Seminary President To Retire

Dr. Mulder Will Step Down Later This Year; Board Seeks Successor

Dr. John R. Mulder, president of Western Theological Seminary for 18 years and professor of theology for 32 years, expects to retire this year. Notice of his plans to retire were announced at a meeting of the Board of Trustees Tuesday.

During Dr. Mulder's tenure, the seminary has doubled and almost tripled its enrollment. The beautiful new seminary building on 12th St. was erected under his leadership and direction.

Dr. Mulder is widely known, having preached in almost every Reformed Church in this region and in several churches of other denominations. A large percentage of Reformed Church ministers have received their training under his as one of their professors. His lectures and other addresses have had wide appeal.

In accepting his resignation because of impaired health and responsibilities of the office, the Board of Trustees expressed deep appreciation for the excellent and able leadership Dr. Mulder has given as a teacher and administrator through the years of growth and advancement.

A committee of the board has been authorized to look for a successor.

In his retirement, Dr. Mulder hopes to do some traveling and engage in some writing — things he has never had time to do before — as well as filling some preaching assignments. He and Mrs. Mulder will continue to live in Holland.

Dr. Mulder is a graduate of Hope College and Western Theological Seminary and received a master's degree from the University of Michigan. He later engaged in graduate study at the University of Chicago. Hope College conferred an honorary D. D. degree in 1930 and Central College of Pella, Ia., an LL D. degree in 1932.

Before coming to Holland in 1928, Dr. Mulder taught Bible and philosophy at Central College for three years and served as pastor of Bethany Reformed Church in Chicago for five years. Dr. Harry Hager has been serving as Bethany pastor for about the last 30 years.

Big 2nd Half Gives Dutch 80-68 Victory

ALBION (Special) — After being held to only 25 points in the first half, Hope College's basketball team came alive in the second half Wednesday night and defeated a fired-up Albion team, 80-68 for its 13th straight MIAA victory before 300 fans.

It was Hope's 16th win in 20 starts this season and only Alma stands in the way of a perfect MIAA season. The Dutch conclude the season against the Scots Saturday night in the Holland Civic Center.

The 25-point first half total was the lowest 20-minute output made by the Dutch this season. Hope couldn't hit in the first half, striking on only eight of 30 shots for 27 per cent, and they were bothered by Albion's tricky rotary offense.

The Britons were weaving in their own front court, trying to break open a man for the shot. But while the weave was effective, Albion still made most of their 13 first half baskets from outcourt. Guard Dale Terrell made seven of the baskets, including his first six in a row. He failed to hit a basket in the second half.

Bob Reid, at 5'9", the smallest man on the floor, was the second half sparkplug. He scored the first basket of the second half and then proceeded to score five more baskets in the second half. Reid made eight of 16 from the floor in the game, including six of 13 in the second half.

He dug the ball out of several scrambles and moved down the floor for a layup or passed off to one of his teammates. Trailing 33-33 early in the second half, Reid paced the drive of 11 straight points that put Hope in front, 44-40. But the Britons, playing their final home game, didn't give up and with 12 minutes to go had tied the score at 48-48. However, they never again led as Hope forced Albion to run with them the rest of the way.

Ray Ritsema drew his fourth foul with 12 minutes remaining and was forced out. Bill Vander Bilt took over Ritsema's job on the boards and again Reid hit two baskets in a drive that moved Hope out in front, 55-48.

Jim Vander Hill, the lone freshman in Hope's lineup, also turned in a sparkling performance. He snagged several rebounds in the come-from-behind drive and hit on key baskets on jump shots from the side.

Vander Hill hit six baskets in the second half and made seven of 19 in the game. Vander Hill's final two-point put Hope in front 63-57. Reid followed with a free shot and Hope moved seven points out. Ritsema returned with five minutes left.

Albion made its final push and drew within one point, 64-63 with 3:30 to go. But then Hope took over as Ritsema and Bill Vander Bilt cleared everything off the boards. In the next minute Hope had scored nine points and taken a 73-63 lead. Reid had led the drive with five points.

Reid hit Hope's final field goal to give Hope a 69-63 lead and the final 11 Hope points were made on free shots. Vander Bilt canned four, Warren Vander Hill and Reid, three each and Ritsema, one. Albion was forced to foul in trying to get the ball.

The 12-point spread at the horn was the biggest Hope had in the game. Albion's biggest bulge was 10 points, 27-17 with seven minutes to play in the first half. The game was tied five times, three in the first half.

Reid led Hope with 20 points while Ritsema, who hit five of 13 from the floor, followed with 17. Warren Vander Hill, bothered with the flu, made 14, including four field goals in 11 shots. This is Vander Hill's lowest total this season in an MIAA game and tied his season's low of 14 made at Lakeland, when he played half the game.

Hope hit 20 of 43 shots in the second half and ended with 28 of 73 for 38 percent while the Britons had 13-20 and 10-32 for 23 of 62 and 37 percent. Hope made 24 of 35 free shots and Albion, 22-28. Albion is 6-7 in the league.

Vander Hill has 346 points in MIAA play for a new record but his average is below Manny Glasser of Kalamazoo, who scored 339 points in 12 games in 1952-53. Vander Hill has a 3.8 average while Glasser's was 23.25. Vander Hill has scored 525 this season for a 26.5 overall average. Ritsema has scored 301 in league play for a 23.2 average and 470 overall for a 23.10 average.

Other Hope shooters in the game included: Vander Bilt, 3-4; John Oosterbaan, 1-1 and Don Boyink, 0-4.

Man Knifed During Fight Early Sunday

A Holland man was hospitalized early Sunday with knife wounds following a fight outside Zig's Restaurant on M-21, just east of the city, in Holland Township. Listed in fair condition today in Holland Hospital is 21-year-old Calvin Mullins of 248½ East 14th St. Hospital officials said Mullins suffered one puncture wound and several other lacerations on the back and left arm.

Raymond Alsip, 27, of 129 Walnut ave., demanded examination Wednesday when arraigned on a charge of felonious assault in connection with the stabbing.

No date for the examination was set and Alsip was returned to the Ottawa County jail after failing to post \$2,500 bond.

Grysen said both men had been at a tavern between Holland and Grand Haven Saturday night, and then came to the restaurant where the stabbing occurred. An argument ensued at the restaurant, Grysen said, and Alsip and Mullins went outside to fight. The stabbing occurred at about 2:45 a.m., deputies said.

Grysen said the two men had quarreled before, and had fought at a tavern just a week ago.

Undersheriff Forrest Salisbury and deputies Sunday contacted witnesses to the fight in an effort to obtain further information. Any witness to the incident who had not been contacted by the Sheriff's Department has been asked to call Sheriff's officers in Grand Haven, at Grand Haven 18.

Girl Scouts Pay Off Debt

ALLEGAN — Allegan Girl Scouts, who had been at least 13 years behind in their rent for a city-owned meeting room, were paid up Tuesday.

The rent, as set down in a lease in 1935, was one red rose a year. City Manager P. H. Beauvais, who has had his job 13 years, recently uncovered the lease and announced the terms hadn't been kept as far as he knew.

