## NO SPEED TRAP CAN BE FOUND AT ZEELAND

HAVE UNUSUAL WAY OF TIMING SPEEDERS PASSING THROUGH CITY

State should protect neighbor in Holland township district

Citizens are often prone to say that newspapers discriminate in giving the news about themselves, especially if it is bad news. All the arguments in the world will never make some people think any different.

In this instance the editor of the Holland City News here makes it public that he was fined \$8.75 for speeding 30 miles in Zeeland. But in looking over the docket of Justice Huxtable, the news scribe noticed that he had good company in the way of some business men, a preacher or two and a Hope College professor.

It had been rumored for some time that Zeeland officers had laid a speed trap for those who pass thru the city and some even stated that Holland motorists were especially looked for.

When the writer paid his fine, another Holland business man walked in and laid down \$8.75 also for going 30 miles.

The loose talk and this incident and the simultaneous paying of two Holland fines led to the belief that there might be some truth in the rumor. An investigation of the Justice docket, which were freely thrown open, however, indicated that nothing of that sort was the case, for in the last two months only ten Holland speeders were taken and about as many more from Grand Rapids and other intermediate points.

Zeeland also had its comparative quota with one man by the name of Poest paying \$28.75 and who was arrested a short time afterwards on a second offense.

The fact of the matter is that with the exception of the business district, Zeeland is an unusual easy town to speed in, especially for a motorist from Holland.

After the curve at the Veneklasen brick yard has been reached, there is a long stretch of a quarter of a mile which in reality is Zeeland but is not under the jurisdiction of the Zeeland ordinance when it comes to speeding but the state law governs and there is no limit as to speed in Michigan under the new law.

Motorists forget that when they strike the brick pavement from the concrete, that they are entering Zeeland and have left Holland township. Zeeland begins where the concrete ends at the west limits.

Furthermore a motorist going 40 or 50, seldom realizes when he slows down to 30 that he is going fast, and beyond the speed limit as this relates to Zeeland.

The result is Bill Hietje, the marshal with the stop watch, and deputy Riezinger have the goods on the motorist. But even at that the officers are mighty lenient, for investigation shows that if the officers were living up to the letter of the law a score or more could be arrested every day for speeding, not for reckless driving but simply for going beyond the speed limit as stated in the city ordinance.

The fact, however, is, Zeeland city should also be protected in the Holland township district which is lined with homes for several blocks, and where playing children are as numerous as elsewhere in the city. This part of town is only separated from Zeeland by an imaginary boundary line, and the state should make provisions for such unusual conditions whether this be in Zeeland, Holland or any other place. Pedestrians and especially thoughtless children should be fully protected in such districts.

Rather an amusing incident connected with this matter is related by Marshall Hietje when he was asked how he kept tab on just how fast the speeders were going. His story went something like this: "You see that auto coming from the west," the Holland men said they did, "soon you will see it strike a hump at the crossing. Well that hump in the crossing is where I stand with my stop watch is an eighth of a mile. When I see a motorist coming 'lickety-split' from the west I start my watch when he humps at the crossing and I stop my watch when he comes opposite me, then I figure out according to the time at what rate he was coming."

Rather a unique way and a handy hump in the street.

Anyway, Zeeland officers have been more drastic of late in curbing speeding and enforcing the speed law.

Recently a child was killed in the school zone and ever since that the minions of the law have been tighter in the bit in dealing with speeders.

Mr. Hietje stated that in the school zone he could arrest 50 motorists a day if he strictly followed the letter of the law. The rate of speed that a driver can go through the school zone is 10 miles an hour and it is doubtful if in Zeeland, Holland or anywhere else drivers of cars hold their speedometers down to that low rate of speed. Notwithstanding the law is there, and a motorist is subject to arrest going over that speed.

Not an arrest was ever made in Zeeland for going 20 miles an hour, which is the limit allowed in the ordinance, in fact, officials seldom arrest under 30 miles an hour.

It can absolutely be said there is no speed trap in Zeeland and that the officers are liberal in dealing with the motorists, and every arrest is justifiable. A dozen arrests a month does not constitute a speed trap.

It can further be said that Mr. Hietje, the marshal, is a genial fellow, who after arresting motorists Saturday treated them to

## Mayor Who Is

Above is pictured Mayor Nicholas Kammeraad who has made an efficient head of city affairs for the past four years. Mr. Kammeraad, local merchant on Central Ave., and also on West Thirteenth street has announced himself as a third term candidate, stating his record must speak for itself.

He said he will do no personal campaigning and the work that is done must come voluntarily from friends and voters who feel he has done his duty during the past four years.

## MILHAM TALKS CREDIT SYSTEM TO MERCHANTS

W. H. Milham, connected with the Kalamazoo credit bureau, was the speaker at the merchants' meeting held at the city hall Tuesday night.

There was a large attendance since the merchants have become intensely interested in protecting themselves from the professional deadbeat.

Mr. Milham told of the workings of a credit bureau, much along the lines as has been printed before, stating there are 1,000 credit bureaus in the principal cities in the United States and that five years ago there were but five worth-while credit bureaus in Michigan but today there are 60.

While Mr. Milham dwelt shortly on getting the credit pedigree of a new customer who comes to town, and has been a professional dead beat in the city where he came from or in turn was a good credit risk. He dwelt at greater length, however, on how to get the money after the merchant had been stuck.

He said the Holland merchants should work in harmony and use the same system of credit. He says if credit was given it should be determined with the customer beforehand when the bill would be due, which in Kalamazoo, for instance, was the tenth of the month for all goods purchased the month before, and a merchant should not wait in calling a customer up on that date.

"Don't be lenient with a customer, unless sickness prevents payment, to force collection when the time limit is up, and furthermore the merchant is better off by putting the bill in the hands of the Merchants' Credit bureau and have the collector get busy on such accounts, rather than collect the bill himself. The merchant can sell more over the counter and make more than a small fee for collection would amount to."

Mr. Milham stated it does not always pay to sue or annoy a debtor when he has no money. When he is a debtor, the damage is done.

Mr. Milham pointed out how in several cases debtors came into his office with "blood in their eye," vowing never to pay an account, but through moral suasion showing that paying debts was a moral obligation, the excited debtor would calm down, would pay the bill or make provisions for payment.

Mr. Milham complimented this city on its fine business organization and the able way in which Mrs. Coffey was handling the merchants' credit bureau. He said it is an organization that keeps merchants in touch with one another, breaks up competitive jealousies and gives the local merchants an avenue to compare notes and tell each other their experiences and shows how difficulties can be ironed out.

An organization like the Merchants' Credit Bureau cannot help but be a power in the city for civic reasons, for all that helps a city cannot help but benefit the merchant.

The first Holland-made airplane motor of the Szekely plant was given an all day non-stop test today in a semi-biplane which was driven to this city by Mr. Driggs, president of the Driggs Aircraft Corporation of Lansing.

Mrs. Ed. Phernambucq, who has been ill for the past ten months suffering from a stroke, was remembered yesterday on her thirty-sixth birthday anniversary by her many friends who presented her with many beautiful flowers and birthday cards.

Mr. Theodore Giebank was pleasantly surprised at the home of his parents Tuesday evening, it being the occasion of his twenty-third birthday.

A group of friends were entertained at the home of Mrs. Henry De Boe, 357 West 18th st., Wednesday afternoon. The following women were present: Mrs. John De Boe, Mrs. Joe Nyhoff, Mrs. R. Kamphuis, Mrs. Dena Bos, Mrs. Jack De Boe, Mrs. John Slighter, Mrs. Mike Essenburg and Mrs. Henry De Boe.

coffee and doughnuts after they paid their fines and then gave them a short program of one number, rendering a reading in Dutch in order to keep the fine-payers good natured.

## News Items Taken From the Files of Holland City News Fifty, Twenty-five and Fifteen Years Ago Today

### EIGHTH STREET IN 1880.

This is Main street in 1880 looking west from where the Holland Rusk Co. now stands. To the right can be seen the old Cook's Wagon and McMartin's Blacksmith Shop. The Havekate home, where the City Garage is now located. The little dwelling, prominent to the left, is the oldest house in Holland, commonly known as Engbert's home. This building, in early days, was the clearing house for all Netherlands immigrants who landed here. From this house they were sent out to different parts of Ottawa County. The home partially burned on a Sunday noon last year and has since been torn down.

### FIFTY YEARS AGO TODAY

The first silver dollar was coined at the United States Mint at Philadelphia this week.

It was made known at the common council meetings that Eagle Hose Co. No. 1 had resigned because of constant fault finding from some citizen. These boys get \$10 a year salary—City officials and those who served the people here were treated no better than they are today. No doubt then, as now, the bucklers were non-taxpayers, non-voters and themselves failures in life.

