## Big Holland Fish Banquet Next Thursday

IT'S THE MOST POPULAR  
SPREAD OF THE YEAR;  
THIS IS 14th ANNUAL

When the Holland Fish and Game club puts on a banquet you may expect a tremendous crowd, for that is the "red-letter" evening among the sportsmen who like the great out doors.

This year the banquet will be held next week Thursday at 6:30 p.m. sharp and let us say that sharp means prompt. The place will be the Masonic temple and the date March 19.

The chairman of the club, Jake Lievens, is already busy supervising preparations. The ticket selling campaign is under way with Heinie Vander Schel as chairman augmented by George Vrieling who together constitute the banquet committee. Cecil Seery, Cornell Van Dyke and Peter Oosting are on the entertainment committee.

Chairman Lievens asked that all of the membership of the Holland Fish Game club assist in selling tickets and these are now ready at Ollie's Sport Shop on West 8th Street. As well as at the Superior Cigar Store on River Ave.

Besides the speakers there will be several new out door reels of sport pictures never seen in Holland before. Ben East, nationally known out door sportsman will be the principal speaker. C. Paquin of the educational division of the conservation department, Lansing, Michigan will also be here. An invitation has also been sent to the conservation department head Mr. Hoffmaster who may also find time to come.

Several of the state conservation department heads have signified their intention of coming, for they always have a good time at the banquet, the only one of its kind in the state.

Requests have already come for seats from Benton Harbor, Grand Haven, Zeeland, Grand Rapids, Allegan, Fennville, Ionia, Saugatuck and Hamilton. It goes without saying that courtesies and noise makers from different firms will be found at every table. Covers will be laid for at least five hundred.

The toastmaster has not yet been selected, but who knows, it might be that piscatorial writer who up to this time never caught a fish. He seems to know their habits however.

This is the 14th annual banquet of the Holland Fish Game club and the successes of past banquets assure a large attendance next week Thursday. The Holland Fish Game club's "gold nugget" is not the gold fish but the lowly carp. Thousands of tons have brought the club a good market in New York with the result that their fish ponds have now grown to extensive proportions, surrounded by a park, have become a show place, and are of great financial value, and besides, the club has many "gold nuggets" in the bank as a result of these "Jew fish."

## HOLLAND FURNACE STOCK DIVIDEND PAYING

According to the officials of the Holland Furnace Company, the Board of Directors of this Warm Friend institution declared a dividend today on the \$5 cumulative convertible preferred stock for the period from date of issuance March 6, 1936 to March 31, 1936, payable on the 1st day of April, 1936 to holders of record of such stock at the close of business on the 23rd day of March, 1936.

The sunrise in finance and business has certainly come to the Holland Furnace Company.

It is a fact that during the past half year stocks in this local institution have been on the rising market and that substantially.

## MOVIES OF SNOW ON OTTAWA ROADS SHOWN

Ray Patterson, an Ottawa county road commission engineer, showed motion pictures of road plows fighting snow drifts at a meeting of the Methodist Men's Brotherhood Grand Haven.

Miss Deborah Veneklasen, Ottawa County ERA administratrix, said Thursday that the cost of relief in the county will mount following an order from the state ERA office to discontinue addition of workers to WPA projects. No persons who had not been previously assigned to work can be placed on WPA or NYA projects at this time, it was stated. The cost of relief in the county will mount since those men who are employable and certified to work on WPA projects will now have to be taken care of by direct relief, Miss Veneklasen said.

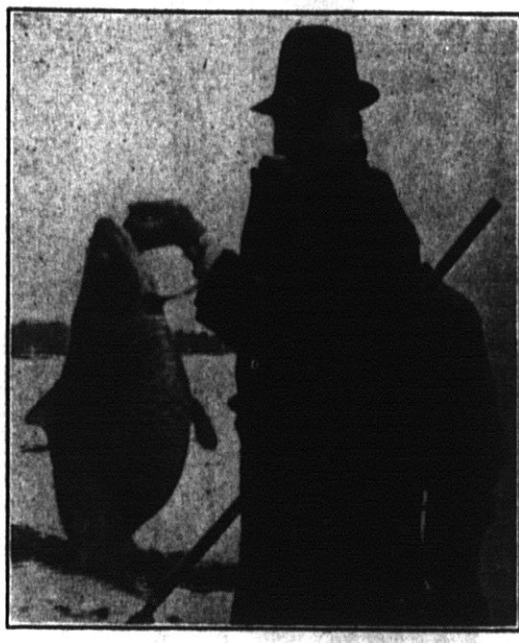

Mr. and Mrs. Ed. Hietje had as their week-end guests Mr. and Mrs. John Kammerling and daughter, Ed. J. van Kalamazoo, Mr. and Mrs. Ed. Hietje, Jr., and daughter, Sharral Sue, of Battle Creek and Henry Hietje of Parrington, Conn.

## SEVENTY-FIVE CENTS IN- CLUDES MEMBERSHIP IN GAME CLUB

Banquet tickets 75c which includes membership in the Holland Fish and Game Club.

## Not A Penguin But A Fish

The Sewer fisher boys were pulling some 17 ton of carp here a few days ago and it was quite a sight.

One of the News force had the camera out and accidentally snapped "Andy Klomp" holding up a big "buffalo," not the kind you see on a nickel or those that made Buffalo Bill famous but an actual fish. He was holding a live one. He seems to be doing it with ease but that's all "bunk." See how those neck cords are drawn, and was his face red, trying to hold that carp out straight. The camera omits that. He should have called an assistant that "big like" football player of his for "youth will be served" and "Andries, je ben al een dagje ouder."

Anyway, "Andy," you are making a brave stab and let's see, how heavy was that fish? 30 pounds, did you say? By the looks of the picture "Klomp" is not prevaricating, which you know is admirable in fish stories. We are expecting an invitation to a "buffalo steak" dinner with all the trimmings.

## Holland W.P.A. Strikers Go Back To Work

LOWER OTTAWA MEN RESUME  
THEIR TASKS IN AN OR-  
DERLY WAY WITH HOP-  
ES THAT THEIR GRIEVAN-  
CES WILL BE ADJUSTED

According to Attorney Charles Van Duren at least 350 W.P.A. workers from the Holland division went to work early in the week. It appears that Mr. Mason, who has charge of this district, is looking into the difference in costs of living in Kent, Muskegon and Ottawa counties and has promised to call attention to the grievances advanced here by W.P.A. workers here and in Grand Haven to get at the equity of the claims of the men.

Very little was known at the Holland post office where headquarters are on the second floor, any further than that 350 men had gone to work out of Holland for this area.

It appears that in Grand Haven the W.P.A. workers did not return to work on projects in the north end of the county. It is said that some W.P.A. workers came Tuesday with their dinner pail ready to remain on the job all day, but having not heard from Detroit where the grievances were being aired between a wage scale of \$48 in Ottawa County and \$60 in Kent County which were the demands made, they did not go back to work.

It is said however, that an effort is being made to get the men back to work and let them remain at work until the findings in Detroit have been made known.

Mayor Richard L. Cook of Grand Haven, talked with the men, advised them to go to work until a definite decision was reached. However, he made it clear that the city had no jurisdiction over the workings of the W.P.A.

Like Holland, Grand Haven pays its proportionate share but is not allowed to meddle with W.P.A. work in any way, that being in the hands of the government and the state.

Carl T. Bowen, county road commission engineer, reported two road jobs in the north part of the county had full quotas of WPA workers today. Edward Kelly, foreman at Pigeon Creek on the lake shore road, reported a full quota of 70 men, his entire quota, reported. He sent for additional shovels and picks.

In lower Ottawa County the men decided to go to work but will have another meeting in Holland on Saturday.

The workers will continue to seek a \$60 a month wage scale instead of the present \$48 a month scale as well as a federal investigation into WPA working conditions. WPA officials said the men would be received back on their jobs without discrimination, which undoubtedly has taken place.

## OTTAWA COUNTY YOUNG DEMOCRATS WILL ELECT OFFICERS ON MONDAY

Ottawa County Young Democrats will meet at the court house on Monday at 8:00 p.m. for the annual election of officers. The meeting was to have been held several weeks ago but due to the severe storms it has been postponed several times.

Mrs. J. Hofmeyer, R.R. 6 is confined to her home with two fractured ribs received Saturday night when the car she was driving skidded and overturned on M-21 east of Zeeland. Mrs. G. Dyke is recovering from bruises received in the same crash. A third passenger in the car Mrs. H. Hofmeyer was unhurt.

