New Salary Schedule Is Adopted

Teachers' Salaries
Up \$100 to \$300
For Coming Year

The Board of Education Monday night adopted a salary schedule for teachers for the 1959-60 school year starting at \$4,100 and rising in 14 steps to \$6,500 a year, plus an additional \$300 for a master's degree. This represents a \$100 to \$300 increase for teachers over the present salary schedule which starts at \$4,000 and rises to \$6,200.

In presenting the recommendation, the teachers' committee consisting of Alvin J. Cook, Harry F. Frisell and James Hallan, pointed out that estimates of next year's operating revenue at this time reveal there will not be sufficient income to absorb the proposed increases for salaries and wages (salary increases \$37,500 and increments \$15,000). The committee said the board will be confronted with the alternative of some deficit financing or asking for a special millage election to exceed the 15-mill limitation. Possibility of a state income tax, an increase in sales, tax, or both, also was mentioned.

Action by the board also included comparable increases in salaries for principals and other staff personnel amounting to a total of \$4,684.03, and wage increases for custodians amounting to \$5,250. Committee recommendations followed a series of meetings of the board committee and the teachers' salary and welfare committee. The schedule as adopted Monday night was much the same as one recommended by teachers a week earlier.

In other business, the board unanimously endorsed City Council's proposed offstreet parking program calling for a \$350,000 bonding issue to be voted upon at the April 6 election. Councilman Robert J. Kow explained the program, and a detailed discussion lasting nearly an hour followed. Councilman Kow pointed out that Council, the Chamber of Commerce, the downtown merchants and the planning commission have adopted the plan "in principle" and there may be minor changes in developing such a program over a period of years. He pointed to the necessity of doing something to improve the downtown area which today pays 30 per cent of all taxes in the city. He said currently there are 16 vacancies in the central business district, pointing out that a decline already has set in, and that offstreet parking improvement is one solution to maintain the central business district values.

Motion to support the parking program was made by Wendell A. Miles and seconded by Jack Plewes.

The schools committee announced that schools would close at noon on the Thursday and Friday of Tulip Time to allow bands, klompers, dancers, children and teachers to participate in the folk and children's parades.

Announcement was made that George A. Bowie, public relations director of the Firestone Tire and Rubber Co., will be commencement speaker for 1959. Bowie is an author and an honorary lecturer at several colleges and universities and is regarded as one of the top speakers for conventions.

The schools committee also recommended that a summer school director be appointed and that a survey of interest and need be made, plans for financing submitted, and that an energetic program of public information be inaugurated.

Township Will Seek Increase of One Mill

GRAND HAVEN (Special) — Spring Lake Township Board Monday night approved a request to ask the Ottawa County tax allocation board for an increase in tax from one to two mills.

Gerritt Bottema, township supervisor, said that the proposed increase is a result of steadily rising welfare costs. If approved, the one mill increase would not need the vote of the people to be assessed. It would come within the 15 mill limitation on county taxes.

Geerlings Won't Seek Reelection

LANSING — Another futile debate on Michigan's cash crisis ended Tuesday night with a rare bit of profanity by a Republican senator who said he will not seek re-election because he is "sick and tired" of bickering with Democrats.

The flareup served to illustrate touchy tempers and was the second notable outburst during the eight-week deadlock over finances. Two weeks ago there was a near fistfight in the House.

Sen. Clyde H. Geerlings (R-Holland) shocked his colleagues and a packed gallery Tuesday night when he reeled off words he said were uttered by a Democrat disgusted with party discipline. His audience included 28 women and a small girl.

Geerlings, 54, quickly apologized for what President Sen. Raymond D. Dziedzic (D-Detroit) called "unparliamentary language" and

Sen. Clyde Geerlings

then announced he was quitting after this term.

"I want no part of this political maneuvering anymore," the Holland Republican said during debate on a plan to finance an emergency bonding program with a one-cent sales tax increase.

State Sen. Clyde H. Geerlings told The Sentinel today, reiterating that he was quite sincere in his statement that he would not be seeking reelection in 1960. As for his statements on the Senate floor, "I just got fed up and had to say it," he said.

He made it clear that the only allusion to any words approaching profanity were those he quoted from a Democratic colleague.

"I've been in the Senate a long time now, and it's time this body gets new blood and new faces. I'm glad I've announced that I won't be running again. My wife agrees."

Geerlings said he knew of some Democrats who were "drooling at the mouth for the sales tax" but were afraid to buck Gov. G. Mennen Williams and other party leaders. He then cited some swear words he attributed to a Democrat he refused to name.

Sen. Stanley Novak (D-Detroit) challenged Geerlings to name the Democrats who wanted a sales tax.

"Stan," Geerlings said as he puffed on a pipe, "you know me well enough—I wouldn't say it if it were not true."

Sen. John Minnema (R-Traverse City) walked across the aisle after the Senate adjourned and told Geerlings, "That's all right, Clyde. I heard the same thing." Minnema and others urged Geerlings to reconsider his decision to retire from politics.

Geerlings said he was "sick and tired" of all the "doggone lies" he claimed he got from Democrats.

He was the second Ottawa County lawmaker to decide this year to quit politics.

Former House Speaker George M. Van Peursem (R-Zeeland) recently quit to go into law practice full time with the Holland Hospital Co.

Holland Man Edges Out Asa Kelly

Margin is 29 Votes;
Vander Laan is Third
In Very Light Turnout

Riemer Van Til, 46-year-old Holland resident who deals in life insurance and real estate, edged out his nearest opponent by 29 votes to win the Republican nomination for state representative for Ottawa county in a special primary Tuesday which brought out 7,648 voters in the county's 47 precincts.

Van Til polled 1,705 votes, 29 more than the 1,676 votes received by Asa Kelly, Jr., Coopersville attorney and assistant.

Riemer Van Til

prosecuting attorney for Ottawa county.

Running third was Raymond Vander Laan, Hudsonville mortician, who received 1,313 votes. Others were Avery D. Baker of Holland, 833; Sipp H. Houtman of Holland, 607; William B. Bloemendaal of Holland, 465; Louis P. Van Den Berge of Borculo, 294; Harry Welter of Holland, 165; Eugene S. Batema of Holland, 97.

As votes poured in from the various precincts, it was apparent from the start that the race was between Van Til and Kelly. Van Til maintained fairly consistent votes all over the county. Kelly also showed consistent strength, particularly in the townships around Coopersville. Van Til took Holland with 702 votes, Kelly was second in this city with 350 and Houtman third with 347. (See election chart on page 22.)

Although Tuesday's vote of 7,648 was extremely light, costs were somewhat under the \$1-a-vote estimate advanced by some county leaders. County Clerk Harris Nieuwenhuis estimated total costs at \$4,000, adding that some printing bills were not in. He explained that the county services the voting machines and provides paper ballots and election supplies. Other governmental units (townships and cities) provide the personnel.

There usually are three workers for each precinct. Total registration in Ottawa county is 43,313.

Van Til as Republican nominee and Malcolm Ferguson of Spring Lake, the Democratic nominee, will vie in a runoff April 6 for the position of state representative.

The winner will succeed George Van Peursem who resigned a few weeks ago to accept a position with the Holland Furnace Co. Van Peursem had served as Speaker of the House for two years.

State School Head Visits Holland

Dr. Lynn M. Bartlett, superintendent of public instruction for the state of Michigan, was in Holland Monday, appearing before several groups.

Although Dr. Bartlett is seeking reelection as Democratic nominee for the state post, little or no politics entered discussion at his appearances before the Board of Education, Hope College classes, parents' groups at Harrington School and before the teachers' club at Longfellow School.

School district reorganization throughout the state and how local groups are facing such problems in the Holland area was the main topic of discussion. Forthcoming annexation elections for Lakeview and Van Raalte districts figured considerably.

Dr. Bartlett said considerable progress has been made in school district reorganization throughout the state and he figures 85 per cent of the children are now in the districts which offer education from kindergarten through high school, and that 90 per cent of the valuation now lies in high school districts.

He pointed to reorganization difficulties currently in Kalamazoo, Lansing and Grand Rapids, and the philosophy of the State Board of Education in charting programs in the best interests of the great numbers. "Unfortunately every question which comes before the state board is highly controversial, and we always make some friends and some enemies. But we try to make the decisions that will benefit the most people over a long period of time," he said.

