Rumors About Our Schools Should Stop

**STREET TALK ABOUT BIG
SALARY BOOST ARE PO-
LITICAL LIES**

It was brought out at the monthly Board of Education meeting that there were many lying rumors being spread by irresponsible people as to the salary of the school trustees. The school trustees themselves took cognizance of the fact.

Taxpayers had in many cases inquired of the school board members asking why such and such a teacher or public school official was receiving such a high salary? When told the real facts they seemed satisfied and pleased. There is no necessity for false rumors if one is seeking the truth.

The Holland City News of February 11 had a sworn compilation of the reductions made of every teacher in the school, how much they were getting and how much they are now receiving after the reduction. The cut amounted to more than \$35,000. The cuts ranged from 25 per cent, 20 per cent to 12-1/2 per cent. Those figures do not lie and the members of the school board, not allowing lying figures to be printed in this or any other paper.

The Holland City News admires this wonderful teaching staff for taking their tremendous cut with a smile. One man, who has built this school from the ground up, covering a period of nearly a quarter of a century, superintended the building of new buildings, amounting to nearly \$750,000 during that time, building up a school system which hundreds of other cities pattern after—look a cut of \$1,500 without a murmur. His initial salary was \$1,800 a year. The teacher all feel that the great and have not been "dogs in the manger" on this proposition, but endeavored to co-operate in bringing about a saving to the city.

Holland's school tax is far lower than most cities in the state. Detroit makes great claims on a low tax but Detroit's tax is based on 100 per cent property valuation, while Holland tax is based on 60 per cent property valuation.

Notwithstanding that Detroit is 75 times as large as Holland with over so much more taxable property, the rate wouldn't vary much if all taxes were figured on the same basis.

The report on school taxes in 108 Michigan cities shows that Holland's rate is included in the lowest one-third covering the entire state. There were 74 schools in the 108 where the rates were higher than in Holland and that 74 includes practically all the cities larger and the size of Holland.

Other misunderstandings and rumors were that the taxpayer had to pay for the keeping up of the cafeteria. The truth is that the cafeteria is self-sustaining and doesn't cost the taxpayer a penny.

Relative to physical training in schools. Mr. Fell stated that this was required by the laws of the state. The type of training is not specified, but it is to the advantage of the students to give them as adequate a program of physical education as possible. In the printing, mechanical drawing and commercial classes many students upon graduation go direct into gainful occupations.

Another misunderstanding lies with the wood shops, it was pointed out. Although these classes in manual training cannot be operated at a profit, many articles of value are produced and used in the homes. Many students not academically inclined find adjustment in the wood shops. Questions have arisen regarding the number of teachers who are permanent residents of the city.

Mr. Fell said. He disclosed that of the 116 instructors, 30 were born here and 20 took up permanent residence after coming to Holland.

It was pointed out that the recent reductions in pay for teachers represent 38.08 per cent of the amount raised by taxation here by the salaries. A total of \$110,234.40 is derived from the state and non-resident tuition and only \$90,000 from local taxation.

The men who brought these matters up were Trustees William Anderson, Fred Beuwkes and others. Some visitors, including Professor Paul McLean also asked information to draw a rumor he had heard. He got the facts and the rumors were false.

The Holland City News has the actual figures of reductions of salaries printed. Any taxpayer in doubt can call for one. These rumors are a reflection not only on these honorable school trustees who work for nothing, but this constant nagging for ulterior motives it would appear, cannot help but hurt the morale of the school—impairing the school system and that strikes at every family home in Holland.

SHERIFF KILLING DOGS

The officers of the sheriff's department have shot seven dogs in the city limits and outlying districts, that were found to be running around without quarantine tags for rabies. The new quarantine law, that dogs be kept muzzled or on a leash if off the owners' property, is in effect and the dogs running loose will be disposed of.

James O'Connell of Grand Haven, nearly 90 years old, last survivor of the Weatherwax post, Grand Army of the Republic in that city, passed away at his home on Franklin St. early Monday morning after an illness of about two weeks. Death was caused from heart complications aggravated by influenza. He had been confined to the house for the past six weeks, but several times revived and was able to be up and around. He would stand at attention when visitors came and was a soldier in truth up to the time of his death.

HOW HOLLAND TAXES WILL BE SPENT

On page three of this section of the Holland City News will be found the Annual Appropriation Bill of contemplated expenditures for the coming year. The mayor and common council have been paring down tremendously, endeavoring to save on the tax bill.

Turn to page three and find there the several items, the amounts of money to be spent and what for. Police, fire department, streets, welfare, city hall expenses, all will be found in this official compilation passed last evening by the common council.

Good Friday Next Week

An unusual and at the same time a very necessary service will be held next week on Good Friday from 12 o'clock noon until 3 o'clock at Hope church. While the services have been arranged by the Reformed Churches of Holland it will be a non-denominational service and everyone is welcome to take part. There will be several speakers and their theme will embrace the "Seven Words From the Cross" so appropriate at Easter. Prof. W. Curtis Snow of Hope College has arranged a program of music and singing that will intersperse the sermons as given by the following speakers: Dr. S. C. Nettinga, president of the Western Theological Seminary; Dr. Wynand Wichers, president of Hope College; Dr. Henry Hospers, Dr. Albertus Pieters, Prof. Thomas Welmers, Rev. Paul Hinkamp. Good Friday comes next week.

Teachers of Zeeland Get Drastic Cut

**WILL REDUCE THE TEACHERS'
FUND TAX LEVY 25%; BUD-
GET TO GET SIMILAR
TRIMMING**

The Zeeland public school board of education met at the high school office for the task of establishing the teachers' salary schedule for the coming school year and from the result it may be gathered that they expect to make a straight 25% cut in the next school budget.

After a lengthy discussion a final effort was made that resulted by practically unanimous decision, in bringing the employees' pay schedule down from \$49,370.00 to \$42,724.00, a reduction in all service charges, including janitor and other labor, of \$6,646.00, or 13.67 per cent.

It affects the tax levy for the teachers' wages much more than that because a large portion of the teachers' wages is paid by the primary school interest fund from which Zeeland school district last September derived very nearly \$20,400.00. If this sum is deducted from the sum paid teachers only this fiscal year (totaling \$43,850) leaves \$23,450 that was raised by taxes. The reduction made in teachers' wages only for the coming fiscal year is \$5,950.00 or 25.37% from this year's tax levy.

A petition was filed with the board of education, signed by about forty taxpayers of the district requesting a salary cut of 25% from the present schedule, which petition was accepted, given due consideration and upon motion made a part of the minutes of the meeting.

There is also an anticipation of reduction in the primary school interest fund of from 5% to 10% per pupil according to the 1921 census, which will reduce the district's income from that fund by \$11,000.00 and this sum will then necessarily have to be added to the Zeeland school tax levy.

HOLLAND LEGION DOES SPLENDID WORK FOR LOCAL UNEMPLOYED

Louis Dalman, chairman of the Legion unemployment drive which is nation wide in its scope, states that it is very gratifying the way Holland folks did last week for idle hands. Last week 5,845 hours of work were given to men affecting 450. The kind of work included shoveling snow, carpenter work, calking, cleaning up, etc. Within a few weeks garden work can be included.

Mr. Dalman states that the drive has been a big success and asks that people continue as they have and the unemployment situation will be alleviated tremendously. Heads of factories, stores and homes can help by keeping in touch with the commander of the Legion.

Many millions of dollars were put in circulation throughout the country because of thousands of jobs that have been provided through this drive.

Mr. Dalman wishes to thank the Holland newspapers for liberally helping in the local situation.

The Holland committee is composed of Louis Dalman, chairman; Jack Bultman, Dr. William Westra, Ben Lieveense and Al Jolder-sma.

ASKED TO CLOSE PLACES OF BUSINESS ON GOOD FRIDAY

Governor Brucker today issued a proclamation calling for the general observance of Good Friday on March 25.

He concluded his proclamation with the words, "Let us, in commemoration of the crucifixion of our Lord, close our places of business from 12 o'clock until 3 o'clock the afternoon of Good Friday, March 25, that we may pause for a few hours in the hurry of our daily affairs to contemplate the example of our Master."

Mayor Earnest C. Brooks spent Thursday in East Grand Rapids where he attended a meeting of the state welfare commission at Blodgett hospital.

A \$10,000 Egg Exchange For Hamilton, Mich.

**PERE MARQUETTE MAY
USE PART OF NEW
BUILDING AS DEPOT**

At Wednesday's meeting of the Hamilton Farm Bureau the stockholders authorized the building of a \$10,000 structure to be used as an egg exchange. The building is to be 36x80 feet, three stories high and will be constructed of brick. Negotiations are also going on with the Pere Marquette Railroad officials to use a part of the new building for their passenger and freight depot. These negotiations, the directors have every reason to believe, will go through favorably, and in that case the building will be erected on the present depot site at Hamilton.

The Hamilton Farm Bureau now has as its strongest competitor the California egg, but with the proper grading, handling and shipping the Ottawa and Allegan county egg has an advantage in the New York market on freight rates, several days' shorter time in hauling and many other advantages that might be mentioned.

Anyway, enterprising Hamilton is again taking a step forward in its building program.

The new building will contain the best cooling apparatus so necessary in keeping eggs and cream in the best of condition before shipping. Many new buildings have been erected recently, including the Community hall, Ashley's meat exchange, and now this new egg exchange. The general manager is Andrew Lohman, and the officials and directors are president, John Poppen; vice president, George Kapper; secretary and treasurer, Bert Telman; directors, Ed Gunne-man, John Lihman, James Koopman and Benj. Tucker.

It is stated the building operations will begin within a month.

