LOKKER AND DEN- HERDER TO FORM BAR PARTNERSHIP

WILL LOCATE IN THE VISSCHER
BLOCK BEGINNING APRIL
FIRST

The many friends of Clarence A. Lokker and Jay H. Den Herder will be interested to learn that they have formed a partnership and will practice law under the firm name of Lokker & Den Herder. After the first of April they will be located in the Viisscher block at 42 East 8th street.

Both of the young men are well and favorably known having been closely identified with the legal and business affairs of the community for several years. Mr. Lokker has been connected with the firm of Diekema, Kollen & Ten Cate and Mr. Den Herder has been associated with Thomas N. Robinson.

A matter of interest in connection with the formation of this new partnership is the fact that these young men were classmates, roommates and practice partners while attending the University of Michigan Law School, from which institution they graduated in 1917.

The commercial and industrial growth of the city has led them to believe that the time is opportune for the success of an additional law office.

The four weeks old daughter, Althertha, of Mr. and Mrs. Joe Klinge, Corner 18th and Central Ave. died Saturday night of pneumonia. The funeral was held Tuesday afternoon at which Rev. Einink officiated.

A representative of the Detroit Auto Club called upon Secretary Fred Beuwkes of the Merchants' Ass'n a few days ago and among other things camp sites were discussed. The man said to forget a camp site, that these are not profitable to a city and that he sites become unsanitary and harbor undesirable visitors as a rule. The merchants are now think over what is really best to do and may forget the camp site altogether.

The Ionia County News claims that the teachers of that county are getting so handsome that it is difficult to secure new ones as fast as they are married off. Which may or may not be true respecting that county, but Ottawa county is willing to match up with Ionia county any time.

Two oddly named clubs noted in a neighboring city are the "Coffee Pot" and the "Dymefine." The nature of the former is fairly clear, but unless there is a flavor of profanity the latter is somewhat tenebrious.—Allegan Gazette.

Official spring is not far away. March 21 is within hailing distance. Our favorite clock is still on the "Blink." Attention "Cubby" Drew! The Grand Rapids Herald of last Sunday publishes a picture of Miss Osebelte Wentzel, of Zeeland who is well known here. Under the photo the following appears: "Looking at the above picture, one can readily understand why Miss Osebelte Wentzel walked off with first prize honors in the Zeeland American Legion popularity contest held there last week. A handsome mahogany writing desk was awarded her for being the most popular choice of the Zeeland fair patrons."

Mr. and Mrs. Ryke Van Eyck, R. F. D. No. 7, Holland, have returned from Chicago, where they were called to attend the funeral of a brother-in-law, Mr. Boomker.

Vanden Berg-Van Ark Co. has placed a large gold sign 50 feet long. The large gold letters are two feet high and it took five men to carry the sign from the paint shop. The sign now adorns the store front.

Jake Fris was in Grand Rapids today on business.

Mrs. Stella Clark of Holland is a guest of Mrs. Emma Littlejohn of Allegan.

Wm. Brusse of the Ottawa County Building & Loan Association was in Grand Rapids yesterday afternoon.

Attorney Jay Den Herder was in Grand Haven on legal business yesterday.

HAAN BROS. TO MOVE DRUG STORE TO RIVER AND EIGHTH

WILL PUT IN A SIX THOUSAND
DOLLAR OUTFIT, INCLUD-
ING FINE SODA FOUNTAIN

Jake Haan of Haan Bros., located on east 8th street near Central ave., states that the company has decided to move to the McBride building on the corner of Eighth street and River avenue, in the store formerly occupied by Nicholas Dykema, the tailor, who has moved to a location over Keefe's Cafe.

Mr. Haan states that he has taken a partner in the person of Peter Houseman, a well known businessman of Grand Rapids, and that the new firm will expend in the neighborhood of six thousand dollars for new fixtures and in remodeling the place.

The most beautiful soda fountain in Ottawa county will be installed and the new fixtures will be the most modern that can be had.

For instance there will be no show cases such as are now commonly used. The goods will be on display in glass cases along the side wall and the salesman will be in front of the counter instead of back of it. This gives considerable more floor space than is otherwise taken up with the cases, counters, with an alley between.

Anyway this is the latest in drug store fixtures it is said and no doubt must be practical or these would not be adopted.

Mr. Houseman will not be active in the business however. Mr. Haan will be and a registered pharmacist of ability has been secured and between the two the pharmaceutical end of the business will be well taken care of.

The store will continue to be called the Haan Bros. Rexall store. The change over will be made by May 1.

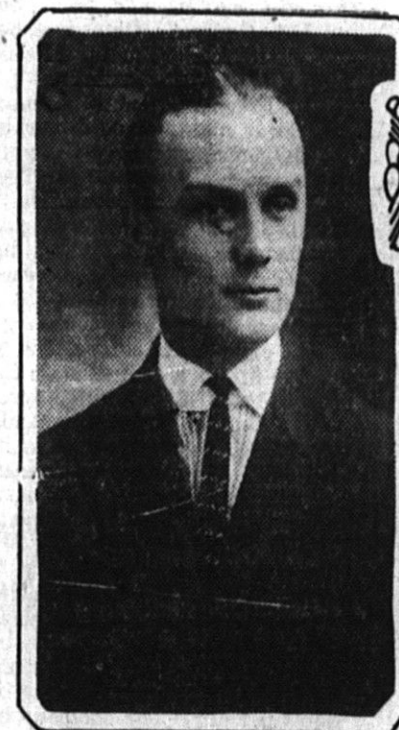

OLD TIMER TELLS OF WINTER 53 YEARS AGO

C. Sandy, 360 College avenue in talking about the recent storm said that the one of Sunday can't hold a candle to one that came on St. Patrick's day the 17th day of March, 53 years ago. Said Mr. Sandy: "I was living in Muskegon at that time and when the storm began I was driving a cow I was to sell for \$70 to the place where it was to be sold. While I walked a mile and a half with the animal, 18 inches of snow fell and when the storm was over there was exactly four feet on the level. That day I had my face and ears frozen and didn't know it at the time."

"The first passenger train from Allegan to Muskegon, on the Michigan East Shore railway now the Pere Marquette, arrived in Muskegon just before the storm began and had to remain in the "Sawdust City" two weeks before the road was shoveled out to Holland."

"There was not an inch of snow all winter until that 17th day of March, but on that day the winter was made up to us tenfold and the snow remained until May 1st of that year."

Here you have Lovely Judy and Daddy Long-Legs

JACOB VAN ZANTEN

HARRIET HENEVELD

The play, which has been chosen by the Senior Class of Holland High school this year, is exceptionally interesting and instructive and clever. The play "Daddy Longlegs" is a comedy in four acts, and was written by Jean Webster from the book by the same name and written by the same author.

Daddy Longlegs was mainly chosen because it is a play that children will enjoy immensely and can easily understand. There has been no play presented during the last few years that is as easily understood by both parents and children as is Daddy Longlegs.

The character Daddy Longlegs is taken by Jacob Van Zanten and he is persuaded to become interested in orphans. He is very wealthy and visits the orphan asylum where he takes an interest in one particular orphan, Judy. The part of Judy is ably taken by Harriet Heneveld. Judy is an older orphan and is kept in the asylum because she can be of great help to the matron in charge. Her duties are that of a housemaid. Mr. Pendleton sends Judy to college to obtain a good education. She writes letters to Daddy Longlegs which are humorous as well as in-

structive. It is from these letters that the main part of the play is taken.

The play will be given four nights—March 19-20-21-22, because of the crowded conditions last year when the play was given only for three nights.

The cast includes: Jervis Pendleton, Jacob Van Zanten; James Mc Bride, Rutherford Huizenga; Cyrus Wycoff, Jay Wabeke; Abner Parsons, Russell Damstra; Griggs, Vernon Ten Cate; Walters, Egbert Fell; Judy, Harriet Heneveld; Mrs. Pritchard, Frances Spoelstra; Mrs. Pendleton, Ruth Hyma; Sallie McBride, Ruth Marcotte; Mrs. Semple, Thelma Haas; Mrs. Lippett, Esther Vanden Tak; Mabel, Ethel Whitcomb. Orphans, Gladia, Mabel Lage; Sadie Kate, Katherine Vander Veere; Loretta, Viola Van Anrooy; Maurie, Mae Hadden; Another Child, Maxine Boone; Freddie, Stanley Ver Hey.

