MICHIGAN CITY GAME POSTPONED ONE DAY

WILL BE PLAYED SATURDAY INSTEAD OF FRIDAY EVENING

On Saturday, March 3, the Hope College quintet will meet the fast Michigan City Y. M. C. A. basketball squad. This team defeated Hope 34 to 28 earlier in the season on their home floor; however Coach Schouten of the local college team believes that, playing on home territory his team will come back strong and with luck may be able to turn the tables. The Michigan City team has won 15 of 19 games played this year, meeting some of the best opposition in the middle west.

The Hope team is in the best of condition and are determined to give a good account of themselves.

This game was originally scheduled for Friday night but circumstances forced the Michigan City outfit to postpone it one day. The main game will not start until 9:30 P. M. in order to give the business men an opportunity to see the game after closing hours. The preliminary which should be a fast set-to is to be played by the Walker Athletic Club of Grand Rapids and the Hope Reserves.

HOLLAND MAN TO BE TOAST. MASTER AT POULTRY BANQUET

John Bowstrom, president and other officers of the Western Michigan Poultry association will be installed at the annual meeting and banquet Saturday evening in Hong Ying Lo cafe at Grand Rapids.

Prof. E. C. Forsman, M. A. C.; E. Hale, Chicago and Rev. D. J. Miller, Grand Rapids, will be speakers. Dr. L. E. Heasley of Holland, will be toastmaster. Plans for the 1924 poultry exposition will be discussed. Many Holland and Zeeland poultry men are planning to attend.

ZEELAND HAS A "NIGHTINGALE" IN MISS ISLA PRUIM

SO SAYS THE GRAND HAVEN TRIBUNE; ALSO TELLS OF HOPE ORCHESTRA

The Grand Haven Tribune devotes at least a half column to the Hope orchestra to appear in Grand Haven Thursday and calls Miss Isla Pruium, who is to assist it, the nightingale of Zeeland. The Tribune has many complimentary remarks about Hope's musical organization. Here is the dope:

"The next musical event scheduled for Grand Haven will be a concert given by the Hope College orchestra on Thursday night, March 1st, in the high school auditorium. The orchestra comes under the management of the Grand Adult Bible Class of the First Reformed church and it is with particular pleasure that the announcement is made. The Hope College orchestra comes with the recommendation of the sister city of Holland where the student musicians have presented programs very favorably accepted by some of her best critics.

"The program will consist of groups of the most popular of the classical numbers of the best composers and interspersed with the choicest modern orchestration. The orchestra will be assisted by Miss Isla Pruium, soprano, a member of the vocal department of Hope college who has been called the "Nightingale from Zeeland." Miss Pruium has a splendid, clear voice which is supported by a charming personality. She has sung frequently in public, and especially among the college students she has won the highest approval.

"The orchestra boasts of possessing every member of the string family, from string bass to viola. It was organized three years ago by Dr. Meinecke, now of Carlton college, Minn., whose excellent musical abilities inspired the work that has produced the present organization. The orchestra comes not for any commercial purpose, but to give the people of Grand Haven one of the best musical treats of the season.

"Grand Haven has a certain claim to the Hope College orchestra by virtue of two of its members who are graduates of Grand Haven high in 1919. Miss Ruth Pellegroni, pianist, who will also accompany Miss Pruium, and William Zoernor, who plays the string bass."

NEW DEVICE INSTALLED BY JOHN PIEPER

John Pieper has installed a new piece of equipment in his place of business known as the "World's Greatest" Ophthalmic Chair, incorporating a photometer bracket and an adjustable ophthalmometer table.

This new device is to the office of an optometrist what a dentist's chair is in a dentist's office, adding to the comfort of the patient and the convenience of the operator.

HOLLAND QUINT LOSES AT COUNTY SEAT 35 TO 23

In a well played contest at Grand Haven last night Co. F defeated the Holland Independents, 35 to 23. The Grand Haven team had the game well in hand at all times and were never in danger.

Spectacular shooting by H. West-erhof featured. He made six baskets, Vyn, with a perfect free throw record and 4 baskets also played well. Stang started on defense. Japping and De Jonge were the visitors stars.

HOW ABOUT DAYLIGHT SAVING? ARE WE TO HAVE IT?

IF SO TIME SHOULD BE LIMITED TO ACCOMMODATE THE SCHOOL HOURS

Hour Earlier in the Summer Time Is a Great Boon to Business and Laboring Men

Everyday in every way it is getting lighter and lighter. Old Sol is going higher and higher and the days are getting longer and longer.

This may not be Dr. Coue's version of daylight saving but the fact remains that the time has nearly rolled round again, to think of the clock and the setting ahead of the hands at least sixty minutes.

There are a great many conflicting ideas relative to the advisability of tampering with the clock. The farmers in the vicinity of Holland and elsewhere are absolutely against the change of time.

Housewives and mothers who have children going to school and school authorities do not look kindly upon making the change during the school periods, especially if this change is made early in April and continues long after school has begun in September.

The board of Education and the pupils as well would hail with delight a change in time say from June 15 on the eve of school closing for long vacation, until Labor day, the first Monday in September. That would not interfere with school work.

Men in shops and factories are nearly unanimous for the change of time, and at least 75 per cent of the business men feel likewise.

The laboring men as well as the business men work in their gardens, some go fishing, others go picnicing, and thousands go bathing while it is still light, while twilight ball games receive a tremendous patronage. All these interests naturally are for turning the clocks ahead one hour.

It seems however that the farmer would be better satisfied if the period were not made so long, and the mothers naturally would be, knowing that getting the children ready for school so early was not necessary.

On the other hand a period from June 15 until including Labor Day would take care of plenty of gardens, baseball games, picnics and bathing, covering as it would nearly three months of time. Beginning on April 1st and ending October 1st seems altogether too long and entirely unnecessary.

No doubt Holland will have to co-operate with the neighboring cities, otherwise there would be a hopeless conflict of time, but it would appear, if we are to have a change in time that all interested would be served better, and there would be more general satisfaction if the time limit was made, say from June 15 until Labor day.

Naturally everyone can't be satisfied, but at least the matter can be discussed and maybe some satisfactory arrangement may be brought about.

"PHANTON SHIP" AT MOUTH OF MICHIGAN PORT

STRANDED CARFERRY LIES SHROUDED IN ICE JAWS OF FRANKFORT HARBOR

Lying at the mouth of the Frankfort harbor, where she sunk on Feb. 4, after ramming into the south pier in a terrific gale, the Ann Arbor car-ferry No. 4 presents the appearance of a ghost rather than of what was once one of the most powerful of the lake carriers.

The heroism of Capt. Chas. Frederickson and a crew of 24 men, who made their way to safety by extending a ladder from the ship to the pier at the time of the sinking, will go down in the annals of Lake Michigan seafaring history with splendor.

Capt. Frederickson whose excellent seamanship was a great factor in the battle against the storm, had command of the ferry for the last seven years. This was the third time No. 4 featured in a big disaster, although no lives have ever been lost on her.

Capt. Frederickson was on the car deck, below and all over encouraging his crew, who to the man, worked like Trojans. The first mate, Capt. Frederickson's brother, had charge of the pilot house. The other officers and men worked valiantly with coal from the cars flying about like hail stones, while those below worked in water that became deeper and deeper with the temperature below zero. Cooks and porters aided on the car decks.

The men who were injured were hurt while trying to control cars which had broken loose. Two cars of coal which were hanging over the stern have gone into the lake since she settled.

The after crew lost clothes, jewelry and money. The forward crew managed to save their clothing.

The real cause of the sinking was the sandbars just outside the harbor, according to those who have investigated. It is claimed that the ferry would have made the dock in safety had she not run into these and been thrown against the pier.

If congress grants an adequate harbor appropriation to Frankfort, this danger can be eliminated by dredging.

NEW DRY-CLEANING FIRM IS STARTED

PLACE OF BUSINESS WITH NEW EQUIPMENT OPENED ON 6TH STREET

A new business firm has been opened in Holland under the name of "The Ideal Dry Cleaners." The concern is located at 75 East 6th St., in the building formerly occupied by the Michmershuizen Chemical Plant. The members of the firm are Gerrit Alderink and Herman Beukema, both of whom have taken extra courses in their work and who are thoroughly versed in their trade.

They have equipped their place of business with the most up-to-date equipment and are prepared to do all kinds of dry-cleaning, handling what ever can be dry-cleaned.

NEW BAZAAR IS NOW

OPEN TO PUBLIC

John Klinkenberg formerly with the A. Pieters 5 and 10c store and P. Boven have opened an up-to-the-minute Bazaar store in the Walsh building directly West of the Van Tongeren Cigar store on East 8th-st.

The young men are very deserving and are products of our own city. Besides crockery, toys, glassware, a general new line of bazaar goods including candies will be found on sale. The store opened yesterday for the first time and the new firm started off very auspiciously.

VANDEN BERG BROS. OIL CO.

BUYS NEW OIL STATION

Vanden Berg Bros. Oil Co. of Holland and Zeeland has added another station to their chain of stations. Wm. Vanden Berg of the firm has just closed a deal whereby the firm takes over the oil station of the Holleman-Deweerd Co. at Byron Center. This station not only supplies Byron Center but also Hudsonville, Jenison, Grandville and other towns in the vicinity of Byron Center. The oil station has nothing whatever to do with the automobile business of the Holleman-Deweerd Auto Co. at Byron Center. Only the oil and gas business was purchased.

HOPE ORATORS LEAVE FOR HILLSDALE, MICH.

SUBJECTS OF ORATIONS ARE RELEASED FOR PUBLICATION TODAY

Thursday morning the two Hope College orators who will represent that institution in the state contests to be held at Hillsdale Friday left Holland for Hillsdale. About a dozen students, representatives of the Hope College literary societies will also root for the Hope orators Friday afternoon and Friday evening. Dr. J. B. Nykerk, head of the department of English and oratory, left with the speakers to hear them perform and

SIMON HEEMSTRA

to be one of the judges who will pass on the orations and delivery of the other speakers.

It is possible for the first time to give the subjects of the Hope College speakers. These subjects were not released until today because of the fact that they must be kept from the judges in the state contest. Miss Nelle Kolle, who will represent Hope in the Woman's contest, will speak on "The Cross of the Canon?" And Mr. Simon Heemstra, Hope's representative in the men's contest, will have for his subject, "The Challenge of the Ideal."

The Crosby Transportation Co. announces that it now has on the way to Muskegon a big \$800,000 oil burning vessel capable of crossing the lake in 4½ hours. The company also plans to put boats on the Milwaukee-Detroit run according to F. G. Crosby, president of the company.

PARK TOWNSHIP REPUBLICAN CAUCUS

will be held Saturday, March 10, 1923, at 2 P. M. in the township hall, for the purpose of nominating township officers and to transact such other business as may properly come before the meeting.

Park Township Republican Committee.
George W. Straight, Chair.

In the column "Twenty Years Ago Today" the Grand Haven Tribune has the following: "Peter DeBoe is advertising two dozen oranges at 10c a dozen." Oranges are 50c and 75c the dozen in 1923.

HOLLAND COUNTRY TO NOMINATE NEW DIRECTORS

NEW MANAGEMENT TO BE CHOSEN AT BANQUET ON MARCH 9

Club Room is Nearly Ready for Occupancy; But Not in Time for the Spread

Willis A. Diekema, secretary of the Holland country club, announces that the annual meeting and banquet of the new golf organization will be held at 6:30 P. M. on Friday, March 9 at "Warm Friends" Hall.

He states that, although the Country Club house is practically completed and the contractors have moved out, there is still a great deal of work to be done in order to get the new home in shape and for that reason rather than delay the annual meeting it is called to be held in the Holland Furnace Company Hall.

Future affairs of this kind naturally will be held in the banquet hall of the new club house.

Mr. Diekema states that the board of directors of the Country Club had decided to combine the annual meeting with a "get-together" dinner to which all the members, as well as their wives and sweethearts and such other guests as the members may desire can join on this festive occasion.

The board of directors of the club will also be chosen for the coming year.

The directors whose term of office expire are C. VanderMeulen, T. N. Robinson of Holland, and Dick Boonstra of Zeeland.

The nominating committee have chosen six names to be voted on, and the three receiving the highest number of votes are those who will fill the office of directors during 1923.

The names chosen are the following:

C. Vander Meulen, Thos. Robinson, D. F. Boonstra, Wm. C. Vanden Berg, Chas. Kirchen, Ray Hoek.

The nominating committee, consists of Messrs. Champion, Waltz, Nichols, Dibble and Donnelly.

FARM BUREAU ANNOUNCES A NEW DIVIDEND

NEW BUILDINGS HAVE BEEN ADDED TO PROPERTY OWNED BY ORGANIZATION

The stockholders of the Grand Haven Farm Bureau held their annual meeting yesterday in the library auditorium. The regular date for this meeting was Feb. 24, but due to the severe storms which swept the locality about that date it was postponed.

At the meeting yesterday a five per cent semi-annual dividend was paid to the stockholders.

The Grand Haven Farm Bureau has had a very successful year. It has gained many new members besides gaining largely in trade outside of its large membership. During the summer of the past year it erected a big, modern warehouse for the storage of merchandise. This warehouse is situated on Grant St., besides the Pere Marquette tracks at Grand Haven. The Farm Bureau is at the present time contemplating the erection of a big grain elevator in connection with its new buildings on Grant street property.

The list of officers and directors for the coming year is as follows: F. X. Beaubien, president; A. J. Knight, vice president; C. C. Whistler, secretary-treasurer, and manager; Peter Van Zyl, Charles Behm, George Borck, Casimir Szepinski and Fred Kieft, directors.

The official list of city candidates who are to appear on the primary ballot on March 13, from which the Holland City officials page 5 of this issue. The two column notice contains much general information relative to the coming primary.

There will be a special meeting of the Woodmen at Woodman Hall on Friday evening. All members are requested to be present.

