Residential Average Up 25 Per Cent

## Assessments Up in Holland

Notices of changes in all property assessments in Holland City were in the mail today, boosting city assessments an estimated \$19.8 million, according to City Assessor Robert Nienhuis.

Similar changes are in store for all cities and townships in the Ottawa-Allegan area. For Holland City, the main increase is an estimated 25 per cent in all residential and agricultural properties, with some changes in commercial property and a few changes in industrial property.

Nienhuis explained that increases in residential properties ran from 10 to 50 per cent with the average around 25 per cent. The changes are the result of a new study by the county equalization department, affecting adjustments in an attempt to assess properties at 50 per cent of true cash value.

Overall increases represent 20.2 per cent in Ottawa and 12.2 per cent in Allegan.

Total increases will boost total assessed valuation to \$150.5 million for Holland City from the 1976 total of \$130.7 million. This total does not reflect new building the past year.

This is the first overall reassessment since the James Laird & Associates study in 1972.

Holland Township has notified its property holders of adjustments reflecting a \$7½ million increase in assessments, roughly 25 per cent on residential and agricultural properties.

The new adjustments will wipe out of equalization factor in Holland City. Last year the factor was 1.071 for the Allegan County portion and 1.096 for the Ottawa County portion.

Notice of the changes comes on a computer card 3 by 6 inches, listing the new assessment, the previous assessment and net increase.

Nienhuis is of the opinion that for senior citizens, any increase in taxes should not affect the taxable status provided household income is not changed to any great degree.

Board of Review meetings to hear objections to assessments (or other business) are slated in City Hall March 8-11 from 9 a.m. to noon and 1 to 4 p.m. An evening meeting is scheduled Thursday, March 10, from 7 to 9 p.m.

## Home Show Brings Conservation Ideas

Energy conservation techniques will be a major theme of the 21st annual Holland Home Show sponsored by the Exchange Club which opens Tuesday, March 8, Civic Center.

Of the 53 exhibitors in the show 40 of them have something to do with energy conservation, show officials said. Exhibits range from educational, new products and materials to experts discussing ener-

gy saving ideas.

Profits from the show will go to Exchange Club community projects. In past years \$75,000 has been used for free milk, hot lunches, orthodontic assistance and more recently Tot Lots.

Space in the Home Show has been donated this year to the police and fire departments to promote crime prevention and fire safety.

Home show officials were expecting the largest crowds in history based on the advance ticket sales.

The show will be open from 6 p.m. to 11 p.m. Tuesday through Friday and 2 p.m. to 10 p.m. Saturday.

Show manager is El Sienk and the chairman of the home show committee is Ed Lindgren.

Part of the work of the Exchange Club involves the Exchange Club Foundation which this year received a \$5,000 gift from the Jacob Fris Trust. The \$5,000 would become part of the matching funds necessary to implement a federal grant of \$30,200 for the De Graaf Nature Center.

This year the foundation expects to distribute \$16,000 according to chairman Robert Kuiper.

The board approved \$3,000 in support of Crime Prevention week, Ottagon Alcohol Rehabilitation, Silent Observer, Upward Bound and other charities.

Expansion of the Tot Lot program is under consideration. New locations under study are the Graafschap and Central Park site would be designed for Park playground areas. The Central Park site would be designed for use by handicapped children.

In past years \$30,000 from Home Show receipts has been used for the Tot Lots and the 1977 contributions would bring to \$43,000 the total donation for the seven lots.

Foundation board members include Gary Beckman, Vern Schipper, Carl Miller and Jack Aussicker.

## Narcotics Raid Brings Three More Arrests

At least ten persons have been arrested on drug related charges since Friday as Holland police and deputies in Allegan and Ottawa Counties continued their investigation.

Three persons were arrested in Holland Tuesday evening and three others arrested Monday were arraigned in District Courts Tuesday.

Holland police and Ottawa County deputies took three persons into custody in a raid at a residence along Columbia Ave. at 6:30 p.m. Tuesday.

Confiscated was a quantity of narcotics and paraphernalia. Authorities said warrants were being sought for others as the investigation continued.

Arraigned in Allegan District Court Tuesday was Diane Fischer, 17, of 4671 Pine Dr., who pleaded guilty to possession of marijuana and paid fine and costs of \$75.

Arraigned in Grand Haven District Court Tuesday were Vicki Schwander, 18, and Maigue Lopez, 19, both of 615 Douglas Ave., who demanded examination to charges of possession of marijuana with intent to deliver. They were released on \$500 bond each to return March 8 for a hearing.

More Private Home Listings Needed

## Housing Bureau Already Busy for Tulip Time

The Tulip Time housing bureau is going ahead full speed these days in festival headquarters in Civic Center for the 1977 festival May 11-14.

Advance reservations for rooms are as heavy as ever and the two housing bureau leaders, Mrs. Henry Buursma and Mrs. Larry Johns, already are aware they need more private home listings if requests are to be met.

Guest home application blanks have been mailed to all "old faithfuls" who have been entertaining Tulip Time visitors over the years.

Others who would like to play host may call the Tulip Time Housing Bureau (two numbers listed in the telephone book) or may stop in at headquarters for the blanks.

The Tulip Time office is open Monday through Friday from 9 a.m. to noon and 1 to 4 p.m.

Mrs. Buursma, who has been with the bureau for many years, said most local persons who open their homes have fond memories of the experience and many have made lifetime friends.

In many cases, entertaining

## Two More Arrested In Drug Raids

Two more arrests were made Monday night and others were expected as the investigation continued into suspected marijuana and drug use and sales in the Holland area.

Four persons arrested in raids Friday and early Saturday by deputies in Allegan and Ottawa counties and Holland police were arraigned in District Courts Monday.

Bradley Lambrix, 20, of 10 West 19th St., stood mute at his arraignment in Holland and the court entered a plea of innocent to a charge of possession of a controlled substance. He was released on personal recognizance bond of \$2,000.

Scott Douglas Hendry, 21, of 92 West 16th St., demanded preliminary examination to a charge of possession of a controlled substance and bond of \$1,000 was not immediately furnished.

Terry Lester Robertson, 24, of 6740 144th Ave., pleaded innocent in Grand Haven District Court to possession of marijuana and bond of \$100 was furnished. A pretrial date was not set.

Alan Fischer, 23, of 4671 Pine Dr., Holland, pleaded guilty in Allegan District Court to charges of possession of marijuana and paid a fine and costs of \$100.

Ottawa County deputies and Holland police Monday night arrested two persons in Holland township and seized a quantity of suspected marijuana and Allegan county authorities indicated additional arrests were pending.

The raids began Friday and have been a joint effort of the three law enforcement agencies.

## March Comes To Holland Like Gentle Lamb

March came in like the proverbial lion today in the Pacific Northwest where a major storm swept the area with winds up to 60 miles an hour.

But everything was lovely in Holland even though the temperature slumped to 8 degrees above zero overnight. By 11 a.m., the mercury had risen to 25. Bright sunshine persisted through the morning.

## School Reports Ailing Students

County health officials welcomed a day off Monday for West Ottawa school district students following a out-break of a flu-like illness among students and teachers at Woodside elementary school this week.

Monday is an in-service training day for the teachers. Officials said a third of the 300 students and 12 teachers at the school were reported out of class at Woodside Thursday and a county health nurse was sent to examine the students in class.

Officials said most of the ailing students complain of sore throats and upset stomachs and began staying away from class as early as Monday.

IN APPRECIATION — Marvin De Witt, (right) president of Bil-Mar Foods, presents a clock manufactured in Zeeland to Dr. Earl Butz, former U.S. Dept. of Agriculture Secretary, in appreciation for his

speech to a large audience in Zeeland High School Tuesday night. De Witt, a long-time friend of Butz, arranged for his appearance in Zeeland.

Travel Bureau Offers Services for Study

## Expand Tulip Time To Two Weekends?

Expanding Holland's Tulip Time festival to include two weekends was advanced by a Michigan Travel Bureau representative at the monthly Chamber of Commerce Early Bird breakfast Tuesday in Warm Friend Motor Inn.

Bruce McComb, who conducts economic and feasibility studies in tourism for the state, said a two weekend festival would ease crowd capacities and yield considerable economic benefits, but he recognized many problems associated with such a major move.

He said the Michigan Travel Bureau stands ready to assist the city and the Chamber of Commerce in whatever feasibility studies would be necessary. He recognized that Tulip Time, the premier festival of Michigan, is largely a volunteer effort, but he felt a thorough study would reveal benefits which would outweigh practical problems.

He said some people do not recognize that Tulip Time is big business in Holland, a festival that generates \$16½ million here and in other places where festival guests stay.

He was of the opinion that a two weekend festival would add another 30 per cent in visitors the first year and that in two or three years, the crowd factor would grow 50 to 70 per cent.

"Our Chicago office has often had to discourage Tulip Time visitors because all hotels and motels are filled for miles around. And our Lansing office has learned not to book conventions for that period in May because accommodations there are filled by Tulip Time guests," he said.

McComb spoke in place of

Jack S. Wilson, bureau director, who was ill.

His address concerned the economic impact of tourism in Michigan. He said 31 million people traveled in Michigan in 1976, many of them within the state electing to spend their vacations near home. He said the tourism generates \$3.9 billion a year in the state and provides some 137,800 jobs in housing, food, entertainment and related areas.

He said Michigan ranks seventh in tourism in the United States and is the leader in tourism in the Great Lakes area. He stated Ontario is expending huge sums promoting that province as a vacation spot, and this cuts into the Michigan market.

He spoke of the need to expand the tourism potential in Michigan, not only because the state has high unemployment but because of trends in automotive manufacturing and the conviction that the state's preeminence in this field probably hit its high point in the 50s.

