### MACATAW PARK TO HAVE A NEW SEWER SYSTEM

**COTTAGE OWNERS ARE NOW  
TAKING MATTER UP FOR  
EARLY START**

Early last season the State Board of Health at Lansing deemed the Lake Front a menace to public health, and claimed that conditions there were in unsanitary condition and a bill was filed to have the main sewer down to the park reconstructed.

It however was too late in the season to make any permanent job, therefore temporary and needed repairs were immediately ordered by Swan A. Miller, manager of the Macatawa Resort Owners association.

The company has determined to construct a new trunk sewer on or before June 5, next, paralleling the old sewer, the same to be of ten inches or more tile from the north end of the plat of Macatawa Park southward to Golden Gate, and from there southward an iron pipe will be used. The company will, of course, pay for the construction along the street intersections and will ask every cottager who hereafter connects with the sewer to pay the sum of \$50.00 which, together with the amount paid by the company, it is estimated will pay the cost of construction and probably provide a small sinking fund for future repairs.

The Macatawa Resort company was quick in complying with the State order last year when immediate repairs were made.

It is likewise just as ready to put in a new sewer in order to make Macatawa Park what it has always been, and what its name implies, a health resort.

The old sewer was in first class condition until the elements undermined and broke down the beautiful breakwater which answered as a promenade.

With the destruction of this \$50,000 walk part of the permanent sewer also came in for some of the damage with the results that considerable money must be spent by both the Resort company and the Cottagers to re-establish a sewer as good or better than the one destroyed.

### SPECIAL CARS LEFT YESTERDAY WITH ROTARIANS

The Holland Rotarians left this city yesterday afternoon in a special car chartered for the occasion, dinner and everything.

Some sixty odd from this city took advantage of the opportunity. Special cars also left Muskegon, St. Joe, Benton Harbor, Grand Rapids and other points where Rotarians whirl.

There will be a convention in Detroit lasting two days and there will be at least 2,000 present.

This organization is taking a live interest in civic affairs.

If you consider me qualified for the office of City Treasurer, your vote at the Primaries will be appreciated.

### CHIEF VAN RY HELPS CLEAN UP SAFE BLOWER CASE

**MANY JOBS ARE PULLED OFF IN  
HOLLAND THIS WINTER**

Chief Carrol of Grand Rapids asked Chief Van Ry of Holland to help him clean up some burglary cases that had taken place, and apparently some of the clues led to Holland.

A man was arrested in Grand Rapids having a revolver on his person and it is this weapon that led to the clearing up of several of the cases of burglary that were pulled off in Holland the past winter.

A United States army automatic was taken from the person of Vern Stoddard and the number of the weapon corresponded with the number of the revolver taken from the local armory over the Wolverine garage on February 19.

Chief Van Ry immediately went to Grand Rapids where he stayed for more than a day endeavoring to get a confession from Stoddard.

Stoddard stood mute, however, to all Chief Carrol's questioning. Finally Van Ry was introduced to Stoddard as a government man, and immediately he "wilted" begging that he not be sent to the state institution at Leavenworth, for all men fear that institution.

Stoddard confessed that he and Harry Johnson had stolen the weapon from the Holland armory having slipped up to the second floor while his car was being parked for the night.

He also confessed to robbing the Pere Marquette freight office on the same night after he had taken the gun.

Mr. Van Ry while in Grand Rapids made further investigation at the boarding house where Johnson and Stoddard were staying and this rooming place proved to be conducted by a former Holland woman who knew apparently nothing of the holdups.

Upon investigation however, 100 rounds of ammunition stolen from the armory here, was found in Stoddard's room and also a blanket taken from the Farmers' Co-operative Association on East 8th street where an attempt was made to crack the safe on the night of February 5. The blanket was identified by Manager Ratering of the Holland concern.

It will be remembered that at that time a handkerchief was found in front of the safe containing the initials M. E. M. Although the two men deny this job it is stated at the boarding house that either Johnson or Stoddard borrowed this handkerchief from another boarder having those initials, and it apparently was left during the night of the robbery by one of the two burglars, Johnson or Stoddard. At least the handkerchief which was taken to Grand Rapids by Chief Van Ry was identified by patrons of the boarding house and the incident of the borrowing of the handkerchief was then brought out. The owner of the handkerchief of course had nothing to do with the robbery.

Apparently Stoddard and Johnson are "bad eggs" judging from the following comments of the story in the Grand Rapids papers.

"Fourteen months ago Harry Johnson stepped out of Marquette prison after serving 15 years for murder, on Sept. 1, 1905 of a Jewish storekeeper in Detroit who had been beaten and robbed by Johnson and an accomplice. Now Johnson occupies a cell at Grand Rapids police headquarters and faces a charge that may send him back to Marquette for the remainder of his life.

"Johnson said to have been aided by Verne Stoddard, also an ex-convict, a short time ago went to Holland and robbed the Armory there according to confessions made to Supt. A. A. Carroll of the Grand Rapids police.

#### Had Burglar Tools

"Johnson, giving the alias of Tom Sherman, was nabbed by Patrolman Clarence Stopples in Grand Rapids Sunday night after the officer recognized the man as the partner of Stoddard who escaped when Stoddard was caught with burglar tools Saturday by the officer. He refused to give his name but Bertillon records established his identity.

Police Detectives Doyle and Stegenga yesterday found that burglar tools had been ordered made by Johnson at the blacksmith shop of Henry W. Kampfof. Kampfof told the officers he made three hammers, which he believed were to be used for garage work, and Johnson paid \$1 each for them. The hammers the police say, were especially useful in knocking combinations off safes in several downtown garages and stores recently.

#### MacDonald "First Friend"

"Supt. Carrol cleared up the Holland robbery through a number on a revolver found strapped to Stoddard's left arm. The number corresponded with the one stamped on one of three army 45 caliber automatics stolen from the Holland Armory. In the rooms of Stoddard and Johnson at Grand Rapids were found cartridges and two army shirts on which were stamped the name "A. Wendt, 126th infantry"

"The two, officers said, had gained transfer of parole to Grand Rapids only a few months ago through ef-

### MERCHANTS ASS'N WANT NEW HOTEL

**WILL ASK CO-OPERATION OF  
EXCHANGE AND ROTARY  
CLUBS**

A matter came up rather unexpectedly at the Merchants Association Tuesday night when several brot up the question of a new hotel. Many stated that they had hoped that the new project might have gone thru as was at first contemplated, but they held out little hopes along these lines just now.

All the same a committee was appointed consisting of John Vanderstuijs, Fred Beuwwes, Milo De Vries and the chairman Austin Harrington, who will ask the Rotary and Exchange clubs to appoint similar committees and jointly they will endeavor to work this matter out.

Several sites were talked of. One was the Harrington corner, on 8th street, where the Steketee Tire shop now is; another the present Hotel corner. Other sites were mentioned bordering Centennial Park. Of course all these were spoken of in general conversation and of course options would have to be secured on these prospective available sites.

### MRS. C. J. DREGMAN CHOSEN PRESIDENT OF W. L. C.

On Tuesday afternoon the Women's Literary club held their annual election of officers. Mrs. C. J. Dregman presided. She spoke very feelingly of the loss the club had sustained in the death of Mrs. Jane Boyd. After the acceptance of the minutes of the previous meeting, the secretary read the "By-Laws". The club then proceeded to elect the following officers: President, Mrs. C. J. Dregman; First Vice President, Mrs. G. J. Diekema; Second Vice President, Mrs. J. C. Post; Secretary, Mrs. Arnold Mulder; Recording Secretary, Mrs. J. H. Den Herder; Treasurer, Mrs. Jas. Osseward; Mrs. E. E. Fell, Mrs. G. W. Van Verst and Mrs. R. M. De Pree were elected directors for a term of two years. Mrs. A. Leenhouts was elected a director for one year to fill the vacancy left when Mrs. G. J. Diekema was chosen as First Vice-President.

The club voted as a study topic "Modern History, Art and Literature." The proposed amendment, prohibiting members from holding office more than two consecutive terms, was defeated. The following resolution was proposed and carried, "Resolves, That it is the sense of this club that under ordinary circumstances it is advisable that an officer or director hold office for only two consecutive terms."

### LARGE AUDIENCE GATHERS IN THIRD REFORMED CHURCH THURSDAY AFTERNOON

The third annual praise service of the Federation of Women's Societies of the churches of Holland was held in the Third Reformed church on Wednesday afternoon. The auditorium was filled with women desiring to receive the inspiration for future work, which seems always to come with these meetings. The president, Mrs. Gilmore, presided. The Rev. J. M. Martin welcomed the women most cordially, expressing the hope that the mystical workings of the Holy Spirit might renew their consecration to the Lord's work.

Mrs. P. Van Ark very beautifully sang "Open ye the gates."

After the usual preliminaries, Dr. J. C. Willits of St. Joseph was introduced. Dr. Willits is always welcomed by those who know him. His message is always full of fire and inspiration and the afternoon's address was not disappointing. He spoke of "The Glorification of Motherhood," stressing the fact that there is a need for true spiritual mothers, those who would accept motherhood as God's divine order in society and who because of this, will be untiring in the efforts to mold and shape the lives of the young children into stalwart sons and daughters for God.

After the benediction the ladies of the Federation were served with coffee, tea and cakes by the ladies of the entertaining church, and all agree that hospitality, congeniality and good fellowship prevailed. The audience at the afternoon meeting was a large one.

forts of acquaintances. Parole papers showed they had obtained Elmer A. (Big Mack) MacDonald, as "first friend."

After communicating with Gov. A. J. Groesbeck Wednesday, Supt. A. A. Carroll announced that Verne Stoddard and Harry Johnson, paroled convicts arrested last week as suspicious characters would not be prosecuted but would be returned to prison to complete their terms. They admitted robbing the armory at Holland and are believed to be connected with many local affairs. Stoddard was sent to Marquette in 1916 for robbery in G. R. and was paroled a year ago. Johnson was sentenced to Marquette in 1905 for murder and served 15 years. He was paroled 14 months ago.

We feel that some of these postal regulations are far-fetched but our opinion does not go with Uncle Sam.

### MANY PEOPLE SEE LINEMAN DIE IN MID-AIR

**HIGH VOLTAGE PASSES INTO  
UNFORTUNATE'S BODY**

Before the eyes of many people gazing up to watch him working high on a powerline pole at Spring Lake yesterday afternoon, George Stewart lineman for the Consumers Power Co., struck a high tension wire and met instant death. The tragedy came so quickly that few people realized that the man was dying before their eyes. There was a little spout of bluish flame, and the body of the lineman hung limply among the wires. Another lineman working in the street, saw the flash and shouted that the man on the pole was being electrocuted.

He bolted into the Interurban station nearby and begged those on duty to call the Fruitport power station and have the power shut off immediately. Before this, was done however the unfortunate man on the pole was dead. Sixteen thousand volts had passed through his body.

The accident happened at shortly before two o'clock yesterday afternoon while Stewart was engaged in running a power line from the poles in front of the Interurban station to a Spring Lake business place. It is believed that in working among the wires Stewart's head struck the high tension line carrying heavy voltage. His death is believed to have been almost instantaneous. At any rate he did not cry out, but his body hung limply to the pole.

As soon as the power was shut off linemen went up the pole and brot the body down to the street. In the absence of the coroner, Frank Scholten, justice of the peace at Spring Lake, took charge of the body and conducted the preliminary examination of the witnesses.

Mrs. Sarah A. Covey of Hudsonville is celebrating her 94th birthday. She was married to Rev. Covey and came to what is now Hudsonville in 1866.

## LOCAL GIRL TO BE HOPE VALEDICTORIAN

Miss Lillian Van Dyke of Holland will be the valedictorian of the class of 1922 of Hope College it was announced Friday morning. This honor has been conferred through a faculty award, based upon the highest grade of scholarship attained during the four years of residence at the college. The award is granted only to such as have taken their entire college course at the local institution.

