## Tells About This City Over Radio In Netherlands

MISS MARY PAS, VISITOR  
FROM THE LAND OF DIKES,  
TELLS HOLLANDERS ABOUT  
HOLLAND, MICHIGAN

Her Letter Describes Vividly the  
Demonstration of the Birth of  
the Princess

Below will be found an interesting letter sent by Miss Mary Pas to Mrs. Robert, Central Ave. The editor of this paper has endeavored to translate this Dutch letter into English, to the best of his ability.

Miss Pas, it will be remembered, was in Holland the greater part of a week, just before the Christmas holidays, making Holland, Michigan, one of her objectives in her American tour, for the purpose of gathering material for a book that she is writing, and in her broadcasting work over the radio in her home country, The Netherlands.

Her chief objective was to visit President Roosevelt, and, awaiting this interview, she came to Holland, contacted the Chamber of Commerce, was taken about the city, visited Hope College, the Holland Furnace Co., the rusk companies, the Dutch Museum; and was given a tour about the city and its environs. She did not stop at Warm Friend Tavern for the reason that an intimate friend of the family in Amsterdam is living at 516 Central Ave., namely, Mrs. J. Robert, and she felt that all her spare time should be given to this intimate friend and her family.

She visited Grand Rapids; there contacted Dr. Henry Bates and Jacob Steketee, Consul to The Netherlands; and at Detroit she was the guest of The Netherlands Consul, William G. Bryant, well known in this city, who introduced her to prominent Detroiters, including Henry Ford. Mr. Ford took her through his large plant at Dearborn, through the museums, and through the celebrated Greenich Village. On her return for sailing, Miss Pas interviewed President Roosevelt.

Miss Pas is a fine looking woman with personality personified. With this introduction, we here give the letter recently received by her friends in Holland.

Dear Mrs. Robert:  
Central Ave.  
Holland, Michigan, U.S.A.

I am delighted to write you, my dear friend, for all of us in The Netherlands are elated over the fact that today a Princess was born. Many Hollanders were of the belief that it would have been a Prince, and many had the desire that this would be the outcome. But, now that the Princess is here, everyone is happy and very much pleased that it was a "little girl." And why not? Our Queen Emma, our Queen Wilhelmina, and now our "Jool" (Juliana) has brought Netherlands always Peace. We have had nothing but Peace, while the men are always thinking over, and scheming how to make war.

I will endeavor to give you some idea as to what happened when the news was flashed that a child was born to the daughter of Queen Wilhelmina. It does my old heart of Orange good to write this. For days the populace were in expectation, expecting any moment that the happy news would be heralded throughout the nation and the world. All January, folks stood at attention, as it were, and now it is nearly February, and folks became restive and anxious.

At last the announcer on the radio was heard to say that he had an important message. In our family circle, we hastily called everyone, and we had scarcely gathered, when the news was given of the birth of the new Princess. Scarcely had the announcement been made, when the factory whistles began to blow, the sirens on the streets made their weird noises, the clocks in the towers sent forth their chimes, and the bells in the church spires changed out the welcome news that a child was born to the House of Orange.

Immediately everyone stopped work; the children in all the schools were dismissed, and there was a holiday for two days for them, in which they all joined in this festive occasion. When the excitement had subsided in our family, we quickly set some coffee, preparatory to starting for Amsterdam. We arrived there within ten minutes, and what a commotion! All was life and bustle; all was laughter and happiness; all houses were bedecked with flags; youngsters were grinding tunes from hand organs; bands were playing; and noisemakers seemed to emanate from everywhere. Folk from the rural districts streamed into town, and vied with the city dwellers, all celebrating one common cause.

The old palace was just being rebuilt and rejuvenated, and the workmen filled the scaffolding, happily looking down on the milling crowd below. We all bought oranges. Oranges in all forms, whether in food or drink were preeminent. (Miss Pas then gives in the Dutch language several forms in which oranges were served.)

Although the weather was threatening and damp, nothing could dampen the ardor of the happy Hollanders for this festive occasion. Standing room was at a premium. All day the crowd surged throughout the streets, and in the evening, a large torchlight procession formed as if by magic, and even marched through what is known as "red zaandam." Who would ever have thought that this was possible.

How your heart, Moe Roberts, would have swollen with pride if you could have seen your old Amsterdam as we saw it on this occasion. "De bours" and stock exchange halted for the occasion, and those connected with these institutions danced with glee as children would. All night long the radio was busy giving further reports and

## CONTEMPLE BUILDING FINE SERVICE STATION

The Vanden Berg Bros. Oil Co. requested permission to build a gasoline filling station on their lot at the northwest corner of River Ave. and 10th St. This request came up before but was held in abeyance since another request came immediately for the Mass corner across the street. However, today the Mass corner is "out" since a new brick structure to house the Atlantic & Pacific Tea Co. food store is being erected, and the second story is nearly completed.

The Vanden Berg Bros. request was referred to the zoning board. When Wm. C. Vanden Berg was questioned, he stated that they were simply preparing matters so when the right time came they would be ready to build; and undoubtedly a station that will be ornamental as well as useful to that corner will be the result.

## ST. FRANCIS MINSTRELS GREETED BY CROWDED HOUSES

Apparently the citizens of Holland were "aching" to see a minstrel show, as it has been several years since a troop of minstrel men "held the boards" in this city. This is evident from the two crowded houses that greeted the minstrel of the W.P.A. The first of St. Francis school. All available seats and many additional ones were filled, and standing room was at a premium, and undoubtedly some were turned away because of lack of room.