Mrs. S. C. Nettinga will open her home this afternoon for a social afternoon and tea honoring the wives of Hope college faculty members.

The Ladies Aid society of Trinity Reformed church held a meeting Wednesday afternoon in the church parlors. Mrs. J. Van Oss conducted devotions.

Members of the Erutha Rebekah lodge enjoyed a St. Patrick's party given by Mrs. Nora Harris, W. 11th St. Prizes were won by Mrs. Charter and Mrs. Claude Ketchum.

## News Items Taken From the Files of Holland City News Fifty, Twenty-five and Fifteen Years Ago Today

### FIFTY YEARS AGO TODAY

Monday last the members of Unity Lodge, No. 181, F. & A. M., opened their hall in the new Post Block. It is said of those who belong to the "inner of inners" in that secret society that all is new and the mysterious chambers are finer than any in Ottawa or Allegan counties. Note: The lodge rooms were located on the northeast corner of River avenue and 8th street. The law offices of Henry Post and son John C. Post were in the front. The stores below were Dr. Yates and Kane drug store and Bastian Sketee, groceries, dry goods and crockery. It has always contained a drug store, the Model being the last. Later the local Masonic order moved on the third floor of the Holland City State Bank building "under the clock" and 15 years ago they built their own Masonic Temple east of the postoffice.

As we go to press we learn that Mr. Bert Van Duren of Grand Rapids is negotiating for the purchase of the boot and shoe business of Mr. D. B. K. Van Raalte. Note: The business was the largest of that kind in Holland at the time. The building of white brick is still located just west of the present City Mission (that is to say the mission started by Holland thirty years ago) owned by Walter Walsh. It is evident that shoes were only beginning to come in boots were generally worn by men—yours truly had them with copper toes and he had to put them in "tannery grease" every Saturday night in the winter to protect them against water spoil, and polish them for Sunday in the summer. D. B. K. Van Raalte was that one-armed soldier son of the founder and a state legislator for many years. He was a local banker and had many lumber interests and became a wealthy man. He is the father of D. B. K. of Limber's. He died nearly 25 years ago.

### FIFTEEN YEARS AGO TODAY

John Wabeke, who sold his oil business to Vanden Berg Bros. Oil Co. of Holland, will go to Fremont to establish a similar line of business.

Rev. Klaas Kuiper, age 79, who had been attending Day of Prayer service in the Central Ave. church, dropped dead in Centennial Park. The divine was picked up by Rev. Ghysels, pastor of Ninth Street Christian Reformed church. He retired from the ministry two years before.

Mrs. H. Boone, nee Helen Frederic Pfandstiel, died suddenly at her home, 100 West 11th street, of heart failure. Mrs. Boone was one of the charter members of Third Reformed church. Her husband was interested in hotels, fast horses and lively barns. The surviving are two daughters and four sons: Mrs. Philip Solon, Mrs. John Pieters, Fred, Hub, Albert and John Boone. The News devotes at least a column to the death of this fine and benevolent woman.

The Al Drey house on West 11th street, was struck by lightning, the chimney was knocked off and Mr. Drey who was sitting near the stove was knocked to the floor surrounded by flying pieces of the completely broken stove. The attic caught fire, the firemen put it out and that is about all the electric bolt did.

The Holland City News gives a two-column story why the "Sugar Beets Are a Boon to the Farmer." The article still holds good.

### ANDREW STEKETEE, JR., WAS ARRESTED AT 1 O'CLOCK WHEN THE BURGLAR ARM OF THE STEKETEE DRY GOODS STORE STARTED ON A RAMPAGE. HE HUSTLED TO THE STORE TO FIND THAT THE SEVERE ELECTRIC STORM HAD SET THE ALARM "HAYWIRE." THE ENTRY IN THE STORE WAS ONLY A LIGHTNING BOLT.

John Cotts, an Ottawa county farmer, had the unique experience of finding his home and all contents destroyed when he and his family returned from a funeral. A year before his barn was completely consumed after lightning had struck it.

### FRANK DYKE, HOLLAND CONTRACTOR, IS STARTING ON A FINE HIGH SCHOOL BUILDING AT ALLEGAN.

John F. Sundin and Harry Mills of Saugatuck, have purchased the taxi business of the Citizens Transfer Co. The new firm will be known as the Citizens Bus & Taxi Co. They will also put on a bus between Saugatuck and Holland. Note: The big enterprise on Central avenue and 7th street is the outcome. Mr. and Mrs. Gerrit Nykamp, however, are conducting the taxis.

### FORMER CITY ENGINEER HEAD OF ELKS

Carl T. Bowen one time Holland City engineer, now of Spring Lake and chief engineer of the Ottawa County Road Commission, was elected as Exalted Ruler of the Grand Haven Lodge of Elks. This is the highest position that can be given in a local order of that type. The B.P.O.E. is a patriotic organization and its elogy on the flag is considered the best ever written.

Rev. and Mrs. John J. Bannings of Holland are planning to return within a few weeks to India, where they have represented the American Board of Congregational Foreign Missions since 1901. Mr. Bannings was graduated from Hope college in 1898 and was honored by its board of trustees in 1917, and from Western Theological seminary in 1901. Mrs. Bannings was a former teacher in the Holland, Mich., schools. Mr. and Mrs. Bannings now are in Boston.

Maple Sugar Prospect

One compensation for the long, hard winter is the promise that there will be plenty of maple sugar this spring. The prolonged cold keeps the trees asleep until just the right time, and the deep snow conserves the moisture until it is wanted to furnish maple sap. Now all that will be needed is a warm spell at the usual maple sugar making time.

Verne H. Church, State agricultural statistician, who knows a lot about the maple sugar industry, says if the snow and ice thaw out soon so that farmers can begin tapping the trees, we shall have a

good yield of maple sugar.

It seems the American people are becoming more appreciative of maple syrup as production increases. There was a big crop last year but little has been held over. One may mention as a not wholly unconnected fact that a record crop of buckwheat was produced last year also.

ARREST FISHERMEN WHO TRESPASS ON PRIVATE PROPERTY AT SPRING LAKE

Several arrests were made in Spring Lake of fishermen who were charged with the trespassing of privately owned property.

Fishermen have disregarded the signs, placed from one end of the lake to the other by residents, warning them not to trespass. But nevertheless property owners have been continually annoyed by fishermen, many from outside places, parking cars and generally not heeding the signs.

One resident reported that at one time 21 cars were parked along his private driveway and the state police were called to round up the fishermen to move them in order that the owner could get in and out of his property.

There is no objection to fishing through the ice on the lake, they say, but the property rights of the owners must be respected and permission to enter private roads must be obtained if the fishermen are to get access to the lake in the majority of places.

Fred Workman, justice of the peace in Spring Lake, reports that the full extent of the law will be administered to trespassers. Cars have been parked on the highways at times which is against the law and which halted the road crew from work on the highway in that section.

Members of the Golden Chain Union of Zeeland and vicinity heard an interesting address on "What the Reformed church Challenges the Young People" by Rev. Van den Berg of Zeeland. Mr. Bert Van Koeveering of Zeeland rendered a few selections on the violin. Beaverdam Christian Endeavor Society having the highest percent present received the banner.

Miss Minnie Beld, teacher at Sunny Crest school spent the weekend at the home of her mother in Zeeland.

MUCK MEETING IN HUDSONVILLE

Notices have been sent out from the agricultural agent's office announcing a county wide muck meeting at Hudsonville High School at 9:00 a.m. to 3 p.m. Saturday, March 14th. Dr. Paul Harmer, well known muck soils specialist, will discuss soils and crops throughout the day. At 9:00 a.m. he will start testing muck soils. Farmers wishing to obtain tests on muck soils should bring in small samples in the morning, the samples need not consist of more than two or three table-spoons of soil.

Among the subjects discussed will be muck soils in general, crops, diseases and pests, fertilizers and sprays. Muck men who have perplexing questions should bring them to Dr. Harmer at Hudsonville. Lunch will be served by the Ladies Aid of the Reformed Church at a very reasonable cost. Due to demands for Dr. Harmer's services no doubt this will be his only visit this spring. Mr. Arnold hopes to have him in the county during the summer to make individual visits in the various muck sections.

