FOLLOW GRAND RAPIDS ON DAYLIGHT PLAN SAYS THE COUNCIL

ALDERMEN DECIDE ON THIS ACTION AT MEETING WEDNESDAY NIGHT

Holland Will Take Same Steps Taken In Other Cities, Is the Decision

A definite step in the daylight saving matter was taken by the common council Wednesday evening when the aldermen, by a unanimous vote, decided to be guided by Grand Rapids. The motion was made to have Holland do what Grand Rapids does, and this motion was adopted without debate and without a dissenting vote.

The council of course has, accurately speaking, no right to take any such action. That is, it cannot enforce any such action upon the people of Holland. Its vote was only advisory, and what the aldermen did was merely in the nature of a hint to the people of the city as to how they should proceed. But some body of citizens had to take the initiative to give an opportunity for the evident wishes of the people of the city to be translated into action. And the council was the natural body to take this responsibility.

Since Grand Rapids has passed the daylight saving law, Holland has, by virtue of this council action, done the same thing. And since Grand Rapids expects to set the clocks ahead on April 15, Holland will be called upon to do the same thing at that time. If any other steps are taken in Grand Rapids to make the plan more workable, Holland will naturally follow suit.

The action of the council will clear out of the way a good deal of fruitless discussion on the subject. It is admitted that there will be difficulties about the daylight saving, but there would be difficulties, no matter how it was settled. And this seems to be the best way out for the largest number of people.

NEW CHAIR FACTORY FOR HOLLAND

WILL EMPLOY FROM TWENTY-FIVE TO FORTY MEN

The old Lakeside furniture factory that has stood idle for a good many years has been remodeled into a chair factory and machinery has already arrived and is now being put in place.

Henry Tuls, formerly of the West Michigan company, will be superintendent of the plant and Henry Vander Vliet of Chicago will be president of the new concern.

The firm will go under the name of the Holland Chair Co. and the two Henrys are looking forward to a prosperous business. The company will start out with a payroll of 25 men, which will soon be increased to 50, it is said.

Already some large contracts have been secured, and the new firm starts out very auspiciously.

MAYOR-ELECT STEPHAN MAKES A SPEECH TO HIS MEN

"SHOULD BE NO DIFFERENCE BETWEEN THE BLUE OVERALL AND WHITE COLLAR"

The Newly Elected Mayor Resents Silk Stocking Implication

Mayor-elect E. P. Stephan is very grateful for the loyalty shown by his men in the Holland Furniture Co., as he stated in a speech, he felt they were 100 per cent loyal and he is very appreciative for such a showing. In a talk to his men he said the following:

"I want to give expression of my sincere gratitude to my fellow employees in the Holland Furniture Co. for their loyal support and good will extended to me in carrying out the majority campaign to a successful close.

"I cannot tell you boys, how greatly I appreciate your loyal support given me throughout this entire campaign. There is no question in my mind but that it was the greatest factor that led to my election as mayor of this city. In these days when class agitation is very rampant and when certain factors will always try and make a distinction between the white collar and the blue overall, it is certainly very gratifying to know that the boys in this factory resent the implication of 'Silk Stockings' or 'Victory Club' expression, and believe that after all there is no distinction, and that we are all of one blood and of equal importance in this world. Each one of us has a place to fill and twice blessed is he that knows his place and fills that to the best of his ability."

"I sometimes go through the factory and watch with what skill you men use the tools that create our beautiful line of furniture. I often wonder at it, and feel how helpless I would be in the same position. I would not fit in to your vocation in life for the reason that it is not my part of the work to do.

"You are doing this work and are doing it well.

"I on the other hand have other duties assigned to me which possibly I know more about. I could not perform these duties without you, in fact we need one another and because of our co-operation, we succeed each one doing his part the best he can.

"I want to assure you one and all that I shall make an earnest endeavor to discharge the duties of the office of mayor so it will never give you cause to regret the loyal support you have given me. But in order to succeed, I must have your loyal support in the days to come and your help to solve the problems that confront this city. This support I ask of every laboring man, business man and professional man of this city, and I hope that my administration may be a means to bring all these different classes of people in closer co-operation and better understanding, and that we may all work for one common cause and that is the good of Holland."

Hudsonville

The wedding of Miss Johanna Dalman, daughter of Mr. and Mrs. Henry Dalman and Joe Dykstra, son of Mr. and Mrs. L. Dykstra, took place at the home of the bride's parents in North Blendon, near Hudsonville. Only immediate relatives were present. The bridegroom is a world war veteran.

HOLLAND FURNACE COMPANY BUILDS LARGE ADDITION

WILL EMPLOY NEARLY 100 EXTRA MEN IN NEW SMELTER

The Holland Furnace Co. has already begun work on a new smelter, 80 feet wide by 260 feet long, which will be added to their foundry department at the local furnace company.

A large cupola will also be erected and when completed the company will have two.

The Grand Rapids Salvage Co., has been awarded the contract for the structural steel, and the work is already in progress and the new addition will be complete by July 1 when the force at the furnace company will be increased by at least 100 men.

This is the second addition put up by the furnace company within the last year, and Mr. A. H. Landwehr states that the end is not yet and that more development is expected to follow soon.

MOST UNIQUE CLUB YET ORGANIZED IN CITY

CALLED THE "EXCLUSIVES" AND CONSISTS OF FOUR OF A KIND

"It never rains but pours" and that may apply to the epidemic of club organization work now going on in this city. Not so long ago Holland was club poor and those that were with few exceptions were poor clubs financially and otherwise.

But a very exclusive club was organized the other day.

The joke of the whole thing was, the Victory club generally has its dinners Monday noon. At a meeting previous it was decided to hold the next dinner at 5:30 instead of at noon in order that the presidential candidate, Mr. Poindexter might be entertained.

While the members understood this the Ladies Guild of Grace church, who have the catering contract, were not informed of the change made in the meal hour for that day.

Sharp at 12 o'clock the ladies had everything set with the meal piping hot, ready to serve, but no club members were present.

Finally Andrew Klompavens did struggle in with the appetite of a bear, and by the liberal use of his lungs from the third story of the Sentinel building scared up Mayor E. P. Stephan, Otto Kramer and C. A. Bigge and believe us, if brutes must be made good natured through their stomachs and be fed, the ladies did feed those four men.

So pleased were they with their treatment that they forthwith organized another club called the "Exclusives" limited to four charter members.

The list of clubs that Holland now possesses are the Victory, Forward Movement, Exclusives, Rotary, Social Progress, Century and Ladies' Literary, already organized, while the Exchange club, Advertisers club, and business mens' clubs are still in embryo. If we're not careful we're liable to be clubbed to death.

C. De Keyser is moving his real estate office from the Holland City State Bank block to the Waverly building in the rooms formerly occupied by the late G. J. Garrod.

BANNER PRESENTED TO LEGION POST BY VICTORY CLUB

CEREMONIES ARE HELD IN THE CITY HALL FOR THIS PURPOSE WEDNESDAY NIGHT

Presentation Address By Dr. J. E. Kuizenga, and Response By Past Commander Leenhouts

Wednesday evening was banner night for the Willard G. Leenhouts Post, American Legion. At the meeting in the city hall the new banner of the Legion was presented to the local Post. The banner is the gift of the Victory club, to the Post, and the presentation address was made by Dr. J. E. Kuizenga.

The banner is made up of a background of blue silk, with lettering in gold. It is attached to an eighteen foot pole. The wording on the banner is: "Willard G. Leenhouts Post, Number 6, Holland, Michigan, American Legion," followed by the emblem of the American Legion.

Dr. Kuizenga spoke feelingly and fittingly in presenting the banner to the Post on behalf of the Victory club, and the Past Commander of the local Post, Dr. A. Leenhouts, responded on behalf of the Legion, thanking the Victory Club for their generosity in making the present of the banner.

Hon. G. J. Diekema gave the Legion a stirring talk on the subject, "The Legion in Politics," calling upon the members to show an interest in government, while not going "into politics" as a Legion, that is not going into partisan politics, but to get posted on governmental questions, take definite stands and work for what they believed right.

Mayor-Elect E. P. Stephan gave a brief talk in which he told of the coming administration and made a plea for greater community spirit in Holland.

The meeting closed with the serving of refreshments and with a general social time.

Holland Girl is Promoted To Register of Probate

Wilford F. Kieft, register of probate, has resigned his position in Judge James J. Danhof's office to accept a better position with a Cincinnati firm. Mr. Kieft served as register of probate for Judge Danhof previous to entering the service in the late war, and upon his return from France, he resumed his post. Miss Cora Vande Water of Holland, who was acting register of probate during Mr. Kieft's absence in the service has been appointed permanently as register of probate by Judge Danhof.

A UNIQUE POLITICAL STORY

ALDERMAN-ELECT P. DAMSTRA SPRUNG ONE ON HIS OPPONENT

Political elections are too often fought with the circulations of stories 99 out of 100 of them being without foundation, and too often even well educated people "fall for them."

If the stories told about many a good man in politics were absolutely true, the public should immediately take said candidate and hang him.

In the Fifth Ward there was a merry scrap between Peter Damstra and George Weurding. Very friendly indeed was the scrap, and Pete who is quite a philosopher sprung one of those rich political stories on his opponent.

"Now," said Pete, to an eager listener from his ward, "if we were to put up a municipal flour mill, then you don't want me as your candidate, and you should vote for my opponent, George Weurding. I for instance can not tell wheat from oats, or rye from barley, and the only corn that I know anything about is the one on my foot which needs constant attention. On the other hand, George knows all these things and is one of the best millers in the land.

"But if you're going to put up a municipal gas plant, there's where I shine. I'm a steam and gas fitter, I know all about pipes, and may have a few pipe dreams of my own, therefore, if it is a man in that line you want, I am there with the goods" and judging from the vote the people believed him.

Three Men's Societies Elect Officers

The following men's literary societies of Hope College have elected officers for the spring term: Knickerbocker—president, John Dalenburg; vice-president, Arthur Roggen; secretary, George Vander Borgh; treasurer, Maurice Visscher; K. of A., Fred Vos; chorister, John Flikkema; janitor, Jerry De Vries.

Cosmopolitan—president, Wm. Vander Werp; vice president, Elmer Lubber; secretary, Henry Mol; treasurer, Carl Schroeder; K. of A., Evert Gaikema; chorister, Adam Westmaas; yell master, Anthony Meengs; janitor, Herbert Menting.

Fraternal—president, Peter Bakker; vice president, Willard Vander Meer; secretary, Bud De Wolf; treasurer, Dyke Van Putten; K. of A., John Vander Ploeg; janitor, Henry Luidens.

WEST OLIVE

Mrs. Sjoerdema has recovered from a severe illness. George Hoozemant and wife have moved on the farm of Joe Veltreer.

Benj. Vite has remodeled his house. It is a leap year and some old young boys are waiting for you to step up.

Mrs. Carrie De Wit, owner of the best and most beautiful farm in Olive township was pleasantly surprised Easter morning when a row of automobiles entered her yard and her children and families and many other friends came to spend the day with their widowed mother.

Joe Sjoerdema and wife and brother Albert have gone to California, for as they say that is the only place.

HAMILTON NEWS

The marriage of Miss Grace Rutgers of Kalamazoo, formerly of Hamilton and Mr. W. D. Channells of Kalamazoo took place on March 27, in Kalamazoo, Rev. F. M. Taylor officiating. The bride wore a charming gown of brown silk. The attendants were the bride's brother and the groom's sister. After the ceremony an elaborate supper was served. Mrs. Channells has been employed in the home of Sheriff and Mrs. E. L. Eaton of Kalamazoo for more than one and half years. Mr. Channells is highly qualified young man. They will reside in Kalamazoo.

PUBLIC SALES

On Friday, April 9, at ten o'clock in the morning on the farm of Ben Keen, 5 miles south of Graafschap or 1 1/2 miles east of the state interurban road crossing.

Friday, April 9, 1 o'clock p. m. at farm of C. S. Huyser, 2 miles north and 1 1/2 miles east of Borculo.

Wednesday, April 14, 10 o'clock a. m. at farm of John Snoelink at East Saugatuck.

Thursday, April 15, at 10 o'clock in the morning on the farm of Mrs. J. W. Ridenker, at Knol's crossing, Laketown township, or 1/2-mile west of Laketown town hall.

On Saturday, April 10, at 1 o'clock in the afternoon at the home of Mrs. E. O. Smith, 280 River avenue, Holland, a public auction will be held of the following: rug, upholstered rockers, Reed rockers, sewing rockers, dining room table and chairs, pictures, dishes, kitchen table, kitchen cabinet, Davenport, oil stove, oil heater, bed, kitchen utensils, library table, etc. Tremas cash. H. Lugers & Son, Auctioneers.

