FOURTH SEMI-ANNUAL DOLLAR DAY

THURSDAY, MARCH 18, NAMED
DOLLAR DAY BY HOLLAND
RETAIL MERCHANTS

Hear Ye! Hear Ye!! The next Holland Dollar day is set for Thursday, March 18, and the local merchants who have worked so successfully in years past to make the Dollar Days popular are promising an array of practical and seasonable bargains which will more than live up to the enviable successes of previous Holland Dollar Days.

In spite of constantly rising prices for the past few weeks, the Holland retailers have planned so well for the Dollar Day bargains that each one of these big bargain events has far eclipsed those which have preceded it. Just how this has been done, is known only to the buyers for the retail stores in Holland. But the fact remains that each Dollar Day has exceeded the expectations of the merchants and their customers, both from the standpoint of volume of sales and percentage of savings to Dollar Day patrons. Coming as it does, during the first spring week of the year, the fourth semi-annual Dollar Day, Thursday, March 18, promises an "attendance" record for Holland which will stand for some time.

LET LOGS GO TO THE BOTTOM OF RIVER

"FEW HUNDRED" LOGS LEFT IN
RIVER BY LUMBERJACKS
BRING FORTUNE NOW

A mint of money in old logs at Muskegon!

That's what several of Muskegon's sharp business men are making out of the Muskegon river logs which were sunk there 40 to 60 years ago, when that city was nothing but a saw mill town, and the noise of the "buzzers" could be heard as the wonderful white pine was cut up log after log without any check at all on the output.

Several business have purchased small portable sawmills and old launches and have sent crews up the river to land over which they hold leases and are having scores of logs pulled from the bottom of Muskegon river where years ago a jam occurred and in their haste to get the main bunch of logs to the mills on Muskegon lake the logging men and lumberjacks thought nothing of a few hundred feet left behind.

Those "few hundred" logs left behind in each jam are bringing in good money to the lease holders of the former Torrent estate, Torrent once owned, and his estate still owns most of the river valley. It is claimed that logs are hauled from the bottom of the river are preserved by the water in which they have been sunk for years.

GILMORE-BOYER

The following item is taken from the Lansing State Journal:

The home of Mr. and Mrs. M. B. Ackley, 900 Wisconsin avenue, was the scene of a pretty nuptial affair when Miss Agnes M. Boyer a graduate nurse from the Edward W. Sparrow hospital, became the bride of Mr. William Gilmore of Holland. They spoke their vows at high noon. Rev. Charles H. Kelsey from Homer officiated.

Miss Boyer was gowned in blue taffeta and georgette and wore a corsage of sweet peas. Spring flowers and ferns were used in the decorations about the home.

Covers were laid for twelve at the luncheon table. Those from out of the city were Mrs. Martha Gilmore, mother of the groom, Mrs. Ben Rose, Mr. and Mrs. Henry Klompars of Holland and Norman L. Boyer, a brother of the bride from Bangor.

Mr. and Mrs. Gilmore will be home after March 1, at 607 Seymour St. in Lansing.

IS SURPRISED ON

A surprise was sprung Tuesday afternoon on Mrs. P. A. Kleis at her home at 165 East 9th St. by her children grandchildren and great-grandchildren when they helped her celebrate her 72nd birthday anniversary. Mrs. Kleis was remembered with a beautiful gift. Refreshments were served. The family of children grandchildren and great-grandchildren numbers 25. Many neighbors and friends also congratulated Mrs. Kleis on the occasion of her birthday.

The annual meeting and election of officers of the Woman's Christian Temperance Union will be held Friday afternoon at the home of Mrs. George Albers, 254 College Avenue. The yearly report will be read and the payment of the annual dues will be made. The result of the attendance contest will be given, which will decide which side is to give the annual banquet. Special music will be furnished by Miss Osewaarde.

The republican caucus will be held in the town hall of Holland township on Thursday, March 11, at 1:30 p. m. to nominate officers.

MAYOR STRONGLY FAVORS CITY GAS PLANT

GIVES ALDERMEN MESSAGE ON
THIS SUBJECT AT MEET-
ING OF COUNCIL

His Recommendations Are Carried
Out By Unanimous Vote of
Aldermen

Mayor Bosch Wednesday evening submitted to the common council a message in which he set forth his ideas as to how to proceed with submitting the municipal gas question to the voters of the city. The recommendations of this message were carried out by the council by resolution. Following is the text of the mayor's message:—

(Official)

March 3, 1920
To the Honorable, the Common
Council of the City of Holland

Gentlemen:—
Our city is again facing another very serious problem in its efforts to solve the so-called "Gas Question."

Mr. Byron T. Gifford our consulting engineer in his report says: "I would advise taking over of the present plant as soon as possible. If it cannot be done before you reach 1000 to 1500 customers it would probably not be worth while and there would be a duplication of property that seems needless."

Every citizen knows that to vote in favor of a Municipal Gas plant is to vote to set the machinery in motion for a great amount of hard work that begins with problems that require the most skillful handling.

The municipal plant must first of all be placed on a basis that will evolve it in the shortest possible time out of an inevitable deficit to a profit making plant. In other words, the City plant must be made to pay as quickly as possible.

We must face the issue that the situation presents. Our experience with the Gas company has taught us that we can not buy the present gas plant at a price that we consider fair and equitable. This condition, I believe, will not change until we have actually voted to bond the city for a municipal gas plant.

While many of us are not now in a frame of mind to consider the recommendation made by Mr. Gifford as stated above yet there are others who take this recommendation seriously. Mutual fairness to all of our citizens demands that the problem be dealt with, all citizens bearing in mind the foregoing and other facts of common knowledge.

With these conditions in mind at a joint meeting of the Board of Public Works with a committee from the common council, at which were present the Acting City Attorney and the Mayor, which was held on Monday evening, March 1st, it was unanimously voted to prepare a suitable resolution to be presented to this council recommending a bond issue of \$150,000 for the building of a municipal gas plant.

These bonds are to be in the following number and denomination:

300 bonds in the sum of \$100 each
120 bonds in the sum of \$500 each
60 Bonds in the sum of \$1000 each

The purpose of providing bonds of the smaller denomination is for the benefit of the smaller investors in the city of Holland to whom it is desired to offer an attractive investment in the securities of their own municipality. So also, partly, with issue of the one hundred twenty \$500 bonds, which together with the \$1000 bonds will doubtless prove attractive likewise to outside investors to whom will be offered such portion of the securities as are not taken by our own citizens.

I recommend to you for its adoption, the resolution mentioned above as a carefully considered present solution of the various difficulties.

Respectfully submitted,
Nicodemus Bosch, Mayor.

PEOPLE WILL VOTE ON GAS IN APRIL

COUNCIL UNANIMOUSLY DE-
CIDES TO SUBMIT QUESTION
TO THE ELECTORS

Propose to Bond the City for
\$150,000; Decision Is Made In
Brief Time

The people of Holland will vote on the gas question on April 6. That was definitely decided by the common council Wednesday evening by a unanimous vote of the aldermen.

The amount of the proposed bond issue is \$150,000 the interest not to exceed five and a half per cent. The main idea is to build a new plant, but the way is left open to acquire the plant of the present gas company provided it can be acquired at the right price.

That in a nutshell is the gist of the action taken by the council. After Mayor Bosch had given a message on the subject, two resolutions were read, one declaring that it was necessary to erect a municipal gas plant. On this there was no question or argument, every alderman believing entirely that such a thing was necessary. The second resolution declared the manner of doing this and the time for doing this.