Honorary mention was given to Everitt Gaikema of Grand Rapids, Agnes Vande Wall of Cedar Grove, Wis., and Frieda Guneman of Coopersville, all of whom attained an average of over 93%. The average percentage of the entire class numbering over 50, is approximately 87%. The graduating class is one of the largest that the institution has ever graduated.

## STEPHAN RECIEVES ROYAL RECEPTION IN LOS ANGELES

A letter was received by a representative of this paper telling of a banquet given in honor of Holland's mayor, E. P. Stephan, who is a guest of the Vander Veen's and in fact of the entire Holland colony in Los Angeles.

Abe arrived on Friday afternoon, February 24, " hale and hearty and full of life," as the letter states, and he was unusually pleased to meet so many friends from his home town. Mr. D. E. Vander Veen and Mr. John J. Cappon met the mayor at the station escorting him to the Vander Veen apartments where he was invited for dinner.

On Saturday Mr. and Mrs. John Cappon invited the entire Holland colony now living in Los Angeles, to partake of a six course dinner at the beautiful Beverly Hill hotel and the letter goes on to state that surely the Cappons outdid themselves to make it pleasant for the guests, in fact everyone from Holland who visits Los Angeles is soon taken in tow by Mr. and Mrs. Cappon and is royally entertained.

To give some idea of the banquet the description in the letter states that long tables were beautifully decorated with garden flowers with a large design in the center. Artistically interspersed each cover were low baskets filled with flowers. The table setting was a work of art and a thing of beauty.

The honored guest was Mayor E. P. Stephan of Holland.

"After a sumptuous dinner we were ushered into a large auditorium where all the guests of the hotel were entertained with a fine movie picture show. They all spent a very delightful evening and as we bade farewell each in turn expressed their gratitude to the kind and generous host and hostess, Mr. and Mrs. John Cappon."

Other guests present were Mr. and Mrs. D. E. Vander Veen, Mrs. Arend Visscher, Miss Anne Visscher, Mrs. A. H. Landwehr, Prof. H. R. Brush, Mrs. H. R. Brush, Mrs. M. Zooy, Mrs. Anna Van Zanten, Miss Cornelia Vander Veen, Mrs. Jane Boyd, Mrs. John Benjamins, Miss Dorothy Benjamins, Mr. Milburn Benjamins.

No doubt since this letter was written the sad news came to J. A. Vander Veen of this city that a sister, Mrs. Jane Boyd, whose name appears in the list of guests, died suddenly of pneumonia which fact no doubt is casting a gloom today over the Holland colony, who a few days before apparently were so happy.

## AND THEN THE EDITOR SHOWED HIS HEELS

Once every so often a story goes around among newspapers as to why the editor left town. Here it is for those who haven't heard it.

Someone sent the editor of a certain paper a few bottles of home brew. The same day he received for publication a wedding notice and an auction sale ad. Here's how it came out in the paper: "William Smith and Miss Lucy Anderson were disposed of at public auction at my farm one mile east of town. She wore a beautiful cluster of roses on her breast and two white calves, before a background of farm implements too numerous to mention in the presence of about seventy guests, including two milch cows, six mules, and one bob sleigh. Rev. Jackson tied the nuptial knot with 200 feet of hay rope and the bridal couple left on one good John Deere gang plow for an extended trip with terms to suit purchaser. They will be at home to their friends with one good baby buggy almost new and a few kitchen utensils after ten months from date of sale to responsible parties and fifty chickens."

## CRIME ORGY IS NIPPED IN BUD HERE FRIDAY

A miniature orgy of crime was followed with quick retribution Friday when Officer Steketee noticed a Grand Rapids taxi behaving itself rather recklessly on the streets of Holland. He jumped into a Holland taxi and followed the Grand Rapids vehicle. Some distance outside the city on the Zeeland road, just as the Holland taxi caught up with the other car, the officer saw the driver guzzling down a drink from a flask.

The occupants of the taxi were Fred Sheppard, a wealthy Grand Rapids man's son, Miss Maggie O'Brien, and John Gezeskowiak, the taxi driver. The men were taken to the Holland jail and later Sheppard paid a fine of \$20 and costs before Justice Van Schelven for being drunk, while the driver was bound over to circuit court on the charge of having liquor in his possession, Sheppard furnishing a cash bond of \$200 for the driver's appearance.

Meanwhile the girl, waiting for the men to be taken from the jail to court, entered Doesburg's drug store and asked for the privilege of fixing her hair and bringing her powder puff into play. Mr. Doesburg not knowing who she was, permitted her to use the back room of his store where a variety of new goods was laid out that had just been received.

When the woman had left the druggist discovered that several gold pencils were missing. He immediately telephoned to police headquarters, and told the circumstances. The young woman meanwhile had gone to Van Schelven's court to witness the hearing of her companions, and in the course of the proceedings she was required to sign her name. Just as Mr. Doesburg's call came over the wire, she was using a new gold pencil. It was not hard for the chief of police to put two and two together, and he advised the druggist to come and identify his property. Miss O'Brien at first denied her guilt, but later confessed. She was thereupon arrested and was required to pay a fine of \$25 and costs.

## COMMISSION FORM LOSES OUT IN DEBATE

The judges in H. O. H. contest Friday night decided against the debaters who spoke for the commission form of government. The audience also, by a rising vote, went against the commission form by a vote of about three to one on the merits of the question. The hall was crowded and debate was a hot one.

The affirmative was taken by John Slighter, T. N. Robinson, and H. Veining, and the negative by Alex Van Zanten, H. Geerlings and Alfred Joldersma. The judges were H. Vander Warf, Dr. B. B. Godfrey and Peter Vander Lunen. It was an open meeting of the H. O. H. and there were many outsiders present to listen to the arguments.

## SAUGATUCK TO VOTE ON HAR- BOR IMPROVEMENT FUND

The committee appointed to raise the \$4,500 required as the citizens' quota for harbor improvement at Saugatuck has decided to submit the matter to the annual township meeting in April and ask to have the meeting ratify an appropriation for the purpose from township fund. The Chicago, Duluth & Georgian Bay Transportation Co. has agreed to contribute \$1,000 of the amount, leaving \$3,500 to be voted on at the town meeting.

## FEDERATED WOMEN'S SO- CITIES MEET IN THE 3RD REFORMED CHURCH

Federated Women's societies of the churches of Holland held a union meeting in the Third Reformed church on Wednesday, March 8, beginning at 2 o'clock in the afternoon. A great deal of interest was shown and the program follows as rendered below:

Mrs. C. V. R. Gilmore, Presiding Opening Voluntary, Miss Jennie Karsten; Doxology; Apostles Creed; Hymn No. 233; reading of Scripture by Mrs. C. P. Dame, Trinity church; Prayers, Mrs. Whitman, M. E. church, Mrs. Robert, Prospect Park church; Singing, Psalm 68:10; Welcome Address, Rev. James M. Martin; Secretary's report; Treasurer's report; Nominating Committee; Consecration Prayer, Miss Nellie Zwemer, China; Offering; Hymn No. 121; Prayer, Mrs. Van Putten, 14th St. church; Offertory Solo, Mrs. P. Van Ark; Address, The Glorification of Motherhood, Rev. J. C. Willis, D. D.; Hymn No. 268; Prayer and Benediction, Dr. Willis. Reception in the church parlors after the service of praise.

## ALLEGED LIQUOR PED- DLER BOUND OVER TO CIRCUIT COURT

Jake Ver Hey and Henry Tubbergen who were arrested on the charge of peddling moonshine in pint bottles had their hearing before Justice Van Schelven Friday forenoon and were bound over to circuit court for trial.

Edward K. Hill who was arrested for drunkenness claims that the two men named furnished him with liquor.

This Ver Hey and Tubbergen strongly deny and their guilt or innocence will be brought to light in circuit court at the March term.

Attorney Daniel Ten Cate is attorney for the two men.

L. Fletcher living near Crisp on the Grand Haven road, was arrested on the charge of making moonshine. Officer Oscar Johnson of Holland and Officer Spangler of Grand Haven raided the barn and claim that they found a quantity of mash, coils and some of the manufactured goods.

Fletcher had his hearing before Justice Brusse Friday afternoon and he was bound over to circuit court for trial. Daniel Ten Cate of the firm of Diekema, Kollen & TenCate represented Fletcher.

## SUGGESTS "TALK HOLLAND" CONTESTS FOR THIS CITY

Mr. William Arendshorst has come from a business trip to Toledo and has brought along an idea from that city which he hopes to see tried out in Holland. It can easily be adapted to Holland or to any other city, and it has in fact been copied in many cities.

The idea is the now-almost famous "Talk Toledo" contests, which if adapted to this city would become the "Talk Holland" contests. There are a great many angles to the detailed plan, but the heart of it is a series of contests that for convenience are called "spell-downs," because of their analogy to the oldtime spelling bees.

In Toledo the plan consists of contests to answer one hundred questions about Toledo—questions about its parks, its pavements, its government, its retail places, its wholesale business places, its factories, its variety of manufactures, its churches, and about everything that is of interest about the city. First community elimination contests are held, the one answering the largest number of questions in each case being the winner of the community and any one failing to answer any one of the questions being eliminated in a spell down. Then on a stated date all the winners of the community contests will hold a final city contest.

The contests in Toledo are making the people of that city acquainted with their own town, and Mr. Arendshorst thinks that this very desirable result could be obtained in Holland as well. It would replace with definite information the rather vague "Boost Holland" spirit that is all good will with no intellectual substance back of it. Mr. Arendshorst expects to call the matter to the attention of local organizations with a view to its adoption here.

## HIGH SCHOOL ISSUES ITS FIRST BULLETIN

The first issue of a high school bulletin that is to be given a tryout from now until school closes, appearing semi-monthly, was issued Thursday.

The little four page is an 11x14 sheet and has as its editorial staff the following:

Editor, Ira Weersing; Literary Editor, Miss Hoekje; Assistant, George Damson, Stuart Vander Ven; Business manager, Quirinus Breen; Adv. Mgr. Henry Kasten; sub-manager, Ivan Bosman; literary editor, Miss Hoekje.

In an introductory editorial the bulletin contains several reasons why the paper is issued and sets forth the fact that those connected with it will be more careful of their speech, while the department of the students cannot help to be better, otherwise their names are liable to appear in the joke column.

Articles contributed by students will by virtue of their appearing in print, be better grammatically, will be given more care for the reason that these will appear printed before the students and naturally critical eyes will be cast upon the efforts of those who contribute.

The Maroon and Orange is selling amongst the pupils at ten cents the copy.

## FUNERAL OF MRS. JANE C. S. BOYD WAS HELD TUESDAY

Mrs. Jane C. S. Boyd, who passed away in Los Angeles, Cal., Thursday noon after a few days' illness, had spent practically her entire life here. She was an active member of Hope church, and was interested in club and civic work. She was known and loved by all. Besides two devoted sons, Stuart and David, she is survived by the following sisters and brothers: Anna Van Zanten, Cornelia, Jacob, Dick, Engbertus and John A. Vander Veen.

Funeral services were held at the family residence, 77 W. 9th St., Tuesday afternoon at 2 o'clock.

Grand Haven voters today approved a bond issue of \$100,000 for the construction of a new bridge over Grand river between Grand Haven and Spring Lake. The span will cost \$200,000, half of which will be paid by the state. The vote was 1139 for an 138 against.

Jay Fisher and Miss Grace Kilbourne were nominated for city treasurer in the primary. There were five candidates for the office to be voted for in April election. Hugh Lillie was chosen for justice of the peace over L. N. Tubbs.