HOLLAND MAN SUCCEEDS IN SECOND ATTEMPT AT SUICIDE

Benjamin Van Doesburg, a bachelor boarding at the home of John Ter Beek, east of the city, made good at his second attempt at committing suicide. About two weeks ago he swallowed carbolic acid and through the timely assistance of Dr. Winter and Dr. Kools his life was saved. more than three days ago he disappeared from his boarding house and all attempts to find him were futile.

Early Thursday evening his overcoat was found, neatly folded over, lying on the bank of the river, a short distance east of the Pere Marquette railroad bridge nearly Waverly. Mr. John Kleis and John Ter Beek hastened to police headquarters and secured the drag, always on hand in a short time the body of Mr. Van Doesburg was brought to the surface, near the place where his overcoat had been laid upon the beach.

After the first attempt at suicide Van Doesburg seemed dazed and could give no reason why he should have tried to take his own life. Although naturally of a jovial disposition, recently the man had become morose and moody and no doubt his second attempt at suicide was more cautiously planned.

The intent was so apparent that a coroner's inquest was not considered necessary. When the body was pulled up by means of the drag, the unfortunate man was clutching in his hands large bunches of weeds from the bottom of the river, which would indicate that he wished to be sure of his second attempt.

Mr. Van Doesburg has only one relative living, a brother Arie Van Doesburg of this city.

The funeral took place Monday afternoon from the Nibbelink undertaking parlors.

OLD FORD RACER FOUND "999" BEAT MILE A MINUTE

RECORD IN 1904

Ford Racer "999" which in 1903 started the Ford reputation toward success by beating the "Mile a Minute" record in the hands of Barney Oldfield and Henry Ford, himself, was recently discovered and bought by W. L. Hughson, Ford dealer in San Francisco. The car was cleaned up, shined and insured for \$25,000 and sent on an exhibition tour. It was shown at the San Francisco Automobile show and proved to be a great attraction.

This car made its debut in 1904 when Henry Ford drove it to success at a speed of one mile in 39.4-5 seconds on an ice track built on Baltimore Bay. The "Ford Times" of July 1903, referring to "999" says, "It won race after race in every part of the country. Its performance was a real sensation, not only here but abroad, and did as much to make known the name of Ford as any other circumstance."

This same article, after boasting of the 20,000 Ford owners—there are now more than 3,000,000—goes on to tell why racing was discontinued: "In the early days of the industry racing undoubtedly stimulated business and was a benefit as a trade bringer for a new product. Today it is unnecessary to engage in races and stunts to awaken interest—the interest is wide awake and the problem is how best to provide for that interest which a growing demand for cars evidences. There was a time though, when no entry lists was considered complete until the Ford entry was in, and the records of these four or five years ago are replete with triumphs of Ford cars, guided to victory by such experts as Henry Ford, Frank Kulick and by Barney Oldfield."

GRAND HAVEN HAS A \$100,000.00 FIRE SUNDAY

The city of Grand Haven had a \$100,000 fire Sunday afternoon that gutted the principal business block of that city. This block has suffered a serious fire once before. The fire started in the Peerless Novelty Co's store on Washington street. The cause of the blaze has not been determined. The northwest wind that swept over the city caused it to spread rapidly.

The Novelty Co's store and the Enterprise Clothing Co's store are a total loss. Other offices and stores damaged by the flames are: Beaudry & Co., dry goods house; U. S. Coast Guard offices, U. S. weather bureau offices, Masonic Temple clubrooms, Eastern Star clubrooms, Central Clothing Co. store, Vanlopiak midday blouse factory, James Oakes, real estate office, D. Baker office, L. H. Osterhouse, law office.

The offices and stores are a part of the three buildings in the block. All will be rebuilt it is said.

The fire started at 3:30 Sunday afternoon and was soon fanned into a roaring furnace by the gale.

All of Grand Haven's fire fighting equipment was called out and men and boys volunteered by the score.

At 6 o'clock the flames were still beyond control and fearing that they might spread to another block a call was sent to Muskegon to rush equipment from that city. Two Muskegon companies responded and made the 15-mile run through a blinding blizzard and over dangerous roads in 55 minutes.

With the arrival of the Muskegon equipment shortly after 7 o'clock the flames were gradually brot under control. Hundreds of Grand Haven residents filled Washington street. Many turned to and helped fight the flames. When it became known that the U. S. coast guard offices were afire, the coast guard crew of eight headed by Capt. Wm. Walker, was rushed to the scene.

Using the same tackle and other equipment for life saving work, the coast guards fought with the r-s. Roaring flames and crashing tankers were strange to them, but the lashing, sale they knew from experience and their work was a big factor in keeping the flames from eating their way down the block.

During the fight the home of D. Fortney caught fire. The house is in another part of the city and before help could be secured the flames had caused a damage of \$1000.

FIRST WHITE EASTER THAT ANY BODY KNOWS OF

Sunday and Monday the poor little early robins were seen huddling close together chirping mournfully and keeping as much as possible under the shelter of porches and behind the chimneys in order to escape the wintry blast which was not expected in their migration calendar.

The belles of the city put on their oldest togs instead of their Easter outfits which showed very good taste, even if it did not comply with their hearts' desire. A few who did come out in full regalia came back with sorry and bedraggled Easter bonnets.

Holland woke up Sunday morning and found a white Easter a very uncommon spectacle.

As the day advanced a storm came down from the northeast and in the afternoon a veritable January blizzard was mocking the Easter celebrators who were compelled to stay indoors and will be forced to refrain from bedecking themselves in their best bib and tucker until the weather man deals out a better brand of weather.

TWEET-TWEET! FORE! OFF GOES ROBIN'S HEAD; CHIRPS NO MORE

Winsted, Conn., April 5—Eddie Fitzgerald, a local golfer, drove a ball that knocked the head off a robin. The bird was about 100 yards distant from the tee.

The ball just skimmed the fairway, separating the head from the body as clean as with a knife.

Fitzgerald says it is harder to make this shot when the bird is in flight.

TWO PASTORS TAKE CHARGE OF HOLLAND PUBLICATION

Dr. Henry Beets pastor of the Burton Heights Christian Reformed church and Rev. S. Vander Wert of Holland, educational secretary of the Reformed church, have taken charge of De Heidenwereld, a monthly publication, printed in the Holland language.

De Heidenwereld has been in circulation for more than 24 years under the direction of Dr. J. Oggle of Orange City, Ia. Dr. Beets states that the paper will be printed in Holland in the interests of missions of the Reformed and Christian Reformed churches.

Robt. Slowinski, who spent four and a half months in Miami, Fla., returned to Holland Saturday night. His family will return about three weeks from now.

DR. DOSKER SEES A DOUBLE MURDER ON SHIPBOARD

Witnessing a double murder and a double suicide at sea just before entering the port of Yokohama, Japan, was the unusual experience of Professor H. E. Dosker of the Presbyterian seminary of Louisville, Ky. formerly a resident of Holland and an instructor of the Western Theological Seminary. Professor Dosker tells of the incident in a letter to relatives here.

"On the last day of the trip," he writes, "a Japanese woman threw her two babies overboard and then herself, and when the boat found no trace of them, a man, probably her lover, threw himself over. So we had four deaths in one night."

Professor and Mrs. Dosker sailed from San Francisco in February on the steamship Shinyo Maru, to visit their son, who is a missionary in the island. They will return home in November. The voyage took 23 days. The letter was dated March 11.

Labor unrest seems as general in Japan as in the United States, Prof. Dosker writes. "The conductors and motormen on the Tokio street car struck a month ago for an 8-hour day and more pay; yesterday they struck for a six-hour day."

"We in the states talk of high prices! I pity the poor missionaries here. They are actually starving. Coal is 40 Yen (\$20) a ton, and the poorest soft coal; butter is 85c a pound; milk 16c for less than a pint; sugar 55 cents; meat out of sight; soap 40 yet (20c) a cake, etc. It is criminal."

Dr. Dosker spent a month in Holland before sailing and went direct from this city via California to Japan.

SOUNDINGS TO BE MADE OF THE HOLLAND HARBOR

The first steamer of the Graham & Morton Transportation company to resume navigation between Chicago and Michigan and northern Indiana points will begin operations April 15, according to a statement made by the company in a communication to the Holland shippers.

"Appreciating the congested conditions of traffic with all carriers," the company writes, "we propose to start the City of Gr. Rapids as soon as we can get her spring fit-out completed, which will be about April 15."

"A steamer could not successfully operate at this time on account of ice conditions in Lake Michigan along the east shore, which is clearly demonstrated by the impossibility of Chicago and Milwaukee steamers making time trying to run to some of these shore ports."

"We appreciate what you said relative to shoal water having an effect on early spring and late fall trip in and out of Holland, which has been very annoying at certain times in the past. Owing to the ice being blocked in the mouth of the Holland harbor, it has not been possible to make any soundings up to this time, for which reasons we cannot state what the conditions will be on the opening of navigation this year."

FIRST LOCAL BOAT OUT IN A COUPLE WEEKS

Navigation will open in about two weeks, J. S. Morton of the Graham & Morton Co. said Monday. The City of Grand Rapids will, as usual, be the first boat out, making a triangular run between here and Benton Harbor and Chicago.

Ice conditions are daily becoming more favorable and when the Grand Rapids sets sail no trouble is expected.

The local steamboat line is looking for a big year. Fruit prospects are unusually bright and unless late frost kills the bulk of the crop more fruit will be carried from these shores, the coming summer than in several years.

Labor conditions are not the best, said Mr. Morton. There is a scarcity of workmen and the problem of the boat lines is to get sufficient help to handle the freight.

The Grand Rapids is practically ready to sail now. The work of repainting the vessel, however, has been somewhat delayed and she may sail without her usual new spring dress being complete.

Passenger rates will be slightly higher this year, the G. & M. company announced today. The one way fare to Chicago will be \$2 an advance of 25c over last year. Staterooms and berths too, will cost a little more. An "upper" will cost \$1.25 against a dollar last year and the lower will bring \$1.75 against \$1.50 last year.

There will be an increase in freight tariffs, but these have not as yet been received.

Captain Michael Morgan, one of the veteran skippers of the G. & M. line, will be on the Grand Rapids' bridge this year. Byron Beerman will be engineer and H. D. Arnold will be purser. All of the officers are well known locally.

GRAND JURY VOTES 22 TRUE BILLS; NAB 12

Home distilleries, postal frauds, allotment swindles, and at least one case of cheating the Ottawa and Chippewa Indians at Hart caused the federal grand jury to return 22 true bills in federal court at Grand Rapids. The jury convened Thursday and its deliberations, following the listening to testimony in the cases of 24 men culminated in brief time. Two no true bills were returned.

After Judge Sessions had received the report of the grand jury, the members were dismissed.

District Attorney M. H. Walker announced after the report of the jury had been returned that only 12 men had been taken into custody and released on bail. These are Carl Derker, Willard Smith, Steve Hyduk, George Cizmadjiaz and Fred Nurnen of Kalamazoo; Bert K. Hoffman, John Johnson and R. V. Parks of Manistee; H. McDonald and Walter Zuchelkewski of Grand Rapids; Quiris DeVries of Zeeland and Frank Zielsieski of Ionia.

Warrants for the other ten men against whom indictments were returned will be served at once. Until then their names are withheld. No details regarding the cases are permitted to be made public.

ALLEGAN FAIR TO HAVE A NEW BUILDING

A contract has been let by the Allegan County fair officers for the building of a new floral hall which will occupy a space in the grove to the west of the industrial hall which was built last year. The hall will be fifty-six feet in width and 160 feet long, one story high and in a general way follow the style of the industrial hall. The old floral hall will be torn down, and the material in it will be used in the new structure. Edward D. Haines, who constructed the buildings on the fairgrounds last year will erect this one. He has been in charge of the work at the Overton Creamery for the contractor, Mr. Top of Grand Rapids, but has given up the position to look after his own work. Peter McNab of Grand Rapids will succeed Mr. Haines on the Overton job. Work on the floral hall will start next week weather permitting.

Rev. P. P. Cheff Had a Busy Easter Sunday

The pastor of Hope church was kept very busy Sunday. Besides holding two services in his own church in the morning and in the evening, he was also called upon to take charge of the Easter services in the Gibson church in the afternoon.

Running On Three Wheels

It is easier to pull a loaded wagon that has only three wheels than it is to run a business without sufficient income to meet expenses. Each may struggle along for a time but neither can travel fast or far, and the strain is sure to be great.

