announced today that the Rev. J. Kenneth Hoffmaster, pastor of First Methodist church, has been appointed campaign chairman for the annual Red Cross drive which lists a county quota this year of \$21,156.

Rev. Hoffmaster will be assisted by the Rev. Victor Felten of Grand Haven, who will direct the drive in the north half of the county. The county quota is divided between north and south Ottawa on a two-fifths, three-fifths basis.

Out of the quota, \$8,476 will go to national headquarters for use nationally and internationally. While \$12,680 will remain in the county for aid to veterans and other avenues of assistance given by the organization.

Legion Band Asks New Uniforms

A request of the American Legion band for new uniforms this year when the organization would be participating in many Centennial activities was referred to the Ways and Means committee at a meeting of Common Council Wednesday night.

The request came in a letter from Harold J. Karsten, band president, who pointed out that the present uniforms were purchased 17 years ago and have "lasted twice as long as uniforms usually do." He said the present uniforms are outdated and additional replacements are not available.

The communication said that 45 to 50 uniforms would be needed and would cost approximately \$50 apiece, for a total outlay of about \$2,500. The band has half of this amount in a sinking fund and now requests the city to add \$1,200 to \$1,300 in the new budget for uniforms.

The band requested prompt action in view of a possibility of acquiring uniforms by Tulip Time.

Ald. Bernard De Pree of the Civic Improvements committee, which has been studying the garbage removal problem in Holland recommended council refer the issue back to the Board of Public Works which did considerable preliminary work on such a program several years ago.

Ald. Bert Slag of the Building and Grounds committee reported members of his committee and City Inspector Ben Wiersma inspected all units at Pine Court, the veterans' temporary housing program, following complaints two weeks ago, and found but few additional complaints. Ald. Herman Mooi, who was present on the tour, explained that electric bulbs, basis of the complaint, were particularly high last month because a few additional days had elapsed between meter readings.

City Clerk Oscar Peterson submitted a new contract with FPHA whereby provision will be made for upkeep of the units. Peterson also said Inspector Willets is considering action to relieve roof leakage at the units.

Council referred to Fire Chief Andrew Klomprens a request from Paul I. Kouw and Robert J. De Vries to operate a place of public entertainment for young people at 209 River Ave. where the two plan to install pinball machines, skeet ball and other mechanisms, and sell candy and pop.

Council was chiefly concerned with fire precautions since the building, formerly the Huizenga feed store, has been condemned by the state fire marshal. Action on the permit will be postponed until such time when Fire Chief Andrew Klomprens will inspect the place, and possibly consult state authorities. Council assured De Vries and Kouw that this action is taken to protect all parties concerned.

Claims and accounts totaled \$11,151.84. Other claims were hospital, \$12,131.70; library, \$310.25; park and cemetery, \$1,950.42; Board of Public Works, \$6,040.55. The city treasurer reported BFW collections of \$46,809.92; miscellaneous collections of \$73,908.73, which includes \$70,000 from the Board of Public Works; and fall tax collections of \$315.78.

Maroons Whip Class A Quintet At Grand Rapids

Dutch Stress Defense In Defeating Eagles; Fifth Straight Win

The Maroons of Holland Christian won their second ball game on successive nights as they defeated Class A Grand Rapids Christian 36-19 on the spacious Burton floor in Grand Rapids, Friday night. Once again the Dutch had a comparatively easy time, encountering opposition in the first quarter only. The feature of the game was the smooth functioning Holland Christian defense which permitted only five Eagle field goals. The Grand Rapids boys made only one two pointer in the second half, that coming in the last minute of play. This makes a total of 13 field goals scored on the locals in the last two nights.

The game was not of the spectacular variety, as the Maroons plainly showed the effects of the previous night's play. Both squads missed many scoring opportunities and never during the game was there a sustained rally. Coach Henry Scholten varied his usual fast break offense for a slow set up style of play. Although he played this style in the first half only, it had better results than the fast break did in the second half. The Hollanders beat the Grand Rapids lads at their own game in the final half, by constantly out breaking and outpacing the Scholten-men.

Grand Rapids opened the scoring in the game on a lay up shot by Bud Vandenberg, but this was the only time that they were in the lead. Quick baskets by Gene Schrottenboer gave the Maroons a four point lead which they maintained at the quarter's end. The period ended 10-6.

The second canto was a slow affair with Holland outscoring the losers by one point. The tilt was marred by frequent fouling. Lanky Duane Rosendahl connected on three foul tosses to account for half of the Dutch scoring. Christian held a 16-11 lead at half-time.

Grand Rapids met its downfall in the last half as they employed a closs pressing defense. Time after time the two diminutive Christian guards, Zoerhof and Lampen broke loose for easy lay up shots to stretch the Holland margin to 23-12 at the end of the third stanza. The Holland defense was at tight in the quarter, with the Eagles managing to get only a single free toss.

The fourth quarter was loosely played, although it was Holland's biggest scoring stanza. Coach Art Tuls substituted a complete new team in the early stages of the final period, and they finished the contest. Louie Altena ended the scoring with a long one handed swisher.

The work of Gene Schrottenboer under the basket was particularly good as he dominated the bank-boards and scored on many timely follow in shots. Little Kearney Zoerhof stole the defensive show as he proved a constant headache to the Grand Rapids back line. Grand Rapids Christian displayed a tall, game aggregation, but they could not cope with superior Holland floor play and passing finesse.

Schrottenboer led all scorers for the evening with 17 tallies while the leading Eagle was Vandenberg who garnered five. Rosendahl for the locals failed to score a two pointer, but cashed in on six of eight charity throws. Holland connected on 12 of 21 free throws while the losers managed to hit nine out of 20 chances.

The Little Maroons fell victim to the Grand Rapids reserves by the score of 37-19. They never really got started as they trailed 20-11 at the half. The taller Grand Rapids boys piled up a 31-15 lead at the third quarter and then coasted to victory.

Kool led the locals with seven points while Gezon paced the winners with 12.

Spring Lake Man Stands Mute on Automobile Count

Grand Haven, Feb. 20 (Special) —Burton Chittenden, 23, Spring Lake, stood mute when arraigned in Circuit Court Monday afternoon on a charge of unlawfully driving away an automobile, without intent to steal, and a plea of not guilty was entered.

