SAUGATUCK CO., PUT IN A IMPORTANT GRAND HAVEN FISH CASE IS STILL UNDECIDED

It is said the electric light company of this place will erect a ten thousand gallon tank, on the knoll opposite their power plant in Saugatuck where oil or gasoline will be stored for the use of their plant. It will be piped across the river and can be drawn in such quantities as their needs may require. The tank can be filled either from the railroad or tank boats that ply upon the lake.

After a trial commencing about 2 o'clock yesterday afternoon the jury, in the case of the people vs. William Ver Duine, commercial fisherman of Grand Haven, charged with marketing undersized fish with out the supervision of a State Game Warden, returned with a disagreement after being out an hour and a half. The decision came about nine o'clock in the evening. It is alleged by good authority that the jury stood five to one for a conviction.

The case was argued on a purely a point of law which was whether or not the work of shipping the fish must be supervised by a State Deputy Game Warden. The case was brought to this city from Grand Haven to assure a fair trial as the people of Grand Haven are all in favor of the fishermen. It was tried before Justice Robinson in the Board of Trade rooms of the City Hall. Prosecuting Attorney Louis H. Oosterhuis appeared for the people. Att. Corie C. Coburn of Grand Haven represented the defendant. The case will very probably be given a new trial in the near future.

Peter Fase, Ver Duine's partner in business was found guilty of this same charge when he was tried in this city a few weeks ago.

The jury in the case yesterday were Simon Bos, Chas. Race, James Ver Hult, Henry Stenroberg, Henry Van Ark and Henry Klostner.

Holland Man Drove White Horse in Old Holland Tannery 55 years ago, Still Works There

The Leather Company was Started in a Large Shed on the Lake Front

The Beginning of the Cappon-Bertsch Leather Co.

The picture in this article represents the beginning of the Cappon Bertsch Leather Co., of this city and it was a humble beginning—a shed without a shingle on the roof, twelve vats, and a white horse at the bark mill. This tannery was located at the shore of Black Lake, at the site which later on was Anderson's ship yard now the Western Tool Works. For two years the pay-roll contained but three names, those of the original firm Isaac Cappon, John Bertsch, and William Den Dekker who drove the old white horse shown in the picture around in the bark mill. Den Dekker started to work in this small beginning at 14 years, and is still working in the beam house of this big tannery in which he started his career. He walks three miles to his work every morning and has

He is the father of Mrs. Richard Overweg wife of the city clerk of this city.

Perhaps the reader would like to know a little more of the pioneer life of these men in connection with the pioneer industry they started.

Isaac Cappon left the old country in 1847, at the age of 17 years; remained in New York state one year; came to "de kolonie" in '48; spent '49 near Kalamazoo as a farm hand; returned here in '50, and with the late C. Hofman built a tannery for P. F. Pfanstiel, west of the present Chicago Steamboat dock. When the tannery, such as it was, was completed, none of the parties identified with it, knew much of the trade, so it was deemed best that Cappon should go "abroad" to learn tanning and currying. After spending six months in Grand Rapids he went to Grand Haven, and worked two years in Albee's tannery. To the late Curtis W. Gray Mr. Cappon considers himself indebted for becoming a practical tanner. The next two years were again spent in Grand Rapids in Taylor's tannery. It was here that Mr. Cappon formed the acquaintance of John Bertsch a young man who had come there from his native state Ohio. They worked together for over two years, and a business intimacy was formed which resulted in their starting the enterprise in this city. This business relation has continued ever since up to the time of Mr. Cappon's death twelve years ago.

In 1857 they began their humble beginning, as stated above. In 1863, during the war period, when Uncle Sam needed besides many men and mules also much leather, they enlarged their plant and moved it to the present site; and it has been increasing in size and in volume of business ever since. The great fire of '71 leveled the buildings, but did not destroy the contents of the vats, and the former were gradually replaced with larger and more substantial structures. In 1873 the firm of Cappon & Bertsch was incorporated under the firm name known as "The Cappon & Bertsch Leather Co." It being the largest tanning firm in Michigan as it is today.

About four year ago, Armour and Co., bought out all the stockholders and the tannery is being managed by them at this time. Closely identified with the Cappon & Bertsch Leather Co., have been the two sons of the late Isaac Cappon, John and Abraham. Today the tannery on the north and south side together covers about two city blocks.

SHEEPHEADS BETTER IN SPRING LAKE

D. Gantenbein and his crew of carp fishermen who also fish in Holland took 2,800 pounds of sheepheads out of Spring Lake in one day.

While ordinarily the sheephead market is not particularly strong, the Spring lake fish of this species bring much better prices than others. This is due to the fact that spring water keeps the sheepheads in Spring lake in good condition.

NOVEL AGREEMENT BY POLISH SOCIETY OF GRAND HAVEN

The members of the newly formed Polish American Industrial Society of Grand Haven are determined to have their members become good citizens. In their constitution they have inserted a clause, punishing any of the members guilty of fighting \$50 and 6 months in jail and any one fighting with bottles \$150 fine in addition to 6 months in jail. To make this arrangement binding, they desired to be sworn to it, and seem to think that this can be enforced.

ROAD HIMSELF

A rural mail carrier of Barry county put in a vacation recently dragging twelve miles of road on his route. He not only scraped it but raked all the stones from it and repaired the bad spots. Some of the roads traveled by rural carriers in that country are so bad that, if complaint were made, the postoffice department might suspend mail service. This particular carrier, S. E. Clark, showed fine spirit in his unusual efforts. Patrons of his efforts Patrons of his route showed appreciation by giving him a shower of vegetables, fruit, jelly, cigars, money, and other useful things.

NEIGHBORHOOD NEWS & ITEMS

EAST SAUGATUCK

Sunday it was 50 years ago that Mr. and Mrs. Jacob Herringa of Holland, were united in marriage, and on the day following they celebrated the event with a family reunion at their home in this city. It was in the stirring times of the Civil War that Mr. Herringa, then a soldier in the Union army came home to be married. Very soon afterwards he left for the front again and served until the end of the great conflict.

The marriage was performed in Grand Haven by the Rev. Christian Vander Veen, then pastor of the Reformed church there. Mr. Herringa had served for two years in Company A of the Fifth Michigan Cavalry. When he went to the front again after his marriage he served for two and a half years, coming out of the war a sergeant.

After the Civil war the couple lived in East Saugatuck, where Mr. Herringa engaged in the general merchandise business for about 30 years. He was also for a number of years postmaster of East Saugatuck, and justice of the peace. For some thirty years he served as an elder in the Reformed and the Christian Reformed churches. He served as notary public, member of the school board and in various other capacities.

About ten years ago the family came to Holland. Mr. Herringa for a number of years has been identified with the Michigan Tea Rusk Co.

Both Mr. and Mrs. Herringa were born in the Netherlands, he in Dokkum and she in Overisel. He came to America in 1848 and she in 1846. Nine children were born to them, seven of whom are living: Mrs. J. Seebelink, East Saugatuck, Mrs. F. Brouwer, Edward of Holland, Mrs. W. P. Van Wyk, Grand Rapids, Mrs. W. Bode, Lincoln Center, Ia., Jacob of Grand Rapids and Ida Herringa of this city. There are also 12 grandchildren and three great grandchildren. Others who will attend the reunion are one brother and one sister of Mr. Herringa and one brother and sister of Mrs. Herringa.

OVERISEL

One of the largest wedding which was ever held in that section occurred Wednesday at the home of Mr. and Mrs. Hubert Tanis of South Drenthe, when the marriage was solemnized of their daughter Cornelia to Henry Wolters of Overisel. The ceremony was performed by the Rev. T. Vander Ark. The bride, who was unattended, was becomingly dressed in a gown of white silk mesaline and carried a bouquet of white carnations. The wedding march was played by Elizabeth Tanis, sister of the bride.

Thursday evening a reception was given for the younger people and many guests were present from Holland, Zeeland, Grand Rapids and Lakewood Farm.

The young couple are well and favorably known in their community and they were recipients of numerous and costly presents. After March 1st they will be at home to their friends on the Zeeland Road where Mr. Wolters has accepted the management of the farm of Prof. D. B. Yntema.

The Trinity Reformed church will give a Washington Supper Saturday in the K. O. P. Hall. Read their adv. on first page.

HUDSONVILLE

Hudsonville, Feb. 27.—Estimating according to the orders which have already been placed for building machinery in this vicinity, a building boom that will reach large proportions here next spring will be the result. At present little is being done save laying plans. Two deals were recently consummated. Cornelius Spoelman has purchased the Sherwood farm and will take possession in a few days, and Theodore Curtis, of Dutton, has become owner of the old Whipple farm, and will take possession as soon as the roads will permit of moving his goods to this point.

Both of these men contemplate extensive improvements in their buildings and building new ones.

Thomas Hughes will erect a beautiful home in the property he purchased of R. P. Corey, and John Griz on expects to build a large billiard and pool room on the lot he has purchased of John Posker.

DRENTHÉ

Rev. T. Van Der Ark of Drenthe has declined a call from Muskegon.

The Holland High school Freshmen Thursday defeated the Zeeland O. A. C. Seconds in a close and hard fought game in Zeeland in a game preliminary to the Ludington-O. A. C. game. The two teams were very evenly matched and the Holland boys were a bit handicapped by the smallness of the hall. The first half ended 13 to 1 in favor of Holland, while the final score was 17 to 12. Holland's lineup was: Zweering, Kremer, Vander Meulen, Romeyn, guards; Nykamp, Vanden Berg forwards; Vander Bie, center; referee Oltmans. Billy Lane, the High school's enthusiastic yell master, was on hand, leading the yells.

For the first time this season, Zeeland High lost to Hastings High at Hastings Friday by a score of 24 to 17. The defeat was mostly due to Zeeland's best forward, DenHerder, being out of the game on account of a sore knee. Zeeland will try to get revenge next week at Zeeland.

The Zeeland high school basketball quintet hopes to retrieve the loss of its first game of the season to Hastings when the two teams meet in a return game on the Zeeland floor tomorrow. GEORGETOWN

Friday the jury in the Abel contested will case in circuit court rendered a verdict for the defendant, after an hour's deliberation.