He commended Holland on its realistic and logical approach toward solving its school reorganization problems. "The old one-room school was a great institution, but it's not good enough to prepare children to take their places in society in the latter half of the 20th century. Eventually, we want every child in Michigan to live in a high school district, and there still are many places where nothing is happening," he said.

He pointed to a bill not in the legislature which might make reorganization mandatory by 1962.

Dr. Bartlett was informed that Lakeview citizens committee has written for a state opinion on whether Lakeview district can be annexed to the West Ottawa Public School district. Petitions for such a move are being circulated in Lakeview district by anti-annexation groups.

Holland's educational program with some emphasis on elementary foreign language programs, the youth development program, the science seminars and the North-central Superior Student Study was outlined for Dr. Bartlett at a luncheon in Warm Friend Tavern attended by the Board of Education, city leaders and representatives of area schools.

Cooperation Asked to Halt Scarlet Fever

Dr. Ralph TenHave, director of the Ottawa County Health Department, urges parents to cooperate in helping to control any further spread of scarlet fever by keeping children in the elementary grades home from school when they show signs of a severe cold, a hacking cough and a sore throat.

If scarlet fever is present in the home all children of elementary school age must be kept isolated for at least seven days. For definite diagnoses parents are asked to call the family doctor. Following scarlet fever all children must have a permit from either the Ottawa County Health Department or the family doctor before re-entering school.

Children who have been exposed but have not contracted scarlet fever may return to school seven days after their exposure without a permit.

The cooperation of all parents is urgently requested. The only way to control the spread of scarlet fever is to break the chain of contact among susceptible individuals. Ten Have said children must remain home when signs of illness appear.

A loan of \$1,000,000 for a new women's dormitory on Hope campus has been approved for Hope College, according to word from U. S. Rep. Gerald R. Ford in Washington.

The loan has been approved by John C. Hazeltine, commissioner of the Community Facilities Administration in Washington, D. C. according to Ford's office.

Henry Steffens, treasurer of Hope College, said bids for the new building will be opened here April 29, and the building is expected to be ready for occupancy in September, 1960. Kollen Hall, modern new dormitory for men, was completed about two years ago. Previously, men students had been housed in Zwemer Hall of Western Theological Seminary.

Auxiliary Unit Hears N. Koster

At a meeting in the Bethany Christian Reformed Church of the Christian Reformed Unit of the Holland Hospital Auxiliary, Miss Nellie Koster of the Mary Free Bed Children's Hospital spoke on Rehabilitation of Children at Mary Free Bed Hospital.

She told how a Grand Rapids woman many years ago visited a hospital in Detroit which had special beds for unfortunate children. She came back to Grand Rapids with her friends started Mary Free Bed.

Today they have room for 120 children, the services of 78 doctors and a staff of 170. She illustrated her talk with slides showing the wonderful work they do with the deformed, polio stricken and burned children and young adults.

Her slides also showed the progress made in the rehabilitation work, until finally the children are able to use their hands or walk, many times with the aid of artificial limbs.

Miss Sena Grevenoged presided at the meeting and the devotions were in charge of Mrs. William P. Brink. The Girls' String Ensemble of Holland Christian High, under the direction of Miss Beth Ritsema and composed of Beth Boutman, Linda Dyk, Jean Piersma and Esther Timmer, presented two numbers.

In the business meeting, it was decided to purchase an Alternation Pressure Point Mattress and an Emergency Oxygen Unit for the hospital.

The following officers were elected: Mrs. C. DeGraaf as vice president; Miss Thelma Homkes, secretary; and Mrs. R. Vander Meulen, assistant treasurer. The retiring officers are Mrs. L. Damstra, vice president; Mrs. J. H. Jansen, secretary; and Mrs. A. Hoek, treasurer.

Mrs. Klooster closed the meeting with prayer. A social hour followed with Mrs. F. Kolenbrander in charge of refreshments. She was assisted by Hostesses of Bethany church.

HAPPY MUSIC — Robby and Jos, two Dutch girls from Amsterdam who are singing their way around the world, are spending a few days in Holland while on a world tour which in nine years has already taken them to 58 countries. At left is Jos (Johanna) de Lange Wendels and at right is Robby Van Der Wal. Robby's real name is Ida Guusta Riema, but nobody calls her that. The girls sing all kinds of song (not rock and roll) but specialize in the gay, happy ballads that please people everywhere.

Dutch Troubadours Include City on Globe-Girdling Tour

Visiting Holland, Mich., these days, are two Dutch lasses from Amsterdam who have literally sung for their supper through 58 countries the last nine years.

Using two guitars, these unusual girls who now boast a repertoire of 60 songs after starting out nine years ago with about five, have appeared in all kinds of countries, in all kinds of settings and under just about every situation that exists.

Jos and Robby, as they are known on several continents, will make a public appearance in Holland singing at the annual Chamber of Commerce dinner Tuesday night in Civic Center. Currently, they are staying in the Netherlands Hotel.

It all started out in 1948 when Robby Van der Wal, a store clerk in Amsterdam, put an ad in a newspaper for a companion to accompany her on a guitar-twanging tour to other countries.

Jos de Lange Wendels, a short-hand stenographer, answered the ad. Robby played the Hawaiian guitar at that time, but Jos (short for Johanna) performed only on the piano. But Jos bade farewell to the 88 keys and started learning to master the stringed instrument. The two practiced together for a year, and then on June 9, 1949, decided they were ready to make their public debut.

They left Amsterdam without a guide to their name (starting out penniless was part of the game), determined that they would make their way on the strength of their musical talents or not at all.

Things were rough for a while and it appeared that the predictions of their friends (you'll be back soon!) would come true. But they got a break in England when they were invited to perform on BBC, and their fortune from that time took a decided upturn.

Since that time, Robby and Jos have been guests in the palace of the Sultan of Morocco, had tea with Gen. Nasser (Nasser's predecessor in Egypt), had dinner aboard the Duke of Edinburgh's British naval vessel, and had the chilling experience of having many of their possessions stolen in Greece and Africa.

They first called themselves "The Rojos" formed from their names, but in Spain they found the word meant "Reds." Not wanting to be tagged as fellow travelers, the girls now stuck to a billing of "Robby and Jos."

The girls display good judgment in mapping their itineraries. While their passports are world-wide, visas are necessary to enter individual countries. They have given Iron Curtain countries a wide berth, and when the Cuban revolution broke out some weeks ago, they bypassed Cuba and arrived in this country some months earlier than they had planned.

Since six of their traveling nine years have mostly been spent in the tropics, they were unprepared for the "cold welcome" Michigan gives its visitors this time of year. Since they pack camping equipment, it would have been nicer to arrive a few months later. They were wide-eyed at the sight of huge snow banks along the curbs, and barely able to comprehend the by-now casual news that Holland had had 114 inches of snow up to March 1.

Although the girls are paid for doing their act in theaters and private clubs (no night clubs) Robby and Jos are not professionals in the strictest sense of the word. They are broadminded in their musical selections, but draw the line at "rock and roll."

Mostly, they prefer gay, happy music, and that's what their audiences seem to prefer too. They have made it a point to learn at least one song in the language of the countries they visit. This is Concert Association and others

Late Storm Whips Holland

A howling, late-winter storm came rolling across the western plains and smashed into Holland Friday, coating the streets with ice, cutting the visibility to near-zero and stacking new-fallen snow into deep drifts.

Within the space of four hours, from 4 to 8 p.m., Holland police and Ottawa County deputies were overwhelmed with traffic accidents as cars skidded helplessly on the ice.

Holland police recorded six major accidents, including a four-car crash which tied up traffic on River Ave., and five minor crashes in that period. Three deputies, meanwhile, were struggling to keep abreast of a succession of crashes in the area around Holland.

Injuries were few as drivers slowed to cope with driving conditions. Roads throughout the state were glazed by the storm.

National Symphony Lives Up to Its Fine Reputation

The National Symphony Orchestra of Washington, D. C., lived up to its proud reputation of being one of the world's great symphonic ensembles in its concert Friday night in Civic Center.

Under the baton of its talented conductor, Dr. Howard Mitchell, this outstanding musical organization performed a variety of great works which demonstrated the top in musicianship, particularly in the strings where rich, warm, vibrant tones dominated the quieter passages of musical masterpieces.