Returning From Mission Field, Father Dies

**REV. L. LEPELTAK WAS ONCE
A SCHOOL MASTER AT
OVERISEL**

Message has been received by Mr. and Mrs. B. Kamferbeek Graves place, this city, telling of the death of Rev. C. Lepeltak, Sr., formerly of Holland, now of Raritan, Illinois. The devine was 76 years old and leaves a wife and two children, Rev. C. Lepeltak of Spring Lake, Michigan, and Mrs. Francis De Bruyn of India, now en route and on the ocean with her husband and child, returning for their first furlough. They are missionaries sent out by the Reformed Church of America to that country. However, they did not arrive in time for the funeral of their father and it will be a sad homecoming.

Rev. Lepeltak was a graduate of Hope College and the Presbyterian Seminary at Omaha, Neb., and served different churches as pastor before his retirement. The deceased was born in Holland and taught school for a number of years before entering the ministry. Many years ago he was a rural school master in Overisel.

Rev. Lepeltak is a brother of Mrs. B. Kamferbeek. The funeral was held Monday at Raritan, Illinois, and interment also took place in that city, where he has lived for a number of years.

Kleis and Bosch Runing Mates in City Mayor Race

Dick Boter withdrew his candidacy in the mayoralty race Monday and the electorate now will have the choice between Ex-Mayor Nicodemus Bosch and council member Albert P. Kleis for Holland's next chief executive in the April election.

Ex-Mayor Bosch has served the city as mayor several times and led in the primaries. Mr. Kleis has ably served his ward as council member for nine years and was chairman of the ways and means committee four years under Earnest C. Brooks' administration. His father the late Peter Kleis also served as an alderman.

In with drawing Mr. Bater said that he appreciated the confidence his friends had placed in him by giving him a fine vote at the primaries, and although not receiving majority but that his efforts in the past half of the city were just as readily given as in the past. It was because of his friends that he had entered the contest and he was only sorry to disappoint them by not continuing further in the race.

NEW MANAGEMENT WILL OPEN DREAMLAND

The Dreamland Theatre at Fennville has been sold to Smith Brothers of Holland and will be known as "Our Theater."

A new Webster sound equipment is being installed and the "movie talkies" will open on March 18 under the new management.

Shows will be run six days a week, with a change every Monday, Wednesday and Friday.

J. E. Nickerson, it is understood, will continue to operate the Regent theater in Bangor.

Maj. William Wilds, who, by the way, is also our county clerk, has received registration blanks for the Citizens Military Training Camp to be held at Camp Custer this summer and already there is a demand among the young men of this city for applications. Maj. Wilds is the chairman of the local committee.

The Zeeland public schools will not have a spring vacation as has been the custom in the past, the local board has decided, in order to give teachers time to prepare for attending summer school. The board has authorized a two-day Easter vacation.

BABY LIONESS IN HOSPITAL

Nurse Viola Bleeker of the Washington Boulevard hospital feeding Ri-Ri, 5 days old, who was born in George F. Getz's zoo near Holland, Mich., and sent to the hospital.

The above is the only live cub of the two born at Lakewood Farm. Andy Petersen, overseer at Lakewood, some time ago took the live lioness to Washington Boulevard hospital, Chicago, and for one month at least the nurse will have to feed the cub once every ninety minutes on milk and other nourishment. It is not included. Within a few months the little lioness will be back home for public inspection.

Andy Petersen has just returned from Chicago and says that the cub is growing fast.

George F. Getz, Sr., and George, Jr., left last evening for Phoenix, Arizona, where they will stay for a few weeks and will then go on to California being away for at least a month. They are accompanied by Mr. Metz, the physician who was with them on their African trip four years ago.

News Items Taken From the Files of Holland City News Fifty, Twenty-five and Fifteen Years Ago Today

FIFTY YEARS AGO TODAY
It is rumored that a fruit canning and drying establishment is to be started in this city during the coming season. With fruit growing getting to be quite a departure, this industry, it appears, would do well. Note: The first factory in that line was the Holland Canning Co., established many years later, and now not running.

During the lightning storm last Saturday a bolt struck the mast of the schooner Jones anchored in the harbor and did \$25 damage. Note: That was the day of sailing vessels here and only occasionally a steamboat entered port.

A petition to discontinue that part of Lake Street road running through section 34 was presented to the Highway Commission of Holland Township, and rejected. The Town Board. This is the road leading to Holland harbor mouth as we understand it. Note: This road has been in dispute for more than a half century and even entered in some resort property law suits not so long ago.

TWENTY-FIVE YEARS AGO TODAY

A meeting was held Monday night in Wm. Deur's store, West 16th Street to further discuss the building of a new Christian Reformed Church in the west part of the city. It is stated that a lot for church and parsonage has been purchased at the corner of Maple Ave. and Sixteenth Street.

Invitations have been issued to the marriage of Miss Maud Marsijle and Mr. Wm. Westover at the home of the bride's father, Mr. Isaac Marsijle on Land Street on March 20. Note: It appears that Maud and "Bill" have a silver wedding coming "just around the corner."—Land Street is now Lincoln Ave.

FIFTEEN YEARS AGO TODAY

The Holland City News devotes two columns with picture to the State Oratorical Contest, now M. O. L., held in Holland. It was a great event. Irwin J. Lubbers of Hope, winning 1st in the men's contest, and Miss Mary Geegh of the local college, now a Missionary, winning second. Miss Mildred Tanis of Kalamazoo won 1st place in the women's contest. "No little glory of this victory goes to Prof. J. B. Nykerk, coach of oratory" the article states.

Albert LaHuis, merchant of Zeeland was wed to Miss Minnie Hunter of Grand Rapids. Rev. Matthew Kolyn of Holland performed the ceremonies. The couple left for Miami, Florida, for a short trip. Note: This same couple met a tragic death four years ago near Bakersfield, Calif., when the car in which they were riding went over the mountain side in an abyss 1000 feet deep. It was weeks before the bodies were discovered.

Daughter of McBrides Tells of Ship Wreck

**BOAT AND HALF ROW IN LIFE
BOAT TO SHIP STANDING
BY IN TOSSING ATLANTIC**

The following item appears in the Worcester Daily Telegram written by Mrs. Maxine McBride Horgan, formerly of Holland. The clipping was sent to the Holland City News by Ernest Fairbanks, West 10th St., who is traveling through the eastern states.

By MAXINE E. HORGAN

(Mrs. Horgan was a Passenger on the Steamship Prince David and is the Wife of Tom Horgan of the Associated Press, Boston.)

The Prince David struck a reef today and we all had to take to the life boats—to complete a pleasure trip to Bermuda from Boston. It was about 2 o'clock when the ship was brought up abruptly against a reef. The third officer got into action immediately while the rest of us were trying to figure out what happened. I don't know what his name is, but everybody started to follow his orders.

My mother and I adjusted belts as did the other men and women passengers. There was no great commotion, although I guess we were all very excited.

Listing Badly
While the process of adjusting life belts was going on, the crew of the Prince David was busy getting ready the life boats. Soon we were told to get into them.

There was no chance to collect wraps or personal baggage. I went into the life boat with my mother and neither of us had a chance to go to our staterooms and collect our effects. Other women and men were in the same predicament.

After we got into the life boats we were lowered into a rough sea and then the task of rowing to the steamer Lady Somers started. As we pulled away from the Prince David she seemed to be listing badly. We were told after we reached land that the craft was sinking slowly.

The ride out to the Lady Somers, which apparently did not venture into our position for fear of meeting the same fate, was not a pleasant one, but the men passengers in the boat proved good seamen and took a hand at the oars. It took about an hour and a half before we reached the Lady Somers, which made the trip down here from Boston the same day we left—last Friday.

The man who, I think, was the hero of the whole affair was the chief purser. Kerr is his name. He was efficient, gentle and courageous and certainly helped us women a great deal. Most of the passengers said the same thing about him.

HOLLAND WOMAN FIGURES IN SHIPWRECK

Mrs. Charles H. McBride of Holland and her daughter, Mrs. Maxine Horgan of Boston, were among the passengers rescued when the S. S. Prince David struck a reef off Hamilton, Bermuda, Sunday. All passengers and the crew of 150 were taken from the listing ship by the Lady Somers and docked at St. George's, Bermuda Islands.

Mrs. McBride left Holland last Thursday for a vacation trip with her daughter in celebration of the latter's debut as a magazine writer. They are the wife and daughter of City Attorney Charles McBride of Holland.

ZEELAND LAD IN UNUSUAL ACCIDENT

Freddie, the seven-year-old son of Mr. and Mrs. Fred Rosma, Zeeland, was seriously injured when he fell from the side of an Associated Truck trailer, the hub of the rear wheel evidently striking his leg and badly lacerating it.

Freddie was returning home from school and had hitched onto the side of the truck driven by Gerrit Scholten. Upon approaching Elm Street he tried to alight as the older boys were doing, and was injured in the attempt. Mr. Scholten was unaware of the accident and drove on his way.

Freddie was assisted home in a small express cart by his companions.

ALLEGAN LUMBER CO. INTRO- DUCE NEW IDEA TO AID RESIDENCE MAINTENANCE

A home inspection service, which provides inspection at regular intervals, now is being offered by the Allegan Lumber Company, lumber and building supplies dealers.

So far as is known this is the first time such a service has been available to home owners in this district, although motorists have used it for years.

The Allegan Lumber Company plan sets forth that regular inspection, several months or a year apart, will reveal small defects in the house before they become serious.

FINDS ZEELAND LADY UN- CONSCIOUS ON FLOOR OF HER HOME

Miss Mattie Dekker, who is already eighty-six years of age, was found lying on the floor of her home on East Main Street, Zeeland, on Sunday by her grandnephew when he went there to tend her fire. She was then in a dazed condition and it was impossible to determine how long she had lain there. She was brought to the Zeeland hospital where she was made comfortable and she remains more or less dazed and sleeps much of the time. Although no such statement has been issued by the doctor it is probable that she suffered an apoplectic stroke.