The case involved an estate worth more than eight thousand dollars. This estate was left to Henry Abel of Georgetown by the will of Herman Abel, who was killed by lightning last summer. Henry Abel was a half brother of the deceased and immediately the will was announced leaving the entire estate to Henry Abel, the other half-brothers and sisters, seven in all, protested on the ground that undue influence had been exerted and demanded that the estate be divided. The case was an interesting one and hard fought.

The verdict of the jury as rendered yesterday means that Henry Abel will retain the estate as provided by the terms of the will and turns down the contestants.

THOSE WHO HAVE HAY AND POTATOES TO SELL LOOK FOR BIG PROFITS

The time has arrived with many farmers in this vicinity when the effect of last season's short crops is being felt. Many silos were not filled last fall and some of them are now empty. There is not an abundance of any kind of fodder to take the place of the ensilage and it becomes necessary for many dairymen to buy hay of which there was very little in this locality. Those hay growers whose fields are extensive and who market large quantities every year are said to have much on hand now and are holding for the prices of two or three years ago. \$25 and \$30 in this they are quite likely to fail, for there is an abundance of hay in the west and much of better quality than that raised last year in Michigan. The dealers declare too, that these growers, who hope to make their former brothers pay the high prices, are due to disappointment. Those who can afford to hold their hay and gamble on the market do not believe there is enough in the

country to supply the demand of the next two months. The potato raisers who have their crops in pits, think the same of their chances of high prices. One dealer said this week that there are fifty cars of hay in the vicinity of Allegan that are being held by growers for the high rates. Western alfalfa sold this week for \$22 per ton and choice timothy for \$17. Clover is worth \$15 but alfalfa at \$22 is generally considered the cheaper.—Allegan Gazette.

AFTER WEEK'S SEARCH LADY FINDS VALUABLE JEWELS IN WASHTUB

The police have ceased to worry over the disappearance of some rings from a residence on Sixteenth street. The owner called up yesterday and said that the rings had been found.

About a week ago a lady on 16th street laid her rings, one valued at \$30 and another valued at \$4, on her table. She went to the store leaving the rings on the table. While she was gone the milkman came and left. Later she missed the rings, and on thinking it over the only possible solution was that the milkman had the rings.

She searched her house for a week in hope of discovering the lost jewels, but with no result. The police were notified Monday. Yesterday the lady called up and said she found her rings—in the wash tub.

She had evidently taken up the table cloth with the rings on it and thrown it all into the tub.

HOLLAND CITIZENS WANTS TO KNOW IF HE IS OR IS NOT A CITIZEN OF THE UNITED STATES

An interesting naturalization question was presented in the county clerk's office in Grand Haven.

George Hildebrandt, one of Holland's citizens, born in Germany, came to this country and in due course of time he became a citizen of this country.

A family was reared in this country and among them a boy who is now twenty-four years of age.

When this lad was about twelve years of age, the Hildebrandt family returned to Germany and remained there a little over four years.

By the laws of Germany, Hildebrandt became again a citizen of Germany.

Now the son is desirous of going to Germany for his health. Being poorly, he is advised by his physician to travel in southern Germany in the "Schwarzwald" and the "Thurgau."

The question arises, the young man being 16 years of age when leaving Germany, if still considered a subject of Wilhelm, would he be subject to military duty, or is it necessary for him to become naturalized so that Germany will have no right to press him into service?

Some seem to think that young Hildebrandt is still an American citizen, but to settle it the question will be submitted to the Secretary of State at Washington. Hildebrandt and family are residents of this city and have been back in this country for some seven or eight years.

LIKES WESTERN LIFE

Western dispatches tell of the catching of a monstrously large coyote by a former Holland woman, the animal being the largest ever caught in Colorado, so far as known. The heroine of the story is Mrs. J. Lemons, formerly Miss Carrie Taurling, daughter of Mr. and Mrs. H. Taurling, who lived at 249 E. 11th street.

Mrs. Lemons now lives in Grant, Colorado, and she has developed into a clever trapper. In one of her traps the other day she caught a coyote measuring from tip of nose to end of tail 73 inches. With a club she killed the animal, after which she tried to shoulder it and carry it home. But the coyote proved too heavy, and Mrs. Lemons dragged it home down the mountain by its hind legs. Unaided she skinned and cased it and she had completed the whole job before her husb and arrived on the scene.

The former Holland girl is in love with the romance and adventure of her western home. She left Holland in 1908 to make her home in the west with her husband, and she declares that she would not care to go back to Michigan to live. She likes to ride horseback, to shoulder a gun and to spend much of the time in hunting and trapping.

PROF. J. E. KUIZENGA ADDRESS-ED PARENTS-TEACHERS CLUB THURSDAY NIGHT

The Parents-Teachers club of Columbia avenue School met in their room Thursday with about 85 present, many of them being fathers. The following program was rendered: Piano Solo.....Miss Kamferbeek Solo.....Miss Boot Reading.....Miss Ossewaarde Solo.....Miss Brouwer Short Lecture—"Education and Habit".....Prof. J. E. Kuizenga

Prof. Kuizenga stated that habits are so implanted that we do things without giving them a thought. He gave various examples of force of habit being so great that it had become a part of the natural life, such as drinking, gambling, daily labors, etc. These habits are hard to be broken; therefore the habits implanted should be good and pleasing. Habit is a system of association of the mind. He said the home is the institution where the child should be started right in the way of habits of prompt obedience, helpfulness and cleanliness.

The father as well as the mother should set examples of good habits, especially before the son, said the speaker, as he believed the law of association has more to do with the habits of the child than anything hereditary. Literature also has a great deal to do with the making of a character. "Character endures when knowledge passes away." This address was followed by a solo by Miss Belcher.

BUT TWO MEMBERS OF LOSING TEAM ARE CHOSEN ON THE COLLEGE TEAM IN COSMOPOLITAN DEBATE

The affirmative side of the question "Resolved, That the U. S. should own and operate its railroads" was given the decision in the debate at Hope college last night. The affirmative was presented by the Cosmopolitan team composed of J. Tillema, H. Poppen, and H. Lockhorst. The negative was presented by J. Flipse, J. De Boer, and T. Zwemer representing the Knickerbocker society. Of the six debaters, J. De Boer, H. Lockhorst and T. Zwemer were chosen to represent Hope in the triangular debates with Olivet and Alma next month. The three remaining contestants will debate the Fraternal society team in two weeks. The three winners in that debate will compose the other college team. The judges in last night's contest were the Rev. J. Groen, and Atty. M. Walker of Grand Rapids and Mr. Edw. Reid of Allegan. Dr. Vennema acted as the chairman of the evening. The debate was keen and sharp and all the debaters showed a wide knowledge of their subject. The speeches were delivered in a crisp forceful manner the entire contest was highly interesting.

The tickets will be ten cents each. These contests each year are of considerable interest to those not only who take part but to the general public as well, and it is expected that a large audience will be present Monday evening to show their appreciation of the efforts of the Temperance Union and to hear the strong speeches which the contestants have prepared.

A cornet and clarinet duet was rendered by Carl Hoopers and Marien Le Cocq and the Fraternal Quartet closed the program by singing "In the Harbor of Love". HARRY MINK WAS GIVEN ALL THE CHANCE POSSIBLE AND MADE GOOD

The case of the People vs. Harry Mink of Grand Haven arrested about Jan. 1, charged with obtaining property under false pretenses, on complaint of Hile A. Fletcher, of Blendon, was settled Friday when Mink appeared before Justice Miles and paid the costs in the case and paid the money on the property to Mr. Flocher, a total of \$39.80.

Complaint was made against Mink about July first last year but he was not located until the first part of January when he was arrested by Sheriff Dykhuis in Muskegon. He was arraigned before Justice Miles, after waiting in jail for about ten days, and he pleaded guilty to the charge. He told a straight story to the Justice and was released on suspended sentence until Feb. 20 to give him a chance to make enough money to pay the fine. When he appeared Friday he had the money with him and settled up.

OTTAWA COUNTY PROSECUTOR TRIED TO LEARN NAME OF DOCTOR WHO CRIMINALLY OPERATED ON ZELMA ATWOOD

But Atwood Boys Declare They Do Not Know Anything About the Matter.

Prosecutor L. H. Osterhaus takes exception to the reported proposition that he made Frank Atwood in return for the name of the man who had performed the criminal operation that cost the life of Zelma Atwood, Frank's sister-in-law. He says "After the case against Maurice Atwood was tried and he was convicted I told C. O. Smedley, attorney for Maurice and Frank, that I, and the people of the county, would like to know all the facts and the details and that I believed that the doctor employed by Maurice to do the actual work should be prosecuted and punished. I said to Mr. Smedley that if Maurice and Frank would make a complete written statement in detail, giving me all of the facts, including the name of the doctor, and give their testimony in the prosecution, against the doctor, I would cause the immediate arrest and early trial of the operator and drop the case against Frank; and if they abandoned their proposed appeal and Maurice appeared for sentence the county would pay the court reporter for the testimony taken on the trial and already transcribed.

"I did not say that the sentence on Maurice either could be or would be suspended, or that I would recommend it. All I ever said about the punishment of Maurice was that I believed the court would be reasonably merciful in passing sentence on him, as courts always are in pronouncing sentence on one conspirator who furnishes the desired information and gives the necessary facts and testimony against his confederates."

Frank turned down the prosecutor's offer on the ground that neither he nor his convicted brother knew anything of the details in connection with the crime.

LACEY IN LANSING ORCHESTRA

The Lyric orchestra of East Lansing, Mich., is coming to the front rapidly at least if we are to judge by the character of engagements being played. One of the most important of these is the annual military ball at M. A. C. Fischers' Orchestra of Kalamazoo or the Fuzel orchestra of Detroit have usually played for this function.

New Lacey, son of Mr. and Mrs. G. A. Lacey, of this city, is clarinet player and musical director of the organization which is composed of M. A. C. students and which was organized about one year ago.

RUFUS PEABODY ARRESTED IN INDIANA; WILL BE RETURNED TO HIS FAMILY.

