City Reduces Budget \$55,000 In Two Years

CITY EMPLOYEES ALSO GIVEN
A DESERVED INCREASE
IN PAY DESPITE LOW-
ER BUDGET

The common council held an informal meeting Monday, called by Mayor Bosch to talk over budget matters. The mayor and city fathers have made an honest endeavor to reduce the budget to lower taxes and last year a reduction of \$40,000 was made and this year \$55,000 and in spite of these reductions they saw their way clear to give deserving city employees a small raise in pay which is not only just, but increases purchasing power, one of the attributes lacking to bring about a quick recovery in this nation.

It will be remembered that when things looked bad nearly three years ago there were some drastic cuts made on all city employees' wages, and now they are giving something like 10 per cent of it back. The mayor as well as the aldermen have never stood for a policy of "scurrying" pay for our city employees with the result that our city staff ranks much higher than those in other cities and what is more politics has played no part in selecting the city force.

Any way, this informal meeting was presided over by Henry Prins, chairman of the ways and means committee, and all items were closely scrutinized, and cuts were made here and there and meritorious raises were made in other departments and items, and after the whole had been clearly gone over it was found that a reduction of \$15,000 was made in the annual appropriation bill for 1935, totaling in all \$199,969.60 as against \$215,068.29 in 1934.

The total reduction really was \$17,163.04, but the desired increase in employees' wages of a total of \$2,314 cut the reduction down to \$15,069.04.

Salaries for city officers were set as follows: Mayor \$100; aldermen \$80, or \$50 each per year; clerk \$228; assistant clerk \$144; extra clerical \$300; assessor \$200; and clerical \$60; treasurer \$1,172.50, and clerical \$50; city attorney \$90; collector, the janitors, city hall, \$1,974; engineer \$2,376; health officer \$850; fire chief \$660; police chief \$1,773; night chief \$1,544; park superintendent \$1,650.

The bonded indebtedness of the city of Holland is only \$325,000. Last year's appropriation bill was \$40,000 less than for 1933, making a tax saving of more than \$55,000 over 1934 and 1935, or better than 25 per cent, based on this year's budget.

At the informal meeting presided over by Alderman Henry Prins, chairman of the ways and means committee, Mayor Bosch asked for the floor and brought up the wage issue, stating he was in favor of raising city employee's wages if at the same time the budget could be reduced.

Amounts for funds listed are: General \$23,232.20; welfare \$22,000; street \$32,976; hospital \$10,000; health \$6,547; fire department \$34,573; police department \$19,700; park \$19,340; cemetery \$1,000; library \$1,400; fire alarm \$2,000; sewer \$1,750.

The budget is based on assessed valuation of \$11,000,000 in round figures and figures about 4 1/2 mills.

The cemetery budget of \$4,800 was agreed without dissent, the amount being \$272 higher than last year.

A \$10,000 fund for operation and maintenance of the hospital was approved informally, the figure being \$5,000 under last year's amount.

Total operating expenses for the city plus a debt service of \$67,184.25 are balanced by a contribution of \$60,000 by the board of public works. The aggregate maximum amount to be appropriated under the provisions of Section 6 and 6 of Title 28 of the city charter is 1 1/2 per cent of the assessed valuation. In addition to the above a tax of three mills on the assessed valuation may be raised for an interest and sinking fund to pay off bonded debt.

A total of \$1,000 was taken from the proposed disposal fund of the operation and maintenance of general sewers. Items of \$1,091.89 for sewer construction at Mill and Seventh street, and \$437.15 at West Twelfth street and Lake street were removed and transferred to the general fund disposal plant improvements of \$5,000. The balance of the cash is to be taken from the general fund as needed. The total for this fund is \$17,050.

The fire alarm fund was set at \$2,000, or \$100 above last year's total.

The street fund total was tentatively set at \$32,976 after \$3,000 had been deducted from the proposed regular labor item which had been set at \$15,000 for 1935. The salary of the city engineer and his assistant were raised 10 per cent under the set-up.

The proposed park fund total for 1935 was reduced to \$19,340 when \$1,800 for lighting Kollen park was left out and \$2,500 for improving Lakeview park was cut to \$500. The latter amount will provide upkeep for the section already improved, the solons ruled. Council agreed to increase the salaries of the park superintendent and assistant 10 per cent and pay the tree trimmer 50 cents an hour.

A fire department budget of \$34,573 was passed after the agreed pay increase had been tentatively granted to drivers, fire chief, nightmen, captains and volunteers.

A police budget of \$19,752.80 was authorized to include pay increase to the chief of police and eight patrolmen. An amount of \$1,000 was set for extra police, and \$200 for janitor services in the new police building.

A health salary fund of \$2,477 was agreed, with the various items to be arranged to suit the wishes of the aldermen at a later date. It is the same as last year. The entire fund total of \$5,547 includes \$5,000

THE OPOSSUM HAS STRUCK HOLLAND

The state conservation department for the last two years has been telling us that the opossum has been marching from the southland up into Michigan. Many were noticeable in southern Michigan, but just the other day Ed Scott living on the north side had quite an experience in his hen coop.

The roosters and chickens were making a tremendous noise and flying about in the henry, and when Ed investigated he saw a strange looking animal roaming about. He immediately saw it was an opossum, picked it up by the tail, and deposited it in a box, but the noise in the chicken coop was not stilled, and Mr. Scott investigated still further and found a second opossum in a hen's nest, making away with the eggs there-in.

The opossum is an egg eater, but will not attack chickens unless very hungry. In the South the opossum is a great luxury as a food and it is said that the colored race, if they like anything better than chickens, it is the opossum. The word "possum playing dead" comes from the habits of this animal. When caught they lay still as death in order to fool the enemy. Anyway Ed Scott has two live ones on exhibition at his home.

When running wild the strange looking animal hangs up by its tail and goes to sleep.

CUPS ARE REPORTED FOR FOREIGN WARS VETERANS' CONVENTION

Local interest is growing in the coming convention of the Veterans of Foreign Wars, which will be held in Holland May 23. It is expected that a large number of drum and bugle corps will be entered and in addition to the cash prizes offered by the veterans' organization there will be trophy cups presented by local people. First will be the mayor's cup, presented by Nicodemus Bosch; second will be the Ben Mulder cup for the runner-up; third trophy will be presented by the Holland Chamber of Commerce.

Extensive plans are under way for this convention and the committee expects a thousand visitors on that occasion. The plans include the Ladies' Auxiliary of the Veterans of Foreign Wars and the event is to be known as "Holland V. F. W. Tulip Time Rally."

SUIT SETTLED OUT OF COURT

The \$50,000 alienation suit, brought by Harold Smedley, Waukazoo and Muskegon, against Samuel "Dicky" Gold of Waukazoo which was to have been heard in circuit court in Grand Haven, was called off just before court convened, upon the announcement of attorneys that the case had been settled out of court.

Judge Fred T. Miles issued an order dismissing the case. The court room was filled to capacity. No terms of the settlement could be learned through the attorneys nor the defendant who was on hand to appear in case the plaintiff was not agreeable to the terms offered by Attorney Paul Schotte, attorney for the defendant. Apparently all parties were satisfied.

Judge Miles state that there were but two more jury cases to be heard in this term as the others were being settled or had been put over to another term.

Mrs. Sears R. McLean, president of the Michigan State Federation of Women's clubs, addressed members of the Business and Professional Women's club in Grand Rapids at their annual banquet Tuesday evening. Mrs. McLean was in Detroit Wednesday to attend women's day activities of the Detroit and Michigan exposition. She was also a speaker at the meet.

500 assessed against the city in the past year for care of tubercular patients in the Muskegon county sanatorium. The amount was formerly covered under county tax. An \$1,800 appropriation for the coming year was eliminated.

The election cost figure was set at \$1,170 compared with \$1,700 last year when one-year elections were conducted.

Other expenses in the general fund were set at \$41,394 less receipts for rentals, etc., for a \$22,594 aggregate. Last year the amount adopted was \$23,809.

The customary \$20,000 appropriation for the welfare fund was agreed, plus \$2,000 for county infirmary and poor for which the city has been billed.

The aldermen added \$738.20 to general fund salaries as proposed for 1935, the entire amount going for checks of the city clerk, assistant clerk, city assessor, treasurer, treasurer's assistant, city attorney, and janitors. The total allotted for the general fund is \$11,772.20 compared with \$10,534 last year.

Holland Plant Gives Reasons For Confidence

VOLUME OF WAGES CONSTANTLY ON THE INCREASE

It is most gratifying to give the following very encouraging figures coming from the officials of the Holland Furnace company, a power in this city's industrial set-up. Bill Tahaney, secretary and office manager, states that the Warm Friend establishment has paid during 1934 a sum total in wages of nearly half a million dollars, to be exact \$496,750. In 1933 the company paid \$434,000. This represents a climb in wages paid out of \$153,750 over that paid out in 1933.

The local plant in 1934 had 211 working days as against 134 working days in 1933, or an increase during the past year of 77 days. This increase in pay roll and days worked would indicate that the Holland Furnace company has been doing a greater volume of business and as has been stated before, the carload shipments were tremendous, especially during the best period or in other words, the "hay days" during the year of furnace installment. Even the furnace business has its season, and 1934 was an unusual season for new business and further, during the out-of-season periods the plant has been rushed with orders for replacement and augmentation of heating plants, such as fans, humidifiers, and such other auxiliaries necessary to complete the entire system, especially in older furnaces.

The officials feel very much elated over the progress made thus far which augurs a brighter future in the offing. They say there is a trend toward confidence and the selling their wares is much easier today than even a year ago, and that payments are made more promptly than at any time during these stressful years.

The success of the Holland Furnace company does not concern the officials alone, but Holland as a city should feel deeply grateful that this wonderful plant pays out for wages alone a half million dollars, not taking into consideration the tremendous amount for upkeep, taxes, printing, fuel castings, and an endless amount of merchandise much of it purchased locally.

Holland not only congratulate the Holland Furnace company for resumed prosperity, but is indeed thankful that the Warm Friend plant figures largely in the galaxy of our industrial stars.

ZERO HOUR ON INCOME TAX AND AUTO LICENSES TODAY

Today, Friday, is the last day for income tax reports. These must be in the mail before the post office closes Friday night in order to get the post mark showing that the report was mailed to Detroit within the time allotted by the government. Failure means a fine.

Friday is also the zero hour to get license plates for your car. No extension has been given up to noon Thursday. Those without licenses will have to keep their cars in garages until they have the "wherewith" to buy a license.

HAMILTON MOTHERS AND DAUGHTERS TO BANQUET

A mothers-and-daughters banquet is to take place in the Hamilton auditorium on Friday evening, tonight, at 7 o'clock and it goes without saying that Hamilton mothers and daughters will be out in large numbers.

Mrs. George Schutmaat is to be toastmistress at the banquet and it is stated that a fine program has been prepared, consisting of music, vocal and instrumental, toasts and the interpretation of a play. The play to be interpreted is the Oberammergau Passion Play to be presented by Mrs. Martha D. Kollen of Holland. Other numbers on the program also appear to be most interesting. The program to be presented as well as the menu, follow below:

Invocation, Mrs. J. A. Roggen; piano duet, Mrs. John Brink, Jr., and Mrs. A. Callahan; toast to the daughters, Mrs. Josephine Kaper; music, Miss Josephine Kaper; music, Mrs. sextet; interpretation of the Oberammergau Passion Play, Mrs. Martha D. Kollen. The music committee is composed of Mrs. Earl Tellman and Mrs. John Brink, Jr.

The menu will include tomato cocktail, olives, radishes, wafers, veal roast, pork tenderloins, mashed potatoes, brown gravy, cabbage salad, wax beans, rolls, cake with cream and coffee. Surely a most tempting one.

JOHN VAN LEUWEN RESIGNS

John G. Van Leuwen, sales and production manager of the Holland Furniture company, resigned yesterday. Mr. Van Leuwen, who has held that post for several years, is known through the furniture trade, and has made no definite plans for the future, he stated.

REV. JAMES MARTIN GETS CALL

Rev. James M. Martin, former pastor of Third Reformed church, Holland, has received a call to the Church of the Master in New York City.

Everett VanEngelenhoven of Pella, Iowa, senior at Western, has accepted the promise of a call to Alton, Iowa, and declined a call to Thayer, Indiana.

Martin Kloosterman of Grand Rapids, recent graduate of Western Theological seminary, has accepted a call to the Reformed church at Monarch, Alta.

HAMILTON WOMAN DIES

Mrs. John Brink, aged 84, died last evening at her home in Hamilton. She suffered a stroke last Friday and gradually became worse until death took her. Funeral services will be held on Saturday at 2 o'clock at home, and at 2 o'clock at First Reformed church. Rev. John Roggen officiating. Interment will take place at Hamilton.

News Items Taken From the Files of Holland City News Fifty, Twenty-five and Fifteen Years Ago Today

FIFTY YEARS AGO TODAY

For twenty-four years Republicans have had the controlling power of this government. All this was changed Wednesday by the inauguration of the new President, Grover Cleveland. Never had such a mass of people filled the national capital before. Large banners and pictures of Cleveland and Hendricks adorned street intersections, augmented by flags and bunting. President Cleveland was sworn in by Chief Justice Waite and the Bible used was a small one given to Grover when he left the parental home to seek his fortune through his own initiative at all young men were forced to do in those days. From a "barefoot" lad to the Presidential chair would indicate that Grover was made up of the sturdy, old-fashioned American stuff.

A rabid dog at Graafschap, south of Holland, last Monday caused great excitement in the village. The dog was not killed until 15 other dogs were bitten and all have since been shot. There is a scarcity of dogs today in Graafschap.

The new Hope college catalog printed at the News office shows that there are 151 students in the institution, divided as follows: Preparatory department, 115; academic department, 31; theological class, 5. Note: Today the latter department has become the Western Theological seminary with a campus and buildings of its own and a student body of at least 400. The academic department of Hope college is now practically the entire institution, the preparatory school having been curtailed considerably. Today there are more than 500 students at Hope, not including the seminary, which has no direct connection with Hope college.

One hundred thousand bushels of potatoes have been shipped from Vriesland to Chicago this winter over the Chicago & West Michigan railroad.

J. Van Dyck and Fillmore Bird, who have operated the sawmill on the north side of Black lake for a number of years, have dissolved partnership and Mr. Van Dyck will continue the business. Note: The mill was located just across from Kollen's park, then known as "Steep Point," the place where the "weekenders" did all their swimming. Your editor remembers swimming from the "point" to Van Dyck's mill often, resting in mid-lake on a snag conveniently located and then continuing on. Returning there was another rest at the snag and then back to "Steep Point." There also was a shipyard near Van Dyck's mill called the "schols yards." With the low water the old slides, or ways, are still there to this day. These are now above the water level.

TWENTY-FIVE YEARS AGO TODAY

George W. Browning, manager of the Ottawa Furniture Co., has purchased a handsome five-passenger touring automobile. It is of the Oldsmobile type and, think of it—it is equipped with electric lights! He expects the car in about a month. Note: Mr. Browning, who has long since passed away, was Holland's first motor car fan. He started with a strange-looking affair, passengers sitting back to back. Therefore no "back seat" driving. Then he introduced a car with a "surrey" effect, with large wheels. I believe the one pictured was his third, where all the driving was done from the "back seat." Mr. Browning was always a few jumps ahead of everyone else in automobiles in this city. For several years he was the only attraction of that sort in this city. Later, John J. Cappon, R. N. De Merrell, Dr. Henry Kramer, Dr. Dan Cook, Con De Pree, John and Wm. Arends, Sam Miller and others purchased cars. A Mr. Browning still lives in Holland on West 14th Street.

Wm. D. Van Loo, formerly cashier of the National Bank of Grand Haven, has accepted a similar position with the State Bank of Zeeland. Mr. Van Loo remained in Grand Haven after having served as county treasurer.