Date for trial has been set for Monday, March 3. This will be the first jury case of the February term of the Ottawa Circuit Court, which opened Monday afternoon. Chittenden is alleged to have taken a car belonging to Walter Curtis, of Grand Haven, which was parked in the Curtis yard, the night of Nov. 3, 1946.

Woman's Club Hears Challenging Lecture

In a stirring and challenging lecture before members of the Woman's Literary club Tuesday afternoon, Dr. Kenneth Walker, distinguished international personality, pointed out that "in our development of material genius we are in danger of stripping our spiritual growth."

He based his challenges on his tragic and harrowing experiences which began with the bombing of Shanghai in 1937, continuing through the blitz of London, Pearl Harbor and a recent 15 months in the Pacific as a Navy officer with the fleet entertainment section, including visits to Japan and Shanghai.

Describing his initiation at Shanghai into the "league of frightened men," Dr. Walker, former professor in the University of London, also told briefly how on a mission to Nazi Germany he became personally acquainted with Hitler and later suffered the tortures of a Nazi prison.

"It is a depressing picture I paint," declared the speaker. "America's greatest minds are working on destruction. The war is not over any more than it is between World Wars I and II. Peace has not been won by any means. The war department does one thing, the state announces another."

"Americans developed the atomic bomb, now talk of atomic dust and biological warfare, and wonder why the world is afraid of us. If we could use the same minds and genius to go into the field of human relations, enter the areas of the heart, mind and spirit, peace could be permanent in the world," declared the speaker.

"To win a victory within ourselves for democracy, it is necessary to be completely honest and self-analyzing. Democracy cannot be achieved through legislation. The white race now has an opportunity to accomplish the ideals of democracy. Each must take individual responsibility to be healed of the scourge of totalitarianism and to look to the genius of America which represents a great reservoir of hope."

In answer to the question implied in the title of his address, "Live Together or Live Not," Dr. Walker counted on the spiritual heritage of this country which is "made up of individuals who know no defeat."

Mrs. Randall Bosch presided at the meeting which also featured the annual nomination of officers. Mrs. Henry Steffens was chair-

man of the nominating committee and submitted a slate to be voted upon March 4.

Nominated were for president, Mrs. John K. Winter; first vice-president, Mrs. Clyde Geerlings; second vice-president, Mrs. Garrett Vander Borgh; recording secretary, Mrs. Bastian Kruithof; corresponding secretary, Mrs. William Vande Water; treasurer, Mrs. Rudolph Eriksen; directors (three to be elected), Mrs. Willard Wichers, Mrs. Irwin J. Lubbers, Mrs. Bosch, Mrs. Alvin Bos, Mrs. Peter Kromann and Mrs. Edward Van Eck.

Announcement of the Holland High school senior play was made by Jack Matthews. Hospital committee met Tuesday morning for sewing, and 40 members of the Child Study group met for dessert in the Dutch Mill restaurant and heard a constructive talk by Mrs. Lennah K. Backus of Michigan State college.

Book Review Given at Zeeland Literary Club

Zeeland, Feb. 20 (Special) — Zeeland Literary club met for a regular meeting at the city hall Tuesday Feb. 11 with the president, Mrs. Joe Ver Plank, presiding. Mrs. E. M. Deff Heeder presented a book review, "Anna Zenger" by Kent Cooper, dealing with the life of a Dutch girl, Anna Zenger, who is called "The Mother of Freedom." She received this name because she sponsored freedom of speech and freedom of the press.

Mrs. L. Meeusen and Mrs. A. Van Doorn were hostesses.

The next club meeting will be held Feb. 25 in the form of a Senior High school girls tea. Mrs. Charles M. Hauser of Grand Rapids will speak on "We Go to Mexico," at this meeting.

Dr. Shafer Speaks at Hope Joint Meeting

A joint meeting of the Young Women's and Young Men's Christian's was held Tuesday Feb. 11 in Hope Memorial chapel. The Adelphe society of Western Theological seminary also met with the groups.

Dr. Milton T. Stauffer, president of the board of foreign missions of the Reformed church, led devotions. Group singing was led by Bud Van Eck and a solo, "Come Ye Blessed," was sung by Dick Vriesman.

Dr. Luman J. Shafer, secretary of the board of foreign missions,

gave his total impressions of the Far East. He was a missionary in Japan until 1935 and visited China and Japan in 1940 and 1945. Dr. Shafer described the situation as chaotic and added that this condition exists both in China and Japan.

The speaker said the reason behind these conditions is the political troubles existing in the countries, the corrupt government and the challenge of communism. He added that the countries lack men with integrity for leadership.

Dr. Shafer said there is a new attitude toward Christianity and the people are eager to hear about it. He said everyone must bear the responsibility of bringing the Gospel to these people. The speaker said missionaries are badly needed in China and Japan and urged particularly the young men and women who are completing their Christian training, to carry the Gospel to those countries.

Dutchmen Edge Calvin College In Return Tilt

Calvin Displays An Improved Aggregation; Mulder Paces Scorers

Hope college narrowly escaped defeat Tuesday night as they staged a second half comeback to edge the Calvin Knights 56-53. The contest, played in the Burton gym, saw the Dutchmen weak for the second time in a week.

The Calvin Knights started from the beginning and gained a 15-12 lead midway through the first half. It was evident that the Calvin crew wanted revenge for the 71-38 lacing the Dutch handed them earlier in the year.

In the later stages of the first half Calvin built up a 28-14 lead on the Hollanders and played their best ball at this point. Slager and Bylsma were pacing the Knight attack during the entire first half which ended with Hope trailing 31-20.

Don Mulder, Hope's all-state guard, was the only factor that kept Hope in the game in the first half when he netted 13 points.

After trailing at the half, the Hollanders came to life and scored eight straight points while Calvin began missing. The Knights still maintained a 46-36 lead midway through the second canto and it wasn't until several minutes later that the Dutchmen finally took the lead. Mulder pulled the Dutch ahead on a field goal which made the score 49-48.

The Hope cagers held a 46-49 advantage shortly before the final horn sounded. Calvin spurred two buckets as the game ended 56-53. It was victory number 14 for the Hope squad against three defeats. In the last 10 years the locals have emerged victorious eight times while Calvin has scored four wins.

Don Mulder, who is hurriedly rushing up on the team's high scorer Russ De Vette, paced the Dutchmen with 25 counters while the otherwise consistent stars, De Vette and Herk Buter, garnered only 14 tallies between them.