The favorite with Holland's audience was Beethoven's third symphony, "Eroica," particularly the first movement with its familiar refrain. This work comprised the entire second half of the program.

Exceptionally well received were the Berceuse and Finale from Stravinsky's "The Firebird." Stravinsky's modern works do not always fall pleasantly on the ear, but the National Symphony's deft treatment of the usual dissonant and barbaric chords made this presentation a pure delight.

Music lovers revelled in the famous Bach Toccata and Fugue in D Minor which opened the program and the Mozart Symphony No. 35 which again demonstrated rich, lustrous and wholly unforced tones of the strings.

For encores, Dr. Mitchell graciously responded with two familiar selections. The first was "Fantasia on Green Sleeves" by Vaughan Williams, which followed the theme of an old folk song. Final encore was the lively "Dance of the Comedians" from "The Bartered Bride," Smetana.

Friday night's audience was unusually attentive throughout the concert, although the tendency remains for large numbers to leave the auditorium before the house lights are on after the last encore.

After the concert, the board of directors of the Holland Civic Music Association and others

Emmett Brown Bound Over in Murder Case

GRAND HAVEN (Special) — Following a preliminary examination in Grand Haven Municipal Court Friday afternoon, Emmett Brown, 36, Holland, was bound over to Circuit Court to face murder charges in the death Feb. 19 of Gilberto Rivera, of Holland.

Brown is held without bond for arraignment in the higher court March 31 at 9 a.m.

Municipal Judge Jacob Ponstein denied a motion of attorney Walter Roper of Holland that Brown be charged with manslaughter, or at most, second degree murder.

First witness called was Mrs. Katherine Simpson at whose home north of Holland the fracas in which Rivera was shot took place. She admitted Rivera was her boy friend and that she had known him for three or four years. She said she was not in the room at the time of the shooting, and the reason she did not hear the gun discharge was probably because the radio, television and a record player were all operating. She said she and Brown were friends, but did not share the close relationship she had with Rivera.

Also testifying were Robert Louis Marshall, 17, a Holland High student who with his mother and a younger brother lived in the Simpson home, and Dr. E. Vanderberg of Holland, who performed surgery on Rivera.

Young Marshall testified that the revolver which Brown used in the shooting had a hammer on it and the hammer was back when it was in Brown's hand. He also testified he heard Brown say to Mrs. Simpson, "I ought to shoot you too; you are the cause of it all."

Dr. Vanderberg testified that Rivera first refused to have surgery and it was not until he realized that his left leg was paralyzed that he consented. The doctor said the gunshot wound had caused internal bleeding resulting in hemorrhages and shock.

The court room in City Hall was filled to capacity.

A DANGER TO EVERYBODY

"The threat of inflation remains at least as great as it was in March, 1958."

That sentence is part of the opening paragraph of an article in "The Bethlehem Review," house organ of the Bethlehem Steel Company, under the title, "Wages, Inflation, and the Steel Industry." What is true of the steel industry is clearly also true of any other industry. The management personnel and employees of all firms are in the same boat. They will all lose if inflation runs away with the country's economy, as it threatens to do.

In apparent refutation of the Washington administration's warnings against inflation, some lawmakers have been trying to reassure the American people that there is no real danger. But the time to prevent that menace is when it is not yet on the doorstep. Some industrial analysts believe that the margin of safety is getting threateningly narrow.

Speaking for his company's role in the steel industry, President Arthur B. Homer of the Bethlehem Steel Company, has this to say: "Wages in the steel industry are now at an all-time high, at the very top level among all manufacturing industries. It is in the best interest of everyone to avoid another round of inflation that would hurt us all. It is time to apply the brakes to any trend that would surely set in motion another senseless inflationary spiral and thus undermine employment by pricing goods or services out of the market."

Such warnings are often discounted by politicians who are after the votes of the people involved in large masses in inflationary spirals. Such men do not stress the fact that inflation will hurt every man, woman, and child in the nation and will bear down most cruelly on the very people whose votes have been won under false pretenses.

There is a limit to the possibilities of "less work and more pay," the popular slogan of some who do not think things through to the end. The point of no return finally arrives when "less work and more pay" becomes "no work and no pay." And that means hunger for millions and industrial chaos. You can't squeeze blood out of a stone, no more in an industry than in an individual. If an industry no longer pays it goes broke, and its employees go broke with it.

Our elected officials need to do some hard thinking. Many of our neighbor states are also having financial problems. We must find a way to reduce government duplication and waste. Write your elected officials.

Jesus Undergoes Trial
Mark 15:1-15
By C. P. Dame
(Based on copyrighted outlines produced by the Division of Christian Education, National Council of the Churches of Christ in the U.S.A. and used by permission.)

Selfish leaders can do much hurt and just leaders are a blessing. The religious leaders who hated Jesus were determined to get him out of the way and they finally succeeded in gaining their end. They threw justice to the wind in order to reach their goal.

1. A Jewish court tried and condemned Jesus. Before Jesus was tried his judges had already decided to render a verdict of guilty. The religious leaders passed the verdict at a night session which was illegal. In order to pass a death sentence it was required to hold two sessions of the Sanhedrin separated at least by one day and this was not done.

Two sessions were held but on the same night. In the first session a smaller group was present and this was followed by the meeting of the whole Sanhedrin which was asked to approve the plan reached. The Sanhedrin could pass the death sentence but it could not execute it. They had to get permission from the Roman government. When they brought Jesus to Pilate they did not ask that he try him, they simply wanted him to carry out their verdict. This Pilate refused to do. Although Pilate was a pagan he had a greater sense of justice than the religious leaders.

2. The crowd rejected Jesus. The Jewish leaders knew right well that Pilate would not be impressed by the religious charge that Jesus claimed to be the Christ and so they said that he was guilty of treason—he claimed to be king of the Jews! They accused Jesus of wanting to be a political leader—just what he had always refused to be. The many accusations made against Jesus did not make him speak one word of defense. His silence Jesus deemed Pilate marvel. By his silence Jesus condemned his accusers and Pilate. Silence may suggest much more than speech.

Pilate did not want to condemn Jesus for he knew that he was innocent. The story of the trial of Jesus reveals that Pilate tried to dodge passing a sentence upon him. When the crowd came to ask for the release of a prisoner according to a custom, Pilate saw an opportunity to free Jesus. At that time there was a notable prisoner named Barabbas in custody charged with making an insurrection and committing robbery and murder. Rome tolerated no lawlessness and Barabbas was caught, put in prison and sentenced to die.

Pilate presented a choice to the crowd—they could choose either Jesus or Barabbas. And to the great surprise of Pilate the crowd chose Barabbas the robber in preference to Jesus, the innocent man. The religious leaders stirred up the crowd to demand the release of Barabbas. Pilate's plan failed. The crowd was wrong but it is not uncommon, the crowd is often wrong.

3. A Roman judge sentenced Jesus. When Pilate asked what he should do with Jesus they shouted, "Crucify him." The crowd made a poor choice. Pilate showed himself to be a coward in yielding to the unjust demand of the crowd. It is not right for a judge to yield to any pressure group. It is the business of a judge to do that which is just regardless of the demands of any one. When Pilate was threatened with the loss of his position he surrendered Jesus and ordered him to be crucified although he had declared him innocent.

We all face the question—what to do with Jesus? Some ignore him, they try to do but fail, others push off the task of making a decision into the future, and some accept him and make him their Saviour and Lord. This is the choice to make.

Dutch Hopes Shattered By Last-Second Defeat

Southwest Missouri Wins, 76-74

By Randy Vande Water

EVANSVILLE, Ind. (Special) — Hope College's basketball team and fans will talk about this ball game for a long time and the score will always come out the same, but it will be an experience never to be forgotten by the Dutchmen.

It was a 20-foot, one hand jump shot by Jack Israel from the corner with four seconds remaining that gave Southwest Missouri a 76-74 win over Hope in the Roberts Memorial Stadium Wednesday night in the quarter-finals of the NCAA National Basketball Tournament.

The game was a story-book finish and the best of the four games played here Wednesday, but for the Dutch it was a heartbreaker and an abrupt end to the most successful season in history. Hope ended with a 20-3 mark. Hope was ahead by two points 74-72 with 58 seconds remaining. Warren Vander Hill made the two free shots to put the Dutch in front, then Southwest came down the floor and Israel hit on his 11th basket of the game with another long shot to tie the score with 28 seconds remaining.