A business that lacks the revenue to pay for the best materials and workers can not give the best service. When the service suffers all users of the service also suffer.

That is the problem now facing your telephone company. Unless it secures rates that make it possible to purchase necessary material and pay wages that will hold good employees, it can not give you good service.

The future of your telephone service rests on the securing of fair rates. The public must decide.

MICHIGAN STATE

Holland, Mich.

PROGRAM ANNOUNCED FOR BIG CONTEST FRIDAY EVENING

Friday evening at 7:45 in Carnegie Gymnasium hall the most important oratorical contest ever held in Holland will take place when the representatives from seven states will deliver their orations here. This is the first time in the history of the local college that the Interstate Contest is held here. It is certain that it cannot again be held in Holland for at least seven years because Michigan will not have the honor again for that period of time. And even when the contest comes to Michigan again it is not at all sure that it will come to Holland. It will do so only if Hope College happens to win the state contest that year.

All the arrangements have been made for Friday night's contest. The program will open with a grand march from "Aida" by the Hope College orchestra. The first three speakers will be as follows: "The Crisis," by Don H. McNeal of Knox College, representing the state of Illinois; "One Nation, One Language, One Flag," by Harry Hager of Hope College, representing Michigan; "An Educated Citizenry," by Lyle L. Benedict, Beloit College, Wisconsin.

Miss Helene Van Raalte and Teunis Prins will sing a duet, "Sing, Sing, Birds on the Wing" and this number will be followed by two more orations: "From Isolation to Leadership" by John Wingate of Carleton College, Minn., and "The American Ideal," by Gerald Melone of Muskingum College, Ohio.

Prof. Bruno Meinecke will play a violin solo, "Concert de Mazurka" by Musin, to be followed by two more orations, "The Path to Peace," by Normal Littlell, of Wabash College, Indiana, and "Shantung" by Clifford E. Smith of the University of Kentucky.

The program will close with selections by the Hope College Orchestra, and finally by the decisions of the judges.

There will be no reserve seats. Tickets are on sale at Boter's store.

THURSDAY IS CONFERENCE DAY IN OTTAWA COUNTY

Grand Haven is making preparation this week to entertain the delegates from Holland and other Ottawa County communities to the first big Interchurch Conference to be held in this county. Similar conferences are being held in every county of the state, Tuesday, Wednesday, Thursday and Friday of this week. The day for this county is Thursday.

The program will include a comprehensive statement of the Interchurch World Movement, presentation of the evangelistic program, and of the foreign and home surveys. There will be special denominational rallies and at the supper hour a meeting for the young people. As in the other county conferences, practically the whole program will be put on by a team of speakers consisting of five men and one woman speaker. The leader of the team is Mr. W. H. Thompson of Lansing, who, it will be remembered met here with the ministers of Holland and Zeeland some three weeks ago.

Rev. and Mrs. James Wayer and Rev. C. P. Dame left Monday morning to be gone for the next four days having been appointed as members of speakers' teams, similar to that which will come to Grand Haven. Mrs. S. M. Zwemer and Rev. A. Pieters both of Holland are also on the speakers' teams for this week.

From reports received, many from this vicinity are planning to drive through by auto to take in the whole day's conference; others who cannot get away during the day will take the late afternoon train arriving there in time for the evening session. Conference starts at 9:30 a. m. standard time, which will be 10:30 a. m. Grand Haven time.

NEW Y. W. C. A. OFFICERS ELECTED AT HOPE COLLEGE

At the Y. W. C. A. election at Hope college, the following officers for 1920 were elected: president, Jeddiah Ossewaarde; vice president, Frances Thoms; secretary, Freda Heitland; treasurer, Olive Boland.

The Y. W. C. A. is the largest and most progressive organization for the girls of Hope College. Some of the many things that the Y. W. does is to pack boxes of clothing and toys for the Indian and Kentucky Mission schools; to aid in relieving the poor in the city, to teach country Sunday schools and to provide music and cheer at the city hospital on Sunday afternoons.

Plans are now being made for the college girls and the city girls of Holland to become better acquainted and to work together to organize a city Y. W. C. A. which is sorely needed in Holland.

PIONEER WOOL BUYER, OF ALLEGAN, 81, DIES

Benjamin S. Sutspin, one of the pioneers of Allegan, died Monday at the age of 81 years. Mr. Sutspin was in business at Allegan for many years as a produce and wool buyer. He was a member of Allegan lodge No. 111 F. & A. M., holding a life membership certificate. Burial was on Tuesday, the Masons having charge.

ZEELAND FACTORY BUILDS ADDITIONS

The Colonial Manufacturing Co. of Zeeland is completing the third large addition to its plant made in the last five years. The factory is two stories of modern construction, and is now one of the largest factories of the kind in the country. It specializes in "grandfather clocks," made in 100 or more period designs, and high grade library furniture.

The clock works and chimes were formerly imported from Germany. When the war closed this source of supply a very efficient and satisfactory domestic supply of clock works was developed. The company made and tuned its own chimes. The company was founded by Herman Miller, a "graduate" of one of the Grand apids factories, and he still is at the head of the enterprise.

HOLLAND FAVORS WOOD FOR PRESIDENT

The City of Holland showed itself in favor of General Leonard Wood in the presidential primaries Monday, with Hiram Johnson as the second choice. The democrats of Holland were for Herbert Hoover in spite of the fact that Hoover has withdrawn from the democratic race. Wood had a lead over Johnson in Holland of 99, and Hoover had a lead over Bryan of three.

The totals for the republican nominees in the city were as follows: Wood, 749; Johnson, 650; Hoover, 364; Loudon, 108; Pershing, 106; Poindexter, 17; and Simpson, 10.

The democratic vote on presidential preference was as follows: Hoover, 102; Bryan, 99; Edwards, 23; McAdoo, 56; Palmer, 44.

The Socialists of Holland rolled up 26 votes for Eugene V. Debs as their choice for president.

The city of Holland gave the following majorities for national committeemen: Warner 706; Wood 535; Joslyn, 126; Marks 107; Smith 195.

The democrats chose Connelly of Detroit as their national committee man, Connelly having no opposition.

FRUIT TREES NOT INJURED IS THE BELIEF

Men in close touch with the fruit growing industry of this section Monday were confident that the storm of Sunday failed to damage the orchards of the county and are of the belief that little damage to the coming crop has been done.

According to growers, trees and plants are backward in budding this season and this fact has undoubtedly saved many thousands of dollars. Had the orchards been covered with buds disastrous results probably would have occurred.

Despite the ferocity of the storm, the temperature was not extremely low and the heavy fall of snow served to hold the spring warmth in the ground.

FREE PRESS TELLS ABOUT THE HOLLAND-PONTIAC GAME

In a close and exciting battle Pontiac nosed out Holland 15 to 14, thus eliminating last year's state champions from the running. Watchpocket played a nice game for the victors. Irving starred for the Hollanders. The weakness displayed by both teams in foul shooting kept the score down. Summary:

PONTIAC
McCallum.....L. F..... Beeuwkes
Boardman.....R. F..... Knutson
Baer.....C..... Steggerda
Watchpocket.....L. G..... Irving
Bird.....R. G..... Boyd
Final score—Pontiac, 15, Holland, 14. First half—Holland 7; Pontiac, 7. Goals from field—Pontiac—Baer, Watchpocket 5; Holland—Knutson, Irving 5. Free Throws—Holland—Irving 1 in 4; Steggerda 1 in 3; Watchpocket 1 in 7; Baer 0 in 2. Substitutions—Holland: Manley for Knutson; Vandenberg for Beeuwkes. Referee—Olds. Umpire—Stephenson.—Detroit Free Press.

ARRESTED CHARGED WITH OBTAINING MONEY FALSELY

Henry D. Dasselaar was arrested in Grand Rapids by Officer Bontekoe on Saturday on the charge of obtaining money under false pretenses.

John Fik charges Dasselaar of going to his home and obtaining from his wife the amount of \$7 stating that her husband had sent Dasselaar for the money which Mrs. Fik paid over to him.

Mr. Fik denies the story stating that it was trumped up, and said that he never sent the man for the money in question, and while he did talk to the man, money was not the subject.

Dasselaar was arraigned before Justice Van Schelven Saturday and demanded a trial, which will be held on Thursday at the city hall. In the meantime he was placed under \$200 bail furnished by his uncle, K. Bakker.

ZEELAND ELIMINATES CLARKSVILLE IN BASKET BALL TOURNEY

East Lansing, April 5—Zeeland high school eliminated Clarksville by score of 31 to 9 in the first round of the class B Michigan Interscholastic basketball tournament held here Saturday afternoon. The victory came easy so that substitutions were made in the last half to let several of the Zeeland stars rest for the later games.

WAS BURIED UNDER FROZEN ENSILAGE

Elmer Teusink, aged 17, was saved from almost certain death Saturday through prompt aid extended by his father Henry Teusink of Laketown township, when the boy figured in a most peculiar accident. Young Teusink was digging out ensilage from the silo when a bank of frozen ensilage six feet high toppled over and fell on him, burying him completely.

The boy was just able to dig away enough ensilage from in front of his face so that he could continue to breathe. Because he did not reappear from the silo, his father went to investigate and the boy's muffled cries revealed to the father the nature of the accident. The father frantically began digging and finally set the boy free, after he had been buried for about twenty minutes. When Dr. Winter arrived on the scene it was found that the boy's right leg had been broken above the knee and he had received many other bruises.

LOCALS

Miss Christine De Vries spent the week end in Grand Rapids.

For Saturday the Strand offers Bert Lytell in "Easy to Make Money" and a good comedy. Come early.

After being held prisoner in the Lake Michigan ice two miles off the Grand Haven shore for a period of 21 hours the fishing tug, Alice of Grand Haven reach harbor Thursday. The tug freed itself and steamed home through the broken ice.

The case of the People vs. S. D. Alverson was dismissed by Justice W. Brusse in the local court because of the fact that Prosecuting Attorney F. T. Miles was satisfied that there was not enough evidence to hold the case for trial. Alverson was charged with stealing a mustang from the trap of Dick Van Oort. Diekema, Kollen & TenCate appeared for Alverson.

Cards have been received by the friends of Miss Eva Pruim formerly of Zeeland announcing her marriage on April sixth, to Mr. Frank West of Port Huron. The marriage ceremony took place at the Presbytery the ceremony a wedding supper was served the guests at the home of Mr. and Mrs. Bert Pruim, also at Lansing.

The particular synod of Chicago of the Reformed church has been divided into two parts, the churches west of the Mississippi constituting the synod of Iowa now and the churches east of the river remaining the synod of Chicago. The meeting of the synod of Chicago will be held next month in Fulton, Ill. Hope College, Western Theological Seminary, and the Wisconsin Memorial Academy remain in the Chicago synod.

Frank Daily Thursday speared a 12-pound pickerel in Pine creek.

Sen. Kenyon of Iowa spoke at the Regent theater at Allegan Friday afternoon in the interest of Sen. Hiram W. Johnson for president.

Work has been started on the remodeling of the old Milling o. building, now in the hands of the new Zeeland Canning factory.

Mrs. Anna Van Zanten and daughter Irene left Saturday for Brooklyn, N. Y. to spend Easter Sunday with Rev. J. W. VanZanten.

Mr. and Mrs. K. Folkersma, the oldest couple in Zeeland, both 84 years old, will celebrate their golden wedding anniversary.

Miss Jeannette Prakken went to Ann Arbor Friday to visit over Sunday with her sister Kathryn Prakken, who is a student at the university.

John Pieper has sold his house in Holland and will move to Zeeland. He is having the house on Church street vacated by Roy Somers' family, remodeled.

Thos. McClintic of Claybanks was in the city Wednesday to see his brother, James Mc Clintic, who recently underwent a serious operation at Holland Hospital.

The Beaverdam Christian Reformed church has called Rev. Rotier of North Blendon to be its pastor. The two churches are only a few miles apart.

Zeeland may go back to daylight saving plan. A motion to that effect was introduced at the council meeting and the committee is considering such a change.

D. D. Ellerbrook of Pella, Ia., has purchased the beautiful Rottschaefer home on East 16th street. He will move his family here in August and he will enter the Western Theological Seminary in September. The deal was made through the Weersing agency.

Senator W. M. Connelly of Ottawa county has received copies of the Michigan Manual for 1919 for distribution within his district. Senator Connelly states that he has a number of the books on hand which he will be glad to furnish to those who desire them.