On Monday last the old and honored father of a remarkable family, John Steketee, died at his residence at the age of 75 years. He came to this country from the Netherlands in the spring of 1847 and settled in the village of Zeeland and built the first or second house there. A few years afterward he moved to Grand Rapids and later to Georgetown in this county, and finally settled in this city to spend his last days. He left the Netherlands with his surviving widow and nine children, and one was added to that number while the family was living in Grand Rapids. While living 31 years in Michigan his was the first death in the family. He is the father of Cornelius Steketee of Muskegon, also of John, Paul, George, Peter, Ellen and Jane Steketee of Grand Rapids, of Pauline, living in Jenisonville (now Jenison), and Andrew and Bastiaan in Holland. His remains were interred last Wednesday and a large concourse of people attended the funeral ceremonies held at the First Reformed church.

An order given by the common council is that all saloons close when an alarm of fire is heard and that not a drink be sold while the fire is in progress and that liquor shall not be distributed while the pumps are going to and from the fire. Also that a bucket brigade be organized to help the firemen in their work.

### TWENTY-FIVE YEARS AGO TODAY

The first firm to occupy rooms on a third floor, without an elevator, and there were none at that time, is Marsilje and Kooyers, real estate and insurance. They are found on the third floor of the First State Bank, now the Pieters block.

John F. Van Anrooy and Son have purchased the milk route of Mr. Verlee, the south side dairyman.

At least 2,000 dogs have been killed in Grand Rapids because of a mad dog scare; all dogs ought to

have been muzzled.

Miss Agnes Kramer very happily celebrated her seventh birthday by pleasantly entertaining a large company of friends. The little folks joined partners for lunch by pulling plums in the shape of pretty favors. Those present were: Mabel Lapsch, Ruth Price, Marion Van Drezer, Lillian Hopkins, Helene Vander Belt, Gertrude Kanters, Evelyn Vaupel, Ruth Koppel, Marie Diekema, Gertrude Kramer, Ebba Clark, Helene and Marian De Pree, Ruth Miller, Bernice and Jeannette Mulder, Marjorie Goldman, Marguerite Huntly, Gwendolyn Lewis, Margaret Kramer, Hazel Van Landegend, Kathryn Vander Veen, Harriet Meads and Lucile and Ruth Mulder.

Al Tanner has been appointed custodian of Ottawa Beach, including the large hotel.

Dr. and Mrs. M. J. Cook have returned from an extended trip to California.

Miss Mabelle Hart of Mishawaka, Ind., is the guest of Mr. and Mrs. J. B. Mulder of Holland.

President G. J. Kollen is expected home from the east where he has been in the interest of Hope college.

### FIFTEEN YEARS AGO TODAY

A. J. Ward, formerly of Holland, later register of deeds at Grand Haven, also went in the contracting business and has secured all the street paving at the county seat. The jobs secured are Washington street, \$3,008.58; Fifth street, \$5,555.36; Fourth and Howard streets, \$7,340.04. Note: How much street these amounts would pave the items do not state, but probably it would cover about a 50 foot lot.

Austin Harrington was unanimously re-elected county road commissioner.

Martin Dekker became the proprietor of the Enterprise Shoe store owned by K. W. Koolman.

Governor W. N. Ferris spoke at the Board of Trade banquet at Holland Friday night. The officers were: Austin Harrington, president; George E. Kollen, vice-president; Raymond Vischer, secretary. G. J. Diekema introduced Mr. Ferris as the man of ideas and ideals that he used for the elevation of mankind.

Superintendent E. E. Fell was in Washington attending the inaugural of President Woodrow Wilson. He also was in Philadelphia attending a national teachers' convention.

Prof. Drew, science teacher of the high school, who has been taking a rest at his home in Gardner, Ind., after a nervous breakdown, will return to Holland and resume his duties at the local school.

## Benefit for Chinese Slave Girl

"DAUGHTERS OF THE KING" TO SHOW WESTERN PICTURES

The "Daughters of the King" Sunday School class of the Ninth Street Christian Reformed church, formerly taught by Miss Tena Holkeboer, now missionary in China, are going to show stereoscopic slides of beautiful western scenery of the Rocky Mountains especially pictured.

These pictures were taken by Rev. Everington, preacher, lecturer and artist, of Grand Rapids. Mr. Everington took the pictures with his own camera and colored them in their natural color himself.

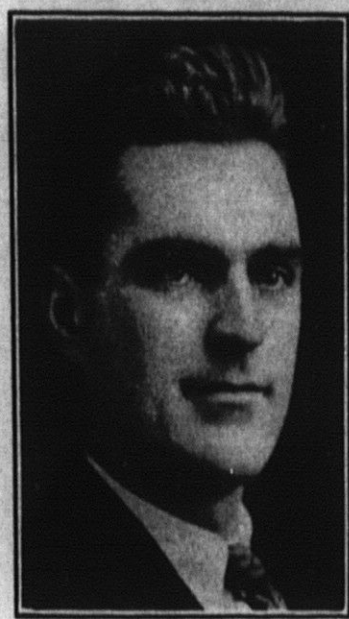

These slides will be shown in the Christian High school auditorium by Rev. Everington, who will give illustrations of the scenes shown as he goes along. The pictures and lecture will begin at 7:45 Tuesday evening, March 13. No admission will be charged, the Sunday School class relying on the amount taken in the silver collection.

These stereoscopic slides are the first of a series of pictures to be shown through the efforts of this class, to receive money to support the little Chinese girl, Bikim, whom Miss Tena Holkeboer purchased in China in order to save her and her mother from slavery.

This Chinese girl is now attending the high school there and the "Daughters of the King" class must raise funds in some way to pay for her clothes, board, etc.

Besides the pictures there will be a fine musical program and music furnished by the Colonial orchestra.

## Mayor Timber

Above is a picture of Ernest Brooks, one of Holland's leading citizens and civic workers and head of the local Exchange club, and a moving spirit in the local American Legion.

Mr. Brooks in a personal letter to voters and under the heading "Some Question That I Am Asked as I Go About Town—And My Answers," is warning up the majority contest by appealing to the voters in a circular letter.

The letter gives the candidate's stand on many of the pertinent questions under consideration during the present race. He believes in keeping the city taxes as low as is possible, "consistent with keeping Holland to the front of the finest cities to live in." Mr. Brooks opposes an "open city" on Sunday and favors the open discussion of all problems by the city council. He does not commit himself on the present police court squabble.

As a final appeal Mr. Brooks makes the following statement: All appointments will be made strictly on the basis of merit and qualifications. What I may want privately is of no concern; it is what the majority want in the way of civic government that shall guide my actions.

## BOTER MAKES SPEECH FOR PRAYER DAY

The matter of Prayer Day again came up for discussion at the March 5th meeting and it was the unanimous decision that the stores be closed Wednesday, March 14, as has been the custom.

There was the usual argument against it from some quarters, that the whole town goes to Grand Rapids on that day instead of going to church. Others argued that this is a matter of conscience if folks did not spend the day in the manner expected and there was no argument against giving the citizens an opportunity to observe this day.

Mr. Boter, the newly elected president, stated that at one time he was not so enthusiastic in observing prayer day, but from year to year he has been taken up with it, and felt that for one day a year we could offer thanks for what was given to us; we could also bend our knee in prayer for the things we need.

He stated it was a unique day and the fact that Holland observed it has been well known throughout the state and could not help but have an uplifting influence along religious lines everywhere.

After all, Mr. Boter said, "Religion is the Rock of our salvation."

Garrod Cook spoke along the same lines and said that there were merchants who wanted a half day instead of a whole day for this purpose. He stated if we were to observe the day at all it should not be done in a half hearted manner on a half day basis.

## FILLMORE TO HAVE A REAL CAUCUS TODAY

This afternoon (Friday) Fillmore township is to hold a real caucus with something like 8 or 10 candidates scrapping for the township "strong box" job. Thus far the candidates for treasurer are Justin Kleinhekel, Jerry Schrottenboer, Fred Rutgers, Lewis Mulder, and Peter Brummel and it is said there are a few more receptive candidates. John Lubbers is the outgoing candidate since he cannot serve more than two terms under the law.

There is also a fight on over Supervisor. Clare Heekhuis the present assessor is to try conclusions with L. E. Brink, Geo. Klunenburg and Dick Vander Kamp. It is said there may be a few more candidates in the offing who may jump in the last minute.

For clerk John Ver Berg and Augustus De Witt are doing battle. There are several other offices to be voted for in which there seems to be little contest. Anyway the Fillmore township caucus this afternoon will be one of the most interesting in years.

Bids are being asked for construction of the new parsonage of the Beaverdam Christian Reformed church. The former parsonage was destroyed by a fire a few weeks ago, when only a few articles of furniture were saved.

Mayor Herbert H. Hillman was victorious over his opponent, Baltus Pellegrom, at Wednesday's primary at Grand Haven, receiving a majority of 138 votes. He polled 793 votes and Pellegrom 655.

Dan Pelelsson was again re-elected justice of the piece.

Evert J. Pruim, a former music dealer in Zeeland and Holland, is playing the part of "Three Black Crows" in a minstrel show at Grand Haven.