"We must upgrade and maintain what we have in tourism," he said.

In the years before World War II, Holland had eight and nine-day Tulip Time festivals. The program listed street scrubbing and parade on the first Saturday, children's costume parade on Wednesday, and parade of bands the second Saturday. Psalm sings and hymn sings were held on Sundays.

When Tulip Time was reactivated after World War II, a four-day festival was designed incorporating all the attractions of the nine-day festival, plus many more features.

## Census Up At Hospital

Census at Holland Hospital was up Tuesday to 173, or 87 per cent of capacity which is well within guidelines of "operating in the black."

The cost cutting program and layoffs which went into effect Feb. 21 still remain in effect, but a number of persons laid off are back at work. Director Fred S. Burd said. Each department is operating separately in calling back laid off employees.

The hospital administration is proceeding cautiously as the census situation improves and will continue careful reviews into all operations.

As of Monday afternoon, all nursing units were back in operation.

Layoff procedures which went into effect last week because of low census since November were coupled with a cost reduction program aimed at cutting 10 per cent from the hospital budget, equal to \$77,300 a month.

## Binoculars And Parrot Missing

Two break-ins in which a parrot and a pair of binoculars were taken were under investigation today by Holland police.

A parrot and cage valued at \$350 were taken from Jonker's Garden Center, 897 Lincoln Ave., by someone who scaled a fence along the south side of the property.

Harve Nyhof reported a pair of binoculars valued at \$50 missing from a home at 208 West 10th St. where a break-in was reported Tuesday.

## Bids Sought For Water Mains And Lake Crossing

Bids are to be opened March 17 for a water expansion program that will bring municipal water supplies to the south side of Lake Macatawa through a pipeline beneath the channel at Macatawa.

Park Township Supervisor Jay Van Wieren said bids for the project are to be opened at 10 a.m. March 17 in the Park Township office. Contracts are scheduled to be awarded by March 25.

Bids are for two projects. One includes 29,300 feet of water main from Perry St. south to Ottawa Beach Rd., west to the channel and then from Point West to 32nd St. and east about four miles.

The other project is the 1,100 foot channel crossing with 30 inch water main.

Funds for the project are included in a federal grant designed to provide jobs for areas of high unemployment.

## Wicks Pulls Paper To Win Election

ALLEGAN — Carl Wicks drew a piece of paper with the word "nominated" during ceremonies Monday in the County Clerk's office breaking a tie vote and defeating incumbent Bruce Troutman for a spot on the general election ballot for village council.

Wicks and Troutman finished the primary election with 52 votes each and the drawing was necessary to break the tie to fill the remaining ballot position for three two-year terms.

Other Republicans who won the primary balloting were Larry Phillips and Richard Snyder.

Earl Butz Tells Audience in Zeeland

## Agriculture New Power in World

by Ann Hungerford  
"Without arguing about right-to-life or abortion, once life is in the human body he has a right to food," former U. S. Dept. of Agriculture Secretary Earl Butz stated.

Addressing a group of approximately 400 farmers and interested citizens at Zeeland High School Tuesday, Butz discussed the premise that "the world is on a collision course. Population is growing at a geometric ratio and food production at an arithmetical ratio. And one day they will meet."

The problem, Butz explained, is to increase food production before the population levels off. Estimating that food production must double in the next 25 years to meet an 80 per cent increase in population, Butz urged members of his audience to lobby for additional money for research.

"Money for research is not popular now," Butz said. "We're not hungry. There is no food crisis."

Discussing his disappointment with the world food conference in Rome two years ago, Butz said the emphasis was on "redistribution rather than increase production. The real problem is to increase output."

"There is a new dichotomy of power in the world: petro power and agri power. The United States is unique in the world with the largest continuous land mass for agriculture," Butz said.

Currently Purdue University dean emeritus, Butz described his disgust with congressmen who sport signs "food is for people, not for profit."

"They should be voted out in the next election," he noted.

"If there is no profit in food, there is no food for people," Butz countered. "It is major incentive that makes America move ahead."

"America can no longer exist as an isle of affluence in a sea of misery. I regard the American farmer as a front line fighter," Butz said.

"We have got the key to peace in our hands but we better have a little profit. We've got to keep government out of the commodity business... keep the dead handed bureaucracy out," he added.

Butz discussed the power the United States possesses with its agricultural production but described it as "a new role, it's awkward for us."

"It isn't a question of 'can we feed the world?' Of course we

can or they wouldn't be here. It's a question of how well we feed them. Can we make well fed people the basis of peace in the world?" he asked.

Butz reaffirmed his belief that the at some point the population will level off "whether by disease or starvation but it will level off," he said.

"We can feed the world if we support research and train scientists and if we move agriculture higher up on our priority list here and around the world," Butz concluded.

During a brief question and answer session Butz declined critical comment on the handling of the PBB situation.

"On the emotional side, it's been played out of its importance. You have to balance the benefits versus the risks," he said describing the use of chemicals.

"PBB was purely accidental," he said.

"God put the worm in the apple. It's a natural state. But man took the worm out of the apple. And man had to use a deadly poison to get the worm out. It's a question of benefits."

"The use of phosphorus gives the environmentalists something to crab about," Butz said earlier in his address.

Preceding Butz on the program was Dr. Sylvan Wittwer, director of the Michigan State University Agricultural Experiment station who discussed "Michigan's Agricultural Potential."

Carl Hoyt, county extension agent chaired the program and Marvin De Witt, president of Bil-Mar Foods introduced Dr. Butz.

## Area Residents Appear in Court

GRAND HAVEN — Ralph Garcia Hughes, 25, of 369 Aniline Ave., Holland, placed on probation in December under a charge of resisting a police officer, was ordered released after his jail sentence was reviewed in Ottawa Circuit Court Monday.

Carol Gross, 18, of 106 West 14th St., Holland, was placed on delayed sentence status and ordered to pay \$150 in costs for attempted larceny from a building.

Daniel Lee Smith, 19, of 11466 James St., Holland, was placed on probation and given credit for jail time spent on delayed sentence status.

Amount to Be Determined Soon

## Millage Election Slated April 12

The Holland Board of Education set Tuesday, April 12, as date for a special operating millage election for Holland district at a special meeting Monday night in the administration building.

No millage amount was set but the board spent an hour discussing projected costs, taxes, etc. Final determination must be made within 12 days, Supt. Donald L. Ihrlen said.

The 16.7 mill levy voted for three years in 1974 expires this year. Together with the 10.25 mills granted by the allocation commission, the Holland district has been levying 26.95 mills for operations the past year.

Income projections and costs drawn up by Business Manager Lee Van Aelst revealed that it would require 31 mills next year to provide the same quality program for Holland district. Board President Charles Bradford explained that the three-year 1974 program had provided a surplus the first year which was absorbed by a deficit program the next two years.

Van Aelst's report listed financial projections for the next three years on the basis of 31, 30, 29, 28 and 27 mills, coupled by program reductions and income projections based on expense for less than 31 mills.

Bradford expressed regret that state aid is reduced as local tax revenues increase. Thus, this week's announcement in increasing assessments in Holland city will have little effect on school operational tax rates.

State regulations now require a school district to levy at least 30 mills in order to receive full state aid. Each mill under 30 reduces local revenues and state aid dollars.

Suggested program reductions at 30 mills list closing Federal School and eliminating classes at Montello, reducing an administrator and six teachers, also reductions in capital

outlay and staff reductions of three secondary teachers plus other reductions for total of \$255,100. This would involve a total budget of \$8.3 million.

Suggested reductions at 29 mills would be those already listed plus elimination of elementary specialists, \$25,000 in capital outlay, \$40,000 in supplies, etc. for total reduction of \$455,100 leaving total budget at \$8.1 million.

Additional reductions at 28 mills would cut all athletics and programs for \$140,000 and other staff reductions for total reduction of \$651,500 for a total budget of 7.8 million.

Additional reductions at 27 mills would eliminate more staff positions, extra pay positions, special materials, all music, driver education and raise hot lunch fees, for total reduction of \$847,500 leaving budget at \$7.6 million.

All board members were present and unanimously adopted the resolution calling for the special election. Last day for registering will be March 14.

On suggestion of Robert Goslar, the administration is considering cutting down polling places since voting traffic is light at a one-issue election.

At the close of the meeting, President Bradford announced the board had met with its legal consultant, Jack Marquis, that afternoon and heard a settlement offer from the Lansing firm of Doyle, Whitmer and Carruthers on legislation on the athletic field sewer litigation.

Terms of the settlement are yet to be worked out and attorneys are preparing a draft of the settlement document. Since the Lansing firm is involved in court three days this week and three days next week, this may require some time but Atty. Marquis was instructed to proceed with all possible speed. Bradford reiterated that terms of the offer will be made public before action is taken.

# Zeeland Defeats Panthers, 72-59

## Eagles Are Next For Chix Five

by Jodie Brown

The Zeeland Chix playing their first basketball game of the Class B District tournament with a 7-12 record, defeated the West Ottawa Panthers, 72-59, Tuesday night.

The last time these two teams went to battle, West Ottawa defeated Zeeland in triple overtime.

As the first tip off was controlled by West Ottawa, the Panthers prepared to set up their first shot. With an early turnover, Zeeland attempted the same. Both teams continued to shoot, and remained scoreless for two minutes until West Ottawa finally scored at the 6:20 mark.

Both teams continued to trade baskets increasing their scores, with the lead changing hands seven times during the quarter, and three points being the biggest margin for either team.

Fine outside shooting by Brian Shaw and Randy Vander Ploeg kept the Panthers alive by shooting over the aggressive Chix zone. The first quarter ended with West Ottawa on top 17-17.