The day of prayer for crops this year will be observed on Wednesday, March 14.

"FRIENDLY ENEMIES" IS A STUDY IN PATRIOTISM

"Friendly Enemies" is a great comedy success, and will be presented on the local Lyceum course Tuesday evening, March 6, at Carnegie Gym, by a cast of New York actors.

The original cast, with Sam Bernard and Louis Mann in leading roles played continuously for two years before New York audiences. The play was also presented with marked success in England.

"Friendly Enemies" depicts the humorous and dramatic clash of two lovable and eccentric comrades—the staunchest and most tolerant of friends—who agree in all matters except one, that of loyalty to the land of their adoption. One became thoroughly imbued with the ideals of the New World, while the other clung with stubborn tenacity to the traditions of his native land. How he finally became converted to American ideals is revealed in this delightful play of real comedy and near tragedy.

The "Friendly Enemies" company which appears here was organized and coached by the New York City Producing Department of the Redpath Bureau. This play is on the regular college lecture course. Tickets at Huizenga's Jewelry store.

LOCAL

Allegan schools were closed on Thursday, fifty per cent of the pupils being ill with grip and not a few with scarlet fever.

More than \$1000 was taken in by the Hope College Dramatic club at the play, "Secret Service," staged in Carnegie Gym. three days last week. The proceeds are to go to the Hope College School of Music.

Fourteenth Street Christian Reformed church was dedicated just 20 years ago. Those who took part in the dedicatory exercises at that time were Rev. A. Keizer, Dr. H. E. Dosker, Rev. H. Van Haagen, and the pastor at that time, Rev. D. R. Druker. This year the church has been completely remodeled and enlarged and is now up to date and convenient in every way.

Prof. W. Wichers of Hope College was one of the chief speakers at a Fathers' and Sons' banquet given by the Bethany Fellowship club of the Bethany Reformed church of Grand Rapids in the Gymnasium of the Congress school, Thursday night. There were about 150 guests.

James Morrill, manager of Grace Church Basketball team of Grand Rapids writes: "We would like to arrange a game with any local basketball team averaging under 120 pounds, 15 to 16 years, for March 2 or 7, on your local floor. We will pay our own expenses. Address Jas. Morrill, 1425 Bates St. SE, Grand Rapids, Mich."

Fred Beeukes, secretary of the Holland Merchants association, is issuing a warning to the local public to be on the lookout for forged checks. The Holland Merchants' association keeps in touch with sources of information in regard to menaces of this kind, and word has come through that check forgers are now working their game hard in Michigan at present. Last week they were operating in Lansing and they victimized a considerable number of merchants there. They have been heard from in various parts of the state, and it seems natural that they will arrive in Holland at some time or other.

Mr. Beeukes therefore wishes to warn the local public. By being a little skeptical in regard to strangers who come to purchase something and wish to pay by check local merchants can probably save themselves a lot of trouble. The check forgers operated here some months ago and they would probably receive a cold reception if they came now.

Although it was announced some time ago that February 28 would be the final day on which local dog owners could secure their licenses for their animals at the office of the city treasurer, a few days of grace have been provided at the last moment. This was due to the fact that the city treasurer will not be ready to make his returns to the county treasurer until the end of the week. In order to accommodate those few who have not yet secured their licenses Mr. Bowmaster announced that he would accept their money until the end of the week. But Saturday of this week will be the end and the ultimate hour of the last day at which licenses can be secured.

Most of the dog owners have paid up. The total number of licenses issued so far is 166, and it is estimated that there are about 175 dogs in Holland.

Secretary John Arendshorst of the Community fair association is in receipt of a letter from A. C. Carton, assistant commissioner of the state department of agriculture, announcing that \$1500 has been appropriated for the expenses of a representative well-versed in the handling of county fairs receiving state aid to secure uniformity in exhibits and to have these of a nature to promote the agricultural and industrial activities of the counties. In other words, the state desires to help fairs and not shows. In connection with this he spoke highly of the Holland fair.

An article of unusual interest to people of this city appears in the current number of the Michigan History Magazine, published in Lansing by the Michigan Historical Commission. It is from the pen of Henry S. Lucas of the University of Washington and the title is "The Beginnings of the Dutch Immigration to Western Michigan." The article covers 32 pages of the magazine and it is illustrated by two pages of cuts giving facsimile the "Rules of the Society of Christians for the Holland Emigration to the United States of America" drawn up by the Van Raalte band when they were getting ready to leave the Netherlands to find a new home in America. These rules are naturally in the Holland language and they are reproduced in the neat handwriting of the original.

The article by Mr. Lucas seems to have been written with extreme care and it is based on the original documents. The bottoms of the pages are crowded with foot-notes making references to Dutch books and documents. Mr. Lucas declares that very little is actually known of the "reasons that induced the Rev. A. C. Van Raalte and his band to sail from the Netherlands in October, 1846, and found the Dutch colony in Western Michigan in the following year." Mr. Lucas then proceeds to examine critically such documents as exist in regard to this migration and produces a very readable article as well as one which may be presumed to be authentic as to facts so far as facts can be ascertained.

The writings of G. Van Schelven of Holland are frequently referred to in the article, and he is quoted as an authority on facts connected with the emigration. Another well known local name referred to is Dr.

Henry E. Dosker, whose historical work is also down on by the writer of the article.

The article is not about the early history of the settlement in America, the story of which is familiar to all, but about the steps that were taken in the Netherlands preparatory to the emigration and hence it is of considerable historical value.

Rev. C. P. Dame, pastor of Trinity Reformed church, announced to his congregation Sunday morning that he is in receipt of a call from the Second Reformed church of Kalamazoo. A curious fact about this call is the Kalamazoo congregation some years ago extended a call to Rev. John Van Peursem who was at that time pastor of Trinity church. Apparently the Kalamazoo church thinks well of the Trinity church pastors, as they have now made a bid for Mr. Van Peursem's successor. Mr. Dame will announce his decision later.

The Kalamazoo church is an important one and has had as pastors some of the well known pastors of the Reformed denomination, among them Dr. J. M. Vander Meulen, Dr. A. Vennema, and Dr. E. J. Blekkink.

The quality and effectiveness of the work done by the Holland Teachers' Club is not only a matter of pride to the city of Holland, but was highly commended at the meeting of Teachers' Club presidents at Kalamazoo last Friday.

The work which is at present being done by the club in preparation of "The Light" is typical of the spirit of its members. Surely the people of Holland cannot fail to appreciate the effort which is being made and to give it their loyal support when the pageant is presented next week Tuesday and Thursday nights, March 6th and 8th.

Secretary U. F. De Vries of Holland Chapter 143 F. & A. M. has received word from Lewis A. March, of Grand Rapids Chapter No. 7 and of Columbia Chapter No. 132 of Grand Rapids inviting the members of the Holland lodge to attend a gathering in Grand Rapids. Mr. March writes: "On Feb. 26th, 7 o'clock, Grand Rapids Chapter No. 7 and Columbia Chapter No. 132 will join in putting on the Most Excellent Masters (6) Degree in a new elaborate form, beautiful beyond description, spectacular as the dignity of Masonry will allow. This ceremony will be exemplified with a corps of over 80 people. Undoubtedly this will be an opportunity not often presented to see the work of such magnitude in Western Michigan. Every Chapter near Grand Rapids is earnestly and fraternally invited to be present on this occasion and help in making this a Royal Arch Masonry event long to be remembered."

It is expected that about fifty from Holland will attend. They are requested to leave on the 4:25 car Monday afternoon. Those who intend to go are requested to call up either Dr. U. F. De Vries or Mr. C. A. Bigge.

Fred T. Miles, prosecuting attorney has completed the calendar of criminal cases which are ready for trial at the March term of the Ottawa circuit court. There are 16 cases to be tried on the criminal calendar as follows:

People vs. Geo. Woodhouse and Madge Woodhouse, liquor law; People vs. Anna Moore, for sentence; People vs. Paul Zielke, liquor law; People vs. John Timholt, for sentence; People vs. Peter Koopman, murder; People vs. Edward Moyer, health rules; People vs. N. J. Smith, liquor law; People vs. N. R. Stanton, Jr., for sentence; People vs. Harry Ward, liquor law; People vs. Joseph Nauseba, liquor law; People vs. Harold Drill, liquor law; People vs. Henry Serier, liquor law; People vs. E. J. Richmond, bastardy; People vs. Jay Warner, liquor law; People vs. Joe Moka, liquor law.

The lunch wagon on the corner of Eighth and River is probably doomed. A petition came to the aldermen Friday night asking for a renewal of the license until June. The lunch wagon was recently sold by Mr. Zwemer to a Benton Harbor man, and the new owner asked for a new license. The council however last year granted the license to Zwemer with the understanding that he should remove the lunch wagon as soon as possible and that at the longest it should not stay there more than a year. The petition of the new owner was referred to Mayor Stephan with power to act. It may be that the new owner will be allowed to stay for the present, but the lunch wagon will be removed soon. The aldermen expressed themselves against allowing any lunch wagon to operate on any street in the future. "The streets are for traffic," they declared, "not for stores and restaurants."

The city of Holland will not send a representative to the convention of men from the lake port cities of Michigan and Wisconsin to be held at Manitowoc, Wis., March 1 to 3. The city of Manitowoc again sent a request to the city of Holland that at least one delegate from here be sent and if possible three to discuss the lowering of the level of Lake Michigan by reason of the Chicago drainage canal. The aldermen however thought that a resolution endorsing the fight of the lake port cities would be just as well and such a resolution will be drawn up and sent in lieu of a representative.

A telegram was received in Holland Saturday morning announcing the death in Chicago of Mrs. W. H. Mills, whose home is on the Park road a short distance west of Holland. Mrs. Mills had gone to Chicago last week to attend her daughter who had had an accident. The telegram, which was sent by Mr. Mills, contained no particulars about the cause of his wife's death. The funeral was held in Wheaton, Ill., afternoon at the home at 1:30.

Mrs. Mills has many friends here. She is the mother of Miss Mills, a former music teacher in the local schools. She was a member of Third Reformed church and taught in the

Sunday school there, and she was also an active member of the Holland W. C. T. U.

Harry R. Zandar, special feature reporter of the Milwaukee Journal, was in Holland Friday to find out what the sentiment of the people of Holland is in regard to the proposal to make a fight against stealing Lake Michigan by the Chicago Drainage Canal. Mr. Zandar, on behalf of his paper, has been on a tour of western Michigan lake ports, starting at Ludington and running down the shore. He made a detour to Lansing in order to interview Attorney General Dougherty. The attorney general was much interested in the proposed fight and declared that he was willing to attend a meeting to be held in Manitowoc in case the people of the lake ports should want him to be there. But so far there has been no request from lake shore cities that he represent them at the meeting and so it is likely that he will not be there. The demand for such a move should come from the lake cities, Mr. Dougherty thinks.

The following jurors have been drawn for the important March term of the Ottawa county circuit court: Alex Hume, Grand Haven, 5th ward; Albert Kleis, Holland, 1st ward; Henry Venhuizen, Holland 2nd ward; Cornelius Vanderhevel, Holland, 3rd ward; Bert Bareman, Holland 4th ward; George Zonebelt, Holland 5th ward; Oscar Brightall, Holland, 5th ward; C. De Koster, Zeeland; Charles McMillan, Allendale; Charles Kautenberg, Blendon; Max Lax, Chester L. Wachter, of Crookery. William Ulbert, Georgetown; Herman Foss, Grand Haven Town; Johannes Kooyers, Holland Town; Alexander Klooster, Jamestown; Henry Rosema, Olive; Luke Zagers, Park; Ed Burmaster, Polkton; George Gross, Jr., Robinson; John Linn, Spring Lake; Frank Friar, Tallmadge; Edward Kline, of Wright; Gerrit De Kleine, Zeeland township.

The Michigan society of Sons of the Revolution in annual session at a Washington's birthday banquet in Hotel Paultine Thursday evening re-elected all last year's officers with the exception of D. E. Keyes, secretary-treasurer, who was succeeded by Irving A. Dean of Grand Rapids. The officers are: Earl R. Stewart of Lansing, president; William A. Rudick, Grand Rapids, vice president; Dr. George W. Van Verst, Holland, registrar; Dr. Byron B. Godfrey, of Holland, chaplain, and Simeon Henkle, Holland, historian. Members of the board of control comprise David E. Keyes, Grand Rapids; George A. Davis, Grand Rapids and Ralph Dort of Flint.

"Washington was a man who possessed no particular talents," said Charles Hamilton McBride of Holland, "but we was able to make such men as the brilliant Hamilton, the fiery Jefferson and the stubborn Adams co-operate."

Dr. Van Verst declared there was danger of the America visualized by Washington being lost. He declared the romance and tradition surrounding American institutions was dissolving and that government by the people was being supplanted by mob rule. He also commented on that clause in the constitution guaranteeing freedom of speech, which, he said, was not possible at the present time.

Since the severe storm two weeks ago trucking to Grand Rapids has been practically at a standstill. The trucks that did come through had a hard time of it, and many of them were only half laden.

To Grand Haven over the West Michigan Pike, conditions were still worse until Austin Harrington, chairman of the Ottawa County Road Commission, got one of the large tractors busy behind which a mam-

moth snowplow was attached. The big caterpillar dragged the plow thru the highest snow banks, cleaning the concrete highway practically to the cement surface. The large tractor came into Holland late Saturday afternoon, and Mr. Harrington said that the road to the county seat is now free from snow or drifts.

The Ottawa county crew started out Monday morning with a tractor and plow on the highway to Grand Rapids where trucking has been at a standstill for sometime. The Ottawa County Road Commission expect to have the Grand Rapids road free from snowdrifts up to the Kent county line, which is at Jemson, by Tuesday night. The rest of the road to Grand Rapids is already open because of the extensive travel out of the Furnture City; therefore it may be considered that by Wednesday morning it will again be safe to venture out for the metropolis of Western Michigan or to intervening points.