On this resolution there was some question as to whether the question should be submitted at the regular or at a special election. Several of the aldermen expressed their opinion on this point. Mayor Bosch declared strongly that the regular election was the time because that is the date when most people go to the polls, while at a special election there is always a very small vote. Alderman Dykstra, Prins, Vanderlist and Blue spoke to the same effect. The mayor and these aldermen declared that there was plenty of time to inform the people on the subject before April 5. Alderman Wiersema, Kammeraad and Brieve asked several questions on this head, but all finally voted for submitting the question at the April election.

The whole thing took about 15 minutes of the council's time and the momentous decision was taken without much debate. There was no serious opposition to it at any time. Hence the people of Holland will be called upon to decide a question on April 5 that has been agitating the minds of the people since 1911.

LOCALS

Mrs. R. Van Dyke and daughter Mrs. Speet left for Detroit owing to the illness of Mrs. H. E. Buell.

Mr. and Mrs. Henry Venhuizen and Mr. and Mrs. C. W. Dornbos were in Grand Rapids today.

The common council, as a mark of respect and appreciation, sent some flowers to City Attorney Mc Bride who has been confined to his home with illness for some weeks. Wednesday evening City Clerk Overweg read a letter of thanks from Mrs. Mc Bride in which she expressed the city attorney's appreciation to the aldermen.

B. D. Keppel informed the common council Wednesday night that he could not accept the office of member of the censor board. So far not a single member of the board appointed have qualified for the office.

Ald. Brieve of the Committee on Poor reported to the common Council Wednesday evening that the sum of \$77 had been expended for temporary aid during the past two weeks.

The following inspectors for the primary election were appointed by the common council Wednesday evening: First Ward, Jacob Lokker; Second Ward, Louis Schoon; Third Ward, Wm. Brusse; Fourth Ward; Benj. Brower and Simon Kleyn; Fifth Ward, D. W. Jellema; Sixth Ward, Arie Vander Hill.

Tuesday evening at the high school Gym. the De Pree Chemicals will play the Hayes-Ionia team of Grand Rapids for the State Indoor baseball championship. This will be the second of a series of five games. The first to played at Grand Rapids Saturday night. Both teams are all set for the series and it is expected that it will be the most interesting series of the season. The games are being played under the auspices of the Y. M. C. A.

Next Wednesday night, March 10 at the local high school the basketball fans will see the game that they have long been looking forward to—Hope vs. "Y." Both teams have been setting a good pace this winter and are looking forward to this game—the last but hardest game of the year. Altho lacking practice and a coach the local "Y" boys have had a team that have made the best in the state take notice of. Recently they easily defeated Muskegon "Y" who are after the late Independent championship. Hope College has a chance to put in a claim for state championship if they trim M. A. C. at East Lansing Saturday.

Miss Ethelyn Metz has gone to Ann Arbor to be the assisting artist at a concert given by the University School of Music Girls Glee Club, of which Maude C. Kleyn is director. While there Miss Metz will be the guest of Miss Kleyn at the Alpha Chi Omega Society.

The fire department was called out this morning to a chimney fire on Fairbanks Av. The damage was nominal.

A PLAY THAT IS GOING TO ATTRACT MUCH ATTENTION

NOTHING BETTER HAS EVER
BEEN PRODUCED IN
HOLLAND

A play is going to be staged in Holland that has captivated audiences all over the world. It is doubtful if ever a play has been produced and launched in New York City that has run so many nights successfully as "The Lion and the Mouse."

This play has run for weeks in the biggest cities in the country, and at Grand Rapids it has filled crowded houses repeatedly.

A few days ago this paper gave a synopsis of the "Lion and the Mouse" that created considerable comment and citizens of Holland and vicinity are planning to go on March 18 and 19 to see what the Hope College Dramatic club can make of it.

The club has been diligently rehearsing the play and those who have been watching at these rehearsals state that the amateurs act their parts like veterans.

The Dramatic club officials have taken their pick from the best Holland and Hope college talent, and on the evening of March 18, Holland is going to see the best home talent production it has ever witnessed. The play will be staged at Carnegie Gym. and the proceeds are to go to aid the Hope College Anchor which needs financial support.

REFUSE PERMIT FOR SERVICE STATION

COUNCIL OBJECT TO SPOT
PICKED OUT BY STANDARD
OIL COMPANY

Although the common council expressed themselves as anxious to have the Standard Oil Co. erect a service station in Holland the aldermen unanimously decided not to grant a petition of the company to erect such a station at the corner of River Av. and Tenth street opposite the postoffice.

The reasons given against this project were that the place was too near the Methodist church, that the corner was an especially busy one and that a service station there would interfere seriously with traffic. The company wanted to erect a one story service station on this vacant lot. Some months ago the council prevented a local merchant from building a one story place of business there and the aldermen believed it would not be fair to grant to a corporation what was not granted to an individual.

The aldermen however in a formal letter invited the company to erect their service station at some other point in the city.

RESOLUTIONS SHOW WHAT PEOPLE WILL VOTE ON

DOCUMENTS TELL HOW GAS
QUESTION WILL BE SUB-
MITTED TO THE PEOPLE

Can Either Erect a New Plant Or
Buy Present Plant, If Price
Is Right

Following are the two resolutions that were passed by the common council Wednesday evening putting into legal form the proposition of submitting the question of a municipal gas plant to the people of Holland on April 5:—

(Official)

Whereas it has been determined by the Common Council of the City of Holland that the constructing a municipal gas plant in the city of Holland for the purpose of engaging in the manufacture and sale of gas for light, heat, and motive power is a necessary public improvement and that it is a necessary public improvement that said city should engage in the manufacture and sale of gas for generating and furnishing light, heat and motive power to the inhabitants of said city of Holland and territory surrounding the said city of Holland as provided by the charter of the said city of Holland and permitted by the laws of the State of Michigan; therefore

RESOLVED: First, that the city of Holland construct a municipal gas plant in the city of Holland for the purpose of engaging in the manufacture and sale of gas for light, heat and motive power, and that the city of Holland engage in the manufacture and sale of gas for generating and furnishing light, heat and motive power to the inhabitants of said city of Holland, and territory surrounding the said city of Holland as provided by the charter of the said city of Holland and permitted by the laws of the State of Michigan.

Second, that it is hereby further proposed and determined that the amount of One hundred Fifty Thousand (\$150,000) Dollars to be raised by loan for the construction of otherwise acquiring of a municipal gas plant and for the purpose of engaging in the manufacture and sale of gas for light, heat and motive power, as aforesaid, and that for the purpose of said loan the bonds of the city of Holland be issued in the sum of One Hundred Fifty Thousand (\$150,000) Dollars, in manner as follows, to-wit:

DEAD FISH IN THE SUMMER IS NOT CAUSED THRU CARP FISHING

The howlers over dead fish found upon our shores in the summer time will have to holler long and loud if they want any attention of the public in the future.

The carp fishermen have been doing a thorough job of carp fishing during the winter, taking out at least 25 ton or 50,000 pounds of cannibal fish. The complainers when they found a number of dead fish on the beach have always laid the cause to winter carp fishing. Twenty-five or fifty fish over an area of a couple hundred feet looks like a whole lot, and smells like a great many more, but we guarantee that if all the game fish eaten by a half million pounds of carp and sheephead in a season were found dead on the beach instead of being in the fish's stomach, a pestilence would prevail in Ottawa county. They say these cannibals eat nearly their own weight in fish within a day. This may be an extravagant statement, but give them a week to do it, and within a year twenty-six million pounds of game fish would be destroyed.