The play is said to be even better than "Peg 'o My Heart", presented by last year's Senior class. There will be no reserved seats, and all tickets are 35c, so if you desire to be among the lucky ones, buy your tickets from any member of the Senior class of the High school.

SOME SURPRISES READY FOR BIG SPREAD ON FRIDAY NIGHT

MORE THAN 400 TICKETS ARE
SOLD FOR THE DIEKEMA
BANQUET

More than 400 tickets have been disposed of for the Diekema banquet to be held in this city Friday night.

The committee on arrangements have looked after every detail in the banquet hall at the Masonic Temple and the decorations are going to be exceptionally unique and elaborate. The program is nearly completed and printed and is to make a beautiful souvenir of the occasion.

The banquet is to start promptly at 6:45 o'clock and by 7 everything will be going in full swing.

When the Holland Masons heard that the Diekema banquet committee were casting about for the largest banquet hall that could be found in the city the building committee very promptly came forward and tendered them the use of the hall in the new building and although the building is not nearly completed the contractors got busy immediately to finish up that part of the building connecting it up with light and heat.

Beautiful new standards were placed in front of the main entrance to the temple and these will be brilliantly lighted on Friday evening.

Herman Helmers has been on the job night and day in order to get the building in such shape that it will be possible to hold the banquet in the hall.

However even with all these accommodations it is found that the large hall is proving altogether too small. The committee therefore requests those who hold tickets and who for some reason or other will not be able to attend to please notify Wm. Vanden Berg of their intentions as there are a score or more who desire to come but are found without the necessary ticket. Every available cover laid at the festive board has been disposed of for Friday evening.

The committee in charge of the tickets are the following: Wm. C. Vanden Berg, chairman; John Arndtschorst, Dick Boter, Andrew Klomparsen, Joe Koolker, Sears McLean, W. J. Olive, George Pelgrim, "Vaudie" Vandenberg, John Van Tatenhove, Alex Van Zanten.

The committee on arrangements are Austin Harrington, chairman; Con De Pree, B. P. Donnelley, A. H. Landwehr, W. C. Vandenberg, B. A. Mulder, E. P. Stephan and Henry Winter.

EXCHANGE CLUB FAVORS HAVING A \$55,000.00 ARMORY

COL. J. H. SCHOOUTEN TALKS
FOR A HOLLAND STATE
BUILDING

The opening gun in a campaign for the building of an armory in this city was fired Wednesday noon when Col. J. H. Schouten of Grand Rapids addressed the Exchange Club at the regular meeting.

Col. Schouten has been identified with the state militia and national guard since 1889 and is thoroughly acquainted with the history and purpose. He introduced his topic by giving a short synopsis of the history of the national guard. Some of his statements were rather surprising, especially his assertion that the U. S. Army has been called into active service 104 times during the lifetime of the republic.

In order to secure an armory for Holland, Colonel Schouten said: "It will be necessary for the city to donate a suitable location and to raise \$15,000, whereupon the state will donate another 40,000 making possible the erection of a \$55,000 armory. The state would maintain this building at its own expense and the only cost to the city for all time would be the initial payment of \$15,000 and the gift of a suitable lot."

The national guard only needs the building one night a week on the average and the remaining nights the building would be available for other purposes at a very low cost because of the small overhead.

Colonel Schouten was introduced by Capt. Henry Geerds, captain of the local company, who also gave an interesting and enthusiastic talk in favor of an armory.

The Exchange club by a rising vote, voted to work for an armory for this city.

WHISTLES BLOW WHEN G. & M. BOAT ENTERS HARBOR

FIRST LOAD CONTAINED CASE
OF STRAWBERRIES FOR
DIEKEMA BANQUET

There was a field of crushed ice outside Holland harbor in Lake Michigan about seven miles wide when the Graham & Morton steamer "City of Grand Rapids" made its way to port here for the first time this season early Thursday morning, but that fact did not stop her. Nor did the sheet of ice four inches thick on Black Lake stop the big vessel.

"There was nothing that could stop her," said Local Agent J. A. Johnson, "she simply had to get in. We had some important freight on board that could not wait. No matter how thick the ice or how many miles of it there was, that boat simply had to break thru it some way or other." And after a pause to let the mystery of the important freight become duly impressive, Mr. Johnson satisfied natural curiosity by adding: "Why, that boat was carrying a case of strawberries for the Diekema banquet, and we simply had to make good of getting the fruit here on time!"

The "City of Grand Rapids" left Benton Harbor just before daylight and it reached the dock in Holland shortly before 8 o'clock. That shows that she made very good time and that the ice did not delay her much. While the field of ice outside the harbor is a very large one, there happened to be an off-shore wind this morning and that helped a great deal. The ice in the harbor did not cause much trouble. The "City of Grand Rapids" is an ice-breaker and the big vessel ploughed quite easily through the sheet of ice on the bay.

The vessel had a fairly large load of freight when she tied up at the dock, and considerable freight has been collecting on the dock so that when the boat pulls out tonight at 8 o'clock there will be another good load.

Factory whistles were sounded this morning when the vessel was steaming up the harbor for the first time. The officers of the "City of Grand Rapids" are: Captain, Michael Morgan; Purser, John Hall; and Chief Engineer, Byron Beerman.

G. H. BUILDING AND LOAN BODY NOW TO OFFER STOCK

Plan to Offer \$70,000 Worth of the
Stock in Association to Enable
More Homes to Be Built

At a meeting of the officials of the Grand Haven Home Building and Financing Association held recently, several decisions were made in regard to stock sales and arrangements for loaning money to people who are desirous of building homes. The association has been doing very good work along this line in the past and the greatly increased number of former outsiders who are now located in Grand Haven in their own homes may be directly traced to work of the Home Building and Finance Association.

At the meeting it was decided to sell \$70,000 worth of stock that is in the treasury in order that the demands of individuals who are wishing to construct homes, may be met. The stock will be offered to the public and a committee under the chairmanship of Morton H. Luce will put on a campaign to dispose of it to Grand Haven people.—G. H. Tribune.

ALLEGAN CELEBRATED FIRE ANNIVERSARY

Monday the city of Allegan celebrated the 39th anniversary of a most disastrous fire, when the entire business section of that town was burned, doing damage of over \$50,000, which was a severe loss in those early days. Holland was called on for aid and one of our hose cars, a two-wheel affair, was dragged onto a flat car and the old C. & W. M. switch engine pulled the Holland fire laddies to Allegan in 35 minutes. Mr. Nye, father of Fr. George Nye, of Holland, was chief of the fire department at that time.

The contract has been let for a fine new business building on the corner of Eighth street and College avenue, the site that has for many years been occupied by a little one-story wooden building now occupied by the Stokette Tire Shop. This is one of the very desirable corners in the city for business purposes, and it was acquired some time ago by W. C. Walsh whose faith in Holland business real estate has caused him to purchase a number of business sites the past few years and who has during the past year or two begun erecting business buildings on them.

The contract for the new building has been let to A. Postma. He will erect on the beautiful corner site, as soon as the old tire shop has been removed, a fine two-story brick building that will be wide enough to make it suitable for two stores. It will be a modern business building in every respect and it will add a great deal to the appearance of that corner.

The tire shop is to be vacated in the near future and work on the new

structure will begin as soon as possible. The contract calls for the expenditure of approximately \$15,000 but this will not cover the full cost of the building, as plumbing contracts and other such items are not included.

Mrs. H. Kiekintveld, formerly of Overisel, died at the home of John VanderWall at Zeeland. Funeral service was held from the undertaker's chapel at 12 o'clock, Zeeland and later at the Overisel church. Interment was made at the Overisel cemetery Monday.