It will be remembered that her sister, the late Sarah Dekker, suffered a stroke while on the street near her home less than one year ago, and died at the local hospital a few days later.

WHAT WILL CIRCUSES DO?

Sumatra is the only island in the Dutch East Indies on which wild elephants still exist. There are a few of them, however, that an effort is being made to establish a preserve where they may be protected against hunters and traders. With no elephants, what will the circuses do? Go out of business—for what would a tent show be without this quadruped.

COUNCIL MEETING MOSTLY ROUTINE MATTER OF RENTING CITY PROP- ERTY ONLY EX- CITEMENT

The only matter outside of the routine and the passing of the annual budget that created any excitement came under "unfinished business."

Quoting from the official council proceedings, the matter is self-explanatory as follows:

Russell Haight, being present, appeared before the Council and stated that he was interested in leasing from the city the lot on the corner of Lincoln avenue and Eighth street, to be used for a stand in connection with the drug store, which he would run for the Arctic Ice Cream Co.

Mr. Peter Botis was also present and contended that it had been agreed to lease this property before Mr. Haight contemplated having any use for it. This whole matter had previously been referred by the council to the ways and means committee with power to act.

On motion of Alderman Hyma, seconded by Vandenberg,

It was recommended that the property be leased to Mr. Botis at a price of \$150 per year. Both Mr. Hyma and Mr. Vandenberg contended that they could not honorably take any other position since Mr. Botis had made such an agreement even before Mr. Haight contemplated opening the drug store. Alderman Kleis favored leasing the property to Mr. Haight, stating that in his negotiations with Mr. Botis he had always said that if Mr. Haight should not open the drug store and was not interested in leasing it to Mr. Botis, Mr. Kleis further contended that the people in the first ward needed a drug store and postal substitution which was located in the drug store, and stated that he was informed that the Arctic Ice Cream Co. would not reopen the store if they could not secure the adjoining stand.

After some further remarks by the city attorney and aldermen, the majority report presented by Mr. Hyma was adopted and the property leased to Mr. Peter Botis.

The official council proceedings will be found in next week's issue.

A Fortune In Eggs To Be Had at Zeeland

**LITTLE TOTS HAVE CHANCE
TO FIND 3,000 ON
EASTER**

Zeeland, following the custom at the White House at Washington, where eggs form a large part of the entertainment of young folks around Easter time.

The stunt, to be staged on Saturday afternoon at 3 o'clock Mar. 26, will be an egg hunt and 3,000 of them will be hidden away for the "kiddies" to find.

An Easter Egg hunt is a unique feature for Zeeland because there are few of the children who are expected to participate that have ever heard of or seen an Easter Egg hunt.

The hunt is sponsored and will be supervised by the American Legion and the Ladies' Auxiliary, and any boy or girl of twelve years of age and under, living anywhere in Zeeland or vicinity, say within ten miles, is invited to participate in the fun. All children will be able to enter the contest without any expense or any arrangement on their part, they are required to be on hand when the hunt starts in order to capture as many prizes as possible.

A committee composed of several men and women, members of the Legion and Auxiliary, will be in charge of the sport, to see that all is handled in an orderly fashion and that the smaller tots are protected against the rush of the larger ones. It is expected that at least 1,000 boys and girls will participate, and it will prove to be one of the greatest events in their young lives.

The plan of the hunt is very simple, and there are no rules to follow except that of fairness between the participants, and any boy or girl violating this rule will be barred from further participation.

An "egg hunt" is exactly what the name implies: Hunting for and finding the eggs that have been hidden by members of the American Legion just before the hunt is to start, and when found the egg becomes the possession of the finder.

Now, these eggs are not hen's eggs, even if Zeeland is an egg center. These are beautifully colored candy eggs, just the kind the little boys and girls enjoy playing with before being eaten as any other candy. Some 3,000 of them have been bought by the American Legion, who will hide them about the park grounds in every conceivable place, so that all will have the opportunity to gather some.

This will be great sport for the little ones, and parents are invited to bring their children and witness the fun from the sidelines. The contest will be held at Lawrence St. park in Zeeland on Saturday afternoon, Mar. 26, 1932, before 3 o'clock.

Mrs. Robert Knowles of 148 West Seventeenth street submitted to an operation at Holland hospital Tuesday.

Harbor Work To Be Big Thing For Holland

**JOB IS LARGER THAN FOLKS
REALIZED. DIGGINGS CAN
BE USED ON PARK
LAWNS AND FILL-IN**

The Holland Harbor Board and especially Austin Harrington, the chairman, have been working faithfully for many years to get a dredging project put over from the mouth of the harbor to the Goodrich docks.

At the Goodrich docks a large turning basin would be dug out where boats could easily navigate and dock conveniently. Out from that turning basin to the harbor mouth the government dredges would plow a furrow 150 feet wide and 20 feet deep, giving Holland unusual harbor facilities.

The dredge "General Meade" was in the harbor a day last week to cut out some hours work on this channel. The way the work was done and the place it was begun stirred up a messy substance called the officials of the Holland Fish and Game Club felt was detrimental not only to the fish but to the resort property owners as well.

Anyway it brought a joint meeting of the Harbor board, officials of the Chamber of Commerce and several members of the Game Club and Austin Harrington explained how all of this could be avoided. Holland surely wants the harbor project to go over for it means work for idle men and it will put our harbor in condition as it never has been before and as soon as this is accomplished, Mr. Harrington spoke of the several boats with ore, gravel, concrete, wood pulp, and freighters carrying other commodities which would enter this port now avoiding us. It may lead to a car ferry—how knows? One thing brings on another and one in that way can Holland grow.

In order not to mess the lake, an attempt is going to be made to get a dredge sucker in here that can take the silt from the bottom of the lake through an aqueduct a half mile long. Many property owners along the lake are asking for fill-in. Captain Harrington points out that there is a pocket or a small bay at Kollen Park and he also has a strip of ground there that could be used for dumping and the city could use it without cost in its parks for there is no better fertilizer than the silt from the bottom of Black Lake. It is pointed out that every scoop of it could be used on Holland parks and private lawns and along the shores of Black Lake in the resort district.

The matter could be scowed out into Lake Michigan and dumped but it was felt by those at the meeting that a storm might swirl up the mess and temporarily spoil our bathing beaches on Big Lake so that was out of the question.

Anyway all civic bodies interested are well satisfied with the new arrangements. They all want the project to go through. In fact, they are enthusiastic but they want it to go through without hurting our resorts, our fish and the property along which this work is to be done.

After a long meeting it was well understood that this end has been accomplished. Holland has been looking forward to this harbor improvement for at least 20 years and at present it is a bright spot in this city's business horizon and we surely need it.

The men who gathered were Frank Lieveense, president of the Chamber of Commerce, Dick Boter, J. A. Hoover and Charles Gross of the Chamber, Austin Harrington, chairman of the harbor board, Anthon Komparens, Andrew Hyma and Ben Mulder of the board, and Bill Eaton for the Fish and Game club.

Those Fickle Equinoxes

An authority on climate and weather had just brought forward the theory that the equinoxes are varying considerably of late years and that the calendar is no longer accurate in respect to the season. Summer now hangs on two weeks or more into the Fall period, while Winter is encroaching on Spring, and Spring on Summer for a like period.

Something should be done about it. When we want warmth most it is two weeks tardy, and when we are tired of heat and long for the cooling days of Winter, Summer persists in its effort to discommode us. Something must be done. We suggest a law to make the seasons stay in their proper places. Congress may be too busy to bother before the next one arrives March 21, but possibly the next congress may give us hope. Merchants with reasonable goods to sell—but what's the use with congress "loaded to the gills" with ideas.

LITERARY CLUB

OBSERVES GUEST DAY

The Women's Literary club observed guest day at their meeting Tuesday afternoon. The guests included the women faculty members and women students of Hope college. A musical program was given which was in charge of Mrs. D. B. K. Van Raalte, assisted by Professor and Mrs. W. Curtis Snow. The first number was a piano duet by Mr. and Mrs. Snow, and consisted of two movements from Haydn's Symphony No. 4, "The Clock Movement," and "The Minuet." Mrs. Snow played a group of three piano solos: "Canzonetta del Salvatore Rosa," by Liszt; "Nocturne in G Major," by Chopin, and "Valse Caprice," by Cyril Scott.

Judge Miles Throws

Out of Court Doctors' Malpractice Case

A direct verdict of no cause for action was ordered by Judge Fred T. Miles of Holland in the malpractice suit brought by Mrs. Mary Bowens of Holland against Dr. B. C. Bloemendal of Zeeland and Dr. W. G. Winter of Holland. The instructions from Judge Miles terminated a trial lasting a day and a half.

Mrs. Bowens was injured in Zeeland, breaking an arm while stepping from an automobile last summer. She was cared for by Dr. Bloemendal and later by Dr. Winter. Testimony revealed. The change of physicians was due to removal from Zeeland to Holland. Mrs. Bowens is 54 years old and her suit was for \$15,000 damages.

Mrs. Bowens claimed neglect on the part of both physicians. She claimed that because these doctors neglected her she was unable to continue in her work as a trained nurse which brought her good pay each week. She claimed permanent injury to her arm and claimed further that she was even unable to do her domestic duties in the home because of this injury. She claimed that she spent much money for doctors' care and suffered much from pain.

Dr. Winter was represented by former Judge Orren S. Cross and Attorney Daniel Ten Cate of the law firm of Diekema, Cross & Ten Cate, while Attorney Rogers of Grand Rapids appeared for Dr. Bloemendal of Zeeland. These attorneys asked for a direct verdict from the bench, contending the plaintiff had not given proof of negligence. The jury was excused while the plaintiff's attorneys presented their claims. Judge Fred T. Miles sustained the arguments of the two defendants, Winter and Bloemendal, and on the return of the jury ordered that a verdict of no cause for action be rendered.

