### VANDER VEEN CASE IS REVERSED BY THE SUPREME COURT

COURT DECISION ON PROHIBITION ACT IS A STUNNER TO THE DRYS

The drys of Michigan were stunned today when the supreme court handed down a decision as unconstitutional, the Wily Prohibition Act.

As a result of that decision Michigan today is without a search and seizure act and is also powerless as a state to prevent importation of liquor into the state.

This decision annuls a Holland case that has been in the courts for the past two years, namely the case of the people vs. J. A. Vander Veen.

It will be remembered that the local police found liquor stored in one of the rooms in the Vander Veen building and the goods were seized under the Wily act and Mr. Vander Veen was arrested.

The defendant always claimed that liquor dealers were allowed to sell their surplus stores to citizens for a certain period before the prohibition law went into effect in order not to lose on their large stock of goods and he contended that after the law allows Michigan citizens to buy, it contradicts itself by arresting such citizens who have liquor in their possession.

The supreme court decision frees J. A. Vander Veen of these charges not alone but in a court decision elsewhere reverses the decision of Judge Cross in Circuit court, in fact the annulling of the Wily law disposes of all cases of this nature.

#### LOCALS

Dr. Alice Menges who has been spending the winter in Florida has returned to her summer home at R. F. D. No. 1, Holland. Mrs. Menges is one of the early spring arrivals, and generally stays until late in the fall.

By action of the Zeeland city council, a plot will be set aside at the cemetery which will be used for a memorial to the boys who died in the World War. The mayor has appointed a committee of five men who will have charge of the soliciting of funds for the memorial.

City Clerk Richard Overweg is remodeling the interior of his home on West Thirteenth street.

March came in like a lamb and goes out like a lamb. The lion has been a little obtrusive between dates, but the weather millenium no doubt has come and the lion and the lamb are lying down together this 31st of March. What the weather prediction for April will be can be found in Austin Harrington's calendar on the back page.

The Kings Heralds of the Methodist church will meet at the home of Helen Fleming on Friday afternoon, April 1. Mrs. Loveland will review the study book "Lamplighters Across the Sea". Every Herald member has a part in this and is requested to be present.

Buck Jones in "The Big Punch" at the Strand Theater tonight. "Trumpet Island" for Friday and Saturday. These are both big shows and you cannot well afford to miss either of them.

A meeting of the Christian School Alumni will be held Friday evening, April 1, at 7:30 o'clock, in the 16th street church. Business will be transacted after which a program will be rendered and a social hour enjoyed. All Alumni even the not members are urged to be present.

### NEXT MONDAY SURE TO BE A BIG ELECTION

ALTHOUGH CITY TICKET IS PRACTICALLY NAMED, OTHER MATTERS HOLD ATTENTION OF VOTERS

Those who are under the impression that next Monday's election is an insignificant affair for the reason that most of the city officials were nominated at the primaries, have another guess coming.

There are some mighty important projects that are arousing the Holland voters.

The one is the changing of the limits in order that Holland may secure a new bridge on North River avenue, paid for by Ottawa county, and the state of Michigan. This city wants to be in the same boat with Grand Haven, Spring Lake, Coopersville, and other localities in North Ottawa who have been favored with a network of beautiful cement drives, and much needed bridges, more than a third of which was paid by the taxpayers of Holland.

This locality which has not been so well favored because up to this time war conditions and material shortage prevented many projects beneficial to Holland to fall by the wayside, now that these conditions are past, the Holland voters feel that their time has come to get in on some of these improvements and something ought to be coming back for the thousands that have been poured into other necessary projects in North Ottawa county and elsewhere. That's one matter.

Next comes the all important question of appropriating \$30,000,000.00 as a soldiers' bonus to be paid the men who did such valiant service during the World war. We say "Vote Yes" on this proposition. There should be no thought otherwise. High taxes, high cost of living high everything has nothing to do with the matter, for we can "thank our lucky stars" that these boys were willing to fight in order to preserve a country in which we have the privilege to pay taxes. Let's not be good forgetters.

Next we have the gas proposition. "Shall Holland build its own municipal gas plant, costing upward of \$400,000.00?"

We will bet dollars to doughnuts that this proposition will be defeated worse than ever. This paper must still find the first man who is willing to saddle the city with an added bonded debt of nearly half a million dollars with four or five other more needed projects staring us in the face, which we will be compelled to give our attention within the next few years.

The county nurse is also bringing about considerable discussion, especially among the ladies, who see the all important necessity of one who will administer to the needy and sick and some ignorant of Ottawa County, teaching them how to live. We are ready enough to hire a farm agent to inform the agriculturist on hog cholera, chickens with the "pip," etc. Surely our near and dear ones should not be sidetracked when their call is more important than any other.

Then we have a state ticket to vote for, containing judges for the Supreme Court, members of the State Board of Public Instruction, regents of the State University and head of the State Good Roads Commission. All are very responsible positions, and should be filled by good men, and last of all we have the remnants from our primary election.

Three members of the board of police and fire commissioners failed to get the required number of votes, therefore the following men will have to be voted for: Gerard Cook, John Arendshorst and Joe B. Hadden.

In the 6th ward an alderman failed to be elected on primary day and the contest Monday will be between Arie Vander Hill and Jacob Sprang.

In the Third Ward no one constable received the required number of votes to insure his election at the primaries, therefore Gerrit Van Haasten and Dick Honkes, will have to crao it out next Monday.

You can readily see that the April 4th election this year will be of much more importance than the primaries, and those voters who are under the impression that it's a ordinary reshuffle simply better forget it, and come to the polls and use their God-given prerogative.

The pupils of the 7th and 8th grades of the Christian school will render an Easter cantata Monday evening, April 4, at 7:30 o'clock, in the Central avenue church. The pupils have been practicing for some time under the leadership of Mr. J. Vander Ark, principal of the school, and will undoubtedly give a fine program. All musical numbers will be accompanied by the Colonial Orchestra. Besides the cantata, the program will consist of readings, drills and other miscellaneous numbers.

A silver collection will be taken for the benefit of the school.

### JIM VARANO FOUND GUILTY IN CIRCUIT COURT

MANY WITNESSES FROM HOLLAND WERE PRESENT AT THE TRIAL

For two days the case of Jim Varano of Holland, charged with concealing and having stolen property in his possession, occupied the attention of the circuit court.

The Holland police some time ago had not alone dug up a large consignment of automobile accessories including the auto robes of Dick Bouter and Daniel Ten Cate, but also found the Dodge car of Abel R. Todd of Lansing.

Varano strongly denied any knowledge of the stolen goods any further than that several other Italians had rented the garage and were rooming with him.

The state records show that an auto license was made out in Varano's name, but this was denied by Varano. The court proceedings, however show that Varano did apply for a license and had it sworn to before Henry Luidens of the 1st State Bank.

Alex Van Zanten of the Peoples' State Bank was also put on the witness stand and swore that Jim Varano and Salvador Saganette, the man who jumped his bond in Muskegon, where he was being held for car stealing, had a joint account in the local bank. This was also at first denied by Jim Varano.

Other witnesses for the people were Chief Van Ry, Officers Steketee and Bontekoe, the men who unearthed the stolen goods.

Mr. and Mrs. Abel Todd of Lansing whose car was stolen were also placed on the witness stand, as well as John Kelly, insurance adjuster of Grand Rapids.

The jury was out 2 1/2 hours, when they pronounced Varano guilty. Jim Varano lives at 175 W. 22nd-st. and has a wife and nine children, and the judge is going to take his case into consideration very seriously, before the sentence is pronounced.

### HISTORY OF LOCAL CHURCH IS RECALLED

Large audiences gathered at the Fourth Reformed church both afternoon and evening when the 25th anniversary of that church was celebrated. This church is the only one of the Reformed church of Holland that still uses the Holland language and it fills a vital place in the community.

The church was organized in 1896 and the charter members were: J. Reidsma, Mrs. J. Reidsma, Harm Van Spyker, L. Visser, G. Westerweel, Mrs. C. Westerweel, G. Blok, Mrs. G. Blok, Mrs. K. Valkema, Harry Van Spyker, H. Van Spyker, Jr., and H. Riemersma. Six of these charter members are still members of the church at this time.

The pastors of the congregations and their dates of service are as follows: Rev. A. W. De Jonge 1898-'03; Rev. Wm. Wolvius, 1903-'07; Rev. J. M. Lumkes, 1908-'11; Rev. P. J. A. Bouma, 1911-'14; Rev. M. E. Broekstra, 1914-'18; Rev. J. F. Heemstra, 1918 to the present.

All the former pastors of the church, together with their wives, were present at the anniversary meetings.

In the afternoon a historical sketch of the church was given by Rev. Mr. Heemstra, who traced the work of the congregation from its inception to the present time. Rev. A. W. De Jonge, the first pastor gave glimpses out of the first period of the congregation's history. "Our Church Home" was the subject of an address by Rev. P. J. A. Bouma.

In the evening an address on "The Growth and Development of the Congregation," was made by Rev. W. Wolvius. Rev. J. M. Lumkes spoke on "The Substantial Quality of the Congregation," and the theme of the Rev. M. E. Broekstra was "Present and Future of the Church." The closing remarks were made by Rev. J. F. Heemstra.

The H. O. H. will hold an important meeting tomorrow evening in the club rooms over the Overland Garage. A special program has been arranged consisting of musical numbers and speakers. Adrian De Boom of Hope College will speak in the Holland language, and Rev. Ghysels is to give an interesting talk. One of the members is to get a \$10 bill, but come to the meeting and find out how.

Born to Mr. and Mrs. M. Hanchett—a daughter.

Mrs. A. A. Van Raalte is confined to her home at 172 E. 16th street with illness.

Word has been received in Holland that Rev. H. J. Veldman, formerly pastor of the Reformed church in this city, has accepted a call from the Reformed church in Detroit. For the past twenty months Rev. Veldman has been pastor of the Reformed church at Newkirk, Ia.

Rev. J. I. Fies, 79, widely known throughout western Michigan as a minister of the Christian Reformed church, died early Wednesday at the home of his daughter in Kalamazoo.

Rev. Fies was taken ill Saturday while in Kalamazoo to spend Easter with his children. He held pastorates in Zeeland and Muskegon.

### BOUNDARY CHANGE NOT TO COST TOWNSHIP A CENT

LOCAL OFFICIALS GET ASSURANCE FROM STATE HIGHWAY DEPARTMENT

Positive assurance that the changing of the boundary line of Holland will not mean a single cent of added expense for the bridge across Black River to the people of Holland township was given Wednesday to Mayor Stephan and City Attorney C. E. Me Bride by Judge Carr, for a long time at the head of the legal department of the Michigan Highway Commission.

The charge has been preached again and again in Holland township that in case the boundary line is changed there is danger that the whole burden of maintaining the bridge will be thrown back on Holland township. Prominent township men are said to have spread this report at public meetings and privately, and hence the city officials asked for a definite statement from the highest legal authority in the state that could be consulted. Judge Carr is one of the best legal minds on the highway issues in the state and what he says is authoritative.