Hope called a time out and set up the play. The plan was to move the ball around and go in for the one shot just prior to the final horn.

But the Dutch lost possession of the ball and Dale Russell recovered and dribbled down the floor, slipped the ball to Israel and the 6 foot 5 senior let fly with his 12th basket and swished the net and the horn sounded.

Israel, an all-conference player for the past two years, hit on 12 of 28 shots from the floor for 42 per cent. He has been averaging that or better in leading Southwest Missouri to victories in 22 of 24 games this season. Israel also hit on three straight free shots and ended with 27 points. The game was tied 13 times including nine times in the second half and the lead changed hands 13 times.

Hope took an early lead, 10-4, and then moved out 22-14, the biggest margin of the game, at the 10 minute mark. Southwest Missouri spurted late in the first half and trailed by just one point, 40-39, at half time.

Five points was the biggest margin either team held in the second half and the Bears held this advantage 58-53 at the 10 minute mark. Hope came back and tied the game at 60-60 on a Vander Hill jump shot at 7:50.

Four points, 72-68 with 2:39 left was the biggest second-half Hope margin, but the Bears' Jay Kinser hit a basket and two free shots to tie it up 72-72 with 1:41 left.

The rebounding of Paul Benes was again outstanding as the big center picked up 27 rebounds, most of them on the defensive boards, and including 16 in the first half.

He hit on 12 of 23 shots in the game. His board partner, Ray Ritsema, grabbed 11 while Russ Israel had 13 for Southwest.

Darrell Beernink and Vander Hill did another good job of ball handling. Beernink was good on getting the ball down the floor and grabbed eight rebounds which rebounded in near the free throw lane. Vander Hill worked his play well of feeding the big men or shooting. Vander Hill picked up his fourth foul early in the second half and didn't return until the final few minutes.

Benes led both teams with 30 points including 19 in the first half. Vander Hill followed with 16 and Ritsema had 15. Jay Kinser, who hit seven straight free shots, had 15 for Southwest and Dale Russell had 14.

Notes From Hope Game

EVANSVILLE, Ind. (Special) — The Roberts Memorial Stadium had 5,000 persons for the Hope-Southwest Missouri game. The stadium seats 11,000. Opening ceremonies was Miss Indiana, 19-year-old Miss Anita Marie Hursh, a sophomore at De Pauw University. She sat in a special royal box.

The teams paraded around the floor prior to the game. . . . The coliseum has seats around the entire amphitheater like a bowl and about 30 tiers. . . . There is a mammoth parking area around the stadium. . . . Each player received a bag of fruit. . . . The Hope team was housed at the Mc Curdy Hotel and will return Saturday morning by plane. . . . The tournament was covered by the wire services, several newspapers and radio stations representing the areas from which the teams came. A comic trampolene team from South Dakota State entertained at half time of the Evansville-St. Michael's game which followed the Hope game. . . . Officials for the Hope game were Don Elser, former All American of Notre Dame and Chuck Chuckowicz, former All American at University of Detroit. Both are Big 10 officials. About 75 Hope fans attended the game and formed a small cheering section and were led by three Hope cheerleaders. Paul Benes was the tallest player in the tournament. Bill Mokray of the Boston Celtics talked to Coach Russ De Vette about Paul Benes playing, pro ball. De Vette informed the Celtic scout that Benes is a pre-seminary student at Hope. Mokray was impressed with Benes' soft shot and hook and rebounding. Chuck Ploegma, former Holland High and Hope athlete now living in Louisville, attended the game. Southwest Missouri has an enrollment of 2,500 students. The Kiwanis Club hosted Hope during its tourney stay and the team had dinner with the Kiwanis today. Each coach was given a large key to "open the NCAA throne room" before the game.

The refreshments consisted of 7-up which was donated by the Holland 7-Up Company and cookies made by the Horizon group.

The proceeds which the girls received from this project which amounted to \$70, will be donated to the Holland Hospital for landscaping.

The members of the "Chatter Chicks" Horizon group are: Mary Overway, president, Deanna Phillips, vice president, Mary De Velder, secretary, Janice Harbin, treasurer, and Louanne Klompars, cabinet representative. Other members of the group are Charlotte Butler, Joyce Coffee, Nancy Cooper, Judy Dillahun, Millie Enstam, Jane Hanson, Kathy Klompars, Sharon Vischer and Sharon Willets.

The Rev. Harland Steele spoke to the children on the subject of prayer.

Playing "Onward Christian Soldiers" were an instrumental quartet composed of Brian Marcus, Paul Winter, Mike Oosterbaan and Randolph Hartgerink.

Mrs. Russell Woldring accompanied the entire group when they sang "This Is My Father's World."

Activities plans for the next few months will be outlined at a meeting of the Holland Area Radio Club tonight at 8 in the Red Cross Building, corner of 10th St. and Central Ave. All persons interested in amateur radio as a hobby are invited.

Missouri's Press Called Big Factor

EVANSVILLE, Ind. (Special) — A press and outcourt shooting were probably the two big factors which won the game for Southwest Missouri.

As coach Russ De Vette looked at the game in retrospect he felt the press, a strong man to man defense, aided Southwest Missouri. Also, the defense which Hope used, a 3-2 zone and a man-to-man switching on a verbal signal, was effective but could not continue to be effective against a team that was hitting from outcourt such as Southwest Missouri.

Hope played a man-to-man defense in the late stages of the game. The Southwest Missouri press was full court most of the time while the Wheaton press was a zone press. But the Southwest press was forceful and the tightest the Dutch had seen this season. Southwest is one of the leading defensive teams in the nation.

In comparing the two teams De Vette felt Southwest Missouri Club tonight at 8 in the Red Cross Building, corner of 10th St. and Central Ave. All persons interested in amateur radio as a hobby are invited.

Kiwanians Hear Talk on Defense

Commander L. R. Schwabe, USN, spoke in the defense of the United States before the Kiwanis Club Monday night at the Warm Friend Tavern.

Commander Schwabe is presently the officer in charge of Navy recruiting for the State of Michigan.

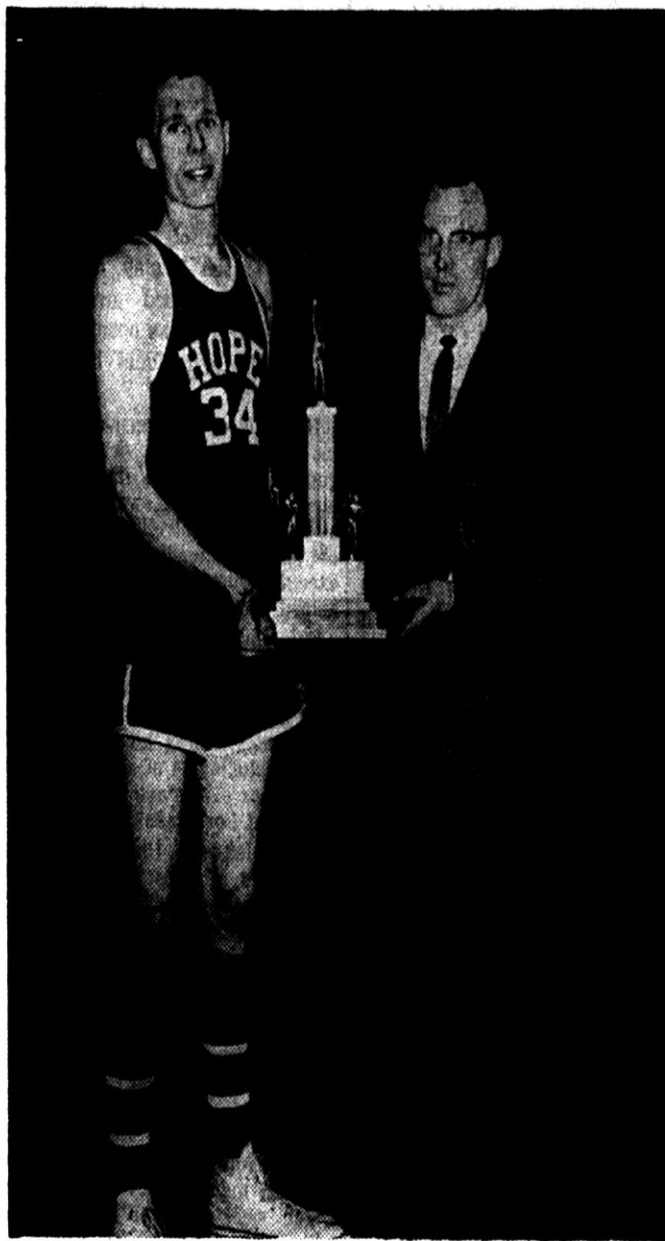

In his talk, Commander Schwabe emphasized the importance of maintaining a properly balanced military force. He pointed out that although there is certainly some overlap in the fields of authority of the various services, the cost of this is quite cheap insurance against the occurrence of another Pearl Harbor, which was due in no small degree to an underplay in fields of authority.