WOMAN'S LITERARY CLUB HEARS MISS ETHEL WEBB

At a meeting of the Woman's Literary Club held Tuesday afternoon, Miss Ethel G. Webb, professor of clothing, Michigan State College, told members that they should analyze themselves before deciding on what their wardrobe should be this spring.

Miss Webb told of the importance of good posture and also went on to say that good posture today means a free and healthful one in comparison with fifteen years ago. Music was furnished by Mrs. Delbert Fogarty, who sang a group of three numbers accompanied by Miss Sarah Lacey.

Preceding the program Mrs. C. M. McLean, chairman, invited the women of the club and their friends to a "Personality Tea," which the House Furnishing committee of the club is giving on Friday, March 20.

Mrs. J. D. French, presided at the meeting and announced the appointment of Mrs. J. J. Good as chairman of the Civic Health committee to fill the unexpired term of Mrs. A. W. Wrieden, who has resigned because of her absence from the city.

What Do You Think it Costs To Have Instant HOT WATER ALWAYS?

First of all, what is it worth to you to have ALL the HOT WATER you need for cleaning, dishwashing, bathing, shaving and the laundry. . . hot water gushing forth any instant at the tap's turn?

The modern Self-Action Gas Water Heater can be installed in a few hours, with a few simple adjustments. The tank is solidly insulated (like a thermos bottle!) to economize on heat. A thermostat automatically controls water temperature; requires no attention whatever. As for the operating cost—it depends on the number in the family, size of the tank, and quantity of water used. In actual practice it amounts to only a few cents per day per person. . . less than you pay each month for cigarettes, magazines or candy!

Drop in or Call 3138 and we'll give you an accurate estimate of installation and operating cost for your home. You'll always need lots of hot water. You'll always want it on tap. Settle the matter once & for all time today

Both the Democrats and Republicans are going to take the lid from the political pot next Monday afternoon. Both parties are already nervous and anxious to dish out something so attractive and appetizing that the crowd will be unable to resist the temptation.

Notices have been posted that the Democratic party will be held at the community hall Monday afternoon at 1 o'clock and the Republicans will meet in the same place at 2 o'clock. There is one very striking thing about these meetings. It has always been the custom from the very beginning that the Republican meeting preceded that of their opponents. This year it is reversed. This is to be expected.

The Democrats are on the ladder and the Republicans are afoot. It is expected that attendees will be large this year owing to the fact that there is an evident increase in Republican sentiment in the community and on the part of the Democrats a keen realization that they have to "break for leather" if they have to stay in the saddle.

Della Vander Kolk and Helen Kuite of Muskegon were home for the week-end.

A surprise birthday party was given in honor of Master Lloyd Brink, son of Mr. and Mrs. Martin Brink, last week Monday evening. Those present were: Harold Brink; Leon A. Ben Rankens, Hamilton's postmaster for the last twelve years, received notice Monday that an examination for the position in the local office will be held on March 27. Of course the Democrats have the privilege to put in a Democrat. The Republicans did the same. However, there is not a shadow of a doubt that the people of the community will perhaps a few exceptions, would like to see Mr. Rankens remain. He has made an excellent postmaster, both in faithfulness and efficiency. These things mean a great deal and they deserve to be rewarded by the people. Again, it may be asked why do we allow the appointment to this important and responsible position to remain in the hands of politicians or political parties whose aim is rather to help themselves than to benefit the people of the community. Mr. Rankens states that he has no complaint and appreciates what the people have done for him, but also that he is willing and able to continue his splendid service. It seems to us mere common sense regardless of our party affiliations that we should all refuse to give up the good of our community merely for party success. A "good" politician or a good party man is going to be placed in the post-office. Why not stick together and try to get a good postmaster.

MRS. SMITH TIRES HERSELF OUT WITH OLD FASHIONED WASHING METHODS

## BRING YOUR HOME LAUNDRY UP TO DATE AND ENJOY THE FREEDOM YOU'RE ENTITLED TO

Happy is the woman who does her washing with one of the new electric washers. You, too, can do away with all the hard work and unpleasantness of

this weekly chore by turning a tedious wash day into an enjoyable wash HOUR. Try one of the 1936 washers and see how really grand they are.

MY NEW WASHING MACHINE IS SUCH A VAST IMPROVEMENT OVER MY OLD ONE - I HAD NO IDEA ANYTHING COULD BE SO WONDERFUL!

With the new 1936 models, electricity does all the work. There's no trick to operating them—and they save you over so much time and work. Clothes come out cleaner and last longer. Try one—and you'll see the difference immediately.

HAVE YOU TRIED THE NEW IRONERS?

You can't get tired ironing if you use a new electric ironer. You just sit before it, and feed in the clothes. That's all there is to it. And with electricity as your servant, you're done in no time. Ironing is a real pleasure on the 1936 electric ironers.

**The Telephone Racket**

Here is one way of spotting a racket in the ticket selling — program advertising — sales game. The professional who usually operates under the sponsorship of a church, club or fraternal order, rarely permits his victims to mail a check. He either collects it in person or sends a messenger. Reason: Uncle Sam's Postal Inspectors sometime trip up such an operator on charges of using the U. S. Mail to defraud.

Hence, when a lady in dulcet tones asks you over the phone if you want to take ten tickets for a certain dance, and says she will send a messenger over with the tickets and to collect the money—don't bite! Nine chances out of ten, it's just another racket, and the local sponsors have been taken in.

It has been sometime since a telephone racket has been worked in Holland and so this warning will probably come to you at about the same time the next racket is due. Merchants Service Bulletin.

**The Spinach State**

While the people of Texas are remembering the Alamo and Sam Houston and the centennial of their independence, the fact comes to mind that the United States came near losing that huge territory. Originally Texas belonged to Spain.

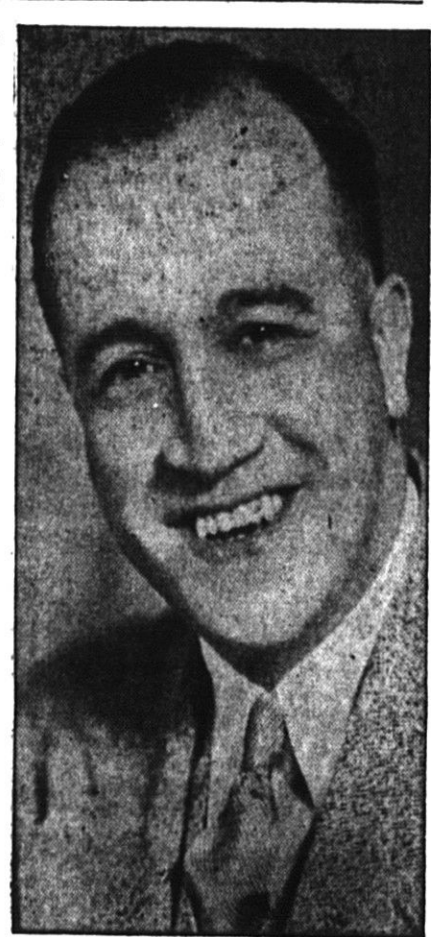

In 1821, Mexico, having won independence, laid claim to Texas and the United States conceded the point though some thought that Texas was included in the somewhat indefinite deal with France known as the Louisiana purchase. But the question was not to be settled by governmental agreement, but by squatter invasion.

**"HAPPY MAC" MAC DONALD COMING TO HOLLAND**

Beginning April 6 and until the night of April 11th, the nationally known "Happy Mac" Mac Donald will appear in Holland, the first night at 7:30 at the City Mission on E. 8th St., and the other five nights at 7:30 at the Holland Armory.

"Happy Mac" is known to thousands throughout the country as the Scotch baritone evangelist and song leader. He is a dynamic young Christian leader. Before his conversion he was a comedian on the stage with Eddie Cantor and others including the Waring Pennsylvanians. He was converted 10 years ago in the Pacific Garden Mission at Chicago.

Mission Workers are looking forward to the coming of "Happy Mac," who is being brought to Holland thru the efforts of the Holland Fellowship Club.

**LOSES FIRST TOURNAMENT GAME 21 TO 18**

Holland Christian was toppled from its pinnacle of state basketball supremacy in the class C semifinals of the district tournament at the Burton gym Fri. night by a scrappy band of basketballers from Zeeland who won over their opponents by a score of 21 to 18. Tension ran high between both teams and at times the game was halted to let the excitement and yelling die down so the referee's whistle might be heard.