An unknown, Wilbur "Slug" Slager loomed from the Calvin ranks to lead the Knights in the scoring column with 18 points, 11 of which were netted in the opening half. Bylsma took second honors for the Grand Rapids in 12 counters.

Hope's B squad edged Calvin's B's five 49-46 in prelim. Becksvort led the Hope cagers with 12.

On Tuesday morning, a princess was born in the Netherlands, Mich., a "princess," not of royal blood, but certainly of Dutch descent, also was born. Her parents are Mr. and Mrs. Gerrit J. Van Kampen of 119 Vander Veen Ave.

While the royal heiress who arrived at Soestdijk castle near Amsterdam can look forward to a life of supervised activity and education, along with three other daughters of Princess Juliana and Prince-Consort Bernhard, the "local princess" will likely lead the normal life of any well cared-for American child.

"I'm glad my baby is a girl like Princess Juliana's," the young 21-year-old mother said Tuesday afternoon from her bed in Holland hospital. The baby, her first child, was born at 7:55 a.m. and weighed five pounds, 13½ ounces. The child born to Crown Princess Juliana, 37, at Soestdijk, at 1:30 a.m. weighed six pounds, nine ounces.

The Van Kampens have named their baby Sandra Kay. The Dutch princess will be named Maria Christiana and will be called "Maryke," according to United Press dispatches.

Mrs. Van Kampen was unable to see Princess Juliana when she visited here in 1940. The local woman, at that time attending a rural school, was not in the parade made up of city school children.

The baby's father, a veteran of World War II, lost his right foot day meeting in the church parlors last Wednesday, when hospital supplies were cut and folded for Knox Memorial hospital in Arabia, a project shared by various groups of Holland classes. Local chairmen are Mrs. Edward Dangremont and Mrs. Glenn Folkert.

Cpl. Lester Soie is spending a furlough in the home of his parents, Mr. and Mrs. George Sale. Several members of the local Music Hour club attended the second program in a series of music concerts at Fennville, last week. This was a student recital, presenting a number of East Lansing students in vocal, piano and violin solos.

Mrs. Lorraine Meiste, student at Moody Bible Institute of Chicago spent last week-end in the home of her father, Henry R. Johnson. Harold Ende, son of Mr. and Mrs. George Ende sustained a leg fracture last week.

Word has been received by local relatives of the safe arrival of the Rev. and Mrs. Ivan Deckert, at Paris, France, from where they will proceed by plane to Nigeria, West Africa.

Mr. and Mrs. Joe Lugten left for a two weeks' trip to Florida Monday morning, accompanying Mr. and Mrs. Edward Wolters of Fennville.

Henry Wedeven, who has been ill with pneumonia, is recovering. Miss Margaret Lampen of Petoskey spent last week-end in the home of her parents, Mr. and Mrs. Harvey J. Lampen.

Holland Scores Decisive Victory Over Central

Locals Knock Kazoo From League Lead; Van Dyke Paces Dutch

Holland High's basketball squad broke loose to score a surprising 54-38 upset over the Kalamazoo Central cagers in the Holland Armory Friday night. The Hollanders held the lead during most of the contest and played a high caliber ball.

Big Bob Van Dyke paced the scorers with 19 points while the floor play of Ronnie Bos was again outstanding in his first starting role of the year. The entire Dutch squad combined forces to drive the Centralites out of first place.

The Kalamazoo outfit jumped to a lead but the Hollanders disregarded the deficit and broke out ahead. With three minutes remaining until the first quarter the score was knotted at 9-all. But in the final three minutes of the opening frame the Dutch scored nine more points while the Kalamazooans rang up seven to make the quarter score 18-16 in Holland's favor.

Then in a few minutes in the second stanza Don Van Hekken committed his fourth personal foul and Coach Malcolm Mackay thought it best to remove him from the game. Hinga was put in the forward slot.

Midway in the second frame the Hollanders still held only a 21-19 lead and couldn't seem to break away from the Kazoo cagers. At the end of the first half the Hollanders' lead had dwindled away and Kalamazoo took over a 26-25 halftime lead.

As the third quarter opened the Dutch began working beautifully from any spot on the court. Fuzz Bauman, Ron Bos and Bob Van Dyke began working together as brothers and the Kazoo's began falling behind the Dutch onslaught. With three minutes still remaining in the third quarter the Hollanders had already garnered a 36-29 lead with Bill Hinga also playing a big part in the Holland offensive. At the end of the third quarter the locals raised the score to 41-32 and the Kalamazoo boys looked all in with the Dutchmen huffing them to death.

The Dutchmen continued to build on their margin in the fourth quarter and the maroon and white from Central couldn't do much about it. With four minutes left in the contest, the Hollanders made the score 46-34. Van Dyke and Bauman were now furnishing the scoring punch while the rest of the squad held fast on defense. In the final four minutes the Dutch garnered eight points while Kalamazoo hit four counters to make the score 54-38 as the horn blew ending the game.

The Dutchmen proved that they were not to be disregarded in the Southwestern conference and their power last night made them a top contender. The Hollanders are now tied with Muskegon for top honors in the league and chances of a successful season finale are high.

Bob Van Dyke's 19 points was high for the locals while Ronnie Bos connected for 12 tallies. Hinga and Bauman had eight each. For Kalamazoo Wenke's 11 points were high, while Reynolds counted nine.

In the preliminary game Holland Reserves trounced the Kalamazoo seconds 48-39. The Dutch led all the way but were outscored in the final frame. The quarter scores were 10-7, 21-13 and 41-26. Kemper led the locals with 17 points while Kruithoff and Appeldorn had eight each. Nulf led the Kazoo seconds with 12 points and MacKellan counted 10.

William B. Eerdman, Grand Rapids publisher, at left, and D.B.K. Van Raalte view an old book in the Van Raalte homestead on Fairbanks Ave. which was built by Holland's founder, Dr. A. C. Van Raalte, in 1847-48. Eerdman is purchasing the 20-room red brick home from D.B.K. Van Raalte, grandson of the founder, to make it into an historic shrine for all Dutch people in America.

Eerdman visited the homestead where he plans to house Van Raalte's original papers. At the right is Dr. Van Raalte's old desk where many records were found.

Van Raalte Visited Here Jan. 1, 1847, Hyma Says

Details of Dr. A. C. Van Raalte's arrival in Holland a century ago were described Thursday by Dr. Albert Hyma, professor of history, University of Michigan, who has completed a new book on the history of the Dutch, based on original papers of the founder.