During fair week a hose and nozzle were taken from the Getz building. They belonged to J. Nichols whose home is on the fairgrounds. It is supposed that it was taken along by mistake. Whoever has it can return it either to Mr. Nichols or to John Arendshorst, secretary of the fair.

Mr. C. M. McLean, manager of the Holland-St. Louis Sugar Co. is ill at Henroin Hospital, Chicago. He was enroute with Mrs. Mc Lean, coming from a two months visit in California when he suffered a nervous breakdown. His physician directed that he remain at the hospital for a month at least.

E. P. Stephan has returned from Grand Rapids where he had been selected to serve on the grand jury. There were only a few federal cases to take care of and the jury finished its work late Friday night in order that they might be dismissed by Saturday.

The Zeeland Canning Co. recently organized has increased its capital from \$25,000 to \$50,000.

A. E. Souter of Shelby has returned to Grand Rapids, after visiting relatives here. Mr. Souter was formerly a member of the state pardon board and father of Attorney H. Dale Souter of Grand Rapids. He will sail for Europe in May to visit in France and Belgium; also England, the land of his birth.

Miss Marjorie Kaslander of this city left for California for an extended visit.

Derk Marlink sold his farm of 190 acres in Hudsonville to Gerrit Schut for \$21,000.

Miss Helen Henderson of Holland is the guest of Mr. and Mrs. William Jacobs of New Richmond.

Mrs. Frances Browning has just returned from California, where she has been visiting the past winter.

The Heath block at Saugatuck is receiving a new tar and gravel roof. The work is being done by the Holland Roofing Co.

Mrs. N. Bosch has returned from Kansas City, Mo., where she spent a week with her son, Dr. Leon C. Bosch.

Miss Florence Moore, of Hope college was a guest for a week at the home of Miss Mardge VanderBroek at Grand Rapids during spring vacation.

The Citizens Telephone company of Zeeland is stringing a new system of cable in connection with the new switchboard. Along the main street the cable will be laid underground.

In accordance with the request of the state commissioner of schools the pupils of the Zeeland high school will be required to give an oration every month before the school auditorium. Heretofore the orations have been given in smaller classes. This work is used as an aid to the learning of public speaking.

Cornelius C. Steketee jr., has severed his connection with the Klaassen Printing Co. and has taken a position as salesman with the Van Ark Furniture Co. Mr. Steketee has been in the printing business for a number of years, but he also understands the furniture line and he will make that his work from now on.

Harry A. Boersma and Daniel De Graaf, Hope College students spent the week-end at the Hotel Pantlind in Grand Rapids.

The croix de guerre, corresponding to the military cross of Britain and the iron cross of Germany, will be noticeable henceforth on the breasts of Frenchmen, civilian as well as military, who have been distinguished by being mentioned in the dispatches. It is made of Florentine bronze, about an inch and a half in diameter, with crossed swords between the arms.

George Slickers leaves Wednesday night as a delegate to the State convention of the Metropolitan Life Insurance Co., to be held at Detroit. He will be gone until Saturday night.

The Twelfth St. Florists remembered all of the patients at the hospital with an Easter plant Saturday.

The stork does not stop its business for moving in Zeeland. The same day that John Kraak was moving his household effects to a new residence in that city, the stork came and brot the family a baby boy.

Dr. M. J. Cook left for Chicago Monday morning to take a postgraduate course there for one week. Dr. Cook expects to be back in his office next Saturday morning.

John Westveld has sold his farm northwest of the village to a Grand Rapids man. Mr. and Mrs. Westveld have many warm friends here who dislike to see them leave. They expect to locate in Holland.—Fennville Herald.

The Social Progress Club will meet Tuesday evening at the home of Mr. and Mrs. Arnold Mulder. The paper of the evening will be read by Dr. R. M. Waltz, on the subject "Influence of Sea Power on History."

Born to Mr. and Mrs. Henry Vander Schel, 276 West 12th street, a daughter, Rose Lucile. Mrs. Vander Schel was formerly Miss Grace Harmesen.

Mrs. S. K. Daneff and daughter, Virginia, have left for Erie Pa. Mr. Daneff has accepted a responsible position as manager and cashier of a large tailoring concern in that city.

The program of the Womans Literary Club on Tuesday' afternoon will be in charge of Mrs. N. Bosch and Mrs. John Vanden Broek. It will be as follows: vocal solo, Helene Van Raalte; Fashion Review, Grace Mersen; Tableau of the History of Costume; Style—"ish" Music by the Ukulele Trio; A one act sketch, "The Vanity of Our Fair Ones;" paper, "Forecast of Our Coming Styles;" The 1920 Model Show.

Perry Martin of Holland lost his mother, Mrs. Caroline Martin, of Allegan, who died at the age of 73. No wonder Holland high didn't win from Pontiac, losing their chance for further state honors, when men named "Bird," "Bear" and "Watch-pocket," were in the lineup.

Columbus discovered America and he died. Balboa discovered the Pacific and he died. DeSotto discovered the Mississippi and he died. "Now," asks Frank Cleary, "what is going to happen to the man who is going in a rocket to discover Mars?"—Grand Rapids News. The Martians, we imagine will discovered a dead discoverer.

Measles seem to be the popular thing among children of Grand Haven just now. New signs are being put up every day by the city police officers and the disease seems to be spreading. The majority of the cases are said to be light.

The only man who really can save money on meat is the butcher. Chas. Kimber of Hamilton paid \$5 fine and \$6.50 costs in Justice Brady's court at Allegan for fishing with an elevenfoot dip net when the law makes the minimum size 9 feet.

Judge Cross adjourned the sessions of the Ottawa county circuit court for a week. The court will reconvene April 15, with a number of civil cases to be disposed of.

Cards are out announcing the marriage of Miss Frances G. Heller, of Chicago to Mr. Cornelius VanLeeuwen, Fillmore township. The couple were married March 31 in Chicago.

H. Lodenstein of Holland will make his future home with his daughter Mrs. Jacob Edding of Hamilton.

Apparently Holland tradesmen get some business from Allegan county according to the correspondents. Here is one from Pearl: "C. Jorgensen made a trip to Holland to get an estimate on the cost of having his house moved," and then one from New Richmond: "Paperhangers from Holland are decorating Mrs. Spencer's home."

Miss Ida Mizener left Wednesday for Detroit, where she will be united in marriage to Mr. Lane Van Putten, and she will be at home to her friends at 1067 Roosevelt-ave.—Grandville Star.

Lane Van Putten is an old resident of Holland, being former proprietor of the Holland Toy & Novelty Co., on West 8th St. He is a son of the late Jacob VanPutten, formerly of the Holland City State Bank.

Mrs. Charles Robinson and son Robert of Holland have returned from a visit with friends at Gibson.

Miss Helen Henderson of this city is the guest of Mr. and Mrs. Wm. Jacobs of New Richmond.

Allegan county maple syrup is of a fine quality and selling from 2.50 to \$3.25 a gallon but the change in the weather may start the buds and the makers are not looking for much of a run.

Andrew Chipkema has taken a position in the barber shop of Jack Vander Ploeg, Cor. 8th and College.

Gertrude Johnson, 10, living on the north side, narrowly escaped death when she was struck by an automobile driven by John Woldring, a rural letter carrier. The little girl jumped from a truck and ran in the path of Woldring's car.

Mr. and Mrs. Wm. J. Westveer delightfully entertained the officers and teachers of the Third Reformed church Sunday school at their home on West 11th street Friday evening. Mr. E. K. Mohr gave a splendid address on "The Teen Age." The musical numbers included a song service led by Mr. John Vandersluis, a violin solo by Mr. Gerrit De Weerd and a vocal solo by Mrs. W. Wichers. About sixty were present and all reported a good time. Light refreshments were served.

James D. Keltie, yeoman attached to the office of superintendent of the 11th district, U. S. Coast guard in Grand Haven, has been transferred to the office of the superintendent of the 8th district at Jacksonville, Fla. and left with his family for that station last Tuesday.

Mrs. James Wayer has returned from Grand Rapids and Kalamazoo, where she addressed a number of missionary societies.

Mrs. M. Westrate from Holland visited her parents, Mr. and Mrs. A. Diepenhorst, on Washington St. Friday.—Zeeland Record.

Mrs. E. J. Pruim of Zeeland spent the greater part of the week in Holland with her sister, Mrs. Jennie Van Kersen, who is in ill health.

Rev. and Mrs. James Wayer will speak next week at St. Johns, Ionia, Greenville and Big Rapids in the interests of the Inter-church World Movement.

The Hayden & Kardus Auto Co. have installed a new car washer and are now prepared to wash your auto on quick notice. Drive in and give them a trial.

Miss Ethelyn Metz has just returned from Marshall and Battle Creek where she assisted as reader, the School of Music Girls' Glee Club, of Ann Arbor. This club is under the direction of Maude C. Kleyn, formerly of Holland, and is fast gaining the reputation as being the best girls' glee club in Michigan.

The members of the Elizabeth Schuyler Hamilton Chapter, D. A. R. will hold a regular meeting Thursday afternoon, April 8, at Voorhees hall. A number of college girls will present "The Blue Bird." Members and guests are requested to arrive before 2:35. Admission will be twenty-five cents to help the work of the D. A. R.

There will be two comedies, "The Sleeping Car," and "The Kettle Sings" given by the Dramatic Club, on the evenings of April 13 and 15 at the High School Auditorium. If you want to enjoy a good hearty laugh, so that you will have to hold your sides, come and see the mercurial maid and a tea-kettle that really sings. If you have never experienced a ride on a sleeping car you can here see the troubles and experiences that one has on such a car.

Tillie Rookus of Zeeland was granted a decree of divorce from George H. Rookus, and the custody of their 6-year-old child, by Judge W. B. Perkins in circuit court Tuesday. Mrs. Rookus declared that they were married eight years ago in Chicago and moved shortly after to Zeeland. She charges that her husband failed to provide for her support and finally deserted her and the child, and that he rubbed her nose on the floor when she corrected him regarding his filthy habits.

A surprise party was given by the Willing Workers society of the 4th Reformed church at the home of Mr. and Mrs. J. Koopman West 20th-st. Refreshments were served and all reported having had a good time. A token of esteem was given to Mrs. Koopman who in the past served the society as president.

Mrs. J. J. Danhof of Grand Haven has been named as one of the women of the state to speak on the Inter-church world movement in Michigan. Mrs. Danhof is now addressing meetings in Alpena, Onaway and East Tawas.—G. H. Tribune.

Dr. and Mrs. T. A. Boot have returned from Florida where they have been staying for the winter.

Mrs. J. A. Vanderveen and daughter Kathryn, left Monday for Boston, Mass., where Miss Vander Veen will resume her studies at Simons College.

Miss Emma Knox, sophomore student at Hope College, is seriously ill with ptomaine poisoning.

The Lokker-Rutgers Co. are making arrangement to cover the floors in their store with battleship linoleum.

The Hayden-Kardux Auto Co. have received several new Chevrolet cars which are ready for immediate delivery.

Miss Hattie Lies purchased the old Zwemer property on the corner of 12th street and River avenue. Consideration \$4,000.