Attorneys Carl E. Hoffman and Tom Mahan of Holland represented the plaintiff.

The defendants had physicians and others in readiness to introduce as witnesses had the motion for the directed verdict from Judge Miles been denied.

Not a few from Holland and Zeeland attended the trial. Mrs. Bowens was the wife of the late Henry Bowens, Zeeland merchant.

P. H. Krone, floriculturist, will speak March 22 at Zeeland before the Zeeland Women's Club at the city hall at 8:30 p. m. and possibly also at the Holland High school before the Horticultural class in charge of Mr. Otto Finn. He will address the Grand Haven Garden Club in the evening.

With the exception of fifteen years during which he resided with his children, Mr. and Mrs. A. J. H. Klomprens at Coopersville, he lived on a farm near this village. Mr. Klomprens was a man of fine character and sincere Christian faith and everybody mourns his death, which followed a week's illness.

Surviving are his son and daughter-in-law, Mr. and Mrs. Albert J. H. Klomprens; his son-in-law and daughter, Mr. and Mrs. Richard Schadelee, of Fort Myers, Fla., and eight grandchildren.

A large Goodrich truck came to a halt Monday afternoon about a mile north of town. The truck evidently was stuck at a fast clip and skidded into the snow-filled ditch, turning completely over. Apparently little damage resulted, except that the large snowdrift was entirely wrecked. It may be that we are inclined to be faint hearted but we always experience a creepy feeling along the spine when we see one of the huge trucks speeding in our direction.

Gladys Lubbers and Russell Japings visited at the home of Bernice Zoet of Holland Sunday.

Johanna Van Dyke visited her mother, Mrs. J. J. Van Dyke, during the week-end.

A new party has appeared in this section with the attractive name of "The Peoples' Party." This will

make the elections an exciting three-cornered affair. The new party held their caucus last Monday afternoon in the community hall with ten people in attendance. The following nominations were made: supervisor, Walter Helebrink; treasurer, John Japink; clerk, George Japink. Charles Boyings presided at the meeting last Monday.

A regular meeting of the P. T. A. was held in the auditorium last Tuesday evening. About fifty parents and children enjoyed a catered supper. Those who took part were Grace Brink, Mrs. Marvin Koolker, Mrs. H. D. Strabbing, Fannie Bultman, Mrs. Gilbert Bussies, Mrs. Edna Archambault, and Mrs. J. A. Roggen. Election of officers resulted as follows: President, Mrs. J. A. Roggen; vice president, Harvey Zeirip; secretary and treasurer, T. T. Gorder; secretary and treasurer, Fannie Bultman. A social hour was enjoyed at the close of the program. A volley ball game was played by the "Leans" and the "Fats," which was won by the former by the score of 100 to 1. This is the first get-together meeting of the community held in the new hall and perhaps the first time a gathering of this kind was held in Hamilton. Both old and young people were gathered for a pleasant time.

The committee which made the meeting a success consisted of Mr. and Mrs. Harvey Zeirip, Mr. and Mrs. H. D. Strabbing, Mr. Harley Schutmaat and Miss Grace Brink.

Former Holland Director Brings Large Chorus to City for Easter

Trinity Augmented Choir of Grand Rapids will sing Duobus "Seven Last Words of Christ" at the Methodist Church at Holland on Sunday evening, April 3.

This chorus, which was organized six months ago by J. Jans Helder, made a decided impression in the rendition of Handel's "Messiah" at both Trinity and First Methodist churches during the holiday season. On both occasions people were turned away.

Says the Grand Rapids Herald: "Trinity Choir sang the Messiah with finish and spirit, soloists and chorus maintaining throughout the presentation the mood of joyous devotion in which the richly ornamented music is conceived."

This chorus is made up of solo voices from churches in and outside of Grand Rapids and represents ten denominations. On this occasion the soloists will be Mrs. W. N. Snow, soprano; Mrs. J. J. Helder, mezzo soprano; Clayton Knapp, tenor; George Matthews, baritone. Mrs. Grove Montgomery will assist at the organ.

The chorus numbers 60 voices. Mr. Helder originally came from Holland, then went to Los Angeles and studied under the masters there and later in New York city as a vocalist.

Many years afterward he returned to Holland and organized the Wagner Chorus of 100 male voices and the "Treble Cleff," a chorus for women. In both he was very successful. Both Mr. and Mrs. Helder are well known artists in Grand Rapids.

WAR IN CHINA

Ginseng, a medicinal plant once found in considerable quantities in the deep woods bordering the Great Lakes, is very scarce in its native wild state. Nor is it grown or cultivated by man on what might be termed an extensive scale. Curiously enough, China is the largest single buyer of American ginseng, both wild and cultivated.

Not long ago a small sack of wild ginseng was easily worth a big month's wages, when wages were high. Outdoor minded men often added considerably to the money earned from work such as trapping, by collecting wild ginseng, golden seal, and other medicinal roots of value.

Now, until the political and commercial situation in the East of Asia is settled, the growers and gatherers of ginseng will get very low prices.

The Drifting Snowy Owl

When King Winter has tucked a coverlid of snow over the north country, snowy owls on powerful, noiseless pinions, drift slowly southward over the white landscape en route to Michigan. In their regular northern haunts deep snows safely screen the mice and other rodents from the glaring yellow eyes and sharp, cruel talons of this white-winged phantom that strikes swiftly from the air. Consequently, these huge white owls gradually move to the southern part of their range where food is doubtless more plentiful.

Each winter, in varying numbers, they appear in Michigan. The majority prefer the lake shores and larger streams where they secure many dead fish. Individuals, however, are scattered practically everywhere throughout the state when the cold weather persists.

Unlike most members of the owl clan, they hunt by day, especially shortly after dawn and during the dusk that precedes nightfall. Without doubt they take their toll of Michigan's small game. Grouse, quail, rabbits and squirrels are picked up by these yellow-eyed aerial patrolmen. Individuals frequently frequent the lake shores and waterways prey relentlessly upon ducks. When not pressed by hunger, they find some secluded spot and sit for hours, with unchanging expression, watching events that take place about them. The female snowy owl can readily be distinguished from the male by her darker coloring and, as is the case with all birds of prey, by her larger size.

LIGHTNING IS GREAT STUFF FOR THE SOIL, HE DECLARES

Every time lightning flashes fertilizer is added to the earth, according to Dr. W. J. Humphreys of the U. S. Weather Bureau. Ozone of the lower atmosphere, ammonia, and oxides of nitrogen are produced by the electrical discharge of the thunderbolt in the atmosphere, Dr. Humphreys explained. All of these synthetic chemicals made by lightning react with water in the air. The ammonia dissolves in rain, becomes ammonium hydroxide and serves as plant food. The nitrogen oxides react with atmospheric water to form nitric and nitrous acids carried to earth to form soluble nitrates and nitrites which are good fertilizers.

Over 770 million tons of 100 per cent nitrogen fertilizers are thus delivered to the soil each year, at the average of 12 pounds per acre a year. It is thus believed that regions where lightning is frequent and heavy may be more fertile because of this free gift of lightning-made nitrogen compounds.

The regular meeting of the Southwestern Michigan Athletic association was held in the Warm Friend Tavern at Holland February 29, 1932. Reports were given by the various committees and by the special committees. The election of officers was held, and the following were elected to hold office for one year: J. J. Riemersma, president; W. F. Head of Kalamazoo Central, vice president; R. T. Chapman, secre-

Man Held Up Relieved of Cash Burns Out Car

GEORGE BOTBYL HELD UP AFTER "GOING FOR RIDE" WITH BANDITS

Forced by two gunmen to drive at breakneck speed from Muskegon to Bitley, George Botbyl, owner of the Botbyl garage, at Grand Haven, was robbed of \$28.85 and his driver's license, after being attacked in Muskegon at 3:30 p. m. as he was entering his car. The robbers took all the cash he had, three blank checks and destroyed his pocketbook and other papers he had about him, and then fled north toward Baldwin.

Coming out of the post office at Muskegon, where the Grand Haven man had gone on business, he stepped back of his car to go around to the driver's seat in his Auburn sedan. Two men leaping against a light pole jumped in the front and rear seats as soon as Mr. Botbyl started the motor. With two guns at his side he was ordered to drive and was accurately directed to US-20 and then on to US-37. The car was pushed to the limit of speed and several times, Mr. Botbyl said he narrowly missed an accident as he rounded corners, dashed through stop lights and around traffic in an effort to accede to the demands of the robbers.

A bearing was burned out in the car and at times the driver thought the rod would be driven through the side of the car as the two men insisted he keep up a speed of between 50 and 60 miles per hour with the injured rod.

Mr. Botbyl reported the affair to the Muskegon police on his return there. He described one man as about 25 years old, short and thick set, with shabby dark colored clothes and he wore a dark cap. The other was taller, of light build and well dressed. Both had revolvers, and were evidently very familiar with the route for they twisted and turned in the city and got to the northern highways.

They had little to say except to urge speed. "One can think a lot of things to do after such an experience," said Mr. Botbyl today, "but at the time with two guns popped at you, your car tearing away at top speed, with a rough looking fellow at your right and another in the back, you are not so willing to do anything more than follow directions."

GOES TO JACKSON FOR ROBBING HOLLAND CREAMERY

Joe Collins, 35 years old, of Grand Haven, was sentenced to Jackson for 11 months to 15 years by Judge Fred T. Miles in circuit court yesterday. Collins pleaded not guilty on arraignment Feb. 15 but changed his plea when the court did not appoint counsel to defend him. He was convicted of breaking and entering.