## EIGHTH STREET MAY BE REPAVED IN NEAR FUTURE

WEST EIGHTH STREET MAY SEE BOULEVARD LIGHTS

Board of Public Works Assumes Bonded Debt of City This Year

Some great questions in a nut shell taken up by the common council was the repaving or improving eighth street that was built thirty years ago, and is now in rather bad shape. Fifty thousand dollars was placed in the annual appropriation bill for this purpose but this does not say that this improvement will take place this year, but if the emergency does arise then legal steps have been taken to meet the situation.

This may not be the year to pave it, but then possibly next year. The city is also looking to the state of Michigan for \$6,000 it has coming consisting of maintenance money since eighth street is also a state trunk line.

West 8th street may also see some improvement. It was proposed to continue the boulevard lighting system to Graham and Morton docks thus completing the street with the same standard and lights as Holland now has. It will cost \$6,000 to install, Mr. Champion figures, with the Board of Public Works giving the labor and material at cost. The council has agreed to furnish the light which will cost approximately \$600 a year and there will be added 23 standards and lights if the system is continued.

The property owners, however, must pay sixty cents a front foot as their share of the cost, and it is understood that a large number have already consented to foot that much of the bill.

The Board of Public Works has done another grand thing, namely assuming to pay just that amount of the city coming due the coming year amounting to \$37,542.50. This will be paid out of the earnings of our municipal plant and it means that the tax payers of Holland will have to pay just that amount less, since the Board of Public Works has assumed this burden.

The annual appropriation bill was also passed, the Board of Education asking for \$244,000, or \$9,000 more than last year.

The total annual appropriation for the city budget is \$213,906.21. The appropriation for the general fund was \$29,900.93. For the police and fire commissioners, \$35,155.00. For the new hospital \$70,000, which is only \$1,000 more than last year.

### COUNCIL NOTES

There was not an alderman absent at Wednesday night's meeting. It was three weeks since the council met before.

Bill Blom was granted a license to construct a pool room in the Blom building on River Ave. There was no opposition, the committees reported.

Rev. James M. Martin opened the council meeting with prayer and the mayor and aldermen as usual saluted the flag.

Mayor Kammeraad had company at his desk on the rostrum in the council rooms. Miss Delia Beuwkes, mayor of the student council at Holland high, sat by his side and the student council members sat in their respective places at the desks of the older city fathers, namely the Holland aldermen. Mayor Kammeraad welcomed the student body and Miss Beuwkes pleasantly responded, introducing all the members to the mayor and common council.

A petition was presented opening and improving 25th street between Central avenue and Lawndale court. A petition was also presented for a sanitary sewer between 27th and 28th streets.

The election inspectors who were named were as follows:  
1st ward—Simon Kline.  
2nd ward—Dr. Albert Curtis.  
3rd ward—Ray Knooihuizen.  
4th ward—William Lawrence.  
5th ward—Charles Dykstra.  
6th ward—Herman Steggerda.

Chairman Laeplee of the ways and means committee reported that the old hospital site be not sold, at least not for a time, and that the city maintain and keep the premises in suitable condition until an occasion arose when Holland might use this building on 12th and Central avenue to advantage. The other committee members are: Seymour McLean and Andrew Hyma. Three aldermen became rather warm under the collar when the council failed to act upon a recommended street sweeper. The matter was laid upon the table for discussion, but before this discussion could be indulged in, the members forgot and adjourned. This sweepers will no doubt be swept off the table at the next meeting and Aldermen Visser, Brieve and Van Zanten will be better natured when their recommended sweeper is ordered purchased.

Sunday morning Rev. John Van Peursem, pastor of First Reformed church, will consider the theme, The Evidences, of Regeneration. His subject for the evening services is: Courage to Show Your Colors. Rev. Edw. Tanis of Holland will preach in the afternoon—Zeeland Record.

Mrs. Albert Simpson, who many will remember as having lived here for several years, entertained with a party at her home on Holland, 119 East 17th Street, in honor of her birthday. Those attending from here were Mrs. Carl Lindgren, Mrs. Peter Kammeraad, Mrs. Ray Swanson and Mrs. A. W. Michener. Mrs. Kammeraad returned with the head prize.

**NEED FOR CRAFT  
REWARD**

There have been various sporadic impulses to benefit the decorative arts, which have sprung up about the country at various times and in places often far removed from manufacturing centers. Laymen and museum directors have admitted the direct influence of a good collection of objects and designs upon things manufactured, but mostly their hands have been tied by lack of funds to make an adequate permanent exhibition. There is need in this country for immediate incentives urging American boys to turn to craftsmanship and artistry, rewards of honor, that is, beyond the living wage that would naturally accrue to good work.

With the idea of turning skillful hands and originating minds into channels that will revivify and add a new beauty where now a stereotype monotony prevails, a preliminary inquiry has been sent out by the Newark Museum, anent a union of individuals and organizations to promote interest in and knowledge of the applied art products of American factories. They are trying to do the relatively easy thing of learning what and where are the individuals and the organized groups in this country which will give a general endorsement to a movement for bringing American workmen and their associate artists into a more general recognition and for arousing a keener appreciation of their work.

To illustrate: A certain American maker of good tableware rivalled the best French potters in his products. To sell them to advantage he had to put on a name other than his own, and to permit them to be sold as French. This manufacturer had in his employ skillful hands and, for his designs, originating minds. He paid them fair wages. He could not get for them the recognition and the title of honor which they deserved and needed. The blame for this condition and a like condition is to be found today in a hundred crafts and trades—lies obviously with the buying public of this country.

Holland had two candidates for mayor. They sure are "a pair too draw to."

The supreme test of will power is to refrain from saying, "I told you so," applicable in our coming primaries.

There are always two sides—the right side, and the side that calls names.

The easiest way to classify a man is to study the people with whom he seems at ease.

Among the "blessings of poverty" is possession of sense enough to realize that poverty is no blessing.

It isn't very difficult to forgive your enemy if you know you can lick him.

Already the languid air of southern swamps, rice field and bayou is stirring to the throbs of restless wings... the northward trek of the swift-winged water-fowl has started.

As this month begins the great migration it is interesting to note that the birds are remarkably regular in their return each year. Each species has a normal time of arrival and in most years the dates will not vary much, although there is a little variation, depending upon the weather. The problem of the origin and cause of migration is still a mystery.

NOTES FROM ALLEGAN FARM; HANNAH TO BE IN CHARGE OF POULTRY SCHOOL

By R. L. HELM

Allegan County Farm Agent

On March 13 and 14 a two-day poultry school will be held at the Public Library in Allegan.

Mr. J. A. Hannah, Poultry Extension Specialist from Michigan State College, will be in charge of the school.

There will be two all-day sessions starting at 10:00 o'clock sharp in the morning.

This school will be similar to the ones held two years ago and will be the only general school on poultry raising in Allegan County this year.

It is open to all persons interested in poultry and every one is invited to attend.

On March 15 the regular quarterly meeting of the members of the Allegan County Farm Bureau will be held at the Public Library in Allegan.

There will be only an afternoon session beginning at one o'clock sharp.

This is the first of a series of quarterly meetings which will be continued throughout the year.

Mr. C. L. Nash of the Michigan State Farm Bureau will be on the program.

Franklin C. Cappon, of Holland, former Michigan grid star and coach, who will return to his alma mater next fall as successor to Harry Kipke, will have charge of the spring football practice of the Volunteers, Director Fielding H. Vost has announced. "Cappy" will make good as he always has.

MANY MEETINGS FOR DEMONSTRATION TO BE HELD

By C. P. MULHAN

County Farm Agent

Ottawa County Sheep breeders

are holding two meetings to hear Mr. Moxley, specialist from the State College, explain the newer methods of caring for sheep and lamb to obtain better results.

The first meeting will be at the farm of Robert Rasch, north of Marne, Thursday, March 15th, at 1:30 P. M., and the second meeting at the farm of Dick DeKleine, Friday, March 16th, at the same time. This is the first series of meetings ever held by sheep breeders in the county. A little later the agricultural agent will arrange demonstrations in treating sheep for parasites.

The grow-better-chick campaign conducted on the local leader training plan started off splendidly with representatives from fourteen townships present. These leaders will instruct poultrymen who desire to join classes in their community.

Poultrymen desiring to co-operate should see the nearest leader. Four meetings will be held during the season. The local leaders are Art Dyksterhouse and J. H. Modderman, Coopersville; Omer Devcon and Karl Kober, Conklin; Gerrit Stel and Mrs. Ed. Davis, R. No. 7, Grand Rapids; Scott Holmes and C. W. Gibbs, Numa; Harold L. Jensen, Bert Sweet, H. H. HOLLAND MAN SENT TO JACKSON PRISON FOR TERM OF YEARS

Several offenders were sentenced by Judge Cross late Monday afternoon in circuit court. Interest was greatest in the Munson case, but some of the others were given sentences almost as severe.

Fred Howard, of Holland, who was convicted of two counts, liquor law violation and adultery, was sentenced to a period of from six months to one year at Jackson on the liquor law violation charge and from one to three years at Jackson on the adultery charge, the two sentences to run concurrently. He was assessed a fine and costs of \$17.07.

