## GRAND HAVEN PROFES- SOR AT CORNELL UNIV. GIVES UP HIS POST

PROF. LELAND IS A MUCH-TRAV-  
ELED MAN AND HAS SEEN  
CONSIDERABLE OF WORLD

Prof. O. M. Leland of the College of Civil Engineering at Cornell University, has resigned from the faculty of that institution to take a position with the J. G. White Engineering Co. of New York. He will leave Cornell about April 1 and his family will join him in New York City later.

Prof. Leland is a former Grand Haven man. During his boyhood he made his home at the county seat and attended the public schools at that place. He completed his course in high school and also the course of engineering at the University of Michigan in 1900. For the past 17 years he has been connected with the engineering department of Cornell. He also has a notable record in government work and military service.

After joining the faculty at Cornell he was for years in charge of the various portions of the international boundary survey of Canada and Alaska. In 1911 he was appointed by Chief Justice of the U. S. Supreme court to be commissioner in the boundary arbitration between Panama and Costa Rica. During the three years he was engaged in this work he made trips to those Central American countries.

In April, 1917, he entered the engineer officers' training camp at the Madison barracks, having previously been commissioned a captain of engineering in the reserve corps. He was promoted to the rank of major after the first training camp. Later he received the rank of lieutenant-colonel.

He was overseas with the 308d Engineers and saw active service on the Meuse-Argonne front and before St. Mihiel. He was in command of the 314th Engineers, 89th division in the army of occupation in Germany. He brought the regiment back to the U. S. and supervised its discharge at Camp Funston, Kansas, in June, 1919. He received his discharge at Washington, June 19, 1919.

Col. Leland has many friends in many years of his life. Grand Haven, where he spent so

## PUPILS PLANT 1,000 TREES LAST YEAR

NELSON R. STANTON, COUNTY  
SCHOOL COMMISSIONER, A  
FORESTER

Nelson R. Stanton, of Holland, makes his work with the pupils of the county schools go much further than simply lessons.

Great progress has been made in the school system of Ottawa county during Mr. Stanton's administration, everybody knows that. But the Holland man is deviating from the humdrum school room and is taking the teaching them the art of reforesting. In Ottawa county last year the 7th and 8th graders in the district schools planted 1,000 trees along the highways in the vicinity of their respective school districts. At least 95 per cent of these trees are hale and hearty, and are showing great promise of future growth.

Among the kind of trees planted are hard and soft maple, elms and basswood. He expects the number of trees planted this coming year will be doubled at least.

County School Commissioners in every county might emulate the course followed by the Holland man, and our cities might also take a hint from the local commissioner in tree planting.

The Star of Bethlehem, O. E. S. No. 40, will have a regular meeting Friday evening in the lodge rooms in K. of P. Hall. Election of officers will be held. There will also be a nice program and refreshments will be served by ten young members of the order. A good time is assured all and it is desired that a large attendance be present.

## HOLLAND SOON TO HAVE ADDED FIRE PROTECTION

BIG RESERVOIR IS TO BE CLEAN-  
ED AND PUT INTO COM-  
MISSION

It is not generally known that Holland has a big reservoir capable of holding 2,000,000 gallons of water built at a cost of \$14,000. It seems that the premature filling of the reservoir before it was completed caused a crack to appear in one corner of the basin which has since been repaired and the reservoir is now in such shape that after giving it a thorough cleaning it is going to be filled with nice clean surplus water to be used in case of fire.

It may be said that the city has been in luck to a certain extent from the fact that no great conflagration has visited it. This no doubt is largely due to the efficiency of our fire department and our fire apparatus. However sometimes great fires occur that cannot be stemmed very quickly no matter how efficient the men and up-to-date the fire apparatus may be.

It takes water to put out a big fire, and Holland is going to have a lot of it in the very near future.

If a big blaze should grip Holland at the present time all it would have to fall back on is its pumping stations, its wells and standpipe. After these have been exhausted which would not be long Holland would have to resort to the dirty, filthy, slimy river, in reality the mouth of Holland's sewer, and would have to pump into it mains the refuse and pollution found in this mirky stream.

With the 2,000,000 gallons of water in the reservoir, city water station could keep eight streams going a whole day, besides taking advantage of the standpipe and the pumps.

Pumping the brackish water from Black river into our mains and drinking supply would be more disastrous than a big fire itself would be.

It may not be known to many that Holland faces a great expense in the very near future, and that is the disposal of Holland sewage. It is known to the editor of this paper upon very good authority that the state board of health in conjunction with the game department is going to pull this city up with a round turn and is going to compel it to take proper care of the sewage in the city, and this procedure is not very many months off.

The board of health will take such steps to safeguard public health while the game department will also back this action to save the life of the game fish in the river.

Surely it would be unthinkable for Holland to pump such slime into its water mains when it is considered by the state that the river is not a fit habitation for a fish.

## WOODS ARE FULL OF COUNTY CANDIDATES

HOLLAND A CANDIDATE FOR  
REGISTER OF DEEDS OF  
OTTAWA COUNTY

The woods are full of candidates for county office and it is said that the end is not yet, as county politics and candidates are just beginning to bob up and blossom in the political field.

There are at least five sheriff candidates, three of them coming from Holland, namely Lawrence De Witt, Lew Bowman and Cornel Steketee.

Holland has one candidate for prosecuting attorney namely Fred T.

Miles. Grand Haven also has one in the person of Leo Lillie of the law firm of Lillie, Lillie & Lillie.

Holland also has a candidate for Register of Deeds. Gerrit Appledorn, the present treasurer of the city of Holland has thrown his hat into the ring for this office and will oppose Mr. Reisenga, the present incumbent.

Mr. Appledorn has made an exceptionally fine treasurer and has just been re-elected by an overwhelming majority over his opponent James Ver Helst.

Holland city charter provides that a treasurer can only serve four years, when he must retire. This is Mr. Appledorn's fourth consecutive year and if he wishes to receive future favor at the hand of the public, he must find other political fields and positions to conquer. For that reason he is going after the office of register of deeds.

Zeeland may go back to daylight saving plan. A motion to that effect was introduced at the council meeting and the committee is considering such a change.

## WHO STARTS THESE RIDICULOUS POLIT- ICAL STORIES?

WOULD INJURE CITY CLERK'S  
CHARACTER TO MAKE PO-  
LITICAL CAPITAL

We have repeatedly chronicled in the columns of this paper the fact that the primary campaign that Holland had just passed through, had been clean and was free from all mud slinging and impossible election stories.

The start off in the final mayoralty campaign also proved serene in the beginning. However, within the last few days a ridiculous story has gained credence among some of the voters in the shops which involves the character of City Clerk Overweg, who is not running for any office at present and is strictly unbiased in doing his duty by functioning as far as election regulations are concerned.

The story apparently made out of whole cloth by some over zealous Kammeraad works goes as follows: Richard Overweg, City Clerk, is registering unqualified voters who favor E. F. Stephan, and Stephan is sending hundreds of women to the city clerk for the purpose of having them registered illegally so that these women may vote for him as mayor on election day.

This story has especially taken root among the employees of one of the factories, it is claimed and has repeatedly been told on the streets in the downtown district.

This paper has taken the liberty of running down such lying insinuations involving and discrediting the city clerk and in its investigation it finds that the law stipulates that the last day in which to register for the April election is on March 20, but that for some years back a few days of grace has been granted voters provided a good and sufficient reason could be given for not being able to appear for registration on the day set. This fact has been known ever since the law was enacted when city clerks of this and other cities were given the authority to take registrations at any time by the new law.

Many city officials feel however that the intent of the law is not to keep voters away from the polls but to give them ample time to be able to use their prerogative in a democratic community and a free country.

But what makes the story especially ridiculous is the fact that only seven late registrants put in their appearance, "instead of hundreds" as the story goes, and four of these made public statements that they were for Mr. Kammeraad and three made no declaration. Mr. Stephan's share of these seven at least looks mighty slim and while the story purports to convey the charge that Candidate Stephan was sending women to the city clerk by hundreds, that the city clerk may register them illegally, only two appeared and one of these ladies was among the four who declared for Mr. Kammeraad.

The story circulated about Mr. Stephan in this regard is so transparent that it is useless to disprove it and it would be beneath the candidate's dignity even to attempt to deny it.

However, with the city clerk, it is a different matter. The story is a reflection upon Mr. Overweg's character as a city official, and while we are glad to relate that Mr. Kammeraad has had nothing to do with the circulation of it and has denied the uncalculated accusation whenever called upon to do so, some over zealous workers are not helping their candidate's cause in maligning the character of others to further their ends.

Both Mr. Kammeraad and Mr. Stephan are well enough known as being honorable men, and besides the citizens by their vote have repeatedly shown that they have faith in these public servants by having chosen them repeatedly for positions of trust in the city government, that any silly, ridiculous stories should not be tolerated if told against either of them.