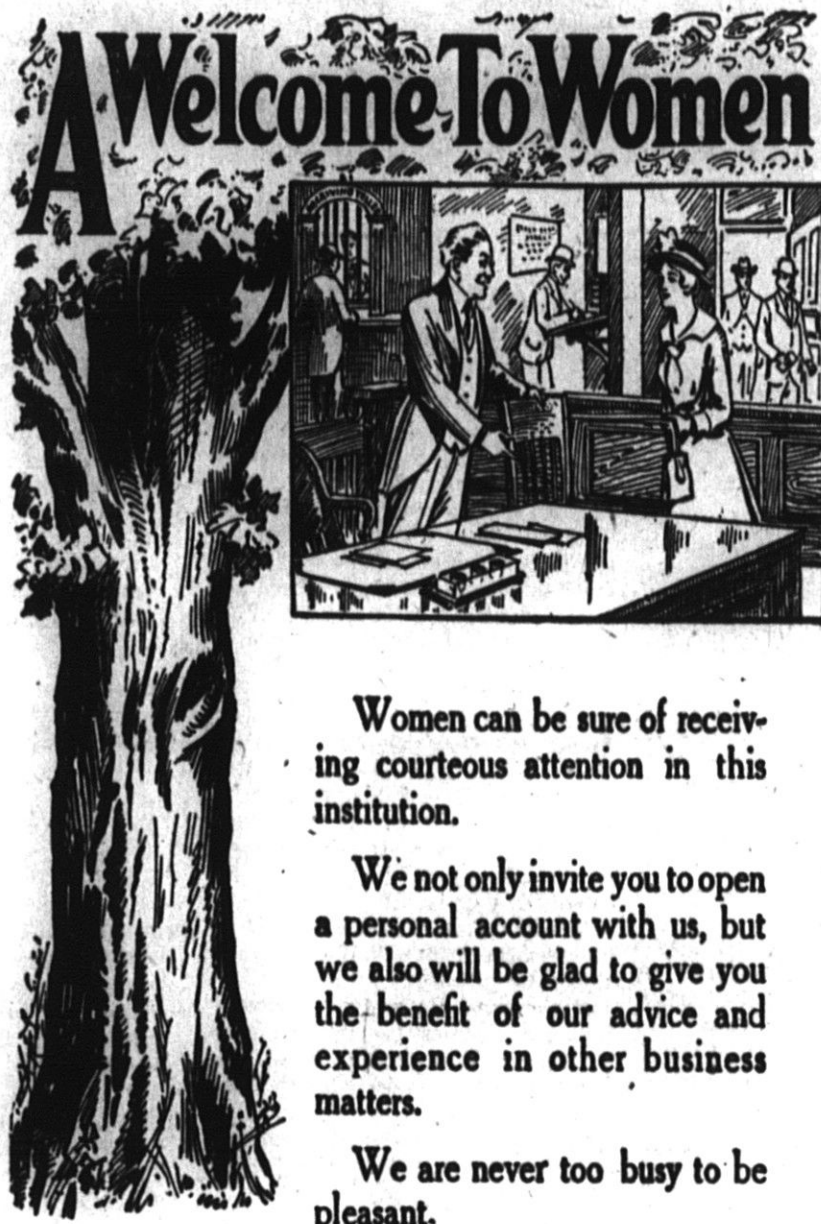

Donald Zwemer drove thru two new Dort cars from Flint Tuesday and states that the roads are anything but desirable.

Harry Dunn and Bernard Kiefer are each driving new Oakland touring cars purchased of Hayden-Kardux Auto Co.

The Hayden-Kardux Auto Co., are adding a new feature to their garage, placing a new equipment so as to wash automobiles. They are now ready to wash your auto on short notice.

Miss "Bee" Du Saar and Miss Ruth Mulder were the guests of friends at Grand Rapids Tuesday.

BIGGEST VOTE EVER CAST IN CITY OF HOLLAND

Monday's vote was the biggest vote ever polled in the city of Holland. The total number of people who voted was 2549. Usually the vote does not exceed 2000. But even at that, there were nearly a thousand people in the city of Holland who were not sufficiently interested to go to the polls and vote. Holland's voting capacity is in the neighborhood of 3500 now that women can vote. That is, about that number are found on the polling lists as having registered.

Voting in the forenoon was not very brisk in some of the wards. The voters came in spasmodic bunches. But during the afternoon there was a steady stream of voters in most of the wards. Especially from 3 o'clock on was there an uninterrupted stream of voters. Many factories dismissed their employees at 4 o'clock, and the hour from four to five was a very busy one for that reason.

Acting in accordance with the election regulations, those in charge of the polling places allowed all to vote who were inside the building at five o'clock. At that hour the doors were locked and no one was admitted who was not on hand. But all the others were given the right to cast their ballots. Voting in some of the wards continued until a quarter of six.

In some of the polling places the voters were lined up four and five deep, in long rows. Many evidently did not follow the advice to go early in the day, and so they were compelled to do a lot of waiting.

The election was a good natured one. Each candidate had his workers and these worked hard for their men. But most of the voters paid little attention to workers and went of their own accord to express their preferences.

Smith	41	7	49	36	32	30

Democratic national committeeman Connelly had no opposition and consequently got all the votes.

Defeating his opponent by a margin of 187, E. P. Stephan won the mayoralty race in Holland Monday and he will be Holland's next chief executive. Mr. Stephan polled a total vote of 1347 while Nick Kammeraad his opponent, received a total vote of 1160.

There were two wards in the city that gave Kammeraad a larger vote than his successful opponent, namely the fifth and sixth. It was known right along that Kammeraad was very strong in those two wards. But his strength there was not sufficient to overcome the lead of Stephan in the other four wards. Stephan polled substantial majorities in all the other wards.

The vote by wards was as follows: First ward, Stephan 281 and Kammeraad 198; second ward, Stephan, 102 and Kammeraad 51; third ward, Stephan 314 and Kammeraad 164; fourth ward, Stephan 327 and Kammeraad 202; fifth ward, Stephan 196 and Kammeraad 349; sixth ward, Stephan 125 and Kammeraad 196.

The race for mayor on the whole was a clean one. The two candidates were looked upon by the general public as both clean men and good citizens, and the result showed that each had many friends in the city who wanted to see their man in the mayor's chair for the next two years.

Mr. Stephan has served the city once before as chief executive. He was elected mayor in the spring of

1911 and served for one year, the term of office being at that time a single year. At the end of that time he refused to run again and since then he has not held office except as member of the board of public works. Before being elected mayor in 1911 he had served several terms as alderman and he is very familiar with city government affairs.

During his first term as mayor the gas question was already a live one in Holland, and that question appears to have been finally settled at Monday's election, so that to the new mayor will fall the task of working out the peoples wishes on this subject.

The Ottawa County Tuberculosis bond issue for \$80,000 for the erection of a sanatorium in Ottawa was running neck to neck Tuesday as the returns came in slowly from the rural districts. At 3 o'clock Tuesday afternoon five townships were still to be heard from. At that time the sanatorium was a little over 200 votes ahead. The tabulation made at that time showed 2767 votes in favor of the sanatorium and 2563 against.

In view of the fact however, that the rural districts voted against the sanatorium, with but a single exception, it is easily possible that the five townships still to be heard from will overturn this lead. This is not only possible but probable, as the people most in favor of a sanatorium admitted Tuesday afternoon. This is all the more likely since a three-fifths vote is needed.

Holland city voted heavily in favor of the sanatorium; so did Grand Haven city. Zeeland city gave a small majority in favor of the sanatorium.

Park township is the only township in the county that voted in favor of a sanatorium, by a vote of 39 to 25. All other townships went heavily against the proposition. Following was the vote so far as tabulated at 3 o'clock:

	For	Against
Holland City	1642	751
Holland Town	87	122
Park Town	39	25
Zeeland City	273	235
Zeeland Town	28	139
Gr. Haven Town	27	64
Gr. Haven City	418	212
Spring Lake	80	119
Jamestown	34	166
Allendale	33	100
Polkton	77	254
Georgetown	13	186
Crockery	50	101

In addition to these Olive township gave a majority of about 12 against.

VOTE FOR MUNIC. IPAL GAS WAS A SURPRISE

After all it goes to show that even the shrewdest politicians and dopesters of election returns cannot always judge public sentiment. Surface indications for a month back have been that municipal gas would not carry, with the exception possibly in the Fifth and Sixth wards where up to this time citizens have been without gas.

It seems however, now, that the returns are in, that Holland voters have been "fed on" the gas question and would do anything to eliminate it from any future issues, and without saying much went to the polls determined to solve it via a municipal plant.

Certainly the Gifford report which was never published, and is still on ice, has played no important part in the decision of the voters. Even men who were for the proposition were not sanguine that municipal gas would carry by a majority, and were not even very hopeful that a three-fifths vote would be given which is necessary to pass the project.

After the votes were counted and the results showed a two to one in favor of the project, the most optimistic municipal ownership was surprised, in fact it is doubtful if ever a contest held in the city before was so miscalculated as the vote on gas.

Here is the result:
For municipal gas.....1509
Against municipal gas.....786

THINKS BLANKS IN GAS ELECTION DO NOT COUNT

City Attorney C. H. McBride, in answer to a question from the News

as to whether the blanks in the gas election of Monday would count, has given the opinion printed below. If blanks counted the question would be lost; if not, it carries. Mr. McBride believes that they do not count. His opinion follows:

"The official canvass of the vote on the gas proposition has not been made. However, I can state to you the rule of law which will control in determining the result.

"Our city charter has a provision covering this question which requires a majority vote of the electors voting upon the question at an annual city election or special election called for such purpose, in order to carry the proposition as submitted.

"But, in my opinion, the law on this question is found in our state Home Rule Bill which reads as follows: 'That no such public utility shall be so acquired unless the proposition to do so shall have first received the affirmative vote of a three-fifths of the electors of such city voting thereon, at a regular or special municipal election.'

"This is substantially the law as it

was written at the time of the adoption of our City Charter and is the fundamental law upon which our charter is based. This law was enacted by the 1919 legislature, as I have quoted it. The only change which was made in 1919, which so far as it affects this proposition, permitted a vote to women electors.

"The supreme court of this state has held that the language of the statute controls, therefore the general rule requiring three-fifths of all the voters at the election does not apply.

"In my opinion, it is clearly the intention of the statute that three-fifths of the electors voting on the proposition is necessary. Therefore, blank votes will not count.

"Assuming that your figures of the result are correct, viz., that 1594 votes were cast for the proposition and 986 votes were cast against the proposition, undoubtedly it carried with a safe margin."

"Chas. H. McBride,
City Attorney.

DAMSTRA WINS IN THE FIFTH WARD

A friendly aldermanic bout took place in the Fifth ward between Peter Damstra and George Weurding. Peter got an even 300 votes and George Weurding received 189 giving Mr. Damstra a majority of 111.

The best of feeling exists between the two candidates as the morning after the night before they were imbibing in coffee together at the "Koffie Klatz" and were holding postmortems.

WAS THERE TOO MUCH WOOD IN THE TICKETS?

While not casting any reflections against any other candidate on the tickets or their running qualities, the people are wondering if there was not a little too much Wood in the state primary ballots.

The voters were handed two ballots which were nearly twins as far as looks goes. One was the presidential primary and the other was the republican state committeeman's ballot. The name of General Wood appears upon the former with the General left off, while Candidate Wood for committeeman, altogether a different personage, appears on the other ballot. At least as far as Holland is concerned, everybody knows General Wood. On the other hand nobody knows Committeeman Wood.

The election results in Holland show that while General Wood carried Holland by a small plurality, Committeeman Wood ran a close second to ex-Gov. Warner on the same ticket for committeeman in the First Ward alone, beating him by a 2 to 1.

Election dopesters are wondering if Committeeman Wood by virtue of his name and the similarity of ballots did not unwillingly usurp some of the popularity of the noted general. Of course Committeeman Wood is not responsible for his name and the fact that the voters were not careful to investigate the difference between the two.

REPUBLICANS ELECT DELEGATES TO THE CON- VENTION

The republicans in all the wards in the city with the exception of the Sixth ward elected delegates to the county convention to be held in the city of Grand Haven on April 21 for the purpose of electing 22 delegates to the republican state convention to be held in Kalamazoo on May 5.

The Sixth ward will have to hold a separate caucus as the voters neglected to name their delegates.

The democrats also neglected to select their delegates in the different wards and will consequently have to call caucuses later for that purpose.

The delegates selected at the primaries in the five wards are as follows:

First Ward
J. B. Mulder
Gerard Cook
Frank White
W. H. Beach
John H. L. Schouten
Cornelius Roos
John Arendshorst
Jacob Lokker
S. W. Miller
Clarence Lokker
Wm. Arendshorst

Second Ward
James A. Drinkwater
Herman Vanden Brink
Frank Brieve
John Vanden Berg

Third Ward
J. Vandersluis
B. D. Keppel
H. Geerlings
W. H. Orr
C. H. McBride
G. W. Leapple
B. A. Mulder
E. P. Stephan
Nick Kammeraad
Arthur Van Duren

4th Ward
G. J. Diekema
H. Pelgrim
Chris Nibbelink
Wm. Vander Ven
N. Bosch
Sears McLean
George Lage
B. Brower
H. Geerds
Wm. Lawrence

Fifth Ward
H. Vander Warf
Charles S. Dykstra
D. W. Jellema
P. Paules
Carl Dressel
H. S. Bosch
D. Steketee
Dick Boter

John S. Brouwer
John Dobben
Andrew Klomprens
George Weurding
G. W. Kooyers

POLITICAL SIDE-LIGHTS

Ex-Mayor and Present Mayor Stephan is a great lady's man according to the vote. He's some heart-breaker.

However, hooverizing also seemed to have agreed with the ladies of Holland as they were lining up for Herbert strong all day as the vote will indicate.