Dr. E. O. Jordan, Professor of Bacteriology of the University of Chicago declares the process of preserving foods by heat possesses the enormous advantage that the vast majority of known disease germs are killed by even a few minutes' exposure to the temperature of boiling. The use of cooked food, therefore, constitutes one of our greatest safeguards against the disease germs and other parasites thru the mouth.

## HOLLAND MEN REPRESENTED IN P. M. MAGAZINE

Holland is well represented in the current issue of the "Pere Marquette Magazine". Mr. E. B. Rich, local agent for that railroad, has an article in the magazine on the subject "Handling L. C. L. Shipments" in which he points out a number of ways in which errors can be eliminated and delay avoided.

In the same issue of the magazine is an article on "Railroad Problems," by George E. Hunt, Division Freight Agent of the Pere Marquette. Mr. Hunt is not now a resident of Holland, but he lived here for many years, moving away a year or two ago. He is well known in this city. Mr. Hunt's article was accompanied by his cut. The article consisted of an address that he delivered at the Progressive Club at Montague in January. Touching on the subject of motor trucks in the course of his address Mr. Hunt said:

"Now a few words on motor truck competition. I believe it was suggested that I touch upon it. I want to tell you on the start off of this subject that I believe the attitude of railway men, operating and traffic managers has been misunderstood. Some of us doubtless have viewed the development of motor truck transportation as a competitor, and I believe as this means of carriage is allowed to operate or function as it is doing at this time is a factor to quite an extent in reducing our tonnage, which of course reduces our revenue. We must all realize however that the auto truck and bus are here to stay, and that the proper development and control of motor transportation problem is possibly desirable.

"Unfortunately there have been few experiments which give us very much information on the actual costs of motor truck service. Where the trucking concerns have made rates which take business from the railroads and they have seemingly prospered for a short time, not a few of them have failed. Motor trucking concerns have this decided advantage, they are not subject to the restrictions and limitations that are placed upon railroads. They are not made by laws and regulations of the peoples' agencies to maintain certain services. They have no eight hour law, no national rules, no working conditions for their employees, fixed by the leaders of unionized forces, and a government kindly and possibly none too wise.

"It is not beyond the scope of imagination that they may be bound by these restrictions if they continue to function as common carriers. If or when they are, will they be able then to make rates that will compete with rail carriers?

"If they do become a part of a general plan of transportation service, should they not be operated the same as other transportation agencies? Certainly it is not fair to tell the railroads that eight hours shall be the basic day and other restrictions, and not tell the motor trucking concerns the same thing.

"Certainly it is not fair to tell the railroads what service they must provide, rates that must be charged, wages they must pay, and conditions employees shall work under, and not place the same restrictions upon their competitors.

"The railroads are required to build their roadways and maintain them at a considerable cost. Trucks on the other hand, are furnished almost without charge the use of the public highways built with public funds."

## HOLLAND BOY BUILDS STRONG QUINTET

Arthur Peters, son of Mr. and Mrs. A. Pieters of this city, is making a fine record in Grand Rapids as a basketball captain. Mr. Peters captained the Calvin College Rivals and has built an unusually strong team out of them. In a recent issue of the Grand Rapids Herald, Everett C. Swanson, sporting editor of that paper, said the following about the Calvin Rivals:

"One of the fastest basketball teams in the city, which has not received much recognition so far this season is the Calvin Rivals. The young men playing on this quint know more basketball than the majority of teams in the city, and they also know how to put this knowledge into use.

"The writer has refereed two or three contests in which the Rivals have been one of the contestants. In each game, the speed and basket tossing of the team was bewildering. When it is remembered that these boys have no coach their record is a remarkable achievement."

Edward Miskatten of Hamilton and Miss Geneva Dykstra of Holland were married at the parsonage of Trinity church, Rev. C. P. Dame officiating. They will make their home in Hamilton.

## MARRIED THURSDAY AT THE BRIDE'S HOME

Thursday morning at 10:30 Chester W. Ver Meulen, son of Mrs. M. Ver Meulen, and Janet Hoekstra, daughter of Mr. and Mrs. H. Hoekstra were married at the bride's home. The ceremony was performed by an uncle of the bride, Rev. J. B. Bouwman, pastor the Baptist church of Marshall, Michigan. The ceremonies were witnessed by the near relatives of the bride and groom. The happy couple left on the noon train for Chicago, where they will make their home.

## HOLLAND TO SEND DELEGATION THE STATE ROTARY CONFERENCE

Eyes of Rotarians from all over the state are rotating in the direction of Detroit, where the ninth district conference of Rotary clubs will be held March 9 and 10 with the Hotel Statler as official headquarters. A special rate of a fare and a half has been made by the railroads for the round trip from points in the state, and an attendance of from 1500 to 2000 is looked for. Grand Rapids will send a big delegation by special train, which will also carry delegations from Holland, Muskegon and Lansing.

Sessions will begin Thursday morning, March 9 on Eastern Standard (Detroit) time.

## WIERDA AT JACKSON, IS NEXT TO YOUNEST LIFER

Jackson, March 3—Harry M. Fields reached Jackson prison today to serve ten years for receiving money under false pretenses. Fields is the prisoner who claims he knows the murderers of William D. Taylor, Los Angeles movie director.

Jacob Wierda, 20, of Grand Rapids also arrived to serve a life sentence for the murder of his father, is the second youngest lifer in the institution, officials said. There are now 102 lifers in the prison. The youngest is a boy of 18.

## HOLD A "WRAPPING AND TYING BEE"

The young people of Sixth Reformed church are certainly busy when it comes to working for their congregation. Thursday night a number of the young people met at the home of Mr. and Mrs. Bert Van der Ploeg to tie and wrap the books called "The Eastern Light," so that now all 1250 copies published are ready for sale. The agents have already been out canvassing the last two days and are meeting with great success. After the busy tying bee had finished their work they were served with refreshments. John B. Vander Ploeg was editor of the 6th Reformed publication.

The Calvin College basketball team will play the Hope College team for the second time this year on Tuesday night at the G. R. Y. M. C. A. Hope has beaten them once, but the Calvin team has shown great improvement and expects to hold the Hope team to a close score.

The March term of Ottawa Circuit Court will open for business on the third Monday of March. The jury has been drawn and the calendar is made up.

Mrs. M. VanArk of Holland visited her sister, Mrs. B. Grinwis at Zeeland Wednesday.

## YOUNG MEN'S BIBLE CLASS HOLDS A BANQUET

The ninth annual banquet of the Young Men's Bible Class of the First Reformed church was held on Wednesday evening in the church parlors, and 175 were present to enjoy the feast. Those present included the members and their wives or sweethearts.

The program consisted of the following: invocation by George Schulling, superintendent of the Sunday school; introduction of the toastmaster, President Wm. Vening; toastmaster, Jack Scheepel; selection, by Excelsior quartet; "Our Husbands," Mrs. A. Dogger; "Our Wives," John Kammeraad; vocal solo, Gerrit Ter Beek; address, "Building Young People Into the Life of the Church," Rev. Henry Vruwink of Grand Haven; reading, Wm. E. Vander Hart; address, "Ideals," Mr. C. Vander Meulen; closing, Dick Boter. Music furnished by Van Dyke's orchestra. The officers of the class are: teacher, Dick Boter; president, Wm. Vening; vice-president, John Kammeraad; secretary, Henry Van den Berg; Ass't Secretary, John Roseboom; treasurer, Henry Vening; Ass't Treasurer, Benj. Van Doornik; Librarian, Bert Oosterbaan; Ass't Librarian, Edw. Schrotenboer; Sergeant at arms, Martin Kammeraad.

## ANOTHER BANK ROBBERY FRIDAY IN GRAND RAPIDS

Shortly after 11:30 Friday morning masked men entered a branch of the Grand Rapids Savings Bank at Grand Rapids, corner of Leonard and Turner street, and at the point of a revolver lined up three of the employees and one customer. These men were marched into a back room and while they were covered, one of the masked men scooped up what money was in sight and the bandits backed their way out to a waiting automobile, said to be a green Buick 3x which was kept going near the door of the bank with a third robber at the wheel.

The two men while in the bank had their faces covered with red handkerchiefs and one is described as a man with silvery hair, rather old appearing, while the other seemed to be but a young lad.

As the robbers left the bank they quickly stepped into the waiting machine and the driver started off in a northerly direction at a high rate of speed.

It was stated at first that about \$3,000.00 was taken, but in checking up the cash it was found that \$1500 is more nearly correct.

Chief Van Ry was asked by Chief Carroll to keep a weather eye open for three men of the above description in a green Buick car.

Chief Van Ry picked up three suspects from the noon train at Holland and has them locked up on suspicion. It is hardly thought however that these men had anything to do with the Grand Rapids robbery.

The men were beating their way on a "blind baggage."

## BANK BANDITS IN GRAND RAPIDS CAUGHT QUICKLY

The bandits who held up the Grand Rapids Savings bank were caught in Grand Rapids and as usual there was also a woman in the case. The men proved to be E. L. Allen Conklin and his son Leo, and the woman Miss Alice Eyer of Chicago. The men were both of Grand Rapids and the elder is a son of a Baptist minister.

## Make More Money;—Sell the Hupmobile in This Town

Within a brief period, the Hupmobile will be represented in this community by a live-wire dealer.

You may be the man.

Whether you are in the motor car business, or in some other business, you will be interested in our liberal, money-making dealer proposition.

Just as long as you are a sound business man and a hustler, you can't help make exceptional profits by supplying the large potential demand for Hupmobiles in this territory.

Our definite, specific plan assures you of many prospects and sales.

### More Hupmobiles in 1922

Heretofore, the metropolitan centers have entirely absorbed all the Hupmobiles the factory could make.

But the widespread reputation of the Hupmobile as a really fine car at a low price—\$1,250 f. o. b. factory—created an insistent demand in every city, town and countryside.

Greatly increased production now enables us, for the first time, to supply this demand.

You are invited to help us do this.

You will have the advantage of dealing with one of the largest motor car distributors in Michigan, with a very liberal policy. Our discount rate is much more liberal than that ordinarily offered.

This is a real opportunity. Grasp it. Write now, at once, without obligation for, all details;—which will be gladly given, and freely.

# \$395.00

THINK of the Tractor for \$395.00! There isn't a product on the market that can come anywhere near the Fordson quality at even double the price, so there is not an excuse in the world why we can't sell every farmer in our territory a Fordson Tractor.

A price of approximately 15 cents a pound! Just stop and consider what this means! Rough castings cost about 6 cents per pound; steel and forgings, 8 cents per pound; brass and bronze, roller and ball bearings, etc. average from 25 cents to \$1.00 a pound, bringing the total material cost of the Tractor up to approximately 40 cents per pound, leaving only the extremely small margin of 5 cents per pound over the bare cost of material to cover all manufacturing operations, labor and overhead, as well as agents' commissions.

Another way of looking at the price of the Tractor is in the terms of the farmer. This reduction means a net saving to him of 175 bushels of wheat, 500 bushels of corn, or nearly 600 bushels of oats, etc., each representing days and weeks of hard work in preparing the soil, in planting, cultivating, harvesting and storing the crops over and above the actual cost of production, including the cost of seed, depreciation on equipment, etc.

Substantial reductions have already been announced in the price of implements and equipment which will materially help reduce the cost of a complete Tractor outfit.

These are facts that the farmer can't dispute; neither can he afford to be without the Fordson Tractor. It is the most profitable investment the farmer can make.

### LOCAL GIRL TO BE HOPE VALEDICTORIAN

Miss Lillian Van Dyke of Holland will be the valedictorian of the class of 1922 of Hope College it was announced Friday morning. This honor has been conferred through a faculty award, based upon the highest grade of scholarship attained during the four years of residence at the college. The award is granted only to such as have taken their entire college course at the local institution.