As far as Mr. Overweg is concerned, his record as a city official has been so obviously clean that no decent citizen will condone disparaging accusations against him.

There are many other stories going the rounds involving the mayoralty and aldermanic candidates, most of them without foundation, and while this paper has not taken sides in the March primary election nor in this election it will not sit idly by when the characters of good tried and true men, who in many instances have given much of their time to the city free, is questioned, and this goes for either of the mayor candidates or any other worthy candidate whose name may appear upon the ticket.

The January and March Division of the Woman's Literary club are holding a rummage sale at 145 N. River avenue. All articles such as dishes, hats, dresses and shoes can be obtained at a very low price. Don't miss it. It goes to a good cause. The sale has continued now for over a week with great success, and for that reason the ladies have decided to continue it for another week, and especially Saturday a very large assortment of extraordinary fine bargains are to be added to the rummage sale.

## JUVENILE OF 3 RETURNS AFTER 45 YEARS ABSENCE

GOES DIRECTLY TO THE PLACE  
OF HER BIRTH, HAVING VIVID  
RECOLLECTIONS OF OLD  
LAND MARKS

In 1871 Miss Soutier was a little lass of three. She was born on the North Side and was one of the daughters of F. Soutier, a French Canadian and expert leather maker.

Just before the fire the Soutier's came to Holland, and the husband being an expert, was superintendent in the old Metz tannery, now the Cappon-Bertsch Leather Co., of the North Side.

Miss Soutier, who is now Mrs. W. Forbes, came to Holland the other day to lecture and demonstrate with a corn product at the Van Ark Furniture store.

She looked forward to her coming to Holland from the fact that she was born on the North Side, and had not seen this city since the family left seven years later which is nearly 45 years ago.

As soon as she came to the city she remembered the main street, not from the buildings, but only from the fact that one run east and west and that River street led across the lake to the place of her birth. She hastened to the North Side, and altho all was changed, she still could find some old land marks that remained vividly in her mind, while living as a child in what is now a suburb of Holland.

She located the place where her home once had stood, where the old wooden school-house once did duty, and pointed out the site of the homestead of the late Manley D. Howard.

She also remembered a teacher by the name of Bakker, who "whipped more than he taught" as she pictures it today. She also tells of the Lesman road house, and states that it was some tough place, and she remembers she was afraid to go by it, because of the reputation of this notorious resort at that time.

Old residents of Holland will remember this old boarding house as one of the whiskey holes of the city.

She also remembers the Holland fire very distinctly, and said that her recollections are that a stream of people came across the river over the old wooden bridge and asked to be given shelter for the night, and be given something to eat. She stated that her father was a good provider and in those days the home folks did as the squirrels do, providing in the summer and the fall enough to carry them through the winter.

The Soutier's had their winter supply in, but after the Holland destitute were fed for a few days the supply began to grow rather low, but said Mrs. Forbes, "I know father and mother never regretted it, as those were the days when one was quick to help the other, and those that had, shared with those that did not. I remember too, that we did not have beds enough to accommodate all, and that the refugees slept side by side on the floor of our home. Our house was built by my father at spare moments."

Although Mrs. Forbes, nee Soutier does not remember Holland in the least, she says this is one of the most beautiful cities of its size she has ever been in, and she has demonstrated from Maine to California, meeting up with all classes of people, and visiting all manner of towns and cities. She says Holland is wonderfully located and before coming here she had no idea that such a city had sprung up near the place of her birth.

## BOAT CAUGHT IN VICE WITH ONLY SUPPLIES IN DINNER PAILS

Held prisoner by ice floes about seven miles out, since early this morning, the fishing tug, Alice, of Grand Haven, is slowly being forced out into the lake and its crew is without food.

As far as is known the only provisions taken aboard the tug when it left Grand Haven this morning, were contained in the dinner pails of the men. There are seven in the crew. Capt. Peter Fase is commander and owner of the boat.

The fishing tug, Bos, commanded by Capt. Wm. Verduin is also held in the ice, but it is expected that she will make port early tomorrow by following the channel made by a car ferry, due from Milwaukee. It is not known on shore what provisions the Bos carries, but little fear is felt for her safety and the comfort of the crew, as she is in the path of the car ferry.

Altho the Alice is said to be in a condition to resist the ice floes, fear was expressed at the coast guard station that the crew would suffer from lack of food before help could reach the tug.

The ice which was swept out into the lake this morning by the wind and the Grand Trunk car ferries, has been blown back into the harbor and extends far out also, making it impossible for so light a craft as the Alice to push its way into port.

The return of the car ferries tomorrow may open a way through the ice, it is said, but if the Alice continues to drift at the present rate it would still be held by the ice farther out and therefore unable to follow the car ferries into port.

## BUY \$20,000.00 WORTH OF MUSKRATS IN A SINGLE WEEK

Some people still look upon the trapping business in Holland and the surrounding country as the work of boys and men who wish to make a little spending money on the side. But that the business is not by any means a side issue any longer, but a business that commands respect because of the large proportions it has attained is shown by the fact that Fliehman & Kleis, the firm that does most of the trading in furs here, has done a business of nearly \$50,000 volume the past winter, according to a statement made by Jacob Fliehman today.

During last week Fliehman & Kleis bought over \$20,000 worth of muskrats from trappers in this part of the state. The skins came not only from local trappers but from men in Saugatuck, Fennville, New Richmond, Kalamazoo, and from other places in this part of Michigan.

A considerable number of these furs were secured by the trappers during the recent floods when the rats were driven out of the holes and fell easy prey to the men who were on the lookout for them. But the sale of more than \$20,000 worth of furs by trappers in a single week to a single firm is perhaps the largest deal in skins ever made in this city.

Though an old trapper and one who knows perhaps more about the ways of the muskrat than any one else in Holland, Mr. Fliehman has done no trapping himself the past winter. All he has done is buy the skins from the trappers and get them ready for market, selling them again. The work involved in this has been enormous and it has kept the veteran trapper and his associate in business more than occupied.

Dr. William Bancroft, member of the faculty of Vassar College, will deliver an address Monday afternoon at 4 o'clock in Seminary Hall. He will speak on the subject, "The Seal of India." Everybody is cordially invited to attend.

Because of the fact that the Kilties band changed dates and required the services of Cady, Knight & Cady Trio," advertised for a concert by the Central Avenue Orchestra, that organization has substituted for this talent a harpist, Miss Helene Lorch of Grand Rapids, and a Saxophone Trio. The Central Avenue orchestra concert will be given in the high school auditorium on April 1.

## CARTON FACTORY ALMOST SURE THING FOR ZEELAND

The Zeeland Record of this week gives details of a large new industry that will probably locate in Zeeland, brief stories about which have appeared in the state press. Says the Record:

"The president and manager of a large paper box factory which is located in Chicago visited Zeeland last week Friday for the purpose of investigating conditions and site for establishing their plant in this city.

"It is claimed to be the largest plant of its kind in the world, employing automatic machines for the manufacture of paper containers.

"They occupy, at the present time, nearly an acre of floor space and it is their intention to build a new factory in Zeeland that will admit of increasing their capacity for output at least one hundred per cent. At present they employ nearly one hundred people, a large percentage of these being girls and women as well as men and boys, many of whom have expressed their intentions of moving to Zeeland with the factory.

"When the matter was first brot to the attention of the Zeeland men, by one of the company, three men from this city, Peter DeVries, C. C. De Koster and A. Van Koevering, went to Chicago and investigated several matters in connection with this concern, looked over their factory and output, and returned very favorably impressed with the prospects, where upon an invitation was extended company officers to look over conditions in Zeeland. After a thorough investigation of cost of property and building, of transportation facilities and the labor situation they expressed their surprise in very agreeable terms.

"This company has never before made any effort to move to a smaller city, but the labor disturbances during the last few months in the large cities have brot about a desire to move on their part. It is a fact that not only are labor conditions here very favorable, compared with larger cities, but the cost of rent, insurance, transportation and many other items are decidedly in Zeeland's favor."

## HOPE COMMENCEMENT ORATORS ARE SELECTED

Five-class orators have been picked for Hope's 54th commencement to be held next June. Miss Evelyn Zwemer of this city, Chris A. De Jonge of Zeeland and Joe Van de Noordt of the Netherlands were selected by the faculty and Miss Mary Geegh of Sioux Falls, S. D. and Peter Cooper of Passaic, N. J., have been selected by the class. The class numbers about 55 and is the largest in the history of the school.

## TWO BUSINESS REAL ESTATE DEALS ANNOUNCED

Two rather big real estate deals were closed in Holland the past few days whereby business blocks passed from the ownership of persons who had held them for many years to persons who had been occupying them as tenants.

The first deal was that whereby the Henry Kraker Company becomes the owner of the Van Dyke building on the corner of Ninth street and River Avenue. Negotiations for this deal have been in progress for some time, but the papers have now been signed and the deal has been definitely closed, the Kraker company already having taken legal possession.