Opening the scoring in the first few minutes of play, Tenchick of Zeeland caged a pair of deuces from under the basket and gave his team a lead that they never relinquished. Slikkers counted for Holland with a nice tip in shot and Kleinjans made good on a charity toss to make the count 6 to 2 but Tenchick sank a long tom as the quarter ended with Zeeland out in front 7 to 3.—Grand Haven Tribune.

**\$34,000 FOR REPAIRS, UPKEEP  
ALLOTTED FOR LOCAL  
HARBOR, PIERS**

The local harbor will be included in plans of the federal government to spend nearly \$9,000,000 for maintenance and improvement of the principal harbors of the Great Lakes area during 1936, according to reports that are said to have issued from Washington, D. C.

The local harbor will receive \$34,000 according to the report, which is an increase over the usual amount, it was stated by a harbor commission member. Dredging and repair of piers is the maintenance work provided for.

Other ports on the east shore of Lake Michigan to be considered by the federal government are Muskegon, 49,000; South Haven, 14,000; White Lake, 148,000; Ludington, 142,000; Manistee, 18,000; Frankfort, 17,000; and Grand Haven, 62,000.

**HUGE SAILFISH CAUGHT BY  
HERMAN DE FOUW**

Herman De Fouw, who is spending the winter in Florida with his mother, caught a six foot, seven inch sailfish Saturday while out fishing with H. J. Dornbos, Gerrit Dornbos and Miss Margaret Dornbos of Grand Haven. Miss Dornbos hooked a similar fish of smaller proportions.

H. J. and G. Dornbos are commercial fishermen of Grand Haven. As luck would have it a couple of amateurs bettered them and made catches.

It was said that Miss Dornbos and Mr. De Fouw will most likely have their catches mounted.

**It's Leap Year****Township Roads Abolition  
is Due by April First**

The state highway department this week completed ground work for the abolition of the township road system in Michigan by April 1, and a re-certification of all township road mileage in the state has been released by Murray D. Van Wagoner, state highway commissioner. According to his re-certification, Allegan county has 1,378.8 miles certified. In 1931 it had 1,375.9 which would have brought a payment in 1936 of \$91,243.84. The payment due in 1936 on the re-certification is \$88,732.41, approximately \$2,500 less due to the re-certification in 1935 of 3.9 miles.

It is on the basis of this re-certified mileage that annual apportionments totaling \$4,000,000 a year will be made to the counties under the McNitt township road law.

The \$4,000,000 annual return on the basis of the re-certified mileage permits an average expenditure of \$64.31 per mile by the counties for the maintenance and improvement of the township roads they will absorb. The average cost of maintaining gravel roads on the state trunkline system is about \$690 a mile.

Commissioner Van Wagoner, however, pointed out "there is a lot of difference in the traffic volume over these township roads and the state highways. There is also a lot of difference in the type of service demanded on the two types of road."

Mr. and Mrs. Charles Gaylord were honored on their fiftieth wedding anniversary at the home of their daughter, Mrs. Abbott Davis of Saugatuck. A 1 o'clock dinner was served, the table decorations being golden candles and a center of daffodils, rosebuds and nasturtiums. The open house in the afternoon brought many guests to greet Mr. and Mrs. Gaylord, both of whom have lived in this township 70 years.

**MAN SEES DEER NEAR  
ZEELAND**

The protection of deer in all seasons of the year in the lower counties of Michigan is beginning to tell in the number that roam about the country, and the scarcity of thickets does not seem to hinder their multiplication.

Every now and then stories reach this office of deer running about a patch of truck gardening, and there is nothing, it seems, the deer rather do than pull up one's carrot patch completely by the root, making themselves a serious nuisance in some districts. They are usually early visitors or possibly by night, and about all the farmer or gardener can do is to "shoo" them as far as they will run—which isn't very far.

Monday William Hietje of Zeeland came near running into a pair of does while he was driving homeward from Overisel. As he reached a point about one-half mile north of that village the deer crossed the highway only a few feet ahead of his car, so that he instinctively braked his car to avoid striking them. They were traveling eastward probably headed for the reserve established for them in Allegan county.

**SEMINARY STUDENT HAS  
OPERATION**

Mr. Garry De Witt of Crisp submitted to an operation for appendicitis at the Zeeland hospital. He is the only son of Herman De Witt of Vriesland, and was living at the home of his wife's parents, Rev. and Mrs. P. D. Van Vliet, while he is attending Western Theological Seminary at Holland. He expects to become a candidate for the ministry upon graduating next summer.

The Christian Schools were closed all day Wednesday in observance of Prayer Day.

**FLORIDA PAPER CARRIES  
LOCAL BLIZZARD  
SCENE**

(Zeeland Record)

The Zeeland Record this week received a copy of the Miami Herald of Miami, Florida, showing a picture of the residence of Mr. and Mrs. Herman Miller in Zeeland that was photographed immediately after the severe blizzard that raged here on Sunday, February 9, when every outside object was decorated with heavy snow.

The legend under the picture says, "Snow, snow, the beautiful snow . . . may be sung by Herman Miller, whose Zeeland home is shown above covered and surrounded by 36 inches of snow, for he and Mrs. Miller are enjoying the winter at 1918 S. W. Third Ave. The photograph was taken February 12 by a Zeeland cameraman."

The picture was quite a curiosity to many Floridians who may never have seen any snow, or very little at most.

Mr. Miller, who will return to his home here within the next week, provided the picture for the Miami Herald.

**DRINKWATER CONTINUES  
HOLLAND COUNCIL DEAN**

(Grand Rapids Press)

Arthur Drinkwater will continue as dean of the city council when organized April 15. Drinkwater is closing his twenty-second year as representative from the Second ward and has one more year to serve his present term, a record unequalled in council.

Drinkwater has been elected 11 times for two-year terms, was unopposed three times and has served under six mayors. He was a member of the council when the city hall was erected in 1910.

Drinkwater was born in England and located in Holland in 1885, the year of his marriage. He worked 33 years in a foundry and later in a furniture factory before he retired.

**Holland High Senior Play Cast in "Nothing but the Truth"**

Left to right: top—Helen Kraker, Victor Cherven, Isla Meppelink, Malcolm Baron, Marie Looman, Jack Lokker, Virginia Ellison. Bottom—Miss Lindsley, Lucille Kardux, Paul Scholten, Jean Van Raalte, Donald Poppen.

The Senior class play, "Nothing But The Truth" is reported to be progressing very rapidly and successfully. The characters are fitting themselves into their parts so well that Donald Poppen is actually cultivating a greater regard for veracity and Victor Cherven is yelling at every body in school—to say nothing of Malcolm Baron's late habit of smoking cigars at any and every time of the day.

In this interesting and delightful three-act comedy, Bob Bennett, played by Donald Poppen tells nothing but the truth for twenty-four hours. The reason for his sudden truthfulness is that he is trying to help his girl friend, Gwen Ralston, raise money for the Seaside Home for children. The part of his girl friend is played by Jean Van Raalte, who talks about his great loss so much that E. M. finally returns the money to him. The audience is sure to get a "big kick" out of Vic, because even now, the coach and the entire cast go into hysterics every time he rehearses his part.

The Bishop is not the only one that furnishes humor, however, for the junior Broker, Dick Donnelly, played by Jack Lokker will also furnish a great deal of laughter. He devotes his time throughout the entire play to trying to make Bob Bennett tell a lie. A customer by the name of Van Dusen, taken by Malcolm Baron, helps Dick Donnelly in trying to make Bob Bennett tell a lie.

Do you think you're good-looking? How do you like Ethel's new hat? What do you think of E. M. Ralston? How much money did you make last year? Have you ever stolen anything?

Bob is forced to answer these and many other questions but he always tells the truth! This results in no friends, no invitations to the homes of his friends, and no pleasant glances from any one—but he

DOES win the \$10,000.

In the meanwhile, Gwen's girl friend, Ethel Clark, played by Marie Looman, helps Gwen raise money. She has a beautiful voice at least every one says she has. But when Bob is forced to tell what he thinks of her voice, he is all but thrown out for telling the truth.

The part of the maid is taken by Isla Meppelink, who is always sweet and quiet, and is ever the good-behaving servant. The chorus girls, Mable and Sabie, are played by Helen Kraker and Virginia Ellison. They have both lost their jobs and so they spend most of their time in making up stories to tell to Mrs. Ralston about her husband, who did nothing wrong, but is now suspected by his jealous wife, Lucille Kardux.