Commander Schwabe also explained that although it might seem that there is needless duplication in the missile program of the three major services, that this is not in fact the case because the necessary characteristics of weapons even with the same range vary significantly from service to service.

Commander Schwabe concluded his program with the showing of slides illustrating the part played by the Navy in our National Defense. Program Chairman was Chief Engineer Jim Pace, who had as his guest in addition to Commander Schwabe, Chief Gunners Mate Richard Raymond.

As an added feature of the program, the Holland High Accapella Choir, conducted by its director Larrie Clark, sang two numbers in order to spur the Kiwanis members in their sale of tickets for the two concerts to be held for the purpose of raising money for new and badly needed choir robes. The first concert is to be held on Saturday, March 21.

The invocation was given by Fred Veltman. Roger DeCook was the guest of his father, Bill De Cook.

AWARDED TROPHY — Captain Paul Benes (left) and Coach Russ De Vette of Hope College pose with the trophy won in the Great Lakes regional NCAA basketball tournament Saturday night in Glen Ellyn, Ill. Hope will now participate in the national tournament Wednesday in Evansville, Ind.

Paul Benes Named Best Hope Player

Paul Benes, the greatest scorer in Hope College history, was today named the most valuable player for the season in a vote by his teammates, Coach Russ De Vette announced today.

Benes now becomes a candidate for the Randall C. Bosch of Holland award presented annually to the most valuable player in the MIAA. Bosch had been presenting the awards for the past 23 years and Hope junior Ray Risema received the honor last year.

The 6' 10" senior has scored a total of 1,725 points in four years of competition. This includes 1,076 in the MIAA, which is believed to be an all-time MIAA scoring mark.

Every point Benes scores is a new Hope record. He slashed the four-year mark set in 1951-55 by Bob Hendrickson of 1,351 points earlier this season.

Benes won the MIAA scoring title for the second straight time this season with 264 points. He led the MIAA with 302 last year and finished in third place as a sophomore with 266 points and 244 points as a freshman for fifth place.

De Vette said today that Benes has improved a lot this year over last year and has shown much improvement every year. He was on the all-MIAA second team as a freshman and the first team the past two years.

"He has always been a consistent scorer, especially this year," De Vette said, "but he didn't have as many really high scoring games." His high this season was 35 against Hillsdale while last season he set a new single game mark with 39 against the Dales and made 38 against Northern Illinois.

Benes was acclaimed by De Vette as a fine team leader and his rebounding, especially on the defensive boards, was outstanding this season. During the last half of the season, Benes has also been increasing his leap and has picked up more offensive rebounds and tips.

Hope Fans Whoop It Up After Victory

GLEN ELLYN, Ill. (Special) — It was a mob scene on the floor of the New Glenbard gym as 300 Hope fans rushed out to congratulate the Hope team.

Several of the players received shoulder rides and Coach Russ De Vette was also carted around the floor. After a few minutes of whooping and hollering, the Hope team took its place out on the floor and was presented with the 24-inch trophy.

Fred Beister, superintendent of the New Glenbard school, made the presentation to Hope captain Paul Benes and Harvey Chrouser, tourney manager and Wheaton College athletic director, gave the players of each team their individual awards.

The locker room was crowded for a few minutes as well-wishers came in to congratulate the team. The players beamed while athletic director Al Vanderbush and others began mapping plans for the trip to the Evansville tourney.

For the Wheaton crowd it was quite a surprise and for the Wheaton club quite an upset. Captain Bill Gerig, who was praised by Chrouser, was visibly moved as he wiped the tears from his eyes.

Mei Peterson, accustomed to winning, had a stoic expression and seemed to be trying to realize that the Crusaders had been bumped out of the tournament.

Zeeland Takes District Crown

A long awaited class B district cage championship became a reality for the Zeeland cage squad Saturday night as the Chix edged Hudsonville Unity Christian, 38-35 in the finals, on the Civic Center Court. A capacity crowd turned out to witness the windup of the three day tourney.

The championship was Zeeland's first in several years and the initial one for Coach Paul Van Dord who has piloted the Chix for the last three years, including two Kenewa league crowns.

For two quarters Saturday night it looked as if the oft-denied Zeelanders were going to be stopped again. Unity played some of its best ball of the tourney in the first two periods and had raced out to a nine point halftime lead.

Then came the second half which saw the Chix make a great comeback to wipe out the deficit in three minutes and then show the poise to take a hard earned win in the pressure packed final minutes.

Coach Andy Ten Harmsel felt that his club definitely ran out of gas in the final two periods due to the flu aftermath which had laid out four of his starters. Unity had another tough break on Friday when Tom Visser and Harry Byker collapsed in practice, opening deep gashes in both of their heads. Visser played with a face guard while Byker's right eye was heavily taped. Cal Aukerman, the team's leading scorer, who had been laid up with scarletina for a week, didn't start but played periodically and oiled out early in the last quarter.

Although Zeeland's win was a team victory, it was the tremendous rebounding of Wayne Schout which paved the way for the decision. He was ably assisted by Jack Van Dord and Bob Brower. Van Dord was the key man in the second half as he also pumped in 11 points and scored three baskets during the Chix' tying rally.

The first quarter was a nip and tuck affair and well played. Both clubs used contrasting styles with Unity playing a 1-3-1 offense with a lot of driving and Zeeland relying on outcourt shooting. The first period was tied seven times with the losers managing to eke out a 19-18 margin at the horn.

Schout accounted for three Zeeland tips during the period. Unity had its best operating quarter in the second when they used their offense effectively under the generalship of Freshman Ron Schuiteman. In addition to leading his club, Schuiteman hit three from outcourt, jumped out to a 29-21 lead almost immediately, with Zeeland managing to narrow the count only to four points.

Zeeland's had its worst shooting quarter getting but a single field goal. By halftime the Crusaders had a 35-26 budge and seemingly in command.

Zeeland had other ideas as they came roaring back after the half and within three minutes time had knotted the count at 35-35. Van Dord gave the Chix a 37-35 lead before Unity scored on a foul shot after four and a half minutes. Then the sea-saw battle began all over again with Unity finding themselves a little. By the end of the period, the Hudsonville club had again taken the lead, 46-43.

After Unity had moved out to a 44-45 budge at 6:30, the Chix caught fire. With four different players scoring, the fired up Chix scored eight straight points to take a 53-48 lead with 3:47 left. The now aroused Unity outfit regrouped themselves and came back with six straight markers to knot the count with 2:11 left. A foul shot and a timely tip by Van Dord gave the Chix the key points with 54 seconds remaining. Zeeland went into a successful stall which resulted in another two pointer by Brower. Visser scored Unity's last basket with two seconds to go.

In the shooting department, Zeeland hit on 24 out of 64 for 38 per cent while Unity dropped way down in the second half to finish with 24 out of 73 for 33 per cent. Zeeland connected on 10 out of 24 at the foul line while Hudsonville collected seven out of 12.

Saugatuck Nips Holton, 54-52 for D Title

Bob Brackenridge showed again Thursday night why he is one of Saugatuck's all-time basketball players as he led the Indians to their third straight Class D district championship with a come-from-behind 54-52 win over Holton in the Civic Center.

Brackenridge led a Saugatuck rally in the last four minutes as the Indians overcame an eight-point, 51-43 deficit and won the game in the last half minute.

With the Indians ahead, 52-51, Brackenridge stole the ball at half-court and drove in for the basket to put Saugatuck three points ahead with just seconds remaining. Holton didn't get another basket chance but did sink a free shot just before the horn.