Dr. Hyma said Dr. Van Raalte selected the general site of the new colony which would be somewhere between the Grand River and the Kalamazoo river on Thursday, Dec. 24, 1846.

He arrived at the Old Wing Mission in Fillmore township Jan. 1, 1847, and was a guest there until Jan. 12. During that period he scouted the area and definitely selected the Holland site.

On Jan. 13 he related these details in a letter to his wife who was staying in Detroit at the home of Theodore Romeyn, the great jurist of Dutch descent who introduced Van Raalte to all the important legislators in Detroit, at that time the capital of Michigan.

From Jan. 13 to 20, Van Raalte was in Grand Haven as guest of Rev. Ferry, conducting research as to who owned property in the Holland area.

From Jan. 20 to Feb. 9, Dr. Van Raalte was in Detroit contacting influential people of the state and state legislators for support of the new colony. On Jan. 22 he spoke at two meetings in First Presbyterian church on Woodward Ave. and there met Gen. Lewis Cass. The two men were instrumental in getting a \$10,000 appropriation from Congress in 1850.

About February 1, Van Raalte sent Mr. and Mrs. Ben Grotenhuis to the mission house in Fillmore township and on Feb. 9, Van Raalte and others arrived in Fillmore to start the new colony.

A road had to be hewn in the woods so that the colonists could get to the new settlement.

On Feb. 24, Dr. Van Raalte arranged for purchasing finished lumber for building a home in the new colony. This structure was completed at the end of May and Van Raalte's wife and children moved here from Allegan where they had been staying with Judge Kellogg.

That summer hundreds of Dutch colonists poured into the new colony from the Netherlands. No arrangements had been made for housing and families lived in the woods in tents made from blankets and sticks. Contagions swept the poorly protected inhabitants.

The red brick house was completed in the fall and winter of 1847-48. It is the only structure of that early period which is still standing. It has been purchased by William B. Eerdman, Grand Rapids publisher, who plans to turn it into an historic shrine for people of Dutch descent in the United States.

Although Van Raalte's son, D. B. K. Van Raalte put some additions on the house and subsequent occupants added modern plumbing, the homestead is changed but little from the original building.

Dr. Van Raalte's old papers revealed that he at one time had plans for turning the 20-room mansion into a girl's dormitory for a proposed Christian High school, but this plan never materialized.

Van Raalte's old study on the northeast corner of the third floor of the old house is virtually unchanged from the early days. His old desk where he wrote his correspondence and carried on business of all kinds has remained in this room throughout the years. It was in this room that most of the 5,000 original papers on which Dr. Hyma based his new book were recovered.

Eerdman plans to make these papers available for public inspection when the homestead is renovated into a national shrine.

What's wrong with a one-passenger trolley?

You might praise its comfort and convenience, if you happened to be the passenger. But if others were waiting, we believe you'd agree that sharing the trolley is a more practical plan.

The same principle applies to telephone service. Many people have waited a long time for a telephone, and sharing the lines means more service for more people sooner.

That's why we are making the widest possible use of party-line facilities. When more central office equipment and outside lines can be provided, we'll be able to furnish one-party service to everyone who wants it.

Meanwhile, if you're on a party line, you can help make service better for everyone by following these simple suggestions:

1. When the line is in use, please don't interrupt except in case of emergency.
2. Keep all calls as brief as possible.
3. Avoid making several calls in immediate succession.
4. After every call, hang up carefully. One receiver improperly replaced puts all the telephones on the line out of service.

AN "EXTRANEUS ISSUE"

Is it an "extraneous issue" that
a state employee is a Communist?
That interesting point of view was
suggested by Foss Baker, presi-
dent of the Michigan State Em-
ployees board. Baker had been at-
tacked by Governor Kim Sigler as a
"known Communist."

There are a good many people
in positions of trust and impor-
tance at a good many state capi-
tals as well as in Washington who
hold the same point of view.
Whether or not they are Commu-
nists is in their opinion an "ex-
traneous issue."

They seem to feel that their
membership in the Communist
party is their own private busi-
ness, as is for instance their mem-
bership in a church or a fraternal
organization. They consider it im-
pertinent for a governor or any-
body else to quiz them on the
subject; such membership is an
"extraneous issue."

Most Americans just can't agree
with that point of view. Especial-
ly when the man holding such
membership is eating out of the
public trough or is in a position
to get at public documents. It is
not an "extraneous issue" to in-
sist that an American citizen shall
be an American citizen. All the
rest of us have a right to know
if an official in a position of
public trust takes his orders from
the American government or cuts
his American cloth to the Moscow
party line.

A man like Baker, who side-
steps a direct challenge by say-
ing that it is an "extraneous is-
sue" has already condemned him-
self. If he was not a Communist
the simplest and most natural
thing would be to say so. If he is,
all the rest of us have a right to
know it and to act accordingly.

The American Communists have
fallen on evil days. For years
they have hardly been challenged.
As a result many of them have
wormed their way into positions
of trust and power. Now that
decent Americans are beginning
to call on them to show their
colors they give the impression
that their feelings are hurt. Many
doubtless honestly feel that it is
none of our business.

But it is very much our busi-
ness. We are determined to keep
Moscow's nose out of American
affairs. Americans are fully able
to run America without help from
the Soviets. American Reds might
as well get used to that idea.

Jesus the Good Shepherd
John 10:1-7

By Henry Geerlings

The chief thought in the alleg-
ory is the marks of the ideal
shepherd. How deeply and widely
the idea of Christ as the good
shepherd has penetrated Christian
literature, art and worship from
the earliest times. In the Old Testa-
ment the figure is frequently
applied to Jehovah, Ezekiel re-
fers to even specifically to the
Messiah, the Son of David. In the
full consciousness of His messiah-
ship, Jesus emphatically assumes
the title, and all that it implies, as
applicable to Him alone. There is
in it a prophecy of His death. Con-
sidering the enemies of the flock,
cruel, rapacious, determined—it is
not extravagant to expect the
good shepherd to lay down His life
for the sheep. It is the outcome
of His consecration to them who
have become partakers of His life.
He averts destruction from them
by His own voluntary self sacri-
fice. This mark of the good shep-
herd occurs, like a refrain,
throughout this whole section.
Truly He was the suffering Savi-
or even before His passion.