The entire plot of the story centers around the \$10,000 bet, but Bob Bennett succeeds in being truthful for 24 hours, and consequently helps his girl friend raise enough money for her church work.

**"CAPPY RICKS" HAS  
INTERESTING STORY**

The Virginia Park Community club is producing the play "Cappy Ricks" on Thursday, Friday and Saturday evening of this week. "Cappy Ricks" was written by Peter B. Kyne and put into play form by Edward E. Rose.

Cappy Ricks is a dynamic little man of 60, eccentric and lovable, who has built up a fortune through his Blue Star Navigation co. and boasts that he has never been beaten. The part of Cappy Ricks is played by George De Vries. His office manager, John Skinner, who has been with him for 25 years and understands him thoroughly, is played by Lloyd Van Lente. Mrs. Fred Steketee is the charming Florence Ricks while the part of Cappy Matt Peasley is taken by Hendrik G. Nobel. Ellen Murray is played by Florence Ten Have; Cecil Pericles Bernhard by Harvard Nevenzel; Miss Lucy Ricks, Cappy's sister and housekeeper, Mrs. James Koskuba; Edward Singleton, a lawyer, by James Helder; Brookfield, Cappy's chauffeur, by Leon Van Huia.

Sipp Houtman is directing the play. The dates are this week Thursday, Friday and Saturday at Virginia Park Community Club.

**WILLIAM CONNELLY TELLS  
ROTARIANS TULIP TIME  
PLANS**

The Rotary Club held a meeting, Thursday noon and William Connelly, manager of the Chamber of Commerce outlined plans for a Dutch marionette show to be presented in Holland during Tulip Time.

The marionette show will take the place of the Dutch village it was said and there must also be an attraction to take the place of the Made in Holland exhibit. "The exhibit cannot be used this year because the building cannot be obtained but we have decided to build an authentic Dutch Market place in the armory for our free attraction."

Connelly, who spent some time in Chicago looking for the right type of show, found the Rufus troop, who will come to Holland and put on an hour show, a 30 minute performance of the puppets followed by a 30 minute exhibition of types of dolls used in the business all over the world. Continuous performance will be held from 10 a. m. to 10 p. m.

Other attractions which will be repeated are the village green program with addition of roller skating and hoop rolling exhibitions, the garden show at the Women's Literary Club, the coast guard cutter Eencasaba will be open for inspection and the tulip lanes in which are the number one attraction.

On Wednesday, Centennial Day, the guests of honor will be Governor Fitzgerald and Edgar Guest.

The Pageant of 1936 is to be another attraction this season. It is to be given by Hope college in accordance with a plan to produce a pageant every ten years as was started a decade ago. Performances will be given on three days, Saturday, Monday and Tuesday during the celebration. All of the showings will be held at Riverview park.

The band reviews will be held the final Saturday at Riverview Park.

The Rufus Rose company has consented to dress a puppet in a Dutch costume for a "klompen dance" at each performance they give before appearing here. The doll is to announce the local Tulip Time.

**GONE TO BIBLE LAND TO  
WELD PIPES**

Alec Kole of Chicago spent a short time with his parents Mr. and Mrs. Jake Kole of Holland. He has gone to Palestine the Bible Lands and will also be sent to Egypt where he will be employed by an oil company welding steel pipes for the concern.

**CHARLES WAKEFIELD CADMAN  
PRESENTS CONCERT  
HERE**

Charles Wakefield Cadman, American pianist and composer was greeted by a large audience Friday evening when he and a distinguished vocal quartet offered a popular program of Mr. Cadman's compositions. Raymond Koch, baritone, Miss Helen Bickerton, talented soprano, Miss Constance Eberhart contralto and Earle Tanner, tenor were all well received.

The concert was the second in the choral Union series. Harry Farberman, American violinist, will appear here on March 25.

**Spring Near,  
March Warns  
The Fisherman****FISHING JUST AROUND THE  
CORNER, SPRING OPENS  
MARCH 20**

March is the month to get down to the business of trying trout fishing, making bass lures and overhauling the entire tackle kit for the coming fishing season. It is also the month when the first promises of spring are visible out of doors, and when the advance host of migrant waterfowl makes its appearance.

Geese are passing over on their way north from their southern wintering grounds right now. Many of them will linger in Michigan for three or four weeks, especially in South eastern Michigan, where Lady Lake has become famous for its migrant flocks of spring geese. Canada geese will be found by the thousands at the Jack Mues Sanctuary near Kingsville, Ont. All during this month migrant ducks will stop on the all southern Michigan Lakes including Lake Macatawa where visitors may observe them with binoculars.

A number of the song birds usually steal a march on the nesting season. In the north country, the moose bird or whistling jack has already begun nesting. For generations the nest of this bird was not located because the young were hatched before men thought it was warm enough for the start of nest building.

**Owls Hatching Young**

Great horned owls have built their nests and are hatching their young. In some instances hardy members of the horned lark tribe are trying to make their nests by the end of March even though many of these early attempts result in failure. Before the month is over, bluebirds, robins, grackles, red-winged blackbirds, phoebes, tree sparrows, kinglets, killdeer and many other song birds will be back in Michigan. Robins and Blue birds have already been seen here.

Among the mammals, March also brings a stirring of life. The badger is coming out of his den, probably just about as fat as the den went in. In contrast, the racoon is likely to be a very lean beast and may be hard put to find full meals for itself. Buck deer are beginning to sprout their new horns. Ruffed grouse which had a growth of horny casques on their toes to help them over the snow, are now shedding these scales for the summer.

**Woods Reveal Stirring**

In the woods, there are everywhere signs of life. Pussy willow are peeping out into the sunlight. The buds of other trees are enlarging rapidly. On the edges of marshes and streams, the skunk cabbage is blossoming yellow in its reddish spathe. In sheltered spots, fur-wrapped hepaticas with blossom snow, with spring beauties early saxifrage, yellow adder tongue and trailing arbutus not far behind.

**GRAND HAVEN IS SAVED  
ELECTION BY FLIP  
OF COIN**

A flip of a coin by Mayor Richard Cook at the council meeting Thursday night saved the city a regular election in April, at the same time deciding a vote for constable in the First ward. This was the only contest remaining undecided after the primary election Monday.

Mayor Cook threw "heads" and Jerry Dykhuus became the First ward constable, winning over Sherman Palmer, with whom he had been tied at 2 votes each.

This is the first time since the city came under the primary system that there will be no regular election held here.

**ONLY SINGLE TICKET IN  
FENNIVILLE FIELD**

The city election will be held here Monday, with only one ticket in the field, Mayor James E. Bale again heads the ticket, with Ernie Crane for clerk, Edward C. Foster for assessor, Robert E. Warren for treasurer, and Keith E. Jackson, Marc C. Hutchinson and Clarence Erlewein for trustees.

Mr. and Mrs. F. DeWitt have moved from 26 East Seventh St. to 609 Reed Ave., R. R. 2.

**MAN-TAILORED  
SUITS  
Mixed or Matched**

Let your jacket match your skirt . . . or strike a contrast if you like a bit of variety, but be sure you have a tailored suit this Spring. Single and double breasted styles, both are smart, and you can choose from straight fitted backs or those with the half belt, copied from the famous Clark Gable suit. These are lined with the long wearing celanese fabric used in men's suits . . . another big point in their favor.