In the four minute last quarter drive, Tony Hinson hit two free shots and then Bill Figley followed with a basket. Sub Lou Gotham pulled the Indians within two points, 49-47 and Figley hit a basket to tie the score and then added

a free shot to put the Indians ahead. Brackenridge's deciding basket came shortly after.

Close throughout, the game was tied eight times. Saugatuck jumped to a 16-13 first quarter lead and led 29-28 at halftime. Holton moved in front 43-40 late in the third quarter but the Indians came within a point on Hinson's basket to make it 43-42 at the quarter.

After Saugatuck tied the score 43-43, Holton moved into command and appeared on the way to wrapping up the game. Holton made four straight baskets, two by Mick Noble and one each by Randy Barke and Roger Clark to make the score 51-43. But Holton failed to get another basket in the game. Saugatuck made 10 of 20 free shots and Holton, 8-19 and each team made 22 baskets.

Brackenridge and Hinson paced the winners with 18 points each. Figley followed with 12. Clark and Noble each had 13 for Holton. The Holton club ended the season with

Group Gathers at School To Discuss Migrant Work

A capacity crowd filled the assembly room of Pine Creek School Wednesday evening to talk over the Harvester project carried on last summer by the Migrant Ministry Committee of the Holland Area Council of Church Women.

Invited to attend the meeting were representatives of interested organizations and agencies of the Holland community, and the blue berry-growers of Ottawa County among whose Anglo-Saxon migratory workers the project was carried on.

Following invocation by Dr. Anthony Ludens, the chairman for this year's project, Mrs. Morris De Vries, told of hopes for this summer's ministry. Mrs. Carl Gladstone of Paw Paw, state supervisor for the Michigan Migrant Ministry, made a favorable appraisal of the 1958 project and of the co-operation of the community at large and of the continuing needs and possibilities of meeting them.

Speaking for the growers on whose farms services of the project had been carried on, Paul Brower expressed appreciation for opportunities offered his workers and their children and urged continuance and extension of the ministry, and for more effective schooling regulations for children of migratory workers.

As a result of a talk by Dr. Vernon Boersma who described urgent health needs, especially among the children, a proposal for a children's clinic, headed by the decision stage with possibility of bringing a house trailer out to the area equipped for immunization and health checks. Hope was expressed that such a house trailer could be loaned by someone who is interested in the work.

Educational lacks were graphically described by Miss Elaine Habersma, staff worker for the project last summer. School personnel present agreed to act as a sub-committee to explore the possibility of setting up some sort of summer school in the blueberry area during the picking season either with state aid or financed locally. Dr. Ludens spoke briefly. Also present were members of the local committee for the White House Conference on education.

Among the needs listed for the five to seven week period were the loan of two cars, either two station wagons or a car and pickup truck, seating for outdoor services made of plans with collapsible legs, projectors for film strips, movies and slides, secretarial services, printing services, housing for staff of four and toys.

Mrs. George Pelgrim, president of the Holland Area Council of Church Women, presided at the meeting and announced that persons willing to help in the coming summer's project should notify Mrs. M. De Vries, 382 Howard Ave., telephone EX 2-9300 or Mrs. Schutmaat, 24 East 14th St., treasurer of the Migrant Ministry Committee.

Hope Scorers Lead MIAA

DETROIT — Three big reasons for Hope's third straight Michigan Intercollegiate Athletic Assn. basketball championship were Paul Benes, Warren Vander-Hill and Ray Ritsema. And final MIAA scoring statistics bear it out.

Calvin's Ralph Honderd had more chances from the charity stripe than anyone in the MIAA and he put in 77 of 105 attempts. Honderd was the league's third-top scorer with 231 points, two behind Albion's Bill Losey.

Ferris Saxton of Alma was fifth with 219 points followed by Ritsema, Dick Groch of Olivet with 199, Don Bohannon of Hillsdale and Jim Northrup of Alma tied for eighth with 190 and Calvin's Bill Wolterstorff was 10th with 180.

Tigers Grab Lead Late In 4th Period

GRAND RAPIDS (Special) — Shadows of the 1952 tournament covered the Grand Rapids Christian gym here Thursday night as Holland's basketball team saw an 11-point lead slip away as Muskegon Heights gained a 68-65 decision in the Class A district tournament.

It was in the 1952 semifinals against Highland Park that Holland saw an 11-point lead vanish in two and a half minutes. But Thursday it took slightly more than a quarter but with the same result.

Holland, playing one of its finest games of the season, led for all but two minutes — the final two minutes. That time belonged to the Heights and they made good use of it.

Trailing 46-35 midway in the third quarter the Tigers cut the margin to seven points, 52-45 at the period's end. Then Art Oliver, 6'11" senior who had bothered Holland with 20-plus performances in the two regular season games, took over.

He generalled the play for the Tigers as they ate away at the Holland lead and with the quarter two minutes old had cut the margin to four points, 58-54.

For the next two minutes the Tigers were in command of play and Gene Young sank a long shot and Teeter Babe McPherson added two free shots to tie with 4:14 left.

That's what Oliver and his mates needed. They were tied and then went to work. Ed Loncki popped a jump shot for Holland at 3:50 but Young matched it at 3:28.

Then with two minutes left, Oliver came through with a one-hander and the Heights was ahead, 62-60. What followed was exasperating to the Dutch. Muskegon Heights stalled from 1:33 until 31 seconds remained when the stall was stopped by Jack Hulst's foul. During this time they did a good job of passing the ball around and breaking for shots but didn't yield to the temptation.

Oliver cashed in on the two free throws but Ted Walters sank two charity tosses a few seconds later to put Holland again within two. But the Tigers controlled the ball and again Oliver was fouled and he made two shots.

Loncki cut it to three points, 66-63 with a free shot and then Holland again fouled and Oliver sank two more for the five-point spread. Bob Chambers sank a long shot as the gun sounded.

Oliver made 11 straight free shots in the game, including six in a row in the last 31 seconds. He added eight field goals for 27 points.

Ron Maat twisted his ankle midway in the fourth period and had to leave and this hurt the Dutch. Maat had been doing a good job of driving and picked up six buckets and two free tosses for 14 points. He and Hulst, who poked from outside, led the scoring. Hulst also had 14.

Holland did a fine job of rebounding in the first half and for most of the second half. The Dutch, especially Ted Walters and Ed Loncki, did a good job on the Heights boards but had trouble against John Calloway, 6'6" and Floyd Cook, 6'4" on the Holland boards.

The letter gives the history of work done these past years until there are now 15 active Auxiliaries, a successful coffee shop, many gifts to the hospital by money raised by the groups, reception desk staffed by Gray Ladies and hostesses and sewing done by various groups.

Mrs. Louis Hohmann, chairman of the revisional committee of constitution and by-laws, read the new by-laws of the Hospitality Shop. Discussion followed and will be voted on at the May meeting. Election of officers will also take place at that time. All representatives are urged to attend.

Civic Affairs Group Hears Talk by Mayor

An informal discussion on city affairs developed into a thorough probe of the proposed offstreet parking improvement program which will appear on the April 6 ballot at a meeting of the public affairs group of the Woman's Literary Club Tuesday afternoon.

Mayor Robert Visscher, speaking on "Why Have a City?", said the only real excuse for incorporation on such levels is to provide services for the people. As communities develop, it is necessary to provide street, zoning, police and fire protection, health and sanitation, parks and recreation, as well as proprietary functions as light and water utilities and perhaps a city hospital.

He emphasized that a city will furnish all the services people want provided the people are willing to pay for them, and this statement was the answer for such subjects introduced as city garbage collection and other services.

The mayor introduced two timely issues, the parking problem and the annexation programs for Lakeview and Van Raalte areas, all of them appearing on the April 6 ballot.

The mayor explained that the \$350,000 offstreet parking program would be financed by parking meter funds, but that a vote of the city is necessary on general obligation bonds whereas revenue producing would be much more expensive and would require the city to meter all its lots including those at Civic Center at City Hall. He said there is some opposition to raising buildings on Seventh St. between Central and River Aves. — "The Dutch don't like to tear down buildings," he said.

As for the annexation programs, he explained why school and city officials feel that a joint program of political annexation and school annexation is the soundest program for Holland. He explained possible complications arising out of situations which jump township and county lines, fractional districts and millage limitations. The question period centered almost exclusively on parking problems.

Mrs. Arthur C. Yost, public affairs chairman, introduced the mayor. Mrs. Roy Wymore headed the coffee committee.

Exchange Club Hears E. Knoch

The guest speaker at this week's regular Exchange Club luncheon was Elmer E. Knoch of the Federal Reserve System of Grand Rapids. Mr. Knoch gave a short history of the Federal Reserve and its purposes and showed a film entitled "Your Money's Worth."

The film started out with the premise that the major force in American business is the value of the dollar. It then went on to deal with the forces and conditions that affect that value either for good or ill. Some of these factors were the decisions of people in regard to hoarding or spending, overproduction of goods, borrowing, taxes, inflation and deflation, or repayment of debts.

One man's expense can be another man's income in the flow of goods and services, he said. We have good balance when the income is not greatly in excess of production. More production than demand brings deflation while more demand than production brings inflation.

Hope Wins NCAA Regional Tourney

Dutch Take 81-76 Victory Over Wheaton

GLENN ELLYN, Ill. (Special) — Hope College's finest hour was achieved before a jammed-packed house of 3,200 fans in the new Glenhard gym Saturday night, including more than 1,000 Hope fans, when the Dutch defeated Wheaton College, 81-76 to cop the NCAA regional basketball crown.

It was a victory which was a year in the making. Hope had vowed that they would beat the Crusaders if they received another chance after losing in the regional NCAA finals in Aurora, Ill., last year.

And with the win came the best playing Hope has done this season. They had to for they were up against the identical team which had beaten them last year and had gone on to fourth place in the national tourney. Two years ago in the first year of the same tourney, Wheaton, with four of this year's team in the lineup, captured the national crown.

Hope now has a 20-2 record for its best mark in history. Last season's team finished with a 19-3 record. Wheaton closed with a 23-4 mark.

The shooting in the title game was almost identical. Wheaton had a slight edge with 30 baskets in 76 tries for 39 per cent while Hope made 31 baskets in 82 tries for 38 per cent. Hope hit 17 of 39 in the first half for 43 per cent and Wheaton had 17 of 44 for 39 per cent. At the free throw line, Hope hit on 19 of 31 while Wheaton had 16 of 20.

Play in the first half was tension-filled and this feeling formed the backdrop for the entire game. Paul Benes scored the first basket but Wheaton, with Mel Peterson getting seven points, jumped to a 9-2 lead. Hope battled back and tied the score 20-20 with 9:30 to go.

The score jockeyed back and forth the rest of the half and was tied seven times including a 37-37 situation with a half-minute remaining and Hope in possession.

But Wheaton's Don Anderson stole the ball and went down for the shot but the ever-alert Peterson grabbed the rebound and tipped in a basket at the buzzer to give Wheaton a 39-37 halftime edge.

Peterson's basket was his 10th in the first half. He filtered through the Dutch defense for shots at the free throw line and was also getting shots on rebounds and fired from the side.

Ray Ritsema, who played a tremendous game, made six of 12 shots from the floor in the first half and then added a fast bucket at the start of the second half to tie the score. The two teams were again even for about four minutes when Wheaton spotted a flaw in the Hope offense and quickly jumped nine points out, 61-52 the biggest margin of the game.

Using an effective zone press, Wheaton had four men covering three Hope players in the Hope back court and while Hope couldn't get the ball down to the big men, Wheaton was rushing in, intercepting, and scoring. But Hope quickly revamped its strategy and scored seven quick points to make the score 61-57 at the 10-minute mark.

A Ritsema basket with 6:45 remaining put Hope ahead, 65-64 and they never again trailed. But Wheaton, with Peterson hitting a basket and free shot with 3:43 left, tied the score at 71-71.

But Ritsema followed suit and made a three-point play 10 seconds later. Then after missing two shots, he added two charity tosses after Peterson had made two free shots to make the score 77-73. Peterson fouled out with 2:04 left and Wheaton lost its great scorer. He hit 35 to duplicate his point total against Hope last season and hit 14 of 26 from the floor.

Warren Vander Hill sank a free shot as the Crusaders continued to press with 57 seconds and then tied the contest with another pair of tosses with 28 seconds remaining. Wheaton made two free throws to narrow the mark to three points and Ritsema added his final two free shots as time ran out.

Paul Benes picked up three fouls and was forced to the bench with 5:26 left in the first half but Jun Buursma and Bill Vander Bilt filled in and the giant center returned to play the entire second half. Benes had 12 defensive rebounds. Coach Russ De Vette used his starting five the whole second half.

Ritsema led Hope with 29 and made 11 of 21 shots from the floor. Vriesman, who kept popping from the corner, hit on five of 18 while Benes had five of 15. Beernink, who along with Vander Hill, did a fine job of getting through the Wheaton defense, made four of nine.

Fennville Man Injured in Two-Car Accident

Albert Felker, 30, of route 1, Fennville, was reported Tuesday in fairly good condition at Holland Hospital with a fractured jaw and facial lacerations and bruises received in a two-car accident Sunday at 10:50 a.m. on M-89, just east of US-31.

South Haven State Police said Felker was headed east on M-89 and making a left turn when a car driven by Donald Wark, 25, of route 4, South Haven, attempting to pass Felker, smashed into the Felker car and rolled it over.

Police said Wark was treated by a doctor for facial bruises and an injury to his left elbow. Officers estimated the damage to Wark's 1956 model car at \$1,000 and the damage to Felker's 1950 model car at \$200, and ticketed Wark for reckless driving.

Christian School Tuition Increases Voted Down

About 500 attended a meeting of the Holland Christian School Society Monday night in Christian High School gymnasium, and after a two-hour discussion decided not to increase tuition rates at this time.

The proposal under discussion had included a graduated increase in tuition rates to provide an additional \$38,000 in revenue for next year. The program called for hiring an additional seven or eight teachers to reduce the teacher-pupil ratio and to make some adjustment in the salary schedule.

It was estimated that the cost of hiring new teachers would amount to about \$28,000 and the remainder would go for salary adjustments.

John Veltkamp, president of the school board, said it appears that further study is needed on next year's program and on the financial setup.

Camp Fire Girls Stage Potluck

The A-O-W-I-K-Ya, fifth grade, and the O-K-I-Y-A-P, sixth grade Camp Fire groups of Van Raalte School held a potluck supper in the school gym Tuesday evening with their parents and families. There were about 85 present.

The girls made desserts and salads and helped serve as part of one requirement.

An impressive Council Fire was held with all girls in uniform. Peggy De Witt and Mary Ellen Beekman carried the American and Camp Fire flags. Lighting the candles were Ella Jo Bailey, the light of Health; Judy Barber, the light of Health; and Marsha Tregloan, the light of Love. Extinguishing the candles were Linda Valkeima, Work; Linda Risselada, Health; and Louise Wightman, Love.

After the Council Fire the girls presented a program. Judy Schripsema and Jackie Brown led in singing "Oh Suzanna," accompanied by Janice Voogd, Janice Grebel, Marsha Tregloan and Janice Voogd played piano solos. Lois Ten Have favored with a flute solo. Peggy De Witt and Marcia Mulder sang "Wonderful Words of Life."

An instrumental ensemble composed of Carol Vander Moen, violin; Janice Hill, saxophone; Marsha Tregloan, clarinet; and Barbara Schutt and Lois Ten Have, flutes, played "Come Thou Almighty King" and "Abide With Me." Judy Barber sang "Little David Me" and Mary Ellen Beekman and Play on Your Harp.

The girls displayed their individual gardens which they made in group meetings.

Mrs. Eugene De Witt, fifth grade leader, and Mrs. Ed Schutt and Mrs. Chester Vander Molen, sixth grade leaders, awarded honor beads to the girls.

Mrs. Danhof Named To County GOP Post

GRAND HAVEN (Special) — Mrs. Joan Danhof of Zeeland was named second vice chairman of the Ottawa County Republican executive committee Thursday night.

In effect, Mrs. Danhof will serve as county chairman for the present since Chairman Hank Stafeth of Grand Haven is in Rochester, Minn., awaiting surgery on his back Monday. He expects to be hospitalized there six weeks.

Mrs. Bruce M. Raymond of Holland, vice chairman, will leave Holland Hospital Saturday after being a patient there almost nine weeks following a car accident in which she fractured her hip. She was en route to a Republican committee meeting at the time of the crash early in January.