According to the vote of the Fifth ward, Holland has some men that shine equally with state and national celebrities. The following men had votes as national committeemen, Ex-Governor Warner, Dick Boter, Wood, Dick Steketee, Ex-Mayor Marks of Detroit, Joselin, ex-Congressman G. J. Diekema, Hoover, Postmaster Wm. O. Van Eyck, ex-Governor Ferris, ex-Senator Smith, Governor Loudon of Illinois, and General Black-Jack Pershing of the U. S. Army; a great many of these men could not be our national committeemen, because they do not live in the state, but the Fifth ward voters don't care for a little think like that.

A man by the name of Smith who nobody knows, received an unusually large vote for national committeeman. No doubt many of the voter still thought they were voting for William Aldey.

However, the political gas question seems to have been asphyxiated.

Ex-Governor Warner won by 90 and 9 as committee man of the republican ticket. The governor is still a good runner in Holland for a dark horse.

HOW PARK AND HOL- LAND TWPS. VOTED

Holland township elected the full republican ticket Monday as follows: J. Y. Huizenga, supervisor; Charles Eilander, clerk; D. Plaggemars, treasurer; P. Vander Ploeg, highway commissioner; John A. Bloomers, member of Board of Review; Henry Ver Lier, Justice. This township gave the following vote on presidential preference: Wood, 68; Johnson 55; Hoover 30; Loudon 17; Pershing 10; Poincaré 2 and Simpson 2. The township voted 87 yes on the sanatorium and 122 no.

Park township elected the following Monday: George Heneveld supervisor; Arthur M. Witteveen, clerk; Robert Christophel, treasurer; Fred Van Wieren, highway commissioner; Bert VanLente, justice; Bram Witteveen, member board of review. On president, Park township voted as follows: Wood, 24; Johnson 13; Hoover 8; Loudon 6; Pershing 5; Poincaré 1 and Simpson 1. On the sanatorium Park voted 39 in favor and 25 against.

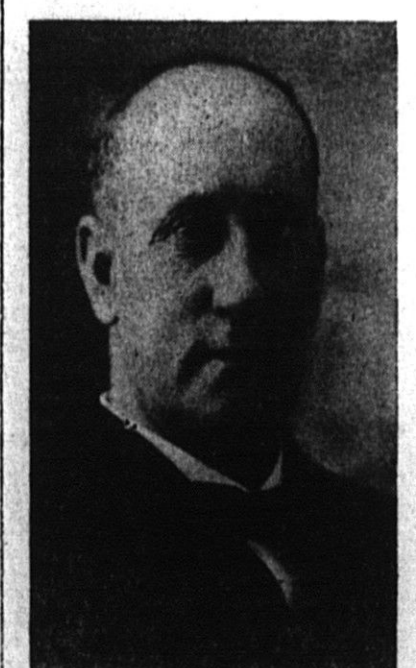

ZEELAND ELECTION

Citizens of Zeeland declined to support the proposed bond issue to provide a suitable memorial for the World war heroes. The vote was 281 for to 266 against, a two-thirds vote being necessary. M. C. Ver Hage was elected mayor and W. Borden treasurer.

RUSSELL TO SEEK G. O. P. NOMINATION FOR CONGRESSMAN

Huntley Russell will be a candidate for the congressional nomination on the Republican ticket in next August primaries, opposing Congressman Carl E. Mapes. The rumor has been rife for some time and Tuesday Mr. Russell admitted frankly that he will be in the race against Mr. Mapes when the time comes.

"Carl defeated me by 105 votes when I ran against him last, and at that time Horace T. Barnaby was also in the field and our combined vote

Huntley Russell

was much larger than Mapes'. This time I hope we may have a two-fisted fight of it, and under such conditions I am confident that I can win the nomination," said Mr. Russell.

Mr. Russell was formerly state land commissioner, and when William Alden Smith retired as congressman to go to the senate Mr. Russell was one of those in the field against Gerrit J. Diekema of Holland for the nomination to fill the vacancy. Diekema defeated him and was in turn defeated in 1910 by Edwin F. Sweet, the democratic candidate. In 1912, when Mr. Mapes entered the field for congress Mr. Russell was his opponent,

along with Mr. Barnaby. The battle was a close one, as shown by Mapes' plurality of 105 votes.

Now Mr. Russell is ready to try again and will go out after the nomination against Mr. Mapes at the August primaries.

HOLLAND MAN BOOSTS DICKINSON FOR GOVERNOR

The name of Luke Lugers appears on a circular letter sent to many voters in the state today advancing the name of Luren D. Dickinson of Charlotte as the republican candidate for governor. Mr. Lugers' name appears with the names of about two dozen other men and women of the state who are asking support for the Charlotte man.

The letter calls attention to the fact that Dickinson is the father of the Michigan primary election law, that he was largely responsible for making Michigan dry, that he worked for woman suffrage, that he worked for better compensation for World War veterans, that he made a fight against the use of money in the Newberry campaign, and that he has made a record for himself in state politics. It also recites the fact that he turned down the nomination for governor in 1916 in the interest of state and national prohibition.

GRAND RAPIDS SET- TLES DAYLIGHT SAVING FOR HOLLAND

Although no official action has been taken on the matter, it is generally understood in Holland now that the clocks in this city will be put an hour forward on April 15. This action was clinched at the election Monday when Grand Rapids voted overwhelmingly for the daylight saving movement.

Holland has not voted on the question, but it was generally understood that it was allowed to rest to see what Grand Rapids would do. Because of Holland's close proximity to Grand Rapids, it was seen that all kinds of unpleasant complications would arise if Holland should adopt the new time and Grand Rapids should cling to the old time. Therefore those who considered the proposition several times seemed to agree tacitly, without taking official action that the vote in Grand Rapids should determine the matter for Holland also.

The same complications that would have arisen had Holland gone on the new time schedule and Grand Rapids remained on the old would now arise should Holland remain on the old when Grand Rapids goes on the new. It would be merely a reversal of conditions that would have obtained under the opposite conditions. Hence there is every reason for going with Grand Rapids now that there was against going it alone had Grand Rapids voted differently Monday.

So on April 15 set your clocks one hour ahead, get up one hour earlier in the morning and go to bed one hour earlier in the evening. Grand Haven is already on this time schedule and if Holland should hold out now it would be a city of old time surrounded by cities operating on the new time schedule.

That the great majority of the people of Holland are in favor of the new time hardly admits of doubt. No formal election is necessary to determine this fact as the few petitions that have been circulated show. Almost any number of names could be obtained that might be necessary, was declared by those who circulated the petitions.

FOURTEEN DE- NOMINATIONS TO BE REPRESENTED

There are 14 Protestant denominations engaged in religious work in Ottawa county. These denominations are represented by 87 churches, mission stations and Sunday Schools. One of the aims of the Interchurch Conference Thursday is to bring representatives of these bodies together and to face the religious conditions of the world in general, and those of Ottawa county in particular. The Protestant churches of America realize that the time has arrived for a scientific study of the religious conditions of the world, and then adapt their program to these needs. Ottawa County citizens will be afforded a rare opportunity at the Conference to learn the present religious conditions of the world, as well as what the Protestant churches have done and are planning to meet those conditions.

WIFE AND 3 BABIES SAVE ZEELAND MAN FROM PRISON TERM

Fifteen men answered charges of violating federal statutes in United States district court in Grand Rapids Tuesday and nine were sentenced by Judge Clarence W. Sessions.

"Your wife and three babies are all that save you from serving a prison term," Judge Sessions told Quirinus De Vries, Zeeland, who pleaded guilty to charges of fraudulently using the mails. De Vries admitted he advertised small chickens for sale and sent out inferior stock as high grade stock. He was given ten days in which to pay a fine of \$1,000, with an alternative of six months in the Kent county jail.

85% of the wheel base of a Dorr is springs suspension. Riding Ease. The Dorr is the easiest riding car in its class.

Prof. J. B. Nykerk who is in Kentucky will not return until Monday. This will be the first time in the memory of the present generation that the chorister was not present to lead or take part in the Easter Musical services given at Hope church.

Orie Brusse who has been visiting ex-Mayor and Mrs. Henry Brusse has returned to New York city where he has a responsible position.

A fire nearly unroofed a home on West 11th street Friday afternoon. Both departments responded quickly but the strong wind had fanned the blaze to large proportions. Just before the firemen arrived a small child was carried out of the smoke-filled house.

Manager Himebaugh of the Strand theater wishes to announce on account of the double advance in prices on his big specials for Thursdays, all children not in arms under 12 years of age he will have to charge an admission of 10c; adults 20. These Thursday prices only; other days remain the same 10 and 15c. These prices include war tax. On Monday the Strand offers Alive Thomas in "Footlight and Shadows" and the last episode of the Pearl White serial.

The Star of Bethlehem, O. E. S. No. 40 Friday night elected the following officers for the ensuing year: Worthy Matron, Mrs. J. H. Schouten; Associate Matron, Mrs. A. M. Galentine; conductress, Mrs. Abbie Mings; Associate conductress, Mrs. Claudie Thompson; treasurer, Mrs. Edna Bertsch; Secretary, Mrs. Gertrude Deagon; W. P., Arthur Van Duren; organist, Mrs. Gertrude Burt. A social time and refreshments were enjoyed by the sixty present after the election. Two weeks from last night installation of officers will take place and Grand Lodge officers from Grand Rapids will be present to confer the installation ceremony.

The Sunday school class of Alderman Charles Dykstra, met at the home of Richard Klaassen, 71 West 18th St. Tuesday evening and elected the following officers for 1920: president, Richard Klaassen; vice-president, Franklin De Vries; secretary and treasurer, Raymond Hopkins; Sergeant at Arms, Ernest Post.

A splendid social time was enjoyed; Marinus Hamelink winning the prize of the evening.

Mrs. Jane De Vree, a pioneer of western Michigan, died Tuesday at her home in Jenison of pneumonia. Mrs. De Vree's maiden name was Steketee and she is a sister of Bastian Steketee of this city.

The deceased was born in the Netherlands at Borssele, May 6, 1837. She came to America with her parents, Mr. and Mrs. John Steketee, in 1847 and lived in Grand Rapids for many years. She was married to David De Vree who served in the civil engineers corps in the civil war. She was an exemplary Christian woman who saw many of the hardships of pioneer life. She is survived by one son, one sister, Mrs. Helen Hoffman of this city, and two brothers, George G. Steketee of Grand Rapids, and Bastian Steketee of Holland. The funeral took place Wednesday forenoon at ten o'clock.

FASHIONS THEME OF CLUB PROGRAM

Fashions—a subject dear to the feminine heart—held the attention of the Woman's Literary Club Tuesday afternoon when Mrs. N. Bosch and Mrs. John Vander Broek were in charge of the program. Originally it was planned to give a program consisting of the history of costume, but the costumes did not arrive in time and so the fashion program was given by the Sorosis girls of Hope college.

The program opened with two vocal solos by Miss Helene Van Raalte, "Wind in the Trees," and "Spring Again," accompanied by Miss Christine Van Raalte. A "1920 Model Show" or "An Afternoon of Style and Fashion" was given by the Sorosis girls. In the course of this feature a reading was given by Miss Grace Mersen.

An interesting feature of the program was a series of tableaux of the fashions showing the dress styles of periods from the time of the Indians to the present. A farce, "A Scene in a Court Room" followed and the program closed with a fashion forecast for 1920 by Maxine McBride.

Mrs. Olive announced that next week an amendment to the constitution will be voted on providing for the closing of the club year on May 1 instead of June 1. A collection for the Children's home at St. Joseph was taken, and another collection for this purpose will be held next week.

"The Influence of Sea Power on History" was the title of an able study of the naval policies of the dominant races of the world since the dawn of recorded history, presented by Dr. R. M. Waltz before the Social Progress club when that organization met Tuesday evening at the home of Mr. and Mrs. Arnold Mulder. Dr. Waltz showed that the control of the seas has had a tremendous influence on the histories of great peoples from the early Phoenicians down to the great nations of the present day. It was in many cases the control of the sea that the great wars had as their fundamental motive.

Bringing his studies down to the present day he called attention to the naval power of England and declared that while America need not necessarily outstrip England, this country should have a navy that shall be adequate to its needs. And more important still, America should develop a

LOCAL GIRL WRITES OF CONDITIONS IN CENTRAL EUROPE

Miss Augusta Nieuwsma of this city has arrived in Warsaw, Poland, according to a letter received by her family. Miss Nieuwsma early in February left New York to take service abroad with the American Red Cross and early in March she arrived at what she describes in her letter as her temporary destination. At the time when her letter was written, on March 7, she did not know whether she would be stationed at Warsaw or would be sent farther north nearer to the zone where typhus is prevalent.