The minstrel show was given under the auspices of the Holy Name Society, and to Jack Peterson goes the credit of getting in shape a minstrel program of real merit in so short a time. Mr. Peterson is local Recreational Director, and he is a real peppy show with songs, dances, and "wisecracks." It was a real, "swinging" program followed by an olio of artistic renditions on musical instruments, songs, tap dancing, and winding up with sleight-of-hand.

These two magicians brought gales of laughter, especially after Father J. M. Westendorp had given the boys a pure white handkerchief, which the tricksters made appear like Joseph's coat with many colors. The modern Kellers were Roy Young and "Penie" Daley. The tap dancers were the Kalm sisters, and they were neatly dressed for the occasion. Betty Jane Zeyck gave a "buck and wing" in colorful style, while Mrs. Joe Varano and Miss Goldie Vaglad gave popular songs, and were liberal with their offerings. The several groups of young men who played string music deserve special mention since their efforts were really artistic. Emmet Van Duren's orchestra entertained the audience between acts and aided the performers on many occasions with accompaniments.

The minstrel men were composed of: Attorney Tom Mahan, "Penie" Daley, "Mickey" Cavanaugh, Leo Mahan, Bob Simpson, Roy Young, John Stokes, Cris Stall, John Oonk, Joe Varano, Frank Varano, John Vroske, Jr., Frank Zeyck, Frank Amen, Ed Vroski, Charlie Furchison, Henry Voltz and Earl Francomb.

telling interesting events of the rapidly progressing festivities throughout The Netherlands. We visited here and there; and everywhere rusks were served, covered with "orange boats." Many of these houses were ornamented with orange-colored lanterns and orange lights in the windows.

All children from the schools were seen with happy grins on their faces, while in their hands they held rusks covered with "orin-ja muisjes." These delicacies were given the children, together with a memory plate, upon which the "beschuit" was deposited.

In the evening, in the larger cities, large displays of fireworks were touched off in centrally-located places. Another impressive feature was the salute of guns that always accompanies the birth of an heir to the throne of Orange Nassau.

Since my return from America I have been a very busy woman. I do considerable speaking and writing. On Monday I have an engagement to speak over the radio, and again on February 21. I will tell them something about America, in which there seems to be a great deal of interest. At that time I will tell them something about that fine city of Holland, where so many Hollanders live, and where I spent so many happy hours with you, and where I felt so at home. I must say that Holland is an interesting city; in fact, so interesting that instead of writing but one article on it, I will write more. In fact, I could write a book about it. I can do no less, in part to repay the friendliness of its citizens and the helpfulness of the Chamber of Commerce in the hotel, Warm Friend Tavern.

Kindly give my friend of "de beschuitfabriek" (rusk factory) my kindest regards. He, with Mr. Connelly, was a great help on my visit.

I must now close with the most hearty greetings to you and your family, and it is my heartfelt wish that God may bless you and yours richly.

## Some Streets In Holland May Be Extended

CITY OF HOLLAND MAY WIDEN ITS STREETS

Ald. Huyser brought in a proposal that not only is very timely but very necessary, namely, to widen certain streets in the city in order that the lanes of travel may be better taken care of. Streets along churches and public buildings are especially taken into consideration. It is expected that application will be made to have the project handled through W.P.A., and that is what the resolution conveyed.

When Mr. Huyser made the proposal, supported by Ald. Bultman, Ald. Brouwer brought up the question as to the probable amount the city could receive as its share of the gas and weight tax monies to finance these improvements. City Attorney Parsons gave a full explanation of how this could be done, stating that there would be ample funds, and the city would not be in danger of any change in the set-up as far as the Board of Supervisors of Ottawa County was concerned, he believed.

Ald. Prins, supported by Ald. Kleis, of the first ward, raised the question relative to both 10th and 12th Streets from Lincoln Ave. to Fairbanks Ave. He said these streets run to dead ends and should be extended. Mr. Prins said that in all probabilities the state would soon construct a belt line east of the city over Fairbanks Ave., and when this was done, it would be very important for the city of Holland to have both 10th and 12th Streets opened up to connect with this belt line.

Ald. Huyser stated the committee had this in mind to include this in prospective projects. Mr. Prins said that if we want to put people to work grading and leveling these streets, this would be very essential, since it would take care of a large number of day laborers. City Engineer Zuidema, when asked how much the city would have to pay on a project of that kind, stated that Holland must at least furnish 30 per cent of the cost, although that always did not hold true, for it largely depended upon the type of project suggested. He stated that trucking of late had been eliminated from the amount of money given, and the jobs largely depend upon the man-power required to do the work. Street grading comes under that head, he said.

Mayor Geerlings stated that Miss Veneklaas had told him that Holland is way behind in asking for project, and the government is anxious to get projects in which a great deal of labor is involved.

The project of widening the streets was carried and the matter of opening 10th and 12th Streets to Fairbanks Ave. was referred to the City Engineer and the Street Committee to report at the next meeting.

The streets proposed for widening are the following:—  
Ninth Street—Pine Ave. to River Ave.  
Twelfth Street—Maple Ave. to Pine Ave.  
Central Ave.  
Twelfth Street—Central to College, South Side. (No side widening with sewer.)  
Twelfth Street—College Ave. to Columbia Ave., North Side.  
Eighteenth Street—Maple Ave. to Pine Ave.  
Maple Avenue—15th to 16th and 17th to 18th Streets.  
Central Avenue—10th to 12th Sts., East Side. (West side widened with sewer.)  
Central Avenue—12th St. to 21st St. and State St.  
College Avenue—10th St. to 12th St.

Common council Wednesday evening chose City Attorney Elms as official delegate to the Municipal League which is convening Thursday and Friday of this week in Lansing. Ald. Henry Prins made the motion to send Parsons, which was seconded by Ald. James A. Drinkwater. City Engineer Jacob Zuidema and City Clerk Oscar Peterson were engaged elsewhere during the two days of the convention, and hence were unable to accept offers that they go also. The city is bearing the expense of the trip.

Herbert (Hipe) Van Oort, who has been stationed at the Holland coast guard station for 26 years, resigned Tuesday from active coast guard service, in compliance with rules of the service which require a guard to resign on pension on the first of the month following his 64th birthday.

Benjamin F. Harris, 288 West 17th St., who was seriously cut in an automobile accident last week, has left Holland hospital and is much improved.

Funeral services will be held Saturday at 1 p.m. from the home and at 1:30 p.m. from Borculo Christian Reformed church for Derk Walters, 79, resident on a farm about a mile east of Borculo, who died Wednesday at his home, of an illness of two weeks. The Rev. A. De Vries will have charge of the services, and burial will take place in Borculo cemetery. The widow, two daughters, Mrs. Andrew Wiersma and Mrs. Gerrit Blaauw, both of Zeeland; three sons, Herman and Frank of Borculo and Edward of Zeeland, and 27 grandchildren survive.

Current educational problems were discussed yesterday at 5:30 p.m. by Dr. Wynand Wichers, president of Hope college, at a meeting of the Calvin Men's Dormitory club at Calvin college, Grand Rapids.

### Sixty Years Ago Today

Edward Vaupell a young man, is starting out for himself. He has rented a small building on River street formerly occupied by Mrs. Banner as a temperance restaurant, which did not pay. Mr. Vaupell has put in a stock of harnesses and will make these to order. Note—"Ed" became town marshal, sheriff and held other positions of trust. He built the Vaupell block on West Eighth street, occupied for years as a harness shop and a place where trunks, traveling bags, buffalo robes, etc., could be bought. The building is now occupied by The Vanden Berg Auto Accessory store. Delbert and John Vaupell are sons.

In the village of Vriesland, 12 miles east of Holland, they are busy putting down a wooden sidewalk a mile in length, leading from the Reformed church to the True Dutch Reformed church. Note—The editor must have lost sight of the double meaning this item might carry. The paragraph no doubt meant that the walks were for the convenience of members of both churches.

G. Van Putten will build a store on his old site next to Dr. Wm. Van Putten's new drug store. Note—The same G. Van Putten store is still a grocery under the same name conducted successfully by John Oert. Dr. Wm. Van Putten's drug store is now the Banner bakery. The Van Putten sisters who conduct a dry goods store on River ave., next door, are daughters of the late G. Van Putten the pioneer grocer of Holland sixty years ago.

### Fifty Years Ago Today

Last Wednesday evening Miss Martha Blom, age 17, and Miss Lucy Blom, age 15, daughters of Mr. and Mrs. Cornelius Blom gave a birthday party for 40 young friends at their home on West 7th street. The young ladies remembered the News staff with a generous supply of good and toothsome confectionery and quantities of very nice cake for which the boys in the office are all very thankful indeed. Note—Marriages and parties were fine for the newspaper men in those days. Giving part of the refreshments and smokes was a custom.

Dirk Miedema who lives a short distance east of Holland has received an increase in his soldiers' pension from Uncle Sam. Dirk now shouts louder than ever for the re-election of a Democratic president, and Grover Cleveland is his choice.

Several of the young men from near Zealand came to Holland on skates via Black river. The stream with its many twists and bends compelled the skaters to do fancy curves whether they wanted to or not.

Last Wednesday State Game Warden Wm. Alden Smith of Grand Rapids came to Holland unexpectedly after several blasts in the Holland City News pointed out that Black Lake and River were filled with nets. Mr. Smith says he is going after the illegal fishermen and has called his deputy in Ottawa county to confer with him. It is said astonishing developments will follow their planning. Note—As the News said before it would be difficult to find a jury who would convict a local netter. Not so long after Smith's coming convictions were more rapid and the punishment was severe but not until fishing had nearly played out in Black Lake. Wm. Alden Smith later became congressman of the fifth district and senator of Michigan and was once groomed for the presidency of the United States. His summer home was at Lakewood farm until his death which was followed shortly afterward by the death of Mrs. Smith some six years ago.

### Forty Years Ago Today

Kanters Bros. Hardware received an order for two kerosene stoves ordered by Dr. J. Otte missionary in China. The stoves will be used in hospital rooms in the Orient where Mr. Otte is stationed. Note—Kanters Bros. were located in the Kanters Building recently remodeled by the Knoll Plumbing Co. Dr. Otte married the Miss Fanny Phelps, daughter of Dr. Phelps, first president of Hope college.

The family at the time was living in Van Vleck Hall. Mrs. Otte is still living and divides her time between

living in the East in the winter and in Holland in the summer. She too is a graduate of Hope college.

On Washington's birthday the Hope college oratorical contest was held in Winants chapel before an audience that packed the building. President G. J. Kollen presided. The winner was John W. Beardslee, senior class, son of Dr. Beardslee of the Western Theological Seminary. His subject was "The Powers in China." Other contestants were Peter Marsijle, Holland, a junior, subject, "The Christian College in America," Henry Schippers, Grand Rapids, junior, subject, "The Merrimack and the Monitor," Cornelius Vander Meulen, Ebenezer, Mich., sophomore class, subject, "Joan or Arc." Note—"Mr. Beardslee's subject is indeed interesting considering present day events. The printed discourse in our files in February 1898—40 years ago, read more like a prophecy as to what might be expected and much of it did become a fact. Mr. Beardslee is now on the faculty of New Brunswick Seminary, new Brunswick, N. J. His father did a great deal for the Western Theological Seminary, donating the library building on the campus, giving some of the volumes in it, and also contributing toward the men's dormitory.

Thirty Years Ago Today  
Congressman G. J. Diekmann of Holland has secured two historical cannons for Grand Haven. The guns will be placed in the park recently laid out. "Nat" Robbins who is interested in this park improvement asked "Dink" for these old relics of former wars and the guns arrived there without delay. But why a cannon in a peaceful park anyway? Centennial is well fortified with two forbidding big black Berthas at two entrances.

Harley Souter of Holland will be a member of the Holland Life Saving crew next summer, having passed the examinations.

Wm. Bourton, dealer in second-hand goods in the First Ward, was flummoxed out of \$5.00 by a man with an old game. A dapper young fellow said he wanted to send money back to his sick mother in Benton Harbor and for which he offered \$4.75 in change. He was given the five by Mr. Bourton and the man placed it in an envelope supposedly for his mother but when he began to fish out the change he found only \$4.45 on his person. Acting as if he couldn't make good he handed the envelope to Mr. Bourton who says he saw the money placed in the envelope. However, when the man had made his departure and Bourton opened the envelope it was empty—"The hand had been quicker than the eye."

Twenty Years Ago Today  
Dr. Adam Clark, for many years pastor of the Methodist Episcopal church, died at his home, 110 East Eighth st. He came to Holland 21 years ago. Note—Mr. Clark was a very active pastor. He built one church here and shortly after its completion the church burned. This was two years after Mr. Clark's arrival. He, with the help of his congregation, built a second church on the ruins of the old and that church still remains and only a few weeks ago the last debt was paid and the mortgage was publicly burned.

The worst storm anyone knows of visited Holland recently and this story has been repeatedly told. However, a story of a cat walked in with snow is rather interesting. George Hillebrandt, living on the north side had a beauty, worth \$25.00, if cats are worth that much. They had missed the "kitty" for several days. About two weeks after this storm Hillebrandt began to clean the snow from around the porch and heard the purring of a cat and upon investigation found that the kitten had been snow-bound under the porch and looked rather drugged out. Plenty of food brought "tabby" to after a 12-day fast with only snow for food and drink.

Mr. and Mrs. Henry DePree of Zeeland received word that Capt. Ed DePree of the coast artillery has arrived safely in France. Mr. DePree, who was commissioned as captain at Fort Monroe, was formerly a student at Hope college and was known as "Plunger" DePree of the famous Hope basketball team of 1908-1909.

## All Set For The Biggest Spread Of The Season

HOLLAND FISH - GAME BANQUET NEXT WEEK THURSDAY NIGHT AT ARMORY

This is one spread pulled off in Holland that never misses fire, and that is the annual banquet of the Holland Fish and Game club. Year after year the number applying for tickets is so large that the largest building in the city, namely, the Holland Armory, is entirely too small to accommodate those who seek to enter.

The dinner will be served promptly at 6:30, and the catering will be in charge of the ladies of the Sixth Reformed church. The tables will be properly decorated, and there will be plenty of tokens and noisemakers with each cover.

The committee in charge of the tickets states that places have been provided for 750 guests and when that number of tickets have been sold, the sale will stop since there is no more room in the Armory. Therefore, get your tickets now. These are on sale at Ollies Sport Shop on West Eighth Street, and Superior Cigar Co. on River Ave. or members of the committee will have tickets to sell.

One feature besides the speaking and music, will be pictures shown by Eddie Landwehr of the Holland Furnace Co., showing the results of two hunting trips out in Idaho. The first was when the party was composed of Mr. Landwehr, Herman Prins, Dr. C. F. Sulkers, and Larry Kolb. This trip was on the Salmon River in Idaho, and "Eddy" has all the pictures—which don't lie.

A second trip will be shown when a party the year following made a trip in the mountains of Idaho with packed burrows. This was in the Big Middle Fork of the Salmon River region. On that trip Mr. Landwehr, Mr. Sulkers, Mr. Kolb and Prins and son, Don Prins, constituted the party.

Harry H. Whiteley of Dowagiac, member of the state conservation commission, has been selected to present the main address at the annual Holland Fish and Game club dinner next Thursday. Music will be furnished by the American Legion band, Prof. Egbert Winter of Hope College will be toastmaster for the occasion, and "Prof." knows how. A total of 750 reservations will be made. A motion picture lecture will be presented by C. A. Paquin aside from those given by Eddie Landwehr.

Members of the state conservation commission will be honored guests of the club at the banquet, Jacob Lievens, club president, has been informed, following his receipt of an answer to a recent request to the commission. Members of the state commission who will attend the banquet are: William H. Loutit of Grand Haven, chairman; Philip Schumacher of Ann Arbor; Harry H. Whiteley of Dowagiac; Joseph P. Rahilly of Newberry; William J. Pearson of Boyne Falls; Thomas J. Masterson of Iron Mountain; Harold Titus of Traverse City; Wayne Osgood, commission secretary; P. J. Hoffmaster, commission director; and C. A. Paquin, in charge of education for the commission.

An invitation has also been sent to neighboring clubs, namely, Allegan, Grand Haven, Hamilton, Benton Harbor, Fremont, and three Grand Rapids clubs, the Isaac Walton, Kent County conservation club, and the West Michigan Game Protective Association.

## This Is "Used Car Week" In This Vicinity

AUTOMOBILE DEALERS OF  
HOLLAND, OTTAWA AND ALLEGAN COUNTIES JOINING  
NATION-WIDE DRIVE

Wonderful Used Car Bargains During  
"National Used Car Exchange  
Week," March 5 to 12

The automobile dealers of Holland have joined in a tremendous campaign which starts on March 5, to and including March 12. This campaign is nation-wide in scope, in which the manufacturers and dealers of automobiles have joined hand in hand in order to create a more ready market for used cars and thus clear the way for a fine spring opening on new cars as well.

A nation-wide advertising campaign is now in progress, through the newspapers, the radio, the billboards, streamers, in fact, every avenue in which advertising is effective. The plans are so gigantic that even Washington is in touch with what is going on. It is felt that on the success of this "Used

Car Exchange Week" that manufacturers and dealers as well as basing their hopes of a greater business in the manufacturing of new automobiles; and they feel that the large stock of used cars now available, must not retard the progress of the manufacturing and sale of the new automobiles, regardless of make—for 1938.

The automotive industry means much to the nation. It is the initial industry when set in motion, gaining momentum, that spells prosperity for the country. The making of automobiles constitutes collectively an industry the size of which the average

Rev. D. A. Manker of the Zeeland Wesleyan Methodist church will conduct a quarterly conference at the Hart church March 5 at 8 p.m. and March 6 at 11 a.m. and 7:30 p.m. Rev. C. H. Coates of the Hart, Michigan, church will assist with the services.

## PRAYER DAY NEXT WEEK WEDNESDAY

Next week Wednesday is the annual day of Prayer for crops. This day, set aside for supplication, has become an institution in this city, having been set for the evening, enabling many who work in industries to participate.

The public schools will recognize the day with prayer services, and the Christian School will also participate in the day, as has always been their custom. The Board of Education of the city of Holland has made arrangements to have speakers in every school, eight in all. Several of the ministers of the city will be called upon to participate in these devotional exercises.

Supt. Swets, just before the News goes to press, states that the Board of Education of the Christian School had decided to dismiss classes for Wednesday, since services were held at different times of the day, and with no school, the students could worship in their respective churches when services are held. Undoubtedly the ministers of the different churches will announce next Sunday the order of services on Prayer Day next Wednesday.

## CITY RECEIVES PROFITS FROM LIGHT AND WATER PLANT

The Board of Public Works, in a recent meeting with the Ways and Means Committee, Mayor Geerlings and City Attorney Parsons, agreed to the anticipated earnings of the Board of Public Works for 1938, placing the sum at \$120,000. Under the charter fifty per cent of this amount is turned over to the common council, or \$60,000.

It was also agreed to turn over to the council the balance due the city in 1936 and 1937, based upon 50 per cent of the earnings for the two years. That indeed will be a great help to the financial condition of the city, which is already enviable, compared to 99 out of 100 other municipalities throughout the country.

## "T.B." X-RAY CLINIC AT CITY HALL, MARCH 10

The Michigan Tuberculosis Association is conducting a free X-ray clinic on Thursday, March 10, to be held in Holland City in the morning from 8:30 to 12:00, and in Grand Haven city from 1:30 until 5:00.

Contacts to tuberculosis cases, positive reactors to tuberculin tests, those recommended by physicians, and any who feel in need of a chest X-ray, are invited to come in to this clinic. Appointment will be made for this clinic, and those desiring to come in should contact the Health Department, or the City Nurse, to make an appointment.

These X-ray clinics are financed through the sale of Christmas seals.

The X-ray clinic will be held in the City Hall in Holland, and the Court House in Grand Haven.

## GETZ SONS SEND CITY LETTERS OF APPRECIATION

Chicago, March 1, 1938  
Hon. Henry Geerlings,  
Holland, Michigan.  
My dear Mr. Mayor:—  
I wish to express to you personally, and through you to the City of Holland, the deep appreciation of all the members of my family for your beautiful wreath of Easter Lilies, Roses and Gardenias, a most thoughtful tribute from you and your city to the memory of my father.

As you know, my father had a very deep regard for Holland and its citizens; Holland and Chicago were both his homes by adoption. Your kindness meant so much to all of us, and I want you to know how deeply grateful we all are to you and Holland.

Most sincerely,  
James R. Getz.

Miami Beach, Florida,  
February 23, 1938.

Mr. Henry Geerlings, Mayor,  
City of Holland,  
Holland, Michigan:

My dear Mr. Mayor:  
It is very difficult for me to express the deep feeling that my brother and I have for the beautiful wreath of Easter Lilies, Roses and Gardenias which were sent to Henderson by the citizens of Holland.

Holland has meant so much to my father for so many years that it is with a great deal of personal appreciation that I note the sentiments expressed by these flowers. The fine articles which were in your papers have also added to my deep appreciation as Dad considered Holland one of his homes.

I expect to be in Holland some time in about a month, and shall try and call on you at that time to express in person my gratitude. With kindest regards, I am  
Very sincerely,  
George F. Getz, Jr.

## ZEELAND LITERARY TO HOLD ELECTIONS

The annual meeting of the Zeeland Literary Club will be held next Tuesday, March 8th, in the form of a supper and party at 6:30 p.m. at the Club room.

The program will be musical and will be in charge of Mrs. C. Senob. Hostesses will be Mrs. G. Rooks and Mrs. H. Matter.

With funds still continuing to come in, Hope college went "over the top" this week Wednesday during a chapel service in its drive to collect \$500 for the Basrah Boys School in Iraq of which Dr. John Van Ess is principal. Up until this morning, \$538 had been pledged.

## Council Will Not Tamper With Police Board

ALD. KALKMAN'S REQUEST  
RECEIVES NO SUPPORT. ALD.  
BROUWER GIVES REPORT  
OF FINDINGS

Ald. "Casey" Kalkman went on a rampage again about the police board; wanted it to come up to a vote of the people, and made all kinds of accusations from the chief down to the patrolmen. Even the reading of a paper by a policeman while on his beat was hauled into the open.

Mr. Kalkman fails, however, to state anything about the fine law and order that is maintained in the city of Holland, and that a so-called crime wave does not exist here, despite the few flaws that might be picked here and there.

Anyway, "Casey" got so excited that he voted against his own proposition and had to be corrected by Mayor Geerlings, voting for the Brouwer report, which one could notice, was not worded for the purpose of putting the matter up to a vote. Ald. Kalkman insisted that his motion be put, Mayor Geerlings awaited support, but not an Alderman would give it support, which indicated that the motion was already lost.

Mr. Kalkman's motion came after Ald. Brouwer, who is chairman of the committee who was appointed to investigate certain matters connected with the police board, made his report. Mr. Brouwer made it plain that there might be shortcomings here and there, and some patrolmen might be delinquent in their duties sometimes, but all are human, and none of the matters are of such grave import that they could not be settled by the board itself, and by the head of the department.

It was evident that the people knew pretty well what they wanted when the matter came up before in 1934, when the vote to abolish the Board of Police and Fire Commissioners was lost by a vote of 4,361 to 516. Mr. Brouwer's report was read by him, giving the history of our police board over a period of time, and the committee made no recommendation and the common council did not see fit to give Ald. Kalkman's request support, therefore, the matter will not be voted on, and our Board of Police and Fire Commissioners will remain intact. However, Mr. Brouwer did suggest that the matters brought up by Mr. Kalkman be given to the Police Department to take care of and straighten out.

The following, in substance, is the report by Mr. Brouwer, supported by the balance of the committee, Ald. Bultman and Ald. Smith.

Prior to the year 1913 a charter commission of the city of Holland had been appointed, and after tolling for a long time, the charter commission adopted on May 5, 1913, the charter known as the "1913 Charter of the City of Holland." This was then submitted to the electors of the city of Holland on July 14th, 1913, and adopted by the electors on this date. The so-called charter of 1913 (now having amendments) provided for the appointment by the common council of the Board of Police and Fire Commissioners, and very clearly specified their duties—their major duties being the enforcement of the Ordinances of the city of Holland, and to protect the people, and keep the public peace, and to have complete control and supervision of all the employees

## This Is "Used Car Week" In This Vicinity

(Continued from page 1)

person cannot begin to comprehend. Add to this the allied or auxiliary plants making parts, your tire industries, and your other enterprises directly and indirectly benefited—correlated and active—brings a business revival felt immediately throughout the country. The "up" or "down" of such a paramount industry is reflected throughout the nation. Everyone of us feels the benefit when the "go" sign is given, and feels the lack of it when this industry is retarded. Let us all get back of this "Used Car Exchange Week" by speaking for it, by boosting it alone, or buying. In a letter from one of the largest automobile manufacturers one of the dealers has received the following:

"The Automobile Manufacturers of America have combined in a tremendous Used Car Campaign known as 'National Used Car Exchange Week,' March 5th to 12th. The magnitude of this campaign is thoroughly described in the plan book which has just been mailed to

you. Never before has such a large amount of money been spent in an advertising campaign in such a short period of time. It is certain to stimulate a vast amount of interest and buying."

It is understood that the radio will also be used in this campaign and that announcements will be made from over 400 stations, undoubtedly the largest conceivable network ever used for such a purpose. The air will be filled with announcements of "National Used Car Exchange Week" and the message about the real values in used cars in every locality will be directly heard by the prospective customers.

Automobile dealers of Holland and vicinity will have their places of business suitably arranged for this used car sale. Used car lots will be properly decorated and embellished with announcements of the true values of really worthwhile used cars that are available for selection. The success of this gigantic sale will augur well for the success of the automotive industry, and believe us when we say, that means a great deal to the nation and its people.

## V.F.W. News

Our next meeting — Thursday, March 10, 7:45 P. M. Everybody out. Regular meetings and auxiliary, second and fourth Thursdays.

Ben Batema and "Pres" Manting might think we have forgotten them, but we are still waiting with that big welcome.

Now that we all get this good paper, our V.F.W. reporter swears that he will tell the truth, and nothing but the truth, so help me, help me, help me.

Fellows, by not coming to meetings, you don't know what you are missing. At our last meeting, teams comprised of Althuis, Dutch Hank, and Kolmar Sas showed us a real game of shuffle. The judges are still trying to decide who won.

Comrade Jills gave us a good report on our last West Michigan County Council Meeting. Surely is good news to hear what the rest of the V.F.W. Posts are doing in this part of the state.

Leave it to the Zealand comrades for really knowing the rules and by-laws of the V.F.W. If you want to anything, ask Tony. Good work, Tony. Remember, fellows, ours is a real democratic organization. You have as much to say on the floor as the Commander, or any other officer.

Our "derby" finally got a resting place. Adolph and Frank both claimed it; so after measuring their feet and coats, we decided it belonged to the fellow with the misplaced eyebrow.

Our membership chairman says our membership is coming in good. Come on fellows, the last meeting this month is the final one for our membership drive.

Now that our fish fry is due pretty soon, the fellows are looking around for that new cast-iron frying pan that we were promised a long time ago.

Too bad our mail carriers have to go home when the curfew blows. We ought to write in to Jim Farley, and ask him not to let these fellows so hard. They ought to get a break once to see when some of these night owls really do go home.

Our "Sailors" admit they didn't do much aboard ship, but they come to playing games, they still have a lot to learn. Wonder what they really did do.

Still wondering how Martin is coming with his new members. Belder and Wojohn claim to have the most so far, but we believe our big surprise is still coming. Our slogan is: "Every member bring a member."

Had a real meeting last meeting. To hear the news, you better turn out. That means Trustee J. Slag also.

Our Ladies Auxiliary says that their rummage sale proved to be a big success, and wish to thank the public who took advantage of the many bargains.

Will publish a report on our "Hello America" program in our next issue.

A group of Auxiliary members attended an Americanism program sponsored by the American Legion Auxiliary in their club rooms Monday evening.

The Auxiliary held a sewing bee in the City Hall, Thursday. Pot luck dinner was served at noon. An additional dozen pillow tops were made for the boys in wheelchairs at the Veterans' Hospital in Camp Custer.

WANTED:—Guaranteed harmless reducing diet, by Auxiliary member who went through the register at the Roos' home. Contact auxiliary secretary.

## LOCAL NEWS

Mr. and Mrs. Theodore P. Cheff and Mrs. L. H. Kolb of Hazelbank have returned to Holland from their recent trip to Arizona and Mexico.

Funeral services for John Smith, who died last Thursday morning from heart trouble at his home, 46 East 7th St., were held Saturday afternoon from the Nibbelink-No-

ther funeral parlors. The Salvation Army staff was in charge of burial services. Mr. Smith, a Negro, was employed for about 10 years at the Warm Friend Tavern as a boot-black.

Elmore Van Lente and William Vande Water of Holland and Raymond Brook of Spring Lake have become the recipients of veteran awards, which are awarded for five or ten years service. M. P. Russell, Scout executive of the Ottawa-

Allegan council of Boy Scouts, has announced.

Nathaniel Robbins, Sr., has returned to his home in the city of Grand Haven after being in California since before Christmas. He was accompanied by his son, Nathaniel Robbins, Jr., formerly of Holland, who will remain there a few days to return to Hollywood where he and his family live the major portion of each year.

## OTTAWA TEACHERS HEAR COLUMNIST; ONE SPEAKER CAME BY PLANE

About 500 Ottawa county school teachers attended the annual county teacher's institute in Holland on Monday, with about half separating for the Ottawa district Michigan Educational Association banquet and annual meeting at noon.

C. William Duncan, columnist of the Philadelphia Public Ledger, addressed both morning sessions of the institute, discussing personalities in the news. He was originally to have made one address in the morning, and one in the afternoon, but the other speaker, Dr. W. H. Cowey, of Ohio State University, did not arrive until afternoon. He made the journey by airplane. Dr. Cowey addressed the afternoon meeting on educational topics.

Elected to office in the Ottawa district of the MEA after the banquet in the Methodist church in Holland were: Raymond Lamb of Beechwood school, Holland, president; Gerald Zylstra, of Borkulo, vice president; Miss Esther Moberg, of Spring Lake, secretary, and Glen Fyneveaver of Marne, treasurer.

## MISSIONARY TO SPEAK

The Rev. Harold B. Street, representing the Sudan Interior Mission, who for the last five years has been working as a missionary in Ethiopia, will be speaking at the Sunday services in Immanuel Church. Mr. Street spent most of his time in the interior. He and his family opened a station at Shama Gamo, and there reduced the language to writing.

During the Italian-Ethiopian war, Mr. Street was taken captive on three different occasions by the Amharas, the ruling class of the old regime. He was later robbed and plundered three times and finally had to flee his mission station. He and his family were forced to

trade their clothing for food as no supplies were obtainable for more than 15 months, and for nearly a year no communications of any kind were possible.

Later Mr. Street witnessed the bombing of the Wolamo country, and finally he and his family were flown out of the interior country in an Italian bomber. The trip out took one hour and 40 minutes as compared with 17 days when they went into the interior.

Mr. Street, a graduate of Oberlin College and the Moody Bible Institute, is a Bible teacher as well as a missionary, will also bring morning and evening messages at 10:00 a. m. and at 7:30 p. m. At the evening service he will show many curios from Ethiopia and will wear the native costume.

Immanuel Church, of which the Rev. C. M. Beerthuis is pastor, holds all its meetings in the Armory.

Mr. and Mrs. William J. Westveer, West 11th st., have left for a month's trip through the East and South.

Miss Marian Mauw, East Fifth st., submitted to an appendectomy at Holland hospital last Thursday.

Guests of Mr. and Mrs. Ray N. Smith over the week-end, at their home on Michigan ave., were Mr. and Mrs. Allan Snyder of Battle Creek.

A birthday party was held recently by Mrs. Gillis Sale at the Sale home in honor of her daughter, Hazel June. A social time was enjoyed, and a two-course lunch was served by Mrs. Sale. Mrs. Fred W. Reus, and Mrs. William A. Hansen. The Misses Sale, Elaine De Witt, Jacquelyn Michelson, Virginia Bender, Gayle Reus, Patricia Ruth Beyer, Betty Jean Borr, Leona Vanden Veen, Jane Mary Visscher, Jerene Jean Jacobs, Rose Huizenga, Cheridil Sytsma, Jone Meeuwse, Mary Korose, and Carolyn Boyce attended the affair.

## THE RATTLESNAKE OF MICHIGAN—MASSASAUGA

By Jack Peterson

This is the only poisonous snake Michigan has. He is not very often seen in this vicinity. Though dangerous, his bite is very seldom fatal, if ordinary precautions are taken. You will find him near swamp- and muck-land where his color blends well with ground and vegetation.  
Garter Snake  
One of the family of striped snakes.  
This is one of the best known harmless snakes in Michigan, and one of the few snakes that are quite often seen on the first warm days of spring. He comes out with the frogs, and is one of the last to hibernate in the fall. Almost every field and garden has its garter snake. His food consists of frogs, toads, insects, and very small rodents.

## Common Water Snake

One of the snakes you see laying on logs, on branches of trees in creeks and rivers. He is harmless to humans, but inclined to be savage if handled. His brown body is crossed with reddish brown blotches. His stomach is almost white with red blotches. As many as 45 young are produced alive in September. The old ones look more dangerous than the real moccasins. Their food consists of frogs, toads, fish.  
Caution  
When afield do not pick up snakes you do not recognize.  
Next Week—Pythons of India.

## SUNDAY DINNER Suggestions

By ANN PAGE

PLENTIFUL supplies of fish and sea food at moderate prices are assured for the first week of Lent. Eggs too, are abundant and cheap. The cheese supply seems to vary little and the price remains fairly constant.

A general firming of meat prices is noticeable. Beef retails are about the same as in recent weeks but lamb and pork are noticeably higher. Stewing chickens and ducks are good value.

Oranges and lettuce are outstanding in the perishable group. Other extra good values will be found in spinach, tomatoes, lima beans, apples and grapefruit. Cabbage is somewhat less expensive. Little change is noticed in other commonly available fruits and vegetables.

Seasonable foods make up the following menus:

**Low Cost Dinner**  
Boiled Smoked Shoulder  
Sweet Potatoes  
Bread and Butter  
Apple Turnovers  
Tea or Coffee

**Medium Cost Dinner**  
Chicken Pot Pie  
New Potatoes  
Bread and Butter  
Orange and Coconut Ambrosia  
Tea or Coffee

**Very Special Dinner**  
Celery Stuffed Tomato Appetizers  
Standing Rib Roast  
Fried Potatoes  
Green Lima Beans  
Gilded Onions  
Raspberry Jelly  
Rolls and Butter  
Orange Bavarian  
Coffee

# WHY PAY MORE?

## You Can Buy a New for as little as

## Wards Low Prices

## Save You \$30 to \$50

Before you buy, check the above statement! Wards make no claims they can't live up to! Check prices of nationally known makes! Compare sizes, quality, features, economy! Find out what the MW offers! See how much more your dollar buys in size... in features!

### Nothing is Sacrificed in Quality

The MW is built to our own rigid specifications that make it one of the six most expensive refrigerators to build! The quality equals and, in many cases, exceeds that of other nationally known makes! It's in the selling that Wards save you money—not in the manufacturing!

### Wards Take the "Padding" Out of Refrigerator Prices

Wards eliminate all the hidden selling costs. Wards buying for 560 retail stores means greater savings. Factory-to-Wards-to-you distribution eliminates all the expensive selling steps such as manufacturers' high selling costs, "middle-man's" profits, and huge national advertising costs! These costs don't appear on the MW price tag! Wards pass the savings on to you!

**See! Compare the 8 New 1938 Models!**  
Sizes range from 4 to 11 cubic feet! Each model is backed by Wards 5-Year Protection Plan at no additional cost!

**More Ice in Record Freezing Time!**  
By actual test with other leading makes, the MW froze ice in 72 minutes. You're assured of plenty of ice in any weather.

**Twin Cylinder Super Power Units**  
In a 90° room the MW unit ran only 30 to 40% of the time and gave ample refrigeration! That means economy!

**New Convenience Features**  
Jiffy Cube Trays! 3-Way Adjustable Sliding Shelves give over a dozen interior arrangements! Stainless steel serving tray!