On Wednesday night she attended prayer meeting services, and after the meeting she paid a visit to friends. Death came about three o'clock Thursday morning.

The deceased is survived by her husband and one son, Lloyd Conkright, of Kokomo, Indiana. Mrs. Douma was 61 years old. Hurrah for a big fruit year again! Right now conditions are fine. Of course there is danger from the late frosts or cold rains during the blossom period. H. B. Crane has taken peach and cherry buds from all over his orchard and kept them till now they are in blossom, and nearly every bud is a live one. Every variety as tested shows up nearly 100 per cent perfect. Many others report fine prospects.

The Daily Globe, of Shelby, Ohio, contains a story of a new furniture factory in that city which is part of the United Furniture Factories Co., with plants in Holland, Seymour, O., Gallipolis, Ohio, and Shelby, Ohio, and of which Percy Ray is the general manager. That the new concern in Shelby is prospering is shown by the writeup:

"Everything is activity and hustle at the plant of the Shelby Furniture Co. A few weeks ago the doors were closed and locked and had been in that condition for many months until the United Furniture Factories Co. with factories at Holland, Mich., Seymour, Ind., Gallipolis, Ohio, took hold of the Shelby plant and transformed it into a bee hive of industry."

"M. S. Freeman, general manager of the local plant, is now working about sixty men and advertising for 15 more and hope to build the force up to 125 men. In the meantime the walnut bed-room suites are going out of the plant at the rate of 15 a day. When the force has been increased it is planned to turn them out at least 25 per day. Each piece is given about eight coats before it is finished. The first is a coat of stain that is brushed, coat of wood filler, sprayed with a coat of undercoat, sanded down, sprayed with a coat of varnish sanded down and sprayed with a finishing coat of varnish. This is oil rubbed and the suite is completed and ready to be shipped."

"General Manager Percy Ray of Holland, Michigan, was in Shelbyville recently and set the mark for the local plant at 150 walnut bed room suites per week. Mr. Freeman states that they are now turning out 15 suites per day. The company has orders for thousands ahead and when you look at the beautiful walnut suite of four pieces you do not wonder. The four pieces consist of the bow-end bed, chiffonade, vanity dresser. And it is one of the best constructed pieces of furniture Shelby people have ever seen."

The Holland Independents have again organized for the coming season. Spriggs Te Roller who has managed the team for the past four or five seasons was again elected for this year. The personnel of the team will be practically the same as last year with a possible one or two exceptions or unless some of the young blood expectation to try out can show up the veterans. Steggerda who had such wonderful form toward the end of last season is not at all sure of coming back while Poppen who also showed exceptional form for his first year in fast semi-pro ball has expressed a desire to try the game out west and therefore probably will not appear in Holland uniform. To guard against this problem lines are out for a fast twirler and in case both last year's twirlers decide to go elsewhere the fans can expect to have the pitching well taken care of.

FILING OF PROPERTY VALUATION FURTHERS TELEPHONE MERGER

Amalgamation of the Bell and the Citizens' Telephone properties in Western Michigan advanced one more step today when the engineers of the public utilities commission filed their schedule of the valuation of the properties to be taken over. The list totalled about \$5,575,000. This is about \$200,000 less than the original cost, but about \$300,000 more than the estimate of original cost less depreciation. In addition to the physical properties, the figures cover the paper representing the value of the Jackson franchise.

The step concluded all but the final orders of the public utilities commission making the transfer. It is the opinion that the large detail of work necessary in the office of the utilities engineer before this order issued can be completed in two weeks or three at the utmost. One possible cause of delay is that the city of Grand Rapids has asked for a chance to study all of the figures before the final change is made.

WOULD GIVE PRISON TERMS TO WIFE, CHILD DESERTERS

Penalties for deserting a wife and minor children would be made more severe if the legislature approved the bill of Howard Baxter of Kent county. He would establish prison terms of from one to five years and county jail terms of from six months to 3 years as alternative sentences.

JESUS CROWNED WITH THORNS

Matthew 26:27-31

After Christ had been brought before Caiaphas and the Sanhedrin the Jews in the early morning brought him before Pontius Pilate and demanded of him to sentence Christ. We know what transpired there. How Pilate wavered and seemed inclined to release Him. We know how he was warned not to pronounce judgment upon this righteous one. We know how he sought to evade the issue by sending Jesus to Herod and how he failed in doing this. We know how he chose to submit to the will of the rabble that had been gathering force and urged the crucifixion of Jesus, by allowing the multitude to choose between Jesus and Barabbas. Pilate may wash his hands and contend that he is innocent of the blood of this just person but before the tribunal of conscience and above all before the tribunal of God he is guilty. Guilty of the sentence he pronounced, guilty because he allowed the mockery of the Son of God to go on unhindered, guilty of all that takes place until Christ utters the memorable words, "Father, in Thy hands I commit my soul."

Before taking Jesus to Calvary for execution many things must happen. After Pilate had pronounced the sentence Christ was given into the hands of the soldiers. These soldiers knew that Jesus had confessed that he was a king. This confession irritated these soldiers of the Roman empire. They could not tolerate the least evidence of a possible insurrection and resistance against the Roman empire. They will teach Christ by experience how foolish it is to cultivate such an erroneous and impossible idea. They are furthermore impelled by the motive of beastly satanic anger against Him who has been delivered in their hands.

The first thing these soldiers did after they were gathered in their pavilion was to strip Him of his clothing and garb Him in the purple robes which were the marks of esteem. Purple was the color of the Emperor's robe, great men of the state and the chief officers of the army.

But the purple robe is not all that is now needed to mock our Saviour. They know that a king should wear a crown and therefore they hastily plait a wreath into shape to be used as a crown for the occasion. This crown was placed upon His brow and then pressed down making fresh wounds. Imagine these briars forced into the flesh of our dear Saviour on no account of his but he only suffered all this for the salvation of His people. Yet this is not all. There is one thing which is still lacking. The kings always hold a sceptre which is symbol of authority. Thus the soldiers also give Christ a sceptre in the form of a reed which surely did not typify the solidity of His Kingdom. Thus the mockery becomes complete.

How does Jesus endure all this? Not a single complaint is heard. He bears it all in silence and allows them to despise His King. Under all this His long suffering and humbleness is very marked. You might ask—Why does he not command a legion of angels to deliver Him out of their hands? Why did He not cause the earth to open its mouth and swallow up his cruel tormentors and seal their doom forever? He could have liberated himself in a moment and they all would have been vanquished. But He did not. He came to fulfill the demands of the Law. He came to do the will of the Father. His prayer in Gethsemane was: "Not my will, but Thine be done."

Thus alone and only can He obtain the victory and deliver His own from the terrible enslavement of sin and death. Thus He bears all in order that He might deliver those who are under the power of sin and death. This mockery of Jesus has not deprived Him of anything. They might despise but that does not alter His Kingship.

After these soldiers had completed their mockery, they jerked the red-sceptre from His hand and smote Him with it. Then they took the purple robe off him and put His own raiment on Him and led Him away to be crucified. Remember the crown of thorns remains. It is not removed. Crowned with thorns, he bears His cross on the way to Calvary. Crowned with thorns, he is nailed to the cross. Crowned with thorns, he bears his punishment of sin and merits eternal righteousness. The crown of thorns remains and it reveals to us what sin has caused Him to suffer on our account.

Thus He is crowned with sin and shame to redeem us and merit the crown of life for His own.

DAMAGE DONE BY BABY CYCLONE IN THIS COMMUNITY

A baby cyclone struck Holland and vicinity during the night between Sunday and Monday and a great deal of damage was done. Not all the reports of the havoc caused by the storm are in but enough has been reported to show that the community surrounding Holland suffered heavily.

The North Holland-Noordeloos district seems to have had a good share of the storm. The barn of G. H. Looman of North Holland, was completely wrecked. A considerable part of the structure was swept across the road by the wind and the wreckage made the highway almost impassable until it had been cleared away. Another barn in that community, the property of Mannes Laarman, was partly wrecked, a part of the roof being swept away by the wind.