Honorary mention was given to Everett Gaikema of Grand Rapids, Agnes Vande Wall of Cedar Grove, Wis., and Frieda Guneman of Coopersville, all of whom attained an average of over 93%. The average percentage of the entire class numbering over 50, is approximately 87%. The graduating class is one of the largest that the institution has ever graduated.

### STEPHAN RECIEVES ROYAL RECEPTION IN LOS ANGELES

A letter was received by a representative of this paper telling of a banquet given in honor of Holland's mayor, E. P. Stephan, who is a guest of the Vander Veen's and in fact of the entire Holland colony in Los Angeles.

Abe arrived on Friday afternoon, February 24, " hale and hearty and full of life," as the letter states, and he was unusually pleased to meet so many friends from his home town. Mr. D. E. Vander Veen and Mr. John J. Cappon met the mayor at the station escorting him to the Vander Veen apartments where he was invited for dinner.

On Saturday Mr. and Mrs. John Cappon invited the entire Holland colony now living in Los Angeles, to partake of a six course dinner at the beautiful Beverly Hill hotel and the letter goes on to state that surely the Cappons outdid themselves to make it pleasant for the guests, in fact everyone from Holland who visits Los Angeles is soon taken in tow by Mr. and Mrs. Cappon and is royally entertained.

To give some idea of the banquet the description in the letter states that long tables were beautifully decorated with garden flowers with a large design in the center. Artistically interspersing each cover were low baskets filled with flowers. The table setting was a work of art and nothing of beauty.

The honored guest was Mayor E. P. Stephan of Holland.

"After a sumptuous dinner we were ushered into a large auditorium where all the guests of the hotel were entertained with a fine movie picture show. They all spent a very delightful evening and as we bade farewell each in turn expressed their gratitude to the kind and generous host and hostess, Mr. and Mrs. John Cappon."

Other guests present were Mr. and Mrs. D. E. Vander Veen, Mrs. Arend Visscher, Miss Anne Visscher, Mrs. A. H. Landwehr, Prof. H. R. Brush, Mrs. H. R. Brush, Mrs. M. Sooy, Mrs. Anna Van Zanten, Miss Cornelia Vander Veen, Mrs. Jane Boyd, Mrs. John Benjamins, Miss Dorothy Benjamins, Mr. Milburn Benjamins.

No doubt since this letter was written the sad news came to J. A. Vander Veen of this city that a sister, Mrs. Jane Boyd, whose name appears in the list of guests, died suddenly of pneumonia which fact no doubt is casting a gloom today over the Holland colony, who a few days before apparently were so happy.

### AND THEN THE EDITOR SHOWED HIS HEELS

Once every so often a story goes around among newspapers as to why the editor left town. Here it is for those who haven't heard it.

Someone sent the editor of a certain paper a few bottles of home brew. The same day he received for publication a wedding notice and an auction sale ad. Here's how it came out in the paper: "William Smith and Miss Lucy Anderson were disposed of at public auction at my farm one mile east of town. She wore a beautiful cluster of roses on her breast and two white calves, before a background of farm implements too numerous to mention in the presence of about seventy guests, including two milch cows, six mules, and one bob sleigh. Rev. Jackson tied the nuptial knot with 200 feet of hay rope and the bridal couple left on one good John Deere gang plow for an extended trip with terms to suit purchaser. They will be at home to their friends with one good baby buggy almost new and a few kitchen utensils after ten months from date of sale to responsible parties and fifty chickens."

### CRIME ORGY IS NIPPED IN BUD HERE FRIDAY

A miniature orgy of crime was followed with quick retribution Friday when Officer Steketee noticed a Grand Rapids taxi behaving itself rather recklessly on the streets of Holland. He jumped into a Holland taxi and followed the Grand Rapids vehicle. Some distance outside the city on the Zeeland road, just as the Holland taxi caught up with the other car, the officer saw the driver guzzling down a drink from a flask.

The occupants of the taxi were Fred Sheppard, a wealthy Grand Rapids man's son, Miss Maggie O'Brien, and John Gezeskowiak, the taxi driver. The men were taken to the Holland jail and later Sheppard paid a fine of \$20 and costs before Justice Van Schelven for being drunk, while the driver was bound over to circuit court on the charge of having liquor in his possession, Sheppard furnishing a cash bond of \$200 for the driver's appearance.

Meanwhile the girl, waiting for the men to be taken from the jail to court, entered Doesburg's drug store and asked for the privilege of fixing her hair and bringing her powder puff into play. Mr. Doesburg not knowing who she was, permitted her to use the back room of his store where a variety of new goods was laid out that had just been received.

When the woman had left the druggist discovered that several gold pencils were missing. He immediately telephoned to police headquarters, and told the circumstances. The young woman meanwhile had gone to Van Schelven's court to witness the hearing of her companions, and in the course of the proceedings she was required to sign her name. Just as Mr. Doesburg's call came over the wire, she was using a new gold pencil. It was not hard for the chief of police to put two and two together, and he advised the druggist to come and identify his property. Miss O'Brien at first denied her guilt, but later confessed. She was thereupon arrested and was required to pay a fine of \$25 and costs.

### COMMISSION FORM LOSES OUT IN DEBATE

The judges in H. O. H. contest Friday night decided against the debaters who spoke for the commission form of government. The audience also, by a rising vote, went against the commission form by a vote of about three to one on the merits of the question. The hall was crowded and debate was a hot one.

The affirmative was taken by John Slighter, T. N. Robinson, and H. Veining, and the negative by Alex Van Zanten, H. Geerlings and Alfred Jolderama. The judges were H. Vander Warf, Dr. B. B. Godfrey and Peter Vander Lunen. It was an open meeting of the H. O. H. and there were many outsiders present to listen to the arguments.

### SAUGATUCK TO VOTE ON HARBOR IMPROVEMENT FUND

The committee appointed to raise the \$4,500 required as the citizens' quota for harbor improvement at Saugatuck has decided to submit the matter to the annual township meeting in April and ask to have the meeting ratify an appropriation for the purpose from township fund. The Chicago, Duluth & Georgian Bay Transportation Co. has agreed to contribute \$1,000 of the amount, leaving \$3,500 to be voted on at the town meeting.

### FEDERATED WOMEN'S SOCIETIES MEET IN THE 3RD REFORMED CHURCH

Federated Women's societies of the churches of Holland held a union meeting in the Third Reformed church on Wednesday, March 8, beginning at 2 o'clock in the afternoon. A great deal of interest was shown and the program follows as rendered below:

Mrs. C. V. R. Gilmore, Presiding Opening Voluntary, Miss Jennie Karsten; Doxology; Apostles Creed; Hymn No. 233; reading of Scripture by Mrs. C. P. Dame, Trinity church; Prayers, Mrs. Whitman, M. E. church, Mrs. Robert, Prospect Park church; Singing, Psalm 68:10; Welcome Address, Rev. James M. Martin; Secretary's report; Treasurer's report; Nominating Committee; Consecration Prayer, Miss Nellie Zwemer, China; Offering; Hymn No. 121; Prayer, Mrs. Van Putten, 14th St. church; Offertory Solo, Mrs. P. Van Ark; Address, The Glorification of Motherhood, Rev. J. C. Willits, D. D.; Hymn No. 268; Prayer and Benediction, Dr. Willits. Reception in the church parlors after the service of praise.

### ALLEGED LIQUOR PEDDLER BOUND OVER TO CIRCUIT COURT

Jake Ver Hey and Henry Tubbergen who were arrested on the charge of peddling moonshine in pint bottles had their hearing before Justice Van Schelven Friday forenoon and were bound over to circuit court for trial.

Edward K. Hill who was arrested for drunkenness claims that the two men named furnished him with liquor.

This Ver Hey and Tubbergen strongly deny and their guilt or innocence will be brought to light in circuit court at the March term.

Attorney Daniel Ten Cate is attorney for the two men.

L. Fletcher living near Crisp on the Grand Haven road, was arrested on the charge of making moonshine. Officer Oscar Johnson of Holland and Officer Spangler of Grand Haven raided the barn and claim that they found a quantity of mash, coils and some of the manufactured goods.

Fletcher had his hearing before Justice Bruce Friday afternoon and he was bound over to circuit court for trial. Daniel Ten Cate of the firm of Diekema, Kollen & TenCate represented Fletcher.

### SUGGESTS "TALK HOLLAND" CONTESTS FOR THIS CITY

Mr. William Arendshorst has come from a business trip to Toledo and has brought along an idea from that city which he hopes to see tried out in Holland. It can easily be adapted to Holland or to any other city, and it has in fact been copied in many cities.

The idea is the now-almost famous "Talk Toledo" contests, which if adapted to this city would become the "Talk Holland" contests. There are a great many angles to the detailed plan, but the heart of it is a series of contests that for convenience are called "spell-downs," because of their analogy to the oldtime spelling bees.

In Toledo the plan consists of contests to answer one hundred questions about Toledo—questions about its parks, its pavements, its government, its retail places, its wholesale business places, its factories, its variety of manufactures, its churches, and about everything that is of interest about the city. First community elimination contests are held, the one answering the largest number of questions in each case being the winner of the community and any one failing to answer any one of the questions being eliminated in a spell down. Then on a stated date all the winners of the community contests will hold a final city contest.

The contests in Toledo are making the people of that city acquainted with their own town, and Mr. Arendshorst thinks that this very desirable result could be obtained in Holland as well. It would replace with definite information the rather vague "Boost Holland" spirit that is all good will with no intellectual substance back of it. Mr. Arendshorst expects to call the matter to the attention of local organizations with a view to its adoption here.

### HIGH SCHOOL ISSUES ITS FIRST BULLETIN

The first issue of a high school bulletin that is to be given a tryout from now until school closes, appearing semi-monthly, was issued Thursday.

The little four page is an 11x14 sheet and has as its editorial staff the following:

Editor, Ira Weersing; Literary Editor, Miss Hoekje; Assistant, George Damson, Stuart Vander Ven; Business manager, Quirinus Breen; Adv. Mgr. Henry Kasten; sub-manager, Ivan Bosman; literary editor, Miss Hoekje.

In an introductory editorial the bulletin contains several reasons why the paper is issued and sets forth the fact that those connected with it will be more careful of their speech, while the department of the students cannot help to be better, otherwise their names are liable to appear in the joke column.

Articles contributed by students will by virtue of their appearing in print, be better grammatically, will be given more care for the reason that these will appear printed before the students and naturally critical eyes will be cast upon the efforts of those who contribute.

The Maroon and Orange is selling amongst the pupils at ten cents the copy.

### FUNERAL OF MRS. JANE C. S. BOYD WAS HELD TUESDAY

Mrs. Jane C. S. Boyd, who passed away in Los Angeles, Cal., Thursday noon after a few days' illness, had spent practically her entire life here. She was an active member of Hope church, and was interested in club and civic work. She was known and loved by all. Besides two devoted sons, Stuart and David, she is survived by the following sisters and brothers: Anna Van Zanten, Cornelia, Jacob, Dick, Engbertus and John A. Vander Veen.

Funeral services were held at the family residence, 77 W. 9th St., Tuesday afternoon at 2 o'clock.

Grand Haven voters today approved a bond issue of \$100,000 for the construction of a new bridge over Grand river between Grand Haven and Spring Lake. The span will cost \$200,000, half of which will be paid by the state. The vote was 1139 for an 138 against.

Jay Fisher and Miss Grace Kilbourne were nominated for city treasurer in the primary. There were five candidates for the office to be voted for in April election. Hugh Lillie was chosen for justice of the peace over L. N. Tubbs.

Dr. E. O. Jordan, Professor of Bacteriology of the University of Chicago declares the process of preserving foods by heat possesses the enormous advantage that the vast majority of known disease germs are killed by even a few minutes' exposure to the temperature of boiling. The use of cooked food, therefore, constitutes one of our greatest safeguards against the disease germs and other parasites thru the mouth.

