MICHIGAN BELL
TELEPHONE CO.SUE IS INVITED OFTENER,
NOW THAT SHE HAS A TELEPHONE!

Sue used to "miss out" on many of those last-minute parties because friends couldn't reach her easily. But now that she has a telephone, she enjoys more good times than ever before.

The telephone in Sue's home serves the rest of the family, too. Mother uses it for shopping and for "running" errands. It helped Sue's brother get work by enabling his prospective employer to call when a job opened. Dad uses it to keep in touch with business associates and customers "after hours".

And they all have the comforting assurance that, in case of fire, sickness or other emergency, aid can be summoned instantly by telephone.

Telephone service costs only a few cents a day! Visit, call or write the Telephone Business Office to order it.

Zeeland Will

BE ONE OF THE EDUCATIONAL
FEATURES

The committee in charge of Zeeland's Egg Show are meeting with wonderful cooperation from every quarter. Both hatcherymen and breeders can see definite results from their stock improvement programs, and almost weekly the flock owners realize anew the practical benefits of producing extra quality eggs.

Zeeland's egg market regularly rules from 3 to 7 cents above the market in mid-western states. The qualifications for prize-winning eggs have been established on a like basis as at the last show. Fifty-two credits are apportioned to exterior quality and forty-eight to candling condition. The matter of making entries has been much simplified, and it is said a statement of the score card adopted, with the number of cuts permitted for every type of disqualification, may be obtained from any of the drug stores or at Stallkamp's egg station. By looking these over very carefully and making selections of eggs for exhibition on the morning of entry, Wednesday, March 21, or Thursday morning, March 22, before ten o'clock, disqualification on account of excessive air cells should be possible of elimination.

Each hatcheryman has again set up a cash prize of \$5 for his flock owners to shoot at. These prizes are in addition to the general awards that the show makes and gives prizes for. The flock owner obtaining the highest award at the show from among the hatcherymen producing eggs for such hatchery will win the additional \$5 in cash.

In each class, there will be sub-classes for both white and brown eggs. And the seventh and eighth graders of the rural and city schools will not have to compete with the Smith-Hughes students, but will have a class by themselves with sub-classes for both white and brown eggs.

A comprehensive candling exhibit will again be set up so that those interested may learn for themselves some of the technique that has become essential to determining the interior egg quality that commands the extra price on the food market. The merchants are extra liberal with prizes this year and it is hoped the committee will be able to publish a complete list of awards. In past years many a farmer carried away from \$3 to \$11 worth of merchandise because his dozen of eggs, intrinsic value about thirty cents, qualified for the best rating — and mainly because the farmer could supply better eggs.

The Future Farmers of America, student organization of the Smith-Hughes agricultural department at the high school, has organized in preparation for handling the show under Mr. O. W. Pino's supervision. Floyd Ter Haar was chosen manager; Albertus Blauwkamp, secretary; and Martin Hefte, treasurer.

George Caball was elected chairman of the organization, David Van Ommen, secretary, and M. J. Weening, treasurer. The judge chosen to make the awards at the show is A. J. Moore, professor of poultry research at Michigan State College.

There will also be a cash award to the merchant making the best window display in connection with the egg show, offered by the association.

The show will open on the forenoon of Thursday, and on that evening the Forest Grove Orchestra will render music for the occasion when there will be an address by Prof. Moore and on Friday evening a local orchestra will furnish music when Prof. A. J. Moore, Poultry Research Dept., M.S.C.

There will be three classes of entries at the show. The first will be "Farmers' Class" then the "Hatcherymen's Class" and third, the "Students' Class." The instructions for making entries and application blanks may be secured at any drug store in Zeeland and at Stallkamp's egg exchange.

FINAL RITES HELD
WEDNESDAY FOR

Mrs. Anna Van Kampen died on Saturday noon at the home of her daughter, Mrs. Henry Vann Brink of Holland route 4, following an illness of about a year. Her husband, Henry Van Kampen, died in September of 1932. Mrs. Van Kampen has been a life-long resident of Holland.