At Monday night's council meeting, Girl Scouts appeared and presented each councilman, Beauvais and the city clerk with a rose. Earlier in the day, Mrs. Marie Fredericks, a Newaygo restaurant owner who had read about the Girl Scouts being behind in their rent, sent a dozen red roses to city hall "because she likes Girl Scouts."

Beauvais announced the bill was paid in full.

Little Maroons Win 16th Tilt

Holland Christian's Little Maroons closed a most successful season on a winning note Tuesday night on the Civic Center court when they humbled Muskegon Christian's reserves, 55-42. The Hollanders finished with a 16-2 mark, while the Warriors are now 10-5 with one more to play.

In piling up 16 wins, the Little Maroons, earned the distinction of beating every team on their rugged schedule. Their only two defeats came at the hands of Allegan by four points and to St. Joseph. Both of these defeats were avenged handily, however.

Coach Clare Pott, who is giving up the reserve reins, attributed the success of the squad to excellent team play. All of the boys were good scorers and threats in every game. They finished the season, averaging 59.9 points per game. As a reward for a good season and for use in tourney play, all five sophoms on the starting five have been moved up to the varsity squad.

The Hollanders broke away from a 3-3 tie at the beginning of the tilt and were never headed off that, although the scrappy Warriors were in the game throughout the first half. At the first quarter mark, the Maroons led 16-9 and upped the count to 29-21 at halftime.

Holland came out in a zone defense to start the second half and completely baffled the Muskies to pull away easily. By the end of the third period, they were coasting along 46-27. They built up the margin to 24 points, before the losers whittled the bulge against Maroon reserves.

The five starters who moved up to the varsity led the scoring with Paul Stegenga, getting 15, Paul Tuls, 10, Dan Joldersma, nine, Clare Van Wieren, eight and Jim Fredricks, seven. Other scorers were Don Klaasen with four and Mel Disselkoen with two. Hugh Boersma led the losers with 11. Pott has been coaching for the past six seasons and compiled an outstanding 82-25 overall record.

Maroons Win 10th Contest Over Warriors

Holland Christian's Maroons breezed to their 10th win of the season on the Civic Center court Tuesday night by outclassing Muskegon Christian, 75-19. A crowd of 2,400 fans turned out to see the Maroons close their regular season with a 10-8 record.

It was strictly no contest from the outset as the smaller Warriors were no match for Christian. Muskegon Christian which had been playing good ball recently, coming up with some big wins in the last two weeks, gave a disappointing performance. The game turned into a breather for Coach Art Tuls' Maroons, and provided a welcome relief from the hectic games on the rough Maroons schedule of the last few weeks.

The game was so lopsided that Tuls used his regulars with the exception of Capt. Vern Wedeven, less than a half of the ball game. Even at that the reserves came through in great fashion with 29 points of their own. Tuls used his entire 10 man squad with nine of the boys breaking into the scoring column.

Once again it was a strong defense thrown up by the Hollanders which paved the way for the victory. At the start, the locals kept the Warriors out and away from their favorite driving shots. Once the losers realized that they were outdistanced they started shooting long corner shots and some of the low percentage variety. All of this added up to perhaps the poorest shooting mark in Muskegon history. They connected on just four baskets out of 45 tries for a miserable nine per cent. Holland meanwhile took 64 and connected on 23 for 36 per cent.

The locals looked good offensively as well, although Wedeven and Frank Visser had trouble getting a shot off as they were repeatedly fouled as they received the ball. Muskegon tried to make up for lack of size with scrap but often fouled the Maroons in rebound play. They were assessed 29 personal fouls compared to 17 for the Maroons and lost three boys on fouls at various stages of the game.

Only in the opening minutes of the game, did the invaders make a game of it as they led 4-3 in a slow start for both clubs. Then the Dutch paced by Forward Jim Smits, began to move and jumped out to a 15-6 first quarter lead with Smits getting eight.

After the first few minutes of the second quarter, it was all over as the Maroons scored 10 straight points to lead 25-6. This was just the beginning however, as the guards Ken Walters and Tom Bouman connected from out to pace the locals to a 40-9 half-time margin. Bouman hit four straight one handers from out during the period. Muskegon managed just three points on a fielder by guard Dave Vandenberg and a foul shot.

The third period was a dull affair as the Hollanders seemingly scored at will off a fast break. Reserve Doug Windemuller who led the Maroons with 11 points, all in the second half, was the big gun of the period along with Wedeven. Coach Elmer Walcott's club failed to garner a basket in the eight minutes and trailed 55-14 at the period's close.

Even Muskegon's all court press backfired in the last period as the Dutch reserves broke through easily for good shots. The Maroons on several occasions held 56 point bulges, their biggest gap of the contest.

At the foul lane, the Hollanders made good 29 out of 45 fouls tries, while the Warriors collected 11 out of 23. No Muskegon player scored more than one basket, with Fred Vanden Brand leading his club with four points. Balanced scoring was the key for the Dutch as three boys, Wedeven, Smits and Visser followed Windemuller's 11 with 10 each.

Christian now rests until next Wednesday when they open district tournament play at Zeeland against Hudsonville High.

West Ottawa Cagers All Back Next Season

Herb Maatman should be the envy of every basketball coach in Michigan because he has his entire team back next season.

Every coach has this problem annually as graduation takes the top players. But this is not the case at West Ottawa where every player will return next season.

The reason is that West Ottawa will expand to include the 11th grade next year. And all the players will be back.

This is the first season that West Ottawa has had a basketball team and the varsity was made up of freshmen and sophomores. They learned a lot this season in winning three of eight games and should be strong next season.

Five of the players on the club were freshmen including the first four scorers. Freshman Duane Overbeek, who scored 90 points including 21 last Friday against Sand Lake, had an 11.3 average.

The 21-point total was the best single effort by a West Ottawa player this season.

George Donze, another freshman, had an 8.1 average while another freshman, LeRoy Vedder,

had a 7.8 average. The fourth high scorer is freshman Norm Koop with a 7.3 average. All four freshmen were first string. Darryl Dykstra is the other freshman on the team.

Capt. Marinius Donze, the lone starting sophomore, had 5.8 average per game. He sank the winning basket in the final 12 seconds in the first Sand Lake game. The other sophomores are Glen Bareman, Paul Bosman, Harry Knipe, Bill De Graaf, Tom Eppinga and Jack Helder.

West Ottawa scored 553 points in eight games for a 44.1 average while the opponents had a 44.8 average.

West Ottawa opened the season with a 57-40 loss to Saugatuck and then lost to Parchment, 42-41. The third game was a 44-40 loss to Marne and this was followed by a 30-31 setback to Saugatuck.

But then the tide turned and West Ottawa beat Sand Lake, 51-49. Then the Panthers avenge the loss to Marne with a 51-36 score before losing to Parchment, 36-34. The final game was a 64-49 win over Sand Lake.

Maatman thought the club progressed throughout the season and that the defense was good all season. West Ottawa used a zone most of the time.

The offense improved each game and was climaxed with some fine balanced scoring the last game. Maatman is hoping this balance carries over to the Class C district tournament.