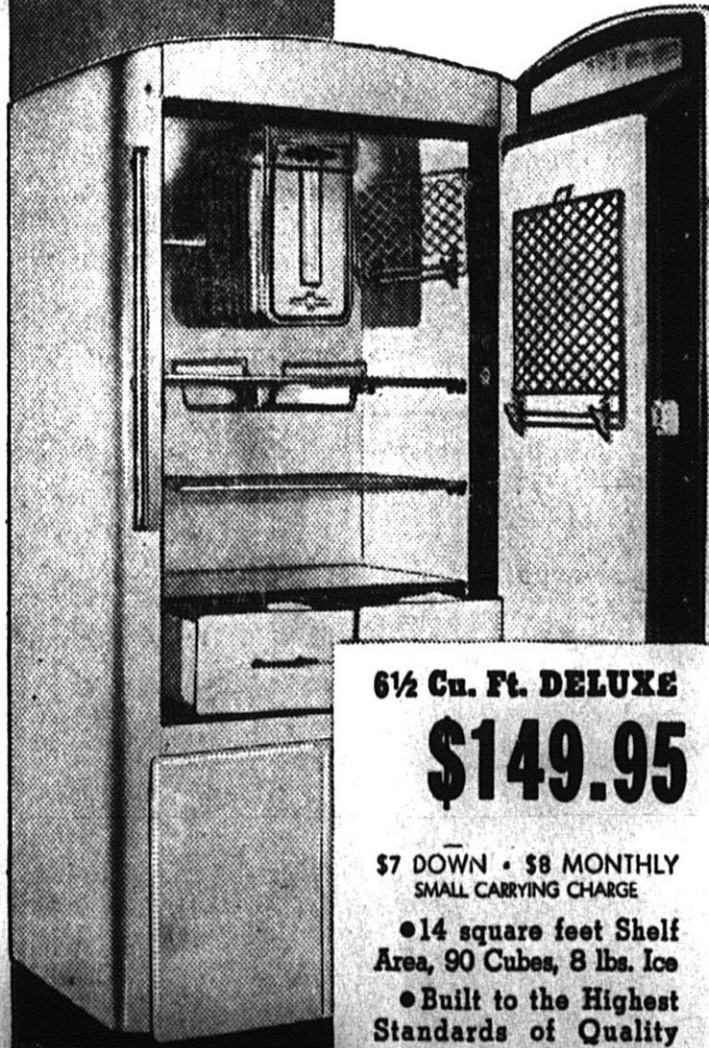

A wide choice of colors and pattern. Sizes 14 to 20

## LOCAL NEWS

Miss Minnie Ver Howe of the Style Hat Shoppe has purchased the Zeeland Beauty Shop on East Main street, belonging to Mrs. Betty Baker Van Dort. — Zeeland Record.

Mr. and Mrs. H. O. Maents of Allegan expect to leave Allegan Sunday morning en route for a tour of a few weeks in the South. They plan to spend most of that time in Tampa with their son and daughter-in-law, Mr. and Mrs. Robert C. Maents. They are the parents of Henry Maents of the First State Bank of Holland.

At the Woman's Club meeting last week a most interesting address was given by Probate Judge Tucker of Allegan who spoke on the "Method of Handling Floating Youth," a subject suggested by Mrs. McLean of Holland. — Allegan Gazette.

Marvin George, one-year-old son of Mr. and Mrs. George Green, died Thursday at the home of his parents, 100 West 9th street. Surviving are the parents, a brother, Ronald, and a sister, Lucille. Funeral services were held Monday at 9 a. m. in the St. Francis de Sales church. The Rev. Fr. F. W. Ryan officiated and burial was in the Holy Home cemetery.

Tony Beyer, 78 West 8th street, found a strange animal sunning itself on the sidewalk in front of his home Friday morning. The animal had a tail like a rat, a coat of greyish-brown fur and beady eyes. Moles do not possess eyes, yet this creature resembled the burrowing animal in size and general appearance. The Hope college zoology experts described the creature as a meadow vole.

Mrs. Arthur W. Wrieden left Friday for Palm Beach, Florida, where she will spend several weeks. She will be joined later by Mr. Wrieden and their children, Katharine and Arthur, Jr., who are at school in the east.

The annual report of Miss Dora Schermer, city librarian, shows that the library patrons are in the habit of forgetting to turn due books in on time. During the past year \$326.20 has been turned in for fines. Only 50 cents was collected for loss of books. Interest on deposits, amounting to \$3.20, brought the total claims and collections reported by Miss Schermer to \$421.72.

A "clinic" band, made up of about 100 members of high school bands of the state, was directed by E. F. Goldman, outstanding band leader in the country, Friday afternoon in the Civic auditorium at Grand Rapids. The band was organized by Eugene F. Heeter, instrumental instructor in local public schools and president of the Michigan Band and Orchestra association, at the request of Maj. William Fox of Grand Rapids. Thirty-three members of the Holland high school band participated. Ray Knoohuizen, Martin Langhuis, Harold J. Karsten and Bert Jacobs, members of the American Legion band here, also attended the affair.

Mrs. L. Kardux left for Westfield, N. J., where she will visit her daughter, Mrs. Huntley, who is seriously ill in a hospital there.

Mr. and Mrs. R. Teerman had their week-end guests Mr. and Mrs. C. Van Beek of Chicago.

Lois Tincholt, Clarence Vogelzang and Ralph Wildschut were winners in the declamation, oratory and extemporaneous contests held Friday in the Christian high school. The subject for the declamation was "Let Us Have Peace," by Carl Schurz. "Decay of Self Reliance" was the subject used by Clarence Vogelzang in the oratorical contest. In the extemporaneous contest the subject was "The Boyhood of Theodore Roosevelt."

William Nies has filed application for a permit to build a single story house in Elmdale court at an estimated cost of \$2,500.

Jack Barendse, manager of the National Re-employment Service office here, stated Saturday that 20 non-relief workers were assigned to the WPA sewage disposal project at Grand Haven this week. When materials arrive 75 more men are to be assigned.

Miss Priscilla Bekman, alumna of the class of 1928 of Hope college and for some years secretary in the East 89th street church of New York City, and secretary of the New York chapter of the alumni association, left Holland Friday night for Vancouver, B. C., from which port she will sail April 18 for her new missionary post in Japan. Miss Bekman visited for a few days at the home of Dr. and Mrs. Wynand Wichers, with whom she made her home while a student at Hope college. The newly appointed missionary resigned her position as secretary of the Harlem Collegiate Reformed church in New York City to assume duties as missionary instructor at Ferris seminary, the most highly rated school for girls in Japan.

Mrs. Gretsinger, Mrs. Harris and Mrs. Brown of New Richmond attended the funeral of their sister-in-law, Mrs. Peter DeNeff of Holland, Tuesday. Mr. and Mrs. Earl Gretsinger also attended the services.

Kenneth Blenc of Fennville, who was knocked unconscious at a basketball game in Saugatuck last week, developed complications which X-ray pictures later proved to be the result of a fractured skull at the back of the head. He is again much improved in health.

Allegan county's Republican convention will be held at the Griswold auditorium April 14. At this time 19 delegates to the state convention at Detroit will be chosen. The convention will include a Republican rally that evening, taking the place of the Lincoln banquet, postponed due to impassable highways. Frank M. Sparks of Grand Rapids, who was to have spoken then, will be the guest speaker at the rally.

The Fruit Exchange of Fennville has been closing their books of the past year and Mrs. Louis N. Johnson of Three Rivers has been assisting the past week in the book-keeping. Manager Edwin Payne reports selling 20,000 bushels of apples since the first of the year with about 4,000 bushels still held in cold storage. Plans are being made for their annual banquet March 28.

Those from out of town who attended Mrs. Wadsworth's funeral were Mr. and Mrs. Merritt Hanchett, Mr. and Mrs. Joseph Hadden of Holland; Mrs. Lila Vaughn of Grand Rapids; Mrs. Charles Sheffer and Mrs. Edith Martin of Allegan; Mr. and Mrs. Wayne York, Mrs. Harold Lent and Mrs. Clara Dixon of Plainwell. Mrs. Dixon will remain a longer time.

Dances at New Richmond hall have resumed again after being closed several weeks. A special feature of last Saturday evening was presentation of a bouquet of roses and birthday cake to orchestra leader Evard Thomas, who is a leap-year day observer.

Mr. and Mrs. H. O. Maents and Dr. and Mrs. F. L. Stegeman of Allegan drove to Holland Sunday afternoon to call on Mr. and Mrs. H. S. Maents and family. On their return they were accompanied by their grandson, Master "Hiney" Maents, who passed two days in Allegan with them. — Allegan Gazette.

The second annual combined Zeeland Chick and Eggs show will be held four days from May 5 through May 8. Previous to 1934 the egg and chick shows were held separately. Merging the two last years proved highly successful and it was indicated that the 1936 exposition will be a "banner show." Judges will be J. M. Moore, eggs and J. A. Davidson, chicks. Both are specialists at Michigan State college and will be assisted by County Agent L. R. Arnold. H. J. Matter is president; Robert Poole, vice president; J. H. Geerlings, secretary and Lee Meuwesen, treasurer. G. J. Van Hoven will manage the 1936 event.

Following notification of PWA approval from Washington received by engineers, Hamilton and Weber of Grand Rapids, work will soon begin on the construction of the electric distribution system for street lighting in Zeeland. It was said that negotiations for securing current for city light service from the Consumers Power Co. are under way.