## HOLLAND MEN REPRESENTED IN P. M. MAGAZINE

Holland is well represented in the current issue of the "Pere Marquette Magazine". Mr. E. B. Rich, local agent for that railroad, has an article in the magazine on the subject "Handling L. C. L. Shipments" in which he points out a number of ways in which errors can be eliminated and delay avoided.

In the same issue of the magazine is an article on "Railroad Problems," by George E. Hunt, Division Freight Agent of the Pere Marquette. Mr. Hunt is not now a resident of Holland, but he lived here for many years, moving away a year or two ago. He is well known in this city. Mr. Hunt's article was accompanied by his cut. The article consisted of an address that he delivered at the Progressive Club at Montague in January. Touching on the subject of motor trucks in the course of his address Mr. Hunt said:

"Now a few words on motor truck competition. I believe it was suggested that I touch upon it. I want to tell you on the start off of this subject that I believe the attitude of railway men, operating and traffic managers has been misunderstood. Some of us doubtless have viewed the development of motor truck transportation as a competitor, and I believe as this means of carriage is allowed to operate or function as it is doing at this time is a factor to quite an extent in reducing our tonnage, which of course reduces our revenue. We must all realize however that the auto truck and bus are here to stay, and that the proper development and control of motor transportation problem is possibly desirable.

"Unfortunately there have been few experiments which give us very much information on the actual costs of motor truck service. Where the trucking concerns have made rates which take business from the railroads and they have seemingly prospered for a short time, not a few of them have failed. Motor trucking concerns have this decided advantage, they are not subject to the restrictions and limitations that are placed upon railroads. They are not made by laws and regulations of the peoples' agencies to maintain certain services. They have no eight hour law, no national rules, no working conditions for their employees, fixed by the leaders of unionized forces, and a government kindly and possibly none too wise.

"It is not beyond the scope of imagination that they may be bound by these restrictions if they continue to function as common carriers. If or when they are, will they be able then to make rates that will compete with rail carriers?

"If they do become a part of a general plan of transportation service, should they not be operated the same as other transportation agencies? Certainly it is not fair to tell the railroads that eight hours shall be the basic day and other restrictions, and not tell the motor trucking concerns the same thing.

"Certainly it is not fair to tell the railroads what service they must provide, rates that must be charged, wages they must pay, and conditions employees shall work under, and not place the same restrictions upon their competitors.

"The railroads are required to build their roadways and maintain them at a considerable cost. Trucks on the other hand, are furnished almost without charge the use of the public highways built with public funds."

## HOLLAND BOY BUILDS STRONG QUINTET

Arthur Peters, son of Mr. and Mrs. A. Pieters of this city, is making a fine record in Grand Rapids as a basketball captain. Mr. Peters captains the Calvin College Rivals and has built an unusually strong team out of them. In a recent issue of the Grand Rapids Herald, Everett C. Swanson, sporting editor of that paper, said the following about the Calvin Rivals:

"One of the fastest basketball teams in the city, which has not received much recognition so far this season is the Calvin Rivals. The young men playing on this quint know more basketball than the majority of teams in the city, and they also know how to put this knowledge into use.

"The writer has refereed two or three contests in which the Rivals have been one of the contestants. In each game, the speed and basket tossing of the team was bewildering. When it is remembered that these boys have no coach their record is a remarkable achievement."

Edward Miskatten of Hamilton and Miss Geneva Dykstra of Holland were married at the parsonage of Trinity church, Rev. C. P. Dame officiating. They will make their home in Hamilton.

## MARRIED THURSDAY AT THE BRIDE'S HOME

Thursday morning at 10:30 Chester W. Ver Meulen, son of Mrs. M. Ver Meulen, and Janet Hoekstra, daughter of Mr. and Mrs. H. Hoekstra were married at the bride's home. The ceremony was performed by an uncle of the bride, Rev. J. B. Bouwman, pastor the Baptist church of Marshall, Michigan. The ceremonies were witnessed by the near relatives of the bride and groom. The happy couple left on the noon train for Chicago, where they will make their home.

## HOLLAND TO SEND DELEGATION THE STATE ROTARY CONFERENCE

Eyes of Rotarians from all over the state are rotating in the direction of Detroit, where the ninth district conference of Rotary clubs will be held March 9 and 10 with the Hotel Statler as official headquarters. A special rate of a fare and a half has been made by the railroads for the round trip from points in the state, and an attendance of from 1500 to 2000 is looked for. Grand Rapids will send a big delegation by special train, which will also carry delegations from Holland, Muskegon and Lansing.

Sessions will begin Thursday morning, March 9 on Eastern Standard (Detroit) time.

## WIERDA AT JACKSON, IS NEXT TO YOUNGEST LIFER

Jackson, March 3—Harry M. Fields reached Jackson prison today to serve ten years for receiving money under false pretenses. Fields is the prisoner who claims he knows the murderers of William D. Taylor, Los Angeles movie director.

Jacob Wierda, 20, of Grand Rapids also arrived to serve a life sentence for the murder of his father, is the second youngest lifer in the institution, officials said. There are now 102 lifers in the prison. The youngest is a boy of 18.

## HOLD A "WRAPPING AND TYING BEE"

The young people of Sixth Reformed church are certainly busy when it comes to working for their congregation. Thursday night a number of the young people met at the home of Mr. and Mrs. Bert Van der Ploeg to tie and wrap the books called "The Eastern Light," so that now all 1250 copies published are ready for sale. The agents have already been out canvassing the last two days and are meeting with great success. After the busy tying bee had finished their work they were served with refreshments. John B. Vander Ploeg was editor of the 6th Reformed publication.

The Calvin College basketball team will play the Hope College team for the second time this year on Tuesday night at the G. R. Y. M. C. A. Hope has beaten them once, but the Calvin team has shown great improvement and expects to hold the Hope team to a close score.

The March term of Ottawa Circuit Court will open for business on the third Monday of March. The jury has been drawn and the calendar is made up.

Mrs. M. VanArk of Holland visited her sister, Mrs. B. Grinwis at Zeeland Wednesday.

## YOUNG MEN'S BIBLE CLASS HOLDS A BANQUET

The ninth annual banquet of the Young Men's Bible Class of the First Reformed church was held on Wednesday evening in the church parlors, and 175 were present to enjoy the feast. Those present included the members and their wives or sweethearts.

The program consisted of the following: invocation by George Schulling, superintendent of the Sunday school; introduction of the toastmaster, President Wm. Vining; toastmaster, Jack Schepel; selection, by Excelsior quartet; "Our Husbands," Mrs. A. Dogger; "Our Wives," John Kammeraad; vocal solo, Gerrit Ter Beek; address, "Building Young People Into the Life of the Church," Rev. Henry Vruwink of Grand Haven; reading, Wm. E. Vander Hart; address, "Ideals," Mr. C. Vander Meulen; closing, Dick Boter. Music furnished by Van Dyke's orchestra.

The officers of the class are: teacher, Dick Boter; president, Wm. Vining; vice-president, John Kammeraad; secretary, Henry Van den Berg; Ass't Secretary, John Rozeboom; treasurer, Henry Vining; Ass't Treasurer, Benj. Van Doornik; Librarian, Bert Oosterbaan; Ass't Librarian, Edw. Schrotenboer; Sergeant at arms, Martin Kammeraad.

## ANOTHER BANK ROBBERY FRIDAY IN GRAND RAPIDS

Shortly after 11:30 Friday morning masked men entered a branch of the Grand Rapids Savings Bank at Grand Rapids, corner of Leonard and Turner street, and at the point of a revolver lined up three of the employees and one customer. These men were marched into a back room and while they were covered, one of the masked men scooped up what money was in sight and the bandits backed their way out to a waiting automobile, said to be a green Buick Six which was kept going near the door of the bank with a third robber at the wheel.

The two men while in the bank had their faces covered with red handkerchiefs and one is described as a man with silvery hair, rather old appearing, while the other seemed to be but a young lad.

As the robbers left the bank they quickly stepped into the waiting machine and the driver started off in a northerly direction at a high rate of speed.

It was stated at first that about \$3,000.00 was taken, but in checking up the cash it was found that \$1500 is more nearly correct.

Chief Van Ry was asked by Chief Carroll to keep a weather eye open for three men of the above description in a green Buick car.

Chief Van Ry picked up three suspects from the noon train at Holland and has them locked up on suspicion. It is hardly thought however that these men had anything to do with the Grand Rapids robbery.

The men were beating their way on a "blind baggage."

## BANK BANDITS IN GRAND RAPIDS CAUGHT QUICKLY

The bandits who held up the Grand Rapids Savings bank were caught in Grand Rapids and as usual there was also a woman in the case. The men proved to be E. L. Allen Conklin and his son Leo, and the woman Miss Alice Eyer of Chicago. The men were both of Grand Rapids and the elder is a son of a Baptist minister.

## Make More Money;—Sell the Hupmobile in This Town

Within a brief period, the Hupmobile will be represented in this community by a live-wire dealer.

You may be the man.

Whether you are in the motor car business, or in some other business, you will be interested in our liberal, money-making dealer proposition.

Just as long as you are a sound business man and a hustler, you can't help make exceptional profits by supplying the large potential demand for Hupmobiles in this territory.

Our definite, specific plan assures you of many prospects and sales.

### More Hupmobiles in 1922

Heretofore, the metropolitan centers have entirely absorbed all the Hupmobiles the factory could make.

But the widespread reputation of the Hupmobile as a really fine car at a low price—\$1,250 f. o. b. factory—created an insistent demand in every city, town and countryside.

Greatly increased production now enables us, for the first time, to supply this demand.

You are invited to help us do this.

You will have the advantage of dealing with one of the largest motor car distributors in Michigan, with a very liberal policy. Our discount rate is much more liberal than that ordinarily offered.

This is a real opportunity. Grasp it. Write now, at once, without obligation for, all details,—which will be gladly given, and freely.

# \$395.00

THINK of the Tractor for \$395.00! There isn't a product on the market that can come anywhere near the Fordson quality at even double the price, so there is not an excuse in the world why we can't sell every farmer in our territory a Fordson Tractor.

A price of approximately 15 cents a pound! Just stop and consider what this means! Rough castings cost about 6 cents per pound; steel and forgings, 8 cents per pound; brass and bronze, roller and ball bearings, etc. average from 25 cents to \$1.00 a pound, bringing the total material cost of the Tractor up to approximately 40 cents per pound, leaving only the extremely small margin of 5 cents per pound over the bare cost of material to cover all manufacturing operations, labor and overhead, as well as agents' commissions.

Another way of looking at the price of the Tractor is in the terms of the farmer. This reduction means a net saving to him of 175 bushels of wheat, 500 bushels of corn, or nearly 600 bushels of oats, etc., each representing days and weeks of hard work in preparing the soil, in planting, cultivating, harvesting and storing the crops over and above the actual cost of production, including the cost of seed, depreciation on equipment, etc.

Substantial reductions have already been announced in the price of implements and equipment which will materially help reduce the cost of a complete Tractor outfit.

These are facts that the farmer can't dispute; neither can he afford to be without the Fordson Tractor. It is the most profitable investment the farmer can make.

Those local citizens who are not now regularly registered in the ward in which they are living will not have to miss out on the regular April election, although of course they cannot vote in the primaries on the 14th of March. City Clerk Overweg announced Tuesday that general city registration will be held March 15, 16, 17 and 18. On these days unregistered voters may call at the office of the city clerk and become enrolled on the city polling list, giving them a right to vote in April.

Pete Smith has just returned from Traverse City where he did some boiler work for the P. M. When he left Traverse City the snow was still three feet deep on the level ground there. For 40 miles between Kaleva and Grawn a wire fence was covered with thick ice from top to bottom so that it looked like a solid ice fence. At Thompsonville Mr. Smith saw a public park in which not a single tree was left undamaged all of them having practically all their branches stripped off.

The Tri-State College basketball team of Indiana will meet the Hope quint here Friday evening. This is to be the hardest fought of any of the final games this season, it was announced by the local management which has just secured this date as one of the big basket ball attractions, which it has been after for a long time.

The charge against John Fiehman accused of the violation of the liquor law was dismissed by Justice Brusse, there being insufficient evidence to warrant holding Mr. Fiehman for trial. Complaint was made some time ago by Deputy Sheriff Oscar Johnson after a raid on Fiehman's cottage at Jensen Park, but after the examination Prosecutor Miles declined to ask that Mr. Fiehman be bound over for trial on the evidence presented.

Several sugar factories are offering farmers beet contracts at a minimum basis of \$5 a ton. This is based on \$4.75 a hundred for sugar. The flat rate last year was \$8 per ton. If the price of sugar advances next October, November and December, beet payments also will be advanced. An additional 75 cents a ton is paid if the beets are delivered at the factories instead of weigh stations. Contract labor in the beet field will be \$18 per acre this year. It was paid \$30 last year.

A. Kuiper of Castle Park was in Grand Rapids on business Monday. Hon. G. J. Diekema was in Grand Rapids on business Monday.

Herman Van Tongeren, candidate for mayor, spent Sunday in Grand Rapids visiting relatives and friends.

Joe Lampen of Holland is spending the week with his brother in Hamilton.

Allegan Gazette—Gerrit J. Diekema of Holland is said to have "breathed the breath of life into the Lincoln club banquet," partly because everybody could hear him, which was not the case with the other speakers. One can easily believe this, for Mr. Diekema has a most unusual voice for such occasions—or any other sort of occasion, for that matter. But his merits do not begin and end with his voice. Higher up in his corporeity he has well-developed and trained brains. Hence he always says things worth the listening and remembering. Also, he has not a little of what is understood by the word "ginger."

## Tin Can Proves Poor Bank To Resident Who Buries Bills and Bonds in Yard

That a tin can will prove a poor bank for the safe keeping of personal funds, especially paper money and securities, has again been pretty well demonstrated. About two years ago a resident of Grand Haven placed a roll of paper money amounting to about \$198 in bills besides some liberty bonds, in a tin can and buried it in the soil in his back yard for safe keeping.

A few days ago the owner of the money became nervous about his coin and he was rather startled to discover that he could not locate the spot in which the treasure was buried. After considerable digging he managed to find what was left of the receptacle and one look was sufficient to convince him that a tin can is a poor safe deposit box.

The money was taken to a Grand Haven State Bank, where the bills and bonds were examined. It is likely that it will be redeemed for face value but another six months would

have meant the complete loss of much of it. Some of the bills were in very bad shape, rotted by the moisture and badly stained by the rust from the can. Some of the bills were already partially disintegrated. The Liberty bonds were also somewhat mutilated but not in as bad condition as the money.

The owner of the money has no doubt been convinced that the place for money and valuables is in the bank which carries protection insurance far in excess of any amount which can be carried away by bank bandits. Most banks under the Federal Reserve plan, too, have greatly reduced the amount of currency and securities carried in the bank itself to convince him that a tin can is a poor safe deposit box.

The money was taken to a Grand Haven State Bank, where the bills and bonds were examined. It is likely that it will be redeemed for face value but another six months would

This story conveys its own lesson. The tin can bank might have been disastrous to the depositor. Better put your money where it is properly protected and where your affairs are under the supervision of competent, honest men, and further guarded and placed under the supervision of the State of Michigan.

Our Bank has all these Safeguards.

### TWO SWALLOWS ENOUGH FOR THIS YOUNG MAN

Raymond Steigstra was arrested on the charge of being drunk and when he was arraigned before Justice Herder Monday he was fined \$10 and costs.

Young Steigstra claimed that he did not know where the liquor came from. He alleged that he met a man in the street who asked him for a cigarette, and when the cigarette was produced the stranger, out of a sense of good fellowship, Steigstra says, offered him a drink. He took only two swallows which made him so drunk that he was dead to the world, falling an easy prey to one of the patrolmen.

When the average person sees a robin he knows that spring is on the way, but the bird lover sees signs of spring in a good many other songsters which most people do not recognize. The robin is only one of a number of birds that return to their favorite haunts here early in the season.

Harry Doesburg, who knows a great deal about birds and who observes their habits closely has so far this season identified the following birds in Holland: the robin, the killdeer, the blue bird, the meadowlark and the redwing blackbird—five reasons, in addition to the mild weather, to believe that spring is on the way.

Mrs. James Westveer, whose home is at 205 College avenue, celebrated her 80th birthday anniversary on Friday. The children and grandchildren staged a surprise for Mrs. Westveer at the home of Mrs. Maud Davis near Waverly. They persuaded Mrs. Westveer to visit the Davis home Friday night and when she arrived she was met with shouts of surprise from all the children and grandchildren gathered there.

Those present besides the Davis family were Mr. and Mrs. A. J. Westveer and family, Mr. and Mrs. W. J. Westveer and family and Miss Jeannette Westveer.

A large crowd witnessed the match game of pocket billiards at Will Blom's billiard room Friday night, including a number of pool fans of the city. The game was interesting from the very beginning, Blom playing an exceptionally fine game, leading Johnson the entire game. Johnson also made a very fine showing, but failed to connect when opportunities meant points. The game resulted in a score of 150 to 98, Blom

## HOMES TO LIVE IN,— ALWAYS.

The longer we live in homes, the more we become attached to them, and therefore how unwise it would be not to make improvements that are permanent.

How easy it is to make one's home cozier and more attractive all the time. Everyone has friends who do that, and what good folks they are!

When putting in a heating system one's mind naturally turns to the Holland Furnace—The Heart of the Home. A few of the reasons are:

1. Clean air to Breathe.
2. The Strong Guarantee.
3. Fuel Saving Features.
4. The Easy Shaking Grate.
5. The Vast Number of Satisfied Users.

What is constantly going on in next Monday night.

In the evening class the contests explained in an able and interesting address delivered Monday evening by Dr. J. E. Kuizenga before the Century club when it met at the home of Mr. and Mrs. W. J. Olive. Mr. Kuizenga's subject was "Exploring the Dark Continent, or Peeping into the Subconscious." It was an able discussion of the theories of the comparatively new science of psycho-analysis.

Dr. Kuizenga gave a very fair review of the main theories of the psycho-analysis theories. His method was to narrate a number of incidents that have made people laugh, then a number of typical dreams, then a number of social "breaks", and following them with their explanation according to psycho-analysis. The idea was to find an explanation for laughter, for dreams, and for acts and sayings done and said apparently against one's will. Psycho-analysis explains these things by primal "urges" in the person's sub-conscious mind, such as the hunger urge, the sex urge, the ego urge, which are policed and partly inhibited in ordinary waking life by the safety urge, but which break out of confinement when the censor is not on guard during sleep and at other unguarded moments.

After giving an impartial review of the theory Dr. Kuizenga expressed the opinion that psycho-analysis can explain many things but that there are many other things in dreams and laughter, etc., that it cannot explain.

The musical part of the program was in charge of Mrs. Kuizenga and consisted of the following: solos, "Welcome, Sweet Spring" (Cadmans), and "My Love, He Comes on the Skee" (Clough-Leigher), by Miss Evelyn Keppel, accompanied by Mrs. Robbins; trio, "Elfin Dance," and April Blossom," by Miss Evelyn Keppel, Miss Anthony and Miss Jeanette Mulder.

Mrs. H. H. Dobbin, the grandmother of Mrs. D. W. Jellema, celebrated her 80th birthday anniversary on Friday at the Jellema home. Mrs. Dobbin's home is in East Saugatuck.

There were four generations present at the celebration, the company of children, grandchildren and great-grandchildren making up a company of thirty.

Mrs. Dobbin is still in such good health that she is able to do practically all of her own house work.

The 5 o'clock Busy Men played their final two games of the tournament last evening without the relative standings of the four teams being altered. Notter's men retain a clear title to first place with Jalving's team second, and these two teams will play the respective first and second teams of the evening class on

Mr. and Mrs. Edward Kennedy of Marquette, Mich., are here, Mrs. Kennedy being a niece of the deceased.

Mrs. Westveer was a well loved citizen of Holland. Her greatest talents were a sunny disposition and a kindly spirit. In the places in which she lived she made many warm friends and they will all deeply mourn her departure.

The funeral was held Tuesday afternoon at 3 o'clock from the residence, the Rev. G. B. Fleming officiating.

One of the largest audiences of the season, in fact nearly two hundred and fifty men, came out to hear Raymond Drukker of the Grand Rapids Y. M. C. A. Religious Work and Boys department speak on "Boyology." He referred feelingly to the years of his own boyhood spent here in Holland, and made a plea for sympathetic understanding of the boy, particularly through the critical years from 12-15. At this age, he said, the boy's circle of friendship enlarges beyond that of his family. The gang instinct takes hold of him although at the same time he is strongly individualistic. His appetite is keen and motor energy predominant. He is careless in his habits, in fact hardly acquainted with soap and water, and more or less awkward in body. Many evils assail him at this period of life amongst others, the cigarette habit, which Mr. Drukker denounced unsparingly. But the boy has the roots of right principles within him and needs the kindly leadership of older christian men to bring them out. He cited one instance where under the influence of camp life, one boy had been changed from a veritable "rough-neck" into a fine, trustworthy, unselfish fellow.

Harvey Fairbanks gave a violin solo, responding with an encore. Mrs. Van Ark and Mr. Bloemendahl sang beautifully "The Lord is My Shepherd." Mr. Vandersluis led the singing, and Mr. Schulling took charge of the devotions.

Sunday's meeting closed the series for the season. There were held nine meetings in all for an average attendance of 160. The committee is very much gratified by the loyal support given and wishes to express its hearty appreciation to all who have helped make the series a success; to the speakers both from home and from other cities, to those who led in special parts and to those who give special music numbers; and to

## NOTICE OF APPLICATION

to the

## Michigan Public Utilities Commission

In accordance with Act No. 206 of the Public Acts of 1913 and Act No. 419 of the Public Acts of 1919, notice is hereby given that an application will be presented by the Michigan State Telephone Company to the Michigan Public Utilities Commission, at the office of the Commission in the city of Lansing, on the 15th day of March, 1922, at 10:00 A. M. of that day, for authority to modify the present schedule of toll rates with reference to the "Person-to-Person", "Appointment Call" and "Messenger Call" classifications of toll service and the said Commission will be then and there requested to fix a day of hearing of said application. NO CHANGE is proposed in the rates for "Station-to-Station" service which service represents over 50% of the Company's toll business.

The present initial "Person-to-Person" service rate is approximately 25% more than the initial "Station-to-Station" service day rate. It is proposed to increase the "Person-to-Person" service rate to approximately 40% more than the initial "Station-to-Station" service day rate.

The present initial "Appointment Call" and "Messenger Call" service rate is approximately 50% more than the initial "Station-to-Station" service day rate. It is proposed to increase the "Appointment Call" and "Messenger Call" service rate to approximately 80% more than the initial "Station-to-Station" service day rate.

In all other respects and particulars the toll rates and practices set forth in the General Exchange Tariff on file with the Michigan Public Utilities Commission and on file in each local office of the Michigan State Telephone Company to continue in force and effect.

# ROBBERY TAKES PLACE IN ALLEGAN CITY

Allegan News: Allegan was treated to a robbery scare a few days ago. Three business places were entered but the robber or robbers secured nothing but two casings and three tubes. The combinations and handles on the safes belonging to the Standard Oil filling station, Handy Electric Mills and Blanz Bros. garage were hammered off. But the safes were not entered into and nothing, except the tires, were reported missing.

The attempted robberies were said to have occurred about 11 o'clock at night. According to I. C. Montague, prosecuting attorney, a number of persons are said to have seen men go in the filling station and the Blanz garage about this time. But they thought nothing of it they told him.

Only one clue was found by the authorities. This was the card of a Holland taxi driver found on the windowsill of the filling station. That this clue may lead to something is believed by Montague and this belief is strengthened by the fact that a similar robbery occurred at Holland's P. M. station early the following morning.

Arthur Funk was arrested last Saturday by Sheriff Leo Hare charged with stealing several overcoats from a feed barn. He demanded examination and was released on bail. Officials have been unable they say to connect Funk with the series of attempted robberies.

Reference is made by the Allegan officers to a card found by authorities representing a Holland Taxi man. No doubt the theft might have ridden in one of Holland's taxis and appropriated a card, or too, he might have taken one from the counters of any Holland restaurant.

## LOCAL MUSICIANS TAKE PART IN G. R. CONCERT

Those from Holland who attended the concert of the Grand Rapids Civic orchestra, given March 1, were highly pleased with the program. The orchestra, under the baton of Mr. Ottokar Malek, played several classical and operatic numbers, such as the Haydn Symphony in D Major, a work of exquisite beauty, Hungarian Dances, Nos. 5 and 6 by Brahms, and selections from Carmen and the Bartered Bride, in a manner that at times rivaled a symphony orchestra. Mr. Malek has succeeded in raising this orchestra to a high degree of perfection, altho he had but a short time in which to prepare the organization for recital. Mr. Perry P. Weid and Herbert Schumacher, two well known Holland musicians, play first violin in this orchestra. The business men of Grand Rapids are supporting it, and plan to develop it into a symphony orchestra. Many Holland music-lovers were present at the concert.

## M. A. C. DEFEATS HOPE BY SINGLE POINT

In one of the biggest and hardest contests of the Hope basketball season, the Michigan Aggies defeated the locals on the M. A. C. floor on Thursday night by the narrow margin of 29-28.

Schouten's men held the lead practically throughout the entire game, finishing the first half with a liberal margin.

The M. A. C. team however came back strong in the second half, in which both teams played true to form making the game the most spectacular that has been seen on the Aggie floor this season. Hope however outclassed their opponents in the field scoring, VanPutten being the chief scorer of both teams. The Aggies however crept in close through free throws, and topped the score with a field throw just before time was called, giving them the first lead during the game, and with it the victory. Summary—

M. A. C.	HOPE

## MRS. HENRY VAN ARK IS RE-ELECTED PRESIDENT OF THE W. C. T. U.

The annual meeting of the W. C. T. U. was held Friday at the home of Mrs. G. B. Fleming, the slogan being "Next Year Our Best Year. How can we help make it such?" Att. F. T. Miles gave a number of helpful suggestions in this line, one of them being the necessity of every voter

attending the primaries, as this is of more importance than attendance at the polls on election day. He said that lawabiding people should see that the judges, sheriff, prosecuting attorney, juvenile officer and police boards are men in sympathy with law enforcement. He also gave a few figures. In 1917 he had 246 drunk cases and 59 disorderly cases. In 1921 he had but 70 drunkard-disorderly cases, showing that less drinking is done, contrary to the reports, than ever before.

The following officers were elected to serve the coming year: Pres., Mrs. Henry VanArk; vice-pres., Mrs. E. J. Blekkink; recording secretary, Mrs. R. N. De Merrel; recording secretary, Mrs. E. Markham and treasurer, Mrs. G. Albers.

The music for the afternoon was given by a ladies' quartet, composed of Mrs. Gross, Mrs. Champion, Mrs. Van Dyke and Mrs. Smith.

Mrs. Champion will be hostess at the March 17th meeting. Tea and cakes were served by Mesdames Welton, Atwood, Smith, E. Markham, Bannister and McClellan.

## HOLLAND HIGH FIVE WALLOPS CENTRAL TEAM

In a fast and rough game Friday night the Holland High school five in record time downed the Central High team of Grand Rapids by a score of 12-5. The visitors were unable to penetrate Holland's defense and not until late in the second half were they able to score a field basket that proved to be their first and only one. The game was played before a large and appreciative audience and was hard fought, neither team being able to score until eight minutes of play had elapsed. Klies then broke the ice by scoring through a foul, Weersing added a field goal and Holland took the lead which was never overcome. Klies added two points by cashing in fouls and Central was content with one point a foul scored by De Witt. The half ended 5-1.

Both teams came back strong in the second half, Central trying hard to overcome the lead, but this was prevented by splendid guarding by Hill and Vanden Brink. Klies made another point through a foul and Albers, De Loof and Vanden Brink each contributed a field basket giving the locals a nice lead. Van Dam scored Central's lone basket in this half, and De Witt scored twice through fouls bringing Central's total up to 5 points. Both teams displayed fine form, the exceptional guarding tending to keep the score very low. Central was forced to play without the services of their stellar forward, Thornquist, but it is doubtful if the outcome would have been any different as the locals were set on winning this game. Palmer, Central's husky guard played a fine game and he was ably assisted by Van Dam who played a nice floor game. The entire local team played splendidly but the work of Hill, Vanden Brink and Kleis was especially brilliant. In Hill and Vanden Brink Holland has a pair of guards that are hard to beat. By defeating Central, Holland has avenged themselves of a defeat suffered earlier in the season at Grand Rapids in which the seconds met defeat by one point this point being scored in the last 30 seconds of play. The game Friday night winds up the local's home games, but two games remain to be played Grand Rapids Union and South both being met on their home floors.

Holland	Central
Weersing.....F.....	Mitchell
Klies.....F.....	De Witt
Albers.....C.....	Palmer

Field Goals—VanDam, Albers, Vanden Brink, Weersing, De Loof. Goals from foul—Central, DeWitt 3 from 6; Holland, Kleis 3 from 6; De Loof 1 from 2. Cuts. Central, Goodrich for Mitchell, Hoffman for Goodrich. Holland, De Loof for Kleis. Referee Van Zant, Kazoo College.	

The preliminary game proved a very interesting affair, the two teams very evenly matched played an exceptionally fast brand of ball. Central led at the end of the first half but Holland came back strong, Vanden Brink scoring three field baskets. The game ended with Holland on the heavy end of an 18-10 score. Wilds and Mattheson played brilliantly for Central, while Van Lente, Vanden Brink and Van Zanten starred for Holland.

## SUBJECTS ANNOUNCED FOR HOPE COLLEGE BIBLE CONTESTS

The subjects for the various essays in the Mission and Bible Course Essay Contests that are held at Hope College each year have been announced by the committee in charge. These essays constitute a part of the Bible course and offer an incentive

to students to study the particular phases of foreign or domestic missions. The prizes which are awarded annually by the different donors are given at the close of the year, when the winners are also announced. The subjects are as follows: The Mrs. Samuel Sloan Foreign Missions prize is to be awarded to the student who submits the best essay on "Japan is Leading the World-Whither?" The Van prize is open to all the students of Zwaluwenburg Domestic Missions the college and the topic will be "Our New Venture Among the Negroes: The Southern Normal and Industrial Institute at Brewton, Ala." Daniel Steketee offers a prize to that member of the Senior Class who submits the best essay on "Modern Science and Christian Truth." This contest is a part of the regular course of Christian Evidences, and is required of every one taking the course. The class record of the contestants during their Junior and Senior courses in Biblical Literature and Christian Evidences will be taken into consideration.

A prize is offered by the Coopersville Men's Adult Bible class to the member of the Sophomore class who writes the best essay on "The Practical Christianity of James." This is also a part of the course in Biblical Literature, and is required of every student of the course.

Essays which will compete for the prizes must be in by June 1st, and are given over to the consideration of three judges who decide their merits. Prof. Paul E. Hinkamp, a member of the committee on prizes and contests, and head of the department of Biblical Literature is in charge of the contests.

## A SITUATION FORCED UPON OTTAWA COUNTY FARM AGENT

Frank M. Sparks of the Grand Rapids Herald is devoting considerable space to West Michigan farming and his stories are interesting many agriculturists through the state. An article recently written by him will be interesting to Ottawa Co. folks because it relates the close co-operation existing between Ottawa Co. farmers and C. P. Milham, Ottawa County Farm Agent. Mr. Sparks' story is published herewith:—

That man who happens to be farm agent in Ottawa county is indeed to be envied for there is perhaps no county in Michigan in which the agricultural possibilities have been developed to a wider degree of interest and something new to the duties of the agent all the time. Nor is there a county in Michigan, perhaps, in which the farmers have taken hold of and made use of the county agent to a greater degree or have given him a more really friendly reception and welcomed him to their home and to usefulness.

Just at this time C. P. Milham happens to be the fortunate man. He has been unanimously chosen for the third year as agricultural agent. As an evidence of how the farmers are using Mr. Milham it is necessary only to say that from March 1 to Oct. 1, 1921, he held 245 evening meetings and counted an attendance of upwards of 14,000 farmers. Mr. Milham has been rather forced to adapt himself to a situation in Ottawa which might have stumped some less energetic farm agent. In college he had taken a general agricultural course and as a farmer himself had given only incidental attention to poultry raising. When he came to Ottawa county, however, he discovered that the one biggest business of the county, the one in which the farmers were chiefly interested because it was bringing them in the money, was the raising of poultry and the hatching of eggs and marketing of day-old chicks. That meant of course, that if Mr. Milham was to be a success in Ottawa county he must learn the poultry business and learn it thoroughly and rapidly.

How well C. P. Milham has succeeded in his efforts is shown by the fact that he is in almost constant demand to cull the big flocks which every farmer keeps and to give advice on feeding and the care of those diseases which are peculiar to poultry. He has mastered the business quite completely and today he stands high among the poultry raisers and has their respect and confidence because he has made good.

And this is what a good poultry man means to Ottawa county. This county ranks fifth in the United States in the value of its poultry products shipped and ranks first in Michigan in this respect. Ottawa county ranks second in the United States in hatcheries, being led by one California county only. During the last season more than 5,000,000 day old chicks were shipped from Ottawa to all parts of the United States and each year the capacity of the hatcheries is being greatly increased which means, perhaps, that this year will find Ottawa county at the very top in all the United States. Poultry is the big outstanding feature of the agricultural interests of Ottawa and every farmer has his flock of finely bred White Leghorns from which he sells the eggs to the hatcheries at an advance of from

8 to 10 cents a dozen over market prices.

So firmly is the poultry business established in Ottawa that three poultry associations are thriving there. They are located at Holland, Zeeland and Coopersville, the first two of them counting some 500 or more members.

But poultry is not all that Ottawa county ranks high in. Some fine herds of Holsteins and Guernseys and a few Shorthorns make Ottawa stand out in the production of dairy products. And then again we must not forget the rich muck lands which lie all about the vicinity of Hudsonville and on which are grown some of the finest celery produced anywhere in the country. These muck lands, which have been developed to their fullest capacity for only a few years open an inexhaustible field for the growing of celery and truck and are rapidly bringing prosperity to the farmers, who own them.

Again, Ottawa county ranks perhaps first in Michigan as a pickle raising district. Pickling stations are located at almost every cross corners and last year these pickles brought small fortunes to the farmers who had acres of them planted.

Again, altho several counties located in this immediate vicinity have numerous fox farms, Ottawa has perhaps as many or maybe even more than any other and the value of these ranches can scarcely be estimated. Fox raising has become just as much a part of agriculture as the raising of purebred cattle or poultry. Ottawa, too, had somewhat unique species of farming in one grower of basket willows. This plantation is the largest in the United States and the quality of the willows grown is said to be the finest in the world, taking second place not even to the plantations of Germany and France which have for centuries been growing willows for domestic consumption and for exportation.

Ottawa county has undertaken a most interesting experiment in the control of its sand blows. With a long lake frontage where the soil is the lightest of sand great damage has been done by the blow and Ottawa has placed upon her county farm agent the duty of trying to control that blow in order to protect the good lands just beyond from being buried beneath the weight of the shifting sands. This Mr. Milham has done quite successfully in his experimental tract near Harlem and is confident that, given the money with which to do business, he can in three years time cause the sand to lie still. If he can, he has succeeded in performing for the farmer of Ottawa and elsewhere one of the greatest services imaginable.

Ottawa county has gone in strong for co-operative marketing and has found great success in this. This organization work is one of the big things to which Mr. Milham devotes a lot of his time and with success. So it is apparent that the farm agent of Ottawa county has numerous things to study and to learn and all goes to make his task interesting and worth while. Mr. Milham has been a success. He is becoming more and more of a success as he continues his work here and Ottawa county is quick to take advantage of what he can offer and to profit thereby.

## COMMUNICATION

Dear Editor:— Please allow a little space for the following for the public's due consideration:

Often we hear remarks made pro and con as to the results for action taken by people on election day. For instance: the hospital question, the new Junior high school, its need, its cost, etc. "The die is cast, why dig it up again?" you may ask. Many complain after actions are taken thru the legal way of taking them. Some forget to vote, some wilfully neglect it, some call it politics and therefore refuse. Some don't read the papers.

Let us consider the following questions and then decide for ourselves whether we are justified: First, are you a citizen? If not, why not? Second, if you are, do you vote when duty calls you? Do you believe in sound government? If not, vote to make it such. Third, Do you vote at the school elections for board members or for actions which require your vote? Are you a good citizen if you don't?

Fourth, election is approaching. Are you going to try to put in your vote for the best man for each place? Ask yourself who is the best qualified for each office. Eliminate personalities, your petty likes and dislikes. Weigh ability and qualifications and clean citizenship and place these uppermost.

We all love our town, our state,

our country. Let us wake up, vote when called upon to do so, do your duty and then abide by the major vote. Help improve and don't kick about the results when you have failed to

do your duty as a voter for the common good of us all. I would urge the unfaithful citizens to help us. Those that help others help themselves. G. W. Deur.

## THIS WEEK IS NATIONAL CANNED FOOD WEEK

National Canned Food week, Mar. 1-8 to make known the wholesomeness, convenience and economy of canned foods has just been held. It celebrated the fact that although the first canning was done in France, the American canned foods industry now leads the world. These days the housewife may serve an entire canned meal—the like of which perhaps our grandmothers never dreamed. In olden times the variety was limited and the supply far from abundant. So remarkably however has the American canning industry developed that that it is now possible to secure milk and almost every fruit, vegetable, meat and fish canned.

Holland and vicinity is naturally interested in the canning industry first because we have local industries of our own; one the Holland Canning Co. and the other the H. J. Heinz Pickle Co. Then we have the Zeeland and Fennville Canning Cos.—all buying produce from the husbandmen and bringing a market to the respective towns in which they are located.

Canned goods today are the cheapest commodity and at the same time the most healthful on the market.

For that reason a cannery in a community fills two great wants. First food at a reasonable figure and second a market for the produce of the farmers who raise that food. As a benefit to a city naturally other advantages enter in. It makes a community a trading center, it furnishes labor to men and women at a substantial wage.

The United States government is paying special attention to the canning industry for the reason that it wishes to stimulate these diversified crops for after all when the raising of a variety of crops is gone into, the failure of one does not necessarily mean the failure of all.

The government is also fostering the use of canned fruits and vegetables for the "proof of the pudding is the eating" they say and for that reason Uncle Sam has through his department of commerce, prepared some 150 delicacy salads from products packed in tins.

The recipes can be secured from this department at Washington at any time and let us say the White House cook book has been an ideal aid and ready reference in the kitchen.

Anyway from March 1 to March 8 is canned goods week in Holland and in fact all over the nation. Try and see what sort of delicacies you can make along these lines and help yourself by helping to stimulate a business which deserves our support.

W. H. Beach of the Bush & Lane Pison Co. was in Grand Rapids on business Thursday.

Mrs. Franklin Van Ry spent the week-end with her parents, Mr. and Mrs. George Pant, at Kent City—Zeeland Record.

## The Modern Knight

Chiropractic is the modern knight that goes out to tilt with disease, the arch enemy of mankind. That Chiropractic is victorious in its encounter with the enemy is amply proven by the millions of adjustments which are given in this country alone.

If you are sick and desire health and vigor, you cannot do better than to investigate this remarkable new science which is revolutionizing modern healing methods. For twenty five years Chiropractic has lived and grown. Its growth has been remarkable in that short time, but not less remarkable than the exceptional results obtained in all classes of acute and chronic cases. This reputation has been built primarily upon the great number of cases that have been pronounced absolutely incurable. The efficacy of Spinal Adjustments has been instrumental in removing the science out of the experimental class and the American people have ordained that Chiropractic shall live and minister to humanity always.

You, too have a great benefit awaiting your investigation of this new Health Method.

Come to this office for a complete explanation, Spinal Analysis and consultation regarding your case. Our opportunity to serve is the only reward we ask for the privilege of demonstrating to you just what can be done in your case.

LOCALS

The new uniform accounting system now being installed in all the counties in Michigan, requires an audit by examiners from the auditor general's department at least once a year. Ottawa county's audit was begun Wednesday morning by Jacob Glerum, formerly county clerk of Ottawa county, a member of the auditor general's department.

Austin Harrington, chairman of Ottawa County Road Commissioners, was in Grand Rapids on business on Tuesday.

The mayor of North Muskegon, during an absence in California was elected for a three-year term—but what can you expect when a man doesn't stay at home and look after his own interests.

Beans went up to \$5.50 last week, says a report from Bad Axe, but adds that there are now very few beans left in the country. This will entirely refute any suspicion we may have had that bean buyers "don't know beans."

Mr. and Mrs. Wm. Helmink of Central Park entertained royally at their suburban home Monday night in honor of Mrs. Helmink's 49th birthday. About 25 were present and all reported a very enjoyable evening, wishing Mrs. Helmink many happy returns of the day.

Mr. and Mrs. Frank Fabiano of Dowagiac are visiting Mr. and Mrs. Patsy Fabiano in this city.

George Kardux of the Hayden-Kardux Auto Co. brought in six cars from Flint yesterday, 2 sedans and 4 touring cars, which have all been delivered to their customers.

County treasurer Den Herder has issued 1751 auto licenses for Holland alone. He has issued 4500 in the entire county and has taken in at least \$60,000 in money.

NEW FEATURE TO BE STARTED AT NIGHT SERVICES

The Trinity church choir has started something new in connection with the services at that church. A musical Sunday is to be observed next Sunday evening. Miss Hamelink, the organist, sometime ago started giving the congregation organ recitals which proved to be very popular with the church people. Sunday evening's program will be largely taken up by her organ recital, but with the cooperation of the church choir, an entire musical program has been prepared, consisting of vocal and instrumental selections. The regular evening services will be conducted as usual in which Rev. Dame will deliver a short sermon appropriate to the festival Sabbath observance.

The services are to begin at 7:15, so as to allow ample time for the church people, and not to interfere with the devotionals or the recital. The public is given a cordial welcome to attend. The following numbers will compose the musical program: "The Lord is King, (Fairlamb) the Choir; March of the Marionettes, (E. H. Sheppard); Overture to "The Poet and the Peasant" F von Suppe; Festival March (Lepold Syre) Serenade, by F. Schubert; Berceuse in A, G. Delbrick; Simple Aven (F. Thome) Organ recital; Solo "The Lord is My Light" Gerrit Ter Beek; Violin Solo, "Largo" (Handel) John Kuiper; Duet, "Watchman What of the Night" Helen Van de Linde, Elmer Shepers;; anthem, "Behold the Days Come," (Woodward) choir.

The program is still subject to a change. Further arrangements are being made for the order of the devotionals and musical numbers.

ONLY TWO LOCAL SPANISH WAR VETS NOT IN THE ORGANIZATION

United Spanish War Veterans, Holland Camp No. 38, was recently inspected by State Department Inspector Post Commander Hartman of Saginaw, who was high in his praise of the fine condition he found this local camp in both as to membership and financial standing. He stated that in making his report he would use the word excellent. There is a reason. The comrades of Holland camp are wide awake and always scouting for recruits. At the present time their aim is to attain a one hundred per cent membership. There remain only two eligible veterans in this vicinity who have not yet seen the opportunity or necessity of joining, but the scouts are out, with hopes that before long these comrades will also be enrolled and thus join hands to perpetuate the memories and comradeship of this organization. At the last meeting, March 6, the camp was fortunate to muster in Comrade Theodore Sundstrom who has become a business man of this city. There was a good attendance to welcome him into the ranks.

HOLLAND PIONEER AND BUSINESS MAN PASSES AWAY

At a quarter to twelve Monday night Isaac Marsilje died at his home at 135 E. 14th street after an illness of many months. Mr. Marsilje had not been in his office the past ten months and at various stages during that time he had been in a critical condition. But in every case his native vitality helped him to rally. About two weeks ago he had another severe set-back and this time it was plain that he was not able to rally from it. His death Monday night however came somewhat unexpectedly. The cause of death was heart disease.

Mr. Marsilje was born in the Province of Zeeland, the Netherlands, November 7, 1846. With his parents, at the time when he was only three years old, he came to America, the trip being made in a sailing vessel which took 21 days to cross the Atlantic. The family located in Rochester, N. Y., at first for about two years and then removed to Kalamazoo, where Mr. Marsilje lived until he was sixteen. Then the family came to Holland, and cleared and worked a forty acre farm in Holland township on the spot now known as the Huyser place, the old Marsilje place and the Moore place. Mr. Marsilje as a youth and young man passed through the early hardships of the Colony, drove an ox team and helped clear away the forests that covered this section.

But he gradually entered into a business life and in course of time became one of Holland's most prominent business men. He was the first cashier of the First State bank when that institution was organized in 1889 and held the position for three years. Then his private business grew so large that he had to relinquish the bank position. He was one of the organizers of the bank, and he served as a director and as the secretary of the board of directors until the time of his death. He was also a member of the board and secretary of the Holland Furnace Co., until his death. He was closely identified with Holland's business life in many ways.

At the age of 21 he was elected a justice of the peace and later he was elected Holland township clerk, which office he held for many years. He served as state representative from this district for two terms, being first elected in 1895 and re-elected in 1897.

He never entered city politics as an office holder, except in the school board. While still a resident of the township he was for years a member of the board of the old school district No. 1. When that district was incorporated in the Holland city system he became an officer in the city school board and he was elected again and again, so that in all he served in the school board about forty years. About five years ago he refused a re-election because of advancing age. He was president of the school board for many years, and he played an important part in the shaping of Holland's school system.

Mr. Marsilje was for many years a member of the Ninth Street Christian Reformed church, an officer in that church, and superintendent of the Sunday school. Somewhat over twenty years ago he helped organize the 14th Street Christian Reformed church, and he served as an officer of that church for many years, finally refusing re-election on account of age. He also served that church for a long time as superintendent of the Sunday school.

The deceased is survived by Mrs. Marsilje and the following children: Mrs. A. Bosman, Mrs. W. J. Westveer, Mrs. John Dykema and Thomas Marsilje.

The funeral will be held Thursday afternoon at 3 o'clock at the Ninth street Christian Reformed church, Rev D. R. Drukker of Zeeland, and Rev. J. M. Vander Kieft, pastor of the 14th Street church, officiating.

Democrats at Allegan have nominated the following city ticket: Mayor, Burrell Terrey; supervisor, Fred Tanner; alderman at large, Wm. Born; alderman west ward, D. Z. Boyes; alderman second ward, Fred Mason; alderman third ward, Anthony Martin.