Arrest was by the sheriff's department in connection with entering the Holland Crystal creamery. The court recommended 11 months. Sheriff Steketee's deputies took Collins to Jackson and Edward Westing and Melvin Burnette, both of Holland, sentenced recently, to Lonia.

LOCAL SEMINARY STUDENT DECLINES CALL TO FREMONT CHURCH

For the second time a call from the congregation of the First Reformed church of Fremont has been declined. Garrett Doctor, a senior student at the Western Theological Seminary, at Holland, who was recently given a call, has notified the Fremont congregation he cannot accept. He prefers the west on account of his health. Leonard Greenway, who recently accepted a call to Grand Haven, was the first to decline a call.

RELATIVE OF THE FOUNDER OF GRAND HAVEN DIES

Grand Haven Tribune: — Word was received by Judge James J. Danhof of the death of Elizabeth Eastman, who was buried at Ashfield, Mass., on Feb. 25. She was a granddaughter of William M. Ferry, founder of this city. Mr. and Mrs. Galen Eastman, parents, left this city 40 years ago to make their home in California. They were prominent here in social and commercial life.

Little and Big Bait

To be itself swallowed after it had swallowed a baited hook was the experience of a three-pound trout taken by Max Moore, Port Huron commercial fisherman.

Moore was running 60,000 feet of set lines with hooks 20 feet apart on the day the fish was taken. A three-pound lake trout was hooked, and then in turn had been partially swallowed by a 26-pound trout. Moore hauled in both fish on one line.

According to the Michigan Fishermen's organization of Commercial Fishermen's Association of Michigan, it is seldom that a fish of three pounds becomes the prey of larger members of the same family, but to a 26-pound trout a three-pounder was merely dessert.

Cannibalism is common in the Great Lakes. Big pike eat little pike and jumbo whitefish are not averse to swallowing the eggs and fry of their sisters. Overgrown perch will grab a perch fingerling as part of its meal as readily as it would seize a minnow.

RAILROAD STARTS WAR ON BURNING

It may be an old Southern custom, but woods-burning must stop, says O. F. Cooper, advertising agent for the Atlantic Coast Line Railroad, who calls this "custom" an "economic crime."

Since approximately four-fifths of the forest area burned in the United States every year lies in the South, the educational campaign undertaken by this railroad is important. Woods-burning is fostered in the South by cattle-owners under the mistaken idea fire improves the range and kills the ticks. In spite of scientific proof burning ruins soil and retards plant growth, the tradition has been difficult to uproot.

Zeeland to Put "Mocking Bird" in "City Museum"

Zeeland Record—Zeeland city promises soon to bid farewell to the old "mocking bird" fire alarm whistle, which has given efficient service for as many years as most of us can remember. This whistle will probably become an item in the "city museum" after having signalled the hours of starting and of stopping as well as telling the kiddies bedtime hours for more than three decades. During the last score years it has been mounted over the belfry of the Dutch Woodcraft Shops and its predecessor, but it is probable the old "keepsake" will be dismantled and laid to rest in spite of its undiminished usefulness.

The old "mocking bird" had had to bow to economic conditions just as many other stand-bys, because the younger generation is of fleet-foot and new methods are less expensive; and there is little expectation that it will ever again fill its once prominent place in the city.

During the past week the city through Supt. G. P. Rooks, has been busy engaged in installing its new air horn on the city hall roof, and it is expected that before the end of the week a thorough test will be made of the new city fire siren which will replace the old faithful "mocking bird."

The apparatus consists of two large steel air tanks that may be used alternately or both at one time, situated on the ground floor in the rear of the city hall; one automatic air compressor that builds up the air pressure to the desired number of pounds, guaranteeing a sufficient volume of air to blow the siren at all times.

When these tanks a one-inch iron pipe leads the air to the siren above the roof, and the air is released by a push button at the local telephone exchange, which automatically sounds the ward when the fire alarm is sounded.

WOMAN OF 93 DIES WITH MILLIONS ON HER PERSON

Mrs. Ida Mayfield Wood of New York City, "Grandma of the Roaring Eighties," who shut herself up in a dingy hotel room for 18 years with a million dollars in cash pinned to her skirts and hidden in her mattress, died today.

Five months after her relatives, seeking to conserve her health as well as her estate, became her guardians, Mrs. Wood contracted pneumonia. She was 93 years old. She became a recluse, subsisting on eggs and milk. Not even her relatives suspected the presence of the hoard.

When the lawyers called to take charge of her estate, they asked having any. Then, in a fit of rage, she drew a sugar sack from the mattress and hurled it at them. It contained \$400,000 in currency. A few days later, while she was under care of a nurse, she walked the floor. A safety-pin became unfastened. From her skirts fell a shower of thousand-dollar bills. There were 500 of them.

A Southern belle, Ida Mayfield came to New York in the '50s to rise to leadership in the city's higher social circles. A girl of vivid beauty and personality, she was one of those who "danced with the Prince of Wales"—later King Edward VII.

HOLLAND HIGH GIRLS STRIVE FOR ECONOMY

G. R. Press—Acting upon the suggestion of the board of education and other school officials that expenses covering the spring festivities be lowered on account of the depression it has been proposed the three girl societies in Holland High school pave the way by holding an intercity dance instead of the customary single society events. Some prefer separate banquets, followed by the intersociety dance, which would materially reduce the cost by eliminating two orchestras and two rentals of dance halls. Committees of the societies are working out plans.

BURN PEACH PITS FOR FUEL IN FENNVILLE

We have heard of burning all kinds of things as fuel on the western plains — corn, hay, dried manure, etc. — but two of Fennville's citizens have been using peach pits for fuel and, with green wood, they make a hot fire. These are a by-product of the canning factory at Fennville.

Mispronunciations

As many words are mispronounced as are misspelled, according to a writer in Capper's Weekly. "Among the mispronounced ones," he says, "are aviation, aviation and radiator. The first 'a' is pronounced as in 'ate,' but not as a 'rather.' The word 'grimy' is often pronounced as if it were spelled 'grimy.' The 't' should be given the long sound. 'Route' is often pronounced 'rout.' It should be 'rout.' The word 'address,' meaning the superscription on a letter, is not addressed, but plain address with accent on last syllable."

Naval Range Finder

An accurate method of computing the distance between ships when the height of the enemy ship is not known is by the use of the optical range finder. This instrument is installed in the turrets of battle ships. It consists of a long tube with optical prisms. The length of the tube is taken as the base of a triangle. The distance is then figured out mathematically. The degree of accuracy depends upon the visibility conditions and the distance can usually be ascertained within a few hundred yards of the exact distance.

The League of Young Men's societies will meet tonight, Friday, at 7:45 o'clock in the Fourteenth Street Christian Reformed church. Professor A. Berkhof of Grand Rapids will be the principal speaker.

EDUCATOR SPEAKS AT TWO MEETINGS

Parents and teachers of Holland were charged Tuesday by Webster H. Pearce of Lansing, state superintendent of public instruction, with the responsibility of providing adequate training for the youth of today in preparation for the "new era of tomorrow." Mr. Pearce, speaking at the high school auditorium before a union meeting of five Parent-Teacher associations of the city, deplored the condition in the United States in which "82 cents of each dollar spent, by the government is used to pay for past and preparation for future wars."

Only 18 cents of the dollar goes to further civilization, he said. Superintendent E. E. Fell presided. Mr. Pearce also spoke before the Exchange Club as the guest speaker at Warm Friend Tavern. Mr. Pearce praised the high standard of Holland's public schools and of Hope college as well. He was introduced by John J. Riemersma, principal of Holland High school. William Vander Ven, a student at Holland High school, sang two solos, accompanied by Miss Genevieve Van Kolken, also of the high school. James Boter, son of Mr. and Mrs. Dick Boter, made an announcement regarding the Holland High school senior class play on April 6, 7, 8 and 9.

"PEDDLERS SPREAD MEASLES," SAYS DR. TEN HAVE

Dr. Ten Have says there is considerable measles in the county besides the fifteen cases at Beechwood among the kindergartners and second-graders who are under quarantine.

He stated that in many instances cases in the county have been traced to peddlers who go from house to house. He says he has absolute proof to three cases in Allendale.

More than 300 cases of measles and 60 cases of mumps have been reported to the county health commissioner since the first of the year.

He stated that many have either been reporting cases too late, or not reporting them at all. Parents were urged to act at once when indications of measles are noticed.

A meeting of the Sunday school teachers of Fourteenth Street Christian Reformed church will be held tonight, Friday, at 7:15 o'clock instead of 7:45 o'clock in order that they may attend the lecture by Professor L. Berkhof of Calvin college.

ALL HOLLAND'S TEACHERS ARE OFFERED CONTRACTS

G. R. Press—The board of education Monday evening offered renewal of contracts to the entire teaching corps, number 116. E. E. Fell was offered the superintendent of the public school system for his twenty-third consecutive year at a salary of \$4,500 and John J. Riemersma as principal of the high school for his fifteenth consecutive year at a salary of \$3,200.

The salary of Supt. Fell was cut 25 per cent, Riemersma's 20 per cent and the teachers' 12½ per cent in the recent economy movement inaugurated by the board. The salary budget for the coming year approximates \$66,000.

Harry J. Platenhans, 300 East Eighth street, road contractor, was named a member of the Michigan Road Builders' association at the fourth annual banquet of the organization Wednesday evening.

Will Make Zeeland a Good Mayor

At the Republican caucus Thursday evening A. Van Koeve, editor of the Zeeland Record and a member of the Zeeland school board, was chosen as candidate for mayor. The three aldermen candidates are: John Hartgerink, John Holleman and Edward Hall; clerk, George Lokers; supervisor, Cornelius Roosenraad; treasurer, Ben H. Gossen; justice, J. N. Clark; constables, M. Bareman, John Boes, John Nagelink and G. Van Dyke.

