Council Studies Swimming Pool

Four New Ordinances Approved

A report on an outdoor swimming pool for Holland compiled by Kammeraad and Strop architects, recommending Prospect Park located on Columbia Ave. between 22nd and 24th Sts. as most suitable site was presented at a regular meeting of City Council Wednesday night.

The outdoor pool project, recommended by a citizens committee last year after months of study, received enthusiastic approval of some 50 young visitors representing the citizenship classes of Mr. and Mrs. Carl Van Lente and William Noyd of E. E. Fell Junior High School.

Architect Howard Kammeraad explained sites, plot plans, and sketches of the pool measuring 45 by 82 feet with an additional "L" of 30 by 30 feet for diving, plus a wading pool for young children in a protected area, and the necessary showers, rest rooms, and other facilities.

He also presented an artist's view of the pool and poolside activity. He said plans call for a pool heater to extend the outdoor season from early June until September. He said the pool would accommodate 400 to 500 swimmers, although not necessarily in the water at the same time, but he said the pool and the necessary facilities were designed for such a number, meeting all sanitation requirements.

Councilman Richard W. Smith who originally had suggested a citizens committee to study a pool for Holland was enthusiastic over the plans and pointed out that fees would make operations of such a pool self-supporting.

Councilman Bert Slaght felt many local persons would prefer an indoor pool, but it was pointed out that the pool committee had specifically recommended an outdoor pool (two or three if possible) because in all their study they found no municipally operated indoor pools. Such pools are associated with educational institutions or such organizations as the YMCA.

Slaght asked for a show of hands among the youngsters present on their preference, and the result was overwhelmingly in favor of an outdoor pool.

The architects' report listed estimated costs at \$125,000, listing \$55,000 for buildings, \$47,000 for the pool, \$4,000 for the pool deck, \$2,000 for fencing, parking development for 50 cars (later 120 cars), \$5,000; contingencies, \$5,000; architectural fees, \$7,000; total, \$125,000.

This figure does not include cost of park development, although the rest rooms at the swimming pool can be used for park purposes.

Prospect Park measures 547 by 595 feet and carries a deed restriction for park purposes. The architects said it would be an ideal place for development of picnicking and recreational areas, and the plot plan calls for the pool in the center of the square, removing only the trees necessary for the pool, the pool deck and the buildings.

The report said outdoor pools should be convenient to people within a two-mile radius, and that a future second pool at another location should be kept in mind.

The Maplewood playground was rated as a second choice because it is more remote from the population center.

Other sites considered were Pine Ave. between 21st and 22nd Sts. (fair); Riverview Park at 6th and Columbia (poor); Kollen Park (fair); Civic Center (fair); Waterworks park on College between 19th and 20th Sts. (fair); Centennial Park (good); Smallenburgh Park on Fairbanks Ave. at 14th St. (good); Windmill Park (poor).

The Pine Ave. site at 21st St. is not large enough for the pool and parking, and Riverview Park was discounted because of lack of access and limited area served. Kollen Park was deemed too small for existing recreation and parking, too exposed to westerly winds and already highly developed.

Civic Center area to the south was not large enough for an outdoor pool, and Waterworks Park is too small for a pool and the necessary parking. Smallenburgh Park was considered a good site and is recommended for a future pool to serve the east side. Centennial Park would be a good location but already is highly developed. Windmill Park is too small, has heavy traffic and poor access.

Council will study the plan and methods of financing such a pool. Further consideration will be given in later reports.

Graveside Rites This Afternoon for Baby

Graveside services were to be held today at 4 p.m. in Pilgrim Home Cemetery for Robert Paul Essenburgh, infant son of Mr. and Mrs. Steven Essenburgh of 674 Washington Ave. The child died nine hours after birth, in Holland Hospital Wednesday afternoon.

Surviving besides his parents are a brother, Rickey Lee; his maternal grandfather, James Smith of Indiana; his paternal grandparents, Mr. and Mrs. Russell Essenburgh of Lakeland Township.

Two Vehicles Collide

A two-car accident occurred at 2436 William Ave. Wednesday because of icy road conditions, according to Ottawa sheriff deputies. Ann Huismann, 50, of 1757 Washington Ave., attempted to go around a truck being backed into a driveway by Marinus C. Jacobus, 22, of 5111 Lakeshore Dr., when her car slid into the path of the truck. No tickets were issued.

Millage Is Voted Down Second Time

Maplewood May Request Another Millage Vote; 45 Per Cent Turn Out

School propositions in both Holland and Maplewood districts were defeated in Monday's elections.

The Holland issue to vote 2.5 mills for special operations for three years was defeated, 2,726 to 2,064. A similar issue for 2.9 mills last May 10 was defeated 2,863 to 1,111.

In Maplewood district, a bond issue for \$288,000 for a new elementary school was defeated 403 to 274, and a proposition to raise 6 mills for operations for one year was defeated by only 26 votes, 360 to 334.

Maplewood Board President Dale Mossburg said today that the board would meet tonight and there is a strong possibility that another millage election would be called for the 6 mills only.

Holland Board President Bernard Arendshorst expressed regret over the unfavorable vote, pointing out that the children attending the schools are the real losers. "We want to thank, however, those many people who have made constructive efforts for an affirmative vote but met with disappointment yesterday. We will continue our careful study how best to use available funds in providing the best education possible for the children of Holland," he said.

Over 700 out of a possible 1,200 votes were cast in Maplewood district Monday. In Holland, a total of 5,455 votes was cast or 45 per cent of the total registration of 12,080.

The Holland school issue carried in only two local precincts, both in the second ward. A very small portion of the former Apple Avenue district lies in Allegan county and out of six registered voters, the vote was 4 to 0 favoring the millage.

HOME SHOW OPENS — Mayor Nelson Bosman (left) and Miss Karen Jean Southway of Wyoming (right) cut the ribbon at the entrance of the Home Show Tuesday to officially open the 14th annual event. Looking on (left to right) are Ed Lindgren, Dwight Ferris, William De Haan and David Johns, members of the Holland Exchange Club Goodfellows Foundation sponsoring the event. A total of 900 persons toured the 35 exhibits Tuesday night. Miss Southway, 1961 Miss Michigan, was mistress of ceremonies for the stage shows Wednesday at 7:30 and 9 p.m. The show will be open from 5 to 10 p.m. daily through Friday and Saturday from 2 to 10 p.m. (Sentinel photo)

Seek Federal Aid in Plans For Hospital

A request from the Hospital Board recommending adoption of an application to the Housing and Home Finance Agency for funds to retain the James A. Hamilton Associates as building consultants for a new addition to Holland Hospital was approved by City Council Wednesday night.

This development is part of a long-range program which calls for a \$2,000,000 addition to the hospital by 1967. The extended study also points to further development by 1965. The initial study was made by James A. Hamilton Associates which also made the study for the 1957 development.

Council also acknowledged with thanks the following gifts to the hospital: one grocery cart from Kroger Co. of Grand Rapids, 12 dozen plant plates from Rena Boven guild, two infant seats and six feeding spoons from Margaret Hummer guild, 2 dozen sets children's dishes valued at \$90.20 from South Shore Guild.

The Library board submitted its annual report for the fiscal year 1963-64 which was referred to the city manager for study in connection with the forthcoming budget.

Council canvassed Monday's city primary vote and certified names to be placed on the general election ballot April 1. There were no changes from results reported in Tuesday's Sentinel.

Council granted permission to Wolverine Heavy Movers to move a house from 491 West 32nd St. to 482 West 20th St., subject to certain fees and restrictions.

The Holland American Legion Band presented its financial report for the year ending Dec. 31, 1962, expressing appreciation for cooperation received from Council and soliciting continued interest in the future.

Claims filed against the city by Schippers' Furniture, 447 Washington Ave., and Ottawa Oil Co., 77 East Eighth St., were referred to the insurance carrier and city attorney for consideration.

A city manager's report for three local establishments, was accompanied by a report by the city sanitarian indicating that all three places have satisfactorily corrected previously mentioned violations and are now in conformance with standards of the Holland ordinance code. The report was received and filed as information.

All Councilmen were present at the meeting which lasted exactly two hours. Mayor Nelson Bosman presided and the Rev. William F. Burd of First Presbyterian Church gave the invocation.

Home Show Attracts 1,500 During 2 Nights

A total of 1,500 persons have visited the Holland Home Show during the first two nights as 600 persons viewed the exhibits Wednesday night in the Civic Center.

Stage shows, featuring Miss Karen Jean Southway of Wyoming, 1961 Miss Michigan as mistress of ceremonies and vocalist, the Schneiders, a Western musical act and magician Bob Hayes, will be held tonight at 7:30 and 9 p.m.

Doors will be open from 5 to 10 p.m. tonight and Friday and on Saturday from 2 to 10 p.m. Plans call for Miss Carole Jean Van Valin, 1962 Miss Michigan, and Miss Elisabeth Clark, 1962 Miss Holland, to be at the show Friday and Saturday.

Six Persons Nominated For Council

Residents Will Ballot On All Councilmen At April 1 Election

Six persons were nominated for three councilman positions in Holland's city primaries Monday which attracted a total vote of 5,455 or 45 per cent of the total registered vote of 12,080.

Nominated for councilman-at-large were John Van Eerden, who received 2,965 votes and Ernest Phillips who received 1,160 votes. Both are former councilmen, and the winner at the April 1 election will succeed William De Haan who did not seek reelection. A third candidate, Cornelius Huizenga, received 1,078 votes.

Second Ward Councilman Henry Steffens was top man in a race of four candidates, receiving 255 votes. He will be in the April 1 runoff with Donald Stoltz who received 234 votes. Other candidates were Luke Kuna who received 232 votes and Bruce M. Raymond, 107 votes.

In the fourth ward, the two nominees are Eugene Vande Vusse who received 537 votes and Henry Vander Plow who received 493 votes. Running third was Leslie Woltman who polled 232 votes.

Not appearing on Monday's ballot were Mayor Nelson Bosman who is unopposed for a second year term, and two nominees for sixth ward, incumbent Richard Smith and Hazen Van Kampen. Their names will be on the April 1 ballot.

All councilman posts are for four years.