In striking contrast to the
teaching and function of Jesus
stands the great number of those
who have assumed to be leaders
and teachers of God's people, but
who refused to connect their of-
fice and work with Him, and who
opposed Him on every possible oc-
casion. These are the thieves and
robbers. Although the language
used here seems to be very inclu-
sive, yet He certainly could not
refer in this manner to the Old
Testament patriarchs and proph-
ets, since they not only looked
forward to Him but also testified
of him. Undoubtedly Jesus refers
to the Pharisees, His special an-
tagonists. Since the cessation of
prophecy in Israel, their power
and influence had come to domi-
nate the religious life of the
Jews most perniciously. Of them
He later declared that they did
not enter into the kingdom of hea-
ven themselves, but hindered
those who desired to enter. Rav-
ening wolves in sheep's clothing,
were they, not entering in by the
door. The thief destroys life; the
shepherd protects life. The good
shepherd gives life in abundance.
The Pharisees had their followers,
blind adherents led by blind lead-
ers. But the true people of God
did not hear them because they
saw in Jesus the marks of the
promised Messiah.

With reference to the hireling,
our Lord introduces another dark
contrast. The good shepherd was
contrasted with the hireling, the
mercenary is contrasted with the
good shepherd, because he has no
real shepherd, because he has no
property interests in the sheep,
and real heart interest in them.
Receiving pay for service
rendered does not in itself make
one a hireling, but that spirit in
serving which sets self-interest,
security or material gain above
the welfare of the flock. It is a
universal truth which is taught
here, that when self-interest
prompts to assume a task, self-in-
terest will prompt to abandon it,
even at the most critical moment,
when danger or opposition threat-
ens. Character is revealed in con-
duct.

Christ as the real shepherd
knows His sheep. He calls each
one by name. What an intimate
knowledge! What a living person-
al interest it indicates! The abil-
ity to call individuals by name is
a great power. Classic writings
assure us of the wonderful influ-
ence this ability has given to gen-
erals of ancient times over their
armies. The politician cultivates
this ability, and many persons
are seemingly flattered by the
display of such particular remem-
brance. It may often be a super-
ficial attainment with men, but it
is a distinguishing mark of the
Good Shepherd. Our Savior is a
personal Savior. Our relation to
Him is intensely personal and in-
dividual.

As He embraced not only all,
but each of us within His holy
arms outstretched upon the cross,
so He would have us in His fold
and numbered among His own.
Though we may not daily keep in
mind as we should, the signifi-
cance of our baptism, yet in that
sacrament God gives to us indi-
vidually—we were called by name.

The repeated mention of His
death suggests the wide reach of
its consequences. A little later in
His ministry He said that when
He was lifted up He would draw
all men unto Him. He looks out
to the future to see the satisfying
fruit of the travail of His soul.
Salvation is not confined to the
Jews. His occasional contact with
those outside the covenant peo-
ple shows some were intensely
ready to receive Him with a faith
greater than that found in Is-
rael. The gospel is for the heath-
en also, and in hearing it they
hear His voice. There is clearly
set forth here the universality of
the Good Shepherd's knowledge of
His own, and of His shepherd-
ing love, as well as the universality
of His saving purpose. The larger
flock will be a unity of believers
in Christ drawn both from Israel
and the Gentile nations; not nec-
essarily one outward organization,
but a unity into one flock, rather
than in one fold, of those who
know the Good Shepherd as He
knows them, who hear His voice,
who partake of His life, and who
follow where He leads.

WCTU Observes F.E. Willard Day

Frances E. Willard Day, Hol-
land's Centennial and the work
among children done by the City
Mission were the topics of an in-
teresting program at a meeting of
the local unit of the Woman's
Christian Temperance union held
in Trinity church parlors Friday
afternoon. Mrs. John Van Oss pre-
sided and Mrs. H. D. Terkeurst
led devotions.

Mrs. Terkeurst, reading from
the 12th chapter of Luke, spoke
briefly on the stewardship of
life, time, possessions and prayer.
Examples included Dwight Moody,
a man with an uneducated mind
and without riches who had a love
for the saving of souls and offered
the little he had to the Lord; Dor-
cas of the Bible and her needle-
work; Phoebe, who delivered
safely Paul's epistle to the Ro-
mans and the gifted consecrated
women of our present time who
serve the Lord.

Mrs. Carl Dressel, in observing
the spiritual birthday of the great
temperance leader, Miss Frances
E. Willard, gave a review of her
autobiography, closing with a stir-
ring appeal for more consecrated
work in this part of the Lord's
vineyard.

Mrs. John Vander Vliet read
a paper on the work of the City
Mission among youth. Opening
with an article on sadistic vandali-
sm and crimes committed by
young children and offering as a
cure better discipline in homes
and schools and religious training,
Mrs. Vander Vliet told of the re-
ligious training given by faithful
volunteer workers in the local
Mission. She also told of the in-
terest in leper work displayed by
children of the Sunday school.

Talking the words on the mem-

Hyma Suggests Pillar Church Be Made Shrine

Historian Chides Hollanders for Lack of Community Pride

"Ninth Street Christian Reformed church is the most important monument of the Dutch settlers," Dr. Albert Hyma, professor of history at the University of Michigan, said at a public meeting Thursday night in "Pillar" church sponsored by the Holland-Zeeland chapter of Calvin alumni.

Dr. Hyma, speaking to a full house, said that some day Holland settlers will be recognized as the greatest pioneers in the country and he hoped that some time in the future Ninth Street church would be shared by both the Reformed and Christian Reformed churches as a shrine in memory of the early settlers.

Dr. Hyma expressed disappointment in the fact that an "outsider" had to recognize the value of the Van Raalte homestead and said he had hoped that some Holland citizens would recognize the importance of this historical site long ago. He chided local citizens for their lack of civic pride.

He said he was surprised at the lack of historical information available at the city library. He said the city library should occupy a single building instead of a single room. He added that many cities smaller than Holland had larger libraries.

Dr. Hyma believes Centennial park should be changed to Van Raalte park as the land it occupies was given to the city by the Van Raalte descendants. He added that the name "Centennial" is appropriate this year but had not been appropriate in years past nor will it be an appropriate name in future years. He said many Holland citizens had mistaken ideas about the facts regarding Van Raalte's arrival here and the founding of this city.

The speaker said Jan. 1, 1847 is the most important date in Holland's history. This was the day Van Raalte first came and decided to settle here. Dr. Hyma read several documents written by Van Raalte and others during the first few months of their settlement here. During the year, 1847, Dr. Van Raalte purchased property here.