The consideration in this case was \$11,000, the Kraker company paying this amount to the Mary Van Dyke estate. The Kraker company has occupied the first floor of the building for over a year and will continue to do so. The second and third floors are being occupied by other parties who will continue there. No changes are contemplated at this time.

The other real estate deal in business property was the transfer of the building occupied by the Phernambucq market from Prof. D. B. Yntema to Mr. C. M. Phernambucq. This deal was also closed this week and the formal transfer had been made. The consideration in this case was not made public.

This store has been occupied by the Phernambucq market for fourteen years. In this case also no immediate changes are contemplated.

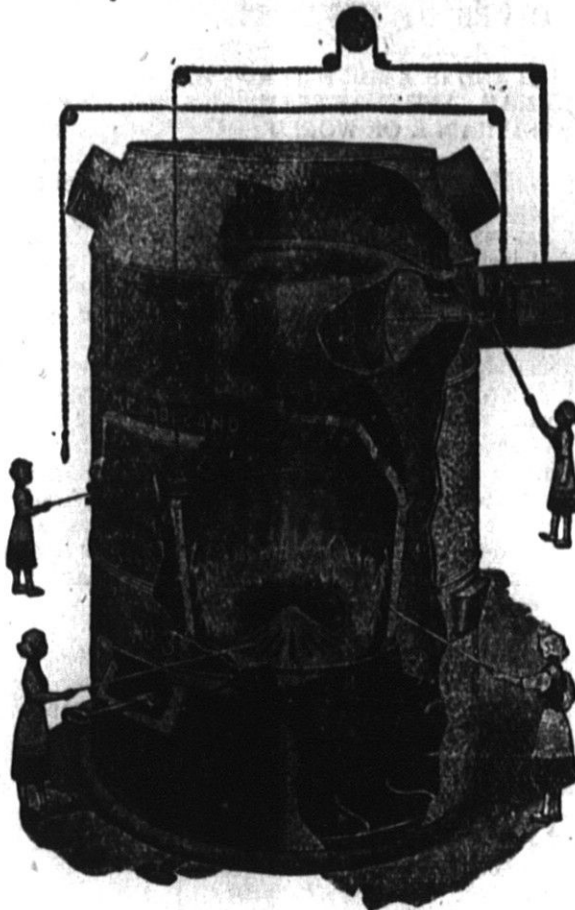

Earlier in the week the sale of the business property on River Av. occupied by the Winstrom Electrical shop and the store next to it to the J. Y. Huizenga Co. was announced.

## SLEEPER ASKS MICHIGAN TO ADOPT THE EASTERN TIME

A proclamation issued by Gov. Sleeper today calls upon all communities to adopt eastern standard time during spring and summer beginning April 6.

"The use of two times within the state of Michigan is the cause of a good deal of inconvenience and confusion and furthermore the adoption of eastern time by the whole state during the spring and summer will give us an extra hour of daylight at the close of the day," the proclamation said.

## DAYLIGHT SAVING NOT YET SETTLED IN HOLLAND

The question of daylight saving has not been fully decided. At a meeting of the business men and manufacturers Friday morning a great many obstacles were pointed out. Some suggested that all start to work an hour earlier and leave the clock as it is; others brought objections to this manner of handling the question because it would conflict with the hours of the children going to school.

Some of the manufacturers present stated that since the postoffice would keep the old time and the office force of the factory would start an hour earlier it would bring the mail into them at ten o'clock instead of nine and at four instead of three o'clock in the afternoon, hour later and a great deal of it nearly closing time and the mails which were already late would be an would have to remain untouched until the next day, which is a very bad business policy to say the least. On the other hand, in the first part of the morning and afternoon there would be nothing doing because the mails had not been delivered early enough.

The manufacturers are in favor of adopting some time whereby the working men could get away an hour earlier in the evening. E. P. Stephan who was on the committee to investigate the plans of Grand Rapids and other cities in the vicinity, stood out very strongly that some plan be adopted. He said that universally the men in his shop and in other shops wanted that hour in the evening and Holland should see to it that it was given to them.

Several farmers in the neighborhood protested, stating that they did not want a change, altho it can hardly be seen where it concerns the farmer in this particular instance, as the change of time is only for Holland, and railroads, interurbans, post offices and public service companies generally will not change.

The farmer claims that starting an hour earlier in the morning finds everything about the farm in damp and wet condition, making working difficult. With an hour later start, the sun will have dried up the heavy dew and water, making work more agreeable.

The business men as a rule will conform themselves to local conditions and will do what will do the most good to the greatest number, falling in with any feasible plan that can be worked out.

It must not be considered that the committees are not doing their best. They simply have a tough nut to crack, and when one plan is formed it conflicts with other plans in a serious way.

The working men want one plan, but the housewife is going to do some serious kicking if her spouse comes home at 11 o'clock for dinner, and the children come home at 12 o'clock for dinner number two.

The churches of the city are not nearly agreed upon what time to start services on Sunday.

The surrounding towns have not yet decided how they are going to work out this new time schedule, and surely in a way we must be guided by what our neighbors do, especially Grand Rapids.

Some present at the meeting wanted to leave the time as it is, and forget it, thus doing away with what seems to be hopeless confusion, but there was strenuous objection to this as most of those present certainly seemed to enjoy those long evenings.

Grand Rapids is to take a vote on the proposition on Monday, April 5. Grand Haven and Muskegon will also have settled the question then. It was therefore practically the unanimous opinion to defer action until after election in order to find out what other cities will do, and then dovetail our plans in Holland accordingly.

No one seems to have an absolute plan for the reason that there are so many conflicting interests, and also because all public service companies by virtue of the federal law, cannot change their time.

One thing is sure. A plan adopted must be followed out universally, otherwise the matter of time will be a dismal failure the coming summer with no end of confusion.

## DEATH CLAIMS MRS. ED WESTING; ILL MANY MONTHS

Mrs. Edward Westing of Grand Haven passed away Wednesday night at her home, 808 Washington street after an illness of several months. Mrs. Westing's health had been far from robust all winter and the end which came was not entirely unexpected.

Mrs. Westing was 46 years of age and was born in the Netherlands. She came to America as a small child, and had lived in Grand Haven 43 years. She had a large number of friends who were deeply grieved to hear of her passing.

Deceased is survived by her husband, Edward Westing and five children, Andrew Johnson, who is now in the U. S. army; Jeanette, Edward, Florence and Ruth, all at home.

All the ice went out of the lake Friday morning, caused by the heavy rains of the last 24 hours and the steady warm southeast wind prevalent for the past six days.

Nicholas Hoffman of the Boston Restaurant was in Grand Rapids Friday finishing up on Ottawa county census.

## PRaises WORK OF FORMER M. E. PASTOR

Former Holland citizen now living elsewhere took part in the Near East Relief drive as well as people still living here. "The Sparkler" official publication of the drive, today had the following about Rev. J. W. Esveld of Fremont, former pastor of the M. E. church in Holland:

"Fremont, Newaygo county, under the fine leadership of the Rev. Mr. J. Wesley Esveld, of the First M. E. church, has gone over the top and Mr. Esveld is to be congratulated for his splendid work, the report on which was accompanied by the following modest letter to State Director James J. Spillane:

"We have our quota, with a little better, which will in a short time be sent in. We have asked Mr. T. I. Fry to act as permanent treasurer. He will send in from time to time the sums he receives.

"Had it not been for the influenza epidemic I am confident that we would have gone to \$3,000.

"Glad for the opportunity to have been able to do a little for the desperate folks over there. If I can do any further service command me."

## Septet Is Born to His Wife; Man Then Paints Town Red

Montezuma, Mexico, April 1—Three girls and four boys were born to the wife of Jesus Pope, a private in the Mexican army.

The new arrivals weigh about two pounds apiece, each perfectly developed in every respect. It is believed here that the blow at raice suicide is unprecedented in any country.

After he became a seven-fold papa Jesus was given the privilege by the military commander to "paint the town red, and go as far as he liked." He is doing so at the present moment and with a vengeance.

The mother and her seven children were reported as doing splendidly.

For the third time in three months and in the same place, the Wolverine Furniture Co. of Zeeland suffered loss from a fire in the shavings bin above the boiler.

## NEW STAFF IS ELECTED FOR COLLEGE PAPER

Thursday night the Hope College students elected a new Anchor staff for the ensuing year. The Anchor is the official publication of the college, and the retiring staff has secured splendid results with the paper during the past year.

The staff Thursday night was decreased in number, eliminating the position of literary editor, one campus editor, and Rapid Fire editor. The business manager will select his own assistants to aid him in the business department.

The following were elected—Editor-in-Chief, Theodore Yntema; associate editor, Peter DeVries; athletic editor, Bert Van Ark; alumni editor, Helene Van Raalte; campus reporter, Freda Heitland; rapid fire editor, Teunis Baker; business manager, Evert Flikkema.