City Treasurer "Nick" J. Essenburg of Holland has made his settlement with County Treasurer Walter H. Clark and he has made an excellent showing. The record speaks well for the treasurer and for the prosperity of Holland as well. Mr. Essenburg turned over to the treasurer \$142,089.05, returned as unpaid \$14,035.10 of which most will be paid shortly.—Grand Haven Tribune.

Mrs. Mary Whelan, mother of Nicholas J. Whelan of the News, died at South Haven. She was born in Ireland 77 years ago. She was ill but a few minutes when death came. A message was sent to the son, Nicholas, who was on his way to Cuba on a business trip and he arrived at Montague just in time to cast a last look upon his beloved mother at the grave, where the remains were taken from South Haven, the home of her daughter, Mrs. Wm. Robinson, wife of Captain Robinson, and parents of Attorney Thomas N. Robinson of Benton Harbor today.

Andrew Steketee, Jr., was successfully operated on at Mayo hospital, Rochester, Minn.

FIFTEEN YEARS AGO TODAY

City Attorney Charles H. McBride went through a critical siege of illness lasting several months. Attorney Thomas N. Robinson volunteered to take the place of Mr. McBride until he recovered, accepting no compensation for his work. The offer was gratefully accepted by the common council and Mr. Robinson was made "acting attorney" until Charlie gets out and on his feet again. The mayor and aldermen expressed their deep sympathy with Attorney McBride and his family because of the seriousness of his illness. The common council also ordered flowers sent. Note: Well, Charles is still alive and kicking but it was a "narrow squeak" at that time, causing his many friends to worry as to the outcome. He remained city attorney 12 years after that.

Mrs. Ethelyn Metz has gone to Ann Arbor to be the assisting artist at a concert given by the University School of Music Girls' Glee Club of which Miss Maude Kleyn, formerly of Holland, is director. While there Mrs. Metz will be the guest of Miss Kleyn at the Alpha Chi Omega sorority.

John Veneklasen, age 66, died suddenly of apoplexy. He was director of the Zeeland State Bank, Wolverine Furniture Co., the Colonial Mfg. Co., Holland and Grand Haven City State Banks and originator of the Zeeland Brick Co.

Harris Bertsch has gone to Eau Claire, Wis., to take a course in a gear shift factory in which Nicholas J. Whelan, formerly of Holland, is interested. When Mr. Bertsch has completed his course he and Julius Brusse, son of the former mayor, will open a gear shift establishment in Holland. The

Holland Harbor Prospects Look Much Brighter

BIG MEETING HELD AT
CHAMBER OF COMMERCE
WITH HARBOR EN-
GINEERS AND SHIPPER

Another important step toward the expansion of Holland harbor facilities was taken today when the public hearing was concluded at the Chamber of Commerce. The hearing was conducted by Col. H. M. Tripp of the U. S. Engineers' Office of Milwaukee. He was assisted by A. F. Everett. The case for the city was presented by William M. Connelly, manager of the Chamber of Commerce, briefly as follows:

"On behalf of our shippers, our Chamber of Commerce, our harbor commission, and the several navigation companies cited herein, we request a review of the report on Holland harbor and Black lake as covered in house document No. 586, sixty-ninth congress, second session, with the hope that recommendation can be made to deepen and widen the present channel, to enlarge the turning basin, and to provide two or three extra wide sections in the present channel to permit the passage of vessels with in the harbor.

Since the low ebb of 1930 there has been a gradual and substantial increase in tonnage through our harbor. In 1933 we received 24,000 tons of coal, 3,200 tons of iron and 3,000 tons of coke. In 1934 this tonnage increased to 34,000 tons of coal, 2,000 tons of cement, 5,500 tons of iron, and 650 tons of potash. There is every evidence that this year will see an increase in tonnage over all of the commodities cited with an additional substantial tonnage of aggregates for highway construction and negotiations are under way for the terminal for a large tonnage in gasoline."

The next step will be the report of Col. Tripp's office to his superiors at Cleveland. The recommendations then go to Washington.

Attending the hearing were Mayor Nicodemus Bosch, Captain Austin Harrington, City Clerk Oscar Peterson, Captain A. C. Anderson, Chicago, Duluth & Georgian Bay Transit Co., Smith Taylor, Inland Lime & Stone Co., Albert Koppel and fifteen shippers and navigation concerns were represented by communications.

MISS TENA HOLKEBOER TO SPEAK FRIDAY EVENING

Miss Tena Holkeboer, missionary to China, will speak at a public meeting in Central Avenue Christian Reformed church Friday evening.

Miss Holkeboer has chosen as her topic "Christian Education and Missions." Miss Holkeboer, while on furlough, has been speaking almost daily and always to large audiences. No doubt a large number will again come to hear her on Friday evening. Music will be by the Maple Avenue male quartet.

Born to Mr. and Mrs. Leo Ely at Holland hospital, a son.

Judge Fred T. Miles has been assigned to sit in the Ionia circuit March 23, in place of Judge Royal A. Hawley who is ill.

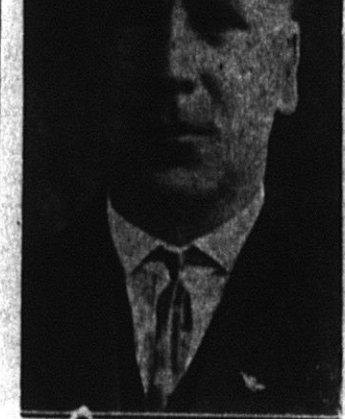

shift has been patented by a Wisconsin man and thousands are being sold to manufacturers, according to report.

Con De Pree has provided a fine way enabling his employees to attend the De Pree Chemical-Hayes-Ionia basketball series of 5 games to be played at Grand Rapids. "Con" has chartered two Holland Interurban cars for each night and tells them to "hop aboard." They hopped 200 strong per night.

HOLLAND MAN HAS SOME CIGAR BILL

The Holland City News has been receiving letters from abroad, one from Mr. Altman of Cleveland, O., one-time head of the French Clink store in this city, that is particularly pleasing. He also sends a clipping from the Cleveland News showing what "Believe It or Not Ripley" has to say about Henry Brusse, Holland's former mayor. The Ripley cartoon goes through thousands of papers throughout the nation, including the Grand Rapids Herald, and Holland again receives nation-wide publicity through Ripley as it did recently when Dr. J. B. Nykerk was caricatured.

Friend Henry, Mr. Ripley says, has smoked twelve cigars each day for fifty years, which would mean 220,000 cigars, and the former "burgemeester" is pictured with his usual beaming benevolent face, horn-rimmed glasses, and a long,

Henry In His Mayor Days

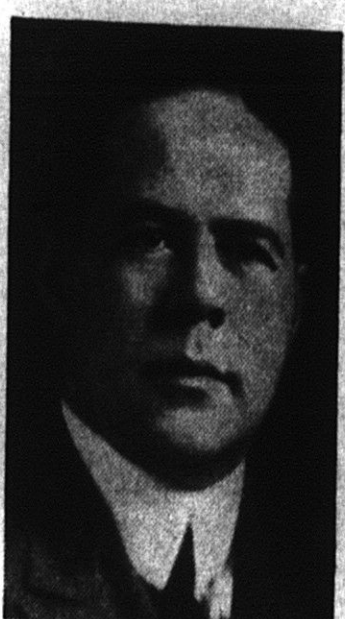

smouldering black cigar in his mouth. Henry is already 70 and is as "chippy" as a man of 50. He has often heard of the baneful results of tobacco, but it would seem that friend Brusse is immune from the harmful results that the "filthy weed" is supposed to bring about.

Folks are beginning to figure out how much Henry's cigar bill has been. Well if they were "two for" the bill would be \$5,500. Nickel smokes would bring the amount to \$11,000. We are inclined to believe, however, judging from the aroma of those fine cigars, that Henry's smokes were of the 10-cent variety, which would bring the total amount to \$22,000. Now the interest and compound interest, oh, let's say no more, or my old friend Henry will quit smoking.

Well, Henry, here's hoping that you may continue to smoke twelve cigars a day for a half century to come.

WILL SPEAK ON PAST AND FUTURE WARS

This is Dr. Francis S. Onderdonk who is to come to Holland to show moving pictures on past wars and

describe the possibilities of wars to come. The article relating to his pictures and his message is found on the next page of this issue. He states the picture on "The Next War," which he is to show is not a horror picture but a history of warfare from the Stone Age to the 70-ton tanks, germs and poison gas of today.

Rev. Thomas G. R. Brownlow, pastor, will conduct the services at First Methodist Episcopal church Sunday and announces the following topics: Morning sermon, Kadish-Barne; in the evening Rev. Brownlow will deliver a Table Sermon.

John J. De Weerd, 50, Zeeland painter is recovering from injuries received Tuesday when he was run over by his own car. De Weerd slipped on the ice and was caught under the car as he tried to hold it when he cranked it while in gear. He was dragged 30 feet. He suffered spinal and foot injuries and was hurt about the chest and head.

The Exchange club, at their regular noon luncheon in Warm Friend Tavern Wednesday, heard two excellent speakers in the persons of John Kobes and Miles Gesteel, both athletic coaches at Michigan State college. Announcements relative to Tulip Time, were made during the course of the luncheon by William Connelly. Music was furnished by a brass sextet under the direction of Eugene Heeter, Junior, director at the Holland and Zeeland Junior High schools. A number of visitors were also present at the meet, presided over by Attorney Jay Den Herder, president of the club.

The St. Francis de Sales church will sponsor a public St. Patrick's supper Saturday from 5:30 to 7 p. m. in the church.

Special tables will be reserved for business people for quick service.

Voters Must Use Pencils Or Stickers

CITY ATTORNEY AND CITY
HEALTH OFFICER TO
GO ON BALLOT

It was the general opinion that if the charter amendment carried at the March 4 primaries, that in city attorney and the health officer would not, since it was considered too late to make the necessary changes in election notices and on ballots. The city officials through City Attorney Parsons hastened to get information from the Attorney General's office, and the attorney general, in his opinion states that ballots can be printed for the April election with a place for the city health officer and the city attorney. Mr. Parsons states that all ballots will contain the names of spaces, designating the two offices. Before the blank spaces two election squares are placed and voters are privileged to write in these blank spaces the names of the city attorney they would prefer and also the name of the city health officer they would prefer. Prospective candidates are also allowed to paste out slips and these can be pasted in the blank spaces instead of writing in the names. However there is one important thing to remember. Whether you write in the name of a candidate or whether you paste in a sticker containing the candidate's name, you must not fail to mark a cross in the square in front of the candidate's name. Simply writing or placing the sticker in position is not enough. You must mark the cross in the square the same as you would in front of the name of those printed in the ballot for other offices.

Of course, in peddling slips for candidates, election laws must be complied with. Election "pluggers" must remain 100 feet from the polls and no slips may be deposited in election booths. No slips may be printed with election squares in front of them and surely no squares may be marked or printed with a cross in advance. This is the duty of the voter in executing his or her will in the election booth.

Dr. William Westrate, the present city health officer, has already announced that he is a candidate to succeed himself for this office, and calling up the office of City Attorney Elbert Parsons, who was out of the city for the day, it was stated with authority that Mr. Parsons would also be a candidate to succeed himself. Very few citizens elect their health officers and city attorney by popular vote. It is generally considered that the mayor or common council, through investigation and not through popularity alone, can select men to fill the city's needs, just as any private firm would hire them. However, this new way is an experiment, and will be watched with considerable interest and if impractical or practical, the results will soon be apparent.

Remember that on April 1 you will have to vote for a city attorney and a city health officer on the same ballot with the other officers in the city "set-up" who did not "make the grade" in the primaries.

AMERICAN LEGION DOES MUCH CONSTRUCTIVE WORK

The Willard G. Leenhouts post, American Legion, at a meeting Wednesday night, made tentative plans for a state Americanism essay contest, to be fostered by the local legion. Two awards will be given to two Holland winners, according to Commander Henry Cook. It is understood that the state department of the Legion will announce the subject at a later date.

Other matters to come up was a bill now up in Lansing requiring instructors of colleges of the state and nation to take an oath that they shall maintain the national and state constitution thus preventing the installing of any "red" teachers in any schools. The bill as proposed was approved after being read. Many state have already adopted similar laws.

The post is to provide a new "Old Glory" for the Boy Scouts of Holland. John Post and Ed Slooter are the purchasing committee to select the colors. John Albus, assistant scoutmaster, will confer with the legion committee.

The Legionnaires adjourned to a pot-luck supper staged by the auxiliary members at the Woman's Literary club and a "good time" was had by all.

Dr. and Mrs. Eugene F. Danstra of Dayton, Ohio, announce the birth of a daughter, on Sunday, March 10. The child has been named Norma Lu. Mrs. Danstra before her marriage was Miss Theresa Mooi, daughter of Mr. and Mrs. George Mooi of this city.

The Rev. C. A. Stoppels, pastor of Bethel Reformed church, will be the speaker at the regular meeting of the Women's Christian Temperance Union tomorrow at 2:30 p. m. Mrs. A. Meyer will have charge of devotions and Mrs. W. Vandenberg will sing. Mrs. George Schulling is chairman of the tea committee.

Mrs. Peter H. Norr and daughters, Nancy and Sally of Green Bay, Wisconsin, are visiting in this city this week.

Mr. and Mrs. Ben A. Mulder and daughter, Miss Louie Mulder, motored to Grand Rapids Monday evening, to attend the Monte Carlo Russian ballet, which was presented in the Civic auditorium.

H. Schaap has filed application at the city clerk's office for a permit to build a new home on West Twenty-eighth street at the estimated cost of \$2,000.

The Rural Letter Carriers' association of Allegan county will hold its March meeting at Marquette Saturday evening. The meeting will be preceded by a co-operative supper.

IN THE STATE

A quarter-million pounds of noxious fish were removed from game-fishing waters within Michigan's jurisdiction during 1934. It is shown in the report of the Fisheries Division, Department of Conservation. The fish were taken by means of nets, seines and spears by department employees, by individuals under contract with the department or direct supervision of conservation officers. The catch included 2,881 dogfish, 1,187 garfish, 67,770 carp and 3,071 noxious fish of various other species. Last year's take was a little smaller than that of the previous year, which was estimated at approximately 360,000 pounds.

Black Lake and the Holland Fish and Game club furnished its share of the catch.

Brooder Schools In Ottawa County

Four brooder schools have been scheduled for the week of March 18th. The Agricultural Agent has secured the services of Professor J. M. Moore, of the poultry department of Michigan State College for three days. Two days will be devoted to brooder schools, the third day to personal visits to poultrymen. Professor Moore had charge of the research work in poultry at the college during the past five years. At the present time he has charge of poultry extension work. During his research activities he devoted much time to the study of feeds and to brooding.

Ottawa County is the most important poultry county in the state. It has more fowls on the farm than any other county in Michigan. It is the most important hatchery center east of the Rocky Mountains. It is sometimes referred to as the Petaluma of the East because of its great number of hatcheries.

Because of the large number of fowls raised in the county one might expect considerable extension work to be done in poultry. However, L. R. Arnold, Agricultural Agent states that such is not the case. Many of the farm flocks are under direct supervision of experienced hatchermen who keep a close watch of these flocks. Thus the farmers are continually urged to follow good practices. Nevertheless there are poultry owners who do not receive this aid from hatchermen. The brooder schools should be of value to these poultry raisers.

Meetings have been set as follows:

March 19
Blendon Hall 9:30 A.M.
Zeeland City Hall..... 2:00 P.M.

March 20
Allendale Hall..... 9:30 A.M.
Nunica Town Hall..... 2:00 P.M.

Profits in poultry are determined by production of eggs. Production of eggs in turn is dependent upon strong healthy fowls, more so than upon feed and housing. No matter how well one may feed and house the fowls after maturity good production will not result unless brooding practices have been such that strong healthy fowls are put in the laying houses. Mr. Moore will stress prevention of disease and correct feeding during the brooding season.