Surviving are four sons, Klaas, Males, Bert and Gerrit, all of Holland; two daughters, Mrs. Vanden Brink and Mrs. J. Riemersma of Holland; 25 grandchildren; five great-grandchildren and a brother-in-law, Chris Van Kampen of Holland.

Funeral services were held on Wednesday afternoon at 1:15 o'clock at the home of Mrs. Vanden Brink with Rev. Richard Posthumus officiating and at 2 o'clock at Central Avenue Christian Reformed church where Rev. L. Velkamp was in charge of services. Burial took place in Holland Township cemetery.

GOVERNOR CANDIDATE
SPEAKS TO ROTARIANS

Frank Fitzgerald, secretary of state, and candidate for governor of Michigan on the Republican ticket, spoke before the Grand Haven Rotary club Monday. He said:

"As a member of the administrative board I have felt it my duty to co-operate as far as possible with the present administration," he said. "My failure to do so would probably not change the result anyway, but more important, all of us are in Lansing to serve the people. On the other hand, I have reserved and used the right to go on record against administration moves which are definitely injurious, in my opinion, to the majority of citizens."

"DUTCH" GERMAN LANDS 44-
INCH 18-POUNDER

Loyle (Dutch) German, Northville, has switched from catching baseballs to catching fish this winter. Dutch's latest exploit is the landing of an 18-pound, 44-inch pike in Duck Lake. Inside the stomach was a 7-inch black bass and a 4-inch bluegill. Last year Dutch was catcher for the West Point Park Baseball Club in the Michigan-Ontario League.

MARCH 14 IS FIXED AS
ANNUAL DAY OF PRAYER
FOR CROPS

Rev. Thomas E. Welmers, stated clerk of the Chicago synod in the Reformed Church in America, has announced March 14 as the annual day of prayer for crops to be observed by the churches in their respective communities. The synod comprises the seven classes of Chicago, Grand Rapids, Holland, Illinois, Kalamazoo, Muskegon and Wisconsin, numbering 37 churches.

Counselors for the young people movement in the various classes have been appointed as follows: Muskegon, Rev. Leonard C. Greenway of Grand Haven; Kalamazoo, Rev. A. G. VanZante of Holland; Chicago, Rev. J. A. Klaaren of Chicago and Rev. G. VanderLinden of Fulton, Ill.; Illinois, Rev. Harry J. Hager of Chicago; Wisconsin, Rev. R. Ouderchuis of Milwaukee.

New Rules for
Selling Chicks
Is Now AdoptedMICHIGAN MAN IN CHARGE
OF ENFORCING RULES BY
COMMERCIAL HATCHERIES

Michigan buyers of baby chicks will benefit from the national hatchery code under which sellers of day-old poultry are required to meet certain conditions which are to the buyer's advantage, according to J. A. Hannah, now national administrator for the code and formerly poultry specialist at Michigan State College. Chicks, poults, or ducklings bought from sellers operating under the code must have good quality and must be delivered as agreed. Any disagreements between buyer and seller about excessive losses of birds can be reviewed by the code administrator. Failure of hatcheries to meet the various protective features of the code are classed as unfair trade practices.

Fraudulent or deceptive advertisement or the substitution of chicks for those advertised as having special qualities are practices which also are classed as unfair. Eggs used for hatching by code members must weigh at least 23 ounces to the dozen and no individual egg is permitted to fall below one and five-sixths ounces. The use of large eggs for hatching is expected to improve the quality of the chicks hatched and also it tends to pass along to pullets raised from these eggs the characteristic of producing good-sized eggs. Mr. Hannah says the main purposes of the code are to improve the quality of all chicks in the country and to reduce the surplus supply. Farmers who produce quality eggs for sale to hatcheries will benefit as the code presumes these eggs will be sold at a fair premium above the open market price.

MOURNING CLOAKS ENDURE
FRIGIDITY

"While walking through some woods, I found an old fender of a car, and just casually turning it over, I found four butterflies clinging to the underside," reports Bud Hoek, Detroit. He says he picked out the butterflies, believing they were dead, and placed them in his cigarette case. "Imagine my amazement," he says, "when some time later, I opened the case, and one of them flew out." The butterflies proved to be mourning cloaks, and what surprised Bud is that they should be alive after the sub-zero weather to which they had recently been exposed.