The retiring staff is as follows: editor, James Mulenburg; assistant, Theodore Yntema; literary editor, Helen Bell; reporter, Peter Baker; athletic editor, John H. Meengs; alumni editor, Lucile Heemstra; campus news; Gertrude Pieters, Peter Prins; Rapid Fire, Martin DeWolf, Jesse Hemmes; business manager, Henry Holkeboer; assistant, Henry Mol; circulation manager, Elmer Lubbers assistant, Jane Potts.

An investigation of the profits made by the beet sugar manufacturers in the Colorado district was ordered Thursday by the department of justice at Washington. Michigan beet growers are not in the deal.

The Challenge Machinery Co. and the Keller Pneumatic Tool Co. of Grand Haven, next Monday night at the library auditorium there will show the industrial film, "The Uses and Abuses of Twist Drills."

Mrs Florence W. Voorhees has received the appointment as Hamilton's new postmistress, effective on April 1, 1920.

## RECALLS DAYS OF REAL POLITICAL FIGHTS IN HOLLAND

The same reception that was given Senator Hiram Johnson of California when he spoke in Holland Thursday afternoon will, according to present plans, be given to Senator Miles Poindexter of the state of Washington when he comes to Holland next Monday. The hour of Poindexter's arrival in Holland has not yet been announced, but it is expected that a committee of citizens will be ready to receive him and show him that Holland has a welcome out for presidential candidates.

Should some of the democratic brothers make up their minds to visit Holland, they will also be given the glad hand by local citizens, regardless of political affiliations.

What a marked change has taken place in Holland in the matter of non-partisanship since the days of a generation ago was recalled by a citizen who compared the present movement for welcoming presidential aspirants with the spirit that used to prevail in Holland.

In the days of Cleveland and Blaine, he declared, Holland was divided into two hostile camps several months before the election and several months after it. On one occasion the offices and homes of well known republicans were during the night painted red with skulls and cross bones, the job presumably being done by democrats. And the republicans on their part did other stunts to harass and annoy their enemies the democrats. All were about equally guilty. Democrats and republicans were often real enemies in those days. When a democratic procession went down the street, republicans drew down their window shades; and when there was a republican procession, democrats would often do the same thing.

Those were the days of real political fights, and there was none of the easy tolerance that marks politics in Holland today.

# NOTICE!

## PROPOSITION TO RAISE \$80,000 BY LOAN FOR A TUBERCULOSIS SANATORIUM

NOTICE is hereby given that in accordance with a resolution and order duly adopted by the Board of Supervisors at their January, 1920 Session, of the County of Ottawa, State of Michigan, a proposition will be submitted to the qualified male and female electors of said county at the next ensuing Spring Election, to be held on

# MONDAY, APRIL 5

A. D. 1920

In each of the several Townships, Precincts, Wards or Districts of said County for the purpose of voting upon a proposition to bond said county of Ottawa in the sum of EIGHTY THOUSAND (\$80,000) DOLLARS for the purpose of building a TUBERCULOSIS SANITARIUM in accordance with the following resolution duly adopted by the said Board of Supervisors at the January Session, 1920.

"Shall the County of Ottawa raise by loan the aggregate sum of \$80,000 for the purpose of erecting a Tuberculosis Sanitarium at some convenient place within the county, either on the Grand Rapids-Grand Haven or Grand Rapids-Holland Interurban Railroad Line, to care for indigent persons afflicted with said malady, and providing a place for other persons suffering from said malady, who have sufficient means to pay and so desire to be treated; and shall the bonds of the County of Ottawa be issued therefore, payable as follows: Bonds in the denomination of \$1000, numbered serially, 1 to 80, \$10,000 of which, together with interest on all such bonds remaining unpaid from time to time, payable on April 1, 1921, 1922, 1923, 1924, 1925, 1926, 1927, and 1928; all of said bonds to bear interest at a rate not to exceed 5 per cent, payable annually, on April 1st of each of said years?"

For the Loan ☐ Yes  
Against the Loan ☐ No

Every legally cast ballot found to have a cross marked by an elector in the square pertaining to the word "YES" will be counted for said proposition, and every such ballot so marked pertaining to the word "NO" will be counted against said proposition.

Dated March 1, 1920.

RICHARD OVERWEG, Clerk of said City.

LEONARD WOOD in asking your support makes a FRANK STATEMENT of where he stands on ALL of the vital issues of the day, not merely on one or two. Read over these twenty-four points in his virile, All-American platform and see whether YOU agree with him on the great majority of them.

## WOOD'S PLATFORM

1. National economy at Washington. A budget system.
2. The federal government behind expansion of honest business at home and abroad.
3. Federal suppression of all dishonest business.
4. More friendship and a square deal between capital and labor; capital to pay well, labor to work well; each to be fair toward the other.
5. Removal of the excess-profit tax that is strangling business.
6. More producing, less spending; a saner cost of living.
7. A longer term of years to pay the war debt.
8. America to have a bigger hand in the trade of the world. A powerful merchant marine.
9. More careful sifting of immigrants at Ellis Island and on the other side.
10. Deportation of all the anarchistic Reds.
11. Better housing conditions, to make better family life.
12. Abolishment of child labor.
13. Political equality of women with men.
14. A short term of universal training of youths for national service—

not to make America a country of soldiers, but a country of finer citizens.

15. A higher standard of physical morality in men, for happier American homes and healthier children.

16. Fairer pay for school teachers.

17. A national department of public health, at its head a medical man who shall be a member of the cabinet.

18. A national department of agriculture, administered for the farmers by men who really know farming from the furrow to the crop.

19. Fewer tenant farms, more owned farms.

20. The protection of the American government behind an American wherever he may be.

21. A diplomatic service which shall command confidence at home, demand it abroad.

22. Law and order supreme; security of the rights of property; no class legislation.

23. A League of Nations covenant with reservations which will preserve to America the right to exercise in any crisis which may arise the voice of the American people.

24. For ourselves and toward the world: One Flag, one language, one loyalty.

A Vote for Leonard Wood is a vote for a candidate who does not evade any issue. It is a vote for a man whose backers will continue to support him at the National Convention as long as he remains a candidate. Don't waste your ballot on a complimentary vote for a candidate whose support will be switched to some other candidate now unknown to you—One candidate whose name is not on the ballot in Michigan, and about whom you consequently will have no opportunity to express an opinion is acknowledged by Republican Leaders to be the strongest opponent Leonard Wood will encounter at Chicago.

This advertisement is paid for by the Leonard Wood League of Michigan. Fred'k M. Alger, Pres.; Walter C. Piper, V. Pres.; C. A. Weissert, Sec. & Treas.

Uiterwyk. A delicious two course luncheon was served and the guests departed at a late hour, having spent a very enjoyable evening.

Our attention has been called to the fact that where two or more persons are doing a co-partnership business they are required by law to record the partnership with the county clerk. There is only a very small expense connected with this matter, and blanks can be obtained from the county clerk. There are a good many farmers where the business is done under a firm name. The cases would come under this statute. Any farmers operating under this form are advised to get the blank from the county clerk. The fee is a quarter deposited in this county with Clerk Sluiter.

C. Peppel of Zeeland suffered a stroke of apoplexy at the home of his daughter, Mrs. John De Jonge, on Colonial avenue. Mr. Peppel has many relatives living in Holland.

Mr. and Mrs. Weed of Holland and Mr. and Mrs. Ward Close of Grand Rapids attended the double funeral of Isaac Lamoreaux and Mrs. B. Colf last Monday. The whole community mourns both those highly esteemed residents who have departed.—New Richmond Cor.

Word has been received in Holland announcing the birth of a son to Rev. and Mrs. Herman Hoeksema Sunday forenoon at their home in Grand Rapids. Rev. Hoeksema, who is now pastor of the Eastern Avenue Christian Reformed church of Grand Rapids, was formerly pastor of the 14th Street Christian Reformed church in this city.

Dr. S. M. Zwemer will preach a Good Friday sermon in Trinity Reformed church Friday evening at 7:30. The church had planned to hold a prayer meeting in the basement of the building, but instead of that a regular church service will be conducted by Dr. Zwemer in the church auditorium.

## WHAT SAVING YOUR MONEY MEANS?

**H**AVE a bank account. Thrift means to make your money with energy, to spend money wisely and to save money systematically. Money carelessness means unhappiness by and by. The first thing needed in order to be thrifty is principle. You must make up your mind and stick to it. To make \$10 and spend \$9 means success; to make \$10 and spend \$11 means ruin. Thrift is a general moral tonic. It develops character. It takes self denial and hence creates self mastery. It is a matter of habit. To act from principle is hard until it gets to be a matter of habit; then it is easy. Money invested is the best friend. It is always on hand, stands by, asks no questions and is ready to help you when you want help.

When you have money, invest it. If you put it in a strong box it is dead. It is doing no good and is a temptation to the thief. The best way to help yourself and get good returns is to place your money, where it is safely and intelligently used. Select time tried and substantial concerns in which to invest. Beware of somebody's pet scheme. Beware of promises of exorbitant returns. When you invest your money to trustworthy concerns your money works for you. Why shouldn't it? You had to work first.