In the April 1 election, all city voters may vote on all councilman posts. It is only in the primaries that ward voters nominate their candidates.

On Monday's ticket was a school proposition to raise 2.5 mills for operations which was defeated 2,726 to 2,064.

First to report to the city clerk's office Monday night was ward 1, precinct 2, which reported results at 8:03 p.m. Since this precinct lies outside the city school district, the only vote was for councilman-at-large. The last of the 14 precincts came in shortly after 9 p.m.

On April 1, city voters also will vote the state ticket which lists several candidates for educational posts and the supreme court. There also will be a vote on the new constitution.

Hearings on Paving, Water Set March 12

City Council Wednesday night scheduled a special meeting March 12 on hearings on 10 water main projects and six paving projects scheduled this year.

Since public improvements of this magnitude involves many property owners in assessment districts, the special meeting March 12 will be limited to the public hearings only. The next regular meeting of Council on March 6 was deemed too early to get all notices in the mail and the March 20 meeting was considered too late to place certain orders on water pipe, etc.

Water main projects listed are:

In 40th St. from Washington Ave. to Central Ave. and in Central Ave. from 39th St. to 40th St.

In West 36th St. from US-31 business route west to the end.

In Ramona Dr. from South Shore Dr. to Beach Dr.

In 34th St. from Columbia Ave. to College Ave.

In 112th Ave. from Harvard Dr. to a point 397 feet south of Legion Park Dr.

In 32nd St. from Plasman Ave. to Graafschap Rd.

In 23rd St. from Plasman Ave. to Graafschap Rd.

In Columbia Ave. from 37th St. to 39th St. and in 38th St. and 39th St. from Columbia Ave. west to the end.

In South Shore Dr. from Thomas Ave. to 17th St.

In Elm Dr. from South Shore Dr. to Beach Dr. and in Lakeview Dr. from Lake Dr. to Hillcrest Dr. and in Beach Dr. from Lake Dr. to a point 130 feet east of Elm Dr.

Paving projects list the following:

28th St., Harrison Ave. to Ottawa Ave.

Harrison Ave., 27th St. to 28th St.

Cleveland Ave., 28th St. to Fairhill Dr.

32nd St., Lincoln Ave. to Ottawa Ave.

Cleveland Ave. and Lake St., 12th St. to 16th St.

Seventh St., Pine Ave. west to the end.

City Manager Herb Holt said plans call for making 32nd St. and Cleveland Ave. projects 36 feet wide of heavy duty construction to allow for heavier traffic. He said property owners would be charged on a 32-foot wide basis, and in cases where they previously had been assessed for paving improvements, they would receive credit.

11 Vehicles Are Damaged In US-31 Crash

Eleven cars were involved in a chain-reaction accident three-tenths of a mile north of 144th Ave. on US - 31 Wednesday, blocking the highway to traffic from about 4 to 6 p.m., according to the South Haven state police.

Melvin Hershaw, 42, of Fennville, received minor bruises and abrasions, but was not taken to a hospital, state police said. No other persons were injured.

Hershaw told state police he stopped at the same time a car in front of him stopped because of the near zero visibility conditions resulting from blowing snow. And a chain reaction collision occurred as 10 cars jammed into the rear of the one in front of them.

The other drivers in order of their car following Hershaw were Richard Wrede, 43, of Holland, Ill.; Earl Warner, 30, of Douglas; Bobbie Whitaker, 26, of Douglas; Peter Yonker, 29, of route 5, Holland; James Crow, 27, of Benton Harbor; Alice Windemuller, 63, of route 5, Holland; Stephen Miller Jr., 56, of Fennville; Roger Groetsche, 47, of Wilmette, Ill.; Larry Burnett, 20, of 88 East Eighth St., and James Barrett, 21, of Allegan.

Bakery Offers New Loaf of Wheat Bread

Starting February 26, food stores in this area will offer a new loaf of wheat bread claimed to offer laxative benefits.

Known as Nutro-Life bread, it was developed by the research staff of a California bakery, working with the nutritional department of a leading Western University. Nutro-Life bread has been proven an effective natural aid to supervised tests in hospitals and independent research laboratories.

Mrs. L. Tanis, 81, Dies in Hospital

Mrs. Lynard Tanis, 81, of 427 Central Ave., died at Holland Hospital Wednesday afternoon following a short illness. She had been admitted to the hospital in the morning.

Surviving beside the husband are one daughter, Mrs. Theodore (Pearl) Vander Ploeg, of Holland; two sons, Harold, of Holland, and Arthur, of Muskegon; nine grandchildren; 12 great-grandchildren; one sister, Mrs. George Kraker, of Allendale; two brothers, William Eskes, of Holland, and Harry Vander Schaaf, of Grand Rapids.

Services will be Saturday at 2 p.m. at the Langeland Funeral Home with the Rev. Tennis Van Kooten officiating. Burial will be in Pilgrim Home Cemetery.

Pupils Practice Dangerous Fad

High school and junior high school students are following a new and dangerous fad—walking in the streets.

Not only do many students shun the sidewalks completely but they are walking four and five abreast, completely taking up one lane of the road.

Many motorists said they have just barely missed striking the teenagers especially during periods of blowing snow when visibility is reduced to a few feet.

One driver complained the students refused to budge even when the car was directly behind them.

Motors have enough problems watching out for other vehicles and driving on slippery streets without the added hazard of watching for students in the streets.

Police said they are constantly warning the students they must use the sidewalks but their reminders frequently last only as long as the police car is in sight.

More Vocational Classes Are Planned in Schools

West Ottawa and Holland high schools are making plans for additional vocational training classes.

William Jesiek, vice chairman of the harbor and lakes committee, informed the board that the state boating control committee is working on regulations on boat and water safety of Lake Macatawa and the special committee had a meeting with state officials on regulations pertaining only to Lake Macatawa recommendations.

Stanley Boeven reported a survey made by the Neighborhood Merchants committee found the various neighborhood merchant areas desired better street lighting.

President Stuart Padnos reported captains have been named for the annual membership drive next month. Robert Wolbrink is drive chairman and captains will report this week for a briefing meeting.

Robert De Nooyer, transportation committee chairman, said his group met with state highway department officials concerning overpasses to relieve the hazards of Eighth and 16th St. De Nooyer said a traffic survey will be taken of the by-pass this summer and plans have not been considered by the state for overpasses.

The board endorsed the new state constitution and the board was informed that the community resources program, sponsored by the Chamber, will be held in Grand Haven.

Kenneth Zuverink, chairman of the Retail Division, reported the Chamber and Holland and West Ottawa schools, for the third straight year, have won the state award in Careers in Retailing.

West Ottawa and Holland high schools are making plans for additional vocational training classes, Henry Morse, chairman of the Holland Chamber of Commerce vocational committee said Monday at the Chamber's regular monthly board of directors meeting.

Morse said West Ottawa has arranged for 10 boys to take part in drafting classes and that plans are being completed for classes in mechanical mathematics and shop training.

He also reported Holland High is making plans for additional courses to augment the present vocational course and these are expected to be ready in September.

The Chamber board gave approval to the state and county affairs committee that the board chairmen and captains will report this week for a briefing meeting.

Robert De Nooyer, transportation committee chairman, said his group met with state highway department officials concerning overpasses to relieve the hazards of Eighth and 16th St. De Nooyer said a traffic survey will be taken of the by-pass this summer and plans have not been considered by the state for overpasses.

The board endorsed the new state constitution and the board was informed that the community resources program, sponsored by the Chamber, will be held in Grand Haven.

Kenneth Zuverink, chairman of the Retail Division, reported the Chamber and Holland and West Ottawa schools, for the third straight year, have won the state award in Careers in Retailing.

Three Receive Bruises In Three-Car Accident

Three persons were slightly injured in a three-car accident at 9 a.m. Saturday at 35th St. and Columbus Ave., Holland police reported.

Police said Barbara Ann Meygaard, 24, of 74 West 25th St., Margo Naber, 16 and Linda Naber, 15, both of 812 Central Ave., received minor bruises. The Naber girls were passengers in a car driven by Norma P. Naber, 39, of 812 Central Ave., police said, and Mrs. Meygaard was also a driver.

The third driver was identified as Marvin P. VanderBeldt of route 31, 144th Ave. Police charged Mrs. Naber with failure to yield the right of way.

Snow Causes Accident

Cars driven by Henry Wyngarden, 72, of route 3, Zeeland, and Simon N. Disselkoen, 41, of 461 Alice St., Zeeland, were involved in an accident about 100 feet north of Barry St. on 96th Ave. Wednesday. Ottawa sheriff deputies said Wyngarden's car was stuck and could not be seen by Disselkoen because of blowing snow. No tickets were issued.

Receives Minor Bruises In Automobile Accident

Nellie Vinkemulder, 83, of route 2, 120th Ave., received minor bruises in an auto accident Wednesday according to Ottawa County deputies.

She was a passenger in a car driven by Edward C. Dykema, 23, of 1174 West Main St., Zeeland. Dykema's car collided with one driven by Patricia Kay Scholten, 16, of 501 Plasman Ave. Miss Scholten had stopped at a mail box on 120th Ave. about 600 feet south of Port Sheldon to deliver some papers, when the accident happened.

Accident at Intersection

Three cars were involved in an accident at 6:50 this morning at River Ave. and Howard St., according to Ottawa sheriff deputies. Cars driven by Gerald R. Emmick, 49, of 83 West 18th St., and Bettie Gwinn, 27, of 699 Gail St., collided when Emmick attempted to make a left turn onto Howard St., causing Emmick's car to slide into a third car driven by Donald Topp, 30, of 57 Avline St.

Maplewood To Vote Again

Another millage election on voting 6 mills operations for one year will be held for Maplewood school district April 1, Dale Mossburg, president of the Maplewood Board of Education, said Wednesday.

Decision for another election following a defeat by 26 votes Monday was made at a meeting of the board Tuesday night. As in the case of Monday's school election, the vote will be in Maplewood School.

The millage issue lost in Monday's election, 360 to 334. Another proposition to vote a \$288,000 bond issue for a new elementary school lost 403 to 274.