Second quarter action began with West Ottawa putting the Chix down to a six point deficit. With 6:02 remaining in the second quarter, sophomore, Pete Klein replaced Rick Weststrate who had obtained his third foul. At that time West Ottawa enjoyed its biggest lead 24-18.

However, Zeeland made six straight points to tie the score at 24 apiece. The score was tied three more times during the quarter, but with the Panthers scoring mostly from the outside, they retained the lead 38-35 at the half.

Zeeland turned things around in the third quarter by scoring 23 points compared to West Ottawa's 12. Zeeland broke the game open gaining an 11 point advantage, due to many turnovers by the Panthers, and by controlling the boards at both ends of the floor. The Panthers hung into decrease the margin 58-50 at the end of the third quarter.

At the beginning of the fourth quarter Coach Ted Hosmer decided to give Randy Vander Ploeg and Marty Klein a rest by substituting Rick Smith and Rob Hunter.

With 5:50 remaining the Chix went into a deliberate control type offense. Once again the five starters were back in the game and with the tough offensive playing of Mary Haltenhoff, Marty Klein, and Rick Weststrate, the lead was cut down to 62-58 with the Chix on top.

Zeeland used delaying tactics and continued to score until time ran out with the Chix winning 72-59.

Marty Klein was high scorer for the Panthers with 17 points followed by Shaw with 15, and Vander Ploeg also in double figures with 12.

Larry Kortering was high for Zeeland tallying in 19 points, with teammates Dennis Hassevoort scoring 16 and Jeff Jungling 15.

The Chix play Hudsonville Thursday at 7:30 p.m. in the semis.

West Ottawa (59) — Shaw, 5-5-15; Vander Ploeg, 5-2-12; Weststrate, 2-2-6; Haltenhoff, 2-0-4; Klein, 7-3-17; P. Klein, 1-1-3. Totals, 23-13-59.

Zeeland (72) — Kortering, 8-3-19; Semple, 4-0-8; Hassevoort, 8-0-16; Jungling, 5-5-15; Kalkman, 4-1-9; Ruch, 2-1-5. Totals, 31-10-17.

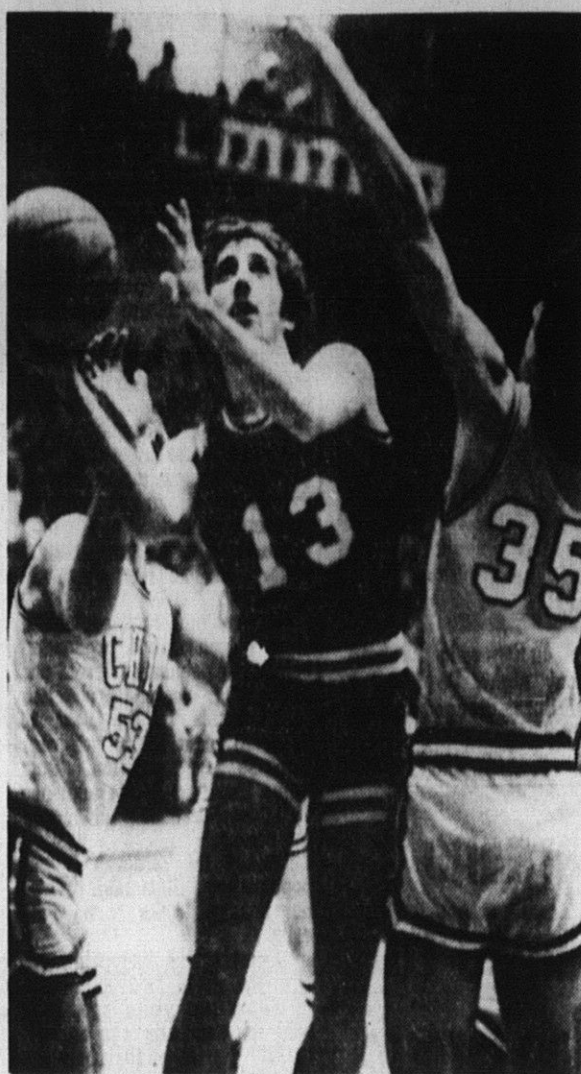

## Steven Kuna, 52, Dies in Hospital

Steven A. Kuna, 52, of 1886 Lake St., died Sunday in Holland Hospital shortly after being admitted, following a heart attack.

Born in Holland, he had lived in the area all of his life and owned and operated the Pak'n Sak Party Store. He was a veteran of World War II.

Surviving are his wife, Phyllis; a son, Steven Jr., of Grand Rapids; a daughter, Mrs. Gerald (Mary) Klomparsen of Holland; two grandchildren, Preston Scott and Thomas Ryan Klomparsen; four sisters, Mrs. John (Cecelia) Piersma of Grand Haven, Mrs. Henry (Rose) Slenk, Mrs. Raymond (Zita) Mulder and Mrs. Charles (Sally) Vande Water, all of Holland, and two brothers, Ted Kuna of Lansing and Luke Kuna of Holland.

An auto driven by Thomas Lee Kraker, 18, of 10604 Adams St., eastbound on Eighth at tempting a left turn, and one driven by John David Van Raalte, 41, of 109 Birchwood, westbound on Eighth, collided Thursday at 6:11 p.m.

FLIPS IN TWO — Talented Brian Shaw (13) of West Ottawa drives between Dennis Hassevoort (53) and Scott Semple (35) of Zeeland for two points in Class B District basketball action Tuesday evening. The Chix defeated the Panthers, 72-59. (Sentinel photo)

## NOSE Tips

By Leo Martonosi

### A Great Guy

When you talk about nice guys, Dwayne Boyce, the starting center in basketball for the past four years at Hope College, has to rank at the top of the list.

The 6'8" Boyce closed his collegiate career Wednesday night in Civic Center when the Flying Dutchmen meet rival Calvin College.

"I would like nothing better than for us to play the role of the giant killer against them," Boyce said.

"Regardless of our record, whenever we play them, everyone is up for the game."

This year's team is probably the most balanced and most exciting since I've been at Hope," Boyce commented.

Boyce, who lives off campus near the Netherlands Museum, is not sorry he attended Hope even though he had a full scholarship offer from Bridgeport College in Bridgeport, Conn.

"I decided against going to Bridgeport because of the pressure of playing basketball," stated Boyce. "At Hope, you're a student first and sports come second."

Boyce a Bryant, N.Y. prep graduate, expects to get his degree in communications from Hope this May. He has a minor in business.

After he graduates, Boyce hopes to land a business job out east.

His minister back home, Rev. Kenneth Tenchick, a Hope graduate and Bill Vandenberg, the college admission's man out east, were instrumental in Boyce attending Hope.

Dwayne and junior Jim Holwerda are co-captains of this year's team. Last year, Boyce was captain of the Dutchmen.

If Dwayne can match his career high of 19 points and 19 rebounds, the Dutchmen have an excellent shot of ending their 16-game losing streak against the Knights.

Results in order of finish: 200 medley relay — Holland (Sparks, Weststrate, Derks, Sage), Time 1:46.85.

200 freestyle — Diget (P), Sheppard (P), Hines (P), Ringelberg (H), Weststrate (H), Time 1:48.37.

500 free relay — Derks (H), Hines (P), Ver Schoof (P), Fentich (P), Carey (H), Time 55.67.

100 freestyle — Diget (P), Clancy (P), Van Moke (P), Bradford (H), Time 1:08.61.

400 freestyle relay — Portage Central, Time 3:27.67.

Four Babies Born Monday in Holland

Four babies were reported born in Holland Hospital, all arriving Feb. 28. A daughter, Robin Starr, was born to Mr. and Mrs. Dale Strapp of Saugatuck; a son, Matthew Thomas, to Mr. and Mrs. Tommy Grigg of Fennville; a daughter, Stacy Michelle to Mr. and Mrs. Jerry Wolters, 426 Maple Ave., and a daughter, Tonya Rachelle to Mr. and Mrs. Gerold Kooyers, 0-6290 120th St.

In Zeeland Hospital arriving March 1 is Darryn Deon, the new son of Mr. and Mrs. David Boetsma, 7144 Ransom St.

A car operated by Gregory Scott Holcombe, 74, of 47 West 18th St., backing from a driveway Thursday at 6:35 p.m., struck a car parked on the south side of the street and registered to Linda Clark, 324 Hope Ave.

Discharged Saturday were Daniel Mowl, 541 Marcia Lane; Christine Baraman, 14038 Brookline; James Klomparsen, 193 East 27th St.; Luevernia Franklin, South Haven; Louis Woudhuis, 359 West 20th St.; Lisa Reister, 232 West 32nd St.; Richard Bultman, 198 East 35th St.; Richard Schlaack, South Haven.

Discharged Saturday were Gerrit Bruins, 134 159th; Pablo Chavez, 287 West 40th St.; Carol De Goed, 456 Maple; Mrs. James De Pree and baby, 251 Washington Blvd.; Stuart De Witt, 396 Christopher; Sally Fynevever, 119 West Lakewood; Arthur Gillis, 215 Dartmouth; Ronald Jones, Zeeland; Terry Nash, 292 Hayes Ave.; Sheila Wiersma, Zeeland.

## Area Seniors Are Family Leaders

Area students named 1977 General Mills Family Leaders of Tomorrow at their high schools have been announced. They won the honor by scoring highest in their schools in a written knowledge and attitude examination administered to seniors throughout the country last December.

Each will receive a certificate from General Mills, sponsor of the annual contest, and will be considered for state and national honors.

From the ranks of all school winners in the state, a State Family Leader will be selected through judging centered on test performance and will receive a \$1,500 college scholarship.