West Ottawa will play Grand Rapids Forest Hills (0-13) on Thursday, March 3 at 8:30 p.m. in Grand Rapids Rogers gym. The Grand Rapids Lee-Saranac game will be at 7 p.m. Thursday. The winners will meet Saturday at 7 p.m.

Adult tournament tickets will be available at the door while student tickets will be sold at West Ottawa. A total of 2,530 seats are available at the gym.

Persons attending the game should take the Belt Line (US-16 bypass) to Clyde Park, then turn right four blocks to Buckingham St. Take Buckingham west for a half-mile to the school.

Maroons Drop 80-63 Game In Indiana

SOUTH BEND (Special) — Holland Christian's cage squad got a good taste of Indiana basketball here Friday night as the Maroons faded in the second half to fall before a potent South Bend St. Joseph club, 80-63. The loss brought Christian's mark to 9-8 with one game left.

South Bend closed its season with a 15-5 mark Friday night as they begin tournament play next Thursday night. Excitement in this hotbed of Indiana basketball was at fever pitch as the crowd of 2,000 fans cheered frantically with almost every basket. The contest was played in the spacious new gymnasium of St. Joe, directly across from Notre Dame University.

Without a doubt the Maroons fell before the finest club they have met all season. The Indians with an all veteran team were terrific Friday night and are paced by 6'2" Dave White who is being touted as one of the best prep players in Indiana. South Bend has great poise, great shooting and tremendous rebounding led by 6'5" Tom Hess and 6'4" Al Papi.

White, who is averaging 24 who has hit as high as 40, tallied 34 against the Maroons. He played practically the entire game and set a South Bend area season scoring mark just before leaving the contest. His greatest shooting came in the third quarter when he bombed seven out of eight from well outcourt. He is a great offensive performer, who will drive his guard when he plays too close and will shoot from out when the defense sags.

Christian with a front line which averages about 6'3" hasn't been outscored much this season, but they came off second best against South Bend. Hess and Papi who are big in addition to being tall are rugged and covered the boards like a blanket, despite the fine efforts of Christian's Frank Visser and Vern Wedeven and the rest of the team.

Despite the final outcome, the Maroons were in the ball game until well into the third period, when the Indians could do no wrong. The Maroons led during much of the first period and trailed by eight at the half, but then came the phenomenal shooting by White and Co. which netted 18 points in three and a half minutes.

After the host club had scored the first basket, the Maroons took over and led by Visser and Ken Walters held a five point lead at one stage. The Indians however led 13-12 at the horn.

After the two clubs were tied at 15-15, Hess started to take over the scoring burden for the Indians and kept his mates out in front by three and four points. In the final stages of the half, the South Bend crew managed to pull out to a 31-23 bulge at the intermission.

Then came the deluge as the fired up winners really turned it on. Set afire by White's spectacular shooting the Indians moved out to a 43-25 bulge in about four minutes. The Maroons never recovered after this as they fell behind 58-33 going into the last period.

Although the game was out of reach, Coach Art Tuls' Maroons didn't quit as they unveiled a zone press which netted them 30 markers in the last eight minutes. The Maroons became ball hawks all over the floor as they intercepted passes and drew many fouls. Both coaches used reserves throughout a good share of the stanza, although White stayed in to break the record, aided by his "feeding" teammates.

From the charity lane, the locals collected on 19 out of 34 while

South Bend hit on just eight out of 24. Wedeven led the Maroons with 17 markers, followed by Visser, Walters and Ken Disselkoen with 11 each. Following White's 34 was Hess with 15.

Christian closes its regular season play next Tuesday on the Center court when they entertain Muskegon Christian.

Four bus loads of Holland Christian students made the trip to South Bend in addition to other adults which gave the locals a following of about 300 fans at the game. As it stands now, it appears as if the locals won't be able to schedule South Bend next season. South Bend officials feel that they must schedule a new high school just in operation in the Mishawaka area in place of the Maroons.

Excitement is at fever pitch as the state tourney approaches this week in Indiana. Spurred on by a pep band, the crowd noise is of terrific proportions as they cheer their team on. Holland Christian players were so impressed by the performance of South Bend's Dave White that all five starters on the bench in the last stages of the game walked across the floor during the game to congratulate him. Coach Dick Hendricks, new coach of the South Bend club felt that his club had played, perhaps their best ball of the year against the Maroons and definitely feels along with many other Indiana fans that St. Joe could cop the Indiana state crown if they continue to play as well. As the game neared its end, the crowd started to chant, "two, four, six, eight, this is the year we go to state."

The South Bend high school is six years old, built in an area with lots of room, almost directly across the highway from the famous golden dome, of Notre Dame University.

Ottawa County Farm News

By Richard Machiele

Ottawa County Extension Director With graduation time fast approaching for high school seniors, some boys and girls may have a desire to enter some field of agriculture. We can highly recommend entering some of the professional fields. From all the information we get almost every professional agricultural field is in need of workers. Another course set up for those not interested in four years of college, but interested in some field of agriculture, we suggest investigating the short term courses offered. There are two types of courses, one of which runs for an 8 to 12 week term and the other is a two year industry course in which the student attends school one term and works in the industry of his course the following term.

We have additional information available at our offices which we will be glad to send, or stop in for this information. We would also like to mention that through the courtesy of the Michigan Bankers Association a limited number of scholarships are available to worthy applicants. This is a \$100 scholarship which will pay approximately one half of an eight-week course. Make your application early if interested in receiving this scholarship.

The yield, percent of moisture at time of harvest, and percent of stalk lodging are listed for each variety. Be sure to check this bulletin before buying your seed corn.

Another bulletin the fruit grower is vitally interested in is ready for distribution, this the 1960 Spray Calendar. Many changes have been made due to changes in recommended materials. This bulletin has been sent to all tree fruit growers on our mailing list, however, it also contains recommendations for strawberries, grapes, raspberries, and blueberries. If you would like to get a copy of the 1960 Spray Calendar, either write or call the Extension Office, Court House, Grand Haven, of 17 South Elm St., Zeeland, and we will be glad to send you a copy. We will be happy to place your name on our mailing list to receive this important publication each year.

From the American Guernsey Cattle Club comes word that Donald Kamps, Byron Center, has two registered Guerneys that have recently completed official production records — Kamplands C. C. Mary, a senior two-year-old produced 9,746 pounds of milk and 476 pounds of butterfat in 305 days; and Kamplands Butterfat Dottie, a junior two-year-old, produced 10,116 pounds of milk and 511 pounds of butterfat in 365 days.

Also, Harold L. Jenison & Sons, of Jenison, have two registered Guerneys recently completing official records — Rose Lake Lynn, a nine-year-old, produced 15,304 pounds of milk and 765 pounds of butterfat in 305 days; and Rushcreek Maybelle, a junior three-year-old, produced 9,850 pounds of milk and 507 pounds of butterfat in 305 days. All four cows were milked two times daily. These official production records were supervised by Michigan State University.