Judge Carr informed the Holland officials that all bridges on trunk lines are under the joint jurisdiction of the state and county. They are maintained under the provisions of the state highway department law and not one cent of the burden will fall upon Holland township as a result of changing the bridge to that jurisdiction. The law provides that where there are three miles of state award highway in a county the state goes fifty-fifty for the erection and maintenance of all bridges that have a span of more than thirty feet. The local bridge is much wider than that and hence comes under this provision.

The change of the boundary line is to the advantage of the township as well as of the city. It is entirely fair that all of Ottawa county should help pay for the bridge here just as Holland township and Holland city helped to pay for the bridge at Eastmanville and other bridges in other parts of the county.

### PARK TOWNSHIP MAN ASKS DAMAGES FROM DRAIN COMMISSIONERS

George Went, gardner at Gold's farm has brought suit against former County Drain Commissioner B. Kammeraad and present County Drain Commissioner Henry Sierama, because of alleged faulty construction of the Harlem drain, which he claims damaged his celery lands. The case no doubt will be a very interesting one as many legal technicalities will come up governing the drain law. Attorneys Raymond Visser and Robinson will appear for Mr. Went, while Attorney F. T. Miles will take up the case for the drain commissioners and their bondmen.

### SUPREME COURT SUS-TAINS LOCAL CASE

The case of Henry Baker vs. Mrs. Kingsworth of Ottawa Beach, decided in circuit court in favor of the latter was sustained in the supreme court today. The case when tried in Circuit court shows by the evidence that Baker claimed that he had sold Mrs. Kingsworth a home in Ottawa Beach, and when the lady moved away for the season H. Baker moved in, claiming that she had gotten behind in her payments.

Mrs. Kingsworth through her attorney, T. N. Robinson, brought eviction proceedings, to the Ottawa county circuit court and won her case.

Attorneys Smedley & Linsey of Grand Rapids for Baker carried the matter up to the Supreme Court and today, the court sustains the judgment of Orien S. Cross of the Ottawa county circuit, and Mrs. Kingsworth wins her case for the second time.

### HOLLAND LEGION-NARIES SEND OUT OUT "LISTEN TO ME"

By Saturday every home in the city will have a "Listen To Me" in the mail box.

The paper is compiled by "Scottie" of the Grand Haven Tribune and is gotten out under the auspices of the Charles A. Conklin American Legion Post No. 28, Grand Haven.

The entire of Ottawa county will be plastered with this issue which will appear only once to help foster the \$30,000,000.00 bonus fund that will come up for a vote of the people next Monday.

The paper contains the names of the Ottawa county hero dead and has a caption of "Lest We Forget." The pictures of several of the Ottawa County boys who paid the supreme sacrifice are also published, and the entire issue is complete with reading matter setting forth why the bonus proposition for our soldiers should pass. Many cartoons and tales of heroism are here told and the publication should have the desired effect of helping to pass by a large vote the proposed bonus project.

Holland citizens should read this paper thoroughly and then go to the polls and vote "yes," on the soldiers' bonus.

## GIVES REASONS FOR FAVORING MOV- ING BOUNDARY

In a communication in regard to the moving of the northern boundary of Holland, Ald. Wiersma makes clear why this change should be made. This question will be voted upon in the April election, and Mr. Wiersma's communication gives some clearcut reasons why this measure should pass. The article follows:

The proposition to change part of the north boundary of the city of Holland will be voted on by the citizens of Holland township and the City of Holland at the regular spring election Monday April 4. In order that the voters of Holland township and the city of Holland may fully understand the reasons for this proposed change, I have written these few lines and request same be given space in your paper.

About two years ago the question of a new bridge across Black River on North River avenue was very strongly recommended to the Common Council by a number of interested citizens of both the city and Township of Holland. Among others, the chairman of the Ottawa County Road Commission, Mr. Austin Harrington, urged action be taken as soon as possible.

We understood this matter has been taken up with the State Road Commission and are assured of the usual percentage of state aid for the construction of this bridge.

The city of Holland, however, under present conditions, would be required to bond itself for the balance of the expense (at least \$50,000). We do not believe this to be a fair and equitable division of expense for this proposed improvement.

The city of Holland and Holland Township are annually raising about one-third of the total County tax including road and bridge tax and have contributed to that extent in the building of the Eastmanville bridge over Grand River and all other bridges and roads built in the other parts of Ottawa county. They will continue to so contribute their proportion to all other bridges built across Grand River in the future.

We believe it right and just that the proposed new bridge across Black River be financed under the same plan. In order to do this legally it is necessary to make a slight change in the location of the boundary between the city and the township. This change will give the Ottawa County Road Commission jurisdiction over the entire improvement.

Rumors are afloat that if this change is made it would result in placing a large additional expense on the Township of Holland. That is not correct. The proposed change places the present bridge as well as the proposed new bridge under the supervision and control of the county road commission and any expense connected with the same thereby becomes a county expense.

As the bridge is located on a trunk line highway it should be a county-state bridge.

Citizens of Holland Township and the city of Holland! You will vote right if you vote yes on the proposed boundary change.

This is your opportunity to have some of the money you are taxed for county roads and bridges spent at home.

Ben Wiersma.

## A MATTER OF FAIR PLAY

As Alderman Ben Wiersma has so clearly pointed out in an article printed in this paper there is no disposition on the part of the people of Holland to "put something over" in the matter of the changing of the boundary line of Holland. It is very natural that people not living in this city should look with suspicion on a proposal to cut down the territory of the city, when this proposal comes from the city itself. Such an attitude of suspicion is wholesome. It is right that citizens should examine carefully movements of that kind. Careful thought given to such questions makes for good government. On the face of it, it does not look reasonable that a city would care to cut a slice from its own territory.

But there is nothing hidden about this proposal. The movement was started purely for the purpose stated by Mr. Wiersma. The council of the city of Holland felt that it would be no more than fair that the rest of Ottawa county should help pay for the new bridge across Black river in the same way that Holland city and Holland township have helped to pay for the bridge at Eastmanville and for all other bridges in the county. There is nothing underhanded in that, and any fair-minded man, even though he lives in some other part of the county, will assent to this proposal. Holland city and township have done their full share to improve bridges in other sections; it is fair that the other parts of the county should return the compliment.

But there is a legal technicality in the way, and that legal technicality

is the boundary line of the city. By drawing it in a few rods the city will place the bridge under county jurisdiction. That is all that there is to the proposal. There are no hidden motives in plain view. No citizen can go wrong in voting "yes" on this proposition at the April election.

## COMMITTEE'S WORK IS INDEX OF INDUS- TRIAL CONDITIONS

Perhaps the department for distributing temporary aid to the poor of the city is about as good an index of the prosperity or lack of prosperity in the city as any other agency. And during the past few months this department has very decidedly reflected the fact that work is scarce and that industrial conditions are not at all what they should be.

During the past few years, when wages were high and work was plentiful, the committee on poor at each council meeting reported an extremely low amount of money expended for temporary aid. But during the past four or five months the amounts have been steadily climbing. A few weeks ago the sum was \$106, which was the high water mark for the past several years. Until about six months ago, the amount usually was between sixty and seventy dollars but lately it has been hovering around the hundred dollar mark.

This amount in itself is extremely low for a city of 12,000 population. There is comparatively little poverty in Holland and the number of persons who are helped by the city is rather small compared with some cities. But as compared with what it was six months ago and during the three or four years preceding that, it is high. The general public does not know much about the workings of the committee on poor, but it is in many ways one of the most interesting departments of city government. Ald. Frank Brieve has been chairman of the committee for four years. The other members the past year have been Ald. Brinkman and Ald. Vander List.

Every request for aid from the city is carefully investigated and no aid is extended unless the committee is satisfied that it is needed. Occasionally someone tries to put one over on the city, but the committee on poor is working on the principle that on the one hand all cases of actual distress must be relieved but on the other hand the tax payers' money is not to be given to anyone who can possibly help himself. To follow out this policy strictly means a great deal of work, and the committee spends many evenings investigating the facts in the various cases.

## WOULD SET ASIDE SWAMP LANDS FOR HUNTING

Apparently the musk-rat shooting controversies that have been waged between hunters and owners of swamp lands near Saugatuck have found their way into the legislature. During the past week a petition signed by a large number of Allegan county residents was sent to Representative Wade of that district, asking him to use his influence to secure the passage of a bill making a public park and hunting ground of certain submerged and marsh lands. Before the petition reached Mr. Wade the bill had passed the lower house, but the signing of the petition shows the deep interest that exists in and about Saugatuck in this matter.

The section of the bill that has the essential features of the proposed statute is as follows:

Sec. 1.—That all of the swamp or submerged lands lying along the borders of Lakes Erie, Huron, Michigan, Superior, and St. Clair, except such parts of the St. Clair Flats so called, as shall have been prior to January 1st, 1899, actually occupied, built up, cultivated or improved to the extent of at least \$25 within the boundaries of the state of Michigan, and within the limits hereinafter described, and also all swamp or submerged lands adjoining said lakes, or in the bays adjoining or emptying into said lakes (and also all swamp or submerged lands contiguous to and lying along the shores of the Kalamazoo river, Grand River and Muskegon river) which now belong to the state of Michigan, or to which the state of Michigan shall hereafter acquire title, shall be and hereby is set apart and dedicated for a public shooting and hunting ground, for the benefit and enjoyment of the people of the state of Michigan. The park so set aside shall extend to the state line into the respective lakes from the shore line thereof, and the outer boundary shall be the center line of said lakes or the boundary of said state, and shall include all swamp or submerged lands lying between said shore line and outer boundary.

## OTTAWA COUNTY WILL BE ASKED TO GIVE \$2000 FOR COLLEGE

Holland is to have another drive. In fact the whole of Ottawa county is to have a drive, together with the rest of the state. This time the needs of Alma College are set forth.

Friends of the Alma college in Ottawa county will on April 3rd, begin a canvass in the interests of that institution.

The local campaign will be a part of a state-wide effort inaugurated to secure a total of \$685,000.00 before Commencement in June. Alma College is the only Presbyterian school in the state. The Presbyterian congregations in Lake, Mason, Mecosta, Newaygo, Oceana and Osceola counties will endeavor to raise \$3,000.00. Kent county, outside of Grand Rapids, Muskegon and Ottawa counties have accepted a quota totaling \$2,000, while the district of Ionia, comprising Ionia and Montcalm counties, will strike for \$1700.

The Grand Rapids City quota is \$20,000.00. The campaign in the Grand Rapids Presbytery has been organized with Dr. B. H. Masselink, of Grand Rapids as Regional Chairman. The Rev. J. J. De Kraker, is chairman of the Grand Haven district, E. E. Fell being the Holland chairman.

Alma college is one of the few institutions which has not been merged by the high cost of living wave that has swept the rest of the country. Its charge for tuition is only \$80 per year. The average expenditure per student is less than \$475.00 per year.

Even though expenses have been held at these low figures, sixty-seven per cent of the students have worked to pay their way. Attendance at the institution has so increased that new buildings and equipment are necessary. The college must either secure funds as a result of a general appeal, or make a drastic increase in tuition charges. If such an increase were made, many of the students who are paying their own way would be forced to drop out.