The telephone companies suffered great loss. One man coming from North Holland counted more than 50 poles that were down in a single half mile stretch on the Waverly road; and in other sections many poles were down and the wires broken. It will mean a heavy expense to the telephone companies to get the lines in shape again, but the work was started immediately Monday morning to prevent interruption of service as much as possible.

Many trees were badly mutilated by the wind both in the country districts and in Holland. Many a branch was lying on the ground Monday morning, Centennial Park trees being among the sufferers.

Holland's store windows also suffered from the wind. The window of the John Y. Huizenga store on River avenue was broken. Two large windows in Masonic hall on the 3rd floor of the Holland City State bank building were smashed, as was one large window in the Bell Telephone Co. office, and one show window in the George Heidema store.

Peter Wanstrom, night watchman at the Holland Canning Co., was injured when a window and sash in the company's plant was blown out hitting him on the hip and severely injuring him. He was taken to his home and given medical attention.

A building of a lumber company at Harlem was also partly destroyed by the wind.

View of Holland Country Club on Hill Top From Elm Trees

Above is a beautiful view of the new Holland Country club as it appears on the brow of the hill from under the large elm trees found in the course.

The contractors have practically finished the building and early this season the wonderful course will be in shape for the golf fans.

The club starts off with a nine, hole course and already early last fall a complete sprinkling system was installed and the putting greens were sown with fescue grass and it is expected that early this spring the grounds will be in excellent shape.

The golf grounds are large enough for an 18-hole course with room to spare for tennis, croquet and an athletic field.

There are 165 acres in the tract with Black river winding itself thru it which golf experts claim is especially desirable in a golf course.

HOLLAND COUNTRY CLUB GETS MANY FINE GIFTS

The regular annual meeting of the Holland Country Club stockholders held Friday evening at the Holland Furnace Co.'s fine appointed hall was turned into a banquet for members and their ladies and as such it proved to be a huge success.

Fun was interspersed with business to such an extent that the crowd of more than 200 in attendance at the meeting demonstrated by its hearty and long continued applause and the frequent giving of rousing cheers that the Holland Country Club is off to a splendid start at the beginning of the second year's activities.

During the dinner which was excellently prepared and capably served by the Holland Furnace Co. girls, banquets were entertained by radio connections being made with broadcasting stations in Chicago, Pittsburgh, St. Louis and Kansas City. The meeting was then called to order by the president, James De Pree, who kept the audience in excellent humor by his semi-serious account of a dream, in which he pictured the Country Club as a source of pleasure, amusement and recreation for all of its members, young and old, and their families even to the youngest of the children. Every known outdoor game including baseball, tennis, horse shoes, archery, croquet, as well as golf were included in the inventory of sports outlined by the president of the club, and the children were not overlooked in promises of skating, coasting and other forms of outdoor life adapted to them. This talk presented in a forceful, clear, and interesting way the prospective activities of the club.

The next speaker was Mr. A. H. Landwehr who was given three hearty cheers as he rose to speak following the announcement of the president that for the Holland furnaces installed in the Country Club he has presented a receipt in full instead of a bill to the club. Mr. Landwehr carried out the same half humorous and half serious vein in his talk that was followed by Mr. DePree.

Other speakers were Mrs. G. J. Diekema, of the house furnishing committee, Frank Lieveens, who gave an excellent talk on archery, Rev. P. P. Cheff, who told humorously of his early experiences with the game of golf, and C. Vander Meulen, who also presented the treasurer's report, showing the club to be in sound financial condition.

Donations for furnishings for the club house included a check for \$100 from the Holland Shoe Co., announced by Mr. F. T. Whelan, a phonograph and furnishings for the Ladies' locker room from the West Michigan Furniture Co., announced by Charles Kirchen; furniture and furnishings from the Ottawa Furniture Co. announced by James De Pree; a desk and other furniture from the Bay View Furniture Co., announced by George Pelgrim and a Bush & Lane piano from the Bush & Lane Piano Co., announced by W. H. Beach.

A beautiful Colonial Hall clock from the Colonial Co., representing the donation from the Zealand members, announced by C. J. Den Herder, a member of that company.

Glass mirrors, and they are all beauties, announced by B. P. Donnelly for the Donnelly-Kelley Glass Co. of Holland.

Mrs. G. J. Diekema announced that the committee of which she is chairman received contributions before the banquet amounting to \$500.00 while Mrs. Nathaniel Robbins, Jr., announced contributions of \$100.

The announcement of all these contributions met with hearty applause from those sitting around the

The new County Club building is wonderfully located on the hill-top and a prettier landscape to the east and north would be hard to find anywhere in Ottawa county.

Large spreading elm trees dot the course here and there and these together with the winding rivers make one spot a place of beauty.

Besides a spacious veranda around the entire building, up-to-date facilities for grill room, banquet hall, rest rooms and other conveniences incident to a building of this kind are to be found in the club house.

Expert golf enthusiasts from the outside who are connected with or visited most of the courses in Michigan and who have also seen the Holland course, state that this city can be proud of its beautiful property for nature has made a golf-grounds that is hard to surpass anywhere.

festive board.

During the course of the evening excellent musical selections were rendered by a quartet composed of TerBeek, Vander Meulen, Diekema and Page, accompanied on the piano by Mrs. R. H. Page. The Hope College Dramatic club put on a one-act skit entitled "At the Movies" which was rendered with unusual talent by every member of the cast and which was exceedingly well received by the banqueters.

At the business meeting it was voted to call in the initiation fee of \$10 at once and to begin payment of dues with the second quarter of the year beginning April 2. C. Van der Meulen, Dick Boonstra and Chas. Kirchen were elected to the board of directors.

The meeting closed with an excellent talk to the members by Hon. G. J. Diekema.

PRETTY WEDDING IS SOLEMNIZED

A very pretty wedding was solemnized Friday evening at the home of Mr. and Mrs. John Nyboer, when their daughter Margaret was united in marriage to Mr. Carl Burma, son of Mr. and Mrs. K. Burma. The bride was beautifully attired in white canton crepe, and the couple were accompanied by Alice Nyboer and Mr. Henry Nyboer, sister and brother of the bride, and marched in to the strains of Lohengrin's Wedding March, played by Henrietta Nyboer. Little Ruth Jane Nyboer acted as flower girl. The marriage ceremony was performed by Rev. J. F. Heemstra. The rooms were artistically decorated in pink and white, which were also the colors of the beautiful bouquet of roses, and carnations worn by the bride. After the ceremony was performed, an elaborate wedding supper was served. The newly married couple will make their home in Holland.

HOLLAND MAN SAW TERRIBLE ACCIDENT ON P. M.

Two men were instantly killed on Thursday afternoon in an auto and train crash at Bridgman, 12 miles south of St. Joseph. The dead are: William Nimtz, 30, of Baroda, and Harry Smith, 35, of Bridgman. Both are married.

The Ford car driven by Smith was struck by a Pere Marquette passenger train. They were carried eighty feet down the track and thrown against a pile of discarded steel rails. The tragedy occurred in the heart of the village. Witnesses claim the engineer sounded his whistle and also the swinging signal bell was ringing.

Wm. Vanden Berg of the Vanden Berg Oil Co. was on the train when the terrible accident occurred and saw the two men who were killed and the wrecked auto.

BOYS COULD CRANK BUT FORGOT TO SHOVE OR LIFT

Albert Nelson and Earl Bushee both of Pennville are minus a Ford. As they were crossing the Pere Marquette track, the motor stopped dead and after considerable efforts they failed to get the auto started. Along came a heavy freight about that time and demolished the car completely. It is stated that one of the boys made a last try with the crank even as he saw the train approaching and his persistence nearly cost him his life.

Apparently did not occur to the young men to lift Lizzie off the track bodily and heroically save the poor thing's life.