Elmer Moyer and Arthur Michmerhuizen of Grand Rapids, arrested in Holland for transporting twelve pints of "Old Crow," were given a three year sentence, but because of the fact that they had a very good record they were placed on probation. They were however fined \$300 and costs of \$8.05 each. They were given the privilege by Judge Cross of paying the fine at the rate of \$25 a month.

John Tiesenga of Jamestown, convicted of stealing 30 chickens, were sent to Jackson for two years and were assessed fines and costs of \$21.35 each. They appeared in court handcuffed together.

After the sentences had been passed Judge Cross turned his attention to the divorce case of Margareta Dykstra vs. Clarence Dykstra. Mrs. Dykstra was granted a divorce and the custody of a two year old child until the age of 12, the father to pay \$5 a week toward the support of the child.

**Holland's History  
Collection May Be  
Taken to Lansing**

The Michigan Historical Society, through its secretary, Dr. George N. Fuller, is making inquiries for the acquisition of the historical collection of the late Gerrit VanSchelven for the purpose of arranging it for use and protecting it in the fireproof vault in Lansing. Mr. Van Schelven was a member of the state society at the time of his death.

The collection, which represents years of labor, now reposes in a vault in the city hall and comprises data and records pertaining to Holland's history from pioneer days, antedating the founding of the city by Rev. A. C. Van Raalte. As a result Mr. VanSchelven had been recognized as the historian of Holland.

Nothing of importance bearing on Holland's history is missing. The collection comprises printed matter, manuscript, maps, charts and other records. Old newspapers and original documents are included.

Much of this fund of information brated its semi-centennial in 1897, was gathered when Holland celebrated the biggest event in the history of the city.

Mr. VanSchelven had been identified with Holland for nearly 70 years and knew the city's history well.

**First Church at  
Holland Boasts  
Big Service Flag**

First Reformed church, organized in 1847 as the pioneer church in the Holland Colony, prides itself upon having a larger Christian service flag than any other church in the denomination with respect to the number of stars it contains.

According to the church directory for 1928 the flag contains 76 stars. Several gold stars appear on the flag in honor of those who have died in the service. The stars represent 66 men and 10 women, former members of the church, who have entered home and foreign missions fields. Foreign countries China and Japan and the home workers are laboring in many fields in which the Reformed Church of America is located.

First church supports its own missionary, Mrs. D. Dykstra in Arabia, now home on furlough. The church is one of the largest in the Reformed denomination in the west. Statistics for 1928 show a total membership of 880, non-resident 77 and 340 families. A new parsonage was built last year. The Sunday school has the largest average weekly attendance of any school in Ottawa county.

Rev. James Weyer has served the church as pastor for more than 10 years.

**NORTH HOLLAND**

The neighbors and friends of Mr. and Mrs. Ben Ter Haar, surprised them at their home on last week Tuesday evening in the form of a farewell.

Mr. William Lowman spent the week end with friends in Grand Rapids.

**PARK TOWNSHIP**

Park township candidates were nominated on the Republican ticket Saturday afternoon at one of the largest caucuses ever held there.

The voting was done at the second voting precinct at Central Park. Since there is only one ticket in the field the caucus practically constitutes election. The following were nominated: supervisor, George Henneveld; treasurer, Oscar Witteveen; clerk, Art Witteveen; highway commissioner, Fred Van Wieren; justice of the peace, Albert Brinkman; member of the board of review, Ben Bowmaster; constables, Clyde Taylor, Albert Kuiper, Edw. Stephan and Mr. Thalen.

**FILLMORE**

Allegan Gazette—In 1859 George S. Harrington, who was then a young man, went to call upon his sweetheart, Miss Martha Partho, the school teacher in old district number two of Fillmore township. She was boarding with Stephen Fairbanks at the time, who was a brother of Isaac Fairbanks. They lived on old beline road, and the snow was rather deep, but melting and falling now and then in little patches from the branches of the trees that lined each side of the dark road. Mr. Harrington was returning home when the hours were rather small, and as he came through the big swamp that lay on either side of the road to those days he was startled to hear the howls of timber wolves on both sides of the road. He had no gun, so he went along the log fence and got a stout club for protection. The wolves came near but did not attempt to attack him so he went on home in safety. The next morning he shouldered his rifle and retraced his steps back to the swamp where he had heard the wolves. The snow was well over knee-deep, and he tracked the wolves down through Fillmore township and into a big swamp just south of Graefscap. They kept on ahead of him and went out of the swamp to the south. The trail led on all day, the wolves keeping ahead of him and gun-shot. Finally, about dark, he had to give up the chase in the deep ravines in Manlius township. He returned through the snow that night, an undertaking calling for unusual physical endurance. It is doubtful if very many young men of today would care to attempt such a job. This same man as a boy of only ten years used often to walk from the old Harrington homestead to Allegan and return, a distance of fifty miles, in a little over half a day, according to Mr. Harrington. In passing, it is interesting to note that Mr. Harrington's sweetheart of that night later became his wife.

## MERCHANTS OF THIS CITY FOR NEW ROAD

The Holland Merchants' association were unanimous for the re-routing of the road to Saugatuck south of Holland entering in at First avenue and 32nd street. It will mean that Holland will not only have the road from Saugatuck a highway that now exists, but another road through Allegan county running through some of the best farming country and entering into the city directly from the south.

Austin Harrington was present at the meeting and explained that this new highway would take care of the direct truck traffic and the heavy through travel, giving more room for resorters on the old highway.

Resorters are already complaining over a freight line through the resort district. Mr. Harrington contends and now the travel will be diverted over two highways both entering this city.

Mr. Mulder pointed out that more than 20 years ago money was subscribed in Holland for a proposed road tapping this rich farming country including the Fennville, New Richmond and Fillmore districts, but the sum was not near large enough to do any pretentious road building.

Ted Warner, who presided at the merchants' meeting, stated that the committee in charge had been going into this road project and felt very inclined to the road re-routing, but Mr. Harrington, who was present, and is chairman of the road committee, could better give the details.

If this re-routing goes through, which it undoubtedly will, Holland will receive considerable maintenance money from the state from year to year since then one of its streets will in reality be a trunk line of Michigan just as 17th street is today.

When it came to a vote all members of the association voted in favor of the change feeling that Holland would then receive the benefit of two instead of one road.

## News Condensed

Sheriff Fred Kamferbeek has received a wire from John S. Sargent, attorney general of the United States, instructing him to release Mrs. Evelyn Steil, who is to become a mother before her term expires. The wire reads: "Jailer, County Jail, Grand Haven: President Coolidge has commuted the sentence of Evelyn Steil, to expire at once. She should be released immediately. Warrants in the mail due later." (Signed) Sargent, Attorney General.

This action ends an unusual case in which, contrary to the usual proceedings, the sheriff, instead of doing his best to keep his prisoner behind the bars, did everything in his power to secure her release. When all other methods had failed Sheriff Kamferbeek appealed to President Coolidge, with the result that the woman today is free.

Sheriff Kamferbeek today acted on the telegraphic instructions of the attorney general and set the woman free.—Holland Sentinel.

## BIRD WEEK IN HOLLAND ALL NEXT WEEK

Walter Hastings of State Department to be Here with his Pictures

Next week, March 12 to 17 is Conservation and Bird Protection Week at the local high school.

The students in Miss Rogers' biology classes at Senior High School have completed their annual conservation project for this year. The 10-1 and 10-2 girls have made wild life posters, the 10-2 girls have each written an essay on "Conservation in Michigan: Its Progress and Needs," and the 10-1 and 10-2 boys have each built a bird house and a feeding device. These are being exhibited this week at Senior High School and will be shown at the First State Bank all of next week, March 12 to 17 inclusive.

The general public is invited to see the exhibit either at the high school or at the bank. Many of the bird houses will be for sale and orders will be taken for others.

An added feature of the week will be a three days visit from Walter Hastings, staff photographer of the State Department of Conservation. This will prove a source of great pleasure to those who are able to hear him and see his films. He is coming, as the guest of the biology department, direct from a two weeks' series of engagements in Detroit. He will bring several reels of wild life films which he has taken the past year. These will be shown at the City Hall, March 15 and 16 at 7:30 p. m. and to the pupils in the various schools of the city at other hours. He will give addresses at Junior and Senior High Schools and will be the guest of the Rotary Club Thursday noon, March 15.

Mr. Hastings comes highly recommended as a speaker and his films of Michigan wild life have

## "Permanent Wave" Demonstration

We will give a permanent wave demonstration at 2 P. M. on Saturday afternoon in the Kinsey & Buys building, formerly occupied by Arendshorst Real Estate Co., on a Federic's machine. Both men and women are welcome.

Blue Bird Beauty Shop, 33 W. 8th St. Phone 5873

received much praise. He is much in demand as a speaker by the various clubs and organizations throughout the state and it was only by engaging him several weeks in advance that Miss Rogers was able to book him for these dates.

The people of Holland are invited to hear Mr. Hastings and see his motion pictures in the City Hall either March 15 or 16. An invitation is extended particularly to the members of the Holland game and Fish Protective association.

A meeting has been arranged for Saturday morning at 9 o'clock to which the students and citizens of the rural school are especially invited; and it is hoped they will avail themselves of the opportunity to attend.

As these films are state property no admission will be charged. A silver offering will be taken, however, to assist the biology department in carrying on its conservation work. Remember the dates, March 15 and 16 and come and enjoy the pictures and be sure to see the exhibit.

## NOORDELOOS

The pupils who have a perfect attendance record for the past six months at the New Groningen school are: Irene Brouwers, Jasper Brouwers, Ivan Kragt, Helen Schaap, Maurice Schaap, Edwin Schuitema, and Elaine Veneklaas.

The Ladies' Missionary Society of the First Reformed church met at the home of Mrs. John Krommeyer last week Thursday.

John Brink, the lumber man, received the first new Ford truck delivered in Hamilton. John does considerable business in his line and keeps a truck on the road all the time delivering the lumber. No doubt the new truck will be put to a real test.

Mrs. Herman Miscotten, who has been ailing for several months, is again confined to her home.

Mert Dangersmond captained a crowd of young people on a pleasure trip to Kalamazoo one evening last week. Those enjoying the outing were: Amy Voorhorst, Chester Voorhorst, Kathleen Kolvoord, Jess Kool, Hazel Fischer, Harry Brower, Lydia Webber, Gerald Hagelskamp, Genevieve Koolker, Jud Hoffman, Daisy Benson, Irene Kolvoord, Geo. Smead, John Brink, Miss Lang, Don Dangersmond and Dorothy Voorhorst.

John Maxam, the local station agent, was called to Dowagiac on account of the serious illness of his mother.

Our Chevrolet dealer, Rob Wolters, was given the surprise of his life last week Tuesday evening, his birthday, when a host of his friends walked into his home without announcement. It took Rob several minutes to get back on even keel. The evening was pleasantly spent in playing of games. Splendid refreshments were served at a late hour and when his friends departed Rob extended a hearty "come again" to all.

Rev. D. Dykstra, missionary to Arabia, gave a stereopticon lecture last Friday evening at the First Reformed church. It was an exceptionally fine program. A large audience was present. Mr. Dykstra succeeded in putting on an original and interesting program. It was different from the usual lectures of this sort. An offering was received for the field in which Mr. Dykstra is one of the leading missionaries.

The local talent play "Thompson's Hired Man" which was recently given in the local community hall, will be given at Grand Rapids next week Thursday evening, March 15. The Ungersma-Gosselink entertainers will accompany the cast to furnish the music for the evening.

A large number of people gathered Monday evening in the church parlors of American Reformed church at a joint monthly meeting of the Ladies' and Men's Bible classes of that church. Rev. F. J. Van Dyk of Central Park, a former pastor of the church and Rev. J. A. Roggen of the First church gave papers on Post-Millennialism and Pre-Millennialism. Special music was furnished by a male quartet, consisting of Marvin Koolker, Rev. H. J. Porter, Ed. Dangremont and Albert Klomprens. The audience was also favored with a vocal duet by Mr. and Mrs. Henry Hoffman. A luncheon prepared and served by the guests was enjoyed and a pleasant evening is reported.

Last Wednesday a large number of parents visited the room of Miss Kurtz.

The Hamilton Music club met at the home of Doris and Esther Slotman last Monday. Those present were: T. Gorder, Gladys Borgman, Beatrice Lugten, Eunice Hagelskamp, Pauline Porter, Ella Roggen, Lucile Perg and Iola Butler. Business session was held followed by a social hour. The hostesses served a delicious lunch at the close of the evening.

Wm. Ten Brink is making extensive improvements to his house. The basement is being excavated at the present time. He intends to raise the building.

Stanley Jappink fell from a roof of the granary Tuesday. Back hurt. Fear that internal injuries have resulted.

## HOPE ORATORS SWEEP INTO SECOND PLACE IN CONTESTS

MISS ALBERS AND MR. PELON  
GIVE MASTERLY  
ORATIONS

Miss Hazel Albers and Mr. Jack Pelon, representing Hope in the annual contest of the Michigan Oratorical League, came away bearing second honors. The contest was held at Albion last Friday.

The relative percentages give indication of what little difference determined the victor. Miss Albers lost to the representative of Albion College by 1/2%, the two percentages being respectively 89 and 89 1/2. In the men's contest the winning Olivet men were given 89 1/2% and Mr. Pelon followed closely with 87%.

It presented a striking array of real oratorical talent. Miss Elliot

Hazel Albers

attractive coed of Albion began by delivering a fine oration entitled "Tarnish," followed in succession by representatives from Alma and Calvin.

The supreme moment, however, for Hope's assembly arrived when Miss Albers, looking every bit as Dr. Nykerk expressed it, "an extremely winsome lass," appeared upon the rostrum to deliver her oration, "Whither." She was at her best and the charm of personality and gracefulness of delivery made her a very worthy representative of Hope.

Albion Is Host  
The official delegates from the competing colleges were then very hospitably entertained by Albion hosts at supper and complimentary tickets for the Alma-Albion game were furnished all who wished to attend.

The men's contest in the evening found the chapel well filled. The same procedure was followed so that Hope's representative, Mr. Pelon, was fourth speaker, delivering the oration entitled "Man or Manikin." Mr. Pelon was in the

Jack Pelon

best of form and the apparent ease with which he held the audience, together with fine stage appearance and excellent delivery, seemed to assure success. Mr. Reithmiller of Olivet closed the contest with what proved to be the winning oration, "Lest We Forget."

Immediately after the last oration the results of the two contests were announced by the chairman, Miss Dendel. First place in the women's contest was awarded to Miss Elliot of Albion, second place to Miss Albers of Hope, and third to Miss Gates of Ypsilanti. In the men's contest first place was given to Mr. Reithmiller of Olivet, second to Mr. Pelon of Hope and third to Mr. Walls of Albion. Coaches of various schools acted as judges, each coach not being permitted to vote on the representative from his school.

Reliable information has it that another contest of a somewhat different nature was also taking place at Albion. Thus far the results have not been announced.

"We do not believe in Luther," said Mr. Schumacher "but we believe that Luther was the reformer of the church appointed by God." He then gave a brief review of the life and faith of Luther. The emphasis was especially on his early life, how he lived according to the law but failed. The two things Luther believed are: (1) that we cannot be saved by the law, and (2) that we must be saved through Christ.

When Luther had learned these things he was ready for his work. He was drawn into the work. A brief review of Luther's reform was given, and it was pointed out that his motto was: Scripture only and grace only.

## HOPE TO ENTER NATIONAL MEET

Hope orators will enter the oratorical contests to be held at the national convention of the Pi Kappa Delta forensic society, Miss Albers and Mr. Pelon will deliver the same orations with which they won second places in the contests of the Michigan Oratorical League. Hope may also have a representative in the extempore speaking contest.

The convention will be held at Tiffin, Ohio, during the week of spring vacation. A provincial convention of the same society was held at Tiffin last year and Russell Damstra took first place with the same oration with which he had won second in the M. O. L. Miss Sandrene Schutt received second place in both contests.

Dr. Nykerk has coached both contestants and undoubtedly will accompany them to Tiffin.

## HOPE LOSES TILT TO CARROLL TRIO

AUDIENCE GIVES VICTORY TO  
VISITORS BY A 63-40  
VOTE

By vote of the audience, the negative team of Hope College lost the decision to the affirmative team of Carroll College of Waukesha, Wisconsin, in the debate held in Winants Chapel Thursday evening, March 1.

Debating the question:—"Resolved that our present Latin-American policy be condemned," the affirmative was upheld by Charles Lomas, Mr. Carranzo, and James Pettigill of the Wisconsin school, while the regular Hope negative team, composed of Kenneth Hyink, Leonard Hogenboom, and Harma Bloomers, upheld the negative side of the argument.

The decision fell to the visiting team mainly because of the superiority in the presentation of their case. Though the Hope men had good argument prepared, they seemed to be unable to put it across, or to cope in this respect with their rivals, all three of whom were exceptionally free and forceful speakers. Since the decision was made by the audience, this fact had especially strong influence, and the report of the tellers was a vote of 40-23 in favor of the Wisconsin team.

There was a strong clash of opinion throughout the debate, however, and altogether it was very interesting.

## Works for an Hour to Fly a Minute

MODEL PLANE ENTRY PAYS  
FOR FLIGHTS DOING  
ODD JOBS

Fifteen-year-old J. Raymond Carden, Boy Scout and enthusiastic model plane builder of Muskegon who took a leading part in the airplane model contest recently conducted here, has a record of one hour and 10 minutes at the control stick of an airplane to his credit. Raymond did odd jobs last summer at a landing field in Chicago, where he formerly lived, to get a chance to fly. He made a bargain with both a pilot and an instructor for "one minute in the air for one hour of work." He succeeded in getting an hour in the air.

He has also 10 minutes of flying at local fields. Raymond hopes some day to become a regular airplane pilot, an ambition formed when he took his first airplane ride at the age of 10.

## IS BOUND OVER ON A SERIOUS CHARGE

Fred Howard was bound over to the circuit court this morning on two charges of a serious nature, one of adultery and the other of the possession of furnishing intoxicating liquor.

He was brought before Charles K. Van Duren, where witnesses' testimony was taken in the form of affidavits to the effect that he entered the home of a married couple of the city yesterday in the absence of the husband while in a drunken condition and made improper advances.

The husband came home and engaged in a fight with Howard, the affidavits charge, and Howard was administered a severe beating. The husband lodged complaint with the police and the arrest was made.

Howard admitted the charges this morning, waived examination and was bound over to the circuit court. Judge Orien S. Cross will be in Grand Haven March 5, for a special session, and it is expected by the prosecuting attorney's office that Howard will plead guilty at that time and be sentenced.—Holland Sentinel.

## Murmurings of Spring

## COUNTY BOND BIDDING HOT

SECURITY TRUST CO. OF DETROIT  
TROUT FINALLY OBTAINS  
ROAD ISSUE

Lively bidding by representatives from the Security Trust Co. of Detroit against the Detroit Trust Co. and Grand Haven State Bank gave the edge to the former in the sale of \$90,000 in bonds issued by the Board of Ottawa County Road Commissioners.

The bonds were sold for a premium of \$835. They carry interest at the rate of four and one half per cent. The bonds are issued to cover the cost of building assessment district road No. 14 a distance of three miles this spring.

There were four companies bidding. Two sent in sealed bids. These were opened first and then the representatives bid until the final figure was reached.

The following were the bond houses' bids in premium—

Griswold Co., Detroit.....\$372.50  
Stranahan Harris & Otis, Toledo.....501.00

Detroit Trust Co. (Grand Haven State Bank).....\$31.00  
Security Trust Co. Detroit.....\$35.00

March 29 was the date set to take contracting bids for this stretch of three and one-half miles which will open up the north shore of Lake Michigan, to be known as the Grand Haven Beach development.

The project is the first one under construction of the road commission and is expected to be completed early enough to accommodate summer resorters.

## ARENDHORST, AT 80, RETIRES FROM RUSK CO. HE STARTED IN 1898

Bernard Arendhorst, 80-year-old head of the Holland Rusk company, Monday ended an interesting business career by retiring from the concern.

Starting the rusk company in a small wooden frame building when he came to Holland in 1898, Mr. Arendhorst developed a factory in the Horatio Alger style to its present size. It produces a typically Dutch product, which has placed Holland before thousands of dealers throughout the nation. Mr. Arendhorst worked nine hours daily from the time of the plant's origin.

Plans are now being formulated to enlarge the factory so that the present production of 150,000 rusks per day may be doubled. The plant now employs 50 workmen. It has become associated with the National Biscuit company of New York city, which is now in charge.

A quiet wedding took place at the parsonage of Rev. and Mrs. John Lanting, pastor of the First Baptist church of Holland, when Miss Mildred Thompson of Allegan and Mr. Walter Van Vulpem were united in marriage. The wedding took place in the presence of the immediate families and a few friends Thursday. After a short wedding trip the couple will reside on Park drive, Allegan.

Building permits for the month of February amounted to \$11,575 for the city of Holland, \$10,200 of which was for the erection of new residences. The residences are: Carl Anderson, \$2,500, at 40 East 27th street; a \$3,500 house for Albert Spykman at 372 West 22nd street; a \$3,000 house for Herman Heetderks on West 25th street between First avenue and Van Raalte avenue; and a \$1,200 house for

Mr. Auke Kampen celebrated his eightieth birthday anniversary on Sunday at the home of Mrs. Hilda Stam, 238 West 19th street.

Floyd Funson, the kidnapper, made a complete written affidavit before the prosecutor, Clarence A. Lokker. He had previously made a verbal confession to the sheriff.

## Growth of Church Is Shown In Its Report

The congregational social of the Fourteenth street Christian Reformed church was held Thursday, March 1, in the church. About four hundred members were present. This is the largest attendance in the history of the church.

A fine program was given. The pastor of the church, Rev. Wm. Stusselink, opened the meeting with a few words of welcome and prayer. A vocal solo, "One Solemn Thought," was given by Miss Frances Spoelstra. Several hymns were sung by the catechism children. During the social the Willing Workers society held their annual sale for the people in the Cutler-ville asylum.

The annual report of the church was also given. The reports show a marked increase. The church now has 237 families, 683 communicants, 1,211 souls. Last year twenty-five made confession of faith and thirty were baptized, of whom twenty-nine were children and one an adult. The church has had two deaths. There has been an increase of twenty families during the past year, and about one hundred members. Six hundred are enrolled in the Sunday school.

During the year the church income has been \$27,375.00, an increase of \$7,000 since Dr. Masse-link has been pastor of the church, also an increase of \$1,200.00 over last year's income.

After the program a social hour was enjoyed by all. The ladies of the church served.

## HOLLAND WOMAN, 86, HAS LIVED IN SAME HOUSE FOR 66 YEARS

Living more than 66 years in the same home is a record achieved by Mrs. James Westveer, who Sunday celebrated the eighty-sixth anniversary of her birth.

Mrs. Westveer was only a girl of 6 years when she came to America in 1848. Upon her arrival in Albany her parents died and her four sisters and two brothers were thrown upon their own resources.

Her marriage to Mr. Westveer took place in 1862 in the home where she since has lived. There was only the wing of the home then. The main part of the building was erected later. They were married by Dr. A. C. Van Raalte, founder of the Holland colony.

Mr. Westveer, who came to America in 1847, died several years ago. Mrs. Westveer since has made her home with her daughter, Jeannette. She still does her own housework and is active.

A farewell surprise party was held at the home of Mr. and Mrs. Harm Knoll on the North Side Saturday evening in honor of Mr. and Mrs. Henry Waterkamp and family, who are leaving this week to make their home in Illinois.

Two course luncheon was served and the remainder of the evening was spent in music and dancing. Mr. and Mrs. Waterkamp were presented with a beautiful gift.

Mrs. Jean L. Renaud, 69, died Saturday morning in Holland hospital. Her home was at Ventura. The funeral was held Tuesday morning at 9:30 at the St. Francis church, Father Ryan officiating. Interment was in Pilgrim Home cemetery.

Rev. James M. Martin was the speaker for the Woman's Christian Temperance Union on Friday afternoon. His subject was "Youthful Adjustments."

After four or five years of detouring because of the fact that the bridge could not be built over the Vriesland sinkhole, the people who travel between Holland and Grand Rapids will no longer have to do this after the present season. Announcement was made by the state highway department that the permanent bridge over the sinkhole will be built this season. It is to be completed before the end of the year. Bids are being asked now by the state highway department, said bids to be in by March 22nd at 9 o'clock in the forenoon. The permanent bridge over the sinkhole will have a fifty-eight foot span and will cost in the neighborhood of \$20,000. Work on the structure will begin in April. During the summer the temporary bridge that has done service since the road was built will continue to be used.

## VALEDICTORY HONORS TO BE AWARDED TO THERESA MOOL

### 'Y' Group Discusses Church Attendance

Edith McGilvra, at the Y. W. C. A. meeting Thursday night, gave some important reasons why we should go to church.

In the first place, we go to church as a place of worship, to honor and obey the Master. Also the church is a necessity, if we want to keep our ideals high. We cannot expect spiritual growth if we do not give ourselves spiritual food, which is found, or at least should be in the church. Again, there is a fellowship among church members which is a help in daily living.

### CO-EDS ADDRESS Y. M. C. A. GROUP

GIVE HINTS OF CONDUCT TO  
BECOME BETTER  
FRIENDS

Grace McCarroll and Arlyne Haan, representatives of the Y. W. C. A., spoke to the Y. M. C. A. group last week, telling the men "the errors of their ways" as viewed from the co-ed standpoint.

Grace McCarroll spoke first and she asked her listeners not to feel hurt at the things which Miss Haan and she were to speak of. She very agreeably told the men their faults. She mentioned the card habit, the superiority complex, too much provincialism, unfriendliness, carelessness in dress, and she ended her talk by saying that a man in college gets in friendship just about what he gives.

Arlyne Haan stressed friendship. She read extracts from several letters written by girls who had had dealings with college men for four years. "Men who date the girls for the sake of real friendship are men the girls admire," she said, "but the men who go out for the sole reason to test a girl ought to be hung." Swearing cheapens a man in a girl's estimation. Vulgar talk lowers the standards of purity. Thought is the father of the deed. The three-day tradition ought to be abolished. She ended her talk by stressing that the girls wanted a man of religion.

The voters of Georgetown, district No. 7, comprising Hudsonville and vicinity, agreed to bond the district for \$26,000 to build the first unit of a new school. The result of the vote taken was 65 to 25.