When he ran out of money he was granted enormous loans by Eastern bankers. He was known

as one of the most influential persons in the United States. At one time he persuaded Congress to appropriate \$1,000,000 for the improvement of the harbor here.

Dr. Van Raalte's highest ideal in the founding of Holland was to establish schools with Christian education in all grades. He joined the Reformed church when he came here "because this was the only thing that could be done" as he wrote to his wife at one time. A first the people contributed to the upkeep of the parochial school but soon their ardor cooled and at one time Holland academy almost died. Misunderstandings arose in the church and Dr. Van Raalte felt that many beliefs of the Reformed churches in the East were wrong so he ceased to attend the synod meetings. In 1857 he succeeded from the Reformed church.

In 1862 he returned to the Netherlands but when the Netherlands looked with scorn upon Van Raalte, he decided to return to this city. When he returned some had left the church to establish a new denomination called the True Reformed church which wanted to accomplish Van Raalte's own ideas. This church later became the Christian Reformed church.

Dr. J. T. Hoogstra presided at the meeting. Nick Vogelzang sang "The Good Shepherd" and Psalm 89. Prof. S. Volbeda, president of the Calvin college seminary, led closing prayer.

Dodge Dealers Attend Meeting

Edwin M. Viehl and Nelson Morris of the Ottawa Auto Sales have returned from a meeting in Grand Rapids where a member of the Dodge factory executive staff of Detroit outlined advertising, merchandising and training plans for 1947.

The continuing program of training Dodge dealers and salesmen to better qualify them to serve truck users in the selection of the right trucks to meet specific hauling needs was outlined at the meeting.

Suggestions were made on the purchase of new equipment, and dealers were urged to expand present service and parts facilities in those few instances where they are not adequate to accommodate increasing demands.

Dealers were told that the Dodge "Job-Rated" truck line was expanded during 1946 to include 175 basic gross vehicle weight models covering 97 per cent of all hauling and delivery requirements.

A motion picture was shown which depicted how Dodge trucks are job-rated at the factory with all basic units such as engine, clutch, transmission, axles, frame, springs and brakes to fit individual operator's loads over his roads.

The movie is to be made available later for showing here to truck owners.

The meeting was one of 101 being conducted throughout the nation to carry the expanded program to the more than 4,000 Dodge dealers.

Volleys From Ambush - -

AT LEAST 10 varieties of birds have visited the feeding station set up by Mrs. Howard Stone of Wequenawing Bay on Lake Macatawa. She provides a Christmas tree in a sheltered corner in addition to a small feeding station and a screened in area. Suet and seeds in a wooden frame attached to a tree are attracting feathered friends and a pair of grit and water is provided.

Pheasants have eaten some of the corn, Mrs. Stone said. She also gives the birds regulation bird feed and sunflower seeds. In her bird menagerie are cardinals, white breasted nuthatches, the downy woodpecker, snowflake or snow hunting, starlings, English sparrows, the blue slated juncos and the tufted titmouse. Two pairs of blue jays are noisy visitors at the Stone home.

Orlie Bishop got some closeups of several species of local birds at his feeding station.

The manufacturer of some pretty fancy breakfast food isn't going to like this report: The Ambusher ran short of food for birds the other day and sprinkled breakfast food around his informal "feeding stations." The birds simply will not eat the stuff and the label says it literally crawls with vitamins and minerals. Could be the birds are smarter than some of us.

William Batema, 263 Lincoln Ave., has the best bird feeding story of the week. The railroad has one of those fancy new diesel switch engines. The other day the crew was in Allegan and had occasion to blow their whistle. The sound was enough to collect every seagull in the area, because the diesel's whistle sounds like the whistle of the fishing boats. Batema is a retired railroader and heard the story from the crew, who make regular trips to Allegan.

Parents who complain their children are weak in spelling, reading and penmanship should take heart. The Ambusher has received a copy of a petition signed by the presidents of Michigan's seven state-supported colleges. The signature of John A. Hannah, president of Michigan State college is the only legible signature in the lot. President Henry A. Tape of Northern Michigan college, is next, but he makes the "T" look too much like a "G." The others just can't be read.

The weather controversy continues. Every time The Sentinel carries a report of extreme weather in Holland, sojourners in Florida write their letters inviting us down South. But they were pretty quiet during Florida's cold spell. PRETTY quiet.

Ethel Etherington, however, was kind enough to send a copy of a Florida paper that admitted it was cold there. Their weather story on the cold snap was headlined "An Embarrassing Circumstance."

Mr. and Mrs. Edward Vos who recently returned from a visit with relatives in Ontario, Calif., found an echo of home when they picked up a newspaper there. It contained a tiny item about a Christmas letter from Holland, Mich. addressed simply to "William Plasmann, Sr., 204 South Vine Ave., Calif."

Postal authorities were mystified as to how the letter found its way to the proper recipient, but the card was delivered Jan. 17 with an enclosed dollar bill from Mr. Plasmann's Holland friend.

The police department has purchased 18 surplus Army blankets to replenish a worn and depleted supply for the six cells in the city jail. Police Chief Jack Van Hoff said blankets are provided in the regular jail only, and not in the hobo cell in the rear. Experience has shown that blankets just don't remain in that cell. Besides, most hobos wear all their clothes and don't need blankets for warmth.

Raymond Holwerda, athletic director at Holland Christian High school has borne the brunt of many jokes this week in the "absent-minded professor" vein.

He went to Kalamazoo Feb. 4 for the scheduled Holland Christian-Western basketball game only to find out the game had been called off because of the car, he had to hitch-hike a ride storm. Then, caught without a home through the snowy country, side.

Holwerda, who had attended a meeting in Grand Rapids earlier Tuesday and went by train directly from G.R. to Kalamazoo, has a perfectly logical explanation for the mistake—but will the students listen? Oh my, no!

Muskegon Man Badly Injured in West Olive Crash

Harry Flickema, 45, of Muskegon was in "very serious" condition in Holland hospital today as the result of a fractured pelvis and other injuries received when the car he was driving crashed into a cement abutment at the "S" curve on US-31 near West Olive at 6:30 p.m. Monday.