De Witt Clinton Consistory of the Ancient Accepted Scottish Rite conferred degrees on 84 western Michigan candidates during its mid-winter reunion in Masonic Temple in Grand Rapids which ended Thursday night. These were organized into the Nathan A. Stoddard class with officers as follows: President, Glenwood A. Fuller, Grand Rapids; vice-president, Evert P. Stephan, Holland; secretary-treasurer, C. E. Payne, Grand Rapids; orator, Arthur McArthur, Traverse City; historian, G. R. Cullen, Grand Rapids.

Frank Pennington of Oriental Consistory, Chicago, assisted in the degree work Thursday afternoon.

A team of Holland members, headed by Arthur Van Duren exemplified the 32nd degree on this class, the first time this degree has been worked in some years.

There is one organization in the city whose annual entertainment is looked forward to with eager anticipation by the general public. The Holland Teachers' club programs have varied greatly year by year and the one to be given March 6 and 8 will far excel those of former years.

The teachers club will present a pageant "The Light," written by Catherine T. Bryce. It is the most gigantic undertaking ever attempted by the club and the costuming and lighting effect require a large expenditure of time, effort and money.

Holland is one of the first of the smaller cities of the country to undertake its production. Cleveland presented it for the National Superintendents meeting two years ago and the Grand Rapids Teachers club gave it last spring as a public performance and repeated it last fall for the entertainment of the State Teachers' convention. No one in Holland can afford to miss seeing it.

The dates for the play "Daddy Long-Legs," which is to be given by the senior class of the high school, have been decided upon. The play will be given the evenings of March 19, 20, 21 and 22. It will be given four nights to accommodate the large crowds which usually come out to see the play every year. The tickets will be on sale in a few days.

The story of "Daddy Long-Legs," by Jean Webster, first appeared in the form of letters written by Judy Abbott to her guardian whom she called "Daddy Long-Legs." Later these letters were published in book form and in a short time the sequel "Dear Enemy" followed. "Daddy Long-Legs" was received so well that the author put it into play form and it was produced with great success with Ruth Chatterton in the leading role.

The cast which consists of 19 members, is the largest Senior cast since "Ingomar" was given. Every member is working faithfully with rehearsals every night as well as on Saturdays.

The Other Fellow

You're a capable driver. You take care of your car. You take the necessary precautions in traffic.

But the Other Fellow.

He'll pop out of a side street when you least expect it. He'll turn into your path without warning.

However carefully you drive, the Other Fellow must be considered as a risk... Will you damage your car or his person? ... Will you damage your Car in avoiding him?

An Automobile is a very valuable piece of property. Human life is precious. And so it is not only common sense but good sound business to INSURE your motoring against every contingency.

INSURE—to the safety limit!

On March 5, Rev. S. Volbeda of Grand Rapids will address the Ministerial association of Holland, Zeeland and vicinity on the subject "The Fundamental Aspects of Liberty." The meeting will be held in the 14th St. Christian Reformed church.

Preaching in every state but one was the distinction of the late Rev. Fred De Weerd, formerly of Holland, who died about four weeks ago. However it is quite a coincidence that Mr. De Weerd died in Florida, the only state in which he did not deliver a sermon. Besides being an evangelist, he was a missionary in Africa for a number of years.

A Ford touring car driven by Walter Schroeder of Grand Haven and an interurban freight car had a collision Sunday night in Spring Lake. The auto became caught in a rut and could not get out in time to avoid being bumped by the interurban. The auto suffered a pair of broken front wheels, broken springs, windshield and other damage.

Benj. Riemersma, captain of the Hope College basketball quintet, has broken a bone in his right hand and this will put him out of the big game with the Michigan City Y team Friday evening. Riemersma some time ago injured his hand but he did not believe it was serious. Because however it did not heal he had an X-ray taken and the fractured bone was discovered.

A pleasant party was given by Miss Marie Streicher at her home, Friday evening. Games and dancing comprised the entertainment for the evening and at 11 o'clock a dainty luncheon was served. Those present were: Evelyn Seekamp, Herman Van Kampen, Marlea Willis, Robert Streicher, Henrietta Kesters, and John Van Dyke.

A run away horse, dragging a cutter, brought about a little excitement on Eighth street the other day and it took a Lizzie to stop the skittish animal. J. Bishop, who was in the cutter, was dumped out and he immediately gave chase with an auto standing near. The horse had dragged the cutter for more than a mile and bumped into a Ford truck in its flight. Bishop caught up with the run-away and drove home with a badly damaged sleigh.

By virtue of five straight victories over her opponents, Mrs. J. F. Francisco of Muskegon, regained the woman's National horseshoe pitching contest in the tournament at St. Petersburg, Fla., Thursday. There were six entrants in the contest. Mrs. Francisco was the title holder two years ago but in the tournament held last year went down to defeat.

The following election inspectors have been appointed by the common council for the primaries on March 7 and March 13: 1st ward, Bert Slaght; second, Fred Kamferbeek; 3rd H. Garvelink; 4th, G. Woltman; 5th, J. Dobbins; 6th, Ed Evenhuis. George Southfield of Holland was arrested Thursday morning on a bastardy charge. He was arraigned before Justice Hugh Lillie and was bound over to circuit court having waived examination.

H. Van Harten, proprietor of the Central Market at Zeeland, who was severely injured in a collision between his automobile and a P. M. train at Holland, returned home from Holland hospital after spending six weeks there. He is recovering nicely and will soon be out.

Two furniture factories in Zeeland have closed for a few weeks and it was stated that the reasons for so doing was to make needed repairs. The Wolverine Furniture Co. and the Machine & Veneer Co. closing have thrown about 150 men out of employment for a week or two at the least.

Holland people should have much cause for great joy, for after nearly three weeks of weather in which the summer time has been a pleasant but almost unbelievable memory, the Ottawa County Weather man says that some better weather is on the way.

Marshall Irving of the Peoples State Bank has resigned his position there and will be connected with the Holland City State Bank after March 1. Russell Burton has been secured to take the place of Mr. Irving at the Peoples State Bank.

A roof fire at the home of Mr. Vanden Bosch on Fourth street called out both Holland fire departments at 11 o'clock Saturday morning. Very little damage. The alarm was turned in from the Ottawa Furniture Co.

Friday, March 2nd, the Peoples State Bank will have an expert tax man to assist patrons to make out their income tax returns. This service will be free.

Even though it was not their anniversary day, three Holland citizens, ex-mayor Henry Geerlings, James H. Purdy and Mrs. E. F. Hiler celebrated birthday anniversaries Wednesday. They were born on February 29 and are banking on celebrating a real birthday anniversary in 1924.

The American Legion post of Zeeland will hold a fair Friday and Saturday evenings of this week in the Oseward building in Zeeland. On Saturday night a radio receiving set will be given away.

The Central Avenue Choral society will meet Thursday evening at 7:45 at the church parlors for its last rehearsal. All members are kindly but urgently requested to be present.

There will be a Holland Township caucus for the purpose of nominating township officers on Saturday, March 10, at 1:30 P. M.

It became known Friday that the home of Mr. and Mrs. John Stephan was also entered by burglars last Sunday night some time between 7 and 9 o'clock. Entrance was gained through the front door with a skeleton key. Many drawers were pulled out, but Mr. and Mrs. Stephan cannot discover that anything in the house was taken.

The influence of women in the life of George Washington was discussed Thursday by Miss Georgene Faulkner, Chicago, "the story lady," in a talk before 250 members of Sophie de Marsac Campau chapter of the Daughters of the American Revolution at a luncheon in Hotel Pantlind ballroom. Among the guests was Mrs. M. A. Clark of Holland.

Tentative plans are being considered for rebuilding the bathhouse at Macatawa Park. The old bathhouse was demolished several years ago when a gale swept Lake Michigan causing extensive damage.

Walter C. Walsh has bought the frame building occupied by Stephen Panos and Will Davis, shoe shining parlors. The building is a Holland landmark and some 40 years ago was used as the postoffice and later as a printing office by M. G. Manting and for years occupied by L. E. Vandrez as a restaurant. The lot is 23x132 feet. Mr. Walsh plans eventually to replace the building with a brick block.

Prospect Park Christian Reformed church closed the most successful year in its history with the annual meeting held on Tuesday night. The number of families has more than doubled since its organization and the church faces a prosperous future. During the past year a new \$31,000 church building was built and a \$5000 pipe organ installed. The number of families has reached one hundred and the communicants membership totaled 249. The total receipts from all sources were \$10,781.36. Rev. J. C. Schaap assumed the pastorate about two years ago.

At a meeting of the members of the Allegan Farm Bureau Co-operative association Tuesday, it was decided not to buy a downtown location for a store and storage purpose. A majority favored retaining the present building, put up coal sheds and make other improvements. This will be done at once. Next year the downtown property may be acquired.

Mrs. George E. Kollen, district president of the Michigan State Federation of Woman's Clubs, will give a book review at the next meeting of the Scribblers, an organization affiliated with the Ladies' Literary club of Grand Rapids.

The February meeting of the Washington school P-T club will be postponed to Monday, March 5, on account of the lecture to be given by Prof. John L. Braumm in the Woman's Literary club on Tuesday, Feb. 27.

The eight months' old child of Mr. and Mrs. Jacob Borgman died Saturday at the home of its parents, 28th and Michigan avenue. The funeral was held at two o'clock Monday afternoon, Rev. C. P. Dame officiating. Interment was in the Graafschap cemetery.

The infant daughter of Mr. and Mrs. Peter C. Sikkil died Monday evening at the home of her parents, 35 E. 18th street. The funeral was held Wednesday afternoon at two o'clock at the home, Rev. B. H. Eink officiating.

Word has been received in Holland of the death of Jacob Bell, of Grand Haven, formerly a resident of Holland, who died early Thursday morning. Mr. Bell was foreman in the Ottawa-Eagle Tanning Co. and leaves a wife and one daughter Miss Helen Bell formerly teacher in Hope College and a son Hobert. Arrangements for the funeral have not yet been made.

A Grand Rapids man caught a muskellunge near Ottawa Beach on Sunday that was 41 inches long and that weighed approximately thirty pounds. There is a lot of fishing going on on Black Lake again and large catches of perch are being caught. The storms of last week seem to have driven the fish in and the fishermen are reaping the benefit of this.

Marcelline Deto, the three and a half year old child of Mr. and Mrs. Francis Deto, died at Ann Arbor where it had been taken to the hospital for treatment. The body was taken to Holland and the funeral was held Monday afternoon at St. Francis church.

Johannes Van Dyke, aged 77 years, died at the home of his son, Peter Van Dyke, 455 Central avenue. He is survived by three sons, Peter of Holland, Cornelius of Zeeland, and William of Beaverdam. Mr. Van Dyke is a pioneer of Beaverdam where he lived many years. The funeral was held Monday noon at 12 o'clock at the home, the funeral being private on account of the presence of a case of scarlet fever in the home. Interment was in Pilgrim Home cemetery. Rev. C. P. Dame officiated.

For those Holland people who have radio sets and are interested, arrangements have been made to broadcast the Lenten organ recitals given every Friday afternoon at 3:30 P. M. eastern time, from St. Paul's Cathedral, Detroit, over Station WWJ. Markets reports are generally given at that hour on a wave length of 485 meters, so it is assumed that that will be the plan in these recitals.

Dr. John E. Kuizenga of the Western Theological Seminary, and Dr. John M. Vander Meulen of the Presbyterian Seminary of Louisville, Ky., were among the men who helped dedicate the beautifully remodeled Central Reformed church of Grand Rapids Sunday.

Lewis Vanden Berg, manager of the Thompson Manufacturing Co., was appointed a member of the Democratic State Central committee at the district convention at Detroit. Mr. Vanden Berg will represent the fifth district of Michigan.

The Grand Rapids papers are announcing the engagement of Miss Kathryn Baert, who will soon wed C. F. Ramsey of Lansing. The marriage will take place during the latter part of April. Miss Baert is the daughter of Dr. and Mrs. George H. Baert, formerly of Zeeland. The doctor is a graduate of Hope College. A collection for the Near East Relief fund was held in the First Reformed church Sunday and the sum collected was \$451.

The Trinity Reformed church has adopted the bulletin system of making the worshippers acquainted with the program on Sunday. The first bulletin was issued to the members at the morning services Sunday. Contractor Frank Dyke who was in Grandville Saturday states that he has the new high school he is building there practically completed and ready to turn over to the building committee.

Holland High quint will have a tough tussle with Central High at Grand Rapids Friday of this week. Holland defeated Central two weeks ago but Central will be loaded next Friday.

Wm. Snyder, aged 44, of Robinson, Ottawa county, was arrested by Undersheriff Spangler Saturday on a charge of wife desertion. Snyder's wife and five children were found in a deplorable condition of poverty Friday.

A new tireshop will be opened in Holland. It is a branch shop of Jorgensen's, Incorporated, and it will be open for business on March 22. The new business will be located in the Pieper building, 208 River avenue, formerly occupied by the Pieper jewelry store. The firm will handle tires and accessories, and also batteries.

The main store of this firm is located in Grand Haven and it has been doing business for nine years. Recently a new building was erected in that city. Branch offices have been opened in South Haven and Muskegon in addition to the one in Holland. The Holland manager of the firm will be S. A. Leath.

Under the auspices of the Young Men's Alliance, the Victor Quintet will give a concert Thursday evening at 7:45 o'clock in the Woman's Literary club rooms.

The Victor Quintet is composed of highly talented young men who render a very interesting program composed of dialogues, numerous sketches and vocal music.

They have already given eleven programs this year in the state and they have been very favorably commended by all who have had the pleasure of attending their concerts.