ESCANABA LEAVES
TO AID FISHING TUG

The Coast Guard Cutter Escanaba of Grand Haven, under command of Commander L. W. Perkins, left in response to a call for help from a fishing tug off Frankfort. The tug, the name of which was not given to Commander Perkins, is reported a half mile off the Frankfort pier. A rough trip to the north was anticipated as the commander says the floating ice field around Grand Haven and north extends five miles out and there was a stiff west wind blowing.

NO DIVORCES AMONG

Geese are said to stay mated for life and it has been noticed that they are usually seen in even numbered groups.

A special meeting of Classis Holland of the Christian Reformed Churches will be held Tuesday morning, March 20, at 9 o'clock in Ninth Street Christian Reformed church for the purpose of examining Candidate S. P. Miersma, who recently accepted a call to the Reformed church of East Saugatuck.

Ten Brink, 78, long a resident of Holland, who died last week, Thursday, at Hackley hospital in Muskegon, where he had been confined for three weeks, were held Monday afternoon at 1:30 from the home here at 137 East Fifteenth street and at 2 o'clock at Dykstra funeral home. ORATORICAL REPRESENTATIVES

RUTH VERHEY

JOHN M. VANDER MEULEN

COLLEGE ORATORS ELIGIBLE
FOR FINAL STATE CONTEST

Miss Ruth Verhey and Mr. John M. Vander Meulen of Hope College placed among the three highest in the oratorical contests of Division B of the Michigan Intercollegiate Speech League held in the Memorial Chapel on the afternoon and evening of March 2.

The women's contest, held in the afternoon, was preceded by an organ number by Prof. W. Curtis Snow. There were entrants from Alma, Calvin, Hope, Kalamazoo, Michigan State, and Central State Teachers colleges.

Those who placed in the women's contest were Miss Ruth Verhey of Calvin College, speaking on "Where One-Eyed Men May Rule," in which she stressed the plight of Michigan schools, deflated as a means of economic stabilization and the consequences to education; Miss Ruth Verhey of Hope College, whose oration, "Duty Is to Kill," considered war in a realistic vein, advocated an abandonment of romantic notions of war, and urged that the United States as a nation of advertisers, should use our genius for propaganda as a means of furthering world peace, toward which end we should sacrifice with something of the same spirit with which we prepared for war; and Miss Marian Kish of Michigan State College, who in discussing "Our Moral Timbers" protested against the injustices of present day wealth distribution, the complacent acceptance of evil, and the breaking up of home and church solidarity, and urged the inclusion of moral training as a definite school subject.

The men's contest, held in the evening, was opened with prayer by Prof. Thomas Welmers, preceded by three numbers by the Girls' Glee Club, and presided over by Mr. Henry Kuizenga, secretary of the M.I.S.L. Competition was especially keen and the decision a difficult one to render. Representatives for Alma, Calvin, Hope, Kalamazoo, and Michigan State colleges contended for honors. Those who placed were Mr. Alfred Fortino of Alma College, whose subject, "All Men Are Created Equal," was developed along the line of equality of opportunity and worth of soul; Mr. John M. Vander Meulen of Hope College, whose "Set of the Sail" stressed the necessity for a life's challenges; and Mr. Arthur N. Magill of Michigan State College, himself blind, who discussed the problems and the treatment of the blind in his oration "The Light of Reason."

Mr. John Pott entertained with an organ number following the evening contest.

In the interval between contests the visiting orators and faculty members were entertained and enjoyed the gracious hospitality of Mrs. W. H. Durfee at dinner in Voorhees Hall.

Hope's success in these contests is in no small measure due to the constant interest and efforts of Dr. J. B. Nykerk and to Miss Meta Ross, who assisted in the training of Miss Verhey and Mr. Vander Meulen.