KNICKERBOCKER IS SOLD BY MICHIGAN TRUST COMPANY

A deal has just been closed whereby the Knickerbocker Theater has changed hands. G. Buis, who conducts an upholstery and auto trim shop at 139 East 14th street, is the buyer. He made a deal with the Michigan Trust company, the firm that has been the owner of the building for several years.

Mr. Buis has not made up his mind what he will do with the building. He plans to have experts look it over with a view of determining what it is best fitted for. It is possible that it may be fixed up so as to make two store buildings, or if it should prove to be better adapted to a single store building, it is possible that that may be decided on. Still another plan is to convert it into a high class moving picture house. What is finally to be done will depend on the report after the investigation.

The Knickerbocker Theater was built about a dozen years ago. The original cost of the ground and the building is said to have been something like \$300,000, but the building has been something of a white elephant from the beginning. It has been vacant for a very large part of the time since it was built, and its sale to some one who will convert it into a place of business is a piece of good news to that section of the city.

JAMESTOWN WOMAN ENTERS POLITICS

Women are entering politics even in the country districts. Jamestown township has a woman candidate for township treasurer in the person of Mrs. Hattie Cotts, who is making a bid for nomination on the Republican ticket. If her advertising Mrs. Cotts is asking for the support of the voters on the ground that she is a widow with six orphaned children.

Miss Ruth Mulder left Saturday noon for a few weeks' visit with friends in Chicago and Waukegan, Illinois.

James De Pree has just returned from a business trip to Chicago.

A description of one of the newer republics in Central Europe was given Tuesday evening at the meeting of the Social Progress club held at the home of Mr. and Mrs. Henry Winter. A paper on "Czechoslovakia" was read by Prin. J. J. Riemersma and this paper was packed full of information about that people. Mr. Riemersma became interested in the people of this little republic while he was in France during the war, when he saw their soldiers in action and learned to have a very high respect for them. This led him to a study of the country, its history

and resources, and the result was the paper read Tuesday night.

Mr. Riemersma had gathered a great many interesting facts about the people, not the least interesting of which is that the percentage of illiteracy is extremely low, showing that the people are highly intelligent. Mr. Riemersma described them as the cementing nation that is likely to prevent the rest of Central Europe from falling to pieces.

Signs of Spring

Bring with it

A DESIRE FOR HOME BUILDING

The desire for a Home cannot very well be satisfied when the "wherewith" is lacking. The man who, because of a little forethought, started a savings account, laid better than he thought possible at the time, but with all he built, figuratively speaking, the foundation upon which his future abode is to stand.

Put away a few of those wasted dollars and build yourself a dollar pile that can in the near future be utilized as the foundation for your future home, a place that you can call your own and one that you can improve from time to time, thereby adding to your holdings instead of giving your earnings to the landlord.

PRIMARY TANGLE ON SUPERVISOR VOTE CREATES DOUBT

Simon Kleyn and Peter G. Damstra received the highest number of votes in the primary election for supervisor, and if only one candidate were to be nominated those two would be the nominees in the April election. But in view of the fact that two are to be elected, all four candidates in the primary may go on the April ballot.

The city charter is not very clear on this point. City Attorney Mc Bride gave an opinion on a similar primary tangle in 1915 and repeated the opinion in 1916, and although there are probably some points of difference, that opinion seems to show that in a case like this where there are four candidates for nomination for two vacancies, all four will go on the ballot, unless two of them have a clear majority of all the votes cast, in which case the nomination would of course mean an election.

Whether or not Kleyn and Damstra received a "clear majority" is the point at issue, and whether or not the primary constituted an election will depend on how it is decided. It is argued by those who claim Kleyn and Damstra were elected that the total vote in this election was not 2823, the total of the votes of all the four candidates, but approximately half that number, since each voter was allowed to vote for two. The thing to do, according to those who hold this view, is to count the number of actual ballots cast for supervisor in the wards, and use that number to determine whether or not Kleyn and Damstra each received more than fifty per cent.

Simon Kleyn received 949 votes, Peter G. Damstra 740; Edward Van den Berg 610 and Henry Vander Warf 524. The total vote was 2823. Ward 524. The vote by wards was:

Wards	V D V D	Kleyn	Damstra
1	95	113	192
2	48	46	65
3	142	97	170
4	84	73	116
5	63	105	177
6	92	176	229
Total	524	610	949

Casper W. Nibbelink, city assessor for a number of years, and John H. Dea Herder, former county treasurer, were nominated as candidates for city assessor Tuesday in the primary election and their names will go on the April ballot. Nibbelink polled by far the largest vote of the four candidates that were running, receiving a total of 350. Dea Herder, who had the next highest number, polled less than half Nibbelink's total, namely 419. Harry Kramer was third in the race with 357, and John J. Rutgers came last with 312 votes. The total number of votes cast for assessor was 1338.

A great deal of interest was shown in this contest and there was much curiosity about the result when the polls closed and the votes were being counted. A reasonably warm campaign had been held and some of the candidates had been putting in some hard licks. The result by wards was as follows:

Wards	Kramer	Rutgers	Nibbelink	Dea Herder
1	49	80	144	89
2	26	36	58	32
3	44	42	158	73
4	83	67	213	77
5	114	62	143	84
6	41	25	134	64
Total	357	312	850	419

Dirk Hensen and Henry Brusse were nominated for member of the board of police and fire commissioners at Tuesday's primaries, neither one of them received a majority of the vote cast and both of them receiving more than 25 per cent of the total vote. James A. Brink, the third candidate for the office, was eliminated, his total being less than the necessary 25 per cent. Hensen led the field with a total of 971; Brusse was next with 612; and Brink was third with a total of 310. The vote by wards was as follows:

	Brusse	Hensen	Brink
1st	125	147	51
2nd	30	97	14
3rd	148	115	39
4th	130	230	43
5th	115	164	98
6th	64	118	65
Total	612	871	310

All the aldermen but one were elected at the city primary Tuesday; in five of the six wards the nomination also meant election. The single exception was in the fourth ward where Charles Dykstra and Alex VanZanten each had 179 votes. It is very seldom that two candidates poll exactly the same number of votes, as was the case in this ward. In the first ward, with three candidates running, Albert P. Kleis polled 249 votes, Benjamin Meraman 62, and Bert Slaght 40. Kleis having considerably more than fifty percent of the votes cast is elected and will not have to stand for election in April.

In the second ward the veteran Frank A. Brieve had an easy time of it, polling more than twice as many votes as his opponent George Kotean. Brieve's vote was 102 and Kotean's 53.

In the third ward Nick Kammeraad made almost as good a record as Brieve did in the second. Kammeraad is also a veteran in the council and he is at present at the head of one of the most important committees in the council, that of streets and crosswalks. He was given a vote of 196, while his opponent Martin Vander Bie received 117 votes.

In the fourth ward Oscar Peterson ran away from all opponents, outdistancing them so far that they hardly knew they had been running. Peterson received 354 votes. The vote for Joseph E. White was 64, Edward J. Zwemer 10, and Peter James Bor 9.

The only aldermanic candidates that will come up for decision in April are Charles Dykstra and Alex

Van Zanten in the fifth ward, each receiving 179 votes. The third candidate in that ward, Pearl L. Barre received 49 votes. In the sixth ward Arie VanderHill the present incumbent, received 155 votes and Peter Wierda 112.

For four of the offices in the primary Tuesday there were no contests and hence the candidates on the primary ballots were elected. These four offices were for city clerk, city treasurer, justice of the peace and member of the board of public works.

For city clerk, Richard Overweg polled 1819 votes; for city treasurer, Mark B. Bowmaster polled 1711; for justice of the peace, Wm. Brusse received 1526; and for member of the board of public works, James De Young received 1617.

All the constables, except in the sixth ward were also without opposition. Wm. Woldring was elected in the first with a vote of 270; Louis D. Bowman in the second with 116; Gerrit VanHaften in the third with 216; H. Vander Hill in the fourth with 2; Morris Spyker in the fifth with 321; Thomas Smeenge in the sixth with 135, defeating Peter Van der Wege whose vote was 113.