Miss Nieuwsma early in the war went abroad to serve in the American Red Cross in France. During her stay in that country she had many interesting experiences, some of which were told at the time in the News. Some time after the close of the war she came back to this country, but the call of the Red Cross abroad was too much for her and she decided to help in the stricken countries that are still suffering from the effects of the war.

The letter described vividly the poverty and starvation in Austria. On passing from Switzerland into Austria, the change could immediately be seen, she writes. Switzerland fairly well off, but the people in Austria are starving. At one station a large number of emaciated children begged the party in which Miss Nieuwsma was for bread, and when the nurses didn't have enough to go around, the youngsters cried and were compelled to go away hungry. Poland also is described as a land still suffering terribly from the effects of the war. There is so great a lack of food in those countries that what in America would be called poor houses are practically depopulated because the inmates have died of starvation.

The American Red Cross is feeding millions of children, but no one can appreciate the need, Miss Nieuwsma writes, who has not seen conditions.

WAS A REAL CASE OF WIDOW'S MITE

A real philanthropist was discovered a few days ago by Prof. E. D. Dimment of Hope college, when he opened a letter addressed in a trembling hand and found therein a five dollar bill. Pinned to the money was a note that said: "I am an inmate of the Holland Home at Grand Rapids, but I have managed to save this small token enclosed to be used in behalf of your most worthy college."

"A Friend."

This truly is an exemplification of Biblical widow's mite.

ASKED TO TAKE CHARGE OF THE CON- VENTION MUSIC

John Vandersluis is as much in demand as ever for service in the music line. He has been asked to take charge of the music at the next annual convention of the State Sunday School association. The request came in a letter from F. S. Goodrich, of Albion, state secretary of the association. Mr. Goodrich says:

"The program committee of the State Sunday School convention is very desirous of having you take full charge of the music at Muskegon. We plan to give a hymnal to every delegate as usual. We shall also furnish them free of charge to the members of your choir. If you can do this, as I earnestly hope you can, please let me know early what hymnbook you would like to use."

Mr. Vandersluis has not yet decided whether he will accept the invitation extended to him.

CITY NURSE ATTENDS CONVENTION IN SOUTH

Miss Alma Koertge, city nurse, has left for Atlanta, Ga., where she will attend the convention of the National Nurses' association. Miss Koertge has been granted leave of absence for a short time by the City Nurse committee to enable her to attend this convention. The committee was anxious to have her keep in touch with the advances that are being made in nursing in America.

MEMBERS GIVEN POINTERS ON MON- DAY'S ELECTION

Attorney F. T. Miles addressed the ladies of the Woman's Christian Temperance Union at the home of Mrs. C. Klaasen, 71 W. 18th St. on Friday afternoon. His subject was "Political Issues" and he gave the members a brief outline of the things to be decided at Monday's election, thus aiding them to vote intelligently. Mrs. J. C. Post introduced the speaker and followed his remarks by a short talk.

Mrs. A. Pieters of Japan and daughter Gertrude were guests of the Union and later enacted the Japanese tea service, dressed in costume. Robert Winters gave a violin solo, Rubenstein's Melody in F, accompanied by Donald Winters and responded with an encore. The devotions were conducted by Mrs. H. W. Smith.

The following delegates were elected to attend the fifth district convention to be held at Byron Center on April 21 and 22: Mrs. G. Albers, Mrs. E. Markham, Mrs. A. Meyer, Mrs. J. C. Post, Mrs. B. Harris. The president, Mrs. H. Van Ark and the secretary Mrs. De Merrel will also attend.

The Yankee Bakery donated a large and beautifully decorated cake for the social part of the afternoon. The next meeting will be the annual mem-

bership banquet to be given by the "Reds" this year, which will be held in the parlors of the Third Reformed church on Friday afternoon, April 16.

SOCIETY HEARS ABOUT FORMER HOLLAND PEOPLE

A very interesting meeting of the Woman's Foreign Missionary society was held in the Methodist church on Thursday. After the business session Mrs. Henry Smith gave a very instructive outline of the medical work of the society in the Philippines and Korea. Mrs. Chas. Fairbanks read extracts of letters from Mrs. Mabel Fisher who was at one time a teacher in the Holland schools. She is to be moved from her present position at Basim, India to the Nagpur district and Miss Mildred Drescher who sailed in March will take her place at Basim. Mrs. Welton reviewed an article from The Ladies' Home Journal giving the benefits accrued in foreign countries from missions, from a secular standpoint. As it was April first the refreshments were all unique surprises.

MANY PRIZES ARE OFFERED TO HOPE STUDENTS

A series of prizes for which Hope College students can compete is announced in the spring issue of the Hope College Bulletin that was published Thursday. The Junior class students this year can compete for an English prize consisting of an essay on the subject, "What Has the World War Contributed to English Literature?" Next year the subject for this essay contest will be, "Ralph Waldo Emerson."

The subject for a similar contest in Dutch this year is "De Mannen Van '80"; next year, "Stadhouder Willem III en zyn invloed op de buitenlandsche politiek."

The subject of a foreign mission essay contest this year is "China—Golden Opportunity or Yellow Peril?" and next year "James Hudson Taylor and the China Inland Mission."

The subject of a domestic mission essay contest this year will be, "America for Christ—A summons to Church Union;" next year, "Walter C. Roe—Our Pioneer Missionary to the Indians."

In addition to these essay contests there will be prizes in English grammar, in oratory, in debate. There will be a silver medal and a gold medal for scholarship, a prize for an oration on temperance, a prize for an essay on "The American Indian."

Next year the sixth triennial contest will be held under the conditions of a competition established by Dr. J. Akerman Coles. This consists of the writing and delivery of an oration of a patriotic nature. The prize is a bronze bust of George Washington, after Houdon.

EIGHTEEN STATES AND FIVE FOREIGN LANDS ARE REPRESENTED

Hope College this year has an enrollment of 405, according to the spring number of the Hope College Bulletin, issued on Thursday. There are 274 students in the college department, one postgraduate, 98 in the preparatory department, and 69 in the School of Music.

Eighteen states in the Union are represented and five foreign countries among the studentry of the institution. The foreign countries represented are Egypt, China, Japan, Mesopotamia, and the Netherlands. The states represented are: New Jersey, Michigan, Iowa, Ohio, Wisconsin, South Dakota, Indiana, Illinois, New York, Minnesota, Massachusetts, Kansas, Montana, Washington, Nebraska, Louisiana, California, and North Dakota.

Hope College this year has a faculty of 21 members: President E. D. Dimment, Prof. J. B. Nykerk, Prof. W. Wichers, Prof. A. Raap, Prof. A. T. Godfrey, Prof. F. N. Patterson, Mrs. Winifred H. Durfee, Prof. Bruno Meinecke, Rev. Paul H. Kinkamp, Prof. Albert Lampen, Rev. J. Vander Meulen, Rev. Henry Hospers, Miss Mae L. Brusse, Miss Christine Van Raalte, Wm. Ten Haken, Harriet Z. Baker, Martha J. Gibson, Robert T. Evans, Anne Visscher and Magdalene M. De Pree.

The spring number of the Hope College Bulletin is the annual number. It is a volume of 141 pages and contains detailed information about the institution, the courses of studies, the enrollment, and so on. The other three numbers of the quarterly publication are usually smaller in size, but the spring number takes the place of the annual catalog that was formerly published each year.

VETERAN GUARDIAN OF LAKE MICHIGAN RETIRES FROM DUTY

Capt. Eli E. Pugh, keeper of the Ludington coast guard station, retired at midnight, March 31, following 33 years and 11 months of continuous service guarding the eastern shore of Lake Michigan for Uncle Sam.

Mr. Pugh first enlisted in the life

saving service on April 1, 1886, as a surfman at the Manistee station. One year later he was transferred from Manistee to Pentwater and he was rated No. 1 surfman on April 1, 1903. Following 20 years service at Pentwater he was transferred to South Manitou Island on January 1, 1907, and his rank raised to that of keeper of the life saving service. On August 24, 1910, he transferred to Charlevoix and the succeeding three years were put in as keeper at the northern resort life saving station.

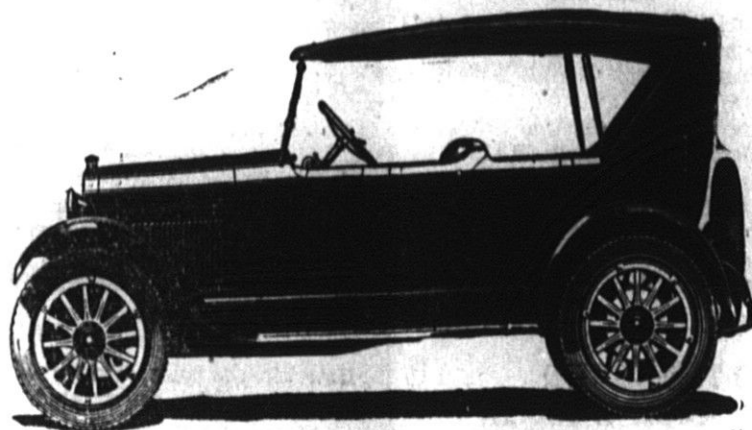

On March 10, 1913, Keeper Pugh went to Ludington and terminated

his long career of service with seven years of most commendable administration of affairs at the Ludington station.

The Current Events club held their meeting last Monday evening with Mrs. Maggie Brown. Miss Lundgren of Holland, a former teacher, gave the paper of the evening, on nature and the lessons we can learn. Following the regular program the guest, Miss Lundgren, was surprised by being "showered" by the club and some invited guests, as she will be one of the brides of the early summer.—Allegra Gazette.

Truck

ECONOMY.

The National Haulage Unit

Oldsmobile Economy Trucks work for big business—for Standard Oil, Delco, Park & Tilford and other institutions of national prominence, who order and re-order according to the vehicle's performance. Their selection of Oldsmobile is significant. Small business, but equally critical, also favors Oldsmobile. All over the country the Economy Truck is proving its unlimited usefulness on farm and ranch, in city and village, and wherever merchandise must be quickly transported at low costs. Valve-in-head motor, internal gear axle, large pneumatic cord tires, and mechanical excellence generally are reasons why successful performance is pre-determined, and why it was logically destined to become the National Haulage Unit.

City Store in the City Hall

LOCAL FIRM WINS CIRCUIT COURT CASE

In a suit started several months ago by The Toledo Window Plate Glass Co. against Rottschaefer Bros. of this city, claiming \$800 and interest, plaintiffs alleged that through the negligence of Rottschaefer Bros. in unloading from car at the local P. M. freight depot and in improperly loading for hauling some \$800 worth of plate glass intended for the A. Peters store at corner of 8th St. and Central avenue, this city in 1916, they were damaged when the load of glass tumbled off from the wagon on which it was being hauled.

Respondents denied that they were negligent and claimed that it was the duty, under the contract, of the plaintiffs, to deliver the glass at the Peters building, but that there was so much delay in getting delivery, that they, at the request of the Glass Co., offered to help them in getting delivery in as much as Rottschaefer Bros. had the contract for remodeling or rebuilding the Peters building after the First State Bank moved into their own new building.

The case was tried during two days of this week in the circuit court at Grand Haven. T. N. Robinson and Jay Den Herder of Visscher & Robinson, appeared for the Glass Company and G. J. Diekema of Diekema, Kollen & Ten Cate, for Rottschaefer Bros. The jury brought in a verdict of no cause for action.

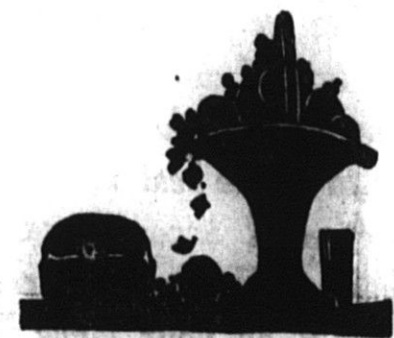

MICHIGAN SCHOLARSHIP GRANTED ZEELAND MAN

The annual scholarship to the University of Michigan awarded to the male student attaining the highest standing in Hope college was granted to Chris A. De Jonge of Zeeland, who was a very close second for class honors. Mr. Harry Hager was granted second choice in case Mr. De Jonge does not accept.

This will afford an excellent opportunity to Mr. De Jonge to continue his studies in his preparation as a student volunteer.

No Sense in It.

"I don't see any sense in doctors being sick," said little Elizabeth, "because they're right around with themselves all the time."—Medical Journal.

BREAD!

Do you eat it for lunch with fresh fruit and milk?
Or do you eat other less nourishing foods?

The way you feel is a matter of the kind of food you eat.

Natural foods are the best.