SANDPILE YIELDS BONES
OF CHILD BURIED YEARS

Ludington authorities are today searching records for reports of missing children following unearthing of a child's skeleton Saturday afternoon. The skeleton, of which the skull and several other parts are missing, was found by CWA workers while removing a sandpile on North Lewis street.

The skeleton is apparently that of a 9-year-old child, according to Coroner B. F. Elms and Dr. W. H. Force, city physician, and from all indications it has been buried for years.

The sandpile has been on North Lewis street since 1880.

JUDGE RE-APPOINTS TWO
MEMBERS TAX COM-
MISSION

Judge Cora Vande Water, local probate judge, certified to William Wilds, county clerk, the appointment of A. Van Koeveering, publisher of Zeeland, Mich., and David M. Cline of Spring Lake to the Ottawa county tax commission which is to start deliberations on March 19 on the tax allocation under the 15-month limitation law.

Judge Vande Water renamed the two appointments made by her, under the law, last year. The other members are selected by law and they are the county treasurer, John De Herder, of Holland; county school commissioner, Gerrit G. Groenewoud, of Holland, and Chas. E. Misner, chairman of the finance committee of the board of supervisors. William Wilds, county clerk, acts as secretary of the commission.

Mr. Van Koeveering represents the 12th grade school districts of the county and Mr. Cline represents the county at large.

Special Board Meet Called

WELFARE GROUP APPROVES
TAX SURVEY AS RELIEF
MEASURE IN OTTAWA

A special meeting of the board of supervisors has been called by the chairman, George Heneveld, for the purpose of approving supervisors' plats and other business which may come up at that time.

The subject of instituting supervisors' plats throughout the county was discussed at the last meeting and recently the Emergency Welfare relief commission authorized the work to be started in Park township. There are so many mistakes existing in property descriptions which have come to light in the past several years that considerable delinquent tax has been returned by the state for defective description.

The first plats will be made in Park township, where there is considerable resort property and small divisions of property. The supervisors' plats are much more definite than the old deeds and bounds descriptions employed heretofore on most rural property.

The Holland Junior High school will have open house for parents next Tuesday evening. A program for parents will be presented in the high school auditorium at 7:30 o'clock, after which the teachers will be in their rooms at the junior high school building for conferences.

Jury Fails to
Agree In Damage
Suit vs. CountyJUDGE MILES DISMISSES JURY
TRYING CASE AGAINST
OTTAWA

The jury in the case of Cecelia Buwalda, Grand Rapids, against Ottawa county, suing for \$25,000 damages, failed to reach an agreement on Saturday after about eight hours deliberation.

The charge given by Judge Fred T. Miles was finished Friday night and the jury was sent out for deliberation. Within a short time they were asked by the court how they stood and it was seen then that an agreement would be hard to reach. Judge Miles dismissed the men with instructions to return Saturday at 9 a. m.

At 10:30 a. m. Saturday the jury asked for instructions and Gerrit Balgooyen of Grand Haven, elected foreman, announced that they still failed to agree. At 4:00 p. m. they were again brought before the court and again the instructions relative to the duties of the road commission in placing warning signs on highways was read. It is believed at that time the jury stood eight to four in favor of the defendant.

The jurymen were sent back and allowed to stay until 6:00 p. m. when it appeared impossible to reach an agreement and Judge Miles dismissed the jury.

It is believed the case will be retried at another court session.

There is no court Tuesday as Judge Miles is in Holland on election day. He is in Grand Haven through the rest of the week but the jury was excused until next Monday when other jury cases will be heard. Clifford Cross, Muskegon Heights, charged with rape, will be one of the jury cases heard next week.

In the damage suit brought by Cecelia Buwalda, the plaintiff claims that the death of her husband on Dec. 1, 1932, resulted from an automobile accident and charges negligence on the part of the county for failure to have proper warning signs and guard rails at a dangerous place on the county road near Marne.

One of the unusual features of the suit is the testimony of Napoleon Lish, negro, who is deaf and must be interrogated by the attorneys by means of written questions. His eyesight is also defective and it takes him some time to read the questions. The attorneys form the questions which are written out by the court stenographer and then submitted to the witness. He was the only eye witness to the accident and was in the car at the time.

Clarence Van Ess, who worked for Buwalda in Grand Rapids, testified that he had accompanied Buwalda in his car the day before and that lights and brakes on the car were in good condition. He was also on the wrecker that was sent from Grand Rapids the night of the accident, to draw the car into the city. He testified that the car lights were burning and the brakes were set.

He also testified that about one-half of the flicker sign on a pole near the bridge was gone and that it had evidently been broken.

Testimony produced from a weather report at Grand Rapids showed the weather to be fairly clear that night.

Wheat Men Can Still
Get Crop Contract

Michigan wheat growers who have regretted that they did not sign reduction contracts when they were offered last year can now qualify to reduce their acreage and will receive all benefit payments except the one made last fall.

Some Michigan farmers who were not certain that their contracts would be approved and who, therefore, planted their usual amount of wheat can meet contract agreements by disposing of the excess above the contracted acreage. The excess wheat can be removed by pasturing or by cutting it for hay.

All farms under wheat contracts will be inspected by local men to determine if the contract agreements have been met. These inspectors will be instructed in their duties at meetings to be held with the counties. The inspectors must certify that a proper reduction has been made in the wheat acreage before final payments will be made under the contract.

MRS. DAVID SCHRIPEMA
GIVEN FAREWELL

(Saugatuck Commercial Record)

Close friends and neighbors of Mrs. David Schripsema tendered her a very impressive farewell at the home of Mrs. Rudolph Zeitsch last Tuesday. The Schripsemas are leaving Douglas after a stay of three years to go to Holland where employment in the Home Furnace Co. has been secured. A delicious and well planned luncheon was served at one o'clock to 25 guests. Several unique contests entered into the afternoon's entertainment. The prize winners in each case turning over the prizes to the guest of honor. The number present at this luncheon is only a part of the many who are sorry to have Mr. and Mrs. Schripsema go after so long a time of pleasant association with them.

Michigan's mussel industry in 1933 represented an investment of \$24,454.64 in equipment, according to reports for the season as received by the Fish Division, State Department of Conservation. There was a total of 514 persons working on the various producing streams of the state, deriving an income from shells, pearls and slugs taken in their operations. A compilation for the year gives the value of equipment on the respective rivers as follows: Grand river and tributaries, \$20,201.95; St. Joseph river, \$2,13; Kalamazoo, \$1,110; Muskegon, \$358; Saginaw, \$393; Raisin \$158.69; Huron, \$90; miscellaneous, \$30.

Threats to shoot or trap conservation officers Frank Swartz, Herman Strough and John Steinmetz if they did not keep out of the woods resulted in the arrest of Henry Klindt, 28, of Marengo, Gogebic county. Klindt was arraigned before Justice Adolph J. Gedda, Bessemer, and pleaded guilty. He was ordered to furnish a recognizance bond of \$500 and pay costs of \$16.20 or remain in jail until bond is posted and costs paid. Nov. 8, officers reported, Klindt was convicted of an illegal venison charge preferred by Officers Strough, Swartz, Steinmetz and Hasenberg and is said to have threatened the lives of the first three named. Klindt, after arraignment, said that he had been intoxicated at the time.

HAMLET

James Hendrickson

Students and townspeople alike will be afforded the opportunity of seeing a first rate interpretation of Shakespeare's immortal "Hamlet" when James Hendrickson, Claire Bruce and their New York company appear at Carnegie Gymnasium on Wednesday, March 14, as a regular Lyceum Course number. Admission prices are unusually low, being 35 cents for students, and 55 for adults.

Heading their own company for seven years Mr. Hendrickson and Miss Bruce have firmly established themselves among American interpreters of the Elizabethan drama. Before organizing their own troupe both prominently supported Robert B. Mantell. Mr. Hendrickson has also appeared with the company as John Burke, Bertram Miller, Anne Lubow, Allen Nagle, MacGregor Gibb, Edward C. Gruber, Louise Howard, and Martin Wells. Judging from exchanges these Thespians have delighted audiences of many colleges.

The Hendrickson group played here two years ago, and it is largely through the efforts of Dr. J. B. Nykerk that they have been booked for a return engagement. Six local students experienced in dramatics will appear in period costume in such scenes as require group acting.

Hope College News

Students employed under the Federal Emergency Relief plan were made happy by the arrival of the February allotment of \$570 which was distributed during the first part of the week. Payment is at the rate of fifteen dollars per month.

Three students are employed in the gymnasium, sixteen in the laboratories, one in the music department, two are doing clerical work, two work in Voorhees Hall, four in the museum, while the rest are engaged about the buildings and grounds. In all, there are 44 students receiving aid through the Federal Emergency Relief plan.

Y. W. C. A. election of officers for the year beginning in April will take place March 14, at the regular meeting. The candidates who have been chosen by the cabinet are Sarah Sterken and Marian Wray for president. Both of the candidates have been at Hope during all three years at college, members of Y. W. since they came, and publicity chairman while serving on the cabinet.

Vice presidential candidates are Ruth Burkett and Margaret Rottschaefer. Gertrude Van Peursem and Margaret Dregman will be in opposition in the race for secretaryship, while Marion Boot and Vera Damstra will run for the office of treasurer. Other nominations may be made from the floor.

The Fraternal quintet tightened their hold on first place by noosing out the Knicks in the closing minutes of play, 17-16. The Knicks held a 11-8 advantage at the intermission but were unable to stem the closing rally of the Fraters. Van Kalken looked best for the winners and Cook and Japina shone for the losers. By this victory the Fraters earned a tie for first place on the second leg in this year's race. Only one round remains to be played and the winner of this round will play the Fraters for the championship.

In the other league games the Emersonians defeated the hapless Addisonians, 28-21, and the Frosh took the measure of the Cosmos, 28 to 11.

Candidates for the track team began workouts in Carnegie gym last week in response to the call

by Coach Schouten.

The delegation was made up of two veterans and a number of promising freshmen. Harold Seckamp, who competes in the 440-yard dash and the relay, and Joe Esther, star distance runner, are the only members of last year's team to return. No dual meets have been scheduled for the coming season, but Hope will send a team to the conference meet in Kalamazoo the latter part of May. Jack Schouten states that attempts are being made to enter into a triangular meet with two other M. I. A. A. schools.

The majority of this year's squad will be freshmen who look promising but lack experience. They will get training on the new outdoor track this season and the following season should be able to represent Hope with a well-balanced team.

At the present time candidates are working out at the gymnasium. Those reporting early have the advantage of getting some training now so that they will be able, if they wish, to attend spring football practice also.

The valedictorian of this year's senior class is Miss Beatrice Visser, daughter of Mr. and Mrs. William Visser of 228 W. 16th Street, Holland. Miss Visser's average of nearly a straight "A" is only one-tenth of an honor point above that of Bernard Rottschaefer, who becomes salutatorian. Mr. Rottschaefer is the son of Dr. and Mrs. Bernard Rottschaefer of Katpadi, South India.

Miss Visser has been extremely interested in extra-curricular activities throughout her four years at Hope since her graduation from Holland High as salutatorian in 1930. She is an active member of the Delphi Society, Pi Kappa Delta, and had the feminine lead in the drama class play of last year, "A Prince There Was."

Mr. Rottschaefer is a member of the Fraternal Society, the chapel choir, and the Chemistry Club. He plans to continue in graduate chemistry work. Both he and Miss Visser were members of the National Honor Society in high school.

To Theodore Renzema of Grand Rapids belongs the distinction of having the third highest average. His was approximately only 2 one-hundredths of an honor point behind Mr. Rottschaefer's.

Dr. Wynand Wichers left Monday for New York City to attend a meeting of the Board of Education of the Reformed Church in America. While out of the city he will address alumni banquets in New York, Schenectady, and Rochester.

AN OLD SPANISH CUSTOM

THIS is the provincial Peruvian version of an old Spanish custom. It is a more or less painless bullfight conducted sans banderilleros, picadores and even the gorgeous matador, and it ends without the dramatic pase de muerte which brings the matador's fight to its tragic climax. This type of performance is one of the unique experiences to be enjoyed by visitors to Peru taking the inland excursions arranged for passengers on the weekly cruises operated between New York, or California, and South America's West Coast.