By their humorous sketches they have the audience rollicking with laughter and by their songs marveling at the harmony of their music. Tickets can be secured from the various societies or at Vander Linde & Visschers.

Mrs. A. H. Mattison has received a telegram announcing the death of her daughter-in-law, Mrs. Frank Mattison at Big Biny, Wyoming.

Mrs. Mattison was formerly Miss Minnie De Feyter, daughter of Mr. and Mrs. John De Feyter, formerly of Holland. The funeral will be held next Friday. Frank Mattison will start for Holland Saturday with his six-year-old son and his nine-months' old daughter.

On Friday afternoon, March 3th, Dr. Alle D. Zuidema is to give the recital, the program of which follows:

The cast includes the following students: Isabel Cherry, Mildred Graham, Martha Mesche, Virginia Mulligan, Eleanor Hanson, George Patten Savidge, Ludal McDill, John Richard Ver Duin, Merduin, Bernard Mulle, John Johnson, Bernard Cook. Miss Louise Andrews, instructor in English, is directing the play.

ONE THOUSAND DOLLAR FIRE ON SATURDAY MORNING

The home of John Hoffman, the proprietor of the Hoffman Cafeteria, was badly damaged by fire at 4:30 Saturday morning. Mr. Hoffman had gotten up early as is his custom, shook the furnace fire and left for his restaurant. Shortly after the alarm was turned in from box 24 by George Schuiling of the local post office, who living next door saw the blaze on the roof as he was leaving for the Federal building.

Mr. Schuiling first awakened the Hoffman family who were asleep on the second floor, under the burning roof. When Mrs. Hoffman and children were made aware of the danger the rooms were filled with smoke.

Both fire departments were on the job quickly; however the fire had gained such headway that the greater part of the roof was burned away before the flames were brought under control. The damage by water to furniture and walls below was considerable, it is stated and the loss may reach in the neighborhood of one thousand dollars. A new

BRONZE BUST GUEST OF HONOR AT STAG

The Fraternal Society, now in its eighty-ninth year, held its annual Washington Stag in Fraternal Hall Monday. The hall was very artistically decorated with the Stars and Stripes as the dominating feature. The guest of honor was one of the few chosen, George Washington. As he was unable to appear personally, his place was occupied by a life-size bronze bust.

In addition to the life-size bust, the Fraters had a man-size spread, as can be seen from the following menu: "Razzes Hessian, Drown 'Im, Cannon Balls, Buckshot, War Ration, Blanket Roll, The National Standard at Valley Forge, Night Attack, Boston Java, Signal Lights: Large Red and Small white."

One hundred and fifty years ago George Washington knew how to wade through a meal of this kind, but Monday evening the father of the country, the rather sparingly of this bill of fare.

After the menu had been properly interpreted by the toastmaster, and thoroughly investigated with a knife, fork and spoon, the Frats listened to some very interesting toasts, interspersed with some musical selections.

In fact, as the toastmaster stated, "speakers and musicians were discovered that will in the future bring renown to the O. A. F. The program:

Toastmaster, Frater W. Rottschaffer; "Fraters", Frater C. Van Zanten; Trio, Fraters Osterhout, De Pree and Bloemendal; "Love", Frater J. Ruissard; Piano Solo, Frater F. Meyer; "Ambitions", Frater F. Huff; Trio, Fraters Osterhout, De Pree and Bloemendal; "George Washington", Frater H. Hidding.

When the toasts had been responded to a Melodious Medley continued to the wee smallest hour, and the Fraters singing wended their homeward way.

The following are those who sat down to the banquet:

SENIORS—King Tut, C. Marion, J. Dicky, Buck Milliam, Dr. John, Red Frankie, Z. Van Charles, Pussy-foot Cal, Arab Lull.

JUNIORS—Duke Raymond, Rosy Bloemendal, John Garret, Smilin' Hank.

SOPHOMORES—Captain Beans, F. Avery, P. Russel, P. Van Herbert, R. Van Arthur, R. Van Floyd, A. Jay Shimmy, F. F. Fritz.

FRESHMEN—Count James, J. Henry, R. Bub, D. George, Sax De James, P. Gebangy, M. Rit, M. Frederick, O. Eli, E. Van Julius, Loo Chester, Jay Zee.

LOCAL SINGERS PERFORM IN G. R. CHURCHES

The Girls Chorus of Hope College, directed by Dr. J. B. Nykerk, gave the musical program in the Fifth Reformed Church of Grand Rapids on Sunday morning and in the Eighth Reformed church on Sunday evening. President Dimment addressed the congregation at each service. The chorus was comprised of the Misses Paalman, Pruim, and Nettinga as soloists, and the Misses Keizer, Amy Zwemer, Amanda Zwemer, Poppen, Scholten, VanDyke, and Ruigh. Miss Pellegrom served as pianist and Mr. John Kuyper as violinist.

POSTPONE BANQUET FOR "CAPPY RICKS"

Two of the best numbers of the Hope College Lecture Course come on Tuesday, March 6, and Wednesday, March 7, when a talented New York cast managed by the Redpath bureau, will play "Friendly Enemies," a comedy drama, and "Cappy Ricks," one of the most popular American comedies on the stage today.

It is especially gratifying that Dr. Nykerk was able to secure this talented company to play two nights instead of one and to present their two best productions. The fact that the Redpath Bureau handles this company, speaks volumes for this bureau gives nothing but the best in chautauqua and lecture course presentations, and will engage nothing but the most high class artists.

It is doubtful if Holland has ever seen a side-splitting comedy such as "Cappy Ricks" proves to be put on in a smooth talented manner, and "Friendly Enemies" filled with pathos with a thread of comedy running all the way through.

From tears to laughter and from laughter to tears is the comedy drama, "Friendly Enemies."

The Country club with a membership of 150, thought so much of the numbers that are to be put on by Dr. Nykerk, that the committee having in charge the annual banquet decided to postpone these festivities from Tuesday, March 6, until Friday March 9, stating that Dr. Nykerk and his lecture course deserve the right of way, and that the members of the Country club generally speaking wished to take in both "Friendly Enemies," and "Cappy Ricks."

Dr. Nykerk has personally assumed all responsibility for Hope's lecture course, and the proceeds, if there are any left, go to Hope College. A failure means that Dr. Nykerk has to pay. Success means that Hope College gets the benefit.

Surely such public spirit should be supported.

COLORED SOLDIER OF 91 DIES AT GRAND HAVEN

Ephraim B. Molson, well known old colored resident of Grand Haven and veteran of the Civil war, died at his home there at 3:30 Saturday afternoon. The old gentleman had reached the age of 91 years. He was born in Columbia, Pa., in 1833, but had spent the last 6 years of his life in Western Michigan where he conducted a barber shop in Grand Haven for many years.

Deceased is survived by a wife and three children. Funeral service was held Tuesday morning and burial was at Spring lake cemetery.

Miss Eva M. Hefferman, of Louisville, Ky., is a guest of her sister, Mrs. A. A. Harmon and Mr. Harmon.

RECLUSE FOUND DEAD IN CHAIR IN HIS HUT

Sitting dead in his chair, Johannes Stryker was found Monday afternoon by Henry Kleis, when he went to Stryker's little hut on the Waverley road to deliver groceries there. Stryker lived alone in a tiny house near Black river, and it is not known when he died or how the end came. He had not been seen for some little time, but as he lived the life of a recluse, no significance was attached to this fact.

Stryker presents a curious case of isolation of human being that seems hardly possible in these days and in a community like this. No one seems to know much about him. He is said to have had some friends here and there, but it is believed that they also do not know much about his personal history. He has lived in various places. For some years he was a resident of the Lake Shore district, and he has also lived in Holland. The past few years he has occupied the little house near the river. About three years ago his wife died and since then Stryker has lived alone, looking after his own needs.

How isolated he was is shown by the fact that it is not known how old he was. A guess is made that it was somewhere between 70 and 80, but nothing is known for sure. At least the undertakers and John Y. Huizenga, acting for the township, have not been able to learn his age. Mr. Huizenga, on behalf of the township, went through the dead man's papers to try to ascertain whether he had relatives or not, but all he could discover was that he had a sister in the Netherlands.

How long he had been dead when found is not known. The funeral was held on Wednesday afternoon at two o'clock at the Nibbelink-Notier Parlor. Rev. A. Keizer, pastor of the Hardewijk Christian Reformed church officiated.

Two hundred milkmen at Allegan gathered in convention and are asking that milk condensers pay a higher price for milk. An association has been formed in Western Michigan and the farmers belonging to that association have decided to sign contracts to sell their milk collectively instead of individually and in that way boost the price of milk.

HOPE ORATORS SPEAK AT CHAPEL SERVICE

Nelle Kole of Fremont, who is to represent Hope College, Friday afternoon at the woman's contest of the Michigan State Oratorical association, delivered her oration at the chapel services Tuesday morning. Miss Kole is strong in delivery and it is believed that she will take a high place in the contest.

Wednesday morning Simon Heemstra, of Monroe, S. D., who will represent Hope in the men's contest at

NELLE KOLE.

Hillsdale Friday night, will deliver his oration. The public is cordially invited to attend the meeting in Winants chapel, which begins at five minutes of eight o'clock.

Hope's representatives will leave Holland Thursday morning for Hillsdale, to be ready for the big contests of Friday afternoon and evening, in which eight Michigan colleges will take part. Dr. J. B. Nykerk, of the department of oratory, will accompany the speakers, and it is expected that a delegation of Hope students will go to Hillsdale to encourage the orators.

The coast guard station at Holland harbor opened Wednesday at midnight with Capt. Van Weelden in charge. Although the ice in Black lake was 18 inches thick Sunday, the last few days of thaw has been boring in considerably. With a few days more thaw the ice will be honeycombed and it will be an easy matter for the Steamer "City of Grand Rapids" to open the harbor for the spring navigation.

The Spirit of Cosmos ran high on Monday evening, when beneath a canopy of the white and green society colors, the Cosmo-politans of Hope College arrayed themselves to hold the annual stag. And feast they did.

Over 40 plates were set for the affair, and a sumptuous feed was the beginning of a night of fellowship and good-will that will long be remembered.

A number of the young dominies who are staying at the Seminary hall and are still attached to the Cosmos, joined with the members. After the hearty repast the society men were toasted with such an extravaganza of words as are always a necessary part of the annual event. Mr. Albert Timmer was the toastmaster, and toasts were responded to by many members. Several musical selections were also rendered and enjoyed.

The society is in a flourishing condition, and is well pleased with the progress it has made during the past year.

ONLY TEN THOUSAND SHORT IN THE DRIVE FOR NEW SCHOOL

The committees in charge of the drive for \$75,000 for a new high school building for the School for Christian Instruction are within ten thousand dollars of the goal. This was determined from reports made at a large mass meeting held on Tuesday night in the 14th St. Christian Reformed church. The meeting was well attended, the enthusiasm engendered in the course of the drive having made many people interested who were anxious to learn how near the canvassers had come to the goal.

And the people who came to the meeting were not merely interested as a matter of curiosity but they were ready to back up their interest with dollars. A subscription list was passed and before the close of the evening \$8,000 had been signed up for. This amount brought the total to \$65,000 or ten thousand short of the goal.

"The whole amount will be forthcoming," said a member of one of the committees Wednesday, "and the Christian high school is assured. The ten thousand dollars still needed will be made up before long, we are all confident of that, and we are far enough advanced to know that the drive is a complete success."

It was pointed out that only two churches from rural districts have as yet been heard from. There are a considerable number of churches in the country section that are expected to contribute materially, and that alone will boost the total. Moreover, further attempts will be made to secure more subscriptions so that the full amount will be pledged when the actual building operations begin.

The board will go ahead with its plans now and it is expected that work on the building will begin about May first, or as soon as the plans and specifications are ready and the contract can be let. The meeting Tuesday night was a very satisfactory one in every respect.

WANTS RIGHTS OF THE PEOPLE MAINTAINED

The recent proposal of the League of Michigan Municipalities that cities be granted the power to raise bond issues for sewage disposal plants without referendum, a proposal that was strongly opposed by the common council of Holland, formed the subject of a paper by Henry VanderWarf at a meeting of the Forward Movement club at the home of Mr. and Mrs. John Homfield.

Mr. Vander Warf declared that the proposal was an attempt to take away from us the liberties given us by Washington and that it was an attempt on the part of a few to dominate the many. He made a plea to send to Lansing and Washington men who would oppose all attempts to take liberties from the people. He declared all citizens should be on the alert all the time and they should swamp the representatives at Lansing with petitions to protect the referendum to the very letter. A little referendum taken away here and a little one there will soon amount to a complete loss of American liberty, he declared. All must fight to maintain the constitution and the rights guaranteed by it, he said. The address was heartily endorsed by the members of the club.

"Education and Life" was the subject of a most entertaining lecture given by Prof. John L. Brumm of the University of Michigan at the Woman's Literary club rooms on Tuesday evening.

Prof. Brumm showed how education in its broadest sense was the one means by which we can realize the desire that is present in all of us to escape the commonplace of life. The world, he said, was full of tired, suffering, sorry creatures who had tried by other methods—by the acquisition of wealth, by diversions of many kinds and by travel to escape the monotony of life and who had failed. We live forever in our own souls and the only way that we can escape from commonplace lives is to develop souls that are not commonplace, he said.

A person is educated only when he lives up to his highest possibilities.

Education, Prof. Brumm asserted, should give life a very definite goal of endeavor; it should make it possible for us to earn a good living and give service to our fellowmen; it should develop in us the ability to make superior choices; it should give us unshakeable confidence in our own high destiny; and it should enable us to appreciate the fact that success is built out of struggles, which point he aptly illustrated from the life of Abraham Lincoln.

Much of the charm and inspiration of the address rose from Prof. Brumm's happy use of illustrations, drawn from fiction, allegory and anecdote.

Prof. Brumm came to Holland under the auspices of the Woman's Literary club and the Holland Teachers' club. The attendance was comparatively good, and those who were there heard an address that was full of charm and thought.

PROMINENT OTTAWA COUNTY MAN DIES

Hartger Jonker passed away on Tuesday morning at the home of his daughter, Mrs. Minnie Borgman of this city.

Mr. Jonker came to this country from the Netherlands in 1872 and located at Grand Haven.

For 45 years he was identified with the growth and development of the county-seat and its various enterprises and as a contractor and builder he remained active in this vocations until he was 80 years of age.

For the past four years and since the death of his wife, he has made his home with his daughter Mrs. Minnie Borgman of Holland.

The remains of Mr. Jonker are to be taken to Grand Haven and the funeral will take place on Friday afternoon at 2 o'clock from the home of his son, Mr. Fred Jonker. Interment will be at Lake Forest cemetery in that city.

Mr. Jonker is survived by three daughters, Mrs. Minnie Borgman, and Mrs. Egbert Winter of Holland, and Mrs. John Tietz of Goshen, Ind., and one son, Mr. Fred Jonker of Grand Haven.

Mr. Jonker also has two brothers surviving. They however live in the Netherlands.

The mid-winter meeting of the county committee and the members of the local committee of the Ottawa County Y. M. C. R. was held Tuesday evening in the Methodist church. This meeting was to have been held on February 15th, but had to be postponed on account of the stormy weather and the state of the roads. As it was, even Tuesday night two of the towns of the county were unrepresented, namely Spring Lake and Coopersville, on account of illness of the delegates from those places. But delegates to the number of 25 were present from Grand Haven, Zeeland and Holland.

It was a dinner meeting and the meal was served by the ladies of the Methodist church. After the dinner echoes of the recent meeting in Detroit addressed by John B. Mott, were given by William Mott, president of the Holland H-Y, and by Secretary Smith of the county Y. The meeting in Detroit was a kind of state institute, with delegates from all parts of Michigan attending.

The principal address of the evening was given by Fred B. Freeman of Detroit, associate state Y. M. C. A. secretary. Mr. Freeman declared that the real work of the Y is to win men and boys for Christ and to reach young men especially and help them to get ready for the responsibilities of life that will devolve upon them. He threw this idea out as a challenge to all those present, that the greatest work they could engage in was to help to fit young men for service.

The meeting was an enthusiastic one and a spirit of good fellowship was evident throughout the gathering.

PAST NOBLE GRANDS ELECT NEW OFFICERS

The Past Noble Grands of Erutha Rebekah Lodge No. 27 met with Mrs. Jacob Hoffman, 294 Van Raalte Av. The following officers were elected for the ensuing year: President, Minnie Sargeant; vice president, Amelia Brightal; secretary, Mae Hiler; treasurer, Rose Harris; chaplain, George Yore.

The next meeting will be held at the home of Mrs. Rose Harris, 125 east 15th street. Mrs. Harris and Mrs. Irving entertain March the 6th. All Past Noble Grands in the city are requested to attend.

"Occupational Therapy," was the subject of a thought-provoking paper read Tuesday evening by Att. Thomas N. Robinson before the Social Progress Club when it met at the home of Mr. and Mrs. J. J. Riemersma. Mr. Robinson discussed among other features the problem of the round peg in the square hole in present-day industry and called attention to the various efforts that are being made in industry, in the schools, and in other ways to make the proper social adjustments that shall somewhat eliminate this waste of good material. While the problem is probably impossible of solution in an absolute sense Mr. Robinson suggested a raising of the standard of a sense of responsibility of each for all and all for each so that by raising the level of the whole life of society the various social adjustments that are so very necessary may be made more completely.

Mrs. John S. Dykstra, who has been the guest of her daughter, Mrs. R. A. Eusden of Lawrence, Kas., has returned to Holland after a month's visit.

HOLLAND HEARS "SECRET SERVICE" BY RADIO

Holland is not the only place where "Secret Service" is being played. For three nights last week the Hope College dramatic club gave this civil war production and at least 2500 people came to hear the Hope College actors do their respective parts.

However great was the surprise Thursday evening when at a party, Clyde Geerlings, the Holland radio man, began transmitting from a certain New York station, and the announcement stated that the play "Secret Service" would be broadcasted from a theater in Schenectady, N. Y.

All were at attention, as many had seen the play the night before at Carnegie Gym., and it was easy to follow out the production play by play as the word picture was transmitted by sound waves to the Holland receivers.

It was indeed very interesting, and the part that was especially thrilling was when Capt. Thorne, a Federal spy meets his brother in the home of General Varney, a commander of the Confederate army.

The brother escapes from Libby prison, a southern "hell hole" and hides in the home of General Varney where his brother is a guest.

The surprised meeting brings about a tense situation, for the escaped prisoner from Libby does not wish to expose his brother and he asked Captain Thorne, the older brother, to shoot him and thus allay suspicions. This the spy brother refuses to do whereupon the younger brother grabs the pistol of Captain Thorne and shoots himself in the leg.

At this juncture the crack of the pistol is heard ringing thru the entire house, coming by radio from Schenectady, N. Y.

In the offering in Holland this particular part is done by Tuenis Baker as Captain Thorne, and George Damson as his brother.

COLORED MAN OF GRAND HAVEN GETS MAXWELL CAR AT LEGION FAIR

Emerson Hicks, a colored man of Grand Haven holding No. 427, won the Maxwell touring car given away at the Soldiers' Fund Fair at the Armory in that city Thursday night. The largest crowd that has ever squeezed inside the walls of the big Armory attended the fair on the last night. About two thousand people jammed and pushed their way from booth to booth, seeming to enjoy every moment of the time, while a spirit of joy and pleasure prevailed throughout.—G. H. Tribune.

GRANDDAUGHTER OF HOLLAND'S FOUNDER PASSES AWAY

After an illness of about a month, Miss Wilhelmina Van Raalte died at her home at 18 East 12th street on Friday evening. Miss Van Raalte was born in Holland on January 1, 1870, and she has lived in this city all her life. She was educated in the local schools and later she taught in the local schools for many years. She was a granddaughter of Dr. A. C. Van Raalte, the founder of Holland.

The deceased is survived by one sister, Mrs. B. D. Keppel, one brother, A. C. Van Raalte. She has been for many years a member of Hope church, and she was active in Sunday School work there, serving as a teacher for a long time.

The funeral will be held Monday afternoon at 1:30 at the home. The friends are invited to attend the funeral, which will be conducted by Rev. P. P. Cheff and Dr. Henry Hospers.

COLONIAL HATS GIVE PARTY A WASHINGTON EFFECT

A good sized crowd gathered in K. of P. Hall Thursday evening to enjoy the regular monthly social meeting of the Pythians and a delightful evening was spent. The evening was given a George Washington effect by the wearing of Colonial hats. The music was furnished by Van Vyven's orchestra.

The card prizes were won by Mrs. Edw. Sooter for the ladies and Mr. Henry Wilson for the gentlemen.

WANTS STRICT SUPERVISION OF GROCERY AND MEAT MEN

Strict state supervision of all persons in the grocery or meat business through examination as to their fitness to handle and sell food will be advocated by the Retail Grocers and General Merchants' association. A resolution urging enactment of a law to this effect was passed by the association at the closing session of its annual convention in Lansing Thursday.

OTTAWA COUNTY X-RAY EXPERT GOES TO SWEDEN

Miss Selma Bergstrom, whose home was formerly at Grand Haven and who is in charge of the X-ray and radium departments of the Blodgett Memorial hospital at Grand Rapids, will sail early in May for a six months visit with her parents in Sweden. Miss Bergstrom took up hospital work several years ago and has specialized in radium and in X-ray work, making a splendid reputation in her chosen field.

MEN STAND MUTE; PLEAS OF NOT GUILTY ENTERED

William Dwyer, charged with larceny from the Grange store at Allegan, and Frank Maher, Watson, alleged violator of prohibition laws also in Allegan county, stood mute when arraigned in circuit court last week and a plea of not guilty was entered for them.

Peter Foltyn, 22, pleaded guilty to burglary from a Bradley store in circuit court, but was remanded until Monday for sentence by Judge Cross, who has been in Detroit.

Judge Brown said Judge Cross knows the circumstances in Foltyn's case and could more justly dispose of it. Milton Jones, 17, charged with breaking in an Otsego store, was also remanded until later.

MINISTER GETS MORE LIGHT ON THE SUBJECT

About once a year the young folks of the Ninth Street Christian Reformed church launch a "get-together and get acquainted party." The time was about due for such a party and Old Father George also happened to have a birthday on that day so what would be more appropriate than to commemorate the birthday of the man "who never told a lie," and get acquainted at the same time?

Consequently a committee was appointed to look after an appropriate program and likewise a decoration committee decked out the church parlors in a profusion of flags and red, white and blue bunting artistically festooned, and in a place of honor a large painting of George Washington was in evidence.

The meeting was in charge of Henry Vandenberg, who in behalf of the young people of the church, invited the pastor and his family to be present and as a token of esteem he presented the dominie and his better half with a beautiful piano lamp which was graciously accepted by the pastor.

A program of music, readings and dialogues then followed. One of the features was a take-off put on by seven young ladies who appeared in costume of "ye olden days," when there were skirts with hoops, mutton-leg sleeves, choker collars with ruching, and highly pyramided coiffures. The little playlet depicted a choir leader trying to assemble a lady's choir, and the selection of new members and the attempt at demonstrating their ability as singers brot about some laughable situations.

Other pleasing features on the program were the musical numbers. A solo by Mr. Gerrit Ter Beek, who beautifully sang "The Old Refrain," by Kreisler, and "I Love the Little Cottage" as an encore, and selections given by a ladies' quartet. An octette who were repeatedly called back for extra offerings concluded the well-balanced musical program.

The program as rendered follows below: Singing, audience; opening remarks, Henry Vandenberg; prayer, Rev. Ghysels; Ladies' Quartet, The Misses Mary and Cora Kole, Martha Cook, and Marie Kalkman; reading, Miss Nellie Breen; solo, Gerrit TerBeek; dialog, "The New Choir," Seven Girls; remarks, Rev. Ghysels; selection Octette; budget.

OTTAWA FARM PROBLEMS VIGOROUSLY TACKLED BY AGENT

The Grand Rapids Herald of Feb. 22 contains an article by Frank Sparks relating to the vigorous work done in Ottawa county by County Farm Agent C. P. Milham. The Herald has the following:

"C. P. Milham, county agent of Ottawa county has had one or two great ambitions in his work. One of these was to place Ottawa county right out in the vanguard of all sections of the nation as a poultry county. A year ago Ottawa ranked second to that famous poultry county in California, and the effort during the past year has been to still further advance Ottawa's claim to fame.

"Mr. Milham has succeeded. He has become a first-class poultry fancier himself and no inconsiderable expert in culling, and all those other things which go to make poultry raising a success. He has given dozens of cullings demonstrations and has been busy teaching the farmers how to cull their own flocks, with the result that slacker hens are becoming a mighty rare bird. Four poultry associations are working in perfect harmony to make the standard of chicks and eggs sent out of the county the equal of any in the world.

"Still another great ambition which Mr. Milham is nursing is to make Ottawa county a recognized center for pedigreed seed corn. He would have his county the corn seed center of Michigan, and has made a splendid start along this line. With such men as F. C. Hambleton, Stanley Kurek and several others exerting every energy to improve the corn and to develop the best for seed he has a splendid nucleus to work with.

"Ottawa county is naturally a dairy county, and Mr. Milham is seeking to improve by every possible means the standard of the dairy herds. Last fall he asked the board of supervisors for \$9,000 with which to put on a T. B. testing campaign in the hope that very soon he may be able to say there is not a tubercular cow in Ottawa county.

"Mr. Milham is also giving a lot of attention to fruit growing in Ottawa. During the last year he has been conducting a series of fertilizer demonstration with marked success, and the orchardists have been eagerly taking hold of the ideas he has put forth. These experiments are along similar lines with those conducted in other fruit growing counties and which have been highly successful. This success will be still further demonstrated with coming years, as the fertilizer applied has begun to show its best effects.

"And so, too, Mr. Milham has been seeking to improve the quality and standard of the potatoes grown, and here again he has been most successful.

"Another highly interesting experiment he has been making is the effort to check the sand blow. This is so important a matter that it has been taken up in a separate article, for it is showing most highly gratifying results.

"Mr. Milham has been succeeding splendidly, but he finds that all his program is keeping him pretty fully occupied, but he is getting results and that is some reward and satisfaction."

James De Koster and daughter Jeannette attended the auto show in Grand Rapids Friday evening.

STRANGE BIRD AT TANNERY IS BARN OWL

The pedigree of the strange bird caught at the North Side Tannery, by Charlie Hanson during the storm has been established. The feathery creature that had a face resembling a monkey and with a beak that was more like a nose flattened on a face than the regular bill of a bird now has a name. Miss Lydia Rogers, head of Natural Science in our high school has had the bird up for inspection and declares that it is a barn owl, and states that it must have strayed away from its regular haunts in Indiana and Ohio, with a very few to be found in the extreme lower part of Michigan.

"The bird is not migratory," said Miss Rogers, "in fact it does not get very far away from its nest at any time."

She thinks that this stray one must have gotten lost in the blasts and found shelter in the tannery where it was discovered.

Miss Rogers is one of the best authorities on birds and plants and all things in nature, to be found in Western Michigan, and undoubtedly she has the bird placed rightly.

Martin Vander Bie of Holland, who has done a great deal of hunting in his time, has also inspected the bird and he calls it a horned owl. While these birds are scarce around here, Mr. Vander Bie states that he has seen them in the woods around the local resorts and around Saugatuck. Peter Dulyea, also a famed hunter, states that it is hard to detect the different species of owls. There are a large number of them and different localities give them different names. He also states that the bird is rarely seen as far north as Holland.