Bread is nourishing.
Bread with milk and fruit is delicious.
Eat right and feel right.
Bread is your Best Food—Eat more of it.

STATEMENT OF OWNERSHIP, MANAGEMENT, CIRCULATION, ETC., REQUIRED BY THE ACT OF CONGRESS OF AUGUST 24, 1912.

Of the Holland City News published weekly at Holland, Michigan for April 1, 1920.

Before me a notary public in and for the state and county aforesaid, personally appeared Benjamin A. Mulder, who having been duly sworn according to law, deposes and says that he is the publisher of the Holland City News and that the following is, to the best of his knowledge and belief, a true statement of the ownership, management, etc., of the aforesaid publication for the date shown in the above caption, required by the Act of August 24, 1912, embodied in section 443, Postal Laws and Regulations, printed on the Reverse of this form, to-wit:

1. That names and addresses of the publisher, editor, managing editor, and business managers are:
Publisher, Benjamin A. Mulder, Holland, Michigan; Editor, Benjamin A. Mulder, Holland, Michigan; Managing Editor, Benjamin A. Mulder, Holland, Michigan; Business Manager, Benjamin A. Mulder, Holland, Michigan.

2. That the owners are: Benjamin A. Mulder, Holland, Mich.; N. J. Whelan, Eau Claire, Wisconsin; Charles L. Mulder Estate.

3. That the known bondholders, mortgagees, and other security holders owning or holding 1 per cent or more of total amount of bonds, mortgages, or other securities are: none.

4. That the two paragraphs next above, giving the names of the owners, stockholders, and security holders, if any, contain not only the list of stockholders and security holders as they appear upon the books of the company but also, in cases where the stockholder or security holder appears upon the books of the company as trustee or in any other fiduciary relation, the name of the person or corporation for whom such trustee is acting, is given; also that the said two paragraphs contain statements embracing affiant's full knowledge and belief as to the circumstances and conditions under which stockholders and security holders who do not appear upon the books of the company as trustees, hold stock and securities in a capacity other than that of a bona fide owner; and this affiant has no reason to believe that any other person, association, or corporation has any interest direct or indirect in the said stock, bonds or other securities than as so stated by him.

BENJAMIN A. MULDER, Manager.
Sworn to and subscribed before me this 29th day of March, 1920.

The Choral society of Vriesland will render an Easter cantata Tuesday April 13.

At the last meeting of the Zeeland business men, it was decided to continue the stretch of good roads from Hamilton Zeeland.

A meeting of the Alliance association of all the societies and clubs of the Christian Reformed churches of Zeeland will be held in that city May 6.

Brink Bros., local printers have moved their printery from 16th-st. to the second floor of the building occupied Keefe's restaurant.

Ald Brieve, chairman on the committee on poor, reported that the sum of \$118 had been expended for temporary aid during the past three weeks.

The common council will meet in the city hall this evening to canvass the vote in the recent election. This meeting is provided for by the charter.

The groom is well a known former Holland business man, now employed as photographer inspector at the Bay View Furniture company. The bride is the youngest daughter of the late Arie Wolkman, for many years sheriff of Ottawa county.

Mrs. Jennie Brown, widow of the late Dr. C. P. Brown, passed away Wednesday morning at an early hour at the residence of Mrs. Edith Wilde in Spring Lake, where she had been making her home. Mrs. Brown had been ill for many months, but her condition recently became critical and the end was not unexpected.

The house famine in Zeeland is becoming steadily worse. Only two houses are now on contract to be built by the carpenters. Quite a few local people are selling their homes after living in them for several years but upon looking for new places are disappointed. The reason for their selling is the high prices for homes compared to the price they paid for them.

The first arrest under the new law which makes overdrawn a bank account in Michigan a felony, to be brought to the attention of this paper was made in Kent county the other day. A fellow bought a turkey and in payment gave a check on the Fourth National bank for \$15. As he had no funds in the bank he was charged with getting money under false pretenses. There are men in Holland who have not learned that this practice is unlawful, and some day they may find themselves in the same predicament as the Kent county individual.

The committee in charge of the arrangements for the organization of a retail merchants' association announce that a meeting will be held in the hall over the Sentinel office on Tuesday evening April 13 at 7:30 o'clock at which every retail merchant in the city should be present. This first meeting is very important as arrangements will be made for a permanent organization, and future plans and policies will be discussed. There will be talks on live subjects by prominent merchants and a very interesting meeting is assured.

The Sturdy Dorr sells right along—because it's Simple, Thrifty, and Strong. 31231

A NEW YORK JEW'S CLERK ASKED HIM FOR A RAISE

The Jew said, "Why do you want a raise? There are 365 days in a year, you work eight hours a day, and that is 122 days. There are 52 Sundays in a year, you get them off, that leaves you 70 days. There are 14 holidays and 2 Jewish holidays, which you get, that leaves you 54 days off which leaves you 50 days. You get Saturday afternoons off which makes 26 days, which leaves only 14 days, and I give you a two weeks vacation each year. When in thunder do you work anyway?"

CANTATA AT THIRD CHURCH IS TO BE REPEATED

The Easter cantata, "Our Living Lord," will be repeated at Sunday evening's service in Third Reformed church. So many requests were made for a repetition of this beautiful cantata that the officers of the church by a unanimous vote decided to ask Mr. Vandersluis and the choir to repeat it.

Sunday evening's storm failed to keep the people at home and the auditorium was filled. The chorus and soloists did splendid work. The people who heard it want to hear it again and those who have not heard it will be given another opportunity.

PLANS ARE BEING MADE NOW FOR MEMORIAL DAY

Even though the weather still looks more like mid-winter most of the time than like spring, plans are going forward for the proper celebration of Memorial Day. This day is only a few weeks off and much must still be done before all the arrangements have been completed.

Because of the fact that Memorial Day this year comes on Sunday, it will be celebrated on the day following, so that the graves of the hero dead will be decorated with flowers on May 31 instead of on the exact Memorial Day date.

Only the preliminary arrangements have so far been made. The A. C. Van Raalte Post Commander, G. Van Schelven, announced Wednesday that the speaker for the day had been secured. Hon. Milo D. Campbell has consented to pronounce the oration at that time. Mr. Campbell is well known in Michigan and he is at present one of the candidates for governor, being generally looked upon as the farmer's candidate.

Another point that has been definitely settled is that the services of Memorial Sunday this year will be held in the Methodist church. These services are held on the Sunday preceding Memorial day. This year it will probably be on the day before the public celebration, namely on the exact date of Memorial day. Each year a different church is chosen for these services, and this year the turn comes of the Methodist church.

The G. A. R. Post members are no longer in full charge of Memorial day arrangements. At one time the veterans of the civil war took full charge, but the members of this post are few in number and they are old so that the burden of the work became too much for them. Hence this year, as was the case last year, the veterans of the World War will assume much of the burden, and the American Legion Post will have charge of many of the activities of the day.

However the Spanish war veterans next in line with the Civil War veterans will assume the burdens and shoulder the responsibilities of the Decoration Day arrangements.

Former Wife of Holland Man Drinks Wine, Dies

Boston, April 8—Medical Examiner McGrath was today investigating the sudden death in Clarke's hotel of Mrs. Catherine S. Christopher, a divorcee of Holland, Michigan, where it is said her husband is employed in a furniture factory.

According to the authorities, the woman died in the hotel where she was a member of a party which had been drinking Italian wine.—G. R. Herald.

FORMER OTTAWA SHERIFF'S DAUGHTER WEDS

MRS. ANNA SIMPSON BECOMES BRIDE OF ANTON SEIF, JR.

A quiet wedding took place Tuesday evening at the home of the groom on Maple avenue, when Mrs. Anna Simpson became the bride of Anton Seif, Jr. The ceremony was performed in the presence of the immediate relatives of the two families by Father Wm. Wyckoff, rector of Grace church.

LEGION COMPANIONS RECEIVE CHARTER

LAST CHANCE IS HELD OUT TO BECOME CHARTER MEMBERS

At the meeting of the Companions of American Legion held Wednesday evening, the president, Mrs. A. Leenhouts, presented the Companions with the charter for which they had been waiting for some time. The members then decided to give the mothers, grandmothers, wives and sisters of American Legion members one more chance to become charter members and all who wish to join this splendid organization can still become charter members by paying in their dues on or before the next meeting, which will be held May 5th. Although the two speakers who had been secured to address the meeting disappointed them the women were ably entertained by Miss Martha Barkema who gave a splendid solo, accompanied by Miss Ossewaarde, and also by Miss Catherine Van Duren who gave two piano solos.

COUNCIL FAILS TO RE-STORE SCHOOL BUDGET

STATE HIGHWAY DEPARTMENT WILL SEND ENGINEERS TO HOLLAND SOON

The work on the new state road through the city of Holland is expected to begin before very long. The council had the matter under discussion Wednesday evening. The state has not yet sent the plans and specifications for the new street, but it is expected that the engineers from Lansing may arrive any day to begin operations, and soon after that actual work will start.

WORK ON NEW PAVING IS SOON TO START

ALDERMEN TAKE NO ACTION ON OPINION OF ATTORNEY GENERAL

The common council took no further action in the difference with the board of education over the school appropriation. At last night's meeting of the council a communication was read from Dr. A. Leenhouts, president of the board, in which he presented to the council an opinion by the Attorney General of the state to the effect that the council would be required to restore to the appropriation bill the amount asked for by the board of education.

When the opinion of the Attorney General had been read, Ald. Prins arose and said, "I move that this communication be filed in a friendly way." The motion was given a roll call, and every alderman voted in favor of it. There was no discussion.

The school appropriation has consequently not been restored to the budget, and it looks as if it might be necessary for the board of education to start legal proceedings.

A scientist has just discovered that fish are intelligent. We had observed also that they don't bite on everything that comes along.—Raxter Citizen.

HOLLAND TO HAVE ANOTHER MOVING PICTURE THEATER

Holland is to have another new movie and that soon. John W. Kramer and John Hamilton Raven, both of this city, have purchased the Huntley building now occupied by the J. Y. Huizinga Coal Co. offices on River avenue.

This building will be remodeled into a moving picture theater 40x115 feet.

Architects have already been on

the ground and are now drawing the plans for a very modern film house.

The building was built intended for a factory and for that reason it is of mill construction and very strong. However it was erected seven feet from the street line and for that reason the new front that will adorn this building will be built seven feet further east up to the sidewalk line.

Building on the new theater will begin at once, and the Raven & Kramer Co. have already contracted with a film company for the very latest and highest class of pictures obtainable.

The name of the theater has not yet been selected but will be in the near future.

John W. Kramer has decided to go out of the drug business as soon as he can dispose of his stock which is for sale. This drugery is one of the oldest in the city, having been established by the late Dr. William Van Putten some fifty years ago. After the death of the doctor the business was conducted by Lawrence Kramer, at that time head pharmacist at the drug store.

Mr. Kramer died some 20 years ago and John W. Kramer, the present proprietor took charge, and has been conducting the business ever since.

The Huizinga Coal Co. will soon move to their new quarters having purchased the Meyer building on River-ave., now occupied by the Winstrom Electric company.

MEETING OF OTTAWA CO. CHAPTER, AMERICAN R. C.

An adjourned meeting of the Ottawa County Chapter, American Red Cross, will be held at the City Hall in the city of Holland, on Saturday April 10th, 1920, at 2 P. M., for the reading of reports, and the election of seven members of the Board of Directors for a term of three years. Every person who paid a membership fee of one dollar or more during 1919, is entitled to attend, and take part in this meeting, and all such are earnestly requested to attend this meeting.

By order of the President, Arthur Van Duren, Sec'y.

A WORLD REBUILT

By the Golden Rule
not by the rule of Gold

THIRTY denominations of the Church are uniting in a simultaneous campaign in the week of April 25th-May 2nd.

They are uniting because the task before the Church is too great for any one denomination; because there must be no duplication of effort; no waste.

These churches know that the world needs many things; but it needs Faith most of all.

They know that there can be no final solution of our economic problems that is not a spiritual solution, based on the teachings of Jesus Christ and His Golden Rule.

They have had the courage to survey the whole task, and to ask for a budget large enough to sustain (1) the work abroad, (2) the work at home including the church's part in the huge task of Americanization, (3) the colleges and (4) hospitals supported by the Churches, (5) the religious training of the young, and to provide (6) a living wage for the Church's ministers.

The budget is large in the aggregate; yet if each person who loves America would increase his contribution by only a few dollars the whole amount would be easily subscribed.

We face the task of rebuilding the world. Let the cornerstone be a strong and vital church in every American community; and the measuring rod by which the builders build must be the Golden Rule.