TALKING MOVING PICTURES ON "NEXT WAR"

The Hope college Y. M. and Y. W. C. A.'s are sponsoring an unusual film to be shown in Carnegie hall on Tuesday, March 19, at 7 o'clock. There is to be no charge, only an offering is to be taken up. These pictures, talking and silent, will take up more than an hour of time and there will be still more films to carry out the evening's program until about 9:30. The highlights of the evening's picture program will be Dr. Francis S. Oonderdonk, an eminent lecturer, a descendant of an old Long Island family from Heuguenot stock.

Mr. Oonderdonk will dwell upon the bloody wars of the past and will portray the terrible conflicts of the future. He will tell of the "sparks that started the war" and the menace to America and its possible part in any future world crisis. Mr. Oonderdonk has been a close observer of the World war, being an overseas man, and he speaks with authority.

Dr. Oonderdonk was employed in the last two months of the war as draftsman in the rebuilding of Go-rizia on the Isonzo front—an American Quaker seeing deserted trenches and a beautiful city laid waste. He witnessed the two most dramatic days in the last few centuries of Austria's history, the collapse of the Hapsburgs and the erection of a republic, while on Vienna-bound trains jammed with the revolutionary troops. He married a Czech girl in 1920 and worked as draftsman in America until 1921 and witnessed during a second stay in Vienna 1922-25 the evils of over-inflation.

The films are also to be shown at the Exchange club at their regular luncheon hour at the Tavern on March 27 and in the evening of that same day Dr. Oonderdonk will appear before the members of the Hope Church Men's club in the Hope church parlors. The moving pictures for the general public will, however, be shown on Tuesday of next week at 7 o'clock in the evening at Carnegie gym.

The films are secured from the Peace Film Caravans, a non-profit organization opposing war, located in Ann Arbor, Michigan, of which Mr. Oonderdonk is a director.

SUNNY BROOK FARM AT VIRGINIA PARK

The Virginia Park Community club has chosen as its annual spring production that famous play of rural Yankee life, "Rebecca of Sunnybrook Farm." Miss Mollie Jane Olinger is playing the title role of Rebecca, a character that was made famous by Mary Pickford and was greatly instrumental in giving her the title of America's sweetheart.

The character of Rebecca, as created by the author, Kate Douglas Wiggin, is of such quaint personality and loving appeal, that she has won the hearts of America's play-going public. Shattered by the rigid discipline of her maiden aunt, Rebecca's love of living finds expression in trying to help those less fortunate than she. Her thoughts are expressed in a way that causes great humor. The situations developed in the plot are typical of life in the state of Maine 30 years ago.

In the local presentation Mrs. Genevieve De Pree and Mrs. Harriet Helms act as Rebecca's aunts. Hendrik Nobel and Mrs. Gertrude Appledorn play the parts of the village ne'er-do-well and his wife. Lester Cook is the humorous stage coach driver, Rebecca's first friend. Rebecca's playmates are Teunink, Mary Louie Koskuba and Edna Helms. Co-eddy is added by Mrs. Fannie Van Houw playing the part of the village gossip, and Lloyed Van Lente as a chortle boy with high aspirations but little ambition. Don Van Lente, as Adam Ladd of Boston, suggests a romantic element in prospect.

The play is being produced under the direction of S. P. Houtman, who has a long list of successful productions to his credit. It will be offered to the public at the Virginia Park club house on the evenings of March 27, 28 and 29.

A potluck supper was given at the home of Adam Newell of Burin in honor of Mr. and Mrs. Clarence Yntema, who were married recently. Approximately thirty relatives were present. The bride was formerly Miss Dorothy Bacon and is a granddaughter of Mr. Newell.

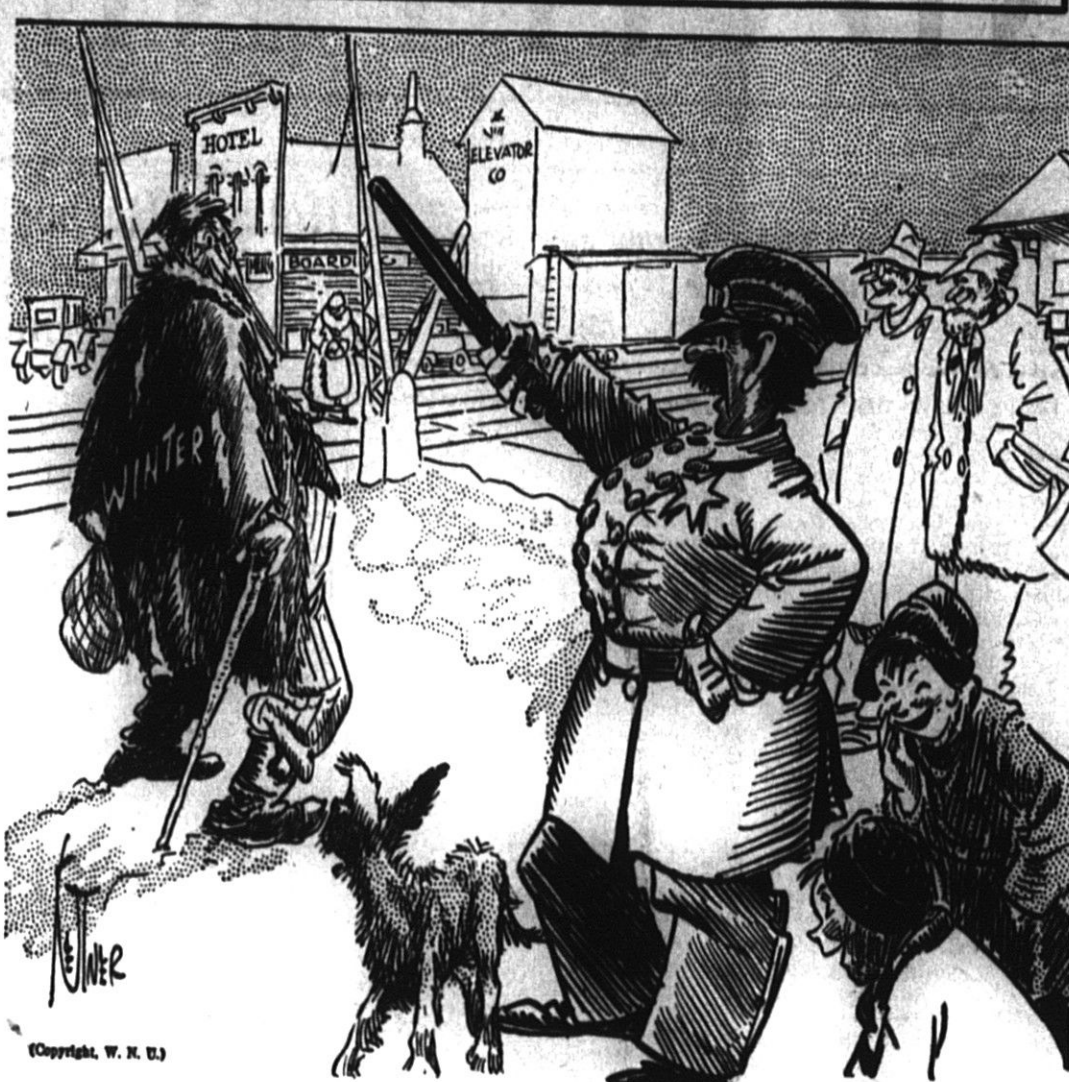

Miss Tena Holkeboer, missionary to China, now on furlough here, was guest speaker at an assembly program in Holland Christian High school Tuesday morning. Miss Holkeboer gave the students a word picture of life in China, which proved most interesting. The program was opened by singing under the direction of Mrs. C. Wabeke. A reading by Miss Caroline Pool and a saxophone duet by Miss Langeland and Miss Frances Dornbos preceded the talk. J. Jellema conducted devotions and introduced the speaker.

Dr. A. Pieters of Western Theological seminary addressed the brotherhood of the Second Reformed church of Zeeland at their regular meeting on Monday evening. His theme was the "Anti-Christ."

REV. H. J. HARLING TO SHOW PICTURES OF WEST AFRICA

Rev. H. J. Harling, who, with Mrs. Harling, has been doing missionary work in Nigeria, West Africa for several years, will show pictures of the work, the motives and their mode of living, on Wednesday evening of next week. The pictures are to be shown at First Reformed church under the auspices of the Semper Fidelis class. The program begins at 7:30 o'clock.

Rev. and Mrs. Harling are spending their furlough in this vicinity. The Montello Park school P. T. A. will present a fathers' program at their regular meeting to be held Friday. Rev. Henry Van Dyke will give a talk on "Our Responsibility as a Father." There will also be a number of vocal and instrumental numbers on the program.

Continue to Serve American Legion

The American Legion Auxiliary division of which Mrs. H. Vining and Mrs. L. Padnos are chairmen, will sponsor a silver tea at the home of Mrs. L. Padnos, 188 East Eighth street, March 19, at 2:30 p. m. Mrs. Deckard Ritter will give a talk on "Life in New Orleans and the Carnival." The musical part of the program will be a violin solo by Mrs. L. A. Taylor, and a duet, sung by Mrs. H. B. Weller and Mrs. H. Van Meurs.

Our next post meeting will be held on March 27, and Charlie Miller with Everett Spaulding already have their program lined up.

At our last meeting, Spike Manning's entertainers fell down on him and he was chagrined? Anyway, we had a good meeting. Mr. Chamberlain, news editor of the Sentinel, gave us a little talk, and a few of the fellows aired some of their pet hobbies.

The American Legion is sixteen years old this coming Saturday, and in celebration is putting on a big broadcast over the NBC network from 7 to 8 p. m. The national commander, and national auxiliary president will speak, and the program will be spiced with music, etc. Plan to listen in and hear a good word or so.

The post endorsed a bill being introduced by Comrade Baldwin of Albion in the state senate which will require all teachers and instructors in colleges to take an oath to support the constitution of the United States. This is right in line

REV. M. EUGENE FLIPSE AT THE HAGUE THIS SUMMER

The Rev. M. Eugene Flipse, pastor of the Community Church of Douglaston, Queens, will be the Minister-in-Charge of the American Church at the Hague, capital city of the Netherlands, for the ten weeks of the summer season, from June 30th to September 1st inclusive.

Mr. Flipse announced his acceptance of the appointment yesterday (Sunday, March 3rd) at the morning service after the Church Council had unanimously authorized the necessary leave of absence earlier in the week. The members of the Council agreed that this service in a foreign land would help to widen the influence of the church and its pastor. The appointment was made by the General Synod of the Reformed Church in America, through its Permanent Committee on English Preaching at the Hague of which Rev. Taber Knox of Warwick, New York, is chairman.

The American Church at the Hague is primarily for the benefit of the American residents, including members of the diplomatic staff, American business and professional men, English-speaking tourists and for those Hollanders who are interested in American preaching and the American type of religious service. But added to its religious value, the American Church is considered a link in international and ecclesiastical friendship and good-will. It has enjoyed the official and personal interest of the American Ambassador and the Royal Family of the Netherlands.

The Reformed Church in America is Dutch in origin, having originated in Holland during the period of the Reformation. It was the earliest church established in America, having been founded during the Dutch settlement of New Amsterdam.

The Rev. M. Eugene Flipse has been pastor of the Community Church of Douglaston since 1921. He is one of the four representatives of the Reformed Church in America on the Executive Committee of

Mrs. Edward Hieftje celebrated her fifty-seventh birthday Tuesday

and in observance of the occasion she was the guest of honor at a party given by Mrs. Herbert Wybenga, 250 East Eleventh street. Mrs. Hieftje was also given a pleasant surprise on Monday evening at the home of Mr. and Mrs. Ray Fris in Zeeland. She was the recipient of gifts at both occasions. Guests at the Fris home were Mrs. and Mrs. Edward Hieftje and son, Walter, and daughter, Donna, Mr. and Mrs. John Kammeraad and daughter, Alvina, Mrs. Herbert Wybenga and daughter, Yvonne, John Boeve and Mr. and Mrs. Ray Fris and sons, Jackie and Edward. At the Wybenga home guests were Mrs. John Kammeraad and daughter, Alvina, Mrs. Ray Fris of Zeeland, Mrs. H. Van Tongeren, Mrs. Wybenga and daughter, Yvonne, and Miss Donna Hieftje.

with our Americanization program and should be passed.

The subject of junior baseball was introduced again, but it looks as though it will receive more attention than in previous years. Boys of 14 and 15 years are eligible. They can sponsor a half dozen teams and line up a schedule of games and create a good deal of interest.

Now that nice weather is coming the work also looms up before us. One job that will be done is the refinishing and renewing the grave markers of all veterans at the cemetery. A little scrubbing and gilding will make a wonderful showing.

Another project that you must keep in mind is the tree planting and trimming. Some night within a few weeks all hands and the cook will be called out to take care of the several hundred trees that have been set out. The nice part of this job is that after we get through we will be fed—maybe stum, maybe hamburgs, or perhaps a full seven-course dinner.

The Legion bowlers will play the Zeeland Legion team on Friday, March 15. Let's all get up there and support the boys with our presence. Wear your cap and show off a little. Charlie Miller, our team captain, promises a good match.

Comrade Joldersma is in Detroit this week; hope you have a good time. Al. We would if we ever got that far away.

the Federal Council of Churches, and chairman of the Church Extension Committee of the North Classis of Long Island. The official bodies of which he is a member include the Board of Domestic Missions, and the Progress Council of the Reformed Church in America, and the Board of Superintendents of New Brunswick Theological Seminary.

The Pulpit Supply Committee of the Douglaston Community Church headed by Dr. A. H. Hansen will draft a list of supply pastors to officiate in Mr. Flipse's absence.

SEEK HEAVY PENALTIES FOR LAW VIOLATIONS

A bill now before the legislature seeks to establish severe penalties for dynamiting, luring, electrocuting or poisoning fish in any Michigan waters. The fine would be from \$100 to \$300 or 90 days in jail or both at the discretion of the court. It would make such violations a felony instead of a misdemeanor.

New Dry Cleaning System

Completely eliminating the use of gasoline and its attendant fire hazard, the new dry cleaning equipment installed this week by the Model Laundry, Inc., is said to be the last word in its field.

This new system, just purchased by the proprietors of the Model Laundry, Inc., has several advantages over the old gasoline cleaning method.

The principal features of the new system, Mr. Borgman states, are the speed in which clothes can be cleaned, pressed and delivered, lack of odor, fading or shrinking. Called the Band Box Dry Cleaning system, the equipment was installed this week by Frank Sell, representing the Band Box Corporation of St. Louis.

Clothes placed in the cleaner, which is similar in appearance to a washing machine, are washed in the cleaning fluid, which is kept free from dirt during the entire process by being constantly filtered in a large filter, through which the fluid is passed during the washing process.

The cleaner also is used as the drier.

When the cleaning fluid has been used several times, it is further cleaned by distillation, leaving it in the same condition as when it came from the original container.

Any kind of cleaning can be done with the Band Box System, such as velvets, woollens, laces, fur coats and silks, leaving them clean, fresh and odorless.

The building occupied by the Model Laundry, Inc., is being remodeled and redecorated. Formal announcement of the installation and an invitation to the public to inspect the plant will be made in a later issue of The Holland City News.

Bangs Curable

Ottawa County farmers are again being offered the opportunity to have cattle tested for Bang's disease or contagious abortion, according to information received by the Ottawa County Health Department. The Federal government has again made funds available for this purpose, both the paying to have the tests done and indemnifying the farmer for cattle found to be infected.

Bang's disease or contagious abortion is a disease of cattle causing premature loss of calf. This disease causes great economic loss to the farmer each year, and in addition may be transmitted to human beings through milk, causing serious illness.