# HIS IDEAS GROW...

## and so do his savings

This boy thinks he is building up his savings to buy a cattle ranch. (He wants to wear a sombrero and a six-shooter.)

A year ago he was saving to buy an aeroplane to fly around the world. Before that, it was a fire engine.

The exact goal doesn't matter. Let it develop, as his understanding grows.

The real point is that he is *saving*. He is forming the habit now—the best time of all for forming it. And when his *final* decision is made, the money will be ready—here!

# HEINZ COOKED SPAGHETTI

is the "real thing"

## You can tell by the tender strands and ruddy sauce

THERE'S racy flavor galore and wholesome goodness too in every savory forkful of Heinz Cooked Spaghetti. For here's spaghetti made, cooked and blended expertly—spaghetti that's as tender and delicious as any you have ever eaten.

Heinz makes its own spaghetti of fine durum wheat. When the long, creamy strands have been thoroughly cooked, they're drenched with ruddy sauce made of fine meat stock, fragrant imported cheese, red-ripe tomatoes and alluring spices.

Bring in a big platter of Heinz Spaghetti and see what appetites, sharpened by March winds, do to it! Who'd ever guess that such a dish could cost so little and taste so good. You'll feel free as a bird, afternoons when it's on the dinner menu. Think of winning rousing praise when you've hardly been near the kitchen!

Another helper to put on your list is Heinz Cooked Macaroni, a close relative of the spaghetti with the same fine family traits. Children and grown folks alike go for its smooth cream sauce, lavishly cheese flavored. You need never feel in a menu-rut when Heinz comes to your rescue like this. Try the spaghetti tonight, and tuck away a few tins of macaroni on the shelf, too.

### A Merry Menu for St. Patrick's Day

By JOSEPHINE GIBSON  
Director, Heinz Food Institute

ST. PATRICK'S DAY is a rollicking time for a luncheon party. Guests dote on the gay color, the hilarious games, and the festive food. It's important that the party table be jolly too, so let's plan a few simple decorations to amuse them. First, cover the table with a piece of shiny green oilcloth, then arrange plain white dishes and crystal glassware symmetrically in place. Center the table with a sizeable cake iced with fluffy white frosting and dotted with green candy shamrocks scattered over the surface. To make these shamrocks, cut out petals and stems from green gum drops and fashion them into shape on the cake. Next place a ring of tiny green candles all around the outer rim of the cake plate, and light them just before you begin to serve. In front of each guest's plate set a small clay pipe filled with green candies. You might also print the guests' names in green ink on the pipe stems in lieu of place cards. Then serve this menu with an Irish accent and your party will be great fun:

Cream of Green Pea Soup (ready-to-serve) Paprika Wafers  
Celery Curls Stuffed Spanish Olives Radish Roses  
Stuffed Pepper Salad, Shamrock Style\*  
Corn Muffins\* Pure Apple Butter  
Angel Food Cake\* Pistachio Ice Cream

Stuffed Green Pepper Salad—Wash 2 large green peppers, cut off tops (chop and reserve for use in filling) and remove seeds. Cream 2 packages cream cheese, add ¼ cup Stuffed Spanish Olives (chopped), chopped green peppers, and ½ teaspoonful salt. Fill peppers with this mixture and thoroughly chill. Slice thin with sharp knife and arrange three slices like a shamrock on a bed of crisp lettuce. Use a small strip of green pepper for a stem. Serve with Mayonnaise.

Corn Muffins—Mix and sift 2 cups all-purpose flour (sifted once before measuring), 3 tablespoons sugar, 4 teaspoons baking powder and ½ teaspoon salt in a mixing bowl. Combine 3 tablespoons butter, melted; 1 egg, slightly beaten; and 1½ cups Corn Chowder and pour over the flour mixture. Stir just enough to moisten the flour. Fill buttered muffin pans ¾ full and bake in a hot oven (425° F.) for 25 minutes. Makes 12 muffins.

Angel Food Cake—Sift 1 cup

pastry flour (sifted once before

measuring) and ¼ cup sifted sugar

together four times. Sift 1 more

cup sugar four times. Beat 1½

cups egg whites until foamy. Add

¼ teaspoon salt, 1 teaspoon cream

of tartar and 1 teaspoon Distilled

White Vinegar and continue beat-

ing until egg whites are stiff

enough to hold up in peaks. Sift

in the 1 cup sugar slowly, folding

continuously. Sprinkle 1 teaspoon

vanilla over top and fold in with

two or three strokes. Sift flour

and sugar mixture over egg mix-

ture and fold in with as few strokes

as possible (too many strokes cut

down volume of cake and tough-

en it). Pour batter into ungreased

angel food pan and bake in a slow

oven (275° F.) for 30 minutes, then

increase heat to 325° F. and con-

tinue baking 30 minutes longer.

Remove from oven and invert pan

for one hour or until cold. Be sure

pan has been thoroughly washed in

## Traveling Around America

BLUE-BLOODED "RED SKINS"

HERE are some descendants of the real first settlers of America—Gautamian Indians whose ancestors, the Mayas, inhabited our continent hundreds of years before the Mayflower ever was launched. Inasmuch as they wear the same type of colorful costume, follow the same primitive mode of life, and cling to many of the ancient superstitions of their forebears, they present to travelers taking the fortnightly cruises between New York, the Spanish Americas and California a wonderful picture of the first inhabitants of America.

The youngsters shown above are more fortunate than the juniors of Mayan times however. Back in those days receding, elongated foreheads and squinting eyes were the fashion—babies heads were

strapped so that they would grow into the favored contour, and small dangles were suspended before their eyes to induce a squint. When a boy reached the age of four months—four was sacred because it was the number of the chief earth gods—he was given an axe and, with his father guiding his hand, was shown how to cut down his first tree. During the rest of the day he was made to follow the gestures of his father as the latter performed his daily tasks. In like manner, a girl at the age of three months—three being the sacred number for women from the fact that the hearthstones numbered three—was forced to go through the motions of weaving and cooking, thus being introduced to the work and worry that is woman's lot.

dren, Kenneth, Clyde and Betty Lou, and the honored guest.

Mr. and Mrs. Samuel Habing celebrated their 54th wedding anniversary Sunday, March 8. Mr. Habing is 79, and Mrs. Habing is 71.

## COMMON COUNCIL

Holland, Mich. March 4, 1936.

The Common Council met in regular session and was called to order by the Mayor.

Present: Mayor Bosch, Alds. Prins, Vande Lune, Drinkwater, Kalkman, Van Zoeren, De Cook, Steffens, Danson, Huyser, Bultman, Van Lente and the Clerk.

Devotions by Ald. Danson, who led in the Lord's Prayer.

Minutes read and approved.

PETITIONS AND ACCOUNTS

Clerk presented several applications for building permits.

Granted subject to approval of both City Engineer and Building Inspector.

Clerk presented applications Nos. 370-371 of John M. Kornelje for two residences at 423 and 429 Washington avenue. These applications were previously presented and denied by the Council on account of not complying with the zoning ordinance.

Referred to Appeal Board.

Clerk presented petition from residents and property owners living in the vicinity of College avenue and 6th street requesting the city construct a catch basin to carry off surface water in this vicinity.

Referred to City Engineer with recommendation that he confer with the Pere Marquette Ry. Co. relative to running drain underneath tracks.

REPORTS OF STANDING COMMITTEES

Committee on Ways and Means to whom had been referred with power to act the proposition made by Dr. Nelson M. Clark and M. H. Hamelink to lease from the city for a period of five years the property on the northwest corner of River avenue and 12th street, reported having drawn up such a lease as suggested by the Council with the provision that the city can terminate this lease upon six months' notice if they so desire and reimburse the lessee a proportionate amount of the expense which they have incurred by remodeling and repairing the property to suit their needs. Committee further recommended that the Mayor and City Clerk be instructed to sign the lease on behalf of the city.

Adopted.

Claims and Accounts committee reported having examined claims in the amount of \$4,686.55, and recommended payment thereof.

Ordinance committee reported for introduction an ordinance entitled "An Amendment to Ordinance No. 363, Chapter No. 57 of the General Ordinances of the City of Holland," and recommended its passage.

The ordinance was read a first and second time by its title and on motion of Ald. Huyser, seconded by Van Lente, the ordinance was referred to the Committee of the Whole and placed on the General Order of the Day.