In these days of inflation and rising prices, we hear quite a bit of complaining about the high price of food. Perhaps you have even heard someone wish for a return to the good old days when pork chops were 20 cents a pound. It is true that the price of food is rising. It has risen about 18 percent during the last 10 years, as measured by the consumer price index for food. However, we must look at food prices from a relative standpoint compared to the prices of other commodities including the price of labor. Food is really a bargain. Here is what an hour's take-home pay could buy thirty years ago in comparison with today:

30 Years Ago — 5½ loaves of bread or 1¼ pounds of steak, or 1½ pounds of chicken, or ¾ quarts of milk, or 1 dozen oranges, or ¾ cans of tomatoes.

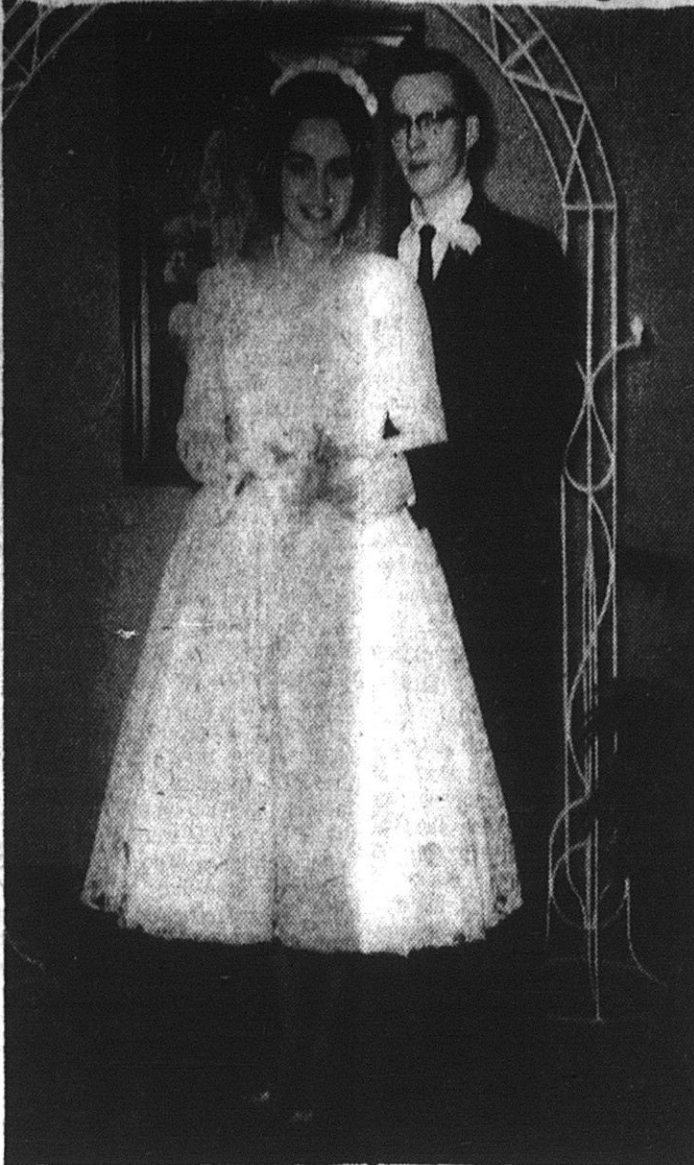

Now — 10 loaves of bread, or 2 pounds of steak, or 3 pounds of chicken, or 7 quarts of milk, or 3 dozen oranges or 9½ cans of tomatoes.

Further emphasizing the plight of the farmer we have a prime example in our poultry industry where it would cost 31 cents to produce one dozen eggs that are selling for as low as 22 cent current receipt prices. This certainly shows the farmer is not receiving his rightful share of the consumers dollar.

Bulletins you may want to check when making plans for your spring gardening are: F-150, Peony Culture; F-144, Dahlias in the Garden; F-146, Gladiolus Culture; No. 25, Roses for the Home; No. 439, Spring Flowering Bulbs; No. 66, Growing Iris in the Home Garden; E-2, Landscape Planning for Residential Properties; E-6, Landscape Planning for Home Grounds; E-1, Landscape Planning for Rural Homes.

The sport of curling, increasingly popular in the United States, was introduced to Canada nearly 200 years ago by Scottish troops stationed in Quebec. A kind of shuffleboard on ice, the game derives its name from the motion of the round stone as it slides toward the scoring area.

Mr. and Mrs. Gerald Lee Rozema

The marriage of Miss Iris Faye Hopp, daughter of Mr. and Mrs. James A. Hopp, 274 Lincoln Ave., and Gerald Lee Rozema, son of Mr. and Mrs. Fred Rozema, 120th Ave., was solemnized Jan. 28 in the Women's Lounge of the Sixth Reformed Church parish house.

Mrs. Barendse wore a medium blue chiffon gown with sequin trim.

Hope Church Guild Hears Book Review

Luncheon was served to 112 members of Hope Church Guild for Christian Service on Wednesday as the women of the church gathered for their second monthly Guild meeting in the Parish Hall of Hope Church.

The afternoon's theme "Africa Disturbed" was presented in a review by Mrs. James Wayer of the book by Elroy and Myrta Ross. The authors, formerly missionaries in Liberia and the Belgian Congo, were invited by several companies and official governments in Africa to compile interviews with citizens from the continent's many states, and those informal talks resulted in the book, Mrs. Wayer explained.

She then transformed the Ross's accounts into a concise and cohesive picture of the impact of western thinking on African lives. "Disturbed" is the keyword, Mrs. Wayer said, reminding the women that the existence of 12 independent states now is due to the disturbance begun by Christian Missionaries about 100 years ago. She said that 10 more free states are expected to emerge by 1965 as the message of the "individual's worth" continues to penetrate the tribal systems.

Devotions by the Secretary of Spiritual Life, Mrs. L. W. Lamb, Jr., previewed the theme. Mrs. Milton Hinga presided at the business session. Mrs. James Ward announced World Day of Prayer.

The luncheon was prepared by Circle 2, led by Mrs. C. J. McLean and the Service Chairman, Mrs. William Hakken. The tables followed the African theme with exotic decorations done by Mrs. Sidney Tiesenga.

Girl Scouts Owe a Bill

ALLEGAN — Girl Scouts in Allegan owe the city at least one dozen red roses.

While looking through a file of old leases, City Manager P. H. Beauvais came across one written in March, 1935, by the then Mayor Joseph Mosier and City Clerk Franklin Feather leasing property housing the Girl Scout house.

Under the terms of the lease the Girl Scouts were to pay "one red rose, to be delivered to the city hall on or before the first of July in each and every year during the life of the lease."

Beauvais said that to his knowledge no payment had been made during the 13 years he has been city manager, and he didn't know if any payment was made prior to that.

But Beauvais said the city would settle the "back rent" for one dozen red roses.

LEGEND AND MAN

George Washington chopped down a cherry tree and never told a lie, George Washington threw a silver dollar across a river, George Washington surveyed the wilderness and fought the Indians; he mounted a white horse and led a ragged army of patriots to victory over the Redcoats; he was the Father of his Country.

These are elements in the legend, a kind of mythology that centers about the solemn, tight-lipped figure that peers out at us from the Stuart portrait. It is refreshing to think about him not as a legendary hero, but as a man who measured up to the demands of extreme crisis.