The Republicans have placed a strong ticket in the field. Relative to our brother editor Mr. Van Koeve, the News wishes to say that not only has he made an excellent public officer in the past, but will fill the highest office in the gift of the voters of Zeeland just as creditably. His newspaper has for many years done much for Zeeland and the efforts of this newspaper will be reflected in the administrative work of the man who publishes it, should he win a mayoralty candidate. If he doesn't, you'll find him boosting just the same.

North Allegan County News

Mrs. Warren Harris and children of Holland spent Wednesday night with her mother at New Richmond, the occasion being her birthday. Several useful presents were received by the parent.

Mary Margaret, infant daughter of Mr. and Mrs. Ben Beller, has the distinction of being the first baby born in the Douglas temporary Community hospital. The young lady arrived Sunday night, March 6. Mother and babe are getting along fine.

Word comes from the state highway office that plans have been completed for reconstructing M131 from west of Douglas southward to the Ganges line - the old strip of tar-surface road. This was never properly made, being too high in center, and there have been many bad accidents upon it especially when it was wet as it was very slippery. The right of way is to be 100 feet wide and the pavement forty feet, the extra width being provided against the time when a still wider pavement will be necessary. The grade will be fifty feet wide.

Mrs. John Westvelt of Ganges was in Holland last Friday and Saturday, visiting with her daughter, Mrs. Angie Gupker who has been ill with the flu.

The Allegan county road commission is advertising the fact it will take over 277 miles of township roads in the 24 townships of Allegan county. This action is being taken under provisions of the McNitt bill, adding to the county road system of 344 miles the county new contains, making a total of 621 miles. Many of the township roads to be taken over are improved. The central road system garages are located in Allegan with branches in Wayland and Fennville. One or two other branch stations will have to be provided, it is stated, to care for the increased mileage, but the building of branch stations will be done by authorization of the board of supervisors.

The Saugatuck village council has agreed that Saugatuck shall join the Michigan Municipal league. Holland also is a member and Mayor Brooks is President of the League.

The funeral of Brooks Tiffany of Ganges, age 80, took place Sunday. He lived in a home near Lake Michigan. Interment took place in Ganges cemetery.

Misses Muriel and Laura De Witt of Fillmore entertained the following last Friday evening: Miss Bernice Van Syke of Holland, Miss Harriet Onk, Misses Gladys, Harriet and Edythe Beeve and Mrs. Sagre Van Hoeven. Bridge was played and refreshments were a feature.

Mr. and Mrs. Leonard Lamb and daughter, Barbara, of Saugatuck spent Sunday with the formers.

Free Concert to be Given By Legion Band

ALL ARE WELCOME TONIGHT AT CARNEGIE HALL AT 8 O'CLOCK

The faithful Holland Legion band—the life of a summer's evening at Centennial park—will give one of their popular concerts this Friday night at 8 o'clock at Carnegie Hall. aunt, Miss Dena Ensfield at Ganges.

The social and business meeting of the Ganges Epworth league was held at the home of Mr. and Mrs. Walter Wightman last Friday evening, Mrs. George Rayle, the president, presiding.

A birthday party was held at the home of Mr. and Mrs. William Brink, at Hamilton, for Mrs. Frank Mooney and Mrs. Fred Diekema of Holland. Those present were Mr. and Mrs. Sam Kurz, Mr. and Mrs. Joe Kleives, Mr. and Mrs. Fred Diekema, Mr. and Mrs. John Bouwman, Mr. and Mrs. Don Schaap, Eugene and Marian Kurz and Ben Ter Horst. A two-course luncheon was served.

There are 125 unemployed in Allegan, as shown by the list on file in the city clerk's office. This is a decrease of 55 from last fall.

A test made of the well put down by the village of Douglas shows that, after pumping 32 hours at 250 gallons a minute, there still was a water head of about 13 feet. It is thought this supply, in addition to the original wells, will supply all demands for some time to come. In the past year the water revenue for the village increased \$1,100. The village board is planning on reduced water rates to the consumer.

The bid of L. S. Brittain for operating the chain ferry at Saugatuck, at \$250 a year for a period of five years was accepted by the village council. The channel has been open all winter, a rare occurrence.

Mrs. Henry De Witt of Fillmore spent Wednesday in New Era at the home of her brother, George Grotenhuis.

There was a decided interest in the New Richmond Republican caucus more than 100 gathering and placing the following on the ballot for township officers this year: Supervisor, James H. Smeed; clerk, Groen Lamoreaux; treasurer, Ernest Wendel; highway commissioner, Will Fisher; justice of the peace, Charles Orthner.

New Saugatuck city officials—President, H. E. Kragger; clerk, James Brown; treasurer, Roscoe Frank; assessor, Martin Bennett; trustees, R. Freeman, E. G. Crow and C. Lynd. This marks the tenth year of Dr. Kragger's presidency. Old State Bank at Fennville Tuesday elected the following officers: J. E. Hutchinson; president, Marc C. Hutchinson; vice president, Peter H. Broe; cashier, Wright J. Hutchinson. The board of directors is composed of these three with John Barron and Marvin S. Hutchinson.

The founder, Mr. Jesse E. Hutchinson, died suddenly last week at 79 years, of heart failure. He was a man well liked by the community and had the confidence of all who knew him.

Friends of Capt. Oscar Parks at Saugatuck have received word telling of his death from a stroke at his home in Michigan City, Ind. Capt. Parks was 83 and had lived in Saugatuck many years when he was a lake steamer captain.

The Gibson Parents Teachers association held recently was well attended and indeed interesting. Miss Irene Bauhahn lead in the community singing. The reading by Mrs. Bjork was well received. Mrs. Mabel Bauhahn rendered an Indian Legend piano solo. Mr. Herman Van Oss and daughter, Miss Gertrude favored the audience with violin duets in group numbers. It appears that the Van Oss family are musically inclined since father, mother and daughter jointly showed exceptional talent on both violin and piano. The next number was a vocal duet by Mesdames Lillian and Maude Sundin accompanied by Mrs. Ruth Boyce at the piano, after which there were readings by John Rose of Holland. John is a pupil of Mrs. Daugherty, teacher of elocution and has been to Gibson before. Miss Bauhahn then led the audience in singing a number of choruses and the last number on the program was a play entitled "In a Doctor's Office." Characters were Mrs. Jean Hall who acted as the nurse, Mrs. Lillian Sundin as Mrs. Snap, who sold butter and eggs to the doctor's family and couldn't collect any money. Mrs. Emily Hemwall as Mrs. Saylittie whose chief characteristic was his dignity and his comical costume. Mrs. Ebbsor and Mrs. Wilner as Mr. and Mrs. Gabe. Mrs. Wilner being a hen-pecked husband, his wife, Mrs. Ebbsor doing all the talking. Mrs. Griffin as Mrs. Swell, a rich lady who could not endure the common people. Mrs. Maude Sundin as her six year old son always in mischief. Mrs. Gustafson as Dinah, her colored nurse trying to take care of the boy and scared to death in a doctor's office. Mrs. Valkema as Mr. Josee, a young man with a happy disposition and Miss Lavalliere as Miss Gusher, a spinster in dress and years but not in manner. After waiting for two hours the imaginary doctor telephoned his nurse that he was leaving for a two weeks vacation and all the patients had to leave without seeing him. Most disgusted of all was Mrs. Snap who did not get her butter and egg money. After the program the committee in charge of Mrs. Valkema served refreshments.

Andrew Schuman, aged 91, died at his home in Saugatuck after having been confined to his bed and a wheel chair for seven years as the result of a broken hip. During these years he has been cared for by his daughter, Laura. With the passing of Mr. Schuman Saugatuck loses the last of its pioneer sawmill men. Andrew's Schuman came to Saugatuck in 1864 from Germany, where he was born in

1841. He bought 20 acres of land in Saugatuck village and built a house, which has been his home for 67 years. He was married in 1866 to Miss Augusta Eckert. Their children were one son, Albert, who died in young manhood, and four daughters. The eldest of these, Mrs. Huldah Goswiler, died just one year ago. Surviving are Mrs. Olga Till, Mrs. Julia Duerner and Miss Laura Schuman. Mrs. Schuman died in 1920. Mr. Schuman's life was spent in the mills and in farming. For many years he worked for the Stockbridge & Johnson Co. and also in the Embreyer shingle mill. In the latter place in 1871 he made a record for one day when he cut 41,750 shingles and 4,250 culs. The funeral services were held at Saugatuck.

Hamilton, Mich.
March 7, 1932.

Dear Editor:

Will you please put the following in the Hamilton News column:

"Last week we read in the paper that Harry Poll was driving a new rig. This week someone has asked him how he was getting along with it and the following was his reply:

"I never had a rig like this. No engine there, no spark to miss, no gasoline and oil to buy, no gears to shift, just go in high; No alcohol when it is cold, No need to transfer when it's sold; No stomach aches because she shakes, No trouble with the four-wheel brakes; All that I've got is just two plugs, Which you connect with just four tugs; A bag of oats and a six foot whip Is all you need to make a trip; I need not worry about depression Or iraky valves or poor compression; No license plates to buy each year, No justice courts where to appear, Because your license has expired, Or that your engine has misfired, And made more noise than you really need, Or broke the law when making speed; I believe I've got the young folks beat, I have a whole lot wider seat; I need not drive, just sit with ease With either one or two-hand squeeze; I never reach my home so soon, When talking about that honey-moon; No wonder that the home-town boys Are making such a awful noise; They say my rig cannot be beat When they meet me upon the street; No bother with hitch hikers now, They seem to dislike me some how; Perhaps because I didn't stop, Or that there was no room on top; You never see an automobile Without someone behind the wheel, But I can always sit and rest, That's why I like my rig the best."