But that is not the worst of it. The carp, dog-fish, sheephead and others of its species destroy the spawning beds of the game fish by eating the spawn, which means the destruction of billions of game fish in embryo.

A fisherman states that the dead fish on the beach so often spoken of is largely caused by the Lamprey, a sort of eel-like worm or sucker eight inches long, that fastens itself on a game fish and sucks the life out of it.

If the Lamprey becomes detached from the fish it leaves a sore and the fish gradually rots away. Sometimes two or three fasten themselves upon one fish and for weeks the fish swims around slowly, loaded down with this destructive enemy, until it becomes weakened and dies and is then washed upon the shore, after which an obituary on dead fish generally appears in the local papers as an annual news item, fostered by someone who has seen a couple hundred dead fish on the beach.

But even the Lamprey is being exterminated by the carp fishermen.

At the last pulling of the nets two bushel of them were found tangled in the meshes and were immediately destroyed.

The agencies that enter into the extermination of our game fish are many, and the total number destroyed through these agencies must be enormous. It is also true that Black Lake still has millions of game fish, as in one haul more than ten ton were thrown back.

Let the carp fishermen continue their work under the direction of the game department and Holland will have some fishing very shortly.

OTTAWA COUNTY HAS MORE THAN 50,000 POPULATION

Mr. Hoffman states that Ottawa county will have a population of more than 50,000. Its population ten years ago was 45,301 and how much over 50,000 the county would go he was not in a position to state as three townships had not sent in their returns.

In the list however were given: Holland city, 12,162; Zeeland City, 2,200; Chester, 1,350; Crookery, 1,240; Georgetown, 2,400; Grand Haven City, 7,206; Grand Haven township, 865; Holland Township, 2,960; Park township, 850; Olive (both districts) 1,660; Polkton, 2,345; Robinson, 800; Spring Lake township, 2,095; Tallmadge, 1,100; Wright, 1,700; Zeeland township, 1,350; Jamestown, 1,880.

MAKE GAME FIGHT BUT ARE DEFEATED

Holland high school went down to defeat Friday night in the local gym by a score of 36 to 8 when they met the fast team of Central High school of Kalamazoo. But the defeat was no disgrace for the local boys. Kalamazoo Central has defeated the best teams in both Illinois and Indiana, and they were the fastest high school team that ever came to Holland. They were of college calibre.

Kalamazoo Central is undefeated so far this season, and they added another victory to their string. The fact was freely admitted by the local fans that Holland high was outclassed by the crack team from Kalamazoo. The local boys put up a strong fight against tremendous odds, and this was their first defeat on their own floor so far this year. A very large crowd witnessed the game.

TO OPEN BATTERY SHOP AT NEW PLACE

Arthur Kronemeyer of the Auto Supply, located in the Nibbelink building on West 9th St., has purchased the property of the late J. B. Van Oort on Central Avenue, back of the First State Bank next to the Knipe garage. He expects to take possession in a week or two.

Until now Mr. Kronemeyer has been conducting a battery shop with accessory lines, such as vulcanizing and so on. But the battery business is such that it is necessary to drop all of the other line so that Mr. Kronemeyer may give all his attention to battery service. His shop will be equipped for first class service, and he will have the agency for the Presto-Lite Battery. The name of the firm will be changed from "The Auto Supply" to "The Auto Battery Service."

OLD SALTS SAY THAT SPRING IS COMING EARLY

Unless all signs fail we are going to have an early spring in this part of Michigan. Old sailors say that everything points to that fact. They assert that right now, strange as it may seem that the season is a month ahead of the average year. The cold winds of the past day or two they liken to the cold winds occasionally experienced in March. In other words we are experiencing our average March weather right now. Spring will surely be appreciated after this long steady winter. There have been no rains and not a thaw since November. That's some record. What is more, counting today, we have had 87 consecutive days of sleighing in Holland. Unless the weather changes pretty suddenly the 100 mark will be pretty near reached in that respect.

Lake men say that there are great fields of ice in Lake Michigan. For several weeks there have been two huge fields off the harbor at Grand Haven which are from six to ten miles wide. These fields have given the car ferries no particular trouble for they have channels which are easy to follow but if they should ever close up would give trouble yet.

The car ferries of the Grand Trunk line at Grand Haven have been running on summer time all thru February and have averaged a trip a day which is going some for a winter like the present one. The saving grace this winter came about through the fact that during the entire month of January the prevailing winds contrary to all custom were from the east and drove the ice to the head of the lake.

HAYES-IONIA TEAM TO PLAY HOLLAND SQUAD

The Hayes-Ionia indoor team, champions of the Furniture City Indoor base ball league, have closed arrangements to meet the Holland DePrees for the western Michigan championship.

The following is the schedule: first game Saturday March at Grand Rapids; second, Tuesday March 9 at Holland; 3rd, Saturday, Mar. 13 at Gr. Rapids; fourth, Tuesday, Mar. 16 at Holland; 5th, will be decided later.

FIRE IN JUNIOR HIGH SCHOOL THURSDAY

An alarm of fire was turned in on Thursday which demonstrates plainly what fire drills really amount to.

Fire was discovered in the cupola of the Junior high school and soon communicated to the attic below. The big furnace pipe passes thru the roof of the building into the large cupola, and finally comes out of the roof of this small steeple. Because of wet weather and years of exposure the pipe had rusted through and yesterday when the school chimney burned out some of the fire went through the rusted holes falling into a lot of feathers that had accumulated there. A flock of doves have been making their home in the cupola and had built their nests around the warm pipe and apparently have had an ideal home for years on top of the school building. The doves are now homeless and a new pipe will have to be installed for the rusty one.

It took the pupils of the school less than a minute to get out of the building, which was performed in an orderly fashion, and without any undue excitement. The firemen quickly put out the fire with chemicals, and very little damage was done.

ZEELAND BAKERY CHANGES HANDS

A change of ownership in one of the business enterprises of Zeeland took place this past week, when M. Hirdes and M. Van Houten of Grand Rapids, joined partnership and purchased the business and bakery outfit of M. Kooyers on Main street. Mr. Kooyers has successfully conducted the bakery shop and restaurant for the last four and a half years. He will retire from the bakery business and enter upon a new vocation.

On the first of March Mr. Kooyers will open a real estate office in the rooms above Mulder's book store and will deal both in city and farm property. The restaurant will be conducted by Mr. Kooyers as heretofore while the baking of bread and sweet goods will be handed over to the new proprietors at that time.

CHARLES S. BERTSCH FUNERAL SATURDAY

The funeral of Charles S. Bertsch, whose death resulted from pneumonia on Thursday afternoon, will take place on Saturday afternoon at two o'clock from the home on the Park road. The funeral will be private and interment will take place at Pilgrim Home cemetery. Rev. G. B. Fleming, pastor of the Methodist church will officiate.

The death of Mr. Bertsch was quite a shock to hosts of friends in Holland. Almost nobody, not even some of his quite intimate friends, knew that he was seriously ill, and the announcement of his death in Thursday night's Sentinel came as a distinct shock to them.

Mr. Bertsch was on a visit at the home of his brother, Mr. Fred S. Bertsch in Chicago when the disease attacked him. An attempt was made to keep him in Chicago until his illness should have passed, but he was anxious to get home, and he did not seem to realize that his illness was as serious as it proved to be.

The Reformed church of North Holland has sent their call to Rev. J. J. Althuis of Lafayette, Ind., for the second time.