Representing Holland High school is Jennifer Ver Helst, daughter of Mrs. M. Ver Helst, Jr. of 113 Cypress Ave. She plans to attend Hope College majoring in special education. Her interests include tennis, Dutch Dance and band.

Zeeland High school's winner is Douglas Schrotenboer, son of Mr. and Mrs. Stan Schrotenboer, 118 West Central Ave.,

Zeeland. He was named MVP in football in 1974 and was co-captain in 1975, placed first in tennis doubles conference championship in 1976. He is active in the Young Peoples Society of Third Christian Reformed Church. Schrotenboer has been accepted at Grand Rapids Junior college.

Mary Pastunink, daughter of Mr. and Mrs. Berend Pastunink of A-467 West 48th St., Holland, is the winner at Hamilton High school. She is active in German Club, Health Careers Club, Athletic Sisters, theatre, band and was a 1976 delegate to Girl's State. She is also active in Graafschap Christian Reformed Church where she is in Young People's Society and choir. She plans to attend Bronson Methodist Hospital school of nursing.

Fennville's representative is Karen Nissen, daughter of Mr. and Mrs. Emery Nissen of Fennville. She has returned to Fennville High school for her senior year after attending school in Illinois. Her future plans are to enter college to become a biology teacher or to study in the medical field.

Discharged Sunday were Mrs. Fernando De Luna and baby, 203 West 17th St.; Michael De Ridder, 64 West First St.; Elen Dunlap, 650 North Shore Dr.; Martha Hilton, 254 Pine Ave.; Mrs. Robert O'Connor and baby, Hamilton; Carin Vischer, 696 Ruth Ave.; Kathleen Rooks, 106 West 29th St.

## Jenison Puts Christian On Sidelines in Opener

By Rich Wolters

Jenison's Wildcats sent the Holland Christian basketball team to the sidelines Monday night in the debut of the Class B District Tournament being held at West Ottawa. The Wildcats roared to a surprisingly easy 75-57 decision.

The big difference was a result of the shooting percentages. Christian took 18 more shots than Jenison, 74-61, but could only connect on 25 compared to 33 for the winners. The Maroons hit a poor 33 per cent, probably their lowest of the season, while Jenison shot at a 54 per cent clip.

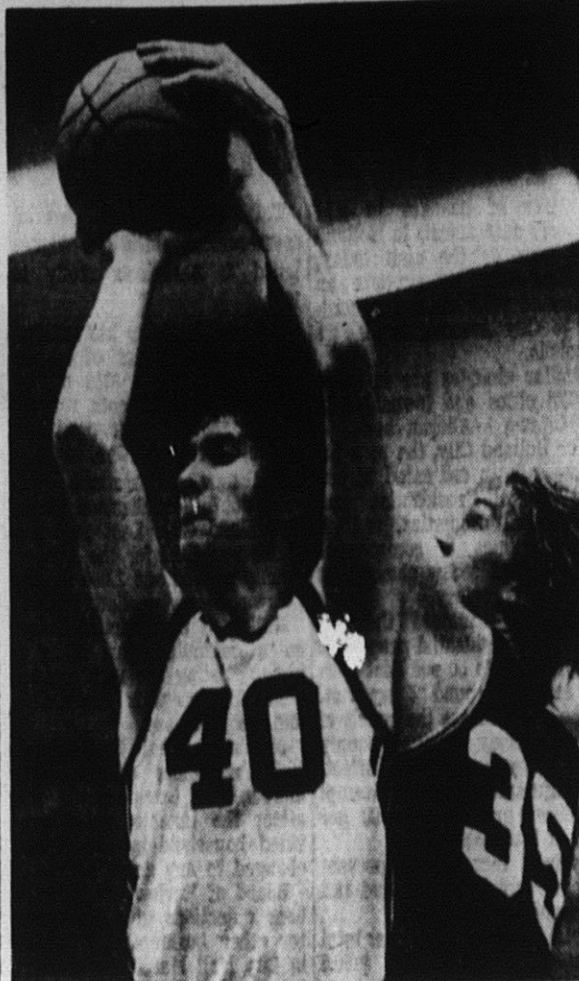

Coach Dave Vander Hill's Cagers end the season with 10 wins and 11 losses. The Wildcats will face Hudsonville Unity Christian Wednesday in District semi-final action. In tonight's first round play, the host squad West Ottawa, will take the court against neighboring Zeeland.

Jenison took command early, breaking an 8-8 tie, piling up nine consecutive points, on their way to a 19-10 first quarter advantage. Kevin Joliffe led the way, in nothing as many points as the entire Maroons team.

The Wildcats netted the first five points of the second quarter for a 24-10 margin, and the closest Christian could get the remainder of the game was nine points. By intermission time Jenison was enjoying a comfortable 38-21 bulge. Joliffe added 12 more points in the quarter, giving him 22 at half-time.

The Maroons put on a spurt at the outset of the second half, and in less than two minutes cut the deficit to 40-29. However, the Wildcats quickly ended that, and again pulled away to a 50-35 third quarter count.

Christian got its offense going in the final quarter, scoring 22 points, but even then lost ground, as Jenison rolled up 25. Ken De Jonge ripped the nets for five buckets in his last quarter as a Holland Christian basketball player. He totaled 18 for the game to top the Maroons in scoring. Doug Vogel-

zang and Brian Broekhuizen just made double figures with 10.

Joliffe added 12 more points in the second half, giving him a game total of 34. John Van Eck gave him considerable help with 18 points. The Wildcats also held an edge in the rebounding department, 40-36.

Jenison's zone defense was successful in keeping the Maroons from working the ball in close, and Christian didn't shoot

EVERYTHING UNDER CONTROL — Anthony Cairo of 6442 Spruce Lane, Holland, watches a monitor as he manipulates the equipment of Cable Channel Six. Cairo says that after a length of time movements become almost in-

stinctive, that proficiency is developed so fingers don't have to be constantly watched in order to press the correct buttons.

## New Course to Focus On Television Techniques

By Agnes Hones

It has often been noted that "experience is the best teacher." Anthony Cairo of Holland who plans to teach a course at Continental Cablevision seems to agree.

Cairo is unimpressed with classes which teach the theories of television work yet never allow the student to apply his or her knowledge. He thinks students should "get involved, run the camera, set the camera up."

In his course, Cairo says, "Theories, basic operations of the equipment, and camera motions will be covered, as well as what types of things to produce on the air, how to work with sound — the aspects of good production."

Cairo, employed at Robertshaw Controls and actively involved in his hobby, television work, explains that the purpose of the course is to train people to work at Cable Channel Six as volunteers.

Various types of productions which could utilize the skills of trained volunteers are planned. One, entitled "Sunshine Storytime," will involve the reading of children's stories with each program placing emphasis on a subject children can relate to — such as friends, dogs, flowers. "Sunshine Storytime" has been produced successfully in Grand Rapids, according to Cairo, who says requests have already been made by area children who would like to be in the show's studio audience.

Another show being planned is "Eye on Holland," which will focus on community events, service groups, and various other subjects of local interest. With a Channel Six van, equipment can be transported to sites around Holland.

Cairo mentioned his interest in a possible home improvement program and a program in which area businessmen could discuss their companies and what they do. He thinks this type of show would benefit college students and others in the community who might not be familiar with the local businesses.

Cairo expects that production will start slowly, but he hopes that eventually two programs a night can be taped. He said that a half hour show takes about one and a half hours to videotape. This is where the need for trained volunteers arises.

The course, which is scheduled to begin in March at Continental Cablevision on River Ave., will be open to 20 people. Cairo says, however, that the station will eventually be able to use between 50 and 200 people if enough public interest is generated. A fee of 25

dollars will be charged for the course and will be used for equipment and production purposes, according to Cairo.

Cairo said that at the end of the television course the class will break up into groups of four or five members. Each group will be asked to produce one program as a sort of final exam. Rather than trying to achieve a grade, the incentive will be to stay on at the station.

Cairo is enthusiastic about the class and future program possibilities because, as he says, he loves television work and the idea of filming the many interesting things which are happening in Holland.

## Xi Beta Tau Chapter Holds Guest Meeting

Xi Beta Tau chapter of Beta Sigma Phi had as guests Monday evening members who are eligible to progress to the exemplary degree. Mrs. Dave Gifford hosted the meeting and served punch as members and guests arrived.

Attending from Eta Gamma chapter were Mrs. Ron Bell, Mrs. Richard Camarota and Mrs. Bill Healy, and from Theta Alpha, Mrs. Ed Easter, Mrs. Bob Gallant, Mrs. Lyle Overton and Mrs. Jack Stewart. Mrs. Rick Coleman, Mrs. John Kohne and Mrs. Tom Bos were unable to attend.

Mrs. Dave Lightfoot opened the meeting and Mrs. Lloyd Dunwiddie read the International message on legacy membership. Mrs. Phil Kimberley gave the gray book review on membership qualifications.

Mrs. Dave Rogers reported on toys given to Ventura School, and Mrs. Kimberley announced that the next social will be on March 19 at the Hamburg home.

Mrs. Gifford presented the cultural program on "For Fun or Money," describing how she built her hobby of ceramics into a money-making business before moving to this area. She told about her classes and ceramics processes, using pieces she had made as examples.

Mrs. Marve Israels will host the next chapter meeting on March 7. Members eligible for preceptor degree will attend the Preceptor Tau meeting at Mrs. Don Bench's home. Those eligible are Mrs. Phil Adams, Mrs. Dunwiddie, Mrs. Al Hendricks, Mrs. Paul Lambert, Mrs. Lightfoot, Mrs. Rogers and Mrs. Jim Wissink.

Refreshments were served by the hostess and co-hostess, Mrs. Lambert. Mrs. Kimberley won the hostess gift.