It has been well said of Washington that his "strength of character, his ability to hold the confidence of army and people and to diffuse his own courage among them, his unremitting activity and his strong common sense, constituted the chief factor in achieving American victory" in the Revolution. This judgment is amply supported by the record of those terrible years.

It should also be noted that Washington's good sense and adherence to principle played a major role in launching the nation in perilous waters. A lesser man might have allowed the new ship of state to head for the shoals. It is a part of our great debt to Washington that he held the nation on course in that crucial period.

A Prisoner for Christ

By C. P. Dame

There are two kinds of courage. Some men show courage by doing a brave deed in the heat of the moment before they can think or count the cost and then there are men who before they do something courageous have plenty of time to think and still do it. Paul showed this latter, higher courage. I. To be determined is usually a good quality. Paul was determined to go to Jerusalem. At Miletus Paul met with the Ephesian elders. He had literally to tear himself away from these men for they did not want him to go to Jerusalem. At Tyre the ship on which Paul was sailing had to unload and there Paul sought and found Christians who also warned him not to go to Jerusalem. The men, with their wives and children brought Paul to the beach where they all knelt and prayed and bade him farewell. How they loved Paul!

The missionary party came to Caesarea and there Paul stayed with Philip. Again Paul was warned not to go to Jerusalem and this time by Agabus a prophet. Although his friends tried to persuade Paul not to go he was determined and left for and came to Jerusalem where Paul met James and the elders. It seems as if no other apostle was in Jerusalem at that time. Paul told the gathering about the conversion of many Gentiles to Christianity. When they heard this they glorified God.

The church in Jerusalem and Judea evidently had grown for the thousands who had become Christians. The church in Jerusalem was composed of Jewish Christians who were still zealous about the law. There was a slight cleavage between the Jewish and Gentile wings of the church. Paul had collected money from the Gentile churches for the church in Jerusalem for the purpose of helping it and of uniting the two wings of the church.

The leaders in Jerusalem told Paul that there were reports going around about him saying that he was rather lax towards the law of Moses. They suggested that Paul join four Jewish Christians who had made a Nazirite vow and go in the temple with them and help pay some of the expenses and thus show that the reports circulating about him were false. Paul consented to do this although it must have been against his grain to do it.

II. It is so easy to jump to a false conclusion. The final part of the vow was almost past when the storm broke. Certain Asian Jews had seen Paul walking about Jerusalem with Trophimus, an Ephesian Gentile. Some Jews from Ephesus came into the Temple and saw Paul there and they jumped to the conclusion that Paul had taken his friend, the Gentile Trophimus, with him in the temple court where no Gentile was allowed. On a low barrier the words, "No alien must set foot within this enclosure on pain of death" were inscribed on stones.

These few Asiatic Jews got Jerusalem excited and began a riot by saying that Paul had brought Greeks in the temple and defiled it. Paul was dragged out of the temple and they almost murdered him but Roman soldiers rescued him from the mob. Claudius Lysias, the chief captain, heard a confused babel of voices but could not learn what the trouble was about. The captain thought Paul was a well-known Egyptian revolutionary. When Paul spoke to him in Greek he surprised the officer. Paul asked the captain for permission to speak to the people and it was granted after he had identified himself. What poise and self-possession Paul had! He had barely escaped from the hands of an angry mob who were eager to kill him when he asked to speak and did so to the very people who were determined to kill him. Quietly and confidently Paul looked at the mob, raised his hand and addressed them with the words, "Brethren and fathers" in the Hebrew tongue and spoke until he used the word "Gentiles" and then pandemonium broke loose. We all need something of the spirit of this man of courage.

Civic Music Association Selects 5 Top Attractions

Holland's Civic Music Association concluded another successful membership drive Saturday and selected its attractions for the 1960-61 concert season starting next fall.

Following suggestions from volunteer workers, the board of directors arranged five concerts next season instead of six, after many patrons had expressed wishes for fewer concerts with better known artists. There also were requests for groups rather than too many soloists.

Already announced as top attraction for the new season was the Pittsburgh Symphony. It is necessary to book symphony orchestras early since only about two symphonies include Michigan in a tour.

The Temianka Little Symphony consisting of 15 virtuoso performers also was selected. This chamber group was organized by Henri Temianka, conductor and violin soloist. It also has a duo piano team, William Corbett Jones and Sylvia Jenkins, who bring their own Steinways. Conductor Temianka also is a member of the Paganini String Quartet, famed for its recordings.

Returning to Holland after two

or three years will be the Tucson Arizona Boy Choir which scored a hit on their first appearance here.

Other attractions will be the Ror. Strong Dance Quartet consisting of Rod Strong and three talented young ladies in "Dance Cameos" and for the fifth attraction, Robert Schrade, pianist. The latter is a relatively young artist who has been in the concert field about 10 years.

Members joining for the first time will hear six concerts since they will have the privilege of a bonus concert March 3 when the Minneapolis Symphony appears in Holland as the last attraction of the current series.

Final figures on membership were not immediately available, but President Morrette Rider said the local association has a larger budget to work with this year, assuring a standard of top quality for all attractions. "He thanked officers, board members and all the volunteers for their efforts in making the membership drive a success. He said dates for concerts will be determined later this spring when all cities complete their concert drives.

Sluka Ends 20 Years As Official

GRAND HAVEN (Special) — Steve Sluka, veteran Grand Haven football and basketball official, is concluding 20 years of officiating this month.

Sluka, who has officiated many games in Holland, gave two reasons for retiring. First, he decided to quit when he reached 50 years of age. He was 51 Monday. Second, he wanted to see his son John participate in sports during his senior year.

He has a rather unique suggestion of something he would like to see done to help the officiating situation in football. Sluka says he would build dugouts back from the edge of the playing field much the same as are customary in baseball. He would keep the coach and his players in the dugout unless they were out upon the field by the officials.

Sluka also has a suggestion he thinks would make for a better situation in regard to hiring of officials for high school football and basketball.

He would ask the Michigan State Athletic Association to provide a central hiring office for all officials throughout the state. A school would write for officials for a certain game on a certain date and the necessary officials would be assigned from the central office.

This would avoid the personality clashes between coaches, athletic directors and officials, Sluka said. He doesn't think another official is needed to improve the basketball situation.

There has been talk of supplying three officials for basketball. But Sluka feels the adding of a 24-second shooting rule, or something similar for

Hope Clinches 4th Straight Loop Title

Dutch Defeat Olivet, 94-63; 12th Loop Win

OLIVET (Special) — Hope College's basketball team clinched a share of its fourth straight MIAA basketball championship here Saturday with a 94-63 victory over Olivet College before 150 fans Saturday night.

The victory was Hope's 12th straight in MIAA action while Calvin is in second place with a 10-2 mark.

It was Warren Vander Hill and Ray Ritsma again leading the Dutch to the easy win over the Comets. Vander Hill turned in his best shooting average of the season and scored 32 points while Ritsma added 20 points and was best on the boards.

Vander Hill made 16 of 20 shots from the floor for an amazing 80 per cent. He played about three-fourths of the game. He hit his first four shots, then missed two, added two more, then missed one and then hit three in a row in the first half for nine of 12.