NAVIGATION TO OPEN LATE THIS SEASON

Navigation out of this port for 1920 is going to get a late start, so J. S. Morton, president and general manager of the G. & M. line said at Benton Harbor Thursday.

Mr. Morton advanced various reasons for this. Ice in the lake is the heaviest and thickest in years. The extremely cold weather has piled up the floes until they stretch away for many miles. Ice is still making and it will take considerable thawing and "soft" weather before the big fields shift sufficiently to open a channel to permit boats to get out. Labor and other conditions are not operating sufficiently favorably, said Mr. Morton, to permit of an early opening of navigation. These adverse conditions made possible an early closing of conditions last fall. "It will be the middle of April or possibly later before we send the Grand Rapids out." The expense of operating a boat is such that the company will make sure that there is sufficient freight to warrant running.

But despite the fact that the Grand Rapids, always the first G. & M. boat out in the spring, will not sail for many weeks yet, the vessel is being made ready for the 1920 season. All winter crews of men have been at work on her. While they have not been working of late, they will start in again Monday and will complete the work that is necessary before the steamer, repainted, and re-cleaned throughout, casts off her lines for the initial run of the year.

The G. & M. company is making arrangements for a big season. Indications point to even a greater volume of business than was handled last year.

George E. Clements was a Grand Rapids visitor Monday.

ONE CANDIDATE LESS IN OTTAWA FOR SHERIFF

Holland has a candidate for sheriff in Lawrence DeWitt, an ex-soldier, and the most formidable candidate he had opposing him was another soldier in the person of Capt. George L. Olsen, also a clean, fine upstanding man with a good soldier record. But Capt. Olsen is out of the running as he has consented to manage Gen. Wood's campaign in Ottawa county.

It was at first thought that a battle royal between soldiers would take place in this county but apparently this is all off and only one soldier candidate will be in the running for sheriff. The Holland candidate will be pitted against Del Fortney at one time a deputy sheriff and chief of police at Grand Haven. Mr. Fortney is also a clean man who knows how to run a sheriff's office.

Lawrence De Witt has been a driver at engine house No. 1 for years and for four years has been the right hand man of Sheriff Dornbos. The Grand Haven Tribune has the following on Capt. Olsen and his new work:

"Capt. George L. Olsen, commander of Company 'L', 126th Infantry formerly old Company F. of this city, of the 32nd division, has stepped out of the race for the nomination of sheriff of Ottawa county, to accept the management of the campaign in Ottawa county in behalf of General Leonard Wood for president. Capt. Olsen's candidacy for the nomination of sheriff of Ottawa county on the Republican ticket was announced some weeks ago, at the instance of a great many friends from all sections of the county. At that time he had been urged by leaders in the Wood campaign to accept the Ottawa county leadership for the popular general, but upon his decision to undertake the task of looking after Gen. Wood's interests, he felt that he could not

do justice to the important work assigned to him, if he were himself a candidate for office.

"Although his many friends throughout the county regret his decision not to be a candidate for county office at this time, they feel that his action in the matter is the best course to take under the circumstances. He has a very wide acquaintance throughout Ottawa county thru his military service and war record. The men who served with him, both under his command, and as his superior officers are his strongest friends and many of them have already volunteered to assist him in any way possible in the work he has undertaken.

"Capt. Olsen has been a strong believer in General Wood's qualifications for the presidency from the first. He was a firm supporter of the general for the presidential nomination long before General Wood officially became a candidate. He firmly believes that General Wood, whose record for efficiency and fairness speaks for itself, is the logical candidate for the republican nomination and he will devote all of his time available to forwarding General Wood's interests in Ottawa county from now until the campaign ends.

"Capt. Olsen has already begun building up the Wood organization in Ottawa county in preparation for the presidential primaries in April, and from the voluntary promise of support he has already received from party leaders in the county, he believes that Ottawa will be a good Wood county, without question in the primaries and in the campaign to follow.

"General Wood's sincere devotion to duty, in spite of many discouraging actions taken by the powers that be; his excellent conduct of the tasks assigned to him; his fearless declarations for law and order at all times and under all circumstances and his pure, unadulterated, unqualified Americanism, have won for him the

support of thousands of good Americans. It is rather fitting therefore that his interests in Ottawa county should be placed in the hands of a veteran soldier who fought on the front lines in France for just those principles of Americanism.

WORK ON GARAGE CAN GO AHEAD

After waiting for a long time for the steel window sash that is necessary to complete their building Dulyea & Vander Bie, Saturday received the necessary material, and the work on the large garage can now proceed, so that the place can be completed in a comparatively short time.

But altho their building is not ready, Dulyea & Vander Bie are already doing business. Mr. Dulyea and Mr. Vander Bie were at the auto show this week and disposed of a Cleveland Six, which they sold to E. Fiebach, West 15th street.

The republican caucus will be held in the town hall of Holland township on Thursday, March 11, at 1:30 p. m. to nominate officers.

Signed, J. Y. Huizenga, G. J. Deur, Republican Com.

REGISTRATION NOTICE!

To the Qualified Electors of the CITY OF HOLLAND, STATE OF MICHIGAN:

Notice is hereby given that in conformity with Act. 126, Public Acts of 1917, I, the undersigned City Clerk, will upon any day except Sunday and a legal holiday, or the day of any regular or special election or official primary election, receive for registration the name of any legal voter in said City not already registered who may APPLY TO ME PERSONALLY for such registration, except that I can receive no names for registration during the time intervening between the Third Saturday before any general or special election or official primary election and the day of such election.

March 20, 1920, Last Day for General Registration for Spring Election, April 5, 1920

All electors not already registered and intending to vote at said ELECTION, should make PERSONAL APPLICATION to me on or before the 20th day of March, A. D. 1920.

Notice is further hereby given that I will be at the City Clerk's Office, City Hall, Corner of River Ave. and 11th Street, on

MARCH 13 AND MARCH 20, 1920

From 8 o'clock a. m. until 8 o'clock p. m. on each said day for the purpose of REVIEWING the REGISTRATION and REGISTERING such of the qualified electors in said City as SMALL APPEAR and apply therefor.

The name of no person but an ACTUAL RESIDENT of the precinct at the time of registration, and entitled under the constitution, if remaining such resident, to vote at the next election shall be entered in the registration book.

REGISTRATION OF ABSENTEE BY OATH

If any person whose name is not registered shall offer and claim the right to vote at any election, and shall, UNDER OATH, state that he or she is a resident of such precinct and has resided in the City TWENTY DAYS next preceding such election, designating particularly the place of his or her residence and that he or she possesses the other qualifications of an elector under the constitution; and that, owing to the sickness or bodily infirmity of himself or herself, or some member of his or her family or owing to his or her absence from the City on public business or his or her own business, and without intent to avoid or delay his or her registration, he or she was unable to make application for registration on the last day provided by law for the registering of electors preceding such election, then the name of such person shall be registered, and he or she shall then be permitted to vote at such election. If such applicant shall in said matter, wilfully make any false statement, he or she shall be deemed guilty of perjury, and upon conviction, be subject to the pains and penalties thereof.

Provision in Case of Removal to Another Precinct

Any registered and qualified voter who has REMOVED from ONE ELECTION PRECINCT of a Ward to another election precinct of the same Ward shall have the right, on any day previous to election day, on application to the City Clerk, to have his or her name transferred from the registration book of the precinct from which he or she HAS REMOVED to the registration book of the precinct in which he or she THEN RESIDES. Such elector shall have the right to have such transfer made ON ELECTION DAY by obtaining from the board of inspectors of election of the precinct from which he or she HAS REMOVED a CERTIFICATE OF TRANSFER and presenting the said certificate to the BOARD OF ELECTION INSPECTORS OF THE PRECINCT IN WHICH HE OR SHE THEN RESIDES.