STEPS TAKEN TO FORM FRIESIAN SOCIETY HERE

Illness which confined him to his bed in Grand Rapids prevented Bonne Rjoukes Hylkema, Friesian novelist and dramatist, from coming to Holland Monday evening to deliver an address in the Friesian language in Odd Fellows Hall. His place was taken by John H. Schaafsma, president of the Grand Rapids Friesian society, Frieso, and also president of the H. O. H. in Grand Rapids. Mr. Schaafsma was accompanied by 38 members of the Grand Rapids organization who came to Holland in a special car.

The Odd Fellows Hall was crowded, more than 200 of Holland's Friesians and descendants of Friesians being there to enjoy an address and songs in their native tongue. Mr. Schaafsma, delivered an interesting address and called upon his audience to take a vital interest in their native language which is one of the oldest languages in Europe and which is closely related to the English, many Friesian words being almost identical with English words.

The thirty-eight visitors from Grand Rapids had taken their Friesian song books along with them, and they furnished the music for the evening. All in all, it was an interesting entertainment for those who had almost forgotten their native tongue.

The local Friesians were encouraged by the meeting to take preliminary steps for the formation of a Friesian society in Holland. A committee was appointed, composed of P. F. Koopman, Jacob Oosterbaan, Bert Sweering, and John Van Dyke to make the arrangements for the formation of such an organization. This committee will draw up a constitution and take such other steps as may be necessary. If the society is formed here it will be a branch of the parent Friesian society in the Netherlands of which Mr. Hylkema is the president. It will be the fifth such organization formed in America.

R. E. Ure from the poultry department M. A. C. will be the speaker at the poultry institute to be held at the Vriesland Town hall, March 23, at 1:30 P. M.

As Vriesland is situated about equal distances from Forest Grove, Zeeland and Holland, poultrymen of these districts should be able to attend. Many of the poultrymen have met Mr. Ure and like him as a speaker. County Farm Agent Milham urges Holland Poultrymen to make the trip.

GAINS THOUSAND NEW MEMBERS THE PAST YEAR

The annual report of the Ottawa County Sunday School association was made Wednesday and it shows that the organization has grown in enrollment during the past year by approximately one thousand scholars. There are 73 schools in the county, with a total enrollment of 12,671 scholars, 1106 officers and teachers, average attendance 10,650. The county is divided into five districts and the report gives the statistics for each one of them. Grand Haven is District No. 1 and it has ten schools, 189 teachers and officers, 1872 scholars, 1492 average attendance, five Cradle Rolls with a membership of 232, three Home Departments with an enrollment of 186.

Coopersville, District No. 2: 15 schools, 160 teachers and officers, 1556 scholars, 1145 average attendance, five Cradle Rolls with an enrollment of 52, three Home Departments with an enrollment of 72.

Holland, District No. 4: 24 schools, 480 teachers and officers, 5987 scholars, 5075 average attendance, eight Cradle Rolls with an enrollment of 403, four Home Departments with an enrollment of 159.

Zeeland, District No. 5: eight schools, 142 teachers and officers, 1868 scholars, 1600 average attendance, two Cradle Rolls with an enrollment of 97, one Home Department with an enrollment of 34.

The next convention of the county association will be held in the Trinity Reformed church in Holland and will cover two days. The officers of the association are: president, George Schuiling; V. P., J. C. Lehman; 2nd V. P., George F. Marshall; sec.-treas., A. A. Niemhuis, District superintendents are L. Van Appledorn, A. Lahuis, J. W. Ver Hoek, H. P. Stegeman, and George F. Marshall. Department superintendents are: Mrs. E. Walvoord, Mrs. B. Lubben, Mrs. A. Van Harten, D. Boter, J. J. Bolt, Miss H. Warnshuis, A. Lahuis, J. Vander-

MERCHANTS TO HAVE HALF HOLIDAY THIS SUMMER

"All work and no play" doesn't go with the merchants of Holland, at least that seemed to be the sentiment at a meeting of the Merchants' Association Tuesday evening.

For some years the question of closing for a half holiday in the summer time has been rife. Grand Haven merchants close Wednesday afternoons the year around; Zeeland store keepers have their half holidays for four months during the summer, selecting Wednesday afternoons also.

The back street merchants of this city have been having Thursday afternoons off during the summer months for the past four years, but the Eighth and River street business men could never come to the proper agreement.

However at a recent meeting held, Joe Kooiker, Milo DeVries and Thos. White were placed on a committee for the purpose of finding out just how the down-town merchants felt on the proposition. In the canvass made 41 business men were for closing on Wednesday while nine did not favor it. The nine however stated that they would fall in line if the majority of the businessmen favored the half holiday during the summer.

At Tuesday evening's meeting, Mr. Kooiker submitted his report and asked for its adoption, namely, that June, July and August be set aside as the half holiday season. There was considerable discussion on the advisability of three months so it was finally decided to at least this year start out with two months, namely July and August.

A committee was also appointed to confer with the backstreet merchants to see if they are not willing to fall in line and change their half-holiday to Wednesday afternoon instead of Thursday afternoons.

Chairman Austin Harrington appointed the same committee to look after this matter.

The Holland Merchants' Association are going to take up the proposition of a new depot with the officials of the Pere Marquette, as advocated by the local press.

The businessmen feel that Holland is entitled to due consideration at the hands of the railroad when it is understood that the Pere Marquette is taking more than a million dollars in freight and passenger business out of Holland annually.

The merchants ask that all other civic bodies join in this movement and thru co-operation no doubt, considerable may be accomplished along this line.

Secretary Beuwkes was instructed to draw up proper resolutions and send them to President Alfred, at least for a starter.

COMMON COUNCIL.
Holland, Mich., March 7, 1923.
The Common Council met in regular session and was called to order by the Mayor.

Present: Mayor Stephan, Alds. Blue, Brieve, Drinkwater, Kammeraad, Laeppe, Lawrence, Brinkman, Dykstra, Wickerling, Vander Hill and Sprang, and the Clerk.

Resolutions and Accounts.
The Holland Engine Co. petitioned as follows:

"Recently we disposed of our foundry property to Mr. F. P. Parish of Chicago, Ill. When this foundry was built, it was constructed largely for our own use, requiring no store-room or warehouse for castings to make up carload shipments.

Mr. Parish expects to do a considerable outside business, and in addition to the foundry proper, also needs a store room. A building of this kind should be located near the P. M. track at the foot of Fourth Street, in order to facilitate shipping.

Now, Mr. Parish, we petition your honorable body for the privilege of constructing a building for the purpose mentioned to occupy the north half of Fourth St. where it adjoins the P. M. track.

An early consideration of this request will be appreciated."

Referred to the Committee on Streets & Crosswalks.
The committee petitioned for permission to place building material on the street at the northwest corner of Central Ave. and 15th St.

Referred to the Committee on Streets & Crosswalks with power to act.

News was received in Holland on Sunday morning of the death Saturday night in Louisville, Ky., of Mrs. Henry E. Dosker. She had submitted to a serious operation last Monday and although her condition had been critical, it was reported on Friday that she was improving. She passed away of heart failure on Saturday night.

Mrs. Dosker had a large number of friends in Holland. She made this city her home during many years while her husband was pastor of the Third Reformed church and later a member of the faculty of the Western Theological Seminary. For many years now the Doskers have been living in Louisville, where Dr. Dosker was a member of the faculty of the Presbyterian Seminary. Their summers were spent in a cottage at Central Park.

Mrs. Dosker is survived by her husband; three sons, Nicholas of Louisville, Richard of Matsuyama, Japan, and Cornelius of Grand Rapids; two daughters, Mrs. B. M. De Pree and Mrs. Harris Meyer, of Holland; two sisters, Mrs. Peter Koke of Los Angeles, Calif., and Mrs. Dan Steketee of Grand Rapids; and two brothers, Rudolph Doornink of Grand Rapids and Will Doornink of Kalamazoo.

The funeral was held on Wednesday afternoon at 1:45 at the home of Mrs. Dan Steketee, College avenue, Grand Rapids, and at 2:30 at the Central Reformed church in that city.