The Federal funds, allocated to the agricultural adjustment administration, are to be used to test for "positive reactors" among herds, these positive reactors then to be removed and slaughtered under Federal inspection.

Wide awake communities everywhere are beginning to realize the danger of contracting undulant fever from milk produced by cows infected with Bang's disease and are passing ordinances requesting testing for this disease in dairies furnishing local milk supplies. It is therefore good business for farmers to have this done now when they can get the Federal government to pay for both the test and the cattle found infected. Out of 388 animals already tested in Ottawa, 24.2% were found to be infected.

Farmers should apply to T. S. Rich, Bureau of Animal Industry,

United States Department of Agriculture, Lansing, for contract blanks and further information.

MONSTERS OF THE SEA

No, it's not quite as bad as that. However, the Atlantic and Pacific Tea company have on display in their window denizens of the sea, a part of mother earth having the largest number of creatures known and unknown.

No, they haven't any whales in the window, but all sorts of creeping and jumping things, including live, crawling lobsters with beady eyes, oysters in the shell needing a daily diet, but are diet for humans when they are on the "half shell." The A. & P. have a real sea food display. Ocean cat, sea bass, flounders, fresh mackerel, clams live and otherwise, bluefish, and porgies.

We asked for sea horse, but despite its name, it's about the smallest finny tribe in the ocean, and was altogether too small for a big show window. On the other hand the window would only accommodate Jonah, but not the whale, so that's out. Anyway this food emporium has always carried our home perch, whitefish and bass, but these fresh water varieties of foods have been augmented with those from the sea.

There are lobsters and lobsters, but those on display are the reddish variety, pinchers, feelers and all.

LOCAL NEWS

J. J. Riemersma, principal of Holland High school, addressed the members of the Intermediate Christian Endeavor society of First Reformed church Sunday evening on the subject, "The Lenten Season."

Albert Vander Tuuk, 351 Washington boulevard, who has been confined to his home more than four weeks because of a sprained knee, has returned to school.

Stanley, seven-year-old son of Leonard Van Lier, local rural letter carrier, is recuperating at his home on R. 2 from injuries received when a horse stepped on his face. The lad slipped from the animal, which was riding when the horse bolted due to an auto exhaust explosion, and received injuries to the jaw when the horse's hoof struck him.

The Federal Boosters met on Tuesday evening and discussed several important matters during their business session with Mrs. Leona Norlin presiding. A social hour followed, luncheon being served by Mrs. Walter Kuizenga, Mrs. Leonard Regnerus and Miss Julia Klinge.

John Dronkers, resident of this city for the past 43 years, celebrated his eighty-sixth birthday on Thursday. Mr. and Mrs. Dronkers have made their home at 10 West Eighteenth street for a number of years. A great many friends and relatives stopped in at the Dron-

kers' home Thursday to extend their congratulations to Mr. Dronkers.

M. J. Van Kolken and Johanna Van Otterloo, local chiropractors, are in Grand Rapids every morning this week attending a chiropractor clinic and school of instruction.

The Ladies Auxiliary of Sixth Reformed Church are planning a fellowship banquet to be given March 26 in the church parlors. The committee in charge are Mrs. Louis B. Dalman and Mrs. George Stegenga.

The Biblical drama "One of Nine" presented at Fourth Reformed church Tuesday and Thursday evenings under the auspices of the Fourth Reformed Intermediate Christian Endeavor society, proved a great success. The play had its setting in the year 33 A. D., and is based on the Biblical miracle of Christ healing the ten lepers. The cast in this three-act drama was as follows: Clarence Klaver, playing the part of Nathaniel, a prince of Jerusalem; Cornelius Groenewoud as David, the Samaritan leper, one of the ten; Miss Gertrude Vanden Elst, as Sarah, Nathaniel's daughter; Miss Ruth Nyboer as Rachel, Sarah's friend; Miss Hazel Atman as Lydia, Nathaniel's second wife; James Griesen, Rabbi Samuel, a member of the Sanhedrin; Charles Klunge, Reuben, Nathaniel's brother; Dale Brondyke, Ezra, Reuben's son; Miss Lucille Meyer, Adah, a servant.

Robert Hendrickson of Grand Rapids was a guest of Peter Jonk-

er at his home on W. 16th street, over the week-end.

Dr. Albertus Pieters of Western Theological seminary, Wednesday evening will begin a series of six public lectures to be held in La-grave Avenue Christian Reformed church in Grand Rapids. His subject will be "The Berean and Schofield Bibles." Meetings will continue on five successive Wednesday evenings.

William De Motts, former resident of Holland, who now resides in Grand Rapids, was a week-end guest at the home of Mr. and Mrs. G. Deur, 840 River ave.

SOCIETY NEWS

Approximately forty attended the alumnae meeting sponsored by the League for Service of Sixth Reformed church Tuesday evening. A miscellaneous program of music readings and a play was presented after which refreshment were served to those present.

The Lincoln Parent-Teacher association held a regular meeting in the school Tuesday evening at which time officers for the ensuing year were elected as follows: Clifton Dalman, president; Donald Zwemer, vice president; C. E. Tirmans, treasurer; and Miss Louise Hennekens, secretary. The program included music by the Concordia quartet composed of Harris Stegenga, Adrian Jacobse, Donald Schipper and Simon Hu-senga; two violin solos by J. K. Meulen; and two vocal selections by William Vande Weyer. Harmonica and guitar selections by Harry Driesenga. Refreshments were in charge of mothers of Miss Alma Cook's room.

Mr. John Laarmann, Sr., recently observed his 78th birthday and a grandson of Mr. Laarmann, namely Kenneth Laarmann, celebrated his 8th birthday. In honor of the double event Mr. and Mrs. John Laarmann, Jr., invited a group of friends to their home and it goes without saying that young and old enjoyed themselves to the greatest extent. Guests were Mr. and Mrs. John Fik, Mr. and Mrs. Martin Woudwyk and daughter, Mr. and Mrs. Robert Rule and daughter of Grand Rapids and Mr. and Mrs. John Laarmann and family.

A group of friends were invited to the home of Miss Gladys Stygstra Friday evening to aid her in the celebration of her 14th birthday. Games took up the greater part of the evening, prizes going to Kathryn Dystra, Carroll Norlin and Claude Stygstra. Refreshments, including a large birthday cake, were served. Guests included Mildred Flannagan, Carroll Norlin, Edna Diekema, Betty Meyer, Charlotte Siegers, Jennie Mae Klees, June Molengraf, Kathryn Dykstra and Claude Stygstra.

MUCK CROPS DISCUSSED AT HAMILTON

Mr. Paul Harmer, and Mr. E. C. Sackler, Soil Specialists from Michigan State College, will hold a meeting for Muck Farmers at the Masonic Temple in Shelbyville on Tuesday, March 19th, at 9:30 A. M. They will hold a meeting at 9:30 A. M. Wednesday, March 20th, at Hamilton Farm Bureau, Hamilton, Michigan. These will be all day meetings. Growing of muck crops will be discussed—soil samples will be tested for fertilizer content and lime. Soil samples should be taken, one near the surface and the other about 12 to 15 inches below the top of the ground.

NOORDELOES

Several men of the local church recently made some improvements in the interior of the church, such as a stairway from the basement to the first floor.

Miss Florence Diepenhorst has been confined to her home with illness the past week.

The Annual Prayer Day will be observed in the local church Wednesday, March 13, with services to be held at 2:00 o'clock in the English language. The day will be marked with special services. Schools in rural districts will close so that all may worship on this

A GRAND-PA PHEASANT

The patriarch of the ringneck pheasants in Michigan was shot last fall, it has been learned by the Department of Conservation.

Having successfully eluded hundreds of hunters in one of the most popular pheasant shooting areas in southern Michigan for five years, the old-timer fell to the gun of G.

W. Goodacre of Battle Creek on Oct. 15.

Goodacre bagged the bird a mile and a half west of Parma, Jackson county. He was first impressed with the exceedingly long, spurs and beautiful plumage the pheasant wore. He was equally well impressed with its fine flavor when served. He kept the numbered band found on one of the bird's legs and notified the Department of Conservation of his find.

The News has had this article of Jean Allen in type before the birthday of the "Father of Our Country" occurred, but in some way it was overlooked in the make-up. However, George Washington will have many birthdays coming and this menu holds good for next year. It would be well to cut it out for your cook book for future birthdays.

In Honor of George Washington

By Jean Allen

The simplicity of most entertaining in the early days makes Washington's Birthday a perfect excuse for inviting a few friends in to an except for "state" informal dinner. Occasions, the food and its service were very simple at Mr. Vernon — the sort of things we think of today as a "southern dinner." Fried or stewed chickens, waffles, spoonbread, and such things were old favorites, and cooked with loving care and served piping hot, they were indeed a treat for a General.

Even if you don't feel in the mood for inviting friends, it is fun to observe our national holidays with appropriate meals, and it breaks the routine of daily dinners. Little impromptu family parties do much to keep the young folk interested in their home. Let's see just what we could do if we were planning a dinner in honor of General Washington.

WASHINGTON'S BIRTHDAY DINNER

Clear Tomato Soup
Celery Hearts
Wafers
Chicken Pot Pie, Country Style
Stuffed Baked Sweet Potatoes — Broccoli with Lemon Butter
Vanilla Ice Cream with Red Cherry Sauce
Colonial Cup Cakes
(White icing decorated with red and blue candles)
Coffee

4 to 5 lb. chicken cut for stewing 1/4 teaspoon pepper
3 quarts boiling water 1/4 cup flour
1 1/2 teaspoon salt Biscuit dough (using 2 cups flour)

Cover the carefully cleaned pieces of chicken with boiling water and simmer 1 1/2 to 2 hours, or until tender, adding the seasoning the last hour. Cool chicken in broth. Remove the meat from the bones in medium sized pieces. Add enough milk to the drained broth to make 1 quart of liquid. Bring to the boiling point, and stir in smooth thickening made by mixing the flour with a small amount of water. Cook gently, stirring constantly until thick and smooth. Combine chicken meat and gravy. Pour into a shallow baking dish, top with small baking powder biscuits placed close together. Bake in a moderately hot oven (375° F.) about 25 minutes. Serve hot.

Note — For Washington's Birthday, it is appropriate to stick a tiny American flag in each of the biscuits before the pie is brought to the table, or in each serving if it is done in the kitchen.

Red Cherry Sauce

1 can red sour pitted cherries 1/4 teaspoon salt
1/2 cup sugar 2 tablespoons quick-cooking tapioca
Mix the sugar, tapioca, salt, and juice from the cherries. Simmer over a low flame, stirring occasionally until clear and somewhat thickened about 20 minutes. If preferred, the mixture may be steamed in a double boiler. Strain the cherry syrup and pour over the cherries. Chill and use as a sauce on ice cream, rice, or other puddings.

Stuffed Baked Sweet Potatoes

6 medium sized sweet potatoes 3 tablespoons butter
1/4 cup milk or cream 1/2 teaspoon salt
1/4 cup chopped nut meats, if desired

Scrub and lightly butter the sweet potatoes. Bake in a moderate oven (350° F.) until soft, or for about 40 minutes. Cut in halves lengthwise and scoop out the inside. Mash, add the milk, butter, salt, and nuts if used. Refill the shells, having the mixture well rounded up with peaks on top. Place in a hot oven until they are golden brown. Serves 6.

The Van Vleck five downed the Seminary hall basketball team last night in Carnegie gym, 18 to 16.

Members of the Social Progress club meeting at the home of Dr. William Tappan and Mrs. Tappan, 99 West Eleventh street, listened to an interesting and informative paper on "The New York Stock Exchange," given by C. Vander Meulen, cashier of the First State bank. A discussion directed by Rev. Thomas W. Davidson, president of the club, followed. Edward J. Yeomans and William J. Westover are scheduled to give papers at the next meetings of the organization. Plans for the ladies' night meeting April 2 at the home of Dr. and Mrs. Wynand Wichers were discussed.

The "Daughters of the King" class of Ninth Street Christian Reformed church met Monday evening at the home of Miss Hattie Slenk on West Thirteenth street. Business for the evening included the election of officers with the following results: Miss Anne Holkeboer, president; Mrs. Raymond J. Nykamp, vice president; Miss Wilma Beukema, secretary; Mrs. Rhine Vander Meulen, treasurer; Miss Angie Dogger, assistant secretary and treasurer. The remainder of the evening was spent making scrapbooks and bandages. Refreshments were served by Miss Slenk, who was assisted by Mrs. John Van Nul.

Revival meetings at First Methodist Episcopal church came to a close Sunday evening when Rev. Clifford Lewis, who has been conducting these meetings for the past few weeks, spoke to a crowded house. Large numbers were present each evening but on Sunday night even the standing room was taken by the many who had come to hear this forceful speaker for the last time in Holland. On Sunday morning 25 persons were united with the local church, and 14 baptized. While here Rev. Lewis also organized a Young People's Fellowship club, which at the present time has approximately 150 members. Rev. Lewis is conducting revival meetings at Saugatuck all this week, and many folks from Holland and vicinity motor to Saugatuck to hear the young evangelist. Next week Rev. Lewis plans to go to Lansing to conduct revival meetings in the capital city.

First honors in the weekly shoot of the Holland Rifle club again went to Herman Prins, scoring 190 points. DR. J. G. HUIZENGA AD- DRESSES LITERARY GROUP

Dr. J. G. Huizenga, local eye, ear, nose and throat specialist, gave an interesting address before members of the Woman's Literary club Tuesday afternoon on the subject "The Development of a Civilization."

Dr. Huizenga traced the development of medicine from the mystery and magic of the past to the accomplishments in the field of medicine at the present time, stating that men of yesterday such as Moses, Solomon and the Greek Hypocrites, had all done a great deal for posterity.

Deploping the forces that sap the vitality of the nation, disease, indolence, prosperity, Dr. Huizenga expressed the need for a social conscience in the world of today, and the development of a strong body, a whole mind, and a soul with a free spirit.

Mrs. Deckard Ritter spoke briefly on the conclusions drawn from the recent conference on the Cause and Cure of War. Mrs. Charles K. Van Duren, first vice president of the club, presided.

The meeting next week will feature the reading of a play by Mrs. George E. Kollen. Tea will be served.

FORD SUNDAY EVENING HOUR INTERESTING

Those who have been tuning in to the Ford Sunday evening hour over a nation-wide broadcast from Orchestra hall, Detroit, are surely enjoying a wonderful treat. The program includes the large Ford orchestra, the last word in musical perfection, rendering classical and semiclassical music, interspersed with a few popular numbers. There is a short intermission when Mr. J. W. Cameron gives a ten-minute talk on national and world conditions, and different phases of industry. These are very informative talks and give something new and worthwhile knowing. Last week Mr. Cameron gave a discourse showing that in the Ford plant a man over fifty was considered at his best, steady, reliable and experienced, and the Ford industry was benefiting from their knowledge. The figures indicated that at least 33 1-3 per cent of the thousands upon thousands of employees were men of fifty and over and a large percentage were over sixty. It was also evident that the benefit of such a large establishment went beyond the workings of the plant itself, and kept hundreds of other plants going. For instance this hits Holland and Grand Haven where 1,500,000 square feet of leather for upholstery purposes is used, and 30,000 cattle went to market because of this. Also 350,000 pounds of goat's hair from 87,500 goats. Mr. Cameron gave a list of some 50 articles that entered into the manufacturing of Ford cars, and you would be surprised about the strange ingredients from bee's wax to linseed oil, from flax to soap chips and even castor oil enters in, and we thought that was only for children to make wry faces at.

These Cameron stories are published after the broadcast and all Ford dealers have them. Anyway the Sunday evening hour takes place at 9:30 Holland time over W.G.N.