Rufus Peabody, of Grand Rapids formerly of Holland, the barber who left his shop, last week and disappeared, was picked up by the sheriff in Warsaw, Ind., Saturday night in a raid on a bunch of hoboes. Acting Superintendent Howell was communicated with and the relatives notified. Peabody's father, Ethbert Peabody, has gone to Warsaw to return with his son.

Peabody is said to have told the sheriff that he left Grand Rapids because business was dull and he also wanted to seek a warmer climate. Mrs. Peabody has been on the verge of a nervous prostration since the disappearance.

The fire department was called out Tuesday morning to a small fire in the roof of the residence of A. Kraai, 30 East Sixteenth Street. The damage was very slight.

TO MAKE CITY BOARDS ELECTIVE WILL COME UP A VOTE IN THE SPRING

Work Of Securing Signatures To Petition Was Carefully Done

That those who were in charge of circulating the petition asking for a change in the charter to provide for the election of members of the two city Boards did their work well, and with extreme care was shown by the canvass made of the names that appeared on the document. Each name was carefully compared with the registration lists and the result was that there were found to be 556 signatures of registered voters on the petition, four more names than necessary to bring the matter before the people of Holland at the election the first week in April.

The special committee appointed by the mayor last week to make the canvass has decided that it will be advisable that City Attorney Van Duren go to Lansing in person to present the document to Gov. Ferris for his signature. In this way there will be no waste of time, and the petition can be back here at the next meeting of the council. The aldermen will then take steps to have the amendments printed on the official ballot.

MRS. L. MULDER GIVES SERIES OF DINNERS FOR HER CHILDREN.

Four birthdays in one family within a week is the record attained in the family of Mrs. L. Mulder, East Fourteenth street. The fourth and last of the quartet of celebrations was held Monday night when Mrs. Mulder entertained in honor of Ben Mulder, in celebration of his 42nd birthday anniversary. During the preceding week similar celebrations were held in honor of John Mulder on the occasion of his 44th birthday as well as for Mrs. Andrew Stoketee and Marius Mulder, both of whom celebrated their anniversaries on Washington's birthday.

Each of those whose birthday was being celebrated was given a separate dinner party, Mrs. Mulder entertaining them and their families. Each received a substantial birthday gift with which to remember the event. And while at it any way, Mrs. Mulder entertained the other children and their families on evenings not marked by birthday celebrations, so that she entertained seven nights in succession.

PUBLIC PULSE

Editor of the News:—In regard to Aid. Prins, chairman of the committee. The widow on West 16th street asked some remittance of taxes, it being so large. It is true she had \$3000 for some property but bought a home of \$2000 and had lots of expense with sickness and deaths and trouble, that there is very little left of that \$3000. The widow is 70 years old and is not able to do much work. From the little money she has left she is not able to pay such high taxes.

A FRIEND.

Editor of the News:—In regard to the widow on 16th street who asked to have her taxes remitted, I wish to make a brief explanation. As chairman of the Committee on Poor, I am anxious and ready to help all such as need help. But I do not believe in helping people who can help themselves. I do not believe it is fair to the taxpayers nor to those who really need aid to help such as can get along without aid.

I was told that this particular woman owns a house worth \$2,000 and has a thousand dollars in money. When she asked for remission of taxes I asked her if she had a thousand dollars in money. She did not deny it although she did not say out and out it was true. I have heard from other sources however, that it is so. And even if it should be less, I still hold that the city should not aid people who can aid themselves. I believe in helping all who need help but I do not believe in helping them some years ahead. Let this woman pay her taxes and if later on her money gives out, I as chairman of the poor committee stand ready to help her. But if we remit her taxes now and she, being an old woman, should die, the heirs would inherit the thousand dollars and the city would be out of its tax money.

I merely make this statement to set the people right on this matter. I repeat that I stand ready at all times to aid the poor; but I am unalterably opposed to help those who can help themselves.

P. PRINS, Chairman Committee on Poor.

ENTHUSIASM FILL BANQUET-EXECUTIVE COMMITTEE OF HOLLAND BUSINESSMEN AS

Speakers Tell What Y. M. C. A. Stands for In the Life of a Community

Although 240 tickets were sold for the Y. M. C. A. banquet held Monday night in the gymnasium of the High school less than 150 people attended. The Holland Shoe company added to the zest of the gathering by marching in 60 strong with a large Y. M. C. A. banner. "America" was sang by the entire company of banqueters led by J. Vandersluis. After a blessing asked by Dr. Ame Vennema, a fine banquet prepared by John Hoffman under the direction of Dr. J. J. Mersen, was enjoyed.

C. M. McLean presided at the meeting and he told briefly of how the Y. M. C. A. movement had started in this city about eight months ago, how enthusiasm had been gradually worked up among the Holland people, resulting finally in the banquet of last night which would give the citizens committee, at work on this movement, a basis for going ahead. Speakers were heard on various phases of the Y. M. C. A., and when at the close of the meeting the question, "Do We Want a Y. M. C. A. in Holland," was put to the banqueters, the vote was a unanimous "YES".

Hon. G. J. Diekema acted as the toastmaster of the evening and he introduced the speakers in a masterful and pleasing manner, ringing in some of the excellent stories he is noted for.

W. H. Gay of Grand Rapids was the first speaker on the program and he told of the business side of the Y. M. C. A. movement. He said that Holland was about to attempt a new phase of 'Y' work in starting out with what is called the non-equipment work. Without a building and equipment the boys must be kept busy and must be taught what the Y. M. C. A. stands for. The city ought to have \$2500 a year for three years to get the organization well under way in Holland, he said. In discussing the movement itself, he said the Y. M. C. A. does a great work in reaching the boy and developing him spiritually, mentally and physically, a work that often the church cannot do. Indifference and prejudice are two things that must be kept out of the Y. M. C. A. as no movement can succeed with these sleeping giants enlisted in the ranks.

To be leaders of the organization the boys must be confident and willing to try for the big things. He said that in five years he expected to see an organization here that the city can be proud of.

Assistant State Secretary, B. B. Johnson, of Lansing told of the workings of the Y. M. C. A. He brought out the point that he did not want boys to join the Y. M. C. A. merely for the gymnasium, but to go into it to be of service to the other fellow, as it is this spirit that the Y. M. C. A. is trying to develop in its members. There is no need of boys going wrong if they only have the right kind of a friend at the right time. The Y. M. C. A. might be termed organized friendship. If boys are kept busy they will as a rule turn out all right. The Y. M. C. A. teaches them and develops them mentally, physically and spiritually.

Att. Gelmer Kuiper of Grand Rapids told of the spiritual side of the organization and won the audience by his happy smile and jovial manner. "Mankind is calling out for men development," was the theme of his talk. Physically perfect men alone are not the right kind of men, and a man may be both physically and mentally perfect but still be a brute. The spiritual development is necessary to make use best of man. The Y. M. C. A. teaches men to pull together and for each other and in this way much more can be accomplished than individually.

D. E. Duell, secretary of the State organization, gave a short talk in which he urged the young men of today to enlist in the Y. M. C. A. army in its fight for the betterment of mankind. Jake Van Putten gave a short talk in which he said that the sentiment of the young people of Holland is for a Y. M. C. A. as far as he could judge, and those who are taking hold are the right kind of fellows to make a go of it. Henry Geerlings was called on last, and he stated the other side of the question when he said he was sure that the business men of Holland would stand back of the movement if the boys of the city would only show that they wanted it.

The Sixteenth Street Christian Reformed church Monday at a congregational meeting extended a call to the Rev. Mr. Fortuine, pastor of the Christian Reformed church of Hardewijk, north of Holland.

LAND BUSINESSMEN AS CREATES INDUSTRIAL COMMITTEE THAT WILL TAKE UP NEW WORK OF GETTING NEW FACTORIES

At a meeting of the executive committee of the Holland Businessmen's association Saturday John Vandersluis was persuaded to accept the position of president of the association for another year. He had been appointed by a unanimous vote of the committee a few days ago and although he held back about accepting, making the argument that another should assume the burden for the coming year, the members of the committee finally persuaded him to change his decision.

An industrial committee was created by the executive committee at the meeting this morning. This committee is composed of the following: A. H. Landwehr, chairman, Frank Bolhuis and Herman Cook. The duties of this committee will bring it into close touch with the city's Bonus Committee and with the Holland Board of Trade. The plan is that this industrial committee shall cooperate closely with the other two city organizations for the purpose of securing new industrial institutions for Holland. It is not at all the plan of the new committee to encroach on the work of the other two organizations, but to work with them. Hitherto the Businessmen's association has worked along these lines as a whole, but it was considered more effective to have this work concentrated in a committee. In its new form as a Businessmen's organization instead of a Merchants' organization the association is in shape to do more constructive work toward the building up of Holland, and the new committee was created to work along this line.

A publicity committee was also appointed, with Secretary Fred Beeuwkes as chairman. The other members are to be appointed later.

NINE PUPILS GAVE DECLAMATIONS BEFORE SCHOOL MONDAY IN ZEELAND

The preliminary declamation contest of the Sophomore class of the Zeeland High school was held in the High school assembly room Monday. The following numbers were given: "The Mayflower" by Martha Mulder; "The Death Bed of Benedict Arnold," by Ralph Ten Have; "Abraham Lincoln's Second Inaugural Address," by Ruth Claver; "Anniversary Address of Washington," by Jacob Kamps; "Liberty and Union," by Chris De Jonge; "The Death Bed of Benedict Arnold," by Dela Van Hoven; "Liberty and Union," by Harold Veneklassen; "The University—The Training Camp of the Future," by George Roosenraad; "A Vision of War and A Vision of the Future," by Dela De Pree.

The winners in this contest who will represent the Sophomore class in the local contest to be held March 10, were Dela Van Hoven and R. Ten Have. Dela De Pree received honorable mention. The judges in this contest were Supt. Washburn, Miss Ronan and Miss La Huis.

The preliminary oratorical contest of the Junior and Senior classes were held yesterday.

The committee of supervisors appointed to look after the hobo question in Ottawa county have appointed deputy sheriff Herman Waltman of this city to take charge of the hoboes at the county seat and make them work. He has about 15 men on hand now to get out on the streets.