A big attraction at the high school basketball game Friday evening in the high school gymnasium was the well master. Holland had perhaps the most unique yell master in the state in the person of seven-year-old Lester Van Tatenhove. Dressed in white, the little boy led the crowd in their rooting, and his work was most effective. He has been serving as yell master at games for the past two years.

The efforts that have been made the past few years to get automobile owners to secure their license plates in time for the new year seems to have borne fruit. There was a time when auto owners continued to trail along all during the first three months of a new year and arrests were rather frequent. But this year for the first time it has been unnecessary for the local police department to make an arrest for this cause or even to reprimand any auto owner for failure to secure a license. In view of the fact that more than two months are gone of the new year it is assumed that the record will remain clear.

And to make the record all the better, this was an unusual year. Because of the fact that auto owners could not get licenses until they had their certificates of ownership, there was much confusion and delay, so much so that the secretary of state allowed a month of grace to auto owners. But it was believed that even at the conclusion of this period, there would be many who had not obtained the necessary license. But whatever the case may have been in other parts of the state, in Holland the auto owners were prompt.

The work of securing the necessary license this year was much expedited by the appointment of the city clerk as a deputy. This method made it easy to get a license and it eliminated much unnecessary delay.

Arminia Routsaw, 15, daughter of George Routsaw, living a mile west of the Grand Rapids city limits on Grandville road, was in Blodgett hospital Saturday night with her hips crushed in consequence of an automobile accident Saturday afternoon.

While the girl and a brother were approaching their home in a touring car in which they had driven from Grand Rapids, she jumped out and ran behind the car. Apparently she stepped from behind the auto and was hit by a truck driven by John Franzburg, of 269 E. 9th St., Holland, a commission merchant.

The Franzburg truck, loaded with cabbage and weighing nearly four tons, passed over the girls body, before the driver could check it. The girl was hurried to the hospital by a passing driver. Sheriff W. L. Smith and Deputy Edward Linkfield questioned Franzburg regarding the accident.

Miss Routsaw's condition last night was reported to be serious.—G. R. Herald.

Mr. and Mrs. Harm Knoll, 202 W. 16th street were pleasantly surprised Saturday evening by all their children and grandchildren, numbering 36 in all, the occasion being their birthdays. Mr. Knoll is 67 years old and Mrs. Knoll 66 years. Mr. and Mrs. Knoll have lived in Holland practically all their lives and have a wide circle of friends. Mr. Knoll having been in the meat business for a number of years. Mr. and Mrs. Knoll were the recipients of many beautiful gifts. Those present were Mr. and Mrs. Harm Knoll, Mr. and Mrs. John Leonard D. Knoll and family, Mr. and Mrs. Peter Wierda and family, Mr. and Mrs. Ray Knoll and family of Muskegon, Mr. and Mrs. John D. Eschbager and family, Mr. and Mrs. John Bremer. Dainty refreshments were served.

The alumni game Saturday night in Carnegie Gymnasium closes a very successful season for the Hope team. It marked the end of Joldersma's career on this team, and his loss will be keenly felt. His steady, stone-wall guarding has ever been a terror to opponents and a boon to the Orange and Blue, while his spectacular long-distance shooting during a crisis has more than once turned a game in Hope's favor. With this exception the entire team is expected back next year and the people of Holland in turning out at all next season's games may well feel assured that they will be supporting a championship team.

Born to Mr. and Mrs. Leon L. Mulder, at Butterworth hospital, Grand Rapids, a son.

The Republican caucus of Holland township was held Saturday afternoon in the town hall with 140 voters present. There was only one contest, that being between John Y. Huienga and Peter Vander Ploeg. Huienga won out with a total vote of 95. A curious fact about the caucus is that a father and son won two of the offices; Charles Eilander was named township clerk, and his son John Eilander was nominated for township treasurer. Other officers named are: Henry Plaggemars, highway commissioner; Paul Schilleman, justice of the peace; Gil Vogel, member of the board of review; Rinck Van Til, John B. Bouws, Albert Diekema, and Ralph Raak, constables.

Howard Priest, 13-year-old Allegan schoolboy, carried out his promise to go to the Great Beyond. The mystery surrounding the boy's disappearance on Jan. 2, when a note was found which bore Howard's name and said he was "going to heaven," was cleared Thursday.

Victor Alles, veteran Kalamazoo fisherman, raised one of his nets below the dam to find the boy's body caught in the meshes. He summoned the deputy sheriff and the corpse was identified. The mother was notified.

A statewide search had been conducted for the boy. But all clues to the boy's whereabouts failed, and although rewards were offered by the lad's mother to stimulate the search, no trace was ever found of him.

"I've been a bad boy. Good-bye. I'm going to heaven!" These words on a note found by the mother caused the officers to believe that the lad ended his own life.

Many reports of the appearance of the boy in different places in the state proved unfounded. The father even made a trip to the upper peninsula, because of one of these false reports.

Simple funeral services were held at Allegan Sunday for Howard Priest, 13, who was drowned in the Kalamazoo river. His body was found last Thursday after he had been missing for two months. Overstudy is believed to have been responsible for the temporary mental condition, which it is believed drove the youth to take his own life.

The only contest in Allegan county at the primaries held Wednesday was the county school commissioner. Mrs. Rena Goodrich, the present commissioner, lost to Gurt Fales, superintendent of Wayland schools by 1,050 votes. Judge O. S. Cross was renominated in the Allegan-Ottawa circuit without any opposition.

At the annual meeting of the Zeeland Literary Club the following officers were elected for the ensuing year: President, Mrs. H. Van Harten; vice-president, Mrs. R. Page; 1st vice president, Mrs. W. Glerum; secretary, Mrs. H. Den Herder; treasurer, Miss Gertrude Boer.

The Elizabeth Schuyler Hamilton Chapter of the Daughters of the American Revolution met Thursday at the home of Mrs. Raymond Vischer. Instead of the usual afternoon meeting, a one o'clock luncheon was served and the affair proved to be most enjoyable.

After the luncheon the ladies were entertained with a very interesting stereopticon lecture on "Glimpses of Colonial Life" by Rev. J. M. Martin, Mrs. R. M. Waltz, accompanied by Mrs. Martha Robbins, sang two songs "Dost thou know sweet land" by Thomas, and "Come," by D'Hardelet.

Mrs. Peter Bradford died Thursday evening at Blodgett hospital, in Grand Rapids. She will be remembered by many of the older residents of Holland as Miss Kate DeVries, for years connected with the millinery business at 34 East 8th-st. E. She was a daughter of the late H. De Vries who operated a coopershop at 13 W. Seventh-st. She left Holland some 25 years ago following her marriage to Mr. Bradford in Grand Rapids. The funeral services were held Monday in Grand Rapids and burial took place in Pilgrim Home cemetery, Monday afternoon. Besides her husband she is survived by a brother Jacob DeVries of Chicago, and three sisters, Mrs. H. Werkema, Mrs. H. Bolens and Mrs. C. Baas of Grand Rapids, all former residents of this; also by one son and two daughters of this city.

A new front is to be put into the store building on River avenue occupied by Charles Fabiano. The building is the property of Mrs. D. B. Yntema and she has let the contract to A. Postma to put in a new and up-to-date front that will greatly improve the appearance of the building and that will be a credit to that section of the city. The interior of the store will be redecorated so as to match the appearance of the new front. The work will begin in the near future.

The experience in Wednesday's election when so few voters went to the polls in Holland that it is looked upon as a community disgrace is very likely to lead to action that will make a repetition of such a thing impracticable in the future. No steps have yet been taken, but it is fairly safe to say that before the next county school commissioner is to be nominated the Holland City charter will have been so changed that the primaries for county offices and city offices will be on the same day. This will be four years hence, and so there will be time enough to make the change. Work has been in progress for some time preparatory to a revision of the city charter and the experience of Wednesday's election.

Mr. and Mrs. A. Karsten, 84 W. 16th street, celebrated their 20th wedding anniversary Friday evening. There were forty guests present. Out of town guests were: Mr. and Mrs. B. Houseman, Mr. and Mrs. B. Schols, Mr. M. Houseman, Miss Tena Houseman, Mr. and Mrs. H. De Kraker, Mr. and Mrs. Boegaard. Those who took part in the program were Rev. James M. Martin, Mr. F. Beeuwkes, Adelia Beeuwkes, Jeanette Karsten, Mr. Schoon. Many beautiful gifts were received.

J. P. O. de Mauriac spent the week end with her parents in Chicago.

perience of Wednesday has so vividly called attention to the foolishness of having two elections in the same week that when the charter revision finally gets under way this matter will probably be one of the first that will be attended to.

There is of course no disposition to say that the wrong man was chosen Wednesday, although Holland would naturally have voted for Mr. Stanton. Mr. Groenewoud may be an excellent school commissioner. The personalities of the candidates does not enter in. The thing that counts is that Holland voters seemed to have so little interest in the county's rural schools that they were unwilling to devote a few minutes to registering their choice for commissioner. Holland is considerably larger than Grand Haven, but the city of Grand Haven polled about 200 more votes than did Holland, and even at that the vote at the county seat was so light that it was also a kind of community disgrace.

The vote in Grand Haven city was 314 for Stanton and 325 for Groenewoud. Mr. Stanton carries the first and second wards, but the Beaverdam man won in the other three precincts. Mr. Groenewoud had made a thorough canvass at the county seat, which work seems to show in the returns.

Judy, the main character in "Daddy Longlegs," the coming high school play, is the type of girl that anyone would be glad to know. As the Chicago Record-Herald described it, "sunshine in a pool was languid by comparison with this delightful young lady."

Judy possessed one characteristic which won for her the chance to enter college. This was her ability to stand her ground and refuse to let people bully her. The part of Judy in the play is taken by Harriet Henevelt.

"The play 'Daddy Longlegs' is an welcome and refreshing as a breath from the Tynningham Valley, where it was written" and everyone missing this performance loses an opportunity to see a clean play "with romance pathos and humor."

All high school seniors and some other students as well as Huienga's jewelry store have tickets for sale.

Holland High took a long stride toward state championship Friday night when it administered a neat lacing to the present title holders, score 23-9. Union was completely baffled by Holland's splendid defense and scored but 3 field goals during the entire contest. Van Zanten was the big noise for Holland. Six times this lad slipped through Union's defense and dropped in two pointers. Lineup and summary—

Union	Holland	
Fulgoni	F.	Kleis
Quentin	F.	Vanden Brin
Quentin	F.	Vanden Brink
Harrigan	C.	Van Zanten
Corinth	G.	Hill
Venlet	G.	Lordahl

Field Goals—Harrigan, Fulgoni, Quentin, Van Zanten 6, Vanden Brink 3, Hill 1. Goals from foul—Harrigan 3 out of 8; Kleis 3 out of 5. Referee—Churm, Lawrence. The Holland Reserves continued their winning streak when they took the Union Reserves into camp, the score being 18-9. Jappinga again proved to be Holland's biggest star, while Hessel carried off the honors for Union. The local Reserves have not been defeated by any of the reserve teams this season and Coach Martin has entered this team in the tournament for Reserve team in the held in Grand Rapids.

Western State Normal overwhelmed Hope college at Kalamazoo Friday night 40-14. The Normals led, 14-11 at half time, but in the second the visitors weakened before the speed of the Normal five. Capt. Miller, O. Johnson and Gill starred.

FIFTY YEARS AGO TO DATE

Fifty Years Ago.
The firm of Nibelink and Kuite has been dissolved, Jacob Kuite becoming sole proprietor of the meat market. The firm has heretofore enjoyed a large trade in the meat line. Note—The Mr. Kuite mentioned is the late alderman J. Kuite Sr. who lived on the corner of Pine Ave and 10th St. The business was later sold to his son, Jacob Kuite Jr. who is now to build a new building on the site of the old market, for his son "sonny".

Forty Five Years Ago.
The Steamer "Maggie Plugger" is fitting out to be ready for the opening of navigation.

Among the new laws enacted in 1877, we find that all saloons must be closed on election days in Michigan in the future. Holland with its fourteen saloons will leave kind of a dry time the coming election day. Already the citizens are storing away enough beer from the brevery to last them until through the dry spell.

Forty Years Ago.
About two years ago Ottawa County was infested by a gang of forgers who obtained well-to-do farmer's signature and forged their names to notes of such amounts as they thought they could float. They sold the paper to J. Den Herder of Zeeland who took the notes in good faith but soon found that the paper was no good. One of the gang named Doherty was caught, tried and sent to Jackson but nothing was heard from the others until nearly two years after when H. Ross was arrested in St. Paul, Minn. and will be brought here for trial.

Thirty Five Years Ago.
Last Wednesday Game Warden Wm. Alden Smith of Grand Rapids was in Holland looking after the illegal fisherman who are fishing with nets in Macatawa Bay. We are glad his efforts were crowned with success and arrest will soon follow. Note—William sure did make a rise in the world, first a boot-black, then a newspaper carrier, next a game warden, then an attorney for a big railroad, followed by nomination and election to congress resulting later in him being chosen as a U. S. senator and coming rather close to the presidential chair.

Thirty Years Ago.
Burglars entered the store of Wm. Brusse and Co. on River Ave. and roughly overhauled all the clothing in the store, opening the safe took out the insurance policies and lugged them off together with a watch, a ring and a Columbian half dollar. The company and Sheriff B. D. Keppel each offer \$25 reward for evidence that will lead to the arrest of the guilty parties.

Twenty Five Years Ago.
The pupils of district school no. 11

Fillmore taught by Mr. Joe W. Vischer principal and Miss Anna Van Appeldoorn assistant, took up a collection for the Cuban sufferers this week, which amounted to \$521. Note—United States was at that time having its first drive for funds to help suffering Cuba which was very distasteful to Spain who was ruling Cuba with an iron hand. Revolution

Twenty Years Ago.
Holland capitalists have been investigating the possibilities of water power facilities at Hamilton Allegan County where a dam has been built across Rabbit river. The idea was to generate electricity and conveying the current to Holland for the use of power for local factories. Nothing came of the project however as at certain times of the year, it was said, the river is too low for any use and at such periods the power would be cut off. Note—Hamilton did and does today develop its own water power, in fact two flour and feed mills are now being run by power from Rabbit river.

Fifteen Years Ago.
Gus Baker of Macatawa Park an old fisherman had rather an unpleasant experience with a miniature cyclone while fishing in Black Lake. Baker was contentedly fishing in his canvas fishing shack, when along came a gust of wind and dragged the shanty from its mooring and tangled Gus up into it. The lighthouse was sweeping the ice at about twenty-five miles an hour and the fisherman had given up hope of getting thru alive when the outfit struck a lot of ice cakes left by the ice sawyers and the shanty got tangled up. Baker was soon extricated from his novel vehicle and refuses to fish in fish houses again.

Ten Years Ago.
Dick Boter is named president of the Holland Merchants Association. The Merchants Association already decided ten years ago that they would close up their stores on the day of prayer for crops.

HAMILTON.
Wm. Klein visited Mr. and Mrs. J. Jurink of Hamilton, Monday. Ben Schipper is on the sick list. H. Wever and G. De Jong were in Allegan on business Friday. Born to Mr. and Mrs. Ray Maatman a bouncing baby girl and to Mr. and Mrs. Martin Brink—a son. Quite a few fish rafts are being made because property owners along Rabbit river forbid trespassing on their land along the stream and the fishermen with nets must have some place from which to fish. Mrs. G. Mosier has been quite seriously ill of late but is now much improved. Mr. and Mrs. Henry Schutmaat of Hamilton are enjoying themselves in sunny Florida. They are the guests of Mr. and Mrs. Albert Konemeyer. After spending three years in the Netherlands visiting his sister the old gentleman Logenstein returned to Hamilton pleased to again be back in Uncle Sam country.