Mossburg said the object of the second election is to raise funds to wipe out an estimated debt of \$24,000 at the close of the present year prior to seeking annexation to Holland school district. The deficit is caused by reductions in state aid for tuition.

Passenger Treated For Facial Bruises

Glenn Looman, 16, of 339 West 28th St. was taken to the hospital at 10:30 Wednesday and treated for facial lacerations, following an auto accident on 18th St. between Washington Ave. and Van Raalte Aves.

Bernard Van Langevelde, 17, of 268 West 28th St., with whom he was riding told Holland police that while driving east on 18th St., he looked down, heard a crash and when he looked up again, found his car smashed into the rear end of a parked ranch wagon.

The parked car belonged to Henry Kuylers, 61, of 646 Michigan Ave.

Tax Deadline Set Feb. 28

Feb. 28 is the last day for paying taxes in Holland, Mrs. Rose St. John, acting city treasurer, said today. She said payments to date total 88 per cent.

Following the Jan. 20 deadline, property owners have been paying a 3 per cent penalty. After Feb. 28, this penalty jumps to 4 1/2 per cent and after March a 1/2 per cent penalty will be added for each month.

After Feb. 28, all tax rolls will be turned over to the county treasurers in either Allegan or Ottawa counties, and any tax payments after Feb. 28 will have to be made through the county treasurers' offices.

Mrs. St. John also said Feb. 28 is the deadline for obtaining dog licenses. Fees are \$1 for males and unsexed and \$2 for females. After Feb. 28, such dog licenses must be obtained from the county treasurers' offices at double fees, although application blanks will be available at the city treasurer's office. So far, some 700 licenses have been sold locally.

ZEELAND — Peter L. Post, 85, of 150 West Central Ave., died Community Hospital following a six weeks illness. He was a retired carpenter and member of First Reformed Church. He was employed at Chris Craft Corp. for several years. His wife died three years ago.

Surviving are six sons, Merton L. of Fair Oaks, Calif.; Ryven of Berkeley, John E. of Albuquerque, N. M.; George of Burnips, Roy of Zeeland, Harold of Holland; two daughters, Mrs. Marvin (Flora) Geerlings of Holland and Mrs. Andrew (Etta) Lokers of Zeeland; 17 grandchildren; 24 great grandchildren; four brothers, John of Lakewood, Fla.; Abe of Zeeland, Edward and Burt, both of Holland; four sisters, Mrs. Peter Bloemsm of Zeeland, Mrs. Jennie Boes and Mrs. Anna Dekker, both of Holland and Mrs. Grace Van Gelderen of Lakewood, Fla.

Two Autos in Accident

Two cars were involved in an accident Wednesday afternoon on Graafschap Rd., at the south Holland city limits, when blowing snow made visibility poor for driving conditions. The cars were driven by Edwin E. deis, 25, and Marjorie R. Busscher, 33, both of route 1. Both cars had slowed to a near-stop. Holland police said, before the accident happened.

Hofmeyer-Diepenhorst Vows Read

Mr. and Mrs. Robert Allen Hofmeyer

The Maranatha Christian Reformed Church was the scene of the Feb. 1 wedding ceremony of Miss Ann Jene Diepenhorst, daughter of Mr. and Mrs. Harvey Diepenhorst of 882 Central Ave., who became the bride of Robert Allen Hofmeyer, son of Mr. and Mrs. Lawrence Hofmeyer of route 1.

For the double ring ceremony, the bride wore a floor-length gown of bouquet taffeta, which featured a moderately scooped neckline. The princess-style front panel was flanked by panniers topped by Venice lace. The bouffant skirt was accented by a bustle bow and a chapel train. The elbow-length veil fell from a tiered crown of embroidered Alencon trimmed in sequins and pearls. She carried a white Bible covered by an orchid.

For the evening ceremony, the church was decorated with Oregon ferns, two red-and-white bouquets, spiral and kissing candelabra and white bows on the pews.

The matron of honor, Mrs. Del Westenbroek, a sister of the bride, wore a red velvet street-length dress with a cummerbund of satin. The bridesmaid, Miss Mary Diepenhorst, also a sister of the bride, wore a floor-length gown. Each carried one long-stemmed carnation.

Serving as best man was the groom's brother, Terry Hofmeyer. Groomsman was Harold Diepenhorst, brother of the bride. Ushers were Dick Topp and Bob Essenburg.

The reception for 135 guests was held in the church fellowship hall. Mr. and Mrs. James Hofmeyer, uncle and aunt of the groom, served as master and mistress of ceremonies.

For the occasion, the bride's mother wore a two-piece beige double knit dress with forest green accessories and a corsage of green cymbidium orchids. The groom's mother chose a white wool dress with gold accessories, and a corsage of two gold cymbidium orchids.

The Rev. Edward Cooke officiated at the ceremony. Mrs. Jack Tuinisma served as organist, and Martin Hardenberg was the soloist. The bride was given in marriage by her father.

The bride is a graduate of Holland Christian High School and of Tracy's Beauty Academy. She is employed at the Powder Puff Beauty Salon.

The groom is a graduate of Holland High School and is employed with Bohn Aluminum Inc.

Following a trip to Florida, the couple will be at home at 10417 Paw Paw Dr., after Feb. 18.

Miss Speet Becomes Mrs. H. Jalving

Mr. and Mrs. Harvey D. Jalving

In a setting of pink roses, feathered carnations, ferns, greens and palms, Miss Constance Speet became the bride of Harvey D. Jalving.

The Rev. Stuart Blauw performed the double ring ceremony in the parsonage of Fourth Reformed Church on Feb. 2, at 7:30 p.m.

Parents of the couple are Mr. and Mrs. Elmer Speet, 624 Michigan Ave., and Mr. and Mrs. Andrew Jalving, 233 East 11th St. Mrs. Don Van't Hof, cousin of the bride, played appropriate music throughout the ceremony.

The bride wore a pastel pink three-piece knit suit with gray suede accessories. She carried a bouquet of gardenias, feathered carnations and pink roses.

Miss Linda Speet, sister of the bride, was maid of honor. She was attired in a three-piece geranium pink knit suit with matching accessories. Her corsage was of pink roses and feathered carnations.

The groom is a graduate of Holland Christian High School and of Tracy's Beauty Academy. She is employed at the Powder Puff Beauty Salon.

The groom is a graduate of Holland High School and is employed with Bohn Aluminum Inc.

Following a trip to Florida, the couple will be at home at 10417 Paw Paw Dr., after Feb. 18.

Friend attendants were Mr. and Mrs. Clarence Jalving, master and mistress of ceremonies, Mr. and Mrs. Cal Koning, gift table; Mr. and Mrs. Ron Nienhuis, punch bowl.

Len Rummler's band played during the reception and the Windmill Chorus, of which the groom, is a member, sang.

Both the bride and the groom were graduated from Holland High School. The bride also attended Western Michigan University. The groom attended Indiana Technical College and was graduated from Coyne Institute. He is employed at Jervis Corp. in Grandville as an engineer.

Pre-nuptial showers were given by Mrs. Ralph Cumerford and Mrs. Cal Koning at the home of Mrs. Koning; Mrs. Gordon Schrotenboer and Mrs. Larry Franken, sisters of the groom, at the Eten House; Mrs. Richard Speet, Mrs. George A. Speet and Mrs. R. E. Barber, a luncheon and linen shower at Mrs. R. Speet's home; Mr. and Mrs. Toby Dornbos, Grand Haven, a dinner party and shower for the bride and groom; Miss Gail Butler, Miss Stevie Goodes and Mrs. Duane De Neff, a miscellaneous shower at the home of Miss Butler.

The groom was also entertained at two bachelor dinners, one by the office force of Jervis Corp. and one by Peter De Haan.

The couple resides at 458 West 21st St.

Maroons Stop Godwin For 10th Win

GRAND RAPIDS — Holland Christian's basketball team posted its 10th win of the season here Friday night pulling away in the final quarter to outpoint the Godwin Wolverines, 55-46 before 1,600 fans on the Godwin court.

Coach Art Tuls' club led throughout much of the contest but finally found themselves able to completely dominate the last eight minutes of play. Both outfits were ragged during much of the game with fouls marring the play. A total of 40 fouls were called in the game, 23 against the Maroons.

After leading 39-37 going into the final quarter, the Wolves changed from its regular pressure defense to an all court man to man press. The Maroons broke through it consistently in the last period to shoot easy layups and end the game with a respectable shooting percentage. The Maroons who played a man to man defense for three quarters, went into a zone for the final period and stymied the Godwin offense.

Although the Maroons finally wound up with a 37 per cent shooting mark, they only connected on 7 out of 34 in the first half, missing many of the easy variety. However the Maroons shot 7-9 in the third period and 6-11 in the final quarter for 65 per cent to be st.

The Maroons were not sharp but managed to control the boards with Dave Tuls, Ron Lubbers, John Vander Veen and reserve Jim Otte doing most of the rebounding. For Godwin it was Randy Mick and Marvin Post along with a new boy, 6'2" Bill Jensen sharing the chores. John Bazeira, a rugged guard, returned to the lineup after being out since December with a leg injury.

Coach Gene Nyenhuis' team employed a pressure defense during the game resulting in frequent fouling on both clubs, particularly of the charging variety. The Maroons also did some pressing of their own to keep the Godwin shooters off balance.

After the Maroons scored four points in the first minute of play, they failed to score again until 3:11 remained in the period to take a 6-4 bulge. Forward John Vander Veen was the big gun hitting for eight points in the initial period on some good one-handed jump shots. Christian managed to hold a 13-12 lead going into the second stanza.

The second period was low scoring and poorly played by both out-

fits. At one stage in the period both coaches had substituted complete new teams. The Maroons led 18-16 at the four minute mark, thanks to long one handers by junior guard Tom Dykema. After leading 21-18, the Wolves took over at the foul lane to eke a 22-21 margin a half time.

Godwin held a three point bulge twice in the third period before Holland's Dave Tuls showed some fine outside shooting to give the winners a 34-33 lead with 2:48 left. Christian never trailed again but couldn't pull out more than four points before the quarter ended.

The final period was all Christian as the losers never threatened again. Sparked by Otte and Tuls, the Maroons started to roll and held nine point leads twice during the period. With three minutes left, the Maroons led 49-42 and were picking up some of their lost steam with every play.