MARQUETTE CLUB MEMBERS ARE WELL PLEASED WITH SATURDAY'S SPEAKER

A good sized audience attended a smoker at the Marquette club Saturday night when George Mac Kenzie cashier of the Old National Bank of Grand Rapids, delivered an address. Mr. McKenzie proved to be an able speaker, and being an authority on banking he gave an interesting and helpful talk on banking and its connection with business. "One of the best things a businessman can do is to establish a credit at a bank," he said. "In giving credit to a man a banker makes his basis on the capital, capacity and character of the man. Besides the main address, a vocal solo was rendered by Daniel Kruidenier and a piano solo by Wayne Tilt.

The Hall Players, stock company, are engaged to return to the Knickerbocker Theater with new plays some time next month.

BEAUTIFUL FUNCTION GIVEN BY LOCAL D. A. R. AND S. O. R. ORGANIZATIONS

Gathered at Home of Mrs. C. C. Wheeler Friday Night; Colonial Costumes Used.

D. A. R. S. O. R.
Colquial Sir, COLONIAL Dances:
In honor of George Washington's Name
Come spend a merry little while
In costume of old fashioned style

In response to the foregoing invitation about fifty members of the Sons of the Revolution and Daughters of the American Revolution with their guests, assembled Friday night at the home of Mrs. Wheeler, Tenth street and Columbia avenue, to do honor to the birthday of George Washington.

The national colors and portraits of George and Martha Washington were lavishly used in decorating the spacious rooms of the home and formed an appropriate setting for the quaint costumes of the Colonial period.

In the dining room, the guests were seated at long tables, a Son serving at one end and a Daughter pouring at the other end of each. Between these two the boards fairly groaned beneath the good things heaped upon them. After grace was asked by Dr. J. W. Beardslee, Sr., and the singing of America by the company, the following menu was served by the Misses Anthony, Little Smith and Yntema, each gowned in a picturesque and becoming Colonial costume:

Chicken Pie	Dill Pickles
Pickled Beets	Roast Ham
Mashed Potatoes	Baked Beans
Candied Yams	Cabbage Salad
Jelly Tarts	
Mince Pie	Doughnuts
Cheese	Coffee

The Rev. J. W. Beardslee, Jr., Regent of the Sons, acted as toastmaster and with witty and appropriate remarks introduced the following speakers:

Mrs. F. C. Hall, Regent of the D. A. R., who gave a resume of the work of the local chapter, urged the two societies to bend their efforts toward enforcing the state law which requires the national flag to be constantly displayed on all school houses.

Mr. Cotton toasted "The Ladies" and explained that all "Sons" had been under the petticoat rule since the days when the colors for the first flag were suggested by the hanging on the clothes line of Ft. Saavix of two red petticoats, the General's best white shirt, and the blue coat of an army officer.

Mr. Charles H. McBride responded to "Colonial Sweethearts, Wives and Mothers" and paid a glowing tribute to the woman who embodied all of the finest characteristics of each—Elizabeth Schuyler Hamilton, the patron saint of the Holland chapter.

"The Sons" received kindly treatment at the hands of Mrs. Wheeler. During the program Columbia, Michigan, My Michigan, and an original song composed for the occasion by Mrs. Gowdy were sung by the company.

Several hours were spent in the enjoyment of an old time spelling bee, musical contests, etc. The singing by Mrs. Van Verst of "Tis Not True" and "Love is a Rose" added much to the pleasure of the entertainment.

Following is the song composed by Mrs. Gowdy and sung to the tune of "Yankee Doodle."

We're glad to gather here tonight
To talk of our relation,
We're pleased to own George Washington

The Pa of this great nation.
Chorus—

Sons and daughters keep it up,
Keep Old Glory flying,
Never let folks say of us,
Loyalty's declining.
Chorus.

We're proud of Martha, that good soul,

And wish we had more like her,
We're thankful for our Betsy Ross
Her tho'tful, faithful labor.

We swear allegiance to the flag,
To Holland and her chapter
To members, guests and our fine spread,

And program that comes after.
Chorus—

The quarterly teachers' meeting of the Third Reformed church Sunday school was held Friday night at the home of Mrs. H. De Bruyn, East Tenth street. About sixty teachers were present and a very enjoyable and profitable evening was spent. A male quartet gave two selections.

Prof. C. C. Delano of Hope College read a very interesting paper on the "Sunday Schools of the South." He traced the development of the institution since its inception in Virginia in 1758. The question box was in charge of W. J. Westreer.

HAND WRITING ON THE WALL

Fuller returns from the Second Iowa District confirm the first impressions of a return of Republicans to their party. The approximate totals show that Hanley, the candidate for Congress of the Progressives, fell almost 4000 votes short of the total polled for Roosevelt in the district in 1912, while Hull, the Republican candidate, polled more than 2000 votes in excess of the vote given Mr. Taft. Hull was the only one of the three candidates in the running who polled more votes than were cast for the presidential candidate of his party at the last national election. Vollmer, the Democratic candidate, did not come within 7990 votes of the number polled by Woodrow Wilson in that district.

The figures show, however, that if the purpose of the Progressives is only to defeat Republicans without electing a Progressive anywhere, and Democrats everywhere, it was as well served in the Second Iowa District as could have been hoped. Combining the Republican and Progressive vote shows a total of 14,448, as against the 12,614 polled for Vollmer, the Democrat, leaving Vollmer in a minority of nearly 2000. The Progressive vote was only one-third of the Republican vote, but it served there, as well as elsewhere, to defeat the other two Republican thirds. The consolation to be drawn from the figures is that they give added evidence of the growing impatience among the Progressives of 1912, at being used as a coal tender to the Democratic locomotive to keep the train going on a through track, with a clear right of way to office. It may be assumed that the foreseen result in the Second Iowa will add to this feeling in all sections of the country.

SOME MICHIGAN ELECTION FIGURES

How Strong Will Governor Ferris Be?

The interest aroused in the vote in the Second Iowa, congressional district recently, has been such that the same system has been applied to the available figures on the state of Michigan. They are of particular interest because of the claim of Democratic National Committeeman E. O. Wood that Gov. Ferris is 75,000 votes stronger than any man in Michigan.

In 1912 Gov. Ferris received 194,017 votes. Mr. Musselman 169,963 and Mr. Watkins 155,372, a total vote on governor in the three parties of 519,352. At the election last spring the leading candidates for supreme court justice in the respective parties received: Steere, Republican, 178,349; Murphy, Democrat, 148,925, and Cook, Progressive 92,103. These figures really give the Democrats an undue advantage as Judge Murphy ran 15,000 votes ahead of his colleague on the ticket, while Justice Steere was less than 2,000 ahead of his partner on the Republican ticket.

The total vote of these three leading candidates shows a falling off in the total from the gubernatorial vote of approximately 100,000, or 19 per cent. But, despite the fact that Judge Murphy led the normal Democratic vote on justice by 15,000 the loss from the vote of Gov. Ferris was 23 per cent, or 4 per cent more than the loss in total vote.

On the other hand Justice Steere received 8,386 votes more than Mr. Musselman, a gain of more than 4 per cent. But the real big loss was suffered by the Progressives. Mr. Cook received 63,249 votes less than Mr. Watkins, a loss of 40 per cent, giving the Republicans a net gain over the Progressives of 44 per cent.

Now for the real story back of these figures. The Democratic vote showed a loss of 4 per cent from the total vote. Taking this from the vote of Mr. Ferris gives him a total of 186,256, while adding the 4 per cent gain to the Republican votes gives a total of 176,256, and carrying out the Progressive vote the same way gives 93,223.

This fully substantiates the claim that Gov. Ferris is going to be a hard man for the Republicans to beat and that this can only be accomplished by the establishing of party harmony and the return to the fold of a goodly number of Progressives who still remained in the third party at the spring election of 1913.

But there is solace to the Republicans in the fact that Mr. Watkins was undoubtedly greatly helped by the name of Roosevelt at the head of the Progressive ticket, while Mr. Musselman was as certainly hurt by the unpopularity of President Taft. At the same time Gov. Ferris's personal strength was such that he distanced President Wilson in this state. The vote on president stood: Roosevelt, 214,584; Taft, 152,244; Wilson, 150,751.

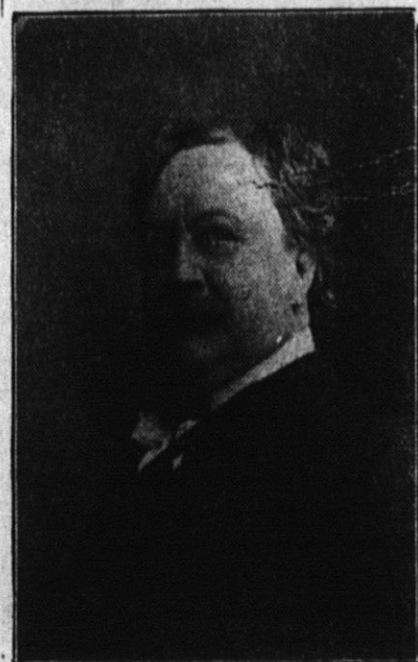

What explanation for increased prices will the ice trust give next summer? Will it be that the ice was too cold to cut or that it was too cold to cut the ice?

ANNUAL BOARD OF TRADE SPREAD TO-MORROW NIGHT

Banquet to Begin Early; All Three Speakers Looked Upon As Top-Liners

The big feature of the week this week will be the Board of Trade Banquet in the city hall Friday night. In fact it will be the big entertainment of the year this season as it was last year. Judging from the reports received from members so far there will be a good sized attendance. At least the banquet committee is making preparations for fully as many as were present last year at the long tables that crowded the court room.

In addition to the three speakers, each one of them a top-liner, namely, Mr. Morrey of Chicago, Former Senator Mason and John I. Gibson there will be music by Lacey's orchestra.

W. E. MASO

One of the Speakers at the Board of Trade Banquet

Hon. G. J. Diekema will be the toastmaster. The council room will be decorated for the occasion.

The banquet will start at 7 o'clock sharp. The early hour for banquets has become a custom in this city and is proving popular.