FALL OF JERICHO

Chicago, March 14—For tense, exciting narrative and romantic appeal the story of "The Walls of Jericho," to be presented by Montgomery Ward as the tenth of the series of "Immortal Dramas" Sunday, March 17 at 2 P. M. E.S.T., over a WEAF-NBC network, promises to be one of the most effective of these dramatizations from the Old Testament.

As the scene opens Joshua is telling the Israelites of the message he has received from God directing him to lead them across the river of Jordan to Jericho where they shall seize the walled city from the Canaanites. Simon and Jubal are appointed as spies to enter the city in advance in an attempt to measure the strength of the people of Canaan.

The scene then changes to the city of Jericho where the two spies after having gained information of the enemy reinforcements, are saved from capture by the maid, Rahab, and return to the armies of Joshua.

On the final scene the falling of the walls and capture of the city offer an opportunity for a sharp climax which is unparalleled in the Old Testament stories.

HOLLAND BOY SIGNALLY HONORED

Rev. N. Eugene Flipse, son of Rev. Martin Flipse, at one time pastor of Third Reformed church of this city, has been signally honored by being appointed the pastor of the American Church at De Haague for the summer. The Holland City News, thanks to the Intelligence-Leader, is able to print this portrait of the former Holland man as well as the duties he is to undertake during the coming summer.

Mr. Flipse and his family have spent a good deal of their time in the past at the Holland resorts.

The article and picture will be found on the next page of this issue.

A rural festival day including scholastic competition and a field meet is being sponsored by the north Allegan county teachers' club for all the rural schools of Fillmore, Overisel and Heath townships. The Hamilton school will be host to the schools at that time, the latter part of April.

E. E. Mosier attended the Schoolmen's club of Allegan county at Hargie's Inn in Allegan Tuesday evening of last week.

Dental inspection was made of the students of the local school last Tuesday. Dr. Mosier of Allegan assisted by Mrs. Sherman, the nurse, examined the pupils of grades one through five, while Dr. Young examined those in the remaining grades.

The north Allegan County Teachers' club met in the Bee Line school with Misses Janet Kaper and Hazel Vander Popen acting as hosts. Mr. John De Young introduced Sheldon, the vice president of the Kent County Rural Teachers' club who addressed the group on the crisis facing the schools of today. Mr. John Scarlet, the county health engineer, entertained the group with five reels of moving pictures concerning health work. The most interesting feature seemed to be the reel on the camp life at Pine Lake.

Conservation pictures were shown at the last P.T.A. meeting in the Hamilton auditorium Tuesday evening. Much commendation is due John Brink, Sr., Benjamin Rankens and Harvey Zeerip for this splendid entertainment.

Announcement

I am a candidate for City Health Officer. During my regime in office I have been untiring in my efforts in keeping Holland up to it's high standard in health conditions. Repeated reports through the local press and those on file at the City Hall verify this statement. If you feel that I have done my full duty as the guardian of public health—then I wish to solicit your vote.

DR. WILLIAM WESTRATE,
Present City Health Officer.

Hope Orators Placed Third In State Contest

DEAN DUFFEE HOST TO COACHES, ORATORS

The two first places of the M.I.S.L. Oratorical contest, held last Friday in the Hope chapel, were awarded to Betty Baldwin from the women's section and Edgar Willis from the men's. The former, representing Albion College, spoke on the subject, "Live and Let Live"; the latter, a Wayne University contestant, discussed the problem of "Colleges for Crooks."

Kathleen Donahue received third place with her oration, "Slavery or Freedom?" while Hope's other representative, Henry Kuizenga, came in fourth. Ruth Wyley, Wayne University, and Gordon Thomas, Albion College, were the second place title holders. Alfred Fortino, from Alma College, placed third in the men's section.

The Hope School of Music furnished the music for both contests. In the afternoon Carlie Neckers played an organ selection, "Prelude and Fugue in A Minor" by Bach and Miss Evelyn Beach gave a trumpet solo, "Hungarian Melodies." At the evening performance Mrs. D. B. K. Van Raalte sang "Some Fine Day" from "Madame Butterfly."

The judges of the contests were the speech directors in the various colleges represented.

Mrs. Duffee entertained all the orators and their instructors at a dinner Friday evening in Voorhees hall.

CHARGED WITH BORROWING AUTO

Leonard Johnson, 19, of Grand Haven, was arraigned before Justice Paul Behm charged with unlawfully driving away an automobile. He demanded an examination which was set for Monday at 10 a. m. in the court house. He was placed on bonds of \$500 which were not furnished and he will remain in the county jail.

Johnson is charged with driving away a car belonging to Bernard Helmers of Grand Haven on Saturday night, March 9. He was picked up in Grand Rapids Sunday night by officers there and was brought home.

Dutch Flower Show to Open

Every 10 years the Dutch flower and bulb growers organize an international exposition to demonstrate the advances achieved in their industry. Beginning this week, the show will be held in Heemstede, a little village near Haarlem. Part of the beautiful park, Groenendaal, a famous old country estate, will serve as exposition grounds.

The Flower Hall, which will be filled every ten days with fresh specimens, will show forced flowers and shrubbery. Gardens and decorative groups of the rarest kinds will be shown. At night the hall, with formal gardens of 12 acres spreading out like a colorful tapestry, will be lighted by illuminated fountains and lighted pillars.

At the same time the tercentenary of the regular flower bulb export industry of Holland will be celebrated. The interesting history of Dutch bulb cultivation will be shown in the famous Frans Hals museum, of Haarlem, which is visited every year by numerous tourists for its interesting medieval architecture and its unique collection of masterpieces of Frans Hals and his contemporaries.

Arrangements have been made to enable tourists to visit these various centers under expert guides. It also will be possible to visit a number of modern and old gardens on private estates in various parts of Holland, which as a rule are closed to the public. In addition to these features, which should appeal to those who are interested in gardens and flowers, side trips to various cities, museums and countryside, have been arranged.

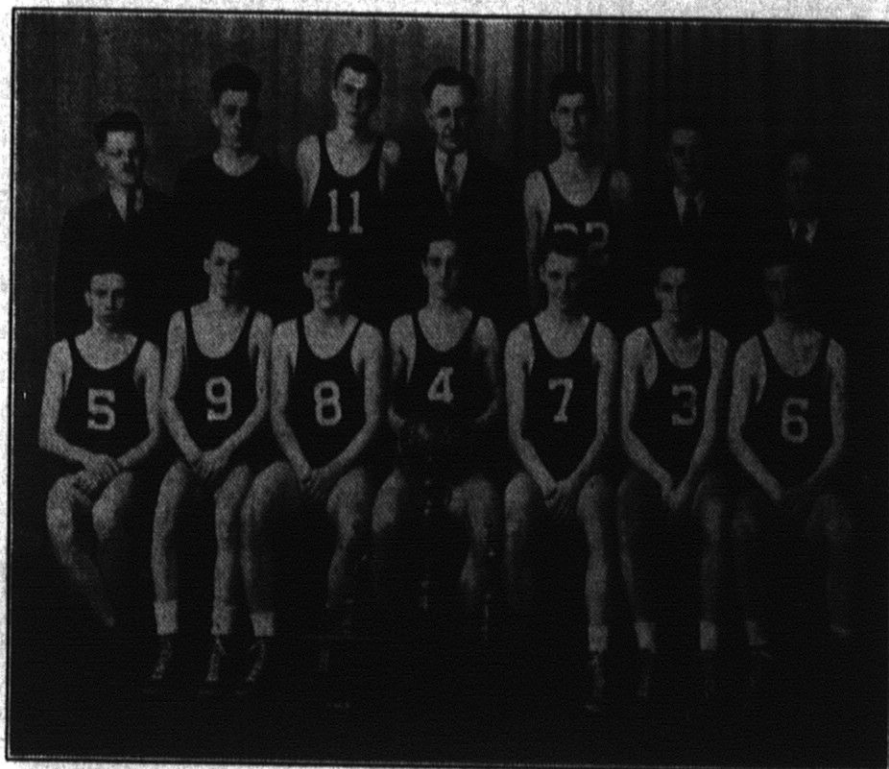

Extension trips to Belgium, France and England (for the Chelsea Flower Exhibits) will also be available at a time of the year when these countries are most beautiful.

THIRD CHURCH CONSIDERS FIVE

Consistory of Third Reformed church has nominated five ministers to be presented to the congregation March 18 for consideration in calling a pastor. They are Rev. Simon Blocker of Paterson, New Jersey; Rev. Raymond B. Drukker of Trinity church, Grand Rapids; Rev. William Gouloze of Eighth church, Grand Rapids; Rev. Gerrit Heemstra of Pompton Lake, New Jersey; and Rev. Fred H. Oert of Paducah, Kentucky.

The church has been served for 15 years by Rev. James Martin, who moved east last July. Rev. Victor Maxam is at present in charge.

Holland is receiving considerable publicity in the line of athletics at present as it has done in the past, this time through the local Christian High school. This city has always had several excellent ball teams, not only basketball, but also base ball and foot ball teams.

Time was when Holland had the best independent base ball team in the state, winning not only from professional teams in the state at the time, but coming within one score of winning over the all-American National team in an eleven-inning game played in Grand Rapids in Neal Ball's day. Since that time Holland has had a great many fine ball teams, the fine independent team being the incentive to create Riverview park, one of the best fields of sport of this type in Michigan. Holland shows a keener interest in all forms of sport than does any city in Michigan, and this is not a recent thing. The excellent timber in all sports. This is especially true of basket ball.

whether in Holland High school, Hope college, Christian high or in industrial plants, basket ball has ranked high in Holland's sport field.

We have had some wonderful teams. Sport, like everything else, goes up and down in the scale of perfection. Sometimes one institution excels, then another. For the last two years at least, Holland Christian High has had an almost unbeatable team, coached by A. H. Muisken, having lost only two games in two years, and last Saturday won their thirty-fourth straight game. The institution itself is in love and indeed proud of the achievements of their team, but Holland, as a city, has every reason in the world to look with pride to this stalwart team, called by their opponents the "giants of basket ball." Holland has honored many teams and it would not be out of place to honor this one. The entire state press and the small local papers and every village and hamlet have chronicled the achievements of these young men. Saturday night they won their sixth regional trophy in nine years, when they defeated the Comstock Park team by a score of 36 to 27, and that surely is an athletic mark to shoot at.

It will be remembered that the local Christian High team were class C state champions in 1934 and this week the boys are again trying for this state championship. Tonight, Thursday they are playing Western State High at Kalamazoo. Should they be victorious in this game, they will meet the winners of the Farrington-Northport game at Flint Friday evening. The finals are to be played at Flint on Saturday evening.

The squad line-up of the Holland team includes John Zwier, Russell Visser, Peter Staal, Murel Brat, Nelson Bouman, Harold Oostendorp, Adrian Slikkers, Gordon Buter, Henry Windemuller and Bob Heyns.

What Shirley Eats

Here is a typical working day's menu for Shirley Temple, the "Little Colonel," according to Doctor Hauser:

Morning—Large glass of orange juice immediately on rising. For breakfast, cooked whole wheat cereal, one egg, boiled or poached, whole wheat toast, large glass of milk.

Noon (main meal of the day)—Clear vegetable soup, chicken or well done beef, spinach or green peas, celery or head lettuce without dressing, gelatin or fruit dessert, glass of milk.

Night—Baked potato with butter, cooked carrots, lettuce or celery without dressing, fresh fruit, glass of milk.

TRAIN WHISTLE IS DINNER BELL FOR THE BIRDS

There's a train whistle in North Dakota that is sweet music to the hungry birds. To ordinary mortals its shrill "toot toot" means "look out," but to the pheasants and partridges it means "come and get it."

For the train crew on the Great Northern's local out of Fargo is conducting a little bird-feeding program of its own.

It started with Conductor George Loomis and brakeman Carl Troeh, who felt sorry for the birds that congregated along the right of way where the snow had been cleared looking for occasional seeds and bits of gravel.

They began buying grain from their own pocketbooks, putting it up in two-pound paper sacks and tossing it out wherever any pheasants or partridges were seen. The engineer and firemen joined in, and now the local game conservation association donates the "eats."

FISHING LIKE OLD WINE — BETTER WITH AGE

Life may begin at 40 but violations of fish and game laws start to decrease at that age—at least in Michigan. In a tabulation made by the Field Administration Division, Department of Conservation, it was discovered that the average fish and game law violator is most active between the ages of 17 and 40. At 40 the individual becomes increasingly less prone to break the fish and game laws and violations diminish steadily, reaching the vanishing point at 76.

Here are the averages:

Age of Violator	Number Violations
17 to 21 years	512
22 to 25 years	518
26 to 30 years	579
31 to 35 years	512
36 to 40 years	514
41 to 45 years	376
46 to 50 years	318
51 to 55 years	188
56 to 76 years	245

GRAND HAVEN MAYORALTY IS NO GOLD MINE

Richard Cook, Grand Haven's mayor-elect, spent \$9 more in conducting his campaign than he will receive from the city in return for holding the office. The mayor position carries a salary of \$37 per year and his expenses were \$46.

Application for marriage licenses have been received at the county clerk's office from the following: Gus Metzler, 23, Grand Haven, and Evelyn Barbrick, 18, Coopersville; Marvin Newhouse, 21, Zeeland township, and Jeanette Daining, 22, Jamestown.

"Sour" Now Missing From Cherry Label

The name of the red sour cherry has been deleted. In the future it will be known as red cherry. The change has been approved by the United States Department of Agriculture.

Canners gained permission to drop the word "sour" upon convincing the government that consumers and housewives, who are unfamiliar with the horticultural qualities of sweet and sour cherries, are discouraged from buying cherries when the label on the can bears the word "sour." Surveys have shown, it is reported, that housewives inquire for sweet cherries, which are not canned.

Sour cherries in heavy syrup are sweet, but canners declare that grocery clerks find it necessary to use much salesmanship to convince consumers that "sour" can also be "sweet."

The government's decision permitting canners to drop the word "sour" from the labels was announced here by Prof. Roy E. Marshall, Michigan State College pomologist and statistician for the cherry industry, and A. J. Rogers, of Traverse City secretary of the Michigan Cherry Growers, Inc., and manager of the Michigan Cherry Packing company.

NEW CONSERVATION FILMS PLANNED

Walter E. Hastings, staff photographer of the Department of Conservation, is busy editing a new movie film featuring flowers of Michigan which will shortly be added to the film loan division of the Department of Conservation. The new film is expected to be available for loan to institutions and organizations by April 1.

"The Complete Angler," another new conservation movie in two reels, featuring the various phases of fishing in Michigan, is now nearing completion.

Children and grandchildren of Mr. and Mrs. Walter Kruitthoff gathered at the Kruitthoff home, 178 East Fourteenth street Monday evening in observance of the thirty-seventh wedding anniversary of Mr. and Mrs. Kruitthoff. Games, music and a mock wedding were features of the evening. Guests were Mr. and Mrs. William Kruitthoff and sons, Albert and Henry, James Kruitthoff and children, Wallace, Ellen and Wilma, Mr. and Mrs. Walter Kruitthoff, Jr., and children, Vernon, Angeline Ruth and Hazel Ann, Mr. and Mrs. Henry Wolbert and children, Albert, Harold and Henry, Jr., Mr. and Mrs. George Beach and son, Harold, of Grand Haven, Mr. and Mrs. George Kruitthoff and daughter, Patsy of Grand Rapids, Arthur, Louise and Henrietta Kruitthoff, Mrs. Evelyn Scholten and daughter, Ruth.

ZEELAND REPUBLICANS SELECT CANDIDATES

In one of the largest caucuses ever held in Zeeland the Republicans Thursday night placed their candidates in the field. David Van Ommen was selected to run for mayor, John Holleman, John Schripsema and Matthew Looker, three to be elected, for aldermen for long term; alderman, short term, Nicholas Cook; supervisor, Cornelius Roosenraad; treasurer, Edward Glerum.