At the charity stripe, the winners connected on 15 out of 24 tries but missed several bonus attempts during the game. Godwin collected 16 out of 27 at the foul lane. Tuls led all scorers with 15 markers, 12 coming in the second half. Mick and Larry Rhoades tied for Godwin with 11 apiece.

Christian closes its season next Friday at Kalamazoo University High.

Panthers Take League Championship

West Ottawa's basketball team defeated Grandville Friday night with ease, 76-47, to win the Grand Valley Crown outright in their second year in the league before a crowd of 1,600 fans in West Ottawa's gym.

This was the last home game of the season for the Panthers and the parents of the players were special guests.

The Panthers functioned well as a team throughout the game as they scored well from outcourt and also often off the fast break.

The Panthers drew first blood on a drive by George Donze and then a turn around jump shot by big Le Roy Vedder. Later Donze intercepted a pass and went the whole court to make it 6-2.

Then Duane Overbeek hit from outcourt, Vizithum scored off the fast break, Vedder scored under-

neath, Vizithum swished a long jump shot and Borgman scored on a tip in to give West Ottawa a 16-8 lead. Grandville fought back with five straight points and the quarter ended later with the winners ahead, 18-13.

The Panthers gained momentum throughout the second quarter as they broke through a press put on by the Bulldogs and scored at will. The Panthers made nine of 15 shots in the quarter for 60 per cent.

The Panthers also moved back into their familiar zone defense and this throttled the offense of Grandville.

Near haltime, Coach Jack Bonham had already inserted his reserve unit and consequently seven different players scored points in the quarter for the winners.

The halftime rest didn't cool off West Ottawa's shooting at all as the starting five worked to perfection especially on the fast break to break the game wide open. At one point the Panthers outscored the Bulldogs, 12-4, as Vedder hit a jump shot and one in close. Overbeek hit a set shot, and Overbeek and Vizithum both scored off the fast break.

With 2:48 left in the third quarter, West Ottawa led 58-36 and the substitutes for both teams were inserted in the game and played the rest of the way. After making an exceptional nine of 14 in the third quarter, West Ottawa led 62-42 after three quarters.

The Panther reserves played well throughout the final quarter and outscored the losers 14 to 5. Bruce Johns looked best as he made 10 points in the reserve role.

The Panthers had very balanced scoring in the game as every player got into the scoring column. Vizithum scored 14 points, Donze 13, Vedder 12, and Johns 10 to pace West Ottawa, while Jim De Ridder tallied 13 for the losers. Rodger Borgman had 11 rebounds and George Donze 7.

The Panthers had excellent shooting as they made 32 of 66 from the floor for 48 per cent and 12 of 19 free throws for 64 per cent. Vedder made 5 of 7 shots. Vizithum 7 of 11, and Johns 5 of 7. Grandville made 19 of 66 for 32 per cent and 9 of 21 free throws for 43 per cent.

The Panthers are now 11-2 for the season and the Grand Valley league champions are now 6-1 in league play. West Ottawa travels to Zeeland next Friday.

Wissink-Glass Vows Repeated

Mr. and Mrs. Robert G. Wissink

Miss Karen E. Glass became the bride of Robert G. Wissink on Jan. 26 in First Reformed Church of Zeeland in an afternoon ceremony before a setting of red and white mums and snapdragons, ferns and candles.

The Rev. C. De Haan performed the double ring rites for the daughter of Mr. and Mrs. Martin Glass Sr., of route 1, Zeeland, and the son of Mr. and Mrs. Chester Wissink, 1713 92nd Ave., Zeeland. Kenneth Louis played appropriate music and accompanied the soloist, Norman Vredevelt.

The bride wore a floor-length gown of chantilly lace and tulle over net and taffeta, featuring a fitted bodice with a sweetheart neckline and long sleeves. Her bouffant skirt of tulle had an overskirt of chantilly lace. She wore a fingertip veil and carried a bouquet of white roses and lilies of the valley.

Attending the couple were Mrs. John Hulst Jr. and James Wissink. Richard Glass seated the guests.

The bride's mother selected a beige brocade dress with matching accessories. The groom's mother chose a heather two-piece dress with matching accessories. Each wore an orchid corsage.

A reception for 120 guests was held at the American Legion Memorial Park club house. Reception attendants were master and mistress of ceremonies, Mr. and Mrs. Martin Glass Jr.; gift room, Mr. and Mrs. Wesley Glass and Mr. and Mrs. Wayne Glass; punch bowl, Mr. and Mrs. Virgil Glass and Mr. and Mrs. Carl Wissink; guest book, Miss Carol Glass.

For a wedding trip to Florida, the new Mrs. Wissink changed to a white two-piece suit with gold accessories.

The bride, a graduate of Zeeland High and Davenport Institute in Grand Rapids, is employed by General Electric.

The groom completed a business administration course at Davenport Institute and is presently working at Northern Fiber in Zeeland.

East Wallops Zeeland, 73-54

EAST GRAND RAPIDS — Improved East Grand Rapids rolled to a 73-54 victory over Zeeland in a Grand Valley League basketball game Friday night in the East gym.

It was East's fourth league win in seven starts and avenged the Pioneers overtime loss to Zeeland last month. The Chix are 1-5 in the league and 3-1 overall.

The winners jumped to an 18-5 first period lead and led 36-21 at half. The third period score was 54-38.

The Chix hit 21 of 53 for 40 per cent while East made 29 of 63 for 47 per cent. Zeeland made 12 of 21 free throws and East hit 15 of 30.

Stan Veenstra led Zeeland with 14 points and picked off 17 rebounds. Mick McCarthy had 36 points for the winners.

Zeeland lost Gary Boeve on fouls as the fourth period started while sophomores Rick Van Kley, Ron Stygstra and Lloyd Schout played most of the game along with junior sub Bob De Jonge who impressed Coach Paul Van Dort.

The East reserves won, 66-43 after leading 15-14, 27-23 and 45-31. Bob Essink had 13 for Zeeland and Ford Berghorst picked off 10. Zeeland hosts West Ottawa next Friday night.

District Lions Club Governor Dr. Robert Rice, of Grandville, was the guest speaker at the meeting of the Zeeland Lion's Club Monday night.

Visits are made by the District Governor once each year among the 53 Lions Clubs in the district. Dr. Rice reported that more than \$150 million was collected and distributed by Lions Clubs all over the world last year for community benefits. He also stressed that the main purpose of the Lions Club is sight conservation.

Dr. Rice was accompanied by Dr. Earl Faber, of Greenville and formerly of Zeeland. The District Governor was introduced by Kenneth Folkertsma of the local club. Folkertsma is a Lions International Counsellor and a former District Governor.

A joint meeting of the Zeeland and Hudsonville Lions clubs will be held in Zeeland next Monday. The Zeeland Kiwanis Club was host to a visit by Kiwanis Division Eleven Lientenant Governor Gien Startzlander and a delegation from the Holland Kiwanis Club Tuesday evening.

Startzlander was accompanied by three members of his home club in Muskegon Heights. Twelve Holland Kiwanis members also attended.

Lieutenant Governor Startzlander charged local Kiwanis members with their responsibilities in club work for this year. The Kiwanis theme for 1963 is "Responsibility, The Key to Freedom."

Zeeland High School's debate squad will compete in the Michigan High School District Elimination Debate Tournament at Western Michigan University in Kalamazoo Thursday.

Zeeland will meet Grandville, co-champion of the Grand Valley League debate season, in the first round of the district contest.

Dan Shepard, John Schamper, Jon Smallegan and David De Bruyn are the four seniors representing Zeeland at WMU. James De Vries is coach, and Tom Bloemasma, assistant coach. Jane Darbee, a freshman and Daryl Raterink are also regular debaters. Zeeland finished 4-4 in Grand Valley debating, and had a 500 record in their debates applying to state competition.

Zeeland March of Dimes chairman Audred Petroelje reports that the fund drive completed last week-end netted \$2,528.32 in local contributions.

The figure is about \$470 short of the \$3,000 goal set for the city before the campaign started. A few contributions are expected to be added yet, but they will probably not be enough to make the \$3,000.

Petroelje also said that Zeeland Township reported a collection of \$507.14 in its part of the drive. That amount was not included in the \$2,528.32 reported for Zeeland.

A breakdown of the city total shows that the Rotary-Club collected \$229.34 at its Polio Plank, the Mothers March took in \$1,495.82; the canisters distributed by the American Legion brought in \$110.23, and the Kiwanis Club drive among merchants netted \$303.41. Contributions by students in the Christian school totaled \$194.91, and contributions by public school children amounted to \$184.61.

Petroelje extended his thanks and praise to all who took part in the drive and to all who contributed. He said the Mothers March was especially well carried out.

Mothers March chairman were Mrs. Jake Van Der Hulst and Mrs. Lloyd Plewes.

"Touch of Brass," Billy Graham's newest color film, will be shown tonight in the Zeeland High School auditorium at 7:45 p.m.

The religious film is being presented by the new Greater Holland Youth for Christ organization. The film showing is open to the public, and there is no admission charge.

New members on the YFC board of directors in this area are Peter Wolhuis and Marvin Graveling. Henry Van Omen was recently reappointed to the Board. The local YFC is directed by David Huseby.

Twenty-six Zeeland 5th grade Girl Scouts held an authentic Japanese tea party Tuesday in the home of Mrs. Roy Post, South Division St.

The girls dressed in Japanese costumes and ate with chop sticks while kneeling at low tables, in the Japanese manner. The menu included rice cookies made from a Japanese recipe and using authentic Japanese ingredients, oriental fruit salad, and hot tea.

The party was part of the Girl Scout's study in International Friendship.

Mr. and Mrs. Sybrant Schipper spent a few days with their children, Mr. and Mrs. Haino Auker in Wayne.

Mr. and Mrs. Joe Boes of Spring Lake and two children, took their parents, Mr. and Mrs. Sibrant Waldyke, Cherry St., on a two weeks vacation trip to Florida. They returned home Friday.

Miss Bouwman Becomes Bride of Wayne Hamilton

The marriage of Miss Linda Lou Bouwman and Wayne B. Hamilton Jr., was solemnized Saturday in Third Reformed Church which for the occasion was decorated with large bouquets of calla lilies and seven-branch candelabra.