Both Mr. Mason and Mr. Gibson are well known in this city, the former having spoken here before and the latter being known because of his connections with the eastern Michigan Development association. Mr. Morrey is not so well known here. But Mr. Diekema is intimately acquainted with him, having served with him for some months past on the board of arbitration in the railroad dispute in Chicago. Mr. Diekema speaks very highly of him and believes that he is a big catch for the speakers' committee of the Board of Trade.

HORSE WAS NO RESPECTOR OF PERSONS; STUDENT GETS VIGOROUS EXERCISE

That the preacher must be ready for anything that may arise was impressed upon one of the students of the local seminary last Sunday. The student had filled a preaching engagement at North Blendon and was diving back to Zeeland to make connections with the Interurban. He was deep in meditation on the evil ways of men and did not notice an especially high snowbank across the road caused by the railroad snow plow. While crossing this the cutter tipped enough to precipitate the theolog into the road. Said theolog happens to be of goodly girth and was a little slow in gathering himself up again. The horse in the meantime was headed for home. He gave little heed to the dilemma of his driver and hied him to the Zeeland livery stable. As a result the student walked in from the outskirts of Zeeland and his meditations took another tack as he thought on the evil mindedness of the horse.

BRILLIANT FUNCTION HELD TUESDAY NIGHT IN ODD FELLOWS HALL

The most elaborate function of the season was the annual ball given by the Order of the Eastern Star in the Odd Fellows Hall last evening. Forty couples took part in the affair and the ball was a very brilliant one. The hall was beautifully decorated with flags and bunting and potted plants. The grand march, one of the finest ever given in Holland was led by Arthur Van Duren and Miss Martha Blom. All the latest dances were given on last night's program, and every third dance was an old fashioned quadrille.

From ten o'clock till twelve a buffet lunch was served. Miss Hazel Allen presided at the punch bowl. The music during the evening was furnished by Damson's orchestra. Those who did not dance found plenty of amusement in card games.

YOUNGEST DAUGHTER OF A. C. VAN RAALTE FOUNDER OF THIS CITY DIES SUDDENLY

Mrs. John H. Kleinheksel Taken Away Sunday Night

A gloom has been cast over the many friends and acquaintances of Mrs. John H. Kleinheksel nee Anna S. Van Raalte. Altho in delicate health for some time she was suddenly attacked with a severe case of la grip and bronchitis rendering her condition serious. Sunday the illness turned for the worse, and death came at mid-night between Sunday and Monday.

Mrs. Kleinheksel was born in this city in 1857 being 57 years of age. She was the youngest daughter of the late Dr. and Mrs. A. C. Van Raalte who lead the Dutch colonists from the Netherlands to Michigan locating them on the shores of Black lake on this spot, thus being the founder of this beautiful city.

She was a highly educated woman having gone through the public schools and college here and also graduating from the Kalamazoo Female Seminary at Kalamazoo Mich.

She was wed to Prof. J. H. Kleinheksel head of the department of Mathematics of Hope College, twenty-nine years ago. Death entered the family about four years ago when their only daughter Vera a bright young lady and student at Hope was taken away, also very suddenly.

Besides her husband, John H., three sons Paul E., of Chicago; Frank De Moen, of Manistee, John Lewis at home deceased is survived by a sister and a brother Mrs. A. C. Van Raalte Gilmore of this city and Benjamin Van Raalte Sr. of Holland Township. The late Dr. B. K. Van Raalte well known through out Michigan and in Grand Army circles was also a brother to Mrs. Kleinheksel.

Paul the oldest son had considerable difficulty in reaching Holland after receiving the telegram informing him of the serious condition of his parent. This was owing to snow blockades on the railroad, thus it was not until late Sunday evening that he was able to reach his mother's bed side just in time to still see her in the land of the living.

Mrs. Kleinheksel was a home woman, and her enjoyment was her husband and children. Her family idolized her and her many friends loved and respected her and great will be felt the void in that family circle and the loss to the host of friends.

The funeral was held yesterday from her late home on East Twelfth street. All work at Hope College was suspended as a tribute.

The services at the home were conducted by President Vennema and Prof. John E. Kuizenga of the college and Dr. John W. Beardslee, sr., of the seminary. Rev. A. F. Bruske, pastor of Hope church, officiated at the grave in Pelgrim Home cemetery.

At the services a quartet consisting of Mrs. Lena Pardee, Miss Anna Kolyn, Mr. Daniel Kruidenier and Prof. J. B. Nykerk sang "Asleep in Jesus" and "Jesus Saviour Pilot Me."

The pall bearers were Dirk Van Raalte Jr.; Benj. Van Raalte Jr.; A. C. Van Raalte, G. J. Diekema, B. D. Keppel and Prof. E. Dimment.

The floral tributes were many and beautiful and in recognition of the daughter of the founder of this city the flag on the City Hall was ordered placed at half mast.

Herrimina Vliet, aged 61, died yesterday at her home 216 East 13th street. She is survived by five children.

Mrs. Ellen Foley, aged 78 years died Thursday in Grand Rapids at the home of Mrs. E. Weed, 701 Fountain street. Mrs. Foley was an old pioneer of Douglas, and her remains will be taken their for burial. Funeral services will be held tomorrow morning at 9:30 from the Douglas Catholic church.

Word has been received here that Peter Oosting, formerly of Holland, but the last year of California, died Friday, Feb. 20, after an illness with stomach trouble at the age of 75 years.

Mr. Oosting came to Kalamazoo from the Netherlands in 1857 at the age of 18 years. He started to work at his trade laying brack on the Kalamazoo Asylum. He was married in 1862 to Miss Francis Smith of Kalamazoo.

From Kalamazoo Mr. and Mrs. Oosting came to Holland nearly 50 years ago where they have always made their home, until a year ago, Mr. Oosting was the most noted mason contractor in Holland until about five years ago when he retired. He built nearly all the factories and business houses here. He was a faithful member of the Third Reformed church from the time he came to Holland. He was a kind and affectionate husband and a loving father.

Ten children were born to Mr. and Mrs. Oosting of whom seven are living, three daughters and four sons. The daughters are Mrs. A. I. Thompson, Mrs. Martha Bouwkamp and Mrs. Clarence Ladd, all formerly of Holland, but now of California; the sons, John, Frank, William and Peter of this city.

Holland Proof Should Convince Every Holland Reader

The frank statement of a neighbor, telling the merits of a remedy. Bids you pause and believe, The same endorsement By some stranger far away Commands no belief at all. Here's a Holland case. A Holland citizen testifies. Read and be convinced.

William J. Denison, carpenter and contractor, 526 Central Ave., Holland, Mich., says: "Some years ago I gave a statement for publication, telling how greatly I had been benefited by Doan's Kidney Pills, and today I am glad to say that the cure has been lasting. I first took Doan's Kidney Pills about ten years ago, when I was suffering from disordered Kidneys. Every cold I caught settled on my kidneys, causing lameness in the small of my back, accompanied by pain in my loins. Doan's Kidney Pills soon relieved the trouble and I continued taking them until cured. From that time to this, I have been a firm friend of this remedy."

The above statement must carry conviction to the mind of every reader. Don't simply ask for a kidney remedy—ask distinctly for Doan's Kidney Pills, the same that Mr. Denison had—the remedy backed by home testimony. 50c all stores. Foster-Milburn Co., Props., Buffalo, N. Y.

Edward Erickson, son of Mr. and Mrs. Jacob E. Erickson, 51 East 18th street died Monday of typhoid. Edward was but fourteen years old and was attending school until he was taken ill. Funeral will be held today.

"Simon De Groot of this city received a telegram announcing the death of his sister, Mrs. Peter Meyer, in Volga, South Dakota. Mrs. Meyer was about forty years old and she left Holland about eight years ago. She spent her girlhood here and is well known in this city. Her maiden name was Miss Gertie De Groot. She is survived by a husband, four small children and two brothers, Simon De Groot of this city and Fred De Groot of Volga, S. D.

The funeral will be held this afternoon at the home of the deceased.

On account of conflicting dates the basketball game scheduled for last Friday between St. Joseph High and Holland High to be played at Holland, was canceled.

To-morrow night the Holland High school basketball team will meet the Grand Rapids Central High in the local gymnasium in one of the most important games of its schedule. The Grand Rapids team is classed among the best in the state and the game will show the standing of the local team in State basketball.

Babe Woltring, who recently received forwarded his contract to play with Joe Cantillon's Minneapolis team in the American association, has been ordered to report for duty at St. Joseph, Mo., on March 20. Woltring believes he will be in shape to play league ball and that if Joe Cantillon should discard him he will get a berth with home team in a Western league, where he played with St. Joseph for two seasons.

In one of the hardest games ever played on the De Kruij floor, the Zeeland O. A. C. were defeated by the Ludington Wolverines Thursday by a score of 26 to 15. The game started with a rush and neither side was able to make a basket during the first four minutes of play. Ludington got the first point on a free throw. Both sides played fast, clean ball, and the first half ended 13 to 9 in favor of Ludington. The second half was but a repetition of the first, only the game was played harder. But the Northern Independent state champions and seekers for the Western State championship were too strong for the local boys and won by a score of 26 to 15. Nevertheless the Zeeland boys put up a game fight and it is a wonder that they held their opponents to the score as it stands. The Wolverines were much heavier than the Zeeland boys and it seemed as if they were much older. The lineup is as follows.

Zeeland	Ludington

The girls' team of the Holland High school defeated the South Haven High school girls 20 to 16 at South Haven Friday night. The Holland girls got the lead from the start and held it throughout the game. The following is the Holland lineup: Forwards, Edith Cappon and Beatrice Steketee; centers, Jeanette Klomparsens and Alberta Sirrine; Guards, Nella Exo and Miss Mulder.

Kalamazoo Telegraph.—The normal and college basketball teams, playing away from home Friday went down to defeat. The former team met Mt. Pleasant and lost by a 40-to-25 score, while the college quintet was defeated by Hope by a close score of 35 to 30. While this was going on Central high won from Muskegon 24 to 12.

The Spaulding squad lost the game in the first half when Mt. Pleasant team secured a 21 to 6 lead. In the last half the Kalamazoo team came back strong and played Helmer's men to a standstill, but they could not overcome the lead. A large crowd witnessed the contest.

Up at Holland, where the college met the Hope team, there was an exceedingly fast and tough game all the way. The college at one time had the lead, but were unable to hold the advantage. Bishop and McGregor were the real stars for Kalamazoo.

How to Detect the Alum Baking Powder

"Which are the alum baking powders; how can I avoid them unless they are named?" asks a housekeeper.

Here is one way: take the can of a low-priced powder in your hand and read the ingredient clause upon the back label. The law requires that if the powder contains alum that fact must be there stated. If you find one of the ingredients named alum, or sulphate of aluminum, you have found an alum baking powder.

There is another and a better way. You don't have to know the names of the alum powders. Use Royal Baking Powder only; that assures you a cream of tartar powder, and the purest and most healthful baking powder beyond question.

Bell saw them coming from in front of the Knickerbocker theater and he backed his team right in the path of the runaway horses. As the runaway team bore down on him he caught them by the bridle and held them for the farmer. The farmer took the team from him and with a grunt drove away without even saying "thank-you", according to men who witnessed the affair.

WHAT YOU SAW IN THIS PAPER

THIRTY FIVE YEARS AGO

Just received at the store of G. A. Koning a barrel of fresh sweet cider. Now is your chance.

The dramatic reading of Miss Henrietta Monroe, of Chicago, on Friday evening last, considering that she was without any of the stage surrounding or powerful accessories inseparable from the well produced drama, was one of the most delightful entertainments ever offered to a Holland City audience. Miss Monroe is a charming actress and a mimic, possessing a very pretty face and beautiful and expressive eyes, and is a capital voice, with art and grace so combined as to make a decidedly fine impression upon her audience. Miss Monroe is a thorough artist, with a careful, conscientious training, and a voice which assuredly has a future before it. We regret that some of the authorities of Hope College saw fit, to refuse the use of the College Chapel, whereas they use it themselves for similar purposes, and have permitted other lecturers to use it. Pray what is the difference between Miss Monroe and any male or female student of Hope College reciting a poem from any one of the literary masters, as far as the use of the chapel is concerned? We sincerely hope Miss Monroe will appear again before our public some time in the future when we can have a public hall suitable for such occasions.

Charter Amendments

By referring to the proceedings of the Common Council, given in another column, it will be seen that several important changes are proposed in the city charter.

The most important relate to the appointments of city officers, at present the council appoint a city attorney, surveyor, street commissioner, engineer of the fire department, city physician and health officer. The marshal is elected at the spring election.

It is now proposed to have all these officers, including the marshal, appointed by the Mayor, with the consent of the council.

A change is also made in the board of special assessors.

It is expected that these amendments will be made to the Charter, by the Legislature, so as to take effect before the next election.

TWENTY YEARS AGO

The Junior class of Hope College—the class of '95—gave its exhibition on Wednesday evening, in the chapel. The friends of the class and those taking delight in a literary entertainment of that sort filled the building, galleries and all. The public at large was well represented and all found themselves amply rewarded, for it must be admitted that the exercises were of a high order—the best Junior exhibition ever given. The class history and prophesy excelled. Not only were they entertaining in character, but in diction and delivery there were productions of a high order. Taking the speakers as representatives of the class they verified the axiom of Benj. Franklin, which had been adopted as the motto of the evening "Wisdom's doors are never shut." The class numbers ten.

Born to Mr. and Mrs. Tiermen Slagh, Monday—a daughter.

Olef J. Hansen will deliver an address to night in De Grondwet hall before the Socialist club and all are invited to attend. His subject will be, "Panics the cause and cure."

Attorney Arthur Van Duren left for Boston Monday with two boys, eight and nine years old respectively, who were deserted by their father some time ago and who are promised a home by their mother in Boston. They were county charges and Mr. Van Duren, accompanied them in his official capacity a superintendent of the poor.

Holland's new hospital, the Bethesda, will be formally opened to the public next Monday afternoon and the superintendent, A. F. Henken, has arranged a program for the occasion. Addresses will be made by attorney Arend Vischer, Rev. S. Van der Werf, Rev. A. Kelzer and some of the local physicians and the public will be given an opportunity to inspect the building.

The following despatch from Ann Arbor shows that Jim De Pree of this city is strictly in the running for the position of the first Baseman for the U. of M. team: "James De Pree of Holland has a cinch on first base on the University of Michigan baseball-team this spring. This is the only vacant position on the team and the three coaches agree that De Pree will make good. He has been selected out of a list of over 100 candidates for the place. De Pree last year played first base on the Holland team and is an all around athlete. He was listed for a place on the university football team last fall, when a broken shoulder put him out of the game for the season. On account of the conflict in his work, Karsten the old Holland pitcher, who was looked upon as the mainstay in the box for Michigan, will not play the year."

IN LAST SIX MONTHS 310 WERE LODGED IN GRAND HAVEN LOCKUP.

The semi-annual county jail inspection took place in Grand Haven this week.

The Judge of Probate E. P. Kirby, county agent of the Board of Correction and Charities, C. Roosenrand and County Superintendent of the Poor, W. O. Van Eyck, Pres. C. N. Dickinson, secretary and John Lubbers, farm superintendent of the County Infirmary, constitute the board of inspection for Ottawa county.

The board found the jail in good condition and the state law governing the keeping of jails obeyed.

During the six months passed there have been 310 persons in the jail:

The Rev. A. J. Muste Said to Be the Only Pastor in New York Who

Asks Bride and Groom for Health Certificate Before Wedding Takes Place

According to De Hope the Rev. A. J. Muste, a graduate of Hope College, now pastor of the Fort Washington Reformed church in New York City, is the only pastor in that city who requires a health certificate from bride and groom who are to be married by him. Mr. Muste is an earnest supporter of the eugenics movement. Some months ago he contributed a strong article to the Christian Intelligencer differing radically with opinions expressed in that paper in regard to the movement. Mr. Muste strenuously defended the movement and called it a big step in advance.

BOWLED OVER BY RUNAWAY HORSE BUT ESCAPE UNINJURED

Mrs. Wiegink, Eighteenth street and a baby she was pushing in a sleigh narrowly escaped serious injury Thursday afternoon about 4:30 when a cutter driven by James Van Ark bumped into her when it skidded across the road. She was pushing her baby sleigh with the child in the road near the sidewalk when the cutter hit her and knocked her over, also tipping the baby out of the cab. She complained of her back being hurt, but picked up the child and walked away. The horse ran away but no damage was done.

BIBLE FEDERATION TO GATHER IN MAPLE AVE. CHURCH, FEBRUARY 27.

At a meeting of the executive committee of the Men's Federation of Adult Bible classes held at the home of H. Van Tongeren, E. Fourteenth street, plans were made for the annual meeting of the Federation, and the date of meeting was set for tomorrow evening. It will be held at the Maple Avenue Christian Reformed church. A committee was appointed to arrange for a program and get some good local speakers to give addresses.

It is the duty of the executive committee, which is composed of the president and one officer of the seven different classes in the Federation, to decide from which congregation the different Federation officers shall be elected. The classes then elect a person for the office to be supplied by that class and these elections are confirmed by the Federation at the annual meeting. This year the president of the Federation will be selected by the class of the Trinity Reformed church. Three vice presidents will be selected from the Hope Reformed, the First Reformed and the Methodist church Men's Adult Bible classes. The Third church class will select a treasurer. The Fourteenth Street Christian Reformed church will select the secretary and the Maple Avenue Christian Reformed church class will select the assistant treasurer. Each year a different congregation provided the president of the Federation.

MONTHLY PUBLICATION PRINTS STORY ABOUT FIRST CHURCH ORGANIZATION

Class Is Growing So Fast That Place of Meeting Must Soon Be Enlarged

The Men's Berean Bible class of the First Reformed church of this city has won the honor of being featured in "The New Adult Bible Class Movement Monthly," published by the David C. Cook Co., at Elgin, Ill. The current issue of this magazine contains a half page story of the history of the class in connection with a group cut and the individual cuts of the officers, the Rev. H. J. Veldman, teacher; H. Van Tongeren, president; T. Rosendahl, vice-pres.; P. De Spelder, secretary; Jacob Lokker, assistant secretary; and Gerrit Kragt, treasurer.

The class has become so large that new quarters will have to be sought. They have two plans, one to build an addition to the present room and the other to rent the Woman's Literary Club house for an hour each Sunday. The article for the magazine was prepared some months ago. Since that time the membership of the class has increased to a hundred and twenty-five, and the average attendance is between 80 and 90 each Sunday. The article in the magazine follows:

"The Men's Berean Bible Class of the First Reformed Sunday-School of Holland, Mich., was organized about six years ago with a membership of about twenty. It was the first organization of its kind in the city. Since that time many similar classes have been organized in Reformed, Methodist and Christian Reformed churches. From the beginning the class has had a steady growth, until at present the membership is nearly one hundred with an average attendance of between sixty and seventy. The organization of the class has given an impetus also to all the work of the Sunday school, helping to raise the attendance of the school from about three hundred and fifty to something over five hundred. Soon after the organization of the class it sought affiliation with the international movement, and has urged the same upon other classes.

"Upon invitation of the Berean Class a federation of classes was effected something over a year ago. This federation now has a membership of over three hundred, and holds its meetings quarterly for intellectual, inspirational and social purposes. Recently this organization placed a Bible in every room of every hotel in the city. The president of the Berean class has recently been honored with the presidency of this influential organization.

"Three years ago the class sent its teacher, the only it has ever had, as a delegate to the World's Sunday School Convention at Washington, D. C.

The class has lost none of its vigor and helpfulness, due, under the blessing God, to the efficiency of its officers and the faithfulness of its committees. It means to keep eternally at it, studying the Word of Truth, and extending the hand of friendship. The officers are President, H. Van Tongeren; vice-president, Thos. Rosendahl; secretary, Peter De Snelder; treasurer, Gerrit Kragt; assistant secretary, Jacob Lokker; teacher, Rev. H. J. Veldman."

COMMON COUNCIL

(Official)

Holland, Mich., Feb. 18, 1914. The Common Council met in regular session and was called to order by the Mayor.

Present: Mayor Bosch, Alds. Van Dreezer, Prins, Drinkwater, King, Dyke, Congleton, Hansen, Harrington, Sterenberg, and Vander Hill, and the Clerk.

The minutes of the last meeting were read and approved.

Petitions and Accounts

A. Vander Hill and others petitioned the Council to submit to the electors at the annual Charter election to be held on the first Monday of April, A. D. 1914, the following amendments to the City Charter, viz: To amend section one of Title IV to read as follows:

The long expected petition asking that changes be made in the charter so that the members of the police board and the board of public works be elected instead of appointed was presented to the council Wednesday. The petition was filed so late that the clerk did not have time to count the number of signatures, but it is estimated that it was somewhere in the neighborhood of 550. The aidermen referred the petition to a special committee appointed by the mayor. As such committee Mr. Bosch appointed Aldermen Vander Hill, Prins, Congleton and City Attorney Van Duren. This committee will go over the signatures to determine if all are registered voters. If it is found that the required number of registered voters have signed the petition, it will either be sent to Lansing by mail or taken there by City Attorney Van Duren. The amendments to the charter require the governor's signature. The work will have to be done in a hurry, and all the steps to be taken will require most of the time left to get the amendments printed on the ballot.

The petition handed in last night reads as follows:

To the Honorable the Mayor and Common Council of the City of Holland.

Gentlemen:

We, the undersigned, electors of the City of Holland, do hereby petition your honorable body to submit to the electors of the said City of Holland, at the annual Charter election to be held in said City on the first Monday of April, A. D. 1914, the following amendments to the City Charter, viz:

To amend section one of Title IV to read as follows:

"Section 1. There shall be elected in said city, a mayor, city clerk, city treasurer, four justices of the peace, one of which justices of the peace shall be elected at each annual election, one assessor, and four supervisors, two of which supervisors shall be elected at each annual election after the first, five members of the Board of Police and Fire Commissioners, one such member to be elected at each annual election for the term of five years, and five members of the Board of Public Works, one such member to be elected at each annual election for the term of five years."

To amend section three of Title IV to read as follows:

"Section 3. The following officers shall be appointed by the council, viz: A city attorney, city engineer, city physician, health officer, and city inspector and the members of the several boards, herein provided for, or such as may be provided for by ordinance, except members of the Board of Police and Fire Commissioners, and members of the Board of Public Works."

To amend section five of Title IV to read as follows:

"Section 5. The city treasurer and constables shall hold office for the term of one year, from the first Monday in April of the year when elected. The Mayor, city clerk, assessor and supervisors shall hold office for the term of two years, from the first Monday in April of the year when elected. The city treasurer shall be ineligible to hold his office longer than four years in any period of five years. All officers, whether elected or appointed, shall continue to serve until their respective successors have qualified and entered upon the duties of their office, except as in this charter otherwise provided. Provided, that the person elected to the office of city clerk, shall hold his office for the term of two years from the time of his last preceding election, for mayor shall be held on the first Monday in April, A. D. 1914, and every second year thereafter; and Provided further, that at the election in April, A. D. 1914, there shall be elected one assessor, whose term of office shall expire at the same time as the term of office of the city clerk, and thereafter one assessor shall be elected every alternate year; and Provided further, that at the election in April, 1914, two supervisors shall be elected for the term of one year, and two supervisors shall be elected for the term of two years and thereafter two supervisors shall be elected at each annual election for the term of two years; and Provided further, that the persons holding the office of supervisor at time of the adoption of the charter, which it is sought to amend, shall so continue until the first Monday of April, 1914, and the remaining members shall be those heretofore appointed by the common council, to serve on the Board of Supervisors of the County of Ottawa; and Provided further, that at the annual election in April, 1914, there shall be elected one member of the Board of Police and Fire Commissioners, and one member of the Board of Public Works, each of whom shall be elected for the term of five years from the first Monday of May, and thereafter at each annual election one member shall be elected to each of said boards for the term

of five years from the first Monday of May of the year when elected; and Provided further, that the persons heretofore appointed to said Board of Police and Fire Commissioners and to said Board of Public Works shall be members of said several Boards for the term for which they were originally appointed."

To amend section one of Title IX to read as follows:

"Section L. All the powers and duties connected with and incident to the government, maintenance and discipline of the police department and to the fire department of the city shall subject to the limitations herein set forth, be vested in and exercised by a board of five commissioners, who shall be elected as in this charter provided for. Such board shall be known as the Board of Police and Fire Commissioners."

To amend section 1, of the Title XIII to read as follows:

"Section 1. There is hereby created and constituted in and for the City of Holland, a Board of Public Works, composed of five members, to be elected as in this charter provided for."

It is the intention of this petition, and the amendments herein proposed to make the members of the Board of Police and Fire Commissioners of the City of Holland, and members of the Board of Public Works of the said City of Holland, elective, instead of appointive, as under the present charter.

And your petitioner further ask that all of said amendments be submitted as one proposition, and that the several sections sought to be amended be not submitted separately.

The special committee on rules of the common council, appointed some time ago, headed by Ald. Hanson, with Aldermen Congleton and Ald. Van Dreezer as the other members last night made their formal report. The recommendations they made were laid over for two weeks. Each member of the council has been furnished with a copy which they can meanwhile carefully study. At the next meeting the matter will come to a vote. The following was the report made by the committee:

Holland Mich., February 18, 1914. To the Honorable the Mayor and Common Council of the City of Holland.

Minutes Mean Dollars IN TREATING ANIMALS

Doubtless you know the danger of delayed treatment of colic and other diseases. You also realize that wrongly applied remedies are often worse than no treatment at all. In other words, not to diagnose disease accurately may prove fatal. Every owner could be able to recognize an ailment and give direct treatment at the first symptoms. Prompt action is the great secret of treating horses.

Minutes mean dollars. Of course proper treatment is always necessary. That is just how Humphreys' 300 page Veterinary Manual will prove so valuable to you. It is by F. Humphreys, M.D., V.A., and teaches how to diagnose and give proper treatment.

This book will save you hundreds of dollars and costs you nothing. It will be sent absolutely free on request to any farmer in order to introduce Humphreys' Veterinary Remedies. Remember, it's absolutely free. You do not have to order any remedies to secure the book. Address, Humphreys' Homeopathic Medicine Company, 154 William Street, New York City. This is a splendid opportunity to obtain a veterinary treatise that you should have a your library. As a reference work you will find it invaluable. To have it in the time of need will cost many dollars, whereas it will cost you but a cent card by writing for it now.

Reports from Select Committees

The Special Committee on Rules reported that the only changes which they would recommend are in Chapter VIII of the rules.

The Committee presented the changes, and recommended that the same lay over for further consideration by the Council, and to be compiled by the City Clerk and the City Attorney.

On motion of Ald. Harrington, the recommendations were ordered carried out.

The snow banks on the streets caused Mayor Bosch to give a short message to the council Wednesday.

The mayor assured the aldermen that message was not in criticism of the work done by the city engineer along this line. He merely called the attention to conditions as they are with a view of finding out if any steps could be taken to change things. The message was referred to the committee on streets and crosswalks with power to act. It reads as follows:

Holland Mich., February 18, 1914

To the Honorable the Common Council of the City of Holland, Gentlemen:

Because so many complaints have been made to me of recent relatives to the snow conditions in the City, I would recommend that some changes be made in our present system.

1. That the plows should go out on the main travelled thoroughfares at least as far as the city limits, and on all streets where the same is feasible, or necessary for the accommodation of our citizens. Those living at a distance are entitled to these conveniences, and are much more in need of them often times than those living nearer the populated center of the city.

2. More care should be exercised in plowing the snow at street intersections and crosswalks, so as not to leave large embankments in the way of the pedestrian.

3. The streets where the street railway operates, should be cleared of snow whenever necessary, and the street railway company asked to contribute its share to the expense thereof, as has been done heretofore, and to which they have made no objection.

Respectfully submitted,

Nicodemus Bosch, Mayor.

Twentieth Judicial Circuit: In Chancery.

Suit pending in the Circuit Court for the County of Ottawa. In Chancery, at the courthouse in the city of Grand Haven, on the 27th day of January A. D. 1914. Charles P. Jacobco, complainant, vs William Hennessee, Percy T. Cook and Frederick Hall, if living, each of their unknown heirs devisees legatees and assigns if dead, and the Indiana and Illinois Central Railroad Company, defendants.

The above entitled cause concerns the following described land and premises, situate in the township of Olive, county of Ottawa, state of Michigan, to-wit: The North-east quarter (N.E. ¼) of the North-west quarter (N.W. ¼) of Section numbered Twelve (12), in Town Six (6) North, Range Sixteen (16) West, and involves the title to said land and is brought to quiet the title thereto. Upon the filing of the bill of complaint in this cause, it appears that it is not known whether the said William Hennessee, Percy T. Cook and Frederick Hall, or either of them is living or dead, and if living, the present whereabouts of either of them has personal representatives or heirs living or where their or either of their unknown heirs, devisees, legatees and assigns, or some of them, may reside; and that the Indiana and Illinois Central Railroad Company is a corporation or partnership association, the existence of which has terminated and which has no officer or agent in this State upon whom process may be served at this time.

Therefore, on motion of Charles H. McBride, solicitor for Complainant, it is ordered that the said defendants, William Hennessee, Percy T. Cook and Frederick Hall, if living, and the unknown heirs, devisees, legatees and assigns of them or either of them, if dead, and the Indiana and Illinois Central Railroad Company, and every of them, shall enter their appearance in said cause on or before four months from the date of this order and that within twenty days the complainants cause this order to be published in the Holland City News a newspaper printed, published and circulated in said County, said publication to be continued once in each week for six weeks in succession.

Dated January 27th A. D. 1914.

Orieen S. Cross, Circuit Judge.

PREACHES 10,000 SERMONS, AND AT 68 HE IS STILL ACTIVE

Rev. L. J. Hulst Merits High Distinction in Dutch Church in Michigan

Rev. Lambert J. Hulst, the oldest minister in the Christian Reformed denomination, and for more than 60 years active in the pulpits in three different denominations, was 89 years old Tuesday.