## ZEELAND MAN HELD ON A DIS- ORDERLY CHARGE

Nick De Vries of Zeeland was arrested by Deputy Wm. Hietje and lodged in jail. The following morning he was arraigned before Justice Roosenraad on a charge of disorderly conduct and assault and bound over to circuit court under \$500 bail, which he furnished. Officer Hietje was called to the home of the DeVries' because Mr. DeVries was in a drunken rage and was abusing his wife and threatening her with a revolver. She escaped through a window and sought safety with a neighbor who called the officer. Upon being arraigned he stood mute claiming he knew nothing of the whole affair.

Some of the farmers of Jamestown are agitating a change in the present system of highway improvement and repair work in that township. It has been claimed by some that the centralized method of governing the roads does not work out satisfactorily and they believe the old system gives a more general satisfaction. The present system, it is said, tends to make very good roads in certain parts of the town while other roads are entirely neglected.

## JUST A THOUGHT ON THE HOUSE SHORTAGE

The Bolhuis Lumber & Mfg. Co. was reported as giving \$25 in cash to the six best essays written on the subject "How Shall We Remedy the House Shortage." This paper will give next week several ideas that will convey some thoughts on this subject and give material for these essays in order that pupils may get some conception of what is required. The Allegan News this week in a small local gives at least one thought and we publish it below:

"Something should be done to relieve the house shortage. Allegan would grow several hundred in population if she were able to house the people who desire to move in. Men who have means to build houses can help Allegan grow by doing their part. Rents in Allegan are high enough to warrant the building of better houses than we have for rent. People should have modern conveniences if they pay a modern rental."

## MEN WHO RODE IN PATROL WAGON HAD THE BEST OF IT

J. J. Rutgers and Al Brinkman, the two Holland men who were given a wild ride in the patrol wagon in Muskegon while a group of Holland men were in that city last week attending a demonstration of a new 750 gallon fire truck, had the laugh on the rest of the company. While they were riding in the patrol wagon and keeping their clothes dry, the rest of the Holland men rode in the open on the fire truck and were pretty well soaked with the rain. So when the demonstration began, the two who rode in the patrol wagon were, according to their own confession, about the only ones fit to pay much attention to the work.

"Besides," they declared, "those who told the story on us said the patrol wagon went across Muskegon at 40 miles an hour. They didn't know what they were talking about. It went all of seventy miles an hour. It was the best ride we ever had and the rest of the bunch were green with envy."

## MRS. SWAN A. MILLER DIES IN CALIFORNIA

Word was received in Holland Saturday announcing the sudden death in California of Mrs. Swan A. Miller of Macatawa Park. Mrs. Miller is well known in Holland, and Macatawa Park and made a great many friends during the years that the Millers spent their summers here.

Mr. and Mrs. Miller were expecting to leave California on March 20 to return to Macatawa, but death came suddenly to Mrs. Miller on March 18. Interment took place in California. No particulars about her death have been received other than that it was due to heart disease.

Mrs. Miller was about 70 years old. She and her husband made Macatawa their summer home for 23 years. Miller was the manager of the Macatawa Park Association.

Miss Florence Martin of Detroit is visiting with friends in this city. Miss Martin was formerly a teacher in the Holland Schools.

## DISMISS AGNEW ARSON CASE FOR LACK OF PROOF

Reinhold Zacharias and his wife Ethel Zacharias of Agnew, charged with being implicated in the burning of their home on January 8, were discharged from custody in Justice Dickinson's court Thursday morning. The justice decided after the examination in which a number of witnesses were used that there was not sufficient evidence against the two defendants, and the case was ordered dismissed. John Zacharias, who recently took his own life, at Agnew was charged with arson in this case, and his son and daughter-in-law were held on the charge of being implicated with him. Thursday's decision put an end to the matter. Mr. Zacharias stated after the decision of the court that he was glad the investigation had been carried to the limit.

## VOTE "NO" ON GAS QUESTION, MAYOR ADVISES

Speaking not only for himself but for the whole city administration and giving the general sentiment of the council, Mayor E. P. Stephan Tuesday went on record as opposed to the building of a new city gas plant at this time. This matter will come up for a "straw vote" at the April election.

"When the purchase of the present gas plant came up for a vote at the primary," said the mayor, "we kept hands off, preferring to let the people decide for themselves. The question had been so long discussed that we believed the people had all the information they needed to make a decision. We tried to put the gas question before the people in the best possible way. The committee worked hard to get the price down to the lowest point and we believe they succeeded. Whether the plant was worth the money asked or not is beside the question. It is certain that the lowest price was secured that it could be bought for. If Holland wants a municipal gas plant, there was no question in the minds of well informed citizens that the best thing would have been to buy out the present company."

"However, at the primary, this was turned down by a large majority, and in order that we may get the opinion of the public on this question from all angles, the council decided to put the matter of erecting a new plant up to a straw vote. This straw vote will not decide anything but it will give the council an idea of how the people feel."

"In case it should carry, it would mean that the council would have to secure plans and specifications for a new plant, engage a competent engineer for this preliminary work, the whole thing at a possible expense of from \$5,000 to \$10,000. Then the matter would have to go before the people for final decision. What the complete cost of a new gas plant would be is hard to say, but it would probably be between \$400,000 and \$500,000."

"We believe this would be a foolish undertaking at this time. It would mean a scrap for years to come with the present gas company and the cause of untold friction between our citizens, which in the end would cost the city much more than the old plant could have been bought for."

"In view of the many propositions that now confront the people, we believe the citizens decided correctly at the primary election not to go into the municipal gas business, as this is not the time to bond Holland heavily for anything like municipal gas. We have tried to inform the people of the problems that confront us and have not concealed anything. The water problem is a pressing one, more serious than 90 per cent of the people realize. The board of public works is making every effort to get a sufficient water supply and will probably spend from \$15,000 to \$20,000 this summer in their search for water."

"Engineers are now at work on the sewage disposal problem, and will report some time this summer. It is impossible to know what the cost will be of solving this problem, but it will probably be not less than \$150,000 to \$200,000."

"Then there is the hospital. Everyone who has occasion to use the hospital knows that better and increased facilities are needed urgent-

ly. All who have used the hospital have become strong boosters for that institution, and this question will confront the people the coming year. "So there we have three propositions—water, sewage, and hospital—every one of them more urgent and more necessary than municipal gas. The Fifth and Sixth Wards can have gas and could have had it before on the same basis as the rest of the city and can get it at the same price as the rest of the city. With a good,

honest and efficient Public Utilities Commission, such as Michigan now has, the people can rest assured that they are not going to be held up by unfair gas rates."

"We hope that the citizens will realize the importance of the coming election. The council would like very much to get out a good vote on this question so that they may be guided in their future action accordingly. But our advice on the straw vote on the gas question is to vote "no."

## LOCAL GUARD GETS CREDIT FOR ONE DRILL

Monday evening the first drill of the Holland Unit of the National Guard was held in the temporary armory over the Wolverine Garage. Although it was the first drill so far as the actual work goes, it will be the second drill so far as credit goes. Mr. Geerds has received word that the inspector who came here to give the local unit the once over was so pleased with the appearance and discipline of the men that he has given them credit for one drill. This is an unusual procedure and proves that the inspector meant every word of his talk last Tuesday night when he declared that the Holland bunch was one of the finest he had inspected anywhere in the state. While the credit for one drill will mean elimination of some work, that is not the real reason why the local guard members value it. It is in its way a signal honor and is greatly appreciated by the boys. It has inspired them to work all the harder and to make the Holland unit one of the best in the state.

The drill Monday evening was from 7:30 to 9 o'clock. Every member of the unit must be present during the whole of that period in order to receive credit for the drill. Membership in the National Guard will mean a good deal of work, and the officers are determined to maintain the best discipline so that Holland will have the real thing in the National Guard. The policy of promotion on merit has been adopted at the very start, and anyone who rises rapidly will do so because of his own individual efforts.

The drills will be held on the second floor of the Wolverine Garage for the time being, but as soon as the weather permits the drills will be conducted out of doors. There is a good deal of interest in the guard here, and by the time outdoor drills begin it is expected that he boys will have all their equipment so that they may present a real military appearance.

No time has been lost by Col. Bersey in getting the equipment ordered. The same night that the local unit passed the inspection Col. Bersey wired the order for the equipment to Lansing and also the same night the requisition was mailed to Washington, D. C.

## HOLLAND "CRIMINALS" ATTRACT ATTENTION IN MUSKEGON

When the Muskegon police patrol wagon went through the streets of that city Thursday at a lickety-split rate of about forty miles an hour everybody along the street stopped to look. It was supposed that the police had two desperate criminals in the wagon and that they were afraid the men would make their escape. Newspapermen hustled to police headquarters to find out what catch had been made, only to learn that the "desperate criminals" were two staid citizens from Holland, one an alderman and the other a member of a city board. The two men who received this wild ride in the criminal motor cage were Al Brinkman and J. J. Rutgers.

In making the fire truck demonstrations, the party had to go across the city, and while the others piled on the fire truck, these two men entered the patrol wagon, not noticing the character of the vehicle. The police driver saw an opportunity to have a practical joke and he took it. And for the rest of the day the other members of the Holland party had the laugh on Brinkman and Rutgers.

The party from Holland that went to Muskegon to see the demonstration of a new 750 gallon La France fire truck were C. Blom, Frank Brivee, J. J. Rutgers, J. S. Dykstra, Chas. Dykstra, N. Kammeraad, Jack Blue, Al Brinkman, and John Knoll. Very interesting demonstrations were given for the benefit of the Holland men.

## CLASS CHAMPIONSHIP GAME IS PLAYED

One of the most popular and interesting games of the basketball season was played at Carnegie Gym. on Thursday evening in the class championship decision game between the Juniors and Sophomores. The final game of the season, scoring a victory for the upper classmen by a margin of 15-9, was hotly contested from beginning to end. Strong and accurate defensive playing was especially characteristic of the game, coupled up with keen class rivalry, clean sportsmanship. Joldersma and Japings, members of the respective classes, each refereed a half of the game. The summaries which are indicative of the nature of the game are: For Sophomores: Field baskets—Bols 1, Neckers 1, VanZanten 1, Tuinisma 1; foul baskets—Neckers 1 out of 3, Van Zanten 0 out of 3; substitutions—Tuinisma for Borgman. For Juniors—Field baskets, Flikema 2, Te Paske 1, Baker 1, Hoffman 1. Fouls—Te Paske 5 out of 8; Baker—0 out of 1. Substitutions—Hamelink for Lubbbers.

## MANY PRIZES OFFERED AT HOPE COLLEGE

For some years a number of prizes and awards have been offered by different donors to the students of Hope College designated to inculcate a greater incentive in the work of literature, oratory, debating and all-round scholarship. A number of these prizes are in conjunction with the courses of the Department of Bible and Philosophy, and are particularly directed toward biblical literature and missions. In the case of oratory and debating the subjects for consideration are arbitrary, provided they are of a patriotic nature, while essays for missions and bible courses are required to treat the same question. The committee in charge has submitted the following announcements regarding Mission and Bible Course Essay Contests. The Mrs. Samuel Sloan Foreign Mission Prize—"James Hudson Taylor and China Inland Mission." The prize is open to any student in the college, offering the best essay on Foreign Missions.