ALLEGAN TO HOLD PRIMARY FOR ONE OFFICE

County Clerk Stickel of Allegan County writes that the primary election to be held March 7 will be for County Commissioner of Schools only as the petition of Judge Cross for Circuit Judge was the only petition filed making it unnecessary for his name to be placed upon the ticket for the primary.

LAKE SAILOR LOSES HANDS AS SHIP BRUSHES PILING

Joseph Gregor, 19, deckhand on the steamer Alabama at Grand Haven was badly injured when the ship was docking there Wednesday. Gregor had his head and arms out of a forward porthole when the boat brushed against the wharf. He managed to get his head out of the way but his right hand was severed at the wrist and all fingers were crushed from his left hand. Gregor shined at Chicago, but his home is in South Dakota. He was making his first trip.

SAXOPHONE BAND NOW BEING ORGANIZED

The saxophone is getting to be a popular instrument in Holland. A few days ago the announcement was made that a saxophone quartet had been organized in this city and now the word comes that Holland may in due time have a saxophone band. John Van Vyven is taking steps to this end. There are a number of young men in Holland who have been wanting to take lessons on the saxophone and in order to accommodate them all Mr. Van Vyven has organized them into a band, all meeting on the same evening. They are only beginning the work and are not yet ready by a long ways for public appearance, but they hope eventually to become a full-fledged saxophone band.

There may be still others in the city who would like to join this new organization. They can do so by getting into touch with Mr. Van Vyven.

OTTAWA'S SHARE TO THE NATIONAL R. C. WAS \$1512.00

Mrs. G. J. Van Duren, in charge of the Home Service office of the Red Cross, has received a receipt from E. G. Cloud, of the national Red Cross for the share of Ottawa's money sent to the National body. The amount that Ottawa contributed this year was \$1512. Under the terms of the contract between the national and the county organizations of the Red Cross, the county gives one half of the amount obtained in memberships to the national association.

Some people are under the impression that all the money collected in Red Cross drives stays at home. But half of every dollar is used not for home work but for Red Cross work throughout the world. Whenever there is an earthquake, a flood, a fire disaster, or any other great disaster, the Red Cross is always immediately ready to extend aid. And this aid is sent by the national association. That body has no means of collecting funds, except through the county organizations.

The home work of the Red Cross is important and there is naturally a good deal of interest in it because it touches closely the lives of persons known to many. When service men are aided in securing compensation or in getting the the hospitalization that they are entitled to, their friends and acquaintances naturally feel grateful to the Red Cross.

In the national Red Cross work there is no such direct interest. But the work is no less important. Usually when there is a great disaster no matter in what out of the way part of the world it may be, the Red Cross workers are on the scene within a very short time and save the lives that can be saved. And it is the half dollars of the National's share of the dollars contributed by the average citizens of such towns as Holland throughout the country that make this work possible.

The contract for auditing the city books has been awarded by the common council to the Michigan Trust Co. for a sum not to exceed \$200.

AGED HOLLAND RESIDENT WAS AN OLD "TAKE AND SEA DOG"

Anthony Dogger who lived to the ripe old age of 92 and then died in Holland recently, did not only sail the great lakes for years but in the earlier days followed the ocean and had practically sailed all over the world.

Dogger whose native country was the Netherlands went to sea as a young boy on a sailing vessel and was cabin boy for many years.

He followed his sailing career for a score of years, during which time he visited every port of importance on the globe.

After finishing a cruise of 165 days it was rumored at his home that his vessel had foundered and that his body was turned up on the beach. However he found up alive and well to the great surprise of his relatives.

On several occasions he was washed from the deck into the ocean and had many narrow escapes from drowning.

On another occasion Dogger's vessel was caught in a typhoon in the Chinese seas and only by the merest chance his life and those of his shipmates were saved.

Dogger came to America in 1867.

MUSKEGON TAKES STEPS TO SAVE THE DUNES

The action of the Muskegon Co. supervisors in purchasing 885 acres of sand dune country, to be presented to the state for park purposes is worthy of all praise. Forests, water, sand hills, ravines and flowering vegetation combine in these waste tracts along the western side of the state to form natural recreation sites that are excelled nowhere in the world. They are relatively cheap, being of little use to any one except to the commercial sand companies that are rapidly eating some of them away from the lake side, for transportation to Chicago; and they are accessible in a day's drive to every river owner in the lower peninsula.

It is to be hoped that this action of Muskegon County is the first in a process of conservation that will eventually create a practically continuous park extending all the way from the Sleeping Bear Dune of the Leelanau peninsula to the Warren reservation at Three Oaks.—E. C. Detroit News.

FOREST GROVE WOMEN TO DEMONSTRATE PROCESS AT COUNTY MEETING

Mrs. A. Vander Wall and Mrs. J. Kamer of Forest Grove have been chosen to give demonstrations on machine hemstitching and couching at the county clothing meeting at Grand Haven on April 3. Forest Grove women have been interested in the clothing course just completed under the direction of Miss Ryan, of M. A. C. and Miss Schurr, home demonstration agent. This course included five meetings with work on the machine and its attachments, practical costume design and pattern alterations, cutting and fitting, textiles, color and dress decoration. This group has been meeting with the Jamestown women alternately at Forest Grove and Jamestown. About fifteen women completed the course though at some meetings the attendance was much larger.

FINDS BATTERY STOLEN FROM CAR

Sneak thieves of automobile parts were busy Wednesday night among the large number of cars that were parked on the college campus during the performance of "Secret Service." A brand new tire, including rim, was taken from the delivery truck of Deur & Zwemer, hardware dealers on 16th street, and a battery was taken from the car of a Zeeland man whose name was not learned. The Zeelander tried to start his car after the performance and was much puzzled to find that it would not respond. An examination showed that his battery had been removed.

This type of stealing has been going on to a rather great extent this winter. Some weeks ago the people who went fishing on the ice and parked their cars on the banks were made victims.

ZEELAND HATCHERY LARGEST IN STATE

The hatchery on the Superior poultry farm near Zeeland which is owned by C. J. DeKoster and G. D. Romeyn, requires a full carload of eggs every three weeks to fill its incubators. This plant is the largest in Michigan, having a capacity for 150,000 eggs at one setting. There are others with egg capacities ranging from 96,000 down to the beginners with 50 to 500 egg machines. During the peak of the hatching season these plants require approximately 10 cars of eggs a week to give them their peak load.

It was just nine years ago this spring that Clarence J. DeKoster became a "baby chick" hatcher. His first incubator was an oil burner of

100 capacity. He turned his first year's profits back into the business and bought a 1,000 egg incubator for the next season. He continued with this equipment until 1918 when he went into partnership with Mr. Romeyn under the hatchery's present name. By 1920 the incubator capacity had been increased to 19,000 eggs at a setting. The capacity was enlarged to 52,000 eggs the next year and to 150,000 eggs in 1922.

ANNUAL TAX SALE.

State of Michigan, County of Ottawa—ss.
The Circuit Court for the County of Ottawa in Chancery.

In the matter of the petition of Oramel B. Fuller, Auditor General of the State of Michigan, for and in behalf of said State, for the sale of certain lands for taxes assessed thereon.

On reading and filing the petition of the Auditor General of the State of Michigan praying for a decree in favor of the State of Michigan, against each parcel of land therein described, for the amounts therein specified, claimed to be due for taxes, interest and charges on each such parcel of land, and that such lands be sold for the amounts so claimed by the State of Michigan.

It is ordered that said petition will be brought on for hearing and decree at the March term of this Court, to be held at Grand Haven in the County of Ottawa, State of Michigan, on the 19th day of March, A. D. 1923, at the opening time of Court, and that all persons interested in such lands or any part thereof, desiring to contest the lien claimed thereby by the State of Michigan, for such taxes, interest and charges, or any part thereof, shall appear at said Court, and file with the clerk thereof their objections thereto on or before the first day of the term of this Court above mentioned, and that in default thereof the same will be taken as confessed and a decree will be entered as prayed for in said petition. And it is further ordered that, in pursuance of said decree the lands described in said petition for which a decree of sale shall be made, will be sold for the several taxes, interest and charges thereon as determined by such decree, on the first Tuesday in May thereafter, beginning at 10 o'clock a. m. on said day, or on the day or days subsequent thereto as may be necessary to complete the sale of said lands and of each and every parcel thereof at the office of the County Treasurer, at such convenient place as shall be selected by him at the county seat of the County of Ottawa, State of Michigan; and that the sale then and there made will be a public sale, and each parcel described in the decree shall be sold for the full amount for the total taxes, interest and charges, and the sale shall be made to the person paying the full amount charged against such parcel, and accepting a conveyance of the smallest undivided fee simple interest therein, and the person will pay the taxes and charges and take a conveyance of less than the entire thereof, then the whole parcel shall be offered and sold. If any parcel of land cannot be sold for taxes, interest and charges, such parcel shall be passed over to the next parcel and the same shall be offered and sold, or if, on such second offer, or during such sale, the same cannot be sold for the amount aforesaid, the County Treasurer shall bid off the same in the name of the State.

Witness the Hon. Orin S. Cross, Circuit Judge, and the seal of said Circuit Court of Ottawa County this 8th day of January, A. D. 1923.

(SEAL) ORIN S. CROSS, Circuit Judge.
Countersigned,
ORRIS E. SLUITER, Clerk.

STATE OF MICHIGAN.

To the Circuit Court for the County of Ottawa in Chancery:

The petition of Oramel B. Fuller, Auditor General of the State of Michigan, for and in behalf of said State, respectfully shows that the list of lands hereinafter set forth and marked "Schedule A," contains a description of all lands in said County of Ottawa upon which taxes have been assessed for the year 1922, and which were returned as delinquent for non-payment of taxes, and which taxes have not been paid; together with the total amount of such taxes, with interest computed thereon to the time fixed for sale, and collection fee as provided by law, extended against each of said parcels of land.

Your petitioner further shows to the Court that said lands were returned to the Auditor General under the provisions of Act 306 of the Public Acts of 1922, as delinquent for non-payment of said taxes for said years respectively, and that said taxes remain unpaid; except that lands included in said "Schedule A" for taxes of 1920 or prior years were returned to the Auditor General as delinquent for said taxes under the provisions of the general tax laws in force prior to the passage of Act 200 of the Public Acts of 1921, and which taxes remain unpaid.

Your petitioner further shows that in all cases where lands are included in "Schedule A" as aforesaid for taxes of 1920 or of any prior year, said lands have not been sold for said taxes or have been heretofore sold for said delinquent taxes, and the sale or sales so made have been set aside by a court competent jurisdiction, or have been cancelled as provided by law.

Your petitioner further shows and avers that the taxes, interest, collection fee and expenses as set forth in said "Schedule A" are a valid lien on the several parcels of lands described in said schedule.

Your petitioner further shows that the said taxes on the said described lands have remained unpaid for more than one year, and that they were returned as delinquent; and the said taxes now due and remaining unpaid as above set forth, your petitioner prays a decree in favor of the State of Michigan against each parcel of said lands, for the payment of the several amounts of taxes, interest, collection fee and expenses, as computed and extended in said schedule against the several parcels of land contained therein, and in default of payment of said several sums computed and extended against said lands, that each of said parcels of land may be sold for the amounts due thereon, as provided by law, to pay the lien aforesaid.

And your petitioner will ever pray, etc.

Dated January 5, 1923.

ORAMEL B. FULLER,
Auditor General of the State of Michigan, for and in behalf of said State.

The Jamestown Co-Operative elevator was broken into and \$7 was stolen last Monday night. Sheriff Fortney is working on the case and expects to bring the thieves to time shortly, knowledge of their identity being gained.

The robbery of \$163.34 was discovered at noon at the Pere Marquette depot at Grand Haven. The police were immediately called. The robber left no trace. Entrance could have been gained through an unlocked window in the depot. The safe was evidently opened by one who knew the combination as it was re-closed after the money in paper and silver had been removed.

Born to Mr. and Mrs. Vern Guy, Sunfield, Mich., Feb. 15, a girl, Shirley Maxine. Mrs. Guy was formerly Miss Margaret Vandepoel, who worked in the office of the De Pree Company for some time.

The H. O. H. will meet Friday evening. Anthony Van Ry, chairman of the program committee, announces that this will be an open meeting to give those who desire an opportunity to hear a debate on Capitalism and socialism.

HOLLAND CHRISTIAN HIGH TO MEET ALPINE AVE. OF G. R.

Friday evening at 7:15, the H. C. H. S. basketball team will meet the Alpine Avenue team of Grand Rapids in the Holland High Gymnasium. The people of Holland have no doubt heard of the fighting and winning spirit of this team, that has only been defeated once this year. The Alpines have a very strong team and are coming determined to win this game also. The preliminary game will be played between the girls teams of Alpine and Holland. This game will be of great interest to Holland because the girls teams are becoming more and more popular in all Western Michigan towns.

COLLEGE PRANK LEADS TO A CASE IN COURT

FOUR YOUNG MEN ARE FINED BY JUSTICE VAN SCHULVEN

Willard Elferdink, George Luidens, Rudolph Brink, and Andrew Postma appeared before Justice Van Schelven Monday morning and pleaded guilty to a charge of assault and battery made against them by Leonard Demoor, a Hope college student. Each was given a fine of \$10 and \$3.70 costs.

Demoor sometime ago caught a classmate named George Hill copying from another during an examination. As he was about to do under the terms of the honor code in force at the college, he reported this to the college authorities, who thereupon dismissed Hill from the school. The four young men who appeared in court Monday are friends of Hill and after an entertainment at Carnegie Gymnasium they followed Demoor, who was on a bicycle, in a flivver, threw a sack over his head and took him a few miles into the country on the Getz road. There they tied him to a post and left him.

Working himself loose Demoor found his way to a farm house where he spent the night sleeping on the floor and the next day the police took him back to Holland. His complaint before Justice Van Schelven was the result of the escapade.

WANTED TO HEAR—From owner having farm for sale in Ottawa county. Warren Mc Rae, Logansport, Indiana. 4E3-3p

FIFTY YEARS AGO TO DATE

WHAT YOU SAW IN THIS PAPER FIFTY YEARS AGO

R. K. Heald has nearly completed his contract on the new Episcopal church. It is to be an ornament to the city. Note—The church in question was located on the southwest corner of Pine avenue and 11th St., now the site of the home of Frank Hadden. Some 35 years ago the church was destroyed by fire and a church was built later on the present site of Grace church.

FORTY-FIVE YEARS AGO
A deer was seen to cross the road near the Van Raalte homestead on the outskirts of the city. The deer was quietly grazing along the highway.

FORTY YEARS AGO
Holland receives a revenue of \$2400 from saloon licenses this year.

THIRTY-FIVE YEARS AGO
Last Wednesday three tramps were seen stealing a few small articles from the hardware store of E. Vander Veen on River and 8th Sts. They were arrested by Marshal Charlie Odell and were sentenced by Justice H. D. Post to 30 days in the county jail and they are now comfortably housed with Sheriff Arie Waltman.

THIRTY YEARS AGO
There was a happy gathering of friends and relatives at the home of Mr. and Mrs. Peter Schoon on 6th street. The event was a tin wedding and it may be said right here that Mr. and Mrs. Peter Schoon might start a hardware considering the numerous and appropriate gifts. Henry Koeningsburg of Holland married Miss Anna Allen of Allegan, Rev. S. D. McKee performing the ceremony.

TWENTY-FIVE YEARS AGO
John W. Beardslee Jr., a young man from Holland, won the oratorical contest at Hope on Washington's

birthday with his subject "The Powers in China." Cornelius Van der Meulen of Ebenezer was also favorably mentioned with his "Joan of Arc." Henry Schippers did well with his subject "The Merrimac and Monitor" while Peter Marsilje had as his subject "The Christian College in America."

TWENTY YEARS AGO
The Spanish claim commission of which Hon. G. J. Diekema is a member, will continue work for six months after March 2, 1903. The time limit of the commission was lengthened by President Roosevelt. Since April 8, 1901 the commission has been engaged in examination of Spanish claims brought about by the Spanish-American war, when Uncle Sam and his soldiers "Remembered the Main," the warship that was blown up by Spain spies in the harbor at Havana, sending down more than two hundred American "Jackies."

FIFTEEN YEARS AGO
The old Walsh-De Roo Milling Co. which has been idle for a few years was started again by two men named I. Muller and J. Leenhouts. They have called it the Standard Milling Co. Note—Later, the company was changed into the Standard Grocery Co., which is now a prosperous concern in Holland.

Mr. and Mrs. Peter Schoon celebrated their silver wedding at their home on West Sixth street. Seventy-five guests were present.

TEN YEARS AGO
Lieutenant John Kramer, prominent citizen and Civil war soldier responded to the last roll call. He died peacefully after an illness extending over two years. Mr. Kramer was 75 years old and was the father of Otto P. Kramer, Peter Kramer and John Kramer and a daughter Miss Minnie Kramer.

HAMILTON

John H. Rutger from Kalamazoo was home last week.

M. Bouwman and family were the guests at the home of Mr. and Mrs. Lambert Gates last Sunday.

Mrs. Jim Pol is on the sick list. Walter Monroe of Chicago spent the week end at his home here.

James Rutgers of Chicago was here for a few days' visit with his mother and family.

Word has been received from Oscar of De Groot of Elsworth, Mich., stating that his wife, formerly Miss Jennie Rutgers of this place is quite ill with pleurisy and under the doctor's care.

A discussion as to whether Hamilton is to have electric lights was held in the community hall Monday night.

Each Friday music memory contest recitals are held after which Charles Velhuis, principal of the schools puts on a series of pictures.

Work has begun at the brick-yards. A crew is building a foundation to the new plant and a track is being laid into the woods near Zeeland.

Rolly Brower, son of Mr. and Mrs. Marvin Brower, Grand Rapids, is visiting his grandparents, Mr. and Mrs. H. Brower.

FOREST GROVE.

While assisting his father in trimming trees for fire-wood a few weeks ago, Bernard Ensing of Forest Grove, accidentally cut his left foot with an ax. He is still confined to the house, although he is now again able to walk, but can wear no shoe.

Jacob De Zwaan, Jr., who was badly disabled last fall when the discharge from his shotgun accidentally tore away the greater portion of his right hand, thus preventing him from continuing his work as a carpenter, is now, together with his wife and two children, living with his parents, Mr. and Mrs. J. De Zwaan. He has commenced a trade route of his own, selling dry goods and notions.

HUDSONVILLE.

Miss Evelyn Coburn, daughter of Mr. and Mrs. Seth Coburn, died from the effects of pneumonia, at the home of the feeble minded at Pontiac, last Saturday at the age of twenty-two years. She leaves her sorrowing parents, two brothers, Roger and Chester of Detroit, and one sister, Miss Clara who is at present in China, as a missionary. Funeral services were held Wednesday from the home and the local Reformed church. Mr. Coburn will be remembered around Holland being prominent in politics for a number of years.

ZEELAND.

Mr. and Mrs. Andrew Machiela of Borculo who were recently married by Rev. Oostendorp at the parsonage of the North Street Church at Zeeland have come to Zeeland to make their future home.

Mrs. Goldie Markham of Big Rapids has been the guest of her father Dr. W. G. Heasley of Zeeland.

Mrs. Frank Van Bree has returned from a weeks visit in Detroit where she was the guest of her sister, Mrs. H. Bashford.

The employees of the A. La Huis Co. store were entertained in fine shape by Mr. and Mrs. David.

Frank Ver Planke who was injured while working at a machine Monday in the Zeeland Ornamental company's factory is recovering. The man's right hand was severely bruised.

Born to Mr. and Mrs. John De Weerd—a 12 pound baby boy.

The Zeeland Fire Department together with the Common Council enjoyed a banquet at Wentzel's Cafe on the night of Washington's birthday. After the banquet, a social hour was had at the American Legion rooms.

John Slagh has purchased the residence belonging to Sam Stobbehaar on West Cherry street which is occupied by Mr. and Mrs. A. L. Warren.

The Ladies Aid Society of the school for Christian Instruction will meet on Friday, March 2nd, at the usual time and place.

Mr. and Mrs. C. Van Koeveing of Grand Rapids have announced the marriage of their daughter, Cora, to Mr. Otis Hursfall of Detroit, which event took place on Saturday, February 17, 1923.

NEW GRONINGEN.

New Groningen has been a veritable hospital. Peter Schapp, the Poultry farmer and proprietor of the Pioneer Poultry Farm and Hatchery has had the "grip", while the little child of Mr. and Mrs. Melvin Brouwer is recovering from a severe case of pneumonia. On the other hand Mr. and Mrs. John Middelboek have practically recovered from an attack of La-grippe.

A large moving van from Grand Rapids and Holland was stalled for two days in a snow drift on the road near the home of John Posma.

The school children took a forced vacation of two days because of the recent blizzard and large snow drifts in the roads which made it impossible for them to reach the schoolhouse. However, now they say they can better appreciate Whittier's "Snow-bound" which is the seventh and eighth grade reading classic this spring.

DRENTHE

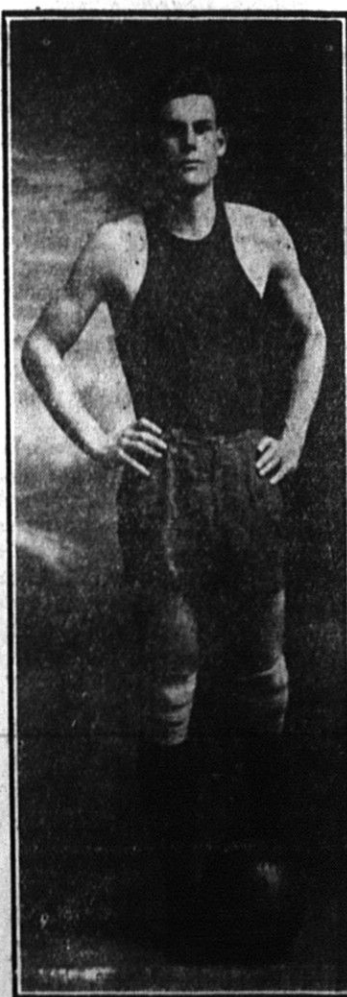

Those from Drenthe who attended the recent Delegate meeting of the Alliance held in Zeeland were, Rev. W. D. Van Der Werp, Misses Janette and Gertrude Roelofs, James De Kline and Henry Wiggers. The meeting was held in the Christian Ref. Church.

A severe case of cancer ended the life of Mrs. G. Wynhout of Drenthe. The deceased is survived by an only daughter, Mrs. Frank Boekhuis.

Miss Jennie Van Rhee, daughter of Mr. and Mrs. J. Van Rhee, who suffered severely from an abscess in the ear, has improved considerably. A specialist was called from Grand Rapids to give medical attention.

Drenthe schools were closed for two days because of the recent blizzard and the pupils as well as the instructors, Mr. De Young and Miss Riemersma enjoyed a vacation.

On Friday night March 2, the Hope team will meet the strong Michigan City Y. M. C. A. team, who defeated them earlier in the season by a 34 to 23 score. This team, playing some of the best teams in the west, has

won 15 out of 19 games played this season. The game Friday night is sure to be one of the hardest fought battles on the college court this year. The Michigan City aggregation has in Tom Estes a forward who stars despite the fact that he is a cripple. Tom Estes, tho a cripple having one leg badly shortened, is a star forward

of the Michigan City Y. M. C. A., who play here Friday night. Besides being a great basketball player he is city champion tennis player, a wonderful swimmer, an excellent base-ball player and has cleared the bar for 5ft. 3 3/4 inches in the high jump.

BORCULO.

Last night Rev. G. J. Haan of Kalamazoo spoke at a local church on the subject "The Signs of the Times". The discourse was in the Holland language.

Peter Groenewoud moved to the farm of G. Moeke, three miles north-east of Borculo.

Because of stormy weather the stockholders of Borculo Creamery postponed their meeting until Tuesday and the regular business to come up at such meetings was done. The creamery is doing nicely.

Mother Speaks When Son With Softening of Bones Gets Well

THERE are times when the heart is so full it must speak. That time is pretty apt to come to a mother who finds relief for her son's "so-called" incurable disease.

This young lad, when only 9 months of age, was diagnosed as having the disease called "rickets". The most pronounced symptom of this disease is the softening of the bones. They fail to support the body, and the result is almost any variety of deformity that can be imagined. Imagine the mother's despair at a child developing this condition. It is generally recognized as an incurable disease.

Perhaps a new record is being written. At any rate no chiropractor of sound judgment is making any promises about what he can do in a case of "rickets". But at any rate cases of "rickets" are being watched carefully, whenever the case comes under chiropractic care. The case of this boy was brought to health under chiropractic spinal adjustments. The boy's youth was in his favor. Otherwise the honor goes to chiropractic for finding the way. If there is any credit due for skill in applying the adjustments correctly, I am only glad to know that I was the humble instrument in bringing this recovery about.

But the important thing, is that the restoration of this boy to health is of great personal importance to every resident of this community.

It has brought a joy unspeakable to the mother and to the boy. Every mother knows what it means, and every mother knows how the mother feels when she says that she wants to make affidavit to what happened, that others may hear and know the possibilities for health that lie in chiropractic.

What chiropractic has done for the disease "rickets" it is doing for other diseases of the body, whether general or local to some particular organ. Chiropractic is restoring health to sufferers from disease of the head, eyes, ears, nose, throat, lungs, heart, stomach, spleen, liver, kidneys, bowels and the genital organs. Every one of these organs is dependent for its power to function upon the proper supply of nervous impulses, and the only place where these nerve impulses meet with interference is at the nerve openings between joints of the spine. These joints are movable, which accounts for the fact that they become disordered, and for the fact that the chiropractor by his adjustments is able to restore them to proper alignment, thus permitting the normal nerve freedom which is essential to the health of any organ of the body.

In this case the misalignment of spinal joints was in the lower back region, and when I was able to restore the proper alignment of joints at this point, the boy's body began to function in the proper way. All the chiropractor can do is to restore alignment of the joints. Nature does the rest. The statement of the mother whose oath was taken by Jarrin N. Clark, is as follows:

SON'S LIFE WAS SAVED BY CHIROPRACTIC.

"My son's life was saved by Chiropractic. He was well during the first few months after his birth; he then developed a case of rickets, which constantly grew worse. He had had sweating spells, he was irritable, he would wake up during his sleep and have convulsions, and after six months the convulsions became so severe that the attending physician gave me little hope for his recovery. He also had stomach, bowel and kidney trouble, and the muscles of the body became so weak he could hardly move his arms or legs, it seemed as though he was totally paralyzed.

"Finally I was persuaded to try De Jonge, the Chiropractors, and after the first adjustment, the convulsions stopped and after a short course of adjustments all his troubles disappeared and he was well. He has now been well for more than a year and a half, and I consider it a wonderful recovery.

"I feel very grateful for the results and trust that others in the same difficulty may benefit from my experience, and try De Jonge the Chiropractor before it is too late. I make this statement freely and certify that the same is true.

SEWAGE PLANT NOT TO COME UP THIS SPRING

The people of Holland will not be called upon to vote on the question of a sewage disposal plant at the April election. At the last meeting of the council the ways and means committee was given instructions to take the necessary steps looking to the placing of the matter before the people in a referendum. But the investigations of the committee convinced its members that it would be unwise to take precipitate action on a matter of such importance and hence they decided to make haste slowly by putting it over until a time when the people can be put into possession of all the facts before they are asked to vote on it. The committee offered the following report which was adopted by the council by a unanimous vote:

The committee on ways and means to whom was referred the question of placing before the people the proposal of improving the Sanitary sewer system of the city of Holland, beg leave to report as follows:

Inasmuch as conditions have changed materially, principally on account of the closing of the South Side plant of the C. & B. Leather Co. which makes it necessary to change the plans of Pearce, Greeley & Hansen to some extent, your committee feels that the better course to pursue would be to consider this problem further and therefore recommend that this question be referred to the B. P. W. with instructions to revise these plans as in their judgment may be necessary and prepare an estimate of cost in order that the people may be fully aware of what they will be called upon to render a decision. This will necessarily take some time but your committee feels that in view of the size and cost of the project this is the only safe thing to do.

HOPE DEFEATS ALMA IN LEAGUE OF NATIONS DEBATE

Hope College won a 2 to 1 decision over Alma College in the debate held Friday evening in Winants chapel. The subject of debate was, "Resolved, that the United States should immediately enter the League of Nations." The affirmative was upheld by Hope and the negative argument was presented by Alma. The Hope College team, by sheer force of logic, proved their contentions while the Alma debaters, altho superior in delivery, failed to present satisfactory proof in support of their arguments.

The local college was represented on the platform by Simon Heemstra, Jerry DeVries and Harvey DeWeerd. Heemstra opened the affirmative argument and in a clear, lucid style showed that the league was a natural step in the progress for world peace. Jerry DeVries, who was the second affirmative protagonist, explained in a clear-cut manner that the principles of the league are sound. DeWeerd, with forceful argument, proved that entrance to the league is the only means of effectively and completely discharging America's responsibility to a permanent settlement of the war and that our entrance is the only feasible and acceptable plan for securing world peace.

Alma's debaters, Russell Wilson, Stewart Pratt and Ronald Harris, all of whom had a pleasing manner of presentation, argued that the league is pledged to carry out unjust treaties of peace which are in opposition to the fourteen points of ex-President Woodrow Wilson, that present policies conflict with and make impossible international peace, that the United States can perform better service as an independent neutral.

In rebuttal the contestants clashed repeatedly upon the important issues, Hope securing a slight advantage. The sarcasm, wit and logic of De Weerd were much in evidence; Heemstra talked convincingly, and DeVries clinched the debate with his summary of proof. Alma was by no means overwhelmed but answered ably.

Prof. E. Winter of the College was chairman of the evening. Mr. Holley of Zeeland, Mr. Ponitz of Allegan, and Mr. Weis of Kalamazoo acted as judges.

ONLY ONE TICKET AT SAUGATUCK

The election commissioners at Saugatuck have turned over to the printer copy for the official ballot for the village election to be held March 12. The ballot will contain but one set of names of candidates as follows:

Ticket No. 1—Clarence A. Lynds, president; J. M. Brown, clerk; R. G. Olson, treasurer; trustee, for years, W. R. Takken, H. G. Simonson, A. Pfaff. Trustees, one year, D. A. Heath, W. R. Gardner. Assessor, M. Bennett.

At a caucus the following candidates were placed in the field as the Ticket No. 2—C. W. Wade, president; Ora Koning, clerk; L. R. Brady treasurer. Trustees, two years, W. P. Wilson, J. A. Koehner, Fred J. Metzger. Trustees, one year, C. Redebaugh, Morgan Edgcom. Assessor, no nomination.

It seems that many of those nominated were not present at the caucus, and it is said so many declarations came in that it was deemed advisable to abandon the plan to give the voters a second string to select from.

HOPE SENIORS TO PRESENT A COMEDY

The pastboards will hit the high mark when the Senior Class play of Hope College will be presented in about two months.

The presentation of the charming comedy on which the class has had an eye for a long time and has been reserved to the class of 1923, is one of three acts, adapted by A. E. Thomas from the story of the same name by Alice Duer Miller.

This comedy, which has been a knockout since its release, is entitled "Come out of the Kitchen," and is especially adapted to amateur production. The cast is composed of 11 characters and the scene centers about a Virginia homestead. This play has been under consideration for the last two years, and owing to a shift in the Dramatic club program who chose a diversion in the type of their annual play, it will be presented by the graduating Seniors.

The class has made its selection some time ago, but the announcement of this extraordinary super-comic play was withheld.

The present Seniors outnumber any previous graduating class by eight members and has an almost unlimited source of dramatic ability to warrant a strong cast of characters.

The comedy comes here with an uncompromising guarantee to entertain and grip its audience from beginning to end.

"Come out of the Kitchen" is at the present the big drawing card in dramatics. Because of the thousands of Holland folk who have helped to make the Senior class plays popular, this class is pooling all its efforts in producing at a greater cost, the best that the stage can offer. The cast for the play is being carefully culled out, and it may take a few days before the entire cast will have been complete. This play is loaded with the highest form of humor, it is at one time innocently ludicrous and again grotesquely witty.

H. H. S. LOSES HARD-FOUGHT BATTLE TO LANSING 10-8

In a close hard-fought battle Friday night the local high school five was forced down in defeat before Lansing, score 10-8.

The fine defensive system displayed by both teams proved to be the feature of the game. Hill and Lordahl were evenly matched with Oade and Morse of Lansing and the work of these guards tended to keep the final score very low. Lansing presented a splendid player in Maastol, he being responsible for their ten points. Vanden Brink and Kleis divided scoring honors for Holland. Vanden Brink counted twice from the floor and Kleis scored two points from the foul line and a field basket. Neither team scored a field goal in the first half of the game, the score being 3-2. Maastol and Kleis garnered in the points for their teams. Holland jumped into the lead in the third quarter when Vanden Brink netted the oval twice in rapid succession. Before the quarter ended Maastol and Morse managed to cage the ball and the period ended Holland trailing 8-6.

Kleis tied the score in the final quarter but Lansing would not be denied and Brown gave his team the victory when he scored from scrimmage under the basket. It was nobody's game until the final whistle and the closeness of the score thrilled the large crowd that packed the Gymnasium.

The Holland High Reserves continued their winning streak when they stopped the Holland Christian High team in a rough contest, score 17-11. The Reserves took a commanding lead in the first part of the game but were overtaken near the end of the contest. Jappinga and Van Zanten came through with baskets however, and the Christian High lads were forced to admit defeat. De Waard and Van Fasel were the outstanding stars for Christian school while Van Zanten and Jappinga proved the best for the Reserves.

Attorneys G. J. Diekema and Daniel Ten Cate were in Grand Haven on legal business Monday.

Abe Timmer and Gerrit Beckman of the Holland Shoe Co. attended the auto show in Grand Rapids Saturday.

COUNCIL AGAINST TAKING POWER FROM PEOPLE

Although Holland is a member of the League of Michigan Municipalities and although that body held its annual convention here last spring the mayor and common council of Holland are not in favor of everything that organization stands for. The local city officials went on record unanimously Friday night as being against the proposal of the League to get a bill through the legislature that would make it unnecessary for the city to submit to a vote of the people the question of a bond issue for the erection of a sewage disposal plant in case such a plant was ordered in by the state board of health.

"Personally I am in favor of some kind of a sewage disposal plant for Holland," said Mayor Stephan. "I think it is a shame to continue to dump Holland's sewage into our beautiful lake. But I do not favor any such move or forcing such a plant on the people without giving them a chance to vote on it. I think it is wrong to give any small legislative body of men like the common council the power to bond the city for an unlimited amount, running perhaps into hundreds of thousands of dollars without giving people a chance to decide on it for themselves. A much better way would be to give the people time to think about such a question, to educate them up to the needs of the case, if necessary. I have faith enough in the people to believe that they will vote for it eventually when they see that it is needed."

Several of the aldermen were just as outspoken in their opposition to this proposal of the League, and a motion was finally passed by a unanimous vote to send a resolution to the League disapproving of this action of the League.

The League submitted three other proposals that they will try to get the legislature to pass on. In a nutshell these proposals provide for the return to the cities of a fair share of the taxes. The cities are not asking, under this proposal, for any special favors but are asking for their under this proposal, for any special favors but they are asking for their part of the tax money. The mayor and aldermen were heartily in accord with this plan and they passed a resolution to this effect.

ROAD BOARDS OF TWO COUNTIES TO WORK TOGETHER

The road commissioners of Ottawa and Muskegon counties are to be aided by the board of health and welfare to give special aid in keeping the Grand Haven road open so that milk can be carried to Muskegon. At present about one-third of the milk supply used in Muskegon is carried from farms near Zeeland.

Much difficulty has been encountered by the dairies in carrying the milk to Muskegon and it is said that the other side of Holland the milk trucks have been required to break their own paths. Muskegon was with out milk for more than a day last week and it resulted in suffering there among infants. Dr. Eldon Smith, Muskegon milk inspector has told the board.

The Muskegon city board is certain that the road commissions of the two counties will be pleased to give the extra service. Thawing has placed the roads in bad shape for the trucks during the last couple of days.

GRAND HAVEN WATER SUPPLY IMPROVED FOR FIRST TIME

For the first time in weeks, Grand Haven's water supply is again really at normal with between 65 and 70 pounds registered at fire headquarters and about 87 lbs. at the plant. The secret of success seems to have been the acquisition of an efficient pumper at the Lake Michigan beach. The old Muskegon steamer has been pumping over eight hundred gallons per minute into the gravel bedded tile line at the beach and pressure has arisen to say nothing of a surplus accumulated in the water tanks on Leggett hill.

When the big tanks holding an aggregate of one million gallons of water are filled the city will then cut them off and hold them in reserve for fire emergencies. The tank should be filled by Sunday and by that time the city manager announces that the power pump at the beach which was formerly used will be operating again.

This condition will release the steamer and the big engine will be taken to the city as an added protection in case of fire. Should the program work out without a hitch, the situation will be relieved in a great measure by this coming week.—G. H. Tribune

DISPUTES CONTENTION OF DEMOCRATS

Detroit News—Hailing of Senator James Couzens of Detroit as a Democrat, at the Democratic state convention in Detroit, links up with one of the salient points in the address of former Congressman Gerrit J. Diekema, of Holland, before the Republican state convention in Flint two days earlier. Addressing the Genesee county Republican banquet, Mr. Diekema called attention to the quoted statement attributed to Senator-elect, W. N. Ferris in which he greeted his future colleague as a Democrat. Mr. Diekema expressed the belief Senator-elect Ferris was in error and that the appointee of Gov. Groesbeck filling the seat of ex-Senator Newberry, was a real red-blooded Republican, who would speedily repudiate flirtatious advances of the minority party's spokesman. If Senator Couzens has any intention of indicating his disapproval of the Ferris classification the remarks of Chairman W. E. Comstock of the Democratic state committee, to the effect Senator Couzens was just as good a Democrat as Senator-elect Ferris, have given him an opportunity for a double-barreled come-back. The Detroit Senator's name failed to stir the Republican convention as did that of his present colleague Senator C. E. Townsend, of Jackson, defeated standard-bearer in the fall campaign. There was no mistaking the delegates' interest in recommending Senator Townsend for appointment to the international high commission or the St. Lawrence Waterway project.

Mrs. G. J. Diekema is the guest of her mother in Detroit. She will return to this city Friday of this week.

Mr. and Mrs. Gerrit Klompereans and Mr. and Mrs. Martin Dyke attended the auto show at Grand Rapids, Friday.

A RICH CHURCH

Excerpts from Sermon delivered Sunday morning by Rev. C. P. Dams at the Trinity Reformed Church. Text, Acts 11:23.

"The church of Antioch possessed not only a fervent evangelistic spirit but it was also conscious of a world mission. The church made its influence felt in the city. It also had a world outlook. It was sensitive to human needs. Sometimes the charge is made—and correctly—that the church is interested only in souls. The true church of Christ is not forgetful of the needs of the body. A report came to the church of Antioch that a famine was prevalent in Judea. What did this Gentile church do? Did it close its ears? No. Listen to the Bible words. "And the disciples, every man according to his ability, determined to send relief unto the brethren that dwelt in Judea." Barnabas, no doubt, led in this offering. A generous preacher makes a generous church. The funds were raised in a methodical manner. The hearts that have been warmed by the grace of God become sensitive to human needs and gladly give to feed the hungry. The financial problem in the church is essentially a spiritual problem, a revival creates liberality. After the funds had been raised the church showed its graciousness by sending the money by the hand of Barnabas and Saul. The Church of Christ today hearing the cry of the persecuted and the hungry of Armenia responds. You and I do our part because the grace of God is in our hearts. For giving is a sign of life, withholding is death. The grace of God makes the heart sensitive to men's material needs.

This church also felt that burden of those who were spiritually hungry even though they had not raised their voices. "The Holy Spirit said, 'Separate me Barnabas and Saul for the work whereunto I have called them.' God spoke to this church and the church heard His voice. It is not necessary for me to say how God spoke to this church. It is more vital to suggest how God speaks to the churches of today. God certainly speaks through the much information that is given to the church concerning missions. And if the grace of God operates in a church the missionary facts will lead to activity. This church was evangelistic, and liberal, eager to minister to material needs, is it a wonder that the missionary spirit prevailed in this church? Many objections could have been raised to this demand. The organization at Antioch was in its infancy. The city was a strategic center and offered many opportunities to scatter the message of the gospel in all the surrounding country. The church however after they had fasted and prayed and laid their hands on these two able men sent them away. The two best men were sent to the foreign field. Years ago Henry Drummond returning from Japan brought a message from the Christians at Tokyo. "It happened in Tokyo," said Drummond that I had the privilege of addressing some thirty or forty Christian Japanese pastors, and at the close I asked them if they had any message they would like me to take home to the Churches here from Japan. And they appointed a spokesman, who stood up and told me in their name what they would like me to say. They told me two things—it is the first thing that I want you to name now. The first thing they told was this: 'Tell them to send us one six thousand dollar missionary rather than ten thousand dollar missionaries.' The missionary church will send the best men available to preach the gospel to others."