Women Electors

IMPORTANT NOTICE

All women who possess the qualifications of male electors will be entitled to registration provided they make proper application to the CLERK within the time limit above designated. ALL REGISTRATION OF WOMEN PRIOR TO DEC. 5, 1918, is NULL and VOID.

Dated February 10, 1920.

RICHARD OVERWEG, City Clerk.

FORMER HOLLAND INTERURBAN MAN IS PROMOTED

All railroad folks, Holland business men and the city officials know Clinton Morgan, former superintendent of the Holland Interurban and liked him. They were sorry to see him leave the road, but will be pleased to learn of his good fortune in receiving a well-merited promotion.

The Brooklyn Union says the following:

"The surface lines of Brooklyn are now being operated as a unified system, the new arrangement by which H. Hobater Porter, vice-president and general manager of the Brooklyn City R'y Company, assumes direction of operation of the Nassau Electric Railroad company, Brooklyn, Queens County and Suburban Railroad company, and the Coney Island and Brooklyn Railway company, all B. R. T. lines, having gone into effect today.

"Mr. Porter announced today that Clinton E. Morgan, who has had direct charge of the operation of the Brooklyn City system since Oct. 19 last, will have direct control of operation of the B. R. T. lines, which have been placed under the general management of Mr. Porter by the receiver, L. M. Garrison. In a statement issued Mr. Porter said:

"The success which has attended Mr. Morgan's efforts in the operation of the Brooklyn City lines during the last few months is the best assurance to the public that the surface system generally will be operated efficiently and in the best interest of the community.

"Clinton E. Morgan entered electric railway work in 1899. He progressed through the construction and the operating departments of the Indianapolis and Greenfield Rapid Transit companies, centralizing in Indianapolis. In 1902 he became purchasing agent and later was appointed auditor. He was made assistant general manager of the Indianapolis and Eastern Traction company. In 1905 he was named superintendent of the Indianapolis and Martinsville Rapid Transit company, the Indianapolis Coal Traction Co. and the Indianapolis and Western Traction Co.

"Subsequently Mr. Morgan was superintendent of the Terre Haute, Indianapolis and Eastern Traction Co., general manager of the Indianapolis, Crawfordsville and Western Traction Co., General superintendent of the Michigan United Traction Co., Michigan Railway Co., including the Holland Interurban. On Oct. 1, 1919, he became connected with the Brooklyn City Railway Co. as assistant general manager.

"Mr. Morgan is a member of the Society of Automotive Engineers, American Association of Railroad Superintendents and American Academy of Political Science."

MRS. ROSE FISHER BRINGS ACTION FOR INJURIES

Summons has been led in Kent circuit court in a \$5000 damage action brought by Rose D. Fisher against the American Railway Express company and W. D. Hines director general of railroads operating the Pere Marquette.

Mrs. Fisher was injured last August when a trunk fell off a truck and onto her as she was boarding a train at the Union Station at Grand Rapids. She is a daughter of Mr. and Mrs. John J. Danhof of Grand Haven.

FORMER HOLLAND WOMAN DIES IN CHICAGO, ILL.

Mr. and Mrs. T. Ten Houten, 14th and Pine, received a telegram announcing the death in South Chicago of their daughter, Mrs. Robert Van Dellen, formerly Miss Nettie Ten Houten. Death came to the former Holland woman Sunday morning. She is survived by her husband and four children; also by her father and mother, three sisters, Mrs. D. J. Te Roller of Holland, Mrs. Kate Ganzevoort of West Pullman, Miss Carrie Ten Houten of Denver, Colo., and two brothers, John Ten Houten of Chicago, and Thomas Ten Houten of Detroit.

Western seminary this year will graduate a class of seven in May. No calls have been extended owing to a requests made to vacant churches a few years ago to defer calling students until some time in March. An effort to raise an endowment of \$40,000 for a fifth chair, started with an offer of \$5000 by Rev. J. W. Beardslee, a former professor probably will be successful.

VETERAN IN P. M. SERVICE PASSES AWAY

After a lingering illness Charles Wise died Saturday at his home at 111 East 14th street. Mr. Wise for 42 years was employed by the Pere Marquette railroad and he was one of the veterans in the service. The deceased is survived by his wife and three children, Roy of Holland, Don of Willard, Ohio, and Miss Ruby of Holland. The funeral was held Tuesday afternoon at 2 o'clock from the home, Rev. G. B. Fleming, pastor of the M. E. church officiating. Mr. Wise was born in Leesport Pa.

FIVE ANNIVERSARIES IN FEBRUARY IN MULDER FAMILY

Often peculiar co-incidences relating to birthday anniversaries are reported but the Mulder family we believe holds the palm.

The family records recorded in the old family bible, now at the home of Mrs. L. Mulder reveal the fact that five of her children were born in the month of February including "J. B."

The date of birth of two of the children falls due on February 22, Washington's birthday. These are Mrs. Andrew Mulder Steketee and Marius Mulder.

The birthday of B. A. Mulder comes on the 23rd of February in 1872 the day on which the Holland City News was born and as the first issue also contains a notice stating the fact that there was born to Mr. and Mrs. L. Mulder, a son, it is conclusive evidence that he and the paper of which he has been the publisher for the past 27 years, are even old. The late Dr. Morris established the News Feb. 23, 1872.

Mrs. Henry Mulder Geerlings is a patriotic individual, her birth being announced by the shooting of cannon and fire crackers. You might imagine that she first saw the light of day on the Fourth of July, and what is more she has the youngest husband that any woman in Holland can boast of. Henry only reached his 13th birthday Sunday. Rather unlucky to be sure, but next leap year he will be 14 and that's some consolation.

Another peculiar co-incidence was the fact that Mrs. L. Mulder never changed her name when she was wed to the late publisher of De Grondwet. The marriage license indicates that Miss Mulder was wed to Mr. Mulder, the names being the same as you will notice. However the couple were not even distantly related.

The parents of the one came from Vriesland in the northern part of the Netherlands and were from Freeshen and French extraction, while the other family came from the Islands of Zeeland and were from Zeelandish and Belgium stock.

The couple had never met until both families reached Holland in the early pioneer days and settled in the colony seventy years ago.

FORMER LOCAL BELL RINGERS MAKE A HIT

P. H. Brouwer, former Zeeland man who gained local fame as a bell ringer, is now gaining a wider audience, according to a letter received here from Montgomery, Ga., where Mr. Brouwer and family, known as the "Royal Holland Bell Ringers," are filling an engagement of several weeks in theaters.

Like most persons who go on the stage, Mr. Brouwer has chosen a stage name. On his letter heads his name appears as "P. H. Brouner," Musical Director, while his son, John Brouwer, is listed as "John Brouner," Assistant Manager.

The former Zeeland man has also acquired a Managing Director in the person of Leslie B. Lucas, who makes all the bookings for the company, routes them, and takes full charge of their movements. Just at present Mr. Lucas has his company booked for ten full weeks on the Loew Circuit in the south, one of the largest vaudeville circuits in that section.

At the close of this period, the "Royal Holland Bell Ringers" will go across the Atlantic again to play England and Holland. The manager is already on his way to book those countries for his company.

Recently the "Holland Royal Bell Ringers" gave a concert before Gov. Dorsey of the state of Georgia in the reception room at the capitol. The act of the former Zeeland family consists of one and a half hours of vaudeville and fancy musical stunts.