The setting for such a contest as the one pictured here is a more or less informal affair—a large field, with the fight fans grouped at discreet distances around it. The contest is conducted in somewhat the same manner as a prize fight. However it is a fight to the finish rather than a matter of rounds for—unlike fighters of the two-footed class—these four-footed combatants are loath to interrupt their battle with intermissions. Since there are no preliminaries the main bout proceeds at once. The two husky heavyweights charge into the field and without formally going into their "big act. They usually put on a very fast and exciting show, carrying on with a great deal of pep and with surprisingly little damage to each other, until one of them feels he is too fatigued to continue. In which case he heads rapidly for home, leaving his opponent to enjoy the applause and his owner to pay the bets. In bull fight circles this act is in no wise construed as cowardice for bulls consider it far less reprehensible to go home than to go down for the count.

Publish Sugar Essays of Local School Pupils

As has been stated before, the Holland City News will print from week to week all prize-winning beet sugar essays. Last week we printed the essay of Miss Matilda Plantinga of Christian High School. This week we print one of Miss Bettie Chapman who won second prize in the Junior class of Holland High School.

Next week we will print the essay of Miss Virginia Allen, who won second prize in the sophomore class of Holland High School.

Miss Chapman and Miss Allen both received 10 pounds of Holland-made sugar.

S'LONG, DEPRESSION By Betty Chapman

"The depression's over" and "hello, prosperity" are two phrases that have originated in the last few months, half in bravado—half in derision, but who knows they may be prophetic for Michigan since our beet sugar industry has come back.

The sugar factory has been running night and day for the past nine or ten weeks with a pay roll of around a thousand dollars. Just think! a thousand dollars turned loose every week! to say nothing of money paid to the farmers for sugar beets, to railroad companies for transporting the sugar beets, to public utilities for light, to trucks for transporting local sugar beets, and these in turn pay various other concerns—as for instance the trucking agencies must buy gasoline from gas stations, who in turn must pay three cents on every gallon sold to the state, the coal companies must pay the mining concerns—and what does all this mean? Why the very thing the depression doctors have been prescribing for the past three or four years—buying power. If the factories pay the farmers, the farmers will pay off their mortgages at the banks—a liquidation for our frozen assets, another thing prescribed for our depression-ridden nation. The whole thing will seem but a bad dream if only we can get the money back into circulation and the beet sugar industry is giving us a running start.

But—here is the proverbial fly—will the people support this organization? The factory owners cannot go on without the support and cooperation of the people. They cannot go on buying sugar beets and paying their workers unless they gain an income sufficient to defray these expenses and the income has to come from the stores who buy the sugar and certainly the stores will not buy a product which they in turn cannot sell. So it rests with the people.

Why not buy beet sugar—everyone buys sugar, and beet sugar is no different from cane sugar. Chemists who searched diligently and rival firms who tried even harder to find a way in which beet sugar was inferior to cane sugar failed completely.

A few years ago a woman tried to spread the idea that jelly when made with beet sugar would not jelly, but it may be pointed out that in France—a country famous for its fancy jellies, beet sugar is used exclusively.

Here's another thought, too—there's always more safety in the known product than in the unknown, and the Lake Shore Sugar Company has issued a standing invitation to all to come and go through the plant. Which chance, by the way, is one which everyone should take advantage of.

Have you ever stopped to consider the source of a large part of our cane sugar? It comes from Cuba. Now why should we send our hard-earned money to Cuba when it is so much needed here? The Cubans certainly are not going to suffer from cold this winter. While some of our neighbors may if they do not retain their employment.

But the beet is saved to the last; maybe you have heard this one. "It is best of all the gain." Well, you can save money by buying beet sugar—naturally, as you do not have to pay the costs of long transportation, which has to be added on to the price of cane sugar.

Therefore—Buy Beet Sugar, help drive away Old Man Depression, and save that money to send your children to college.