The man who has saved up money has written his Declaration of Independence. Benjamin Franklin said "Remember that money is of a prolific, generating nature. Money can beget money and the offspring can beget more and so on." But get your money righteously for "An honest man is the noblest work of God."

Systematic stealing has been going on at the Holland Candy Kitchen during the past week. Mr. Kotros has some very beautiful covers, made of nickel in which the regular menu is inserted much on the order of a small loose leaf book. While the covers are very ornamental, they are of no value to anyone. However one disappeared each day of last week and the proprietor is at his wits ends to put a stop to this pilfering and offers a reward to any one who will give information that will lead to the arrest of this thief.

Sheriff Hogue of Berrien county, Michigan went to Sawyer, Mich., where a body of a man was washed ashore from the lake. The body was wrapped in a fur-lined coat, gray sweater, blue work shirt, woolen underwear and no trousers, socks or shoe. The man weighed between 150 and 160 pounds, middle aged. The body has evidently been in the water three or four months and identification was practically impossible. It is that that the man might have been a sailor.

Prof. J. E. Kuizenga of Hope College gave a very interesting talk on "The Big Things of Life," in the school house last Wednesday evening at Byron Center, for the benefit of the school library; there was a good attendance. Miss Ethelyn Metz, also of Hope College will give an entertainment of readings and recitations soon.—Grandville Star.

The Spring Lake Independent basketball team gave the Zeeland Y a battle Friday night at Spring Lake. When the whistle blew at the finish of the game the score stood 26 to 26. In the overtime Zeeland needed out by a score of 29 to 27. In the preliminary the Spring Lake girls triumphed over Grand Haven high girls seconds 16 to 14.

Holland's municipal store in the city hall was closed Monday because City Store Keeper Peter Brusse and his assistants were busy getting the new stock of goods, just arrived, into shape for the public Tuesday. The good that went on sale Tuesday are worth about three thousand dollars. The public has been impatiently waiting for these goods. They have been on the way from Detroit for the past ten days during which the Community store had very little to sell. But Tuesday morning there was a considerable stock.

The shipment includes army blankets at \$2.50, \$3.50 and \$5.00; lanterns at 65c; hand axes at 75c; steel army coats at \$3.50; pork and beans at 9c a can, with a limit of six cans for each person so that all may get a chance at them; tomatoes at 11c a can; corned beef hash at 22c a can; roast beef at 45c a can; beef tongue at 93 cents a can; and other goods of various kinds.

Including this order, the Community store has disposed of about ten thousand dollars worth of goods since it opened in the city hall a few weeks ago. Community Store-Keeper Peter Brusse declares that he could have sold twice as much as that if he could have had the goods, but the army department could not furnish them quickly enough. That the Community store has proved a success is shown by the fact that people wanted to buy much more than could be furnished them.

A short time ago Mr. Brusse and his assistants disposed of 400 pairs of renovated army shoes in two days and they could have disposed of 400 pairs additional, if they could have got them. In one other day they passed over the counter 2,400 cans of peas.

City Attorney Charles H. McBride returned to his office Monday to resume his law business after having been away from it for many weeks because of a severe attack of pneumonia. He received the congratulations of many friends Monday and Tuesday on his recovery and his return to his usual activities.

During his illness, his work as city attorney has been done by Att. T. N. Robinson who offered his services to the council as a mark of courtesy and good will toward a fellow attorney, but at the next meeting of the council it is expected that Mr. McBride will occupy his usual seat. He is popular with the council and when the arrangement was made for a temporary substitute the aldermen were very insistent that nothing should be done that was not in accord with the wishes of the city attorney.

The last regular meeting of the year of the Century club was held Monday evening at the home of Mr. and Mrs. A. Heuer. The club will hold one more meeting which will be in the shape of a banquet, at which time the annual election of officers will be held.

A paper on "Fun, Fact and Fiction" by Dr. J. E. Kuizenga was the main feature of the program Monday evening. Dr. Kuizenga took the April issue of the American magazine and extracted the "meat" out of the different articles and reproduced it in his paper, thus giving the effect of reading a whole magazine in about a half hour's time. The paper was highly entertaining in addition to being very informing.

Other numbers on the program were: piano solo by Mrs. Robbins; vocal solo by Miss Helene VanRaalte; vocal duet by Mrs. J. E. Telling and Miss Van Raalte; brief talks by Senator Miles Poindexter of Washington, Dr. Bancroft Hill of New York, and Dr. S. M. Zwemer of Cairo, Egypt.

Mrs. Winifred H. Durfee, in the course of the program read three letters from the French war victim that the club has been supporting. Mrs. Durfee read one of them in the original French and the others in translation.

## LEAVES HOLLAND TO TAKE POSITION IN THE WEST

The local School for Christian Instruction will lose its superintendent at the end of the present school term. Prof. B. J. Bennink, who has served the local school for many years and to whom the school owes much of its success, has accepted a call extended him by the School for Christian Instruction of Rock Valley, Iowa, and he will assume his duties there next September.

Mr. Bennink has been serving the school in Holland for seven years. Before that he served the Grandville Avenue School for Christian Instruction in Grand Rapids. In all he has taught for 35 years in church schools in this country.

"In many ways I am extremely sorry to leave Holland," Mr. Bennink declared today. "Holland is a splendid city to live in and to work in especially for an educator, but I feel that there is a wide field of usefulness in Iowa. I regret especially to leave Michigan at this time because of the coming fight for the right of the Schools for Christian Instruction to remain in existence. This question is coming up before the legislature, and if I were here I would be in the front ranks of the fight for religious liberty. The proposed measure is a blow at the constitution of the United States itself and we who believe in Christian Education stand ready to suffer anything for our rights as American citizens. If I were here at the time I would fight and fight hard. This one thing is my keenest regret on leaving."

Mr. Bennink passed a few days in Iowa during the past week and he expressed himself as very favorably impressed with that state and with his particular field of labor.

When Mr. Bennink came to Holland the local School for Christian Instruction had 300 pupils and today it has 600. A high school has also been added during the retiring educator's stay here.

The quarterly meeting of the Young Men's Bible Class of the 1st Reformed church was held Monday evening. It was one of the finest meetings of its kind held in this city. An elaborate spread was served by the Ladies' Class, and there were 150 members of the class present.

Henry Vining acted as toastmaster, and music was furnished by the Van Dyke Orchestra. The following program was given: invocation, Rev. James Wayer; dinner; business and introduction of toastmaster, Pres. A. Kronmeyer; selections by Jolly Four Quartet; oration, Harry Hager, "One Country, One Language, One Flag"; selections by Jolly Four Orchestra; address, "The Trial of Jesus from the Standpoint of a Lawyer" C. Vander Meulen; toastmaster choice, invited guests; hymn, benediction.

Mrs. J. H. Groteler, the oldest resident in Zeeland has passed away. She had reached beyond the age of "three score years and ten," the years of life allotted man, and attained the ripe old age of 84 years, 11 months and 23 days.

Mrs. Groteler was born in Graafschap, Germany. She came to this country in the year 1888, and lived with her husband and children on a farm in Borculo until more than 7 years ago when they came to Zeeland and resided on McKinley street. She has suffered from chronic nephritis for many years and became seriously ill about three weeks ago. A husband and three children survive. The children are Mrs. E. Berghorst of Zeeland; Gerrit Groteler of Fremont; and Roelof Groteler of Grand Rapids. Several grandchildren also survive. Funeral services were held this week from the home and at the 1st Chr. Ref. church, Rev. M. Van Vess, officiating.

The Blendon Unit of the Michigan Farm Bureau met at the Blendon township hall on Wednesday of this week and organized a permanent township unit with a membership of one hundred and thirty-four. The meeting was very largely attended and much enthusiasm was manifested.

The following officers were elected for the ensuing year: Ray LaHuis, president; Herman Brinks, vice-president; Wm. Flipsy, secretary; Wm. Haverdink, treasurer. A board of directors was elected constituted of the following: From school district No. 1, Albert Snoeyink; No. 2, H. H. Avink; No. 3, Hessel Kleistra; No. 4, Fred Behrens; No. 5, R. P. Lamer; No. 6, Ben Veldhouse; No. 7, Gerrit Berghorst.

The following members were elected as delegates to county meetings to be held on March 29 for the purpose of organizing a county unit of the state organization, which meeting will be held at Grand Haven; Ray LaHuis, Ed. Veldman and John Kuizenga.

One of Zeeland's pioneer residents passed away Wednesday when death came to Mrs. J. P. De Pree aged 81 years.

Mrs. J. P. De Pree's maiden name was Berendse Brower. She was born in the province of Gelderland, Netherlands, and came to America with her parents, one brother and six sisters, in the year 1857 and located in Oakland. On April 16, 1865, she was united in marriage with Mr. John P. De Pree. They settled in Zeeland and lived there ever since.