## Sorority Holds Rush Meeting

President Johanna Winnia introduced three prospective members at a model rush meeting of Theta Alpha Chapter of Beta Sigma Phi Tuesday. The meeting was the first in a series of rush events planned for guests Shirley Olinger, Lynn Alsager and Marie Hamilton.

During the business meeting, plans were made for the chapter's annual Easter egg sale. This fund-raising project has proven so successful that it was decided to limit the number of orders taken for the custom-decorated eggs. Reservations were also taken for the state convention in Boyne Falls, Oct. 14 to 16.

After the business meeting, Lynn Alsager spoke to the group on behalf of the American Diabetes Association. Sheets containing statistics and general information were distributed. After explaining what diabetes is, Mrs. Alsager enumerated common symptoms of the nation's third greatest killer. After answering questions, she stressed the importance of annual examinations to detect and control the disease in its earliest stages.

Hostess Jeckey Weiner served punch and dessert as the evening ended in a social hour.

#### LONGER LIFE

According to 1975 figures life expectancy is increasing in this country. The National Center for Health Statistics says that a girl born now will live 76.5 years and a boy 68.7 years. Without concern for sex, the average expectancy of the 1975 child is 72.5 years. That's pretty good, in fact, it seems to be too good for some people because among the 15 leading causes of death one of the three that increase in the past year was suicide. It may just be that we are making life longer but not happier, and when one looks around at the shortages, the broken families, the disrupted schools and how our lives are threatened by technological terrors, the rise of suicide isn't surprising.

We are happy to read these improved statistics. We only hope that we have it in our power to make life more pleasant as well as longer. The second seems to be easier than the first.

#### Seminar Attracts 100 Participants

Interest was high last week when Attorney Walter Roper, legal consultant for Roper, Meyers and Hann, addressed two sessions of the Pre-Retirement Education Seminar on "Legal Affairs for Older People."

At least 50 participants attended each session, in which Roper discussed advisability of wills and trusts and explained the Michigan probate law passed in December, 1976. In the next sessions, March 15 and 17, the subject to be examined will be "Personal Safety and Home Protection." Leading the discussion will be Chief Charles Lindstrom and Keith Kleis of the Holland Police Department.

These sessions are open to all persons contemplating retirement within the next 10 years. Sponsors are Kiwanis Club and Herrick Library in cooperation with the Good Samaritan Center.

#### 'Sighs of Our Times' Is Challenge for Club

By Cornelia Van Voorst  
Dr. Robert S. Brown of the psychology department at Hope College listed 12 exercises for coping with depression at a meeting of the Woman's Literary Club Tuesday afternoon which attracted a large audience.

"The Sighs of Our Times" was his subject, citing symptoms of the language of anxiety. In general, he said, the 1960s was a period of anxiety with violence of all kinds, whereas the 70s appear to be an era of depression.

He said there are 20,000 successful suicides every year with males outnumbering females 4 to 1, even though more females attempt suicide. Dr. Brown was instrumental in organizing the first suicide prevention service in Holland, and since has organized several others elsewhere. His 12 exercises for coping with depression as related to sound mental health:

1. Isolate past from present.
2. Tension and anxiety can be regulated.
3. A certain amount of hostility can be tolerated.
4. Some frustration and some deprivation are essential parts of life.
5. Many elements of the environment can be corrected (buy a new dress, change the furniture).
6. Will power helps one stop engaging in destructive action.
7. Unreasonable demands on oneself can be stopped.
8. Devalued self image must be challenged.
9. Deriving enjoyment from life must be a daily pursuit.

## Police Officer Speaks to ASWA

Police Officer Betsy W. Bach was principal speaker at a monthly dinner meeting of Holland Chapter, American Society of Women Accountants, last Tuesday in Warm Friend Motor Inn.

Mrs. Bach, who is with the Community Relations Department of the Holland police department, is involved in crisis intervention. In her talk entitled "Government Funds at Work in Our Police Department," she described federal funds which are available, supplemented by state and local funds, for various areas of police work.

She specified four divisions for which funds are classified, mentioning planning goals, recruiting, public education, special training of personnel and law enforcement education in secondary schools and colleges. She also cited special equipment, some of which is now in use by local police.

Holland's Community Relations Department, Mrs. Bach said, is one of only seven in the U.S. and its effectiveness is being studied by other cities. Lois Lamar, president, conducted the business meeting. She introduced Miss Linda Elenbaas of First Michigan Bank and Trust Co., as a new member.

WARD STREETER WITH LIBRARY DELIVERY VAN

## Delivery Van Obtained For Library Use

The Lakeland Library Federation, headquartered in Grand Rapids Public Library, has obtained a delivery van to help improve service to its 23 member libraries in seven counties.

A federal grant awarded by the Michigan State Library financed the purchase of the yellow van decorated with blue sky and green trees.

The van will speed up the inter-library loan process. This is the service which allows a patron of the Herrick Public Library who wants a book not available at Herrick to have the request sent to the Grand Rapids Public Library. If Grand Rapids Library doesn't have the book, the request is forwarded to the State Library or Western Michigan University Library.

The new van makes possible delivery of a book, record, or film the day following its request.

Until now, all durable objects have been mailed, and more fragile objects, such as pieces of sculpture, have been hand carried by librarians. The increasing size of the Lakeland Library Federation and the growing demand for its services have made these methods unsatisfactory. Presently, more than 12,000 individual requests a year are circulated to the member libraries.

The target of next-day delivery to libraries throughout seven counties will make a tough schedule for the van's driver, Ward Streeter. However, Streeter says, "Short of blizzards and earthquakes, I don't see many problems. I enjoy winter driving."

## Zeeland Vocalists Earn High Solo, Ensemble Ratings

The program is offered every Monday evening from 7 to 8 p.m., for physically handicapped adults. A new Hoyer lift was recently purchased to aid several handicapped adults into and out of the pool. Any adults interested in enrolling in the program, should contact the local pool office. (Sentinel photo)

# Hot Shooting Britons Defeat Dutchmen, 85-73

By Leo Martonosi  
A 60 per cent effort from the floor was Albion College's recipe in defeating Hope College, 85-73 Saturday night in Civic Center.

Coach Mike Turner's Britons are still in the MIAA basketball title race with a 7-4 record. Calvin College clinched at least a share of the crown by topping Alma College, 104-100.

The Britons, a sharp passing team were 39 of 65 from the field compared to Hope's 30 of 68 figures.

Turner said it was his club's best outing in their last four games. Albion has only beaten Hope in Holland twice in the last 26 years.

"Now if we beat Olivet Wednesday and Hope beats Calvin, we can claim a share of the league title," replied Turner.

Albion is 15-7 for the season and Hope 11-10. The Dutchmen are 4-7 in MIAA play.

Center Dwayne Boyce played a strong first half. The 6' 8" Hope senior led all rebounders with 10 and managed seven points as well.

The Britons pulled away three-fourths the half behind the aggressive play of substitute John Niber. Niber dropped in 11 points, as the Britons were on top, 42-32 at the intermission.

Earl Slotman of Hamilton defeated Mark Ericks, 16-14 for the college one- and one-tourney championship at the half.

With Bruce Vander Schaaf and Jim Holwerda taking charge, the Dutchmen whittled Albion's once 12-point second half lead to two points, 61-59. Vander Schaaf's three-point play came with 8:24 left.

All of Hope's hard work went down the drain, as the Britons registered the next eight points to once again take command.

Niber led a balanced Albion scoring attack with 22 points. Mike Williams and Paul Cryderman followed with 12 apiece while Eric Harvey added 11. Vander Schaaf and Holwerda recorded 20 and 18 points respectively for Hope. Boyce threw in nine.

Coach Russ DeVette felt his club played a pretty fine game. "When we came within two of them, we had to match them basket for basket and just weren't able to do that," offered DeVette. "We missed shots that we normally make."

The Britons took the junior varsity contest, 85-71. Albion was leading at the half, 41-28.

Paul Hospers scored 18 points, Ron Reimink 14 and John Vander Gutche 13 for Coach Glenn Van Wieren's outfit.

On Wednesday, the Dutchmen would like to help Albion out when they meet Calvin in Civic Center.

Hope (73) — Holwerda, 8-2-18; Vander Schaaf, 8-4-20; Boyce, 4-1-9; Waterstone, 2-0-4; Peterson, 3-1-7; Van Dyke, 1-1-3; Ryan, 2-3-7; Schrotenboer, 2-1-5. Totals 30-13-73.

Albion (85) — Cryderman, 6-0-12; Harvey, 5-1-11; Frost, 3-0-6; Williams, 6-0-12; Kujaczinski, 3-1-7; Niber, 9-4-22; Costa, 4-1-9; Kern, 3-0-6. Totals 39-7-87.

## Veenstra Once Again Dominates

By Leo Martonosi  
Calvin College was back to its old basketball tricks Wednesday night before a packed Civic Center crowd.

The Knights, who drove to the MIAA championship last season, used the same formula to register a 93-60 win over Hope College.

The victory gave the Knights the league title outright with a 9-3 mark. Albion College needed a win by Hope and a win themselves over Olivet to tie Calvin for the loop crown.

For Coach Ralph Honderd, it was the fourth straight year that his club has ranked at the top of the MIAA ladder. Calvin shared the top spot with Olivet in 1973.

The Knights have now won or shared league titles in eight of the last nine years. The same Comets took undisputed honors in 1972.

Once again, it was Mark Veenstra, the league's all-time scorer that carried the Knights past Hope.

The 6'9" Veenstra registered 33 points. Barry Capel, a teammate of Veenstra in high school, flipped in 20. Hope senior center Dwayne Boyce led the Dutchmen with 11 counters.

Calvin finished the night with a torrid 60 per cent clip from the floor (41 of 68) compared to Hope's 38 per cent norm (26 of 68).

The Calvin crowd loved it when Veenstra went high to "stuff" a shot to give his club a surprising 82-54 bulge. Just moments later Veenstra and Boyce were given standing ovations.

With Calvin hitting on four of its first five shots from the floor, veteran Hope Coach Russ DeVette knew he was in for a long night.

Before the outset of the game, DeVette was presented a plaque for his 25 years of coaching at the college.

"They were at their best," said DeVette. "Shooting was the key to the game. They made the baskets and we didn't."

It's been rumored that this was Honderd's final game at Calvin. And if that's the case, the successful Knight mentor, went out in grand style.

"Everyone played super for us, especially in the second half," Honderd offered. "Besides our great shooting, we played excellent defense."

Hope stayed with Calvin throughout most of the first half. The final Dutchmen lead was 16-14 with 12:56 left.

Boyce was doing his best in the scoring department but in hopes of containing the talented Veenstra, drew his third foul with 4:20 to play.

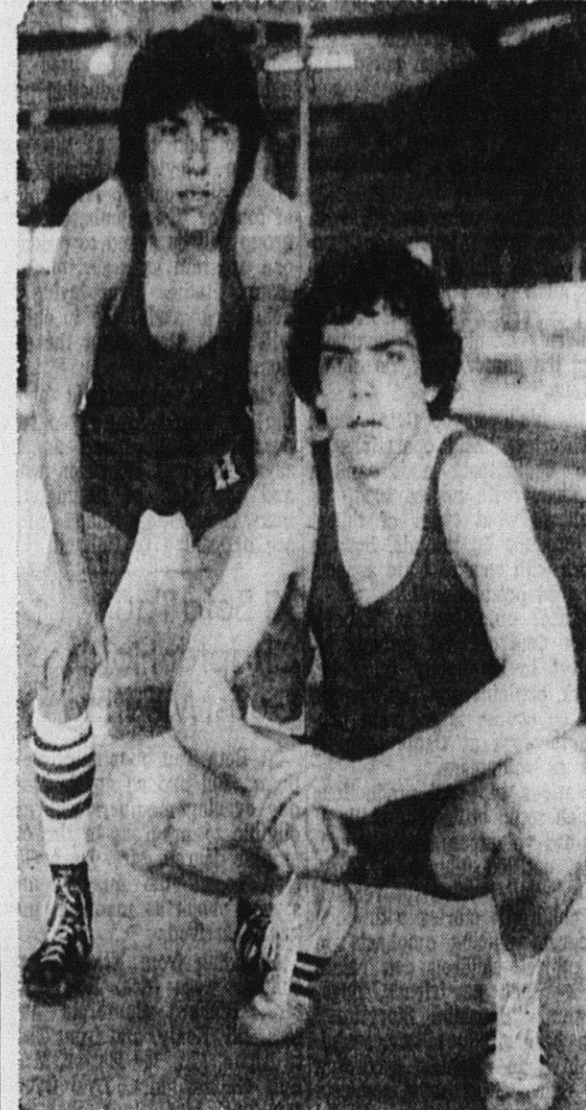

Boyce's replacement, freshman Loren Schrotenboer tried his best to keep Veenstra from getting the ball the rest of the way. But the Knights just had too many guns for the Dutchmen to stop.

The Knights were up by nine at the half, 39-30. Calvin hit its first two attempts from the field at the outset of the second half and were off in flying.

Besides Boyce, guard Jeff Waterstone played his final game for Hope. Seeing their last action for the Knights were Veenstra, Capel, Jack Buist and Jim De Groot.

Hope (60) — Holwerda, 3-0-6; Vander Schaaf, 3-2-8; Boyce, 5-1-11; Waterstone, 4-0-8; Peterson, 3-1-7; Ryan, 1-2-4; Van Dyke, 3-0-6; Schrotenboer, 1-1-3; Clark, 2-0-4; Hunt, 1-1-3. Totals 26-8-60.

Calvin (93) — Veenstra, 13-7-33; Capel, 8-4-20; Vander Horst, 4-0-8; Ellens, 4-0-8; Maliepaard, 4-0-3; Buist, 3-0-6; Cooper, 1-0-2; Grasmeyer, 4-0-8. Totals 41-11-93.

STATE PARTICIPANTS — Steve Villarreal (left) and Louis Boven of Holland competed in the state Class A wrestling tournament Saturday at Western Michigan University. Villarreal ended sixth in his weight class and Boven, a school best third position. (Sentinel photo)

## Boven Finishes 3rd In State; Holland Top 20

KALAMAZOO—Louis Boven's third place finish Saturday in the state Class A wrestling tournament was the best individual performance ever at Holland.

The Dutch senior came in third in the 158-pound weight class by winning his final five matches, all on decisions.

Boven finished the season at 41-31 which topped his older brother's (Dale) school mark of last year. Dale Boven had a 35-31 slate.

L. Boven lost his first match, 8-7 but later turned around to defeat the same foe in the consolation semi, 8-4.

Bruce Harrington's fourth place finish in 1973 was the best

previous Dutch spot in state competition. Junior Steve Villarreal (115) came in sixth by winning two of five matches.

Villarreal lost to the second, third and fifth place participants but also beat the third and fifth place opponents. The Dutch flash closed the year at 33-7.

"Louis and Steve just wrestled terrific for us," said Coach Louis wrestle any better."

Line also reported that Holland's 20 team points gave the Dutch their best team finish ever. Holland finished in the top 20 out of 83 schools.

## Bench Plays Big Part In Hamilton's Victory

WAYLAND — Hamilton's bench strength played a big part in the Hawkeyes' 77-63 basketball win Friday night over Wayland.

"I was pleased with the way our guys came off the bench to outscore their guys, 29-8," said Coach Wayne Tanis.

The Hawkeyes closed the regular season with an overall 13-7 mark. Hamilton's 10-4 slate in the league was good for second spot behind Lee's 12-2 mark and better than third place Byron Center's 9-5 norm.

Wayland came out roaring, as they grabbed a 23-13 first period bulge. Hamilton scored 21 points and held the host team to eight to take a 34-31 halftime margin. After three periods, the Hawks were ahead, 56-51.

Both teams made 28 field goals but Hamilton connected on 21 of 24 free throws compared to 7 of 11 for Wayland.

Rick Kooiker tallied 23 markers for Hamilton, Dan Sale 17 and Scott Berens 10. Rod Maunmar poured in 25 markers for the losers.

Coach Wayne Cotts' reserves defeated Wayland, 57-41 for its 15th win in 20 games. John Van Houten threw in 15 counters and Randy Klingenberg 12 for the winners.

Hamilton (77)—Kooiker, 9-5-23; Clason, 1-0-2; Berens, 5-6-

10; Lokers, 0-4-4; Dekker, 2-5-9; Sale, 7-3-17; Achterhof, 1-2-4; Schipper, 2-0-4; Voorhorst, 0-2-2; Reimink, 1-0-2. Totals 28-21-77.

Wayland (63) — Merin, 2-0-4; McBride, 7-2-16; Greenheide, 4-2-10; Maunmar, 11-3-24; Bredeweg, 1-0-2; Lanting, 2-0-4; Mc Mullem, 1-0-2. Totals 28-7-63.

## K-9 Academy Announces Top Handlers and Dogs

The Ottawa K-9 Academy held graduation exercises Tuesday evening at Dunn Manufacturing. June Wenger from Ada judged the class.

First place ribbon and trophy were awarded to Fran De Jongh and her German shepherd, Dutchess. Second place was won by Darrell Vande Hoef and his Airdale, Samson. Third place went to Mary Phillips and her Irish setter, Rhubarb.

Other participants were Beverly Nieboer and her Great Dane; John Vine and his Golden Retriever; Earl Smith and his Shetland Sheepdog; Terry Swaney and her Golden Retriever, and Ellen Norby and her Daisy mix.

Ann Smith, director of the Ottawa K-9 Academy, awarded each handler a diploma.

# Chix Nosed Out For State Title

## Gene Kraai Repeats As B Champion

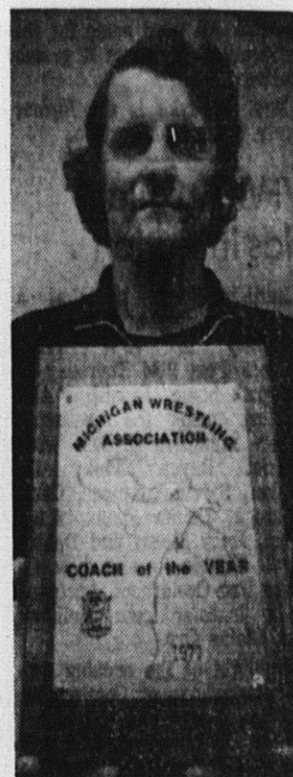

KENTWOOD — So close, yet so far, was the story of Zeeland's wrestling team here Saturday.

The Chix of Coach Jim Rynsbarger spelled their first state Class B championship before losing out to Eaton Rapids for the team title by one-half point.

Eaton Rapids took the crown with 72½ points while Zeeland had 72. Hastings followed with 59½ points, New Boston Huron 50½, Madison 47, Stevensville-Lakeshore 40½, Grand Rapids Catholic Central 39½, Battle Creek Harper Creek 37½, Fremont and Lowell 35 points apiece.

Some 99 schools were represented at the Class B finals.

Mike Howe's referee's decision in overtime of Ken Dallafior of Madison gave Eaton Rapids the team championship. Dallafior was leading in the heavyweight match, 4-0 with 19

seconds left. A take down cut the margin to 4-2 and with three seconds left, Howe turned over Dallafior to deadlock the count.