STRANGE ELECTION FREAK

Judge Fred T. Miles of Holland, strange to say, received 73 votes in Douglas and right across the bridge in Saugatuck Jarret N. Clark of Zeeland, received 73 votes. In both towns Miles received but 3 majority. This is where Mr. Clark of Zeeland started his law practice more than 25 years ago.

HOLLAND HIGH TO PRESENT "THE GOOSE HANGS HIGH"

The Holland High school stage is wearing a new setting of olive green paneled walls with ivory woodwork, which will form the living room of the home of Mr. and Mrs. Bernard Ingols, Robert Wismeyer and Mary Jane Vaupell, of "The Goose Hangs High."

The cast is being coached by Miss Lindsey, high school dramatic coach, who states that she has not only a talented cast, but a group of the most co-operative and ambitious students she has ever had. She says "Working with this cast is such fun, for they want to give an exceptional production."

The story of this play is one of the thousands of American families today. The twins are sophomores in college and the eldest son is in New York just managing to make a living for one, but he suddenly decides to marry. These three children have always received everything their hearts desired and they naturally always expect to. Quite unexpectedly Dad loses his position and they are forced into realization that there is something in this world besides themselves. The parts of the three children are carried by Gertrude Young, Eugene Brown and John Oert.

One of the biggest helps in straightening out the family is Grandma Bradley, who co-operates with an old family friend and sets her son-in-law up in a new business. Granny is portrayed by Margaret Allen and Noel Derby is played by Cornelius Steketee.

The play portrays a bit of political influence disrupting family life when a city councilman arrives to demand certain things from Mr. Ingols, who is city assessor. The politician is played by Clifford Marcus and he is making rapid strides in the interpretation of this part.

Still another politician who is an ardent social climber is Leo Day played by Roderick Van Leeuwen.

No play could be complete without its romantic element, and this is most pleasingly presented by Dagmar Carroll, known to you as Peggy Bergen, and Hugh Ingals or John Oert. The family must have its maid, Rhoda played by Clarine Elembas, and its "buttniki" relatives—a cousin, Mrs. Murdock and her son, Ronald Murdock—played by Ella Garvelling and Charles Drew.

The play is to be presented in the Holland High school auditorium next week, Monday, Tuesday, Wednesday and Thursday evenings.

Judge Miles Deals Stiff Sentences

BROKEN PAROLES AND PROBATIONS RESULT IN NUMBER OF PRISON TERMS

Zeeland and Holland Men Involved, One with Five Little Ones

Stiff sentences were given by Judge Fred T. Miles in circuit court to several who have broken probation and parole. Although a believer in probation, Judge Miles is equally in favor of heavy sentence to those who take the matter lightly, as was evidenced by his judgments.

Lester Lee Nead, age 21, Holland, was sentenced from two and one-half years to seven and one-half years at Ionia reformatory charged with unlawfully driving away an automobile. As the defendant is still on parole from Ionia, the judge recommended to the parole board that he be transferred to Jackson prison.

Everett DeWeerd, age 20, Zeeland, charged with violation of probation, was sentenced to Jackson prison for 18 months to 15 years and Cornelius Wabeke, 21, Zeeland, also a probation violator, was sentenced from 18 months to 15 years at Ionia reformatory. The two were convicted of stealing chickens and later stealing gasoline.

Robert Ott, 32, of Grand Haven, was sentenced from 6 months to a year at Ionia for driving while drunk, second offense, and a fine of \$50 and costs of \$10. Recommendations that he serve one year at the reformatory were made in lieu of the payment of the fine and costs.

Harold Bigelow, age 23, Lansing, and Albert Page, 29, Lansing, pleaded guilty to breaking and entering in the night time and will be sentenced later. These men were taken to Lansing to testify at the trial of Harvey Wilson, Lansing, charged with receiving and selling stolen goods. The arrest and conviction of these men has uncovered a trail of robberies in many parts of western Michigan and the operation of a gang that is said to have resulted into many thousands of dollars worth of stolen property.

Sheriff Ben Rossmore, through quick action, secured the tip at Marne which resulted in the arrest of Page and Bigelow and securing affidavits from several others implicating a gang whose work has baffled officers in surrounding counties for several years. The outcome of the Wilson case will be watched with interest as Wilson is said to be a wealthy man engaged in business in Lansing for some 15 years, and charged with receiving and selling stolen goods.

The sheriff has also been making raids on illicit sale of liquor in this county. Jessie Huyser, 22, who pleaded guilty to selling liquor without a license, was sentenced by Judge Miles to 30 days in the county jail or a fine of \$10 and costs of \$10. Oliver Guilford, 20, Park township, arrested a few days ago, was sentenced to 6 months to a year at Ionia with recommendations that he remain there for seven months.

Wilbur Martin, 32, also of Park township, formerly of Muskegon, was arraigned and pleaded guilty to selling liquor without a state license. He will be sentenced later. The man is married and has five little children.

Continued Search For Couple: No Trace is Found

Dragging of the lake bottom for the bodies of Allen Donley and Elizabeth Harlan, both of Douglas, who disappeared while on a skating trip Monday night, February 15, has continued at the lake whenever weather has permitted, but no trace of the couple has been found.

A constant search of the shore also has been made but searching parties have met with no success. It is believed that the bodies of the couple have either been carried out by the undertow of Lake Michigan or that they might have been frozen to an ice floe that has carried them far out into the lake before it released them.

Officials here are of the opinion that the bodies will not be found until most of the ice disappears but dragging will be continued whenever possible.

In the early investigation, tracks of the couple were found leading out over the ice and a break was found. It was supposed at the time that both had broken through the ice and were unable to climb back to solid ice or ground.

Although a third set of tracks was found several hundred yards from the tracks of the couple, and it was reported that Donley may have escaped, no trace of Donley has been found. The third set of tracks are still unexplained and although they were found the following morning after the couple were reported missing, it is pointed out that they may have been made hours before the couple went to the lake.

GERRIT NYKAMP BUYS YELLOW CABS FROM FORMER OWNERS

Gerrit B. Nykamp, who for the past five years has been employed by the Yellow Cab company, announces that he has purchased the cabs from J. F. Sundin and Henry L. Orr, owners of the Yellow Cab Garage and taxi for the past 14 years.

While Mr. Nykamp will operate the cabs in the future, Mr. Sundin and Mr. Orr will continue as owners of the garage and storage business. The garage will be known as the Warm Friend Storage Garage, Inc., although the taxi business will continue to be known as the Yellow Cab.

Mr. Nykamp states that he will continue to give the prompt and courteous service that has been given by the former cab owners in the past.

LOCAL NEWS

William Arendshorst was elected chairman of the west central district of the Ottawa county Boy Scout area at a meeting yesterday in the city hall. He succeeds "Bill" Eaton. George Mool was named vice chairman, John G. Eaton was chosen treasurer and C. C. Wood was elected district commissioner. John Good, vice chairman of the district last year, presided over the session.

Frank M. Lievense, local insurance man, former president of the Holland Fish and Game club, spoke at a meeting of the Sportsman's club of Holland high school Friday. Frank can tell a great deal about fish he did and also didn't catch in his day.

George Bosnjak has returned to Port Sheldon from Holland hospital where he underwent an operation for gall stones.

A substitute bill prohibiting members of shooting preserve clubs from taking more than the legal kill of game birds was introduced in the house by Reps. Edward Brouwer of Holland and Harvey H. Jarvis of Benton Harbor. The former is a Republican and the latter a Democrat.

John Nyboer, Holland, has received word that Mr. and Mrs. Emil Halverson, missionaries to Brazil, S. A., who will spend a furlough in America, have arrived in New Orleans and are now visiting in St. Petersburg, Fla. They expect to arrive here soon.

Prof. and Mrs. A. E. Lampen have returned from Ann Arbor where Mr. Lampen attended a district meeting of the Mathematical association. They motored over.

More aged people have died in Holland during the last three years than for some time. "Hard time worries" no doubt has had considerable to do with hastening many of these deaths. Rather a coincidence in the ages of three very old

people during the last two weeks was Mrs. Katherine Ver Schure, 83; Charles Wenus, 84; Johannah Vander Bie, 84.

William M. Connelly of the chamber of commerce announced the St. Andrew's Highlanders pipe band, of Detroit, would appear as an attraction during this year's Tulip Time celebration. It is estimated more than 20 musical organizations will participate in this annual event. More than 50 entries were received in the "Theme Song contest," sponsored by the local committee, from all sections of the state.

Little Kathryn Myers had her first birthday party last Friday. She was four years old and invited fourteen small contemporaries to her home to play from 3 to 5 o'clock. A Jack Horner pie, the last course of the refreshments, was an enjoyable feature, each pulling a colored paper ribbon running from his place-card to the big paper pie and pulling out a favor. Guests were Gwendolyn Rosser, Jacqueline Lee, Sarah Hoffman, Sally Stegeman, Ann Schmitt, Richard Lince, Richard Hicks, Richard Armstrong, Billy Dalman, Billy Schmitts and Billy Gallagher, all of Allegan, and George DeLano and Danny Buckle of Holland.—Allegan Gazette.

Mrs. Thos. G. R. Brownlow, wife of the pastor of the Methodist church here, sustained a broken wrist when she fell from the steps of her home at 69 W. 10th street, Holland, Saturday.—Saugatuck Commercial Record.

Arthur Drinkwater, 72, who was re-elected a council member from the Second ward Monday, holds a record as to age and service. Drinkwater will complete a service of 21 years next month. He served under six mayors, never was defeated in ten contests for election, was unopposed three times and twice was named to fill a vacancy. Drinkwater was born in Canada and located here in 1885.—Grand Rapids Press.

According to the Saugatuck common council the village clerk gets \$150 per year and the water collector gets an equal amount.

Gravel is being drawn on the road north of New Richmond to the north town line of Manlius and there east to the East Saugatuck station. The highway department expects to put on a tar preparation in this section this spring and next year to pave west towards Saugatuck from East Saugatuck. Thus we will soon have a paved road to Holland to connect with paved roads in all directions.

Mr. and Mrs. J. H. Van Blois had as Sunday guests Mr. and Mrs. Cecil Huntley and daughter Miss Jewell Huntley, Mr. and Mrs. Hartley Buss and son Edward of Holland.—Saugatuck Commercial.

John Walters, Sr., of R. F. D. No. 4 was assessed \$56.15 in Justice John Galt's court Tuesday for drunken driving, with 75 days in the county jail as alternative. Walters damaged a fire hydrant and tore down a fence with his truck.

Mr. and Mrs. Neal Van Leeuwen from Holland were visitors at the home of their parents, Mr. and Mrs. J. C. Van Leeuwen, at Fillmore recently.

Mr. and Mrs. Herbert Schmidt announce the birth of a daughter named Marilyn Elizabeth at their home, 126 W. 18th street.

Herman Kapenga, living at 348 Lincoln avenue, is recovering rapidly from an operation for appendicitis in Holland hospital.

Mrs. Clara Burk, formerly Mrs. Clara Hedge, who with her husband recently returned from San Diego, Calif., to make her home in Holland and who has been ill at her home, the Pieper apartment, on W. 8th street, is improving.

Rhea Jean Valleau of Gibson, southwest of Holland, won second place in the declamation contest held recently at Saugatuck high school.

Holland residents are in search for the first spring flower. The First State bank has announced a prize contest for the first five persons bringing in a crocus found in this vicinity.

Those from abroad attending the funeral services of Mr. William Tannewitz at the home of Mr. and Mrs. Nicholas Hoffstein, West 14th street, were: Mr. and Mrs. Henry Tannewitz, Mr. and Mrs. Edward Tannewitz of Detroit, Mr. and Mrs. William Patterson of Newaygo, William Patterson of Coopersville, Carl Tannewitz and Miss Josephine Tannewitz and Mr. and Mrs. Stormes of Grand Rapids, Mr. Kelly and Mr. Duffy of Detroit, Mr. and Mrs. N. Drews of Oshkosh, Wis., Mrs. Charles Blom and Mr. and Mrs. William Blom of Madison, Wis., and Mr. and Mrs. Charles Tannewitz of Milwaukee. Many floral contributions were received from home and abroad and were beautiful.

John Meimema, 67, of Hudsonville, was instantly killed Saturday night when he was struck by an automobile driven by James Baareman, 21, also of this city, on Main street. A companion, Cornelius Schut, 40, of Hudsonville, was taken to St. Mary's hospital, Grand Rapids, with a fractured leg.

Coroner Vande Water and Deputy Sheriff Tony Groeneveld, who investigated, will decide Monday on an inquest. Baareman was not held. Meimema is survived by two sons, Ben of Hudsonville and Henry of Grand Rapids, and two daughters, Mrs. Gerrit Scut and Mrs. Dave Wierenga of Hudsonville.

The current in Grand river at Grand Haven has been running at the rate of two knots per hour, according to observations made from the coast guard cutter Escanaba. There is very little ice in the river below the bridge at U.S. 31 and the ice up the river is fast leaving. Snow melting and rain in the uplands have brought this about.

It Must Have Value or It's No Bargain

Every year the market is flooded with low-priced fuels. Tramped-up trade names and "sensational" prices are the bait.

Just remember that your fuel dollars must buy heat, and good fuel is priced on the basis of its heat content. To deliver heat, COKE must be clean and as free as it can be made from unburnable substances.

OUR COKE means uniform comfort in the home. That's why folks who give it a trial ask for OUR COKE the next time they order. It is a large, blocky, clean coke.

Although it ignites quickly, it is one of the longest burning coals known. Bank it before you retire at night, check the drafts, and FORGET ABOUT IT! In the morning you will be greeted with a bed of live coals "RARI" TO GO!

A Good Commercial Loan

—has distinct hallmarks which warrant its rating as sound business for your bank.

THESE hallmarks are:—the good name of the borrower; the sound purpose for which the money is to be used; and the self-liquidating character of the underlying transaction which assures repayment of the loan in accordance with its terms.

These are the essential features of commercial loans made by this bank. They help our customers carry on useful, profitable business activities. Bankers call them "short-term, self-liquidating loans" for they finance industrial, agricultural and merchandising operations which are normally completed within sixty or ninety days or seasonal periods, and bring in funds to repay the loan.

THE BORROWER'S Best Credential

It used to be a common practice by many borrowers to renew their loans over and over again. They paid the interest but, as they were "good for it," did not seem to think it was necessary to be in a hurry to pay the principal.

Today this practice is recognized as unsound and contrary to safe banking principles. Banks are no longer permitted to extend loans indefinitely.

A "clean slate"—all old obligations wiped off—is a borrower's best credential when seeking further credit. The most welcome borrower today is the man who not only can pay, but does pay his loans at regular intervals.

The Homes of a Michigan Citizen

Let us examine him on several points that distinguish a good citizen from a bad one:

Does he pay his taxes? . . . During the past ten years he has paid a total of \$32,332,175.31 taxes into State and Federal funds. Last year he paid \$2,670,873 to Michigan.

Is his home an eyesore? . . . He has 356 homes distributed over the great State of Michigan. Many of these he built himself and owns—substantial buildings in good taste, each an asset to the neighborhood and standing on grounds that he always keeps neat. Where less space is required, he rents a home. Large or small, it is always adequate to the needs of the community it serves.

What sort of customer is he? . . . Each year he buys huge quantities of Michigan products—copper and furniture,

poles, automobiles, iron, stone, labor.

How does he treat his employees? . . . With fairness and consideration. There are seventy-three hundred of them, both men and women, and they all say that he is a good man to work for. He pays them \$12,000,000 in wages annually; this month he is paying them one million dollars, most of which will be spent and circulated throughout Michigan.

What does this Michigan citizen supply to his community? . . . Telephone service. And in supplying that service, it is his aim that the improvements of the past shall continue; that the service shall be rendered with efficiency, economy and courtesy; that always there shall be available for his fellow-citizens of Michigan a telephone service that is as fine as any in the world.