## ASSOCIATION ASKS VOTERS TO APPROVE THE BOND ISSUE

The Ottawa County Tuberculosis Sanatorium Association has made the following statement to the voters of the county:

**What Twenty Cents Will Do**  
Would you have paid twenty cents to save the lives of the Ottawa County soldiers who were killed during the war? Of course you would; and not only twenty cents but twenty times twenty cents, or twenty times twenty dollars, if necessary.

During the period since the Armistice tuberculosis has killed five times as many Ottawa County people as the war has killed Ottawa County soldiers. Is it too much to ask that you contribute twenty cents per thousand dollars property assessment for eight years to help put a stop to this annual slaughter? A person killed by tuberculosis is dead just as well as one killed by a submarine or a hand-grenade. It is up to the citizens of Ottawa County to reduce to a minimum the large death rate resulting from this disease in this county each year. This they can do by passing the bond issue for a County Tuberculosis Sanatorium.

**The Cost of the Proposed Sanatorium**  
The Board of Supervisors has put to the vote of the people the passage of a bond issue for \$80,000 for a tuberculosis sanatorium somewhere in the county, the site to be chosen later. This will mean a tax of \$1.60 per thousand dollars valuation, the cost to be spread over a period of eight years, making the tax but 20 cents per year per thousand dollars valuation. The voters of the county are asked to vote for this bond issue so that by the expenditure of this twenty cents a year they help to save many lives from the attack of this dread disease.

## IS CITY NURSE AS WELL AS THE SCHOOL NURSE

At a meeting of the City Nurse Committee held in the Red Cross office in the city hall Wednesday the fact was brought out that some people in the city look upon the city nurse as exclusively a school nurse. Naturally most of the work of Miss Alma Koertge is in the schools, both the public schools and the School for Christian Instruction, because in this way she can make her efforts count best. But she is a city nurse as well and she does a good deal of work in families with no reference to her school activities.

Little is known by the general public about this feature of the nurse's work, but it is of considerable importance and is of great educational value as well as of value as actual relief. The city nurse is ready to help wherever her services are needed and is not merely an appendage to the schools of the city. This does not mean that the city nurse is an official who shall take upon herself to do the bedside nursing wherever such nursing is needed. Manifestly it would be physically impossible for one nurse to do any such thing, or for ten nurses for that matter. She is not employed by the city to take the place of or do the work of private nurses, but there are many instances when families need advice about nursing problems, or emergency aid, or are so situated in other ways that the city nurse can extend aid. Such cases are being taken care of by the city nurse as they are brought to her attention.

Attention is being called to this fact by the City Nurse committee so that people who might take advantage of this service may not refrain because they are under the impression that the city nurse is exclusively a school nurse. Miss Koertge is a city nurse as they are brought to her city in general while continuing to concentrate her efforts on the schools.

## "POINT OF VIEW" THEME OF ADDRESS

"The Point of View," or "Learning from Each Other" was the theme of an able and entertaining address delivered Tuesday afternoon by Dr. J. E. Kuizenga before the Woman's Literary club. Dr. Kuizenga delivered this particular address by request.

He called attention to the marked difference in point of view of different people, declaring that no two human beings had exactly the same understanding of any given thing. There is also difference between the points of view of men and women, of old people and young, of people of different environment or bringing up. One's point of view, he declared, is also affected by one's past life, the past in some measure shaping the future.

Young and old have radically different viewpoints. Both are needed and each should be true to his own, but each should be willing to learn from the other. And so with all the different kinds of viewpoint. There should be a certain tenacity in keeping one's own coupled with a willingness to learn from others.

Dr. Kuizenga declared woman's viewpoint was of great value in solving social problems and hence their advent in political life was a hopeful sign.

Miss Myrtle Beach gave a vocal solo, accompanied by Mrs. Robbins. Miss Mabel Anthony sang two solos, accompanied by Mrs. Van Verst.

The club was presented with a cut glass punch bowl and twelve cups by Mrs. W. H. Thornton.

Next week's program will be in charge of Mrs. N. Bosch and Mrs. John Vander Broek and will consist of a playlet, a satire on fashions, given by Hope College girls.

## County Tuberculosis Sanatorium

### The Need

1. There are over 300 cases of tuberculosis in Ottawa County.
2. Thirty-five people in the county die of disease every year.
3. Over 100 families are directly and constantly exposed to the contagion in their homes.
4. Every man, woman, and child is indirectly exposed to the contagion, in public meeting places, on the street, etc.
5. Many of the cases of tuberculosis cannot be given the proper care in the home.
6. The present provisions at

Howell are entirely insufficient to meet the need; patients are compelled to wait two and three months before being admitted.

### The Cost

The bond issue calls for a tax of 20 cents per year per thousand dollars assessed valuation, this tax to be levied for a period of eight years. This means \$1.60 per thousand assessed valuation amounting to \$80,000.00 at the end of the eight years.

### The Returns

1. A sanatorium provides the best care and treatment for the tubercular.

2. It teaches the patients to take care of themselves.

3. It saves the lives of 90% of the patients that take the treatment in time.

4. It will reduce the number of deaths from tuberculosis by 50 to 75 per cent.

5. It protects the public from the danger of contagion.

6. A local county Sanatorium brings all these advantages within the reach of every citizen of Ottawa county.

## ZEELAND HIGH TO BID FOR STATE HONORS

Zeeland high school basketball team, picked as a leader in the western district of the state, will make a bid for championship honors in the tournament for schools with enrollment of less than 250 at M. A. C. on Friday and Saturday of this week.

Zeeland high was declared eligible after the special committee from the Michigan Interscholastic Athletic association, in session at East Lansing, selected a list of 19 teams from which 16 will be chosen to compete.

Opposing Zeeland will be Cheboygan, Mancelona, Harbor Springs, Cass City, Greenville, Chesaning, Monroe, Mt. Clemens Newaygo, Reed City, Clarksville, Lake Odessa, St. Joseph and Marshal. In addition Carlevoix, Holly, Birmingham and Hillsdale have been named as possible entries.

## NOTICE TO HOLLAND

### EX-SERVICE MEN

Ex-Service men who took out their first naturalization papers during the war are not eligible to vote unless they have since taken out their final papers. The first papers were issued to aliens to make them eligible for service; the second papers will admit them to citizenship.

To get his second papers a man must send his name, serial number, name of outfit with which he served and date of discharge to the naturalization bureau at Washington. He will then be notified to appear at a local court for his papers.

## ZEELAND BUSINESS MEN ORGANIZE TO BUILD HOMES

At a large banquet, held by the Zeeland business men, for the discussion of civic problems, a committee of five men was appointed to take up the housing program for Zeeland. It is planned to have a company formed for this purpose. Steps were also taken towards forming a new Business Men's association.

## FIND FROZEN BODY OF EN- GINEER OF ILL-FATED BOAT

A grim reminder of the foundering of the Steamer John Owen in Lake Superior last November was found when fishermen on the ice about 3 miles west of Crisp Point picked up a frozen body on whom was a life belt bearing the marking "John Owen". An identification card also had the name of W. Reilly. The body was taken in charge by the keeper of the Coast Guard station at Crisp Point. The John Owen sank in a storm last November with all hands. Reilly was assistant engineer of the Owen.

## SUPERINTENDENT ELECTED TO IMPROVE ANT OFFICE

Superintendent E. E. Fell returned from Ann Arbor Tuesday evening where he attended the annual convention of the Michigan School Superintendents' association, a department of the Michigan State Teachers association. Superintendents from nearly all of the cities of Michigan were in session for two days discussing the common problems that confront the schools of the state. Most of the schools of the state as well as of other states are passing through a period of stress because of the fact that many school men are going into other lines of work where the pay is higher.

## COUNTY POOR FARM DAMAGED BY STORM

G. Van Schelven, chairman of the Ottawa County Commissioners of the Poor, has been to Eastmanville to make a tour of inspection to see what the damage the tornado of last Sunday did to the county poor farm. The hurricane took off a large part of the roof of the main building and deposited it some distance away. In addition to that it took the roof off of the silo of the county farm and demolished it. The total damage to the farm buildings is estimated at between \$2,500 and \$3,000, covered by insurance.

Due to the cool judgment of those in charge of the county farm, there was no panic among the inmates and no one was injured. A barn in the immediate neighborhood of the farm was completely demolished.

## Instruction Ballot

## Proposed Bond Issue for Ottawa County Tuberculosis Sanatorium

NOTICE is hereby given that in accordance with a resolution and order duly adopted by the Board of Supervisors at their January 1920 Session, of the County of Ottawa, State of Michigan, a proposition will be submitted to the qualified male and female electors of said County at the next ensuing Spring Election, to be held on Monday, April 5, A. D. 1920 in each of the several Townships, Precincts, Wards or Districts of said County for the purpose of voting upon a Proposition to Bond said County of Ottawa in the sum of Eighty Thousand (\$80,000.00) Dollars for the purpose of building a Tuberculosis Sanatorium in accordance with the following resolution duly adopted by the said Board of Supervisors at the January session, 1920.