In the second half, Vander Hill made seven of eight. He made his first six shots, then missed one, and then came back to make one more basket before retiring with 10 minutes to play. He missed his lone free shot in the second half.

Vander Hill now has scored 511 points this season for an average of 26.17 per game. Vander Hill slashed Paul Benes' single-season mark of 476 in the Hillsdale game last week. Vander Hill has now scored 1,541 points in his four-year career. Benes holds the all-time mark of 1,761.

In the league, Vander Hill has now scored 332 points for a 27.8 average. He is also leading Michigan in scoring and it was the second time this season that he has scored 16 field goals in one game. He holds the Hope record of 18 in one game. Most of his baskets Saturday were again jump shots. Vander Hill had the flu Sunday and was expected to miss practice today. The MIAA record is held by Manny Glasser of Kalamazoo of 339 points and a 28.25 average. This mark was set in the 1952-53 season in 12 games.

Ritsma had the flu Saturday but was able to play in the game. He left with about 10 minutes to play. Coach Russ De Vette was pleased with the work of his reserves in the game.

He singled out the work of Norm Schut, who picked up 10 points, and also Roland Schut, who made eight points. Don Boyink also turned in a fine game and added six points. Reserves played more than 10 minutes in the game. Hope led 44-27 at the half.

Hope hit 51 per cent of its shots for the best of the season. The Dutch made 40 baskets in 78 tries, including 20 baskets in 37 tries in the first half. They made 20 of 41 shots in the second half. Hope made 14 of 27 free shots.

The Dutch used a zone press most of the time and didn't allow Olivet to slow down the game. With the press, Hope was able to intercept many passes and made several baskets off the fast break after snagging the passes or after taking the ball off the boards.

The Comets made only 19 baskets and had only 52 shots. The Comets had nine of 29 in the first half and 10 of 23 in the second half. The Comets made 25 of 39 free

shots. Dick Groch paced the Comets with 19 points and made seven of 28 shots. Mike Foster, former Allegan player, followed with 15 points, including four baskets in eight tries. Paul Bilsing had 10 points and made four of six shots.

It's a small world!

Bill Sikkel of Holland boarded a plane at Chicago for Omaha, Neb., on a business trip. The chap who sat next to him turned out to be Don Lubbers, vice president of Central College en route from New York to Denver (and then to Pella, Ia.) The two men hadn't met, but knew of each other.

Then who did the flight engineer turn out to be but Ted Stickle, a former classmate of Lubbers at Holland High School. Ted had extra cause for rejoicing since his wife had just presented him with a new daughter that morning. Sikkel hadn't met Stickle before but he knew all about him. When Ted was released as a prisoner-of-war at Korea back in 1953, the Sikkel phone rang off the wall with folks getting the names mixed up.

Add comments on Abraham Lincoln: Municipal Judge Cornelius van der Meulen: "He never got a traffic ticket!"

An owl came to visit the Win Rosers in their home at 583 Lawndale Ct. some time ago. Someone had gone out to get some logs for the fireplace leaving the door open. Later, perched on the buffet was an owl.

The bird flew to a valance over the window, and then hit the picture window, stunning itself. Roser, who put on gloves, picked up the bird and let it outside.

Spring is coming. The Sentinel has had many calls of robins seen here and there. Lewey Michmerhuizen saw four robins at Sunrise Terrace east of Holland on Jan. 24. Diane Hill of 573 West 234th St. saw a robin Feb. 7.

All of which reminds us, remember to feed the birds. There's still a lot of snow and ice around.

A note from Jim Dyas who has been operating the Red Barn Theater near Saugatuck the last three summers brings us up to date on what some of his players are doing this winter.

Dyas and his wife, Dorothy Lee Tompkins, have been with the production staff of the Royal Poinciana Playhouse at Palm Beach, Fla., which had a grand opening Jan. 25 with Helen Hayes starring in Chekhov's "The Cherry Orchard." The Dyases will be working in "The Marriage Go-Round" starring Francis Lederer. Dyas is considering this play as an opener at the Red Barn next June.

Other Red Barn players have had a busy winter in New York. Bill Cain appeared at Christmas-time as "Prince Charming" in an off-Broadway show. Allan James has been playing the lead role of Charlemagne in "The Magic Hour" which is touring New England. Lisa Marshall has just finished writing a new revue which she has recorded. Leta Anderson spent the holidays with her mother in Louisville, Ky., but has returned to New York and her theater activities. Jack Doner is currently working in Los Angeles.

Have you read Dr. Bastian Kruihof's latest book on "Americans in Kilts?" It's an interesting, rather small volume on the experiences of the Kruihofs in Scotland while Dr. Kruihof, former minister of First Reformed Church, was studying for a Ph. D. degree at the University of Edinburgh.

An Edinburgh review stamped Dr. Kruihof as obviously a good and kindly man and about as charitable an observer as ever visited Scotland. Here Dr. Kruihof found the door Scot reserved, but obliging and courteous on further acquaintance.

The story is told in simple chronology but the factual incidents do not stand out by themselves; rather the witty comment from the author welds these little incidents into the whole, making an engaging book, yet a serious one.

The "driest" champagne is brut. Its sugar content is no more than one per cent. Next is extra sec with one to two per cent; followed by sec with three to six per cent and demi-sec with five to ten per cent.

Couple Exchanges Wedding Vows

Mr. and Mrs. Harlon Kenneth Everse

Miss Beverly Jean Hoeksema exchanged marriage vows with Harlon Kenneth Everse in the Niekerk Christian Reformed Church on Feb. 5 at 8 p.m. when the Rev. Donald Negen read the double ring ceremony.

The parents of the bride are Mr. and Mrs. Ervin Hoeksema of 270 East 24th St., and the groom is the son of Mr. and Mrs. Ted Everse of 746 136th St.

Mr. Hoeksema escorted his daughter to the altar as she wore a floor-length gown of Schiffli embroidered tulle. The gown featured a Sabrina neckline accented with a whisper of embroidered sequins and pearls. The bouffant skirt was swept with a Schiffli apron set over the tulle and her fingertip veil was held by a tiny scalloped pillow hat which repeated the sequins and pearl outlines. She carried a Bible topped with white carnations and white satin streamers.

The church was decorated with seven-branch candelabra set in the background of palms and ferns. An altar bouquet of white gladioli and poms added further contrast.

Miss Gretchen Brink as the maid of honor walked down the aisle in a ballerina-length gown of iridescent green taffeta matched with head-piece and green shoes. She carried a colonial bouquet of yellow carnations surrounded with white poms.

The groom selected his brother Lyle Everse to be his best man. Mr. and Mrs. Vernon Overway were the master and mistress of ceremonies at the reception held in the church basement. Waitresses were the Misses Lois Roelofs, Nancy Tuls, Janice Bosch, Carol Vander Vliet and Arloa Bosch.

For her going-away ensemble the new Mrs. Everse changed into a white wool dress with a brown fur collar and brown accessories. Her corsage was of lavender orchids. After their return from Florida honeymoon the couple will reside at 514 West 22nd St.

The bride was graduated from Holland Christian High School and from the Grand Rapids Junior College's School of Practical Nursing. Her husband attended Holland High School and is employed at the Holland Meat Co.

Ask Recall In Allegan

ALLEGAN (UPI) — An attempt may be made tonight to secure a special recall election for City Councilman Tom Surprise on the grounds he failed to carry out a campaign promise.

Circulators of recall election petitions indicated they will have enough signatures to go before the Council tonight and have an election date set.

The voters said that when Surprise ran for the Council in 1957 he promised if elected to work for the ouster of City Manager P. H. Beauvais. The petition bakers said Surprise changed his mind after the election and reported Beauvais doing a "fine job."

Allegan's recall election law says petitions must charge misfeasance, malfeasance or non-feasance.

Beauvais, who also is city clerk, has said he'll refuse to place the recall proposal on a ballot because alleged breaking of a campaign promise does not constitute grounds for recalling Surprise.

West Ottawa Wins 3rd Game

A fourth-quarter splurge and an effective zone defense helped West Ottawa High School's basketball team to a 63-49 victory over Sand Lake before 1,000 fans Friday night in the Holland Armory.

This was the last game for the Panthers, coached by Herb Maatman who ended the regular season with a 3-5 mark in his first year. This was West Ottawa's first year of competition.

It also marked the second time West Ottawa defeated Sand Lake this season. The Panthers took an earlier 51-49 decision on a basket in the final 12 seconds by Marinus Donze.

Forward Duane Overbeek led the winners with 21 points but he failed to hit in the first quarter. Both teams missed almost every outcourt shot in the first four minutes.

Leroy Vedder and George Donze finally connected for the opening baskets and the first quarter ended in a 10-10 tie as Larry Lewis' jump shot fell through at the sound of the buzzer.

Both teams again had difficulty hitting from outcourt early in the second quarter. Vedder made the first West Ottawa field goal in the second period with 6:30 left to play.

But the Panthers made up for their scoring problems in the first half with a zone press that held Sand Lake to seven field goals in 28 attempts. Sand Lake also had trouble penetrating West Ottawa's zone and driving in for layup shots.

Two quick baskets by Roscoe Dann and Larry Lewis put Sand Lake within two points of the Panthers, but immediately Vedder responded with a shot from side court to give West Ottawa a 26-22 halftime lead.

Overbeek and George Donze led the Panthers in the first half with eight points each, with all of Overbeek's points coming in the second period.

The Panthers wasted no time finding the groove in the third quarter. West Ottawa, sparked by George Donze and Overbeek's shots from the side, jumped to a 38-29 lead early in the period.

Technical fouls against both teams put Dave Patin at the line and the big center sank three free shots to put Sand Lake within four points of the Panthers with the clock showing 2:45 left to play in the quarter.

Two West Ottawa players, Norm Koop and Glenn Bareman, fouled out in the closing seconds of the third period which ended, 45-39, in favor of West Ottawa.

A third-period free throw by Koop did not count because of an error in compiling the number of fouls against West Ottawa.

The Panthers hit on nine of 16 shots in the strong fourth period. Vedder and Overbeek led with seven and six points respectively in West Ottawa's 20-point fourth quarter.

Marinus Donze became the third West Ottawa player who fouled out when he left the game with 4:30 remaining.

West Ottawa made 11 of 32 shots in the first half for 34 per cent and Sand Lake seven of 28 for 25 per cent. In the second half, the Panthers connected on 49 per cent of their shots from outcourt with 15 out of 31 attempts and Sand Lake, 31 per cent with 10 out of 32.

West Ottawa shot just nine free throws in the first half but hit on four of them for 44 per cent. In the second half, the Panthers shot 15 free throws and sank nine for 60 per cent.

Sand Lake made 44 per cent of its free throws in the first half on eight baskets in 18 tries and in the second half made 41 per cent on seven baskets in 17 tries.

West Ottawa plays Grand Rapids Rogers in the Class C tournament in Grand Rapids the first week in March.

Dutch Take 65-49 Victory Over Bucs

GRAND HAVEN (Special) —

Employing a familiar pattern of a tight zone defense and smooth fast break in the second half here Friday night, Holland High's basketball team broke up a tight game and romped to a 65-49 decision over Grand Haven for its 10th win in 14 starts this season before an overflow crowd of 1,300 plus fans.

Tied 26-all at halftime, the Dutch opened the second half in a zone and forced the Buccaneers from out. Then Holland cleared the boards and sent its fast break sailing down the floor.

This plan worked effectively and Holland scored 10 points to Grand Haven's two and moved out to a 36-28 margin with 3:16 left in the third quarter. From then on in Holland completely dominated the play and moved the margin to 12 points, 46-34 at the close of the third period.

The closest Grand Haven came the rest of the game was eight points and the biggest spread was the 15 points at the final buzzer.

Grand Haven made only two baskets in the third period and five in the fourth period while Holland made eight each in the last two quarters.

Grand Haven's 49 points tied the lowest mark made against the Dutch this season. Godwin Heights also made only 49 points in the second game of this season. It was Grand Haven's 12th loss in 14 games and the two teams will meet for the Class A district championship in Zeeland on March 4 at 7:30 p.m.

The Bucs were fired up in the opening quarter but Holland matched them basket for basket. But a goal in the final second by Doug Vander Wall gave Grand Haven a 14-12 first quarter lead.

He did the same thing in the second quarter and hit a basket just as the halftime buzzer sounded and tied the score. Midway in the period on a quick spurt, with two baskets by John Sluka and one by Paul Grant, the Bucs jumped to a 22-17 lead, their biggest margin of the game but three quick baskets by subs Jim De Vries, Ben Farabee and Rog Buurma wiped out the margin.

The score was tied five times in the first half and the lead changed hands eight times.

Holland did some fine shooting in the second half and hit eight of 17 in the third quarter and eight of 19 in the fourth period. They had made only six of 20 in the first quarter and six of 17 in the second period. Holland made 28 of 73 from the floor for 37 per cent.

Ron Maat led Holland with 18 points, making eight of 18 from the floor. He was again best in the fast break while Glenn Van Wieren, who frequently started the break with his defensive rebounding, made five of 14 and ended with 13 points.

Farabee played his best game of the season. Filling in at center for Ed Loncki, Farabee grabbed several defensive rebounds and did a good job under the boards. He hit four shot attempts and a free throw for nine points.

Burton Wiersma had four of 13 shots while Loncki hit three of seven. Jack Naber made one of seven while De Vries made one of three and Buurma 4 of 6 for one.

Grand Haven made 47 of 65 shots for 72 per cent. Dave Foutz and John Sluka each had 11 while Paul Grant and Vander Wall followed with 10 each. Eight of Vander Wall's points were in the first half. Bill Swinge missed the game with a sprained ankle and Jul Scheffers was attending a funeral out of state.

The Bucs had quarters of 6-17; 4-13; 2-19 and 5-16. Holland made nine of 19 free throws and Grand Haven, 15-24.

Holland closes the regular season against Grand Rapids Ottawa Hills next Saturday afternoon at 3 p.m. in the Civic Center. A victory will give Holland its best record in six years.

Zeeland Sweeps Kenewa Play With 64-47 Win at Fremont

FREMONT (Special) — Zeeland High's basketball team completed a sweep of the Kenewa League here Friday night with a 64-47 win over Fremont for its eighth straight league victory.