At 4 p.m. the wedding party assembled before the Rev. Russell Vande Bunte who performed the double ring rites for the daughter of Mr. and Mrs. Anthony Bouwman, 160 East 31st St. and the son of Mr. and Mrs. Wayne B. Hamilton Sr. of Battle Creek.

The bride chose for her matron of honor her sister, Mrs. Ronald Boeve and for her bridesmaids, her sister, Pat Bouwman, the groom's sister, Mrs. George Miller of Battle Creek, and Miss Mary Lou Van Til, the bride's sorority sister.

Sue Anne Boeve, niece of the bride, served as flower girl while Andrew Carey was ring bearer. For his best man the groom selected his brother-in-law, George Miller of Battle Creek, and for ushers Jim Bouwman, and Ronald Boeve of Lansing, brother and brother-in-law of the bride, respectively, and Thomas Bos.

Roger Rietberg played appropriate organ music and also accompanied Dr. Edward J. Klopp Jr. of Battle Creek who sang "Greatest of These" by Bitgood and "Wedding Song" by Shutz.

The bride, escorted to the altar by her father, wore a floor-length sheath gown of satin with sabrina neckline, elbow-length sleeves and an overskirt of soft unpressed pleats accented by a tailored bow in front at the waistline. The shoulder-length veil of silk illusion fell from a pearl crown. Her pearl earrings were a gift of the groom. She carried a bouquet of calla lilies.

Gowns of the bride's attendants were floor-length and fashioned of blue silk taffeta, featuring fitted bodices, elbow-length sleeves accented with little bows. The skirts were designed with soft unpressed pleats. They wore headresses of the same material in pill box style and each carried a long stemmed calla lily. The flower girl was dressed identically.

For her daughter's wedding, Mrs. Bouwman chose a peacock blue pure silk sheath with matching blue print hat and purse and an orchid corsage, while the mother of the groom selected an

oxford gray and white silk dress with matching hat and an orchid corsage.

About 250 guests were present at the reception in the church parlors with Mr. and Mrs. John Howard of Benton Harbor, uncle and aunt of the bride, serving as master and mistress of ceremonies. Assisting were Mr. and Mrs. Wesley Small of Detroit, the bride's uncle and aunt. Guest book attendant was Mrs. Edward J. Klopp Jr. and in charge of the gift room were Mr. and Mrs. Edward Coffman of Battle Creek. Serving at the punch bowl were Mr. and Mrs. Marshall Elzinga and Mr. and Mrs. Judd Wolbrink. Pouring were the Mesdames John K. Winter, Raymond L. Smith, Durwood Fuller and John Kleis.

A blue velvet suit with matching pill box hat, complemented by an orchid corsage, was donned by the bride as the couple left on a honeymoon to Niagara Falls.

After Feb. 28 the newlyweds will be at home at 1118 Niagara Falls, N. Y. The groom at present is a Pfc. in the U. S. Army stationed at Aradcom, Grand Island, N. Y. He is a graduate of Marshall High School and attended Kellogg Community College of Battle Creek and MSU in East Lansing.

The bride, a graduate of Holland High School, attended Hope College and was graduated from Leila Hospital School of X-ray Technology at St. Mary's Hospital of Battle Creek.

The groom's parents entertained at a rehearsal dinner at the Fifth Wheel Restaurant.

The bride was feted at several pre-nuptial parties including a linen shower given by Mrs. Eileen Gentry of Battle Creek; personal shower by Mrs. Tom Bos and Mrs. Marshall Elzinga; a Christmas dinner party for the bride and groom given by Mr. and Mrs. Clarence Becker, Dr. and Mrs. John Winter and Judge and Mrs. Raymond L. Smith.

Mrs. George Miller of Battle Creek entertained at a miscellaneous shower and a kitchen and grocery shower was given by Mrs. Richard Speet, Mrs. Edgar Lindgren and Mrs. R. E. Barber. Miss Bouwman also was honored at a tea given by Beta Sigma Phi sorority at the home of Miss Melanie Johnson.

Hope Senior George Marr Receives Foreign Grant

George Marr, a Hope College senior from London last week was named the recipient of a \$700 foreign scholarship award presented by the First Reformed Church of Schenectady, N.Y.

Announcement of the award was made by Dr. John Hollenbach, vice president of the college.

Marr, a physics major who plans a career in college teaching, was born 23 years ago in Shanghai, China, and fled with his family to the British colony of Hong Kong during World War II.

In 1959, after coming to the United States, he enrolled at Taylor University and transferred to Hope in his sophomore year. His parents are presently residing in London.

Marr hopes for an assistantship or fellowship in physics for graduate work. His ultimate aim is to teach physics to the Chinese people.

DROPOUTS

One of the problems that is mentioned whenever education is discussed is that of the "dropout," the pupil who leaves high school before he has earned his diploma. The seriousness with which the problem is discussed leaves the impression that the dropout is a new and threatening phenomenon in education.

It is certainly true that in a highly technical and industrial society an uneducated, untrained and unskilled young person is decidedly as a disadvantage, and that all students who can profit from doing so, should be encouraged to remain in school until they graduate. On the other hand, the dropout problem is not new and is decreasing in seriousness.

In 1900 only about six and one-half per cent of students entering high school remained for the four years. This means that back then dropouts amounted to ninety-three and one-half per cent. In 1940 only fifty percent dropped out, and in 1960 thirty-five per cent left high school without earning a diploma.

How does it happen, in the face of such encouraging figures that the dropout is considered so serious a problem?

There are two reasons. Since Sputnik we have come to consider education so essential to survival that we expect all of our youngsters to take advantage of high school. When they don't we feel that they are failing in their responsibility.

Furthermore, since the time that high school has become an economic possibility for large numbers of children, our economy has changed from agricultural to industrial. When most people lived on farms, it was easier for young people without diplomas to find some kind of unskilled employment. But now the advancement of industry and technology has in many cases made the unskilled worker a problem.

This is a problem, then, which can be solved only by cooperation between the schools and other public agencies. Schools can train for employability in a new technological economy, but schools cannot educate those pupils who are intellectually unable to profit from prolonged schooling. For these society will need to make some other provision.

Sunday School Lesson

Sunday, February 24
"You Are the Christ"
Mark 8: 27-38
By C. P. Dame

When Jesus was upon the earth people asked Him questions and He asked people questions. This lesson contains two important questions which Jesus asked His disciples and an epoch-making answer of Peter which we accept as a confession of our faith and which the Christian Church has treasured during all the centuries.

I. People still have different opinions about Jesus. During His ministry Jesus felt the need of being alone now and then with His disciples. For this purpose He went to the region of Caesarea Philippi. On the way Jesus asked, "Whom do men say that I am?" The disciples answered, "John the Baptist; but some say, Elias; and others, One of the prophets." They classified Jesus with other great men, but they did not put Him in a class by Himself. The disciples did not say to Jesus that some thought He was a fraud.

Jesus then asked the disciples, "But whom say ye that I am?" Peter spoke up and said, "Thou art the Christ."

The word "Christ" is a title, meaning, "Anointed"—the Hebrew word is "Messiah." In making this statement Peter said that Jesus is the Messiah whose coming is predicted several times in the Old Testament. This confession separated Peter and the apostles from the religious leaders of the nation and from many people.

Today millions believe as Peter and millions do not. It makes a great difference what we believe about Jesus.

II. Messiahship involves suffering and rejection. This the disciples then did not yet understand. Jesus tried to explain the nature of Messiahship to the disciples whose ideas differed much from His. When Jesus spoke about His suffering and rejection Peter began to rebuke Him. Sternly Jesus reproved Peter saying, "Get thee behind Me, Satan; for thou sauest not the things that be of God, but the things that be of men." Through Peter, Satan was offering the kingdoms of this world as a gift—this would mean a conquest without suffering and rejection.

The offense of the cross is still in the world and in the church. Notice the contrast between the words, "Blessed art thou, Simon," and the words, "Get thee behind Me, Satan," spoken by the same Man to the same person.

III. It costs to be a Christian. "Whosoever will come after Me, let him deny himself, and take up his cross, and follow Me." To deny the self means to say "No" to self and to say "Yes" to Jesus which is not easy. Many refuse to disown self and own Jesus. Observe that self-denial and cross-bearing go together. When we forget self we are willing to bear the cross for the Lord's sake. Only Christians bear crosses because they only are willing to suffer and make sacrifices for the Lord Jesus. The more committed a person is to Christ the more he experiences the full meaning of cross-bearing.

Jesus told people that only those who lose their lives for the sake of Him and the gospel really find life. Millions of people look for life and miss it. They think that by gaining the world and its prizes they will find life. In their vain and strenuous attempts they lose their souls.

How timely is the question of Jesus, "For what shall it profit a man, if he shall gain the whole world, and lose his own soul?" The loss of the soul is irrevocable. They who show concern for the welfare of their souls are wise, while those who aim all the time for the things of this world are foolish because they cheat themselves out of the best in this life and that which is to come.

Wed in St. Francis Rectory

Mr. and Mrs. Harry Jason Schermer (Bulford photo)

The Rectory of St. Francis de Sales Church was the scene of the wedding of Miss Virginia Lee Bouillon and Harry Jason Schermer on Jan. 25 at 7:30 p.m.

The Rt. Rev. Msgr. J. A. Mole-ski performed the double ring ceremony for the daughter of Mr. and Mrs. Rene J. Bouillon, 339 West 14th St., and the son of Mr. and Mrs. Gerry Schermer, route 3, Zeeland.

The bride, who was given in marriage by her father, wore a white slipper satin street-length gown which was made by her mother. The gown featured a cowl collar, elbow-length sleeves and a tiny bow ending the row of buttons. Her fingertip veil of bridal illusion was held in place by a Princess Margaret crown of Aurora Borealis and rhinestones. She wore a matching necklace. The bride's flowers consisted of red roses and white carnations with white streamers.