The Home Club of Ganges sent the Douglas hospital fund \$20 for their benefit entertainment. From Florida came a letter written by Mr. and Mrs. E. L. Springer with \$5 to add to the fund. The committee regrets that there is not room to print all the nice letters which have come to them regarding the benefit in Saugatuck, as our out-of-town friends have responded so willingly and generously.

Fire Chief F. J. Walz and his firemen are proud of the report made to the village board. There were 15 fire calls last year, 4 in the village and 11 in rural districts. Property endangered was \$55,000, with an actual loss of \$3,500.

A benefit entertainment for the Community hospital was given at the school auditorium Wednesday evening. There was a program of eight vaudeville numbers, a color-musical circle, mixed chorus and a musical act. More than fifty were in the various casts. The program was under direction of Herma Braithwaite Fonger and Mrs. Caroline Wicks was the general chairman in Saugatuck. The efforts went over big for the hospital.

Novel Luncheon for Bridge Parties

WHAT to serve at your next bridge party is a much disputed question that should be considered from several angles. Now experts seldom eat much before a tournament so they can think clearly. For instance, one well known player eats only oysters, while another just drinks black coffee before a match. But when the party is a social afternoon among friends, it seems hardly necessary to take our bridge that seriously. Still it is not a time for elaborate feasting either. Time was when a bridge party meant a full course luncheon or dinner, but today we strike a medium with the simple plate luncheon now in vogue—and a charmingly practical balance it is, too. It simplifies entertaining and permits the service of special dietary dishes. Try these menus on your bridge club. You will find them delightful and easy to serve.

COMMON COUNCIL

Holland, Michigan.
March 6, 1935.

The Common Council met in regular session and was called to order by the Mayor.

Present: Mayor Bosch, Aldermen Kleis, Prins, Drinkwater, Kalkman, Van Zoeren, DeCock, Steffens, Damson, Huyser, Bultman, Van Lente, Thomson, and the Clerk. Devotions by Ald. Drinkwater, who led in the Lord's Prayer. Minutes of last meeting read and approved.

MAYOR'S MESSAGE

March 2, 1935, and which reads as follows:

Holland Crystal Creamery, Holland, Michigan.
Attention of Mr. F. W. Fleisher, Manager.

"Today in conversation with your Mr. Fleisher, I went thoroughly into the serious matter of the nauseating odor produced by the manufacture of dried butter milk products at your local plant. 'You are well aware of the fact that this has caused a serious controversy between your company and our Common Council for the past few years. 'I have personally investigated the numerous complaints that have

come to me from time to time by citizens living in the vicinity of your factory, and I am absolutely satisfied that these complaints are not exaggerated."

"On numerous occasions I have had interviews with members of your organization relative to this bad condition. I am now very happy that after having today reviewed the complaints with your manager, Mr. Fleisher, we have come to a final agreement as follows:

"Mr. Fleisher informs me that your company is now negotiating with certain concerns for the purchase of certain equipment which will eliminate these obnoxious odors. However, Mr. Fleisher further stated that he has no positive guarantee that their equipment will satisfactorily eliminate this odor. There is also the question of whether the cost of such equipment will be prohibitive."

"Mr. Fleisher assured me that unless this odor is completely eliminated by purchase of equipment, your company will discontinue the manufacture of this product which is the direct cause of these obnoxious odors."

"I am very happy that I am able to report to our Common Council at our regular meeting on Wednesday evening, March 6, the facts of the obnoxious odor, and the agreement with your manager, Mr. F. W. Fleisher, as herein contained."

Respectfully yours,
NICODEMUS BOSCH,
Mayor.

I am sure that your Honorable Body will be gratified to know that this controversial problem has been solved.

Respectfully yours,
NICODEMUS BOSCH,
Mayor.

Mayor Bosch presented a message to the Council relative to an agreement that he had reached with Mr. Fleisher, manager of the Holland Crystal Creamery, pertaining to the obnoxious odors caused by the manufacture of certain milk products at their plant. The Mayor reported to the Council that Mr. Fleisher had agreed to do all in his power to eliminate these odors. It was stated that the Creamery Co. is now negotiating for equipment, which if purchased and installed, will very likely eliminate these odors. It was further stated that in case the equipment is not satisfactory, the company will discontinue the manufacture of this product which is the direct cause of the odors.

Mayor given a rising vote of thanks for his good work in solving this problem which has confronted the Council for the past two years. Adopted.

Petitions and Accounts

Clerk presented operating report of Gas Co. for December.

Referred to B. P. W. Clerk presented application from Bernard Keefe for transfer of beer license from 29 W. 8th St. to 27 W. 8th St.

Granted. Clerk presented application for transfer of restaurant license at 779 River Ave., operated as "The Dutchman" from Sam Koning to Andrew Leenhouts.

Referred to License Committee with power to act. (Committee met after Council and approved of the transfer.)

Clerk presented claim for damages presented by Lokker & Den Herder on behalf of Egbert Beekman, owner of a home at 65 River Ave. Mr. Beekman claims damages in excess of \$1,000.00 on account of the construction of the Sewage Disposal Plant in close proximity to his home. The complaint being that the effects of the construction of said plant has caused the rotting and decay of his house and further that the stench from the plant makes living conditions intolerable and a continuing nuisance.

Ald. Drinkwater stated that in his opinion Mr. Beekman had a just claim and was entitled to some damages. Ald. Kalkman voiced the same sentiments and on motion of Ald. Kalkman, seconded by Drinkwater.

It was moved that the claimant be granted damages to the extent of \$1,000.00. Ald. Damson questioned the wisdom of such action stating that if this were done, no doubt there would be several others in this same vicinity who would ask similar damages. Other Aldermen voiced similar sentiments, and on substitute motion of Ald. Van Lente, seconded by Bultman.

It was moved that a committee of three be appointed to investigate. Carried. Mayor appointed as such committee: Alda. Damson, Thomson and Bultman.

Reports of Standing Committees. Claims and Accounts Committee reported having examined claims in sum of \$4,986.14, and recommended payment thereof.

Allowed. Ald. Drinkwater questioned the check of \$800.00 to the Chamber of Commerce. In commenting upon the matter, Mayor stated that in passing the new appropriation Bill, this matter could be talked over by the Aldermen, and no further comment was made at this time.

It was decided by the Council to have an informal budget meeting on Monday evening, March 11, 1935.

Reports of Special Committees. Alderman Thomson to whom was referred together with Alderman Van Lente, the application for a building permit for a garage house by Don Bruichart on W. 29th st., reported recommending that same be denied due to the fact that there are no lateral sewers in this street and it would therefore jeopardize the City's water supply by having outside toilets which would be necessary at the present time in this vicinity.

Adopted. Communications from Boards and City Officers. The clerk approved by the Hospital Board in the sum of \$3,476.78; Library Board, \$154.60; Park and Cemetery Board, \$352.71; Police and Fire Commissions, \$2,295.24; Board of Public Works, \$10,700.41; were ordered certified to the Council for payment. (Said claims on file in Clerk's office for public inspection.)

Allowed. Board of Public Works reported collection of \$4,550.23; City Treasurer, \$4,595.55 miscellaneous; City Treasurer, \$11,173.92 taxes.

Accepted. Clerk reported interest coupons due in amount of \$72.50.

Ordered paid. Clerk presented committee from Board of Public Works recommend-

ing the purchase of line material in the amount of \$1,448.50, subject to approval of Council.

Approved. Clerk presented committee from Board of Public Works reporting that subject to a request from the Ways and Means Committee for funds to assist in financing the City government, the Board had agreed to pay the sum of \$60,000.00 at intervals on or before February 1st, 1936, subject to approval of the Council.

Accepted with thanks. Motions and Resolutions. Aldermen Bultman and Huyser brought up the matter relative to improvements at Prospect Park, and on motion of Alderman Bultman, seconded by Huyser.

Clerk was instructed to contact the Park Board to receive an expression from them as to what they are planning to do about such improvements during the next year.

Adopted. Alderman Kleis reported on behalf of the Committee on Ways and Means relative to the appointment of a Deputy City Treasurer to collect delinquent personal taxes. Mr. Kleis stated that the Committee was recommending as such Deputy Treasurer, Mr. Herman Prins, 43 E. 20th st., and further recommended that Mr. Prins be paid on a commission basis, the same as the former Deputy Treasurer—Mr. Franklin Van Ry. Such commission to be 5% on all 1934 delinquent personal taxes, and 15% on 1932 and older delinquent personal taxes.

On motion of Alderman Kleis, seconded by Thomson. Approved and Mr. Herman Prins was appointed as such Deputy City Treasurer.

Clerk presented bond of Mr. Herman Prins in the amount of \$1,000.00, with Peter Prins, surety. Bond and surety approved.

Clerk reported that if there were no elections, the canvass of the vote in the City at the primary election on March 4, 1935, which in accordance with the charter is required to be made on the Thursday following election, could be taken up at this time.

On motion of Alderman Van Zoeren, Mayor was requested to appoint a committee of three to canvass the election. Carried.

Mayor appointed Aldermen Kalkman, Van Zoeren and Damson. After a short recess, the committee reported that they had made such canvass and submitted tabular statement of such vote, and on motion of Alderman Van Zoeren, seconded by Kalkman.

RESOLVED, that the report of the votes cast for the several City and ward offices be and the same

William C. Vandenberg was in Grand Haven in the interest of the Gulf Refining company yesterday.

The surface of US-31 north of Saugatuck has become broken by the frost going out of the ground and leaves the roadway in a very loose and unsafe condition. Trucks are getting stuck in the middle of the right of way and when this occurs the road is blocked, as the shoulders around the soft spots are not stable enough to use. This piece of road has been a disgrace to Michigan's highway department for a number of years and it seems a strange thing that nothing has been done to remedy it.

ALL MACHINES BEING USED FOR GAMBLING TO BE CONFISCATED

(Allegan News)

Following a warning that slot machines and ball machines were considered gambling devices and that such machines being used for gambling would be confiscated, Welborne S. Luna, county prosecutor, announced today that in the future such machines will be confiscated whenever a complaint that it is being used for gambling is made or when officials have evidence showing that gambling is being done on such machines.

Mr. Luna declared that in the eyes of the law it is proper to have such machines in operation, providing that there is no gambling on them and that they are not being used by persons other than the owners for gambling.

The term gambling means, according to Mr. Luna, in reference to ball machines a cash or merchandise award. A score card showing amount of merchandise given as awards will be in itself evidence that the machine is being used for gambling purposes, he declares.

Warning that such machines would be confiscated, was issued by Mr. Luna several weeks ago and authorities are now prepared to act whenever they have evidence that ball machines are being used as gambling devices. Slot machines are pure gambling machines, Mr. Luna declared and will be confiscated and arrests made.

CENTRAL PARK

Mrs. F. J. Van Dyk was in Grand Rapids Tuesday attending the funeral of a life-long friend, Mrs. Warren H. Gibson.

Mr. and Mrs. Nels Harris and daughter, Virginia, of Paw Paw, Michigan, were guests Monday of Mr. and Mrs. Jacob H. De Pree.

Mrs. Dick Vander Meer, Mrs. Henry Van Velzen and Mrs. Ralph Van Lente were in Grand Rapids Wednesday attending the homecoming of the Ladies' Missionary society of the Grace Reformed church in that city.

Dr. Morton L. Levin, Ottawa county health commissioner, spoke to the Senior Endeavor society on Sunday evening on the subject "Religion and Health." Miss Sarah E. Lacey of the Hope college music faculty played a piano solo, giving an excellent rendition of Chopin's Fifth Nocturne.

The Sunday school class of young men of which Mr. George St. John is the teacher met Friday evening at the home of the teacher and the following officers were chosen: President, Neil Sandy; vice president, Leon Van Huis; secretary and treasurer, Arthur Stroop. Refreshments were served by the hostess, Mrs. George St. John. The members attending were: Earl Cook, Herbert Lagers, Chester Oosting, Clayton St. John, Neil Sandy, Russel Teusink, Leon Van Huis, Arthur Stroop, Marvin Van Huis, Roger Van Huis and Gerald Van Lente.

Mrs. Caroline Caverley, mother of Mrs. George St. John, who has been visiting here since last year, Labor Day, returned to her home in Somers, Montana. Accompanying her on the trip as far as Chicago were Mrs. George St. John, Clayton St. John and Mr. and Mrs. William Penna.

The various circles of the Aid society met this week as follows: "Wide Awake Circle" at the home of Mrs. William Appledorn, Mrs. Floyd Boersma assisting the hostess. The "Cheerful Workers" circle Thursday afternoon at the home of Mrs. James De Pree. The "Optimists" circle at the home of Mrs. Dick Vander Meer.

The Intermediate Girls' Choir of which Mrs. James M. Cook is the director furnished the special music at the evening service on Sunday.

The "Circle of Cheer" Sunday school class of which Mrs. George E. Heneveld is the teacher, sponsored a miscellaneous program at the church Tuesday evening. After singing by the audience and the invocation by the minister, Rev. F. J. Van Dyk, a guitar and banjo duet was rendered by Mrs. George Speet and Mrs. William Schurman. A play, "Three Potatoes for Mary" was staged by the following members of the class, Mrs. Warren Fischer, Mrs. Joe Wiersma, Mrs. Vernon Van Lente and Miss Marie Harthorn. Mrs. Richard Bowman and her brother, H. Minnema, sang two numbers in the Holland language, accompanied by Mrs. H. Minnema. The class ladies' quartet, composed of Mrs. Blaine Timmer, Mrs. Harold Driscoll, Mrs. William Schurman and Mrs. Joe Wiersma, sang, after which Mrs. George Peigrim of Holland interpreted a striking play called "Two Masters," by Fraser. During the offertory, Miss Mildred Schuppert played one of Chopin's Nocturnes and after the class song had been sung by all the members of the class, there was a playlet by Edward Heneveld, Roscoe De Vries and Ruth Bowman, entitled "At the Naturalization Bureau." Vivian Harkema favored the audience with two readings by Edgar Guest, "At Breakfast Time" and "Mother's Glasses" and the program closed guitar duets by Edwin Nieuwsma and Claribel Dunnevin.

OVERISEL NEWS

Wedding bells have been ringing rather frequently here of late, which seems to indicate that times are getting better. Last week the Reformed church parsonage was the scene of another wedding. Mr. Marvin Boersens and Miss Bertha Schra, both of East Overisel, were united in marriage by the Rev. William Pyle. The Misses Jennie Boersens and Marian Schra served as witnesses. The newlyweds will reside at East Overisel, where Mr. Boersens is employed in the creamery.

Miss Tena Holkeboer, who is at home on furlough from China, will speak in the Reformed church next Sunday evening. She will meet an appreciative audience.

Mr. and Mrs. Henry Top expect to move into the village in the near future, having purchased the house formerly owned by the Wolterink family.

Several ladies of both local churches attended the prayer service for missions in Hamilton last Friday afternoon. Mrs. William Pyle presiding at the meeting.

Rev. and Mrs. G. J. Vande Riet attended a mid-winter family reunion of the Vande Riet family in Holland last week. It was held at the home of Mr. and Mrs. George Vande Riet of 89 West Eleventh street.

Despite the fact that there is no high school in this neighborhood, many parents here are not unmindful of the value of secondary education, and are sending their boys and girls to high schools in nearby towns. Severe winter weather often makes the daily round trips a hardship for these young people, but this makes them appreciate the education so much more.

The following Overiselles are attending the Holland high school: Earl Albers, Ruth Albers, Frances De Roos, Eleanor Folkert, Mildred Folkert, Juliet Kooiker, Mildred Kooiker, Lois Kronmeyer, Hazel Lampen, Juella Maatman, Eileen Nyhuis, Juliet Nyhuis, Bernice Oetman, Hulda Rigtierink, Gloria Rigtierink, Marietta Rigtierink, Cynthia Schipper and Amy Slotman.