The accident occurred when Flickema, driving south, applied his brakes to round the curve and the car slid sideways on the icy highway. The point of impact was on the left side. About 15 minutes later, while Mrs. Flickema and passersby were awaiting the arrival of a Holland ambulance for the unconscious man, a large semi-truck, driven by Fred Hogan, Jr., also of Muskegon, lost control on the slippery curve and crashed into the right side of the car. The car was so badly damaged that both sides virtually touched in the middle.

Mrs. Flickema, who had been shaken by the earlier impact, rushed from the car when the truck neared, thereby escaping serious injuries. She had been sitting in the front seat, talking with neighbors. Flickema remained in the front seat. It was not known whether the second impact caused further injuries.

Andrew Jackson Claimed by Death

Andrew L. Jackson, 79, former Railway Express agent here, died early Tuesday after a lingering illness at his home, 139 West 19th St.

Mr. Jackson was with the express company 52 years, joining the American Express Co. of Pittsburgh, Pa., as a wagon boy at the age of 18. He advanced to the position of district accountant in the Grand Rapids office serving in that capacity for seven and a half years. When that office moved to Detroit, Mr. Jackson accepted the local position with the Railway Express Co. He retired from active service in 1938.

Mr. and Mrs. Jackson celebrated their 56th wedding anniversary last October. Mr. Jackson was a member of the local First Methodist church and an honorary life member in Allegheny lodge, F and AM, of Pittsburgh.

Surviving are the wife, Anna Louise; one son, Herbert A. Jackson, professor of physics at State Teachers college, Minot, N.D.; three daughters, Mrs. Selene Sleeman of Detroit, Mrs. Dorothy L. Ritchey of Washington, Pa., and Mrs. Anne J. Notier of Holland; and five grandchildren.

A successful project to raise funds for the school picnic was conducted by Herman Weaver. Tentative plans for the picnic, to be held at the close of the school year, were discussed—and committees were appointed.

Refreshments were served by parents of fourth and fifth graders. The next PTA meeting is scheduled for March 11.

The projects throughout the state totaled \$1,212,931.

Hope Professor Talks To DAR About Lincoln

Dr. John Hollenbach, Hope college English professor, addressing members of Elizabeth Schuyler Hamilton chapter, Daughters of the American Revolution, in the home of Miss Maibelle Geiger Thursday afternoon, speculated on three episodes in the life of Abraham Lincoln and the influence of the "women in his life".

Suggesting that the great President's youthful poverty, his struggle to find his place in life and the problems faced in trying to solve some of the puzzles of the universe, were in part responsible for the lines in his face, he also indicated that his experiences with women contributed character lines.

There is no doubt that the death of Ann Rutledge was one of the most tragic incidents in Lincoln's life, said Dr. Hollenbach. On the other hand, without his experience with Mary Todd, his sharp-tongued, energetic, decisive and accomplished wife, it is questionable if he would have become the man he was.

His experiences added to the man, and Lincoln's "trial by women" was a trial from which there was no definite end or victory, said the speaker.

Delegates to the state conference to be held in Benton Harbor the last of March were named at the meeting. Mrs. Milton L. Hinga, who presided, will represent the chapter as regent. Delegates are Mrs. F. DeWeese, Mrs. John Rozeboom, and Mrs. Bruce Mikula, with Mrs. O. S. Cross, Mrs. W. F. Kendrick and Mrs. R. B. Champion as alternates.

In other business it was voted to make a contribution to the DAR Ellis Island work and to supply magazines to the Youth Center and USO. A collection for Tamassee school netted more than \$10. Other contributions for Tamassee may be taken to the home of Mrs. John Kramer.

The meeting opened with the usual patriotic ceremony and devotions in charge of Mrs. Kendrick, chaplain. Refreshments were served by Mrs. Randall Bosch, Miss Lida Rogers, Mrs. Eldon W. Dick, Mrs. John W. Kramer and Mrs. John Otte.

Banquet Speaker

Lt. Jack J. Bursey

Colored movies of the antarctic with an exciting commentary of his two expeditions as a member of Rear Admiral Richard E. Byrd's party will be Lt. Jack J. Bursey's contribution to the "Lads and Dads" banquet Thursday at 6:30 p.m. in the social auditorium of First Methodist church.

The men's brotherhood is sponsoring the dinner, an annual father and son affair.

Born in Newfoundland, where he lived until he was 21, Lt. Bursey was early initiated into the thrills of the Arctic. A dog-driver, fisherman and expert navigator, his life has been one of real adventure. He served 40 months in World War II, much of the time in command of a ship in the Pacific.

Lt. Bursey has been awarded the coveted Congressional Medal of Honor.

His pictures, taken under the most difficult photographic conditions, bring all the thrill of the antarctic to the audience. "With Byrd in the Antarctic" is the subject of his timely lecture. He accompanied Byrd on the first and third of his expeditions and was one of three men to claim land in the name of the United States.

Christian Mauls Zeeland Chix In Slow Affair

Maroons Take 10th Win Of Year With Ease; Play Eagles Today

Holland Christian gained its tenth victory of the season here before a packed Army Thursday night when they defeated the Zeeland Chix 42-21. The locals were never headed in the contest, which gave Coach Art Tuls plenty of opportunity to rest his regulars for tonight's game with Grand Rapids Christian. The game was well played only on occasions, and on the whole was a rather slow uninteresting affair. The story of the game was purely and simply a case of too much class on the part of the Maroons. The Chix were a game fighting aggregation, but were unable to capitalize on their few scoring opportunities.

Jim Lampen opened the scoring for the locals on the first of three long toms to put the Tulsmen into an early lead, which was increased as the game wore on. Rosendahl and Lampen added two baskets and combined scattered free throws gave the Dutch 11-4 lead at the end of the first quarter.

The Zeelands who were playing without the supervision of their coach, Ray Lokers who is convalescing from an injured knee at an Army hospital, never got started in the second canto and failed to score a single basket. Christian meanwhile was adding nine points to their total to take a 20-5 lead at half time.

With the start of the second half it looked as though the Zeeland offense was beginning to click. They were able to break men loose for a few easy scoring chances to narrow the margin to 24-11 with but two minutes played. Chix forward Harve De Jonge and Capt. Jerry Zeirp did most of the scoring in the brief spurt. This proved to be the end however, because the Christian front line began to operate, and combined to score eight points to send the slow contest into the final period with Holland leading 32-13.