LOCAL MERCHANT PASSES AWAY

Charles S. Bertsch, proprietor of the Bertsch Electric Shop on River Av. died Thursday afternoon at about 2 o'clock at the home of his father on the Park road. Death came as a result of a brief illness with pneumonia. Mr. Bertsch was taken ill in Chicago last Wednesday. He went home and his illness took a turn for the worse which became critical a day or two ago.

Mr. Bertsch was 49 years old. He is survived by his father and mother, and two brothers, Fred S. Bertsch of Chicago and Col. William H. Bertsch of the army.

The funeral was held Saturday at 2 o'clock from the home, Rev. G. B. Fleming, pastor of the M. E. church officiating. Interment took place in Pilgrim Home cemetery.

Miss Jeannette VandenBrink, aged 21 years, died Sunday at the home of her parents, Mr. and Mrs. Bert Vanden Brink, at 137 West 15th St. The funeral was held last Tuesday afternoon at 1:30 from the home, and at 2 o'clock from the Fourth Reformed church, Rev. Mr. Heemstra officiating.

WOULD HAVE LOTS LISTED THIS WEEK

Have you a lot you want to sell? Or do you want to own a new house? Or would you like to sell your old house so that you may buy a new one?

In any one of these contingencies, call at the office of John Arendshorst and list your desires with the Holland Home Building Association. This week has been set aside for that purpose. The Home Building Association wants to get as complete a directory as possible of the available lots in the city. But no lot will be listed by telephone. Those wishing to get in on this are requested to call at the office of Mr. Arendshorst in order to have the job done right.

A card index will be made of the lots listed, the following information to be given on each card: Name of owner, street, lot, number, block, addition, size of lot, facing how, between what, price, street improvements, shade, water, sewer, gas, sidewalk, unpaid improvements, mortgage. Anyone calling at the office of Mr. Arendshorst should be prepared to answer the questions implied in these topics.

There may be persons who want to buy one of the new houses but who must first get rid of their old houses. Such persons are asked to list the old with the association and an attempt will be made to accommodate them.

By Thursday of this week the plans and specifications and colored sketches of the proposed houses will be on file at the office of Mr. Arendshorst and prospective buyers will be given an opportunity to inspect them there.

The caution is repeated that the early bird will catch the worm, and anyone who wants to get in on this is advised by the Holland Home Building Association not to delay.

Miss Betty Nibbelink and Miss Ruth Mulder were in Grand Rapids Monday taking in "The Master Thief" played by Francis X. Bushman and Beverly Bayne at Powers.

DECISION OF LOCAL BOARD IS REVERSED

By the terms of a decision just handed down by the State Industrial Accident Board at Lansing Clayton St. Clair of this city will receive compensation for injuries received on June 23, 1919. Mr. St. Clair on that day was helping to deliver a piano for the A. H. Meyer Music House. As a result of the heavy exertion, a blood vessel burst in his head, paralyzing his left side, so that he has been an invalid ever since the accident.

The case was originally tried before the Arbitration Board in Holland and was decided against Mr. St. Clair, the Travelers Insurance Co., in which the Meyer Music House was insured, claiming as a matter of law that Mr. St. Clair's injury was not an accident. Mr. Meyer, though technically one of the persons against whom the action was taken by Mr. St. Clair, was anxious that he should receive compensation, but where a party is insured, as Mr. Meyer is, the insurance company controls such matters.

Locally the case was decided against Mr. St. Clair by a majority opinion of the Arbitration Board. Mr. William Brusse, one of the members of the board put in a dissenting opinion, and his opinion has now been upheld by the full Industrial Accident Board at Lansing. The case was argued in Lansing on December 23, 1919, and the decision has just been given.

The decision holds that Mr. St. Clair "is entitled to receive and recover compensation from both of the said defendants at the rate of Ten Dollars (\$10) per week from June 23, 1919, during the period of his total disability and should he become at any time only partially disabled, he is entitled to be paid one-half the difference between the sum of Twenty Dollars (\$20) and any lesser sum he may be able to earn during the period of his partial disability, and is also entitled to be paid his hospital and medical expenses incurred by or for himself during the first three weeks after June 23, 1919."

HOLLAND "Y" ENTERTAINS THE IN- DOOR LEAGUE

The Holland Y. M. C. A. entertained the Indoor League of Holland Tuesday evening when the Shoes, the Furnace and Chemicals sat down to a sumptuous supper served in the parlors of the Episcopal church by the ladies of the church. The supper was a three-course affair and was good. Thirty-two gathered about the three large tables and all enjoyed a real good time. Mr. Jake Fris, president of the Holland Y. M. C. A., presided and called on Mr. Jake De Pree who gave a short talk. Next in order was A. H. Landwehr who gave the Chemicals a good talk and it sure created a lot of laughter. Oscar Peterson, manager of the Holland Shoe team gave a hearty talk and boosted for a "Y" building and also for the game next Tuesday night when the Chemicals play the Hayes-Ionia team from Grand Rapids. Cigarettes and cigars were distributed and all adjourned to the Strand and saw a very good show.

PUBLIC SPEAKING CON- TEST TO BE HELD

Thursday morning at 8:15 eleven members of the public speaking classes will give six minute extemporaneous speeches in high school. The program is given in honor of the George E. Kollen Public Speaking prizes which have been offered by Mrs. G. E. Kollen.

Friends of the high school are invited to be present:

The following people will speak: Walter Steketee, Esther Fairbanks, Mildred Slagh, Richard Harkema, Marion Maris, Huldah Nies, Grace Yonker, Esther Bazaan, Harold Cook, Frederick Steggerda, Esther De-weerd.

The judges are the following teachers: Miss Ross, Miss Kohn, Miss Hoekje, Miss Wicks, Mr. Horne. The contest is given under the direction of Miss Anthony.

JUNIOR HIGH REPUBLIC HAS BEEN ORGANIZED

Tuesday was a red letter day for the Junior High school. For a long time plans had been under way to organize a Junior High Republic, and on March 2 at 2:15 the final election was held. The various classes honored the following people by choosing them as candidates; for president, John Lloyd Kollen, Adrian Ter Louw, Raymond Smith, and Willemette Kuite; for vice president, Eugene Kammeraad, Hazel Albers, Alida Vander Werf and Geneva Tin-helt; for treasurer, Marion Ingham, and Francis Friedrich; for secretary, Eva Tyse and Willard Vander Water. All of these, in the presence of over 400 pupils and teachers, made short but excellent speeches, which would do credit to older politicians.

A fine spirit of co-operation prevailed. The following candidates were elected: Raymond Smith, president; Eugene Kammeraad, vice president; Marion Ingham, treasurer; Willard Vander Water, secretary.

COLLEGE SOCIETY IS THIRTY YEARS OLD

The Cosmopolitan society held the annual stag Tuesday evening in the society hall on the campus. The event is noteworthy in that it marks another decade in the history of the organization. The thirtyeth anniversary, which was held Tuesday evening, finds the society in an ever-growing and prospering condition, still mindful of the traditional ideal, "Friendship, Truth and Progress."

The hall was adorned with the society colors and covers were laid for forty members. After a well spread banquet had been vanquished the society enjoyed several toasts. Mr. C. De Vries, the president, acted as the toastmaster. The toasts, all reflected some phase of the occasion in nautical terms, drawing an eulogy between the voyage of a ship and the history of the society. The following toasts were given, at the request of Skipper De Vries:

"Dead Astera" (Sousa) VanderWerp
"Vets".....(Webster) Ten Haken
"Rookies"....(Wilson) Scherpenisse
"The Helmsman" (Thiers) Schurman

CITY'S TOTAL FOR NEAR EAST IS \$5,456.70

The people of Holland and southern Ottawa county gave more than two dollars for every dollar they were asked for in the Near East Relief drive. Chairman John Vandersluis Monday made a report on the drive, and he found that a total of \$5,456.70 had been collected in the city of Holland alone, with perhaps \$500 more to come in scattering donations. But the \$5,456.70 is actual cash now in the bank.

This is for the city of Holland only and does not take into consideration the rest of the south half of Ottawa county, the returns of which are not yet in. It is expected that the rest of the district will send in at least \$2,000, which will make the total between \$7,000 and \$8,000 for southern Ottawa. The quota for the south half of the county, as given in a telegram to Mr. Vandersluis on Saturday, was \$2,980, so that southern Ottawa has more than doubled its quota.

The drive has been one of the most successful ever held in this part of the county. South Ottawa began the campaign late, but when it did start it started vigorously. There was a very complete organization, and each person had his definite work to do and did it thoroughly. The result is the fine showing that has been made.

The money came from large and small, rich and poor. One little boy gave twenty cents, all the money he had, and one lady on Saturday gave \$200. And there were many different amounts given by people according to their means. And all, large or small, helped to swell the fund to more than double the amount that was required.

Mr. Vandersluis is now at work making out a complete report, which will be published in a few days.

MANY HOLLAND MEN ON CHRISTIAN SCHOOL PROGRAM

Grand Haven voted favorably on a \$150,000 bond issue for a new high school about six months ago, but after the contractors had asked to bid on the proposition it was found that it required \$250,000. Although these school bonds up to the amount of \$150,000 are now available the school board decided to wait. In the meantime the school for Christian Instruction has been building a large school and this fact was used in an argument by some of the tax payers that helped to defeat the public school project when the Board of Education finally decided and asked for an added appropriation of \$100,000 to build the high school with. At the dedication of this new Christian school many Holland men spoke.

The new Christian school built at Grand Haven was dedicated Wednesday night with appropriate exercises in the school building. Frank Vanden Berg, president of the school board of the Christian school presided as chairman of the evening and there was an address by Rev. K. Kuiper of Holland who is known as the father of the Christian school movement in America. There were also addresses by B. J. Bennink of Holland, Rev. Bruinooge of Holland, and Rev. J. M. Ghysels of Holland. Addresses were given also by John Van Beukering and G. L. Dornbos and Frank Vanden Berg. Guy L. Boer, principal of the school at the present time also spoke at the dedicatory service.

The new school building has been occupied since the first of the year, but the large basement auditorium, in which last evening's services were held, has just been finished. This room will accommodate at least 350 people. The new school is a fine four-room building erected on the site of the old building which was razed to make room for the new school house.

BAD BREATH Caused by Acid-Stomach

How can anyone with a sour, gassy stomach, who is constantly belching, has heartburn and suffers from indigestion have anything but a bad breath? All of these stomach disorders mean just one thing—Acid-Stomach.

EATONIC, the wonderful new stomach remedy in pleasant tasting tablet form that you eat like a bit of candy, brings quick relief from these stomach troubles. EATONIC sweetens the breath because it makes the stomach sweet, cool and comfortable. Try it for that nasty taste, congested throat and "headly feeling" after too much smoking. If neglected, Acid-Stomach may cause you a lot of serious trouble. It leads to nervousness, headaches, insomnia, melancholia, rheumatism, sciatica, heart trouble, ulcer and cancer of the stomach. It makes its millions of victims weak and miserable, listless, lacking in energy, all tired out. It often brings about chronic invalidism, premature old age, a shortening of one's days. You need the help that EATONIC can give you if you are not feeling as strong and well as you should. You will be surprised to see how much better you will feel just as soon as you begin taking this wonderful stomach remedy. Get a big 50 cent box from your druggist today. He will return your money if you are not satisfied.

HOLLAND HAS A POPULATION OF MORE THAN 13,000

There are a great many cities in Michigan that are disappointed as to their population. Even Grand Rapids, whose citizens have been boasting 175,000, finds that in reality it only has 135,000. There are few cities in Michigan that have had phenomenal growths such as Detroit, Flint and Muskegon, the growths in these cities being largely due to automobile and iron industries, enterprises that have developed wonderfully during and since the war.

Altho this paper has published a great deal of Holland census, the Grand Haven Tribune seems to speak for us, stating that we are disappointed and by so doing kind 'a softens the chagrin they must feel because the population of Grand Haven falls so far short of its expectations.

Among a whole lot of other things the Grand Haven Tribune states is the following, after breaking the news of its real population to its readers:

"And anyway what does it matter? Grand Haven is disappointed because seven or eight hundred people we thought were here, really are not here after all. Muskegon, or Flint or Lansing or Alma or some other confounded fast growing auto town has them maybe. It's up to this burg to show them a trick or two when the next census rolls around. Besides that, we are not the only disappointed city in this fair land. Holland has not been heard from yet, but reports from the county 'metrop' indicate that the census figures there are not going to be anything of the sort to have a three-day celebration over."

Be that as it may, Holland's population is not all shown in the census report.

Ten years ago Holland had a population of 10,490, and today according to Mr. Hoffman, this city has a population of 12,162, an actual increase over ten years ago of 1,672.

The Grand Haven Tribune says further: "The Grand Haven figures show much to be thankful for after all. We have about 7250 people in an area that would house fifty or a hundred thousand almost as conveniently and the thing is to get out and close up that space before 1930."

Here again Holland has Grand Haven beat. While Grand Haven's limits are large enough to take in a city of "fifty or a hundred thousand", Holland has outgrown its limits on all sides except possibly to the south. Let us analyze this population. For instance the north side is nothing less than a part of Holland. There is nothing there to show where Holland leaves off and the North Side begins, but the bridge Holland's fire department protects the North Side. bonuses are given to North Side factories, and most of the employees of the North Side factories live in the city of Holland. Scores of children attend our high school and this large colony does its trading in the city of Holland.

Mr. Hoffman of the census bureau states that the North Side easily has a population of 350.

Now take it on the east side. The east side of Fairbanks avenue is in Holland township, the west side in Holland city. Beyond Fairbanks av., nearly to the townhouse along the cement drive to Zeeland, the space is filled with residences. This is true from Black river on the north to Pilgrim's Home cemetery on the south and beyond.

Andrew Klomparsens of the Holland Furnace Co., who has made a careful estimate of the number of residents in this over-the-limits district, states that the number could not fall far short of 375.

Now take Holland to the west. The entire Diekema Addition, beginning where the street car track turns to the resorts, is outside of the city limits, although it is as densely populated as any part of Holland proper, and connects right up with Montello Park, which could also easily be included if Holland was to have its limits extended. A careful estimator who lives in that vicinity states that 275 residents would not be far out of the way.

All this simply means that Holland has outgrown its limits, and citizens have found these desirable spots to build a home.

There is no suburban feature about it. These localities mentioned are built right up to Holland, and Holland is built right up to it.

A stranger not knowing conditions and boundary lines could not tell whether these outlying districts were a part of Holland or not. There is nothing there to indicate that these are not.

The citizens trade here, their children study here, those residents worship here, and their homes are protected by both our police and fire departments, and the only reason why they are not figured in the Holland census enumerator's report, is the fact that imaginary boundary lines prevent them from being included.

Therefore the population of Holland including the outlying districts would be 13,162, if our limits were extended and placed where they belong.

No, Grand Haven, we're not disappointed. We are agreeably pleased and surprised. Our factories are all filled, new ones are trying to come and a tremendous internal industrial growth has been going on during the past year, and like a rolling snow ball it is assuming greater and greater proportions.

A man who is a knocker in Holland these days must be a short-sighted individual or an ingrate.

HOLLAND WOMEN TAKE PART IN THE STATE MEETING

Several Holland women were in attendance at the state woman's training conference which was held in Jackson parallel with the pastors' conference in connection with the Interchurch World Movement at Lansing.

These special conferences for women are being held in every state in the Union between February 8 and March 26 for the purpose of enlisting women of the different denominations in different parts of the state in the Interchurch World Movement and training them for leadership in the county conferences which will begin March 15.

Seven leaders' teams of two women each have been sent out from New York to direct these conferences each team going to six or eight cities.

The Michigan conference is in charge of Mrs. William Frazer McDowell of Washington and Mrs. Lida D. Robinson of Colorado Springs. About 200 women were in attendance. The conference closed on Thursday afternoon with a special training conference at 4 o'clock.

Among the speakers at the conference were Dr. A. E. Rapp, Dr. A. L. Warnshuis, Dr. M. A. Honline, Dr. John M. Springer, Dr. C. B. Leshner, and Dr. and Mrs. Samuel Zwemer.

SEVERAL HOLLAND MEN NAMED FOR MARCH TERM JURORS

The names of six Holland men appear in the list of jurors drawn for the March term of court in Ottawa county. Judging from the list it appears that all the jurors drawn are men.

Allegan county recently had the good fortune to also have a few women drawn from the official hat. But no doubt next time the ladies will have a whirl at the jury box in Ottawa county. The list of cases has not yet been compiled. The jurors drawn follow:

LIFE SAVING STATION OPENED ON MARCH FIRST

After having been closed since the last day of December, the Macatawa Life Saving Station again opened for business on the first day of March. Officially the station opened at midnight Sunday night, when the members of the patrol went to work and made the usual rounds. Capt. Van Weelden received his orders from headquarters Wednesday and was ready to put the station into commission again.

Labor shortage has hit the Macatawa station so that the season had to be opened with only five men in the crew, while a full crew is composed of eight men. The three missing men have found better paying jobs elsewhere and have deserted the life saving service.

The five regular men who will be back on the job are: John Van Regenmorter, No. 1; Herbert Van Oort, No. 2; Charles Bontekoe, No. 3; Neil Landman, No. 4; and James H. Faasen, No. 5.

In addition to these Capt. Van Weelden has succeeded in engaging one temporary man in the person of Joe Schlick of Grand Rapids, who served as temporary member of the crew for a while last fall. He will be on temporary duty until such a time as a regular substitute can be provided. Capt. VanWeelden expects to engage two other temporary members of the crew.

Joseph Boshka will again have charge of the light house at Macatawa. Mr. Boshka has been the light keeper at the local resort for the last seven or eight years. The lighthouse will however not be put into commission as soon as will the life saving station.

There is from 5 to 6 miles of ice on Lake Michigan, and the ice in the bay is about 18 inches thick the thickest it has been for a number of years.

GRAND RAPIDS MUSICIANS PERFORM

Altho some of the Century Club members came to the meeting at the Woman's Literary Club hall Monday evening expecting to hear an opera the falling through of that program was more than compensated for by a miscellaneous program of music in which a number of Holland musicians took part, as well as two high class artists from Grand Rapids.

The feature of the evening was a concert on the harp given by Miss Lorch of Grand Rapids. Miss Lorch charmed the audience of members and their guests with her music, giving three different cycles of numbers, several of them being cantillations.

The other Grand Rapids artist, Miss Maria Lund was not on the formal program but she was prevailed upon to close the series of musical numbers with a beautiful piano solo and also as an encore several brief numbers of her own composition.

Mrs. J. E. Telling in the course of the evening beautifully sang "Madame Butterfly," and a quartet composed of Mrs. Telling, Miss Anthony Mr. Dykema and Mr. Page, made a big hit when they twice appeared on the program. The accompaniments were by Mrs. Robbins.

The program was in charge of Mrs. N. Bosch, Mrs. S. R. McLean and Mrs. A. H. Landwehr.

COUNTY CLERK ORIE SLUITER IS COMING TO HOLLAND

Below will be found a letter from Orie Sluiter which is self-explanatory. It goes without saying that the mayor will no doubt grant Mr. Sluiter the use of the city hall.

This is a good work and should be followed up constantly and should receive the co-operation of every American citizen.

The letter follows: "The writer has been asked by the division of citizenship training of the department of labor at Washington, to promote the idea of citizenship, and also at the request of a number of your citizens, I am trying to arrange for a meeting in Holland next Monday night, to go over the naturalization laws with the foreigners of Holland and also to go into the ideas of what constitutes an American citizen."

"I have taken the liberty of writing the mayor asking for permission to use the city hall as a meeting place to meet all the foreigners and other persons interested in this work, and have also written Mr. John Good of the Cappon-Bertsch Leath. Co., who has a number of foreigners in his employment.

"May we ask that you kindly use your efforts in securing this meeting place and also giving the matter publicity so that we may meet as many foreigners and persons interested in this work as possible.

With personal regards and best wishes, I remain,
Yours very truly,
Orie J. Sluiter.

SOUTH END GARAGE IS IN NEW HANDS

Albert R. Voss has rented the large garage on the corner of River and Sixteenth street from his father R. A. Voss and will conduct it from now on. R. A. Voss will devote all his time from now on to selling cars and tractors, while Albert R. Vos will be in charge of the garage which will be run along the same line as before, with the exception that the equipment will be materially increased, giving opportunity for quicker service.

The garage has also installed a battery service and will be ready to take care of this class of work. Mr. Vos has taken the agency for the Gould battery.

TO OPEN BATTERY
SHOP AT NEW PLACE

Arthur Kronmeyer of the Auto Supply, located in the Nibbeliak building on West 9th St., has purchased the property of the late J. B. Van Oort on Central Avenue, back of the First State Bank next to the Knipe garage. He expects to take possession in a week or two.

Until now Mr. Kronmeyer has been conducting a battery shop with accessories lines, such as vulcanizing and so on. But the battery business is such that it is necessary to drop all of the other line so that Mr. Kronmeyer may give all his attention to battery service. His shop will be equipped for first class service, and he will have the agency for the Presto-Lite Battery. The name of the firm will be changed from "The Auto Supply" to "The Auto Battery Service."

ADVISES STUDENTS
TO CURB THEIR
SPENDING HABITS

President E. D. Dimmet called the students of Hope College into special session Wednesday morning for chapel services during which he gave them a talk on extravagance. The address lasted about twenty minutes and in the course of it the president gave the students of the college a great deal of useful advice about the spending of money.

He called attention to the fact that the money spent by the student is money for the most part for which somebody else has worked and that therefore it is incumbent upon the student to spend it wisely and not throw it away. And even when the money has been earned by the student himself President Dimmet declared that students have no right to set a pace which the average student of ordinary means cannot follow. He advised students who cannot keep pace with the money expenditures of the college societies to which they belong to resign from those societies and show their independence in this way.

The address was an earnest plea to the students to be wise and careful in their spending habits and thus to keep the college a democratic one in which a boy or girl with little money to spend can obtain an education without feeling out of the main current of college life.

President Dimmet declared that no boy has a right to buy flowers for a young lady with money earned by somebody else and that no young lady has a right to accept flowers purchased in this way.