Miss Nash Wed To L. Calkins

Miss Frances Kay Nash, daughter of Mr. and Mrs. Francis D. Nash, 32nd St., became the bride of Leon Charles Calkins of South Haven in nuptial rites celebrated Saturday at St. Francis de Sales Church. The Rev. Father Edwin Bozong officiated at the high mass which was performed before approximately 100 guests.

The groom is the son of Mrs. Evelyn Calkins of South Haven and George Calkins of St. Joseph, Mich.

Mrs. Donald Davis attended her sister as matron of honor with Mr. Davis serving as best man. Miss Ruth Van Naarden of Holland and John Stegman, Covert were also in the bridal party.

A niece of the bride, Miss Donna Davis, was flower girl and a cousin, Scott Fewless of Bay City, served as ring bearer. David Nash and John Calkins, brothers of the newlyweds were ushers. Miss Vicki Lewis was at the organ.

The bride was attired in a princess styled floor-length gown of white satin with chantilly lace applique trim. A scooped neckline complemented tapered sleeves and the obi sash fashioned in back accented the full chapel sweep of the skirt. She carried red roses on a white ribbon for the ceremony. Her shoulder-tip veil fell from a white tiara.

Bridal attendants wore red velvet ballerina length costumes with capulet headpieces. They carried red and white carnations. White mums and red carnations were used at the altar.

Mrs. Nash selected a champagne brocade costume for her daughter's wedding. She used tangerine accessories. The mother of the groom was attired in gold wool with matching accessories. Both wore corsages of cymbidium orchids.

A luncheon and reception was held at Van Raalte's Restaurant in Zeeland following the services. Assisting at the affair were an aunt and uncle of the bride, Mr. and Mrs. George Nash, as were Mr. and Mrs. William Baber, Jr., of South Haven, and Miss Connie Rauch, Miss Marlene Rauch and Robert Wenzel.

The bride is a graduate of Holland High School and is presently a student X-ray technician at Mercy Hospital in Benton Harbor. The groom is a South Haven High School graduate and is employed at Bohn Aluminum Corporation there.

The couple will make their home at 668 1/2 Superior St. in Benton Harbor following a brief wedding trip.

Tulip Time Program Is Shaping Up

The Tulip Time board of directors was informed at a regular meeting Tuesday in Civic Center that the Avon High School band of Indianapolis, Ind., will be a highlight at the "Saturday night Variety program for the 1963 Tulip Time festival May 15 through 18.

Gov. George Romney also has been invited to attend opening day street scrubbing events, Tulip Time Manager Harold J. Karsten said. There has been no formal acceptance but indications are that the governor will be present.

A total of 20,000 flyers containing preliminary information on the 1963 festival have been printed and the Tulip Time staff has sent out 5,000 to 8,000 in answer to inquiries which Karsten said are ahead of last year. The housing bureau also is open and answering inquiries. Questionnaires are being sent out to those residents who customarily open their homes to Tulip Time visitors.

Some 80 brochures for bands inquiring about the Saturday parade and band review have been sent out to bands in Michigan, Illinois, Indiana, Wisconsin, Ohio and Iowa. There also have been many inquiries for the baton twirling contest.

West Ottawa High School has been invited to participate in kloppe dancing and other Tulip Time events, Karsten said. He also announced that the Ben Davis High School band which scored a big hit at the 1960 variety program has accepted an invitation to perform at the 1964 Variety show.

Attending the meeting were Mayor Nelson Bosman who presided, Manager Karsten, William H. Vande Water, Wilbur Cobb, Kenneth Zuerink, Jacob De Graaf, Mrs. F. W. Hope Stops Alma, 88-83 To Capture MIAA Crown

Vander Hill Scores 37; 10th Loop Win

Jim Vander Hill concluded his Hope College "home" career Saturday night as he scored 37 points to lead the Flying Dutchmen to an 88-83 win over Alma to give Hope the MIAA championship before 2,700 fans in the Civic Center.

Vander Hill was at his best as he sank 12 baskets in 20 tries and 13 of 14 free throws. He was outstanding on the boards, grabbing five defensive rebounds and moved Hope's offense with smooth passes to his teammates.

"It was the best all around game I've ever seen Spider play," Coach Russ De Vette said lauding the 6'3" senior who has scored 1,557 points in four years at Hope. Vander Hill's teammates carried him on their shoulders off the floor following the game.

Vander Hill's free throws in the last minute saved the game as the Scots, trailing by 13, 8-71 with 3:50 left, staged a comeback to pull within three, 84-81 with 1:08 remaining.

Hope got the ball in play on a crucial out of bounds play and after moving the ball up the floor on three passes through Alma's press, Vander Hill was fouled.

He hit two with 58 seconds left and then with 33 seconds remaining added two more to push Hope in front, 88-81. Alma's Ray Moore, who led the Scots with 28, tallied a long shot with 23 seconds remaining.

Vander Hill made nine straight second half free throws after missing his first try after intermission.

He made four straight in the first half. Vander Hill drew the fouls as Scots, trailing by 13, 84-71 with slender senior but he succeeded in going over and around them to get his shots.

Hope, leading 42-38 at half after leading the entire first half with the exception of two ties, 32-32 and 38-38 with 1:48 left, thought they had broken the game open with a 15-point spurge in the second half.

This was the cushion the Dutchmen carried to victory as they pushed the bulge to 20 points, 60-40 with four minutes gone in the second half. But the Alma press kept chopping at the margin and finally cut it to three points in the last minute.

In Hope's scoring surge to open the second half, Vander Hill got three baskets, Clare Van Wieren and Glenn Van Wieren each scored two field goals and Ron Venhuizen added a free shot.

It was a basket and free throw by Ron Te Beest that pushed the margin to 20 points. Te Beest played the entire game filling in for injured Gary Nederveld. He was strong on the boards and scored 10 points.

These eight baskets helped Hope's overall mark of 52 per cent on 33 baskets in 63 tries. The Dutchmen hit 17 of 33 for 51 per cent in the first half and 16 of 33 per cent in the second half. At the free throw line, Hope made 22 of 33 and the Scots, 13 of 19.

Alma hit 39 per cent from the floor with 35 baskets in 89 tries on halves of 16 of 47 and 19 of 42. Bud Acton followed Moore in the last minute.

Clare Van Wieren scored 20 for Hope, his brother Glenn made 14, Glenn Van Wieren led with 13 defensive rebounds as Hope had a total of 59 rebounds to 43 for Alma. The victory was Hope's 10th straight in MIAA play this season and 17th in the past two seasons. The Flying Dutchmen have a 12-7 record while Alma is 6-4 in the MIAA and 10-8 overall.

Dutch Fall Before Press In 2nd Half

WHEATON, Ill. — Falling before a full court press in the last 10 minutes, Hope College's basketball team blew a 10-point lead and then lost to Wheaton, 76-72 here Thursday night in Centennial gym before 1,200 fans.

The Crusaders grabbed the lead for the first time in the game, 72-70 with 1:50 left when Kerry Otterby stole the ball and sank a layup.

Glenn Van Wieren's basket with 1:32 left tied the score but Otterby hit on another basket a few seconds later to put the Crusaders in front. John Pfund sank two free throws in the last 24 seconds for the four-point win.

Pfund's basket with 3:27 remaining tied the score 70-70 after Wheaton had trailed the entire game, including a 12-point 49-37 halftime deficit.

The Flying Dutchmen held leads of seven to 10 points in the first 10 minutes of the second half but then fell victim to the press and lost the boards to Wheaton.

With Hope leading, 64-54, Wheaton scored six straight points to pull within four with 8:15 remaining. At 6:52, the Crusaders were within one, 66-65. Hope held a one to three-point spread the next three minutes before Pfund tied the game.

Hope's biggest lead was 49-32 with two minutes left in the first half but the Crusaders, using the same pressing tactics, showed five straight points before the half.

The winners made 17 of 38 from the floor in the second half for 45 per cent while Hope got only 10 of 33 for 29 per cent. In the first half, Hope hit 18 of 40 for 45 per cent and the Crusaders, 15 of 30 for 50 per cent.

Hope closed with 28 of 75 for 37 per cent and Wheaton had 32 of 88 for 36 per cent. The Crusaders made 12 of 18 free throws while the Dutchmen hit 16 of 23.

Fouls plagued Hope and Vander Hill picked up his fourth with 14 minutes remaining and Hope leading, 57-48. He returned with the Dutch in front by one, 66-65.

Vander Hill led Hope with 19 points while Clare Van Wieren made 16, 14 in the first half, and Glenn Van Wieren had 12. Gary Nederveld, who picked up three first half fouls, had eight along with Ron Venhuizen. Vander Hill hit eight of 17 from the floor.

Pfund, 6'6" sophomore guard, had 28 for the winners while Otterby and Chuck Huibregste each had 15. Don Calvert, 6'6" freshman, added 10. Pfund made 12 of 29 while Huibregste had seven of 11 and Otterby, seven of 19.

Wheaton's victory avenged Hope's 88-73 win in Holland' last month. The Crusaders now have a 10-10 record. Hope is 11-7.

The Hope junior varsity lost to Wheaton, 98-83, Chris Buys had 22 for the Dutchmen while Terry Carlson had 19, and Dan Koop, 18 and John Simons, 16. The score was tied, 49-49 at half.

Grand Haven To Have New Post Office

GRAND HAVEN — This city's post office building, which has been located at Washington and Third Sts., main intersection in Downtown Grand Haven, 58 years, will be replaced, perhaps by 1965.

A new post office and federal building has been recommended for this city, according to Rep. Gerald R. Ford, Jr., of the fifth congressional district.

The General Services Administration at Washington informed Ford Thursday that the building would be erected on a new site, to be acquired in the future. Cost of the building will be \$516,000.

Ford's office said it isn't likely that funds will be available for the project until 1963, "or perhaps later." Grand Haven's present post office was erected in 1905 and two additions since have doubled its size.

The present building is functionally obsolete, is in need of major repairs and improvements, and not adequate to satisfy current post needs. It cannot be expanded on the present site.

Kragt Awarded Social Work Scholarship

David Kragt, formerly of Holland, has been awarded a scholarship in social work from the Federal Office of Vocational Rehabilitation in Washington, D.C. This scholarship is the largest scholarship available for qualified students in social work in medical, clinical, or rehabilitation settings.