Coach Tuls continued to pour substitutes into the fray in the fourth quarter, but the Maroons maintained their margin. The Dutch led 37-15 midway in the fourth canto as the Chix showed signs of tiring. The final minutes of play was interrupted on numerous occasions for held balls to characterize the pattern of the entire contest. Bob De Weerd of the losers finished the scoring for the evening as he connected on two one handers just before the final whistle.

Except for a few mental lapses, the Christian defense was superb throughout the contest as only eight Zeeland baskets were scored, seven coming in the second half. The locals had many scoring chances and might have been able to score considerably more, had they been accurate. Bremer and Rosendahl did well on the backboards, even though they had little height advantage on the Zeelands.

Christian sunk 10 out of 21 foul attempts while the losers scored on five out of 15. Schrotenboer led all scorers for Christian with 15 tallies. He was followed by Lampen with nine and Rosendahl with eight. De Weerd paced the Zeelands with 10 counters.

After a bad first quarter when they trailed 4-1, the Christian reserves had no trouble with the Little Chix and went on to win, 32-14. The Little Maroons piled up a 15-5 lead at the half, and led 21-12 at the end of the third period. Coach Els Kleinjans substituted frequently throughout the tilt.

Butts Kool led the Dutch with 10 tallies while Heyboer was high for Zeeland with nine.

Kalamazoo Hands Hope Its First MIAA Defeat

Locals Were Not Up To Par in Entire Tilt; Lose High Scorers

Kalamazoo college basketball upset the Hope college quintet 51-45 at the Kalamazoo College gym Friday night. The defeat blemished the otherwise perfect MIAA record held by the Dutch, but left them in undisputed possession of first place in the league.

The Hope quintet was jittery after the Hornets threw a seven point barrage at the Dutch in the opening minutes of play. With six minutes remaining in the game the locals caught the Kazooks for the third time, but fell behind from then on to the end of the tilt.

The Hornets started hot by scoring seven points on baskets by Marlette, Honess and Stanski and a free toss by Thompson while the Dutch had trouble getting under way. Don Mulder finally tossed in a free shot and Herk Buter followed suit with another before De Vette and Van Dis scored on long shots. Stanski tallied again for Kazoo to make the score 9-6 with the game four minutes old.

Then after the Hornets had built up a 12-6 lead, the Dutchmen began whittling and scored 11 points while the Kazooks went scoreless to make the count 17-12, with the Dutch leading. But the Hornets came back to hit on 11 points while the Kazooks went scoreless to make the score 23-17, Kazoo leading, with four minutes remaining in the first half.

Baskets by De Vette and Harv Buter and free throws by Herk Buter and Scholten put the Hollanders hot on Kazoo's trail with the score 25-24. The Hornets shoved in one more bucket and two free tallies in the final minute of the first half to make the count 29-24 at intermission.

Both teams had trouble finding their eye at the beginning of the second half and no points were registered for the first five minutes. Then Van Dis hit a charity toss to make the score 29-25.

After Stanski made a foul shot Herk Buter tallied three points to bring the score to 30-28, but two quick baskets by Wayne Thompson made the score 34-28.

Then midway in the second half it happened: Russ De Vette was called on his fifth foul and was removed from the game. He had four fouls in the first half and had been playing cautiously in the second half. The score was 39-34 when he left and one minute later Van Dis received his fifth personal and left the game with the score 41-36.

A long shot by Mulder, a foul shot by Herk Buter and a push-shot by Harv Buter tied up the ball game at 41-41 with eight minutes to go in the game. Then two minutes later the score was tied again at 42-41 with Mulder hitting on a foul toss.

The Hope squad mustered only three more points in the final six minutes and in the last four minutes the Kazooks began the nerve-racking stall. The Hollanders couldn't get their hands on the ball and were behind 51-45 as the final gun sounded.

Although the game was close the people on both sides of the packed gym knew it was Kazoo's night and not Hope's. The locals weren't sharp under the baskets and Herk Buter didn't have the tip-in touch that lifted the Hollanders out of so many ruts before.

At times the locals were getting plenty of shots but were not hitting with consistency. Most of the Dutch counters were made from out-court; the Hornets sewed things up under the hoops.

Mulder led the Dutch scoring attack and also bore the brunt of the defense. He counted 13 points while Herk Buter tallied 11. Wayne Thompson registered 15 for the Kalamazoo Hornets and turned in an outstanding performance.

The Dutch must now win their next two games against Hillsdale and Alma to win MIAA honors and if they win one while Kazoo wins the rest of their Hope can earn a tie.

In the prelim contest the Hope "B" squad trounced the Kalamazoo "B" team 49-24. The Dutch led at the half 30-13. Nyenhuis led the locals with 13 tallies while Van Wieren turned in a brilliant game counting nine. Sievers paced the Hornets with seven counters.

This isn't, but it could easily be a picture of Little America. Or at least how we stay-at-homes believe it should look. This, however, is a photograph of Frank Varano, 175 West 22nd St., and

Robert P. Lokker, 29 East 15th St., photographing the ice bergs at Ottawa Beach, where last summer thousands found relief from the heat in cool Lake Michigan waters. The view of this vast area of icy wilderness is well worth seeing.

Third Church Will Show Outstanding Color Film

Vivid full-color scenes from astronomy and natural science are featured in "The God of Creation," sound motion picture to be shown at 7:30 p.m. Wednesday, March 5, at the Third Reformed church, corner 12th and Pine, according to Dr. J. J. Sessler, pastor.

Produced in Moody Institute of Science, West Coast department of Moody Bible Institute, by Irwin A. Moon, Sc. D., "The God of Creation" is the second in a series of evangelistic films. The first film by Dr. Moon, "They Live Forever," had a large showing in all parts of the country.

In the opening section of "The God of Creation" the audience takes a trip to the stars by means of solar photographs taken through the giant 100-inch telescope of Mt. Wilson Observatory in southern California, and views complex gyrations of our own solar system.

Lapse-time photography is utilized to demonstrate the beauties of natural science. The illusion of flower buds developing into full-blown blossoms in a few seconds is created through this time-compressing photo technique. The metamorphosis of a caterpillar through the various stages from worm to butterfly, and pollination of flowers are seen on the screen in full color.

Believed to be the first of their kind are the natural-color pictures of photosynthesis, the mysterious food-manufacturing process resulting from the action of sunlight on green leaves.

Through photomicrography the audience peers into the microscopic world of a drop of water and observes the complexity of tiny organisms, enlarged more than a million times.

"The God of Creation" will be presented by the Rev. J. W. McCarell, Moody film representative.