The Van Zwaluwenburg Domestic Missions Prize—subject "Walter C. Oe—Our Pioneer Missionary to the Indians." This prize will be given to the student of the college department who offers the best essay on Domestic Missions.

The Daniel Stokette Bible Prize will be awarded to that student of the Senior class who shall write the best essay on "Miracles; Stumbling Blocks or Stepping Stones." The essay is a part of the regular work in Evidence of Christianity and is required of all students in the course.

The Cooperaville Men's Adult Bible Class offers a prize to that student of the Sophomore Class who submits the best essay on "The Problems of the Apostolic Church and their Solution."

The essay is a part of the regular work in Biblical literature and is required of all students. The merits of the student's work done in connection with the course or courses completed, will be taken into consideration in awarding the prizes. Some of the subjects are assigned by Prof. Paul E. Hinkamp, professor in Biblical Literature and Philosophy and a member of the committee in charge of the awards and prizes.

All students who desire to qualify themselves for these contests must register before March 25th. Last year an appreciable number of students entered these contests, and it is possible that the number of essays submitted this year may far exceed last year's number, so that the competition will arouse a good deal of interest.

Two prizes have been established by George Birkhoff, Jr., one in English Literature for the Junior Class, and one in Dutch Literature for the Senior Class. The subjects for the ensuing year are: Ralph Waldo Emerson, and "Stadhouder Willem III en zijn invloed op de buitenlandsche politiek."

The prizes and the awards in oratory, debates and scholarship will be decided thru a public contest, or otherwise subject to faculty award.

## PLANS READY FOR SERIES OF DEBATES

The Debating League of Hope College has practically completed all negotiations for the debates in the forensic season. The League has arranged a schedule this year that calls for a number of additional men.

Through a ruling made by the league, all forensic intercollegiate debaters are eligible to the college teams without further preliminaries, while the new men are selected thru the intersociety elimination debates. The first debate to be staged is the Alma-Olivet-Hope triangular debate, on April 15. The issue of the debate will center upon further Japanese immigration into the U. S. The men who will represent Hope in this contest are Peter De Vries, Abe Rynbrandt, Wm. DeRuiter, Jerry DeVries, Jack Prins and Jay Elfers.

On April 20, the debaters will meet the Detroit Law School in a dual debate on the question of compulsory arbitrations of labor disputes. Hope broke even with the lawyers last year, and a number of the old "war horses" will carry on the fight for another year.

The affirmative team will debate the question here, the negative team will debate at Detroit. The personnel of the respective teams are: Dan De Graaf, Maurice Vischer, Winfield Burggraaf, Anthony Engelsman, Judson Oosterhof and Richard Blocker. Hope will meet the Kalamazoo college in a dual debate on May 13, on the question of Japanese immigration. The negative team consisting of Blocker, Staplekamp and Yntema will debate there while an affirmative team, to be chosen from the personnel of the triangular debate will uphold the affirmative here.

## SHOWER IS GIVEN

Thursday evening a miscellaneous shower was given in honor of Miss Grace Lanning at her home. Miss Lanning will be a May bride.

An enjoyable evening was spent in playing games and a three course luncheon was served. Those present were Misses Ella Brink, Gertrude De Witt, Helen Huizenga, Clara Huizenga, Reka Mass, Rolena Olert, Estie, Ruth and Ella Lanning, Lena, Anna and Bertha Vischer.

## COUNTY NURSE GREAT SUCCESS IN ALLEGAN

Mrs. O. S. Cross of Allegan has issued the following statement in regard to the proposal for a county nurse that will be voted on in the April election in Ottawa:

For three years Allegan county has had a public school nurse. We have found her work so beneficial we have engaged a second public health nurse the work in the county being too large for one nurse to take care of. A county nurse starts her work with inspection of the school children for physical defects. The report of our nurse's work in the townships of Fillmore and Overisel follow: "Children examined 583, Normal, 72; Defective teeth 502; Defective throat, and nose 206; Defective hearing, 24; Defective vision, 82; Miscellaneous, such as anaemic, nervous, speech defect, malnutrition etc. 115."

The result of the inspection as shown by the above figures certainly must convince everyone of the great need of the services of a county nurse.

The duty of every county school nurse is to send a statement to the parents of each child found with some physical defect showing the condition of the child and advising the parents to take him to the family physician for treatment, that such defect may be corrected.

The nurse makes home visits to the children needing medical attention and often times takes the little patient to the doctor or dentist, if there is no one in the home to attend to this.

She spreads the gospel of good health throughout the county thru means of Modern Health Crusades, Little Mother's Clubs, School Inspection, Dental Clinics and the Hot School Lunch Clubs, all held for the school children.

For the adults in the community the nurse is glad to speak on health topics, before grange meetings, lodge meetings, church gatherings, community meetings of any kind, and she makes as many home visits as she has time for. After her regular days' work she will hold Home Nursing Classes, Baby Welfare Clinics and Pre-Natal Clinics on certain evenings of each week. So your trained worker in public health goes about in your community helping wherever the opportunity appears and has for one of her slogans "You cannot get sick if you keep well."

All of the activities spoken of above have been carried on by the public school nurse of Allegan county. The improvement of the scholarship of some of the pupils, the many helps given each day by our nurse can never be measured for they are limitless.

At the spring election should the voters of Ottawa county decide to employ a public health nurse it will mean the people of the entire county will be privileged to enjoy the benefits and advantages Allegan county has enjoyed for the past few years through the splendid work of our public health nurse.

Mrs. Orien S. Cross.

## TO CONSULT STATE SECRETARY ON "Y" BUILDING

The board of directors of the Y. M. C. A. met in regular session at the offices of the county secretary on Thursday afternoon. The various committees of the board reported on their respective activities and after a discussion of the report of the building committee, it was authorized to meet and consult with L. E. Buell State "Y" secretary, with reference to the tentative plans to give Holland the Y. M. C. A. building it so badly needs. This committee has been busily engaged for the past several weeks collecting information and data on a building which it is believed will answer the city's purpose, all of which has already been submitted to the board.

Building costs have also been investigated and plans and specifications with an estimate of costs are in course of preparation.

The board itself is on record as favoring a building project and the sentiment of the people thus far canvassed is very favorable.

## SUNDAY SCHOOL SHOWS CONSIDERABLE GROWTH

The quarterly teachers meeting of the Sunday School of the First Reformed church was held Thursday evening at the home of Mr. and Mrs. Louis Mulder 267 West 19th-st. The reports of the various committees were very encouraging and showed that the school is in flourishing condition. The total enrollment for the first quarter was 1,085, while the average attendance was 707. Last year during the first quarter the average attendance was 615.

The devotions were conducted by Mrs. George H. Huizenga. A paper on the subject, "Some Errors Made in Sunday School Teaching" was read by D. Beengs. Miss Jeannette Westreer read a paper on the subject, "What a Teacher Ought to Be." An interesting discussion followed. Miss Geneva Van Lente gave a reading.

Mrs. Brian Dunlap and daughter Ruth of Muskegon are staying at the home of her sister, Mrs. Simon De Groot.

## JOHN TINHOLT OF ZEELAND BOUND OVER TO CIRCUIT COURT

Part of Tuesday and yesterday was taken up with the examination of John Tinholt, the man who is charged with having made an attempt upon the life of his step-son, Cecil Hecox, by attempting to shoot him in the back while riding in an automobile.

The deed has already been published, happened near the Waverly bridge northeast of Holland.

The examination was conducted before Justice Roozenraad with Prosecutor F. T. Miles appearing for the people and Attorneys Thos. N. Robinson and Jay Den Herder of Holland, defending Tinholt.

Justice Roozenraad of Zeeland, where the examination was held, considered that he evidence was sufficiently strong to bind Tinholt over to circuit court, where he will have to stand trial during the March term. The charge made against Tinholt was locked up the Ottawa county jail because he was unable to give bonds for \$5,000.

## NORTH SIDE BOOSTERS CLUB WANTS A PARK

The North Side Boosters are certainly a progressive lot. Lights were recently installed and John Dunton donated a lot to help defray the expenses; and also the North Side is a veritable park in itself filled with natural woods and native shrubs, they still want another park for the purpose of obliterating an eyesore.

Right across from the North Side grocery is a beautiful site for a park only it is low and swampy.

John Dunton owns the ground and he has told the boosters to go ahead and make a park of it and fill the low place from his land a little further north which contains a large sand hill.

The boosters are now dreaming of beautiful lawns, park benches, a little fountain and other things that go into the making of a park.

It is expected that the approach to the North Side will be beautified and made inviting while now the same spot is a regular dump for refuse.

## ZEELAND WRESTLER IS THROWN AT FENNVILLE SHOW

A wrestling and boxing match was given in Legion Hall at Fennville by Mack Chellman's Post 220. There was a fair audience considering the weather. All ringside seats were taken. It was the best wrestling and boxing match ever put on in Fennville. The crowd received three hours of solid entertainment.

Cy Vande Luyster, welterweight of Zeeland, was thrown by Grappler Lameraux of Saugatuck. The agreement between the two wrestlers was that if neither received a fall within thirty minutes, it would be called a draw. This match was the most spectacular of all the events. Vande Luyster was outweighed by twelve pounds and some 15 years of age. He broke as many as eight severe toe holds, the last fall resulting from a toe-hold and half Nelson in 24 minutes. Vande Luyster will be at the next show in about a month.

Three other matches were staged: Oliver Morey of Fennville, outboxed Fred Smith of Chicago; Harve Bryan outboxed L. Carter, both of Fennville; Sailor Bryan of Fennville and L. Peterson of Morley wrestled one hour to a draw.

William Standley, Michigan State Athletic Board of Control, refereed the bouts.

## WILL ATTEND EDUCATIONAL CONFERENCE

Two representatives of the Meyer Music House will attend the Educational Conference of Victrola Dealers which is being held in Chicago this week. The work which the Victor Talking Machine Co. is doing in Educational work in schools everywhere in the country is well known among the teaching profession. They issue special records for educational work, including a course describing the orchestra instruments by means of large charts, and special records which give the tonal quality of the various instruments alone and ensemble. Other records teach music appreciation and history, voice and musical form; some are songs, stories, readings, games and marches.

Harris Meyer, manager of the local music store and Miss Mable Peters, Victor Record saleslady, will attend the conference. Mrs. Meyers who has been visiting her parents, Dr. and Mrs. H. E. Dosker of Louisville, Ky., will join her husband in Chicago, and is to attend the conference, which will be in session for three days.

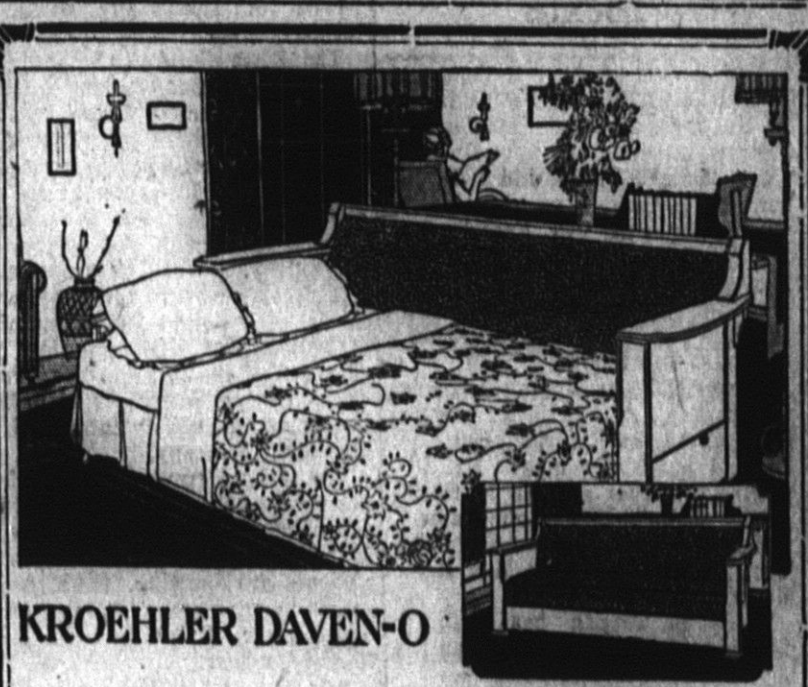

Miss Martha Rich left Saturday spend the Easter vacation with her morning for Notre Dame, Ind., to cousin who is attending school at St. Mary's Academy.

Mr. G. Buis is in Chicago on business.

## ANOTHER ESSAY SUGGESTION IN HIGH SCHOOL CONTEST

Several students in the high school who will take part in the \$25 cash prize contests are now looking around for suggestions. This paper has already given a few, more will follow, but here is another coming from Allegan:

"The Allegan city council will be asked to exempt new houses from taxation for a period of eight or ten years as an inducement to prospec-

## CANDIDATES PRESENT PICTURES TO LODGE

Impressive ceremonies were held by the Knights of Pythias Thursday evening when a class of thirty candidates were given the third rank. The exercises began at six o'clock with a banquet in Woodman Hall, served by Sam Miller. This was followed by rousing community singing, and then followed the conferring of the third rank on the large class of candidates.

In the course of the evening, Frank Lievense, one of the candidates sprang a surprise on the members by launching forth into one of the neatest speeches ever heard in K. of P. hall. As he spoke he had two large pictures in walnut frames unveiled, one of Washington and one of Lincoln. He said that it was fitting that the picture of the founder of this country should hang on the east wall, typifying the rising of the sun of America, and that the companion picture of Lincoln should also be placed on the walls of the club to keep them in mind of the political saviour of this country.

The address was appropriately responded to by Chancellor Commander Oscar Peterson, and talks were also given by C. Vander Meulen and E. P. Davis. The exercises of the evening were highly interesting and the unveiling of the pictures was a complete surprise to most of the members. The pictures were the gift of the class of candidates to the lodge.

## LOCALS

The pictures of three Holland men appear in the Grand Rapids Herald of Sunday together with several hundred others. They were Dr. M. J. Cook, Harry N. Buss, and J. B. Jester. These men have finished up their work in the "Dr. Fred N. Bonnie" class in the consistory of the Scottish Rite Masons. The high degrees were conferred at the convocation held by De Witt Clinton Consistory in Grand Rapids.

George Dok and Harvey Fairbanks took part in a special Easter program given at the 2nd Reformed church at Zeeland Sunday evening. Mr. Dok playing the organ and Mr. Fairbanks playing violin solos and obligatos.

Miss Elsa Koerber of Rockford College, Illinois, is visiting Miss Helen Moser.

Dr. W. M. Tappan has been appointed surgeon for the Michigan R'y to succeed Dr. J. J. Mersen.

Mrs. P. H. McBride has returned from Long Beach, Calif., where she spent the winter.

Voters and taxpayers of Heath township, Allegan county, will be given an opportunity to decide as to whether the township shall have a town and community hall. The plan is to raise \$1,700 by taxation with which to remodel the proposed building. It is planned to buy the Davis property.

Sheriff Leo Hare of Allegan county, has returned with George Heffernan, who was arrested at Stretcher, Ill., on the charge of embezzlement. Heffernan is accused of selling oats belonging to Henry Grube of Cheshire. In default of securing an \$800 bond Heffernan was remanded to jail.

Petitions are being circulated for the resumption of the daylight saving schedule from April 17 to Oct. 1. The plan was inaugurated last year and it is anticipated that enough signatures will be secured to influence the council to change the time. The plan is very popular with the working classes.

The North-st. Christian Reformed church of Zeeland will give a festival Wednesday evening for the benefit of the Chinese relief fund. The program includes music, recitations, dialogues and an address on China by Rev. H. Oostendorp.

The annual meeting of the Michigan Tourist and Resort association will be held at the Association of Commerce, Grand Rapids, Wednesday afternoon and 100 or more will attend. The association expended about \$23,000 last season in publicity and promotion work and is making plans for a \$30,000 campaign this season.

Howard Miller, sophomore student who represented Zeeland high in the sectional state declamatory contest which was held at South High, Grand Rapids, won second place in honors.

John Van Der Kolk, Hamilton truck operator, is planning on running a freight line from Grand Rapids to Hamilton and other neighboring towns.

The Star of Bethlehem, O. E. S. No. 40 will hold no initiation this Thursday evening on account of the Masons attending lodge at Fennville.

## Pushing Time Back at the Age of Fifty

Health Talk No. 16

By JOHN DE JONGE, D. C.

Along about the time a man turns the corner of age fifty he is apt to get something wrong. It may be he finds he can't get an insurance policy, or that he is becoming tired too easily, or cannot think consecutively.

Some call it high blood pressure, some call it hardening of the arteries, some refer to it as kidney disease. It is caused by pressure upon spinal nerves, and it is corrected by chiropractic spinal adjustments removing this causative. High blood pressure comes to men or women under forty, but not so often. When the kidneys properly filter the blood, the deposit on the artery walls which stiffens them and causes high blood pressure, is carried off, and eliminated through the kidneys.

### Blood Pressure was 230, but is normal now

"My blood pressure was 230 and I was advised to quit work at once. I was a track foreman and obtained ninety days leave of absence. Because of a friend's advice, I tried chiropractic. At first I thought it was doing me no good, but at the end of thirty days I went back to work, and have not lost a day since. I am 58. Before I tried chiropractic I was told I would never work again and would die." L. R. Holton, Chiropractic Research Bureau, Statement No. 1257L.

ACT TODAY.—Chiropractic removes the cause of your disease. Consultation is without charge.

## AMERICAN LEGION

# Soldier Bonus

### OTTAWA VETS ARE BOOSTING BONUS BILL

Veterans of the World War in Michigan are becoming active in the effort to put thru the amendment to the state constitution which will provide for a bonus of \$15 a month for every month served to all men who left their jobs in Michigan to go into the world war. Ottawa county veterans are assisting in the campaign and Conklin Post of Grand Haven is making a special campaign thruout north Ottawa while the Willard G. Leenhouts Post is taking care of this community.

The amount of the bonus is extremely small compared to the service rendered. Almost every war industry civilian worker at home received a bonus in addition to his high wages, while the soldiers' pay was \$30 a month.

There were 400,000 veterans of the World War out of work in the United States on March 1 last, according to an estimate received by the American Legion. This is a reduction of about 100,000 from the "peak" of more than 500,000 jobless ex-service men in the country shortly after January 1 last and the Legion reports state there is promise of further improvements.

The survey of the national situation on which these figures are now based was made by the American Legion Weekly, official publication of the Legion which states that the unemployment situation as affecting veterans "appears to have taken a turn for the better."

A chain of employment agencies operated by the Legion in every state has done much to relieve the situation, say the Legion officials. The Legion has been instrumental in obtaining work for veterans, in discouraging the migration of unemployed men toward the great industrial centers and has encouraged a movement from cities to the farms. It has demanded that workers who left their positions to go to war should enjoy seniority rights on a par with those of military age who stayed at home.

Ex-Service men have suffered more in proportion to their numbers than other workers, according to the Legion's survey, because of the operation of seniority rules and efficiency standards. Nearly a year is required for the returned veteran to get back to his old stride in industry, according to the testimony of large employers of labor. Another thing that has handicapped the ex-soldier is his restlessness and nomadic tendencies both products of the strain and circumstances of war service.

### TO ASSUME WORK IN LARGER FIELD

The following clipping, from the Catskill News, will be of interest to Holland friends of Rev. C. B. Muste. Mrs. Muste is the daughter of J. B. Mulder of this city. The clipping follows:

"Rev. C. B. Muste of the First Reformed Church of Catskill, announced to his congregation Sunday that he had accepted a call to the Fifth Street Reformed church, of Bayonne, N. J. He expects to take up his duties there about May 1.

"It is needless to say that Mr. Muste's departure from Catskill will be deeply regretted both by the congregation of the First Reformed church but by our public. His work here has made him very popular. He took up his Catskill charge about two years and seven months ago. Besides his clerical duties, he has been active in social work and in various charitable functions, the chief of which was the presidency of the Green County Red Cross Chapter and of the Greene County Association of the Blind.

"The city of Bayonne, situated opposite New York City, has a population of 75,000. The Fifth Street Reformed church is a large and important congregation, very actively engaged in social center work. It is equipped with all the modern facilities for carrying on this work in an active way. The church has connected with it a Community House and a moving picture house. It has a community association which has a membership of 300 men. This work is undoubtedly one that Rev. Mr. Muste is peculiarly fitted for and his call to a larger field does not surprise his Catskill friends who know his talents and zeal. He will leave Catskill with heartfelt wishes for himself and Mrs. Muste and entire faith in his success in his new field of labor."

Attorney Raymond Visscher has taken over the legal matters for W. Stellema, the local fruit man, who has gone into bankruptcy.

### THREE NEW BUS LINES ANNOUNCED IN SINGLE DAY

Now that the movement has once started, bus lines are coming thick and fast. Recently the organization of a bus line between Holland and Gr. Haven was announced and Wednesday announcement was made that 3 bus lines in process of formation between Holland and several of the resorts.

The Ten Hagen Brothers Bus Line is the name of the new concern. The bus will go from Holland to Jenison, from Jenison to Macatawa, back again from Macatawa to Virginia Park and thence to Saugatuck and Douglas. On the return trip the bus will follow the same route, touching Jenison and Macatawa before coming back to Holland.

The new company has bought an International Truck with regulation bus body and it will be for carrying passengers only. The new company will make its first trip Saturday morning. A definite schedule has not yet been worked out but will be announced early next week.

Announcement of the formation of the White Bus Line between Holland and Saugatuck was made Wednesday. This line will start business on Friday morning, with the small bus now in operation by that company. Later on a large, regulation autobus will be placed in commission. Mr. White and a representative of the Peoples Garage will go to Lansing on Thursday to drive through a big new autobus to Holland and it will be placed on the line in a few days.

The schedule of Mr. White's Bus Line will be as follows: Leave Keefe's restaurant, Holland, 6 a. m., 8:30 a. m., 1 p. m. and 4:30 p. m. Leave Saugatuck, Leland's Tea room, at 7 a. m., 10 a. m., 2:30 p. m. and 5:30 p. m. There will be special night parties after 7 o'clock. The schedule will be changed on the first of May. Mr. White will remain in the taxi business.

The third bus line announced on Wednesday will be known as the "Red Star Bus Line," and it will begin operations on Friday morning. The line will be operated by Harry Klomparsen and Ryn Voss. Following will be the schedule: leave Holland for Zeeland 6:30 a. m.; leave Zeeland 7:30; leave Holland for Saugatuck and Douglas 8:15; leave Douglas 9:30 a. m. leave Holland for Zeeland 10:40 a. m.; leave Zeeland for Holland 11:30 a. m.; leave Holland for Douglas 1:15 p. m.; leave Douglas 2:30 p. m.; leave Holland for Zeeland 3:45 p. m.; leave Zeeland for Holland 4:15 p. m.; leave Holland for Douglas 4:45 p. m.; leave Douglas for Holland 6:00 p. m.

Carl Harrington, the youngest stockholder in the Harrington Coal Co., Friday morning received an order for a ton of coke over the wireless telephone. Young Harrington rigged up a wireless apparatus and when Alfred Sirrine of Holland needed a ton of coke he did not turn to the ordinary Citizens Telephone, but pressed the wireless apparatus into service. Incidentally Mr. Sirrine gave the young coal dealer a chance to hear some phonograph records over the wireless. Mr. Harrington has a receiving apparatus but not yet a transmitting instrument and so the order for a ton of coke had to be acknowledged over the ordinary telephone wires.

Mr. Sirrine is constantly improving the wireless apparatus at the high school and some very interesting things are being done with it from time to time.

A very pretty wedding took place when Miss Margaret Hopp became the bride of Mr. Gerrit H. Lemon at the bride's home in Crisp, Rev. Mr. Bruinooge performing the ceremony. The bride was prettily gowned in white satin and was attended by Miss Louise Steinfeld of Holland. The groom was attended by John Nykamp of Zeeland. Miss Gertrude Hopp, cousin of the bride, played the wedding march.

The rooms were artistically decorated in pink and white, and some two hundred guests attended the wedding.

A strong effort is being made to secure William Jennings Bryan for the headliner in the big Christian Endeavor Convention that is to be held in Holland June 22 to 26. Mr. Bryan has not yet made his decision, and a definite promise is not yet made by the program committee that the Commoner will be here, but it is said that they are hopeful of success.

Judge Orien S. Cross has rendered a default judgment in favor of the plaintiff in the case of Mary Donker vs. Wm. Callister, et al for \$1242 claimed to be the amount of a promissory note.

### HOLLAND MAN COULD NOT WEATHER FINANCIAL GALE

W. Stellema, Holland fruit merchant has filed a petition in bankruptcy in the U. S. District Court in Grand Rapids.

The unpaid debts of Mr. Stellema amount to \$2,249.99, while the assets amount to \$8.30.

Stellema claims property exemption of \$300. For a time Mr. Stellema was doing a land office business in fruits in this city, and as he prospered, he also began to buy buildings, delivery trucks, and other things with which to conduct his business affairs. He also was in considerable litigation over potato shipments, which cost him some money; when the bottom dropped out of everything the local fruit man could not weather the gale.

The members of the Woman's Literary club who were not present at Tuesday's meeting missed a very interesting experience. Dr. J. E. Kuizenga gave a very full exposition of spiritualism, though he left small comfort to those who believe that Madame Ouija gives communications from the other world. Many of the manifestations of spiritualism can be explained, the small per cent not pure humbug, by abnormal psychology, telepathy, etc.

There are about 75,000 professed believers in spiritualism and 375 ministers. Scientific investigators do not align themselves with the society. The interest in spiritualism aroused by the world war is already on the wane.

When the reading of the paper was ended the members had the privilege of asking questions on the subject.

The musical numbers were: a piano solo by Mrs. La Caffé and two vocal solos by Mrs. Arthur Heuer, accompanied by Mrs. Martha Robinson.

Next week the club house will be opened to receive the delegates from

the Fifth district of Women's Clubs. There will be a luncheon served at one dollar the plate. Mrs. Sears McLean, the chairman, must be notified by Friday of the number of reservations to be made.

### SAILOR, WHO SERVED WITH FARRAGUT, DIES

James W. Reeve, for twenty years a resident of Holland, and one of the last survivors of Admiral Farragut's fleet, which won the memorable victory, at Mobile Bay, during the civil war, died Tuesday morning at his home, 530 Lafayette avenue, N. E., Grand Rapids. His age was 88 years.

Reeve enlisted July 20, 1863, at New York City as 2nd-class fireman to serve on the U. S. sloop North Carolina, Seminole and Savannah, for a year, but when receiving an offer of an increase in pay of one-third, he remained in the service after his term had expired.

He often related to his friends, this story of the battle of Mobile Bay:

"On August 5, 1864, we were called to quarters and ordered to get ready for action. There were 15 ships in our fleet, including Admiral Farragut's flag ship. I was aboard the sloop Seminole. We proceeded down the channel to the bay, the boats moving in pairs, being lashed together with cables and chains so that if one ship became disabled, the other could tow her out of danger. Fort Morgan frowned down upon us from the right and Fort Gaines on the left, looked equally formidable. Two of our ships struck mines laid in the channel and sank, carrying 120 men down. Only ten of the crew were saved. We moved on down the bay under

a heavy fire from the forts. Our vessels were badly splintered up before we got out of the range of the forts. We anchored and were just preparing for dinner when that old ram, the Tennessee came up and was going to clean up the whole fleet. We poured shot into her from all sides and thus made her helpless. She surrendered after a two hour's fight. My share of the prize money was \$80."

From 1861 until 1862, Reeve served in Company I of the Third Michigan from Grand Rapids. In 1864 he joined the Fifteenth Infantry in which he served until the end of the war. Some twenty-eight years ago the Reeve family came to Holland from Fennville, Mich., and resided on College avenue. Ten years ago the family moved to Grand Rapids where they have been living ever since.

Mr. Reeve was a member of the A. C. Van Raalte Post G. A. R. while a resident of Holland and had many friends among the local vets. Besides his widow, Mr. Reeve leaves five daughters, Mrs. Hattie Crane, Mrs. N. A. Herbert, Miss Daisy Reeve, Mrs. Eda Mulder and Mrs. Mamie Bender of Grand Rapids, one son, Leon, of Grand Rapids, and three grandchildren, Helene Mulder, Evelyn Mulder and Jack Bender.

Funeral services were held at two p. m. Thursday from Spring's chapel. Burial in Greenwood cemetery.

"Miss Lizzie" became so inquisitive about the Du Mez Bros Easter show window Saturday that she left her well beaten lane and hopped up on the sidewalk, nosing right up to the large pane. The framework prevented "Lizzie" from going through the big window and cleaning up on the Easter toggeries. She remained stationary however, gazing in wonderment until willing hands gently dragged her back from the fascinating sight. We understand that at the Holleman-DeWeerd hospital, Dr. Albert pronounced the malady "Easterhysteria" and a new hood or bonnet, if you please, would alleviate the trouble.

### STATEMENT OF OWNERSHIP, MANAGER, PRINTING, CIRCULATION, ETC., REQUIRED BY THE ACT OF CONGRESS OF AUGUST 24, 1912.

Of the Holland City News, published weekly, at Holland, Michigan, for April 1, 1921.

STATE OF MICHIGAN, County of Ottawa.

Before me, a notary public in and for this state and county aforesaid, personally appeared Benjamin A. Mulder, who having been duly sworn according to law, deposes and says that he is the publisher of the Holland City News and that the following is, to the best of his knowledge and belief, a true statement of the ownership, management, etc., of the aforesaid publication for the date shown in the above caption, required by the Act of August 24, 1912, embodied in section 443 Postal Laws and Regulations printed on the Reverse of this form, to-wit:

1. That names and addresses of the publisher, editor, managing editor, and business managers are:

Publisher, Benjamin A. Mulder, Holland, Michigan; Editor, Benjamin A. Mulder, Holland, Michigan; Managing Editor, Benjamin A. Mulder, Holland, Michigan; Business Manager, Benjamin A. Mulder, Holland, Michigan.

2. That the owners are: Benjamin A. Mulder, Holland, Mich.; N. J. Whelan, Eau Claire, Wis.; Charles L. Mulder, Holland, Mich.

3. That the known bondholders, mortgagees, and other security holders owning or holding 1 per cent or more of total amount of bonds, mortgages, or other securities are: None.

4. That the two paragraphs next above, giving the names of the owners, stockholders, and security holders, if any, contain not only the list of stockholders and security holders as they appear upon the books of the company but also, in cases where the stockholder or security holder appears upon the books of the company as trustee or in any other fiduciary relation, the name of the person or corporation for whom such trustee is acting, is given; also that the said two paragraphs contain statements embracing affiant's full knowledge and belief as to the circumstances and conditions under which the stockholders and security holders who do not appear upon the books of the company are, in fact, the owners, stockholders, and security holders, in a capacity other than that of a bona fide owner, and this affiant has no reason to believe that any other person, association, or corporation has any interest direct or indirect in the said stock, bonds or other securities than as so stated by him.

BENJAMIN A. MULDER, Manager.

Sworn to and subscribed before me this 30th day of March, 1921.

## FORDSON

No. 37

DICK H. DE KLEINE

of Jamestown Township, Ottawa County, Michigan, is the proud owner of a new Fordson Tractor and Oliver Plow. This is Fordson No. 37 sold and delivered by us since May, 1919.

Mr. Dick H. DeKleine owns a fine farm in Jamestown Township, and is considered one of the progressive, up-to-date farmers of the community. The value of power farming prompted Mr. De Kleine to buy a Tractor. The efficient service of a Fordson led Mr. De Kleine to make his choice a Fordson.

Byron Center

TWO INJURED IN  
AUTO ACCIDENTS

Arend Bosman was knocked unconscious and rather seriously injured on Friday afternoon when he was struck on the corner of River and Twelfth by an automobile driven by John Leeuw. Bosman was on his bicycle and was knocked to the pavement, receiving two bad scalp cuts and several bruises. He was rushed to the hospital where Dr. Cook attended him. Later he was removed to his home on Lincoln avenue.

Another serious accident took place Friday evening on Eighth-st. when an oil truck from Byron Center struck Will Exo and knocked him unconscious. Exo was in the act of getting into the automobile of David Verecke when the oil truck struck the machine from behind. Exo was badly injured and was rushed to his home where Dr. Tuttle attended him. He was reported Saturday morning as being somewhat improved.

WAGE CUT CAUSES  
SOME TO WALK OUT

Owing to a reduction in wages, made necessary by the contingencies of the times, a number of the employees of the Cappon-Bertach Leather Co., Monday morning failed to report for work. The plants were running as usual Monday, although with a reduced force.

The reduction in the number of men in the plants has not stopped operations. All of the departments in the two plants were at work Monday to some extent, and the company anticipates that they will get back to normal in a few days.

The reduction in wages, according to the company, is in accordance with similar scales of wages in this line of business in other places.

THERE MUST BE  
MONEY IN THOSE  
SILVER BLACK FOX

Fox raising must be contagious. Fox farms in Michigan started in Muskegon; then Ottawa Co. got the fever, and now Allegan county is contaminated. Considering the hold this sort of farming has taken there must be dollars in the project. Holland has a large fox farm directly north of this city that is prospering nicely and the following item from the Allegan News shows what Allegan county is going to do:

Messrs. Judge J. Ford Stratton, Robert Dunham, Earl Herman Wayne Stuch and Emil Swanson have formed a company to be known as the Allegan County Silver-Black Fox Co., and they will begin operations at once on a ranch on the Sequist addition on the south side. They will start with 40 pairs of Silver Black fox, thirty pair that were put in by Messrs. Stratton and Herman, the company will buy ten pair from the Prince Edward Island, Canada. The necessary buildings and equipment are being placed on the grounds and the company know they have a great industry as well as a big money maker. We hope each will be able to make a barrel of the "kale" as all are progressive and will be a lasting benefit to our city."

OLIVE TOWN-  
SHIP PIONEER  
PASSES AWAY

Olive township lost one of its best known pioneers when death came on Wednesday to Eildert M. Nienhuis. Mr. Nienhuis has lived in Olive Township most of his life and he was one of the best known citizens of that community. He was born in the Netherlands and came to this country when only four and a half years old.

The deceased is survived by his wife and the following children: William, Martin, Harm, Harry, Abel, Mrs. Peter Workman Muskegon; Mrs. Conrad Nienhuis, Holland; Mrs. H. Boone, Grand Rapids; Mrs. J. Vredevoord, Grand Rapids; also by thirty grandchildren.

Mr. and Mrs. Nienhuis had been married 47 years and all their children are living. The funeral was held at the Crisp church on Monday afternoon at one o'clock.

GOOD PROGRAM  
GIVEN BY THE  
PIANO PUPILS

An exceptionally good program was rendered by the pupils of Miss Henrietta Warnhuis last Friday evening at her home. In spite of the rain and storm a very large and appreciative number were present.

One feature of the program was the graduating class in the Burrows Course of Music. Prizes were given to two members of the class having the highest marks. The graduating class and a class of beginners gave some of their class drills and songs. The members of the graduating class were: Winona Peterson, Margaret Stoketee, Grace Vander Bie, Marion Paulus, Loyd Patterson.

The following rendered piano selections: Evelyn Albers, Christine Holkeboer, Grace Vander Bie, Marion Paulus, Loyd Patterson, Irene Gustafson, Ruth Geerling, Genevieve Kardux, Evelyn Stoketee, Peter Holkeboer, Cora Prins, Maxine Vandenberg, Dena Klooster, Winona Peterson, Margaret Stoketee, Ella Lanning, Mary Zwemer Hazel Lokker, Cora Van Liere, Marjorie Du Mez, Sarah Lacey, Alida Geben, Margaret Paulus.

As an intermission little Helen Shaw favored with a few readings and responded to encores.

HOLLAND MAN SPEAKS ON  
"CHARACTER SALESMANSHIP"

The Michigan staff of the Franklin Life Insurance company was entertained Monday night at a banquet at the Hotel Pantlind, which followed sales conferences in the morning and afternoon. George B. Stadden, president of the company and William B. Billheimer of St. Louis, sales manager, were the principal speakers. William J. Olive of Holland, spoke on "Character in Salesmanship."

Agents from Lansing, Detroit, Kalamazoo, Grand Haven and Flint were present.

OFFICERS ELECTED BY  
PREP. SCHOOL SOCIETIES

The two literary societies of the preparatory department held election of officers. The Meliphone society chose the following officers: President, Elwood Geegh; vice-president, Chester Yntema; secretary, Joshua Holkeboer; treasurer, Stanley Huyser; K. of A., Delbert Kinney; S. at A., Adrian Doane.

The Minerva society elected the following—president, Natalie Reed; vice president, Jeanette Veldman; secretary, Hilda Weeringa; treasurer, Ruth Schmulligan; K. of A., Gertrude Voorhorst; S. at A. Amy Zwemer.

ALLEGAN IS GIVEN AN  
ISLAND TO PARK CARS

One of the problems of municipal welfare that has engaged the consideration of every city council for years has been practically disposed of at Allegan by the acceptance of the offer of John Katherer, giving to the city of Allegan, the island situated in the rear of his business property. The site will be used for parking of automobiles.

CITY WANTS TO KEEP  
RATE FIXING POWERS

Holland is not going to let the bill now before the legislature which would take away the city's power to adopt its own water and light rates be passed without a fight. Mayor E. P. Stephan and City Attorney McBride are in Lansing to protest against this bill and to present to the legislators the arguments for letting the fixing of rates alone for those cities that have municipal public utilities.

If the proposed bill should pass, Holland water and light departments would go under the jurisdiction of the Michigan Public Utilities Commission. The city of Holland believes that this would be entirely uncalled for. The people of Holland, under the principle of home rule, have a right to assess themselves for whatever rates for water and light they please, and the people here claim to know local conditions better than any Lansing commission can know them. Hence Holland is going to put up a strenuous protest against this bill.

WORK STARTED  
TUESDAY ON NEW  
CITY DIRECTORY

Holland is to have a new city directory at last, and it is to be gotten out by one of the best known directory concerns in America, R. L. Polk & Co. James G. Cypher, representative of that company, arrived in Holland Tuesday with a force of workers and the big job of securing the information for the directory began Tuesday noon. It will take about four weeks to cover the city completely. And when the directory is published it will be a real directory of the city of Holland. The long and honorable business career of the R. L. Polk Co. is a full guarantee for this.

"What we ask for," said Mr. Cypher, "the co-operation of the general public. We ask that when one of our solicitors comes to a door he or she be given careful attention. They are not there to find out anything about people's private affairs. They are not butting into anything. All they want is the correct names of the people who live at the houses at which they call, including the names of all children over 16 years old. Great care should be taken by all to give the correct spelling of all names as that is important in any directory."

Mr. Cypher was in Holland about a week ago to look the field over. He decided then that Holland needed a city directory badly and he decided to come here to get one out. He received the endorsement of the Holland Retail Merchants Association officials and Tuesday the actual work began. Offices for the company have been established over the Lokker-Rutgers company store.

All the information will be gathered at first hand. No information will be secured over the telephone but will be gathered by solicitors in a house-to-house canvass. Holland has not had a city director since 1916.

PLAN CLOSED SEASON ON  
BLUE GILLS IN JUNE

A closed season on bluegills during the month of June each year is one of the plans the state fish commission has under consideration. The commission is now propagating a few hundred thousand bluegills each year but the work is said to be still in its infancy and unless something is done the commissioners say, either to propagate bluegills in larger numbers or to protect them to a certain extent during the breeding season, Michigan lakes soon will be nearly depleted of this kind of fish.

HOLLAND BOYS  
MAKE BIG SUCCESS  
IN AUTO ACCESSORIES

Bob Lacey, of the Lacey company wholesale and retail automobile equipment dealers of Grand Rapids, just returned from a trip through Ohio, where he sold 45,000 Pedric piston rings. The Bessenger company of Cleveland will distribute the piston rings in northern Ohio, while the Main Auto Supply company of Cincinnati will handle the territory in southern Ohio and Kentucky.

The Lacey Co. is distributor for the Pedric piston rings throughout the United States, and this is only one of the many accessories they handle. The company are enlarging the company's quarters at 45 Pea street. The alterations greatly increasing the display space.

Present plans are to move the offices from the rear of the building and store all reserve stock in the basement. The alterations will give the store a depth of about 75 feet of display space.

A corps of carpenters are now at work day and night and hope to complete the work in approximately two weeks. Business will continue as usual.—G. R. Herald.

Bob and Ned Lacey, the young men reported as being so successful, are Holland boys and are the sons of Mr. and Mrs. G. A. Lacey, East 8th street.

ORATORS CHOSEN FOR  
HOPE COMMENCEMENT

Among the six orators that have been selected to represent the class of 1921 of Hope college at the commencement exercises in June are: Martin De Wolf, Jessie Hemmes, and Gertrude Pieters, Theodore Fintema is the valedictorian and the other two speakers are to be chosen later by the faculty. This necessitates a change in the cast of the class play. Evert Flikkema will take the part of the hero in De Wolf's place and Miss Grace Peet will replace Miss Pieters. Henry Mol has been elected as business manager and John Kempers as stage manager. The play will be distinctly a Senior class play in that it is to be coached by Miss Jedidah Ossewarde, a member of the class. Miss Ossewarde is also a member of the dramatic club and is amply equipped for the work by her experience.

GIVES REASONS  
FOR INCREASES IN  
APPROPRIATIONS

The appropriation bill that passed the common council at the last regular meeting is considerably higher than that of the year before. "But we are not apologizing for this fact," said Mayor Stephan, commenting on the figures. "The history of appropriation bills in Holland for years has been that officials were so anxious to keep the figures down that the funds gave out long before the end of the year and then the city had to borrow at a high interest. This is wasteful and not good business. This year we have adopted the principle of paying off the deficits carried from the year before and moreover appropriating enough so that the city can run to the end of the year without borrowing."

The general fund was increased by \$1,000.00. New items in it are: \$500 for band concerts; \$1500 painting and cleaning the city hall which has not been done since it was built; \$500 to take care of last year's deficit in this fund. To make up for these new items some other items were omitted so that the net increase is \$1000.

The biggest increase of all was in the street fund, an increase of \$12,000 over last year. Of this \$5,000 was for a deficit carried over from last year. Labor and material in the street building are higher than they were some years ago and the principle was followed of appropriating enough so this fund will not run out long before the year is out.

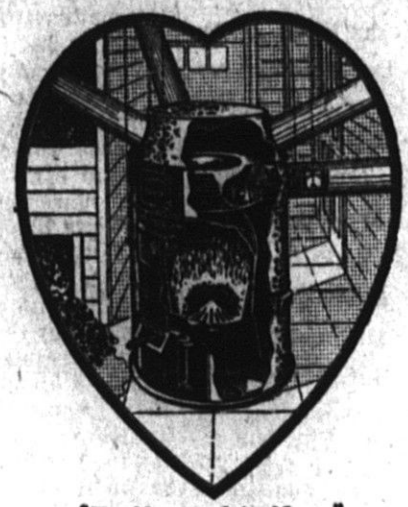

The health, fire department and police funds were all overdrawn because not enough had been appropriated last year, the total shortage of these three being \$2,600, which had to be made up this year.

The park fund has a total increase of \$1,850, of which \$1,000 is for the improvement of the "George E. Kollen Park," \$350 for painting the base ball park fence and other improvements, \$500 for band concerts.

The bill moreover included \$3,000 for preliminary work for the sewage disposal plans. The appropriation for the public schools is \$12,000.00 more than last year.

"All this means a higher appropriation bill," the mayor concluded, "but it is all for things absolutely needed. We believe in taking care of the city's property in the same way as we would of private property, and to pay for things as we go along, like any well conducted business. Hence we have no apology to make for a higher appropriation bill, our aim being to get one hundred cents in returns for every dollar spent."

The engagement of Miss Della Willet to Henry Mulder of Holland has been announced. Miss Willet is at present chief operator of the local Michigan telephone company. Miss Estelle Biehl, who was formerly chief operator will succeed Miss Willet.—G. H. Tribune.

## COMMITTEES NAMED FOR BUILDING NEW TEMPLE

The building of a fine new Masonic Temple in Holland is now an assured fact according to officials of the Masonic lodge here. The movement has now progressed so far that there is no longer any doubt left about this matter and the work has progressed so far that a committee has even been appointed for the laying of the cornerstone. The total amount secured for the building is now in excess of \$30,000 and subscriptions are daily coming in swelling this fund.

It was announced Monday that the plans are under way whereby the new Masonic Temple will be available for use by others than Masons. The board of trustees has this matter under consideration. The plan to be followed will be to organize a general club in the city, the members of which can take advantage of the opportunities offered by a building of this kind. Persons not Masons will be eligible to membership in this club and in this way they can use the building.

A board of trustees has been named that has full charge of the plans of building the new temple. This board is composed of the following: Austin Harrington, Walter Lane, A. H. Landwehr, Seth Nibbelink, Percy Ray, Con De Pree, Arthur Van Duren, Willard A. Cobb, U. F. De Vries, Wendell R. Buss and F. W. Hadden.

The officers of the board of trustees are: Percy Ray, President; Austin Harrington, vice president; U. F. De Vries, secretary; and Seth Nibbelink, treasurer.

The committee in charge of laying the cornerstone is composed of the following: F. J. Congleton, chairman; W. H. Orr, E. P. Stephan, Dr. A. Leenhouts, D. M. J. Cook, R. M. Bosworth, Merrick Hanchett and George Van Landegend.

## SUGGESTS FARM FIRE TRUCK FOR ZEELAND DISTRICT

As a result of a big fire near the city of Zeeland a few days ago, the suggestion has been made to the farmers in the vicinity of that city to organize a farmers' fire department with a well equipped chemical motor fire truck, the apparatus to be stationed in or near Zeeland and to be used by the farm members of the organization in case of fire. The rural fire department, according to this plan would be manned by the Zeeland firemen and in this way the farm property in the surroundings of Zeeland would have about the same fire protection that is now accorded to property within the city. The suggestion for the establishment of such a fire department is made in last week's issue of the Zeeland Record.

The fire that gave rise to the suggestion was on the farm of Joe Van de Velde near the city of Zeeland. The blaze had a good start when it was discovered by neighbors, the family being away from home. But in spite of this the Zeeland motor fire truck was on the scene in such a short time that the damage was not more than about \$500. If Zeeland had not had a motor fire truck, it appears likely that practically all the farm buildings would have been wiped out. Cases are fairly common of a whole farm being cleared of its buildings by a single fire because there is no fire protection in the country.

A rural fire department would necessarily have to be one that depends almost entirely on chemicals because of the fact that water is not available in the rural districts. In the case of the Vander Velde fire water could be used because the fire was not far from the Phoenix Cheese Co. and that concern supplied the necessary water. But this is not usually the case.

Whether or not the suggestion made by the Zeeland Record is carried out in that community, it would appear to be a good one for any community of farmers who wish to have the buildings protected by a fire department. In these days of good roads and motor-driven fire trucks, a farm fire truck could be on the scene of the fire within a radius of five miles in time to save a good deal of property from destruction.

## VIOLET ELOISE PARIS BECOMES BRIDE OF

Friday evening at the parsonage of Rev. Kingsbury, the marriage took place of Miss Violet Eloise Paris to Henry Farma. The ring ceremony was used. After the ceremony a reception was held at the home of Mr. and Mrs. Ed Munson where the immediate relatives were present. The rooms were prettily decorated in orange and white. A dainty wedding supper was served in the dining room. The table was decorated with Easter lilies. One unique feature of the occasion was that it was the eighth anniversary of the marriage of Mr. and Mrs. A. Berkompas, the groom's sister.

Mr. and Mrs. H. Farma will make their home in Holland.

## UTILITIES BOARD CITES HOLLAND AS EXAMPLE

Because of the criticism of the Michigan public utilities commission in the fixing of valuations for utility properties now under its control made by a number of city officials who appeared before the public hearing in the senate last week when the Osborn public utility bill was up for consideration the commission Saturday issued a statement, giving its basis for making valuations and refuting the charges made against it by actual figures. In the course of its statement the commission used Holland as an illustration of its method. The following paragraph from the report relates to Holland:

"The first case in which the commission fixed a value was the Holland Gas Works of Holland. In this case the commission fixed a value of \$180,000, including a working capital of \$10,000, and the figures from the engineers on the plant follow: Historical cost, \$160,000; cost as of 1916, \$201,620; original cost, as figures by commission engineers, \$192,529; cost as of 1906, \$167,467; reproduction cost, \$242,000. As shown by these figures the valuation given the company for rate making purposes was but 1,000 in excess of the historical cost, when the \$10,000 working capital is deducted."

Grand Haven and Muskegon Legislatures are joining together and are going to put on the biggest minstrel show ever appearing in this vicinity. The show after it has appeared in the two above cities will come to Holland Grand Rapids and other cities in Michigan. Movie ads are now being filmed of the company and these will be sent to the different movie houses in the cities where the Legion minstrels appear.

# Election Notice

## To the Electors of the City of Holland:

Clerks Office

Holland, Mich., March 4, 1921.

You will please take notice that at a meeting of the Board of Supervisors of the County of Ottawa held February 14, 1921 the following preambles and resolutions were duly adopted, viz:

Whereas, pursuant to statute, (Compiled Laws of 1915, Section 3309 and the following sections, as amended by Act. 225 of the Public Acts of 1917, and by Act No. 84 of the Public Acts of 1919) there has been filed with the Clerk of this Board, on the 4th of January, 1921, a petition signed by the required number of electors as determined by this Board residing in the territory to be effected (the City of Holland and the township of Holland in this County) requesting the submission by this Board of questions relative to the change of boundary of the City of Holland, and Township of Holland, as in those petitions set forth, to a vote of the qualified electors of the City of Holland and Township of Holland, at the next general (April 1921) election, the substance of which petition is hereinafter set forth, and whereas, this Board has heretofore determined the sufficiency of said petitions, and that they are in compliance with the law, Now therefore,

BE IT RESOLVED by the Board of Supervisors of the County of Ottawa, in adjourned session of said Board, that the question of changing the boundary of the City of Holland and said Township of Holland, so as to detach from the City of Holland certain territory now within said City of Holland, and attach the same to the Township of Holland, all in the County of Ottawa, and State of Michigan, which territory is described as follows, to-wit:—

That part of the North West quarter (¼) of section twenty - 20 - Town five north, range fifteen west, which is bounded and described as follows:— Beginning at a point on the center line of River Avenue - as said River Avenue now runs through section 20 T. 5 N. R. 15 West - two hundred eighty seven - 287 - feet north westerly from the intersection of the center line of River Avenue with the South line of Section 20 T. 5 N. R. 15 W, running thence East, parallel to the section line one hundred fifty - 150 - feet, thence north to the center line of the main channel of Black River in a northwesterly direction until it crosses the center line of River Avenue at a point approximately eight hundred twenty - 820 - feet north westerly from the place of beginning - said eight hundred twenty feet being measured along the center line of River Avenue - thence following the center line of the channel of Black River in a southwesterly direction to its intersection with a line running through the place of beginning, and running parallel to the south line of section 20 Town 5 north, range 15 west, running thence east to the place of beginning.

Be submitted to the qualified electors of the territory to be effected, namely, the City of Holland, and the Township of Holland, both in the County of Ottawa, at the next general - April 1921 - election.

Now therefor notice is hereby given that in pursuance with said resolution, the aforesaid proposition will be submitted to a vote of the electors of the city at the Charter election to be held in and for said city on Monday, April 4, 1921, A. D. and, that at said election each elector voting on said question shall designate his vote on the ballot containing said proposition by a cross mark (X) placed in the square ☐ opposite the word "YES", or in the square ☐ opposite the word "NO", as he may elect.

Notice is further hereby given that said election will be held in the several wards of the said City of Holland, at the places designated by the Common Council as follows:

- First Ward--second story of Engine House No. 2, 106 East Eighth Street.
- Second Ward--No. 145 River Avenue.
- Third Ward--G. A. R. room Basement floor, City Hall, Corner River Ave. and 11th Street.
- Fourth Ward--Polling place, 301 First Avenue.
- Fifth Ward--Polling place corner Central Avenue and State Street.
- Sixth Ward--Basement floor, Van Raalte Avenue School Building, on Van Raalte Avenue, between 19th and 20th Streets.

Notice is hereby given that the polls at said election will be open from seven o'clock a. m., till five o'clock p. m. of said day.

In witness whereof, I have here unto set my hand the day and year first above written.

RICHARD OVERWEG, City Clerk.

HOLLAND TOWNSHIP

ELECTION NOTICE

To the Qualified Voters of the Township of Holland, County of Ottawa, State of Michigan.

TAKE NOTICE that at the next general election in said Township to be held on the 4th day of April, 1921, in pursuance of a resolution of the Board of Supervisors of said County of Ottawa, the question of changing the boundary of the Township of Holland by detaching from the City of Holland certain territory now within said City of Holland, and attaching the same to the Township of Holland, will be submitted to the qualified electors of the territory to be affected, viz: The City of Holland and the Township of Holland.

The property proposed to be detached from the City of Holland and attached to the Township of Holland, is described as follows, to-wit:

"That part of the Northwest quarter (¼) of Section Twenty Town Five, Range 15 West, which is bounded and described as follows:--Beginning at a point on the center line of River Avenue (as said River Avenue now runs through section 20 T. 5 N. Range 15 W) Two hundred eighty-seven (287) feet northwesterly from the intersection of the center line of River Avenue with the south line of Section 20 T. 5 N. R. 15 W, running thence East parallel with the section line one hundred fifty (150) feet; thence north to the center line of the main channel of Black River, thence following the center line of the Main Channel of Black River in a northwesterly direction until it crosses the center line of River Avenue at a point approximately eight hundred and twenty (820) feet north westerly from the place of beginning, (said 820 feet being measured along the center line of River Avenue); thence following the center line of the Channel of Black River in a southwesterly direction to its intersection with a line run through the place of beginning, and running parallel with the south line of Section 20 Town 5 North, Range 15 West, running thence East to the place of beginning."

Given under my hand and seal this 5th day of March, 1921.

CHARLES EILANDER,

Clerk of the Township of Holland.