Two Cars Collide

Cars driven by Rene A. Willis Jr., 39, of 938 Grandview Ct., and Paul F. Taber, 44, of 578 West 28th St., collided Friday at 5:15 p.m. on River Ave. near Pine Ave. Holland police are continuing their investigation.

Ritsema Named Most Valuable In NCAA Regional Tourney

GLENN ELLYN, Ill. (Special) — Ray Ritsema, with his parents looking on, was named the most valuable basketball player in the NCAA regional tournament for his play against Loras and Wheaton College Friday and Saturday night.

The 6' 6" junior was at his best in the two games and did things on offense and defense which he had never done before.

Ritsema was particularly adept at driving in, pivoting in the air and scoring on a reserve layup in the two games. He did this frequently against Wheaton and often made the motion to shoot, faked and then passed off to Paul Benes or another teammate.

His defensive board work was again fine as he picked off several rebounds and started the fast break. Against the zone press, Ritsema played in the back and brought the ball up the floor.

He had the fans buzzing Friday night after he held Jack Frasco,

who scored 21 Saturday, to no points in the Loras-Hope game.

Mel Peterson, the best player to play against the Dutch again this year, joined Ritsema at a forward on the all-tournament team. Peterson, constantly on the move, did a great job of faking.

Paul Benes was named center on the club while Wheaton's Bill Gerig and sophomore Chuck Bowman of Wabash, were named guards.

Wayne Vriesman of Hope and Don Whitehead of Wheaton were selected on the all-tourney second team with Bob Wedgeworth of Wabash, who is minus a finger on one hand, and Darrell Beernink of Hope and Jack Naughton of Loras.

Warren Vander Hill of Hope failed to make either team and probably suffered from Hope's balanced strength. Such as in the case of Wedgeworth and Naughton who stood out as individual players and scorers and possibly monopolized the attention of the selectors.

Muskegon Man Dies Of Accident Injuries

GRAND HAVEN (Special) — Sylvester Burdick, 63, of Muskegon, died Saturday at 6 p.m. in Hackley Hospital in Muskegon of injuries received in a head-on collision Thursday on old US-31 north of Grand Haven.

Also injured in the smashup was Stanley DeNeff, 45, of 1072 Paw Paw Dr., Holland, who received facial lacerations and bruises. Hospital officials said Burdick suffered head injuries, a fracture of the right knee and lacerations.

Grand Haven State Police said Burdick was attempting to make a left turn when he pulled over into the left-hand lane and collided head-on with DeNeff's car.

Carl J. Jones owner and William Holt operator of Jones Speedway south of Allegan, and George Gant owner of an automobile are being sued by Leonard J. Smith of Allegan.

Smith, a spectator at Jones Speedway on Sept. 5, 1958, was struck and run over by Gant's car. Smith charges the car was improperly parked on the side of a steep hill above race spectators. It rolled out of control down the hill and hit Smith causing serious and permanent personal injuries to his neck, back and left ankle.

Agriculture Group Rejects Fund Plea for Ottawa Fair

LANSING — The State Agriculture Commission Thursday denied a plea by the Ottawa County Fair Assn. of Holland for money from the commission-administered county fair premium fund and the race track repair fund.

The commission noted county fairs already are held at Marne and Hudsonville.

Al Looman, president of the Holland Fair Association, conferred by telephone Friday with Department of Agriculture officials in Lansing and was told that an official clarification on the ruling would be received early next week.

Looman expressed surprise at the decision and reported that when he and other members of the Fair group had talked to Edward Zinner in charge of the Michigan county fairs for the Agriculture Department last December they were led to believe they were eligible for the funds and immediately began work on fair plans.

The moves that the Holland group make will depend on the information received in the official notice, Looman indicated. The Fair dates have been set for Aug. 5-8 this year.

Five Persons Are Injured In Smashup

SOUTH HAVEN (Special) — A Fennville mother and her son and three persons from South Haven were injured Sunday at 12:30 a.m. in a two-car collision on US-31 between Ganges and Glenn.

Mrs. Evelyn Stickle, 42, of route 2, Fennville, driver of one of the cars, was taken to Douglas Hospital with a broken right hand, possible internal injuries and back injuries, and later transferred to South Haven Hospital. South Haven Hospital officials said Monday she was discharged after treatment.

Her son, Monte, 15, was reported in fairly good condition Monday at South Haven Hospital, where he was transferred from Douglas Hospital with a possible fracture of the skull.

The driver of the other car, Roy Brannham, 48, was treated at Douglas Hospital for lacerations of the forehead and abrasions and released. His wife, Betty Brannham, 37, was transferred from Douglas Hospital to Benton Harbor Mercy Hospital with a broken jaw and facial lacerations.

Rose Jedlicka, 42, of route 3, South Haven, a passenger in Brannham's car, was treated at Douglas Hospital for lacerations of the forehead and possible concussion and released.

South Haven State Police said Mrs. Stickle was headed north and slowing to make a left turn when her car was struck in the rear by Brannham, who told officers he did not see the other car.

Brannham was charged by State Police with violation of the basic speed law. Officers estimated the damage at \$1,200 each to Brannham's 1956 model car and Mrs. Stickle's 1956 model car.

Fennville Is Still a Village

FENNVILLE (Special) — Fennville Monday cast a tie vote on becoming a fifth class city. Since the issue did not carry, village leaders did not even bother to count the charter vote.

Of 145 votes cast on the fifth class city issue, 72 voted no and 72 voted yes. One spoiled ballot contained a yes vote, but it was thrown out because it was marked with a check instead of a cross.

Village leaders figure a certain period will have to elapse before another vote can be taken.

Elsewhere in the voting, residents voted Theodore Van Dussen as president; Mrs. Thomas Coe, clerk; Mrs. Milo Daleiden, treasurer; William Bushie, James Hartuiker and Chester Keag as trustees, and Arthur Pahl as assessor.

Since Fennville village lies in two townships, part of the voters must go to New Richmond and others to Pearl or Ganges.

The Holland Garden Club has decided not to put on a flower show during Tulip Time this year it was announced at a meeting of the Club Thursday afternoon in the parish hall of Grace Church. Reason for the decision was that no chairman was available to accept the responsibility. As their contribution, the Club will supply flower arrangements throughout Holland in strategic spots during the Festival.

Mrs. Robert Snyder presided at the business meeting. Reports were read from the chairmen of several committees. The annual meeting of District 4 will be held on April 9 at Ferris Institute sponsored by the Big Rapids Garden Club. Registrations are to be made by April 3.

A second landscape course will be offered at Michigan State University May 20-22. It will consist of lectures, tours and exams. Two flower shows in Illinois are set for March 7-15, the State Flower Show and the International Flower Show March 14-22.

A report of the nominating committee was made listing the following officers: Mrs. W. A. Butler, president; Mrs. Louis Hohmann, first vice president; Mrs. Edward Hergolsheimer, second vice president; Mrs. Robert Snyder, treasurer; Mrs. Jerome Counihan, recording secretary and Mrs. William Jesiek, corresponding secretary.

"Better Planting for Permanence," the program for the afternoon was announced by Mrs. C. C. Candee. By means of colored slides a panel of members, Mrs. Carl S. Cook, Mrs. J. J. Brower, Mrs. Stuart Padnos and Miss Gertrude Stekette explained the various native Michigan shrubs and trees and pointed out their value in beautifying the home and the city.

The booklet "Better Planting for Permanence," was compiled by the Holland Garden Club and is a valuable source of information for those who would landscape their homes with a solid foundation. Mrs. Cook in her preliminary talk divided amateurs in several groups — the must haves, the must learns, the must moves and the must serves.

A tea following the meeting honored the new members Mrs. Tunia Baker, Mrs. Jack Glupker, Mrs. Milfred Hale, Mrs. Ben Ter Haar, Mrs. Dudley Henderson, Mrs. Thomas K. Leonard, Mrs. Frances Holmes Linn, Mrs. Dennis O'Meara and Mrs. C. A. Hintz.

Tea chairmen were Mrs. Sidney Tiesenga and Mrs. Joseph Lang. Mrs. Snyder poured.

One pair of horses and their progeny, if all survived, could produce 191 quintillion flies in a season.

Hostesses were Mrs. B. Coster, Mrs. Nelson Ryzenka, Mrs. K. Nienhuis and Mrs. Bert Boersen.