The Holland sugar factory will be operated again as usual the coming season. Because of a shortage of beets the plant was not operated during 1927, the beets from this section being shipped to other sugar factories. But that was a temporary experiment and plans are to have the Holland plant run again as usual during 1928.

The board of education of the Hudsonville school has secured the services of their present superintendent, Oliver J. De Jonge, of Holland, under a contract for three years.

The H. O. H. society met in its usual monthly meeting at the Women's Literary club building. A miscellaneous program was given, including a playlet by the ladies of the 14th street church. Dick Boker and John Van Tatenhove had charge of getting up the program.

The Allegan Girl Scout council has elected these officers for 1928: Chairman, Miss Mae McKinnon; vice chairman, Mrs. Robert Vahne; secretary and treasurer, Mrs. George Williams. The Scouts are planning to entertain their parents at the high school gymnasium.

Jacob Vander Meulen, professor in Western Theological seminary, is the owner of a highly prized Bible, printed in 1585. The volume is printed in the Holland language, German script, and is bound in board leather.

The retirement this week of Bernard Arendhorst from the Holland Rusk company marks a milestone in an interesting career that has meant much to the city of Holland. Mr. Arendhorst will be 89 years old on July 28. His retirement marks seventy-five years which he has spent as a baker. He learned his trade in the old country from his father, who was a baker before him.

The North Ottawa Oil Co., was launched at Grand Haven Friday as the first firm organized to lease and develop oil lands in Ottawa county. The officers are: president, H. F. Harbeck; vice president, William M. Connelly; secretary, H. A. Brink; and treasurer, Frank Scholten of Spring Lake. The directors are: J. F. Johnston, Samuel Falls, William Slater, Paul Johnson and B. P. Sherwood.

The members of company number two of the Holland fire department held their annual banquet Friday evening at their engine house. Following the banquet, which was prepared by the firemen's wives, games and cards were enjoyed by those present. Prizes were won by Miss Henrietta Gebbon and Miss Cora Slenk. John Van Nul, Sam Plagenhoef, Joe Greven-goud, Dick Brandt and Chief Blom. Andrew Klompans was chairman of the sports committee. A vote of thanks was given chief Blom, assistant chief, and John Woldring for donations.

### OOSTERHOF AND ALBERS ARE CLOSE CONTENDERS FOR HONOR Mention

Records of the class of '28 reveal the fact that Theresa Mool leads her class mates in scholastic achievement, having an average percentage of 96.01 per cent. This fact will make her valedictorian of the class of '28.

Coming close for the honors are the two other students with an average of over 95 per cent—Willis Oosterhof, having an exact percentage of 95.84 per cent, and Hazel Albers with 95.26 per cent. Between first and second place there is only the small difference of .17 per cent.

Miss Mool is graduating from a mathematics course. She is a resident of Holland and a graduate of Holland high school, where she has made an enviable scholastic record, graduating with the highest honors of the school. Mr. Oosterhof, of Hamilton, Michigan, has taken the modern language English course and undoubtedly will receive the Regent Fellowship from the University of Michigan, where he will pursue his study of English. His nomination by the faculty awaits the approval of the University Board. Miss Albers, who is also a resident of this city, has represented Hope in the Women's oratorical contest of the M. O. L. and has come away with second honors.

Seven other members of the class will receive honorable mention, all having grades of over 93 per cent. The entire list of the first ten of the class is as follows:

Theresa Mool.....96.01%  
Willis Mackay Oosterhof.....95.84%  
Hazel Albers.....95.26%  
Margaret Mondelink.....94.87%  
Agnes Nelle Tyse.....94.73%  
Frank Hans Moser.....94.28%  
Margaret Bofe.....93.98%  
Grace McCarroll.....93.71%  
Harry Brouwer.....93.23%  
Edna Ruth Cook.....93.14%

The above report was given in chapel last Monday morning by Prof. Welmers, the Registrar. As yet it is impossible to state the number of honorary degrees to be conferred at graduation time because the grades of the last semester are taken into consideration in determining the degrees.

The valedictory is awarded solely on the basis of scholastic record. The closeness of the percentages shows the keenness of competition in the class. In fact, there is less than 3 per cent, 2.87 per cent to be exact, difference between the valedictorian and the last student to gain honorable mention.

After the above report was given there was found to be a slight error. Regina Busch has ninth place with an average of 93.34%, thereby showing up those in ninth and tenth to tenth and eleventh. This order is subject to change prior to graduation.

With the girls of the campus soon to put out a Leap Year edition of the Anchor and with delegates from the Y. W. C. A. to lecture to the fellows, there are some students on the campus in desperate fear that this school will suffer an immediate transformation from a co-educational institution into a co-edocracy in which only the fair shall govern and their whims shall be the law of the land.

If it is true that a woman can make a monkey out of a man in ten minutes—and what a glorious ten minutes!—then they will have sufficient chance to make the African jungles, by comparison with the campus, look like the acme of civilization.

### DARING GUESTS REPAID FOR TAKING CHANCE TO "LEAP"

—Hope College Anchor  
The oracle of Delphi called the gentlemen to pay their respects to her when they were invited to come and take a chance at the Women's Literary Club, February twenty-ninth. Leap year comes but once in four years and the Delphi Sisters could not allow that extra day to pass without asking the gentlemen to enjoy an informal party with them. Did they take the chance? Indeed they did! And we know that if they had the chance again, they would "leap" and receiving their programs they arranged themselves in various groups.

After welcoming the guests, Delphian McCarroll introduced the numbers on the program. Delphian Popen read a satirical paper entitled "The Man." It was very educational for the men. Just leave it to "Snoopy"—she'll tell 'em!

Miss Barkema, a Delphi alumna, portrayed "The Girl" and rendered two charming solos—"For You Alone" and "By the Waters of the Minnetonka." "The Leap," a dance, was gracefully performed by Delphian Kennell and Verna Brower. The Delphi orchestra composed of Delphians De Kuiper, De Jong, Hyma, Kennell, Brower, Otte, under the direction of Delphian Paalman represented "The Ring." "The Suspense" was terrible! Yes, terrible in the sense that it was very good.

"The country picture-show" found very enthusiastic movie lovers. What they saw occurred in the next act "The Answer." An "honest and truly" wild west movie gave the audience a hearty laugh and will not be forgotten soon.

An aeronautical club has been organized at Allegan High school with these officers: Adviser, Willard Ramsdell; president, George Samuelson; vice president, Elwin Sprague; secretary, Norman Bells, and treasurer, John Merrills.

### WELMERS, BOONE HEAD PREP CLASS

First scholastic honors of the Class of '28 of Hope Preparatory School, as announced, go to Everett Welmers, whose average grade is 94.43 per cent. Daniel Boone, with a percentage of 93.86 per cent will be the salutatorian. Both students have taken the classical course and have done singularly fine work throughout the entire course of study.

Everett Welmers is the son of Prof. Welmers, registrar, and a resident of Holland. Daniel Boone lives in the surrounding vicinity.

The class numbers about a dozen members and graduation exercises will be held in June. By reason of scholastic achievement these two members of the class will have leading parts in the commencement exercises.

Though Hope Preparatory School is small in numbers, results show it is capable of doing very commendable work.

Vacant seats in classrooms last Friday were in evidence. Many loyal students and aspiring young orators followed the Hope representatives to Albion campus to hear the contest.

The Hope delegations numbered at least two dozen. Individual cars furnished the means of transportation since the bus did not go because of too few signers.

### Getting Out of Patience

### Annual Banquet Has Disapproval of Pres.

Dr. Dimment stated in chapel that the administration did not approve of holding the annual Junior-Senior Banquet, but that it would not forbid its being held. The chief objection was the expenditure of money which the banquet

would necessitate. His remarks were forceful and reasonable and occasioned some discussion on the campus.

### Jefferson Made Change

The first written Presidential message was read to congress December 8, 1801. It was sent by President Jefferson to the Seventh congress. Prior to this the President had appeared before congress

## CROP RESULTS prove the difference

"ALMOST without exception," says a local merchant, "the farmers in this section who use 'AA QUALITY' Fertilizers get successful crops and bank substantial profits." Why? Because, year in year out, even under adverse growing conditions, "AA QUALITY" Fertilizers grow bigger, better, more profitable crops.

Read the letters at the right. Scores of other farmers in this and neighboring counties say the same thing. Larger yields, better quality, earlier maturity, extra profits—obtained with "AA QUALITY" Fertilizers.

Actual crop results prove that there is a decided difference in fertilizers of the same chemical analysis. Chemical analysis does not fully disclose the sources from which the plant-food elements were derived, neither does it indicate the physical condition of the fertilizer—two very important factors affecting the crop-producing power.

"AA QUALITY" Fertilizers produce more profit for every dollar invested in fertilizer because of the infinite care used in selecting the materials from which the plant-food elements are derived, and because these famous formulas are based upon a thorough knowledge of crop and soil conditions. Backed by over 60 years of successful crop production. Any farmer will tell you that "AA QUALITY" goods are famous for their splendid mechanical condition.