"Shall the County of Ottawa raise by loan the aggregate sum of \$80,000.00 for the purpose of erecting a Tuberculosis Sanatorium at some convenient place within the county, either on the Grand Rapids-Grand Haven or Grand Rapids-Holland Interurban Railroad Line, to care for indigent persons afflicted with said malady, and providing a place for other persons suffering from said malady, who have sufficient means to pay and so desire to be treated; and shall the bonds of the County of Ottawa be issued therefor, payable as follows: Bonds in the denomination of \$1,000, numbered serially, 1 to 80, \$10,000.00 of which, together with the interest on all such bonds remaining unpaid from time to time, payable on April 1, 1921, 1922, 1923, 1924, 1925, 1926, 1927, and 1928; all of said bonds to bear interest at a rate not to exceed 5 per cent, payable annually, on April 1st, of each of said years?"

FOR THE LOAN..... ☐ YES

AGAINST THE LOAN..... ☐ NO

Every legally cast ballot found to have a cross marked by an elector in the square pertaining to the word "YES" will be counted for said proposition, and every such ballot so marked pertaining to the word "NO" will be counted against said proposition.

## WHEN SERVICE DIFFICULTIES ARISE

Occasionally your telephone rings and there is no one on the line when you answer.

This may be due to several causes:

1. An operator (not your operator) may have been in error, or there may have been "trouble" on the line.
2. You may have been slow in answering, and the person calling, having grown tired of waiting, has hung up.
3. The calling person for some reason may have replaced the receiver on the hook without waiting for a response.

In any of these cases your operator by her "Excuse it, please," expresses the Company's regret for the inconvenience.

Think it  
over

The following is taken from a statement over the signature of Richard C. Cabot, M. D., of Boston, Mass., recognized by the medical fraternity as one of the greatest diagnosticians in the world: "Out of some four hundred diseases, seven are curable by drugs, while five may be prevented by inoculation. The limitations of the use of drugs and the limitations of the Doctor himself, ought to be a matter of public knowledge."

With such a frank admission, from a recognized authority in the medical profession, is it any wonder that the public are rapidly taking up some form of drugless method in their quest for health?

The foremost drugless method in the United States today is that of Chiropractic. Not only are there more Chiropractors in business, but the largest non-medical institution in the world is a Chiropractic school. There must be a reason for the strength of this system. *Think it over then. Come over and get well.*

### TEACHERS' TRAIN

### ING CLASS TO BEGIN NEW TERM

The Teachers' Training Class of the Holland Sunday Schools will begin the third term of ten weeks on Monday evening March 29, from 7:30-8:30 o'clock, in the vestry of the Third Reformed church. The class will be conducted by Dr. J. E. Kuizenga. The course for the term is "The Program of Christianity," and promises to be one of the most interesting and vital of the series. The topics for the ten lessons are:

1. The Program of Jesus.
2. Christianity's Program in the first Christian Century.
3. The Program of the Gospels.
4. The Wider Interpretation of Christianity's Program.
5. The present task of the Christian Church.
6. The Program of Evangelization.
7. Christianity's Program of Education.
8. Christianity's Institutional Program for Society and Social Reconstruction.
9. Christianity's Program of Social Amelioration.
10. Christianity's Ideal.

A most cordial invitation is extended to all who wish to join the class at this time. Visitors are welcome at all meetings.

Robert N. Howlett, pioneer lumbering man, died at his home Sunday at Grand Haven, at the age of 80 years. He was president of the Old National bank at Grand Haven. Funeral will be held Tuesday afternoon from the home.

In the Ottawa County circuit court the jury awarded a judgment of \$1350 to the plaintiff in the case of Henry Thurkettle vs. Vern H. eese for alienation of the affections of the plaintiff's wife. The testimony in the case attracted a number of spectators.

### COMMON COUNCIL

(Official)

Holland, Mich., Mar. 17, 1920. The Common Council met in regular session and was called to order by the Mayor. Present—Mayor Bosch, Aids. Blue, Prins, Wm. Vander Brink, DeVries, Kammeraad, Lawrence, Dykstra, Wiersema and Vander List and the clerk.

The minutes of the last meeting were read and approved.

**Petitions and Accounts**  
Charles R. Ash and others petitioned for the construction of a sidewalk on the south side of 19th street between Maple and 1st avenues; also that a crosswalk be constructed on the south side of 19th street at the intersection of Maple avenue.

Referred to the Committee on Sidewalks. The Clerk presented the following petition containing approximately 200 names:

"We the undersigned, petition your Honorable Body to take some official action to reinstate the daylight time system from April 1st to October 1st, same as we had last year."

On motion of Ald. Prins, Resolved, that it be the sense of the Common Council that either the clocks of the city be set back one hour or that the business and labor hours begin one hour earlier under the present time.

Carried.

A. G. Lyzenga and others petitioned for the construction of a sidewalk on the north side of Nineteenth street between College and Columbia avenues.

Referred to the Committee on Sidewalks. Ald. Dobben here appeared and took his seat.

**Reports of Standing Committees**  
The committee on Ways and Means to whom was referred the Budget for the ensuing year for the Board of Education, submitted to the Common Council at a meeting held Feb. 18, 1920, in the sum of \$146,000, reported having met with the Board of Education for such purpose, and that they had made the following recommendations to said Board and also recommended same to the Common Council:

1st. That the Domestic and Manual Training Departments be temporarily eliminated reducing the amount by \$5,325.00.

2nd. That one instructor be employed in the business department giving the students only the preliminary course, a deduction of approximately \$1,775.00.

3rd. That the work of the Clerk to the principal be distributed to others, a deduction of \$500.00.

4th. The cutting out of the extra teachers recommended by the Superintendent, amounting to \$3,500.

5th. That the Superintendent's salary be fixed at \$3,600. These amounts will cut the budget \$12,000. In addition to the Board of Public Works is willing to carry the \$15,000 indebtedness thus reducing the budget \$27,000.

On motion of Ald. Prins, The report of the committee was adopted, all voting aye, with the exception of Ald. De Vries who was excused from voting.

Ald. Dykstra was here excused from further attendance.

The Committee on Ways and Means reported as follows:

"In accordance with provisions of Section 10, Title XXVIII of the City Charter, your committee on ways and means beg leave to present estimates of expenditures which will be required to be made from the several General and Special Funds of the city during the fiscal year, and submit for introduction an Ordinance entitled 'An Ordinance Titled the Annual Appropriation Bill of the City of Holland for the Fiscal Year commencing on the third Monday in March A. D. 1920, the passage of which is recommended by your committee.'"

On motion of Ald. Prins, The report of the committee was adopted, the Ordinance read a first and second time by its title, and

On motion of Ald. Wiersema, The ordinance was referred to the Committee of the Whole and placed on the General Order of the Day.

**General Order of the Day**  
On motion of Ald. Lawrence, The Council went into the Committee of the Whole, on the General Order of the Day with the Mayor as Chairman.

After some time spent therein the committee arose and thru their chairman reported having under consideration an ordinance entitled "An Ordinance Titled the Annual Appropriation Bill of the City of Holland for the fiscal year commencing on the third Monday in March A. D. 1920," asked concurrence therein and recommended its passage.

On motion of Ald. Prins, The report of the committee was adopted, the Ordinance placed on the order of Third Reading of Bills.

**Third Reading of Bills**  
An ordinance entitled "An Ordinance Titled the Annual Appropriation Bill of the City of Holland for the fiscal year commencing on the third Monday in March A. D. 1920," was read a third time, and

'Today is April Fools' Day.

The White Cross has added another barber to its force and is now conducting a three chair shop.

Gerrit D. Muyskens of Hope college has accepted a position as teacher in Science and Coach in Athletics at Sparta, Michigan, for the ensuing year.

Richard Wagner, formerly grocer of New Holland, now in Constantine Michigan, is in the city on a visit.

James Bos who for the past two years has been employed at the Ohio Sugar Co. at Ottawa, Ohio, has resigned his position and has moved back to Holland.

E. P. Stephan packed his grip and today he is serving on the Grand jury in Federal Court in Grand Rapids. Judge Sessions would not excuse him, even if he is running for mayor of Holland.

A combined choral union of the three Christian Ref. churches will render a cantata within the next few weeks, under the leadership of Wm. Brouwer of Holland.—Zeeland Cor.

Zeeland has only one feed store left on account of the farmers of that region buying their goods by carload lots. This helps to cut out the middleman's profits, says the farmer. Fertilizers, grain and feed from wholesalers are purchased at the wholesale price.

Mrs. Jerome Bowman of Holland Route 8, planned a family reunion at her home on March 27, it being the 70th birthday anniversary of her mother. Many beautiful gifts in memory of the occasion were left by the guests. Immediate relatives and friends were present to congratulate the mother of Mrs. Bowman.