SAUGATUCK ARTIST GETS HONORS IN FLORIDA

One of the most unique educational pictures ever shown in St. Petersburg, Fla., was on display at the annual stamp exhibit of the St. Petersburg Stamp Club. Hoyt W. Chase, an engraver by profession, made the picture of waterfront, pier and bench sports. It is 30 x 36 inches and is made entirely of postage stamps. 8000 stamps were used. It took five months to make the picture. It was awarded a grand prize and blue ribbon. The legend on the picture is a welcome to spend the winter in St. Petersburg and will be shown in the north. — St. Petersburg Times.

TO BUILD \$12,000 PIER AT GRAND HAVEN

Reconstruction of the north re-vestment near the coast guard station at Grand Haven will be put in this year it is believed, as the low bid of \$12,441 for the contract, submitted by Merritt Chapman and Whitney corporation of Duluth, Minn., has been forwarded to Washington for approval. The bids were taken yesterday in Milwaukee.

DON'T FEAR RACKETEERS IN ALLEGAN

Allegan Gazette:—They sell automobile licenses in South Haven and it is a big day when they take in \$5,000. One such day they felt they had to have a police escort when the charming lady clerk took the money to the bank. The Allegan agency sometimes takes in twice that much in a day but there is no parade to the bank. Who takes it and how it is carried the Gazette will not tell. It may be that there are some robbers, racketeers, bandits, or abductors in Allegan, inasmuch as they seem, nowadays, to be everywhere else.

FAVOR ANNEXATION TO GIVE FERRYBURG FIRE PROTECTION

Ferryburg annexation as a solution was submitted to the Grand Haven council during discussion over fire protection for the community there.

Should Ferryburg become part of Grand Haven that city would be obliged to run a water main there, maintain sewers, and give residents the same rate for electricity enjoyed by this city. Fire protection and police protection would be included.

Annexation of Ferryburg would rest with Ferryburg, Spring Lake township and the voters of Grand Haven. Although there has been some sentiment in Ferryburg for annexation, it is viewed as something that will not come to pass in the near future. Grand Haven pays a city tax of \$15.00 and a school tax of \$14.30, much less than Ferryburg pays for these same services.

Fire protection through a water system would be the chief advantage. The community has adequate police protection at present with the state police post located on the edge of the village limits. Ferryburg is not an incorporated village.

JANUARY LEAN MONTH FOR MICHIGAN HUNTERS

January was a lean month for state hunters. Only 10 coyotes were taken, reports the Michigan Department of Conservation. The list of predators reported as taken also included five bobcats, two foxes, 63 porcupines, seven weasels, five owls and two wild dogs.

OPEN WATER HELPS THE TRAPPERS

Open water makes the trapping of muskrats, mink, otter and beaver comparatively easy. The season just past has been exceptionally favorable for the taking of these animals in states bordering the Great Lakes. Other things in proportion, it will probably develop that the catch of muskrats and mink, especially, has been large. The beaver is too well protected in most sections to make the subject of weather a determining factor in the average season's catch of these furs.

Sheriff Guy Teed of Allegan, now serving his fourth year, reports he has only six inmates in the county jail, the lowest number at any time in his incumbency.

Results of the Fennville village election held Monday are as follows: James Bale, mayor; Ernie Crane, clerk; Bessie Whitebeck, treasurer, and Elmer Schaeffer, assessor. Cleon Scarlett, M. C. Hutchinson and Kenneth Jackson were elected members of the city council for two years. Nearly 200 ballots were cast.

Clifton and Lloyd Smith, who recently came here from Holland to take over the Dreamland theater at Fennville, and their wives and mother escaped serious injury Monday evening when their car was wrecked by the Pere Marquette flier to Chicago. Only minor injuries were sustained in the crash at the Main street crossing at Fennville.

John Van Allsburg's horseshoe was working overtime Monday. Van Allsburg, a local coal dealer, was driving his truck over the Seventeenth street crossing here when a Pere Marquette passenger train struck the vehicle and carried it down the track a quarter of a mile. The rear part of the truck was demolished but the cab and forepart were still intact as they came to rest, the coal dealer still inside, at the foot of a steep embankment.

Horrid spectators and train passengers, expecting to see a few fragments of what was once a strong-bodied man, stood and gaped as VanAllsburg crawled from the cab, casually dusted himself off and walked home.

Drivers Must Not Overlook Small Offenses

Ottawa County State Police Adopt New System for Minor Violators

The new state police policy regarding minor traffic violations will not result in a smaller number of arrests, Sgt. Guy Baugh of the Ottawa county state police post said today.

The officers have never ordered violators into court for minor offenses but have allowed the motorist to go upon promise to have the light, horn, brakes, windshield wiper or whatever was faulty repaired, Sgt. Baugh pointed out. Under the new regulations, however, a checkup will be made to see if repairs are carried out. For instance, a motorist is halted in Holland for not having a tail light. If he has a driver's license, he will not be arrested. Instead a warning ticket on a printed form from the department of public safety will be issued. On it the nature of the offense will be noted and he may be ordered to report to the chief of police at Holland in a day or two to show the tail light has been repaired. If the motorist makes the repair on the road no warning ticket will be issued. A duplicate of the warning is sent to Lansing and the chief at Holland is notified from headquarters. If the motorist does not come in the officers will go after him. Sgt. Baugh called attention to the fact that a new order does not let down the bars. If a motorist stopped for not having a tail light shows some other lack in observance of traffic regulations, he will be summoned to court. The officers go on the supposition that one violation may be an accident but two indicate carelessness.

Speeding, reckless driving and flagrant violations are not covered under the new ruling.

Hoarding has stopped entirely and cash is returning.

PROVIDED MORE ROOM FOR ZEELAND TENANT

An addition about twenty feet deep has been completed in the rear of the brick store building owned by J. N. Clark on Main St., Zeeland, now occupied by the A. P. Tea Co. This one-story extension permitted adding a cupola skylight which materially brightens the entire store interior. The walls and ceiling have also been repainted and the tenant installed new oak shelving and fixtures.

Recent years have witnessed many building replacements and improvements on the business streets of Zeeland, so that almost every business is now housed in modern, roomy, attractive quarters.

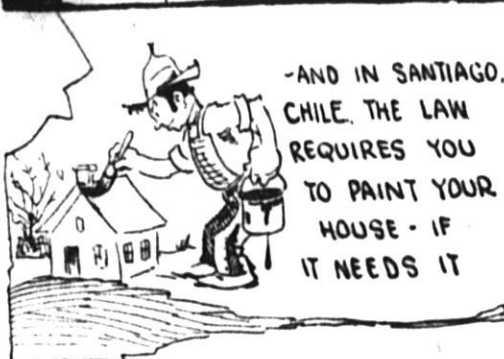

Mr. and Mrs. Leonard Kammeraad celebrated their twelfth wedding anniversary Friday evening at their home, 109 West Nineteenth street. A delicious two-course lunch was served to the guests present.

He doesn't look a day over fifty. And feels like forty.

All the age of 62.

That's the happy state of health and pep a man enjoys when he gives his vital organs a little stimulant!

When your system is stagnant and you feel sluggish, headachy, half-alive—don't waste money on "tonics" or "regulators" or similar patent medicines. Stimulate the liver and bowels. Use a famous physician's prescription every drug store keeps. Just ask them for Dr. Caldwell's syrup of senna.

This appetizing syrup is made from fresh laxative herbs, active senna, and pure pepsin. One dose will clear up almost any case of headache, biliousness, constipation.

But if you want to keep in fine shape, feel fit the year 'round, take a spoonful of Dr. Caldwell's syrup pepsin every few days. You'll eat better, sleep better and feel better. You will never need another laxative.

Give the children a little of this delicious syrup two or three times a week. A gentle, natural stimulant that makes them eat and keeps the bowels from clogging. And saves them from so many sick spells and colds.

Have a sound stomach, active liver and strong bowel muscles that expel every bit of waste and poison every day! Just keep a bottle of Dr. Caldwell's syrup pepsin on hand; take a stimulating spoonful every now and then. See if you don't feel new vigor in every way.

HOPE COLLEGE NEWS

Hope had the privilege last week-end of entertaining the orators who participated in the finals of the M. O. L. contest, together with their coaches and guests. Mrs. Durfee kindly extended to the young women who came from a distance an invitation to make their stay here. Three guests from Alma, two from Ypsilanti, and the secretary of the M. O. L., Miss Swarthout, from Central State Teachers' college, availed themselves of this opportunity.

Following the afternoon contest punch and wafers were served to the guests in the Voorhees-reception room. The senior girls acted as hostesses.

Friday evening, forty-six guests from the various colleges were entertained at a dinner in Voorhees Hall. The girls were very delighted with this opportunity to become acquainted with young people from other colleges. Mr. Hamilton, the coach from Alma college, led the evening's devotions. Following the dinner a general social time was enjoyed in the large reception room.

At the thirty-fifth anniversary of the foundation of the Michigan Oratorical League, celebrated Friday, March 11th, a signal tribute was added to the name of Dr. J. B. Nykerk, honorable professor and director of oratory at Hope college for the past fifty years. Prof. F. B.

DR. J. B. NYKERK
Hope's Coach of Oratory and Dean of Men

McKay of the Michigan State Normal college announced in behalf of his fellow directors his sincere appreciation of Dr. Nykerk's unceasing interest and constant labor in guiding the M. O. L. to its present status.

Dr. Nykerk is the only living member of the founders of this league in Michigan which was organized 35 years ago. It is for this reason that a banquet, arranged by the M. O. L. directors, will be staged this fall in honor of his name, and in public recognition of his work. Hope College is proud to hold within its portals of this institution one who has served his Alma Mater well, and has become so distinguished a personage in the golden field of oratory. We also reiterate the praise of the M. O. L. Directors and extend our hearty thanks, in this small way, to our worthy professor and friend, Dr. Nykerk.