Zeeland's second place finish is its best ever. Last year, the Chix came in fourth in the state meet.

Gene Kraai (194) of Zeeland repeated as state champ. The powerful Kraai pinned Greg Smith of Corunna in the finals in 2:14.

Kraai won four matches in all, two others were pins and a 7-2 decision. The Chix senior closed the season with a fantastic 39-0 mark.

Gene's younger brother Chuck Kraai (181) lost his first match of the season after 41 wins in the finals to Bret Pittelkow of Hastings, 1-0 in overtime.

C. Kraai won his first match on a pin, second on a 7-2 decision and third, the semifinals 3-2 in overtime. C. Kraai is a junior.

Senior Doug Van Dussen (148) also lost in the finals (4-1) to Ron Coleman, Ypsilanti Willow Run. Van Dussen closed the year at 36-4-1.

Van Dussen scored two earlier pins and recorded an 11-8 win in the semifinals.

Kurt Brinks (168), a junior at Zeeland, won his first match, 1-0, and lost his second match, 3-2 to the eventual weight champion and was eliminated in his third match, 4-2.

Another Chix junior, heavyweight Tim Van Dyke lost his first match on a pin and second on a decision.

Prior to the finals, it was announced that Rynsbarger was named the state Class B Coach of the Year.

"It's kind of thrilling but I would trade in my award for the No. 1 team trophy any day," said Rynsbarger today.

## Herman Overway Succumbs at 83

GRAND RAPIDS — Herman Overway, 83, of 1700 March St., SE, died Friday in St. Mary's Hospital.

Surviving are two daughters, Mrs. Laurence (Mildred) Weemhof of Newaygo and Mrs. Thelma Evanoff of Grand Rapids; nine grandchildren; 18 great-grandchildren; two great-grandchildren; a sister, Mrs. Peter (Mabel) Meeuwse of Holland and two brothers, David Overway of Grand Rapids and Maurice of Holland.

## Maroons Fall Hard In Loss to Eagles

By Rich Wolters

Holland Christian's basketball team ended regular season play Friday night, and probably wish they hadn't come out for the second half. The Maroons were trounced in the final 18 minutes, and dropped a 78-58 verdict to Grand Rapids Christian.

The Maroons and Eagles treated the fans to some excellent basketball in the opening quarter. Several baskets were scored after outstanding passes set up the scorer. Except for a brief 6-4 Eagles lead, Christian was never headed in the period, and was ahead 16-12 at the break.

The tempo of the game slowed considerably in the first four minutes of the second period, at which point the Maroons enjoyed their biggest margin, 23-18. Mark Zietse gave the Eagles their only lead of the period, 28-27. At the half Christian was again on top, 35-32. Mark Van Dyke tallied eight points in the quarter for the Maroons, and Dave Tuuk 10 for the Eagles, including eight consecutive free throws.

Christian hit 45 per cent in the half and the Eagles 46 per cent. Turnovers were five for the Maroons and nine for Grand Rapids in the well-played half.

Disaster could just about describe the second half for the Maroons. Mark Van Dyke gathered his fourth personal foul early in the period and Doug Vogelzang became sick and played only about a minute in the half. Whether this bothered the team that much is hard to say, but Christian hit on only 19 per cent of their shots in the third quarter (4-21), while Grand Rapids was racking up eight of 14 for 57 per cent.

## Another Mat Title To Olivet; Hope Is 3rd

ADRIAN (UPI) — Olivet won its sixth straight Michigan Intercollegiate Athletic Association wrestling championship Thursday by easily outdistancing the five-team field.

Olivet ended up with 100.5 points, followed by Adrian with 61.5, Hope with 38, Kalamazoo with 21 and Alma with 20.5. Repeating defending champions were Lou Stavropoulos of Adrian at 158 pounds, Dave Fleet of Olivet at 177 pounds and Joe Gibbs of Olivet at 190 pounds. Gibbs was chosen the MIAA's Most Valuable Wrestler in a vote of coaches.

Seven of the 10 individual winners came from Olivet. Hope had four second place finishers. All winners were picked all-MIAA by the league coaches.

## A Big Difference for Dutch And St. Joseph Cage Squads

By Leo Martonosi

What a difference a year can make.

Last year at this time, Holland's basketball team was fighting eventual Big Seven champion St. Joseph for the league title. But Friday evening in Fieldhouse, the two teams were battling it out for the bottom two spots in the loop.

With Dale Wright taking control of things, the Bears defeated the Dutch in double overtime, 63-56.

"This was one game we felt we should have won," said Holland Coach Dwayne Teusink. "Nobody felt good about this game."

Holland closed the regular season with an overall 3-16 record and St. Joseph 7-13. The Dutch were 1-10 in the league and the Bears 3-8.

Wright connected on all three of his attempts from the floor in the second overtime. The Bears also helped themselves by sinking five of six free throws during that time.

The first extra session ended

Van Dyke put Christian ahead for the last time at 41-40. The Eagles then blitzed the Maroons 15-4 for a 55-45 lead after three quarters of play.

Ken De Jonge scored first in the final period, but then the Eagles ran up another 15 straight, for a safe 70-47 margin.

Mark Grasmeier led all scorers with 21 points. Tuuk carded 16 (10 of 10 at the charity stripe), Paul Damon 10 and Jim Morsink 10. De Jonge paced Christian with 16, Jim Tuus was right behind at 15 and Van Dyke 12.

The Eagles took down 20 more rebounds (44-24) than the Maroons, with the big difference being in the fourth quarter, 21-2.

Seniors playing their final home and regular season game for Christian were Vogelzang, Van Dyke, De Jonge, Dan Schipper, Del Lankheet and Cal Keen, all of whom contributed considerably to the Maroons' efforts this season.

The Little Maroons survived a first quarter which saw the Eagles connect on 12 of 15 shots, for a 24-11 lead, to eke out a 62-60 decision. The Eagles were still leading at the half, 34-27, and 47-45 after three periods.

Bruce Rosendahl scored 15 points for Christian and Todd Holstege 16 for the Eagles.

Holland Christian (58) — Vogelzang, 2-0-4; Broekhuizen, 2-2-6; Van Dyke, 4-4-12; Tuus, 2-1-15; De Jonge, 8-0-16; Vander Ploeg, 0-2-2; Thomassen, 0-1-1; Wierda, 1-0-2. Totals 24-10-58. G. R. Christian (78) — Morsink, 5-0-10; Tuuk, 3-10-16; Grasmeier, 8-5-21; Sikma, 2-0-4; Damon, 5-1-11; Zietse, 2-0-4; Bruger, 1-1-3; Poel, 3-1-7; Mulder, 1-0-2. Totals 30-13-78.

Dutchmen placed third.

Key: Olivet (O), Hope (H), Adrian (Ar), Alma (A), Kalamazoo (K).

Steve Van Tongeren sent the game into overtime by putting in a missed shot. Aggressive Del Doezeman gave the Dutch the opportunity by causing a Bear turnover.

Holland grabbed an opening 14-10 first period lead and were up 24-33.

The Bears had the better of it from the field 41 per cent (24 of 58) to 39 per cent (23 of 59) for the Dutch. St. Joe out-rebounded the Dutch, 40-35, as Wright gathered 15 and Paul Knuth 11. Chuck Bobeldyk had 10 for Holland.

Wright finished the evening with 25 counters and Knuth 16. Rank Petersen led Holland with 14 while Bobeldyk threw in 12.

For whatever it means, veteran Bears' Coach George Gaundier said his team played its best overall game in at least one month.

## Panthers Top Rogers, By 3 For 2nd Win

By Jodie Brown

The West Ottawa Panthers and the Wyoming Rogers Golden Hawks squared off here Friday night for the Panthers' final regulation season game at West Ottawa High School and the locals ended their long losing streak by stunning Wyoming Rogers, 68-65.

A fired-up group of Panther players and cheerleaders introduced their parents to the basketball crowd before the game. Even though it has been a tough season for the Panthers, the fans showed their appreciation for everyone's efforts.

Coach Ted Hosner again sent forth his senior squad in search of the thrill of victory. In spite of an excellent zone defense by the Panthers, the hot-shooting Hawks jumped out to an early 10-4 lead before Hosner called time out. Shifting quickly to a man-to-man defense, the Panthers slowed down the Hawks' hot shooting, but were unable to close the gap due to a number of turnovers. Forced by a solid defense to shoot outside, the Panthers ended the first quarter trailing 22-16.

The start of second period action caught the Rogers squad off tempo because the West Ottawans quickly tied the score at 24-all. In spite of the full court press, the eager Panthers took the lead 29-26 with four minutes to play. The Hawks fired back with some aggressive board action and led 32-31 one minute later. Trading baskets and the lead, the half time ended with the Panthers on top 38-36.

The hometown fans nearly came unglued when there was confusion over a jump ball call, and Mark Haltenhoff found himself faced off against a different player than the one he had tied up with.

The Hawks returned to the court after the intermission charged up, and quickly tied the score at 40-all. A fine patterned offense and full court press helped the Hawks stay even with the Panthers until turnovers by the Hawks gave the Panthers the edge. The "never say die" Panthers took the lead with four minutes left on the clock, and continued to hold off the Hawks challenge. The period ended with the West Ottawans up by six, 59-53.

The final eight minutes got started with the tip off going to Rogers, but the first score went to the Panthers with a charity shot by Randy Vander Ploeg.

With five minutes left to play, West Ottawa was up 63-55. In spite of the "press," the Panthers continued to dominate play. However, a minute and a half passed before Marty Klein found the target and put the Panthers up by 10.

With 1:45 to go, Hosner called for time. With the win in sight, the hometown fans went wild, but the Panthers went into ball control offense. Leading 68-63, senior Brian Shaw went to the charity line with six seconds on the clock, but was denied the final point.

