Local Man Struck Down By Auto

**Harry Bonzelaar, 76,
Succumbs at Hospital;
First Fatality of Year**

An elderly Holland man died at Holland Hospital early Saturday of injuries received Friday night when he was struck by a car at the intersection of 16th St. and River Ave.

Harry B. Bonzelaar, 76, of 199 East 38th St., died at 1:40 a.m. Saturday, according to Holland Hospital officials. Bonzelaar suffered compound fractures of both legs, a fractured clavicle and internal injuries, officials said.

Bonzelaar was struck by a car driven by Vern Russell Koomen, 17, of 3751 84th Ave., Zeeland, at 7:05 p.m. Friday, according to Holland police. He was rushed to Holland Hospital where he underwent surgery.

According to police, Bonzelaar was struck while crossing River Ave., from west to east. He had been walking on the north side of 16th St., police said. Koomen was driving south on River Ave.

Police said Bonzelaar had been walking with his brother-in-law, Albert Voss of 350 River Ave. Voss was crossing River Ave. slightly ahead of Bonzelaar when the accident occurred, according to police. Voss was not hurt.

Koomen told police he was driving on the inside lane of the four-lane street, and was heading south at 25 miles per hour. He said he failed to see Bonzelaar until he appeared directly in front of the car.

Police said Bonzelaar was thrown 49 feet by the impact. According to police, Bonzelaar was near the center of River Ave. when he was struck. He was thrown across the intersection, police said. Bonzelaar's death marks the first traffic fatality in Holland this year. The last fatal traffic mishap in the city occurred Aug. 11, 1960, at the intersection of 12th St. and College Ave.

Bonzelaar was born in Fillmore Township and lived in the Holland area all his life. He was a member of the Fourteenth St. Christian Reformed Church. He operated a farm in East Saugatuck before moving to Holland where he was employed at Baker Furniture Co. before his retirement.

Surviving are four daughters, Mrs. Oliver Schreiner, Mrs. Gordon Weighmink, Mrs. J. W. Merrills and Mrs. Grady Geurink; two sons, Gerald and Henry Lee, all of Holland; 19 grandchildren and 10 great grandchildren; two sisters, Mrs. Charles Helmers and Mrs. Jake Slenk; one brother-in-law, Albert Voss, all of Holland.

Local Men Involved In Traverse Fatality

Andrew J. Dalman and Clarence J. Becker returned home here early today from Traverse City where they were involved in a two-car crash Wednesday in which the driver of the other car was fatally injured.

Mrs. Anna Ellen Haring, 72, of Traverse City, became the first traffic victim of the year in Grand Traverse County when she lost control of her car during a snow storm and slammed into Dalman's car inside city limits of Traverse City.

Dalman was not injured. Becker received a skinned shin. Another passenger in Dalman's car, Ralph Shannon of Traverse City, received extensive facial lacerations requiring about 25 stitches. The three men are associated with Home Furnace Co.

Dalman's car was badly damaged. The local men returned home by bus and train.

Sun Returns To Holland After Storm

**Snow Here Measures
3.5 Inches; Muskegon
Buried Under 10 Inches**

Bright, sunny weather returned to Holland today and although the temperatures remained in the 30's, they made big inroads into the 3.5 inches of fresh snow which fell Wednesday.

This brought the season's total snowfall in Holland to 34 inches, still a long way from the 100-inch readings which have been prevalent in recent years.

Muskegon bore the brunt of the snowstorm, piling up 10 inches from 9 a.m. to midnight Wednesday. The heavy snowfall more than made up for the February snowfall which amounted to only a half inch. And since the longtime average snowfall for March in Muskegon is 9.9 inches, the single storm also exceeded the month's average. Total snowfall in Muskegon for the season is 65.7 inches.

Muskegon seemed to be in a little pocket by itself for the heavy downfall. The 10-inch reading was believed high for the entire state of Michigan. Elsewhere the snowfall was much like Holland's 3.5 snowfall.

Since the frost is pretty well out of the ground, there appeared little danger of floods or bad side roads.

Wednesday's storm started out as rain but changed to sleet and then to snow. Falling temperatures left most lower peninsula roads in hazardous conditions. The storm which followed a spell of unseasonably warm weather forced some schools to send pupils home early Wednesday and prompted postponements of state district basketball tournament play at three sites.

The Automobile Club of Michigan said roads throughout the lower peninsula were generally slippery early today except in the Detroit area where heavy salting melted away ice and snow.

The U.S. Weather Bureau said it will be colder tonight ranging from near 10 in the north to about 20 in the south. Warmer weather is expected Friday with temperatures ranging from the low 30's to the low 40's.

State police halted traffic moving in and out of Big Rapids late Wednesday. At one point four semi-trailer trucks stuck in drifts on hills on US-131 outside the city.

The Saginaw-Bay City-Midland area also was hard hit. The antenna of the state police post at Bay City was struck by lightning and the radio had to operate on reduced power. Traffic at the Tri-City Airport at Midland was halted when visibility fell to 150 feet.

The weather was blamed for three traffic deaths in the state, either because of slippery roads or reduced visibility. Only the Upper Peninsula escaped.

Ticket Driver in Mishap

Ottawa County deputies charged Roger L. De Weerd, 31, of 255 West 16th St., with failure to maintain an assured clear distance following a two-vehicle crash at 9:20 a.m. today on Lakewood Blvd. at River Ave. Deputies said the pickup truck driven by De Weerd struck the rear of a car driven by Geneva Brookhouse, 38, of route 3, Holland.

Two School Issues Lose In Holland

**New Van Raalte School
Defeated By 5 Votes;
Maplewood Also Loses**

Two school elections for new schools lost in Holland area Monday.

The Van Raalte bond issue for \$280,000 lost by only five votes, 243 to 238.

The Maplewood bond issue for \$214,000 for a new elementary school lost 460 to 371.

While it was hard for Van Raalte proponents to lose by only five votes, it was doubly hard to learn that five of the six spoiled ballots favored bond issue.

Of the six ballots which had to be thrown out, three were disqualified because of check marks and three for other reasons. Maplewood had five spoiled ballots, most of them check marks instead of crosses.

The vote was considered large in both districts, attesting to hard work of citizens committees and opposition. The Van Raalte vote of 487 was double that of a special election last July in which the building program lost 126 to 102.

The Maplewood board met after the election to canvass the vote and to discuss future moves. Three special committees were set up. L. W. Lamb, Jr., Andrew Naber and Henry Vander Plow will serve on two committees, one to set up another election and the second to review possibilities again of detaching certain parts of the district which lie outside city limits.

The third committee, consisting of Richard Streur and Hubert Hoffmeyer, will study what to do about the two grades, one in the school basement and another in the church, and report back to the regular meeting March 20. The fire marshal has ruled that classes may not meet in the two places next term unless there is substantial progress on a new building.

The Van Raalte school board will meet Monday to review future moves.

Al Hanko Named Speech Winner

Al Hanko was named the 1961 speech contest winner of the Holland Toastmasters Club at a meeting Monday evening. His speech was entitled "They Said It Couldn't Be Done."

He will represent the local club at the area speech contest to be held at the Pontaluna Country Club in Muskegon on March 25.

The club's alternate to the area contest is Dr. Bernard Lutz who spoke on "A Measure of Greatness." Other participants were Amos Beeton and Robert Van Zanten.

Louis Brunner, area Governor of Toastmasters, was contest chairman and presided as toastmaster of the evening. Special guest was Ward Hubbell of Muskegon, executive secretary-treasurer of Toastmasters District 62.

Mr. Hanko will compete against speakers from Grand Haven and Muskegon at the area contest in the district contest at Kalamazoo in April.

Similar contests are currently being held throughout the world and the international speaker of the year will be named at the Toastmasters International convention at Seattle, Wash., in August.

Persons interested in improving their communicating skills of thinking, listening and speaking are invited to the local club by contacting Dr. Bernard Lutz or Robert Van Zanten.

YOUTH STAGE PROTEST — These five Holland young people decided they wouldn't let the return of winter to the Holland area Wednesday get them down. So they decked out in summer togs, nailed a sign to a tree and set up a lemonade stand on South Shore Dr. near Beechwood St. The move was a sort of good-natured protest against mother nature. The group had first planned a beach

Early Morning Fire Destroys Lee's Restaurant on US-31

RESTAURANT DESTROYED — About the only thing left undamaged after fire early today destroyed Lee's Restaurant on US-31, south of Holland, was a small "Entrance" sign (left). Two unidentified men (left) are shown looking at the still-smoldering ruins. All of the restaurant's equipment and

furnishings were lost in the blaze. Owner Lee Wenzel placed the loss between \$35,000 and \$40,000. Only the walls at the northeast corner of the building (right) remained standing after the fire. Firemen from Saugatuck and Laketown Township were hampered by water shortage and high winds.

Total Loss May Reach \$40,000

**High Winds Fan Blaze;
Efforts to Save Any
Equipment Prove Futile**

Fire of undetermined origin swept through Lee's Restaurant on US-31, seven miles south of Holland, early today destroying the building and contents.

The fire, which broke out about 2 a.m., was fanned by high winds and spread rapidly. Efforts to salvage furnishings and equipment from the blazing restaurant failed. Owner Lee Wenzel said the loss would amount to \$35,000 to \$40,000.

The restaurant was burning on the west side when firemen from Saugatuck and Laketown Township arrived, Wenzel said. He said it looked for a while as though the building might be saved, but flames broke through the roof in the center of the building and, whipped by strong winds, quickly spread the fire to the entire building.

Wenzel said firemen tried to save some of the furniture and equipment but were held back by heavy smoke and flames. The restaurant had been remodeled about a year ago at a cost of \$11,000, Wenzel said.

Some new furniture and a new organ, valued at \$2,000, were burned. Wenzel said, "We couldn't get anything out."

The blaze was discovered at 2 a.m. by a state highway department employee driving a snow plow on US-31. The unidentified driver awakened Wenzel, who lives in a house behind the restaurant.

The fire had burned off telephone lines to the restaurant and Wenzel's house. The truck driver drove to a nearby tavern to telephone the Saugatuck and Laketown fire departments.

Wenzel said everything at the restaurant was normal when he closed up at 11 p.m. He said he had helped a driver who was stuck in the snow at about midnight, and there was still no sign of anything wrong.

Firemen battled water shortage and high winds for nearly three hours before putting out the blaze. Only the extreme northeast corner of the 35 by 90 foot cement block structure remained standing today.

Wenzel said the building and contents were partially covered by insurance. He said he expected to build another restaurant on the same site as soon as possible.

Probe Possible Breakin Attempt at Local Store

Holland police today were investigating a possible attempted break-in at the R. J. Rutgers Men's Shop at 8 West Eighth St. which occurred late Wednesday or early today.

A Holland patrolman discovered a broken window in a door at the rear of the store while patrolling at 12:25 a.m. today. The window had been broken out by a soft drink bottle and the door unlocked, police said.

Police checked with the owner of the store who said nothing appeared to have been taken. Police said the patrolman may have frightened the would-be thief away. According to police, the store window was broken between about 10:45 p.m. Wednesday and 12:25 a.m. today.

Man Pleads Guilty In Freezer Case

GRAND HAVEN — Charles Thomas, 43, Flint, pleaded guilty in Ottawa Circuit Court today to a charge of substituting an inferior grade of meat in a food freezer program dating back to 1958, and on request of the prosecutor his care was disposed of immediately with Judge Raymond L. Smith assessing costs of \$200 to be paid forthwith.

Thomas failed to be present at trial some months ago in which he and his partner were to be tried on the charge. After both were convicted, he requested a new trial which was granted, and then failed to be present for trial last week. A bench warrant was issued and he was returned to Grand Haven early this week.

Find Man's Body On Lake Shore

The body of an unidentified man was found late Sunday afternoon on the shore of Lake Michigan about a mile south of Laketown Township Park in Allegan County.

An autopsy revealed the man was in his middle 20's, weighed 180 to 185 pounds and was 5'9" tall. No fractures or lacerations were found on the body, State Police said.

Preliminary examination revealed no visible identification on the body, according to Allegan County deputy Conrad Zeedyk.

Four students at St. Augustine Seminary found the body at 3:30 p.m. Sunday while they were walking along the beach. The body was partially buried in the sand.

Officials from the Holland Coast Guard station said the body had probably been in the water since last fall and had apparently been covered with ice all winter. The ice has left the lake within the past week.

Officials said they would attempt to find the man's identity through finger prints and examination of teeth.

The body was removed from the beach at about 7 p.m. Sunday with the aid of a dune scooter. Only a belt and a few shreds of dark colored clothing were found on the body.

The four seminary students who discovered the man's body Sunday afternoon were David Lutz, 19, of Peoria, Ill., Paul McArdle, 18, of Greensburg, Pa., Tim Cuny, 18, of Arlington Heights, Ill., and John Goes, 19, of Chicago.

Pre-School Children Gather for Program

Twenty-six children of the Thomas Jefferson School participated in a pre-kindergarten readiness program Tuesday morning at the school. In charge of the children were Mrs. John Hosta and Mrs. Robert Noll. Their program was held in the library.

While the children were being entertained their mothers met in another room for a program which featured Mrs. Dorothy Le Boueff, Ottawa County Health Department nurse, in a question and answer period. Health problems concerning the pre-school child were discussed and health cards and blanks were distributed.

The next pre-kindergarten readiness program will be held March 21 from 9:30 to 10:15 a.m. with Mrs. Herbert Coburn, Mrs. William Blair and Mrs. Jerrold Lubbers in charge.

Mothers will be addressed by Charles Doornbas, school speech correction teacher, who will discuss problems in the area of speech development.

Kenneth J. Etterbeek, 362 Hiawatha Dr., representative for an insurance company, will be honored at his firm's area sales conference tonight in Grand Rapids. He has been notified that his outstanding production has qualified him for honorary sales club membership. This is the eighth year that Etterbeek has been a sales leader.

Former Zeeland Man Succumbs in Pontiac

PONTIAC — William Ver Hey, 68, of Drayton Plains, died Tuesday at Pontiac Tuberculosis Sanatorium. He was a former resident of the Zeeland area.

West Ottawa Loses, 70-47 To Zeeland

Zeeland scored an easy 70-47 win over West Ottawa at the Civic Center Tuesday night to move into the semi-finals of the Class B district tournament before 1,600 fans.

The Chix (12-8) meet Hudsonville Unity Christian (15-4) Friday night at 7:30 p.m. in the Civic Center.

After a slow first quarter, Zeeland exploded for 25 points in the second quarter while holding the Panthers to 11 to build up a large 34-15 halftime lead. Zeeland was led in the quarter by Larry Zolman with 8 points and Dan Zuverink and Jim Klinger, each with 6. West Ottawa hit a good 6-14 shots in the second quarter for 43 per cent, but Zeeland was hitting 11 of 21 for 52 per cent.

Zeeland's big front line of John Roe, Klinger and Zuverink made the difference as they were out-rebounding the Panthers.

Leroy Vedder led the Panther scoring in the second quarter with five points as he hit his first four jump shots from the floor. Vedder was the mainstay of the Panthers rebounding all evening.

The Panthers got their attack rolling in the third quarter as they scored 18 points, but the Chix hit on 10 of 17 shots for 59 per cent and 21 points to again cap the scoring honors.

Norm Koop led the third quarter Panther attack with seven points, while Zeeland was getting balanced support from Zolman, Zuverink, Roe, and Klinger.

As the third quarter drew to a close, both teams began substituting freely. Zeeland coach, Paul Van Dort, was resting his charges for their next tournament game, and the Panther coach, Herb Maatman, was giving his reserve boys a chance to play while looking toward the next season.

In the final quarter the teams fought to a draw as each team scored 15 points. Duane Overbeek and Tom Vizithum led the Panther scoring with seven and six points respectively, while Rick Miyamoto scored five for Zeeland.

Vizithum, sophomore guard, who was brought up to the varsity from the reserves for the tournament impressed the coaches with his poise and shooting accuracy.

When the game started, it looked as though neither team was going to score more than 20 points. Both teams seemed very tight and after five minutes of play, the score was only 2-2.

Neither team moved the ball effectively and the shots were missing. West Ottawa hit only two of eight field goal attempts in the quarter, while the Chix had only three of 17. The score at the end of the first quarter was 7-4.

In the entire game, West Ottawa hit 19 of 51 shots for 37 per cent and the winners had 30 of 72 for 42 per cent. The Panthers made 9 of 18 free throws for 50 per cent, while Zeeland made 12 of 19 free throws for 63 per cent.

Vedder and Overbeek led the Panther scoring with 11 points each. The Chix were led by Klinger and Zuverink, each with 13; Zolman 12; and Visser 10.

The defeat ended a good season for the Panthers as they registered an overall record of 11-5. Three of the defeats were given by Zeeland. The Panthers starting lineup included four sophomores and one junior and most of the boys will have two more chances at grabbing the district tournament crown.

Coach Maatman was pleased with the progress of his team this year and is aiming toward the stiff Grand Valley Conference next year.

Miss Jennie Hyma, 89, Dies at Nursing Home

Miss Jennie Hyma, 89, formerly of 336 College Ave., died Friday morning at the Beacon Light Christian Nursing Home in Marne following an extended illness.

Surviving are two sisters-in-law, Mrs. Henry Hyma and Mrs. George Hyma, both of Holland; several nieces and nephews.

Labsters, which once were thought to do very little ocean traveling, drift hundreds of miles as tiny spiderlike lobsterlings before settling down to the sea bottom.

HOLLAND WRESTLING TEAM — This is the second wrestling team in Holland High's history. Wrestling was started in 1959 under Coach Bob Weber. Practice and meets were held at Jefferson School. Weber formerly wrestled at the University of Michigan. First row (kneeling) are: Jim Rozema, Steve Penna, Co-capt. Ned Gonzales, Co-capt. Gary Smith, Al Bosch, Jim Van

Fleet, John Van Dam and Terry Husted. Second row: Craig Kuite, Dan Campau, Tom Coleman, Tom Elenbaas, Dick Collin, Terry Vining, Jim Crozier, Russ Boudreau and Coach Weber. Third row: Jim Lamberts, Dick Merillat, Chuck Kuipers, Bill Arendshorst, Max Wiersma, Ed Picotte, Rusty Wilkinson, Tom Alfieri, Dave Risselada and Jim Dykstra. (Sentinel photo)

Improved Wrestlers Look to Next Season

Looking over his list of lettermen, Holland wrestling coach Bob Weber bubbled with optimism as he looked ahead to next year's schedule.

Although the Dutch won only one match this season, Weber noted tremendous gains among his team members this season.

"Wrestling is an individual sport and each individual came a long way this season," Weber said. "They all showed improvement during the season and many of them will be back next year," Weber said.

"Since wrestling is tied to individuals we can't go too much on the record," Weber remarked. "We had to forfeit two matches every meet because we didn't have boys in those weights."

"But we scored one win and we were close in two other matches," the Holland coach said. "None of the boys were afraid in the ring and as the season pro-

gressed they were eager to battle."

And the program was carried out as it was designed to do, Weber said. The heavier weight wrestlers lost some weight while the middleweights have more body and muscular definition and have firmed up their bodies, Weber reported.

The lightweights are enjoying a growth spurt and next year may have trouble making the weight, Weber concluded.

In singling out a few of his wrestlers, Weber pointed to Steve Penna, Rusty Wilkinson, Tom Elenbaas and Co-capt. Ned Gonzales. "Penna was pinned in most of his early bouts and developed his muscles and his confidence and he scored pins in his last three bouts," Weber said.

"Wilkinson developed his muscles and while the aggressive Elenbaas should do a real fine job next year. In every bout he was against wrestlers who had

more experience."

Gonzales was the top winner on the Holland team and he scored seven victories in 10 bouts in the 120-pound class. Penna worked at 103 pounds while Wilkinson was a 127-pound wrestler and Elenbaas was a 133-pound contestant.

Weber awarded varsity letters to Tom Alfieri, Al Bosch, Tom Coleman, Elenbaas, Gonzales, Terry Husted, Dick Merillat, Penna, Jim Rozema, Gary Smith, John Van Dam, Jim Van Fleet and Wilkinson. Smith was co-captain with Gonzales but was sidelined during the season with a back injury.

Varsity reserve lettermen are Bill Arendshorst, Russ Boudreau, Dan Campau, Rich Collins, Jim Crozier, Jim Dykstra, Jim Hosta, Craig Kuite, Jim Lamberts, Ed Picotte, Dave Risselada, Terry Vining and Max Wiersma.

Touch of Spring Viewed By Garden, Literary Clubs

A touch of spring blossomed on the stage of the Woman's Literary Club Tuesday afternoon when Mrs. John Knight of Cuyahoga Falls, Ohio, arranged tulips, snapdragons and other choice blooms for a capacity crowd of members of the Woman's Literary Club and the Holland Garden Club.

Using "Fashions in Flowers" as her theme, Mrs. Knight made about a dozen arrangements and explained her technique as she worked.

A fresh springy arrangement was her first creation using white snapdragons, yellow tulips, yellow mimosa and foliage. Also springlike was her second arrangement. Corsicrew willow, which she grew (and which she presented to the club for propagation) was used with yellow daffodils.

"Flowers that stare are like people that stare — they are rude," she said as she worked. "There should be depth in an arrangement, so you can look into it and not at it."

The greatest aid in flower arranging, Mrs. Knight said, was a pattern in design. She said "you

don't have to spend a lot of money on flowers if you know how to make a simple arrangement." She showed one using three iris and four tulips.

Red twig dogwood was used effectively with anemones, tulips, heather and ti leaves. Sansivaria and bird of paradise, made a striking example of simplicity for Mrs. Knight.

Wild grape branches shaped by Mrs. Knight, and she explained how others could use them, were arranged with carnations and Calla foliage. Pussywillows, tulips and a piece of driftwood were used with great charm for a tall vase arrangement.

Other arrangements in the group were made with aspidistra leaves and antherium; Bells of Ireland and tulips in a brass vase; white stock with clipped palm leaves and tulips and delicate wax flowers and pink roses for an informal dinner table.

Tuesday afternoon's program was a repeat performance for Mrs. Knight who lectured to the Garden Club at a Christmas meeting.

Margo Bussies was in charge of a program that consisted of humorous readings by Mrs. Henry Engelsman, Mrs. Joyce Wayman and Peter de Moya and impromptu selections by Jay C. Petter and Robert Smith.

Vern Stillwell helped emcee the program and explained that the organization hopes to have more informal meetings featuring creative talent before an appreciative audience. These get-togethers are open to the public.

The next informal meeting is scheduled March 23 in Herrick Public Library from 7 to 9 p.m.

The Promise of the Spirit
John 14:1, 14:15-27
By C. P. Dame

This lesson is from one of the most beloved and favorite chapters of the whole Bible. Jesus was about to leave His disciples. He knew it and they sensed that something tragic was about to happen. In order to encourage His disciples Jesus spoke to them about the coming of the Holy Spirit who would take His place.

I. To believe in God and in Jesus is important. "Let not your heart be troubled, ye believe in God, believe also in Me" so said Jesus to His troubled disciples. There are many troubled people in our world. Jesus wanted these disciples to trust in Him. The greatest need of many Christians is to have a personal trust in Jesus—to believe His promises and obey His commands. Unbelief does much damage to Christians. It keeps them from doing, giving, serving as they ought to and consequently they fail to develop as they should and they keep back the growth of the kingdom. If all church members would really believe, great things would happen.

II. Love expresses itself in obedience. In John's gospel the words believe and love are found many times. Jesus loves His disciples—He longs to see His disciples respond by loving Him. "If ye love me, keep my commandments." It is not enough to have the commandments, or to praise or admire them—we must "keep" them which is not always easy. Jesus promised the disciples that if they would keep His commandments then He would pray the Father to send another Comforter—the Holy Spirit and hence they would never be alone.

The word "Comforter" means "one who is called to the side of another" in order to give help, deliverance and guidance. The disciples would be rewarded by being loved by the Father and the Son if they would express their love in obedience. There are two kinds of people in this world—those who love Jesus Christ and those who do not love Him. Both kinds of people reveal by their lives their attitude to Jesus Christ. The important thing about every person is—what about his relationship to Jesus Christ?

III. The Holy Spirit is the teacher of believers. The apostles had enjoyed the teaching of Jesus for about three years. He was about to leave. The apostles would be without a Teacher for Jesus told them that the Holy Spirit would teach them all things and bring things to their remembrance what He had taught them. The Holy Spirit certainly taught these apostles the great truths of the gospel. Their preaching revealed their knowledge. The words, "and bring all things to your remembrance, whatsoever I have told you" were fulfilled in the writing of the New Testament. The apostles wrote most of the New Testament. How did they do it? The Holy Spirit brought the sayings, teachings, facts about the Lord's life back to their minds and made it possible for them to write them down.

In the last verse of the lesson text there is the promise of the peace which the Lord would give. The peace which the Lord gives is the result of the new birth. It is not the kind of a peace which the world gives—note the words, "not as the world giveth." In the first verse of the lesson text we are told to be people with untroubled hearts and in the last verse we are called upon not to let our hearts be troubled and neither to let them be afraid. The outer circumstances are not all important as many people think—it is important to have the peace of God in our hearts.

We think that in many instances we could save our tax dollars by more "do it yourself" operation. It seems to be common practice to run to the state or federal government for help. When we get this help then we run into all the red tape that goes along with the help. Here again this costs money.

The spring elections are being held in many places over the state and it is less than a month before we will have a very important election. Con Con comes before the people along with the highway commissioner and several state justices as well as many regents for our universities. We will be running information about these people and the election dates and the results. Now is the time for people to take a little of their spare time and dig into our government affairs.

Many times you have heard people remark that an informed people generally vote intelligently, they understand the affairs of state before they go to the polls.

Zeeland Woman Dies In Crash

Mrs. R. Pyle Succumbs At Hospital; Vehicles Collide Near Zeeland

ZEELAND—A Zeeland mother of five died late Monday night as a result of injuries received in a violent car-truck crash at 8:30 p.m. on M-21 at 104th Ave near the southwestern city limits.

Mrs. Evelyn Pyle, 37, of 46 West Washington Ave., died at 11:30 p.m. at Zeeland Hospital. Her husband Reynold, 40, and her son Larry, 4, were seriously injured.

Officials at Zeeland Hospital said Mrs. Pyle suffered fractures of both legs, a fractured arm and crushed chest.

Larry was listed in fair condition today at Zeeland Hospital with a concussion and lacerations of the face.

Pyle was taken to Holland Hospital where he was reported in fair condition today. Hospital officials said Pyle suffered a dislocated left elbow, fractured jaw, lacerations of the head and possible rib fractures.

Ottawa County Sheriff's officers said the car, driven by Pyle, collided with a semi truck driven by Raymond Fox, 44, of Greenwood, Ind.

Fox was injured in the crash when his truck overturned and was taken to Holland Hospital for examination and treatment. He was later released. Officials said Fox suffered a bruised left hip and a laceration on the right hand.

According to deputies Mrs. Pyle was thrown from the car in the crash. Both Pyle and his son were pinned in the wreckage, deputies said. Fox was able to crawl from the overturned truck through a broken windshield.

Deputies said Pyle, who was headed south on 104th Ave., apparently ran a stop sign at the intersection and entered the westbound lane of the divided highway in the path of the loaded semi truck.

Sheriff's officers said the large truck skidded 155 feet from the point of impact to where the vehicle overturned in the median strip of the highway. There were no skid marks before the impact, deputies said.

Heavy metal castings broke through the top of the semi trailer when the truck overturned and littered the median strip of the highway with freight. Deputies said traffic on the westbound lane of the highway had to be re-routed to the eastbound lane, creating a traffic bottleneck for nearly two hours.

A second truck was sent to the scene to pick up the spilled freight. Deputies said it was close to 1 a.m. this morning before the wrecked truck was finally pulled off the highway median.

Officials at Holland Motor Express Inc., owners of the truck, said the truck was carrying 25,000 pounds of general freight, including furniture, refrigerator parts and castings.

Officials estimated damage to the huge diesel unit at about \$8,000. The unit was valued at about \$25,000, officials said.

Fox was headed from Grand Rapids to Indianapolis, officials said.

Mrs. Pyle's death raises to seven the number of traffic deaths in Ottawa County this year. All have occurred in the southern half of the county, south of M-50, according to Sheriff's Department officials.

At this time last year, two persons had been killed in Ottawa County traffic accidents, officials said.

Mrs. Pyle was a member of the First Reformed Church, Guild for Christian Service and was secretary of the Girl Scout Organization in Zeeland.

She is survived by her husband; three sons, Robert, Kenneth and Larry; two daughters, Judy and Linda, all at home; one sister, Mrs. George Nash of Holland; two brothers, Willard and John J. Vandenberg, both of Zeeland.

Barrie Speaks At Lions Meet

Members of the Lions Club heard a first-hand report on the North American defense situation last Tuesday from Major O. Frank Wolff, U.S.A.F., of the North American Air Defense Command (NORAD).

Major Wolff spoke to the Lion audience and answered questions by means of an amplified, long distance telephone call placed to NORAD headquarters in Colorado Springs, Colo. by James Barrie of the Michigan Bell Telephone Company.

Major Wolff explained what NORAD is to the local audience and told how his organization is responsible for the air defense of the North American continent. He said NORAD's four-step mission is to detect, track, identify, and destroy, if necessary, enemy aircraft or guided missiles approaching this continent.

According to Major Wolff the biggest immediate needs in the defense picture are a weapon to defend against intercontinental ballistic missiles, and a system to show when an enemy launches an ICBM.

Progress is under way toward both needs, he said. The Nike-Zeus gives promise of being the first operational anti-missile missile.

Prior to making the call to NORAD, Mr. Barrie told the audience that the Bell System has played a key role in the nation's defense by constructing the DEW Line, Nike missiles, the Semi-Automatic Ground Environment or SAGE system, and providing communications for the Strategic Air Command, Missile Master, and Civil Defense.

The Bell System, he said, also has provided guidance systems for intercontinental ballistic missiles, and is developing a global communications and tracking system for Project Mercury, designed to put a man into space and bring him back safely.

Carl Marcus, manager of the local office of the Bell Telephone Company, introduced Mr. Barrie, who resides in Kalamazoo.

Visitors at the Lions Club meeting Tuesday noon were Bob Friese, George Dailey, Jack White and Bob Connell, as well as several members of the Hudsonville and Zeeland Lions Clubs.

Exchange Student Addresses Group

Exchange student Lilli Jokiranta from Finland spoke at a meeting of the Women of Grace Church Tuesday afternoon in the parish hall. Miss Jokiranta was introduced by Mrs. Albert Centolella, with whom she makes her home in Zeeland. She is in the senior class in Zeeland High School.

Wearing Finland's national costume, which was worn commonly about 100 years ago but now is worn only for special occasions, Miss Jokiranta told of the way of living in her country. She has been in this country since August and compares American ways with those of Finland.

Of particular interest to her are the free Saturdays in our educational system. Also of interest are the optional courses in a student's curriculum as compared with the large number of compulsory subjects in Finland's schools. She spoke of industry, farming and the general economy of Finland.

"Finland is a free and democratic country," she said. She told of the foreign policy and struggle over the past years to remain free and democratic.

"The Finns," she said, "are a proud and determined people and feel very strong loyalty to their country."

A strange and unique custom Miss Jokiranta described is the Finnish bath called a "Sauna" which is as important to a Finn as eating and sleeping. The sauna is a type of steam bath in a small wooden building, usually on the lake where the steam is made by throwing water over a hot stove and hot rocks. The wooden walls absorb the moisture from the heat so it isn't too hot for the human body even up to 280 degrees.

The hot, dry heat is very relaxing, she said. After the steaming, the bather beats the body with wet birch branches and then proceeds to throw himself into the lake or better still, into a snow-bank. The hotter the bath and harder the beating, the better the results. So important is the sauna to the Finns that a young married couple will give consideration to building a sauna house before a permanent residence.

The Rev. William C. Warner opened the meeting with prayer. Mrs. Peter Botsis conducted the meeting and announced coming events.

Mrs. John Matchinsky, president of the newly-organized St. Martha's Guild, was welcomed as a new member of the executive board. Members appointed to the nominating committee are Mrs. Keith Van Hart, chairman, Mrs. George Moeke Sr. and Mrs. Charles Madison.

The women's annual Quiet Day will be observed Wednesday, March 13 from 10 a.m. to 3 p.m. with luncheon at 12:30. Reservations should be made at the

An interesting slide lecture was given by R. V. Terrill, Grand Haven City Manager, on Mesa Verde and the early Indian life of that area.

At the conclusion of the meeting, the den mothers made plans to take all of the boys through the new Ottawa County Jail. The whole group inspected the new facility with their den mothers on Thursday night.

Thursday, March 9 at 7:30 p.m. against Battle Creek Central in the Percy Jones gym in Battle Creek.

The Dutch were never more determined and played the best game of the season against the eighth-ranked Big Reds. Holland was in the game all the way and tied the score with 3:40 left.

But Muskegon turned on its famed speed in the closing minutes and Holland lost Ben Farabee on fouls with 2:19 left.

Rog Buurma

... hits from all over and the Big Reds were able to gain control and push to the 13-point spread.

Holland trailed 57-53 at the end of the third quarter. But Rog Buurma quickly took care of that as he bombed a jump shot and then hit another with 6:48 left to tie the score.

Jim De Vries tallied from underneath to send Holland two points ahead before Roy Krumweide sank a jump shot to tie the score with 5:30 left. Sam Moore jumped at 4:59 and pushed the Big Reds in front 61-59 but De Vries hooked from inside the foul circle 30 seconds later and tied the score.

Ben Strong laid the ball up with 3:50 left and 10 seconds later Buurma struck again with a jump shot to knot the score, 63-63. De Vries missed a free shot with 3:07 remaining and Muskegon got the ball and Strong scored to put Muskegon ahead and the Big Reds never trailed again.

Farabee drew his fifth personal at 2:19 and Strong made one shot and Moore banged two baskets to send the lead to seven points. Strong fouled out at 1:39 and Gary Alderink made two free shots to complete Holland's scoring. Muskegon made two baskets and four free shots in the time remaining. Holland made 24 baskets in 55 tries for a fine 44 per cent. The Dutch enjoyed quarters of 7-12; 5-13; 7-18 and 5-12. Muskegon hit 32 of 87 with periods of 5-18, 19-31, 9-23 and 8-15.

The lead changed hands four times in the first quarter before Holland took an 8-7 lead on a Walters' basket. The Dutch remained in the lead the rest of the period and pushed the margin to 19-13 at the quarter on Buurma's two baskets and pair of free throws late in the period.

A flurry of baskets by Buurma, aided by a basket by Chuck Klomparsen and two free throws by Farabee shoved Holland to a 29-18 lead with 4:28 to go in the second period.

But in the next two minutes Muskegon scored five straight field goals and this drive put the Big Reds back in the game and provided the key to the victory and knocked out Holland's upset plans. Mike Pedler scored two buckets and Moore, Strong and Bill Saylor each had one basket. Muskegon took a 34-33 lead with 1:12 left but De Vries tied the score and Walters added two charity tosses to give the Dutch a 36-34 halftime lead.

In the third period the score was tied 40-40 and Muskegon took a 50-46 lead with 2:30 left. The Big Reds took a 54-51 lead and Bill Pedell added a basket and Krumweide a free throw with 56 seconds left before Dick Hilbink and De Vries scored free shots to make it 57-53 at the third period's close.

Buurma was at his best and hit from all over. He made 10 baskets and two free shots for 22 points, his season's high. Farabee, who turned in another strong game, followed with 13 and sophomore Carl Walters added 11. Moore paced the Big Reds with 29.

Holland used its zone defense until the closing minutes when the Dutch were forced to press to get the ball. At the free throw line Holland made 17 of 23 and Muskegon 14 of 25.

kon had 14 of 25. Muskegon concluded with a 13-2 mark.

Little Maroons Win 14th Tilt

PORTAGE—Holland Christian's Little Maroons closed a good season here Friday night by downing Portage's reserve outfit, 72-41 and finished the 17 game schedule with a 14-3 record.

Coach Elmer Ribbens' outfit tied the game with a 29-point third period, to pull away from the Mustangs for good. Center Dave Tuls pumped in 19 markers in the stanza.

Christian shot away from a 3-3 deadlock to take a 17-5 margin at the first horn. A full court press bothered the locals in the second period as the losers narrowed the gap to 30-23 at halftime.

It was all over in the third period however as the locals really turned it on to move out to a 59-32 bulge. Christian led 69-37 with four minutes left when reserves finished the contest for both sides. Tuls paced Christian with 31 points, followed by Cal Boer 12, Tom Dykema 10, Don Kronmeyer eight, Ron Lubbers, six, Carl Meyer, three and Randy Nykamp and John Vander Veen with one each. Kuiper led the losers with 13.

Unity Wins Over Rogers

GRAND RAPIDS — Hudsonville Unity smashed Grand Rapids Rogers, 57-30 for its 15th win in 19 starts here Friday night.

Crusaders led all the way and enjoyed a 19-5 first period lead. The halftime score was 36-13 and the third period score was 53-23. Cal Aukerman led Unity with 19 while Ron Schuitema made 13, Jerry Williams had 14 for Rogers.

The Unity seconds defeated the Rogers reserves, 62-45. Doug Van Boeven had 18 for the winners and Jerry Terpstra followed with 14 and Gord Zeef made 13.

Give Warning On Shanties

Ice fishermen were warned Saturday by Park Township officials to remove their shanties from Lake Macatawa and from the public roads and along the shoreline.

A deadline of Saturday, March 18 has been set for fishermen to claim their shanties. Park township officials said the shanties will be removed after the two-week period at the owners expense.

A \$25 fine is charged for persons keeping their shanties on the lake, Harold Bowditch, conservation officer reminded residents. Bowditch made his first appeal last week and was pleased, for the most part, with the response. Some of the shanties have already gone under the water. Six or eight shanties have been noted around the Pine Creek area and others are Big Nose Point and around Chippewa Point. Several shanties have been removed from the ice but have been left on public roads. Township officials pointed out that these roads are used by the fire department tankers and are the only access points to water for the tankers.

Panthers Win 55-41 Game; 11th Victory

GRAND RAPIDS—West Ottawa, avenging an earlier defeat, rolled over Forest Hills, 55-41, here Friday night.

The first half was a hard-fought contest, but a combination of good defense along with a very poor shooting percentage in the second half spelled defeat for the Forest Hills Rangers.

At halftime West Ottawa held only a slim three-point lead, 30-27, but steadily increased their lead as Forest Hills could only hit on one of 12 shots in the quarter while the Panthers had five of 12.

The Panthers started the fourth quarter with a nine-point lead, 44-35, and had no intention of giving it up. Even though the Rangers were pressing the Panthers all over the floor, the winners were breaking through the press with regularity and scoring easy baskets before the defense could get set.

The Panthers, led by reserve center, Glenn Bareman with six points, hit on four of 16 shots while Forest Hills could manage only one of 13. Midway in the fourth quarter, with the game wrapped up, the substitutes took over.

Until the disastrous second half, the losers looked as though they were going to duplicate their earlier season feat of defeating the Panthers 58-57.

Getting good floor play and scoring from Harold Bailey, they held a 14-13 first quarter lead. They hit four of nine field goals and five of six free throws in the quarter, while West Ottawa was getting six of 17 field goals. George Donze and Duane Overbeek scored all of the winners' points in the first quarter with seven and six points respectively.

The second quarter was also very evenly played as West Ottawa scored 17 points and the losers 13. Leroy Vedder led the attack in this quarter with six points.

In the first half the game was tied eight different times and the lead changed hands seven times. The victory for the winners represented good team play, balanced scoring and good defense and Coach Herb Maatman feels that his team is ready for the district tournament. West Ottawa has had no one standout player this season, but each one has played fairly consistently.

At Forest Hills, George Donze and Overbeek played good floor games as guards and were hitting from outcourt. Vedder, 6'6" center, was again strong on the boards, especially in the first half before he picked up four fouls.

Glenn Bareman, 6'3" reserve center and forward, played one of his best games of the season. The broad-shouldered Bareman has proven to be a very valuable sixth man and in the last few games has played as much as the first five. Bareman has shown that he is pretty tough to move once he gets into position under the boards.

The winners hit 22 of 59 field goals for 37 per cent in the game, while the losers hit only 10 of 52 for and ice-cold 19 per cent. The Panthers had 11 of 25 free throws for 44 per cent and the losers had 21 of 34 for 62 per cent.

West Ottawa has ended its second year of varsity play with an 11-4 record, while Forest Hills ended its season with a 3-13 record.

Overbeek, G. Donze and Bareman led the winners' scoring with 12, 11 and 10 points respectively, while Dick Schrader led his team with 13 points.

West Ottawa moves into the district competition Tuesday night at the Civic Center at 7:30 when they will meet Zeeland.

1,126 at First Performance Of 'Romanoff and Juliet'

School officials were delighted over the response to the first performance of "Romanoff and Juliet" presented Thursday night in Civic Center, presented by the senior class of Holland High School.

A total of 1,126 persons attended the opening performance. A similar number is expected for the final performance tonight. Officials said this keeps pace with normal attendance of previous years which totaled 2,300 to 2,400 for four performances in the high school auditorium.

Although Civic Center is designed more for sports events than as a presentation house, Thursday's performance went well. Concealed microphones were put to good use, practically solving the acoustics problem. Moreover, people were grateful for comfortable seats, easy parking and "no waiting" which was often a tiresome feature of former years in even getting a seat in the old auditorium.

"It was a good first night," Director Vern Stillwell said Saturday. And the large audience of Thursday night agreed.

Another reason Civic Center was pressed into service this year was to accommodate a large and complicated stage setting showing the central square of the tiniest country in Europe and rooms on two levels in the American and Russian embassies. It was an open curtain stage and it worked well.

Bob Fitch appeared as the General, the Peter Ustinov role in the Broadway production two years ago. As the General Fitch

was at times ruler, narrator, fixer-upper and the guiding hand in a romance of the son and daughter of the diametrically opposed American and Russian ambassadors.

Perhaps the most relaxed, consequently the funniest, characters were Roland Swank and Melvin Andringa as the twosome army of the tiny principality who had to double as hawkers for the gun salutes without ammunition. Love interest was provided by Paul Bast and Dianna Burnham as children of the ambassadors.

Ed Wagenveld appeared as the undiplomatic American diplomat whose outbursts were pretty well controlled by his wife played by Nancy van Leuven. And it was pretty much the same way with the Russian ambassador played by Dennis Bolles and his wife, Martha Penna.

And the jilted Freddie, played by Allyn Wildschut, found solace in the company of the junior captain of the Russian ship as played by Mary Ellen Mrok. Doug Boven appeared in the final scene as the deaf archbishop who unwittingly conducts a marriage ceremony, aided and abetted by Roger Kamps as the Russian spy turned monk at the monastery.

A particularly welcome touch was the appearance of a 10-piece German band, all wearing cute Alpine outfits, with Bruce Masse-link as the active director. The band made its first appearance marching from the rear of the auditorium onto the town square, playing popular ballads.

Maroons Win Over Portage; 12th Victory

PORTAGE — Holland Christian's Maroons closed out regular season play here Friday night by downing a stubborn Portage quintet, 59-49 before 1,000 fans in the Mustang gym and finished with a 12-5 mark for season play.

Christian took the win pretty much in stride, maintaining a six to nine point bulge most of the contest. Coach Bob Burns' Mustangs who narrowly missed upsetting a rugged Niles club last week were geared for the Maroons and were high for the contest.

They were a vastly improved club and gave the Maroons some anxious moments in the last two minutes as they narrowed the lead to four points. Christian, however, pulled away in the final minute to a safe 10-point winning bulge.

Coach Art Tuls rotated nine men throughout the ball game with the exception of starter Ken Disselkoen who went all the way. Disselkoen turned in his best game of the season with some great rebounding and good shooting to lead his club with 16 points. Four guards, two juniors and two seniors shared the action accounting for 20 points, mostly from out. Doug Windemuller again showed some great shooting from out during the contest.

Ken Disselkoen

... best game of season in the little more than the half he played. He took runnerup honors with 15 points.

Senior Harold Diepenhorst filled in for starter Clare Van Wieren while another junior Paul Steigenga, replaced center Frank Visser on the pivot. Steigenga also sparkled during that time he played on the boards as well as garnering 11 markers.

Tuls was pleased with the rebounding of his club as the Maroons snared 54 rebounds in the tilt, 34 in the first half. Had the Maroons hit a better percentage, the contest wouldn't have been close. They fired 76 times and connected on 22 for about 29 per cent. The Mustangs also collected 22 fielders but on only 60 shots for a good 37 per cent shooting mark.

Portage displayed great drive and determination all game long. They were paced by a speedy pair of junior guards, Larry Colburn and Jim Boutell, who collected 31 points between them. Both are great drivers with plenty of court savvy.

The fired up Mustangs opened the scoring with two quick fielders to take a 4-0 lead, before Disselkoen bombed one from the lane. Portage kept the pressure on and led 8-4 before baskets by Van Wieren and Windemuller knotted the count. Led by Colburn and Center Doug Dowell the losers again moved out to three and four point leads, before some fine shooting by Disselkoen and Windemuller boosted the Maroons to a 15-14 lead at the quarter.

Steigenga took over for the Maroons in the second period from

Christian Takes Initial Tourney Game

Holland Christian's Maroons opened the district tournament play in the Civic Center Monday night by toppling Hudsonville's Eagles, 67-48 before 1,900 fans.

Christian's victory was a big one inasmuch as the Eagles have been a red hot ball club, winning their last 12 straight games after dropping their first three tilts. Coach Keg Bauman's Eagle outfit finished the season with a good 12-4 mark.

Coach Art Tuls' team did not have smooth sailing until the last quarter, although Tuls used nine players throughout the game with several starters sitting out almost

a half. At one point in the third stanza, four reserves were playing for the Maroons. Only Clare Van Wieren played the entire game for the winners and he had a big night to lead both clubs with 20 markers.

After leading by 12 and 13 points during much of the tilt, Hudsonville narrowed the gap to 50-44 going into the final stanza. Tuls reinstituted the regulars who promptly iced the win outscoring the Eagles 17-4. Hudsonville once led 3-2 in the tilt, their only margin in the game.

Hudsonville switched from a man to man to a zone defense periodically all night long in an effort to confuse the Maroons. Coach Tuls was "well pleased" with the way in which his clubs made the transition in its offensive pattern each time without loss in tempo. Tuls said he was generally well pleased with the exception of the mental lapses resulting in bad passes and other violations. "I thought the boys did a good job considering everything and we are looking toward snapping Allegan's 10-game winning streak next," he commented.

Christian with big Frank Visser, Van Wieren and the rest of the boys in the front line controlled the boards, although the Eagles' Larry Boldt, Jim Walma and Phil Hoozee gave them a battle. The Eagles also boasted of some excellent outcourt shooters in Hoozee and Bob Holleman.

Overall the Maroons hit on 25 out of 62 tries for a good 40 per cent while the losers connected on 17 out of 50 for 34 per cent. Tom Bouman of the Maroons had a big night against the Eagle zone with 17 points, most coming from out.

After the Eagles had taken the 3-2 margin, Visser took over for the locals with three baskets before Bouman connected for three more to send the Hollanders on their way. Meanwhile the Eagles got balanced scoring from four boys, but trailed 18-12 at the first horn.

Van Wieren, Visser and Paul Steigenga all added two baskets in the second period to boost the Maroon bulge to 13 points on two occasions in the stanza. Finally with the Maroons leading 36-23, the Eagles started to whittle on some good shooting by Boldt to end the half behind the winners, 39-29.

Hudsonville had its best quarter right after the intermission as they kept the Maroons margin from going over 11 markers. Hoozee and Holleman combined with five points apiece to pace the Eagle attack. Clare Van Wieren, the only Maroon starter in the game during much of the period, led the locals on four fielders. Christian's lead was eventually cut to 50-44 going into the last stanza.

With the starting lineup intact for the last eight minutes, the Dutch really took over. After boosting the bulge to 10 points, the locals went into a two minute "freeze" without taking a shot as the Eagles refused to come out of their zone defense. Finally the losers switched to a tight press in an effort to get the ball. This paved the way for some alert basketball on the part of the Maroons as they played only for the "sure" two points. The move paid off as they coasted to the win.

Christian sparkled defensively with Doug Windemuller and Visser repeatedly breaking up Eagle offensive patterns.

Both clubs did well at the charity stripe, with Christian collecting 17 out of 22, and the losers, 14 out of 18 tries.

Following Van Wieren for the Maroon's Bouman followed with 17 and Visser with 18. Hoozee led the Eagles with 13 points.

... 1959 selection

Jim Vander Hill, Hope College sophomore and the MIAA scoring champion with 261 points, today was named to the 1960-61 All-MIAA basketball team.

Vander Hill, 6'2" sophomore from Queens Village, N. Y., joined three Calvin College players, Bill Wolterstorff, Ralph Honderd and Carl DeKuiper, and Vince Giles of Adrian College on the honor team.

Wolterstorff, 6'7" senior from Raymond, Minn., and De Kuiper, 5'11" junior from Fremont, were the two unanimous choices on the team.

Wolterstorff was the lone repeater from last year's team. Last year's team was made up of four seniors, including Warren Vander Hill and Ray Ritsma of Hope. Warren is Jim Vander Hill's older brother.

Honderd, 6'4" senior from Aetna, Mich., made the team in 1959. A fractured elbow kept him out of competition most of last season. Giles, 6'1" junior from Wellsville, Ohio, was a second team choice two seasons ago. He was out part of last season because of scholastic ineligibility.

The first team selections were made by the MIAA coaches Monday in a meeting at Calvin College. The selections are identical to the picks selected by The Sentinel on Feb. 22.

Hope failed to place a man on the second team. The second team selections included: Ron Schult of Adrian, Gordon Rodan of Kalamazoo, Dick Groch of Olivet, Dave Peters of Alma and Dale Terrell of Albion.

Miss Bobbie Russell and Dave Bonnette presented the cups to the winners.

Following the presentation of the cups, Ron Beyer led the audience in the singing of the Alma Mater.

Judges were John L. Wheeler of Muskegon, Mrs. Trina Haan, Grand Rapids and Seymour Swets, Grand Rapids.

Other groups participating were Arcadian, Alpha Phi, Dorian, Knickerbocker, Sorosis and Emersonian. Roger Rietberg was faculty advisor for the event. A large, appreciative audience attended.

Mrs. Burrell De Young

Mrs. De Young Succumbs at Hospital at 50

Mrs. Burrell H. De Young, 50, of 720 Ruth Ave., died at Holland Hospital Sunday afternoon after being hospitalized since Tuesday. She was the former Viola De Neff, daughter of Mr. and Mrs. Walter De Neff of Holland.

Mrs. De Young was born in Holland, educated in the Holland public schools and had been employed in the business office of the Holland Evening Sentinel for about 12 years until she was forced to retire last May because of her health.

She had made her home in Fennville for 12 years until the family moved to Holland last June. She was a member of the Fennville Methodist Church.

Surviving are her husband; a daughter, Sherren K., at home; the parents, Mr. and Mrs. Walter De Neff; a sister, Mrs. Gary (Harriet) Kruithof, all of Holland.

Pediatrics Visitors Limited to Parents

For the present, Holland Hospital is limiting visitors to the pediatrics section to parents only.

There are 15 beds in the children's section and it has been overcrowded on several occasions. Some ailments require certain types of isolation including pneumonia cases and hospital personnel felt it was in the best interests of the young patients to limit visitors to parents, thereby reducing the danger of contagions both in the hospital and elsewhere.

Surviving are two sons, Willard and Arthur of Chicago; two stepdaughters, Mrs. George Caner and Mrs. Ernest Sawyer, both of Lansing; three grandchildren and three great grandchildren.

Ralph Sealey Speaks at Meet Of Exchangites

A tribute to the late Clarence Grevengeod, former member of the Exchange Club, opened the noon luncheon meeting Monday at the Hotel Warm Friend.

A report on the Home Show was given by Ed Lindgren, chairman, who said that about \$2,300 was added to the treasury of the Goodfellows Foundation from proceeds of the show.

Roger Stroop, program committee member, introduced Ralph Sealey, chief of the state building division. This division has charge of the construction, operation, and maintenance of the state's public buildings for educational, penal, and mental health purposes as well as the capitol buildings in Lansing and the conservation and state highway departments.

All together these buildings would be equal to a one story high building 100 feet wide and 100 miles long. So far over one and one-quarter billion dollars have been expended for them, Sealey said.

Governor Swainson's budget for this year calls for \$38,000,000 of which \$27,000,000 would go for education. In spite of the work accomplished so far, the work has not kept up with the needs, he said.

Mr. Sealey is also on the committee for the selection of the site for the Grand Valley College. Of the one million dollars which must be submitted to the Legislature before the college can be authorized, the speaker pointed out.

Practically all of the state hospitals are overcrowded except the hospitals treating the tubercular. Due to new medicines and education the number of tubercular patients seems to be on the decline and the sanatorium at Howell seems to be slated to be used as a mental health center, Sealey said.

Surviving are two sons, Willard and Arthur of Chicago; two stepdaughters, Mrs. George Caner and Mrs. Ernest Sawyer, both of Lansing; three grandchildren and three great grandchildren.