Those enrolled at Hope High school are Evelyn Mae Folkert, Floyd Judson Folkert, Jay Folkert, Marie Juliet Folkert, Viola Folkert, Wallace Folkert, Loraine Pomp, Harvey Gordon Schipper and Lois Voorhorst.

TO THE VOTERS OF ALLEGAN AND OTTAWA COUNTIES

Please accept my thanks for the splendid vote you gave me, who to many am a total stranger, and to others a friend of only a few days. I am satisfied my ideas of the court must have appealed to you.

JARRETT N. CLARK.

Hope College News

The all-college banquet date of April 28 has been postponed by the student council, according to an announcement late last night by Henry Kulzenga, president.

Although a definite date has not been set, the banquet will be held in the Masonic temple and will feature a song and yell contest. Margaret Dregman, general chairman, announces the following committees:

Spencer Hulse, assisted by Wilma De Young, will have charge of this song-and-yell contest, which will be held at college outside of the Student Council is eligible to enter. A prize of three dollars has been offered to the student who submits the song and the yell which will be featured at the all-college banquet, and the contest is to be judged by people who have no connection with the college. Mimeographed sheets bearing the particulars of the contest will be circulated among the students at a near future date.

Committees for the banquet are as follows:

Decorations of the Hall — Betty Goehner, chairman, and Marjorie Scholten.

Table Decorations — Helena Vischer, chairman; Ruth Burkett and Ethel Boot.

Song and Yell Contest — Spencer Hulse, Wilma De Young.

Publicity and Tickets — Marc Brouwer and Virginia Koolker.

Music — Ruth Van Oss and J. Harper Vander Meulen.

Announcement was made by Dr. Wichers last week that David De Witt, Coopersville, was awarded the University of Michigan fellowship for outstanding work. Sherwood Price, Holland, was appointed alternate.

The fellowship is given each year to the most outstanding senior making application, as judged by the faculty committee of which Prof. Thomas E. Welmers is chairman. Scholarship, financial need, general preparation and other factors are taken into consideration when making the award.

During his four years at Hope College, Dave has maintained a scholastic average of 2.6216 quality points and has taken part in many college activities. At the present time he is president of the Cosmopolitan fraternity; vice president of Blue Key, serving as delegate to the national convention in December; is a member of the men's debate team and of Pi Kappa Delta, national forensic fraternity. He has majored in languages at Hope and expects to study law at the U. of M.

MILESTONE EDITOR REPORTS PROGRESS

The Milestone work is "moving along nicely," according to Stewart Gross, editor. The staff is trying to work out a different kind of book than has been published before. The plans are that the Milestone will go to the printers April 20 and that the book will be ready for distribution to the students about one month later. A plea has been made by Helena Vischer and Stan Joeckel for snapshots to be placed in the Milestone. There is a prize offered for the best one.

William Welmers, son of Prof. and Mrs. Thomas E. Welmers, will give an organ recital Sunday afternoon at 4 in the Memorial chapel. Welmers is a junior in Hope college and is a student of Prof. Curtis Snow. He has appeared before the student body in chapel many times, and is organist at the Methodist-Episcopal church of this city.

His program Sunday will be well balanced, consisting of both classical and modern numbers by famous American, French, German and English composers.

Following is his complete program:

"Concert Overture," by J. H. Rogers; "Choral Prelude," by Bach; "Pastel No. 3" by Karg.

SUNDAY DINNER SUGGESTIONS

By ANN PAGE

ENJOY a feast of oranges this week. In Both Florida Valencias and California navels are at their cheapest and best. Serve them at each and every meal, eat them between meals and at bedtime. They'll help cure that attack of spring fever.

Apples, too, and grapefruit are attractively priced. Lemons are much cheaper than they are in summer. Vegetables with few exceptions are low in price. Green and wax beans, summer squash, green peas, and spinach invite the careful shopper's attention. Asparagus is getting within the reach of ordinary pocketbooks. Bunch carrots are particularly attractive.

Meals made up of vegetables served with eggs, fish or cheese are attractive and nourishing. Meals are even higher than last week, with beef, lamb and poultry offering fairly good values.

Here are three menus made up of seasonable foods adapted to different budget levels.

Low Cost Dinner
Macaroni and Cheese
Buttered Carrots
Spinach with Hard-cooked Eggs
Bread and Butter
Orange Shortcake
Tea or Coffee

Medium Cost Dinner
Pot Roast of Beef
New Potatoes
Carrots
Bread and Butter
Cliced Oranges with Custard Sauce
Cookies
Tea or Coffee

Very Special Dinner
Consomme
Ham with Pineapple Slices
Candy Potatoes
New Asparagus
Mixed Greens Salad
Rolls and Butter
Orange Souffle with Orange Sauce
Coffee

Elert; "Andante from First Symphony" by Vienna; "Canon," by Schumann; "Prelude in Fugue," by Bach, and "Finale from Six Pieces," by Cesar Franck.

DANHOF MAKES ALL-A RECORD

Ralph Danhof, a student at the University of Michigan who, last year, attended Hope, was one of 14 students who received an all-"A" rating at Michigan last semester.

Danhof was enrolled here for two years, as a freshman and a sophomore, and was a member of the Cosmopolitan fraternity. He was a prominent member of the debate team and the ANCHOR staff while at Hope. Last spring he was elected Milestone editor by his class. He was one of three students from southwestern Michigan who received such a high rating. And he is also a member of the debate team at Michigan.

TWO DEBATES WON BY HOPE

Monday morning, 10:45, March 11, Joe Esther and John Van Wyk,

affirmative team, won a decision debate held with Calvin College before the Calvin student body. The judge was Prof. Roland Jackson of Grand Rapids Junior College. Mr. Veenstra and Mr. Huizenga composed the Calvin negative team.

Friday, March 8, Joe Esther and John Van Wyk won an audience shift of opinion vote of 43-8 in a debate held with Michigan State College team at Congressional Church, Bostwick Lake. Their opponents were Smith and Hickman.

Four Hope teams met four Grand Rapids Junior College teams in practice debates held on the first floor of Memorial chapel. The Hope debaters were Lokker and Luben, Miles and Vandenberg, D. Laman and Van Tatenhove, T. Laman and Smith.

David De Witt and Joe Esther have been chosen to represent Hope in debate at the Regional Tournament to be held at Otterbein College, Ohio. John Van Wyk will be the extemp speaker, and Henry Kulzenga will be Hope's orator there.

Some Good Chicken Information

Rising prices and a more favorable outlook for poultry will undoubtedly lead to an increased demand from Michigan farmers for baby chicks this spring, and buyers are warned by the poultry department at Michigan State College not to jeopardize the success of chick raising by failing to get the brooding quarters ready early.

Early chicks have the best chance to mature sufficiently to be ready to go in the laying house as producing pullets when eggs are the best prices. These chicks are harder to raise because more careful attention must be paid to maintaining brooder temperatures and to the prevention of disease within the house. This attention should be given, however, and an early start made to obtain the most profits from the future flock.

Brooder houses should be thoroughly cleaned before any chicks are placed in them. Thorough cleaning means considerable hard work and plenty of hot water, but if any dirt is left in the house it probably will be a refuge for bacteria which will kill the chicks later. Sprinkling disinfectant in a house does not clean it. The disinfectant will not penetrate dirt which is present, so the dirt should be removed before the disinfectant is used.

Scrubbing the house with plenty of water and soap is more important than using disinfectant. A coarse broom or brush will save a lot of back bending in the scrubbing process. Use the disinfectant after the house is cleaned and follow the manufacturer's directions.

Early chicks have to stay in the house until good weather comes, but clean range should be ready for them when they go outside. No range should be used upon which poultry has run within the past two years. Several of the kinds of bacteria which cause chick diseases will live in soil for two years. If the ground is contaminated with these bacteria, the chicks will become infected. There is profit in treating sick chicks. Disturbances should be prevented. Clean houses and ranges will do this.

A mowing machine is in use on nearly all of Michigan's 169,372 farms, and their care, operation and repair should be a matter of general knowledge among farmers. A mowing machine, with its many gears, draft, ragged cutting, and excessive wear on the engine, can be eliminated by using the maximum care in oiling, adjusting and replacing the worn parts. A smooth running, clean cutting mower gives real satisfaction to the operator, and requires less power from the horses or tractor.

If some part of the mower breaks down during the haying season the loss of half a day on a trip to town for repairs, and the time consumed in making the repairs may mean a lost hay crop, but such breakage can be avoided by making the simple repairs and adjustments that will be shown at a machinery repair meeting scheduled in Allegan county by County Agricultural Agent A. D. Morley.

An extension agricultural engineer from Michigan State College will be at the Allegan county meeting to show the different adjustments and make the necessary repairs. The meeting was held at Zeeland, Mich., on Friday, March 8, at 1:30 p. m.

Worn knives, warped pistons broken sections, lagging cutters bars, or mower tongues carried too low may cause a breakdown when the mower is taken into the field. Such troubles can be cured during the winter, when time is not so valuable as it is in the summer.

During the past winter a series of mowing machines were repaired and repaired. The oldest machine was 32 years old, and the newest about 6 years, with an average of 21.2 years for all machines. The average cost of repairs for the 39 machines was less than \$5.

Perhaps the greatest cause of heavy draft and breakage is on account of the machine being out of adjustment. A few minutes of time with no outlay of cash will overcome the most of these difficulties.

"These adjustments could just as well be made in the machine shop now," declared County Agent A. D. Morley. Although the mowing machine will be the only one actually worked on, questions will be answered on other machines and a discussion will be held on binder and knotters head troubles.

HOLLAND REST GROWERS ASSURED GOOD SEASON

(Special to the City News)

Sugar beet growers in the Holland district of Michigan are facing one of the most satisfactory seasons in history. If weather conditions are favorable, according to provisions of the national agricultural adjustment program just revealed.

C. R. Orvitt, federal field representative in the eastern section of the United States sugar beet area, has announced that growers who sell their beets to the Lake Shore Sugar Company plant at Holland have been allotted a total of 4,607 acres for the 1935 crop.

The entire United States sugar beet acreage will be about 100,000 acres, with 153,000 acres to be planted in Michigan under provisions of the federal program. The allotment of 4,607 acres in the Holland area equals the all-time record of 4,600 in the district in 1933, when a boom crop was harvested. Last year 4,400 acres were planted to sugar beets in the district.

Mr. Orvitt says that the price paid for the 1934 sugar beet crop including payments from commercial operating factories and the federal government is likely to reach \$7 a ton. In the record year of 1933, the average price per ton in Michigan was \$5.81 or 68 cents above the national average of \$5.13. It is anticipated that the 1935 price will be approximately \$7 per ton, although this has not yet been definitely determined.

HIS BABY IS WORTH WEIGHT IN COPPER

Mr. and Mrs. Francis Mann of Mount Pleasant, N. J., at their home there two years ago, promised "a new baby" to their son, who was a baby. Dr. John Peasman, related at a birth and Pansy Mann dropped a heavy bucket onto the baby. There were 2,500 pounds of a cloud and said: "Here is your baby."

Pity the Hen

Dr. Lincoln V. Dunn of the University of Chicago has transformed a hen into a rooster.

It was accomplished through a transplantation of glands. The ex-hen has changed its shape. It crows.

This is a marvelous advance for medical science, just now engrossed in the effort really to learn something about the nature and influence of glands.

However, it is a little rough on the transformed hen.

In an earlier generation, when people had odd notions about feminine "modesty," there was an ill-natured couplet that said:

"A whistling woman and a crowing hen
Will always come to some bad end."

Part of that notion has been exploded by modern experience.

Nowadays we know that nothing happens to a whistling woman except that her dog comes running. Or her boy friend does, if he happens to be the one she is whistling at.

But a crowing hen almost certainly will come to a bad end—on the chopping block.

The doctor who deprives her of a good, solid talent for laying eggs, and teaches her to crow instead, does her no favor at all.

There's no market price on crowing.

AN APPRECIATION

The sugar beet growers of Western Michigan wish to thank the City of Zeeland for their generosity in allowing us the use of their auditorium for our meeting on Saturday afternoon, February 23, 1935.

FINE RECORD HASTINGS WINDSTORM COMPANY

Nearly Half Million Dollars Paid in Losses in 1934 Without Borrowing.

The fifty-first annual meeting of the Michigan Annual Windstorm Insurance Company of Hastings was held at the home office last month. Directors were elected and other general business was transacted.

The secretary's annual report shows the company to be in splendid position and the volume of business for the year well in advance of that of 1933.

In spite of the fact that storms in 1934 brought unusually heavy losses to this company, nearly a half million dollars in payments were easily met without borrowing. This shows the wisdom of this company's policy of always keeping on hand a fine cash reserve. In this way every policy holder is sure of receiving the full amount of his loss in case of a severe windstorm.

This is the largest company of its kind operating in Michigan, with 101,000 members and \$372,558,408 in assets. Since its organization 50 years ago, this company has paid \$4,343,806.87 to its policy holders for losses sustained. It has built up an enviable reputation for satisfactory dealings with policyholders.

The directors and adjusters are well distributed about the state so that immediate adjustment can be given to every loss and prompt settlement made.

The management of the company is in the hands of practical business men of wide experience in the insurance business.—The Hastings Banner.

Holland High School News

777 Report to Senior High; Sophomores Seated On Balcony

When the statistics for the second semester enrollment of the high school were compiled by Principal Riemersma, it was found that the total number of students enrolled reached the unprecedented total of 777. Mr. Riemersma said "This is the largest enrollment we have ever had in the high school."

There are more boys than girls in school this year, the figures being 407 and 370, and the total of nonresident students is 189. By classes, the enrollment is as follows: 10 B's 84, 10 A's 159, 11 B's 79, 11 A's 191, 12 B's 66, 12 A's 130, 13 B's 66. There are also 6 post-graduate students and one who is taking a special course.

At the semester orientation school at the close of the first term, and several former members have reentered together with three from other schools.

Those who dropped out in February were David Perkins, Russell Kemper, George Hyma and Dorothy Martinus. The old students re-entering are Ruth Boone, 12 A; Henry Glatz, 12 A; Walton Schurman, 12 A; Lawrence Zwemer, 11 B; Harriet Dalman, 10 B; John Mrok, 11 A; Martin Krikke, 11 B; and Vernon Drost, 12 A.

Entering from Holland Christian High is Harry Breuker, 11 A, and from foreign schools, Esther Bradford, 11 A, coming from Carapopolis, Pennsylvania, and Wayne Blake, 11 B, from Lane Technical High School, Chicago, who formerly attended the local schools. Max Schreiber dropped school here to enter Davis Tech in Grand Rapids.

Art Department Decorates Stage Settings, Color Pleasing Green

Mysterious sounds and the odor of paint have been issuing from behind the stage curtains for the past week. Now the secret is disclosed! Mrs. Louise Krum, the art department, and the stage managers have been busy transforming the bare white canvas "flats" of a new stage set into lovely olive green paneled walls with ivory woodwork!

The new stage set will make the nucleus of the setting of this year's annual play, "The Goose Hangs High," that is, the home of the Ingalls family. The leading roles this year are of Mr. and Mrs. In-

gals, a middle-aged couple who find it difficult to meet their children's demands in the midst of financial upsets.

The leading parts are played by Mary Jane Vaupel and Robert Wahmeier. The coach of the production, Miss Lucille Lindsay, said: "I am well pleased with the rapid progress of this year's cast and I believe this will be one of the best plays Holland High has ever given. Rehearsals are held daily and a good production is assured."

Heard at play practice: Miss Lindsay: "Will everyone please leave the assembly? Where's that Poots, oh, he's in English. That fellow's gone more than he's here—louder Peggy, you think you're yelling, don't you? Come on now—pep it up—act alive!"