Committee on Public Buildings reported for information of the Council that the job of decorating the hospital has been completed. They further reported having visited the hospital and looked over the work and were very much pleased with the appearance of the job.

Ald. Huyser reported that the season of the year would soon be here when the Council would be deluged with complaints on account of dogs running at large and destroying gardens. He suggested that something be done about the matter. City Atty. Parsons reported that an ordinance could be drawn up that would control dogs running at large, and recommended that the matter be referred to the Ordinance committee. Thereupon Ald. Huyser gave notice to the Council that he will introduce at a later meeting either a new ordinance or an amendment to one of our existing ordinances to control the running at large of dogs in the city.

REPORTS OF SPECIAL COMMITTEES

Mayor Bosch reported that Mrs. Eva Shaw was present and wished to address the Council. Mrs. Shaw stated that it was her desire to explain some of the reasons why she together with others are taking the part of WPA workers who are on a strike. Mrs. Shaw mentioned among other things that \$12.00 per week is not sufficient pay to support a family with children and it was her contention that everyone should be interested in remedying this situation. She stated that she had drawn up a petition to Congress urging them to pass a law which would set the minimum wage scale at \$80.00 per month for WPA workers, and asked all to sign this petition. She stated that it was her opinion that nothing less than \$20.00 per week was needed to support a family of five or six people. Mrs. Shaw further brought up the matter relative to the paying of light and water bills without penalty when the WPA checks came in shortly after the 15th of the month. City Atty. Parsons suggested to Mrs. Shaw that this matter of getting an extension of paying for these light and water bills be taken up directly with the Board of Public Works since this matter was entirely under their control. The Council took no action on Mrs. Shaw's request relative to the wage scale of WPA workers.

COMMUNICATIONS FROM BOARDS AND CITY OFFICERS

The claims approved by the Hospital Board in the sum of \$4,754.85; Library Board, \$275.72; Park and Cemetery Board, \$568.29; Police and Fire Board, \$1,444.83; Board of Public Works, \$7,404.40, were ordered certified to the Council for payment. (Said claims on file in Clerk's office for public inspection.)

Allowed.

Board of Public Works reported collection of \$15,155.62; City Treasurer, \$3,949.61 for miscellaneous collections, and \$2,505.77 for taxes.

Accepted.

Clerk reported bonds and coupons due in amount of \$1,107.01.

Allowed.

Clerk presented report from Dora Schermer, librarian, showing amount collected in fines and fees during the past year as \$421.72.

Accepted and filed.

Clerk reported recommending that checks in the total amount of \$18.21 issued in error during the past year be cancelled and charged to the City Treasurer.

## HIGH EGG PRICES INCREASE DEMAND FOR BABY CHICKS

Hatchery men report greatly increased demand for baby chicks, according to Prof. C. G. Card, poultry husbandry department, Michigan State College, East Lansing.

Good prices for eggs this winter have increased demand for chicks to such an extent that some hatcheries are having difficulty obtaining sufficient eggs. Decreased production on the average farm because of the cold weather is held partly responsible for hatchery difficulties, according to Allegan County Agent, A. D. Morley.

"Some hatcheries have had difficulty getting sufficient eggs but that will straighten out with the warm weather," says Professor Card. "More farmers are buying chicks from hatcheries this year than for the last six years if we can judge by reports. More than 71% of the chicks raised this year will be bought from hatcheries."

"Hatcheries can produce better quality chicks because they usually purchase good males, properly select eggs and incubate properly. The importance of this egg breeding factor cannot be overemphasized. Profit or loss depends almost entirely upon the egg breeding of the chicks purchased."

Professor Card advises farmers to give serious attention now to proper health conditions and feeding of the young chicks. Sanitary conditions, location on clean ranges, good feeding rations, separation of sexes at an early age, and disposal of cockerels and broilers are very important, he states.

The ration for young chicks recommended by the college includes 36 pounds yellow corn meal (ground coarsely), 20 pounds bran, 20 pounds ground oat groats or ground oatmeal, 10 pounds dried milk, 5 pounds meat scrap (50% protein), 5 pounds alfalfa leaf meal, 2 pounds of steamed bonemeal, 1 pound of salt, 1 pound of cod liver oil.

Dr. J. H. Muncie, Research Associate in Plant Diseases, will be in Allegan County to hold two meetings on March 19 to discuss Corn and Small Grain Diseases. March 19, 10:00 a. m., Martin Co-op.

March 19, 2:00 p. m., Wayland City Hall.

The excessive moisture and cold weather during the past winter has been injurious to much of the grain, especially corn that will be used for seed this spring. It is felt that these meetings will be beneficial to most farmers.

Jesus Teaches His Disciples to Pray—Luke 11:1-13

HENRY GEERLINGS

Somewhere I read a story of a king who prepared a city for his poor subjects. Near where they lived were large storehouses where everything they could possibly need was supplied if they but sent in their requests. But there was one condition—they must be on the watch for the answer so that when the king's messengers came with the supplies in answer to their petitions they should always be found waiting to receive them.

There was one man who never received anything because he never expected that he would. "Why should I watch and wait for the king's messengers?" he mournfully said. "Who am I that the king should take notice of me? I am too unworthy. The king will not heed my requests."

One day he was taken to the king's storehouses. What do you think he saw? To his amazement he saw great packages with his name and address on them. "What are these packages doing here?" he asked the guide. "They were made up in response to the requests you sent in," the guide replied, "but when the messengers carried them to you they found the doors closed and the supplies had to be brought back." We often ask for things that we need. Our petitions are sent to the throne of grace, but when God does not respond immediately we become careless and are apt to say that God is not interested in us.

Prayer is one of the most natural acts of the soul. It grows out of a sense of dependence, together with the feeling that there is One above and around us who is willing and able to grant our desires. Jesus encourages every tendency to prayer. He prayed and he taught those with him to do likewise. He came from the Father and he represented him as loving and accessible. One of the purposes of his coming into the world was to make men the children of the heavenly Father and to introduce them to all the privileges of children.

One of the first things we note in the Lord's prayer is its brevity. There are but seven petitions in it and they are brief. He made it plain that we are not heard for our much speaking. A prayer is not necessarily improved because it is long. We are encouraged to come to God reverently, express to him what of praise or petition is in our hearts in the name of Jesus. There is only one petition here for material things; the others are bathed in the desire for spiritual good.

Our praying is not to be of the irregular and sporadic order. We are not to ask once for something and then forget all about it. In that case it would appear we do not want it very badly. Prayer is to be regular and persistent. We are

## SUNDAY DINNER

## Suggestions

By ANN PAGE

EGG prices and supplies have returned to normal for the season which means they can be used freely for both eating and cooking. Butter prices, too, have continued to drop. Salt water fish is comparatively plentiful and modestly priced though fresh water fish is practically unobtainable. On the whole meat prices are little changed from last week. Fore-quarter cuts of beef and lamb are lower and the hindquarter slightly higher. Veal is somewhat lower and pork slightly higher. Smoked meats and poultry prices are unchanged.

Vegetables and fruit are fairly plentiful and attractively priced for this time of year.

Here are three menus for Sunday dinner at different budget levels.

to keep ourselves in the habit of prayer. If an answer to what we ask is to benefit us we must feel it is something really needed for our welfare and usefulness. God's delay in granting our request may be to test our faith and to make us see whether what we ask has any merit or not.

When we come to God in prayer it is understood we are there as suppliants. We have little to give and much to receive. The bowed head and contrite heart are symbols of our dependence. We come for pardon and peace and light and wisdom and help. It little becomes us to carry an air of pride. We have nothing to be proud of in our own names. The thing that becomes us is humility. But the vain man afar off. But the meek in heart are admitted to the presence of the Lord.

Jesus did not wait until he came into a hard place to pray. But he prayed when in hard places. And he was able to do this because he learned the language and custom of prayer when burdens were not so heavy. He was much in communion with his Father. He had put himself in the place of man and he was subject to the same need of prayer as we are. And he did not rebel against it. Pardon for sin excepted he sought the same help from God we need. He did not want his own way. He sought to do the will of God.

It does not require perfect knowledge of God to pray to him. If we believe that he is and that he is a rewarder of them that seek him we have sufficient ground for the beginning of a prayer life. It is through the practice of prayer that God is more and more revealed to us. The joy that comes from this communion with him, the definite help that prayer brings, the larger dedication of our will to him, which it is sure to accomplish, will remove all doubt as to the reality of God. The upturned face helps us to see him.