Mr. Kragt is a graduate of Holland Christian High School and Calvin College. At present, he is a graduate student in social work at Michigan State University. He plans to complete his studying in June, 1964.

Mr. Kragt is the son of Mr. and Mrs. Harold G. Kragt of 220 Dartmouth Ave. and is married to the former Joyce Ten Harmel of Zeeland. They are presently making their home in Spartan Village in East Lansing.

Fails to Yield Way

Fred Van Wieren, 37, of 163 $\frac{1}{2}$ East Sixth St., was issued a ticket by Holland police Friday for failure to yield the right of way at Ninth St., and Lincoln Ave., following an accident when he collided with a car driven by Joe R. Dalton, 28, of Douglas. Dalton was also ticketed for not having a Michigan driver's license and for an expired Missouri license.

Two Autos Collide

Cars driven by Lorraine R. Maatman, 35, of 714 Gail Ave., and Gertie Sloothaak, 38, of 317 Essenburgh Dr., were involved in an accident Friday about 200 feet west of Gail Ave. on Essenburgh Dr., while Mrs. Sloothaak was backing out of her driveway. Neither driver was ticketed.

ARTICLE II. JURISDICTION AND ADMINISTRATION.

201: AUTHORITY: By virtue of the power vested in the Health Committee of the Ottawa County Board of Supervisors under Act 306 of Public Acts of 1927, as last amended by Act 198 of Public Acts of 1941, there are hereby provided regulations affecting public health and sanitation, and the provision for penalties for the violation of said regulations.

202: JURISDICTION: The jurisdiction of the Health Committee shall extend throughout Ottawa County, including all cities, villages and townships, in the administration and enforcement of the Sanitary Code, including all regulations or amendments heretofore adopted unless otherwise specifically stated.

Nothing herein contained shall be construed to restrict or abrogate the authority of any municipality in Ottawa County to adopt more restrictive ordinances, or to enforce existing ordinances relating to the regulation, control or issuance of licenses or the renewal or revocation thereof, or to charge the cost of collection of such taxes, that whenever inspection required, no such municipality shall issue or renew such license without first having obtained written approval from the health department indicating compliance with the requirements of the sanitary code.

203: ENFORCEMENT: All premises affected by the regulations of this code shall be subject to inspection by the health officer, and the health officer may collect such samples for laboratory examination as he may deem necessary for the enforcement of the regulations.

204: RIGHT OF ENTRY AND INSPECTION: No person shall refuse to permit the health officer or any other person to enter any premises or to resist the health officer in the discharge of his duty.

205: SPECIFIC PERFORMANCE CODE: After adoption of this Code every owner or person engaged for the construction of any sewage disposal system (except systems owned and operated by a municipality) shall give written notice to the health department before construction is started, of the location or address of the proposed construction and the type of system to be installed. No permit for construction shall be required, but the system must be designed and constructed to meet the specifications and performance requirements of this Code and must be approved by the health officer.

If any sewage disposal system or method of disposal fails to meet the requirements of this Code, it shall be evidence of the fact that it constitutes a public health nuisance.

206. INSPECTION AND WRITTEN APPROVALS MAY BE REQUIRED BY TOWNSHIPS, CITIES AND VILLAGES. Townships, cities and villages

that issue building permits under their own zoning ordinances, or building codes may, at their election, and through their ordinances, require the owner or person engaged for the construction to obtain a written approval of the health officer of the health department under this Code of a sewage disposal system constructed after the effective date of this Code before said system is used or the home is occupied.

207: INSTALLATION, BY HOME OWNER: No person shall be permitted to construct a septic tank or sewage disposal system on his own property provided it meets the location and performance requirements of this Code, and providing that a public sanitary sewer is not available.

208: PENALTY: Any person who shall violate, disobey, omit, neglect, refuse or fails to comply with any regulation, ordinance or law, or who shall be engaged in constructing, altering, maintaining or using a waste or sewage disposal system shall be deemed guilty of a misdemeanor and upon conviction thereof shall be fined not more than \$100.00 or imprisoned not more than (30) days or both, and the cost of the fine shall be paid by the person convicted.

209: INTERFERENCE WITH NOTICES: No person shall remove, mutilate, or conceal any notice or sign posted by the health officer except by permission of the health officer.

210: VALIDITY: If any section, subsection, clause or phrase of these regulations is for any reason adjudged unconstitutional or invalid, such judgment shall not affect the validity of the remaining portions of these regulations shall not be affected thereby.

211: OTHER LAWS AND REGULATIONS: The regulations of this Code are supplemental to the rules and regulations duly enacted by the Michigan Department of Health, and to the laws of the State of Michigan relating to public health, and shall supersede any local ordinances heretofore enacted inconsistent therewith.

ARTICLE III. WASTE DISPOSAL IN BODIES OF WATER: No person shall discharge any unapproved waste into any watercourse or natural body of water in the County of Ottawa.

DISPOSAL ABOVE AND BELOW GROUND: No wastes shall be discharged or deposited above ground, nor below ground within twenty-five (25) feet of any watercourse or surface body of water.

212: DISPOSAL FACILITIES: All sewage disposal facilities used in the treatment and - or disposal of wastes shall conform to the standards for such facilities as may be required or approved by the health department.

213: EXCEPTIONS: All facilities used in the treatment and - or disposal of wastes, which are not in conformity with these rules and regulations must have the written approval of the health department.

ARTICLE IV. PRIVIES: All privies and other toilet devices shall be constructed and maintained in accordance with the regulations adopted by the State Council of Health, June 6, 1940, as revised on July 20, 1946 and any subsequent revisions entitled "A Regulation Pertaining to the Construction and Maintenance of 'Out-houses' and to Safeguard the Public Health by Preventing the Spread of Disease and the Existence of Sources of Contamination in Accordance with Act No. 273, Public Acts of 1929."

ARTICLE V. SEWAGE DISPOSAL ON ALL PREMISES: It shall be unlawful for any person to construct, alter, or maintain any premises which is not equipped with adequate facilities for the disposal in a sanitary manner of human excreta and other forms of sewage.

214: DISPOSAL OF WASTES ABOVE GROUND: Under no conditions may effluent from a septic tank or any other sewage or other liquid wastes from an existing or hereafter constructed premise be discharged upon the surface of the ground except with the written approval of the health department.

ARTICLE VI. PUBLICLY OPERATED SEWAGE SYSTEMS: Whenever the health officer determines that it is necessary to construct a sewerage system, he may acquire any public or private drain, except an established county or inter-county drain of unknown source and origin, he may issue public notices requiring the owner of the premises from which such sewage originated, to connect such sewage flow to a publicly operated sewerage system, if available, or in the absence thereof, to construct a sewerage system in accordance with the provisions of these regulations.

215: DISPOSAL OF WASTES ABOVE GROUND: Under no conditions may effluent from a septic tank or any other sewage or other liquid wastes from an existing or hereafter constructed premise be discharged upon the surface of the ground except with the written approval of the health department.

ARTICLE XVII. PUBLICLY OPERATED SEWAGE SYSTEMS: Whenever the health officer determines that it is necessary to construct a sewerage system, he may acquire any public or private drain, except an established county or inter-county drain of unknown source and origin, he may issue public notices requiring the owner of the premises from which such sewage originated, to connect such sewage flow to a publicly operated sewerage system, if available, or in the absence thereof, to construct a sewerage system in accordance with the provisions of these regulations.

226: DISPOSAL OF WASTES ABOVE GROUND: Under no conditions may effluent from a septic tank or any other sewage or other liquid wastes from an existing or hereafter constructed premise be discharged upon the surface of the ground except with the written approval of the health department.

ARTICLE XVIII. PUBLICLY OPERATED SEWAGE SYSTEMS: Whenever the health officer determines that it is necessary to construct a sewerage system, he may acquire any public or private drain, except an established county or inter-county drain of unknown source and origin, he may issue public notices requiring the owner of the premises from which such sewage originated, to connect such sewage flow to a publicly operated sewerage system, if available, or in the absence thereof, to construct a sewerage system in accordance with the provisions of these regulations.

inspection purposes. No septic tank, field filter bed or dry well or any part thereof, may be located on any property other than that of the habitable building which it serves except by written agreement signed by the two owners involved and recorded by the county register of deeds on the abstracts of the properties involved.

No septic tank system shall be located in areas where maximum ground water levels, surface flooding, or surface water levels will adversely affect the operation of the system.

PRIVATE SEWERS:

701: TYPE AND LOCATION: No sewer, or pipe used to conduct untreated sewage from a habitable building, shall be located less than (10) feet from the nearest well, spring or unprotected water suction line. All sewers located within fifty (50) feet of any well or unprotected water suction line, and all sewers inside, under and within five (5) feet outside the inner face of the building wall of any habitable building shall be constructed of cast iron soil pipe with watertight joints, or other pipe approved by the health officer.

702: SIZE: Sewers outside of buildings shall be at least 3" in diameter, except where local codes require larger diameter. Sewers of larger diameter shall be constructed of cast iron soil pipe or other material approved by the health officer.

703: GRADE: Sewers shall be laid at such a grade as to provide a sewage flow velocity of not less than 2 feet per second when flowing full. Sewers 3" to 6" diameter shall have not less than one (1) inch grade per eight (8) feet of sewer pipe.

SEPTIC TANKS:

704: LOCATION: Septic tanks shall be located at least fifty (50) feet from any well, spring or unprotected water suction line, and at least 10 feet from any building, and at least 4' outside of basement wall.

705: CAPACITY: The minimum operating capacity for septic tank installations shall be:

Number of Liquid Capacity of Tank in gallons:

1 500
2 750
3 1,000
4 1,250
5 1,500
6 1,750
7 2,000
8 2,250
9 2,500

No septic tank shall be less than four (4) feet in liquid depth measured from the flow line, or less than five (5) feet between the inlet and outlet. No septic tank shall have less than an eight (8) inch air space above the flow line. No rectangular septic tank shall have a length of less than two (2) or more than three (3) times the width of the tank. No cylindrical tank shall be less than five (5) feet in diameter.

706: MATERIALS: Septic tanks shall be of watertight construction and of material not subject to corrosion or decay when installed. Concrete blocks or bricks at least 8" in thickness may be used in septic tank construction. Cinder blocks shall not be used.