Hope college has been given fourth place, being only six points behind Albion. Albion had a total of 449 points, while Hope closely followed with 443. Attention has been called to the fact that a new method of judging was attempted in this contest. The judges have agreed to its abolition as being unsatisfactory and next year will find the M. O. L. with a more suitable

method. In conclusion Dr. Nykerk wishes to convey to all those who contributed to the success of this memorable event his sincere thanks and appreciation for their efforts. He believes that this contest has been raised to a higher level of enjoyment than any previous contest.

The attendance at the afternoon performance was complimentary to the female orators. A more receptive audience was only exceeded by that of the evening. All who had the opportunity of hearing the fairer sex must have enjoyed their efforts. The orations were interspersed with a few pleasing numbers rendered by the Girls' Glee Club, which numbers were warmly appreciated.

The winners for the afternoon are as follows:
First Place—Miss Elizabeth Murphy of Detroit City College.
Second place—Miss Edith M. Davis of Alma College.
Third place—Miss Dorothy Hill of Albion College.

The evening contest was a huge success. The attendance surpassed even the fondest expectations of some of the more skeptical alumni who entertained some doubt as to the probable interest to be manifested on this occasion. Mr. Snow prepared the way for an enjoyable evening by an organ prelude, after which he directed the Chapel Choir in a majestic Capella entitled "O Praise Ye God." A short intermission, after three of the six orators were heard, enabled the audience to hear two delightful numbers from the Men's Glee Club. The decision of the judges was then given as follows:

First place—David Goldman of Detroit City College. "Sinister Shadows."

Second place—Merrill Walls of Albion College. "Sacred Bulls."

Third place—Gordon Fisher of Michigan State College. "Synagogue Builders."

Mr. Goldman now holds the title of "State Orator" and will represent Michigan in the Interstate Contest to be held early in April.

A gold medal to the first, silver to the second, and bronze to the third were tendered to the winners after the decisions of the evening. Mr. Peter de Visser, president of the M. O. L. presided over the evening contest. Mr. Harold de Windt likewise presided over the afternoon event. Mrs. Durfee, with her usual graciousness, entertained at dinner nearly fifty visiting guests, and arranged sleeping accommodations for some of the orators who desired to stay overnight.

All energy was not used at the Alma game Tuesday evening. Anyone who was within a few blocks of Voorhees could testify to it. Van Vleck fellows had two bob sleighs in which they called for the Voorheesites to take them for a ride. Singing and yelling was a part of the ride. The sleigh ride is an annual affair but there was not enough snow or ice last year. We were afraid winter had passed us by but more luck.

When the merry group came back to the dorm Mrs. Durfee had hot chocolate and doughnuts ready for the tribe. And what appetites! You would really have thought that they had arrived from a northern expedition. And what complexion! Drug stores would certainly feel the depression if such recreation were available a few times a week.

After the Van Vleck boys said good-night and left the fair co-eds, the bells could be heard, jingling as the horses dashed away into the night, relieved of their heavy burden.

At the Y.M.C.A. meeting held Tuesday, March 8, William Meene was elected president for the coming 1932-1933 season. Other officers elected were James Nettinga, vice president; Christian Walvoord, secretary; and Marvin Kruisenga, treasurer.

tonight, March 23, at the Masonic Temple on West Tenth street, next to the Post Office building.

A varied program is being arranged by Harold Bellingham, chairman of the program committee and the senior representative to the student council.

President Wynand Wichers is to be the toastmaster for the evening. Coach Milton Hinga is to have charge of the presentation of letters, numerals and medal awards to the deserving athletes of Hope for the past year. The Athletic Association of Hope college, according to its usual custom, will present blankets to the senior varsity men in the major sports of the institution.

Chicken dinners will be served through the courtesy of the student council, which is paying part of the cost of the banquet from its own treasury.

Tickets should be purchased before next Monday night in order to allow the committees to make a fair estimate of the number that will be present. Tickets may be purchased from any member of the student council, who are George Painter, Laurens Hollebrands, Harold Bellingham, Alma Plakke, Willem Meene, Lois Margaret De Pree, William Heyns, Dorothy Duimans and Elmer Nienhuis. A representative of each literary society will also be in the selling game. For those who do not know any of these salesmen, the main office will have a supply of tickets on hand which will be exchanged for sixty cents.

This is the third annual banquet and it is hoped that everyone will be there as at the former affairs. This is one of the two social functions that are held during the school year to which the entire student body assembles for a general good time.

Let it be known to all in doubt that persons dressed in tuxedos or full dress outfits will be barred from entrance; this banquet is a democratic affair.

Appreciation for the recent work of the Chapel Choir has been expressed by many. Special mention was made of the excellent rendering of "Praise Ye God," at the contest of the Michigan Oratorical League last Friday night. But the individual choir members say that all the work and time necessarily spent in preparation for such a rendering is more than paid for in the thrill of singing.

Appreciation was also expressed by the Leper League for the vocal rendering of Handel's immortal "Largo" at its meeting Wednesday afternoon. Here again the choir members had the thrill of singing for a filled auditorium, which in turn seemed to demand a filled choir loft.

Have you noticed how much a part of the chapel itself the choir really is? How much it adds to the morning chapel service? In the meantime the choir is preparing for its yearly recital given in the spring. This year, besides their recital here at home, Mr. Snow is planning to have the chapel choir sing at Kalamazoo, Grand Rapids and perhaps in other

places. Besides adding to the reputation of Hope's school of music, this gives the choir a chance for some good experience.

*Hope holds undisputed third place according to conference ruling.			

Hope, by defeating Alma 38-33 in the final conference game of the year, clinched undisputed third place in the M.I.A.A. It is the first time since Hope's entrance into the conference that they have landed in the first division. This was the last home game of the year for the Dutchmen.

Hope and Alma staged a thrilling battle throughout the entire game. Hope taking the lead in the opening minutes and holding it for the entire first half, which ended, Hope 16, Alma 13. In the second half Alma's offense became very effective and they led at one time 28-24. However, four successive fouls for Hope tied the score. Hope then rallied to take the lead and held it for the rest of the game.

Hope completed a successful basketball season on Monday evening by defeating Calvin for the sixth time in the last three years by the score of 34 to 26. The game was exciting, but Hope's lead was never in danger. The game was cleanly played with both teams committing their usual number of fouls. Hope led throughout the entire contest.

In periods of economic stress and low commodity, values of farm produce, the farmer must

have more of a commodity to meet fixed charges or he must produce for less so that the margin of profit will be greater. Producing cheap, home-grown feeds may be the saving factor in many live stock operations—cheaper hay, cheaper pasture, cheaper protein are all in order—cheap live stock cannot be fed on high priced feeds.

OLIVE CENTER

The Olive Center school has the appearance of a Dutch studio since the children of the eighth grade are fashioning posters of the type seen in Volendam, Netherlands. Dutch lads and lassies with full skirts and white caps and boys with balloon trousers and jackets are in evidence. Plenty of windmills are also in the unique collection. The school here has a punctual lot of pupils, according to the last half year's record. Here are the names: Jack Nieboer, Stanley Nieboer, Richard Nykamp, Jessie Poll, Justin Poll, Chester Schemper, Willis Timmer, Marvin Van Den Bosch, Gerald Van Den Bosch, Hazel Bakker, Anthony Bartels, Clara Bartels, Julius Bartels, Lena Jacobson, Janet Knoll, Manley Kuite and Richard Gronewoud.

The honor roll for the last month corresponds in size as this list would indicate: Jessie Poll, Jack, Jr., Nieboer, Gretel Schemper, Anthony Bartels, Justin Poll, Silinda Smeyers, Patricia Zeldemust, Chester Schemper, Richard Nykamp, Gerald Van Den Bosch, Gilbert Wenden, Lois Bakker, Margaret Gronewoud, Martha Rodder, Hazel Baker, Willis Knoll, Gertrude Veldheer and Jeannette Knoll.

Miss Sina Veldheer has been staying at the home of her brother, Franklin Veldheer, to assist with the housework as Mrs. Veldheer has been ill with the gripe.

Beginning March 18 at 1:30 o'clock a talk will be given in the town hall for six successive weeks and every mother is urged to come out. In fact all the ladies are invited. It will be remembered that Dr. Alexander conducted some meetings here before a few years ago and the women of this vicinity were much benefited and showed a lively interest. The meetings will include talks on the care of mothers and babies, anatomy, physiology, personal hygiene, nutrition and preparation of foods, prevention of communicable diseases, and correction of physical defects.

Mr. John Wedeven, George Wedeven and many others from this vicinity attended the funeral of John Schemper at Graafschap Monday.

Mrs. Jacob Kraai is staying at the home of her daughter, Mrs. M. Veldheer, at North Holland for a few days. Mr. and Mrs. M. Veldheer are the proud parents of a baby girl born March 10.

days at the home of her sister, Mrs. G. Terpstra, at Borculo.

Early Saturday morning the house of Mrs. Charley Cole burned to the ground, including all the contents. The cause of the fire was unknown.

Herman Smeyers had the misfortune to injure his hand last week by running a large silver through his finger so that it became necessary to call in medical aid to have the silver removed.

Watrous, first vice president; John George, second vice president; Mrs. Joe Kardux, secretary, and Mrs. Mary Schreiber, treasurer.

It was announced that a play entitled "The Haunted House" will be staged soon. Chairmen of the four committees stated that \$102.50 had been received during the year. It also was announced that a series of six health talks will be given for mother by the state department in the library of Beechwood school. Meetings will be conducted every Friday morning at 9:30 o'clock, beginning March 18.

Preceding the business meeting a pot-luck supper was served to 67 members in the gymnasium. Decorations were in keeping with St. Patrick's Day. Following the supper Clarence Jalving led in group singing with Miss Wilma Vandebunte at the piano.