The Hawks saved that for themselves, and ended the scoring 68-65, but the Panthers were in front.

The Panthers high scorer was Klein with 21 while the Hawks were led by Doug Chappel with 21 also. Rick Westrate also added 14 points for a career high. "The game was truly a team victory," said Hosner.

The Little Panthers had set the stage earlier in the evening for West Ottawa sweep by downing the Hawks jayvee squad 81-72.

Pete Klein netted a fantastic 37 points, followed by Rick Smith with 31.

West Ottawa takes its 2-17 overall record into district action Friday night at home against Zeeland.

# Quick Shooting Police Tip Teachers in 55-52 Thriller

## City Council Tips Ministers In Fun Game

By Leo Martonosi

The Holland Police Department, the fastest guns in the city, showed the teachers of E.E. Fell and Holland Christian Middle School how it's done Thursday evening in Civic Center.

The quick drawing Police outlasted the teachers in the sixth annual benefit basketball game, 55-52.

Big Jack Langeland and John Kruihof poured in 15 points apiece for the winners. Bob DeLaLuz added 11 for the Police. Don Remo tallied 12 markers and Ben Dubbeld and Larry Van Wieren 10 apiece for the teachers.

An estimated 1,200 fans witnessed the thrilling game between two evenly matched teams. Jim Zeedyke said that \$1,124 was taken in at the gate. The money will be used to send several underprivileged youngsters to camp this summer.

A traveling "Pig" trophy was presented to the winning team after the tilt. The trophy was prepared by the E.E. Fell art department.

The American Legion band played the national anthem and some other tunes in the fun night of basketball.

The game started fast, as both teams netted their first two shots from the floor. The police were on top 16-15 after eight minutes and 36-33 at the half.

However, both teams were running low on fuel at the outset of the third stanza. The Police were still up 40-35 with eight minutes left.

With Van Wieren, Bob Bouwkamp and Esther Driesenga showing the way, the teachers battled back to within two points, 52-50 with time running out.

DeLaLuz netted two pressure free throws and Chuck Lindstrom one to lock up the exciting contest. The Police played in their new Prince's Restaurant uniforms while the teachers wore old Holland High uniforms.

In the hilarious halftime attraction between city council and the Holy Hoopers, City Hall defeated the ministers, 11-7.

The ministers used a secret weapon, an nine-foot goliath in the tilt. They also used the old Harlem Globetrotter water trick. Mayor Lou Hallacy got in the final word by letting colorful Ron Beyer have a bucket of real water (not waste paper) right in the kisser.

Once again Hallacy drew laughs by missing a two-handed dunk while standing on top of a ladder.

A firecracker was also shot off in the game. Russ DeVette, the basketball coach at Hope College and a city council cager, displayed his old college moves by skirting past a faked out patrolman.

Hallacy presented the traditional winning trophy to Beyer at the conclusion of the contest.

Nancy Altman, a student at E.E. Fell, was the big winner of the 10-speed bicycle.

## Robert Ruffenach, 84, Dies in Allegan Hospital

## Resthaven Guild Holds Meeting

One hundred women including 11 Resthaven residents attended Resthaven Guild meeting Friday in the Fourteenth Street Christian Reformed Church.

Mrs. Margaret Spruit, church representative to the Guild, made meeting arrangements and presided. Hostesses at the door were Mrs. John Breuker and Mrs. Wick Van Wingeren. Mrs. Clarence De Graaf gave the opening prayer and devotional thoughts. Mrs. Dick Geenen played a piano solo and was the hymn accompanist.

A slide presentation in three parts was Anne Selles' program. She read several poems while showing colorful scenes to illustrate them, second a series of brightly colored flowers and foliage accompanied by correlated musical selections and concluded with records of well known hymns and corresponding nature slides.

Mrs. Russel Lievens, Guild president, thanked the host church and gave appropriate remarks. Other current executive board members are Mrs. Henry Brower, first vice president, Mrs. Harlan Meiste, second vice president, Mrs. Spruit, secretary and her assistant Mrs. Ruth Roos, treasurer Mrs. Fred Van Lente and assistant Miss Wilma Beukema. Activity and financial reports were given by Mrs. Spruit and Mrs. Van Lente. The chair thanked all women who donated food or helped during the Christmas coffee at Resthaven, and recognized three new church representatives.

The service committee currently includes Mrs. John Wolbert, Mrs. Ben Lemmen, Mrs. Margaret De Pree and Mrs. William De Roo. They assist the Service League of Resthaven resident whose officers are chairman Mrs. Gertrude Nyhof, secretary, Mrs. Ethel Bjork and treasurer Miss Theodora Muyskens. Mrs. Jean Van Vuren, Mrs. Joe Dozeman and Miss Emma Kooyers are the purchasing committee. Announcement was made of a morning coffee and baked goods sale on March 29 at Bethany Christian Reformed Church benefitting Resthaven Guild.

During the social hours Mrs. Breuker and Mrs. Van Wingeren poured at a dessert buffet table centered with a spring flower arrangement.

Refreshment hostesses were Mesdames Melvin Achterhof, William Bierema, Andrew Knoll and Bernard Sterenberg.

The March Guild meeting will be in the Central Avenue Christian Reformed Church.

## Library Announces New Policy For Overdue Payments

Are your library fines paid? Overdue books, lost books, stolen books have created the need for a new registration policy at Herrick Public Library.

Beginning next month each patron will need to be registered as a borrower in order to check out material. A patron having a library fine will need to pay the fine before he will be issued a library card. If a patron is uncertain whether or not he owes a fine, a staff member at the circulation desk can give him the answer.

A sizeable number of patrons have taken it for granted that the Herrick Public Library does not charge when their library materials are returned after the due date. This is an incorrect assumption as is indicated by the file of individuals, numbering 1,230, who have accumulated unpaid fines since Sept. 1.

Letters are being sent to those adults who have accrued fines of \$1.50 or more, notifying them of the larger fines. Smaller amounts are also owed to Herrick Public Library and these can be paid at the circulation desk any time before library users register for a library card. Holders of small fines will not be notified by mail.

## Hope College Sorority Alumnae Have Dinner

Twenty-nine alumnae of Sigma Sigma Sorority of Hope College attended the annual alumnae dinner on Monday night in the conference room of Phelps Hall on the campus. The blessing was offered by Mr. Gordon Van Oostenburg.

Following dinner, alumnae president Mrs. J. Norman Timmer welcomed the group and announced that the Senior Tea will be held April 11 at 8 p.m. in her home, 75 East 13th St. All alumnae in the area are invited.

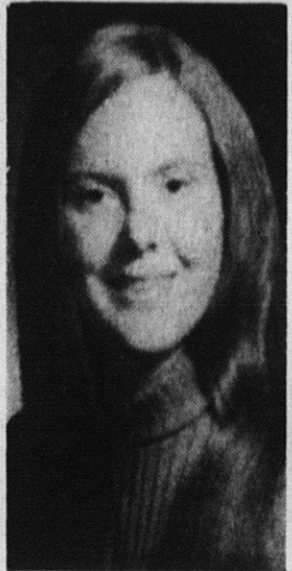

The program was presented in the sorority room in Dykstra Hall and consisted of skits and songs performed by members of the pledge class of 1977. Mrs. Adrian Van Putten was in charge of arrangements for the alumnae. Ms. Suzanne Thornton, senior at Hope College, is the sorority president.

## Eleanor Brink, 27-Year Employee Of Bank, Retires

Eleanor Brink, assistant cashier at the main office of First National Bank and Trust Company, retired Monday, after serving 27 years with the bank.

Mrs. Brink joined the bank in August of 1949 in the bookkeeping department. After serving in many capacities in that department, she became a full-time teller at the bank.

With the introduction of the TV drive-in windows, Mrs. Brink became an operator of the drive-ins until customer requests brought her back to the lobby teller window. In 1964, she was named assistant cashier of the bank.

In July, 1973, when the bank opened its first branch near Lakewood Plaza, Mrs. Brink transferred to that office and served as a branch officer until 1975. Mrs. Brink is looking forward to her retirement and planning to spend time with her son and daughter, in addition to sewing, traveling, and volunteer work.

Rick Van Oss, with Miss Grace Weeber as soloist.

The bride chose a gown of white organza, featuring a sweetheart neckline and Juliet sleeves detailed with floral beaded lace. Matching lace edged the train. Securing her elbow-length veil was a camelot cap. White roses were accented with blue, green and pink mini carnations for her bouquet.

Miss Barbara Borden was the bride's personal attendant. Attendants of the bride were Miss Debbie De Pree as maid of honor, Barbara Cook and Lora Lee Ronning, bridesmaids.

They wore identical gowns of light blue, light green and pink, respectively, fashioned of bridal satin, with fitted long-sleeved empire jackets trimmed in marabou. They carried bouquets of carnations and baby's breath to match the colors of their dresses.

Best man was Fred Haan with Jeff Ronning and Dick Wendt as groomsmen. Steve Cook and John Cook ushered.

At the reception, which took place at Carousel Mountain Lodge, Mr. and Mrs. Ted Mow acted as master and mistress of ceremonies. Others taking part in the reception were Miss Kim Wojahn and Bob McKeever, at the punch bowl; Mr. and Mrs. Jack Bosch and Mr. and Mrs. Randy Breuker, in the gift room, and Greg Ronning, in charge of the guest book.

After a wedding trip to Aruba, the couple will reside at 193 West 15th St.

Both attended Ferris State College. The bride is employed at Holland Chamber of Commerce and the groom at Simicon.

A rehearsal dinner at Holiday Inn was hosted by the groom's parents.