In his ministry of 60 years he has preached three sermons every Sunday for 57 years, and two every Sabbath during his service as pastor of the church at Eastmanville, Ottawa county, for four years. These, with all his published sermons, festival, funeral and others, bring the total to nearly 10,000 sermons.

Rev. Mr. Hulst entered the ministry on November 4, 1849, when he was ordained as pastor of the Christian Reformed church at Brdad, province of Friesland, Netherlands.

He is nine years older than the first denomination. He came to America and in 1881 he joined the Christian Reformed denomination, and for 30 years was pastor of Coldbrook street church in Grand Rapids.

Then the anti-Free Mason agitation came to a focus in 1881, with Rev. Mr. Hulst in the limelight protesting against the Reformed church recognizing that order, this denomination censured and deposed him, but without any visible results, as his church voted to continue him as its honored pastor, and his church joined the Christian Reformed denomination.

Rev. Mr. Hulst was twice called to preside at the highest ruling body, its synod. He has written many articles concerning the secession of 1881, and at the age of 82 years published a searching commentary on Revelations. During these years he also taught on the average 18 classes of catechisms a week.

Since he retired from the ministry about four years ago, Rev. Mr. Hulst has made his home with his daughter in Nunica. Despite his advanced age, he occasionally preaches a sermon.

MRS. GEO KOLLEN HAS PLEASING PERSONALITY SAYS ALLEGAN PAPER

Allegan Gazette.—The Presbyterian church was filled Wednesday evening by a fine audience to listen to the recital given by Mrs. Clara Maentz McQuinn assisted by Mrs. George Kollen of Holland. The programme opened with a piano solo by Miss Rosa Brand who performed with her usual excellence. Mrs. Kollen followed with two selections which were very entertaining, as, indeed all were. She is a lady of pleasing personality, and responded cheerfully to encore and was many times recalled. Mrs. Maentz's selections were from Ronald LaForge, Schumann, Grieg, and St. Saens, and she sang with a voice so clear, so sweet, so strong that her listeners were transported to other realms. Never has Allegan been given a superior musical treat.

Sports

The Holland High school Alumni Basketball team defeated the High school 26 to 24 in the fastest game of basketball ever played in the High school gymnasium Saturday night. The game was played about a minute over time, the teams standing 24 to 24 when the whistle blew for the end of the game. Smith got the winning basket for the Alumni after three attempts, all of which just rolled around the basket. Possible the most interesting part of the game was when a foul was called on the Alumni just as the whistle blew time at the end of the game with a tie score. If Sirrine had made the basket it would have meant the game. But the ball refused to drop through the net. It was decided to play until one side got two points in the lead and in about a minute Smith got the winning goal in a beautiful toss from far out on the side.

The teams lined up as follows:—Alumni, R. F., Te Roller; L. F., Smith; Center, Brouwer; R. G., McClellan; L. G., Vanden Berg. The High School—R. F., Sirrine; L. F., Hoek; C., Kruidenier, Oltman and Rank; R. G., Helfrick and Ingham; L. G., Steketee and Douma.

Field Goals—Brouwer 5; Smith, 3; Sirrine 3; Hoek 2; Te Roller 2; McClellan and Douma. Goals from fouls—Sirrine 12 in 20; Brouwer 0 in 4; Smith 2 in 4. Referee—Johnson of Purdue.

In a preliminary contest the Would-be-Stars were defeated by the All Class 21 to 18.

ALLEGAN CONTROLS HOBO SITUATION BY GIVING THEM NOTHING

Allegan Gazette.—The marshal was instructed by the council this week to take no more tramps to the county jail for lodging. So many have of late applied to that officer for a sleeping place that the city has a large bill with the sheriff. It was at first decided to give the "hoboes" accommodations and then try to work them on the streets, making them pay for their keeping. There seems to be considerable difficulty about such a course, and the final decision Monday night was to deny all applications for help. The tramp question has been an unusual expense to every community of late, and many solutions have been attempted. In Grand Haven, the council decided to give all tramps a bed and something to eat and then make them work on the streets. The tramps said they would work if the city would supply them rubbers and mittens. A number of "weary willies" were thus fitted out, and one of them sneaked off and got out of town with the city's rubbers and mittens. He sent a postal-card to the sheriff from Holland, thanking him for his kind treatment and saying he would send the rubbers and mittens back just as soon as he got through with them.

WILL GIVE FLOUR AWAY

At Jas. A. Brouwer's enterprising Furniture store on River Ave., they are going to give away 600 lbs. of flour next week. Mr. Brouwer has been successful in obtaining the exclusive agency for the famous Sellers Kitchen Cabinets, the last word in the cabinet line. To get it quickly before the public and to introduce its many good qualities, Mr. Brouwer is going to give the first 12 purchasers of this cabinet each a 50

pound sack of flour. The advertisement in to-days paper tells of the very easy way of obtaining one of these cabinets and a visit to the store will enable you to see its many new and up-to-date features.

At a country picnic a good natured chap spoke rashly to a young lady without the formality of an introduction. There was occasion for it, for he happened to see a great, fat caterpillar crawling on her lace collar and, jumping toward her, he

said, "Madam, permit me to—" But the young lady waved him off with an imperious gesture and said: "How dare you speak to me without an introduction? You are certainly no gentleman sir!" Here the caterpillar overbalanced itself and fell down her neck. "Ouch! Oh! Help! Take it off somebody!" screamed the fair one. The man was the only somebody around just then, and he said: "Couldn't think of it, madam. I haven't been introduced to the caterpillar."

Mr. Land Buyer

Now is the time to see us about a good farm, and make arrangements to look them up as soon as weather conditions will permit.

We Have a Large List

of all kinds of farms, and wish to call your attention to a few of which we give you a description below.

\$6500

120 Acres located two and one half miles from New Era, near churches and school; 100 acres under cultivation, balance pasture; 30 acres of meadow. Good soil gently rolling. Excellent new barn of 42x70; also a barn of 40x50. Good silo and root cellar; also all other necessary out-buildings, besides a 1 1/2 story frame house with two porches. This is an excellent all around farm. The reason why it is offered for sale is because owner is getting too old to work it. Terms part cash.

\$3000

Cash or \$3200 on time for 160 Acres in Muskegon county, being about 12 miles from Muskegon on good stone road. 1/4-mile to railroad station, church and school. This farm has about 500 feet of lake frontage, and is near a few resorting places. 90 acres under cultivation and 70 acres of second growth timber. Quality of soil as follows: 40 acres of black muck, 20 acres of clay loam and balance sandy loam, gently rolling. About 100 bearing apple trees; 100 peach trees, good wire fences. Excellent barn of 40x60; also tool shed and repair shop, and other buildings. Fine two story frame house, well painted consisting of 9 rooms, with stone cellar and stone foundations. The reason why it is offered for sale at this low figure is because it is owned by a widow, who could not work it nor look after it herself. This is a good chance for some one to get a large piece of land at a low figure.

\$2800

Takes fine 30-a farm, 2 miles from E. Saugatuck church, 1 mile from the interurban railroad. Land all under cultivation; 9 acres in pasture, 3 acres in meadow, one acre in wheat. Soil is clay and sandy loam of very good quality. Excellent water; 110 apple trees, 100 pear trees, 14 cherry trees, 6 plum trees and grape vines, besides butternuts and plenty of shade trees. Good barn, tool sheds, and all the necessary outbuildings. A fairly good house equipped with large stone cellar. Terms only \$1200 down, long time on balance at 6 per cent. This is a very good place and considered a good bargain, on reasonable terms.

\$6500

120 acres 6 miles from Holland. The farm joins the new proposed stone road. Short distance from school and church. Land is all under cultivation, having 25 acres of pasture, 30 of meadow and 10 acres of wheat. Soil mostly black sandy loam, well adapted to raise all crops, good drainage. About 40 or 50 bearing fruit trees. Good barn of 50x60, and good 7 roomed house with stone cellar. Terms \$2500 down, long time on balance at six per cent.

\$3300

Five Acres, 1 1/2 miles from city on Interurban line. This would make an excellent small fruit and truck farm. Good water supplied by gasoline power. Good orchard and good buildings. This is a very desirable location. Terms about 1/2 cash, balance time if desired.

\$3500

80 acres 8 miles from Holland, 2 1/2 miles from railroad station. Land all under cultivation, excepting 20 acres pasture. Soil consists of a black sandy loam, nearly level. Good barn and outbuildings and good 1 1/2 story frame house with stone cellar. Good water, about 100 fruit trees, fairly good fences. Terms part cash balance time at six per cent.

40 Acres, 5 miles from Holland, good roads. Land all under cultivation, being a sandy loam, gently rolling. Good water, good barn of 40x42 and fairly good house. Some shade and fruit trees. Will sell on very easy terms and give long time on balance.

\$2500

40 acres, along the new Interurban to Saugatuck. This farm is situated 6 1/2 miles southwest from Holland, station right at the farm. Has a good sized orchard, consisting of apples, pears and cherries, some grape and raspberries. Soil mostly sandy loam, partly underlaid with clay subsoil. Good sized barn, excellent hen house, all other outbuildings and large shade trees. A fairly good seven roomed house in very desirable location. Owner will consider to sell same with \$500 down and give long time on balance at 6 per cent.

\$5500

Land all under cultivation, excepting 15 acres being used for pasture, which also has some timber for fire wood purposes. Soil consists of clay loam and sandy loam, gently rolling; well adapted to raise all crops. Good water, also running stream thru pasture. A commercial orchard of 4 1/2 acres, consisting of apples, pears, cherries, peaches and plums, besides strawberries, raspberries and blackberries. Very good barn of 42x62, also several other good outbuildings, besides a good 11-roomed house with stone cellar and foundations, fine shade trees. Terms part cash, and will give long time on balance at 6 per cent.

\$1400

39 Acres 6 miles southwest of Holland, near school, 1 mile from interurban railroad; 7 acres in pasture, 3 1/2 acres wheat, 6 acres rye. Soil sandy loam nearly level. About 50 bearing fruit trees, good barn 30x40. Fairly good 1-story house. Terms \$500 down, balance easy terms.