Superintendent Fell has made arrangements through instructor, Miss Corwin of the Domestic Science department to have the pupils take six lessons in cooking work at the Van Ark store, where Mrs. Forbes, a domestic science instructor and demonstrator is holding classes giving instruction in cooking and baking. While the lady is advertising a certain corn product, it has been found that her knowledge as an instructor in the culinary art is very complete, and in order to gain some of this knowledge the domestic science department of the high school thought it wise to accept the invitation of Mrs. Forbes and attend her classes and thereby gain a broader knowledge as it pertains to domestic science. The classes are to be held from 8 to 9:30 o'clock.

## THIS IS A NON-PARTISAN ELECTION

Some of the aldermanic candidates are having a merry fight and stories as usual are going the rounds. In one it is stated one candidate accuses the other of having been a life-long democrat and for that reason said candidate does not deserve the support of the republicans. It now also leaks out that the other candidate was a democrat, is a democrat or is going to be a democrat. Voters should give no heed to the allegation for republicans or democrats don't go in this election. It has long ago been decided that we shall have non-partisan elections governing city affairs and it is up to the voter to pick the man who has the best qualifications for the position he stands for. There are good democrats as well as good republicans and both belong to the All-American party.

The Third Reformed church believes in giving its choir a chance to hear the best music, and because of this the church has decided to send the choir in a body to Grand Rapids to attend the concert to be given there on April 7 by Tterazzini, the great coloratura soprano. This concert is to be given in the Armory in Grand Rapids. The choir numbering 23 members will go to Grand Rapids in automobiles to enjoy this musical treat at the expense of the church.

Word has been received in Holland announcing the death in Ypsilanti of Dr. August F. Bruske, former pastor of Hope church and a man who was loved and respected by a large number of people in Holland, both those who belonged to that church and others. During his four years residence in Holland Dr. Bruske made many warm friends.

## FORMER HOLLAND MAN DIES IN CALIFORNIA

R. A. Steketee, formerly of Holland, and a son of Mrs. Andrew Steketee, sr., 66 West 11th St., died in Los Angeles, Calif., of pneumonia, Saturday. About thirty years ago Mr. Steketee was identified with the Steketee dry goods store, now conducted by the brothers, Andrew, Henry and George. Later he went to Shelby, Michigan, where he started a basket factory and about twelve years ago, he sold out at a very substantial figure, and moved to California, where he has been residing ever since.

Mr. Steketee married a Holland girl, Miss Ella Hunt, and is survived by his wife and one daughter, Marie.

## FORD AND OAKLAND SMASH SUNDAY

The Ford of John Rooks of Holland and the Oakland driven by Dr. C. J. Fischer, also of this city, collided between 15th and 16th streets on College avenue Sunday afternoon during the storm.

The doctor's car altho quite severely damaged was still in commission, but the Ford had two wheels taken off, radiator and windshield broken, fenders broken and the top crushed.

The "Lizzie" was taken in tow by the Holleman & De Weerd Auto Co. who are exclusive agents for Mr. Ford in these parts, and they're going to patch up Mrs. Lizzie" as good as new.

The collision came while the severe drenching rain was coming down and it was difficult for anyone to see while driving a car.

## "PUNCHING THE BACK"

"What possible assistance can be given diseased kidney, liver, stomach, or uterus by "punching the back"?"

Pulling the trigger of a gun is remarkably easy, and without a knowledge of the latent force within the line of fire might as well appear incredible. But to those who can reason from cause to effect, the consequences are clearly defined. So it is with the Chiropractic "thrust." It immediately releases the latent force which is an inherent part of all living matter, stirring dormant vibrations to life and action.

Its value in the restoration of conditions wherein normal functions of the various organs may be resumed is testified to by thousands of "chronic" invalids who have regained thru its agency.

## ARE PEOPLE WORTH LESS THAN HOGS ASKS FORMER OTTAWA MAN

A former Ottawa County man, Dr. William De Kleine, now health officer of Flint, came across Monday with a plea to the people of the county to adopt the \$80,000 bond issue for a tuberculosis sanatorium at the April election. Dr. De Kleine probably knows more about tuberculosis needs in Michigan than any other man in the state and he is strongly of the opinion that Ottawa needs a sanatorium most urgently.

"Suppose it were established that Ottawa county was losing \$150,000 a year because of hog diseases," said Dr. De Kleine in the course of a letter on the subject, "would not the people of Ottawa County be willing to spend \$80,000 to try to stem this annual loss? Of course they would. Those who remember the hoof-and-mouth epidemic of a few years ago recall how people clamored and were willing to spend money to stem the plague among cattle. If \$150,000 were lost in Ottawa county each year through preventable death of hogs the people would clamor to have something done and would be willing to go into their pockets to get it done.

"Well, then, if for hogs, why not for humans? Are the lives of hogs of greater value than the lives of men and women and children? The loss of \$150,000 a year from tuberculosis is a very conservative estimate. Any statistician would place the figure higher, but it is not necessary to take the highest possible figure. It is best to be over-conservative in such cases. At least fifty per cent of that loss could be overcome in a comparatively few years if the right methods were employed, and later on the prevention could go still further.

"And a county sanatorium is one of the best weapons that the people of Ottawa can secure to fight this menace to the lives and happiness of its people. Such institutions have done much for other communities in reducing the tuberculosis death rate and it can do the same for Ottawa. I have confidence in the wisdom and progressiveness of the people of the county which I still look upon as home and I certainly expect them to adopt this very necessary measure at the spring election."

## of the city of Holland

### 1919 - 1920

To the Honorable the Mayor and Common Council of the City of Holland:

Gentlemen:—Your Committee on Ways and Means, directed by the rules of the Common Council to audit and settle the accounts of the Treasurer and other Officers of the city, respectfully submit that they have examined and audited said accounts; that they have compared in detail the books and vouchers of the City Treasurer with accounts as kept by the City Clerk and other officers of the city; that they have found such accounts and report correct, leaving a balance of Forty-five Thousand, One Hundred Eighty-three Dollars and Fifty-three Cents (\$45,183.53), for which amount the City Treasurer has submitted certificates of the several local banks, herewith presented.

Respectfully submitted,

PETER PRINS,

# GAS LOAN

Clerk's Office, Holland, Mich., Mar. 19, 1920

To the Electors of the City of Holland:—

You will please take notice that at a meet-

ing of the Common Council of the City of

Holland held on the 3rd day of March, A.

D. 1920, the following preamble and reso-

lutions were duly adopted, viz:—

Whereas it has been determined by the  
Common Council of the City of Holland that  
the constructing of a municipal gas plant  
in the city of Holland for the purpose of  
engaging in the manufacture and sale of gas  
for light, heat, and motive power is a nec-  
essary public improvement and that it is a  
necessary public improvement that the said city  
should engage in the manufacture and sale  
of gas for generating and furnishing light,  
heat and motive power to the inhabitants of  
said city of Holland and territory surround-  
ing the said city of Holland as provided by  
the charter of the said city of Holland and  
permitted by the laws of the State of Michi-  
gan; therefore

RESOLVED: First, that the city of Hol-  
land construct or otherwise acquire a municipal gas plant in the  
city of Holland for the purpose of engaging  
in the manufacture and sale of gas for light,  
heat and motive power, and that the city  
of Holland engage in the manufacture and  
sale of gas for generating and furnishing light,  
heat and motive power to the inhabitants of  
said city of Holland and territory surround-  
ing the said city of Holland as provided by  
the charter of the said city of Holland and  
permitted by the laws of the State of Michi-  
gan; therefore

Second, that it is hereby further proposed  
and determined that the amount of One hun-  
dred Fifty Thousand (\$150,000) Dollars to be  
raised by loan for the construction of  
the said municipal gas plant and for the pur-  
pose of engaging in the manufacture and sale  
of gas for light, heat and motive power, as  
aforesaid, and that for the purpose of said  
loan the bonds of the city of Holland be is-  
sued in the sum of One Hundred Fifty Thou-  
sand (\$150,000) Dollars, in manner as fol-  
lows, to-wit:

Three Hundred (300) bonds in the sum of  
One Hundred (\$100.00) Dollars each, with  
interest coupons attached thereto and to be  
numbered consecutively from No. 1 to No. 300  
both inclusive; One hundred twenty (120)  
bonds in the sum of Five Hundred (\$500.00)  
Dollars each, with interest coupons attached  
thereto and to be numbered consecutively  
from No. 301 to No. 420, both inclu-  
sive; and sixty (60) bonds in the sum of  
One Thousand (\$1,000.00) Dollars, each with  
interest coupons attached thereto and to be  
numbered consecutively from No. 421 to No. 480,  
both inclusive; all of said bonds aforesaid num-  
bered consecutively from No. 1 to No. 480, both  
inclusive to be designated as series "A" Gas  
Bonds, and to be made payable as follows,  
to-wit:
