Vocational Needs Aired By Board

A survey into the needs of high school students who do not plan to go on to college has revealed considerable possibilities in the high school vocational program, the Board of Education was informed at a two-hour meeting late Monday afternoon.

High School Principal Jay W. Formsa said vocational training and the school's co-op program are generally based on three areas—sales, office control and production.

General purpose of the survey was to determine whether vocational facilities could be put to better use by non-academically inclined students, particularly in off-time periods during the high school block system when students may study at home or in the school library.

In general, it was determined that much can be done for such students, but it will probably come about gradually as the financial squeeze eases. It also was pointed out that such vocational courses are open to all students in the district. The possibility of state aid in some measure was also noted. Principal Formsa favored a basic vocational course the first time which would set the groundwork on the three main areas.

In making more courses available to vocationally-minded students, Carl Todd of the school shops pointed to the possibility of using the services of retired workers who have considerable experience in certain skilled lines working with students to give that much-needed know-how not easily absorbed from books.

Even though 52 per cent of the last graduating class went on to higher learnings, Todd also pointed to the great value of a term in the machine shops for college-bound engineering students who have all the mathematics and pre-college courses but who lack exposure to working machines... something not readily available in college either.

It was pointed out that almost half of the senior class not planning to go to college have taken advantage of the co-op training which provides practical application in human relations and certain skills. And among the co-ops in the hospital pinkie program, a good share goes on to higher education and professional nursing.

Practical vocational courses reviewed were in the fields of machine shop, printing or graphic arts, woodshop, mechanical drawing, blue print reading, power machines, electrical shop, office control, typing, bookkeeping, stenographic training, data processing, and sales.

Supt. Walter W. Scott will continue the vocational study working out details with his staff.

A filmstrip on Cub Scouting completed the program for the evening.

\$25,000 Suit Filed in Court

GRAND HAVEN — A damage suit for \$25,000 was started in Ottawa Circuit Court Monday. Anna Ragaus, a resident of Grand Rapids, filed a suit seeking \$25,000 damages from two Newport, Mich., residents, Oline and James A. Marshall. The plaintiff claims she was a passenger in a 1960 car driven by Vitold Ragaus on June 30, 1963, on M-21 near Zeeland and a collision with a 1944 sedan, driven by James Marshall and owned by Oline Marshall, resulted in serious injuries to the Grand Rapids woman.

Judge Raymond L. Smith Monday filed an opinion in Circuit Court, entering a "no cause" judgment in a \$500 damage suit started by Lonnie Rhoades of Robinson Township against Leo Tuttle, Grand Haven.

The amount was sought by Rhoades as he claims termites were found in their home after Rhoades and his wife and Tuttle and his wife exchanged homes in March of 1962.

The judgment was entered after the court found that testimony showed no misrepresentation in the "exchange" and the defendants had no knowledge of termite damage or presence of termites at the time of the transaction.

Minor Fire At Bohn Plant

A flash fire in a paint booth at Bohn Aluminum and Brass Co. shortly after 1 p.m. Tuesday resulted in smoke damage and considerable excitement, but damage was believed negligible.

Holland firemen quickly laid a water line from a nearby hydrant and soon had the fire under control.

The paint booths are in a building west of the main plant. It was of cement block and steel construction.

The Bohn Aluminum plant deals with aluminum extrusions. Some years ago it manufactured bearings.

Road Hearing Held Today

LANSING — Roscoe Giles, executive vice president of the Holland Chamber of Commerce, attended a hearing today in Lansing to discuss extending M-21 to Holland State Park.

Also attending the hearing, called by Rep. Reimer Van Til of Holland, were Grand Haven City Manager R. V. Terrill and Engineer-Manager Henrik Stafseth of the Ottawa County road commission.

Van Til introduced a bill into the House of Representatives calling for the extension of M-21 from its present west terminus to the state park and to extend M-104 from its west terminus to the entrance of the Grand Haven state park.

The hearing was held with the House roads and bridges committee of which Clayton Morrison of Pickford is chairman.

Van Til pointed out the extra traffic on the roads, which he estimated at 3,000,000 persons, was because of the state parks and therefore the responsibility of the state. Maintenance is handled by Ottawa County and Grand Haven.

William Vink Succumbs at 51

GRAND HAVEN — William Vink, 51, of 406 Grand St., a resident of the Tri Cities all his life, died unexpectedly at Hackley Hospital, Muskegon, Wednesday afternoon. A member of First Reformed Church, Mr. Vink was born in Spring Lake and for 12 years he had been a sheet metal worker at the Bastian Blessing Co.

He married Miss Ruth Hanson in Spring Lake in 1937 who survives as well as a daughter, Mrs. Edward Tinsley of Port Huron; a son, James, a student at Colorado State University; his parents, Mr. and Mrs. Walter Vink of Spring Lake; three brothers, Donald of Holland, Gordon and Floyd of Spring Lake; two sisters, Mrs. Cora Prince and Mrs. George Vander Veen of Spring Lake.

The Tuesday meeting was opened with scripture and prayer by Mrs. Harold Arens. Mrs. David Boyd was in charge of the business session at which time it was proposed to have the annual spring meeting in Central Avenue Christian Reformed Church. Tentative plans were made to give financial support to six denominational mission projects.

Horticulture Chairmen Tell Section Rules

Mrs. H.B. Leach and Mrs. Jack Decker, horticulture chairmen for the Holland Garden Club, extended an invitation today to the public to place entries in the horticulture section of the Spring Flower show. "Nature's Color-Drama," which will be held in the Woman's Literary Club May 13 through May 16.

House plants of any kind may be entered in the horticulture section of the show. Owners of particularly beautiful or unusual plants are urged to enter them.

One of the rules for showing plants is the plant must be shown in the container in which it has been growing. If the plant is in a clay pot, the pot may be washed on the outside. Leaves of the plant should be cleaned and damaged leaves removed.

According to the chairmen, African violets must have only one crown and be symmetrical in shape. To achieve a symmetrical shape, plant owners are advised to turn the plants frequently. If one side of a plant leans, turn it away from the light and it will soon start to lean the other way. If a space forms between the leaves, put the leaf where it should be, place a toothpick beside it. The leaf should lean against the prop, later on when the prop is removed the leaf will stay in place.

In addition to the usual section of tulip specimens, the chairmen have planned a new section featuring flowering branches and cut primrose blossoms. Anyone in possession of a bonsai miniature tree is urged to exhibit it.

There will be additional information available to interested persons in the future. Exhibitors do not have to be Garden Club members to participate. All entries must have been in possession of owner for three months previous to the show.

Missionary Union Plans Annual Spring Meeting

The executive board of the Christian Reformed Missionary Union met at the home of Mrs. Rhine Van Der Meulen Tuesday to prepare for the spring meeting to be held April 9. The plans will be submitted to the delegate board for their approval at a meeting scheduled for Friday, March 13, at 2 p.m. in the Maranatha Christian Reformed Church.

The Tuesday meeting was opened with scripture and prayer by Mrs. Harold Arens. Mrs. David Boyd was in charge of the business session at which time it was proposed to have the annual spring meeting in Central Avenue Christian Reformed Church. Tentative plans were made to give financial support to six denominational mission projects.

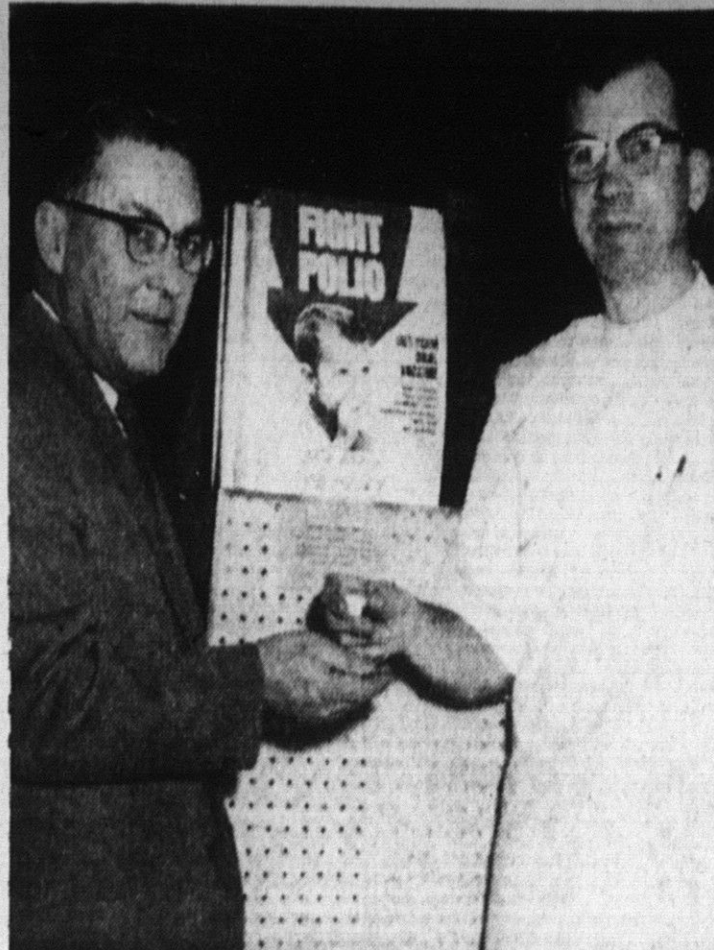

Charge Man With Selling Beer Without License

ALLEGAN — Marvin Hoffman, 51, route 1, Hamilton, waived examination in Justice Otto Schmitz' court in Allegan township Saturday on a charge of illegal sale of beer in his store on M-40 usually referred to as Kreuger's.

Hoffman provided \$250 cash bond for his appearance next term in Allegan Circuit Court.

The arrest was made Friday night by Allegan Sheriff Robert Whitcomb who had received many complaints that beer was being sold in the store which had no beer-wine license. Hoffman has been operating the store for 5½ years.

Dr. Robert Brown of the Hope College psychology department and counseling service will attend a conference on research in infant development at the Merrill-Palmer Institute in Detroit Monday and Tuesday.

SETS FINE EXAMPLE — Mayor Nelson Bosman (left) receives the first dose of the Sabin oral polio vaccine on a sugar cube in a tiny paper cup from pharmacist Harold VanDe Bunte, setting an example which the mayor hopes every resident in the area will follow by visiting one of the many clinics in this area Saturday. Ottawa-Allegan Well Prepared

Last-minute details were falling into place today for the polio immunization clinics Saturday.

A dry-run on clinic procedures was made at a meeting of polio leaders in Grand Haven Wednesday night, outlining steps in the distribution of the Sabin oral vaccine in clinics all over Ottawa county. Similar clinics are scheduled the same day in Allegan and Muskegon counties.

Plans are geared so that persons will obtain medicated sugar cubes with a minimum of time. There will be an inquiry on age bracket, since the Michigan Health Department wants a determination on response. A printed card also will be given each family group to fill out later, with names, etc. This card is to be submitted at the next clinic eight weeks hence and will be checked off as to second doses, and a tearoff slip will be sorted and sent to family physicians for their own records.

The inoculated sugar cubes will be in small paper cups on trays. Diabetics may receive the dose in distilled water. Nurses will be on hand to give the medication to babies with an eye dropper.

A 50-cent contribution is suggested at Ottawa county clinics to meet costs of the immunization, but polio leaders emphasized that no one will be denied medication for lack of money.

Children 18 and under not accompanied by parents must present a consent statement signed by a parent or guardian. A suggested statement reads: "I hereby request that the child whose name appears below be given the required number of doses of the oral polio vaccine." Then follows child's name, age, address and signature of parent or guardian.

Clinics in Ottawa county will operate from noon to 6 p.m. and clinics in Allegan county will operate from 9 a.m. to 6 p.m. Ottawa county lists 16 clinics and Allegan county 15 clinics.

Ottawa county will dispense the tri-valent vaccine covering the three strains of polio in a single dose. Two doses are prescribed eight weeks apart. Allegan county will dispense the mono-valent vaccine consisting of three separate doses six weeks apart. Allegan county suggests a 25-cent donation at each clinic. Persons living in borderline areas may attend the clinic of their choice but must continue subsequent medication in the same county.

Dr. John J. Yff of Zeeland, president of the Ottawa County Medical Association, is chairman of the immunization program in Ottawa county. Mrs. Irwin De Weerd of Holland, executive secretary of the March of Dimes, is serving as coordinator between the medical association and volunteers. Mrs. Ellen Potter is arranging for registered nurses, Jack West, pharmacists and Mrs. Andrew Dalman, women volunteers.

Jerome Hurlgen of the Holland Jaycees is chairman of captains with one captain heading the gram in each center. These captains are Charles Armstrong, Andrew Bareman, Robert Bernecker, James Bradbury, Dennis Diffield, Lawrence Overbeek, Theodore Bosch, and Warren Dropper.

Members of the Holland Citizens Band Radio Club of which Jack Zwiers is president will transport vaccine to the various centers. Headquarters for the vaccine will be Dr. Yff's office in Zeeland. The club also is offering transportation for persons who do not have cars.

Arrangements may be made by calling Jack Zwiers at EX 2-2321. March of Dimes stickers

will serve as identification for such cars.

Key workers in Zeeland are Hannes Meyers and Mrs. Jacob Vander Hulst. Audred Petroleje and Mrs. Lee Overday head the clinic in Borculo and Gordon Piersma in Hudsonville.

Polio leaders in Grand Haven Wednesday night were grateful for the offer of Park Township Supervisor Herman Windemuller for the use of North Shore Community Hall as a vaccine center, but felt it was too late to set up another center. It was pointed out that most people living north of Black River and Lake Macatawa would travel less than five miles to West Ottawa High School.

Informational and sign-up meetings for Ottawa County farmers relative to the 1964 Feed Grain Program have been announced.

They will be held from 12 noon until 8 p.m. at the following places: Monday, Chester Township; Thursday, Mar. 5, Hudsonville Municipal building; Friday, Mar. 6, Holland Township; Monday, Mar. 9, Wright Township; Thursday, Mar. 12, Olive Township; Friday, Mar. 13, Zeeland Township (Vriesland); Monday, Mar. 16, Coopersville fire barn; Tuesday, Mar. 17, Blendon Township; Thursday, Mar. 19, Allendale Township; Friday, Mar. 20, Jamestown fire barn.

Objectives of the Feed Grain Program are as follows: Decrease feed grain production; stabilize and increase farm income; increase cropland acreage devoted to conserving uses; reduce government cost of farm programs.

The Agriculture Conservation Program (ACP) cost-shares to farmers on the installation of conservation practices to help guarantee adequate food fiber and forest production for the use of the present generations and the future generations.

Mrs. Emma A. Fase Succumbs at Age 52

GRAND HAVEN — Mrs. Emma A. Fase, 52, of 26 Howard St., widow of Herbert (Corky) Fase, died unexpectedly at her home Wednesday noon. She was born in Spring Lake and lived in the Tri-Cities all her life.

She was the former Emma A. Clark. She was a charter member of the Women's Eagle Auxiliary and attended St. John's Episcopal Church.

Surviving are a daughter, Mrs. Earl La Fave of Grand Haven; two sons, Herbert Bruce at home and Peter Jacob of Denver, Colo.; two sisters, Mrs. Jeanette Hahanfield of South Milwaukee; and Mrs. Mabel Yohn of Fall Rivers, Wis.; two brothers, John R. Clark of Wisconsin and Robert Clark of Garland, Tex., and six grandchildren.

Roll call was answered by quotations of Frances Willard and her work for temperance. Devotions were led by Mrs. Wilda Horling and Mrs. Sheridan showed pictures of a trip to Sierra Leone, West Africa. Lunch was served by the hostess.

Deny Move Of Company From City

At least part of the Holland Furnace Co., operations will remain in Holland, Russell M. Cook, company president said Thursday and denied that the firm has decided to move out of Holland and set up operations in Garwood, N.J.

Cook did say company officials are considering abandonment of the firm's manufacturing operations here and relocation at the Thatcher Furnace Co., in New Jersey. "But there has been no final determination made on that," Cook said.

He said Holland Furnace would still make its headquarters here, retaining all administrative and sales offices in Holland.

However, on Wednesday reliable sources said that all of the production is being moved to Garwood, N.J., where Holland furnaces will be manufactured by the Thatcher Furnace Co.

The sources reported activity at the local plant will cease March 1, except for a small sales force which will continue to operate here.

Cook said Thursday that a decision on whether to cease manufacturing at the Holland plant would not be made until the end of March.

Because of the conflicting statements, it has not been made clear as to where the sales office would be. The Holland Furnace building has been advertised for sale in the Wall Street Journal and if sold the Holland firm might be a tenant of the new owners in their own building.

Cook said the Holland operation now involves about 50 workers, half of whom are engaged in actual production. "We will do everything in our power to see that any employees laid off get others jobs," he said.

A company spokesman said Wednesday that arrangements for other employment in Holland have been made for persons currently employed at Holland Furnace.

The plant resumed operation about a year ago after a long shutdown which resulted from an unsuccessful ownership change and complex legal battles.

The firm was founded here 59 years ago and at one time employed 500 persons.

Runaway Caught In Stolen Truck

Ten minutes after receiving a radio report of a 15-year-old Muskegon runaway in a stolen pickup truck, Holland city police captured the youth about 1:30 p.m. Tuesday.

Officer Glenn Geerts spotted the pickup truck southbound on US-31 bypass at Eighth St. and stopped the youth near 24th St. The youth, a ward of Muskegon court, was taken to police headquarters.

The youth had been working on a farm and had taken the farmer's pickup truck.

Graveside Rites Held For Santiago Infant

Graveside services were held Friday at 10 a.m. in Zeeland cemetery for Jesus Santiago, infant son of Mr. and Mrs. Jamie Santiago of 459 West 23rd St. The child was dead at birth at Holland Hospital Thursday noon.

Surviving besides his parents are two brothers, Gilbert and Rudy; two sisters, Diana and Latescia; his maternal grandmother, Mrs. Henrietta Moreno of Texas; his paternal grandfather, Frank Santiago of Puerto Rico.

The Rev. Fr. James Bozong officiated at the services and arrangements were by Dykstra Funeral Home.

State Officers to Attend Eagle Auxiliary Meeting

Plans were made last Friday to entertain the State President, Mrs. Vera Allen, and other state officers, at a meeting of the Ladies Auxiliary of Eagles on March 20.

In other business of the local group Mrs. Geraldine Austin announced her resignation as entertainment chairman because of other duties. A fun party is scheduled for Friday night at the home of Hazel Veldheer, 170 Fairbanks Ave.

Refreshments were served and games played. Mrs. Marie Huff was awarded the surprise package.

The March dinner meeting of the West Michigan Oil Men's Club will be held in the Continental Room of the Pantland Hotel in Grand Rapids Monday at 6:30 p.m. Al Lotterman, secretary of the Grand Rapids Dowel Works, will show pictures and tell of the "Berlin Wall" with facts and information gathered on his recent trip to

Differences Are Aired At Session

Township Officials Claim Holland City Failed on Promises

After two hours of searching discussion, the Holland township board Thursday night approved a petition from Hope College to join with Holland city in allowing the annexation of Van Raalte campus east of Fairbanks Ave. to the city of Holland.

The new campus, site of a proposed sports stadium and other facilities for Hope College, is contiguous to Holland city but lies in Federal district which in turn is surrounded on three sides by the city of Holland and on the north by Black River.

A decision was made necessary following action by City Council Wednesday night denying extension of sewer service to the new campus under the city's policy of not extending such services to areas not politically annexed to the city.

Hope College first requested such services in September of 1962 and the request became entangled in what many people regard as a political feud between city and township which encompassed political annexation, school reorganization, annexations under the Michigan Unilateral Annexation Statute, and a long-time claim by the township that the city failed to live up to promises in connection with laying the city pipeline through the township some years ago, plus the city's decision to sell water to Zeeland last year.

Hope College was represented at the township board meeting Thursday night by Willard C. Wichers, head of the college's long-range planning committee, and Dr. John W. Hollenbach, vice president of the college.

Trustee John Deters suggested the board approved the petition on condition the field not be used by Holland public schools for a 10-year period or until the township reaches an agreement with the city. Hollenbach questioned whether it would be fair to deny perhaps the best facilities in the area to any schools in the area including West Ottawa, and pointed to a college policy which allows any outside groups to use college facilities whenever possible. Wichers questioned the possibility of reprisals in the field of teacher training programs.

Some township trustees charged that the city's policy was inconsistent in that water service already had been extended to the campus and to Zeeland city, and were inclined to view the campus annexation as a "divide and conquer" attempt to eat up Federal area piece by piece. So long as the land was tax exempt in any case, they could not see why the city insisted on annexation.

Both Hollenbach and Wichers were sympathetic with the board's problems, but said the college was caught in the middle of a political battle over which it had no control. They said development of a \$200,000 physical education plant had been tied up for several years, and both had been told by the college's executive board to clear up the matter by next week. Wichers said the college could not take sides in the issue and pleaded for the township board to take the lead and accept possible criticism of its people out of understanding for the college's position.

Trustee Julius Karsten finally moved that the board approve the petition in conjunction with the township attorney's opinions.

The meeting ended on a note of optimism. Wichers and Hollenbach said they have a clearer understanding of the township's position and offered to form a group to study the controversy between city and township and end the conflict. Both expressed admiration for the board's decision.

At the close of the meeting, all board members agreed that if the city had extended sewage service to the campus they would have approved the annexation issue within five minutes.

Wightman-Clark Vows Spoken

Mr. and Mrs. Daniel Carl Wightman

Marriage vows between Miss Elisabeth Anne Clark and Daniel Carl Wightman were solemnized in a double ring ceremony by the Rt. Rev. Msgr. Julian Moleksi on Feb. 8 in St. Francis de Sales Church.

Miss Clark is the daughter of Daniel Clark of 213 West 10th St., and the late Mary Dakin Clark. Wightman is the son of Mr. and Mrs. Arthur Wightman of 440 Beeline Rd.

As Miss Vera Kay Lewis played appropriate wedding music, the bride was escorted by her uncle, William Dakin of Lansing, to the altar adorned with bouquets of white chrysanthemums and stock.

She wore a full-length gown of ivory white satin featuring a full skirt with train. The neckline was trimmed with lace appliques while an elbow-length veil was held in place by a crown of sequins and pearls. She carried a single white rose and a white rosary.

Miss Joanna Clark was her sister's maid of honor and wore a street length gown of pink satin brocade. The gown featured a bell-shaped skirt and scoop neckline. The outfit was completed by a pink velvet headdress. Her flowers consisted of a large white mum circled with small white pompons and ivy streamers.

Miss Kristin Clark, sister of the bride, was the bridesmaid. She was attired in a street-length lace over taffeta gown also in pink and fashioned with full skirt and scoop neckline. Her flowers and headdress were identical to that of the maid of honor.

Michael Flynn of Charlotte, Mich., was the best man while Douglas Hartgerink was groomsman. Ushers were James Scott of Kalamazoo and Keith Hayes.

A reception for 100 guests was held in the church cafeteria with Mrs. Harry Schermer at the punch bowl and Mrs. Rene Bouillon pouring. Lunch was served by women of the St. Margaret Mary study club and Mrs. Leo Bearss. Mary and Louise Wightman, sisters of the groom, attended the gift table.

For a short wedding trip the bride changed to a white wool sheath with black patent accessories and black pill box hat.

The bride is attending Western Michigan University majoring in elementary education while the groom who attended Ferris Institute is presently employed with McLeiser Oil Inc. in Kalamazoo.

The couple will reside in Oshtemo, Mich.

Man's Desiring." The second half of the program was devoted to popular folk songs, both English and American. The latter group, which prove to be even more popular in foreign lands than in the United States, included such familiar western songs and spirituals as "Little David," "O Bury Me Not on the Lone Prairie," "Go Down Moses," "Sometimes I Feel Like a Motherless Child" and for encore another western ditty with Conductor Wagner at the piano.

Accompaniment for this section of the program was largely piano and accordion with some string bass and an assortment of noise gadgets which were put to excellent use in the final encore, "Dry Bones."

After the concert, about 200 gathered in the north exhibition area to mingle with the singers and others. The chorale, which appeared in Battle Creek Wednesday, was headed for Chicago today.

Thursday's concert served as the springboard for the advance sale of 1964-65 memberships. New members signing up early will be guests at a bonus concert March 10 featuring the New York Concert Trio.

The membership campaign is slated for the week of April 13 under the direction of Lewis Vande Bunte. Leading attractions at the 1964-65 series will be the Cincinnati Symphony and the De Paur Chorus. The latter group, then known as De Paur Infantry Chorus, appeared in Holland in a concert in Dimment Memorial Chapel several years ago.

Next year's series will have continued reciprocity with the Grand Rapids and Muskegon associations, tripling the value of a membership and making available such outstanding attractions as the Hague Philharmonic and Vienna Choir Boys in Grand Rapids and the Goldovsky presentation of "La Boheme" in English in Muskegon.

It was on this organ that Dr. Paul Manz of Concordia College, St. Paul, Minn., played the majestic "Tocatta in F" by Bach and "Fugue in G Major" by Van Guin, demonstrating talent and musicianship which thrilled the large audience.

One of the longer selections by the chorale was a memorial to John Fitzgerald Kennedy. This was the eight-part "De Profundis" a religious 17th century work of Michel-Richard de La Lande.

For encore following the first half of the program, the chorus sang the Bach "Jesus, Meibei Meine Freude," more familiarly known as "Jesu, Joy of

Man's Desiring." The second half of the program was devoted to popular folk songs, both English and American. Shawl Display Features Meet Of Questers

The Christine Van Raalte Chapter of the Quester's held their February meeting Monday at the home of Mrs. Charles Vander Ven, with 17 members present.

Chapter president, Mrs. G. J. Van Hoven conducted the business meeting.

A book on "Trivits" by author Richard Hankenson, has been placed in the Herrick Public Library as a memorial to their late president, Mrs. Adeline Jonkers.

Shawls, made of cashmere and paisley, were loaned to Mrs. Vander Ven to be displayed. The 1798 French and English troops brought these beautiful shawls home to their wives. The cashmere wool comes from the large angora goat. The many colors are of vegetable dye. The Nomadic tribes of Tibet, Kashmir and India hand weave on narrow looms, making them in several pieces, then joining together almost invisibly, which makes them very expensive.

The Paisley Shawl, which originated in Paisley, Scotland, was reproduced for those who could not afford a cashmere shawl.

Mrs. Albert Tapley gave a paper on "Treen Ware" or old "Wooden Wares." The first treen wares in America were made by the Indians. Then as the early settlers arrived they would whittle out household articles that would be needed.

In England, old wooden ware is called treen ware and up until 1700 much of the early treen ware came from England, then it became a thriving business in the early New England states. By 1800 Wrentham, Mass., became the wooden ware center of the world.

One of the rarest pieces of wooden ware is the "burl bowl," which is now of museum status. These are made from the knotty growth of hard or semi-hard woods, usually shaped by hand. The "burl bowl" was on display.

Wood wares are referred to as simple collectables, but "folk craft" and ways of "yesteryear," are hard to find items.

Interesting collections were brought by each member and put on display with the histories given.

Refreshments were served by the hostess and co-hostesses, Mrs. Tapley and Mrs. Peter G. Visser.

Newcomers Club Has Luncheon At Carousel Mt.

A ski scene, complete with a ski run and skiers, provided the centerpiece for the Newcomers Club luncheon Wednesday at Carousel Mountain Lodge. Snowmen holding flags of various countries were placed at the tables and tallies carried pictures of snowmen.

Mrs. Fred Baron was decorations chairman assisted by Mrs. Robert Edwards and Mrs. Robert Kruger. The luncheon was attended by 91 members and guests.

Prospective members introduced were Mrs. Conrad Anderson, Coldwater; Mrs. William Callahan, Detroit; Mrs. Robert Kahlow, Milwaukee; Mrs. Nick Orastian, Monroe and Mrs. Paul Sare, Grand Haven.

Guests from Holland included Mrs. Art Becker, Mrs. LaVerne Bensinger, Mrs. Walter Burke, Mrs. Donald Crawford, Mrs. Thomas Crum, Mrs. J.F. Fitch, Mrs. Jack Flemming, Mrs. Kenneth Haynes, Mrs. W. Haigh, Mrs. James Knapp, Mrs. Charles Knooihuizen, Mrs. Abe Kole, Mrs. Edward Krumm, Mrs. Robert Moes Sr.

Also from Holland were Mrs. Gilbert Moeller, Mrs. William Murdoch, Mrs. Howard Poll, Mrs. John Schripsema, Mrs. Peter Tuninsma, Mrs. Franklyn Van Alsburg, Mrs. Cornelius Vander Wege, Mrs. John Weller and Mrs. Henry Weyenberg.

Winners at bridge were Mrs. Murdoch, Mrs. Laura Burkhardt, Mrs. Samuel Bela, Mrs. Moeller, and Mrs. Hollis Clark Sr. Canasta winners were Mrs. Knooihuizen, Mrs. Anderson and Mrs. Weller.

A brief business meeting preceded the card games. The next meeting of the Newcomers Club will be March 18 at 6:30 p.m. at Jack's Restaurant.

HEALTH OF THE MIND

A shocking event in our post-war history was the suicide of James Forrestal, secretary of the navy under Presidents Roosevelt and Truman, and our first secretary of defense. He had ended his service in the latter post on March 28, 1949, evidently worn out. He went to a hospital for treatment of his highly nervous state. On May 22 he leaped from the hospital window.

Did he collapse merely from overwork? Arnold A. Rogow, a Stanford University professor, studies the last few months of Forrestal's life in his book, "James Forrestal." He thinks that Forrestal suffered from conflicts all his life.

His wife and he had separated, though apparently he was still fond of her. Though he loved his children, his inward depressions kept him from showing this. In the government he was bitterly attacked by columnists who believed that the former head of a large brokerage house must, in office, inevitably favor his friends. As a Democrat in the top financial world, he had long been on the defensive. He also felt guilty because for years he had neglected the church into which he was born. These frustrations, combined with overwork, appear to have proved too much for him.

Are any other high officials suffering from like mental conflicts? It should be their practice to have mental as well as physical checkups regularly. No stigma need attach to this. The damage wrought by mental failure in high office is too serious to justify omitting an effort to catch the ailment in plenty of time.

World War II Mothers Meet

The regular meeting of the Mothers of World War II was held Wednesday evening at the home of Mrs. Cameron Cramer with Magdalene Shuck presiding.

Melva Crowle, Veterans Facilities chairman, read letters from E. W. Wixom, Commandant of Veterans Facilities of Grand Rapids and from Margaret Hartnicke, special service officer, thanking the group for services given.

Reports were also given on the Valentine party for the retarded children at Jefferson School. The party was given by Mrs. Crowle and Mrs. Dorothy De Boer.

Announcements for the State Convention of Mothers of World War II were reported by Mrs. Geraldine Austin. The convention will be held April 16-18 while the district meeting will be held in Benton Harbor on April 9.

Mrs. Marie Veurink was elected treasurer for the remainder of the year. The surprise package was given to Jo Rusticus while the hostess, Mrs. Jeanette Cramer served lunch.

The next meeting will be held March 4 in Odd Fellows Hall.

Lincoln School PTA Group Holds Meeting

Approximately 75 persons attended the Lincoln School Parent-Teacher Association meeting Tuesday night. Mrs. Ernest Wenzel presided and Jack Cooper led in devotions.

Gene Scholten, psychologist for Holland schools, was the guest speaker and also introduced were Ken Weller who spoke briefly on the millage issue and Charles Lantay who is in charge of the physical fitness program at Lincoln.

Lunch was served by a committee including Mrs. Tillman Seters, Mrs. Herman Jurries, Mrs. Sharon Parrott and Mrs. Howard Holmes. Decorations followed a valentine theme.

The March meeting of the PTA will be postponed due to fun fall.

Lesson

Mary, Martha, Lazarus
Luke 10:38-42; John 11:20-27; 12:1-3

C.P. Dame

When Jesus was upon the earth he had his special friends. There was a home in Bethany, composed of two sisters, Mary and Martha, and one brother, Lazarus which Jesus liked to visit. Luke and John tell us about several contacts Jesus had with this godly family. Our lesson text gives us one sketch about a supper, another one about a funeral and a third one about a banquet.

I. The members of a family differ. This was true in times past and it is true today. Mary differed from Martha and Lazarus was unlike his sisters. The gospels make that clear. One day Jesus came to this home in Bethany. It did not take Martha long to get into the kitchen. Martha was proud of her housekeeping and cooking abilities. She felt that the best way to entertain Jesus was to give him a fine dinner.

Mary helped and then left the kitchen to sit at the feet of Jesus and listen. Martha remained in the kitchen putting on the extra touches. She thought Mary should keep on helping her and she spoke to the guest about it who said to her, "Martha Martha, thou art careful and troubled about many things; but one thing is needful: and Mary hath chosen that good part, which shall not be taken away from her." Listening to Jesus and feeding her soul with truths Jesus taught was most needful then and now too. Martha missed a marvelous opportunity.

II. Times of losses call for faith. Lazarus became sick and the sisters sent word to Jesus who was away. Jesus did not come immediately and Lazarus died. When Jesus came to the village Martha met him and suggested to him that he had failed them in not coming and in not preventing the death of the brother. Jesus told Martha that the brother would rise again. When she spoke of his resurrection Jesus told her that he is the resurrection and the life and asked, "Believest thou this?" and she replied that she believed that he is the Christ, the Son of God. Jesus summoned Lazarus back to life again and gladdened the sisters who mourned his death.

III. Lovers give bountifully. The anointing of Jesus by Mary took place shortly before his death, in the home at Bethany. In John 11 the story of the raising of Lazarus is recorded; in Matthew 26:7 and in Mark 14:3, the story of the anointing of Jesus is told. As usual Martha served. She would not be happy if she did not.

Mary showed her love by anointing Jesus. Her gift was costly and unexpected and criticized but Jesus defended her. There is room for the beautiful and the practical in life. Love is the greatest thing in the world and that which is done because of love is beautiful and precious. It is worth noting that Mary took every opportunity offered her to sit at the feet of Jesus and listen to his words.

Couple Wed in Ann Arbor

Mrs. Roger A. Potter

Nuptial vows were exchanged at St. Thomas the Apostle Church, Ann Arbor, on Jan. 25 by Miss Roberta G. Kelly and Roger A. Potter. The bride is the daughter of R. Graham Kelly, St. Johns, Newfoundland, Canada, and the groom is the son of Mr. and Mrs. Alvin F. Potter of Holland.

The couple was attended by Mrs. J. Conrad Moore of Dearborn Heights, sister of the bride, and Kenneth Brondyke, brother-in-law of the groom.

The bride, given in marriage by her brother-in-law, Bernard Masse, wore a taffeta gown which featured a scoop neckline and appliques of re-embroidered Alencon lace. Her veil of silk illusion was held by a princess rose headpiece.

Mrs. Potter is currently employed by Ann Arbor Federal Savings and Loan Association and the groom is completing his senior year at the University of Michigan Medical School.

East Van Raalte School Sold to Christian Group

The Board of Education voted unanimously Monday afternoon to sell the East Van Raalte school on East 16th St. to the Holland Schools for Christian Education at a cost of \$12,500. The Christian School bid was the highest of two submitted.

A delegation of the Holland Heights district which attended the meeting was assured that the money would be applied to the benefit of the Heights district in a manner to be determined at a later date. Application of this sum to the former district's 1953 bonding program was mentioned, but details must be studied before such action could be taken.

Supt. Walter W. Scott said that a fire marshal's order would require considerable renovating of the old building before it could be used again as a school, a matter the Christian School leaders fully recognize.

The board also granted a request of the Harrington School District to take its eighth graders and possibly its seventh graders next year on a tuition basis. The board also said any Harrington students enrolling in Holland schools at that time would be allowed to complete their high school education.

This is in keeping with the current policy of accepting such students when space is available and this policy will continue so long as room is available. At present Harrington school has 29 students in the eighth grade and 30 in the seventh grade. No difficulty in absorbing such students is foreseen in a number of years, particularly not in the high school where facilities can accommodate an optimum of 1,500 students.

An inquiry from the Holland Heights group on pupil transportation led to a discussion on work on a comprehensive study of transportation needs which might provide transportation to all boys and girls attending public schools in Holland. Supt. Scott said the legislature has made it possible to transport all students at public expenses but has made no funds available.

Scott mentioned having met with Sen. Clyde Geerlings and Rep. Riemer Van Til Monday but was informed there is little

likelihood of funds forthcoming during this session. The Holland study, due in three months, covers needs of students, buses, routes, maintenance, housing, costs, etc.

The report will first be presented to the Holland Council for Inter-School Cooperation, and if this group considers it feasible it will report back. It was generally concluded that extra millage would be needed.

It was stated that approval of the 3 mills for 3 years at the March 24 special school election would not close the door to further study on transportation needs. Such millage might run ½ to ¾ mill, it was said.

Holland Heights parents pay \$60 per pupil transportation, a rate duplicated in other outlying districts which have annexed to the local school district. Board Member Arthur Seddon said local school leaders must recognize the needs of these districts as time goes on.

William Gargano reported on work of the schools committee on leveling and equalizing elementary class loads (example: put one fourth grade for two neighboring schools instead of fourth and fifth grade combinations in both schools) and said a meeting is planned with elementary principals on the subject.

As for moving meetings of the board to various schools, the committee felt the same could be accomplished by issuing a special invitation to a certain school to attend the board meeting and devote a part of the meeting to the needs of the individual school.

Harry Frissel, chairman of the personnel committee, said meetings have been held to study the salary proposal submitted by the welfare and salary committee of the Holland MEA district and proposed a meeting of the personnel committee with the entire board.

President Harvey Buter presided at the meeting. All members were present except Bernard Arendshorst. The invocation was given by Edward Prins, superintendent of buildings and grounds.

WINTER WONDERLAND — Picturesque winter returned to Holland Monday as another 11½ inches of snow was dumped on the local area during the weekend. The photo shows the central fountain in Centennial Park looking northwest. The post office is to the right in the background.

Sunshine and moderating temperatures this morning helped reduce the snow layer. Meanwhile, Holland's fleet of private jeep operators were busy once more plowing out driveways and looking for places to deposit piles of snow. (Sentinel photo)

Farm Bureau Has Meeting In Hamilton

HAMILTON — The annual meeting of the Hamilton Farm Bureau was held in their auditorium last Thursday afternoon. About 300 producers were in attendance at the meeting. Some of the highlights included a pictorial open house of the new feed plant and a discussion centered around construction progress and installation of equipment, as well as operation procedure for this new operation.

The annual report of the association showed gross sales in excess of \$6,000,000 were in 1963. The report by the manager, Andrew Lohman, pointed the way to some of the savings that could be realized by producers by taking advantage of the bulk feed discount which will be in effect in the new plant.

Herman Geers for Michigan Elevator Exchange, in response to a question from the audience, regarding the new wheat grade, explained the requirements which will be in effect this fall which will require a 13.5 per cent moisture content instead of 14 per cent for No. 2 wheat which has previously been in effect.

Refreshments were served during the meeting.

Hospital Notes

Admitted to Holland Hospital Monday were Bert Westerhof, 171 West 21st St.; Larry Kammeraad, 205 East 29th St.; Rena Vander Zwaag, 919 Courtney, Grand Rapids; Terry Bouwman, route 1; Shirley Knap, 332 Washington Blvd.; Kay Haedicke, 703 Graafschap Rd.; Mrs. Charles Veldheer, 727 Lillian; Edward Teske, 447 Howard Ave.; Dennis Stegenga, 14 East Sixth St.; Mrs. Donald

Post Office Frowns on Chain Scheme

An upsurge of college campus chain letter schemes involving U. S. savings bonds, postal money orders and cash has prompted Chief Postal Inspector Henry B. Montague to issue a nationwide crackdown on violators of the postal lottery and fraud laws.

The chief inspector noted a stepup in chain letter activity in college towns across the country. The participants, he said, appear for the most part to be college students, and cited reports of chain letter schemes at colleges in Mississippi, Wisconsin, Indiana, Massachusetts, New Hampshire and New York, among others.

Montague warned that even though some chain letters are transferred hand-to-hand and state "do not mail" the schemes still may be violations of the postal lottery and fraud laws, in that the proceeds from the chain letters are usually mailed. Postal laws are broad enough to encompass anything concerning the conduct of a lottery, including bonds sent pursuant to an endless chain scheme, even though the letters may be distributed by hand.

Driver, Passenger Injured In Mishap

Gene Emerson De Jonge, 21, of 124½ West 14th St., was listed in good condition Saturday at Holland Hospital with abrasions and contusions of the knee and lacerations of the face received in a one car crash at 3:45 a.m. Saturday. De Jonge's car went out of control and struck a utility pole.

A passenger in the De Jonge auto, Montford Allen Hirdes, 17, of route 1, Zeeland, was treated at Holland Hospital for abrasions of the knee and contusions of the forehead. Holland police said the accident occurred at the intersection of Lake St. and Washington Ave.

A snowfall of 11½ inches over the weekend put Holland back in the winter bracket after several weeks of moderating weather which had resulted in clear roads and walks.

Snow removal crews were on the job at 2 a.m. Monday after a minimum of activity the last few weeks. The snowplow made its first appearance downtown since Feb. 13, the only time it was used in February. During January, the snowplow was used on only one occasion on Jan. 28, but during December when an all-time 66 inches of snow fell on Holland, the snowplow was downtown almost every day. Last year, there was 24 inches of snow on the ground.

Police Chief Jacob Van Hoff reminded motorists of the 2 to 5 a.m. parking ban in Holland, and asked those persons who park in their driveways to keep some distance away from sidewalks so that sidewalk plows would not run into difficulty. "We hope we won't have to limit parking to one side of the street, but we might have to do so if snows continue," the chief said. He suggested that when streets appear narrow that motorists voluntarily refrain from parking on the north or east sides.

Muskegon had between 4 and 5 inches of new snow, and other cities along Lake Michigan got 1 or 2 inches, leaving a good share of roads slippery in spots.

The twin cities of St. Joseph and Benton Harbor still had about a foot of snow left on the ground from a freak two-foot snowfall that struck an isolated area there Friday.

Pellston reclaimed its title as the icebox of the nation as a flood of Arctic air plunged the mercury to -21 degrees. It was -15 in Sault Ste. Marie, -6 at Alpena and -5 at Houghton. It was 15 at Ypsilanti and Muskegon, 14 at Grand Rapids, 13 at Detroit and 12 at Jackson.

The cold weather moved into the state Sunday and the Arctic storm extended all the way to the Gulf.

The five-day outlook called for temperatures to average 3 to 7 degrees below normal. There will be slight moderation by Thursday with infrequent snow flurries throughout the period.

Reading Consultant Speaks at PTA Meet

The reading program of schools in the area was described by Miss Joy Muehlenbeck who addressed members of the Lakewood PTA Thursday in the school gym. Miss Muehlenbeck who is the reading consultant also showed a movie on SRA, Science Research Association.

Mrs. Ted De Graaf opened the meeting with scripture and Mr. De Graaf, president, offered prayer and also conducted the business session.

Lunch was served by the Mesdames Neil Bjorum, Howard Bouwman, Richard Grossnickle, Bernard McMillan and Gerrit Vander Heide.

Parents met for conferences with the teachers before the program.

Holland's Newest Resident Comes from The Netherlands

NEWEST RESIDENT — Willard C. Wichers (right), director of the Netherlands Information Service here is shown pointing out various places in Holland to Karel Toeset, the city's newest resident from Santpoort South, The Netherlands. Karel came to Holland last Monday and plans to study to become a citizen. He is sponsored by Mr. Wichers. (Sentinel photo)

Van Raalte and his group of emigrants established Holland, Mich., in 1946-47 and since that time numerous Dutch persons have settled in their native land's namesake. Even to date, Holland's newest resident is from the Netherlands. He is Karel Toeset, who comes from Santpoort South, The Netherlands.

The 19-year-old son of Mr. and Mrs. Karel Toeset arrived here last week and is rooming at the Fritz Kliphuis residence at 56 West 17th St. He is being sponsored by Willard C. Wichers, director of the Netherlands Information Service here.

Karel said he wanted to come to America because "life is better" and he feels he can make a better living here. He has one brother in The Netherlands who works at a record company.

Two factors contributed to his selection of Holland — the established friendship between his mother and Mrs. John Van Bragt of 279 Central Ave. and the pen pal tie. Karel has been writing to Kathleen Van Deussen, daughter of Mr. and Mrs. John Van Deussen of 75 East 34th St., for the past four and one-half years. Mrs. Van Bragt gave him Kathleen's name when he asked for someone to write to, to help improve his English.

It was two years ago, when the Toesets were taking Mrs. Van Bragt to the Schiphol Airport near Amsterdam, The Netherlands, that Karel met Mr. Wichers. The Wichers were in The Netherlands at the time and had come to see Mrs. Van Bragt. It was then that Karel expressed his desire to Mr. Wichers of coming to the United States.

In April of 1963 Karel registered for a visa but it was not until January of this year that he obtained an emigrant's visa.

When Karel arrived in Holland, the first place Mr. Wichers took him was a drive-in restaurant and then, at Mrs. Van Bragt's insistence, to dinner that evening at the Van

Bragt residence where he met tiful town" and enjoyed visiting his pen pal.

As Van Raalte searched and worked to build Holland, so too is Karel looking for a job. His education is comparable to a junior college education and he has had experience in several fields of work.

Karel has worked in his father's bakery for the past 12 years and knows about making pastries and cake decorations with whipped cream. In addition to having experience in working with auto mechanics, Karel also has two and one-half years of office work behind him. His experience in the office field includes payroll work, cost accounting and typing. He has also worked in a dental lab but stated that the work there was "just a hobby."

Other hobbies Karel enjoys include fencing, hockey, soccer, table tennis and model airplane building. He was also a member of a baseball team in The Netherlands and also knows how to ride a unicycle.

Karel explained that the school system in The Netherlands varies from ours in that the children attend school six days a week having Wednesday and Saturday afternoons off. They have school eight hours a day and during the four years must take 15 subjects a year.

When asked about reaction to Princess Irene's engagement, Karel reiterated the fact that the country, which is greatly interested in its royal family, was surprised. He also mentioned that the television network stayed on until 4 a.m., which is unusual in that the network operates only from 7:30 to 11 p.m.

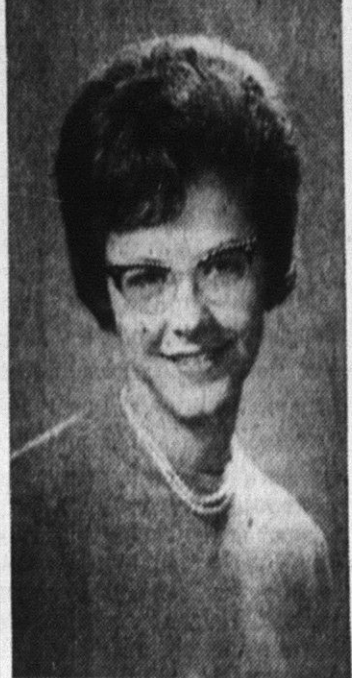

Karel said there is only one transmitting station and on two afternoons a week, the Wednesday and Saturday children are home from school, there is a children's program. Only on special occasions, such as the Olympics, does the network operate longer.

Karel said Holland is a "beau-

A.H. Seddon Will Resign School Board

A vacancy loomed Wednesday on the Board of Education with the announcement this afternoon that Arthur H. Seddon who was elected to the board last June has accepted a new position with General Electric in Schenectady, N. Y., and will be moving from the city in another month or so.

A replacement is expected to be named by the remaining board members next month for an interim appointment until the next election in June.

This means two board members will be elected at the June 8 election, one to a four year term and the other for the remainder of Seddon's term which would be three years.

Arthur H. Seddon Candidates for office must specify which term they are seeking. Bernard Arendhorst's term expires this year.

The Holland Board of Education, which operates as a third class school district, has a seven-member board serving four-year rotating terms. Other members are Harvey J. Buter, Harry F. Frissel, Albert Schaafsma, William Gargano and James O. Lamb. This board has had five new members in the last three years.

Seddon, who has been employed by General Electric for 17 years, said the new position he is taking is not easily described. It is not strictly engineering and is somewhat multifunctional. He regards it as a new challenge and one quite different from his present engineering position at the Holland plant.

"We all are aware of the financial problems the school district faces. I can assure you that this had nothing to do with my decision to leave. I personally am very optimistic that the citizens of Holland will solve this problem. Until I leave I will work diligently to aid in the solution," he said.

President Harvey Buter added: "Arthur Seddon has been a very capable member of the Board of Education and we certainly will miss him. Our entire community is indebted to both Mr. Seddon and his employer for his many hours of service to our school district. We are, of course, very happy with Mr. Seddon in his promotion and extend our best wishes in this fine opportunity."

Buter added Seddon was a firm supporter in making known millage needs in Holland, and pointed to his prime interests in advancing equal educational opportunities for all children.

Passenger Hurt In 2-Car Crash

JENISON — A Grand Rapids woman was injured in a two-car accident at Baldwin and Walnut Sts. in Jenison at 4:45 p.m. Saturday. Cars were driven by Richard B. Quinlan, 16, Jenison, and Fred D. Brown, 24, Grand Rapids.

Brown's wife, Ruth, 24, was thrown out of the car in the impact and was pinned underneath. She was taken by ambulance to Osteopathic Hospital in Grand Rapids and was released after treatment.

Sheriff's officers said the crash occurred when the Quinlan car, northbound on Walnut, hit the eastbound Brown car broadside, causing the latter car to roll over and come to rest 125 feet from "the point of impact."

Quinlan was charged with failure to stop for a stop street.

Christian Drops 5th Decision

A gallant comeback by Holland Christian's basketball squad went for naught Tuesday night in the Civic Center as strong Grand Rapids Christian rallied in the last quarter to nip the Maroons, 79-75 before a sellout crowd of over 2,500 fans.

Coach Art Tuls' club came back from a first half deficit of 15 points to take a four point bulge into the final period before some fantastic foul shooting by the invaders paved the way for the hard earned win.

Coach Wes Vryhof's club hit 14 out of 16 foul tries in the final stanza to pad a brilliant 27 out of 36 tries for the entire contest. The Maroons also did well at the charity stripe hitting 15 on 21 tries and scored four more field goals than did the winners.

Many factors contributed to the eventual defeat of the Maroons, not the least of which was a dismal first quarter in which the jittery Maroons fell behind 22-7 at one stage. Tuls felt that the miserable quarter was the big factor but felt that foul difficulties on both Don Kronmeyer and Jim Otte also took its toll. Both fouled out in the fourth period after sitting out much of the third. Neither Tom Deur, who was out with a hand injury, or the recuperating Paul Cook, dressed for the game.

Although the Maroons faltered in the opening quarter they bombed the nets for 50 points in the middle two periods while holding the Eagles to 33. The Maroons got 28 points in the second period and 22 in the third.

Although Tuls was forced to substitute often due to fouls, he received fine performances from subs. Herm Johnson, Larry Klaasen and Jack Kalmink. This trio along with Tom Dykema and Jack Langeland spearheaded the Maroons drive which eventually took over the lead. Langeland led all scorers with 24 points and turned in a great second half in overall play as well as in his pointmaking. Ken Geurink was again the Maroon defensive spark.

Grand Rapids put all five starters in double figures, a balanced attack which has sent the Eagles to their 14-3 season mark and eighth place in the class A ratings. They were again led by the quarterbacking and floor play of sharpshooting Gary Rypma and the fine driving tactics of Dick Houtman. Bob Sysma and Tom Rickers were the big performers on the boards for the winners.

The Maroons again shot their 40 per cent average, hitting on 30 out of 76 tries. Included in the good percentage was an unusual number of missed key layups. Grand Rapids collected 26-75 for about 35 per cent.

Grand Rapids lost little time in getting started as they raced out to a quick 10-3 bulge and later upped it to 22-9 at the period's close. Only Dykema hit with any consistency as he bombed three from way out for the Maroons.

Things took a sudden change for the Maroons in the second period as they looked great as they started on the whittling process. Paced by a fast break and some fine outcourt shooting by Dykema, Langeland and Klaasen, the Maroons cut the lead to six and seven points in the period. By halftime, the Eagles were leading 44-37 and showing signs of wilting before the Maroons.

The Maroons continued to steal the play from the winners in the third period with some alert, headsup play and more scrap than they had shown in the first half. At the five minute mark, it was 49-46 and 51-50 with 2:17 left. The Maroons took their first lead 52-51 on a layup by Geurink with 1:57 left. The score was tied twice more before Christian took a 59-55 lead into the last period.

At this point, however, Holland's fouling became the big enemy as Grand Rapids sank its first 12 attempts in the period to build a 71-63 lead. Kronmeyer entered the game with 3:43 left and hit two quick

baskets before fouling out at 2:59.

Holland narrowed the bulge to 75-72 with 1:33 left, but they couldn't overcome the great clutch foul shooting by the Eagles. Rypma led his club with 22 markers, followed by Sysma with 18.

Holland Christian closed its regular season with a 13-5 mark and now rests until next Thursday when it opens district tournament play.

Hutchinson Speaks Here On March 2

Rep. Edward Hutchinson of Fennville, Ottawa County's new congressman, will speak at the Holland Chamber of Commerce's first 1964 Congressional Action Breakfast, Monday, March 2 at 7:30 a.m., in the Tulip Room of the Hotel Warm Friend.

Harold Denig, chairman of the Congressional Action committee, made the announcement today and reported a final meeting to complete plans for the "Breakfast With Ed" will be held Wednesday, Feb. 26 in the hotel at 7:30 a.m.

Under the new Congressional districting in Michigan, Ottawa County is in the Fourth District. Ottawa formerly was in the Fifth District with Kent County.

Hutchinson, a Fennville native, was elected to Congress on the Republican ticket in 1962. He is serving as a member of the agriculture committee.

Long active in politics, Hutchinson was elected Allegan County state representative in 1946 and reelected in 1948. He was state senator from the Eighth District in 1950 and served 10 years.

Elected to the Michigan Constitutional Convention in 1962, he was named vice president of the convention. He represented Michigan's Fourth District in 1948 at the GOP national convention and served as chairman of the Michigan GOP convention in Detroit in 1952.

Hutchinson began his law practice in Fennville following his graduation from the University of Michigan Law School and entered the service as a private in 1941. He was discharged in 1946 as a captain in the Transportation Corps.

Driver Charged After Crash

GRAND HAVEN—City police have charged Dennis Marshall Klont, 21, Muskegon, with reckless driving as the result of an accident at 2:32 p.m. Sunday at the lift bridge over Grand River north of Grand Haven.

Two state police officers who witnessed the accident said Klont was drag racing at 70 miles an hour in the north-bound lane when his car went out of control, left the road, clipped a boulevard light pole, then returned to the highway and traveled another 126 feet before hitting a second boulevard light pole. The car then rolled over and skidded on its top for 40 feet, coming to rest on its top at the edge of the highway.

Klont and a passenger, Robert F. Fox, 21, also of Muskegon, were first taken to Municipal Hospital by state police and later transferred by ambulance to a Muskegon hospital.

Debate Teams at Hope Compete in Tournament

John Crozier, senior at Hope College from Holland, received a superior award at the Michigan Collegiate Speech League State Department tournament held Saturday at Wayne State University. The award was presented to 10 out of 88 winners.

Crozier with Gene Pearson won one out of three rounds of debate winning over the University of Detroit and losing to Wayne State and the University of Michigan.

The team of Barbara Vander West and Sue Radloff was undefeated winning over St. Paul's Seminary, Wayne State and Eastern Michigan University while the team of Ruth De Boer and Linda Munro was successful over Calvin College and the University of Michigan losing only to Port Huron Junior College.

Topic of debate was "Federal Aid to Education." Accompanying the groups was M. Harold Mickle, director of debate at the college.

Maroons Take 81-61 Win; 13th Victory

Holland Christian's basketball team coasted to its 13th win of the season in the Civic Center Friday night by walloping Kalamazoo University High, 81-61 before 2,300 fans.

Coach Art Tuls' Maroons had too much of everything for the invaders as they broke away from a 4-4 tie and were never in trouble during the game. Tuls used his regulars a little over two quarters, giving his entire 13-man squad a good opportunity to play.

With the season drawing to a close and tournaments approaching, Tuls did a lot of experimenting with a variety of defenses which included a zone, a man to man and a zone press. He also experimented with various player combinations during the fray.

Despite playing only a little more than a half, four starters scored in double figures. Guard Ken Geurink returned to the starting lineup and besides being the defensive spark came through with 11 points. Big Jim Otte led all scorers with 20 markers. Otte, Jack Langeland and Don Kronmeyer led the rebounding for the Maroons against the tall losers. Big Duane Riege was the board standout for the invaders along with forward Steve Johnson.

Once again it was the fine shooting which paved the way for the Maroon runaway victory. Christian shot 57 per cent in the first half, connecting on 20 out of 35 tries from the floor, many coming from well out of court. Overall the Maroons hit 44 per cent on 31-71. The Christian average went down considerably with the third stringers managing just one basket in the final four minutes of play. Coach Barney Chance's Cubs managed 20 out of 61 for 33 per cent after a dismal first half of 20 per cent.

After a slow opening two minutes with the score knotted at 4-4, the Maroons started to move. Led by Otte from the side court, Christian soon raced out to an 11-4 bulge. Leading 16-6 with just a little over two minutes left, the Maroons went into a zone press which pushed them into a 24-9 lead at the end of the first period.

Tuls inserted a new squad as did Chance of the Cubs, but the onslaught continued with the losers going almost six minutes without a basket. Paced by reserves Tom Deur and Jack Kalmink, Christian upped the margin to 31-9 with 5:28 left. Continuing to hit with regularity, they pushed the edge to 47-22 at halftime. Deur injured a knee in the second quarter and sat out the rest of the game.

The Christian regulars opened the second half and managed to maintain the point spread, although the invaders began to find the range with more consistency in the third quarter. Led by Reserve Al Vander Beek, the losers pulled to a 20 point deficit at one stage. Midway in the period, the Maroons led 57-35 and by the quarter's end it was 63-39.

It was more of the same in the final stanza although the Cubs had their best quarter, outscoring the Maroons 22-18. Leading 78-49 with about four minutes remaining, Christian's third stringers took over but were overanxious to impress and were called for numerous fouls. The Cubs outscored them 14-3 in the final four minutes. At the charity stripe, the Hollanders connected on 19 out of 31, while U High managed 21 out of 36 attempts. Two Cub regulars fouled out in the final minutes. Vander Beek led the losers with 19 points.

John White, Resident Of Nunica, Succumbs

GRAND HAVEN — John White, 88, route 2, Nunica, died Friday at Howard Convalescent Home following a long illness. He operated a shoe repair shop in Nunica for many years. His wife, Josephine, died in 1962.

Surviving are two sons, William N. and Charles E., both of Muskegon; a stepdaughter, Mrs. Floyd LeJeune of Nunica; 11 grandchildren and eight great grandchildren.

Overbeek-Ver Hoef Vows Spoken

Mr. and Mrs. Dennis Ray Overbeek

Miss Judith Ann Ver Hoef, daughter of Mr. and Mrs. Julius Ver Hoef, 145 Dartmouth Ave., became the bride of Dennis Ray Overbeek, son of Mr. and Mrs. Clarence Overbeek, 126 East Lakewood Blvd. on Feb. 6.

Scene of the double ring ceremony performed by the Rev. Rodney W. Westveer, was the Holland Heights Christian Reformed Church which for the occasion was decorated with an arch, trimmed with white mums and variegated red and white carnations, tree candelabra and kissing candles banked with palms and ferns.

The wedding party assembled at 8 o'clock as wedding music was being played by the organist Clarence Walters. He also accompanied Warren Plagge as the groom's best man and sister-in-law of the groom, assisted as master and mistress of ceremonies. Gift room attendants were Mr. and Mrs. James Visser and presiding at the punch bowl were Mr. and Mrs. Kenneth Overbeek. A sister of the bride, Kathleen Ver Hoef, was in charge of the guest book.

Waitresses were the Misses Sherrie Van Rhee, Judy Witteveen, Arlene Vander Meulen, Sandy Petroelje, Elaine Brower, Betty Hopp, Carole Van Den Elst, Darlene Daining and Susan Daining.

For a wedding trip to Florida the bride wore a red wool dress with black patent accessories and a corsage of white carnations.

A graduate of Holland Christian High School and the Grand Rapids Junior College, Division of Practical Nursing, the bride is employed as a practical nurse at Holland Hospital. The groom, a graduate of Holland Christian High and the La Mar Barber College of Detroit, is employed as a barber in Grand Rapids.

The groom's parents entertained at a rehearsal luncheon in the Garden Room at Jack's Restaurant.

Dutch Score 76-62 Win Over Heights

Hitting 50 per cent of its shots and playing an alert, wide-awake game, Holland High's basketball team ruined Muskegon Heights' LMCA title chances here Friday night with a 76-62 win before 2,000 fans in the Holland High fieldhouse.

The loss bumped the 10th-ranked Tigers into second place in the final LMCA standings and gave Benton Harbor, 82-79 winners over Traverse City, its third straight conference title.

The victory gave Holland a tie for third place with Muskegon in the LMCA. Both teams ended with 6-4 records as Muskegon tripped Grand Haven, 97-67 Friday.

It was the same story as in Holland's earlier season's wins over Benton Harbor and Muskegon. It was a case of the Dutch keyed all week for the win, playing their hearts out and turning in a fine all-around performance.

Fine balanced scoring helped the winners as four players moved into the double figures and the fifth picked up nine. And in getting the balance they were all shooting well.

Holland fired 60 times and connected 30 for 50 per cent. This percentage was helped by Ken Thompson's 10 of 15; Darrel Schuurman's five of nine and Jim De Neff's four of 10. Tom Pelon scored three of 10 and Cal Beltman had five of 14. Added to this Jeff Hollenbach hit the two shots he took and John Leenhouts sank his only try.

Thompson's shooting pushed the Dutch in front and they never gave up the lead although the Tigers tied the game twice, 9-9 and 20-20. Thompson made four of Holland's first six points as the Dutch opened with a 6-0 lead.

Holland led 18-13 at the quarter aided by three Thompson baskets and two each by Beltman and De Neff. Thompson added three more second quarter baskets and Schuurman and Beltman each had two as the Dutch took a 34-26 halftime lead. After the 20-20 tie, Holland again scored six straight points in pushing to the intermission margin.

Larry Hammock, the Tigers leading scorer, gunned four baskets in the third quarter and the Heights chipped three points off the lead but two baskets each by Thompson and De Neff helped keep the Dutch in front, 49-44 at the third period's close.

With 5:31 left and Holland leading by three, 53-50, the Dutch picked off five points in 17 seconds and broke the Tigers. Schuurman hit two free shots, Pelon stole the ball under the basket and scored his first field goal. He was fouled and sank the shot to give Holland a 58-50 lead.

Pelon took over and scored nine more points in the next four minutes. Baskets by Hollenbach and Leenhouts in the closing seconds gave Holland 15-point leads twice, the game's biggest margins.

The Tiger's fired 85 times over and inside the Dutch 2-12 zone but only connected 26 for 31 per cent. Hammock shot 27 times and hit only eight. He added six free shots for 22 points. Hammock made 33 against Holland on Jan. 17.

Thompson and Schuurman were strong on the boards with Thompson pulling down 16, 13 defensive. Thompson led the winners with 20 points while Schuurman had 17; Beltman, 13; Pelon, 11 and De Neff, nine.

Holland had shooting quarters of 8-15; 7-16; 6-14 and 9-15 while the Tigers had 6-23; 5-25; 8-23 and 7-14. The Dutch hit 16 of 24 free throws and the losers, 10 of 16.

The winners, now 9-6, close regular season's action next Saturday against Owosso in the fieldhouse. The Tigers are now 11-3.

Mrs. Grace Johnston Succumbs at Age 77

GRAND HAVEN — Mrs. Grace May Johnston, 77, of 15488 Ferry St., Grand Haven, died Thursday night at her home. She was the former Grace Baxter. Her husband, Robert, died in 1955. She was a member of Spring Lake Baptist Church. Surviving are a daughter, Mrs. Albert Bolles of Spring Lake and a son, James of Nunica.

ARTIST'S SKETCH — Here is an artist's sketch of the proposed Windmill Island Recreational Project which is expected to be in operation for Tulip Time in 1965. The windmill, to be imported from the Netherlands, is the grain grinding type with products to be sold. Also shown are a miller's house and barn which will house concessions, etc. Tulip fields, gardens and a small church are planned for

the development on a 30-acre island in Black River east of River Ave. The project will be financed through the sale of \$450,000 revenue bonds. The issue was approved last week by the Municipal Finance Commission. Money paid by visitors will retire the bonds. Bids will be opened March 18 by City Council.

Windmill Bonds to Be Available

Local residents will be able to buy Project Windmill bonds, it was learned at a regular meeting of City Council Wednesday night.

This was determined after City Manager Herb Holt said a number of inquiries had come from local citizens interested in buying such bonds.

Purchases cannot be made outright, but it is expected that the successful investment house which is now low bidder for the \$450,000 Windmill Island Recreational Facilities Revenue Bonds will offer some bonds for sale to local residents after the sale is consummated. March 18 is the date set for the bond sale.

An incentive for purchasing windmill bonds is that they are tax free. City Manager Holt added that local interest in purchasing such bonds could have a beneficial effect on interest rates, and Council approved plans for advertising local sales in the Holland Sentinel, with copy prepared by bond attorneys in Detroit. Persons interested in purchasing bonds may obtain further information from City Auditor John W. Fonger.

All bonds will be in \$1,000 denominations. Would-be purchasers would have a choice on maturity dates.

Council also approved plans for the general sale of the bonds to be published in the Sentinel, the Michigan Investor and the Bond Buyer setting March 18 as date of sale.

Plan Second Dale Carnegie Course Here

ZEELAND — A check in the amount of \$360 was presented to the Zeeland Rotary Club at their weekly meeting Tuesday. It will be used for the Community Service Project Fund.

The check was presented to the club for its efforts in organizing a Dale Carnegie Courses class in Zeeland this month. Presentation was made to George Allen, general chairman of the Rotary Club project, by Bill Helderman, area manager of the Dale Carnegie Courses.

Del Huisling, Rotary Club president, announced at the meeting that the project for the Dale Carnegie Class in Zeeland was a complete success with a full class of 44 members enrolled in the current group in Zeeland.

It also was announced that a second Dale Carnegie Class is now being organized under the club's sponsorship. It will be held in Holland. The organizational meeting is scheduled for 7 p.m. on Wednesday, Feb. 25 in the West Unit of the Holland Senior High School at 600 Van Raalte Ave. All residents of the Holland-Zeeland area are invited to this preview meeting as guests of the Zeeland Rotary Club.

Heart Attack Is Fatal to Willard Hoek

Willard J. Hoek, 50, of route 2, Holland, died Friday afternoon following a heart attack. He was placing a mailbox in the yard at the home of the pastor of Calvary Christian Reformed Church when the attack occurred. He was dead on arrival at the hospital. He was owner and operator of the Hoek's Maplewood Service on Lincoln Ave.

He was a member of the Calvary Christian Reformed Church, taught in the Sunday school and was an elder in the consistory. He was also serving as clerk in the consistory and was chairman of the building committee of the newly-constructed Calvary church. He was formerly active in Pine Creek Christian Reformed Church.

Surviving are the wife, Virginia; two sons, Glenn at home and Gordon of Holland; five daughters, Judy at home, Mrs. Howard (Delores) Lampen of Overisel, Mrs. Ronald (Ruth) Hertz of Zeeland, Mrs. June Timmer and Mrs. Robert (Lois) Vander Zwaag both of Holland; 15 grandchildren; two brothers, Arnold and Walter Hoek both of Holland; two sisters, Mrs. Edward Holkeboer and Mrs. Ralph Teerman both of Holland; one brother-in-law, Germer Boven of Holland.

Port Sheldon Dickers on Fire Service

Holland Township board Thursday night offered to extend its standby fire agreement with Port Sheldon township, but boosted rates due to mounting costs.

A Port Sheldon delegation accepted with equanimity the new rates of \$1,500 per year for standby service plus \$75 per unit per run or \$100 for two or more units per run. A clause also was attached calling for a review of the agreement a year hence, based on the fact that more homes and industries are locating in Holland township and the board feels it may be spreading its services too thin, besides recognizing the fact that Port Sheldon should be planning its own service.

Port Sheldon Supervisor Ed Measom pointed to an April 1 election in Port Sheldon calling for construction of a combination town hall and fire station. Measom said Consumers Power Co. which maintains the large James H. Campbell plant in Port Sheldon Township is being most helpful.

The Holland township board gave some recommendations on needed equipment and offered assistance in planning fire fighting service. The Port Sheldon board must take official action on new rates quoted by Holland township before the standby fire agreement is official.

In other action, the township board approved plans for a 12-lot Plainview subdivision on Greenly St. at 136th Ave.

The board also was informed of progress in remodeling the town hall on 120th Ave. which will be turned into township offices. The move is expected to be made in a few months.

Panthers Win, 73-72 In Overtime

For the second week in a row, West Ottawa's basketball team came through in the clutch to win as the Panthers defeated Grandville, 73-72, in an overtime at West Ottawa Friday night before 1,000 fans.

The game was close throughout the final quarter as the lead was switching hands regularly. After being tied 59-59 with 4:22 remaining, the score moved to 64-63 in Grandville's favor with 2:55 left. West Ottawa then received two points each from Arvin Visser, Paul Busscher and Bruce Van Huis to make the score 69-67 in favor of the Panthers with 2:00 remaining and it looked like the Panthers might be able to stall for the win.

West Ottawa was not content to stall, however, and a free throw with a basket from Dok made the score 69-67 with 1:10 and a basket by Jerry Longcore with :30 left the score tied 69-69. Both teams had scoring opportunities after this point. West Ottawa held the ball for 22 of the 30 seconds and Grandville had the last eight seconds.

Neither team was scoring heavily in field goals in the overtime as West Ottawa had 0-6 and Grandville 1-6. Doug Dood of the Bulldogs drew first blood in the overtime with a free throw at 1:37 to give Grandville a 70-69 lead.

Bruce Johns pulled the Panthers through in the last minute and a half as he had done all evening having probably his finest game of the season. Johns drove down twice, drew free throws and calmly sank four in a row to account for all of the winners overtime points.

Dok of Grandville pulled his squad to within one point 73-72 with :35 left and West Ottawa was able to hang-on for the win. The Panthers were missing their clever guard, Dave Vizithum, throughout most of the last quarter as he had fouled out.

The Grandville coach admitted that it was Johns that was the difference in this game, as he was in their previous game this season. Johns controlled the tempo of play from his guard spot and his lefthand jump shot is hard to block as he gets high off the floor and shoots it as his peak height.

Johns canned 10 field goals and made six of eight free throws for 26 points to tie the varsity's single game scoring record. Bruce Van Huis had set this mark earlier this season.

The Bulldogs tried to pressure the Panthers guards periodically throughout the game but Johns and Vizithum were not having trouble getting the ball down the floor.

Paul Busscher was a pleasant surprise for West Ottawa in his first starting role as forward. Coach Jack Bonham was impressed with the 6' junior Busscher in practice this week and played a hunch in deciding to start him. Busscher, who always plays hard in a reserve role, gathered in many rebounds and tallied 15 points for his best showing of the season. Busscher drove his man three times for easy baskets in the first quarter.

Steady Bruce Van Huis again got his 18 points to hold his average steady. After scoring only five in the first half, Van Huis made nine in the third quarter and four in the final quarter. Probably more important than the points were his three rebounds in the overtime as he went after the ball high and

hard and ruled the boards with authority.

The game was close in the first quarter with West Ottawa moving to a 20-15 lead just as the quarter ended. Johns and Busscher were both strong in this quarter on scoring with eight and seven respectively with Clare Vanden Bosch getting most of the rebounds. West Ottawa held up to an eight-point lead in the second quarter but it dwindled quickly to only two points at halftime, 32-30.

The Panthers moved ahead as many as seven points in the third quarter, but the tenacious Bulldogs would not let the game get out of reach and they pulled to within four points again after three quarters, 51-47.

Jim De Ridder, a junior guard and an excellent outcourt shooter and driver in his third year of varsity play, ended with 22 points; eight in the last quarter. In the field goal department, West Ottawa had quarters of 9-17, 4-16, 8-18, 6-14 and 0-6 for 27-71 and 39 per cent. Grandville had quarters of 7-14, 5-14, 6-18, 7-23 and 1-6 for 26-75 and 35 per cent. West Ottawa made 19-31 free throws and Grandville 20-32.

West Ottawa has evened its record at 7-7 with three straight victories and is third in the Grand Valley league with a 4-3 record.

West Ottawa closes their regular season with a Grand Valley league game at home with Zeeland next Friday.

Citizens Group Opposes New Hall At Port Sheldon

PORT SHELDON — A Port Sheldon Citizens committee Thursday night were on record opposing a proposed \$138,000 township hall and fire station calling the structure much too elaborate.

Adopting the slogan "function not frills" the group proposed a \$110,000 facility which would also include fire fighting equipment. The \$138,000 plan makes no provision for the purchase of fire equipment.

The committee said their plan would "answer the needs of the township for many years at a lesser cost and more equipment."

The \$138,000 plan will be voted on by residents April 1. In other business a road improvement committee was appointed. On the committee are Russell Sakkers, George Bosjak, Lewis Van Sooten, and Morris Henry.

Dutchmen Nip Olivet In MIAA Play

OLIVET — Hope College's basketball team staged an unbelievable comeback here Saturday night to send the game into an overtime and then went on to defeat Olivet, 94-91 before 500 fans in McKay gym.

Bill Potter's tipin with one second left tied the game 86-86 at the end of regulation play and was probably the most dramatic basket the 6'4" Grand Rapids sophomore has ever made.

With eight seconds left, Olivet was leading 88-84. The Comets missed a freethrow and Hope's Clare Van Wieren, who played an outstanding game, got possession of the ball and was about to call a time out when he was fouled by Irv Sigler.

Hope then took the time out with five seconds left and Coach Russ De Vette inserted Potter and 6'7" sophomore Roy Anker. They replaced John Simons and Chuck Veurink, who had been on pressing assignments and had helped Hope whittle Olivet's lead.

Van Wieren was instructed to miss the free shot in hopes a rebound tipin could be made. The ball over the top of the rim, bounded away and four players, two each from Hope and Olivet went up in the air.

Potter got two fingers on the ball to loft it up. The ball teetered on the rim and dropped in. Olivet then called time out, its first of the game, but couldn't put the ball in play with only a half-second left.

The Comets chose to hold the ball in the overtime, dribbling around for two and a half minutes. Sigler broke through for a layup and missed and Hope got the ball and Potter put the winners in front.

Olivet tied the game, 88-88 for the 11th deadlock and picked up a free throw before Hope scored again. With 1:25 left the Comets made their final try and a basket put them up, 91-90.

Potter retaliated with 49 seconds left and Hope led 92-91. Clare Van Wieren added two free shots at :29 to give Hope the three-point win.

Van Wieren ended with 35 points, his best effort this season. He had also been the big gun in Hope's late-game drive when the Flying Dutchmen trailed 84-77 with a minute and a half to play.

Chris Buys, who added 18, also helped in the drive but fouled out in the closing seconds. Earlier Hope lost Glenn Van Wieren on fouls and the Comets' Ed Donaldson, who scored 24, also fouled out.

Hope led 46-40 at half but the determined Comets tied the game 66-66 and then with about three minutes left pushed to a 10-point 76-66 lead. Besides the seven-point lead, 84-77, the Comets also had a six-point 86-80 margin but couldn't score again in the final minute.

De Vette praised sophomores, Clare Van Wieren, who hit 14 of 25 Buys, who sank seven of 15 and Potter, who had four of eight, including two straight in the overtime. Hope made 35 of 85 in the game including three of five in the overtime for 41 per cent. The halves were 20-45 and 12-35.

Olivet, paced by Donaldson's 11 of 29, made 40 of 98, including only two of eight in the overtime for 40 per cent. They had halves of 18-48 and 20-42. At the free throw line, Hope hit 24 of 37 and the Comets, 11 of 24.

The victory was Hope's fourth in 10 MIAA games and evened their season's mark at 10-10. The Comets are 0-10 in the MIAA and 1-18 overall.

Besides Van Wieren's 14 baskets, he added seven free throws for 35 points while Buys had 18. Ron Venhuizen hit 13 and Potter and Glenn Van Wieren each made 11. Ron Te Beest, recovering from a back injury, played well.

Blue, Gold Banquet Held

A blue and gold banquet was held last Monday by Cub Scout Pack 3044 of Maplewood School in celebration of the 54th anniversary of the Boy Scouts of America.

Highlight of the banquet was presentation of the pack charter by Hugh S. Rowell, District Commissioner. The charter was presented to Marvin Dirkse, the pack's institutional representative to Maplewood School PTA.

The invocation was given by Lawrence Sharp and Cubmaster Roger Essenburg welcomed the Cubs, their families and guests including Mr. and Mrs. Hugh Rowell and school principal, Harold Ortman, and his wife.

Special music was given by Den Chief Phil Dommer who played several selections on his guitar.

The opening Flag Ceremony was in charge of Den 1 and the Pledge of Allegiance was given by all present.

Membership cards were presented to the following: Roger Essenburg, Cubmaster; Marvin Dirkse, Institutional representative; Emerson Tanis, Committee chairman; Harvey Stygstra, Ward Dommer and George Baker, committeemen; Norma Dommer, Florence Baker, Caroline Simmons and Bernice Stygstra, Den Mothers. Each Cub was then presented his membership card.

Parents of the following Cubs presented them with their awards: Wolf — Lee Tanis, Randy Simmons, Randy Essenburg; Bear — Warren Janzen, Chip Mazurek, Wendell Tanis, Buddy Van De Wege; Lion — Richard Dommer and Allan Tanis. Gold awards were achieved by Randy Essenburg, Allan Tanis, Denny Stygstra and Larry Sharp. Silver awards were earned by Richard Dommer, Allan Tanis and Denny Stygstra. Button awards were given to each Cub who had made a tom-tom, the special project for the month.

Mr. Ortman told parents and Cubs the importance of scouting and how it influenced their school life.

Closing ceremony was in charge of Den 3 and Denny Stygstra played taps.

Allegan Set For Saturday's Polio Clinics

ALLEGAN—Plans have been completed for the first of three Sabin oral polio vaccine clinics scheduled for 15 Allegan county communities Saturday, Feb. 29.

The following locations were announced by Dr. A. Peter Brachman, Allegan physician in charge of arranging the clinics: Allegan High School, Burdicks Community Hall, new Dorr Elementary School, Fennville High School, Glenn School, Hamilton Community Hall, Hopkins High School cafeteria, Casco Community Hall, Martin Elementary School, Moline Community School gym, Otsego Senior High School, new Plainwell High School, Pullman School, Saugatuck High School (for Saugatuck - Douglas area) and Wayland School girls' gym.

Clinics will operate from 9 a.m. to 6 p.m.

Dr. Brachman urges all citizens over three months of age to take advantage of the clinics. The other two types of the vaccine will be administered April 11 and May 16.

All children aged 18 or under not attended by parents will require a consent form signed by a parent.

Dr. Brachman said the vaccine will be distributed free of charge but a donation of 25 cents or more is requested from those who can afford it to help cover the cost of the project.

Assisting the Allegan County Medical Society in the project are the following community chairmen: Mrs. Wilmer Howard, Burnips; Mrs. J. Van Duine, Dorr; Mrs. Shirley Clark, Fennville; Mrs. C. Cortes, Glenn; Mrs. J. Pone, Martin; Mrs. David Blok, Moline; Mrs. Walter E. Chase, Plainwell; Mrs. Robert Brackneridge, Saugatuck; Mrs. Gerald Vander Voord and Mrs. Leo Herb, Wayland.

The vaccine is administered on a cube of sugar or in distilled water.

Mass immunization clinics also are scheduled in Ottawa and Muskegon counties the same day, but these two counties will be using the tri-valent vaccine administered in two clinics eight weeks apart. Persons living in overlapping areas of Ottawa and Allegan may go to any clinic they choose but should get subsequent doses at the same clinic.

Montello Park PTA Potluck Supper Held

The Montello Park PTA held a potluck supper Tuesday night in the school gym. In charge of arrangements were Mrs. Chester Steketee, Mrs. Dirk Bloemendaal, Mrs. Myron Becksvort, and Mrs. George Lievens. Included among those present were the student teachers this semester, Mrs. Ross Hamlin in first grade, Miss Linda Trowbridge in second, Mrs. Henry DeJonge in third, and Robert Flalko in sixth.

Special guests were three foreign students from Hope College, Gibson Dallah from Nigeria, Gilbert Ogonji from Kenya and Chris Noteboom from the Netherlands. After supper each student told something about the educational system and climate in his country. A question and answer period followed.

During the business meeting, school representatives to the Holland PTA Council, Mrs. Richard Sage and Robert Freers, reported on the council meeting they had attended.

Paul Bekker announced that because of the Blue and Gold banquet tonight there will be no adult sports night. Cubmaster John Haedicke described briefly the scouting program.

The next PTA meeting will be fun night, March 20, to which the public is invited.

New Car Catches Fire

GRAND HAVEN—A new 1964 car with only 10 miles registered on its speedometer caught fire on I-96 near Nunica in Crockery township at 1:20 a.m. Saturday. The owner, P. G. Hogan of Muskegon, pulled off the road. He was assisted by sheriff's officers. Origin of the fire appeared to be in the wiring of the engine and damage was confined to that area. The car was hauled away by a Muskegon wrecker.

Walters-Scheerhorn Vows Spoken

Mr. and Mrs. Jeffrey Walters

The wedding of Miss Sharon Kay Scheerhorn and Jeffrey Walters which took place on Feb. 14 in Fourteenth Street Christian Reformed church was solemnized by the Rev. Tenis Van Kooten in a setting of Oregon fern, brass miniature tree candelabra, bouquets of mums and snapdragons an arch candelabra and two single candles. Red and white bows decorated the pews.

Parents of the couple are Mr. and Mrs. William Scheerhorn of 99 East 16th St. and Mr. and Mrs. Raymond Walters of 228 South Maple St., Zeeland.

Miss Gertrude Beckman provided organ music and also accompanied Norman Vredevelde who sang "Because" and "The Lord's Prayer."

As the bride approached the altar with her father she was wearing a gown of silk organza with chintilly lace at the scalloped sabrina neckline which was adorned with pearls and sequins. The lace was repeated around the edge of the chapel length train. Her fingertip veil of tulle was held in place by a crown of pearls and sequins and her flowers included a nosegay arrangement of red sweetheart roses and feathered carnations and lily of the valley.

Wearing a gown of red velvet was the matron of honor, Mrs. Corie Weerstra, sister of the bride. The gown featured a bell-shaped skirt, three-quarter length sleeves and a scooped neckline. Her headdress was a red velvet cabbage rose and her

flowers included a corsage of red and what carnations on white satin hearts.

Identically attired was the bridesmaid, Miss Sharon De Witt.

Assisting as best man was Donald Zeerip and as groomsmen, David Walters, brother of the groom. Ushers were Roger Scheerhorn, brother of the bride, and Donald Strowenjans, uncle of the groom.

The bride's mother chose a cranberry red dress with black and white accessories while the mother of the groom wore a blue sheath with blue and white accessories. White feathered carnations with matching ribbons complemented the outfits.

Mr. and Mrs. Clarence Nyenhuis, uncle and aunt of the groom, presided as master and mistress of ceremonies at a reception for 110 guests held in Fellowship hall. In the gift room were Melvin Walters, Miss Rose Vanden Bosch, Art Vande Water and Miss Marie Kolff, and serving at the punch bowl were Sidney Scheerhorn, brother of the bride, and Miss Rose Walters. In charge of the guest book was Miss Betty Givens. Assisting as waitresses were the Misses Janice Barveld, Ruth Breuker, Pat De Witt, Judy Scholten, Margret Scholten and Mary Unema.

For a wedding trip to Florida the new Mrs. Walters changed to a red long-sleeved sheath with black patent accessories. On their return they will make their home at 528 West 32nd St.

Holland Woman Seeks Aid To Go on African Project

A 23-year-old Holland girl would like to spend this summer in Africa as part of Operation Crossroads Africa.

Carole Ten Brink is presently a senior at the University of Michigan School of Nursing in Ann Arbor and has had an interest in African affairs since high school days.

If she can raise the necessary funds, she will spend the summer working with other American college students in projects to help develop remote African villages.

Operation Crossroads Africa is similar in aims and work to the Peace Corps, but has no government connections of any kind.

Carole became interested in Operation Crossroads Africa after she met the Rev. James Robinson on the University of

working as a student nurse in the University hospital. She is still seeking sponsors for the remaining \$500.

In anticipation of the trip, Carole is learning to speak Swahili.

Miss Ten Brink expects to become a registered nurse and receive her bachelor's degree in May and will work in African hospitals.

Carole is the daughter of Mr. and Mrs. Martin TenBrink of 7107 West Olive Rd., route 4 Holland.

Carole can be reached at 114 N. Ingalls, Ann Arbor, or at NO 8-9289.

Two Suits Started In Circuit Court

GRAND HAVEN — Trans American Freight Lines, Inc., Detroit, Thursday started suit in Ottawa Circuit Court to recover \$17,786.66 from Clayton Quimby, Grand Haven, and Atty. George McCargar, Jr., Grand Rapids, in connection with a traffic accident June 11, 1959, in which Mr. Quimby lost his right leg.

The plaintiff claims Mr. Quimby was employed as a driver of a tractor trailer by the freight line and through July, 1963, was paid \$57 a week compensation, plus \$5,821.61 medical expenses. The total amount paid, according to the plaintiff, is \$17,786.66.

The plaintiff also claims that Mr. Quimby started suit in October, 1960, against a third party in Jackson County, and received a settlement of \$25,000 in connection with the same accident. The Detroit company now seeks to recover the money paid in compensation and for medical expenses.

Rain Aid, Inc., started suit in Circuit Court Thursday, seeking \$3,070, plus \$152.10 interest, alleged to be due on a 90-day note signed by Willis Junior Zwagerman of the Holland Pump and Well Co. on July 7, 1963.

Antarctica Is Theme at Meet Of AAUW Group

Dr. James Zumbege presented a most interesting speech on "Antarctica, the Last Continent," to member of AAUW at their meeting Thursday evening in Durfee Hall.

Until two years ago, when he accepted the presidency of Grand Valley College, Dr. Zumbege's profession was geology and his specialty was glaciers.

The largest glacier is the continent of Antarctica, which is five and a half million square miles in size.

Illustrating his talk with beautiful slides, Dr. Zumbege told about his first expedition during the Antarctica summer, October 1957 to February 1958. During this time, in connection with the International Geophysical year, more than one hundred professional glacialists from the world over studied the Antarctica. Dr. Zumbege's group engaged in the study of crevasses. They set up Camp Michigan on the Ross Ice Shelf about 60 miles from Admiral Richard Byrd's Little America No. 1, and brought in about 20 tons of equipment.

For Christmas Day the group made a Christmas tree of sorts out of bamboo, and decorated it with scraps of metal and cloth. For Christmas dinner they had a rare treat—steaks frozen and left there in 1939 by Admiral Byrd's expedition.

While in this frozen land, only 15 per cent of the geologists' time can be spent on productive scientific work because the necessary work entailed in keeping alive and traveling consumes so much time.

The next meeting of AAUW will be held March 19. Dr. Calvin Vander Werf will be the speaker.

Roman foot soldiers are said to have used bagpipes in the 6th century B.C.

Methodist Men Hold Father, Son Banquet

John Noe, principal of the Holland Junior High School, was the speaker of the evening at the annual Father and Son Banquet of Methodist Men, of First Methodist Church on Thursday evening in the church social room.

The meeting was opened with an invocation by George Damsen.

Herbert Coburn presented the evening devotional period on the subject of "Pharisees." He stressed the need of concern for all people.

Bernard Shashaguy reminded the men of the coming statewide meeting of Methodist Men at East Lansing, on Saturday, April 4, the 13th in a series of such gatherings.

Guy E. Bell, vice-president and program chairman, introduced Mr. Noe. He also announced the program for the March 19 meeting, which will be a group from the Speech Department at Hope College, under the direction of Dr. William Schreier.

Mr. Noe lectured on the Civil War, on which he has accumulated a great deal of material over a period of years. He illustrated his talk with a number of Civil War weapons, accessories and ammunition used during that conflict.

Warren Lindsey, president, presided over the meeting. The Rev. Harold Derks pronounced the benediction.

Banquet Honors Washington

George Washington's birthday was celebrated Saturday night at the home of Mr. and Mrs. Clifford Hopkins, 161 West 12th St.

The Holland Chapter, Sons of the Revolution, and guests, were invited to commemorate the occasion with their annual banquet honoring the First President.

A dinner was served by Mrs. Hopkins, assisted by Mrs. Rex Chapman and Mrs. Dallas Ruch. Invocation was given by the Rev. William C. Warner.

Following the dinner, regent Harold Whipple, called on Rex Chapman to introduce Miss Maibelle Geiger, who presented a delightful program.

Miss Geiger chose as her subject, a report on the book "Washington Wife," by Ellen Maury Slayden. This account, concerned observations dating from 1897 to the year of 1919, through the eyes of a talented woman whose husband became a Congressman from Texas.

Mrs. De Vries Dies at 81

Mrs. Milo H. De Vries, 81, died at Holland Hospital Saturday evening after being hospitalized for five hours. She had been a resident at Woodhaven in Zeeland for the past four years.

She was a lifelong resident of Holland. Her husband died in 1939. Mrs. De Vries was born in Graafschap, daughter of Dr. and Mrs. Albertus Manting.

She is survived by a daughter, Mrs. Elmer (Margaret) Wissink of Holland and two sons, Dr. Harold G. De Vries of Holland and Robert J. De Vries of Grand Rapids; six grandchildren; three great grandchildren; one sister, Mrs. Carl Brandon of Holland; one step-sister, Miss Cornelia Van Anrooy and one stepbrother, Henry Van Anrooy, both of Grand Haven.

Mrs. De Vries was a member of Third Reformed Church where she had been active in the women's organizations. She also had been a member of the Woman's Literary Club.

Old Shirts Sought For VNA Patients

An appeal for men's old dress shirts which can be made into gowns for bed-ridden patients was made at a quarterly meeting of the board of directors of the Holland Visiting Nurse Association Tuesday afternoon in Holland Hospital.

A newly formed VNA guild consists of volunteers who cut cuffs and collars from the shirts (usually white but color and figure provide variety) bind the edges and sew on tapes for fasteners. These resulting short gowns with long or short sleeves make creditable bed gowns for the sick.

Persons having worn shirts are asked to bring them to the Red Cross Chapter house at 89 West 11th St.

The Rev. Henry A. Mouw, board president, presided at the meeting. The report by Mrs. Ruth De Neff, visiting nurse, revealed 207 visits in November, 211 in December and 233 in January.

The Holland VNA, organized 13 years ago, offers professional nursing care in the home. Persons released from the hospital or those ill or handicapped may arrange for such nursing services. The visiting nurse works under orders of the physician.

A new study will be made on rates, mileage, etc., with a possible view to adjusting rates. The Visiting Nurse Association is an agency of the United Fund.

Deadline Friday For Taxes, Dogs

Friday is the deadline for obtaining dog licenses and for paying fall taxes with 3 per cent penalty at the city treasurer's office in City Hall.

On March 1, the tax rolls become delinquent and after processing are transferred to county clerk's office in Allegan and Ottawa counties. That area of Holland lying south of 32nd St. is in Allegan county.

City Treasurer Jack Leenhouts pointed out that there is a period of about two weeks in which new mechanics are set up, and no payments can be taken during this period. After March 1, the penalty is 4 per cent plus ½ per cent for each succeeding month.

After March 1, applications only for dog licenses can be taken at doubled fees. These applications must be sent to the county clerks and licenses returned by mail. The fee through Friday is a straight \$2 per dog in Allegan county and \$1 for males and unsexed and \$2 for females in Ottawa.

Miss De Graff To Speak Here

Miss Doris Jean DeGraff, executive director of the Methodist Community House in Grand Rapids, will be the guest speaker at the First Methodist Church Woman's Society of Christian Service general meeting on Thursday at 7:30 p.m.

The Methodist Community House, located at 904 Sheldon Avenue, S. E. in Grand Rapids is a project of the Michigan Conference of the Woman's Society of Christian Service and is a member of the United Community Services of Grand Rapids. The program is inter-faith and inter-racial, serving all people with a spirit of Christian concern and understanding. Some of the services offered include day care center for children of working mothers; a group work program for children in first through sixth grades; clubs for adults; special services to individuals and the larger community, as a thrift shop, layette service to expectant mothers, education classes for those without elementary education, a well-baby clinic conducted by community health services, and classes for mothers on social welfare which are planned by the Department of Social Welfare.

As part of the program on Thursday evening she will show slides of the work at Community House along with a tape-recording of music, narration and actual sound of the children in the various activities.

LICENSE SALES BRISK — Long lines have been forming this week at the license bureau at 87 West Eighth St. in advance of the deadline Saturday. Mrs. Frances Johnson, bureau manager, said the demand seems to be ahead of last year and estimated some 1,500 licenses yet to be distributed before week's end. About 1,000 licenses were sold Monday and another 1,000 on Tuesday. Mrs. Johnson is shown at left. With backs to camera are Mrs. Evelyn

Payne (left) and Kathy Hall. Mrs. Gladys Jekel of the staff is not shown. Mrs. Johnson said about 800 licenses for trucks and trailers remain to be sold but pointed out many trailer owners wait until April or May to obtain licenses. The local bureau is open from 8 a.m. to 5 p.m. but the Secretary of State announced today that all branch offices will be open until 8 p.m. on Saturday.

Dr. J. Pelon Is Speaker at Optimist Meet

Dr. John F. Pelon, of the Ottawa County Board of Education, spoke at the luncheon of the Holland Noon Optimists on Monday at the Cumerford Restaurant. He was introduced by Harvey Tinholt, program chairman.

Pelon told how the family counseling service which he conducts started on April 1, 1962, largely through the efforts of the Rev. Harland Steele, former pastor of the Trinity Reformed Church, and now having about 60 churches of all denominations co-operating. Last year 175 families with 300 children were served.

About 75 per cent of the marriages in this area, he stated, are unhappy alliances. Last year there were 722 marriages in Ottawa County with 222 petitions for divorce filed, besides many cases which were not heard. He further stated that about 85 per cent of the marriages are not making the adjustments which they should.

Among the marriage difficulties Pelon cited financial or monetary troubles as a major factor. Another problem in this area is the matter of drinking. Perhaps 80 per cent of the boys and girls of this vicinity come from disturbed homes, he said.

Last year 586 unwed mothers were cared for in the Evangelical Home in Grand Rapids. Willard Hopkins was the guest of Ray Gemmen at the luncheon.

Eagle Scouts Are Honored

Miss Walters Becomes Bride of H. Van Munster

Sixteenth Street Christian Reformed Church, decorated with bouquets of white stock and standard mums, brass candelabra, banked with palms and ferns and kissing candles, was the scene of a double ring wedding ceremony last Friday evening.

Miss Donna Mae Walters, daughter of Mr. and Mrs. Benjamin A. Walters, 82 East 14th St., and Harry Van Munster, son of Mr. and Mrs. Harm Van Munster, 279 West 22nd St., spoke their vows at 7:30 p.m. following wedding music played by Kay Cossen. Soloist, Mrs. George Prins, sang "Because" and "The Lord's Prayer."

The Rev. J. Herbert Brink officiated at the service. Wedding attendants were Mrs. Jeanne Maxey, matron of honor; Mrs. Allen Walters, bridesmaid; John Van Munster, best man; John Horsting, groomsmen; Allen Walters and Henry Kortman, ushers.

The bride who was given in marriage by her father wore a long-sleeved gown of rose pattern chantilly lace with sabrina neckline, re-embroidered with pearls and sequins. The bouffant skirt was designed with tiers of pleated lace and tulle formed a brief train. Her bouffant veil fell from a crown of seed pearls and her cascade style bouquet consisted of a white orchid and stephanotis on a lace covered Bible.

Floor-length gowns of red velvet featuring long sleeves and scoop necklines were worn by

the bride's attendants. They had matching headpieces and carried cascade bouquets of white standard and feathered mums.

A turquoise blue ribbon knit sheath dress with white accessories was chosen by the bride's mother while the mother of the groom was attired in a blue knit sheath with gold accessories. Complementing corsages included white carnations.

Eighty guests attended the reception held in the church parlors with Glenn Walters presiding at the guest book. Gift room attendants were Mr. and Mrs. Robert South and in charge of the punch bowl were Mr. and Mrs. Dieter Kortman. Ron Breuker and Miss Dena Kortman served as master and mistress of ceremonies.

A three-piece beige and brown suit with brown accessories and the orchid from the bridal bouquet was worn by the bride as the couple left on a Florida honeymoon.

A graduate of Holland Christian High School the bride is employed at Jack's Hamburger Take-Out. The groom, a graduate of Holland Christian and Davenport Institute in Grand Rapids, is employed at Holland Furnace Co.

After March 9 the couple will be at home at 35½ East 15th St.

Pre-nuptial showers were given by Mrs. Ben Walters, Mrs. Jeanne Maxey, Mrs. Allen Walters, Mrs. John Horsting, Mrs. John Van Munster and Mrs. Harm Van Munster.

Adult Education Series Offered by Family YMCA

The Holland-Zeeland Family YMCA has announced plans to start a new series of Adult Education and Family Programs at Holland High School, 600 Van Raalte Ave., starting Thursday. A-1 classes will run for a series of eight sessions. Persons interested in registering should call the YMCA office, 394-8597.

Activities to be conducted at the field house in the high school include a grade school boys and grade school girls gym class. This activity is for fourth, fifth, and sixth grade students. Time for the class is 7 p.m. A course in baton twirling will be offered for girls. This course will be for eight weeks, starting at 7 p.m. Thursday.

Also scheduled will be a woman's gym class, which will include weekly exercises to help participants stay in condition and will also include a number of activities of their choosing. A course in judo will be offered by two experienced instructors. In the beginners judo class participants will be taught the fundamentals of the sport, including poise, balance, basic skills, and simple defensive measures and general protective conditions.

Also scheduled for the field-house will be an informal volleyball game; and if enough interest is shown, there will be an informal pick-up basketball game.

Adult activities to be offered at the high school are as follows: A water color painting class will be offered under the direction of Mrs. Arthur Read. This course will offer students an opportunity to work in both transparent and opaque materials.

Beginners bridge will be offered with William Lawson and Mrs. Arthur Wyman instructing. The course will cover the basic fundamentals of the Goren point count method of bridge. Students will learn bridge terminology and the fundamental techniques used in today's contract bidding and the effective playing of cards.

Ballroom dancing will be offered for adults with instructor Mrs. Dorothy De Long. The course will be held at Mrs. De Long's studio and will start this Thursday at 7 p.m.

A course in typing and business machines will be offered at the high school under the direction of Fred Winter, typing instructor at Holland High School. This course will be a basic intermediate course in typing. The course will also give students the opportunity to learn the use of various business machines, such as a dictaphone, calculator and adding machine.

Because of its popularity the YMCA will also offer a course in knitting under the direction of Mrs. Chris Den Herder and will start at 7 p.m. Thursday. Another popular class offered by the YMCA was the interior decorating course and will again be offered. The instructor for this course is Mrs. Louis Nykamp.

A course in machine shop utilizing the facilities of Holland High's new machine shop will be instructed by Carl Todd, the shop instructor. This class will be limited to 15 students so that each may have an opportunity to learn the proper use of the lathe, shaper, milling machine, and surface grinder.

Registrations are now being accepted at the YMCA office or may be made at Holland High School this Thursday evening.

McDERMOTT SPEAKS HERE — Terry McDermott (second from left) chats with Holland Junior Chamber of Commerce president Paul Van Kollen, McDermott's wife, Virginia and McDermott's father-in-law Joe Vermeesch after speaking to the Holland Jaycees Tuesday night in Cumerford's Restaurant. McDermott, who

won the 500 meter speed skating title at the Winter Olympics, has seen little of his bride of five months while preparing and competing in the Olympics. The group flew by private airplane to Holland from Bay City Tuesday and returned to their Essexville home by plane late Tuesday night. (Essenberg Studio photo)

Holland Jaycees Hear Olympic Skating Champ

Personable, soft-spoken Terry McDermott, pushed into the world sports spotlight only 24 days ago, made his first appearance in western Michigan Tuesday night to speak informally to a group of 75 Holland Jaycees and guests.

The unassuming Essexville barber answered questions for more than an hour on all phases of speed skating, a subject unfamiliar to most of the audience, but which brought McDermott and the U. S. the only gold medal in the Winter Olympic games in Innsbruck, Austria.

McDermott, who has had only two meals at home in the last five months, has felt he can help the Olympic cause with his many appearances at varied events.

It has to be because it's all gratis and McDermott gets only his expenses. As a member of the Amateur Skating Union, McDermott has rigid instructions as to what he can and can't do.

He spotted a Jaycee Sports Show poster containing his picture and promotion on his appearance here March 26.

He quickly informed Holland Jaycees that the posters couldn't be used unless his picture was eliminated. "My name can't be used for any drawing card," McDermott said.

McDermott, his wife Virginia and his father-in-law Joe Vermeesch flew by a private plane flown by a Bay City pilot to Holland and returned to Essexville in a private plane piloted by Bob Hall of Holland. It was Vermeesch's first flight.

Expenses totaling about \$25 for both flights were paid by the Jaycees. McDermott hasn't been on skates since Feb. 4 in Austria but plans to skate in St. Louis, March 8 and in Buffalo the day after he appears at the Sports Show.

McDermott made a strong pitch for increased speed skating facilities in the U. S. "We don't have a 400-meter track in the U. S. while Russia has 40," he said. "Each one of the 16 Russian skaters had a personal coach," McDermott said.

He felt the government should assist in getting better skating facilities and that the sport needed the backing of the people.

Commenting on the U. S. athletes, McDermott said "We were the only true amateurs. The other countries are subsidizing their athletes." He said Grishan, his Russian foe and the 500-meter favorite, was "not gracious" after McDermott beat him.

Outlining his race, McDermott said "I'm best at the start for the first 300 meters and try to hold my form for the last 200 meters." Prior to making the team while training in Colorado, McDermott hiked five miles each morning and skated four hours a day.

While in Norway and at Innsbruck prior to the Olympics, McDermott trained between two and four hours a day right up until the race. His best clocking was 39.6 last December in Colorado on a track made especially for the Olympic tryouts. His Olympic world record breaking time was 40.1 and the world record is 39.5.

The Michigan speedskating organization had to raise \$1,600 to send for the speed skating contingent, McDermott said. McDermott was the only state skater to make the Olympic team. It cost specifically \$400 to send McDermott. The money was raised by donation.

McDermott lauded the close relationships he enjoyed with other Olympic athletes and retold the publicized story of the borrowed skates on which he won the race. He borrowed the skates in December and turned in the 39.6 time and decided to "stay with a good thing."

He explained how the European or Olympic style skating is by pairs against time while the Americans skate "in a pack" like a track meet. He felt spectators enjoy the "pack" races but said if "top stars were paired in Olympic type races" it might draw crowds.

McDermott said crowds of 40,000 view speed skating in Norway. McDermott was busy barbering Tuesday but confided that he "had a day off" today. He will be back cutting hair Thursday, a trade he learned while a classmate of Bob Tubergen of Holland in a Detroit barber college, but has little time to practice during the past 19 weeks.

30 Students Assist YMCA Program Here

"A little less sack — a lot of satisfaction!"

This is the report from 30 Hope College students who forego extra hours of sleep Saturday mornings to help out with the local YMCA recreation program.

Held weekly at the Holland Armory for approximately 100 elementary school children, the Hope men and women assist their charges in such sports as basketball, volleyball, tumbling relay games and BB gun shooting for boys, and crafts, dancing, team sports, and games for girls.

A second phase of the YMCA program using Hope student assistance is the Gra-Y program for boys of grade school age which meet each Thursday from 3:30 - 4:45 p.m.

About 70 boys from Washington and Lincoln schools enjoy swimming, basketball, games, and take trips to factories, museums and theatres as part of the Gra-Y program.

The men of Hope's five fraternities have shown their interest in these YMCA Youth programs by purchasing much of the physical education equipment used by the boys and girls.

Richard Hofferbert, general secretary of the Holland-Zeeland Family YMCA commended the Hope students for their efforts. Hope students working with YMCA Youth Director Jim Edgar at the Holland Armory include: Steve Nordstrom, Fred Summers, Bill Smith, Keith Van Zoeren, Stuart Levey, Richard Welsh, Bob Edwards, Carl Wolters, Ken Goodwin, Barb Alhart, Judy Bell, Karen Beck, Cindy Clark, Sharon Chapman, Nancy Alexander, Janet Ackerman, Diane Joldersma, Sandy Mitter, Ruth Sagendorf, Grace De Graff, Kathy Owen, Peggy Force, Judy Swieringa, Pat Gleichmann, and Becky Richards.

The following students work as Gra-Y leaders: first semester — Rich Huyler, Steve Nordstrom, Gram Duryee, Don Sill, Fred Summers, Ed Klotzberger, and Roger Maxam; second semester — Bill Smith, Bill Simmons, Bill Pryts, Richard Welsh, Jim Lohman, Rod Broman, Randy Miller, and Brad Walton.

Osage Woman Hurt In Car-Train Crash

OTSEGO — Betty L. Tourangeau, 35, route 1, Otsego, was in satisfactory condition Saturday at the Allegan Health Center, where she is being treated for head injuries and lacerations received in a car-train crash at 4:55 p.m. Friday.

The car driven by Mrs. Tourangeau collided with a New York Central train at 112th Ave. and 20th St. near Otsego. Allegan sheriff's department stated that Mrs. Tourangeau's 1960 model auto was totally destroyed.

The Rebels Quartet of Tampa Fla., visited friends in this vicinity over the weekend.

Volleyballs

Have you looked at the expiration date on your operator's license lately?

It's your own birth date, you know, and renewals fall due every three years. Holland residents apply for renewals at the police station.

You don't have to take a written exam or a road test for a renewal, but you will have to take an eye test—a simple procedure involving snazzy machine with numbers and signs in color.

For those applying for new licenses for the first time, road tests are scheduled on Mondays.

And you may apply for renewals 90 days in advance of your birthday.

Like most tourists, Bob Horner of the Moorings likes to talk to other people while on trips, and gas station attendants are easily the most voluble of such casual contacts.

On a recent return trip from California, he "met up" with two Michiganders working in filling stations. One was a chap by the name of Joe Oliva, formerly of Muskegon, working in a station in Sherman Oaks, Calif. The other had the name of Yonker and he was working deep in the Navajo country at Tuba City, Ariz. Yonker formerly had lived on a farm in Overisel.

State Rep. Riemer Van Til had the honor and privilege of giving the Lincoln Memorial address Feb. 12 in the House of Representatives in Lansing. The address appeared in full in the journal of the House of Representatives. He said, in part:

"No longer is Lincoln the exclusive property of the Republican party — time has made him an All-American; in fact, he is claimed today by all of civilized humanity. His greatness is such that political partisans of every shade, left and right, invoke the blessings of his spirit upon whatever scheme they may dream of in the name of humanity."

"Lincoln had a realistic sense of his own destiny. Lincoln knew there were limits to rational human activity. Now, at the end of three years of struggle," he said, "the nation's condition is not what either party, or any man, devised or expected. God alone can claim it."

"Although having the torch of freedom in his hand, he did not run ahead of God with it. Lincoln therefore did not propose to absorb humanity of its responsibilities, nor to shield it from all its woes, but to provide that all people should have equal opportunity to pursue happiness if they would."

"Lincoln had another ally — that of his understanding of human nature. He used and maneuvered his friends and opponents adroitly to accomplish his goal. Lincoln said 'Human action can be modified to some extent, but human nature cannot be changed.'"

Holland residents still occasionally get together in Florida. A family reunion was held during the Christmas holidays in Fort Lauderdale for the Ralph Dokter family for the first time

in seven years. Attending were their seven children, Mr. and Mrs. Jason Volkers, Stephen and Calvin of Fort Lauderdale; Mr. and Mrs. Vernon Dokter and David of Fort Lauderdale, Dr. and Mrs. Henry Telgenhof, Dawn and Lorri, of Zeeland; Mr. and Mrs. William Bradley and Billy, Susan and Scott of Fort Lauderdale; Mr. and Mrs. Ralph Dokter Jr., and Curtis, Jim and Jayne of Holland; Pat, a junior at Calvin College, and Tom, an 11th grade student at Northeast High School in Fort Lauderdale.

The Mothers March in Holland was a great success. To date more than \$7,200 has been collected. Some gifts for the March of Dimes are still trickling in, and may be sent to Mrs. Andrew Dalman or Mrs. Irvin De Weerd.

It's newcomer time again. Several families have been welcomed to Holland during January by the city hostess.

PLAY AT WEST OTTAWA FRIDAY — Zeeland High's basketball team closes the regular season Friday night against West Ottawa in the West Ottawa gym. The game is a Grand Valley League contest. The Chix have an 0-7 league mark and are 1-13 overall. Kneeling (left to right) are Jack Pikaart, Bruce Vander Meulen, Marlin Vis, Ford Berghorst, Ron Stygstra and Rick Van Kley. Standing are Coach Paul Van Dort, Bill Wetherbee, Stan Veenstra, Bob Essink, Lloyd Schout, Steve Overweg and manager Mike Nagelkirk. (Robertson photo)

West Ottawa Hosts Zeeland Friday

Neither team can improve itself in the Grand Valley League basketball standings but emotions will be high as West Ottawa entertains Zeeland in the regular season's final game Friday at 8 p.m.

The Panthers have sewed up third place with a 4-3 record while Zeeland is in the basement with an 0-7 mark.

West Ottawa won the first meeting of the two teams this season, 57-48. Since then the Panthers have won three of four including the last three in a row.

Zeeland has a 1-13 record and

although the mark is dismal the Chix have shown improvement the last month. Zeeland hasn't been trounced in several games and have setbacks of between eight and 14 points.

West Ottawa brings an overall 7-7 record into the final game. Coach Jack Bonham's hunch paid off last week as he started 6' junior Paul Busscher for the first time and he came through with 15 points and was strong on the boards.

Busscher will start at one forward with senior 6'11" Clare Vandenberg, who has shown rap-

id improvement, at the other. Bruce Van Huis, 6'4" junior and the team's leading scorer, is the center while the guards are 5'10" junior Dave Vizithum and 5'11" senior Bruce Johns.

Coach Paul Van Dort will have his leading scorer 6'2" junior Lloyd Schout at one guard with 5'8" junior Rick Van Kley at the other.

Stan Veenstra, 6'2" forward and lone senior on the club, is one forward and 5'10" junior Ford Berghorst is the other. The center is 6'2" Bob Essink.

The reserve teams tangle in the 6:30 p.m. preliminary.

Sale of Oilers Falls Through

Purchase of the Holland Oilers basketball team by a group of four Holland investors fell through today and the ownership of the club has reverted back to Mrs. Mary Ellen Cook.

In a surprise announcement, former coach and general manager Don Cook of Holland and his wife, Mary said "that the sale of the Holland Oilers to the prospective purchasers could not be consummated due to time factors affecting certain conditions of the sale contract."

The announcement stated "this does not preclude the possibility of a sale at the end of the season." Cook said "we may discuss the sale of the club during the summer months."

A group of investors, Howard Plaggemans, Gerald Roper, William Dunn and Fred Bertsch, announced the purchase of the club from Mrs. Cook on Feb. 15.

The new owners named Bill Reigel player-coach and the Oilers played under the new owners last Saturday night.

Earlier last week, the Midwest Basketball League had unanimously accepted the new owners.

Cook said "it looks like I'll be running the team in Holland next season and the dominance of Grand Rapids running the league will come to an end."

As far Cook going to Lansing to be general manager of a team, Cook said "this apparently is off." "Grand Rapids doesn't want to see me in Lansing." The question of the Lansing franchise was tabled at last week's league meeting.

Cook reported "the players have already contacted me and are fired up and ready to go" against the Tackers Friday in the Civic Center. He felt the team lacked luster in the loss to Chicago last week.

Plans are being made, Cook said, to bring in an undefeated team from the East and another undefeated team from the Midwest to challenge the Oilers and a major college all-star team is being formed to play against the Oilers.

Registration Adds 380 New Voters

A total of 380 new registrations including 161 Monday have been filed by the city clerk's office in advance of the special school election March 24 in which school district voters will vote on 3 mills for 3 years for school operations.

Monday was the deadline for registering for the school election. The clerk's office in City Hall will take registrations for another upcoming election April 28 to vote on a charter question of salary for the municipal judge, but these registrations will be kept separate until after the school election.

The clerk's office was open from 8 a.m. to 8 p.m. Monday, and during the last two hours 80 persons registered.

Three mills on equalized valuation amounts to approximately \$5.49 per \$1,000 assessed valuation. The millage would yield approximately \$247,000 a year, provided the equalized valuation remains around \$22,500,000 for the school district. Final determination on the equalized figure will be made in May by state authorities.