Read these letters from successful growers. Then plan to increase your own profits in 1928; insist on getting "AA QUALITY" Fertilizers from your dealer for use on your farm this season.

The name of no person but an ACTUAL RESIDENT of the precinct at the time of registration, and entitled under the constitution, to remain such resident, to vote at the next election shall be entered in the registration book.

## REGISTRATION BY AFFIDAVIT

Sec. 10—Registering of Electors: Regular Session of 1925—Any absent voter, as defined in this act, whose name is not registered and who shall claim the right to vote by absent voter's ballot at any election or primary election, at the time of making application for absent voter's ballot, present to the City Clerk an affidavit for registration which shall be in substantially the following form:

### AFFIDAVIT FOR REGISTRATION

STATE OF MICHIGAN, } ss.  
County of \_\_\_\_\_

I, \_\_\_\_\_, being duly sworn, depose and say that I am a citizen and duly qualified elector of the \_\_\_\_\_ Ward of the City of \_\_\_\_\_ in the county of \_\_\_\_\_ and State of Michigan; that my postoffice Address is No. \_\_\_\_\_ street \_\_\_\_\_ or R. F. D. No. \_\_\_\_\_ P. O. \_\_\_\_\_; that I am not now registered as an elector therein and that I am voting by absent voter's ballot at the election (or primary election) to be held upon the \_\_\_\_\_ day of \_\_\_\_\_, 192\_\_\_\_, the application for which ballot accompanies this application; that I make this affidavit for the purpose of procuring my registration as an elector in accordance with the statute; that I make the following statements in compliance with the Michigan Election Law; Age \_\_\_\_\_; Race \_\_\_\_\_; Birthplace \_\_\_\_\_; Date of naturalization \_\_\_\_\_; I further swear or affirm that the answers given to the above questions concerning my qualifications as an elector are true and correct to the best of my knowledge and belief.

Signed \_\_\_\_\_

Notary Public in and for said County, State of Michigan.

Taken, subscribed and sworn to before me this \_\_\_\_\_ day of \_\_\_\_\_, 192\_\_\_\_.

My Commission expires \_\_\_\_\_, 192\_\_\_\_.

Note—If this acknowledgement is taken outside of the State, the Certificate of the Court that the person taking the acknowledgement is a notary must be attached.

## Registration of Absentee by Oath

If any person whose name is not registered shall offer and claim the right to vote at any election, or primary election, and shall UNDER OATH, state that he or she is a resident of such precinct and has resided in the WARD TWENTY DAYS next preceding such election, designating particularly the place of his or her residence and that he or she possesses the other qualifications of an elector under the constitution; and that, owing to the sickness or bodily infirmity of himself or herself, or some member of his or her family or owing to his or her absence from the City on public business or his or her own business, and without intent to avoid or delay his or her registration, he or she was unable to make application for registration on the last day provided by law for the registering of electors preceding such election, then the name of such person shall be registered, and he or she shall then be permitted to vote at such election. If such applicant shall in said matter, willfully make any false statement, he or she shall be deemed guilty of perjury, and upon conviction, be subject to the pains and penalties thereof.

Provided, That any city may provide by its charter or by resolution approved by a majority of the members of its legislative body for the registration of such sick and absent voters on the last Saturday preceding any election or primary election of the places of voting in the several voting districts of such city, instead of an election or primary election day.

## Provision in Case of Removal to Another Precinct

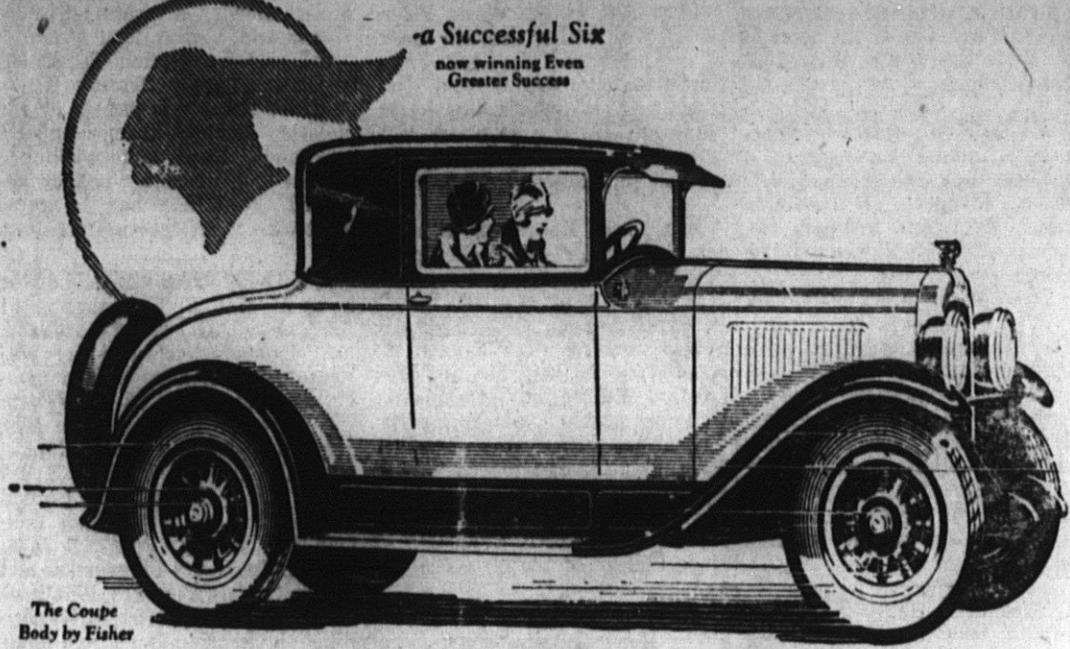

Any registered and qualified voter who has REMOVED from ONE ELECTION PRECINCT of a Ward to another election precinct of the same Ward shall have the right, on any day previous to election day, on application to the City Clerk, to have his or her name transferred from the registration book of the precinct from which he or she HAS REMOVED to the registration book of the precinct in which he or she THEN RESIDES. Such elector shall have the right to have such transfer made ON ELECTION DAY, or Primary election day, by obtaining from the board of inspectors of election of the precinct from which he or she HAS REMOVED a CERTIFICATE OF TRANSFER, and presenting the said certificate to the BOARD OF ELECTION INSPECTORS OF THE PRECINCT IN WHICH HE OR SHE THEN RESIDES.

Dated Feb. 20, A. D. 1928.

the provision. Though they had but five loaves and two fishes He so increased them that the need of the hungry multitude was met.

(2) The disciples' part. They were to have the people sit down in companies so as to facilitate distribution. They then took that which the Master had blessed and distributed it to the people. The disciples' responsibility was not for the creation of the provision, but for its distribution to the people.

(3) The people's part. Their part was to create, not distribute, but obediently to sit down and partake of the provision. Even after the bread had been blessed by the Lord and distributed by the disciples, they would have perished with hunger had they not partaken of the food. Unless the people receive Jesus Christ and the salvation which He has provided they shall eternally starve. The Lord has done His part. The disciples are under solemn obligation to do their part and the final responsibility rests upon the people.

### ZEELAND

Covering a rural mail route at Zeeland without losing a single day for sickness in nearly 24 years is the achievement of Leonard Kievit. He and Bernard Vanderheide are the pioneer mail carriers at Zeeland. Kievit had only one forced vacation a few years ago, when the automobile in which he and Vanderheide were riding was struck by a Pere Marquette train. Kievit suffered a gash in his head and still carries a scar. Kievit used a horse-drawn vehicle for 13 years, covering a total of approximately 200,000 miles, equivalent to eight swings around the globe. Kievit has used more than 30 different automobiles. He has passed through many blizzards and snow blockades, has swapped horses in the middle of his route and has had varied experiences. Kievit was a bachelor until four years ago, when he became a benedict. He's on the route to stay until he is retired on pension.

OSCAR PETERSON, City Clerk

Dated Feb. 20, A. D. 1928

Holland, Mich.

THE air on two sides of your door is radically different! Outside it is teeming with life and energy—because it's moist and moving. Inside it is dull and sluggish—chalk-dry and stagnant.

Air in the average home is as dry as in the Sahara Desert—by actual test. Dry air is dangerous. It draws moisture from the walls and furniture—from your skin and tender tissues of your throat—making you easy prey to colds. Now comes the Holland Vaporaire—positively the only home heating system that supplies circulating warm air with proper humidity (moisture in the air) constantly and

automatically! An even flow of clean fresh air moves gently through every room, distributing between 3 and 25 gallons of vaporized water each day—holding an even temperature at floors and ceilings—and completely changing the air in your home every thirty minutes! The cleanest heating system ever built. Saves from 20 to 30 per cent in fuel.

Low winter prices are in effect right now! A small down payment will place this modern system in any size home. A whole year to pay the balance. Why wait for comfort? Why gamble with health? Call the nearest Holland Branch or fill in the coupon below—right now!