707: MANHOLES: All septic tanks shall be provided with suitable openings with covers to permit inspection and cleaning.

708: INLETS AND OUTLETS: The bottom of the inlet line into the septic tank shall be at least 2 inches above the operating water level of the tank. The outlet shall be so constructed as to permit the withdrawal of liquid in the tank, and to prevent the escape of floating or solid material. The outlet shall be designed to permit gas above the liquid level to pass through the inlet line, and out the vent pipe serving the line leading to the tank.

709: SUB-SURFACE DISPOSAL SYSTEM: Septic tank effluent shall be disposed of in compliance with the sub-surface disposal system requirements, or by a method otherwise approved by the health officer.

710: LOCATION: Sub-surface disposal systems shall be located at least fifty (50) feet from any well, spring or unprotected water suction line except where Michigan Department of Health Regulations require a greater distance, and at least ten (10) feet from any habitable building and shall not be located within twenty-five (25) feet of the known high water level of any river, lake, stream, pond or other body of water.

711: DISTRIBUTION BOX: A distribution box or other approved equivalent device may be required for installations where site conditions would not otherwise insure proper distribution of septic tank effluent within the allowable limits of grade and depth of distribution lines.

Paris Chamber Orchestra Appearing Here Monday

The Paris Chamber Orchestra, Paul Kuentz conductor, will appear in concert here Monday at 8:15 p.m. in Holland Community Concert Association.

Included with the program Monday will be a blank on which concert members may check preferences for the 1963-64 series, as well as suggesting names of friends who might like to become association members next year. On the opposite side is a blank for volunteers to sign up for the membership campaign. The dinner for campaign workers is scheduled April 29, but the campaign is scheduled to start before that date.

The Paris Chamber Orchestra last year completed an 80-city tour

Conductor Paul Kuentz

of Canada and last spring appeared in New York at the Metropolitan Museum of Art playing to an invited audience which greeted them with fervor.

The orchestra is comprised of 14 persons including the conductor, five men and nine girls—all Parisians. Conductor Kuentz, a student of l'Ecole Supérieure de Musique, founded the ensemble some 12 years ago drawing members from prize winners of the conservatory.

The group presented its first concert in April, 1951, and met with instantaneous success. Since then the ensemble has given over 500 concerts, touring extensively on the continent.

The chamber group excels in music of the pre-Bach era and is noted for its interpretation of Vivaldi's "The Seasons." The Bach Brandenburg concertos and the Art of the Fugue are numbered among their outstanding presentations. They have, as well, a large repertory of contemporary music.

The orchestra is comprised of seven violins, two violas, two cellos, one double bass and (either) piano, organ or clavichord.

Hostesses for the evening were Mrs. Irwin Altman and Mrs. Jack Hobeck.

Roderick Graham was appointed by the board as chairman of the building and grounds committee.

MICHIGAN CITY, Ind. (UPI) —

Three persons were injured Friday when a truck crashed into a Chicago-bound Chesapeake & Ohio railroad passenger train and derailed it. Authorities said none of the injured was in serious condition. The truck driver escaped injury.

The accident occurred about 10:40 a.m. when the truck hauling canned corn drove into the path of the train at a US-30 crossing west of Michigan City. The truck collided with the locomotive which was damaged extensively.

All eight cars on the train were derailed, but none overturned. These cars came to rest 10 to 40 feet from the tracks and for a time balance was precarious.

This was the daily train which leaves Grand Rapids for Chicago in the morning and returns in the evening. It stops in Holland, Mich., for departure at 8:35 a.m. Eight to 10 local persons boarded the train this morning including Wilard C. Wichers of the Netherlands Information Service who was keeping some business appointments in Chicago.

Wichers called his wife shortly after 11 a.m. and because only one telephone was available arranged for her to call other local persons who had relatives aboard the train and to inform his Chicago contacts. He said names and addresses of all persons aboard the train were taken and arrangements were made to have them complete the trip to Chicago by bus.

Among local persons aboard were Mrs. George Mennenga, Sena Van Dyke and Mrs. John Van Huis, a former local resident now living in Chicago.

Henry Steffens, local councilman who is treasurer of Hope College, was traveling in a car in that locality this morning and called the Sentinel at 11:45 a.m. At that time he was not aware his close friend Wichers was aboard.

More than 400 feet of double track was torn up in the crash. Since this was on the main line, all trains were held up while crews rushed in 37 rails and 150 ties to the area.

Two members of the train's crew and a woman passenger were hurt. They were treated at doctor's hospital for cuts and bruises.

The remaining 45 passengers were shaken up but did not require medical attention. They boarded buses to complete the trip to Chicago, where the train was bound.

The injured were identified as John Bernard, 61, the engineer, Delmar Wagner, 35, fireman, and Mrs. Victor Camfield, a passenger.

He was a veteran of World War II, a member of the Elks Club and also a member of the Travelers Protective Association.

Surviving are a son, Mark Steven; three brothers, Carl Rozeboom of Ionia, John Rozeboom of Grand Rapids and James Rozeboom of Holland; one sister, Mrs. Henry De Visser of Holland; one sister-in-law, Mrs. Grace Rozeboom of Holland.

Allegan Studies Anniversary Plans

ALLEGAN — Beards may be a major crop in the Allegan area this spring and summer.

Preliminary plans are being made for a civic and historical celebration to mark the 125th anniversary of Allegan's incorporation as a village in 1838.

The city's "quasiquincentennial"—a word recently coined for a 125th anniversary — probably would be held in late July, according to Joe Silver, Allegan Improvement Association president.

The AIA is taking part in the preliminary planning stages, but a special, non-profit corporation completely separate from any local group, would be organized to direct the event, Silver pointed out.

Interested citizens have met with Wallace D. Lafferty, field supervisor for the John B. Rogers Company, Fostoria, Ohio, to discuss plans for the proposed celebration. The Rogers company has managed more than 3500 community "birthday parties," including those held in recent years in Paw Paw, Buchanan, Coldwater, Lansing, Pontiac, Rockwood, Chelsea, Clinton and Stockbridge.

DAR Guests See Missile Film

Members of the Elizabeth Schuyler Hamilton Chapter, Daughters of the American Revolution, their husbands, and members of the Sons of the Revolution and their wives saw a film "Nike-Hercules Missile" at their Thursday meeting in Herrick Public Library.

The film showed the development of the missile and Capt. Joe Griffith, in command of the Redstone missile site at White Sands, N.M. The base is operated by radar to intercept the enemy. The machines and the men work as one. Electronic devices are used in the operation of the base.

Following the film the group went to the home of Mr. and Mrs. Clarence Becker for coffee.

The DAR chapter has placed a display pertaining to early American history in Herrick Library in honor of American History month.

The state DAR conference will be held in Lansing at the Jack Tar on March 13-15.

F. Kleinheksel Addresses Noon Optimist Club

At a luncheon of the Holland Noon Optimist Club at Cumerford's Restaurant on Monday, Gene Scheele, program chairman, introduced Fred Kleinheksel, who showed colored slides which he had taken locally and on a recent trip to the National Capitol. Kleinheksel portrayed "Faith and Freedom" of America, and synchronized the slides with appropriate patriotic music.

Jim Frans presented a check for \$45.90 from the Optimist gum ball machine project for use in youth work.

Ray Gemmen reported on a committee meeting held in the home of Paul Van Valkenburgh relative to reviving a drum and bugle corps to be trained for Tulip Time. Seventeen prospective members have already indicated their desire for this training. A total of 30 boys may be enrolled.

Present at the meeting were Ray Gemmen, Paul Boven, Al Lucas, Andy Smeenge and Les Walton.

Andy Smeenge gave a report on the district board meeting which was held last weekend at the Capital Park Motor Hotel in Lansing.

Camp Fire Board Accepts Reports

Members of the Holland Council of Camp Fire Girls accepted and okayed the annual report of Mrs. Andries Steketee, executive director at their monthly board meeting Monday afternoon in the Camp Fire Office. Mrs. John Hudzik presided.

Reports were heard from the program committee who in a committee meeting had decided to cut down on city-wide affairs and concentrate more on group activities. One of the events, the annual Mother-Daughter tea and fashion show which the committee had decided to eliminate, was reinstated by the board with the new date to be announced.

Camp Fire Birthday Week is to be celebrated on a group level this year from March 17 to March 23. Birthday Sunday is March 17 with the birthday parties to be on March 18.

Goals for 1963 were listed with parents participation in the Camp Fire program to be one of the aims. The board felt that too many parents were willing to let others do their share of the adult work and did not cooperate with the leaders. The Camp Fire program to succeed needs the active support of the parents, the board felt.

Mrs. W. R. Hornbaker, Horizon chairman, reported that the Horizon groups are looking for community service projects and are anxious to serve. Persons or organizations that have projects for the Horizon groups are asked to call Mrs. Hornbaker.

As one of their projects, the girls will make the Camp Fire Tulip Time float.

Announcements of coming Camp Fire events includes the Dad-Daughter Horizontally potluck supper and square dance in the Civic Center on Thursday March 7.

'Sewing Machines' Is Topic at Waverly Meet

Members of the Waverly Activity Club met in the school Thursday evening and packed two boxes with baked goods and candies which were sent to Lambert De Vries and Jack Prins, both residents of the district who are in the army serving overseas.

Members also heard a home economics lesson on the sewing machine presented by Mrs. Jacob Zuidema and Mrs. Raymond Rouwhorst.

The business meeting was in charge of Mrs. Ed Zuidema vice president. A potluck lunch followed the lesson.

Local High Schools Given Career Awards

Holland was listed among four Michigan cities who have received awards for their outstanding participation and cooperation in the 1962 Careers in Distribution Week by the Michigan Retailers Association. The awards were made to the Retail Divisions of the Chamber of Commerce and the distributive education department of both the Holland High School and West Ottawa High School. Other cities getting awards were Detroit, Grand Haven and Parchment with honorable mention going to Ann Arbor.

This is the third year that Holland High has received an award in the program, the purpose of which is to more fully acquaint young people, their parents and their educational advisors with the facts of career opportunities in the field of distribution, or jobs in selling products or personal services.