It was the second time in three years that Zeeland has gone through the league unbeaten. They won 10 straight games, when Hudsonville was a league member, two years ago.

The win was Coach Paul Van Dort's 33rd in league play against three losses. Two of the setbacks were administered by Fremont and the other by Coopersville. Zeeland has a 12-3 overall mark this season and completes regular season's play Tuesday against Hudsonville in Zeeland.

Fremont was hitting from outcourt in the first quarter and took a 19-18 first period lead. But Zeeland took over in the second quarter and all five players scored baskets as the Chix outscored the Packers, 17-10 and took a six-point, 35-29 halftime lead.

Bob Brower was tremendous on the boards in the first half and grabbed 11 rebounds. He added 10 more rebounds in the second half and the 21 total was the best compiled by a Zeeland player this season.

Although Brower scored only four points in the first half, he led the second half drive with 12 points and his 16 points topped both teams. Zeeland led at the end of the third quarter, 46-36. The Chix switched throughout

the game from a man-to-man defense to a zone defense and kept the Packers baffled. High-scoring forwards Tom De Kuiper and Dick Kingsford were kept off balance and couldn't get away their set shots.

Zeeland made 23 of 69 from the floor for 33 per cent while Fremont had 20 of 66 for 30 per cent. The Chix made 18 of 24 free shots for 75 per cent, their best free throw shooting of the season.

Mike Rhoades led Fremont with 19 points. The Packers finished with a 3-5 league mark.

Covert Takes Saugatuck

COVERT (Special) — Saugatuck's Indians ran around on fous here Friday night, and took a 70-44 pounding from Covert in an Al-Van League game.

Leading 15-14 at the end of the first quarter, the Indians were slowed when Doug Pierce and Ray Stitt each collected a fourth personal before the halftime buzzer.

Coch Jerry Kiekover, on the short end of a 37-25 halftime score, sent both men back in at the third quarter, and both fouled out. Saugatuck scored only three points in the third quarter, all on free throws, to ice the game for Covert. Third quarter score was 54-28.

Tony Hinson paced Saugatuck in scoring 17 points, followed by Bob Green with 12. Hinson now has 237 points to lead Al-Van scorers. Bernard Abrams led Covert with 23 points and Art Braswell with 18.

The Saugatuck reserve team came back from a seven-point third-quarter deficit to squeak through with a 44-43 win, on a last second layup by Jim Gardner, who intercepted a Covert pass. Dale Winter coaches the little Indians.

Saugatuck now is seventh in the Al-Van League and hosts Gobles next Friday in the league finale. Saugatuck has a 2-11 League record, and is 5-13 for the season. Covert, second in the Al-Van League, has lost two games, both to league-leading Lawton.

Youth Shoots Self in Leg

A 15-year-old rural Holland youth is reported in good condition today at Holland Hospital with a bullet wound in the calf of his left leg.

Thomas Dildine who lives at the home of Mr. and Mrs. David Boyd, his sister and brother-in-law, at 1712 Washington St., accidentally shot himself in the leg at 2:30 p.m. Thursday while tinkering with an old .38 caliber revolver, according to Ottawa County deputies.

Dildine, a student at Beechwood School, said he didn't realize the weapon was loaded. After the accident he ran to the home of a neighbor, and the neighbor called deputies.

Dildine told deputies that the gun had been around the house for a long time and had been kept in a drawer.

Collide at Intersection — Marilyn J. Streu, 23, of 122 Elm Lane, was issued a ticket by Ottawa County deputies for running a red light after the car she was driving collided with a car driven by Ray Bultema, 43, of 579 Crescent Dr., at 8:15 a.m. Friday at the intersection of River and Douglas Aves., deputies said. Damage was estimated at \$100 to Bultema's 1957 model car and at \$130 to the 1953 model Streu car.

Former Resident Visits City After 25 Months in Ethiopia

Bruce Van Voorst, formerly of Holland, recently visited the city after completing 25 months as political officer in Addis Ababa, Ethiopia, with the diplomatic corps of the U. S. Department of State.

Van Voorst left Holland Thursday for Washington, D. C., to await a new assignment. His wife, the former Marilyn Van Hekken of Holland, and their four children will remain in Holland.

Van Voorst said the family expects to leave for the new assignment in a few months unless he is assigned to a post in Washington.

Holland's community ambassador in 1953 when he went to Austria, Van Voorst is a graduate of Holland High School and Hope College. He also studied at the University of Michigan where he earned his master's degree.

Commenting on his two-year stay in Addis Ababa, Van Voorst said that the city's climate was ideal in spite of its proximity to the equator, because of the 7,000 foot elevation.

There are approximately 1,000 Americans living in Addis Ababa, a cosmopolitan city of 500,000 population, and many more living in Asmara, the capital of Eritrea, which is federate, with Ethiopia.

The Van Voorst family visited with Dr. George Hoekstra, an Army surgeon formerly of Holland and now living with his wife, the former Dorothy Moerdyke, also of Holland, in Asmara.

Van Voorst said that the Ethiopians are not akin to the negroid races of most of Africa south of the Sahara. They are much lighter, he said, and are a Semitic people who came across the Arabian Peninsula. They are a very handsome and attractive people.

The National Religion of Ethiopia is Coptic Orthodox. The Ethiopians claim to have been a Christian nation before the spread of Christianity to the Western world.

The Soviets exploit Ethiopia's orthodoxy, Van Voorst said, claiming that it is similar to the Russian Orthodox religion.

Van Voorst said that during his stay in Addis Ababa, Emperor Haile Selassie felt that western

aid was not sufficient to help the country face up to its economic problems. In July 1959 the Emperor visited Moscow and Prague and got approximately 400 million rubles (100 million dollars) in credits from Soviet bloc nations.

One of Haile Selassie's key private secretaries on the Moscow trip was Ketema Yifru, a 1951 graduate of Hope College, Van Voorst said.

According to Van Voorst, Ethiopia faces a severe economic problem. The one-crop coffee economy in a declining world coffee market and an under-developed agricultural economy in other areas leaves Ethiopia with an import-export imbalance.

The Emperor is expected to guide the country and make progress in industry, to develop petroleum and mineral wealth and to modernize highways and communications. This places a financial strain on the country's already slight financial reserves.

Politically the country is not without its problems. Border disputes with Somaliland and the fear of Nasser in the north are problems with which the Emperor must contend. Since nearly half of the Ethiopians are Moslem, it is feared that much of the population might respond to pressure from Nasser.

Emperor Haile Selassie also faces domestic problems, Van Voorst said. The 67-year-old monarch must prepare for succession, and it is difficult to insure that his son, Crown Prince Asfa Wosen, can fill his shoes.

The emperor has been trying to give his parliament more power, but centuries of custom stand in his way. The people are used to a monarch, making it difficult to accept the new idea of a parliament, Van Voorst said.

Van Voorst added that he would like to be assigned to a post in Europe, but he said that working at a small post provides a rewarding insight to the problems of smaller nations and places a person in the center of the nation's problems. He also stated that he felt Africa and South America offer the most challenging positions.
